## Examining Trial for Queen Today

## Monday Night Line on War Volume

Examining trial for Bill Queen, Floyd county farmer, will be held this morning in Justice O. B. Olson's court on a charge of murder filed against him yesterday following the shooting of his son-in-law, C. O. Patton, late Tuesday afternoon.

C. O. Patton, 31, of Matador, was shot and killed six miles east of Floydada Tuesday afternoon about 5 o'clock and Bill Queen, 52, his father in law, on whose farm the slaying occurred, is being held in connection with the shooting.

Patton was shot three times, twice in the chest, and once in the side. The shooting occurred in a small pasture between Matador highway and the Queen residence. Mr. Queen surrendered a gun to Sheriff Lee Howard, who went to the scene a few minutes after the trouble occurred. Queen had been plowing in an adjacent field when his son-in-law drove up in an automobile. No gun was found on Patton's body or about his automobile, according to District Attorney R. F. Stovall. Sheriff Howard said there had been some friction between the two men. Patton's wife and two little boys, Carrol, 5, and George, 3, were at the Queen home when the shooting occurred.

C. O. Patton had lived here off and on for 15 years. His father, Geo. W. Patton, died here in 1938. His surviving wife, mother of the slain man, lives here, and Mrs. Print Rice, a sister of the slain man, is the wife of the Q. A. & P. Railway maintenance foreman here. Three brothers, Clay of Matador, Embury of Paducah, and Lonnie of Carlsbad, New Mexico, and four sisters, residing elsewhere, also survive him. The other sisters are Mrs. G. T. Walker of Crockett, Texas, Mrs. L. Hawkins, of Tyler, Mrs. Guy Lynch of Delwyn, and Mrs. D. B. Frost, of Amarillo.

**Lost Baby in Highway Crash**  
The C. O. Patton family had been living in Motley county since late last year. On June 1, 1945, the (See BILL QUEEN, back page)

## All-Male Cast For Lions Club Play Next Week

Floydada Lions club is sponsoring a comedy, "The Pep Parade," to be presented the nights of October 2 and 3 at the high school auditorium as a benefit for the club's sight conservation and blind fund. Miss Hazel Hayes, who arrived in Floydada last Thursday, has been engaged to direct the play.

The cast includes Kyle Glover, who plays the part of Gussie Peck, who "rules the roost" in the Peck household including her husband, Henry, played by Earl Crow and her daughter, Judy, played by Jewel Elza. Gussie has her heart set on marrying Keith Trevelyan, played by Maurice Steen, who she fondly refers to as a banker although in reality he is a clerk, but Judy is determined that the one in her life shall be Tommy Meadows, Olin Watson Jr., who lives next door and is studying at the Ag college.

Loye Sparks, as Aunt Hattie Hotchkiss, throws the "monkey wrench" into the works, however, when she arrives, enriched by the death of her husband, and proceeds to take over. There's only one trouble. That is, Aunt Hattie has a mania for phony fortune tellers and at present in the hands of Madame De La Clair played by Gerald Holmes and is about to invest all her money in fake oil stock.

To prevent such a catastrophe, Judy and Tommy decide to do something about it with Tommy emerging as a "footologist" who tells fortunes by reading the soles of the feet.

That's all right with Jim Word who as Hortense Johnson, the Swedish (See LIONS PLAY, back page)

## Tax Reallocation Vote Called for November Fifth

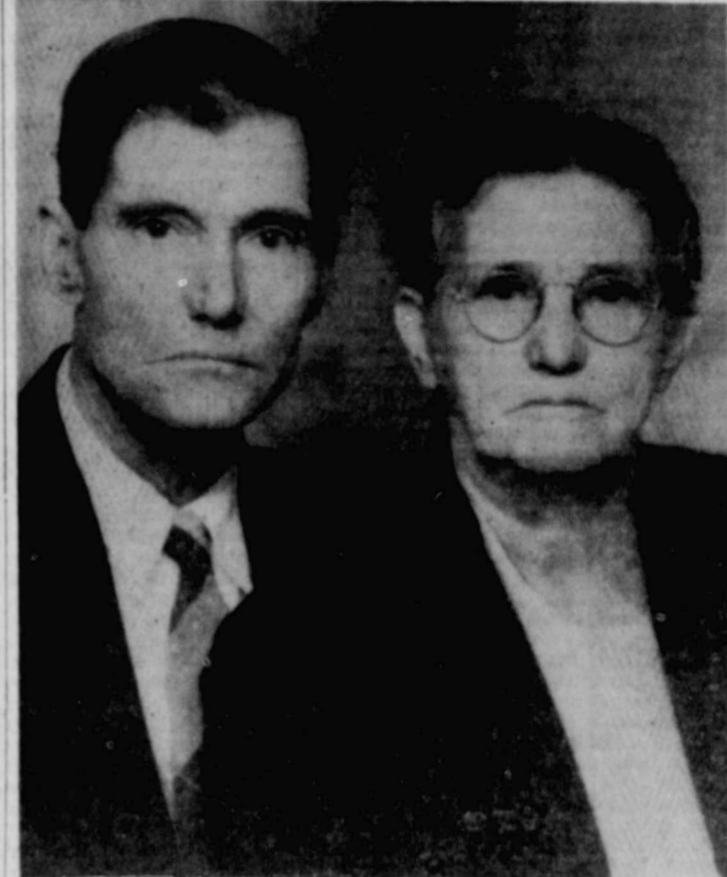

Floyd county property taxpayers will have the opportunity of passing on tax re-allocation on the date of the general election -- Tuesday, November 5.

The Commissioners court passed a resolution Thursday of last week while in session to confer on the home demonstration agent's successor, based on which the election proclamation will be called by Judge W. E. Grimes. The election will be held simultaneously with the general election and by the same sets of officials in the various voting precincts, Judge Grimes said. "The court has been studying the possibilities of the plan for some time," said the county judge, "and have decided that it will be a good thing for Floyd county, if the people want it." He indicated the possibilities of tax re-allocation will be aired in the time between now and the election date, so that every voter will understand it and can decide yes or no on the matter. The judge said that while the court members believe it will be quite advantageous to the county in view especially of the present trend of costs, it isn't the intention of the court as he understands their attitude, to make tax re-allocation a crusading issue.

Tax re-allocation was made possible by an act of the Legislature some three or four years ago. Many counties of the state have taken advantage of it to get sufficient funds in their various funds for carrying on the county's business without increasing valuations. This is one of the principal values it has to the property owner and the county as a whole, experience of other counties indicates. Numerous counties in the state are now operating under the law, which requires a vote of approval before the plan can be adopted by a commissioners court.

## New Air Mail Rate to Speed Local Mail

### Couple Married Fifty Years Ago

Mr. and Mrs. C. T. Warren

That patrons of Floydada Post office are in position to benefit more largely than most any other group of people from the new lower air mail rates to become effective October 1, is indicated here this week.

A report on air mail schedules which a 3:45 afternoon dispatch makes possible shows that first class mail here gets same-night or next day service in practically every point of the compass, and the new 5-cent air rate will make this kind of postal dispatch almost as cheap as regular mail rates which have been effective for a number of years on freight train schedules out of Floydada.

Furthermore, if a patron desires to pay the additional fee for special delivery, the air mail will equal in speed most any form of communication available locally. "Special delivery" gets immediate delivery at any point of destination.

**To APO Offices, Too**  
The new rate of postage by air becomes effective on order of the Postmaster general October 1. The rate is 5 cents for each ounce or fraction thereof on "domestic air mail," which embraces all mail being transported by air within the continental United States or with in any territory or possession of the United States. Also, the order makes the 5-cent rate apply to air mail to members of our armed forces stationed outside the continental United States whose address includes an Army Post office or a Fleet Post office designation.

While air mail service is good out of Floydada at any dispatch the 3:45 (afternoon) dispatch is the one that really takes mail and "skips through the dew." Here are some samples of the speed patrons get, taken from the schedules of the local office, when a letter is mailed at 3:45:

At 3:43 the same night it is in Amarillo; at 9:48 in Wichita Falls; at 10:46 in Oklahoma City; at Tulsa at 11:33, and at Fort Worth and Dallas 11:35 and 11:55 respectively.

**Same Night Service**  
The same night the 3:45 in the afternoon dispatch is at Kansas City at 1 o'clock a. m.; at St. Louis at 2:40 a. m.; at Chicago at 6:45 a. m.; and in New York at 12 noon.

The dispatch reaches Albuquerque, New Mexico, at 12:30 a. m. the same night, Houston 1:50 the same night, and before dawn it is in Los Angeles and San Francisco ready for the first delivery of the morning after the Floydada patron mails in the afternoon.

The service will be so exceptional and the cost over ordinary mail increase so little Mrs. Smith anticipates a big volume of business at this office—considerably larger percentages than at other offices. Incidentally it is her idea that the increased air mail dispatch will not be harmful to claims Floydada people may put up for local airport facilities.

## Warrens Married Near Wolfe City; Here Since 1914

Mr. and Mrs. C. T. Warren, 401 West California street, last week passed the fiftieth anniversary of their marriage on September 16, 1896.

Because of the illness of a daughter Mrs. T. V. McClure in the Plainview hospital, and the absence of a son at El Paso, no observance of celebration of the event was held. The couple have lived in Floyd county since 1914, and until 18 months ago they farmed for 30 years. Mr. Warren is now in the real estate business with offices here.

**Wolfe City Couple**  
Mr. Warren was born near Honey Grove and was reared in the vicinity of Wolfe City, while Mrs. Warren is a native of Hunt county. She was Jane Knowles. Their wedding was held at the home of her father near Wolfe City. For 18 years they farmed in that vicinity before striking out for the west in the pre-war migration wave from the tier counties lying along the northern boundaries of the state. They have lived here ever since.

The family they reared consists of nine children. They have 25 grandchildren, four great grandchildren, and all live in the general area except the son at El Paso.

**R. L. KNOX APPOINTED MANAGER AT LONE STAR**  
R. L. Knox, for many years a merchant at Lone Star and well known in this section of the country is now manager of the Lone Star Oil company.

P. Q. Tate assumed a position with an oil company at Odessa, it was reported. The Lone Star Oil company is a branch of the Consumers Fuel association of Lockney.

**HOME FROM MOUNTAIN TRIP**  
Mr. and Mrs. Fred Wimberly returned last week from an extended trip through the mountains and prairies of Colorado, Montana, Wyoming, Utah, Arizona and New Mexico, making the tour by automobile.

Grass in much of Arizona and New Mexico in particular is good, Mr. Wimberly said.

**WENDELL DANIEL ENLISTS IN ARMY AIR FORCES**  
LUBBOCK, Sept. 21—Wendell B. Daniel, age 18, son of J. V. Daniel of Floydada, has enlisted in the Army Air forces for a period of three years.

He will take his basic training in San Antonio, and then plans to attend one of the AAF Tech Training schools.

