## Harmon, Smith and Watson are Winners

A record-breaking vote participated in by some 70 per cent of electors of the city, Floydada voters chose:

Mayor: F. C. Harmon; City Secretary: Jake B. Watson

City Marshal: Bob Smith; Aldermen: J. A. Patterson, C. Thacker, Lewis Norman, M. Martin and J. D. McBrien.

The other six aldermanic positions were filled by a vote of 694 electors, and the election was held at the city hall.

At Starkey, where S. L. Holmes was judge, the vote was 19 for and 3 against the proposal.

At Floydada, E. C. King, judge, the vote was 170 for and 5 against.

Steps to make the consolidation official will be taken by the districts as soon as the count of the vote is certified.

Order for the election was issued by County Judge G. C. Tubbs, following receipt of petitions for it from residents of the two districts.

### CONSOLIDATION CARRIES

Both Starkey and Floydada voters gave the proposal to consolidate the two school districts heavy majorities in the election held Tuesday of this week, reports from election holders indicate.

At Starkey, where S. L. Holmes was judge, the vote was 19 for and 3 against the proposal.

At Floydada, E. C. King, judge, the vote was 170 for and 5 against.

Steps to make the consolidation official will be taken by the districts as soon as the count of the vote is certified.

Order for the election was issued by County Judge G. C. Tubbs, following receipt of petitions for it from residents of the two districts.

## District League Meet Here Saturday

### Quota Reached on Red Cross Fund Campaign

Mrs. Fred Zimmerman, jr., publicity director of the Floyd County chapter, American Red Cross, yesterday proudly quoted the report of the fund chairman George Caven that the county had reached its quota in the annual campaign and that the quota had been reached, the reports tabulated and the money in the bank on March 31.

With \$2,000 quota the report figures are \$2,000 from 14 communities, with nine reports to come in, which will swell this total to a possible \$3,300.

Mrs. Zimmerman pointed to the fact that half of any amount the county may exceed the assigned quota will be retained in the county for the local chapter's needs.

Appreciation for the very good work done by the numerous workers and response of those who were presented the cause, was expressed by Mr. Caven, the fund drive chairman. "Please thank the generous givers of their time as well as the generous givers of money," said he. "Floyd county, thanks to their efforts, has maintained its perfect record of supporting the Red Cross."

Reports by communities are as follows: Pleasant Hill, E. C. Spears chairman, \$14.80; Muncy, Mrs. Malcolm McNeill, chairman, \$19.50; Harmony, Mrs. Zant Scott, chairman, \$72.25; Dougherty, Mrs. C. A. Caffee, chairman, \$52.00; Lone Star, Mrs. L. M. Readhimer, chairman, \$70.30; Antelope, Claude Ring, chairman, \$36.50; Floydada, Lyndell Roberts, chairman, \$60.15; Blanco, Mrs. Ernest Lee Thomas, chairman, \$38.50; Irick, Oliver Helges, chairman, \$115.00; Allmon, Herman Millican and Marvin Shurbet, co-chairmen, \$82.50; Campbell, Mrs. H. I. Pratt, chairman, \$29.50; Providence, Ben Quebe, chairman, \$132.00; Aiken, Herman Stowe, chairman, \$37.00; Lockney, Frank Perkins, chairman, \$50.00.

Total	\$2,000.00

### ANNUAL EASTER EGG HUNT

The annual Easter Egg hunt for the first grade of Andrews Ward school and those who will be first graders next year will be held next Thursday afternoon at 1 o'clock at the school.

### Boys Pigs Sell Well, Too

That the boys pigs sold well over the market, due to the backing of business interests, is indicated in similar figures relative to the sale of the 37 well-groomed hogs. Total purchase price on these was \$1,775.04, compared with the market or floor price of \$1,529.24, the bonus or cushion being \$245.70.

### Car Registrations Run 2600 in County

Automobile registrations in Floyd county completed before the deadline last week, are reported at 2,600 by Assessor-Collector T. T. Hamilton.

### Good Progress Report on Paving Made by Contractors, Now Ah'd of Schedule on 30 Miles of Road

Progress being made by Cooper & Woodruff, road contractors, on the Floyd county paving program has been most satisfactory, it was reported this week by M. O. McDowell, office manager, who said that the contractors are pleased with the cooperation they are getting from officials and the people of the county, the employees like the towns and are pleasantly situated, and the job is running smoothly.

McDowell estimated for The Hesperian that the contractors are about 60 per cent complete on their principal contracts, and about 20 per cent complete on the Sterley job. They have four crews on different types of work and their topping crew is headed this way and due to arrive about the time the danger of weather under 40 degrees is past.

Many Buying Drive-ways Scores of farmers along the routes of the new pavement are buying drive-ways into their premises anywhere from 200 feet to 500 feet in length, Mr. McDowell said, there being few exceptions, and there will be quite a bit of paving both in Floydada and Lockney.

A good many requests came in for the contractors to build private drives in various locations over the county which they have been unable to take care of due to their time limit on completion of their main job. In fact, Mr. McDowell indicated, they have had requests for additional paving in the past week which they have had to turn down for this reason. "We are under obligation to the State Highway department to take care of these drive-ways and adjacent paving for individuals and communities unless they become a hazard to meeting our time table or delay crews from beginning work on contracts with the department, Messrs. Cooper & Woodruff plan to go along on all their outstanding promises," Mr. McDowell said.

Total mileage of public paving in the county will grow about 30 miles under the Cooper & Woodruff contract, including the Sand Hill-Harmony road, the Lone Star road and the Sterley road. Any work on private drive-ways and on streets will be in addition to this total.

## Ivanhoe Youth Hurt in Early Sunday Crash

Vernell Brinlee, 17, of Ivanhoe, Texas, is in Peoples hospital here this week with severe head injuries as a result of an accident five miles east of Floydada on Highway 70, when his car in which he was driving alone, was involved in a crash with a live stock truck, and a van, about 1 o'clock Sunday morning.

Visibility was not good. As the youth pulled around the live stock, the Diesel-driven van loomed ahead and a side-swipe followed.

Brinlee was enroute from Tulla to his home, the van was enroute west from Oklahoma City and the live stock truck was parked on the highway with flares out. It had a locked front wheel, Wayne Finley, driver, Joe R. L. Kennardicks said. The live stock was loaded with prize-winning hogs from the Saturday show at Plainview to the Fort Worth market. The live stock was undamaged and Finley transferred the load from the Plainview truck to a Kendrick truck and took them on into market Sunday after the investigations of patrolmen were completed. The van was parked here to await a relief machine to move it on to destination west.

The youth's car was badly wrecked. His father, L. A. Brinlee was due here Monday night. The full extent of possible injuries would not be determined for several hours, Mrs. Martin at the hospital said at the time.

## County's Best Young Speller Is 13-Year-Old Mona Ray Williams

Mona Ray Williams, 13 year old daughter of Mr. and Mrs. Raymond Williams of Floydada won the Spelling Bee for Floyd county Monday evening at the Andrews Ward school house, at 8 o'clock. Patricia Ann Spears of Lakeview won second place and Frances Dee Cope-land of Lockney won third.

## Livestock Sale Figures are High

That business people of the area are solidly behind a junior live stock training program is substantially indicated in a report made this week on the sale of the 100 fat calves, hogs and sheep that went through the auction ring following the show Wednesday of last week.

