## Home-Coming, Spur Game at High School

### Thursday Busy Day for Exes, Students Plan

Floydada High school was hummed Wednesday with preparations for the home-coming of the students (and their teachers) has attempted, and the youngsters have several class re-unions, classes of ex-Gen Peppers, ex-coaches, ex-teachers, ex-coaches and other ex-Students.

The home-coming will be held on Wednesday evening at 8 o'clock at the high school and there'll be an early morning coffee at school, and an early breakfast at the O. W. Kirk home.

Smoker at the Andrews ward will be the big pot will have the little one. The bands of the school and Spur, the pep band, and all others who like parade will assemble and march through the city and to the school making ready for the battle of the Whirlwinds and the Bull Dogs -- at 2:30 o'clock.

Spur Fathers and Mothers

Spur at the football game of which has not been seen here, will come when the grand squad march on to field with their parents and them in reserved spaces, each escorting the parents. Coach says said he and his boys had spent on this method of showing the fathers and mothers they appreciated.

At Floydada High school has many great men and women into the world, is one of the 1947 youth is proud and they are hoping on what some of this Thanksgiving event, conceived principally by the student body and them prouder and prouder of alma mater.

Drill stem test made Monday on Daniel No. 1 of Standard Oil Company of Texas try for oil, seven miles southeast of Floydada, was from a formation at 5360 to 5391 feet. The company's report said the hole was open for an hour and 10 minutes. There was a weak blow of air for 10 minutes, which then died. There is 10 feet of drifting mud in the test. Tuesday the rig was drilling again at 5,480 feet.

Members of the Footlight Club turned in a good performance Monday night in their production of "Through the Night" presented at the High School auditorium.

Handicapped by illness, the leading lady, Doris Cornelius, did exceptionally well, as did the supporting cast. Action of the murder-mystery took place in the garden room of Sandmyere, country estate of Dwight Holbrook, played by Aldine Williams. Calvin Driscoll, played by Olin Wadson, Jr., turned out to be the murderer and very cleverly had the police force, headed by Doyle Walls, pursuing the wrong man throughout the play.

Among others appearing in the cast were: Hal Wofford, who kept the audience laughing with her wit; Hollis McLain, Doris Cornelius' fiancé; Jack Cogdell, who won the leading lady; Alice Bell, who played the part of the forgetful Mrs. Keefer; Bill Brown, the fake detective; and Randell King, the butler.

## 'Wind-Bull Dog Battle to Open at 2:30 o'Clock

Followers of the fortunes of Floydada High's Whirlwind football squad will have to depend on a Windy resurgence of that old will to win and on the possibility that the Ralls Jackrabbits softened up the Spur Bulldogs last week-end, when the Dogs and the Winds clash this (Thursday) afternoon at Wester field.

Game time is 2:30 p. m., set a little late specially to make it possible for a resident of Spur to enjoy his Thanksgiving day meal at his home and still reach Floydada in time for the kick-off.

The Whirlwinds played better football last Friday night in the wet, cold and bluster of a wintry night than they have played in their previous last three tries for conference honors. If they block and tackle and run with the ball against that big Spur line like they did against the Chiefs they'll win. Assuming even luck the Bull Dogs will take them if they have the upsurge. For the two teams are about evenly matched, their conference schedule indicates. Here is the record:

Against Lockney: Floydada 0, Lockney 6; Spur 0, Lockney 6;

Against Ralls: Floydada 6, Ralls 6; Spur 12, Ralls 20;

Against Paducah: Floydada 6, Paducah 13; Spur 12, Paducah 0;

Against Matador: Floydada 14, Matador 6; Spur 37, Matador 13;

Against Crosbyton: Crosbyton 0; Spur 20, Crosbyton 0;

When Spur is up against speed they make a better showing than when against power. The Whirlwinds have been in and out, sometimes good against one kind of offensive, sometimes another.

## H. Kimble is Dead At Age Ninety-Six; Funeral at Aledo

Dr. Wilson Kimble, in company with his son and wife, Dr. and Mrs. John Wilson Kimble, left Tuesday morning for Aledo where they were called to attend the last rites for H. Kimble, 96, their father and grand father. The elder Mr. Kimble died early Tuesday morning Wilson Kimble had been with his father for several days and Mrs. Kimble was with her father-in-law at the time of his death.

The funeral was due to be held Wednesday afternoon at Aledo according to information received by friends of the family here. The Floydada members of the family are expected home Friday.

H. Kimble had been a frequent visitor with his son and family here during the last quarter of a century.

AT UNCLE'S FUNERAL

Henry Bloodworth and his mother Mrs. W. J. Rhoads, are in the funeral Wednesday to attend the funeral rites of J. M. Bloodworth, 75, who died Tuesday. The funeral was due to be held at 2:30 Wednesday afternoon.

J. M. Bloodworth is a brother of the late W. L. Bloodworth, pioneer resident of this county. He had made his home at Olney since 1897. His widow, two sons and a daughter are among the survivors.

## Willson Family Present Chimes to Local Church

### Chosen King and Queen of Toyland

The First Methodist Church of Floydada, Texas, has been presented with a set of Maas Cathedral Chimes and Carillon by the Willson family. This is a memorial gift sacred to the memory of D. M. Willson, father to J. M. Willson of Floydada. It is expected that the chimes will be in use by Thanksgiving day and for the Sundays and special occasions following. A service of formal presentation and dedication of the D. M. Willson Memorial Chimes to the trustees of First Methodist Church in conjunction with the dedication of the Hammond Organ will be conducted with an appropriate program in the very near future.

As Outside Carillon, Too

The chimes are designed to be played in connection with the organ for services in the sanctuary of the church but will also be used as an outside carillon with amplification on particular occasions. One of the uses of the Maas Chimes Carillon when used with outside amplification is to serve the same purpose as a church bell. In putting the chimes to this use it is the stated purpose of the donor and of the First Methodist Church that it shall constitute a community call to worship at the church of each worshipper's personal preference.

"This is not an attempt to impose the Methodist Church in any way upon the citizens of the community. It shall be the policy of First Methodist Church to use the outside carillon equipment with discretion and with reverent regard to the hours of worship and program of every other church in the community. It is not (See Cathedral Chimes, back page)

## Johnston Urges Farm Men Vote on December 8

Every farmer in Floyd county who is eligible to vote in the farm program elections to be held in the county during the next few weeks should vote, G. B. Johnston, chairman of the county agricultural conservation committee advises. Elections will be held in three communities, Cedar Hill, Lockney, and Floydada, on December 8, 8:00 until 5:00 p. m. The polling places are Cedar Hill store, Lockney Beacon office, and Floyd County court house.

The chairman advises that all persons participating in the 1947 Agricultural Conservation program be the Sugar program, a crop loan or who had a federal crop insurance contract in 1947 are eligible to vote whether owners, operator, tenant or sharecropper.

"These annual elections give farmers an opportunity to make their voice heard in the development and administration of farm programs," Mr. Johnston said. "And since every farmer has an interest in seeing that the national programs fit local needs he should use this opportunity to select the men to administer the program who will best carry out this responsibility."

"With continued demand for food and corresponding heavy drain on the soil, farmer committees must be confronted with many decisions affecting current and future production. Farmers will be called upon to do all they can to produce the abundance of food and fiber needed to share with the hungry of other countries. As the demand for food and fiber increases, the conservation of soil and water becomes more important. All of these, together with a need for a better understanding of the farm program and what it is accomplishing for the benefit of the consumer as well as the farmer, are reasons why every eligible farmer in Floyd county should vote in the coming election."

## Timbers for Linguis Bridge on Ground

Timbers for the Linguis creek bridge in the extreme northeast corner of Floyd county, in bad repair and due to be re-built by the county have been delivered from the railway point at Quitaque to the location.

Pete Kendrick, who had the contract for delivering the heavy timbers, finished the job last Friday. Three carloads of materials were included in the shipment.

The bridge is about 300 yards from the Briscoe county line on the north and a mile and a quarter from the Moley county line on the east and makes a crossing of the creek to Quitaque on the north, the area's closest market. The old bridge has been in dangerous condition for heavy loads for sometime. The county is financing the material with a \$4,000 warrant issue bearing 3 1/2 percent interest. The road crew of Precinct No. 3 will have charge of the work of re-constructing the bridge.

A new industry in Floydada is the wood working plant of Lester Burgett, with a present location on the second floor of the Surriger building but soon to move to the Assiter building and a ground floor spot on North Main street.

W. J. Waller has been newly-named as manager of the business by the owner. They are finishing one order for church pews this week and have two more on the drawing board, contracted for delivery as fast as workmen can do the jobs. GI trainees are being given preference in the selection of pews.

Mr. Waller learned at 35 cents for a 10-hour day, but has no grudge against or dislike for the idea of a young man doing better than he did. More GI's will be added as they are available and can be used to advantage, according to the plan.

Pews For Vera Church

The order for pews that is being finished is for the Vera, Texas, (near Seymour) Methodist church of which Rev. Cloy Lyles is pastor. The 27 pews, of oak, will seat a congregation of 300. The other pews on order are for larger congregations, Mr. Waller said.

# EDITORIALS

Things are going to pot in France and Italy, possibly in Greece, about as fast as they can. Misery and want and one war after another over-running their lands for a hundred years have left the imprint of lowered vitality, lack of moral and political fibre. Whether these people should be spoken-of as decadent nationalities, whose ill-fated stars are sinking we are, perhaps, not qualified to say. There seems to be every reason to think it. This unrest is good ground for any kind of ism to take root and it is being made the most of by the Soviets. Some of the violence of the past month has been directed, openly and brazenly, out of Soviet centers. Theirs is the mission to change the ideology of wide, wide world they think and their fervor is equal to, if not greater than, the missionary spirit which prevails in much of America to go into all nations preaching the Word.

