19th District Bar Association Met Here Tuesday Night

Judge G. E. Hamilton of Matador Named President

R. F. Stovall, Floydada, is Chosen Secretary of Organization

Judge G. E. Hamilton, of Matador, was elected president of the 19th District Bar Association at its quarterly meeting held here Tuesday night. He succeeds Judge Jeff D. Ayres, of Floydada.

The session was marked by the presence of Justices W. N. Stokes and A. J. Folley and Clerk J. M. Dales of the Court of Civil Appeals of the Seventh Supreme Judicial District at Amarillo.

With Judge Hamilton as officials for the new year were named Farris Fish, also a member of the bar at Matador, as vice-president and R. F. Stovall, of Floydada, to serve for another year as secretary of the association.

Chief discussion of the evening was on the matter of the proposed changes in the rules of civil court procedure, sponsored by the State Bar Association. These new rules will become effective on September 1, 1941, unless disapproved by the state legislature now in session. L. L. Moorehead, member of the Fairview bar gave the principal discussion of the proposed changes.

The association went on record as favoring the new rules, and passed a resolution instructing their secretary to write the district's senators and representative asking that the legislature not disapprove the changes in the rules.

Next quarterly meeting of the association will be at Spur.

Among the lawyers present for the meeting were Judge W. Coffee, J. Silvertown, Judge Edwin Boedeker, Dickens, District Attorney John A. Hamilton and Judge G. E. Hamilton, Farris Fish, and Howard Traubek, Matador; District Judge Albert B. Chapman, County Attorney John Stapleton, R. F. Stovall, W. E. Grimes, Jeff D. Ayres and Ben P. Ayres, Judge G. C. Tubbs of the Floydada bar and Milton Sims, district clerk.

A. B. Robertson Rites Held Tuesday In Amarillo

A. B. Robertson, son-in-law of the late J. D. Christian, funeral rites were held Tuesday in Amarillo at the Boxwell Brothers Funeral home. Masonic rites were held at the graveside in Llano cemetery.

Mr. Robertson, who was 63 years old, died Sunday afternoon in a hospital here. He was chief clerk in the office of mechanical superintendent and had been a Santa Fe employe the last 44 years. All but six of these years had been spent in the service in Amarillo. He was born in Pleasant Hill, Miss., and entered the service of the Santa Fe at Hagerman, N. M.

Mr. Robertson had been a Mason a number of years. Serving as pallbearers were John E. Dyer, G. A. McCullough, R. C. Martini, John Wheatley, W. A. Asby and W. L. Shafter.

Mr. Robertson is survived by his wife, two daughters, Mrs. F. M. Yarbrough, Jr., Piedmont, Ala., and Mrs. W. A. Askew, Jr., Amarillo; a son, George Robertson, Amarillo; two brothers, P. M. and Frank W. Robertson, Amarillo; and a sister, Mrs. C. P. Roberts, Whitesboro.

Dr. W. B. Irvin Makes Talk For Teachers Annual Banquet

Dr. W. B. Irvin, superintendent of Lubbock schools and president of the Texas State Teachers Association, was the principal speaker at the annual teachers banquet Thursday night in Lockney High school gymnasium.

Dr. Irvin's speech included considerable subject matter on "the future of education" as well as explained the purpose and efforts of the State Teachers Association.

Over 100 teachers, husbands, and wives were present for the affair. Dr. Irvin was introduced by Walter Travis, superintendent of Floydada schools.

A number of special guests were present, including Dr. Fronabarger, head of the English department at West Texas State; Roach Allen, teacher of English in the Canyon school system; Mr. and Mrs. E. Estler, Day, Lubbock; Mr. and Mrs. A. P. Barker, Lockney; Mr. and Mrs. O. P. Rutledge, Floydada; Mr. and Mrs. O. J. Lass, Plainview, and G. A. McCada, Sterley.

Infantile Paralysis Funds Reach New Peak In Floydada

Besides all the Boy Scouts in the country—a membership of 1,500,000 right now—all America will have an opportunity to hear President Roosevelt, Honorary President; Walter W. Head (right), President, and Dr. James E. West (left) Chief Scout Executive of the Boy Scouts of America mark the 31st anniversary of the Movement in the United States, over the NBC (Red), CBS and MBS networks, and many local stations not affiliated with the networks, on Saturday, February 8, at 7:30 p. m., EST; 6:30 CST; 5:30 MST and 4:30 PST.

Scout Week Will Be Observed February 7 to 13 In Floydada

Scouts Will Take Over City-County Offices Here Saturday

Floydada Boy Scouts will observe the thirty-first birthday of scouting with Boy Scout week, extending from February 7 to 13. Special programs will be held by the scouts during the week and Saturday the scouts will take over the reigns of government for the city and county.

Friday night the scouts will begin the week with a "pot-luck" supper at Fellowship hall. First Christian church, Floydada scout officials, scouts, and their families have special invitations to attend the function.

Saturday morning the two scout troops in Floydada will take over the reigns of civic and county government. The South Plains council has asked that scout officials do not levy "fines" upon anyone, but that scouts take over government to learn and not to act.

City officials will be, mayor, Jim Fyffe, sheriff, Johnnie Collins, judge and Billy Wester, county attorney. The nine clients represented have paid in or will pay in \$2,259 Mr. Hayes reported. This represents quite satisfactory payments considering the poor crop year which Floyd experienced in 1940.

The largest payment made by a single client was \$150, with others ranging somewhat lower, Mr. Hayes told a reporter.

"The clients who are following the program exactly as is has been laid out and planned are well pleased with it and are experiencing creditable results," the supervisor said.

"At the present rate of payment, several of the clients should have their farms and homes completely paid off considerably ahead of schedule," Mr. Hayes pointed out.

In spite of the bad crop conditions which have prevailed over this county for the past several years, Floyd county tenants have more than held their place in the program. Floyd was one of the first counties to begin operation under the FSA, it was explained.

Last Rites Held For Mother S. T. Harris In Key, Alabama

Last rites for Mrs. D. E. Harris, 95 years old, mother of S. T. Harris of Floydada, were held Friday afternoon in Key, Alabama.

Mrs. Harris died at the home of a daughter, Mrs. Bell Pridgen, in Talladega, Alabama following a prolonged illness.

She is survived by two sons, S. T. Harris, Floydada and J. W. Harris, Athens, four daughters, Mrs. Pridgen, Talladega; Mrs. Ella Rosser, Bluntville, Alabama; Mrs. Alma Sneed, Jacksonville, Alabama and Mrs. Dora Mobley, Rome, Georgia.

Legionnaires Hold Party Monday

Charles Whitacre Speaks To 100 Members Of Legion And Guests

Charles Whitacre, Commander of the American Legion, 19th district of Texas, Monday night in a visit with McDermitt Post American Legion, Floydada, told an assembly of Legionnaires and their wives that many of the measures their organization had urged for years are now beginning to be recognized as necessary of national defense.

One of these is a trained citizenry, ready to protect the type of government which has been fostered in America.

He urged that another measure which the Legion has urged for years, namely the conscription of labor and capital along with the conscription of the man who carries a gun, be persistently pushed by the organized ex-service men.

Mr. Whitacre was accompanied to Floydada by seven other Legionnaires, all members of the Lubbock post. And to the delight of the assembled members and guests he put them through their paces. These included J. A. Raley, Jr., G. A. Meiser, C. E. Luce, Louis Murfee, A. C. Jackson, H. D. Wood and W. T. Strange.

Delegates to Convention Harry Morckel, commander of McDermitt post, presided at the meeting attended by more than a hundred members and guests. Among the visitors introduced were Dr. C. J. McCollum, of Lockney, commander of Willie Landrum post, and Lawrence W. Bridges, the latter newly-named scoutmaster of the Boy Scout troop, sponsored by the Legion.

Delegates named to the district convention of the organization this week-end on Sunday included J. C. Wester, J. M. Willson, John Reagan, Roy L. Snodgrass, with Harry Morckel, J. B. Turner, J. A. Arwine and B. Nichols as alternates. For representatives of McDermitt post Woman's auxiliary Mrs. J. C. Wester and Mrs. J. M. Willson were named as delegates and Mrs. Morckel and Mrs. T. P. Collins alternates.

Farm Security Plan Quite Satisfactory In Floyd County

Nine Clients Here Are Establishing Good Payment Record

Floyd county's nine Farm Security clients who are operating under the Tenant Purchase plan of the FSA are compiling more than satisfactory records, Orval D. Hayes, supervisor of Floyd county, said this week.

