

# The FRIONA STAR

VOLUME 58, NUMBER 34

SUNDAY, MAY 30, 1982

25¢

12 PAGES, PLUS SUPPLEMENTS

**Star Lites**  
By Bill Ellis

**AN IMPORTANT ISSUE**, which residents of this area need to be concerned about, is the proposal which the U.S. government has to dump nuclear wastes in this area.

So far, test holes have been drilled by the government in Deaf Smith County and in Swisher County. Residents of these areas, along with most people in the entire Panhandle, are entirely opposed to such a program.

As much land as there is in such states as Nevada and Utah, where you can drive for miles without seeing so much as a jackrabbit, it seems so foolish to even be considering a nuclear waste disposal in an area which (1) supports people, and (2) grows the majority of the nation's foodstuffs.

But if you've been around long enough to witness such events as the give-away of the Panama Canal, you must realize by now that the government does not always necessarily do the things which on the surface appear to be the most sensible, least costly, etc.

So, it behooves all taxpayers to mount a campaign, contacting their elected representatives, both in the House of Representatives and in the Senate, to voice their opposition to this proposal.

Only about a year ago, residents were having to fight back the proposal to locate the MX missile system in this area, but this program appears to have been detoured, if not shelved entirely.

Between constantly having to fight the government on such issues as the MX and nuclear wastes, plus the inability to get legislation favoring agriculture, one would almost think that there is a conspiracy in Washington to do away with the farmer, or at least farming as we have known it in this area.

But if this happens, what is the nation going to do for its foodstuffs? We would like to have an answer to this question.

**FRIONA NOON LIONS** point out that they definitely will hold their annual July 4th Luncheon, and are in hopes that the balance of the day's activities will remain intact, much as in recent years.

In addition to the luncheon, games are usually sponsored by the Friona Evening Lions and Chamber of Commerce.

Fireworks continue to be the major question mark.

To date, the following have donated to the fund (\$800 is needed):  
Tasty Cream Drive-In . . . \$50  
Friona Star . . . . . \$50

## Sis-Sons Is Open Here

Billy Wayne Sisson announces this week the opening of Sis-son's, Inc., in the former location of Friona Consumers. Philip Weatherly has been named manager of the new company.

"At the present time, we are handling all types of fuel—gas, diesel, regular and unleaded, on a wholesale and retail basis. Later, we may add some farm supplies as the need indicates," Weatherly said.

The station has been re-opened, and Weatherly said the key-pump is operational. Those holding keys from Friona Consumers, who wish to renew their keys for use are asked to come by or contact the company.

"We plan to be competitive on our gas prices," Weatherly said.

## Library To Open June 1

The new Friona Public Library will open on Tuesday, June 1, it was announced this week.

The summer reading program will also begin that day.

An open house will be scheduled for the library in the near future.

## Area Receives Good Rainfall

The Friona area received its "annual" end of school rainfall during the past week, which produced 2.25 inches of rain, the most recorded locally in nine months.

The week's rainfall brought the total for May to 2.78 inches. The last 30-day period approaching this total was September of 1981, when 2.73 was measured, and it is the most since last August's total of 5.83 inches locally.

The biggest percentage of the week's total fell on Tuesday night, when a booming thundershower swept across the area. This cloud threatened to spawn tornadoes, as several residents reported seeing funnels trying to dip down from the cloud as it approached.

After the rain began, it was a virtual downpour, and nothing could be seen. No tornado warning was sounded in Friona, but the area had been put under a "tornado watch" by Amarillo radar earlier.

Farmers were glad to receive the moisture, but as is usually the case this time of the year, the week's rain was not without some accompanying hail, which did considerable damage in parts of the county.

Generally speaking, the Friona area was spared any hail damage, but Monday and Tuesday's storm, which

moved from northwest to southeast across the county both nights, left a path of damage from northwest of Bovina, also hitting the town of Bovina, and then southeast to the Lazbuddie community.

Several farmers along either side of that line reported having their crops, which included young cotton and corn, and wheat, completely hailed out. In Bovina, several homes reported broken windows on each of the two nights.

Monday night's storm featured hailstones the size of golfballs reported in the Muleshoe area. The hail was not that large in the path across Parmer County, but was accompanied by a high wind, which caused the hail to virtually shred some fields.

John R. Cook, and Ben Rejino, who farm between Hub and Bovina, were among those experiencing hail damage this week, according to John Baca. Jerry Barber at Lazbuddie said several farmers in that area lost their crops.

The dryland area at Rhea reported a good rain during the week, with little hail damage to speak of.

