Men Fill County February Bill to Colors

The young Floyd county men the February call to the colors through the Local board last week returned to the board of induction completed Monday.

John Lewis, Ralph Carl-Pawer, Winfred Lee Payne, Lee Newberry (transferred from Lubbock board), and Leonard (transferred from Lamar board) were forwarded to Bliss on February 27, and all accepted for duty.

Three registrants, together with above registrants, together with three registrants transferred to Bliss, made up the February quota.

Pre-Induction Physicals

Pre-induction physical examination call for February was for men, and in order to fill it the board used practically all of the 18-26 age group. It was at the office of the board this week as future pre-induction calls. As future pre-induction calls they will have to be filled with lists of men in the older age groups—26-29 first, then the 30-group.

Every indication points to the possibility that induction calls will be reasonably heavy until the year, it appears to the board. As to deferments in the far classification, the following can be taken as the policy of the Local board:

It is their intention that farmers qualify for deferment as essential to farm activity, that is essential to the war effort, be considered in occupational deferments as long as they so qualify. Men engaged in less essential occupations will be called up first, as has been policy in regard to the younger men.

Canadian Publicist Fourth, Last Speaker Next Tuesday Night On Program Auspices Rotary Club

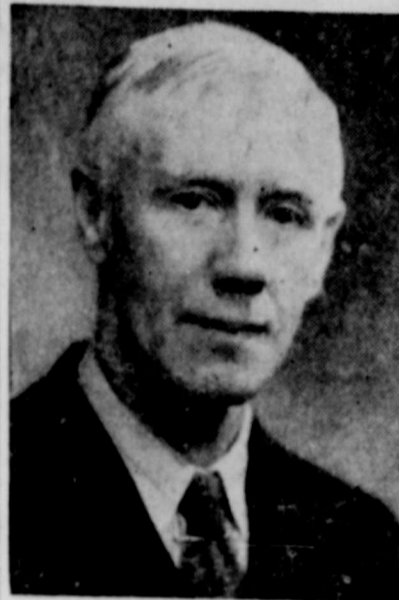

In the fourth and last of the series of four addresses of the Rotary Institute of International understanding of the local club of that name, will be presented Major H. G. Scott, Canadian publicist, whose address will be upon "The Role of the North American Continent in World Affairs," next Tuesday night.

Tuesday night of this week a Chicago business man, Samuel G. Rosen, native-born Russian, discussed "Russia's position—east and west." On each of the dates the speakers appear at the high school and much interest has been indicated in the school in the successive discussions. Mr. Rosen recounted his early struggles after reaching America and how intense they made his desire for an education.

Born in Scotland

Major Scott, who got his title in World War I, was born and educated in Scotland. When he came to Alberta, Canada, he practiced law and, for several years, magistrate of the City of Calgary. His war service was with the Canadian corps in Flanders and later with the British staff in Greece.

For a number of years before World War II he went to Europe every second year, and in World War II served as liaison officer between the Canadian and Allied armies for sometime until in 1943 he was returned to Canada for special service in connection with internees. In the summer of 1944 he was a special war correspondent attached to the Royal Air Force, visiting France after D-day, and among other things, witnessing the triumphal

H. G. Scott

entry of General deGaulle into Paris.

When the war is won, a host of problems will face a desolate world, and the part that the North American continent, not just the United States, is likely to play in this post-war period will be the burden of the speaker's address. The evening program will begin at 8 o'clock.

J. M. Willson, Glad Snodgrass and Alton B. Chapman are members of the International committee of the club, which has been directly responsible for presentation of the series of addresses.

Federal Cotton Crop Insurance Promised For the 1945 Crop

The local AAA committee announced this week that cotton crop insurance would be available for the 1945 cotton crop.

The Federal Cotton Crop Insurance Act is a program backed by the government, offering farmers an opportunity to work together to make the good years take care of the bad years. With crop insurance, a farmer can plant with assurance of a return from his investment and his work.

