FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 15, 1938.

NUMBER 31

School Boy Patrol For School Sts.

Captain Legge Instructs Class Of Eight Youths Wednesday Morning

Introduction of the school boy patrol system for traffic on streets and highways adjacent to schools was begun in Floydada Wednesday morning when in chapel at high school Captain W. W. Legge, of the State Highway Patrol, instructed a class of 8 boys in the duties of a traffic patrolman for schools.

With Captain Legge were Patrolmen Billy Johnson and Nelson Higginbotham, of the Plainview station. Mayor Glad Snodgrass of Floydada, J. C. Gilliam, Garlan Glover, chairman of the Lions club safety committee, and Judge L. G. Mathews of the same club's boys and girls work committee.

Mayor Snodgrass and Judge Mathews spoke in the chapel program, the mayor extolling the value of safety patrol to the school children, and Judge Mathews presenting facts and figures as to the need for greater safety measures on streets and highways. The mayor and the judges were among a group of officials and Lions club representatives who attended a safety meeting in Dallas, called several weeks ago by Governor Jas. V. Allred.

Eight boys were in the first class to be inducted into the local patrol. They are Carl Arnold, Kenneth Bishop, Robert Arnold, James Wester, Harold Sparks, Buddy Norman, J. L. Nichols, and Joe Arwine.

Cold Storage Locker Plan For Floyd County Nearing A Certainty as Stock Sells

Committee In Meetings Explains Details, Manner Of Operation

The co-operative cold storage locker system for Floyd county, for storing fruits, meats and vegetables is being very enthusiastically received, and it appears likely now that the stock will be subscribed by September 15.

This report is given by County Agricultural Agent D. F. Bredthauer, who said that the committee in charge of the promotion have fully 75 per cent of the stock subscribed.

The plan has been well received at Floydada, Sand Hill, Harmony, South Plains and Lakeview where meetings have been attended by Messrs. L. A. Williams, W. E. Miller, W. H. Nelson, J. A. Lloyd and T. E. Leach, the steering committee members. In these meetings details of the locker system have been explained.

Present hope is that the system will be in operation in time for farmers to use during the early fall butchering period.

Discussing the cold storage locker system this week Agent Bredthauer said:

"The modern cold storage locker plant is a complete establishment, scientifically equipped to handle and insure the preservation of meats, fruits, and vegetables over an extended period of time. Therein, in individual lockers, families may store various kinds of foods and at any time, or months later, take the food out and use it with the certainty that the original goodness has not been lost. In fact quick freezing actually preserves the flavor and palatability of many foods."

Proper handling of foods from the time they enter the plant through the chilling room, the processing room, the sharp freezer and the locker room under sure, positive and correct temperature, make the locker plant practicable and useful. Until locker plants were developed fresh fruits and vegetables out of season were a luxury enjoyed wholly by the well-to-do people. Now they are available to every one in this new and modern service.

"No longer is it necessary for farm families to confine their butchering to winter months only, nor to eat canned or cured meats during the summer months. The drudgery of meat and vegetable canning is also removed from the lives of the women folks whose families patronize the co-operative cold storage locker plant."

Cops Get Badges — Los Angeles has deputized 500 special police to direct traffic, keep the peace and see that visitors enjoy themselves at the American Legion convention Sept. 19 to 22. Pictured here is Capt. Charles Bayliss, left, pinning the first special police badge on Superior Judge Arthur Guerin.

Five To Ten Farm Homes To Be Bo't

Bankhead-Jones Farm Tenancy Act To Help Tenants, Farm Laborers

It appears five to ten desirable farm homes are to be bought in Floyd county in the next few months for tenant farmers and farm laborers as a result of the Bankhead-Jones Tenant Act.

The Farm Security Administration, according to Homer R. Robbins, Regional Chief of Tenant Purchase section, is anxious that all farm people interested in buying farm homes be given an opportunity to make application. The application blanks may be had at the local Farm Security administration office in Floydada. Applications for farms this year must be in the mail or the local office not later than October 1, 1938.

Farm tenants, sharecroppers, farm laborers, or others who obtain or have recently obtained most of their income from farming are eligible for tenant purchase farms.

Preference will be given to married persons or persons with dependent families; to persons able to make a down payment, or to persons who own livestock and equipment necessary to carry on farming operations.

Information about tenant purchase program may be had by contacting County committee men, O. L. Allen, Fred M. Batley and Joe M. Smith, or Claude C. Carpenter, local supervisor.

Commenting upon the tenancy program, state committee man, John E. Hill, said: "It is everywhere apparent that the proportion of farmers who are tenants has increased at a rapid rate. It is considered imperative that some solid program be adopted to enable worthy farm tenants, and especially the young tenant farm families, to become farm owners, not so much on a commercial large scale production basis, but as self-sustaining home owning citizens."

Approximately twenty applications for farms have been received to date according to the local supervisor, Claude C. Carpenter.

Interscholastic League Will Be Held In Floydada; Also Name Executive Committee

Directors For Event To Be Held In Spring Named At Early Meeting Tuesday

Sometime early next spring the Floyd County interscholastic league will meet in Floydada for their annual school meet with their various literary and athletic events.

This spring the event was held at Lockney with Superintendent J. W. Jones, director general.

This year A. D. Cummings, Floydada High School superintendent, will act as director general of the meet. It has been customary for a number of years to alternate the meet annually between Lockney and Floydada.

Rulings Made

The directors present agreed by vote that a 12-inch in seam ball would be used in all boys and girls playground ball contests.

Floydada, Lockney and South Plains agreed that there would be no ward school senior events, no ward school tennis, and no ward school volleyball. This decision applies only to class A ward schools and does not effect rural schools.

Rural school junior tennis will be held this year as provided in the constitution and rules of the interscholastic league.

There will be no ward school "ready writing" or "numbers sense" contest in Class A ward schools.

These four rulings were decided upon following a vote.

Directors Named

Director-general, A. D. Cummings, Floydada.

Declamation, J. W. Jones, Lockney.

Debate, H. E. Barnes, Alken.

Extemporaneous speech, Peyton Legg, Lakeview.

Spelling, L. H. Aldredge, South Plains.

Ready Writing, Grace Cade, Floydada.

Rural Schools, Walter Travis, Floydada.

Athletic, Odell Winter, Floydada.

Music Memory, Oleta Owens, Sand Hill.

Picture Memory, Margaret Stuart, Sterley.

Choral Singing, Robert Fisher, Fairview.

Arithmetic, Elam Caldwell, Dougherty.

Tennis, W. A. King, Floydada.

Girls playground ball, J. H. Myers, Floydada.

Boys playground ball, C. E. Blount, Lockney.

Volley ball, O. K. Davis, Floydada.

Story telling, Mrs. Cella Ross, Lakeview.

Three-R, D. H. Staples, McCoy.

One-Act play, G. D. Tate, Lockney.

They Fight Again—If the emphatic fist in the above picture is any indication, Civil War Veteran C. H. William Ruhe, right, of Pittsburgh, Pa., is telling Col. Russell C. Martin of Los Angeles aplenty at the national encampment of the Grand Army of the Republic in Des Moines, Ia.

Franchise Is Given Rural Co-Operative

Commissioners Give Permission To Run Light Lines Along Roads

Commissioners of Floyd county Tuesday signed, sealed and delivered formal approval for the Floyd County Rural Electric Co-Operative, Inc. to run their light and power lines along roads of the county, subject to orders of the commissioners as to location of poles and similar matters. The franchise is the usual one given to power companies and other public service companies.

Floyd County Rural Electric Co-Operative prepared to swing into action quickly as a meeting was called last night for the selection of a resident engineer.

Prior to this time an office at 107 North Main street has been selected and preliminary work begun.

Parties along proposed lines, not making application for membership now will not be serviced until the people who have made application for membership are served.

The work for the next few weeks will be to prepare maps secure additional data and in general, prepare for the letting of the contract for construction. It is hoped that within a week plans and specifications on the construction can be released for bids, L. W. Chapman said.

H. B. Lee, field engineer, and Carl C. Cox, consulting engineer were in the county Wednesday checking over the line and other matters.

Re-Shaping Caliche Base For Road Work West Out Of Lockney

Re-shaping of the road base on Leust street went out of Lockney to complete a loop from Highway 28 through that city, has been started. Commissioner Harris' machinery is being used for scarifying and other heavy work, while the highway department's machinery is tied up on another job. Road Maintenance Supervisor A. J. Hamilton said this week.

W. O. Kirk First With Bale Cotton On Floyd Market

The first bale of 1938 cotton to reach the Floydada market and to be ginned was received Monday afternoon from O. W. Kirk, 6 miles south of Floydada across the canyon in Starkey community. It was one day later than the first bale to come to Floydada in 1937.

The bale of cotton was raised on the J. W. Clonts place which Kirk is farming this year. It is dry land cotton. Kirk also has some irrigated cotton on an adjoining farm.

Scott Gin company turned out the first bale. It weighed 587 pounds and was ginned from 1720 pounds of snapped seed cotton. The staple was thirteen-sixteenths.

Kirk also brought in the second bale the same day. It was received shortly after sundown at the same gin. It weighed 585 pounds.

Starkey Raiser Also Hauls Second Bale Seed Cotton To Floydada

The old-fashioned custom of a premium for the first bale has not been forgotten in Floydada, it appears, and Mrs. Kirk will have in cash and merchandise a premium of \$50 for bringing the first bale to Floydada. Firms which contributed to this fund in cash are:

Ernest Carter, Floydada Steam Laundry, Martin & Co., Hagood's Cafe, Williams Grocery, Wilson Kimble, Palace Cafe, Redd's Fruit Stand, West Texas Gas Co., Daily's Conoco Service Station, White Drug Co., Radio Electric Co., Plainsman, Stansell & Collins, Hull & McBrien, Frogge's Studio, C. P. Leoper, Sharp's Motor Service, Eubank Cafe, Stanley Barber Shop, Marvin Massie, Westers Bakery, Felton-Collins Gro. Co., Bishop Drug Co., First National Bank, F. C. Harmon, McDonald-Gilliam, Sam McCleskey, Bishop Motor Co., Kirk & Sons, Woodridge Lumber Co., Jackson Produce, Willson & Son, Magnolia Petroleum Co., Armour Creamery, Higginbotham-Bartlett Co., Browns Household Supply, King Grocery, J. C. Penney Co., Keims Haberdashery, Star Cash Grocery, Pigly-Wigly, Withers Cafe, McMurray Coffee Shop, Oden Chevrolet Co., Stewart Cleaners.

Firms which contributed in trade or merchandise are Martin Dry Goods Co., Price Fruit Stand and Scott Gin Company.

4 Tractor Crossings In Prospect This Fall For County Highways

Work orders have been issued for the construction of four highway crossings for tractors in Floyd county. A. J. Hamilton, maintenance foreman has been advised to put tractor crossings on Highway 28 four miles east of Floydada at the Latta service station, at Muncy and at a point about three-fourths of a mile southeast of the Lockney loop, where an east and west and north and south road intersect the highway.

One other crossing provided for is on Highway 207 about 3 miles south of Floydada where the Petersburg road intersects the highway. Concrete and steel will be used in the construction.

Teachers Assn. Is Formed Tuesday For Floyd County

Walter Travis is Re-Elected President Of The Organization At Meeting

Walter Travis, County superintendent, will act as president of the Floyd County Teachers' association for 1938-39 following the re-organization of the association Tuesday night.

Approximately 75 teachers were present for the meeting at which the constitution was accepted and the officers elected. Travis was president of the organization last year. Being considered one of the most efficient and up-to-the-minute school men in the Panhandle he was quickly nominated to succeed himself by the teachers.

The Floyd County association will be affiliated with the Texas State Teachers' association. Several members from this county attended a meeting of the state association at Big Spring last year.

The officers elected were Walter Travis, president; G. D. Tate, Lockney, first vice-president in charge of programs; L. H. Aldredge of South Plains, second vice-president in charge of publicity, and Miss Daltis Rea, secretary-treasurer.

Home For J. A. Arwine Started On South 1st

Construction of a home on South First street for J. A. Arwine was started the latter part of last week by W. A. Gound, contractor. Foundations were poured and the superstructure is to be started this week, according to plans.

The new dwelling is to be a brick veneer.

Other construction includes a home for John S. Callahan on his farm near Wake, which should be completed the first of next week.

A granary and barn on the H. A. Kreis farm east of Floydada on the Matador highway has been under construction for several days. R. H. Willis has charge of this job.

Revival At First Christian Church Closed Last Night

The revival meeting that has been in progress for the past two weeks at the First Christian church closed last night. Rev. Duke C. Jones, of Neuman, Georgia has been doing the preaching.

Good interest and attendance has been manifest throughout the series of services with several additions to the church.

A baptismal service was conducted Wednesday night of last week when several candidates were baptized.

Rev. Gordon G. Voight, pastor assisted in the meeting.

Stansell Jerseys Will Compete At Tri-State Fair Again This Year

O. L. Stansell's Jersey show herd leaves this week for Amarillo where they will be groomed for the opening of the Tri-State Fair on Monday morning.

Stansell will have his cattle in competition for the tenth season. Beginning in 1928 he has shown consistently at the Tri-State and the Panhandle-South Plains fairs and also frequently at the Texas State fair, and at other regional events.

Bill Johnson will have charge of the herd again this year, and Mr. Stansell plans to leave for the show on Monday.

Cotton Harvest Time Near; Gins 'Tune Up,' Merchants Sell Sacks

Cotton harvest time is here or if it is not it is a mighty short distance around the corner, for—

Gins are tuning up, putting on the last belts, testing out the boilers;

The first bale has been ginned at practically every point in this immediate area, including Lockney and Floydada;

And the merchants are beginning to note the sale of cotton sacks and cotton sack materials.

These signs are good ones even if you have not been out around the fields and seen the cotton bolls begin to burst.

What is, presumably, the leaf-worm has made its appearance in considerable numbers in some portions of the county's cotton crop, reports this week indicate. The same worm is attacking young maize and damaging it somewhat. Apparently the worst infestation is where the ground moisture is most plentiful. Cotton growers are not generally agreed on the amount of actual damage that may be done by the leaf-worm. The worms first attack the tops of the stalk and work downward, finally stinging the bolls after the leaves have been stripped from a plant.

Prenatal Care Great Defense Against Tragedy at Birth, Says Dr. Cox

AUSTIN, Texas, Sept. 13. — "In Texas during 1937, 698 mothers lost their lives through childbirth and associated conditions. Fatality struck 8618 babies under one year of age and 3,972 infants were still-born. These facts become particularly distressing when it is realized that at least two-thirds of this motherhood mortality could have been avoided," stated Dr. Geo. W. Cox, State Health Officer.

Floyd county had 206 total live births during 1937, of which 202 were white, 3 negro and 1 Mexican. 110 of the infants were male, and 96 female. Physicians attended the births of all 206 infants, all of them being born at home. 5 children were stillborn, a rate of 2.4 per 100 live births for Floyd county. 10 children died under one year of age, a rate of 4.85 per 100 live births.

"The State Health department wishes to call attention to the fact that Texas is at last approaching the national average of infant and maternal mortality. In 1933 the nation as a whole had a maternal mortality of 62 while Texas' rate was 77; in 1934 the U. S. had a rate of 59 and Texas 73; in 1935 the nation came down to 58 and Texas stayed at the previous year's 73; in 1936 the nation had an average of 58 and Texas was 69. The national average is 58. (See AVOID, back page.)"

Avoid Motherhood Mortality Advice Of Health Office

Young men interested in making applications for citizens' conservation enrollment this fall are notified that the next quota for Floyd county will be taken early in October, probably about October 6, 7, or 8.

Mrs. Dott Slough, who has charge of the local office to receive applications said this week that the same rules as heretofore are expected to be in force. Young men who wish to apply for enrollment should leave their names at an early date, as quotas will be made up from the applications in her hands. She has no definite information, she said, on the number of enrollees to be taken from this county but expects draft to be a liberal one. Her office days are Monday and Thursdays.

UNDER NEW MANAGEMENT

L. E. Chesshire of Lubbock took over management of Floydada Poultry and Egg Company, late Wednesday afternoon.

Roy L. Snodgrass Winner Flag Golf Tourney Last Week

Roy L. Snodgrass was winner of the country club's golf tournament last week. The final scores were made Sunday afternoon under a sizzling hot sun.

Every player shot a handicap score and flagged their positions when they had finished. Roy Snodgrass won first prize, an \$8 golf bag. Erson Goen second, a \$5 iron club. Geo. B. McAllister and Dr. A. E. Guthrie were third and fourth respectively. Twenty prizes in all were distributed. Twenty-five out of 28 entries completed.

In the boys' division Phil Steen had first place, Maurice Steen second and Greer McCleskey third.

Mayor Will Welcome Lubbock Boosters

Lubbock boosters for the Panhandle-South Plains Fair, due in Floydada this afternoon at 2 o'clock on a 202-mile swing around the circle of east plains cities and town, will be formally welcomed here by Mayor Glad Snodgrass, who was asked by the chamber of commerce to welcome the visitors.

CCC Call Due Early In October, Says Mrs. Slough To Applicants

E. A. WHITE SUFFERS STROKE AT DOUGHERTY IMPROVED LATE REPORT

E. A. White, of Bellevue, Texas, father of Mrs. J. E. Newton, of Dougherty, suffered a paralytic stroke Wednesday of last week, but during the week-end rallied very encouragingly. After becoming ill he was taken to his home and Mrs. Newton accompanied him there, returning home Saturday.

Delegation Makes Call At Amarillo On Proposed Dam

Further efforts to make the proposed dam on Blanco canyon a reality as a project of the Board of Agricultural Economics, U. S. Department of Agriculture, have been continued throughout the past several days. Secretary R. W. Cothern stated yesterday.

A delegation of local business men and officials yesterday visited the office of the department in Amarillo and there studied the possibilities when they conferred with James C. Foster, regional director of the South Great Plains Region of the Land Utilization program.

Promise that more detailed study of the local proposal would be made on the ground by a field man from the department was made by Mr. Foster.

In the party from Floydada were O. M. Watson, C. T. Kirk, Judge-elect G. C. Tubbs, Commissioners E. R. Harris and A. S. Cummings, Corner Oden and J. M. Willson.

HOMER STEEN, Editor

As A Farm Woman Thinks

Nellie Witt Spikes

Last week was another crowded week. Moving into the new house, attending a golden wedding, having visitors.

Although the inside work of the house is not finished, we were at home again. The sound of the saw and hammer has ceased. Everything now is still and quiet. The dog is loquacious.

An old man told me once that life was a feast or a famine. Too much of one thing, too little of another.

The prettiest bride, the most gallant groom I have seen in many a day were Mr. and Mrs. T. J. Davis of Cane. They celebrated their fifteenth year of married life last Friday with a ring ceremony.

Sweet music, beautiful gifts, and heartfelt praises of the lives of these fine people.

Now did we not enjoy the visit of Mr. and Mrs. Ferguson of Floydada and her daughter Mrs. Annie Perrier and husband Roy Perrier.

Annie and Roy lived near me when they were children and were welcome visitors always in my home. Many a stamp, I have cut off old letters, (yes mostly love letters), for them to use for money.

Ernie shoes were horses and vast sums were spent for some of the most valuable.

The beauty of love and faith shine from Annie's sweet face. I sat and admired her as we talked of old times. They now live in far away Oregon, where red apples and yellow pears hang from green trees like jewels.

Mrs. Ferguson brought me an isinglass rock from Waynoka, Oklahoma. "We found it in a pasture carried it into Kansas," said my friend. The clear, shining isinglass reminds me of the clear, shining love she has for me.

Going to the Hesperian office is getting to be like an adventure to me. I never know just what I will find. Last week two rocks and a note awaited me.

"A piece of iron ore for your rock garden from Llano county. A piece of gray granite from the only solid granite school building in Texas. It is the Valley Spring school in Llano county."

The note read and was signed Earnest Tomme and wife, Letha Hope Coward Tomme. I appreciate the rocks very much and best of all the thoughtfulness you had for me. Remembering me, doing a kindness for my happiness I remember you Mr. and Mrs. Tomme, when you were at McCoy. Come and see my fence.

Mrs. J. E. W. Jennings of Muleshoe spent the night with us one night last week. She used to be my neighbor, and she is a dear friend. Her life has been an example of lovely christian grace.

