Winds, Memphis Matched for Night Clash

Early as comparative season's can give it, the Floydada winds and the Memphis Cyclones clash here tomorrow at Wester field, will be very matched. When the whistle at 7:30 the two teams will go to field with about equal chances.

Back Once More

That makes Coach think his team will make showing Friday night is to start all of his regular team once more. Eustace center and Berry at right will be back in the line, and Carmack will have another of recovery behind him on his underlining.

Speichs Official

News of Gene Speichs that Pvt. Gene Speich has been liberated from a prison camp has been in the news since Saturday, October 6, to Mrs. Georgia Lotspeich, came from adjutant General F. Witsell in a telegram secretary of War has asked me to you that your son, Pvt. Lotspeich, returned to military control 15 September, 1945, and returned to the United States with in the near future. He is given an opportunity to indicate with you upon arrival at condition fair.

Drill Sunday

Drills Sunday morning at 9 instead of Monday evening the routine of the Floydada department for an indefinite period to Monday evening was with the change to war time. The change-back comes assumption of more nearly normal time.

Government Pleads With Householders for More Used Fats

For home use, due to the soap and flakes shortage in competition with the getting a mighty small of the by-product of the conclusion was reached this Hesperian reporter after the places of business have been receiving fats for government to the federal government.

Oden's Expansion Plan is Announced

Another business firm's expansion program in Floydada, planned for early beginning and completing materials and labor are available that of the Oden Chevrolet company, which will begin work at an early date, possibly the first of next week.

The announcement follows the purchase by Oden, owner of the Chevrolet building at the corner of Main and Mississippi streets occupied by them since before the war. The firm has occupied the building as tenants. It was bought from Roy L. Snodgrass, builder and owner of the structure since 1929. The deal was closed 10 days ago. It covers a space of 75 feet facing on South Main street by 150 feet on East Mississippi. Mr. Oden also has bought the lot across the street south facing on Main and extending 150 feet east on Mississippi from Mrs. S. L. Rushing and heretofore used for several years as a wedding and blacksmith shop by H. I. Assler. Recently damaged by fire the plank building will be razed.

Paint and Body Shop For the present the paint and

Machinery, Motor Firm Is Building

Work is due to be resumed this week-end on the building of the Plains Motor and Equipment company in the 300-block of South Wall street with the arrival of more material this week.

Fire Prevention Pays Big Returns To Community

Floydada enters its fourth year of progressively good fire record as National Fire Prevention week for 1945 is October 7-13, and as the fire record has continued so has the fire insurance premium rates dropped until now the community has the lowest possible rate for it to have with its present key rate.

Jim Simpson Now In Radar at Corpus; W. H. Is in Japan

Jim Simpson has recently been promoted from Seaman first class to Aviation Radar technician third class. He completed his course in Radar training at Del Monte, California, and graduated from the class with the highest honors. He is now stationed at Corpus Christi, Texas, where he is specializing in ground aviation Radar.

Government Pleads With Householders for More Used Fats

reported none at all this week and two reported "not very much." Government continues to bear down on the road of the nation for fats for scores and scores of uses. An advertisement in The Hesperian this week puts the plight of military, hospital and other government institutions up to the householders in strong language urging the doubled ration points as an incentive.

body shop of the agency will be continued in the main building but the plans of Mr. Oden call for a structure on the east end of the Rushing lot which will home the paint and body shop; the west end to be arranged for a used car display lot.

A change that will be made as soon as workmen can get on the job is to discard the present filling station and include the space in the main building to use for display. This will call for complete re-arrangement of the display lobby and parts room. This week-end the first step of re-doing the building will be taken when the mechanical repair shop will be re-painted throughout.

The final plan also calls for the company's Frigidaire agency to be accommodated in the space occupied at present by the Gullion Tire service. Mr. Gullion has in mind to hunt a lower, milder climate for the benefit of his wife's health soon he said recently.

The heavy outlay which Oden Chevrolet company has made and (See Oden Chevrolet, page 4)

Fire Prevention Pays Big Returns To Community

Foundation and ground plumbing were finished two weeks ago ready for the walls to be started. The building will extend the length of 150 feet on Kentucky street and face 50 feet on Wall.

The firm of Plains Motor and Equipment company is composed of Gerald Cardinal, Floyd county reared, who has been long in the machine shop, and during the war was employed with North American Aircraft corporation as a machinist and John Lee Hrabal, Hill county machinist, who also has been with North American during the war at Fort Worth. Resident of Dallas the past 12 years, he and Cardinal became acquainted while workmen at the aircraft plant. When the re-conversion program began to get under way the two began their plans to set up in business here. Their decision to build came after they got on the ground and found no suitable building which they could occupy.

Service Men Due Home This Week

Mr. and Mrs. Duncan Hollums and son, John Randolph, also Mr. and Mrs. Earl Crow are expected this week end from San Diego, to again make their homes in Floydada. Duncan Hollums Tech 3c U. S. N. has just received his discharge after one and a half years overseas in the Pacific Theater of war.

Corders Sell Farm Home at Sand Hill

The J. T. Corders have sold their 160-acre farm home northwest of Sand Hill to Mrs. Nettie E. Gassaway, who with her father, Edward Clevenger and her uncle, Will and Charles Klahr, will occupy the place. The new occupants are already making their domicile on the farm. They come here from Higgins on the north plains.

Quotas Are Set In Co. Victory Bond Campaign

The Victory loan—final and last general drive to be made by the U. S. Treasury department for funds from the general public—will open on October 29, and quotas for the various districts of the county were announced this week by J. M. Willson, general chairman of the U. S. Treasury County Finance committee. At the same time he said that the same committees and personnel used in the Sixth War loan campaign will be used in the forthcoming campaign.

The drive will end on December 8 but sales of E, F and G bonds and tax notes sold up to December 31 will be counted on county quotas, said the chairman.

Sam Miller and C. J. McCollum co-chairmen at Lockney, have been assigned a quota of \$65,000 worth of Victory bonds—net value for Lockney and other communities of the north side of the county. Other quotas assigned are as follows: Floydada district \$7,000; Pleasant Hill district \$3,000; Fairview \$4,500; Starkey \$6,000; Sand Hill \$7,000; Dougherty \$2,500; Baker \$4,000; Allmon \$4,000; Hillcrest \$1,500; Harmony \$4,500; Lakeview \$4,000; Fairmount \$2,500; Center \$4,000; McCoy \$500; Antelope \$2,000; Blanco \$3,000; and Campbell \$4,000.

One-Man Call For September

Selective service called for one man from Floyd county for the September quota, and William Henry Nelson, of Floydada, was forwarded to induction center by the Local board.

Rainfall Nears Four Inches In Ten Days

Legion's Victory Banquet Is Tonight

Legionnaires of McDermott post with their guests, making an assemblage of a hundred or more persons, tonight at their Victory banquet will have as one of their major topics the forthcoming campaign for funds for larger quarters for the post.

W. B. Henry, post commander last week said that Cal Farley prominent in Amarillo and panhandle civic affairs, has promised to visit the local Legion organization tonight for the banquet and will be one of the principal speakers. In addition the guest list will include all of the committee chairmen of this and other communities who have enlisted to help McDermott post interest the general public in the Legion's building program. These committeemen include:

Building Fund Chairman W. G. Collins, chairman, J. C. Wester, treasurer, E. L. Angus, J. M. Willson, F. M. Dougherty and B. K. Barker, of the legion's building committee, who are spear-heading the campaign organization.

R. E. Fry, chairman for the southwest area of Floydada and E. L. Angus for the southeast area; W. R. Dooley, Sand Hill; D. S. Batty Harmon; Herman Millican, Allmon; Rev. Sidney Johnston, McCoy; W. C. Cates, Blanco; W. P. Ferguson, Starkey; W. H. Bunch Lakeview-Pleasant Hill; Hershe Green, Baker; Cecil Baxter, Campbell; Lee Rushing, Fairview; Roe Jones, Center; H. D. Meredith Liberty, J. C. Ginn, Cedar; and Paul Snodgrass, South Plains.

Four members of the general committee have accepted areas for soliciting funds for the building. They are J. C. Wester, who will have the northwest area of Floydada, W. G. Collins, northeast area; E. L. Angus, the southeast area of Floydada, and F. M. Dougherty, Dougherty.

Something for the Boys It will take several thousand dollars—\$16,000 or more—W. G. Collins, general chairman of the committee, said this week, to provide the kind of a home at the Legion post that will be needed by the home-come boys of World War II on whose shoulders the mantle will shortly fall as they succeed their elders in local affairs. The problem and the effort to provide against that day with something the boys will be proud to call theirs will be presented at tonight's meeting.

The meeting, additionally will take on the air of a general victory celebration of the post. Many Legionnaires and their wives will join in the event.

Claud Hammonds Up for Discharge

Mrs. Claud Hammond received a wire from her husband, Staff Sergeant Claud Hammond Friday, that he had landed back in the states. A later wire to Mrs. Hammond said that her husband was being sent to San Antonio for a discharge.

JOHN HARDY OWEN HOME LIBERATED FROM JAP PRISON

Mrs. Sam Thurman has received word from her sister, Mrs. C. H. Owen of Paris, that her son, Pfc. John Hardy Owens has arrived home and is feeling fine.

MARRIAGE RECORD

Licenses to marry was granted Claude Sprayberry and Julia Sprayberry, September 13; H. E. Skidmore and Dorothy McBride, October 9; James C. Tyler and Monte L. Daniel, October 4; and Floyd Keith Cantrell, and Dessie Strader October 4.

Two New Alfalfa Milling Plants In Northwest Floyd to be Built

Last week construction began on two complete alfalfa milling and dehydration plants near Lockney. One is being constructed at Aiken by Jack Taylor and Clyde Applewhite and the other on the Santa Fe right of way between Lockney and Aiken by Barney Wilkes.

Foundations were being run last week and construction will proceed as fast as materials and labor are available. Both plants expect to be ready for the alfalfa season next year, it was said.

Here tonight as a guest of McDermott Post, American Legion, at their Victory banquet, will be dynamic Cal Farley, of Amarillo who will address the hundred persons assembled in the Methodist church dining room.

Calls Meeting for Saturday Coop Hospital

Everyone interested in forming the Floyd County Coop hospital is invited to meet at the District Court room in Floydada Saturday at 2 o'clock, for an open discussion of the plans, John A. Lloyd, chairman of the temporary board of directors said this week.

Disabled Service Men Barnstorming

Vic Filkins, of Pontiac, Michigan an Cal Maslowski, of Belfield, North Dakota, are in Floydada for this week enroute to South Texas where they anticipate engaging in poison dusting with their Piper Cub cruiser.

They are taking the jaunt south by easy stages and are stopped at Floydada Airport on a hop from Amarillo. Filkins is a licensed commercial pilot. Both are World War II veterans, with medical discharges. Filkins had his in the Aleutians where he was a tech sergeant. Maslowski got his with the infantry in Europe.

Donald Cornelius Makes Plans to Attend Tech

Donald Cornelius is back in Floydada again, this time a civilian. Receiving his discharge October 3 from Sioux Falls, South Dakota, AAF, he arrived back home Saturday.

GEORGE SHERILL DISCHARGED BACK ON JOB AGAIN SOON

Mr. and Mrs. George Sherill arrived here Saturday night from San Antonio where Mr. Sherill received his discharge from the navy. He is glad to be a civilian again, he says, after some three and a half years in service.

Irvin Allen Calls Mother from Coast

Lt. Irvin Allen, of the U. S. Army Air corps, is back in the states and due home shortly for a visit with his parents, Mr. and Mrs. Oliver Allen. He called his mother Tuesday from the west coast by telephone to announce his arrival. He had flown back from Tokyo, upon learning belatedly of the critical injury suffered by his wife some seven weeks ago in an automobile wreck. She is now in the Midland Army hospital and will be weeks yet recovering.

