FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 19, 1946

NUMBER 33

Rain Brings Ample Season For Fields

Rain of major dimensions Thursday night of last week brought an ample season to Floyd county farms and has had all types of harvest and cultivation at a standstill since.

Minimum reports received at The Hesperian office, from one or two farms, were an inch, while the great majority indicated two and a half to four inches of precipitation. The rain came on the heels of a shower two days previous which had put quite a bit of moisture in the ground. Every indication is that the areas where rainfall had been light received ample moisture for all purposes. These include portions of Floydada, Fairview, Center, South Plains, Sterley Lone Star and Cedar districts.

The rainfall was pronounced over a period of several hours and run-off was light, considering its proportions reports indicate. At Floydada total rainfall for the week was 2.06. Practically the entire period since the rain has been cloudy with considerable moisture to keep evaporation to the minimum and get deep penetration into the subsoil. No information on this point was available late yesterday.

Fields Are 'Haired Over'
For the major part fields of the county, where wheat and other grain were planted last year, had begun to "hair over" to a marked extent this mid-week, presaging an intensive weed and volunteer grain killing campaign among growers before seeding begins.

Large supply of good seed wheat for the planting due to follow behind the plows is indicated in all parts of the county.

Yesterday it appeared certain said row crop farmers, that cotton fields will have to be cultivated where possible to keep heavy weed infestation from taking cotton fields. Late feed is in a race with the frost deadline, and the frost date will have a marked bearing on the final yields of the forage feeds, which are lush at this time.

R. A. Standefer, Killed in Auto Crash, Buried Here
Funeral services for R. A. Standefer, 47, of Santa Fe, New Mexico victim of a highway accident, were held here Saturday afternoon at 3 o'clock at the Harmon Funeral chapel with Rev. L. A. Doyle officiating. Interment was made in the Floydada cemetery, where his mother was buried 28 years ago, and where his father later was buried.

Mr. Standefer was killed instantly Wednesday afternoon at 3 o'clock when the car he was driving was hit by a truck near Santa Fe, New Mexico. A woman companion who was riding with Mr. Standefer, was also killed.

Mr. Standefer had been a state cattle inspector at Santa Fe and Clovis for a number of years.

Survivors include four brothers: Dave of Plainview, Byron of Midland, L. M. of Plover and J. K. of Fort Sumner, New Mexico; and one sister, Mrs. Ethel Lewis of Sterling, Kansas, all of whom were here for the rites.

The deceased was born and reared in Motley county. He was a grandson of T. K. Sparks, who homesteaded in Floyd county and was an early-day cattleman here.

Mrs. Beulah Olive, cousin, of Lubbock, was among those who were here for the rites as was Judge E. C. Nelson, of Amarillo.

Motley Co. Baby Great-Grand Child Mrs. Cooper
Mrs. Ida Cooper of Floydada at the age of 78 has become a great-grand-grandmother. She recently visited her great-grand-grandson, child of Mr. and Mrs. Francis Gunther, at Matador.

Others of the five generations are son Alvin Cooper, her granddaughter, Mrs. Delaney Cartwright, and her great-grand-daughter, Mrs. Juanita Gunther, all of Motley County.

Medical Extension to Sat., Sept. for World War II Pictures
A score or more of new pictures and histories have been received in the last few days to lend encouragement to the belief that the book will be representative.

Extreme care will be observed in getting the pictures back into the proper hands when the book is finished.

Final appeal is being made to those who have delayed to get pictures and information to the Hesperian office promptly, now that the last and final extension of time has been made and the deadline is rapidly approaching.

Legion Installs New Officials Monday Night

Amidst appropriate ceremonies new officials of McDermott post, American Legion, were installed Monday night, with L. W. Chapman, veteran of World War II, taking the post of commander.

George Berry, of Lubbock, commander of the Fifth division, conducted the installation ceremony held at the Legion hall, and Zane G. Brewer, regional supervisor of Veterans education, laid the ground work of information on which much of the effort of the local post will be centered for the ensuing year.

How thorough the infusion of new blood into the local veterans' organization has been since the conflict of World War II ended, is indicated by the fact that of eight posts in the Legion set-up, six were given to ex-service men of the second world conflict while two went to World War I veterans. Of these:

Jack Stansell was installed first vice-commander; Carl K. Arnold second vice-commander, Hershel Sweeney adjutant, Elmer Norrell sergeant at arms and Darnell Ayres service officer. Chosen for posts from World War I servicemen's list were J. C. Wester, finance officer, and E. L. Cornelius chaplain.

Urges Training Program
Expressed sentiments and speeches during the meeting and following indicate the Legion post here this year will give strong endorsement to all efforts put forth to establish an adequate program for the educational program instituted by federal and state authorities for veterans. Young men who gave years of their lives to military duty at a time when they could have preparing themselves for a more complete civilian life, are entitled to every possible opportunity to make up for lost time, in the opinion of the post leaders.

Vocational study which is most likely to be stressed at the time in the scholastic halls of the county is agriculture, and active interest is being evinced in a class for veterans at this time in the study of farming methods. However, the program has five other vocations for which provision is made. They are administration, distributive education, home-making, trade and industrial training and finance and auditing. All the programs would be adjuncts to school already in operation as for instance local high schools.

This educational activity and others planned, including the construction of the new post home, are due to make the new officials' administration a busy one, said Jack Henry, returning commander, who presided at the meeting Monday night.

Funeral Tuesday Morning for Mrs. W. T. Hamilton

Funeral services were held Tuesday morning at 9:30 o'clock at the First Baptist church for Mrs. W. T. Hamilton, 70, who passed away suddenly Saturday morning at her home north of Floydada. Rev. L. A. Doyle, pastor, and Rev. S. C. Potts officiated. Interment was made in the Floydada cemetery Wednesday morning. Harmon Funeral Home had charge of the arrangements.

Mrs. Hamilton was born July 17, 1876 in Maddison County, Alabama. She was married to Mr. Hamilton August 22, 1894 at Copeville, Texas. They have resided in Floyd county the past 29 years. Mrs. Hamilton had been a member of the Baptist church for a number of years.

Survivors include her husband, two children, T. T. Hamilton of this city and Mrs. W. P. Wall, of Iowa; and three sisters: Mrs. Laura Johnson, and Mrs. Lee Roberts of Crosbyton, Mrs. Verna Roberts and children Frank Lyle Lynda Gale, and Alice Jane of Abernathy, Mrs. Jessie Roberts and children Dale, Janis, Ken, Mr. and Mrs. Lyndie Roberts all of Floydada, Mr. and Mrs. Elvis Roberts of Crosbyton, Mr. and Mrs. Verlon Wright and daughter Betty Lou Mr. and Mrs. Charlie Wright and children Sandra Charline, and Mary Elizabeth, Mr. and Mrs. Buel Neff and children Nellie Ruth, Donald Ray and Patricia Ann, Mr. and Mrs. Bill Norris and W. C. Wright.

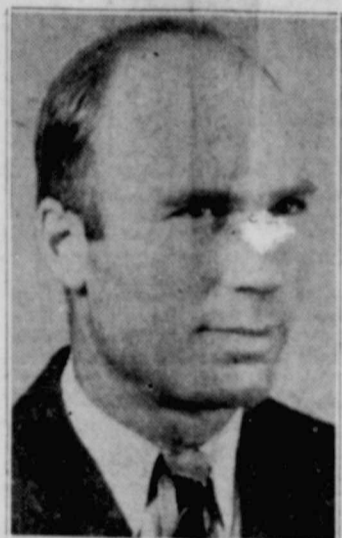

CLARENCE THORPE HAS NEW BUILDING NEAR COMPLETION
PETERSBURG, Sept. 13.—The Clarence Thorpe building on Main Street is nearing completion this week and will be ready for occupancy within the next ten days. This is a nice building 25 X 80 feet and is tile with brick front. It will house the Thorpe Tailor shop and Mrs. Thorpe's Beauty shop.

SHIREYS HERE ENROUTE TO NEW ORLEANS, LA.
Bostawain and Mrs. Gilbert Shirey and daughter Sue Frances of Berkeley, California, are here visiting their parents, Mr. and Mrs. G. N. Shirey and Mr. and Mrs. Walter Newell.

They are enroute to New Orleans Louisiana, where Bostawain Shirey will report for duty.

Jury Favors School District

New Leader

World War II veteran L. W. Chapman is the new commander of McDermott post, American Legion, installed Monday night. Member of the Army Reserve corps, he was called to active service in March, 1942, and was discharged last December.

Added Capital Authorization Will Be Asked

Members of Producers Cooperative of Floydada in their annual meeting here Tuesday voted to increase the authorized capital stock of the cooperative from 50 thousand dollars to 150 thousand and will ask authorization of the Secretary of State of Texas for the increase. Seaton Howard, manager of the coop, said yesterday.

The resolution to ask for the added capital authorization, however, is being signed by members at the corporation's office here, Howard said, because a majority of the members were not present Tuesday. Patronage dividends to be paid in stock for the past year cannot be disbursed until authority is increased the capital stock is received.

In addition to hearing the auditor's report of operations for the past year the members re-elected P. J. Wilkes as a member of the board of directors. Hold-over members of the board are John A. Lloyd Earl Edwards, Roe Jones and R. M. Battey.

Roberts Children Gather at Re-Union

The children of Mr. and Mrs. J. F. Roberts (deceased) met in the home of Mr. and Mrs. W. C. Wright Monday night for a reunion. This was the first time in six years that they had met together. One sister, Mrs. Bertha Head of Wichita Falls and a brother, Harmon Roberts, recently of Colorado were unable to attend. The late Mrs. J. F. Roberts, brother Frank Harmon of Floydada was also present.

The children present for the reunion were Adrain Roberts of Ralls, Mrs. Della Taylor and Poyner Roberts of Floydada, Frank Roberts of Abernathy and the hostess, Mrs. Lillie Wright.

Other members of the family present were Mrs. Lillian Roberts of Riverside, California, Mrs. Minnie Lee Roberts of Crosbyton, Mrs. Verna Roberts and children Frank Lyle Lynda Gale, and Alice Jane of Abernathy, Mrs. Jessie Roberts and children Dale, Janis, Ken, Mr. and Mrs. Lyndie Roberts all of Floydada, Mr. and Mrs. Elvis Roberts of Crosbyton, Mr. and Mrs. Verlon Wright and daughter Betty Lou Mr. and Mrs. Charlie Wright and children Sandra Charline, and Mary Elizabeth, Mr. and Mrs. Buel Neff and children Nellie Ruth, Donald Ray and Patricia Ann, Mr. and Mrs. Bill Norris and W. C. Wright.

CLARENCE THORPE HAS NEW BUILDING NEAR COMPLETION
PETERSBURG, Sept. 13.—The Clarence Thorpe building on Main Street is nearing completion this week and will be ready for occupancy within the next ten days. This is a nice building 25 X 80 feet and is tile with brick front. It will house the Thorpe Tailor shop and Mrs. Thorpe's Beauty shop.

SHIREYS HERE ENROUTE TO NEW ORLEANS, LA.
Bostawain and Mrs. Gilbert Shirey and daughter Sue Frances of Berkeley, California, are here visiting their parents, Mr. and Mrs. G. N. Shirey and Mr. and Mrs. Walter Newell.

They are enroute to New Orleans Louisiana, where Bostawain Shirey will report for duty.

Re-Elect Verner Assn. Moderator Here Yesterday

Some 400 messengers were present at the annual convention of the Floyd County Baptist association, held in the new auditorium of the First Baptist church Tuesday.

The day was spent in reports from different departments of churches represented at the association, and hearing church leaders in addresses.

Dr. Howard Williams, state secretary of missions, of Dallas, was the principal speaker in the afternoon, with Rev. Bob Sheppard, district missionary from Plainview speaking in the evening service.

Among resolutions adopted by the convention were the following: That every influence be brought to bear to stamp out the use of liquor; and

To emphasize the importance of winning souls in the coming year. Another resolution expressed appreciation to the Floydada church for the entertainment.

Rev. Hal Verner, of Matador, was re-elected to the office of moderator, Rev. E. J. Cobb of Lockney was re-elected as secretary and A. B. Muncy as treasurer.

The association will convene next year at Crosbyton on September 25 with Rev. L. A. Doyle as guest speaker, and Rev. E. E. Crawford, pastor of the Dougherty church as alternate.

Among others who appeared on the program during the sessions were Rev. J. R. Gambrell, of Whiteflat; Rev. A. L. Shaw, Quitaque; Rev. G. C. Tiner, Roaring Springs; A. B. Muncy, Muncy; Perry Evans, representing Buckner' Orphans home Andrew Allen, superintendent of Baylor hospital; Rev. G. A. Erod, of Silverton; H. E. Stevens, of Wayland Baptist college;

Mrs. John R. Gray, of Ralls; H. P. Gleason, of Lockney; Rev. T. M. Gilham, Crosbyton; Rev. R. C. Guest of South Plains; Rev. Sidney Johnston, of McCoy; A. C. Hamilton and B. N. Shepherd, district missionary, Plainview.

