City Will Try Again: City of Floydada will try again to get a contract let for the municipal swimming pool. Most likely it will get some bids this time, since the deadline for completion is extended out into next year. The council's zeal to get a completed job in time for use of the pool the latter part of the current season is probably the reason a contract was not let early this year. Contractors who considered bidding were not sure enough, when it came time to sign up, that they could find the men and materials. New date for the contract letting is June 29. This is next week. Only question now, what will the council be able to get done with the money they have available for the purpose.

Anybody who has or is likely to have athlete's foot is not likely to be a reader of this compendium of comprehensive knowledge, sometimes called the editorial column. Such a person would like a stronger or more strenuous activity than such reading. However, it is possible an athlete would have some folks who are a bit older, have had a relapse or something of the kind. Thus, we could reach them with this bit of bright information fresh from the medics: A measure to take to prevent athlete's foot is to dry carefully between the toes, use a bit of mild alcoholic solution on the areas after drying. And use liberally of talcum powder in the shoes and socks. Wearing socks that are absorbent but not coarse also is a helpful practice.

The story goes that the bilking which the high-powered truck drivers gave wheat growers of the high plains area last year, was not confined to the wheat while it was in the hands of the farmer but that also the high-binders took the mills and feed dealers after they got down-state. While a good many crooked things may have been done during that harvest, like may also have been done before and since, these small things are not the kind that various grand juries have been trying to sift out. It is becoming more and more apparent what the culprits are after are big shots. The combination or combinations of swindlers who made away with wheat that belonged to somebody else in these deals appear to have been people who were not after a little fat. They wanted and took a lot—from the farmer who raised the wheat, from the processors who bought the crops.

Mr. and Mrs. James L. Colville and Mr. and Mrs. Ray Terrell, of Carlsbad, New Mexico, spent the week-end visiting with Mrs. Colville's mother, Mrs. George Finkner, and Mr. Colville's parents, Mr. and Mrs. J. D. Colville.

I. R. Grundy has been buying wheat in Matador for the last week. He thinks they'll be through harvesting in two more weeks.

VETERAN'S QUIZ on HOSPITALIZATION

Q. Will VA pay for hospitalization in a private hospital?
A. It will if the request has preadmission approval of VA and the treatment is for a service-connected disability.

Q. Which veterans are entitled to hospitalization in a VA hospital?
A. Those with service-connected disabilities have top priority. Treatment may be given to nonservice cases if the veteran cannot afford treatment elsewhere and a bed is available.

Q. How does a veteran apply for treatment in a VA hospital?
A. Application should be made, either in person or by letter, to the nearest VA office. In an emergency, a relative or friend may telephone a VA hospital or office and reverse the charges.

Q. Are dependents of veterans disabled in service entitled to free hospital treatment?
A. No. Under existing laws, only veterans are eligible for VA hospital care.

Q. Does the veteran have a choice of hospitals once treatment is approved?
A. Usually the patient is assigned to the VA hospital nearest his home. But he may be moved to a special center in another section of the country if his disability warrants.

Conditional Pardon Given Hale Slayer

Found guilty and failing to convince the jury that he was insane, Henry Ebert King was sentenced to a 20-year prison term in November, 1937, for killing a Hale county peace officer. He was granted a conditional pardon by Governor Beauford H. Jester, Tuesday of last week.

King was charged with murder with malice aforethought and with assault with intent to murder for fatally wounding Dr. McClendon, long-time Hale county physician, and wounding Deputy Sheriff Bill Shook at the Hale county jail.

King had been arrested a few hours earlier in Petersburg on a minor charge when he was brought into custody in Plainview. He allegedly snatched a gun from the holster of a Plainview nightwatchman and fired, killing the physician and wounding Shook.

Wheat Yield Exceeds Early Expectations

Floyd county growers, in the habit of grain yields into the big millions, are minimizing their crop in many instances this season, but, the gross yields, counting plantings on summer fallowed land and that irrigated, will run into a very considerable amount of grain.

