FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 30, 1944

NUMBER 43

## Murry Says Squad Ready for Bulldogs

Coach Floyd Murry doesn't have any way of knowing who his Green and White team of 1944 is going to stack up against their heavier and more experienced opponents, the Spur Bulldogs, in their District 4-A championship game this afternoon. He does know, however, that he was pleased with the way the squad performed against the Plainview high school squad Friday afternoon on Western field. It was strictly a scrimmage affair, each team practicing timing and attack problems, both line and backfield.

The Bulldogs (Plainview) have a game for today, too—against Pampa—and needed some scrimmage competition to whet their plays up on, which made it easy for the two coaches to get together on the plan.

The Whirlwinds didn't shove their scrimmage adversaries around so much, neither did they get shoved around. But it gave indication that the Whirlwinds will be more than a breeze when they get in action this afternoon.

**Game at 3 O'clock**

Time for the game at Spur this afternoon, as announced by the Spur Texan, is 3 o'clock, the place Spur High school stadium.

The Bulldogs, with a much more colorful series of victories this season than the Whirlwinds, are district champions. They have won from Floydada high the past two years and if they repeat will make history in District 4-A. Eight members of the crew this year played on the championship team last year—four backs and four linemen. The Whirlwinds have one back and four linemen from last year's runner-up team. Their records for this season follow:

- Spur 0 vs. Haskell 0;
- Spur 7 vs. Leuders 0;
- Spur 7 vs. Seymour 19;
- Spur 34 vs. Hamlin 0;
- Spur 27 vs. Matador 0;
- Spur 34 vs. Lockney 7;
- Spur 44 vs. Petersburg 7;
- Spur 15 vs. Paducah 7;
- Spur 26 vs. Slaton 6.

Whirlwinds season schedule and results:

- Floydada 0 vs. Crowell 12;
- Floydada 0 vs. Levelland 3;
- Floydada 19 vs. Petersburg 0;
- Floydada 6 vs. Phillips 12;
- Floydada 0 vs. Tahoka 0;
- Floydada 25 vs. Paducah 6;
- Floydada 32 vs. Lockney 6;
- Floydada 32 vs. Matador 0.

**Winners Play Wellington**

Probability is that the winners of this afternoon's clash will be pitted against Wellington's Skyrockets in the bi-district playoff. The Skyrockets were leading in District 3-A with six straight wins and Friday (See FOOTBALL, page four)

## Band and Pep Squad Due To Go To Spur

Floydada High school's recently re-organized band will make the Spur trip today (Thursday) with the Green and White football squad for their annual Turkey day football game with the Bulldogs.

The band will make the trip by bus and between 20 and 25 members will make the trip, Band Director Otto F. Marshall said Tuesday. School authorities approved the plan for the band journey the latter part of last week.

Supt. I. T. Graves said he thought the band would have a good moral effect on the team.

The pep squad also is likely to make the journey. However, these will go by private conveyance and assemble at the stadium upon their arrival there before the game begins at 3 o'clock.

## Local Girl Given College Play Role

DENTON, Texas—Miss Dorothy Ann Dooley of Floydada has been cast in one of the leading roles in the production of "A Doll's House" at Texas State College for Women, at San Antonio. She will be the second offering of this fall of drama students at the college. It will be presented under the direction of Miss Mary K. Sands, Nov. 21-22, 24-25 at the College Theatre on the concert and drama series. Last week Miss Dooley was named as a member of the Verse Speaking choir of the college in an announcement by Mrs. Sands.

Sets designed for the TSCW production by Josh P. Roach, of the speech faculty, reproduce the over-stuffed, over-decorated period of the Victorian Age, and costumes donated by Mrs. G. E. Larkin of Northfield, Minn., mother-in-law of Earl C. Bryan, director of the department of speech, add an authentic touch.

Miss Dooley, a junior speech major, is the daughter of Mr. and Mrs. W. R. Dooley, route 4, Floydada. She appeared last year in "First Stop, Covington."

**Mud and Flood in France**—Snow and rains have added to the vicissitudes of American soldiers in the European battle areas. Above, the sign at the left is unnecessary. There will be no speeding on this Ordnance Depot road. Below, an ammunition truck fords a river in France while Engineers start trestle bridge construction.

## Th'ksgiving Holds Sway In Service

In a fervent spirit of thanksgiving for the manifold temporal and spiritual blessings of the year, services Wednesday night at the First Methodist church were due to be joined in largely by people throughout the community.

Otto F. Marshall, new minister of the First Christian church, was assigned to bring the annual Thanksgiving message by the ministerial association.

Since both the Thanksgiving service and the War bond show were planned and announced at about the same time, neither could be changed. Hour for the Thanksgiving service was advanced to 7:30 in the evening, however.

### Strength for Daily Tasks

Of all the material gifts which have been showered upon a people in this year, including an ample fed and grain supply and grazing grounds for cattle, one of the outstanding material blessings has been the strength vouchsafed to the workers on the homefront to carry on while the young manhood of the area is largely drained off into military service. Practically no family in the wide-spread community is unaffected in this respect. While these sons and daughters are offering themselves up, it is also a source for deep thankfulness that our nation has been able to clothe and equip and provide food and armament such as no army in history has been provided before. Thanksgiving pervades the community, too, that able military and civilian leaders have been given the nation in the world-wide struggle.

## Ground Crew Man Gets Commercial Pilot's License

Haskell Redd of the Army Air Corps, now stationed at Laurinburg-Maxton Army Air base in North Carolina received his commercial pilot's license November 13 at Columbia, South Carolina.

Redd has recently been transferred to this base from George Field, Illinois.

### TRANSFERRED TO PERRIN

MAJORS FIELD, Tex., Nov. 29—Pfc. Clifton E. McLain, son of Mr. and Mrs. J. T. McLain, Route 4, Floydada, has been transferred from this basic pilot school to Perrin Field, Sherman, Texas. He served as a Link trainer instructor here.

### AT SAN DIEGO N T C

Stationed in San Diego, Lee Button sends his address so that he may receive word from his friends. Those wishing to write will address his mail to: Lee W. Burton, A. S. Company 44-542, USNTC, San Diego 33, California.

## Paving Pledge Total Reaches Five Thousand

There isn't any doubt the people of the community want to see the streets leading to their public schools paved.

Pledges this morning to the paving fund had reached \$5,000, members of the committee reported. F. C. Harmon is serving as chairman of this committee, with several other local citizens as co-members. The proposal is to pave 11 blocks at an estimated cost of \$12,000.

Meeting to make a final check-up on subscriptions tomorrow night at the city hall the committee will determine how much more time and effort will be given to the pledge campaign before laying their report on the table for the city council.

The time element and a distaste for adding public debt has made the proposal for public subscriptions to be augmented by funds of the city from current receipts to pave streets to the public schools. During spells of bad weather these streets become almost impassible to traffic and are the cause of extreme annoyance, loss of time and expense to school patrons.

### JOE RUSHING SEES HOME FROM THE AIR ENROUTE

Joe Rushing naval aviation cadet, stationed at Norman, Oklahoma, was over the home place at Fairview and the old home town one day recently while traveling by air to Lubbock.

## New Co. Tax Discount Ruling

Ruling by the attorney general's department of Texas early in this month that all county and common school district taxes are automatically included in the list of taxes on which discounts must be given by tax collectors has resulted in the announcement by County Assessor-Collector Geo. B. Marshall this week that the November 2 per cent discount will apply to all county and common school district ad valorem taxes to and including December 2, which is Saturday. The discount has been applied exclusively to state taxes heretofore.

Following receipt of the attorney general's ruling the Commissioners' court was given a recommendation and opinion by County Attorney Kenneth Bain on November 18 that the law applies to all future collections of county and common school district taxes and to all November collections already made which were still in the hands of the county collector.

