Sunset Today—6:29 p. m.
Moon: First Quarter Feb. 17

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, FEBRUARY 12, 1948

NUMBER 2

Vote Next Tuesday on Road Bond Issue

Road bond vote—the third in 90 days—in Floyd county, is set for Tuesday of next week, February 17, and a considerably enlarged taxpayer electorate over last year is due to have a say in the outcome of the issue.

With an election due to be held in all of the 22 voting precincts all will be conducted in the usual voting places, except at Alton, where the school house, new private property and undergoing changes, will not be used. Use of a private residence close by will be made, it was indicated by E. E. Foster, one of the judges of the election there.

Issue Is for \$500,000
Prospects this week were that the proposed issue of \$500,000 for road construction is more likely to carry than the two former offers at \$300,000. The higher figure is calculated to reach and benefit directly a larger percentage of the county's improved properties.

This week there was no organized group either for or against the issue. The Junior Chamber of Commerce of Floydada, still as a membership organization, is for getting a road building program started, voted not to make an active campaign for it as a body, and other groups have not taken up the torch. One difference in the situation is, this election contrasts with previous ones. The Commissioners court voted solidly in January as

approving the plan adopted by the committee representing the county's four precincts. In the other two elections they had been unofficially for the bond issues proposed but announced they would follow a hands off course since they would be called upon to handle any funds which the taxpayers might make available.

Roads which it is proposed shall be included in the program for hard-surfacing with the proceeds of the bond issue are the following:

Eight miles from Highway 70 at Alton to Providence;

Thirteen and a half miles from Highway 70 at Lockney to Sterley and Lone Star;

Four and a half miles from Highway 70 at Lockney to Pleasant Valley;

Six miles from Highway 237 to Cedar Hill;

Fifteen miles from Highway 70 at Floydada to Sand Hill and Harmony;

Seven and a half miles from Highway 207 to Center and Fairview;

Seven miles from Highway 70 to Baker and Pleasant Hill;

Eight and one-fourth spur miles from Dougherty east and south to a point near the south county line.

The total of this mileage is indicated at 69.5.

Interest Costs Lower

While construction costs are going down at this time, according to the State Highway department's report on lettings last week, one of the principal arguments, finance-wise, for the issuance of the bonds at this time is that the interest charges will be lower than ever before enjoyed by the county. The proposal is to issue bonds that bear interest at a rate not to exceed 3 per cent. It is even hoped the entire issue may be taken by the State School board at 2 1/2 per cent. No definite promise has been obtained to this effect. However, the county's debt is so low that even with valuations on a pre-war basis, the debt, if it is created, would come within the requirements for state school funds as to security. This is the claim of those who favor the issue.

The bond issue would cost 36 cents per \$100 valuation for maturities and debt service on the county's present value. With town property valuations low, farm land values are even on a lower scale, the highest land valued at \$9, the lowest at \$2. The latter is rough grazing land, the former represents many of the more highly developed farms currently going on the market at figures above \$150.

Elections in all boxes will open at 8 o'clock on Tuesday, February 17, and will close at 7 o'clock in the evening.

Telephone Job Under Way

Weather Halts Business, Industry as Blizzardy Winds Sweep Down With Near-Zero Temperatures

John Q. Weather early Wednesday morning took over affairs of Floyd county people and had business and industry practically at a halt this morning as the tempo of activity slowed throughout Wednesday.

This morning at 8:30 the gas company asked that business users of natural gas take another "holiday" to conserve gas for residences, except in cases where the closing would work undue hardship on the public.

Highest reading of the thermometer since Tuesday midnight has been 12 degrees above zero and the low for the period came yesterday evening at 6 o'clock when the gas company registered 8 above zero. The cold, Roy Leslie said, is due to hang on through tonight, although their best information indicates the skies will be clearing late this afternoon.

day as the market pointed nearer and nearer to the zero mark. Cold, made more intense by a 25-

mile wind that whipped it across the prairies, carried spikes of dry snow crystals throughout yesterday and into the night. Cattle and other live stock suffered in spite of attention of attendants who spent much of the cold day feeding and watering.

Only necessary travel was being undertaken yesterday. New grand jurors, being sworn in for the six-month term, were here for district court.

Bus travel was running almost on schedule east and west through Floydada.

Roads were closed northward toward Amarillo where the storm and ice were worse. School attendance was off here. Several transport trucks southward bound were halted by the State Highway department at Amarillo yesterday noon.

Schools Are Closed Today
Although West Texas Gas company was coping successfully with the situation yesterday in the 44 towns of the area which they serve, Roy Leslie, Floydada district manager, said that schools had been asked to close today and re-open only after (See Bad Weather, back page)

Southwestern Bell Telephone company has lost no time this week transforming their blue print of an expanded local exchange into actual work.

With engineers and solicitors on the ground and a contractor's crew of men here also and organized to dig holes and set poles, the company will pour an estimated \$300,000 into the area within the next few months.

And when their construction and installation jobs are completed they expect to have practically doubled their present 700 home and business stations in an area of roughly 633 square miles.

Part of Nation-Wide Job
The program here is a part of the Bell Telephone system's construction to bring telephone service to one million more residents of the United States in the next five years, Southwestern's statement to the people of the area declares.

The work here will include changes and enlargements in the telephone exchange as well as construction of lines and installations in the area.

O. A. Thomas, district commercial manager and W. J. Myers, area manager, and other officials of the company were in Floydada Tuesday for the beginning of the campaign for telephone connections in the area to be served with this exchange. Contacts with prospective users in the territory will be made by Larry Chiffon, E. N. Hunter, Chris Barber and Marshall Kemp, and in addition subscribers may contact a representative at the telephone office in Floydada.

Says Santa Fe Wheat Report is Most Factual

In discussing the improved wheat outlook for Floyd county this week A. L. Hartzog, county agent, said that it is estimated that only about one third of last year's wheat acreage, or 100,000 acres, has been seeded in the county for harvest in 1948. The balance of the county's 300,000 acres remains in volunteer wheat, most of which will be harvested if conditions are extremely favorable for the maturing of a volunteer crop in the spring. Otherwise large acreages of volunteer may be plowed up and held as summer fallow or converted to grain sorghums or cotton thus giving no wheat yield this year, according to the intentions expressed by many farmers with whom he has come in contact.

Concerning the generally overly optimistic outlook of many commentators in the winter wheat belt the agent quoted the Santa Fe Railway crop forecast of February 1, as being the most nearly correct in his opinion of any he has read to date and gives it as below verbatim, noting that up to now many more or less official sources have made super-abundant predictions in the apparent hope that a rich forecast might control rising prices.

Mr. Hartzog said he believes however that the following forecast calls a spade a spade and indicates the facts of the wheat outlook which are to put it briefly, "The Nation can hardly expect to make a bumper wheat crop and may find itself the victim of a long over due wheat failure due to shortage of moisture reserves, even though the sharp drop in wheat prices of the last few days might indicate the contrary if the wheat prospect alone could be considered the basis at the root of the market drop."

The Santa Fe Report
The Santa Fe report was as follows: "Because of conditions existing at present, it is impossible to make a prediction regarding the southwestern wheat crop and even guessing at the possibilities is unsafe."

"Boiled down to a matter of speculation, the general situation probably has improved during the past month simply because wheat apparently has held its own, and spring (See Wheat Crop, back page)

Keliehor Test Reported Dry at 8010 Feet

Test for oil by the Standard of Texas Oil company on the Joe Keliehor land in Hale county near the west boundary line of Floyd, is being plugged and abandoned this week. A report of the failure out of Plainview quoted a Midland authority.

At 8010 feet in black shale, the bottom of the well was in some section of the Pennsylvania. There were no shows of gas or oil, the report said.

Comr. Fred Clark Laid up for Rest on Doctor's Order

Commissioner Fred N. Clark, of Precinct One, did not sit in on the meeting of the Commissioners court here Monday. Instead he was at home in bed taking a rest.

It was the doctor's idea, following a check up in a clinic early last week. Fred went to a Lubbock hospital under his own power but returned home Friday in a Harmon ambulance. The doctor said Mr. Clark's heart needed four weeks of complete rest, and had the commissioner pretty well convinced.

Pensioners to Hold Postponed Meeting Sunday Afternoon

The weather man took a hand in the plans of the Old Age Pension federation's affairs last week and with fog, drizzle and cold postponed their meeting planned for last Sunday afternoon.

S. H. Wright, secretary of the Floyd County chapter, said the new date for their meeting is next Sunday, the date being February 15. The meeting will be held in the county court room beginning at 2:30 o'clock.

A report will be heard from Judge Tom W. Deen, recently returned from a meeting in Austin of the Pensioners Advisory board. Judge Deen attended this meeting as the representative of federated pensioners in the 120th district.

MRS. R. I. BENNETT ILL AT SCOTT AND WHITE SANITARIUM

Mrs. R. I. (Irving) Bennett underwent a major operation the latter part of January in Scott and White Sanitarium in Temple. Mr. Bennett has been spending most of his time in Temple with his wife. She was reported to be in a serious condition last week by her mother, Mrs. C. W. Biller, of Amarillo.

PIE SUPPER POSTPONED

Pie supper planned by the American Legion auxiliary has been postponed, it was announced late yesterday.

The weather man can be blamed. A pie supper had been arranged for Monday night, February 16. But the unceremonious weather decided to set a new date later, which will be announced.

This is contrary to, and later information than, an announcement from the auxiliary appearing elsewhere in The Hesperian this week.

School Board Adopts Plans For Addition

Trustees of Floydada Independent School district have adopted plans for the additional housing to be built with the district \$90,000 bond issue and hope to have their affairs in shape to announce a letting soon after March 1.

W. G. Collins, president of the board, said that plans of Haynes & Kirby, architects of Lubbock, have been adopted, for an extension on the north wing of Andrews Ward school, which will be one-story and will accommodate six more classrooms with corridor, lockers and enlarged heating system. Edwin Stiles, former Floydada school student, is a member of the Haynes & Kirby firm and may be assigned supervision of the job here when the letting is made. Stiles is a son of Mr. and Mrs. W. T. Stiles.

The plans adopted were chosen after considerable investigation and discussion, Mr. Collins said. Earlier hopes were that a new building separate from the old could be obtained, but the lower cost of making an extension and using facilities of the building already at hand decided the board in favor of the addition instead of a new building.

Refunding Deal Under Way

Eight new the board is going through the process of refunding its \$27,000 old debt from bonds issued in 1923 bearing 5 per cent. New dates will be set up for earlier maturities on this debt to reduce the interest cost to the refund. These bonds are held by the State Board of education and the new issue of \$30,000 also will go to the state school fund. The last issue bears 2 1/2 per cent interest. The \$27,000 debt will be paid in 13 years, the new debt in 15 years.