Need Sewing For Shipment, Guffee Urges

Clarence Guffee, chairman of the Floyd County Red Cross chapter has requested that the women who have been sewing for the Red Cross return all the garments this week. These include infants' nightgowns and bands.

The shipment of these is to be made this week so that they will reach the needy children before winter. Please take them to the office of the county superintendent in the basement of the court house. "Remember! Bring them in this week," Mr. Guffee urges.

Taxicab Company New Business Here

A new taxicab company has opened in Floydada under the name of the City Cab Company, located 302 West California street. It is owned by Gene Dillard and Bruce Douglas, the latter brother of Cap Douglas owner of the City Cab Co. in Plainview.

The company opened for business Tuesday with one cab which will be driven by James Lawrence, but another cab will come today which will make two cabs and it has been announced that if needed there will be a third added. A 24 hour service will be rendered if necessary, it was stated.

GRADUATES AT KEESLER

KEESLER FIELD, Miss., Sept. 10.—Pfc. Eray Emert, son of Mr. and Mrs. A. J. Emert, Floydada, Texas, this week was graduated from one of the world's greatest educational programs—one of the AAF Training Command's airplane mechanics training courses at Keesler Field.

Display at Flower Shows to Be Judged by Vote of the Visitors

The annual flower show of the Floydada Garden club will be held Saturday of next week, September 28, from six to 10 o'clock p. m. in the Southwestern Public Service office.

Everyone in the community is asked by the club to bring an arranged display ready for exhibit. All entries must be checked in by 4 o'clock Saturday afternoon. There will be special music and other forms of entertainment

Yesterday afternoon the jury in the Lockney Rural High school restraint case, returned a verdict favoring the new school district, as a climax to the three-day trial which opened Monday morning in District court for Floyd county.

Pleadings of the district trustees in the suit, filed by trustees of Irick and Sterley school districts, alleged that the Floyd County School board had abused its discretion in calling for the election to create the Lockney Rural High School district by combining six common school districts into one high school district. The vote carried overwhelmingly in four of the six districts, but lost in the Irick and Sterley districts.

The petition for a restraining order was filed in district court before the vote was taken but was set down for a latter date to be tried on its merits before a jury. When the case was called both parties to the suit filed amendments to their pleadings as a day was given over to arguing legal questions involved. The new district was made a co-defendant in the suit.

Court Room Is Crowded
Throughout the trial the court room was crowded by interested citizens and onlookers.

The injunction proceeding was preceded by weeks of effort to find a common ground on which the districts could resolve the school problem in the area. An effort to consolidate as an independent district was defeated in the early summer, as was a vote on consolidation as a common school district set up by that district. Problem common to all districts was the increased cost of a financial plan that would meet the situation.

Berry and Alfred, Lubbock, attorneys for the plaintiffs, gave notice of appeal. Richard F. Stovall of Floydada and Griffin and Moorehead, of Plainview, were attorneys for the county school board and the trustees of the new rural high school district.

Tax Vote on September 21
Next move in the procedure of the new rural high school district will come on Saturday of this week when property taxpayers will be called upon to pass on raising the legal tax rate of the district from \$1 to \$1.50 per \$100 valuation, and at the same time pass on spreading the bonded debt of the districts over all of the area. The two elections are to be carried out simultaneously.

Later, while the legal battle continues in the courts, the district voters will have to pass on the matter of a bond issue to provide a school building and equipment to take the place of the one destroyed by fire in March. As a nucleus fund the district has \$55,000 collected on policies carried on the building that was destroyed in the fire.

Common school districts combined in the new Rural High school district finally adjudged as legally formed, are Pleasant Valley, Ramsey, Irick, Sterley, Prairie Chapel and Lockney, and the east portion of Aiken district.

Families Picnic at Silver Falls Road-Side Park
Five families enjoyed a picnic at the roadside park near Silver Falls all day Sunday. Fried chicken, sawmill gravy and wagon-wheel coffee were cooked in the park and with ice cream and several other delicious things were served to forty people.

The afternoon was spent in taking pictures and visiting.

Those present for the occasion were Mr. and Mrs. Ray Williams, Mr. and Mrs. L. B. Laster and family and Mr. and Mrs. W. B. Laster all of Arkansas, Mr. and Mrs. R. L. Nichols and son David, Mr. and Mrs. James Lee Nichols, Mr. and Mrs. C. C. Nichols and son Charles, Mr. and Mrs. E. T. Johnson and son, Mr. and Mrs. L. W. Johnson and family, Mrs. Eugene Johnson, Mr. and Mrs. Leo "Benford" and family, Miss Dorothy Bishop and Lavone Shearer.

LT. JARNAGIN AT MANILA, TELEPHONE CALL SUNDAY TO MRS. JARNAGIN ANNOUNCES

Lt. Glen Jarnagin, flight engineer of a B-29 bomber crew which took off for a Pacific tour late in August, was in Manila Sunday, Floydada time, he told Mrs. Jarnagin in a telephone call.

He had just reached the Philippines, he said, delayed two days by a typhoon which hit the area. He was doing fine, was in excellent spirits, and had the prospect of being stationed at Clark field, he said. His tour of duty will keep him away from home several months.

BIRTH OF A DAUGHTER

Mr. and Mrs. Jack Stansell, of Cedar, are the parents of a daughter born Sunday morning, September 15, at Lubbock Memorial hospital. Weighing seven pounds, nine and a half ounces, the baby has been named Jan Melonee. Mother and daughter were doing nicely yesterday.

Whirlwinds Play Tulia Tomorrow Afternoon There

Floydada High school's Whirlwind football squad will get the second game of the season behind them tomorrow afternoon at Tulia when they brave the Hornet's nest at Tulia high in a game that will be a tough one.

With a large squad and ample reserves, the Tulia team, lettermen from last year's strong contenders, will be out to lash the Whirlwinds.

Reports from Tulia indicate the day is to be made a big one there, being the opening of the football season and to be combined with other ceremonies and community activities to bring out a large crowd. Whirlwind fans who will not get to see the game in person will hear it broadcast, according to arrangements announced this week, when it was said that KVOP would give a play by play report of the game from the field.

Coaches Gresham and Baker this week have been carrying on intensive after-school practice sessions with their 30-man squad and the work-outs the boys are getting yesterday afternoon had begun to become apparent in better blocking, tackling and smoother scrimmages. Few injuries, and those minor, had been suffered yesterday afternoon.

Frank Jordan, Lions Leader, Here Tonight

Members and officers of Floydada Lions club are making big plans for the visit tonight of District Governor Frank K. Jordan of Brownfield. A banquet at the Andrews Ward cafeteria will be served by young women of the Foods class of Floydada High school, and in addition to the address of the governor a program of musical numbers has been arranged. Edd Johnson, president of the club, said yesterday. Georgeann Huckabee, Pauline Denison, Gladys Roberts and Orby McCleskey, comprise a talented group who will present the musical program.

Wives of Lions will be special guests for the evening, and visitors from several Lions club in the district are expected, Mr. Johnson said.

Seed, Feed Loans Again Available

W. D. (Bill) Young, in charge of the Farm Credit (Seed and seed loan office) in Floyd county was by the county agent's office last week and indicated that his service would again offer emergency feed and seed loan service to local farmers and stockmen, according to A. L. Hartzog county agent.

Feed and Seed loans may be made by contacting Mr. Young through the office of Mrs. P. G. Stegall, district clerk, whose office is on the second floor of the Court House.

Outside Floyd and adjoining counties— one year, \$2.00; six months, \$1.00; four months, 70c; in advance.

DON'T RUN -- JUST WALK

To the returned veteran who would like to borrow \$2,000 from the government, as he was promised, to go into some kind of an enterprise, quite a bit of advice is being given. For one important thing this is to think about: The veteran has 10 years from the time the war officially closes to exercise his right--and the war is not officially over yet and time has not begun to run on him on this borrowing privilege.

So, in the writer of well-meaning volumes being written and spoken for the benefit of the veterans, we offer these suggested thoughts quietly and in no capital letters to the returned serviceman.

"If you are thinking about going into business for yourself, Mr. Veteran, walk--don't run--to your bank or lending agency for that GI loan. And before that--think things out carefully.

"There are many indications that this is an especially good time to start a small business, and it is understandable that many veterans should want to start right now.

"The G. I. Bill made it relatively easy for them to get capital. But it takes more capital to make a success of a small business. It takes experience, good judgement, and a lot of hard work.

"There is always an element of risk. A large percentage of small businesses fail within a year. In most cases, that is due to lack of preparation on the part of the new owners.

"Veterans should get the advice of trusted and experienced business men before such a venture. They may give you valuable advice.

EVERYBODY TALKING SILLY

Although most everybody in the United States is doing fairly well you'd think from the things that you see in the newspapers and the talk you hear on the streets that we've all gone crazy and are trying to wreck the country.

"Take note of the conversation you hear. There are a good many wacky things happening, of course, and some of these get into the talk. But by and large the speaker will be talking loudest about something of which he knows the least.

In the prints it is the same way, when you analyze. Not alone irresponsible quarters, "organs" and propaganda sheets, but responsible men, even highly placed men, are credited with statements that can't have reason and logic, however well-meaning and patriotic their motives.

Partly, it may be just the habit that Americans have gotten into of talking too much. Once it was that statements said less and meant more, now they say more and mean less. Apparently we try to drown out the words of others with the loudness of our own braying, fearful that something may be said that will betray the silliness of our own pet notions or theories.

DISTANCES IN TEXAS

Numerous friends who have taken all-Texas vacation trips this season, come home with figures of 1800 to 2250 miles on their speedometers, without trying to cover all the state at all.

One we recall went down by way

of Waco and on east to the Louisiana line, thence down the Sabine and around by Beaumont, Orange and Port Arthur, westward to Galveston, Houston and Austin and probably San Antonio. He saw a lot of country but not a third of Texas. He did more than 2000 miles.

Another went a different route -- to the scenic Davis mountains, to Del Rio and on down the Rio Grande valley to Brownsville (probably across the line there for a few miles for a few hours) and back home by way of Corpus San Antonio and the Hill country. His trip was nearly 3000 miles.

Hunger to look at and see more of their own state, do a bit of fishing in the gulf, perhaps see some of the folks, generally makes a plainsman's every third or fourth vacation trip a Texas drive. Some trippers who have made numerous forays around within the bounds of their own Lone Star state still talk of portions of Texas they haven't seen and have in their minds to visit sooner or later.

NOT MUCH CHANCE NOW

There will not be much chance "within the foreseeable future," for legislative re-districting in Texas. The governor has canvassed the situation and hope he had voiced that a "lame duck" special session might be willing to re-district he now says a most unlikely one. Therefore, he will call no special session unless an unexpected development gives promise that something can be accomplished.

Admitting that the situation has grown complex and that there are more angles than just one to re-districting, the legislature owes it to the state and the constitution under which they labor to do something about a job now neglected for a quarter of a century. Re-districting would, among other things, change the complexion of the legislature. It would give fair representation where now it is patently unfair.

ANOTHER THING THEY MISSED

More than one service man, returned from a few years of the wars, have noted to us the excellent progress the people on the home front have made while they were gone in the art of cursing and blackguarding, a local instance being given at the football game Friday night.

Some of the area's best cursers were present and gave good demonstrations. Not just loud and boisterous hollering alone, by means of which the lookers-on let off steam and perhaps mix a bit of humor such as some of our best hollers often do. But real, downright, first class blackguarding hardly to be referred to as cursing. Done, too, in stentorian tones.

Not everybody there did it, of course, and some scorted scinged away from it we could tell. Apparently the school boys were doing their best on the field and the officials seemed to a reporter to be doing a reasonably good job. But not so, to these blackguarders.

Mrs. Walter Gillon was upset the other day when Walter Ellis spilled a little sugar and his father remarked that sugar could not be wasted. "When I get plenty of sugar," Ruby says, "I am going to

they reviled and abused in stentorian tones and all unabashed by the presence of any goody goodies who might have been about.

The service men who can't recall that "they used to do that way at home" will have to adjust themselves, we assume. We have progressed a lot while they were gone

As A Farm Woman Thinks

(By Nellie Witt Spikes)

The good rains have come. The farmer left off talking about the dry weather and began talking about the worms in the cotton. He is getting a new deal anyway. Everything cools so green it looks almost pizen.

The breeze is soft and sweet, the turnips are coming up, the dahlias are gorgeous, heads of feed are showing all over the field and if we can stay the frost off until some time before Christmas, the Plains will come across with a feed crop after all.