## Election Tuesday Night to Name District Conservation Supervisor

W. F. Ferguson, Chairman of the board of supervisors of the Floyd County Soil Conservation district announces there will be a supervisor election Tuesday night October 1, at 8:00 o'clock, at the Cedar Hill school house. The supervisor elected will represent sub-division No. 3 of the district which is made up of the school districts of Fairview, Campbell, Center, Hill Crest, Liberty and Cedar Hill.

## Certify \$1.50 Tax Rate for Lockney Rural Hi School

Business of getting Lockney Rural High School District No. A into operation was put in high gear on Saturday to Tuesday.

Saturday voters of the new district gave heavy majorities favoring proposals to adopt \$1.50 as the legal tax limit and to spread the bonded debt of the common school district over all of the districts and by Tuesday night?

The results of the two elections had been canvassed and declared; the report of the results had been certified to the Commissioners court; the tax rate had been set at \$1.50 (\$1 for local maintenance and 50c for bond service);

The Commissioners court had approved the election, had sat as a board of equalization and fixed the valuations in the school district the same as the county and state valuations;

And certified the tax rate to the assessor and collector of taxes for Floyd county.

**Majorities Over Seven to One**  
Majorities of more than seven to one in Saturday's election were given the assumption of the bonded debt and the levying of tax in payment thereof for which the vote was 189 for and 25 against; and increasing the legal tax limit from \$1 to \$1.50, for which the vote was 192 for and 23 against.

Mrs. Ethel Graham, assessor-collector of taxes, said yesterday that all speed possible was being given to preparing the rolls to have them in readiness by October 1, but the vast amount of work to be done would likely leave a part of the job incomplete on that date.

## Weather Favors Fall Seeding of Small Grain Crop

September weather has been good to Floyd county people. Todate excellent but gentle rains have fallen throughout this country and all adjacent areas with the result that moisture in the ground is 20 to 24 inches deep.

Minimum fall for the month appears to be in the vicinity of Floydada. Here 3.15 inches had fallen in the month when skies cleared last Thursday noon after an inch and nine hundredths of rain fell that morning. Cool, overcast weather prevailed for more than a week and the soil was soaked full, with considerable run-off water in some lakes.

In some communities the rainfall exceeded five inches in September, and it will be another few days before plowing crews can get back into fields. Thursday's rainfall at Lockney was 1.6 inches and the football playing field there was too wet for a football game on Friday night.

**First Bales Received**  
Harvest operations had been resumed on a limited scale in some forage fields yesterday. First bales of cotton have been received at (See GOOD WEATHER, back page)

## No. One Bale For Floydada Is Reported

Number one bale of cotton to be received on the Floydada market was received yesterday by Farmers Cooperative gin from Raley & Warren of Barwise, and this morning another bale was received from the same producer, John W. Lanier, manager of the gin, reports.

The first bale of seed cotton weighed 1900 pounds. It will not be ginned until next week. Lanier said because the plant is not ready for operation. It was dumped into the storage room.

The Raley & Warren crop consists of 90 acres, irrigated, which now looks like it will be good for a bale or more per acre, the gin man said. A first bale premium will be made up this week-end.

## Funeral Sunday At Kirkland for Mrs. Harold Byars

Funeral services for Mrs. Harold Byars, 101, of Kirkland, were held at the Kirkland Methodist church Sunday. Rev. Clarence Bounds of Paris, Texas, a nephew, conducted the services assisted by the pastors of the Methodist and Baptist churches of Kirkland.

Mrs. Byars, mother of the late F. S. Byars of Lockney, died at her home at Kirkland September 21. She was born in Alabama July 3, 1845, where she spent her early life. In 1874 she was married to Harold Byars. In 1892 they moved to Collins county, Texas. In 1920 they moved to Childress county and since her husband's death she has made her home with her youngest son L. E. Byars. Mrs. Byars had been a member of the Methodist church 87 years.

Attending the funeral from Lockney were Mrs. F. S. Byars, Mr. and Mrs. Aaron Carthel and children Gary and Fleeta, Mr. and Mrs. Oscar Phillips, Mr. and Mrs. A. C. Carthel and children, Gloria and Alden and Mrs. E. M. Whorton.

**RESIGNS FROM SCHOOL**  
Charles Ray Hamilton, son of Mr. and Mrs. A. J. Hamilton who recently left for Texas A. & M. college to begin his sophomore year as a cadet, has resigned from school and returned home because of the serious illness of his father. The latter has been in Plainview sanitarium for treatment for several days and is responding only slowly to treatment.

**AT MAYO BROS. CLINIC**  
Mr. and Mrs. Lon Davis left by plane for Rochester, Minnesota, Sunday for an indefinite stay. Mrs. Davis will be admitted to Mayo Brothers clinic.

Lon Davis, Jr. is in Floydada attending to his father's business during the latter's absence.

## Looked Both Ways, Crashed Anyhow

Sheriff-nominate Leland A. Hart and Mrs. Winifred F. Newsome and little son, who were in a road intersection crash two miles west of Baker school one afternoon last week, are recovering from their injuries, which were painful but not serious.

Both their cars were badly damaged. Both Mr. Hart and Mrs. Newsome "looked both ways" before they got to the intersection of the lanes and both were astounded to find themselves due for an inevitable smash-up in a split second.

Mrs. Newsome received a head wound and two fractured ribs, her little son a slight scratch on the inside of his upper lip. Hart's injuries were in the shoulder and neck and hip.

Mrs. Newsome was enroute home from a farm inspection and Mr. Hart was on his way to deliver a telephone message to his mother when the accident occurred.

## RAILS GAME NEXT WEEK

Floydada High school's football squad have an open date this week-end following their surprise win over Tulia last Friday night, 7 to 6, when condition and strategy combined to give the edge to the Whirlwinds.

Next game of the local boys will be on the home field Friday night of next week, when they moved to Childress county and since her husband's death she has made her home with her youngest son L. E. Byars. Mrs. Byars had been a member of the Methodist church 87 years.

## Home-Coming at Sand Hill Next Sunday

The Home-coming for the Sand Hill community will be held the fifth Sunday, September 29, at the school house.

The day will get under way with Sunday School at 9:30 followed by a short program put on by the Wayland band from Plainview. Rev. Clifford Trotter, pastor of the Methodist church, will be speaker at 11 o'clock.

A picnic dinner will be served at noon. There will be singing in the afternoon with the devotional led by Horace Stephens, Baptist minister from Plainview.

Everyone is cordially invited to come and bring their dinner.

## Patton Rites 4 p. m. Today

Funeral rites for C. O. Patton, 31, slain late Tuesday afternoon six miles east of Floydada, will be held this afternoon at 4 o'clock at the Harmon Funeral chapel, it was announced this morning.

Rev. L. A. Doyle, pastor of the First Baptist church, will officiate at the rites. Interment will be made in Floydada cemetery.

## Flowers 'From Everyone' Invited Garden Club Show Saturday

Flower show, sponsored by the Garden club, will be held September 28, in the Western Public Service building.

Those are invited to bring flowers or shrubs for this show and to be present between the hours of six and 10 o'clock in the evening for the exhibit. If you don't want to miss out on the annual flower show," said Mrs. Winnie Angus.

## Petty Will Be New Home Demonstration Agent for County

Miss Petty holds a degree in home economics from T. S. W. C. and has completed more than three years of successful work as County Home Demonstration agent in Castro county.

Miss Edith Wilson, Floyd county agent for the past seven years, has been named assistant district agent, with headquarters at College Station effective October 1, the Extension service announced two weeks ago.

## Increased School Tax at Petersburg

PETERSBURG, September 20—In the election held Saturday to determine if an additional maintenance tax of fifty cents on the one hundred dollar valuation of property in the Petersburg independent school district should be levied and collected, the increase carried by a majority of 46 votes. 121 votes were cast for the issue and 75 against.

## Meteor Re-Union

According to an announcement made last week a re-union of pioneers of old Meteor community will be held next Sunday—September 29—at 11 o'clock in the shelter house of the Plainview City park.

Not a great many of these old-timers within this area of the southwest, but those who are interested are asked to come and bring basket dinners, the announcement said.

### The Floyd Co. Hesperian

Established 1896 by Claude V. Hall. Entered as second class mail at the postoffice at Floydada, Texas, April 10, 1907, under the act of Congress of March 3, 1879.

HOMER STEEN, Editor  
Published by The Hesperian Publishing Co., Inc., Floydada, Texas.

Subscription Prices: In Floyd and adjoining counties—one year, \$1.50; six months, 75c; four months, 50c; in advance.

Outside Floyd and adjoining counties—one year, \$2.00; six months, \$1.00; four months, 70c; in advance.

#### SOME MORE, SOME LESS

Rains fall where the laws of chance and chance list so far as West Texas is concerned. People of this area who have sat and watched rain falling in a neighboring area while they stewed in the juice between a sky of brass and an earth or iron know that.

Reading rain reports from neighboring counties reminds us of this fact. Often in years as time goes by it is Floyd county that is drenched while others wish for rain. This year, however, except for a bit of territory in the southeast corner for a time during July, the rain story was contrary to that. It was portions of Motley, or Swisher, of Crosby or Cottle and others that had the rain while the Floyd county farmer sat on a dry farm and wished for moisture or spent 24 hours a day with an irrigation plant trying to work out his own salvation.

Since sometime in the latter part of July, for instance, Cottle county had something more than 10 inches of rain in some spots, Paducah, for one. In Briscoe county the rain man has been so generous that forage feeds and ranges were never more rank. In Swisher county the lakes sloshed together. In a part of Crosby county the lakes are so full the frogs were drowned out and a new of pollywogs had to be hatched. And so it went, while Floyd county people wished.

#### HERE WE GO AGAIN

Well, on the high plains we are off again to the races. Everybody has had his plow discs sharpened while the weather man had things his way and are all set to begin this week, anywhere from Tuesday to this coming Saturday, depending on how much it rained. Some have begun on the north places first instead of the south as usual, or vice versa, because it has dried up there.

#### Need a LAXATIVE?

Black-Draught is 1-Usually prompt 2-Usually thorough 3-Always economical 25 to 40 doses only 25¢.

**BLACK-DRAUGHT**

CAUTION: USE ONLY AS DIRECTED

so they can begin to kill a crop of weeds and volunteer.

So, with a fair to fine season we are off again after another killer diller of a wheat crop. In a week or two weeks or 30 days the seed will have been sterilized for smut spores, put in the ground and ready for the weather man to begin again. A good stand will depend principally on how good a job he does. And the weather man and the bugs and the blow and winter weeds will have their sessions.

We will lose a crop a time or two or more before next March and then again three to five times before harvest. It will be highly interesting and also highly profitable, the way it looks now. The war is not officially over, the peoples of the earth are crying for bread. When and if they quit fighting and sabotaging and get on the job trying to make a living they can raise wheat just like we do. Meanwhile if they insist, we'll keep feeding them at a fair to good profit. At least, we'll keep trying, for they make it too easy. We'll have to along.

