NUMBER 17

Re-Union of County Pioneers Set for Friday

Giant Gas-Diesel to Double City Power Plant Capacity

The most efficient prime mover in existence at any load factor is the claim made for this super-charger Cooper-Bessemer gas-Diesel engine which the contractor for the City of Floydada received from the factory last week-end and unloaded at the site prepared for it adjoining units of the city light and power division now in operation. The giant motor will begin its labors for the city this summer. It is rated at a powerload equal to that of three engines already in operation at the plant. The picture is from an etching made by the Cooper-Bessemer company. It represents a cost installed to the city of \$78,500.

Their machinery deliveries two to six weeks ahead of schedule, and work going along in most satisfactory manner this week had the city light and power division all happy, especially since the big engine doubling the plant's capacity is on the floor and the switch board for it promised within two weeks.

The light plant division is spending \$101,877 to double the capacity of the power plant and to get a considerable bit of extension on their distribution systems. Also they are spending some additional funds out of the light and power plant operating profits.

Their new engine is a thing of beauty and joy forever, says Al Fuchs, superintendent of the light and power division. It was delivered last week-end with some flourish to attract the attention of the taxpayers. Two box cars were required to haul the engine and the accessories that go with it and a special truck was used to transport it from the Quannah Route depot to the light plant, where it is to be put into service this summer.

Double Plant Capacity

It is a Cooper-Bessemer gas-diesel engine with a sea level rating of 830 horse power. Eugene Ashe Electric company, of Fort Worth, is the contracting installer, who also have the contract for enlarging the power plant building, such extensions and changes as are needed, and installing the General Electric switchboard.

The light and power division is particularly happy because their present power plant is being taxed to its capacity much of every 24-hour period to meet the demands of the customers for electric energy. It is estimated the heavy demand will continue right on through the summer and that the big new engine will be a big help in meeting the situation. The smaller units now in operation will be used as standby units to assure constant service.

How the support of the citizenship has been helpful in increasing the (See Gas-Diesel, back page)

Floyd county pioneers tomorrow morning will go into their annual re-union with a good season in the ground and nothing to do for a day or two until the fields get dry enough. This means they'll have a good time and there will be lots of them present. Augury of good grass and row crops coming on soon always has been the signal for the old timers to rejoice.

They'll have plenty of company it appears. The rodeo association has a good program for the afternoon with a matched roping planned and the old settlers themselves will follow each his own bent, to stay for the program of speeches and the afternoon of fellowship, or go to the roping match.

Parade Will Start at 11 a. m.

The annual parade, with O. L. Stansell as master of ceremonies, will begin at 11 o'clock. The Floydada High school band, greatly improved in the past 12 months, will lead this parade. Horsemen and local people, clubs and floats will join in the event.

Walter A. Gound, president, will officiate in whatever ceremonies precede the parade and will have general charge of plans and the program of the afternoon. Yesterday he was out of town and could not be contacted but left word that all the plans had been made for the event.

At noon the special dinner for the pioneers who have resided in the county for 40 years will be given by six home demonstration clubs of the county. Two hundred fifty or more pioneers are expected to take part in this annual event.

Committees for Reunion

Finance committee, Geo. L. Fawver and G. L. Snodgrass; Seating committee chairman, R. H. Willis;

Parade chairman, Oscar L. Stansell; Registration chairman, Mrs. S. W. Ross;

Chairman of Memorial committee: Mrs. L. M. Hones; Relics and antique chairman, C. L. Anderson;

Chairman of old-fashioned dance committee, Ray Jones; Chairman of table arrangements: Tom Smith; Special dinner chairman, Geo. L. Fawver.

President of the association is W. A. Gound, Mrs. Maud Hollums is secretary.

Quartet here today

Today, preceding the gathering of the old settlers, the rodeo association has their horse show in progress. Roland More, AQRA judge, is due to begin judging quarter-horses and will judge to fourth place in all halter classes. Moore also will judge in the reining class. Carl Smith, president of the rodeo association, said the interest today has been gratifying and that there should be a large number of horses entered in the contests.

Sunrise Service Memorial Day for the War Dead

Tribute to fallen comrades in arms of the American wars Sunday morning by Meade F. Griffin of Plainview in a sunrise ceremony will be preceded by the soundings of taps by E. C. Haden, the decoration of the graves of deceased ex-service men, and three volleys by a firing squad of Marines at Floydada cemetery. The hour designated is 5:17 a. m.

Two squads—one of Marines, one of soldiers—will visit the graves of ex-service men one by one. With the Marines will be Mrs. George Atwood of Lockney, who will place sprays at the graves of ex-Marines and ex-sailors. With the soldier squad will be Mrs. Anne Wilson, who will place the sprays at the graves of the deceased soldiers.

When individual honors have been paid to the deceased service men the assembly will hear Judge Alton B. Chapman in prayer and the tribute of Mr. Griffin to fallen comrades in arms.

Hershell Swepton, commander of McDermott post, who announced the general plans, has as his aides a committee headed by John B. Stapleton to have charge of the early-morning memorial, and a committee headed by W. G. Collins will have marked the spots where the soldiers of the wars now lie.

The Floydada cemetery will be see (SUNRISE SERVICE) back page

Y Courts Oil Co.

Opening This Week

New local business venture in Floydada this week is the Y Courts Oil company, of which P. Q. Haney is owner and operator. Located on the west of the highways in southwest Floydada the business is named for the Y Courts adjacent, recently opened under the management of Clarence Foster and Carl Gordon.

Haney has been popular as a filling station attendant locally for a number of years, this being his first venture for himself in the business.

Rain Brings Season For Crop Planting

Rain for all planting purposes has been afforded this week by falls than began Sunday and continued through Tuesday. One and one-half inches of rain at Floydada as the probable minimum for the county and on up to three inches for the area under the hill, with intermediate amounts at Lockney and other points is indicated in reports.

Ground penetration to six or eight inches throughout the county and in all the high plains area is indicated. It was a slow rain with no hail and followed by an overcast sky that gave assurance of a continued lowering of the underground penetration. Yesterday all farm operators contacted said the season should assure a planting season.

Reports indicate at Lockney more than an inch and a half; South Plains an inch or better with a considerable bit more rain north and east. Cedar, good rain; Dougherty good rain, planting season assured; west and northwest of Lockney one and a half to two inches of rain.

The rain makes dry land planting much more secure and puts all irrigated farms in a position to give wells a rest and hold down fast mounting power costs. Rainfall at Floydada in the week included 3-tenths of an inch on Sunday, 6-hundredths on Monday and 83-hundredths on Tuesday. Overcast skies on Wednesday also kept a bit of moisture from the sky.

Funeral Thursday Afternoon For Oliver Alexander, War II Victim

Funeral Thursday afternoon at 3 o'clock at Harmon Funeral home will be the final rites for Oliver Alexander, son of Mr. and Mrs. C. Alexander of Lakeview. Interment will be made in Lakeview cemetery for the second son of the family to be returned home from foreign soil in the past 60 days. A brother, Lt. Melvin Alexander, was interred in Lakeview cemetery this spring after brief funeral rites at Harmon funeral home.

Oliver Alexander was a staff sergeant in the American army, 90th division, when he was killed on June 22 near St. Lo, France. He landed on the second day after D-day on the coast of Normandy with the 375th infantry of the 90th division. His death came when a German sniper shot him. The American forces were driving sternly for a breach of the German lines. A buddy, Staff Sergeant Ross of Plainview has told the family of the circumstances.

The body has lain in a temporary cemetery between St. Lo and Cherbourg while awaiting final transfer to the United States and burial in the soil of his home state.

Body Reached Here Wednesday The body of Sergeant Alexander reached Floydada Wednesday. It came through the Quannah line from Fort Worth depot accompanied by Staff Sergeant John C. Colville. Sgt. Alexander was 34 years, 11 months and 14 days of age when he was killed. He entered the army March 21, 1942, and served in ETO action in February, 1944. He was awarded the purple heart posthumously.

In a memorial service held at City Park church on August 13, 1944, Sgt. Alexander was eulogized by Elder Grady Prier and Chaplain H. A. Long of the Lubbock Air base. At the funeral rites this afternoon Elder Otta Johnston, minister of the City Park Church of Christ,

New Bank Buys First National Out at Lockney

With the receipt of a charter last week-end the First National Bank in Lockney is the successor of the First National Bank of Lockney, with W. B. Waldrop the new president succeeding Artie Baker and 67 leading business men and farm operators of the Lockney area as stockholders and directors.

Notification of the final approval of the charter by the Comptroller of the Currency was received early last week and the charter itself was received later by W. B. Waldrop. The new organization will take over as of June 1. Bank building, equipment and fixtures have been purchased from the First National company, a subsidiary of the bank. The new bank is buying all the assets of the old, assumes payment of all deposits and other liabilities of the old bank. It will continue business in the same location.

All deposits in the new bank are guaranteed by the Federal Deposit Insurance corporation as they have been, Mr. Waldrop announced. The First National bank in Lockney will take over the operation of the business on June 1.

Negotiations for the sale of the bank and the organization of a new one started between Mr. Waldrop and Mr. Baker on last December 8. The negotiations were consummated this week with the approval of the (See New Bank, back page)

Andrews Ward School Exercises Tonight Will Mark Close of Year With Class of 38 Graduating

A class of 38 boys and girls will complete the work of the elementary school at Andrews ward with formal exercises tonight at the school gymnasium.

Ward school principal A. D. Fultz will preside and present diplomas and certificates to the graduates. The class will be addressed by District Attorney John B. Stapleton.

Conray Johnson will be valedictorian for the class and Hubert Ring salutatorian. Other members of the class are as follows: Kenneth Bishop, Phil Boothe, Ray Cook, H. A. Copeland, Don Daniel, Joe Mack Dunn, James Freeman, Billy Joe Goodson, Gearl Hall, John Hinsley, Jackie Hutchinson, Kenneth King, Dixon Kinard, Neil Lanham, Edwin Leatherman, Dan McClesky;

Donald McGuire, Eugene Nelson, Joe Richard Noland, Gary Oden, David Rape, Guy Roy, Roy Teague, Dorman Turner, Albert Whitfill, Dennis Wilkes, Frances Ashton, Norma Burleson, Clara Mae Jones, Shirley Peterson, Ruby Phillips, Wanda Poole, Eva Nell Pratt, Virginia Presley, Loene Williams, George Plew.

THURSDAY NIGHT PROGRAM

Program for the exercises beginning at 8 o'clock has been announced as follows: Professional, Mrs. J. M. Hollums; Invocation, Rev. Otta L. Johnson; Song, Grade School Chorus; Salutatory Address, Hubert Ring; Solo, Mollie June French; Valedictory Address, Conray Johnson;

ATTENDS FORD SHOW

J. B. Bishop, of Bishop Motor company, was in Oklahoma City Monday to view the full line of 1949 Ford cars shown in the city's municipal auditorium. More than 1700 Ford dealers from the 10 state southwestern region of Ford Motor company attended the showing of the new cars.

Plastic Leaders 1948 Class of FHS

J. D. Helms

Honor Students. — Margaret Green, daughter of Mr. and Mrs. James E. Green, is valedictorian of the class of 1948, Floydada High school. Salutatorian is Margaret Huckabee, daughter of Mr. and Mrs. Burl Huckabee. The honor boy, J. D. Helms, is the son of Mr. and Mrs. P. D. Helms. The class is composed of 31 boys and 30 girls. Their program Friday evening will be given by the class.

School Year Ends; FHS Graduates

One boys and 30 girls will receive their diplomas and bow their heads at the local high school Friday night, when the school will present a program as their last act as members of the body.

During their evening, the year awards and diplomas will be made and when the recess is over it will be adieu to life as exemplified in the high school.

School year ends on an optimistic note. Generally excellent records have been made. The air hums with activity at school grounds, both high school and elementary, with preparations for a larger quarters for opening of a new school term.

Week has had a crowded calendar for the high school students. Beginning with the parade on Sunday at the Methodist church, where Rev. E. Jones preached the class and through the remaining of the week programs making up the school year culminated. Tonight the school at Andrews ward school will hold.

School Commencement

Program for high school commencement exercises tonight at the school gymnasium.

Ward school principal A. D. Fultz will preside and present diplomas and certificates to the graduates. The class will be addressed by District Attorney John B. Stapleton.

Conray Johnson will be valedictorian for the class and Hubert Ring salutatorian. Other members of the class are as follows: Kenneth Bishop, Phil Boothe, Ray Cook, H. A. Copeland, Don Daniel, Joe Mack Dunn, James Freeman, Billy Joe Goodson, Gearl Hall, John Hinsley, Jackie Hutchinson, Kenneth King, Dixon Kinard, Neil Lanham, Edwin Leatherman, Dan McClesky;

Donald McGuire, Eugene Nelson, Joe Richard Noland, Gary Oden, David Rape, Guy Roy, Roy Teague, Dorman Turner, Albert Whitfill, Dennis Wilkes, Frances Ashton, Norma Burleson, Clara Mae Jones, Shirley Peterson, Ruby Phillips, Wanda Poole, Eva Nell Pratt, Virginia Presley, Loene Williams, George Plew.

THURSDAY NIGHT PROGRAM

Program for the exercises beginning at 8 o'clock has been announced as follows: Professional, Mrs. J. M. Hollums; Invocation, Rev. Otta L. Johnson; Song, Grade School Chorus; Salutatory Address, Hubert Ring; Solo, Mollie June French; Valedictory Address, Conray Johnson;

Good Attendance As Dougherty Club Winners Named

The Dougherty Home demonstration club met May 19 with Mrs. J. T. Poole at 2 o'clock in the afternoon. The house was called to order by the president, Mrs. Tate Jones. During the business meeting, Mrs. C. A. Caffee gave the council report. The menu for old Settler's Day dinner was given out. Recreation was led by Mrs. H. A. Drysdale. Prize winners were Mrs. Ruth Daniel and Mrs. C. A. Caffee.

Mrs. Dennis Smith won the prize for attendance and was also enrolled as a new member.

A very interesting program on "Touches From Three Centuries of Music in America," was led by Mrs. Drysdale. The ladies sang several songs with Mrs. O. G. Glassmoyer at the piano. Roll call was answered by naming a favorite musical number.

The contest between the club members to determine which side would have to entertain the other was closed. No. 1 side won with 95 points and No. 2 side with 84 points. The entertainment will be for the No. 1 side and their families at a date to be announced later. Names were drawn to start the other contest that will close at the end of the year with a party.

Refreshments were served to Mesdames John Caze, Dennis Smith, Jim Harper, R. W. Lotspeich, visitors; and members included Mesdames Tate Jones, C. W. Denison, C. A. Caffee, C. E. Bartlett, Claude Ring, O. G. Glassmoyer, H. A. Drysdale, George Towery, Orland Howard, C. R. Woodson, Ruth Daniel, Harlon Caze, Bruce Johnson, Bill Smith, Maurice Campbell and the hostess and children.

