Selective Service Draft Registration Wednesday

Draft Board For County Is Named

J. M. Willson, T. P. Collins, W. H. Counts on Governor's List

Floyd county men between the ages of 21 and 35 inclusive, who register for America's first peace-time draft in history next Wednesday, will have for a draft board three men who have been through the mill. They are:

J. M. Willson, who was inducted into service from Floyd county, served with the 90th Division, was wounded in the St. Mihiel combat and when the war closed was regimental observer in the intelligence department;

T. P. Collins, who joined up with Battery A of the 71st Field Artillery a Boston organization, and was in France when the war ended. He was waiting for the draft when his buddies were inducted and decided to go along with them before his number was called;

W. H. Counts was stationed for 23 months at Camp Travis. He was a member of the 16th Battalion of the 155th Depot brigade when the war closed.

All three went into the service as privates and none of the three came out with rank higher than that of sergeant. Counts was a mess sergeant in his company.

Governor W. Lee O'Daniel named them last week and coincidental with his recommendation to the president their names were made public Tuesday. They are expected to be named formally by the chief executive shortly along with a list of 241 other boards in Texas.

In Neighboring Counties

Boards named in immediately neighboring counties to Floyd include P. B. Ralls, L. A. Wicks, E. L. Haney, all of Ralls, in Crosby county;

Meade F. Griffin, J. C. Lockhart, Elmer F. Sansom, all of Plainview, in Hale county;

R. E. Wooten, McAdoo, O. L. Kelley, Dickens, R. C. Brown, Spur, in Dickens county;

H. L. Smith, Roaring Springs, B. F. Simpson, Northfield, Ralph Stapleton, Flomot, in Motley county.

Miller Brothers Win Several Places In Fair Hog Show

The Miller brothers of Sand Hill, Lynn, Orba, and Arlon, had especially good luck in their showing of swine at the Panhandle-South Plains fair at Lubbock.

The judging of swine was completed Tuesday of last week and the winners announced. According to a statement from fair officials the Miller brothers placed first in aged boar division, first in senior yearling boar, first in junior yearling boar, first in senior boar pig, first in junior boar pig.

Second in aged sow division, third in senior yearling sow, third in junior sow pig, first in grand senior champion boar, first in reserve and junior champion boar, first in grand and senior sow, first in breeders young herd, and third in get of sire.

TAX PAYMENTS

The first nine days of tax payments show a record in the tax assessor-collector's office of \$4262.05, delinquents \$406.38, polls \$17.50 and costs \$12.00.

Total on October 9 was \$4697.83 collected.

Laura Hard Taking Place of Allie M. Tipps For FSA

Miss Laura Hard, whose home address is Shallowater, is taking the place of Miss Allie M. Tipps as Home Management supervisor for the Farm Security administration. She will assume the responsibilities of the place Monday morning.

Since the first of October she has been working with the local office familiarizing herself with the routine. She is a graduate of Texas Technological college with the class of 1940.

Miss Tipps, whom she succeeds, has been named home management supervisor for Motley county and will work out of the Matador office. Heretofore she has had double duties, handling the work in both Floyd and Motley out of the Floydada office.

Legion Plans Armistice - Thanksgiving Celebration

J. M. Willson will act as chairman of the Floyd county draft board, members of which were announced yesterday by Governor W. Lee O'Daniel. Other members are T. P. Collins, and W. H. Counts of Lockney.

Ranch Woman Succumbs to Injuries

Head Fracture From Falling Weight Fatal To Mrs. John Lewis

Victim of an unusual accident Mrs. John P. Lewis succumbed at Floydada Hospital and Clinic at 4 o'clock Monday afternoon and the remains were interred in Floydada cemetery Tuesday at noon following funeral rites at St. Alice Catholic church in Plainview Tuesday morning at 10 o'clock. Father P. E. Hoey, of Lubbock, officiated at the funeral and burial rites.

Mrs. Lewis sustained fatal injuries early Friday afternoon of last week when she was struck on the head by the cut-off fan weight of the windmill at the Lewis ranch 21 miles northeast of Floydada. Mute evidence of the accident was found possible within an hour of its occurrence by W. E. Schott, Silvertown, and two other men of a crew which had been on contract work at Echols ranch in Motley county. Enroute to Floydada they decided to make a brief call on the Lewis, whose ranch home is a mile from the Whiteflat-Floydada road.

When they reached the house the party found no one in the living quarters but found Mrs. Lewis' unconscious body in the yard. The heavy iron weight was by her side. It had fallen some 30 feet through the working scaffold manhole. The blow struck in the back of the head slightly to the right and below the center. She never regained consciousness.

The Schott and Lewis families are friends of long standing. W. E. Schott, Jr., and his party picked up the inert body and with it started toward Floydada and medical aid. On the plains they found Mr. Lewis, husband of the injured woman, working with his cattle. When x-ray of the injury was made it was found the blow of the heavy weight had made a severe fracture of the skull.

With little apparent change in her condition until Sunday, the patient at that time began to sink and died Monday afternoon at 4 o'clock.

Marvin Thull, Warner Reed, W. E. Schott, Jr., of Silvertown, Calvin Stoen, Jr., of Floydada, W. E. Burselson of Quitaque and Bob Echols of Matador served as pallbearers.

NEGLECTED BOYS PRESENT PROBLEM; HAMILTON SAYS GIVE THEM ATTENTION

Lions of Floydada club and their visiting friends from neighboring communities in the county Tuesday heard District Attorney John Hamilton of Matador in a plea for the neglected boy. In his experience, he declared, neglected boys making more business for the criminal courts and for the penal institutions than any other class of people at this time.

"Any boy is liable to err in his conduct, through bravado or thoughtlessness," said Mr. Hamilton, "and most any grown man can recall in his own life times when the right combination of circumstances might have branded him as a criminal." He pled for more work with boys before they fall into trouble and less afterwards.

Members of the club and some eighteen visitors were present.

SOUTH SIDE SINGERS WILL MEET AT CEDAR HILL

Announcement has been made that the South Side Singing convention will meet Sunday morning at Cedar Hill. It will be an all day affair with the noon day dinner being served old time style.

Regular second Sunday singing at the South Side Baptist church will not be held but all interested are invited to attend the singing at Cedar Hill.

RAIN FALLING 9 A. M.

At 9 a. m. this morning a steady downfall of rain was being watched by merchants and farmers alike. How general the shower might be had not been determined but indications are that most of the county was getting some moisture.

Temperatures for the week: Thursday 85 to 61, Friday 65 to 90, Saturday 83 to 54, Sunday 72 to 40, Monday 76 to 45, Tuesday 82 to 55, Wednesday 87 to 58. Rain up to 9 a. m. measured .45. Rain to the amount of 2 was measured Friday morning.

Floydada And Spur Legions Would Co-Operate

Whirlwind-Bulldog Game Would Climax Day Of Thanksgiving

Plans were laid Monday night by the McDermott Post Floydada American Legion to make November 21 the outstanding day of the fall season. The day will be a combination Armistice-Thanksgiving day.

Since Thanksgiving has been moved up a week from an "old date the legionnaires decided to move back Armistice a week and make one big celebration do for both times. Too, Floydada will play Spur on Western Field on November 21 and it gives both towns a chance to co-operate and make a big affair of the whole thing.

Tentative plans call for a prominent speaker on that date, probably Gerald Mann, present attorney general of Texas, Parades by Spur and Floydada bands, Legionnaires, draftees, Red Cross units and the military band and equipment out of Lubbock.

The event will be semi-military in character and will be coupled with a spirit of Thanksgiving that America is still free. First draftees will probably be on their way on or near that date and will receive due recognition from the town and surrounding county.

Richard Stovall was named chairman of the Chamber of Commerce committee which will aid with the plans. L. T. Bishop was named as chairman of a Legion committee to complete present plans and formulate any additional ones that seem necessary. He will be aided by T. P. Collins and J. C. Wester.

Other members of the Chamber of Commerce include Roy L. Snodgrass, Fred Nabors, J. A. Arwine, R. F. Stovall, Chas. Bedford, Walter (See LEGION, back page)

Tuco Injunction Is Continued Until Next Tuesday

Petition for injunction filed last week by the Texas-New Mexico Utilities company against the City of Floydada in which dangerous contact or near-contact by city lines with utility lines was alleged and set for hearing last Monday morning has been continued until Tuesday next week by agreement.

The pleadings will be heard by Judge Alton B. Chapman of the District Court for Floyd county here. Belief that the matters at interest would be settled amicably and that possibly no hearing will be heard was expressed here this week. However, no official statement in connection with the matter was made either by plaintiffs or defendants or by officials.

WILSON KIMBLE ROTARY SPEAKER WEDNESDAY

Wilson Kimble spoke to his fellow Rotarians at Wednesday's luncheon on "Rotary—A True Cross Section of the Community." Ed Brown was in charge of the program.

Visitors were Ed McLaughlin and Lloyd Wicks of Ralls and Judge Jack Farley of Amarillo.

Floydada Meets Ralls in Game That Counts; Conference Race Look Rough Now

Ralls Is Dark Horse In District 4-A That May Throw F. H. S.

Pur will fly Friday night when Ralls Jackrabbits lope onto Western Field to average a 26 to 0 defeat of 1939 slappers on them by the South Plains twisters of Floydada.

Ralls has a lot of opportunity to do in District 4-A this year as they failed to win a conference game last year, but there is no reason they shouldn't begin with Floydada, at least that is their opinion. The Rabbits are expected to be a better balanced ball club than faced the Green and White last year.

Gene Smith is still the firebrand for the Cottonlands and he is a ball player from Who-laid-a-chunk. Last year when he took the ball and headed for the enemy goal, it was a case of "bar the door Katie," and generally he managed to score one touchdown with little interference and nothing but drive. The fans say he is better than ever this year and has help.