The insurance covers all risks such as floods, storms, frost, wildfire, snow, excessive rainfall, hail, lightning, fire, wind, plant disease, and insects. The contract is written for either 50 or 75% coverage. The contract is for one year.

The amount of loss varies according to the stage of the crop's development. If a loss occurs too late to replant to cotton but prior to the first cultivation, 40% of the maximum insured production can be paid; after the first cultivation but prior to the beginning of harvesting, 75%, and 100% after the beginning of harvest less estimated savings in harvesting. These reduced coverages do not penalize the insured grower but merely keep him from making out of a loss that he would out of producing a crop county committee says.

Premium rates and yields are being developed. Within a very short

time the premium rates will be available for inspection.

Full details of the 1945 cotton crop insurance program will be available soon. Community committee, county committee and AAA personnel will give further information.

Former Pastor C. P. Church Is Wounded

Captain Rudolf A. Renfer, chaplain in the U. S. army with the forces in Germany has been seriously wounded, according to word received here this week from Mrs. Renfer at Dallas by the B. F. McIntosh and the Alton B. Chapman families. She was notified by the War department on February 24 of her husband's injuries.

The captain, pastor of the Cumberland Presbyterian church here in 1941, cabled his wife that he would be all right, she said.

J. D. Thomas Run Down By Car At Farwell, Killed

The J. A. Arwine family spent last week-end at Farwell, Texas, and Clovis, New Mexico, where they were called by the death of a brother of Mrs. Arwine, J. D. Thomas. He died Friday afternoon after being struck by an automobile while crossing a business street in Farwell, his home, Friday morning about 8 o'clock. He was a lawyer, 53 years of age.

Funeral rites were held Sunday afternoon and interment made at Clovis.

His widow, a daughter, 16, a son, 14, his mother, Mrs. Lon Thomas, of Fort Worth, three brothers, Dr. Herman of Fort Worth, Dr. Homer of San Antonio, Sgt. Donald Thomas of Las Vegas, Nevada, the sister here and a sister, Mrs. Ruth Reynolds of Fort Worth, survive.

H. E. Whitaker Is Named Deputy By Sheriff Howard

H. E. Whitaker, of Scurry county but a former resident of Floyd county for several years, is the new deputy sheriff of Floyd county in Floydada. His appointment was announced by Sheriff Lee Howard last week. Mr. Whitaker formerly farmed in the west part of this community. He and his family moved here and he took up duties the first of the week.

Conde Davis, veteran officer and long-time resident of Lockney, has been named deputy sheriff at Lockney. He succeeds Cap Carthel there, while Mr. Whitaker takes the place of Marion M. Barton, who recently resigned to begin farming.

Saturday Night Deadline for City Announcements

With two candidates for mayor, five for aldermen, one for city secretary and two for city marshal as of this date, residents of Floydada who aspire to hold city office have two more days in which to apply for places on the ticket.

City Secretary B. K. Barker yesterday announced that the ballot would be made up Monday morning and turned over to the printer so as to be ready for absentee voters within the statutory time. Deadline for applications for places on the ticket was set at Saturday night closing time.

Offering for mayor are J. C. Wester and F. C. Harmon, both prominent in business and civic affairs of the community. Wester announced last week and Harmon this week. Each is offering on the basis of possible service he can be to the community.

Five Out For Aldermen
Today only five candidates are listed as candidates for aldermen. They are Conner Oden, Walton Hale, J. D. McBrien and J. W. Lanier, members of the council, and W. U. White, who has served two terms as mayor. Five are to be elected.

For city secretary B. K. Barker will be offering for an elective term and Bob Smith, incumbent of the city marshal's office, is being opposed by Hubert E. Davis, who made application to get his name on the ticket Saturday.

City election will be held on the first Tuesday in April, which is April 3. A complete slate of officials will be named.

Club Boys Show Hogs and Sheep

Floyd County 4-H club boys are represented in Amarillo at the Fat Stock show this week with entries of swine and sheep.

