Softball Schedule Begin Monday

The softball plans are complete including the dates for the first games, but the committee has stumped its figurative toe on electric equipment temporarily and the schedule will begin minus the floodlights and at an earlier hour than planned, says Garland G. Glover, "car" of the league.

Monday night's opening games will see the Normans pitted against McCoy at Andrews Ward school and Starkey against Bishop-Maya-Daniel at the rodeo grounds. The location of the two games was decided Tuesday by the flip of a coin. The hour is 6 o'clock.

The schedule made out opens Monday night at 6 o'clock with a game each at the rodeo grounds and the Andrews Ward school grounds, followed by two games on Tuesday night and two games on Thursday night, to give every one of the 12 teams one game in the week.

The schedule is made up to run through June and up to July 11 with Jake Watson as the chief of the schedule committee.

"We're going to have to have some more money and some luck to get done what we have hopes of doing at the rodeo grounds," said Mr. Glover Tuesday. The softball organization and the rodeo club have held two or three meetings and are in full accord on all plans, he indicated.

Two teams have been added to the list since the early plans were formulated, the First Baptist Sunday school and the Starkey team. The set-up should be ideal, the committee thinks. Of course, they have no idea of how well-balanced the teams are, but all have some good players. Unless specially announced all games through the season will be free for the public.

The idea of lighting up the rodeo grounds and making it a dandy arrangement all the way around has not been abandoned by any means, says Glover and others. "We'd be building right now if we had a transformer in sight that would carry the load," he said.

Spur Atlas, the 10 and a half month old Milking Shorthorn bull donated to McDermott post, American Legion building fund, from the herd of Judge Alton B. Chapman, enriched the treasury of the post by \$350.

The calf, put up without cataloging and very little advance notice, in the Milking Shorthorn sale at the Panhandle-Plains Dairy show in Plainview Friday, went to a Floyd county farm, that of Fritz Schacht, where he will become a herd sire.

The animal has a straight record of merit pedigree on both sides through three generations.

W. B. Henry, commander of the Legion post, and Calvin Steen, leader of the bull and delivered him to the sales ring for the Legion post.

Roaring Springs Pool Will Open Sunday, Apr. 28

Announcement that the Roaring Springs Swimming pool and recreation grounds will open on Sunday next, April 28, was made this week by Paul Enloe, of Matador, who will operate the pool this season under an arrangement with Matador Land & Cattle company.

In preparation for the season Enloe said the bath house and pool are being repainted and renovated. Amusement devices for the grounds have been a bit difficult to obtain but they are being secured as opportunity presents.

With an early opening and a long season indicated Enloe anticipates a good season and big crowds.

PROMOTION FOR GALLAHER Chicago, Ill., April 20.—Thomas B. Gallaher, Passenger Traffic Manager of the Santa Fe Railroad has been appointed General Passenger Traffic Manager, effective April 1, according to announcement made today by James J. Grogan, Traffic Vice President of the Santa Fe.

Clarence Ouffee, county school superintendent, announced this week the totals of the school census for 1946. The totals in comparison with last year shows a loss of four students.

Jr. Stock Show Sale Sets Record For Floyd County

JUNIOR STOCK SHOW 34 KR — The largest and best Junior Fat Live Stock show held in the county today in Floydada last Saturday, was followed by an outstanding sale which brought the youthful exhibitors more than \$10,000 in cash.

Lamb, calves and pigs totaling 38,500 pounds live weight, brought \$10,241.80, plus an approximate subsidy of \$150, to make the total \$10,391.80. Col. W. H. Seale cried the sale and the biggest individual buyer was A & P Tea company.

In all there were 142 animals in the show. The grand champion dairy animal was a Jersey shown by Earl Edwards, Jr.; the grand champion lamb, a Southdown, was shown by James Powell, and the reserve champion, a Rambouillet-Southdown cross, by Jackie Lee Johnson.

Gordon Hambricht showed the grand champion hog, a Hampshire in the light barrow class, and Seth Johnston showed the reserve champion, a Chester White in the heavy barrow class.

Grand champion beef animal was a Hereford in the light division, shown by Lavon Shearer, and the reserve champion was a Hereford in the heavy class, shown by Troy Lee McNeill.

The grand champion beef sold for 45 cents per pound to the First National bank; the reserve champion for 37 cents per pound to J. C. Penny company; the grand champion hog for 35 cents per pound to Oden Chevrolet company; and the reserve champion pig to A & P Tea company at 20 cents.

The grand champion lamb went to Hagood's Department store at 38 cents per pound and the reserve champion lamb to Oden Chevrolet company at 30 cents per pound. Balance of the cattle sold went to A & P Tea company of Dallas for 27 cents per pound, hogs at 17 cents and lambs at 17 cents. George Reid may sold one steer at private sale to Ott Glassmoyer and Charlie Lewis at 28 cents per pound.

Showers Falls On Few Farms of County in Week

Showers Monday afternoon and night fell in limited areas in Floyd county, according to reports, which put the heaviest fall in an area around Hillcrest and Southside toward Dougherty. Sam Lide, Louis Blum, A. T. Swepston and some of their neighbors seem to have been the most fortunate with half to an inch of rain. A strip or two of shower area also is reported on Matador highway east. Jess Pinley is said to have had the most rain in the area.

Only other showers reported of material advantage was west, slightly southwest of South Plains, where the Gilbert Bean farm is said to have had enough rain to be helpful.

Cool Nights Helpful Cool nights have been helpful to an otherwise badly treated wheat crop which began suffering 10 days ago and has deteriorated in some sections quite heavily. Every irrigation well in the county has been going on a 24-hour basis the past two weeks, principally on wheat and alfalfa. Wheat is responding to irrigation better than usual, according to report.

Dept. Gives Ray E. Ramsey Up as Dead

All search for Lt. Ray E. Ramsey by the Army Air forces has proven futile in the year since he went down in a B-29 Superfortress raid over Tokyo, and his wife, the former Zoe White of Lubbock, has been notified by the War department that he has been given up as dead.

The notice was received Tuesday by Mrs. Ramsey, who is a teacher in the Lamesa schools.

Lt. Ramsey was here last on Christmas day of 1944, when he left the home of his parents, Mr. and Mrs. M. D. Ramsey of Harmony, to re-port for overseas duty as a B-29 pilot. His plane went down in the Tokio raid on April 16, 1945, following.

A promotion to the rank of first lieutenant came through on May 7 following his crash, the day, incidentally, on which he would have been 26 years old. For many months the wife and family have held hope that he may have been able to save himself.

English War Bride Contrasts Ration Here and Abroad

CHANDLER, Arizona, April 19.—An English war bride was guest in the home of a Chandler family over last week-end, the visit being an accident, but nonetheless interesting and pleasant for host and guest alike.

Mr. and Mrs. Willard Dunlap and son Martin, were traveling through Chandler, on their way from Lockney, Texas, to El Monte, California, and stopped in Chandler because of car trouble. Their car was brought to the Perkins - Wallace Motor Company shop for repairs, and during the wait they were guests at the home of Mr. and Mrs. M. S. Perkins.

Mrs. Dunlap (Valerie), the war bride, had been in the United States only four weeks when she was here, having landed in New York, aboard the U. S. Army transport Saturnia on March 17th. Her son Martin is just nine months of age.

In the short time she has been "home," Mrs. Dunlap had traveled quiet a way, and her destination in California will have given her a pretty good look at this country.

She told her Chandler hosts of the rigors of food rationing in England—her one egg per person per week and 1/4 pint of milk per day being in marked contrast to the plenty of such commodities here, so much of a contrast, that our free and easy use appeared as waste to her.