Leroy Cox, we call him Bুদ্ধie, brought me a piece of petrified post oak. I told Mr. Steen the knot hole was gone and he said, "No just the knot was gone," and so it is. Leroy has grown up into a tall, good looking boy since he went to school at McCoy. Thank you Bুদ্ধie for remembering me with the queer piece of wood.

Nine Signs of Fall
The purple plume of the Liatras, (Kansas Gay flower) along the roadway.

Lead ten does not taste as good as it did.
Broom weeds covered with tiny yellow flowers.

Lonesome sounds of the wind in stalks of corn.
Shocks of feed, like Indian teepees.

Turkeys flying on buildings and windmills, strutting and quarreling.
Binders humming down rows of feed.

Smoke from the gins.
The gin at McCoy looks like a big ocean liner with its long plume of white smoke. (No, I have never seen a ship, just the picture.)

The mirage marks the sea of water and any day I expect to see the ship sail away to foreign ports.

The maize fields make another beauty spot in our country. The dark green and yellow leaves are almost hidden by the tiny gold heads. Richer than a queen's robe more beautiful than the gold of King Midas.

From the blue back speller—"Pompkins are now commonly called pumpkins. (Note to editor—pumpkins in italics.)"

Just In Fun

The Federal Social Security Board reveals old age pensions in Ohio were paid in some instances to persons who were found to be dead. That's one idea the "300-every-Thursdays," \$300-a-month candidates missed.

"Don't Spit" is the singularly undiplomatic sign posted in the State Department at Washington. European statesmen might take a cue from that blunt language in dealing with Der Fuehrer and Il Duce.

Recent tests show that more work is spoiled by factory girls when music is played in the room, and so are more tunes.

WASHINGTON LETTER

BY SPECIAL CORRESPONDENT

WASHINGTON—New farm legislation in the next session of Congress will reflect what happens in the next two or three months to the commodities affected by current AAA policies, in particular, corn prices, subsidized wheat exports. Price-fixing for agricultural products has sponsors, but not within the Department of Agriculture. AAA officials were alarmed when the McAdoo-Eicher bill was defeated in the last session by such a narrow margin. They want the present law amended, its details worked out in the light of experience acquired this season. They say price-fixing won't work because it must be based on cost of production, and geographical differences in costs are too great.

Next year's farm program may cost more than this one for which \$700,000,000 was appropriated. So far only \$100,000,000 of this amount has been spent, mainly for soil conservation payments. Farm spending has not yet gained momentum.

Sidney Says

Just back from a trip to New Mexico where I visited some kin-folks. Crops are surely fine but late. Some of them got a stand early but those who were slow had to plant over. Those who got a stand early got no growth as it just came and stood there until the rain this summer.

Their post office is Lingo. Most of the people go to Lingo every day, just to while away the time as crops are laid by and are not ready to harvest and won't be until about frost.

For amusement the people play dominoes, pitch horse shoes, and play croquet. As horses are not shod out there they have to order from Sears Roebuck, and they got the biggest horse shoes I ever saw. They have to use iron stobs driven deep in the ground so the horse shoes will not lean them over.

They don't have to go to the post office as most of the people have mail boxes right at their door.

They all have cars or trucks. Do you know the gasoline business is enormous? They have in the senate a bill prohibiting anybody from shooting anything that is not moving pretty lively for they have a W. P. A.

Out there they have a new remedy for killing red ants. How they do it is to get some relief flour. They pour the flour all over the bed and all around. The ants come out and eat the flour and wait for more flour until they starve themselves to death.

S. A. Greer.

Pension Plan Once Again Proves Vote-Getting Worth

SAN FRANCISCO.—The aged and the unemployed once again are the springboard for a political candidate.

So effective was the springboard in the case of California's Democratic nominee for the United States Senate, Sheridan Downey, that he gave the veteran William Gibbs McAdoo the beating of his political life in the state primary.

Nominee Downey proposes to pay \$30 a week to every non-working person over 50, in scrip to be retired by weekly tax stamps affixed by users, 2 cents tax a week on each \$1, which would amount to more than the face value of the scrip in 52 weeks, thus retiring it.

Downey's plan is a hybrid that draws from the sales tax and the transaction tax for its basic features. Here's how it would operate:

A warrant for \$1 would be given the man or woman over 50. As the warrant passed through a number of hands a 2-cent tax would be affixed to it each week. (Note the difference here from the Townsend plan which provided for a 2-cent tax on EVERY transaction.)

The idea is not new with Downey, who was a candidate for lieutenant governor on Upton Sinclair's End Poverty in California ticket in 1934, and who ran for Congress in 1936 on the Townsend \$200-a-month platform.

Political critics and dispassionate students of monetary reform point out that the burden of the tax would fall heavily on those least able to pay and that the payments would bankrupt the state of California in short order.

The fact remains that the plan rolled up 400,000 votes for Downey in the primary and California will vote Nov. 8 on a constitutional amendment that would put it into effect.

To qualify for the "\$30-every-Thursdays" pension you would have to swear:
1. That you are 50 years old or more.

Pleasant Hill News

PLEASANT HILL, Sept. 12.—The school wishes to thank Mr. Henderson for the pencils he gave us.

Cortez Foster a fourth grade student enrolled in the school Monday. We are glad to have her.

Mr. and Mrs. Bill Rucker and children spent Sunday with Mr. and Mrs. E. B. Rucker of Floydada.

Sunday guests in the Joe Robertson home were Mr. and Mrs. M. D. Thornton, and family and Mr. and Mrs. A. T. Pratt.

Mr. and Mrs. W. H. Furrow and family spent Sunday in the home of Mr. and Mrs. Efford Parrish in the Starkey community.

L. Y. Woolsey and daughter Abbie Lee went to Odell Monday for Mrs. Woolsey and her mother Mrs. J. D. Towry who has been visiting there for some time.

Visitors in the home of Mr. and Mrs. Truitt McClung Sunday were Mr. and Mrs. S. D. Scott, Mr. and Mrs. Dillard Scott and son and Miss Lena Scott and T. J. Cardinal and children.

ANSWERS TO OUR PUZZLE CORNER
"T" Objects—"T", tree, teeth, tool, toad, stool, tin, tomato, tobacco, turtle, trousers, target.

Goofygraph, Melons on peanut sign, "peanuts" misspelled, parking sign on water hydrant, "here" misspelled, tree growing on road, crooked spoke in wheel of cart, cap on man's hat, earring on man, sleeve on coat, long cane, trouser leg.

Flowers—Pansy, daisy, larkspur. Dots—Polar bear.

Mrs. W. Luther Fry and Mrs. G. A. Linder spent Saturday morning in Plainview on business.

Nominee Sheridan Downey mops a perspiring brow in the garden of his California home.

2. That you are a registered voter.
 3. That you are unemployed and do not employ others.
 4. That you lived in the state a year before the act. (Persons who move in after the act becomes effective must wait five years to be eligible for payments.
- One thing critics of the idea cannot gainsay and that is: Downey's plan is a vote-getter.

FLOYD COUNTY 14 YEARS AGO

News items taken from files of the Floyd County Hesperian published in Floydada fourteen years ago.

(Issue of September 18, 1924)

Response of the public at Floydada to a call of the president to a test of the defense plans made by congress, carried out last Friday in a Defense Day program, was pleasing to the Mayor P. P. Henry and the committee who had the arrangements in charge. Voluntary registration, with no canvassers to take nearly 400 persons between the ages of 18 and 45 from Wednesday noon to Thursday afternoon, while the parade was joined in by nearly 200 citizens who with school student body made a line of march three blocks long, while marching four abreast. Of this number approximately 500 persons stood on the court house lawn and heard the address of Judge Nelson and Attorney L. G. Mathews on the significance of Defense Day and our Defense Program.

The total enrollment of the Floydada school system as submitted this week by J. J. Wilson, superintendent of schools is 708. Of this number the high school claims 362 and the south side school 346.

All of Texas was soaked in a general rain period extending from Thursday of last week, and Floyd county has from three to five inches of rain, giving a very good fall season and putting much water in most of the lakes of the county.

Lewis Norman who has been spending the summer months in California returned home Friday to visit relatives out at Mt. Blanco. He is to return to Texas University this fall where he will be in the senior class.

Miss Irene Daily, daughter of Mr. and Mrs. W. P. Daily, of this city has been named, "Dutchess," of Floydada for the West Texas State fair to be held at Abilene next week, and her maid of honor will be Miss Elma Eubank.

Judge L. G. Mathews last week bought the H. D. Snodgrass residence on South Wall street and Monday of this week moved into it to make his residence.

Thursday afternoon of last week Dad Wofford and wife and two children had a miraculous escape from death from lightning, when as they drove down the road near their farm two miles from Lockney, their mules were struck down and killed. None of the family was injured and Mr. Wofford was the only member of the family to feel the shock. Both mules were killed instantly.

Editorial Briefs From Other Newspapers

The June report of the Texas Department of Public Safety places emphasis on two facts: That drunkenness and failure to observe simple traffic regulations are the chief causes of accidents, and that mechanical defects and speeding are secondary causes of accidents. Serious accidents reported by the department total 739 in June. The four leading causes of accidents are reported as follows: Driver or pedestrian had been drinking, 99; did not have right of way, 94; driving too near center or on wrong side, 78; driving too fast for conditions, 72. Out of the 739 accidents, only 80 were caused by lights and brakes that could have easily been adjusted. Take liquor and wanton carelessness out of the driver's vocabulary, and accidents will almost vanish.—Scurry County Times.

The growing tendency among business men and industrial men to employ men and women well into the 20's and under 50 is a matter of vital concern to the nation. Uncle Sam is helping to solve it, perhaps, by the old age pension route, but the majority of old persons prefer to work rather than live on a pension. As for the young man or woman, just out of high school or college, about the only thing that can be done for them is an increase of practical knowledge in the school room, plus their own guided initiative. After all, age is no barometer. Ability and experience, zest and initiative should be the guiding stars in most employment.—Scurry County Times.

Sept. 6.—The tragic story of the wandering Jew, who is not permitted to rest anywhere, has been repeated over and over for twenty centuries but his persecution has assumed greater proportion in our age than ever before. Last week Italy gave orders to 10,000 Jews, who had found refuge in that country since the World War, to move out.—Briscoe County News.

No manufacturer or merchant can afford to advertise an inferior quality of merchandise. Advertising creates and holds a demand for quality merchandise and by doing that reduces sales cost, increases production, increases employment, reduces manufacturing costs and makes cheaper prices possible.—Panhandle Herald.

People who blame machines for so much unemployment should discard their autos. The automobile is the greatest timesaver on earth and the most expensive.—Welling-ton Leader.

Editorial

HALE TURNS DOWN BEER

Mostly west Texas communities which try the open sale of beer at taverns and places around, tire of the plan sooner or later and finally decide they'd rather the merchants not have whatever advantage there is in it commercially than to have to put up with what the traffic entails.

Peculiarly compounded apparently, West Texans cannot be so-so about anything. They go whole hog or none. They don't have any beer or whatever it is or they have too much. So it seems at least.

Thus at Plainview last week an attempt to have beer returned as a legal beverage to be bought over the counter from properly licensed dealers lost about 2 to 1. Formerly they had beer sales in Hale county shortly after the repeal of prohibition.

WHAT FORMULA HAVE YOU?

While in France the tavern without wine or in Germany the restaurant without beer or in England the public place without its legend-old ale, would be an alarming upheaval in the social system, the exact opposite is true in the southwest. Somehow or other we have to be mean and devilish before we start for the beer dispensary, bent on a near-drunk.

Folks are folks wheresoever they may be. Many southwesters would "wipe alcohol off the face of the earth." All see its evils every day. In the European countries from whose populations we descend alcohol is accepted and used in its varied forms. Whether we try to be like Europeans or like ourselves, compounded peculiarly as we are, we cannot take two things out of alcohol, whether of vintage, distillery or beer vat, namely: that it has a profit in it for somebody, and that it has an appeal to the weaknesses that are in human nature.

Some one else figure out how to handle beer, wine, liquor in any southwest county. We do not know. We suspect that "wiping alcohol off the face of the earth" is a formula proven impossible.

WHAT DOES THE PUBLIC GET?

It is only a matter of time until the unreasonable 7,000-pound load limit on trucks will be raised. The people are ready for it to be done.

We're for the load limit on a basis of scientific limits. The Bureau of Standards and other expert agencies have determined specifications that will make traffic of trucks safe, protect the highways, etc.

There's no sense in a 7,000-pound gross truck load limit.

But before we espouse at Austin the increased load limit on trucks we want to know what the common carrier trucks propose to do for the public.

An argument against the 7,000-pound limit is that it is uneconomic. A truck can safely haul a load much greater with practically the same fuel consumption, equipment wear and tear, and with the same man power. What we want to know of the common carrier trucks is what do you propose to do for the public when the load limit is increased?

What rates do you propose to charge? How much do you propose to cut the existing rate schedules?

Transportation in this area is done by private trucks, contract trucks, railroads and common carrier trucks. Private trucks will give their owners a just return, contract trucks will probably do the same thing, because they are in competition with private and common carrier trucks. We want to know what rate changes common carrier trucks propose when the load limits are increased.

When anyone asks you to help get the truck load limits raised, ask them the simple question: "What do I get out of it?" Not that one in that blunt question would ask for a personal handout, but rather that the operators of common carrier trucks be made conscious of the fact that the public wants some concession in rates equivalent to the economic factors involved in load limit increases.

With greater load limits the trucks can reduce their rates, unless, indeed, they have not generally been observing the load limits. The time to make common carrier truck owners conscious of the needed rate reduction is when they are wanting and not after they have obtained the load limit increase.—H. S. Hillburn, president of West Texas Chamber of Commerce in the Plainview Herald.

WHAT OF THE SURPLUS?

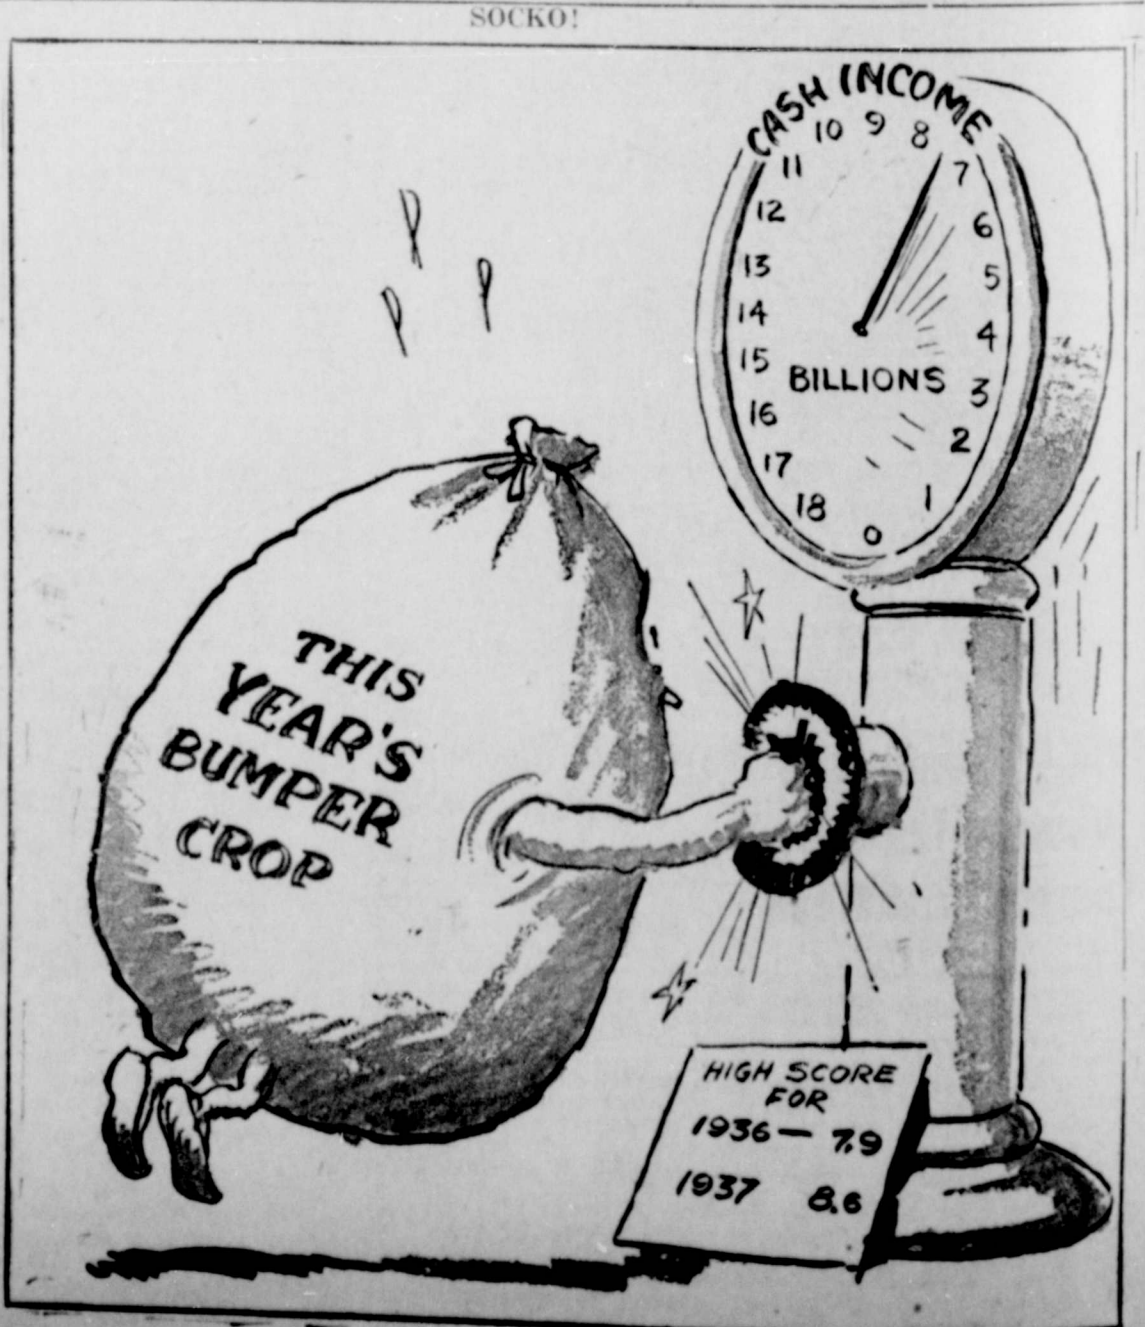

Do you have a surplus of feed? Are you planning to store it? Thousands of tons of good feed are maturing in Floyd county fields and in fields of adjoining counties that are to await some disposition.

Freight rates that are prohibitive make cheap feed impossible to send out. No farmer can afford to take the "market" for the products of his crop of forage feed. Unless he is actually hungry and his children need shoes no man can sell maize bundles at a half a cent or maize heads at a price of \$6 or less per ton.

So, the surplus must go either into feed stacks or into silos to be used some year or years hence. The uneasy feeling we get from the report that Texas—including West Texas—farmers must not increase their dairy herd under penalty of federal law—adds to this need for future storage. Surely the federal government will not lend itself to a program that will exclude a chance for the poor man who must make some effort to preserve his home and fireside, we argue to ourselves, only to be faced with a requirement that he must not make such an attempt. Wisconsin dairy men say we must not.

So, into the stack or into the silo the surplus must go. For there is another year coming when feed will not be so plentiful, another year when good, fresh feed that has been canned could be used mightily handily. And we argue that the underground silo, with its ability to can indefinitely the surplus of this year for another year, should be used for thousands of tons of feed in this section.

The ground silo seems to have proved itself. Has it so done for you? If so, make use of it. The "small" man the same as the "big" one. The ground silo is practical, it is claimed for all sizes of farms.

Lions Lose Game When Donkey Mounts Get Too Tough For Town Boys

Large Crowd Sees Piggly-Wiggly-Penny Win Game at Wester Field Friday Night

Floydada Lions club had their game won and their record still clean as donkey baseball players last Friday night until the donkeys got too rough and tough. Then the P-W-P boys made it an easy evening and won 4 to 1.

