CHALK UP ANOTHER achievement for Yankee ingenuity. The nation's space program scored another victory this week with the Saturn fly-by, featuring Voyager II.

Space nuts, science fiction buffs, and even the general public were treated to some rare treats in the way of pictures of the ringed planet, beamed back to earth over almost a billion miles.

It is mind-boggling to imagine that a space ship can even make it as far as Saturn, let alone send back the type of pictures that the craft and its equipment did this week.

Scientists will learn more about this neighbor planet after studying the photos and data which has been sent back by the space probe. And ultimately, we'll all benefit by the technology which goes into a program of this type.

The Voyager ship is programmed to continue its journey through space, toward the planets Uranus and Jupiter, reaching these far-away sister planets in 1986 and 1989, if all goes well. (You can see why these are unmanned flights—a human pilot would have had to miss too much football, and hence no volunteer).

If memory serves us correctly, the year 1986 is also the year that the most famous comet, Halley's Comet, is due to return to the earth's vicinity, after an absence of 75 years. Perhaps your parents or grandparents told you about seeing the comet during its last visit, in 1910-11.

A lot of superstition surrounds the great Halley's Comet. One expert has theorized that it may have been the Star of Bethlehem, which led the Wise Men to the Christ child.

It bids to be quite a sight to behold, and we have been anxious to be a witness to this space visitor, ever since first learning about the comet as a junior high school student. Be sure and mark your calendars, and don't get too far away from mother earth in 1986. You don't want to miss this one.

Enrollment Is Given

Enrollment on the first day of school on Thursday, August 27 totaled 1276, according to Superintendent Tom Jarboe.

This total was down by 22 students, or 1.69 per cent, from the comparable date of August 28, 1980, when the total enrollment was 1298. It was, however, ahead of the 1979 figure.

"We expect the total to continue to climb. The enrollment always continues to grow until after Labor Day," Jarboe said.

The enrollment totals include 538 students in grades kindergarten through fourth grade; 413 in fifth through eighth, and 325 in high school.

The totals for each grade were as follows, with the totals for 1980 in parenthesis: early childhood special education 4 (5); kindergarten 93 (96); first grade 112 (119); second grade 111 (115); third grade 106 (102); fourth grade 102 (104); special education, combination unit 10 (9). Elementary totals: 538 (550).

Fifth grade 99 (107); sixth grade 100 (108); seventh grade 107 (103); eighth grade 107 (101). Junior high totals: 413 (419).

Ninth grade 93 (94); tenth grade 83 (83); eleventh grade 75 (79); twelfth grade 75 (73). High school totals: 325 (329). Grand totals: 1276 (1298).

Star's 1981 Football Contest Set To Debut

The ever-popular football contest, sponsored by the Friona Star for over 20 years, is being announced in this week's issue of the Star, which will once again sponsor the 13-week series, along with 22 sports-minded area businesses.

Continuing the format of recent years, weekly prizes totalling \$20.00 will be offered, with \$10.00 awarded to the first place winner each week, \$6.00 given to the second place contestant, and \$4.00 awarded to third place.

In addition to the \$20.00 in weekly prizes, contestants will be shooting for the grand prize of \$100.00 cash to be awarded to the leading contestant at the conclusion of the contest.

Contestants will once again be asked to pick a total of 22 games per week in the contest, which will include the top high school games from this area, as well as the top college games and professional games each week.

The contest follows the same format that it has throughout its history. The games to be picked by contestants are listed in the advertisements of the contest sponsors. Each sponsor's ad contains a game to be considered in that week's contest.

First place winner at the close of the 13-week contest will receive \$100.00 in cash. Second grand prize will receive \$25.00 and third prize \$15.00.

Entries may be brought or mailed to the Friona Star, Box 789, by 6 p.m.

each Friday. They also may be left at Bi-Wize Drug. If mailed, the entry must bear a postmark by Friday "P.M." and should be marked "Football Contest."

Over 400 fans enter the contest each year, as individual rivalries usually develop among contestants.

Contestants must be 12 years of age or older to be eligible to enter the contest. In order that scores count for grand prizes, entries must be on an official entry blank, printed in the Star each week.