Boys who had animals placing in the judging Monday and their winnings were:

Robert Hambright, Hampshire hogs, third and sixth; Seth Johnston, Chester white hogs, heavy, fifth; Carroll Johnston, Chester whites, litter, fifth, and Seth Johnston, Chester whites, litter, sixth;

M. J. Esley, jr., fat fine wool lambs, James Powell, first (registered Rambouillet ewe as special prize), milk fed lambs, M. J. Esley, jr., sixteenth in class of 60.

Kenneth Thornton and F. G. Jones also had entries in the show. County Agent Leon Ranson spent part of the week in Amarillo with the club boys.

Boxing Postponed To Mar. Sixteenth

The scheduled boxing bouts between boys of the Floydada and Lockney schools has been postponed from Friday night of this week to Friday night, March 16, Coach Murry of the Floydada school announced this week, a mix-up in dates made it necessary to postpone the jousting.

The Floydada boys have no boxing date for this week-end.

The more experienced Tahoka battlers out-slugged the Floydada lads Friday night of last week and again Tuesday night of this week at Tahoka. Buddy Bishop, B. Foster, John Mason, Bill Jeter, Leonard Grigsby, R. Handley, D. Lambert, W. T. Conner, Royce McNeill and Jimmy Price were among the battlers Coach Murry had in the ring at Tahoka.

Mary Genell Allen Funeral Today

Funeral rites will be held this afternoon at 4:30 o'clock in Lockney for Mary Genell Allen, 22, daughter of Mr. and Mrs. J. B. Allen, who died at home Monday afternoon at 4:30.

Rev. E. J. Cobb, pastor of the First Baptist church there, will officiate, assisted by Rev. A. L. Shaw of Vernon. Interment will be made in Lockney cemetery.

Since finishing high school at Lockney the young lady had been attending West Texas State college at Canyon. She became ill about six months ago and returned home. Her father is secretary of the school board of Lockney Independent School district.

The parents, three brothers, members of the armed forces, and one sister survive. The sister is Mrs. Wilbur Tammehill of Lockney. She and two of the brothers, Bryce, stationed at Chicago, and Billy, stationed at San Francisco, will be present at the rites this afternoon. The third brother, Roach, is in the Pacific War theatre.

The Allen family have been residents of Floyd county for the past 25 years.

Lieut. W. Lester Jameson Was Killed While on Night Patrol, Relatives in Texas are Advised

Lt. Wm. Lester Jameson was killed on a night patrol when his party was ambushed and a terrific fight followed, according to news lately received by his parents, Mr. and Mrs. J. A. Jameson, of Floydada, who prior to that time had had only meager news of their son's demise on June 24 shortly after the invasion of France.

His late news came through the lieutenant's wife, who relayed a letter from Lieutenant Jameson's commanding officer, Captain R. T. Larsen, who sent condolences under date of January 7.

The family was notified late in July of their son's death on June 24. He had been at St. Lo and was transferred to another command, only the day before he was killed. Relatives here had known of this fact, and had assumed that, being among strangers, their son's demise might not be recounted further than in the official notice. However, Captain Larsen furnishes some information. He says in his letter:

"Lt. Jameson was assigned to my company on the day before he was killed, so I did not have the pleasure of knowing him too well. However, I liked him from the first and my judgment was, as was later

Lt. Wm. Lester Jameson

proved, that he was all man.

Body Is Recovered

"He was killed on a night patrol. The patrol was ambushed and a terrific fight followed. We recovered his body." (See LT. JAMESON, back page)

Harold Berry Is Casualty In Luzon Battle

Yesterday Mrs. Harold Berry of Lockney, and Mr. and Mrs. C. L. Berry, city, received notice from the adjutant general of the War department at Washington that their husband and son, Harold, an infantryman, was seriously wounded in the Luzon battle. His injuries, not otherwise indicated, were received on February 13. He was 24 years old on February 10.

Harold has been in the service two years, having been through two of the Southwest Pacific campaigns without injury before the Luzon strike. His wife and their little son make their home at Lockney.

