

The Floyd County Hesperian

VOLUME 48

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 9, 1941

NUMBER 35

Vote Nov. 8 on Pre. One Road Bonds

Clearing Decks For Defense Food Canvass

Goal To Increase Essential Production, Curtail Unneeded Surpluses

Speeding up work to get 1942 AAA allotments to farmers by November 1 is the gigantic task facing county offices now. A. A. Hoots, secretary of the Floyd county AAA committee, announced this week.

Allotments are being issued about six months before the usual time since all decks must be cleared for the house-to-house canvass in the national defense program, the AAA official said. The farm plan sheet method, through which farmers plant crops for maximum payments under the AAA program, will be used by committeemen in the feed and food campaign.

Since greater production of milk, eggs and other food stuffs, are being asked of Texas farmers, county goals will be announced in a few weeks, Hoots said. Secretary of Agriculture Claude R. Wickard outlined details of the defense program to southern agricultural workers in Memphis, Tenn., September 29 and 30.

Flexibility of the AAA program to curtail production of surplus commodities and at the same time increase production of commodities essential to defense needs is evidenced in the 1942 AAA program which has been designed to meet a national emergency, Hoots said. Cotton, wheat, rice and peanut allotments will be established as in former years but no general allotments will be made because of the increased emphasis on feed and food. Allotments will also be established for commercial Irish potatoes.

When details of the 1942 program are received, educational meetings will be held in the various communities, the AAA official said.

Football Tickets Upped By New Federal Tax

The price of admission to football games in District 4-A of the Inter-scholastic league (as well as in all other districts of the state) are up 10 per cent since last week.

The answer is the federal tax which went into effect October 1. Local officials intended to absorb the tax in the price of admission agreed upon by league officials at the beginning of the season. However, this will not be permissible, Walter Travis, superintendent of schools said this week. Fortunately, under the circumstances, no home game was played here last week-end, saving officials the embarrassment of failure to comply with the law. The same admission price, with tax added, now in effect:

Adults 50c plus 5c tax, 55c
High school students 25c plus 3c tax, 28c
Ward school students, 10c plus 1c tax, 11c

The next game on Western field will be on October 24 when the Whirlwinds will have as their opponents the Paducah Dragons.

EARL ODEN WILL MANAGE LAKEVIEW GIN THIS SEASON

Earl Oden will be manager of the Lakeview Gin Company this season. J. E. Newton announced this week. The gin is being put in condition for the season's run as are other gins of the county.

Contract For 231 Miles Of New Rural Electric Lines Let By Floyd Co. R. E. Co-Op Tuesday

Rinehart & Donovan of Oklahoma City was awarded the contract of \$110,453 to erect a total of 231 miles of rural electric lines for Floyd County Rural Electric cooperative incorporated, that will serve five counties. The board of directors opened bids Tuesday.

Harry N. Roberts of Lubbock, consulting engineer, was present at the opening and tabulated bids. Bids on several alternates were received. They were: (1) solid copper wire, conventional transformers; (2) solid copper wire, CSP transformers; (3) copper weld wires, conventional transformers; and (4) copper weld wires, CSP transformers.

The tabulated bids by firms ran as follows: Rinehart & Donovan—(1) \$130,355; (2) \$129,751; (3) \$120,007; (4) \$119,453. To Start Soon
Walco Engineering and Construction company, Tulsa—(1) 129,969;

Geo. M. Finkner Heads United China Relief Drive For War-Weary Refugees In Asia

Chinese Independence Day—Special programs in the interest of United China Relief will be observed in the schools and colleges of Texas on Friday, October 10, the thirtieth anniversary of the independence of the Republic of China. Contributions to aid the millions of Chinese children who have been left homeless and starving through Japanese invasion will be taken up in the schools on that day. Shown in the picture are Chinese Vice Consul Tsin-Lon Ouang of Houston and his wife holding the Chinese flag, which will be prominently displayed October 10. Colors are red, white and blue, representing the white sun, the blue sky and the red earth of China.

Escapes Serious Injury In Fall From Windmill

Clay Muncy, who fell from a 35-foot windmill tower south of Cedar at the Muncy lease last Saturday afternoon at 2 o'clock, was sufficiently recovered to day to return from the hospital to his home.

Miraculously he suffered no broken bones of the back or limbs and few bruises remained this week, hospital attendants at Floydada hospital said.

Muncy does not recall the fall. With Herbert Meredith he had gone to the lease. Meredith was inspecting a binder while Muncy climbed the tower to look for cat-tle. He recalls going through the tower platform manhole.

He is believed to have lost consciousness either before he fell or in the flight to the ground, striking the ground limp and relaxed. Meredith went for help, called for medical aid and an ambulance. Muncy was rushed to Floydada in a Harmon ambulance, badly shaken but conscious. Check-ups at the hospital revealed there were no broken bones. By Wednesday Muncy was regaining normalcy fast and is expected to be out of bed shortly.

Texans will help the Chinese in a material way in the celebration of the thirtieth year of their independence and the founding of the Chinese republic.

Floydada will join in, it was announced this week by Nathan Adams, of Dallas, state chairman of the drive, as he appointed Geo. M. Finkner as leader in the campaign to help the war-worn women and children, refugees by the hundreds of thousands from the relentless war being waged by the Japanese.

Mr. Finkner this week is perfecting his organization and hopes that people of the community will contribute materially to the fund. Four members of the committee to serve on the campaign committee with him were announced yesterday by Mr. Finkner, with other names to be added. Mrs. L. J. Welborn of the Garden club, Mrs. John Hoffman of the 1929 Study club, Mrs. E. L. Angus of the 1922 Study club and N. W. Williams of the Rotary club have accepted places on the committee Mr. Finkner said.

Milking Short Horn Royalty To Plains

Milking short horn royalty that horn history in the southwest, is with good fortune will make short-coming to the south plains soon. This royal scion of the Milking short horn breed is a red calf Wachusett Crusader, calved on July 26, and consigned to Judge Alton B. Chapman from the Machusett Meadow farm, Princeton, Massachusetts.

The calf is a son of the first prize bull calf of the Eastern States Dairy show in 1940, his dam being the senior and grand champion of the same show in 1941. His pedigree runs back for many generations for prize winning type and production.

JOE DOLPH MONTGOMERY NOW TEACHING ENGLISH IN ANCHORAGE, ALASKA

Joe Dolph Montgomery, who went from the states to Alaska in July to work at the government air base, is now a teacher of English in the ninth and tenth grades of the Anchorage Public schools, a letter received this week by his mother, Mrs. W. M. Dorsey, said.

Mail is slow arriving from Alaska. The letter said that he had been teaching since early September. He is in the draft age, registered at Ft. Collins, Colorado, where he was in school when the first draft was made. However, his number has not been called as yet and his name was far down the list.

Setting Up Food Stamp Program In The County

Area Supervisor In Conferences Here, Forecasts Nov. 1 Beginning

Wynn S. Goode, area supervisor of the Surplus Marketing administration, with headquarters in Wichita Falls, is here this week putting in motion the machinery for the inauguration of the Food Stamp plan in Floyd county.

In a series of conferences beginning Monday night after his arrival Monday afternoon, Goode has been setting up the local machinery of Stamp plan distribution of foods which will take the place of distribution through the commodity office to relief clients of the county. Welfare agencies and county officials sat in the first conference, which was followed Wednesday by a conference with food distributors of the county, and by the interviews with retail food store managers.

Henderson Issuing Officer
Clyde W. Henderson last week was named issuing officer by the Commissioners court. This week he was helping to lay plans for the new set-up and receiving instructions in methods of handling and accounting for Food Stamps. The county is setting up a revolving fund of \$2,000 estimated to be sufficient for the needs here.

County and city officials were advised last week-end by Senator O'Daniel and Congressman George Mahon, as well as by the Surplus Marketing administration out of Washington—that the county had been officially placed on the list of Food stamp counties.

Goode yesterday estimated the details and preliminaries would be finished by November 1, when it is hoped to inaugurate the plan here.

CLAY ANDERSON RETURNS HOME AFTER BRIEF STAY AT SAN DIEGO, CALIF.

Clay Anderson has returned home from San Diego, California, where he went two weeks ago in company with Mr. and Mrs. Shorty Barker. He didn't like the outlook in the Southern California city, he said, and was away from home only a week.

Anderson this week announced a connection in automotive shop service at the S. J. Latta implement house, and will have charge of shop work there.

Brave Woman Slays Rattler With Stick

Rev. G. W. Tubbs was very proud of his wife this week and boasted of her bravery when he told about her killing a 5 1/2 foot diamond rattle snake which had nine rattles and a button.

Mrs. Tubbs found the snake near an old straw stack where she had gone to gather eggs late in the evening. She picked up a stick and killed the snake. When telling about it Rev. Tubbs said "it makes me afraid yet to think what if she had missed her aim with that first lick, but she is a brave little woman." Mrs. Tubbs is 77 years old and weighs less than 100 pounds.

Rev. Tubbs said that was the first time he had seen that large a rattler on the Plains in many years.

Funeral Tuesday Marks Passing Of Dr. Lon V. Smith, Veteran Practitioner Who Died Monday

Funeral rites Tuesday afternoon at 2:30 o'clock at the First Methodist church marked the passing of Dr. Lon V. Smith, veteran physician and surgeon at the age of 61.

Accented by the eulogies of the funeral orator and the tears of hundreds of friends who gathered in the church to pay their last respects, the simple rites were joined in by high and low of this and many surrounding communities.

Death came to the retired physician Monday morning at 7:30 o'clock in Plainview sanitarium. Ill for more than a year of a diabetic condition, his condition became grave Friday morning. He was taken to Plainview where he was placed in an oxygen tent in an effort to overcome heart and breathing impairments.

His wife and daughter Emma Louise and brother, Dr. G. V. Smith were with him at the time of his death.

Rev. I. A. Smith, of Snyder, a former pastor, preached the funeral. Rev. T. Breedlove, pastor of the First Methodist church, Rev. L. A. Doyle, pastor of the First Baptist church and Rev. N. E. Tyler, formerly pastor of the Church of the Nazarene, assisted in the last rites. Numerous places of business in the community were closed during the service and many local and neighboring city members of the medical profession were present to pay their respects. Pallbearers were Ben G. Morton, W. U. White, W. S. Goen, Glad Snodgrass, Dr. C. M. Thacker and N. W. Williams.

Veteran of Many Years
Associated with his brother, Geo. V. Smith, the deceased physician and surgeon traveled thousands of miles to visit the sick in thousands of homes in all kinds of weather in an area covering portions of four counties during a period of years dating back to 1907 when Smith & Smith first began their practice on the east plains. Rev. I. A. Smith pointed out in his eulogy for the departed.

Surviving the deceased are his widow, one daughter, Emma Louise, two brothers, Dr. Geo. V. Smith, Floydada, and H. E. Smith, Jr., New Orleans, and one sister, Mrs. A. R. Taylor, Arlington.

A native of Houston, Mississippi, Lon V. Smith came to Texas as a child with his parents, the Rev. and Mrs. H. E. Smith and grew to manhood in Wise county, where he began to practice of medicine. He was married on March 29, 1916, to Miss Barbara Hawkins of Chicago, and they have made their home here since that time.

Interment was made in Floydada cemetery. Harmon Funeral home had charge of arrangements.

ATTENDED THREE-DAY CONVENTION OF J. C. PENNEY MANAGERS

Walton Hale attended the state convention of J. C. Penney store managers at Fort Worth Thursday, Friday and Saturday.

He was accompanied by his wife and daughter Floy Jean who visited her brother N. H. Vick and Mrs. Vick of Fort Worth and a sister Mrs. Floy Dean of Dallas. They spent Sunday at Thorp Spring visiting their parents Mr. and Mrs. O. R. Vick and Mr. and Mrs. W. P. Hale, returning home Sunday night.

Dr. L. V. Smith, veteran physician and surgeon of the plains area, who died in the Plainview hospital about 7:30 Monday morning after brief illness, had been active in the practice of medicine and surgery here since 1910. Funeral rites were held Tuesday afternoon.

Six Boys Listed For Induction October 16

Six Floyd county boys have been notified they will be inducted into military service on October 16, going to the Fort Bliss reception center. They are:

- George Mendal Wharton, No. S-560, Petersburg;
- Clarence David Hartley, No. S-573, Lockney;
- Warren Irvin Allen, No. S-586, Floydada;
- Carl Thomas Campbell, No. 630, Burkburnett;
- Hershel Moor Marris, No. 644, Lockney;
- Newsome Dougherty Wisdom, No. S-651, Floydada.

The call is Number 25 for the state. Four of the boys called up for service are trainees who registered on July 1, of this year, two being in the first registration.

MRS. A. P. MCKINNON HOME FROM EXTENDED TRIP TO COLORADO

Mrs. A. P. McKinnon in company with her daughter Mrs. R. F. Kirchner and Mr. Kirchner returned to Floydada Wednesday of last week after a two-months stay in Colorado.

Mr. and Mrs. Kirchner left Thursday for their home in Dallas.

Mrs. McKinnon visited many interesting places while gone including Mt. Evans, the 14,000 foot mountain peak, said to be the highest auto road in the world.

Hearing Monday Brings Out Pro And Con Views

\$125,000 Issue Petitioned For Building Hard-Surfaced Roads

Vote by property taxing electors in the six boxes of Commissioners Precinct No. One on a proposed bond issue of \$125,000 for the construction of hard-surfaced roads in the precinct will be held on November 8.

Order of the Commissioners court calling the election was entered Monday afternoon following the hearing held beginning at 10 o'clock in the Commissioners' court room and continuing until 2:30 in the afternoon.

Pros and cons of the proposal were brought out in the hearing, with active opposition indicated but also active support. A two-thirds majority vote will be necessary for the issue to carry.

Petitioned In September

Proposal in the petition to the court filed early in September is that the bonds be issued in an amount not to exceed \$125,000, bearing interest at a rate not to exceed 3 1/2 per cent and for maturity dates not to exceed 20 years. The precinct is being offered money at rates of 3 per cent for bonds with maturities not over 15 years and 3 1/2 per cent for years in excess of that period.