The battle of words, sharp ones, is on in Amarillo and Potter county, where a local option election is on. It will grow sharper as the date nears for the election to be held to decide whether or not Amarillo will have whiskey for sale. Neighboring cities and counties are putting in their word too, since they say they are having trouble with liquor that comes out of Amarillo. Name-calling doesn't settle political, economic or social disputes that go as deep as the liquor question goes but beliefs are very positive and those who don't mince words find name-callers on the other side, too. What to do about liquor? Every citizen would like to know the right way, and about 95 per cent of them think they do know.

Floyd county people made a sizable piece of history Saturday. Elections are set up for that purpose in this country, so that important matters may be determined at the ballot box, rather than by means found to be highly undesirable in less democratic areas of the world. That The Hesperian thinks the county made a most unwise decision by a margin of a vote of five or 10 people might as well be said. It will be amply plain, we fear, within the next few years. But we do believe in the people making their own mistakes instead of having somebody else make them for them. The right to be wrong is one of the most important rights which our people possess, a right they sometimes value lightly, we think. It is important to be right. It is fundamental to have the right to be wrong.

It don't take much sweat to work yourself to the bottom.

It often happens that a transposed figure or a misunderstood one over the telephone makes an unofficial report on an election incorrect. Newsmen strive against such with all their might. But they do happen. Figures assembled by The Hesperian on Saturday night's returns could be wrong when the official count is made. For one time we sure do hope that we misunderstood somebody, picked up an incorrect figure or something of the kind. But we practically know we didn't.

Fifteen miles of pavement sounds like a mighty short streak of good roads when you consider that Floyd county has some 1400 miles of so-called roads. But a few strips around—hunting returns on a boggy Sunday morning for instance, instead of going to church like you should have done, or hauling cotton to market if that is what the circumstances called for—would give an idea of what value only a few 15-mile streaks through the county would do for the people. What poor roads have cost Floyd county the last 10 years would pay the service charge on a good many million dollars of debt.

It seems probable from an analysis of the vote that fair weather instead of foul would have seen the county-wide road bond issue lose by a considerably wider margin than it did lose. In Floydada boxes, for instance, the adverse vote would have been doubled, and the same would have been true at South Plains, Aiken, Providence, Fairview, McCoy, Allmon, it can be said.

People like to pour it on the big corporations—and the big ones do make some browning problems all right—but one of the few commodities coming into more general use that has not gone down are the synthetics made by such people as the DuPont de Nemours organization. During the war, when all other prices were advancing and after as the spiral has continued upward, such things as index tabs used by the millions of feet in offices country-wide, have been reduced about half. And nylons, when available, are up very little, and "Scotch tape" has advanced none, or hadn't a few days ago.

Between the early '20's and early '40's, farmers increased production per acre of cropland 23 percent; production per animal unit of breeding livestock 30 percent, and output per worker 64 percent.

A bumper rice crop of 75.5 million bushels is expected from U. S. rice growers this year. Such a crop would exceed last year's record crop by 4 million bushels.

These items were taken from the Floyd County Hesperian published fourteen years ago.

(Issue of November 30, 1933)

E. C. (Charlie) Altman, pioneer of Floyd county, but a resident of Rottan for the past several years, died at his home there Monday morning.

Everybody who slaughters hogs and sells the meat must pay the processing tax which will be used by the federal government to finance the swine program to be announced soon.

An enrollment of 231 members in Floydada in the American Red Cross was obtained in the campaign here this week.

Mr. and Mrs. L. C. McDonald reached home Tuesday afternoon from their extended trip to Chicago for the Century of Progress and visit in Michigan, Illinois and Oklahoma.

Floyd C. Cash and Reba McPeak both of this city, were united in marriage Tuesday afternoon at the court house.

Work on six miles of grading and drainage structures on Highway 28 east of Floydada has been about seventy-five per cent completed.

Only two cases of diphtheria have been reported in Floyd county this week to Dr. V. Andrews, County Health officer. They are Glen Amburn, son of Mr. and Mrs. Foster Amburn and the nine year old daughter of Mr. and Mrs. A. D. Sparks.

B. F. McIntosh, Worshipful Master of Floydada Lodge A. F. & A. M. will leave this week-end for Waco to spend several days at the Grand lodge.

W. B. Trice, severely burned about the upper portions of his body and head when a pressure gas tank exploded at his hamburger stand on North Main street ten days ago, is recovering at the home of his son Lee Trice.

## HEAVY TRUCK SALES

DETROIT, Nov. 19.—Chevrolet sold a record-breaking 29,461 trucks during October 1947, more truck sales than have been reported in any single previous month in Chevrolet's 35-year history. It was announced here today by T. H. Keating, general sales manager.

Three Seabees of the Navy's fighting construction battalions were discharging on the Jap mortar barrage which had driven their pontoon crew to cover on the Lingayen Gulf shore in the Philippines. All night the three huddled in a steel tool compartment while mortar fragments rattled around them.

"This isn't as bad as Tinian," one mused philosophically. There we went through one of these barrages and when morning came we found we had been hiding all night behind three cases of American beer!"

## Whirlwinds Scalp Crosbyton Chiefs

On the coldest night this year an even colder despondent group of Chiefs witnessed Floydada score once each in the first two quarters and hold on to win with a 13-0 margin.

Crosbyton won the toss and elected to receive; however three plays failed to gain and Grigsby's return of a short kick sent Floydada deep into Chief territory. After successful cracks at the line by Jones, Hart, and Grigsby, Floydada had the needed yardage for a first on the Chief's yardage for another first on the six yard line; however each man in the Whirlwind backfield hit at the stout hearted Chief line before Jones crashed over from the one yard line. Conner quickly followed with the perfect conversion and Floydada jumped in to a 7-0 lead.

Floydada kicked off to Crosbyton and the runback by Simmons set them on their own twenty nine. Wallace and Simmons drove for a first up to the forty-three but here the Chief attack faltered and they kicked out on the Whirlwind's thirty-seven. Failure to gain resulted in third down punt as the first stanza ended.

Two successive first downs by Crosbyton had them on the Whirlwind's thirty before the Winds could check them. The Whirlwinds with Hart and Jones lugging the leather began a drive downfield from here and carried to the Chief's forty-two. Grigsby took the ball here and proceeded to slant off tackle and dash the remaining forty-two yards and tally the last score of the game. This time Conner's attempted conversion was wide.

Floydada kicked off and the Chiefs immediately began to surge down field but time ran out on them and the Winds led 13-0, at the half.

The Whirlwinds returned after the half to meet a revamped Chief team that was very determined to score. The kick sailed into and out of the end zone and the Winds took over on their own twenty. Failing to gain the Winds again got off one of their many short punts. The Chiefs drove from here down to the "Winds eight before the Whirlwind line stopped them. After an entire third period of knocking on the door to the Whirlwind goal by the Chiefs, things began to change with the change of ends at the quarter. The north wind helped the Chief's passes very little who were tossing against it. Floydada began to come to life in the fourth period with Jones driving for lots of the yardage, but they were too late as the game ended with the Whirlwinds out front 13-0.

Conner played an outstanding defensive game at end along with Hart Nixon and Jarboe.

This was the last game for the Whirlwinds and they felt better by defeating Crosbyton more than either Paducah or Lockney.

## Fashion of Week H-Cmg. Whiskers

'Tis the week of Thanksgiving, and All through the bleachers All the people are thankful, Especially the teachers. The people are rushing to the affair 'Tis the event of the year, the excess are there. The kids have been planning so long for this game If no one is there, it is surely a shame. We see our gallant Whirlwinds, With their chins embusbed. 'Tis handy for their girlfriends; They cannot see their faces are flushed. You guessed it. The fashion of the week is whiskers. The boys of F. H. S. have grown a crop of them especially for Homecoming. The girls will certainly be glad when that part of this week is over.

## CORRECTION

There is a correction to be made concerning the coffee to be given by the Pep Squad. The announcement in the paper stated that the Band coffee was to be given at the Kirk residence. It is not the Band coffee, but it is the Pep Squad Coffee. The Band coffee is to be held in the Home Ec room at high school.

All members of the Pep Squad both past and present, and also the mothers of the 1947 Football team are invited. The coffee is to be given Thursday morning from 9:00 to 10:30 a. m. at the home of Mrs. Ohmer Kirk.

November 26, 1789, be kept as a day of "national thanksgiving". President Lincoln, in 1864 issued a proclamation, which has been followed by each president to the present time, in which he appointed and set aside the last Thursday in November as a day of "National thanksgiving" to be participated in by every one throughout America.

At the present time, Thanksgiving Day is celebrated by feasts, gatherings, and merriment in many varied forms. Very little thought is given to the deep and underlying meaning of Thanksgiving Day. The real meaning of Thanksgiving, as it was originated by our fore-fathers, is that we should be thankful for the material, physical, and spiritual wealth belonging to each of us. On this Thanksgiving Day let's each and every one give earnest thanks to God.

## Butchering Swine, Beeves in Practice

Butchering hogs and beeves is the unit of study being put into practice this week by the Floydada Aggies. A hog was butchered Monday and a beef was butchered Tuesday.

Farm butchering is being taught with the idea of training these young men to know how and to appreciate the type of hogs to butcher to get the most desirable carcass for the family supply.

The Aggies are working on poultry judging and parliamentary procedure, also.

Feeding livestock properly and with care is being stressed in order that fine quality livestock may have full finish at the least possible cost in the effort to save as much grain as possible.

## Assembly Program Enjoyed Very Much

Tuesday morning Mr. Cogdill was in charge of the program. The first portion of the program was a "Can you Top This". The judges were Trav Jones; Brad Beedy, Christeen Jones, Dorothy Bishop, and Aubrey Guthrie. The Board of Experts were Coach Gresham, Mr. Barber, and Mr. Baker. Biff Sisson was mistress of ceremonies.

