Farm Committee Personnel Changes

Elmer L. Ayres
Floyd County Agent

Results of community elections for farmer committeemen to administer several important farm programs during the coming year have been announced by George B. Johnston, chairman of the County Agricultural Conservation committee. With three community elections being held at Lockney, Cedar Hill, and Floydada, the results of the elections indicate considerable turnover. This turnover is occasioned as a result of changing from a nine community county to a three community county similar to that which existed prior to the war years.

VFW to Name Officers On December 11

A special meeting of J. W. Harrison post, Veterans of Foreign Wars, has been set for Wednesday night of next week, December 11, Silas E. Duncan, adjutant of the post, announced this week. The hour will be 7 o'clock, and the meeting place the Odd Fellows hall.

to be Chosen From Special Panel of 120 For Jones Trial

Jury for the W. Fred Jones case in Hale county, set to open Monday morning in a new open change of venue from the county seat of Hale county, will be chosen from a special panel of 120. Hale County District Clerk Ed N. Noble said yesterday afternoon.

Frank L. Moore is Opening 'Your Exchange of Texas' In Floydada

1908, Mr. Moore was absent from the county for most of the period of the war. He returned to Floydada a few months ago to take up residence here again. "I have dealt with Floyd county people many, many years and these dealings have all been pleasant," Mr. Moore said. "My long residence in the county, dealing with the citizens in various capacities, have given me a wide knowledge of lands and property in the county, which I believe I can use to advantage in these fields of endeavor."

Herald Yuletide Sunday Evening With Cantata

The first program to announce the approach of the Yuletide Season is a Christmas Cantata, "The Child of Bethlehem," by Louise E. Stairs, to be presented by a community choir at First Methodist Church, Sunday evening, December 8 at 7 p. m. The cantata will be directed by Ray S. McEntire. Mrs. G. R. May will be at the Hammond organ.

The program will consist wholly of music. Evening services in some of the other churches of the community will be dismissed for the community service of music. The cantata is sponsored by First Methodist church choir which will be assisted by singers from other churches. The public is invited to attend.

Wellington Skyrockets, 3-A Champion Squad, Here Friday

This is the formidable squad of Wellington High school, complete with coaches, which is due in Floydada in the morning to meet the Floydada High Whirlwinds in the bi-district championship fray beginning at 2 o'clock on Wester field.

Christmas Lighting Contest Scheduled

A Christmas home and business district decorating campaign gotten under way Tuesday in Floydada, with the high school band and pep squad as opposing teams in getting interest and pledges from residents and business men, was announced by Jimmie Potts, chairman of a committee of which the other members are J. M. Willson jr., and Mrs. Lon M. Davis.

Whirlwind Line Heavier
The Whirlwind line, according to official weights of the two teams, will have an end-to-end advantage of 16 pounds per man. They are weighed in at an average of 171 pounds, the Skyrockets at 155 pounds. Wellington's entry will have a backfield average five pounds heavier than the 150-pound average of the Whirlwind backfield.

MRS. McDONALD HOME
Mrs. L. C. McDonald is at home now recovering from an operation which she underwent recently in a Lubbock hospital. She is recovering nicely according to report after her return. Mr. McDonald brought his wife home Wednesday.

Six Whirlwinds on All-District Football Squad

Six of the 11 starters of the Floydada Whirlwind team, including two repeaters from last year and four new-comers to the lineup, made the mythical 4-A all-district team of the Texas Interscholastic league.

Lockney Longhorns placed one, Spur Bulldogs two, the Paducah Dragons one, and the Matador Matadors one. The team:

All-District Eleven
Ends: Bill Womack, Floydada, Gene Messer, Lockney;
Tackles: Bruce Womack, Floydada; Leslie Nixon, Floydada;
Guards: Joe Bunch, Floydada; Morris Denson, Spur;
Center: R. C. Giesecke, Matador;
Backs: Glen Carmack, Floydada; Kelly Hagood, Floydada; Joe Sandlin, Paducah, James Sharp, Spur.
Bill Womack and Glen Carmack are the Whirlwind who are on the team, repeating from last year. Of the other "Winds" Kelly Hagood had honorable mention last year, Bruce Womack didn't rate as a starter, and Leslie Nixon and Joe Bunch are in their first year of football this season. In a star-studded team Thanksgiving day at Spur Leslie Nixon made history for the Whirlwinds at tackle position, his teammates declare.

Masonic Men Attend Waco Convocations

With the annual convocation of Masonic Grand orders in Waco this week, the Brazos river city has been the mecca of Texas men of Masonry.

Sheriff-Elect And Deputies Take Training

Sheriff-elect Leland Hart and his deputies-to-be, Earl Cooper of Lockney and Bun Hopper of Floydada left Saturday for Camp Mabry, near Austin, to attend a two-weeks school for officers. The school offers the men training in the enforcement of the law and in crime detection.