Voting precincts included in the area covered by Commissioners Precinct No. 1 are Southwest Floydada No. 1, Starkey No. 2, Allmon No. 3, Sand Hill No. 4, Harmony No. 16, and McCoy No. 22.

Allen's Reds Rate High At Tri-State

Oliver Allen was one Floyd county poultry raiser who exhibited at the Tri-State fair in Amarillo last week and his birds rated high in the competition. His Single Comb Rhode Island reds were shown.

He had the largest and best display of birds in the American class, the judges declared, the best pen of parti-colored birds, the best parti-colored pullet, the best cock, cockerel, hen and pullet, one variety shown in the sweepstakes.

Individual winnings of his entries included third cock, first cockerel, third hen, first, second, third and fourth pullet, first and third young pen, second, third and fourth old pen.

Mrs. T. G. Wiliford, Grandmother Mrs. Shepherd, Dead

Mr. and Mrs. Buster Shepherd left Wednesday morning for Paducah after receiving a message telling of the death of Mrs. T. G. Wiliford, 83-year-old grandmother of Mrs. Shepherd.

Mrs. Wiliford died early Wednesday morning this week at her home in Paducah and the message was delivered here at 8 a. m. Funeral arrangements were incomplete when Mr. and Mrs. Shepherd left.

Mrs. Wiliford had been a resident of Paducah for the past thirty-five years.

Geo. T. Moore, Kansas City, HERE THIS WEEK

Geo. T. Moore, Kansas City, Missouri, capitalist, who has been visiting Floydada annually for many years, headquartered while here at The First National bank, is here this week.

In addition to numerous loans Mr. Moore has extensive property interests in this county.

Lockney, Paducah Mud Through A Scoreless Tie

Lockney and Paducah mudded through a scoreless tie game at Lockney Municipal field last Friday afternoon, the turf water-soaked and threatening rain in every quarter.

The game was played mostly in mid-field, although Paducah had the most first downs and made a desperate drive in the final period for a score. A wide open passing game netted 70 yards that looked like the touchdown spark had been lit until fleet Mitchell of Lockney intercepted at about the 20-yard line and stopped the rally.

The Lockney beginning line-up: Newman and Handley, ends; Byars and McCollum, tackles; Dagley and Harper, guards; Colvin, center; Par-rack, Norman, Mitchell and Zimmerman, backs.

Whirlwinds In First Conference Game Of Year At Ralls Friday Night Against Jackrabbits

Floydada High School's Whirlwinds will be up against another strong squad Friday night when they attempt to take the measure of the Ralls Jackrabbits in their first conference game of the season.

Ralls at Ralls it is to be, under the floodlights, and at 8 o'clock p. m.

And trailing along with them will be scores, possibly hundreds of local football fans who will be seeing the 1941 model 'Winds for the first time this season. Littlefield was too far, Crowell was too far, Slaton that was to have been played at home was rained out.

A nicely balanced team at Ralls, too, a good team with a quarterback—Tittsworth—who last year called the plays when the Whirlwinds barely squeaked by 13 to 7. And Atterbury, last year's fullback line plunger, is in again, a year bigger and smarter. Last year's J. C. Smith, who with Cowley passed and kicked the 'Winds back on their haunches, is graduated out, according to report, but they have capable backfield replacements in Meeks and Jones halfbacks.

What reserve power the Jackrab-

bits have is not known in Floydada. In fact the team's style of play this year, their strategy, their strong and weak points are still to be found out. For the Jackrabbits have played only one game in this territory, and that at Post. They won that game 18 to 0 opening the season. On September 19 they played and lost to Denver City at Denver City and lost again at Kermit, also in the oil fields on September 26. Last week while Floydada was at Crowell, Ralls had an open date. So with no opportunity to study their opponents the Whirlwinds go into the game to find out what they find out. On the other hand, it is an open secret that the 'Winds were scouted at that game and the Ralls boys this week have been scrimmaging against the style of play seen there.

Some Changes in Line Up

Starting Friday night Coach Murray expects to have Sparks in at right end, Patterson in at left end, Warren at left guard, Tyler at right tackle and Baxter at left tackle. Sparks probably will not play all the game, not yet completely re- (See WHIRLWINDS back page)

EDITORIALS

We do not recall that far back—we mean by that our definite recollection in the matter—but the statisticians tell us the average price of foods must increase another 104 per cent before they are back again on the 1920 level. We have had the cheapest foods and the widest variety of foods ever known in history for the past eight or ten years. We have been buying everything from avacados to hog jowls too cheap and we are spoiled. Not particularly that we favor higher prices for foods but the man who produces these things has not been getting enough for what he produced. As witness the millions of bushels of Idaho potatoes that have rotted in the fields, the peaches by the tons that have not been picked, the onions that would not pay the cost of gathering.

The law that made Thanksgiving a national holiday made it the duty of the president to proclaim it. Accordingly, the president is not only within his right but doing according to his duty when he sets Thanksgiving day each fall. Long custom, however, made it the fourth Thursday in November, and the diehards up North whose forefathers first set Thanksgiving and who grew up under the Lincoln fourth Thursday legend, just would not quit howling about the third Thursday. This latter was set at the suggestion of retail business men who felt that Thanksgiving and Christmas holidays could well be put a week further apart to the general improvement of things. The president has finally succumbed to the howls, however, and this year has announced the fourth Thursday will be it. Down South here we will have to do some revising now. Thanksgiving football games, teachers meetings and all of those things—but after 1941. We're all set for the third Thursday this year and can't undo all the things we've done. The calendar makers undoubtedly are having a tough time of it, the only people we know of who really and actually suffered any hardship from the change. The people who met the Mayflower haven't hollered a lot that we have heard about. Doubtless Mayflower descendants who have indicated disgruntlement find that a convenient way to remind the rest of us of their long and carefully recorded ancestry.

Signs still point to a frost in November. And though Mother Nature and her children may be telling us the wrong thing, we can't believe it. November 7 ought to be right. Meanwhile read a lot in your papers this month about the Appalachian mountains and the eastern coast getting too much rain, lots of storms and stormy weather in the Atlantic from the Bahamas north—up nearly to but not quite into New England. The while maybe dry soon for the rest of the month we have somewhat of a respite from rain, but more probably a rain or two, with some time in between for feed gathering and for wheatland work. Don't let a minute's time get away from you. If you have to plow or gather feed and also go somewhere at the same time and make a trade, put off the trade. If nothing else happens the weeds and volunteer wheat will sap the moisture in your ground and the feed will fall down. We sure farm good and forecast with ninety on paper, don't we. But we can't help seeing the signs so many people forget to look at.

The new drivers' license law in effect in Texas has some interesting requirements with which the auto owner should acquaint himself. Among these is the fact that there is a time limit within which owners may obtain new licenses and that a citizen, ever so well-meaning, if careless, may be violating the law. State police and other enforcement agencies declare the new law will help a great deal in protecting the public against thefts. The law, they think, will give the officers a much better chance to break up and apprehend gangs of thieves, while making very little expense and trouble for the average, honest car owner.

A foggy night in West Texas is a rarity—or has been for years until last year and this when late drivers in the fall months have found themselves fighting against the elements. Since there are very few fog lights in this section, because they have been unneeded, driving the past ten days has been extremely dangerous. However, fog by its rarity has been a new and untried element to the drivers who have been very careful—and the accidents due to fog have been practically nil. Which seems to bear out the contention of State police that speed is the cause of more wrecks than all other causes combined.

The State Highway department is still having to beg people not to run over and kill, cripple or maim the men who work on the roads and maintain them. This week the appeal says:

"Motorists driving through the state (are asked) to be more careful when approaching or passing along sections where highway repairs or construction is under way, in an effort to halt a rising toll of serious injuries to flagmen and other highway workers."

The report says that recently a flagman was killed and an increasing number of workers have been struck and severely injured. We are indeed speed crazy in Texas.

People wonder why with so much sorghum in the country there are not more sorghum mills and home-made sorghum. We have ourselves at times. However, general laziness and fatty degeneration of the muscles of the back are not due to be credited wholly with this lack. It is said, and we think with reasonable authority that black, tight land like most of Floyd county produces a syrup that is too bitey. It takes a sandy soil to do the job, at least a soil with quite a bit of sand in it.

Hearty appreciation of the fact that Floyd county's additional mileage from South Plains to the Briscoe county line to complete Highway 207 through the county and to within 10 miles of Silverton, will be felt in all quarters. Especially above South Plains where the rains have made the going tough will the news be good news. The highway department, as we understand it, have told local officials the work is to be in a November letting, and that meanwhile the job will have been started that will get South Plains on a paved road. Gradually Floyd county pulls out of the mud.

The Floyd Co. Hesperian

Established 1896 by Claude V. Hall. Entered as second class mail at the postoffice at Floydada, Texas, April 20, 1907, under the act of Congress of March 3, 1879.

As A Farm Woman Thinks

Melba Witt Spikes

When will it frost? Will it stop raining? Questions asked not only by the farmer, but by the merchant, the baker and the automobile seller. On these two weather questions hinges the money crop of most of the plains country. If frost will only stay off 'til November. If it only will quit so the feed can be saved and cotton open. If, if, if. Well time goes on so swiftly. These questions will be answered one way or the other.

Lewis T. Nordyke of the Amarillo Globe is putting on an interesting program at 8:45 Sunday morning from KGNC. He calls it the Exchange and it is a friendly review of the newspapers of the plains. He is collecting reasons by which the first frost questions are based. My husband goes by the white flower in bloom everywhere at this time. It is kind of an aster, I believe. It is snow white with small stary blossoms. Jeff says he has noticed it always matures seed before frost. That will give us several weeks, yet if true this year. One thing I have observed is spider webs all over every bush, the grass and anything they can reach a couple of weeks before the first frost. I have not noticed any webs this fall. They are so aggravating, wrapping across your face, webbing all over your clean wash on the line.

Speaking of spider webs makes me think of them being used to stop excessive bleeding of cuts when I was a child.

A north plains columnist is deploring the lack of spirited war-like songs of this war. He recalls the snappy songs we sang in the last war. It is a "Long Way to Tipperary," "Keep the Home Fires Burning," "Kaiser Bill."

Well it seems to me that it is kind of like the early settlers of countries infested by depredateing animals found it, not a march to the forest with music and inspiring thoughts, but a hard ugly job of protecting his family from devouring beasts. This war is a hard ugly job of protecting families from beasts that would devour man's soul as well as his body. It goes deeper than

FLOYD COUNTY 14 YEARS AGO

News items taken from files of the Floyd County Hesperian published in Floydada fourteen years ago.

(Issue of October 6, 1927)
Announcement of his plan to build a \$17,000 brick and tile home for the Motor Supply company on three lots owned by him at the corner of Main and Mississippi streets, was made yesterday by Roy L. Snodgrass, manager of the company, and local distributor for the Dodge Bros. and Chevrolet automobiles.

Friday afternoon of this week, the F. H. S. Whirlwind eleven take on their first official interscholastic league game of the season when they meet the Matador eleven on the local gridiron. With two Class A victories to their credit, Coach Jay's men are in perfect condition to meet the Class B contenders of this district Friday. Reports come from the challenger's home town that they, also, are in stiff training for their first grid classic of the season.

Fred P. Holt, contractor on the Quannah Line's caprock climb for the Floydada Extension, said this morning that he expects to finish this two mile of heavy work during the month of October. He has had a power shovel and other heavy construction equipment on the job since early spring.

Between ninety and one hundred guests were entertained Monday afternoon when Mrs. Lon V. Smith was hostess at a calendar party at her home. Each guest who came brought an offering for the new Baptist church fund.

A surprise birthday dinner was given Lloyd Paschall by his relatives and friends Sunday. The dinner was a complete surprise to the honoree and proved to be a very pleasant one.

Quitaque now has a railroad. The Denver and South Plains line entered that little city Wednesday and is rapidly being completed in the direction of Floyd county.

Three permits for building repairs and new construction, totaling slightly more than \$4,000 have been issued by City Secretary Burt Bedford since September 20, the largest item being for \$2,000 issued to Willson Lumber company.

song. His marching body needs the sound of good true shots of cannon and big guns. Of creeping huge tanks, and the whirr of speeding bombers cutting the heaven above his helmeted head. Perhaps when the war is over and victory of the right says to the spirit of waiting peace that it is her time to rule again, that music makers will snatch the notes of gold and silver and the words of triumph and praise. Then music such as the world never heard will rise from the voices of men and women, working in peace and harmony with one another.

Children have such funny ideas of songs they hear and only half understand I always thought grown people sang, "I am going home to Dinah Moore." I thought meekly was a man in the song, "Wait, Meekly, Wait." I got quite a thrill out of every one singing for meekly to wait. Father used to sing "Count the Milestones one by one." Songs have been mile stones in my life. Every year there has been an especially loved one.

This summer has been one mad hole after another. We start somewhere, manage to get on a high center and there we are. Some one has to come home after a team of the tractor. There is nothing to do, only wait and wait, wishing for something to read or that I had never left home.

It is always a pleasure to meet Mrs. Lon Davis. She is so enthusiastic about things.

It is with deep regret I heard of the passing of Dr. Lon Smith. How kind and considerate he was when I had a broken bone. How I depended on hearing his reassuring voice over the telephone telling me simple home remedies for my three little babes. How much he gave to the world in his past years no one can measure or tell. But it will all be recorded in the Great Book of Good deeds and we shall all read it at Judgement day.

Brother Of Local Woman Is Buried In California

Jim Crawford, one-time resident of Floyd county, died at his home in Palmdale, California, Wednesday, September 24. Funeral services were held at that city the following Saturday.

He died of injuries sustained in an auto accident two weeks previously. The deceased is survived by his widow, four children and six sisters. The sisters are Mrs. Lillie Britton, city; Mrs. Dell Fowler and Mrs. Jack Gilbert of Lockney; Mrs. J. L. Guest of Plainview, Mrs. Mark Hanna of Hereford and Mrs. Jim Daniel of Granger.