Band-Parent Club Organized Monday

The parents of Floydada High school band members met Monday night with Mr. Haden in the auditorium at high school and organized a Band-Parent club.

Mr. Haden gave an interesting and inspiring talk on how this club can benefit the band.

Officers elected were president, A. J. Jackson; vice-president N. B. Stansell; secretary-treasurer, Mrs. Willie Bunch and reporter, Mrs. Paul Newberry.

Refreshments of coffee and cookies were served to the following members: Mr. and Mrs. A. J. Jackson, Mr. and Mrs. H. W. Roberts, Mr. and Mrs. W. H. Bunch, Mr. and Mrs. G. L. Freeman, Mr. and Mrs. B. M. Stovall, Mr. and Mrs. Tom Hart, Mr. and Mrs. E. Riegles, Mr. and Mrs. Eddie Cantrell, Mr. and Mrs. Clyde Haden;

Mrs. R. F. McIntosh, O. W. Sisson, Fay Maxey, Paul Newberry, C. L. Berry, Robert Garrett, John Lloyd, Eld Holmes and Messers. Polk Goen, N. B. Stansell, C. L. Pope and Leon Landers.

The club members request the presence of all parents of the band members at the next meeting, which will be held at the Andrews Ward gymnasium on March 8 at 7:30 o'clock.

Meetings will be held the second Monday of each month.

Jr. Live Stock Show Plans Announced

Hour when entries must be made and hour at which the auction will be held constitute the major changes in the plans for the Junior Live Stock show in Floydada on March 31, announced here this week by E. L. Angus and his committeemen of Floydada Chamber of Commerce. Here is the plan:

In order to permit the auction of animals to start at 3 o'clock in the afternoon and deliveries to be made early, the show ground will open at 7 a. m. to accept entries, which must be in place at 8:30 o'clock, when sifting begins on cattle and toothings of lambs.

Judging will start promptly at 9:30 a. m. This has to be done to meet the need to begin the auction early in the afternoon. Angus, through the county agent, vocational ag teachers and others, has contacted most of the junior livestock men who agree that a speed up of the show is necessary in order to make the sale an earlier event in the afternoon. This is the sole reason for the speed up. It will call for early rising on show day.

Casey Fine Will Judge
Casey Fine, of the animal husbandry department at Texas Tech, has tentatively accepted the assignment of judge of the show. Angus will be general superintendent. His assistants will be Vocational agriculture teachers H. G. Barber of Floydada and F. L. Montandon of Lockney. County Agent A. L. Hartzog will be an assistant also and secretary of the show. Other details as to assistants who have accepted department assignments, the general rules, classes and premiums have also been worked out and given to the press. Premiums start at \$5 and run to fifth place in all 23 divisions, except on championships. Details will be given in The Hesperian.

Judging is scheduled to begin with swine, in which there are seven classes provided for, to be followed by seven classes in dairy cattle, four classes in sheep and four classes in beef cattle.

General rules of the show are similar to those prevailing last year. Entries will be accepted from any regularly enrolled 4-H club member, boy or girl, who is nine years of age or older 60 days before the show, or FFA member who lives in Floyd county or who attends school in Floyd county. The animal must be to the youth who exhibits it, and he must have had ownership at least 60 days before the day of the show.

Boy Scout Week Special observance

Special services at the First Baptist church for the Scouts and similar services at the First Christian church Sunday evening at 7 o'clock inaugurated Boy Scout week in Floydada.

Among the feature events of this week will be a special court of honor for the Scout troop at Scout hut, with a Weiner roast, J. W. Reue announced.

Grand Jury Febr'y Term Put to Work

A new grand jury to serve until its successor members are sworn in next summer, was empaneled and put to work Wednesday morning of this week in 110th District Court for Floyd county.

Judge Alton B. Chapman named H. L. Stowe, of Alton, as foreman of the grand jury, and other 11 members of which are:

C. J. Taylor of Lockney, H. E. Frizzell of Lone Star, Roy E. Hollums of Sand Hill, Bill Beedy of South Plains, Wayne Battey of Lakeview, Webb Taylor of Fairmount, C. W. Ginn of Cedar, R. R. Ferguson of Starkey, and Hollis Bond, J. D. McBrien and C. W. Denison of Floydada.
(See Grand Jury, back page)

Grade Basketball Tournament Here Friday, Saturday

An invitation basketball tournament, in which eight neighboring grade school teams will participate, will be held Friday and Saturday in the gymnasium at Andrews Ward school, Floydada will have two teams, taken from the seventh and eighth grades. The other towns will enter one team each.

The tournament, beginning with three games Friday night, will last throughout Saturday, with the championship games being played Saturday night at 7:30 o'clock.

Admission to the games will be 15 and 35c. Proceeds will be used to pay for the already purchased suits for the Floydada team.

Feeding School For Dairymen Is Largely Attended

A Dairy feeding school was held in the county court room, Friday January 30, from 10:00 to 1:30 p. m. with a number of Floyd county dairymen and members of the veterans' vocational class in agriculture present.

Instructors in the school, brought here by A. L. Hartzog, county agent, were G. G. Gibson, Extension dairy-husbandman of Texas A. & M. college and J. W. Davis, assistant dairy husbandman.

Topics discussed at length were: "Breeding for production," "Feeding the dairy herd," and "Raising dairy calves." Those present other than the agent and instructor were Earl Edwards; William Culpepper; Arthur Brown; James R. Lloyd; Glenn Jarmon; E. S. Foster, field man for the Plains Cooperative, Inc.; Howard Drysdale; J. G. Tucker; C. F. Fortenberry; H. C. Johnson; J. T. Myrick, Jr.; T. E. Johnson; Otis Starkman; M. O. George and E. L. Angus of the Floyd creamery, who aided in sponsoring the feeding school.

Homogenized milk for refreshments at noon was furnished by George McAllister, owner of the Lyndale creamery and doughnuts were furnished by the Floyd County Jersey Cattle club.

Crosby Road Vote Loses

The road bond vote in Crosby county January 31 failed to get even a majority favoring a \$335,000 issue with which 48 miles of road would have been paved. The vote was 392 for, 411 against.

Principal objection voiced was that the roads included in the plans were not laid out to best advantage of the county. At Ralls and in boxes adjacent the issue carried, but in Lorenzo and Crosbytown areas the vote was unfavorable. The issue carried in five out of 17 boxes, losing in the others.

HOME FROM FLORIDA

Mr. and Mrs. A. H. Kreis are at home from an extended trip to Florida, where they spent sometime in their former home state. They also visited in Knoxville, Tennessee, and other points while away from home.

and Campaign for Red Cross Starts in March

Following an executive meeting of the Floyd county chapter, American Red Cross, held Monday after noon, Carl Minor announced the Red Cross fund campaign will be beginning early in March. Mr. Minor named:

W. Reue as county fund design chairman, Ralph Johnson as fund campaign leader in Floydada and Frank Perkins as campaign manager at Lockney.

The quota for Floyd county this year will be \$3,000 of which the county will retain 47 per cent, the national organization receive 53 per cent, said Mrs. Fred Zimmerman, Jr., publicity director.

The national quota for the fund year is \$75 million.

Additional committee assignments for the county's drive in all communities of the county including Floydada and Lockney, are expected to be released next week.

O. K. Cafe Approved for the American Restaurant Ass'n

Last week the O. K. Cafe was accepted in the American Restaurant Association as the cafe in Floydada listed in the directory of approved restaurants in the United States.

The O. K. was picked for its presentation of food, prices and general treatment of their customers, and bestowed on only one restaurant in each city.

Operator's License Fees

In spite of inclement weather, the license window in the tax collector's office of Floyd county has been doing a brisk business. Ethel Graham, assessor-collector, told The Hesperian yesterday that 291 car license, eight commercial and 95 farm truck license have been issued since February 1.

The owners can aid in speeding up the job of registration by bringing last year's registration receipt and the certificate of title, said Mrs. Graham.

Woods of the Times?

Delivery of three carloads of lumber in Floydada in the past week constituted a major event in local circles. Kiln-dried lumber was shipped on order that was a year or more old were accepted with alacrity by the yards, but noted as a possible that somewhere or other the demand is beginning to catch up with the supply.

Some local yards can handle lumber in this manner in the past few years, although business has been slow along on a basis of all time.

MARRIAGE RECORD

Marriage license were issued last week to the following couples: James Wood and Dotty Trimble, 9; Thomas L. Marr and Jeanette Hall 2; Bill B. Lacy and Thelma Doyle, 2.

BANKERS MEETING

Norman, first vice-president of the First National bank, is in today attending sessions of the Twelfth District Banker's conference. He is expected home tomorrow.

No Market

Cold weather and a selling market this morning have conspired to keep the Hesperian from giving local commodity markets.

Dealers contacted indicate they are taking offerings at a door but are unwilling to make a firm market for the

main and cotton dealers they had no market on which to sell, or hog, poultry, and hide dealers could be contacted at 9 o'clock, probably due to the request of the gas company to make it holiday."

EDITORIALS

Not over yet, in fact only just begun: The man on the street has not had his fling yet, so we conclude from the history of all post-war eras that the wild speculation is due to begin. Not necessarily wild upward, but just wild. You never can tell what the mass fancy may hit upon. It may be, indeed, that everybody is going to decide that everything is going down and go to betting their money that way. No telling what. But the man on the street usually bets up not down. Anyway, all the elements of a wildly speculative period are with us. And now that it has become extremely expensive to operate in the regular manner what would be more natural than for one to decide to avoid all the hazards of too much wet, too much dry, too much machinery expense, too much labor expense. The thing to do would be to buy or sell on the market, put about half of what a crop would cost into it and make your money that way. A good cigar, sitting back, reading the paper and watching your risk make you money, what prospect could be more rosy? Hasn't it happened about that way sooner or later after every war? Isn't it about time for it to happen after this one?

Make your own figures as to what farm property values are in Floyd county at this time. One piker reports out of a fortieth street address in New York City that values here are \$26 million and some odd thousand. He had to have some kind of a paragraph to open up with blah, blah the newspaper is supposed to use without charge about something or other this would help him sell. The figures could easily have been made \$50 or \$80 million, according to whose pencil you used.

Ode to the market: The farmer sat on the stomping patch fence, holding his cotton for fifteen cents; The grass grew up and tickled his rear and the farmer fell out of his farming gear.

It is within the span of the next two decades, possibly three, that you will see radios no larger than a pocket watch, powered by exposure to the sunlight. They will bring the radio programs of tomorrow. A radio sending set, too, your own personal one, to call your wife up from over in the field to tell her you've decided not to plow the garden today on account of you've got to see a man, will be one of the "musts" of that day. Maybe you'll just want to tell her you will be late for dinner. Also facsimile newspapers in color and globe-circling color television are among the things of this next quarter of a century. If age is crowding you somewhat, live right and maybe you'll get to see all of that.

