Award To County Exhibit Lubbock Fair

County's exhibit, arranged under supervision of A. L. Hartzog, county agent, won first place and an award in the county exhibition of the agricultural department of the Panhandle-South fair in Lubbock. The county was judged Monday.

Floyd display scored 940 and only two behind was county, with a total of 938. W. B. Griffin, former county agent in Lubbock, now county agent in Lynn, was awarded \$85 cash.

County Agent Jack Carland and C. C. Secretary Robt. added the county agent in charge and arranging the exhibits as county.

It was done by George Sam-Post, veteran judge, who was aided by exhibitors as "the star of agricultural displays in southwest."

He Ever Judged. He paid high tribute to exhibitors, describing the entire agricultural department as probably the largest and greatest array of exhibits he has ever judged.

Following the closeness of competing judges' scores, the points between first and second places, and six points in the five places.

Officials of six Lions clubs in this zone of District 2-T-1, will gather here tonight for a discussion of their common problems and plans, following the regular meeting of Floydada Lions club at the Commercial hotel. The visiting officials, including presidents and secretaries, will be guests of the Floydada club at their meeting. Entertainment feature of the evening will be a football film showing one of Tech's games last year, President Word of the Floydada club, said yesterday.

Presidents and secretaries of clubs at Abertnathy, Crosbyton, Ralls, Matador and Paducah are expected, Mr. Word said.

Marlene Hollums 4-H Gold Star Girl Again

Marlene Hollums, member of the County-Wide 4-H club has been chosen Gold Star girl for Floyd county for 1948. Marlene was selected for the award because of her outstanding work during the six years she has been a club member and for her leadership in her community. Until this year all of her work has been with the Sand Hill 4-H club.

Marlene has been reporter, recreation leader and clothing leader in her club and has had demonstrations in clothing, canning poultry and dairy stock. She has been first place winner in the County Dress revue for the past three years. Her awards included a trip to the district 4-H day at Lamesa and the district 4-H Round-Up at College Station in 1947; and the privilege of attending camp at Coza Canyon.

To make money to buy her clothes Marlene takes orders for dresses. Last year she made \$70; this year she has made \$27 and \$4 for doing janitor work at her church.

Marlene is a junior in Floydada High school.

Put Johnson on Ticket for U. S. Senator

County Judge W. E. Grimes, chairman of the election committee of Floyd county, yesterday at 4 o'clock received instructions by wire from the State Department of Texas to place the name of Lyndon B. Johnson on the official ballot for the general election as the Democratic candidate for United States senator.

Action by the State department has been held up for several days, while the matter has been in a legal tangle in state and federal courts. A stay of injunction issued by Administrative Judge Hugo Black of the U. S. Supreme court issued Tuesday, left the mandate for the secretary of state to certify Johnson's name.

Judge Grimes said he had not as yet received the list from the secretary of state certifying the candidates for other state offices, which he expects to receive this week-end, however.

The county election committee is composed of the judge, the sheriff and the county clerk.

Officials of Lions Clubs in Area to Meet Here Tonight

Officials of six Lions clubs in this zone of District 2-T-1, will gather here tonight for a discussion of their common problems and plans, following the regular meeting of Floydada Lions club at the Commercial hotel. The visiting officials, including presidents and secretaries, will be guests of the Floydada club at their meeting. Entertainment feature of the evening will be a football film showing one of Tech's games last year, President Word of the Floydada club, said yesterday.

Presidents and secretaries of clubs at Abertnathy, Crosbyton, Ralls, Matador and Paducah are expected, Mr. Word said.

To date 593 men of Floyd county have been registered for the peace-time draft according to information furnished Tuesday by Miss J. Ann Clements of Plainview, chief clerk of the Floyd, Hale, Motley, and Swisher county board. The number of registered in the four counties is 3540. Eleven have received pre-induction calls to report October 21 for physical examination.

Questionnaires are being mailed out each day, several local men having already received theirs.

Few are registering now as only the ones who become eighteen are required to register.

Jo Ann Clements, named as clerk of the board, is the daughter of Mr. and Mrs. Pelham Clements, of Providence in Floyd county.

African Adventure Film to be Shown October 13 and 14

Announcement that the African adventure film, made by the McMillan expedition last year, will be shown at the High school auditorium on the afternoons and evenings of October 13 and 14, was made this week by Guy W. Ginn, chairman of a committee of the Junior Chamber of Commerce.

The film will be sponsored jointly by the Jaycees and the Floydada High School band. It is approximately a two-hour film with sound added.

It will be shown at matinees beginning at 1:30 each day and at evening beginning at 7:30. Admission will be 50 cents for students and \$1.50 for adults.

Wrecks Claim One Life; Five Persons Injured

Two automobile wrecks, one of them a lane intersection collision north of Lockney, Tuesday, the other on a curve in southeast Floydada, last Friday resulted in the death of one and the injury of four, one of them seriously.

Norman R. Martin, 34, of Flomot, was killed almost instantly when the pickup he was driving collided with a passenger car Tuesday afternoon at an intersection of two country roads a mile east and four miles north of Lockney.

Occupants of the passenger car were Ira W. Graves, 18, of Lockney, and his brother, Winifred Graves, 16, also of Lockney. Wade Martin, cousin of the death victim, was also riding in the pickup, but was not injured seriously. All the injured were taken to the Lockney Co-Op hospital. Martin's body was taken to Carter Funeral home in Lockney.

The pickup truck was going east and the car south, both toward the intersection. Graves, driver of the car, told highway patrolmen that he had just passed a parked car and was looking back to see if it was moving. When he turned to the front again, he said his car was already within the intersection, where it struck the left side of the truck a few moments later.

Funeral services for Martin will be conducted in the Methodist church at Matador.

Survivors include Martin's wife, his parents, Mr. and Mrs. C. A. Martin, Flomot; three brothers, Lewis and J. C. Martin of Lubbock, and Quinn Martin of Matador; and two sisters, Mrs. Madelle Woods of Bakersfield, California, and Mrs. Katherine Russell of Flomot.

Alva Jackson Thought Recovering. Two Floydada men, Alva Jackson, 38, and Ovid Stanton, 24, were injured in a wreck back page.

'Wind-Jackrabbit Kick-Off' Opens Conference Football Friday Night

Conference football between teams of District 3-A, Interscholastic League of Texas, will get under way tomorrow night, at Floydada, at Lockney at Matador and at Paducah.

Floydada Whirlwinds will have as their opponents on Wester Field the Ralls Jackrabbits. Both are cellar teams, with three pre-conference losses, both are inexperienced, but both are coming fairly good and are anxious to win.

The nearly 400 fans holding reserved seats and a thousand others of this territory and from Ralls are expected to see the kick-off when the whistle blows at 8 o'clock at Wester field.

Thayne (Red) Ammonett, Flomot high star of a former day is head coach at Ralls, his assistant being Ray Hopkins. Both are Tech men. They will pit their wards against the 'Winds' coached by L. F. Gresham and Estel Baker.

Blocking, kicking and offensive line work have been pressured into the Floydada squad this week by their mentors.

Soil Supervisor Election Oct. 5 At Sand Hill

Landowners in subdivision five, which is the Southwest corner of the county are being notified by mail of the annual election of a supervisor of the Floyd County Soil Conservation district to fill the expired term of W. F. Ferguson on October 5 at 8 p. m. There will be two films shown and refreshments will be served.

County agent A. L. Hartzog urges every land owner in the district to attend and take part in the election. All farm operators and families are invited to attend the meeting and enjoy the showing of the soil saving films.

R. G. Dunlap, and W. H. Nelson, members of the Board of Supervisors of the Floyd County Soil district, Carl J. Muench and Ralph R. Cogdell of the Soil Conservation service and C. W. Burton and Herschel Green attended the field day at the Amarillo Conservation Experiment station on September 28. Several good speeches on wheat varieties for the plains, grain and forage sorghums, tillage and culture methods of farming, native and introduced grasses, cattle grazing demonstrations and related subjects adaptable to agriculture in this vicinity, were made by personnel of the United States Department of Agriculture.

A barbeque was served to about six hundred at the noon hour by the Amarillo Chamber of Commerce.

Fred Battey, a District cooperator in the Lakeview community, reports that he will make twenty more bales of cotton this year by having terraces that he would have made without them.

IN BOTTOM PANEL Caven and Crowell are shown along with heavily fruited blackeye pea vines in the Jones and Fawver 125-acre venture southwest of town. In this field harvest has been going along for two weeks.

Carrot Crop Ready To Move

An improvement in the past 10 days in the carrot markets of the big city centers has been the high sign for the Parish Farms, Incorporated, operating fields of carrots in Floyd county, to make ready to harvest and ship.