Most of the cotton will be replanted, according to observers, although farmers will need a break from the weather in order to get their crop planted in time to mature.

## City Swim Pool To Open June 4

The Friona Municipal Swimming Pool's opening for the 1982 season has been scheduled for Friday, June 4, with a "Splash Day" in which all swimmers will be admitted free of charge, Friona City Manager Jerry Lewis announced this week.

Re-modelling work on the pool facilities continues. The rebuilding of the dressing rooms is virtually finished, and work was underway this week on the pool itself, which has been cleaned out and readied for repainting.

Lewis said the pool would be sandblasted, and given a special coating of paint, which requires a week to cure, before it can be filled with water.

Hours for the pool this summer will be from 9 a.m. to 9 p.m. through the week, and 1-6 p.m. on Sundays.

The pool will remain open on a full-time basis until the week school re-opens in the fall, and will continue a weekend schedule through Labor Day, Lewis said.

Lynn Weiland, a member of the junior high coaching staff, has been employed by the city as manager of the pool.

Lights have been installed at the pool to enable it to extend its opening schedule. There are four 500-watt quartz lights, which should be adequate for night swimming.

The pool will be made available to groups for parties beginning at 9 p.m. each day. Lewis says he hopes to have special nights, such as "teen nights," etc., at the pool.

Swimming lessons will be offered, under the auspices of the City of Friona, with a session scheduled to start on June 21, running three weeks. Cost of the 15 lessons will be \$30.00. A second session of swimming lessons will begin July 12.

Lessons will be offered for beginners, advanced beginners, intermediates and advanced swimmers.

Weiland and his crew of lifeguards will be considered regular City of Friona employees, Lewis said. The city is currently taking applications for lifeguard positions at the pool.

Lewis also announced that the former snack bar area at the pool will be renovated, and an arcade will be established, for the benefit of youngsters of the town. The arcade is expected to remain open after pool hours.

Proceeds from the arcade will go to help pay for the improvements being made at the pool.

Season passes are on sale at the City Hall. Prices are \$20 for children 1-12. It is \$27.50 for those 13 and over.

Family season passes are available for \$45.00.

Single admission prices will be \$1 for children 1-12, and \$1.25 for those 13 and older.

The pool will rent for \$30 per event, plus \$8 per hour per lifeguard. More information may be secured by calling the city office at 247-2761.

**VALEDICTORY....**Wendy Hinkle is shown delivering the valedictory address at the graduation exercises for Friona's Eighth Graders Thursday night.

**KELLY WIED**, class salutatorian for the Friona eighth graders, is shown delivering her address. Graduation exercises for the 72 Friona High School seniors were scheduled Friday night.

## Proper Use Of Landfill Sites Underscored Here

City Manager Jerry Lewis this week pointed out that there have been violations concerning the city landfill north of town, and reviewed the procedures for using both the north landfill and south landfill, and cautioned residents, both city and rural, to abide by the rules.

"There have been cases where people have been dumping and/or burning their refuse illegally at the north dump ground. If residents are caught dumping trash illegally, we will impose the strongest fines possible," Lewis said.

The city manager pointed out that the City of Friona can be fined up to \$10,000 per day if found in violation of the state code regarding the landfill facilities. At the present time, the city does not have a permit to burn refuse, although it is working on securing such a permit, Lewis said.

Basically, here are the rules regarding each of the city's landfills.

The "north landfill" is located a mile north of Friona on Highway 214. This landfill is open on MONDAYS ONLY, from 9 a.m.-12 noon and 1-4 p.m.

This landfill will accept brush, construction-demolition waste which is free from other solid waste; and barrels of fired ashes, which must be cool to the touch.

The landfill cannot accept paper items, dead animals or organic materials.

Charges for non-city residents are \$1 minimum load; \$5 for a pickup load and \$10 for a truckload.

## Fleming Wins Sousa Award

Presentation of the annual John Phillip Sousa award was a highlight of the annual concert by the Friona bands last Thursday night at the Grade School Auditorium.

Andy Fleming, senior member of the percussion section, was presented the Sousa award by James Whitis, FHS band director.

Also receiving awards for outstanding musicianship were Stanley Ellis, Jay Norsworthy, Sandy Spring and Gwendolyn Maurer.

## Temperatures

Date	Hi-Low
Saturday, May 22	81-31
Sunday, May 23	84-54
Monday, May 24	72-90
Tuesday, May 25	78-90
Wednesday, May 26	70-90
Thursday, May 27	86-51
Friday, May 28	75-54

Precipitation: .62 inch May 23; .32 inch May 24; .32 inch May 25; 1.83 inch May 26; .80 inch May 28. Total for week: 2.25 inches. Total for month: 2.78 inches.

