## Club Plans Barbecue Supper Jackson Day

Professor Jackson, professor of music at TSCW, Denton, will be speaker at the Lion Club county wide program at 8 o'clock Thursday night, at Wester Field in the form of a barbecue supper. Professor Jackson is a well known speaker in Texas.

Lambert and her orchestra are engaged to furnish music for the evening. Plans are being made for several other featured entertainments to be announced at a later date.

These are a kiln drying building and a manufacturing machine for various types of finish lumber. Among these finishes will be items from cedar wood, oak for various purposes including flooring as well as pine in various dimensions and sheathing material.

Ed Holmes and Arch Gibson, who recently leased the Ferguson building on North 12th Street in East Floydada and have begun stocking lumber, milled wood and posts there, are making two installations that should be of general value in the territory.

These are a kiln drying building and a manufacturing machine for various types of finish lumber. Among these finishes will be items from cedar wood, oak for various purposes including flooring as well as pine in various dimensions and sheathing material.

Arch Gibson Tuesday said the drying plant should be finished with in a week or two. The milling machine, which will do rabbeting of various kinds, in the making of doors, windows, siding and shiplap, as well as flooring, is already in operation.

Indiana Man Superintendent J. A. Misnerheimer, of Bloomington, Indiana, is mill superintendent here and his wife are here to make their home. He is a man of long experience in lumber milling, said Rev. Gibson.

The firm anticipates doing an extensive business both on retail and wholesale basis. There is the only dry kiln and milling plant in a wide area of West Texas, so far as is known here.

Mrs. J. S. Worsham Found Unconscious Wednesday Mrs. J. S. Worsham was found early yesterday morning in her home at Carr's Chapel in a semi-conscious condition deep gasping on her wrist. She was brought to Pitts hospital in a Harmon ambulance and was reported as resting well late yesterday afternoon.

Mr. Worsham has been in Joaquin, Texas visiting with a daughter Mrs. Clyde Patterson and Mr. Patterson since the early part of this month. R. B. Gery and George Worsham left yesterday for Joaquin to bring Mr. Worsham back to Floydada.

Water, Sewer Men In Meeting Here Water and sewer men of the Caprock association in meeting here, last night had visual lessons in handling of water supply when two sets of film were shown, depicting correct operations.

The study, held in the auditorium of the high school, followed dinner at the Commercial Hotel Coffee shop. Included among those who registered were representatives of water and sewer departments of Paducah, Matador, Lockney, Crosbyton, Ralls, Levelland, and Littlefield. Since the organization of the association early last year it has been instrumental in raising the purity standards of water supplies throughout the area to a marked degree, Floyd Johnston, secretary, said.

## Council Views Expansion Plans for City Power and Light Plant As Prime Necessity Early Date

Viewing as a prime necessity of the early future—almost a necessity of tomorrow—an expansion program for the city light and power division, members of the city council are exploring possibilities in finance of the undertaking, and have been considering proposals of this nature since the first part of the year.

While no official announcement has been made it is indicated as one of the early probabilities the new city council will propose a plan to the citizens of the community for their approval or disapproval at the ballot box this spring or summer.

The council is said to have a favorable plan for such financing now under consideration and even are said to have reached a tentative agreement subject, of course, to final say of the qualified franchise holders.

A special session of the council Saturday had these plans up for consideration and this session may result in concrete proposals. A report on this meeting said the council is considering a proposal to refund the outstanding light plant debt of \$58,000, having a service charge of 4 per cent and constituting a lien on the revenues of the light, sewer and water system, into a new issue of \$150,000, bearing 3 per cent interest, with service and maturity charges based on income.

If this is done an addition of 800 horsepower would be made to the power plant.

In the refunding deal a balance of \$38,000 accumulated in the plant fund would be used for needed extensions and for other expenditures, and a portion of it used as a guarantee against disaster or future debt needs.

## Football Monday Night, Squad vs. 1945-1946 Exes

Yesterday Coaches L. P. Gresham and Estel Baker announced their spring football training candidates which have been working out as prospects for the squad this fall will be pitted against the Whirlwind exes of 1945 and 1946 in a grid game Monday night, April 28. The game will be played under the lights at Wester field beginning at 8:15.

The game will be free to the public.

Coach Gresham said the exes have a good chance of whipping down the cars of their 1947 squad. However he expects condition of his prospects who have been in training for nearly a month, to overcome their adversaries. The coaches want to see their new charges under fire and may use several combinations both in line and backfield, so that the fans hereabout will have a chance to see practically all of the prospects under fire during the progress of the game.

The squad of some 35 boys has been getting a bit heavier work with every passing day and this week the lads have been working on plays in inter-squad practice. After Monday night's game the boys will likely have one or two light workouts before they put away their paraphernalia to await the coming of their fall season.

George S. Potts, Floyd Co. Pioneer, Died in Plainview LOCKNEY, April 18—George S. Potts, for many years a resident of this section of Floyd County, died in the Plainview hospital early Tuesday morning. Mr. Potts had been seriously ill for two weeks. He had lived in Plainview for the past several years.

Mr. Potts was born in Georgia on April 20, 1860. He came to Texas with his parents in 1876, moved back to Oklahoma at one time and returned to the Plains of Texas in 1905. He owned a farm in the Irick community and lived there for many years.

## 15c Road and Bridge Special Tax Vote Called for in Proclamation Issued this Week; Ballot May 17

Acting on a petition of 206 taxpayers of the county the Commissioners court in a special session Saturday entered a resolution on the minutes of the body calling for an election on May 17 in all voting precincts of the county which if carried will levy an additional 15 cents per \$100 valuation for road and bridge purposes.

The petitions bearing the signatures have been extant for the past few weeks and have been circulated as those interested have had time to present them to voters in various parts of the county.