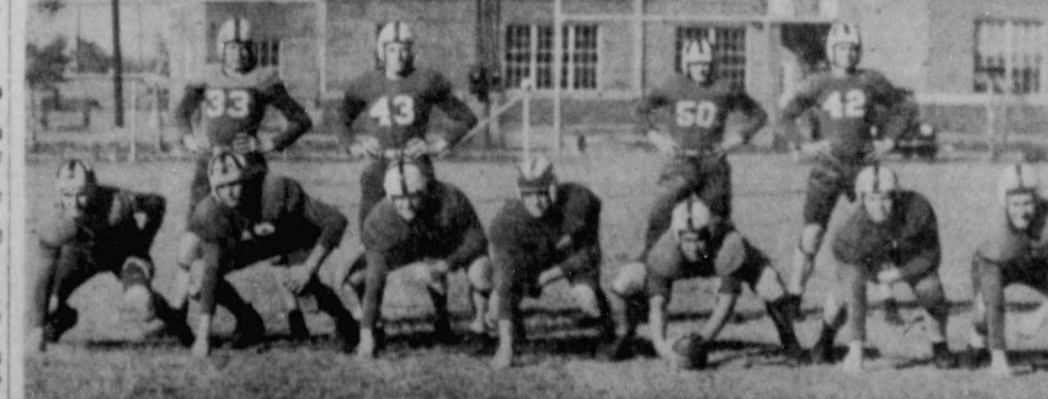

Johny Sands Picture Here Next Tuesday

One of the featured cast in the cinema, "Til the End of Time," due to be shown at the Palace Tuesday-Wednesday of next week, is a former Floydada school boy, whose rise in pictures the past two years has been fast. He is Junior Arp, whose film name is Johny Sands.

Wright to Open at New Location

Jess Wright Plumbing company will open at a new location Saturday of this week, he announced yesterday. His new location is in the new Ferguson building on North 17th (Highway 207) street, where he will have his plumbing materials on display and will make headquarters.

Versatile Attack Due to Help Whirlwinds Tomorrow

If, as District 4-A fans hope, the Whirlwinds play tomorrow on even terms with the Skyrockets, it will be largely due to a sterling line and a versatile attack. Lauded as a T team, the Winds often line up as above in double wing and also shift into a single wing when the defense pattern calls for it.

Whistle Blows at Two o'Clock on Wester Field

To see the undisputed football champs of Districts 3-A and 4-A battle it out tomorrow afternoon on Wester field for bi-district honors, the biggest football crowd in Floydada High school history will converge on Floydada and crowd the capacity of the field.

Well-named Skyrockets and Whirlwinds, both teams put on a dazzling show when they get under way, and they will lay it on, the fans evidently expect. For yesterday afternoon it appeared that all of the

stadium seats and all the seats that could be borrowed from neighboring schools would be sold before the opening hour for the game and nothing but standing room left. Wednesday portable stands borrowed from Texas tech to accommodate several hundred persons were being placed on the field and a similar borrow from Lockney High school had been put in place last night to more than double the seating capacity of the field.

What, When and Where

BLAMES THE NEW DEALERS

That the New Dealers beat the Democratic party in the national elections early this month, is the conclusion of the Canyon News, as reasoned by Clyde W. Warwick, its editor. Warwick, a seasoned political observer and an old-line Democrat, puts it this way:

We see by the new dealers of the South claim that the Republicans won the election because the Democrats left the party and went to the Repubs. Yes, sir, they even say that the revolting Demos of Texas caused the downfall of the party. These fanatics fail to show where GOP won in any district of the South. Furthermore, they overlook the fact that most of the northern states are normally Republican, and that Roosevelt won only because of the dissatisfaction of the Republican voters with Hoover. They further refuse to see that the Repubs won in 1946 simply because the new dealers thought they could continue heaving the people around as they did during the war. Let's be sensible in politics. Any political party is riding to a fall when it seeks to become the prevailing dictator over the voters. Americans will not stand for such foolishness. Furthermore, we just as well admit that when 1948 comes around, unless the Republican Congress makes a mess of things during the coming two years that GOP will sweep the nation and elect the President.

Again there will be no one to blame

Discharges

Discharges recorded in the county clerk's office the past few days include the following:

Henry T. Parsons, technician fifth grade, headquarters battery 61st field artillery battalion, discharged November 18, 1946 from separation center, Fort Sam Houston, Texas.

Charles F. Hartsell, technician fourth grade, headquarters and service company, 8th Engineer Combat battalion, discharged November 15 1946, from separation center Fort Sam Houston, Texas.

Delen L. Sargent, technician fourth grade, WAC detachment 920th Technical Service unit, discharged November, 1946, from separation center Fort Sam Houston, Texas.