#### WHAT IS THIS WE HEAR?

The Hesperian's well-known weather department, for which we have been making excuses the past three years or four because the war didn't give us time to get out and mingle with Nature and her creatures -- The Hesperian's weather department is hearing some most unusual things. Some of the folks who know that the way to stay wise is to stay out where the voices are not so loud and raucous, out where quiet does the shouting and the other noises are drowned out by the still, small voice which you hear if your ear is tuned, and the things you see are there for him who hath eyes to see.

While forage crops are booming away in an effort to beat Jack Frost because the rain gods were unkind this summer, the deadline of wintry weather comes on apace. Since the war eternally is between the hot and the cold, the date for a frost is nearly exactly set because sometimes one wins, sometimes the other. This year, says the early summer sign, cold with his able lieutenant, Jack Frost, is due to win the battle early and with ease. We are unwilling to believe it, we do not want to believe it, but, says the sign out on the prairie, there is every possibility that first frost may break the record. One sign actually insists on the period of untoward weather that will center around October 7 -- a day or two earlier or later. Another says it will be a week later or thereabout. What we want is November 10 or thereabout and it would be nice not to have seen or heard the things we have seen and heard. The signs do not offer any solace to the people with late feed. The signs only say that if you insist on letting your forage feed go another day and another before you put the binder in the field, hoping against hope, at least get the binder ready, with all the worn parts renewed so you can begin early the next day to save all of it you can, before the drying fodder shucks off and the stalks begin to lean in the wind.

### Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago.

(Issue of September 29, 1932)

Just what may be in store for Class B teams of District 2 likely will be demonstrated by Floydada High school's powerful Whirlwinds when they tangle with a rather young but more or less experienced set of Plainview High school Bulldogs Friday night on Wayland field.

A new grocery store to be known as the L. C. Grocery company, will open in a building on the Manasco block on West California street Saturday, according to announcement this week of Clifford Rhodes and Lindsey Graham, the owners.

O. L. Stansell returned home Monday from Amarillo with the herd of Jerseys from his own barn and those of three other Floyd County breeders, after exhibiting at the Tri-state Fair in competition with other Jersey breeders from over the state.

J. G. Martin, of the Martin Dry Goods company, left the first of this week to spend several days visiting the market and style centers.

Mrs. G. L. Kirk, wife of manager G. L. Kirk of the West Texas Gas company, became ill again last week-end while visiting in the home of her parents, Mr. and Mrs. Kenniston at Plainview and was taken to the sanitarium Sunday for an operation.

Floydada's new custom flour mill, owned and operated by the Boothe Booth Mill & Elevator at the Boothe elevator location on the Santa Fe industrial switch, has been completed and is now in operation on a 21 hour schedule daily.

With eight first places to her credit, Mrs. E. L. Norman carried off first honors in the flower show sponsored by the 1922 Study club held Friday and Saturday in connection with the annual exhibition of the Floyd County Home Demonstration clubs. Mrs. L. J. Welborn was second high winner with three firsts, four seconds and one third place.

Lorraine Nelson Friday of last week assumed management of the Cities Service No. 1 retail station at the corner of South Main and West Mississippi street.

Slaton was selected as the next meeting place for convention of District 2 of the Christian Churches of Texas at the annual all-day session held here Wednesday. Members of the First Christian church of this city were hosts to the convention.

Millions of dollars were saved the Army by the Quartermaster developed shrink-proof socks.

for the last time,  
church he had long

loved and attended.  
I tried to explain his going to  
Margaret Nell who was very distress-  
ed over Aubra's going away. "He  
will live in a beautiful land of heav-  
en, where there are trees and flow-  
ers and where he will never be sick  
any more," I told her with tears in  
my own eyes. "But grandmother  
will be never come back again," she  
cried. Oh, that is our sorrow. We  
know he is well and at peace. We  
would not call him back from the  
land he prepared to live in while he  
was with us. But oh, how we long  
for his coming among us, his pres-  
ence, the comfort he gave his moth-  
er and father, his willingness to do  
errands, the good life he lived.

He was a pupil of mine in the  
Church school and often he would  
say, "Well, I don't know how all  
of you think, but I think if every  
one would do right, all things would  
be right." A sermon in a few words,  
but the way Aubra followed.

"When His Chosen Ones Shall  
Gather," Only a few minutes Aubra  
was in passing from this home to  
that Home, but his name is on the  
Roll in his Father's house of many  
mansions.

Fred Starr in Philfarmer voices  
many people's opinion about County  
fairs as follows:

"I went to the county fair:  
The birds and beasts were there-

The old raccoon, by the light of the  
moon

Was combing his Auburn hair

May the gods of happy endings  
never deprive any of our posterity  
of the annual privilege of going to  
the county fair where people let  
down their hair, kick over the soci-  
al traces, and bust all rules of eti-  
quette into smithereens. There they  
can kick up their heels at trouble  
and thumb their noses at the long  
arm of want that will reach out  
tomorrow and force them back into  
the grove of making a living. Yes,  
sir, most of us hold to the right to  
make a fool out of ourselves at least  
once a year by going to the county  
fair and spending a few nickels as  
we please without ever stopping to  
count the cost. Why does a feller  
pack his blue serge suit - the only  
one he's had since he took Mollie  
for better or for worse in moth balls  
all summer if it aint to unpack it  
and rig up in his Sunday best to  
go to the county fair?

Having attended a passel of fairs  
in my days, and having a hog killing  
good time, having seen nobody high-  
bating nobody else, and having seen  
folks having more fun than a whole  
barrel of monkeys, I say, 'Long live  
the county fair.' And if we had more  
and better ones we'd have less aches  
and pains and possibly live a heap  
longer.

"Yes sir, at places like the county  
fair the milk human kindness just  
simply flows a little more freely  
than any place where people of all  
walks of life get together. Why,  
last fall I saw an old feller and his  
wife come walking up to the gate  
at the fair. They looked as if they  
had walked many a weary mile to  
get there. The old woman was wag-  
ging the basket of food they were to  
eat for dinner, but when they start-  
ed through the gate her husband  
says to her, 'Maw, you'd best let me  
carry the basket now, we might get  
separated in the crowd.'

The above makes me right smart  
homesick for the county fairs we  
once attended in Floydada, Ralls and  
Crosbyton. Hope some day they will  
get popular again. I have some In-  
dian peaches and quince and pears  
that would make a pretty good  
show on a plate in a decorated  
bowl.

### Conservation District News

The supervisors of the Floyd  
County Soil Conservation district  
held a regular meeting Tuesday  
morning. Board chairman W. F. Fer-  
guson presided. Supervisors attend-  
ing were Ferguson, W. H. Nelson, M.  
H. Taylor and Cecil Purcell. Also  
present were County Agent A. L.  
Hartzog and District Conservationist  
W. Scott Amend of the Soil Conser-  
vation service.

It was decided in the meeting that  
the supervisors would attend a field  
day at the Amarillo Experiment  
station on Wednesday, October 2 as  
guests of the Amarillo Chamber of  
commerce and station officials. It  
was pointed out by Mr. Amend that  
topics for discussion during the day  
would include wheat varieties and  
production, grain sorghum vari-  
eties, wheat poisoning, livestock, stud-  
ies and grass studies. The day  
program will include a tour of the  
station and a noon barbecue for the  
group.

The supervisors approved conser-  
vation plans on the farms of the  
following: Ed W. Whitfill, R. D.  
Gilbreath, Glenn Collins, M. O.  
Davis, W. B. Eakin, L. R. Collis,  
Charles B. Smith, Ralph J. Thayer  
and Shirley Race.

Applications for assistance in soil  
conservation work were approved for  
the following: A. S. Grubbs, B. E.  
Harris, Weldon Smith, R. D. Gil-  
breath, W. D. Standefer, Glenn Col-  
lis, James A. Bobbitt and S. J. Latta.

Sid B. Thomas, District cooper-  
ator who lives five miles north of  
Lockney in the Huffman Conserva-  
tion group reports he has planted  
16 acres to a mixture of grasses and  
legumes for erosion control and pas-  
ture.

Soil Conservation service tech-  
nicians assigned to the District re-  
port that moisture penetration from  
recent rains on land prepared for  
wheat, ranged from 20 to 24 inches.

R. C. Dunlap and C. H. Wise  
district cooperators, report that they  
plan to attend the field day at the  
Amarillo Experiment station on Oct-  
ober 2.

The Quartermaster Corps has de-  
veloped an improved leather dress-  
ing compound which has superior  
qualities in protecting equipment  
against mildew and preserves the  
original properties of the leather.

### Blanco News

day with Mr. and Mrs. Gerald Lack-  
ey of Cedar Hill community.

Mr. and Mrs. J. W. Gilbreath, Mr.  
and Mrs. M. A. Barton visited Sun-  
day with Mr. and Mrs. R. C. Bullock.  
Lloyd Bullock was a visitor in  
the R. C. Bullock home Monday.

Everyone is invited to the 42 so-  
cial Friday night, September 27.

### Providence Locals

PROVIDENCE, September 23.—Mr.  
and Mrs. Harold McLaughlin and  
Patsy and Jim Jones were shopping  
in Amarillo Wednesday.

A new garage is being erected at  
the Lutheran parsonage this week.  
Little Miss Maebeth McLaughlin  
spent Wednesday night with Delores  
Sammann.

Mrs. W. A. Payne and Linda spent  
the week-end in Tulla with Mr.  
Payne.

Mr. and Mrs. Arthur Sammann  
and Yvonne made a business trip to  
Happy Saturday.

Mr. and Mrs. Walter Sammann  
visited relatives in Odessa Sunday  
night and Monday.

Mr. and Mrs. Arthur Sammann  
visited in the Wm. Lindemann home  
Sunday afternoon.

### Half Minute Interviews

Ben G. Morton: "I got a look at  
Oak Ridge while I was visiting in  
Tennessee. They claim 80 thousand  
people there now."

### CITY PARK CHURCH OF CHRIST

Colonel Gilbert, veteran of two  
wars in the Army Air corps, former  
commander of Lubbock Flying field,  
will speak on Christian education  
at the City Park Church of Christ  
Sunday night, September 29, at 7:30  
o'clock.

Meet your friends at the Church  
of Christ.

Mrs. Eugene V. Boren, of Corpus  
Christi, has been at home for sev-  
eral days on a visit with her parents  
Mr. and Mrs. L. G. Withers and  
family.

The Quartermaster Corps will use  
only German Shepherd dogs in its  
future program for training can-  
ines for scout services.

# Thank Goodness! NOW, I HAVE ELECTRICITY IN MY HOME

It's a great day when the last wire is in place and you  
can flick a switch and have electricity  
at your command.

It has taken time to bring the wonders and advantages  
of electricity to folks in this great area.

But today, in a major part of our 12 million dollar  
expansion program, we're stretching our rural  
power lines to reach more and more farms and ranches.

Folks in those homes have been waiting a long  
time for low cost electricity, and many of them can  
look forward to better living electrically.

A pioneer in building ahead for the future, we're  
proud that in our 22nd year we can bring  
low cost electric power to so many more of you.

