## 4-H Girls County Contest Will Be Held at High School Saturday

The 4-H County Dress contest will be held Saturday, June 8, in the high school auditorium in Floydada beginning at 2:30 o'clock.

## Angus Associates Are New Owners Armour Station

Armour Creameries, which 12 years ago bought the Floydada Creamery from local interests, which had promoted and started the enterprise on its way, are relinquishing ownership of the business in final details this week.

## Relatives, Friends From Out-of-Town At Campbell Rites

Among the relatives and friends to attend the funeral of Mrs. T. J. Campbell here last Thursday were Charlie Campbell of Wilson, Texas.

## Mrs. W. B. Jordan is Chosen Chairman for Floyd County of Food Drive for Famine

Mrs. W. B. Jordan has been named chairman of Floyd County's drive to help feed the starving people of war devastated countries.

Details are given below by Mrs. Jordan as to how to send food that you can, or if you prefer, to give money.

The people of Floyd county are asked to help feed the starving people of war devastated countries across the sea.

We are asking every citizen of Floyd county to help in this worthy work. You can do it as individuals or in organizations. We are asking every lodge, club, church, Legion, Boy Scouts or what not to have a part.

Money is preferred as it will buy more in quantities, but foods can be sent if you wish. You must send it

in tins only. I will furnish the warehouse collecting address as soon as I have received it.

Sending money simplifies the work. Each individual can send his or her own check or the organization can send the money to National Treasurer, Emergency Food Collection, 109 Maiden Lane, New York 7 New York, and the help is on its way. Do this at your first meeting, do it and you have saved the life of some or many.

If you send canned foods these are suggested, milk (condensed, evaporated or dried), meat, fish, peanut butter, baby foods, baked beans, stews, soups, honey, fruits, juices, and vegetables. Each organization will collect pack and deliver to the depot their foods to the address I will furnish you.

## Momentum of Grain Harvest Mounts Hourly As Men and Machines Pour Into Fields

## Softball Schedule, Interrupted By Harvest, to be Completed as Let-Up of Rush Season Permits

Softball as played in the city league is going to be on somewhat of a catch-as-catch-can style for the next week or possibly two or three weeks, Garland G. Glover, league czar, said yesterday. The harvest has disrupted the schedule already this week and will do so for awhile longer.

One team, Lakeview, has played slightly ahead of their schedule to take care of their games next week and two or three others have taken a bye until they can get through the rush. Teams which happen to have their players available when playing time comes will go ahead.

With this general understanding, Glover said that the schedule would be played out as arranged except for dates before the season is over.

None of the teams will lose their games by forfeit because of inability to meet their opponents while the harvest is on.

Standing of the Teams  
Team standing yesterday, with some slightly ahead of schedule slightly some behind, was as follows:

Team	P	W	L	Pct.
Norman	5	4	1	.800
Stansell - Collins	5	4	1	.800
South Plains	5	4	1	.800
Lakeview	7	5	2	.714
Phillips	6	4	2	.666
B. M. D.	6	4	2	.666
Oden - Mag.	5	2	3	.400
McCoy	5	2	3	.400
Hagoods	6	2	4	.333
Starkey	5	1	4	.200
Baptists	5	1	4	.200
Nazarenes	5	0	5	.000

## Pour the Hot Stuff Today on Cut-Off

State Highway Resident Engineer James Potts said yesterday that schedule of work on the Lockney cut-off to Highway 207, Floyd county's first farm-to-market road, calls for the contractors to begin pouring asphalt on the job today.

While Kerr & Middleton, who have the job, have been awaiting receipt of rock and asphalt for the cut off they have been laying call foundation for several blocks of paving that will be finished in Lockney shortly after the highway job is done, Engineer Potts said.

## Billy Joe Cantrell Has Close Call as Gas Fire Victim

Billy Joe Cantrell, son of Mr. and Mrs. Eddie Cantrell, is recovering at the home of his parents here from severe burns sustained Saturday night on the highway near Wichita Falls in an unusual accident.

A returned infantry veteran from the European Theatre, young Cantrell had been down-state working in the harvest. Home for a brief visit incidental to a rain he was accompanied by his mother and a younger brother in a truck to pick up his belongings there.

Enroute home trouble developed in the motor fuel pump, which Cantrell attempted to repair on the road. He put out flames and began work. Gasoline got out of control, soaked his mid-section and ignited. Burning like a torch Cantrell jumped into the barrow ditch and began rolling in the dirt. Seeing his dilemma his mother helped extinguish the flames with her coat.

Treated for severe burns at a Wichita Falls hospital the victim was brought home Sunday afternoon by his father.

## Norman Is Named V.-P. Panhandle Bankers' Ass'n

In a meeting held Monday, June 2 E. L. Norman, vice-president of the bank in Floydada, was chosen vice-president of the Panhandle Bankers Association, which was held at the Herring Hotel in Amarillo.

Several guest speakers were present during the business session. A buffet luncheon was served and a John Snider barbecue was held in the evening at the Tri-State Fair grounds.

## 4-H Girls County Contest Will Be Held at High School Saturday

The 4-H County Dress contest will be held Saturday, June 8, in the high school auditorium in Floydada beginning at 2:30 o'clock.

There will be two divisions; one for girls 14 and over and one for girls under 14.

The Floydada Chamber of Commerce will furnish cash prizes for the winners.

All club members, former club members, sponsors and mothers are invited to attend.

## OES Installs Officers on Friday Night

New officers for the local chapter of Eastern Star were installed in the meeting held Friday night. A memorial service preceded the installation of officers and refreshments were served afterwards.

This was the only event of the year to which the public was invited.

The guest, Mrs. Ila Stinson, deputy grand matron of the order of the Eastern Star, previously scheduled to be at this meeting, was unable to attend.

Officers installed were Hazel Swepston, worthy matron; Hershel Swepston, worthy patron; Helen Patterson, associate matron; Jim Morrison, associate patron; Ann Green, conductress; Amanda Hart, associate conductress; Alta Probaco, treasurer; Vera Meredith, secretary; Maud Merrick, chaplain.

Martha Parrish, marshal; Lou Green, organist; Jean Gordon, warden; Malcolm McNeil, sentinel; Opal Morrison, Adah; Lela McNeil, Ruth; Flora McNeil, Esther, Avis Muench; Martha; Eula Mae Smith, Electra.

## Doyles At Hardin-Simmons College Commencement

Rev. and Mrs. L. A. Doyle attended the graduation exercise of Hardin-Simmons university at Abilene Monday morning at 10 o'clock and saw their son and his wife, Rev. and Mrs. L. A. Doyle, Jr., and their daughter, Miss Theima, receive their diplomas.

## Norman Is Named V.-P. Panhandle Bankers' Ass'n

In a meeting held Monday, June 2 E. L. Norman, vice-president of the bank in Floydada, was chosen vice-president of the Panhandle Bankers Association, which was held at the Herring Hotel in Amarillo.

## 17-Year-Old Minister Speaks at Young People Here

Audrey Teffeller, seventeen year old minister from Childress, was guest speaker to the young people of the Assembly of God church on Friday night.

Wheat was moving from about 135 Floyd county farms to the elevators as of Wednesday afternoon, a check-up among elevator men last night and this morning indicates.

Apparently the area around Floydada had more wheat that was ready for the harvest the first of the week than in any other section. Dougherty and Booths spur showed a considerably accelerated movement late yesterday.

Report from Lockney indicates that dry land wheat is moving more slowly than here and no wheat from irrigated land was known to have been delivered there as late as yesterday afternoon. At Petersburg first loads came on the market from dry and irrigated lands simultaneously Monday. Generally speaking however, even with dry weather any considerable movement of the irrigated crop is 10 days to two weeks away.

## Production Estimates Higher

Production estimates, based on first returns from the land, indicate that yields from the county's 300,000 acres of wheat are going to run from 10 per cent to 30 per cent higher than the growers first estimated. The grains this year, estimated around 62, are large plump fellows. Some eight bushel wheat has been harvested and some 28 bushel wheat from dry land and one field of irrigated wheat had an indication of 35 bushels.