The announcement was made following a close check-up on the activities of the past year on the part of the clients, who have filed their annual reports with the office. The nine clients represented have paid in or will pay in \$2,259 Mr. Hayes reported. This represents quite satisfactory payments considering the poor crop year which Floyd experienced in 1940.

The largest payment made by a single client was \$150, with others ranging somewhat lower, Mr. Hayes told a reporter.

"The clients who are following the program exactly as is has been laid out and planned are well pleased with it and are experiencing creditable results," the supervisor said.

"At the present rate of payment, several of the clients should have their farms and homes completely paid off considerably ahead of schedule," Mr. Hayes pointed out.

Mis-Spelled Word Contest Is Again Proving Tough For Readers Of The Hesperian

Many good spellers answered the contest of mis-spelled words in which cash and many other prizes including merchandise from Floydada merchants were awarded this week.

Mrs. T. B. Wilkinson city is credited with finding "all" the mis-spelled words on the full page of advertising in The Hesperian this week.

Merchants who are contributing prizes to the winners are Gilliam's Appliance, Dyer's Auto Parts, Strick's Snack Shack, Farmers Grain company, White Way Laundry, Wester's Quality Bakery, Bunk Hunt, Armour Creameries, Henson's Laundry, W. L. Fry, Cleaners, Kimble's, White Dry company, M. L. Solomon, Glad Snodgrass, Foger-son's Shoe Shop, De Luxe Beauty Shoppe, Rice Hatchery, Good Eats Bakery, Finkner's Auto Store, Nick's Gift Station and Palace Theatre.

Don't Look Now But -

Don't look right now but—next Friday and Saturday, February 14 and 15 will be Dollar Day. Floydada merchants will search through their stocks and offer exceptional bargains for their customers on those two days. It will provide an opportunity for Floyd county buyers to purchase many items at considerably lower prices. Dollar Day is expected to be city-wide as it was during January with a majority of the merchants participating in the monthly event.

WPA Allots \$2,000 For Public Records Work In Floyd

Minutes Of Commissioners Court Will Be Indexed By Workers

An allotment of more than \$2,000 by the Works Projects administration for public records work in Floyd county was made last week when the state office in San Antonio approved a project for indexing the minutes of the commissioners' court of Floyd county. Work is expected to begin within a week or ten days, it was announced by the district office in Lubbock.

The project, which will involve an expenditure of approximately \$2,200 federal and sponsor's funds, will provide employment for approximately six people for a period of seven months. A complete index, which will contain approximately 25,000 entries, will be prepared for the entire series of volumes of the minutes of the Floyd County commissioners' court.

The employees of the project will be selected from the local certified WPA rolls and the work will be under the supervision of the district supervisor of statewide records projects, in collaboration with A. B. Clark, county clerk. Floyd county will be out only material for the work, all monies and finances will be provided by the WPA, it was explained.

FLOYDADA TAX OFFICES ARE BUSY MAKING CHECK-UP

Floydada tax offices, which include city, school district, county, and state, are busy this week checking the returns for the 1940 tax collections.

Floyd county tax assessor and collector, Geo. B. Marshall, reports that 1,900 poll tax were paid this year. This is considerable above the average on "non-election" years. Tax reports from this office are not complete, but are expected to be available next week.

Jim Houston, secretary Floydada Independent school district, said that current collections have reached \$19,400 in his office, which is some \$300 above 1939 collections. Delinquent tax collections are much the same as last year, only slightly less.

J. R. Maddox Claimed By Death

Former Sheriff Dies Suddenly Tuesday At His Home

J. R. Maddox, 66, former Floyd county sheriff and for a number of years connected with city and county posts, died suddenly at his home Tuesday morning following a heart attack.

Funeral rites will be held this morning at 10 o'clock in the First Methodist church with Rev. R. T. Bredelove in charge, assisted by Rev. Joseph L. Henson. Masonic rites will be conducted at the graveside.

Mr. Maddox was born in Arkansas on June 15, 1874. He moved to Floyd county in 1915 from Red River county. He was married to Miss Lydia Wright in 1900.

He became associated with the Floyd county sheriff office in 1919 as deputy sheriff, and served in that capacity until 1926. In 1926 he ran for and was elected sheriff and tax collector for Floyd county and served for one term.

Since 1928 he has been appointed city marshal, and has also served by appointment as city assessor and collector of taxes. He has also been at various times associated with the hardware, elevator and cotton seed business in this county. At the time of his death he was manager of Floydada Seed company.

Mr. Maddox had been ill with influenza, but was thought to be recovering satisfactorily when he suffered the heart attack.

He is survived by his wife, two daughters, Mrs. Hays O'Neal, Mineral Wells and Mrs. Jack Deakins, Floydada; two sons, R. A. Maddox, Ventura, California, and C. L. Maddox, San Diego, California; two sisters, Mrs. Robert Mehaffey, Detroit and Mrs. Tom Turner, Alabama City, Alabama, and one brother, R. S. Maddox, Fullbright.

Pallbearers are Henry Edwards, Lon M. Davis, Carr Surginer, W. U. White, Oscar Stansell, O. B. Olson. Flower attendants, Mrs. Charlie Lewis, Mrs. R. C. Wakefield, Mrs. A. E. Guthrie, Mrs. Richard Stovall, Mrs. Kenneth Jeffers, Mrs. D. W. Pyffe, Mrs. Bill Baker, Mrs. Lon M. Davis, Mrs. Henry Edwards.

Volunteers Fill All Calls Made On Local Board

New Call For March Will Take Five Men From Here

Floyd county will furnish five men for a call in March, O. P. Rutledge, secretary of the local board, announced this week. The call will require Texas to furnish 3,400 men on March 3.

The men in this contingent will be required to report at Fort Bliss, El Paso instead of the usual induction station at Lubbock, Rutledge said.

Volunteers continue to fill the regular calls which have been made upon the board, including four men to be sent as replacements on February 14. The replacements volunteering are Hal Owens Thomas, Leo Comer, and Chester Virden all of Lockney, and Charles Denison of Floydada.

Three selectees have volunteered to go on February 7, the secretary said. The men are Ben Ayres, Douglas Dunn, and Walton Henderson. They will be inducted into service at Lubbock.

The March call is designated as "Call No. 5". Floyd county was skipped on calls No. 3 and 4 as these were requests for colored men and no demands were made on this board.

"Considerable confusion seems to have confronted many young men who have reached '21' since registration last October," Rutledge said. "It is not necessary for those who have reached 21 since registration to register until a day is set for them, or a notice is officially given. It is expected that the government will designate a day next fall for all who have reached 21 in the past year to fill out blanks."

Mrs. W. H. Henderson, who has been ill for several weeks with a severe attack of the flu is reported to be able to be up and about her home.

County Wide Drive Sets Record For Celebration

Stovall Stresses Fact That Cooperation Caused Success

Parties, entertainments and activities of various kinds last week marking the president's birthday, netted the Infantile Paralysis fund \$140. R. F. Stovall, chairman for the county, said Wednesday after completing a check-up of income from all sources.

Several communities carried on activities of one kind and another, among these being Fairview, where Mrs. Lee Rushing was chairman and where \$6.90 was realized for the fund; Harmony with Mrs. Marlene Kemp and Mrs. Sam Hale co-chairman, who reported \$8.70; Dougherty where Mrs. Ott Glassmeyer and Mrs. Bill Norman reported \$15.31, Sand Hill with Mrs. G. C. Collins, chairman, \$13.08. Blanco, Mrs. Fulton Finley chairman, \$3.13. Muncy, Mrs. Earl Smalley and Mrs. Bob Muncy, co-chairmen, \$10.63, and Lockney with Hall Nail and Mrs. Wayne Greer co-chairmen, \$42.15.

At Lockney the activities included a benefit picture show, coin collection and dance ticket sales.

Aides other than those named above to whom Mr. Stovall says he is especially indebted are members of the sheriff's department, city officials, L. T. Bishop, J. C. Gilliam, F. C. Harmon, Bill Hams, Donald Thomas, Coach Winter, Emma Louise Smith, J. W. Lanier, Fred Nabors, Geo. W. Sherrill, V. L. Elliott and Chas. Lewis. All of these, and probably others, he said rendered invaluable service. "Everybody was most co-operative," said Stovall, "and the county's infantile paralysis fund, as a result, was one of the largest if not the largest we have ever presented to the president's committee."

RITES HELD AT MATADOR MRS. TUNNELL'S MOTHER

Funeral services for Mrs. Lucy Brackene, 84, of Matador, mother of Mrs. B. F. Tunnell, were held at 9 o'clock, Monday morning at Matador. Interment was made at Gordon. Mr. and Mrs. L. T. Bishop and Mr. and Mrs. C. L. Minor called at the Tunnell home Sunday afternoon to pay their respects to the family and Mrs. Minor was among the friends from Floydada who attended the funeral service.