Be rid of horn flies: DDT is highly effective in combatting horn flies. If you've freshly sprayed your animals, flies lighting on them will be killed before they can lay eggs. Keeping a herd sprayed early in the season can result in practical extermination of the pest from that herd for the remainder of the summer. That is one of the things that has actually been done in the southwest. A single spraying at the right time has been known to do the job. DDT offers real and profitable protection in many ways to range and milk pen cattle alike.

America's greatest menace: A far greater menace to America than all the hosts of finger-printed criminals is the gross ignorance of the Bible on the part of the great majority of the Christian people.—Unknown.

Learn and Obey Traffic Laws: In almost every accident on the highway one of the drivers was driving on the wrong side of the road. Driving on the wrong side of the road is the second most frequent violation reported in traffic mishaps. February is learn and obey traffic laws month in Texas. Keep right—and you'll be left in one of these laws of self-preservation.

Just to gripe because the Chamber of Commerce or "they" don't do this and don't do that isn't an adequate way of building a community. If "they" are not doing the job right the best way in this or any community is to join up and get the movement voted in the right direction. That is not the easy way, of course, because when you join up you may have to go to work at it yourself.

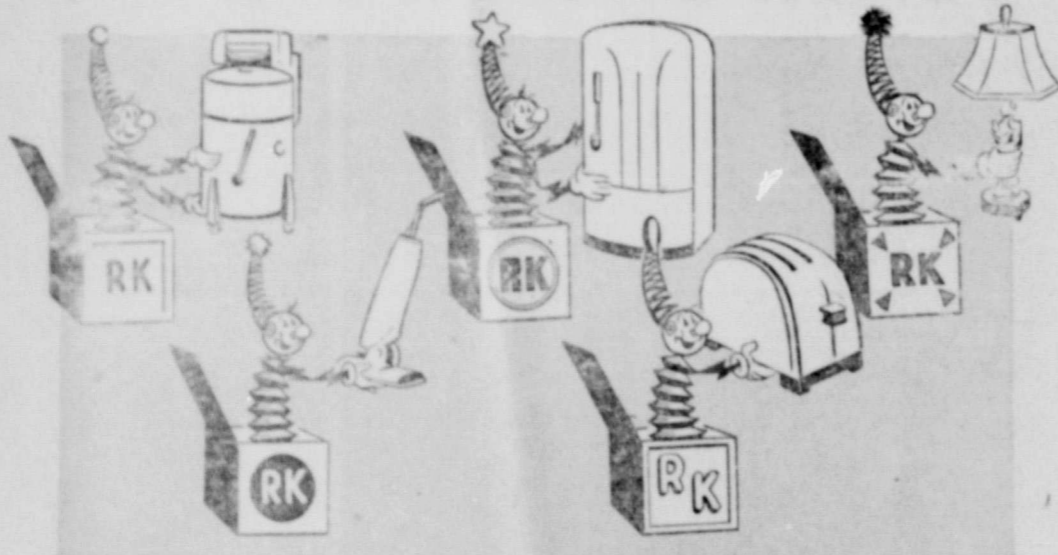

In plentiful supply, prices comparatively lower during February: Dried foods, nuts, honey and peanut butter; cabbage, carrots and celery; oranges, grapefruit, lemons, apples, winter pears; lower grades of canned peas, pumpkins and squash, sweet potatoes and tomato juice; dried prunes, raisins, peaches and figs. Your particular dealer may not have exactly all of these items at lower prices when you go to buy but they are most likely to be available and can be watched for as being budget helpers. This is assuming you may have a budget problem.

An estimated \$6,095,695 was saved by the Navy during the fiscal year 1947 as a result of its employee beneficial suggestion program.

A short soaking and slow cooking will produce the perfect dried fruit sauce.

Instead of giving yourself a pat on the back, try giving yourself a good shove.

REDDY'S ALWAYS READY

when you have ADEQUATE WIRING

When you have Adequate Wiring there's no question about installing new appliances. Your home will always be ready for all of the new electrical aids to better living. You'll have connections for an electric range, refrigerator, dishwasher, food freezer, water heater or any of the other wonderful electrical appliances.

But Adequate Wiring is necessary, so now, while you're planning on an all electric home for tomorrow, have your wiring checked.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

We have nothing to sell but good electric service.

Floyd County 14 Years Ago

Items taken from the files of The Floyd County Hesperian published fourteen years ago.

(Issue of February 15, 1934)

L. B. Withers, receiver of the Floyd County National Bank of Floydada, announces that a second dividend of seven per cent, payable to all depositors who have proven claims, has been declared and he is now ready to deliver dividend checks.

Several women of different communities were advised by the Commissioners court Tuesday that services of a Home Demonstration agent in Floyd county can not be resumed at this time.

The City of Floydada collected sixty-two percent of the current assessments for the year of 1933, figures made by Secretary S. E. Duncan this week disclose.

A coursing event for greyhounds with live rabbits is announced this week as a feature for dog racing fans of this section.

Lt. Don Jenkins, who has been stationed near Galveston left Wednesday for the municipal air field at Chicago. He will be connected with the operations staff there.

Counts of Floydada and Lockney High schools meet this Thursday night at the Andrews Ward gymnasium in the second game to decide the county title for Class A basketball teams.

Tom Bishop underwent an appendectomy at the Plainview hospital Tuesday afternoon.

Meeting for the permanent organization of the turkey raisers of Floyd county as a unit of the Plains Turkey Improvement association will be held Saturday, March 3.

In travels for a debating team at Wayland college Monday morning, Ray Chapman, of Floydada, was selected as a member.

Jess Shurbet Second Trial Jury is Hung

Wednesday of last week Judge Alton B. Chapman, of Floyd County District court of the 110th district, turned loose a petit jury which was unable to agree on a verdict in the second trial of Jess B. Shurbet, charged with drunken driving. Eight of the jurors were for acquittal and four for conviction it is reported. They told the court they were hopelessly deadlocked. The case, tried once before in the latter part of 1947, resulted in a hung jury at that time.

Shurbet is prominent in the county as a livestock raiser and horseman.

Mrs. Ebb Smith has returned home from Denver, Colorado, where she had been for a week visiting with her daughters and families, Mr. and Mrs. Phil Merry Jr., and Mr. and Mrs. C. P. Webber. Little Linda Merry returned to Floydada with her grandmother for an indefinite visit.

Mrs. Gillie Cass, of Medford, Oregon, was here last week, guest of her sister-in-law, Mrs. James A. Burrus.

Whirlwinds Make Two out of Three

The Whirlwinds made two out of three last week. The only game they lost was to Ralls in a crucial game to decide the district leader. The score was 42 - 34. The Rabbits were in the lead all the way. Burr Page, a high point man for the night with 25 points, was the big difference. He got most of the rebounds and made some points while doing it. Bobby Finley was high for the Winds with 17.

Page started off the fire works when he sank two gifted shots and added another one to make it 3 - 0. Griesby hit a free shot and B. Finley got a field goal to even the score up but Ralls surged ahead and half-time found the score 20 - 11. Floydada tried desperately in the closing minutes and pulled within five points of the Rabbits only to have Ralls gain it back.

The second stringers lost their game in a heated overtime duel. At the end of the game the score was 18 - 17 in favor of Floydada but Marsh from Ralls had one free shot coming. He made it and tied up the ball game. Ralls received the tip-off and Marsh tried a long shot which won the game for Ralls 20 - 18.

Win Two at Paducah
 Wednesday night saw the Winds take a two out of three games from the Paducah Dragons. The 3rd stringers won their game 16 - 24. Halftime score was 10 - 14 in favor of the Dragons.

Next came the second stringers game and they lost it to the Dragons 26 - 18. Halftime score was 14 - 8 in favor of the Dragons.

Then came the third game. The Winds were everything. It also broke a game losing streak for the Winds. The 2nd stringers took over when the score was 40 - 9 and did a very good job.

With the sharp shooting of Griesby Finley, and Hart, the Winds took a commanding lead and held it throughout the game.

Friday night the Green and White defeated the Crosbyton Chiefs. The score was 32 - 28. Floydada had some trouble doing it and the first quarter score was 8 - 9 in favor of the Winds.

Floydada received the tip off, scored as Pecos Hart threw in two points. Crosbyton came back but Floydada got a fast break on them and the score was 8 - 2 before the Chiefs could get moving. Half time score was 18 - 12 with the Winds on top. High points honors went to Griesby, B. Finley and K. Hart tied for second. Blackwood was high point man for the Chiefs.

The second stringers won their game also as a last minute surge moved the count to 15 - 18 with Floydada on top. J. Moss was high for the Winds.

Tuesday night Floydada entertains the Longhorns from Lockney. The Winds have one victory over Lockney.

Friday night the Winds journey to Matador to play the Bullfighters there. They have one win over Matador also.

Two New Students in Floydada High

F. H. S. is the happy recipient of two new students, Jo Anne Cline and Billy Turner.

Jo Anne is a 16 year old junior and comes to us from Sunset High school in Dallas. She likes F. H. S. very much and hopes to finish the semester here.

Billy, a 15 year old sophomore, went to school at Cache, Oklahoma, before coming to Floydada. He also wants to finish the school year here.

We, the faculty and students of F. H. S., wish to extend a hearty welcome to you both, Billy and Jo Anne, and hope that you will like F. H. S. as well as we do. We're glad to have you.

Two Brand New Horns are Received

The band is honored with the presence of two brand new bass horns. Oh, but they are pretty! Anyone that would like to play the new horns please see Mr. Haden. These new horns are only the beginning of the additions to the bass section of our band.

Some of the members are planning to attend a band clinic at Canyon, February 27. Only a few can attend this clinic because instructions for all the different instruments is not offered. Those that are not taking their instruments will observe the clinic band.

EDITORIAL

DEEP SYMPATHY

The faculty and student body of Floydada High School wish to express their regrets on hearing of the death of Mrs. Jones, the mother of H. G. Barber. Mrs. Jones passed away Sunday evening at 10:45. Funeral was held Tuesday afternoon at 3:30. The interment was in the Weatherford cemetery Weatherford, Texas.

We wish to express our deepest sympathy to Mr. and Mrs. H. G. Barber and other relatives of the deceased.

Candid Camera

This week the Candid Camera has featured a girl whose personality is so unique and subtle. Being an all-around good gal, she has become popular during her four years of high school. Our personality is Miss Doris Vinson, born September 23, 1930, at 3:30 p. m., atlingen, Texas, is a typist for the Hesperette Staff. Doris is active in class participation. She always looks to everyone and is liked by all.