The second portion of the program was given by the Sweet Sixteen. They sang with the audience for the first number, "The Star Spangled Banner"; then they sang "America The Beautiful." They then had the "Whistler's Song" by Pauline Denison; Ruth Elaine Harmon soloist, sang, "I'll See You In My Dreams." Molly June French and Gladys Roberts sang "Carry Me Back To Old Virginia" - "Then the chorus sang "Good Night Ladies."

### De' Quacker

What's dat I hear about Sammie S. and Bob R. in Spanish class? Sounds good, or does it, Rose? ? ?

Lee Hutchinson seems to have just what it takes to gain the attention of all the boys—Even Crosbyton. However, I think I heard her say that she thinks Ova Oden is the cutest boy around here.

Clint and Molly June sure seem to enjoy each other's company. Not only wuz dey together Saturday night, but dey wuz seen together Sunday night also. On de other hand, Clint seems to be attracted by Margie Herring and Dorothy Anderson.

Randall and Arlene seem to live for the few minutes between classes. They are always together then—Ain't love grand.

From whur I sat Saturday night Lon Reza Poteet and Bill Shurbert wuz having a mighty good time. Whur?

It looks as if Don Shurbert thinks quite a lot of Wanda Reed. But don't feel bad, Don. I think she feels the same about you.

Joyce Myrick and Dale Smalley make such a cute couple. Is it love or the real McCoy—Huh? ? ?

It looked as though Nell Huckabee and Loy Lee Trice wuz having a wonderful time Monday night. Hubba!

From what I hear Bill Jeter is the Man-about-Town in Paducah. Has anyone else noticed how the girls there swarm around him? Are you Floydada gals going to stand for this?

Bobby Finley seemed to be having loads of fun Monday night, but after all, just look who he was with—Mary Alice Plumlee. Don't feel bad though Ruth. From what I hear there are several other boys who would just love to go with you.

For once, Pecos has a big crush on a certain little girl here in F. H. S. And a certain little girl seems to think quite a bit of Pecos. If you can't guess who, she is the Football Queen. Hubba Hubba.

Mayfield has found the girl at last. Not only has he been with her for three nights in a row, but he's also escorting her to the Football Banquet. The girl is none other than Roberta.

Duz my eyes deceive me or is that a certain kind of ring Pat has been wearing on a certain finger on the left hand. What does Fuzzy have to say about this? ? ?

Juanita H. and Bobby H. are still working mighty hard on that romance of theirs. We're getting tired of waiting, so please hurry it up.

I think me little eyes saw David Nichols and Emma Lee McNeese together Saturday night. Did ya'll have fun? It looked like you were at that time.

Jane Johnson seems to be having a hard time deciding between Ralls Lockney and Flovieda— Well, take your time girl, take your time.

Edith seemed to be having a wonderful time after church Sunday night, and who wouldn't? By the way, she was with Johnny. And oh yes, that's a pretty Ag ring she is wearing. It couldn't be Johnny's could it? ? ?

Je and Melvin seem to be ticking it off just swell. Verna still seems to be in there, though.

These kids shore does keep me wondering. Mainly Trav, Tye, and Biff. It seems that Trav asked Tye to the football banquet and Biff is left out. Don't forget Charles though Biff.

Well yesss uely ducklins, dat seems to be all de gossip dat I could hear, see, or smell. Don't forget my little tin bucket down in the office please. See you next week.

## 'Home Coming'

By Armita Berry

Homecoming is a great day for us. With parades, rallies, and lots of fuss with all the Exes coming back. Everyone's here; there is no lack.

Crowds all cheering. "Whirlwinds win; Beat those Bulldogs; Beat em' again. We're behind you, Whirlwind Team. Go on and show them that you've got steam.

Pep squad yelling-Band playing "Yes, we will beat them," they're all saying. Crowds will be yelling; Drums will be drumming. Everyone's happy on Homecoming

First will be a rally, with lots of noise; We have this to cheer up our boys, With a blazing bonfire; "Ten miles high."

Looks like it reaches to the sky.

Next will be a parade so fine With all the cars in a line. With floats so lovely it looks like a dream. And on an extra large one, is the queen.

Then we go to the football game; To beat those Bulldogs is our aim; The crowds will be yellin some will scream. "Fight em'! Fight em'! Whirlwind Team."

Then we go home; a hard day behind. But it was worth it, we didn't mind. We saw our friends; they're still humming. "We love our day of celebration of 'Homecoming!'"

### Candid Camera

On May 25, 1930, Mr. and Mrs. W. O. Tye were gifted with a wonderful daughter which they named Bette Lou. They were living in White Deer at the time.

She is now 17 years of age and 5 feet 5 inches tall, and has blonde hair and green eyes. Bette Lou is gifted with small feet and short fingers, and oh, what a figure!

Bette Lou has been nicknamed "Tye". She is Floydada High School's Homecoming Queen and head cheer leader of '47.

Some of "Tye's" main likes are intelligent people; people with a sense of humor; she just kinda likes people; and she especially likes James Thurber. She also likes Social Club bowling parties because she has a date with Sweppie. Her favorite sport is football. Incidentally she played fullback for the "Cuties" last year. Her favorite cars are Fords and Buicks.

Tye's main dislikes are oranges people who persist in disagreeing meddlesome children such as little sisters. The commercial, "Its being done at Willow Run-A car a minute." Kaiser-Fraziers, whiskers people who can't stop talking, shrill voices, cats and the city of Lockney Oh yes and Molly Coddies.

Her favorite stars are Ingrid Bergman, and Smiley Burnette. Favorite song is "Tired" by Pearl Bailey. Everyone usually has a secret ambition but Tye's is very unusual. She wants to be a woman wrestler called "Terrible Tye, the Tornado of Texas."

Tye's idol boy is about 5 feet 10 inches tall, has light hair, bluish-green eyes. He has a no mistaking one-sided smile, and a very amusing walk that you can never mistake. He is very disreableeable sometimes. By the way she has found him.

Tye's ideal day begins at 5:00 o'clock in the morning. First she would drink a glass of tomato juice; then she would go down and watch the sea; and then would go to a park in a big city and sit and observe the people until noon. For lunch she would eat T-Bone steak broiled with mustard, Ketchup, and Worcestershire Sauce. After lunch she would go to an auditorium and listen to a discussion of Communism, racial prejudices, religion boy and girl relations, by authorities. Then some more tomato juice. Then for a good old dance. Then after the dance about 12 or 1 she would eat sandwiches, and a good cold bottle of uh—coke. Then jump into an ice cold bed. (so she will dream about Jim)

Betty Lou was the fifth child in the Tye family which means she has five older brothers and sisters. She was raised in the slums and had a wretched life with little or no education. She is illiterate. She is selfish, greedy, and jealous. Ha - Ha. She thinks she doesn't express her opinion enough for her own good. The nearest she ever came to death was when she was a child. She and "Chick" were playing Superman and she fell off the house and hit the Concrete walk. (She recovered rapidly.)

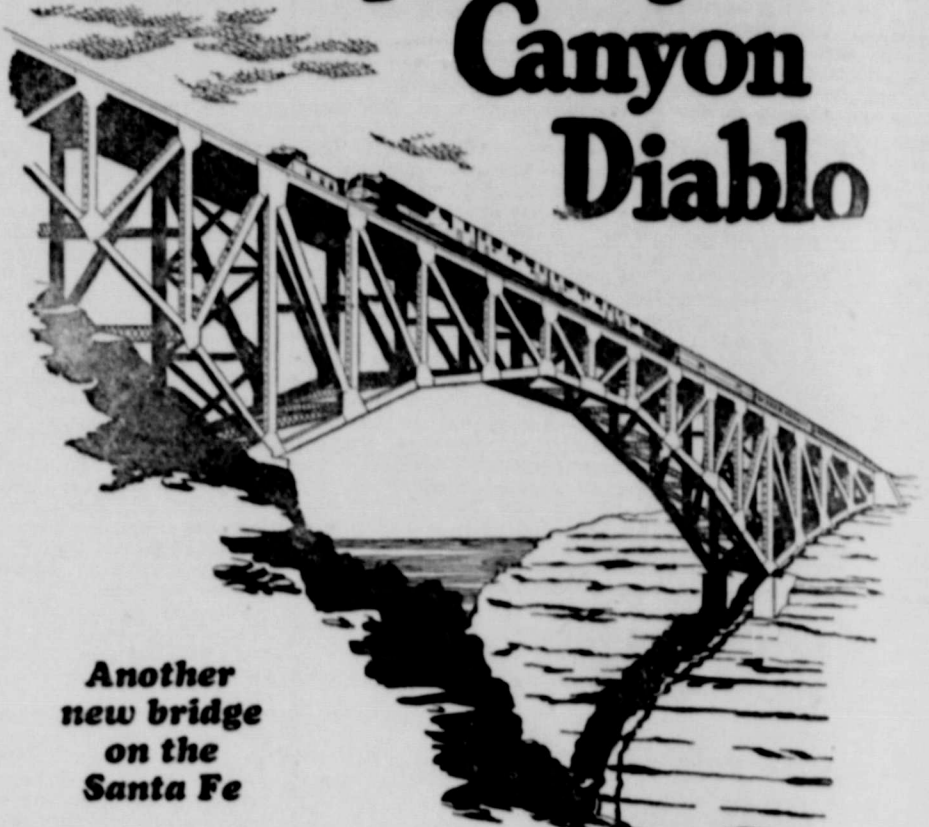

The most enjoyable time Tye has had was her escapade in Plainview with Valrie and Bobby. The most enjoyable things she does is lead yells and write the Fusions—Hates everything else. Tye, you're tops and we all love you. Good luck.