Piper 3-Place Plane at Airport Friday

One of the first of the recently announced Piper Super-cruisers to be seen in Texas will be at Floydada Airport tomorrow afternoon, W. H. Tanner, manager of the port, said yesterday. It is a three-place plane with 100 h. p. engine.

Two students solved at the local field under Tanner's tutelage in the past week. One of these is R. T. Ellard. The other is R. C. Ellard of Brownfield, recently out of the navy and here to see his brother, who solved the puzzle.

Government Moves To Control Wheat

The government's move through the Department of Agriculture to bring wheat into circulation from farm storage finds Floyd county with a probable 200 thousand bushels in the hands of farmers on in storage by farmers in bonded warehouses, it is estimated by The Hesperian after a hurried survey of the county.

A flat bonus of 30 cents per bushel or a "lend" program are both made available to farmers under the plans offered. Need to fill quotas to famine areas throughout the world prompts the unusual move by the government agencies, it is said.

Although a harvest of huge proportions is only 60 days away, stocks are very low from last year's crop and the intervening period represents a "squeeze" in supplies that may see the populace in some countries go hungry and many die, says the official statement issued.

Mills, Bakeries Hit The announcement that the price is being increased and supplies limited for local consumption on a quota basis has hit bakeries and mills of the southwest a tough blow. Last week-end Floydada bakery a-longs with practically all others of the area announced the 10-cent loaf would be sold for 11 cents.

Jack Knox, manager, said at least one mill which had been furnishing him a supply of flour are not now milling, having filed their quota and closed down.

In some cities and towns bakeries are being forced to close on account of the squeeze and some are changing over from breadmaking to give all of their output to cakes and pastries, which carry better profit and greater demand.

The "lend" program of the government will be worked out through local ACA offices and the Commodity Credit corporation. A statement covering the procedure was issued this week by G. B. Johnston, chairman of the county ACA committee. In it Mr. Johnston said:

Wheat Urgently Needed Floyd County farmers who have 1945 wheat on their farms are urged to lend it to the Government now and collect any time they want to until March 31, 1947.

Candidates Have Three Political Dates in County

Floyd county political aspirants have three week-end dates on their calendars at this time—the first for Friday night of this week, April 26 for a pie supper at Fairview school, the second for Friday night, May 3 at Harmony school house, and the third for Friday night, May 10, at Baker school.

Today the rallies and gatherings have been highly successful in point of crowds for the candidates to talk to and in point of financial returns to the benefits for which they were given. The supper or banquet at Lakeview last Friday night was an outstanding example, where appointments, program, meal and crowd were all that heart could desire. Mrs. R. L. Nichols, who was chairman of arrangements, said the school cafeteria fund is slightly more than \$120 better off for the effort.

A pleasing program of songs and readings was included with the speaking of the candidates. Of the latter many are beginning to recover from stage fright and are making good speeches.

Friday Night at Fairview The W. S. C. S. of Fairview is making the plans for Friday night's program at the school house there. They are giving a box supper. Since their numbers are not too great they are hoping other women of Fairview and other communities will attend and bring boxes. Mrs. F. O. Conner said, "The committee is most anxious that the candidates have lots of a good crowd to make their speeches to."

The Harmony date was announced this week by a committee of the W. S. C. S. of Carr's Chapel Methodist church, composed of Mrs. Sherwood Ramsey, Mrs. Everett Miller and Mrs. Chloa Williams. Mrs. Zant Scott is president of this society. Pie a-la-mode will be served at "cut rate" prices and ice cream cones for the children.

The school at Baker sponsoring the program planned there for May 10. What funds are obtained will be used for stage and auditorium improvement, Hershel Green said.

Bradford Pastor at Colorado City Rev. R. Y. Bradford left on Wednesday, April 10, for Colorado City, Texas where he has accepted a call to be pastor of the First Baptist church.

Mrs. Bradford and the children will remain in Floydada until school closes, when they will join Rev. Bradford in Colorado City. Mr. and Mrs. John B. Stapleton have bought the Bradford home at 421 West California street.

J. R. HANEY HOME FROM FT. LEWIS, WASHINGTON Jefferson R. (J. R.) Haney, son of Mr. and Mrs. J. W. Haney, is at home from the army, having arrived from Fort Lewis, Washington, Saturday with a discharge dated April 16.

Soon after the Floyd county boy went into the service on October 2, 1943, he was put into the military police and saw service for 26 months in this capacity in various camps and cities. He was an investigator in the last two months of his service. Highlight of his duties came when President Truman and General Eisenhower visited the northwest and J. R. was from honor guard.

HOME FROM BOOT CAMP Johnny C. Collins 2 1/2 c. son of Mr. and Mrs. Gene Collins, and Billy Morrison, 2 1/2 c. son of Mr. and Mrs. J. M. Morrison of Dougherty, arrived in Amarillo Sunday morning from San Diego, California, where they were met by Gene Collins, sr. and Gene Collins, jr.

Johnny and Billy have just finished boot camp and will report back to San Diego for assignment. They will be here until Saturday.

Comedy Scheduled At Baker on May 2 "Her Step-Husband," a three act comedy, will be presented at Baker schoolhouse Thursday night, May 2 at 8 o'clock.

Characters are Mary Marshall, an incurable romanticist, Mrs. Lloyd Murry; Harvey P. Marshall, Mary's husband, John E. Smith; Dr. Gerald Niles, her step-husband, Lloyd Murry; Silvia Allen, her friend, Mrs. John E. Smith; Aunt Emmy, Mary's aunt, Mrs. Mary West; Florence Almslee, Mary's cousin, Miss Jean Nelson Stella, her maid, Mrs. Herschell Green; Limpy Lannigan, an ex-convict, O. L. Pawver; Officer Shea, an affable cop, P. I. Roberts.

No admission will be charged and everyone is cordially invited to come.

MRS. TRICE IN HOSPITAL Mrs. Lee Trice underwent a major operation Monday morning in the Lubbock hospital. She is reported doing nicely. Her daughter, Peggy, is staying with Mrs. Trice while she is in the hospital.

Dealers Meet Tonight With OPA Officials Retail grocers of four counties, including Floyd, will meet tonight in Plainview with OPA district officials when the group will go into a conference on enforcement measures for food rationing, according to announcement made by local food handlers this week.

What new angles of the rationing program, if any, will be taken up, was not indicated. New procedure in violations was indicated as one of the subjects up to be aired.

Old Settlers Meeting Set For Saturday Second meeting of the Floyd County Pioneers association officers to make plans for the May 28 re-union will be held Saturday afternoon in the county court room at 2 o'clock. With them will meet all committee chairmen, according to their plans.

At this meeting further advance plans will be made. Although some new wrinkles may be sprung on the public at the annual gathering the central idea—that of getting together and enjoying each other for the day—will be followed as has been the custom in prior years.

Committee chairmen named at the meeting of officers and directors in the home of the president, Mrs. Ella B. Starks, are as follows:

Finance, Gen. L. Pawver; seating, Lee Howard; parade, Oscar L. Stansell, registration, Mrs. Mary Ross; badges and tickets, R. E. Fry; memorial, Mrs. J. E. Green; relics, J. T. McLain; square dance, Ham Smith; tables, Ben Guiley special dinner, Geo. L. Pawver; entertainment, Glad Snodgrass; publicity, Homer Stoen.

Old settlers far and wide are invited to attend this year, since it is the first postwar year of the re-union. Many who have been prevented from attending by gasoline shortages and other emergency conditions during the war are expected to be present.

KEITH TYE DISCHARGED Keith Tye received his discharge about three weeks ago and has been visiting his parents here, Mr. and Mrs. W. O. Tye. He was discharged with the rank of Lt. (j.g.) of the U. S. Navy. He has been in service three years and nine months making two trips overseas, each time staying nine months.

He plans to go to California May 1.