For the first time in several years the spectre of a looming car shortage is not facing the wheat people at the opening of the season. Every railroad serving the county is pouring grain cars into the area.

## Relatives, Friends From Out-of-Town At Campbell Rites

Among the relatives and friends to attend the funeral of Mrs. T. J. Campbell here last Thursday were Charlie Campbell of Wilson, Texas.

## Lt. James W. Jones Has Assignment in New Air Unit

Now serving with the Army Air forces in Schlangenbad, Germany, 1st Lieutenant James W. Jones husband of Mrs. Barbara L. Jones of 118 Crockett Street, Floydada, Texas, is assigned to one of the newest units of the Army Air force, the European Aviation Engineer command.

Charged with the construction and maintenance of all airfields and other Air Force installations in the European theatre for the Occupational Air force and all other AAF organizations, the European Aviation Engineer command was activated on the first of January, this year.

Lieutenant Jones who is assigned to the 92nd Engineer Air Force Headquarters the company has served in the European theatre since March 28. Before joining the European Aviation Engineer command, he was stationed at U. S. Army Air field, San Antonio, Texas.

## MELVIN BLASSINGAME AGAIN WITH BRANIFF AIRWAYS

Melvin Blassingame, son of Mr. and Mrs. Lon Blassingame of Floydada, has recently rejoined Braniff Airways in the capacity of mechanic in the maintenance department at Dallas, according to an announcement made by the company this week.

Melvin was with the Braniff Airways before entering the armed forces.

## 17-Year-Old Minister Speaks at Young People Here

Audrey Teffeller, seventeen year old minister from Childress, was guest speaker to the young people of the Assembly of God church on Friday night.

She again brought the message on Sunday night in the absence of the pastors, Rev. and Mrs. C. L. Hundley, who have gone to Canadian to bring their sons home. The boys, known as the Hundley Trio have just closed their eighth revival. On their way home, they will stop at the youth camp in Canyon for a few days.

Eddie Hundley, 16-year old evangelist will be speaking in the young people's service Friday night June 7. Eddie is assisted in his ministry by his brothers, Robert and Raymond, who have charge of the music and singing.

The public is cordially invited to attend the service Friday night.

**WHERE A LITTLE IS A LOT**

Hard work is no stranger to the farmer. He knows that what you get out of a job is based generally upon what you put into it. Most farmers, knowing the amount of effort it takes to have a successful farm, buy insurance against rain, hail or tornado damage to their buildings and their crops.

But the farmer, like the city resident, cannot protect himself or his family by any known means against a disease, infantile paralysis, which again is on the march in the United States.

However, while no means of prevention or cure of polio have been discovered, much can be done in the way of treatment, the National Foundation for Infantile Paralysis points out.

Treatment of infantile paralysis is expensive. Should someone in your family be stricken, the cost of prolonged treatment might sweep away your life savings were it not for the fact millions of farmers and city dwellers voluntarily support the annual March of Dimes—sole source of National Foundation funds.

Through such contributions multiple services await whenever polio may strike in any county of the nation, for National Foundation chapters stand ready to aid infantile paralysis victims regardless of age, race, creed or color.

There is no insurance against polio but there is assurance that no infantile paralysis victim need go without aid because of lack of funds.

That indeed proves a little can mean a lot.

**MINORITIES AT WORK**

You can keep beating a man over the head, even with a feather pillow, until you finally find a soft place and he will succumb. This theory is being worked to a fare you well in Washington.

Once when there was only one minority group seeing that Congress and the president did the right thing it was not so noticeable. But since others have found out what good results it gets the cudgel of militant lambasting of officials has grown to such huge proportions that the sound and fury, of it fills the newspapers and radio day in and day out.

Whatever crowd it is can prove that whatever it is they want must be had and that immediately. A lot of the legislation passed by the Congress now is that kind. Every minority has a hold on somebody or other and they make life miserable of whomsoever it may be doesn't jump through the hoop at every command.

**DON'T TELL ANYBODY**

Don't repeat this where the big papers and the other folks will hear about it, but we get so anxious to get the wheat in the elevator in this country so as to have the money it represents instead of a claim for hail damage—we get so anxious that we harvest our grain too quick. Wheat would handle twice as good and the product we raise would get a much better reception in the grain centers than it does when we first start out the way we do now.

As said above, this is not to be repeated. But you can ask your elevator man, whatever his name may be and he will break down and admit that about half the grain he has taken in so far this season has been on the too-wet side and some of it with a mixture of just plain green. He'll have some trouble getting it through his chutes and sticking in his bins for another day or two. Then barring rain he'll go to town with you. Meanwhile, human nature being what it is the folks will crowd deliveries every minute they can.

**Side Lights From Washington**

(By George Mahon)

My mail from our District indicates widespread approval of the quick action of the House of Representatives in passing legislation to stop the paralyzing railroad strike. Within two hours after the President addressed the joint session of Congress we passed the bill requested by him.

The railroad unions are made up of the very highest type of American citizens. They did a great job during the war. The union organizations were 18 to 2 against the strike. It was principally the stubbornness of one man, A. P. Whitney, that produced the disastrous situation. A country that cannot protect itself against utter chaos is in a bad shape.

I am convinced that the quick action of the House gave hope and encouragement to a great majority of the American people. The American people have been kicked around by such tyrants as John L. Lewis until their patience is threadbare. People generally do not have time and opportunity to read the Congressional Record and they cannot understand why more effective action was not taken against racketeers in industry and labor months ago.

The fact is that before the war during the war, and since the war, the House of Representatives passed legislation to meet the situation but the legislation has usually died in the Senate. However, the Senate has now passed the Case bill which was approved months ago by the House, and the bill has gone to the White House.

Those of us who voted for the bill to stop Mr. Whitney's paralyzing railroad strike have been threatened by Mr. Whitney, and he has also insulted the American people. In commenting on those of us who voted for the bill, Mr. Whitney, according to the Associated Press, said:

"My Board of Directors already has authorized me to spend \$2,500,000 to defeat the members of Congress who have voted for the shackling labor legislation Mr. Truman has proposed. We mean to defeat every member of Congress who voted for that bill."

The C. I. O. continues to breathe out threats against those who have advocated and are advocating remedial legislation. What we desperately need in America today is government in the public interest—not government by pressure groups who threaten legislators and insult the intelligence and patriotism of the people. Minority groups are entitled to be heard in America and they are entitled to a fair deal and every legitimate right, but they are not entitled to run roughshod over the majority.

There is no perfect answer to all the problems which beset our Country. But one thing is sure—this Nation cannot safely go forward without the adoption of a more clear-cut and workable Labor-Industry policy—a policy which will safeguard the best interests of the American people.

Congress who have voted for the shackling labor legislation Mr. Truman has proposed. We mean to defeat every member of Congress who voted for that bill."

**Floyd County 14 Years Ago**

These news items taken from the Floyd County Hesperian published 14 years ago.

(Issue of June 9, 1932)

The wheat harvest is to get under way June 13 to 20. The average yield is 5 to 8 bushels.

Injuries sustained Tuesday of last week in an accident at Gasoline, were fatal to Mrs. C. W. Broxson, former resident of Floydada and mother of Mrs. L. B. Pawver, Jr. of this city. She was riding in a wagon with two children and five grandchildren, she being the only fatal victim.

Mr. and Mrs. J. C. Wester and children left Monday on a vacation trip to Sulphur Springs, where they will visit with relatives.

Born to Mr. and Mrs. Robert A. Garrett, June 7, a daughter.

Mrs. Fred Zimmerman and Mrs. Calvin Steen visited last week in Wichita Falls, the guests of Mrs. Zimmerman's parents, Mr. and Mrs. J. A. Staley.

Mrs. Harriet Hesgerty, 41, daughter of Mr. and Mrs. W. F. Daily of this city, died Monday evening in a Los Angeles hospital from injuries sustained in an automobile accident Saturday night in Los Angeles.