A tie-breaker game, usually the Friona Chieftain game, will be used to break weekly ties as well as those that might develop in the race for grand prizes.

With the exception of the Friona Star employees and their families, everyone is eligible to enter the weekly contest.

Sponsoring the event with the Friona Star are the Tasty Cream Drive-In, Production Credit Assn., Parmer House Restaurant-Dairy Queen, Mike Chaney Fertilizer and Bovina Feeders.

Also, Big T Pump Co., Elgin, Inc., Friona Ford Sales, Reeve Chevrolet-Olds, MBPXL Corporation, Bi-Wize Drug and Brockman Sales.

Also, Bengel Aero Spraying, Bruegel Bros. Gin & Elevator, Parmer County Pump Co., Hub Grain Co. and Friona Wheat Growers.

Also, Friona Consumers, Bruegel & White, Inc., City Body Shop, Parmer County Implement Company and Parsons-Ellis Funeral Home.

"SALUTE TO SONHEIM"....Last Saturday night, August 22, the high school division of the Friona Fine Arts' Summer Drama Workshop presented a musical review of some of Stephen Sonheim's greatest Broadway numbers. In the picture above, left to right, Christy Bengel, Kim Barnett, Diane Johnston and Jessica Maurer are seen doing a number called "Let Me Entertain You." Del Lewis once again directed the company of high school youth.

Sack Lunch Program Extended

Friona Schools will continue its sack lunch program for students in elementary and junior high school for one more week, it was announced this week.

"The kitchen at the new cafeteria is nearing completion, but a few delays have been encountered, which make an added week of the sack lunch program necessary," stated Superintendent Tom Jarboe on Thursday of this week.

The program utilized during the first week of school, with the students either bringing their lunches or eating a sack lunch prepared at the high school cafeteria and delivered to the other buildings will continue through next week.

Jarboe said that the students and parents had been extremely cooperative, and things have gone quite well. The school officials expressed their appreciation for this cooperation and understanding.

Cemetery Assn. Sets Cleanup

The stockholders of the Parmer County Memorial Park Association held a meeting recently with representatives of the Banking Department of Texas attending.

The question facing the stockholders was--what to do regarding the condition of the perpetual care cemetery west of Friona on Highway 60.

At the meeting, the stockholders agreed to clean up the cemetery at the present time.

It was suggested that the stockholders turn their stock in to the association, in return for lots. The association would then form a board of directors to hire someone to take care of the cemetery.

Richard Collard served as moderator for the meeting. Approximately 150 people attended the meeting. Among those attending were James I. Masterton and David Broussard of the banking commission.

There are approximately 30 stockholders in the cemetery association. Most of the stockholders were in attendance. There are 24 graves at the perpetual care cemetery, and 44 lot owners.

A followup meeting has been scheduled for September 10, so that stockholders can decide on a course of action.

CROWDED AISLE....Friona librarians Darla Bracken and Billie Fairchild wonder what to do with their armload of books, in one of the crowded aisles at the Friona Public Library, which has run out of space for books and activities. The fund drive for a new library facility is continuing.

Waymon's Wins Second Place In Tournament

Waymon's softball team placed second last weekend in the Bovina Bull Town Days slowpitch tournament. Fourteen teams from Texas and New Mexico participated in the double elimination tournament.

The Waymon's team drew a bye for Friday night. On Saturday they defeated Leal's from Muleshoe 7-4 and Clovis Softball 8-7.

On Sunday afternoon, the team met Mariah from Clovis, the only other undefeated team in the winner's bracket. Mariah won the game 7-5 and moved into the finals.

Waymon's loss put them in the loser's bracket and matched them up with Softball Clovis once again. Waymon's played a good offensive and defensive game and came up on top 11-2. Softball Clovis then took third place honors.

Waymon's then had to face Mariah

again, but this time they were able to outscore the opposition 17-6, therefore tying Mariah with one loss for each team. The tie forced the two teams to play yet another game and this time Mariah took the win and the first place trophy and Waymon's settled for second.

Henry Clark hit three home runs for the team and Robin Mahaney, S.D. Baize and Ricky White each hit one.