PAYING FOR THE FUN

That it helps somewhat to make the fun take on a more sensible aspect when you begin to pay for it, is indicated by the fact that youngsters with pent up energy and too much time on their hands are leaving the city lights alone since the recent payment of a considerable number of fines.

In Floydada, and Lockney as well incidentally, youngsters had been finding the street lights good hunting. Street lights are always good targets in this part of the world. Shooting them out has become a sort of fad for some weeks. It was costing the City of Floydada a pretty penny and, while the scarcity was pronounced, was making a replacement problem.

Things like that go somewhat in cycles. The State Highway department is having considerable trouble has been at least, with signs and other movable highway improve-

Fed on Ful-O-Pep All the Way

Fifteen-year-old Howard Prealar, Texas club boy from San Angelo, proudly displays his 1040-pound Angus Steer, Mustang Pride, which topped the Grand Champion Steer award over some 600 other entries at the 1946 Houston Fat Stock Show. Mustang Pride, bred on a ration of grain and Ful-O-Pep Calf Starter and Ful-O-Pep Horse Feed, brought his young master an even \$10,000 on the auction block... one of the highest prices ever paid for beef on the hoof.

This splendid individual, along with many other champions at major shows in 1945 and '46, is outstanding proof of the kind of a job being done by the junior feeders of America. We are proud that so many of these champions were fed on rations which included Ful-O-Pep Feeds.

Ful-O-Pep helps produce champions because it contains such nutritive ingredients as Concentrated Spring Range*, Nature's Richest Vitamin Combination, plus other vitamin-rich sources. Ful-O-Pep gives that vitamin-boost that helps grow big, rugged, deep-chested calves with soft, pliable hide, smooth, silky hair, and firm, even covering... qualities the judge looks for in champions.

ments helpful to motorist. The little roadside park immediately east of Floydada was torn completely up or down—recently much to the distress of the ladies sponsoring its improvement. Probably a different set of youngsters or elders. Anyway in the night things happen. Most annoying to the elders of the community, as probably intended to be. Good, big joke on them. As for instance, a 30-mile sign to Plainview turned so it points down toward the business district of Floydada.

IS THERE ANY USE?

Speaking of the damage done to the roadside park, we are reminded of what a patrolman told its sponsors when they began work after getting permission. "Not any use to waste your energy on a park in this part of the country until the people change their attitude." The patrolman had seen a number of things that had happened. He may have seen the Northwest park in Floydada after hoodlums had made a shambles of it a few years ago. Some club, probably the garden club had spent considerable time and money. The little park had begun to be attractive with grass and flowers and some landscaping. If whomsoever tore it up and hung out the insulting signs were present to see the indignant disgust on the faces of the women they must have felt amply repaid.

GOOD CROP OF PEACHES

A good crop of peaches is on the trees in Floyd county. Neither the Thunder of February nor the Easter season could bring enough pressure in the elements to make any appreciable showing of cold weather. February thunder brought a high frost only on the face of the thermometer and Easter did hardly as well. Meanwhile the mesquites have budded, the wild rye has come up and is started to wilt out according to nature and no frost. Not only peaches but pears and plums as well in the small orchards that dot the country, and backyard plantings. So there'll be considerable fruit coming in Floyd county this late spring and summer, and some fruit to eat as is fresh from the tree.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

Things are beginning to quiet down after the arrival of our son, Wilson from his long stay overseas. We have had a glad reunion and it makes us happier to know that families are being reunited all over the land. Yesterday, Sunday when we got home from church, we had a happy surprise. Turkey and dressing, pies and cakes and salads were on the table relatives and friends ready with their smiles at the astonishment on our faces. Mr. and Mrs. Oren Wheeler, Margaret and Silas and daughter Jeanette, Jelora and Dan, Paul and Wilma and Joe Ellis were all here. The dinner was for both Wilson and Si, who have recently returned home. It was a pleasant day.

Church services were unusually fine. After Brother Hartley preached an inspiring Easter message there was a wedding. Miss Ruth Bartley played the beautiful wedding march and we watched our friend, Thula Moore plight her troth to the one she loves. There were tears in our eyes as we sat there during the lovely ceremony. We saw Thula as a tiny baby, sweet and winsome. We remembered her as a laughing little girl with long dark curls; then as a charming young lady. Now she was in the church again, looking as sweet as the beautiful bride's bouquet of pink roses she carried. May we see her and her good looking young husband in our church often as the years go by.

Wilson says if he could find the way to cut off the butane from the house he would do so. He cannot stand the heat. "There is no place in the world so cold and damp as an old stone house in France without much if any fire." I manage to keep comfortable or about so, but many who lived over there did not. The other day I sent him in the locker for some meat and he said that was the most comfortable place he had found.

An unusual washing flapped gayly from the West Texas win in our back yard last week. As I hung up the khakis and the underclothes I kept thinking that these same clothes had gently swayed from a line in England, had been washed in the Seine river at Versailles, France and dried inside an old stone house.

Clouds hang heavy in the south east and west as I write. Thunder is heard which is sweet music to our ears. We long for the silver rain to run across our fields and pastures, and turn like magic the crops and grass into silver to buy with.

Miss Reast, our demonstration agent, taught us how to make pies and custards in our meeting with Mrs. Bennie Davis last week. We like the custard very well and am writing it down for you, just in case you do not have it.

Into a mixing bowl break two large eggs, add 3/8 cup sugar, 3/8 teaspoon salt, 1/4 nutmeg and two cups milk. Beat all together lightly, then pour into pastry in pan which has the bottom of the crust coated with melted butter. Bake in oven for fifteen minutes at 450 degrees, then finish baking at 350 degrees. This makes a large pie and is firm, sweet enough and delicious.

Two good thoughts for the week from "Springs in the Valley" by Mrs. Chas. E. Cowman:

The other evening I found myself staggering alone under a load that was heavy enough to crush half a dozen strong men. Out of sheer exhaustion I put it down and

had a look at it. I found that it was borrowed. Part of it belonged to the following week - and here was I borrowing it that it might crush me now! It was a very stupid but ancient blunder.

The Lord took His apostles aside when they were fatigued, and said "Let us rest awhile." He never drove His over-tired faculties. When tired, "He sat by the well." He used to go and rest in the home of Martha and Mary after the fatigues of working in Jerusalem. The scripture shows that it was His custom - to let tomorrow take care of itself and merely meet the evil of the present day.

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago. (Issue of April 28, 1932)

Robert Medlen was elected president of Floydada Rotary club at Wednesday's luncheon of the club basement of the First Methodist church. R. E. Fry was elected vice-president and S. W. Ross secretary. He succeeds himself. New directors are Carl Minor, Wilson Kimble and H. G. McChesney. The new officials assume their duties at the first meeting in July.

Plans are not complete for the closing of the East Ward school and it has not been definitely decided whether a special program will be given. It was announced this week by Principal J. H. Myers. Kathryn Daniel, daughter of Mr. and Mrs. R. O. Daniel of this city received a score of perfect on her music memory paper graded recently at Austin.

Selma Linder is valedictorian of the senior class of Floydada high school with an average of 92 for the year. Ersel Matthews was salutatorian and honor boy graduate with an average of approximately 91. Elizabeth Daniel was third high student with an average of 90.

Members of the Owl's 42 club and other guests were entertained Tuesday evening by Mr. and Mrs. W. Edd Brown at their home. J. M. Wilson held high score for the guests and Mrs. Carl Minor and O. P. Rutledge for the members.

Clifford Trowbridge, formerly of Floydada, of the Harmony community and Miss Susie Smith, formerly of Harmony, were united in marriage Tuesday morning at 10 o'clock at Olton.