When everyone got the lowest over the drouth I tried to cheer them up by quoting Hubert Curry in the "Trobyton Review. He said crops would fall some to or three times a year in this country and then make a crop. John had some maize planted on wheat stubble that came up and grew about two feet high, pretty as you please. Then it died. Well it was dead-looking. The rain made it look like acres of resurrection plants that had soaked in a pan of water overnight. And still some do not believe in miracles!

One week our friend, Mr. Beddingfield, was setting on the front porch in Ralls, the next he was being carried across the same porch to rest by the side of "Aunt Lou," his good wife. His passing was a shock, even tho he as well as his friends knew at the best it could not be long. He was happy just before he "crossed over." He enjoyed the swift ride in a car to his son's home in Albuquerque. He talked with the ones he loved and gathered red sweet apples from the tree under which he was walking. Happy then, but all at once happier by far with the Heavenly Father and his loved wife and son Rufus.

His life was open and straight as the prairie land he came to in early days. Neither the howling norther nor the drouths shook his love for the land. His word was good. He stood by what he said and believed. He gave to the Country his best, gave it freely as the water that came from his well and gave him to drink. We miss him, yes. Miss his warm handclasp, but the words of encouragement and of unflinching friendship, these we keep and are the richer for having.

Mrs. Walter Gillon was upset the other day when Walter Ellis spilled a little sugar and his father remarked that sugar could not be wasted. "When I get plenty of sugar," Ruby says, "I am going to

spill a little all over the house and walk on it." My flesh just crawls at the thought.

Get well card to Aubra Davis, our neighbor who is in the Hospital. "We miss you, Aubra, get well quick and come back home."

Just a dreamin'. A sack of sugar, a hundred pound sack, ripe sour-sweet Indian peaches. Um, um good preserves a bilin' and thickenin'. Wake up. No sugar, bushel of Indian peaches, no thick preserves -- plain canned peaches.

In the mail. A poem written by Mrs. Lillie Littrell Looney and dedicated to Charles Eld Holmes, Jr.

Pretty Palomines.
Pretty palomines parading down the trail
One passing in the sunshine, slowly swinging his tail.

They are welcoming the morning with calm and with glee
Forward coming purposely just to see you and me.

Patting pretty palomines A "reach" over the fence
While waiting for our breakfast not too far hence.

Forgetting time and money and all that they mean,
He-men, thank you golden palomines from your pasture green.

Pretty palomines are going to Denton Town
Those ranchers up there have given you renown

Tall orse tiles and good sound flesh they will be swapping today
I will buy my kiddies each a model palomina of clay.

Old settler's reunion is coming up the thirtyfirst of May
You will be carrying Store-labled girls and, say!

While parading to band music in regal western style
"Old General" will be carrying me and my Sunday Smile.

Behind that aged couple who were driving "Old Maude" the black
We would make a splendid cover for a dime-western back

Beating all bets, home town paper may put us on front page.
And why not?
Man and horse will outshine, "A bird in a gilded cage."

Mrs. O. H. Johnson of Lubbock spent the week-end here visiting with her sister and husband, Mr. and Mrs. A. C. Jackson. Mrs. Johnson is a former resident of Floydada.

Mrs. W. J. Kizer and granddaughters Ruth Ellen and Judy and Robert Acree of Dallas spent the week-end in Floydada visiting Mrs. Kizer's sister and family Mr. and Mrs. L. L. Switzer.

QUALITY HAS MADE US FAMOUS

The Force that Holds Up the Rainbow Natural Bridge..

OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

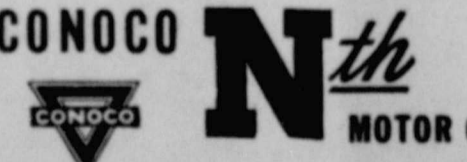

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

World Prison Rodeo Thrills

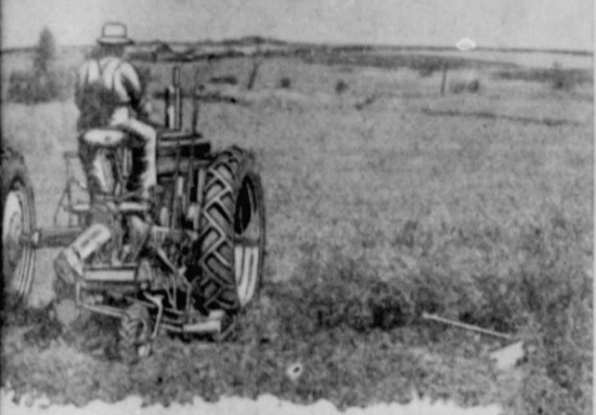

WILLE, September—For year, some four thousand inmates of the Prison System are preparing for their 15th Annual Rodeo. They have only a few days to wait for the first of the four shows that begin at 2 P. M. next to the Huntsville fairgrounds. World's wildest and fastest is also plenty rough on the inmates. There just isn't a sport more popular than the bull riding when the Brahman bulls lock horns with the Texas lock-busters. The riders are ready for that matter all the time, although their somewhat hampered by

legal red tape and numerous shotgun guards. Just the same, they're ready. Practice, and plenty for anyone is the main activity under way now. Riggin's being readied; stock are being groomed; riders are being fitted with zoot-suit raiment. Yes, stripes will be the fashion at this year's style show! All the contestants—even the clowns—will enter the arena in stripes. Solely for photogenic effects, however, since stripes in prison are reserved for escapist and mutineers. Albert Moore, director of this 15th Annual Rodeo, says this will be the fastest show yet. He has added 16 Montana Bucking horses to his string. Bert Stonehoker, the head clown was troubled until recently. Same trouble as that besetting free-world merchants and entrepreneurs. No help! Then came the miracle! Bill Garrett, participant in a dozen shows, returned. His conditional pardon had been revoked. Garrett says he had it done himself, so that he could see the show

Brahman Bull flies from Prison Rodeo Chute as rider hopes for three-point landing on solo flight. The outlaw riders say these rodeo bulls are much rougher than the "harness-bull" variety—and who should know better than they!

Has Cut Its Way to Fame

When the ordinary tractor mower has cut its last hair, the John Deere No. 5 Power Mower is still strong. More acres of clean cutting at a lower price cost—that's the unfailling performance has made the No. 5 the most popular tractor mower ever built.

Working with any make of tractor, the No. 5 Power Mower cuts up to 35 acres per day. Simple, reliable, easy to attach and detach, it's a tractor that goes through and through. Strong, well-braced enclosed drive which runs in oil... spring release and slip clutch on power shaft to protect entire mower against breakage... easy lift... caster wheel and hinged drawbar... to insure maximum flexibility for all conditions... accurately-fitted, long-lived cutting parts... simple, easy adjustments to keep No. 5 working like new down through the toughest and many other quality features come to give you the best tractor mower money can buy.

The No. 5 Power Mower is built with 7-, 6-, 5-, 4½-foot cutter bars.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

CARDUI

Acute Gas Pains Stomach Distress?

Try Hot Water To Which A Little Neutracid Has Been Added

At the first sign of distress smart men and women now know just what to do. They put a teaspoonful of Neutracid in half a glass of real hot water and drink it after meals, that's all. Neutracid is new—it's made especially for the symptomatic relief of gastric hyperacidity. Nothing quite like Neutracid to bring fast, quick relief to the sufferer of stomach distress, acid indigestion, gas pains, heartburn, burning sensation, and other conditions when caused by excessive stomach acidity. Ask for Neutracid at all druggists. **WHITE'S DRUG**

lasso ten horses at once.

The convict band, aided by inmates transferred from other units is about ready and promises plenty of hot licks during the show.

"Piddlers," as inmate craftworkers are known behind the walls are working every spare minute to manufacture novelties for sale at the show.

Piddlers are inmate merchant-manufacturers who buy their own leather, silver, semi-precious stones and other raw goods, and turn out purses, bill folds, belts, buckles rings—even an occasional blackjack.

The novelties are sold throughout the year as well as at the rodeo. One inmate said he was "trying to make enough to put his boy through high school."

Others use their earnings for cigarettes, writing paper and other incidentals.

Comes in handy when there are no homefolks to furnish spending money.

Performers are recruited from the ranks. Practically all are rank amateurs. A limited few have had previous cowboy experience.

When they sign up to ride they absolve the system of blame in case of accident.

Albert Moore warns them that they contest on a voluntary basis for the prize- and day-money.

Even so, some of the amateurs, after a ride or so, make up in guts what they lack in balance and training.

One convict, urged to quit after half a dozen training tumbles shook his head resolutely.

"What! . . . And have them fellas think I'm yellow? . . . Oh, no! Lemme on that bull."

As rough as it is, the convicts flock to the bull riding event, perhaps because it is so colorful.

It's truly a "gambol" with death. However, most convicts are gamblers. They gambled on the outside with the Law and lost. Inside, they take to the bulls.

I got a lot of satisfaction from the few rides I did make on one of those Brahman bulls," said one inmate, "for I felt that I was getting even with the harness bulls, the men who put me in this place."

Irick News

IRICK, Sept. 17.—Guests in the Bascom Baxter home Sunday where Mr. and Mrs. D. I. Phillips and children, and Mr. and Mrs. Willie Kirkpatrick and children.

Bishop Motor Co., Floydada

A REPORT on telephone progress in Texas

The first postwar year was the busiest year we've ever known, filled with work to give telephone service to those who are waiting and to improve service for everyone.

We have put in 240,000 telephones in Texas—nearly twice as many as in any prewar year. We are handling more calls per telephone now than in the rushed days of the war. And even this record-breaking performance has not been enough.

But we're glad to say we've been able to take care of most customers whose applications were held up by lack of facilities on V-J Day—and in most places, most of the time, service is fast and good. Operators are answering 9 out of 10 calls within 10 seconds.

Demand Up

On the other hand, more people than ever are applying for telephones—24,000 a month for the last six months. Prewar months averaged 11,000. Thus, as we go ahead on one front, there are increasing demands on another.

We want all those waiting for telephone service to know we are doing our best to get it to them. It is just as much an emergency to us as a hurricane—but this is country-wide.

Bell System factories today are working around the clock, three shifts a day. And—despite scarcities—are

even breaking some records set in boom days years ago.

In Texas we're putting the new equipment to work as fast as we get it, and putting up new buildings to house it when necessary.

People Are Telephoning More

This first postwar year has also brought an extraordinary increase in telephone use. Local calls are now 7½ million a day in Texas—nearly 1½ million a day over last year. That rise would have taken several years in normal times. Toll and long distance calls are also at all-time highs.

We have increased our forces to handle your rising telephone needs. Now we have 48,000 employees in the Southwest—more than ever before. This is an increase of 11,000 since the war ended. About 6,000 are returned veterans.

It will take a great deal of money and some time to do all the things we have planned for your telephone service, but our 250-million-dollar 5-year expansion program in the Southwest is well under way. During the first postwar year alone we spent about 50 million dollars providing telephone equipment.

It all adds up to our desire to serve well everyone who uses the telephone. And to do it always with courtesy and understanding.

Longhorns Have Forty-Man Squad To Open Season

LOCKNEY, September 13—Forty boys are working out for the 1946 Longhorn football squad Coach Sid Thomas reported Thursday. This is the largest squad the Longhorns have had in several years. Although the Longhorns open their season Friday night under the floodlights at their own field, their opponents the Otton Mustangs, traditional foes, who have repeatedly won from the District 4-A boys.

having to work for the most part with a green squad Coach Thomas was cheered by the large number of enthusiastic boys he had out.

The team will probably be built around the three lettermen from last year's team. They are Gene Messer, all-district end, 165 pounds; Robert Logan, half back, 150 pounds; and Harold Jeffcoat, quarter back

155 pounds. Outstanding among the new men on the squad are Bobby Carthel in the backfield, 130 pounds; Wyman Guthrie in the backfield, 138 pounds; Calvin Pyle at end, 147 pounds; Donnie Bybee at guard 137 pounds; Jack Adams at guard 147 pounds; Ewell Dee Kelley at tackle, 180 pounds; Delbert Shearer at tackle, 228 pounds; Robert Daniels and Joe Toney. Other boys working out and their weights are:

Harold Hall 95, Hardy Clements 133, Billie Bybee 118, James Quisenberry 146, Clarence Messimer 158, Jno. L. Hotten 101; Kenneth Murdock 97; Bob McLeod 81; Bob Bennett 130; Herbert Watson 137; Glenn Worsham 130; Henry Schacht 132; Billie Gene Warren 133; Wilkie Parrish 142, Robert Huckabay 140 Joe Keeter 139; Bill Thompson 148 David Catlin 120, Jerry Paul Cooper 101, Donald Reece 83, Max Preston 97, Ray Slover, Gilbert Wolfe, Bill Barker, Leon Rose, Dwayne McLeod, W. H. Felder, Eugene Tannahill.