Yesterday it seemed probable that work of making the washing and sorting and shipping machinery ready at the vegetable shed on the Quannah route industrial switch would be finished this week-end. Loading, accordingly, may begin Monday. No announcement has been made by the marketing contractors nor by Ransom Walker, manager of Parish Farms, but they are said to be hoping to start up the extensive shipping machinery on that date. Preparations, and the assembly of a considerable number of harvesters and vegetable shed cleaners and packers, must be made this week-end.

E. C. Dunsing is here this mid-week overseeing the final work of installing the machinery at the vegetable shipping shed. Mr. Dunsing is a resident of the Rio Grande valley. The golden vegetable will be crated and marketed by his firm under contract.

Acres in carrots will be shipped from the L. L. Jones lease near Barwise first. Other acreage in carrots is on the Cecil Hagood farm near Lockney. Disastrous rains which caused much of their early crop to have to be re-planted kept the Parish interests from making another 300-acre planting south of Floydada on the L. L. Jones home place.

The firm sent out their first consignment of bell peppers from the Jones farm the first of the week. The peppers went to the Houston market.

BILLY WESTER TO BAYLOR

Billy Wester, son of Mr. and Mrs. J. C. Wester, left last week to enter Baylor University School of Dentistry at Dallas. Billy is a 1945 graduate of Floydada High school.

EDITORIALS

Tip to Commercial vegetable growers: If there is any market for these little hot peppers they use to make pepper sauce, somebody could get rich planting and cultivating them on the high plains, like in Floyd county. Beauty is you don't have to worry about whether the bloom will stay on or not if weather is blowy or when the wind is searing hot. Main trouble you'll have to gather them about four times, maybe five, in the season, depending on how long that may be. They say some small area in Louisiana is supposed to be the best little hot pepper producing country in the world. It could be that here also is another location for such culture.

While it is a fact that some of the workers in the United States are pricing themselves out of the market for the masses, there are others who are not, and a good many of them are in this last category. We can name quickly the pencil manufacturers, the Scotch tape makers and the vegetable people. The latter have to take a price that is effective the day their product gets to market. Sugar is another one that has not hit the high binder level like it did after the first world war. Cotton, at the producer level, is still reasonable enough, but the cotton manufacturers and their workers have had a meeting and decided they'll have a bit more of the take.

The First Bale: This year the first bale was a long time coming around after the season opened. The ginners had some trouble getting ready in Floydada. This week the event is announced nearly two weeks after it happened. So far as we know there wasn't any way around this kind of a mishap.

The Prison Rodeo is one of the things that happens annually in Texas when the prisoner within the state's walls is not forgotten. This year it happens the afternoon of October 3 and continues for five weeks each Sunday afternoon, with one Wednesday matinee thrown in. The dates are October 3, 10, 17, and 31 for Sunday matinees. The funds go to the prisoner's educational and recreation fund. This year Governor Beauford Jester will be on hand for the opening rodeo and the Hardin-Simmons band will play. Some of the boys down there are as mean as hell and some are not so mean. But they all have their day, gray walls notwithstanding their brief minute in the glory of the bright lights. The matinee date is Wednesday, October 13. It is the fastest and wildest rodeo in the United States, bar none, if you like that kind of thing. The inmates work and plan for months, and they swear it will be unequalled by any such event in Texas.

Colored folks might as well keep in mind that Texas people, or the southern people for that matter, did not originate slavery. It existed in Africa before they came to America, and in other parts of the world, since the dawn of time. There still is slavery for millions of people around the globe. The negro's appeal for safety and justice is fair. But on the other hand, if the negro slave's lot has been hard he should know that the white man of the south also has had a hard time. Both races have suffered from many ills, such as a one-crop agriculture, a protective tariff, time prices usury, inadequate schools. Never has any race made such progress as have the negroes of the south in the past 80 years. The white people may not have done their best. They have at least done more than their critics who love the negro if he is away down south where they don't have to worry with him.

Nearly everybody is familiar with the little booklets which record for the benefit of the public the income and outgo and the net per dollar or ton or mile of the railway people, the packers, the organized trainmen or workers, and how everything figures out that they should have a better deal than they are getting. Everybody also knows that, somehow or other, this all figures up to you and me paying some special group or other more for what they are doing. Now, suppose they get out one of these books showing what they are going to do will do to you and us! It seems to be forgotten that all of us have to live here or move, one or the other.

In a Bad Light: It's not the individual farmer's fault, but he may as well face the fact that the public is casting angry glances in his direction. The public is mad because prices are too high. Too many believe that it is the farmer who let prices get out of hand.

We know that when there are three buyers for only two items prices are going up. We know also that it wasn't the farmer who led the fight to remove price ceilings. But the public knows that the farmer's representatives didn't oppose this move, and in some cases added their support.

Not only has the farmer allowed himself to be placed in bad public light, but the very thing that places him in this light is hurting at the crossroads today. The prices farmers have to pay are still going up, while the price he receives have started down. And all history teaches that the farmer can expect prices he pays to continue to stay up for a long time to come. He is moving into an era of below parity conditions. An era complicated this time by below-parity public sentiment. — Southern Agriculturist.

'Winds to See Buffaloes Vs. North Texas

CANYON, Sept.—(Special) Coach L. F. Gresham, his assistant, A. E. Baker, and the Floydada High School football squad of 42 players will attend the West Texas - North Texas football game here Saturday night, Oct. 2.

Coach Gresham made arrangements for the group to attend the game while on a visit here last week. West Texas State is a member of the Border Conference which has a general policy to provide for reduced prices for high school football squads to attend conference games in a group.

The North Texas State game is expected to be one of the best ever scheduled at home by West Texas State. Coach Odus Mitchell of North Texas has a powerful team which is rated heavy favorite to defeat Coach Frank Kimbrough's Buffaloes.

Coach Mitchell is a former Buffalo, and one of the most famous ever to play at West Texas. Naturally, he would like to win an impressive victory in his first return to his Alma Mater as opponent coach. While in school here Mitchell earned letters in football, basketball, track, baseball and tennis.

Of course, Kimbrough and his Buffaloes would like nothing better than to spoil Mitchell's plans. And, the West Texas coach has some former Floydada Whirlwind players to help him out.

On the Buffalo varsity squad are four players from Floydada, Eddie

Conner, regular left halfback, Bruce Womack, tackle, Johnny Cardinal, end and Johnny Collins, reserve halfback. Womack virtually became a regular in the Texas Tech game two weeks ago when he filled in for the injured Wayne Hill and played 58 minutes. Cardinal, too, turned

in a fine game, but gives way to experience as both the Buffalo ends are seniors.

ter with its low wing design and retractable landing gear. Its primary feature is economy of operation, traceable to its 50-pound, all-steel Cobras engine, which achieves better than 35 road miles per gallon for the Crosley car and gives the M-18 a flying range of 400 miles on a tank of gasoline—eight gallons. The M-18 is priced at \$1,600, making it the world's lowest-priced airplane. Produced by Mooney Aircraft, Inc., at Wichita, Kan., it is constructed of metal, plywood and fabric.

The local entrant, Herbert Irwin of Floydada, will compete with girls and boys from 43 other states for the A & P Food Stores' \$6,000 in scholarship funds provided annually for this contest. The awards include a \$500 national championship prize, four \$200 regional prizes, thirty-three sectional awards of \$100 each and four \$10 awards in each state. Awards are made at the association's annual convention which this year will be held at Detroit, December 6-9.

The program, for junior growers from 14 to 21 years of age, stresses improved and more efficient methods of production and marketing as applied to vegetables. In making the announcement, Prof. Snyder pointed out that the contest is of particular interest in Floyd county which annually markets vegetables crops valued at approximately \$3,600.

Floyd Youth Seeks Gardening Honors

Monday Floydada Day at Tri-State

Monday of next week—opening day—is Floydada day at the Tri-State fair in Amarillo, according to Rex B. Baxter, manager of the fair, who expressed the hope that people of the town and county would take advantage of the day to visit the fair.

Feature attraction this year at the Tri-State will be the radio program, "Ladies Be Seated," for which tickets may be purchased in Floydada from the Junior Chamber of Commerce.

Floyd county will have practically the same representation in the Amarillo show as in Lubbock. County Agent A. L. Hartzog, Chamber of Commerce manager Robt. Crowell, and George Cavin of Southwestern Public Service company, will transport the agricultural exhibit from Lubbock and set it up in the Tri-State grounds this week-end, ready for the opening there Monday. The Carmack Jersey herd also will be represented in the Jersey show and there are expected to be other exhibits from this county.

AMHERST, Mass.—Floyd County will be represented in the eighth annual production-marketing contest of the National Junior Vegetable Growers association, according to an announcement by Prof. Grant B. Snyder of the University of Massachusetts, adult advisor to the NJVGA.