**Rebates November Payers**

Inasmuch as numerous collections for November had already been accounted for and disbursed to county and state treasuries, not all November taxpayers were given the refund, for the reason that Collector Marshall did not have the money in his control. However the order did affect several payors and these have been returned their money, Mr. Marshall said.

The order entered by the Commissioners court directed the collector to refund the discount on all taxes collected (for county and common school districts) since November 2 where the money was still in his hands. This job the collector had completed yesterday, he announced.

**Saturday Night Deadline**

Originally the law had been construed generally throughout Texas by the state comptroller and collectors to apply only to the state's por-

## GI Jamboree Features Bond Drive

## State Guard to Fore Sponsor Show

Tuesday and Wednesday, December 5 and 6, Floydada's company of the Texas State Guard will present their annual picture show at the Palace theatre. The feature of the program will be "Address Unknown," a story selected from Readers Digest and starring Paul Lucas and beautiful M. K. Stevens. Miss Stevens is a new comer to the silver screen, and Columbia pictures are heralding her as one of the future great stars.

Critics rate this picture as one to see. It is a story of inside Germany, and explains to the American people why our soldiers are having to fight and die on the battle fields of Europe. One critic states "It's a mean picture—it will wake you up—by all means see it."

Members of the Guard have both adult and students tickets for sale, and people of Floydada and territory are urged to buy from them. The Guard uses the money made on this picture to pay their expenses during the year. They have very little income from other sources and the officers of the unit selected the sponsoring of a picture show rather than requesting donations from individuals. No member of the unit receives pay for their work.

### Need More Members

In addition to sponsoring the show, Company G is making a drive for additional members this week. All physically fit men, ages 16 to 60, are invited to join. The unit meets every Monday evening from 8 to 10, o'clock at their armory in the court house. Uniforms and equipment are furnished by the state and federal government.

### Called Out Twice

According to the constitution, Texas must have a military organization for internal security at all times, and when the old National guard was called into the armed forces, the State guard was activated.

The Floydada company has been called out twice, once to the Crowell disaster and again when the large airplane crashed west of Floydada. The company, which now has about 60 men enrolled, is ready at all time to assist in any emergency that may arise. Competent instructors are available to assist in the training of the men.

## Harve Graham South Plains Died Sunday At Amarillo

Garrett Harvey Graham, 55, died Sunday night in the Veterans hospital in Amarillo after having received treatment there for seven weeks. He had received treatment in an Albuquerque hospital for the past year. He had been making his home in New Mexico since moving from Floydada in 1936.

The deceased lived in Floyd county from 1906 to 1936. He was a veteran of World War I.

Garrett H. Graham was born in Hunt county September 7, 1889. He was the son of Mr. and Mrs. Hardin Graham of Hunt county, who were pioneer residents of this county. His parents preceded him in death.

The deceased is survived by four brothers, J. W. Graham, Dougherty; George Graham, Portales; Ben Graham, Wilcox, Arizona; Lindsay Graham, Floydada and one sister Mrs. G. C. Edwards, Floydada.

Funeral rites were held Wednesday afternoon at 4 o'clock at Harmon Funeral chapel, Rev. C. A. Hartley officiated.

Members of Company G, Texas State guard, served as pallbearers.

## Airport Hangar Gets Approval of WMC-WLB

Approval of the outlay of materials and manpower for the construction of a hangar on the improvement of the runways on the Floyd county air field equipment distance between Floydada and Lockney on Highway 70 was given Wednesday morning by the War Manpower Commission and the War Production Board.

Accordingly workmen who have been poised for the job began moving materials on to the ground for the hangar, and other improvements which called for manpower other than county workers will begin immediately.

This week county road outfits were making access roads to the field from the highway and smoothing the natural dirt for the construction of the runways on the expectation that the approval of federal agencies would be obtained quickly.

The Commissioners court bought the plot of ground six miles northwest of Floydada early last year. Inspections by Civil Air authority inspectors have given approval for a layout that will accommodate planes that heretofore have not had room to set down in an authorized field in Floyd county.

The county's field is being built to accommodate freight carriers as well as other types of air traffic. Maps and blue prints of the field have been prepared by Engineer Geo. A. Linder following surveys, according to installation plans approved by the Civil Air administration.

### Hangar Will Be Sizable

Forms being laid will accommodate an overall square hangar 60 feet by 60 feet. Doorway will be a frame structure with iron walls and roof. R. H. Willis is construction foreman on the work.

## South Plains Bond Rally Tues. Night

South Plains Sixth War Loan bond rally will be held Tuesday night of next week, December 5, it was announced yesterday by Menard Field, chairman of the South Plains U. S. Treasury War Finance committee.

A patriotic program will be rendered by the school as a part of the evening's schedule of events and a speaker who will present the Sixth War loan will make an address, Mr. Field said.

"People are mighty busy trying to get their crops in and carry on their other work with hardly any help, but we're going to get some bonds sold some way at South Plains," the chairman declared. He hopes for a big crowd and good response Tuesday night to save all possible time that will be taken otherwise by personal solicitation.

### L. P. OSBURN ILL

L. P. Osburn has been ill in the Pitts hospital since Saturday November 18. He has been reported improving.

Last night's G. I. Jamboree and Sixth War bond rally gave yesterday afternoon prospect of being the biggest rally and enthusiasm-raising event in the history of war bond selling held in the county during the present war.

Practically every business and civic leader in the community was scheduled to be present in some capacity. Announcement of the large list of army personnel due to arrive late in the afternoon including G. I. entertainers and the 714th Army air forces band had created and air of expectancy. Walton Hale,

### "GOT NOWHERE YET"

Floyd county has got nowhere yet in its Sixth War Loan bond drive, J. M. Willson, county chairman, said Wednesday at noon. "We've got \$165,000 worth of E bonds to sell and we've barely got \$15,000 of them now," he said.

chairman of the Sixth War Loan bond campaign in the community expressed the hope that the sales would be so big that city-wide house to house canvassing would be unnecessary. With Hale on the local steering committee are Lon M. Davis, Mrs. Barbara H. Smith, R. F. Stovall, Clarence Guffee, G. C. Tubbs, W. G. Collins, M. P. Goen, J. C. Wester, R. E. Fry, Conner Odem and J. D. McBrien. Their plans formulated, with Jack Deakins, manager of the Palace and Ritz treaters, co-operating, call for an outdoor rally in front of the theatre and a picture show, free of charge to follow.

At 2 o'clock the forecast was that the weatherman also would co-operate and that the big rally could be held outdoors. If otherwise the show will be held in the Palace theatre.

An improvised, brightly lighted outdoor platform, built of heavy timbers, carrying banners advertising the event, was erected by the committee Monday afternoon. The big show is being sponsored by the United States Treasury War Finance Committee of Texas in close cooperation with the local committee the management of Floydada theatres and war department. Included on the program scheduled was martial music, glee club and dance music, impersonations, a skating and comedy act, drilling by pre-flight trainees and a tumbling act with one of Ringling Bros. former headliners in this feature. It is the largest group of talented soldiers ever to visit the South Plains area.

The Missionary Society of the Carr's Chapel Church is having a box supper at the Harmony school house on Friday night, December first.

In connection with the box supper there will be a bond rally. D. S. Battey, district chairman announces.

## Pie Supper, Bond Rally Tomorrow Night at Harmony

The Missionary Society of the Carr's Chapel Church is having a box supper at the Harmony school house on Friday night, December first.

In connection with the box supper there will be a bond rally. D. S. Battey, district chairman announces.