A very interesting program on "Citizenship" was rendered at the meeting of the 1922 Study Club held last Thursday afternoon at the home of Mrs. Edd Johnson.

An informal dinner and the initiation of three new members followed the meeting Monday of the P. W. G. Club held in the club room, Readlimer building. New members received into the club were Oleta Jackson, Myrtice Messard and Elizabeth McKinney.

Miss Emma Krause, who spent the winter here with her sister, Mrs. George Pinkner, left Tuesday for Idaho Springs, Colorado, to spend the spring and summer months.

What is your GUESS? on our profits...

SOMETIMES, although an idea is wrong, it does no harm. Like the idea that a square jaw is the sign of will power. That winters aren't as severe as they used to be, or that red hair denotes quick temper.

But there are other wrong ideas, which are definitely harmful to public confidence in and understanding of industry. One such idea is the current "guessing" about profits made by large business organizations.

Many people are apt to grossly exaggerate the money made by business. So Opinion Research Corporation (an independent organization) made a survey to learn just what the public thinks about profits. Compare these guesses and yours with the International Harvester profit figures given below.

Public guess on war profits... 30.0% I H four war year average profit... 4.9%

In this survey, the average of the war-time profits made by industry was... thirty per cent (30%).

But in the four war years of 1942, 1943, 1944, and 1945, the profits of International Harvester Company averaged only... 4.9% on sales. Less than one sixth of what the general public "guessed" for all industry.

For this period, the year by year per cent of profits on sales was: 1942-7.34, 1943-5.59, 1944-3.95, 1945-3.93.

Public guess on peace profits 18.0% I H four pre-war year average profit... 7.17%

In the four peace years of 1938, 1939, 1940, and 1941, the profits of International Harvester Company averaged... 7.17%. This is well under half of what the public "guessed" for all industry.

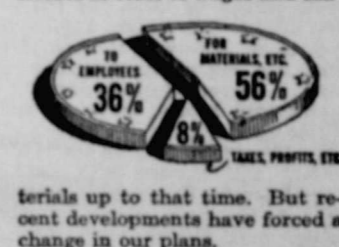

Majority think fair profit in normal times is... 10% I H ten-year average is less than 7%

The survey indicates the public knows that in our economy profits are indispensable. And the majority regard 10% as a fair

rate of profit in normal times. Many large businesses, including ourselves, would consider it a banner year if we could reach this figure. Our average profit for the last ten years—four war and six peace—was 6.43%—more than a third less than what the public considers fair.

All these figures show that our profits are not high. As a matter of fact, the entire farm machinery industry is a low profit industry. In 1944, the Federal Trade Commission published a list of 78 industries ranked in order of their ratio of profits to sales. The farm machinery industry was 57th on the list.

When the War ended and we planned our peace-time production, we had hoped to be able to serve our farmer customers at the same level which has held since 1942, regardless of war-time increases in costs of wages and ma-

terials up to that time. But recent developments have forced a change in our plans.

SAND HILL CLUB STARTS LENDING LIBRARY PLAN

The Sand Hill Home Demonstration club met April 10 in the club room. A report of the income from the pie supper held April 5 was given, which was \$146.50. This makes enough to pay for the refrigerator for the lunch room.

The club voted to start a lending library. Each member is to bring at least one book on any subject she prefers, homemaking, fiction, etc. and any magazines she wishes. Mrs. Jeff Michael and Mrs. Lynn Miller were appointed custodians.

Miss Edith Wilson gave a demonstration on making every day meals more attractive.

Hamburgers, pies and drinks were sold at the ball tournament Friday netting the club approximately \$25.00.

Those attending the club meeting were Mesdames Jake Brock, W. M. Knight, Jim Holmes, Jeff Michael, Wayne Billington, Eddie King, Ed Holmes, Albert Pricer, Roy Hollums, Arlon Miller, W. M. Jeter, Lynn Miller, Miss Wilson and a guest, Miss Verona Miller.

Mrs. Ed Holmes gave a book review at the April 24 meeting.

FLOYDADA METHODISM GROWS

In a great service on Easter Sunday morning First Methodist church of Floydada received 35 new members into its fellowship. Of this number 19 were received on profession of faith by baptism and vows. The remainder were received either by vows or transfer of their membership from elsewhere.

There are a substantial number of other persons who have indicated their definite purpose to unite with The Methodist church in the immediate future, affiliating with the First Methodist church in Floydada.

In the Easter morning service the robed choir presented a lovely Easter anthem entitled "Easter Dawn" by Nolte, after which the pastor, Rev. Lloyd H. Jones, delivered the Easter message. The entire lower floor of the sanctuary was filled to capacity for this service.

Mr. and Mrs. Thomas Flynn Thagard of Canyon, Texas, was here over the week-end visiting with Mr. Thagard's parents, Mr. and Mrs. Flynn Thagard. Thomas Flynn is attending West Texas State college.

Conservation District News

Supervisors of the Floyd County Soil Conservation district met in a regular meeting Tuesday morning. Supervisors present were W. F. Ferguson, W. H. Nelson, M. H. Taylor and Cecil Purcell. Also present was District Conservationist, W. Scott Amend of the Soil Conservation Service.

Plans were made to attend a field day meeting at the Amarillo experiment station next Monday. At this time they will see experiments being conducted in stubble mulch tillage, grass planting, the use of various tillage implements and other phases of soil conservation work.

Conservation plans were approved on farms of the following men: Milton Shore, V. C. Permenter, J. W. Jones, W. W. Cooper, Lee J. Burgett, F. R. McClure, Doyle Harrison, G. D. Russell, R. E. Brown and A. D. Bassell. These men are now district cooperators and will receive assistance from the district with their conservation work.

Harmon L. Handley of Lockney has started his new well and is watering wheat with ditches laid off by the soil conservation service technicians who are assisting the Floyd County Soil Conservation district with its program.

P. R. McClure of the Lone Star conservation group is irrigating with new ditches recently laid off with the help of the district and states that the new ditches have made it much easier for him to water since he can make longer sets and get more even distribution of water.

Henry Schacht of Lockney has finally decided to let vetch have its way. Last summer he decided to plow his vetch under for a green manure crop. After plowing it he planted alfalfa on the same land. Enough vetch seed remain to furnish a good volunteer stand of vetch. He grazed the crop most of the winter but took off about six weeks ago. Now the vetch is knee high and the alfalfa can just barely be seen. Mr. Schacht says he is now in the market for a mower or combine that will harvest such crop.

BRYAN COLLINS RELEASED FROM MARINE CORPS SERVICE

Bryan Collins was discharged from the U. S. Navy at Norman Oklahoma, and returned home Saturday. He has been in the Pacific at Guam and other points, during his service abroad.

Bryan is the son of Mr. and Mrs. Walter Collins.

Mrs. Alva Redd and her mother Mrs. L. L. Clark made a business trip to Lubbock one day last week.

Mrs. Harlan Day was a visitor of Mrs. Wanda O'Neal on Tuesday of last week.