G. W. Tubbs of Floydada was elected president of the Floyd County Taxpayers' league formed Saturday afternoon. R. E. L. Muncy was named first vice-president, Geo. T. Meriwether of Lockney, second vice-president, and R. Fred Brown, city secretary-treasurer.

R. P. Terrell, of Farwell, was elected coach of athletics at Floydada High school for 1932-33 at a meeting of the School board Monday night.

J. W. Chapman and family returned Friday of last week from a visit at Sulphur Springs, Dallas, and other points down-state. At Sulphur Springs they were guests of F. M. Chapman, his father and Mrs. Mattie Minter, Mrs. Chapman's mother. Climaxed by a novelty duet number by Miss Oleta Jackson and Roy Holmes in "Sparkin' Peggy Jane," the recital given under the direction of Mrs. V. Andrews, presented her class in expression. Rho Cloud and Kyle Glover in a vocal duet also scored with the audience.

Born to Mr. and Mrs. Jim Jones, Baker, June 2, a daughter.

N. W. Williams, Rev. I. A. Smith, I. A. Smith, Jr. and S. W. Ross went to Lake Kemp this week on a fishing trip, returning home yesterday. The party left Floydada Monday morning.

Born to Mr. and Mrs. Jim Jones, Baker, June 2, a daughter.

**Indignant Says Wheat Men Get a Shady Deal**

W. E. Brown, probably because he was with OPA in the capacity of county chairman for more than four years, has been asked by numerous wheat men concerning the recent "wheat bonus" on 1945 wheat the present regulations concerning the marketing of the 1946 crop.

A statement answering these questions and airing his own as well as their grievances against the government are given herewith:

Many Floyd County farmers are confused over the new order for the sale of 1946 wheat. This new Federal regulation calls for the sale of one-half the wheat that will be stored in public elevators. Every wheat producer in Floyd County will be required to sell his wheat on this basis whether it suits him to do so or not.

Apparently this order does not apply to wheat that will be stored in private or farm storage. There is no little opposition to this plan on the part of those who do not have the private or farm storage for their wheat.

**Was Shady Deal**  
Last year the farmers who sold their wheat, or put it in the Government loan, after being given every assurance that there would be no changes in the price, both in ceiling and in Government loan value were treated to a "shady" deal when the Government came out and offered a 30c per bushel "bonus" to those who had kept their wheat in storage. This "bonus," mind you was paid by the Government of the United States and was strictly in violation of every principle of Price Control as set up by OPA.

If there is anything but a "double cross" of the farmer who was unable to store and hold his wheat and a definite participation in the Black Market technique by the federal government of the United States, I just can't figure it out. I would like for some of those in authority to tell us farmers why we do not have the same right to violate ceiling prices by offering a "bonus" in addition to the legal ceiling price exactly as the Government has done in this wheat deal. Citizens lose respect for a Government that does not function on a high plane of right, justice, and integrity.

Until every citizen has the same rights and privileges and all are treated alike in the various programs, there is going to be dissatisfaction and trouble. If one farmer must sell one-half his wheat when it is harvested this season, then every farmer should be required to do likewise regardless of any storage question. Thousands of protests are being sent in to Washington regarding this recent "bonus" paid some on wheat sales. And thousands more are pouring in to Congressmen regarding the "one-sided" arrangement for the forced sale of wheat this harvest.

If our farmers are not satisfied with having the "brain-trusters" do their thinking, and don't want complete National regimentation, they should immediately write to our Congressman and enter their protest in language that no one can misunderstand.

W. Edd Brown.

**Order Equipment For Coop Hospital**

CROSBYTON, May 31—A complete list of heavy equipment for the Crosbyton Co-operative General hospital was ordered by the board of directors in session here Monday night. Low bidder on the equipment was A. S. Aloe Co., of St. Louis, large hospital outfitters.

The board also accepted the bid of Lubbock Sheet Metal & Roofing company for the heating system for the building and the roof.

Work is progressing slowly on the building, due to an acute shortage of labor.

Cottage pudding is plain cake covered with sweet sauce.

More men become victims of insanity than do women.

**Commendation Ribbon Awarded**

LOCKNEY, May 31—Capt. Wilford L. Cooper of the Army Medical corps, husband of the former Mary Leda McAdams of Lockney was recently awarded an Army Commendation ribbon for service at the ASF Regional hospital at Fort Benning, Ga., as proctologist from September, 1944 to February 1946.

The award was given along with awards to 23 other Fort Benning officers.

Capt. and Mrs. Cooper and son, Bill are now stationed at Fort Benning. However, Mrs. Cooper and Bill are here visiting her parents Mr. and Mrs. Carl McAdams.

**Lay First Street In Paving Program**

LOCKNEY, May 31—Caliche was being laid on the city auditorium street Thursday, being the first to be laid in the city's street paving program. Twenty-eight or 30 blocks are scheduled to be paved within the city by Kerr & Middleton, paving contractors. The streets will have a caliche base with a double asphalt topping. Grading work has been in progress for almost two weeks.

Several blocks have been added to the list to be paved and possibly one or two dropped due to the fact that property owners did not see fit to pay for their half of the paving, city officials said.

**CARROLL JOHNSTON HOME ON LEAVE FROM JAPAN**

Carroll Johnston, fireman 2/c U. S. N., arrived in Floydada June 3 to begin a 15 day leave with his parents, Rev. and Mrs. Sidney Johnston of the McCoy community.

Johnston has been in the Navy ten months, six months being spent overseas, mainly in Japan. He received his training in San Diego, California and serves aboard the ship, USS Tolman DM-28.

**SURVEY JUVENILE DRIVERS**

Junior and Sister have long been a problem to traffic officers too. Of course, Dad pays the bills for repairs and maybe a damage suit.

Captain Jim Musick of the Texas Department of Public Safety took a sample survey recently of juvenile drivers that indicate the importance of driver education courses.

Surveys were taken in 15 high schools with a total enrollment of 8,925 students. Eight thousand three hundred sixty-six of these students, or 97 per cent, are now driving cars. One thousand five hundred thirty-nine of them, or 18.4 per cent, have a driver's license. The age level of these high school students is usually twelve to eighteen, inclusive.

Twenty junior high schools with a total of 9,000 were surveyed. Eight thousand five hundred ninety-five, or 95.5 per cent, are driving cars. Three hundred ninety-six, or 4.4 per cent, have a driver's license. Nine hundred ninety-nine, or 11.1 per cent, in this age group are sixteen years of age or older.

Thirty elementary schools with an enrollment of 10,000 students were surveyed. Eight hundred, or 8 per cent, of these students are driving cars. None has a driver's license. The age level of elementary school students is usually six to fourteen. Far-sighted school administrators are including safety education in their curricula. The survey would indicate the need for it.

**CPL GLOVER HOME SOON**

Mr. and Mrs. Jess Glover have received a telegram from their son, Cpl. Jesse T. Glover, of the U. S. M. C., saying that he landed in San Francisco, California May 28. He hopes to be home and be a free man by June 20.

**THANKS FRIENDS**

We take this means of thanking those who helped us in our misfortune of losing our home by fire recently.

Mrs. R. L. McNeill and Volle

Mrs. J. M. Daniel underwent a major operation last Monday at the West Texas hospital in Lubbock. She is reported doing as well as could be expected.

**Former Publisher Spur Texan Dies At Home in Spur**

SPUR, June 1—Final rites were conducted at Spur last Thursday for Mrs. Ann Baum McClure, 63, pioneer resident of Spur since 1909 and former editor of the Texas Spur. Mrs. McClure died at her home Wednesday, May 22, of carcinoma tumor after an illness of several months.

Following the death of her husband in 1931, Mrs. McClure continued publishing their newspaper until 1943, when the paper was sold and consolidated.

In 1905, following their marriage the previous year, Mr. and Mrs. McClure moved to Eastland, where they owned the first newspaper in that city. In 1907 they moved to Rotan, where they also published a paper. Moving to Spur in the fall of 1909 they founded and published the Texas Spur.

Survivors are her children, Weldon C. McClure, Oran R. McClure, Max W. McClure and Wynell McClure; 3 brothers and 4 sisters.