The local entrant, Herbert Irwin of Floydada, will compete with girls and boys from 43 other states for the A & P Food Stores' \$6,000 in scholarship funds provided annually for this contest. Drivers Institute For Bus Operators

The annual school bus drivers' institute, sponsored by the transportation division of the Texas Department of Education, was held Saturday morning in the district court room in Lubbock.

Seven counties in the area were represented at the meeting, with 197 persons registered.

E. H. Boulter, deputy state superintendent, led off the talks for the morning with a welcome to those present and an explanation of the institute.

He was followed by Set E. L. Stroud of the Texas Department of Public Safety who discussed the matter of safety in driving of school buses.

Four motion pictures, entitled "Farm Inconveniences," "The Bus Driver," "Highway Mania" and "First Aid," were shown to the group and the pictures were followed by a talk on first aid by Mose Hood of the Lubbock Fire department.

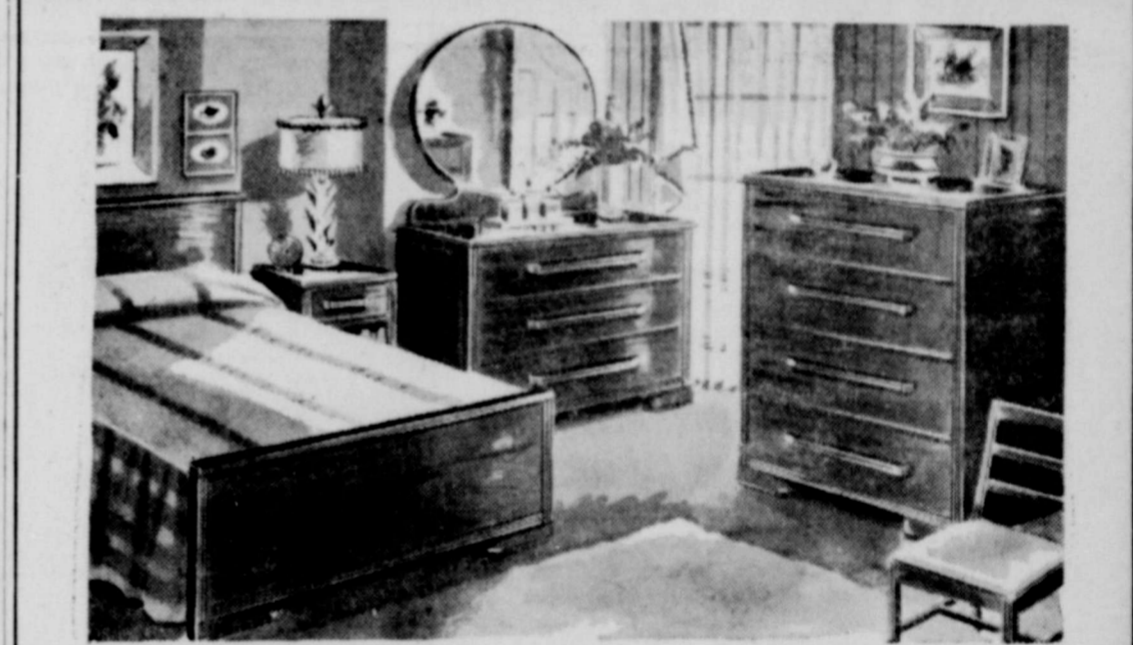

Clarence Guitee, county superintendent of Floyd county, said that sixteen bus drivers from Floyd county were present, five being absent. All bus drivers are required to attend one of these meetings, and it is possible for them to attend similar institutes to be held in other districts within the next few weeks.

SOCIETY

Nineteen Thirty Four Study Club Has First Meeting of Club Year

The Nineteen Thirty Four Study club had its first regular meeting of the year Tuesday with Mary Shaw as hostess.

The president, Bernice Stapleton, presided during the business session at which time the resignation of Ruby Evans was accepted with regrets. Two new members were voted into the club, Mrs. Ola Clonts and Mrs. Mary Katherine Hale.

Florence Crowell was leader of the discussion for the evening which was "Facing New Fronts in the Home." During the topic Florence said that "the family is as old as civilization and yet as new as today when a newly married couple start their home." Also "with the

rush of social activities today, is it worth sacrificing so much home and family life when that time is the only time we are free to be with all our family?"

Refreshments were served to Jet-tie Moss, Thelma Hoffman, Diana Gresham, Polly Cardinal, Emma Louise Johnston, Anne Wilson, Florence Crowell, Bernice Stapleton, Flora McNeill Jewell Martin, Corene Barber, Avis Muench, Margaret Collier, Mary Penner, Anne Sweptson, Frances Graves, and the hostess, Mary Shaw.

BUY MOSS LOCKNEY HOME

Mr. and Mrs. Tom V. Rankin have purchased the two-story brick home of Judge and Mrs. A. S. Moss in southwest Lockney. The home was formerly owned by Dr. and Mrs. N. E. Greer. To be given possession of within the next few days, it was reported.

They will move back to Memphis, their former home, for the winter, Judge Moss said.

Fairview News

FAIRVIEW, September 23 — Fall days are here, the temperature has dropped several degrees the last two days. The wheat that has been sown is up to a good stand on most farms. Bundle feed is being cut and shocked and early patches of combine grain is being harvested.

Mrs. Benton Ritchey who has been ill for the past two weeks has been moved from the West Texas hospital in Lubbock to the home of her daughter, Mrs. R. D. Rhodes, where she is convalescing. We hope Mrs. Ritchey can be brought home soon.

Mrs. Walton Wilson, Mrs. Clyde Bagwell, and Mrs. C. L. Joiner went to Amarillo last Monday on a shopping and business trip.

Mrs. Bill Pyatt of Lubbock left Wednesday for her home after spending a week here with her cousin, Mrs. W. B. Wilson.

Mrs. W. B. Wilson, Mrs. Bill Pyatt, Mrs. A. S. Mize, and Mrs. H. C. Randolph spent Monday at Earth where they visited Mr. and Mrs. Lawrence Randolph.

Mr. and Mrs. E. W. Walls left last week for Oklahoma City and Lexington, Oklahoma, where they will visit for a week or ten days with Mr. Wall's parents and other relatives.

Mr. and Mrs. Clyde Bagwell and Mrs. C. L. Joiner were Sunday dinner guests of Mr. and Mrs. Walton Wilson.

Those attending the Baptist association at Ralls last Wednesday were Mr. and Mrs. Walton Wilson, Mrs. W. B. Wilson, Mr. and Mrs. L. B. Cozby, Mr. and Mrs. C. H. Wise.

Rev. and Mrs. Bill O'Dell and son visited in Plainview Sunday afternoon with Rev. and Mrs. Wayne Wilcoxon.

Beverly Thomas and Betty Gail Stewart of Floydada visited Mrs. Kathryn Payne one night last week.

A farewell shower was given last Tuesday at the home of Mrs. W. B. Wilson for Mr. and Mrs. L. A. Horton. A large crowd attended and many lovely gifts were received by the honorees.

Mr. and Mrs. Horton moved to Plainview Thursday where they will make their home after living in the Fairview Community for more than twenty years.

Mrs. F. O. Conner visited one afternoon last week with Mrs. Clyde Bagwell and her mother, Mrs. Joiner.

Center News

CENTER, September 27 — My the nights are cool! Mornings have a real autumn pinch; cotton is opening; feed grain is ripening, foliage is turning brown, all reminding us that old man Winter is just around the corner.

A good crowd was at Sunday School, but B. T. U. attendance was slim. Let us be loyal to church organizations. Come and bring someone with you.

Mr. and Mrs. C. L. Ashton and Bobby dined with Mr. and Mrs. Joe Dunn and family Sunday.

Mrs. Melvin Ross and son arrived Sunday morning by bus from San Samon, Arizona. They are guests of Mr. and Mrs. R. C. Ross and Norma June. Melvin had left Saturday to move his family back to Floyd county. They will make their home at Lone Star where they lived before moving to Arizona some two and a half years ago.

Frances Ashton was a Sunday dinner guest of Clara Mae Jones.

Christine Jones spent the week end in Canyon with friends.

Lowene Williams spent Thursday night with Frances Ashton.

Mr. and Mrs. J. E. Green visited in the W. A. Latta and Gordon Apple homes at Mt. Blanco Sunday afternoon.

Clyde Green, Margaret Green, both of Wayland college, and Don Green of Lockney, visited their parents Sunday afternoon.

The Home Demonstration club meets Friday, October 1, with Mrs. C. M. Meredith. All ladies are in-

vited to come and be with us. Come to W. M. S. Monday afternoon at 3:30 and bring your gifts for overseas relief. Bring canned or dried foods, good used clothing, and quilts, blankets and sheets. Cash will be accepted. Please, in enjoying our own evident security, let us not forget that winter will soon be here and many in war-torn countries are needing things to eat and to protect them from the cold. Further announcements will be made at the club Friday afternoon.