POET'S CORNER

(This column carried on by contributors, entirely without remuneration, under direction of Mary Dean Waters, Becton, Texas, to whom correspondence should be addressed. All manuscripts accompanied by a stamped, self-addressed envelope will be returned.)

TO A CHERRY TREE

'Tis near winter and russet are your leaves,
Many have fallen, and those limbs quite bare;
Just as into the pattern of life one faithfully weaves
With broken threads caught up with great care.

You have followed up the dictates of the seasons
Blossomed, made your fruit, some bad, some good,
Now your leaves are tarnished, nature knows the reasons;
I shall see you never again, little tree, as today I stood.

By Anne Dodson Buck

FIRST GRADER

With eager eyes and dancing feet,
My baby went to school today,
To learn of books their choicest bits,
And how to read and write and play
With bright red pencil, lunch box too,
New wax crayons, pads, and rule,
My little one strode off today,
To conquer the world we call a school.

That glint behind his big brown eyes,
Could be a lonely little tear,
For it's always lonesome in a crowd,
And he's so tiny way out here.
His mind is bright and swift and keen,

Ready to learn the truths of ages,
Guide him then, you Mentor there,
He may be one of future's sages—
Take his little hand in yours,
Guide his footsteps lest he falter,
You are the Goddess in full charge,
Of learning's holy altar.

Guard well the trust within your hands,
Immortal faith in you is vested,
No Queen who ever ruled a throne,
Was crowned so well or better tested.
Go little one into the Gate
Swung open wide for you today,
Learn well the way of fuller life,
Be happy too—it is thus, I pray.
By Gertrude Friend Scroggins

MASTER ARTIST

I love the prairie sunset,
The sky of dusty blue;
The west horizon bursting
In clouds of roseate hue.

Shining satin thunderheads,
In the distant, silent sky,
Reflect the scarlet painting
The Master has hung to dry.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

LAND

We have land to Sell and to Lease for Farming, Stock-Farming and Grazing purposes, and about 80 acres up, in Floyd, Briscoe, Hall, Motley and other counties. Also large list of Lots in Floydada.

THE RECORD... Facts That Concern You

No. 32 of a Series

"THIS BOOK ISN'T WORTH READING ... tear down the Library!"

One bad book doesn't make it a bad library. You wouldn't destroy the library to get rid of a few bad books.

A similar situation holds in the beer industry. The vast majority of beer retailers operate clean, decent law-abiding establishments. Now and then an occasional "black sheep" retailer turns up who violates the law or permits anti-social conditions.

The Beer Industry is now actively working to eliminate such retailers. We want to protect your right to drink good beer and our right to make it.

We also want to protect the economic

benefits of beer. Right here in Texas, beer provides employment for 31,165 persons, supports an annual payroll of \$22,076,182 and contributed \$2,273,968.64 last year in state taxes.

This state, too, has an important stake in Beer's purchases from more than 100 industries supplying the brewing industry with materials, equipment and services.

You, too, can help the cause of moderation by (1) patronizing only the reputable places where beer is sold, and (2) reporting any law violation you may observe to the duly constituted authorities.

BEER... a beverage of moderation

JOB FOR TOMORROW

The chemical laboratories of the petroleum industry are now laying the foundation for industries of the future.

Out of their research are being created new products and more efficient ways of making old ones. Synthetic rubber, plastics, explosives, basic chemicals and scores of other essentials developed in petroleum laboratories are already being made on a commercial scale.

These scientific discoveries of materials vital to peace-time needs, as well as National defense, are opening up new fields of industrial activity.

Texas as the leading oil State is playing an important part in the creation of these new American enterprises. As a result, many young Texans now preparing themselves in our schools and colleges will find places in the industries resulting from this research.

The test tubes of today make the jobs of tomorrow.

Billie Crabtree, Van Fuqua In Puerto Rico

Billie's Letters Home Tell Something Of Modern Soldier's Life

Billy Crabtree, who with Van Fuqua left Floydada in November of last year to join up with the Army Air Corps, is now stationed at Ponce, Puerto Rico, where he is stationed at the army air base. He has been stationed there since May, but meantime had been trained in aerial photography.

When he joined up he went to Louisiana, thence to St. Louis and later to Denver, taking a technical course in aerial photography there. He left New York for Puerto Rico on May 5.

One of the interesting things about his far away station is that it is only two or three days from home by airmail. For instance the extracts below are from letters he wrote on September 25 and September 29 respectively to his parents on Silverton Star route out of Floydada. Not many years since Puerto Rico was 19 days to three weeks from home by mail. On September 25 he wrote:

Sub-Machine Gun Practice Dear Mom and Dad:

It's 8:30 a. m. and I've got to go over and take instructions on using the machine-gun soon. I don't suppose I'll ever have to fire one but we are supposed to know how to use them anyway. We missed the practice with the 50-calibre gun. This is sub-machine-gun practice today.

I have been studying a good bit lately in photographic work. We went out yesterday afternoon and made a bunch of publicity and propaganda pictures. They pulled off a regular sham battle for us. The troops making an advance through thick smoke screen with planes flying low overhead. Pretty hard pictures to get, but we got them. One picture we made a few days ago appeared in the San Juan papers and I understand it also appeared in several papers in the states. We are getting to be regular press photographers. We got in two new movie cameras yesterday morning. Boy, they are really swell. They cost \$450 each. I'll sure be glad when they get the laboratory finished. It shouldn't be long; but I don't think they will get it finished by the last of the month as I first thought.

Next Tuesday is payday again. You asked about sending a box of cookies and candy. Boy, you don't know how they would be appreciated. Several boys have gotten boxes from home. The candy seems to come better than cookies. The cookies don't taste old but they seem to break up worse. I would sure be glad to get it though. The main thing to keep in mind when sending it is to send plenty of it.

We are really having good eats

City, County And Civic Leaders Guests Of CCC Officials At Five o'Clock Steak Dinner

A number of city and county officials and local civic leaders were guests of Commander U. G. Knight Thursday afternoon at 5 o'clock at the Civilian Conservation Corps officers' mess hall and afterwards thick smoke screen with planes flying low overhead. Pretty hard pictures to get, but we got them. One picture we made a few days ago appeared in the San Juan papers and I understand it also appeared in several papers in the states. We are getting to be regular press photographers. We got in two new movie cameras yesterday morning. Boy, they are really swell. They cost \$450 each. I'll sure be glad when they get the laboratory finished. It shouldn't be long; but I don't think they will get it finished by the last of the month as I first thought.

camp underway and their cordiality in welcoming the new citizens to the city was expressed by Commander Knight. How the new community of youths can best be integrated into the life of the community and the county to their own

benefit in citizenship building and to the betterment of social and civic life of the town was stressed as an important factor by the commander. He presented as among his associates in the undertaking at the CCC camp J. B. Boynton, educational supervisor, Foy H. Wicker, junior officer and Clyde Emmons assistant superintendent.

Among the guests present, introduced by Judge G. C. Tubbs, were J. C. Wester, president of Floydada Chamber of Commerce; Rev. R. T. Breedlove, pastor of the Methodist church; Walter Travis, superintendent of Floydada Public schools; L. A. Doyle, pastor First Baptist church; Robert Linder, principal of Floydada High school; B. E. Cypert, commissioner Precinct No. 3; Fred Clark, sheriff of Floyd county; Morgan Wright, city marshal of Floydada; W. U. White, mayor of

Floydada; Mrs. Barbara H. Smith, post master of Floydada; Mrs. Kenneth Bain, president of the 1922 Study club; Mrs. B. F. McIntosh, president of Andrews Ward P. T. A.; J. M. Willson, Glad Snodgrass, Homer Steen and Dr. D. H. Pitts.

REPORT OF CONDITION OF The First National Bank of Floydada

in the State of Texas, at the close of business on September 24, 1941 published in response to call made by Comptroller of the Currency, under Section 5211, U. S. Revised Statutes.

(b) Total	\$107,008.78

I, E. L. Norman, cashier of the above-named bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.

E. L. NORMAN, Cashier.

Sworn to and subscribed before me this 1 day of October, 1941.

(SEAL) LYDA WALDING, Notary Public.

CORRECT—Attest: J. V. Daniel, J. B. Jenkins, Mrs. Jno. N. Farris, Directors.

GAS HEAT

guards baby against winter

You take all precautions to guard baby's health, but do you heat your home properly? An even temperature is vitally important. GAS HEAT from automatic controlled and vented Gas Appliances, is your assurance that baby's health is protected.

WEST TEXAS GAS CO.

lately, since we got the electric stoves going. I haven't weighed lately but I'll bet I've gained some more. I eat like a hog.

Papers from the States

We got a Star-Telegram yesterday. We got the Lubbock paper with the pictures you mentioned a few days ago. We enjoy to get papers so much. Also, we got a Hesperian the first of this week.

I got a letter from you this morning. I'll sure be glad to get the magazine and the candy. You shouldn't have bought any candy though. You should have just made some. We would have enjoyed it more and it wouldn't have cost so much either.

I wish you would make some more pictures. I treasure them so much. And on Sunday following his letter continued the following:

Worked on M. P. Force

I'm still a little sleepy. I worked on the M. P. force last night. The sergeant of the M. P.'s wanted to go to a dance so he hired me to work in his place. We were up until about 1 o'clock this morning. It rained all night so there weren't many in town. It rained all day yesterday, too. They say this is another rainy season. We had a pretty high wind last night. It blew some trees across the road between here and Ponce and blocked the road for awhile. We had to come around the other road by way of Juana Diaz, when we came home and that road was almost blocked. It is nice and quiet this morning; but still a little cloudy.

They are doing the finishing work on our photo laboratory. It should not be long until they have the building finished. Of course, it will take some time to put in the equipment. We will probably have to do that ourselves. I'll be glad to get at it though.

Everybody tells me that I don't have a thing to worry about. That I will get my rating as soon as we get started. I wish I could make myself believe it. I know I'll get it but I don't know how long it's going to be.

Feels the Fat Piling on

Van and I are really looking forward to getting that box of candy. We are really lucky guys to have folks who are so good to us. There are a lot of boys who are not so fortunate. The army may not be doing us any good some ways, but I believe it is giving us more horse sense, and I know I am a lot more settled than before.

I can just feel myself getting fatter. I haven't weighed lately but I believe I have gained more. The food is good and the work is easy so there is nothing to keep me from getting fat. I don't mind though. They say a fat person is happier than a small person. I may get to work some of it off before long.

I have gotten in the habit of going to the show most every night. There isn't much for a soldier to do in Ponce and then I can go to the show for only a dime and if I left the base I would have to spend more.

Don't worry about me and write every time you can.

your son,
Bill.

To write Bill you address the letter Hdq and Hdq 48th A B G, Ponce Air Base, Ponce, Puerto Rico.

MR. FARMER:

This is a busy season. Do you feel like doing the fall harvesting? Working hands are scarce, throwing an extra burden on the farmer and his family.

Are you achieving the most with your time day in and day out? Or do you have to take time out from your work to rest several times each day?

You Have Only One Body

with all its working parts to start with: you can't replace them, of course, everyone knows that, but do you ever think of your own wonderful body that way? The most perfect piece of machinery that was ever made by mortal man or the great divine power above. There is only one drawback—you cannot replace a single cell, muscle, bone tissue or organ, but you can re-condition it. Clean it up, oil the rusty parts, clean the plugs, timer, and repair the shorts in the connecting "wires." Respect your body and take care of it, it will pay huge dividends. Someone has said: "The stomach is a slave that must accept everything that is given it, but avenges wrongs as shyly as does the slave."—Truer words were never spoken.

Williams' Are Honorees At Farewell Party

Mr. and Mrs. Eddie Williams and children who are leaving soon for Dallas to make their home were honored at a farewell party given by members of the First Christian church at Fellowship hall Wednesday evening of last week.

A short program was given, the Williams children, Joyce and Beverly, taking part and giving several reading selections. Gene Dale Jackson gave a reading and May Nell Bridges gave two vocal selections. A shower of gifts was presented to the honorees. Refreshments of sandwiches and pie were served to those present.

Mrs. Williams has been in the grocery business in Floydada for the past several years. He and his family made a trip to Dallas during the week-end to make final plans for the move.

Wesley Girls Are Entertained In Woody Home

The Wesley Girls Sunday School class were entertained Friday afternoon in the home of Mrs. B. P. Woody with Mrs. E. S. Randerson and Mrs. W. H. Henderson as co-hostesses. The regular monthly business session was held with Mrs. George Smith presiding. Mrs. Tom Shaw conducted the devotional lesson and Mrs. R. T. Breedlove directed the entertainment for the afternoon.

Refreshments were served to Mrs. Homer McDonald, Mrs. Tom Shaw, Mrs. R. T. Breedlove, Mrs. N. W. Williams, Mrs. Edd Johnson, Mrs. S. W. Ross, Mrs. E. Grimes, Mrs. Wilson Kimble and Mrs. George Smith.

Mrs. Hale To Be On Program At Institute; Local Club Members Will Attend

Mrs. Pete Smith, Plainview, chairman of the district institutes, has announced that institutes for the Seventh District, Federation of Women's clubs, will be held at Pampa, October 16, and Levelland, October 17.

1922 Study Club Plans To Open Public Library

Plans for opening the Floydada Public Library which has been closed for several months for lack of a home, were discussed by the 1922 Study club at the meeting held Thursday afternoon at the home of Mrs. Bertha Gilbert.

Two institutes are held in the Seventh District because of its large area. Club members will have the privilege of attending the one nearest to them.

Mrs. Joseph M. Perkins of Eastland, immediate past president of the Texas Federation, and director from Texas to the General Federation will address the district meeting on "Defense."

Mrs. Meade F. Griffin of Plainview, member of the Texas defense committee, will conduct a symposium. She will be assisted by members of the Texas Federation's defense committee which will include Mrs. Walton Hale of Floydada.