This report compiled by Robert H. Crowell, manager of Floydada Chamber of Commerce and Floyd County Board of Development, shows that backing was not lacking for the show sale and that when Col. W. H. Seale began crying for bids on the fine animals offered it was the signal for the business men to un-limber.

## Floydada Golfers Play at Crosbyton Sunday Afternoon

Floydada golfers won their match Sunday afternoon when they took six, halved three and lost three against the Crosbyton Golf club. The Floydada club has been invited to Crosbyton next Sunday and players should register their names with Gene Collins by Friday night.

## Money For Paving Road Street To Hospital Still Shy

Money for paving road street to hospital still shy \$400 or so of having money on hand for the purchase, but confident the people who are interested are going to finish up a pot of \$3,200, possibly more, the board of trustees of the hospital this week are facing Monday when they give word on the construction of the road from Highway 70 to Third street to the hospital.

District 3-A Interscholastic League track and field events will be run off on Wester field at Floydada High school Saturday. A hurry-up program of eliminations will begin at 9 o'clock. District chairman I. T. Graves said also that track and field events for junior high school and for ward school boys will be held in the forenoon of the day.

Indications point to a fair to excellent squad of youth from each of the eight schools—Spur, Paducah, Matador, Crosbyton, Abernathy, Lockney, Ralls and Floydada.

Probability that track and field fans will see some classy high school contests is indicated in the fact that 70 or more of the eight high school's best athletes will be in the competition. The number of entrants may even exceed that figure. The track will be in fair condition, but not as good as last year.

Coach L. F. Gresham, who will be general director of the field day events, says the plan is to get eliminations out of the way in the forenoon if at all possible, together with the junior and ward school track and field. This means that preliminaries in different types of competition are likely to run off in several instances simultaneously.

Here is the plan on which the events have been fashioned to be staged:

Junior high school and ward school 50-yard dash, 100-yard dash, 440-yard relay;

Junior high school and ward school chinning the bar, running high jump, running broad jump.

Senior Track Events In the high school track events the schedule in the finals is to include the following and probably in the sequence indicated:

100 yard dash; 440-yard dash; 440-yard relay; 880-yard dash; 220-yard dash; 1 mile run; 1 mile relay, to be followed by 120-yard high hurdles and 200-yard low hurdles.

In field events of the senior division the following contests are due to be held, probably in the sequence indicated:

Pole vault; running high jump; 12-pound shot put; running broad jump; discus throw.

Crosbyton Track Team Crosbyton—Several Crosbyton boys are to enter the District Track Meet to be held at Floydada Saturday, April 9, Coach Fred Cunningham has announced.

Entering in the senior events will be Arnold Rathel, Bill Simmons, Lawrence Hargess and Billy Joe Stephenson.

Junior event entries will include Charles Wheeler, Billy Joe Mason, Frank Hash and Gene Ellis.

## Rites for Mrs. J. M. Massie Said Sunday

Funeral rites for Mrs. J. M. Massie, 64, were held Sunday afternoon at 2:30 o'clock at the First Christian church, Rev. E. A. Powell, pastor of the church, being assisted in conducting the rites by Rev. L. A. Doyle, pastor of the First Baptist church. Interment was made in Floydada cemetery with Harmon Funeral home in charge of the arrangements.

Mrs. Massie died Friday morning of a cancerous condition following an illness of many years, during which time she had been a patient in hospitals at Fort Worth and San Antonio. In December, she was moved to Wichita Falls, where a brother resides.

Mr. Massie was with his wife at the time of her death. Survivors include two brothers, F. C. Merrell of Sana Monica, California, L. G. Merrell of Wichita Falls, and one sister, Mrs. J. E. Strong, of Dallas. The last two named were here for the last rites.

Pallbearers at the service Sunday afternoon were George A. Linder, J. G. Martin, Carl L. Minor, Sr., E. C. Henry, O. P. Rutledge, and W. U. White.

Mrs. Massie was a native Texan, the daughter of Mr. and Mrs. W. B. Merrell. The family lived at Bowie, Texas, before moving to Floydada and making this their home for four years. Mrs. Massie was a teacher of speech and dramatics at the time of her marriage.

## Softball Meeting Called Tuesday

All softball players and fans are urged to attend a softball meeting Tuesday night of next week, April 12, at the Stansell-Collins company store for the purpose of electing a board of directors to serve during the coming softball season, and to transact any other business that may come before the meeting. Gene Collins chairman of the board of directors issued the call for the get-together.

Any who plan to sponsor a team in the league this season are asked to be present and take part in plans for the schedule of games.

"Interest in softball for the coming season is rapidly increasing," said Mr. Collins, "and prospects are very bright for the most successful season and the classiest brand of softball played to date in Floydada."

# EDITORIALS

The Junior Livestock show last week, representing an achievement for many youngsters in the county after months of labor and care of good animals, was a bit more ambitious this year than it was even last year, and in spite of two months of quite unusual January and February weather. Through the sale ring after the show went some \$17,000 worth of quality live stock and most of it, of course, headed for the slaughter house. Lessons in salesmanship as well as in proper feeding of an animal went into the effort for the youngsters, giving them a lesson in meeting the public in a favorable light as well as in the highly important business of having something worthwhile to sell.

Southeast Floyd county farm operators, all set with farming equipment to handle small grains, are finding the season and their soils exactly in the right groove to force them into a row crop type of planting this season. The occasional wheat man who got his seed into the ground in September and got it up to a good stand has a fine crop of wheat coming on. Otherwise, he planted a little barley or oats and has his land ready now for a row crop, cotton or feed. Since cotton has the better standing under the farm program of the government for this season, it appears probable there will be a lot of cottonseed put into the ground in the area — probably as much row crop altogether this season alone in this important segment of the county as has been planted in a good many years combined. Change of weather cycle from a fall to a spring season two years in a row seems to have turned the trick.

Had the cycle of the seasons changed four years ago it would have been a rather difficult thing to change over from wheat farming to row crop, but, of course, power equipment is now much more plentiful. While it is a lot higher than it was four years ago it still is available. Speaking of farm machinery being higher, the dealers in machinery are finding themselves between a rock and a hard place. Maybe not all but certainly some of the dealers are selling on a margin that represents no profit. They have not got the heart to offer their parts for sale at the price that prudence has taught the dealer needs to keep his business in position to serve the public. Where this is occurring it is principally based on the hope that the manufacturers are going to see the light and do something about the factory price, that is to bring it back down.

The legislative factory at Austin appears to have slowed down to a slow pace indeed, and the session that was expected to pass many

a new law, some of the measures highly controversial, seems now to be headed for the last month of the regular session with many matters still unsettled and most likely not to reach a final vote in both houses. Money and tax measures may be the ones on which the legislators lock horns and fail to arrive at a conclusion. Most likely, according to one source of information, there is no ground water law to come out of the session. This had been thought by plains people to be a certainty and the Ground Water Use and Conservation associations of the plains had braced themselves to get what they could in the way of home rule out of such a measure. The fight over the Gilmer - Aiken plan of reorganization in the state seems to be the measure that will make it through the legislature and become a law, although somewhat altered from the original bills that went into the hoppers of the House and the Senate.