The collection of food sent to the orphan's home was a bountiful one. All donations were appreciated.

ATTEND OKLAHOMA FUNERAL

Mr. and Mrs. O. E. Murry and Otis Campsey returned home Tuesday from Sulphur, Oklahoma, where they attended funeral rites for Mr. Murry's brother-in-law, Jim Coffman on Monday.

Mr. Coffman died Friday of last week.

Prevention Week Stresses Saving Lives

Prevention week in Floydada will stress the saving of lives. The week is being observed from October 3 to October 9, and this week local authorities are announcing plans for the week.

The city hall Fire Marshal said that posters stressing prevention are to be displayed and that the annual inspection of public places, including businesses, and especially such places as school houses and other buildings where considerable numbers of people gather.

Prizes at School

The schools Superintendent I. T. said early in the week that prizes for the week had not been announced at that time. "However, something educational,"

the superintendent said. "Last year we featured themes on fire prevention. This year possibly the program will be changed somewhat. The superintendent said that fire drills would be a part of the program for the week. Extreme care in permitting waste to gather in corners will be used at the schools and the effort made to have all activities comply with the strict requirements of the fire code.

With the loss of lives always goes the loss of property as well, and skyrocketing valuations are causing many property owners to scan their fire insurance policies to see if their protection in this respect is ample. Fire insurance underwriters point to the fact that fire prevention is the best fire protection, and that low fire record also means low insurance costs.

Jaycee Essay Contest

The Jaycees are sponsoring an essay contest during Fire Prevention week which begins October 3. Essays will be written by students in Andrews ward, North ward, and High school. Teachers in each school will select the five best essays which will then be read by the reading committee of the Fire Prevention program. First, second, and third prizes will be awarded to the

Friday's Games Begin to Unravel Yarn For Teams of District 3-A

Tomorrow's games in District 3-A are destined to start telling a story since they are the first conference games of this season. Up to now all anyone could do as far as comparison was just guess and hope.

This week Ralls and Floydada fight to come out of the cellar when they tangle at Floydada. Neither team has won a game and both will be in there tooth and nail to mark up the first victory.

Matador and Spur are scheduled to meet at Matador for their first conference game. Spur looking the

strongest, but playing on Matador territory.

Crosbyton travels to Paducah to have a fling at their first conference win, while the Abernathy Antelope journey to Lockney to take a whack at the strong Longhorn squad.

Floydada and Ralls will compete with Abernathy and Lockney for the fans' six-bits in this part of the country this week. Ralls and Floydada will be more evenly matched, and will represent the better game in view of the fact that both teams are trying for their first win of the 48 season.

Fund Complete For DDT Spray

Mrs. Clyde W. Henderson, who headed a corps of volunteers in the city to raise funds for the purchase of a city-owned DDT fogging machine, announced this week that the fund had been completed for the purchase of a machine such as was planned when the campaign was started.

The fund which the women raised stood at \$1433.42 cash in hand, with \$295 indicated to be collected through donations with the payment of water bills.

"More is promised if we need it and there are a few we have not seen," said Mrs. Henderson this week. "Should the city council decide that a higher-priced machine is needed or more desirable we think we can raise what additional money might be needed. The fact is that towns which got sprays to working and cleaned up their premises, streets and alleys, seemed to be able to stop polio."

In addition to Mrs. Henderson the following volunteers were appointed by her as block captains and worked faithfully, Mrs. Henderson said:

Block Captains Named
Miss Jo Muncy, Miss Eddie Ruth Muncy, Miss Mary Kendricks, Miss Doneice Cline;

Miss Hutchinson Wed At Scranton, Pa., to Raymond Eckenrode

MONAHANS, Texas, Sept. 16—The marriage of Miss Barbara Beth Hutchinson, daughter of Mr. and Mrs. J. A. Hutchinson of Floydada, Texas, and former Monahans residents, to Raymond C. Eckenrode of Washington, D. C., son of Mrs. Marie Eckenrode of Scranton, Penn., was solemnized before an altar of white gladioli by Reverend Gerald McCabe in the Church of the Nativity in Scranton. The double ring ceremony was performed at 9 a. m. on August 21. Arthur Farrell, soloist, sang "On This Day" and "Ave Maria."

Max G. McDaniel, uncle of the bride, gave his niece in marriage. She was attired in a wedding gown of white slipper satin featuring the off-shoulder effect with insert of maline, berth neckline, long sleeves tapering to points over the wrist, basque bodice scalloped at the waist and a full skirt with hoop and short train. Her veil of illusion cascaded from a crown of starched lace and was edged with matching lace. She wore a single strand of pearls and carried a colonial bouquet of white roses with an orchid in the center.

Miss Jane Conway of Washington, D. C. was maid of honor. She wore orchid-pink taffeta with off-the-shoulder neckline, double row of appliqued self material around the yoke and a fitted bodice and full hoop skirt which was also appliqued with four rows of the material. She carried a colonial bouquet of pink roses and purple delphinium and wore a single strand of pearls and a crownless maribou hat to match her dress.

Miss Eileen Kregley of Scranton, a cousin of the bridegroom, was the bridesmaid. Her dress of ice blue taffeta was identical to that worn

Mr. and Mrs. Raymond C. Eckenrode

by the maid of honor. She wore a natural crownless hat trimmed with maribou and a single strand of pearls. She carried a colonial bouquet of yellow roses and blue delphinium.

John L. Eckenrode attended his brother as best man. Paul Edden, Washington, William Stein and George Senberg were the ushers.

A wedding breakfast was served at the home of the bridegroom's mother and a reception followed in P. O. S. of A. Hall. The bridegroom's mother wore black crepe with matching accessories and corsage of pink roses.

The newlyweds spent their honeymoon in the Poconos. For traveling, the bride wore a light blue shark-skin dress with white accessories and an orchid corsage.

The bride is a graduate of Monahans High School and is employed by the Federal Bureau of Investigation in Washington. Her husband was graduated from St. Mary's High School and is attending evening sessions at Southwestern University in Washington. He also is employed by the FBI.

SAND HILL DEMONSTRATION CLUB ACTIVE IN AFFAIRS OF COMMUNITY BETTERMENT

The Sand Hill Home Demonstration club met Wednesday, September 22 at 2:30 p. m. in the club room with Mrs. C. B. Carmack as hostess.

In Cotton Harvesting Costs with a JOHN DEERE 2-ROW COTTON HARVESTER

The easiest way to boost your cotton-growing profits is to use a John Deere No. 15 Two-Row Cotton Harvester. Based on 1947 labor cost, it saves \$30 or more per bale over hand pulling... does an excellent job in any crop that's suitable for mechanical stripping.

Handling two forty-inch rows at a time, the No. 15 does a clean, efficient once-over job of saving bolls. It's work is considered by many gin operators superior to cotton stripped by the average hand puller.

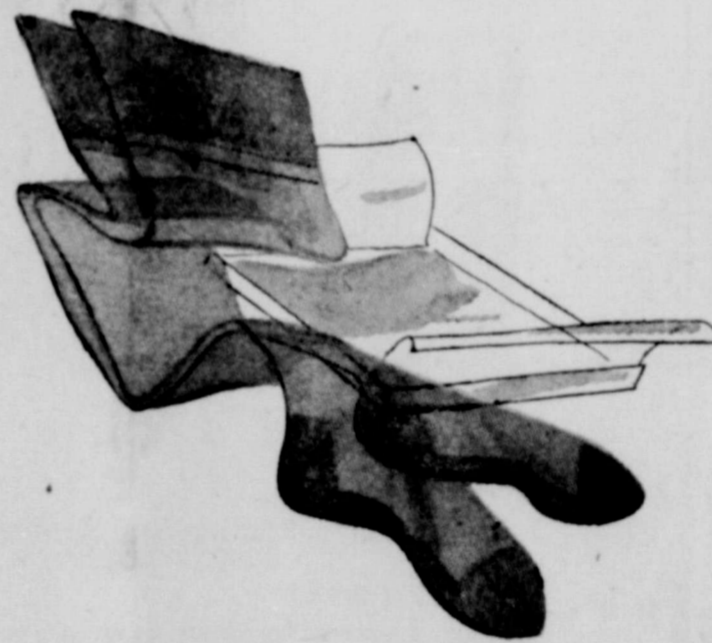

With the John Deere, you, too, can make short work of your harvest... get all your cotton to the gin before bad weather causes crop losses.

We have unloaded a carload of these harvesters—our allotment for this season—to sell as long as they last.