The "south landfill," located 1.5 miles southwest of Friona on Highway 60, then ¼ mile west, will accept all types of household refuse.

The landfill cannot accept wire, brush, construction materials or dead animals. Dead animals must be disposed of by a rendering plant, or by the individual.

Charges are the same as for the north landfill. There is no charge at either landfill for city residents, although they may be asked to prove their identity and residency.

Residents of the city who have requests for special trash pick-ups may call the City Hall and make arrangements. This type of debris will be picked up only on Wednesdays, so the city office must be called in advance of that day in order to be picked up.

Both landfills are kept locked unless an operator or supervisor is on duty.

## Pioneer Shows Profit Growth

Pioneer Corporation (NYSE) has reported that earnings for the first quarter of 1982 were higher than those for the first quarter of last year. The Amarillo-based energy-oriented corporation has now recorded 13 consecutive quarters in which earnings improved over those for a year earlier.

For the first three months of 1982, Pioneer earned 81 cents per share, an increase of 3.8 per cent from the 78 cents per share earned in the first quarter of 1981. Net income for the quarter was \$29.8 million, up 2.2 per cent when compared with \$29.2 million a year ago.

"Our landfills should be good for another 20 years if properly used. But we are required to enforce the regulations of the Texas Air Control Board and the Texas Department of Health," Lewis says.

One of the major problems is in disposing of old tires and chemical barrels. For such items as refrigerators or deep freezers, if the city is contacted, they will make arrangements to pick up these for disposal, Lewis added.

## Balloting Underway

Wednesday will mark the first day for absentee balloting for the June 5 Democratic runoff, according to County Clerk Bonnie Warren.

Ballots will need to be cast in the County Clerk's office at Farwell from Wednesday until June 1, which will be the deadline for casting absentee ballots.

The hours for casting absentee votes will be 8:30 a.m. until 5 p.m. at Warren's office in Farwell.

## Change Is Noted Here

A change in the make-up of Hub Aerial Spraying Service was announced this week.

Mal Carthel has purchased the company's aerial equipment, and will operate as Mal's Agri-Service. John Baca will continue to do ground application of chemicals.

Both companies will function at the same location.

**RECEIVE DEED....**One milestone was reached when the deed to the land housing the new Friona Public Library was received from Friona State Bank. Shown are library officials Billie Fairchild, Karen Renner and Kitty Gallman. The library opens June 1.

**SOSA WINNER....**Andy Fleming, right, was presented the John Phillip Sousa band award at last Thursday's band concert. James Whitis, band director, congratulates Fleming.

**Wendell Gresham Says ....  
IF HAIL RAISES A  
FUSS . . . MAKE SURE

## Date Given For VBS

Plans have been completed for the annual Sixth Street Church of Christ Vacation Bible School, which will be held Monday, June 7 through Friday, June 11, at Friona Community Center.

Theme of the school will be The Christian Life. Daily sessions will begin at 3 p.m. and end at 4:30 p.m. Qualified teachers will present a Bible lesson each day.

These sessions have been designed to include children from age three through fourth grade. Transportation will be provided and refreshments will be served.

Fifth grade through college students will meet in backyard get-togethers and devotionals each evening, beginning at 7:30 p.m.

**JANE DIXON** went through graduation exercises recently at West Texas State University. Jane received her degree in elementary education. While at WTSU, she was a member of Kappa Delta Pi, education honor society, serving as vice president in 1980-81. She was named Member of the Year in 1981. Jane also was a member of TSEA, the student affiliate of TSTA. She has been teaching seventh grade in Friona.

**SCOUT HONORS....**The Friona Girl Scout troop finished the year with a party at the home of Linda Knowles, Monday, May 17. Three girls received awards for top cookie sales. First place cookie salesperson was Sophia Mendoza, Linda Clark was second and Kim Alvarez, third. Scouts present for the event were (starting in back) Erika Bermea, Melissa Hand, Alison Walker, Kim Alvarez, Mendy Johnson, Kathy Contreras, Sophia Mendoza, Maria Davila, Shawn Cole, Trista Hand, Jennifer Smith, Bianca Burkett, Mendi Wilson, Tamara Hand, Tara Shelton and Linda Clark.