Fairview News

FAIRVIEW, September 16—Every one is smiling over the fine rain of last Thursday and Thursday night. This community received from two and a half to four inches, the heaviest rainfall being in the northeast part of the community. Farmers now are wondering how much time the feed will have to grow and if it will grain out before frost. Everyone is busy getting ready to sow wheat as soon as the fields are dry enough. School opened today with Mrs. L. E. Crabtree and Mrs. Jim Conner as teachers. Mr. and Mrs. Crabtree and their two children moved from their home east of Floydada to the teachers, where they will live for the school term.

Mr. and Mrs. Benton Richey were

Sunday visitors in the home of Mr. and Mrs. Preston Bullard. Several from here attended the picnic at McCoy today.

Mr. and Mrs. Clyde Bagwell and Mrs. C. L. Joiner were Sunday dinner guests of Mr. and Mrs. E. W. Walls. Mr. and Mrs. L. A. Horton went to Plainview Sunday to attend a birthday dinner honoring Mrs. Horton. The dinner was prepared by her daughter, Mrs. Odell Stapleton at her home. Others present besides Mrs. Stapleton's family were Mrs. Jim Stewart and son Jim Dan of Floydada, Mrs. Dona McVickers and L. D. Horton of Plainview.

Mr. and Mrs. W. B. Wilson had all of her children and their families home for the day Sunday. Children present were Mr. and Mrs. Woodrow Wilson and daughters, Mr. and Mrs. Randolph Wilson and sons, Mr. and Mrs. Billie Tye and daughter all of Floydada, Mr. and Mrs. Bill Beedy and sons of South Plains, and Mr. and Mrs. Walton Wilson and family. Others present were Mr. and Mrs. A. S. Mize and Steve and George and Mrs. H. C. Randolph of Cedar Hill.

Rev. C. A. Butler resigned as pastor of the Baptist church at the morning service Sunday. He had served the church as pastor for the past year and a half. Mr. and Mrs. L. A. Horton visited Saturday night with Mr. and Mrs. E. W. Walls. Several from here attended the Floyd County Baptist association at Floydada Tuesday.

Herman Kreis from Childress is visiting in the home of his mother Mrs. Lizzie Kreis.

Mr. and Mrs. Roscoe Riggles and Danny spent Sunday morning in the home of Mr. and Mrs. J. R. Vickers and family.

Lockney News

LOCKNEY, Sept. 17—A number from here attended the Baptist association at Floydada Tuesday.

Mr. and Mrs. James Whorton and children of Kansas were here last week visiting his sister, Mrs. Ewald Quebe and Mr. Quebe and an aunt Mrs. E. M. Whorton. Mr. and Mrs. Hugh Roberson and daughter, Joyce, of Amarillo spent the week-end here with relatives.

Fleeta Katron Carthel of Floydada spent the week-end here with her grandmother, Mrs. F. S. Byers. Mr. and Mrs. Oscar Phillips spent last Sunday in Plainview with his mother, Mrs. Lina Phillips. Mr. and Mrs. Edwin Hammonds are the proud parents of a baby boy who was born in the Plainview hospital. He has been named James William. Mr. and Mrs. Hammonds have a daughter eight years old, Eddie Lynn.

Mrs. E. M. Whorton and Mr. and Mrs. Ewald Quebe and Mr. and Mrs. James Whorton and family spent last Tuesday in Lubbock with relatives.

The Busy Bee Sewing club will meet with Mrs. Emma Lawson Wednesday, September 25, for an all day quilting. Each lady is asked to bring a covered dish. Mr. and Mrs. L. M. Honea moved into their new home on South Main street this week. Dr. J. V. McKay of Humble, Texas will begin the practice of medicine here at the Greer clinic this week. Dr. Smith will go to Plainview where he has joined the staff there.

Providence Locals

PROVIDENCE, Sept. 16—The Harold McLaughlin's have as their guests this week Mrs. McLaughlin's brother and sister-in-law, Mr. and Mrs. Rufus Jones of Pampa. Mr. and Mrs. Marvin Scheele and Mr. and Mrs. Arthur Sammann were in Floydada on business Friday. We received two and seven-eighths inches of rain last week. Mr. and Mrs. Arthur Sammann and Yvonne visited in the Wyatt McLaughlin home Friday evening. Mr. and Mrs. R. E. Lones of Pampa; Mr. and Mrs. J. W. Lloyd of Brownfield; Mr. and Mrs. D. L. Butts of Plainview; Mr. and Mrs. Harold McLaughlin and family; Mr. and Mrs. Martin Schutte; Mr. and Mrs. Clarence Brandes and Luther; Mr. and Mrs. Marvin Scheele and girls; and Mr. and Mrs. Arthur Sammann and Yvonne spent Saturday night at Buffalo Lake fishing. A large number of nice fish were caught and brought home. Mr. and Mrs. Jones and Mr. and Mrs. Butts left for their homes immediately after sun-up Sunday morning, but the remainder of the crowd along with Mr. and Mrs. Walter Sammann and family and Mr. and Mrs. Lee Payne and daughter, Mrs. Fairy Payne and Linda, Misses Nadine and Maxine Brandes, Mr. and Mrs. Jake Jones and Mr. Jim Jones of Bowie met at the Arthur Sammann home Sunday evening for a delicious fish fry. Mr. and Mrs. Marvin Scheele and Marie were dinner guests of Mr. and Mrs. Willie Schmidt Sunday.

PASTORS HELPERS HOLD ALL-DAY MEETING THURSDAY

The Pastor's Helpers Sunday School class met in the basement of the First Methodist church for an all day meeting September 16. Mrs. W. E. Walker was leader, Mesdames R. M. McCauley and W. M. Colville were hostesses. The subject was "Witnessing for Christ." Those present included Mesdames J. J. McKinnon, W. E. Walker, Lula Slaughter, Will Snell, E. C. Henry, A. P. McKinnon, Addie Thaggard, Lillie Britton, George Dickey, O. B. Olson, J. E. Laughlin, and D. D. Shipley. Visitors included Mesdames Bob Henry, Lloyd H. Jones, Nannie Hayes of Gatesville, and Dora Reagan. Counter sales books, adding machine paper, carbon. Hesperian.

Discharges

Discharges recorded in the county clerk's office the past few days include the following: David B. Blanton, technician fifth grade, Company A 542nd engineer boat and shore regiment, discharged June 28, 1946, from army separation center, Fort Sam Houston, Texas; Jimmie H. Allen, technician fifth grade, medical detachment 13th general hospital, discharged June 21, 1946, from army separation center, Fort Sam Houston, Texas; Albert W. Prigmore, technician fifth grade, Company L 291st infantry, discharged May 1, 1946 from separation center Camp Chaffee Arkansas; Milton Gross Jetton, FC 3/c Sv-6 USNR, discharged September 24 1945 from separation center Shoemaker, California; Glen Raymond Cooper, boatswain mate second class USNR discharged December 17, 1945 from USN Personnel separation center, San Pedro California; Kendall K. Cummings, staff sergeant, 162 Liaison squadron, discharged February 1, 1946 from San Antonio; Barry Wayne Barker, coxswain discharged August 6, 1946 from USN Personnel separation center, Bremerton, Washington; John Nellie Cardinal, signalman second class, discharged March 8 1946 from USN Personnel separation center, San Pedro, California.

DISMISSED FROM HOSPITAL

LOCKNEY, Sept. 13—Mrs. L. M. Golden of Sand Hill, who was seriously burned July 22, in an explosion at her home, was released from the Plainview hospital the first of last week. She has been in the home of her mother, Mrs. C. J. McClure, near Center, and expects to go home some time this week. She is able to sit up now and walk with help. Her sister Mrs. R. L. Tomme of Lockney will accompany her home and stay with her until she is better.

SUNDAY GUESTS

Visitors in the Bill Queen home Sunday were Mr. and Mrs. Lonnie Patton of Carlsbad, New Mexico. Mrs. Print Rice and Wayne of Floydada, Mr. and Mrs. Lloyd Queen, Mrs. Virgil Turner and niece and two children and Bryon Queen. Mr. and Mrs. Patton returned to their home on Monday.

High Plains Water Table is Fast Declining State Board of Water Engineers Declares in Report

W. Texas, Sept. 15—The development of wells for irrigation in the high plains in Texas, which is believed to be unprecedented in the United States, has been unabated. Records collected by the State Board of Water Engineers in cooperation with the geological survey show that 300 wells were pumped to about 35,000 acres of land, whereas conservative estimates place the number of wells at about 4,500 and the water pumped at about 550 million gallons during the summer of 1946.

rainfall, the heaviest on record in many parts of the region, and also a reduction in pumping, the water table rose somewhat although it did not recover to the original level. Since the spring of 1942 the water table has continued to decline at an increasing rate. More alarming however, is the increase in pumping lift. During the irrigation season of 1937 the pumping level in this well was 86 feet, but in August 1946 the pumping level was 113 feet below the land surface. The original setting was 72 feet below the land surface, whereas in 1945 a new pump was set at 110 feet. The downward trend of the pumping level indicates that the pump may have to be lowered again soon.

foremost question in the mind of many irrigation farmers and dry-land farmers and ranchmen in the high plains is this: What is the tremendous withdrawal of water having on our under-lying water supply? The answer to this question is gradually unfolding. Data are accumulated showing a change in standing and pumping levels in wells, says the board of water engineers.

COLLEGE STUDENTS
LOCKNEY, Sept. 13—Among those from Lockney who returned to college at Texas Technological college at Lubbock this week were James Carroll, Dwight and Terry Perkins, Evelyn Johnston, Thelma Zimmerman, June Carthel, Naomi Langford, Betty Seaman, Ruth Thomas, Robert Rigdon, Charlie and Walter Glyons.

Mr. and Mrs. Leon Saffell of Meadow, Texas, are the parents of a baby daughter born September 7 at West Texas hospital in Lubbock. The young lady has been named Anita Jean. Her grandparents are Mr. and Mrs. J. H. Tribble of Floydada, and Mrs. R. E. Saffell of Lubbock.

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago.

O. H. Huckabee, who resides northeast of town, brought in the second bale of 1932 cotton to reach the local market. It was ginned at the Lon Davis Gin and weighed 515 pounds.

Mr. and Mrs. W. N. Jones and daughter, Mrs. Holland C. Mitchell who returned home Monday after spending over six weeks on a vacation trip in Texas and New Mexico had the experience of being "water bound" at Del Rio for six days and witnessed the flood at its height as it swept south and southwest Texas due to excessive rains recently.

The body of little Frank Carroll Harris, five year old son of Mr. and Mrs. R. H. Harris, 435 West Jackson Street, was carried to the former home of the family at Streetman for interment, leaving Saturday morning.

The Baptist revival, conducted by Rev. J. S. Bates, state evangelist of the church, closed Sunday night after two weeks of services morning and evening. There were 29 additions to the church by letter and baptism.

Coach Dick Stovall and a squad of some 30 hardworking lads are literally "making the fur fly" up in the west end of town these days in the vicinity of Andrews ward as the Little Breezes go through their paces to get all set for another big schedule this year.

Showers yesterday and last night after nearly three weeks of pretty weather for plowing, gathering feed and maturing cotton, brought a temporary halt to the tremendous rush of farm operations in Floyd county.

Mrs. P. J. Wilkes, of Dougherty, is convalescing satisfactorily this week in a hospital at Gainesville, Texas, according to a report received at the Hesperian office Tuesday from Mr. Wilkes.

Judge J. W. Howard brought the Hesperian a piece of machinery belting the first of the week as a favor to the loser, suggesting that a want ad might find him and get the belting back in the owner's hands. The trip of the judge was not without its value for the owner was found, but the ad was unnecessary. The belting belonged at the Hesperian office.

Water Table Declining
As to the most heavily pumped areas, the water table is declining at a rapid rate; the lift has been greatly increased, due partly to unwatering of the sands, partly to interference between wells, and partly to the installation of larger-capacity pumps; and the yield of many wells has declined.

In one large heavily pumped area in Hale and Floyd Counties the standing water level showed a net decline averaging about 5 feet during the one-year period 1945-46, and a net decline ranging from 10 to 18 feet averaging about 15 feet during the period 1939 to 1946. In the same area the pumping level showed a decline ranging from a few feet to more than 50 feet from 1937-39 to 1946.

A typical example of what has happened and what is taking place in the heavily pumped parts of the region is shown by figures on a well that was drilled in 1913 and the original depth to water was 51 feet. From 1924 until the spring of 1941 there was a gradual but persistent decline of the water table. During 1941 as a result of heavy

STILL KEEP 'EM FLYING—Intricate mechanism installed in modern pursuit aircraft hold no terrors for the highly skilled technicians who have been graduated from Army Air Forces training schools. Requirements of the AAF demand high technical skills for a large percentage of its enlisted men and officers. New schools are opening to provide training for members of the peacetime Air Force in this 29th anniversary year.