Notes at Cafeteria

Lead to Digestion

Lead Good Manners

The new cafeteria is indeed an improvement to Floydada High School. The room is bright and neat room is seventy feet long and twenty-five feet wide. There are new tables and folding chairs

harmonize with the white walls of the spacious building.

We have long needed a high school cafeteria, and the faculty and the student body greatly enjoy the convenience of a hot lunch at noon. Since cafeteria opened two weeks ago, the number of those who are eating has grown from one hundred to one hundred forty.

Cooperation Commended

Most of the student body has cooperated very nicely with the officials and we wish to commend you for this. However, there are a few rules which we are asking you to observe.

1. Please do not rush to the cafeteria; all the students are served in fifteen minutes. No one will have to wait long. Therefore, we are asking that you walk to the cafeteria.

2. Wait at the door until your number has been checked off. This

will save much time and work for the secretary.

3. Go down the lane on the right-hand side of the room.
 4. Take straws only with milk.
 5. Eat slowly. This is not only good manners, but it also promotes good health.

6. Conversation is not to be prohibited, but you are asked not to be boisterous.

We feel that you have been only thoughtful, not purposely rude. And we are counting on you to help make our new cafeteria a real success.

Candid Camera

Our personality this week is a very charming blonde. She is the little gal that goes by the name of Christeen Jones better known as "Chris". Chris has something that everyone envies, darling little dimples that pop out all over her face when she smiles. She has deep blue eyes, blonde hair, a curvaceous figure, 5 feet 6 1/2 inches tall and weighing 126 pounds. Chris is a native Floydadan.

During Chris's four years in high school her class has bestowed on her many honors by selecting her for their candidate for F. F. A. Sweetheart for two years. Chris was also crowned Queen for '47 and the head cheer leader this year.

"Chris" has many likes but she decided her favorites are green, white, red roses, all kinds of foods, initiating pledges, "The Bride Goes Wild," Butch Jenkins, Esther Williams, June Allyson, leading the pep squad, football, eating, sleeping, and going. Her very few dislikes are catty people, bookkeeping, avocados, and Edward G. Robinson.

Chris's favorite slang expressions are "My Cow" and "My Gosh."

When Chris was asked about her ideal boy she thought a moment and decided he must have curly red hair, brown eyes, a real wonderful personality, must be able to get along with all people, dress well, a good physique of six feet, and love for all kinds of sports. Christeen is still looking, so any one with these qualifications please see her immediately.

Chris's ideal school would begin at 10:30 on the dot. Chapel would be first period with live music on the program. Second period would be one hour of swimming in the school's new gym under Esther Williams. The noon hour should last until 2:00. From 2:00 - 3:00 o'clock would be spent in P. E. class with Van Johnson as the instructor. P. E. would offer such sports as bowling, basketball, etc. A tiresome day of school would finally end at 3:00 o'clock. (We can dream anyway, can't we?)

Christeen's most exciting moment was when she was informed of being Queen (a name which really suits Chris) and Cheer leader. Her most embarrassing moment was when she was a Fish. She was sitting at the back of the study hall and a group of boys in the front. They were paying Kelly Haggood money to come back and kiss her. Chris said when she found this out she hurriedly left the study hall.

Christeen's ambition is to be a secretary.

Chris, we want to say that we are very proud that you belong to us because students like you are the ones who make F. H. S. a grand place!

PROGRESS ON PLAY

The rehearsals of the three act comedy, "That Crazy Smith Family," have begun to show progress this week. The show is coming along very nicely. All the characters

DE QUACKER

Gossip, Gossip, all you little children really did pitch in and help poor, little me with the news this week. I really do appreciate it and by all means keep up the good work.

I found a note the other day to Brad Beedy from Chris Jones. It seems she had a pretty important question to ask or she was just hinting for a date??? We shall see. But I hear Brad wouldn't mind going with Joy McCreavy ---

I also hear that Nita Anderson has a heart throb from Lockney. But I hear he doesn't care anymore. Come on Nita, Keep trying

I see that Mary Alice Plumlee is wearing a diamond; but I also hear she would like to go with the captain of the football team. Could it be Bill-Jeter???

Evelyn Holder, have you decided who it is going to be??? Jack or Bob? Don't keep the poor boys in suspense.

Well, well do my eyes deceive me or was Arlene Beedy with Wade Payne in Tulla Friday night? Hubs Huba

George Owens and David can't make up their mind who is going to get Barbara Mitchell. Let her pick!

Mary Alice Grubbs, who did I see you in the show with the other night? Could it have been Dub Threadgill?

I wonder if Johnny Lloyd still wants to go with Estell Richardson?

Well, it seems like Roberta Garrett and Dale Johnson have been getting along pretty good in the study hall! What's Mayfield gonna say, Huh! ?

What was it that Hope was dreaming about in Geom. class Monday?

It seems like Buddy Peterson is really having the time of his life since school started.

What's this I hear about Kenneth Ring asking other girls to go to the ball game with him and not asking Eunice Welborn

Ruth Riegles, what happened to you and Douglas Beedy? ?? Is he still playing Romeo with the other girls? ??

Genell and Thomas Wayne have been getting along pretty good. Keep hold of him, Genelle.

Have not been elected yet but probably will be named next week. There will be more news of the show later on so be on the look out for news of "That Crazy Smith Family."

I hear Anne West likes Junior Johnson. Could this be a new Romance? ? Ahhh

Didn't I see a note passed from Peanut's hand to LaJuana McAda the other day? I wonder what it said? ? ?

I hear Barbara Dutton sure thinks Cecil McAda is cute! ?

It seems that Sherwyn, Jane, and Betty Jean are getting mad because Wilma is eating dinner every day with their boy friends. Too bad girls.

What has happened to Margie Herring and Billy Rae Foster lately? Hubert Ring was wearing Doris Dyer's bracelet that Jackie Calvin gave her. I wonder what Jackie

will say about this???

Who will it be, Arlene? Randall?? Dell? Bill? Wade?? or? Duhhh!!

June Britton, have I seen Bob Wooten flirting with you??

Juanell have you decided? Is it going to be Louis Warren, Baker, or Jerrold?? I wonder ?? ?

Jennie Chowning, how are you and Bobby getting along ? ? ?

Who on earth was with Bradford when he put his drum up after pep rally Tuesday morning? Mary, this looks bad for you Jon! ?

What has happened to Bill W. Lou Rita? Did he forget you??

Chuck sure would like to go with Clara Mae Jones. How about giving the boys a chance, Clara Mae?

Connie Reeves and Hansel San-

ders are getting pretty serious! ?

How are Bobby Harless and his girlfriends doing.

Gerold Vinson seemed to be having a good time with Johnny Ruth-

erford in the back seat of Jon Parkey's car Saturday night!

What's this I hear about George Spears and Lorena Willford Friday night? ? What's A. J. W. going to say? ?

Doris Bollman seems to have a flame this year. She has Billy Gene Garrison on her books and really seems happy when Rotan is mentioned.

Why does Johnnie R. want to ride in a new Ford? Could it be because Jimmy Hammonds drives one and if

THE CARMACK HATCHERY

Again In Operation

After selling my dairy interest to Lyndale Dairy, we are going to operate the Carmack Hatchery.

We will handle a good line of Poultry and Dairy Feeds and will appreciate any business given us. We will try to show our appreciation by furnishing you with as good feeds as it is possible to obtain, and the best chicks it is possible for us to hatch.

WE WILL OPERATE IN THE SAME BUILDING THE DAIRY PLANT HAS BEEN OPERATING IN

And will appreciate your calling on us and talking Feeds and Chicks.

Would like to contact anyone having eggs that are hatchable and will try to make it worth your while.

Will be open for business about November 1, but would like to contact you regarding your eggs as soon as possible.

Blackhawks Defeat Floydada Chapter Whirlwinds 31 to 6

The Phillips Blackhawks defeated the Whirlwinds Friday night at Phillips, but the Winds showed great improvement and will have some good experience to meet the Rails Jackrabbits. The Floydada - Phillips game opened with Tommy Moore, speedy right half, dashing 40 yards to the six where he went over for Phillips' first tally. Williams kicked with Jeter taking the ball to about the 20 yard line where the Winds were stopped, and Phillips took over with Eldridge running 32 yards for his first tally out of three, before the period ended.
It was Phillips again, this time taking to the air with Hughes to Eldridge for 47 yards for the third score. It was Floydada this time, with Jeter and Bishop driving to the six yard line where Pinley shot a pass to Perry for Whirlwinds' only score. A fumble gave Braden for Phillips a chance to run 18 yards for the Blackhawks' fourth score. Eldridge again this time ran a punt back 85 yards and ended the scoring for the night, 31 - 6!
YEA! WHIRLWINDS!