Other team members include Steve Hodges, Duane Reed, Robin Baize, Edward Castillo, Dee King, C.B. Looper and David Torres.

Waymon's will be in Abilene this weekend for the Class D State Tournament.

On Labor Day weekend the team will travel to Vail, Colorado for an invitational tournament consisting of twenty-four teams from several states.

Team sponsors are Waymon Wilkins and S.D. Baize.

Registration Begins For Cattle Brands

On August 30, 1971 a law was passed by the Texas legislature stating that all marks and brands registered after that date must be re-registered at subsequent ten-year intervals by the brand owner with the county clerk's office.

All markers and brands are to be recorded with the county clerk, the law states, regardless of when they were originally recorded, within six months of August 30, 1981, August 30, 1991, and August 30, 2001, etc.

Parmer County Clerk Bonnie Warren states that her office will begin the registration and re-registration of brands and marks on September 1, and she stresses the fact that brand owners may retain their brand and mark for six months before it expires. "We cannot register it to anyone else during that six month period," she said.

Mrs. Warren said there is a \$5 fee for registering or re-registering and to do so, the brand owner must come into her office located in the Parmer County Courthouse in Farwell. She said they will accept brand registering by mail, and those registering in this manner should enclose the \$5 fee.

According to Texas Attorney General Mark White, if everyone follows the registration schedule set out by the law, county clerks will have a correct, revised set of records every ten years, and there should be no dispute about the correct ownership of livestock.

For further information, phone Mrs. Warren at the county clerk's office at 481-3691.

Dear Mr. Ellis:

Renewing the annual subscription to *The Star* is always a pleasure. Thank you for the good job you and all your staff do.

For our friends in Friona, I must report that my parents, Harvey and Viva Matthews, celebrated their sixty-fifth wedding anniversary on August 14. My brother and sister-in-law, Ray and Sarah Matthews, were hosts last Sunday at a brunch in their honor, and the large group of relatives attending included our uncle and aunt, Levi and Mary Ritter, and their daughter, Kay Schnoor. Following the brunch, we all returned to my home for conversation and dessert.

We appreciate the news *The Star* provides of our good friends in Friona and feel we are getting to know others there whom we have only met through your pages. In particular, we all wish your daughter Laura success as she pursues a career in the performing arts.

Very best regards,
Connie Matthews Baurac

John Renner Wins Friona Club Championship Title

It took him 20 years to win the Friona Club Championship, and when he finally got around to winning this title, John Renner was pressed to the limits by a 15-year-old golfing whiz.

Renner, who has been involved in the Friona Country Club since its inception, had to play three extra holes with Jeff Fontanilla, the son of new FCC pro Chris Fontanilla, before edging the youngster, one-up.

The two golfers found themselves tied after 36 holes, with identical scores of 143. Renner shot rounds of 74-69, while young Fontanilla had a steady 71-72.

In the sudden death playoff, both golfers scored birdies on the first extra hole, then both parred number two, before Renner added a par on number three and Fontanilla three-putted for a double-bogey.

"This kid is going to be a great golfer. I didn't really beat him, he

just finally beat himself. I had about decided I was never going to win the club title," Renner said.

Finishing third in the championship flight was Gene Weatherly with a 73-71-144. Jay Beene Insurance sponsored the championship flight.

Rickey Roden won the first flight with a 73-78-151 showing and Abe Lane won the second flight with a 78-82-160.

David George was runnerup in the first flight with an 81-75-156 and Billy Wayne Sisson was runnerup in the second flight at 84-81-165.

Sponsor of the First Flight was Chris' Golf Shop, and Friona Fertilizer sponsored the second flight.

Winning the Ladies club championship was Jan Fontanilla, the pro's wife, with a blazing score of 77-78-155. Missy Barker was second with a score of 94-95-189. Friona Industries sponsored the trophy.

Winner of the ladies' first flight was Jackie Wells, with a score of 105-108-213. Nancy Knight was runnerup at 106-109-215.

"It was a great tourney. We appreciate everyone who participated," said Fontanilla.

Trophies were awarded to the champion and runnerup in each flight, as well as the low net and low net runnerup in each flight.