Plans for opening the Floydada Public Library which has been closed for several months for lack of a home, were discussed by the 1922 Study club at the meeting held Thursday afternoon at the home of Mrs. Bertha Gilbert.

Mrs. Kenneth Bain, president of the club, appointed Mrs. E. L. Angus, Mrs. J. V. Daniel and Mrs. E. F. Stovall as a committee to see about getting a place for the library. Mrs. Angus said Saturday they thought they could get a room and they hoped to be able to open the library soon.

Mrs. Jno. Hoffman, president of the 1929 Study club has made definite plans to attend the institute at Levelland. She will be accompanied by several members of the club. Mrs. Hale will appear on the program at both Levelland and Pampa.

The subject of the study for the afternoon was "Brazil" with Mrs. Noel Troutman as leader. Members answered to roll call by giving a current event. Mrs. J. K. Green discussed "Brazil, largest Republic of the continent"; Mrs. Leona Bell "Coffee in Brazil and the Americas" and Mrs. J. H. Myers gave a talk on "A Native returns to the Amazon."

Mrs. H. F. Godeke of Lubbock, district president, will discuss parliamentary procedure with the assistance of Mrs. A. E. Biggers, also of Lubbock, district parliamentarian, and Mrs. Lewis Goodrich, Shamrock, chairman of rules and procedure. The institutes will open at 9 o'clock.

The subject of the study for the afternoon was "Brazil" with Mrs. Noel Troutman as leader. Members answered to roll call by giving a current event. Mrs. J. K. Green discussed "Brazil, largest Republic of the continent"; Mrs. Leona Bell "Coffee in Brazil and the Americas" and Mrs. J. H. Myers gave a talk on "A Native returns to the Amazon."

A South American tea will be given by the club at the American Legion hall Thursday evening, October 16 at 7 o'clock. At that time members of the 1929 Study club, the 1934 club and the Garden club will be entertained.

Young People Are Entertained At McAdoo Monday

Several young people of the Methodist church of Floydada were entertained Monday evening by the young people of the Methodist church of McAdoo. A very interesting program was presented and refreshments were served.

Members playing were Mr. and Mrs. J. A. Arwine, Mr. and Mrs. E. K. Barker, Mr. and Mrs. J. C. Gilliam and Mr. and Mrs. L. T. Bishop. Mr. and Mrs. Arwine will be hosts to the club Friday evening, October 24, at 7:45 o'clock.

Those from Floydada who attended were Herschell Hinson, Johnnie Ruth Belcher, Gene Lorran, Floy Jean Hale, Kenneth D. Johnson, Evelyn Elliott, Aria Vee Bishop, Dorothy Tye, Lajuana Jo Sharp, Jack Lorran, Randolph Rutledge and La Juana Leibfried. They were accompanied by Lorin Leibfried, superintendent of the young people's division of the Methodist church.

Friendship Club Met Friday With Mr. And Mrs. Keim

Mr. and Mrs. A. B. Keim were hosts to the Friendship Bridge club Friday evening. A lovely dinner was served preceding the games of bridge. Mr. and Mrs. C. L. Minor and Mr. and Mrs. Calvin Steen played guest hands. Mr. and Mrs. Steen made high score for the visitors and Mrs. J. C. Gilliam and B. K. Barker held the highest score for the members.

W. T. McRae and Mark Smith of Colorado Springs, Colorado, visited in Floydada last week with their aunt, Mrs. J. A. Burrus. From here they went to Lubbock, where they will visit relatives before returning home.

MISSIONARY SOCIETY BEGINS NEW STUDY AT MEETING MONDAY

The Woman's Missionary society of the First Baptist church met Monday afternoon at the church for the regular business meeting and Bible lesson. Rev. L. A. Doyle taught the lesson from the first chapter of Hebrews which will be the subject for study for the next several months.

Kirks Are Hosts To U-Deal-Em Bridge Club

Mr. and Mrs. G. L. Kirk were hosts to the U-Deal-Em Bridge club Thursday evening at 7:15 o'clock. Dinner was served preceding the games of bridge. Mrs. Polk Goen and Walter Travis made the highest score for the evening and Judge Alton B. Chapman received the Bingo prize.

Mr. and Mrs. Clarence Guffee and Miss Ruth Collins played guest hands. Members playing were Judge and Mrs. Chapman, Mr. and Mrs. Conner Oden, Mr. and Mrs. Walter Travis and Mr. and Mrs. Polk Goen.

Mr. and Mrs. Conner Oden will be hosts to the club Thursday evening, October 16 at 7:15 o'clock.

Mrs. Jennie Bishop went to Amarillo Sunday where she will spend several days visiting her daughter Miss Bernice Bishop and son Tom Bishop. She plans to be gone about a week and will visit her son Edd Bishop and family of Dalhart before returning home.

W. H. Hams Weds Lubbock Girl September 26

Mr. and Mrs. W. H. Hams returned to Corpus Christi last week after a trip to Monterey, Mexico, following their wedding in Mission Friday evening, September 26, at 7 o'clock at the Christian church. The Rev. E. R. McWilliams, pastor, performed the ceremony. The bride is the former Miss Lola Jean Smith daughter of Mrs. Stella Smith of Lubbock. Mr. Hams is a former employee of The Floyd County Hesperian.

For the ceremony the bridal party stood before an arch of maiden fern entwined with white chrysanthemums, with tall baskets of pink and white orchids on either side of the archway with white tapers in candleholders, standards completing the decorations.

Mrs. T. W. Nthery played, "Humoresque," by Dvorak and, "To A Wild Rose," and the traditional wedding marches.

The bride wore a black crepe suit with black accessories, and her attendant wore a blue suit with black accessories. Eddie Dvorak of Corpus Christi was best man.

A reception was held after the ceremony at the Cactus Tea Room. After October 1, Mr. and Mrs. Hams will be at home at Corpus Christi, where he is a member of the editorial staff of the Caller - Times Publishing Company.

Both the bride and groom are graduates of Texas Tech College at Lubbock.

Miss Ruth Aycock Weds Gene Redd In Amarillo

Marriage vows were read September 27 for Miss Ruth Aycock, daughter of Mr. and Mrs. G. B. Aycock of Lubbock, and Gene Redd, son of Mr. and Mrs. V. N. Redd of Floydada. The wedding took place in Amarillo. Friends of the couple attended, and were Mr. and Mrs. Oscar Cox and Miss Shirley Jo Moreland of Lockney, Mr. and Mrs. Jim Cox and Miss Angie Mae Barrett of Amarillo.

Mr. and Mrs. Redd will make their home in Floydada. Mr. Redd is employed at Leonard's cafe.

P. T. A. Program For Wednesday In Announced

The program committee of the Andrews Ward Parent-Teacher association have announced the following program for Wednesday afternoon, October 15, which will be held at the school building at 3:30 o'clock:

Song, by the school children. Movies, Mrs. Roe McCleskey. "Spare the Rod and Spoil the Child" Mrs. Joe Browning. "Of course it's easier to Coddle." Mrs. L. J. Welborn.

New Officers For Blue Bonnet Club Elected Thursday

New officers for the Blue Bonnet Needle club were elected at an all-day meeting held Thursday at the home of Mrs. W. B. Eakin. Mrs. Elvin Rainer was chosen as president; Mrs. V. O. Carter, vice-president; Mrs. D. Pyffe, secretary-treasurer and Mrs. Woodrow Wilson, reporter. A covered dish luncheon was served at the noon hour.

Members attending were Mrs. Elvin Rainer, Mrs. Everett Perry, Mrs. V. O. Carter, Mrs. Pete Kendrick, Mrs. D. Pyffe, Mrs. Everett Price, Mrs. L. H. Dorrell, Mrs. Woodrow Wilson and Mrs. Al Edwards, Mrs. Alva Sparks and the hostess Mrs. Eakin.

Couple Honorees At Family Party At Slaton Friday

Miss Bert Ione Smith and Fred Cardinal who will wed Sunday evening at 7 o'clock at the home of the bride's mother, Mrs. G. R. May were honored at a family get-together given Friday evening at the home of Miss Smith's aunt, Mrs. W. L. Holloman of Slaton. A lovely shower of gifts were presented to the couple. Refreshments and decorations were in keeping with the bride-elect's chosen colors of pink and white.

Those present were Mr. and Mrs. A. N. Gamble and daughter Virginia Bell and Miss Ara Sue Edwards of Lubbock; Mrs. J. C. Edwards, Mrs. W. L. Edwards, Mrs. Het Sledge, Mrs. Walter Edwards, Miss Frances Ruth Edwards, Mr. and Mrs. W. L. Holloman and children, Joy, Edith Ann, Patsy May and Marlee all of Slaton; Mr. and Mrs. John Edwards Smith and son R. W., Mrs. G. R. May and son George Reid and the honorees, Bert Ione Smith and Fred Cardinal of Floydada.

MARRIAGE LICENSES

License to marry was issued to Elmer Biggs and Fannie Margaret Harper October 4, 1941, by County Clerk Emma Louise Smith.

Mrs. Nora Savage of Amarillo is a guest of her sister Mrs. Dora Reagan.

Mr. and Mrs. B. W. Snell of Lubbock spent the week-end with their parents Mr. and Mrs. Will Snell and Mr. and Mrs. J. J. McKinney.

Recent Bride Given Shower At Lockney

Honoring Mrs. James W. Hammonds, a recent bride, a group of hostesses entertained with a tea and shower Tuesday afternoon at the home of Mrs. H. P. Clemons at Lockney. Mrs. Hammonds is the former Miss Lelia Alexander, daughter of Mr. and Mrs. D. L. Alexander of Penelope and has been head of the Homemaking department in the Lockney High school for the past year and one-half.

The reception rooms were decorated with fall flowers. The lace covered tea table was centered with a bouquet of yellow dahlias, flanked with yellow tapers in crystal holders. Mrs. Theo Griffith and Miss Eunice Coleman presided at the tea table.

A toast to "the girls left behind" was given by Mrs. Willie Merle Hathcock. Following a toast to "the bride" by Mrs. H. P. Clemons the hostesses presented the honoree with a lovely shower of gifts consisting of linens and crystal ware.

Hostesses were Mrs. H. P. Clemons, Mrs. Theo Griffith, Mrs. Willie Merle Hathcock and Miss Meda Ruth Thomas and Miss Eunice Coleman.

The guest list included Mesdames Edwin Johnston, H. P. Coleman, Robert Ayres, Sidney Reeves, Clyde Applewhite, R. L. Maggard, J. B. Allen, Henry Hodle, John B. Mays S. A. Thornton, Herbert Lindsey, Elmer Biggs, Carl McAdams, Hugh Carroll, R. C. Bennett, Barney Manning, Selma Guthrie, D. D. Langford, Irvin Bennett all of Lockney, Mrs. Mavis Tedford of Kansas City, Misses Martha Margaret Griffith, Beth Bennett, La Delle Cox, Dorthaleen Herring, Dewanda Bennett, Maxine Still and Laura Bell Maggard of Lockney; Mrs. Jno. Hammonds, Mrs. Jno. Hollums, Mrs. S. W. Ross, Mrs. Buck Conner and Miss Gloria Hammonds of Floydada.

The bridegroom is the son of Mr. and Mrs. Jno. I. Hammonds and is employed at the Williams-Bank Implement company in Levelland, where they will make their home.

Elected Delegate From Music Club To District Meet

At the meeting of the Floydada Music club held Thursday evening at the home of Mrs. Lola Galloway, L. W. Chapman was elected delegate to the Seventh District Texas Federation of Music clubs which will be held at Hereford October 17, 18 and 19.

Miss Elizabeth Caldwell and Mrs. Galloway drew the numbers for the concert which will be held at Lubbock, Thursday evening, October 23. The club purchased a season ticket and the members take their turn in attending the program which will be given throughout the year.

Mrs. Dean Hill and Mrs. Elvin Rainer gave the lessons from the study course "Our American Music."

Mrs. Hill will be hostess to the club Thursday evening, November 6 at the home of Mrs. W. D. Newell.

Mrs. W. H. Bethel Named Zone Leader Plainview Methodist District At Wed. Meeting

Mrs. W. H. Bethel was elected zone leader of the Plainview district at the meeting held yesterday at the First Methodist church at Floydada. She succeeds Mrs. T. G. Wilson of Matador who has served as zone leader during the past year and presided at the meeting Tuesday. The next meeting will be held at Rushing Chapel in March.

There was a large attendance and a fine spiritual meeting was reported. Mrs. A. J. Daffern of Matador served as secretary at the morning session and Mrs. Lorin Leibfried acted as secretary during the afternoon.

Conference officers attending were Mrs. B. L. Cogdill of Lubbock, district secretary of the woman's work of the Plainview district; Mrs. W. J. Stueckler of Plainview, conference secretary of supplies; and Mrs. S. A. Duckett of Tullia secretary of Spiritual life for the Plainview district.

At the noon hour a lovely covered dish luncheon was served in the basement of the church.

The program was given as follows: Quiet music, Mrs. M. D. Ramsey; song, "Faith of Our Fathers" by the congregation; Welcome, Mrs. J. M. Willson; recognition of visitors; roll call, Recognition of members; special music, Floyd County Home Demonstration club chorus; devotional, Mrs. T. G. Tison; reports; talk, Mrs. B. L. Cogdill of Lubbock; covered dish luncheon.

Quiet music by Mrs. M. D. Ramsey; song, "Give of Your Best to the Master," congregation; meditation, Mrs. S. A. Duckett of Tullia; reports; talks by visiting officers; business, benediction.

Those attending: Those who attended the meeting and registered are as follows: Mrs.

Miss Mary Frances Jones will be hostess to the Y. W. A. Monday evening at 7 o'clock.

Stovall-Woodward Wedding Vows Said Friday

J. T. Stovall and Helen Woodward were married Friday evening, October 3 at 7:30 p. m. at the Methodist parsonage with Rev. R. T. Breedlove performing the simple ring ceremony.

They were accompanied by Mal Jarboe, Jr., Miss Floella Jackson, Miss Maxine Officer and Mr. and Mrs. Jay Kinnard.