Two Trustees To Be Named April Seventh

When citizens of all common, consolidated and independent school districts of Texas name their school board members for the ensuing year on Saturday, April 7, Floydada Independent district voters will be called upon to name two trustees to fill the places of O. P. Rutledge and L. T. Bishop, whose terms expire this year.

Hold-over members of the board are W. G. Collins, M. L. Probasco, Mrs. Alton B. Chapman, Robt. Medlen and Cecil Hagood.

Rescues Fallen Comrades From Forward of Front Lines; General Cites Bravery of Tommy McIntosh

Private (now corporal) Oatis R. (Tommy) McIntosh Floydada boy, is in the news again.

This time it is the bronze star and a citation from the commanding officer of the 77th division, Major General A. D. Bruce, for his strong courage and devotion to duty.

For 23 days in the operations against the Japs at Ormoc, Leyte, P. I., "Tommy" served as a litter bearer and ably assisted the technicians in caring for the wounded. Says the citation signed by General Bruce:

"In connection with military operations against the enemy near Ormoc, Leyte, P. I., from 7 December to 30 December, 1944, Private McIntosh, a litter bearer, with complete disregard for his own safety, went with the forward aid station to care for and evacuate the wounded men of his battalion.

"Although he was a litter bearer, he willingly and ably assisted the technicians in caring for the wounded. Private McIntosh several times went forward of the front lines to evacuate his fallen comrades, disregarding the enemy fire. Private McIntosh's strong courage and devotion to duty were an inspiration to the men of the section."

The citation gives Tommy's home address as 222 West Mississippi, where his parents Mr. and Mrs. B. F. McIntosh, and sisters, Joy and

Red Cross Drive Reaches Quota Saturday Night

Although Floyd county passed its quota of \$7,700 in the first three days of the campaign and R. E. Fry, county War Fund drive chairman, had the gratifying experience of wiring area headquarters at St. Louis late Saturday to this effect, this week he was still receiving reports from communities which had not finished their work.

And furthermore, he is urging that every person in every community in the county be given an opportunity to subscribe to the fund. And to all the people who have not been seen he urges that they do not wait for a collector to see them but to look up their committeeman, or to leave the money at either the Floydada or Lockney bank. Also he said Frank Perkins at Lockney and Mrs. Bernice Stapleton at Floydada would receive funds for the Red Cross and apply it as directed.

\$8,500 Yesterday at Noon

"I never saw people work more faithfully nor have I seen a prompter response in any campaign I was ever in," said Mr. Fry yesterday in a report made to meet local newspaper deadlines. "We have \$8,500 on hand, with no reports at all from seven communities where we know they are working, also with several other districts reported incomplete."

The districts from which no reports had been received yesterday at noon were Allmon, Trick, Aiken, Ramsey, Fairmount, Edgin and Campbell. Mr. Fry has had unofficial word from most of these indicating they are at work and will report as soon as they can. "We have good people in charge of the campaign in every portion of the county and we know we will hear from them," he said. The campaign will continue throughout the month and final report will not be made until April 1.

Upon receipt of Fry's wire that Floyd county had its quota Saturday, Milton C. Tainter, of the area headquarters office, wired back that Floyd County was 12th in this leadership to report. "Under your fine leadership," said Mr. Tainter, "the people of Floyd county have demonstrated their confidence and support of the" (See RED CROSS, back page)

Lt. Denny C Ivey Missing in Action

Lt. Denny C. Ivey, grandson of Mrs. C. Surginer and a nephew of I. C. Surginer, both of this city, is missing in action, the navy department has notified the young man's parents, Mr. and Mrs. W. R. Ivey at Big Spring. The parents were notified on Sunday morning and the news relayed here.

Mrs. C. Surginer and her son, I. C., went to Big Spring Sunday, Mr. Surginer returning home this week. Denny C. Ivey was a Diesel engineering specialist and was serving on one of the larger carriers, which has been campaigning against the Japs in the Pacific. It is thought his ship was in the armada which attacked the Japanese mainland although no official word of this fact has been released by the navy department.

Denny C. has a half-brother, Garner Surginer, who is in the U. S. army, stationed in the states.