A PIONEER  
IN BUILDING  
AHEAD FOR  
THE FUTURE

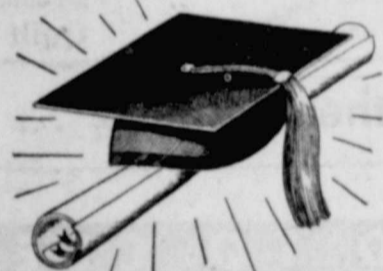

## SOUTHWESTERN PUBLIC SERVICE COMPANY

22 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

### GET YOUR SIGHTS

It takes  
planning  
to achieve  
a goal

Young men know what they want and plan for it. Others are  
looking for their niche. The new Regular Army can help both.  
Perhaps you want to go to college but can't afford it. If you  
enlist in the Army, you'll get your chance. Honorably discharged  
after a three-year enlistment, you are eligible for 48 months of edu-  
cation at any college, trade, or business school for which you can  
qualify. The Government will pay your tuition, laboratory fees,  
and up to \$500 per ordinary school year, plus \$65 a month living  
allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you  
training in any of 200 trades and skills. You leave the service eligible  
for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of  
Rights if you enter the Army on or before October 5, 1946.  
Visit your nearest Army Recruiting Station for details.

### HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years.
2. Regular enlistments permitted for men in the Army with 6 or more months of service.
3. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

### HIGHER PAY FOR ARMY MEN

Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER:	
	20 Years' Service	30 Years' Service

## Vows Unite Amarillo Couple in Ceremony Held Here Sunday

Miss Norma Jo Williams, daughter of Mrs. P. M. Latham of Amarillo, became the bride of Charles P. Cox, son of Mrs. Lucile Bryan of St. Charles, Missouri, in a candlelighted double ring ceremony performed in the home of the groom's sister, Mrs. Albert Duncan, 722 West Ross Street, Floydada, Sunday, September 22, at 1 o'clock p. m.

Rev. L. A. Doyle, pastor of the First Baptist Church read the vows. Mrs. Cox wore a blue dressmaker suit with black and white accessories and a corsage of pink roses. She had the traditional penny in her shoe for good luck.

Mrs. N. L. Boykin of Amarillo, sister of the groom, was matron of honor. She wore a black crepe dress with cherry cote accessories and a corsage of gardenias.

Emory H. Cox of Amarillo, brother of the groom, was best man. Gene Latham of Amarillo, brother of the bride, lighted the candles.

The house was beautifully decorated with autumn flowers.

Mrs. Cox is a graduate of Amarillo High school with the class of 1939 and is employed at the City Cab company there.

Mr. Cox attended Floydada High school and graduated with the class of 1937. He attended Texas Tech at Lubbock, and also is employed at the City Cab company in Amarillo.

Following the ceremony, a reception was held for the couple. A buffet dinner, with a three tiered wedding cake, was served to the following guests:

Rev. L. A. Doyle, Mrs. C. O. Wise, Mr. and Mrs. F. A. Faulkenberry and Wayland, Wenona, Scott and Don, Alene Porter, and C. H. Wise Jr., all of Floydada, Mrs. P. M. Latham, Mr. and Mrs. N. L. Boykin and Frances Waldeese, Mr. and Mrs. Don Dilly and Donnie, Mr. and Mrs. Emory H. Cox, Miss Nelida Doris Cox, James Cox and Gene Latham all of Amarillo.

Mr. and Mrs. M. C. Kitchen, Miss Eunice Cox, all of Silverton; Mr. and Mrs. C. H. Wise, Denton and Mona Dell of Fairview, Mr. and Mrs. S. K. Porter and Frank of Mt. Blanco, Miss Mary Lou Wise of Plainview and Mr. and Mrs. Albert Duncan and Rilla Sue.

The couple will be at home at 206A Maryland Street in Amarillo after a ten-day trip to St. Charles, Missouri.

## Dalton Jones Takes Bride at Tulsa, Okla.

TULSA, Oklahoma, Sept. 18—Now on a wedding trip in Colorado and planning to make their home in Floydada, Texas, are Mr. and Mrs. Dalton T. Jones whose marriage was an event of Saturday at 8 p. m. in the parlor of First Christian church.

The bride is the former Miss Jeanne Dobby, daughter of Mr. and Mrs. G. R. Dobby, east of the city, and the bridegroom is the son of Mr. and Mrs. W. O. Jones, Floydada.

The candlelight ceremony was performed by Dr. Claude E. Hill before an altar decorated with ferns and baskets of gladioli and fall flowers. Miss Jeanne Bach, vocalist, and Mrs. A. E. Van Etter, pianist, provided nuptial music.

Given in marriage by her father the bride wore a sky-blue wool crepe frock with brown Lisaagator accessories. She carried a white Bible topped with orchids.

Miss Jerry Dobby, as maid of honor for her sister, wore a gold woolen dress with a corsage of mums.

Emmett Dobby, brother of the bride, was best man and ushers were Erwood Dobby, brother of the bride, and her cousin John Dobby.

Mr. and Mrs. Tom Dobby, aunt and uncle of the bride, were hosts at a reception in their home, 1325 S. Delaware ave.

The bridegroom served with the engineers for 34 months in the European and Pacific theaters of war. He will enter Texas Institute of Technology at Lubbock, Texas, the second semester to continue his engineering work.

The bride is a graduate of East Central high school here.

Out of town guests for the wedding included Mr. and Mrs. W. O. Jones, Floydada, Texas, and Milbert Puehrer, Huron, S. Dak.

## Miss Collier Hostess To 1934 Study Club

The 1934 Study club will meet Tuesday evening, October 1 at 6:45 o'clock with Margaret Collier at her home 615 West Kentucky street.

Thelma Hoffman will give a book review on "Talking Through My Hat" by Lilly De Chae.

Filing supplies, business forms, binders at The Hesperian.

## Addie Wright Wise Married Sunday to Carroll E. Sanders

Addie Wright Wise, daughter of Mrs. Morgan Wright of Floydada became the bride of Carroll E. Sanders, son of Mrs. Annie Mae Sanders, son of San Diego, California, in a double ring ceremony performed Sunday afternoon September 15 at 2:30 o'clock in the home of the bride's brother, Grady Wright in Los Angeles, California. Rev. E. Earle Shipley, pastor of the Westchester Baptist church in Los Angeles, officiated.

The couple stood in an archway banked with baskets of giant dahlias. Helen Wright, niece of the bride sang "Because" accompanied by Mrs. E. Earle Shipley, who also played the traditional wedding march.

The bride was given in marriage by her brother, Grady Wright and attending her as matron of honor was Mrs. Grady Wright. Burnelle Sanders, brother of the groom, served as best man.

The bride was lovely in a suit of sky blue wool with brown accessories. She chose for her flowers a corsage of ivory gladioli and carried a white Bible.

Following the ceremony a three tiered wedding cake was cut by the bride and a buffet luncheon was served.

Guests registering in the bride's book were Kris Wise of Floydada, Mrs. Annie Mae Sanders, Mr. and Mrs. Burnelle Sanders of San Diego, Miss Chrystelle Sanders, Rev. and Mrs. E. Earle Shipley, and Mr. and Mrs. Grady Wright and Helen, Inez and Grady Jr., of Los Angeles.

The bride was formerly with the Vogue in Lubbock, Texas, and the groom served overseas during the war with the Marine corps. He is now Postmaster at the naval base in San Diego.

After a short wedding trip in Los Angeles, the couple will make their home at 815 Chalcedony street in San Diego.

## Miss Wilson Honoree At Farewell Party Wednesday

Miss Edith L. Wilson was honored with a farewell party by members of the Floyd County Home Demonstration club Wednesday afternoon at the home of Mrs. W. C. Sims.

Mrs. A. H. Kreis and Mrs. Earl Edwards assisted at the serving table. The table featured arrangements of yellow and gold autumn flowers flanked with tapers in crystal candelabra. White plate favors were hand painted with gold border and bearing "Floyd County, Edith L. Wilson—1939-1946."

Seventy guests were registered in the guest book at which Mrs. O. G. Mayfield presided. Guests were seated on the back lawn by Mrs. S. J. Latta.

Mrs. C. A. Caffee read a toast to the honoree and the president of each club presented a gift from her club. Other friends also presented gifts.

**BLUE BONNET NEEDLE CLUB MET WITH MRS. COLLIER**

The Blue Bonnet Needle Club met last Thursday at 3 o'clock with Mrs. Oleta Collier as hostess.

Members present were Mesdames Ruth Christian, Pansey Finley, Helen Perry, Bessie Wilson, Irene Dorrell, and Lila Kendrick. Mrs. Bob Collier, a visitor, was also present.

Mr. and Mrs. W. H. Nelson and Jean were in Plainview on business Monday.

## Church Ceremony Said as Berne Glover, Abilene Girl are Wed

ABILENE, Sept. 21.—In a ceremony read at the First Presbyterian church Friday evening, Rosemary Hambrick, 874 Grand, became the bride of Berne Glover, son of Mrs. Olga Cardwell, 1625 Butternut.

The Rev. Clifford Williams of Sweetwater read the double ring service before an altar decorated with fern and baskets of white gladiolus.

The bride given in marriage by her brother, Charles Hambrick, wore a suit of platinum gabardine with black accessories. She carried white Bibbe, which two friends, Mrs. Louis J. Chase and Mrs. Charles Kuykendall, carried at their weddings. She wore a gold heirloom ring, gift of the bridegroom. Shirley Gaskell, maid of honor, wore an aqua gabardine suit with black accessories. She carried a bouquet of pink gladiolus and wore a gold pin with rhinestone and aqua sets, which was her gift from the bride.

Best man was Pat Williams and ushers were Odell Young and Louie Cohen.

Nancy Cunningham, who sang because preceding the ceremony, also wore a pin, gift of the bride. Mrs. George W. Fry, organist, played Claire de Lune before the ceremony and Liebestraum as vows were said.

White glads centered the refreshment table at the reception in the home of Mrs. Ann O. Smart. Mrs. Ronnie White, of Tulsa, Oklahoma, sister of the bride, ladeled punch and Mrs. B. H. Hambrick served cake. Mrs. V. Johnson, sister of the bridegroom, was at the register. In the receiving line with the couple were their mothers.

The bride, a graduate of Abilene high school, attended Hardin-Simmons university and has been employed by Pioneer aid lines. The bridegroom, an Abilene high school graduate, was in the army three years, with service in the European theatre. He also attended Hardin-Simmons. Now playing with an orchestra at San Angelo, he will attend San Angelo Junior college.

Mr. and Mrs. Garlan G. Glover and Mr. and Mrs. Kyle Glover were among those who attended the Hambrick-Glover wedding in Abilene Friday evening of last week.

Mr. and Mrs. Jim Terry of Amarillo and Mrs. Lawson Stephens and son Jimmy of Vega visited over the week-end with their mother, Mrs. C. R. Terry.

## Young People's Class Entertained Tuesday Night in Barnes Home

The Young People's Sunday School class of the Church of the Nazarene were entertained Tuesday night in the home of Mr. and Mrs. W. E. Barnes with a social.

