VOLUME 50

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, JULY 1, 1943

NUMBER 21

## New Withholding Tax Hits Little Man Lighter

Frank Seefeld, Collector of Internal Revenue First Texas district and War Bond administrator for Texas, gives the following statement relative to the withholding tax:

"We have just put Uncle Sam's new withholding tax under the microscope and find that it isn't as frightening as we first thought.

"In fact, the next tax which goes into effect July 1 is rather painless, when it is brought into proper focus. It has more balm than bite.

"For instance, our examination of the withholding brackets shows that a man with a wife and two children who earns \$40 a week will be nicked for only 20 cents a week. This is 50 cents per week less than he is now paying out of his wages for the 3 per cent Victory tax—and his entire federal income tax is all paid up.

"If the same family earns \$50 a week, the withholding tax bill will be \$2.80 a week. There is no mathematical nightmare about this.

"When Mr. Taxpayer realizes that the withholding tax includes the Victory tax he is now paying, he should breathe with considerable relief. In many cases, the new income tax deduction from his pay will be less than it is now.

"Let's examine the status of a married man with two children now earning \$25 a week. He will pay 40 cents a week as compared with 70 cents now going to Victory tax.

"If the same worker makes \$30 a week, his new deduction will be 50 cents against 90 cents now coming out of his pay.

"If he earns \$35 weekly, he will pay 70 cents where he is now shelling out \$1.10.

"Of course, when the man of the house with two children reaches \$45 a week it starts to become a different story. His tax will be increased 20 cents a week—from \$1.60 to \$1.80.

"The increases come rather rapidly from there on.

"The same wage-earner earning \$50 a week will see his tax jump from \$2.10 to \$4.80 a week.

"And so it goes on up to a \$100-a-week salary where the Victory tax is now \$4.10 per week but the new withholding tax will be \$12.80 a week out of the pay envelope.

"When Mr. Taxpayer gets into the so-called upper wage brackets, the withholding tax does not cover the total tax. Taxes begin to accumulate against him for the annual settlement.

"But from our analysis of the set-up it looks as if all wage-earners pay less to the extent of the difference between a 3 per cent and a 5 per cent Victory tax.

"And the harassed taxpayer should not forget the 75 per cent skip-a-year forgiveness on either his 1942 or 1943 income tax.

"We do not see anything falling off in either over-the-counter sales or in plants where payroll deductions for war bonds are in operation.

"The new tax is not a flat 20 per cent tax, but 20 per cent on that portion of income in excess of allowable exemptions. The 20 per cent includes 17 per cent for income taxes and 3 per cent for Victory taxes.

**SATURDAY EVENING POST AGENT INJURED BY FALL IN HOSPITAL**

Charles Rhinehart of Beaumont was painfully perhaps seriously injured Tuesday afternoon at 102 South Third street when he slipped on the sidewalk and fell causing a wrench back, according to information from Dr. A. E. Guthrie at the Floydada Hospital & Clinic.

He was carried to the hospital by the F. C. Harmon ambulance and is reported to be resting while x-ray pictures and examinations are being made to discover the extent of his injuries.

Rhinehart was in Floydada as a salesman for Saturday Evening Post and was enroute to the Commercial hotel when the accident occurred.

The youth, a cripple walks with crutches, is a victim of infantile paralysis, he told the attending physician.

**Second Funeral Within Twenty-Four Hours Invades Family While Father Is In South Seas**

Sadness again invaded the home of Mr. and Mrs. Silas E. Duncan, Jr. Thursday while relatives were attending funeral services for Sonja Jeanne, aged 6, news arrived of the death of another daughter, Ruth Elaine, aged 8. The latter was thought to be slightly improved when her mother left her at the Plainview hospital.

The little girl died at 2 p. m. Infantile paralysis was pronounced by the attending physicians, to be the cause of her death. She was carried to the Plainview hospital two days before her death.

Today no word has been received from the father of the deceased child, who is in U. S. naval service, serving when last heard from, in the Australian area.

The deceased attended school at

## Freedom's Embattled Standard

As the 167th anniversary of Independence day nears the flag that was born in the agonies of a fight for liberty and justice once more is the embattled emblem of a fight for the freedoms—on battlegrounds that circle the globe and touch every sea.

## Fifth Of July Will Be Holiday For Some; Just Another Day For Others, Survey Indicates

Four of July this year hitting on Sunday, the fifth will be taken in observance of Independence day by numerous local institutions and businesses, while with others it will be just another business day, a hurried survey this week indicates.

At the post office, The First National bank, in county offices, department and clothing stores plans are being made to observe the fifth as a holiday, the first of the year for the retail establishments and their employees. West Texas Gas company also announced their office would be closed on Monday, but at the city office Mayor White said business as usual would be the rule.

It appears certain that most of the implement houses, elevators and places where harvesters can be served directly all the usual services would be given Monday.

For the most part, food stores will be open on the fifth. Southwestern Public Service company is among the offices which will be closed for the day. So far as was known yesterday morning drug stores and cafes will be open as usual.

Floyd County R. E. Coop has a directors meeting scheduled for the day and the office there will be open, and the county agricultural office, barring further instructions, will be open for business as usual. "No more holidays for the duration" is the standing order Paul Snodgrass AAA committee chairman, said had been received from the state office.

No local celebration or special events have been scheduled. Some of the employees released by the holiday will work in Victory gardens and catch up with odds and ends while others will spend a bit of their gasoline mileage to reach nearby swimming places and picnic grounds.

Andrew Ward this year. She was carried to a Plainview hospital for treatment following a tonsil operation a week ago.

The little girls are survived by their parents and one sister, Dorothy Dee and one brother, S. E. III, grandparents, Mr. and Mrs. Silas E. Duncan and Mr. and Mrs. C. L. Anderson also a great grandmother, Mrs. Arthur B. Duncan.

Funeral rites were said Friday at the Wall Street Church of Christ by Elder Ohmer Kirk and Rev. L. A. Doyle. Interment was made by the side of her sister, in the Floydada cemetery. Arch Cramer, mortician carried her casket to the Floydada cemetery at Lockney, had charge of funeral arrangements.

Mrs. Duncan and children are visiting this week with her parents, Mr. and Mrs. Anderson at Lockney.

## Urgent Necessity To Save Tires And Gasoline

It is one of the possibilities that gas rationing may be necessary to conserve the gasoline supply as well as rubber, the gasoline panel of the Floyd County War Price and Rationing board was warned last week in a letter from the District office of OPA.

In the warning gasoline panels are urged to scrutinize every request for gasoline coupons and to reduce, in every instance at all possible the amount of gasoline parceled out to drivers. The letter released in part by Mark H. Martin of the gas panel also says that the immediate outlook for a tire supply to last until synthetics are available, is a dark one.

The gloomy outlook is augmented by the hot summer months ahead during which essential vehicles must be kept going if at all possible. In the long run the outlook is good but right now for the next eight to 14 months is the critical time.

**This Is An Oil War**

It is increasingly evident, says the letter, that no section can escape either directly or indirectly the acute gasoline shortage. Few people have any conception of the amount of petroleum products used daily incident to the war, or how military demands are daily increasing. Overseas shipments of petroleum products have increased over 8000 per cent over the first year of the last war.

That the Floyd county board will be looked to to reduce the demands in this area for gasoline, materially reducing the demands of the citizens and also to conserve tires in every way possible to strongly indicated.

**What Modern War Demands**

What modern war demands in gasoline and petroleum products is indicated in the following statement:

- Training planes use 50 gallons of 100-octane gasoline an hour;
- To train one pilot requires 250 gallons in the air and 12,500 gallons of gasoline;
- When flying in combat, Army planes use 100 gallons of gasoline per hour per engine;
- A Flying Fortress uses 400 gallons of 100-octane gasoline per hour;
- It is estimated that a modern destroyer uses more than 3000 gallons of oil an hour;
- An Army transport burns 33,000 gallons of fuel oil a day;
- There has been an 11,000 per cent increase in motorization in World War No. 2 compared to the last war. An infantry division in the last war had about 3200 horsepower in its motorized division compared with 400,000 horsepower of World War No. 2;
- The Army reports that in first year of this war, overseas shipments of all supplies increased 600 percent compared to first year of last war. But overseas shipments of petroleum products increased over eight thousand percent. Mechanized war means an oil war. Oil is Ammunition—Use it wisely.

**State Guard Unit Changes Meeting Night To Monday**

Company G, Floydada, Texas State guard unit, will have henceforth on Monday nights for their drill and study, changing from Tuesday because of conflicting dates.

Doubling up in various civic and patriotic capacities some of the members of the unit found Tuesday night difficult. Officers of the company spent last night at Lubbock at a meeting called by their battalion commander.

The July school for guard officers will be attended by Capt. T. P. Collins and Lieut. Harry Morckel and by Sergeants Grady Walker and Floyd Fuqua. Lieut. Douglas Hollums will be unable to get an express agent to relieve him during the month of July and will be unable to attend the school.

**Rationing Dates And Deadlines**

**GASOLINE**—"A" Book coupons No. 6, good for four gallons each, must last through July 21.

**SUGAR**—Coupon No. 13 good for 5 lbs. through August 15. Coupons No. 15 and 16 are good through October 31 for 5 lbs. each for home canning purposes.

**COFFEES**—Stamp No. 24 (1 lb.) is good through June 30. Stamp 21 becomes valid for one pound July 1 and expires July 21.

**SHOES**—Stamp No. 18 (1 pair) is valid through October 31.

**MEATS**, Etc.—Red Stamps J, K, L, M, and N expire June 30. Red Stamp P became valid June 27 and Q becomes valid July 4.

**PROCESSED FOODS**—Blue stamps K, L, M continue good through July 7. Blue stamps N, P, and Q will be valid from July 1 to August 7, inclusive.

## NEWS OF OUR MEN and WOMEN IN UNIFORM

**J. D. MORRISON GRADUATES FROM ARMAMENT SCHOOL AT LOWRY FIELD, COLORADO**

Information from the Army Air Forces Technical command at Lowry Field, Colorado, released last week, is that J. D. Morrison, for three years a member of the Floydada High school football squad, graduate from the army's armament school on June 22.

Son of Mr. and Mrs. Jim Morrison of Dougherty, J. D. entered the army on January 13, beginning his military career at Ft. Sill. He also studied at Sheppard field and Buckley field, the latter in Colorado. J. D. is 18 years of age.

