High Wind, Dust Ship Plains Area

Wind and dust on the Texas high plains yesterday played havoc with traffic, caused several wrecks, damaged roofs, tore light buildings from their moorings, and scattered feed bundles from thousands of acres.

Many fences were damaged by the weight of wind, weeds and feed. Last night sheriff's departments, traffic officials and newspapers were busy trying to unscramble the reports of wreck and damage which came in from all directions. So far as known there were no fatalities among Floyd county people, now major property loss.

Announce Clinic For Orthopaedic Cases Feb. 8

On Saturday, February 8, a clinic for crippled children will be held at the Plainview Sanitarium and clinic. It has been announced by Edmund R. Mattos.

Dr. Slim Driver and Dr. Eugene P. Legg of Dallas will be at the clinic for consultation. Dr. Driver was formerly of the Carrol-Driver clinic in Dallas, and is reputed to be one of the most prominent orthopaedic surgeons in the State. He is a professor at Southwestern Medical foundation, and is Chief of the Orthopaedic division of Baylor hospital. Dr. Legg, also a staff member at Southwestern Medical foundation, is associated with Dr. Driver there. Both of these men have been designated to carry on follow-up work as it relates to orthopaedic care of Polio patients at the West Texas center at Plainview.

The clinic is not intended solely for Polio patients, but is intended for anyone who may have problems of an orthopaedic nature. It is suggested that those wishing to take advantage of the opportunity should write to Edmund R. Mattos, superintendent at the Plainview sanitarium, in order that an appointment may be made.

"We hope that it will be possible for everyone to be cared for on February 8th, but should appointments be of such volume to make it impossible for all to be seen, Sunday February 9 may also be designated for this work," said Mr. Mattos this week.

COASTERS FROM BARE GRASS
LUBBOCK, Jan.—The yucca plant commonly called "bare grass" and termed a pest by farmers on the plains is being used for decorative purposes by Clydelle Cummings, sophomore home economics major at Texas Technological College.

Miss Cummings is weaving the narrow spikes into attractive place mats and coasters in an applied arts class experiment. Ends of whole spikes are held between two clamped boards during the weaving process. When the mats are completed they are coated with clear, water proof varnish to hold the spikes in place permanently. Yucca does not need to be dried before it is woven, although this may be done if the natural tan color is desired.

Mr. and Mrs. M. L. Solomon, their son Jerry Lee, and Miss Lillie Solomon made a trip to Fort Worth and Dallas this week. Mr. Solomon was in the jewelry market for Solomon's Jewelry while in Dallas.

Get New B. F. Goodrich Silvertowns That OUTWEAR PREWAR TIRES

In that picture above is the road-eye view of the "sole" of an auto's shoe.
You'll quickly note something special about this tread-sole... how broad, flat and husky it is. It was engineered that way. It's the tread of the postwar B.F. Goodrich Silvertown.
That broadness and huskiness give the tread more contact with the road... less wear at any point... one of the reasons it gives better than prewar mileage.

The other reason is built into the tire... a 35% stronger cord body, engineered especially to carry this husky tread and give better resistance to road shock and blowouts.
Of course, a tire that goes farther and safer is a better tire... a better buy... more tire for the money... the best tire for you, today.
And remember, it's wise economy to put a new B.F. Goodrich tube... the tougher tube that increases tire mileage and holds air many times longer... in your new tire.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

"Delma and Bonnie Parrish passed
through Emma with two wagons
and two sharp axes, bound for the
breaks this week. They also had
a gun and the ducks and quail will
suffer."

No this was not copied from the
Ralls Banner of last week's issue.
I find this in a copy of the Crosby
County News dated December 12,
1907. Mr. Lindley of Ralls gave
me this very interesting paper which
he found in a box with several old
dusty books and papers. Charlie
Watkins was the editor. It is about
twelve inches by eighteen, four
pages of news, ads and writup
about "Protecting young Trees" by
the editor.

Most of the advertisements are
from Plainview firms; old timers
will recall that in those days Plain-
view was "closer" than Lubbock to
Emma. Now it is just the opposite.
L. F. Martin was overstocked on
wagons and implements. "I am
making prices on my stock of bug-
gies" he says. McAdams Lumber
Co., "Carry the largest, best, and
most complete line of building ma-
terials" . . . J. C. Woodroge also
had lumber and posts as did Fulton

ARMY SNOW WAGON IN THE ARCTIC—Officers of Task Force
Frigid discuss methods of handling the M-29-C "Weasel" as a means
of transportation in the snow covered country which surrounds their
base at Ladd Field, Alaska. Seated in the car is Lieut. Frank Morgan,
Siddell, Ill. Next to him are: Lieut. N. D. Carcia, Chicago; Capt.
Woodrow C. Bradshaw, Cecelia, Ky., and Capt. John F. Coyne, Chicago.

Lumber Co., also of Plainview.

Crowdus Brother and Hume Com-
pany and Tandy Coleman Co., coal
and grain, hay, hides, wool and
furs. Grain and a Feed Yard near
the Depot, also beg folks to come
to Plainview.

Here are some ads from Emma
firms:

country can afford, and that means
the best anywhere to be found.

Livery Stable in connection.
A. D. Meyer, Prop., Emma, Texas

And J. F. Littlefield sold "Fur-
niture and Undertaking Goods, Cof-
fins in sizes from three feet up,"
the ad says.

Now for the latest news:

"Henry Leatherwood found a
pocket book on the public road the
other day containing \$40.00, etc.,
and left it where the owner, a Dic-
kens County man could get it. And
yet some insist that the world is
growing worse!"

"The merchants of Emma are so
busy opening and displaying their
brand new holiday goods they hard-
ly have time to sell common stuff."
"Marsh Wheeler passed through
Emma this week with a four horse
outfit loaded with cotton seed he had
purchased at Cone to feed his cattle
this winter."

"Are all the national bands for
Bailey? We don't believe it, for if
true, it would indicate something
dangerous." And how we older ones
recall the days of Joe Bailey!

"Jack Payne and his crew of well
borers have been hindered by sand
in the R. R. Travis well south of
Emma. They have plenty of water
and the hole is deep enough, but
the sand is hard to case off. But
Jack will do it right before he
quits the job."

"Buy your sweetheart a nice pres-
ent for Christmas of R. M. Snell's
stock."

"C. T. Cleveland of Burns, Ore-
gon, came in on the Mail Hack last
night and will remain here for some
time."

Entertainment
The Floydada Dramatic Club will
be in Emma Friday night, Dec. 20
to render the play, "The Fruits of
the Wine-cup". Everyone should
be on hand for the occasion, for it
is worth your time and money.

"Weather signs have been so de-
ceptive this week that neither the
old or the new corner could correctly
prognosticate."

"J. Wilson Boyle, Attorney-at-
Law."

"Charlie McDermott came in Sun-
day with some goods for his uncle
R. M. Snell."

"Notice of prosecution if found
cutting wood on the Z-L Ranch is
found.

J. L. West was pastor of the

Methodist Church, J. H. Richards of
the Baptist and The Church of
Christ had church meeting every
Sunday.