Douglas K. Pitts, staff sergeant, company K 466th Infantry, discharged January 1, 1946 from separation center Camp Fannin, Texas.

Odis Elliott and Geneva Knight visited Sunday in the home of Mr. and Mrs. W. M. Knight.

Mrs. J. M. Green of Gilliland, Texas spent the holidays here visiting with relatives and friends.

but the new dealers who have been seeking to ride the American people for their own political benefit.

Boyce House Sayings

Employment for all, high wages, low prices, no shortages, lower taxes and no strikes -- these are what the Republicans promised. Let us hope that these promises won't be like "two cars in every garage" and "a chicken in every pot."

Now is the time of year that I strive desperately to use up my supply of shaving soap as Christmas draws near when there will be another deluge of shaving sets.

1946 will be remembered as the year of hardships -- when people paid \$300.00 for a \$4.80 ticket to the Notre Dame-Army game and Texas sportsmen chartered planes to fly to North Dakota to hunt pheasants.

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago.

(Issue of December 8, 1932)

The thermometer reading dropped to 10 degrees above zero this morning at 8 o'clock at Floydada making a new season's low, following a cold wave that hit the plains area Tuesday afternoon.

With turkeys bringing a record low of six cents per pound for number one birds this morning, dealers anticipate little further receipts for the Christmas market, which will close locally Friday night according to present indications. The six-cent price this morning is a drop of one cent from yesterday's price.

Public schools of Floydada will close for the holidays on the afternoon of Friday, December 23 and the school will re-open on Monday January 2, it was decided at a meeting of the school board Wednesday night. The board meeting was scheduled for Monday night, but illness and absence from the city caused a postponement.

The three gin plants operating in Floydada this season had turned out a total of 8,589 bales of cotton last night.

L. Williams, 85, of Park Springs, Texas, a resident of Texas for sixty years, died here at the home of his son, N. W. Williams, 215 West Houston Street, this morning at 9 o'clock, following a brief attack of pneumonia which he contacted Sunday.

Funeral services are to be conducted this afternoon for Mrs. Pat Horton, who succumbed early Wednesday morning after a lingering illness at her home in Plainview. Mrs. Horton, wife of the Rev. J. Pat Horton pastor of the First Baptist church at Plainview, formerly lived here while Rev. Horton was pastor of the local church for three years.

Friday morning about 5:30 Deputy Sheriff G. Scott King and night watchman Lee Howard, of this city went into the ditch at the Santa Fe railway crossing between Floydada and Lockney when their car lights failed. Their car turned over sideways and ended over landing upright with the front wheels in the bar ditch and their hind wheels across the fence, Mr. King said.

Nearly \$100 worth of checks taken by twilight burglar or burglars Sunday evening about 8:30 from the Armstrong market in the building with the Mallory grocery on West California street, is being recovered this week by Edgar Jones, manager, by the simple process of stopping payment on the checks known to be outstanding and getting new ones from the customers.

The Whirlwinds, football squad of Floydada High school, and the Green peppers, famous pep squad, will banquet tomorrow night at the R. C. A. gymnasium, when the young ladies will take it upon themselves to honor the boys who carried the colors through the 1932 football season.

Mrs. J. M. Honea, 75, long time resident of Floyd and Briscoe county and mother of Sheriff N. R. Honea of Briscoe county, died last Sunday at 12 o'clock at her home in Quitaque following a stroke of apoplexy suffered that morning at 9 o'clock.

Amateurs broke into the station office of the Santa Fe Railway company here Sunday afternoon, probably just lads officers thought. They took no valuables, so far as could be determined and did not attempt to break into the office safe.

L. E. Tittle, new presiding elder of the Plainview District, M. E. Church south, will preach for the "re-organization" of the Floydada church Sunday morning at 11 o'clock. Rev. I. A. Smith, pastor of the church, announced this week.

Mr. and Mrs. Clarence Williams and son of McAdoo visited here Sunday with Mr. and Mrs. Hilton Jones and Mr. and Mrs. Bill Brownlow.

Texas Tech students home over the holidays were Hal Ray Hall, James Rafferty, Billy Jack Eudy, Welton Dunavant, Gene Probasco and Clarence Guffee.

Attending from Floydada were Mr. and Mrs. John Lewis, Mr. and Mrs. Calvin Steen, Mr. and Mrs. Luther Fry, and Mr. and Mrs. Jack Henry and Jackie.

Others present were Mr. and Mrs. Bob Echols of Lubbock and Mr. and Mrs. Kenneth Henry of Vernon.

Georgetown.

A medley of organ music was offered by Miss Eleanor Jackson preceding the ceremony. She also played traditional wedding marches and accompanied Mrs. C. B. Martin, Jr., as she sang "Surrender" and Mrs. Kline A. Nall as she read "A Bride's Prayer" by Alice A. Clark.