**JOHNNY McCLESKEY FINISHES SHEPPARD FIELD GROUND FORCES TRAINING COURSE**

SHEPPARD FIELD, July 1.—Johnny McCleskey son of Mr. and Mrs. Jno. McCleskey of Afton, Texas, has graduated from an intensive course in airplane mechanics.

Before entering the school, he was trained at one of the basic training centers of the Army Air Forces Technical command and learned to fight the Axis with other things besides the tools of his trade.

**CPL. WM. A. COX ARRIVES SAFELY IN BRITISH ISLES**

Mr. and Mrs. R. D. Cox of the Farmer community in Crosby county have received a letter from their son, Cpl. William A. Cox, saying he had arrived safely in England.

They also received a letter from a son, S. Sgt. Leroy Cox who has been transferred recently to a California station. The last named son was to have come home in mid-June on a furlough but his leave was cancelled.

The Cox family formerly lived for three years at McCoy.

**W. H. SMITH, JR., LEAVES FOR MARINE CORPS SCHOOL AT RUSTON, LOUISIANA**

W. H. Smith, Jr., who has been in school in North Texas State college, Denton, spent a 24-hour visit with his parents, Mr. and Mrs. W. H. Smith, here the first of the week, leaving Wednesday for Ruston, Louisiana, where he takes up an assignment in the Marine corps.

He has been in the Marine reserve for sometime but was permitted to finish school before his call.

**S. SGT. CLYDE WRIGHT LANDED SAFELY IN ENGLAND HE WRITES**

Mrs. Morgan Wright received a letter recently from her son, S. Sgt. Clyde Wright who told his mother he had landed safely in England. Two letters and a cablegram arrived about the same time, Mrs. Wright said.

Sgt. Wright, who has been in service 18 months, is a member of the ground crew of the army air corps.

**L. D. BRITTON PROMOTED**

Mrs. L. D. Britton has received word of the promotion of her husband from Electricians Mate 1/C to that of Chief Petty officer. Britton has been in the Navy since July 15, 1942.

For the past several months he has been in the South Pacific. He recently was hospitalized for a minor operation but is reported to be out of the hospital when he last wrote his wife and his mother, Mrs. Lillie Britton.

**SONS ASSIGNED TO DUTY**

Mr. and Mrs. J. C. Wester were notified by their son James, that he had been assigned to the college of dentistry at Baylor university.

Another son, Edward, who has been taking mid-term exams at North Texas State college at Denton has been assigned to Marine Officer's training to be located at Parris Island, South Carolina. He plans to visit his parents here before reporting for duty July 15.

**LESLIE AND MRS. SURGINER SPENDING VACATION HERE**

Mr. and Mrs. Leslie Surginer, of Kansas City, Mo., are here this week, spending a vacation as guests in the home of Mr. Surginer's parents, Mr. and Mrs. I. C. Surginer.

The Surginers have been in Kansas City for some two years, where he is an auditor with the Federal Farm administration.

**New Rotary Club Officers Take Over Duties**

New officials of Floydada Rotary club were installed Wednesday of this week at the club's luncheon, and have taken over duties of their respective offices.

N. W. Williams, new president succeeding Cecil Hazood, will preside at next week's session of the club. J. C. Wester heads the committee which is arranging programs.

Program for the day was in the form of a review of the past year's activities, a job assigned to R. F. Stovall.

**DOROTHY BROCK GETS CALL TO SAN DIEGO NAVAL HOSPITAL JULY 6**

Miss Dorothy Brock, daughter of Mr. and Mrs. W. H. Brock received notice to report for duty at San Diego naval hospital July 6. She has been in nurses' training at Galveston and returned home for a short visit with her parents before going to California.

Another daughter, Miss Ellen Brock, who is employed in Consolidated aircraft plant at Fort Worth is home this week with her parents and family.

**DONALD CORNELIUS, GENE LORAN START TRAINING AT SHEPPARD FIELD**

Two more Floyd county boys this week take up training for air pilots, beginning the first of the week at Sheppard field where they take basic work for some weeks.

They are Donald Cornelius, son of E. L. Cornelius and Gene Loran, son of Mr. and Mrs. Terrell Loran. Both have been in the air reserve and both called shortly after becoming 18 years of age.

Both passed physical and mental tests Saturday at the Lubbock induction station and were forwarded with a contingent of plains youths to the Wichita Falls training center.

**SONS VISIT GARLAND G. GLOVER AND FAMILY THE PAST WEEK**

Cpl. Kyle Glover of Camp McCain, Mississippi and Lieut. G. Deihl Glover of Fort Lewis, Washington have been visiting here with their father Garland Glover and Mrs. Glover and son, the past week.

Kyle is in the infantry and Deihl is with the signal corps. The latter left yesterday returning to duty. Kyle is scheduled to leave Saturday.

**PVT. KENNETH BURGETT SAILED FOR OVERSEAS**

Mr. and Mrs. Z. A. Burgett received notice recently that their son Pvt. Kenneth Burgett had sailed from New York about May 15. The notice was a letter from their son written somewhere in the Atlantic and dated May 22.

Pvt. Burgett, a member of the artillery corps, has been in service since January 21.

**L. W. CHAPMAN PROMOTED TO CAPTAINCY IN ARMY**

News that L. W. Chapman, former manager of the Floyd County Rural Electric co-operative, has been promoted to a captaincy in the ordnance department of the army, was learned here recently, his second promotion since entering the army something more than a year ago.

Chapman has been located at the Portage Ordnance depot, Ravenna, Ohio, since leaving Averdean Proving grounds shortly after entering the army.

**ARTHUR WOMACK FINISHES DIESEL SCHOOL AT COLUMBIA**

Bluejacket Arthur Womack, 19, son of Mr. and Mrs. Arthur V. Womack, Floydada, Texas, has been graduated from the Naval Training school for Dieselmans located on the campus of the University of Missouri at Columbia, Mo. He was advanced in rating to a fireman, first class upon graduating.

Soon he will be assigned to active duty aboard a warship in the U. S. Fleet, or at a naval shore station.

**ROBIN BYARS TO STUDY FOR FLIGHT INSTRUCTOR**

Robin Byars left Monday for Tulsa, Oklahoma for link instrument training in the CAAWTS flying service. Byars is a member of the aero club here. He received his private license in December.

The 8 weeks training at Tulsa will be followed by a refresher course at Randolph field, preparatory to being made flight instructor, when he successfully passes the requirements.

**Van K. Fuqua Air Graduate Foster Field**

In the graduating class of aviators announced Saturday by the Army Air Forces Gulf Coast Training center at Randolph Field, Texas, is listed Van K. Fuqua, son of Mr. and Mrs. M. C. Fuqua, of Floydada, who finished at Foster Field, Victoria, Texas.

Thousands of young Americans were in the simultaneous graduation at 11 southwestern fields, all trained to hair-trigger perfection in the art of aerial warfare were in the group.

Young Fuqua has a background of more than two years of active service in the ground forces serving several months as a photography expert while based at Puerto Rico.

After he passed his tests as an applicant for air service he was stationed at fields in Texas before going to Foster Field at Victoria for his finishing course.

His last visit home was two years ago in April.

## Harvest Slowed By Showers Since Tuesday Morning

The last 15 per cent of the Floyd county wheat acreage to be harvested will wait at least until this afternoon for sunshine to soften up the tough stalks, after fog and drizzle, with spotted showers about, put a complete stop to harvest work Tuesday morning.

In some areas, notably the southeast corner of the county, the dampness hit Monday afternoon. Except for one or two possible exceptions not enough rain fell to be beneficial to row crops in this county.

Estimates are that around Dougherty and Floydada territories the wheat was 90 per cent finished before the drizzles set in. In the north part of the county possibly 20 to 25 per cent of the crop is still unharvested. Mostly small fields and fields of growers who do not own combine harvesters are the ones not yet harvested.

The most generally satisfactory wheat harvest in many years, yields run from a low of 10 bushels to a high of 40, with a mean average of probably 20 bushels, while the price has also been a satisfactory factor. A very great proportion of the crop has gone into storage, some of it on the farm but a much greater part of it at terminal elevators.

Railroads have been able to furnish cars for shipping much more readily than was anticipated before the harvest began. A few stops were made at most of the elevators of the county, excepting at Lockney and Muncy, but these stops were of short duration and made little inconvenience for growers.

About the only unhappy wheat growers are those who were in hail streak. Made late by sucker crop these fields yielded less and lighter grain than those not affected by hail.

Fifteen-hundredths of an inch of rainfall was recorded at Floydada Wednesday morning, the first precipitation since June 6, when 1.4 inches was recorded unofficially.

Reports indicate that row crops have been coming along very satisfactorily while wheat harvest has been in progress. After a day of dry weather the growers will get into these crops to clean out accumulated weeds and cultivate the feed and cotton.

**Temperatures Takes Drop**

Last week as the harvest progressed temperatures grew steadily warmer, high of 96 degrees being recorded on Saturday, with Friday's high at 92 and Sunday's at 95.

Monday as the east wind blew in (See HARVEST SLOWED ON BACK)

**RESPONSE GRATIFYING TO APPEAL FOR SEWERS, KNITTERS FOR RED CROSS**

Mrs. O. M. Conway this week said that the response has been gratifying to the appeal for more help to carry on Floyd County chapter's quota of sewing and knitting for the Red Cross, but there is no probability too many workers will carry out garments or knitting thread to handle the chapter's quota.

Sewing and knitting quotas now being worked up are in preparation for the tremendous demands of the forthcoming winter. Mrs. Conway is production chairman for the chapter and responsible for the successful completion of work assigned to volunteers in the county.

**July Transfer Month In State School System**

July is transfer month for school children in Texas, County Superintendent Clarence Guitee reminds Floyd county citizens this week.

And contrary to apparently general opinion there is no such thing as an "automatic" transfer, the rule being:

Children who have finished the highest grade in the school taught in their home district need to make application for a transfer to another district, which teaches higher grades than that taught at home. Or, if for any other reason it is desired to transfer a pupil from one district to another the formality of an application is necessary.

The county superintendent's office is charged with the duty of administering transfers and application should be made there.