Doris has walnut brown hair, nice brown, cool eyes to match them; she has a dimple in her chin and a rather laughing and cheerful expression. Since she is such a grand and wonderful person, we shall take time and tribute to her.

Doris really seems to enjoy life much, because her favorite time is going with Ernest and her favorite time of day is at night from 7:30 to 12:00. Doris had rather wear skirts and sweaters than about anything, and she loves things blue as it is her favorite color. Doris likes to wear her favorite lipstick which is Clear Red by Factor and "Old Spice" her favorite perfume. Cooking and sewing have become her hobby. Doris' favorite song is "Star Dust." She is the kind of people who are crazy, and those who can have her favorite movie was "State of Mind" and her stars are Ester Williams and Dick Haymes. Doris likes to read quite a lot; her favorite is "Green Light." Doris' favorite subjects are English IV and math. Her favorite teacher is "Missie." Doris loves football, although she likes other sports too.

Among Doris' likes are Spanish Steak, french fries, hamburger, dress-up for special occasions (weddings), most all kinds of music, going out to Beedy's and dancing, dancing, pretty shoes, working in the library.

Among Doris' dislikes are conceited people, privileged characters, acting dignified, and being home.

Doris was most embarrassed when she had a date with two boys and both came at the same time. We can just imagine how you felt Doris. You better be careful!

For an ideal day, Doris would begin at 7:00 and eat a big breakfast of waffles and lots of milk. Then she would clean house, rearrange, and listen to the radio. After this, she would cook a luscious dinner and then let her maid wash dishes. Then she would go horse-riding and then go swimming in her private pool. After such a time, she would eat a light dinner. Ernest would arrive at 7:00 and take her dancing. She would retire at 11:00 after such a wonderful day of happiness and fun. This matches up with Doris' ideal.

He is six feet tall, has black dark brown eyes, a good physique and nearly as crazy as she is. He must have a good sense of humor and just sort of intelligent. He must be able to stand up for his beliefs, has but definitely found him for you, Doris.

Doris was most excited in her when she was elected secretary of the Sophomore class. Doris is good in this type of work too. Doris, you're good in everything you try to tackle and you always accomplish your tasks. You always do what you think is best. F. H. S. miss you, Doris, when you have completed your four years. Thanks for being the gal with the cheer-ful ways and the one who smiles and speaks to everyone. If you do well in your lifetime as you have here, good luck and happiness always be yours. I am sure everyone in F. H. S. is your friend and we shall strive to do things that will please you. Here's a toast to you, Doris, for being just what you are.

We want ad habit.

NOTICE TO CAR OWNERS

We are equipped to do most any repair job on your car. Motor tune-up a specialty.

We have Autolite and Delco Remy ignition parts. If we don't have the parts you need, we will get them for you.

BATTERIES? We have them too. Also Zerone Antifreeze. Let us reline your brakes. We have Thromoid relined shoes, good as you can buy.

Four New Electric Sewing Machines

The Home-Economics Girls will be wanting to sew everything in the world now since the arrival of the four new sewing machines.

These new electric Singer machines are really wonders, sewing backward as well as forward. These machines are of a walnut finish and are really beautiful in every way.

There are two more machines promised, so anyone wishing for home sewed garments apply to the clothing girls.

Soil Conservation Studied by Ag Boys

Soil conservation was studied by the Ag boys this week. The boys

learned how to locate the first terrace, how to assemble the terracing instruments, and also the importance of soil conservation.

After learning how to assemble the terracing instruments, the boys held a contest to see who could put it together in the shortest time.

The Ag boys plan a field trip in the near future to visit several boys who are going to show their projects.

'John Doe' Cast Has Been Selected

The cast of "John Doe," a play which is being produced and directed by Mrs. I. T. Graves, has been released. The cast consists of Tom Bob Jarboe as John Doe, Ruth Harmon as Ruby, J. D. Helms as Father, Claude Parrish as Jimmy, Thomas Wayne Amburn as Jesse, Muir Beedy as Petty, and Ted Lanham as Arthur.

The date on which the play will be given is to be announced later.

Typewriter Ribbons. Hesperian.

Excellent Assembly Program Presented

A very entertaining assembly program was presented Friday of last week by Mr. W. I. Fayssoux. Mr. Fayssoux, an expert magician and hypnotist, is a representative of the Southern Assembly association of Dallas.

Mr. Fayssoux, with the help of several members of the faculty and student body, performed many interesting tricks. His first feat was performed by an assistant who appeared from a locked mailbag which was placed in a large trunk. The trunk was then locked and thoroughly tied by members of the audience. The assistant immediately escaped from both the mailbag and trunk.

The second attraction was numerology and card tricks, and the third feat concerned many examples of hypnotism in which approximately twenty students participated.

The entire program was enjoyed and appreciated very much by everybody.

De' Quacker

Dorothy Clayton had better keep hands off Bobby Plumlee, so says Doris Dyer! (slurp! I like bloody fights) But Dot's real crush is Claud Parrish, tho' she has Bobby's class ring.

Mary Helen Parrish is simply nut-about James Finley. Wonder if Nell's jealous! Duhhhhh!

Edith Garrett and Johnny Lloyd can't make up their minds, especially with Billie Newberry intruding!

Elayne Snodgrass said she'd give her right arm to go with Tom Bob. This I gotta see! But def!

Ruth Maxey is heart broken since her out of town boyfriend has done gone and left her. Cheer up Ruth after all, we have lots of boys here!

Jennie can't make up her mind whether it's Claud, Dale, Bobby, or her Lockney boyfriend! Who knows? Anything can happen, but someone is cruseen' for a brusen!

Mary Alice certainly did swoon all over the place when Jr. Perry passed her desk the other day!

I hear Gladys has her eyes on Sammy these days. Better watch it, Sammy, after all, this is leap year you know!

I hear Mary Young would give up Jr. Perry and Don Shurbet both for "Chuck." What do you think of that boys? ? ?

Some ill nals were awfully thrilled when Childress dropped in Saturday and from what I saw they weren't bad looking, either! ! !

Eugene and Pete were doing right well Sunday nite. They were at Copes with Verna, Betty and Lee. "Dew tell."

Wanda and Rose were seen with James Finley Saturday nite, and Sunday they were with Aldine Williams. Someone gets around! Share and share alike, girls! !

It would be hear say, but I hear Roy Lucas wanted to go with Dorothy Anderson. Well Dorothy, what about Gene? ?

Something new has been added together or something. Bobby Patterson and Nita Anderson are doing "all reet" together, anyway. Best of luck to you!

Hope, were you and Ted Davis having a good time Sunday night? Betty and Janet surely were glad when the F. F. A. boys returned from the Fat Stock Show. Well girls, who are they now? ? (your special interests, I mean! Janet has been looking Dan over lately - I mean "reely"! !

In one of the commencement books it said Joyce Jarrett's ambition is to be a house-wife for Gene Hollums. Nice work, if you can get it, though it seems a mite difficult at the present. Dorothy Anderson being in the way! ! Better watch her!

Anita Tooley enjoys sitting by Dan in the fifth period math class. Could the feeling be mutual? ?

It seems a correction should be made. Lee was not with Pete McGee Sunday nite. She was in the car with Fred and June. Could be.

Dorothy Bishop certainly is enjoying Leonard's charms. Gladys must have lost out on that deal, although she was seen with Wayne Norman Sunday. (I seen them with me own little eyes).

Put sneaking of Welms, what happened to that lovely romance between him and Hope? ? ? A smash up no doubt. They are both recovering as well as could be expected - by the way Hope, who is this mysterious person you are wanting to

go with real bad? ? May as well tell, I'll find out later anyway! ! Natch! !

A note was found in the Study Hall that went as follows (and I quote): "Dear Lee: Did you say you would give anything to go with Thomas Amburn?" Signed Betty.

"Yes, Betty I did. I would give anything to go with him." Signed - Lee. Well, now I wonder what Thomas and Ruthie have to say of this? ? ?

Joy McCravey was having the nicest little conversation at noon the other day. What's going to come from this? ? A budding romance maybe?

Now it can be told! ! (To tell the truth, kiddies, I just now found out myself! Billie Newberry's new heart throb is none other than Jerry Thomas. Some euv's seem to think he is lucky. Well, Jerry? ? ?

Darlene has taken over in Lockney, so it seems. The certain person who holds her interest is Chylin Pyle. Tell us all about it, Darlene! !

I wonder if Dale Smally knows what I know? ? Don't you tell him he is La Juana McAda's heart throb and we will have us a little secret. Mum's the word! ! Ha! !

Grace and Aubrey are enjoying each other's company in the fullest extent. I must say! ! Not a bad looking two-some either! ! !

What's this that Biff knows and won't tell poor little Sammy about I heard it was about to drive him crazy. Is it that bad, Sammy? ? ?

Get the want ad habit!

What is Anatomy?

The parts on the ground are called feet. One often has two of them. They hurt when you walk on them and feel better when they are up on something. Feet sometimes have knots on them called toes which very often have corns, which tell one if it is going to rain. The ankles hold the feet on the leg which run up to a couple of knobs called knees. The knees fold up and get stiff when you sit down. They run up to a trunk which has no lid and can be opened only with a knife. This is called an operation if you are alive and an autopsy if you are dead.

Contents of the Trunk

The trunk contains, among other things, the stomach, which is where you get hungry. Then you eat too much and you are sorry. The walls of the chest are made of ribs which are ticklish. The diaphragm is used for getting hiccups and to hold up the chest. The heart is what the doctor counts when he holds your wrist to see what time it is. If his watch stops, then you are dead. You should take good care of your insides as it is hard to get new ones.

The back of the trunk is behind the front. It is a long bone piled up on top of itself and it is called the spinal column. It is attached to the shoulders near the top. The shoulders hold the arms and the hands. These have to be manicured

On the shoulders is the neck which gets dirty if it belongs to a small boy and wears a collar and tie when it gets older.

Reserved for Men Only

The Adams apple is in the throat (Only men have adams apples) It runs up and down when they talk. On the neck is a head which can be moved in any direction and gets a headache. (P. S. Women have heads too - some of them) On the front of the head is a face. This is the part that looks like you. If two faces look like you, it is twins which cost as much to put through college.

The face is full of features, such as eyes, ears, mouth and nose. Ear puffs keep your ears warm but then you can't hear anything. The mouth has thirty-two teeth when you are young, but they all come out if you don't see your dentist twice a year at least. The nose can be or-

namental as well as useful. They are what you close to keep out light when you sleep. The brain is built inside the head. It thinks inventions like the radio, telephone and airplane, and all the other things we make.