BREAKING TRAIL.....

WE'VE BEEN AT IT FOR 22 YEARS

Twenty-two years ago your Public Service Company started breaking trail—trails of progress.

A pioneer in building ahead for the future, the Southwestern Public Service Company has anticipated future demands for electric service by spreading its network of lines and building new power plants.

Today, in a 12 million dollar expansion program, new power lines are going up throughout our area; there'll be more reliable, low cost electricity for homes, farms and factories.

Now you too, can plan on building ahead for the future—a future of better living, better farming, better working conditions—electrically.

A PIONEER IN BUILDING AHEAD FOR THE FUTURE

Verona Miller Bertram Jack Wed Monday

Miss Verona Miller, daughter of Mr. and Mrs. W. E. Miller became the bride of Bertram Jack Monday afternoon at 3:30 o'clock in a beautiful and impressive candlelight ceremony read in the home of the bride's parents, with Kline Nail of Lubbock officiating.

The couple stood in front of a background of fern and gladioli flanked with candelabra. Mr. and Mrs. Arlon Miller sang "Because" preceding the ceremony. The traditional wedding march was played by Miss Mary Anne Nail of Amarillo. Mrs. L. D. Chiles, sister of the groom lighted the tapers.

The bride, given in marriage by her father, wore a street length dress of sheer blue virgin wool with a sweetheart neckline and a white fingertip veil and carried a bouquet of gardenias and asters. For something old, she wore a necklace belonging to a cousin and for something borrowed she carried a linen handkerchief brought from India.

Miss Veri Miller, sister of the bride, attended her as maid of honor. She wore a two piece dress of aqua wool and carried pink asters. Porter Wily served as best man with Orba and Lynn Miller as ushers.

For her daughters wedding, Mrs. Miller chose a navy crepe with a corsage of pink roses. The groom's mother wore a gray crepe with a corsage of pink roses.

Miss Verona Miller became the bride of Bertram Jack in an impressive single ring ceremony performed at the home of her parents Mr. and Mrs. W. E. Miller, September 16.

Home Making Class Model Newer Styles For 1934 Study Club

The 1934 Study club met Tuesday night with Mrs. Bernice Hartog as hostess.

Miss Geneva Marr, home economics teacher in high school, had charge of the program. Loveta Cummings read a poem, followed by a style show put on by the girls of the home making class, showing styles as follows:

Reva Thomas modeled a dress from Hagoods Department store; Billy Francis Sisson modeled a three-piece suit from Penneys; Mary Maxey modeled a two piece dress from Hales Department store; June Powell modeled a stack suit from Hales;

Nita Merle Patterson modeled a Jersey dress from Miladies Specialty shoppe with a hair style from the Vogue Beauty shoppe;

Lindell Simmons modeled a brown and white check suit from Miladies Specialty shoppe her hair styled by the Modern Beauty shoppe.

Betty Lou Kenny modeled a two piece dress from Miladies with a hair style from the Modern Beauty shoppe;

Mona Cummings modeled a three piece suit from the Style shoppe;

Jean Cummings modeled a velvet dress and white coat from the Style shoppe with a hair style from the Vogue Beauty shoppe, and

Ivy Pearl Simmons modeled a hair style from Oleta's Beauty shoppe.

Members present were Corine Barber, Margaret Collier, Florine Crowell, Ruby Evans, Margaret Ginn, Mildred Harris, Thelma Hoffman, Flora McNeil, Geneva Marr, Jewel Martin, Jettie Moss, Avis Maenich, Helen Patterson, Mary Shaw, Bernice Stapleton, Ann Swenson, and the hostess Bernice Hartog.

One guest, Mrs. J. W. Reue, was also present.

Mrs. Hansen, Recent Bride, Complimented With Pretty Shower

Mrs. Chris M. R. Hansen, the former Dorothy Brock was honored with a shower Thursday night September 5 at 8 o'clock at the Methodist church.

The guests were greeted by Mesdames M. L. Solomon, L. O. Norrell, and Elmer Norrell. Miss Patricia Kirk played soft music while the guests were being seated. Mrs. Irvin Graham presided at the bride's book. Mesdames Joe E. Wilson and L. T. Hickerson presided at the refreshment table. Mrs. Roy Golden gave a toast to the bride, after the gifts were brought in.

The reception room was decorated with autumn flowers. Tiny flags were used for plate favors. Corsages were presented to the bride and her mother, Mrs. W. H. Brock.

Mrs. Hansen received many nice and useful gifts.

Hostesses for the occasion were Mesdames Joe E. Wilson, Gordon Mayfield, Harry Morckel, Jake Greer, M. L. Solomon, J. K. Holmes, John Haney, Lee Trice, J. B. Turner, L. G. Norrell, Elmer Norrell, L. T. Hickerson, M. J. McNeil, Wanda O'Neil, P. A. Denison, A. G. Eubanks, Bob Wilson, Ott Walden, D. W. Burke Leslie Fawver, Mildred Cates, Carl Plumlee, Tom Thomas, Roy Golden, Irvin Graham, K. Terrell and Miss Peggy Trice.

Mr. and Mrs. Hansen are making their home in Meridian, Texas, where he is employed at a bank.

Guests present were Mesdames Lon Smith, Wilson Kimble, Pierce King, Wynne Angus, John Stapleton, Jean Newberry, C. K. Arnold, E. W. Holmes, N. W. Williams, E. C. McDonald, V. Andrews, Bess Cantwell, Byron Robertson, W. B. Eakin, Betty Chowning, A. T. Hull, J. H. Buchanan, T. C. Hollums, Leeman Norman, W. H. Henderson,

Mesdames L. G. Withers, Roy Fawver, James Colville, Homer McDonald, H. O. Pope, Glad Snodgrass, Lewis Norman, C. B. Carmack, P. F. Bertrand, A. B. Clark, W. C. Snodgrass, W. F. Daniels, J. W. Day, Jr., Willson, C. P. Looper, Dick Fenner, W. C. Simms, A. L. Sparks, J. C. Wester, G. H. Day, W. E. Grimes, Eugene Wooten, D. D. Shipley, G. V. Smith, Ted Brown, John Hedman, J. D. McBrien, Leone Golden, R. C. Henry.

Mesdames James Elliott, Sam McCleskey, J. A. Burris, Richard Stovall, Bob Calhoun, A. V. Womack, Edd Johnson, Charlie Perry, M. L. O'Bannon, Lon Blasingame, W. H. Brock, Mr. and Mrs. P. O. Brock, Mr. and Mrs. John George, Mr. and Mrs. Perry, Mr. and Mrs. Sherrill Powell and Misses Edra Robertson and Jenelle Golden.

Husbands Are Guests Fidelis Matrons at Thurs. Evening Social

The Fidelis Matron's Sunday School class enjoyed a social with their husbands as guests at the home of Mr. and Mrs. S. J. Latta Thursday evening at 7:30 o'clock.

Devotion was led by Mrs. G. A. Lida, teacher of the class, followed by a prayer and grace by Noman Hamilton.

A delicious meal was served, followed by the election of officers.

Officers for the coming year are Mrs. G. A. Lida, teacher; Mrs. I. T. Graves, assistant teacher; Mrs. S. J. Latta, president; Mrs. E. J. Moorehead, first vice president; Mrs. Lovell Jones, second vice president; Mrs. A. H. Kreis, third vice president; Mrs. Harry Jones, secretary; and Mrs. A. J. Cline, assistant secretary.

Those present were Messrs. and Mesdames C. A. Boothe, G. A. Lida, A. H. Kreis, Troy Leonard, George McAllister, Clarence Guffee, J. D. McBrien, Noman Hamilton, H. G. Barber, Ross Henry, S. J. Latta, Mesdames Sam Phillips, J. V. Daniel, E. J. Moorehead, E. L. Angus, E. I. Durham, E. L. Norman and Alice Latta.

PTA and Guests Will Have Picnic Supper on Monday Evening

Members of the yearbook committee of Andrews Ward Parent-Teachers association and the president of the PTA, will be hostesses Monday evening at 7 o'clock at a get-acquainted picnic supper at the school cafeteria. It was announced this week by Mrs. Hazel Stovall, president of the PTA.

Everybody will bring a basket lunch and spread in the new cafeteria, and faculty members of the high school are being invited as well as members of the ward school faculty.

The program planned, in addition to the informalities of the picnic, includes an address by Gale M. Unger, of Lubbock, and special musical numbers.

Members of the yearbook committee are Mrs. C. B. McDonald, Mrs. Jack Henry, and Mrs. P. L. Orman.

Picnic Opening New Year Monday evening Held by Music Club

The members of the Music club held their first meeting Monday evening at 6:30 with a picnic at the City park with their families as guests.

A business meeting was held after the picnic and prospective members were voted on.

Members and guests present were Mr. and Mrs. P. A. Denison, Mr. and Mrs. C. D. Foote, Mr. and Mrs. Clement McDonald and children, Mr. and Mrs. Carl Muench and children, Alice Bell and Mrs. Bell, Mrs. Galloway, Mrs. Evelyn Pittman and children, Mrs. Walker, Mrs. L. W. Matthews, and Miss Jane Whitaker.

Blue Bonnet Club Elects New Officers

The Blue Bonnet Needle club met September 6 with Ruth Christian in an all day meeting. A covered dish luncheon was served at noon.

New officers for the coming year were elected as follows: Lila Kendricks, president; Oleta Collier, vice-president; Effie Allen, secretary-treasurer; and Mildred Puqua, reporter.

Members present at the meeting were Pansy Finley, Juanita Widener, Mary Alice Aiken, Irene Dorrell, Dorothy Dorrell, Ruth Christian, Helen Perry, Tommy Tinnin, Jesse Roberts, Edwina Hollums, Effie Allen, Bessie Wilson, Oleta Collier, Lila Kendricks and Mildred Puqua. Mrs. Noel Troutman, a visitor was also present.

FRIENDSHIP H. D. CLUB

The Friendship Home Demonstration club met September 5 with Mrs. W. H. Bethel.

The business session was presided at by the president, Mrs. George Stiles. Roll call was answered by "My special economy."

Recreation was led by Mrs. R. M. Stovall, the prize in art being won by Mrs. W. H. Bethel.

A motion was made and carried to change the meeting hour back to 2 o'clock.

Miss Wilson gave a demonstration on "Buying living room furniture." Refreshments were served to Mesdames Ashton, Stovall, Stiles, Bethel and Miss Wilson.

The next meeting will be October 3 at 2 o'clock with Mrs. A. H. Kreis.

WALL - RIGDON VOWS TAKEN

LOCKNEY, Sept. 13—Miss Resdie Mae Wall, daughter of Mrs. Alie Wall of Lockney and Joe C. Rigdon of Mr. and Mrs. Bill Rigdon of Lockney were married Wednesday September 11. The ceremony took place in the parsonage of the Central Baptist church, Lubbock, with Rev. Jeff D. Welch, Baptist minister officiating.

LAKEVIEW H. D. CLUB

The Lakeview Home Demonstration Club will meet Monday, September 23, with Mrs. Orvus Shearer. Miss Edith Wilson, agent will be present and give the scheduled demonstration.

FARM LANDS SOAR

The farm land boom goes merrily on despite the Agriculture Department's warning that a similar situation occurred after World War I. That boom collapsed when foreign demand for farm commodities ceased. Farm real estate values increased four percent in four months ending July. They're now 77 percent above the 1935-39 level.—Ex.

Center News

CENTER, S-A 17.—We regret to have to record this week the passing of a good neighbor on the Silverton road, Mrs. W. T. Hamilton, who died at her home Saturday morning.

Funeral services were held at the First Baptist church Tuesday morning after the arrival of her daughter, Mrs. Prudie Mae Wall and a son of Iowa. She is survived by her husband, one son and one daughter, several grandchildren and great grandchildren.

Although Mrs. Hamilton lived near town and attended church there, she was a member of our Home Demonstration club and we shall miss her. She has endeared herself to us with her Christian character and companionable personality. Our sympathy goes to the loved ones.

A nice crowd attended church Sunday although some of the "regulars" were absent, away on vacation.

Rev. and Mrs. Clay Muncy dined in the J. E. Green home Sunday.

Mr. and Mrs. J. B. Jordan and Kathie left last Thursday for a trip to Temple, Texas and other points.

Margaret Green visited after church Sunday with Francis Ash-ton.