Cables sent to Lt. Allen telling of his wife's injuries were not received by him, a letter from his mother giving him the first information that Mrs. Allen had been hurt.

With 1.6 inches of rainfall here Tuesday added to 7.1-inches of an inch last week and 1.3 inches the last three days of September—all falling gently—sunshine Wednesday found Floyd county farm operators all smiles and moisture in their fields way down to the sub-soils. Official figures for the rainfall in the 13 days here was 3.61 inches and the average over the county ran about the same to some what higher.

Some wheat land had been sowed but the major portion of the crop is yet to be put into the ground. Operators who are yet to plant will kill what volunteer grain is still on the ground and the last vestige of weed growth, including winter weeds, that might hinder a crop. This was the general consensus on the streets of Floydada yesterday.

If last week's rain made a perfect fall season the added rainfall may be said to have made it plus-perfect, "just as good as good," said one wheat man.

Feed Still To Be Cut Except for the irrigated crops and the early-planted dry land crops the forage-feed acreage is the major question mark with farmers. Thousands of acres just edging into maturity is standing and it will be several days before binders can get into the fields. Meanwhile the threat of an early killing frost has the growers bothered. Alfalfa growers with late crops ready for harvest also are anxious to get into the fields.

High temperature of the week was 83 degrees Saturday afternoon and the low was Tuesday morning at 41 degrees. Highs have been principally in the low seventies and lows in the low fifties. Overcast skies have prevailed for the most part.

Rainfall here has been about the same as in a region of some 50 counties.

Set Surface Casing Krause Test for Oil

Surface casing for the H. A. Krause oil test four miles east of Petersburg in Northwest Floyd county was set last week by Geo. P. Livermore, inc., at about 500 feet and drilling was proceeding at last report this week received in Floydada.

An effort to pick up sands that are productive on the same trend in Lamb county is being made.

Visiting Rotary Members Present Program Wed.

Yesterday's program at Floydada Rotary club was presented by members of the Lockney club, 10 of whom headed by President J. D. Copeland were visitors for the noon-day luncheon at Fellowship hall. A quiz period and musical numbers were included on the program. Other Lockney Rotarians present were: Charley Smith, F. L. Brown, Jake Griffith, W. H. Counts, C. H. Rhodes, Brad Seale, Bob McDonald, Arthur P. Barker and Jack Brian.

Trial Jury Unable to Agree Friday In Forgery Case

The petit jury in District court here last Friday were unable to agree on a verdict in the case of the State vs. W. C. Plumlee, who was being tried on a charge of forgery based on a grand jury indictment returned in August.

The case was called Thursday morning and given to the jury Friday morning. The body was hopelessly deadlocked, the foreman reported to Judge Chapman who released the 12 men.

Irvin Allen Calls Mother from Coast

Lt. Irvin Allen, of the U. S. Army Air corps, is back in the states and due home shortly for a visit with his parents, Mr. and Mrs. Oliver Allen. He called his mother Tuesday from the west coast by telephone to announce his arrival. He had flown back from Tokyo, upon learning belatedly of the critical injury suffered by his wife some seven weeks ago in an automobile wreck. She is now in the Midland Army hospital and will be weeks yet recovering.

Cables sent to Lt. Allen telling of his wife's injuries were not received by him, a letter from his mother giving him the first information that Mrs. Allen had been hurt.

The Floyd Co. Hesperian As A Farm Woman Thinks

Established 1896 by Claude V. Hall. Entered as second class mail at the postoffice at Floydada, Texas, April 19, 1907, under the act of Congress of March 3, 1879.

HOMER STEEN, Editor
Published by The Hesperian Publishing Co., Inc., Floydada, Texas.
Subscription Prices: In Floyd and adjoining counties—one year, \$1.50; six months, 75c; four months, 50c; in advance.

Outside Floyd and adjoining counties—one year, \$2.00; six months, \$1.00; four months, 70c; in advance.

CLOSE BUT STILL FAR AWAY

The strikes in Texas oil and refinery plants the past few weeks have brought the strike problem a little bit closer to the door of the Floyd county man. And of all things a strike in the oil industry which furnishes transportation energy for this part of the world. A threat of stoppage in the oil business affords quick reminder that gasoline and oil are the blood stream of business here. Stop this flow and business of every kind would have to begin all over again on a new tack.

A strike in a steel mill at Pittsburg, a strike in a garment factory in New York is just another incident you read about to a Floyd county man. The average of him just wonders why "they" can't get together on some kind of a fair arrangement, or why the garment worker just don't get himself another job if the employer won't do the right thing. But the oil industry is another thing. A stoppage there is something to think about. Just really why are they striking, he wonders. Isn't the oil field worker the best paid man in the country? And if there is something wrong why can't they get together and go ahead and do business?

Perhaps the people of the southwest are due to get some lessons in labor. They may be due to have to learn the set-up and the workings of some of the laws of their country that they knew about only in a sketchy way.

PLENTY OF POST TOASTIES?

Do you have plenty of "post toasties" in sight for the cattle and horses this cold winter and spring? Are you about ready to start the binder cutting your forage feed and have you got a place picked out that will be convenient so you can toss plenty over the fence without getting your hands frost bitten or developing chilblains on your heels? Have you got plenty of good wheat pasture in sight for the time you can see the ground and some cake and/or meal ready for when you can't?

It is a safe bet in this man's country to be ready for what may happen in the winter months. For instance, have you got the cut off on your water system and the drain for your windmill pipe fixed so you can set them to keep from freezing and bursting? We are confident you do have. For all the observing amongst us have noted the ample warnings given by Mother Nature.

DEMAND FOR MONEY

While people are thinking of the demand for the many things which have been done without for the past few years in the home, in business houses, one big demand that may not have been foreseen is for money. Money has been so plentiful and goods have been so scarce that we are in the habit of thinking in terms of all the money in the world and nothing to spend it for. After the first postwar spree is over, however, this is going to change, we opine. For the very basis for procedure in every case of expansion for releasing the immense backlog of orders for civilian goods, will involve cash money.

Just signing up the order and telling the boys to hop to it fast will not be all. While many individuals and many business firms have saved up a considerable bit of money and put it in a reserve fund even these will finally have it all

(By Nellie Witt Spikes)

Every passing cloud has a drizzle if not a pour-down for us. Wilds has had a hard time to milk and tend to the chickens and hogs. Of course the hogs in the pasture have a feeder and the rain has supplied plenty of water but the old white sow with her brood of nine spotted, belted and almost white pigs has to have attention. The pigs are beginning to take in the place and like spilled kerosene oil they can go anywhere. We got help and part of the bundled case is in the shock but the other lies wet and the field too muddy for anyone to get in.

We have felt so cut off from the world and are thankful for the radio and that Mr. Powell plowed along muddy roads, which were as slick as soft soap to bring our mail. Mr. Spikes shuffles on crutches into the kitchen for his meals which takes quite a bit of walking off my sore feet. Margaret Nell always comes before him calling out with delight, "Papa-daddy is a comin'."

I have crocheted two rugs and the colors are warm and gay. They are for Margaret Nell and Joe Ellis to put by their beds in the cold of winter and they will be soft and warm to little feet.

This Sunday afternoon a misty rain is falling, a fire feels good. The turkeys squabble on the front porch and it does not do a bit of good to make them leave, right back they come. They are getting large and look like the ones the pilgrim fathers have slung over their shoulders in the pictures in history books.

The high wind a while back almost killed the dahlias but some are coming out and are beautiful! These cool rainy days. The pokeberries are such a lovely purplish-red and the red berries of the asparagus look like Christmas in their wavy plumes of green. Princesses have hung their gold bead necklaces on the pyracantha bushes. Beauty of the autumn on the Plains is not surpassed in trays of heaped sparkling jewels in a jewelry store silver and gold, rubies and diamonds and emeralds. Only here and there we catch a gleam of gold a sparkle of silver, the red of rubies and the green of diamonds.

It is in the heavens above the prairie lands that you find the colors that nature puts in the leaves of the trees and the rolling hills at this time of year. Redder than the red leaves of the forest, the color flames in the west of a declining day. She heaps more gold there than the trees that turn golden as if by the hand of a Midas. Here in the skies you find the blues of the lakes among the hills, the white in the clouds that lay cold and gleaming on the high mountain top. Nothing obscures an inch of the sky from your pleasure when the clouds are away. Like a giant blue bowl it is turned over your heads and painted each day with new pictures of fascinating colors.

But all the gold and the silver spent, and there are untold thousands who will need and ask for loans. And while the government may and probably will, participate in many loans for many purposes business firms, ordinary citizens soldiers, myriads of demands—replacements, repair, renovation, new construction, new business ventures—will call for money and money ready money.

And in a year or so you are most likely to note the complete about face as regards money. Everybody will have spent theirs and will be out looking for money to spend in a tremendously expanding whirl of business. Isn't that about right?

and jewels of the sky were lost for a while last week when our friend and your friends, Mrs. Wheeler Ford of Rails left us for her heavenly home. But when we see the sparkle of the stars we shall think how steadfast and bright her life was. The gold poured out across the sky will recall her gay bright smile she had for everyone. The glowing jewels of a sunset will make us think of kind words and sweet songs she sang. She has grown into the lives of those who knew her and we are enriched. We shall know heaven is a dearer place for her going there.

Wish I had room for the views of Angelo Patri as expressed in the Red Book magazine. I shall quote in part:

"Everything we enjoy in this life from personal liberty to the view from our windows, is a loan which we shall be called upon to return with complete accounting and with what measure of appreciation we can make."

"Down through the ages men have persisted in trying to piece out their short-comings, strengthen their courage, increase their powers by gathering, hoarding and exploiting possessions. Individuals and nations alike have striven to own as much of the earth and its peoples as they could contrive to dominate, and always with the same result—failure. For the earth is the Lord's and the fullness thereof."

"He loans it to us for our sustenance, our delight, our growth, and when the span of our years is complete, recalls it, and the place that once knew us knows us no more. If we have done well, repaying the loan of life in terms of loving service, sharing, helping, working it do our bit of the labor that is the price of men's growth on earth, our work lives after us. If we gathered and hoarded and exploited our opportunities in selfishness, we are erased in the sweeping gesture of death, we and all our works."

"The earth is a lovely place, endowed with everything we need for healthful growth, useful work, pleasant companionship, real enjoyment. Tremendous abundance, every good thing is spread before us, but no man may take more than he needs for as long as he needs it."

"There is enough wheat to feed the people of the world; rubber and sugar and beef, gold and silver and precious minerals for all the world to use. The reaches of the sky are infinite. The oceans are wide and deep, and they hold food enough for the multitudes of the nations, majesty and beauty enough to lift the souls of men in adoration of the creator. Life is a personal loan."

"We told the President that members of our armed forces, particularly those abroad, were impatient with delays in the discharge program—that the War department was losing prestige among the servicemen. We urged a speedier discharge program."

"In the course of our conversation I brought up the question of our six million bales of surplus cotton and asked the President to place the government behind a program for the earliest possible disposition of this cotton. He said that he was greatly interested and was already giving the matter consideration. The friendly nations of the world need our cotton. Moreover it will be up to defeated Germany and Japan to produce their food and provide their clothing."

"In Berlin recently I was told by the military staff that Germany was being permitted to resume certain non-war industries, and that the revival of the Germany rayon and synthetic fiber industry was being considered. I insisted that America ought to see to it that the cotton textile industry is favored affording a sales opportunity now

and later for American cotton. I think our government has a good opportunity to work out a program for the profitable disposal of cotton surpluses. Members of Congress from cotton producing areas have been requested to join in this effort, and the Departments of State and Agriculture have been requested to give immediate consideration to the question."