**Hinkle to U. of T. Beginning July 1**

CANYON, — Olin E. Hinkle, journalism professor and publicity director of West Texas State college, has concluded work here to accept an associate professorship in journalism at the University of Texas. He will begin his new duties there July 1. His specialty will be the community newspaper.

Hinkle, a graduate of West Texas State and the University of Missouri, came here in 1937. His college work recently was interrupted by 30 months service in the Army Air Forces as a public relations officer. Previously, he had been managing editor of the Pampa Daily News and the Lexington, Ky. Herald over an 11-year period. He is past president of the Panhandle Press association.

**ARCHIE B. MUNCY HOME**

Archie B. Muncy arrived home Saturday to stay and help his father through the harvest. He has been employed in Incintas, California, since he received his discharge from USMC.

He is the son of Mr. and Mrs. A. B. Muncy.

**OPENING SWIMMING POOL**

LOCKNEY, May 31—The Lockney swimming pool is being cleaned and made ready for opening. J. B. Seale said this week. Some painting and renovation work will be done before the pool is opened, he said.

Members of the "Organized" and "Volunteer" Naval Reserve Units receive promotions while on inactive service, the Navy said.

# More Money For Lateral Road Program in Texas

(Ed. Note: Available for the first time this week are resolutions presented by Judge W. E. Grimes of Floyd county to the Commissioners and Judges association of West Texas in April. A resume of these resolutions is presented herewith.)

West Texas county officials went on record at the closing session of their spring convention in Amarillo as unanimously favoring immediate re-districting the state for legislative purposes and urged a levy of additional road user taxes for the construction of all-weather county roads. The convention was held Sunday, Monday and Tuesday, April 21, 22 and 23.

W. E. Grimes, Floyd County Judge, presented some resolutions to the group and they were adopted unanimously. They are as follows:

- RESOLUTION NO. 1.** Whereas, for many years there has been a most urgent need for a compact organization of national scope as a medium for the coordination of activities affecting local jurisdiction and administration of county road problems; and
- Whereas, such an organization has been perfected in the American Institute of Local Highway Administration; and
- Whereas, the membership of such institute is restricted to State Associations of county and township officials of local road administration and therefore in Texas the only eligible organization is the State Association of County Judges and Commissioners; and
- Whereas, it would be most advantageous to the future of our administration as well as our farm-to-market road program to affiliate and become a member of this Institute;
- Therefore, be it resolved by the West Texas County Judges and Commissioners association, that we recommend to the state officers and executive committee that the necessary steps be taken immediately to become a bona fide member so that Texas may become the first state in the United States to become enrolled 100 per cent.
- RESOLUTION NO. 2.** Whereas, there has been no legislative re-districting of Texas for twenty (20) years; and
- Whereas, West Texas has developed and grown in population during this time, and is, therefore, suffering from lack of proper representation in our Legislature;
- Therefore, be it resolved by the West Texas County Judges and Commissioners association, that we go on record as favoring immediate steps to redistrict the state for legislative purposes, so that all parts of our state may be more equitably represented;
- RESOLUTION NO. 3.** Whereas, this convention of county judges and commissioners of West Texas has concerned itself generally with the construction and maintenance of roads; and
- Whereas, the business of constructing and maintaining of all-weather lateral or feeder roads is of great concern to the citizenship of West Texas and of the various commissioners' courts; and
- Whereas, funds to construct and maintain such roads are not now available; and

# ACTIVITIES AT THE CITY PARK CHURCH OF CHRIST

The vacation Bible school at the City Park church goes on with good interest, completing the two weeks next Sunday night. This is the first of such a school to be conducted by this congregation, and the interest and attendance has been beyond expectations.

Last Tuesday afternoon the children were treated with a picnic in the City park. Cake and ice cream were served. Friday afternoon fruit punch and cookies will be served. But the best and foremost of the whole affair is the spiritual food which is being put out in a most interesting way. Sunday night the children, with the adults in the school, will render some special songs which they have learned, at which time the school will end. Mr. Malphrus, who with the assistance of local talent, has been conducting the school, will leave Monday for Yosemite National park, California, to assist in a state camp school.

# Wheat Harvest—

(Continued from first page) eyeing barley crops over the country is seeing this grain leave the country in trucks, which are in position to offer the growers a considerably higher price than elevators are permitted to pay. The elevators for the first time in three or four years are in position to handle other grains than wheat, however.

**Hands, Combines Plentiful**

Yesterday at noon County Agent A. L. Hartung, who is acting to coordinate farm jobs with farm help during the harvest, said yesterday at noon that he had listings of a considerable number of men and combines and that of that date he could refer wheat men to numerous waiting machines and men. However, he said, grain men are just beginning to edge into the fields and the full effect of harvesting needs will not be apparent for another day or two.

Those who have jobs for combine and men are invited to make use of the facilities of the agent's office. The office is working in this capacity to get the quickest possible and most efficient harvest job done in the county.

**Thermometer Makes Jump**

To give the county its first real taste of summer weather since the earlier part of April, temperature yesterday took a big jump to a top 85 degrees.

Low temperatures prevailed throughout May and a low of 48 degrees was recorded on June 1 and on June 2, which was Monday, the low was 30 degrees with a high of 68.

The weather man said the heat wave began its movement toward this section from the southwest, where El Paso on Tuesday recorded temperature of 101 degrees.

10. Refuse snacks.

# PLANE TRIP TO NEW ORLEANS DUE TO NET HIM DISCHARGE

After his leave of 30 days from the Navy Seabees spent here with his parents, Mr. and Mrs. B. F. McIntosh, Jr., made a commercial plane trip to New Orleans this week where he is scheduled to get his discharge from the service. He left by Grand and made the last leg of the journey from Port Worth by Delta plane. He has a long stretch of service while in the islands of the Pacific, and only recently returned to the states.

# JAMES FRY GIBBS IN CLASS FINISHING AT TEXAS A & M

James Fry Gibbs, of Malador, was in Floydada for a short time this week renewing old friendships and visiting his grandparents, Mr. and Mrs. A. R. Hanna, after his return from A & M College of Texas, where he was a member of the graduating class last week. His school work had been interrupted for sometime by service in the army during the war.

# STARTS VIGOROUS CAMPAIGN FOR ATTORNEY GENERAL

**HOUSTON, June 1—**Pat M. Neff, Jr., lowering candidate for Attorney General of Texas, is already hitting the high spots in what he avers will be a vigorous statewide campaign. Neff plans a statewide radio broadcast (Texas Quality Network) the night of June 14, he said.

# MRS. ANGUS IN ST. LOUIS

Mrs. Winnie Angus, home service secretary of Floyd County chapter, American Red Cross, is in St. Louis attending the training course of the home service secretaries which began this week and will continue through June 27.

# DR. HOPKINS BETTER

Dr. E. A. Hopkins, who has been confined to his bed with a paralytic condition for several weeks, is reported considerably better. This mid-week, said members of the family.

# FAMILY GATHERS AT EDEN

Mrs. J. D. Holladay, 75 years of age, left Monday for Eden, Texas, where she will visit with her brother, E. P. Pearce, and with a sister, Mrs. B. R. Cumble. Another sister, Mrs. Anna Neesley of La Grange, Georgia, will join the others there for a reunion. It will be the first time in over 40 years Mrs. Holladay has seen her sister from Georgia.

# Appalling Story Of Starvation In Famine Areas

The hands of millions in Europe's famine areas are outstretched for food that isn't there, according to a report from the League of Red Cross Societies just received in this country.

The report is based on a study made by the Emergency Economic committee for Europe, an inter-governmental agency, the American Red Cross announced in making the gist of the report public.

In a broad area, extending roughly from the North Sea and Baltic, down through Central Europe to the Mediterranean, a group of 100 million people are existing on less than 1,800 calories per day. Actually at the present time, laborers in some areas are expected to do a day's work on 1,500 or fewer calories.

**Average Ration Given**

The average ration consists of four thin slices of bread, five to six spoonfuls of oatmeal, a small cube of fat (not butter), one ounce of meat or fish, five spoonfuls of turnips, two spoonfuls of sugar, one of jam, a nibble of cheese, two ounces of skim milk and two cups of artificial coffee.