Members of the Commissioners court are indicated as much interested in the proposal, and Judge Grimes this week said that something would almost have to be done to meet mounting costs of road maintenance in the county. He said the matter would be explained fully to the citizenship in the interval before election date, but that he did not plan to make an active campaign to get the additional tax for road work voted by the people of the county.

It is his idea, he said yesterday, that he would be willing to abide by the judgment of the qualified voters. However with additional funds so badly needed, principally due to constantly mounting costs, he said that the additional tax would be a much better solution of the dilemma of the commissioners than a raise in valuations which some counties in the state are adopting as a means of raising additional revenue for their road work.

Other members of the court were not contacted, but their general attitude is said to be in favor of the additional funds through the special levy. Present road and bridge fund levy is 15c, and the additional levy would exactly double the income for road and bridge purposes. Practically exhausted funds would be replenished in this manner, if the voters gave their approval to it on May 17. A detailed official notice of the forthcoming election appears elsewhere in this issue of The Hesperian.

## \$1,400 Pledged For Live Stock and Other Shows

With more than \$1400 pledged in half a day of campaigning and the certainty that many other hundreds can be obtained, it was indicated here this week that some type of adequate housing for live stock exhibits in particular and for other community-wide shows is sure to result if efforts are maintained and enthusiasm remains high.

Talk rounded into action Saturday when it was seen that the junior livestock show was figuratively bursting at the seams. There wasn't room to see and there wasn't room for a judge to do his work adequately when 86 fat calves came out on the lot to be viewed. O. L. Stansell and Calvin Steen took the initiative and registered up the first \$1490 in pledges. Not a man who was seen but pledged aid, Stansell reported.

Discussions of civic minded citizens came to a focus with a 7 o'clock breakfast Wednesday morning, as a climax of which O. L. Stansell, Calvin Steen, J. G. Wood, R. E. Fry, and Len M. Davis, with Stansell as chairman, was named by President E. L. Angus of the Chamber of Commerce to go into the matter adequately and submit concrete plans for a structure with seating capacity and an arena. Give out probable figures on cost and get actual work under way as quickly as possible. Apparently the committee is due to meet with unqualified support from communities all over the county.

Another Thousand in Sight Added to the pledges for the building is a thousand-dollar fund of the Chamber of Commerce which will be made available if needed, it was indicated at Wednesday morning's meeting. Support of the Chamber has gone wholeheartedly to the promotion of agricultural and live stock interests during the war period, a report from J. C. Wester, finance chairman, revealed.

Probably, although not finally settled, is that the building will be placed on the rodeo grounds in east Floydada. A planned lay out of all types of live stock, poultry or agricultural (See Show Building, back page)

## Present Charter Floydada Junior C. of C. Tuesday

Floydada Junior Chamber of Commerce was formally launched as a chartered unit Tuesday night of this week when the local membership played host to their wives, to city and county officials, and to official delegations of Lubbock and Plainview Jaycees at a dinner served at Andrews Ward cafeteria. Including guests, attendance numbered 100 persons.

Dan Castles, Plainview, presented the charter for Roy Forkner, state vice-president, when the latter was called to Fort Worth by official business. Castles is state director for the Plainview club and a candidate for state vice-president. The Plainview club is sponsor for the Floydada organization.

Other visiting notables were Glenn Woody, president of Lubbock Junior Chamber who headed the delegation from that city; and Amos Pool, president, who headed the Plainview delegation.

These spoke briefly as did F. C. Harmon, mayor of Floydada, Guy Ginn, Jaycee president, and E. L. Angus, Chamber of Commerce head. Surprise of the evening came when Cecil Hunter, "Stutterin' Sam," of Amarillo, was presented as an up-and-then Jaycee secretary from Lone Wolf. Hunter stuttered through all the subjects for 20 minutes, during which time most of his audience was convulsed with laughter.

Dan Castles told the assembled members of the new club that their organization would have to justify its existence in the community through their hard work for civic advancement.

## More than Eighty Fat Calves Here in Livestock show

Saturday's annual Junior Live Stock show gave indications that it is about to burst the seams of available facilities, with an especially marked increase in the number of fat cattle shown, and quality to spare in hog, sheep and dairy divisions.

Casey Fine, of the animal husbandry division of Texas Tech college who judged in all divisions, did an excellent job, live stock raisers thought, and was complimented by the superintendent.

Yesterday County Agent A. L. Hartzog, who served as secretary of the show and as co-assistant superintendent with H. G. Barber, vocational agriculture teacher in Floydada High school, said the list of individuals who gave invaluable assistance would be a long one. He mentioned in particular the efforts of E. L. Angus, president of the sponsoring Chamber of Commerce, Guy Ginn and others of the Junior Chamber of Commerce, Col. W. H. Seale, auctioneer, Lonnie Downing, hog buyer, I. T. Graves, superintendent of Floydada Public school, Producers Co-operative elevator, and Floyd Creamery, and other local business establishments who made the auction sale a successful one.

The superintendents for his good work under crowded conditions. In the calf show 86 calves were on display, and all were sold at the end of the day, with a few exceptions.

After the auction of the grand and reserve champion fat animals several went to new owners by private treaty and 76 head were shipped out to A & P Food stores and Armour & company, graded out choice, good and common, and priced at 25c, 24c and 23c. Among the known private purchasers were Chas. Lewis who bought the Bobby Clinton for 30 cents per pound; Felton-Collins Grocery company, who bought the Troy McNeill, Bradford Beedy and Hubert Rins, entries at 28 cents per pound. Travis Jones' calf was sold to Grady Walker Dale Roberts sold one each to Leeper-Fenner and Patterson Grocery & market; and Rhonal Teaff sold to M. P. Goen and Cecil Hagood.