# Spanning Canyon Diablo

A new double-track steel bridge now spans Canyon Diablo (a giant gash 225 feet deep in the tableland of northern Arizona) on the main line of the Santa Fe between Chicago and California. This new bridge, which replaces the old single-track viaduct, is 544 feet long, 32 feet wide at track level, and contains over 2,000 tons of structural steel. The heaviest trains can cross it in both directions at once, and it's built to handle anything in rail traffic the future may bring.

## League Football Re-Arrangement in District 4-A

Dispatches Tuesday carried the announcement of many changes in Class A groupings in interscholastic football for 1948, made tentatively by the Austin office of the Interscholastic League, among these the grouping that includes the present seven-team District 4-A.

In this shuffle, Floydada will be in District 3-A and with it Abernathy, Ralls, Sour and Paducah. Lockney, Matador and Crosbyton dropped from the grouping and Abernathy added.

Queried by wire Tuesday by the Hesperian if the grouping carried by the press was a correct one the following reply was forwarded by R. J. Kidd, secretary of the Interscholastic League:

"Lockney, Crosbyton and Matador had enrollment of less than 200 hence will be assigned to conference B by state office unless voted into conference A by district committee."

Apparently an Error

After the wire was received by the Hesperian it transpired that District Chairman I. T. Graves was not available to reply relative to the matter. Superintendent of Schools Sidney Reeves of Lockney said over the telephone that the Interscholastic Bulletin indicates the high school enrollment at Lockney as 700 or more. The enrollment this year will exceed that number, it seems sure, Mr. Reeves said. Whatever the schools decide to do in the matter will be passed upon by the district committee. However, the Lockney school, for one with a team that is slated to make history in the conference next season, barring bad luck, is almost certain to be re-located back into the Class A conference, even if it is ruled not to have sufficient enrollment.

The shuffle lists several Class AA teams in the region. Among these are Childress and Brownfield. Childress was placed in District 2-A along with Clarendon, McLean, Memphis Shamrock, Wellington. The reshuffle left Canton out of Class A and made District I-A read Dalhart, Dumas, Hereford, Perryton, Phillips and Tulla. Dimmitt also was taken out of the tentative Class A list.

District 4-A in which Brownfield is placed (but has already indicated intention of petitioning back into AA) will be a hot one with Brownfield, Levelland, Muleshoe, Littlefield, Morton, O'Donnell, Post, Stanton, Sudan and Tahoka.

In the case of Lockney the school is making rapid progress with indications of increased enrollment next year.

## Rural Electric Coop Heads Talk Shop With Department

Six officials and directors of the Floyd County Rural Electric cooperative who attended a regional meeting of rural electric officials with high-ranking officials of the Rural Electric Administration, at Albuquerque, New Mexico, had a chance to talk over their problems with Washington early in this month. L. W. Chapman, manager, thinks the likelihood is that the talk will result in ironing out some difficulties which have plagued the local organization in the past.

Progress of FCREC has been marvelous, considering the adverse conditions which have prevailed much of the time since its inception but slow and tedious from the point of view of those who have been on the job or waiting on them for service.

Attending the meeting, which was held on November 19 and 21, were Mal Jarboe, president, Walter Patterson, vice-president, Lee Trice secretary, J. S. Lackey and T. E. Cowart, directors, and Mr. Chapman.

## Fairview News

FAIRVIEW, Nov. 25—The sun is shining again after a week of bad wet weather. The moisture received here was appreciated. Farm operations are at a standstill for a few days waiting for fields to dry up so wheat can be sowed and cotton harvesting continue.

The community wishes to extend our sympathy to Mrs. Grover Freeman and family over the loss of her brother last week.

E. C. Queen of Athens, Georgia, spent last week with his nephew E. W. Walls and family. This was Mr. Queen's first visit to Texas.

Sunday visitors in the home of Mr. and Mrs. C. L. Bradford were Mr. and Mrs. Kenneth Cook and son of Lockney, Mr. and Mrs. Ben Galloway and children of Floydada and Mr. and Mrs. Lee William Burton and daughter.

Mr. and Mrs. E. W. Walls and Mrs. Bill O'Dell spent last Wednesday in Plainview.

Mr. and Mrs. Bud DuBois, of Floydada visited his parents, Mr. and Mrs. Edell DuBois, last week.

Mr. and Mrs. Arthur Graham and children spent the week-end with Mr. and Mrs. Thurman Perry. Other Sunday visitors in the Perry home were Mr. and Mrs. L. B. Cosby and Mary Dee.

Rev. and Mrs. Bill O'Dell went to Fairview community in Randall County Sunday afternoon for the ordination service of her brother Rev. Wayne Wilcoxan. Rev. Wilcoxan is pastor of the Baptist church.

Mr. and Mrs. Clyde Lovell spent week-end before last in Clovis, New Mexico, where they visited Mrs. Lovell's parents, Mr. and Mrs. J. E. DeVoll. On Monday of this week Mr. and Mrs. Lovell were in Lubbock on business.

Conditions of increased enrollment next year.

Glad to Have Abernathy

Addition of Abernathy to the district is likely to be welcomed by school officials of the district. Superintendent Reeves thinks. Unless Abernathy objects and wants some other arrangement, and assuming that Matador and Crosbyton also want to stay in the district, it would make an eight-team arrangement or conference play, which is approximately ideal.

The matter will be discussed fully when the district committee meets Monday night at the end of the conference football year. The superintendents and coaches will select an all-district team at the Monday night meeting also.

**Baker Home Demonstration Club**  
Several women of the Baker club entered the county wide tour.

The pie supper was also enjoyed by all present, and the club wishes to thank the community for it's splendid cooperation.

The next meeting will be with Mrs. Bruce Holder Monday, December 1, at 1:30 o'clock. This club will feature a Christmas package wrapping at this meeting.

Mr. and Mrs. V. C. Breit and Linda Key, of San Diego California, spent last week visiting with Mr. and Mrs. E. J. Womack.

Mrs. Breit is the former Virginia Belle Womack. The Breits, in company with Mrs. E. J. Womack, left for California Tuesday where Mrs. Womack will visit the Breits and another daughter and her husband Mr. and Mrs. Lloyd Ripley also of San Diego. Mrs. Ripley is the former Mattye Lee Womack.

**BOMB SQUADRON SEEKING AIR CORPS RESERVISTS**

The 707th Bomb Squadron (VH), Air Corps Reserve, is recruiting men in an effort to bring the strength up to minimum requirements and Major Ralph C. Johnston, commander, said he is especially anxious to get men who have MOS peculiar to the Army Air Corps.

Major Johnston calls attention to a ruling that affects all men who are in the reserves, which is that they must be assigned to a table of organization and equipment or lose their standing in the reserve.

The major may be contacted by mail at Floydada or in person.

## 1929 Study Club and Guests hear Seventh District President Give Address on Aims of Federation

The 1929 Study Club held open house Saturday last week at 3:15 p.m. at the First Baptist church, where J. D. McBrien, president of the club, greeted the guests and directed them to the dining room, where refreshments were served from a table covered with a lace cloth and arranged with silver appointments. Mrs. John Kimble, Jr., poured coffee.

The guests were seated in the parlor of the church. The decorations in the parlor were a large arrangement of pincushions, branches with berries placed in pottery upon the hearth. An arrangement of pincushions and yellow candles in silver adorned the mantle.

Each sextet sings.

Mrs. Clement McDonald played the music as the guests were being served.

Mrs. J. D. McBrien gave the welcoming address and Mrs. Hollis Bond responded. Mrs. Carl Muehler and the Girls' Society. The Sextet sang selections including, "Indian Song," by Zmecnik and "Prayer Song," by Gley Sweek. Mollie French sang "The World is Bright from the Sun Rise," by Seltz and an arrangement of "Alice Blue Gown" from the musical production "The Girl in the Blue Gown" was sung by Mollie June French and Dorothy Bishop and led by Gladys Roberts.

The speaker for the afternoon was D. L. C. Kinard, of Memphis, president of federated clubs of the seventh district. Mrs. Kinard was accompanied by Mrs. Hollis Bond. She gave the highlights of club women's work from the beginning, 1937. Mrs. Kinard shall try to visit all clubs in the district and start building a general federation. Today's federated women's clubs is the strongest organization in the world and the American woman, the most fortunate of all women. The president has been on a short trip and has traveled 4,800 miles and met with 60 clubs. Mrs. Kinard expressed her hope to see a large number of club women at the convention in Panama April 5, 6, 7.

**Federated Clubs Objectives**

Federated club women are working for National prohibition, elimination of fear of war, uniform divorce laws, cleaner movies and wholesome recreation for the youth.

Mrs. Kinard stressed that the several departments of work must be carried out in order that club women stand for and join the basic things of life. She closed her address with these words, "I do not know tomorrow, I have seen yesterday and I love today."

The president of the 1929 club received each club in closing.

**Guests of the Club**

The hostess club had as their guests, Mmes. George Van Wickel, Charlie Lewis, Noman Hamilton, Ed Zimmerman, Jr., Frank Stovall, Ed Johnson, W. I. Cannaday, Don Senks, L. C. McDonald, George Smith, Bill Poole, John Stapleton, Phil Shaw, George Sherrill, D. T. Allen, E. L. Angus, M. J. McNeill, Ed Muench, Kenneth Bain, Jim Burt, Eitel Baker, Clyde Haden, Catherine Stewart, J. A. Hutchinson.

Miss Ruth Collins, Norma Jean Carpenter, Ruth Elaine Harmon, Dorothy Bishop, Gladys Roberts, Veronice Laster, Mollie June French.

Members of the hostess club were Mrs. L. J. Welborn, L. A. Doyle, Albert Chapman, S. J. Latta, Troy Leonard, James Word, John Kimble, Mrs. Hollis Bond, A. H. Kreis, Clement McDonald, Earl Hogge, P. A. Denison, R. C. Henry, J. D. McBrien and John E. Hoffman.

