A. L. Wylie of Petersburg, new distributor of Magnolia products for the Floydada Lockney territories.

## Fine Rains Over Area; Limited Flood Damage

Finest kind of rains, except for excesses and hail in spots, have dotted Floyd county. In the week ending Sunday night the average run of communities has had four inches of moisture, well spaced between showers.

Clapp of Anderson, Clayton Co. There are no official figures on the cotton acreage in Floyd county this season, but K. N. Clapp, of Lubbock, southwest regional representative of Anderson, Clayton & company, world's largest exporters of cotton, says the acreage in this county in round number is 45,000 acres of cotton.

Clapp has been predicting the cotton production on the plains for 24 years. He has been remarkably correct in his estimates every year. In his tabulation, given out Sunday from Lubbock, he puts the total acreage in Floyd county at 45,000 as against 25,000 last year.

Forecasting for the 19 counties in the south plains area, he says that Lubbock county leads in total acreage with Lynn second and declares the area with usually favorable weather, could break all records.

Clapp has been predicting the cotton production on the plains for 24 years. He has been remarkably correct in his estimates every year. In his tabulation, given out Sunday from Lubbock, he puts the total acreage in Floyd county at 45,000 as against 25,000 last year.

This is a free ride: Preparation of the first primary ballot for the democratic party, sample of which is being given to the public this week, is a reminder that the voters are getting a free ride when they take part in this election and the majority primary in August. If you hear a complaint that the costs of living, of government and this and that has gone up, you might bear in mind that the cost of a vote in the primary is still the same old figure—to be exact, nothing, so far as the taxpayer is concerned. The candidates pay the bill. It is a little bit steep on some of them, but not so bad, considering it gives a shot at an office they will hold, if successful, for two years. So far as the taxpayer is concerned there just isn't any bill.

Speaking of the candidates paying the bill for the primary is a reminder that there isn't any way we know about to make the assessments equal and just as between county and precinct candidates on the one hand and district and state candidates on the other. There was a time when every county committee set its own fee for every office from governor down. The result was that state candidates were assessed such a big amount they would only file in those counties which they could afford or had large populations. District officials were assessed according to the fancy of each county committee. The result was rather fantastic in many instances. Legislators who had had it poured on them in the first few instances were hot under the collar and were entirely willing to make a change that would be more in line with what they could afford to pay. They were not only willing, they were anxious, in fact. The result is they carried the reform too far and now a state candidate pays \$100 to get his name on the state ticket (and the state committee gets all of that) and a district candidate pays a dollar a county. A candidate for district attorney or district judge in this district thus pays \$4 to get his name on four county tickets, a senator candidate in the 30th district pays \$24 to get on tickets in 24 counties, and so on. A senator doesn't get paid much, except heaping honors, but some district officers are well paid, according to the ordinary man's standards. There are a lot of little unfair things in the law that it seems impossible to get adjusted just exactly right and it isn't any crying shame the way the thing works right now. However, the constable and the public weigher and the justice of the peace candidate is paying the bill in Floyd county for the governor and the senator and the district judge, and it would be a bit fairer if it could be worked out that they'd help somewhat more in each of the counties in which they offer themselves as candidates.

The way we feel about the matter now there is one tax change we would make in Texas. That is we would make a severance tax for all the oil and gas that is leaving Texas, substituting a reasonable levy of this kind for the state ad valorem tax. The latter does not raise a lot of money for Texas anyhow, since our state has got to figuring state expenditures astronomically. One reason we'd like to have a severance tax is to get a bit of something from the state's natural resources for the general welfare, from which we now get nothing. We do not mean the gas land owner gets nothing. But the common wealth does not, and when the gas is all gone it will be gone.

A persistent rumor that is going the rounds is that gas from Texas is being piped back east and being stored in the depleted areas of the Appalachian fields. Thus gas from this area is going to re-pressure broken-down fields of older oil-producing areas, if this report be true. This will be insisted on, more and more, by the Federal Power commission, it is said, in the name of "National Security." When the gas is gone from Texas every Texas household that is now using natural gas and every Texas industry whose wheels are turned by this product of the southwest will be left holding the sack. It sounds a bit fantastic this report that pipe is being utilized for taking gas from this area, carrying it across the continent and putting it back in the ground to re-pressure another area, but a \$140 million plan is now being "activated" with the blessing of the federal government. The San Angelo Standard, which is indignant about the matter, says that using Texas gas to re-pressure dead oil fields to compete with Texas petroleum is adding insult to injury.

People of Floyd county, especially people living around town, are not having to be encouraged to plant gardens this summer. The high cost of living, (or if not that, what) seems to have afforded ample incentive this year. Some lovely gardens have resulted from the efforts of those with garden plots, big or little. Not only early grown vegetables but also advance plantings of foods that will come along in the latter part of the season, such as late peas, tomatoes, peppers, cabbages and potatoes are some of the things you see growing in profusion. A good garden cuts the cost of the food bill and makes greater variety and abundance.

Figures are available in abundance to establish the fact that Texas has become one of the leading industrial states of the nation and many authorities rank it as the state with the greatest potentiality for future development.—Governor Beauford H. Jester.

## Floyd County 14 Years Ago

Items taken from The Floyd County Hesperian published fourteen years ago.

(Issue of July 5, 1934)

J. R. Terry, 64, was found dead in his bed at the family home, two miles south of Floydada this morning about 6 o'clock.

2000 or more people saw the ponies run the afternoon of July 4, and a fair to good crowd saw the races Tuesday afternoon also.

Senator Clint C. Small's strength as a candidate for governor this year is revealed in recent dispatches as having more than local backing in the Panhandle.

Combine men in this community refused to cut wheat for less than \$1.50 per acre.

First month's production of Chevrolet cars at the Chicago World's fair, General Motors building assembly line, totaled 468 units.

Mrs. W. B. Long of Wichita Falls spent from Friday until Wednesday here visiting her daughter, Mrs. B. K. Barker and family.

The extreme dry weather and hot winds will take their toll of trees if they are not given water.

Frank Cunyus, County agent, left Sunday for Aspermont to be Assistant County agent for the summer.

Miss Vera V. Wilson became the bride of Mr. E. C. Armstrong in a sunrise ceremony in the home of Rev. and Mrs. T. J. Gamble at Stratford, July 1.

Members of the Ace Bridge club and other guests were entertained Monday evening with Mr. and Mrs. L. J. Welborn as hosts in a clever party.

Miss Adelaide Scott spent from Friday until Tuesday visiting her brother, Jack Scott, in Paducah.

Miss Lola Mae Grundy, who is attending Texas tech, spent the weekend here with her parents, Mr. and Mrs. I. R. Grundy.

**SOUTH PLAINS CLUB MET JUNE 23 WITH MRS. GRIGSBY MILTON, SR.**

The South Plains Home Demonstration club met with Mrs. Grigsby Milton, sr., June 23 at 3 p. m. Mrs. J. B. Smitherman presided.

Mrs. Art Willis had charge of recreation period. Mrs. J. B. Smitherman was elected to be our representative to go to the state meeting.

The hostess served attractive refreshment plates to fourteen guests and a visitor, Mrs. Jo Nutt of Cor-

Stewart, Sula Julian, Doodie Milton, Art Willis, and Miss Linnie Gilbert Bean. We meet with Mrs. Gilbert Bean July 14 at 3 p. m. Everyone is asked to bring along their favorite vase.

### RAIN AT RED RIVER AND RAIN WHEN THEY GOT HOME

Disappointed because their picnic at Red River was rained out, Margaret Collier, Lyda Walding, Adelaide Lloyd, and Scotty returned to Floydada Saturday in time to see a good rain here.

They reported that they had a good time riding horseback and hiking, even though the dancing, bowling and skating were still closed because the majority of the tourists haven't arrived yet.

### MARRIAGE RECORD

Marriage license was issued to: Anderson Coleman and Velma Ruth Campbell, June 22.

Writing fluids, Hesperian

### Woman's old problem relieved by 2-way help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

**STEPS TO LAUNDERING LUXURY**  
**ELECTRICALLY**

First you'll want an electric washer, easy on your clothes, yet capable of turning out an entire week's wash sparkling clean. Then a dryer, a convenience any time, a blessing when bad weather holds up line drying. And then to top off your "luxury laundry" an electric ironer, so easy to operate, so efficient, and so wonderfully suited to giving your ironing that professional look.

Have all of this home equipment if you can now, or begin with the unit you think will suit your immediate requirements. Even if you're not ready now... start planning today for the day when Reddy Kilowatt will do your laundry work...economically and electrically.

### Prepare Fruit and Vegetables for the Freezer

Best in home freezing has taken a jump in the past 12 months. Scores of deep freeze boxes are being used. While practicing the art of freezing, the fact remains that the food put into them must be prepared to get the utmost of value from their use. There are some ideas from experienced operators now that fruits and vegetables are beginning to come in season.