FEED-SEED LOAN OFFICE OBSERVES NEW HOURS

The Feed-Seed loan office located in the Floyd county court house will observe a change of office hours. Clyde Milam, supervisor of loans, announced today.

The new hours will be as follows: Monday morning, Wednesday morning, Friday (all day) and Saturday morning.

Applications Under Mattress Program Are Needed

"Applications for mattresses and comforts under the 1941 mattress program should be made at once," Miss Edith Wilson, Floyd county home demonstration agent, said Monday.

The rules under which the new program will operate have been changed considerably. One of the more important changes makes it possible to issue as many as three mattresses and comforts to a family, or one for each two persons in a family up to six.

Those who participated in the 1940 program may secure additional mattresses under the 1941 program if there are four or more persons in their family, Miss Wilson said.

Applications will be taken each Monday, Wednesday and Saturday afternoons by a club woman in the ACA offices, or Miss Wilson will take applications when she is in her office, also in the ACA building.

There will be four distribution centers this year. They are Floydada, Lockney, South Plains and Lone Star. Supervisors of those centers are Mrs. T. B. Wilkinson, Mrs. W. H. Nelson, Mrs. Menard Field and Mrs. Herman King.

Rules for eligibility have been outlined as follows: A family will consist of two or more persons living together as an interdependent economic unit. (2) Income must not exceed \$500 per year, plus \$50 for each member of the family, not to exceed four.

SOCIETY

Hostess To Group Of Parents And Teachers For Study

Mrs. B. K. Barker was hostess to the Andrews Ward Parent-Teacher study group Thursday afternoon from 4 until 6 o'clock. Mrs. Barker is chairman and directed the citizenship study, "This World of Ours."

Miss Sybil Poteet discussed, "Youth on its Own" saying, "The process of learning how to be on one's own must be a gradual one. It is the parents' responsibility to see that children are properly prepared for adult living. Youth cannot be on its own without preparation and guidance. The parent's role, then, is not that of a dictator, but that of an adviser."

"Citizens in the Making" was discussed by Miss Margaret Stuart. An interesting point brought out in Miss Stuart's discussion as she quoted from a famous character was: "Happiness grows chiefly out of the satisfaction of being able to do something in which one is deeply interested and being able to do it well. In our nation and every democracy, it is not enough for the individual alone to find the way to happiness. Every person who has found the secret of happiness for himself is obligated to work to the end that others may have the same privilege."

Mrs. Elvin Rainer discussed, "All American" asking the question, "Who Are Americans" and answering it by saying, "Every person in Canada, in Central America and in South America have an equal claim to the title. After all what's in a name? In this case, however, a vital truth is hidden in the name. We are all one in the word, 'America,' and we are all one in fact and in destiny."

Mrs. Elvin Rainer will entertain the group Thursday afternoon, February 13, at 4 o'clock.

Mrs. G. Edd Bond Presents Pupils In Mid-Term Recital

Harvesting, Ginning Of Cotton Good During 1940

Seventy two percent of the 1940 Texas cotton crop was picked and 91 percent taken to the gin dry and in good ginnable condition, says F. E. Lichte, Extension cotton gin specialist for Texas A. and M. college, in a survey of the ginning situation.

This resulted in more than 98 percent of the crop being ginned normal and better, he adds. The figure for normal preparation in 1939 was 94 percent, but the improvement in 1940 of 3 percent translated into folding money meant that farmers and ginners increased the value of the crop more than a half million dollars.

"The ginner is the first processor of cotton," the specialist points out, "and the lint cotton he turns out has a value which cannot be improved afterward, although the value of the bale often is lowered by additional sampling and careless handling."

In 1940, there were 3,056 active and 276 idle gins in Texas, representing a loss of 81 from the preceding year. The loss was chargeable to abandonment, fires, and declining need due to adjusted production. Active gins included 430 co-operatives.

The quality and efficiency of gins were increased through improvement of equipment by manufacturers. Installation of conditioning in 1935 showed, Lichte says, "while our surveys show additions from year to year and the 1940 figures are 500." He suggests that a "conservative estimate of the added value of this equipment gives farmers and ginners more than \$1,000,000 yearly."

The survey shows that 182,220 Texas bales were wrapped with cotton bagging in 1940.

The specialist says that information about the outlook emphasizes Texas farmers and ginners should turn out a quality of cotton that spinners will vie for even with the handicap of discriminatory freight rates.

"Spinners' complaints against cotton include rough harvesting, careless handling, mutilated bagging... which result in great monetary loss to farmers and ginners. This can be over come by greater care and cooperation between farmer and ginner, as well as less sampling and more careful handling of the cotton on leaving the gin yard."

The marketing project in the Victoria area, he says, is a vivid demonstration of proper harvesting, careful handling and good ginning. Twenty gins took part in the program and the final report showed preparation 99.4 percent normal and better ginning.

Keeping abreast of the trend toward long staple cotton in scattered areas, the specialist with two officials of the Federal Ginning Laboratory made a survey of roller gins in order to give growers proper information about harvesting, handling and ginning. The survey showed the following gins and bales ginned: San Jacinto county, 1 gin, 7 bales; Cameron county, 1 double stand gin, 70 bales; Fort Bend county, 6 gins, 360 bales and El Paso county, 12 gins, 2,630 bales.

66 Per Cent Of Texas Wheat Now Under CCC Loans

Texas wheat producers placed 65 percent of the wheat they produced in 1940 under the government loan, receiving an average of slightly more than 64 cents a bushel with protein premiums taken into account.

Of the 29,355,000 bushels of wheat produced in the state last year, 19,039,000 were placed under the Commodity Credit Corporation loan, Charlie L. Thomas, state AAA committee man and Pampa wheat grower, announced. The total amount loaned in the state was \$13,955,523.

Ochiltree county led the state in number of farm-storage loans and the total number of bushels placed under the loan, the committee man said, with 145 farm-storage loans on 398,981 bushels. Addition of 1,689,129 bushels of warehouse-stored wheat brought the total to 2,088,110 bushels for which the growers received loans totaling \$1,556,570.

Hale county was first in the number of warehouse loans, making 1,478 loans on 1,017,159 bushels.

The final report on the loan in the state follows: 727 farm-storage loans on 1,593,216 bushels; 19,021 warehouse loans on 17,446,299 bushels; total, 19,748 loans on 19,039,515 bushels.

Floydada Unit Has State Approval, Officer Told

More Young Men Needed In Unit, Captain Pitts Announces

Home defense units for Texas has been "okayed" by the Texas Legislature in action taken last week. The bill to make the units a legal part of national and state defense was sponsored by Governor W. Lee O'Daniel.

The Floydada unit was one of the first to be authorized, following personal application for the unit by a delegation sent to Austin for that purpose.

The bill also cleared the way for the United States government to furnish the organizations with rifles and other equipment, it has been explained. The bill was introduced as an emergency measure in both houses and received immediate action.

No Ironclad Enlistments
"Discharges from the defense guard will be liberal and reasonable. This is a patriotic and voluntary service, and will not interfere with civil occupation, dependency or change of residence," the adjutant general office has ruled.

A strong drive has been instituted for young men from 18 to 35 to enter the Home Defense units, although men up to 64 years of age are accepted.

"The training will be especially valuable to the young men who are likely to be called into service under the draft law within the next few years," the office has explained.

"The Floydada unit could well use 30 or 36 young men at the present time," Capt. D. H. Pitts, commander of the unit here, said. "We have a nice organization now but need to fill out our company with young men who are willing to get in there and work."

Government Ready to Cooperate
The federal government is ready to furnish the units the following equipment: rifles, 30 caliber 1917 Enfield; gun slings, bayonets, and bayonet scabbards.

A provision for ammunition for the rifles was also included in the bill.

Other supplies will likely be issued if a national emergency is declared which necessitates holding the national guard units in service longer than a year.

If such an emergency is declared, it is planned to introduce a bill at once to provide pay for unit members under the same plan followed by the national guard. Since in fact the guardsmen will be held in regular army service and the units will become official guard units.

Many Applications
Over 190 towns and cities have entered applications for units, and some 60 others have sent in information inquiries.

The Floydada unit has met all requirements, and is completely organized and has approval of the adjutant general's office, it has been explained.

At present due to conflict with basketball games, drill night has been moved to Friday night at 7:30 o'clock. However as soon as the basketball season is closed the regular drill night is expected to be resumed.

Mr. and Mrs. Jess Patterson and Gordon Patterson spent the weekend at Strawn with the Messrs. Patterson's parents, Mr. and Mrs. W. M. Patterson.