A large part of the surplus cotton is West Texas cotton, and we have much to gain if the program succeeds. Industrial policies are crystallizing all over the world, and America must try to prevent the world from slamming the door on American cotton."

President Truman shattered tradition last week by coming to the Supreme Court for the swearing in of Senator Harold Burton of Ohio as Justice of the Supreme Court. Since 1941, I have occasionally worked with Senator Burton in conferences between the House and Senate Appropriations Committees. He is democratic, modest and friendly, and no one doubts but that he will do his honest best to make good on the Court. He and chief Justice Harlan Stone are the two Republicans on the nine-member Court. Justice Stone was appointed originally by President Coolidge in 1925 and made Chief Justice by President Roosevelt in 1941, succeeding Chief Justice Hughes.

Interviews Half Minute

Harry Chatham "This may be a hard winter. It is sure to come a big snow sometime from November to February."

ARTHUR WOMACK, JR., HOME

Arthur V. Womack, Jr., Mo. M. M. 2c is spending a 30 day leave with his parents, Mr. and Mrs. A. V. Womack, of the Sand Hill community. He enlisted in the navy in January, 1943, and has seen some 13 months of service in the south and southwest Pacific and in Western Carolinas aboard the USS Y. M. S. He will report to Dallas for further assignment October 19.

ON TERMINAL LEAVE

Lieutenant James L. Colville with Mrs. Colville arrived in Floydada on Tuesday of last week, after a short visit in Amarillo at the home of Lt. Colville's uncle, W. R. Colville. Lieutenant Colville has recently returned from two years service overseas with the combat engineers on the Lido road. He was hospitalized for a short time at San Antonio. He is now on terminal leave awaiting his discharge papers to be mailed to him on the 6th of December. Mrs. Colville is the daughter of Mr. and Mrs. George M. Pinkner of Floydada.

Sidelights From Washington

By George Mahon

Last week I joined with five other members of the Military Appropriations committee in calling at the White House to discuss a number of matters with President Truman. The President was in good spirits and was looking well.

Most of our discussion had to do with Army expenditures, the retention of bases in the Pacific, disposal of surplus Army property abroad, and the atomic bomb.

We pointed out that we had handed the appropriations of funds for, and maintained the secrecy of the atomic bomb project, and we recommended against the release of the atomic bomb secrets.

We told the President that members of our armed forces, particularly those abroad, were impatient with delays in the discharge program—that the War department was losing prestige among the servicemen. We urged a speedier discharge program.

In the course of our conversation I brought up the question of our six million bales of surplus cotton and asked the President to place the government behind a program for the earliest possible disposition of this cotton. He said that he was greatly interested and was already giving the matter consideration. The friendly nations of the world need our cotton. Moreover it will be up to defeated Germany and Japan to produce their food and provide their clothing."

"In Berlin recently I was told by the military staff that Germany was being permitted to resume certain non-war industries, and that the revival of the Germany rayon and synthetic fiber industry was being considered. I insisted that America ought to see to it that the cotton textile industry is favored affording a sales opportunity now

and later for American cotton. I think our government has a good opportunity to work out a program for the profitable disposal of cotton surpluses. Members of Congress from cotton producing areas have been requested to join in this effort, and the Departments of State and Agriculture have been requested to give immediate consideration to the question."

A large part of the surplus cotton is West Texas cotton, and we have much to gain if the program succeeds. Industrial policies are crystallizing all over the world, and America must try to prevent the world from slamming the door on American cotton."

President Truman shattered tradition last week by coming to the Supreme Court for the swearing in of Senator Harold Burton of Ohio as Justice of the Supreme Court. Since 1941, I have occasionally worked with Senator Burton in conferences between the House and Senate Appropriations Committees. He is democratic, modest and friendly, and no one doubts but that he will do his honest best to make good on the Court. He and chief Justice Harlan Stone are the two Republicans on the nine-member Court. Justice Stone was appointed originally by President Coolidge in 1925 and made Chief Justice by President Roosevelt in 1941, succeeding Chief Justice Hughes.

ARTHUR WOMACK, JR., HOME

Arthur V. Womack, Jr., Mo. M. M. 2c is spending a 30 day leave with his parents, Mr. and Mrs. A. V. Womack, of the Sand Hill community. He enlisted in the navy in January, 1943, and has seen some 13 months of service in the south and southwest Pacific and in Western Carolinas aboard the USS Y. M. S. He will report to Dallas for further assignment October 19.

ON TERMINAL LEAVE

Lieutenant James L. Colville with Mrs. Colville arrived in Floydada on Tuesday of last week, after a short visit in Amarillo at the home of Lt. Colville's uncle, W. R. Colville. Lieutenant Colville has recently returned from two years service overseas with the combat engineers on the Lido road. He was hospitalized for a short time at San Antonio. He is now on terminal leave awaiting his discharge papers to be mailed to him on the 6th of December. Mrs. Colville is the daughter of Mr. and Mrs. George M. Pinkner of Floydada.

Sidelights From Washington

By George Mahon

Last week I joined with five other members of the Military Appropriations committee in calling at the White House to discuss a number of matters with President Truman. The President was in good spirits and was looking well.

Most of our discussion had to do with Army expenditures, the retention of bases in the Pacific, disposal of surplus Army property abroad, and the atomic bomb.

We pointed out that we had handed the appropriations of funds for, and maintained the secrecy of the atomic bomb project, and we recommended against the release of the atomic bomb secrets.

We told the President that members of our armed forces, particularly those abroad, were impatient with delays in the discharge program—that the War department was losing prestige among the servicemen. We urged a speedier discharge program.

In the course of our conversation I brought up the question of our six million bales of surplus cotton and asked the President to place the government behind a program for the earliest possible disposition of this cotton. He said that he was greatly interested and was already giving the matter consideration. The friendly nations of the world need our cotton. Moreover it will be up to defeated Germany and Japan to produce their food and provide their clothing."

"In Berlin recently I was told by the military staff that Germany was being permitted to resume certain non-war industries, and that the revival of the Germany rayon and synthetic fiber industry was being considered. I insisted that America ought to see to it that the cotton textile industry is favored affording a sales opportunity now

and later for American cotton. I think our government has a good opportunity to work out a program for the profitable disposal of cotton surpluses. Members of Congress from cotton producing areas have been requested to join in this effort, and the Departments of State and Agriculture have been requested to give immediate consideration to the question."

Scouts Play, Parade Oct. 19 at Lockney

Funds for their club room and for a nursing room at the school, the Girl Scouts will present a musical on the nights of October 18 and 19 at the grade school there, it was announced.

All-home talent entertainers will have a chorus of 30 persons and there are 10 characters in the play. Mrs. C. J. McCollum, president of the Girl Scouts, said, and anticipates that it is going to be a highly interesting

"Pep Parade," the musical is called. Besides the love story, it has a domineering wife and a peevish husband, a lot of other angles that make it an interesting play. The copyrighted story of the Em-Producing company and is written by Miss Short.

They are expecting ticket sales to be very good and the Girl Scouts to have funds to carry out plans in a big way," said Mrs. McCollum.

Mrs. Cecil Sluder of Brownsville, Va., were guests of Mrs. L. H. Newell of Lockney. Mr. Sluder is a veteran of the Pacific and recently received his discharge at Quantico. Mrs. Sluder will be reunited with the former Lena Scott.

Get Off Ugly Fat With This Home Recipe

Use an inexpensive home recipe for getting off ugly fat and help bring your curves and graceful slender. Just get from any druggist, four ounces of liquid Eucel Concentrate. Add grapefruit juice to make a pint. Just take two tablespoonsful twice a day. Wonderful results may be obtained. Now you may slim down your figure and lose pounds of ugly fat without breaking exercise or starvation diet. It is easy to take. Contains no harmful. If the very first bottle shows you the simple, easy way to get off ugly fat and help regain slender, graceful curves, return the empty bottle and get your money back.

Bishop's Pharmacy

Now... TELEPHONE EQUIPMENT for Peace!

Telephone factories are getting into the swing of peacetime production.

Thousands of men and women in these factories have turned from making radar and gun directors to the complex job of making telephone equipment once again.

It's a change that pleases everyone. As more and more telephone equipment comes from the factories, it means that telephone people here can make faster and faster progress in caring for the 246,000 waiting for telephone service.

Such a big job takes time. Equipment is complicated. Making switchboards and dial equipment requires thousands of precision parts, thousands of intricate connections. And thousands more are needed to connect them as working parts of the telephone system.

But the good news is that we're on our way. We are working as hard as we can toward the day when anyone who wants a telephone can get it when he wants it.

SOUTHWESTERN BELL TELEPHONE CO.

"Come On In! The Water's Fine!"

Official Coast Guard photo. No matter where the fortune of war may take the American fighting man, he finds a way to enjoy the sports he loved back home. This could well be the "old swimming hole" almost anywhere in the States. Instead, it's a recreation center at a South Pacific base, where Coast Guardsmen from an LST enjoy the thrills afforded by an improvised diving float.

Long War Service For Drew Cumbie Finally at End

Cpl. Clayton Drew Cumbie, son of Mrs. C. A. Cumbie, and brother of Mrs. Roy Curry, arrived in Floydada last Thursday night after having received his discharge on October 2 at Tyler, Texas.

Enroute here he visited relatives and friends at Brownsville and Athens also at Fort Worth he visited Mrs. Charlie Wells, a sister of his mother.

Cpl. Cumbie was a member of the 27th Fighter group, and was with them on their escort flight for President Truman on his trip to Berlin. Twenty-four Thunderbolts escorted the big four-motored Sky-master that bore the president. The 27th Fighter group has received the Presidential citation five times, and flew 3,469 missions and 28,878 sorties over the Axis-held territory.

Cpl. Cumbie spent 32 months or more overseas having seen action or at least having been stationed at the following places: Tunis, Sicily, Corsica, Italy, Southern France and Germany. He went from Germany to England and came back to American soil on the "Europa". He landed at New York on September 24. He was sent from there to San Antonio, and thence to Tyler to receive his discharge.

He has no immediate plans for the future he said, except to visit.

Mr. and Mrs. W. R. Colville and son Gene of Amarillo recently spent some time in Floydada visiting relatives.

Methodist Church At Lockney Plans New Parsonage

The Lockney Methodist church voted Wednesday night of last week to build a new parsonage at a meeting of the church members. The new pastor's home will be constructed on the lots just west of the church building. It is reported by the Lockney Beacon.

The date was not set for the construction to begin.

RETURNS TO CIVILIAN LIFE

Cpl. Jack W. Hastings has returned to his home in the Aiken community after receiving his discharge from the Army Air corps.

He is making his home with his parents, Mr. and Mrs. C. H. Hastings.

TRACE "TAGGED" ATOMS

"Tagging" atoms by using the cyclotron machine to make the atoms radioactive is one of the newer tools of plant research. By tracing an irradiated or "tagged" chemical as it moves within the plant, scientists of the U. S. Department of Agriculture and the Ohio Agricultural Experiment Station think they will be able to explain some fundamental questions not answered yet. They hope for explanation of such puzzles as the formation and action of chlorophyll—the green coloring matter of plants—and how starch is formed from the carbon dioxide the plant draws from the air and water from the soil, and how and where starch changes to sugar.

With the cyclotron machine, Dr. J. D. Sayer of the Agricultural Research Administration explains, it is possible to make many chemicals temporarily radioactive in much the same way that radium is radioactive. A delicate laboratory tool, the Geiger Counter, is so sensitive to radiations that it registers the presence of a single charged atom. This combination permits the tracing of tagged atoms as they move within a plant. Fortunately, even after irradiation, atoms still combine chemically in the same way that normal atoms do.

