DISPLAY WILL FEATURE RURAL ELECTRIC MEET

Week L. W. Chapman, manager of the Floyd County Rural Electric cooperative, said that many new faces will be of members of the cooperative who are expected Saturday at the annual membership meeting in the new Legion hall, an all-day display with the official program beginning at 2 o'clock in the afternoon.

The new faces will be of members whose lines have been activated in the past year or who hope to have their lines activated within the next few weeks.

Chapman pointed out that the new faces will be of members who are being assembled and organized for the purpose of installing a last big segment of the originally planned system of lines which criss-cross portions of five counties, a fact which will be embraced in reports to be made Saturday.

Open House All Day

In addition to the stronger lines, electrical appliance displays will be on hand to feature the annual

meeting again this year (display at the Legion hall where the official meeting will be held) there will be open house also at the company's office and warehouse corner of Fifth and California streets, two blocks south of the Legion hall meeting place. This large building obtained at a cost of \$25,000, has been re-planned and built into office quarters and warehouse with ample provision for increased utilization of space as business of the cooperative grows. Members are invited to visit the office and meet employees there who will be hosts for the day. In addition to serving coffee and doughnuts these employees will be prepared to show visitors through the building and answer questions.

Mal Jarboe to Preside

Mal Jarboe, president of the coop, will preside when the business session of the rural electric organization gets under way. In addition to his report, the members also will hear from Lee Trice, treasurer, and

from L. W. Chapman, manager. Mr. Chapman's discussion may include reference to continued demand for more power and more facilities, despite the fact that the originally planned system is due for completion within the calendar year.

After the members ballot on directors for the ensuing year, and while the ballots are being counted, there will be forum discussion and discussion of better utilization of the new servant—electric power—now serving the homes and farms of members. A number of attractive attendance prizes will be awarded, said Mr. Chapman.

"And Now—Rural Electrification"

"And now has come rural electrification to make farm living complete," will be the slogan of the big display of appliances suitable for use in homes and on farms which will open at 10 o'clock Saturday morning. With increasing numbers of appliances all produced and offered in larger quantities, 13 Floydada dealers will have an array of appliances that run the gamut of farm and home needs. These firms which will display their wares of various types will be:

Make Entries In Soil Saving Awards Offer

The Floyd County Soil Conservation District has named entries in the fourth annual Save the Soil and Save Texas soil conservation awards program being sponsored again this year by the Fort Worth Press. The program is statewide and is done on a scorecard basis, reflecting the percentage of work actually done in 1948 as compared with the amount of work planned. Other than the entry made by the district, they have chosen an outstanding farmer and business man to represent this area.

Robert Lee Smith Outstanding

The district board of supervisors chose Robert Lee Smith, a cooperator living in the Sterley community and operating about 500 acres of land. The district and the Soil Conservation Service technicians have assisted him in establishing a complete irrigation system.

Mr. Smith is especially interested in improving plants and seeds, and is now president of Floyd County Certified Seed Growers association. He has made a successful trial planting of Alta Meadow Rescue.

The local Lions club is awarding Mr. Smith a plaque in appreciation and recognition of his outstanding accomplishments. This award will be made at a dinner in Amarillo on a date to be announced soon.

Edd Johnson Outstanding

The district has nominated Edd Johnson as the professional man who has rendered the greatest unselfish service to soil conservation in this district. Edd came to Floyd county from Titus county, Texas, and he relates that he realizes now that so many farms that folks thought that they had worn out by farming in Titus county were, in effect, worn out by erosion. He recognizes that this erosion must be controlled if Floyd county is to evade the fate so many counties have suffered in the past decades. He also realizes that through planning and proper land use this goal of soil conservation can be reached.

Mr. Johnson realizes that the very success of the oil-banking store in which he works, the bank with which he deals and the community in which he lives depends upon its one industry, agriculture. He is a past president of the Floydada Lions club and during his tenure as president he instigated strong committee action on agriculture. His club supported the annual tour of the district last year by having an awards program with an outside speaker familiar with agriculture and its erosion problems. Edd is at present on the agricultural committee of the Lions club and through his efforts the battle for soil conservation definitely has been strengthened in Floyd county.

The State of Texas is divided into five regions in the awards program. \$1200 in cash awards will go to region one, in which this district falls. Cash awards over the entire State will total \$10,000.

RAIN BRIGHTENS AREA PROSPECT

A good general rain on almost exactly the right date in April for the most good for the most crops and crop land, fell over Floyd county and 50 or more other high plains counties Monday night, on the heels of a cold front that blew in from the west-northwest.