## Larger Local Turkey Supply For Christmas

Volume of turkeys for the Christmas holidays will be approximately twice as great as the supply that went to market from Floydada for Thanksgiving, local dealers believe. About one carload of turkeys were handled here for Thanksgiving. The Christmas run may be more than twice as great. More turkeys were in the country at the opening of the season than was thought.

Although the lid may be clamped down at any moment now turkeys are being sold for civilian consumption and have been since WFA lifted the ban two weeks ago. All turkeys sold prior to that time went to the government for the army and navy.

Calling paid turkey producers was 31 cents for the Thanksgiving run. Practically all of the local turkey crop will be ready for the market by the time the market opens for Christmas.

### Early Deadline

In an effort to observe its long-standing rule to have Thanksgiving as a holiday, deadline this week at The Hesperian office has been advanced several hours to 3 o'clock Wednesday afternoon.

Coverage on events of Wednesday night, including the War bond G. I. Jamboree, the Thanksgiving services and developments of other news on this account is handled in future tense although the newspaper will have circulation Thursday and Friday.

## EDITORIAL

### LATE NOVEMBER WAS RIGHT

Back in the first week in September when we made our alibi about the first genuine frost and cold weather that would really kill the vegetation and put the outdoors people to looking for their long handles—way back there just at the end of the hot, cooking spell that damaged the crops and crisped up the lawns and gardens, we said that "mixed reports set the (killing frost) date from October 15 on into the shank of November."

Throughout the spring and summer there were conflicting signs but we admit now the major ones did say late November, and the only reason we did not go all out with them was a natural disinclination to get out on a limb, a sort of a shortage on intestinal fortitude as it were, just plain scared some old boy would have a laugh on us.

This ought to be a lesson to us surely. But like many others we'll still keep temporizing—about the weather, about what to do next, about the front window, the leaking tank, the balky typewriter, anti-freeze for the radiator—temporizing about whatever it is, including the letter that ought to have been written.

We're not by ourselves in that respect. Many a poor soul goes through life just that way. The others who make up their minds and split right through appear to be much happier about things, and certainly they get a lot more done.

### WHY ARE PEOPLE THAT WAY?

Now that Senator O'Daniel has trekked back to Washington licking the wounds of a bad political whipping down in his home state, it is easy to find people who are outspoken against him. Many are indignant that they cannot have advantage of the recall. They don't want him for senator any more.

It would seem from this practical unanimity in opinion that some of his backers of the good old "hello there, boys and girls" days have changed. Many now call him names that indicate the sweetness of the old love turned sour. And this recalls to us again one of the incidents of his first successful campaign. We've said something about it before. News dispatches and news writers, including this one, spoke of him at times as a flour salesman.

## Big Business

A LOT of the writing and talking that's going on these days about "big" business seems to miss one pretty important point. In judging bigness solely by such things as number of employees, size of payrolls, or volume of sales, it overlooks the size of the job the particular business is required to do.

After all, any business exists because there's a demand for the things it produces or the services it renders. And it must either grow to the size necessary to satisfy these demands, or else make way for a competitor that can provide what is wanted.

The war has shown that America's factories and farms can meet demands that would have been fantastic in pre-war years. This is a big country; there will be as big jobs to be done in peacetime as any the war produced. It will take the right kind of "big" business to do them. And whether it operates a 100-acre farm, a garage, a bank, or an industry with 100,000 employees—this kind of big business, which serves the public satisfactorily and with integrity, will continue to be the foundation of America's strength and security, in peace as in war. ## As A Farm Woman Thinks

(By Nellie Witt Spikes)

No, no, I am not sick, just a bad cold. But gremlins are pounding my head with hammers, my throat is so soar I cannot swallow, and every joint seems to be full of bolts being tightened down and down. The thermometer has a hard time, from freezing temperatures to boiling hot. My nose drips like a leaky faucet, coffee tastes like poison. No, no, no, I am not sick at all, just a bad cold.

Carey and Anne spent the Thanksgiving holidays with us. Jerry came over Thursday and Wilma, Paul and Joe were here. We put on the best linen tablecloth and got down the new set of dishes. We knew Wilson would be very happy to look in on us as we all ate our dinner with thanks that all was as well with us as it is.

We are very happy that Chester Parrish is improving and hope he will soon be at home again. A rest seems pretty good when we are working hard and the thought of a good bed in a warm hospital allures, but when we try it out we wish for the work on the farm again, the early rising and all the home duties.

### Gleaned from this week's reading: The Secret of Happiness

By Warder Tarver  
I have just discovered the greatest secret of happiness. It is simply to be continuously grateful to God for His constant inflow of blessings through everyone and everything, including all that may appear detrimental but that sooner or later will prove to be blessings in disguise.

Constant gratitude produces constant joy. Under spiritual law joy is the greatest healing power known, and the more grateful we are the more we will receive. So habitual gratitude brings both health and abundance and consequent happiness.

### RUSSIANS TELL ALL

We do not know what the Russian leaders tell their home people but in the foreign field they put into black and white print what they are agreeing to in the meetings and conventions of their own and various powers with which they confer.

As we have it in mind, beginning with Teheran and on through the Bulgarian armistice, the agreements reached that bound the Russian people have been given in the Information Bulletin. This "information bulletin," is printed by the embassy of the USSR and comes out of Washington, postage paid, to newspapers three times a week. It tells the Russian side of the story, of course.

As to the facts signed, the bulletin tells what was agreed to, who signed, and who was present when signed. Doesn't seem so bad when our own department of state refuses for various and sundry reasons, quite often, to make its agreements public. However, it should be kept in mind, there is this essential difference. What the Russians announce is an accomplished fact. What our representatives sign must be ratified by our own senate.

### Sufficiency

By R. H. Grenville  
There is sufficient for this day: Wide skies and clean, wind-freshed air; Meadows unnumbered gay with flowers, And sunshine free for all to share. Life to be lived, 'each single hour Rejoicing, vibrant, fearless, whole! Each constant moment expressing The Christlike nature of the soul! Twelve hours of gold, and twelve hours more Of silver, hushed and set apart For strength and healing, for the touch Of God's own silence in the heart! There is sufficient for this day Of every good the heart can hold And with tomorrow's dawning light Tomorrow's blessings shall unfold.

## Safe Driving and Efficiency of Cpl. Mara Rewarded

HEADQUARTERS, ARMY AIR FORCE ENGINEER COMMAND IN ITALY—Corporal Roy L. Mara, son of Mrs. A. J. Mara, Decatur, Texas, was recently awarded the Motor Vehicle Driver and Mechanic Qualification badge with "Driver-W" bar for his long record of safe driving and efficiency as an auto mechanic.

Cpl. Mara, who is a driver at Headquarters of the Army Air Force Engineer Command where plans controlling the construction of airfields to base Allied planes throughout the Mediterranean Theatre of Operations are made, left his position with Southern California Freight Lines in Downey, Calif., to join the service in July, 1942. After receiving basic training at Camp Roberts, Calif. he was assigned to the aviation engineers with whom he has seen 23 months of active duty overseas in North Africa and Italy. A veteran of three major campaigns he is entitled to wear as many battle participation stars on his European-African-Middle East Ribbon.

Before joining the service, Cpl. Mara resided at 459 Kingbee St., Downey, Calif.

### GETS AIR MEDAL

According to an announcement by Brig. William H. Turner, Commanding General of the India-China Division, Air Transport Command, Lt. Robert E. Wilson, son of Mr. and Mrs. Bob Wilson of the Wilson community has been awarded the Air Medal, says the Petersburg Journal.

Lt. Wilson is co-pilot of transport planes which haul vital military cargo to Allied forces in China, he has been serving with the division since December 24, 1943.

## Floyd County 14 Years Ago

(Issue of November 27, 1930)

The opening of the International Poultry Show at Chicago on December 3 again will see the flock of Giant Goldbank Bronze turkeys of Mr. and Mrs. J. D. Christian in competition for honors.