That a great deal of road construction that will be helpful out where the mud has hampered travel all of these years, will come of the rural road building fund voted by the legislature, appears to be a certainty. How the law will work and which counties will get the roads built and how much the people of any given county will have to fight for their part of the road construction is something we do not know. Anyway it is a beginning for the man who has paid and paid and done without and without. Good roads save too much money under modern conditions for the people not to spend their money for them. Floyd county people gave evidence they had decided that way two years ago.

One of the things we fall out with The Hesperian about is the griping tone of most of, or at least, some of the editorials. We know and everybody knows this is a young and virile and up-and-at-them sort of country. It has not yet realized and does not yet know its capacity for production, nor for other natural resources. It has a tremendous farm production capacity, the extent of which has not been determined to date. We ought to be talking about tree planting, about beautification, about parks and shrubbery, and wheat unlimited and cotton beyond the dreams of a generation ago. Instead we prate about the bureaus and commissions, which the people and congress love and nourish tenderly.

To remove dog and cat hairs from upholstered furniture, use a damp sponge, applied lightly.

Burns rank next to falls as the leading type of farm home accident.

## Floyd County 14 Years Ago

(Taken from the files of The Hesperian Issue of April 4, 1935).

J. B. Bishop, Fred Sanders, Jake Hill and Verne Elliott, of Bishop Motor company, attended a regional meeting of dealers and salesmen of the Ford organization held in Lubbock Friday night.

Two vacancies on both the county school board and the board of the Floydada Independent School district will be filled in the election Saturday of this week, at which time vacancies on the school board in each rural school district of the county will also be filled.

W. C. Hanna, for the third time was named mayor of the City of Floydada in the city election Tuesday of this week.

J. C. Wester was elected president of the Floydada Rotary club at its regular weekly luncheon Wednesday, succeeding R. E. Fry.

The scholastic population of Floydada Independent school district as tabulated by Secretary J. B. Houston is lower for the school year 1935-36 than for the last school year, probably an excess of forty lower.

Mrs. A. E. Guthrie was hostess to the members of the Triple Four Bridge club at her home Tuesday evening at 3 o'clock. Mrs. E. P. Nelson held high score honors.

Mr. and Mrs. W. S. Poole of Dougherty visited in the home of Mr. and Mrs. Charlie Woodson of Memphis, Sunday.

Mr. and Mrs. Billy Grundy of Lubbock spent Saturday and Sunday here with Mr. and Mrs. I. R. Grundy and family, and the W. H. Hiltons.

Dr. and Mrs. A. E. Guthrie and son, Aubrey, Jr., visited his parents, Dr. and Mrs. J. H. Guthrie of Petersburg Sunday.

Miss Dorothy Scott spent the week-end here with her parents, Mr. and Mrs. R. C. Scott and family. Miss Scott is a student at WTSC at Canyon.

## Convention of Garden Club Federation This Week-End, Hereford

Mrs. John Hoffman, president of the Floydada Garden club and two delegates, Mmes. B. K. Barker and E. L. Angus are scheduled to attend the District One, Texas Garden clubs, Inc. third annual convention in Hereford on Friday and Saturday, April 8 and 9. Delegates and visitors will register from 8 until 10 o'clock a. m. on Friday morning at the First Christian church of Hereford, convention headquarters.

Mrs. E. L. Angus, Floydada, is fourth Vice-counselor of district One, Texas Garden Clubs, Inc. During the two-day meeting, the varied program will include the election of officers, presentation of awards, and committee reports. Outstanding lectures of interest to all garden club members as well as appropriate slide pictures and movies will be included on each program session. Social activities will include luncheons, teas, and refreshments through the courtesy of Hereford clubs and organizations.

Highlights of the first day's program will be a lecture on "Growing Garden Chrysanthemums," by L. F. Bennett of the Cunningham Floral company in Amarillo. Dr. W. W. Yocum, professor of Horticulture and Plant Industry department, Texas Technological college, Lubbock, will be main speaker on the program Friday evening at 7:45. His subject will be "Home Beautification for the High Plains area."

Following a breakfast Saturday morning, the convention will be concluded with the election of officers and a business meeting.

## BAPTIST YOUNG PEOPLE GUESTS OF WILMA HAMILTON HAVE IMPROMPTU PROGRAM

The Young People's Training Union department of the First Baptist church met at the home of Wilma Hamilton for a hamburger fry.

### Helpful Story For Violators Trial Court

Allen Uxer, 21, the Port-  
land youth charged with attempted  
robbery at Melrose, New Mexico,  
16, and who had been in a  
hospital at Tucumcari recovering  
from gunshot wounds, was suffi-  
ciently recovered to be arraigned in  
court at Clovis the first of the week.  
He pled guilty to a charge of  
robbery with intent to rob with a  
firearm. It is alleged he was  
wounded by a 70-year-old gro-  
ceryman at Melrose, when Uxer at-  
tempted the robbery. Uxer was  
sentenced to August term of court,  
and set at \$5,000 was not made  
immediately.

James R. Barrett, also  
from New Mexico, escaped Floyd coun-  
ty last fall by jumping from a  
second story window after being  
charged with forgery charges. Uxer  
had difficulty with the law  
includes charges of forgery and  
theft of automobile,  
probably precludes the possi-  
bility of his return to Floyd county  
trial on the local charges any  
sooner, court attaches assume.  
However, James R. Barrett, his  
brother in the alleged Floyd county  
robbery and the escape, who was  
sent here last week by Sheriff  
A. Hart from Sinton, San  
Antonio county, Texas, was tried on  
Friday last on two forgery in-  
dicements in 110th District court  
Floyd county and given three  
years in the state penitentiary in  
each case. The young men, Uxer  
and Barrett, cashed "labor" checks  
of fictitious names, at three  
places in Floydada, the indictments  
show.

**Sentenced on Hot Checks**  
The Abilene man, W. O. Carnes,  
charged with giving hot checks for  
last summer to two Floyd county  
officers, pled guilty last week on  
charges by indictment and was  
sentenced to four years in each case, terms  
to run concurrently. The indict-  
ments charged that Carnes gave a  
check to William Wood of Prair-

le Chapel for \$259.50 and another to  
R. M. Malett of Aiken for \$280.  
Two young men, charged by in-  
dictment with burglarizing the First  
Stop cafe in east Floydada on the  
night of February 1, are under pro-  
bation during good behavior under  
five year sentences each. They are  
J. E. Bynum and Marvin L. West.  
In all of the cases presented to  
the court last week, statements and  
pleas of guilty had been obtained  
by District Attorney John B. Stap-  
leton, who represented the state in  
the trials.

### Floydada-Silverton Practice Baseball In Season Opener

Floydada whirlwinds, in their  
second year of baseball started the  
season with the first practice game  
of the year Monday afternoon  
against the Silverton sacksters.  
Floydada in squaring away and lo-  
cating men and positions played  
about eighteen men and lost to the  
tune of 6-5. Floydada and Silverton  
both were in the first of the season  
man hunt and the score as well as  
the ball playing were no indication  
of the eventual playing ability of  
either of the teams.

This being the second year of  
baseball, all teams are weak on  
pitching, and soft ball has taken its  
toll on the batting eye, but with  
the progress of the season and the  
mounting enthusiasm shown by the  
townspeople, the season will be very  
successful with mounting support  
indicated, coach L. P. Gresham be-  
lieves.