Wright Gunn makes a report on
the condition of the First National
Bank of Emma and there was "\$2-
950.33 on deposit". This was the
only bank in the county at that
time.

On the front page is part of a
letter from H. D. Roser which reads
in part:

"Dallas, Texas, Nov. 30th, 07

Never had a letter from A Poul-
son? Well, you are the unfortunate
one. I hereby acknowledge the re-
ceipt of one from him. And such a
letter! Full of meat. Tough short
it was an index to the man who
wrote it. Few men could write such
a letter. At the risk of offending
him I am writing these lines. but
I am one of those who believe that
flowers strown along one's pathway
are of more service than those
placed upon his grave. To know
Brother Poulson's right is but to
love him, then why wait till he is
dead to say so? I consider him "one
of God's noblemen"—"diamond in
the rough."

Oh if we had more like him we
would have little need of Sheriffs
and Courts. No use for juror or
jails. Every one would speak the
truth and there would never be
another perjured witness on the
stand. You could tear down that
jail and nail up every door to the
courthouse, except one (the one
that Bro. Woody gets out at when
a covered wagon hoves in sight) etc.
etc.

Now I hope all have enjoyed the
paper like I have.

Band Makes Ready For Big Program

Preparations are under way in the band this week for a big program featuring Chick Lambert's orchestra. In the program the feature will be the "Chickettes," the quiz shows, and the hot music of the orchestra.

The band started practicing some new marches this past week. And something else new in the band! Yes, a big constitution. All those band students had better be good or they will not be getting those handsome jackets, according to the demerit system. Mr. Haden hopes that all of the students will try to abide by these rules and thus make the band an interesting and worthwhile organization.

Students, be thinking about joining the band because many plans have been made for an interesting and important concert next year, not to mention those new uniforms.

Jimmie Lou Stewart: smart and industrious.
Billy Green: studying hard -- different.
Hope McIntosh: popular, very smart in books.

Ag Students Make Field Trip to See Boys Beef Cattle

The F. P. A. boys have been busy studying poultry and how to improve the farm flock the past week.

For this week's report we have chosen Don Booth. Don's three Ag projects are a 500 pound Hereford calf, a Chester white barrow, and a Jersey heifer which he is keeping for a cow. Don is a sophomore this year taking his second year of Agriculture.

The 3rd year boys also found time to make a field trip to visit the boy's beef cattle. They went to Bobby James Cline's first. He has a Hereford calf which he is feeding home-grown feeds with a commercial supplement. Then they went to Don Booth's to look at his calf. He is feeding home-grown feeds with a supplement. Then out to Louis Lloyd's. Louis has five calves. He has them on wheat pasture and feeding home grown feed with a supplement.

The boys then went to Gordon Hambright's; he has three calves. He is dry-lot feeding them with a self-feeder. From Gordon's they went to George Reid May's. George has two calves, which he is feeding commercial feed altogether and also has them on nurse cows.

J. B. Colston's was the next house on the list. J. B. has two calves which he is feeding home grown feeds.

Travis Jones' calves were next. Travis has two which he is feeding home grown feeds with a supplement. The last stop was at Tom Bob Jarboes. He is feeding out one calf on home grown feeds with a supplement. There are several other boys who have beef calves which they did not have time to visit.

The sixth and seventh period boys went out to Claude Gene Hammit's and vaccinated four of his nine calves for ox warbles.

The Aggies had a meeting Wednesday night. Just the usual business routine was followed.

Profile of the Week

For the profile of the week, we have the capable President of the Senior class, Charles Beedy. Charles has been quite outstanding in Ag, also, and has been president of his Ag. class for two years. He is 5 feet 10 inches, has brown hair, brown eyes, and a wonderful personality to go with everything.

His favorite of all the movie stars is June Allyson, and the best show he ever saw was "Leave Her to Heaven". "The Old Lanyighter" rates first place with Charles as far as songs are concerned, and he just adores banana puddin'. His favorite pastimes are eatin' and sleepin', and in his spare time he is generally found loafin' around town.

Charles just adores for girls to ride around with him, and his favorite time of day is night. His worse habit is flirtin' with all the girls and his main fault is talkin' when he ought to be listenin'. Charles' favorite sport is baseball and he was embarrassed most when he was attempting to borrow some paper on a test and the teacher thought he was copying. He likes people that are friendly, not conceited, and keep things they should to themselves; his main aversions are catty girls and people that talk all the time.

When Charles was little, he always wanted to be a big shot but now he has decided that being a rancher will do, so he plans to go to Tech to study Ag.

Charles' weakness is glamour girls and the biggest thrill he ever got was the first time he asked his girl for a date and she accepted. His ideal girl is 5'4, blonde or brunette, real sweet, always tries to cheer one up, she is at home anywhere she goes, and is always very friendly.

His ideal day is to get up about 9:00, have a good breakfast, go swimming, play a game of baseball, have lunch, go riding in the country in a big cadillac; then sleep about two hours, make a date, and go to town and have a good time with his girls.

Here's wishing all the luck in the world to the guy who always has a friendly smile, for everyone -- you're tops, Charles!

DE QUACKER

I'm getting tired of writing poems About you loves each week This time I'll let you kids say Come on, you public - speak -- The best eight lines written -- Will be published each week -- And keep coming with that gossip-Tell me the news I seek!

Jane Johnson can hardly wait till 3rd period every day. She just has to talk to Boyd Glaskok. What is so interesting, Jane? I hear that Don Shurbet has been discussed quite a bit . . .

Genele Norman has been noticed with Aubry Guthrie a lot at parties lately. Boy! These eighth graders must have a technique! I But what about Saturday night when I saw you with Louis Lloyd?

Mary Ruth Parrish really must have had a good time Saturday Who were the boys, Mary? Don't hold out on us, now. . . .
Floyce Jarrett is having an awful time keeping her boy friend, Geneva Richardson won't leave him alone. Come on, Geneva, don't hurt Floyce like that.

Is Ruby Jewel getting interested in Jack Hough? I thought that he was Margaret Abbott's boyfriend. But Ruby and he have been seen talking an awful lot lately. Better watch that, Margaret.

Is the romance between Maxine Thornton and Gene Hollums over at last? It seems to be. To say the least, Maxine appears to have found another interest, and Gene has certainly been seen with Joyce Jarrett a lot lately. . . .

Billy Jeter times it just right to get to walk to school with Betty Louise Johnson every morning. New romance.

Beth and Leonard have been noticed together a lot lately. Is Thomas Wayne out for good or is this just a passing phase?

Have Joy Bunch and Austin broken up for good or is this just a little lover's quarrel? Whichever it may be, they aren't on very friendly terms right now.

TAXI
Call 36

Bob Reeves surely has been looking Margaret Huckabee's way a lot lately. What ever happened to his apparent liking for Rose?

Billy Mac Shiply and Peggy Collier enjoyed the assembly very much last Tues. Whether it was the program or each other's company they liked so much, though, I can't decide. Valrie Burke and June Finley had a grand time Thursday night. Valrie with Dink Bishop and June was with Bill as usual?