**CHILDREN OF BLASSINGAME FAMILY GATHER FOR WEEK**

For the first time in seven years the three children of Mr. and Mrs. John Blassingame were home together for a week's visit with their parents. Mrs. Blassingame reported to the Hesperian Tuesday that the family had a wonderful time being together again, even though the weather was bad during their stay.

The children and their families who were here last week were Mr. and Mrs. A. L. Zerwer and daughter of Grants Pass, Oregon; Mr. and Mrs. Melvin Blassingame, of Dalhart and Mrs. R. P. Terrell and baby of Albuquerque, New Mexico.

Gayland Garland, of Blanchard, Oklahoma, has returned to his home after spending a week in Floydada with Mr. and Mrs. Hubert E. Davis. Mr. Garland is a cousin.

## Luncheon is Honor to Charter Members Carrs Chapel WSCS

The Carrs Chapel W. S. C. S. observed their seven years of service with a luncheon at the home of Mr. and Mrs. W. M. Finkner Friday November 21. This was honoring the charter members.

The luncheon table was very pretty in white, crystal and silver. Decorations were cut-out emblems of the W. S. C. S. and three tall white candles for the centerpiece with four more candles to complete the seven year idea. Place cards were in white with tiny white candles.

The fellowship committee, Mesdames Sherwood Ramsey, Everett Miller, and L. A. Williams, prepared and served a delicious turkey luncheon. Rev. O'Kelly offered the prayer of thanks preceding the meal and following the luncheon. Mrs. Donald Finkner gave a beautiful sacred solo. She was accompanied by Mrs. W. M. Finkner at the piano. Mrs. C. A. Williams and Mrs. M. D. Ramsey gave a review of the accomplishments of the W. S. C. S. from 1940 to 1947. The League benediction was the closing number. The program was directed by Mrs. Sherwood Ramsey.

These were eleven of the seventeen charter members present as follows: Rev. and Mrs. W. V. O'Kelly of St. Jolius church in Plainview Texas, Miss Anna Carr, Mesdames M. Carr, C. A. Williams, L. A. Williams, W. M. Finkner, Everett Miller, Wheeler Turner, Marvina Smith, LaJuana Sue Williams, Olan Earle Finkner, and Don Ray Ramsey.

**Community Tree Committees Named by Study Clubs**

Plans are going forward for a Community Christmas Tree this year, the first since before the war years. The Christmas Tree and program will be held on the Court House lawn on Monday night, December 22. Santa Claus has promised to make an early appearance for a few minutes with the children.

The tree is being sponsored by the 1934 Study Club with Mrs. John Stapleton, president, the 1923 Study Club with Mrs. Glad Snodgrass, president, and the 1929 Study Club with Mrs. J. D. McBrien as president, with the appreciated help of all of the civic clubs of Floydada.

Mrs. Earl Hogge has been asked to serve as treasurer for the project and if any club or individuals would like to contribute toward the expense of the tree, (sacks, lighting and so forth) may give her their appreciated help, or to any of the above mentioned presidents.

This Christmas Tree has been planned to help give the joy of the Christmas season to all children from all walks of life as well as to all races. The tree will be lighted early so that all can enjoy it before as well as during Christmas week. Those working with the tree hope that the children will be encouraged to admire and not molest the lights on it or on the decorations at the homes or business houses.

Committees appointed to help with the Community Christmas Tree are as follows: publicity, Mrs. Virgie Shaw, Mrs. Lon Davis, Mrs. Hollis Bond; program, Mrs. Ralph C. Johnston, Mrs. C. K. Arnold, Mrs. Lloyd Jones; purchasing, Mrs. John Hoffman, Mrs. Ross Henry, Mrs. W. I. Cannaday; lighting, Mrs. Jim Cleveland, Mrs. O. P. Rutledge, Mrs. P. A. Denison; sacking, Mrs. M. J. McNeill, Miss Ann Swepston, Mrs. Glenn Armstrong, Mrs. S. W. Ross, Mrs. John Kimble, Mrs. Buren Cates, Mrs. E. P. Stovall, Mrs. J. M. Wilson, and Mrs. Edd Johnson.

## Blue Bonnet Needle Club Holds Meeting Mrs. Perry Hostess

The Blue Bonnet Needle Club met at the home of Mrs. Helen Perry Thursday, November 20, at 3 o'clock. Games were played and Mrs. Ruth Christian and Mrs. Oleta Collier won prizes. Refreshments were served to the ladies present.

The plans for the Christmas party were made and the ladies decided to have the party December 18 at the home of Mrs. Ruth Christian.

Present for the meeting were Mesdames Oleta Collier, Mildred Fuqua, Mary Alice Eakin, Lola Kendrick, Kay Murry, Ruth Christian, Tommie Tinnin, and two visitors, Ena Lee Stewart and Grace Jarrett.

The club will meet with Mrs. Jessie Roberts December 4 at 3 o'clock. Everyone try to be there as we wish to plan the menu for the Christmas party.

Dr. and Mrs. C. M. Thacker left Tuesday for Waco and Austin for a visit with relatives. Dr. Thacker plans to do some hunting while gone. They will return home Sunday.

## League Football Re-Arrangement in District 4-A

Dispatches Tuesday carried the announcement of many changes in Class A groupings in interscholastic football for 1948, made tentatively by the Austin office of the Interscholastic League, among these the grouping that includes the present seven-team District 4-A.

In this shuffle, Floydada will be in District 3-A and with it Abernathy, Raal's, Sour and Paduvalh (Lockney, Matador and Crosbyton dropped from the grouping and Abernathy added.)

Queried by wire Tuesday by The Hesperian if the grouping carried by the press was a correct one the following reply was forwarded by R. J. Kidd, secretary of the Interscholastic League:

"Lockney, Crosbyton and Matador had enrollment of less than 200 hence will be assigned to Conference B by state office unless voted into conference A by district committee."

### Announcement

After the wire was received by The Hesperian it was noted that District Chairman I. T. Graves was not available to answer relative to the matter. Superintendent of Schools Sidney Reeves of Lockney said over the telephone that the Interscholastic Bulletin indicates the high school enrollment at Lockney as 299 or more. The enrollment this year will exceed that number. It seems sure, Mr. Reeves said. Whatever the schools decide to do in the matter will be passed upon by the district committee. The word from Mr. Kidd indicates, however, the Lockney school, for one with a team that is slated to make history in the conference next season, barring bad luck is almost certain to be re-allocated back into the Class A conference, even if it is ruled not to have sufficient enrollment.

The shuffle hits several Class AA teams in the region. Among these are Childress and Brownfield. Childress was placed in District 2-A along with Clarendon, McLean, Memphis Shamrock, Wellington. The reshuffle left Canyon out of Class A and made District IA read Dalhart, Dumas, Hereford, Perryton, Phillippe and Tulla. Dimmitt also was taken out of the tentative Class A list.

District 4-A in which Brownfield is placed (but has already indicated intention of petitioning back into AA) will be a hot one with Brownfield, Levelland, Muleshoe, Littlefield, Morton, O'Donnell, Post, Slaton, Sudan and Tahoka.

In the case of Lockney the school is making rapid progress with indi-

## Rural Electric Coop Heads Talk Shop With Department

Six officials and directors of the Floyd County Rural Electric cooperative, who attended a regional meeting of rural electric officials with high-ranking officials of the Rural Electric Administration, at Albuquerque, New Mexico, had a chance to talk over their problems with Washington early in this month. L. W. Chapman, manager, thinks the likelihood is that the talk will result in ironing out some difficulties which have plagued the local organization in the past.

Progress of CREC has been marvelous, considering the adverse conditions which have prevailed much of the time since its inception but slow and tedious from the point of view of those who have been on the job or waiting on them for service. Attending the meeting, which was held on November 19 and 21, were Mal Jarboe, president, Walter Patterson, vice-president, Lee Trice secretary, J. S. Lackey and T. E. Cowart, directors, and Mr. Chapman.

### Fairview News

FAIRVIEW, Nov. 25—The sun is shining again after a week of bad wet weather. The moisture received was appreciated. Farm operations are at a standstill for a few days waiting for fields to dry up so wheat can be sowed and cotton harvesting continue.

The community wishes to extend our sympathy to Mrs. Grover Freeman and family over the loss of her brother last week.

E. C. Queen of Athens, Georgia spent last week with his nephew E. W. Walls and family. This was Mr. Queen's first visit to Texas.

Sunday visitors in the home of Mr. and Mrs. C. L. Bradford were Mr. and Mrs. Kenneth Cook and son of Lockney, Mr. and Mrs. Ben Galloway and children, of Floydada and Mr. and Mrs. Lee William Burton and daughter.

Mr. and Mrs. E. W. Walls and Mrs. Bill O'Dell spent last Wednesday in Plainview.

Mr. and Mrs. Bud DuBois, of Floydada visited his parents, Mr. and Mrs. Edell DuBois, last week.

Mr. and Mrs. Arthur Graham and children spent the week-end with Mr. and Mrs. Thurman Perry. Other Sunday visitors in the Perry home were Mr. and Mrs. L. B. Cooby and Mary De.

Rev. and Mrs. Bill O'Dell went to Fairview community in Randall County Sunday afternoon for the ordination service of her brother Rev. Wayne Wilcoxan. Rev. Wilcoxan is pastor of the Baptist church.

Mr. and Mrs. Clyde Lovell spent week-end before last in Clovis, New Mexico, where they visited Mrs. Lovell's parents, Mr. and Mrs. J. E. DeVall. On Monday of this week Mr. and Mrs. Lovell were in Lubbock on business.

Expectations of increased enrollment next year.