Substitutions started to stop the country boys' rally were in effect for all purposes except to make more sore places for the drug store man to sell liniment to heal. Meanwhile the rural boys decided their first string was entirely too classy for the town boys and a complete new team was run in.

They were equally effective against the club men.

Appreciation for the liberal support of the public and the generous attendance at the ball game was expressed following its successful staging by members and officials of the Lions club. Funds obtained will be used to further local civic, educational and charity work as need arises, it was said.

Baker School Well Out Of Commission

BAKER, Sept. 13. — The well on the Baker school yard is out of commission this week and is being repaired. Mr. Bunch is in charge of the work and it is expected to be in good condition by the middle of the week.

The school has started a campaign and extensive study in the extermination of mice and rats. There is plenty of material for study on hand since the summer vacation and with the aid of a few more cats we hope to soon master our subject.

Sunday School Lesson

International Sunday school lesson for Sunday, September 18, 1938.

PERFECT FRIENDSHIP

Golden Text:—A friend loveth at all times. Proverbs 17:17.

Lesson Text:—I Samuel 14:1-46. Printed Text:—I Samuel 20:4-17.

4 Then said Jonathan unto David, Whatsoever thy soul desireth, I will even do it for thee.

5 And David said unto Jonathan, Behold, to morrow is the new moon, and I should not fail to sit with the king at meat; but let me go, that I may hide myself in the field unto the third day at even.

6 If thy father at all miss me, then say, David earnestly asked leave of me, that he might run to Bethlehem his city; for there is a yearly sacrifice there for all the family.

7 If he say thus, It is well; thy servant shall have peace: but if he be very wrath, then be sure that evil is determined by him.

8 Therefore thou shalt deal kindly with thy servant; for thou hast brought thy servant into a covenant of the Lord with thee: notwithstanding, if there be in me iniquity, slay me thyself; for why shouldst thou bring me to thy father?

9 And Jonathan said, Far be it from thee: for if I knew certainly that evil were determined by my father to come upon thee, then would not I tell it thee?

10 Then said David to Jonathan, Who shall tell me? or what if thy father answer thee roughly?

11 And Jonathan said unto David, Come, and let us go out into the field. And they went out both of them into the field.

12 And Jonathan said unto David, O Lord God of Israel, when I have sounded my father about to morrow any time, or the third day, and behold, if there be good toward David, and I then send not unto thee, and shew it thee;

13 The Lord do so, and much more to the Lord: but if it please my father to do thee evil, then I will shew it thee, and send thee away, that thou mayest go in peace: and the Lord be with thee, as he hath been with my father.

14 And thou shalt not only while yet I live, shew me the kindness of the Lord, that I die not;

15 But also thou shalt not cut off thy kindness from my house for ever; no, not when the Lord hath cut off the enemies of David every one from the face of the earth.

16 So Jonathan made a covenant with the house of David, saying, Let the Lord even require it at the hand of David's enemies.

17 And Jonathan caused David to swear again, because he loved him: for he loved him as he loved his own soul.

Time and Place: The major part of Jonathan's life, fell in the latter part of the life of his father, King Saul. Therefore, it is somewhere between 11—and 1056 B. C. Mich-mash is a deep ravine running from the highlands of Benjamin to Jericho; Gibeah is probably the hill six miles northeast of Jerusalem, now known as Jeba.

One of the richest contributions to the world's literature is the story of the perfect friendship of Jonathan, son of Saul, and David.

The striking contrast of King Saul's jealous hostility toward David and the bond of friendship between the young shepherd and the king's son contributes to the drama of the story.

Saul, as we have seen, was a man of two characters and two moods. In his noblest character, he was modest with elements of kindness and magnanimity, but when jealous rage seized him, he was filled with hate and violence.

Jonathan seems to have inherited all his father's finest qualities and none of the evil. Jonathan was of course deeply pained by the attitude of his father, Saul, toward David, and he did all in his power to protect David from his father's wrath.

In the portion chosen for our lesson, David is confiding to Jonathan his fear of sitting at the table with the king lest the king's anger should endanger his life. Jonathan undertakes to inform David whether Saul is in a peaceable or a hostile mood.

Funeral Rites Held For Accident Victim

Last rites for Betty Jo Graham, 6½ year old daughter of Mr. and Mrs. J. M. Graham, of the Sand Hill community, were spoken at 3 o'clock Thursday afternoon, September 8, by Rev. G. W. Tubbs, from the First Baptist church.

The child died instantly from injuries received Wednesday afternoon at 5 o'clock one mile south of the Sand Hill school building, when a truck in which she was riding, driven by Nila Palvadore, overturned injuring two others. The injured ones were Catherine Robertson, and Oleta Palvadore.

Surviving relatives of the deceased are the parents, a brother Verne, 16, and two sisters Nadine 14, and Maxine 8. Other relatives present for the funeral were T. J. Graham, grandfather, of Mangum, Oklahoma; Mrs. J. F. Duck, grandmother, of Silverton, and Henry Graham, an uncle of this city.

Flower attendants were Flora Jeter, Oleene McLain, Pauline Walden, Willie Payne Hollingsworth, Dorothy Dooley, and Phyllis Morrison. Pull bearers were Milton Jetton, Erwin Graham, Arthur Graham, and Johnnie Cates.

Interment was made in the Floydada cemetery with the Harmon Funeral home in charge.

He makes a clear covenant of friendship with David, and the covenant is confirmed by both men.

The verse in our lesson which describes this is quite effective. It tells us how Jonathan causes David to swear to the covenant "for the love that he had to him; for he loved him as he loved his own soul."

The friendship surely was creditable to both men.

David might well have feared and hated the son of the man who David's lament over Saul and Jonathan might well have shared his father's jealous feeling about the praise that had been showered upon David. But David saw in Jonathan all the qualities that were finest in Saul without any of his evil temptations or purposes; while Jonathan, on the other hand, saw in David the qualities that he admired—courage, magnanimity, and loyalty.

The final scene in the story of the friendship comes with the death of Jonathan in battle—in that overwhelming defeat of Israel in which Saul died with his sons.

A most effective passage in the annals of friendship is the story of David's lament over Saul and Jonathan—over Saul as the King of Israel and the one who had been anointed, and over Jonathan, whom he had loved as a true and faithful friend.

David has been called the sweet singer of Israel, though in reality he was a man of war and bloodshed. David's lament over Saul and Jonathan, all that was finest in him came out, and it is the poem of a sweet singer that we have recorded in praise of Jonathan:

"I am distressed for thee, my brother Jonathan: Very pleasant hast thou been unto me: Thy love to me was wonderful, Passing the love of women."

Mr. and Mrs. Leroy McDonald and daughter, Bettie, of Plainview visited here Sunday with his parents, Mr. and Mrs. L. C. McDonald, and her parents Mr. and Mrs. O. B. Olson.

The nearest thing to AVIATION GASOLINE

The nearest thing to AVIATION GASOLINE

At Regular Price

Make no mistake! . . . Phillips 66 Poly Gas is not an aviation gasoline.

But of all the motor fuels made for cars, trucks, and tractors—selling at regular price—Phillips 66 Poly Gas is the one whose volatility (or high test) most nearly and consistently approaches the U. S. Government specifications for aviation gasoline.

Remember, leading authorities say that volatility is the most important quality in gasoline:

Says a well-known scientist: "The more volatile fuel can be used with a lesser carburetor setting, and hence with less fuel consumption."

Says a professor of chemical engineering: "Increased volatility . . . is very effective in shortening the warm-up period . . . providing more uniform distribution of fuel to the different cylinders . . . reducing chocking . . . and producing snappier acceleration and throttle response."

Says an editorial in an oil magazine: "Outstanding in the characteristics of improved motor fuel . . . for superior performance . . . is volatility."

Accurate laboratory research proves that your gasoline money buys more volatility in Phillips 66 Poly Gas. In fact, it contains nearly four times as much natural high test gasoline as the average motor fuel.

This extra volatility costs you nothing extra, because Phillips is the world's largest producer of natural high test gasoline. Why not try a tankful, at any Orange and Black 66 Shield?

1929 Study Club Begins Year Work With Breakfast

A lovely affair of the past week was the 1929 Study club breakfast given Thursday morning in the home of Mrs. Winfred Newsome to open the year's work for the club.

The program and year book committee, composed of Mrs. Newsome, Mrs. E. L. Norman and Mrs. J. E. Eldridge, were hostesses for the social. A fried chicken breakfast was served.

Autumn colors intermingled with the club colors of orchid and white were used as decorations in the appointments and rooms. Orchid periwinkles and white clematis made lovely centers for the attractive tables laid with various colored linens, using autumn leaves as place cards.

Following the breakfast Mrs. G. L. Kirk, club president delivered the president's address. She opened her address in welcoming the members back with a welcome to the club guest, Miss Hale of Thorp Springs and expressed to the members her appreciation for their support in last year's activities also stressed plans for the year's work. Mention was made of the slogan adopted by the national president, Mrs. Sadie Orr Dunbar, which is "Adjusting Democracy for Human Welfare," in which the need of all clubs in the nation should lend support.

Heads of each department who outlined their work for the year were: Mrs. Walton Hale, American Home; Mrs. A. D. Cummings, Education; Mrs. Winfred Newsome, Junior Clubs; Mrs. A. B. Keim, Fine Arts; Mrs. J. E. Eldridge, Public Welfare; Mrs. L. J. Welborn, International Relations; Mrs. Robert McGuire, Press and Publicity; Mrs. G. E. Bond, legislative.

Mrs. J. A. Hamilton was elected as a substitute member for a period and Mrs. A. J. Welch as a new member.

Members attending the breakfast were Mrs. Baird Bishop, Mrs. G. E. Bond, Mrs. A. D. Cummings, Mrs. Marvin English, Mrs. Walton Hale, Mrs. Cecil Hagood, Mrs. John Hoffmann, Mrs. A. T. Hull, Mrs. A. B. Keim, Mrs. J. D. Kirk, Mrs. Terrell Loran, Mrs. J. D. McBrien, Mrs. Clement McDonald, Mrs. Robert McGuire, Mrs. Conner Oden and Mrs. L. J. Welborn. Miss Elaine Hale of Thorp Springs was a guest at the meeting.

The next meeting will be held September 22 at 3:15 with Mrs. Cummings.

Sans Souci Club Resumes Meetings Wednesday Evening

Mrs. R. C. Wakefield entertained the Sans Souci Bridge Club in their opening, after disbanding for the summer, Wednesday afternoon.

Concluding the games of contract bridge played Mrs. Jack Deakins held high score.

Delicious refreshments were served to Mrs. A. E. Guthrie, Mrs. George McAllister, Mrs. Bill Dally, Mrs. Deakins, Mrs. Marvin English, Mrs. G. L. Kirk, Mrs. Leroy McDonald, Mrs. Terrell Loran, Mrs. Polk Goen and Mrs. Baird Bishop, members; Mrs. Walton Hale and Mrs. A. D. Cummings, guests.

Mrs. Leroy McDonald will entertain the club September 22 at 2 o'clock at her home in Plainview.

REV. G. W. TUBBS TO PREACH AT FAIRMOUNT
Rev. G. W. Tubbs, Baptist minister, will fill his regular appointment at the Fairmount Baptist church Sunday, Sunday school service at 10 o'clock; preaching services at 11 a. m. and 8 p. m.

The pastor invites the public to attend these services.

McCleskey's Hosts To Idle Hour Club With Dinner Party

Mr. and Mrs. Roe McCleskey were hosts to the Idle Hour 42 club at a lovely 7:30 dinner at their home last Thursday evening.

Rose buds were used as table centers and bouquets of the same flowers were placed about the reception rooms.

Concluding the games of 42 played and scores were added Miss Marjorie Norton and A. J. Jackson held high score for guests and Mrs. Caffe and Mal Jarboe for members.

Guests of the club were Mr. and Mrs. A. J. Jackson and Misses Ruby and Marjorie Norton; members were Mr. and Mrs. C. A. Caffe, Mr. and Mrs. Mal Jarboe, Mr. and Mrs. Lee Rushing, Mr. and Mrs. Walter Travis, Mr. and Mrs. F. C. Harmon, and Mr. and Mrs. A. H. Kreis.

Mr. and Mrs. Newell will be hosts to the club September 22 at 8 o'clock.

College Students Are Honor Guests At Buffet Supper

Joint hostesses entertained Tuesday evening with a buffet supper at the home of Miss Thelma Cox complementing girls who will leave this week-end for school.

Misses Vera Nell Marshall, Elma Dean Moore, Mary Emma Collins and Alene Warren were co-hostesses with Thelma Cox.

Bouquets of cut flowers were used to decorate the rooms. Chinese checkers furnished diversion for the evening entertainment after the delectable supper was served.

Enjoying the lovely affair were Misses Lorena Dennison, Nell Swinson, Florrie Conway, Fern Finkner, Edith Grimes, Evelyn and Mary Wilson Hicks, Marjorie Kirk, Model Haney, Mary Louise Tubbs, Muriel Fagan and Marguerite Leonard.

MRS. FINLEY HOSTESS TO MERRY GO ROUND CLUB

Merry Go Round club met last Thursday with Mrs. R. F. Finley. Quitting made amusement for the social.

Refreshments were served to Mrs. Bradford, Mrs. G. W. Hart, Mrs. Cecil Hart, Mrs. Bob Martin, Mrs. Jim Hart, Mrs. Tom Hart, Mrs. J. N. Bartlett.

LORENZO SCHOOL FACULTY ENTERTAINED FRIDAY

Dr. and Mrs. George V. Smith and daughter, Miss Margaret Smith, entertained the Lorenzo school faculty and their families at the Floydada Country Club Friday evening at 5 o'clock.

Golf and swimming was the entertainment for the afternoon and a picnic supper was served concluding the recreation.

Among the faculty members attending the social was Harper Scoggin, superintendent of the Lorenzo school and former principal of the local high school. Miss Smith remained to spend the week-end with her parents.

MRS. OLA COLEMAN HONORED ON BIRTHDAY

Mrs. Ola Coleman was honor guest at a birthday dinner at her home Sunday, the occasion being her birthday.

Those present were her children, Mr. and Mrs. Leslie Ewing, and children, Lola Lou and Bennie Lee; Mr. and Mrs. Earl Switzer, Mr. and Mrs. W. E. Neil and Roy Coleman.

Martha Lee Sanders Named Honoree At Farewell Social

Mrs. C. E. Bartlett honored her granddaughter, Martha Lee Sanders with a chicken fry and picnic last Tuesday evening before her departure for Austin to enter school.

A bountiful supper was served on a beautifully lighted lawn at the Bartlett home, after which games were played and directed by the honor guest.

Those attending the lovely occasion were Mr. and Mrs. T. J. Campbell and son, Maurice, R. G. Leach, Mr. and Mrs. Bud Leatherwood and daughter, Mr. and Mrs. H. B. Barnett and family, Mr. and Mrs. Truman Barnett and family, Mr. and Mrs. A. G. Barnett and son, Mr. and Mrs. Jack Barnett, Mr. and Mrs. Bob Steen and son, all of Wake, Mr. and Mrs. Reynolds Sanders and family, Mr. and Mrs. Rob Pierce, H. E. Edwards of Dougherty, Mr. and Mrs. W. M. Sanders of Fairview.

Mr. and Mrs. Lorin Leibfried and daughter, Lajana, of Cunningham, Mr. and Mrs. J. N. Barnett, Mrs. Walter Hollams and children, Mrs. Walter Bartlett, Mr. and Mrs. H. E. Bartlett, Mr. and Mrs. Otho Sanders, Miss Verna Phillips and the honoree, Martha Lee.

Mr. and Mrs. Barker Entertain Friendship Club Thursday Eve

In rooms beautifully decorated with cut flowers Mr. and Mrs. B. K. Barker entertained the Friendship Bridge club Thursday evening at their home, 605 West Kentucky street.

A delectable dinner was served cafeteria style then the games of bridge played. Mrs. J. A. Arwine and J. C. Gilliam were high score winners.

Members present were Mr. and Mrs. J. A. Arwine, Mr. and Mrs. L. T. Bishop, Mr. and Mrs. J. C. Gilliam, Dr. and Mrs. A. E. Guthrie, Mr. and Mrs. A. B. Keim; Mr. and Mrs. Cecil Hagood played guest hands.

Mr. and Mrs. Bishop will be hosts to the club Friday evening, September 2 at 8 o'clock.

Social Calendar

TODAY
1922 Study Club meets this afternoon at 3:30 with Mrs. E. L. Angus as hostess.

Pla-Mor Bridge club meets this evening at 7:45 with Mr. and Mrs. W. Luther Fry.

MONDAY
Woman's Council of the First Baptist church will meet in the annex Monday at 3 o'clock.

Woman's Missionary society of the Methodist church will meet at the church Monday afternoon at 3:30.

Baptist Woman's Missionary society will meet in circles meetings at the church Monday at 3 o'clock.

TUESDAY
1934 Study club meets September 20 at 6:45 with Miss Jane Hughes.

WEDNESDAY
Wednesday Luncheon club will meet September 21 at 12:30 with Mrs. A. B. Keim as hostess.

Andrews Ward P. T. A. will meet September 21 at the ward school building at 3:30.

THURSDAY
1929 Study club meets September 22 at 3:15 with Mrs. A. D. Cummings.

Fidelis Matrons Sunday School class of the First Baptist church will meet September 22 at 6:30 with Mrs. Conner Oden, 215 West Georgia street.

FIDELIS MATRONS CLASS SOCIAL IS POSTPONED

The social meeting of the Fidelis Matrons Sunday School class of the First Baptist church which had been announced for Friday afternoon at 3 o'clock will be postponed until Thursday evening, September 22, at 6:30 at the home of Mrs. Conner Oden, 315 West Georgia street.

A covered dish supper will be served at this meeting and all members are invited to attend, bringing a prepared dish.

MOTHER OF MRS. HAGOOD IS IN AMARILLO HOSPITAL

Mrs. Cecil Hagood is in Amarillo this week with her mother, Mrs. W. A. Jennings of Canyon who underwent an eye operation in an Amarillo hospital Monday.

In a message from Mrs. Hagood to Mr. Hagood Wednesday morning she stated the doctors are not able to tell if they are going to be able to save the vision but the patient is feeling good and resting well. Mr. and Mrs. Hagood were called to Canyon Sunday on account of the illness of Mrs. Jennings.

Donald Thomas resumed his work Wednesday morning at the Arwine Drug store after being away the past six months playing baseball.

College Students Named Honorees At Farewell Social

An enjoyable social of the week was given Monday evening for Lillie Hundley Y. W. A. at the Hicks home with Misses Evelyn Hicks, Florrie Conway and Bettie Newell as hostesses to honor members who leave soon to enter college.

The theme of the social was, "Klasy Kollege," with classes conducted in History, Mathematics and Dramatics for entertainment. Refreshments were served in small cartons representing school lunches.

Girls who leave soon for college that were honored at the social were Misses Evelyn and Mary Wilson Hicks, Marguerite Leonard, Luriel Shirley, Emma Louise Smith, Muriel Fagan and Florrie Conway. Others attending the social were Mrs. J. D. McKBrien, W. M. S. president, Mrs. E. L. Angus, Mrs. R. C. Henry, young people's leader, Mrs. Vernon Shaw, Y. W. A. sponsor, Miss Evelyn Morrison of Plainview, Misses Oneca Hamilton, Mary Emma Collins, Vera Nell Marshall, Alene Warren, Mollie Haney, Mary Louise Tubbs, and Erma Dean Moore.

Fifty Years Married Life Celebrated By Mr., Mrs. T. J. Davis

(Contributed)
Mr. and Mrs. T. J. Davis were given a surprise golden wedding anniversary celebration Friday, September 9, by their children in the home of Mrs. J. D. Travis of Cone.

The receiving rooms were attractively decorated with golden rod and marigold. A three tiered wedding cake centered the lace covered table. Mrs. Bennie Davis, Mrs. Tolma Teal, and Miss Gladys Davis presided over the punch bowl. "When You and I were Young Maggie" and "There's a Gold Mine in the Sky" were sung by Mrs. Jennings and Mrs. Teal. Miss Ruth Bartley at the piano.