Some wind and a lightning display accompanied the rainfall but no material damage is reported to property. One and 5-hundredths inches rain fell at Floydada and reports from over the area Tuesday morning and Wednesday indicated that the fall was 80-hundredths to 2 inches throughout the county. An area extending through the approximate center of the county had the heaviest fall, Muncy and Fairview reports indicated.

Southwest Floydada in Blanco, Starkey, McCoy, Barwise and part of Allmon some interruption was reported to communication and power service.

C. A. Caffee at Dougherty, Albert Pricer at Barwise, E. B. Chesnut at Fairview, A. T. Swepton at Hill-

crest, J. T. Huckabay at Sand Hill, John Shipley at McCoy, S. L. Holmes at Starkey, Art Willis at South Plains, and Mrs. Clyde Bagwell at Fairview were among the residents who gave reports indicating the fall was general and of about the same amount throughout the county. G. N. Shirey, rural letter carrier on Route 5, Floydada, said some of his roads were heavy while others were easy to travel Tuesday.

Road soil and drainage conditions were principal factors in these differences in road conditions he said. Other carriers also reported roads good to bad throughout the nearly 300 miles of rural routes traversed by them daily.

Wheat Ready to Root

Much of the wheat in the county was approaching the booting stage when Monday's rain fell. The moisture which fell is meeting the sub-soil moisture to make an ideal condition for the grain crops to do well, said Ed Holmes, of Sand Hill, who gets over the territory and talks with many wheat growers daily. Overcast and traces of rain

Tuesday and Wednesday were helpful in giving a good season.

The good moisture will be the signal for a good many advances in planting time for early crops, some row crop farmers indicated, who say that some maize will be the first to go into the soil when the ground warms up somewhat.

Huckabee Tells Fuel Assn. He Is Resigning

Chas. C. Huckabee, who was first elected manager of Consumers Fuel association 14 years ago and has served in that capacity continuously since, told members of the association Monday afternoon at their annual stockholders meeting that he is resigning at the earliest convenience of the board of directors when he can be checked out.

A rousing vote of confidence was given Mr. Huckabee when a motion was put from the floor that the members ask the directors to re-name him as manager.

The session, held at the American Legion hall, was attended by 250 or more members. Principal discussion was built around buying policy.

One of the larger and more successful organizations of the cooperative type in the area, the management report of the Consumers showed the past year to have been one of large volume.

Don May, of the Consumers Co-Operatives associated, Amarillo, and T. M. Merz, its business manager, were among those who addressed the meeting. Chas. C. Huckabee gave the management report for the year and C. A. White, the auditor, gave the break-down on the financial affairs. C. O. Spence presided at the meeting.

Spence was re-elected to a place on the board as was Roe Jones. Poyner Roberts was chosen a new member of the board. Hold-over members are John A. Lloyd and E. L. Widener.

10 Club Women at Meeting

More than 280 women of District II, HDA, from 15 counties of the area, were present at the annual meeting in the school auditorium in Floydada Tuesday to attend the annual meeting. They heard accomplishment reports, discussed projected activities and listened to an inspiring address by Dr. E. N. Jones, vice-president of Texas Technological College.

Sessions opened at 10 o'clock. Mrs. G. T. Maltby, of Mule Creek, president of District II, presided.

G. C. Tubbs brought greetings from Floyd county and Mrs. King, chairman of the Floyd County Home Demonstration committee, welcomed the visitors. The in-coming opening the formal program was said by Mrs. C. A. Caffee, secretary.

Entertainment for the day was given by the Hale County chorus singing "Beautiful Dreamer" and "The Time" and by Fay Hart of Floydada, who sang two spirituals. Mr. Hart was accompanied by Mrs. Hart. The group sang several songs which were led by Raymond Williams of the Builders Home Demonstration and accompanied by Mrs. Clyde of the Lone Star club.

The activities of the Home Demonstration association were discussed by club members from Hockley,

Yoakum, Lubbock, Hale and Garza counties. Mrs. B. M. Harris, chairman of the State Association's 4-H committee, presented Lois Wilson of Cochran county. Lois was the District's entry for the Maggie W. Barry Scholarship. She told of her experiences in 4H Club work.

Dr. Jones Guest Speaker

The guest speaker for the day was Dr. E. N. Jones, vice-president of Texas Technological college at Lubbock. Dr. Jones paid tribute to the work of Home demonstration and 4-H club members. His talk was based on the theme "The citizens of today build the world of tomorrow." Dr. Jones showed rare understanding of the youth of today, and his talk was an inspiration as well as a comfort and challenge to those present.