**LEGAL NOTICE**  
PUBLIC NOTICE OF INTENT TO CHANGE RATES  
Notice is hereby given that DEAF SMITH ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change rates for electric utility service effective June 13, 1982, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed changes. The proposed rates will effect a 12.28 per cent increase in the gross revenues of the Utility based upon the twelve-month period ending December 31, 1981 as the test year.  
The Utility intends to change its service rules and regulations including rules relating to obtaining service, line extension and line extension charges, the provision of electric service, service fees, and discontinuance of service.  
Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility customers affected is on file with the Public Utility Commission of Texas, and the municipalities of Hereford and Nazareth, Texas.

# Little League Results

A limited schedule of games was played in the Friona Little League during the past week, as play was suspended for the final week of school in each league. Only games of Thursday and Friday, May 20-21, are included in the current report.

## SENIOR LEAGUE

Benger Air Park ran its record to 3-2 by downing Black Grain in the only two games played during the past week.

Benger scored an 18-12 win in the completion of a game which stood at a score of 9-9 when time expired earlier in the week. Benger broke the tie with nine runs in the fourth inning when play resumed.

John Aguirre had two doubles in the same inning as Benger nailed down the win.

In another regular game, Benger kept its luck intact with a 9-8 win over Black Grain, in a game that saw the lead switch from one to the other team.

Benger scored six runs in the fourth inning to overcome a 6-1 deficit and went on to their third win of the season. Frankie Perez, Danny Perez, Eddie Raymond and Michael Gonzales each had a pair of hits for the winners.

Standings: Cattle Town 4-0; Benger Air Park 3-2; Bovina 1-3; Black Grain 1-4.

## MAJOR LEAGUE

(Books were not available for Major League. Thanks to Virginia Moyer for rounding up the books each week).

## MINOR LEAGUE

Two close games and one which was one-sided highlighted play in the Minor League during the past week.

Ethridge-Spring edged Hi-Pro, 13-11, to remain unbeaten in league play, running its season record to 4-0. The winners scored 11 runs in the last two innings for the win.

Six consecutive walks aided the Ethridge win, with James Perez' triple helping out.

Parmer County Implement scored their third win of the young season, a relatively easy 14-3 win over the B-J Bees. PCI scored eight runs in the first inning and coasted from there. Dustee Gee's triple was the big hit in the inning.

Friona Ford scored their second win of the season, a 10-7 decision over Hi-Pro in a Thursday game. The Fordmen were trailing, 7-1, before exploding for all their runs in a big fourth inning. Six walks, along with hits by Shannon Cochran and Hector Perez sparked the rally.

Standings: Ethridge-Spring 4-0; P.C. Implement 3-2; Friona Ford 2-2; Hi-Pro 1-3; B-J Bees 1-4.

## T-BALL LEAGUE

The Credit Union and Hub Grain scored wins in the only two games played in the T-Ball League.

Hub, which started league play with a pair of close losses, won their third straight game, 24-23 over Jack and Jill. It was the second close decision over that team, since Hub took a 32-30 win earlier in the week. (That's 56-53 altogether, and the scorekeeper has to stay alert).

Believe it or not, Jack & Jill did get the winners out, three up and three down in the fourth inning, but the damage was done. Hub has averaged 24 runs per game in five outings.

In the other game, Credit Union celebrated "Uniform Day" by outlasting Tasty Cream, 21-15. The winners overcame an early 8-0 lead by

Tasty Cream. Chad Hamilton had a perfect day, hitting a single, double, triple and a home run in four times at bat.

Kyle Potts also had four hits and four runs for the winners.

Christopher Alexander hit three homers and Luis Abeyta had two for Tasty Cream.

Standings: Credit Union 3-1; Hub Grain 3-2; Jack & Jill 2-2; Tasty Cream 0-3.

DR. WILLIAM BEENE

## Services Held Wednesday For Dr. William Beene

Funeral services for Dr. William Beene, 62, were held Wednesday, May 26, at 10:30 a.m. in the First Baptist Church of Friona with Dr. Carrol Green, pastor, officiating.

Burial was in West Park Cemetery under the direction of Ellis-Blackwell Funeral Home.

Born April 19, 1920 in Hereford, he married Rita Alvey May 10, 1947 in Clovis, New Mexico. They moved to Friona in 1960 from Paducah. Dr. Beene was an optometrist.

He was a member of the First Baptist Church, a 20 year member of the Friona Evening Lions Club, a member of the American Optometric

Association and a veteran of World War II, serving in the U.S. Army. Dr. Beene died Monday, May 24, in Parmer County Community Hospital.