Ten living children and eleven grandchildren were present for the family reunion and luncheon. They are Mr. and Mrs. Bascom Davis and children Wanda, Carol Jane, Jimmie Roy, Lamoyne, and Ira Glen; Mr. and Mrs. Bennie Davis and children Gaynell, Clay Lynn, and Noel Dwayne; Mr. and Mrs. J. D. Travis; Aubra, Kermit and Hugh Lynn all of Cone, Mr. and Mrs. Ophel Jennings and children Joe Bates and D. Riley of Muleshoe; Miss Gladys Davis of Waco; Mr. and Mrs. Tolma Teal and son Mina Lay and Joyce Davis of Becton.

Attending the reception in the afternoon were some of their friends and relatives of Cone, Ralls, Lubbock, Muleshoe, Waco and Dawson, 106 registered in the brides book presided over by Mrs. Bascom Davis and Mrs. Ophel Jennings.

Talks were made by Mrs. J. J. Spikes, J. B. Parks of Cone, and G. J. Ragie of Ralls, a reading was given by D. Riley Jennings, an "appreciation" by the youngest son, Hugh Lynn.

The ring ceremony was performed by Rev. Woodrow Williams of Lockney. The honorees were presented with many lovely gifts, among them being a gold lined serving set a present from the Cone Sunday school.

FORMER FLOYDADA GIRL MARRIED IN LUBBOCK

Miss Ina Mickey, daughter of Mr. and Mrs. R. R. Mickey, of Lubbock became the bride of Willard Atchison of that city, Saturday afternoon, September 3, at 4 o'clock in a ceremony performed by Elder Lift Sanders at the Broadway Church of Christ.

The bride wore a green rough crepe dress trimmed in copper color, with copper and brown accessories. Her corsage was in harmonizing colors.

Mrs. Atchison is the granddaughter of Mr. and Mrs. S. A. Greer of the Sand Hill community and a niece of Mrs. Roe McCleskey. She is a former Floyd county resident.

After a wedding trip to points in Colorado the young couple will be at home at 1106 1/2 Avenue L, Lubbock.

Wakefields Hosts At Bridge Dinner Wednesday Evening

Mr. and Mrs. R. C. Wakefield were hosts at a lovely appointed bridge dinner at their home, 328 West Missouri street Tuesday evening at 8 o'clock.

Dinner was served buffet style from a lace covered table illuminated by lighted candles at either end of the table. When scores were added at the conclusion of the social hour Mr. and Mrs. L. T. Bishop held high and Mr. and Mrs. Terrell Loran held low.

Guests were Mr. and Mrs. B. K. Barker, Mr. and Mrs. A. B. Keim, Mr. and Mrs. L. T. Bishop, Mr. and Mrs. J. A. Arwine, Dr. and Mrs. A. E. Guthrie, Mr. and Mrs. Polk Goen and Mr. and Mrs. Terrell Loran.

REGULAR THIRD SUNDAY SINGING AT CAMPBELL

Regular third Sunday afternoon singing will be held at Campbell school house beginning at 3:30 o'clock next Sunday. It is announced by C. M. Lyles.

La Ventana Study Club Showers Departing Leader

Members of La Ventana Study Club presented their president, Mrs. G. C. Applewhite with a handkerchief and miscellaneous shower Friday evening of last week when the club met at the home of Mr. and Mrs. Ben McGhee. Mrs. Applewhite is leaving to enter W. T. S. to complete work for her M. S.

A bounteous supper was served on the lawn, after the gifts were presented. The remainder of the evening was spent in contests, the women against the men.

Present were Mr. and Mrs. M. S. Johnson, Mr. and Mrs. Clyde Baxter, Mr. and Mrs. Albert King, Mr. and Mrs. T. S. McGhee, Mr. and Mrs. C. G. Ford, Mr. and Mrs. Jack Prizzell, Mr. and Mrs. Herman R. King, Mr. and Mrs. Jack Rhine, Mr. and Mrs. J. B. Griffin, Mrs. W. T. Rankin, Mrs. C. D. Merrick, Mrs. Floyd Daniel, Mrs. G. C. Applewhite, Calvin Applewhite, Misses Marguerite Daniel, Myar Byrd and Louise Applewhite, Master Jackie Ford, Johnnie B. Griffin, Junior Rhine, and Kenneth Daniel, and Miss Shirley McGhee.

MRS. KING GIVES REPORT OF PRESBYTERIAN WOMS MEET

A good attendance was reported for the meeting of the Cumberland Presbyterian Woman's Missionary society Monday at the church. Mrs. J. L. King presided over the business in the absence of the president.

Mrs. King, who was the delegate to the Presbyterian society meeting held in Petersburg last week, gave her report.

The next regular meeting will be held at the church September 26 at 3 o'clock.

Filing supplies, Hesperian.

Pastors Helpers S S Class Has Monthly Social Tuesday

Pastors Helper's Sunday School class of the Methodist church met in their regular monthly business and social meeting Tuesday in the home of Mrs. R. M. McCauley.

The house was called to order at 11 o'clock for a devotional led by Mrs. P. M. Felton, who read the scripture from Psalm 34; Isaiah 41 and 1. Thessalonians 3. Inspirational talks were made by the leader and others and several prayers said.

During the business session Mrs. Lula Slaughter was elected president for the ensuing year; Mrs. D. D. Shipley, vice-president; Mrs. Clem Henry, corresponding secretary; Mrs. O. B. Olson, treasurer and Mrs. Will Walker, recording secretary. The teacher is to be appointed later.

Members present were Mrs. W. M. Colville, Mrs. Annie Steen, Mrs. E. C. Henry, Mrs. Addie Thagard, Mrs. J. J. McKinney, Mrs. Lillie Britton, Mrs. O. B. Olson, Mrs. A. P. McKinnon, Mrs. George Dickey, Mrs. D. D. Shipley, Mrs. J. M. Wright, Mrs. Clem Henry, Mrs. P. M. Felton, Mrs. R. H. Willis, Mrs. F. A. Dickert, Mrs. J. H. Green, Mrs. Will Snell, Mrs. Lula Slaughter, Mrs. Will Walker, Mrs. R. L. Henry and Mrs. Roy Hale were visitors.

METHODIST WMS BEGIN STUDY OF KINGS MONDAY

Woman's Missionary society of the Methodist church met at the church Monday afternoon to begin a study of the book of Kings. Mrs. J. E. Eldridge conducted the lesson on the first eight chapters of 1 Kings.

The meeting for next Monday will be held at the church at 3:30 for a continuation of the study with Mrs. Eldridge leading. The monthly social and World Outlook program which was scheduled for Monday will be postponed until the fourth Monday.

Mr. and Mrs. L. Baugh, who has been here for some time while Mr. Baugh was connected with the health unit left Tuesday for Boston to enter Harvard for a year's work.

H. D. And 4-H Club Reporters Meet At Court Room Saturday

A meeting was held at 2:30 p. m. Saturday in the county court room for the reporters of the 4-H and Home Demonstration clubs of the county, with Mrs. P. P. Bertrand, chairman, in charge of the meeting in which Miss Ruth Grimes gave detailed instructions to the reporters concerning their reports of meetings.

An outline as recommended by Minnie Fisher Cunningham, extension editor and issued by the Extension Service of the A. & M. college at College Station, was given by Miss Grimes. The outline divided the story into four parts as follows: (a) A piece of information; (b) Name and title of the person giving the information; (c) Name of the group; (d) Date of meeting.

Second paragraph: In more detail the information of the first paragraph. Third paragraph: News features, new members, election of officers, committee reports; Fourth paragraph: attendance, initials or first name.

Four best reports of the county are selected each month by the agent who sends the reports to the district chairman where they are again graded for recommendations. The names of the reporters of the county will be printed as they give the recommendations.

This was the second meeting of the reporters this year, Mrs. Bertrand said.

DOUGHERTY H. D. CLUB MET LAST THURSDAY

The Dougherty H. D. Club met September 7 with Mrs. O. G. Glassmoyer.

The usual business of the club was transacted, then Miss Ruth Grimes gave a demonstration on "Equipping a comfortable bed". Those present were Mrs. C. A. Caffee, Mrs. R. W. Lotzpeck, Mrs. Elam Caldwell, Mrs. Tate Jones, Mrs. Claud Ring, Mrs. Bill Norman, Mrs. A. H. Kreis, Mrs. Jim Morrison, and Mrs. Louis Blum. One member, Mrs. C. S. Ray and the hostess, Mrs. O. G. Glassmoyer, and one visitor Mrs. M. R. Bozzell were also present.

Daily refreshments were served. The next meeting will be held Sept. 21 at the home of Mrs. C. A. Caffee. A demonstration of school lunches will be given at that meeting by Mrs. Bill Norman.

STARKEY HOME DEM. CLUB

The Starkey Home Demonstration club met in the home of Mrs. Virgil Barton September 7.

Mrs. G. E. Assiter was elected secretary to replace Mrs. I. J. Ardry who resigned.

There will be a all day meeting Friday in the home of Mrs. T. E. Assiter to test cookers. Everyone is invited to attend the cooker clinic and bring a covered dish for the noon day lunch.

A demonstration on school lunches will be given by Mrs. J. K. Holmes, Mrs. V. C. Permenter and Mrs. W. F. Ferguson.

Miss Ruth Grimes will give a demonstration on equipping a comfortable bed September 21 in the home of Mrs. W. F. Ferguson.

Present for this meeting were Mrs. T. E. Assiter, Mrs. L. A. Sargent, Mrs. Olaf Miller, Mrs. M. A. Wood, Mrs. O. C. Vinson, Mrs. G. E. Assiter, Mrs. Elmer Warren, Mrs. O. D. Howard, Mrs. I. J. Ardry, Mrs. J. K. Holmes, Mrs. George Wilson, Mrs. V. C. Permenter, Mrs. Efford Parrish, Mrs. Sam Poleset, Mrs. Virgil Barton, Misses Leona Holmes, Wanda Sargent, Lillie Ardry and Willie Fay Wilson.

MCCOY H. D. CLUB HAS INTERESTING REPORT OF RECENT MEETING HELD

How to pack school lunches was competently demonstrated by Mrs. A. Birdsong in the home of Mrs. W. Smith to the members of the McCoy club Friday, September 9.

The need of a well balanced school lunch was stressed. A foundation sandwich of meats or cheese made appetizing by the use of nuts, pickles, peppers, etc. A sweet sandwich of fruits, one raw vegetable, fruits, custards and do not omit the bottle of milk, she said.

"The children should wash before eating, and I want you mothers to do something about it," she told the parents. She also gave a report of the council meeting held at Floydada August 13. Mrs. C. V. Miller, a visitor from Austin told of some games to play. A program or one-act play was suggested to raise funds.

The reporter, Miss Clara Smith, resigned due to coming business activities, and Mrs. W. H. Hulsey was chosen in her place.

Members present were Mesdames O. C. Cummings, Birdsong, E. R. Griggs, George L. Smith, R. E. Smith, John Shipley, G. H. Day, Eldon O'Neal, H. A. Tardy, R. F. Day, Thelma Jones, A. S. Johnson, W. W. Smith, L. H. Smith, W. H. Hulsey and Miss Clara Smith, and Mrs. Miller.

Center H. D. Club Entertained By The Dougherty Ladies

CENTER, Sept. 14—The Dougherty club ladies entertained the Center Home Demonstration club with a theatre party Monday afternoon, September 12. After the picture the ladies were invited to the Eubank's cafe where they were served a delightful refreshment plate consisting of sandwiches, tea, ice cream and cake. The refreshments were served from a table beautifully decorated with fall cut flowers.

Those present for the lovely party were Mesdames O. G. Glassmoyer, A. H. Kreis, Tate Jones, T. J. Campbell, C. E. Bartlett, C. A. Caffee, M. A. Barton, Claud Ring, E. Caldwell, Bill Norman, and C. S. Ray, of the Dougherty club.

Mesdames J. E. Green, Walter Sims, C. A. Cumble, O. G. Mayfield, A. W. Anderson, E. W. Lightfoot, and H. B. Hankins of the Center club.

Some half dozen other Center ladies who had planned to go missed the treat. Those present had a most enjoyable afternoon and express thanks to the Dougherty club for such a pleasant afternoon.

W. B. Jordan and family were dinner guests of Mr. and Mrs. O. S. Anderson.

Mr. and Mrs. W. B. Harris and Miss Maurine Mathews of Muncy, visited in the Jordan home Monday and attended the play at the teacherage.

Mrs. Gibbons of East Texas is spending several weeks with his daughter Mrs. C. P. Corder and Mr. Corder.

Miss Ruth Jordan left Monday afternoon for Howard Payne college, Brownwood where she will enter school for a long term.

Mr. and Mrs. Floyd Anderson visited awhile late Sunday with his parents here.

Next Sunday is Brother Martin's day to preach for us.

Sunday, the Center church elected officers for the following year. They are O. R. Goughly, superintendent of the Sunday school, J. B. Jordan, B. T. U. director; and Jarrett Martin, pastor.

Mr. and Mrs. J. E. Green and family were Monday dinner guests of Mr. and Mrs. C. E. Meredith.

MISS GRIMES SPEAKS AT HARMONY H. D. MEETING

"Equipping a Comfortable Bed" was the subject discussed by Miss Ruth Grimes at the meeting of the Harmony Home Demonstration club last Thursday with Mrs. Walter Hanna.

"Covers made from unbleached sheeting or old mattress ticking for springs, unbleached sheeting or muslin for pillows and mattresses covers help keep bedding clean," said the speaker. "In storing quilts and pillows, fold, roll or tie cover with clean flour sacks to help keep them clean and easy to get," she continued.

On September 22 the next meeting will be held at the home of Mrs. B. E. Harris when Mrs. Raymond Williams will give a demonstration on school lunches.

Present at this meeting were Mesdames Charles Trowbridge, Charles Smith, Carrick Snodgrass, Woodrow Williams, Charlie Watson, L. A. Williams, Chloma Williams, Zant Scott, Floyd Trowbridge, J. S. Hale and Raymond Williams.

Misses Margaret Hale, Larue Williams, Iva Elmore Smith and Ruth Grimes.

R. G. Burchfield, of Ackerly, Texas was here the first of the week on business.

McDermott Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One Of 24 Delegates from Department Of Texas

McDermott Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are:

J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles.

T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles. Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childress at Los Angeles, and will see Irvin Bishop and other friends at Long Beach.

Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTIN'S HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pupils who have entered this term of school are Ruth Harber, who is a seventh grade student and J. Foster a third grade student.

We welcome these new pupils and to date have a total of 33 enrolled. The community enjoyed a weiner roast at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the past week are Betty Jo Robinson, Earl Rea Reed and Rueben Whitfill.

Mr. and Mrs. F. A. Graham have adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and children visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee and Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, and Mrs. T. J. Myrick visited relatives in Monday over the week end.

Mr. and Mrs. Weldon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. C. McCormick.

Miss Alma Ruth Plumlee visited Miss Norma Jean McGough over the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

JACK HENRY HOME

Jack Henry, who spent several weeks in the veterans' hospital at Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who had visited for a short time at Fayetteville, also Mrs. T. M. Bartley and daughter, Erin, of Waco, who visited the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over the week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. H. Newell Monday night and Tuesday.

Avoid—

(Continued from page 1)
age for 1937 is as yet unavailable but Texas has come down to 39. The infant mortality table presents a similar comparison. "Advancing public health practices, better prenatal and post-natal care, and better hygienic conditions contribute to this steadily diminishing percentage of Texas mothers and children lost in childbirth."

"Never before in the history of obstetrics have scientific precautions against complications been so advanced and so available as they are today. However, in spite of the improvement in the techniques involved and the further development of antiseptic control, the maternal mortality figures pathetically indicate that medical knowledge alone cannot solve the problem," Dr. Cox further stated.

"Generally speaking, innocent or willful neglect is largely responsible for the preventable maternal deaths. It is to be emphasized that the proper time for expectant mothers to seek medical attention is when the expectancy is first realized."

"Indeed, prenatal care is the great defense against any of the conditions that cause tragedy at birth. Consequently, expectant mothers should place themselves under the supervision of a physician at the beginning of the term. If this fundamental safety rule would be adopted more generally, the present maternal mortality toll would be markedly diminished."

"As one authority aptly states, 'To cut the appalling maternity death rate, thoughtful and cooperative initiative must originate in the home.' In other words, science had done its part, now the prospective mothers must do theirs."

STATIONS CHANGE HANDS

Among the business changes in Floydada in the week are the change of ownership of two service stations. Jeff D. Hart last Friday sold the Okey station on the Matador highway east of Floydada to Milton Teague, who assumed charge the following day.

Yesterday Hart announced he had purchased the Jackson Tire Company station at the corner of Main and Mississippi streets from "Judge" Clark. Hart will continue to operate the business as a tire shop, and accessories gas and oil sales.

Mr. Clark plans to return to Lockney where he will be associated with Jackson Tire company at their station there.

Too Late To Classify

WELDING—Tires and Tubes, O. K. Rubber Welder, work guaranteed. Used tires and tubes. East Side Square. 311c

Barton Buys Texaco Station On Northeast Corner From Carter

M. A. Barton, who has been grader operator in Commissioner's Precinct 2, has resigned to enter business in Floydada.

Tuesday he bought from E. C. Carter the Texaco Service station, a retail establishment northeast corner of the square, and assumed charge Tuesday afternoon. Carter will devote all his time to the whole sale department, he said. He is associated with Elbert Bloodworth in that agency.

Tip Bullock will be associated with Mr. Barton in operating the service station.

COUSIN OF CALVIN STEEN BURIED IN FLORENCE, MISS.

Mrs. J. A. Griffin, cousin of Calvin Steen, died last Thursday at her home in Birmingham, Alabama. She will be remembered by friends here as Miss Joy Deen who made her home with Mr. and Mrs. Steen for ten years before she left about four years ago.

Deceased is survived by her husband.

Burial was made in a cemetery at Florence, Mississippi.

MISS JAUNICE COYBEN IMPROVING FROM OPERATION

Miss Jaunice Coyben, daughter of Mr. and Mrs. R. W. Coyben, is improving rapidly from an appendicitis operation performed Wednesday of last week at Plainview her father said.

Mr. Coyben visited his daughter yesterday and will be able to bring her home Saturday, if no complications arise, he said.

A. D. CUMMINGS SPEAKER AT ROTARY WEDNESDAY

Jim Willson was program chairman at Wednesday's Rotary program with A. D. Cummings principal speaker.

Mr. Cummings introduced Mrs. Piper, English, and speech teacher at the high school, who gave a skit on "A Jiner," Miss Caldwell, music teacher, sang two numbers, accompanied by Miss Sappho Ward on the piano.

Mr. Cummings spoke to the group on the League of Nations and explained that even though the league seems defunct that no one will be able to tell for a long time just what the league may have accomplished.

Roy Snodgrass reported to the club on the proceeds of the current softball league. He announced that \$100 was given to the athletic fund and \$30 to Rotary and Lions club. He also announced that Walter Collins had given \$50 from the district treasury to the athletic fund.

Church Of Christ Revival Meeting Closed Sept. 11

The Wall Street Church of Christ closed their series of meetings Sunday night after a week's campaign in which five additions and one restoration were made under the preaching of Elder N. L. Clark, of Fort Worth.

Elder Clark, who has served many years as a teacher and preacher is an able minister of the gospel.

Large crowds attended the week of services.

Seventy-Nine Pupils In Dougherty School

DOUGHERTY, Sept. 13.—School opened here on August 29 with an enrollment of seventy-nine pupils and we have had two good weeks of school.

Our teachers for this year are Mr. Caldwell, principal; Miss Howell, Mrs. Rutherford and Miss Caruthers. We are proud of the fact that our school is standardized again for the years 1938-39. This we owe to the good work of the teachers, students and the co-operation of the community.

The Antelope school has joined the Dougherty school for this term transporting all her school children in a new Dodge school bus.

The volleyball team has been practicing some lately planning to have a great team this year. Only one player has been lost from the team of last year but we have plenty of material to take the place.

The baseball team is progressing too, and we hope to see them win some games this year.

Local News

Mrs. F. M. Dougherty and sons Bill and Sam have been visiting Mr. Dougherty since last Monday. Their home is in Arizona. She is enroute to Woodberry Forrest school in Virginia, where the boys will enter school and plans to return here for another short visit.

Miss Virginia Morrison spent the week end in Floydada visiting her

uncle Mr. and Mrs. Burt Holt.

Miss Thelma Jarrett of South Plains spent Saturday with Miss Verda Jameson.