## Manufacturing, Lumber Kiln Dry Plant Opening

Ed Holmes and Arch Gibson, who recently leased the Ferguson building on North 12th Street in East Floydada and have begun stocking lumber, milled wood and posts there, are making two installations that should be of general value in the territory.

These are a kiln drying building and a manufacturing machine for various types of finish lumber. Among these finishes will be items from cedar wood, oak for various purposes including flooring as well as pine in various dimensions and sheathing material.

Arch Gibson Tuesday said the drying plant should be finished with in a week or two. The milling machine, which will do rabbeting of various kinds, in the making of doors, windows, siding and shiplap, as well as flooring, is already in operation.

Indiana Man Superintendent J. A. Misnerheimer, of Bloomington, Indiana, is mill superintendent here and his wife are here to make their home. He is a man of long experience in lumber milling, said Rev. Gibson.

## Mal Jarboe New President Floyd County R. E. A.

The adjourned meeting of the Floyd County Rural Electric cooperative, held Saturday afternoon of last week after an unsuccessful try on the previous Wednesday, chose W. H. Rathael of McAdoo, as a new member of the board of directors from District No. 1, and A. M. Battey of Lakeview as director from District No. 2.

Rathael succeeds J. S. Callihan and Battey succeeds P. J. Wilkes. Holdover members of the board are Mal Jarboe, District No. 3, J. W. Lackey, district No. 4, T. E. Cowart District No. 5, Walter Patterson District No. 6, and Lee Trice, District No. 7.

Mal Jarboe was elected president for the fiscal year in the meeting of the board following the general meeting.

Makes Good Net Gain Reports by retiring President J. S. Callihan by Lee Trice, secretary-treasurer, and by L. W. Chapman manager, revealed to the more than 200 members present that the co-op has made a net gain of \$9000 in the year of 1946.

## George S. Potts, Floyd Co. Pioneer, Died in Plainview

LOCKNEY, April 18—George S. Potts, for many years a resident of this section of Floyd County, died in the Plainview hospital early Tuesday morning. Mr. Potts had been seriously ill for two weeks. He had lived in Plainview for the past several years.

Mr. Potts was born in Georgia on April 20, 1860. He came to Texas with his parents in 1876, moved back to Oklahoma at one time and returned to the Plains of Texas in 1905. He owned a farm in the Irick community and lived there for many years.

Survivors include his wife, one son, Beeton Potts, of Lockney; one daughter, Mrs. Harry Whitfill of Plainview, eight grandchildren and seven great-grandchildren.

Funeral services were held in Plainview Wednesday afternoon at 3 o'clock at a funeral home, conducted by Rev. A. Hope Owen, Baptist pastor. Burial was in the Plainview cemetery.

## F. H. S. Declaimer to Go to State Meet Next Wednesday

LUBBOCK—Winners in the Interscholastic League meet, Region 1, held here Saturday, included Jennie Chowning of Floydada, who placed first in junior girls declamation. She is eligible to compete in the state meet in Austin May 2 and 3.

Others from Floydada high who placed at the meet were Barry Roston, second in junior boys declamation; the once-act play cast which placed third. The Floydada track and field squad failed to register a single point in the athletic competition.

Representative George Mahon reports that the long awaited labor bill designed to protect the public and prevent abuses by labor bosses and management passed the house of Representatives in Washington last week by the overwhelming vote of 308 to 107. The bill now goes to the Senate for consideration where some revisions are anticipated.

Mahon expressed the hope that when the bill is put in final shape it will be reasonably fair to all concerned meaning fair to labor and industry and not least of all, the public.

## Mrs. Bessie Harris In Cafe Business

Mrs. Bessie Harris completed a business transaction last week in which she purchased the California Street cafe from David R. Goodson and opened for business Friday under the name of Bessie's Cafe.

Mrs. Harris said the cafe would be open for business from 5 a. m. until 10 p. m. on week days and 9 a. m. until 9 p. m. on Sundays. She has employed Mrs. D. G. Halsey as lunch cook, Edd Mason as fry cook and Marjorie Miller and Mae Mullins to take care of the orders.

FLOYDADA QUARTET WILL GIVE CEDAR HILL PROGRAM The Floydada Quartet will present a program for the members and their husbands of the Cedar Hill Home Demonstration club Wednesday night, May 7, at 7:30 o'clock at the home of Mrs. C. W. Dillard.

An interesting musical program has been planned by the club. Roll call will be answered by giving the name of an American composer.

## Plains Tourists at Galveston View Disaster Evidences

Mr. and Mrs. Glad Snodgrass Mr. and Mrs. G. L. Snodgrass, and their sister, Mrs. Will Reeves, of Jerico, on a Gulf coast pleasure jaunt last week, were preparing to leave by auto for Texas City from Galveston when the explosion at Texas City threw several counties into a maelstrom of fire, tragedy and confusion Wednesday of last week.

Glad Snodgrass said their car, enroute from Galveston over the causeway to the mainland, passed scores of ambulances and other conveyances in various states of damage and full of the concussion-injured persons being taken to hospitals.

Leaving Galveston before 9 o'clock they were five hours or more reaching Houston, 40 miles distant on routes that detoured principal highways being used for relief traffic.

The plains party were uninjured. Although 10 miles distant from the disaster they saw many horribly mangled humans being hurried for hospitalization to points outside the disaster zone. Mr. Snodgrass said.

## SPRING HOUSE CLEANING

Keeping a town clean like keeping a house clean is a never-ending job. We note the mayor is reminding the citizens,

"Please take notice to your surroundings and let's get the whole town in ship-shape."

As he reminds us it doesn't take much time to clean out an alley and the fact that one may think it is the town's duty or somebody else's duty to clean up the alley where he and his neighbors have messed it up, still leaves the trash and dirt and unsightly surroundings just the same.