Survivors include his wife, Rita, of the home; one daughter, Mrs. Sandra Awtry of Friona; one son, Brad Beene of Colorado City, Texas; one brother, Weldon Beene of Plainview; one aunt, Mrs. Ona Barnett of Plainview; and two grandchildren, Marc and Matt Awtry of Friona.

Pallbearers were Ray Landrum, M.C. Osborn, Jack Moseley, Tom Pruett, Billy Dean Baxter, Doug Stephenson, Ralph Taylor, Frank Truitt and Mike Hanes.

## New Trooper Is Stationed In Friona

Luis Jorge Flores of Brownsville has been commissioned as a Trooper with the Texas Department of Public Safety.

Flores received his commission as a State of Texas law enforcement officer from Colonel Jim Adams, DPS director, in a graduation ceremony at DPS Headquarters in Austin.

Flores completed a rigorous 18-week training course at the DPS Academy. The intensive course, recognized as one of the best programs of its kind in the U.S., included instruction in traffic law enforcement, accident investigation, criminal investigation techniques, crime prevention, first aid, riot control and other subjects related to law enforcement.

"These men and women have been trained to deal with extremely sensitive, stressful and sometimes dangerous matters on a daily basis," said Colonel Adams. "But their foremost duty is to faithfully serve the citizens of Texas."

Trooper Flores, 24, has been assigned to the Highway Patrol Service and will be stationed at Friona.

Approximately 300 persons undergo the special training and graduation from the DPS Academy each year.

Trooper Flores is the son of Mr. and Mrs. Jesus Jose Flores of Brownsville.

# Town Talk

By June Floyd

Call 247-3681 With Your News Item

Much needed moisture has finally fallen in our area. Some farmers unfortunately received hail damage, too. That is always the bad part of spring rains in the Texas Panhandle, but it had been so long since we had received any kind of moisture that for the most part it was a welcome sight.

The Floyds, along with our youngest daughter, Susan Phillips, and her two sons, Clint and Kory, returned from Garland by way of Abilene and Lubbock Monday. We had been gone ten days and had seen rain just about every day.

Then, on our way home we observed water standing in lots of fields, especially in the Sweetwater, Roscoe, Snyder area.

There must have been a record crowd at Six Flags Over Texas

Saturday in spite of intermittent rain all day. This popular amusement park was officially opened for the summer that day and lines for the different rides were long.

Someone once remarked, "The only kind of weather that stops a Texan from carrying out previously made plans is a tornado." Had anyone doubted this statement before, the crowd at Six Flags Saturday would have changed his opinion.

Incidentally, at least one native Frionan plans to spend the summer vacation working at Six Flags. Stanley Ellis, a member of the '82 FHS graduating class, plans to accompany his sister, Laura, back to Arlington when she comes up this weekend for his high school

graduation. Then, the following week he will begin his employment there.

Alton and Topsy Farr, former Friona residents, are in the process of moving from Paducah, Texas, to Hereford. The Farris lived here a number of years. He was our Superintendent of Schools for a long time and they moved away after he retired in 1974.

Their son, Randy, and his wife and children have lived in Hereford a number of years. He is a history teacher and a 1967 graduate of Friona High School.

Mrs. Winnie Beaton of Wilcox, Arizona and Mrs. Rossie Williams and daughter, Mrs. Nedra Methaney of Tucson, Arizona, arrived in Friona recently for a visit in the home of Mr. and Mrs. Ira Bruce Parr.

Mrs. Beaton, Mrs. Parr, Mrs. Williams and Mrs. Methaney went to Abernathy Monday to visit in the home of Mr. and Mrs. Irvan Rhodes. Other guests in the Rhodes home were Mr. and Mrs. Bud Rhodes.

The Arizonans also visited in the homes of Wright Williams and Mr. and Mrs. T.A. Williams before Mrs. Williams and Mrs. Methaney went downstate to visit other relatives.

Mrs. David Yoakum and son, Josh, who live in Lubbock, were here Thursday for the eighth grade graduation. Mrs. Yoakum is the former Shannon Parr. The Parrs' youngest daughter, Sharlene, was a member of the graduating class.

Mr. and Mrs. Bruce Parr returned home Monday after an extended tour of the Middle Atlantic and New England States. Their travels in a motor home took them through more than twenty-five states.

The J.T. Gees have been having a lot of fun-filled days this month. Their only son, Tom, who lives in the South San Francisco area, has been home. He's an anesthesiologist and works in a large hospital, so doesn't have a lot of time off.