Thus, if a scientist uses an irradiated chemical — phosphorus, for example—in a solution around the roots of a plant, he can use the "counter" to measure the number of irradiated phosphorus atoms passing up the stem of the plant. By extending such studies of tagged atoms it should be possible to find out where in the stem—or leaves or fruit—of a plant the phosphorus cases to move. This would point out an area worth study to discover whether the phosphorus had entered into a chemical combination—and the nature of the new combination. A man wise in plant chemistry might then be able to answer some baffling questions.

Research of this type calls for almost unlimited skill, precision and patience—often for teaming of several specialists; for knowledge and imagination in interpreting results. Full answers to the big question may lie far in the future. Meantime experience with other basic research shows that partial answers may solve practical problems and make such work highly profitable. The Research Administration points out that scientists know they are still only on the threshold of studies of growth regulating substances or hormones, but the practical gains from hormone sprays (used to prevent the drop of apples before they are ripe) far exceed the cost of all the hormone research; and already there are several other byproducts in the rooting of nursery cuttings in weed eradication, in production of unfertilized and seedless fruit and in other fields of plant development.

POISONLESS SNAKE

At least one of the copperheads used by Virginia's "Holiness Path Healers" sect in demonstrations was thoroughly de-poisoned and probably drugless before ceremonies began, examination by state snake expert, Dr. Talbot Clarke revealed.

Sect leaders offered to pray for state troopers who seized the snake during a service at St. Charles, vowed to continue meetings even in jail and without snakes. — Pathfinder.

Many Hard of Hearing Can Hear Tomorrow

Tuberculosis Can Be Stamped Out Says Doctor Cox

AUSTIN, Texas—"Carelessness and ignorance represent two of the most powerful factors in spreading communicable diseases from man to man. No more emphatic example of this fact exists than the continued ravages of tuberculosis. In spite of the knowledge of its cause and spread, and of curative methods tuberculosis is still a very serious problem not only in Texas, but throughout the United States," states Dr. Geo. W. Cox, State Health Officer.

"It is true that tuberculosis no longer is first on the list of killing diseases, as it was formerly," Dr. Cox said, "but despite having been reduced to fifth place in Texas, it still is responsible for more deaths between the ages of fifteen and forty-five than any other disease. And this fact exists even though the majority of tuberculosis patients could have their condition arrested if it were recognized early and proper treatment applied.

"Treatment of the early recognized case is essential. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be prevented. A more intelligent appreciation of this fact would result in the saving of thousands of lives.

"When a diagnosis of active tuberculosis runs in families, not because of any special susceptibility to the disease, but because it is communicable, being usually transmitted through close and prolonged contact with the active case."

To reduce the number of deaths caused by tuberculosis, Dr. Cox suggests periodic examination of all adults, a check-up by physicians of the known active cases and contacts, regular examinations of high school children, isolation or hospitalization of the active tuberculosis case and a more intelligent application of hygienic living principles.

Mr. and Mrs. W. B. Lincoln who have been here the past two weeks, visiting his mother, Mrs. C. F. Lincoln, left Monday for their home at Temple City, California.

Mrs. Gene Smith and daughter Fleeta, went to Lubbock Tuesday of last week, and returned on Friday. While there they were guests of her mother-in-law, Mrs. M. C. Mudrock.

John McKinney arrived in Floydada Wednesday of last week from San Antonio where he has been employed.

Typewriter Ribbons, Hesperian.

LIFE'S Little TROUBLES

-CAN'T SLEEP-

No need to lie in bed—toss and worry and fret because CONSTIPATION or GAS PRES-SURE won't let you sleep. Be sensible—get up—take a dash of ADLER-I-KA

to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adlerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Caution, use only as directed. Get Adlerika from your druggist today.

CANNERY OPEN THREE DAYS PER WEEK FOR THE PRESENT

The Floyd County cannery under the management of Mrs. W. C. Sims supervisor will from now on only be open three days a week.

Tuesday, Wednesday, and Thursday are the days, Mrs. Sims said.

Mrs. Clay Johnson of Graham who has been visiting her mother Mrs. P. M. Felton, also her sisters Mrs. T. P. Collins, Mrs. T. W. Shaw and Mrs. Arthur Stewart, left last Sunday for her home at Graham.

Mrs. J. D. Colville left on Monday afternoon for Clarendon for an indefinite stay at the home of an aunt who is ill. Her aunt is Mrs. J. E. Mongole, a sister to the mother of Mrs. Colville, Mrs. A. A. Beedy.

Mrs. Kenneth Fagan is home from Denver where she visited her husband who is in service. Her small son remained here with his grandmother Mrs. Pearl Fagan.

C. L. Anderson of Lockney entered the Floydada hospital last Wednesday for treatment. He is the father of Mrs. S. E. Duncan, Jr., of this city.

CLEAN AS A HOUND'S TOOTH!

That's Phillips 66

THE HONEST OIL—FROM DEEP IN THE HEART OF OKLAHOMA!

Brother, if you want a clean, sweet, protective oil for your car—lay your dough down for Phillips!

It's clean because it starts clean, and we refine it cleaner. Yessir, we've got a grudge against sludge—and the greatest cause of engine gunk and muck is an oil that isn't as clean as it ought to be.

And the greatest thing about Phillips 66 is—all its God-given lubricating qualities are unimpaired.

We don't claim the credit for this wonderful oil. We just had enough sense to recognize a great job by Mother Nature—to take it out of the ground—and not to fool with it too much!

So when you change your oil every two months (as you should if you want to keep a car under you) just tell that man—"Fill 'er full o' Phillips!"

You won't find a more honest, natural lubricating oil in America!

"Fill 'er Full o' Phillips!"

DEAD CALM IN A HURRICANE ? YES NO

In the very midst of a hurricane you'd be safe! Its center is sort of "hollow" . . . calm. All weather packs surprises, you bet—especially Winter weather. Yet you can bet on having your aging car face it safely, with the engine's insides under guard of OIL-PLATING!

Changing to Conoco Nth motor oil is all it takes for an OIL-PLATED engine—fortified throughout with lubricant bonded to metal direct, by the magnet-like action of Conoco Nth oil's added ingredient! OIL-PLATED metal defies corrosion and other wear. Surfaces kept OIL-PLATED during long cold waits have protective lubricant ready in advance to minimize starting wear. And always—the less wear, the less reason for carbon, sludge, and breakdown. You bet you want Conoco Nth oil for Winter. Change today.

CONOCO Nth

For Station Identification!
 The big red Conoco triangle identifies Your Mileage Merchant's Conoco station. There's where to get good gasoline today. But look for new hushed power—new high-octane—in his NEW-DAY GASOLINE! It's coming quick!—WHERE YOU SEE THAT RED CONOCO TRIANGLE! Continental Oil Company

Oden Chevrolet
 (Continued from first page)
 has in mind in the expansion program of the next several months is fully justified by the importance of Floydada as a distributing point, in the opinion of Mr. Oden. Returning servicemen of his organization who are scheduled to have important assignments in sales and service include Claud Hammond, Clinton Pyffe and D. Noyes, after they get back into the routine of civil life. While Pyffe may be several months getting back home and into the business game again Hammond and Noyes are expected sooner. Mr. Oden said.

Monita Lucille Daniel and James C. Tyler marry Here October 4

Monita Lucille Daniel, daughter of Mrs. L. M. Daniel of Floydada, became the bride of Cpl. James C. Tyler of North Carolina, stationed at Hondo Texas Air field, on October 4 at the Methodist parsonage with Rev. Phil officiating.

The couple was attended by the bride's sister Mrs. M. O. Woody who lives in Floydada. The bride has been working at Amarillo as a clerk in a drug store. She is a graduate of Canyon City, Colorado high school and attended college for a year at Winfield, Kansas. Later she was employed in Aircraft work Wichita, Kansas.

Cpl. Tyler expects a discharge the first of November, after which the couple plan to make their home in North Carolina, where he has a farm.

S. S. Class Names Officers for Year

Mrs. A. P. McKinnon was hostess to the Pastor's Helpers class October 10 in an all day meeting, with Mrs. O. B. Olson leading the devotional by reading the 40th Psalm.

A covered dish luncheon was served at the noon hour, a business meeting was held in the afternoon with the election of officers:

Mrs. Will Snell, teacher; Mrs. D. D. Shipley, assistant teacher; Mrs. O. B. Olson, president; Mrs. Addie Thagard, vice-president; Mrs. R. M. McCaulley, recording secretary; Mrs. Will Walker, class secretary; Mrs. Lulu Slaughter, treasurer.

Members and officers present were Mmes W. H. Alexander, O. B. Olson, E. C. Henry, E. B. Mayhew, J. M. Wright, J. J. McKinney, Will Snell, R. M. McCaulley, P. M. Felton, J. E. Laughlin, D. D. Shipley, Lulu Slaughter, Addie Thagard and A. P. McKinnon.

BEN EUDY HOME AGAIN

Pfc. Ben P. Eudy arrived in Floydada Tuesday for an extended furlough with his parents Mr. and Mrs. George Eudy. He is soon expecting a discharge.

Pfc. Eudy has seen service in the Mountain division of the Infantry and was in Yugoslavia and Italy for 18 months. He was home a month ago, but had to report back to the Ft. Worth Army Air field.

Center News

CENTER, October 8—Donald C. Green was home for the week-end from Wayland college. Rev. and Mrs. Clay Muncey were also dinner guests in the J. E. Green home.

Mr. and Mrs. T. V. McClure and family and Mr. and Mrs. Frank McClure and children visited Sunday with Mr. and Mrs. C. J. McClure. Weaver McClure is also at home since being discharged from the army.

Nita Jo and Kenneth Lightfoot had their tonsils removed at the Pitts hospital last Friday.

Mr. and Mrs. Melvin Ross spent Sunday with his parents, Mr. and Mrs. R. C. Ross.

Mr. and Mrs. Emmet Willis, Mr. and Mrs. Edgar Willis and son, and Mrs. B. C. Willis of Lakeview visited Sunday with Mr. and Mrs. Floyd Willis.

Mrs. O. C. Vinson and Jerrell visited Mrs. John Lloyd of Floydada Sunday.

Visitors in the Travis Lightfoot home Sunday were Mr. and Mrs. Lindsey Graham, Rev. and Mrs. Clay Muncey, Mr. and Mrs. J. B. Jordan and Kathie Ruth, Mr. and Mrs. H. B. Mankins, and Mr. and Mrs. C. M. Meredith and children.

Peggy Trice of Floydada spent the week-end with Mrs. Charles Horton. Grandma Anderson of Floydada is visiting her son, A. W. Anderson and family.

Wilson and the hostess, Mrs. W. P. Sims.

The club will meet with Mrs. J. L. Montgomery October 22.

HERE FROM OZONA

Mr. and Mrs. J. M. Baggett, of Ozona, have been here for several days guests in the homes of Mr. and Mrs. S. W. Ross and Mr. and Mrs. E. P. Nelson.

Tuesday the Nelsons and Ross' with their guests, were in Amarillo where they visited Mrs. David Flowers and son.

Mrs. Baggett, Mrs. Nelson and Mrs. Ross are sisters, daughters of a pioneer Floyd county couple, the late Mr. and Mrs. W. L. Boerner.

HOSPITAL NOTES

Mrs. Q. Carter underwent an appendectomy Monday night.

Mr. and Mrs. Travis Burgett are parents of a son born Tuesday afternoon weighing 11 pounds and one ounce.