Floydada is smarting and somewhat blistering under the Crowell defeat. It was a rough affair with Floydada boys exhibiting twisted noses, skinned heads, and minor cuts and bruises, however several skinned knuckles and hands indicates that Crowell failed to escape unscathed.

Every member of the team feels that they should have licked Crowell and it may be that Ralls will absorb some of that "unfinished business" the Whirlwinds have to dish out. No doubt Ralls' scouts noticed Floydada's weak right wing, everyone else did, and will head plenty of stuff that way.

If Ralls has a kicker of note there is no question they will kick Floydada right up against their own goal. That is, if the safety work doesn't improve about 99 per cent. Goughly and Rushing kick far enough but the opposition generally plays the punts right and brings them back. Floydada seems to ignore punts until they are grounded.

Line work was fairly satisfactory except at right end Friday night. Crowell had a bad habit of breaking through and smothering plays behind the line of scrimmage but Floydada had the same habit and Crowell lost slightly more yardage (See RALLS, back page)

T. B. Dimson, Motley County Cripple Died In Flames

T. B. Dimson, 76 of Roaring Springs died Monday in the flames of a fire that demolished his home. His wife, 75, tried in vain to rescue her crippled companion and is in a critical condition from burns suffered in the tragedy that occurred one mile west of Roaring Springs.

Flames from an oil stove was determined as the origin of the fire. A child of Mrs. E. Chandler who resides in another part of the house was believed to have been heating water on the stove when fire spread to the walls.

The couple had no children and nearest immediate relatives reside in Saint Louis, Missouri. They had been residents of Motley county for the past thirty years. Funeral service was conducted at 11 o'clock Tuesday morning at Roaring Springs.

FOUR FROM FLOYDADA TAKE FAST GRAND DEGREES IN ODD FELLOW CONVOCATION

Four past noble grands of Floydada Lodge I. O. O. F., Tuesday night had conferred upon them past grand degrees of that lodge in a convocation of 14 lodges of the south plains area held in Lubbock. They are George Woolsey, Pierce King, Paul Looney and Herschel Green.

J. M. Daniel and W. M. Spears were given their third degrees during the session at Lubbock also. Finishing work began here some weeks ago. J. N. Gullion and G. N. Shirey were among other Floyd county Odd Fellows who attended the Tuesday night meeting.

ENLISTS IN ARMY

Edmond Breebland, son of Mrs. L. F. Tannery of Floydada, is among the recent recruits from Floyd county to the army. He enlisted last week and went to the infantry at Fort Sam Houston.

A. B. Clark, Floyd county clerk, will be responsible for the efficiency in carrying out the selective service registration in this county. It is up to him to secure flags, volunteers, and equipment to handle the registration.

Seven Indictments Made By Grand Jury Here

Civil Cases To Come Before The Court This Next Week

Fall session of district court got under way here Monday morning when the grand jury met to study evidence upon various things. When they adjourned Tuesday afternoon there were seven indictments handed to the court.

The indictments are murder, incest, passing a forged instrument, theft of over \$50 and two of drunk-driving.

Criminal court week has not been set to date but will probably come the fourth week of the session. However it may be set earlier or later as the court feels necessary.

Two criminal cases have come before the attention of the court. One charge of drunken driving netted the defendant a two year suspended sentence and the other, charged with burglary, received a 4 year suspended sentence.

Four civil cases have been tried, three of which were divorce suits. These were all settled in a minimum of time.

Delinquent tax suits will probably begin next week although the definite date has not yet been set by the court. Judge Alton B. Chapman will probably complete the docket this week.

Grand jurors for this term of court were Lee Rushing, J. G. Martin, S. F. Barber, A. S. Green, C. L. Minor, W. E. Edwards, Gilbert Bean, R. B. Gary, J. G. Wood, R. I. Bennett, J. N. Dunn and C. L. Krierim. Gary acted as foreman of the jury.

No jury list for next week was announced by the court.

COMMITTEES REPORT AT EGG MARKETING ASS'N MEETING SATURDAY

The Floydada Egg Marketing association met Saturday afternoon in the county court room with ten members present. Reports of interest were made by F. P. Fuqua and Mrs. Chas. B. Smith in regards to feeding poultry, costs of baby chicks, feed rations and egg preservation.

Buying commercial feeds was discussed by the association and prices in large quantities were discussed. One local firm reported they had handled 1360 dozens eggs since the organization.

The next meeting of the association will be November 2.

Registration From 7 A. M. To 9 P. M.

County Clerk Clark Calls Meeting For Friday Morning

Zero hour for the first peace time selective service draft registration is near. It will begin at 7 a. m. Wednesday, October 16, and end the same day at 9 p. m. Registration headquarters, County Clerk A. B. Clark's office, is buzzing with activity this week as final arrangements are made to take care of the registration.

A serious shortage of American flags faces Clark, and he has repeated a call for the "loan" of flags. Almost any size flag will do but the draft law requires that a flag be displayed at each registration box. Late today the county clerk said that he needed at least 15 more flags. Every effort will be made to return the borrowed flags to their rightful owners and in the best of condition.

Quite a list of volunteer workers has been compiled at the office, but Clark said that he would like to add more names so that he could be sure of securing the services of competent registrars at every box. It is possible that more volunteers will be listed than it is possible to use. A shortage of registrars would seriously hamper the registration machinery.

Schools Will Close Floydada public schools will be closed Wednesday, Superintendent Walter Travis announced this morning in order to cooperate with the registration. It is likely that a number of school teachers and officials will offer their services and help man the points of registration.

County Superintendent Clarence Guffee said that Cedar Hill, Fairview, Edgin, South Plains, Lone Star, Providence, Aiken, McCoy, Sand Hill, Starkey, Harmony, Allmon, Dougherty, Baker, Lakeview and Sterley would be closed on October 16. In many cases it will be necessary to use school buildings and equipment to hold the registration.

H. P. Clemons, superintendent of Lockney schools, said Wednesday that no definite decision had been reached to close Lockney schools but that if the services of school officials or teachers of his faculty were needed that his schools would close and cooperate with the others. (See REGISTRATION, back page)

Silvertown Rodeo Ends Season For South Plains Cowboys

Silvertown closed the season with one of the best rodeos seen in this section of the country. The season closer was a genuine rodeo, featuring all of the stunts and events of the "Madison Square garden" show.

It was an "all-amateur" affair and was the more thrilling and amusing because of that. District Attorney John Hamilton placed fourth in the calf roping with a time of 18.2 seconds. Time for first place was 13 seconds and went to Lester Durham of Lockney.

Mrs. John Burson of Silvertown was awarded first prize in the float contest. Al Hickman, an old JA ranch hand, was adjudged the oldest settler in the county. He came to the Panhandle in 1882.

Jim Taylor Suffers Paralytic Stroke Sunday Morning

Jim Taylor, prominent ranchman who lives near Edgin in northeast Floyd county, is ill this week at his home there following a paralytic stroke Sunday morning.

Mr. Taylor has been prominent as a leader in affairs of the county for years, serving his local community in various civic and official capacities.

His right side was paralyzed by the stroke, friends reported and he was unconscious the first of the week. However, as late as Tuesday afternoon relatives felt that his condition gave more hope for recovery.

Mr. Taylor has been prominent as a leader in affairs of the county for years, serving his local community in various civic and official capacities.

He is the grandson of W. B. Jones and Mr. and Mrs. C. A. Cumble. Mrs. Jones and little son are in the Floydada hospital and reported to be doing nicely.

Alien Mexicans who have been working in Texas every fall are not showing up so briskly this season and labor authorities indicate the forthcoming draft has to do with it. Alien or citizen you have to register on October 16 if you come within the prescribed ages, 21 to 35 inclusive. Cotton fields of West Texas likely are to show the lack of migratory labor. Many Floyd county cotton fields could use a family or two of pickers where there are none. The shortage of labor, serious right now, is expected to remedy itself shortly.

One thing about the transient pickers coming fewer numbers and later than usual is that it will have less of a "hangover" for later on. Usually a few transients get stranded for the public to feed, clothe and often to furnish medical attention.

Taxpaying time has arrived, that is in the good old days it was called taxpaying time. Better present-day description would be direct taxpaying time. Every day is tax paying day nowtimes, much of it taxes you pay which was intended to punish some malefactor of wealth. Much of the remainder of the everyday taxes you are paying goes to pay for those good things your county and state have been receiving that "didn't cost anything."

The gasoline tax continues to be the lightning rod at which all the wanters are aiming. Intended for the purpose of building roads and, incidentally supporting schools, the tax has been so easy to collect and has represented such a huge pile of money every bureau in the land has tried to get to the gravy trough. Gradually they succeed and the road building funds succumb to the pressure groups. Possibly the explanation of which the highway department builds a few miles here and a few miles there all over the state. Not enough money left to really build roads. Building roads that way represents a big waste. On the average plains contract for five miles our guess is that it costs from a fifth to a fourth of the total bill just for the contractor to move in get set and move out. Down-state they do not have so much complaint against the department on small contracts, but considerable at that. Last year while the department was telling Floyd county officials it had little money with which to build roads they were constructing roads on a 200-mile program down in one Central Texas area.

America's Future, Incorporated, tells us that every dictatorship that has been established in modern times maintains the appearance of legality in the country in which it exists. In these countries—France, Germany, Italy and Mexico,—the steps were almost identical as follows: First, extravagant public works, followed by concentrated power in the executive, undermined independent judiciary, excessive subsidies, government by decree, encouraged subversive forces, imposed confiscatory taxes, restrict private investment, unbalanced budget, imposed planned economy, foster class conflict, control of banks, destroy morale of industry, excessive borrowing, huge national debt, enlarge bureaucracy, hopeless deficits, conscript army, nationalize industry, regiment farms, regiment labor—and then dictatorship. America's Future claims the United States has taken all but the last four steps. What do you think?