Floydada high's first conference  
game in baseball will be on Thurs-  
day of next week when they will  
have the Lockney Longhorns as op-  
ponents. On the same date Abernathy  
goes to Ralls, Matador to  
Paducah and Spur to Crosbyton.

### Metropolitan Singers To Visit Southwest

Sponsored by civic leaders of the city, the eighth annual visit of  
the Metropolitan Opera Company to Dallas is scheduled for April  
22 to 24. Four operatic performances, presenting world-famous sing-  
ers, will be given in three days at Fair Park Auditorium. This will  
be the company's only appearance in the Southwest. Among the  
celebrated stars to appear are, pictured lower left to right, Leonard  
Warren in "Othello," Friday night, April 22; Rise Stevens as  
"Mignon," Saturday matinee, April 23; upper left, Margaret Har-  
shaw in "Aida" Sunday matinee, April 24; upper right, Italo Tajo,  
the sensational new bass baritone from Italy, in "The Marriage of  
Figaro," Saturday night, April 23. The Dallas Grand Opera Associa-  
tion has opened its offices at 1203 Elm Street.

### Lockney Firm Contracts Big New Elevator

LOCKNEY—Baxter and Smith  
Grain Co. of Lockney have let a  
contract for a new elevator and  
150,000 bushel storage bin, it was  
announced this week by Charles  
Baxter, manager of the concern.

The contract was let to Star Equi-  
pment company of Amarillo.

The elevator will be equipped to  
handle 7,000 bushels an hour. It  
will be constructed just west of the  
present elevator and will be of steel  
and concrete construction. Work-  
men are expected to start this week.  
The elevator will be completed by  
June 1, barring too much bad weather,  
Mr. Baxter said. Size of the  
building will be 40x160 feet.

The old elevator with a capacity  
of 190,000 bushels will give the  
firm a total of around 350,000 bus-  
hels, it was reported.

### Dairymen Form Breeding Assn and Set Fees

A meeting was held Saturday  
March 26 at the American Legion  
Hall in Floydada to organize an  
artificial breeding association. About  
20 Floyd County dairy farmers were  
present and heard Roy Nely of the  
Texas Tech Dairy department ex-  
plain the working order of an arti-  
ficial breeding association. Bill  
Hayden also of Texas Tech gave the  
pedigree of the bulls that are now  
in use in this program.

Every person present was enthusias-  
tic about an association for Floyd  
County and organized "The Floyd

County Cooperative Artificial Breed-  
ing association." Tom Porter, Wil-  
liam C. Watson, J. M. Williams,  
Walter Hollins, and T. E. McCarty  
were elected to the Board of Direc-  
tors. The directors met and elected  
Tom Porter president, William  
C. Watson, vice-president, J. M. Wil-  
liams, secretary-treasurer.

In order to raise enough funds for  
the initiation of this program each  
person present gave \$2.00 for every  
animal he wished to breed by arti-  
ficial insemination. One hundred  
and forty-nine dollars was raised.

The Board of Directors met Tues-  
day night, March 29 at the county  
agent's office to draw up the con-  
stitution and by-laws of the asso-  
ciation. The constitution and by-  
laws will be available to anyone in-  
terested at the County agent's of-  
fice as soon as they have been ap-  
proved by R. E. Burleson, assistant  
dairy husbandman, Texas A. and M.  
College. The breeding fee was set  
by the Board of Directors at \$6.50  
for members and \$7.50 for non-  
members. The membership fee was

set at \$5.00 per member.  
The technician will be Leslie Paw-  
ver, Floyd County farmer who has  
attended a course offered at Texas  
Tech to qualify him for the job. If  
anyone has any question about the  
association, contact any member of  
the Board of Directors, the County  
agent's office, or the technician.

### SHIFT IN FERTILIZERS

"Fifty years ago the fertilizer  
industry was greatly dependent on  
waste vegetable and animal mat-  
ter and, in some respects, was con-  
sidered a scavenger industry," says  
R. O. E. Davis of the U. S. Dep-  
artment of Agriculture.

"Today fertilizer manufacture is a  
chemical industry with sales in the  
United States of \$600,000,000 and  
consumption of about 17,000,000 tons  
annually.

McCravy, weight 75, of Floydada; Gooch McMellan, 148 of Crosbyton, won by decision over Bill Jones, 145, of Floydada; Jerry Thomas, 140, of Floydada won by KO over Rhonal Davis, 145, of Crosbyton; Stanley Conner, 122, of Floydada won by TKO over Jean Ellis, 128 of Crosbyton; Gary Roberts, 128, of Crosbyton won over Duane Stephens, 130, of Floydada by decision; Bob Bishop of Floydada weighing 138 won by TKO over Joe Hard-

grove, 136 of Crosbyton; Bill Simmons, 152 of Crosbyton, won over Loy Lee Trice 150 of Floydada by decision; George Owens, 164, of Floydada won by decision over Frank Hash, 163 of Crosbyton; Jr. Perry, 160, of Floydada won by decision over James Moore, 158, of Crosbyton; Don Boothe, 137, of Floydada won by decision over Lawrence Hargess, 134, of Crosbyton; Glenn Parkey, 80, of Floydada won over Rhonal Sandel, 80, of Crosbyton by decision.

In an exhibition match between two members of the Floydada team, Bob Harbor, 112, won over Earl Robertson, also 112, by decision. Ralls assistant high school coach was referee for the bouts, Aaroh Carthel and Everett Perry served as Judges. A crowd of 150 or 200 attended the fights held in Andrews ward gymnasium.

### BRUCE WOMACK ON RESERVIST CARRIBEAN TRAINING CRUISE

TAMPA, Fla.—With a five-ship destroyer squadron which docked here late in March after battle maneuvers in Caribbean waters was Bruce L. Womack, seaman recruit, USNR, son of Mr. and Mrs. E. J. Womack, Route 3, Floydada, Texas. He is one of the 600 naval reservists who enjoyed a two-day shore liberty break in an annual two-week training cruise which left New Orleans March 21. The ships returned to New Orleans April 2, where reservists entrained for home. Reservists from 15 states made the cruise.

## School Girl Tells Why She is Glad to Be an American

(Myrna, daughter of Mr. and Mrs. Woodrow Wilson, an eighth grade student in Andrews Ward school at Floydada, is practicing to be a ready-writer, to put her thoughts rapidly and concisely in logical sequence. The other day Myrna was assigned the subject, "Why I am Glad to be an American," and here is the theme she turned in, good enough her principal thought, it would be good for everybody to see.—Ed. Note.)

### Why I am Glad to Be an American

By Myrna Wilson  
Why am I glad to be an American? This is the question which I am sure every person who lives in this great, abundant land has asked himself. Yet, can anyone actually explain this question? No, your words don't hold sincerity because you could never tell all the wonderful things America holds for an individual. And also every person has different reasons for loving this land because it offers a different opportunity for each. Why am I glad that I'm a citizen of this wonderful, promising land? I could never tell the true reasons but here is a brief summary of why I'm glad I hail the Stars and Stripes as my flag.

Freedom—that is what the early pilgrims who landed at Plymouth Rock were seeking. And why did they choose America? Was it because the huge trees and warm, rich soils of America beckoned to them? No, not entirely. In America, they saw an uncivilized nation, still a wilderness, that they could cultivate as they pleased. Those courageous pilgrims running from the haunts of unrighteousness decided they could have a free land, ruled by the people, and those seeking a church of their choice demanded freedom of religion, and those who had been placed in prison for speaking their rights wanted freedom of speech. So, summing it up, what have we? A free nation was the result of their tireless efforts and they determined to keep it that way. And these intelligent men, for they must have been intelligent, worked out a system where the people ruled, and they called it a democracy.