Scrimmage Termed Success

The Friona Chieftains were playing their second scrimmage game Friday evening, against Wellington, and Coach Tommy Moss said he was well pleased with the team's performance in their Bovina scrimmage.

"We accomplished what we wanted to accomplish. We ran 45 plays and gained 247 yards. That is 5.7 yards per play, and that wouldn't be bad in an actual game," Moss said.

In the scoring department, Bovina scored twice and held the Chieftains scoreless, although Friona had the ball on the Mustang seven yard line on their second series with a good chance to score. However, a fumble occurred at this point.

"We had called a sweep, and our blockers had driven Bovina 'way off the line, so we felt we would've scored otherwise," Moss commented.

The new Friona coach pointed out that runningback Nelson Jackson carried the ball 12 times for 96 yards in the scrimmage (eight yards per carry).

"Each of our three quarterback candidates (Mike Neill, Bruce Patterson and Mark Tucker) got to run the team for 15 plays each, and we got a good look at them," Moss said.

The Chieftain coach indicated that the team had only one injury, and this didn't come in the scrimmage. Joe Kyle Reeve bruised his tailbone in practice this week, and will miss the Wellington scrimmage. "We hope to have him back in time for our season

opener," Moss said. Moss said he was especially pleased with the play of those players who had re-joined the team after missing last year. "Really, all 28 players did

well. We were pleased with everyone's play," he concluded.

Friona opens its season against Tulia on the Hornets' home field September 4 at 8 p.m.

RAMBLIN' RITCHIE....A nice run was turned in by Ritchie Malouf (45) after a pass interception against Bovina here last Friday. A good wave of blockers is shown forming for Malouf, who returned the ball about 40 yards. Coach Tommy Moss said he was well pleased with the team's performance in the scrimmage.

Worried About How You'll Look With A Hearing Aid?

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of one of the smallest Beltone aids of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike... and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a fourth of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 00026, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 69646.

SWCD Sets Field Day

The Parmer County Soil and Water Conservation District will host an Irrigation Energy Field Day on September 3 from 10 a.m. to 12 noon. Activities will be held 1/4 mile west of Hub on Highway 86 on the Phil Johnson farm.

The Parmer County S.W.C.D. and the Soil Conservation Service will demonstrate how to test efficiency of an electric irrigation pumping plant. The procedure for testing a natural

gas well will also be explained. The purpose of the meeting is to familiarize local farmers of the procedures involved in testing wells and the benefits to be gained. By making a modest investment in equipment, farmers can run efficiency tests on their own wells.

In addition to figuring efficiency, the cost per hour and cost per acre inch of water, the potential annual electric cost reduction from repairs will be figured.

Invitation Day To Be Held For Girl Scouts

Girls from all school-age levels will have an opportunity to become Girl Scouts Thursday, September 3. That day has been designated as "Invitation Day" at schools in the 18 county area of the Caprock Girl Scout Council of Lubbock.

There will be a meeting for second grade mothers and girls who want to become Brownie Girl Scouts at the Girl Scout House, 704 Ashland at 3 p.m.

The Girl Scouts program welcomes girls regardless of race, creed or national origin. A \$3 registration fee provides for accident insurance for both girl and adult members.

The Brownie Girl Scouts are for six to eight year old girls in grades one through three. They do not work on badges individually as the older girls do but take part as a troop in activities based on the three Brownie

B's: Be Discoverers, Be Ready Helpers, Be Friend Makers.

Career-exploration apprenticeship and service is the focus for the Junior and Senior high program. A kaleidoscope of program interests scheduled this fall for Cadette and Senior Girl Scouts include workshops in engineering, photography, modeling, child-care, sports, and out-of-doors survival camping.

The Caprock Council will be offering instruction this fall in Basic Leader Training, Troop Camp Training and Multi-Media First Aid, and Art, Song and Game Workshops for volunteers who would like to work with Girl Scout groups.

Anyone wishing additional information on the Girl Scouts may contact Marca Lynn Herring, 247-3848 or Carolyn Carson, 247-3222.