**Dist. Court Term To Open Next Monday**

Sessions of the new term of 110th district court for Floyd county will open Monday morning, when Judge Alton B. Chapman will sound the gavel and start the wheels of grinding.

However, it is indicated that no juries will be called next week, neither petit nor grand jury. Present plans are to set the grand jury to work beginning Monday, June 12, when the major rush of the wheat harvest and marketing season is expected to be over.

# Social Events, Clubs

## Miss Asher Of Hobbs Is Bride At Stansell

Miss Dorothy Asher, daughter of Mr. and Mrs. Bill Asher of Hobbs, N. M., became the bride of Mr. John H. (Pat) Stansell Wednesday, June 23 at Clayton, Miss. Mr. and Mrs. O. L. Stansell, parents of the bride, were present at the ceremony. The O. L. Stansell left Tuesday, June 14, for Jefferson barracks, with Miss Asher to come here from Hobbs to accompany them. The bride attended Draughon's business college at Lubbock and was employed with the Lubbock Army Air base and with the Air Corps at Hobbs. She is a member of Business and Professional women's club at Hobbs.

The bride attended Draughon's business college at Lubbock and was employed with the Lubbock Army Air base and with the Air Corps at Hobbs. She is a member of Business and Professional women's club at Hobbs.

## Miss Huckabee Bride Of Pfc. Nolan Brand

Miss Gertrude Huckabee became the bride of Pfc. Nolan Brand in a quiet ceremony Wednesday night at 10:15 at the home of Rev. and Mrs. W. J. Knop of Lockney. Rev. Knop, pastor of the Methodist church, performed the marriage ceremony.

## Las Amigas Club Meeting Is Held Wednesday Night

The Las Amigas club met Wednesday night at 7:30 o'clock with Mona Blackmon, Yvonne Hale and Frances Field as hostesses at their home on West Virginia street. During the business meeting the following officers were re-elected, president, Mona Blackmon; vice president, Anna Cates; secretary-treasurer, Margaret McKinney; song leader, Frances Field and devotional leader, Lovelle Ginn.

## Mrs. Tom Deen Honored With Party Tuesday

Mrs. Tom W. Deen, who with her husband, Representative Tom W. Deen recently returned to Floydada following adjournment of the legislature at Austin, was honored Tuesday of last week by members of her Sunday school class, the Pastor's Helpers of the First Methodist church.

## Mrs. Lloyd Roland of Arcadia, California Came Yesterday to Spend Several Days with Her Brother-in-Law, Collis Roland and Mrs. Roland.

Mrs. Ersel Matthews of Lubbock spent Saturday and Sunday with her parents, Mr. and Mrs. Walter Collins.

## Mrs. J. G. Shearer of Amarillo Came Tuesday to Spend Several Days with Her Son, O. G. Shearer and Family.

Mrs. J. G. Shearer of Amarillo came Tuesday to spend several days with her son, O. G. Shearer and family.

## Social Calendar

**TODAY**  
The Blue Bonnet Needle club will meet this afternoon at 3:30 at the home of Mrs. Pete Kendrick.

The Althean Sunday School class will meet at the home of Mrs. L. H. Newell on West Kentucky street in an all-day meeting today.

**FRIDAY**  
Floydada Garden club meets at 9 a. m. July 9 at the home of Mrs. Jim Willson.

**SATURDAY**  
The Las Amigas club will meet July 10 when they plan to go on a picnic.

**MONDAY**  
The Woman's Missionary society and the Girl's Auxiliary of the First Baptist church will meet Monday afternoon at the church for regular meeting and business reports.

## Mrs. E. C. Henry Program Leader At Garden Club

The Floydada Garden club met Friday morning at 10 o'clock with Mrs. J. B. Jenkins. Mrs. E. C. Henry was in charge of the meeting in the absence of the president, Mrs. Alton B. Chapman. The members answered roll call by giving "a benefit derived from your garden."

Plans were discussed for the social meeting which will be at 9 o'clock, July 9, at the home of Mrs. J. M. Willson. The members and their guests will be entertained with a book review given by Mrs. John Hoffman, on "The Embattled Male" written by Dwight Farnham. Mr. Farnham is a brother-in-law of Gene Howe, editor of the Amarillo Daily News. A home flower show is anticipated by the members as an interesting part of the meeting.

Mrs. E. C. Henry was leader of the program Friday morning. Mrs. J. D. McBrien read a poem entitled "Friends are Like Flowers." Mrs. Geo. B. Marshall gave, "The Importance of Playgrounds for Children." Mrs. Jeff Welborn discussed, "Changes of Color Gives New Adventure in Gardening."

## Maurice Burton Honored With Party Wed.

Miss Maurice Burton was honored Wednesday evening of last week with a surprise birthday party when friends gathered at her home on South Main street.

The group enjoyed games before refreshments of ice cream and cake was served the guests.

Those present were Misses Elsie Gloyna, Margaret McKinney, Leona Holmes, Helen Ring, Lena Scott, Lovelle Ginn, Reda Mae Gary, Lee Dale Clubb and the honoree.

## Center News

**CENTER, June 29** — This week with good weather will almost if not entirely finish the combine work for this season. The yield has been gratifying except where hail damage was too great.

Mrs. J. B. Jordan went to Lubbock Thursday afternoon to be with her mother who underwent a major operation Friday at the Lubbock anti-tumor. She returned home Sunday night when Mr. Jordan went to Lubbock to accompany her home.

Mr. and Mrs. Jesse Wright and children spent Sunday with Mr. and Mrs. Floyd Willis.

Mrs. J. L. Montgomery visited Mrs. Joe Robertson Sunday.

Sunday is regular preaching day at Center.

Visitors in the W. B. Jordan home Sunday afternoon were Mr. and Mrs. G. C. Bailey and Mr. and Mrs. L. H. Maggard of Lamesa.

S. A. Guffee spent Sunday with his daughter, Mrs. R. C. Ross and Mr. Ross.

Donovan Spence is home on a twelve day furlough visiting his parents, Mr. and Mrs. A. L. Spence and his sisters, Mrs. Buri Huckabee, Mrs. Tom Noland and Miss Betty Jean Spence.

We regret to know Mr. Cumble is not improving in the Lubbock hospital as the family had hoped.

J. D. Welborn and family were able to attend Sunday school Sunday. We are glad they are well again.

Miss Virginia Frizzell is still on the sick list.

Mr. and Mrs. C. M. Meredith had a letter from their son, Bryan who has been visiting his uncles, J. B. and N. T. Rutledge and the Rev. C. E. Meredith at Arlington, Port Forth and Dallas. He is working in a Gen's Furnishing store.

Mr. and Mrs. A. R. Epperson spent Sunday with her parents, Mr. and Mrs. John Power in Floydada.

Mr. and Mrs. Orville Lightfoot and daughter Teddy and her father all of Dallas are vacationing with Orville's parents, Mr. and Mrs. E. W. Lightfoot and helping harvest the wheat crop here on his father's farm.

## Center Home Club

The Center Home Demonstration club met Monday with Mrs. J. B. Jordan. The meeting was opened by repeating the club prayer. Roll call was answered by giving "a rule for a hostess to follow."

During the business meeting, Mrs. Oliver Allen was named to represent the club at council from the group of names to choose three representatives to attend the state meeting in August.

The members liked the idea of the Share and Save column in The Hesperian and several wanted things, but right now didn't have anything they could think of to offer in exchange. We hope by next meeting to be prepared to make some requests.

Those who had part on the program were absent and the subjects were discussed informally.

Lovely refreshments were served to Mrs. Jas. E. Green, Mrs. J. L. Montgomery, Mrs. C. J. McClure, Mrs. A. R. Epperson, Mrs. A. W. Anderson, Mrs. Oliver Allen, Mrs. O. C. Vinson, Mrs. W. B. Jordan, Mrs. Clyde Bagwell, Misses Doris Vinson and Margaret June Green and the hostess Mrs. Jordan.

The next meeting place will be announced next week.

## Baker Locals

**BAKER, June 30**—If you ever stood in line for something, you know how it seems to move up a few notches—that is how it has been at the elevator trying to get the truck load of wheat unloaded. Several women are at the truck wheels this harvest too.

There were many callers at the home of Miss Leona Jones Sunday. She was brought home from Plainview hospital, but was reported not doing so well.

Mr. and Mrs. W. H. Nelson visited in the home of Mrs. G. E. May Sunday afternoon. Mrs. May's step-son and nephew of Mr. Nelson is here on a visit.

Rev. C. A. Hartley accompanied by his wife filled his regular appointment here Sunday, where he preached two good sermons. Reports of his two weeks study at S.

1st National Bank Building, Floydada. That is the location of the "proving ground" of spinal adjustments, firmly established on chiropractic principles

**THAT THE BACKBONE IS THE BACKGROUND — and is the foundation work of our advanced, result - getting, all - chiropractic system.**

Mr. and Mrs. A. R. Epperson spent Sunday with her parents, Mr. and Mrs. John Power in Floydada.

Mr. and Mrs. Orville Lightfoot and daughter Teddy and her father all of Dallas are vacationing with Orville's parents, Mr. and Mrs. E. W. Lightfoot and helping harvest the wheat crop here on his father's farm.

Mrs. J. B. Jordan went to Lubbock Thursday afternoon to be with her mother who underwent a major operation Friday at the Lubbock anti-tumor. She returned home Sunday night when Mr. Jordan went to Lubbock to accompany her home.

Mr. and Mrs. Jesse Wright and children spent Sunday with Mr. and Mrs. Floyd Willis.

Mrs. J. L. Montgomery visited Mrs. Joe Robertson Sunday.

Sunday is regular preaching day at Center.

Visitors in the W. B. Jordan home Sunday afternoon were Mr. and Mrs. G. C. Bailey and Mr. and Mrs. L. H. Maggard of Lamesa.

S. A. Guffee spent Sunday with his daughter, Mrs. R. C. Ross and Mr. Ross.

Donovan Spence is home on a twelve day furlough visiting his parents, Mr. and Mrs. A. L. Spence and his sisters, Mrs. Buri Huckabee, Mrs. Tom Noland and Miss Betty Jean Spence.

We regret to know Mr. Cumble is not improving in the Lubbock hospital as the family had hoped.

J. D. Welborn and family were able to attend Sunday school Sunday. We are glad they are well again.

Miss Virginia Frizzell is still on the sick list.