### Proud and Glad

I am proud of our fertile fields which furnish the food for our hungry nation. Yes, I'm proud of those waving fields of grain, which yield to our toil and labor.

I'm proud also for the chance to study and make something of myself. Education, as Jefferson believed, is necessary to make democracy. I am grateful for those wonderful schools where we obtain most of our social life and learn to work in melodious harmony with our fellowmen.

I'm glad for our churches in which we worship God as we see fit. I'm glad for the teachers at church to teach us of the Almighty God.

Of course there are things you would have in any nation. Parents and friends would be found anywhere. But would they be as happy and able to provide for you anywhere else? You love your parents dearly and it would be hard to see them strive to give you something when they were unable to, whereas in America they have a better chance to do this.

I am thankful for entertainment such as sports, for doesn't a game promote understanding with a person? Don't you feel a close relationship and intimacy with a person who has the same wishes as you—to win a game? This of course, provides training for you to work with a person, or persons, and provides a better government for America.

Yes, I am thankful that I may even be a part of this desirous nation, that so many countries are looking to as their ideal. It is not the wealth or opportunities, but part of it may be just to know that you and lots of others make up this country. And I will go on being an American, and on my face there will be a proud smile when I rise to sing, "The Star Spangled Banner."

### NOTICE TO BIDDERS AND NOTICE OF INTENTION TO ISSUE ROAD AND BRIDGE WARRANTS

THE STATE OF TEXAS  
COUNTY OF FLOYD  
NOTICE IS HEREBY GIVEN that the Commissioners Court of Floyd County, Texas, will receive bids until Ten o'clock A. M. on the 18th day of April, 1949, at the Court-house in Floydada, Texas, for the purchase of the following described road machinery:

One (1) or more road maintainers, not less than 100 brake horsepower, equipped with cab, heater, 13.00 x 24 tires, left and right hand extension, hour meter, and weighing not less than 22,000 lbs. each.

NOTICE IS ALSO GIVEN that it is the intention of the Commissioners Court of Floyd County, Texas, to pay for said road machinery out of an issue of Floyd County Road and Bridge Warrants in the maximum amount of \$22,000.00, bearing interest at a rate not to exceed four (4%) per cent per annum, and maturing at such times as may be fixed by the Commissioners Court, serially or otherwise, with a maximum maturity not to exceed fifteen (15) years from their date; which warrants will be authorized by the Commissioners Court by an order to be passed on the 18th day of April, 1949.

A cashier's or certified check, issued by a Texas Bank, payable without recourse to the order of G. C. Tubbs, County Judge of Floyd

County, Texas, in the amount of five (5%) per cent of the amount of the bid must accompany each bid as a guarantee that if awarded the contract the bidder will promptly enter into contract and execute bonds in the amount and in the form required by law.

The County will make arrangements for the contractor to dispose of the warrants herein mentioned at not less than par and the contractor must agree to deliver the warrants at such price to the party whom the County has made such arrangements.

## it's ROADMASTER!

WHEN this sight greets you in your rear-view mirror—master, better give over!

Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes.

Reason is—ROADMASTER is something excitingly new in fine cars.

Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.

But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive.

As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.

For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.

### BUICK alone has all these features

Silk-smooth DYNAFLOW DRIVE • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Cruiser-Line VENTIPORTS • Low-pressure tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

**MODERN HAWKEYE . . .** Although no detective in the "who-dun-it" sense, Government Inspector Ezra E. Ruyle, shown as he removes a can of dog food from a filling machine, scrutinizes Fido's dinner with a thoroughness that would make even the venerable Mr. Holmes sit up and take notice. In order for a manufacturer to display the Department of Agriculture's seal of certification, now given to dog foods meeting certain high standards, his product must be inspected through every phase of production—from raw material to labelled can.

## As A Farm Woman Thinks

(By Nellie Witt Spikes)

April Fool, wash your face and go to school; so the old rhyme in my memory clear and sweet as Aunt Ellie's laugh as she said it. We had just got in Emma to my home after riding on the running gears of the wagon. Jessie, the baby boy of a year and two months was dressed in a white blouse with a sailor collar with a plaid pleated skirt reaching to his bony feet. This was good style for the little boys then. The narrow running gears of a wagon are a perilous place to ride, but children are overjoyed with the danger and inconvenience.

That first day of April the skies were blue above Emma and painted with white clouds of every shape. Not so in this April 1, of 1949. The blue skies are hidden with ragged gray clouds which put down snow at intervals which made folks wonder where spring had taken off to.

Today, the second of April, has given us so many kinds, snow, sleet, rain, sunshine. But thank goodness, no sand-torms.

Margaret Nell is developing a philosophy of life that will be of great help to her. I was moaning that the fruit would be killed, it was so cold, she answered, "Well, grandmother, the trees will have lots of leaves and we can sit under the shade."

I have been in our son's hospital with a sinus infection since last night. I may get to go home tomorrow. It is nice to stay in bed and be waited on.

John Wesley was once asked how he got the crowds, he answered, "I set myself on fire, and the people come to see me burn."

Thought for the week from the Christian Herald: In a clay pit in Jerusalem, between the upper and lower city, Jeremiah saw a potter fashioning a lump of clay into a lovely form. Just as he was com-

Reagan, who made awards to the grand champion winners and Hickerson-Strickland Butane company.

pletting it, the work crumbled in the workman's hands, and some of the fragments fell to the ground. He thought that the potter would let them go and begin with new clay, but he gathered the broken pieces and began to work them over. The broken pieces of your life, your marred and spoiled ideals, may be made over again.

Mr. and Mrs. H. P. Schrader of Denver, Colorado, arrived here Sunday to visit Mrs. Schrader's sister and family, Mr. and Mrs. J. G. Wood.

## SUNNYSIDE DEMONSTRATION CLUB MEETING APRIL FIRST

The Sunnyside Home Demonstration club met with Mrs. Robert Day, Friday, April 1.

The roll was answered by each one's chosen subject. A report from the council was given by council delegate.

Each club will entertain another club during the month of October. A round table discussion was held on attending the district meeting, also on recreation in-doors and out, each month.

Miss Petty gave a demonstration on cutworms, insects, and household pests control. Recreation was brought to the club by Mrs. W. H. Hilton tipping the hat to each guest and member of the club.

Because of inclement weather, the out-door picnic had to be held in the hostess' spacious kitchen, and was really a delightful affair. The occasion was enjoyed by eleven members and five guests.

The next meeting will be April 15, with Mrs. W. C. Sims. Each member is requested to bring three colored Easter eggs.

## Jewelry Store Arrangement Adds Elegance

Floydada is justly proud of her only jewelry store, owned and operated by M. L. Solomon, since the completion of re-decorating the interior last week. New counter arrangements and display styles add much to the already attractive shop at 102 South Main.

Solomon, who has lived in Floydada for a number of years, purchased a jewelry store on west California street from Clyde Davis in 1928. For the past two years he has been located on the west side of the square.

Beautiful silver and crystal is now displayed on glass shelves before mirrored walls. The store offers the public an extensive variety in diamonds, watches, silver, and crystal.