The bride, wearing a sheer white wool dress styled with long sleeves and an inset bodice of white lame ending in a drape just below the waistline, was given in marriage by her brother-in-law, Dorris W. Jones of Floydada. Her shoulder length veil fell from a heart shaped halo of white wool edged with tiny buttons. The bride's bouquet was of white sweetpeas centered with yellow and white orchids and her ornaments were a strand of pearls, gift from the bridegroom, and an amethyst ring belonging to Miss Jennings.

Mrs. Jones Matron of Honor

Mrs. Jones who served her sister as matron of honor was dressed in aqua wool fashioned with long sleeves and a scalloped neckline. She wore a strand of pearls and carried a colonial bouquet of yellow roses and chrysanthemums.

Mrs. Riley V. Carlton, bridesmaid, was wearing a yellow wool dress identical to that of the matron of honor. Her bouquet was of yellow roses and chrysanthemums.

Mr. Caddel was his son's best man, Howard Lanford was groomsmen and Talmage DeWitt was usher.

Reception Honors Couple

The Freeman home was scene of a reception following the ceremony. Decorating the bride's table which was laid with a ruffled white organ-dy cloth were a three-tiered wedding cake topped with a miniature bride and bridegroom, an arrangement of white daisy chrysanthemums and pink snapdragons and tapers in crystal holders. On the mantel were the names of the couple and their wedding date in gold letters, surrounded by autumn leaves and tapers.

In the house party were Mrs. Nall who greeted guests, Mrs. C. C. Cox and Miss Catherine Collier who served, Mrs. E. J. Stone of Sudan, aunt of the bride, who was at the bride's book, and Mesdames Oliver A. Burk of Anton, aunt of the bride, A. L. Ferguson, E. F. Bell, Marvin Collier, Carlton, Martin, F. F. Moore of Levelland, cousin of the bride, and Misses Ferguson, Jennings and Jackson.

Leave for Trip

For a wedding trip to San Antonio, Austin and Lake Dallas, the bride wore a maize yellow suit with lizard shoes and bag, a chocolate brown felt off-the-face hat and gloves and a yellow and white orchid corsage.

After Dec. 8, Mr. and Mrs. Caddel will be at home at 1012-B Seventeenth.

The bride, who is teaching in the architectural department at Tech, is a graduate of Lubbock High school where she took part in a number of organizations and activities and is a graduate of Tech where she was a member of Kappa Mu Epsilon and Alpha Chi, honorary fraternities. Mrs. Caddel attended Texas State College for Women, also. The bridegroom has been a student at the University of Missouri and at Texas Technological college where he will resume his studies next semester. He is a member of Alpha Phi Omega fraternity.

A lunch for the wedding party was given in the Freeman home Thursday morning following a rehearsal.

Concern Shown Over Pro-Ration Irrigation Water

PETERSBURG, November 29.—Pursuant to a call made by interested irrigated farmers and others of this area, a meeting was held at the school building Saturday evening to discuss water conservation of the area, and to discuss the proposition of prorating of our irrigation water and whether it should not be prorated at this time, etc.

The attendance was made up of farmers mostly and they were very much concerned about prorating of irrigation water for the South Plains and Petersburg area. Farmers were present from practically every section of the country surrounding Petersburg.

After much discussion it was decided to organize an association for this four-county corner area with headquarters at Petersburg, and to be known as the Petersburg Water Conservation association, to look out after the interest of irrigation farmers, as well as those that will put down wells in the future, in matters pertaining to prorating of underground water and the drilling of wells.

How to Stop Worrying

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do about it, he sets aside a "worrying

hour" after dinner, and gets his worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's a workable formula as you could find... right down to the mellow glass of beer that seems to wink away your worries.

SOME GOOD NEWS ABOUT CANCER

★ Approximately one in four of the 158,000 lives lost each year in the United States from cancer could be saved if the knowledge already in existence could be made available to all—assuming that the knowledge is acted upon promptly. Here are the danger signals:

1. Any lump or thickening, especially of the breast.
2. Irregular bleeding or discharge from any of the body openings.
3. Any sore that does not heal.
4. Persistent indigestion.
5. Sudden changes in form or growth of a mole or wart.
6. Hoarseness persisting two or three weeks.
7. Regional pain.

Only in the early stages can cancer be successfully arrested. At the appearance of suspicious symptoms see your doctor at once. For prompt, expert prescription service, call on

Oldier's Lament Okinawa Post

The following poem was written by Kenneth W. Wright of the Baker company on Okinawa and was submitted to the office of Hesperian by T/4 Tommie Smith, who returned recently from Okinawa.