Mr. and Mrs. R. L. Nichols and sons, Clyde and James Lee visited in Abilene Sunday with Mrs. Nichols' sister, Mrs. W. H. Sadler and Mr. Sadler.

Lon Davis, Jr., who was best man at the Rushing-Bridges wedding Sunday, left following the wedding for Norman, Oklahoma, where he is a student in the university.

Pike Hanna of the Sand Hill community came home Saturday from Lubbock where he spent several days undergoing treatment in a hospital.

W. N. Paschall left Tuesday morning for Morton where he will build a house for Mr. and Mrs. Gage Knox his daughter.

Preston Badgett and Phillip Price Jr., are among the Floyd county young men who left the first of the week for Fort Worth to enroll for study of aeronautics.

Frank Moore left Tuesday morning for a business trip to Fort Worth to be gone several days.

Residence Fires Are On Increase, Says Fire Commissioner

AUSTIN, February 5.—The average annual fire loss in Texas for the years 1930-39 was \$10,819,790, and the average annual dwelling fire loss in Texas for the same period of years was \$5,321,130 or 49.16 per cent of the total loss, Marvin Hall, state fire insurance commissioner, reported today.

Because of the growing interest in home fires and fire hazards, Hall said he believed it a good idea to focus attention of all home owners in Texas on the importance of the dwelling house fire loss and the desirability of an annual dwelling house inspection by firemen.

"Nothing has been accomplished by the hit and miss method," Hall said. "We must have successful planning of fire prevention if fire losses are to be kept at an annual low figure. Now is the time for each fire department in Texas to organize a permanent fire prevention committee and make plans for an annual dwelling house inspection. It will be too late after the fires have occurred. If absolutely necessary, an annual dwelling house inspection in each Texas city and town can be financed at a reasonable cost, and certainly a very large saving to the citizens in the preservation of human life and property."

The commissioner warned that a sharp upturn had been noted in the number of residence fires. Sixty-five per cent of 107,232 of the total number of 165,180 fires which occurred in Texas during the 10 year period of 1930-39 were dwelling fires.

During 1939, the last year for which complete figures are available, there were 17,710 fires in the state, of which 11,014 were residence fires.

The average annual death toll by fire during the years 1930-39 was approximately 416. Eighty-five per cent of the deaths occurred in residences and two-thirds of the total number of victims were children.

Marketing Specialist Completes Details Closing Cotton Office

All details incident to the closing of the local office of the Cotton Classing and Marketing office in Floydada have been completed and C. C. Swoope, associate marketing specialist, with Mrs. Swoope left the latter part of last week returning to their home in Louisiana.

The office operated in a manner that was "really well pleasing" during the rush of the cotton season and it appears Floyd county farmers profited greatly by the operation of the office it was indicated by local ginners.

Government Report Gives Floyd Co. 13,950 Bales

Floyd county produced 13,950 bales of cotton during the 1940 season according to United States department of Commerce report, released this week. Last year the report gave Floyd 9,930 bales.

Quantities were figured in running bales, counting round as half bales. The period included from January 16, 1940 to January 16, 1941 for the 1940 season.

The state total was estimated at 3,015,748 in 1940 compared to 2,715,166 for 1939.

Totals for other counties:
County 1940 1939

CHICK HATCHERIES BIG ENOUGH TO CROW

Ten years ago the hatchery industry was supplying egg and poultry producers with only about a third of their total chick requirements. "Today," the Agricultural Marketing Service reports, "hatchery chicks make up over 70 percent of all the chicks raised."

Further expansion in commercial hatching can be expected as a result of additional growth in commercial egg and poultry production. Any slackening in demand for chicks for laying flock replacements, brought about by the increased egg production per layer compared with what it has been in past years, will probably be taken up by the increased demand for hatchery chicks for broiler production. Producers of broilers are now buying around 70 to 80 million hatchery chicks during the month of July to December, inclusive, compared with only a fraction of that number during the same period a few years ago.

What Are Your Wishes, Deen Asks

Shall Your Representative At Austin Compromise On Sales Tax?

Representative Tom W. Deen of the 120th legislative district, now in Austin, in an open letter to newspapers of the district last week-end said he found himself in a quandary since arriving in that city and sizing up the situation in the legislature relative to Social Service taxes.

In the letter Judge Deen points out that he openly advocated in his campaign a sufficient tax to meet the needs of old age assistance and other social security demands but equally expressed his opposition to a sales tax in any form.

After arriving in Austin he has canvassed the situation and is positive the senate will not give approval to a tax on natural resources sufficient to meet the demands of social security and that the likelihood is some type of a sales tax will be the only kind of tax to get sufficient support to meet the needs of the social security obligations of the state.

With this in mind he is seeking the reaction of his constituents on the matter. What shall he do, come home empty handed if he cannot get a natural resource tax through the legislature, or shall he compromise on the matter, and as a final resort, vote for some other form of tax, possibly a sales tax, that will meet the situation as regards old age pensions, teacher pensions, blind relief, etc.?

Judge Deen in his open letter quotes freely from the governor's message to the legislature and points out that he is likely to have to make up his mind on the matter soon. He wants to hear from his constituents in the district and asks that they write him their views. He can be addressed at Capitol station, Austin, Texas.

While Representative Deen asks an early hearing from his constituents and if you have definite views on the matter would like to hear from you soon. It is probably true the matter will be one of controversy for several weeks and anything you have to say to him in the next several days would reach him before he has to make up his mind.

Marshall Home Indignant Over Barkley Job

Floydada Plumber Says No Fair About Camp Barkley Situation

L. A. Marshall, at home the first of last week from Camp Barkley, Abilene, is indignant over what appears to him to be inexcusable favoritism shown union men in plumbing, electrical and carpenter work there. He charges in a statement published in Abilene that the union has pulled a fast one and that unless you are a union plumber you cannot long stay on the job in spite of the fact that it is supposed to be an open shop piece of work.

Marshall worked one day at Camp Barkley, most of his day being spent doing work that a plumber's helper is supposed to do, and that he got his slip after four men had been assigned to work that he could have completed himself in a much shorter time.

He left Floydada during the early construction days at the Brownwood camp and before going to Barkley worked through most of the plumbing at Camp Brownwood.

Questioned Mr. Marshall said he did not know whether the government's representatives were winking at any form of connivance or not. Apparently jobs are being sold however, he said, and there is an attitude apparent to make the job last longer and cost most at Barkley. His letter to the Abilene Reporter-News appearing on January 25, suggests that about all that can be done is to ask for more FBI men to investigate the facts. Here are the charges he prefers and the experiences he had as given in the letter to the Abilene paper:

My name is L. A. Marshall. I live at Floydada. I am 56 years old. At home I am a wholesale grain buyer, a plumber and fisherman. I came to Abilene to help do this plumbing at Camp Barkley. I feel somewhat at home here, since I put three sons through Hardin-Simmons university. Two of them are doctors and the third is a county official of our home county, Floyd.

Worked One Day
 At the camp I worked one day and was given a lay-off slip or, in other words, fired. I have done plumbing work for more than 20 years. I worked through most of the plumbing at Camp Bowie at Brownwood.

There is something seriously wrong here at Camp Barkley and it looks very much like these are the facts:

The plumbers union has pulled a fast one and arranged to get union foremen in charge. The results are that if you are not a union plumber you cannot long stay on the job because your work is just not satisfactory unless you paid the \$100 (\$25 per week). This job should last about one month.

This job is supposed to be an open shop job. Union men claim no discrimination is shown but, where practically all the men fired are non-union men, the evidence is beyond doubt.

The result, or reaction, will be detrimental to the union cause. It will cause the plumbing on this job to be falling behind schedule, thereby injuring the future standing of the present contractors, regardless of the fact that union plumbers are shipped in from other states to take the jobs that are rightfully 'Texans'.

It is a penitentiary offense to sell a job for \$10, but if one can sell a job for \$100 or sell 500 of them, it is O. K.

There is at present no appeal from a union plumber foreman. He is king.

I shall give you the experience of my day's work out at Camp Barkley. I signed up at the bull pen, reported for work last Saturday morning and was assigned a set of blue prints to stake off a ditch inside a building for a water line. This was done in about two hours.

Next, I was assigned to building A3 No. 75 in the hospital area. The cast iron soil pipe used on this building was carried from a latrine two blocks away. Of course, this would not fit for our building, however.

The day's work for four of us consisted of caulking not over ten feet of pipe. I could have done this in two hours.

In other words, when you are slated for a discharge slip you are not given any material to work with, but left high and dry with nothing to do and when the inspectors come around you are handed a discharge slip and the boss says "you did not get much done."