**Pineapple:** Wash, peel and cut into pieces. Mix with sugar or sugar syrup. One cup of sugar to a quart of pineapple is desirable.

**Strawberries:** Wash, trim and cut. Pack in air-tight moisture-proof containers. Leave space. Seal according to type of container used. Freeze immediately.

**Green beans:** Sort, trim and cut. Boil for 2 minutes. Cool in ice water or water at least 50 degrees Fahrenheit. Boil for 2 or 3 minutes. Pack in air-tight moisture-proof containers. Seal according to type of container used. Freeze immediately.

**Chilled vegetables:** Wash, trim and cut. Boil for 2 minutes. Cool in ice water or water at least 50 degrees Fahrenheit. Boil for 2 or 3 minutes. Pack in air-tight moisture-proof containers. Seal according to type of container used. Freeze immediately.

**Tomatoes:** Wash, trim and cut. Boil for 2 minutes. Cool in ice water or water at least 50 degrees Fahrenheit. Boil for 2 or 3 minutes. Pack in air-tight moisture-proof containers. Seal according to type of container used. Freeze immediately.

### Lakeview News

**Funeral for Private J. W. McCravy:** The funeral for Private J. W. McCravy, son of Mr. and Mrs. L. E. Cravey, was conducted Sunday morning at 5:30 at the Lakeview Baptist church with Rev. L. A. Lockney, pastor of the First Baptist church of Floydada, officiating. The service was followed by final military rites at the Lakeview cemetery. Private McCravy was killed in action on October 20, 1944 at the age of 26.

**Funeral for J. A. James:** The funeral for J. A. James, who passed away at his home in Floydada Friday evening at 7:30, was conducted from the Primitive Baptist church of Floydada Sunday morning at 4 o'clock. Elders C. L. Lockney, D. L. Hand, and William Fox, of the church, officiated at the services. The funeral was followed by burial in the Lakeview cemetery. Mr. James is survived by his wife, three sons, J. B., of Douglas, Earl, of Clovis, New Mexico, and Roy, of near Albuquerque, New Mexico, and one daughter, Mrs. L. L. James, of Floydada.

**Funeral for Joe Wilson:** The funeral for Joe Wilson, of Floydada, was held at the Lakeview Baptist church Sunday morning. Evening services were postponed because of rain.

**Funeral for Fred Jones and Imogene:** The funeral for Fred Jones and Imogene, of Lubbock, was held Sunday afternoon at the Lakeview Baptist church.

**Funeral for Mrs. Jones:** The funeral for Mrs. Jones, who is visiting relatives in and near Knox City, was held Sunday morning at the Lakeview Baptist church. The service was officiated by Rev. L. A. Lockney. Mrs. Jones was admitted to the hospital last Thursday for treatment of pneumonia.

### Olton fireman spots Fire at Matador

If Mr. and Mrs. George Daggett and family, of Olton, hadn't decided to stop in for a cup of coffee in Matador at midnight Monday of last week, June 21, there might not be a Bus Station or Shorty's Cafe.

The family noticed a blaze in the cafe, and when firemen arrived, the entire wall behind the cash register was flaming nearly to the ceiling. In a few moments more, firemen stated that it might have all been in flames. There was a strong south wind which would probably have fanned and spread the blaze.

Mr. Daggett is a member of the Olton Volunteer Fire department.

### JUANITA PHILLIPS TEACHES IN RADFORD COLLEGE, VA.

Miss Juanita Phillips is teaching library science and children's literature in Radford college in Virginia for the summer. For the past seven years, Miss Phillips has been librarian of Radford High school and supervisor of the Library department for the public school of Radford.

The beauty of the Blue ridges is beyond compare, says Miss Phillips, but she often yearns for the wide open spaces of the plains and the good old songs of the First Baptist church at Floydada.

### MAJOR AND MRS. POWELL GUESTS OF PARENTS HERE

Major and Mrs. S. L. Powell and daughter, Jane, of Utah, spent from Wednesday until Sunday of last week visiting in the S. L. Powell, sr., home in Floydada. Major Powell is stationed in Hill field, Utah, and with his family was enroute to Montgomery, Alabama, to attend Officer and Command school for six months.

Mrs. S. L. Powell, sr., returned to her home in Floydada with Major and Mrs. Powell with whom she had been visiting for two weeks.

### GRANDCHILDREN ARE GUESTS OF MR. AND MRS. W. C. SIMS

Mr. and Mrs. Herschel Hammonds and daughter, Linda, of Pampa, Texas, came last week to visit with Mr. and Mrs. W. C. Sims. Mr. Hammonds has returned home, but Mrs. Hammonds and Linda are still here in the home of her parents.

Also visiting for the summer months with Mr. and Mrs. W. C. Sims, are their granddaughters, Marcia Dee and Barbara Sims, daughters of Mr. and Mrs. Buck Sims of Pampa. They have been here since last week.

Mrs. L. J. Burgett left Tuesday for her home in Carlsbad, New Mexico, after having spent the past three weeks in Floydada visiting in the home of Mr. and Mrs. Lee Burgett. Other visitors in the Burgett home the past few weeks have been their son, J. B. Burgett and family, of Tucson, Arizona, Travis Burgett and family, of Berger, Bill Burgett and family, of Shallowater Mrs. A. M. Cook and family, of Abernathy, Mrs. Merle Mercer, of Skellytown, Deril Sanders and family, of Laguna and Mr. and Mrs. R. N. Burgett and Mr. and Mrs. Carl Nelson, of Floydada.

Mr. and Mrs. Billy Woody and four months old son, Craig, of Houston, Texas returned to their home Friday morning after visiting for the past week with their parents, Mr. and Mrs. C. B. Smart and family of Lockney and with Mr. and Mrs. Roy Curry of Floydada.

His condition is somewhat improved. Mr. and Mrs. Paul Williams and son, Paul Marion, of Toccoa, Georgia, and Mr. and Mrs. Perry Wood, of Prairieview, near Plainview, were dinner guests Saturday evening in the home of Mr. and Mrs. E. H. Tooley.

### A Cordial Invitation

We extend to each of you—every day—a cordial invitation to visit our floral shop, greenhouses and large gift shop and look over the most complete line of gifts and flowers to be found in Floydada. Whether you want to buy or to just "look" we are always glad to have you visit us.

Now in stock a full line of FOSTORIA CRYSTAL and STEMWARE in patterns "Chintz," "Laurel," "Meadow Rose," "American" and "Gadroon." Prices now range from 65c per stem to \$2.45 per stem in 8 full patterns of American and imported crystal, and include extras in ice tubs, bon-bons, compotes, punch bowl sets, relish, cake plates, etc.

What ever the occasion—Bridal Shower, Wedding Gift, Anniversary, Birthday, Bridge Prize or just a gift, visit our gift department and feel free to just "brouse-around." Every week sees new and unique gifts added to our large stock of complete floral-gift shop.

## Lukemia Victim At Galveston For Treatment

LOCKNEY, June 25—If there is a chance to save the life of Kenneth Don Hill, then he is going to get that chance. That was indicated this week when the Amarillo Daily News started a fund raising campaign of its own to aid the local boy who has been stricken with leukemia.

Kenneth Don is now a patient in the John Sealy Hospital at Galveston, where he has been for nearly two weeks. He is being treated there with a new drug which is believed to be beneficial to leukemia victims. However, attending physicians say that the drug is still in the experimental stage and that its beneficial effects are still unknown.

Starting with two clippings from The Beacon of the past two weeks concerning the boy, The News carried a story giving the details of his illness and the family circumstances Tuesday of this week. In the same issue was a letter from B. H. Borum of Borger, a brother-in-law to Paul Cooper for whom the boy's father works. Mr. Borum suggested the parents, Mr. and Mrs. James Hill, were not in position to pay for expensive medical treatment that the boy needed and that if there were those who wanted to help they could do so by mailing money to Mr. Hill at Lockney.

On Wednesday the Amarillo paper carried a story from Galveston telling of the boy's condition and his treatment. He was given an injection of the new drug Wednesday of last week. He is still under an oxygen tent and still has difficulty breathing, according to a letter from the father to the boy's grandfather, Pat Hill of Lockney which was received here Thursday.

People of Lockney and this vicinity have contributed approximately \$250 to help the parents give the boy treatment.

Anyone in this vicinity who may want to help pay for the boy's medical treatment may mail their money to James P. Hill, Box 304, Lockney, or leave it with A. R. Meriwether.

## Aubrey Edinburgh McAdoo Awarded Air Fighter Wings

2nd Lt. Aubrey C. Edinburgh is now a pilot in the United States Air force after receiving his silver wings in a formal exercise Friday, June 25, at the Air Force Flight school, located in the "Valley of the Sun" at Williams Field.