Clad to Have Abernathy Addition of Abernathy to the district is likely to be welcomed by school officials of the district. Superintendent Reeves thinks. Unless Abernathy objects and wants some other arrangement, and assuming that Matador and Crosbyton also want to stay in the district, it would make an eight-team arrangement for conference play, which is approximately ideal.

The matter will be discussed fully when the district committee meets Monday night at the end of the conference football year. The superintendent and coaches will select an all-district team at the Monday night meeting also.

## Supt. Graves in San Antonio Meeting of Teachers Assn

Superintendent I. T. Graves, of Floydada Public schools, left yesterday for San Antonio, where he is to spend Thanksgiving and the week-end attending the annual convention of the Texas State Teachers association.

Mr. Graves is a member of the House of delegates, as is also Superintendent O. J. Laas, of Plainview, in whose company the Floydadman is making the trip to South Texas.

## 1929 Study Club and Guests hear Seventh District President Give Address on Aims of Federation

The 1929 Study Club held open house last week at 3:15 p.m. at the First Baptist church. J. D. Mellicien, president of the club, greeted the guests and directed them to the dining room, where they were served from a table covered with a lace cloth and arranged with silver appointments. Mrs. Kimble, Jr. poured coffee.

The guests were seated in the parlor of the church. The decorations in the parlor were a large arrangement of pyracantha branches with berries placed in pottery upon the hearth. An arrangement of poinsettias and yellow candles adorned the mantle.

Sixty Sestet Singers, Mrs. Clement McDonald played piano as the guests were being entertained.

J. D. Mellicien gave the welcome address and Mrs. Hollis Bond presented Mrs. Carl Muench and her Sestet. The Sestet sang selections including, "Indian Prayer," by Zmecnik and "Mollie's Song," by Gley Swoaks. Mollie's French song, "The World is Changing for the Sun," by Seltz, was sung by the Sestet.

The speaker for the afternoon was D. L. C. Kinard, of Memphis, president of federated clubs of the Seventh District. Mrs. Kinard was introduced by Mrs. Hollis Bond. She gave the highlights of club women's work from the beginning, 1637. Mrs. Kinard shall try to visit all clubs in the district and start building a stronger federation. Today's federated women's clubs is the strongest in the world and the American woman, the most fortunate of women. The president has been on a short time and has traveled 1000 miles and met with 60 clubs. Mrs. Kinard expressed her hope to see a large number of club members at the convention in Pampa, Dec. 5 & 7.

**Federated Clubs Objectives**  
Federated club women are working for National prohibition, elimination of fear of war, uniform divorce and cleaner movies and wholesome recreation for the youth.

Mrs. Kinard stressed that the severest departments of work must be carried out in order that club women stand for and join the basic steps of life. She closed her address with these words, "I do not know tomorrow, I have seen yesterday and I love today."

The president of the 1929 club visited each club in closing.

**Guests of the Club**  
The hostess club had as their guests, Mrs. George Van Wickel, Mrs. Lewis, Noman Hamilton, Mrs. Zimmerman, Jr., Frank Stovall, Mrs. Johnson, W. I. Cannaday, Don Stovall, L. C. McDonald, George Kimble, Bill Poole, John Stapleton, Mrs. Shaw, George Sherrill, D. T. Stovall, E. L. Anrus, M. J. McNeill, Mrs. Muench, Kenneth Bain, Jim Stovall, Etel Baker, Clyde Haden, Marlene Stewart, J. A. Hutchins.

### CHILDREN OF BLASSINGAME FAMILY GATHER FOR WEEK

For the first time in seven years the three children of Mr. and Mrs. Blassingame were home together for a week's visit with their parents. Mrs. Blassingame reported to the Hesperian Tuesday that the children had a wonderful time being home again, even though the mother was bad during their stay.

The children and their families who were here last week were Mr. and Mrs. A. L. Zerwer and daughter, Grants Pass, Oregon; Mr. and Mrs. Melvin Blassingame, of Dallas; and Mrs. R. P. Terrell and baby Albuquerque, New Mexico.

Garland Garland, of Blanchard, Oklahoma, has returned to his home for a week in Floydada. Mr. and Mrs. Hubert E. Garland is a cousin.

## Luncheon is Honor to Charter Members Carrs Chapel WSCS

The Carr's Chapel W. S. C. S. observed their seven years of service with a luncheon at the home of Mr. and Mrs. W. M. Finkner Friday November 21. This was honoring the charter members.

The luncheon table was very pretty in white, crystal and silver. Decorations were cut-out emblems of the W. S. C. S. and three tall white candles for the centerpiece with four more candles to complete the seven year idea. Place cards were in white with tiny white candles.

The fellowship committee, Mesdames Sherwood Ramsey, Everett Miller, and L. A. Williams, prepared and served a delicious turkey luncheon. Rev. O'Kelly offered the prayer of thanks preceding the meal and following the luncheon. Mrs. Donald Finkner gave a beautiful sacred solo. She was accompanied by Mrs. W. M. Finkner at the piano. Mrs. C. A. Williams and Mrs. M. D. Ramsey gave a review of the accomplishments of the W. S. C. S. from 1940 to 1947. The League benediction was the closing number. The program was directed by Mrs. Sherwood Ramsey.

These were eleven of the seven charter members present as follows: Rev. and Mrs. W. V. O'Kelly of St. Johns church in Plainview Texas, Miss Anna Carr, Mesdames M. Carr, C. A. Williams, L. A. Williams, W. M. Finkner, Everett Miller, Wheeler Turner, Marvina Smith, LaJuana Sue Williams, Olan Earl Finkner, and Don Ray Ramsey.

## Blue Bonnet Needle Club Holds Meeting Mrs. Perry Hostess

The Blue Bonnet Needle Club met at the home of Mrs. Helen Perry Thursday, November 20, at 3 o'clock. Games were played and Mrs. Ruth Christian and Mrs. Oleta Collier won prizes. Refreshments were served to the ladies present.

The plans for the Christmas party were made and the ladies decided to have the party December 18 at the home of Mrs. Ruth Christian.

Present for the meeting were Mesdames Oleta Collier, Mildred Puqua, Mary Alice Eskin, Lola Kendrick, Kay Murry, Ruth Christian, Tommie Tinnin, and two visitors, Ena Lee Stewart and Grace Jarrett.

The club will meet with Mrs. Jessie Roberts December 4 at 3 o'clock. Everyone try to be there as we wish to plan the menu for the Christmas party.

Dr. and Mrs. C. M. Thacker left Tuesday for Waco and Austin for a visit with relatives. Dr. Thacker plans to do some hunting while gone. They will return home Sunday.

## Club Breakfast Held By 1922 Study Club

The 1922 Study Club met in the home of Mrs. O. P. Rutledge for a club breakfast Thursday morning at 9 o'clock. Mrs. Rutledge was assisted in the hospitalities by Mrs. Bill Poole and Mrs. C. A. Caffee.

The breakfast table was laid with a beautiful lace cover. A large pink picture hat formed the centerpiece for a huge bouquet of gold chrysanthemums.

Mrs. Caffee poured while Mrs. Poole and Mrs. Rutledge served lovely plates of cinnamon rolls, pineapple wedges, olives, coffee and mints.

The house was decorated with pot flowers. A glowing log fire warmed the hearts of all present. Each member had been asked to wear a wackie hat. Some very clever numbers were in evidence. Mrs. McKinnon wore a purple velvet creation, which her husband purchased for her 64 years ago.

Prizes were given, with Mrs. J. B. Jenkins taking first with an inverted "potty" hat; Mrs. J. M. Willson wore a blue draped bath towel arrangement with wisk broom and clothes pin trim, tying honors with Mrs. Rutledge who wore a tilted sewing basket lid adorned with a plume.

Third prize went to Mrs. Lon Davis, who had on an inverted roll basket trimmed in jingle bells.

In a short business session, the president, Mrs. Glad Snodgrass, named special committees to assist the 1922 Study Club with the community Christmas tree.

Next meeting of the club will be with Mrs. Bill Poole on December 11 at 3 o'clock for the Christmas party.

Let's change that dirty, beat-up summer oil! Let's refill with brighter, lighter Conoco N<sup>th</sup> winter oil!

Free-flowing Conoco N<sup>th</sup> Motor Oil (patented) includes an added ingredient which fastens an extra film of lubricant so closely to metal surfaces that cylinder walls are OIL-PLATED!

This extra OIL-PLATING actually resists gravity... won't all drain down even overnight! So, you're extra-protected from metal-eating, combustion acids... from "dry" starts... from sludge and carbon caused by wear!

And that means zingful power... pick-up... get-up-and-go! A change you'll be thankful for!

### A Farm Woman Thinks

By Nellie Whit Spikes)  
 For The Day  
 By Phyllis Saunders

God, I'll walk this whole day  
 and thank and praising you.  
 My urgent heart's demands  
 have my problems in Your  
 hands.

I'll find a friend.  
 I'll find a friend for beauty at the bend  
 of every road. So well I know  
 you surround me as I go.

I'll turn home with faith grown  
 strong.  
 You will grant ere long  
 my earnest prayer, as you see best,  
 and thinking you, I'll know I'm  
 answered.

Thanksgiving Day when I  
 was a child. We either had dinner  
 at school with programs appropri-  
 ate to the glad season or there was  
 a party at night. To  
 celebrate "Day" we sang and  
 danced. There was a paper cornucopia  
 of nuts and candies spilling out  
 from a little girl's show-  
 case. Plenty of the year passed  
 blackboards would be covered  
 with names of turkeys and pilgrim  
 mothers, boys, and girls.  
 There were garlands of wheat and  
 corn. I loved to mark with col-  
 ors around the stenciled  
 names.

I should remember the day set  
 aside to give thanks to the Giver  
 of all things. We should plant it  
 in our hearts and hearts of our child-  
 ren that they too, will look back  
 and remember the blessed Thank-  
 ssgiving Days of their youth.