Mr. and Mrs. G. L. Moreland and daughter Artie, visited friends here Thursday.

Mr. and Mrs. Claude Ring and children spent the week end with relatives at Quanah.

Mr. and Mrs. Clifford Gorley and Willard Edwards spent Friday and Saturday with Mrs. Gorley's parents at Paducah.

Mr. and Mrs. R. Fred Brown and son, Harold, went to Stephenville Sunday where Harold will enter John Tarleton college for this year's work. Mr. and Mrs. Brown returning home Tuesday coming by Fort Worth where they visited for a time.

FOOTBALL SECTION

Floydada, Floyd County, Texas, Thursday, September 15, 1938.

FOOTBALL SECTION—Number 1

The Whirlwind Team will enter the football wars tomorrow against Slaton's Tigers. The boys in the picture are, front row left to right, Joe Conway, Emmett Willson, Emmett Henson, Robert Montgomery, L. B. Martin, Mal Jarboe, E. Burgett, D. Patterson. Middle row, Frankie Jones, James Johnson, James Fry Gibbs, George Fry Linder, R. E. Golightly, Gordon Patterson, R. Riggle, R. Fickes, Bennie Crawford, Joe Dick Moore. Top row, D. Henson, N. Huskey, W. McClure, R. Duncan, Clifford Daniels, W. Cumbie, M. Ross, and R. Turner.

Whirlwinds Open Season at Slaton Tomorrow

TIGERS HAVE HEAVY, EXPERIENCED SQUAD

The Whirlwind team will enter the football wars tomorrow against Slaton's Tigers. The boys in the picture are, front row left to right, Joe Conway, Emmett Willson, Emmett Henson, Robert Montgomery, L. B. Martin, Mal Jarboe, E. Burgett, D. Patterson. Middle row, Frankie Jones, James Johnson, James Fry Gibbs, George Fry Linder, R. E. Golightly, Gordon Patterson, R. Riggle, R. Fickes, Bennie Crawford, Joe Dick Moore. Top row, D. Henson, N. Huskey, W. McClure, R. Duncan, Clifford Daniels, W. Cumbie, M. Ross, and R. Turner.

Petersburg Hopes For Third Title

Coach Odell Winter, head coach at Floydada High school, faces one of the most difficult schedules in a number of years, considering the strength of conference and non-conference teams that make up the schedule. He and Assistant Coach Thomas have seemingly begun work that will give Floydada a strong district contender before November.

Weights Certified On F. H. S. Squad

The Whirlwind football squad for the first time in its history (so far as could be determined) has certified weights. In an effort to give the football fans correct weights Coach Odell Winter cooperated with The Hesperian and allowed an outsider to weigh his boys on scales furnished by Doctor W. M. Houghton. The weights were recorded and certified before an official notary public. They are being published this week on one of the inside pages of this section. The weights are probably slightly below average because the boys had just completed a heavy workout in the hot afternoon sun, thereby losing weight from exercise and perspiration. Football equipment will add some 10 pounds to each man upon entering the game since the squad was weighed stripped.

Considered One Of Strongest Class B Teams In State By Some Observers

Hungering for revenge the Slaton Tigers await the coming of the Green and White Whirlwind from the South Plains. This same whirlwind last year blew an overconfident Tiger team into a 14 to 6 defeat. The Tigers were so busy mentally playing and planning for the Lubbock Westerners that the Whirlwinds caught them napping and "held that Tiger" before the cats could recover from their surprise. Incidentally the Cats lost to Lubbock the next week after playing the Whirlwinds but probably would have defeated the green Floydada team easily had they been playing their games as they came to them.

Lockney Longhorns Open Against Happy

The Lockney Longhorns are anticipated one of the most successful seasons in a number of years, possibly the turning point in Lockney High school football history, because of the dearth of football material that is on hand and the fact that a great deal of it is heavy and experienced. Twenty-eight boys turned out for the first day of training in August and candidates have been added each day. Two of the latest arrivals have been tackles, weighing 200 and 212 pounds respectively, which it is believed will strengthen the Longhorn line quite somewhat. The Longhorns will open their season against the Happy Happy-Jacks on the Longhorn field tomorrow afternoon. Just what the strength of the Jacks may be is not definitely known but usually they have a light fast team that can deal any Class B club plenty of misery before being defeated.

Probable Starters
Coach Odell Winter made no official statement as to a group of players he would make the probable line-up will contain who have been scrutinized as "first stringers" most of whom will likely be in the line-up for the first game.

Probable starters are that James Fry will start as a backfielder in the line along with George Linder, Fred Fry, and Fred Fry. That will give the Whirlwind a backfield with an average weight of 145 pounds.

EIGHTEEN PORT ARTHUR FOOTBALLERS ON TRIP

PORT ARTHUR, Texas.—Eighteen Port Arthur high school football players and coaches Tom Dennis and Johnny Kitchen left Tuesday for Marblehead, Mass., in search of their third straight sectional victory. They will open the season Saturday against the Marblehead high school team. Last year the Yellow Jackets defeated Marblehead here, 24-0, and Mesa, Ariz., at Tempe, Ariz., 25-20.

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

About Forty Have Applied For Farm Tenant Purchases

Claude C. Carpenter, FSA Supervisor, Reminds Of Deadline Oct. 1

The Farm Security Administration is anxious that all Floyd county farmers interested in making an application for a loan to purchase a farm under the Bankhead-Jones Tenant act call at the local office for application blanks before October 1. It appears that making application after October 1, 1938, cannot be considered for loans this year.

Quotas Signed

Cotton marketing quotas are being signed at present by farmers at the county agent's office this week in order that they may have their cotton ginned tax free.

Tulia Hornets Invade Western Field Next Friday Night

The Tulia Hornets will head for the field next week to begin the football season for Floydada fans. The Hornets promise to be as rough and rowdy as they were last year and in some ways stronger.

The Hornets promise to be as rough and rowdy as they were last year and in some ways stronger.

Petersburg Boys Choose Colleges

Texas Technological college at Lubbock and West Texas State Teachers college at Canyon, will land the services of most of the members of the Petersburg Buffalo gridiron team, which has for the past two years held the District 20-C championship title.

Homer Robertson, quarterback-captain of the 1937 team, Joe Mayo, wingman and co-captain of the Buffs last year, and W. D. Scarborough, last season's center for the locals, all of whom have lettered three times and weigh about 170 pounds, express intentions of entering the Canyon college; Paul Reynolds, for two years captain of the Buffs prior to 1937 and acclaimed for his passing ability, has enrolled at Texas Tech, as has Author Lee Wylie, 225-pound local boy who lettered once with the Buffs and twice with the Plainview Bulldogs, and Milford Dendy both of whom are now trying out for the freshman team at Tech. Truett Hughes, Buff back, has entered Wayland college at Plainview and will play with the Jackrabbits; Obed Foote, speedy, twice-lettered back plans to enter Tech in the spring and Maurice Bradshaw, big lineman, plans to enter Canyon.

HAS OPEN DATE

McLEAN, Sept. 9 (Special) — Coach Cricket Christian of the McLean Tigers is anxious to fill three open dates which yet remain in the Tigers' schedule, Sept. 23, Oct. 7, and Oct. 14.

*Oct. 14—Spur there.
*Oct. 21—Floydada there.
*Oct. 28—Lockney there.
*Nov. 4—Quitauque there.
*Nov. 11—Turkey here.
*Conference games.

About Forty Have Applied For Farm Tenant Purchases

Claude C. Carpenter, FSA Supervisor, Reminds Of Deadline Oct. 1

The Farm Security Administration is anxious that all Floyd county farmers interested in making an application for a loan to purchase a farm under the Blankhead-Jones Tenant act call at the local office for application blanks before October 1. It appears that making application after October 1, 1938, cannot be considered for loans this year.

It will be necessary that those making applications last year make new application at this time. It is possible the financial condition of individuals have changed during the last few months. Some individuals that made application last January have bought other land and some have moved out of the county and state.

Applicants that have sufficient livestock and machinery to operate a family-sized farm and cash not to exceed 25% of the value of a farm are eligible for a tenant purchase loan. It appears any one with 25% cash of the purchase price of a home could secure a farm from individuals or other lending agencies.

Homer R. Robbins, regional chief of Tenant purchase division, was in the local office this week and appeared to be favorably impressed with the number and type of applications received today.

Dependable, permanent and progressive farm families desirous of a farm home, and located on family-sized farms of Floyd county land, at average land values, will help make the Farm Tenancy program successful. Approximately 40 applications have been received today according to Claude C. Carpenter, local supervisor.

Menard Field Sells South Plains Agency Of Phillips Pet. Co.

Menard Field, for years wholesale distributor at South Plains for Phillips Petroleum Company, has sold his agency and equipment to L. B. Mayes, formerly of Amarillo, and G. A. Patterson, of Oklahoma City, it was announced this week.

Yesterday the new representatives were taking charge of the business. Mr. and Mrs. Mayes were in Floydada for a short time.

Mr. Mayes has been with the Phillips company for a number of years, located in Amarillo, while Mr. Patterson has been efficiency adviser of the Bitmore hotel in Oklahoma City.

It was not learned what plans Mr. Field, who retires from the agency after several years of successful operation, may have.

ELECTRIC IRON, LEFT HEATING, MAKES A JOB FOR FIRE DEPARTMENT

The fire department Tuesday night extinguished an incipient blaze with chemicals at the J. E. Eubank residence on West Tennessee street. When they made the run to the fire and went in to investigate they found the electric iron had burned a hole through the board, then dropped to the floor and burned a hole in it too.

The Eubank family were away from home at the time of the fire. Damage was estimated at \$50, or less.

Adjustment Payments To Arrive Oct. 1

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

Floyd county will receive a minimum of approximately \$175,000 sometime near October 1, it is believed. Due to crowded conditions and lack of space, the local office was unable to complete forms for the payments as soon as certain other offices. Shipping clerks at the central office also sent the county agent office here the wrong forms in the first shipment which furthered the delay.

Every effort was made in the Floyd county office to overcome the two handicaps and by working a great deal of overtime the forms were sent in only a few days late and the payment checks are expected to arrive within 10 days or so.

Payments in excess of \$2,500,000 were certified the first week and additional payments are being certified at the rate of around \$600,000 each day. It is estimated that cotton price adjustment will reach 337 million dollars in Texas alone.

During the first week some 15,000 applications for payments were certified. Briscoe, Collingsworth, Hall, Lubbock, and Swisher counties have received some payments as have a number of other counties in the state.

Quotas Signed

Cotton marketing quotas are being signed at present by farmers at the county agent's office this week in order that they may have their cotton ginned tax free.

Agriculture Conservation compliance is also being signed at this time, which is some 90 days ahead of last year's signing.

It is believed that as soon as signing is completed and the forms sent away, since it is so early, that Floyd county will receive \$400,000 in conservation money sometime in December.

W. E. Neighbors New Manager Of Floydada Poultry And Egg Co.

W. E. Neighbors, of Levelland, is the new manager of Floydada Poultry and Egg Company, east side produce house, formerly managed for 9 years by J. V. Jones, and which has been in charge of Earl Chesbire for a week after Jones checked out on Wednesday of last week.

Neighbors moved here with his family Tuesday night and checked in Wednesday morning. He has been in the produce business the past 21 years, much of this time in southwestern Oklahoma. He had been located at Levelland for a year.

TO DEALERS MEET

Geo. Finkner, owner of Triangle Garage, left Tuesday morning for Oklahoma City where he will attend an Oldsmobile dealers meeting and see the new Oldsmobile models for 1939. It could not be learned whether Finkner would return with one of the new models or not. He is expected home this week end.

Water Trees Now For Best Results County Agt. Says

County Agent D. F. Bredthauer urges the owners of fine trees both shade and fruit trees to do their watering during this month in order to secure the best results next spring.

"Shade and fruit trees will respond readily if given plenty of water during September. The chief essential, however, in applying water is to secure even distribution and deep penetration.

"With shade trees or orchard trees, the next year's fruit buds are being formed and the current season's crop maturing the same time, primarily July to September.

"The fall period of the year in this section is therefore a critical time for the tree to secure a proper irrigation. For trees on heavier soils common in Floyd county, the water must be allowed to percolate slowly in order to insure thorough uniform penetration and the irrigation should extend well out past the evers of the tree as feeder roots extend four or five times the distance from the trunk to the evers or outer edge of the limbs," Bredthauer said.

Fall Under Binder Results In Painful Injury For Allmon

W. R. Allmon is resting much better this week and is expected to be out about in a few weeks after suffering injuries in an unusual accident last Thursday morning at 11 o'clock.

X-ray pictures made the day he was hurt indicates he has 8 ribs broken, 1 of them in 3 places and another in 2 places. In addition he has severe bruises on his back and shoulders.

As Mr. Allmon recalls the accident he reached over to grab a big wheel when his sleeve was caught in the wheel of a row binder and he was jerked from his seat. He called to his team quickly and they stopped. He was several minutes extracting himself from the lugs of the big wheel as he remembers it. He was cutting and binding feed.

He has been confined to his bed, very sore, stiff and taped up, but believed to be definitely recovering after a very narrow escape with his life.

4-H Sponsors Meeting Held Wednesday P. M.

L. L. Johnson, state 4-H club leader, presided at a meeting of 4-H club sponsors held Wednesday afternoon in the county court room.

The purpose of the meeting was training for sponsors and agents, outlining the 4-H program in Floyd and Motley counties for 1939.

Present for the meeting were County Agent D. F. Bredthauer, Henry Schacht of Aiken, Bruce Blackford of Irick, Edd Holmes of Sand Hill, Lon Davis and J. G. Wood.

Frank Buckley, county agent of Motley County, and Percy Tate of Aiken, outstanding 4-H club boy of Floyd county, were also present for the meeting.

R. E. A. CO-OPERATIVE MAY CHOOSE RESIDENT ENGINEER FRIDAY NIGHT

Probability that a resident engineer for the Floyd County Rural Electric Co-Operative will be chosen tomorrow night when the board of directors will hold a meeting postponed from last week.

Other matters pertaining to perfecting the local set-up also will have attention.

Shooting Seen To Win National Trap Shoot

The most perfect clay target shooting that was ever done was seen by J. O. Dudley and his son, Charles, while they were at Vandalia, Ohio, recently for the national American championship shoot.

Several hundred crack clay pigeon shots of the nation were in the competition which lasted a week. Dudley and his son saw five days of the shooting and participated in one or two events each.

The national championship was broken with a perfect 200 targets won out of 200. Dudley himself broke 197 out of 200 and was far from being toward top money he said. In the great American handicap, Dudley competed and had a 97 out of a possible 100. It was won with a 99. There were 12 or 15 ninety-eights, he said.

Charles Dudley competed in the sub-junior clay target championship event. A St. Louis boy won this event with a 98. Charles and an Ohio boy were tied for second place with a 91 each.

Dudley said the championship winner had a run of more than 900 targets without missing when the shoot closed.

They were two and a half days gone and two and a half returning to Floydada, taking some ten days off to attend and participate in the national event.

Lockney FFA Chapter Meets With Floydada

Sixty-two boys were present Tuesday night for a joint meeting of the Floydada FFA and newly organized Lockney FFA.

For the first time Lockney High School will have an agriculture department, taught by R. K. McCoy. Since members of FFA must begin as Greenhands the entire Lockney organization must be initiated by Future Farmers into the organization. The Floydada chapter will have the initiation ceremony at a later date.

The meeting was a regularly scheduled one and gave the Lockney boys an insight into the workings of an FFA meeting.

McDermott Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One Of 24 Delegates from Department Of Texas

McDermott Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are: J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles. T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles. Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childress at Los Angeles, and will see Irvin Bishop and other friends at Long Beach. Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTINS HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pupils who have entered this term of school are Ruth Harber who is a seventh grade student and Junior Foster a third grade student.

We welcome these new pupils and to date have a total of 35 enrolled. The community enjoyed a weiner roast at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the past week are Betty Jo Robinson, Earl Rex Reed and Rueben Whitfill.

Mr. and Mrs. P. A. Graham have adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and children visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee and Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, and Mrs. T. J. Myrick visited relatives in Monday over the week end.

Mr. and Mrs. Weldon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. C. McCormick.

Miss Alma Ruth Plumlee visited Miss Norma Jean McGough over the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

JACK HENRY HOME

Jack Henry, who spent several weeks in the veterans' hospital at Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who had visited for a short time at Fayetteville, also Mrs. T. M. Bartley and daughter, Erin, of Waco, who visited the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over the week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. H. Newell Monday night and Tuesday.

Plenty Of Beef On Paducah Squad; First Game Friday

Dragons Have Four Weeks Training

In their third week of football training, Coach Presley Wright's Dragon team for the 1938 season is beginning to take shape, and gives promise of being a fast, hard fighting eleven.

Two new rookies, Troy Cranford and Eli Whitney, both from the rural districts, reported to Coach Wright this week. Cranford is in good shape and will at least strengthen the Dragons. Though new to the game, Whitney is good material. He won second place in the district in broadjump last year and Coach Wright says he is a fast man. These men are showing progress in learning to cope with the more experienced players.

Experienced Men

Two lettermen back from last year, J. J. Gibson and Curtis Thaxton, will work in the backfield this year. Coach Wright said. Another man, Lowell Sanderson, will work at tackle. John Best, a reserve letter man, will strengthen the back field and James Lee, another reserve letter man, will work as center and end.

Squad men back from last year are Rudolph Mobley, Harold Aiken Bigham, Bryan Handley, Alton Sublett, and Haydn Rae Robenhamer.

Rookies

New rookies this year are Talmadge Foster, Earl Garrison, Billy Joe Thompson, Jesse Stinson, Jack Haynes, Harry Wright, Jr., J. B. Welborn, Jimmy Ellis, Charlie Galyean, and Coy Cranford.

Assistant Coach Burns McKinney is devoting the major part of his time outside the class room with the Dragons and Coach Wright, and he has won the admiration and respect of the entire team. The Dragons have worked out twice daily until this week, and now the opening of school prevents but one work out daily.

LAMESA BEATS TAHOKA

LAMESA, Sept. 9. (Special)—The Lamesa High School gridsters romped over Tahoka 51 to 0 here tonight in the season-opening game for both teams.

Lamesa gained 16 first downs to Tahoka's 5 and gained 420 yards to Tahoka's 10.

Scoring touchdowns for Lamesa were, Anderson 2, Crawley 2, and Vaughn 2. Points after touchdown: Anderson 3, Noret 1, and Vaughn 2.

Malcom Lider, better known to Waco and Baylor football fans as the "Floydada Flyer," is expected to help fill up gaps in the Bear backfield this year. Lider earned his letter last year in spite of a good selection of veteran backs that were back. Floydada fans will continue to watch a "home town lad" make good.

First Game Is Win For FHS In 1924 Fray

Inexperienced Floydada Team Whangs Bulldogs With Power Attack

(This game described below was played on Friday afternoon, Sept. 27, 1924. How many old Floydada fans remember it? Editors Note.)

The green and white of Floydada was triumphant in their first encounter of the season, earning well-deserved victory over Plainview High School 21 to 0 at the Floydada Base ball park before several hundred cheering fans.

On a heavy, slow field, under a sun as hot as midsummer, the boys tugged and sweated but no scoring was done the first half even though Floydada had the most inexperienced team in six years of play. Coach Wester was forced to rebuild his complete team because of

graduations. Kenneth Henry, formerly an end, was at quarter, Frank Luttrell was at left tackle and Herschel Green at left half, and Bill Daily at left end.

The first half of the game ended without a score with the ball on Floydada's 15 yard line, neither goal line having been threatened.

Second Half Different

In the second half Floydada kicked to Plainview's 8-yard line and started and offensive when Plainview fumbled and Floydada recovered the ball on the 12-yard marker. The boys drove almost to a touchdown but lost the ball on downs on the 1-yard line.

The Plainview punter booted out badly and Floydada had the ball on Plainviews 24-yard line. Two end runs and a fake play netted 16 yards.

Henry bucked the line for 8 yards and a touchdown on the next play. A pass, Bosley to Daily, made the extra point.

Floydada soon had the ball after the kick off but lost it when it was fumbled on a long end run. Plainview recovered but got no-where and kicked to Floydada's 40-yard line.