Edinburgh was one of the few aviation cadets selected to solo the P-80 "Shooting Star," jet propelled plane of renown, before graduating into a pilot status. Lt. Edinburgh entered the service in April, 1946, and, after finishing an indoctrination course, attended various schools of the air force before entering the cadet training program.

Lt. Edinburgh is the son of Mr. and Mrs. Charles R. Edinburgh of McAdoo. He is a graduate of the McAdoo High school.

### Center News

CENTER, June 26—The Home Demonstration club meeting was very much enjoyed Friday afternoon at Mrs. Ashton's by 21 women, some girls, and children. The hobby show was very interesting and much fun.

Last Thursday Mrs. Travis Lightfoot and Mrs. T. C. Hollums and children went to Sweetwater to attend the funeral of an aunt, Mrs. R. L. Lightfoot.

Victor Green visited homefolks Saturday night.

Church services Sunday night were short on account of threatening weather.

And did it rain! We went to sleep Sunday night with dry lakes and awoke Monday morning to find the lakes full. So wheat cutting is suspended for a few days.

Mr. and Mrs. A. C. Strickland, jr., and Mr. and Mrs. J. H. Brewer, jr., of Slaton, Texas, spent Friday afternoon with Mr. and Mrs. S. L. Powell and with Major and Mrs. S. L. Powell.

Jimmy Powell, Dougherty, has been visiting with Mr. and Mrs. E. H. Wester last week-end.

M. D. Arterburn of the Beacon office.

The New Look begins early, when it comes to ice cream. And why shouldn't it? asks the National Dairy Council. Because ice cream is not only tops for taste but doctors recommend it for sound nutrition and better health for young and old, summertime or any day in the year.

### Fairview News

FAIRVIEW, June 28 — Blowing sand Sunday afternoon was hard on small cotton in several fields. The rain Sunday night was between 2 and 3 inches and it put water in the lakes.

Mrs. Ollie E. Kennell, Mr. and Mrs. Ira Hall of Nashville, Tennessee, spent the week-end with their cousin, Mr. and Mrs. E. W. Walls.

Mrs. E. W. Walls attended the wedding shower for Miss Virginia Tate at Lockney Friday.

Mr. and Mrs. T. C. Goodman and son are returning home to San Antonio this week after visiting her parents, Mr. and Mrs. L. B. Cozby.

Mr. and Mrs. C. W. Denison of Dougherty were Sunday dinner guests of Mr. and Mrs. Bagwell.

Mr. and Mrs. Austin Ruddick of Plainview were Sunday guests of Mr. and Mrs. Walton Wilson. Betty and Virginia Ruddick of Borger are spending the week with their aunt, Mrs. Walton Wilson and family.

Mr. and Mrs. Orady Reeves and sons of Plainview, Mr. and Mrs. T. C. Goodman and son of San Antonio, Mr. and Mrs. L. B. Cozby and Mary Dee spent Sunday with Mr. and Mrs. Thurmon Perry.

Mr. and Mrs. E. W. Walls visited in Lubbock, Lockney and Plainview Sunday. They were accompanied by their house guests from Tennessee.

Mrs. W. B. Wilson, Lewis Randolph, and Mr. and Mrs. Billie Tye and family spent Sunday in Plainview with Mr. and Mrs. Odell Stapleton and family.

Mrs. C. W. Denison visited her sister, Mrs. W. B. Parrack and Mr. Parrack of Childress last week.

### BAKER CLUB MEETING

Mrs. Poyner Roberts entertained the Baker Home Demonstration club Monday, June 21. Mrs. A. G. Cardinal gave the council report. Mrs. R. L. Nell also gave an interesting report on the dress revue. Mrs. Herschel Green, president, had charge of the program entitled "Hobbies".

Present for the meeting were Mesdames A. G. Cardinal, G. L. Pawver, Ray Smith, R. L. Nell, W. H. Spears, Herschel Green, and the hostess and eight children.

The next meeting will be with Mrs. W. H. Spears on July 5 at 2:30 o'clock.

### MOVING TO MONTANA

MATADOR, June 24—Mr. and Mrs. Bobby Echols of Sudan visited over the weekend with her parents Mr. and Mrs. Marvin Bloodworth returning to Sudan Monday. Mr. and Mrs. Echols will leave the last of this week for Billings, Montana, where they will make their home.

Gary Strickland was accompanied to Floydada last Wednesday by his father, Reid Strickland of Amarillo, and is visiting with his grandmother Mrs. G. R. Strickland, while Mr. Strickland returned to Amarillo. Mr. and Mrs. Reid Strickland are expected this week-end to take Gary back to Amarillo.

Las Vegas, New Mexico, was chosen as their vacation site by N. J. Smalley and children, Betty Ruth and Alvin of Matador who vacationed recently.

Mrs. Billy Grundy and son, Bobby, left Sunday for a two weeks stay at Mineral Wells where they will take treatments.

Cleaning That Excels

STEWART'S CLEANERS

## Insect Control Tips Are Given By Miss Petty

(By Leila Petty, County Home Demonstration Agent)

An early start on insects is half the fight.

Sucking insects are killed only when hit with poison. Both sides of leaves must be covered thoroughly. In general, repeated applications are necessary at 5-7 day intervals as long as needed.

If leaves have holes in them, chewing insects are causing this damage. Use either rotenone, cryolite, lead or calcium arsenate to control chewing insects.

If leaves are yellow or brown sucking insects have probably sucked the juices from the leaves. Use rotenone, pyrethrum, lethane, or black leaf 40 to control sucking insects.

**Rotenone Dust Is Good**

A 75% to 1% rotenone dust will give satisfactory control of most insects (chewing and sucking) in the garden if used properly. It is one of the few insecticides not poisonous to people.

Load the dust gun with a generous supply of sabadilla and get the squash bugs that will get the late planted squash if you don't. Hit them every 5 to 7 days. Sabadilla is effective against all hard-shelled bugs.

Mr. and Mrs. Harold Sparks of Abernathy, Texas, spent Sunday in the home of Mr. and Mrs. Alva Sparks.

# Why new telephone rates are necessary in Floydada

FOR THE FIRST TIME since 1937, the telephone company is asking for an adjustment in telephone rates in Floydada. The request is made necessary by the rapidly rising costs of furnishing telephone service, which have thrown our operations here "in the red."

Here are some of the reasons an adjustment in telephone rates is necessary at this time:

• During the last six months of 1947, we furnished telephone service in Floydada at \$926 less than cost:

We spent . . . . .	\$12,861
We collected . . . . .	11,935
We lost . . . . .	\$ 926

• Floydada's telephone rates have not been changed since 1937.

• In this period Floydada has grown from 558 telephones to more than 810.

• Seven general wage increases have been granted telephone employees since 1941.

• The total monthly payroll in Floydada has quadrupled since 1941, due to higher wage rates and a larger number of employees.

• Telephone poles cost 135 per cent more than in 1941... office supplies, such as envelopes, office forms, etc., cost about twice as much as in 1941... copper (the telephone company uses a lot of it) costs 80 per cent more.

The 1948-1949 plans of the company call for a gross expenditure of more than \$300,000 for the continued expansion of facilities and improvement of service in Floydada.

The program includes: installation of two additional combination switchboard positions

and 380 more subscribers lines at a cost of \$12,000... expansion of the network of outside lines and cables throughout the city at a cost of \$11,400... and extension of telephone lines to serve 600 more families and business concerns in the rural area around Floydada at an expenditure of \$294,000.

Improvement of long distance service also will be provided Floydada telephone users through two new circuits from here to Lubbock.

### NEW SCHEDULE OF TELEPHONE RATES

Following is the proposed new schedule of telephone rates in Floydada. Federal taxes which apply are not included.

Class of service	Proposed New Monthly Rate
Business telephone . . . . .	\$5.50
Residence straight-line . . . . .	2.75
Residence two-party line . . . . .	2.25

The increase is 5 cents a day for business customers and less than a cent a day for residence customers. Extension telephones will cost less than a cent a day more.

In addition, charges for various auxiliary telephone services will be increased in relation to higher costs of furnishing these services.

The adjustments are moderate in comparison with the increases in costs of furnishing service, and the higher prices Floydada families pay for most things they buy today. It is no longer possible to meet post-war costs of furnishing telephone service with revenues from rates established 10 years ago.

SOUTHWESTERN BELL TELEPHONE COMPANY

## 4-H Club Girls Camp Is Greatly Enjoyed

Tired and weary girls returned from the 4-H District camp on the Fair grounds in Lubbock. Each girl is still talking about the wonderful time she had, and ready to work hard next year so she will be chosen to go to camp.

The girls were divided into Indian and were kept so busy that they didn't even time to get home. They studied crafts, nature,

had educational movie-slides, nature hikes, swam, heard some distinguished speakers, and many other things.