Registration for selective service for all men in the United States between the ages of 21 and 35 inclusive will be held on October 16—that is Wednesday of next week. County Clerk A. B. Clark this week is setting the stage for the big event. At every voting place in the county will be a corps of volunteer workers with the respective presiding judges as chief registrars. The likelihood is the day is going to be declared in holiday in Floyd county by rural school authorities. Where there are sick who cannot go to the registering places volunteers to go to the homes or hospitals and register them will be used.

The first of this week it appears there are going to be an ample number of volunteers to register the probable 1,500 registrants, but the clerk is going to have trouble finding enough flags to go around to the various voting places! Flag waving looks the least bit like "put on" to the average Floyd county citizen and it is doubtful if there are two dozen people in the county who know the amenities or etiquette of flag—how and when to salute it, how to carry it in a parade, how to handle it, how to display it. We except most of the ex-service men and numerous Boy Scouts, who do know these things. Maybe it is all wrong for us not to know these things, but it is a remarkable statement of fact that where they know the most about flag-waving is where the subversive element is found and the saboteurs and Fifth Columnists are thickest.

The Selective Service plan worked out by experts of the army is undoubtedly the fairest thing of its kind ever worked out by man. It may work out unfairly in some instances but very, very few, we verily believe. The army men are among the strongest believers in having the act administered by civilians. The army wants nothing to do with the selective service. They plan to take the men after they are inducted into service and use them to preserve a constitutional government. Their homes, their free land, their government of, for and by the people is what army men tell us the army is set up to protect. The army man is more jealous of the free and untrammelled rights of the people than is the civilian himself, we are told.

There is need for legislative attention to the problem of drunken driving in Texas. It is stated as a fact by the Good Roads association that 20 per cent of the traffic fatalities in 1939 in this state were due to drunken driving. However, because it has been difficult to tag drunkenness in the driver's seat arresting officers have resorted to charging reckless driving. Concrete proof of drunkenness has been hard to prove to the average juror. In some states intoxication tests are now permitted. These tests, claimed to be highly scientific, have developed that 15-hundredths of one per cent alcohol in the blood brands a motorist as too drunk to drive. Body fluid and breath tests have been established widely accepted in the courts of some states.

Democrats of Floyd county take it for granted the president is to be re-elected in November and are contributing little to the pot to carry on the party expense. Several hundred dollars would be a reasonable amount to ask of the Democrats in this thirty-mile square area to carry on the campaign for the party.

As A Farm Woman Thinks

Nellie Witt Spikes

The cool breath of fall is felt this morning. Fires and coats feel good. Many signs are in evidence that winter is not far away. Kill-deers call a plaintive note as if sad to leave the prairie. Well dressed trees in Floydada are wearing dresses of flaming gold. The sky is not so deep a blue, the clouds no longer soft and white. The wind begins a dismal whistle around the house. Merchants are selling stoves, blankets and heavy woollens. On the farm the coats on the backs of the cows and horses begin to look long tough and wooly. The turkeys gather round and fight and quarrel, feathers from moulting fowl cover the ground.

Last night when I waked, the old courthouse at Emma came to my mind as plain as day. Dignified, square and white it stood in the midst of green locust trees with here and there one of china. It boasted its own windmill and elevated tank, supplying water to many residents. It was enclosed with a plank fence and steps were on the four sides.

It was a fine playhouse for the sheriff's daughter, Rena, and I. We laughed and ran up the steps, were thrilled with the big courtroom, with the Judge's large chair and the long green-cloth covered tables that held the books of the lawyers. Sometime when my father worked on the sheriff's books, mother would take her fleecy wool crochets and sit while we played.

We knew the county Judge's office, only peeked as we hurried past the office of the county clerk. Outside the dirt-dauber birds had built thousands of mud nests round the eaves. There were fragrant waxy white flowers of the locusts to gather in the summer, a spray of heavenly starry-blue china blossoms to go with them. In this courthouse was held the big revival meetings, brides wore their orange blossoms and white satin as they stood by their black clad to be husbands. Santa Claus handed our gifts from a beautiful cedar tree, fresh from the brakes, fragrant and glowing with its own red berries.

Fiddles played merry airs as young women and men do, do-d around on the floor, slick from cut up candies. Oh, it was a part of the country, this courthouse at Emma, built at Estacado, torn down and moved put up again plank for plank as it had stood in the Quaker town.

Sweet as the roses that lay on her breast, Aunt Phelie Littlefield looked to her friends. A peace surpassing the peace of the world was on her good face. Her hands, idle for the first time since we knew her, told of many kind deeds done to the world which she knew. It seemed that she brought the glory of Heaven to the room where she lay amidst flowers brought by many loving friends. Patience and love, she taught by her example. The fruits of the spirit Paul named were hers. Now she has gone to be with her good husband, Casper, her daughter Ellen, her son Frank and little Freddy that her loving arms had to give up in infancy.

My brother, Joe Witt of Amarillo, says that it is so dry up there sometimes he thinks he will dry up on the vine.

Rocks for my fence. Two brought from the granite mountains by my daughter, Wilda and husband. A piece of quartz from my cousin at Lubbock. It has three colors, white, purple and green. Robert Day gave me some ore rocks. It looks like copper.

Just now I appreciate the country newspaper more than ever, altho I have always liked them. The big dailies scare with black high headlines. They are crammed full with war news. Of course we want to read them and like to know the news they bring, but our own local paper helps us keep a steady nerve. Comings and goings, births, marriages, deaths, who goes and comes, the farms the stores, the schools and churches all have a place. Neighborhood happenings cheer us as things go on as usual. The county newspaper followed the first nesters, helped build the counties and towns. Now they fill the same mission of building and being a neighborly sheet of home news.

PRAY AMERICA
Pray America!
War rages overseas— Mothers of America,
Go down upon your knees, Bow down your heads in pleading For the land wherein you dwell, And beg that God shall keep it That you can say, "All's well!"

PRAY, AMERICA!
Your children are so dear, Rocked in Freedom's cradle and Sheltered from fear of hate and war and bloodshed, and death and dark despair Oh, hasten, as a nation, To lift your hearts in prayer. Pray America!
For you have gone astray As Israel did of old, in deep contrition, pray; when we leaned on Him alone God has ever spared us Go—turn aside from worldly things And fall before His throne.

FLOYD COUNTY 14 YEARS AGO
News-items taken from files of the Floyd County Hesperian published in Floydada fourteen years ago.
(October 7, 1926)
Friday night, Saturday and Sunday night of last week no less than 4.85 inches of rain fell in Floydada, climaxing a storm period of ten days duration that spoiled the county fair, kept all the farmers out of their fields and carried with it considerable damage to crops in the field.
The special booth for old relics shown during the fair, September 24 and 25, was the center of much interest. The booth was under the direction of Mrs. A. P. McKinnon, who contributed many articles to the collection.
Geo. L. Pawver caught the most rain of anybody. He had a quart bottle setting in the corner of the yard that was empty when the rain started and full when it quit. Mr. Pawver recalls positively that the bottle was empty at the beginning of the rain.
Col. W. H. Seale, who has been in a hospital at Kansas City for treatment the past several weeks, returned home this week feeling fit. He anticipates a good farm sale business over the territory shortly after the rush of the early harvest work is completed.
John Reagan returned Monday from Amarillo where he spent last week-end on business.
Mrs. J. B. Bishop, of Amarillo, was given a miscellaneous shower for her new daughter, Peggy Jo Thursday afternoon at 5:30 at the home of her mother-in-law, Mrs. Jennie Bishop. Mrs. Bishop was quite surprised when she was presented with a basket of lovely gifts for Peggy Jo.
N. A. Armstrong and J. B. Jenkins have been in Clovis, New Mexico several days buying cattle.
J. G. Martin and P. M. Felton are our worst unsatisfied customers this week. Neither the Hesperian's rain gauge caught over half the rain.
Born to Mr. and Mrs. Glenn Flynn, Colorado Springs, Colorado, October 1, a son. Mrs. Flynn is a daughter of Mr. and Mrs. T. A. Caudle, city.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Homer Steen, who having been duly sworn according to law, deposes and says that he is the Editor of the Floyd County Hesperian and that the following is, in fact, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Hesperian Publishing Co., Inc., Floydada, Texas; Editor, managing editor and business manager, Homer Steen, Floydada, Texas.
2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.)
Hesperian Publishing Co., Inc., Floydada, Texas; H. E. Cannaday, J. V. Daniel, Glad Snodgrass, Mrs. Poy Stewart, Mrs. Belle Wellborn, Mrs. W. I. Cannaday, Thos. Montgomery, W. U. White, Mrs. V. A. Leonard, Troy Leonard, T. P. Collins, R. Fred Brown, Estate of A. D. White, N. A. Armstrong, Mrs. C. Snodgrass, Estate of Mrs. W. L. Boerner, B. F. McIntosh, Homer Steen, and W. M. Windsor, all of Floydada, Texas; Claude V. Hall, Commerce, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: American Type Founders Sales Corporation, Elizabeth, New Jersey.
4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees,

hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

How One Woman Lost 20 Pounds of Fat
Lost Her Double Chin
Lost Her Prominent Hips
Lost Her Sluggishness
Gained in Attractiveness
Gained a Shapely Figure
When your bowels and kidneys fail to perform their work correctly your system cannot throw off the waste materials and digestion becomes deranged—you lose energy and activity. Perhaps before you realize it you're losing your appeal and getting objectionably fat.
Take one-half teaspoonful of Kruschen Salts in a glass of hot water every morning; cut out pastry, fatty meats—and go light on potatoes, butter, cream and sugar. In three weeks get on the scales and see how many pounds of fat have vanished; notice also that you have gained in energy—your skin seems clearer and eyes brighter—you feel younger in body and keener in mind.
Get a bottle of Kruschen Salts—plain or new effervescent—sparkling—pleasant, at leading druggists everywhere; lasts 4 weeks and is inexpensive.