The Floydada Chapter of F. H. A. held their first meeting September 23 at noon in the food lab. The purpose of the meeting was to re-organize and elect officers.
Mrs. Baker served as chairman until the president, Joy McCravey, was elected. Joy then took over. Katie Collier was elected vice-president; Chris Jones, secretary; Gladys Roberts, reporter; Juanita Huckabee, Sgt.-at-arms; and Gloria Ratjen, song leader.
The sponsor and two delegates from Floydada are to attend a F. H. A. meeting at Canyon Saturday. The club decided that the president and vice-president should go as delegates.
The meeting was then adjourned.

The 1949 Whirlwind Aggie News Staff Is Chosen

Plans for "The 1949 Whirlwind" were begun thus with the selection of the staff members, and the soliciting of subscriptions. Students who have been chosen to edit this year's book are Hope McIntosh, editor-in-chief; Bradford Beedy, assistant editor; Gene Dale Jackson, business manager; Gladys Roberts, assistant business manager; Sammie Shultz, literary editor; Floyd Fuqua, artist; Bob White, photographer; and H. G. Barber and Anne Swepton, sponsors.

Aggie News

Billy Shipley, president, and Delton Waggoner, sentinel, were chosen as delegates Monday to attend the Plainview district meeting with Mr. Barber at Plainview.
Mr. Rhine, the area supervisor of Area 1, and all teachers and delegates were present from the F. F. A. Chapters in the Plainview district.
Billy Shipley, acting as temporary president, called the meeting to order at 4:30 o'clock. As the officers were elected, they took their stations. Billy Shipley was elected as a vice-president.
After a short business session the meeting adjourned.
A Floydada Chapter meeting will be held Wednesday night, September 29, for the initiation of the hands.

Phillips Game
Whirlwinds

Phillips' trek to Phillips netted 31 to 6 loss but revived the team's experience gained in Lubbock. Mr. and Mrs. Bedford, Mickey Smart, C. H. and O. M. W.

had the game very definitely under control in both power and deception, making four of their five scores in that period. However after the half the Whirlwinds came back with renewed zest to score early in the third quarter. The third period score came against the Phillips starting eleven although the second string saw some action, a short time in whole and the rest of the time only in part.

One of the more encouraging Whirlwind improvements was the punt average which was 34 yards, mostly into the strong wind, as compared to the 6 yard average of the Tullia game. The line, an inexperienced one, came to life catching on more and more to the know-how of defense and offense both. By two more games they should be making it very tough on any attempts at power plays by their opponents.

Telegram of Encouragement

Not a very large delegation of Floydada people attended the game, in fact only a hand full, but the telegrams of encouragement from the business men, and there were not being let down. Any backing, any show of appreciation, or any interest in the boys makes them feel like they aren't alone so if you are for them don't hesitate to let them know. Though possibly not the best team in the world they are the best boys in the world, and if they lose you can bet it was while they were trying their best to win. They are sportsmen and anyone would do well to lose a game with the same spirit "our" Whirlwind team shows.

Local Horses Win In Six-State Show At Albuquerque

Indicating undoubted quality of horse flesh produced by Floyd county breeders was the outcome of the American and the National Quarter Horse show held in Albuquerque, New Mexico, last week, when three animals put in the competition by Jack Johnson and J. B. Shurbet, of Floydada, brought home six ribbons won in classes in which they were entered. The show was a part of the New Mexico State fair.

Shurbet had a yearling stud and a yearling filley in the show. The stud colt won a first, a second and a third. His filley got a fourth and a fifth place in classes of her division.

Johnson's filley, Floydada Fly, won second place in the halter show and third in the reining class. Several hundred quarter horse animals and Palominos were in the show.

Albuquerque went horse crazy during the week, what with the quarter horses and the races, in which nearly 1,700 thoroughbred race horses were entered.

BOYCE HOUSE "GIVES YOU TEXAS"

A classic newspaper story is the one about the telegraph editor of the Little Rock Democrat many years ago who was going through a long article with a pencil in his hand. A friend asked, "What are you doing?" He replied, "I'm editing the President's message." The friend exclaimed, "What! You, a \$35-a-week newspaperman editing the message of the president of the United States!"

But the other was undisturbed. He countered, "I'd edit the Sermon finite in it."

Well, that reminds me of the time on the Mount if I found a split in that I "edited" the speech of a justice of the Supreme Court of the United States.

Several years ago, when the State Bar Association was meeting in Houston, I was assisting the association by acting in a public relations capacity. An Associate Justice of the U. S. Supreme Court was to speak and it was late in the afternoon that the copy of the address he was to make that night was delivered to me. (I was to furnish a condensed copy to the newspapers.)

In paying tribute to the vast size of Texas, he stated, "from Amarillo to Brownsville and from El Paso to Shreveport."

With considerable nervousness, I called his room, got him on the phone and said that no disrespect

was intended but what that I had a suggestion to offer.

"You and I know, of course, that Shreveport is in Louisiana," I said, "but some of your listeners might not know that you know that. We usually express the idea, 'from El Paso to Texarkana.'"

In a very courteous tone, the Justice said, "Go ahead and change it."

And so that is how, though I have never "edited" a message of a President, I did "edit" a speech by a member of the United States Supreme Court.

Mr. and Mrs. W. B. Jones are in Hot Springs, New Mexico where they are taking health baths.

CABLE MONEY ORDER SERVICE RESUMED TO GERMANY

Resumption of cable money order service to all civilians in Germany, except Berlin and the Russian Zone, was announced today by A. M. Wiley, local Western Union manager. Money orders, although unlimited in amount, are restricted to charitable, personal or family purposes, Mr. Wiley stated. Payment will be made abroad in Deutsche marks, subject to the usual internal charges made for remittances in Germany.

United States authorized personnel stationed in the American zone of Germany will continue to be paid money order remittances in form of U. S. military payment certificates or U. S. dollar travelers cheques.

A LITTLE ARSENIC FOR GROWTH

Poultry feeding specialists report that the "unknown factor" in poultry nutrition remains unknown and that efforts to identify it will be continued. One recent effort in that direction, however, has brought into the picture another chemical, one of the arsenic acids, which has a striking effect in promoting poultry growth when fed in extremely minute quantities says the U. S. Department of Agriculture. The new chemical will work with the "unknown" and the combination gives better results than either alone.

The "unknown factor" was discovered three years ago by H. R. Bird and Max Rubin of the Bureau of Animal Industry. It exists in certain fish meals and also in cow manure, from which it can be extracted. But they have not been able to identify it chemically.

Meantime other poultry experimenters, seeking a medical treatment for coccidiosis, found that one of the medicines when diluted had a surprising effect in stimulating growth of the dosed chickens. The name of this chemical is 3-nitro, 4-hydroxyphenyl arsenic acid.

Since the reported effects were somewhat similar, the Bureau investigators thought it possible that his chemical might be the "unknown factor." They started feeding tests with matched groups of chickens. One group was on a basic diet, a second on a diet with addition of the "unknown factor," and a third with arsenic acid added. These tests confirmed the growth promoting power of the arsenic acid, but made clear it was not the "unknown."

Further tests showed that both the "unknown" and the arsenic compound could be added, and get a still better rate of growth. But doubling the arsenic acid did not improve results. On the contrary! Addition of one two-hundredth of one percent gave good results, but one one-hundredth of the percent was definitely too much.

The experimenters, therefore, do not encourage poultry keepers to experiment with adding this chemical to the mash. After further tests, some way may be worked out to make use of the chemical in commercial mixed feeds, but "under careful regulation."

Improve Dairy Breeding

As a result of improvements in artificial-insemination technique in the last 9 years one good dairy bull now serves about four times as many cows as was possible in 1939 when the first artificial insemination association was set up in the United States, says the U. S. Department of Agriculture.

As of January 1 this year, the Bureau of Dairy Industry reports there were 963 of these associations that included 224,493 herds and 1,743,327 cows. The association owned 1,745 bulls or approximately one bull to 228 enrolled cows.

These dairy-cattle-breeding associations, says the Bureau, provided an effective means for making the fullest use of the outstanding sires developed in dairy herd improvement association herds. Sires "proved" for high production can thus sire many more offsprings than they could under the natural style of breeding. Approximately one-fourth of all the bulls used by the artificial insemination associations are bulls that have previously demonstrated their value. Records for the last year showed that the daughters of the 426 "proved" bulls produced on an average 433 of butter fat compared with 407 pounds by the dams of these daughters.

Resources studies, legislative attitudes of the area and water conservation problems were among the matters discussed at the meeting, which was largely attended by representatives of towns in the organization's District No. 2. Among those from Floydada attending the half-day study were Mayor F. C. Harmon, Chamber of Commerce President J. W. Reue and Manager Robt. Crowell, County Judge-elect G. C. Tubbs, and County Agent A. L. Hartzog.