A HITCH IN HELL
The boys on Okinawa
Waiting for their monthly pay,
Thinking of the dollars and cents
That they'll get when they get home.

For Residence, for
Business Buildings,
for Rent Houses or
Warehouses.

Volcano Blocks
Wayne Bennett

29 E. California St.

Out in the sun-scorched sea;
Okinawa is the spot,
Fighting the terrible typhoons
On the land God forgot.

Out with our liners and weapons
Always on our feet
We do the work of everyone
And come in too tired to sleep.
Out on a hitch of guard,
That's where we really get blue
Always looking for nips
Eight thousand miles from you.

No one cares if you're living;
They don't give a damn for us
The island we're on is forgotten
It's no damn wonder we cuss.
All night the skeeters keep buzz-
ing.
It's more than we can stand,
But folks we're not complaining,
We're defenders of this land.

We left good times behind us
Those years of life are missed
Boys, it's bad to be drafted,
But it's a hell lot worse to enlist.
Among the islands of the Rykus,
Okinawa is the spot,
Theres no telling how long we'll
serve you
On the island God forgot.

When this old life is over
And we will work no more;
We'll do our last parade
On that bright and final shore.
There St. Peter will greet us,
And loudly he will yell,
"Come in" ye boys from Okinawa
You've served your HITCH IN
HELL.

Venue Change to Motley in Harkey Case

SPUR, Nov. 28—After the exam-
ining of 60 prospective jurors in the
second trial of R. S. Harkey, charg-
ed with murder in connection with
the shooting of J. F. Baker last
January, and finding only one who
was acceptable to both prosecution
and defense, the case was moved to
Motley county, court officials an-
nounced.

District Attorney Richard F.
Stovall of Floydada said a date had
not been set for the trial, to be
held at Matador, still in 110th dis-
trict.

Most of the panel examined plead-
ed having formed an opinion in the
case, it was said.

Narcotics Cache Found in Motley

MATADOR, Nov. 30—Sheriff H.
H. Courtney said here that two
brother of Flag Springs community,
10 miles south of Matador, had been
charged in connection with the bur-
glary Thursday of City drug and the
removal of narcotics.

Bond of \$2,000 each set by H. F.
Pipkin, justice of peace, in binding
the couple over to await action of a
110th district grand jury had not
been posted, and the men were re-
manded to Motley county jail.

The charges were prepared by
County Attorney C. W. Norrid, sworn
to by Sheriff Courtney.

A quantity of narcotics was dug
up on a farm near Matador, officials
said.

Whirlwinds Turn Black Bulldogs in Maxing Game

And a 42-yard throw, Carmack to Womack on the 16-yard stripe, which Womack ran over the goal line.

That tells the story of the fray at Jones Memorial stadium in Spur, except for two conversions by Bruce Womack. One of these extra points was a boot between the goal posts, the other a surprise ball-toting assignment.

Final score, Floydada 26, Spur 0. Leonard Grigsby was the hard luck player for the "Winds. Two touchdown plays in which he juggled the ball, were called back on penalties. In one of these an offense was charged against his team, in the other an illegal backfield formation.

Line Work Is Superb

The Whirlwind line turned in its most brilliant performance of the season. The Bulldogs got inside the Floydada 40-yard line one time and never seriously threatened to score.

It was an ideal, sunny Thanksgiving day and a huge crowd saw the game, including hundreds from Floydada and Floyd county.

With Travis Jones out, nursing a bad shoulder, Bill Womack was tak-

en out of the line a part of the time to handle the fullback job, and George Reid may also get quite a bit of time in this backfield position. May had been used as a line-man principally during the season. He showed up good when he carried the ball.

Other season-ending scores in District 4-A:

Petersburg 20, at Lockney 13
Matador 0, at Paducah 6;
Crosbyton 7, at Ralls 18.

Painful Injuries Done Baby Boy by Washing Machine

Van Stovall, little son of Mr. and Mrs. R. F. Stovall, received extensive injuries to one arm on Thanksgiving day when his hand was caught in the wringer of a washing machine at the family home on West Missouri street.

The baby was hurt when he turned on the power to watch the machine operate. No bones were broken nor muscles pulled loose but extensive flesh injuries were done. Mr. Stovall said the baby is doing nicely considering he was so painfully injured.

DAUGHTER BORN TO MR. AND MRS. S. J. McINTOSH

An addition to the S. J. McIntosh family of Sweetwater is a new daughter, Mary Ann by name, who arrived on Thanksgiving day, weighing six pounds and 11 ounces.

Grandparents of the new arrival are Mr. and Mrs. A. H. Kreis and Mr. and Mrs. B. F. McIntosh of Floydada.

Mr. and Mrs. Kreis visited in Sweetwater with their new granddaughter from Thursday until Saturday. Mr. and Mrs. McIntosh and family made the trip down Sunday. Mrs. McIntosh remained for a longer visit.