Ginning totals for the Floydada gins during the present season has reached a total of 1,551 Tuesday night.

Funeral services for Mrs. R. A. McPeak, 86 year old pioneer resident of Texas, whose death occurred at her home Friday morning, were held at the Wall Street Church of Christ Saturday, with Elder J. J. Day officiating.

Announcements of a class football game in Floydada on Thursday afternoon of next week in which the seniors and juniors will be pitted against the sophomores and freshmen and the proceeds of which will be donated to Robert Carter, former F. H. S. football star to help pay for the expense of an operation this fall, was made this week by W. E. Patty, Superintendent of Floydada Public Schools.

H. M. McDonald is improving nicely after undergoing an operation in Ft. Worth Monday morning.

Ned D. Henderson, son of E. W. Henderson of this city is now stationed at Zapata, Texas and is an inspector with the U. S. Border Patrol.

Mrs. D. T. Scott, a resident of Floyd county for 28 years, died in her home in the Harmony community following an illness between four and five weeks. She had been suffering from the ailment for the past two years, her condition becoming serious about four weeks ago.

J. C. Edwards who has been seriously ill at the home of his daughter, Mrs. G. R. May, has shown decided improvement during the past week and Wednesday afternoon was able to go to Lubbock where he will visit with relatives while convalescing further.

Rev. George T. Palmer and family, for three years residents of Floydada while Mr. Palmer was pastor of the First Methodist church, left Friday for their new home at Dalhart where he has taken up new work.

Steve Marshall, son of Mr. and Mrs. L. A. Marshall, who is a junior this year at Simmons University, was the outstanding star of the gridiron battle staged Saturday at Amarillo between the Simmons Cowboys and the Buffaloes of W. T. S. T. C. Simmons won the tilt 26-6 and Marshall scored three out of four markers for the cowboys. He plays in fullback position.

Mrs. G. A. Linder acted as chairman at the meeting of the 1922 Study club last Thursday afternoon in the absence of the president and vice-president when they met with Mrs. Lon V. Smith.

Folia Randerson entertained the Comrade Sunday school of the M. E. church at her home last Friday evening with a tacky party.

## Lonnie A. Doyle, Jr., Makes Ready For Oversea Duty

ALEXANDRIA, La., Nov. 17—2nd Lt. Lonnie A. Doyle, Jr., pilot of Floydada, Texas, will soon complete an intensive course in combat flying at the Alexandria Army Air field, Alexandria, La., and in the near future he will go overseas to a combat area.

He is a member of a Flying Fortress crew trained by the Second Army Air force, which has the task of readying four-engine bomber crews for overseas duty.

Lt. Doyle attended Hardin-Simmons University at Abilene, Texas. He is the son of Rev. and Mrs. L. A. Doyle, Sr., of 420 South Wall street, Floydada, Texas. His wife is the former Janelle Hartwick of Anson, Texas.

## Hulsey Boys Give News From Two Sides of Globe

Mrs. Willie Hulsey of Quitaque, grandmother of Lt. Charles Hulsey and Junior Hulsey has received letters from her grandsons recently.

Lt. Hulsey reports that he is now in France, after having spent some time in England. He says the English people are very nice, but they are at least fifty years behind time. He has been to Paris and says the town is really everything that it is supposed to be. He has seen much of the ruins of the war along the beach heads and all the way up. He hopes to see Berlin before he comes home.

Junior Hulsey of the Navy, somewhere in the Pacific writes that he has had liberty in Hawaii and "had a swell time." He receives the paper and read about Harvey Payne being wounded.

## Sgt. A. N. Burgett Has Two Years of Overseas Service

HEADQUARTERS, 13th AAF, SOUTHWEST PACIFIC—Sergeant Adolph N. Burgett, son of Mr. and Mrs. Z. A. Burgett, 214 East Georgia Street, Floydada, has completed two years of overseas service with the 13th AAF's Bomber Barons in the South and Southwest Pacific.

A radio operator, Sergeant Burgett entered the Air Forces in April, 1942. He graduated from Radio Operators and Mechanics school at Scott Field, Illinois in September, 1942 and was shipped overseas two months later, November, 1942.

He is a graduate of Floydada High school and worked for the Consolidated Aircraft company prior to entering the army.

Mr. and Mrs. C. W. McCarty, of Amarillo, were here last week-end visiting with relatives. Mrs. J. T. Snodgrass, Mrs. McCarty's mother, returned to Amarillo with them. Mr. McCarty is a trainman with the Santa Fe Railway company.

Dave H. Widener  
Quite Ill Reported  
As Improving

LAKEVIEW, November 28—Mr. and Mrs. Lamb and family spent Sunday with relatives at Cone.

Mr. and Mrs. G. W. Smith, Dale G. and Freida spent Sunday in Littlefield visiting Mr. and Mrs. Pay Smith.

Mrs. Celia Ross spent the weekend in Lubbock visiting relatives.

The candidates for Lakeview queen, king and crown bearers are working very hard in the contest for the respective places.

A large number of the mothers met last Thursday and canned apples for the cafeteria. From the number of canned apples we are looking forward to lots of pies this winter.

Dave Widener who has been in the Lubbock hospital quite ill is reported to be improving.

## BE SAFE... BE SURE... WITH WAR BONDS!

NO turn in the weather can wash out your investment in War Bonds. No cut-worm or borer or other insect pest can get to them. No market fluctuation can alter their value from day to day. They're one "crop" that never fails!

Yes, if you're looking for a "crop" that never fails, you'll put in an order today for more War Bonds... even if you have to go without something else to pay for them!

### 5 REASONS FOR INCREASING YOUR WAR BOND PURCHASES

1. The tempo of this war is hitting its highest point. Government expenditures for war are at the peak MORE MONEY IS NEEDED... NOW!
2. In proportion to WHO HAS THE MOST MONEY, individuals are not buying their share of War Bonds. America must correct this situation.
3. War Bonds provide the farmer and rancher with the financial reserve he must have to survive the ordinary ups and downs of farming as a business.
4. Money will be needed urgently at a future date to replace and repair farm equipment, machinery, and buildings. War Bonds will provide it.
5. War Bonds are the safest investment in the world, return a good rate of interest, are easy and convenient to buy... from bank, post office, rural mail carrier or Production Credit Association.

We Americans pride ourselves not only on knowing how to make a penny now and then, but also on how to keep one. So we get double pleasure out of our War Bond purchases. First, we're backing our men in uniform who are fighting all over the world to keep America safe and free. Second, we are building a financial reserve to meet the inevitable emergencies of such a business as farming. And third, when those Bonds mature, we will have the cash for new equipment and machinery and buildings to help maintain the efficiency and earning power of our farms.

For America's Future, for your Future, for your Children's Future  
\* \* Keep Backing 'em Up—WITH WAR BONDS! \* \*

### Lt. Bernard Hartley Married In October At New Bern, N. C.

Complete details of the wedding of Elizabeth Jeanne Lind, daughter of Mrs. H. H. Williams, of 3906 Thomas Ave., So. Minneapolis, Minnesota, to Lt. C. B. Hartley in New Bern, N. C. on October 13 were received in Floydada by the groom's parents this week.

The single ring vows were solemnized at 7 o'clock Friday evening in the St. Pauls Church. The Reverend Monsignor Irwin officiated.

The altar was decorated with baskets of white roses, Chrysanthemums, and ferns; also several candelabra.

Livie Hanas USMCWR was maid of honor and Lt. Charles Linnin served as best man.

The bride who given in marriage by Major Sweeney USMC, wore a pale blue dress with black accessories and a white orchid corsage. She carried her prayer book covered with white satin having white satin ribbon streamers and little white flowers tied in knots in the streamers.