These conditions prevail in Finland, Austria and Germany, certain parts of Czechoslovakia, and in the towns and cities of Hungary, Italy and other countries. The report states it is from these areas photographs have come of people scooping through garbage cans in hope of supplementing their meager food rations.

# NEW NAVY RECRUITER SCHEDULE IS ANNOUNCED

In order to cover the South Plains territory more effectively a new traveling recruiter's schedule is being put into effect by the U. S. Navy Recruiting station of Lubbock.

# McCOY ELECTION SET FOR SATURDAY, JUNE 22

Floydada and Lockney schools are not alone in feeling the pinch of increasing costs of operation.

# Mr. and Mrs. Bob Ewert of Lubbock visited Monday and Tuesday with Mrs. Ewert's parents, Mr. and Mrs. W. J. Waller here.

# Little Misses Dobby and Sue Crum of Waco, are here for a visit of a month with their great aunt, Miss Lucy Crum.

# Mr. and Mrs. F. C. Harmon returned home Wednesday from a trip to Camp Waldemar and to San Angelo.

# Mrs. D. I. Bolding, who underwent a major operation in the Plainview sanitarium last Friday, is reported to be doing nicely.

# Mr. and Mrs. C. E. Berry and Mrs. Harold Berry and son left Monday to visit friends and relatives in Brownfield, Texas. They expect to return home Friday evening.

# Mr. and Mrs. Carter C. Andrews of Pomona, California, and Mrs. C. E. Delk, of Amarillo, were here several days last week, guests of their sister, Mrs. Clarence Goins and Mr. Goins. Mr. and Mrs. Andrews also visited in the home of Mrs. Andrews' parents, Col. and Mrs. W. H. Seale while here.

# Mrs. Ruby Jackson and son of Silver City, New Mexico, have been visiting the past two weeks in the home of Mrs. Jackson's parents, Mr. and Mrs. R. P. Hall. Other visitors in the Hall home last week were Mr. and Mrs. O. H. Taber.

# Miss Lovell Ginn, daughter of Mr. and Mrs. Clarence Ginn, underwent a major operation at the Lubbock Memorial hospital Monday. She is doing splendidly.

# PITTS HOSPITAL NOTES

Mrs. Marion Barton, who underwent a major operation May 24 was dismissed June 1.

Jerry Finley was dismissed May 25 after undergoing a tonsilectomy.

I. J. Audrey's daughter was dismissed May 29 after undergoing a tonsilectomy.

R. C. Colston's son was dismissed May 31 after undergoing a tonsilectomy.

J. C. Pierce was dismissed May 29 after receiving treatment for a fractured arm.

Born to Mrs. J. G. Holmes, a girl June 2.

Mrs. W. E. Lackey was admitted June 3 for surgery.

Mrs. Jack Parkey was admitted June 3 for medical treatment.

Mrs. Olin Bryant was admitted June 4 for medical treatment.

Doyle Morgan, son of G. E. Morgan, was admitted June 5 for medical treatment.

Mrs. Ben Hopper was admitted June 5 for medical treatment.

Gerald Smalley was admitted June 5 for medical treatment.

# FLOYDADA DATE CHANGED

John D. Palmer, Social Security board representative of Lubbock, will be in Floydada Monday, June 10 at 10-30 rather than the date he had earlier planned which was Wednesday, June 12.

Mr. and Mrs. Ted Borum have a son born on May 25 at Plainview hospital, which has been named Bobby Ray. The youngster weighed seven pounds, 10 ounces, mother and son are doing nicely according to news from the hospital received by Mr. and Mrs. E. R. Borum, paternal grandparents here.

The USS Briscoe (APA-65) named for Briscoe county, Texas, one of the ships designated by the navy as atomic bomb targets, steamed nearly 43,000 miles during its war time career, the Navy Department announces.

The USS Cleburne, (APA-73) named for Cleburne counties in Alabama and Arkansas, has been designated by the Navy as one of the 25 auxiliary ships to be used as atomic bomb targets.

## Morning Rites Wed in August

Mr. and Mrs. W. F. Rogers announce the engagement of their daughter, Willadean to A. G. Tyler son of Mrs. N. E. Tyler and the late Rev. Tyler. The wedding will take place August 4 at the Church of the Nazarene.

## Wed in August

Mr. and Mrs. W. F. Rogers announce the engagement of their daughter, Willadean to A. G. Tyler son of Mrs. N. E. Tyler and the late Rev. Tyler. The wedding will take place August 4 at the Church of the Nazarene.

## Homer G. Kennamer Wed Massachusetts Girl May Twentieth

FALL RIVER, Massachusetts—Miss Jacqueline D. LaForest, daughter of Mrs. Elizabeth LaForest of 34 Earle Street, became the bride of Homer G. Kennamer, Jr. son of Mr. and Mrs. Homer G. Kennamer of Floydada, Texas, May 20 at 8 o'clock at Immaculate Conception church, Rev. Charles R. Smith, pastor, officiated.

The bride wore a white brocaded satin gown with net skirt and train. Her veil was attached to a crown of seed pearls. She carried a colonial bouquet of white roses and mixed flowers.

The attendant wore a pink gown with matching hat. Her colonial bouquet contained flowers in pastel shades.

After a wedding reception at Copicicut Lodge in Westport, Mr. and Mrs. Kennamer left on a trip to Hidden Valley Ranch, Lake Luzerne, N. Y. Mrs. Kennamer's traveling costume consisted of black and white suit with matching accessories. She wore a corsage of gardenias. The couple plan to live at the Earle Street address.

Mrs. Kennamer, a graduate of B. M. C. Durfee High school, is employed by the New England Telephone and Telegraph company.

Mr. Kennamer graduated from Floydada High School with the class of 1942. He was a prominent football player on the Whirlwind team of 1941 and 1942. He has been discharged recently from the Navy after more than three years of service in the European and Asiatic theatres of operation. The young couple plan to visit in Floydada July 1. Mr. Kennamer's plans for the future are indefinite.

## BRELAND-ROBERSON VOWS SAID AT GAINESVILLE

LOCKNEY, May 31—Mrs. Anna Breland of Plainview and W. C. Roberson of Lockney were married May 29 at Gainesville, Texas. The ceremony was performed by Rev. Thompson, a Baptist minister there.

Mr. Roberson is a real estate dealer here. The couple is at home on a farm a mile and a half north-east of town.

Mr. and Mrs. W. H. Lowery and son, Keith, of Paris, visited here last week in the home of Mrs. Lowery's sister and family, Mr. and Mrs. B. F. McIntosh.

Mrs. J. H. McMurray of Canyon, Texas, spent the week-end in the home of Mr. and Mrs. Lee Allen.

Mrs. E. E. Huskey spent the week-end in Jacksboro visiting friends and relatives.

## Ima Lea Graham Wed May 18 in Amarillo To W. R. Gamblin

Miss Ima Lea Graham, daughter of Mr. and Mrs. H. H. Graham of Amarillo became the bride of W. R. Gamblin in a double ring ceremony May 18 at 8 o'clock. The vows were read at the home of Rev. Phil Gates, pastor of the Methodist church in Amarillo.

Miss Graham chose an aqua dress with white accessories and a corsage of white carnations.

Mrs. Flake Dillard, sister of the bride, H. H. Graham, father of the bride, and Mrs. David Graham, attended the couple.

The couple will be at home in Amarillo. Mrs. Gamblin and her parents are former residents of Floydada.

## Irick News

IRICK, June 3.—Miss Lila Jo Smith and Miss Bonnie Chappel have been conducting a Bible school. The closing exercises were held Friday night at 8:30.

Mrs. Virgie Terrell and daughters Laura Mae and Ailene of Plainview spent Sunday with Mr. and Mrs. Meivin Potts.

Mr. and Mrs. Travis Dunn and children spent Sunday with Mr. and Mrs. Oliver Holmes.

Miss Kathryn and Jeanette Hall are now working in Abernathy.