Some of the guests at the camp included Mrs. Katherine Randall, from "Farmer's Stockman" magazine, Frances Arnold, from the "Extension" magazine published at A. & M.; Miss Katie Dell Hill, district agent. On guest night, they invited many of the Lubbock people, who had helped to make the camp possible, to come out for a fried chicken buffet supper.

Incidentally, the thing that the girls said they liked best was the food. Miss Lella Petty was one of the people on the food committee. The merchants in Lubbock were nice enough to sell the camp all of their supplies at wholesale prices. This is one thing that made the good food possible, she said.

The camp had 140 people there in all, which represented 18 count-

ies. A nurse was on duty at all times, but business was lacking for her.

The girls going from Floyd County were Marlene Hollums, Dorothy Holmes, Nita Jo Day, Patricia Spears, Bobbie Buth, and Mary Lou Fawcett.

Miss Lella Petty and Mrs. H. F. Jackson accompanied the girls.

## As A Farm Woman Thinks

(By Nellie Witt Spikes)

HUNTINGTON BEACH, California—The way we have been speeding around and visiting leaves little time to put down on paper the wonderful times we are having and the beautiful sights on every hand.

One day we cross the blue Pacific to the island of Catalina, eating our lunch in the beautiful harbor of Avalon. We eat dinner the next some 4000 feet high, after a hair-pin drive up the tree covered slopes, take a peek at the same old moon we left standing night guard in West Texas. We see with awe the ring around Saturn, and the new stars in the 12-foot telescope.

The next day we travel up the coast and stop in Redondo Beach where excitement reigned at the pier as a 37 pound octopus was brought in. How awful those long arms, sucking mouths placed close together! Barracuda and shrimp, crabs and halibut, hundreds of fishing poles making the pier look like a brush heap!

Ferms and vegetables on hills and in valleys, 400 foot cliffs, slippery with ice plant, holding back the pounding waves! Oil wells pumping, ships sailing in, fishing boats, old faithful war ships being junked; the British Prince in the harbor, cool ocean breezes, bathers tanned and brown as the first Americans, the Indians.

Away with verbs no time or space. Painted deserts, hot sandy waste deserts, tall rocky mountains, mine shafts, old ruins, beaches covered with people and gay umbrellas. And the magnificent trees, pine trees from Argentina, Native pine, eucalyptus, jacaranda covered with blue-purple blooms, a breathtaking sight. Lacy pepper trees, camphor trees, on and on, trees and flowers, yellow oranges hanging like bright globes among glossy leaves! High fogs, low fogs, bright sunshine, shadows and lights, clear sparkling water.

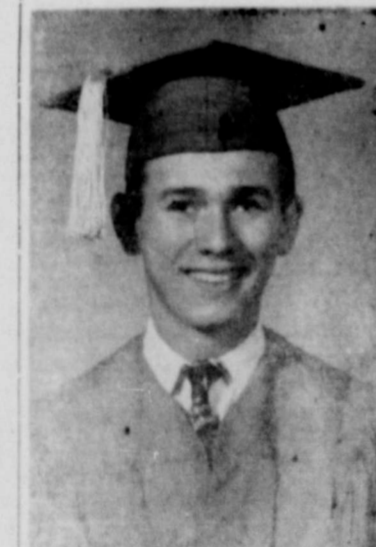

My first feel of salt water on bare feet. The first wave washed my ankles, went back. I stooped over to pick up a pebble. Swoosh, a wave washed my knees with a sudden surprise leaving my dress wet.

Saw Doris Bollman in town today. She said she was a little homesick; also saw her uncle who lives here.

Fields of growing beans, gay colored pottery beckoning from stands, tree roses, walnut groves, campers and picnic crowds with fires near the beach, trailer camps, fine homes, tents, a woman who has lived under a tree some fifteen or 20 years.

Well to tell it all I would need the whole paper for some time, so I will quit and perhaps will be home by the time this is printed.

## Phil Elliott Has Trombonist Talent

Phil Elliott

Phil Elliott, son of Mr. and Mrs. W. P. Elliott, 2701 N. W. 27th street in Fort Worth, Texas, has been awarded a four year scholarship in music to a state college for his high achievement as trombonist.

Phil received outstanding recognition at the Texas State Music Education association recently held in Waco, Texas. He held first trombone in the West State band and the same position in the combined concert band. In this position he played all trombone solos.

Phil was chosen first trombonist in a closed meeting of the directors for a picked quartet to play new compositions by David Bennett of Chicago, introduced for the first time in the south. Phil has won many honors in other music clinics held in Texas the past three years.

Phil is a pupil of Mrs. Bertie Julia Hodges and Kenneth Vaughn of the Fort Worth City schools. The Fort Worth Music Department is mighty proud of his achievements.

Phil is a grandson of J. A. Clendennen of the Fairview community. His mother will be remembered as Laura Mae Clendennen.

## LOCAL GIRL IS CHOSEN TSCW DORM ASSISTANT

DENTON, Texas, June—Miss Dorothy Greer, daughter of Mr. and Mrs. J. V. Greer of Lockney, is among the 17 Texas State College for Women students chosen as residential assistants in the college dormitories for the first semester of the summer session.

## Fry Is Qualified For Leaders Round Table of Texas

Eddie H. Fry, secretary-treasurer, Texas Leaders Round table, which is affiliated with the Texas Association of Life Underwriters, announced that R. E. Fry of Floydada has qualified as a 1948 member of the Round table.

It is a distinction for any life underwriter to qualify for membership in the Texas Leaders Round Table, Mr. Fry said, as it denotes a quality performance which entitles each member thereof to be recognized as a scholar, and good citizenship.

Miss Greer, a senior student of general home economics, is assisting in Smith-Carroll Hall.

nized as having done an outstanding job in the year 1947.

Mr. Fry, local representative of Southwestern Life Insurance company, is one of 132 field representatives of that company out of 334 for the State of Texas who qualified for this honor.

The Round table will have a meeting in Waco, Texas, June 24, the object of which will be to improve the sales technique of all members who attend.

Mr. and Mrs. Clyde Smith, of Los Angeles, California, have been here this week, guests of Mrs. Smith's parents, Mr. and Mrs. W. A. Lovell and other relatives.

Mr. and Mrs. M. L. Solomon are among the Floydada retail dealers who spent the first of the week in Dallas at the Christmas markets in gift goods.

## A honey for saving money!

Want a "date" that'll save you money?

Then "make a date to OIL-PLATE" with Conoco Nib Motor Oil, today! Because Nib Oil (Patented) saves three big ways:

(1) Nib protects against wear... with an added ingredient that fastens extra lubricant so closely to metal that cylinder walls are actually OIL-PLATED. This extra OIL-PLATING stays up... won't all drain down into the crankcase, even overnight!

(2) Nib protects against combustion acids... a second added ingredient in Nib Oil checks metal-eating engine acids... stalls formation of power-choking sludge and carbon... helps keep engines clean.

(3) Nib protects against waste. Refined from finest paraffin-base crude oils, Nib has the "body" to stand punishing heat, give full-time protection, more miles per quart! Save your car, save your money...

## Hostesses compliment Mrs. Wanda Williams With Shower Friday

**SOUTH PLAINS, June 25**—A shower in the home of Mrs. Andrew Sanders to honor Mrs. Wanda Williams was held on Friday, June 25.

Hostesses for the occasion were Mrs. Mmes. Dave Mathis, J. W. Mathis, George Beedy, W. C. Plumlee, Jesse Foster, Lewis Harston, R. G. Morris, Pete Mosley, Elmer Mosley, H. L. Marble, Elmo Reeves, Ola Warren, G. A. McAda.

Guests were registered by Miss Connie Reeves and ushered into the dining room where they were seated around the table and served ice-cream, cake squares, and mints as plate favors.

Mrs. H. L. Marble held a contest for the bride of the day, the winner being Mrs. Wanda Williams, who was presented many gifts.

Mrs. L. A. Williams, the bride's mother-in-law, and Mrs. Gertrude

Brand, sister of the bride, assisted with the gifts.

Those registering in the bride's book were Mmes. Burl Huckabee, Earl Huckabee, Lee Burton, Robert Smith, Raymond Upton, A. L. Stewart, J. R. Wiley, Howard Mosley, Otis Huckabee, L. A. Williams, J. T. Myrick, W. E. Brand, Dock Jones, Ed Davis, Arthur Brown, J. B. Smitherman, R. C. Guest, Sim Reeves, J. K. West, Austin Beedy, C. F. Fortenberry, A. H. Huckabee, H. D. Meredith.

Misses Connie Reeves, Shirley Reeves, Jeannine Foster, Nell Huckabee, Mary Young, Jean Cummings, Mona Cummings, Ann West, Almarne Lyles, and Eula Huckabee.

Many others sent gifts who could not be present.

### WATSON - TURNER

Miss Leo Maudie Watson, daughter of Mr. and Mrs. Glen Watson, Lockney, became the bride of Mr. George Dale Turner, Jr., son of Mr. and Mrs. George D. Turner, Sr., of Aiken, Sunday morning, June 20, in the home of the bride's parents.