After the ceremony the bridal party was driven to the Trent Pine Officer's Club in a horse drawn carriage with a colored driver where they were given a small reception.

The couple is now at home in Morehead City, North Carolina.

Mrs. Hartley entered the service December 13, 1943 and is attached to the same squadron to which her husband is and works in the engineering department.

Lt. Hartley is the son of Rev and Mrs. C. A. Hartley of this city. He received his commission at the Naval Air Training Center, Corpus Christi, Texas, after which he completed a course at the Instrument Flight Instructor school in Atlanta, Georgia. Since that time he has been stationed at Cherry Point, North Carolina.

### Progressive Dinner For Sunday School Class Members

Officers and teachers in the Senior department of the First Baptist church Sunday school entertained with a Progressive dinner for members of their classes last Friday night.

The salad course was served in the home of Mrs. I. T. Graves, who teaches the business girls' class. From there the group went to the home of Mr. and Mrs. H. G. Barber, where the main course was served. Mrs. Barber is departmental secretary and Mr. Barber teaches the boys' class. Miss Alice Osborn, teacher of the High school girls class, assisted Mrs. Barber.

The last course of the dinner was served in the home of Mrs. C. B. McDonald, superintendent of the department. There followed an informal social hour. Miss Emma Louise Smith read "Thanksgiving on the Wing," and group singing was enjoyed.

Attending were Alene Warren, Imogene Roy, Emma Louise Smith, Bennie Jackson, Frances Mitchell, Geneva Mar, Evelyn Withers, Alice Osborn, Delilah Cummings, Ray Latham, Harold Norrell, Wendell Daniel, Mr. and Mrs. Barber and Don, Mr. and Mrs. Graves, and Mr. and Mrs. McDonald.

### Matador Tribune Has New Press

The Matador Tribune has a new newspaper press, a two-revolution precision machine which the publisher, Douglas Meador, also will use as needed for commercial printing.

In the exchange of the press the Tribune had used since its establishment for the new machine, labor and material shortages caught the publisher in a tight squeeze and two issues of the Tribune were printed in Floydada at The Hesperian office.

SGT. J. R. STRAIN HOME AFTER CAMPAIGN OVERSEAS

Gy/Sgt. J. R. Strain USMC arrived here Saturday night to visit his sister, Mrs. Joe Robertson and family for a few days. From here he will go to Dallas to visit his mother, Mrs. J. H. Strain.

J. R. has a 30-day furlough after spending some two and a half years overseas. He saw action on Guam and Saipan.

Mr. and Mrs. Ohmer Parrish received word from their son Sgt. Carl that he has moved from New Guinea to Australia. He said in a letter to them recently that the town where he now is is like home and the people are friendly.

HEALTH

The C. B. Carmack registered Jersey herd of Floydada, Texas, was recently officially classified according to a report from the American Jersey Cattle club, New York. The official who individually went over each cow in the herd comparing her to the model of the breed in type was Professor M. J. Regan of the University of Missouri.

### Blue Bonnet Needle Club Christmas Party December Nineteenth

Blue Bonnet Needle club held their mid-November meeting with Mrs. Doris Johnson as hostess. A lovely refreshment plate was served to the following members:

Mary Alice Eakin, Mildred Fuqua, Helen Perry, Ethie Allen, Lila Kendrick, Audrey Asher, Julia Baker, Bessie Wilson, Dorothy Dorrell, Bee Rainer, Irene Dorrell, Cecil Pyffe, and Doris Johnson.

It was decided during the business meeting to have a Christmas party on December 19 at the home of Mrs. Mary Alice Eakin with husband as guests.

The club met yesterday at the home of Mrs. Tip Kendrick.

AMARILLO MAN MAKES VISIT BY PLANE HERE TUESDAY

Illustrating how business can be done with little loss of time, Vernon Cook, an Amarillo engineer, was here in his private plane Tuesday in a conference with Walter D. Newell, local engineer.

Landing at the municipal port Cook was met by Newell and they had their parley there, the Amarillo man returning to his home after an elapsed time of some two or three hours.

Margaret and Robert Conner, who are students at West Texas State college, were at home Thursday to Sunday for the (first) Thanksgiving holidays with their parents, Mr. and Mrs. Jim Conner.

Mrs. A. L. Lambert returned Tuesday of last week from Dallas where she has completed her training as a Spencer Corsetier.

When Molly Pitcher's husband was killed in the battle of Mauthouth, N. J. (1778) she took his place as cannoner and performed his duties with such skill and courage that she was given a life pension by the government, upon President Washington's recommendation.

John Alden and Priscilla Mullins had eleven children. It is estimated that they now have three million descendants in the United States.

## Recognition For Oliver Allen As A Poultryman

CHICAGO, ILL.—Nationwide recognition was given to Oliver Allen, Floydada, Texas, recently when he was nominated as "Blue Ribbon Poultryman" on The Man On The Farm radio program.

Mr. Allen is typical of the many fine poultry raisers who are helping Texans make a real name for itself in the poultry world. Mr. Allen goes in strictly for egg production, using trap-nested Rhode Island Reds from the famous Parmenter breeding stock as the basis for his flock. His high hen in 1942-43 laid 344 eggs and came back the next year to lay 271 eggs or a total for two years of 615 eggs.

Out of 29 daughters of this hen which they have raised, 23 are 230 egg layers or better. Twelve pullets out of these 29 laid 275 eggs and above during the 1943-44 season. Mr. Allen sells from 25 to 50 thousand hatching eggs each season.

The Man On The Farm weekly program is broadcast each Saturday noon from an experimental farm near Libertyville, Illinois, 43 miles northwest of Chicago. The program is carried on 42 key stations from coast to coast.

## Capt. Henderson Home on Leave From 8th AF

Captain Oliver W. (Wendell) Henderson, Floyd county boy credited with extraordinary achievement as a lead pilot of numerous B-24 formations of the 8th Air Force based in England was at home for some 15 days in November for a well-deserved rest. During his stay here he spent some time with his brother Clyde and his sister, Mrs. Lillburn Nelson.

Mrs. Henderson, his wife, the former Sappho Ward, following her husband's departure for overseas service, made her home here during his absence.

In a story telling of Captain Henderson's unusual record, published by The Hesperian in August, an army release said that he had contributed immeasurably to the successful completion of many missions with a minimum of loss. For his leadership, courage, skill, this story related, he had been awarded the Oak Leaf cluster to the Distinguished Flying cross already received for earlier daring and disregard of self.

Captain Henderson is a graduate of Floydada High school and before entering the service was in business for himself at Santa Barbara, Calif.

His father, the late E. W. Henderson, died at age 83 at the home of Mrs. Nelson late in August, during his son's absence.

Captain Henderson left London on the night of November 3, arriving in New York City the night of November 4. He was here until November 20 when he and Mrs. Henderson left for McAllen to spend a week with his brother, Ned Henderson, of the U. S. Border patrol. Thence the couple left for Miami Beach, Florida, where he was to report for reassignment.

## Pvt. Leo Weaver Completes School At Pendleton

Camp Pendleton, Oceanside, California—Marine Pvt. Leo Weaver, USMC, (9909886) son of D. L. Weaver of Rural Route No. 2, Floydada, Texas, has been graduated from the Infantry and Browning Automatic Rifle Section school at Training command here.

Graduates of this school have completed thorough training with the B. A. R., M-1 Garand and Carbine rifles, Hand Grenades, Anti-Tank Grenades and are exceptionally well versed in the use of the bayonet and knives for jungle warfare.

Marines graduating from this school will be assigned to Infantry Battalions and their training has prepared them for amphibious landings and establishing and securing beach heads.