The spring clean up has a place in every community, it is true. Anything you can get people to do under the spur of enthusiasm is fine. But to keep a community clean you have to work at it more days in the year than just one morning in April or May. Let's follow the advice of the mayor. Let's take notice to our surroundings and see if we like the way they look. If the view does not appeal, a little time spent cleaning up will be a quite effective thing to do. Especially, if you plan to call the city about something else in your part of the community that displeases you.

## REED-BULWINKLE BILL

The pilot of this column must be a Tory or an oligarchist, a bloated plutocrat or something of the kind. We note many of the nation's best people, who struggle hardest to care for and uphold the viewpoint and rights of the common people are much against the Reed-Bulwinkle bill, which railroads are trying to get passed through the national legislative body.

This bill, or some such law, must become effective, in our opinion, before the railways of the country can begin to serve the people in the best and most economical manner. You've heard that it will make for collusion among carriers and practically nullify the anti-trust laws so far as the railways are concerned. We don't believe this. We are sure, so far as we are concerned, that it is costing railway stockholders and the public many millions of dollars annually not to have a law of the Reed-Bulwinkle type on the statute books. That will be heresy to a lot of good people. But common sense about most anything has got to be heresy in recent years, has it not?

## NO PUNITIVE LABOR BILL

Most everybody appears to expect Congress to pass some kind of enactment relative to the matter of curbing the Labor bosses. It will be recalled that bills trying to curb the Capital bosses occupied the time of our Con-

gress for three or more decades. Many of these bills were done in haste and with poor judgment. Many of them have had bad rather than good results.

The same will be true of any labor bill that tries to punish the labor leaders.

What one would hope, but probably not expect, of congress would be a law that would curb the high-handed activities of the Labor bosses, for the good of all, the laboring man and the rich alike, and restore as nearly as can equal rights for all before the law. Surely we already have enough laws on the statute books to curb violence where violence is not condoned locally.

Even-handed fairness would be ideal. But it is true that the hue and cry of militant minorities now have a great deal to do with the kind of laws passed, with the attitude of executives in carrying out the laws. If, out of the welter, some sense of equilibrium can be maintained and reflected in actions of the national legislative body, is that too much to hope for.

## TOO MUCH DEMOCRACY

The men who founded the American government wanted it to be a representative type of government, and so framed the constitution. Latterly, we have been moving fast over toward unbridled democracy, where the hysteria of the day is reflected quickly in the laws and in the attitude of the men that serve us in high places.

There is nothing one can do about this trend, we assume, except to deplore it. Government by hysteria, by mob, by whosoever can work up the loudest claque, won't reflect the high type of government which we might as well have had.

## FARMERS DIDN'T WANT IT

It must be recorded to the credit of the farm people of America that they didn't want government by class and clique, by minority, and pull and tug, and loud and vociferous demand, such as we have. They fought it for three or four generations and only when their plight became such that the farming man was about to become a serf did they finally come around to joining in the mess.

A few still hold back but for the most part the farmer has found out that the interest which does not seek for, even demand, special privilege, is not going to get even a fair break in this country of ours. Right or wrong, it has come to a matter of self-preservation, which is one of nature's more compelling laws.

Veterans Administration now has 268 full-time chaplains representing 29 churches in its 136 hospitals and homes.

## Floyd County 14 Years Ago

(Issue of April 27, 1933)

F. C. Harmon, appointed as member of the City council of Floydada at a recent meeting to fill the place made vacant by the decision of Carl Menor not to serve, was formally inducted into office at a special session of the council Tuesday afternoon.

County Tax Assessor Roe McCleskey is hearing the completion of his job of assessing taxes for the current year. He has been spending his time over the county seeing property holders for the last 60 days. Work was started Saturday on the foundation for a second unit to the power plant of the Boothe Flour mill in the industrial section. The new engine will be operated by natural gas and like the unit in use at the present time, will have 65 horse power.

E. F. Eastridge, who has been in the Plainview sanitarium since the last week in January following an operation, was brought to his home Monday in an F. C. Harmon ambulance.

Most gratifying progress on the work of cutting down the south side of the Blanco hill at the Falls crossing is indicated this week from Commissioner A. S. Cummings and the Unemployment Relief committee who say that more dirt has been moved on this job in the first two weeks than at first anticipated.

That Floyd County people do not want the 110th Judicial district abolished or hashed up just to save some other districts, is the burden of telegrams forwarded to Austin last night and this morning from Floydada and Silverton citizens who see in the newest judicial arrangement proposed just a chance to "fix up" one or more districts in the territory.

Mrs. Mary Paulkner of Estelline, district deputy of the Order of the Eastern Star, who met with the local chapter in a called meeting Thursday night of last week, complimented the members and gave the chapter a good report on the work being done here.

A meeting on Saturday, May 6, of the executive committee of the Pioneer Settler's reunion in Floydada, scheduled to be held on Monday, May 29, has been called by Glad Snodgrass, president of the association.

Mrs. Claude Merrell is in the Lubbock sanitarium where she was taken Thursday of last week for medical attention.

## Hail! HAIL! HAIL!

To the Farmers and Property Owners of Floyd and Adjoining Counties:

I am pleased to announce that under the supervision of Mr. Ed Holmes, field man for the Farmers Union and Panhandle Mutual Hail Insurance Companies, I am able to offer the Farmers (of which I am glad to say I have been one for forty years) of Floyd and adjoining counties, along with the low cost, full coverage Fire and Tornado Policy

## A Full Coverage Hail Policy on Wheat and Other Growing Crops at a Price You Can Afford to Pay

Why not take this policy now as it will cost more than later? And with the knowledge of the frequent Damage by hail, the price of Wheat and the Privilege of Cancelling should you see you are not going to make a crop up to the 10th of May.