Refreshments were served, by Mrs. Barnes and special music was rendered by Mrs. Claud Woody and Joseph Weldon Looney.

Those present for the occasion included Mrs. Bob Owens, Mrs. Claud Woody, B. J. Smith, Rev. Arch Gibson, Joseph Weldon Looney and Mr. and Mrs. Ralph Gee and sons Mr. and Mrs. T. C. Ferguson and children, Mr. and Mrs. H. E. Ferguson and daughter, Mr. and Mrs. Jesse Wright and Mr. and Mrs. Delbur Rose and children.

## SOCIAL SATURDAY NIGHT

The Young People's Sunday School class of the Church of the Nazarene will be given Saturday night, September 27, at the home of Mr. and Mrs. L. son.

Namarene will be given Saturday night, September 27, at the home of Mr. and Mrs. L. son.

## Good Plumbing Is Permanent

There Is A Reason Why

Business is good, and in spite of all rumors I am still getting \$1.50 per hour and \$1.00 per hour for my helper.

As most of you know plumbing fixtures, pipes, and fittings, are now on the basis of 75 to 100 per cent priority, but if you bring me your priority number, I can get these materials for you.

This week only I am selling both 1 1/4 inch and 1 1/2 inch traps with a 20% discount. I have all kinds of repair material and many hard to get items.

Open those lines with Wright Drain Solvent, and for all your plumbing needs see or call 322.

## Hail---Tornadoes Windstorms

TO ALL PROPERTY OWNERS:

By mandatory order of the Fire Insurance Commission, State of Texas, effective September 1, 1946, all insurance policies on buildings issued on and after that date, which include insurance against the above captioned hazards, will be subject to following deductible provisions:

**FARM BUILDINGS \$ 50.00 EACH LOSS**

**ALL OTHER BUILDINGS 100.00 EACH LOSS**

(i.e.: The insured assumes loss up to amount deductible; Insurance Company paying loss above this amount.)

Dwellings and out-buildings used in connection are deductible for aggregate loss on all buildings. On all other classes of buildings, the full amount shall apply to each building.

Contents in buildings are NOT subject to any deduction.

This ruling by the Commission is result of very high loss ratio on hail and windstorms in past five years, making necessary very much higher rates—or—present deductible provisions.

### Chr'man Committee for Campaign

September—Judge W. E. prominent Floyd County advocate, has been chosen of the Floyd County Good amendment campaign committee was announced today by E. Simons, executive vice-president of the Texas Good Roads

on the ballot in the general Election as Amendment number three, the Good Constitutional amendment the availability of motor registration fees and gas exclusively for road purposes with the exception of one-half cent to be allocated to the Avall School fund.

interest in better and approved highways and farm roads was the primary in his selection to head the county campaign," Simons

also pointed out that the Safety association, Texas Bureau federation, state Board and thirty other state organizations have adopted resolutions endorsing the amendment.

many outstanding organizations backing the amendment," continued, "We feel that in Floyd county should be informed of the provisions measure and the benefits they derive from it. For this reason the selected Judge Grimes to direct a vigorous educational campaign to point out the merits of the amendment."

purpose of this proposal emphasized by the Good association executive vice-president, is to assure the ultimate of rural mail and school roads, and all-weather farm-to-roads. Also, it will insure maintenance, maintenance and police all roads and urban traffic.

**NO COMPLAINTS on our party line!**

We've got some neighborly people on our telephone party line. We get the best service by sharing—even Stephen.

No l-o-n-g d-r-a-w-n-out conversations for us. We keep 'em short and to the point. That gives the other fellow a chance to do his calling.

It's a good system for good service.

**SOUTHWESTERN BELL TELEPHONE CO.**

### Big Acreage Maize Turning Out Good

PETERSBURG.—This season harvest of the maize crop was just getting started when the rains set in about 15 days ago, but in making a check it was found that 33 cars have been shipped.

This area will harvest one of its best maize crops in quite a few years. Irrigated maize is turning out good and with the rains, late feed is coming along nicely and promises to make a fair crop of grain. The acreage is large and with favorable weather for harvest in the coming weeks many more cars will be shipped.

### Maier's New Food Store Being Built

LOCKNEY, Sept. 20—Weather permitting, Clarence Maier says he hopes to have the new tile and stucco building he is constructing just south of the Beacon office ready in 30 days.

The rainy weather has hindered work on the building most of the time during the past week. The foundation has been run and a section of the concrete floor was poured Wednesday of this week.

The building which will be the new home of the Maier Food store when it is finished, will be 30 by 90 feet and will have parking space all around the building. The front of the building will set back a few feet from the sidewalk.

### Doyle Ford Named Coach at Lockney

LOCKNEY, Sept. 20—The Lockney Longhorns have a new coach. He is Doyle Ford of Canyon who took up his duties as athletic coach and teacher of history in the high school Monday of this week. Sid Thomas, who asked to be relieved of the head coach position in the high school, will assist Ford in his coaching duties. Superintendent H. P. Clemons said.

Mr. Ford is a graduate of Canyon High school and attended West Texas State college. He coached the West Texas high school last year. He comes with very high scholastic and athletic records. Superintendent Clemons said.

### Petersburg Buys New Fire Truck

PETERSBURG, September 20—The City commission reports the purchase of a fire truck for the city of Petersburg from the Army base at Big Spring. It is a one and one-half ton Dodge and is what is known at Army posts as a "Crash wagon" that is first on the job on the field in case of a plane crack-up and fire.

It is a very efficient piece of fire fighting equipment and the commission was fortunate in securing it. It is next to impossible to secure a fire truck from the manufacturers.

The commission will send down to Big Spring for it within the next week or ten days.

### HOME BUILDERS CLUB WILL ELECT OFFICERS SEPT. 27

The Homebuilders Club met Friday September 13 with Mrs. Charlie Smart. Mrs. W. L. Morgan, president, presided.

Mrs. Dickie Atteberry had charge of the recreation period. Mrs. Cates and Mrs. Bertrand won the prizes. The time of the meeting of the club was changed from 3 o'clock back to 2 o'clock.

Miss Wilson gave a discussion on living room furniture. We regret to lose Miss Wilson, but we wish her the best of luck.

The club will have its recreation November 16 at the council meeting. Mrs. Bertrand is to have charge of the program on Russia. If anyone had any data on Russia, please see Mrs. Bertrand.

The club will meet September 27 with Mrs. Raymond Williams at 2 o'clock, at which time new officers will be elected.

### SEEKING SITE AND MANAGER FOR NEW COOP HOSPITAL

LOCKNEY, September 20—Following a meeting last Friday night the board of directors of the Floyd County Co-Operative Hospital association directors have spent this week looking for a desirable site for the hospital and also interviewing prospects for a desirable site for the position as full time secretary or business manager of the association. Neither have been selected as yet, however.

Hilburn Casey of the South Plains area was appointed a member of the board of directors last Friday night, replacing Mrs. Albert Mize, of Cedar Hill who resigned.

### RE-BUILDING SO-WESTERN LINES IN CITY OF CROSBYTON

CROSBYTON, Sept. 20—Workmen for the Southwestern Public Service company have been busy the past two weeks rebuilding the distribution system for that company in Crosbyton.

Joe Blocker, local manager, says that the work will continue until the entire system has been rebuilt.

Dr. and Mrs. John W. Harper, of Wichita Falls, were here last weekend on a visit with Mrs. Harper's sister, Mrs. J. L. Heim, and other relatives. Dr. Harper is on the staff of the Wichita Falls State hospital.

### Steps Taken to Get Vocational School for Veterans Under Way

The probability that veterans of World War II in Floyd county will have a vocational school set up was advanced to the stage of almost certainty last week-end when Floyd county and Floydada school authorities took action to get such a school approved.

I. T. Graves Saturday forwarded an application for the establishment of a Veterans Vocational School for Floyd county to Austin, asking authority to begin classes here at once in agriculture education, and other vocational schools as the need is indicated.

### HESPERIAN WANT ADS PAY OFF

From where I sit... by Joe Marsh

Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #!X&\*!!!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

**BRING YOUR FORD "HOME" TO YOUR FORD DEALER-**

**YOUR FORD DEALER KNOWS YOUR CAR BEST!**  
Bishop Motor Co., Floydada

Feed-making costs hit a new low when you belt up your tractor to a money-saving John Deere Feed Mill. You'll turn out more feed per hour with less power—convert your home-grown crops into more palatable feeds that go farther, require less work in handling, less storage space.

With a complete and modern line of John Deere Hammer Mills and Roughage Mills and Feed Grinders from which to choose, you can get the mill that matches your feed-making requirements and your available power.

For all-around feed making, you can't beat the John Deere No. 114-A or No. 110-A Roughage Mills and Feed Grinders—the four-in-one mills that work as a straight chopper, an ensilage cutter, a combination chopper and hammer mill, or a straight hammer mill.

Big capacity, governor-controlled traveling feed table... lawn-mower type cutterhead that cuts fast and clean... heavy-duty grinding unit... and dust-tight feed collector are outstanding features.

### George L. Fawver Children Gather Here in Re-Union

Five of the six living children of Mr. and Mrs. George L. Fawver held a reunion in the home of their parents Sunday. It was the first time they had been together in more than five years.

Children present for the occasion were Mr. and Mrs. Roy L. Fawver, Mr. and Mrs. Claude Fawver, Mr. and Mrs. Gilbert L. Fawver, all of Floydada; Rev. and Mrs. W. C. Willis of Anson and Mr. and Mrs. Marvin Fawver of Stephens, Arkansas. One son, James Ray, of Waco could not be present.

All of the grandchildren, with the exception of Carlton Fawver, who is stationed in Tokyo, Japan were present.

Grandchildren present were Mr. and Mrs. Leslie Fawver, Mr. and Mrs. L. D. Goughly, Mr. and Mrs. Floyd Bradford and Mary Lou Fawver of Floydada; Yvonne and Carvey Sue Willis of Anson and Travis Fawver of Stephens, Arkansas. Travis is who is in service, will report to Camp Stoneman, California, soon awaiting overseas assignment.

Three great grandchildren, Bobby and Linda Goughly and Conley Bradford were present.

Grandmother Fawver wasn't at home for the celebration. She, with her sister, Miss Flora Ess of Moberly, Missouri, is visiting in Klamath Falls, Oregon, and from there they plan to visit in Washington state and into Idaho before returning home, taking some four or five weeks vacation.

### Wheat Crop Loans Close October 31

Applications for the usual wheat crop loans made by the Emergency Crop and Feed Loan office, Farm credit administration, will close October 31. This means the applications will have to be in the regional office on that date. This loan has been available until January 1 of each year. However, due to a merge of several government agencies, it is being closed early.

Applicants who will want to use this loan should make their applications on or before October 24 in order for them to reach the regional office in time for disbursement. If you live in Floydada vicinity contact Mrs. P. G. Stegall at the District clerk's office, or if you live near Lockney, Texas, you may contact Miss Marie Reves at Frank Perkins office and she will take your application.