Water Will Last 100 Years, Says Capt. Holbrook

PLAINVIEW—Captain Winfield Holbrook Friday expressed the "hoss" opinion that if 800,000 acre feet of water were pumped from the 25,000 square miles of the high plains per year the water would last 100 years. He calculated the average depth of the water-bearing sands and gravel, applied the figure of 30% for water-holding capacity, cut that in half to get a yield estimate and wound up with 15 times the amount of water pumped by Boulder dam. He figures 240,000,000 acre feet of water could be recovered and would supply 300 year's usage, assuming that the recharge would balance the flow at the cap rock.

"We need to be economical in the use of this water," he said. In his opinion there is no practical way of regulating ground water. Holbrook told how the flat Plains are formed by silt, sand and gravel washed in on an old ocean bed, which was of irregular height. Wind-blown particles of dust, sand and silt drifted to level out the surface. This lime cements underground formations making it necessary in many instances to case pits.

Water on the Plains, he said, comes solely from rainfall. It moves down the sand hills and the other parts of entry to the soil, ever so slowly. The Plains slope to the southeast at the average rate of about ten feet to the mile. In the Garden City, Kansas, area water is measured flow underground at a rate of four feet per day. Here, Holbrook believes, the flow is much less. Friction in sand and silt holds

Salvage Thousands of Brick for Use in New Building

LOCKNEY, Nov. 29—Work has started on cleaning the usable brick at the old Lockney grade school building which was destroyed by fire last April. Students from the high school have been working at the job while a few men have also been employed. Sid Thomas has been supervising the work of the high school students.

Around 36,000 of the old brick have been cleaned thus far, superintendent H. P. Clemens reports and workmen estimate there will be between 100,000 and 150,000 good usable brick which can be salvaged. The school is paying one cent per brick for cleaning, he said. Since new brick costs around \$43 per thousand, this will represent quite a saving to the school in the construction of the new building.

Butler & Brashear, architects of Lubbock, are working on plans for the new grade school building, the superintendent said. They hope to have them completed soon.

"There isn't a chance in the world for any of this water underground on the Plains to come from the mountains," he said. He gave the recorded rainfall at Ft. Sumner, New Mexico, at 15.07 inches average annually, Santa Rosa 13.84 and Las Vegas 17.67. Then he explained that there is a steep watershed over most of that area and a quick runoff. The mountains have an annual precipitation of about 20 inches. Rainfall is measurable where it falls and the water in the river courses is measurable. "How can we expect to get lots of water from a dry country?" he asked. "If our water came from there it would have to get here through great depths of earth and would be impregnated with salts," he added.

Midwest Fashion Design Winner

Miss Eleanor Bradley, 19, of Webster Groves, Mo., above, was awarded \$1,000 and a two-year scholarship to the St. Louis School of Fine Arts, Washington University, St. Louis, Mo., after she was adjudged one of the three first prize winners in the Junior Bazaar 1946 Design Contest. The contest was open to college, high school and art students between the ages of 17 and 21. Miss Bradley was the winner of the midwestern section of the national contest. The scholarship was sponsored by the St. Louis Fashion Creators.

Miss Bradley's winning design, shown at right, is a three-piece informal dress with a wool jersey, black and white striped shirt, wool jersey jacket with side pleats and low square neckline, and a long-sleeved neckline blouse with long white sleeves. Suitable for informal parties and campus wear.

Stores in St. Louis, Detroit, Mich., Louisville, Ky., Kansas City, Mo., Chattanooga, Tenn., and Indianapolis, Ind., will display the design.

Surplus Lumber at McLean Camp Will go on Sale

McLEAN, Texas—The former prisoner of war camp here will be the scene of tremendous activity in alleviating the current shortage of housing for World War II veterans starting December 16 when War Assets Administration opens a sale of \$300,000 worth of lumber, plus untold quantities of plumbing, heating, electrical wiring and 20,000 feet of critically short supply pipe.

John M. McGee, field director of WAA in charge of the McLean sale announced that only holders of HH priority certificates, issued by the NHA or the OPA would be eligible to purchase for the first five days of the sale, December 16 through 20.

McGee stated that purchases would be limited to veterans seeking to obtain materials to erect or to complete one five room individual dwelling, or to contractors seeking to obtain such materials to build a 5-room home for sale to a veteran.

HH priority certificates may be applied for by veterans at the nearest Federal Housing agency office to their homes, and farmers seeking certification for erection of farm buildings should make application to the Agricultural Extension service.

Immediate application should be made by those interested in securing the required HH priority certificate to insure having it by the opening date of the sale, December 16.

More than 300 buildings at McLean POW camp have now been taken down and the materials stockpiled in preparation of the opening of this huge WAA sale.