TOP SCORE IN THE Freckle Derby?

It's HARD to tell... but EASY to pick a winning oil

IMAGINE COUNTING EVERY FRECKLE on every entrant, if you were judge in a freckle derby! It's tough, whether you do it with the aid of a magnifying glass, or merely check each freckle with colored crayon as you add them up.

But you need no adding machine, when you want to select a winning oil for your motor. You can quickly point to a winner, with certainty. Here is why:

Phillips chemists and technical experts make a frank and simple statement which does away with doubt. It is straightforward, unconditional, and easy to understand: **Phillips 66 Motor Oil is our finest quality, the highest grade and greatest value . . . among all the oils we offer.**

When you make the regular 1,000-mile oil change or the seasonal change . . . pick a winning oil. Drain and refill with **Phillips 66 Motor Oil** at the **Orange and Black 66 Shield**.

Wildcats Whip "Weak-end" Whirlwinds 13-6

Golightly, Foster and Grigsby Are F.H.S. Standouts Friday

Two great offenses and two bank-up defenses met Friday night at the Wildcat Field when the Floydada Whirlwinds and Crowell's Wildcats tangled but when it was all over and done and the chips counted, Crowell had 13 and Floydada had 6.

The Wildcats discovered that Floydada had a green right end and that is where the damage resulted. Olds and Hasleoff teamed up to run that end dizzy and make 80 per cent of their yardage. Gibson kicked Floydada practically off the field as Floydada's safety man failed to play deep. Once he booted a mean 81 yards to push Floydada from the Crowell 19 to the Floydada 20.

Foster twice saved the Floydada goal, once when he caught Gibson from behind after a 55 yard chase in a broken field, and again when he snagged Capps in the open field from behind after a 12 yard chase.

Floydada opened up their offense but it bogged down several times with pay dirt in sniffling distance. Generally speaking, the Whirlwind pass offense was puny and Crowell played a seven man line some and what corresponded to an eight.

The center of the Floydada line was rock ribbed but one weak end was the difference. Crowell had previously tied Matador and Paducah.

Play by play here is the sad, story.

Competition Is Hard

Diggs kicked to Golightly on the Floydada 10, he raced the ball down field to the Floydada 46. Golightly lost 1 in a try at left guard, Rushing tried right guard for 2, Golightly kicked out on the Crowell 31. A nice kick into the wind.

Olds lost 4 at right end, Gibson calmly quick kicked over Patterson's head and the ball was killed on the Floydada 6.

Golightly ripped through right tackle for 3, Golightly lost 7 at left end as the Crowell line smashed through. Golightly to Rushing was incomplete, Golightly kicked weakly to the Floydada 25.

Olds tried right guard for 2. Olds smashed at left guard for 2, Gibson gained 1 at right end, Olds to Diggs was incomplete, ball went over on the Floydada 19.

Golightly cracked right tackle for 3, Rushing was snowed under for minus 2 at left end, Foster lost 5 at right tackle, Golightly kicked to the Floydada 43.

Hudgeons lost 2 at right tackle on basket pass, Olds failed to gain at right tackle, Gibson whipped a neat

pass to Hudgeons on the Floydada 25 and he raced to the Floydada 19, Olds went over right tackle for 5, Olds circled left end for 5, Olds went over left guard for 1, Olds circled left end for the score. Hudgeons carried the ball around right end for the extra point. Crowell 7, Floydada 6.

Diggs kicked to Golightly on the 15, he carried out to the Floydada 35. Patterson reversed over right tackle and ran to the Crowell 42. Rushing lost 3 at right tackle, Golightly to Patterson was wild, Patterson snaked over right tackle for 3; Golightly kicked to the Crowell 6.

Floydada Does Once

Gibson kicked to the Floydada 42. Golightly tried right end after attempting a pass but lost 5, Rushing to Foster on basket pass lost 3, Foster rambled over right tackle for 10, Golightly whipped a pass to Rushing on the Crowell 10, Rushing crashed right guard for 9, Golightly gained 2 feet at right guard, Golightly snaked over right tackle for the touchdown. Golightly to Patterson was knocked down, Crowell 7, Floydada 6.

D. Patterson kicked out, ball returned to Crowell 35, Olds circled right end to the Floydada 36, Capps lost 3 at left end, Olds failed to gain at right guard, Hasleoff gained 2 at right end, Gibson kicked to the Floydada 26.

Rushing picked up 4 at left end, Golightly pushed through right tackle for 8, Foster reversed through left tackle and ran to the Crowell 25, Golightly made 3 at left tackle, Golightly fumbled and Crowell recovered on their own 14.

Olds raced around left end for 5, Olds to Capps was wild, Gibson kicked to Patterson on the 50, he returned to the Crowell 38.

Patterson gained 3 at right end, Golightly tried right tackle for 4, Golightly hammered over right guard for 7, Golightly to Rushing complete on Crowell 17 as half time came.

The Easy Way

D. Patterson kicked out of bounds, Ball in on Crowell 35. Hasleoff carried the ball on an end around to the Floydada 40, Olds made 6 at left tackle, Olds lost 1 at right guard, Capps dropped 3 at right end, Hasleoff pulled his specialty to the Floydada 1 yard line as Turner pulled him down. Olds jammed right guard for the touchdown. Pass was wild. Crowell 13, Floydada 6.

Diggs kicked to Golightly on the Floydada 35, Golightly rammed over left tackle for 10, Rushing smashed over right tackle but was tripped, Golightly failed to gain at right end, Patterson faded around right tackle for 17, Rushing tried right tackle

for 2, Golightly made 15 over left guard, Rushing lost 10 at left end, Golightly to Patterson was wild, Golightly gained 10 over right tackle, Golightly to Patterson was no good, ball over on Crowell 20.

Gibson circled right end and ran to the Floydada 28 where Foster caught him from behind Olds tied right tackle for 2, Crowell penalized 15 for holding, Capps went over right tackle to Floydada 19 but Foster again caught the ball carrier and downed him. Olds tried right guard for 1, Olds banged left guard for 3, Olds gained 1 at left end, Owenby lost 5 at right end, Hasleoff got scrambled at left end for minus 1, Olds failed to gain at right guard, Ball over on Floydada 20.

Golightly fumbled and lost 7, Golightly to Rushing gained 5, Golightly made a wild heave into space, no receiver in sight. Golightly kicked to the-Crowell 35.

No Can Do

Capps gained 2 at right tackle, Olds circled left end for 7, Olds fumbled and Turner recovered for Floydada on their 44.

Golightly smashed over left guard for 5, Patterson wheeled over right tackle for 8, Rushing went over left tackle for 5, Golightly ripped right guard for 7, Golightly picked up 3 at right tackle, Golightly failed to gain at right guard, Patterson carried off right tackle for 4, Golightly lost 2 left end. Ball over on Crowell 19. Capps kicked over the Floydada goal, an 81 yard boot.

Ball on Floydada 20. Golightly lost 2 at right tackle, Golightly to Foster fell incomplete, Golightly to Grigsby picked up 2, Olds intercepted Golightly's pass on the Floydada 42.

Capps tried right tackle for 5, Olds lost 3 at left tackle, Olds to Hasleoff incomplete, Capps kicked to Floydada 12.

Golightly failed to gain at right tackle, Golightly made 1 at right guard, Golightly lost 4, Rushing kicked out to Crowell 40.

Cauthan made 1 at left guard, Hasleoff end-around to Floydada 16, Olds gained 1 at right end, Olds lost 10, Olds gained 2 at left guard, Gibson lost to the Floydada 40 as the game ended. Crowell 13, Floydada 6.

AS I SEE IT

Facts and Figures

The Monday Morning Quarter-back's association and second guessers inc., are hereby called to order to argue out the "why's" and "wherefore's" of the Wildcat-Whirlwind fracas.

The figures say this; Golightly, 88 yards gross, 60 net; Rushing, 33 yards gross, 18 yards net; Foster, 47 yards gross, 40 yards net, and Patterson, 58 yards net. Total net yardage was 176. Floydada netted 24 yards on 11 passes, 4 completed, 1 intercepted.

Crowell netted 215 yards running and 26 passing, 1 complete out of 4. Eighty per cent of the Crowell yardage was made around Floydada's right end. One Mr. Gibson kicked F. H. S. into hole after hole and that was plenty bad. Patterson couldn't catch them on the fly nor could he run them down.

Crowell out-charged, out blocked, and out played Floydada. The Whirlwinds quarter-backing looked weak, the right end was weaker, and the passing was terrible. The line was good inside end, Crowell netted little yardage on tackle, guard, or center plays.

Floydada looked better losing to Crowell than they did winning from Slaton and Tulsa.

Foster, Golightly, and Grigsby were the stars, if the fans must have stars.

Well Scouted

Floydada was well scouted. Matador, Paducah, Lockney, Ralls, Crosbyton, and Spur had representatives here to look the Winds over. Naturally they all went away happy. Floydada is their pet hate officially and unofficially as far as football is concerned and when FHS takes a shellacking they are especially happy.

Coach Hale advises fans not to underseal Ralls. He went off down there Friday night and scouted the Abernathy-Ralls affair. Ralls won 7 to 0 but he says the Abernathy team was plenty rough and rowdy. Ralls has nine lettermen back, of which one is a certain Smith, a lad who habitually pulverizes opposing lines. So keep your points at home if you bet on Floydada.