So why not insure now and have the protection. The Panhandle Mutual is licensed under the Laws of the Insurance Department of the State of Texas and has the required assets to Comply with the State Required Reserve. It paid all losses in full last year to the Satisfaction of the Policyholders.

So, contact me for one of these policies. We have my office at my home, 311 West California Street, 2 blocks west of the square, just across the street from Phillips 66 No. 1 Filling Station.

Drop me a card and I will hunt you up, or Phone No. 373 J.

Thanks for the nice business given me last year both in insurance and real estate. Am soliciting listings on anything you have to sell. Why pay more and get less? See me before it hails.

but merely trying to spur your better judgment into action. If you should lose your grain crop from hail how will it affect your financial plan?

With present prospects for protection and price, should you save your crop, you can pay off land mortgages, buy more land, that new Automobile, farm machinery, pleasure trip, many other things,—if none of them, then swell your bank account.

Why spend twelve months of time, labor and a great deal of money producing a grain crop and then have it swept away in a few minutes from a hail storm?

We regard hail insurance on growing crops as a business necessity and should be treated as cost of production just like any other cost connected with raising a crop. SEE US TODAY.

### Conservation District News

Supervisors of the Floyd Conservation district met in regular monthly meeting Tuesday morning. Supervisors present Chairman R. C. Dunlap, W. H. ... and W. F. Ferguson. Also present was W. Scott Amend, district conservationist of the Soil Conservation Service.

the terraces could be worked and would grow wheat, Mr. Clark says that he is convinced that he was mistaken. A draw runs through the farm, cutting it in half. One half was terraced after wheat harvest last year. The other half left un-terraced. The entire acreage was planted to wheat last fall. When the fall rains came, a considerable amount of soil was washed off the un-terraced half and the wheat stand was ruined on a part of the area according to Mr. Clark. The terraces on the terraced half stood full of water from end to end and the water went over in two or three places. But even with the water going over the terraces, he says the damage from soil loss and crop loss was very slight in comparison with the unterraced half. Clark says after the owner, Mr. Mahon looked the farm over following the rains and suggested that he come in and make arrangement with the Soil Conservation Service boys to get the remainder of the farm terraced as soon as the wheat is harvested.

**NOTICE AND ORDER OF  
ELECTION**

Whereas, on the 19th day of April 1947, a petition signed by more than two hundred (200) Qualified Property Tax paying Voters of Floyd County Texas, was presented to the Commissioners Court of Floyd County Texas, praying that such Commissioners Court call an election by the qualified Property Tax paying Voters of said County to determine whether an additional Road Tax not to exceed the sum of fifteen (15) cents on the One Hundred Dollars valuation of all Taxable property in said County, shall be levied on said property by the said Commissioners Court, as provided by Articles 6790, 6791 and 6792 of the Revised Civil Statutes of 1925 of the State of Texas, and Article 8, Section 9, in the Constitution of the State of Texas as amended, such Tax to be in addition to the Road and Bridge Tax already provided for at this time in said County;

And, whereas, on the 19th day of April, A. D. 1947 at a Session of the Regular Term of said Commissioners Court of Floyd County, Texas said Session of Regular term of such Court having been adjourned on the 14th day of April, A. D. 1947 to meet on the 19th day of April 1947, the said Commissioners Court of Floyd County, Texas, did make and enter an order calling such Election as prayed for in above described petition, to be held on the 17th day of May, A. D. 1947 in all of the election precincts in Floyd County Texas, to determine whether such additional Road Tax in the sum of Fifteen (15) Cents on the One Hundred Dollars Valuation of the property subject to taxation in the said County, such election to be held in accordance with the provision and for the purpose set forth in Articles 6790, 6791 and 6792 of the Revised Civil Statutes of the State of Texas, of 1925, and as provided by Article 8, Section 9, of the Constitution of the State of Texas; And whereas it was further Ordered by said Commissioners Court that such election shall be held and conducted in accordance with the laws regulating General Elections, in so far as the same are applicable, and that the County Judge shall issue the order thereof and cause public Notice thereof to be given as provided by law;

Now, Therefore, I, W. E. Grimes in my official capacity as County

Judge of Floyd County, Texas, as Ordered by the said Commissioners Court of Floyd County, Texas, and in accordance with the Order of said Commissioners Court of Floyd County, Texas, do hereby order that an election be held in all of the Election Precincts in Floyd County Texas, on the 17th day of May, A. D. 1947, to determine whether or not a majority of the legally qualified resident property tax paying voters of said County, who own taxable property in said County and who have duly rendered the same for taxation desire to further tax themselves by voting an additional ad valorem (Annual) Road Tax in the sum of Fifteen (15) Cents on the One Hundred Dollars valuation of the property subject to taxation in said County of Floyd, Texas, and to determine whether the County Commissioners Court of Floyd County Texas, shall be authorized to levy assess and collect Annually such additional Tax of fifteen Cents on the One Hundred Dollars Valuation of Property in said County subject to taxation, such Tax to be in addition to the present Road and Bridge Tax of 22 cents on the One Hundred Dollars Valuation of taxable property in said County, said additional tax of fifteen Cents on the One Hundred Dollars of property to be Voted on to be used, if authorized by a majority of the Qualified property Tax paying voters, voting, to be used for the maintenance of the public roads in said County.

All persons who are legally qualified voters of this State and of this County and who are resident property Taxpayers in said County who own taxable property in said County and who have rendered the same for taxation, shall be entitled to vote at said election, and all voters who favor the above and aforesaid taxation for maintenance of the Roads in Floyd County Texas, shall have written or printed on their ballots or tickets the words:

"For The Tax"

And those opposed to such additional Taxation shall have written or printed on their ballots or Tickets the words:

"Against The Tax"

All Judges of election and other election officials hereto are appointed to hold General elections in the various precincts (Election) in the County shall hold the elections in their respective precincts, and the presiding judges of the various voting precincts in the County, shall within five days after said election has been held, make due return thereof to the Commissioners Court of this County as is required by law for holding a General Election.