Making downs on three successive plays, they lost 11-yards on a fake play. Two line bucks and an end play regained the lost ground and made the down. Another end play and line buck put Herschel Green over the line for the second marker. A pass was completed for the extra point.

The fourth quarter was also disastrous to the visitors when a Plainview back, cooked to throw a pass, held the ball too long and had it blocked by the rushing Floydada line.

Floydada then lost the ball on an interception on the Plainview 20 yard line. Floydada was penalized 5 yards for offside, the only penalty of the game. Plainview tossed a pass which was intercepted by Bosley who ran 40 yards for the third score. A pass netted the extra point.

Floydada and Plainview failed to threaten the remainder of the game.

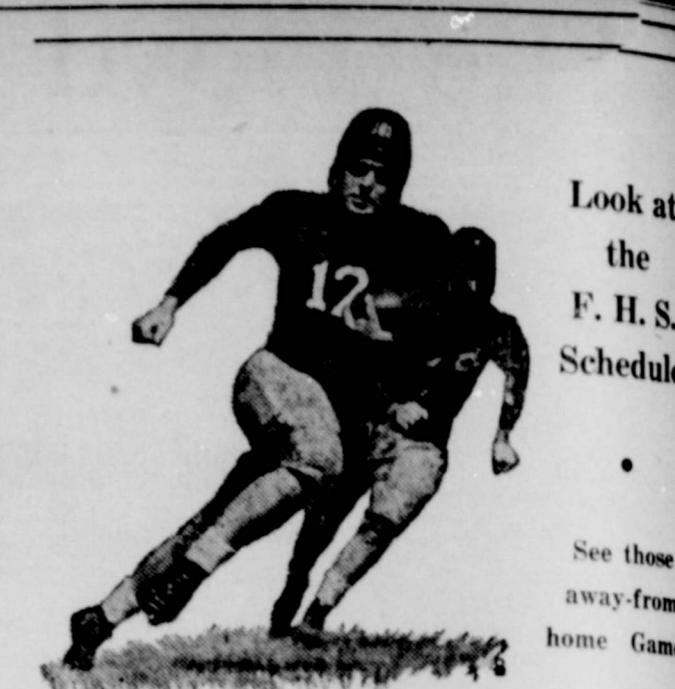

Starting line-up for Floydada: Pennington, center; Lee, left guard; Jameson, right guard; King, right tackle; Luttrell, left tackle; Daily, left end; Cates, right end; Henry, quarter back; Green, half back; Abbott, half back, and Bosley, full back.

FROGS TO SCRIMMAGE

FORT WORTH, Sept. 9.—A secret but fullblown scrimmage is slated for the TCU Horned Frogs Saturday afternoon with four teams participating, alternating on offense and defense.

The squad was brought up to capacity today when Carl Anderson, tackle from Wichita Falls, reported and Mack Beck, the fullback from Oklahoma, suited out. Beck has been nursing a sore foot.

Japan averages four earthquakes daily; the United States averages one every four days.

Look at the F. H. S. Schedule

See those away-from home Games

That means You will Need A GOOD USED CAR

There are a lot of important games this year for the Whirlwinds . . . but half of them are away from home . . . There are a lot of good college games too . . . but they are in Lubbock, Canyon, Abilene or Lower Texas . . .

SEE YOUR SHARE OF THE GAME

Fall Under Bind Results In Painful Injury For Allmon

W. R. Allmon is resting much for this week and is expected to get out about in a few weeks suffering injuries in an unusual accident last Thursday morning at 6 o'clock.

X-ray pictures made the day after his accident indicate he has 8 broken, 1 of them in 3 places another in 2 places. In addition has severe bruises on his back shoulders.

As Mr. Allmon recalls the accident he reached over to grab a wheel of a row binder he was jerked from his seat called to his team quickly and stopped. He was several minutes extracting himself from the hub of the big wheel as he remember he was cutting and binding feed.

He has been confined to his bed, very sore, stiff and taped up. He believed to be definitely recovered after a very narrow escape with life.

THE HESPERETTE

McDermott Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One of 24 Delegates from Department of Texas

McDermott Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are:

J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles.

T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles, Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childress at Los Angeles, and will see Irvin Bishop and other friends at Long Beach.

Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTIN'S HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

PREPARATION

In chapel Thursday, the theme of a talk was "Be Prepared." I was impressed with the forceful way the subject was approached and with its importance to high school students.

Preparation is the key note to success, in school as well as in life. A student who always brings up his lessons at the exact time assigned not only pleases the teacher but achieves a mental peace for himself. There is nothing so soothing as the feeling of safety and confidence in one's work.

As the speaker so aptly stated it: "If I was a woodcutter and had seven minutes to cut down a tree, I would spend four of those minutes sharpening the ax."

We should spend time and effort in preparing to cut down our tree. "Life." Preparation and a knowledge of efficiency are the only two stable ways to a successful existence.

CHAPEL

Last Thursday at 1 o'clock we had our first chapel program of the year. Mr. Camp, band director, led the singing, after which Rev. Jones gave the invocation. Mr. Cummings made several announcements for the benefit of the new students, and reminded the old students of school regulations.

Guest speakers for the occasion were Rev. N. L. Clark, who is now conducting a meeting at the Wall Street Church of Christ and Rev. Duke Jones who has just closed a meeting at the First Christian church. Mr. Cummings introduced each speaker. Rev. Clark is a retired school teacher from the schools of Fort Worth, where he has taught for 39 years. He was in the school room for 47 years, before devoting all his time to preaching.

Rev. Clark gave five points in his talk for the students to remember; take care of yourself, choose wisely, and carefully, choose or select high ideals in life, do not play-off on the job, and do not get discouraged and yield to temptation or never let discouragement get us down.

In the talk, Rev. Jones made, he encouraged each student to aim just a little higher in the things of life, and to hitch our wagon to a star and be prepared for our life's work. Along with his talk, Rev. Jones told several fitting jokes.

Again we wish to thank Rev. Jones and Rev. Clark for their inspiring talks. Both preachers impressed their audience and will be welcomed back any time they can come.

Junior Class

Three cheers for the junior class. Yes, it's true this class was the smallest class in P. H. S. last year. But it has a large number of new students enrolled. 59 girls and 72 boys are now enrolled.

This class is an onward class and means to get down to business as soon as possible. It has a lot of school spirit and is craving action in the way of class activities.

Telephone No. 3 for office supplies, office forms.

Green Peppers to Pitch Rally For Slaton Game Tonight

Slaton, Slaton, we're gonna begin. Come out of the woods and pay for your chin.

We're wild, we're wooly, we're notched like a saw. Floydada Whirlwinds, Rah, rah, rah!

Fifty-four girls met in Miss Copeland's room the second day after school started and organized the largest pep club that FHS has had in three years.

Tonight all the girls will meet at Martin Dry Goods to have one of the largest rallies to say nothing of the loudest that Floydada has ever seen. Not only the pep squad members but the football players are looking forward to the rally which is to be held on the eve of their first game.

Mr. Cummings had not given his permission to the peppers to go to Slaton but everyone is hoping that they get to go. The boys need the girls there to back them, and another thing—when the opposing team does not bring their pep squad here, FHS feels slighted—at least the game isn't as exciting.

It seems that all towns feel the same way so let's take the squad to Slaton. Nothing is quite so thrilling as the first game so let's put out the cat, close the door and go to Slaton to back the Whirlwinds!

Tonight at 8 o'clock the Green Peppers are going to warm up for the Slaton Tigers with a significant rally. The war paint is already mixed and 54 husky voices will shriek the battle cry. Most of the girls already have suits and the remainder will be in soon.

It is the earnest hope of Mr. Camp, the band, the pep leaders, the pep girls, and the student body that the entire town will join the ranks with the Whirlwinds and make this pep-wow one that is worthy to open a brilliant season.

SPEECH CLUB

The Speech club has not been organized as yet, but Mrs. Piper, new speech teacher, is anxious to get the club organized. She is to back the club and make it interesting for all.

The club plans to have good programs and fun for all. Also the members of the club have a good chance at dramatics. Join the speech club.

QUESTIONNAIRE

Q. In the show "Snow Drift and the Seven Midgets," how did the old queen mess her doom?
A. She broke both legs trucking.

Q. What is the most physiological method of treating a dog which has just bitten you?
A. Hit him back, you dope.

Q. If the Prof's name is Wright and he requests that you stand, what would you do?
A. Stand up for your Wrights.

Q. If you want a pair of shoes that cost \$3.50 and have exactly six cents, what would you do?
A. Go home. They can't stop me from dreaming.

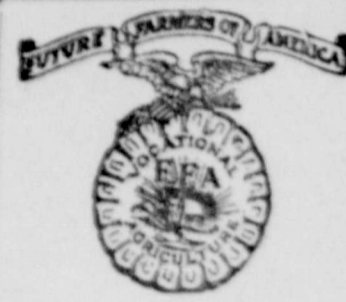

Q. How are your new trousers doing?
A. Simply ripping, old top.

Q. What trade is most romantic?
A. (Robert) Taylor.

Q. Who was Gregg?
A. Some guy with a grudge against humanity. He made a batch of silly curlicues and called it short hand.

Q. What occupation do you follow?
A. I'm a peddle pusher.

Q. Is your heart in your work?
A. No, my foot's in it.

The agriculture boys are working up information on their projects in order to get their project record books up to date.

The local chapter officers are president, Eugene Blackman, vice-president, Leland Woodward, secretary, C. W. Demison, treasurer, Aldine Williams, reporter, Jewel Elza, historian, Le Roy Channing, parliamentarian, M. C. Fagna Jr., watch dog, William Bertrand.

They are working on a new score card which the class is planning to use this year. High point men in first and second agriculture classes will be awarded prizes. The chapter officers are also working on the Green hand initiation ceremony, which will be held the first meeting.

One of the second year classes has elected class officers for the coming year.

These officers will have charge of the opening ceremony. The officers are as follows:

President, Joe Shultz vice-president, Clarence Westfall, Secretary, J. W. Womack, watch dog, Neil Bertrand, Parliamentarian, Wilson Bond, Historian, Lowell Head.

The Floydada F. F. A. is planning an educational booth at the South Plains Fair this year. The subject will be on some phase of swine production. Last year the F. F. A. Chapter of Floydada placed second out of 21 exhibits shown.

They hope to do as well this year.

Lakeview Eaglet

LAKEVIEW, September 13.—The boys' and girls' basketball teams have organized and elected their captain for the season. They are Junior Conway for the boys' team and La Paun Hodges for the girls' team.

Editor in chief: Jeanne Edwards. Assistant editor: La Paun Hodges. Reporters: Helen McCraeve and Jack Pitts. Colors: Purple and Gold. Motto: "No rest 'til our school is best."

Locals

Mr. and Mrs. T. E. Hart spent Sunday in the home of Mr. and Mrs. Fay Hart.

Mrs. D. S. Battey and children and H. O. Pitts spent Sunday with Mr. and Mrs. J. B. Pitts.

Mr. and Mrs. Dave Widener were Sunday guests of Mr. and Mrs. Ernie Widener.

Mrs. P. D. Adams was a guest of her daughter Mrs. Dewey Murphy and family Sunday.

Mr. and Mrs. R. P. Hall, Mr. and Mrs. Wills Hall, Mrs. Ruby Jackson and Mrs. Hawley Jackson visited Mr. and Mrs. Buster Hall in Dougherty Sunday.

Miss Agnes Cottingham of Quitaque was a guest of Mr. and Mrs. G. W. Smith Saturday night and Sunday, and she also visited Mrs. Ceila Ross Sunday. She is a teacher in the Quitaque schools this year.

Mrs. Ceila Ross visited relatives in Floydada Sunday.

Mr. and Mrs. J. P. Jones and family attended the birthday dinner Sunday of William Powell at the home of Mr. and Mrs. H. A. Powell.

Mr. and Mrs. Van Thornton are visiting relatives and friends in Fort Worth and Dallas this week.

Mr. and Mrs. Peyton Legg, James

Satirical Advice On Etiquette

Engage in an argument with every person you meet.

Never listen to the other person, for if you do you may forget what you want to say.

Always talk of your private, personal affairs with your girl or boy friend and while conversing with strangers. They like to listen to long accounts of why you're so popular.

If a person makes a mistake in grammar or calls a word wrong, always correct him, especially if there are several people around to hear you.

Never talk in a mild, gentle or musical voice, but toot up high and loud. Drown other people's voices if you can't drown their ideas.

If with a stranger, always use profanity and vulgar words. You will be surprised how it will change their estimation of you!

Insist on talking about subjects that the rest of the company have never heard about. If you can't find a foreign subject like Europe, or what you did last night and how much fun you had, pick out your best chum and whisper to him or her. (That would be interesting!)

Always pretend to great gentility yourself and ridicule people who are a little bit better than yourself. If you can't say that your ancestors belonged to some notable family, make a strong point of being acquainted with a great many distinguished people yourself, and constantly refer to the time when you were "so-in-so" in school.

Follow this, and I'm sure you'll end up in "nowhere."

EVE-OLUTION

When Eve brought voo to all man-kind

We then pronounced it Woo-man. But not with folly and with pride. Their husbands' pockets brimming.

The ladies are so full of whims. They now pronounce it Whim-men.

I think Jane Clark ought to wear green more don't you?

Mr. Russell sure is picking off the votes as the most popular teacher, or do you agree with me?

Ted Bell is becoming a photographer deluxe! Some of his candid shots of promising belles are the hot stuff! No kiddin'.

Peyton and Mrs. A. A. Pulley visited friends and relatives at Spur over the week end.

Mrs. R. C. Smith, Mr. and Mrs. Don Harrison and Jerry Bob were Sunday dinner guests of Mr. and Mrs. J. M. Harrison.

SOCIETY

Misses Ruby and Margie Moore Give Farewell Party

Misses Ruby and Margie Moore gave a farewell party known as the "Misses Moore and Margie Moore" at the home of Mrs. Puckett of Dallas, Friday night.

Many enjoyable games were played by Evelyn Anderson, Boyd, Peggy Boyd, Fernon, Floy Jean Hale, La Nolle, Malvin Jarboe, James Boyd, Frye Porter, Greer McClesky, Joe Jarboe, Mrs. Norton and the hostesses Mrs. Ruby and Margie Moore.

Senior Snapsheet

The senior class is waiting complete organization so they can begin the activities planned for next year.

A number of new students joined the class this week to bring the grand total of class members to 100.

The zeal and enthusiasm will be their greatest asset. They are pulling together in an effort to be one of the best ever to graduate from Floydada school.

Under the capable leadership of Miss Cade and Mr. King as sponsors, the senior class is emphasizing their force in being successful in all that they undertake.

When answering advertising please mention The Hesperian.

Adjustment Payments To Arrive Oct. 1

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

About Forty Have Applied For Farm Tenant Purchases

Claude C. Carpenter, FSA Supervisor, Reminds Of Deadline Oct. 1

The Farm Security administration is anxious that all Floyd county farmers interested in making an application for a loan to purchase a farm under the Bankhead-Jones Tenant act call at the local office for application blanks before October 1. It appears those making application after October 1, 1938, cannot be considered for loans this year.

McDermott Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend As One Of 24 Delegates from Department Of Texas

McDermott Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are:

J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles.

MARTINS HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pupils who have entered this term of school are Ruth Harber who is a seventh grade student and Junior Foster a third grade student.

We welcome these new pupils and to date have a total of 35 enrolled. The community enjoyed a weiner roast at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the past week are Betty Jo Robinson, Earl Rea Reed and Rueben Whitfill.

Mr. and Mrs. F. A. Graham have adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and children visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee and Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, and Mrs. T. J. Myrick visited relatives in Monday over the week end.

Mr. and Mrs. Weldon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. C. McCormick.

Miss Alma Ruth Plumlee visited Miss Norma Jean McGough over the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

Jack Henry, who spent several weeks in the veterans' hospital at Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who had visited for a short time at Fayetteville, also Mrs. T. M. Bartley and daughter, Erin, of Waco, who visited the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over the week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. H. Newell Monday night and Tuesday.

Flomot Longhorns Ready For Play

The stampede will be on when the Flomot Longhorns and the Swenson Calves clash at Flomot corral Friday afternoon at 3 o'clock in the first game of the season for both elevens.

Coaches Leo Jackson and George Caviness have been drilling their Longhorns on the fundamentals of blocking and passing during the past week.

From 30 candidates, the probable starting lineup has been chosen:

Howard Standefer, le; Ferris Martin, lt; Johnnie Jacobs, lg; Quinn Martin, center; Losey Gilbert, rg; J. C. Martin, rt; G. W. Gilbert, re; Wilmer Marler, lb; Truett Pritchett, rb; Thayne Amonett, fb; Talbert, Brown, pb.

The coaches would like to arrange for a game Sept. 23.

1927 SEASON RECORD

- Floydada 6, Plainview 0.
- Floydada 13, Lubbock 12.
- Floydada 38, Matador 0.
- Floydada 85, Hale Center 0.
- Floydada 18, Spur 0.
- Floydada 27, Ralls 0.
- Floydada 14, Post 0.
- Floydada 28, Lockney 0.
- Floydada 3, Slaton 14*
- * District game.

Mr. and Mrs. A. L. Hollums had as their guests from Monday until Saturday her sister, Mrs. W. H. Payne and Mr. Payne of Peidmont, Alabama, her brother, Dave Ashmore, and a nephew, Ben Payne, of Rome, Georgia. They left Saturday morning for a visit in Oklahoma before returning home.

Mr. and Mrs. C. L. Minor and Mr. and Mrs. Marvin English and son, Bobbie were guests in Matador Sunday of Mr. and Mrs. B. F. Tunnell and family.

Judge and Mrs. A. J. Folley and daughter, Frances Elaine, of Amarillo were here on business Saturday and visited with friends.

Miss Jean Bain, teacher in the Meadow high school, spent the week end with her parents, Judge and Mrs. Kenneth Bain.

J. C. Wester, head coach at Floydada high school from 1919 to 1926, gave Floydada one of the most successful records in football. His final team in fall of 1926 won district and bi-district honors, defeating Clarendon 28 to 0 for the bi-district title that year. When "way-back-yonder" football is talked "J. C." will always be glad to talk about those days.

Petersburg Buffs Elect Pilot
Clarence Sloan, Buffalo lineman for the past two years, was chosen to captain the Petersburg gridiron team in defense of the district championship title. Waymen Harlan, 145-pound quarterback, was selected co-captain.

Ernie Pinckert, Washington Red-skin blocking back, is a sporting goods salesman during the off-season. A California high school principal asked him to test his shoulder pads by bucking a door. The former Southern California All-America tore out the whole side of the office and injured three students in the corridor outside, but he got the contract.

Plainview Bulldogs Drill Hard For Bowie Contest Friday

Following a hard workout Monday night, the Plainview High School Bulldogs got down to business yesterday in preparation for the invasion of the El Paso Bowie high school eleven here Friday night.

Coaches Hilliard and Vannoy were sharpening up the pass defense of the Bulldogs, putting polish on the running attack and trying to find some magic glue which would prevent the frequent fumbling that slowed down the locals in their opening victory over Tivy High of Kerrville last week.

The Plainview lads will have to be better than they were last Friday to take the strong Bowie aggregation into camp. The El Pasos are established as pre-season favorites in their district and glowing tales of their prowess are making the rounds of high school football circles.

Stiff drill is in prospect for the Bulldogs all week in an effort to bring the team along to a point where they may successfully compete with the invading favorites.

Looking back at the Kerrville game, Hilliard has several reasons to be optimistic. His untired line performed comparatively well. He found a neat line cracker in Coker and Ray Schneider did a nice job of blocking and defensive halfback play.

It is almost certain that Crossland, with another week of training will be far better than he was last Friday, particularly in the kicking department which was far below his standard.

Beethoven became deaf at the age of 27.

JUNE WEAST IS EMPLOYED AS TEACHER IN SWISHER

June Weast, daughter of Mr. and Mrs. Geo. F. Weast, of South Plains, is teaching school this year in Swisher county.

She is primary teacher in a 3-teacher school at Union Hill, 12 miles northeast of Tulla. Miss Weast had planned to go to school at West Texas State Teachers college to do her last year's work for a degree there, changing her plans the last week before the school year began.

Kenneth Bain, Jr., who has been a student in Texas Tech at Lubbock for the summer term, came home Saturday to visit for several days with his parents, Judge and Mrs. Kenneth Bain, before he returns to Lubbock to enter school for the fall semester.