### FITTS HOSPITAL NOTES

Mr. and Mrs. Grant Barclay are the parents of a son born September 15.

Roy Lusch underwent a tonsillectomy September 15.

Mrs. Winifred Newson was admitted September 17 for medical treatment.

Fred Zimmerman was admitted September 19 for medical treatment.

Mrs. James Nichols was admitted September 21 for medical treatment.

L. and Mrs. James Jones are the parents of a son born September 22. The young fellow was named Michael Sam.

Jerry Race, son of Mr. and Mrs. Shirley Race, was admitted September 22 for medical treatment.

D. B. Dorsey was admitted September 23 for medical treatment.

Richard Lee West underwent a tonsillectomy September 25.

Mr. and Mrs. Earl Edwards, Mr. and Mrs. Ed Harrison and children of Petersburg, Mr. and Mrs. Bert Smith and Mr. and Mrs. Wylie Smith and children of Lorenzo, Mr. and Mrs. Don Spence and children of Idalou, Mr. and Mrs. Fred Cardinal and Mr. and Mrs. John E. Smith spent Sunday visiting with Mrs. G. R. May and George Reid.

### CPL. HARVEY L. NEWBERRY HOME ON TERMINAL LEAVE

Cpl. Harvey L. Newberry arrived home Monday night from San Francisco, California, on terminal leave after returning from 12 months service in the Philippines.

Mrs. Newberry has been making her home with her parents, Mr. and Mrs. W. C. Sims during the absence of Cpl. Newberry. Cpl. and Mrs. Newberry are the parents of a four months old son, with whom the corporal is visiting for the first time. Cpl. Newberry is expecting his discharge soon.

### KIMBLES ON TRIP

Dr. and Mrs. Wilson Kimble left Friday morning for a trip to Fort Worth, Jacksonville and other points downstate. Dr. Kimble's son, John Kimble who is licensed to practice optometry will have care of the office while his father is away.

Bring your clothes for the orphan's home to Sunday school next Sunday.

### Announces Series of Messages On Parables of Jesus

On next Sunday evening, September 29, at 7:30 at the First Methodist church the pastor, Rev. Lloyd H. Jones, is bringing a series of several Sunday evening messages on the parables of Jesus. Reverend Jones points out that most of the parables used by Jesus in his teaching dealt with the subject of the kingdom of heaven or the kingdom of God. He further states that this subject is the central theme of Jesus' teaching.

In the first message of this series Reverend Jones will deal with the question, "Why did Jesus largely confine his teaching on this subject to parables, particularly when he was dealing with the nature of the kingdom - what it is like?" Reverend Jones suggests that Jesus probably had more to say on this subject than on any other subject

about which he taught, and he concludes that it must be of immense importance for those interested in the Christian way of life. Interested persons are invited to hear this series of Sunday evening messages.

Morning worship is to be conducted at 11 o'clock with the pastor in the pulpit. Church school convenes at 9:45. Youth Fellowship will meet at 6:30. The W. S. C. S. meets at 2:30 Wednesday afternoon. Choir rehearsal is conducted at 7:30 on Wednesday evening.

### GIBSON FAMILY ATTENDS RITES HELD FOR KINSWOMAN

Rev. and Mrs. Arch Gibson and family made a trip to Cassville, Missouri, last Friday where they attended the funeral service for Mrs. Lucy Herbst, grandmother of the Gibson children. They returned home Tuesday morning.

### FIFTH SUNDAY SINGING AT GASOLINE NEXT SUNDAY

The Five County Fifth Sunday Singing convention will be held at Gasoline, Texas, Sunday, September 29, in an all day session. Dinner will be served at noon.

### FLOYDADA HOSPITAL NOTES

The following patients were admitted to the hospital for medical treatment last week:

Mrs. J. A. Arwine, Mrs. Calvin Steen and Mrs. Carl Wilson.

Mrs. E. C. Henry is visiting at Vernon with her son, Kenneth and wife, and from their home will go to Munday to spend sometime with her daughter, Mrs. C. P. Baker and Mr. Baker before returning home.

Ledgers, deeds, notes at The Hesperian office.

## Mr. - Mrs. Egg Producer

Let us talk common sense. According to available information the 1946-47 egg season is now beginning. We will see the highest priced eggs that many of us have ever seen. To get the highest production from your flocks it is necessary that you feed the highest quality feed. The past few months we have been confronted with low priced eggs and high priced feeds. Many have resorted to the cheapest feed they could get—feeds of little digestible matter, low in essential minerals, still lower in vitamin content, with Poor Quality Protein. Of this kind of feed there is lots offered you.

The last three years we have offered you the highest quality feeds obtainable (period) The six year period preceding the last national egg laying contest Full-o-Pep fed birds out laid all other birds by the equivalent of 14 2-3 more eggs per bird. The last national egg laying contest Full-o-Pep fed birds exceeded all other birds by the equivalent of 15¼ more eggs per bird. These statements are reproduced from records of the national egg laying association and in advertising matter put out by the Quaker Oats Company (Feed Division).

With egg prices high and going higher, why not put your laying flock in top condition. Buy a sack of our lay mash today. It is tops . . . Not because we say so, but from results.

Sponsored by Lions Club under personal direction of Hazel Hayes. Benefit for the Sight Conservation and Blind.

### Liberal Premium on First Bale Cotton

LOCKNEY, Sept. 20—A cash premium made up among the business men of Lockney to be given to Leslie and Carl Ferguson for bringing the first bale of cotton in the county totaled \$127, Mrs. V. E. Spears reports.

The cotton was believed to be middling 15/16ths which would have a market price of about thirty-five and a half cents per pound.

### TWO SWORN INTO MARINE CORPS, BEGIN TRAINING

Dale Scott King, son of Mrs. G. Scott King and Tom Roy Snodgrass, son of Mr. and Mrs. Roy Snodgrass of Amarillo, have enlisted in the Marine Corps and were sworn in on Thursday, September 19, in Oklahoma City, Oklahoma, and sent to San Diego, California, to receive their basic training.

Both boys are graduates of Floydada High school and students of Texas Technological college in Lubbock.

Mr. and Mrs. Charles E. Neil, Jr. of Amarillo visited over the weekend with his parents, Mr. and Mrs. Charles E. Neil, Sr.

Miss Mary Eunice Hennessee was home over the week-end from Lubbock where she is attending beauty school.

### DOUBLE WEDDING CEREMONY PERFORMED SEPTEMBER 12

LOCKNEY, Sept. 20—In a double wedding ceremony performed Thursday, September 12 at 8 o'clock a. m. at the St. Alice Catholic church in Plainview, Miss Johanna Francis Boertz, daughter of Mrs. R. S. McKallip of the Providence community, became the bride of George Edward Rupp of Fort Smith Arkansas; and Miss Yvonne Christine Nix, daughter of Mr. and Mrs. Denson Nix of Tulsa became the bride of Edwin Lehnen Jr., son of Mr. and Mrs. Edwin Lehnen of Fort Smith, Arkansas.

### MRS. KATE COLLIER HOSTESS LOCKNEY R. D. CLUB TODAY

LOCKNEY, Sept. 20—The Lockney Home Demonstration club will meet Thursday, September 26, at the home of Mrs. Kate Collier at Floydada. A covered dish luncheon will be served at the noon hour.

### HOLD BRIDAL SHOWER

LOCKNEY, Sept. 20—Miss Marjorie Campbell, daughter of Mr. and Mrs. W. A. Campbell of Lockney was honored at a bridal shower Friday evening, September 13, from four to six o'clock in the home of Miss Lula Mae Swim at Roaring Springs.

Miss Campbell and Andy Vlasman will be married on October 19.

Counter sales books, adding machine paper, carbon. Hesperian.

**GROUND FORCES WINTER EQUIPMENT TEST IN ARCTIC**—Winter's cold and snow, as illustrated here, will be a daily companion to 4,000 Army Ground Forces troops taking part in winter equipment tests to be held in Alaska and Camp McCoy, Wisconsin, between October 1 and April 30, 1947. Three separate task forces will determine the extent to which existing equipment will function and what new equipment is required for the ground team to fight under all winter conditions. Task forces "Williwaw" and "Frigid" are being assembled for early departure for Adak, Alaska, and Fairbanks, Alaska, while task force "Frost" already is at Camp McCoy.

Left, equipped with heavy clothing to offset extremes of cold the pictured soldier is representative of 4,000 Ground Forces troops to test equipment in Alaska and at Camp McCoy, Wisconsin. Right, in a practical test showing a patient being brought to a first aid station on an improvised litter.

### LITTLE RUST ON WHEAT

One element in the 1,160,000,000-bushel bumper crop of wheat harvested this season was the fact that rust injury was slight. Freedom from rust in the northern grain fields this year was due mainly to:

- (1) Weather generally favorable for the crop and less favorable for the parasite; and very little movement of windblown rust spores from the southern to northern fields;
- (2) Productive varieties of rust-resistant wheats developed by plant breeders and now widely grown by farmers;
- (3) A large part of the northern grain growing area has been covered by the barberry eradication campaign. With no barberries the rust cannot live from year to year in

the grain growing areas of the northern part of the United States. Rust develops on the leaves of barberry bushes in the spring and from there spreads to grain (wheat, oats, barley, or rye).

There was virtually no rust damage in the principal winter wheat areas, and little in the spring wheat fields. East of the Mississippi the only substantial damage was in areas of Virginia and Pennsylvania where there is still a large amount of barberry eradication work to be done. In Pennsylvania the total loss of wheat on account of stem rust is estimated at not more than about 3 percent, although losses in local areas ran much higher. A generation ago it was not unusual for rust to reduce the wheat crop by many millions of bushels.

### USDA FILMS POPULAR

The purchase of U. S. Department of Agriculture motion picture films in the fiscal year of 1945-46 broke all records. Purchases were four times those of the previous year. Of the 1,298 prints of films bought during the year, 31 percent were bought by schools and colleges, 27 percent went to foreign countries and the remainder to 16mm film libraries and miscellaneous purchasers.

"Realm of the Wild," a film dealing with wild life in the National Forests, and "The River," the story of the Mississippi, led in popular demand with more than 100 purchases of each. Five other films were purchased by 50 or more buyers. These were: "The Heritage We Guard," "The Live of Plants," "Learn to Swim," "In the Beginning," and "The Man Who Missed His Breakfast."

If all of the articles washed and pressed in Quartermaster laundries last year were hung on a big wash line, each piece touching another, the year's wash would reach farther than from the earth to the moon and back.

The Quartermaster Corps has furnished American scientists prospecting for oil in the jungles of Columbia with plastic-armored jackets to protect them against the arrows of native Indians.

The Quartermaster remount breeding program has an objective of achieving world supremacy in fine horses for the United States.

### Several Members Local Church at District Meeting

Several members of the Floydada congregation of the Christian church attended District No. 2 meeting held in Slaton Wednesday.

State officers of the brotherhood were present at the session, and Dr. M. E. Sadler, president of Texas Christian university, addressed the assembly.