Since the bust-up between Charles and Reva neither of them are wasting any time. Charles is enjoying the company of Jean Cummings and Reva is seeing so much of Dick Guest. No broken hearts, eh ???

Glenn, Leonard, Mayfield, Fred and Melvin were with Lockney girls Saturday night. Tut Tut, boys after all you said about our girls dating Lockney boys ! ! !

George Reid thinks Crosbyton is the best town in the state. Especially Elise Cash! No? ? ?

Bobby, have you written your girl at Tulsa yet? Let me see I think her name was Elaine Turney.

That's all for this week, kids. Please help me out. My gossip can have been oh so empty lately. Remember Mr. Harris's office. . . .

Katherine Wilkinson, Ray Brashears Take Vows in Wedding

VERNON, Jan. 23—Miss Katherine Wilkinson and Seaman First Class Ray Brashears were united in marriage in impressive rites performed at the bride's home, 2000 Stephens street, Vernon, Wednesday evening. Dr. E. A. Reed, pastor of the First Methodist church officiated for the double ring ceremony.

Miss Wilkinson is the daughter of Mr. and Mrs. H. L. Wilkinson of Vernon, and Seaman First Class Brashears is the son of Mrs. C. L. Jordan also of this city.

Vows were exchanged in a nuptial space with a background of massed greenery, white snapdragons and candles as Mrs. W. P. Thomas played "Indian Love Call" as the prelude. Mrs. O. L. Ralnes sang "I Love You Truly" accompanied by Mrs. Thomas and the bridal party entered to the strains of the "Bridal Chorus." Mrs. Thomas softly played "Clare de Lune" during the ceremony.

The bride was attired in a winter white, wool jersey, street length dress fashioned with a sweetheart neckline and studded with gold beads. Her accessories were black and she wore a purple orchid corsage. For the traditional "something old," she carried an orchid handkerchief carried by her mother at her wedding, "something new" a pair of gold earrings, a gift of the groom, and "something borrowed," a gold bracelet belonging to Miss Claudine Scott.

Maid of honor for the bride was Miss Claudine Scott. She wore a blue wool dress with black accessories and a corsage of pink rosebuds. Noel Nimitz, brother-in-law of the groom, served as best man.

The bride's mother wore a grey wool dress studded with silver nail-heads with a corsage of gardenias. After the ceremony a small reception was held for a few intimate friends and relatives.

Following the reception the couple departed for a short wedding trip. For travel the bride chose a beige wool gabardine suit with red accessories. To complete her ensemble she wore a corsage of gardenias.

Mrs. Brashears is a graduate of Vernon High School and is at present employed by the Southwestern Bell Telephone Co. The groom also attended Vernon High School until

Mrs. Ted Pitts Complimented With Lovely Bridal Shower

SOUTH PLAINS, Jan. 27—Mrs. E. P. Smitherman's home was recently the scene of a lovely bridal shower honoring Mrs. Ted Pitts of Lubbock. Mrs. Pitts is the former LaVerne Young.

Hostesses for the occasion were Mesdames Sim Reeves, Bryan Karr, R. C. Guest, E. A. McLeod, E. P. Smitherman, H. L. Marble, J. B. Smitherman and Arby Mulder.

The guests were greeted at the door by Mrs. Smitherman and Mrs. H. L. Marble, who received the gifts; and were ushered to the bride's book where Mrs. Arby Mulder presided.

Refreshments of spiced tea and crunchy cookies were served to the guests by Mrs. John Smitherman and Mrs. R. C. Guest. Assisting in the dining room were Mrs. Sim Reeves, Mrs. E. A. McLeod and Mrs. Bryan Karr.

Guests present and sending gifts were Mesdames, Ralph Childress, Willford, Greigby Milton sr., George Weast, Doc Jones, Harry Hartman, Raymond Upton, H. S. Calahan and E. C. Cummings.

Frank Brown, W. E. Sims, Revis Harris, Arthur Brown, Richard Hill Jess Brannon, Greigby Milton, Jr., Bill Beedy, Seymour Brannon, L. C. Earl Edwards, Jr., who is a freshman student at A. & M. college, was at home last week-end for a mid-term visit with his parents near Lakeview.

Mrs. James Burke and son of Santa Fe, New Mexico, left Monday for their home after spending last week here visiting her parents, Mr. and Mrs. J. L. Helm.

Over half the farm land in the nation is in farms of over 500 acres a year ago when he enlisted in the Navy. At present he is stationed at Seattle, Wash.

The bride, a former resident of Floydada also attended school at Floydada until 1943.

General Federation Meeting 1934 Study Club with Mrs. Barber

The 1934 Study Club met recently in the home of Corine Barber, 420 West Tennessee street for a program on the General Federation with Jewel Martin as leader. Mrs. Barber, who attended the national Federation meeting in Chicago last summer gave a report of the convention.

During the business meeting, presided over by Mary Shaw, a contribution was made to the music fund and the art fund. The golden Jubilee endowment fund was discussed but no definite action taken. A letter concerning the district meeting at Childress on March 19 and 20 was read and discussed.

The resignation of Hester West was accepted with regrets. Miss West left recently for Chicago to study.

The nominating committee report was accepted and the following officers were elected to serve the next two years: president, Bernice Stapleton; first vice-president, Thelma Hoffman; second vice-president, Ruby Evans; recording secretary, Corine Barber; corresponding secretary, Florine Crowell; reporter, Flora McNeil; treasurer, Jimmie Wiman; parliamentary, Helen Patterson; custodian, Jewel Martin.

Members attending this meeting were Ruby Cleveland, Ruby Evans, Margaret Ginn, Mildred Harris, Thelma Hoffman, Bernice Hartzog, Berdelle Nelson, Geneva Marr, Jewel Martin, Jettie Moss, Avis Muench, Elizabeth Armstrong, Mary Shaw, Bernice Stapleton, Jimmie Wiman, Polly Cardinal, Emma Louise Johnston, and the hostess Mrs. Barber.

The next meeting will be February 4 at 6:45 p. m. at the Legion hall with Ruby Cleveland, Berdelle Nelson and Elizabeth Armstrong as hostesses. Guests at this meeting will be members of the 1922 and 1929 study clubs.

Lovely Bridal Shower At Looper Home Held Tuesday Afternoon

The home of Mrs. C. P. Looper 320 South Fourth street, was the scene of a lovely bridal shower Tuesday afternoon given in honor of Mrs. Leiana Woodward, the former Almeda Sargent.

Hostesses for the occasion were Mesdames Malcolm McNeill, Malvin Jarboe, D. W. Burke, Leslie Pawver, Roy Pawver, Clarence Jones, M. L. O'Bannon, Wayne Bennett, Jim Colville, Duncan Hollums, J. W. Day, Jr., M. L. Solomon, James E. Bunch, Dick Finner, C. P. Looper and Misses Billy Jones, Mildred Woods, Lois Huckabee, Betty Durham, Patsy Parkey, Joyce Holmes and Dorothy Greer.

Guests were greeted at the door by Mrs. Dick Fenner and registered in a beautiful hand-painted bride's book where Mrs. J. W. Day Jr., presided.