Mr. and Mrs. C. M. Meredith had a letter from their son, Bryan who has been visiting his uncles, J. B. and N. T. Rutledge and the Rev. C. E. Meredith at Arlington, Port Forth and Dallas. He is working in a Gen's Furnishing store.

Mr. and Mrs. A. R. Epperson spent Sunday with her parents, Mr. and Mrs. John Power in Floydada.

Mr. and Mrs. Orville Lightfoot and daughter Teddy and her father all of Dallas are vacationing with Orville's parents, Mr. and Mrs. E. W. Lightfoot and helping harvest the wheat crop here on his father's farm.

## M. U. Dallas Have Enriched His Personal Life

Youth Fellowship program was rendered in a beautiful candle light service by Jean Nelson and Christine Hinton Sunday night.

The Women's Society of Christian Service met with Mrs. W. H. Nelson Monday. The study on a "Just and Durable Peace" is still in progress.

## Butane Systems

Many farmers, poultry raisers, dairymen, ranchers are now eligible to purchase butane systems. Approval is quick. We have large stock on hand. Write us quick, while this stock lasts, for full particulars.

## Penney Stores Prep For July Bond Drive

July 1 marks the opening of a nation-wide War Bond and stamp sales drive in 1610 J. C. Penney company department stores throughout the country. As a send-off to the campaign, Secretary of the Treasury Henry J. Morgenthau, Jr., prepared a message of congratulation and good wishes addressed to every Penney employee.

This is the second time the Penney company has been recognized in this way. At the conclusion of Penney's \$8,422,583.85 July bond drive last year, Secretary Morgenthau once before accorded the Penney company personal congratulations.

Penney employees, determined that the treasury department will again find their July sales of War Bonds and Stamps worthy of attention, start off this July with sales of at least \$10,000,000 as their goal. The Penney Company's Bond drive this July, like that last year, takes the form of a sales contest in which all employees and all stores of the chain compete for state and national awards.

In every Penney store, War bonds are promoted as "July's Best Buy!" This week, Penney store windows from coast to coast stress the fighting ships that War Bonds buy.

Born to Mr. and Mrs. R. B. McCraver a son, June 26, at the Ralls hospital. He has been named Ronnie Lance. Mother and son are doing nicely. The little boy weighed 7 pounds.

### Cool And Lovely

Even though the game was fast and warm, Lynn Merrick, the Republic starlet, is still cool and lovely in this rec and white striped pique play suit, made with laced bodice, bare midriff, and moderately flared shorts.

## Sunday Assigned "Loyalty Day" At Baptist Church

(L. A. Doyle, pastor)  
Sunday is "Loyalty Day" by vote of our church. Because of the great blessings the Lord has been giving us in this beautiful harvest many of our people have been out of church for the past two or three Sundays. Since the harvest is practically over the church voted to set Sunday aside as a day of special at-

tendance and worship in recognition of God's blessings.

We will also show our appreciation and love by bringing our tithes and offerings to buy bonds for the building fund. We hope that every member will bring something for this offering.

We must buy bonds for the war and it counts double when we buy them in the name of the church. Every time you give enough to buy a bond, your name is given to the county committee and it counts on your quota. Help us make this a great day in our church. We hope that every member will be present.

We wish to thank the twenty five workers who made our Vacation Bible School such a splendid success. There were 168 registrants with an average attendance of 117. Also, we had ten professions of faith and several dedications of life.

Remember, we need every member's presence next Sunday to honor the Lord and do our best for the building fund.

## C. L. Busby Rites

### Held Monday At Lockney

C. L. Busby, 86-year-old former resident of Floyd county for the past 45 years, died at his home at Amarillo Sunday at 4 p. m. He and his wife moved to Amarillo a few months ago. His body was brought to Lockney Monday, by the Crager Funeral Home attendants, for burial.

Funeral rites were held at the graveside by Elder McClung of Plainview. The widow and nine of her ten children were present for the last rites.

Mrs. Delbert Jones plans to leave this week end for her home at Wichita, Kansas after a two weeks visit here with her parents, Mr. and Mrs. C. B. Sims.

## CECIL HAGOOD'S FATHER VISITS HERE ENROUTE TO HOT SPRINGS, ARK.

V. C. Hagood, for 23 years in the men's furnishing business at Tulsa came Tuesday for a visit with his son and wife, Mr. and Mrs. Cecil Hagood and family. He recently sold his business there and is enroute to Hot Springs, Arkansas, on a vacation trip and visit with brothers and sisters.

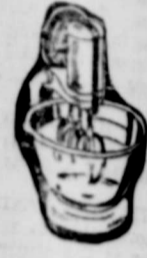

Mrs. Hagood is visiting in the home of another son at Petersburg where she will remain until her husband returns from Arkansas. Mr. Hagood was accompanied to Floydada by a grandson Virgie Wilson Speer.

Kenneth Henry, who has been in the Canal zone the past nine months doing construction work for the U. S. government, returned to Floydada Friday for a visit with his mother, Mrs. E. C. Henry and other relatives. He will be here for an indefinite visit, members of the family said.

# ELECTRIC APPLIANCES

## NEEDED

Do you have any USED electric appliances which you would like to sell? Electric appliance manufacturers are now producing war equipment only. New appliances will not be available for the duration... Do someone a good turn by offering to sell used appliances which you no longer need. If you will let us know what you have to sell, by sending in the coupon in this ad, we will contact you for further information and then try to find a buyer. Never throw away an old appliance.

### Southwestern Public Service Company

I have the following appliance(s) I would be willing to sell. Sending you this coupon will not obligate me in any way whatsoever.

## Canada's Mothers Do Big Job

EACH day the great war industries of Canada are enrolling more women to take the place of men called away from their machines for active duty in the armed services. Already nearly 250,000 Canadian women are working in war factories. Immense release of woman power has been possible by the creation of day nurseries by Dominion and Provincial authorities.

Children are well cared for while mothers work at war machines. Organized group games are important in the program planned for the tiny tots sheltered daily at the nurseries. Trained attendants care for every need of these youngsters.

Organized group games are important in the program planned for the tiny tots sheltered daily by the Dominion-Provincial Nurseries. Trained attendants care for every need of these youngsters whose mothers are employed in Canada's many war industries.

Canadian women reporting for work at a munitions plant. Many of them are mothers who have shortly before left their children in a local nursery for the day while they are working.

Balanced meals at regular hours, rest periods and supervised recreation are among the childhood essentials supplied to these youngsters of Canadian women workers. Knowing their children are well cared for, Canadian women can put their best efforts into their war jobs with a free mind.

Starting mainly as inspectors, Canadian women have invaded every field of operation, except those where sheer strength is the prime requisite. They are making intricate radi and electrical devices, shell fuses, parachutes, and uniforms; they operate lathes and milling machines; they work in

many sections of shell filling, explosive and chemical plants. In the vital aircraft production field their numbers have grown from a handful at the outbreak of the war to a total larger than the pre-war total of all employees. And while it is customary to

## Canada Training Powerful Norwegian Air Force

Norwegian trainers (above) in flight over Canada. (At right) Armed with rifle and bayonet this young Norwegian flyer guards the Headquarters of his command. The Royal Norwegian coat of arms has been placed above the doorway.

A POWERFUL Norwegian Air Force has been mustered and trained in Canada and awaits the day of revenge. In spite of the fact that Norway was one of the first countries to come under the German heel it has now built an air force equipped and trained in Canada more powerful than it possessed before the war. The new air force is supported largely by revenue from the Norwegian Merchant Marine which escaped the clutches of the Nazis. Camp Little Norway has been established in Ontario and here, amid rustic cabins that remind them of their home land, the traditional life of Norway is carried on by the young men and women who are training as a working unit to free their country from the Nazis.

## Free Canning Service For Co. Offered

Free tuition and canning service is offered the people of Floyd county beginning Wednesday when another phase of adult training will be sponsored by the Floydada Independent school. The announcement of the project was made by County Superintendent Walter Travis who, with Agricultural Teacher H. G. Barber are in charge of the work.

Large or small quantities of foods can be handled with canners, sealers and cookers available and other equipment arriving daily that will be used to complete a modern work-room, Travis said.

Mrs. W. C. Sims will be in charge of the canning with instructions to supervise the work of the Defense Training program. People with canning problems, especially those without cookers are invited to bring food stuff to the cannery that is located on East California street east of Western Auto Associate store.

Two other projects undertaken by the school have been the Auto Mechanics school taught by Bill Sharp and the Farm Machinery repair school taught by Lindsey Graham. W. A. King, area supervisor was in Floydada recently assisting with plans for the opening and operating of the cannery.

### G. A. REORGANIZED TO MEET EACH MONDAY 4 P. M.

The girls' auxiliary of the First Baptist church met Monday afternoon at the church for the purpose of reorganizing. Mrs. Zolan C. Melton was chosen as leader.

Willis Bradford was elected president with the following elected officers to serve with her: Wilma Hamilton, secretary-treasurer; Roberta Garrett, social chairman; Iva Pearl Simmons, industrial leader.

The regular meeting time of the organization was set to be at 4 p. m. each Monday afternoon at the First Baptist church.

### FAMILY OF TWELVE ESCAPE WITHOUT INJURY FROM BURNING HOME

Ten children were rescued by their parents, Mr. and Mrs. Bob Campbell, colored, from their burning home at 7 o'clock Tuesday morning when an oil cook stove exploded. The entire family escaped without injury.

The two-room tenant house was located on the W. H. Brock farm in the McCoy community. The building had only one door through which to bring the family and household goods to safety.

John Gray and many of the neighbors in the community arrived too late to assist with saving any of the personal belongings of the colored family.

### C. A. CUMBLE REPORTED SERIOUSLY ILL AT LUBBOCK HOSPITAL

The condition of C. A. Cumble was considered grave yesterday by relatives who visited him at the Lubbock hospital, where he was carried two weeks ago.

His son, Pfc. Lloyd Cumble of Temple has been with his father the past week. Mrs. Cumble and several of the other children have also been spending some time at the hospital.

### Births Reported

Born to Mr. and Mrs. Joe Fawver, a daughter, June 29, at the Pitts hospital. The little girl has been named Freida Jean. She is the granddaughter of Mr. and Mrs. John Fawver. Mother and daughter are reported to be doing nicely.