The bride wore a soldier blue alpaca dress with brown accessories. Mr. Stovall was graduated from the Floydada High school with the class of 1939. Mrs. Stovall was graduated with the class of 1940.

Mr. and Mrs. Stovall left the first of the week for their home in San Diego, California by way of Boulder Dam and Grand canyon.

Fiftieth Birthday Celebrated By Carl Smith

A surprise birthday dinner was given Carl Smith on his fiftieth birthday, Sunday, October 5 at his home in the Campbell community.

Friends attending were Mr. and Mrs. C. L. Minor, Mr. and Mrs. Chet Caffer, Mr. and Mrs. J. E. Houston and Nell, Mr. and Mrs. Cecil Baxter and boys, Mr. and Mrs. J. T. Poole, and Kenneth, Mr. and Mrs. Johnnie Baxter and Gail.

Mr. and Mrs. Tink Carter, Mrs. Mittie Carter, Mr. and Mrs. E. B. Griggs, Mr. and Mrs. L. G. Norrell and Harold, Mr. and Mrs. Bob Bullock, Mrs. A. J. Cline, Mr. and Mrs. Grady Harris, Mr. and Mrs. Darrell Caruthers and Linda Rose, George Caruthers, Jean and Jane Warren and Rita Hazel Carter.

Mrs. Ama Smalley of Clovis, New Mexico was here the first of the week visiting relatives. She left Tuesday for Dallas where she will visit relatives this week before returning to her home.

Floyd County Pioneer Died At Wichita

The body of Fred Ranft, 65 of Wichita Falls was brought to Floydada Wednesday afternoon by the Merkel Undertaking company for burial. Interment was made in the Floydada cemetery by the graves of his parents Mr. and Mrs. J. G. Ranft, pioneer Floydada merchants. He died Sunday morning at his home in Wichita. His body was found by near-by neighbors Tuesday morning. Reared in Floydada, he was the brother of Mrs. Lizzie Walters.

Funeral service was held at the Merkel Undertaking parlors Wednesday morning by Reverend P. L. Davis minister of the First Lutheran church at Wichita. The body lay in state at the Harmon Funeral home here where friends of the late pioneer family gathered for the last rites.

The deceased was born June 5, 1876. He left Floyd county in the spring of 1918. He is survived by his widow, four daughters and one son. The children are Mrs. Vera Spangler, Mrs. Pearl Bradley of Spangler, Mrs. Monte Ernce of Wichita Falls; Mrs. Monte Ernce of Lone Wolf; Mrs. C. E. Havens of El Paso and Ted Ranft, in service at Fort Bliss, El Paso. All accompanied the body here.

Other relatives present were Mrs. Walters, Jo Esther Bradley, James Bradley and Billy Spangler. Mrs. Walters had been in Wichita Falls since Saturday of last week and returned with her brother's family to their home Wednesday.

Latta Attends Dealers Meeting At Fair

Mr. and Mrs. S. J. Latta attended the Tri-State Fair at Amarillo last Friday. While there Mr. Latta attended a meeting of the Minneapolis-Moline dealers for this district.

The main discussion of the meeting was the difficulty of the dealers in having in obtaining the new machinery and parts from the Moline factory. Not only his company but other manufacturers are having the same difficulty, according to Mr. Latta.

However, he stated he was able to get the promise of delivery on some of the smaller machinery by the fifteenth of this month, and on some of the heavier machinery by the first of the year. Because of so much material being used in the huge defense program of the government all factories are having the same difficulty Mr. Latta said. "The machinery display at the fair this year was the best it has ever been my pleasure to see," Mr. Latta said, "not only of the Minneapolis-Moline line, but also, Allis-Chalmers, Case, International and many others."

The new small combine put out this year by Moline is by far the best machine Moline has ever put out, he said. It cuts a 12-foot swath and does a much cleaner job and faster than ever before, being able to thrash from 50 to 60 acres a day. Mr. Latta says that he had had more calls for the one-way plow than any other piece of machinery this fall.

Shower Honors Mrs. Dee Holt At Irick

IRICK, Oct. 6.—A bridal shower was given in honor of Mrs. Dee Holt, the former Margaret Horten, in the home of Mrs. Asa Sanderson Thursday evening. Refreshments of cake and omelets were served to Mrs. Holly Hooten, Mrs. Frank McNeill, Mrs. A. L. Langford, Mrs. Norman Caldwell, Mrs. S. D. Caldwell, Mrs. Tom Graham and Misses Modena Caldwell and Ester Graham and the hostess, Mrs. Asa Sanderson.

Those sending gifts were Mrs. R. J. Battle, Mrs. Lola Withrow, Mrs. Bill Taack, Mrs. Imogene Taack, Mrs. J. T. Wilson, Mrs. S. P. Millard and Miss Alice Wilson.

Locals
Miss Naomi Graham is visiting her sister, Mrs. Walter Shaddix of Kress.

Those visiting in the John Holmes home Sunday were Mr. and Mrs. Jack Dollar, Mrs. E. F. Hampton and Mr. and Mrs. Berry Hooten and family.

Delma Jean Feity and Elna Sanderson spent the week-end with Elna's grandparents of the Sand Hill community.

Those visiting in the Asa Sanderson home Sunday were Mr. and Mrs. E. D. Mills, Mr. and Mrs. C. E. Mills of the Sand Hill community, Mr. and Mrs. Ed Daniels and children, Mr. and Mrs. O. E. Thompson and Leon and Lena, Mr. and Mrs. Tom Graham and daughter and Mr. and Mrs. Eli Horten and sons, Edgar and Billy Ray.

Mr. and Mrs. S. P. Millard and daughter, Julia Ann and Tommie Helen Feity spent Sunday with Mr. and Mrs. Albert Burdett of Lockney.

Lions, Rotary Meet Jointly Next Week

The Lions and the Rotary clubs will have a joint meeting next week, when the Rotarians will be hosts at Fellowship hall, and Carl Minor will arrange the program.

The meetings of the Lions club this week on Tuesday was marked by a discussion of the background of present-day anti-Semitism, a topic which recent addresses of Col. Lindbergh has made a very live one that the Jewish people are God's chosen people and that intervention of Jehovah in earthly affairs will eventually settle the Jewish question was the position taken in the address by the speaker. He brought out various viewpoints on the subject in his talk. T. E. Loran was program chairman for the day.

Talk On Nothing To Do
At the Rotary club an equally serious discussion of present-day trends in the social and economic life of America was made by Glad Snodgrass, speaking to the subject, "Nothing to do."

Snodgrass declared the country is losing sight of the things that money cannot buy, and expressed doubt that the fathers and grandfathers of the present generation left the country in as good hands as they felt they were. "For instance, we sit by and do not tell our government what we are thinking. We have nothing to do, while the moral fibre of the country is being undermined. We have 'nothing to do' while every thirtieth adult in the United States is getting some kind of a check or subsidy from the government."

The speaker admitted that tomorrow belongs to the men of tomorrow, but declared that what they shall have will be determined by what this generation leaves them. Fankly pessimistic as to the future of the country, he declared it time that the leaders have "something" to do instead of "nothing."

Fairview News

FAIRVIEW, Oct. 6.—Rev. R. C. Malone filled his appointment Sunday, both for the morning and evening services, and both were well attended.

Since the roads were impassable from heavy rains, there was quite a decrease in the attendance at school this past week.

Mr. and Mrs. E. W. Walls left Sunday for Lexington, Oklahoma, where they will visit his parents, Mr. and Mrs. E. C. Walls. While away they will also visit relatives in Oklahoma City.

Doyle Walls, who is attending Tech spent the week-end with his parents, Mr. and Mrs. E. W. Walls.

Mrs. Preston Bullard and little daughters, Gail and Dixie, returned home last mid-week from a three weeks visit with her father, W. T. Watson of Mountair, New Mexico.

Rev. R. C. Malone spent Sunday with Mr. and Mrs. J. C. Crabtree.

Mr. and Mrs. Benton Ritchie had Sunday dinner with Mr. and Mrs. C. H. Wise.

Mr. and Mrs. Walter Welch and Troy Mac of Plainview spent the day with her parents, Mr. and Mrs. L. A. Horton.

Football Lesson Number Two At Crowell Friday

Green Whirlwinds Lap It Up And Come Back For More At Crowell

Although the Whirlwinds lost to Crowell last Friday night 12 to 7 they played ball far better than the few faithful expected who followed them to Crowell.

Doped to lose by three touchdowns or more to the fast, shifty and experienced Wildcats, the Whirlwinds actually were four times in striking distance of a touchdown and a win with only a little luck of the game.

The Wildcats scored in the first five minutes of play and Floydada fans thought the race track was greased for the gallops across the goal the remainder of the evening. But it was almost at the half before Crowell could push across another score, a touchdown through the middle.

The Whirlwinds made their score in the second half when they took the initiative away from the Wildcats as Rushing intercepted a pass on the Crowell 40. Passing to Rutledge who went to the 10, Rushing then powered over the line smack at right guard, and booted a perfect placement for the extra point.

Coaches Murray and Kelly started the game with Bradford at left end, Baxter at left tackle, Kenamer left guard, Boteler center, Fawver right guard, Warren right tackle, Betty right end, Rutledge quarterback, Morrison and Ross at wings and Rushing at full. Gray, Allen, Peterson, Hinson, Loran, Furrow, Lovell, Ross, Conway, Conner all got in some time on substitutions.

Rushing's Punting Helps
Rushing's punting has showed wonderful improvement and it was his long boots that kept Crowell fighting up field so much of the time. His best kick was good for 43 yards and he averaged 35 yards in five tries.

All the teams showed more polish than in their go against Littlefield and by the end of the Crowell tussle they had begun to get their fingers into the pigskin. Ragged appearing end and tackle play by the Whirlwinds was due to the fact that the heavy artillery was pointed at the positions all evening. But the lads were learning a lot. Boteler at center should be mentioned as showing up good on defensive play. It was an evening of liberal education in football by a crew of Wildcatters that knows how to put out the lessons to a crew of Whirlwinds who ate it up and came back for more.

Where They Play

Paducah is the only District 4-A team this week with an open date. Spur plays at Matador Friday afternoon.

Floydada at Ralls Friday night. Lockney at Crosbyton Friday night. All are conference games.

Results Last Week
Fortunes of District 4-A teams varied somewhat last week, two team losing ground in inter-district battle.
Paducah 0 at Lockney 0;
Floydada 7 at Crowell 12;
Matador 18 at Crosbyton 0;
Spur and Ralls open dates.

Other results in the area in high school play included:
Petersburg 0, Southland 0; Hale Center 12, Flomott; Slaton 6, Littlefield 0; McAdoo 24, Patton Springs 0; six man football; Lubbock 0, Vernon 0.

Center News

CENTER, Oct. 6.—During the past week, it has rained some every day. At least two inches during the week as the lake covers as much ground as it ever has. One place in the road has been almost impassable since the early rain on Saturday.

Mr. and Mrs. Floyd Anderson and Martha Sue spent Sunday with his parents, Mr. and Mrs. A. W. Anderson. Mrs. Roy Anderson and children went home with them for a few days visit.

Mrs. Bagwell visited in the Jordan and Anderson home last Thursday afternoon.

Mr. and Mrs. C. M. Meredith and children spent Sunday with his mother, Mrs. C. E. Meredith, and also visited his brother-in-law, Clay Muncy, who is in the Floydada hospital, due to injuries he received Saturday.

Mr. and Mrs. W. B. Jordan and Mr. and Mrs. J. B. Jordan attended church at Floydada Sunday. We had no morning services here; but we did have B. T. U. in the evening.

Floyd Montgomery came down from Glazier Friday afternoon and spent the week-end with his mother, Mrs. J. L. Montgomery.

Word comes to us of the death of Dr. Lon Smith early this morning. Many people in this section remember him for his kindness in medical aid in days gone by.

Mrs. W. B. Jordan attended the W. M. U. district board meeting at Plainview last Wednesday. Mrs. J. B. Jordan visited her brother, Ralph Mathis, who is a student of Wayland.

Floyd Willis, Delbert Morse, and J. B. Jordan have been attending the mechanics school at Floydada.

Mr. and Mrs. T. C. Hollums spent Sunday with their parents, Mr. and Mrs. E. W. Lightner.

The Home Demonstration club will meet with Mrs. Oliver Allen Monday afternoon, October 13, and Miss Wilson will meet with the club.

No Rain In Week Big Weather News In Floyd

No rain since Friday is the big weather news of the week.

However, overcast skies three out of six days have kept the ground from drying as fast as farmers would like, and feed cutting is being resumed only in occasional fields today.

Weepy skies this morning are close to the raining point, with showers already reported at Lockney. Temperatures have been moderate during the week, the low on a mild northern Sunday morning being 46 degrees, and the high for the week 80 degrees yesterday afternoon at 4 o'clock.

Dougherty Club To Sponsor Hallowe'en Carnival

DOUGHERTY, Oct. 6.—The Odd Tuesday Community club met Tuesday evening in the school auditorium for a business meeting and social. During the business meeting plans were discussed for a Hallowe'en carnival on Friday night, October 31. Funds from the Carnival will be used to buy a radio for the school. Mrs. Bill M. Norman, president of the club, will meet with the teachers Friday afternoon to perfect plans and appoint committees.

In the games of 42 preceding the meeting, Mrs. Ben Wesley held high score for the women and "Tate Jones for the men. Ott Glassmoyer received the travel prize. In the absence of the president, Mr. and Mrs. Caffee were club hosts.

Mr. and Mrs. Ott Glassmoyer will be hosts for the next meeting November 4, at 7:15 o'clock p. m.

Mrs. Davis New Teacher for School
Mrs. Dora Baker Davis and little daughter, Davelene, moved to the teahouse provided for the intermediate and primary grades Saturday and began work as intermediate teacher in the local school Monday morning.

Mrs. Davis comes from Campbell where she taught last year and started this year's work. She fills the vacancy made by the resignation of Miss Sybil Blair.