### PLEDGE AT U OF T

AUSTIN, Texas.—Fall rush period for fraternities at the University of Texas closed this week with 492 pledges added to the 23 fraternities.

According to the official information from the office of dean of men, Joe A. Arwine, Jr., of Floydada, is pledged to Pi Kappa Alpha.

## Unceasing War on a World of Killers

★ Leeuwenhoek, in 1683, was the first to disturb the privacy of the teeming bustle of the unseen world. The "wretched wee beasties" cavorting innocently under his lens were later indicted and convicted by Koch and Pasteur. Unbeknown to Leeuwenhoek, he had discovered a vicious and unseen world of killers, now known as bacteria, or germs.

▲ The span of time between Leeuwenhoek and Pasteur was almost 200 years. Only an average lifetime has passed since Pasteur's experiments, during which practically all we know about disease and its treatment has been discovered. Our knowledge is expanding at an ever-increasing rate. The pharmacist works with the physician in bringing newer and better medication into the sickroom.

## Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America; and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

### Keep Your Present Car Alive

Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

## DE QUACKER

All week long I've looked and looked. To see what I could see. The Fish and Sophs I keep up with. But those Seniors slip by me. I tried to catch those upper-classmen.

To find out what they've done. But when they see the Quacker. They all jump up and run. So I ask you to help me out. Let's catch those upper-classmen. Let's find out everything we can. Cause De Quacker likes to harass them.

Well, let's look into the Freshman news for the week. My little grem-lins tell me that Freshmen girls like motorcycles. Or is it the boys who drive them??

All the Freshmen girls must like Lockney boys. Sherryw Fyffe thinks Bill Quisenberry is the stuff. It has even gone so far that he calls her at 9:30 at night. Tell me, Sherryw, was that planned?

Speaking of Bill Q., it seems that one Fish wasn't impressed. Sammie Shultz wasn't even thrilled when the Lockney boy winked at her. Could be that some Floydada boys were on her mind. For instance, Arlen White. Poor Velma is kept terribly busy passing notes from one to the other. And say, what ever happened to Billie Mae?

Grace Muncy kind of likes the eight grade this year. Wonder if Aubrey Guthrie is the answer??

Loy Lee Trice, where did you get that appeal? You and Trois Muncy must have had a wonderful time Saturday night. And Jane Johnson has her eye on you too. Would you consider giving lessons to poor boys who don't rate that well?

What's wrong, Billie Joe Smith? Can't you study in fourth period study hall? Must be that cute girl who sits across from you. She's said to be very pretty and popular.

Bobby Finley is getting along swell. The Ratjen twins look for him in the show every Saturday night. By the way, do they ever find him?

And speaking of Seniors: Nita Merle and Bud Dubois must have it bad. She doesn't even date the other boys from what I hear. Senior English seems to be a lot of fun for Leba Jean and Joe.

Kelly is having a little trouble getting a date with Venita. Come on, don't be too hard on the poor boy.

Now the lowdown on the Juniors: Mava Merle and an eighth grade boy, Tom Martin, are doing O. K. on the McCoy bus every day.

Something very interesting was happening on the school lawn at noon the other day. My spies couldn't get close enough to hear what it was all about but Bradford Beedy and Inez Dunavant were in deep conversation.

Who was W. R. with at the base ball game at McCoy Monday night? Huba Huba! My curiosity is killing me so I'm asking you. Who's the girl Mac Smitherman has been watching so closely in third period study hall?

The Lockney boys are really making headway with the Sophomore too. Thursday and Sunday nights from what I hear. Claudean Goen, Hope McIntosh, and June Powell were having wonderful times. I must be slipping. I only found out one of their names. He was June's date, Jack Adams.

Jane Frizzell sure does like George Owens. He is oh, so cute. Ann Lou is getting good. She not only caught Floyd Lyles but now she has Bobby Durham making eyes at her in General Science. How does she do it?

Carol Womack is a wonderful football player according to a certain freshman girl. I think she just likes her just plain wonderful, not just at football.

Why didn't Gladys go to Tulla with Bob White? She probably had a good excuse Bob, so don't feel too bad.

Edna Faye is making headway with all the boys. Charles Eddie Holmes from Sand Hill as well as Billy Mac Shipley. Tut. tut.

How does Tye have a date without taking to the boys? Wonder what they do??

Marihelen and Bill seem to have a good time in Chemistry Lab. Especially last Tuesday.

Well, kids that's all this week. But if you know anything on anybody don't forget my little can in the office. And...

Don't forget those Seniors. Don't let them get by. I appoint each one of you as my special spy. The Juniors, too, get off easy. Without much trouble with me. So wake up kids, just let me know 'bout anything you hear or see.

**WANT ADS**  
Wanted: A date with Kelly Hagood. Peggy Collier.  
Wanted: A date with Mac Smitherman. Genelle Norman.  
Wanted: A date with Bobby Finley. Dorothy Bishop.  
Wanted: A date with Loy Lee Trice. Jane Johnson.  
Wanted: A date with Billy Jones. Sherryw Fyffe.  
Wanted: A date with Bobby McGuire. Claudean Goen.  
Wanted: To choke some Freshman. Joy Lambert.  
Wanted: Some gossip from Juniors and Seniors. De Quacker.

**DID YOU KNOW THAT?**  
There are nine Bobby's in the school this year?  
There are six girls named Billie and six boys named Billy?  
There are five Joys?  
There are five Bettys?  
There are five Jeans?  
There are five Dons?

## Two Ex-Service Enroll in School

This year we have two veterans in school with us. They are Elmo Hall and Dan Goodson.

Elmo, better known as Tuff, was called to service in the navy in 1944. He was sent to the Great Lakes and then to the Alameda Naval Air Station. He was discharged in 1945. He is nineteen years old, has blonde hair and blue eyes. Elmo wishes to thank all the faculty for all the nice things they have done to help him.

Dan Goodson went to Cone High school before he left for the navy. He entered the service in February of 1945 and went through boot camp and corps school in San Diego. Then he went to San Pedro, and then to Pearl Harbor. Later he came back to San Pedro for a discharge in July of 1946. He is nineteen years old, has brown hair and blue eyes.

We are very glad to have these two swell boys and hope they like school here.

## What Teachers Did Over the Week-End

Mr. Graves--Went to a Safety meeting in Lubbock. This meeting stressed putting safety in the curriculum of every high school in Texas. There will be a six weeks course in some subjects devoted to safety. When a student finishes this course, he will be able to pass his driver's license test.

Miss Swepston--Graded English papers.

Miss Garrett--Went to the football game at Tulla.

Mr. Gresham--Went to the football game at Tulla and also to the Tech and West Texas State football game Saturday night. The scores were - Tech 26 - W. T. S. 14.

Miss Osborne -- Graded Chemistry papers and worked on Bingo game for Juniors on the court house lawn.

Mrs. Jones -- Went to the football game. Even got so excited she climbed two fences! Her brother-in-law, Dalton Jones, and his wife came from Tulsa - Sunday went to church and went dove hunting.

Mrs. Cardinal -- Went to football game and yelled herself so hoarse she could hardly talk. Had company and graded papers.

Mr. Baker -- Went to football game and stayed at home the rest of the week-end.

Mr. Harris -- Went to Tulla and worked at Hagood's Department store. Went to church Sunday morning and slept all afternoon.

Mr. Barber -- Worked with livestock -- two beef calves - two hogs, milk cow, built feeding racks, and worked his bird dogs - Helped two Ag boys find projects and played two rounds of golf. Went to church twice and attended two church services.

The bingo games Saturday night were a booming success and lots of fun was had by all.

As special prizes there were two lovely vases, a pyrex percolator, a free meal ticket from Leonard's Cafe and several other enticing prizes were given away in special games. The games reached a climax at 9:30 when an attractive electric toaster was given away to the winner of that game. The lucky winner was Kenneth Hart, a student of F. H. S.

We wish sincerely to thank the following merchants for their generous donations of many of the prizes: Jerry Holmes Electric, J. C. Penny Co., Kings' Variety, Norman's Variety, Arwine Drug Co., Leonard's Cafe, White's Drug, Hale's Department Store, McDonald's Hardware, Kirk and Son Hardware, Southwestern Public service co.

Penny Co., Kings' Variety, Norman's Variety, Arwine Drug Co., Leonard's Cafe, White's Drug, Hale's Department Store, McDonald's Hardware, Kirk and Son Hardware, Southwestern Public service co.

We have this year some tall and some short students, so we decided to interview the tallest and shortest boys and girls.

Our shortest boy is Bobbie Jack Harber, who is a sophomore. He is four feet seven inches in height, and has blue eyes and brown hair, and is thirteen years old. He attended school at Sand Hill before he came here.

The tallest boy is Gerald Smalley. There is quite a difference between Gerald's six feet, four and one half inches and Bobbie Harber's four feet seven inches. Gerald is a Junior and has brown eyes and hair.

The shortest girl in high school (I think) is Peggy Collier. She is a Freshman. She is four feet, nine inches tall, has blonde hair and blue eyes. She was a ward school pupil before she came to high school. She is thirteen years old and the Freshman candidate for carnival queen.

Joyce Porter is the tallest girl in high school. She is a senior. Joyce is five feet, eleven inches tall and sixteen years old. She has dark brown hair, and her eyes are very blue.

GOOD typewriter ribbons for your model typewriter. Hesperian office.

## ATTENTION!

The Senior class is showing a moving picture film at the auditorium of Floydada High School, Friday night, Sept. 27.

The movie is "The North Star" starring Jane Withers, Anne Baxter, Walter Huston, Dana Andrews, Ann Harding and others. They are sponsoring this movie to raise funds for their queen. All the Seniors are selling tickets, and they'll be around most any where trying to sell you one.

All help will be deeply appreciated, both from movie tickets and other ways.  
Don't Forget Sept. 27 at 8 p. m.

## Chapter of FFA Sets Up Program, Initiates Forty

The Future Farmers of Floydada have set up a program of work in which we stress the following:

Supervised farming, Chapter cooperation, Community service, Leadership, Earnings and savings, Conduct of meetings, Scholarship, and Recreation.

Wednesday we initiated about forty new boys into the degree of Green hands. We had a successful initiation. Next year these boys will be initiated into a degree of Chapter farmer. We have some boys that will be initiated into the Chapter farmer degree at our next meeting.

The following boys were initiated: Garvin Beedy, Leroy Burgett, Ben-

nie Lee Ewing, William Glaskox, Rollon Glaskox, Dan Gross, Reese Grubbs, Maurice Ford, Bobby Harbor, Sherman Irwin, James Johnson, Billy Jones, Don Kirk, James Leach, Buster Mooney, Hershel Nelson.

Leslie Nixon, Charles Patterson, Don Ray Pope, Neil Pierce, James Ross, Hansel Sanders, Billy M Shipley, Billy Joe Smith, Charles Shultz, Don Shurbet, Harvey D. Tardy, Loy Lee Trice, Delton Waggoner, Bradford Beedy, Melvin Dunavant, Gorden Hambricht, Bobby Kincheloe, David Nickols, Fred Nixon, George Owens, Bobby Plumlee, Robert Reeves, Ma's Smitherman and Duane Stevens.