Joe Thurston underwent an appendectomy Monday.

Mr. and Mrs. Floyd Montgomery of Lubbock, spent the week-end with his mother, Mrs. J. L. Montgomery of Center.

Mrs. E. G. Maerka of Morton Texas, is in Floydada now improving her home, preparing to move here again the first of the year.

Starkey lunch room opened on Monday of last week. A lady who lives at Cone is in charge and is serving lunch to 25 or more pupils.

Mr. and Mrs. Fred Nabors and children of Tucuman, New Mexico, were week-end guests of Mr. and Mrs. P. Q. Haney, Mr. Nabors' mother, Mrs. N. Nabors, also Mrs. Nabors' parents, Mr. and Mrs. Homer Steen.

Mrs. J. M. Dowdell of Plainview and son Samuel Dowdell Y 3c who has just returned from submarine duty on leave visited briefly in Floydada on Monday, with Miss Jewell H. Smith niece and cousin of the pair.

Cotton Is Rotting In Boll Down-State

J. E. Swinson of Floydada recently received a letter from relatives in Hunt county, his old home, stating they were having so much rain there as to cause the cotton to rot in the bolls before it could be gathered.

Mr. Swinson said Bob Roason said to him, "That is a fact, for I just came from there Monday."

MODERN MOVING DAY

Four families broke up housekeeping in New York one day, set up housekeeping in California the next.

It was the new "flying boxcar" that made the move, lifted six tons of pianos, chairs over the country's mountain tops. Charges were \$20 for 100 lbs., about 5% more than rail costs but 30 times as fast.

WHAT'LL YOU HAVE?

A postwar dream model soft-drink vending machine—which, for a nickel in the slot, will mix your choice of six drinks and serve it in a paper cup—is ready for production.—Pathfinder.

Let Us Sit Down and Talk It Over

According to statistics, one person out of every ten will have to go to the hospital this year. Suppose you or I or one of our children should have to go to the hospital? What would we do? How could we pay all those bills?

I have been thinking over this question for the past few days and I have made up my mind to make application for this "Blue Cross" hospital service. I understand that there are more than nineteen million American people who are protected by this plan. I am also informed that more than 3,500 American Hospitals, including our own two local Hospitals, down-right guarantee the benefits of this plan of hospital service.

Due to the fact that Saturday, October 27th, is the last day I have in which to enroll in the Floyd County group, I am going right down and make our application for this protection.

Those wishing to make application or desiring further information in regard to this "Blue Cross" nonprofit hospital service may apply at the office of—

A loss by fire can never be reckoned

For your own sake, for the sake of your family and your country, get rid of fire hazards now! Don't endanger your home with unsafe electrical appliances . . . have them repaired. Clean up any rubbish that might be a source of fire. See that your basement, closets and attic are clean. Check fuse plugs, make sure they are the right size. A penny behind your fuse plug is an invitation to fire to destroy your home. It's the job of every American to prevent costly fires!

Prevent Fire Hazards In National Drive

Power and Light Division
City of Floydada

October 7-13 has been declared National Fire Prevention Week. During this time, the attention of all Americans is being focused on the need for better fire protection through precaution. Join in the fight TODAY!

Blue Cross' Plan Has Phenomenal Growth in Nation

Records continue to be broken in the number of Americans joining voluntary nonprofit plans for pre-paying hospital bills. A total of 2,282,482 new members joined during the first six months of period of 1945 and thus exceeded by more than 500,000 the previous record membership growth established during the corresponding period of 1944.

The total Blue Cross membership in 43 states, the District of Columbia, 7 Canadian provinces, and Puerto Rico now numbers 18,800,000 Americans.

Whereas, a year ago, new members were enrolling nationally at the rate of approximately 12,000 per working day, the rate has now increased to almost 17,000 persons daily. More workers and family dependents joined Blue Cross during the first six months of 1945 than joined during the entire year of 1942.

Six Pass Million Mark
Nationally, six states have passed the million mark. New York State leads with over 3,000,000 Blue Cross members; Ohio, 2,160,000; Pennsylvania, 1,933,000; Michigan, 1,303,000; Illinois, 1,222,000; and Massachusetts, 1,202,000.

A state-wide Blue Cross Plan has just been approved for New Mexico which leaves only Arkansas, Mississippi, South Carolina, Idaho and Wyoming without a community and hospital-sponsored plan for removing the financial worry of hospitalized illness or injury.

Doctor bill payment plans sponsored by state and county medical societies or the hospitals, and made available to the public through coordination with Blue Cross hospital service plans, increased in number from 19 to 34 during the first six months of 1945. Membership in these medical plans now totals 1,800,000 Americans.

County-Wide Enrollment
At present there is a county-wide enrollment campaign for "Blue Cross" membership in Floyd county. The campaign is sponsored by the two local hospitals. A representative of the "Blue Cross" plan is spending some two weeks in Floydada in the interest of the program. The closing date on which applications will be received is Saturday, October 27, it has been announced.

SPIKES SKUNK SHOOTING INCIDENT GETS LAUGH IN FAR-AWAY IE SHIMA

Staff Sergeant Noel Lee Head, on Ie Shima, in a recent note says some of the boys in his outfit read a recent report by Mrs. Spikes of shooting up a cat under the barn thinking it was a skunk and got a laugh out of it.

BILL MCQUILLAN, LOCKNEY, DISCHARGED FROM NAVY

Bill McQuillan arrived in Floyd county Wednesday of last week to visit his wife the former Dorothy Rogers, daughter of Mr. and Mrs. E. J. Rogers in Lockney. He had received an honorable discharge from the navy.

Mr. and Mrs. Rogers who operate the City cafe in Lockney are expecting a son, Finis A. Rogers, home this week with a discharge from the army after 29 months of service. Mr. and Mrs. Rogers have two other sons in the service.

Iron Lung Bought In Motley County

J. R. Emmons of Malador announced last week the purchase of an iron lung for Motley county to be paid for by public subscriptions. The purchase of the lung and equipment is being sponsored by the Lions club and a drive for funds to pay for it will be started in the near future, it was announced.

The iron lung is being shipped from North Carolina.

MEETING TUESDAY NIGHT CALLED AT WARD GYMNASIUM

Another effort to get out enough young Floydada business men to a meeting to organize for a fall and winter program of recreation will be made Tuesday night, October 16 Jake Watson said this week. The meeting will be held at Andrews Ward school gym at 8 o'clock.

Organization for a volley ball series of games will be the first matter to be taken up. Conflicting meetings last week kept attendance too low for any action to be taken Watson said.

ON 30-DAY LEAVE

J. Hollis McLain, 36, is spending a 30-day leave with his parents Mr. and Mrs. J. T. McLain. For the past eight months he has been service in the Pacific. He was aboard the submarine tender, Gilmore, which operated around the Philippines.

ARWINE DRUG CO. BISHOP'S PHARMACY

Week of Prayer and State Missions Is Being Observed

First Baptist church ladies are observing State Mission week of Prayer and the Mary Hill Davis offering, this week at their church. They began on Monday at 3:00 o'clock. Subject of the Monday program was "The Interracial Field in Texas," with Mrs. L. A. Doyle leading the program at that time.

The next program was given yesterday evening at 7:30 with a Junior Girls auxiliary girl giving the devotional. The Sunbeam band also had a part on the program. Young Women's auxiliary girls furnished special music. Mrs. G. A. Linder gave "Highlights of Texas Baptist hospitals."

The concluding program will be given tomorrow afternoon at 2:00 o'clock with Mrs. J. A. Patterson as leader. The topic of this program will be Christian education.

Overseas Parcels Deadline Is Near

The deadline for forwarding Christmas parcels as requested by the army, navy and post office departments is only a short time away. Only one more parcel before October 15.

Those who plan to mail packages are reminded by the postmaster Mrs. Barbara H. Smith that time is very short, only three or four more days. "We must not disappoint our boys at Christmas. Unless reasonably sure they can be home for Christmas let us no longer delay—take action today, for Tuesday will be too late," Mrs. Smith says.

The size and weight of packages are the same as of last year. Maximum weight five pounds. The carton of regulation size can be found in most all stores of Floydada.

GRASSHOPPER COURTSHIP

Ears play an important part in the courtship of the grasshopper. Male grasshoppers summon their mates by chirping, according to the Sonotone research laboratories. The females fly to the chirping males, locating them by ears situated on the abdomen above the third pair of legs. But a deafened female stays put. If only one ear is out of commission she will make a try to get the chirper but her sense of direction is poor.

Male grasshoppers have a habit of staging singing contests in the meadows. One male chirps and is answered by a rival. This goes on for hours. The idea seems to be to discover which can attract the most females.

General Francisco L. Urquiza, representing President Camacho of Mexico, presented a battle flag to the 201st Mexican squadron at Majors field, Greenville, Texas.

Coast Guardsman Home on Furlough

J. C. Pierce, grandson of O. A. Pierce, of Crosbyton, and son of Mr. and Mrs. J. J. Pierce of the U. S. Coast Guard is visiting his parents and wife and son Evan J. of Crosbyton. He has been in the service over two years and has been stationed at or near Seattle, Washington, most of the time.

A younger brother, Quill Pierce is now in Tokyo, Japan, and has recently been assigned the special honor of being MacArthur's body guard. He formerly was with the 1st Cavalry, and has been in service since 11 July 1944.

L. G. (Pete) Pierce, Marine 2nd Division, son of Mr. O. G. Pierce is now serving in Sasebo, Japan; he entered service in June of 1944.

ROY LATHAM HAD THIRTY-EIGHT MONTHS OVERSEAS

CAMP FANNIN, Texas—Sgt. Roy M. Latham, whose home address is Floydada, Texas, received his honorable discharge from the army at the separation point here October 2, 1945.

Entering service on January 29 1941, he took basic training at Sheppard Field, Texas, and later served at Patterson Field, Ohio. He served overseas 38 months with the 10th Depot Repair squadron in the European theatre.

His overseas record includes participation in the following Normandy, Northern France, Belgium and Germany campaigns. His decorations and awards include four battle stars.

He is the son of Mr. and Mrs. M. E. Latham.

James Thurman Bishop who has been home on leave left this week His mother Mrs. Nell Bishop went as far as Whitewright with him where she will visit her mother.

Mrs. W. D. Newell and mother Mrs. C. P. Lincoln accompanied by Mr. and Mrs. W. B. Lincoln of Temple City, California, visited Wednesday of last week, with their son and brother, Hudson C. Lincoln and family of Sweetwater.

Now 4 POINTS FOR USED FATS

Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So...

If you want more soap and soap flakes... if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters... you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats... to help get you to you more quickly the peacetime products you've been longing to have for years!

So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

Odell Johnson Boy, 'Little Lit' For Him

The little bird has lit on Wenson's right chest and he from the navy, discharged.

is one boy who comes in service all rested and begin again. He has been in the past several months and his work hasn't been at all, he says. "You do and then read and sleep."

All The Way

Mr. Johnson says he has been the navy man afloat. He went in service in the early days when they were needed men badly. He had only three weeks of training, just enough to get on, when they put him on a ship that was just commissioned. He was particularly enough his ship was named after the west coast.

was during the submarine and his destroyer was in marine warfare until that was under control. Then he went into convoy duty.

ship didn't get into a single day about a week after it was with a big convoy," Wenson says.

"North Africa, the Mediterranean ports, southern France and all passed us while at sea. We saw practically just after it was over and

was at sea when his father, and another brother also in foreign service at the time Johnson's live near McCoy.

The Home Front

(Edith L. Wilson)

Homemakers are always looking for a favorite pie recipe which doesn't call for sugar. The following recipe for sweetpotato pie comes from home economists of the U. S. Department of Agriculture.