Founder of 'Your Exchange of Texas' Visits Office Here

W. K. Roberts, of Brownwood, founder of "Your Exchange of Texas" in 1940, and still state manager of the organization, was in Floydada Tuesday to see the Floyd county "Your Exchange" office and its manager, Frank L. Moore.

The wind did not howl and carried no dust on the ground but its constant whine and grind whipped the grain about, and the constant action loosened grain in the hull. L. L. Epidemic of Auto Crashes

If car wrecks keep up at their present rate in Floydada, the population will soon dwindle to nothing, and the people remaining will have to walk or ride bicycles because their cars are in the shop being fixed.

During the past week, Floydada has had three wrecks. Luckily nobody has been killed, but considerable property damage has been done.

Not to be outdone by everyone else in town having wrecks, Bob Bratton laid his little black Ford to what was nearly its final resting place as he turned it over on a country road last week.

Truck Damaged, Occupants Bruised Three bruised and shaken boys, one truck damaged beyond repair, and a barkless tree resulted from the second of Floydada's wrecks this week.

Elmer Rucker, driving his dad's truck, Kenneth Hart, and Herschel Nelson were going south on the highway at Halls when a car pulled out in front of them.

The truck hit a tree, jumped a concrete bridge, and ended up in a ditch. This was about 9:30 in the morning. The three boys climbed out of the truck and stayed in Halls until night, making reports to highway and local officers.

None of the boys were injured beyond a few cuts and bruises. A serious wreck was between passenger cars driven by Aaron Carthel and Bruce Queen Thursday night.

The ironic thing is that both wives were injured, and both men, who were driving, came out looking as if nothing happened.

Both cars were driving down the street on different sides of the W. U. White residence, not realizing that anyone else was in the neighborhood until they met at the intersection.

Mrs. Carthel was taken to the Pitts hospital, given a check-up, and dismissed. After she reached home, the doctor had to be called three

times that night. She had what at first was believed to be amnesia, not being able to remember a thing about that night. By the next day, she was much improved, and is now completely well.

Mrs. Queen was also taken to Pitts hospital and treated for four fractured ribs. Although quite painful, her injury was not serious, and she was allowed to go home that night also.

Both cars are not beyond repair, but it will take a sufficient amount of time and money getting them fixed to make everyone concerned wish they had stayed home last Thursday night.

Archer Sisters Have Re-Union in Floyd

All seven daughters of the late Mr. and Mrs. J. R. Archer have been having a reunion this week in Floydada. General visiting and getting together have been the usual round.

Those present have been Mrs. J. R. Neece, Los Angeles, California, Mr. and Mrs. M. P. Funk, Duncan Oklahoma, Mr. and Mrs. R. J. Christian, Lawton, Oklahoma, Mrs. Ray Owen and Delores, Alpine, Texas, and the families of S. G. Appling, S. J. Latta, and E. L. Norman, all of Floydada.

Others visiting were Mrs. T. O. Wilson, Childress, an aunt of the sisters; Mrs. Bert Affleck and children of Seminole, cousins of the sisters; and Mr. and Mrs. Leeman Norman of Lubbock.

The group spent the day Tuesday with Mrs. E. L. Norman celebrating her birthday.

The only brother, L. T. Archer, Winslow, was unable to be present. All of the sisters except Mrs. Neece and Mrs. Owen have returned to their homes.

Mr. and Mrs. J. J. Seale, from Los Angeles, California, are here visiting in the home of his parents, Col. and Mrs. W. H. Seale.

Mr. and Mrs. J. C. Wester and Mrs. Watson Jones have just returned from Dallas. They went on a business trip.

4-H Girls to Camp Held on Tuesday

Tuesday was a big day in the lives of the Floyd County 4-H club girls, as they went to the first district camp for 4-H club girls, held on the fairgrounds at Lubbock. Six girls, their sponsor, and Miss Lella Petty, home demonstration agent, went to the camp.

The girls were chosen on a basis of the 1947 records and leadership in their individual clubs.

Those attending the camp were Marlene Raley, Sand Hill club, Marlene Hollums, county-wide club, Patricia Spears and Juanice Shearer, Lakeview club, Mary Lou Pawver, Baker club, Bobbie Buth, Providence club, and their sponsor, Mrs. H. F. Jackson from Sandhill.