Born to Mr. and Mrs. Watt Seay, June 21, a son who has been named Joe Richard. The little boy weighed 3 pounds. He is the grandson of Mr. and Mrs. J. M. Summerlin and Mr. and Mrs. Richard Seay of Matador. Mother and son are doing as well as could be expected.

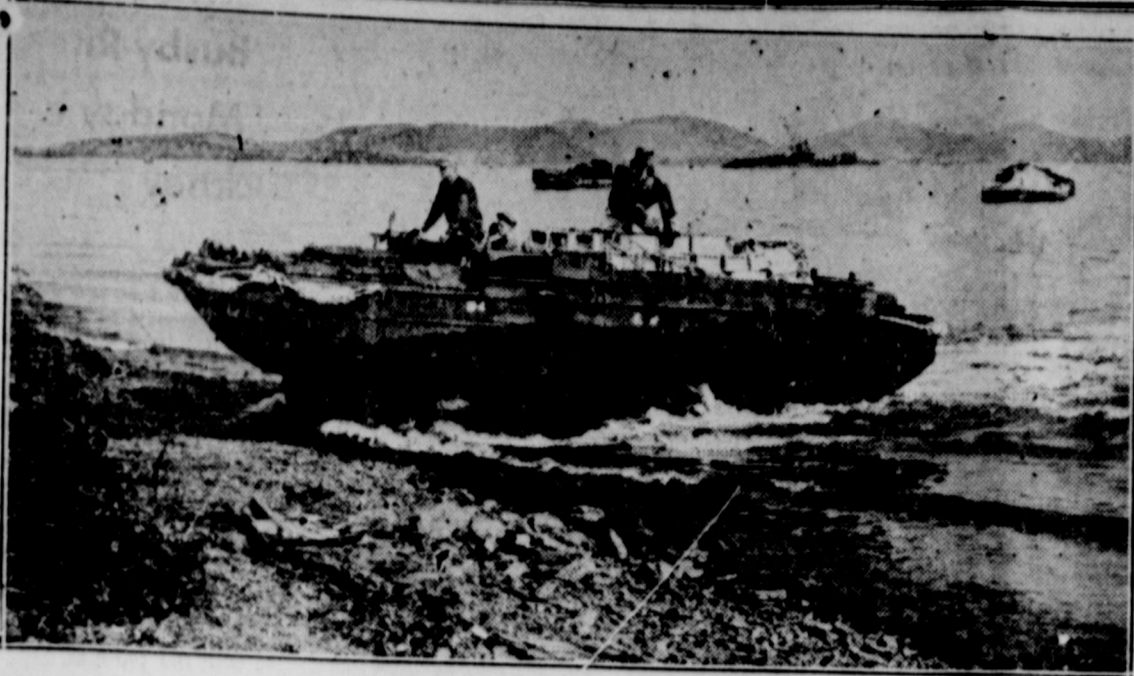

Born to Mr. and Mrs. Vernon Dorsey a daughter on June 28. Mother and daughter are reported to be doing fine at the Pitts hospital.

Mrs. J. E. Wimberly and granddaughter, Elizabeth Ann Childress of Roswell, New Mexico, are visiting her sister, Mrs. Fannie Montague. Before coming here they visited relatives in Altus, Oklahoma.

### Working Triv

W.A.C.'s at work wear cotton, too, as is evidenced by this official Quartermaster Corps photo. This young volunteer is wearing the official brown and white-striped seersucker exercise suit, and a khaki-colored work hat of stitched color twill.

**ARMY TRIES OUT ITS NEW "DUCK"**—This new amphibian truck turns off its propeller and rolls up the beach, powered by its six-wheel drive. The new vehicle, incorporating the characteristics of the standard two-and-one-half ton Army cargo truck, operates equally well on water or land. Known officially as "DUKW-353", it was nicknamed the "Duck" by the soldiers assigned as its driver-pilots. It is shown in operation in New Caledonia.

## Service Men's Needs Studied By Newly Organized Camp And Hospital Council

Mrs. E. L. Angus, county chairman of the Camp & Hospital Council of the American Red Cross was elected vice chairman of the newly organized Llano Estacado Camp & Hospital Council of Red Cross at a meeting held Tuesday at the Station hospital, South Plains Army Air field at Lubbock.

Delegates from approximately fourteen counties were in attendance at the meeting in which Mrs. H. G. Stuppert, of Plainview was elected district chairman. W. J. Rother, field director of the Red Cross at SPAAF presided at the meeting and election of officers.

**Purpose Of Organization**  
The purpose of the organization, as explained by Helen Drew of St. Louis, representative of this activity of the American Red Cross, is to fill a pressing need which has become apparent at this time, to discover the wants and needs of men in military service, and then, to try to fill them. These were described as being wants and needs of the type which must be supplied through organizations like the council, if they are to be supplied at all.

The organization was the 145th such group already in action throughout the nation, and will include fourteen counties of this area.

**Civic Clubs To Aid**  
Mrs. Angus and County Chapter Chairman Clarence Guffee cooperating with delegates from production clubs of Floydada will form a production committee from Floyd county. The purpose of this committee will be to study needs and collect items to be sent to boys in service.

**Wanted Items Listed**  
Scores of items are included on the first SPAAF list. They include overbed tables for hospital wards, books and magazines, games of many kinds, floor ash trays, floor and table lamps, couches and chairs lawn tables and chairs, magazine racks, writing desks, reading tables, rugs, record players, flower containers, curtains and shades, bugles, paint, lawnmowers, radios and pianos.

The items will be collected and sent to headquarters at Lubbock if the owner who wishes to donate any of the above items will contact Mrs. Angus at telephone No. 138 or Clarence Guffee at the court house.

### ATTEND AAA MEETING

Representatives Ray S. McEntyre, Paul Snodgrass, W. H. Nelson, Lena Scott and Yvonne Hale, from the AAA office attended a meeting of AAA officials at Plainview Monday. The meeting pertained to wheat loans and was held at the Hilton hotel. Representatives from College Station were present and had part on the program.

### A. C. GOEN, JR., IMPROVING

A. C. Goen, Jr. will probably be brought home from a Lubbock hospital tomorrow, his father said this morning. He was carried to Lubbock ten days ago where he underwent an operation for an abscessed tooth.

M. P. Goen, his brother, visited the hospital last night and reported his condition much improved.

A. D. Cummings of Olney made a business trip here the first of the week in interest of his wheat crop. He returned home Tuesday accompanied by Don Kirk, son of Mr. and Mrs. G. L. Kirk who will visit with the Cummings until the last of the month. While here Mr. Cummings visited his parents, Mr. and Mrs. A. S. Cummings.

Cubert Gray left Sunday for Lubbock where he was inducted into the air corps. He is at Odessa this week visiting his mother and awaiting call to service that will be not later than July 23. He is the son of J. H. Gray, city and Mrs. Gray of Odessa.

Mrs. C. Snodgrass returned Tuesday from Amarillo where she visited her daughter and husband, Mr. and Mrs. Arthur Savage and their son Kyle who was on a furlough visit with his parents from a glider school at Nashville, Tennessee.

O. B. Olson left the first of the week for Tulsa where he will be employed with his son-in-law LeRoy McDonald.

Mr. and Mrs. A. H. Manning visited Sunday in the home of their daughter and husband, Mr. and Mrs. G. C. Hillburn.

## Paducah Roping Club Sponsoring Rodeo On 4th

With the aid of merchants of Paducah the roping club of that city is sponsoring a rodeo for the afternoon of July 4 at their roping arena in the southeast part of town, according to Grace Jones, reporter for the club.

Calf roping, steer riding, bronc riding and other events will be staged and cash prizes awarded. Servicemen will be guests of the club. Profits are to be shared with the Red Cross.

### SHERIFF LEE HOWARD MAKES ARREST CHARGING MAN ACT VIOLATION

Violation of the Mann act is charged against Arthur B. Hickman, about 48, of Lubbock county, held in a Lubbock jail awaiting bond. The arrest was made by Sheriff Lee Howard Tuesday afternoon near Lockney.

Sheriff Howard turned the accused over to C. E. Luce, U. S. deputy marshal who carried the prisoner to Lubbock.

Miss Lou Singleton of Dallas arrived Tuesday for a visit with Mrs. E. C. Henry and family.

Bryan Meredith left recently for Dallas where he is employed in a men's furnishing store. He is a son of Mr. and Mrs. C. M. Meredith.

### CPL. WARREN AND FAMILY VISIT PARENTS HERE THIS WEEK

Corporal Bob Warren left today to return to Camp Haan, California after a five-day furlough visit with his parents, Mr. and Mrs. Bud Warren. He was accompanied by Mrs. Warren and Donny, who visited her mother, Mrs. Lou Gravat.

Corporal Warren graduated from Floydada High school with the class of 1942. He was employed at J. C. Penney store prior to his induction into the Army in January. He is with the anti-aircraft division.

Pvt. Donovan C. Spence of Camp Berkeley, Abilene, came Monday of last week for a visit with his parents Mr. and Mrs. A. L. Spence and family. Pvt. Spence is in the medical corps. He returned to camp this mid-week.

Virgie Williams, Jr., student of University of Texas, spent the week end here with his parents, Mr. and Mrs. V. Williams.

Pvt. and Mrs. John D. Teague of Lubbock spent Sunday with his parents, Mr. and Mrs. J. R. Teague and sister, Mrs. Mable Sims.

FROM THE SECRETARY OF THE U. S. TREASURY TO EVERY MEMBER OF THE J. C. PENNEY COMPANY...

I AM ADVISED THAT THE J. C. PENNEY COMPANY AND ALL OF THE EMPLOYEES OF THE COMPANY HAVE VOLUNTEERED THEIR SERVICES TO PROMOTE THE SALE OF WAR BONDS ALL THROUGH THE MONTH OF JULY IN EVERY PENNEY STORE, THRU THE STORES AND THROUGH THE HOME TO EVERYONE OF US AS WELL AS TO THE NATION. EVERY IMPORTANT TO EVERYONE OF US AS WELL AS TO THE NATION. EVERY TIME YOU BUY A WAR BOND OR A WAR SAVINGS STAMP YOU ARE HELPING AMERICA IN ITS WAR EFFORT. LOOKING AT THE SPENDING RECORD THAT YOU HAVE ALL MADE I AM SURE THAT YOUR ACTIVE PARTICIPATION IN THIS WAR EFFORT THROUGHOUT ALL THE COMMUNITIES WHERE YOU DO BUSINESS, GOOD LUCK AND MY THANKS TO EACH AND EVERYONE OF YOU.