The next meeting will be held at the home of Mrs. C. W. Denison June 2 at 2:30 o'clock. We have 21 members on roll. Visitors are always welcome.

Elizabeth M'Collum Asks for Assessor-Collector's Office

TO THE VOTERS OF FLOYD COUNTY:

I am a candidate for the office of assessor-collector of Floyd County. In making this announcement I feel I can say that I am qualified as to education and have had considerable experience in serving the public, so I think I can serve you well in this position.

I will need to work to carry on and will appreciate the help of the people if they will make it possible for me to realize this ambition of becoming your assessor-collector.

My candidacy is subject to the Democratic primary. Any help you feel you can give me will be deeply appreciated.

Sincerely,
Mrs. Elizabeth M'Collum

GRADUATES IN DENTISTRY

LOCKNEY, May—Ragnvald Gordon Fowler, son of Mr. and Mrs. J. H. Fowler, of Lockney, will graduate May 31 from the University of Texas School of Dentistry, Dr. Frederick C. Elliott, vice-president and dean has announced. The school is located at Houston.

GREERS RETURN HOME

LOCKNEY, May—Dr. and Mrs. N. E. Greer, who have made their home in Mineral Wells for the past year, moved back to Lockney last week. They have purchased the Guthrie home on West First street and will remodel the house completely.

Dr. Greer practiced in Lockney for many years until his health forced him to discontinue his practice.

Mrs. Ada Hinton will return home Thursday after spending the past month visiting with Mr. and Mrs. Gene Alexander in Lubbock and with Mr. and Mrs. John Lyles in Hale Center.

TENNESSEE KINSMEN PAY VISIT TO RELATIVES HERE

A number of relatives gathered Tuesday night of last week in the home of Mr. and Mrs. W. C. Wright to honor their visiting kinsmen, Mr. and Mrs. Virgil Lusk and children, Marilyn, Sue, Jackie and Janice, of Manchester, Tennessee. They were:

Mr. and Mrs. Julian Roberts and children, Evelyn, Lon and Carolyn, of Ralls, Mr. and Mrs. Elzie Roberts and children, Tommy, Jay and Shirley, of Crosbyton, Mr. and Mrs. E. L. Head, of Wichita Falls and Mr. and Mrs. Buel Neff and children, Nellie, Donald, and Patricia, Mr. and Mrs. Verlon Wright and daughter, Betty Lou, Mr. and Mrs. Tilford Taylor, Dennis Taylor, Mr. and Mrs. Bill Norris, Mr. and Mrs. Harmon Roberts, Mr. and Mrs. Poyner Roberts and children, Dale, Janice Kay and Ken, Frank Harmon, Mr. and Mrs. Charlie Wright and children, Sandra and Mary Elizabeth, of Floydada, the host and hostess, Mr. and Mrs. Wright.

Mr. and Mrs. H. P. Bell of Fort Worth, Texas, arrived Friday to visit with their daughter and husband, Mr. and Mrs. L. D. Britton.

Waller Announces For Commissioner Of Precinct No. 1

TO THE CITIZENS OF COMMISSIONERS PRECINCT NO. 1:

After due consideration, under the circumstances that now exist, I have decided to offer myself to the public as a candidate for Commissioner of Precinct No. 1.

I have lived in your precinct for 17 years and practically everybody in the precinct is familiar with my record as a citizen and taxpayer. And if you will work for me up to July 24 and give me your vote and influence I will give you the best that is in me for the common interests of our precinct and our county as your commissioner.

W. J. Waller,
Candidate for Commissioner of Precinct No. 1, Floyd County.
(Political Advertisement)

William Hinton of the University of Texas in Austin will arrive home this week-end. Henry Hinton will leave for Austin this week to bring him home. William and Henry will be engaged in farming together next year. Mrs. Ada Hinton is their mother.

W. A. Adams Asks for Sheriff's Office

TO THE VOTERS OF FLOYD COUNTY:

I have never asked for a public office before and have never wanted to seek one before. However at this time I see the need for the strict enforcement of the law in this county without favor and if I am elected to this office I will carry out that policy to the best of my ability and to the fullest extent of the law.

I have been in the service station business in Lockney for the past 5 1/2 years and have a wide acquaintance in the west part of the county. If elected the employees of the sheriff's office will be above moral criticism.

I invite you to investigate my character and my honesty from people who know me. I will give this office my entire time and thought if you see fit to elect me. I will deeply appreciate your vote.

W. A. Adams

South Plains News

SOUTH PLAINS, May 25—These showers we have gotten cool things off and make us hope for a rain. Here's hoping we get a good one. There was no church Sunday night on account of the Bacalaureate service at town. There are six from here this year, four boys and two girls are graduating.

The W. M. U. met at the home of Mrs. R. C. Guest last Monday. Charles Beedy and Raymond Reeves spent the week-end with their parents.

Mr. and Mrs. Shelby Calahan and children visited Sunday after church at Halfway with friends.

Donita Milton visited school with Lorena Williford last Friday.

Mrs. Verna Snodgrass is home for the summer. Her school was out at Starkey last Friday. Mr. and Mrs. Snodgrass and Mrs. Carrie Bostick went to Lubbock to the school their last day of school June 1.

June Marble visited last week. Leora King.

George Beedy left with his bines last Friday to begin hising down state. There are others who plan to go and many others who have already left.

Mr. and Mrs. Hugh Manchild and Mr. and Mrs. Whitlock spent last week-end at Dalhart and Borger.

Mr. and Mrs. J. R. Wiley in Plainview Sunday.

Mr. and Mrs. C. Lytle of field visited in the J. R. Wiley Monday evening.

Mrs. Menard Field spent day with Mrs. Art Willis.

Several in the community ed "Come With the Wind" last Monday evening. Some for their first, second, third times. Everyone enjoyed very much.

KEEP LOOKING AHEAD

Achievement is just a lot of hard work. Your graduation is an achievement to be proud of... an achievement that should be an inspiration that you will be able to master whatever lies ahead.

Allister conservation group.

W. H. Mayo has finished drilling his irrigation well and has set casing and run the foundation for the pump which he hopes to install very soon. Mr. Mayo has done some level and has most of his land ready to irrigate.

The weather man seems to be a cooperative mood (at last) and at this writing we are enjoying a nice rain. Remember that after a rain is often a good time to irrigate unless the rain is great enough to supply the needed moisture. Very often, however, we get only about half of the needed moisture in a rain and will then have to supply the other half through irrigation.

Contour irrigation lines were run on the W. D. Nance farm which is in the King Conservation group.

A. V. Ridgway, who lives in the Providence group, is expecting to drill an irrigation well and the Soil Conservation Service boys were on...

his farm assisting him in finding the high point of the farm.

Coming back to this rain we are having. We understand that one of our good farmers happened to stick his head out of the door early this morning and feeling drops of moisture, began to raise Cain with the hired hand for failing to shut off the sprinkler irrigation system. We don't claim to be any experts on precipitation, but either these sprinklers are pretty efficient or some people just plain forgot what rain looks like. Maybe the Old Settlers will tell us all about it Friday.

Bud Casey, who lives in the South Sterley conservation group, is expecting to put down another well and the district technicians were out to his place on Friday to see how big an elevated ditch he would have to construct to handle the water.

Applications for assistance were approved for the following at the meeting of the supervisors on Tuesday of this week: Ray Pinner, W. C. Price, D. J. Phillips, A. V. Ridgway, R. E. Young, E. V. Godfrey, Calvin W. Poteet and C. L. Hagood. Agreements between the district and the following cooperators were also approved at this meeting: E. E. Joiner, W. W. Buckner, E. W. Turner, E. H. Burk, Calvin W. Poteet, C. L. Hagood, W. T. Rankin, Bailey Henderson, Kendall Cummings, Ray Pinner and Thomas E. Warren.

Center News

CENTER, May 24—The cloudy weather and showers are very welcome after the hot, dry days of the last week.

A good crowd was at Sunday school. There was no B. T. U. because of the Baccalaureate services at town.

Christeen Jones is home from the hospital where she underwent an appendectomy last week.

Jane Frizzell is at home after a tonsilectomy in a Lubbock hospital last Thursday.

Mr. and Mrs. J. E. Green, Victor and Margaret went to Brownwood Friday to attend commencement exercises at Howard Payne College where Don Clark received his B. A. degree Friday night. Don Clark and Clyde, instructor in piano in Howard Payne the past year, returned home with them.

Leone Williams spent Saturday night with Clara Mae Jones.

J. E. Green and sons made a business trip to Plainview Monday. Melvin Robertson, student at WTSC in Canyon spent the week-end with his parents, Mr. and Mrs. J. R. Robertson and family.

SINGING AT AFTON
Singers from six counties will gather at Afton Sunday for the Fifth Sunday Singing convention. Singing will begin at 1 o'clock and special trio quartet arrangements will be featured during the afternoon.

Counties represented at the convention will be Floyd, Briscoe, Hall, Dickens, Hale and Crosby.

G. G. TYE VERY ILL
W. O. Tye in company with his brother, Frank Tye, of Amarillo left Sunday, May 16, by plane for Burbank, California, where his father, G. G. Tye is very low in health.

All the children have been at the bedside of their father with the exception of Mrs. Sam McCleskey who left Tuesday morning with Mrs. Frank Tye by train from Amarillo for Burbank.

SON BORN APRIL 14
Mr. and Mrs. Willis Frohock of Kansas City, Missouri, are the parents of a son born April 14. The boy weighed eight pounds and four ounces and was named James Willis.

Mr. and Mrs. J. H. Poore are grandparents of the new boy. Mrs. Frohock will be remembered as Ruby Poore.

WORD OF THANKS
Please accept our thanks and appreciation for the flowers, cards, visits and words of sympathy given in behalf of my wife, Mrs. C. M. Lyles, who has been ill in a Lubbock hospital. Also our thanks are extended to Dr. Guthrie and his staff for their help during her stay in the Floydada hospital.

Mr. and Mrs. C. M. Lyles
Walton Hale is expected home today from Dallas, Texas, where he has been to market.

Ralls Jackrabbits Baseball Winners

CROSBYTON, May—The Crosbyton Chiefs dropped a hard fought baseball game to Ralls Friday afternoon, 12 to 8, ending the season and giving the Jackrabbits the championship of District 3A. By winning the east half of the district and competing with Ralls in a three-game series for the title, the Chiefs were awarded second place.

Half Minute Interviews

Dr. Geo. V. Smith: "They're building modern buildings in Hereford and modernizing the fronts on the old buildings. Sure does help business and the looks of things."

LAKEVIEW CLUB REPORT

What's new in the food field and the kind of food were discussed by Miss Petty when the Lakeview Home Demonstration club met on May 24 with Mrs. S. V. Adams.

Members answered roll call with "My Favorite Song," and each gave a suggestion on demonstrations to be used in the 1949 club books.

Those present were Mesdames G. W. Smith, Orvis Shearer, Willie Bunch, R. L. Nichols, Dick Nichols, Walter Hollums, Homer Newberry, William Powell, Wayne Russell, S. V. Adams, and a new member, Mrs. Tooley.

Visitors were Mrs. Henry Willis, Mrs. Emmitt Dutton and Mrs. Don Harrison.

MRS. MCKINNEY ILL
Mrs. J. J. McKinney is in St. Mary's hospital in Lubbock where she has been since Thursday in a critical condition. Mr. McKinney is at the bedside of his wife. The children are spending most of their time with their mother.

Mrs. Wation Hale was called to the bedside of her father, O. R. Vick of Thorp Springs, Texas, Monday, May 17. Mr. Vick is now in a Fort Worth hospital where he underwent surgery, and reports are that he is getting along nicely.

Mrs. Erel Matthews and son, Kent, of Clemons, South Carolina, arrived Wednesday, May 19, to visit with Mrs. Matthews' parents, Mr. and Mrs. Walter Collins. They will leave for home tomorrow.

Mrs. C. M. Lyles is at the home of her sister, Mrs. Claud Patton, convalescing from an operation performed some three weeks ago in Lubbock Memorial hospital. Her condition is satisfactory, said Mr. Lyles the first of the week.

Miss Mary Pearl Cowand and her mother, Mrs. Edna Cowand have returned from Denver City to make their home in Floydada during the summer months. Miss Cowand is a teacher in the public schools in Denver City.

Mrs. J. H. Hedrick and Miss Edgar Mae Mongole, of Clarendon, spent the latter part of last week visiting with Mrs. A. J. Beedy and family. Mr. and Mrs. J. D. Colville and other relatives.

Miss Norma Carpenter of Altus, Oklahoma, is here visiting in the home of Miss Ruth Elaine Harmon and with the V. H. Botelers.

Mrs. H. M. Bishop of Tomball, Texas, is here visiting with her son and family, Mr. and Mrs. Earl Bishop.

Pho. 236 for Appointment

When he busted into the ladies' new car he apologized and explained he had been here a long, long time.

But that did not seem to be all she wanted to know. She took his number and said her lawyer would be to see him. Then he remembered he'd forgot to take out property and personal liability damage insurance. And that's how he come to sell one of his sections of land.

He ought to have seen the Reagan Agency and protected himself against the inevitable.

Also, if he had taken collision insurance he could have had his own car fixed up, too.

The Reagans sell all kinds of insurance—against fire, theft, hail, windstorm, et cetera, et cetera.

The Reagans urge every policy holder to read every line of their policy contracts. If you buy something find out what it is you bought.

SOCIETY

Crow Family Holds Re-Union at Joplin

Lovely Luncheon When Sunnyside Entertains Baker club

The Sunnyside Home Demonstration club entertained the Baker Home Demonstration club at the home of Mrs. S. J. Latta Friday, May 21. A lovely luncheon was served at the noon hour to members of both clubs.

Club members from each club answered roll call by telling how long they had been in the club and what they had achieved. The Sunnyside club entertained the Baker club after lunch with a program in the living room. Several beautiful piano selections were played by Mrs. Sawyer of Ralls and Mrs. Fay Hart.

Mrs. John Hopper, Mrs. Lon Blasingame and Mrs. Dessie Denison sang several musical selections, and the group sang "God Bless America." Fun was furnished by Mrs. G. N. Shirey who did a comical monologue.

Mr. and Mrs. H. L. Crow celebrated their 40th wedding anniversary at their home in Joplin, Missouri, with all their children present. It was the first time in nine years they had all been together. The Crows have lived in Joplin for the past two and a half years, moving there from Bentonville, Arkansas. They are former residents of Floydada.

Children and their families present for the occasion included Mr. and Mrs. Earl Crow of Floydada; Mr. and Mrs. Marvin Crow and family of Clovis, New Mexico; Mr. and Mrs. H. L. Crow, Jr., and family of Tulsa, Oklahoma; Mr. and Mrs. Alvin Watson and family of Bentonville, Arkansas; Mr. and Mrs. H. E. Crow and family of Bentonville, Arkansas; and Mr. and Mrs. Harvey Brown of Shenandoah, Iowa, and grandchildren.