There are so many things to  
 thank for. We should use our  
 eyes to see the beauty all about us  
 and to hear the good reports  
 which we think about "whatso-  
 ever things are honest, whatsoever  
 things are just, whatsoever things are  
 whatsoever things are lovely,  
 whatsoever things are of good re-  
 port." By the time we get through  
 thinking about all these things there  
 will not be room in our minds for  
 things which destroy.

pillows was something else. There  
 were ones of tan with holly leaves  
 of green and berries of red outlined  
 with silk threads. Some were piec-  
 ed of silk scraps and made gay with  
 feather-stitching. The more ambi-  
 tious burnt designs on leather with  
 needles for that purpose. We made  
 pillows of buck toweling with many  
 colored threads picking up the pat-  
 terns and zigzagging from corner  
 to corner. Some were ruffled and  
 dainty, others strong and useful.  
 But they made good gifts to hang  
 on the trees with vases and albums  
 and mustache cups. I wonder why  
 more of us did not keep the mus-  
 tache cups. Now they are antiques  
 and bring a fancy price. When Mr.  
 Spikes shaved off his mustache  
 Wilson broke out the bar across the  
 top of his dad's cups and somehow  
 they were all broken and not a one  
 kept.

And then children could make  
 spectacle cases for grandma and  
 grandpa. We made magazine racks  
 but the whole year's catch of mag-  
 azines then did not overflow them.  
 Heigh-ho this makes me think of  
 Christmas 1947 and that it has been  
 too bad for me to get out and see  
 about the presents I am to make  
 for the folks this year. It seemed  
 only yesterday that I gathered the  
 lovely flowers from the garden and  
 turned on the fan to keep cool at  
 night. Now I have put away the fan  
 and got out the heating pad the  
 other day I got a Christmas  
 card from Aunt Mirt, Thanksgiving  
 is almost here with its friendly din-  
 ners and thankful hearts and I must  
 see about gifts for the gladdest  
 holiday of all.

God bless you all, dear friends  
 this Thanksgiving of 1947 and let  
 us all say with Grace Noll Crowell  
 Let the earth rejoice and the  
 heart be glad.  
 Let this Thanksgiving Day be  
 filled with praise  
 And gratitude for the blessings  
 we have had  
 Throughout the days.

### South Plains News

SOUTH PLAINS, Nov. 24—The  
 sun surely looks good to us women  
 folks who didn't get to wash this  
 last week. Maybe it will last until  
 we can get our dirty duds clean and  
 dry.

As it rained all week and I didn't  
 get around much, I'm short on news  
 but the best news is rain. That's  
 worth a lot.

Mr. and Mrs. A. J. Huckabee have  
 returned to east Texas on account of  
 her health.

Mr. and Mrs. E. P. Smitherman  
 and boys spent the week-end in  
 Canyon with Mr. and Mrs. Roy  
 Childress and Louise. They attend-  
 ed the football game Saturday after-  
 noon.

Mr. and Mrs. H. L. Marble and  
 family visited in the G. E. Reeves  
 home Sunday afternoon.

Mrs. Russell Reed and son of  
 Dumas spent a few days last week  
 with her mother, Mrs. Lena King.

Mrs. Carrie Bostick attended a  
 cooking school at Abernathy Satur-  
 day, November 22.

Mrs. Charlie Jarrett returned  
 home last Friday after spending the  
 week with her daughter and family  
 in Amarillo.

Mrs. Lee Parson returned home  
 last Friday after spending the week  
 with her daughter and family in  
 Amarillo.

Mrs. Lee Pearson returned home  
 last Thursday from New Mexico  
 where she had spent the last three  
 weeks with her father who is ill.

Mrs. Sula Julian is on the sick  
 list. We wish her a speedy re-  
 covery.

Visitors in the Raymond Upton  
 home Sunday were Mr. and Mrs.  
 Shelby Calahan and children, Mr.  
 and Mrs. Byron Karr and family  
 and Mr. and Mrs. Arthur Brown  
 and Karen.

Bettie Jeffcoat and Alan spent  
 Sunday visiting in Lockney with Mr.  
 and Mrs. G. Jeffcoat.

Mr. and Mrs. Wade Deavenport  
 spent last Thursday night in Lub-  
 bock with their daughter and hus-  
 band, Mr. and Mrs. Herman Thorn-  
 ton.

Mr. and Mrs. Jack Henry and son  
 Jackie, and Mr. and Mrs. Sam Henry  
 of Lubbock spent Sunday in Quan-  
 nah, Texas, visiting in the home of  
 Mr. and Mrs. Howard Bartley at  
 whose home Mr. and Mrs. Tom  
 Bartley of Indianapolis, Indiana, are  
 visiting. Mrs. Tom Bartley is a  
 sister of Mr. Henry.

Rev. and Mrs. Cloy Lyles and  
 daughter, Carol Ann, of Vera, Tex-  
 as, and Mr. and Mrs. Monroe Bot-  
 teler and daughters, Beverly Jo and  
 Anna Beth, of Artesia, New Mexico,  
 visited last week with their parents  
 and grandparents, Mr. and Mrs. C.  
 M. Lyles.

Mr. and Mrs. E. L. Ward, of Bis-  
 hop, Texas arrived in Floydada the  
 first of the week to spend the  
 Thanksgiving holidays with Mrs.  
 Ward's sister and family, Mr. and  
 Mrs. B. F. McIntosh, sr.

Mr. and Mrs. Lloyd Carpenter and  
 children of Baileyboro, Texas, and  
 Donnie Carpenter of Plainview spent  
 the week-end with Mr. and Mrs.  
 Tom Warren. Mrs. Warren return-  
 ed home with the Carpenter's to  
 visit awhile.

NATURAL BRIDGE, Va. — Mr.  
 and Mrs. J. D. Cleveland of 503 West  
 Virginia Street, Floydada, visited  
 Natural Bridge this week.

**Get To Them While They're Small and Save**

Getting to troubles while they are small is only common sense. When something goes wrong in your home don't wait till from one thing wrong it grows to a hundred, each getting worse day by day, because along with that time, the price of the necessary repairs will increase accordingly.

Let "fix it" be your motto, and save with our reliable, inexpensive materials. In no time you will find your home in order again.

## Whirlwinds Perk Up In Norther Clip Chiefs

(By Phil Steen)

The predominant factor at Friday's football game was cold and most noticeable result of the cold was the lack of wind and Chief's game played under these conditions for only a handful of people brave enough to be out in the cold.

Floydada came out of the game with a 13 to 0 lead in position to win the third place winner of this year's game should they take the Spur in next week's homecoming game.

Crosbyton took the kick on their own and returned it to the twenty yard line in a series of four plays and forced to kick out of danger.

Floydada took the ball and through blocking and good running for the first time in a number of years, lots of drive in the backfield from the fifty to the line where Crosbyton held the line down before they could get Jones over the pay stripe for the first tally. Conner place kicked between the uprights for the original point, and the Winds led the Chiefs seven zero early in the

first quarter. The remaining part of the quarter was played with neither team making any impressive gains or threatening a score. The quarter ended with Floydada in possession of the ball on the Chief's forty yard stripe.

### Grigsby Makes a Long One

Play was resumed after changing goals, Floydada in possession of the ball on fourth down. Grigsby kicked a short one, characteristic of the entire game due primarily to the cold, to the Crosbyton thirty five. Crosbyton took over and had started a march and were to the Floydada twenty six where they drew a five yard penalty and suffered a nine yard setback at Conner's hands. Instead of kicking they decided to fumble it and made a pass attempt that failed and left them without the ball on downs. Floydada was stopped cold and forced to kick but after another four downs and another fourth down gamble took over again and on the very first play sent Grigsby over tackle and on to the goal line for a forty-two yard T. D. run. Conner kicked the ball wide on his conversion attempt and the score stood thirteen to zero, the half ending two plays after the kick.

### At a Stand Still

When play was resumed after the half Floydada took the kick but was forced to punt on the fourth lacking yardage enough for a first down. Another short kick and Crosbyton took over on the Floydada thirty-seven yard stripe and started their one and only scoring threat. This, however, was stopped when Hale pulled down a Simmons pass on his own six. Three rushes and a punt put the ball in the Chief's possession on the Floydada forty where they drew a fifteen yard penalty for a forward pass across the line of scrimmage. Another nine yard set back and the ball went over to Floydada on downs. The quarter ended after only two plays on the Chief's own thirty-seven yard stripe.

When play was resumed the Winds carried the ball to the Chief's eleven yard marker before being stopped by a fumble. From there the game continued with neither team having a great advantage. Floydada never again crossed Crosbyton's thirty yard line and in turn Crosbyton never crossed their own forty. The game ended with the ball in possession by Crosbyton. However they were suffering set backs and were not in scoring position on their own twenty.

A good hard played game, Floydada having the edge most of the way but Crosbyton's Simmons and Steen kept them on their toes. Floydada played one of the better of their games and would have done well to play as hard on previous occasions. However they tended to coast slightly in the last half.

This game, more so than in oth-

## This Changing World

(By J. Loyd Rice)

In my youth I never saw a school carnival, but I sure saw one at Meirose, New Mexico, Saturday night November 1, 1947.

Besides the many carnival attractions there was a stage show presented at intervals that kept hundreds of people interested.

The funniest thing to me was the boxing match in which the two boxers were blind folded. Their cautious maneuverings and wild vicious swings kept the crowd in a roar. It made me think of the fight I had when I hit at the little man who wasn't there.

The grand prize of the evening was to be a real live baby. Adoption papers were read just before the drawing. The man who held the lucky number rejected the baby. The second number was drawn, a man held it. He accepted the baby signed the adoption papers in the presence of two witnesses who signed also. Then a girl brought the baby all wrapped up in a nice warm blanket. The man took the baby in his arms, carefully peeped under a fold of the blanket and exclaimed:

"Oh, it's a pig."