Refreshments of hot spiced tea and cookies were served by Mrs. Duncan Hollums, Billy Jones and Mildred Woods from a table covered with a Chinese embroidered dinner cloth. A large round reflector with a miniature bride in the center, encircled with fern and pink stock adorned the center of the table. Tall white tapers in crystal candelabra were placed on either side of the reflector. A lovely arrangement of blue iris and pink carnations decorated the mantel piece.

Approximately fifty guests registered.

Mr. and Mrs. Noel Troutman, who spent several days at Colorado Springs visiting a brother of Mr. Troutman, returned home the first of the week. They recently sold their home on South Second street to Mr. and Mrs. R. I. Teeple.

DeWitt Burke, who has been here for the past month visiting with his parents, Mr. and Mrs. D. W. Burke, left Tuesday morning enroute to Florida.

WORLD WAR II PENSION ROLL DOUBLES IN YEAR

The number of World War II veterans drawing disability compensation has doubled during the past year, statistics recently released by the Veterans Administration reveal. While the World War I roll remained stationary, and deaths cut those from prior wars by 8,000, the list from pensionable disabilities incurred during the last war climbed from 859,762 to 1,682,216 between December 1, 1945 and the same date this year. Each figure in above drawing represents 100,000 active cases.

OUR STATEMENT OF POLICY

Want Our Patrons and the Fire Community to Know:

That it is our constant endeavor to raise to the highest degree the standards, ethics and practices of automobile merchandising.

That we seek, through cooperative efforts of local, state and national automobile dealers associations, the correction of any unfair or unbusinesslike practices.

That new cars are being distributed fairly and equitably, with every consideration being given to our community's interest.

That new cars will be sold at established prices current at time of delivery, and no bonus payments or premiums of any kind will be accepted.

That fair and reasonable value is given for every used car taken in trade; while we hope customers having used cars will, as in the past, trade them with us (so we in turn may supply more people with needed transportation) we will still make every effort to provide new or used cars to those not having cars to trade.

That while we are glad to install special accessories (when available) which add to the appearance, usefulness, comfort and convenience of the new car, no customer is required to purchase any extra equipment which he does not desire.

That we are doing everything in our power to help eliminate black market operations in our industry.

That despite the continued, critical shortage of new cars we are anxious at all times to talk over with you your new car needs.

That regardless of the termination of government regulations, affecting our business, we believe the high standards herein expressed are sound business principles, and we will be guided by them.

That our business is being conducted on a basis to merit public confidence and respect.

Hatch Given Award for 5 Year Service

C. V. Hatch, district salesman for the livestock and poultry feed division of the Ralston Purina company, will receive the company's five year award on February 1, when he completes his fifth year with that company.

Hatch is well known to farmers and feeders throughout this area as a result of his work with Puqua Barber Farm supply. Born in Shawnee, Oklahoma, he graduated from high school there then came to Texas.

Hatch spent five years with an oil company at Nocona and four years with a coal company at Dallas before joining the Ralston Purina company in 1942. Since that time he has made his home in Plainview.

Boys Taken Admit Tulia High Burglary

Two boys caught in Amarillo last week, on whom were found some of the effects taken in the robbery of Tulia High school business office on the night January 17, have been returned to a reform school from which they were escapees.

Sheriff Leland A. Hart, of Floyd county, said the boys were questioned about the school burglaries at Floydada and Matador but refused to admit guilt. "You'll have to prove that," they told officers. Mr. Hart said. Similarity of the three jobs lead officers to believe the same boys were involved in the three school burglaries.

Besides taking about \$140 from two schools here, the burglars who did the Floydada job also practically ruined the safe and some of the school's filing equipment. At Matador the loss was not so heavy.

Officials Pay Visit To Schools Monday

Clarence Guffee, Floyd county school superintendent and E. H. Boulter, deputy state superintendent spent Monday checking on several rural schools in the county. This work was begun some time ago and was finished this trip Monday.

Mr. Guffee and Mr. Boulter visited the schools at Liberty, Cedar Hill, South Plains, Providence and Lockney.

Local News

IRICK, Jan. 28—Mrs. Virgie Terrell of Plainview spent a few days last week with her daughters, Mrs. Potts and Mrs. Lacey.

Mr. and Mrs. Watson of Floydada spent Sunday with Mr. and Mrs. Bob Battles.

Lennie Bullard and Clarence Johnston were in Amarillo the first of the week on business.

Visitors in the Wilburn Dollar home Sunday were Mr. and Mrs. Farrell Dollar and children, Mr. and Mrs. Travis Dunn and girls, Mrs. J. F. Dollar and Mr. and Mrs. Harrell Dollar and sons.

Mr. and Mrs. Oliver Holmes, Joe Mac and Betty Jo visited in Floydada Sunday afternoon.

Mrs. Jess Crank received treatment at the Plainview clinic last week. She is reported to be improved.

The community is very proud of a new telephone line.

Jolly Stitches Club
The Jolly Stitches club met last Thursday with Mrs. Harrell Dollar. The day was spent in quilting and embroidering. Lunch was served at the noon hour. Officers were elected for the new year. The club was glad to welcome three new members and one visitor. The new members were Mrs. Norman Caldwell, Mrs. Tom Graham and Mrs. Bartram.

The visitor was Mrs. Applewhite. We are looking forward to a very pleasant year. The club meets next month in an all day meeting with Mrs. Norman Caldwell.

Mrs. Melvin Potts and Mrs. Dale Lacey were ill over the week-end. Rev. Vanlandingham filled his regular preaching date Sunday. Due to the fact that so many of our members have moved away and poor attendance, we are very sorry to report that our services have been discontinued.

Mr. and Mrs. W. E. Taack were given a surprise dinner Sunday celebrating their forty-fourth wedding anniversary. All their children were present for the occasion as well as relatives of both Mr. and Mrs. Taack.

Mr. and Mrs. John Holmes and family spent Sunday afternoon with Mr. and Mrs. Otho Sanders of Sterley.

Clothes Closet Fire Does Damage at Norman Home

Lots of smoke and some fire damage was done at the Lewis Norman home, 206 South White, yesterday afternoon.

The fire was smoldering in a clothes closet. Fire Chief Rodgers said, close to a bathroom heater. It blazed up when an opening was made but was soon extinguished. "The house was smoking all over and the yard was soon full of well-wishers and advisers despite the bad weather," said Mr. Rodgers.

COMMITTEE REPORTS PLANS FOR HOMEBUILDERS YEAR

The Homebuilders Club met last Friday with Mrs. Ebert Parks. In the business meeting of which the president had charge, the committee gave their reports and Mrs. John Lloyd gave the council reports.

Reports for the plans for the year were given by the president, Mrs. Mayfield, year book chairman, Mildred Fuqua, educational chairman, Ora Shipley, 4-H chairman, Goldie Lloyd, recreational chairman, Daisy Atteberry, and market chairman, Halle Bertrand.

Names were drawn for a Valentine exchange and box for February 14 at Mrs. Joe Dunn's at 2:00 o'clock, the next meeting.