So about all we can do is ask for more FBI men to investigate the facts.

I believe I am a typical case. There are many more who have had about the same experience.

GIRL SCOUTS MEET MONDAY FOR STUDY

The Girl Scouts met at the club house Monday, January 27, at 4 o'clock for their regular meeting.

Members present for the meeting were Miss Dorothy Hoyle, sponsor, Venita McCleskey, Betty Yearwood, Ernestine Fowler, Doris Hill, Maurine Medlen, Lajuana Jo Sharp, Kate Sparks, Oragene Willson, Mary Lee Thacker, Dorothy Marie Barton, Phyllis Jean Simon, Mary Lou Bond, Joy McIntosh, Mary Helen Lewis, Bobby Jean Simon, Geraldine Simon, Betty Lou Tye, Ermine Cardinal, two new members, Voncell Redd and Delma Sammann and a visitor, Wanda Freeman.

Mrs. W. A. Cates Gives Garden Instructions To Homebuilders

"First of all the garden must be adequate in size for all your needs. With the Texas Food Standard as a guide, you know how much food you need to produce and you know about how much your soil usually produces." therefore you can plant accordingly, Mrs. W. A. Cates told members of the Homebuilders club in her discussion of the successful home and field garden when they met in the home of Mrs. Raymond Teeple, January 24. Her discussion led on through the fertilization of the soil.

Mrs. Raymond Teeple gave a helpful discussion on "Early and Late Vegetables". Mrs. W. F. Weatherbee gave a parliamentary drill.

Refreshments were served to Mrs. A. W. Dunn, Mrs. D. M. Moore, Mrs. W. A. Cates, Mrs. D. D. Shipley, Mrs. J. D. Eavers, Mrs. John Lloyd, Mrs. P. W. Atteberry, Mrs. C. B. Smart, Mrs. Ed Moore, Mrs. F.  Sponsor: Mrs. L. M. Honea, Lockney.

Reporter: Mrs. D. D. Shipley, Homebuilders;
 Recreation: Mrs. Will Poole, Antelope; Mrs. S. D. Scott, Baker-View.

The district meeting of the home demonstration council will meet April 19 at Plainview. The council members are helping in the crusade of sewing for the Red Cross.

WHAT DO YOU THINK OF THIS FLOYDADA? HOME DEFENSE AT MATADOR

Matador reports that 300 persons have applied for enlistment in their proposed Home Defense unit, and that the unit is drilling twice a week on Monday and Tuesday nights.

The Motley county city is planning to make a strong bid for one of the units, and feel that by having a complete membership with a standing list of applicants they may possibly come in ahead of some towns who are having some difficulty in getting full units.

Floydada men subscribed to the Floyd county unit in a big way when it was first formed, enlistment running far beyond the needed 74 members to put it over.

However, since drill began scarcely over 40 have turned out each week for drill. These who do appear are generally "steady" and are learning fast, officers say.

Mr. and Mrs. J. C. Gilliam spent the week-end at Sweetwater with Mrs. Gilliam's three sisters, Mrs. L. O. Cardwell and Miss Tessa Coleman who reside at Sweetwater and Mrs. C. A. Ballard of Dallas, Mrs. Ballard's son, L. A. Ballard and wife, also of Dallas, were present for the week-end reunion.

Miss Lula Lee Teal who has been attending Tech college, Lubbock, transferred to McMurry college, Abilene. She was accompanied to Abilene by her grandmother, Mrs. S. L. Rushing and Mrs. T. M. Jones, of Lubbock who returned home Saturday of last week.

Weldon Williamson who lives with his grandparents, Mr. and Mrs. W. A. Williamson of the Providence community, came Sunday of last week to spend a week with his mother, Mrs. Oleta, Williamson.

Claude Nichols of Williams, Arizona, came Friday of last week to spend several days with his parents, Mr. and Mrs. R. L. Nichols of the Lakeview community. Mr. Nichols is engaged in the tailoring business.

Mrs. S. G. McRoberts is in Dallas visiting in the home of her daughter, Mrs. R. L. King. Plans are indefinite as to how long she will stay.

Mrs. J. B. Houston returned last week-end from San Antonio where she accompanied her mother, Mrs. M. E. Williams home after several months visit here.

Formby On Important Committees

Senator From 30th District Named To Important Committee Posts

AUSTIN, Texas, January 27. — Eleven committee appointments for the session of the 47th Legislature have been assigned to Senator Marshall Formby of this district. The assignments were made by Lt. Governor Coke Stevenson.

Senator Formby of McAdoo was named as a member of the Finance committee, one of the two most important committees in the senate. The Finance committee, known as the Appropriations committee, passes on appropriations for schools, colleges and other appropriations for the entire state.

Governor Stevenson appointed Formby, who is a 160-acre farmer, as chairman of the important committee on Stock and Stock raising, and as a member of the Agriculture committee.

Other committees Formby was named on besides Finance, Stock and Stock raising, and Agriculture, include Contingent expense, Counties and County boundaries, Criminal Jurisprudence; vice chairman of the Federal Relations committee; Public Building and grounds public debts, Claims and accounts; State Institutions and departments, and Penitentiaries.

Senator Formby was appointed on the Inauguration committee and was appointed by the dean of the senate and the patronage committee in the senate.

Why Spine Is Vital
 THE Spinal Column will stand a terrific strain or carry an enormous load provided the strain or load follows the direction Nature intended. Muscular contractions, bad posture or irregular twists undid the strain or load follows the direction Nature intended.

DISEASE
 AFFECTIONS OF ANY OF THE FOLLOWING NATURES MAY BE CAUSED BY NERVE IMPAIRMENT AT THE SPINE BY A PUBLISHED VETERINARIAN:
 CHIROPRACIC ADJUSTMENTS WILL REMOVE THE CAUSE OF DISEASE

looked for, cause distortion of the spinal segments. The distortion may be only a fraction one way or another yet sufficient to impinge or interfere with normal nerve flow. Such distortion is seldom apparent to an unskilled person.

That is why it is so important to periodically have the spine examined by the Chiropractor who understands spinal balance. It is the apparently insignificant strain, that causes pain only a short while, which so often injures the nerve supply and brings on serious heart, kidney, liver, digestive and other physiological disease.

Rushing-Bridges Vows Sunday

Wedding Solemnized At Rushing Chapel Fairview Community

A double ring ceremony performed at 9 o'clock Sunday morning at Rushing Chapel church in the Fairview community northeast of Floydada, united in marriage Miss Juanita Rushing, daughter of Mr. and Mrs. Lee Rushing and Malcolm Bridges of Big Spring, foster son of Mr. and Mrs. Lon M. Davis, in the presence of several hundred guests.

Lighted white tapers in wrought iron holders and tall baskets of white gladioli and woodwardia fern fronds formed the background for the ceremony. The family section was marked in the center aisle with white satin ribbon tied with large bows and garlands of white gladioli to alternate pews.

Preceding the ceremony, Mrs. Ohmer Willis Kirk played "Largo" (D. Vorak) from New World Symphony and "Liebestraum" (Liszt) and accompanied Dick Hanna, of San Angelo who sang, "The Rosary" (Nevin).

As Mrs. Kirk played "The Bridal Chorus" from Wagner's "Lohengrin" the bridegroom entered from a side door with Lon Davis, Jr., who served as best man, then the officiating minister, Rev. Berry Baker of McAdoo, took his place at the altar.

Bridesmaids Enter
The first of the wedding party to enter from the front of the church were the ushers, Joe Rushing, brother of the bride, and Waldo Houghton.

The junior bridesmaids followed, they were Dorothy Rushing, sister of the bride, who was dressed in yellow net and carried a bouquet of yellow gladioli and three cousins of the bride, Alice Pierce of Canyon, who wore blue net and carried a bouquet of yellow gladioli, Mary Moreman of Lubbock who wore peach net and carried a bouquet of peach gladioli and Joy Jones of Lubbock, who wore pink net and carried a bouquet of orchid gladioli.

Miss Marjorie Kirk and Mrs. O. B. Haught of Denver City bridesmaids, came next, Miss Kirk wore a peach sheer and carried a bouquet of gladioli of harmonizing shade. Mrs. Haught wore a gown of aqua blue mousseline de soie and carried a bouquet of peach gladioli. Miss Sybil Taylor, of Amarillo, the maid of honor, gowned in pink net with a corsage of white gladioli, entered alone just in advance of the bride, who was with her father. All of the bride's attendants carried replica bouquets of pastel gladioli attached to wedding rings made of gold colored satin.