Matador Does the Trick

Matador did the trick. They routed the Crosbyton Chiefs 20 to 7 in an easy manner. Loafing along most of the way, Lockney was scrambled by Paducah 33 to 0. Mobley led the massacre. Ralls snapped off Abernathy 7 to 0. Spur was idle. Matador didn't look impressive but they didn't have to, to defeat Crosbyton.

Mysterious Mike is back in an advisory capacity after yours truly picked Floydada over Crowell by 12 to 6. After all Mike isn't so terrible — as a picker. Using the same system Floydada will use from now on to get extra points after touchdowns, Mike and I have the following predictions to give. Even the horoscope supports us this time.

Spur vs. Matador, night game at Spur. The Bullfighters are due for an upset and who is more likely to do it than the Bulldogs? A mighty battle but Spur 19, Matador 13 and don't blame us if we read the wrong horoscope.

A crystal gazer told Mike and I would beat Lockney at Lockney. The gazer may have been a shyster but take it for what it's worth and you have Crosbyton 20, Lockney 6.

Playing roulette and winning is a cinch compared to picking football

winners on Friday and Saturday, but when the wheel is crooked and you know the combination, then winning is a cinch. Laying my chips on the Green and White... Floydada 25, Ralls 7.

Paducah will entertain an open date by scouting Floydada and Crosbyton. Glad to have them with us on the occasion.

Remember Floydada has an open date on October 18.

Flomot Flash Flashes

Texas Tech's sophomore speedster, "Red" Amone, stood the fans a good 9,000 of 'em, on their collective ears last Saturday night when he sped 56 yards to score for Tech in the third period. He looked like the Flomot Flash of old except he is faster and shifter than ever. That run made everyone happy because Red had been yanked earlier by Cawthon when Red forgot to follow interference and got dumped when he should have had a longer run to his credit. Yessir, Red is gonna be a war hoss as time goes by... and Tech's darling.

Those passes Tech throws aren't heave and pray. They are right down the groove. The first counter was made on a 55 yard throw that was gathered in on the 12 and carried over. Two other passes that connected traveled over 40 yards in the air. Tech uses Big Berthas to shoot that far but the referee lets 'em count. Tech 19, Loyola O. Week before last it was Tech 6, Oklahoma A&M 6.

GOOD BARGAINS

(If you act quickly)

I have for sale a bunch of accounts That run from a dollar to larger amounts. They've been on my books and are getting quite old; Been running for years—but good as gold. Here's one account made in "Twenty-Six For a load of cement and a pile of bricks Customer says he can't pay today But will next year from his crop of hay. If he does not pay when his hay is sold, He will some day—it's good as gold.

Here's another account made in "Twenty-Four For some millwork, sash, and one screen door, He died last year and left no estate; Think I still can get it but may have to wait. He has some relatives, so I am told; They may pay this account—but it's good as gold.

I have two accounts made in "Twenty-Five. Neither of these customers now alive. One killed in an accident with his truck; The other had sickness and more hard luck. Although these men have long been cold Their accounts are good—yes, good as gold.

Most all my accounts will soon be due; Have only one that is practically new. Made in "Twenty-Seven on January third, But they'll all be paid as they gave their word; It would be a darn cold day when they paid their bills So, they all will pay—I know they will. I'm waiting now for the weather to get cold So they'll come in and pay—they're as good as gold.

If you want to invest and take a chance Of losing your shirt—and maybe your pants, Just make me an offer and you might sin 'Cause they're darn good accounts for the shape they are in.—Retail Merchant's Association.

SECTION 9. That ARTICLE III, REGULATIONS, of said Ordinance No. 211, be and the same is hereby amended by inserting therein, between Paragraphs Five (5) and Six (6) of said ARTICLE III, the following additional Paragraph: (5a) RANGE WIRING. Notwithstanding any other provisions of this Ordinance No. 211, any utility may pay the reasonable and actual cost of the materials and labor necessary to install a range outlet for an electric cooking range from point of delivery to range outlet on any premises within the corporate limits of the City of Floydada, Texas, including the cost of inspection as required by Ordinance No. 144 of said City as amended by Ordinance No. 171 of said City; such wiring shall not in any event include any wiring other than that between point of delivery and range outlet and necessarily required for use of an electric cooking range on the premises where installed. Whenever any utility hereafter pays the cost of installation of range wiring as herein authorized, absolute title to such wiring, free of any restrictions or conditions or obligations, shall vest in the owner of the premises, that they or either of them shall use the service of the utility on such premises or elsewhere for any length of time thereafter, or to impose any restriction or detriment whatever upon the exercise of their respective rights to discontinue use of the service of such utility at any time thereafter that they or either of them see fit to do so. Nothing in this Paragraph of this Ordinance No. 211 shall be construed as repealing any of the provisions of Ordinance No. 144 of said City as amended by Ordinance No. 171 of said City, and any range wiring hereafter installed as herein authorized shall be installed in compliance with the provisions of said Ordinance No. 144 as amended by Ordinance No. 171.

SECTION 10. This Ordinance is passed and adopted by the City Council of the City of Floydada, Texas and approved by the Mayor thereof in accordance with the Provisions of Ordinance Number Two Hundred Seven (207) of said City, after due notice and hearing as required by said Ordinance No. 207, and nothing herein contained shall be construed or held to repeal or modify any of the provisions of said Ordinance No. 207. Except so far as repealed or modified by this Ordinance, all of the provisions of Ordinance No. 211 of said City shall remain in full force and effect.

SECTION 11. Should any Section, provision or any part of this Ordinance be held and declared to be unconstitutional or void by a court of competent jurisdiction, such decision shall in no wise affect the validity of any of the remaining parts of this Ordinance, unless the part held unconstitutional or void is indispensable to the operation of the remaining parts. The City Council of the City of Floydada, Texas, hereby declares that it would have passed those parts of this Ordinance which are valid and omitted any part or parts which may be unconstitutional or void, if it had known or been advised that such parts were unconstitutional or void at the time of the passage of this Ordinance.

SECTION 12. The City of Floydada, Texas, owning and operating a utility (as defined in said Ordinance No. 211 of said City), nothing in this Ordinance shall in any manner be construed as exempting the City of Floydada, Texas, from any of the provisions or operation of this, or any other ordinance hereafter passed, relative to any of the subject matters contained in this Ordinance. The above and foregoing Ordinance passed by the City Council of the City of Floydada, Texas and approved by the Mayor of said City, in accordance with the provisions of Ordinance No. 207 of said City and after due notice and hearing as required by said Ordinance No. 207, is hereby published by the City Council of the City of Floydada, Texas, on this 2nd day of October, 1940. 'Boom Town' In Floydada At Palace

Story Of 1919 Burk Burnett Filmed With Big Stars In Cast

The story of the 1919 Burk Burnett is intended to be told in "Boom Town" which comes to Floydada Saturday midnight, Sunday and Monday and will be shown at The Palace theatre.

By all standards of measurement, "Boom Town" super entertainment—if not the best of this or any other year. For a cast it boasts four stars—Clark Gable, Spencer Tracy, Claudette Colbert and Hedy Lamarr. The supporting cast includes Frank Morgan, Lionel Atwill, Chill Willis, Marion Martin, Minna Gombell, a baby and a dog. Such a cast cannot fail to please and this cast, with outstanding performances, does more than please. It awes one.

If an audience wants excitement, there are spine-tingling fights, an amazing scene of a blazing oil well being whiffed out with TNT, numbers which shoot derricks high into the air, Gable riding a bucking mule and the thrilling drama of hunting for oil.

Of comedy there is plenty. There is Gable and Tracy diving into a sea of mud and then washing up in a "long-underwear" scene. And there are Frank Morgan, Chill Willis and Minna Gombell. Measured as a great human-interest story, "Boom Town" is tops. The story is of two pals who make the same girl and of one making a dramatic sacrifice to save his pal from a siren and send him back to the wife they both love.

The entire cast is superb and direction by Jack Conway is outstanding. To Sam Zimbalist goes the praise for a great picture which should not fail to more than satisfy every member of an audience.

With the exception of a few scenes, which do not seem to come up to par with the realities of Burk Burnett, the show will appeal to many Floyd county people who actually saw Burk Burnett in the blazing heights of its boom.

Pig-Wig To Celebrate Saturday

Wiley and Gene Radio Stars to Visit Store and Entertain

This week marks the seventh year of successful business in Floydada as the Piggly-Wiggly grocery with J. B. Claiborne as manager. The anniversary celebration, is being marked by a full page ad in this issue of the Hesperian, of bargains in staple and nationally advertised merchandise. Another feature of the celebration is the appearance, in person, of the popular radio entertainers, "Wiley and Gene."

The local store represents a branch of one of the largest retail stocks of groceries on the South Plains. It is housed in a building fifty by one hundred feet in size. Eight women are employed regularly with a minimum of fifteen workmen on Saturdays and on special occasions.

The store was opened here seven years ago with Claiborne and Ashley Lawson as joint managers. Later Mr. Lawson went to another store and Mr. Claiborne remained as manager of the Floydada firm. In June, 1939, a modern fruit and vegetable cold storage vault was installed and since that time the store has boasted a full line of fresh fruits and vegetables the year round for their customers.

Wiley Walker and Gene Sullivan, Saturday entertainers will be at the store at 3 o'clock p. m. They are stars heard on KFYO radio station at Lubbock in the program featuring "Old Possum Hollow."

Mr. Claiborne and the personnel of the store invite the public to visit their store Friday and Saturday and take advantage of the anniversary specials and celebration program.

Community Social Lockney Tuesday Given By P. T. A.

A very delightful evening of fun and entertainment was presented Tuesday evening at Lockney by the Parent-Teacher association at the high school gymnasium. The high school band all fitted out in brand new uniforms of maroon and white, furnished several selections as the first part of the program.

Talks explaining the work of the Parent-Teacher association and what it should mean to a community, were given by H. P. Clemons, superintendent of Lockney schools, and Mrs. Walton Hale of Floydada, district vice-president of the Fourteenth district.