Those present were Mrs. Mildred Smart, Mildred Fuqua, Grace Dunn, Jura Roberts, Cora Lee Shipley, Guest, Blanche Williams, Ora Shipley, Dessie Eaves, Cora Cates, Ethel Parr, Halle Bertrand, Daisy Atteberry, Lillian Parks, Goldie Lloyd, and Merle Mayfield.

Per Centage of Poll Tax Payers is High

A total of 2,389 persons had paid their poll taxes through Wednesday afternoon at 4 o'clock with only two days left before the deadline, Friday night at midnight. For an off year in politics this represents a high percentage of payments.

Ethel Graham, county tax assessor-collector, announced Wednesday that her office would remain open until approximately 9 o'clock Friday night to accommodate last-minute taxpayers.

ATTEND FRIENDS' FUNERAL AT ROSWELL HELD SATURDAY

Mr. and Mrs. J. E. Newton returned Tuesday from Roswell where they attended last rites for George

Hendricks, 68, and his son, A. C. Hendricks, who were victims last week of a plane crash on the Flying H ranch southwest of Roswell, operated by them.

Flying a small plane the two air enthusiasts, who also operate a flying field at Roswell, crashed from a low altitude when their plane was caught by uneven currents and went out of control, according to witnesses. Both were killed instantly.

Early-day independent telephone company operators in this portion of Texas, the Hendricks' had been prominent in Roswell and eastern New Mexico business for several years.

The couple were uncle and cousin of Mrs. Harry Morris, formerly of Whiteflat, now of Roswell. Mr. Morris returned here with the Newtons to complete details of his business affairs.

The free-enterprise system will be safe when it is conceded that a profit is not without honor.

Bob Burns Show, The Windjammer Friday, Feb. 7

Bob Burns, radio and screen comedian, who first gained fame as a "Buzooka" player, leads the cast of "The Windjammer", a picture to be shown on the first Friday in February at the Palace theatre in Floydada.

This rib-tickling cinema of a windy character who claims to be able to make animals talk, will head the John Deere day entertainment and educational program for farmers to be sponsored by Stansell-Collins company on that day.

The show will begin at 1:30 in the afternoon and admission will be by ticket only, but tickets can be obtained free of charge at the Stansell-Collins store.

Four Other Pictures

In addition to the "Windjammer", four other all-talking pictures will be shown. One of these will be the story of the new John Deere models "A" and "B" tractors for 1947.

One of the other pictures deals with the conservation of the soil -- how to keep it at home with the equipment the farmer has on his place. Another deals with newly developed integral and drawn-type machines for the year 1947.

Stansell-Collins is giving a farm record book as a souvenir. The book is valued more especially now that so many farmers find it increasingly important to keep records for income tax purposes.

Mr. and Mrs. R. D. Webb were called to Anton Tuesday to attend the funeral of a close friend, Robert Roach.

No Price Increase Due Says Chevrolet

DETROIT, Mich., Jan. 27—Nicholas Dreyfus, general manager of Chevrolet Motor division, General Motors corporation, has flatly denied the statement appearing in a Detroit newspaper that Chevrolet prices are to be increased.

"There is to be no increase in the 1947 model Chevrolets soon to be introduced to the motoring public," Mr. Dreyfus said.

"The story in the Detroit newspaper stating that Chevrolet prices are to be raised is absolutely erroneous."

Mr. Dreyfus said the Chevrolet line of automobiles still is the lowest priced in its field.

He also stressed the fact that Chevrolet's prices, as compared with 1941, had risen a relatively modest amount.

ACCIDENT COSTS FOREFINGER

LOCKNEY, Jan. 24—An accident Tuesday afternoon cost Bernard Harris of the Irick community a part of his left forefinger and severe lacerations on two other fingers of the same hand. Mr. Harris' finger was caught in a cog on a cotton puller and the end of the forefinger was clipped off, just above the second joint. The second and third fingers were lacerated.

The accident happened about 12 miles southwest of town where Mr. Harris is working a place. He was treated at the Plainview hospital.

Locker Plant vs. Home Freezer

COLLEGE STATION, January—Whether to buy a home freezer or rent space in a community food locker -- that's a question that many frozen-food conscious farm families are trying to decide now.

A good answer to that riddle for an average family of four is a combination of both sides of the question says Miss Gwendolyn Jones, food preservation specialist of the Texas A. and M. College Extension Service. Combining rented locker space with a small home freezer of about six cubic feet is a solution that appears to strike a good balance between cost and convenience.

Here's how she has it figured: a six-cubic-foot home cabinet with separate freezing compartment will provide enough space for freezing and storing those fruits and vegetables that are brought in each day until they are ready to be taken to the locker. And when the growing season is over, the cabinet furnishes plenty of storage space for leftover and cooked foods. Assuming that such a home freezer would last ten years, and figuring in the purchase price and operating costs, a six-cubic-foot box will cost the family about \$73 a year to own and operate.

Then, renting three food lockers at \$12.50 each, and using locker plant facilities for handling meat, the total cost per year of both the lockers and the home freezer amounts to about \$155. This plan costs a family only a little over 80 cents a week more than if they depended entirely upon the community food locker, says Miss Jones. And in return they have a good supply of frozen foods at home, and higher quality fruits and vegetables due to faster handling from garden and orchard to the home freezer.

DEPOSITS MAKE ALL-TIME HIGH AT CROSBYTON

CROSBYTON, Jan. 24—Deposits at the Citizens National bank reached an all-time high January 21, Russell McCurdy, executive vice-president, reported Wednesday. On this date they reached \$2,083,444.96 he said, topping the former high figure of June 30, 1946 when deposits were \$2,048,000.

This is the second time in history that local deposits have gone over the two million dollar mark.

PLAYGROUND EQUIPMENT PROJECT OF SANDHILL CLUB

The Sand Hill Home Demonstration Club met January 22. At a business meeting the years work was outlined by the president. Our 1947 project is to buy some play ground equipment for the small school children, and to help the other organizations of the community to buy a projecting machine.

Roll call was answered by Messdames Roy Hollums, Jim Holmes Louis Golden, Wayne Billington, Eddie King, Claude Jones, Walter Knight, Lynn Miller.

The next meeting will be February 12.

MRS. LEIBFRIED RESIGNS EFFECTIVE FEBRUARY 15

Mrs. Lorin Leibfried, deputy tax assessor-collector of Floyd county has announced her resignation to become effective February 15. Mrs. Leibfried has been deputy assessor-collector since January of 1945.

No one has been appointed to take her place, according to tax collector Ethel Graham.

Harmony News

HARMONY, Jan. 27—Luther Byerly and Carl Hemphill of Dove Creek Colorado, and Bob Craft of Lubbock visited their uncle, E. W. Turner and Mrs. Turner over the week-end.

W. C. Snodgrass and Doris Elaine attended the basket ball game at Floydada Friday night.

Mr. and Mrs. E. L. Turner of Lubbock were Sunday dinner guests of his parents.