Visitors in the Green home Sunday afternoon were Anthony Latta of Mt. Blanco, Austin Ruddick, student of Wayland college, and Miss Lucy Belle Stokes of Albuquerque, New Mexico. Miss Stokes is a B. S. U. worker of New Mexico and is on her way to Baylor where she is a senior.

Clyde Green left Monday morning for Waco to resume his studies as a student in Baylor University.

Mrs. A. W. Anderson and children moved to town last week. We are sorry to lose such good neighbors and such faithful attendants at our church services. The family has lived in our community for 15 years. But a home in town has its advantages for school children during this rainy weather.

Those from Center attending the Association at Floydada were Rev. and Mrs. Clay Muncy, Mr. and Mrs. Green, Mrs. J. L. Montgomery, and Mr. and Mrs. H. B. Mankins.

LEO JACKSON DOING GOOD JOB AT CAMERON, REPORT HEARD IN OLD HOME TOWN

Leo Jackson, son of Mr. and Mrs. A. C. Jackson, coach of athletics at Cameron, Texas, is leading the Yoemen in his second year as head coach and has an impressive record in 1945 his team won 8 out of 10 games to finish third in the district.

He gave Yoe High school a championship basketball team and is building a great and beneficial system of athletics at Yoe High school.

EDUCATION FOR PEACE

Soviet Russia said "No." So no delegates came from Moscow to a world conference of teachers at Endicott, N. Y. Likewise unrepresented were Argentina, Italy, France, Spain.

Included, however, were delegates from 39 countries, mostly little ones. U. S. took the lead. Sponsored by National Education Association, the conference resolved to promote world peace by aiding (1) exchange of students, (2) revision of textbooks to eliminate "nationalistic bias," (3) reduction of illiteracy.

Divergent viewpoints popped up. Bolivia: "Most of our children cannot write." Poland argued: "Why stress illiteracy when educated Germans became murderers?"

LET G. I. JOE DO IT

A housewife had a refrigerator with a defective door catch. Repair firms told her they couldn't fix it. Finally she called an ex-G. I. who had opened an odd jobs shop nearby. The veteran had spent the war watching army equipment with whatever was at hand.

The woman searched high and low but she couldn't find any washers. However, she came up with some over-sized bus tokens her children use. "Just the thing," said Joe—and he had the catch working in no time!—Pathfinder.

Saving Suggested Household

Edith L. Wilson) of you folks are being with those small black ants now, here's some advice from the Texas A. and M. Extension Service. First, you must go out to the root of the trouble. If the ants are in the bed itself, use the ant bed itself to handle these small pests — and don't confuse the large or cutter ant with the sprinkle five percent solution around the entrance. Be sure the band of matches all the way around the bed is about two inches wide and more than six inches from the entrance. When entering the bed, insects will walk through the band. It will stick to the bed, and they'll carry it into the bed, and the ants in the colony.

SEE STEER ROPING CLASSIC An estimated 10,000 persons from all over the states of New Mexico and Texas were present at the Levelland Rodeo grounds Sunday to witness a big steer roping, throwing and tying contest. Cotton Lee of Fort Sumner, New Mexico, won first place by tying five steers in 1222 seconds. Among those attending the rodeo from Floydada were Mr. and Mrs. W. R. Dooley, Mr. and Mrs. Luther Fry, Mr. and Mrs. Jim Barnard, Buck Conner, Mr. and Mrs. Rafe Ferguson, Mr. and Mrs. Sed Waller, Mr. and Mrs. Clarence Reddy and family, Mr. and Mrs. Ham Smith and Claude Pawver.

CARD OF THANKS Words cannot express the gratitude we have in our hearts for the many acts and deeds shown by friends and neighbors in the loss of our wife, mother and grandmother. May the Lord bless each of you in your time of sorrow. Hamilton Family.

Mrs. John H. Myers, of Ralls formerly a resident of Floydada was among the messengers at the Baptist association here Tuesday. Mr. Myers, who is a member of the public school faculty at Ralls, was here in the late afternoon for the evening session.

proof curtains and other household articles.

Well, it's easy to fireproof any cotton fabric that won't be hurt by dipping in a solution of borax and boric acid water. Mrs. Bernice Claytor, specialist in home management for the Texas A. and M. Extension Service offers this simple recipe:

Make a solution of seven ounces of borax, three ounces of boric acid and two quarts of hot water. Remember that's seven ounces of borax, three ounces of boric acid and two quarts of hot water. Keep stirring until the water looks clear.

Next, dip the article you want to fireproof into the solution. Just as though you were rinsing it in water. Wring it out, hang it up to dry, and press in the usual way with a warm iron.

That's all there is to it — remember, though, you need to re-dip articles every time they're laundered — and the curtains, towels, or clothes you've fire-proofed must be dry when you dip them — otherwise the solution would be diluted and less effective.

Mrs. Claytor says you can fireproof such things as curtains for the kitchen, a cotton rug which lies in front of the living room, fireplace cloth pot lifters, ironing board covers, and the like. Or you can fireproof large articles of cloth — wall hangings, upholstery, or large cotton rugs by spraying the borax-boric acid solution on them.

MINISTER SAYS HE WILL PROVE NOAH WAS WOMAN

J. Lloyd Rice, minister of the City Park Church of Christ, announced Wednesday that he would prove by the bible that Noah was woman, at the Sunday night service, September 22, at the church.

The evening service begins at 7:30. The public is cordially invited to attend.

Mrs. C. W. Denison visited her sister, Mrs. W. B. Parrack, of Childress, and relatives in Wichita Falls last week.

Half Minute Interviews

Fred Bell: "You never saw ranges with grass any finer than in Briscoe county. The grass is going to seed half knee tall."

Mrs. Bob Smith is due home sometime this week or next from Denver, Colorado, where she has been for several days, visiting her daughter, Mrs. Phil Merry, Jr.

Counter sales books, adding machine paper, carbon. Hesperian.

HALE'S DEPARTMENT STORE

September 28 Last Day!

Positively the last added time for Pictures in

FLOYD COUNTY'S OWN

World War II History Book

Time Extended Until Sept. 28 — No More Extensions!

IT'S YOUR OWN BOOK OF WAR MEMORIES

THIS IS IT—the book that must be written to tell in enduring print the story of men and women from this county in World War II—YOUR STORY... a handsome book featuring faces to remember... facts about those who served with you when they were needed... treasured memories.

(Here's How Book Will Look)

IT COSTS NOTHING TO BE INCLUDED

There's no cost, no obligation for including one or more pictures in this book. Pictures and write-ups of ALL men and women who served, or are serving now, are wanted FREE. Simply help us make this book complete. We want the picture of EVERY veteran. Pictures returned.

HERE'S ALL YOU DO:

Just fill in the form below, attach picture and bring or mail to our office. That's all. Simple as ABC. No cost—No obligation—Picture returned.

PARENTS AND WIVES CAN HELP

Parents and Wives, this book is being published to provide a valuable memento . . . to record the splendid service of our boys. It is a big job we know, but we believe one that should be done. We urgently appeal to you to help us. Bring in pictures of your men. It costs you nothing, the picture will be returned. Won't you do this to help make this book a success? It is not a "brag" book. Not a scheme, just a book to record the service of your boy and girl. Your loved one served, he belongs in this book. Fill out the form, attach picture, bring or mail to us. Act now! We need your help!

LET'S INCLUDE ALL VETS

Hundreds of pictures of service people from this county have been received. We are extending the time to try to get all pictures. All served honorably. All belong in this history. Your co-operation is urged.

YOU MAY ORDER BOOK

Yes, there'll be a book for everyone, regardless of the paper shortage. The publishers—The W. D. Dixon Publishing Service of Vernon, Texas—assured us there'll be a copy for all, even extra copies where wanted. But to make sure enough copies are printed, order your book now. You'll want one in years to come. Your service man or woman will need one. Order one now. Order as many as you wish. The price is \$3.50. You may mail in your check if you wish.

Mail or Bring Pictures and Forms by Sept. 28 to The

Crowell Wildcats Take Whirlwinds In Season's First

Scoring in the late minutes of the second quarter to even up with the Whirlwinds in the first half, the Crowell Wildcats scored twice in the third quarter and again in the fourth against Floydada High's Whirlwinds, and made one of four tries at extra point, to win last Friday night 25 to 12 in the season's opening football game at Wester field.

A large crowd witnessed the game despite the heavy rains of the previous night and the continued threat of more downpour during the contest.

The alert Wildcats took full advantage of the inexperienced Whirlwind line play and repeated fumbles that kept the Winds in their own backyard much of the time. Outweighed 10 pounds to the man the visitors had the game under control throughout the second and third quarters.

The Winds made a good start, scoring early after the kick off by Crowell. Bill Hale took the ball on the 15 yard line and returned it to the 33 yard line of Floydada. After two tries that carried the ball to the 48-yard stripe two successive penalties had the Whirlwinds on their own 31 again, when Carmack elected to punt out of the hole. A good boot to the Crowell 25, a 3-yard penalty for Crowell and a fumble by the Crowell back field, gave the Winds the ball on Crowell's 29 yard line. Through tackle Carmack ran the distance for the first score of the game.

In The Hole All The Time
Despite the weak spots in their line the Whirlwinds would have won the game. Inset ball handling set the stage for everyone of the Wildcat scores, the Crowell squad having the latter part of the second quarter, all of the third and part of the fourth. When the Winds regained control it was too late. With the score 19 to 6 Carmack took the ball on the opening play of the fourth quarter and ran through a hole made by Hart, Parrish and Womack to score from the 41-yard line. Hard luck followed shortly again, however, when right end Bill Womack took a pass from Carmack on the 30-yard line and scored only to have the gain cancelled by an offside.

Quarterback Joy sparked the Crowell offensive play and he had good pass receivers in J. L. Brock, diminutive R. L. Ballard and left end Ed Thomas. For their opening score Joy passed to Thomas in the end zone. Joy passed to Brock for

the second score, and the same combination repeated to make the only conversion of the game. Crowell final score also came on a long pass Joy to Brock. Only score made by Crowell on running plays came in the late minutes of the third when Brock scored from the five-yard line on an end-around.

New Men Get a Chance
Both coaches substituted freely. Coach Gresham gave most of his new boys a chance to get playing experience under fire, but his team was in the hole so much of the time he did not get a chance to experiment as much as he would have liked.

Polio Cases Number 44 at Plainview

Center for Summer

PLAINVIEW, September 15—The sixth Hale county polio case was brought to West Texas center this week. Wayne Elton Adams aged two years and nine months, son of Mr. and Mrs. Moody Adams, Route two, Plainview, was admitted late Wednesday.

On the same day, Bobby Lewis Crane, aged two, son of Mr. and Mrs. J. T. Crane of Portales, N. M. was brought to the clinic from Portales, N. M.

The latest cases bring the summer's total to 44 receiving treatment for infantile paralysis in the local sanitarium.

SON BORN SEPTEMBER 11

LOCKNEY, Sept. 13—Mr. and Mrs. A. P. Barker, Jr., are parents of a baby boy born in a Lubbock hospital September 11. The young man weighed five and a half pounds. His grandparents are Mr. and Mrs. A. P. Barker, sr., of Lockney, and Mrs. Blanche Phlegley of Denver City, Texas.

Lockney Cannery Praised Highly Efficient Plant

LOCKNEY, Sept. 13—The Lockney cannery was described as "the outstanding canning plant in this entire district" by O. T. Ryan of Lubbock, supervisor, in a visit here last week.

Mr. Ryan, who represents the federal government in the food conservation program in this district, was highly pleased with the report made for the month of August by Mrs. Sallie Griffith, local instructor. Mrs. Griffith's report showed that the cannery had produced 9,562 cans of food during August as well as rendering 868 pounds of fat.

Mrs. Griffith stated that the months of August, September, and October would be the most productive months for the cannery.

While here Mr. Ryan approved the application for continuation of the program until June 1947 on the same basis it is now operated.

MINISTER RECENTLY HOME FROM EUROPE SPEAKS AT CITY PARK CHURCH OF CHRIST

Paul Sherrrod from Broadway Church of Christ in Lubbock, who has recently returned from a tour of Europe, most of the time in Germany, spoke at the City Park Church of Christ here Wednesday night at 8:00 o'clock announced Pastor J. Lloyd Rice.

Lewis Newell left last week for Lubbock, where he is enrolled at Tech for the ensuing year.

MRS. MULDER IS HOSTESS SOUTH PLAINS H. D. CLUB

The South Plains Home Demonstration club met September 11 with Mrs. Arby Mulder. Roll call was answered with "what programs I'd like to see in next year's book."

Mrs. Weast gave council report, also a demonstration on corsages. We all enjoyed the demonstration very much.

Lovely refreshments were served to 12 old members and one new one. The next meeting is with Mrs. Bill Beedy, September 25.