Due to the very muddy roads, the Antelope school bus which brings the pupils from the community to Dougherty and takes the high school pupils to Floydada, was unable to make the routes last week.

Rev. Oscar Bruce will fill his second Sunday appointment at the Methodist church for both services October 12.

Local News
Mr. and Mrs. Harry Hall, Wilson Hall and family and Miss Polly Price all of Lamar, were week-end guests in the Harve Powell home.

J. H. (Buster) Holt, who is stationed at Tucson, Arizona, is spending a furlough with his parents, Mr. and Mrs. K. Holt of Sand Hill and his sister, Mrs. Jim Morrison, and family here.

Mrs. A. H. Kreis spent last Thursday in Lubbock where she and a county committee placed an Educational exhibit for the Floyd county council at the Lubbock Fair.

Mr. and Mrs. Mac Ward and boys left Monday for Lawton, Oklahoma, where they will visit with her parents, Mr. and Mrs. Jim Reed.

Mr. and Mrs. Darrell Caruthers and little daughter, Linda Rose, George Caruthers and Mrs. C. A. Caffee attended a birthday dinner for Carl Smith in the Campbell community Sunday.

Mr. and Mrs. Bill M. Norman and children were visitors of the Lubbock Fair Sunday.

Mr. and Mrs. Vinson Meaker of Amarillo spent the week-end with her grandparents, Mr. and Mrs. N. E. Allmond and other relatives.

Imogene Woody and Helen Powell began work in the county agent's office Monday.

Mr. and Mrs. Lucius of Many, Louisiana, arrived Monday for a week's visit in the Tate Jones home. Mr. Lucius is an extensive land owner in this part of the county.

Irene Cruse, who has been a guest of her sister, Mrs. R. Carmack, and Mr. Carmack the past few months, returned to her home in Arkansas the last of the week.

Rev. J. Hinsley of San Diego, California, is visiting his parents, Mr. and Mrs. Bob Hinsley. R. J. is being transferred from North American Aircraft company in California to Grand Prairie, Texas.

Mr. and Mrs. Tate Jones, Mr. and Mrs. Ott Glassmoyer, Mr. and Mrs. Lucius and Mrs. Lola Frazier spent Wednesday in Lubbock attending the fair.

Rev. Victor Crabtree was unable to meet with the Baptist congregation Sunday, October 5, due to bad roads following a week's rain.

Mr. and Mrs. J. A. Crone returned home Wednesday from Quanah, where Mr. Crone underwent a tonsil operation earlier this week.

Mr. and Mrs. W. S. Poole were business visitors in Lubbock last Monday.

Amazing Ability Of Automobile Industry To Produce New Models Demonstrated By Oldsmobile

The amazing ability of the automobile industry to produce new models each year that overshadow all previous efforts in beauty, performance and value is evident in the new Oldsmobile line for 1942—now on display at Finkner's Auto Store. Named the "B-44" because it is better looking, better lasting and better built than any previous Oldsmobile in the company's 44-year history, the new Oldsmobile comes as a distinct surprise to that section of the public which had anticipated little or no change in the 1942 models.

For even with government priorities, and Oldsmobile's intensive concentration on such defense activities as quantity production of shells for field guns and howitzers, landing gear forgings for bombers and automatic cannon for fighting planes, Oldsmobile has introduced five brand new series of automobiles.

The Oldsmobile "B-44" line includes two Sixes and three Eights, with a total of 15 body types, covering an even broader price range than in previous years. The Oldsmobile "Sixty" in the low-price field, is available in two series—a Six and an Eight. In the popular price bracket, Oldsmobile also offers the "Seventy-Six and "Seventy-Eight," with new streamlined styling. In the medium price range, the "Ninety-Eight" series, powered with a 110-horsepower straight-eight engine, presents three entirely new bodies of exceptional size and roominess on a 127-inch wheelbase chassis.

Oldsmobile will continue to offer its famous Hydra-Matic Drive on all models for 1942. Now entering its third year, Hydra-Matic assumes even greater importance than in the past because of its ability to save substantially on fuel consumption as compared with the standard transmission. It eliminates clutch, clutch pedal and all manual gear shifting.

New Front End Design
The most striking appearance feature of the Oldsmobile "B-44" is the new front end design, which is carried throughout the line. The "double duty" bumper departs radically from all previous design.

Bodies are extremely modern in design and offer a wide selection for the purchaser.
The "Seventy" Series offers a club sedan which combines the intimacy of a club coupe with the roominess of a sedan, and a spacious four-door sedan with streamlined rear deck. Wheelbase of this series is 125 inches, and overall length is 212 inches. Here again, purchasers are offered the option of the 100-horsepower six, or 110-horsepower straight-eight engine.

The "Ninety-Eight" Series, powered by the 110-horsepower eight-cylinder engine, presents three at-

tractive body styles, the four-door sedan, club sedan and convertible coupe. Bodies have been entirely redesigned for this series and are actually wider than they are high. So low to the ground are they, that no running boards are needed. Overall measurements are over 216 inches long from bumper to bumper and more than 77 inches wide from fender to fender.

New Fender Styling
Fender styling in all "B-44" models is particularly interesting. Both front and rear fenders are smoothly streamlined as a part of the body contour. Front fenders extend midway across the car doors to accentuate the long, low body lines of the new Oldsmobile models. Running boards on the "Sixty" and "Seventy" Series are of the built-in type and are fully protected from snow and ice by the body panels.

Throughout all five series, interiors reflect quality and good taste. Upholstery fabrics are finer in quality and long-wearing. Seats are wide and deep, with ample cushioning.

Oldsmobile bodies are built by Fisher and are scientifically constructed of the highest quality body steel obtainable. Doors, floors, top, side panels and roof are welded together to form a rugged integral unit of solid steel.

The chassis, too, has received its share of attention in making the "B-44" better lasting and better built than previous Oldsmobiles.

Oldsmobile's famous Quadri-Coil Springing and Four-Way Stabilization have been continued and give a smooth, restful, rhythmic ride, even on rough roads.

New, greater "Fire Power" has been added to both the six and eight cylinder engines by increasing the compression ratio and redesigning the combustion chambers. The result is not only improved performance, but more economical use of fuel.

Of the many accessories offered by Oldsmobile for 1942, perhaps the most important is the Condition-Air heating and ventilating system. Fresh, outside air is forced into the condition-air unit, where it is filtered, heated to the desired temperature and uniformly distributed throughout the car.

Color options for the "B-44" models include ten standard colors, Ambassador red, Warwick tan, New Ivory, Eagle gray, Slate green, Concord gray, Marine blue, Darian blue, Forest green and black. Nine two-tone combinations are also available at extra cost.

Mrs. Albert Newell and son Alonzo and Miss Ethel Young, sister of Mrs. Newell of Lubbock and Louis Newell student of Texas Tech visited Sunday evening in the home of Mr. and Mrs. W. D. Newell.

Oldsmobile Has Important Role In Defense

Geo. M. Finkner, dealer for Oldsmobile, returned home from his Oklahoma City trip to see the 1942 models, impressed with the part that Oldsmobile factories and big organization are playing in the national defense program.

"For the first three months of the year we are going to be on our 1938 schedule of new car deliveries, we were told at Oklahoma City, a pace which the company expects to maintain in spite of the fact that much productive time will be put in on national defense manufacturing," Mr. Finkner said. "After the first of the year deliveries are going to depend on the outlook from month to month."

Mr. Finkner was accompanied on his trip by Rev. R. A. Renfer, pastor of The Cumberland Presbyterian church. Mrs. Lon M. Davis and Mrs. E. L. Angus, who saw the new automobiles also visited at Oklahoma university with Lon M. Davis, Jr.

"While Oldsmobile is going to build every possible car it was made plain in the meeting that defense comes first with Oldsmobile," Mr. Finkner said. "The production of arms and ammunition for the United States government takes priority over production of cars for civilian service. However, Oldsmobile will continue to build motor cars to keep working America on the move—but the quantity will necessarily be limited by the availability of materials and priority of defense production."

"Shells for field guns and howitzers started coming off the production line at Oldsmobile in April, 1941. Automatic cannon for fighting planes followed a few months later. And other defense activities are under way."

All of which means, Finkner pointed out, that as the defense program develops Oldsmobile Division will make changes, if necessary, in prices, colors, materials, equipment and specifications and models. However, at this time deliveries are being made at a rapid rate of the new 1942 model as planned. In fact, the car has many improvements, not substitutes, but distinctly better than previous models.

SISTER'S DESCENDANTS PASS 100 MARK
Mrs. Jno. Grubbs, of Grand Prairie, who is a guest of her sister Mrs. R. F. Luttrell, quite proudly boasts of her descendants which number 109.
She has ten children, 73 grandchildren and 26 great grandchildren. She is 76 years old and very active.

Writing fluids, Hesperian.

OLDSMOBILE

B-44

NOW ON DISPLAY!

SPECIFICATIONS SUBJECT TO CHANGE WITHOUT NOTICE

BETTER LOOKING BETTER LASTING BETTER BUILT THAN ANY OLDSMOBILE IN 44 YEARS!

In addition to cannon and shell for the needs of defense, Oldsmobile contributes a new kind of car to the new needs of America.

naught Frame and enlarged Hydraulic Brakes. And it's stamina-powered for long, trouble-free life, with new Econo-Master Engines that develop more "fire-power" with minimum use of gas. Come in and see the new Olds B-44, compare it, drive it. You'll find it offered in five separate series—two 100 H. P. Sixes and three 110 H. P. Eights. You'll find it priced lower than you might expect—but far beyond your expectations in styling and all-round quality.

DEFENSE COMES FIRST

Oldsmobile is now turning out high-caliber artillery shell—now going into mass production of automatic airplane cannon.

HYDRA-MATIC DRIVE
NOW ENTERING ITS THIRD GREAT YEAR!

Proved in the hands of over 130,000 owners — Hydra-Matic Drive is again offered on all Olds models. Hydra-Matic saves time, saves effort, saves 10 to 15 per cent on gas!

Martin's 31st Anniversary This Week

Martin Dry Goods Company are celebrating their 31st anniversary of business in Floydada this week. During the past 31 years J. G. Martin, proprietor has moved his store three times, the last move having been made about four months ago from West California street to their present location across the street from the court house west.

Mr. Martin is running a page advertisement this week celebrating the anniversary. He has been well pleased with the patronage the store has received in its 31 years service to the people of Floyd county.

"It's our Anniversary," Mr. Martin said. "But we want you to help us celebrate. 31 years, during which we've seen Floydada rise to its present position of a leading community on the south plains, is a long time for any business.

"That we've been able to achieve it is just as much a tribute to every loyal customer as it is to our business policies," Mr. Martin continued, "and the desire to do a better job of in our particular sphere.

"Many of our first customers still trade with us, and they remember better than anyone else those years when we were on trial in the eyes of Floyd county people. We feel certain that they, just as we do can feel the significance of this event. It means that we have been accepted by these same people. We know of only one way to express our thanks... to give our friends a share in our observance of it."

MRS ALLEN OF ANTON ILL IN LUBBOCK
Mrs. Tommie Allen of Anton is reported to be doing nicely following an operation in a Lubbock hospital Thursday. If she continues to improve she will be brought here this week end to the home of her parents, Dr. and Mrs. I. W. Hicks, where she will remain until she has recovered.

MOVES TO ALBUQUERQUE

Mr. and Mrs. Lavelle Clark and two children left Friday for Albuquerque, New Mexico, where they will make their home and Mr. Clark will be employed as salesman and mechanic in a garage.

Mr. Clark was engaged in the wrecking business in Floydada.

Clay Anderson

GOOD NEIGHBORS

The American Junior Red Cross held their first meeting of this year Friday afternoon, October 3, at Andrews Ward school. They elected officers with Betty Jo Baker, president; Oragene Wilson, secretary; Jerry Simon, treasurer and Norma Carpenter, reporter.

The members from each class are Betty Jo Baker, Oragene Wilson, Charles Chules, Norma Carpenter, Billy Frances Sisson, Maxine Griffin and Wilma Hamilton.

Faculty members present were Mr. Myers and Miss Rhodes. Miss Rhodes explained to the members about their work. The girls are to learn to knit. Each room from the fourth grade to the eighth have boxes which they are filling to send to Europe.

As soon as patterns arrive materials for dresses, etc., will be distributed out to workers. The materials have already arrived.

The Lockney chapter have new quarters and the work is progressing nicely there.

The American Legion Auxiliary voted Monday night to have a covered dish luncheon Thursday, October 14. They meet at 10 o'clock at the home of Mrs. E. L. Angus and will sew for the Red Cross. All members and eligible members are urged to come, bring needle and thimble and covered dish.

Revelation Guide To The Church

"The book of Revelation, written by the Apostle John over eighteen centuries ago, is a guide to the church during great world-wide conflicts," said the teacher in a special series of lessons on Revelation last Thursday night. The faith of the church has been sustained during this long span of human conflicts and discouragements by the promises made in Revelation to the church that she would ultimately and completely triumph over all persecutions.

"The message in Revelation" said Mr. Malphurs, the instructor, "is addressed to the saints and not to unbelievers; therefore it is clothed in symbolic language that the infidels and wicked men might not know that they are fulfilling its very predictions of world events."

The class will meet each Wednesday night at 7:45 in the auditorium of the City Park church. Mr. Malphurs, the minister of this congregation, teaches the class. He has given much study to the contents of the Book, and those who attended last night realized that he teaches it differently than what they have been used to hearing.

The course is free to all, and is strictly undenominational. All who desire to know more about God's will as revealed to the church in the important book are urged to come and study it with this class.

The South Side Baptist Church

We extend to the public a most hearty welcome to come hear a modern day miracle. Rev. Marvin H. Clark of Fort Worth, Texas. Clark is only sixteen years of age and has been preaching for eighteen months. He will begin a two weeks meeting for the South Side Baptist next Sunday, October 12, and will run through the 26th.

It will do you good to come hear this young preacher. He is very successful and large numbers are saved under his powerful preaching. Don't forget the time and place. Sunday, October 12 at the South Side Baptist Church. The first message will be preached at 11 o'clock a. m. and the night service will be at 7:30.