Mrs. Dessie Denison gave a reading and games were played by all. The program closed as the photographer played the hymn of "The Lord's Prayer."

Joe Rushing Will Be Married June Fourth to Betty Rountree

Announcement of the engagement of Betty Rountree to Randall Joe Rushing was told at a coffee given Friday morning in Lubbock. Hostesses were Mrs. Oscar Ray and Mrs. A. J. Richardson.

Guests called at the home of Mrs. Richardson and were received by Mrs. Dick Rountree, Mrs. Lee Rushing, and Miss Betty Rountree and the hostesses.

The table was centered with a bouquet of white baby gladiolas and pink rosebuds. Candles of white and pink accompanied the center piece.

The couple is to be married June 4 at the First Methodist Church in Lubbock.

Both Miss Rountree and Mr. Rushing are students at Texas Technological college. Mr. Rushing who is a member of Kemas social club, will graduate in June.

Two WT Graduates Are of Floydada

CANYON, May (Special)—Maurice Steff and Dorothy Marie Tye of Floydada, are among the 100 members of the 1948 graduating class at West Texas State college.

Commencement exercises will be held this Thursday morning at 11 o'clock. Nine of the class will receive Master of Art degrees, 13 Bachelor of Art, 76 Bachelor of Science, and 11 Bachelors of Business Administration.

Mr. Steen and Miss Tye will receive Bachelors of Science degrees.

Dr. D. M. Wiggins, president of the Texas College of Mines and Metallurgy, will deliver the commencement address.

Other graduates of West Texas in which Floyd County people will be interested are:

Mrs. Charlene Giesecke Bagley, daughter of Mr. and Mrs. C. W. Giesecke of Matador, Texas, Bachelor of Business Administration;

Bachelor of Science Degrees: Mrs. Elizabeth Daniel Burgess of Canyon, daughter of Carl Daniel of South Plains, Texas;

Arthur B. Duncan, Jr., of Canyon, son of Mr. and Mrs. Arthur B. Duncan, Sr., of Canyon, Texas.

MARRIAGE RECORD

Marriage license were issued last week to the following couples: Austin T. Beedy and Clara Belle Pollan, May 26;

W. R. Daniel and Margaret Evans, May 22.

Mrs. Marion M. Day Funeral Held Friday

Mrs. Marion M. Day, sr., a Floyd county pioneer, passed away at the home of her daughter, Mrs. Marvin R. Jones in Clovis, New Mexico, Wednesday evening of last week. She had been ill about four years.

Funeral services were held in the Main Street Church of Christ in Lockney Friday at 2:30 o'clock. Otta Johnson, of Floydada, was in charge of the services. Interment was made in the Floydada cemetery.

Mrs. Day was born in Coryell county, Texas, May 28, 1871. She came with her family to Floyd county in 1885 and settled on Running Water draw, about 7 miles south of Lockney. Her father, the late J. Q. Johnson, was among the first settlers in Floyd county.

It is believed that she and her husband were the first couple married in Floyd county after the county was organized. They were married in May, 1890.

Eight Children Survive

Ten children were born to the couple, eight of whom are living. Survivors include the following: Wiley J. Day, of Albuquerque, New Mexico; Arthur B. Day, of Pritch, Texas; Marion M. Day, of Carlisle, New Mexico; Mrs. C. K. Brumley, of Houghton, Kansas; Mrs. W. E. Muncy, of Portales, New Mexico; Mrs. E. J. Yearout, of Carlisle, New Mexico; Mrs. Marvin R. Jones, of Clovis, New Mexico; Mrs. Floyd B. Sims, of East Vaughn, New Mexico; 17 grandchildren and five great-grandchildren; a sister, Mrs. John Pawver and numerous nieces and nephews in this and adjoining counties.

Funeral Yesterday For Mrs. Simpson City Park Church

Funeral service was held yesterday afternoon at 4 o'clock for Mrs. Harriett Simpson, who died on Tuesday at the family home, 228 West Tennessee street. Rites were held at the City Park church of Christ with Otta Johnson, minister of the church, officiating. Interment was made in Floydada cemetery.

Mrs. Simpson had made her home here for the past three years. She was married to H. W. Simpson October 4, 1889 in Comanche, Texas. The husband and six children survive. The children are Mose Simpson of Kress, W. O. Frank and L. W. Simpson, Floydada, Ray Simpson, Levelland, and Mrs. H. L. Webb of Huntington Park, California. One brother, Small B. Helton of Crosbyton also survives.

A native of Missouri, Mrs. Simpson had lived most of her life in this state. She had been a member of the Church of Christ since 1897.

Mr. and Mrs. Roy L. Hale, of Harmon, are the parents of a son born at West Texas hospital at 4:30 o'clock the morning of May 26. He weighed eight pounds and four ounces at birth. The grandparents, all of Floydada, are Mr. and Mrs. J. Sam Hale and Mr. and Mrs. Wm. Snell.

NEW BOY BORN MAY 24 AT THE FLOYDADA HOSPITAL

Mr. and Mrs. H. D. Payne have a new son born Monday, May 24, at the Floydada Hospital. The boy has been named Robert Wade. He weighed five and a half pounds. The Paynes have another son, Don, age five.

Grandparents are Mrs. M. L. O'Bannon and Mr. and Mrs. Vernon Payne.

Alvin H. Howard, of New Orleans, Louisiana, is here this week with the W. M. Masie & Brother land

agency going over matters in connection with the Howard holdings in this section. Mr. recently became owner of ranch lands in Briscoe and counties which he is inspecting his stay here.

Mr. and Mrs. Pierce King and Leora, E. L. Cordova and Mrs. J. T. McLain were dinner guests of Mr. and Mrs. McLain of Sand Hill.

The head always starts about the time the mind starts.

Congratulations GRADUATES

You'll always remember this occasion as one of the most important events of your lives. We extend to you our best wishes with the hope that the splendid record you have made in the classroom will prove a stepping stone to many opportunities in the days to come.

Soil Workers Recognized at Campaign End

Recognition of a soil conservation group and individuals of Floyd county who participated in the Save the Soil Save Texas campaign conducted by the Fort Worth Press were given at a meeting in the Hilton Hotel in Lubbock Tuesday afternoon.

Bill Durham, regional editor of the Press, presented an award of \$300 to Hale county for having the best soil conservation district, \$250 to Crosby county for having the second best and \$100 to Floyd county for having the third best district.

R. G. Dunlap received the award for Floyd county. Dougherty was presented a check for \$250 for having the best conservation group. Russell Crawford was present and accepted the award in behalf of the Dougherty group.

James A. Bobbitt was among five men to receive plaques for being outstanding farmers in the districts of the area. Eight students of Floydada High school were winners in the essay contest in which a possible 10,000 boys and girls of Texas participated.

Robert Reeves and Bradford Beedy placed fifth and sixth respectively and each received a check for \$250. Six more Floydada boys placed in the first twenty winners and received a check for \$2. They were Hershel Irwin, Harvey Dale Tardy, Don Shurbet, Douglas Whitfill, Leonard Wilson and Billy Joe Smith. All were at Lubbock to receive their awards except Don Shurbet and Leonard Wilson.

H. N. Smith, chief of operations of the Soil Conservation office at Fort Worth, gave the principal address on the value and accomplishments of the soil conservation districts in Texas. He presented statistics that showed that 54,000 farmers and ranchers with 25,000,000 acres of land have active agreements with the districts and are co-operating in the program throughout the state.

Mr. Smith's address was followed by a talk by Howard Goss, field man for the state soil conservation board. Mr. Goss gave a report of the achievements of the districts.

COUNTRY CLUB MEETING

B. K. Barker, secretary of the Floydada Country club this week is issuing notice to stockholders of the annual meeting of the club to be held on Thursday night of next week. The meeting will be held at the county court room, he advises stockholders.

Jester Program at State Convention

W. G. Collins, John B. Stapleton and W. E. Grimes, of Floydada, with A. S. Moss, of Lockney, represented the Democracy of Floyd county in the state presidential convention held at Brownwood on Tuesday.

The Jester anti-instruction idea had a majority in the convention. Fred Minor, of Denton, was named temporary chairman and Wright Morrow, of Houston, was named national committeeman from Texas to succeed M. G. Blalock, retiring on account of ill health.

The Floyd county delegation, on instruction from the county convention, voted with the group which favored the nomination of Harry S. Truman for the presidency on the party ticket.

Second Round City Softball Opens June 7

Gene Collins, general chairman of the City Softball league, said yesterday the second round of league competition will begin on the night of June 7, a complete schedule of which will be made public next week. The beginning date is the first Monday night in June.

Meanwhile games rained out this week will be played following the close of the scheduled games. Grigsby Laundry vs. South Plains and Phillips vs. Stansell-Collins, rained out Tuesday night will be played on the night of June 3. The McCoy vs. Footlight club go and Hagoods vs. Merchants will be played on the night of June 4.

first round schedule are for the night of May 31 when Phillips vs. Grigsby Laundry, and McCoy vs. Stansell-Collins will be played; and for the night of June 1 when Hagoods and South Plains tangle and the Merchants will go against the Footlight club.

Results Friday and Monday Results last Friday night: Stansell-Collins 9, Footlight 3; Phillips 15, South Plains 5; Monday night: Merchants 13, Grigsby Laundry 2; Hagoods 13, McCoy 2.

Three Teams on Top

Three teams clung to the top of the column in the percentages this week. Merchants, Phillips and Hagoods each with five games played and four won, for a percentage of .800. Tied for fourth and fifth are South Plains and Stansell-Collins, each with three out of five games for a percentage of .600. McCoy and Footlight clubs are still in the cellar both having made five tries and losing every time.

Mr. and Mrs. A. D. Fultz and son, Gary, and Mrs. Fultz's parents, Mr. and Mrs. J. B. Mills of Commerce, Texas, will leave tomorrow for Sacramento, California, on a two weeks vacation visiting with relatives.

To The "GRADS"

We wish each of you The Best of Luck for a Happy and Eventful Future.

A. Clendennen Wishes Old Timers Happy Re-Union

The pioneers of Crosby and counties: I am a pioneer of Texas since 1879. I was born there when Fort Worth, then west of Fort Worth, then to Emma in Crosby in 1906 and there eight years, then to Crosby in 1914.

may not be with you this time, my heart will be. My wish is you have a big time. My wish is fairly good for my age and I get around fairly well. I was born last July 4. My address is Phoenix, Arizona, Box 643.

J. A. Clendennen, a pioneer.

Reeves Member Big H-SU Class

Miss Carol Reeves, daughter of Mr. and Mrs. Sim Reeves, Star of Floydada, is listed among 145 spring candidates for graduation at Hardin-Simmons University. Dr. Robert A. Collins, dean, announced.

Miss Reeves, with a major in English and a minor in Bible, is scheduled to receive the Bachelor of Arts degree.

The 56th annual spring commencement exercises at Hardin-Simmons will be held Monday morning, May 31, in historic Behrens Chapel on the H-SU campus.

The 145 students scheduled to graduate this spring comprises the 1948 spring graduating class in the school's history.

Miss Martin and Norma Jean Center made a trip to Canyon, Texas, Tuesday and several WTSC members returned home with them on the close of school.

Fairview News

FAIRVIEW, May 25—A few small showers have fallen in this community the past 48 hours.

Saturday evening around 7:30 o'clock the home of Mr. and Mrs. Dean Walls was completely destroyed by fire. The young couple had gone to town and knew nothing of the fire until notified by neighbors. Neighbors saw the fire and rushed to the scene but it burned so fast nothing could be done to save anything. The cause of the fire is unknown. Our sympathy goes out to this young couple. They had just set up house keeping a few months ago. The house belonged to S. A. Guffee and was originally the home place of Mr. and Mrs. Guffee for a number of years.

There was a committee meeting Monday night at the home of Mr. and Mrs. Walton Wilson to discuss some matters pertaining to the disposal of the school property and also a small piece of land belonging to the Baptist church that joins the school land and is not being used by the church at this time.

There were no services at the church Sunday night, due to the fact that the Baccalaureate services of the Floydada High school were being held and we have two graduates this year. They are Leonard Wilson and Jean Bardford. Several from here attended the services at the Methodist church in Floydada.

Rev. and Mrs. Bill O'Dell and son, Billie Wayne, were Sunday dinner guests of Mr. and Mrs. Clyde Bagwell.

Miss Jackie Moore of Hereford visited in the home of Mr. and Mrs. C. W. Payne, were Sunday dinner guests of Mr. and Mrs. Clyde Bagwell.

Grasshopper Horde Threat in Crosby

CROSBYTON, May—Young grasshoppers are now swarming in the ditchbanks, along the fence-rows, turn-rows, road-sides, railroad right-of-ways and around the edges of fields and pastures. They have not yet invaded the cultivated croplands, but they will just as soon as the crops are big enough to attract them, W. R. Kimbrough, county agent warns.

"We have many more grasshoppers than last year," he stated, "and this looks like the worst grasshopper infestation in many years."

There will be lots of damage from the grasshoppers in three or four weeks unless something is done about it now. If the weather continues dry and row crops do not offer sufficient food for the insects, they will invade orchards and gardens, shrubbery and trees in both town and country, the agent warned.

BURKE ARE PARENTS OF SON BORN AT PLAINVIEW HOSPITAL

Mr. and Mrs. H. C. Burke, Jr., of Plainview, Texas, are the parents of a son born May 21 at the Plainview Hospital. Ronald Earl Burke is the new baby's title and he weighed six pounds and six and a half ounces at birth.

Mr. Burke is employed at the Hale County State Bank and the Burkes live at 228 East Alpine street in Plainview. Mrs. Burke is the former Juanita Jean Meredith.

Grandparents of the boy are Mr. and Mrs. H. D. Meredith of Floydada and Mr. and Mrs. H. C. Burke of Lockney.

DOROTHY TYE HOME

Miss Dorothy Tye, teacher in high school in Portales, New Mexico, arrived home for summer vacation Saturday, May 8, at the home of her parents, Mr. and Mrs. W. O. Tye. Miss Tye left Friday for Dallas, Texas, to visit in the home of former classmates at TSCW. She will return home Friday with her two brothers, Keith, of Temple, Texas, and Jimmy of the University of Texas in Austin, who will also visit with their parents, Keith for a week's visit before returning to Temple, and Jimmy for the summer months.

HENDERSON CRITICALLY ILL

W. H. Henderson is critically ill in the Wichita Clinic in Wichita Falls, Texas, where he was taken by the Harmon Ambulance service last Friday morning. Mr. Henderson has been under an oxygen tent most of the time. He is suffering from serious heart trouble, but was believed to be improving slightly, reports from Mrs. Henderson, who is with her husband, to her sister, Mrs. W. N. Williams, indicate.