Refreshments were served.

## SOCIAL CLUB PLEDGES SET FASHION FOR THE WEEK

The fashion of the week, for the past week, has been straight hair, (straight with the aid of vasoline), no makeup, and colors that definitely were not meant to be worn together. Of course, no one could fit this description but the Social Club pledges.

Along with their pathetic appearance, the "Slimes" seem very conceited and "stuck up" since they have not been allowed to speak to boys. However, since Monday, which ended the initiation, they look much friendlier, by speaking to everyone.

NEW BOOKS IN LIBRARY GIFT OF MRS. PATTERSON

The school is grateful to Mrs. Jess Patterson, who generously donated eight books to the school library. The books she gave are: "The Gauntlet", "The Moonstone", "Leave Her to Heaven", "The Life

## Three Sets Twins A Triple Blessing

This year we are triple-blessed with three sets of twins. First we have Gleva and Gloria Ratjen. They are thirteen years old and Freshmen. Gleva is five feet, three inches tall, has blue eyes and brown hair. Gloria has green eyes and brown hair. They went to school at Providence before they came to school at Floydada.

Next are Charles and Charlene Patterson who are Freshmen. They come to high school from Andrews ward. Charles is five feet, five inches tall. He has green eyes and brown hair. Charlene is five feet, four inches tall. She also has green eyes and brown hair. They are Freshmen and fifteen years old.

Our other set of twins are Juniors. They are Floyce and Joyce Jarrett. Floyce and Joyce have blue eyes and brown hair. Floyce is five feet four inches, and Joyce is five feet four and a half inches tall. They are sixteen years old. They came to Floydada from South Plains. Joyce is the Junior candidate for Carnival queen.

The whole school is proud of all three sets of twins.

Typewriter and pencil carbons, Hesperian Pub. Co.

of Samuel Johnson", "Beside Book of Famous French Stories", "The Black Rose", "Green Dolphin Street", and "Kenneth Roberts Readers". The addition of these books helps our library a lot, and we certainly appreciate Mrs. Patterson's contributions.

## Sophs Sponsoring Amateur Contest

The Sophomore class of Floydada High school is sponsoring an amateur contest at the auditorium Thursday night, September 26, at 8:00 p. m. Among the numbers on the program will be featured a ballroom dance, some skits, musical selections, and other attractions. Be sure to come for plenty of fun and entertainment!

This information is provided for publication purposes.

(SIGNED) .....

## PARENTS AND WIVES CAN HELP

Parents and Wives, this book is being published to provide a valuable memento . . . to record the splendid service of our boys. It is a big job we know, but we believe one that should be done. We urgently appeal to you to help us. Bring in pictures of your men. It costs you nothing, the picture will be returned.

Won't you do this to help make this book a success? It is not a "brag" book. Not a scheme, just a book to record the service of your boy and girl. Your loved one served, he belongs in this book. Fill out the form, attach picture, bring or mail to us. Act now! We need your help!

## LET'S INCLUDE ALL VETS

Hundreds of pictures of service people from this county have been received. We are extending the time to try to get all pictures. All served honorably. All belong in this history. Your co-operation is urged.

## YOU MAY ORDER BOOK

Yes, there'll be a book for everyone, regardless of the paper shortage. The publishers--The W. D. Dixon Publishing Service of Vernon, Texas--assured us there'll be a copy for all, even extra copies where wanted. But to make sure enough copies are printed, order your book now. You'll want one in years to come. Your service man or woman will need one. Order one now. Order as many as you wish. The price is \$3.50. You may mail in your check if you wish.

Mail or Bring Pictures and Forms by Sept. 28 to The

# FLOYD COUNTY HESPERIAN

Floydada, Texas

## Whirlwinds Edge Nets Out 7-6

A packed crowd witnessed Tulla's opening home game Friday night as the Hornets defeated a very watery field and netted out a 7-6 victory.

The game had a story book finish. Floydada coming from behind to win by a single conversion.

The game received the opening kickoff and it was not long until the Whirlwinds received one of the penalties that marked the first quarter ended with a tie score.

In the second quarter a drive gave Tulla their first and the conversion was wide.

The half ended with Tulla leading a 6-0 margin over the Whirlwinds.

The drive started early in the quarter that carried them to Floydada's goal but never scored. This was the only scoring in the third quarter and it was with Tulla still ahead 6-0.

Floydada opened up with a pass that covered 30 yards and the Whirlwinds scoring drive a few more pass plays Hale led the conversion by Carmack won a 7-6.

The game ended with Floydada threatening Tulla's goal. Whirlwinds have an open date week which gives them a good practice before their first game Friday week with

## Band Enthusiasm F. H. S. Grows

Haden and the band went to last Friday night to help boost football game. At 7:00 p. m. members met at Tulla square.

They marched around the square and played a few marches and pep squad marching band and giving a few yell. At 7:30 went out to the field.

The half our majorette, Billie Frances Sisson, went out on the band and drew the number for the winner of the car given away by the Tulla veterans. After that game began, and the band marched throughout the game.

Each week everyone is busy organizing a school orchestra. The purpose of it is to raise money for the future. In the band Haden plans to have three saxophones, one clarinet, the cymbals, piano, and one tuba.

They hope to find some people with good voices to help the band. Also soon everyone will be hearing the sweet sounds of Clyde and his Swing Band, we hope!

## Drum Majorette Gets Lucky, Too

Floydada High School wishes to congratulate Billie Frances Sisson, lovely drum majorette, for being chosen to draw the number for the car given away by the Tulla veterans.

Billie, which was given away at the Tulla football game. The half, Billie Frances drew the number from the wire basket in the center of the field and read the number.

She was presented ten dollars by the V. F. W. of Tulla, who sponsored the drawing. Today, Billie Frances was again rewarded, when Julius Hanson, of Tulla, winner of the car, came to Floydada and presented her with a beautiful new car and about eighteen dollars cash.

We are really proud of Billie Frances, and we know that she is really deserving of both these wonderful gifts.

## HALF-MINUTE INTERVIEWS

Subject: 'My Opinion of the Band' Reva Thomas - I think its doing pretty good.

Inez Dunavant - Formation is good.

Tommy Assiter - It sounds pretty good.

Dorothy Cantrell - I think its good to be so small and not to be hazined any longer than it has.

Joyce Reddy - Its more than it has been since I've been in F. H. S. June Finley - Band is okay. But its the hand director.

Mrs. Jones - I think the band did amazingly well considering the length of time they have practiced. Its a definite asset to the football team.

**BOYS GIRLS SERVE LIONS CLUB AT LADIES NIGHT**  
The members of the Lions Club and their guests were served by the boys girls of Floydada High school at Thursday night.

The banquet was held in the cafeteria of Andrews Ward. A short program was given and enjoyed by

The Quartermaster Corps has designed a new squad shelter that has no poles, ropes, or stakes.

### Iva Elmore Smith Field Executive Camp Fire Girls

Miss Iva Elmore Smith, daughter of Mr. and Mrs. Charles B. Smith of this city, recently assumed her duties as field executive of the Greater Seminole area, Council of Camp Fire girls. Her duties will be to work with groups and guardians and to extend Camp Fire throughout the area. She will assist with training from time to time, instructing in handicraft, dramatics, song leadership, outdoor craft, swimming, photography, story telling and public speaking.

Miss Smith taught for three years in the Stinnett and Olney grade schools before entering Camp Fire

### Texans Resident in Chile on Home Trip Thru Summer

Mr. and Mrs. G. C. Glover, who have been making their home at Sewell, Chile, South America, with their sons, Charles and Billy, used practically every type of conveyance on their long jaunt home this summer. They came by plane, crossed the continent in a car and ar taking a boat on the return trip from New York City.

Mrs. Glover is a daughter of Mrs. Chas. Trowbridge and a sister of Mrs. Chas. B. Smith, of Harmony. The sojourn of the Glovers in the states began at Miami, Florida, on June 8. After six weeks in South Carolina they came on to Dallas, Fort Worth, Denton, and Floydada in Texas, and thence to California.

For three years Mr. Glover has been a contract electrician for the Braden Copper mines in Chile. He has contracted to spend another three years in Chile with the company.

Typewriter Rooms, Hesperian.

### Good Weather—

(Continued from first page)  
Lockney and Floydada. First bale at Lockney last week preceded the rain. First bale at Floydada came in Wednesday morning.

**Only Trickle of Maize**  
Before the rains early maturing maize had begun to move in some volume but during the past 10 days of bad weather the movement has been slow. Dealers here this week anticipated that the bulk of the crop will not be ready for harvest for another two weeks. Heavy profit on irrigated acreage in maize is indicated.

**Marked Temperature Drop**  
First forewarning of a winter on the way was given high plains people Sunday night and Monday morning, when a low of 42 degrees temperature was recorded and was followed by a 45 on Tuesday morning. Highest early morning temperature of the week was 63 degrees. On the "high side" the past week the thermometer registered two days in the low eighties, and two high sixties.

### Lions Play—

(Continued from first page)  
ish maid, is looking for a man and consults with Tommy as Professor Meadowski. But Rosola, the colored cook, portrayed by Bob Crowell, wants no part of any fortune teller and doesn't hesitate to say so.

So its Tommy Meadowski all dressed up as the famous Russian foot-clogist against Madame De La Clair in trying to tell Aunt Hattie how to invest her money. What a mix-up! What a situation! And to complicate matters Dr. Dora Druggins, a lady chiropractor, played by Dick Walker, is slightly deaf and arrives to treat her patient.

**Tuneful Chorus in Show**  
In addition to the comedy cast, Pep Parade has colorful and tuneful numbers as well as added specialties. According to Miss Hayes, "It's a gay show and those attending the play will be amply repaid with two hours of good entertainment, in addition to helping a wonderful cause."

**Baby Contest Announced**  
The contestants of this clever contest are between one and six years old. There are prizes, honors and plenty of fun connected with this unusual contest. Everyone is enthusiastic -- everyone can take part. The winners will be presented on Thursday night, October 3 at curtain -- 8:30 p. m., Miss Hayes announced.

"At this time all names of contestants are not in and we feel that it would be best to withhold all names thus entered," said Miss Hayes. Those who attend will enjoy an evening seeing some Floydada make talent on the stage.

**Fairview News**  
FAIRVIEW, September 24. — The rain of the past Thursday really put a good season in the ground coming right after the good rain of the week before. Fields are just now getting dry enough for farmers to sow wheat.  
The cold spell that blew up Sunday afternoon made us feel like winter was not far away.  
Mrs. C. L. Bradford returned home Saturday night from Graham where she had been the past two weeks with her daughter, Mrs. Cap Felton, while Mrs. Felton was recovering from an appendix operation.  
Those taking Sunday dinner in the home of Mr. and Mrs. L. A. Horton were Mrs. Dona McVickers of Plainview, Mr. and Mrs. Clyde Bagwell, Mrs. C. L. Joiner and Mr. and Mrs. Henry Culpepper and children.