He made the trip to Texas by Amtrak, so his parents met him at Las Vegas, N.M., and took him back for the return trip. They included some sightseeing in the Northeastern

KARLA ANNE FLEMING and MILON JAMES DIXON....Mr. and Mrs. Ray Dean Fleming announce the engagement and approaching marriage of their daughter, Karla Anne, to Milon James Dixon, son of Mr. and Mrs. James Dixon. Wedding vows will be exchanged on Friday, July 2 at 2 p.m. in the First Baptist Church of Friona. Miss Fleming is a 1982 graduate of Friona High School. Dixon is a 1980 graduate of Friona High School and has attended Texas A&M University and is currently attending West Texas State University.

**MEMBERS RECOGNIZED....** Three members of the Lazbuddie Young Homemakers chapter received special recognition for outstanding work done in their organization at their monthly meeting on May 5. Janice Bradshaw, left, was chosen the Outstanding Young Homemaker for this year. Charlotte Redwine, center, and Jenny Mitchell, right, were honored for their many years of service to the chapter.

## L. Stevens Attends Annual Symposium

Lynn Stevens, daughter of Mr. and Mrs. Lindell Stevens, will attend the 22nd Annual Texas Energy Science Symposium for High Schools in Austin, Texas, June 1-4, sponsored by Texas Atomic Energy Research Foundation and the University of Texas at Austin.

Students chosen to attend the symposium must be high school juniors, proficient in science and math and recommended by their school science teachers. Miss Stevens sponsor for the trip will be Southwestern Public Service.

The Texas Atomic Energy Research Foundation is a non-profit organization of investor-owned electric utility companies operating in Texas. Formed in 1957, TAERF has supported research directed toward controlling thermonuclear reactions for the production of electric power.

The purpose of the symposium is to bring the students lectures on energy science and technology by understanding scientists and to provide students with an opportunity to obtain answers to their questions

LYNN STEVENS

on college curriculum and careers in science.

The group will hear professionals in the scientific field whose abilities and contributions are well recognized and whose academic backgrounds make them particularly suited for lectures.

There will be over 500 students and teachers from high schools attending the symposium.

## Seventeen YH Members Attend Salad Luncheon

The Lazbuddie Young Homemakers held their monthly meeting on May 5 at 1 p.m. in the Home Economics Department at Lazbuddie School. A salad luncheon was enjoyed by the sixteen members and one advisor present.

Janice Bradshaw, president, called the meeting to order. Reta Mimms, secretary-treasurer, gave the roll call, read the minutes and gave the treasurer's report. Plans were put into motion for the annual Christmas bazaar. Sheryl Engelking, chairman of the bazaar, led the discussion. It was decided that a \$20 booth fee would be charged for each booth space. A special children's section, for display of their art work, will be set up at the bazaar. The bazaar has been planned for the thirteenth of November.

Cindy Cargile, chairman of the cookbook committee, led the discussion concerning the community cookbook. A price of \$8.00 was set for each community cookbook. The cookbooks should be here by the end of August.

A family cookout has been planned for 8 p.m. on Saturday, May 29 at Sheryl Engelking's house.

This was the final regular meeting of the year. A summer meeting is planned for August. The election of officers for the new year was held. Officers which will be installed in September, include Debbie Weir, president; Vickie Burch, vice president; Marca Morris, secretary-treasurer; Lana Copp, reporter; and Janice Bradshaw, historian.

Janice Bradshaw was voted the Outstanding Young Homemaker for this year. She received a plaque and her name will be placed on the permanent plaque in the Home Economics Department. Also honored at the meeting were Charlotte Redwine and Jenny Mitchell. They received wisdom awards in appreciation for their many years of service to Young Homemakers.

Members present at the meeting included: Janice Bradshaw, Vickie Burch, Cindy Cargile, Lana Copp, Sheryl Engelking, Stephanie Foster, Susan Lasater, Billie Mason, Joann McDonald, Reta Mimms, Jenny Mitchell, Marca Morris, Charlotte Redwine, Mandi Seaton, Cindy Barnes, Debbie Weir and Cassandra Cargile, advisor.

**JIGE L'AN ROGERS and JAY DON HOUSTON....** Mr. and Mrs. G.C. Luttrall of Lubbock announce the engagement of their daughter, Jige L'An Rogers to Jay Don Houston, son of Mr. and Mrs. Owen Houston, also of Lubbock. The couple will be married June 5 at the home of the prospective bridegroom's parents. The bride is also the daughter of Jerry Rogers and granddaughter of Mrs. W.H. Rogers, former Bovina residents, and Mr. and Mrs. J.T. Jones of Bovina. The groom's grandparents are Mr. and Mrs. J.T. Gee of Friona and Mr. and Mrs. T.L. Houston of Stratford, formerly of Friona.