REPORTER HAS ABOUT VARIOUS SHE FINDS WRONG
Floydada, Texas, April 20, 1946. Floyd county people...

see no other course of action for me.
Needed a Telephone
I have made my home with Mrs. Wade since November 14, only a few days since the passing of her husband. She has had in her application for a telephone for over a year now, and yet nothing can be done about it. Last December I asked for a telephone because of my work as a reporter, only to learn that a reporter does not have any priority. Also in case of illness, people are supposed to have some consideration but I also find they do not here because poor Mr. Wade lay here for three long years the victim of paralysis and Mrs. Wade with a very difficult heart condition. If you wish you can check with Doctors and verify this statement.
In February I called from a friend's home and inquired again as to when it would be possible for me to get a telephone and the reply was shortage of help, material and so on. Then I inquired why some girls got a telephone, and the reply was they did not, it was the lady where they lived, and she got it on account of illness, and also told of two other parties who got one on account of a bad heart. Then I asked why Mrs. Wade could not get one, since her application had been in for so long, and her condition so poorly. The reply to that was "her house is blocked." Yet this week two telephones have been put in near her home, and one of these people...

who did not even ask for a telephone but were called up about a month ago, and said "If you want one we have a lot now."
I came to Floydada last August for relief from bronchial asthma, hay fever and sinus. I have worked all except October and November of that time, and I am thankful for that, and do appreciate it too. After about four years in the defense line up, (mostly night duties because I had no home or family to worry about and could work those difficult hours. I took it on the chin like a veteran) I feel that I have done my share for America in this national crisis, and I am not asking any returns, but I am stating my views on the matter.
Just Reading Fairy Tales
I have always more or less held Texas in my mind as "somewhere sorta special, or something similar", but I am beginning to fear I have been reading to many fairy tales and have just begun to wake up to the brutal fact that the "hog eat hog" method is just as bad in Texas as any place I have ever been, California, Arizona, etc.
I have always felt that Texas men were honest and honorable over and above any men anywhere, and yet three men have deliberately tried to break my heart and wreck my life, and those men were all raised in Texas, one I did meet in Arizona, however.
One more thing I want to mention, a few weeks ago I attended church in one of your leading churches, and at the close of the service people pushed and crowded and jammed like sheep, or cattle until I finally stood aside and let a number of them pass. A group of ladies were saying "I do declare the services get more boring all the time". I wonder just how many of those ladies would be willing to meet me anywhere and all get down on our knees and offer a prayer in behalf of the starving people of the war-torn countries or to tighten up belts a little tighter that at least one poor starving soul over there might keep soul and body together just one more day? Folks let us wake up to the crises before us—people are starving and we aren't interested enough to care, or to sacrifice one luxury for those souls who have so little, and only ask for food.
End of War Regretted
Not only a few weeks ago the story came to me of a woman who said "I sure hated to see this war end, my husband has been making such good money". Another woman (of the elite set in a certain city) one day received a long distance call from her son who had recently arrived stateside. This son pleaded with her to bring a buddy home with him who had sacrificed one arm and one leg for America over there, and her reply was "Oh son, we are so terribly busy it will be impossible to take on any responsibilities just now". Later that mother received the sad news that her son had killed himself in the hospital from which he was calling. Folks he was that buddy. Is that what our American boys are coming home for and is that the care and consideration they are coming home to? Only last week a veteran said "I had a better time over there than I do here, but of course I am not going back." Think this over Americans.
I have made many swell friends

CHAS. A. BAKER COMPLETES INTERNSHIP; NAVY MAN
LOCKNEY, April 19—Lt. (jg.) Charles A. Baker, son of Mr. and Mrs. Robin Baker of Plainview former Lockney residents, has completed his internship at Kansas City and been transferred to Corpus Christi where he will be on duty at the Naval base. He recently spent a few days with his parents in Plainview between stations.
TWENTIETH ANNIVERSARY
LOCKNEY, April 19—Dwight Jackson and the Jackson Tire company will celebrate the 20th anniversary of establishment in Lockney on April 24, next Wednesday. Starting out modestly in 1926 the Jackson Tire company has grown into one of the largest tire sales and auto company service stations in this area.
Employees now numbering four are Kelly Webster, Al Dutton, Harmon Mills, and Whiz Cox.
Hollis McLain S 1/c U. S. N. is to arrive in California about 10th of May. He has been in service nearly two years serving a great part of that time overseas, mostly in Japan and near Manila. He is in the submarine division. He expects to be discharged around June 2. He is the son of Mr. and Mrs. J. T. McLain of Sand Hill.
EASTER HOLIDAY GUESTS
Mr. and Mrs. J. F. Colston of Lockney had as their visitors over the Easter holidays Mr. and Mrs. Bill Belcher and daughter, Evelyn of Roosevelt, New Mexico, R. L. Lowe, Miss Addie Allred of Dexter New Mexico, Mr. and Mrs. Lee Allred of San Angelo, Texas, and Mrs. W. A. Colston of Floydada. A delightful day was enjoyed by all.
while in Floydada and I do appreciate them and shall always love and cherish them. One great philosopher said "Remember your friends and forget your enemies". That is hard to do, but if it is possible I shall go all the way to do that thing, for some times it is hard to forget, and other times is hard to remember.

A Vital Message To Men Who Feel Old
Why not regain the vim and vitality you once enjoyed?
Life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Just ask your druggist for CASELLA stimulating tablets. Take as directed on label. Don't feel old and worn out at 40, 60 or more. Take these tablets regularly until you feel that you have regained the pleasure of living you once enjoyed. Why be discouraged? Why not try CASELLA tablets and regain the verve and zest of a much younger man? There is nothing harmful in these tablets. They contain Celery seed, Thymia Chloride, Passion Flower, Iron. Ask your doctor or druggist about this formula.

Couple Takes Nuptial Vows at Church

The First Christian church at Fourth and Missouri streets, was the setting for a beautiful, formal wedding on April 16, at 6:00 p. m., when Miss Evelyn Withers, attractive and popular daughter of Mr. and Mrs. L. G. Withers, in a double ring ceremony, became the bride of Eugene V. Boren, son of Mr. and Mrs. W. C. Boren sr., of 2413 Prescott, Corpus Christi, Texas.

Pre-nuptial music was played by Mrs. Ohmer Kirk at the piano, with the bridal marches being played by Mrs. J. Morrison Hollums at the organ. Selections chosen for the occasion were strains from "Moonlight Sonata," by Beethoven, "Quartet in G Minor," by Schubert, "Minuetto," by Schubert, and "Impromptu," by Schubert.

During the playing of the last number named, the candlelighter appeared and passed down the aisle to light tapers from candelabras on each side of the altar, and to tie the pews with white tulle as they returned to their station by the door. These girls were the Misses Joy Lambert and Betty Lou Tye. They each wore white net dresses, also wore corsages of cerise pink carnations.

A beautiful background of white gladioli, white snapdragons and huckleberry in tall tiffany vases composed the flower background. A large basket of white gladioli and snapdragons also formed a background in the baptistry of the church. An arrangement of white gladioli, snapdragons and potted ferns flanked the lighted altar before which wedding vows were exchanged on a kneeling bench.

Miss Patricia Kirk sang "At Dawning" by Cadman, and "Because" by D'Almeida. Miss Kirk wore a white vestment with a red carnation corsage and red carnations in her hair.

After the songs were sung, followed strains of "Serenade" by Schubert and at this time the ushers entered. These were: David Walker of Pharr, Texas, and Olin M. Watson, jr., of Floydada. Each wore dark suits with a boutonniere of white carnations.

The groom entered with his best man, Ted Bell, and the minister Rev. L. A. Doyle sr., before whom the wedding vows were to be taken. All wore dark business suits with boutonniere of white carnations.

At this time came the first of the bridesmaids, Miss Alice Bell, who wore a pastel blue taffeta gown with a sweetheart neckline. Miss Bell was followed by Miss Alice Osborne, cousin of the bride, who was wearing a pastel pink taffeta gown. Both bridesmaids carried matching bouquets of Briarcliff roses, and white candytuft nestled in blue maline and blue satin with a matching arrangement of pink roses in their hair.

At this time the organ was heard in the wedding march by Loehring and the bride entered on the arm of her father, who gave her away. The bride wore a beautiful white Henri Bendel model nixon tufted in seed pearls. The gown was made with a round, high neck, yoke of net around which was embossed a rich pattern of flowers and leaves. The sleeves were short and full puffed. The waist was a beaute with a full, ruffling, flowing skirt with a long train. She wore mits to match the gown, and a tiara of orange blossoms caught her fingertip veil. For jewelry she wore a beautiful set of diamond ear rings which was the groom's gift to her. She carried a bouquet of white roses with maline and white candytuft entered with a large orchid.