It is further ordered that a copy of this Order or Election Proclamation be published at least once in the Floyd County Hesperian, of Floydada, Texas, and at least once in the Lockney Beacon, Lockney Texas.

Dated this 19th day of April, A. D. 1947.

W. E. Grimes  
County Judge of Floyd County Texas.

## HAIL! HAIL! HAIL!

Farmers don't raise wheat in an "Office" and they don't seem to care if their "Hail Policy" is written even in a fence corner. With the saving they put the "Convenience" in their own Farm Homes and seem to like it.

Farmers don't even like the "Adjustment" to be made in an office. But they do like for our "Main" office to be in TEXAS. And that's where it is. Ownership too!

The fact that there was no 10% deductible clause in our policies last year meant an extra \$40,000.00 to the farmers who had losses that were insured with us in their own Texas Panhandle Mutual Hail Association. Our actions and State records are beginning to speak louder than "Their" words. Check your own State records if you think Out of State Stock Companies bring money into Texas?

If it's practical to own your own home—why not your Insurance Companies, too? "They" don't pay you to run your business!

Thanks for being so loyal and thanks for your business—and we do have a lot to be thankful for.

### Jennie Chowning Is Regional Junior Story of a Study (?) Hall Drama

Floydada was well represented at the regional meet in Lubbock Saturday, April 19. Jennie Chowning, who entered in junior girls' declamations, won first place.

Barry Rosson, who entered in junior boys' declamations, won second place.

"Pink and Patches," Floydada's one act play, placed third. The cast consisted of Kay Crumpton, Ruthie Harmon, Hazel Patton, and Gene Jackson.

Ruthie Harmon was one of the three girls to make the all star cast.

The entire student body is proud of these students and appreciate the work that they have done to bring honors to our Floydada High School.

### DE QUACKER

Greetings, me ll' chickadees! Just grab a nice comfy chair and settle back while I dish out this nice, juicy scandal.

I had to look twice! Yes sir, I was afraid these old papers were deceiving me, but at second glance I saw the same thing. That gal that is going steady (at least Claud thinks so) Bobbie Medien! And what a time she and Dan Goodson were having in the American History class. You can't fool me, kids they were making history.

From where I sit, it looks as if Mava Smith has a new romance every week. The latest I've noticed is Bobby Jack Harbor. Who will be next?

I try to know everything (and usually do) but the one thing that I do not know is who is the boy that Joyce Jarrett is so deeply in love with. She turned down three dates to the banquet and said that if she couldn't go with the one she wanted to she would go alone. That my pet, is love!

Speaking of love, Reta McCormick and Floyd Lyles are still going strong after three months of going steady. Can this be getting serious?

Say, Jeanne, did you go with Dan to that party that you were talking about? I wonder what Edward thought?

Some of the kids here in F. H. S. still don't know that the study halls were created for the purpose of studying. For instance, Randall.

HESPERETTE galley two Warren and Lou Ola Ewing lose no time in fifth period study hall every day, and they are not studying lessons that teachers assign. My how cupid's arrows fly!

Is it Dwina and Jim, Marihelen and Jim, Marlene and Jim, or just who is it? I'm all confused. Every time I turn around its a different one, but I have a feeling that Dwina is the one for whom he really cares.

Hazel has a new flame, too. Chuck Dunn from Crosbyton. They've been seen together quite a bit. Mmm!

From what I hear Ruth has fallen head over heels for Buddy Amburn. He hasn't seemed to realize it yet but I think that he will—soon.

Valrie has been seen in the company of Lane Decker quite a bit recently. The spring love-bug is bringing out several new romances!

So Reva had a chance to go with Gene Messer last Sunday night but since she didn't have her les-

### Band and Guests On Canyon Picnic

Members of the Floydada High School band and their guests were entertained with a picnic at the canyon Sunday afternoon, April 20.

After meeting at the high school at 1:30, everyone jammed into the school bus for what they thought would be an entertaining afternoon of playing games and eating. How-

ever, it seemed that it was not intended to be that way; because immediately after they had left town they ran out of gas, had to push the bus, got lost, lost June's shoes out the window, and barely had time to eat before coming back to town. However, everyone returned to town more or less, safely.

Those present to enjoy all this fun were:

Chick Lambert, Mickey Kennamer, Mary Maxey, Roberta Garrett, Joy Bunch, Margaret Abbott, Armenta Berry, Molly June French, June Powell, Betty Lou Tye, Billie Frances Sisson, Jane Johnson, Mrs. Clyde Haden, Sand and Julie Haden.

Barry Rosson, Dale Johnson, Junior Perry, Travis Jones, Orby McCleskey, Jack Hough, Pete McGee, and Clyde Haden.

Mr. and Mrs. Truitt Austin and children of Georgia are here visiting in the home of his parents Mr. and Mrs. E. C. Austin.

Mrs. J. A. Burrus was in Seminole Friday to Monday to visit her uncle, J. A. Sparks.

Mrs. N. E. McCune of Tulsa visited in the home of Mr. and Mrs. A. B. Keim over the weekend.

## Price Family Home Following Rites For E. C. Thomas

Members of the F. M. Price family have returned to their homes here and elsewhere in the southwest following their attendance at the last rites said for Everett C. Thomas, 53, husband of the former Virgie Price, Wednesday afternoon of last week at Roswell.

Among these were Mrs. Thomas' parents, Mr. and Mrs. F. M. Price and her brother and sister-in-law Mr. and Mrs. Claude Price, of Floydada. Mrs. Hattie Baker, an aunt of Lubbock, a sister, Mrs. Ruby Renick of Fairfax, Oklahoma; Mr. and Mrs. Marvin Davis, of Houston, and W. H. Sharp.