LOCKNEY PUBLISHER AND WIFE PARENTS OF A SON

Mr. and Mrs. Edgar Hays of Lockney have a son born May 8 at the Floyd County hospital in Lockney. The boy weighed six pounds and 14 ounces and was named William Thomas.

The Hays have two other children, both girls, Barbara June and Janice Carol.

SCOUTS IMPATIENTLY WAIT DATE FOR CAMP OPENING

Several members of Scout Troop 64 are making plans to attend Camp Post at Post, Texas next month. The camp is open during the month of June and troops of the South Plains council attend alternately throughout the month.

Date that the local troop will attend has not been decided.

MARTHA LEE SANDERS HOME

Miss Martha Lee Sanders arrived home Thursday to spend the summer months with her parents, Mr. and Mrs. Otho Sanders and family. Miss Sanders has just completed the 10th grade at the School for the Blind in Austin, Texas, and lacks only two years more finishing. Mr. Sanders and son went to Austin Wednesday to accompany Martha Lee home.

Mr. and Mrs. John Lyles of Hale Center, Texas, are the parents of a baby girl born May 11 at the Plainview hospital. The little girl has been named Linda Diana. Grandparents are Mr. and Mrs. Carl Lyles and Mrs. Ada Hinton.

THE STATE OF TEXAS

TO: The Unknown Heirs of J. G. Harris, deceased, and J. G. Harris if living, and their heirs and legal representatives, Defendants. Greeting:

You are hereby commanded to appear before the Honorable District Court of Floyd County, Texas, at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 21st day of June A. D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 20th day of April A. D. 1948, in this cause, numbered 3737 on the docket of said court and styled Agnes E. Forman and D. Rhea Forman Plaintiffs, vs. The Unknown Heirs of J. G. Harris, deceased, J. G. Harris if living and their heirs and legal

representatives Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sue in Trespass to Try Title to recover of and from defendants fee simple title to 640 acres of land being all of Survey No. 89 in Block D-3 Cert. No. 413 in Floyd County, Texas. Plaintiff allege that plaintiff Agnes E. Forman owns said land in fee simple and that defendants do not own any interest in said land, and further plaintiffs specially plead that said Agnes E. Forman has title to said land by virtue of the five year statute of limitation, and that she, and those whose estate she has, claiming the same under deeds duly registered, has had peaceable, continuous and adverse possession of said land, cultivating using and enjoying the same and paying all taxes due thereon, before delinquency, for a period of more than five years next after defendants cause of action, if any, accrued, and before commencement of this suit; and plaintiffs further plead that said Agnes E. Forman has title to said land under the ten year statute of limitation and she, and those whose estate she has claiming to own same have had peaceable continuous and adverse possession of said land by an actual enclosure and fencing of said land, cultivating, using and enjoying the same for the period of ten years after defendants cause of action accrued and before commencement of this suit, and that such adverse possession was held under deed specifying boundaries of said tract of land, duly recorded in Floyd County, Texas, deed records; and plaintiffs further plead that said Agnes E. Forman has title to said land under the twenty-five year statute of limitation, and that she, and those whose estate she has, have had peaceable and adverse possession of said land, claiming to own same, for a period of twenty-five years under claim of right and title in fee simple, in good faith, under deeds describing said land and purporting to convey the same, which deeds have been recorded in the deed records of Floyd County, Texas, during said twenty-five year period, and all prior to the filing of this cause of action, and all after defendants cause of action accrued, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If it is not served within 90 days after date of its issuance, it shall be returned unserved.

Issued and given under my hand and the Seal of said Court, at office in Floydada, Texas, in Floyd County, Texas, this 4th day of May, A. D. 1948.

Attest:
Mrs. J. O. Dudley, Clerk,
District Court, Floyd County,
Texas

(Seal) 14 41c.

Sunrise Service

(Continued From First Page)

divided equally and as the squads march from grave to grave they will mark the last resting place of deceased comrades.

Night Service at Baptist Church

The all-community memorial service marking the decoration day remembrance of the county's war dead will be held at the First Baptist church Sunday night. Rev. Lloyd H. Jones will preach for the memorial occasion, for which Post Commander Hershel Swepton has made plans. Every church congregation in the community has been extended an invitation and county-wide attendance is invited.

Flowers Will Be Needed

Many yard grown flowers, in addition to any which may come through commercial channels, will be needed for the early morning service, said Mr. Stapleton and Mr. Swepton this week. Many have indicated their interest. The flower committee is headed by Elton Goen, who should be contacted by any persons who want to send flowers from their gardens but cannot be present in person.

Mr. Stapleton of the memorial committee said this week that it is the hope of his committee that the people of the area will visit the cemetery throughout the day and place flowers on the graves of their loved ones. It is not the thought of the committee that any should be neglected, though the duty of the legion is to those who have fallen in arms or have succumbed after serving their country in arms.

Marine firing squad in charge are: Edward Wester and Ham Smith, Jr. Bnd DuBois, N. E. Tyler, Jr., Fred Cardinal, George Cardinal, Carl Minor, Earl Crow, Bryan Collins and Jim Word.

Army firing squad in charge is Watson S. Jones; Jewell Elza, Phil Steen, Fred Martin, John Farris, Billy Henry, Ralph Johnston, Leonard A. Hart, Johnny Cockrell, and Truitt Smith.

Gas-Diesel

(Continued from page 1)

plant load and how the power plant will help to reduce the unit cost of energy was the burden of the statement of the city this week.

The city's improvements to light and water facilities in the current program will exceed a quarter of a million dollars. The water system barely headed off the deadline for summer irrigation demands and now it appears the light plant also is going to meet its deadline.

In addition to the contracted expenditure at 8 o'clock with the first round of a roping match at the rodeo grounds when Red Whatley and Billy Kirk will be teamed against Bill Bomar and Zeano Ferris. The men will rope six calves each tonight and the performance will be repeated again Friday afternoon. Bomar and Ferris are New Mexico ropers of wide renown. Whatley and Kirk have a wide following in this area.

Jackpot roping, open to the world, will follow each of the rounds of the roping match. Smith says the calves for the roping will be salty young Brahmas.

New Bank

(Continued From First Page)

transaction by the government agency.

A meeting of the stockholders of the new bank was held on May 5 at the Plains theatre and the following directors were elected: Ed Whitfill, L. A. Cooper, Frank Perkins, H. L. Stowe, Ben Quebe, Oliver Savage, Chester E. Beardsley and W. A. Waldrop.

The directors in a subsequent meeting elected the officers of the bank as follows: W. A. Waldrop, president; Ed Whitfill, vice-president; Mary W. Waldrop, vice-president; Chester E. Beardsley, cashier; June Bybee, assistant cashier.

New Man From Odessa

Mr. Beardsley has been in the banking business in Cleburne and Odessa for 15 years. He will arrive here next Wednesday to assume his position with the bank. Mrs. Beardsley is a sister to L. M. Honea, of Lockney.

New furniture and fixtures have been purchased for the new bank and will be installed within 60 to 90 days.

Stockholders in the new bank include 67 leading men of the Lockney area.

Artie Baker, who has been president of the old bank for many years will continue to keep an office in Lockney. He will continue his pump company here and his farm loan business.

Hits Beach on Coast
Sgt. Alexander's company moved across the channel on D-Day and went into action on June 8 in Normandy, second day of the invasion. He was killed on the 14th day of the 90th's entry into the fierce fight-

pense of installation on the new plant, the city also is spending out of operating profits such funds as are needed to build a line to the city's new well to put it into operation.

Whereas the city hoped to have the new power plant delivering energy into the city's distribution lines late this fall it now appears they may have the new facilities ready to help take care of the increased load by late summer time.

Hospitalize Floyd Co. Infantryman

A Floyd county boy who was in the 26th infantry of the First Division in North Africa, Sicily, France and on into Germany when he was caught by the luck of battle and was shell shocked is Howard E. Whitaker, jr. who is in the Veterans' hospital at Waco this week.

At home for two years with a service connected mental disability, Howard was taken to Waco hospital, reported by the War department as having been killed in action on June 22, weeks before the news was released that his division was one of the invasion spearheads. Last letter received from his son by the family here was written on May 28. The War department's notice came on July 31.

Survivors include the parents, Mr. and Mrs. C. Alexander, who were in Hill County when news of their son's death came. Three brothers, Hugh of Olton, Clyde of Plainview, Leonard of Floydada; three sisters, Mrs. John Hambricht and Mrs. Will Hambricht, Floydada, and Mrs. Grace Cogswell of Dimmitt. All the members of the family were here for the memorial.

Oliver is the second member of the family to be lost in battle. On March 10 Lt. Melvin Alexander was killed in action in the invasion of the Marshalls in the Pacific War theatre.

A third brother, who was wounded and invalided home from the Pacific War theatre is Leonard, who is now making his residence with his parents here and carrying on as a farm operator with his father.

Can Black-Draught Help That Headache Feeling?

Yes, Black-Draught may help you when you feel lory if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental distress, bad breath—and if these symptoms are due only to constipation—try Black-Draught. Get a package today.

last week-end by his father, and will remain there for such time as the Veterans' hospital authorities deem it wise to release him.

Mr. Whitaker, senior, returned home the first of the week from Waco. He has a letter from the Chief of professional services at the hospital which says the boy will undergo examinations of various kinds and receive such treatment as his condition requires.

The Whitakers have been under considerable strain since their son's return home. A good boy when he went to the army, the returned soldier has been writing cold checks and making other trouble which Howard, senior, has been going along with in the hope that the situation would clear up.

Cupid may be a good shot, but he sure makes some awful mistakes.

When yer on the horns of a dilemma let yer consuhnts be yer guide!

Company Bringing Down Bottlenecks

Expansion work now underway, or to be started in the immediate future, includes the following items, Hinchey said:

(1) Installation of a 300 horsepower booster compressor near Pritch, Texas, to increase suction pressures to the Turkey Creek (Field) Compressor station. Part of material now on hand, compressor unit to be received in August; estimated completion September, 1948.

(2) Installation of three 400 horsepower compressor units at McSpadden Compressor station (near Canyon, Texas). Nearly all material on hand, one unit received, two to be received during June. Construction about 60% complete; estimated completion July, 1948.

(3) Installation of one 300 horsepower compressor unit at Plainview Compressor station. All materials now on order; compressor is promised for October; estimated completion December, 1948.

(4) Installation of an 80 horsepower compressor unit at Littlefield Compressor station serving Levelland and Witharral. Construction about 60% complete; shut down waiting on materials which are expected in June; estimated completion August, 1948.

(5) Replacement of nine miles of 3 1/2 inch (outside diameter) pipe with 6 5/8 inch pipe between Littlefield Compressor station and Witharral. Approximately four miles will be completed during June, 1948. Contractor will start work as soon as War Assets administration salvage pipe from Camp Bowie is received. Remaining 6 5/8 inch pipe is on order.

(6) Replacement of ten miles of 4 1/2 inch pipe with 6 5/8 inch pipe between Tahoka and Brownfield. Construction will be started as soon as pipe now on order is received.

(7) Installation of a 300 horsepower compressor unit at Tahoka Compressor station. All materials now on order, compressor unit is promised for July; estimated completion September, 1948.

(8) Replacement of 10 1/2 miles of 4 1/2 inch pipe with 6 5/8 inch pipe extending from Littlefield north-westward to the point of intersection with El Paso Natural Gas Company's line between Amherst and Sudan. Pipe now on order and promised for June delivery; will be installed as soon as received.

(9) Installation of new 6 5/8 inch takeoff line to Odessa No. 1 Town Border station and a new line to a Odessa Town Border Station No. 2. This has been completed except that a portion of the 6 5/8 inch line is laid on top of the ground. This line will be buried in June, 1948.

(10) Numerous extensions of distributing mains and services to meet franchise requirements within the 44 cities and towns served are being completed each week as the pipe is received and as contractors' crews can make installation.

Every day when we arise were more surprised than ever—when we raise the shades, look out the window, and find the world is still present.

service, and to remedy the local bottlenecks mentioned.

LIQUID FERTILIZER Is Now Available

Reduces Production Cost—No equipment to buy—
Just drip Liquid into Irrigation water.

A formula for every crop—Nitrogen (20-0-0) or
complete fertilizers 15-8-4, 13-15-0 (plus trace ele-
ments), 10-20-0, 0-25-5, 10-10-5 for wheat, barley, al-
falfa, Sugar beets, permanent pastures, grain sor-
ghams, potatoes, truck, etc.

No root burning—even distribution—complete fer-
tilization of all feeder roots.

Quickly available nutrients—plant food is very
quickly available to the plant. Does two jobs in one
operation—fertilize as you irrigate.

A flexible fertilizing program. Contact for full in-
formation:

EDITORIALS

Somebody somewhere down around Olney, maybe Vernon or Crowell, is going to have to rent the boys some land on which to make their turn around to come back up west and north with their combines. The trek eastward has had scores, hundreds—even, we venture—thousands of combines of all kinds and types, all seeking the chance to make a pot of money and come back home after the harvest is over with some jack to carry on while they wait for things to develop this late summer and fall. Old heads, new adventurers in the game, guys with worn out machinery, guys with brand new, all looking for a chance to get in on the big kill. It goes without saying there is not and will not be enough business to go around to everybody. A few will make some money. Many will not. Some are due to get some sad experience. Any kind of a rush, oil boom, stock speculation, gold find, brings its breaks as well as its makes, more breaks than makes. This may be the year that the custom harvesting boom takes out a good many of the well-intentioned people that forgot to count the chances against them. The wheat crop is not such a happy bonanza in the extreme southwest. Perhaps, and let's hope, it will get better as they go north, for those who are financed to take it for the first few weeks. And may the weather man be kind to one and all.

Water Is Important: To West Texas people water and water problems take No. One place in studies for the future welfare. Anything that bears on under water supply, surplus run off or storage dams; new legislative enactments, search for new sources, mountain sources, proof that the supply is or is not local, is meat for plains people to chew on. Always something to make us feel like the background for any certain statement may not be sufficiently explored. Thus they say the underground water supply in this area is strictly local, meaning, as we understand it, that the water we pump from underground is water that soaked into the earth from its local surface sands or faults. They say we can't pump out more than the Lord rained or snowed down from the sky somewhere hereabout. But also they say the Canadian that flows through the plains, is fed from mountain snows. We don't know that either of these statements is true or is not true. It certainly is reasonable to assume that one or the other statement might not be true, is it not?

To the West Texan anything that might indicate we have hidden resources not yet made apparent is reasonable. Thus, when we say that there may be deeper water available for some plains areas or that there may actually be some artesian water for some portions of our country, one who has faith imme-

diately seizes upon the idea. Geodetic and geological sources say no, but the plains believer thinks the geologists can be wrong and their geodetic fellow workers also. When the geophysics crew found an artesian flow on the country club grounds south of Floydada and then destroyed it, a believer thinks that such a strata might well be picked up again sometime. We want water and we believe in some way to solve the problem. Over at Lubbock they are probing for some deep water sources and they are refusing to believe that all the strata are contaminated with salt or other minerals. They have heard reports they are anxious to believe. They are going to spend some of the people's money thereabout to find out, and think it is justified. At the worst, they say, there is little to lose.