Government Agency Says Hold Cotton

CROSBYTON, Nov. 29—For the first time the government is advising cotton growers to place their cotton in the government loan, according to Keltz Garrison, administrative officer of Crosby County ACA. In a report received last week by Mr. Garrison is found this statement:

"Actually U. S. cotton is in a statistically favorable position. On August 1 of this year, the national carry-over was 7 1/2 million bales, compared with 11 million in 1945, and record 13 million bales in 1939. Large stocks of cotton previously held by the Commodity Credit Corporation have been sold."

Abandon Spring Football Camps Recommended

It will be up to the inter-district conferences in the University interscholastic league football association to vote on whether to continue spring football training camps, athletic director at J. Kidd, announced.

The districts in regions 1 and 2 will vote by conference in April on whether to eliminate spring training, and substitute fall practice on August 15.

There will be no change in the spring training football camps this school year, Mr. Kidd said the rule will be in effect for the 1947-48 season for schools accepting the new

The recommendation to eliminate the spring training was made by the League Advisory Council at a meeting early in November, and it was approved by the State Executive committee at a later session, Dean T. H. Shelby said.

Propose Line Changes
A tentative plan has also been recommended for changing the district lines in Regions I and II. Under the new plan, schools in distinct agricultural areas would be placed in the same district. Petersburg would be the only school removed from District 4-A, with the remaining teams being the same as at the present.

The districts in regions 1 and 2 would be as follows:
District 4-A: Crosbyton, Floydada, Lockney, Matador, Paducah, Ralls and Spur.

District 5-A: Levelland, Littlefield, Morton, Muleshoe, Oiton and Sudan.

District 6-A: O'Donnell, Post, Stanton, Tahoka, Abernathy and Petersburg.

District 7-A: Andrews, Denver City, Sengraevs, Seminole, Sundown, Kermit, McCamey, Monahans, Pecos and Wink.

1,000,000th ARMY VOLUNTEER—Cpl. Irving T. Bennett, Jr., of 112 St. John's Road, Baltimore, Md., waves goodbye as he boards an Army Transport plane to return for overseas duty in Europe. He was greeted by Secretary of War Robert P. Patterson as a representative of the first million men to join the Regular Army since the passage last October of the Voluntary Recruitment Act of 1945.

Corporal Bennett returned to the service after four months in civil life. He had been discharged from the Army on June 10, 1946, after more than two years during which he participated in two campaigns as a member of the 90th Division. He was awarded the Purple Heart and the Combat Infantryman's Badge. He re-enlisted for three years for duty overseas and is now in Europe.

Negro Cafe Man Afoul of the Law

CROSBYTON, Nov. 29—Three Texas Rangers, two members of the Texas Liquor Control board, and a highway patrolman slipped quietly up to the establishment of Willie Scott, negro cafe operator in Lorenzo, Saturday night and in a short time had rounded up 19 negroes.

Seventeen of the group were marched down to the office of Justice of the Peace J. R. Huckabay in Lorenzo where they pleaded guilty to gambling charges. They paid fines and costs amounting to \$18 a piece.

Willie Scott, owner of the cafe, was charged with liquor law violation following the confiscation of 12 pints of liquor and 18 bottles of beer by the raiding officers. Scott decided to fight the case and posted \$1000 bond in county court Monday. When his case comes to trial the week of December 15 he will face at least three charges: liquor law violation, selling liquor which had no state tax stamp attached and a contempt charge for failure to pay a fine of \$400 and costs assessed against him on November 18.

Church of Christ Announcements

For December 8.

Sunday 10 A. M. A systematic Bible Study designed to meet the needs of all ages;

11 A. M. Worship in fellowship, breaking bread, prayer, teaching, and spiritual singing.

Subject Sunday Morning: The Beautiful Temple, Sunday evening service to be arranged later;

KVOP Wednesday, December 11, subject: Gifts of healing.

J. Edgar Hoover said: "Church attendance is a vital factor in the nation's crime prevention program. While serving as director of the Federal Bureau of Investigation during the past 20 years, I have been profoundly impressed with the fact that church-going people are the most substantial group of citizens in the nation. Church attendance and crime appear to be like the ingredients of oil and water, they do not mix."

Fellow citizens are you doing your part in the nation's crime prevention program?

We challenge you who are not attending church to line up and help prove to the world that the christian religion is practical, pleasant, and profitable way of living.