## Lovely Bridal Shower Compliment Saturday to Mrs. Clyde Rogers

A lovely bridal shower for Mrs. Clyde Rogers (nee Margaret McKinney) was given Saturday evening, June 26, in the basement of the First Methodist church at 7:30 o'clock.

In the receiving line were Mrs. Rogers, Mrs. M. L. Solomon, Mrs. G. M. Armstrong. Guests were registered in the bride's book by Mrs. Harry Morckel. Miss Beth Hinson played several piano selections during the registration of the guests.

Mrs. Sam A. Spence gave the toast to the bride.

Mrs. A. H. Rainer and Miss Maurice Burton, assisted by Mrs. May McIntire, served punch and individual angel food squares from a lace covered table. The crystal punch bowl was surrounded with white daisies. Plate favors were silver wedding bells tied with a blue ribbon.

Hostesses for the occasion were Mesdames A. H. Rainer, Harry Morckel, N. W. Williams, Wilson Kimble, Will Snell, E. C. Henry, George Smith, Sam A. Spence, Lloyd Jones, V. H. Boteler, Ralph Gordon, Homer McDonald, Ray McEntire, P. W. Bell, and Misses Maurice Burton, Ervales Hartzell, Beatrice Davis and Alice Bell.

Thirty-five guests registered in the bride's book and many gifts were sent.

## Garden Club Studies 'Leafy Vegetables'

Floydada Garden Club met the morning of June 25 in the home of Mrs. John Stapleton. Subject of the program was "Leafy Vegetables." Roll call was answered by the members present. A poem was given by Mrs. Wilson Kimble. Flower arrangements were by Mrs. Hollis Bond and Mrs. E. L. Angus. "Leaves to Cook and Their Legends" was given by Mrs. J. B. Jenkins.

Ladies present were Mesdames E. L. Angus, B. K. Barker, Hollis Bond, J. D. Cleveland, Buren Cates, E. C. Henry, R. C. Henry, John Hoffman, J. B. Jenkins, Wilson Kimble, Roy Leslie, D. P. Mayo, J. D. McBrien, L. C. McDonald, A. P. McKinnon, E. L. Norman, O. P. Rutledge, G. V. Smith, E. F. Stovall, O. M. Watson and the hostess, Mrs. Stapleton.

The next meeting will be July 9 at 10 a. m. in the home of Mrs. O. M. Watson, 528 West Virginia street.

### TO COLORADO FOR WEDDING OF ELDEST SON AT GUFFEY

**MATADOR, June 28**—Rev. M. G. Brotherton, Methodist pastor and wife visited in Guffey, Colorado last week with their eldest son, who was married Sunday.

### MISS JO ADKISSON WED TO BOYCE RAY CHILDERS

In a double-ring ceremony in Plainview Friday morning, Miss Jo Etta Adkisson, daughter of Mr. and Mrs. W. H. Shearer of Plainview, became the bride of Mr. Boyce Ray Childers, son of Mr. and Mrs. Walter Childers of Lockney at the home of the bride's parents.

### JUNIOR G. A. MAKES PLANS ENCAMPMENT JULY 19-23

The Junior G. A. of the First Baptist Church met Monday afternoon for their regular meeting at which time plans were made for the encampment July 19 through July 23.

The next meeting time will be a social at the home of the sponsor, Mrs. W. C. Sims, on Monday, July 5, at 4 o'clock at 400 West Missouri street. All members are invited to be present.

### COOL PLEASANT WEATHER CONTRASTS WITH YEAR AGO

Floyd county people may not know just how thankful to be for the rains of the past week.

Last year during this week, the temperature climbed to 105, while the high this year came Saturday, with 93 recorded. The low last year was 65, while we had a low of 58 during the rain Sunday night.

### PITTS HOSPITAL NOTES

R. T. Mann was discharged June 27.

Mrs. Dora Reagan was released June 28.

Mr. and Mrs. Verlon Wright are the parents of a son born June 25, and named Verlon Leon.

D. F. Finn was admitted June 25 for medical treatment.

S. J. Handley was admitted June 26 for surgery.

Mrs. Dale Stringer was admitted June 28 for medical treatment.

Joe Richardson was admitted June 28 for an appendectomy.

### WORD OF APPRECIATION

Just a word of appreciation to every one that had a part in the funeral of 2nd. Lt. Chas. Leroy Cates. For the many flowers, the ladies that served the meals, The American Legion, The Funeral Directors, and to our many friends. May God's richest blessings be on each of you.

The Cates Family

### CARD OF THANKS

We sincerely appreciate your kindnesses, the expressions of love and sympathy and the beautiful flowers given at the reinterment of our husband, son and brother. Your thoughtfulness during our sad hour will be deeply cherished and always remembered.

Mrs. Oma Lee McCreavey  
Mr. and Mrs. L. E. McCreavey and family

J. E. Langford has been visiting in Seminole for the past few days with his sister, whom he hadn't seen for many years.

## Mrs. Geo. Van Wickel Installed President Home Garden club

Mrs. George Van Wickel was installed as president of "Our Home Garden club" at the last meeting in the home of Mrs. M. J. McNeil last Thursday.

Other officers installed by Mrs. Guy Ginn were: Mrs. J. W. Reue, vice-president; Mrs. Jim Willson, Jr., secretary; Mrs. M. J. McNeil, treasurer; Mrs. Aubrey Stewart, historian.

In charge of the garden cuttings for the meeting was Mrs. Ralph Johnston.

Members present at the installation were Mmes. Glen Armstrong, R. C. Clem, Robert Collier, Kinder Parris, Dick Penner, Guy Ginn, Billy Henry, Seaton Howard, Ralph Johnston, Tate Jones, John Kimble, G. E. Mayo, M. J. McNeil, Jim Potts, J. W. Reue, M. L. Solomon, Aubrey

Stewart, George Van Wickel, Jim Willson, Jr.

A luncheon and auction sale will be the next meeting July 8. Hostesses are Mmes. W. E. Garrett, Jim Potts, and Seaton Howard. The place of meeting will be announced later.

**Sun's Rays, Glass Bottles Make Heat Enough for a Fire**

A little happenstance of the believe it or not type last Thursday morning illustrates how the sun's rays are sometimes concentrated through glass to create heat enough for a blaze.

The occurrence was at the R. D. Webb home. It was a sunshiny morning. "These boxes are burning in the yard, called to Mrs. Webb.

Sure enough when she came to the door two cartons containing milk bottles on the porch ready to return to the grocer, were smoking into a blaze. Finding them at the right moment, Mrs. Webb extinguished the fire. Two or three of the bottles were broken by the heat, the cartons were damaged beyond use and the porch floor was scorched.

Mr. and Mrs. Orval Newberry and children returned last Friday from a nine day vacation trip through parts of Louisiana, Arkansas, and Missouri. Enroute, they visited briefly with friends in Seymour, Wichita Falls, Denton, and Fort Worth. They reported cool and comfortable weather after they left Texas.

Mr. and Mrs. W. C. Boren of Corpus Christi, Texas, spent from Friday until Tuesday visiting with Mr. and Mrs. Floyd Ballard, Mr. and Mrs. L. G. Withers and with Mr. and Mrs. Gene Boren of Floydada.

**Turning Yellow Leaves to Green**

COLLEGE STATION, June — Shrubs, shade trees or fruit trees in the yard that have yellow leaves on them can be given a little medicine to turn the leaves green again, says Sadie Hatfield, extension landscape gardening specialist of Texas A. & M. College.

To correct the yellow color that comes into leaves about this time of year, add about a pound of copperas and sulphur for every large shrub or small tree. Fertilizers mixed with the soil at the same time will also help prevent yellow formation in the leaves.

Spread a vegetable mulch four or five inches deep around the shrubs to keep their roots from drying out when the temperatures soar this summer. This mulch holds the moisture in the soil where the plants can get it. The mulch, spread over an area of several square feet and several inches thick, will gradually work itself into the ground.

Several different things can be used for mulching plants. Compost, grass cuttings, straw or any other kind of decaying plant material are good. The grass cuttings are good plant materials furnishing nitrogen and other plant foods. Another advantage of grass clippings is that they help make the soil acid, making iron available to the plants.

Most of the Texas soils have enough iron in them, but sometimes it is combined with other minerals and cannot be used by the plants. However, when the soil is made slightly acid, the iron is released and taken up by the plant.

In the blacklands, limestone regions and other areas where there is much lime in the soil, the iron may also be present but in combination with lime. There is another case where the iron is not available to plant use. However, ceniza, guajillo and some of the other plants common to west and southwest Texas need alkaline or lime soils, says Miss Hatfield.

**WESTERN EUROPE NEEDS A FREE TRADE UNION**

The European mess is an even worse than expected six month ago, according to Farm Journal's Washington bureau.