Mr. and Mrs. Sid Brown of Amarillo visited relatives in the community over the week-end.

Mr. and Mrs. Norman Caldwell and children visited her parents Mr. and Mrs. Langford in Lockney, Sunday.

Miss Alma Lou Holmes of Amarillo spent the week-end with her parents, Mr. and Mrs. John Holmes.

The jolly stitches club met last Thursday with Mrs. Meivin Potts. The afternoon was spent in quilting and embroidering. An enjoyable time was reported. Refreshments were served to the following members: Mesdames Travis Dunn, Oliver Holmes, Harrell Dollar, Willie Kirkpatrick, Wilburn Dollar, Andrew Jolly, Farrell Dollar, Bascom Baxter, and the hostess. The next meeting will be June 27 with Mrs. Kirkpatrick.

Mr. and Mrs. Jack Dollar spent Sunday with Mr. and Mrs. John Holmes and family.

Mr. and Mrs. D. L. Hall and family attended church in Floydada, Sunday.

Mr. and Mrs. Bascom Baxter spent Sunday with Mr. and Mrs. H. J. Baxter of Lockney.

Miss Wynona Battles has gone to Plainview to work.

M. A. Crum, of Friona, Texas, was here the latter part of last week and Sunday guest of his sister, Miss Lucy.

Dr. E. A. Hopkins was taken to the Floydada Hospital Wednesday evening for treatments.

## Fairview News

FAIRVIEW June 4.—The vacation Bible school began Monday morning at the Baptist church, Miss Betty Randolph of Memphis and Miss Margaret Myares of Dallas are the state workers helping with the school. There is a study course being held four nights of this week for the adults and young people.

Mr. and Mrs. Claude Daniel and son of Midland spent from Thursday until Monday with Mrs. Daniel's sister and family, Mr. and Mrs. C. W. Payne and June Kathryn.

Mrs. Thurman Perry was hostess at a birthday dinner given in her home Sunday honoring her sister, Mrs. Grady Reeves and T. C. Goodman. Those present for the occasion besides the hostess and honorees were Mr. and Mrs. L. B. Cozby and Mary Dee, Mr. and Mrs. Preston Bullard and children, Mr. and Mrs. J. T. Perry, Betty Jo Perry, Clara Cozby, and Thurman Perry.

Mrs. Dona McVickers of Plainview is spending the week with her cousin, Mrs. L. A. Horton.

Mr. and Mrs. Odell Stapleton and sons of Plainview spent Sunday with Mrs. Stapleton's parents, Mr. and Mrs. L. A. Horton. The two older boys remained with their grandparents to attend the vacation Bible school this week. Other visitors in the Horton home were Mr. and Mrs. Walton Wilson and family.

E. W. Walls went to Lexington, Oklahoma, last Thursday to spend several days with his parents and other relatives. Mr. Walls wrote home to the family that it was really raining in Oklahoma.

Mr. and Mrs. C. H. Wise and family visited Saturday night in White Flat with Rev. and Mrs. Dick Grambell and family.

Little Joyce James of Lubbock spent last week with her grandparents, Mr. and Mrs. A. H. Nash and Mr. and Mrs. James.

Mr. and Mrs. C. W. Denison of near Dougherty were Sunday dinner guests of Mr. and Mrs. Clyde Bagwell. Sunday afternoon visitors were Mr. and Mrs. Henry Culpeper and children.

Sunday dinner guests in the home of Mrs. W. B. Wilson were Rev. and Mrs. C. A. Butler and Vendell, Mary Ann Wilson and George Mize.

## MRS. R. E. WARREN HONOREE SUNDAY BIRTHDAY DINNER

Mr. and Mrs. Wade Warren entertained his mother, Mrs. R. E. Warren, with a surprise birthday dinner Sunday at their home, 321 North Fifth Street. Mrs. Warren was celebrating her seventieth birthday.

Those present for the occasion were Mr. and Mrs. J. O. Warren and Darlyn, Mr. and Mrs. Elmer Warren and Johnny Lynn, Mr. and Mrs. Lester Britton and June, Norma, Bobby, and Mary Jo; Fred Warren, Mr. and Mrs. Wade Warren, Billy Betty and Martha Kay; and the honoree, Mrs. Warren.

## TO MY MANY FRIENDS

May I say thanks for all the nice things you did for me during my stay in the hospital and may I say a special "thank you" to Dr. Pitts and his hospital staff.

Mrs. Marion Barton.

# Water Sports Beneficial To Good Health

AUSTIN, Texas, June 3. Some timely advice to vacationists concerning the proper precautions to be used in water sports during summer months was released from the State Health Department today by Dr. Geo. W. Cox, State Health Officer.

It was pointed out that in view of prevailing travel difficulties, vacation pleasures are apt to be limited to excursions and picnics at nearby lakes, rivers, and ponds of unfamiliar depths and currents, and without the usual lifeguard supervision associated with bathing beaches and commercial swimming pools.

"Swimming and water sports are beneficial to good health provided one's physical condition justifies this type of exercise," Dr. Cox as-

## R. C. (Jack) BURLESON

Candidate for Sheriff, Floyd County, Texas

I am going to try to see all the voters of Floyd County and ask for their support in my race. However, it is probable I will be unable to see each of you, and I take this means of letting you know that I will appreciate your vote and influence for sheriff. If elected I will perform the duties of the office fairly and impartially to all.

## FOLKS!

Why should you be host to the destructive pest MOTHS?

Send those winter clothes in now and have them cleaned and sealed in Moth Proof Bags.

## CONSERVE AND SERVE

GEORGE WASHINGTON SAID:

ECONOMY MAKES HAPPY HOMES AND SOUND NATIONS; INSTILL IT DEEP.

1732-1799

Use and reuse every drop of cooking fat, and then turn it over to your meat dealer. Conscientious salvage means more soap for you and more edible fats and oils released for shipment abroad.

serted: "nevertheless, they possess dangerous possibilities if the rules of safety, through carelessness or thoughtlessness, are disregarded."

The State Health Officer outlined the following simple rules for bathing and swimming in safety: when swimming, be alert and careful of unknown depths and currents; at least one hour should elapse after a meal before entering the water; upon the first indication of fatigue, come ashore and call it a day; if you become chilled, leave the water immediately; do not enter the water when overheated; learn to float, this is most important; never attempt to rock a boat in a spirit of fun, never swim in water that may be polluted. Swimming close to or even a few miles below sewage outlets is inviting the possibility of acquiring disease.

"Excursions, picnics, and swimming parties contribute much to a healthy, happy, normal life, which is always desirable," Dr. Cox said. "It is by no means advisable to eliminate these excursions from our summer program, but it is important that they prove beneficial and not disastrous."

## Discharges

Discharges recorded in the county clerk's office of Floyd County in the past few days include the following:

Jack Barnett, technician fourth grade, Co. C 317th Infantry, discharged May 6, 1946 at Fort Sam Houston, Texas;

## Come in today! Make your choice the tire that OUTWEARS PREWAR TIRES

Tires are arriving every week—perhaps we have your size now!

\$15.20

Plus Tax 6.00-16

TERMS THAT PLEASE ON THINGS YOU NEED

The new Silvertown tire with a wider, flatter tread puts more rubber where you need it—on the road! It has a stronger body with tougher cords and more of them plus two breaker strips to cushion sudden blows that sent that hub cap flying on Jimmie Lynch's car above.

Result? A tire that's safer than prewar tires because it grips the road better when moving, hugs it tighter in stopping. A tire that in laboratory tests resists bruising better than prewar tires. A tire that actually OUTWEARS PREWAR TIRES—even at high speeds!

Perhaps we have your size in stock. You'll get yours sooner, if you order today.

## Way Mix To Weeds Grasses

Homeowners who are planning to use the several 2,4-D weed killers in their lawns should be sure to mix them with a fertilizer. The result is that after about a month the effect of the weed-killing chemical wears off and the growth of the grass gains.