Also recently improved is the watch repair department which is operated by Solomon and Charles Bradford. Equipment and work for watch repair service is the newest and most dependable that is found now, said Solomon.

Mrs. Beulah Olive is employed in the jewelry department.

## Mrs. W. E. Lowrance Rites Said Monday At Baptist Church

Mrs. W. E. Lowrance, 82, former resident of Floyd county, died at 11:45 a. m. April 1 in a Brownfield hospital. She had been a patient there since Monday, and was receiving treatment for a fractured hip which she suffered in a fall Sunday night.

Mrs. Lowrance, who for a number of years had resided in the Starkey community, had been living with a daughter, Mrs. Sam Murphy, of Brownfield, for the past three years. Brownfield funeral home brought the body overland here Saturday morning. Funeral services were Monday at 2 p. m. at the First Baptist church here. Rev. V. M. Lollar of San Angelo officiated.

Burial was in Floydada cemetery under the direction of Harmon funeral home.

Mrs. Lowrance was preceded in death by her husband in 1925.

Survivors include two daughters, Mrs. Sam Murphy of Brownfield, and Mrs. L. H. Smith of McCoy; four sons, J. B. Lowrance of Munday, S. E. Lowrance of California, W. E. Lowrance, Jr., of Lubbock, and O. L. Lowrance of Floydada, and a number of grand children.

Flower girls were Frances Sue Steen, Jeanette Gray, Juanita Rogers, Naomi Malone, Conita Rogers, and Lucile Reed.

## Lions and Ladies Hear Dr. Jackson

Members of Floydada Lions club and their guests on ladies night last Thursday evening heard Dr. Doyle D. Jackson, Texas Technological college professor on the subject, "America's Day in the Sun." It was a thought-provoking discussion, said James H. Word, president of the club, who presented the speaker. The program was arranged by Edd Johnson, who became ill and was unable to attend the meeting.

A pleasing girls trio composed of Dorothy Bishop, Molly June French and Gladys Roberts sang for the group with Mrs. Carl Muench, their tutor and pianist, accompanying.

Some 80 members and guests attended the meeting, held at the high school cafeteria.

## Field Day Tour

(Continued From First Page) in the caravan will be able to hear all of the comments on the crops and conservation practices that will be viewed during the day.

**Window Display Contest**  
During the week preceding the tour, the vocational agriculture and home economics students and 4-H club boys and girls are entering a window display contest. They will obtain space for displays from the business men over town. Prizes will be given to teams, consisting of three members, by the Jaycees. The first team will receive \$25, second team \$15 and there will be five prizes of \$3 each. These displays should be in place the week before the tour and will be judged on May 2. A judging committee was appointed, composed of the following members: Fred Zimmerman, Jr., chairman, Edd Johnson, R. B. Calhoun, R. C. Mitchell and Jack Stansell. These cash awards will be made on May 6 at the noon hour.

**Soil and Souls Week**  
The district is making plans to observe "Soil and Souls Week" in May. A proclamation will be issued by the governor. Information is being furnished pastors of the churches so that they may observe Soil and Souls Sunday. The exact date of the observance will be set in the near future.

**Applications Are Approved**  
The board approved applications for assistance for the following farmers: Fred P. Musgrove, J. V. Nelson, Johnny and Kenneth Moddy, B. H. Quebe, J. H. Williams, Cleo Fulton, John Belt, Jr., Doyle Sandefur, W. T. Hamilton and Wayne Russell.

Agreements between the district and the following new cooperators were approved: Mrs. Mary Simmons, Vernon Daniels, Wesley Hay, Durwood Jack, D. B. Mathis, Glad Snodgrass (2), Verlon Wright, Arlon E. Miller, O. L. Lowrance, Wm. Chalpepper, S. J. Latta and R. G. Dunlap.

**Jess Shurbet Has New Winning Colt**  
J. B. Shurbet has come up with another winner, it seems certain, in the quarter horse world, at least this part of it. Winning first place with his two-year-old stud colt at Paducah last Friday is a repetition of his winning of first place in the same class at Amarillo last month.

Paducah is a "good" quarter horse town and the competition was as tough there as at Amarillo, Mr. Shurbet said on his return home this week.

A yearling past filley of Mr. Shurbet that placed fifth at Amarillo placed third at Paducah in her class.

**POSTPONE CEMETERY MEETING**  
The Cemetery Association meeting which was to have been held Saturday, April 2, at 5 o'clock in the Harmon Funeral home has been postponed for the present time, Mr. Harmon said, but plans are to have a meeting sometime in the near future.

The new date will be announced he said.

## Jester Signs Cancer Control Month Declaration

Urging all Texans to support "the mighty effort now being made by the American Cancer Society" to defeat cancer, Governor Benford Jester has declared April as Cancer Control Month in Texas. "A beachhead has been established against this formidable enemy of all humans," Jester said. "However, the tide of cancer continues to mount relentlessly throughout this state and nation. All Texans must become aware of the cancer menace, and all Texans must be reached by the cancer control methods being sponsored by the American Cancer Society." With the Governor are, left to right, Dr. William Gambrell, Col. Ike Ashburn, Mr. Fagen Dickson, Dr. W. S. Bohls, all leaders of the Texas division, American Cancer Society.

## MARK THOMAS GOEN AN INCUBATOR BABY, DING NICELY AT THE HOSPITAL

Mark Thomas Goen is the newest addition to the Goen clan in Floydada, and although not too husky at the moment he is getting under way and after another two weeks or so at the hospital to get himself adjusted is expected home, along with his mother.

Mark Thomas is an incubator baby, son of Mr. and Mrs. Woodrow W. Goen. He was born on March 18 at West Texas hospital, Lubbock.

Yesterday the boy's father reported the infant's weight at three pounds, 10 ounces, a slight gain for the week. The baby weighed four pounds and one ounce when he was born. It is normal, Mr. Goen is told, for an incubator baby to lose weight at first and then begin to build back up after a brief time.

## BROTHER OF MR. WITHERS DIED AT VERNON TUESDAY

Mr. and Mrs. L. G. Withers and their daughter Wanda, were in Vernon Tuesday and yesterday following receipt of the news of the death of a brother of Mr. Withers. Details of the death and arrangements for the rites were not available last evening.

J. W. Lanier, who was a victim of an accident some three weeks ago, is reported improving rapidly. He is able to be on his feet now, and has been down at the gin for the past two days.

Mrs. Robert McGuire returned during the week-end from Scott & White hospital in Temple where she has recently undergone an operation. Mrs. McGuire said Monday that she was doing fine.

Dr. Russell J. Blattner, Professor of Pediatrics at Baylor College of Medicine will supervise a team of investigators including Dr. Florence M. Heys, Dr. Fred M. Taylor and Dr. David Schrum.

The aim of these studies is an investigation of possible "hidden reservoirs" of the virus of poliomyelitis in nature. Dr. Blattner pointed out that during epidemics the virus is widespread in the human population, and that many healthy carriers as well as clinical cases infected with the virus are capable of spreading the disease to susceptible individuals.

nature and capable of carrying the virus for relatively short periods of time. However, Dr. Blattner emphasized that there is still the unexplained mystery as to how the virus survives from one epidemic season to the next. Science must answer the question whether there are unsuspected or "hidden reservoirs" in nature which retain the virus of poliomyelitis during non-epidemic periods.