The bride's mother, also Mrs. Davis wore black crepe dresses with corsages of white gardenias and black accessories. Mrs. S. L. Rushing, grandmother of the bride, wore an aqua blue dress with a corsage of white carnations and navy blue accessories.

Bride Wears White
The bride's gown was of white satin, fashioned with full, sweeping skirt and deep, fan-shaped train, long fitted sleeves and a sweetheart neckline. The veil of illusion extended the full length of the train and was held in place by a coronet of shirred illusion and pearls with a spray of orange blossoms on either side. She carried a showered orchid on a white ribbon, her "something new" was a gold necklace, a gift of the bridegroom, her "something old" was a bracelet which was a gift to her mother when she was a young girl, and "something borrowed" was a lace handkerchief which belonged to Mrs. Davis.

As Mrs. Kirk played "Romance" (Sibelius) very softly the betrothal was said at the altar, and Mr. Rushing, who gave his daughter in marriage, retired to his seat.

"The Wedding March" from Mendelssohn's "A Midsummer Night's Dream" was played by Mrs. Kirk as the recessional.

Mrs. Malcolm Bridges is the former Miss Juanita Rushing, daughter of Mr. and Mrs. Lee Rushing. The wedding took place Sunday morning at 9 o'clock at Rushing Chapel church in the Fairview community. Mr. Bridges is the foster son of Mr. and Mrs. Lon M. Davis. The couple will make their home at Big Spring after a ten day trip to Monterey, Old Mexico.

deissohn's "A Midsummer Night's Dream" was played by Mrs. Kirk as the recessional.

Reception Follows
A reception at the Rushing home followed the ceremony. The refreshment table in the dining room was centered with a three-tiered wedding cake in white and blue, placed on a reflector and surrounded with a garland of sweet peas and candytuft. Mrs. Kirk poured coffee and Mrs. S. W. Ross served the tea and Mrs. S. W. Ross cut the cake, after the first slice was cut by the bride. Mrs. Kirk wore a gown of blue and silver lame and a corsage of pink roses. Mrs. Ray Taylor and Mrs. P. O. Connor presided at the guest register.

After greeting the guests, Mr. and Mrs. Bridges left on a trip to Monterey, Old Mexico, the bride traveling in a crater blue wool, redingote, caecail trimmed with black accessories. They will make their home in Big Spring.

Mrs. Bridges, member of pioneer family, is a graduate of Floydada high school and received her degree from Southern Methodist university in June 1940. She achieved much success and many honors during her four years at S. M. U. She held an office in the Woman's Self-governing association, serving as class representative, secretary and vice-president of the organization.

She was elected as one of the twenty Rotunda favorites for two years and was selected by the student council as the Sweetheart of S. M. U. to the A. & M. Cotton Ball. She was a member of the committee of one hundred, made up of students and faculty members, selected by President Umphry Lee to contact the speakers to be brought on the campus for Religious Emphasis week. She was one of the twelve members of the president's cabinet; member of the Theta Sigma honorary dramatics; a member Phi Phi, honorary journalism; a member of Swastika, outstanding social organization; president of the Independent Student association and secretary of her senior class.

Mr. Bridges was graduated from Floydada high school in 1932 and received his degree from Hardin-Simmons university in 1936. He was a star player on the whirlwind high school team and played three

Miscellaneous Shower Honors Bride-Elect

One of a series of lovely pre-nuptial parties given to honor Miss Juanita Rushing, who became the bride of Malcolm Bridges Sunday, was the tea and miscellaneous shower given Tuesday afternoon by a group of hostesses at the home of the honoree's grandmother, Mrs. S. L. Rushing.

Guests were received at the door by Mrs. Malcolm McNeill who wore a black taffeta afternoon dress and a corsage of red roses; Mrs. Robert Carter wearing a two piece dinner dress, the skirt of black velvet and the blouse of white georgette, trimmed in rhinestones; and Mrs. Johnnie Baxter in a gold colored satin dress with a corsage of yellow roses.

The dining table was covered with a hand-made embroidered cut work linen cloth and centered with a bowl of cut flowers in the bride-elect's chosen color scheme of blue and white and made of Wedgewood iris, blue sweet peas, stock and huckleberry, built around triple hearts made of blue satin ribbon. White candles burning at each end of the table furnished the only light.

Serving at the table were Mrs. Dick Fenner wearing a black silk jersey dinner gown with a corsage of Talsman roses and Mrs. Arthur Stewart gowned in black taffeta with a broadcaded blouse, embroidered in gold thread, with a corsage of red roses. Corsages of blue and white sweet peas were presented to each one of the guests.

Assisting in the dining room were Mrs. Edell Du Bois in white net with a corsage of lavender sweet peas; Mrs. F. O. Connor in black net with a sequin jacket and a corsage of white carnations; Mrs. C. B. Lyles in black crepe, trimmed in rhinestones with a corsage of red roses; Mrs. C. P. Looper in black silk jersey with a corsage of ranunculi and silver leaves and Mrs. D. D. Shipley in blue crepe with a corsage of pink carnations.

Mrs. E. B. Chesnut presided at the guest register. She was gowned in black lace and wore a corsage of red roses.

Piano music was furnished throughout the evening by Miss Maurine Hart who wore a cream colored taffeta trimmed in red with a red corsage. In her very gra-

Miss Rushing And Fiance Are Honored At Dinner Saturday

Mr. and Mrs. Ohmer Willis Kirk entertained with a buffet dinner Saturday evening, complimenting Miss Juanita Rushing and Malcolm Bridges who were married Sunday morning, concluding a series of pre-nuptial parties given during the past two weeks to honor the bride-elect.

Blue and white were the predominant colors in the appointments of the lovely affair. Cut flowers consisting of white candy tuft, white carnations and blue iris and blue cornflowers were arranged throughout the entertaining rooms and the dining table was centered with a plateau, containing a miniature wedding party, and an arch of white forget-me-nots over the figurines. The center arrangement was flanked with lighted blue candles in crystal candelabra. The table was covered with a handmade imported cloth and at one end of the table was placed a silver service from which tea and coffee were served by the bride-elect's mother, Mrs. Lee Rushing. Mrs. Kirk was assisted in serving by her daughter, Patricia.

The desert course consisted of individual wedding cakes in white and blue and brick ice cream molded into heart shapes and topped with blue cupid and wedding bells in blue and white.

Members of the wedding party were guests. Attending were Mr. and Mrs. Rushing, Mr. and Mrs. Lon M. Davis, Mr. and Mrs. S. W. Ross, Rev. Berry Baker of McAdoo, Waldo Houghton, Dick Hanna of San Angelo, Lon M. Davis, Jr., Miss Sybil Taylor of Amarillo, Mrs. O. B. Haught of Denver City, Miss Marjorie Kirk, Miss Rushing and Mr. Bridges, the host and hostess and Patricia.

Mrs. Troy Leonard entertained with a 6 o'clock dinner Wednesday evening, January 29, complimenting Mrs. C. T. Scott, before her departure for Corpus Christi, where she and Mr. Scott plan to make their home in the near future.

White was observed in the table appointments and decorations, with a bowl of white sweet peas for the centerpiece, flanked on either side with white candles. Each guest was presented with a corsage of white sweet peas.

Guests included Mrs. Roy Nabors, Mrs. J. H. Myers, Mrs. Lindsey Grabah, Mrs. A. J. Cline, Mrs. Odell Winter, Mrs. Clarence Foster, Mrs. Walter Travis, Mrs. B. Hatley, Mrs. Conner Oden, Mrs. R. T. Roane and Mrs. Scott.

One Variety Committee Meets

Requests Sent Immediately To Department Of Agriculture

A dozen members of the Floyd-Hale one variety cotton program met as a committee Monday and drafted a resolution to the U. S. Department of Agriculture for renewal and continuation of the one variety project in this area.

The petition set out in part: "Since the one variety cotton program has spread to the adjoining counties of Briscoe, Swisher, Castro, Hale, Crosby, Dickens, Motley and Lamb, it is only natural to expect that these counties will wish to cooperate in the one variety program, and we hereby request the privilege of changing the name from Floyd-Hale One Variety Cotton Improvement association to South Plains One Variety Cotton Improvement association. As we received some 6,000 bales in this program in 1940, it would be very conservative to estimate that with the increased acreage that has developed in this area that from 20,000 to 25,000 bales could be expected for the 1941 marketing season.

"We recommend that the approved variety for the South Plains One Variety Cotton Improvement Association be Paymaster and Jennings Cotton."

It will be necessary for the person taking part in the program to present a bill of sale proving that he has purchased an approved variety of cotton, according to the petition.

No producer would be eligible to take part in the program unless his entire acreage was devoted to one of the approved varieties.