Killed by Power Line  
Mr. Thomas was electrocuted when he came in contact with a high tension line carrying 7200 volts of electricity near the Ross Whitney farm east of Roswell, said news dispatches last week.

Thomas was born at Mulberry Gap, Tennessee, April 29, 1894. As a small boy, he moved with his parents to Corinth, Mississippi, where he attended the public schools. He served in the army during World War I and was post commander of the Floydada American Legion post. He operated a sheet metal shop here until 1938 when he moved with his wife to Roswell. For the past four years Mr. Thomas had been employed as supervisor of the maintenance department at the RAAP.

Survivors include his wife, two sisters, Mrs. M. E. Bradley of Clovis and Mrs. M. J. Overton of Hernando, Mississippi; three brothers, C. B. Thomas of Hereford, Roy Thomas of Corinth and John Thomas of Jackson, Mississippi.

Shareholders of Consumers Fuel association Monday afternoon re-elected C. O. Spence, G. C. Collins and Roe Jones as members of the board of directors in a meeting in the district court room which was well-attended.

The election followed reports of the board of directors and C. C. Huckabee, manager, and C. A. White of Lubbock, who audited the accounts of the association for the year. Reports indicated the biggest dollar volume of business in the quarter-century history of the association, and a substantial financial position at the end of the fiscal year on March 31.

The members heard talks by R. V. Meacham, director of the Consumers Cooperative associated at Amarillo, A. L. Hartzog, county agent of Floyd county, and Bob Alexander of Lubbock.

J. A. Lloyd and L. A. Williams are hold-over members of the board of directors. C. O. Spence, president of the association, presided at the meeting.

Mr. and Mrs. George Stiles returned this week from a trip downstate, visiting at Port Arthur on the coast.

## First Methodist Church Services

In the eleven o'clock morning worship service at First Methodist Church of Floydada "Young People's Day" is being observed. Representatives of the Methodist Youth Fellowship will take part in the service as part of the plan for this occasion. The pastor, Rev. Lloyd H. Jones, will deliver the message.

The third "Vesper Hour" service will be conducted at 5 o'clock Sunday afternoon. The new departure in evening worship is proving satisfactory to the congregation. Following the close of this service the Youth Fellowship meets for an investigation of the life and teachings of Jesus as found in the gospels.

The men's study group meets on Wednesday evenings at 7:30.

Regular choir rehearsal is conducted at 7:30 each Friday evening.

The Woman's Society of Christian service meets each Wednesday afternoon at 3.

## OUTWEAR PREWAR TIRES

The new B.F. Goodrich tire has a wider, flatter tread that puts more rubber where it counts... on the road. More rubber there means more to share the wear... less wear at any one point... better mileage... greater safety all the way.

More rubber also means more grip... more safety from skidding... better stopping. This huskier tread is held by a sturdier cord body made with stronger cords and more of them to give more protection against blow-outs and greater resistance to road shock.

It all adds up to better service longer. That's why the new Silvertown is best in the long run. You pay only regular prices for the extra value features of the new B.F. Goodrich Silvertown that actually costs you less per mile.

**WAGES AND THE TELEPHONE STRIKE**

Because wages are at issue in the telephone strike, let's take a look at what operators here are now getting. Almost all telephone people are in this group.

But the union wants to increase the beginner's rate of pay from \$26 to \$41—up \$15 a week. Also, they would increase the top wages from \$34 to \$51. That is an increase of \$17 a week.

The basic work period is a five-day, 40-hour week. Scheduled employees are paid overtime for time worked over eight hours a day, premium time for Sunday and holiday work, and added money for evening and night work.

We believe most people will agree that present wages are good. The company believes that no increases are justified at this time.

**OPERATORS**  
A girl just out of high school, with no previous experience, starts at the beginner's rate of \$26 a week. But if she works after 9 p.m., she gets \$27.50 a week, and if that week includes Sunday work, she gets \$30.10.

The way to resolve these differences of opinion and settle the strike is to arbitrate the wage issue. That would be fair to our employees, to telephone users, and to the company.

The beginning operator gets a raise in pay every six months for the first year. An operator with 12 month's experience, for example, gets \$28 for a normal 40-hour week. If it includes evenings and Sunday, she earns \$32.30.

Nearly three weeks ago the company proposed that Governor Jester and the governors of the other four states in which we operate appoint a panel of five impartial citizens—men with a knowledge of conditions in this area—to arbitrate the wage issue. The company enlarged its offer to include not only basic wages but such other demands as length of time for employees to reach top wage rates and wage differentials between different communities.

Periodic increases bring the operator to the top rate of \$34 a week. If she works evenings and Sundays, her weekly earnings are \$38.90.

The company urges union officials to reconsider the offer of arbitration. It is the fair way to settle the strike, restore full telephone service to the public, and get the telephone wage issue decided equitably.

## Clemens Resigns Superintendentcy

LOCKNEY, April 18—Hardy P. Clemens, superintendent of the Lockney school system for the past several years, offered his resignation to the board of trustees Monday night and it was accepted effective July 1. The resignation was accepted by the board of trustees Monday night.

Clemens had accepted a position as superintendent of schools at a place, 11 miles west of Lockney, at a substantial increase in salary, it was said. He will take up his new duties there July 1.

Clemens said he hoped to get a building program for the grade school well along toward completion before he left Lockney. Applications now in with the War Assets Administration for surplus government buildings which will be con-

## Gid Mayfield Rites Held at Silverton

SILVERTON, April 17—Last rites were held Tuesday of last week for Gid Mayfield, 77, long-time resident of Silverton and Briscoe county, who passed away April 6 at the Plainview Sanitarium, following a short illness.