Mrs. Tisha Harris, Mr. and Mrs. Max Self, Mr. and Mrs. David Brown and children, Mr. and Mrs. Gary Self and son and Mr. and Mrs. Harold Taylor, all of Friona, attended a family reunion in Seymour, Texas, recently.

Mrs. Emma Raper and son, Danny, of Konawa, Oklahoma, recently visited in the home of Mr. and Mrs. Douglas Frye. Mrs. Raper and Mrs. Frye are sisters.

The Oklahomans also visited in the home of Mrs. Della Daniel, who lives in the Lazbuddie Community.

Mrs. Daniel, a former Friona resident, has been dismissed from a Lubbock hospital, where she had hip surgery, and is recuperating at home.

Steve Moss and Hal Blackburn, both of Long Beach, California, flew to Lubbock Thursday of last week for the wedding of friends. Then came on to Friona to visit Hal's parents, Dean and Anna Jo Blackburn.

Saturday evening the Californians were honored with a cookout in the back yard of the home of Mr. and Mrs. Frankie Allen and sons, Eddie and Rodney.

Others present were Dean and Anna Jo Blackburn and Jan Mason of Friona; Larry and Julie Broyles of Muleshoe and Kay Amonette of Denver City, Texas.

On Sunday Hal's mother honored his dad with a birthday dinner in the family home. Guests, besides Hal and Steve, were Mr. and Mrs. Frankie Allen, Eddie and Rodney.

The young men flew from Lubbock to the West Coast on Tuesday.

Mr. and Mrs. Keith Phillips of Erick, Oklahoma, spent several days last week visiting in the home of Mr. and Mrs. Harold Taylor. Mrs. Phillips, the former Debra Dorrell, is Mrs. Taylor's daughter.

Mrs. Velma Lovett accompanied her brother-in-law and sister, Mr. and Mrs. Wayne Morey of Artesia, New Mexico, to Arkansas for a visit recently. The trio visited relatives and friends in Rogers, Eureka Springs

and Springdale before returning home Wednesday afternoon.

Saturday was a very special day for Mrs. Arma Coffman. Before noon she received a telephone call from her son, Cliff, who lives in Fort Worth, from Shallowater.

He informed that he and his wife and daughter, Lisa, were enroute to Friona. When they arrived at the Coffman home a couple of hours later, she learned that he hadn't told her the whole story.

The Coffmans were accompanied by their son, Jeff and his wife, Shelia, and their young son, Jeffery, who live in Dardanelle, Arkansas. The group spent the weekend visiting Mrs. Coffman and other relatives and friends.

Mrs. Coffman had not seen little Jeffery before, so his visit was an extra special treat.

Recent guests in the home of Mr. and Mrs. Glenn E. Reeve Sr. have been Allen and Beverly Reeve and children, Joselyn, Megean and Erin, of Richardson, Texas.

A family lunch at noon on Sunday in the Community Room of Friona State Bank was a courtesy for the visitors.

Others attending were Mr. and Mrs. Glenn E. Reeve Sr., Mr. and Mrs. Glenn E. Reeve Jr. and Jason Vaughn, Mr. and Mrs. Joe Reeve, Joe Kyle and Mitchell, Fay Reeve, Mr. and Mrs. Floyd Reeve and daughters and Mr. and Mrs. Ted White and children, all of Friona.

Also Mr. and Mrs. Don Reeve and children, Dimmitt, Texas; Mary Reeve of Pampa; and Carol Reeve, Lubbock.

Miss Reeve took the visitors to see "Texas" one night while they were here.

Allen Reeve is the son of Mr. and Mrs. Charles Reeve, Naugatuck, Connecticut, and a nephew of Mary and Glenn Sr. and the late Hadley Reeve.

A note from Romalee Rector Barbaree, whose husband is in the United States Navy and currently stationed at Groton, Connecticut,

reads as follows:

"Hello to Friona from Groton, Connecticut. Just a note to let you know what a small world we live in--even this far from home. Recently I was in the convenience store of the Navy Exchange when the cashier noticed my Friona State Bank key chain.

She asked if I was from Friona. After I answered with a very positive 'yes,' she went on to say she was from Roswell, New Mexico, had lived in Amarillo and knew where Friona was.