Many observers here are inclined to throw up their hands. The trouble with Europe, they say, is too many jealous governments, too many high tariff walls, too little freedom to travel and trade. It is principally because the United States has the largest free-trade, free-travel area in the world that we are powerful and prosperous, they argue.

If the Western Europeans could combine in one large free-trade union, as Belgium, Luxembourg, and Holland have done, there might be some hope, but that, thinks Washington, is too much to expect.

Only a point-blank refusal to supply another nickel of aid might force a change, and such a drastic move is being seriously talked of here.

Bud DuBois has resigned his place at Piggly-Wiggly as checker and has gone to Lamesa where he will be associated with J. B. Claiborne in the Piggly-Wiggly food store there.

Bud Warren has moved to Lubbock, where he is employed with Rosa Hanna in the Piggly-Wiggly Food store at Ave. Q. and 19th street.

Mr. and Mrs. Clyde Rogers of Lubbock spent the week-end visiting with Mrs. Rogers' parents, Mr. and Mrs. J. J. McKinney. Mrs. McKinney is still ill, but is doing nicely.

Schemes rarely take the place of good, hard work in the lives of those who succeed.

## New Irrigation Method Saving Lots of Water

LUBBOCK, June—A surface irrigation method that will use up to 40 per cent less water in experimental operation on the farm at Texas Technological college.

Dr. A. W. Young, head of the plant industry department and director of the project, said that a

portable system of gated galvanized pipes replaces the commonly employed "ditch" method.

The new installation which is in fact a pioneering project for the southwestern region has been used this week in the college alfalfa fields, and is being placed in the cotton and feed fields this week.

Dr. Young said the surface pipe irrigation is estimated to save from 20 to 40 per cent of the water ordinarily lost in the ditch process. It can be installed and maintained at about one-half the cost of the stationary concrete pipe system.

The process under trial now moves the water directly from the well through pipes to each row where individual gates are opened allowing water to flow directly to the

plants and plant areas. No loss of water through evaporation or seepage is possible. The pipe is cut in lengths of 10 feet and connected by friction. The entire network may be handled by one man, and may be moved easily from field to field.

Liquid fertilizer experiments are being conducted in conjunction with the irrigation project. Eight tests, four for cotton and four for milo, have been arranged to begin this month. The effects of the fertilizer after it is placed in the irrigation water will be watched in yield, depth of penetration and distribution in the soil.

## National Railway Seeks to Promote Old Mexico Trip

Possibilities of a special train on a two weeks trip to Old Mexico for plains people is indicated in a letter this week to Robert Crowell, manager of Floydada Chamber of Commerce.

The idea is advanced by the National Railway of Mexico which wants the special to run sometime this fall. Some 125 persons would have to sign up for the trip to make the special possible Baxter's letter says.

The cost per person would be about \$300 and about two weeks would be consumed. A week of this time would be spent in Mexico City. The estimate of the cost includes side trips, passport expenses and things of that kind, the Amarillo chamber executive wrote.

Crowell said this week that any local people who are interested should let him know so that he, in turn, can advise the Amarillo Chamber of Commerce what the local response is likely to be.

## Sidelights From Washington

By George Mahon  
Whether or not the recently adjourned Congress did a good or bad job will be one of the hottest issues in the national political campaign which is just beginning to shape up.

The Congress adjourned after an all-night scramble to get final House and Senate action on important pending legislation. The job was far from completed when Congress quit. But the Republican leaders felt that it would be bad political strategy for Congress to continue in session after the Republican convention.

Congress was in session for 5½ months and from my viewpoint, the session was the most strenuous one that I have attended. My special work here is on the House Appropriations committee, and this committee was in the midst of the battle over government spending from the day we met on January 6 until the final adjournment bell rang on Sunday morning, June 20. We met daily except Sunday for the purpose of considering the requests of the president, hearing testimony and debating the pros and cons of all bills which provided for the spending of the taxpayers' money. The demands were so heavy I gave up trying to write a weekly column for the newspapers.

Since Congress adjourned, I have checked the voting records of Congress and I was rather proud to be able to report that I did not miss a single vote during the session. I stayed on the job but it could well be that I may have voted wrong upon occasion. On some of the questions which arose, it was hard to know with certainty just how to vote.

One of the difficult problems was what to do about appropriating billions of dollars for foreign aid in a program designed to help Western Europe and stop Russia. After months of controversy Congress provided the money, but everybody realizes that the plan is a gamble and that it may not succeed.

Far-reaching plans were made and funds were approved for the expansion of our national defense program, especially the Air force.

In agriculture, a price support program similar to the one now in operation was approved for 1949 but long range program which was rushed through in the final hours of the session was regarded as unacceptable by Democratic members.

Appropriations for the farm program and Soil Conservation service were more liberal than last year. REA got the best treatment it has ever received. One half billion dollars in loans was provided for the expansion of the REA in the rural areas of our country. The highway and the farm-to-market road programs were continued.

Congress passed 680 bills, reduced taxes, and appropriated more than 35 billion dollars, including contract authorizations. The American people will hear much of the details of the legislation during this session from the press, radio, and speakers platform between now and the national election on November 2.

Mrs. Edd Johnson was brought home from the Lubbock hospital Sunday afternoon. She is reported to be doing fine, but it will still be at least two weeks before she can get up.

### THE STATE OF TEXAS

TO: FRED W. WARNER, ARBIE M. WARNER, ABBY M. WARNER, HARRIET J. PETERSON and husband, PASON W. PETERSON, and HARRIET J. PETERSON and husband, PAYSON W. PETERSON, and the unknown heirs of any of such named persons who may now be deceased, their heirs and legal representatives, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation,

same being the 16th day of August, A. D. 1948, then and there to answer Plaintiff's Petition filed in said Court, on the 21st day of June, A. D. 1948, in this cause, numbered 3746 on the docket of said court and styled W. J. ROSS, Plaintiff, vs. FRED W. WARNER ET AL, Defendants.

A brief statement of the nature of this suit is as follows, to wit: Suit by W. J. Ross as plaintiff against the persons first named and described in this writ, and to whom this writ is directed, as defendants, in trespass to try title, involving 305.3 acres of land out of Survey No. One (1), Certificate No. 28,204, Washington County Ry. Co., Abstract No. 295, patented to Gerhardt Kyle by Patent No. 199, dated May 9, 1878, recorded in Vol. 2-L, page 129, Deed Records of Floyd County, Texas, described by metes and bounds as follows: BEGINNING at the fence corner, the common North corner of sections Nos. 1 and 2, Washington County Ry. Co., and the Northwest Corner of this tract; THENCE East

931 varas to a point in center of public road for Northeast Corner of this tract; THENCE South 1 degree 26 minutes West 1901.6 Varas with the center of said public road to a point for the Southeast Corner of this tract; THENCE West 882.5 varas to a ¾ inch pipe set for the common South Corner of said Sections Nos. 1 and 2, and the Southwest Corner of this tract; THENCE North 1901 varas with the East line of said Section No. 2 to the place of BEGINNING; plaintiff alleging that he was lawfully seized and possessed of such premises, claiming same in fee simple, on June 1, 1948, on which date defendants unlawfully ejected plaintiff therefrom to plaintiff's damage in the sum of \$22,000.00, the reasonable rental value of the premises being \$2,000.00 per annum; plaintiff alleging that he and those under whom he holds and claims have had peaceable and adverse possession of such premises for a period of more than ten years next before filing of plaintiff's petition in this suit; plaintiff praying for

judgment for title and possession of the premises, for damages, costs, Writ of Restitution, and general relief, as is more fully shown by plaintiff's petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If this citation is not served within ninety

days after the date of its issuance, it shall be returned unexecuted and the seal of said court shall be placed thereon on the day of June, A. D. 1948.

## Officers Elected For Mt. Sequoyah Methodist Body

EL PASO, Texas.—Bishop Paul E. Martin of Little Rock, Arkansas, was re-elected chairman of the board of trustees of the Western Methodist assembly on Mt. Sequoyah, Fayetteville, Arkansas, at their annual meeting held here Wednesday, June 23, in connection with the South Central Jurisdictional conference of that denomination.

Trustees of the Assembly represent the 19 annual conferences of the church in the states of Arkansas, Kansas, Louisiana, Missouri, Nebraska, New Mexico, Oklahoma and Texas.

Other officers named were: first vice-chairman, C. W. McKeehen, Harlingen, Texas; second vice-chairman, J. M. Wilson, Floydada, Texas; secretary, Dr. H. U. Campbell, Sedalia, Missouri; superintendent and treasurer, Rev. S. M. Yancy, Fayetteville, Arkansas.

## Damages Plane but Escapes Injury in a Forced Landing

Herschell Hinson, who has been dusting cotton near Vernon, spread a little extra dust last Thursday. He started to take off. Something was wrong with his plane, and he had to make the choice of which he might hit, a high-line or a house.