Games which furnished an opportunity for the parents and teachers to meet each other were directed by Mrs. Halthcock. A sing song was led by R. C. McGilvray. Preceding the program refreshments were served by the social committee.

Members of the association voted to meet the state and national requirements and to enter into membership with the National Congress of Parents and Teachers. A short business session was conducted by Mrs. Taylor, president of the association.

Mr. and Mrs. W. H. Seogins and family visited Mr. and Mrs. Elmer Harper at Baker Sunday.

South Plains School Center Community Interest

SOUTH PLAINS, October 8.—The first month of school has passed by and a few things are beginning to take shape and show the spirit the people of our community put behind the school.

In the volley ball and basketball games, the girls and boys of South Plains played clean and enjoyable games with Fairview. Although they lost, the trip back to South Plains was enjoyed by a gay and high-spirited bunch of tired children.

In return to our games, Fairview came Friday to play South Plains. Again we lost, but we are trying harder each time to win. The same afternoon, Irick paid a visit to our school, and much to our joy, the girls won in volley ball. We are very proud of our volleyball girls and basketball boys and we mean to make use of them.

CEMETERY ON NORTH BANK OF QUITAQUE ENLARGED

A cemetery on the north bank of the Quitaque river which serves numerous families in the northeast portion of the county as a burial ground, is being enlarged to cover about an acre of ground.

In the cemetery reposes the mortal remains of numerous early-day pioneers of the section. Two men, one a cowboy of the days before the JAs operated a ranch there, the other a freighter, are believed to be the first persons buried in the plot.

Citizens of the community adjacent and J. M. Massie, representative of the Howard Bros., on whose land the cemetery is located, measured and re-plotted the cemetery recently to increase its bounds.

AN APPRECIATION

We wish to express our sincere appreciation for the many kindnesses extended us during our recent bereavement, the loss of our loved one. May you, in your hours of sadness, be comforted with the same expressions of condolence is our prayer for each of you.

INSPECT YOUR OWN HOME FOR FIRE HAZARDS

The surest way of preventing fire in your home is with a periodical systematic check-up. This can be easily and quickly done by obtaining the aid of your entire family. Children should definitely help in this check-up. It will make them fully realize the dangers, causes and precautions of how to prevent fires.

- Check These!**
1. Check all electrical wiring, units and appliances for shorts, faulty connections and overloads.
 2. Remove all rubbish and waste from basement, attic, garage and around buildings.
 - Use non-inflammable cleaning fluids only! Keep any and all cleaning fluids away from excess heat.
 - Keep matches away from children. Always be sure a match is completely out before throwing away.
 - Have all gas pipes and connections inspected periodically.
 - Don't bring gasoline into a house.
 - Take caution with burning cigarettes.
 - Keep your furnace, furnace room and coal bin clean and orderly. Keep them clear of any rubbish.
 - Always have a ground wire on your radio.

DORIS ANN NEWEST MEMBER OF RAY CHAPMAN CLAN

Mr. and Mrs. Ray Chapman, of Seagraves, have a daughter, their first-born, who has been named Doris Ann. She was born October 6 at the Seagraves hospital. Notified of the new member of the family Sunday noon Mr. and Mrs. J. W. Chapman, Doris Ann's grandparents, drove down to Seagraves to visit her. A coincidence pleasing to J. W. Chapman is that his granddaughter's birthday is the same as his own.

LOTS OF BRIDGE WORK FOR WPA IN COTTLE

J. L. Laminack, who has been supervisor on Works Progress administration jobs in Floyd county for more than two years, is now in Cottle county where he is supervising bridge construction work while projects in Floyd county are halted temporarily for laborers to work in the harvest.

"Cottle county officials are glad of the opportunity to get several badly needed bridges constructed at this time," said Mr. Laminack.

FIRE PREVENTION Week OCTOBER 6-12

ENTIRE NATION URGED TO STUDY FIRE FIGHTING!

Knowledge of how to fight minor fires efficiently until help comes from the local fire department would in many cases save a home or a building. This year it would save the country millions of dollars if the people of this nation would make an attempt to learn how to stop a fire. In many cases due to excitement a small, minor fire has been fanned into a flaming catastrophe.

In a great many cases it has been found that the children of the family know more about preventing and fighting fires than their parents. This is due to the teaching received in public school. Do your share and

join in the crusade against the nation's worst enemy . . . fire!

FIRE DESTROYS BARN

Fire last Thursday night destroyed the granary and a considerable bit of feed including 100 bushels of wheat on the farm of J. M. Hicks of Fairview, J. H. Reagan, local insurance underwriter reported.

Hicks also lost some implements in the blaze, the origin of which is unknown. His loss is several hundred dollars.

FIRE can destroy all you own and all you've saved. There are two things you must do to prevent this . . . insure your home and your belongings . . . and keep valuable jewels, papers and savings in The First National Bank. We will gladly give you information on how to completely protect your home and your wealth.

Fry-Waldrep Wedding Solemnized

Vows Said By Couple At Bride's Home Saturday

Miss Marilyn Fry, daughter of Mr. and Mrs. R. E. Fry, became the bride of J. Holt Waldrep of Lubbock Saturday morning at 8:30 o'clock at the home of her parents. The Rev. Donald Harris of Littlefield officiated at the single ring ceremony. Mr. Waldrep is the son of Mr. and Mrs. J. S. Waldrep of Slaton.

Proceeding the ceremony, Miss Selma Linder, cousin of the bride, played Liszt's "Liebestraum" and accompanied Miss Muriel Fagan, violinist and Miss Barbara Ann Read of Lubbock who sang Cadman's "At Dawnings" and Bond's "I Love You Truly." "The Wedding March" from Lohengrin (Wagner) was played as the bridal party entered and Schubert's "Serenade" was played softly during the ceremony.

Vows were exchanged before the fireplace banked with a screen of ferns with a low cluster of gold and bronze chrysanthemums on the mantel. Tall wrought iron vases filled with the autumn colored mums on each side of the altar formed the only other decorations.

Gowned in White
Mrs. Waldrep, who was given in marriage by her father, wore a white mousseline de soie gown with tucked bodice, a lace pointed midriff, with large flounces edged with lace forming the skirt and short train. Her fingertip veil fell from a point shaped headpiece. She wore matching mitts and carried a colonial nosegay of gardenias and stephanotis. Her "something old" and "something borrowed" were her mother's pearls, and she carried a handmade lace handkerchief edged with blue for "something blue."

Mrs. Hugh D. McCullough, sister of the bride, was her only attendant, and wore a copy of the bride's gown in blue with matching mitts and headpiece. Her bouquet was of small gold and bronze mums. The two sisters exchanged the gowns worn in Mrs. McCullough's wedding in August. She was the former Miss Maxine Fry, and Mrs. Waldrep was her only attendant.

Sanders Waldrep of Lubbock served his brother as best man.

Mrs. Fry wore a blue jersey gown with tails roses, and Mrs. Lillie Britton, grandmother of the bride, wore a rose crepe frock with a corsage of roses.

Reception Follows
A reception was held following the ceremony. The table, centered with the three tiered wedding cake, was covered with a blue marquisette cloth. Autumn decoration, with gold and bronze mums, were used also. Mrs. George Langford of Lubbock and Miss Gerry Gambelin presided at the coffee service. Those assisting with the serving were Mesdames L. D. Britton, W. L. Fry, J. M. Gambelin, Tucker Teutsch, and Miss Fernie Fry.

Immediately following the reception, Mr. and Mrs. Waldrep left on a trip of unannounced destination. She wore green and beige wool jersey suit with black and red accessories with a corsage of gardenias. They will be at home at 1305 26th street, Lubbock.

Graduates of Tech

Mr. and Mrs. Waldrep were graduated in June from Texas Technological college. She was a La Ventana beauty, was president of Las Chaparritas social club, president of Forum, woman's honorary organization, president of Junior Council, vice-president of Inter-Club council, secretary of her class three years in succession, and was a member of Sock and Buskin and Student council. She resigned as Freshman cadet major and was a member of "Who's Who in American Colleges and Universities." She also was prominent in high school activities in Floydada where she was graduated.

Mr. Waldrep has been a star guard on the Red Raider football team since 1937, doing outstanding work during the year Tech played in the Cotton Bowl. He was vice-president of his senior class and a member of the Double T club and college club. He is now associated with The Southwestern Life Insurance company in Lubbock.

Wedding Guests
Approximately 65 guests attended the wedding. Out of town guests were the bridegroom's parents, Mr. and Mrs. J. S. Waldrep, his sisters, Wanda and Gerlie B., his brother, Billie of Slaton, Dr. and Mrs. J. L. Guest, Plainview, Misses Jane Hill, Dallas, Ann Moore of Albany, Kathryn Weath of Vernon, Freelin Shoemaker of Abilene, Helen Butler of Amarillo, Mary Anne Kimble of Littlefield, Mr. and Mrs. O. W. Fry, Miss Fernie Fry and Forest Fry, of Amarillo, Mr. and Mrs. Sam A. Henry, Mr. and Mrs. John Fry, Misses Lois Marie Daniel, Mary Burke Yeager, Barbara Ann and Hope Read, Carolyn Thomas, Ann Coleman, Rose Jean Rodgers and Mr. and Mrs. George Langford, all of Lubbock.

C. F. Mickey will leave this week for Las Vegas, New Mexico planning to spend the winter there. He returned the first of the week from Auburn, California, where he had been on a visit of a month with relatives.

Mrs. J. Holt Waldrep, before her marriage Saturday morning was Miss Marilyn Fry, daughter of Mr. and Mrs. R. E. Fry. The bridegroom is the son of Mr. and Mrs. J. S. Waldrep of Slaton. The couple will make their home in Lubbock, 1305 26th street.