First Baptist Church News

Our hearts were made to rejoice because of the splendid attendance and the fine services in our church last Sunday. We welcome Bro. Preston Taylor who joined by letter and Jimmie Wisdom who came on a profession of faith. The volunteer Band from Wayland gave us two splendid programs. We are for Wayland and for the splendid group that came to us.

We are striving for even better attendance next Sunday. Our goal for S. S. is three hundred fifty. We had one hundred fourteen in Training Service last Sunday evening and are working for one hundred twenty-five next time.

The subject for the Morning service will be, "Happy Christians." We will have baptizing and observe the Lord's Supper at the evening service. May every member do his best that we may have a good day in our church Sunday.

First Christian Church News

Sunday School at 9:45 A. M. Morning worship at 11:00 o'clock. Election of church officers by ballot will be held during this service. Young Peoples service begins at 6:15 in Fellowship Hall, Youth Choir meets at 7:15 in church auditorium. Evening service at 7:45 p. m. congregational singing of favorite gospel hymns and sermon by the pastor. Youth Choir will render the special music.

Choir rehearsal Wednesday at 7:45 p. m.

Women's Council meets at 2:00 p. m. Wednesday.

Methodist Church

Rev. R. L. (Bob) Jameson will preach for the pastor at the morning service Sunday, and the pastor will deliver the evening sermon at 7:45. Sunday school at 9:45, and young people meet at 7 in the evening.

Brother Jameson is a good preacher and the people will enjoy hearing him. Invite your friends and attend church for the good you can do as well as for what you may receive. "Blessed is the people whose God is The Lord."

South Plains News

SOUTH PLAINS, Oct. 8.—Funeral services were held for Mrs. L. M. Blakemore at Plainview Sunday afternoon. Mrs. Blakemore was a sister of Rev. C. A. Joiner and a resident of Plainview. She passed away Saturday, October 4. The members of the Baptist church and people of the entire community extend heart-felt sympathy to Rev. and Mrs. Joiner in this hour of sorrow.

Mr. and Mrs. Bill Harper attended the funeral of Mrs. L. M. Blakemore at Plainview Sunday afternoon.

Mr. and Mrs. C. R. Bufford of San Francisco, California were guests in the C. L. Knierim home last week. Mrs. Bufford is a niece of Mrs. Knierim.

Otis Milton returned Friday to his home at Quail after several days visit with his parents, Mr. and Mrs. Grig Milton.

Mrs. D. R. Nichols and son, Dural Gene, visited Mrs. R. E. Young Sunday.

Mr. and Mrs. Cole Boswell and Mildred of Silverton, Elizabeth Daniel, Charles Beedy, Rex Smitherling, and Carrel Fisher were visitors in the Sim Reeves home Sunday.

Mr. and Mrs. C. L. Knierim were guests of Mr. and Mrs. J. P. Taylor Sunday.

Mrs. Loyd Horn and son of Amarillo visited last week with Mrs. Horn's parents, Mr. and Mrs. J. B. Horn.

Mrs. Mary Joe Miller is visiting this week with her parents, Mr. and Mrs. S. H. Horn.

Billy Ruth Harper and Lindell Faye Simmons visited Stella and Sallie Lopez Sunday.

Velma Lois and La Verne Young spent last week in Silverton. Road conditions were so bad that the school bus was unable to make the route.

Mr. and Mrs. Carl Daniel, Mrs. H. I. Bradshaw and Miss Dewey Gibson attended the singing convention at Lone Star Sunday afternoon.

Granddad Garland was ill with the flu last week, but is able to be up. Sim Reeves, who has been under the treatment of a doctor is able to be up again.

Mrs. Matt Lyles is staying in Floydada for several weeks, taking treatments at a clinic.

TO THE VOTERS OF FLOYDADA AND FLOYD COUNTY, TEXAS

I am a candidate for business and as one never gets too much business unless he asks for it, I am taking this opportunity to ask for your support with a little of your insurance business.

As most of us know this week is Fire Prevention Week, but it has always seemed to me that every day should be Fire Prevention Day.

Now, in case you should have a fire, where is your policy or do you really have one? What do you have insured for how much and for what kind of a hazard?

Have you ever read your policy? "No, I expect to do that after the fire and then I will find out just exactly what I have been paying for."

"In fact, I don't know whether I have a real insurance policy or not, I bought it from some hit and miss salesman, and perhaps I am misled in case of fire, as I don't remember where the companies are located. Perhaps it tells on the policy if it can be found."

"You know, the last time I saw that policy our little grandson had it down on the floor marking it with some colored crayons."

I am sure none of the above ideas would come under the head of any one's business in Floydada, for I am sure all the policies are in perfect tact and placed for safekeeping, and in case they should be destroyed we all know exactly what we had as a contract.

Just to give you an idea, a certain person had three policies on his home as follows:
1 policy, furniture, fire \$750, no windstorm;
1 policy on home \$1500 windstorm, no fire;
1 policy on home \$1,600 windstorm, no fire.

In case the house had blown away he could not have collected more than \$1,500 or \$1,600, and if it had burned he could only have collected \$750 on furniture and nothing on his home.

After reading this, think about what you have in the way of insurance.

J. H. REAGAN, INSURANCE.

THE HESPERIAN

Edited by Members of the Journalism Class of Floydada High School

Senior Student Pictures Made On Tuesday

The senior class had their pictures made Tuesday, October 7. These photographs will be framed and placed in the lower hall. They were made by Earl Alderson of the Alderson Art studio and Gift shop in Clarendon. Mr. Alderson arrived early Tuesday morning to take the pictures. The pictures were made during the student's study halls in order not to disturb their classes.

Editorial

Study hall is a place to work, not play.

If you are among the many who are disregarding all the virtues of courtesy when you go into the library, you would do well to heed this admonition in regard to your behavior.

The library is supposed to be a place wherein peace and quiet reign and order should be among the most prominent of the courtesies paid to the librarian.

If you do not intend to observe the rules of etiquette you have no business in the library. The purpose of the library is to supply the needs of the students and if you have no needs you should not be in there. If you do have needs, attend to them and then return to your room. The library is no place for idleness.

Some of the students are inclined to leave the study hall and spend the period in the library. This act is not fair to the rest of the students because it gives them no chance to get what they need. It has become a suspicion of the teachers who keep the study hall that the students are going to the library in order to study together, a pastime which is not permitted in the study hall.

This is an absolute dishonesty, besides being discourteous to the teachers. And the student, after using the encyclopedias or dictionaries, would be doing the librarian a decidedly good turn if they would return the books to their proper places. The neglect of this act causes much work and confusion when the place

Floydada Whirlwinds Possible Dark Horse In District 4-A, Crowell Game Friday Indicates

The Floydada Whirlwinds may prove to be dark horses of District 4-A, because of their hard game with Crowell. They showed up better with Crowell than any other District 4-A team to date. Crowell has played three of the District 4-A teams and the results were as follows:

Matador 0, Crowell 13.
Paducah 0, Crowell 33.
Floydada 7, Crowell 12.
These games will make the other teams respect the Whirlwinds more. The Paducah-Lockney game was a scoreless tie, and Matador beat Crosbyton 18-0, which gives Floydada bigger and better hopes for the championship of this district.

BAND AND PEP LEADERS LEAD AT ASSEMBLY

On October 8, the Floydada High School band, under the direction of Mr. Raymond Rallard, opened the assembly program with a series of marches.

The pep squad then took charge, and led the school in the school songs and yells. The pep leaders were practicing for the first conference football game with Ralls, which will be held Friday night.

The closing numbers the band played were "Marie Elena," "Avalon," and "The Band Played On."

MR. KING VISITS FLOYDADA

W. A. King, who has recently been appointed district supervisor for out of school Youth National Defense, spent Monday, October 5 in Floydada visiting the local defense shop and also a unit at the C. C. C. Camp.

Mr. King's office is at Texas Technological college of Lubbock. Mr. King is a former resident and vocational agriculture teacher of this city.

is being straightened up in the afternoon.

Another of these confusions could be eliminated if the student would return books through the chutes. Books are often lost or misplaced when the student returns them to the librarian and asks her to check them in. This accomplishes nothing and only adds to the confusion.

If every student would recognize and observe his responsibilities, the library would be a much more pleasant place in which to study.

Carrol Johnson Wins Chester White Prizes

Carroll Johnson won a number of prizes on his herd of eleven Chester white hogs at the Tri-State fair at Amarillo last week. He received \$35.00 in prize money. Exhibitions of his hogs will be held at the Panhandle South Plains fair at Lubbock this week.

The F. F. A. Educational booth was set up Saturday at Lubbock by David Batten, W. C. Trowbridge, Carrol Johnson and Mr. Barber the supervisor. It will be on display at Lubbock this week. The F. F. A. members plan to attend the fair at Lubbock Thursday.

LUBBOCK BOOSTERS

Thursday morning, October 2, a special assembly was called honoring the Everlite Stars who were advertising the Panhandle South Plains Fair at Lubbock.

They announced that tickets would be given to all school students for the Wednesday and Thursday, October 8-9, shows.

The Everlite Stars played and sang numerous songs. One sang "Lucy Lee," which was dedicated to Mr. Travis.

Among the songs were "They Drew My Number" and "Lucy Lee." At last the entire student body sang "The Eyes of Texas."

SPEECH I CLASS BEGAN TELLING STORIES THURSDAY

The Speech I Class has been studying conversations and business interviews. The students took the parts of the characters in the conversations and interviews in the book and tried to reproduce the characters. The students then criticized each other to help them in their speech.

Thursday the students will start public speaking by telling stories. They are now discussing their life ambitions.

Nosey Reporter

Well, here I am again, boys and girls, with all the low-down. I know all, see all, and here it is once more.

When will Bryan Collins grow up? Or will he?

Those ohs and ahs Friday at noon came from Johnny Belsler as Billy Bean walked by.

A. G. Tyler and Neoma Burgett were seen at the skating rink togethery one night last week.

Who was Ralph Womack with Thursday night, Patsy or Oleta Faye?

Florence Cates was with Wayland Hale Thursday night. Wonder where her Lockney boy friend was.

If it weren't for spotlights the depot would be terribly dark. Would it not boys and girls?

I can't imagine why Frankie drove Joe Wilson's car back from Amarillo? At least until a fuse blew and the lights went out, then they had a flat and drove off the highway and got stuck.

'Tis Thursday night again. This time it was Josephine Britton and Bascom Brotherton.

Some pins are the result of the trip to the Tri-State Fair.

These pins are engraved with names such as: "George," "R. T.," "Phil and Arla Vee," "Juana and Johnny" and "Cagie and Carlton." Evidently these pins are worn by girls.

"You better quit that," said N. E. Tyler in band class Friday when Dora Faye winked at him, tch, tch.

Jack Martin has a new nickname, "Little Booger." Ask him where he got it.

Rumors are that (censored) was sleeping on L. W. Bridges' shoulder in the bus coming from Amarillo Wednesday night.

Why was Topsy so deliriously happy Saturday night. Could it be that long distance telephone call she got from Babe?

Florence isn't the only girl who has a Lockney boy friend. Margaret Camden and Arla Vee Bishop are doing all-right for themselves.

Were those termites at Mrs. Keim's door on the night of September 30? We doubt it and frankly (so does she!)

Must Lick Life, Students Told In Assembly

Rev. L. A. Doyle told the students in assembly that life, like a postage stamp, must be licked before it can be of any use to the individual.

He took as his theme the second mile. The first mile is the required amount of work that a student must do to make a passing grade. The second mile, which is much more difficult than the first, makes higher grades, brings pleasure, develops character and ultimately brings success. An easy course does not develop a student. It takes the hard work on the second mile to bring success.

Ofttimes bright students fall by the wayside because they fail to apply themselves and develop their abilities; while the students of average ability may succeed because they press toward a definite objective and never lose sight of a purpose in their work and life.

Rev. Doyle said that the teachers who made the courses hard were taking the students the second mile. The student must decide for himself whether he goes the second mile.

NEW MAGAZINES ORDERED

The following magazines have been ordered for the library: Life, Scholastic, Every Week, American, Readers Digest, What's New in Home Ec., Poultry Tribune, Good Housekeeping, Mammothville, McCall's, The American Home, Hygeia, Popular Mechanics, American Girl, The Country Gentleman, The Saturday Evening Post, The Sheep Breeder, The Hog Breeder, Chester White Journal and The English Journal.

These periodicals will be soon available for students and teachers.

Home Makers Learn How To Conserve

When the guns cease firing and those tired and weary men go marching home again, those men, along with many others will be hungry. It will be up to some nation to feed those people in other nations.

There is a story in one of the popular magazines of one woman's experiences in France more than a year ago. She tells how she and her small son lived for three months on two boxes of oatmeal with a little sugar and canned milk. Part of this might have been due to the lack of conservation. Today the word conserve or conservation is a big word to the American citizen.

President Roosevelt has told the American people that every survey of nutrition, by whatever method conducted, in whatever part of the country, shows malnutrition to be widespread and serious.

In this month's "McCalls" magazine the following statements were given as a solution to our first big problem:

1. We must build a strong people.
2. We must send food abroad.
3. We must purchase and use and conserve food.
4. We must build reserves for the future.

Learn New Food Tricks

This year the Homemaking girls in food classes are learning new tricks for preparing, serving and conserving foods to the greatest advantage. Who knows, these girls may be the homemakers when those guns do cease firing and those hungry people are to be fed.

The girls are learning more each day that even the tiniest scrap of food is important. At the same time they have learned that vitamins and food value has been added to oleomargarine and that now canned milk may be used very successfully in cooking, thus keeping down the grocery bill. They must learn that low priced tough cuts of meat can be tastefully prepared again saving the food income.

As a result of food study made by the homemaking girls they have found that the army is consuming a cow at the rate of sixty seconds, night and day. On the other hand they found that it requires two years to raise a dairy cow and nine months to bring a pig to market. They found that stacked one on top the other, the cans of vegetables being canned for the army would reach 8,962 miles high.