Private Weaver, born May 2, 1919 at Nida, Oklahoma, attended the Floydada High school where he was graduated in 1937. He was a letterman in football, baseball, track and tennis.

He was employed on the Austin Texas Police department before enlisting in the Marine Corps, last June, at San Antonio, Texas.

His wife, the former Pearl Kyle, and children William and Doris, reside at 106 Mildred Street, Austin, Texas.

## Jacob T. Johnson Given Air Medal

Staff Sergeant Jacob T. Johnson of Lockney has been awarded the Air Medal for "meritorious achievement" while serving as waist gunner on an Eighth Air Force B-17 Flying Fortress in bombing attacks on Nazi military and industrial targets in Germany.

His wife and parents, Mr. and Mrs. Joe H. Johnson, live at Lockney.

Mrs. J. E. Bradley left Thursday to return to her home in San Diego, California after visiting here with her parents, Mr. and Mrs. M. L. Probasco.

# STRAIGHT TALK

## ABOUT THE

# SIXTH WAR LOAN DRIVE

AS WE MOVE closer to victory, it wouldn't be surprising if you were saying to yourself — "What's the big idea of asking for all this additional money now? Isn't the war almost over?"

No sir, it is not! Not by a long shot. Of course, for many months now you've heard mostly about the war with Germany, where our greatest effort is concentrated. That's why many people have the idea that the war's practically over.

But make no mistake about it—nothing could be farther from the truth! The Japanese war is a tremendous undertaking, and victory will come high. We'll have to fight every inch of the way.

### Everything Costs More—in the Pacific War

The European war is expensive, but almost everything in the Pacific war will cost more. Take transport costs, for instance: Because of the longer distances, the same amount of freight costs 25 per cent more when shipped to the South Pacific than to Europe. And it takes twice as many cargo ships in the Pacific to support a task force of a given size because turn-around time is twice as great!

### More Planes . . . Tanks . . . Ships . . . Oil

In addition, we shall need more of everything. More B-29 Superfortresses that cost \$600,000 each. More P-47 Thunderbolts that cost \$50,000 each. More M-4 Tanks, with bulldozer blades, that cost \$67,417 each. More amphibious tanks—more aircraft carriers—more supply ships—more gasoline and oil than it took for the invasion of Europe!

### Care for the Sick and Wounded

And lest anyone forget, we shall need more battalion aid stations—more clearing stations—more evacuation hospitals—more convalescent hospitals—more hospital ships.

For many, many years the sick, wounded, and otherwise disabled veterans will require medical attention and care. That's the least Uncle Sam can do in appreciation of what they've done for us.

### Maintenance for Millions

Did you ever stop to think how much money it costs to maintain

the 11 to 12 million men and women in our army and navy? Whether the men are actually fighting or not, they must be fed, housed, transported from one training center or battle area to another, cared for in a hundred and one different ways. That all costs money and will continue until the last man demobilized is back in civilian clothes.

In addition, millions of dollars will be required for mustering out pay, for various benefits and services voted by Congress to help the boys get started in civilian life.

These are reasons enough why patriotic Americans will want to buy heavily during the Sixth War Loan. But here are still more—

### Winning the Peace—for Your Country

If we're to win the peace as well as the war, the cost of living must be kept down and the purchasing power of money preserved. A reckless inflation that would necessarily be followed by the catastrophe of deflation—with its unemployment, bankruptcies, misery and heartache—must be prevented at all cost.

Let's make no mistake—a dangerous period lies ahead. The American people have nothing to fear, however, if they show in the future the same common sense they have shown in the past, and continue to put every penny over rock-bottom expenses into the purchase of more and more War Bonds.

### Winning the Peace—for Yourself

Want another important reason? Yourself! There isn't a better or safer investment in the world today than War Bonds. In helping your country, you are also helping yourself! Never in our entire history has it been so necessary to save as right now. We'll need money, individually, for education, repairs, replacements, retirement—and we'll need a lot of it.

As you can see there are many reasons, important reasons, why our Government must have the financial support of everyone, and have it for many months to come.

Let all Americans do their part—for their own sake, for their country's.

## Comparisons Show that Price Control Helps

Both consumer and dealer are benefited materially aided by the control of retail prices, is the claim of the Office of Price Administration.

The dealer is helped because his inventory is kept within reason and he can operate without borrowing or otherwise obtaining additional capital with which to do business, being given at the same time a fair mark up on his cost.

The consumer is helped because the temporary shortages and price increases do not force prices to skyrocket, helping to maintain the value of the dollar he gets for his products or his wages.

Especially enough, dealers are going along with the program localities even better than the public is. As H. Kreis of the price panel of the War Price and Rationing Board. A considerable per cent of the buyers want what they want and are willing to pay for it, whereas the dealer has had some experience or some advice on what market that gets out of hand will do to either immediately or in the future. He welcomes the checker, although he is crowded for time usually, he is willing to do what he can to help "hold things together."

**Window Display Shows**  
A recent comparison of what \$15 might buy in a run-away market a century ago about the time of World War I and what the same money will buy now, is gradually shown in a window display at the War Price and Rationing Board office on East California street.

At the end of one streamer is 10 pound sacks of sugar, which would have bought during World War I. At the end of the other streamer are items as listed below, figures having been checked as actual for Floydada by the price panel. The window was arranged by Mr. and Mrs. W. Fred Jones and items for the window loaned by all food stores.

**What \$15 Will Buy Now**  
1 1/2 sacks of sugar \$3.70

George Myers, of the Lone Star community, recently bought 10 registered Hereford heifers from J. S. Lackey of the Cedar Hill community. George has a yearling bull that he got from Tierra Blanco at Canyon. He is a son of the Lamplighter, one of the best known bulls of the Hereford breed. The Tierra Blanco Farms paid \$4000 for the Lamplighter when he was 8 years old. His calves top the farm's annual sale each year. A full brother to George's bull sold for \$3800 last year. His dam is a cow sired by Advantixity which is the herd bull at the White Hat ranch at Blackwell, Texas.

Ben Quebe of Providence has some cap rock mulo planted beside Martin mulo on the same day and has received the same treatment, that will make at least one-third more grain.

Mr. Quebe recently filled a 300 ton trench silo from 25 acres of he-gari and kaffir. Six hands filled the silo in four days at a labor cost of \$110. The total cost of filling was less than 50c per ton. This is the seventh straight year the trench has been filled. "I have found out that you take out just what you put into a trench silo" Mr. Quebe said, "and this year I put in my best feed and bundled that that was not so good." The feed will be used in finishing some steers.

The Kirk Barred Rock farm of Floydada had a pen of hens in the egg laying contest at the Missouri Experiment station this year, and one hen laid 310 eggs.

**Garrett Expects To Have Store Ready by Jan. 1**  
W. N. Garrett, who with Mrs. Garrett moved to Floydada from Amarillo recently and began the renovation and re-conditioning of their business brick at 117 West California street, said this week it is his expectation to be able to open the store in their new business venture about January 1.  
Much work is being done in preparing for the auto supply store, and account is also taken of possible delays, including delays in receipt of permits and priorities, Mr. Garrett said.

**Evelyn Elliott Sun Bowl Queen From West Texas State**  
Evelyn Elliott, daughter of Mr. and Mrs. Verne Elliott, of Amarillo, will be princess from West Texas State college at the Sun Bowl carnival in El Paso December 29 through January 1, it was announced from El Paso last week.  
About 20 princesses are expected from communities of the Southwest. The Sun Queen and several duchesses will be chosen in El Paso. The Sun Bowl football game will be the climatic event on New Year's day.  
Mrs. Ovalene Coleman, daughter of Mr. and Mrs. J. T. McLain of Sand Hill, underwent a major operation November 22 at the Plainview sanitarium. She was reported by her father Saturday as doing nicely.