## Volley Ball Girls Prep For Tourney

The Floydada Volleyball team again has won a game. The Matador Volleyball team came to Floydada last Monday night for a return game, in which the Matador girls were outclassed.

Floydada's second string volleyball team also won their game by a close decision.

Mr. Baker is arranging some games with Lockney for the latter part of this week. One set of games will be played on the Floydada court and the other on Lockney's court. The victor will be the winner of two games out of three.

The Volleyball District tournament is to be held at Matador on April 16.

The members of the teams are very proud of the new uniforms which have just arrived. The green jeans and white shirts make a very pretty uniform.

Come to see the F. H. S. Volleyball team in action!

## EDITORIAL

One never knows the worth of a thing  
 Till that thing is taken away.  
 A baby's doll is not valued  
 When she plays with it each day.

But let the doll be broken  
 Be lost for quite a while;  
 It is then the toy is priceless  
 And means everything to the child.

The boy despises schooling  
 And an educated mind  
 Until he lacks the learning  
 And no knowledge he can find.

The adolescent lassie  
 Dislikes home and mother's care  
 Until she needs the guiding hand  
 And finds it is not there.

A friendship is not measured  
 And its span is never known  
 Until the friend has disappeared  
 And one is left alone.

Missed you so while you were gone;  
 I longed to have you near;  
 Longed to see your pleasant smile;  
 I longed your voice to hear.

"Absence makes the heart grow fonder"  
 As a saying true today,  
 I did not know your voice, dear,  
 'Till you were gone away.  
 —Judith McVae

**Chiefs Take 'Wind Mit Men 10 and 4**

Last Tuesday night the Floydada boxing team traveled to Crosbyton to take on the Chiefs. That was the first time the home town this year had been in the ring and they went up against an experienced and tough team. Although the local boys won only four of the fourteen bouts, they all put up a good fight against their opponents.

Buster Mooney scored the first Floydada victory by taking Richardson in an easy decision. Conner scored the second victory by winning on decision over Billy Joe Mason. Next was Bob Bishop going against experienced Joe Hargrove, but Bishop came out of the ring with a T. K. O. to his credit in the second round. Last was big George Owens up against stocky "Chock" Dunn, and George also came out with a decision over him.

That was all of the Floydada winner but Don Booth put up a very good scrap against Hargess, who is very good and experienced. Booth went all three rounds with him, and some fans thought that Don won.

**Candid Camera**

This week we have selected a very outstanding athlete of the senior class. Yes, it's none other than Don Carroll Booth, better known as Booty. Don was born in Dimmitt, Texas, on September 12, 1931. Today Don has blonde hair, blue eyes, is 5' 11" tall, and weighs 136 pounds. Don began his school days in Floydada and has been here since.

For vacation and leisure time, Don likes to swim. Don's outstanding member of F. club, and member of accomplishments are treasurer of class 31 member of chemistry club, and member of A. Y.

His favorite color is red. His favorite foods are fried chicken and french fries. He likes to study geometry best of all and some chemistry. In sports he likes football best of all. Don claimed that his favorite expression wasn't fit to print! Don't dislike are conceited people; cauliflower, busted noses, and black eyes.

His most pleasant vacation was spent in California during Christmas of 1947. While in California, he went to the Carnival at Long Beach and the zoo at San Diego, one of the largest in the world, (wonder how Don ever got out of there?)

Don was rather hesitant about his most embarrassing moment, but finally decided that his worst was the time a lady walked in on him while he was taking a bath. But what made it so bad, she just stood there until she received what information that she wanted.

Don's most ideal person is Bruce Womack. Bruce has a very understanding way with the younger football players.

Don considers making first string in football his greatest achievement. His life's ambition is to be an architect.

Don, we know that you have got what it takes to be a real success, so keep going.

**Guess Who?**

Answers for last week:  
 Frances Ashton, Clara Mae Jones, Kenneth Bishop, Phil Boothe and Don Daniel.  
 Senior boy, brown hair, blue eyes, brilliant, rather quiet, reckless driver—"I missed that sign by 3 inches."  
 Junior girl, brown hair, grey-green eyes, tall slender, singing, loving the Irish, "In over my latest crush," always smiling.  
 CORRECTION, please! Last week the answer should have been Kenneth King instead of Kenneth Bishop.

Joy, get tired of him, huh? Who was Virginia Odam seen talking to Tuesday night? None other than T-W-O of the Looney boys, say, Virginia what happened to Bob Davis? I thought you and Bob were going to be married or did Frances Pratt interfere? ? ? ?

Billy Ray had better hurry back from Amarillo because it sure looks like he is losing out to R. M. (It is true? ? ? ?)

Clidelle M. is still happy over her engagement and it looks as if W. A. is just as happy. (This is true love!)

Why does Wayne Robertson like for Anne West to sit by him in History? Could it be love? ? ?

Lee and Bobby Robertson weren't doing bad the other night. What about this, Lee? ? ?

Robert Turner and Christeen have a good time in 1st. period S. H. and Junior is getting jealous! ?

Jennie Chowning was with Cliff Ware Sat. night! Now this is something new, isn't it? ?

It seems that Bob Harbor is going steady with a Crosbyton girl much to Charlene Perry's disappointment.

May Y. and John Moss were having fun Saturday night. Don didn't like it, but everything is O. K. now.

Mary Dee likes J. F. of Silverton, but really David Nichols seems to be first especially in fifth period S. H.

Deral seems to be having a swell time Saturday night, with about six girls. Deral, couldn't you find any more? ? ?

Frances Ashton wants to go with Gerald Smalley. Gerald, give her a chance.

Margie Jones seems to enjoy English IV. Could it be that it is because of Billy Latham? ? ?

Gloria R. certainly enjoys working algebra for Ted Davis. Could it be that Ted enjoys it too? ?

Frances Foster and W. C. Mercer seem to get along just fine. Well! Well!!

Billy Hart seems to take a special

interesting in Gleva R. What about this Gleva? ? ?

Seems as if Dean Stewart is trying to beat Kenneth's time. What about this, Anne W. ? ? ?

Mary Alice always has such a wonderful time when she goes with Dale Sims! Don't you, Mary? ?

Clara Jones was with Aubrey Guthrie Sunday night. What happened to Gladys, Aubrey? Did Trav take over, huh? ?

Loene Williams and Hershall Nelson were together Sunday night. Could this be a new romance about to bud out? ?

Kenneth Oakley was with Jane Johnson Sunday night. Could this be a new romance or was it because Delmar came home and was with Roberta? ? ?

## Braselton Has Large Crowds for White Slush

The event. "We had the opportunity of making many new acquaintances and saw many of our old friends at the open house," he said. Braselton also was delighted with the fact that the opening here drew several neighboring dealers, who came to offer congratulations and join in the fun. Also present were several men prominent in the Ford tractor and Dearborn implements organization in the region. Among these was:

Colonel E. D. Bottom, executive vice-president for Stewart company, distributors for Ford tractors and Dearborn equipment for Texas (Colonel Bottom flew to West Texas for the opening.) J. L. McNabb, Dallas, sales manager for Stewart company, and J. D. Wright, its distribution manager.

District supervisor Bill McCord and Service Manager L. M. Blair were among the early arrivals, and were helpful in preparations for the open house.