Experiments last year by U. S. Department of Agriculture investigators showed good results from fertilizing weedy lawns with nitrogen fertilizer (urea applied at the rate of 60 pounds to the acre). The two chemicals did not interact and injure each other, and the fertilization did not preserve the weeds or encourage their growth. Instead, the urea acted on the grass and stimulated growth so that the check caused by the 2,4-D was less objectionable. Dr. P. C. Marth and Dr. J. W. Mitchell also added the fungicide, Permato, to the spray mixture without causing any unfavorable results.

The investigators mixed their own sprays, applying 2, 4-D at the rate of one part of the acid or 1-1/2 parts of the ammonium salt in 1,000 parts water, applying 5 gallons to 1,000 square feet. Homeowners who buy commercial 2,4-D preparations should follow the directions for dilution recommended by the manufacturers, and then add the urea required. An application of 60 pounds to the acre is approximately at the rate of 1-1/2 pounds of urea to 1,000 square feet of lawn. This, the investigators warn, is about the safe limit for strength of urea, since in tests a spray with urea at the rate of 90 pounds to the acre burned the grass severely.

CENTER, June 4—The good crowd at church Sunday enjoyed the sermon as usual by Bro. Muncy, Rev. and Mrs. Muncy dined in the A. W. Anderson home. The outside workers for the Vacation Bible school, Miss Naoma Ruth Caffee of Anson and Miss Frieda Tullis of Dallas arrived Sunday with Rev. and Mrs. Muncy.

V. B. S. opened Monday morning with thirty-four enrolled. Closing exercises will be Friday night, June 7. Everyone is invited to attend.

The Greens visited Mrs. D. I. Bolding Friday and Saturday afternoons. She is in the Plainview hospital and has undergone a major operation.

Three Green boys spent the weekend at home; the family attended church here, then withdrew to the W. A. Latta home at Mt. Blanco for Sunday dinner. Don Clark remained at Mt. Blanco to work in the harvest. Victor returned to Plainview and Clyde left for Baylor to attend summer school.

We are having some cold weather for June.

Visitors in the A. W. Anderson home Sunday afternoon were Mr. and Mrs. Wiley Anderson and son, and grandma Anderson. The Anderson sons Floyd and William with their families, Mr. and Mrs. Bill Anderson, Mrs. Harry Jones and Mrs. Blanche Conway, Virginia Prizell, Mr. and Mrs. C. H. Wise, and Clyde and Margaret and Mrs. J. E. Green, and Mr. and Mrs. Hugh Nelson visited in the evening.

The J. R. Robertson family are enjoying a new Plymouth which Mr. Robertson purchased several days ago in Indianapolis, Indiana. Mr. and Mrs. J. B. Jordan visited relatives in Levelland Sunday. Mr. and Mrs. Clarence Ashton visited in the J. B. Jordan home Saturday.

Mr. and Mrs. C. M. Meredith and Rev. and Mrs. Clay Muncy made a trip to Lubbock Monday afternoon.

Sunday after Sunday School a short Ministerial Relief Program will be conducted by the W. M. S.

The H. D. Club meets with Mrs. J. B. Jordan Monday, June 10.

Mr. and Mrs. Olin Miller of Plainview spent the week-end with their children here. Mr. and Mrs. Wilburn Miller and Mrs. Floyd Willis and family.

Long before V-J Day, we made plans, and started putting them into effect. New generating capacity in six power plants, one complete new plant, miles and miles of new transmission lines to bring more electric power to more people at a lower cost than ever before. That, in a nutshell, is what our vast expansion program consists of.

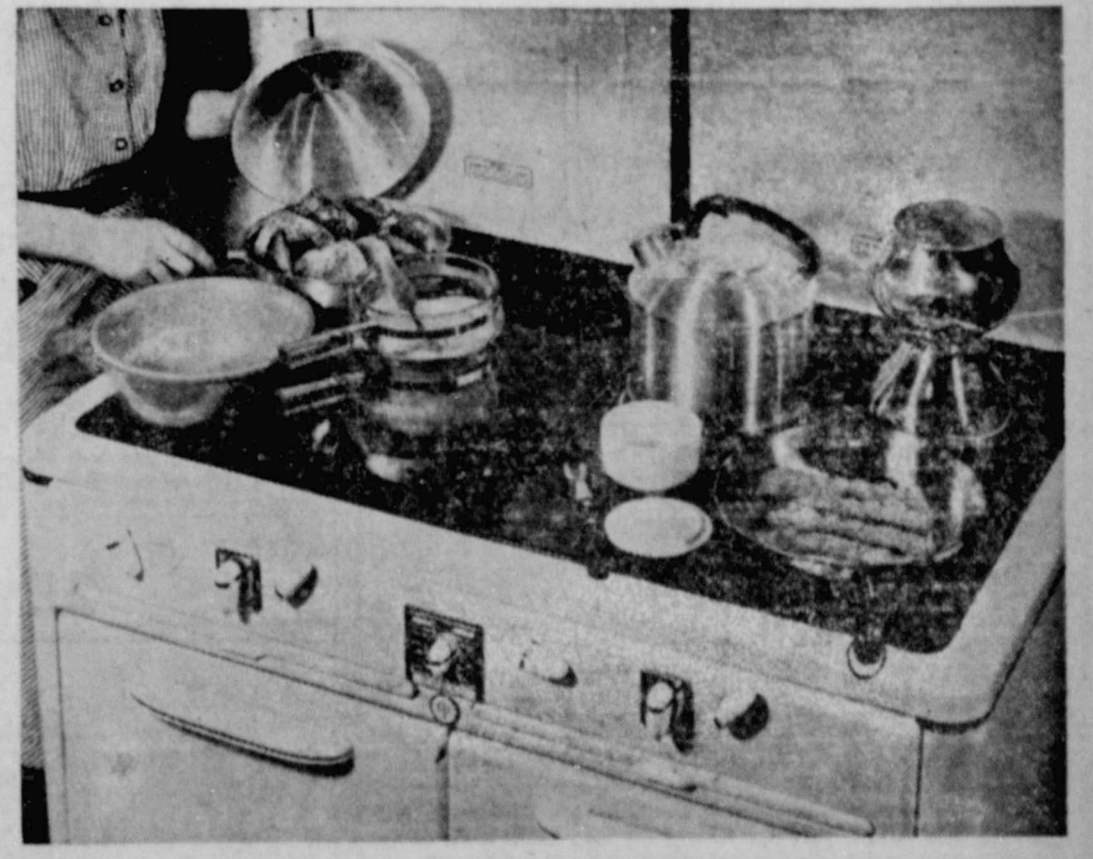

All this means better living in the home electrically, better farming, more and bigger industries, more profitable business.

Yes, we're on our way to help develop a better, more prosperous territory.

## Efforts Continue To Solve Vexing School Problem

LOCKNEY, May 31.—Petitions were being circulated in five common school districts surrounding Lockney this week asking the county judge to call an election to determine whether or not these districts will consolidate with each other and with the Lockney common school district, forming a consolidated common school district, according to reports reaching The Beacon.

The five districts involved are Prairie Chapel, Sterley, Ramsay, Pleasant Valley and Irick.

The plan of consolidation as first suggested and worked out by patrons of the Prairie Chapel school district calls for the Lockney Independent School district to revert to a common school district and then the five districts named above and Lockney to consolidate forming one large common school district. The merit of this plan is that there is a legal limit on the tax valuation with the county and state valuations being used. The plan further calls for a \$1.50 per hundred tax rate but this will have to be voted after the district is formed. It was said.

Before the consolidation election is held, however, an election must be held in Lockney district dissolving the independent district and forming a common school district. Then this district will be in a position to vote to consolidate with the other districts.

Members of the Lockney school board were generally of the opinion that the petitions should be circulated in the common school districts first, however, as they did not wish to ask the people of this district to abolish the independent district unless they were sure the consolidation movement would carry.

## As A Farm Woman Thinks

(By Nellie Witt Spikes)

The year of 1946 is having a hard time with her month children, especially May, whose tantrums and ill tempers made the days very unpleasant. May was unruly, poured out floods of water in places, sucked hot dry desert winds for the plains. She pounded cities, towns and countryside with hailstones, which only Amazon women could handle and stand. She reached out and found a sandstorm or two that March decided not to use because they were so bad. But she has some and Mother Year had to wrap her new infant which she calls June, in warm blankets and put her near the fire. We trust she is a better behaved month than her sister and will distribute her gifts with justice and wisdom.