Ingredients: 2 tablespoons fat melted; 1/2 teaspoon salt; 1/2 cup orange juice; 1/2 cup sugar syrup; 1/2 cup orange rind; 2 cups mashed sweetpotatoes; 1 or 2 eggs separated; 1/2 cup milk.

To make: Add fat, salt, syrup orange juice and grated rind to the hot mashed sweetpotatoes. Add beaten egg yolks and milk. Beat well. Fold in stiffly beaten egg whites.

Pour this mixture into a 10-inch baked pie shell and bake in a moderate oven 30 to 40 minutes.

Fairview News

FAIRVIEW, October 9.—We have had a good general rain over the community the past few days. The rains will be fine for wheat sowing. Some few farmers have wheat coming up. It is going to be a race now between this late feed and the freeze to see which gets here first.

Bob Cannon and his son returned here last Wednesday from North Hollywood, California, where they had been on business.

Mr. and Mrs. R. A. Cannon have moved back to this community from North Hollywood where they had been making their home the past several years.

Shirley Irwin, son of Mr. and Mrs. Clyde Irwin, is home again after receiving his discharge from the army a few days ago.

Mr. and Mrs. E. W. Walls attended church at Lockney Sunday.

Mr. and Mrs. Thurman Perry of Amarillo are here this week visiting her parents, Mr. and Mrs. L. B. Cosby.

Miss Geneva Bradford of Floydada spent Sunday in the home of her parents, Mr. and Mrs. C. L. Bradford. Other visitors in the Bradford home were Mr. and Mrs. Earl Foster and daughters of Dougherty, Mary Lou Wise and Curtis Butler.

Mr. and Mrs. J. L. Landrum of Clovis, New Mexico, visited Monday and Tuesday in the Preston Bullard, J. C. Crabtree and L. B. Cosby homes.

Those visiting in the home of Mr. and Mrs. Walton Wilson Sunday were Rev. and Mrs. C. A. Butler and daughters, Mr. and Mrs. L. A. Horton, Mr. and Mrs. Odell Stapleton and sons, Mrs. Jim Stewart and Jim Dan, and Bradford Beedy.

The hours for services at the Baptist church are morning services at 10 o'clock and evening services at 7 o'clock.

Mr. and Mrs. Henry Culpepper and family have moved into the community from McCoy.

Baker News

BAKER, October 9.—Mrs. C. P. Huckabay and Mrs. Ira Bell White spent Sunday with Mr. and Mrs. Harry Reeves and family.

Mr. and Mrs. Ray Smith and family visited Sunday in the home of Mrs. Smith's father, Mr. Harris.

Mr. and Mrs. P. I. Roberts and family and Mrs. Herbert Sims visited Sunday in Roaring Springs in the home of Mr. and Mrs. C. D. Davis.

Mrs. J. D. Eaves and daughters Mrs. H. J. Day and sons, and James Boyd S. C. visited last week in Monday with Mrs. H. T. Sessions.

Mr. and Mrs. Elbert Parks and Mr. Joe Jettine visited Sunday in the home of Mr. and Mrs. I. D. Eaves.

T. J. Cardinal and Shorty visited Sunday night with Mr. and Mrs. G. L. Fawver and Mary Lou.

Mrs. Winifred Payne and son Ronnie spent last week in the home of Mr. and Mrs. Tom Hopper and family.

Mr. and Mrs. Tom Hopper and sons visited Sunday with Mr. and Mrs. Arvin West.

Mr. and Mrs. I. J. Ardry and family, Miss Beatrice Davis and Miss Billie Hopper visited Mr. and Mrs. L. J. Davis of Hale Center Sunday.

The Junior Sunday school class will have their opening exercises next Sunday. Everyone is invited to come.

The Social and "forty-two" party was enjoyed by a large crowd Friday night. Bill McNeill and T. J. Cardinal were the high players.

Half Minute Interviews

H. E. Cannaday: "Harrowing wheat after it gets a good rest isn't bad practice in this country."

MR. AND MRS. THOMAS R. WRIGHT AND SONS ARE HERE

Mr. and Mrs. Thomas Wright and 15-month-old son, of San Diego, have been here the past several days on a visit with Mr. Wright's parents, Mr. and Mrs. S. H. Wright with Mrs. Wright's aunt and uncle Mr. and Mrs. E. S. Johnson and other relatives.

A flight officer during and following the Southwest Pacific battles. Mr. Wright was discharged from the army last month, and is resuming civil life. They will return to San Diego on a leisurely schedule and will make their home there, according to present plans.

A WORD OF APPRECIATION

We wish to express our appreciation for your thoughtfulness when Mr. Nelson was operated on at the hospital. We want to thank the doctors and nurses for their good attention, and for the beautiful flowers, also visiting an inquiring friend.

Mr. Nelson is at home now doing fine and still welcomes visitors.

Mr. and Mrs. H. J. Nelson and children.

Methodist Notes, Aiken District

The people at both Bellview and Aiken were disturbed somewhat over the time to meet since running back the clocks and watches have a compass of one hour to change in, and yet some were late, and others did not get in at all. Our time of meeting by war time was 10:30 and 12:00; and running back watches did not change the time of the day, so the hour back would make 9:30, 11. Well, don't let the time disturb you so that you can't get there at all.

We made it through fine, by the pastor cutting his sermon short. Think the people liked that change fine. The disturbance over time was not so bad, if it accomplished something good.

Just one more month until the meeting of the Annual Conference. Are we ready? Don't wait for the pastor to hunt you up and tell you what you lack, just hunt it up and find out; and be sure that you see that your church has a full report. All of you have wrought well this year; now let us, by a little extra effort put it over in a way that will give us real joy for having made the effort.

Next Sunday we go to Carr's Chapel. We have two more Sundays in this year for Carr's Chapel but you do not know what weather conditions are going to be, so make the first chance you get. Let's make a full report next Sunday; so the pastor can be making out his report.

Have you been around the parsonage, to see if it is in shape for a new preacher? If not, why don't

MORE THAN 100 SCHOOLS BACK IN LEAGUE FOOTBALL

Austin, Texas, Oct.—More than 100 schools who did not take part in the University of Texas Inter-scholastic League football last year are in the competition this year. Rodney J. Kidd, athletic director for the League was reported.

Exactly 740 schools are taking part in all football conferences and last year 638 schools took part.

Conference B teams increased from 171 schools participating in 1944 to 218 this year, Mr. Kidd said. Six-man teams increased from 93 last year to 150 this year.

Dr. Phillip A. Gates, son of Rev. and Mrs. Phil A. Gates of Floydada was operated on in Fort Worth Monday for appendicitis. Mrs. Phil A. Gates left Tuesday to visit him there. Dr. Gates took over as the head house doctor of the County hospital there on October 1.

Mrs. John Reagan is visiting this week in Lubbock with her mother Mrs. B. H. Howard.

Maecellita Bradford, Stewart H. Felton Married Sept. 27

In a ceremony at the Methodist parsonage in Plainview, Miss Maecellita Bradford, daughter of Mr. and Mrs. C. L. Bradford of the Fairview community, became the bride of Stewart H. Felton, son of Mrs. P. M. Felton of Floydada, on September 27, 1945 at 3 o'clock.

The bride's family were former residents of the Baker community but for the past four years have been residing in Fairview. The bride was a junior in Floydada High school at the time of their marriage.

The groom finished high school here about nine years ago, and was for a time associated with his father in farming.

Later he went to Sioux City, Iowa where he was associated with an older brother P. H. (Pat) Felton who was selling farm machinery and equipment. He volunteered for service June 8, 1939.

The bridegroom was discharged in June after having seen action overseas for about two years, in the African, Sicilian, Italian and Southern France campaigns. He wears the Purple Heart for wounds received in this campaign, and was hospitalized for several months before his discharge this summer.

The young couple have purchased a home at Graham, Texas and will make their home there.

Mrs. Huggins, Miss Warren Hostesses for Music Club Meeting

The Floydada Music club met last Thursday night at the home of Mrs. C. B. McDonald with Mrs. Harold Huggins and Miss Alene Warren as hostesses.

Mrs. W. D. Johnson, president presided during the business meeting. "International Music" was the program theme used by the leader Mrs. C. D. Foose. Roll call was answered with "Composer of International Fame." As music of Germany, Mrs. McDonald played a piano solo, "Moonlight Sonata." Mrs. A. W. Chowning sang a vocal solo, "The Navajo Trail" to represent American Indian music. Mrs. Chowning was accompanied at the piano by Miss Marjorie Oden. "Song of the Volga Boatman," piano solo by Flora Jane Johnson, was given as music of Russia.

A refreshment plate was served to Mrs. A. W. Chowning, Mrs. Everett Collier, Mrs. P. A. Denison, Mrs. C. D. Foose, Miss Fay Nell Ginn, Miss Lovelle Ginn, Mrs. W. D. Johnson, Miss Frances Mitchell, Mrs. Carl Muench, Miss Alice Bell, Miss Jonell Burke, Mrs. R. W. Cudd, Mrs. W. M. Romane, Miss Marjorie Oden and Miss Flora Jane Johnson.

The club will meet for choral practice October 18, at 7 o'clock at the home of Mrs. C. D. Foose, 618 West Tennessee.

P. T. A. Meeting Next Wed. Afternoon

The Andrews Ward P. T. A. will meet next Wednesday afternoon at 4:15 o'clock, in the gymnasium of the school building.

A program will be given under the direction of the program committee, Misses H. G. Barber, R. F. Stovall, and Lewis Norman. Gordon Gaitherwood is scheduled to speak on "What the Teachers expect of the home." Mrs. Clement McDonald will talk on "What the home expects of the school."

Mrs. S. J. Latta, president, urges all parents to come and visit their child's room for at least 30 minutes before the P. T. A. meets.

HOME BUILDERS ELECT MRS. MORGAN PRESIDENT

The Homebuilders club met September 29 with Mrs. Dickie Atteberry. Roll call was answered with the books I have read this year. Officers were elected for the coming year as follows:

President, Mrs. W. L. Morgan; vice-president, Mrs. P. F. Bertrand; council reporter, Mrs. T. J. Heard; food demonstrator, Mrs. P. W. Atteberry; yard demonstrator, Mrs. O. G. M. ... reporter, Mrs. Dickie Atteberry.

Members present were Misses T. J. Heard, O. G. Mayfield, William Bertrand, Carroll Westfall, P. F. Bertrand, Raymond Williams, and Mrs. Atteberry.

The club will meet October 12 with Mrs. Raymond Williams at 2 o'clock.

The Dupont Company has under construction at Orange, Texas a \$20,000,000 Nylon plant.

Mrs. Kenneth Chance

Daphne Lide Married at Lebanon, Missouri, To Kenneth Chance

Mr. and Mrs. Sam Lide of Dougherty announce the marriage of their daughter, Daphne, to Kenneth Chance of Cicero, Indiana, on Friday evening, September 28 at 6 o'clock.

The double ring ceremony was performed by the Church of Christ minister of Lebanon, Missouri. The bride wore a royal blue suit with black accessories, her corsage was red roses. She is a graduate of Floydada High school of the class of 1943, and has been employed for the past 11 months as secretary with the Barney C. Moore Adjustment co., of Amarillo.

The bridegroom was recently discharged from the army at the Amarillo Air field, after spending 11 months in England as Staff Sergeant with the 8th Air Force.

The couple left Lebanon for a wedding trip going by the way of Springfield, St. Louis, Missouri; Illinois, Indianapolis to Cicero, Indiana where they are to make their home.