The father was dressed in a dark business suit with a white carnation boutonniere.

Both bride and groom took their place on the kneeling bench, at the altar. Soft music was played throughout the ceremony. The selections chosen for this were "Clare de Lune," by de Bussey, and "Liesbestraume," by Litz. At the close of the ceremony Miss Kirk again sang this time "The Lord's Prayer," by Malotte, after which the minister asked in prayer for spiritual blessings upon the young couple.

Again the organ was heard, this time in the "Recessional," by Mendelssohn, and the group again passed slowly up the aisle. Miss Kirk caught the bridal bouquet.

The bride's mother, Mrs. L. G. Withers wore a combination black jersey and blue lace evening gown with a corsage of gardenias with a matching hair-do of gardenias.

The groom's mother Mrs. W. C. Boren sr., wore a sheer black evening gown with a matching corsage and hair-do of gardenias. The groom's father W. C. Boren sr., wore a dark business suit, with a white carnation boutonniere. After a reception held at the home of the bride's parents, the young couple left for a wedding trip to New Orleans, and plan to make their home in Corpus Christi.

The bride is a graduate of Floydada High school and Wayland college, also Lippert's Business college Plainview, specializing for a court reporter, and has for the past five or six months been employed in the office of District Attorney, Richard Stovall.

For a going away suit she chose tulle colored wool, with black and white accessories, and a corsage of orchids.

The groom is a graduate of Floydada High school and attended Washington and Lee University in Lexington, Virginia, and returned a few months ago from 21 months

Evelyn Withers became the bride of Eugene V. Boren of Corpus Christi, in a double ring ceremony performed at the First Christian church April 16. Mrs. Boren is the daughter of Mr. and Mrs. L. G. Withers of this city.

Sylba Russell Bride of Roy Lathem In Ceremony at Church

Sylba Russell, daughter of Mr. and Mrs. C. A. Russell, and Roy Lathem, son of Mr. and Mrs. M. E. Lathem, were united in marriage in an impressive ceremony at the Nazarene church April 18. Rev. Arch Gibson officiated in the single ring ceremony.

The pre-nuptial music was played by Betty Griggs who played "Aloes" and "I Love You Truly" was played softly during the ceremony.

The bride wore a navy blue street length dress with black accessories. Her corsage was of white carnations. For "something old" she wore a gold bracelet worn by her mother on her wedding day. For "something borrowed" she wore a gold necklace belonging to the groom's mother.

Mrs. Wayne Russell, sister-in-law of the bride, presided at the bride's book in which 42 guests registered.

Mrs. Lathem will be a graduate of Floydada High school with the class in May.

Mr. Lathem is employed at present with the Soil Conservation service.

The couple left immediately for Carlsbad for a brief trip. They will be at home one mile west of town.

Vows Sunday Unite Erma Fulkerson and Roland R. Boenig

Miss Erma Fulkerson, daughter of Mr. and Mrs. C. P. Fulkerson, and Roland R. Boenig, son of Mr. and Mrs. Emil Boenig of Seguin, were united in marriage in the First Baptist church in Plainview on Sunday, April 21, at 3 o'clock in a candlelighted service.

The bride, given in marriage by her father, was attired in a white crepe street length dress with a white bridal hat with elbow length veil and elbow length gloves. She carried a white Bible topped with white carnations with white satin streamers.

Two selections, "Liesbestraume" and "Indian Love Call" were played by Mary Frank Day. Georgia Mixson sang "I Love You Truly" and "Because" accompanied by the organist.

Miss Charlene Fulkerson, sister of the bride, attended her as maid-of-honor. She wore a pink silk net short formal dress. She wore a corsage of white carnations.

Miss Naoma Kimball of Amarillo was bridesmaid and wore a blue net silk short formal dress with accessories to match. She wore a corsage of white carnations.

Mrs. C. P. Fulkerson, the bride's mother, wore a navy blue dress with rose accessories. Mrs. Boenig mother of the bridegroom wore an aqua dress with black accessories. They both wore corsages of gardenias.

Following the ceremony the wedding dinner was served at the bride's home for the immediate families of the bride and bridegroom.

Afterward the couple left for a wedding trip to points east. For the trip the bride chose a three piece blue gabardine suit and she wore pink accessories.

Mrs. Boenig was a graduate of Floydada High school and attended Wayland college and received a degree in business administration from West Texas state. For the

Moore-Cole Wedding Sunday Afternoon At Methodist Church

The First Methodist church was the setting for a beautiful wedding on Sunday April 21, 1946 at 2:00 p. m. when Miss Maudene Moore, daughter of Mrs. Lula Moore became the bride of Robert Cole, step-son and son of Rev. and Mrs. L. D. Ballard of West Kentucky street.

Miss La Nell Harmon and Miss Wanda Carroll, both of Lubbock were candlelighters, lighting tapers from candelabra, forming a group of fourteen, which made a beautiful scene.

The double ring ceremony was performed by Rev. L. D. Ballard pastor of the Cumberland Presbyterian church, and step-father of the groom. N. W. Williams, uncle of the bride, gave her away.

Miss Jane Clark, was maid-of-honor. She wore an aqua blue street dress with black accessories and white corsage. L. D. Ballard of Plainview, cousin of the groom served as best man. Tom Ballard, half-brother of the groom served as usher.

Miss Oragene Willson played "Here Comes The Bride", by Loehring; and during the ceremony she played "To A Wild Rose", by McDowell.

The bride was dressed in a grey suit with rose accessories, and carried a white Bible on which rested a bouquet of pink roses. The groom wore a dark suit with a white carnation boutonniere.

Mrs. Moore, mother of the bride wore a navy blue crepe dress with rose accessories.

Mrs. Ballard, mother of the groom wore an American beauty rose dress with black accessories, with a white rose-bud corsage.

Baskets of mixed cut flowers on each side of the altar formed a striking background for the candlelighted scene.

The bride graduated from Floydada High school with the class of 1942 and was attending Draughon's business college in Lubbock at the time of her marriage. She had formerly been employed at the McDonald Hardware, and Bishop's Drug store.

The groom graduated from Owensville, Indiana, High school in 1943 and about a month later he went into service in the U. S. Navy, having served two years and three months. After his release from service he was employed for a short time at the Looper-Fenner grocery also Hale's Department store, before entering this term as a freshman at "Tech", where he is majoring in business.

After the reception for the young couple was held, they left immediately for a short wedding trip, after which they will be at home at 2411 21st street, Lubbock, Texas.

Williams Honor Couple A reception was held from 2:30 until 3:00 o'clock in the home of the bride's uncle and aunt, Mr. and Mrs. N. W. Williams who live at 215 West Houston street, for the young married couple.

A two-tiered wedding cake decorated in white and pink with a miniature bride and groom on top centered the serving table. Candelabra held six lighted candles on the table.

Miss Jane Clark presided over the punch bowl with Miss Oragene Willson serving the cake, after the bride, assisted by the groom cut the first piece. Miss Maree Garrett was in charge of the guest register.

Out of town guests were Mr. and Mrs. J. A. Ballard of Estelline, Mr. and Mrs. S. D. Ballard and daughter Jennie Lou of Plainview, Mrs. Ted Carroll, of Lubbock, Mr. and Mrs. F. O. Hodge and daughter Lovelle and Nelda Lou of Lakeview, Misses Vivian and Veda Smith, Wanda Carroll and Maree Garrett all of Lubbock, and William E. Stockman of Canyon, Texas.