Mr. and Mrs. Bobbie Jones spent last week-end in the home of his uncle and wife, Mr. and Mrs. W. B. Jones. They were enroute to their home in Oakland, California, after a trip to Detroit, where he attended a postal convention and to New York on a visit.

Lacy Martin and Fred Zimmerman left last Thursday for a fishing trip to Chihuahua City, Old Mexico. They plan to return Saturday.

Mr. and Mrs. Shelby Cook and daughters Janice and Judy of Amarillo spent the week-end here with her parents, Mr. and Mrs. Fred Battey.

INSURANCE FIRE!

Mrs. C. A. Cumbie this week insured her home in Texas Farmers Union for \$5,250.00 with full coverage for 5 years and paid \$133.88. She paid an extra \$5 for 5 year membership in our Texas Farmers Union to help educate our boys and girls and help develop other ways for us to save money.

Same as Mrs. Cumbie and hundreds of others, you can keep a big saving in your own pocket and have your own Fire Insurance Company and Farm organization fighting for you at the top, or you can help build Sky Scrapers in other States. When you give them the extra money, you be the judge if they are helping producers in Texas?

We are to the point where we just can't kid ourselves. Check the records. Your Texas Farmers Union Fire Insurance Company has paid every loss in full. No depreciation. Ask Joe Fortenberry who received \$150 for payment in full when his wash house burned, then to his surprise he received more than an extra \$100 for items that we considered were included in household furnishings.

Save yourself a Christmas present while you build better homes here, by staying with your own Texas company.

You have helped me get a car (not a new one) that I may help get more done. Drop me a card, Floydada or Lockney, or come to the farm that I may explain further.

For a program to get about half what you would expect—Listen to "A FARMERS LIFE, AS HE LIVES IT" K. V. O. P. each Saturday 12:45 to 1 P. M.

THE HESPERETTE

Edited by Pupils of Floydada High School

Classes Organize, Begin Plans for Big Year at Floydada High

The classes got off to a good start this week with the election of class officers--The Senior class elected Charles Deedy as president; Van Jolina, vice-president; Jean Cummings secretary; Lindel Simmons treasurer; and Loveta Cummings reporter. The sponsors are Miss Anne Swepston and H. G. Barber. The Seniors are looking forward to a very enjoyable year with these fine officers and sponsors.

BEAT TULIA!

The Junior Class, determined to make good competition for the dignified Seniors, elected Claude Parrish, president; Travis Jones, vice-president; Norma Jean Carpenter secretary-treasurer and Marlene Foote, reporter. The sponsors are Miss Alice Osborne and Mr. Clyde Haden.

BEAT TULIA!

The Sophomore class, not to be forgotten, elected for president Bobby Bishop; vice-president, Billy Joe Johnston; secretary-treasurer Christine Jones; and reporter, John Moss. The sponsors are Miss Geneva Marr and Mr. Estie Baker.

BEAT TULIA!

The Freshmen class, determined to make a good impression their first year at High School, elected Bobby Finley, president; Billy Jones, vice-president; Dorothy Bishop, secretary-treasurer; and Junior Perry, reporter. The sponsors who generously agree to take over the Freshman this year are Mrs. I. T. Graves and Mrs. Elaine Wilson.

Queen's Race Competition Already Keen

The race is on! Already competition is keen between the classes in the Queen's Race. Every class seems determined to have the winning queen at the coronation or fallowen night. The Seniors with their queen, Nita Lucie Patterson have set their goal to win again this year with as good a margin as they did over the seniors last year, and the Juniors, with Joyce Jarrett as their queen, are just as determined that they shall win this year--The Sophomores have decided to make Gladys Roberts the queen of the Carnival this year and show their superiority--the Juniors and Seniors--that they just haven't what it takes to win against the mighty Sophs! But wait, haven't we forgotten someone? Oh, yes, the Freshmen-- The Freshmen are getting tired of being forgotten so they are planning to be definitely in the queen's race this year with their queen, Peggy Collier. Since no Freshman Class has won the queen race, they think it's time some changes were made and they're just the ones to do it and make their Queen of the Carnival in 1946.

After taking a good view of every class and their queens, it seems to me that it's any body's race--I wouldn't bet for any classes--My advice is to wait till Halloween and find out for sure who's the winner. It's going to be a stiff race and a good one. If you are asked for money about fifty times between now and Halloween, please don't be too angry because the classes are really trying to make some money for their queens.

Crowell Wildcats Claw the 'Winds'

The Floydada Whirlwinds opened their 1946 football season Friday night on West Field before a large crowd of spectators. The "Winds" ended up on the short end of a 23-12 count but were on the long end in experience gained.

Three plays gained a first down out two penalties forced Carmack to punt.

After a costly fumble by Crowell Floydada capitalized and sent Carmack on a 40 yd. scoring sprint. The extra point was wide. This ended the scoring in the first quarter. Early in the second quarter passing to Thomas for Crowell's first tally. The extra point was wide, and this ended the first half of this battle in the mud.

In the third quarter Joy's passing again clicked and Crowell forged ahead, 12-6, but missed their extra point. A few minutes later a costly fumble by Floydada set up Brock's plunge through center. The extra point was made and thus the scoring in the third quarter.

A downfield drive of about 80 yds. led by Carmack's plunging got Floydada a touchdown.

Later a touchdown pass, Carmack to Bill Womack, was lost on an off-side penalty.

In the closing minutes of play Brock again scored for Crowell ending the game scoring spree with a 23-12 victory.

BEAT TULIA!

Students Welcome New, Old Members of Teaching Staff

We would like to take this opportunity to introduce to the public the new members of the F. H. S. faculty. Mrs. Elaine Wilson is a Floydada girl, who attended Wayland College, and West Texas State College. After teaching at Hill crest and Corpus Christi, she has returned to teach World History and to be high school librarian. She is readily recognized by her friendly smile, beautiful hazel eyes, and brown hair.

Another Floydada girl that we have back with us as a teacher is Miss Frances Ruth Garrett. She attended Texas Tech and Baylor. She is teaching bookkeeping, shorthand, and typing, and is pep squad sponsor. Her red hair, blue eyes, and wonderful personality, are big assets to F. H. S.

Mrs. Polly Cardinal really does not seem new to any of us. She attended T. S. C. W., also taught here from 1939 to 1941, then moved to California for three years. On coming back to Texas, Slaton was her choice, but not for long. This year she is back in F. H. S., as English and Civics teacher, pep squad sponsor, and Gamma Sigma Kappa sponsor. Her brown curly hair, green eyes, and smiling face certainly brighten the halls of F. H. S.

Mr. Clyde Haden is certainly a proud possession of F. H. S. His home town is Abilene, Texas, and he attended Abilene Christian college there. After teaching in Leuder, Texas, he is coming to Floydada as band director, and Junior Business Training teacher. Even though he has had only two weeks here, he has the Floydada Band really clicking, and we are sure he will continue to improve it as time goes on.

To the teachers returning, we're glad to have you back, again; and to you new additions, Welcome! We're very glad to have everyone of you.

BEAT TULIA!

Students Pleased With Hep and Pep of the Pep Squad

The Green and White's pep-squad this year is really full of pep and pep, which doesn't mean just the leaders are doing their best, but each individual member is working to make it a first class pep-squad.

The sponsors are Mrs. Fred Cardinal and Miss Francis Ruth Garrett, and since they've both had lots of experience in dealing with the pep-squad, they make A-1 sponsors, and the girls are very proud indeed to have them.

The leaders are La Vell Hall, Valerie Burke, and Nita Patterson, and they've practiced each day at noon with the pep-squad. The leaders say they notice some improvement in co-operation of the whole squad every day.

The squad organized the first week of school, and the latest report from the leaders was that there were fifty-five enrolled and they all have uniforms, which are green pleated skirts and white sloppy-joe sweaters with a green F on the front of each sweater.

The squad voted Maxine Griffin and Beth Hinson as business managers, who have taken quite a load off the leaders' and sponsors' shoulders in that they are taking care of most of the money.

The pep-rally last Thursday night proved very successful. The band and pep-squad met on the corner of Jones Grocery and marched through town and down Main Street to West Field, where they had a bon fire. They also gave some yells for the football boys who were having a night practice. By this Thursday night we hope to have a uniformed pep-squad because it adds lots to the spirit of the games as well as the appearance.

The leaders led the pep-squad in yells and songs in assembly Friday morning, and the student body seemed very pleased with the squad as a whole.

Loveta Cummings President FHM

The F. H. M. had its first meeting of the year Sept. 9, 1946. Officers elected for the following year were President, Loveta Cummings; vice-president, Nadine Willis; sergeant-at-arms, Peggy Collier; secretary Wanda Faye Pricer; reporter, Jean Waller; pianist, Dorothy Bishop; song leader, Doris Vinson; year book committee, Ruth and Joyce Reddy. The club enjoyed a social Wednesday night. New members were initiated, and games and refreshments were enjoyed by all.

Future Farmers Elect Officers, Set Objectives

The Future Farmers of Floydada got off to a big start September 2, September 5, the following officers were elected: president, Charles Beedy; vice-president, Travis Jones; second vice-president, Randall Warren; third vice-president, Richard Wiley; secretary, J. B. Colston; treasurer, Louis Lloyd; reporter, Tom Bob Jarboe; adviser, Gerald Smalley; parliamentarian, Welms Norman; historian, Ruben Whitfill; sentinel, Lloyd Dale Leach; song leader, Eugene Mayfield; and band leader, Gene Payne.

Last Thursday the members went through their opening and closing ceremonies, which they will use in a parliamentary procedure contest at Plainview later on in the year.

Also Thursday the chapter objectives, which will be carried out this year, were made. They were: Make a trip to the Fort Worth Fat Stock Show, hold an Ag. meeting once a month, Every boy have a good project program, hold a spring show, initiate Green Hands and Future Farmers, go on a field trip each month, Have a pest eradication contest, hold Father and Son Banquet, Hold a Chapter Sweetheart Contest, hold a joint meeting with the Home Economics Girls, hold an encampment, Raise Chapter funds, beautify schools, parks, etc.

Present assembly programs, have a downtown window display, have uniforms, and hold athletic games with adjoining chapters. The eighty-two members of the Floydada Chapter of the Future Farmers of America are planning a large and very successful year.

Money makers--Hesperian Classified advertisements.

Band Begins Year With 27 Members

The band, directed by Mr. Clyde Haden, is showing some definite improvement this year. There are twenty-seven members in the band this year. Billie Frances Sisson is the Drum Major, and Joy Lambert and June Powell are the twirlers. The band elected their officers for the year, Monday. They are: president--Gene Dale Jackson; vice-president--Loveta Cummings; business manager--Margaret Abbott; and publicity manager--Dwina Glassmoyer. A campaign is being started for new uniforms very soon, and the members hope to have new caps in the next three weeks.

Thursday and Friday nights the band made its first appearances of the year. It played and marched at the pep rally, and Friday night it really put on a good show at the football game. The group marched to the center of the field, did a flank movement to the left, and stopped directly in front of the grandstand. There James Elliott, Ruth Elaine Harmon, and Don Boothe assisted by Delmar Hartley propped up on a skit. James represented Crowell in a Crowell foot-ball uniform, and Ruth was his girlfriend. As they came down the field, they saw a sign, pointing to Floydada. They went on a little farther and a big black cat with a big "13" (representing Friday 13th) crossed their path. The girl wanted to go back, but the football hero persuaded her to go on. Then as they found they had to go under a ladder. Again the girl wanted to go back but the boy insisted they go on. So they started on and then came a Floydada football boy running down the field. The Crowell boy threw up his hands and rushed off field in dead run; and the girl, these fickle women, joined the Floydada hero. Everyone agreed that the skit was very successful. After the skit the band did a right face and marched to the north goal post playing the march, "Activity". There they did a counter march and returned to the south end of the field where they marched off the football field.

We are very proud of our band this year, and we are hoping to build it up. By next year we expect to have a large band with new uniforms.

NOTICE!! SENIORS!! All Seniors who did not have your senior picture made last Saturday, be sure and have it made at Wise's Studio, next Saturday September 21. It is a tradition to have a group picture in the hall when we graduate, so do not forget. HAVE YOUR PICTURE MADE AT WISE'S, SATURDAY, SEPTEMBER 21!!! BEAT TULIA!

WANTED: A date with Eddie Wayne Conner, Val Burke. Wanted: A date with Christine Jones, Sherman Irving. Wanted: A date with Gladys Roberts, Phil King and several boys. Wanted: Someone to get my English and speech. Austin and Keith. Wanted: a date with Mary Maxey Donald Rae. Wanted: The low-down on how Dwina rates Charles Dudley--Several wanted. More gossip from Seniors and Juniors. De' Quacker.