HENRY MORGENTHAU JR. SECRETARY OF THE TREASURY

Buy your War Bonds at Penney's

THE first day of July, a great sales campaign opens at your J. C. Penney store. All through the month, every man and woman in our stores will work with all their hearts and hands to sell the War Bonds of our country.

Side by side with clothing for every member of the family, for every home front need, we will feature War Bonds and Stamps at every counter, in every department of our stores.

We still can sell you anything you want for your wartime family needs. But we want to sell you War Bonds—the very best piece of merchandise we have. For while we are still here to serve you, we serve our country first.

So buy War Bonds at Penney's this July! They are the best investment for your money in the whole wide world!

# DON'T FORGET!

to Buy War Bonds

It's patriotic to be thrifty — if your savings are placed in War Bonds. That's why we say — shop at Piggly Wiggly and save.

## Added Salt Helps Prevent Cramps Due To Heat

AUSTIN, Texas, July 1. — To help prevent heat cramps, salt should be added to the drinking water of those persons whose work is such as to cause excessive perspiration, Dr. Geo. W. Cox, State Health Officer, advises in an attempt to forestall a possible increase in the number of heat victims as the Texas thermometer hits 90 degrees and above.

Laborers, mechanics, farmers and while collar workers whose work causes them to sweat profusely are in danger of having their body salt content become deficient; with resulting heat cramps or heat fag. Salt is a prominent constituent of sweat; the body may lose as high as forty to fifty grams of salt during hot days. Workmen whose duties require muscular exertion should be especially careful to add more than the usual amount of salt to what eat and drink.

In industry, a method of preventing heat cramps is to take a tablet of pure salt or a mixture of salt and dextrose with each drink of their eat and drink.

Heat cramp is characterized by pains in the abdominal region, headache and vomiting. The body temperature remains about normal, likewise the pulse rate. Body salt losses occur without the knowledge of the individual until there is a deficiency; ache, and in severe cases, by nausea then the abdominal muscles begin to cramp.

### VISIT IN LOUISIANA

Mr. and Mrs. H. G. Parker and Mrs. Newell Parker returned home Friday from a week spent at Camp Livingston, Louisiana with their son and husband, Pfc. Newell Parker who is in the ordnance division of the Army Air Corps.

Pfc. Parker had been in a hospital several days but able to be up when his relatives were there. He is reported doing fine, his father said.

Enroute home the Parkers visited in the home of Mr. and Mrs. E. R. Beecker and family at Oakwood and with Mr. and Mrs. H. A. Beecker and family at Buffalo, Texas. The Messrs. Beecker are brothers of Mrs. H. G. Parker.

### E. L. ANGUS HOME

E. L. Angus, manager of Armour Creameries, arrived home Saturday from a six days trip to Chicago, Illinois, where he attended a meeting of Armour & Company managers.

The attendance included managers of the entire southwest division. Miss Pauline Wood returned to her home Sunday after an eight days visit here with her mother, Mrs. M. A. Wood.

Mrs. Walton Hale left Thursday for Grandbury where she will visit in the home of her parents, Mr. and Mrs. O. R. Vick. While there she will attend a reunion of her parents' children, five sons and two daughters.

Mr. and Mrs. J. C. Largent and family of Pampa visited Sunday and Monday with their parents, Mr. and Mrs. M. J. Mosley and Mr. and Mrs. C. M. Norris. They also visited a brother of Mr. Largent, Corporal Bill Norris of Miami, Florida, who is home on a furlough visit.

Mrs. C. P. Loofer returned last week-end from Hobbs, New Mexico where she visited in the home of her daughter and husband, Mr. and Mrs. Floyd Simpson and family. Little Tony Simpson, who has been here with his grandparents the past few weeks, returned home.

E. T. Hanks is in Henrietta, Oklahoma where he is visiting his former home and with his two brothers and sisters. From there she will visit in the home of nieces and nephews in Arkansas before returning home the last of the month.

Mr. and Mrs. R. A. Burrows are expected home this week-end from Muleshoe where they have been visiting in the home of Mr. Burrows' sister, Mrs. Thompson since Tuesday of last week.

Mrs. L. J. Burgett of Carlisbad, New Mexico visited in the home of her son, Lee Burgett, last week. She was accompanied on the trip by her granddaughter, Frankie Burgett, also of Carlisbad.

Mary Frances Jones was able to return home the first of the week from a local hospital where she was carried for treatment earlier in the week. She was suffering from complications from an extracted tooth.

Mr. and Mrs. Aldredge Powell of Pampa are visiting their parents, Mr. and Mrs. M. J. Mosley and Mr. and Mrs. H. A. Powell, before Mr. Powell's induction into the Army, July 14.

Mr. and Mrs. J. M. Daniel and son Don visited in Silvertown Sunday with his parents, Mr. and Mrs. J. E. Daniel.

## Francis Wester, Writing Home

### He And The Battery Commander Reach An Understanding Via Hired Typewriter, Tells All

(Ed. Note: The folks got a letter from Francis Wester the other day. He has been in the army about five or six weeks. After seeing and hearing all, he tells all in the breezy Francis Wester. Please do not send his commanding officer a copy of the paper. The letter reproduced is how do I feel? Terrible, right now. I can hardly pound on this old broken down typewriter because of about the most sore arm I have ever had in all my life. I have been knocked down, kicked, stomped, and broken in general by none other than Uncle Sam's M1-1903 Calibre .30 rifle. Yes sir today they took us out on the gun range and turned us loose. First we had what they call slow fire. I didn't do so bad at that. I made 83 out of a possible 100 on it and I thought I came out of it none the worse except for a lip that looked very much like one of dad's Jerseys' upper lip, but I was wrong in those conclusions because 30 minutes later when it came time for me on the rapid range and I had fired my first shot I found that instead of a shoulder I had something like a rising. It hurt and I need not tell you my score on rapid fire was shame and disgrace to the Wester name. However this wasn't for the record and may be tomorrow I will just let the thing kick me then because I don't think after that we will have to fire it for quite a while. We won't get as much training with rifle as some do in the army because it is more or less a side arm with us. Our major, you might call it, is the 40 mm A. A. gun. We have had quite a bit on it already and it is really a honey. Also we have Calibra (I can't spell that) machine gun. They are a part of every anti-aircraft placement. We will start next week having about 5 hours per day on these guns, as per date we have only had about 2 hours a day.

**Fly Causes Inspection Trouble**

Last week end we were restricted to our barracks because our lieutenant didn't like the way some of the boys passed inspection. I made it fly except for the fact a fly had walked across my bayonet and I was gipped on it. Me and about 5 or 6 other fellows were the only ones that passed with out rifles. Do you remember I had a fly on my rifle? Well, I don't know how many places an officer could look on a gun that you never knew was there? I miraculously (I shouldn't ever try words like that) passed with mine but what worries me is I don't know just what all I did so I can pass it this next Saturday. We have one of those 90-day wonders for a lieutenant and he really thinks he has the world by a big red ribbon.

This past week I was called into the battery office and asked if I would like to try for O. C. S. I told them I didn't think I would. Well the lieutenant that was asking me about it said "why" and right there he had me. I couldn't for the life of me think of a logical reason and I told him so and stood right there and let him talk me into trying for it and I know damn well I don't know enough math to try for this Anti Aircraft, and speaking of math I think Son is doing the right thing getting more math, because as you say, if he gets in artillery he will really have to have a lot of it. I bet right now I couldn't do a problem in long division, so you can see how much of the math I was exposed to I remember, whether it has been a long time since I was in school.

You should really appreciate this letter as I am having to pay 10c per 30 minutes to write on this old typewriter, just like a slot machine.

Unless I get in some kind of a specialty school like Cooks and Bakers school I hope I get to be a chief of staff on one of those 40 mm. guns. That is a good job and a sergeants rating goes with it.

**A Peculiar Thing Happens**

Oh yes, I forgot to tell you, yesterday we worked in the "butts". I don't know whether they called them that in the other war, Jim, or not but that is the job back there working and marking the targets. Sorta funny kind of a feeling to hear those bullets whizzing over your head but after a while you get to where you don't even hear them. I had a good job. I was telephone operator and all I had to do was sit there and repeat the Captain's orders from the firing line. Had sorta funny experience. One time

the operator on the other end kept gassing his guns about target 88 not making his target. Well I checked with 88 and they said the guy shooting had never hit the target. Well, these old boys were just looking at it and not taking it down to see if they could find any holes but I didn't know it. I had just gotten on the fellows working 88 and they had relayed to me that 88 had never been hit when someone spoke up on the phone and said "Tell them so in so on 86 to which I promptly replied "Well you tell that so in so shooting up there on 86 he'll have to hit the blanket blank target before they can mark it." Then, mister, the other end of that wire got hot. "Well," he said, "This is Lieutenant (censored) and I'll be right down there and see if I can't

get those wise guys straightened out."

**Slew, Painful Recovery**

Boy I don't know how he made so fast but he was down there in double time and did he ever eat those old boys out on target 86, while I sit there very pale and slowly re-converted from cussing back to the battery commander. He's an old soldier and plenty tough and I don't mean maybe.

I was on K. P. this afternoon, after we had eaten dinner today. By noon I had finished firing and the lieutenant came around and said "I want four volunteers." Well I have

learned in the army a man should keep his mouth shut, his bowels open and his mouth open for a damn thing so I just sit tight, as did every one else. The next time he said I want four volunteers (some spelling) you, you, you, and you. I happened to be one of those "yous" and fried doughnuts all afternoon. One thing about it I didn't have to pearl dive any.

Mrs. Jennie Conner who is employed with the Sweetbriar Dress shop at Abilene, spent the week end here with her mother, Mrs. L. H. Lewis.

# TO: Every American on a Payroll FROM: The Secretary of the Treasury

### SUBJECT: The New Pay-As-You-Go Method of Collecting Your Income Tax

Starting July 1st, both your Income and Victory Tax will be collected by an entirely new and more convenient method.