Rotary Director Night Speaker at Rotary Next Week

Dean Farr, of Clinton, Oklahoma, director of Rotary international for this zone, will speak to the Floydada Rotary club at a night meeting Wednesday of next week, it was announced this week by J. M. Willson, who will be program chairman on that date.

Past District Governor Ed McLaughlin, of Rails, addressed the local club at their meeting this week.

Take Off Tax When Gasoline Is Purchased

A bill in the legislature, introduced by the new senator from the 30th district, Sterling J. Parrish, would do away with the red tape, the time and expense of forwarding gasoline money on exempt gasoline to have it refunded from Austin, and would take off the tax at the time the purchase is made by the farmer or other user for non-highway purposes.

The bill is said to have the blessing of the Comptroller's department, which handles the vast detail of gasoline refunds. To head off evasion of the tax gasoline would be specially colored.

Lt. W. D. Burke

Lt. William D. Burke who is visiting his parents, Mr. and Mrs. D. W. Burke of this city has orders to report to Corpus Christi Naval fighter air base as instructor in fighter tactics. He leaves Floydada on March 13 and will visit with Milton Weems of San Antonio Army Air base. Lt. Burke has been in the South Pacific War Theater. He wears the Presidential citation, Asiatic ribbon with two stars for two different combat areas.

S/Sgt. James E. Burke

S/Sgt. James E. Burke son of Mr. and Mrs. D. W. Burke of Floydada bombardier on a B-26 plane based at a base of the ninth bombardment group in France. He holds three oak leaf clusters with other awards. James should be nearly through with his missions. James has been a member of two crews that were shot down over enemy territory but had been transferred out just before they went down.

The story of a thrilling experience of Sgt. James E. Burke in the air war over Germany, forwarded from a correspondent in the 9th Air force in France, will be given in The Hesperian next week.

Vast Possibilities of Brazos Water Shed Pointed Up

The great benefit to farmers and stockmen, and to municipalities as well as for flood and erosion control, in the control of the waters of the Brazos river by means of dams and soil conservation work was the theme of a meeting in Spur last Friday afternoon, at which Dr. H. Brannen of that city, was official host. Dr. Brannen is a member of the board of directors of the Brazos River Conservation and Reclamation district.

J. S. Reger and C. C. Maxey, of Austin, representing the U. S. Reclamation service, heard testimony from 18 towns and communities as to the needs for utilizing that part of the waters of the Brazos, now looked upon as wasted.

Problems, needs and desires of the area are being studied by the engineers who will report on this

and other meetings to give the Reclamation service an over-all picture of the basin-wide investigation results.

The session was held at the Spur Inn and was largely an informal one. Engineer J. S. Reger presided and representatives from 30 or more communities were present. "We are embarking on a real program of water conservation in Texas and we want to learn the problems and needs of the entire 46,000-mile watershed extending across Texas from the New Mexico line to the Gulf," Mr. Reger said in opening the meeting. Other similar meetings are being held in this month and a report will be formulated about April 1.

Testimony from C. M. Caldwell, one of the directors of the Brazos River authority was to the effect that head waters of the Brazos in West Texas, without control, are ruining down-tate areas, whereas the wasted water could be made immeasurably valuable west of the 98th meridian. It developed in the meeting that many communities of the upper reaches of the Brazos below the high plains depend upon water hauled in for domestic and other purposes. Dams and more dams are needed, was the burden of the testimony.

How Campbell School Observed Independence

By the way, the school observed Independence Day in a most interesting manner. The children were given a special lesson on the history of the United States and the meaning of the Fourth of July. They were also given a special treat of ice cream and a picnic in the schoolyard.

The school principal, Mr. J. H. Smith, said that the children had a very good time and that the school was very proud to observe the day in such a manner.

The children were also given a special lesson on the meaning of the American flag and the importance of citizenship. They were also given a special treat of ice cream and a picnic in the schoolyard.

Are you interested in getting maximum production from your laying hens? If so, you will want to get the best feed for your hens.