The adult Sunday School held their monthly birthday dinner at the home of Mr. and Mrs. E. W. Turner Sunday. The party honored the following who had birthdays in January: Messdames G. L. Snodgrass, L. A. Williams and C. O. Spence. Twenty-three were present for the dinner.

The Young adult class held their dinner at the home of Mr. and Mrs. Zant Scott.

Mr. and Mrs. Everett Miller, Gurdan St. Clair and Mr. and Mrs. G. L. Snodgrass attended the "42" party at the Blanco school house Friday night.

R. B. Gary announced a telephone meeting for Friday night at the school house.

Mrs. M. D. Ramsey has been ill. There was a large crowd at Sunday School Sunday morning.

L. A. Williams and son, Aldine are home from their trip to California.

Everett Miller and W. C. Snodgrass hauled a load of sheep to Tahoka for E. W. Turner Saturday night. Bill Marris hauled a load Saturday night.

Mr. and Mrs. Charley Watson visited Saturday evening in the home of Mr. and Mrs. G. L. Snodgrass.

Mr. and Mrs. Fred Byerly moved from our community last week. We regret so much to see them move.

NEXT COMES REST

I need the blessed assurance of God in some way

That I am doing my whole duty every day.

That I am being a good mother and an expert wife.

That He is well pleased with my individual life.

I regard "The Book of Books" as refreshing aged eye-wine

As nourishing as food from off a fruiting vine;

As a hearty propellant and a sound safe guard.

That will make for gold stars on my life - report card.

Each child and my mate is a major study for me.

HALE'S DEPARTMENT STORE

The Floyd Co. Hesperian

Established 1896 by Claude V. Hall Entered as second class mail at the postoffice at Floydada, Texas, April 10, 1907, under the act of Congress of March 3, 1879.

HOMER STEEN, Editor Published by The Hesperian Publishing Co., Inc., Floydada, Texas.

Subscription Prices: In Floyd and adjoining counties—one year, \$1.50 six months, 75c, four months, 50c; In advance.

Outside Floyd and adjoining counties — one year, \$2.00; six months, \$1.00 four months, 70c; in advance.

STRESS OF THE TIMES

It occurs to us that nobody in particular cares what The Hesperian may think about the changing times. We are not sure that what we might think had we time to roam the country over and see the folks and hear them talk would make us think differently, be smarter and talk differently. We do know in our hearts that the people of the country, including those who do not have bathing facilities, will do the right thing as best they can when and if they get to it. Sometimes they go a long way around and sometimes they don't get to it. We know some things they haven't got to yet.

What we had in mind to say is that the poor man in this good year of our Lord 1947, with the goose hanging high, must resign himself to the fact that he can't get justice in the federal courts of the land. Why we should say this at this particular time we wonder. It is just as well that we should, we guess, since there are no burning problems right now that might appear to make our statement a biased one. We mean simply what we say. A poor man who finds himself faced with the necessity of going to the federal court, just better had not. Ask your lawyer. Ask any informed man. It just isn't in the cards. The federal court, your creature, has outgrown you, brethren. You

can't do anything about it, except revolt and you are not going to do that any time in the fore-seeable future. We do not bet for money but we bet you for marbles or chalk that we are right on this. If you think we are wrong line you up somebody like your banker, your lending friend, your lawyer and run him by. We'll take him on.

TOUGH FARMER FUTURE HEAD

It may be well enough that such militant organizations as the Farmers Union and the Farm Bureau federation are girding themselves. They very well are going to be needed as soon as 1948 is over. Next year is when protection for the farmer, but not protection for others, is over. After then it will be dog eat dog for the farmer. The man who can produce against competition will fare fairly. The others may go down like ten pins.

Future for the lender already is brightening. Future for the borrower is worsening. Money is going to be worth more. Commodities are getting worth less. The working man is helping out on this situation for big money as though he were drawing pay for it instead of drawing pay to make his own company and himself a better place in the economy of his own bright Land of the free, Home of the brave.

The farmer, under modern conditions in the United States of America, can produce two to four times as much food and fibre as the "official" commonwealth needs. As soon as this fact can be applied it will be. Don't regard this as a phantasm of a misguided mind. It is based on cruel statistics, on facts as hard as a rock. Furthermore, the farmer will sell in an open market as before and buy in a protected one. We sure paint a rosy picture for the future, do we not?

MIGHTY GOOD COMMUNITY

Recent considerations have combined to make us think more of Floydada and Floyd county as a community of people who are mighty solid, who will go a long way toward making the country a good unit whether oil ever hits, whether crop years are good or bad.

We are so sure of this that we are not particularly unhappy because citizens of Floydada vote beyond their means for a "swimming pool", or because others go in for specialized farming about which they do not know a lot. Each has his own good money or credit to spend. He certainly is within his rights, and may surely be right financially in spending it like he thinks is wise.

For our part we gamble that the country is a good country, that the people are basically sound. Why go further with the argument? A good country, a good people, that is enough.

Floyd County 14 Years Ago

These news items taken from the Floyd County Hesperian published 14 years ago. Issue of February 2, 1933.

Along with his final report, handed to the Commissioners' court which was in session Tuesday and Wednesday of this week, C. M. Meredith who retired from the tax collector's office on December 31, handed the court a check for \$1,784.70, the amount of excess fees earned by his office during the year 1932.

All ex-service men in Floyd County are urged to attend a called meeting of the American Legion to be held at McDermott post in Floydada this Thursday night, it was announced by Roy Snodgrass, chairman of the publicity committee.

Organization of the Floyd County farmers and Home Owners Protective League was perfected Friday afternoon with Jno. L. West elected president and 33 affiliating themselves as charter members at a meeting attended by 200 farmers.

Investigations by officers of Floydada and Floyd county and a state fire marshal last week and this have failed to date to establish any motive for the series of six fires which occurred here, mostly in vacant non-resident dwellings, and the slight clues left on which officers are working do not lend encouragement to the belief that the persons who set the fires will be apprehended.

Burial rites for Johnnie Raymond Jr., seven-weeks-old son of Mr. and Mrs. Ray Clements of Flagstaff Arizona, were held Tuesday afternoon of last week at Flagstaff, according to reports received here by relatives.

Exceeding the expectations and even the hopes of the local groups in interest and attendance the quarterly conference here Saturday and Sunday of the Methodist young people of the Plainview district developed into one of the finest assemblies in recent local church history.

Mr. and Mrs. Paul Snyder, who have been in charge of Speer's Variety Store, left Thursday of last week for the Rio Grande valley.

Elvin B. Rainier, city, and Miss Ollie Beatrice Jones, of Plainview were united in marriage Friday morning of last week at 12:30 o'clock in Portales, New Mexico.

Floors in the front part of the J. H. Newberry home in the Lakeview community were partially destroyed by fire Friday night of last week.

The Floyd County cotton crop for 1932, ginned prior to January 16, was 20,844 bales, according to the report of the Bureau of the Census issued this week.

J. A. Jones was pleasantly surprised Sunday morning when many familiar faces drove up to his door to remind him he was fifty years of age January 25, but that this was their convenient day to celebrate.