## Rome Is a Sight For Country Boy, Says Milt Terry

Milton Terry, son of Mrs. J. R. Terry, who has been in the American expeditionary forces since the Africa landings, wrote an interesting letter to his mother recently, which she has given permission for The Hesperian to use. Says Milton: "I got back from Rome last night and was I tired out! Man alive, riding there and back in a G. I. truck is a Jonah. We stayed gone six days and saw lots of new country that I'd never seen before."

We went on a sightseeing tour of Rome and it sure was a sight for an old country guy like me. The Vatican City with the St. Peter church. This church is by far the most beautiful palace in the world. It took over 300 years to build it and after seeing it I can understand why it took so long. It is worth crossing the pond to see. The Colosseum was built before Christ and plenty of other buildings. The Colosseum with its lion dens was interesting to listen to from the guides that was with us. The Romans sure went in for lots of fancy fixtures back in those days.

Rome is by far the best place I've been since I left those states. The people are all clean and friendly. Their homes are fixed nice inside. The girls look so much better than they do around this part of Italy. I really had a good time on my trip and wouldn't take a million for it, but don't care a thing about going back.

**G. I.'s Are Suckers**  
I bought a few souvenirs and a Cameo ring for my self. Everywhere I go they say souvenir Johnny or shoe shine. Everything is high but they will let you have it for half price. Lots of their stuff looks good but is really only junk. But G. I.'s are suckers enough to buy anything.

We went through Cassino and what a mess it is. I don't believe Anzio could be as bad. There isn't anything left standing at either place to speak of.

Our mail has almost stopped all this month. I got one V-mail letter this week which is the size of my mail this week. I'll probably get several letters when they do come through.

W. R. came over last Sunday but I was gone. He brought his kodak for me to take to Rome but I should have gotten it earlier. I do wish I could have had it on my trip. I'm off tomorrow, but plan to rest up so I don't guess I'll see W. R. until next Sunday.

**How do They Hold On?**  
We got paid today. Pay day comes around pretty often it seems. I'm glad the time passes as fast as it seems in some ways. Sure this war can't last much longer. How they keep holding on is a sixty-four dollar question to me.

My chance of getting home this year is very scant. In fact I've quit ever wondering when V-day will be. But I'm ready anytime.  
Our radio has quit on us and some boys have had it a week working on it. Maybe we can get it back in a few days. We sure miss it. Sunday night, October 1:  
Well it rained all night and all day long. Looks like the wet season is here again. When it rains it pours. I stayed in my tent most all day. We put up our stove this morning. Its one we made last year. It feels good to light.  
We drew our O. D.'s today and

## Americans Asked To Help Fight On Tuberculosis

WASHINGTON, Nov. 26—President Roosevelt today asked the American people to join with official and voluntary agencies in the fight against tuberculosis which is already taking "tremendous toll of lives in the war-torn countries of Europe and Asia."

Supporting the 38th annual Christmas Seal sale of the National Tuberculosis Association and its affiliates, which opens tomorrow and will continue until Christmas, the President said this country "cannot afford to permit the strength of its people to be sapped by this insidious disease."

**LT. JOE D. MONTGOMERY ADDS OAK LEAF CLUSTER**

AN EIGHTH AIR FORCE BOMBER STATION England—Second Lieutenant Joe D. Montgomery, 26, of Floydada, Texas and Anchorage, Alaska has been awarded the First Oak Leaf cluster to the Air Medal, equivalent to the second award of the medal, for "courage, coolness and skill" displayed on bombing attacks over Germany. The flyer is a pilot in the Eighth Air Force B-17 Flying Fortress group commanded by Colonel Frank P. Bostrom of Bangor, Maine.

LT. Montgomery is the son of Mrs. Mary A. Dorsey of Floydada, Texas. And his wife, Ebba Montgomery lives at 703 L St., Anchorage. Before entering the army forces in October, 1942, The Lieutenant was employed by the U. S. Engineers in Anchorage. He is a graduate of Colorado State College.

**A LARGE RADISH**  
A large radish, as big as the average rutabaga turnip, was shown last week in The Hesperian window. Two months old the radish was plump and fresh looking.

The large radish was grown by Mrs. J. N. Redd who likes the idea of continuous fresh plantings throughout the season.

Lt. James Fry Gibbs, stationed at Fort Warren, Wyoming was here last week for the funeral of his uncle, N. G. Jackson. He has been guest of his grandparents here, Mr. and Mrs. A. R. Hanna, and of his mother Mrs. Ruby Gibbs at Lubbock. He was at home on a seven-day leave.

Mr. and Mrs. J. E. Bagley and son, Johnnie Max, of San Diego, California, were here for two weeks visiting Mrs. Bagley's parents, Mr. and Mrs. M. L. Probasco. They have returned to their home in San Diego.

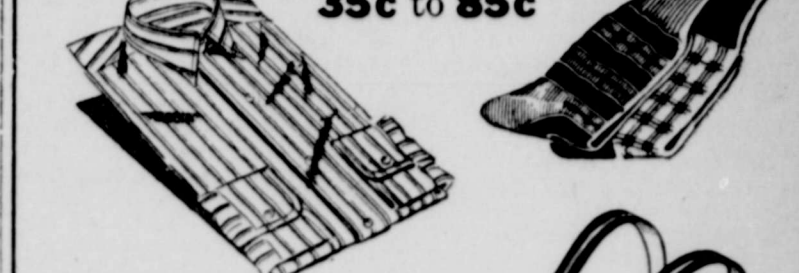

from now on its O. D.'s for us. I like them much better than the khakis. We also drew our long johns and winter clothes.

There is lots more I could tell about Rome if I were with you. The catacombs where they have the large underground cemetery. It runs under the ground nine miles, and 178,000 are buried there.  
There was some mail today but I didn't score. Maybe I will get some tomorrow. I should write several letters tonight, but I'm getting where I hate to write.

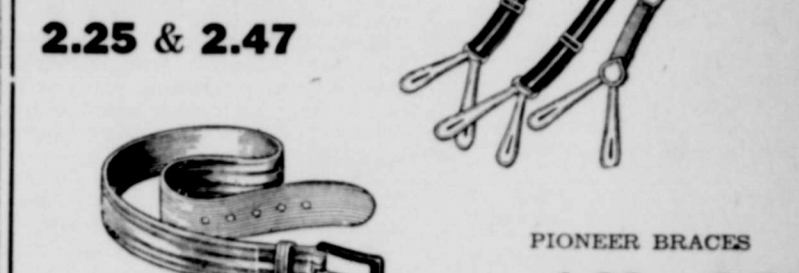

I'm doing just fine, but of course I'll be glad when this is all over and I can say finish to army life.

## Center Baptist Church Sponsors Christmas Tree

CENTER, Nov. 27.—We are having some varied weather these days, but really it is the coldest weather of the season. Clyde and Donald Clark Green spent the weekend home with their parents, Mr. and Mrs. J. E. Green. Clyde returned Sunday to Howard Payne at Brownwood and Donald Clark returned to Wayland.

Mr. and Mrs. W. B. Jordan had as guests last Tuesday Flight Officer and Mrs. Leighton Maggard and Ernest; also Mrs. R. L. Maggard and Mr. and Mrs. J. B. Jordan.

Leighton Maggard left Saturday for Nashville, Tennessee, where he expects to leave for overseas duty.

Mr. and Mrs. Floyd Montgomery and his mother Mrs. J. L. Montgomery visited with Mrs. C. A. Cumble last Thursday afternoon.

**Program and Tree**  
Center church will sponsor a Christmas program and tree for the community on Friday night, December 22. The community may begin planning to be present for the gala occasion as we expect Old Santa to greet the children that night.