Under the old system, you were obliged every March 15th to pay either the full tax for the previous year, or a quarter of that amount. Under the new system, you will keep paid up from month to month.

After July 1st, your employer is obliged by the new law to withhold every month a part of your wages and turn the money into the United States Treasury as payment on your Income and Victory Tax.

Of course, the amount that your employer withholds will depend upon your pay and your exemptions. But this is the important point: For most of us, the amount withheld over a year's period will add up to the same that we're paying now—plus or minus a few dollars.

At the end of the year, we may owe the Government a few dollars or the Government may owe us. (See the tables below.)

You may have heard 20% mentioned as the proportion of your wages that will be withheld. Actually, this is incorrect. To figure the amount that will be withheld, take your total wages and subtract your allowance for exemptions and allowance for dependents; 20% of this lesser amount is the total that will be withheld.

Now please remember this: You must claim those exemptions to take advantage of them. Before July 1st, you must file with your employer an Exemption Certificate. If you do not do this, your employer will have no choice but to deduct 20% of your full pay check.

Here is how the new tax collection method will work: Let's say you are a working man earning \$3,000 a year; that you are married, and have two children.

First of all, as a married man you are allowed a personal withholding exemption of \$1,248, plus an exemption of \$312 for each dependent (other than your wife). This makes a total exemption of \$1,872 (\$1,248 for yourself and wife, plus \$624 for your two

dependents), which is deducted from the \$3,000 you earn before your tax is computed. You are thus paying tax on \$1,128, of which your employer will withhold 20%, or \$225.60 for the year. Therefore, in your pay envelope, after July 1, you will receive about \$4.40 less each week.

In March, 1944, when you ordinarily would be faced with paying taxes on your 1943 income, you will file a return showing how much you have already paid, and how much your total tax actually amounted to. If, by that time, you have already paid more than your actual tax due, you will be given credit for the difference. If you owe more than you have paid, you will pay the difference.

Since this plan starts July 1, many wonder what happens to the tax payments they will already have made by that time—on March 15 and June 15.

For a great majority of people, here is what happens. . . . Your 1942 income tax is "forgiven" (either all, or most of it). The March and June installments which you originally paid on that 1942 income tax are credited, instead, as payments on your 1943 tax. With the result that on July 1st, with the year half gone, you have already paid tax on that half-year's income. In short, you are "paying as you go."

There is one thing more. Since this pay-as-you-go method leaves you just as much of your net income as you had before, you will probably find it possible to at least maintain your present rate of buying War Bonds. Do this by all means!

Taxes alone will not bring to the Treasury nearly enough money to finance the great invasion war that lies ahead. The war needs every cent of your money that does not go for the necessities of life.

*Henry Morgenthau Jr.*

## Floydada Beauty Shops To Close All-Day Monday

Floydada beauty shops will be closed all day Monday when operators will join approximately 400 others in a beautician's day of the district in a trade show that is scheduled to be held at Lubbock July 4 and 5.

New methods, new styles and many other new things connected with the beautician's profession will be presented to practitioners of the art at the Russell Morrison company's twelfth annual show.

Despite restraints and restrictions of war many new items will be offered by the show, according to officials of the sponsoring organizations.

Nationally recognized specialists in various lines will give demonstrations and lectures. Ways of meeting shortages in the items used by the trade will be explained, and a vast amount of helpful information will be developed during the show.

An entertainment program and a "Get-Together" session feature the schedule for Sunday afternoon, July 4. All of Monday, July 5, will be given to lectures and demonstrations.

Climaxing the affair will be the dance for all registered attendance at a Lubbock entertainment rendezvous Monday evening.

### Dance Saturday Night Benefit Free Rodeo

John C. Russell and Merwyn Green, members of a committee named for the purpose, this week announced a dance for Saturday night at the Old Settlers Re-Union tabernacle in Roaring Springs, funds from the proceeds of which will be used to help stage the old settlers free rodeo when the Motley-Dickens re-union is held in August.

### SACRED HARP SINGING JULY THIRD-FOURTH

H. G. Richards, president of the North and West Texas Sacred Harp Singing convention, announces that the sessions this summer will be held on Saturday and Sunday, July 3 and 4 at the Four Square Gospel church in Lubbock.

There will be sessions Saturday, Saturday night and Sunday, with lunch on the ground both days, the announcement states.

Mrs. Nannie Ross of Plainview and Mrs. Olive Keene of Munday visited Sunday with their sister and family, Mr. and Mrs. W. B. Jones.

Mrs. Elton Goen arrived Friday from San Diego, California, for an indefinite visit with her parents, Mr. and Mrs. R. F. Jackson and Mr. Goen's parents, Mr. and Mrs. Stan Goen.

Miss Naomi Smith, Mrs. Theima Smith and Mrs. Oleta Pruitt of the Blue Moon Beauty shoppe attended a cold wave hair demonstration at the Herring hotel at Amarillo Monday.

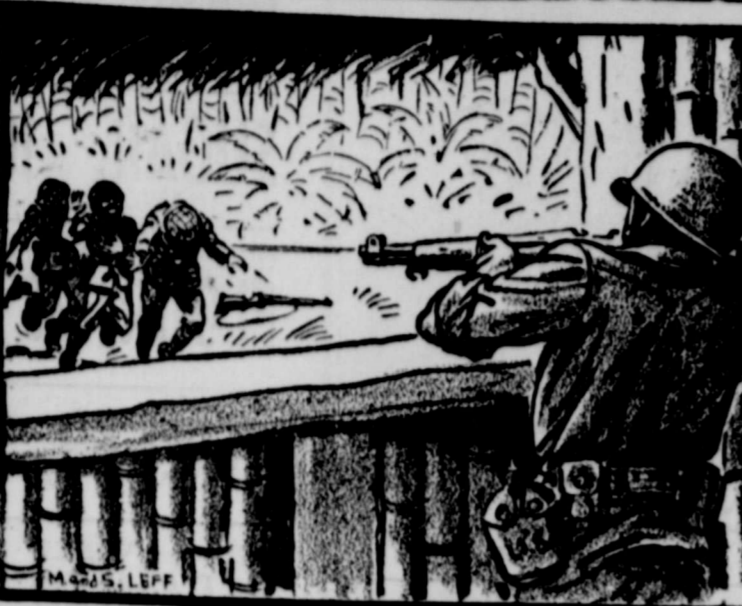

Miss Jaunita Phillips of Radford, Virginia, came Saturday to spend several weeks with her parents, Mr. and Mrs. Sam Phillips. Miss Phillips works in a library in Radford.

Clyde Day who is employed in naval construction at Houston came Monday for a three-day visit with his father, Dan Day of the Pleasant Hill community.

Mr. and Mrs. Frank Smith of Childress visited here last week end with Mrs. Smith's brother, W. E. Grimes and family.

## AMERICAN HEROES

BY LEFF

Three Japs killed with one bullet was the score of Marine Pfc. Nicholas Sileo while defending a small village somewhere in the South Pacific. Sileo dropped the trio as they approached Indian file and then bagged two more before the swarming little men's rifle fire put him out of commission and he had to be hospitalized. Our boys are making the best use of the ammunition which you help buy when you invest in War Bonds. Help save them more of it.

## On The Farm & Home Front

JASON O. GORDON County Agricultural Agent Texas A. & M. College Extension Service

EDITH L. WILSON Home Demonstration Agent Texas A. & M. College Extension Service

This season of the year encourages "off-flavors" in milk because of the hot weather to start bacterial growth and weeds to give that bitter flavor. Generally speaking milk flavors fall in three group classifications: feed flavors; "cowy," "barny" or unclean and rancid or strong flavor.

Feed Flavors includes weeds, grass and all feeds. Certain feeds give a peculiar undesirable flavor. The best test for determining the green feed that is causing the trouble is to rub a sample between the hands and observe by smell. The taste will be the same.

Best control is to remove the cows from that feed at least four hours before milking.

Unclean floors—cowy or barny—are best controlled by dry hand milking, using strainer pad only once, precaution in use of clean utensils and removing milk from the barn as soon as possible.

Rancid of strong flavor comes from a particular cow in the herd. May be located by taste from an individual milk sample.

There are three things that cause a rancid flavor: (1) a cow that is late in the lactation or milking period, (2) aged cow, and (3) a cow having mastitis. Available reports indicate 10% to 11% of all cows tested in the United States produce rancid milk.

It is important to produce quality milk to insure better health. Milk has often been referred to as the most nearly perfect food. It is a perfect food if it receives proper treatment.

Good grass pastures may be improved by mowing. Mowing eliminates unfair competition of weeds and undesirable plants and gives the grass an opportunity at the moisture and sunshine.

Mowing pasture land is a simple conservation practice that earns a payment under the AAA program. There is the possibility of a larger payment too... that of saving a valuable animal from eating a poisonous plant.

We recommend C-197 "Save Victory Gardens From Insect Pests." This circular has a picture to identify the bug and the control measure to follow.

It's a free bulletin to Victory gardeners. Please call or write the county agent's office for your copy.

The housefly seems to be giving an unusual amount of trouble. Since this pest is a carrier of at least thirty different disease organisms they certainly should be kept away from the family's food.

For flies that buzz around the kitchen door a spray of kerosene-pyrethrum is effective. In the house where they are not so numerous the following "homemade" fly poison may be sufficient to keep them under control:

1/2 cup water; 1/2 cup sweet milk; 1 teaspoon syrup; 1 1/2 teaspoons lime or baking soda; 2 teaspoons Formaldehyde; Saturate a piece of bread or brown paper in a saucer.

Let's push tomatoes. They're the most economical and best source of vitamin C. Unlike citrus, which is also a source of vitamin C, tomatoes do not lose the strength of the vitamin in heating or canning. Maximum production cannot be obtained unless good cultivation is practiced and the plants are kept free from insects and disease.

Frequent shallow cultivation and hoeings are important during the early growing season to check the growth of weeds. Whenever irrigation is practiced the water should not be applied until needed and then the soil should be thoroughly soaked. Care must be taken not to over irrigate the tomato plants. They will not stand "wet feet."

The tomato worm sometimes causes serious trouble. It is wise to start control treatment when the tomatoes are about the size of a marble. Dust the plants thoroughly with calcium or lead arsenate one part, and dehydrated lime one part or with a mixture of one part cryolite and two parts sulphur. Paul Clegg of the A. & M. Extension Staff recommends that this dusting be done at five to seven day intervals until about three weeks before the tomatoes ripen.