"BAZOOKA" BOB BURNS NEW PICTURE "THE WINDJAMMER"

TO BE SHOWN HERE AS PART OF BIG JOHN DEERE DAY PROGRAM!

"Bazooka" Bob Burns, famous radio and screen comedian, leads the cast of "The Windjammer", feature picture to be shown in Palace Theatre, Floydada, on Friday, February 7 at 1:30 p. m. This movie headlines the John Deere Day entertainment and educational program for farmers to be sponsored by Stansell-Collins Co. Admission will be by ticket only, but tickets can be obtained free of charge at the Stansell-Collins Co. store.

"The Windjammer" is a "rib-tickling" story of a windy character, Bob Newman by name, who claims to be able to make animals talk. His experiences, and those of his charming daughter, in making a talking

animal picture in Hollywood will provide an hour of top-notch entertainment every farmer and his family will long remember.

In the supporting cast are such other well-known artists as Caine Robbins, Scott Elliott, Kenneth MacDonald, Ida Moore, Eddie Kane, Dan Duncan, and Sam Flint.

In addition to "The Windjammer", four other new, all-talking pictures will be shown. They include "Headliners in Tractor Value"—the story of the new John Deere Models "A" and "B" Tractors for 1947... "New Power, for the Smaller Farm"—an important announcement of a new small tractor with a complete line of integral equipment

for the small acreage farmer... "Conservation Farming with Regular Equipment"—an educational picture on how to keep your soil "at home" with the equipment you have on your own farm... and "New Pages in John Deere Progress"—a new reel on newly developed John Deere integral and drawn machines for 1947.

Stansell-Collins Company are extending a cordial invitation to all farm readers of this newspaper—and their neighbors—to be their guests on John Deere Day, February 7. Be sure to call at the Stansell-Collins store for your free tickets, if you don't already have them.

Oldsmobile Smartly Styled Three Series

Oldsmobile for 1947, smartly styled in three colorful series, is now being displayed in dealer showrooms throughout America.

The car, while retaining its basic sturdiness of construction and economy of operation, is further enhanced in appearance by the addition of brilliant new styling touches that signalize it as the most distinctive automobile ever produced by Oldsmobile -- world's oldest manufacturer of motor cars.

Coincidental with the introduction of this time of the new Oldsmobile for 1947, is the announcement made that four out of five of these cars are equipped with General Motors Hydra-Matic drive. This revolutionary unit eliminates the clutch pedal and affords fully automatic shifting through all four forward speeds. So popular has it become with motorists, that 80 percent of all Oldsmobiles produced now feature it.

Hydra-Matic Drive consists of a fluid coupling plus an automatic transmission. The two, in combination, engineered as a unit, make the drive entirely automatic. Oldsmobile is the only car in its price range that incorporates this feature.

More Paving at Crosbyton

CROSBYTON, Jan. 24—The money for Crosbyton's long discussed paving project has been received and is now deposited in the Citizens National bank, Mayor J. D. Tussey announced Tuesday. This money amounting to \$25,000, was part of the \$100,000 city improvement issue voted by the people of Crosbyton early last year.

Changing of the city valuations getting approval and selling the bonds has delayed the paving issue for nearly a year, the mayor pointed out, but it is now time for property owners to get busy and put up their share of the paving costs.

With the completion of the present projects, Crosbyton will have approximately 50 blocks of fully paved streets with curb and gutter. There will be an additional eight blocks of strip pavement when the farm-to-market road running north and south through town is built.

SIX-YEAR-OLD JERRY LEE HAS PARTY ON BIRTHDAY

A party honoring Jerry Lee Solomon on his sixth birthday was enjoyed at his home Friday afternoon at 3:30. Games were played by the group. Refreshments of cake and ice cream were served to:

Misses Marilyn Jones, Devonna McEntire, Sarah Douglas Hammonds; Masters Scotty Floyd, Jimmy Collins, Harold Snell, Vaughn and Pat Ginn, Butch and Pete Muench, Roy Harris, Kenny Rainer, Everett Ross Flowers, Mickey and Marian Woody, James McKinney, Bobbye Christian, and Larry Don McEntire.

Side Lights From Washington

(By George Mahon)

WASHINGTON, D. C.—Congressman George Mahon has been selected as one of 10 House members to cooperate with a similar number of senators in the task of estimating the federal revenue for the coming year and fixing a figure for government expenditures which will assure that government income will not exceed government income. This committee came about as a result of legislation passed last year providing for a reorganization of congressional procedure. The idea is to balance the budget. For more than a decade the government has been spending more money than has been collecting in taxes. Present law prohibits a continuation of this practice and the joint committee of ten house members and ten senators is charged with the responsibility of doing the ground work on this job and securing approval of the program by the Congress on or before February 15.

Mahon, in commenting on this new assignment said that it just does not make sense for the government in 1947 to spend more money than it collects in taxes. "If I have my way about it," he said, "we are going to spend less money than we collect in taxes and use this excess to make a payment on the 260 billion dollar public debt, a debt largely brought about by the war. If we cannot begin to balance income and outgo and pay a little on the debt now, I don't see how we can ever expect to do it."

"It is easier to talk about cutting government expenses than it is to cut them," Mahon continued. "Personally, I am not willing to cripple the program for veterans, the Soil Conservation and REA programs for farmers and ranchers, and such activities as the social security and public roads programs. The biggest single item of expenditure is for national defense, and we could balance the budget in a hurry by slashing the heart out of our national defense program. But that should not and will not be done."

Mahon said that he had been shocked to see that practically all government agencies except the Army and Navy have asked Congress to appropriate more money for them for the coming year than they spent last year. "That cannot be justified," he said. "Republicans," he remarked, "are doing a lot of talking about reducing expenditures. I will be glad to join them in streamlining the government agencies, reducing the number of government employees, and in abolishing any unnecessary bureaus but I cannot join with them in any effort to wreck the operations of government agencies which I think the people favor and which I believe are in the public interest. All is quiet in Congress now, but it won't remain that way for long."

PLANS UNDER WAY FOR NEW CHURCH BUILDING

CROSBYTON, Jan. 24—Announcements were made this week by F. L. Paisley, minister of the Crosbyton Church of Christ, that plans were under way to build a modern church home in the city.

The church plans call for a large edifice, costing in the neighborhood of \$35,000 to \$40,000, he stated. It would be a single story auditorium building, with the auditorium seating from 450 to 600 people. The building material will be either brick or quarried rock, depending mostly on what is available.

"I'M GOING ON A DIET"

☆ Perhaps overeating is the most common dietary indiscretion. The natural result of overeating is obesity. It has been said that we in America eat ourselves into a premature grave. The pendulum then frequently swings back to the other extreme. We go on a diet. Many self-imposed reducing diets wouldn't keep a bird alive, and often serious vitamin, mineral, and protein deficiencies result.