The Thatched Roof

On top of the head is the thatched roof which comes in different styles. It can be curled, parted, braided, bleached, dyed, henned, or straight back. It can also be bald which is too bad, but bald is nothing you can do about it except wear a wig.

After reading this, can you tell "What is anatomy?"

On Christmas day, 1868, President Johnson issued a pardon to all who had taken part in the secession.

RE-MODELED, RE-DECORATED
 Cope's Drive is re-opened last week after closing a short time for remodeling and decorating. Mr. Cope's comment is that a coat of paint never hurt any place, and he believes he will be able to serve his customers in a more pleasant surrounding.

WYMAN GUTHRIE LEAVES FOR DENVER TO ATTEND SCHOOL.

LOCKNEY. — Wyman Guthrie, Longhorn football star, left recently for Denver Colorado to make his home with his father and to finish his junior year of high school. Wyman has been living in the H. P. Coleman home since the death of his grandmother, Mrs. Selena Guthrie on December 23.

Be wise — Advertise.

Fund Campaign For Hospital

LOCKNEY, Feb. 6.—At a meeting held last week, plans were laid to raise money to complete the remodeling, finishing and equipping of the Lockney General hospital, and included eighteen men of the Lockney Trade territory, who were asked to help in raising \$20,000, the amount to complete the building and equip it.

The site for the hospital is one block north of Hammond and company on the east side of Main street. The plans call for 14 patient beds in 12 patient rooms, plus rooms for operating, delivery, x-ray, laboratory, kitchen, dining room, lobby, six doctors' offices and treatment rooms, nursery, nurses station, wash rooms, rest rooms, sterilizing room storage rooms, etc.

The committee has secured two surplus buildings which will be converted into one large building. One of the buildings was hospital infirmary size 25 X 88 feet and the other was a mess hall size 25 X 94 feet. The plans to raise the needed \$20,000 includes the selling of 100 additional memberships. The remainder of the fund will be borrowed from people of this area who are interested in the hospital. An interest rate of 2% will be offered.

Report of Meetings of Dougherty Club

The Dougherty Home Demonstration club met Wednesday of last week at 2 o'clock in the home of Mrs. Orland Howard. Mrs. Caffee read the recommendations on exhibit, education and marketing. During the business session, the club voted to pay \$7 to the council and \$5 to the March of Dimes drive.

Following the business session, Miss Petty gave a demonstration on floor coverings for the home. The demonstration proved very helpful to the members.

Miss Petty won the recreation prize and Mrs. C. E. Bartlett won the attendance prize.

Refreshments were served to Mmes. J. T. Poole, Sam Lide, Claude Ring, C. W. Dennison, C. E. Bartlett, Tate Jones, J. R. Tinnin, C. A. Caffee, Lewis Blum, Doris Drysdale and Miss Petty and the hostesses. The club will meet with Mrs. C. A. Caffee February 18 at 2 o'clock. At that time, it is hoped that each member will be present so that the new year's work will be completed. The club now has a membership of fifteen and new members are always welcome.

Club Met January 30
 The club met Friday, January 30 in the home of Mrs. Sam Lide for a program of the year's work.

During the business session, Mrs. Sam Lide gave the council report. The following committees were appointed by the president, Mrs. Tate Jones:

Education and expansion, Mrs. Sam Lide, Mrs. Bill Poole and Mrs. George Towery; exhibit, Mrs. C. E. Bartlett, Mrs. R. C. Woodson, Mrs. J. R. Tinnin; marketing, Mrs. W. S. Poole, Mrs. J. R. Tinnin, Mrs. Orland Howard; program-year book, Mrs. Orland Howard, Mrs. C. A. Caffee, Mrs. O. G. Glassmoyer; recreation, Mrs. C. W. Dennison, Mrs. Sam Lide, Mrs. Doris Drysdale; living room, Mrs. O. G. Glassmoyer. The new year books were filled out by the year book committee and distributed to the members. The club voted to have two parties during the year. Mrs. J. R. Tinnin, who won the attendance prize, was welcomed as a new member. The recreation prize was won by Mrs. Tate Jones and Mrs. Lewis Blum. Present were Mmes. Tate Jones, Orland Howard, C. W. Dennison,

Claude Ring, Lewis Blum, T. J. Poole, J. R. Tinnin and the hostesses.

BAKER H. D. CLUB

Baker Home Demonstration club met Monday, February 2, in the home of Mrs. Claude Fawver, with Mrs. Floyd Bradford hostess.

After a short business session, Miss Petty gave a demonstration on floor covering. Refreshments were served to Mmes. A. G. Cardinal, Bruce Holder, E. H. Spears, Hershel Green, E. E. Amburn, R. L. Neil, John Smith, Poyner Roberts, Claude Fawver, Ray Smith and daughter Barbara, Miss Petty, Conally Bradford, and the hostess.

The club will meet with Mrs. E. E. Amburn on February 16.

MRS. REENE YEARY HOSTESS WHEN CEDAR CLUB MEETS

The Cedar Home Demonstration club was entertained by Mrs. Reene Yeary Wednesday of last week. Mrs. Yeary was in charge of the business meeting. Roll call was answered by giving a helpful hint. Customers and salesclerks were discussed by Mrs. E. E. Gilley and Mrs. Yeary.

Members present were Mmes. Jack Yeary, E. E. Gilley, G. D. Lackey, C. L. Gilley, Jack Stansell and the hostess.

The next meeting will be at the home of Mrs. Jack Stansell, February 18 at 2:30 o'clock. Miss Petty will be present and give a demonstration on floor coverings. Visitors

Quanah Official Visits Floydada

Quin Baker, vice-president and general manager of the Quanah, Acme & Pacific Railway company, in Floydada Saturday looking over the lines and transacting business, expressed gratification over the recent moisture in the area. Along with others he is anxious to see a deep sub-soil season before the break of winter.

Mr. Baker succeeded the late A. P. Somner as vice-president of the Quanah route. His headquarters are at Quanah.

NEBRASKA BUDDY ON TEXAS TRIP TO SEE FRANK POHL

MATADOR, Feb. 5.—Visitors last week in the home of Mr. and Mrs. Frank Pohl were Mr. and Mrs. Roy Nanke and daughter, Annadell, of Lincoln, Nebraska. Mr. Nanke and Mr. Pohl were "buddies" through are welcome.

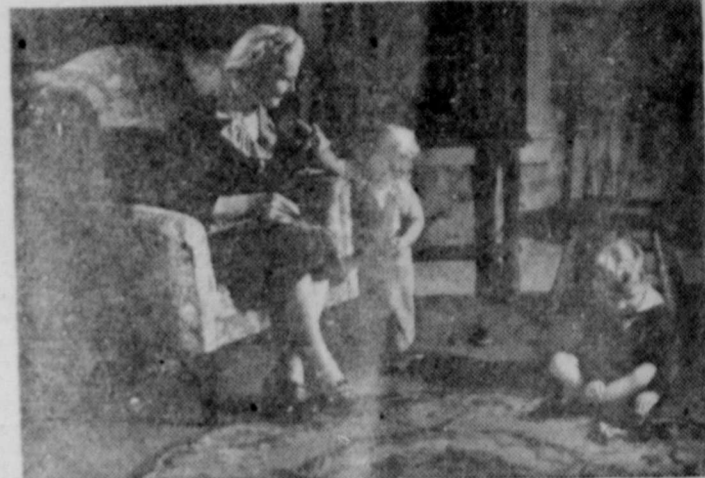

STARKEY MEETING FEB. 17

The Starkey Home Demonstration club will meet February 17 at 2:30 o'clock with Mrs. S. L. Holmes as president. The meeting, scheduled to be held February 6, was postponed due to bad weather.

All members are urged to be present as the year books will be distributed.

two year association in the U. S. Navy during the war. They spent approximately one year of service together in the Philippine Islands. Mr. Pohl Monday drove to Amarillo to meet his guest where they arrived by rail. Mr. Nanke is impressed with this section of Texas and declared he was viewing it with possibility of location.

For Grandma and the Baby . .

Floor Furnace Heat

With an automatic gas floor furnace, you'll never need give another thought to the matter of heating. Grandma may have whatever degree of heat she wants, with automatic ease. Floors are warm, for baby. And floor furnaces are clean and safe, because they are FLUE-VENTED. Floor furnace heat is healthful, because air in room never touches flame in furnace.

There's no ordering of fuel in advance; no barrels, boxes or bins; nothing to carry into the house, and no ashes to carry out. There's no smoke, no soot, no odors, no bother.

• See your floor furnace dealer

CHECKS

THE LITTLE "STREAMLINERS" OF BUSINESS

Checks belong to this modern age of speed; in fact, no speed would be possible in business transactions today without checks.

As a business man you can no more afford to do without checks than to do without ledgers. Today, others expect you to pay by check; you go down a notch in their estimation if you do not.

Your business, small or large, will be conducted more efficiently and successfully if all payments are made by check.

THE FIRST NATIONAL BANK

We Sell Savings Bonds

WARNING TO CAR OWNERS

You are to register your car in the County in which you live else you are subject to a fine. This money goes for the upkeep of our County Roads.

If you trade for a car, the papers are to be filed within 10-days from date of assignment, else you are subject to a \$5.00 penalty.

When trading for a car, be sure you check papers and see that they are properly filled out before accepting them, as the purchaser is subject to a fine as well as the seller for skipping himself in the deal and giving you papers not properly filled out. No title can be accepted with an erasure on same without having an affidavit properly notarized from person whose signature is on same. You also have to have the current year registration receipt, as this receipt is made a part of your title.

Ralls Quintet Almost Certain Cage Winners

The fleet quintet of the Ralls Jack-rabbits appear to have first place cinched in District 3-A conference basketball, but the Floydada Whirlwinds still have a crucial battle coming on Tuesday night of next week to determine whether they are runners-up.

And it is the traditional Spur Bull Dog that has them bothered. The surging Spur boys have lost three conference games to date, the Whirlwinds will win the Tuesday night game (at Floydada) the two will be tied and will have to play off to see which shall go to make the trip to Canyon as runners-up and go into the regional tournament on February 27-28.

The Jackrabbits got a scare Tuesday night when they had to go into overtime to take the Crosbyton Chiefs 27 - 25. The Chiefs had their tomahawks sharpened. Ralls two closing games are with Lockney Friday night and Matador Tuesday night. They are expected to win these games with ease.

The Spur-Floydada tussle Tuesday night is called a battle for a runner-up on the assumption that Spur is going to take Paducah tomorrow night on their home court and that the Whirlwinds will wind up winner against the Matador Matadors in their game at Matador Friday night. Whether weather will permit these games to be played is one of the question marks, of course.

Tuesday night the Whirlwinds showed championship form to hurdle the Lockney Longhorns 47 - 24.