### Package to Germany

Back in the summer week and I sent a package to a family in Germany. We have received a letter dated September 24, 1947. The lady was an American girl who married a German professor some thirty years ago. She wrote the letter in English. I quote from it:

"Your good letter and a huge wooden box arrived today. What treasures! We can hardly believe our eyes. These swanky shoes! which fit perfectly and are so comfortable to walk in. And so many brand new stockings. And 6 pairs for my husband. Its lucky you can't see the awful ones he has been using. And two pieces of really good soap. What we get here is mostly sand. It raises blisters on your skin if you have a sensitive one. And then all the nourishing food as well! I haven't seen as much fat (3 lbs.) all at once for some years, nor as much sugar (5 lbs.) either. And then there is meat and fish and cocoa and milk as well! You dear generous thoughtful people! It is astonishing with what unerring instinct you have divined what we need most, and with what neighborly friendliness you help us out.

### Distress Increases Daily

"Here the depression and distress increases daily. Bavaria has never experienced such a drought. The meadows are burned brown. The cattle were driven down from the Alps 2 weeks ago because there was no more grass for them up there. And down in the valleys there isn't much either. The hay lots are only half full, and the poor lean beasts have to be slaughtered. But there are no canning factories or refrigerators either.

"In many places the peasants have to carry the water they need in the house for long distances. That

ers, Floydada linemen and backfield showed us that they are made of good stuff. We still think we have the best line in the district or at least one that is as good as the best. Our backfield had the spirit Friday night and all did more driving after they were hit than usual. Stand outs, or at least the ones that most people see, were Jones and Grigsby and Nixon in the front wall. Grigsby showed us how to sprint on his long run, Jones showed us that drive we knew he has. Conner was smearing a majority of attempts at circling his end and even catching some runs from the rear as well as throwing many losses on attempt passes. Jarboe and Nixon were not to be moved out of the line making it almost impossible to gain yardage over the line. Other players were equally important and turned in good performances however these mentioned seemed to be most constant in their endeavors.

Should the Winds turn in that kind of game against the Bulldogs who will no doubt be out for blood after losing this last game to Ralls they can at least say they did their best even if they lose.

Floydada substitutes who saw action were: Jeter, Beedy, Cline, Grubbe, Parrish, Haney, and Boothe.

in Bavaria! The land of countless streams!

"We have been able to save the garden in part by industriously lugging the heavy cans of water, which same we do for 2 hours every evening all three of us. The earth is baked as hard as a rock and has big rents you could put 2 fingers into. It is a marvel that anything grows at all. Of course the potato crop is ruined entirely. We personally have been able to save the tomatoes, cucumbers, beans and red beets - quite a satisfactory crop in each. The fruit dried up and fell off before it could ripen. I begin to understand the liturgy of the oldest religious books in India - prayers for rain and exuberant praise of lightning clouds, water, etc.

"Our electricity is also run by water power, so we not only have to carry water, but also very often have to sit in the dark." End quote.

This gives us a vivid picture of conditions that now exist in the beautiful mountain region of southern Germany called Bavaria. Usually there is an abundance of rain, and much snow in winter, but it is in the midst of a terrible drought now.

This letter enables us to say with more fervor,  
"I'm glad to be an American."

Eight Naval Air Transport enlisted orderlies have traveled a total of 1,400,280 miles in an average of 14 month with NATS, according to a recent survey. This total corresponds to 64 trips around the world. In this much flying, the orderlies have served to passengers 22,650 in-flight meals and 2,250 gallons of coffee.

Someone asked a Navy Seabee how he had managed to Jap shell-fire on Bougainville.

"Well, sir," the hard-bitten construction man replied, "One day my mate and I heard a shell pass overhead. We took off for a fox-hole 50 yards away. After the bombardment, we discovered that we'd lost our dog tags. We had been running so close to the ground that we'd stepped on them and snapped them off!"

## Longhorns End Season; Others Play Thksgiving

Team	P	W	L	Pct.
Lockney	6	5	1	.833
Paducah	5	4	1	.800
Spur	5	3	2	.690
Floydada	5	3	2	.600
Ralls	5	2	3	.400
Crosbyton	5	1	4	.200
Matador	5	0	5	.000

As far as the 1947 football season is concerned Lockney is finished. Both in games and chances at the district championship. Their only hope, and a weak sister at that, is for Matador to knock over Paducah on Thanksgiving day which would make them automatic winners on percentages.

Next week Spur hits the road to Floydada for their annual Thanksgiving game, and though they hit it rough last week they are a potent team and could run the game their way. On the other hand the Floydada eleven, with another win under their belt and a bit more determined to make a good showing in the conference standing than before, are getting ready for the fray with much preparation. This promises to be the game of the week as far as this district is concerned, and should be close provided neither team gets rattled.

**Rails Gains Momentum**  
Ralls travels to Crosbyton for their Thanksgiving fracas. Crosbyton is a little red faced from the loss to Floydada last week and should give fourth with greater efforts this week. Ralls on the other hand has been gaining momentum through the season and wants to push their own percentage even higher. They have won only two games to date. They have a fast backfield that fits the name Jackrabbits and are likely to run the Crosbyton eleven ragged if they aren't careful. By the same token the Chiefs boys might pass the Ralls boys off their feet provided the weather isn't too cold. They have a good passer and at least one man that can snag a pass almost anywhere and is fast enough to be gone if he does.

**Sandlin Burg Has Cinch**  
Paducah traps off to Matador for their last district game of the

year and are going to be hot after the Matadors so they can cinch their district title which would go to Lockney if they lose. Matador has a small team and have shown no promise of having anything to cope with a Sandlin attack. However they would like to win at least one district game and this is their chance at it this year. A help is that they will be on their own field although we think it will go the other way.

expecting to spud in within a short time, weather permitting.

No report was received during the week on Continental's No. 1 Swenson Land and Cattle company, scheduled 9,500-foot wildcat 3 miles east of Calgary. At last report this test was still awaiting the completion of water wells before spudding in. The project is due to start making hole with rotary as soon as sufficient supply of water is developed.

McDaniel & Beecher Drilling company and Anderson Brothers No. 1 Ammons, south-central Crosby wildcat, 16 miles south of Ralls, had progressed below 2,627 feet in lime and was drilling ahead. It is contracted to explore to at least 4,500 feet.

The Ohio Oil company No. 1 Swenson Land and Cattle company scheduled 9,000-foot exploration in extreme Northeast Garza, a short distance from the Crosby county line was rigging up rotary tools, preparatory to spudding and starting to make hole.

All types of farm work was halted completely, except for the care of live stock, for the nearly two weeks of time.

Speculation is rife this week of how to handle wheat land, where the volunteer would sprout, whether to leave volunteer, and, if so, how to thin it; also how deep the moisture and will it do to plow and replant if no more moisture falls.

From conversations listened in on it appears there will not be a great

The Battey Turkey farm has scored again.

This time it is at the Southwestern Turkey Breeders exposition in Fort Worth, where the judging began last Thursday in Pioneer palace.

Mrs. Battey, who has been in Fort Worth for the show and returned home Sunday, reported for the dressed turkey division winnings as follows:

First tom and first hen, grand champion and reserve champion. The Fort Worth newspapers played the event up in a big way and reported the top bird in the dressed division as selling in the auction at \$175 to John B. Collier of the Fort Worth Poultry and Egg company, who gave the turkey to Amon G. Carter. Mr. Collier also bought the reserve champion for \$75 and gave it to Walter Humphrey.

Mrs. Battey was among the exhibitors who were guests of 10 feed milling companies at a banquet in Pioneer palace on Friday night.

In the live division the Battey turkeys were awarded first and sixth on old toms, sixth and ninth on old hens, third, fourth and tenth on young toms, and fifth young hen.

deal of uniformity on ways to proceed.

Some cotton activity was being resumed Tuesday afternoon. Several thousand bales of cotton still in the fields will be handled in various ways. Some is to be gathered by hand, while others are planning different types of mechanical methods.

Mr. and Mrs. W. J. Waller and daughter, Eva, were recent visitors in White Deer, guests of their daughter and husband, Mr. and Mrs. Bob Eben.

## Lakeview News

LAKEVIEW, Nov. 24—Rev. W. C. North, of White Flat, has accepted the pastorate of the Baptist church here and will preach each second and fourth Sundays at the morning and evening services. There was no church or Sunday School Sunday because of the bad conditions of the roads.

Teachers and pupils appreciate more than words can express the new gas stoves recently installed in each class room.

Because of the bad weather prevailing the past week which in turn caused the absence of so many pupils, the Thanksgiving program which had been scheduled for the night of November 26 has been postponed until a later date.

Since the bus could not make the regular schedule trips the past week because of bad roads, several of the high school pupils spent the week in town.

The regular second six week tests which were to have been given last week were given Monday and Tuesday of this week.

Mr. and Mrs. Fred Jones and children returned home Sunday afternoon from Knox City, where they spent the week-end visiting in the home of his mother and other relatives.

## Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

## Home of Orphan Children Dedicated

Several members of the Odd Fellows and Rebekah Lodges of Floydada attended the dedication ceremony of the new Odd Fellow's Orphan Home in Corsicana November 23. A banquet with the actual dedication and governor's address on 23rd highlighted the two day ceremony.

Among those present from Floydada were Mr. and Mrs. Fred Jones and daughter, and Mr. and Mrs. Tom Hart, Frank Dudley, and C. Baxter. The group left for Ralls on a chartered bus from Rock Saturday morning and reached home early Monday morning.

School will dismiss Wednesday afternoon for Thanksgiving holidays. Classes will be resumed December 1.