Mrs. Sam Bishop was returned to the Wichita Falls hospital last Sunday, where she is reported to be doing about the same.

ONE MAN and a KRAUSE one-way

Plow MORE with LESS POWER

A Krause One-Way, by actual field test, has less draft than most other one-way plows. That means more plowing with less power.

And in addition a Krause gives you a uniformly level seedbed, cuts through heavy stubble and weeds to give you a chopped-up surface that is near perfect for topsoil protection... gives you a perfect summer-fallowing tool.

You gain many other advantages, too, with a Krause. Check the features. Compare. Talk to your neighbors who use Krause plows. If you do, it'll be Krause for you.

Wedding vows unite Miss La Nell Harmon, Jack Cogswell in Home Ceremony Held Sunday Evening

Candlelight and soft music combined to form an impressive background for the wedding of Miss La Nell Harmon, daughter of Mr. and Mrs. Frank C. Harmon of Floydada, to Mr. Jack W. Cogswell, son of Mr. and Mrs. W. A. Cogswell of Eddy, Texas, Sunday evening, June 20, at the home of the bride's parents.

J. B. Tidmore, minister of the Church of Christ at Paducah, Texas, read the double ring ceremony at six o'clock.

A wedding arch entwined with lacy fern and white candy tuft flanked on each side with white cathedral candelabras and baskets of flowers of huckleberry and white gladioli formed the background for the wedding.

Mrs. Carl L. Muench, pianist, accompanied Miss Ruth Elaine Harmon, sister of the bride, who sang "I Love Thee" by Greig and "Because" by Guy D'Hardelot. During the ceremony Mrs. Muench played "Ave Maria" by Bach Gounod "Ah Sweet Mystery of Life" and the Lohengrin Wedding march by Wagner were played for the procession.

Mrs. Leeman Norman of Lubbock, matron of honor, wore a formal pink taffeta gown and a blue delphinium and pink carnation corsage. Miss Ruth Elaine Harmon, sister of the bride, was bridesmaid and wore a blue nylon formal gown. Her corsage was of pink roses.

Mr. W. A. Cogswell, father of the groom, served as best man.

Miss Yvonne Cogswell, sister of the groom, and Miss Martha Sell of

Lubbock, lighted the candles. Miss Cogswell wore a formal blue gown and Miss Sell wore a formal yellow gown. Both of them wore a corsage of white carnations.

Given in marriage by her father, the bride was attired in a traditional wedding gown of Skinner's ivory satin with a marquisette yoke edged with seed pearls. Her fingertip veil of bridal illusion fell from a crown shaped tiara adorned with seed pearls. The bride carried a shower bouquet of white maline with white satin streamers showered profusely with white stephanotis and centered with a large white orchid.

For her daughter's wedding Mrs. Harmon chose a navy crepe dress and a corsage of gardenias. Mrs. Cogswell chose a black crepe dress.

Reception Follows Ceremony

Following the ceremony a reception was held. The attractive centerpiece for the table was a simulated wedding ring topped with white gardenias and white candy tuft. The three tier wedding cake was decorated with pink roses and silver leaves and was surrounded by pink ruffled net. The top of the cake was adorned with a miniature bride and groom.

Mrs. Frank C. Harmon, Jr. of Paducah, registered the guests. She wore a white and blue formal gown and a corsage of red roses. Miss Margaret Cogswell, Mrs. Charles L. Harris, Jr. sister of the groom, and Mrs. Venita Gamblin of Lubbock presided at the serving table. Miss Cogswell wore a rose taffeta formal

gown. Mrs. Harris wore a black and white formal gown and Mrs. Gamblin wore a rose taffeta gown. Each of them wore a corsage of white carnations.

The couple left immediately following the reception for a trip to Taos, New Mexico, and other points of interest. After July 1, the couple will be at home at 1942 West Clay street in Houston, Texas.

For traveling the bride chose a navy crepe suit with navy and white accessories and a white orchid corsage.