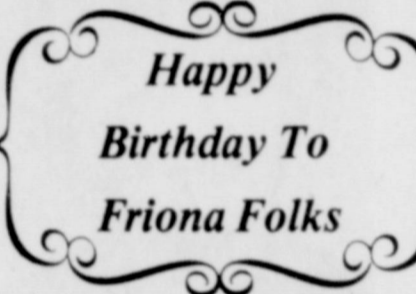

Then, she told me she and Frieda Floyd were classmates at Lubbock Christian College.

I enjoy my copy of the Star and look forward to receiving it each week. It keeps me in touch with people I have always known.

Thanks to Bill and the staff for the nice story concerning Daddy's accident and death in June. The story had a personal touch that you don't find in larger papers and I appreciate it so very much."

Maybe we have to be far away from home among lots of strangers before we can really learn to appreciate the attitude Romalee expresses.

Scott and Judy Houston and son, David, have moved to Lubbock, where Scott is employed. Friona is going to miss the Houstons and many

of our residents are deeply grateful that they have had the privilege of having the Houstons for a few years.

Recent visitors in the home of Billie Fairchild have been Mr. and Mrs. Johnnie Parker of Worland, Wyoming; Mr. and Mrs. Dan Parker, Phoenix, Arizona; and Mr. and Mrs. Weldon Fairchild and sons of San Angelo.

Little Wade Loafman of Plainview, Texas, has been visiting in the home of his maternal grandmother, Mrs. C.W. Wright. Wade is beginning kindergarten this fall, so thought he needed a pre-enrollment vacation.

Kirk Cummings and Karen Ferguson have been visiting in the home of Mr. and Mrs. Doyle Cummings. Kirk and Karen make up a musical-singing duo called "Jubal II."

They've been on tour in the New Orleans area several weeks. Jubal II entertained in Dallas, Corpus and other South Texas cities, too.

From here they're going to Alaska, where they're scheduled for engagements for the next five months. They play traditional, rock and country music and both of them sing.

They perform with taped background music with Kirk playing the bass guitar, lead guitar, rhythm guitar, trombone, violin and harmonica. Karen plays drums.

Amy Claborn of Amarillo and Jackie Claborn of Glendale, Arizona, have been visiting their paternal grandmother, Odie Claborn.

Mrs. Oran England of Garland, Texas, has returned to her home following a visit in the home of Mr. and Mrs. Loy W. Loafman.

Mrs. Loafman and Mrs. England are sisters.

A group of Friona residents went to Red River, New Mexico, recently for a four day vacation. They spent a long weekend sightseeing in the area.

They were Mrs. Mildred May, Mrs. Sloan H. Osborn, Mrs. Ross Miller and Curt, Mr. and Mrs. Arlen May and children, Keith and April, and Mark Edelman, all of Friona.

Also Mr. and Mrs. Kent Miller and

children, Linette, Emile and Ross.

Rhonda Parsons, James Murphree Wed In Double Ring Ceremony

Rhonda Lynn Parsons of Dimmitt and James Ross Murphree of Friona exchanged double ring wedding vows August 22 at 7 p.m.

The ceremony was performed in Friona United Methodist Church by Rev. Archie Echols, pastor, and Rev. Carrol Green of Friona First Baptist Church.

The bride is the daughter of Mr. and Mrs. Percy Parsons of Dimmitt, former Friona residents. The bridegroom is the son of Mr. and Mrs. Curtis Murphree of Friona.

The altar was centered with the kneeling bench, a brass candelabra with the memory candle and burgundy satin bow backed with a palm and brass candelabra. The

arrangement was flanked on each side with spiral and seven branched candelabras with white French tapers and decorated with Florida fern. The church bouquets were white gladiolas, agapanthus with Florida fern and camador. The mother's pews were reserved with a single candelabra, Florida fern and burgundy ribbons. The grandmother's pews were marked with burgundy number five satin.

Eva Miller of Friona, pianist, and Mary Cary of Olton, organist, accompanied soloists, Danny and Linda Murphree of Friona, brother and sister-in-law of the groom, Kevin and Carolyn Wiseman of Muleshoe, sister and brother-in-law of the

groom, and Geary Brogden of Friona as they presented musical selections. Selections presented were "One Hand, One Heart," "Whither Thou Goest," "Walk Hand In Hand," "Til There Was You," "Song For A Christian Wedding," "Alleluia" and "Christian Edelweiss."

