visiting her parents at Lubbock improve in health and can be at home and well again soon.

## Bill Flippin In Precinct 1 Race

The Star is authorized to announce the name of W. H. (Bill) Flippin, Jr., as candidate for the nomination to the office of County Commissioner of Parmer County, from Commissioner Precinct No. 1, subject to the results of the Democratic Primary Election in July, 1944.

Mr. Flippin is well known by the voters of the Precinct from whom he seeks the nomination, as honest, intelligent and capable of administering the duties of the office to which he aspires, and if elected, will give unprejudiced and impartial service to all the people of the precinct. He respectfully solicits your support at the polls.

burg, Germany, Feb. 22, 1944. No further word has been received.

News reports from neutral

# Louise Drager Dies of Burns

Louise Drager succumbed to severe burns which she received last Thursday (March 23, 1944). While cleaning out the brooder house on her mother's farm, the gasoline which she was using accidentally ignited. In a few seconds her clothes, saturated with the fumes, were ablaze. When her brothers, who had been getting in feed from the fields, were notified of the accident, they came home and immediately rushed her to Clovis Memorial Hospital. Approximately seven hours after the accident occurred she passed away. News of her sudden death shocked the Rhea community.

Funeral services were held Tuesday afternoon, March 28, 1944, at 2:00 o'clock at the house and 3:00 o'clock at Immanuel Ev. Lutheran Church. Herbert H. Ries, pastor of the church, officiated at these services.

# REVIVAL AT CHURCH OF CHRIST

On Saturday of this week, April 1, Evengelist Lester Hathway, of Mobeetie, is expected to arrive at Friona, and will begin a series of revival meetings Saturday night, at the Church of Christ on Euclid Avenue, east of High School building.

Services will begin at 8:30 each evening and the meetings will continue through Sunday night, April 16.

if you nor hern people were down here you would probably things allege that a part of this plain about something. We almost had a little excitement last night. About midnight somebody hollered "Fire," and woke us up. Sure enough there was a pretty nice fire going, but who caredlet the place burn down. Then someone yelled-"It's the mess hall." Now, that's a different story, 'cause in the mess hall ot of chicken for our first chicken dinner since we left the States. Besides that, this was the morning for how cakes also a very rare thing-so up we got. I managed to get my shoes on and grabbed my pants running. Three of us headed for the fire engine and jeep. The fire engine is a two-wheeled trailerlike affair with an engine and pump on it ,a simple, but very effective machine that has already more than paid for itself. Here we come -the home town fire department-clang, clang. The sailors were running from everywhere with buckets. so by the time the fire engine got there, the fire was out. It was only a pile of old boxes and such, that had caught fire some way next to the mess hall, so we returned to our shack for a good night's rest. Next to mail from home, the mess hall is the nearest and dearest to our I have heard of one bunch of Seabees down this way. that had worked hard for several long hard days building their mess hall. Then the first night after they had completed it, what happened? The Japs dropped a bomb in the middle of it . Things like that are discouraging. Oh, well! We are looking for a lot of second class mail in tomorrow. Maybe I'll get a bunch. As for that, we have been looking for second class mail for four months; but it never Maybe, tomorrow, though. Guess I had better sign off for now. Don't worry about

# **New Steel Beauties** on the Santa Fe

There isn't yet the ceremony in taking delivery of a new locomotive that there is in christening a ship.

But, just the same, it's a great occasion on the Santa Fe when we receive those super-powered, high-speed locomotives so badly needed today.

For every new one means "rolling" more and longer freight trains loaded with war materiel, and more trains operated for the increasing troop movements.

The three locomotives shown above are among the first delivered of the big fleet of powerful locomotives ordered by Santa Fe. And more are coming!

\* Locomotives illustrated above-new"4-8-4" steam locomotive, "2000 class"; 5400-horsepower freight Diesel; "2-10-4" steam locomotive, "5001 class." You can bet your driving wheels they'll pull a lot of freight cars fast!