What one hopes against hope to convince the powers that be is that many little half-million dollar dams located in good places up at the source of the streams could be most invaluable in keeping the water level of the area a bit higher in spite of increased surface use. The irony of the army and Interior department making such multi-million dollar investments as the Denison dam, the Possum Kingdom dam and such when a third of the money spent on these deep water things would have impounded billions of gallons of water upstream to spread benefits and help all the people, is one of the things you have to charge up to office chair planners who just don't get out and see for themselves what the people need for the money the congress hands the arm chair strategists to spend.

JUDGES AND ATTORNEYS

(A contributed editorial)
Chief Justice Arthur T. Vanderbilt, of the New Jersey Supreme Court, says that the modern lawyer is "quite unmindful of the public's general dissatisfaction with the administration of justice."
This statement, made by a responsible jurist, deserves the consideration of all those who practice law, because there is not much doubt about the accuracy of Judge Vanderbilt's assertion. Certainly, the proper administration of justice is peculiarly the obligation of the profession. Jurists and attorneys-at-law should be the first to seek means and methods of protecting the administration of justice. While they cannot accomplish the impossible, they can, at least, take the lead in the effort.

A good broiler mash is just as good as starter mash for starting young chicks, and often less expensive. Also plan now for plenty of green feed for growing pullets this spring.

Floyd County 14 Years Ago

Items taken from the files of The Floyd County Hesperian published fourteen years ago.

(Issue of May 31, 1934)

Winfred F. Newsome, son of Mr. and Mrs. J. C. Newsome Monday finished school at Baylor university.

One of the most striking recent additions to a local business is the new fountain and its service equipment installed at Arwine drug.

The Methodist have managed to hold their lead in the Softball league during this week.

Miss Thelma Kinnard, of McCoy, and John Hoffman, of Fairview were united in marriage May 13 at Elida, New Mexico.

More than 400 old settlers celebrated the forty-fourth birthday of Floyd county in the sixth annual reunion here Monday.

W. H. Sharp is sole owner of the H. & B. One-Stop Service station and H. M. Stanley is associated with him in the gas, oil and tire service department.

Grain dealers this morning expressed the opinion that a few wheat raisers, barring rain, would start their combines as early as Monday.

A sedan automobile, belonging to Earl Edwards, was stolen from its parking place at the Lakeview Baptist church Sunday night.

Joe Rushing was the only pupil in the Fairview school to get a perfect attendance certificate for the past year.

The commissioners' court voted Wednesday afternoon to authorize Roe McCleskey, the assessor, to reduce the tax valuations of the real estate in Floyd county ten percent.

Jacob Hatcher, Floydada, won first place in the older class of fiddlers, and Burley Veach, Floydada, won first place in the younger group of fiddlers in the Neighbor Day contest Wednesday.

Kenneth Bishop has Plans for College

Kenneth Bishop is at the home of his grandmother, Mrs. S. G. Bishop, after receiving his discharge on May 11 from the U. S. Navy at Naval station at San Diego, California.

Kenneth entered the navy on June 26, 1946, after graduating from Floydada High school. He served on the U. S. S. Fruse in China, Japan, and the Asiatic theatre. His plans are to enter college, with North Texas State Teacher's college at Denton in mind at the present time.

Tom Ballard to NTSTC

Tom Ballard arrived in Floydada Saturday from Denton, Texas, at the home of his parents, Rev. and Mrs. L. D. Ballard, to visit with friends until June 7 at which time he will return to Denton to enter NTSTC on June 9.

Tom received his discharge from the U. S. Navy April 29 at Quonset Point, Rhode Island, where he had been stationed since he left boot camp in San Diego.

Along with Kenneth Bishop he entered the navy June 26, 1946, after graduating from Floydada High School and has just completed 22 months service in the navy.

Tom will also visit in Lubbock with Mr. and Mrs. Bob Cole while here.

BILLY TED BORUM ON EARTH HIGH SCHOOL GRADUATE LIST

Billy Ted Borum, son of Mr. and Mrs. Ted Borum of Earth, Texas, graduated from the Springlake High school Friday night, May 21. Saturday morning the senior class left on a week's trip to the Gulf of Mexico and to points in New Mexico.

Mrs. E. R. Borum attended the graduation exercises of her grandson and returned home Saturday.

DAY SPENT AT LUBBOCK PARK BY STARKEY SCHOOL

The pupils of Starkey School spent their last day of school in the park at Lubbock. They were accompanied by their parents and teachers, Mrs. Paul Snodgrass and Miss Bobby Sue Langley.

At noon a picnic lunch was spread and enjoyed by all. In the afternoon the children had fun at the carnival and returned home.

Mr. and Mrs. V. H. Boteler and Miss Luella Irwin, daughter of F. C. Irwin of the Fairview community spent Sunday in Canyon, Texas, and attended the Baccalaureate services in the morning for the graduating seniors of WTSC and in the afternoon attended the concert given by the West Texas orchestra and A Cappella choir.

FLOYDADA, TEXAS

"You just can't beat Electric Cooking"

For good cooking, and cooler cooking, you just can't beat an electric range... it's the easy and low cost way to prepare better meals with less effort.

Electric cooking is best because you can control the heat you're using exactly, make sure that every dish gets just the right amount of heat for the right amount of time.

Better still, you'll have more time to "get out," for the new electric ranges require no watching... cooking is practically automatic.

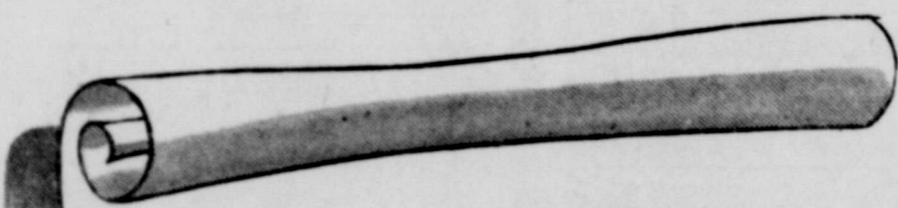

Plan now on doing better cooking... electrically... You'll get more and more enjoyment from cheap electricity in the Panhandle Plains, Pecos Valley Area.

We have nothing to sell but good electric service. You'll find a choice of electric ranges, and other electric cooking equipment at a nearby appliance dealer's.

EDITORIAL

THE GRADUATES
 Consider that after twelve years of preparation, overnight we will be given the finishing touches and almost before we realize it, we will be pushed, dazed and bewildered, into the hustling, bustling, and somewhat selfish world with only school and home training to carry us on. 'Twill be a big moment—the test supreme. Can we make good citizens of ourselves? Can we and will we, take our places in the world? Will you do your part? It's up to you—

GRADUATES
 O. K. CAFE

sped so swiftly. After we walk out of this school next week, and we all hope to be graduates, we shall be shutting the door on one phase of our lives, locking it in our memories and throwing away the key. From that time, we shall be outsiders looking in.

Since we were six years old, we have trod the paths to and fro from the mythical "Little Red Schoolhouse". Then, in a ceremony lasting an hour or so, it will end. We have spent the most formative years of our lives, our childhood and adolescence, in attendance at school. Then, we face the world.

Some of us are puzzled. What are we going to do? Are we going to college? Will we make new friends? What will they be like? All sorts of questions will confront us and we have only a dim conception as to the answer.

Up until now, we have had our parents and teachers to guide and advise us. But not all the people on earth are as concerned with our small and petty problems as they were. Now we will have to think for ourselves and make our own decisions. That will be the test of our stamina, fortitude, and character.

So, as we, the graduates of '48, walk through these halls with a feeling of superiority that we are the "big-shots" of the student body, let us picture ourselves this time next year.

Consider that after twelve years of preparation, overnight we will be given the finishing touches and almost before we realize it, we will be pushed, dazed and bewildered, into the hustling, bustling, and somewhat selfish world with only school and home training to carry us on. 'Twill be a big moment—the test supreme. Can we make good citizens of ourselves? Can we and will we, take our places in the world? Will you do your part? It's up to you—

F Club Initiation Held Wednesday

The F Club held their annual initiation Wednesday afternoon at the club house. The initiation was for

Sincere Congratulations Grads

May graduation day be one of the happiest events in your lives, marking for each of you the dawn of a new day.

the first year football boys. Initiated were Billy Jeter, Herman Galloway, Jerry Thomas, Dan Hagood, Aubrey Guthrie, Leroy Parrish, Hank Haney, Buster Mooney, Hershel Nelson, Lloyd Allen, Johnny Lloyd, Bobby Harless, Bobby Cline, Stanley Conner, and Leroy Burgett. The initiation was enjoyed very much by everybody, especially the F Club members.

This year Floydada won one district championship, was runner up in two other ones, and had one third place. The track team won their third consecutive track championship, and the basketball squad lost to Ralls for the basketball crown. The baseball team also lost to Ralls.

The football squad lost two conference games to come out with third place.

Develop Alcohol-Free Recreation For School Youth

To study scientific facts about alcoholic beverages and develop alcohol-free recreation, eighty-five students of the Floydada High School have organized an Allied Youth Post, Sammy Hale, post president, announced today.

Floydada High School post is affiliated with National Allied Youth, Inc., Washington, D. C. W. Roy Breg, Executive Secretary of the national organization, explained the program in assembly.

Many of the students were interested and, with the permission of Mr. Graves, school superintendent, the Post was organized. Mr. Bill O'Dell is the sponsor.

Suggested recreational programs some of which are for post members only and other for the entire school will be supplied by the national office. These programs aim to prove that high school students can have more real fun without alcohol.

Officers of the new post at Floydada High School are as follows: President, Sammy Hale; Vice-President, Bobby McGuire; Secretary, Roberta Garrett; Treasurer, Hope McIntosh. Committee Chairmen are Athletic, Leonard Grigsby; Social, Mary Maxey; Publicity, Mary E. Hennessey; Program, Bobbie Gene Medlen; Literature, Pat Kirk.

Roving Reporter

Question—"What are you going to do this summer?"
 Bill Smith—Court my girl, put a new motor in the Green Hornet, and play marbles.
 Biff—Get intelligent (no comment on how!)
 Jo—Chase rattlesnakes in New Mexico.
 Colline—Live on a chicken ranch and raise fleas.
 Tye—Raise chickens and count blades of grass.
 Pauline—Catch gnats, pull wings off, and make gnat-wing sandwiches to sell.
 Billie Hopper—Be a jerk and jerk sodas.
 Thada—Test parachutes in a parachute factory.
 Jean Bybee—Going to cut off the tops of trees.
 Margaret Green—Fly to Honolulu and sell bird seed.
 Bill Scott—Cut holes in ice-cream freezers to let the ice water out.
 Doyle Turner—Going fishing with my favorite blonde.
 Tom Bob—Going to Alaska to sell air conditioners.
 Bobby McGuire—Pass a Prohibition Law in Ireland.
 Joe Walker—Start a diaper factory.

James Finley—Going to the North Pole to sell Hulu Hulu Skirts.
 Bobby Robertson—Milk cows.
 Leonard Grigsby—Going to the South Pole, where it's warm.
 Rusty Rucker—Going to Arkansas where going barefoot is in style.
 Wade Payne—Going to work (joke son!)
 Bill Green—Going to spend most of this summer killing dead rattlesnakes.
 Pecos—Going to be railroaded and that's the truth.
 Bob Reeves—Buy abandoned water wells and cut them up for post holes.
 Bobby Kincheloe—Chase women.
 Ann Jones—Learn to fly without an airplane.
 Ted Lanham—Take Miss Swepston's place in teaching summer school.
 Fred Conner—Spend the summer swimming and fishing in Canada with the Eskimos.
 June Dunford—Stay in a swimming pool all summer.
 Virginia Dunn—Never plan to study again.
 Billie Clark—Go to Mexico City.
 Rose Beard—Join the Navy and

sail those cute little boats. Margaret Huckabee—Just to be around the first part and to work the last part.
 Sammy Hale—Buy a jet plane and sky-write my name over Chicago.
 Pat Kirk—Go to Greenland and contract to build ultra-modern ranch-style homes.
 Mava Smith—Going to help my daddy farm in Portales Valley. I'm going to haul all the sand and rocks off.

Ruth Harmon—Take a bath five times a day.
 Bobbie Gene—Work for a change! Margie Latta—Catch up on my sleep.
 Jean Bradford—Going on a vacation in Arkansas!
 Trav—Haul fur clothing to Mexico, and haul tree seed to Washington State.
 Martin Peterson—Buy a three seated airplane and get me two girls—one for a spare.
 Leonard Wilson—Cut the tales off all fish.

Pat Childress—May go to Georgia and get a different kind of man.
 Floyd Lyles—Go to California and get married.
 Leslie Nixon—Make the South Pole a desert.
 Truit Hartsell—Going to Lower Alabama and marry Lena the Hyena.
 Carlene Daniels—Ride on a combine and kill all the dead snakes I see.

Floyce Jarrett—Enroll in the insane asylum.
 Joyce Jarrett—Sing over the radio with Bing Crosby.
 J. D. Helms—Teach algebra in a bathing beauty school.
 Claude Parrish—Go to Alaska and sell ice.
 Leslie Jo Crabtree—Kill and bury flies.
 Garvin Beedy—Make the holes for doughnuts.

HESPERETTE

Continued

Candid Camera

This being the last week of school and Senior edition, the camera is honoring two very well-known and versatile seniors. They are co-directors of the "Hesperette." The camera is unable to focus on one without the other for they are inseparable.

In this case the lucky state was Texas. The lucky town was Floydada. The lucky date June 4, 1931, (due to the slowness of the part of the American people to recognize a celebrity when they saw one, a national holiday was not declared until exactly one month later.) The very lucky people were Mr. and Mrs. O. W. Kirk. The lucky occasion was the late arrival of a tiny nymph-like baby who weighed only seven pounds. This baby had very black eyes and lovely golden hair.

Once again the date is May, 1948 and our nymph-like baby is still nymph. However, there have been several changes in her. She isn't red-faced as she was to begin with. She has a fair complexion with naturally rosy cheeks. Her hair is still golden but is extremely long being more than half way to her waist. Her eyes are no longer black but are deep chestnut brown. She is a very attractive person with a radiant and distinctive personality.

Who am I talking about? You don't know. Well, it's a girl who has been in the public's eye for several years due to her musical ability. May I present Miss Patricia Gail Kirk.