Some may think that attending two oldtimer's picnics the same week might make one tottery and feeble. Not so. The pioneer finds in these reunions the Fountain of Youth in which they gain the spirit of youth, the joy of being together, of renewing old associations and cementing lasting friendships. They warm hands by the cowchip fires of memory, drink the black coffee of forgetfulness of worries, hear the sweet voices of yesterday speaking quaint speech and singing old songs. The old dancing tunes make their rheumatic joints tingle, iron the wrinkles from worn faces, brings a sparkle to tired eyes. This is their day and they make the full of it.

One of the table knives developed a rattle in the inside of its hollow handle. Joe noticed it, shook it, and looked for it before he ate. Margaret Nell caught on, wanted the Shaking Knife. Carey came and it sounded good to him. Meals became a question of who had the shaking knife and who wanted it. Bitter fights tried to take place, stopped by elders. The one who had the wanted property, shook it and it rattled and rattled. Somehow the knife is fixed. Grandmother must have done it. Not a rattle in a knife. Hope the children do not look up in the top of a shelf.

We skipped and skimped on sugar for some things and made a delicious cobbler of the red cherries that hang like jewels amidst green leaves. If you have never had a poppy take off its green cap, shake out crinkled red silk skirts, nod a yellow head, just after sunrise, I assure you, you have indeed missed something.

From the book, "The Egg and I", by Betty McDonald. "Canning is a mental quirk just like any form of hoarding. First you plant too much of everything in the garden; then you waste hours and hours in the boiling sun cultivating; then you buy a pressure cooker and can too much of everything so that it won't be wasted."

Best thought for the week from

## Burning Millions In Cotton Burrs Says Researcher

LUBBOCK, Between ten and fifteen million dollars worth of cotton burrs which could be processed into commercial products are being thrown away or burned each year in Texas, according to C. G. Rook, associate director of the chemical and textile phases of the Cotton Research Committee of Texas located at Texas Technological College.

Commercial material economically procurable from cotton burrs, research has shown, are a boiler water treating compound which acts as a scale inhibitor in hard water; a furfural, an important chemical compound; a building board substance; plastic filler; and fertilizer.

Furfural, one of the most important products obtainable from the cotton burr, has many various uses, including use in the synthesis of plastics, in fixing motor oils, in making aniline dyes, as a fungicide and in the synthetic rubber industry in the recovery of butadiene. One Texas rubber plant alone uses approximately \$2500 worth of furfural daily.

For the past two years Rook has been working on cotton burr re-

search at Texas Tech under sponsorship of the Cotton Research Committee of Texas. He has developed a pilot plant for experimental work to determine substances which could be obtained from the cotton burr, and if such products could be produced economically in industry.

From experimental results to date indications are that it would be economically sound to process the cotton burr, Rook says.

## Mrs. Snell Member of Family Group That Held Re-Union

Mrs. Will Snell returned home Tuesday morning from Turnesville, Texas, where she attended a family reunion of brothers and sisters who had not all been together in 12 years.

The reunion was held June 1 and 2 at the home of Mrs. Emma Jones, for whom the reunion was in honor, on her 71st birthday. There are nine children, the oldest being Mrs. Jones and the youngest 50 years of age.

Those present for the gathering included J. F. Jones of Checotah, Oklahoma; O. H. Jones and wife and his daughter, Mrs. Hal Snips and little son of Fort Worth and also a son, Billy, who is attending the state university at Austin; F. B. Jones and wife and son, Bobby, of Gatesville and their son, Jan, who is attending school at Huntsville college, and another son, Bryan Jones and wife of Denton where he is in college.

Mrs. C. L. Shepherd of Shawnee, Oklahoma; Mrs. Virtie Hollingsworth and son, De Witt of Altus, Oklahoma; Mrs. Daisy Ogleon of San Antonio, Mrs. C. B. Trent of Fort Worth, and Mrs. Will Snell of Floydada, and Mrs. Emma Jones at whose home the reunion was given.

Many friends called during the reunion as well as many relatives living there and in nearby towns.

### FLOYDADA HOSPITAL NOTES

Born to Mr. and Mrs. B. N. Boyd, a girl weighing 9 pounds, May 29. Mother and baby are doing fine.

Jay Johnston underwent an appendectomy last Thursday and was dismissed on Friday.

Mrs. Carl Smith was dismissed May 29 after undergoing minor treatment.

R. S. Horless is undergoing medical treatment.

Walter Baxter was admitted June 3. Several stitches were taken to close a wound on his finger.

Richard Lanham of Quitaque, underwent an appendectomy June 4.

Doyce Smalley was given surgical treatment Friday. Several stitches were required to close wound in his leg.

Prof. Thomas G. Masaryk was still the grand and vigorous leader of his country at eighty-seven years of age.

Research reveals that mill hands over sixty years of age experience only half as many accidents as those in their early twenties.

## Virgil Boteler Was Navy Football Star

Virgil Boteler, son of Mr. and Mrs. V. H. Boteler, returned home Wednesday night after receiving his discharge from the United States Navy at Camp Wallace, Houston, Texas.

Virgil had been in service since November of 1943. After graduating from Floydada high school with the class of 1942, he attended West Texas State college in Canyon one year before getting in the V-12 Naval Training program. He attended the University of New Mexico one year while in the V-12 training.

While attending the University of New Mexico, Virgil was outstanding in basketball and football and while playing received an injured shoulder.

He was next sent to Boston, Massachusetts, where he attended naval training school at Harvard university. But for the past year, Virgil has been stationed at the Great Lakes Naval Training Station in Illinois and until hurting his shoulder again, he played on the Great Lakes Navy football team. Since that time he has been in the navy hospital at Great Lakes where he has undergone several operations on his shoulder.

Virgil will be home during the summer but will enter school at the

University of New Mexico in September.

### IT MUST BE FACED

The Tax Foundation of New York City has published a series of studies which show that state governments are not on easy street financially as many have assumed. State expenditures are rising and revenues will probably fall. Hence the easy spending policy of many states must come to an end.

What the Foundation has discovered in the states is in all likelihood true of other local units of government—municipalities, for example. The Oregon Daily Journal of Portland, Oregon, discusses the problem in that community and finds that while Portland needs new revenues of more than \$3,000,000, it can only levy an additional \$300,000 under the existing legal limitation. It points out that the city schools are desperately short of funds, and concludes that "the people of Oregon generally must also ponder their tax problem. It is something that must be faced."

Faced indeed! But how can the tax problem be faced rationally so long as the Federal public ownership campaign continues to undermine sources of local revenue? In the Northwest, as elsewhere, tax-exempt Federal power systems are working tooth and nail to put private power producers out of existence. For example, where would Portland be now without the taxes from the power companies which

pay millions annually to the state and Federal governments and projects like to pay a thin dime.

Some day the people will vote to the financial dilemma of tax free, socialized industry.

### COST OF STRIKES TO GOVERNMENT

It is interesting to get an authoritative source what have cost the workers movement the time it will take to make loss. The January issue of the American Survey published by the American Federation of points out that if workers \$1.00 an hour are offered a strike in order to obtain a 10 percent increase of 18c, they will lose \$188 (eight weeks of 40 hours a week) and that the 6c increase of the strike will not repay loss for nearly three years. The strike obtains only 3c more the employer offers, nearly 3c will be required to make up loss.—Portnightly Letter of the National Economic Council.

Under high-altitude conditions, where the oxygen is reduced, persons of advanced years actually do better than their young colleagues. They are less liable to fainting and because their cardiovascular systems are more stable, and they suffer less of memory.

First of All—WOODALLS

FAVORITE ONE-PIECE SUIT "OR WORK PLAY

Wanted you BEST by men who know! Nice, comfortable and warm. When you buy all-wool, remember, first of all, WOODALLS. They're Satisfaction!