Car Wreck

(Continued From First Page)
jured in an accident here early Friday morning when the car in which they were riding, a 1933 Ford, struck a railroad track.

The accident occurred about 5:45 on the Mator highway. Stanton's car was heading west when it went into a ditch, struck the tracks, knocked down a warning post and came to rest about forty feet from the tracks headed east.

Both occupants were thrown clear of the automobile and the engine was lying on the ground beside it.

A Harmon ambulance was summoned and the victims were taken to Floydada hospital for treatment. Both men were unconscious upon arrival at the hospital. Stanton was the first to recover. He was conscious Sunday and after observation was released Monday afternoon.

Jackson was the more seriously injured of the two, and the extent of his injuries have not been determined, although his condition is showing improvement.

CUB SCOUT AWARDS

Individual awards were made to eight cubs at the pack meeting Friday evening of last week. Ray Luper, field scout executive of the Blain district, was present and made the awards in an impressive ceremony to Doyle Grundy, Lion gold arrow; Rex Jones, Wolfe badge; Norman Gant, Wolfe badge; Aubrey K. Terrell, Bob Cat; Roger Poage, Bob Cat; Gordon Joiner, Golden arrow; Jimmie Collins, Lion and Larry White, scrap book.

The exhibit for the dens during the month were hobby collections of the cubs. Den 2 won first place and Den 1 second place.

Parents of the cubs have to be present to receive the awards and then present them to their respective sons.

HERE FOR DAILY RITES

Out of town relatives and friends who were here last week to attend the funeral of Mrs. W. P. Daily were Mr. and Mrs. Albert Talkington and son, I. L. Talkington, Jr. of Russellville, Arkansas, Dalton Daily of Houston, Mrs. R. R. English, Mrs. J. C. Goodwin, Mrs. C. A. Cantrell, Miss Alene Marring, and Meed Griffin, all of Plainview, Miss Marjorie Morehead of Brownfield, Mr. and Mrs. Kenneth Henry of Vernon, and Mr. and Mrs. Arthur Barker of Lockney.

Farm Placement Office is Opened

Joseph Von Wernich, field representative of Texas Employment commission, announced yesterday that he had opened a Farm Placement office at Lockney, where he will be located adjacent to the Consumers Fuel association, which is on the loop of the highway south of Main street.

Von Wernich expects to have to concern himself principally with getting cotton harvesters and cotton producers together, but will also aid in any type of farm employment problem as he can. He anticipates his services will be needed for about a month in the county.

It will be his effort to place the considerable movement of cotton harvesters westward into fields of the county, particularly in the irrigation belt, where a very considerable demand is indicated shortly. A few calls are already coming in.

Von Wernich speaks both English and Spanish and will be able thus to get the Mexican workmen and their English-speaking employers together with little difficulty. His telephone No. is 17, should his services be needed.

Breezers Journey To Ralls Tonight

In their second game of the season, the eighth grade Breezers will match their skill against that of the eighth grade team of Ralls in another game away from home tonight beginning at 7:15.

Last week the Breezers lost to the eighth grade at Lockney and the seventh grade air-conditioners came out winners over the same grade at Lockney.

First string for the game tonight, as announced by Coach Robert Fisher is: L.E. Franklin Siovally; L.T. George Plew; L.G. Lewis Reddy; C. Denny Smalley; R.G. George Burgett; R.T. Don Evans; R.E. Kerwin Baxter; Q.B. Connie Beard; L.H. Adrian Helms; F.B. Billy Charles Carmack and R.H. Bert Grimes.

Second string will be Elmo Fortenberry, Virgil Warren, Mack Hickerson, Eugene Reynolds, Melvin McPeak, A. C. Pratt, Charles Hartman, Troy McNeil, Carrol Handley, W. J. Hartline and Glenn Parkey. Possibly Jerry Oden and Donald Grigsby will see action during the game.

GRANDMOTHER OF CHARLIE SMITH, LOCKNEY, SUCCUMBS AT BLUE RIDGE, TEXAS

Mrs. Lizzie Vanbibber, grandmother of Charlie Smith of Lockney, died at her home in Blue Ridge Saturday morning of last week. She was 87 years of age and the oldest living member of the Blue Ridge Methodist church.

Mr. and Mrs. Charlie Smith and children and Al Smith attended the services which were held Sunday at Blue Ridge Methodist church.

Mary Lou Wise visited last week in Lubbock with her aunt, Mrs. S. K. Porter.

Mrs. Angus Glad To Help Veterans

Mrs. Winnie Angus, Home Service secretary of the Red Cross for Floyd county, attended a Home Service conference of workers in this district, Monday of last week in Lubbock. Miss Waring of the St. Louis office of the Red Cross was the instructor for the day. Mrs. R. G. Mathews, Red Cross field director at the Veterans administration office, explained the new public laws, passed by congress in July, pertaining to the Veteran and his dependents, also discussed the new V. A. procedures.

The Red Cross is always glad to assist the veteran, his dependents, and others at all times, and Mrs. Angus will be glad to render aid when needed.

Lakeview News

LAKEVIEW, September 28—Rev. G. A. Powell, student in Wayland college, filled the pulpit at both morning and evening hours Sunday at the Lakeview Baptist church. He was a dinner guest in the home of Mr. and Mrs. E. H. Tooley.

Mr. and Mrs. Homer Newberry and daughter, Judy, visited in the home of Mr. and Mrs. E. H. Tooley Sunday.

Mr. and Mrs. Fred Jones and children visited Sunday in the home of Mr. and Mrs. Walter Hollums of Sand Hill and attended church there.

Visitors in the home of Mr. and Mrs. G. W. Smith Sunday were the following: Mr. and Mrs. Bill Smith and children of Dougherty, Mr. and Mrs. Willie Bunch and Darrell Gene, Mr. and Mrs. James Dowell and children, and Mr. and Mrs. Farris and children.

Last Saturday afternoon the home of Mr. and Mrs. Homer Newberry was the scene of a merry party when Mrs. Newberry honored her daughter, Mary Louise, with a party on her tenth birthday. The children enjoyed several games after which they were served cake and lemonade. Plate favors were suckers and bubble gum. Those present were: Wandell Russell, Gayle and Delores Dunford, Gayle and Shirley Powell.

Lynda Anella and Lynda Thurston, Dale and De Ann Newberry, Mrs. Orval Newberry, Mrs. Joe Thurston and Sandra, the hostess, Mrs. Newberry, and the honoree, Mary Louise.

Visitors in the William Powell home Sunday were Mrs. Lee Roy Dennison, Lubbock, Mr. and Mrs. Frank Jones, Sand Hill, and the Leo Dunford family.

O. P. RUTLEDGE HOME; ATTENDED 70th WEDDING ANNIVERSARY OF PARENTS

O. P. Rutledge recently returned from the home of his sister, Mrs. E. R. Moore in Oak Cliff, of Dallas, where he attended the celebration of his parents' 70th wedding anniversary.

Mr. and Mrs. W. J. Rutledge were married June 19, 1878, in Dallas. They were both born in Dallas and have lived there all their lives except a few years in Shreveport, Louisiana. Mr. Rutledge is 92 years of age and Mrs. Rutledge is 88. They have six children all of whom were present except one girl and one boy. There are nineteen grand children and 18 great grand children.

J. R. McSPADEN BELIEVED RECOVERING FROM ILLNESS

J. R. McSpadden, of Lubbock, son-in-law of A. H. Manning of this city, is believed to be recovering from an illness of four weeks duration. Three weeks he spent in hospital at Lubbock when he first became ill. He is now at his home there. Mrs. McSpadden is Vivian, one of the Manning twins reared here.

LAST WEEK RESULTS IN DISTRICT 3-A

Ralls and Floydada are now the only two teams in District 3-A who are yet to win their first game. Both lost last week. Floydada to Phillips 6 to 31 and Ralls to Tahoka 6 to 19.

Next in line are Paducah and Spur both having lost two and won one. Spur won their first this week from Hamlin 28 to 6 and Paducah dropped their game this week to Wellington 13 to 39.

Lockney and Crosbyton have both won two and tied one. This week Lockney took Dumas 25 to 12 and Crosbyton tied O'Donnell 13 to 13.

Abernathy is the only team in district 3-A which has not lost a game. This may not be too impressive in view of the teams they have been up against.

INSTALL HEATING SYSTEM

Cecil Hart and Bill Haggins, Amarillo, are here this week installing the heating system employed by the H. & H. Hospital in Amarillo as a George Hart, who is helping them with the system. With his daughter, Phyllis, he is now the home of Mrs. Geary Hart, Mrs. and Mrs. Sam L. Dougherty.