Undoubtedly Pat is the most changeable and unusual person I've ever known. Her lipsticks vary according to her mood, color of clothes, and when it's to be worn. Her basic shades are Revlon's "Bachelor's Corridor," and "Silver Slipper," Corday's "Brilliant," and Arden's "411." The same applies to her perfume. Her favorite for evening and extreme dress is Corday's "Toujours Moi." Her favorite semi-dress perfume is Elizabeth Arden's "Blue Grass." For street and sport wear, she has too many favorites to mention. As for fingernail polish, she prefers clear for school wear, colors to match the shade of lipstick for dress wear. Due to her lovely complexion with its natural rosinness in her cheeks, she wears only powder for make-up. She likes Elizabeth Arden's "Natural" best for this purpose.

Pat, like Polly, has several different nicknames. The most outstanding of these is Pat, with Kirkie, Petunia, Trisha, Snootche, and Pejee.

Our subject is a very well-dispositioned girl with the exception of the fact that she has an Irish temper. She is very quick to fly off the handle and spouts nothing but fire and steam about five minutes. Then everything is calm and all is forgotten. By the way, she's Scotch also. In fact, the name Kirk in Scotland means Church.

As I have said, she is a very moody person. She doesn't have any favorite type of clothes; she just wears the type that suits her mood. Her favorite color is black with a bright color trim. She says that technically black is not a color, but people like her best in it and therefore, she wears it most.

Kirkie's most embarrassing moment was on her second visit to New Orleans. Carol Street is the main street in New Orleans, and on every other block there is a cross street. Pat decided to cross at an in-between-block in a car. All traffic was stopped and the policeman just put his hands on his hips and stared. She drove unconcernedly across the street with a neon-red face.

The most important thing in Pat's life is music. It has been most important for ten years. She loves some of every kind of music. She cares least about hill-billy and likes semi-classical best. Her love song is "All the Things You Are" (the Glee Club sang this for her graduation recital). She does all her work by music, drives, eats, and sleeps to music.

Her hobbies change as often as the moon. Mainly its collecting records but, as a sideline, she works on her hopechest, collects miniatures, good books, and enters contests. Her favorite time of day cannot be decided on. She loves twilight and she likes about 11:00 at night on. The most wonderful music comes on over the radio at that time. She adores watching the sun rise and loves the time between

day and night.

Pat's likes are too many to mention, but I will name a few - mountains, Eve Arden, mint juleps, movies, "pink ladies", to tease John Carter, snub toe shoes, dusk, bangs, ride horses, sunrise, naughty books, twilight, Olaf Svenson (a Swedish friend, to fly an airplane, Bing Crosby, and New Orleans, anything edible. These are Pat's likes. She loves dimples, music, anything old-fashioned, chewing gum, traveling, and best of all, Polly.

She has no pastime because she says she's so busy she doesn't have time for a pastime.

Pat has a definite mania for touching anything that has a sign on it saying "Please Do Not Touch-Wet Paint". She loves feeding anything that says "Please Do Not Feed", and she loves waving at train engineers. But most of all, she loves to honk horns in underpasses that have a sign "Please Do Not Honk Horn". Her pet aversion is an English car with the steering wheel on the right side. She says, "They just make me hurt all over!"

It's very hard for Pat to make up her mind about her "favorite anything," but after much consideration, Ingrid Bergman, Greer Garson, Spencer Tracy, and Gregory Peck head the list for stars. She was unable to decide about her favorite movie; she likes nearly all of them.

Pat says maybe she's just not ambitious, but the only thing she wants to be is a good wife and a good mother (I think she will be). Pat hates modern art. She dislikes photographers, fur coats and diamonds (unless they're of the finest quality), Salvador Dali, poky reporters, Ibsen's plays.

Pat has a bad habit of taking words out of Polly's mouth. Her statement concerning this is, "It's unsanitary".

Pat likes to go to school and likes J. B. T. best of all her subjects. She is most loyal to F. H. S. and University of Texas. She's going to enter the University June 2 for the summer term. It is her childhood dream come true.

Pat has taken music for ten years and has developed into a remarkable pianist. She recently won a trip to New York with all expenses paid. She won first place in the Wichita Falls auditions. She sings quite well, too. In fact she's mighty musical!!!

As for an ideal boy, she says she doesn't have one, but the qualities she wants in a husband are admirable. She would like for him to smoke a pipe. He must not drink or swear. She would like for him to be a good member of a church. She would like him to be thoughtful and considerate of others and be polite and gracious. He should be intelligent and have average education. Above all, he must have an appreciation for music and appreciation for things she likes to do. As for his physical features, they are a very minor matter. (P. S. She's not ready to get married, but she's still looking!)

Pat says she doesn't have an ideal day. She says in the long run almost every day is ideal for her.

In conclusion, we of F. H. S. would like to wish the very best of luck to these two "twins." They deserve it. With their wonderful sense of humor, their likeable personalities, and their friendly word for everyone, they have certainly enlivened F. H. S. We're sorry to see you go and we're going to miss you -- both of you. Good luck!!!

Candid Camera

The Lucky state was Texas. The lucky town was Estacado, and the lucky date was January 2, 1931. The very lucky people were Mr. and Mrs. P. A. Denison. The happening that made everything so lucky was the arrival of a small, red faced, blue eyed, little vixen.

The date is May 27, 1948, and the little vixen is still a little vixen. She's not red faced any more. In fact she has beautiful fair complexion. She is no longer bald but has a mass of curly blonde hair. Her eyes are no longer blue but are hazel which rapidly turns grey if this vixen is angered.

She now weighs 124 pounds and she didn't when she was born and is five feet three and one half inches tall, and I call your attention to the fact that she was not this tall at birth.

Now that I ponder on the matter the only thing that hasn't changed is the little girl's name. She was christened Sybil Pauline Denison and has remained so for seventeen years.

She now wears lipstick, Revlon's

"Scarlet Slipper". You wouldn't call her "Tomboyish" but she just flat isn't a helpless female. Her favorite clothes are slacks and loud jackets, anklets, and loafers. She has several nicknames; to name a few Polly, Denny, Plink, Speedy, which she doesn't live up to derived from S. P. D. her initials well blurred. Last but not least is Plum only a favored few can call her this.

Polly's pastime is reading. Plink's favorite book is "The Black Rose" and her favorite author is Thomas B. Costain. She has a close second. As I said, Polly isn't a tomboy but she adores indulging in wrestling with Pat which she has stopped since Pat's accident.

Polly is very musical. She likes all sorts of music except hill-billy. She can't decide which song she likes best, but her three top tunes are "Old Devil Moon", "You and The Night and The Music", and "Night and Day". Her hobby is also musical. She loves to play her spoons and attempts to play her accordion.

Denny indulges in many sports and thoroughly enjoys them. She enjoys watching football and loves seeing the Whirlwinds play.

Polly is very loyal to F. H. S. She likes going to school and as for subjects, she doesn't have a favorite. She says she doesn't like any of them but undoubtedly this is a falsehood for Polly has indeed, among the highest grades in school. Her favorite teacher is one who is very stubborn at times. She will not allow certain articles to pass the paper. Therefore we shall have to keep you guessing. Her favorite teacher is one of the senior sponsors, "Hesperette" Sponsor, Whirlwind Annual sponsor, and one of the sponsors of the Social Club.

Polly adores hearing Bing Crosby (See Candid Camera, next page)

Success To The Graduates of 1948

We wish you luck in all your future endeavors.

VIDEO CAMERA—

Gunny Sims sing. She thinks the Goulds arrangements of are out of this world. Polly likes her ambition is to be a personal whistler and at the same time she shouldn't be hard. Denny likes to listen to music as sort of a third.

She isn't an excitable person, but she had a few exciting moments. She had the greatest thrills she has had while riding the roller coaster at the Dallas Fair last year. Of course it could have been that she fell out three times that day.

Her list of favorites - perfumes, "Blue Grass", and "Indiscrete"; color, blue; food, fried chicken, and time of day, 11:00 p. m.

Her likes are varied. To mention a few, she likes fried okra, times, chill with milk in it, Antonio, to argue, listening to classical records, Bing Crosby, words, chewing bubble gum in the P.M., movies, Friday, the month, chocolate fudge, being with Pat, Habarena from Carver, whole people with a sense of humor, "Rhapsody In Blue," playing her clarinet - a few more.

Her ideal day would begin at 10:00 in New York. She would loaf until 12:00 when she would eat lunch.

spent at movies. She loves Larry Parks and June Allyson and was crazy about "Gone With The Wind". Plink's most embarrassing moment happened on a train. She was en route to Kingman, Arizona, and was waiting in the line to the diner. She was standing by the ladies lounge. A woman entered and caught Polly's skirt in the door. The woman turned a deaf ear to all of Polly's pleading to open the door. (Richard). The lady finished putting on her face before she conceded to open the door. Need I add more?

Plum (I'm one of the favored few) has a terrific mania for straightening crooked pictures. She cannot stand the sight of them; she just has to straighten them.

The most enjoyable thing in Plink's life is Pat. She takes up more time than anything. She is more fun than anything, and meaner than anything.

Polly's dislikes are not as few as her likes. She dislikes conceited people, studying, blue and green together, her receding chin, reporters who don't get articles in on time, wearing glasses, sober-minded people, crooked pictures, and nose people.

Her ideal boy is five feet and eleven inches, weighs 160 pounds, has blond wavy hair, brown eyes, good personality, puts people at ease, clear complexion, dimples, and is intelligent.

Her ideal day would begin at 10:00 in New York. She would loaf until 12:00 when she would eat lunch.

For lunch she would have tuna fish sandwiches, potato chips, iced tea, and chocolate cake. She would listen to records and read until 4:00. Then she would go to Pat's and beat her at ping-pong until 6:30. At that time she would go to her hotel and dress for her date at 7:30 when her ideal boy would come for her. They would go to Town Hall where she would make her whistling debut with Pat as her pianist. They would fool around after the concert until 12:00 when her ideal boy would return her to her hotel. She would read in bed until 1:00 and would go to sleep.

Polly is a very popular girl in school, and she is a member of many worthy organizations. She is co-editor of the Hesperette, member of the Glee club, Social Club, Sweet Sixteen, and Allied Youth.

**11 Years Hence
What Then, in 1959?**

It is the year of 1959. Let's all take a trip and see all our friends that we went to school with at dear old Floydada High school. In May, 1948, we predicted what each would do for his life's work. Now we shall see how accurate we were then.

During this period of ten years we will find a change in all our friends.

Our first stop will be in South Bend, Ind. Yes, you've already guessed what we will see here. Bobby McGuire is head football coach of Notre Dame. He is married now, and guess who the lucky girl is? It's Billie Hopper. They are doing fine. Oh yes, we might as well meet their maid before we go. It's none other than Margaret Green. She has been with them for three years, and she really enjoys her work. Oh, we nearly forgot, Thomas Amburn and Leonard Grigsby are playing football for Notre Dame. Ruth Harmon is on her way from Hollywood to South Bend to see Thomas. She has just finished the picture, "The Rains Came". She was one of the "drips". By the way, guess who the chemistry teacher is. Yes, it's Trav Jones. Trav tries to keep an orderly class. He always tells his pupils about the chemistry class that he was in when he took chemistry in high school; it was so quite and well behaved.

We must travel on because the time is passing fast. How about going to Miami, Florida? I think this is where Sammy Hale lives. I also heard that he wasn't doing a thing. He inherited a five acre farm from some of his relatives. No, Sammy isn't married yet, but there will be a bride soon. Bobbie Gene is the bride-to-be. Valrie Burke, Biff Sisson, and Jo Muncy live nearby. They are old maids and live across from the old bachelor's quarters. One of our other classmates also lives here. Bill Smith finally got out of school and is now a life guard. He remembers the Senior picnic back in 1948 and his blistered back. Bill is still a "wolf". I wonder if that man will ever settle down? His latest girl friend is Patricia Kirk, who is still studying music.

I think it is time to go see Margaret Huckabee. She is the wife of the principal at a small school in Nashville, Tenn. Oh, I nearly forgot the principal is Wade Payne. They have two children, a boy and a girl. They are all very sweet. Margaret has employed a part time wash woman, who is Pauline Denison. Wade has a gardener; it is an old friend, Doyle Turner. Don't tell anyone, but I think Pauline and Doyle are to be married soon. Bobby Robertson is going to marry them. He is a preacher of one of the churches in Nashville. If everybody likes, we can charter a plane from Nashville; Garvin Beedy is one of the pilots here.

Did someone say they wanted to go through Missouri and see Dorothy Anderson, Billie Clark, and Virginia Dunn. I guess you know they are still old maids. They live on a chicken farm and are doing quite well I have heard. Margie Latta and Truitt Hartsell live near by. I'll bet you can never guess what they are doing. You won't believe it, but they are raising alligators.

Let's hurry on, I'm anxious to get back to Floydada, Texas. These ten years seem like a life time. We might stop in Dallas, Texas, and see Carlene Daniel. She is a clerk in a variety store, owned by Reuben Whitfill. Reuben finally got the courage to pop the question. I heard that Rose Beard refused him the third time.

Here we are in Floydada. Yes, home again. I wonder who that is standing over there? Why it's Kenneth Hart. He is now sheriff of Floyd County. A good one too. I thought Betty Lou and Jim were going to meet us here at the airport. They did get married and are living on the farm, doing quite well I have heard. Look, there's some of our old classmates over there. Joe Walker has the bakery now. There's Floyd Lyles. He is a farmer. While we are here, we can go see Clara Pollan. She finally got her man.

The school is still here; although it does look different. Miss Swepston is still teaching English IV, and Mr. Barber is teaching agriculture. Mr. Graves has retired and Fred Conner is the superintendent. Claud Parrish is principal. Mava and Martin are married and living on Martin's farm at Sand Hill. Bobby Kincheloe is principal and teacher at Lakeview. Ted Lanham is teaching piano lessons at his studio on California street. James Pinley is manager of Piggly Wiggly. The Jarrett twins are married and living at South Plains. Pat Childress owns a grocery store at South Plains. Leonard Wilson and Billy Green are still playing the field. I don't guess they will ever settle down.

It's about time to venture on. We can go through Lubbock and see J. D. Helms. He is now running a doughnut stand. Doris Vinson also lives in Lubbock, and she is a successful house wife. Colline Ardry is teaching at Texas Tech. Billy Scott is still going to Tech. I think this makes about six years. Robert Reeves is working in a motorycle

Congratulations All

The following students are to be congratulated for they are the honor roll students for this spring semester. To attain this place of honor, each student had to make a semester average of 85 in every subject and an average of 90 in department. Please excuse us if any person's name is omitted for the error was an oversight.

Freshmen:
Katy Collier, Doris Foster, Dorothy Foster, Juanita Huckabee, Margie Herring, Ruth Maxey, Billie Newberry, Peggy Parkey, Estelle

shop. Elmer Rucker is trucking for his father.