Mr. and Mrs. J. A. Arwine returned home the first of the week from Austin where they visited for several days with their sons, Joe and Gene, students in the University of Texas.

Mrs. Mattie Bean Funeral Rites Held Sat., January 24

Lockney, Jan. 23—Funeral services for Mrs. Mattie Bean, mother of Gilbert Bean, of Lockney, were held at the Lockney Baptist church Saturday afternoon at 2:30 o'clock conducted by Rev. E. J. Cobb, assisted by Rev. R. C. Guest, pastor of the South Plains Baptist church. Mrs. Bean passed away last Thursday afternoon at the home of her daughter in Dallas. She had been in ill health a number of years.

Pallbearers were Harry Hartman, Ernest Davis, Paul Schick, Lee Ayres, Rudd Persons, Cline McClendon. Carter Funeral home of Lockney was in charge of the arrangements. Burial was in the Lockney cemetery beside the grave of her husband, Lee Bean, who passed away in 1929.

Mrs. Bean was born March 15, 1868 at Union Springs, Alabama. She was reared at that place and was married to Lee Bean there in 1887. Immediately the couple came to Texas, settling at Greenville. They moved to Lockney, Mrs. Bean made this her home until 1939 when ill health forced her to move to a lower climate. She went to make her home with her daughter in Dallas, where she lived until her death. She was a member of the Lockney Baptist church at the time of her death.

Survivors include two sons, Gilbert Bean, of Lockney and Albert Bean, of Dallas; two daughters, Mrs. E. L. McManamon and Mrs. Irene Bean, both of Dallas and one brother, Frank Hubbard, of Union Springs, Alabama.

Campbell News

CAMPBELL, Feb. 10—Eva Nell Pratt is home after several days of illness in the hospital.

Loran and Lowell Nixon visited Lewis and Gene Hines Sunday.

Mr. and Mrs. W. W. Baxter visited in the J. A. Baxter home Saturday night.

Mr. and Mrs. Barclay Chestnut and Cecil Baxter visited with Mr. and Mrs. J. A. Baxter Monday afternoon.

I. L. Nixon was in Plainview on Tuesday.

Mr. and Mrs. Tom Norvell visited in the J. H. Norvell home Monday night.

Mrs. Billy Hinkle was operated on Tuesday morning at a Floydada hospital.

Some of the gardeners are going to plant a few rows of corn this month.

We want to plant English peas the first pretty day now. Onions can be set-out. Lettuce, beets, spinach and early greens can be planted. "Maybe" we won't have that late frost.

We shall have our march of dimes and "42" social this Friday night.

FLOYDADA HOSPITAL NOTES

"FOR" ROADS

ED—We will vote FOR the paved roads—yes again!

ALMA—With your help this time, farmers in 11 more communities in good old Floyd county will get out of the mud —by a big majority.

ED—We sincerely beg you to vote with us FOR these roads, knowing it will cost you money. We hope you can think you are getting your money's worth. We think you will.

ALMA—If you can't vote with us—then vote against us. You might be right. Anyway, we will still be friends.

ED—But remember there is less "MUD SLINGING" on the pavement.

ALMA—We think we are justified in wanting to pay more taxes for better roads because we have 5 kids (from 1 to 14 years old) to get to our good schools for the best education possible.

ED—This is a free country . . . raise 5 kids (or more) and you also will beg for less than 10 miles of MUD between you and the nearest high school. On second thought . . . vote NOW for the roads and raise the kids later.

ALMA—Let's make it at least 4 to 1 . . . FOR. With your help it can be done. Let's tell the world for the first time that Floyd county does want some of our gas tax money back to help build paved roads here at home.

Listen to KVOP Saturday . . . 12:45 to 1 p. m. for "A Farmer's Life" as they live it.

HOLMES

Cooperate in building a news publication for your town...and for your community. You can help build increased interest in your own sales messages by turning in local news to your newspaper.

TEXAS PRESS ASSOCIATION BAKER HOTEL DALLAS, TEXAS

Let's Start Building Roads In Floyd County . . .

Vote for the Road Bond Issue on February 17

FLOYD COUNTY TAXPAYERS NEED TO TAKE THIS VITAL STEP TOWARD PROVIDING MORE HARD-SURFACED ROADS.

This will go a long way toward giving all the county all-weather roads and put us in position to carry on a constructive road building job, now so seriously needed for our farms and schools.

This Road Building Program, when completed, will serve 11 School Districts directly, giving their children All-Weather Roads to school. It will also help several others by putting them closer to hard-surfaced roads, and will be invaluable to the towns of Floydada and Lockney.

As is well-known the present trend in the administration of Public School affairs in Texas means that a way must be made for school buses to get to and from communities of the county so that our children can have the benefits of a public school education.

The Hard-Surfaced roads will cost, it is true, but not near as much as it will cost not to have them.

We urge you to join us in voting FOR the issuance of the Road Bonds next Tuesday, February 17, and ask your neighbor to do the same.

Floyd County needs to get started on a program that will get us out of the mud.

Health Suggestions B & PW Club Theme

"Health" was the theme of the Business and Professional Women's club meeting Monday night of this week, under the direction of Mrs. Otto F. Marshall, chairman of the health committee. Mrs. Oleta Pruitt and Mrs. Ada Bailey, Mrs. Marshall gave an interesting discussion on the importance of taking care of health before it breaks down by observing every day precautions and having regular physical checkups.

She also gave an interesting comparison of diseases most common in 1909 and those most often fatal in the year 1947. Tuberculosis took the majority of lives in 1909. Heart diseases have moved from fourth place in that year to first in 1947.

Mrs. Bailey presented several beneficial suggestions that have been made by our State Department of Public Health. After outlining some of the most common needs of public health, especially among the older people, she gave some of the plans by which the Department is trying to meet these needs.

District Director to Be Guest The regular meeting on February 23 will be a dinner meeting at the Hotel Coffee shop at 7 o'clock. Mrs. Margaret Fletcher of Amarillo, district director of district nine, will be a guest at this meeting. A special program on accident prevention is being planned by the health committee. Members will need to contact the notification committee not later than February 21 so that reservations may be made.

with corsages of pink and white carnations. Guests registering and sending gifts were Mrs. Noel Troutman, F. C. Harmon, J. M. Willson, Jr., B. K. Barker, L. C. McDonald, Troy Leonard, J. B. Bishop, Mary Ross, Billy Henry, Ham Smith, Sr., L. G. Stewart, of Wichita Falls, Jim Willson, Sr., Clinton Friffe, Mark Martin, Edd Johnson, Jess Wood, Ross Henry, J. C. Wester.

PASTORS HELPERS SUNDAY SCHOOL CLASS MEETING The Pastors Helpers Sunday School class of the First Methodist church met Tuesday with Mrs. W. H. Alexander as hostess. Mrs. P. M. Felton led the devotional.

Members present were Mrs. Ella Johnson, Lillie Henry, W. H. Hilton, Will Snell, W. R. Jahnke, S. E. Thurmon, D. D. Shively, A. R. Hanna, Helena Green, P. M. Felton, R. M. McCauley, O. B. Olson, J. E. Laughlin, Lela Slaughter, and Rev. and Mrs. Lloyd H. Jones and son Bobby.

Re-Opening of Carl's Welding Shop We have been closed for about 4 1/2 months, but have re-opened our welding shop and ready for business. We are making some changes in our work, welding, labor and parts. Due to the Labor, Parts, Materials, supplies and other things we are forced to go on a strictly cash basis.

The biggest change we are making is that we close on Saturday evening at 7 o'clock and will not open on Sunday except through harvest days. We are equipped with a portable welder and can go anywhere at any time and do any type of cutting, welding, drilling and starting Diesel engines when your batteries are too low to start it.

We will do your work the way you want it and we will appreciate your work. Avoid the second welding by seeing Carl the Welder first at — Carl's Welding Shop Phone 385

MRS ZANT SCOTT HOSTESS AT CHAPEL WSCS MEETING

The regular monthly meeting of the Carr's Chapel W. S. C. S. was held Tuesday of last week with Mrs. Zant Scott at hostess. Mrs. Scott was in charge of the business session. The worship service and program was directed by Mrs. Sherwood Ramsey.

The Bible study of "Great Prayers of the Bible" by Laymon, was begun. Mrs. C. B. Lyles introduced the study and presented the first lesson. The next study period will be February 17 at the church.

The hostess served refreshments to the following members and children: Rev. and Mrs. P. T. Hayes, Mmes. C. B. Lyles, Wesley Carr, M. Carr, L. A. Williams, Bill Tucker, C. A. Williams, Don Finkner, Sherwood Ramsey, Marvin Smith, Roy Hollums and Bill Carr, Dwana Beth Scott, LaJuana Sue Williams and Don Ray Ramsey.

MRS BETHEL PROGRAM LEADEL AT W. S. C. S. MEETING The W. S. C. S. of the First Methodist Church met Tuesday at 3 o'clock at the Church with Mrs. W. H. Bethel leader of the program. The subject was "Prayers."

During the program "Abide With Me" was sung as a prayer with Mrs. C. K. Arnold leading the prayer at the finish. "I Need the Prayers" was sung and the scripture was read by Mrs. Bethel. Mrs. Lloyd H. Jones read "Prayers of Kings and Prophets." Mrs. Ray S. McEntire gave "Growth of Prayer Life" and "Solomon's Prayer." Mrs. Arnold gave "Elijah Prays" and Mrs. D. T. Mew talked on "Prayers of Jeremiah."

The next meeting will be Tuesday, February 17, at 3 o'clock at the church.

MRS BARNES HOSTESS WHEN FRIENDSHIP CLUB MEETS The Friendship Home Demonstration club met at 2 o'clock Thursday afternoon of last week with Mrs. W. E. Barnes as hostess.

Mrs. Lee Rushing, president, had charge of the business meeting. Recreation was led by Mrs. George Stiles. Mrs. Menard Field, a visitor, won the prize. After the business meeting, the program was turned over to Miss Lella Pettv. A very interesting and helpful demonstration on "Draperies and Curtains" was given.

Refreshments were served to Messdames F. O. Conner, Lee Rushing, Mal Jarboe, George Stiles, J. C. Odum, Miss Pettv, Mrs. Menard Field, and the hostess.

TYLER LABOR UNIONS GIVE WORK FOR HOME FOR AGED TYLER, Texas. — Members of three Tyler labor unions, carpenters, bricklayers and electricians are donating their labor in the construction of a Smith county home for the aged.

They are donating full hours each Saturday and Sunday, normally time-and-a-half periods, toward erecting Sunset home, located near the Tyler Municipal airport. Since labor is a large part of the construction cost, an estimated savings of \$75,000 is expected to be effected.

Besides giving their labor, bricklayers on the project last Saturday each donated \$50 to the building fund.