Other items set forth were (1) a West Texas ginning laboratory (2) improvement of ginning and operations (3) continue use of "press box" sample system (4) use of cotton bagging (5) continuation of net weight trading.

(6) Classification by government classer at Floydada, (7) continuation of marketing service price and quotations and marketing information, (8) approved methods of tagging the one variety cotton.

(9) Suggested that two or more buying firms be given opportunity to purchase cotton in this area, (10) bale weight remain at 400 to 565 pounds.

These resolutions were sent immediately to the proper authority. Those present for the meeting were Joe Jennings, Aiken; G. B. Johnston, Lone Star; G. C. Collins, Sand Hill; G. R. Street, Providence; Herman Stowe, Aiken; R. E. Patterson, Lockney; J. E. Newton, Dougherty.

TECH ATHLETIC COUNCIL MAKES CHIESS GAME OF COACH SELECTION

Over at Texas Tech where there is no head coach, no line coach, no freshman coach, or even a graduate manager, the athletic council is having the time of its life exercising its prerogative of dilly-dallying around.

The council's press reports read like Berlin war news, and are just about as convincing. All told, Texas Tech followers, fans, well-wishers, and others interested are getting awfully tired of the athletic council's fiddling around.

No doubt the council figures on a "smash" announcement when they do condescend to name their choice... but they have outwitted the patience of everyone concerned.

To date the council has interviewed some coaches, made "no comment," unofficially seems determined to meet Saturday, and have indicated that they hope to make their recommendation this week or next.

Out of over a hundred applications the council claims to have whittled it down to "eight or nine." It seems doubtful if the council knows who these "eight or nine" are, however.

M. W. WHITLOW LEAVES FOR NEEDLES, CALIFORNIA TO RESTORE HEALTH

M. W. Whitlow, who was in the hospital here for several weeks with pneumonia, left Tuesday, January 28 for Needles, California to make his home with his nephew, R. E. Whitlow and family.

The latter Whitlow came last week to help his uncle make arrangements to return home with him. They hope that a change of climate will help restore Mr. Whitlow's health.

HARMONY COMMUNITY PARTY

The Harmony Home Demonstration club entertained the community Friday night, January 1 at the school house with a well planned party. The purpose was to raise funds for the Infantile Paralysis Foundation and a nice amount was realized. Mrs. Sam Hale and Mrs. Mariverna Kemp were in charge of planning the general details of entertainment.

Festivities began with an informal weiner supper served in the club room. This proved to be a very enjoyable feast. Following supper, the guests played several games of progressive 42 and Chinese checkers. The children were entertained with contests and a game of Anagrams. About sixty-five guests were present.

The next regular meeting for the club will be February 13 at 2 p. m. in the club room. Home Demonstration agent Miss Edith Wilson is scheduled to be with us and bring the demonstration on the Kitchen Background. All ladies of the community are invited to be present.

As A Farm Woman Thinks

Nettie Will Spikes

Why can't we humans enjoy this lovely weather we are having without dire forebodings for the future. "We will have cold weather, yet," we sigh and do not notice the beautiful day for fear the next will be bad. One thing about it, every day the bad weather is postponed just that less time for old Man Winter to blow his bitter breath from the frozen regions of the north.

For it is cold up there this very interesting letter from Alaska tells me. "We were fifty-four days without mail," so writes Mrs. Belle Shellabarger of Skwentna, Alaska. "We have had such nice weather here, hardly below zero, until Christmas. It dropped down to 25 below zero Christmas day and kept on going down to 38 below. That is terribly cold. It hurts to breathe and everything you touch is so cold it burns you."

"I canned eighty quarts of moose meat," she continues. "It doesn't get daylight here until about ten o'clock and it is dusk by three. I will be glad when the long days come, daylight all night then. Anchorage is a boom town. Over 1000 soldiers came up last week and 1000 due next. There are 4000 soldiers at Fort Richardson, Anchorage and close to two thousand men working on the air base." So our Uncle Sam prepares for defense in the cold north.

It has not been cold enough to really enjoy the new seed catalogues. It needs nights and days cold and stormy without and a warm fire within to sit in a comfortable chair and look at gay flowers and no less gay vegetables. The actual work of digging, hoeing weeds and watering seems so far away and content as you sit and lazily turn the leaves. These days are so warm you should really get out and dig up ground and plant shrubs. Only yesterday I went to the garden and got fresh tender mustard greens, round crisp turnips with their equally crisp green tops.

I got to wondering how women of long ago got so much work done with no more conveniences than they had. In the first place they did not go so much and their work was made to leave off useless things. When the table was cleared, the dishes washed, they were set in place again on the table, knives and forks tucked primly under turned over plates, spoons were put in a holder. A turning castor held the condiments. The older children looked after the younger, extra beds were kept ready for the always welcome guest. It seems like they had time for grace to be said before each meal and time to read a bit of God's word and have prayer before early bed-time. Are we losing sight of many good things our ancestors found so useful?

Roses red, violets blue, sugar is sweet and so are you. Well I am just getting a little sentimental because Valentine day is so near.

Walking down the long corridor of a hospital the other day, I saw two rather young men, dressed in clean dusty blue overalls, peering

in the glass door of the baby ward. They were smiling and talking softly. I stood and looked in also. A very young baby slept in his bed near the door, only a number to tell who he was. One of the young men smiled at me and said, "That one is a pretty young un, isn't he?" leaving me to wonder of the child was his, or was he trying to see over in another crib?

If the radio people have to use the old songs, why, oh, why don't they sing them like they were written to be sung? Just now Old Black Joe is being butchered in a new manner. Every day someone learns a new way to ruin the melody of the old songs. Why can't they write new ones and sing them like they wish? It reminds one of naughty children drawing ugly lines on the faces of the men and women in the old family album. What was once good, fine and true in days long gone, in my humble opinion, is still good, fine and true, even the songs.

Agriculture Income For Texas During 1940 Is Higher

AUSTIN, January 27.—Cash income from agriculture in Texas during December is computed by the Bureau Business Research at \$23,917,000 an increase of more than 13 per cent over December a year ago.

For the entire year, 1940, farm cash income as computed by the Bureau, totals \$423,642,000, as compared with \$398,187,000 in 1939. Complete data on truck shipments and local marketings will bring these figures to an estimated actual income of \$465,000,000 for 1940 as compared with \$438,000,000 in 1939. Government subsidies push the totals to approximately \$575,000,000 for 1940 and \$550,000,000 for 1939.

Despite the drab outlook for cotton marketings, Dr. F. A. Buechel, Bureau statistician, predicted agricultural income would continue to increase.

"Contributing to the moderately optimistic outlook are the favorable moisture conditions which now prevail throughout most of the state and the rising tendency of prices for a number of important Texas farm products," he said.

Income for 1940 in the crop reporting districts in North-West Texas, was estimated by the bureau as follows:

Table with 2 columns: Districts, 1940, 1939. Amarillo \$37,842,000 \$35,844,000; Lubbock 36,644,000 33,460,000; W. Falls Abil. 48,189,000 39,498,000

Hen Butler of Amarillo accompanied Mary Kay Daniels home to spend last week-end with Mary Kay's parents, Mr. and Mrs. J. V. Daniels. Both are students at Tech college.

Jennie Lou Harper, who is taking a beauty course at Lubbock, spent last week-end with her parents, Mr. and Mrs. E. E. Harper.

Ruth Simpson, student at W. T. S. C. at Canyon, spent last week-end with her parents, Mr. and Mrs. Horace Simpson.

Leonard Finley of Albuquerque, New Mexico came last mid-week for a visit with friends and relatives.

County School Board Holds Two Sessions During Week

Floyd county school board held two sessions this week. The first one was held Monday, and a special session was called Tuesday to take care of extra business.

Monday the board accepted the resignation of J. O. Dudley, trustee of Hillcrest school, and copies of the contract of Amos L. Hitehey, bus driver Prairie Chapel, gave Cedar Hill trustees permission to sell an unused horse shed to the highest bidder, and accepted the bus route from Edgin to Quitaque.

Tuesday the board drafted a resolution opposing the recommendations as set out by the Governor's Education committee, and copies of the resolution were mailed to W. Lee O'Daniel, L. A. Woods, Marshall Formby, and Tom W. Deen.

The board also voted to reclassify Aiken to 7 grades instead of the present 8 grades; John Lewis appointed Hillcrest trustee, and a number of bonds were approved.

Board members present were J. W. Howard, J. T. McLain, P. S. Byars, E. C. Durham and Earl Edwards.