The Center Home demonstration club will have their December 11 meeting with Mrs. O. C. Vinson. Each one attending is to bring a gift, not to exceed the price of one dollar. Every member is urged to be present.

**Home Demonstration Club**  
Center Home Demonstration club met Monday with Mrs. R. C. Ross as achievement day hostess.

Session opened by repeating the club prayer and roll call answered by telling of our outstanding work during the year.

A delicious refreshment plate was served to the following guests after they had been to the cellar to view the food demonstration:

Mmes. Jas. E. Green, Oliver Allen, W. T. Hamilton, W. J. Rhodes, W. P. Sims, C. M. Meredith, Travis Lightfoot, M. J. McNeill, Woodrow Wilson, J. A. Hartsell, O. C. Vinson, H. B. Mankins, W. B. Jordan, Miss Imogene Roy and the hostess Mrs. Ross.

## Florida Report

### W. A. Stewart German Prisoner

First news that Mr. and Mrs. J. S. Stewart have of their son, William A., recently reported to them by the War department as missing in action, comes by way of the mails from Florida, where a man who signs himself J. L. Patterson with Box 984, Delray Beach, as his address, gives this information in a letter dated November 21 to Mrs. Ollie Stewart here.

I intercepted a short wave broadcast from Germany tonight reading messages from American prisoners of war to their families in America.

The following message came through for you from your son, Pvt. William A. Stewart.

"Dear Mother: I am a prisoner of war in Germany, am o. k. and feeling fine. Contact Red Cross for information about sending letters and packages. Send me some cigarettes, candy and cookies. Give everyone my regards. Love."

Reception was very poor tonight and I am not sure I have your son's name correct. I listen to these broadcasts each night except Sunday night and try to copy down the messages and forward them on to the boy's loved ones.

The announcer stated that your son was captured October 29, 1944.

Mrs. G. W. now in a camp at Stalag-7A Germany.

### HUDSON HOLMES HAS FOURTH OAK LEAF CLUSTER ADDED TO HIS ARMY AIR MEDAL

Technical Sergeant Wm. H. Holmes, B-17 Flying fortress top turret gunner in the 351st Bombardment group, has done it again. Makes the fourth oak leaf cluster to his air medal, says a dispatch from an 8th AAF station in England.

"Meritorious achievement," "courage, coolness and skill," "reflect great credit" are typical expressions in the latest report on this Floyd county boy, son of Mr. and Mrs. S. L. Holmes of Starkey.

Sgt. Holmes has taken part in attacks on Munich, Peenemunde, Schweinfurt, Merseburg, Anklam, Nienburg, Leipzig, Ludwigshafen, Soest, Kassel, Nurnburg, Cologne, Stargard, Politz, Mannheim, Hamburg, Munster, to mention some of his ship's trips to enemy installations.

Mrs. Holmes is the former Maurine Hart. She makes her home in Amarillo where Sgt. Holmes was employed in civil life as an ordnance worker before entering the army April 26, 1943.

### ALVIS LEROY CHOWNING COMPLETES BASIC FLYING AT M. A. A. F. CALIFORNIA

Aviation Cadet Alvis Leroy Chowning has just completed his basic flying training at the Merced Army Air field, California. He will now be stationed at Marfa, Texas, army advanced flying school, where he will take the final steps toward attainment of his silver pilot wings.

He is the son of Mr. and Mrs. A. W. Chowning, Floydada, Texas.

Mrs. A. W. Chowning is leaving Friday to visit her son, also will visit her brother Fletcher Curry at Ballenger, Texas before returning home.

Miss Juanele Amburn, who is attending W. T. S. C. at Canyon, spent the Thanksgiving holidays with her parents, Mr. and Mrs. Foster Amburn.

H. L. Rafferty, who had been in the Plainview hospital for nearly 20 days following an operation there, was able to be returned home Monday of this week.

## Word of Robert

### Bradford Says He is Doing Well

Mr. and Mrs. Charles Bradford have received word from their son, Bob, who is believed to be in the Philippines, through his chaplain. No direct word as been received from Bob in sometime. The chaplain writes:

Your son, Bob, has been doing a splendid job in his company and I want to take this opportunity to tell you he is getting along all right. He seems to be in the best of health and is well liked by his officers and men. I trust we may all be able to return home soon, as you are doubtless anxious to see Bob, but in the meantime, rest assured that he is fine and doing his part in this tremendous undertaking.

Robert is in an infantry unit of the U. S. Army, his APO number being through the San Francisco post office.

## Quanah Officials

### Make Trip Here

A. F. Sommer, vice-president and manager of the Quanah, Acme & Pacific Railway company, in company with W. L. Richardson, traffic manager of the line, were in Floydada the first of last week on a trip of inspection and renewing acquaintanceship.

These are very busy times with the railways, Mr. Sommer said.

### S/SGT. CLYDE WRIGHT'S BOMBARDMENT GROUP CITED IN HISTORIC CAMPAIGN

AN EIGHTH AIR FORCE BOMBARDMENT STATION, England—One of the Texas Air force, a unit of the famed 3rd Bombardment division of the Eighth Air force which was cited by the president for the historic England to Africa shuttle bombing of Messerschmitt aircraft at Regensburg, Germany, in August 1943, include Staff Sergeant Clyde Wright of Floydada.

Clyde is the son of Mrs. Morgan Wright of this city.

### VERNA LYNN OLSON HOME FROM L. A. ON BRIEF VISIT

Verna Lynn Olson, who is employed with the telegraph company in Los Angeles, was at home for a short time last week, visiting her parents, Mr. and Mrs. O. B. Olson. Her little nephew, Robert Olson, made the trip with her from his home in Arizona.

Before returning to Los Angeles Verna Lynn was due to visit in Tucson with her brother, O. B. Olson, Jr., and family. Mrs. O. B. Olson, Sr., accompanied her daughter to Tucson last week-end.

### PETERSBURG SOLDIER GOES TO MAKE HOME IN PENN.

Robert Riddle, son of Mr. and Mrs. Thad Riddle of Petersburg, who recently received a medical discharge from the army after serving overseas two years, returned Monday to Pennsylvania where he will make his home. His wife resides in that state.

Mrs. James Jones, the former Barbara McClesky, has been visiting her parents, Mr. and Mrs. Sam McClesky and family. Her husband, Lt. James Jones has been transferred from Wichita Falls to Lubbock.

W. S. Ferguson, who had been here for several days on furlough visiting his parents, Mr. and Mrs. W. F. Ferguson, left last week for San Francisco to report for duty.

## Paul E. Teuton

### Is Recon Leader With Fifth Army

WITH THE FIFTH ARMY ITALY —During recent fighting on the Fifth Army front in Italy, members of the 34th "Red Bull" division reconnaissance unit flushed a strong force of Germans and after a pitched battle forced 150 Krauts to withdraw. They took 15 prisoners and accounted for 30 known dead. Leaders of the group included Lt. Paul E. Teuton of Lockney, Texas. The recon. unit's assignment was to back up the infantry. In doing so, it discovered the foot soldiers pinned down by strafing fire from a Jerry's plane. The plane was knocked out and the unit immediately was spotted by Germans hidden in a hedge-row. They opened fire and made contact with them. "It was a close, rugged fight; our men were close enough to use hand grenades," Lt. Teuton, whose car was knocked out during the melee, said.

MOTLEY COUNTY SOLDIER DIES OF WOUNDS ON PELILEU

S. Sgt. W. T. Boggus, son of Mr. and Mrs. J. L. Boggus of Matador, died October 2 after being wounded October 25 on Peleliu Island, according to a message received by his wife, Mrs. Marion L. Boggus. He was 24 years old.

Col. Guy Davis, of Rotan, was here Thursday and Friday on a Thanksgiving visit with Billy Frank Ward.