The No. 1 H-2000 National Egg Laying Contest, 1945, yielded an average of 125 eggs per hen, but the H-2000 yield was 135 eggs per hen. Over half of all the important egg laying contest records have been set by H-2000 raised birds, with slightly less than 90% of the contest records. H-2000 raised pullets set the equivalent of 125 2-oz. eggs per hen.

Reliability contest same year.

Seasons lasting 5 or more years, the top 5 were H-2000 raised birds.

1945-46 Contest yields was the highest Egg Laying Contest in history.

H-2000 raised birds exceeded all other birds in the contest in Egg Production by the equivalent 1200 2-oz. eggs per hen.

This difference has been consistent for last 5 years and apparently the reason between H-2000 raised birds is getting greater and greater even though egg production has been rising almost each year among all birds.

When there are birds entered in the contest set on the same feed you are feeding your hens? If so, what are the results? If you are not getting satisfactory egg production, maybe you are not feeding satisfactory feed. Think it over. Our feed stock is complete.

LONELY?
You'll never know...

It's the feeling that gets you down. It's the long days and the longer nights. When you're alone thinking... will you ever get home again? ... who will they write you when... all that ever get over that heart trouble... is your feet get still wanting... will you ever get a job again...

Sometimes when the mail is slow, you get to wondering things. How terrible things that happen to you well, but they, something new...

Like the day the Red Cross first brought you a mail while you were in camp, telling you your folks were getting well.

And the time you Red Cross gifts came in a box, bringing you something and coffee and million-dollar American smiles. And you all started to laugh and talk the way you used to at home.

There was the time you wanted to forget to see Christmas, but the Red Cross got at the club made you remember Red Christmas tree, and you all had presents and sang the old songs, and then in the hot tent at night.

And the time you found like much. The Red Cross does a lot of bigger things... and in collecting blood plasma for the wounded... sending food packages to prisoners of war... clothes for lambed-out kids.

But to you, home seems just a little nearer, because your Red Cross is with you.

Remember: To keep at the side of your fighting men, your Red Cross must have funds. Contributions from you are the only source of income. Millions of our men are still far from home. They need your Red Cross... they must have it.

Keep your **RED CROSS** at his side

The Gold Star 4-H Club girl for 1944 is Dimple Kirk of the Baker 4-H club. This selection was made several weeks ago by the Chairman of the Education committee of the Home Demonstration council and three former 4-H Club girls, and was announced at a meeting of the Baker 4-H club last Wednesday. Dimple is the daughter of Mr. and Mrs. I. C. Kirk, who reside in the Baker community. She was selected Gold Star girl for having the most outstanding work of any 4-H club girl in the county.

According to the Extension Horticulturist no vegetable grows better than the soil in which it is planted. It is better to delay planting until the soil can be prepared properly, than to hurry and plant in poor soil.

The soil should be plowed or spaded at least five or six inches deep; 10 inches would be better and thoroughly pulverized. Deep tillage brings warm air into the soil and raises soil temperature. Seed germinate more readily at a temperature of 70° and if the soil is well prepared and well drained, the seed will get off to a good start. If

**SEVERE WISCONSIN WINTER,
MRS. WHITAKER WRITES**

This has been a severe winter in Wisconsin, writes Mrs. Ruth Whitaker (nee Enoch) in a note recently renewing her subscription to The

Hesperian. "Several mornings it was about 32 degrees below and we had about 36 to 4 inches of snow," she said.

The name Nebraska is of Indian origin and signifies "shallow water."

Following the Civil War, Gen. George B. McClellan operated a copper mine near Pease River in what is now Foard County.

Peaches were first cultivated commercially in Texas in the early '90s.

BERYLE BISHOP'S OPERATION SUCCESSFUL, PARENTS TOLD

Beryl Bishop, pharmacist mate second class, USNR, who was wounded on Guam by a Jap sniper, has had a successful operation and his leg will be perfectly all right, he writes his parents here, Mr. and Mrs. Sam Bishop.