## Lavonia Moody's Students Presented Spring Recital

A spring recital entitled "Spring Serenata," was held Tuesday, May 18, at 6:45 p.m. in the auditorium of First Baptist Church of Friona, for piano, voice and organ students of Lavonia Moody.

Each piano student played a solo and then a duet with their teacher, Mrs. Moody.

Voice students, Mendy Rhodes, Joanna Clayton, Clay Carrell and Billy Sudderth, sang "Hey Good Lookin'," "Jumbalaya" and "A New Song."

Piano students performing were Mendy Rhodes, Kirk Scott, Tiffany Osborn, Bianca Burkett, Terri Loafman, Steven Smith, Jennifer Cass, Daylen Gallman and Christy Scott.

Also, Lacy Osborn, Stephanie Ford, Kellianne Coffey, Stephanie Miller, Donell Garner, Jamie Herring, Nikki Osborn, Kim Barnett and Sunny Horton.

Mike Teague played "What Kind of Fool Am I?" and "Wedding March" on the organ.

to bring your children to this important teaching experience.

Mrs. Jimmie Green, wife of Dr. Carrol Green, is the Vacation Bible School director. She and her V.B.S. staff have been preparing for five months to provide the best Bible teaching experience possible for our children.

Geary Brogden, minister of music and youth at the First Baptist Church, will serve as principal of the Vacation Bible School.

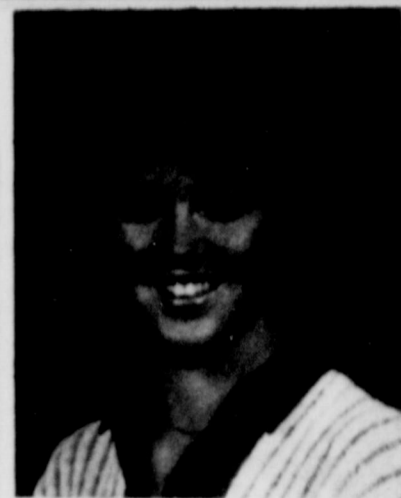

The church bus will run each day. If you want the bus to pick up your children and bring them home after Bible School please call the church office, 247-2796. The church will be happy to provide this transportation.

**JOHN LOUIS SPRING** earned a bachelor of science degree with a major in criminal justice at the spring commencement of West Texas State University on May 15. John is a 1978 graduate of Friona High School. His parents are Dr. and Mrs. Paul L. Spring of Friona.

**JERRI ANN BENGE and STEVE ALLEN HALL**...Mr. and Mrs. Stanley Bengé of Friona announce the engagement and approaching marriage of their daughter, Jerrri Ann, of Dallas, to Steve Allen Hall, son of Mr. and Mrs. Virgil Hall of Cincinnati, Ohio. Wedding vows will be exchanged on Saturday, July 3, at 3 p.m. in the home of the bride-elect's parents. Miss Bengé is a 1976 graduate of Friona High School and a 1980 graduate of Texas Tech University. She is employed by Texas Instruments in Dallas. Hall is an employee of Cincinnati Bell Telephone. The couple will make their home in Cincinnati, Ohio.

**KIMBER BRITTING**, daughter of Mr. and Mrs. Lee Britting, was among the graduates receiving diplomas from Tarrant County Junior College on May 19. Ceremonies were held in the Will Rogers Memorial Auditorium in Ft. Worth, Texas. Kimber received an associate of applied science degree, majoring in fashion merchandising with a grade point of 3.1. Until May 15, she worked as assistant manager of J. Riggins Men's Shop in Arlington.

### BARBARA RHODES B. Rhodes Is Baptist Student Missionary

Barbara Rhodes, a student at Texas Tech University, will serve as a Texas Baptist student missionary this summer.

Miss Rhodes, daughter of Mr. and Mrs. O.C. Rhodes of Friona, will serve in the Houston Mission Center.

The Baptist General Convention of Texas Student Division commissioned Miss Rhodes and 132 other students as short-term missionaries.

Young people at Baptist Student Unions on 103 college and university campuses in Texas will support the summer missionaries with fund-raising projects this summer.