About Forty Have Applied For Farm Tenant Purchases

Claude C. Carpenter, FSA Supervisor, Reminds Of Deadline Oct. 1

The Farm Security administration is anxious that all Floyd county farmers interested in making an application for a loan to purchase a farm under the Bankhead-Jones Tenant act call at the local office for application blanks before October 1. It appears those making application after October 1, 1938, cannot be considered for loans this year.

It will be necessary that those making applications last year make new application at this time. It is possible the financial condition of individuals has changed during the last few months. Some individuals that made application last January have bought other land and some have moved out of the county and state.

Applicants that have sufficient livestock and machinery to operate a family-sized farm and cash not to exceed 25% of the value of a farm are eligible for a tenant purchase loan. It appears any one with 25% cash of the purchase price of a home could secure a farm from individuals or other lending agencies.

Homer R. Robbins, regional chief of Tenant purchase division, was in the local office this week and appeared to be favorably impressed with the number and type of applications received today.

Menard Field Sells South Plains Agency Of Phillips Pet. Co.

Menard Field, for years wholesale distributor at South Plains for Phillips Petroleum Company, has sold his agency and equipment to L. B. Mayes, formerly of Amarillo, and G. A. Patterson, of Oklahoma City, it was announced this week.

Yesterday the new representatives were taking charge of the business. Mr. and Mrs. Mayes were in Floydada for a short time.

Mr. Mayes has been with the Phillips company for a number of years, located in Amarillo, while Mr. Patterson has been efficiency adviser of the Biltmore hotel in Oklahoma City.

ELECTRIC IRON, LEFT HEATING, MAKES A JOB FOR FIRE DEPARTMENT

The fire department Tuesday night extinguished an incipient blaze with chemicals at the J. E. Eubank residence on West Tennessee street. When they made the run to the fire and went in to investigate they found the electric iron had burned a hole through the board, then dropped to the floor and burned

The Eubank family were away from home at the time of the fire. Damage was estimated at \$50, or less.

Adjustment Payments To Arrive Oct. 1

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

Floyd county will receive a minimum of approximately \$175,000 sometime near October 1, it is believed. Due to crowded conditions and lack of space, the local office was unable to complete forms for the payments as soon as certain other offices. Shipping clerks at the central office also sent the county agent office here the wrong forms in the first shipment which furthered the delay.

Every effort was made in the Floyd county office to overcome the two handicaps and by working a great deal of overtime the forms were sent in only a few days late and the payment checks are expected to arrive within 10 days or so.

Payments in excess of \$2,500,000 were certified the first week and additional payments are being certified at the rate of around \$600,000 each day. It is estimated that cotton price adjustment will reach 337 million dollars in Texas alone.

During the first week some 15,000 applications for payments were certified. Briscoe, Collingsworth, Hall, Lubbock, and Swisher counties have received some payments as have a number of other counties in the state.

Cotton marketing quotas are being signed at present by farmers at the county agent's office this week in order that they may have their cotton ginned tax free.

Agriculture Conservation compliance is also being signed at this time, which is some 90 days ahead of last year's signing.

It is believed that as soon as signing is completed and the forms sent away, since it is so early, that Floyd county will receive \$400,000 in conservation money sometime in December.

W. E. Neighbors New Manager Of Floydada Poultry And Egg Co.

W. E. Neighbors, of Levelland, is the new manager of Floydada Poultry and Egg Company, east side produce house, formerly managed for 9 years by J. V. Jones, and which has been in charge of Earl Chesshir for a week after Jones checked out on Wednesday of last week.

Neighbors moved here with his family Tuesday night and checked in Wednesday morning. He has been in the produce business the past 21 years, much of this time in southwestern Oklahoma. He had been located at Levelland for a year.

TO DEALERS MEET

Geo. Finkner, owner of Triangle Garage, left Tuesday morning for Oklahoma City where he will attend an Oldsmobile dealers meeting and see the new Oldsmobile models for 1939. It could not be learned whether Finkner would return with one of the new models or not. He is expected home this week end.

Water Trees Now For Best Results County Agt. Says

County Agent D. F. Bredthauer urges the owners of fine trees both shade and fruit trees to do their watering during this month in order to secure the best results next spring.

"Shade and fruit trees will respond readily if given plenty of water during September. The chief essential, however, in applying water is to secure even distribution and deep penetration.

"With shade trees or orchard trees, the next year's fruit buds are being formed and the current season's crop maturing the same time, primarily July to September.

Fall Under Binder Results In Painful Injury For Allmon

W. R. Allmon is resting much better this week and is expected to be out and about in a few weeks after suffering injuries in an unusual accident last Thursday morning at 11 o'clock.

X-ray pictures made the day he was hurt indicates he has 8 ribs broken, 1 of them in 3 places and another in 2 places. In addition he has severe bruises on his back and shoulders.

As Mr. Allmon recalls the accident he reached over to grab a big wheel when his sleeve was caught in the wheel of a row binder and he was jerked from his seat. He called to his team quickly and they stopped.

He was several minutes extracting himself from the lugs of the big wheel as he remembers it. He was cutting and binding feed.

4-H Sponsors Meeting Held Wednesday P. M.

L. L. Johnson, state 4-H club leader, presided at a meeting of 4-H club sponsors held Wednesday afternoon in the county court room.

The purpose of the meeting was training for sponsors and agents, outlining the 4-H program in Floyd and Motley counties for 1939.

R. E. A. CO-OPERATIVE MAY CHOOSE RESIDENT ENGINEER FRIDAY NIGHT

Probability that a resident engineer for the Floyd County Rural Electric Co-Operative will be chosen tomorrow night when the board of directors will hold a meeting postponed from last week.

Clay Target Shooting Seen To Win National Trap Shoot

The most perfect clay target shooting that was ever done was seen by J. O. Dudley and his son, Charles, while they were at Vandalia, Ohio, recently for the national American championship shoot.

Several hundred crack clay pigeon shots of the nation were in the competition which lasted a week. Dudley and his son saw five days of the shooting and participated in one or two events each.

The national championship was won with a perfect 200 targets broken out of 200. Dudley himself broke 197 out of 200 and was far from being toward top money he said.

Charles Dudley competed in the sub-junior clay target championship event. A St. Louis boy won this event with a 98. Charles and an Ohio boy were tied for second place with a 91 each.

Lockney FFA Chapter Meets With Floydada

Sixty-two boys were present Tuesday night for a joint meeting of the Floydada FFA and newly organized Lockney FFA.

For the first time Lockney High School will have an agriculture department, taught by R. K. McCoy.

Since members of FFA must begin as Greenhands the entire Lockney organization must be initiated by Future Farmers into the organization. The Floydada chapter will have the initiation ceremony at a later date.

The meeting was a regularly scheduled one and gave the Lockney boys an insight into the workings of an FFA meeting.

McDermett Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One of 24 Delegates from Department Of Texas

McDermett Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are: J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles. T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles. Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childress at Los Angeles, and will see Irvin Bishop and other friends at Long Beach. Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTINS HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia. Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mr. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pupils who have entered this term of school are Ruth Harber who is a seventh grade student and Junior Foster a third grade student.

We welcome these new pupils and to date have a total of 35 enrolled. The community enjoyed a weiner roast at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the past week are Betty Jo Robinson, Earl Rea Reed and Rueben Whitfill.

Mr. and Mrs. F. A. Graham have adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and children visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee and Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, and Mrs. T. J. Myrick visited relatives in Munday over the week end.

Mr. and Mrs. Weldon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. C. McCormick.

Miss Alma Ruth Plumlee visited Miss Norma Jean McGough over the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

JACK HENRY HOME

Jack Henry, who spent several weeks in the veterans' hospital at Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who had visited for a short time at Fayetteville, also Mrs. T. M. Bartley and daughter, Erin, of Waco, who visited the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over the week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. H. Newell Monday night and Tuesday.

Texas Tech Lay Montana State

LUBBOCK, Sept. 12.—With a whoop and a holler and a roar, football practice at Texas Tech got underway officially Saturday, a squad of more than 50 reporting to Coaches Pete Cawthon, Dutchy Smith, Bert Huffman and Ed McKeever.

Despite the loss of several key men of last year's squad, notably both guards, one end and both quarterbacks, the mentors are in a more or less optimistic frame of mind.

Cowh Cawthon doesn't have much to say after he says "We should be a little stronger than we were last year, but we've got a tougher schedule," but he leaves the impression that he isn't exactly displeased with the turnout of talent and the attitude the boys are displaying.

The Raiders, who will have to hustle without being told to hustle if they want to play regularly, have but little time to get settled and set before the whistle blows for the first game.

The strong Montana State Bobcats from faraway Bozeman will be here in a day or two, and they'll challenge Texas Tech on its own front yard on Saturday night.

Montana State has been working out for several days and is stopping three times en route from Bozeman to Lubbock with him.

Despite the long trip, the Bobcats no doubt will be in better condition to play than the Techs when Saturday night comes.

It is too early for Cawthon and Smith to "rate" their boys, but indications at present point to a veteran lineup consisting of the following as a starting team:

Ends, Thurman Bostick, Brownwood, regular last year with the departed Captain Red Ramsey, and George L. Webb, Itasca, who got in some great ticks as a shock trooper; tackle, who could they be except Line Captain Abe Murphy, Beaumont, and the giant Bill Davis, Grapevine, the 1937 regular?

Captain in Backfield Guards, Dixie White, Lubbock, and Holt Waldrep, Slaton, who played second fiddles to the departed regulars, Pete Owens and Lou Jones; center, Rex Williams, Sherman.

Quarterback, Captain Frank Guisick, Sherman, the transplanted center and linebacker, who'll continue to back up the line; halfbacks, Bobby Holmes, the Indian

Dyche is taking to Lubbock to be one of the team to represent Montana college in more than a has veterans for every of the best bunch of regular Bobcat teams ever have

Only six players from squad are missing. The eney in the entire speed merchant for that Dyche believes he that weakness with Joe tional sophomore ball

**Adjustment
Payments To
Arrive Oct. 1**

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

Floyd county will receive a minimum of approximately \$175,000 sometime near October 1, it is believed. Due to crowded conditions and lack of space, the local office was unable to complete forms for the payments as soon as certain other offices. Shipping clerks at the central office also sent the county agent office here the wrong forms in the first shipment which furthered the delay.

Every effort was made in the Floyd county office to overcome the two handicaps and by working a great deal of overtime the forms were sent in only a few days late and the payment checks are expected to arrive within 10 days or so.

Payments in excess of \$2,500,000 were certified the first week and additional payments are being certified at the rate of around \$600,000 each day. It is estimated that cotton price adjustment will reach 337 million dollars in Texas alone.

During the first week some 15,000 applications for payments were certified. Briscoe, Collingsworth, Hall, Lubbock, and Swisher counties have received some payments as have a number of other counties in the state.

**About Forty Have
Applied For Farm
Tenant Purchases**

Claude C. Carpenter, FSA Supervisor, Reminds Of Deadline Oct. 1

The Farm Security administration is anxious that all Floyd county farmers interested in making an application for a loan to purchase a farm under the Bankhead-Jones Tenant act call at the local office for application blanks before October 1. It appears these making application after October 1, 1938, cannot be considered for loans this year.

It will be necessary that those making applications last year make new application at this time. It is possible the financial condition of individuals have changed during the last few months. Some individuals that made application last January have bought other land and some have moved out of the county and state.

Applicants that have sufficient livestock and machinery to operate a family-sized farm and cash not to exceed 25% of the value of a farm are eligible for a tenant purchase loan. It appears any one with 25% cash of the purchase price of a home could secure a farm from individuals or other lending agencies.

Homer R. Robbins, regional chief of Tenant purchase division, was in the local office this week and appeared to be favorably impressed with the number and type of applications received today.

Dependable, permanent and progressive farm families desirous of a farm home, and located on family-sized farms of Floyd county land, at average land values, will help make the Farm Tenancy program successful. Approximately 40 applications have been received today according to Claude C. Carpenter, local supervisor.

**Menard Field Sells
South Plains Agency
Of Phillips Pet. Co.**

Menard Field, for years wholesale distributor at South Plains for Phillips Petroleum Company, has sold his agency and equipment to L. B. Mayes, formerly of Amarillo, and G. A. Patterson, of Oklahoma City, it was announced this week.

Mr. Mayes has been with the Phillips company for a number of years, located in Amarillo, while Mr. Patterson has been efficiency adviser of the Biltmore hotel in Oklahoma City.

It was not learned what plans Mr. Field, who retires from the agency after several years of successful operation, may have.

**ELECTRIC IRON LEFT
HEATING, MAKES A JOB
FOR FIRE DEPARTMENT**

The fire department Tuesday night extinguished an incipient blaze with chemicals at the J. E. Eubank residence on West Tennessee street. When they made the run to the fire and went in to investigate they found the electric iron had burned a hole through the board, then dropped to the floor and burned a hole in it, too.

The Eubank family were away from home at the time of the fire. Damage was estimated at \$50, or less.

Quotas Signed

Cotton marketing quotas are being signed at present by farmers at the county agent's office this week in order that they may have their cotton ginned tax free.

Agriculture conservation compliance is also being signed at this time, which is some 90 days ahead of last year's signing.

It is believed that as soon as signing is completed and the forms sent away, since it is so early, that Floyd county will receive \$400,000 in conservation money sometime in December.

The compliance this year is the heaviest that has ever been made in Floyd county since the conservation compliance went into action.

**W. E. Neighbors New
Manager Of Floydada
Poultry And Egg Co.**

W. E. Neighbors, of Levelland, is the new manager of Floydada Poultry and Egg Company, east side produce house, formerly managed for 9 years by J. V. Jones, and which has been in charge of Earl Chesshir for a week after Jones checked out on Wednesday of last week.

Neighbors moved here with his family Tuesday night and checked in Wednesday morning. He has been in the produce business the past 21 years, much of this time in southwestern Oklahoma. He had been located at Levelland for a year.

TO DEALERS MEET

Geo. Finkner, owner of Triangle Garage, left Tuesday morning for Oklahoma City where he will attend an Oldsmobile dealers meeting and see the new Oldsmobile models for 1939. It could not be learned whether Finkner would return with one of the new models or not. He is expected home this week end.

**Water Trees Now
For Best Results
County Agt. Says**

County Agent D. F. Bredthauer urges the owners of fine trees both shade and fruit trees to do their watering during this month in order to secure the best results next spring.

"Shade and fruit trees will respond readily if given plenty of water during September. The chief essential, however, in applying water is to secure even distribution and deep penetration.

"With shade trees or orchard trees, the next year's fruit buds are being formed and the current season's crop maturing the same time, primarily July to September.

"The fall period of the year in this section is therefore a critical time for the tree to secure a proper irrigation. For trees on heavier soils common in Floyd county, the water must be allowed to percolate slowly in order to insure thorough uniform penetration and the irrigation should extend well out past the evers of the tree as feeder roots extend four or five times the distance from the trunk to the evers or outer edge of the limbs," Bredthauer said.

**Shooting Seen To Win
National Trap Shoot**

The most perfect clay target shooting that was ever done was seen by J. O. Dudley and his son, Charles, while they were at Vandalia, Ohio, recently for the national American championship shoot.

Several hundred crack clay pigeon shots of the nation were in the competition which lasted a week. Dudley and his son saw five days of the shooting and participated in one or two events each.

The national championship was won with a perfect 200 targets broken out of 200. Dudley himself broke 197 out of 200 and was far from being toward top money he said.

In the great American handicap, Dudley competed and had a 97 out of a possible 100. It was won with a 99. There were 12 or 15 ninety-eights, he said.

Charles Dudley competed in the sub-junior clay target championship event. A St. Louis boy won this event with a 98. Charles and an Ohio boy were tied for second place with a 91 each.

Dudley said the championship winner had a run of more than 900 targets without missing when the shoot closed.

**Lockney FFA Chapter
Meets With Floydada**

Sixty-two boys were present Tuesday night for a joint meeting of the Floydada FFA and newly organized Lockney FFA.

For the first time Lockney High School will have an agriculture department, taught by R. K. McCoy. Since members of FFA must begin as Greenhands the entire Lockney organization must be initiated by Future Farmers into the organization. The Floydada chapter will have the initiation ceremony at a later date.

The meeting was a regularly scheduled one and gave the Lockney boys an insight into the workings of an FFA meeting.

MARRIAGE LICENSE

County Clerk A. B. Clark issued marriage license to J. L. Brewster and Lydia Steen, Sept. 19.

**Water Trees Now
For Best Results
County Agt. Says**

County Agent D. F. Bredthauer urges the owners of fine trees both shade and fruit trees to do their watering during this month in order to secure the best results next spring.

"Shade and fruit trees will respond readily if given plenty of water during September. The chief essential, however, in applying water is to secure even distribution and deep penetration.

"With shade trees or orchard trees, the next year's fruit buds are being formed and the current season's crop maturing the same time, primarily July to September.

"The fall period of the year in this section is therefore a critical time for the tree to secure a proper irrigation. For trees on heavier soils common in Floyd county, the water must be allowed to percolate slowly in order to insure thorough uniform penetration and the irrigation should extend well out past the evers of the tree as feeder roots extend four or five times the distance from the trunk to the evers or outer edge of the limbs," Bredthauer said.

McDermett Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One Of 24 Delegates from Department Of Texas

McDermett Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are:

J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles.

T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles, Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childers at Los Angeles, and will see Irvin Bishop and other friends at Long Beach.

Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTIN'S HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Surginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pup who have entered this term school are Ruth Harber who is seventh grade student and Juni Foster a third grade student.

We welcome these new pupils at to date have a total of 35 enrollees. The community enjoyed a wein roast at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the pe week are Betty Jo Robinson, Et Rea Reed and Rueben Whitfill.

Mr. and Mrs. F. A. Graham has adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and child visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee a Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, a Mrs. T. J. Myrick visited relatives Monday over the week end.

Mr. and Mrs. Weldon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. McCormick.

Miss Alma Ruth Plumlee visit Miss Norma Jean McGough on the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

JACK HENRY HOME

Jack Henry, who spent several weeks in the veterans' hospital Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who visited for a short time at Fayetteville, also Mrs. E. M. Bartley, daughter, Erin, of Waco, who visit the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. Newell Monday night and Tuesday.

West Texas State College Looks Stronger This Year

Three And One-Half Ton Beef On Team

Head Coach Al Baggett is supervising the roundup of the Buffaloes at West Texas State Teachers college this week as the lads gather from states as far away as New Jersey and many counties of the panhandle.

More than 3½ tons of Buffaloes will be shoved along a trail which Baggett and his assistants hope will be a path to gridiron distinction.

Coaches Baggett and Anthony Dougal began rehearsals Monday. Most of the Buffaloes appear fit and eager. They average 180 pounds and 6 feet in height. Baggett could start one of the heaviest teams in Canyon football history, but a better balanced unit would include some of the lighter speedsters. The line will average about 184 pounds, the backfield about 175.

Seventeen lettermen started the heavy training schedule. These include the two co-captains, Henry

It is always Good Form to Have YOUR Fall Cleaning Done Early

When football time comes it is just about time to look to your fall clothes . . .

When you get out your fall clothes . . . and put up your summer togs be sure both are cleaned and pressed.

1928 SEASON RECORD

Whirlwinds 6, 0 Plainview.
Whirlwinds 14, 13 Lubbock.
Whirlwinds 38, 0 Matador.
Whirlwinds 87, 0 Hale Center.
Whirlwinds 18, 0 Spur.
Whirlwinds 27, 0 Ralls.
Whirlwinds 14, 0 Post.
Whirlwinds 23, 0 Lockney.
Whirlwinds 3, 14 Slaton.
All-district selections: quarterback, Steve Marshall; fullback, Dixie White; right end, Truman Webb; center, John Edwards; Edwards and White were All-state selections, also Ike Jay, coach.

Fields of Groom and Blake Lyde of Childress. This pair of 190-pound griders likely will become the most valuable leaders West Texas State had had on the gridiron in many seasons. Lyde, a great blocking back last year, will carry the ball this season. Fields has been moved in to the center of the line to fill a gap left by injuries to pivot men in 1937. Both men are seniors.