In recent years great strides have been made in our knowledge of nutrition. For the maintenance of optimal health one must be assured that proper balance of various foods is maintained. For dietary advice of any kind see your physician. You can then be certain that all bodily needs are being adequately met. Bring your prescriptions to us.

 caught on the highway.
 The wind hit Floydada shortly after 9 a. m., having traveled across New Mexico and the North Plains in a few hours after it gathered its fury in the late hours of Tuesday. Visibility here did not reach the low reported in other areas, although roads adjacent to a few unprotected fields were out of sight at times.
Temperature Remains Mild
 Throughout the heavy blow the temperature hovered right around 50 degrees, and in this morning's calm the predicted temperature in the low twenties did not materialize. Nor did indicated snow flurries show up locally.
 Yesterday morning's low was 39 degrees. Low for the week was Friday, when the thermometer registered 27 degrees. Twice during this week a high of 71 was recorded.

Red Cross—

(Continued from first page)
 Secretary during the year. Welfare reports for soldiers or their families were mailed or wired same day received, if possible.
 Welfare report of soldiers or civilians in foreign countries were received and relayed information to families within three days of sending request for same.
 Family consultation and guidance were given several families in trouble. 450 cases were cared for during the year, including servicemen, veterans and their dependents and civilians. The secretary attended all required claim institutes in Lubbock during the year, also institutes on family guidance and mentally ill veterans.
 The secretary attended a school for home service secretaries for three weeks in June in the Area office in St. Louis, studying new methods and new forms in Red Cross service work.
 Needy civilians and veterans families were given baskets of groceries by the Chapter during the Christmas holidays. Families whose homes were destroyed by fire during the year were assisted in clothes and money.
 Loans amounting to \$120.00 were made to servicemen and veterans awaiting allotment checks and pension checks. All were repaid. Even grants, amounting to \$370.00 were made to veterans. \$235.00 of this amount being for hospital care, one in Dallas and one in Lubbock.
 Two transmittals were made for civilians—\$400.00 sent from Korea and delivered to civilian wife in Lockney, and \$50 sent to the Dallas chapter by the secretary to be applied on the civilian hospital bill.
 Near a hundred telegrams were received and all answered within day of receipt. Letters were written by secretary for parents and wives asking for serviceman release from service; assisted civilian and veterans families in hours of sorrow.
 Assisted veterans in filing claims for pension and education benefits and hospitalization.
 The secretary has been on call all hours and ready to assist where assistance was needed.
 Transient veterans and their families were given meals and assisted in reaching their destinations.
 Long distance calls from New York, Washington, and the West Coast have been received and given the desired information.
 The office of the Home Service secretary, 204 Bishop Bldg., has been open since June, 1944, and since that time 2000 people in this county and transients have been assisted.
 This office is open on Tuesday, Friday and Saturday, telephone number is 155. Address of the secretary is 428 West Mo. street and the telephone number is 138.

Oil Developments—

(Continued from first page)
 since from the rim. Mr. Daniel said he did not know how much other oil adjacent to the hump had in the block, "the stake", he said he went to see while supervising work on some stock water wells, is actually a stake driven in the ground with a broad yellow rag a yard or so long tied to it. He understood the well is due to be spudded on February 2. A hundred or more seismograph holes have been drilled and blasted in the Montgomery pasture in the period since November, 1944, presumably a check on previous work done.
Seismograph Crew Here
 Seismograph crew was in Floydada Monday attempting to locate places for their families to live while they did some work in this vicinity. They said they were not having too much luck and might have to make some other town their headquarters. They were said to have a contract for seismograph work for Pure Oil company, but the area they would work was not indicated.
 Oil scouts and land men have been making Floydada in the past week in increasing numbers.
Have Flowing Well
 Flowing production had been established last Friday at Stanolind Oil and Gas Company No. 1 E. L. Fisher, section 5, block CL, EL survey, new discovery in southeastern Hale County, 18 miles southeast of Plainview. It also is six miles northwest of Petersburg.
 Operation has changed the call on the producing horizon, now the Pennsylvania. When the well first indicated production, the formation was called the Pennsylvanian, later changed to the Wolfcamp of the basal Permian. Further study of samples led to the new Clinco series call.
 The well began flowing after treatment with 2500 gallons of acid in the pay section from 6,895 to 6,992 feet, kicking off without being swabbed. It was flowed to the pits for five hours to unload and clean out, and then was turned into tanks through 33/64-inch and at the end of six hours and 45 minutes the discovery had tanked 227 barrels of oil. The average during the test was 32 1/2 barrels per hour. The oil was 40 gravity, with casing pressure at 100 to 105 pounds. Testing continued Friday.
Crosby Wildcat
 Humble Oil and Refining Company has staked a 1/2-foot Ordovician wildcat in northern Crosby County as its No. 1 Thomas Montgomery 660 feet from the south and east lines of section 21, block 2, Brooks & Burleson survey. It is 12 miles north and west of Crosbyton. Humble holds a block of 7,850 acres in the area and plans to spud the test on or before Feb. 2.

Will Study Bones At Texas University

Human bones found in Blanco canyon 10 days ago by two teen-aged Petersburg boys and turned over to the sheriff's department in Hale county and later turned over to Floyd county officials will be studied by archaeologists at the University of Texas.
 The bones were taken to Austin at request of Sheriff Leland A. Hart last week by Ranger Raymond Waters, who was in Floydada Wednesday. The Rangers turned the find over to the archaeologists, having no clue of foul play on which to base any search.
 Included in the find was one adult skull, apparently injured from a blow, and other bones considered by amateurs here as being those of a child. The find was made on the south rim of Blanco canyon on the O. W. Denning farm, six miles south of Floydada.
 So far as known in recent local history no humans have disappeared under mysterious circumstances whose remains might have been interred in Blanco canyon. Numerous Indians, Mexicans, white trappers and even soldiers of the United States army are known to have been buried in gradely marked graves up and down the reaches of the canyon and a find of bones is not unusual here.

Bullard Rites Held Last Thursday

Funeral services for G. M. Bullard, 79, were conducted last Thursday afternoon at 2 o'clock in the First Baptist church with Rev. L. A. Doyle officiating. Interment was made in the Floydada cemetery.
 All the children and brothers and sisters of the deceased were present for the last rites.
 Acting as pallbearers were Ray Landrum, Arthur Graham, Thurman Perry, Grady Reeves, Chill McClure and Travis Bradford.

Four Cub Scout Dens Organized

Nearly 50 cub Scouts were members, in four Dens, last night when Cub Scoutmaster F. Marshall and other Scoutmasters completed the roster.
 Den meeting will be held on Tuesday at 4 o'clock, and the Pack meeting will be held at the American Legion hall on Wednesday, March 4, at 7:30. Mr. Marshall announced. Pack committee member Ernest Carter will be other Pack committee members are Crowell, A. D. Fultz and Jack Hill. The sponsoring organization is the Floydada Lions club.

CONTINUES GRAVELLY ILL

Mrs. S. W. Ewing, who suffered stroke three months ago, is in unsatisfactory condition at home on West Virginia street, but seemed to have pulled bit on Wednesday morning, according to reports.

ERIE, Pa.—Judge Miles B. E. hold the May grand jury to the Erie County courthouse. What the jurors reported:

"We find everything all that one could hope for under present conditions. Some things could be done if there were nothing else and we had someone to do it, as bad as it might be, we are to find it as good as it is."