Time is passing so we must go on. Let's see how about Helena, Montana. I've heard that Thada Lackey is working on a ranch. I think she is breaking horses. June Dunford and Ann Jones are cooks on the ranch. Leslie Jo Crabtree and Jean Bradford are working at Montgomery Wards in Helena.

Our next stop is Los Angeles, California. Tom Bob Jarboe is a gardener for Van Johnson. Carroll Womack and Eugene Mayfield are working in a candy factory. Leslie Nixon is working on a farm raising bantam chickens.

All of our time is gone and we must go back to our homes in South Bend, Ind. Times have changed so that this seems like a dream. We will try to see you all again in another ten years.

Richardson, Elaine Snodgrass, Beth Smith, Mary Ann Wilson, Walter Anderson, Stanley Conner, Aubrey Guthrie;

Sophomores:
Doris Hollman, Joy Bunch, Ruth Beedy, Velma Briggs, Peggy Collier, Billie Chowning, Grace Muncy, Betty Johnson, Genelle Norman, Mary Alice Plumlee, Gloria Ratjen, Geneva Richardson, Sammy Shultz, Barbara Marshall, Molly French, Dan Hagood, Don Probasco, Jimmy Powell;

Juniors
Bradford Beedy, Lonnie Cates,

Melvin Dunavant, Gene Jackson, Bob White, Jennie Chowning, Roberta Garrett, Christeen Jones, Wilma Hamilton, Verna Laster, Barbara Landers, Mary Maxey, Hope McIntosh, Virginia Odam, LeRoy Burrett, Billy Joe Smith, Buddy Sanders, Billy Mac Shipley, Harvey Dale Tardy;

Seniors
Dorothy Anderson, Jean Bybee, Leslie Jo Crabtree, Pauline Denison, Margaret Green, Margaret Huckabee, Ruth Harmon, Margie Latta, Bobbie Medlen, Doris Vinson, J. D. Helms, Ted Lanham, Floyd Lyles, Leonard Grigsby, Charlene Perry.

Gladys Roberts, Fern Stovall, Ivy Pearl Simmons, Joyce Nell Womack, Billy Scott, Leonard Wilson, Joe Walker.

Congratulations to you!
A girl may wear a golf outfit when she can't play golf, and a bathing suit when she can't swim, but when she puts on a wedding gown she knows what she's doing.

Next time the wife uses our razor for sharpening a pencil we're going to remember that powder puffs make fine shoe shiners.

WITH A FUTURE FULL OF HOPE

It's a big day for everyone—family members, interested friends, and most of all—the graduates.

It's the culmination too of years of patient planning, countless little sacrifices and economies that Mother and Dad underwent to give daughter or son a high school education. But it was worthwhile and the students have reached the goal they have so diligently worked for. We extend our congratulations to each of you and wish you the best of everything.

JEWELER

Remember
DECORATION DAY

MAY 30TH

Let us remember not only those who fought and died for peace and freedom, but also for those who fought for the home and community.

REMEMBER THEM ALL ON THIS MEMORIAL DAY

Sunrise services in the cemetery. Meade F. Griffin, of Plainview, will memorialize the dead.

Memorial services in the evening at the First Baptist Church. Rev. Lloyd H. Jones will bring the message.

We have endeavored to put the cemetery in proper condition for this occasion.

Class Prophecy

This is our prediction for the various members of our class.

THOMAS AMBURN is going to sing bass in an outstanding quartet.

RUTH HARMON is going to be a wash-woman.

BILLIE CLARK will help Ruthie make the starch.

LEONARD GRIGSBY will become a great musician.

BILLIE HOPPER is going to be an old maid school teacher.

BOBBY KINCHELOE is going to be the janitor at the Lakeview school.

JEAN BYBEE will become "Miss America" in 1951.

COLLINE ARDRY is going to get married and have a large family.

EUGENE MAYFIELD is going to get out of shape.

FLOYCE JARRETT and JOYCE JARRETT will be a fan dancing team.

OVAY ODEN will become an artist for Calendar Covers.

PAT CHILDRESS will become a preacher's wife.

CLAUDE PARRISH will become a piano tuner.

TED LANHAM will be president of Wayland College. Will poison third wife.

MARTIN PETERSON will become a clothier.

ELMER RUCKER will become a salt and pepper shaker salesman.

JO MUNCY will become a professional trick roper.

MARGIE LATTA will become a photographer.

ROBERT REEVES will become a leathercraft worker.

BOBBY ROBERTSON will make tools that Bob uses for his leathercraft.

MAC SMITHERMAN will become a china shop proprietor.

THADA LACKEY will help Mac sell his china.

PAULINE DENISON will spend her life by writing a new dictionary with new words. Will whistle as a side line.

ANN JONES will become a great aviator.

BOBBY PLUMLEE will hold a public office like his father.

CARROLL WOMACK will become a great football player.

LESLIE NIXON will be a great athlete at playing volleyball.

ROBERT McGUIRE will become a chain store operator.

CARLENE DANIEL will become a model in New York. Will marry for money.

BILL MOONEY will be a door knob salesman.

BOBBY MOONEY will be a business dealer.

FLOYD LYLES will be a great scientist and discover how to make people invisible.

VIRGINIA DUNN will be a great tennis star.

TOM BOB JARBOE will be a great actor.

KENNETH HART is going to be a florist.

JUNE DUNFORD is going to raise gourds and paint them for home decorations.

WADE PAYNE will be a doctor.

BOBBIE GENE MEDLEN will be a baby sitter.

CLARA POLLAN will be a farmer's wife.

DOYLE TURNER will grow taller and be called "Shorty".

BILLY SCOTT will be the vocalist of Billy Rose's Night Club.

MAVA SMITH will be private secretary of the President of the U. S.

MARGARET HUCKABEE will become a city mail carrier like her father.

LEONARD WILSON will become a dentist and open an office in New York.

REUBEN WHITFILL will be a great veterinarian and will run a dog and cat hospital.

JOE WALKER will become a test pilot for T. W. A.

BILLIE FRANCES SISSON will become a professional Drum Majorette.

MARGARET GREEN will teach English in Wayland College.

PATRICIA KIRK will become a famous eye specialist.

LESLIE JO CRABTREE and J. D.

HELMS will get married and run a helplessly laundry.

SAMMY HALE will become a great sky-writer.

TRUITT HARTSELL will make millions as a wheat farmer.

JEAN BRADFORD will be assistant secretary of the secretary of the Secretary of State.

BILLY GREEN will be one of the world's most successful mechanics.

JAMES FINLEY will be owner of all Piggly Wiggly stores.

ROSE BEARD will play Santa Claus in a department store every year at 4th of July.

FRED CONNER will be a very successful traveling salesman for No-Drip ice cream cones.

DOROTHY ANDERSON will be fountain manager of all Rexall Drug Stores.

GARVIN BEEDY will be a brother-in-law to Clara.

DORIS VINSON will appear in circuses as "The Hiccoughing Hick."

TRAV JONES will be a great old magnate and will marry four times. Last wife will shoot him.

BETTY LOU TYE will become poet laureate of U. S.

FASHION OF THE WEEK

This week the fashion is to have a graduation gift in both hands.

The Seniors are running around everywhere with a gift in both hands. Pretty wrapping paper is everywhere with bright colored ribbons waving in the cool breeze.

So, to be in fashion this week you have to have a broad smile from receiving a graduation gift from one of your favorite friends or a card saying sweet little words to let you know they are glad you finally made it out of school.

MILK-MADE TWINS of CREAMLAND

Gen. Grant, California's giant tree is 35 feet thru authorities agree "Monarch of the Forest" it's rightly named. Another reason why California's far-famed As Gen. Grant towers over the forest Our Milk towers over the rest That's why every day more people repeat: Patton's Dairy simply can't be beat.

PATTON'S DAIRY

MORE HORSES!

More and Better Electric Service for More People of Floydada!

Received and now being installed is the new Cooper-Bessemer Engine to double the power plant for Floydada customers, as per the mandate given by the people of the city!

Eight years ago you began the operation of the taxpayer-owned power and light plant in Floydada. Its operations have been marked by a steady growth in demand and steady growth in the service which the power and light division has given.

Now the capacity of the plant is being doubled by the addition of this tremendous new engine, which will, with its switch board double the capacity of your light and power plant.

It is being installed now. Ordered more than a year ago it represents the latest development in production of electric energy.

This New Engine Is Not a Replacement Unit

It Is An Addition!

It represents growth and development for Floydada. It is demanded by your patronage. It will fill a real need in this community. It will make possible extensions and more service to more people. It will help give more employment to more workmen who make their homes here. It will require no more plant personnel but it does make more volume for future development.

This new unit, due to be put into service this fall, is yours, if you are a taxpayer in Floydada. It is a part of the savings and the profits you have made in eight years. It does not represent a charge against your property. It represents an investment that you are making. It is in keeping with the times.

Another good reason why you'll be glad you supported home industry.

*Power & Light Division
City of Floydada*

HESPERETTE

(Continued)

Annual Assembly Program is Given

The last assembly program of the year was given Thursday, May 20, in the Glee Club and Speech Room. The program presented a varied program. The program was begun when the Glee Club sang "Star Spangled Banner" and "Old Devil Moon". Then Williams sang the solo while the chorus provided a humming background. Bill Smith then delivered a monologue titled "Brother Brown Preached A Sermon On The War". This was followed by a rendition of "Charmaine" by

the Glee Club. Barbara Marshall then instructed the girls on "How To Get Married". The choral group next sang "All The Things You Are". Johnny Lloyd then presented "Georges First Sweetheart" and was followed by the group's rendition of "Four Leaf Clover". The audience joined in on the chorus of the song. Ruth Riggles then told the audience all about "Aunt Jemimah's Courtship". Next a quartet consisting of Sammy Hale, Thomas Amburn, Ted Lanham, and Gene Dale Jackson sang "At Worship" and "Standing In The Need of Prayer". This was followed by "I'll See You In My Dreams". This was sung by the Glee Club with Ruth Harmon as soloist. The final number was the School Song which was sung by both the group and the audience. The program was a very fine one and everybody enjoyed it immensely.

Seniors of Choral Group Most Helpful

This year much help has been given to the Glee club by the seniors. Most of the seniors in the club have fine voices and have been definitely beneficial to the group in many ways. Those senior girls who are members of the club are Pat Kirk, secretary; Pauline Denison, Ruth Harmon, Ann Jones, Bobbie Gene Medlen, and Billie Frances Sisson.

Sammy Hale, president; Thomas Amburn, Fred Conner, J. D. Helms, Tom Bob Jarboe, Trav Jones, Ted Lanham, Claud Parrish, Elmer Rucker, Billy Scott, and Joe Walker make up the senior boys who are in the club.

Several of the seniors were in the original "Sweet Sixteen" Choral group. They are Pat Kirk, Pauline Denison, Ruth Harmon, Bobbie Medlen, pianist, Sammy Hale, Thomas Amburn, Fred Conner, J. D. Helms, Ted Lanham, and Trav Jones.

The lower classmen are very glad to have been able to work with the seniors and have enjoyed working with them very much. We only hope that we can make as much improvement and advancement next year as they did this year. It has been a pleasure singing with the seniors of '48.

Band Pays Honor To Senior Members

Since this is senior week and also the last week of school, the band would like to honor its seniors this week. The band is very proud of their seniors and their accomplishments.

Biff Sisson is president of the Whirlwind band this year. She was a Chickentette last year. Biff has been in the band for two years, and she is the little lady that leads the band on parade.

J. D. Helms is vice-president of the band. He really knows how to make the clarinet play. J. D. Helms has been in the band for two years. He was the announcer for the Happy Robert's orchestra.

Jo Muncy was a new comer to the band this year; nevertheless she is quite famed for her ability to twirl the rope and baton. Jo was also a twirler the past year.

Ted Lanham has been in the band for the past two years. He is a very capable bass drummer. He was the announcer for the "Chick Lambert Orchestra" and is drummer for "Happy Robert's Orchestra."

Ruth Harmon is also a new comer in the band this year, but she can really play a saxophone.

Joe Walker was one of our color-guardians this year. He was also a very dependable manager for "Happy Robert's Orchestra". This made Joe's first year in the band.

Bobby Plumlee was another member of the color-guardians. He also helped Joe manage the properties of the band.

The band wants to wish each of its seniors luck in the coming years. They have made swell band members and the band is very proud of them.

WHO'S WHO OF THE SENIORS

Travis Jones: President, Football four years, F. F. A. four years, Track three years, Chemistry Club one year.

Norma Carpenter: Secretary, Music Club two years, Social club two years, Pep Squad three years, Glee Club one year, Spanish Club one year, Chemistry Club one year.

Tom Bob Jarboe: Vice-president, F. F. A. four years, Football three years, Track three years, Chemistry Club one year.

Patricia Kirk: Reporter, F. H. A. two years, Spanish Club two years, Pep Squad three years, Music Club three years, Glee Club one year, Chemistry Club one year, Social Club one year, Hesperette Co-Editor.

Thomas Amburn: Treasurer, Football four years, Track three years, F. F. A. two years, Chemistry Club and Glee Club one year each.

Claud Parrish: Football four years, Track two years, F. F. A. one year, Glee Club one year, Chemistry Club one year.

Bobbie Gene Medlen: Pep Squad four years, Hesperette and annual staff one year, Glee Club pianist, Music Club pianist, Social Club Spanish Club, and Chemistry Club one year each.

Ruth Harmon: Class Queen, Social Club two years, Music Club three years, Pep Squad three years, F. H. A. one year, Band one year, Hesperette Staff and Annual Staff one year.

Leonard Grigby: Football four years, Basketball four years, Track three years, Boxing two years, Glee Club one year.

Sammy Hale: Football five years, Basketball two years, Tennis two years, Glee Club and Civics Club president.

Doris Vinson: F. H. A. two years, Librarian four years, Pep Squad one year, Thespians Club one year, Social Club two years.

Robert Reeves: F. F. A. Area President and District President, Track one year, Boy Scouts two years.

Margaret Huckabee: F. H. A. four years, Pep Squad three years, Salutatorian, Annual Co-Editor.

Billy Dave Scott: Football one year, Boxing Manager one year, Science Club one year, Best Citizen Award one year, Glee Club and Chemistry Club one year each.

Fred Conner: Football four years, F. F. A. three years, Chemistry Club president, Glee Club one year, Track two years.

Betty Lou Tye: Home-coming Queen, Pep Squad four years, F. H. A. one year, Music Club two years, Social Club two years, Civics Club one year.

Elmer Rucker: Football two years, Glee Club one year, Track two years, Basketball two years, Chemistry Club one year.

Margie Latta: Chemistry Club one year, F. H. A. two years, Pep Squad one year, Girl Chorus one year.