Herschell barely cleared the high-line and was doing fine on his landing until he hit a ditch that the farmer next door had plowed.

The plane was badly damaged but he was unhurt.

Herschell spent last week-end visiting his parents, Mr. and Mrs. E. H. Hinson, and Beth.

Guests in the home of the J. H. Tribble family last week-end were J. R. Tribble, and wife, from Plainview, and Mr. and Mrs. Joe Fisher of Paducah.

store personnell. B. M. Robinson, sr., is senior member of the firm and general manager; W. D. Barnett is credit manager; Paul Davis sells tires and parts; M. L. Sare is Firestone territorial superintendent, although Bake, jr., introduced him as the "general flunky". He is in reality head of the electric appliance department and an experienced electrician.

Firestone asked the paper to extend their thanks for the attendance and letters of congratulations.

Several people sent flowers, which greatly helped the spirit of the opening. The two largest bouquets were sent by the Firestone house in Oklahoma City and the Floydada Southwestern Public service company.

Refrigeration is the secret of the new longer-wearing synthetic rubber, development of which was recently announced by Phillips Petroleum Company. The new technique of making this chemical rubber at low temperatures has made possible tire treads which wear as much as fifty per cent longer than treads made of natural rubber. C. C. Baird, Phillips Petroleum Company research man is using a depth gauge to measure tread wear on a test tire.

## Wm. P. Higgins Died at Amarillo Last Thursday

After living in Cedar Hill for about 45 years, W. P. Higgins, 76, died at Amarillo last Thursday afternoon. He had been living there about two months.

Funeral services were held at the Harmon Funeral chapel with Rev. L. A. Doyle officiating. Mr. Higgins had been a member of the Baptist church for 40 years. Interment was made in Floydada cemetery.

He is survived by four sisters: Mrs. T. M. Smith, Lockney; Mrs. Roy Brown, Silverton; Mrs. H. C. Bristow, Tahoka; Mrs. Jess Campbell, Silverton.

William Purdy Higgins was born in Cooke county, Texas, on October 5, 1881. Much of his life was spent in farming at Cedar Hill.

Pallbearers at the funeral were Walter Wood, Fred Brown, Bob Smith, Sid Brown, Clarence Ginn, Lee Galloway.

## Friend in Europe? remember him now

Veterans, have you a friend in Europe? During the war, some folks needed a friend pretty badly, and most of them found one. Now the friends in Europe need a pal in America.

If you have such a friend, send the name and address to the American Legion, Floydada, in care of Herschel Swepston. A package of approximately \$10.00 worth of merchandise will be sent to the name submitted free of charge by CARE.

DR. C. A. McCLELLAND JOINS HOSPITAL STAFF

LOCKNEY, June 24—Dr. G. A. McClelland, formerly of Gilmer, Texas, has joined the staff of the Floyd County Co-Operative hospi-

Take time off from labor all year round with the help of Stewart's modern, efficient methods and experienced labor. The desire to please awaits you here.

## July transfer month Parents are Told

Any student who needs to transfer schools in this county must do so during the month of July, Clarence Guffee, county superintendent, announced Saturday.

If the grade needed by the student isn't taught in his school, he must make application in the county superintendent's office, which is located in the basement of the courthouse.

"Just remember, there is no such thing as an automatic transfer," warned Mr. Guffee.

## WHEAT PAID GROWER LITTLE

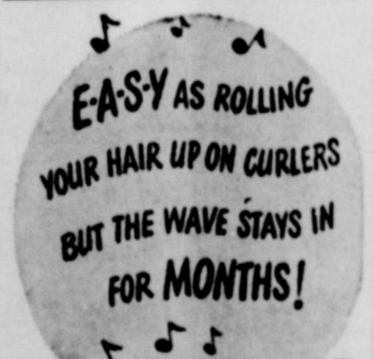

What do your farm products really bring? Have you ever figured what you get per bushel of pound after taxes. Take the quantity and price of your principal product. Find what portion it made of your total income. Then figure what portion of your Federal income tax was paid on the income from that product, subtract, and divide by the quantity. Frederick L. Spear, says in The Nebraska Taxpayer that "a farmer who produced 3,500 bushels of wheat on 100 acres in Cass County last year, selling it for \$2.50 per bushel, in reality received \$1.27 per bushel."—Ex.

Sanskrit was the ancient sacred language of the learned Hindus.

tal in Lockney, it was announced this week by hospital officials. He began his work here Wednesday morning.

Dr. and Mrs. McClelland have one daughter, Marsha, who is 18 months old. The family will move here about July 1. They will live in the new house just completed by W. J. Myers in northwest Lockney.

Hospital officials hope to move into the new building around July 10, it was said this week.

PHARMACY

## INVESTMENT PER WORKER

A chemical manufacturer told me the other day that his company has to invest or "hire" \$11,000 to put into plant, tools, and working capital in order to hire one man. In most industries the figure runs from \$6,000 to \$10,000. What does it take on a farm? How much do you have invested for each person who works? The figure will not differ much in agriculture from manufacturing. I have heard that some one estimates \$10,000 invested per person working on Iowa farms.—Wheeler McMillen in Farm Journal.

## USE DDT WITH CARE

When you spray your chicken house with DDT, keep it out of the feed. Less than half an ounce in 100 pounds of feed will cut down egg production, according to the

## American Veterinary Medical Assoc-

lation. Twice that much will also cut hatchability, and by the time you get up to two ounces in 100 pounds of feed, you'll actually kill some birds.—Farm Journal.

Mrs. Sam Bishop is much better, and is no longer in the hospital at Wichita Falls.

She is visiting in the home of her son, Mr. D. Bishop, and if she continues to improve as she is now doing, will come home this week-

### Who Left the Can of Gas in the Corner

Who left that can of gasoline in the corner? That is the question at the Plains Equipment company.

Last Friday afternoon the spark from a welder ignited the gas setting in the corner. The fireboys were called and people waited for them to come and put out the fire. The fireboys pulled the can outside before putting out the fire. Everyone was disappointed.

DR. AND MRS. THACKER HOME FROM GULF COAST

After an absence of several days at Galveston where they visited with Mrs. Thacker's sister, Edna Earl Sullivan, Dr. and Mrs. C. M.

Thacker returned home Saturday night. The polio scare which had reached almost to the epidemic stage, appeared to have let up to some extent, Dr. Thacker said. Miss Sullivan is one of several

nurses experienced in combating polio, who were sent on the special mission to Galveston to aid in the treatment of the polio patients. Get the want ad habit.

Ya kin git lonesome on th' range fer another feller t'talk' to; but in town ya sometimes git lonesome fer yerself!

### Manning Saw Lots of Rain on Austin Trip Last Week-end

"It's the first time I've ever asked to put anything like this in the paper," said A. H. Manning of his trip to Austin, "but I just had such a nice trip that I want my daughter in Phoenix, Arizona, to know about it and it will save me writing a letter."

Mr. Manning went to Austin last Friday after his daughter, Lillian Huckabee. They returned Sunday.

"It rained on me everywhere I went except Coleman, and the woman told me it hadn't rained there in nine years," he said.

Water was running into the houses between Spur and Dickens, and at Girard. The clouds had everyone scared of a tornado. Mr. Manning drove into a garage there. The garage was full and there were 16 cars grouped around it. He reported that every time there came a clap of thunder, the women in the garage jumped about three feet.

Jackie Henry spent last week at San Angelo visiting Keith Arnold.

them to Carlsbad, New Mexico, for a few days visit in the B. F. Harper home.

Billie Harper returned home with them and all spent the night again in the Julian Home.

Raymond Upton New Postmaster

Well, last week South Plains was appointed a new Postmaster. Since the death of Postmaster J. B. Jarnagin, Mrs. Jarnagin has been keeping the office. Raymond Upton is the new postmaster and will run it in connection with the grocery store. We know he will make a good one if we cooperate with him.

Mr. and Mrs. M. M. Julian spent their delayed honeymoon in Amarillo over the week-end.

Mr. and Mrs. Tommie Edwards and children, of White Flat, spent Sunday in the E. P. Smitherman home.

Mr. and Mrs. R. N. Nutt left Friday for their home in Corpus Christi after visiting some ten days with her sister and family, Mr. and Mrs. J. B. Smitherman.

Mrs. H. S. Calahan returned home the latter part of the week.

Clayton Bond has at last gotten his pump set in his well.

Mr. Lloyd Horn and Jane visited Mrs. J. B. Jarnagin a few days last week.

Donnie Wiley of San Angelo, visited home folk over the week-end.

Mr. and Mrs. Mose Darnon called on the E. P. Smithermans Sunday.

Mr. A. J. Huckabee and Nell returned from Strawn last week-end to help during harvest.