Mr. Mayfield was born August 20, 1869, at Albany, Indiana. At the age of seven he moved with his parents to San Marcos, Texas, later moving from there to Clay county. At the age of fifteen he began working on ranches. A lover of range life, Mr. Mayfield rode the trail from Yellow House to Honeywell, Kansas and was among the first J. A. Ranch cowboys. In 1891 he settled in Briscoe county on his present ranch.

Survivors include his wife, Mona Mayfield, three sons and their wives, G. Roy and Alvie Mayfield, Pat, Mattie and Lillian and five grandchildren.

Funeral services were held from the high school auditorium on Tuesday April 18, at 3 o'clock with Earl Cantwell assisted by Rev. G. A. Elrod, in charge of the services. Interment was in the Silverton Cemetery.

Club in Social Meeting

Mrs. Johnny Wilson and Mrs. Menard Field were co-hostesses to the members of the Home Demonstration club and their husbands' party last night, April 11, in the home of Mr. and Mrs. Johnny Wilson. Games of 43 and 84 were played. Lovely refreshments were served to Mr. and Mrs. E. P. Smitherman, Mr. and Mrs. J. B. Smitherman, Mr. and Mrs. George West, Mr. and Mrs. H. R. Hartman, Mr. and Mrs. Wade Deavenport, Mr. and Mrs. Bryant Higginbotham, Mr. and Mrs. H. L. Marble and Mr. and Mrs. Menard Field and Mr. and Mrs. Johnny Wilson.

The next party will be April 25 in the home of Mr. and Mrs. Wade Deavenport.

## FRIENDSHIP CLUB MEETS WITH MRS JUDY HOSTESS

Mrs. E. L. Judy was hostess to a meeting of the Friendship Home Demonstration club Thursday April 10, at 2 o'clock.

Lella Petty gave a timely and interesting demonstration on clothing. Clothing suitable and not suitable to different type people was discussed. It was learned that stripes add height, medium checks and designs are good for the taller person. The plump person should avoid short coats, short sleeves and wide belts. They should wear box coats, long lines and V-shape neck lines. The small person should wear unbroken lines of color and long coats. They should avoid too large hats and accessories. Carrying oneself well is the main point in wearing clothes well.

An apron pattern exchange was an added feature to the program.

The Easter motif was carried out in the refreshments. Visitors present were Mesdames E. B. Chesnut, Clarence Jones and baby Janice. Members present were Mesdames R. M. Stovall, S. H. Horn, Joe M. Smith, Mal Jarboe, R. H. Ashton, A. H. Kreis, J. C. Odum, George Stiles, Lee Rushing and the hostess, Mrs. Judy.

"Good Manners" was the theme of the program at the meeting April 7 at the home of Mrs. Joe M. Smith.

## SURGEON HAS BEEN NAMED FOR CROSBYTON HOSPITAL

CROSBYTON, April 11—Directors of the Crosbyton Cooperative General hospital tentatively chose Dr. M. R. Snodgrass of Michigan City, Indiana, as surgeon for the local institution in a session held Saturday morning. Although no formal contact has yet been made, an agreement was reached with Dr. M. R. Snodgrass of Michigan City, Indiana, in which he would take over the duties of surgeon here.

### Texas City Fund Response Liberal

"Florida is doing its part in helping to raise funds for aiding the injured and homeless of blast-devastated Texas City," Carl Minor, Floyd County Chairman of the American Red Cross, stated today. To date \$134.89 has been contributed which will be sent through the Red Cross directly to Texas City to aid in relief there.

Last week Minor received the following wire from the St. Louis headquarters of the American Red Cross: "The Texas City Explosion, American Red Cross made initial appropriation \$250,000 to meet needs of families. Additional funds will be made available if needed. Many people in your community no doubt desire to make financial contributions. Your chapter authorized to publicize the fact American Red Cross will gladly accept voluntary contributions for this disaster." Copies of this wire have been placed in various stores around town and donations to the fund will be accepted in these places.

"If you plan to give to this fund, give this week because the need is now," Minor urges.

### Show Building

(Continued from first page)

cultural display, for rodeo, softball - other community activities will be formulated on a 20-acre tract obtained through public subscription two years ago and it will be worked out so that the program can be expanded to meet any reasonable extent. Title to the grounds is now legally in the name of Florida Rodeo association. When first obtained the ground was in the name of Tule Jones as trustee, who insisted that it be put into the hands of some organization.

Chas. Steen, secretary of the association, said that since the ground was obtained with funds donated by the public the organization attempted to get the county, or city or some other public or semi-public body to take title. Finally the association was formed on a non profit basis to effect the change to a permanent ownership. "There should be no difficulty as to title and any improvements made will still be the property of the public through membership in the Rodeo association," he said.

What the total outlay is likely to be was not indicated this week, since the committee had not time to formulate plans and submit them. Some landscaping and engineering for street extensions and possible additional drains are included in the approval of the public when decisions again are sought.

### JOHN BROWNLOW RITES ARE HELD IN HARTLEY

HARTLEY, April 19 (Special)—Funeral services for John Clayton Brownlow were held Friday afternoon from the First Baptist Church. Pastor C. F. Bryant was in charge. Burial was in the Hartley Cemetery.

### Payne Rites

(Continued from first page)

Rev. Sidney Johnson of Floydada pastor of the Antioch Baptist church officiated in the rites at the Boy Wood chapel. Burial was in the Palmview cemetery.

The body was brought to Palmview from the F. C. Harmon Funeral Home at Floydada.

Payne's death was the second resulting from the collision which occurred a half mile west of Lockney. Don G. Howell, 31, of Palmview who was riding with Payne was killed instantly. His funeral was held at the First Methodist church here.

Payne was a member of the Friendship Baptist church in Floyd county.