Other outstanding seniors include Melvin Cullender of Hartley, another center; Joe Hayes of Allison, halfback; Monroe Horton of Canyon, one of the best right guards in West Texas; Floyd Murry of Floydada, a light but speedy quarterback; P. A. Thomas of Canyon, 180-pound fullback; Foster Watkins of Dumas, one of the finest quarterbacks, passers, and kickers in this section; and Odell Washington of Matador, 175-pound halfback.

Outstanding juniors include Doyle Bunch of Vernon, right tackle; Jack Edmondson, center who became a regular last season; Donald Kendrick, 180-pound right end from Groom; Carl Matney of Vernon, halfback who is the club's staunchest line backer; Lother Stephenson of Anton, giant lineman now shifted to left end; Ed Williams of Greenville, center who was lost last season through injuries; Leon Williams of Shamrock, 195-pound right tackle; and B. V. Wood of Floydada, 195-pound left guard.

The 1938 schedule follows:
*Sept. 23 Daniel Baker at Canyon.
*Sept. 30 East Texas at Commerce
*Oct. 7 Southeastern Okla. at Canyon.

*Oct. 15 Hardin-Simmons U. at Abilene.

*Oct. 21 Oklahoma City U. at Canyon.

*Oct. 29 Kansas State (Proxy day) at Canyon.

Nov. 5 Sul Ross (Homecoming) Canyon.

Nov. 12 New Mex. Mil. Inst. Roswell, N. M.

Nov. 19 Colorado Western State Canyon.

Nov. 24 St. Benedict's at Atchison, Kansas.

*Night games.

Baylor Bears Look Like A Championship Outfit Now

Bears Can Put Vet Team On Field

Malcom Lider Expected To Help Bears In Backfield This Year

Sixty players were on hand Tuesday when the 1938 Baylor football campaign got under way.

Included in the lot were 17 lettermen from last year's team around which Morley Jennings hopes to build the title hopes of the Baptist institution.

Heading the list was Bullet Bill Patterson, voted the most valuable back in the Southwest conference last year, and Sam Boyd, all-conference end from the last campaign, both of whom will be shooting at All America fame.

A triple threat and passer deluxe, Patterson will again guide the destinies of the green and gold eleven and will carry the chief offensive burden of the Baylor squad. Boyd said to be the classiest end Jennings ever coached, played a prominent part in the early season spurt of the Bears last year and is expected to give Baylor the best end play in the circuit.

The forward wall seems set with seasoned veterans at every place. W. J. Wimpee, Sherman Barnes and Boyd will be at the end; Frank Marx, Jack Black, Bennett Edwards and Louis Robinson will be in the tackle posts and Leonard Akin, Bobby Taylor and Billy Foster will hold full sway at the guard holes.

Hoyt Williams will be the only letterman in at center but will get help from Sherill Bailey and Virgil Floyd.

A flock of backfielders will be struggling for the other backfield posts left vacant by the graduation of Carl Brazell and Bubba Garmand. Jennings will have his choice of Milton Merka, Malcom Lider, Eddin Williams, Fred Graham, Ted Lewellen, James Witt, Durham Birns, Milton Evans and Frank Grumbles.

FIRST GAME VICTORY FOR LOCAL HIGH SCHOOL

(Friday, September 26, 1919)
Last Friday on the local gridiron was staged the first football game of the season, in which the local high school team walked on the neck of Lockney High to the tune of 18 to 3.

The game was featured by the fumbles and the knock-outs on both sides. Neither team had a great deal of practice, and team work was lacking on both sides.

The stars for Floydada were Bishop, Colville, Duncan, and Faulkner, and for Lockney Bean and Muncy.

FOOTBALL BOYS OF F. H. S. LOSE GAME AT LUBBOCK FRI

(October 17, 1919)
Floydada High School football team lost another game for this season at Lubbock last Friday afternoon to the Lubbock High school.

Neither side scored during the first quarters but in the last quarter the Lubbock bunch ran rings around the local boys, playing both open and close formations, for gain at will. The score was 18 to 0.

RALLS HIGH SCHOOL TEAM BADLY BEATEN HERE FRIDAY

(October 14, 1920)

Ralls High School football team was badly beaten by Floydada High School last Friday afternoon on the local gridiron when they sent a team with little experience and weight against the F. H. S. boys. The game was played in 15 minute quarters and during the last half the second string played. Score 7 to 0.

MARRIES

(December 4, 1919)

Walter Collins and Miss Lydia Steen were married in Placentia, California on Thanksgiving Day. They returned to Floydada yesterday where friends of the couple gave them a rice shower at the station.

"SURE HE'S TOUGH—"

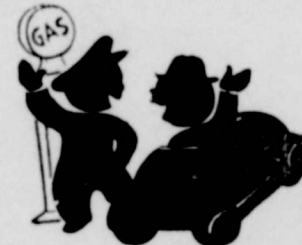

He'll probably be a star in High School and College Some Day.

He has plenty of energy too . . . because he eats lots of good white bread every day . . . Wester's Aunt Betty Bread, too.

House Situation Conference Of Farmers of Section

Adjustment Payments To Arrive Oct. 1

Conservation Compliance Checks To Arrive Sometime In December

Cotton price adjustment payments on the 1937 crop, which are expected to go to some 350,000 Texas farmers, are under way and checks have been going out from the regional disbursing office, the state AAA office at Texas A & M college has announced.

Floyd county will receive a minimum of approximately \$175,000 sometime near October 1, it is believed. Due to crowded conditions and lack of space, the local office was unable to complete forms for the payments as soon as certain other offices. Shipping clerks at the central office also sent the county agent office here the wrong forms in the first shipment which furthered the delay.

Every effort was made in the Floyd county office to overcome the two handicaps and by working a great deal of overtime the forms were sent in only a few days late and the payment checks are expected to arrive within 10 days or so.

Payments in excess of \$2,500,000 were certified the first week and additional payments are being certified at the rate of around \$600,000 each day. It is estimated that cotton price adjustment will reach 337 million dollars in Texas alone.

During the first week some 15,000 applications for payments were certified. Briscoe, Collingsworth, Hall, Lubbock, and Swisher counties have received some payments as have a number of other counties in the state.

Quotas Signed Cotton marketing quotas are being signed at present by farmers at the county agent's office this week in order that they may have their cotton ginned tax free.

Agriculture conservation compliance is also being signed at this time, which is some 90 days ahead of last year's signing. It is believed that as soon as signing is completed and the forms sent away, since it is so early, that Floyd county will receive \$400,000 in conservation money sometime in December.

The compliance this year is the best that has ever been made in Floyd county since the conservation compliance went into action.

W. E. Neighbors New Manager Of Floydada Poultry And Egg Co.

W. E. Neighbors, of Levelland, is the new manager of Floydada Poultry and Egg Company, east side produce house, formerly managed for 9 years by J. V. Jones and which has been in charge of Earl Chesshir for a week after Jones checked out on Wednesday of last week. Neighbors moved here with his family Tuesday night and checked in Wednesday morning. He has been in the produce business the past 21 years, much of this time in southwestern Oklahoma. He had been located at Levelland for a year.

TO DEALERS MEET Geo. Finkner, owner of Triangle Garage, left Tuesday morning for Oklahoma City where he will attend an Oldsmobile dealers meeting and see the new Oldsmobile models for 1939. It could not be learned whether Finkner would return with one of the new models or not. He is expected home this week end.

Water Trees Now For Best Results County Agt. Says

County Agent D. F. Bredthauer urges the owners of fine trees both shade and fruit trees to do their watering during this month in order to secure the best results next spring.

"Shade and fruit trees will respond readily if given plenty of water during September. The chief essential, however, in applying water is to secure even distribution and deep penetration.

ELECTRIC IRON, LEFT HEATING, MAKES A JOB FOR FIRE DEPARTMENT

The fire department Tuesday night extinguished an incipient blaze with chemicals at the J. E. Eubank residence on West Tennessee street. When they made the run to the fire and went in to investigate they found the electric iron had burned a hole through the board, then dropped to the floor and burned a hole in it, too. The Eubank family were away from home at the time of the fire. Damage was estimated at \$50, or less.

30. The season's schedule follows: Sept. 16, Open. Sept. 23, Lakeview (tentative). Sept. 30, Dimmitt at Silverton. Oct. 7, Matador at Silverton. Oct. 14, Lockney at Silverton. Oct. 21, Estelline at Memphis, Nite Oct. 28, Spur at Silverton. Nov. 11, Quitaque at Quitaque. Nov. 18, Paducah at Silverton. Nov. 24, Turkey at Silverton.

Turkey Gridsters To Play 9 Games

TURKEY, Sept. 14 (Special)—The 1938 schedule for the Turkey Turks calls for nine games, four of them to be played in Turkey and five on foreign soil. Seven conference games are scheduled, with the first game to be played here September 16.

Twenty-Nine Men Are Out For Silverton Football

Only Two Lettermen Back From 1937 Squad According to Information

With only two lettermen to build from, Coach Aulton Durham's football boys face the hardest season in years. From last year's strong team, only Hank Brown and A. J. Rowell are left this year. Twenty-nine boys are working out now for the team, and despite inexperience seem to be developing into a nice squad. Durham says that the boys are all willing and are hard workers. In fact he says that the boys on first game will be played September 16.

Odus Crowell To Coach At Roby

Odus Crowell, Matador high school graduate, and former star tackle at Hardin-Simmons, returned from Chicago last week where he had gone as a recruit to the Chicago Cardinals. Odus who weighs 215, was too light for the professional football team. Instead, he started Monday as high school athletic coach for the Roby high school, Roby, Texas. Friends of the outstanding football player are glad to have him back in Texas and predict that he will be highly successful in his new work. He is the son of Mr. and Mrs. Leonard Crowell of Plomot.

Probability that a resident engineer for the Floyd County Rural Electric Co-Operative will be chosen tomorrow night when the board of directors will hold a meeting postponed from last week.

Perfect Clay Pigeon Shooting Seen To Win National Trap Shoot

The most perfect clay target shooting that was ever done was shown by J. O. Dudley and his son, Charles, while they were at Vandalia, Ohio, recently for the national American championship shoot. Several hundred crack clay pigeon shots of the nation were in the competition which lasted a week. Dudley and his son saw five days of the shooting and participated in one or two events each.

The national championship was won with a perfect 200 targets broken out of 200. Dudley himself broke 197 out of 200 and was far from being toward top money he said. In the great American handicap, Dudley competed and had a 97 out of a possible 100. It was won with a 99. There were 12 or 15 ninety-eights, he said.

Charles Dudley competed in the sub-junior clay target championship event. A St. Louis boy won this event with a 98. Charles and an Ohio boy were tied for second place with a 91 each.

Dudley said the championship winner had a run of more than 900 targets without missing when the shoot closed. They were two and a half days going and two and a half returning to Floydada, taking some ten days off to attend and participate in the national event.

Lockney FFA Chapter Meets With Floydada

Sixty-two boys were present Tuesday night for a joint meeting of the Floydada FFA and newly organized Lockney FFA. For the first time Lockney High School will have an agriculture department, taught by R. K. McCoy. Since members of FFA must be in Greenhands the entire Lockney organization must be initiated by Future Farmers into the organization. The Floydada chapter will have the initiation ceremony at a later date.

The meeting was a regularly scheduled one and gave the Lockney boys an insight into the workings of an FFA meeting.

Other survivors include six brothers and a sister.

Market

Table with market prices for Poultry, Cream, Eggs, Hides, Grain, and Hogs.

The Deadline

(By Bill Hams)

These pages of football news, local and foreign, The Hesperian has endeavored to give the readers of Floyd county and the adjoining counties something new and different. The news is not new, neither is the football, but a semi-historical football edition plus spot news on college and high school teams is new and different.

Considerable time and energy was spent in making this edition what it is and the staff must offer it to the advertisers for their response that made the edition possible. We feel that their money was spent for genuine advertising that will bring returns.

Certainly in the Panhandle and South Plains football is the subject of most interest among the boys and girls in the pep squad. Their best friend has. Every football fan in Floydada is a dyed in the wool fan... and the major reason for their football... at least the extent of being able to disagree between a blocked punt and a yard pass.

Undoubtedly if the fans on the South Plains had their way, no matter from which college they may come, Texas Tech would be a member of the Southwest conference to which such a membership is the reasonable thing the Southwest Conference can grant Tech and the fans of the plains area. Not only do they have the money or the time to spend a week end in Fort Worth to see a conference game, almost any of them could drive Lubbock to watch their favorite team.

Perhaps these fans would not be entering for Tech, but for a Southwestern conference rival... what matter for whom they cheer? It would be enough that TCU, SMU, M. Texas U., graduates could see their Alma Mater play without spending 400 miles and spending two days time.

Such membership would bring the same type of football for which they hunger. Hard driving, hitting, keen football that has made the southwest famous over the nation would belong to the south plains and panhandle, a privilege which they so richly deserve.

Since this edition is dedicated to Whirlwinds, past and present, to let us say—Yea-a-a Whirlwinds fight.

EX-LETTERMEN ORGANIZE PLAINVIEW, Sept. 7.—Thirty-one Plainview High School ex-lettermen met in an association here recently for "promotion of better Plainview athletics and renewal of school-day associations."

J. A. Nelson, of Fort Worth. They were in the vicinity of Rockford, a manufacturing and farming center west of Chicago.

Fall Under Binder Results In Painful Injury For Allmon

W. R. Allmon is resting much better this week and is expected to be out and about in a few weeks after suffering injuries in an unusual accident last Thursday morning at 11 o'clock.

X-ray pictures made the day he was hurt indicates he has 8 ribs broken, 1 of them in 3 places and another in 2 places. In addition he has severe bruises on his back and shoulders.

As Mr. Allmon recalls the accident he reached over to grab a big weed when his sleeve was caught in the wheel of a row binder and he was jerked from his seat. He called to his team quickly and they stopped. He was several minutes extracting himself from the lugs of the big wheel as he remembers it. He was cutting and binding feed. He has been confined to his bed, very sore, stiff and taped up, but believed to be definitely recovering after a very narrow escape with his life.

McDermett Post Will Have Representatives At Natl Legion Meet

J. M. Willson Will Attend as One Of 24 Delegates from Department Of Texas

McDermett Post, American Legion, will have three members at the national convention of the American Legion in Los Angeles from Monday through Friday of next week. They are:

J. M. Willson, R. A. Garrett, and T. P. Collins. Of these Willson will attend the convention as one of 24 delegates from the Department of Texas, chosen at the state convention. Willson is head of the Legion in the Nineteenth district. Many important matters of policy will be voted upon and determined at the meeting next week in Los Angeles.

T. P. Collins, in company with his wife and son, Pat, left for California the first of this week, planning to be absent from home two weeks. During their stay in that state they will be guests of friends formerly resident here. They will visit briefly with Mr. and Mrs. Fred Mudd at Los Angeles. Mrs. Mudd being a sister of Mrs. Collins. They will also spend some time with Mr. and Mrs. Jack Childress at Los Angeles, and will see Irvin Bishop and other friends at Long Beach.

Mr. and Mrs. Willson and Mr. and Mrs. Garrett will leave here tomorrow for the convention, expecting to arrive there Saturday night.

MARTIN'S HOME FROM SAN ANTONIO; MRS. MARTIN CONTINUES TO IMPROVE

What Mr. and Mrs. C. M. Martin expected to be a two weeks vacation jaunt at points on the gulf coast turned out to be a four weeks absence spent at San Antonio while Mrs. Martin battled pneumonia.

Mrs. Martin has been regaining strength rapidly the past ten days and was able to be brought home Saturday. She is expected to be fully recovered within another two weeks.

Mrs. C. Sarginer and Mrs. W. R. Ivey left the first of the week for Glenrose, Texas, where they plan to spend several days taking the baths and resting.

Liberty Breezers

LIBERTY, Sept. 13.—New pup who have entered this term school are Ruth Harber who is seventh grade student and Juni Foster a third grade student.

We welcome these new pupils at to date have a total of 35 enrolled at the school house Friday night. Other diversion was roasting marshmallows and a watermelon feast.

Those who have been ill the past week are Betty Jo Robinson, Ed Ren Reed and Rueben Whitfill.

Mr. and Mrs. P. A. Graham has adopted a baby boy whose name is Jerrie Lee.

Mrs. Henry Brewer and child visited Mrs. J. R. Langley and family Sunday.

Mr. and Mrs. Earl Huckabee and Mrs. W. A. Huckabee and daughter Ola Warren and son Thomas, a Mrs. T. J. Myrick visited relatives Monday over the week end.

Mr. and Mrs. Weidon McCormick and Mr. and Mrs. Ray McCormick spent Sunday in the home of H. McCormick.

Miss Alma Ruth Plumlee visit Miss Norma Jean McGough of the week end.

Mr. and Mrs. Otis Huckabee visited Mr. and Mrs. Jessie Huckabee of South Plains Sunday.

Mr. and Mrs. J. W. Reed and daughter visited in Lubbock Sunday.

Miss Doris Brock spent Sunday in the home of Mr. and Mrs. Grady Biggs of the Cedar community.

Mr. and Mrs. Paul Box and family were guests of Mrs. Florene Box Sunday.

JACK HENRY HOME

Jack Henry, who spent seven weeks in the veterans' hospital Fayetteville, Arkansas, for medical and surgical treatment returned home Sunday.

Accompanying him were his wife and son, Jack Hopkins, who visited for a short time at Fayetteville, also Mrs. T. M. Bartley a daughter, Erin, of Waco, who visited the Henrys until Wednesday.

Howard Bartley, of Post, also visited in the Henry home over the week-end.

Earl Newell, of Long Beach, California visited his mother Mrs. L. Newell Monday night and Tuesday.

Interscholastic Ruling Helps Small Team

The Interscholastic League of the University of Texas will announce in the 1938-39 constitution and rules several changes in eligibility rules. It was stated by R. J. Kidd, director of athletics of the league.

"Beginning with the 1940 season, the league will abolish the eight-semester rule and the four-year participation rule and substitution an 18-year age rule," Kidd said.

"In announcing this change, the league has in mind two purposes. First, to permit the participation period to correspond with the age provision of the State Department of Education, and, second, to equalize competition between the 11 and 12-year high schools," he continued.

"In 1932, when the Texas high schools adopted the eight-semester rule, practically all the high schools were 11-year systems. Prior to the adoption of the eight-semester rule a contestant was allowed 10 semesters in high school before he became ineligible.

"Soon after the adoption of the eight-semester rule a 12-year high school in the state called upon the state office for an interpretation of the rule. The league officials ruled that in 11-year schools a school shall start counting semesters in the eighth grade and in 12-year systems shall start counting semesters in the ninth grade. The 11-grade systems quite generally were of the opinion that the interpretation favored the 12-year systems, and since the 12-year systems were on the increase in Texas the issue had to be definitely settled.

"Most of the coaches are of the opinion that their teams will be stronger by holding more 16 and 17-year-old boys in school than by retaining a few 19-year-old boys under the old rules. To date there has been no expressed opposition to the proposed change."

England at one time paid tribute to the Danes to prevent the latter from racing its shores.

Tigers

(Continued from page 1.)
150 pounds, two years; Brown, Scott tackle, 180 pounds, two years; Left, left end, 185 pounds, two years.

Lamb, fullback, 185 pounds, two years; Ward, quarter, 150 pounds, two years; Tucker, right half, 145 pounds, two years, and Dickson, left half, 155 pounds, three years.

Nov. 18, Tech vs. New Mexico U. at Albuquerque.
Nov. 24, Tech vs. Marquette at Lubbock.

GLIMPSES ALONG THE NATION'S FOOTBALL FRONT

Frank Kocis, University of Florida football guard and co-captain, is considered quite a herpetologist. He spent much of the last summer catching snakes in the Everglades. Michigan football followers are expected to blink their eyes in amazement this fall when the Wolverines take the field. Instead of the customary dark blue jerseys and drab moleskins of the past, the 1938 edition will be the most radically dressed club in Michigan history....

The Wolves will wear enameled yellow and blue helmets, dazzling royal blue silk jerseys and stockings and knitted pants of a champagne hue. And speaking of color, the National Pro Football League will permit players to wear white helmets whenever a white ball is at a night game.... The reason, of course, shouldn't be hard to find.

You Can Be On The SIDELINES With An R. C. A. VICTOR

The hardest fought football games in the nation, described by the best announcers down by down... you can be there right on the sidelines with a new—