Sunset Home will be a large, attractive, comfortable home for aged persons. It will be a permanent and fireproof structure. Lumber and other materials from barracks used for military purposes are being utilized, but makeshift construction has been ruled out.

The site for the home was donated by the City of Tyler, which provided a 50-year lease on 5.17 acres of land at the northwest corner of the airport four miles west of Tyler on the Dallas Highway.

PITTS HOSPITAL NOTES Helen Marie Whitehead was dismissed February 6 after undergoing surgery.

Born to Mr. and Mrs. H. M. Davis, Lockney, a son, February 1.

Cap Carthel Asks For Commissioner's Job in Precinct 2

TO THE VOTERS OF PRECINCT NO. 2, FLOYD COUNTY: In announcing my candidacy for commissioner of Precinct 2, I feel that I am well qualified for the office. I have lived in Floyd County 39 years and understand the needs of farmers.

I served as deputy sheriff two years under Lee L. Ward. I will try to contact all voters between now and election day, but if I miss you, I will appreciate your vote and influence.

W. F. (Cap) Carthel (Political Advertisement)

GARDEN CLUB COFFEE The Floydada Garden club will meet Friday morning at 10 o'clock for a coffee at the home of Mrs. L. J. Welborn, 514 West Virginia street. Members are urged to attend.

Mr. and Mrs. J. C. Ginn and Mrs. Harry Morckel spent the week-end in Lubbock. On Saturday, they attended a bridal shower given for Mr. and Mrs. Ginn's daughter, Mrs. Clyde Owens, at the home of Mrs. E. E. Rogers.

Mr. and Mrs. Jack McKinney and family, of Clovis, New Mexico, spent Sunday in the home of Mr. McKinney's parents, Mr. and Mrs. J. J. McKinney, Sr.

Mrs. Olan R. Puteet, of near Lockney, underwent an operation last week, when she had a cataract removed from her left eye.

Center News

CENTER, Feb. 10.—We appreciate the rain we received last Friday. It is still cloudy and cold. One feels best not too far from the fire.

We had a good crowd at Sunday School in spite of the weather. Curtis Meredith was a Sunday dinner guest of James David Welborn.

Bobby Ashton visited Jimmy Dunn Sunday afternoon. Melvin Robertson of WTSC, Canyon, visited homefolks over the week-end.

Margaret Green spent Sunday night with Eunice Welborn. Mr. and Mrs. J. D. Welborn and Eunice visited Monday evening in the J. E. Green home.

Mr. and Mrs. C. M. Meredith called in the Welborn home Sunday afternoon. The Center Home Demonstration club will meet Friday, February 13 with Mrs. Travis Lightfoot, Sunday School members are asked to bring their clothing allotment or contribution for Buckner Orphan Home.

NEW FARM TELEPHONES for the FLOYDADA AREA

THIS week, we took the first step in a rural telephone expansion program that will make new and improved telephone service available to farmers in the Floydada telephone service area.

Four telephone representatives — Larry Chilton, E. N. Hunter, Chris Barber, and Marshall Kemp — will spend the next two weeks visiting farmers throughout the Floydada rural area. They will explain in full the plans for better farm telephones here... new long span, two-wire lines built and maintained by the telephone company... modern lift-the-receiver hand-set telephone instruments... simplified ringing... and fewer parties on the line.

These telephone men will find out how many farmers want the new service and will prepare special maps for telephone engineers who will blueprint final plans to build the lines. Construction and installation of the new service will begin as soon as possible after they have finished their work.

Rates for the new service will be \$2.00 per month for residence service and \$3.50 per month for business service. A small additional charge will apply for those residing more than five miles from Floydada.

We are glad to announce these new rural telephone plans for Floydada. They are part of our company-wide rural program, which calls for bringing modern, dependable telephone service to rural communities all over the five-state area we serve.

This map shows the extent of the Floydada telephone service area. The new rural telephone service will be offered to everyone living inside the heavy black boundary and outside the Floydada urban area.

Those interested in gaining additional information either before or after the telephone representative calls are invited to stop in at the telephone office in Floydada.

Pretty Home wedding For Louise Carter, Douglas B. Moreland

In an impressive double ring ceremony solemnized Wednesday, January 28, Miss Louise Carter, daughter of Mr. and Mrs. B. B. Carter, of Amarillo, became the bride of Douglas Boone Moreland, son of Mr. and Mrs. Boone Moreland, 1317 Parker street, Amarillo.

The ceremony was performed in the bride's home before a beautifully decorated fireplace flanked by cathedral tapers in branched candelabra. Rev. J. W. Rosenberg, pastor of the Taboka Methodist church, officiated at the ceremony.

Preceding the ceremony, Miss Merita Brummett, pianist, played "Thine Alone." Miss Elizabeth Allen sang "Because," by D'Hardelot.

Traditional wedding marches were used for the processional and recessional.

Charles Carter, cousin of the bride and Madge Moreland, sister of the groom, lighted the tapers.

Miss Bernadine Carter, sister of the bride, dressed in a yellow suit fashioned after the bride's, acted as flower girl. Bridesmaids were Misses Billie Jeanne and Virginia Carter, cousins of the bride. Both young ladies wore pastel colonial dresses fashioned after that of the bride and carried bouquets of spring flowers.

White with Black Accessories Given in marriage by her father, the bride was dressed in a white suit with white and black accessories. She carried a white prayer book topped with gardenias.

Mrs. Carter, mother of the bride wore a brown dress with a corsage of baby orchids. Mrs. Moreland,

Mrs. Douglas B. Moreland

Engagement of Floy Jean Hale Revealed At Tea Wednesday

The engagement of Miss Floy Jean Hale, daughter of Mr. and Mrs. Walton Hale, to Raymond Lamar Haines of Amarillo, was announced at a tea given in the home of Mrs. Hale, 625 West Kentucky, Wednesday afternoon from 4 until 8 o'clock. Mrs. Hale and her daughter were hostesses.

Assisting in the house party were Misses C. L. Hagood, A. E. Guthrie, Buren Gates, Wallace King, A. B. Keim and Ham Smith, Jr.

Mrs. Hale and the honoree wore corsages of gardenias. Each member of the house party wore white carnations.

The honoree's chosen colors of pink and white were used in the decorations. The table was laid with satin, covered with white net cloth. An arrangement of pink gladioli and white candy tuft centered the table with white tapers on either side.

The mantel in the living room was decorated with pink gladioli. Assisting in the hospitalities were Misses Hagood, Guthrie, Gates and King.

Mrs. Ham Smith, jr., presided at the register.

Guests were Misses W. R. Dooley, Lee Rushing, W. O. Tye, R. C. Henry, W. I. Cannaday, Robert Garrett, J. I. Hammonds, Ruby Orman, A. J. Jackson, Mal Jarboe, Menard Field, J. B. Bishop, Mark Martin, William Staniforth, jr., Billy Staniforth, Jack Deakins, Grady Walker, Hayes O'Neal, Charley Lewis, Billy Henry, Bob Rosson, Polk Goen, Carl Minor, sr., Carl Minor, jr., J. M. Willson, sr., J. M. Willson, jr., Tale Jones; Misses Bill Norman, Fred Nabors, Phil Stoen, Lacey Martin, Conner Odier, Minnie Smartt, Buren Gates, A. B. Keim, C. L. Hagood, R. F. Stovall, E. F. Stovall, Luther Fry, O. P. Rutledge, R. E. Fry, Lon Davis, E. L. Angus, Kinder Farris, John N. Parris, Homer Steen, Calvin Steen, B. K. Barker, Jesse Brown, Flynn Thagard, D. H. Pitts, Noel Troutman, Edd Thornton, Robert McGuire, J. A. Burrus, Mable Sims, Glad Snodgrass, Edd Johnson, L. D. Britton, E. C. Carter, L. J. Welborn, J. B. Wheeler, of Plainview, and Misses Louis Wilson, Melba Smalley and Janie Schott, of Plainview.

mother of the groom, was attired in a brown suit accented by an orchid corsage.

An informal reception was held following the ceremony. Mrs. Dan Loving served the wedding cake and Mrs. E. C. McReynolds presided at the silver tea service.

To Live in Amarillo

Mrs. Moreland is a graduate of Stratford High school and attended Amarillo college, where she was a member of Gamma Theta Chi sorority. Mr. Moreland is a graduate of Amarillo High school and attended Washington street.

Mrs. Moreland is a granddaughter of Mrs. W. A. Amburn, sr., of Floydada.

Hall-Marr Nuptial Vows Said Thursday

Miss Jeanette Hall, daughter of Mr. and Mrs. D. L. Hall, and Thomas Marr, son of Mr. and Mrs. R. E. Marr, of Lockney, were united in marriage Thursday afternoon at 3 o'clock in the parsonage of the Baptist church in Lockney. The pastor, Rev. E. J. Cobb, officiated at the single ring ceremony.

The bride wore a light blue two piece dress with black accessories. Attending the couple were Mr. and Mrs. Marvin Hall, of Cone, and Katherine Hall, of Lockney.

The bride is a graduate of Lockney High school with the class of 1946.

The groom spent several months in the army. Since being discharged he has been employed in the post office in Lockney. The couple is at home there.

Mrs. Leonard Hostess To 1929 Study Club

The 1929 Study club met Thursday afternoon of last week at 3:15 o'clock in the home of Mrs. Troy Leonard, 708 South Wall, for a program on Poland. Mrs. S. J. Latta, leader of the program, gave a very interesting report on life and customs in Poland.

Mrs. C. B. McDonald had charge of the music. She discussed the lives of several important composers. Judy Moss and Bobby Jones rendered several piano selections.

The Valentine motif was carried out in decorations for the meeting.

Mrs. L. J. Welborn will be hostess to the club February 19.

February 17 Meeting PTA Is 'Dad's Night'

The Parent-Teachers Association will meet Tuesday night, February 17, at 7:15 o'clock as "Dad's Night." Dr. J. W. (Bill) Marshall, president of Wayland College, will be guest speaker. His topic of discussion will be "Your Government Is You."

Hospitality committee for the meeting is composed of Jimmy Potts, J. W. Reue and A. L. Hartzog.

A special musical program has been arranged. All mothers and Dads are urged to be present.

Motley VFW Post Elects New Officers

MATADOR, Feb. 5—David Campbell was elected commander of V. F. W. Motley County Memorial post. Tuesday night of last week at a regular meeting of the organization, according to Albert Rattan, present Commander.

Others elected to offices were Sr. vice commander, Bill Wason, jr.; Jr. vice-commander, L. M. Cox; quarter-master, Frank Pohl; Chaplain, Ober Johnson; trustees (3 years), Furman Vinson, (2 years), Lyman Bundy Campbell, Curtis King, present trustee, will remain at his post for one more year.