Floydada Home Ec Counts Another Milestone of Success

Organized in 1924 With Mrs. Lucy Clements Instructor

One Hundred Fourteen Girls Enrolled In Present Classes

The Home Ec. department of F. H. S. has passed many milestones on the upward trail since it was first established in 1924. In that year Mrs. Lucy Clements was Home Ec. instructor. She is given the credit for founding this work in our school. Since then it has become one of our outstanding subjects.

In 1926-27 and in 1927-28 Mrs. Clements had complete charge of the department, and her enrollment reached the peak of 55 in 1928.

During the school year 1928-29 Mrs. Clements and Miss Lucille Hill had charge of the department. The enrollment continued to increase.

In 1929-30 Mrs. Odus Stevens and Miss Hazel Tyson took over the department and the number of classes increased to five with an enrollment of 66.

The next year, Miss Tyson became the bride of Richard Stovall, and continued to assist Mrs. Stephens in this work. In that year four classes were formed, with a total enrollment of 49.

Mrs. Stovall and Mrs. Stephens also served as instructors in the department during the next two years. In 1931-32 the 63 students were divided into 5 classes. In 1932-33 4 classes were taught; 53 girls were instructed.

During the next year, 1933-34, Mrs. Stovall had complete charge of the

department. She instructed 72 girls, divided into 4 classes.

In 1934-35 Miss Mary Wilbanks served as Homemaking instructor teaching 62 girls the first semester and 83 the second. These were divided into 4 classes.

Miss Fannie Mae Rees was employed in 1935-36 to assist Miss Wilbanks. Miss Rees had charge of the clothing department and taught 46 pupils divided into 3 classes. Miss Wilbanks took care of the foods department; she also taught 3 classes.

In 1936-37 Miss Rees had charge of the department entirely, although she taught 106 girls the first semester and 104 the second. These students were divided into 5 classes.

Miss Lois Fouts was employed the following year 1937-38 and she and Miss Rees taught 132 girls, dividing them into 4 classes.

Miss Fouts and Miss Rees also taught in 1938-39, with a total of 197 girls enrolled, and divided into 6 sections.

This was the last year Miss Fouts taught in the department. She acquired the position as Home demonstration agent of Cochran county. On January 5, 1941 she married James St. Clair; the couple make their home in Morton.

Miss Pauline McCarty of Munday took over the work formerly conducted by Miss Fouts during 39-40. She and Miss Rees taught 7 classes with a total enrollment of 106. On April 12 Miss McCarty came the bride of G. W. Russell, commercial teacher of F. H. S. and at the end of the school year she and her husband moved to Denver City, to make their home. At present she is employed as school secretary in the Denver City High school. Mr. Russell teaches there.

June of 1940 Miss Rees became the bride of Murrell Parsley, student minister of Plainview. She taught until Dec. 4, 1941 Miss Georgia Mae Hall of Rio Vista, came to assist Miss Wren. She formally taught at Olden, Texas.

Miss Lois Wren of Littlefield is now head of the department and has charge of the clothing department. She formerly taught at Paducah and is a graduate of Texas Technological college at Lubbock. Miss Wren and Miss Hall teach 7 classes at present with a total enrollment of 114.

FRESHMAN CLASS PRESENTS ASSEMBLY PROGRAM WED.

The Freshman class and their sponsors, Miss Sudie Miller and Miss Georgia Ann Hall were in charge of the regular assembly Wednesday, January 29.

The program consisted of several musical numbers, a play "Pa Gets Took," and a boxing match in which the smallest man won.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion. Creomulsion blends betch wood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Nine Seniors Introduced This Week

Shadow And Spy Are Replaced With Plain Old Wooden Box

Drop Box Now Provides Avenue Of Gossip For Students

Come one, come all, just drop in a nickel and out of your old gossip box comes gobs of gossip. Here's the nickel and here's the rumors of F. H. S.

Dillon Patterson is still an American, but he has acquired a Chinaman's nickname. Not Wang Lung—but something of the sort. Here's another result of note-writing.

Some inquisitive little boy (or girl) wants to know why Robin Griffin is always looking to his right during algebra class.

Another New Years resolution broken. For information ask Evelyn Elliott and for reference use McMurry Chanters.

Joe Rushing was found a three timer according to these "fortune tellers." How can he be three girls' next dates. There ought to be a law against it.

Maybe these boys ought to be informed. Doyle Walls took first place in one girl's "fortune."

Whispers have circulated that Bill Owens and Overlene McLain were disappointed in the weather one night last week.

A new romance has sprung before Spring. Edgar Owens and Loretta McAdo are the victims.

This one is worth two nickels. Floy Gene Hale, LaJuana and Evelyn didn't get as far as the basketball game last Thursday night. It seems like they were taken in by some of those "handsome" chanters.

If you happen to run across something "new" this week don't forget the "box."

First Year Homemakers Hold Club Meeting Friday Afternoon

The first year Home Ec club met January 31, the 6th period. Mary Frances Jones took charge of the program. First on the program Joy Cardwell lead in singing "God Bless America" and a round of "Row-Row-Row Your Boat" and "Three Blind Mice."

Miss Hall and Miss Wren each played a piano solo. Ruby Poore gave a reading "The Height of the Ridiculous." Allene Tinney sang "The Same Old Story" "You Got Me This Way" and "Oh, Johnny."

Irene Wisdom gave a reading. A piano solo was played by Peggy Jo Bishop. Tella Joe Smart gave a story. Doniece Cline, our president, dismissed us.

McMURRY CHANTERS PRESENT PROGRAM AT HIGH SCHOOL

McMurry Chanters gave a program in the Floydada High school auditorium January 29 as the regular assembly program.

The Chanters are a choral group of students from McMurry college under the direction of Mr. Wylie. The students of F. H. S. applauded the singers until the rafters rang. The seniors were asked to stay after assembly to talk to the chanters.

WHITE PHARMACY

Teachers Are Human

(Editorial)

A teacher is a human being! Yes, students, that's really true. The teachers have feelings of their own. Their feelings and their rights are to be respected. "Getting by" with a thing which a teacher has forbidden isn't being intelligent or cute. Although a person may not be punished when caught they are lowered in their teacher's estimation. Chewing gum, throwing things, talking and other misdemeanors are not paying propositions.

It seems that since the beginning of time it has been the custom of the pupil to do as much mischief as possible in order to tease or aggravate the teacher. Why not establish a new custom or habit?

Why not learn to respect the teacher and her wishes, just as we would have the teacher respect ours? The teachers are not unreasonable and their requests are likely to help rather than hinder. Give them cooperation and gain by it.

Col. R. P. Smyth, Civic Leader Of Plainview Died Sunday

PLAINVIEW, February 4. — Col. R. P. Smyth, 85 year old Plainview civic leader, died Sunday night at the Veterans hospital in Amarillo following a two months illness.

Colonel Smyth surveyed and named towns in the West Texas plains area and was once elected to the Legislature, but didn't hear about it for three months.

Colonel Smyth was born in Austin and grew up to be a surveyor, legislator, lawyer, and soldier. He moved to West Texas in 1887 and two years later set up an office here. He surveyed an named Happy, Tulla, Hale Center and Emma. He surveyed many other town sites.

He was graduated from Texas Military Institute in 1877 and served

ed a brigadier-general in the Texas Volunteer guard. During the Spanish-American war he commanded troops on the Rio Grande with the rank of colonel.

In 1896 he was elected to the legislature from a district embracing 36 plains counties. He was surveying for the KIT ranch at the time and did not learn of his election for three months. He was elected for a second term in 1924.

Colonel Smyth was prominent in Masonic circles and in the Presbyterian church. He was mayor of Plainview from 1932 to 1934.

Rites For Mrs. Smith Held At Big Spring Tuesday Afternoon

Funeral rites for Mrs. Annie L. Smith, prominent churchwoman and teacher of Big Spring and sister of Mrs. J. D. McBrien and A. T. Hull of Floydada, were held Tuesday afternoon at 1:30 o'clock at the East Fourth Street Baptist church at Big Spring. The body lay in state there for an hour in advance of the services, conducted by the Rev. R. Elmer Dunham, pastor, assisted by W. C. Blankenship, school superintendent, and Dr. W. R. White, president of Hardin-Simmons university. Mrs. Smith died Monday morning at 2:30 o'clock.

Interment was made at Snyder where a brief service was conducted by the Rev. G. W. Parks, pioneer Roscoe Baptist minister.

Mrs. Smith was born in McLennan county on March 6, 1888. She was married to Algie Smith November 12, 1927, and had lived in Big Spring 13 years. For the past 12 years she had been teaching in the Big Spring schools. She was superintendent of the primary department of the East Fourth Baptist