Beryl has been stationed at Bain- bridge, Maryland, since shortly after Christmas, transferred from San Francisco. He is head of an x-ray department of a hospital there where his operation was performed. Beryl was at home for several days in October on leave from the hospital. The sniper's bullet caught him in the leg just above the knee joint.

How Old is Your Car and How Long Will it Last?---Will it Make it?

The average car operating on the streets and highways of America is what we used to call an "old car." Most of them are three to five years old — AND THEY MUST LAST MUCH LONGER YET These "old cars" need more attention, more lubrication, more adjustments and parts replacements than the cars you used to trade in for a new one every year or two.

Take Care of Your Car for Your Own Sake as Well as for Your Country's

Your car cost money. It will cost you money to do without it in case it stops running. It will cause you inconvenience — so it is just good judgment to take care of it. Let us help you.

and your husband's death. He found out and all the companies were empty. He had, I believe, been in by a grenade. That is all the information that is very dark.

Lieutenant Jameson had a commission in the U. S. Army reserve, following his graduation from a U. S. college with the class of 1936. He majored in dairy husbandry and taught several years before he was called to the coast in April of 1942. He had been in mechanical engineering at Greenwood, Hammond, Westfield and Tulsa as a teacher.

In November of 1943 he married a Denver girl, Beverly Ann Ellis, who with a daughter, Sylvia Ann, 4 and a son, James Raymond, 3, survive him. Clothing and a wedding band were forwarded to Mrs. Jameson in December of last year. Other personal effects have not as yet been received.

Lt. Jameson had been in France eight days. He was a member of Company E, 10th Infantry regiment, 82nd Airborne division, who were being transferred before he was killed.

Hubert E. Davis Out for Marshal

Hubert E. Davis has announced his candidacy for the office of city marshal and filed his name with the city clerk as a candidate for the place.

Davis is a resident of Florida for the past several years and engaged in the building trade. Mr. Davis said, if chosen, he would do his best to serve the people as marshal impartially and impartially.

City election day is April 2. (Political advertisement)

Children from California Visiting War Veterans Here

Mr. Edgar Paul Jones, recently returned from the European War theater where he was a member of the 48th Air Corps, has had the pleasure of spending several days here with his children, a son Fred E. J. and a daughter, Glenn, 11, of Stockton, California.

The son and daughter made the trip to the latter part of last week. They will also visit in Canyon with their grandparents, Mr. and Mrs. J. M. Brown, before their return to the west coast after Mr. Jones reports for duty in Florida.

West Virginia and on the beaches of the Chesapeake bay. He had been in the Pacific War theater about one year.

Battle Jay Single-Breasted

Col. McIntosh first reported to break in to the news was a single-breasted battle with a Jay soldier and fell on Guam, where the commander gave him the nickname of "Little McIntosh." He succeeded in slaying and killing an enemy soldier with a shot and saw before the latter could get a bayonetted rifle into action. He was not on a long leave for being killed when he was across the bay in a boat, after the enemy permitted him to keep the ship's launch and acted as a survivor of the event.

His December exploits at Guam afforded proof of courage of another type.

Before he went into the service Col. McIntosh was a salesman with Dr. Kinble in Florida. He has two brothers also in service and both in the Pacific. One is Lt. Jack McIntosh, U. S. Army, and the other Benjamin F. McIntosh, Jr., with the navy.

Early Spanish maps show mouth of Southern Texas, along with Northern Mexico, under the name of New Philippines.

Mrs. Gayle S. Bishop and children, who have been making their home at Mesa, Texas, were here for a short time last week, guests in the home of Mr. and Mrs. Ben Bishop, 11, 12th St. They were enroute to Liberia, Kansas where the lieutenant has been stationed for some months.

Mrs. Jennie Bishop and her grandsons, Jerry, 10, and Donald, 8, left Monday for Lakeland. The boys had been visiting here and at Lakeland for several days while their father and mother Mr. and Mrs. Ed Bishop, were absent from home. Mr. Bishop has been in Mesa since at Rochester, Minnesota for treatment.