The girls are compiling information on some food shortages. These are proving to be very interesting. This study is causing the girls to be

Mud Treachery Brings Droll Situations

For the past two weeks F. H. S. has been the center of high excitement, droll comparisons and other topics of interest.

The treachery of the mud caused all these unfortunate catastrophes. Dorothy Tye met her "Waterloo" while she was crossing the street to the store.

The mud also has force. Frankie Wright stepped into an especially sticky spot and when she stepped out again her shoe was detached from her foot. Frankie nearly lost her balance and was forced to step in the mud with the foot that was clad only in a sock.

And some of the girls can verify that mud is a hard thing to get out of the hair. They also say that it is not very pleasant to the touch.

As for humor, Betty Eakin was certainly a comic figure when she stepped on a slippery spot in the hall. Some thought Betty was giving a modernized version of the "Charleston."

Maybe rain is refreshing but some of the students have been longing for a sight of the "good ole sun" again.

Pep Rally Held In Spite Of Bad Weather

Rain or no rain we must have pep rally, said the students of F. H. S.; so the usual Thursday night pep rally was held in spite of the disagreeable weather.

Instead of having the rally the usual manner this time the students gave the yells and sang songs in front of the Palace theatre.

The band and student body pep squad marched a block and formed a spiral and again went into formation. They completed several maneuvers including "Put Your Little Foot" dance step and the "Snake Dance."

CLOTHING III GIRLS MAKE PROJECTS

The Clothing III Girls made projects last week concluding their work and study of homes. A picture of a house, the floor plan and style of the house was selected for the first thing in the notebook. Pictures for each room of the house were pasted on unruled paper for the other part of the project.

Under the pictures the girls wrote the color scheme of the rooms, how the arrangement of the furniture could be rearranged to a better advantage and appearance, and how they liked the rooms. These pictures were put in a folder.

Each girl made a project. These will be used as the three weeks grades.

more food and defense conscious. It seems that at the present and in the future, food is and will be as important as steel.

The girls realize the meaning of the word conservation as well as the use of it.

Mr. Linder Works For Master Of Arts Degree

R. E. Linder, principal of the high school, is completing his work for his master of Arts degree. Mr. Linder is doing his thesis on, "The Status of Student Participation in High School Government." He is limiting this study to schools in West Texas. His major is Administrative Education.

Mr. Linder has his thesis almost completed. He is enrolled in a government course in W. T. S. T. C. He reports for classes every Saturday.

Mr. Linder expects to complete this work in sufficient time to receive the Master of Arts degree in June, commencement exercises.

CHORAL CLUB DISCONTINUED

The Choral club should be discontinued for the time being, Supt. Travis explained to the girls Friday. He gave three reasons for this statement.

The first reason was that so many of the girls need the time for study. Many of the girls have already dropped the work for that reason. As a result the remaining number hardly justified the continuation of the organization.

Miss Elliott needed the time for a conference hour as that was the only period she had to advise with students.

STUDENT TAKES TRIP

Floyd Jean Hale returned Sunday from her visit to Fort Worth, Dallas, and vicinity. While in Dallas she had dinner at the Peacock terrace of the Baker hotel where she heard Glen Garr's orchestra broadcast. Floyd Jean was visiting relatives in Dallas with her mother, Mrs. Walton Hale.

While in Ft. Worth, Mr. Hale took Floyd Jean and her mother to the "Den" in the Texas hotel for lunch where they heard Tony de Pardo's orchestra. Tony played "Yours" as a special request for Floyd Jean.

After visiting in Fort Worth and Dallas, Floyd Jean and her parents spent two days in Granbury, Texas, with relatives.

WEATHERMAN LISTENS IN

If the average student has been wondering why it always rains on the day of football games, perhaps Mr. Travis can give him one cause.

A snooper has evidently been listening to Mr. Travis' telephone conversations. When he phoned the Crowell football coach he told the coach that Mr. Murry and the boys would be there if it did not rain. Mr. Weatherman evidently overheard that qualifying "if," for he promptly answered back with a downpour!

Fortunately, however, the field at Crowell was grassy and the game was not called off.

Floyd County Has Three Entries In So. Plains Fair

Floyd county has three exhibits in the South Plains fair being held at Lubbock this week. They are W. H. Brock and son, purebred Jerseys; Johnston brothers, Chester white sows; and The Floyd County Home Demonstration council exhibit entered in the Educational division.

Mr. and Mrs. Floyd B. Studer of Amarillo spent Sunday in the home of their friends, Mr. and Mrs. R. S. Wilkinson.

Mrs. W. H. Hilton is visiting in Dalhart this week with her daughter, Mrs. Bill Grundy, and family.

Lakeview Locals

Allen Powell visited Mr. and Mrs. J. N. Dunn Sunday.

David Bishop is reported to be showing a little improvement from injuries received in an automobile accident.

Mr. and Mrs. Carl Murphy of Amarillo spent Saturday night and Sunday with their son, Cecil, who is staying with his grandmother, Mrs. P. E. Adams, and attending school.

Leonard Alexander spent Sunday with Mr. and Mrs. Will Hambricht and family.

The Tom Porters visited in the Harve Thomas and Milton Harris homes Sunday.

Mr. and Mrs. Willie Bunch and children visited Mr. and Mrs. Claud Patton Sunday.

Those visiting Mr. and Mrs. C. Alexander this week-end were Mr. and Mrs. Will Hambricht and family.

Mr. and Mrs. Clyde Alexander and daughter, Oliver Alexander, Mr. and Mrs. Hugh Alexander and family and Mrs. Elmer Cogswell.

Wayne Day and Charles Wright spent Sunday evening in the home of Mr. and Mrs. Bill Rucker.

Mr. and Mrs. Henry Willis and family spent Sunday with Mr. and Mrs. Orvis Shearer.

Those visiting Mrs. Lindsey Warren Sunday afternoon were Mrs. Hillary Polvadore and daughter, Nell, Mrs. Harm Philips and Patay.

Mr. and Mrs. I. D. Hollagon of Floydada spent Sunday night with Mr. and Mrs. D. M. West.

Mr. and Mrs. W. J. Smith family visited Sunday with Mr. and Mrs. Tom Hopper of Baker.

Mr. and Mrs. R. J. Hall, Dan Day, and Mrs. Ruby Jackson and children spent Sunday with Mr. and Mrs. Harve Thomas.

Mrs. Cella Ross had a dinner guests Monday evening Mr. and Mrs. H. H. Hatchett of Clinton, Oklahoma and Mrs. A. J. Welch of Floydada.

Mr. and Mrs. Dee Adams and Mr. and Mrs. Eli Neff attended the Amarillo Fair last week-end.

Mr. and Mrs. Willie Bunch and children visited in the Harve Thomas home Sunday afternoon.

Mr. and Mrs. W. C. Wright visited her father and brother, J. F. Roberts and son, Luther, Sunday afternoon.

Mr. and Mrs. Rudolph McCurdy visited Mr. and Mrs. Roy McCravey Sunday afternoon.

TALL OKRA STALK CARRIES FRUIT OUT OF REACH

Mrs. J. W. Freeman brought in a sample of her okra stalks that she grew in her garden this year. The sample measured 9 feet and 7 inches tall with several limbs that grew over six feet.

The seed, planted in the early part of June have been bearing fruit continuously since the first of July, according to Mrs. Freeman.

"I gathered the okra until it got too high for me and since all I could reach was the lower parts of the limbs, I decided to cut the stalk down," Mrs. Freeman said.

CARD OF THANKS

We wish to thank all of our friends for the comfort they brought us by their many deeds of kindness and their expressions of tender sympathy in our bereavement.

Mrs. Lon V. Smith and Emma Louise,
Dr. G. V. Smith and family.

W. B. CATES INFANT ILL IN LUBBOCK

The infant son of Mr. and Mrs. W. B. Cates is reported to be critically ill in a Lubbock hospital. The parents and Mrs. W. A. Gilbreath, the child's grandmother are at its bedside.

Mrs. W. C. Cates, the paternal grandmother spent Tuesday in Lubbock with the parents and child.

Too Late To Classify

Whirlwinds—

(Continued from page 1)

covered from his injury four weeks ago. Gray who has had the left guard assignment the past two games and Bradford who has had left end have done good jobs and are in good condition. They will see some action but not on the kick-off probably. Boteler at center, co-captain Fawer at right guard will complete the line. Starting backs will be Rutledge at quarter, Morrison and Lorán at halves and Rushing full-back, the coach thinks this morning.

Three days of rough and tumble, hard scrimmage this week have marked the first good football weather for the coach. Wednesday afternoon the coaches worked the boys down to a nub, scrimmage, kicking, tackling, blocking—and skill practice.

This afternoon and tonight there will be light workouts just to keep the lads limbered up—and early to bed.

Probable Starting Line-Up

Whirlwinds	Pos.	Jackrabbits
Patterson	left end	Stephens
Baxters	left tackle	Thomas
Warren	left guard	Crump
Boteler	center	J. Powell
Fawer	right guard	Spivey
Tyler	right tackle	L. Powell
Sparks	right end	Rankin
Rutledge	quarterback	Titsworth
Morrison	right half	Meeks
Loran	left half	Jones
Rushing	fullback	Atterbury

HOMEBUILDERS CLUB ENTERTAINED AT SHIPLEY HOME

Mrs. D. D. Shipley entertained the Homebuilders club at her home Friday, September 26. Mrs. John Lloyd, president of the club, gave an outline of the Short course held recently at Littlefield.

Mrs. F. F. Puqua demonstrated weaving and "Needlework in the kitchen and out." Members brought canned fruit and vegetables and presented them as a gift to Mrs. Rudolph McCurdy, a recent bride and new member of the club.

Refreshments were served to Mrs. Elbert Parks, Mrs. John Lloyd, Mrs. L. A. Williams, Mrs. Dickie Atterbury, Mrs. A. W. Dunn, Mrs. W. A. Cates, Mrs. C. B. Smart, Mrs. D. D. Shipley, Mrs. W. F. Weatherbee, Mrs. Roy Curry, Mrs. T. J. Heard, Mrs. F. F. Puqua, Mrs. J. D. Eaves and Mrs. McCurdy.

Guests for the evening were Mrs. B. L. Breed, Mrs. Bert Battey, Mrs. Wayne Battey, Ella Breed and Dorothy Nell Breed. The club was adjourned with a club prayer.

Mrs. S. B. Smart will entertain the club at her home Friday evening.

SINGING TO BE HELD AT SOUTH SIDE BAPTIST CHURCH SUNDAY 2 P. M.

The regular Second Sunday singing will be held Sunday evening beginning at 2 p. m. o'clock at the South Side Baptist church. Many visitors are expected to be present for the evening.

All singers are invited to be present for the evening.

Mrs. E. C. Henry and her daughter, Mrs. George Smith, returned home Thursday from Hereford, where they visited Mrs. Smith's daughter Mrs. Guy Ginn and family. They were accompanied by Mrs. R. M. McCauley who spent the time visiting Mrs. Wm. McGehee, a former resident of Floydada.

Approve Project In Carpentry For CCC Boys

Approval of a school in carpentry for youths in the Floydada camp, Citizens Conservation corps, was given here Monday by W. Alpha King, district supervisor of National Defense for Rural youth, who spent the day here.

The course for the CCC boys is sponsored through the public schools here. It will be a night school and in addition to the mechanics school now being conducted with the same sponsorship by W. H. Sharp.

King visited the mechanics school while here in his official capacity. The school is being attended by practically a capacity enrollment of young men.

MRS. BARBER'S FATHER REPORTED IMPROVED

Mrs. H. G. Barber and little son Don left Thursday for Weatherford where they were called to the bedside of her father, J. V. Jones, who was seriously ill at that time.

Mr. Barber received a letter from Mrs. Barber Tuesday which said that her father was greatly improved and the family had hopes for his recovery.

CARD OF THANKS

We wish to express appreciation to our neighbors for their many acts of kindness and sympathy shown us in our recent bereavement caused by the death of our mother Mrs. J. W. Sims.

Mr. and Mrs. Will Sims.

D. NOYES HOME FROM YEAR IN FORT OGLETHORPE

D. Noyes returned home the first of the week from Oglethorpe, Georgia, where he has been the past year serving in the United States Army. He will return to work at the Oden Chevrolet company, after he has time to rest up, taking up the same routine of duties he had at Oden Chevrolet a year ago, when he was inducted into service.

ATTENDING BIBLE SCHOOL AT FORT WORTH THIS WEEK

Mrs. Homer Sims and Miss Orlene Coppell left Saturday for Fort Worth, where they are attending a Bible school this week at the First Baptist church.

They expect to return home Monday.

GEROGE CARDINAL WINS MEDAL

Word was received by Mr. and Mrs. Z. N. Cardinal from their son, George, that he won his first medal in baynet practice recently. He writes that they have been on maneuvers and will go on rifle range this week and will be gone three weeks.

George left August 22 for the Marines base at San Diego. He hopes to be able to come home in November.

Mrs. Merle Reed of Sweeny who came to Floydada to attend the funeral of her grandfather, Q. M. Swinson which was held September 29, returned to her home Monday. She was accompanied to Floydada by her sister-in-law, Mrs. Jess York of Brownwood, who visited Mr. and Mrs. Edd Moore during their week stay in Floydada.

MRS. G. E. FULLER HOME FROM BELL COUNTY VISIT

Mrs. G. E. Fuller returned home Friday from a month's visit with her daughter, Mrs. T. L. Lane and Mr. Lane, and her parents, Mr. and Mrs. J. C. Calhoun, who reside at Temple, Texas.

Mrs. Fuller reports that the condition of crops in Bell county are not as good as in Floyd county this year.

Mrs. E. J. Womack left Wednesday for Gainesville where she will visit, until this week-end, with her mother Mrs. O. Wilson and other relatives.

Mrs. Sam Thurmon and aunt Mrs. Lou Gravatte visited at Children Monday and Tuesday with Mrs. Thurmon's brother, Horace Owen and family.