DE QUACKER

Dear Readers;

To start the year off right, first we have the "Hesperette" back again. Second best thing, I'm back. "Guess who?"; Yes, it's me, "De Quacker." I've been peeping around a good deal and I have loads of gossip to report on you nice readers. I would love to tell you that the Freshmen are turning in the most gossip. Every one get busy and drop your gossip in the can in Mr. Harris's office. One of the big romances that has started since school is:

Claud Parrish and Norma Carpenter. Everyone is wondering whether it is just a president and secretary affair or what?

Billie Hopper, which boy do you like best? Could it be Delmar or Razz Ware? I know Glenn Carmack wouldn't have anything to do with it, would he, or would he?

Sammie Shultz and J. A. Terrell are getting to be pretty good friends: Did I see June Powell and Lee Trice together or did my eyes deceive me?

What's this about Bradford Beedy and Thada Lackey? Ivy Pearl would love to know.

Jane Frizzell went to sleep on the bus the other day. Could it be Fred kept her out too late?

James Finley was talking to Lou Ola Ewing. I bet Rose Beard blows her top!

"OBJECTIVE, Bill Hale." That's what has been the battle cry of Margaret Abbott for the last few weeks. Better be careful, Bill, she's out to get you.

Did anyone of you lucky readers happen to read the poem that Margaret Huckabee wrote about Bobby McGuire. The name was "My Heart-throb-Bobby".

Richard Parrish had a date with Roberta Garrett Sunday nite. From what I hear they did all right!

Clara, you had better be careful or you're going to lose Troy.

Wilma Dyer, where is Bob now? Aren't you two-timing?

How are the Ralls boys? Ask Bonnie and she can tell you.

George Reid, how are you and Norma coming along? Fine I hope-- Thomas Wayne and Billie Frances aren't wasting any time lately.

Sav! I wonder whose bracelet that could be that Mac Smitherman is wearing? Better look out Thada somebody's beating your time like Ivy Pearl.

Wonder what Joe Robertson thinks of Doris?

What's this about Jane Frizzell liking boys besides Bobby Tiner? Better be careful Jane.

Poem of the Week "Oh! Jack Adams!" swooned the Freshman (Peggy Collier) When he chanced to pass her way. If she only knew him as well as the seniors (Lindell) She would be sure to say!

FLOYDADA BOYS ARE BETTER!

WANTED: A date with Eddie Wayne Conner, Val Burke. Wanted: A date with Christine Jones, Sherman Irving. Wanted: A date with Gladys Roberts, Phil King and several boys. Wanted: Someone to get my English and speech. Austin and Keith. Wanted: a date with Mary Maxey Donald Rae. Wanted: The low-down on how Dwina rates Charles Dudley--Several wanted. More gossip from Seniors and Juniors. De' Quacker.

General News

The club house has been remodeled and is now used as band room, as well as football club house. This really goes to show that a little building can have quite a big use. Also it makes us realize how wonderful it will be when building materials are available, and we can add other buildings to our present set up.

Miss Delores Smalley, who graduated last year has returned this year to be our office secretary. We're glad to have you, Delores.

Last year the District Executive Committee of District 3A, voted to present the District Champions with a \$35 trophy for first place, and a \$25 one for second place. We are confident that we will also add that trophy to our collection next year.

Mr. Graves announced last week that again this year some of our assembly programs will be Motion pictures. These are always enjoyable as well as informative.

Members of the Gamma Sigma Kappa, the social club, were entertained with a hamburger feast Wednesday, Sept. 11, at the home of Beth Hinson. The purpose of the meeting was to elect new members into the club. Before the election began, the girls were served hamburgers, with all the trimmings, cokes, and peach ice cream. After everyone had eaten the business matters were discussed. Fourteen new members were voted into the club. They were: Marlene Foote, Bobbie Medien, Mary Louise Childers, Ruth Elaine Harmon, Jo Muncy Norma Carpenter, Norma Jean Moore, Maxine Griffin, Betty Lou Tye, Bonnanell Puqua, Doris Vinson, Betty Muncy, Billie Frances Sisson, and Rose Beard.

Old members present were Dwina Glassmoyer, Valerie Burke, La Vell

Hall, Hazel Patton, Nita Patterson, Marihelen Lewis, Joy Lambert, Mickey Kennamer, and Beth Hinson. The two sponsors, Mrs. Cardinal and Miss Swepston were present. The club elected Mrs. O. G. Glassmoyer for their club mother.

BEAT TULIA!

Junior Music Club Installs Officers

The Junior Music Club has started the new year with the installation of new officers. Serving as president, they have Joy Lambert; vice-president, Maxine Griffin; secretary, Lindel Simmons; assistant secretary, Ruthie Harmon; and reporter Beth Hinson.

Five new members were voted into the club. They are: Ruby Nichols, Jennie Chowning, Joy Jackson, Norma Moore, Jo Muncy.

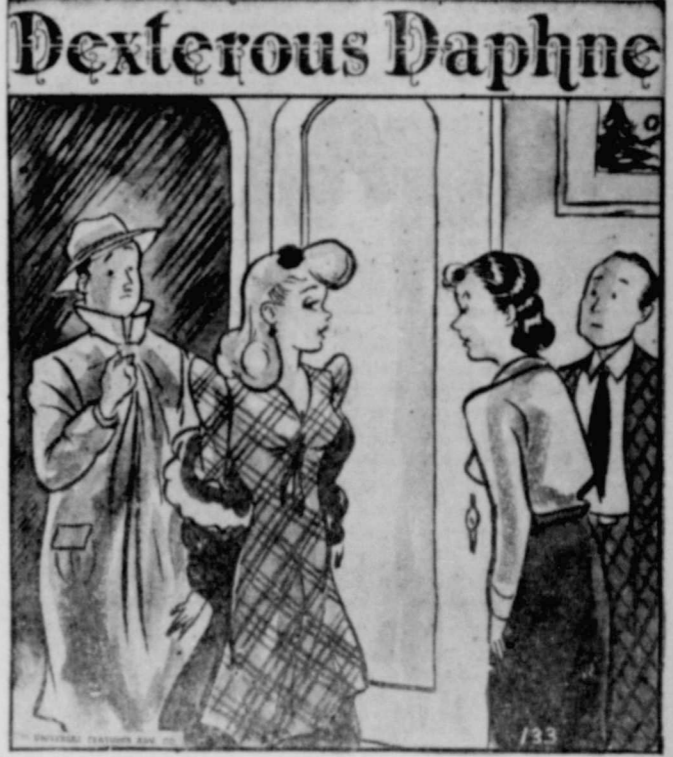

Any girls that can sing are interested in joining the Music Club notify Beth Hinson or Maxine Griffin.

One of Every Three Cars Have Bad Defects

AUSTIN.—Approximately one out of every three cars on Texas' streets and highways is being operated with dangerous mechanical defects which are placing thousands of lives in jeopardy, it is announced by the Texas Safety association.

This condition was revealed by the Police Traffic Safety check conducted under the direction of the International association of Chiefs of police. More than 38 thousand vehicles were examined by police in Texas. Of these, 37.2 per cent, more than one-third, had obvious and hazardous defects.

Faulty lights, both front and rear, accounted for approximately one-third of the total defects reported by type, and inadequate windshield wipers were the next commonest type.

A total of 38,365 vehicle checks, primarily of vehicles involved in traffic violations or accidents, were made. Of this number, 14,378 had one or more defects. The total

number of defects reported by type was 29,249—almost one dangerous defect for every car examined.

The most common listed reason for police contacts with motorists in order of frequency, were as follows: speed, stop sign violations, accidents, signal light violations, right of way violations, improper signals and reckless driving.

The program had as its slogan "Check Your Driving -- Check Your Car -- Check Accidents". Emphasis was deliberately placed on driving and stressed the necessity for keeping cars in top mechanical condition.

Conservation District News

Doyle Harrison, a cooperor of the Floyd County Soil Conservation district, who lives in the Belt Conservation group four miles north of Lockney reports he has recently planted 150 acres of hairy vetch for a winter cover crop. He plans to make some use of the crop for hay and pasture.

In a recent visit to the Vaughn Hall farm in the Edgin Conservation group, five miles south of Edgin, it was noted that some of the best feed in that area was located on terraced land owned by Mr. Hall

TESTING GROUND FORCES EQUIPMENT FOR FRIGID WEATHER—Above, snow covered terrain like this will be part of the daily scene for 4,000 Army Ground Forces troops conducting winter tests in Alaska and in Wisconsin wilderness camp. Below, a chilly "whole is this in which Ground Forces soldiers will try out their resisting clothing.

These terraces have been on this farm for several years but were rebuilt and enlarged this year. This being a very dry year, Mr. Hall attributes his good feed to the fact that his terraces have held all the moisture that has fallen on the land this year and also in preceding years.

A. R. Goad and Oscar Golden, district cooperators who live in the Perkins Conservation group between Lockney and Alken, last week planted mixture of grasses and legumes for pasture and soil conservation. Help with the planting was given by Guy Smith, Soil Conservation service technician assigned to the district. Mr. Golden planted a ten acre pasture and Mr. Goad a twenty acre pasture and Mr. Goad a twenty acre pasture and Mr. Goad a twenty acre pasture and Mr. Goad a twenty acre pasture.

R. L. Baker and L. M. Readhimer, district cooperators who live in the Lone Star Conservation group, H. R. Leaverton of the North Sterley Conservation group, and Floyd Moore of the South Lockney Conservation group, all have good stands of alfalfa following their recent plantings.

Shirley Race, a new District cooperator, who lives in the Pleasant

Valley Conservation group has just completed intensive floating on a forty acre block of land on the north side of his farm in preparation for a planting of alfalfa. No legumes have previously been grown on Mr. Race's farm but following the recently completed conservation plan he will use both alfalfa and hairy vetch in rotation with sorghums and wheat in an effort to increase the soil fertility and prevent erosion.

SHORTER U. S. PAYROLL

In an earnest if somewhat belated effort to economize, the Federal Government has announced it will cut 104,400 workers from its huge payroll by Nov. 16. Although this figure represents considerably more than the entire population of a city the size of Savannah, Ga., or Phoenix, Ariz., it will reduce Uncle Sam's swollen civilian staff of 2,466,654 workers by only 1.25th.

This 1.25th, however, is only the beginning of the cut. Under the 1946 Federal Employees Pay Act, a product of the efforts of economy-minded Sen. Harry F. Byrd (D.-Va.) 700,000 more Federal employees are scheduled to lose their jobs by next July 1, reducing the total to 1,962,254.

The immediate problem of cutting the total Federal payroll by 104,400 in three months is complicated by the fact that three Federal agencies—War Assets Administration, Veterans Administration and the Post Office—are currently expanding by some 113,000. To make up for this, other agencies will have to let go a total of not 104,400 but 217,000. Even so, not many actual dismissals will be necessary.

With a normal turnover of about 80,000 a month, most agencies will achieve the necessary staff reduction if they merely refrain from hiring to fill vacancies.

hotel this month to a meal of octopus soup, squid chowder, salt-water snails, alligator meat, shark muscle, wild yams and parlane. There will be plenty of everything and second helpings for those who want them.

S Sgt. Robert Weaver of the Army Air Forces will be the host.

During the war Weaver taught hundreds of fliers what to eat when forced down off the beaten track.

Playing it safe, operators of overseas lines want their pilots to learn what Weaver has learned — that there's no place in the world where a person will starve if he know what to eat. They plan to hire Weaver when he gets out of the service next month.

At a Washington demonstration Weaver told about a British officer who starved in the Burma jungle. His body was found on a bed of purslane, an herb with fleshy leaves which taste like and have the food value of string beans. Had the soldier known this, his life would have been spared.—Exchange.

SHAW'S LEAVING TO MAKE HOME IN CALIFORNIA

Mrs. Johnnie Burwell of Los Angeles left this morning for her home after visiting the past two months with her parents Mr. and Mrs. Tom Shaw.

Mrs. Tom Shaw left Wednesday for Escondo, California where she will make her home. Mr. Shaw plans to join her in the near future.

EGGS Are HIGHER

At Our Place Again This Week

There will be a good market for eggs in Floydada as long as we buy Graded Eggs.

See if this is right!

Shorts and Bran are Cheaper

Another new Reduction in Egg Mash. We do handle unknown brands of feed. We have three famous well-known feeds:

**REAL LOW
DOWN
on FOOD
PRICES**

Don't believe all you hear and read about "run away" food prices. All stores not operate the same way nor do all stores sell at the same prices. Take Felton-Collins for example. Our business was built by always giving the finest quality foods at the lowest possible prices . . . AND WE'RE STILL DOING IT! We're still selling some of your favorite food products at old OPA ceilings. Where prices have been forced by conditions beyond our control, we have kept the increases at the absolute minimum. So if you want the REAL LOW DOWN on food prices, check our ads and see our displays daily.