### LEUT. W. D. BURKE HERE FOR VISIT WITH PARENTS

William Dewitt Burke, son of Mr. and Mrs. D. W. Burke, was commissioned Saturday as Second Lieutenant in the Marine Air corps at Corpus Christi, Texas. He arrived home Monday to spend a few days with his parents before going to San Diego, California, where he will spend 10 weeks in combat training prior to combat duty.

Leut. Burke received his previous training as cadet in the Naval Air corps before being appointed to the Marines. He was graduated from Floydada High school with the class of 1937 and attended Texas Tech one year. He attended Los Angeles City College of Los Angeles, California. Before volunteering for the armed services in August, 1942, he was employed at the Vega Air corporation of Los Angeles.

James Edwin Also Coming

Pfc. James Edwin Burke of the Amarillo field is expected home Tuesday to spend a few days with his parents, Mr. and Mrs. D. W. Burke and with his brother, Lieut. W. D. Burke, who is home for a visit.

Pfc. Burke is attending a six months technical school in ground air corps training. He graduated from Floydada high school in 1941 and was employed at Douglas Aircraft in Santa Monica, California, before entering the service in February.

He was stationed at Sheppard Field before going to Amarillo.

Mrs. A. W. Thomas left Monday for Artesia, New Mexico, to spend several days with her daughters and families, Mr. and Mrs. Clarence Key and Penney, and Mr. and Mrs. Ernest Morgan, Jr.

Teacher: "James, give me a sentence using the word 'diadem'."

James: "People who start across railroad tracks without looking diadem sight quicker than those who 'Stop, Look and Listen.'"

Found: Woman's bag left in my parked car. If owner will pay for advertisement, she can have it. If she will tell my wife how it happened to be there, I'll pay the cost of advertisement. Tel. 2-4650 — the quicker the better.

Friend: "So you're setting your boy up in the bakery business."

Man: "Yes, he's so keen for dough and such a swell loafer that I'm sure he'll rise in the business."

## Conservation District News

The following letter was recently received by the supervisors of the Floyd County District:

Lockney, Texas, June 22, 1943.

Gentlemen:

I do not hesitate in saying that the work done by the District's field men, in running of the lines for us to irrigate our row crop land, was highly satisfactory. Heretofore we have had trouble in irrigating part of our ground, but since they have re-run the lines for us, it has made it much easier to handle. Whenever I find a neighbor or any one else having difficulties, I immediately suggest they take their troubles up with you.

Yours truly,  
Dorsey Baker.

"The frogs' hollered" in the pond around my house and barn night after night in 1942," says S. R. Foster of Allman community. "This year they have only 'sounded off' one time since I built the terraces and diversions the District engineers surveyed for me, and I have had some big rains since. These structures have kept the flood water away from the farmstead, out of my lake and I only had one acre of wheat to drown out where I lost it all in 1941 and 1942."

The district supervisors feel that the limited district personnel can accomplish much more by working with groups of farmers rather than with individuals. They point out that conservation problems seldom are confined to one farm, and for complete protection - planning, groups of farmers and ranchers should plan and work as community bodies to adequately conserve their land and moisture. The supervisors also stress district-wide carrying out of practices which require no on-site assistance, such as turning under green manure crops, trashy tillage, growing war crops, chiseling to break up plow sole, leaving when possible at least a 12 inch sorghum stubble, etc. as vitally essential to Floyd county's war effort.

Watch this column each week for comments by Floyd county farmers.

### Leach Announces Hollums To Aid Panhandle Force

Taylor E. Leach, who recently announced his appointment as wholesale distributor for Panhandle Refining Company and who has assumed charge of the company's retail station at the intersection of Highway 70 and Wall street, this week was licensed as a wholesale petroleum products distributor. Coincidentally a complete stock of Panhandle Refining company's gasolines, oils and greases were warehoused here. Leach said that three grades of the company's gasoline will be stocked for wholesale and retail and that the complete Panhandle line of oils and greases are on hand.

Opening up the wholesale business he also announced the addition of Walter D. Hollums to the force of employes and Hollums will have charge of wholesale deliveries.

### PVT. BURGETT TELLS INTERESTING INCIDENT OF GAUDALCANAL NATIVE

Editor's note: The following letter written to his parents, Mr. and Mrs. Z. A. Burgett from Guadalcanal by their son Pvt. A. N. Burgett gives an interesting side light on the natives of the island. Pvt. Burgett entered service in April, 1942. He was graduated from Floydada High School in 1939 and was employed with the J. C. Penney company before entering service.

June 18, 1943.

Dear Mom and Pop:

How are you tonight? Hope you are feeling as fine as I. Had a cocoa cola this afternoon and it really set the day off right. 'Twasn't as cold as those we use to get at Arwinge Drug—it was still o. k. Right now I have a big cigar chewing on it. Betcha I look like one of the "Dead End Kids." Anyway I am well and working hard.

For the past week and a half I have been swinging an axe. Even worked so hard I didn't mind that though 'cause I have been feeling better since I "started" working.

After coming in from work I would settle down to a good old Ranch Romance, read a story and then drift off and dream of the days when I was a cowboy out in West Texas. Ha.

I wish you could have witnessed an incident that took place in our hut last night. A native boy from one of the adjoining islands came in and sat around talking to us for a while. One of the boys asked him to sing some for us. After a little coaxing and a nickel or two he sang a few Christian songs for us. He asked if we would like for him to say a prayer. Saying yes, we heard him repeat "The Lord's Prayer." One thing led to another so one of the boys asked if he read the Bible. He said he could and really he read a verse or two from the New Testament for us. We gave him candy, cigarettes and pieces of clothing. He kinda laughed and said "thanks" and left. He didn't come back today.

Have you heard from Kenny any more? If you have send me his address just as quick as possible. Will have to close now as it is almost time for lights out. Will write again in a few days.

Love,  
Adolph.

Mr. and Mrs. J. M. Hughes, who have spent the past two months here on business, returned to their home in Fort Worth the first of the week.

Mrs. Paul William and children of Plainview visited Sunday with Mrs. Williams' sister, Mrs. J. O. Warren and family.

Bureau of Public Relations Released by U. S. War Department

**YOUNGEST GENERAL** — Brig. Gen. Laurence S. Kuter, deputy commander, Northwest African Tactical Air Force, is the youngest general officer in American armed forces. He was born in Rockford, Illinois, May 28, 1905. Two years after his graduation from the United States Military Academy at West Point in 1927 he was assigned to the Air Force and has a record for distinguished service.

Mrs. J. D. McBrien left Sunday for several days visit with her sister, Mrs. Jack Inman and family of Snyder. She was accompanied by Barbara and Norman Inman, who have spent the last two weeks with Mr. and Mrs. McBrien. She plans to visit another sister who lives in South Texas before returning home.

L. F. Byars, of Kirkland, a brother of F. S. Byars of Lockney, was a business visitor in Floydada Saturday.

A. C. Rainer made a business trip to Amarillo Monday buying for the Western Auto Supply store.

Approximately 400 Beauty Operators are expected to attend the school and Trade Show, that will be held July 4 and 5.

## So. Side Baptist Church Revival To Start Sunday

(Rev. R. N. Power, pastor)

We are looking forward to having a great time at the revival meeting that is scheduled to start Sunday at the South Side Baptist church. There will be two services daily at 10 a. m. and at 8:45 p. m.

Many subscriptions on the building debt are coming in indicating that the debt will soon be paid out. The notes will be burned on the day of the Fellowship meeting that is scheduled to be held at the close of the meeting, July 9.

The church sends special invitation to the public to attend "a going church for a coming Lord."

Sgt. Billy Jo Welch, assistant flight surgeon at the Lubbock army air field, spent Saturday night and Sunday with his mother, Mrs. A. J. Welch.

## Notice To Our Customers

### Floydada Beauty Shoppes Will Be Closed All Day Monday When Operators Will Attend A Beauty School At Lubbock

Approximately 400 Beauty Operators are expected to attend the school and Trade Show, that will be held July 4 and 5.

### Aid To Colored Women Project Of HD Council

Colored women of Floydada met Tuesday at the church for the purpose of organizing an auxiliary club to the Floyd County council to study aids in canning and preservation of food.

Members of the Homebuilders club met with the colored women to assist in the organization. Corrine Jones was elected president of the club.

Mrs. D. D. Shipley gave a talk on the care of the ear, eye, nose, throat and teeth. Members of the Homebuilders club who assisted Mrs. Shipley in the organization were Mrs. O. G. Mayfield, Mrs. Floyd Fuqua and Mrs. C. B. Smart.

Other officers of the colored women's club that were elected are Bearie Coleman, vice-president, Hattie Mae Bacy, recreational director, Thelma Givens, secretary and Baby Ruth Coleman, reporter. Others present for the meeting were Mary Allen, Minnie Harris and Susie Perryman.

Mrs. George Stiles, a member of the Fairview-Campbell home demonstration club, will sponsor a meeting of the club July 13, when a demonstration will be given by Mrs. Stiles.

### Harvest Slowed—

(Continued from page 1)  
A drop to 85 degrees was recorded for a high, and again on Tuesday another drop to 72. Yesterday the temperature was slightly warmer with a high of 79.

Low for period was 62 degrees Tuesday morning and again Wednesday morning.

Wheat growers, dealers and officials saw no reason to revise their estimates downward on the crop this week. Apparently while more nearly official figures are awaited, it is safe to assume a total crop of nearly three million bushels from 150,000 acres of wheat.

To this figure for the wheat yield must be added a considerable yield of barley and mixed grains which are being taken up fast by feeders and feed processors.

### SGT. LEONARD ALEXANDER INJURED IN SOUTHWEST PACIFIC HOME FOR VISIT

Sgt. Leonard Alexander, injured in the Southwest Pacific while on duty with MacArthur's troops on March 17, is at home on a 21-day leave from a Memphis, Tennessee, army hospital. He arrived Monday.

He is visiting and resting in the home of his parents, Mr. and Mrs. C. Alexander.

For weeks after he was hospitalized Alexander was unable to hear from his people on the mainland and the only word they had of him was through the War department, until recently.

### MARRIAGE RECORD