Clean, cotton rags wanted at The Hesperian office.

at Dougherty Fat Stock Supper Friday Eight, Thirteenth

Cordial invitation is extended to the public to attend the sock supper at the Dougherty school Friday night, February 13 at 7:30 o'clock. A lady and girl is asked to bring one man's sock filled with mementos along with the matchless sock. The empty sock will be turned off to the men and boys.

A special program has been planned by the students including "A Western" play. The highlight of the evening to be two colored comedians, "Hambone" and "Sambo." Proceeds from the sock supper will go toward paying for a merry-go-round purchased by the community club for the school. Everyone's attendance would be greatly appreciated.

Johnnie Lackey and Charley Parnell returned home the first of the week from Fort Worth where they attended the Fat Stock show. They also spent several days at Mineral Wells taking the baths while away from home.

Mrs. Jack Henry and son, Jackie spent last week-end in Fort Worth where they attended the Fat Stock show in company with Mr. and Mrs. John Herd of Post.

South Plains News

SOUTH PLAINS, Feb. 9—Mr. and Mrs. R. L. Horn and children visited in the J. B. Jarnagin home Sunday. Quite a number from here went to the Fat Stock show.

Mrs. Carl Lee Banks and son, of Amarillo, spent several days last week with her parents, Mr. and Mrs. Charlie Jarrett.

Mr. and Mrs. H. L. Marble had dinner with the Raymond Teeple family Sunday. Mrs. Marble and Mrs. Teeple had birthdays on that day.

Several from here are attending the Baptist convention in Plainview this week.

Raymond Upton visited his mother Monday night and also heard his nephew preach at the convention.

Mr. and Mrs. Burton Thornton who have been living in Portales, New Mexico, have recently been here and plan to move back here in the near future.

(Crowded out last week)

SOUTH PLAINS, Feb. 2—The FFA boys returned home Sunday night from the Fat Stock show. They all reported a good time.

Bro. Jeiner came home last Friday after spending a week in the clinic at Lockney. We are all glad to know he is improving.

Mr. and Mrs. Lloyd Horn and children of Lubbock, spent Thursday with Mr. and Mrs. Jarnagin.

Attending the stock show from here were Mr. and Mrs. Bill Beedy and children, Mr. and Mrs. Bryon Karr and children, Mr. and Mrs. S. H. Calahan and Mr. and Mrs. John Smitherman.

Mr. and Mrs. Paul Snodgrass and Mrs. Carrie Bostick spent Saturday in Plainview.

Otis Milton and family of Quail Texas spent the week-end with his parents, Mr. and Mrs. G. Milton and Lennie.

Miss Joy Childress is leaving today for Columbus, Georgia, where she will work with her sister, June.

Mr. and Mrs. E. S. Duggan and Mr. and Mrs. Jim Hall, of Abernathy, spent Sunday with their sister, Mrs. A. L. Stewart.

Mr. and Mrs. Woodrow Newsome of Lubbock, visited her parents, Mr. and Mrs. C. Lytle, last week.

Mr. and Mrs. Buck Still and daughter, of Wichita Falls, visited in the Ralph Childress home over the week-end.

Mrs. A. J. Beedy is in Fort Worth this week, guest of her husband and daughters, Grace Beedy, Mr. and Mrs. Lynn Ely and Mr. and Mrs. L. W. Lafayette.

John B. Stapleton Asks Re-election as District Attorney

TO THE FOLKS OF FLOYD COUNTY:

I have done by best to serve you faithfully in the District Attorney's office. I am a candidate for re-election, and I will appreciate your votes for a second term.

Sincerely,
John B. Stapleton.
(Political Advertisement)

Half Minute Interviews

A. H. Kreis: "The worst road conditions we ran into on our way home were in north Georgia. We made 5 and 10 miles for hours."

Fred Battey: "Now that they've got a road in the paving program that comes close to me ain't I glad I voted for the other two road bond issues?"

Cecil Hagood: "I think we'd be very foolish not to begin building roads in Floyd county as quick as we can."

NEW GIRL GREAT GRAND DAUGHTER, MRS. SLAUGHTER

Mr. and Mrs. Gene Wright, of Houston, are the parents of a new daughter, Bettie Jean, born February 4. The young lady weighed seven pounds plus at birth. She is the granddaughter of Mr. and Mrs. W. C. Wright, of Overton, Nevada, and the great granddaughter of Mrs. Lula Slaughter of Floydada.

MRS. MILLICAN GRATEFUL

I want to express my thanks to the dear and kind friends who helped in any way to make a nice, comfortable home for my two children and myself. It is so nice that I can't tell you in words how much I appreciate it. I wish all of you lots of happiness and may God bless each of you.

Mrs. Ollie Millican and children

WEATHERBEE AT UVALDE

Mr. and Mrs. W. F. Weatherbee are at Uvalde, Texas, from which place The Hesperian has a request for change of address. "We are located here for the present," said Mr. Weatherbee.

Mrs. Kate Collier was in Plainview Monday and Tuesday of this week, guest of her daughter, Mrs. B. Y. Newman. While in Plainview, Mrs. Collier attended sessions of the Pastor and Laymen's conference held at Wayland college.

Mrs. F. M. Fauble is in Long Beach California for an indefinite visit with relatives.

Miscellaneous

ATTENTION, FARMERS

Now you can contour, lay out your ditches, chisel, drill, without surveying, with the new Ellis Contourliner. I have used my Contourliner almost a year and I find it will do the work.

The Contourliner is mounted on hood of tractor in plain view of driver to indicate level line across field. Makes instant indication of per cent of error when tractor deviates above or below level line.

Height 81.3 inches, weight 3 lbs. requires only 4 inches square flat surface for mounting. Will fit any tractor.

As there will be a limited number made this year I will need the orders as early as possible. If interested write for literature.

William Wood, Route 1, Lockney Texas, 6 1/2 miles north. 1 4tp.

ESPERIAN CLASSIFIED ADS PAY

Stage Set for Rust Epidemic

COLLEGE STATION, Feb.—The stage is all set for a severe epidemic of stem rust - or black rust - in the wheat country next spring.

That's the warning from the agronomist and plant pathologists of Texas A. & M. College and USDA's Bureau of Plant Industry.

It all depends on the principal actors - the rust spores and the right weather. The combination of wheat germinating so late on the High Plains, together with the large acreage of earlier wheat in the Rolling Plains areas east of the Caprock, makes a favorable situation for the development of stem rust on late wheat if the spores develop sufficiently on the early planted wheat.

Nothing can be done about the weather, of course, but the situation can be greatly aggravated by the planting of stem rust susceptible varieties of spring wheat and barley, the specialists say, as such varieties would make prolific sources of stem rust spores, which in turn might affect wheat farther north, as none of the hard red winter wheat varieties are immune to stem rust.

Agronomists recommend the planting of oats in place of spring wheat or barley. They say the yields of spring planted oats are much more certain in Texas than either spring wheat or barley and stem rust of oats does not affect wheat. Varieties of oats such as Fulcrum, Kanota, New Nortex or Ferguson 922 are good selections.

The specialists point out that in view of the great need for a bumper wheat crop in '48, every possible precaution should be taken to reduce the possibility of a stem rust epidemic.

Conservation District News

The Soil Conservation service technicians assigned to the Floyd County Soil Conservation district set two high points on the Marvin McSwain farm near Allmon last week, and one high point for each of the following: W. L. Davis, farming in the Starkey conservation group, C. B. Mogre, whose farm is in the Wylie conservation group near Providence and B. A. Robertson, who operates the Alice Boyd land north of Barwise.

The board of supervisors of the Floyd County Soil Conservation district held their regular meeting last Tuesday, February 3. They approved applications for assistance for the following applicants: Graham and Golden, W. D. Casey, R. I. Thomas, Huey Davidson (2), J. E. Stover, E. L. Brownline, W. E. Roach, C. A. Joiner, Weldon Smith, W. L. Davis, Mrs. S. J. Lewis, Glenn C. Lewis, Olin Bryant, J. R. deCordova, E. E. Poster, Rex R. Brown and Jeff Sperry.

Agreements between the District and the following cooperators were also approved at this meeting: O. F. Cummings, J. G. deCordova, A. J. Huckabee, Paul Hays, James C. Roach and Bobby Tiner.

Moisture Plentiful On North Plains

Moisture is plentiful on the north plains and there is going to be a wheat crop there again this year reports R. L. Carter, of Langston, Alabama, who has been in an Amarillo hospital and visited with his son E. C. Carter here a day or two last week.

Mr. Carter said snow laid some four inches deep around Amarillo and further north 10 inches deep after the storm. Wheat men there have their crop in the ground and the subsoil moisture is going to carry it a long way in the opinion of the former Floyd county man.

Mr. Carter has been sick. He was hospitalized at Memphis, Tennessee for several days and later was moved by his son, Sid Carter, to Amarillo, where he could be closer to his children. Mr. Carter is still under the care of a doctor but has been gaining strength steadily.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

The world is white and winter has everything wrapped in ice. The trees bend and sway under burdens of silvery ice, makes me think of the Winter Playground in Carlsbad caverns, one of the prettiest scenes to me.

But I gloat over the brilliant colors in the seed catalog. I pick out and write down the things I want. Nothing that blooms or is good to eat would I leave out if space and price did not prohibit. I will have to revise my order, but dahlias are a must and gladiolas do well. I will plant all the flowers in my vegetable garden giving them the same care and this will have them away from the chickens and plenty of flowers to cut.

Mr. Spikes has been spading up the garden. Slow work to him who has done so much and such hard work. The rain on the turned ground will be fine and before we know it it will be time to plant some things.

Roses red and violets blue, may not mean so much to some of us now but at one time it made thrills run up and down our hearts. I recall a pink dress made of soft cheesecloth I wore at my own Valentine party when I was fifteen. Makes me want to get pretty valentines in the mail once more.

"He healeth the broken in heart and bindeth up their wounds. He telleth the number of the stars. He calleth them by their names." Ps. 147

How ever new are the Scriptures! Full of comfort. Astronomers watch the stars and try to figure them out.

Discharges

Delmar D. Turner, seaman second class, discharged December 13, 1947 from the U. S. Navy.

Dollon Glindell Webb, seaman first class, discharged June 14, 1946 from the U. S. Navy at Bremerton, Washington.

Durward N. Jack, private first class, discharged November 9, 1946 from Fort Sam Houston, Texas.

T. P. Collins, jr., was at home last week, guest of his parents, Mr. and Mrs. Travis Collins, enroute to Pampa from Houston where he expects to begin work soon for Humble Oil & Refining company. He graduated at mid-term from A. & M. College of Texas.