Blue Bonnet Needle Club Names Officers

Blue Bonnet Needle club met September 27 all day with Mrs. Ernie Widener. Covered dish luncheon was served at the noon hour. New officers were installed. The new officers are:

President, Mrs. Ernie Widener; vice-president, Mrs. Pete Kendrick; secretary - treasurer, Mrs. Greer Christian; reporter, Mrs. Woodrow Wilson, assistant reporter, Mrs. Everett Perry.

Those enjoying the day were Misses Earl Edwards, W. B. Eakin Layton Dorrell, Everett Perry, Pete Kendrick, John R. Tinnin, Woodrow Wilson, John E. Smith, Floyd Fuqua, Luther Dorrell, Wayne Finley, W. D. Johnson, Greer Christian, one visitor Mrs. James Wade from Roaring Springs and the hostess Mrs. Widener.

The club meets this afternoon with Mrs. Woodrow Wilson at 2 o'clock.

GARDEN CLUB MEETING

Floydada garden club will meet Friday morning October 12 at the home of Mrs. J. D. McBrien.

SECOND SUNDAY SINGING

Second Sunday singing in Floydada Sunday afternoon will begin at 2 o'clock and everybody is invited. The place is the Methodist church. Earl Rainer said the new Stamp books will be used.

Mozelle Edwards and Kenneth Mickey Wed Oct. 1 at Canyon

Mrs. G. C. Edwards of Floydada this week announced the marriage of her daughter Mozelle, to Pfc. Kenneth E. Mickey of Canyon, Texas. The marriage ceremony was read October 1 at the home of Chaplain Joseph Long of Canyon.

The bride wore a brown coat suit is a graduate of Floydada High school with the class of 1941. She graduated from Western union school at Springfield, Missouri, in 1943.

The bridegroom is the son of Mr. and Mrs. Elmer Mickey, of Canyon former residents of Floyd county. He graduated from Floydada High school in 1940. For the past 21 months Pfc. Mickey has been in the European Theatre of war as a member of the Ninth Air force. He is a wearer of five battle stars.

The only attendants at the wedding were Mr. and Mrs. Elmer Mickey.

The couple plan to make their home in El Paso, Texas, where Mrs. Mickey has been employed the past few months. Pfc. Mickey is to receive his discharge next week at Le Moore Field, California.

Ruth Hilburn, Ted J. Crager Wed Oct. 29

PLAINVIEW, Oct. 7—Mr. and Mrs. H. S. Hilburn announce the engagement and approaching marriage of their daughter, Ada Ruth to Ted J. Crager, son of Mr. and Mrs. Arch Crager of Lockney.

The marriage is scheduled for October 29 at the First Methodist church.

MAURICE BURTON HOSTESS TO LILLIE HUNDLEY YWA

Maurice Burton was hostess Monday night the Lillie Hundley Y. W. A. at her home on West Mississippi street. The girls made sock dolls to send to the orphans home.

Lovely refreshments were served to Frances Mitchell, Bennie Ruth Jackson, Thelma Jo Potts, Nell Swinson, Wanda Switzer, Alene Warren, Mary Clark, Reda Mae Gary and Maurice Burton.

Junior Carnival Set For October 27

Plans for the annual Junior carnival are progressing rapidly. Tickets are on sale now for a brief enjoyment to be given before the carnival, Saturday night, October 27.

This will be a worth-while program consisting of parts of our members from the carnival.

Our carnival will be made up of outstanding features as two shows, one with high school boys modeling girl's clothes and the other with high school girls modeling boy's clothes.

The climax of the show will be the giving of a turkey to the holder of the lucky ticket. Buy your ticket now from any Junior for only five cents; you will not be admitted to the opening show without a ticket!

Plan now to leave Saturday night, October 27, free for this carnival to be in the hall of Andrews Ward at 7:30 for this show. The doors of the carnival will be opened immediately following the show and drawing.

FASHION OF THE WEEK
 Oh, gee, they've hit the jack-pot. All F. club members (boys) are wearing mustaches. They're trying to imitate either a villain or Hitler, we can't figure out which way, there's a rumor going around that girls don't like to be kissed by mustaches; a hint to the boys is sufficient. I guess that wouldn't interest football players though.

FAMOUS EXPRESSIONS OF FHS
 Bobby McGuire: "Notre Dame"
 Mrs. Romane: "Now where were we?" (Shortland class)
 Mrs. Jones: "Limit your talking to 'I' minute please" (In S.H.)
 Mr. Graves: "Reminds me of the one I heard" (in assembly)
 Wilton Dunavant: "Lawdy me"
 Joy McIntosh: "Well, I swan"

Whirlwinds Defeat Jackrabbits 31-0

The Floydada Whirlwinds journeyed to the nest of the Ralls Jackrabbits on Friday night. It was the first conference game for both teams. It was the Whirlwinds' game from the start. They took that ball and march on down the field for a touchdown which began their scoring.

The second and third strings saw plenty of action against the Jackrabbits. There is some promising material for the Whirlwinds for several years to come in these teams. Those boys were completing passes and driving through that line as if they were veterans. We all wondered, as we sat on the sidelines, if our substitute quarterback was making up those plays in the huddle!!!! The Whirlwinds have started out the conference season with a bang. So we hope they keep it up!!!

The band gave a fine performance at the half. All of us want to congratulate Bro. Marshall for the fine work which he has done in training this band.

There was a very large crowd out Friday night, and they were all very proud of the performance of the team. So let's not let them down now. Come on out and see the team play the Memphis Cyclones. It is a promising game because when the Whirlwinds and the Cyclones mix on the gridiron the wind is going to be very, very high. **BEAT THE CYCLONES**

SENIOR'S PICTURES TAKEN

The Senior class had their pictures taken September 26 by the same photographer who has been making them the last several years. The proofs came back Wednesday to be returned Thursday of last week.

Groaning, "oh's," and "ah's" could be heard in Miss Sweptson's room as the students received their proofs, and through the halls all day. The proofs were returned Friday to the sponsors to be mailed to Mr. Anderson. The students are eagerly awaiting the arrival of the pictures.

SENIOR RINGS ARRIVE

The class rings for '46 came in Friday. Mr. Barber was busy distributing them all afternoon. Earl Edwards boasts that he was the first senior to get his ring. Eighteen girls ordered miniature sizes which did not come. They were very disappointed, but their rings should be here soon.

THIS WEEK'S . . . Assembly Program Especially Fine

We are very honored to have for this week's personality the winner of the race for the FFA Sweetheart. She was the FFA candidate, and her campaign managers were Fred Conner and Dale Simms.

Our personality has always lived in Floyd county, and she now lives at Cedar Hill. She says her favorite food is pecan pie, and her pin-up boy is Lon McCallister. She usually wears skirts and sweaters to school, and she is just about the most fashionable little miss up here for a touchdown which began their scoring.

Yes, we are talking about Nancy Brown, whose nickname is "Sweet Nancy." Nancy is 5 feet, 1 inch tall, and has big blue eyes and brown hair. She has gone to Floydada high since she was a freshman, and she has become a vital link in our high school world.

Nancy is not only a member of the Senior class this year but vice-president of the class, also. She was Junior carnival queen of 1944. She is a member of Gamma Sigma Kappa and the High school pep squad. She goes with Fred Conner. Nancy says that her favorite song is "Till the end of time," and her favorite pastime is just sitting around doing nothing.

As we have said, Nancy is FFA Sweetheart, but I don't think she stops there. I think we would be safe in saying that "Sweet Nancy Brown" is the Sweetheart of the entire high school, both boys and girls.

NANCY BROWN WINNER FFA SWEETHEART CONTEST

The winner of the F. F. A. Sweetheart contest was Nancy Brown, the FFA candidate. The candidate of the Freshman class was Christeen Jones, of the Sophomore class, Norma Jean Carpenter; of the Junior class, Reva Thomas and the Senior class, La Rue Graves.

The campaign managers of the classes were Sophomore, James Elliott; Junior, Lavell Hall; Senior Jackie Brock.

CLASSIFIED ADS

Strayed: My man, Ruthie Harmon.
 Wanted: More rainy days. The country kids.
 For Sale: Miss Sweptson's pencil sharpener. In bad condition.
 For Rent: One road called "Lover's Lane" until it stops raining.
 Wanted: A girlfriend. George Reed May. George said that she was to have blonde hair and blue eyes. Also she was to be 5 feet, six and weigh 215. Anyone answering this description please see George.

Band Adds Color At Football Game

The band was out Friday night to add color to the game. This was its first appearance at the ball-games, also first time to be in uniform. The band on the field at the half was led by Hughetta Smartt. Everyone was very proud of the band and leader.

Bro. Marshall is planning on flag bearers soon, also some twirlers. The band played very well considering the length of practise they have had. The members are Lovene Jones, Jean Battey, Mary Helen Lewis, Hughetta Smartt, Jo Dan Bishop, Gene Dale Jackson, Margaret Abbott, Bonnie Nell Piqua, Mickey Kennamer.

Barry Rosson, Jackie Gene Brock, C. L. Berry, Clarence Guffee, Gladys Roberts, Bob White, Newton Dale Johnston, Melton Smith, Jimmie Hicks, Mary Eunice Hennessee, Orby McCleskey, Martha Cudd, Lewis Lloyd, and a new member who was added today, Troyce Muncy. We would be glad to have anyone who can play or who would like to learn to play join the band.

De Quacker

These boys and girls in PHS! It seems spring will be here all the year with so much love in the air. Right at the present, considering the new love affairs De Quacker is having complications in getting the lovers sorted out. I see a boy and a girl (how romantic) one minute making goo-goo eyes at each other and I declare, just as soon as I turn my little ole head the gal is giving divine-talk to another kid. Everybody, including the women, seem so flirty this year I am to have plenty to contend with, believe you me. These boys are to be suckers in due time-as they will see. Women always change-but men (so dumb) are all the same. The gals influence the men too doggone much.

They were sitting in the parlor. He smiles, hesitatingly pulling out a dollar. To get rid of her pest of a little brother. And then, in walks her sweet mother!!!

John Mason seems to think the Lakeview girls are just OK. James Jones has a little sister doesn't he. John? You should know.

And while we have Lakeview or our mind, they say Gene (Hollums) has a flame out there. She's a blonde going by the name of Joy

Assembly Program Especially Fine

We had an especially fine assembly program this week, sponsored by Mrs. Thomas. The program was put on by the Sophomore class.

First on the program was a short skit, "Who is Dolly Craig?" The characters were Ina Faye Warren and Tom Bob Jarboe. Next was a piano solo by Margaret Green. Then we had a pantomime with Carol Womack, Willa Bradford, Doris Vinson, James Elliott, Jo Muncy and Elmer Rucker. The title was "Swinging The Votes."

Pauline Denison whistled "Old Man River" and "Over the Rainbow." Another short skit was then put on. It was called "Ditch The Dictionary." Characters were Ina Faye Warren, Tom Bob Jarboe and Thomas Amburn. Pat Kirk sang two solos, "Along The Navajo Trail" and "Gotta Be This Or That." Last was a play, "Father and Child Doing Well," with Ruth Elaine Harmon, Claude Parrish, Betty Lou Tye, and Thomas Amburn.

Bunch

My! My! Oh, my. Who did I see with the flirtatious eye? Who with Randy over at the store. But "Gypsy Rose Lee" (?) and what's more. (They were carrying out the longest conversation. This was last Wednesday morning. And then Thursday night Gene Bradford walked in the show with Randy Randy, you must be "sweet as candy" with the gals. What's your technique?)

Charles Hammit, Wilma Hamilton and Evelyn Holder both think you are oh! so cute.

Sorry, De Quacker's eyes are getting worse all the time. It was Nita Patterson with the South Plains romances at the Petersburg game. We still wanta know which she was with.