It is reported that the entire north wing of the main building of Tipton's Orphan's Home, at Tipton, Oklahoma, was recently destroyed by fire. The damage is estimated at \$100,000. Many children are seeking refuge in private homes. Many of them lost all their clothing except what they were wearing. **THE NEED IS URGENT NOW.** We are taking a special offering at the City Park Church of Christ on Sunday morning at the eleven o'clock service. Acute Shortage of Grain Cars at Ralls is Reported

RALLS, Nov. 29—Two hundred grain cars are needed in Ralls this week-end to move grain to markets. "There are between 40 and 50 cars-loads of grain dumped on the ground, the elevators are full, and the greatest amount lies on the turnrows in the farmers' fields," said C. O. Thomas, Santa Fe railroad agent.

From three to five cars per day have been allotted Ralls this week, where forty or fifty are needed to get grain to market before heavy losses are sustained from weather damage.

With a larger crop than was produced last year in maize and sorghum crops, and with the demand for grain greater than ever, there has been no answer to the repeated request of farmers and grain dealers for relief.

MOTHER OF TWO LOCKNEY WOMEN DIED LAST WEEK

LOCKNEY, Nov. 29—Mrs. John A. Thompson, mother of Mrs. O. V. Pylant and Mrs. Lena Fae Sweatt of Lockney, died at her home in Colorado City, Monday morning at 11 o'clock. She had been in a serious condition for several weeks. Funeral services were held at Colorado City Tuesday afternoon at 4 o'clock. Both the Pylant and Sweatt families and a number of friends from Lockney attended the funeral.

VICTIM OF CAR ACCIDENT AT LOCKNEY IMPROVING

LOCKNEY, Nov. 29—C. F. Barber, who suffered a broken leg and a fractured shoulder when struck by a car last Wednesday morning, is showing improvement in the Plainview hospital, it was reported Wednesday.

homes or business establishments may well be winners, it is anticipated.

Suggestions for Homes

The committee suggests the use of cardboard cutouts in windows. Materials from packing boxes and canned goods cartons might be utilized to an advantage to depict the Christmas theme.

Themes for a yard, porch or roof exhibit might be found in the hundreds of Christmas stories, both modern and ancient, which express the spirit of the season, the committee points out.

"Let the children suggest a theme, if inspiration is lacking", said Mr. Potts. "After all, Christmas is really theirs."
Deadline for entries is December 17. Judging will be done December 19 and 20 by out of town people, yet to be contacted.
Displays must remain in place un-

til December 29.
If a member of the band or the pep squad has not contacted you you can clip and mail the coupon on front page to Mr. Potts.

with dispatch and avoid confusion. One of the measures to be taken is to bar all automobiles from the field. Two, possibly three, cars will be on the grounds. These will accommodate ardent fans who are incapacitated by injuries. All other cars will be barred. Ticket sales will be conducted at ticket offices set up in the corridors of the school, but the school authorities are urging those who want to do so to buy tickets down-town to avoid waiting in line.

Business Will Adjourn

It was indicated Tuesday afternoon that practically all business in the retail district of the community will be adjourned for the two hours of the game, beginning at 2 o'clock, so that store employees can see the game.

Urges Courtesy to Visitors

That the school and the community will have an unusual opportunity to make friends during the big game was pointed out by authorities, who said that many hundred visitors here for Friday afternoon could be impressed by cordial good treatment. The visiting team, their coaches, and several hundred Wellington fans who will be here are fine people and should be given fine treatment. The same goes for literally hundreds of other visitors due here from all over Floyd

and from communities throughout the area.

Starting Lines Tomorrow

Starting squads for the two teams will see all regulars ready to go, with Travis Jones back in the full-back slot on offense for the Winds after missing the Spur tussle while nursing a shoulder injury in the Crosbyton fray. T. Hatch, Wellington fullback, ailing last week, is indicated to start.

district and second teams Monday night. Present for the meeting were Coaches Brady Thomas, Matador, Stormy Davis, Paducah, Bearns of Crosbyton, Paris Nowell of Ralls, L. F. Gresham and A. E. Baker of Floydada, Superintendent C. S. Cook of Spur and Sid Thomas, assistant

coach and principal of Lockney.

The Second Team

The coaches' mythical second team has no Floydada squadmen on it. Paducah Dragons have four men in this squad, Matador, Crosbyton, Spur two each and Ralls one. The are:
Ends, Billy Blackwood, Crosbyton, Junior Everts, Paducah; tackles, Bob Steele, Spur, Billy Holley, Paducah; guards, Billy Goodgame, Paducah, James Price, Matador; center, Dean Wright, Spur, (second year to rate the second squad); backs, Odell Heathington, Ralls, Virgil Lawson, Crosbyton, Lynden Tatum, Paducah and Bonner Nelson, Matador.

Regarded as Good Year

Petersburg was the only one not represented at the coaches' meeting. Those present were generally agreed that the season had been good one, with capable stars and few squabbles and a minimum of ill-feeling. Playing the first war season, gear and shoes were difficult to obtain and much income of the athletic fund had to be spent for replacement equipment before another opens.