Miss Gerrie Julae And Bob Moreland Wed At Plainview

Miss Gerrie Julae, of Denver, Colorado, and Bob Moreland, of Ft. Logan, Colorado son of Mr. and Mrs. J. J. Moreland were married Tuesday, September 24, at 1 o'clock at Plainview. Rev. E. A. Reed, pastor of the First Methodist church of Plainview officiated at the double ring ceremony.

The bride wore a navy blue sheer combined with dusty rose and trimmed in lace with navy accessories. For the past eighteen months Mr. Moreland has been employed as laboratory technician in the medical department of the U. S. Army, stationed at Ft. Logan. He and Miss Julae came to Floydada September 15 to visit his parents during a two weeks leave of absence.

Mr. Moreland returned to Ft. Logan Saturday, September 28, and Mrs. Moreland plans to leave within a few days for Denver, where they will make their home.

Floydada Music Club Entertained At Home Of Mrs. Calvin Steen

Mrs. W. E. Bond was master of ceremonies Thursday night in a rendition of "Liebestraum" and "Till We Meet Again." Miss Florence Lloyd gave two readings entitled "Teaching Them to Drive," and "The Elopement," a vocal number by Miss Lois Wren entitled, "Blueberry Hill." Miss Wren and Mrs. Chapman were accompanied by Miss Nelda Fagan at the piano.

In the elimination of contestants the guests were divided into four groups. In each group a winner was designated. The climax was reached when Mrs. C. B. McDonald was declared winner from the four group winners. Mrs. McDonald was presented a prize for her musical accomplishment. Pictious names were used. Mrs. McDonald was Dorothy Fairfax, Mrs. Lola Gallaway as Mae West; Mrs. Robert McGuire, Annie Rooney; Miss Elizabeth Caldwell, Sue Ellen O'Hara.

Members and their guests present for the evening were Mrs. L. W. Chapman, Mrs. Florence Lloyd, Frances Ruth Garrett, Miss Lois Wren, Miss Nelda Fagan, Mrs. C. B. McDonald, Miss Mary Louise Tubbs, Marty Lou Bond, Miss Elizabeth Caldwell, Mrs. Elvin Rainer, Miss Iva Moore, Mrs. Eddie Williams, Mrs. Pearl Fagan, Mrs. J. B. Bishop, Kate Edwards, Mrs. Lola Gallaway, Mrs. Robert McGuire, Mrs. Bond, Mrs. Newell, Mrs. Hill and Mrs. Steen.

Mrs. Lola Gallaway and Mrs. W. E. Bond were elected as delegates to the District Federation of Music that meets in Quannah October 17, 18, 19.

Miss Juanita True Weds Mr. Hillburn At South Plains

Miss Juanita True, daughter of Mrs. J. B. True, of Lubbock, and Garnet Hillburn, son of Mr. and Mrs. G. C. Hillburn, were married Saturday, October 5, at the home of Rev. R. C. Joiner at South Plains with Rev. Joiner officiating.

The bride wore a wine corduroy suit with matching accessories. Mrs. Hillburn is a former resident of Sterley but has been making her home at Lubbock for the past eighteen months. She graduated from the Lubbock High school with the class of '39 and was a student of Tech college.

Mr. Hillburn is a graduate of Lockney High school and is at present engaged in farming with his father. Both young people were reared in Floyd county and both attended school at Floydada, South Plains and Lockney. They will make their home with his parents.

Mrs. Taylor Urges Cancer Control

Disease Curable When Treatment Given In Time

Mrs. Volney W. Taylor of Brownsville, a past president of the Texas Federation of Women's clubs and state commander of the American society for the Control of cancer addressed the club women of Floyd county on the subject, "The fight of the women's field army against cancer" Friday at a covered dish luncheon at the First Christian church annex.

Mrs. J. W. Walker of Plainview, a state deputy in the American society for the control of cancer, accompanied Mrs. Taylor to Floydada, and made a short talk on her candidacy for the office of president of the Texas Federation of women's clubs, saying there wasn't anything much nicer than to have the support and friendship of neighboring club women. She continued, "It will be a matter of personal pride to have a large representation from Seventh district at the state convention at Austin in November for I have boasted so much about their loyalty."

Mrs. Walker was introduced by Mrs. Lon V. Smith, who graciously presided throughout the program. Mrs. Walker in turn introduced Mrs. Taylor her friend and co-worker.

The receiving line was composed of leading club women of the county headed by Mrs. Richard Stovall, Miss Edith Wilson, Mrs. S. J. Latta, Mrs. O. P. Rutledge, Mrs. C. A. Coffee and Miss Emma Louise Smith.

The invocation was given by Mrs. R. S. Wilkinson, Miss Elizabeth Caldwell, teacher of music in the public schools, favored the assembly with a vocal solo "I am an American," accompanied at the piano by Miss Maurine Hart.

Proceeding the principal addresses the audience sang "God Bless America" led by Mrs. E. L. Angus with Miss Maurine Hart at the piano.

In her introductory remarks Mrs. Taylor said Mrs. Taylor had continued to work for the clubs which she ably served as state president for three years. Mrs. Taylor expressed her thanks to the club women for the arrangement of the lovely luncheon. She said, "I have a very sincere affection for the west and next to my own district this part of the state is just a little closer to me. For whatever success my administration may have had is due to the co-operation I received from the women of this part of the state. I recall the lovely tea you gave for me in Floydada during my term of office."

Housing Authority Head

Mrs. Taylor has served for two years as chairman of the Housing authority of Brownsville a position which involves an expenditure of over a million dollars a year. There are only two women in the United States holding such positions. Mrs. Taylor said she did the housing work because she was genuinely interested in humanity and interested in helping people in unfortunate circumstances. After enumerating several interesting incidents in regard to the housing work she began the principal part of her address, the need of cancer control. She has just recently been appointed for the third year as state commander. She said, "We have as women a distinct service to perform. It seems there was no one interested in the control of cancer until the Women's Field army took over the work. One out of every 8 women have cancer and one out of every 10 men have cancer. When the proportion is that great I leave it to you to say whether we should not do something about it."

At this time Mrs. Taylor appointed Mrs. Richard Stovall to serve as county captain of the American society for the control of cancer. She continued with her talk, "I don't want to paint a black picture I would rather present a hopeful one. I want to impress upon everyone here that cancer is curable if treatment is given in time. And it is not contagious and a person with cancer if treated in time can live out a normal life. If a person has been treated for cancer and it does not appear again in five years it is permanently cured. Cancer is a baffling disease. It has been studied for ages, and no cause has been found for it."

The war has had its effect upon medical science. Prior to the war there were three great cancer centers in the world, Stockholm, Sweden, London, England and New York City. Study has been retarded in two of these and now other nations will have to look to America to carry on the cancer research work. "We should have no fear of this dreaded disease if we are treated early," said the speaker. "Let us resolve to have a complete physical check-up twice a year. Watch for early symptoms."

"All black moles should be removed. If they are rubbed by clothing they may become serious and it is such a little thing to have them removed. When you wait the cells may run wild and go to several parts of the body. "While we are conserving everything else let us conserve human lives. Let us start with ourselves and our families. April is membership month and let us cooperate with Mrs. Stovall in enlisting

School Proud of New Football Uniforms

Hearts swelled with pride Friday night as the Whirlwinds dashed out on the football field in their new uniforms. The uniforms are of green and white jockey satin. The trousers are green with the white stripes down each leg. The belts and caps are white.

The jerseys are white with the green numerals. The helmets are green and white striped. The entire uniforms, including new sets of shoulder pads and hip pads, cost around thirty-eight dollars.

The boys made striking figures and they seemed to take new enthusiasm as they hit the Crowell Wildcats. If there are such things as vim, vigor and vitality, the boys had them Friday night. They did their best, but they needed just a little more strength. They are holding their own at the end of the first half, but they failed to gain their balance in the last half and the final score was 13 to 6.

SOCIAL CLUB DESIGNS 1940-41 YEARBOOKS

The Social club has decided to have year books this year. They have some nice backs. They were made and painted by Loyce Stanton. Their plans are to have the inside sheets typed. The book will have the names of all members in it and also the rules and regulations for the year.

The club flower is a red rose, and a picture of a rose is painted on the front.

WEST TEXAS PRESS CLINIC TO BE HELD IN NOVEMBER

LUBBOCK, Texas, Oct. 7.—Dates for the West Texas Scholastic Press clinic have been set for November 15 and 16. Sessions are held annually in the fall at Texas Technological college. All high schools in West Texas and southeastern New Mexico that publish high school papers are invited to attend.

WRITER ADVISES THAT YOU STOP, LOOK, AND LEND YOUR EARS

(Editorial)

Stop! Look! and Listen! The driver of that auto may not see you. The students of F. H. S. who come in the way around the school building and between town and the campus. I know no one has been hurt this year, but this is only a warning. You people who come in auto drive like you were going to the Chicago fire.

I was on the campus the other day during the noon hour, and a certain auto threw gravel 15 feet when it made a turn out in front of the building. That kind of driving is dangerous. It shows the person who is driving is either trying to "show off" or is unthoughtful.

The pedestrian should be more careful also. Always look both ways before you cross the street, and if you see a car don't try to beat it across the street. If you do, you are liable never to be able to cross that same street again without a limp. You may even be killed, or to say the least, be an invalid the remainder of your life.

E. L. Tyler Made The Lassies Who Lead The Pep Squad Prexy; Senior Class Wed.

Wednesday, September 25, the senior class held their first meeting to elect their class officers. Class sponsors, Miss Howell and Mr. Barber, took charge of the meeting.

Nomination for a class president was soon in order. E. L. Tyler was elected president with a popular vote. E. L. then took charge, and the following officers were elected. Leroy Chowning, vice-president. Lee Dale Clubb, secretary treasurer; Kenneth Hodge, class reporter.