Marjorie, Marjorie!!! What about this other girl Earl was seen out with?

Say, McCoy guy, whoever you are you'd better hurry and start to high school if you want Ann Lou Payne because she thinks Jerrell Vinson. Oh well, you understand!

Lots is going through the mail to Dallas nowadays. What's about this Billy Eudy???

Valrie, you'll have competition if you don't stop gazing at "Bashful," you know who!! You'll find June Finley in your hair if you don't watch out.

James Hartsell, do you just don't care for women or do you just don't dislike blondes? Get my point???

What about Gene Dale Jackson coming into Jane's life? Is Bobby

noticing Joy and Jennie too much? (These Freshmen!)

Watch out about your notes, kids. One landed in my can last Friday. It was signed Ruth Riggle. It would not make much sense so we'll leave it out, but it did sound interesting.

Why was Glenn so undecided about leaving the show early last Thursday night? Ha!

C. L. looked funny when someone said, "Here comes your girl down the hall," and he looked up and saw Lovene and Mary Helen walking toward him.

SOCIAL CLUB HAS FORMAL INITIATION OCTOBER 3

Gamma Sigma Kappa met October 3, at 7 o'clock in the home of Nanette Bishop to have the formal initiation of the new members of 1945-46.

The old members acted as hostesses and were dressed formally. Everyone present was served punch and cake. Hughetta Smartt presided at the punch bowl, with June Foster and La Rue Graves assisting her in the candle lighted dining room. Throughout the evening music was furnished by Marjorie Oden at the piano.

The candlelighting initiation was conducted by Oragene Willson, Lovene Jones, Nanette Bishop, Myra Nell Hall and Jimmie Hicks.

The officers for the coming year of the Gamma Sigma Kappa are as follows: President, Oragene Willson; Vice-president, Nanette Bishop; secretary-treasurer, Marjorie Oden; Club mother, Mrs. L. L. Jones; Sponsor, Anne Sweptson.

BREEZERS PLAY SHORTHORNS AT LOCKNEY TUESDAY

The Breezers are to play the Shorthorns at Lockney Tuesday afternoon at 1:30.

The probable starters are Leroy Burkett, Bobbie Finley, Ted Davis Lee Trice, Junior Grubbs, J. A. Terrell, Billy Reasoner, Arlin White, Billy Hatley, Tommy Reeves, and Billy Jetter.

Reserves are Dub Hodge, Thomas Rucker, Dan Hagood, Aubrey Guthrie, Billy Haney, Don Jetter, Kay Crabtree, Tom Martin, Emmitt Moody and C. B. Smartt.

"WHIRLWIND TEAM"

The Whirlwind team is the best team yet. That's why on them I place my bet. That great team is out to win. To beat the opponent through thick or thin.

Oh! I see those brave boys, now! Making a touchdown, it's a wow; Just cheer and yell with all your might.

F. H. S. Fight! Fight! Fight! When you see the opponents have the ball.

Don't sit back and start to bowl. Just keep on cheering for F. H. S. For that's the team we all love best. Now time is up, and the game is over. And our boys claim all the score.

Give them a hand and let them see our appreciation for victory.

Marcellita Bradford, Stewart H. Felton Married Sept. 27

In a ceremony at the Methodist parsonage in Plainview, Miss Marcellita Bradford, daughter of Mr. and Mrs. C. L. Bradford of the Fairview community, became the bride of Stewart H. Felton, son of Mrs. P. M. Felton of Floydada, on September 27, 1945 at 3 o'clock.

The bride's family were former residents of the Baker community but for the past four years have been residing in Fairview. The bride was a junior in Floydada High school at the time of their marriage.

The groom finished high school here about nine years ago, and was for a time associated with his father in farming.

Later he went to Sioux City, Iowa where he was associated with an older brother P. H. (Pat) Felton who was selling farm machinery and equipment. He volunteered for service June 8, 1939.

The bridegroom was discharged in June after having seen action overseas for about two years, in the African, Sicilian, Italian and Southern France campaigns. He wears the Purple heart for wounds received in this campaign, and was hospitalized for several months before his discharge this summer.

The young couple have purchased a home at Graham, Texas and will make their home there.

Mrs. Huggins, Miss Warren Hostesses for Music Club Meeting

The Floydada Music club met last Thursday night at the home of Mrs. C. B. McDonald with Mrs. Harold Huggins and Miss Alene Warren as hostesses.

Mrs. W. D. Johnson, president presided during the business meeting. "International Music" was the program theme used by the leader Mrs. C. D. Foote. Roll call was answered with "Composer of International Fame." As music of Germany, Mrs. McDonald played a piano solo, "Moonlight Sonata."

Mrs. A. W. Chowning sang a vocal solo, "The Navajo Trail" to represent American Indian music. Mrs. Chowning was accompanied at the piano by Miss Marjorie Oden. "Song of the Volga Boatman," piano solo by Flora Jane Johnson, was given as music of Russia.

A refreshment plate was served by Mrs. A. W. Chowning, Mrs. Everett Collier, Mrs. P. A. Denison, Mrs. C. D. Froete, Miss Fay Nell Ginn, Miss Lovelle Ginn, Mrs. W. D. Johnson, Miss Frances Mitchell, Mrs. Carl Muench, Miss Alice Bell, Miss Jonell Burke, Mrs. R. W. Cudd, Mrs. W. M. Romane, Miss Marjorie Oden and Miss Flora Jane Johnson.

The club will meet for choral practice October 18, at 7 o'clock at the home of Mrs. C. D. Foote, 618 West Tennessee.

P. T. A. Meeting Next Wed. Afternoon

The Andrews Ward P. T. A. will meet next Wednesday afternoon at 4:15 o'clock, in the gymnasium of the school building.

A program will be given under the direction of the program committee, Misses H. G. Barber, R. F. Stovall, and Lewis Norman. Gordon Galewood is scheduled to speak on "What the Teachers expect of the home." Mrs. Clement McDonald will talk on "What the home expects of the school."

Mrs. S. J. Latta, president, urges all parents to come and visit their child's room for at least 20 minutes before the P. T. A. meets.

HOME BUILDERS ELECT MRS. MORGAN PRESIDENT

The Homebuilders club met September 29 with Mrs. Dickie Atteberry. Roll call was answered with the books I have read this year. Officers were elected for the coming year as follows:

President, Mrs. W. L. Morgan; vice-president, Mrs. P. F. Bertrand; council reporter, Mrs. T. J. Heard; food demonstrator, Mrs. P. W. Atteberry; yard demonstrator, Mrs. O. G. Mayfield; reporter, Mrs. Dickie Atteberry.

Members present were Misses T. J. Heard, O. G. Mayfield, William Bertrand, Carroll Westfall, P. F. Bertrand, Raymond Williams, and Mrs. Atteberry.

The club will meet October 12 with Mrs. Raymond Williams at 7 o'clock.

The Dupont Company has under construction at Orange, Texas a \$20,000,000 Nylon plant.

Mrs. Kenneth Chance

Daphne Lide Married at Lebanon, Missouri, To Kenneth Chance

Mr. and Mrs. Sam Lide of Dougherty announce the marriage of their daughter, Daphne, to Kenneth Chance of Cicero, Indiana, on Friday evening, September 28 at 8 o'clock.

The double ring ceremony was performed by the Church of Christ minister of Lebanon, Missouri. The bride chose a royal blue suit with black accessories, her corsage was red roses. She is a graduate of Floydada High school of the class of 1943, and has been employed for the past 11 months as secretary with the Barney C. Moore Adjustment Co., of Amarillo.

The bridegroom was recently discharged from the army at the Amarillo Air field, after spending 11 months in England as Staff Sergeant with the 8th Air Force.

The couple left Lebanon for a wedding trip going by the way of Springfield, St. Louis, Missouri; Illinois, Indianapolis to Cicero, Indiana where they are to make their home.

Blue Bonnet Needle Club Names Officers

Blue Bonnet Needle club met September 27 all day with Mrs. Ernie Widener. Covered dish luncheon was served at the noon hour. New officers were installed. The new officers are:

President, Mrs. Ernie Widener; vice-president, Mrs. Pete Kendrick; secretary - treasurer, Mrs. Greer Christian; reporter, Mrs. Woodrow Wilson, assistant reporter, Mrs. Everett Perry.

Those enjoying the day were Misses Earl Edwards, W. B. Eakin, Layton Dorrell, Everett Perry, Pete Kendrick, John R. Tinnin, Woodrow Wilson, John E. Smith, Floyd Pague, Luther Dorrell, Wayne Finley, W. D. Johnson, Greer Christian, one visitor Mrs. James Wade from Roaring Springs and the hostess Mrs. Widener.

The club meets this afternoon with Mrs. Woodrow Wilson at 2 o'clock.

GARDEN CLUB MEETING

Floydada garden club will meet Friday morning October 12 at the home of Mrs. J. D. McBrien.

SECOND SUNDAY SINGING

Second Sunday singing in Floydada Sunday afternoon will begin at 2 o'clock and everybody is invited. The place is the Methodist church. Earl Rainer said the new Stamp books will be used.

Fire Prevention—

(Continued from first page)

ada has the best fire record that we have ever had, the Floydada Fire department would like to express their thanks to the people of Floydada for their splendid cooperation in prevention of fires in the last few years.

This good record has been a great saving to the people of the City of Floydada. For example, our net premiums for 1944 were \$23,581. Our net losses for the same year were \$1,879. Our five-year premiums, 1940-1944, are \$100,577. Losses for the same time are \$14,971. Should we have had a bad fire record for this time and our penalties were 15% our premiums last year would have been \$33,821.00. So our good fire record saved the people of this city some \$10,000.00 last year alone.

Here are some hints from Mr. Rogers that might help you with some fire hazards in your homes:

The vent from your stove hood will accumulate grease, and it should be cleaned whenever this happens. Note the joints, be sure they are well fitted.

Containers For Trash
Be careful where you toss that

cigarette. It might cost your home. Every business house should have a metal container for trash in the open.

Do not install extension cords to floor lamps or other appliances under rugs. Walking over these cords will wear the insulation and cause fire.

Do not place ash trays on the arms of upholstered furniture, rather on a small table or smoking stand beside the chair.

Washing garments with inflammable liquids in the bath tub or any container in the house is inconsistent with the recommendation of the Fire Prevention division.

We recommend that you keep all trash at all times cleaned out of your home or business, then we know we are safe from that kind of fire.

Fireman Is Your Friend
Remember that the firemen are your friends and they all sincerely hope that you are their friend in return. When you have a fire, no matter how small the loss, the fact remains that you have lost something—possibly of little financial value—to you it was near and dear and cannot be replaced.

If these firemen could, they would give you back everything that you have lost in the fire, but this is impossible so they must leave you out in the cold with a home partially destroyed by fire and return to their respective stations and answer the next call where some person

has been careless. We say careless because when the causes of fire are traced, somewhere, possibly way down the line, someone was careless.

Foot Ball—

CHEVROLET PAINT AND BODY SHOP RE-OPENED

With John McKinney In Charge

We are proud to announce that we have re-opened our Paint and Body Shop and will be able to operate it on an efficient basis and give highly satisfactory service to the public again.

John McKinney, who operated the Shop for us several years prior to the war, has returned from San Antonio, and has charge of the department. Those who have done business with him in the past know they can depend on his work.

During his absence Mr. McKinney has been with the Army Air Force as a skilled workman, and has done a Vital Service to his country helping to keep America's planes in the air.

We are sure Floydada and Floyd County people will be glad to welcome John and his family back. He and we will appreciate any automobile paint and body work that is entrusted to us.

Please Excuse Us Friday and Saturday — Our Repair Shop will be Closed for Painting.