Graduate of West Texas State

Mrs. Cogswell is a graduate of West Texas State college at Canyon where she was a member of the Pi Omega sorority.

For the past year and a half she was employed as a medical secretary at the Lubbock Memorial hospital in Lubbock, Texas.

Mr. Cogswell attended Texas A. & M. college prior to entry into the service and spent four years in the Army Air forces, being assigned to the Twentieth Air Force for a year in the Mariannas and Philippines. After being discharged from the service he re-entered A. & M. College where pre-med work was completed. For the past year he attended Baylor Medical college. He is a member of the Phi Beta Pi Medical fraternity.

Fairview News

FAIRVIEW, June 21.—Our community received both rain and hail Friday afternoon. The most damage was done in the northeast part of the community. Thurman Perry lost a fine yearling in Friday's storm; it was struck by lightning, so they suppose. The windmill tower on the G. C. Freeman place was also struck by lightning.

Wheat harvest is underway. Folks are hoping to get what little they have saved before any more hail storms. Row Crops are growing nicely. Some fields of cotton were damaged by Friday's storm and gardens were pretty well beaten up in places. The rain varied from 1/2 to 3/4 of an inch.

Mr. and Mrs. Walton Wilson and family were Sunday dinner guests of Mr. and Mrs. Sim Reeves, of South Plains.

There has been some moving done in our community the past week. Mr. and Mrs. C. H. Wise and family moved to the farm they bought recently. It is known as the G. M. Bullard place. Mr. and Mrs. Dean Walls moved into the house vacated by the Wise family. Mr. and Mrs. Benton Ritchey have bought the J. C. Crabtree place and are repairing the place preparatory to moving in a few days.

Jackie Moore, of Hereford, was a week-end guest of the E. W. Walls family. Other guests were Rev. and Mrs. Bill O'Dell and son.

Mr. and Mrs. Hub Austin and Bobby Noble, of Borger, spent Monday night with Mr. and Mrs. Walton Wilson and family.

Mrs. G. M. Bullard, of Floydada, spent Friday night with her daughter, Mrs. L. B. Cozby and family.

Mr. and Mrs. L. B. Cozby and Mary Dee and Mr. and Mrs. Thurman Perry went to Plainview Sunday afternoon, where they visited Mr. and Mrs. Grady Reeves and family.

Mr. and Mrs. T. C. Goodman and son spent the week-end in Amarillo visiting relatives.

Sunday guests of Mr. and Mrs. L. A. Horton were their children and families, Mr. and Mrs. Jim Stewart and Jim Dan, Mr. and Mrs. Walter Welch and Troy, of Floydada, Mr. and Mrs. L. D. Horton and son and Mr. and Mrs. Odell Stapleton and sons, of Plainview. Mr. and Mrs. Eli Horton and Billy Roy, of Plainview were also present. He is a brother of L. A. Horton.

LABORATORY FOR HOSPITAL

LOCKNEY, June 18.—The laboratory of the Floyd County Co-Operative Hospital is being set up in the new building this week. Joseph Holt, who has been employed as laboratory supervisor, and his assistant, Miss Hazel Guerry, a registered nurse, are this week inventorying the equipment and getting it ready for use.

X-ray work will continue to be done at the old hospital building until the new building is completed, hospital officials said.

Work on completing the hospital building is going forward at a rapid pace. Officials have hoped to get into the building by July 1, but workmen said Thursday that would probably be a few days after that time before the building would be completely finished. The plaster work is being done now.

The combination heating and cooling plant has been installed and is ready to go. The plant is the latest design and will send either warm or cool air through ducts to each individual room.

VACATION IN THE MOUNTAINS

Mr. and Mrs. V. H. Boteler have just returned from Albuquerque, New Mexico, and several days in the mountains nearby. They spent a few days visiting Virgil and his wife and then all went into the mountains near a large stream that is noted for its fishing.

"It's certainly nice to get away from the routine and go to the mountains," mused Mrs. Boteler.

CAN BLACK-DRAUGHT Help Physical Fatigue?

Yes, Black-Draught may help physical fatigue if the only reason you have that listless feeling is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you.