Others present were Mrs. L. D. Ballard, Rev. and Mrs. Lloyd Jones Mr. and Mrs. W. H. Henderson, Mr. and Mrs. M. L. Solomon and Jerry Lee, Miss Lillie Solomon and Carolyn Tye.

Vida Bee More, Troy B. Wellmaker Vows Said Sunday Evening

The parsonage of the First Christian church was the chosen site for a quiet, and informal wedding on Sunday evening at 9:15, April 21, when Miss Vida Bee Moore of Cleburne, Texas, became the bride of Troy B. Wellmaker, son of Mrs. Mary Wellmaker, and brother of Mrs. Frank Simpson of Floydada.

Rev. Otto F. Marshall performed the single ring ceremony. Miss Jewell H. Smith and Lewis W. Simpson attended the couple with Mrs. Otto F. Marshall, wife of the minister, present.

The bride wore a navy blue crepe suit with white and black accessories. The groom wore a dark brown suit. The bride's attendant was dressed in a black crepe dress with white accessories. The groom's attendant wore a corresponding dark brown suit.

The living room was cozy, and cheerfully decorated with a large basket of mixed, cut flowers, and a smaller basket of snowballs. Mixed bouquets were on the library table also on the piano, with a low bowl of red carnations on the dining room table.

The bride has made her home in Cleburne for the past nine years being employed in a grocery store as cashier until ten days ago when she returned home with Mrs. Frank Simpson, sister of the groom to prepare for her wedding. She is a cousin of Mmes. J. T. Poole of Dougherty and L. G. Norrell of Floydada.

The groom spent some time in the U. S. Army and overseas, being in the medical detachment at the time of his discharge last September from Ft. Logan, Colorado. He formerly lived at Springfield, Colorado and has been making his home in Floydada since he returned to civilian life. He has been employed by Art Willis contractor until recently. He took over the duties as caretaker of the Country Club on April 2, where they will now be at home.

Joe Smith Letter, Written in Pacific, in Memorial Library

Joe Smith, son of Mr. and Mrs. Charles B. Smith of Harmony, was on Okinawa when President Roosevelt died. He wrote his parents a letter about the president's death.

Later a copy of this letter was sent to Mrs. Roosevelt by an uncle, W. C. (Bob) Trowbridge of California, who was so impressed by it, Joe received a personal letter from Mrs. Roosevelt saying the letter had been put in the President's Memorial library at Hyde Park to be preserved.

Joe is now discharged and employed at Lubbock by the Federal Crop Insurance Corporation.

Mrs. Oran Beck of Amarillo spent from Saturday until Monday in Floydada the guest of Miss Thelma Doyle.

Bill Taylor arrived stateside on Monday April 22, and is stationed at Austin awaiting his discharge, expecting to be home in a short while.

Miss Thelma Doyle came Thursday night of last week and visited in the parental home until Monday of this week, when she returned to Abilene.

Helps build up resistance against MONTHLY FEMALE PAIN

When taken regularly! Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to functional periodic disturbances. It also relieves accompanying weak, tired, nervous, jittery feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such monthly distress. Pinkham's Compound is worth trying!

Hits on Formula For School Teacher

Mrs. R. G. Dunlay, primary teacher at South Plains and a former member of the Mineral Wells faculty, hit upon the following formula which if properly mixed results in a teacher:

Select a young and pleasing personality, trim off all mannerisms of voice or deportment, pour over it a mixture of equal parts of wisdom of Solomon, the courage of David, the strength of Samson, and the patience of Job, season with the salt of experience, the pepper of animation, the oil of sympathy, and a dash of humor.

Stir for about six years in a hot school room, testing occasionally with a sharp fork of criticism thrust in by a parent or superintendent. When done to a turn, garnish with a small salary and serve hot to the community.

Oldster Has More Plain Talk For Hesperette Staff

(Recently The Hesperian had an article contributed in which an "oldster" offered criticism of The Hesperette, high school newspaper printed in the Hesperian. The staff replied and here is "Oldster's" rejoinder. --Ed)

Dear Hesperette Staff:
Yes, I remember quiet well when I was sixteen. That was the year I was "fun editor" of my high school news, in a town not too far from Floydada. In that and other reporter jobs I was quiet familiar with the search for news, re-writing awkward sentences, and last minute typing rush. Later I was teacher-sponsoring of a school news for two years.

We had no journalism class either, but with the principal's okay, I did give the reporters credit in English classes for their work. I know and appreciate the effort needed to put out a school news sheet and that is why I have such positive ideas about them.

Nobody asks you to omit all your "fun". Nobody wants a newspaper without the comics, either, but one in which the comics crowded out most of the news and editorials would be even more unwelcome.

Just Keyhole Peeping
As for the "gossip columns", I think they are just an unfortunate mimicry of the "keyhole-peeper" type of columnist, just another case of copying "adult delinquency". Gossip is not improved by being printed, and any such column contains some percentage of unkind gossip along with harmless personal remarks. The youngster mentioned may take it like a good sport, but it causes heartache and embarrassment just the same. Possibly the only reason my high school jokes didn't contain a gossip feature was that the "fad" had not reached the schools; but I sincerely hope that it is out of style again before my two ward-school youngsters reach high school. I think most parents would agree with me that although a gossip column is exciting fun for a certain few, it is superfluous baggage for most readers.

Do you edit the Hesperette for the students only, or do you consider

it an important link between high school and the citizens of this county? Almost every Floyd county community has young people attending Floydada high. (That's another regrettable situation, I think there should be two or three good consolidated high schools for the rural students. But that is another topic.) We taxpayers and parents spend several hundred dollars a year on each of you, giving you the best chance possible to make the citizens, and we are interested in getting a true picture of your education.

Lucky and Don't Know It
Many students, even a few in college, have the idea that the marks on their report cards stand for all their education. Some even cheat or copy or hunt "pipe courses" just for the sake of a few ink scratches on a piece of pasteboard. What counts is what you have learned and how you have learned to use it. That is why your complaint about editing the school paper, the best course in practical writing you can get, gets no sympathy from me. You are lucky and don't know it.

That is not contradictory to my desire to see the honor rolls published. Most good grades are earned by hard work. Also there are many "human-interest" stories such as field trips of ag class, kangaroo court, in civics, and unusual experiments in science, styles made in the home economics class, unusual hobbies, and sketches of new or little known personalities. You can take the easy way and just print the news handed out by busy teachers; or you can take the hard way and dig out some really good stories.

Pardon me for getting the truth about the senior class gift. I confused it with another senior class gift, one at another school.

In brief, I believe in plenty of recreation and sports, or I wouldn't plug for more facilities for you. I think any youth not interested in fun and sports, and romance, is not developing all the sides of his personality. But I and the other school patrons would like to see more about the other sides of your personality, too. If that is not "considerate", then you are growing up enough to realize that no one gets the "consideration" he deserves; it all goes to infants and clinging vines.

Please accept my congratulations on a fine letter and a very good school paper. Let us hope that you make it an even better paper by using your criticisms not as stumbling blocks, but as stepping stones.

Harold E. Tubbs Served on Three Famous Carriers

U. S. Naval Personnel Separation Center Terminal Island (San Pedro), California 12 April—Harold Edward Tubbs, aviation machinist's mate first class, USNR, resident of 8315 Towne Avenue, Los Angeles, California, and formerly of Floydada, Texas, was honorably discharged today by the U. S. Naval Personnel Separation Center, Terminal Island, California, Captain E. W. Irish, commanding officer.

Tubbs, who enlisted in the U. S. Naval Reserve on 10 April 1940, is the son of Mrs. Lucille M. Tubbs, who also resides at 8315 Towne Avenue, Los Angeles.