The class showed much pep and enthusiasm about the election. The class chose the students who they thought would be the best leaders for the class. Under the leadership of Miss Howell and Mr. Barber, and these class officers the senior class is looking forward to a pleasant and worthwhile year.

STUDENTS URGED TO MAKE USE OF F.H.S. LIBRARY

How often do you go in the library and just look around? We have more interesting books, magazines and papers in there. You can go in and look up nearly anything you can think of. There are several sets of reference books and a number of dictionaries.

There are many different kinds of American history books, Spanish and English books that you can use. The American histories are what the juniors are interested in. Here are a few magazines that we have: The American, Life, National Geographic and Popular Science.

The American Daily brings the news every day. Say, how many have noticed the new Comptons? Even the teachers are carrying them out in study hall and reading them.

How many have thought how much your fees and fines help the library. Your fees and fines help bring books, magazines, and papers to our library; so pay your fee and fines and we will have new books to read.

FOOTBALL BOYS PRESENT THE F.H.S. ASSEMBLY PROGRAM; NICK NAMES EXPOSED

The assembly program was put on by the football boys. Coach, Odell Winter told the story of football from the beginning to the present time. Football began in 400 B. C., a very rough game. At first the home team could have as many players as possible and if the other team couldn't match it, well, it was their hard luck.

In England football was stopped because it took the amusement away from other games, but when America was discovered, the Americans loved it so much, they started playing again. Football used to be a mans game (so they say). If the people that said that had to learn all the plays the players do to win the game, they would not say it again.

After Coach Winter finished his speech, Coach Hale introduced the players, giving their nicknames. They are as follows: "Big Foot" Turner, "Show em on Mercy" Fawver, "Beaver" Benny Crawford, "Gil" Goen, "Blubber" Patterson, "Heart Breaker" Walls, "Touch Down" Grigsby, "Pop Corn" Sparks, "Galloping Ghost" Goughly, "Dog Face" Rushing, "Killer Diller" Foster, "High Pockets" Patterson, "Slap Happy" Warren, "Froggie" Morrison, "Legs" Boteler, "Short Stuff" Hin-

son, "Pee Junker" Griffin, "Two Ton Tony" Latham, "Hook Arm" Du Bois, "Boob" Patterson, "Slim" Michiel, "Go Get 'em" Ferguson, "Fish Bone" Fyffe, "Big Horse" Coe, "Line Smasher" Lloyd, "Baby Face" Colville, "Pen Yard" Cardinal, "Jack Rabbit" Womack, "Big Bluff" Grey, "Lazy" Williams, (manager), A. G. Tyler, asst. manager.

And when I kissed her I smelled tobacco.

"You object to a woman who smokes?"

"No, but I happen to know that she doesn't smoke."

FLOYDADA WHIRLWINDS ARE ROTARY CLUB GUESTS ON WED.

The Floydada Whirlwinds were guests of the Rotary club Wednesday, October 2. There were only a few of the boys who were unable to go. The boys made a fine showing on the food.

After lunch the coaches were introduced, and Mr. Winter made a short speech. Moving pictures of the Floydada Matador game and spring training were then enjoyed by the Whirlwinds as well as the Rotary club. Everyone enjoyed the lunch and the entertainment.

STUDENTS HAVE OPINIONS OF LUBBOCK FAIR

Several students of Floydada High school attended the South Plains Panhandle Fair in Lubbock last Thursday, which was school day.

Some students were asked what points of interest they liked best. Ellen Brock; there were lots of pretty hogs and cows and some of them were so big. I went through the Ro-to-fun house, it was kinda funny and I rode the hobby horses.

Robert Arnold: I thought the Boy Scout building had the best exhibits. The electric cars were the best things they had to ride on.

Greer McCleskey: I liked the exhibit of the army best. The best thing to ride in was the electric cars.

Aldine Williams: I liked the hog show and school exhibit next to the carnival.

Tommy Smyth: I didn't think the carnival was as good this year as it was last year. I liked the livestock barns best in the exhibits.

James Burke: I liked the hog and livestock exhibit best. I enjoyed riding in the electric cars at the carnival.

FLOYDADA BAND TAKES PART IN SEVERAL LOCAL EVENTS

The Floydada high school band took two buses to Ralls Tuesday to a marching contest, which was being held there.

The boys and girls of the band and pep clubs are working hard to accomplish new and better formations. The formation at the half in the Floydada-Crowell game last Friday night was that of a football. The band welcomed Carl Lee Myers as a new member last week. He is going to play the telephone, which is a new instrument added to our band.

Sample Blanks Posted
Sample registration blanks have been placed in many downtown show windows this week by Clark. These sample blanks are approximately 5 times oversize and show in detail how each space should be filled out by the registrant, or how the questions should be answered.

The county clerk has asked that eligible persons should study these blanks and be familiar with the questions that will be asked by the registrars so that the work will be made as easy as possible for the draftee and registrar. By being familiar with the sample blanks the actual answering of questions will be greatly facilitated. Some 20 or 30 minutes will be required to fill out each blank, it has been explained.

The blanks ask the following information: (1) Name (in full), (2) Address, in full (3) Telephone, (4) Age in years and date of birth (5) Place of birth, (6) Country of citizenship, (7) Name of person who will always know your address, (8) Relationship of that person, (9) Address of that person, (10) Employer's name, (11) Place of employment or business. The blank must then be signed with your "usual" signature.

Many other questions are on the reverse side of the card which will be filled out. The sample blanks do

This blank will be filled out by the eligible person at his home and turned over to the draft board within a designated length of time. This questionnaire, when filled out in full will contain practically the life history of the registrant, it is said.

36th Division to Leave
It was learned here yesterday that the 36th Division would be called to Brownwood on December 4 for training under the new national guard laws. Before that time however various units of the 36th will assemble at their respective armories on November 25 to recruit up to war time strength.

While the units are recruiting those eligible to receive discharges under the law will be allowed to go. If the units arrive at Brownwood under war strength draftees and volunteers will be added to bring up the 36th to its limits.

J. Watt Page, brigadier general of the adjutant's department had the following suggestion to parents with boys eligible for the selective service draft but who are attending college and as students will be deferred until June, if such deferral is requested.

"Students are not excepted from the operation of the selective service draft law, and if his classification was deferred to June, he would be available for induction into the Army, and when so inducted, it is probable that he would be picked up and assigned for training in Alaska, or the Philippines, or some other distant place."

"On the other hand if he defers his graduation for a year, he will have the advantage of training with young men from his home town, and the training will be in Texas. Many of the colleges have made arrangements for young men to receive academic credit up to the day that they are forced to leave school for mobilization, and that when they come back the next year, they will pick up where they left off. Schools are also making necessary adjustments in fees."

Travis.
The celebration will probably take all day and will be climaxed by the Whirlwind-Bulldog game in the afternoon.

Plans for a home guard unit for Floydada were discussed but no action other than endorsement was taken. It is planned to submit the plan to other civic organizations and learn their reactions and desires on the matter before any drive is made to obtain a unit.

Whether or not Floydada has a home guard unit depends upon whether Floydada wants a unit or is willing to support such an organization. For that reason the Legionnaires decided to give the other clubs and organizations a chance to study the matter.

Persons interested in the home guard unit and its organization may contact Harry Morckel, commander of the McDermott post American Legion.

Ralls—

(Continued from page one)

than did FHS.
If Floydada doesn't polish up their flinging game, every team they face will use an eight man line, as Crowell did part of the time. Passing was generally bad last week and Ralls will also remember that and prepare a defense along that line of thought.

Hale will undoubtedly polish up his linesmen, with his work and the present "preparedness schedule" laid out by the linesmen themselves, it seems a cinch that line play will be better. It is likely that Walls and Sparks gained enough "experience" last Friday to cope with end runs in a much more satisfactory manner. At least the fans hope as much.

Winter is busy polishing up some old plays and passing out some new tunes to play against the Rabbits. It was also noticeable that Rushing and Goughly were pitching like Hubbell and Grove, but slightly less effectively. The Winds are due for a shakeup if they don't blossom out with power, deception, and passes against Ralls. From now on every game is a "cash on the barrel head" affair and one loss will be fatal this year.

Generally the feeling downtown is that Floydada just picked on a "wildcat", got a hold and couldn't let go in time. In plain language, they lost to a better team. Probably the Winds don't feel that way and it may be that they'll do their best to prove their point from here on out.

Local and Personal

Mr. and Mrs. W. A. Cates returned home Sunday from a two-weeks vacation trip. At Celina they visited Mr. Cates' daughter Mrs. A. C. Smith and family, at Enid, Oklahoma, with Mr. Cates' brother-in-law W. P. Loooper and family; at Marshall with Mrs. Cates' daughter Mrs. B. A. Mrs. Lewis—
(Continued from page one)

a native of Wisconsin. With her parents she moved at the age of 9 to Plainview. She was married to John Lewis on February 12, 1925. They have no children, but two sisters, Mrs. Bob Workman of Amarillo, and Mrs. Jess Lockhart of Plainview, and five brothers survive. The brothers are Sully Seipp of Plainview, John of Oregon, Oscar and Jerry of Wisconsin, Gus of Iowa. The two sisters and the brother residing in Plainview were present for the last rites, and an aunt, Mrs. Mary Ott of Hereford.

Many friends of the Seipp and Lewis families in Floyd, Hale, Motley and Briscoe counties attended the last rites, arrangements for which were in charge of the Harmon Funeral home.

Merle Reed of Sweeny returned home Saturday. He and Mrs. Reed were called to Floydada September 28 because of the illness of Mrs. Reed's mother, Mrs. J. E. Swinson, who is improved this week. Mrs. Reed plans to spend two more weeks with her mother.