**PAM WILCOX CAMPBELL** graduated from Abilene Christian College on May 2 receiving her bachelor of science degree in psychology. She is the former Pam Wilcox, a 1975 graduate of Friona High School and the daughter of V.R. and Frankie Wilcox who are former Friona residents. V.R. and Frankie are now making their home in Trinidad, Colorado. Pam and Jon Mark Campbell were married in Gunnison, Colorado on January 2, 1982. He is the son of Mr. and Mrs. J.W. Campbell of Gunnison. The couple returned after their marriage to Abilene where Pam completed her degree. They will be making their home in Gunnison where he is engaged in ranching.

### Ask the Land Bank about... money to buy land or improve your farm.

Farmers today are looking at ways to increase their productivity... buying or improving land... building or remodeling facilities. Whatever way you choose to grow, the Federal Land Bank can provide long-term credit to help.

So when you're looking to buy or build, stop in and talk to the long-term farm credit specialists at your Land Bank Association.

MR. and MRS. CLINTON F. HOMFELD....Mr. and Mrs. Clinton F. Homfeld will celebrate their 50th wedding anniversary on June 6. The reception will be held at the Senior Citizens Friendship House from 3-5 p.m. Clinton Homfeld and Flora Louise Hunke exchanged wedding vows May 18, 1932 at home in Gasconade County near Bland, Missouri. They came to Deaf Smith County, Texas, 45 miles northwest of Friona to make their home where Clinton had been working since 1929. The couple has four children: Kenneth and Jerry Homfeld, both of Adrian, Lloyd Homfeld of Dalhart and Glenda Sifford of Friona.

--50 Years Ago--

WEEK OF MAY 28-JUNE 4

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

## J. Hernandez Is Air Force Graduate

Airman Jose A. Hernandez, son of Jose A. and Erma M. Hernandez of Friona, has graduated from the U.S. Air Force aircraft egress mechanic course at Chanute Air Force Base, Illinois.

Graduates of the course learned how to repair and inspect aircrew emergency ejection and egress systems, and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Hernandez will now serve at Hahn Air Base, West Germany, with the 50th Equipment Maintenance Squadron.

He is a 1981 graduate of Friona High School.

## Congratulations

SHELLI WILLIAMS

SHELLI WILLIAMS, daughter of Mr. and Mrs. Dale Williams of Olton, will graduate Friday, May 28, from Olton High School. Miss Williams attended Olton Schools eight years, moving there from Friona. She was a member of FHA four years, Olton High School Band four years, serving as a flag corp girl, pep squad four years, National Honor Society, Student Council, served as a class officer three years, was selected as a candidate for Most Beautiful her senior year, served as Lions Club Sweetheart and Lions Club Queen, was on iff girls track team four years and played basketball three years. Shelli plans to attend Metro Barber School in Lubbock. She is the granddaughter of Mrs. Lillian Williams of Friona and the late Glen T. Williams.

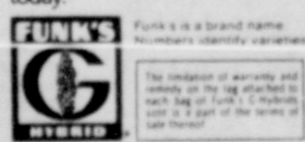

## On Your Set-Aside Acreage

### G-99F

Non-heading Forage Sorghum  
Minimize volunteer sorghum problems. Graze G-99F as long as you want. Harvest for green chop or silage whenever you want. Or let it grow until frost and use it for standing hay during the winter. G-99F won't produce a head under normal conditions. It stays in the same state of maturity with the same top nutritional quality throughout the growing season. And since there's no head, soil moisture is not so critical. In fact, G-99F

can be a lifesaver when drouthy conditions set in and other sorghums can't take it. Start profiting now from the reliable, big-yield potential of G-99F. Its versatility is sure to fit your program. See your Funk's G dealer today.

Setting a new pace in sorghum.

# did you know?

Southwestern Public Service Company uses woven fiberglass bags in its air-quality control system at Harrington Station near Amarillo. The fiberglass is more heat-resistant than standard cloth bags and is not affected by the high temperatures common in flue gas emissions. This keeps the air around the plant, and in your community, cleaner.

Wanda Hooks, Production Chemist, Harrington Station, Amarillo.

In many towns within the SPS service territory, you can pay your electric bill at drive-up locations. Many SPS offices have drive-up windows. You also may pay your bill at selected banks or savings and loan companies. Contact your local SPS office to find out if drive-up service is available in your area.

Ramona Knight, Cashier, Seagraves.

SPS offers free booklets on a variety of subjects. These booklets are designed to help customers understand the process of providing electric service and how to use electricity wisely. Booklets are available on electric ranges and water heating, microwave cooking, insulating your home, and many other topics.

Don Bigham, Local Manager, Portales.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.