Cotton Review

More trading in spot cotton at southwest markets last week paralleled the increased activity at all terminals, reports the Production and Marketing Administration, U. S. Department of Agriculture.

Domestic mills made more inquiries for southwest cotton and the volume of forward sales increased. Demand for prompt and near month deliveries was fair, but for small amounts. Shippers wanted mostly Strict Low Middling and better ranging in staple length 7/8 inch through 1 1/32 inch.

Farmers in some sections continued to offer cotton more freely as prices remained above government loan values. During the past week, prices of Middling 15/16 inch cotton hovered around 31.10 to 31.20 cents per pound at Dallas, Houston, Galveston and New Orleans. Only Little Rock prices dropped below 31 cents, but held about steady between 30.85 and 30.95 cents per pound. Spot prices stood around 30.80 cents per pound at this time last year.

Cotton ginned in Texas through September 15 was higher in grade but shorter in staple than last year during the same period. In Oklahoma the cotton was lower in grade but longer in staple.

Texas cottonseed prices went up \$3.50 per ton and averaged \$72 at the gin. Oklahoma farmers received an average wagon lot price of \$67.90 per ton.

1922 Study Club Has Tea to Open the Year of Club Activities

The 1922 Study Club began their new club year September 16 with a tea at the home of Mrs. Glad Snodgrass with Mrs. O. P. Rutledge as co-hostess. Mrs. W. S. Poole, president, presided in a short business meeting at which time Mrs. P. W. Bell's resignation as club treasurer was accepted. Mrs. E. L. Angus was elected club treasurer. Year books were distributed and dues for the year were paid. Mrs. Poole accepted her chair as president for the year in a very clever poem.

AT THE FLOWER SHOW.—Last week's flower show brought together one of the largest and most varied displays of fall flowers ever seen in the community. Our home Garden club, sponsors of the event were given support in staging the event by the members of the Floydada

Garden club. Above are three panels showing the extensive displays in the large auditorium of the American Legion at Fifth and Virginia streets. The size of the room also made it possible for the club to have commercial displays. Several local clubs joined in the effort. First

panel above is that of the miniature class in which novel and pretty arrangements of small flowers were made. Included in the picture are small geraniums, roses, rain lillies and zinnias. The two panels below show visitors at the show viewing the many beautiful flowers on tables in the spacious auditorium.

Turner-Cumbie Vows Taken in Ceremony At Ralls Last Week

Syble Turner, daughter of Mr. and Mrs. T. L. Turner, of Lockney, became the bride of Lloyd Cumbie, son of Mrs. C. A. Cumbie, of Floydada, Wednesday evening of last week at 6 o'clock in the home of Rev. James Abernathy, of Ralls. Rev. E. J. Cobb of Lockney, officiated at the ceremony.

The bride was dressed in a royal blue dress trimmed with sequins and wore black accessories.

Attending the wedding were Tommy Rucker, Neil Bertrand, Mr. and Mrs. Dave Willis, Mr. and Mrs. R. T. Jones and children, Gene, Nelda and Linda Sue, and Mr. and Mrs. Drue Cumbie.

Following a wedding trip to parts in New Mexico, the couple will be at home in Floydada.

Nelda Huckabee, Bob Bratton United With Vows Read Friday

Nelda Huckabee, daughter of Mr. and Mrs. O. H. Huckabee, of Lockney, and Bob Bratton, son of Mrs. Robbie Bratton, of Floydada, and A. N. Bratton, of Lovelock, Nevada, were united in marriage Friday afternoon of last week at 4 o'clock in

the home of the Methodist minister, J. Lockney.

The couple's only attendants were Nita and Louis Huckabee and Russell Swaffler.

For her wedding, the bride chose a blue dress with black accessories and wore a corsage of pink roses.

Following the ceremony, a wedding supper was given in the home of Mr. and Mrs. Gerald Lackey for the wedding party and a few relatives. Guests were Mrs. W. A. Huck-

abee, Mr. and Mrs. J. W. Fuster and son, J. D., Mr. and Mrs. O. H. Huckabee and sons, Gerald and W. A. Miss Eula Huckabee, Mrs. Ola Warren, Mrs. Robbie Bratton, Joy Keeter, members of the wedding party, and the host and hostess.

The bride graduated from Lockney High school with the class of 1947. The groom was a member of the 1945 graduating class of Floydada High school.

For going away, the bride wore a two piece white and black suit with black accessories. Upon their return from a few days spent at Carlsbad New Mexico, the couple is at home on West California street. The groom is employed by the Floyd County Rural Electric cooperative.

Reddy-Roach Nuptial Vows Taken Tuesday

Miss Joyce Reddy, daughter of Mr. and Mrs. Clarence Reddy of the McCoy community, and Melvin Roach, son of Mr. and Mrs. R. T. Roach, 409 Hub Home, Lubbock, were united in marriage in a quiet double ring ceremony performed Tuesday afternoon at 2:30 in the parsonage of the First Baptist church with the pastor, Rev. L. A. Doyle, officiating.

For her wedding, the bride chose a brown gabardine dress trimmed with gold buttons with brown accessories and a red carnation corsage. The couple's only attendants were Mr. and Mrs. Earl Switzer, aunt and uncle of the bride. Mrs. Switzer wore a grey pin stripe suit with black accessories and a corsage of red carnations.

The bride graduated from Floydada High school with the class of 1947. For the past year, she has been a student nurse at West Texas hospital in Lubbock.

The groom attended school at Gracemont, Oklahoma. After a short wedding trip to Fort Worth, the couple will be at home in Lubbock, where the groom is employed by Myrick-Wolford Appliance company.

A Farm Man Thinks

By Nellie Witt Spikes

Old timers will tell you that the farmer helped dig the Blanco river for the outfit or carrying to the workers. Some even say he had helped the oxen pull the river, but Frank Duncan of Terrell, Texas, is more modest. He says it was all finished then he came to the canyon and we were remembering when this happened when this was new to white settlers. There are now many families that have taken a picture of one of the ranches and cowboys and are in an old school geography book.

Duncan has traveled all over the United States and he has been an observer and tells many interesting stories of his adventures. In some years he has lived in the country and has gathered fine rocks from the hills and by the way to Grants. He found beautiful specimens of agates with red and black which polishing brings out. He has many that he polishes by hand.

By long winter nights," he says, by the radio and polish the rocks and by the light of his flashlight lamp they were especially beautiful. I am more of a collector as I find they are called love rocks, than ever, and to add more from time to time to my growing collection.

Amethyst, amethyst, topaz, sapphirine, onyx, turquoise, opal, sapphire, titanium, chalcedony, and silver and gold, the very things that fascinate me and the small things I have fill my soul with joy.

I am always happy when we can go to Carr's chapel and yesterday went to Sunday school, church conference. And what a dinner after a good sermon! We only had back to the well-laden table. Of course our plates were filled more than the plates of the superintendent, Rev. Hines. I mention several Cone people but will not. Mrs. Carr can really make a bouquet of purple asters and orange gladioli made a picture in the garden that one will not soon forget. I recall this poem.

The Gift in Your Hand

Richly the Father can put to use the tool and talent we chance to possess as that gift is committed to Him in spirit of utter unselfishness.

He had merely a country boy's gift. Moses held only a shepherd's staff. Think of the marvels and miracles wrought when these were surrendered completely to God.

The blessing, five loaves and two fishes became sufficient to meet an amazing demand.

He first a small boy with a generous heart offered to give what he held in his hand.

And I will close this column with the words from Don Blanding's King of the Green-Blue Realm in "Drift of Gold."

Flowers of frost
 Chalice of ivory filagree,
 Rosettes of velvet,
 Stalagmites of molten wax,
 Blossoms of fantasy.

South Plains News

**Like bleached bones,
 Like gnarled hands,
 Like gargoyles,
 Like skulls.**

SOUTH PLAINS, September 27- Most all the farmers have their wheat sowed. Some is up and looking pretty. It is early but they had to take advantage of the moisture before it got away. Feed cutting and combining is in full swing.

Sorry to report that several in the community are on the sick list. Mrs. S. Yearly is very ill in the Plainview Hospital. Doodle Milton returned home from the hospital last week. Others on the sick list were: Mrs. H. S. Calahan, sr., Miss Linnie Milton, Shelby Calahan, and Mrs. M. M. Julian.

Mrs. J. B. Jarnagin spent several days visiting the H. R. Hartmans last week. They all visited Sunday in Silvertown with Marlin Jarnagin and family.

Mr. and Mrs. J. B. Smitherman visited last Sunday afternoon with Mr. and Mrs. Bruce Whitlock.

Mr. and Mrs. Elmo Reves were guests Thursday of Mr. and Mrs. H.

Can Black-Draught help that dull, dopey feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—try Black-Draught.