During the six years of his naval service, Tubbs served on three famous carriers. From October, 1940, until June, 1941, he was on the USS Enterprise; from July, 1941, through October of that same year he was on the USS Hornet, the carrier which later on won a place in history, by carrying the Doolittle fliers to the place from which they took off to bring the first ravages of war to the Japanese homeland; and from July of 1943 until March of 1945, Tubbs was on board the USS Casablanca.

The above named separatee was authorized to wear the Asiatic Pacific theatre ribbon with seven stars; the American theatre ribbon, the American Defense ribbon with one star, the Victory medal, and the Good Conduct medal.

The USS Enterprise, on which Tubbs served, received a Presidential Unit Citation for outstanding action in the Pacific area during 1942.

The former aviation machinist has a total of thirty-eight months overseas duty to his credit.

INSURANCE FIRE

From one to 12 farmers each week are over to their own Texas Farmers Union Fire Insurance Company. The rates are less than half—no depreciation—and it's fine to own your business.

Mrs. J. D. Christian recently took a Farmers Union Fire Insurance policy on her home in Floydada and that's the policy that sent us over the dollar mark in Fire Insurance in force in our own company! We thank Mrs. Christian and we thank the many others since that have started us our way in the 2nd Million.

The rates are \$30 for 5 years per \$1,000.00 in 3 payments if you wish. No interest.

Olin Bryant this week took a \$2,500 Fire insurance policy on his home and paid the total of \$75 in the 5 years. He knows he saved more than \$75. You too are welcome.

Listen to "A Farmer's Life" K. V. O. P. each urday—in the Noon Hour—12:45 to 1 p. m.

HAIL INSURANCE

Why don't local agents print their rates for coverage? Are their rates too high?

Be careful that you don't pay the same rates advertise, then be forced to stand 10% of your loss! Check the records. The farmers that have been burned with the 10% deductible, don't want more of it. Yet some farmers are buying it.

Our rates for full coverage are: Cash \$12.00 note \$12.60. You save around \$60 on your premium for each 100 acres you insure at \$10 per acre, allowing us to write your insurance. I say keep saving in your own pocket and insure with your Texas home company.

More farmers are checking State Insurance records and more farmers insured with us last year than any other company. I know and you know that farmers can't prosper when they can't even get back their premium money as losses? Now check our record!

Same as last year, we will adjust and allow losses as low as 5%. All losses that equal or exceed \$50 will be allowed as 100% losses. And we did pay losses in full and we do have a reserve of \$142,000. And we do appreciate your business. And we do a lot to appreciate!

Listen to "A Farmer's Life" K. V. O. P. each urday in the Noon Hour—12:45 to 1 p. m.

De Quacker

Everyone's anxious to find out if Glenn and Dwina are going to the banquet together. Now, why wouldn't they?

WHY is everyone mad at La Vell? Roberts, why don't you make up your mind which you like the most—Jo Dan, Ted, Donald Ray? They're all cute you know.

James Finley, you should be ashamed! Remember Saturday. What about Billie F., leaving and Chick fell off the wagon, there were very few casualties.

After the canyon was explored hot dogs, potato chips, lemonade and cookies were devoured by the group.

Members present for the fun were Nita Patterson, Nancy Bishop, Joy Lambert, Mickey Kenamer, June Foster, Lovene Jones, Oragene Willson, Dwina Glassmoyer, La Vell Hall, Valrie Burke, Hughetta Smartt, Marjorie Oden, Jean Cardinal, and Marilheien Lewis.

The guests: G. V. Hall, Tuff Hall, Kelly Hagood, Pete McGee, James Finley, Kenneth Bishop, Tom Ballard, Glenn Carmack, Roy Baxter, Orby McCleskey, Dale Sims and Louis Lloyd.

The sponsors: Mrs. Romane, Miss Swepton, and Mrs. L. L. Jones.

Few Casualties On Club Hayride

Members of the Gamma Sigma Kappa entertained guests with a hay ride, Thursday evening, April 18. They met at high school, at 6:45 then went to the canyon on Roy Baxter's truck and wagon.

Although Squirt stepped in everyone's face trying to take pictures and Chick fell off the wagon, there were very few casualties.

After the canyon was explored hot dogs, potato chips, lemonade and cookies were devoured by the group.

THIS WEEK'S . . . PERSONALITY

Our personality for this week is none other than Beth Hinson, and she has lived in Floydada all of her life. She is 5'3" tall, with brown hair and green eyes, that make all the little green-eyed kittens quite jealous.

Her idea of a luscious dish is lemon meringue pie, and her favorite pastime is flirting. Her heart throb of the moment is Squirt Bishop, but her ever faithful pin-up boy is Lon McAllister.

Her ambition is to go to T. S. C. W. and get married. Her secret ambition has always been to go to Notre Dame with Bobby McGuire. She is president of the Junior Music Club, a member of the Social Club and a reporter on the ever present Hesperian staff.

Beth's dream song is "Star Dust," and she would rather wear shorts than just about anything else. In her spare time she loves to well she just loves to—

Her favorite period of the day is the lunch period, and her pet hate is the piano. Her pet like is also that big junk of man—Squirt Bishop. Her nickname is "Twin" and blue is her favorite color. She decided to get something different for her topic of conversation, so she chose "boys."

The most likable person Beth has ever met is Marlene Foote, and the best reason that she could think of is that she is just Marlene.

I'm sure that we will all agree that Beth is just about one of the most popular girls in the Junior Class, and we are all expecting her to do great things in life and to be successful in life.

ASSEMBLY PROGRAMS

Tuesday morning, April 16, the United States Army Recruiting service showed films pertaining to the U. S. Army Air forces to the student body. The first was "Beyond the Call of Duty," and "Report from the Aleutians" was the title of the second film.

After the program boys seventeen years of age were given information about the armed forces.

Tuesday, April 23rd, the assembly program was given by Dr. Joseph M. Bush, a long famous Marionette entertainer. He did imitations of radio, stage, and screen stars.

The school enjoyed this program very much.

You can't miss! — In any car get an OIL-PLATED engine

CONOCO Nth MOTOR OIL

and remember another big thing: DON'T BUY OILING — SAY N-TANE! . . . CONOCO N-TANE GASOLINE

TRADE MARK CONOCO

Your first big aim: a new car. . . . And now this time you aim to keep it like new! Then don't miss your chance to start right—with an OIL-PLATED engine, ready to fight wear. You can have it in any make—any model—by using Conoco Nth motor oil. This patented oil proved to be a life-saver all through the new-car famine. Perhaps it's been helping your own veteran engine, just as it always guards any engine's insides—by doing its job of OIL-PLATING!

The basis of OIL-PLATING is Conoco Nth oil's uncommon added substance. This acts magnet-like, so that lubricant is attracted . . . bonded . . . OIL-PLATED durably to inner engine surfaces. Their fitness—defended by OIL-PLATING—largely determines how much carbon and sludge you'll escape; how much oil and gasoline mileage you'll get. That's why you want an OIL-PLATED engine—when buying a new car—or when buying your old car's needed oil change for Spring. See Your Conoco Mileage Merchant. Continental Oil Co.

Wheat

(Continued from first page)
 supply of forms for the use of producers and warehousemen in making the sale agreement with the Commodity Credit Corporation.
 Wheat eligible for purchase is wheat which would have been eligible for CCC loans under the 1945 program. On or after the date of delivery, the seller may name the date on which he wishes the purchase price to be determined, but he must submit his request as to purchase date in writing. If no such request is submitted, he will get the market price as of March 31, 1947. The offer to purchase under this plan will remain open until July 1, 1946.
 Purpose of the so-called "wheat certificate plan" is to bring out wheat which is stored on farms awaiting higher prices since the Government has been unable to meet its full quota of wheat for shipment to famine areas.