Mrs. Curtis Peasey of California visited last week with Mr. and Mrs. Art Willis.

Mrs. J. B. Jarnagin was dinner guest in the H. R. Hartman home Sunday.

Mr. and Mrs. Art Willis visited in Olton Sunday with friends.

### Golf Tournament Rained Out; to Try Again next Sunday

Between 30 and 40 golfers got rained and hailed on Sunday afternoon at the Country club as the Floydada golfers met the Crosbyton golfers on their own home ground.

"We had a good crowd," said Edd Johnson, "but we never got further than the seventh or eighth hole."

Not to be discouraged by the bad weather, the Crosbyton golfers will be back next Sunday.

### CENTER CLUB VOTES ICE CREAM SUPPER JULY 16

The Center Home Demonstration club met with Mrs. Clarence Ashton Friday afternoon, June 25, at 3 o'clock.

The club voted to have an ice cream supper, July 16, for the community at the school house. They also voted to serve the Rotary Club on July 7.

Mrs. J. L. Helm will be a delegate to the THDA meeting.

The program for the meeting was on "Hobbies." The ladies sang several old songs.

Present for the meeting were Mesdames J. E. Green, W. C. Sims, O. C. Vinson, C. M. Meredith, R. C. Ross, W. B. Jordan, Clyde Henderson, C. W. Burton, Frank Dunn, Woodrow Wilson, J. L. Montgomery, W. C. Plumlee, J. V. Greer, Welborn Miller, Travis Lightfoot, M. J. McNeill, J. L. Helm, Joe Dunavant and Mrs. Rutledge, Mrs. Meredith's mother.

The next meeting will be July 9.

Want ads save money.

### WAA

Seven hundred Amarillo Army Air Field buildings to be sold July 7 and 8 will be the last opportunity for West Texans to buy surplus buildings in that area. Public sales of camp structures at Dalhart, Pampa, Childress, Lubbock and other Panhandle sites have cleaned out WAA's remaining building inventory. Inspection of property will continue through July 6.

Telephone and electric distribution systems of the Big Spring Air Field are on sale to both priority buyers and the general public for removal from the grounds.

### South Plains News

SOUTH PLAINS, June 28—Harvest is under way, but rather slowly, as the fields get muddier as it rains almost every night. These row crops are really growing up, too. But maybe there will be some dry weather soon, as it is West Texas you know.

Mrs. Ethelene Nichols and Gene were week-end visitors in the M. M. Julian home. Mrs. Sula Julian and Kendis Julian accompanied

washed out and a new temporary bridge had to be installed this week. There was no damage to buildings. The lowlands surrounding the creek were flooded. The floods, however, were only a temporary hindrance to the all-out effort to get the grounds ready for the churches of District Nine to begin activities in this month for their youth. Numerous buildings are going up, with tabernacle and cafeteria already completed.

**Local Mill Water Damaged**  
The three buildings of the C. A. Boothe & Sons Grain company were standing in water Monday morning six or eight inches after Sunday night's rain. Mr. Boothe reported that all feed and hay next to the floor was soaking with water as late as Tuesday. His 60 horsepower electric motor for his feed mill which operates in a small pit was ruined when the pit was filled with water. The feed mill will be out of commission for several days until the motor is returned from Dallas where it has been sent for repairs.

The Kimble Milling company lost 200 or 300 pounds of grain when it was soaked with rain in Sunday night's storm. Two or three feet of water filled the boot which holds the machinery for the milling company, but the machinery is in working order.

#### Light Lines Are Damaged

### Truck and School Buses in Storage Found Vandalized

Speculation ran high among those in the know last week-end when five school buses and a privately-owned truck were found vandalized in the Floydada Rodeo association barn in east Floydada, where they were stored. The vehicles were damaged in the same manner as were those stored in the same place last summer.

Several juveniles were questioned in the county judge's office this week, but nothing definite was learned.

Lightning that accompanied Sunday night's downpour did considerable damage to lines and transformers of the Southwestern Public Service company in Floydada and in the area served by the Tuco plant.

Work crews, linemen and managers had a busy Sunday night and Monday undoing the damage done by the lightning. Several transformers were knocked out in Floydada and some of the lighter lines were burned. It made business pick up in the maintenance department. City of Floydada also had transformer trouble, including one of two burned, and some line trouble which they got under control when daylight came Monday.

**Club Dam Still Passable**  
Although not entirely washed out by the flood Sunday night the Country club dam is badly in need of repairs. About one-third of the north bank was washed away, but is still passable for cars.

"We will have it fixed in good shape before the barbecue," said B. K. Barker, secretary of the club. The officials were planning to have Bermuda grass planted on the dam to hold it during heavy rains, but have been unable to get anyone to do it for them as yet.

"Repairs will be made as soon as the machines can be taken to the Country club," said Barker, "and repairs won't be nearly so costly as a new dam would have been."

No other damage was done by the high waters, he announced.

**His Jeep Floats Away**  
A jeep, belonging to Ras Ware, hoisted its anchor and sailed a mile and a half down-stream during the heavy rains Sunday night.

Ras had loaned the jeep to several boys and the next he heard of it was a long way from where the boys left it.

Hauled into Matador, the motor was reported to be ruined and the steering gear a total loss.

**Water Sweeps Across Highway**  
Billy Brown spent the Major part of Sunday night trying to get fish-ed out of a lake located just north of the McCarty farm near the Lockney highway. The lake was so near the highway that when Billy drove into the water flowing over the highway, he was swept into the lake. The car was pulled onto the highway by a six wheel truck after two pick-ups had tried in vain.

The car spent the first of the week drying out.

**MRS. DAVIS HOME**  
Mrs. Lon Davis was brought home from the Lubbock Memorial hospital last Sunday night.

She is getting along nicely, her son, Lon Davis, jr., reports.

Antonio Stradivari was the most famous violin maker of all time.

Climbing over the steel walls of the big barn and cutting the wire around the top, whoever it was had grip firm enough to cut the wire in straight and effortless lines. Such things point out the possibility it might have been older boys or men who did the plundering.

**Dummy Left Sitting in Barn**  
The school buses were not so badly damaged this year as last. All fire extinguishers and first aid kits were removed and the gas tanks drained. A dummy made of the contents of the first-aid kits was left sitting in the barn.

The truck was more badly damaged, with an estimated expense of \$75. A fire was built in the glove compartment, burning the paint from both the inside and outside. The gas tank was drained. Both windows and the windshield were broken. Brake lines were cut with a knife, and an attempt was made to take the power cylinder off the brakes, it appeared.

"It seems unusual that little kids would know enough to try to cut out a brake cylinder," commented Ted Allen, mechanic. "I suppose someone wanted them to sell."

Last year, the same type damage was done with the exception of the seats were shredded with knives. An exact estimate of damage on the school buses is not available at this time.

### State and District PMA Officials In Floydada Tuesday

State, district, and local members of the Production and Marketing administration concluded business in Floydada Tuesday.

V. L. Cade, state committeeman, and John Gambell, district field man, were the visiting businessmen. The local committee consisted of G. B. Johnston, Lone Star; W. H. Nelson, Baker; W. F. Ferguson, McCoy.

### Mrs. Peggy Roberts Named to Succeed Mrs. Robert Finley

Mrs. Peggy Roberts has been named to succeed Mrs. Robert Finley as bookkeeper at the Southwestern Public Service company office in Floydada, effective at an early date, George W. Caven, local manager, announced this week.

Mrs. Roberts has been part-time bookkeeper for Bishop Motor company. She will be schooled in utilities bookkeeping before assuming full responsibility at the new job. Naming a new bookkeeper was made necessary by the resignation of Mrs. Robert Finley, who is to resume work at Piggy-Wiggly food store as checker.

Get the want ad habit.

### Lee Howart Hurt In Fall Saturday

Lee Howard former Floyd County Sheriff, is on the way to recovery, according to Dr. Guthrie, after suffering a slight depression fracture and concussion in a fall off a machine in the Scott Gin last Saturday afternoon.

Standing on the machine where three other men also were working Howard lost his footing and fell, hitting the smooth surface with one hand and a projecting lever with his head. He then landed on a cement curb about one foot from the machine, bruising one hip. He was rushed to the hospital in an ambulance immediately.

Mr. Howard remembers nothing about the accident from the time he started falling until he regained consciousness.

Howard is resting comfortably in the Floydada hospital, and will be able to go home in the near future.

Writing fluids, Hesperian

### Caprock water To Crosbyton

The Caprock Water Association accepted the invitation given by Hugh Nation at a meeting Tuesday afternoon.

The Association is made up of water works superintendents and employees of cities of this area.

"We've never been able to get another doctor to do the doctoring of the doctor," the doctor being doctoring the doctoring of the doctor in his own way."

It is rumored that the doctoring of the doctor is largely a matter of one being above one's own. It is better to be caught in a deed of action than in a deed of neglect.