Renaë Monroe of Friona was the maid of honor. Linda Welch of Friona served as matron of honor and Sylvia Ingram of Friona was the bridesmaid.

The feminine attendants wore formal length burgundy gowns with empire waistlines and slit capelet sleeves trimmed with alencon lace. The bodices were cut full to drape in the front and back. They carried single white silk roses.

David Barnett of Friona was best man. Groomsmen were Kevin Welch of Friona and George Razor of Dimmitt.

Serving as ushers were Mike and Dale Parsons, brothers of the bride from Dallas, and Joe Murphree of Friona, brother of the groom.

Jill Roberts of Levelland and Sherice Price of Turkey lit the

candles. They wore gray street length dresses with delicate burgundy flowers and handkerchief hemlines.

Ring bearers were David and Trent Murphree of Friona, nephews of the groom.

Sheila Wiseman of Muleshoe, niece of the groom, was the flower girl. She wore a dress of the same print as the ones worn by the candlelighters. Her dress featured a full skirt with nine burgundy ribbon bows. She carried a basket that her mother, Carolyn Wiseman, carried in a wedding when she was two years old.

The parents of the couple lit a taper to represent each family.

Presented in marriage by her father, the bride wore a formal length gown of white organza over taffeta, featuring an empire waistline with high neckline and sheer illusion detailed in re-embroidered lace. An English lace flounce formed a cape effect over the sleeveless bodice. The English lace flounce was repeated around the hemline, trailing to a chapel length train detailed in re-embroidered lace.

Her headpiece was an English cap covered in re-embroidered lace and seed pearls with French illusion fingertip length veil accented in re-embroidered lace.

She carried a cascading bouquet of white silk roses with a lift-out corsage of burgundy roses. The bouquet was carried atop a white Bible, given to the bride's mother as a wedding gift.

Carrying out bridal tradition, the bride wore a pin given to her by her paternal great-grandmother by her husband on their wedding day in 1874 for something old. Her wedding attire and a diamond necklace, a gift from the groom, were new. She borrowed diamond earrings from Sherice Price and wore the traditional blue garter.

The groom wore a white tuxedo. The male attendants wore charcoal tuxedos.

The bride's mother wore a pink street length dress. The bridegroom's mother wore a light blue street length dress. They wore red rose corsages. The fathers wore black tuxedos.

Mrs. Jimmy Murphree

Presiding at the guest registry were J Carol Parsons and Amal Parsons of Dallas, sisters-in-law of the bride.

The reception was held in the Fellowship Hall of the church.

The bride's table was covered with a white cloth with lace trim. Punch was served from a crystal punch bowl. The four-tiered wedding cake was decorated with burgundy and white flowers and was topped with two angels given to the bride's parents by her. The table setting was completed with a centerpiece of burgundy flowers, baby's breath and a silver four-branched candelabra. Serving from the bride's table were Kathy Carthel of Friona, Kathy Davis of Hale Center and Judy Parsons of Lubbock, cousin of the bride.

The groom's table was covered with a floor length burgundy cloth

with ecru lace overlay. Copper and brass appointments were used with burgundy rosebuds. Iced tea was served from the groom's table by Cindy Cleveland of Friona.

For a wedding trip to Pecos, New Mexico, the bride chose a jacketed sundress of gray with pink trim. She wore a corsage of burgundy roses.

The couple will make their home on Route 2, Friona.

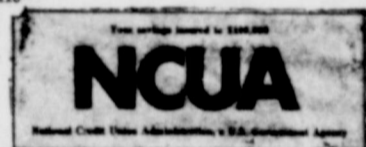

The bride is a 1978 graduate of Friona High School. She attended Texas Tech University three years and is currently enrolled at West Texas State University as a senior business education major.

The bridegroom is a 1976 graduate of Friona High School and a 1980 graduate of Wayland Baptist College, Plainview. He is currently engaged in farming west of Friona.