Aggies Get Money For Trip to Kaysee

Raising money for a summer encampment is the activity of the week for all Aggies and prospective Aggies. The Southern Agriculturist is sponsoring a free train trip to the National F. F. A. Convention at Kansas City, Mo., in October and if the Chapter sells one hundred subscriptions at one dollar each, the local Chapter may keep twenty per-cent; then the magazine sends the boy elected to go thirty dollars and furnishes everything on the trip. The Floydada Chapter has agreed to send the boy who sells the most subscriptions. Boys who are eligible to sell and compete for the trip will have a letter of introduction from Mr. Barber, their advisor.

The following boys are the winners in an essay contest, "What Soil Conservation Means to My Community". These boys were awarded prizes at an achievement

Baseball Club one year, Physical Education Club one year.

Pauline Denison: Music Club three years, president one year, Glee Club one year, Social Club one year, Pep Squad one year, Hesperette Co-Editor, Civics Club one year, Spanish Club one year.

Billie Hopper: 4-H Club two years, F. H. A. one year, Pep Squad two years, Social Club one year, Hesperette two years.

Garvin Beedy: 4-H Club three years, Scout four years, Track one year, F. F. A. two years, Football one year.

J. D. Helms: Honor Boy, Band two years, Music Club, Glee Club, Chemistry Club, and Dramatics one year.

Billie Frances Sisson: Drum Major two years, Pep Squad two years, Social Club two years, Civics Club F. H. A., and Music Club one year each.

Rose Beard: Freshman Class Queen Social Club two years, Hesperette Typist one year, F. H. A. three years, Librarian two years.

meeting held in the Hilton Hotel, Lubbock, Texas, Tuesday at 1:30. The boys that got the awards are Robert Reeves, Bradford Beedy, Hershel Irwin, Harvey Dale Tardy, Don Shurber, Douglas Whitfill, Leonard Wilson, and Billy Joe Smith.

GIFT FOR MRS. GRAVES

Friday morning, May 21, Mrs. Graves was presented with a lovely gift. Mrs. Graves was the director of "John Doe", and it was the "John Doe" cast, Mary Maxey, and Jen-

nie Chowning who gave her the gift. Mrs. Graves wishes to express her deep appreciation of their thoughtfulness and to say it was a pleasure to direct them.

Be wise—Advertise.

You Can Imitate, BUT You Cannot Duplicate!

There is no substitute for quality, so we are complimented when others try to imitate our dairy Products. We were the first dairy plant in Floyd County to introduce homogenized milk, the handy square bottles and the sanitary caps, but—we are not selling bottles and caps—we are selling milk! What is inside is what counts!

You can rest assured our dairy products are produced clean, processed clean and bottled clean.

Insist on "Lyndale" for Quality!

Floydada Must Keep Clean!

In a letter from our governor as of May 15, addressed to all county judges and mayors he informs us that more polio cases have been reported in the state than ever before in the same period of time.

It is imperative, he says that we improve in our sanitation work in the community, home, and personal sanitation.

Three years ago we asked you to clean up and stay cleaned up and most of our people have done that very thing and we certainly do appreciate your co-operation. Of course a few have not done anything toward getting their premises in order which makes it bad on their neighbor and may spread disease. May we insist on that few cleaning up their alleys and places in general so that we may have the cleanest and healthiest little town on the plains.

Please take time to read the following:

TEXAS STATE DEPARTMENT OF HEALTH

Geo. W. Cox, M. D., State Health Officer

Suggestions Regarding Control of Poliomyelitis (INFANTILE PARALYSIS)

The primary way by which the virus of Poliomyelitis is transmitted from person to person has not been definitely determined. Some think that it is spread by direct contact through droplet infection of the nose and throat. Others believe that the primary mode of transmission is by way of the gastrointestinal tract through ingestion of contaminated food or drink. It is also possible that flies, mosquitoes and insects may be important factors in the dissemination of this dreaded disease.

Since the exact way in which Poliomyelitis is spread has not been determined, preventive measures against all possible sources of infection should be taken when this disease is prevalent. The following suggestions should be taken during the summer and fall months when Poliomyelitis is more likely to occur:

1. When suspicious symptoms (headache, undetermined fever, vomiting, drowsiness, stiffness of neck or back) appear, a physician should be called at once.
2. Sudden chilling and over-exertion should be avoided.
3. Elective surgery involving the nose and throat should be postponed.
4. Good personal hygiene, especially of children, is very important at all times.
5. Children should avoid crowds and sick persons when Poliomyelitis is prevalent.
6. Individual home sanitation should be perfected to include approved water supply, waste disposal and proper control of insects, especially flies and mosquitoes. Raw fruits and vegetables should be cleaned well before using. Garbage containers should be covered at all times.
7. Community sanitation should be rigidly controlled the year around. The following recommendations are offered:
 - a. Approved water and sewerage systems.
 - b. Proper disposal of garbage and other waste products.
 - c. Sanitary supervision of public swimming pools.
 - d. Adequate supervision of all food handling establishments in order to assure compliance with State Food and Drug Laws, especially regarding sterilization of dishes and utensils.
 - e. Elimination of flies, mosquitoes, insects and rats as far as possible by use of DDT and other approved chemicals.
 - f. All milk for sale should come from approved sources.
 - g. Consult your local city or county health department whenever you need advice in a matter of sanitation or public health.

Mayor of Floydada

Class Will Make Important Bequests

We, the members of the graduating class of 1948, do hereby bequeath these our talents and outstanding possessions to our successors in this last will and testimony.

Rose Beard wills her ability to get along with men to Joyce Womack.

June Dunford wills her neatness to Ruth Rigles.

Margaret Huckabee wills her place as salutatorian to Virginia Odum.

Joyce Jarrett wills her noisy disposition to June Powell.

Floyce Jarrett wills her shyness to Gladys Roberts.

Bennie Bybee wills her intelligence to Verma Laster.

Leslie Jo Crabtree wills her promptness to Joy Jackson.

Billie Clark wills her size to Margie Jones.

Virginia Dunn wills her boyfriend to Maxine Thornton.

Colline Ardy wills her soberness to Juanell Williamson.

Biff Sisson wills her part of the school to the poor lower classmen.

Bobbie Gene Medlen wills her pepleading to Jennie Chowning.

Ruth Harmon wills her acting ability to Billy Freeman.

Margie Latta wills her politeness to Evelyn Holder.

Jo Muncy wills her figure to Ann Hopper.

Dorothy Anderson wills her hugeness to Arlene Beedy.

Pat Kirk wills her musical ability to Don Probasco.

Betty Lou Tye wills position as head cheerleader to Christeen Jones.

Doris wills her warm place in Mrs. Thomas' heart to Mary Dee Cozby.

Mava Smith wills her accomplishment in Algebra II to Wanda Duke.

Clara Polhan wills her ability to catch a man to Barbara Marshall and her monologue.

Thada Lacky wills her cunningness and philosophed technique to Hope McIntosh.

Ann Jones wills her freckles to Mary Maxey.

Billie Hopper wills her many boyfriends and exemption grades to Ivy Pearl Simmons.

Wanda Huckabee wills her walk to Claude Goen.

Venita Green wills her consistency and promptness to Wilma Hamilton.

Carlene Daniels wills her temper to Roberta Garrett because she doesn't have one of her own.

Pat Childress wills her meanness to Jane Frizzell.

Jean Bradford wills Barbara Landers her complexion.

Margaret Green wills her smartness and walk to Lorena Williford.

Pauline Denison wills her whistling ability to Teddy Assiter.

Pat Kirk and Pauline Denison wills their editorship of the paper to Gene Dale Jackson.

Bill Smith wills his false teeth to John Moss.

Thomas Amburn wills his position as center to Barry Rowson.

Ted Lanham wills his bass drum to Bob White.

J. D. Helms wills his long hair to Fred Marble.

Claud Parrish wills his back table in chemistry lab to Deral Young.

Reuben Whitfill wills his English IV book to Weims Norman.

Billy Scott wills his beautiful tenor voice to Gene Dale to go with his bass voice so he can sing duets.

James Finley wills his big feet to Herman Galloway.

Leslie Nixon wills his position as tackle to Gerald Smalley.

Floyd Lyles wills his chewing gum to O'Dell.

Joe Walker wills his position as rifleman to Brad Beedy.

Leonard Wilson wills his suntan to Leroy Parrish.

Travis Jones wills Gladys Roberts

to Don Boothe.

Truitt Hartsell wills his brains to Ivy Pearl Simmons.

Fred Conner wills his quietness and attention in Chem. class to June Powell.

Eugene Mayfield wills his ability to stay in shape to Jerrold Vinson.

Robert Reeves wills his brains to Mac Smitherman.

Bobby Kincheloe wills his kitty to David Nichols.

Bobby Robertson wills his brains to George Spears.

Leonard Grigsby wills his broken bat to Bobby Bishop.

Bobby McGuire wills his hate for women to Duane Stephens.

Martin Peterson wills his vocabulary to Bob Hartman.

Rusty Rucker wills his black (?) hair to Richard Parrish.

Doyle Turner wills his height to Fred Nixon.

Wade Payne wills his light complexion to Randall Handley.

Garvin Beedy wills Jane to Don Parkey.

Carroll Womack wills his ability to play football to Bobby Cline.

Billy Greep wills his hair to Sherman Irwin.

Sammy Hale wills his shoulders to Herman Galloway.

Pecos Hart wills his leadership to Lonnie Cates.

Tom Bob Jarboe wills Mary to Don Shurbert.

De' Quacker

Well, kiddies, school is just nearly about over, but of course I know you ain't glad, at all. It will be plum awful to have nothing to do -- just loaf around and take it easy. There's nothing we can do about it, so you'll just hafta make the best of it. For this week I've did a powerful lot of snooping so settle back and listen to the latest. -- Whom got who? ? ?

The way I understood it -- Brad wants Carlene to ask Trav for a date so he can go with Gladys. For the results -- wait and see.

Tom Bob and Mary were doing all right Thursday nite -- when-where-what. But Friday Jon and Mary were seen together quite some bit in the halls.

Claud has fallen again. He has taken quite a fancy to Lee -- and I do mean quite. Well, kids, what will Glenn Earl and James Carroll think? ? ?

Well, Ruthie and Thomas did it. They have completed the year without too many serious quarrels. That must mean something? ? ?

Pauline was disappointed Friday because a certain somebody hadn't come to see her from Fort Worth. Teach him better, Polly.

Did I see Genevieve with Rusty Friday nite? ? ? I see they got lost in a certain place. Rose and Pecos were along too. Poor excuse is better than none.

Joy Bunch rather lost out on the deal at the senior picnic. Jo had some fun--didn't seem to miss her at all. Poor Joy???

Fred, I overheard Lee talking and she said she could go with any boy she wanted too. It seems she has her eye on you. Better watch her June. You, too, Claud.

Ted Lanham and Dorothy Clayton are going together, now. Old romance, new flame?? Don't forget Pat-sy???

Margie Latta and Buddy Peterson seem to be getting along all right. Margie, what happened to Wade and Willy???

At the senior picnic Claud and June Dunford were seen together. Also Rusty and Margaret Huckabee were with them. More things can happen.

Attention all boys. There's a rumor going around that Pat's a free girl now. What about that, now??

Valrie and Biff seem to be stuck on Jimmie and Wayland. Maybe it's the real thing--who knows?? But wait a minute--where does Jo come in???

Martin Roe and Mava get along well together. Maybe there is something to this???

Seems as though June Dunford

Nine Seniors Began School Days Here

The seniors that started in the first grade at Andrews Ward and have gone to school here all their school years are Ruth Elaine Harmon, Tom Bob Jarboe, Bobbie Gene Medlen, Margaret Huckabee, Wade Payne, Billie Frances Sisson, Doyle Turner, Pauline Denison, and Truitt Hartsell.

The most important event of this class was the first day of school. The class also had a rhythm band that year. The teachers of the first year were Mrs. J. N. Johnston, and Miss Dallinger.

To the great disappointment (joke) of the class they skipped the fifth grade.

The next important event was the eighth grade banquet and graduation exercise. The valedictorian was Willa Bradford and the salutatorian was Stanley Price.

A very memorable time was the first thrilling week in high school in which they were initiated.

The Junior year will never be forgotten. This was the year they prepared the Junior Carnival, also the Junior-Senior Banquet.

The senior year is the most important and Maxine Thornton have lost out with the Ralls boys. Haven't seen them together lately. Don't be down hearted girls, Henry Hinton is still left.

Tye and Jim are stuck "solid," so it seems. There's where her interests be.

Jean Bybee and Billy Scott are together quite a lot lately. But what was it she was mad at the other day, Billy?

Well, I'll sign thirty for the year. It has been a privilege and an honor to serve this paper as De Quacker and I only hope there haven't been any hard feelings, because it was all in fun. It breaks me lil' heart to go, but what else can me do?? Go'bye and luck always.

De Quacker

Now is the time to reveal the De Quacker's real name. Bobbie Gene Medlen has served in this honorable position most of the time, but she has some part time assistants, who were Rose Beard, Ted Lanham, J. D. Helms, Pauline Denison, and Billie Frances Sisson. Lots of nouse people, no???

Ball DOME LID

NEW!

The DOME tells you when jar is sealed!

The new Ball DOME (2-piece metal) lid is the easiest to use, surest to seal. Fits any Mason jar. Just press to test -- if DOME is down, jar is sealed. You KNOW your foods are safe when you can them in Ball Jars sealed with Ball DOME lids.

Get a supply from your grocer today! Buy your Ball Blue Book of canning methods and recipes from him -- or send name, address and 10c to: BALL BROTHERS CO. MUNCIE, INDIANA

important of all. The senior picnic, the Baptist picnic, the Junior-Senior banquet, the baccalaureate, kid day, and the graduation exercises were all very memorable events in the closing of our school life. Travis Jones was president of the class and was assisted in the class duties by Tom Bob Jarboe, Thomas Wayne Amburn, Norma Carpenter, and Pat Kirk.

There are not nearly so many complaints about the weather as there would be if the government regulated it.

HOME-MAKERS TO BEGIN SUMMER PROJECTS SOON

The home-making girls will soon begin their summer projects. They are required to have ten hours' work at school and ninety hours of cooking and sewing at home. They will make chair robes at school. Those taking the summer project are:

Wenona Faulkenberry, Gleva Ratten, Charlene Perry, Virginia Holmes, Maxine Thornton, Juanell Williamson, Joy McCravy, Lorena Williford, Mary Ann Wilson, Peggy Jo

Hand, Connie Reeves, Ima Nell Jones, Doris Dyer, LaJuana McAda, Vera Buske, Peggy Parkey, Estelle Richardson, Johnnie Owens, Betty Laster, Joyce Myrick, Novell Fancher, Eunice Welborn, Katie Collier, Barbara Dutton, Nellie Kenney, Wanda Duke, Nell Reddy, Margie Herring, Mary Parrish, Eva Waller, Ann West, Peggy Lanham, Wanda Huckabee, Edith Garrett, Billie Newberry, Elayne Snodgrass, and Patsy Brown.