Also among those present were E. K. Hufstetler, Jr., and Arlis Graham, managers for the Hufstetler agency of Lubbock; George Busch, manager at the Plainview agency; T. A. Brunner, manager at Levelland; Harry Kline, of Kline-Hufstetler, Littlefield; and Billy Bell of the Bell McGee Ford agency at Crosby-

Kerwin and Waldo Baxter, Virgil Warren and A. C. Pratt visited Lawrence Stovall Sunday afternoon.

Mr. and Mrs. E. B. Chesnut visited in the S. E. Sparks home Sunday afternoon.

In addition to the visitors in person the new firm were recipients of warm congratulations and many pretty baskets of flowers from competitors and other well-wishers.

Aiding in caring for the big crowd assembled for the open house were Earl Osborn and J. W. Merritt of the Roaring Springs store, T. M. Whitley, mechanic, and Ralph Gee, service manager, and J. D. Cantrell, on-the-farm service man of the Floydada store.

Also helping in registering the guests and with serving refreshments were Mrs. J. V. Shirley, Mrs. S. J. Braselton, Mrs. Troy Vaughn, Mrs. M. L. Hoyle and Mrs. Herman Harvis.

### Plenty of Elbow Room

To be sure they would have ample space for service and display of both new and used power farming machinery Braselton Implement company last year bought a whole block on Highway 70 and on it broke ground for their modern brick last fall. It is a large structure, with good lighting, ample display windows and working room for service department, accounting and parts service. The firm is betting heavily on this area as one of the outstanding agricultural areas of the south plains country. Mr. Braselton said when they entered business here last year.

Mr. and Mrs. Bob Bratton of Lubbock visited over the week-end with Mr. and Mrs. Otis Huckabee and family, Mr. and Mrs. Gerald Lackey and family, and Mrs. Bratton.

Mr. and Mrs. Gerald Lackey visited Mrs. Bratton Friday night and attended the "42" social.

Mr. and Mrs. John Hopper and family and Mr. and Mrs. Faye Hart and David Ray attended singing and dinner on the ground at Tulla Sunday.

## Girls More Carefree Thanks To 2-Way Help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in CARDUI'S 2-way help. You see, CARDUI may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. CARDUI is scientifically prepared and scientifically tested. If you suffer "at those certain times", get CARDUI today.

**Heart of Your Natural Gas Service**

West Texas Gas Company's Turkey Creek Compressor Station, pictured above, is located in the Panhandle Gas Field near Fritch, Texas. This station starts the movement of natural gas through our main transmission line to serve you.

## Compressors and Maintenance Cost More . . . But Your Gas Rates are at Pre-War Prices

In 1927 when West Texas Gas Company first started furnishing you natural gas service for your home and business, compressors were not needed. As the years passed, more and more people moved to this area. This brought new demands for natural gas service. It also meant more and larger compressor stations to maintain movement of natural gas.

In 1938 Turkey Creek Compressor station, shown above, was started. Three 250-horsepower compressors were installed. In 1941 two 400-horsepower units were added to the station. In 1942 another 400-horsepower engine was added, and in 1947 still another 400-horsepower engine was installed. And this year two more 400-horsepower compressors will be installed, making the total 3,150 horsepower, four times greater than the original plant.

West Texas Gas Company has twenty employees at its Turkey Creek Compressor Station.

Price of 400-horsepower compressors bought by West Texas Gas Company in 1948 was over 92 per cent higher than the same type units purchased by the company in 1940. Compressors delivered this year cost us over 100 per cent more than the 1940 price.

Since 1940 equipment, wages, steel pipe and other items necessary to furnish you natural gas service have made a rapid climb in price.

Despite the increased cost of compressors, steel pipe, wages, valves, meters and other items... natural gas service for your home and business is still furnished you at pre-war prices!

Address before a joint session of the Legion and Auxiliary was made by the state commander, Bill McCraw, former attorney-general of Texas, and by Al Dillon of Big Spring.

Five delegates were elected to the State convention. They are, W. T. (Pete) Bridges of Levelland, Samuel R. Hurd of Petersburg, Jimmy Rankin of Ralls, R. S. Jeffries of Spur and Harry McCain of Plainview.

The alternates to the state convention are J. M. Willson of Floydada, T. A. Thigpen of Big Spring, Jimmy Vosch of Levelland and Bob Curr of O'Donnell.

W. T. Bridges of Levelland's post No. 417, was elected commander of the 19th district, American Legion, during the final sessions of the annual convention.

Samuel R. Hurd of Petersburg was elected vice-commander of the district.

Mrs. W. E. Walker of Floydada left for Fort Worth Sunday where she will visit relatives there, then continue down state and visit with other relatives.

## Slight Injuries Sunday Afternoon as Cars Side-Swipe

Three youths in a car driven by Derral Young, of South Plains, and Mr. and Mrs. Jack Whitfill and daughter driving in their family car late Sunday were only slightly injured when the cars side-swiped at Tennessee and Second street on highway 70.

In the South Plains car, besides Derral were his sister Mary and Don Shurbet, the latter of Sand Hill. After the collision the Young car went out of control across the bar ditch and hit a light post squarely, which cracked but did not fall. The car was damaged considerably.

Deputy Sheriff A. K. May and highway patrolmen investigated the accident shortly after it occurred.

## Lakeview News

LAKEVIEW, April 4—New pupils enrolled in school the past week included Deirdre and Gene Rowell, of Plainview, in the 6th and 3rd grades respectively; Vesta Lee and Genelle Wright, of Amarillo, 4th and 7th grades respectively; and Helen Amburn, of Amarillo, 3rd grade.

Mr. and Mrs. James T. Ball and little son, James Rue, of Lubbock, were dinner guests Sunday in the home of his parents, Mr. and Mrs. Robert Peel.

Mr. and Mrs. W. H. Rowell and children, of Odessa, Texas, visited Saturday night and Sunday in the home of his brother, Rev. G. A. Rowell and family.

The Lakeview High school boys and girls defeated the Lakeview elementary school boys and girls last Thursday afternoon in baseball by a score of 21 to 7.

Census trustees, Warner Johnson, of the Pleasant Hill school district and E. H. Tooley, of the Lakeview school district, report a total of 55 pupils enumerated for the 1949-50 school term.

Rev. Lester Britton, of Plainview, occupied the pulpit Sunday night and brought the evening message. Immediately following the evening service, everyone present went directly to the First Baptist church in Floydada to witness the baptismal services of four members who had recently joined the church at Lakeview.

A large number from this community showed their interest in their school by attending the county-wide spelling bee contest conducted Monday night at Andrews Ward school in Floydada. While we were

not fortunate enough to win first place, everyone is proud of the second place for Patricia Ann Spears brought the school.

Truman Dunavant was the other contestant from this school. Mona Williams, a Floydada pupil, won first and will represent Floyd county in the district spelling bee in Amarillo April 30.

Mr. and Mrs. E. H. Tooley and Mr. and Mrs. Fred Jones and little daughter, Imogene visited Sunday afternoon in the home of Mr. and Mrs. Walter Hollums, of Sand Hill.

A number of the younger set enjoyed an April Fools party given by Patricia Spears in the home of her parents Friday night. All present report an enjoyable evening.

Rev. G. A. Rowell and Ernest Emert attended a Fellowship meeting in Crosbyton Monday night.