The business of the district was conducted in the afternoon. The credential committee, composed of Mrs. Wayne George, Swisher county; Mrs. C. C. Bell, Hale county; and Mrs. W. A. Harvins, Castro county, made the following report: sixteen counties represented; 42 delegates; four T. H. D. A. Board members; 188 visitors; seven 4-H Club girls; 4 staff members; 15 Home Demonstration Agents.

Invitations for the 1950 district meeting were extended by Castro, Terry, Swisher, Gaines, and Lamb counties.

Mrs. Maltby gave the report of her activities as vice-president. She said 15 of the counties had paid their educational fund which amounted to \$325.85. Part of this amount goes into the Maggie W. Barry Scholarship fund, which is one of the chief projects of the State association. Mrs. R. M. Almonrode of (See Club Women, back page)

Irick Home-Coming To Be Great Day

A home-coming at Irick on Sunday, April 24, is being planned for and looked forward to with eager anticipation this week by former students and ex-students of that community.

The Jolly Stitches club has announced that dinner will be served on the ground for the occasion. In addition to the dinner and other re-union features, a beloved minister, Rev. McCarty, will make a talk to the group Sunday afternoon.

Good Play Friday Night at Sand Hill

A good play is "Bound to Marry" which will be presented at Sand Hill Friday night of this week by a group of players from Campbell community.

Sand Hill juniors of the Farmers union are sponsoring the play, and report that several good numbers between acts will be presented by the Campbell people.

Admission will be 15c and 35c.

Many Rodeo Entries Forecast Good Shows Saturday, Sunday

Talent for the rodeo Saturday afternoon and night and Sunday afternoon in Floydada Rodeo Association's arena, will be plentiful and mostly of high calibre. The fans who like to see "amateurs" instead of professionals battle the broncs, the bulls and calves, will be well-pleased with the happenings as the first performance gets under way Saturday afternoon. Such is the belief of Calvin Steen, secretary-treasurer of the association, and of Jack Johnson, president.

With \$900 in prize money to be distributed in two "go rounds", five events, there is no question about the number of entries, the officials say. Only question now is whether the crowds will be there. The association confidently expects good weather to prevail and for the grounds to be in ideal condition after the rain storms of this week.

Many Entries Announced

Here are some of the ranch hands of the area whom Mr. Steen recalled from memory Tuesday as being already entered for prize money in some or all of the events:

Curtis and Willis Brunson, Crosbyton; Gene Smith, Rails; Bud Leatherwood, McAdoo; Frank Gillespie, Quitaque; Snooks Baird, Silvertown; Jimmie Byrd, Post; Leland Timmons, Matador; Alvin Townsend, Paducah; Nick Barnes, Tulsa;

Chuck Woodruff and Curley Dougherty, Oilton; and many others known of as well as the last minute arrivals who are due to make their entries by 4 o'clock Friday afternoon.

The five events include bull riding, saddle bronc riding, bareback riding, calf roping and cowgirl sponsor contest.

Headquarters and office downtown will be at Carmack & Smith implement house on the east side of the square.

Performances are timed for Saturday 2:30 p. m.; Saturday, 8 p. m.; and Sunday, 3 p. m.

Here are the events, entry money required and the prizes for which the contestants will be trying:

Calf roping entrance fee \$15.00. Two go rounds, \$150 each go round, \$50, \$40, \$30, \$20.

Bull Riding entrance fee \$10. Two go rounds, \$100 each go round, \$50, \$30, \$20.

Saddle Bronc entrance fee \$10. Two go rounds, \$100 each go round, \$50, \$30, \$20.

Bareback Bronc Riding entrance fee \$10. Two go rounds, \$100 each go round, \$50, \$30, \$20.

Girls Sponsors entrance fee \$5. Entrance fee to be paid back in four money's.

Admission: Adults \$1.00 plus tax. Children 50c plus tax.

Doyle's Due Home During Week-End From Virginia Trip

Rev. and Mrs. L. A. Doyle and their sons, Bob and Don, are due home this week-end from Richmond, Virginia, to which place they went in company with their son and his wife, Rev. and Mrs. L. A. Doyle, Jr., of Mineral Wells.

At Richmond the junior Doyle couple were to appear before the Foreign Mission board of the Southern Baptist convention. They are applicants for appointment to foreign mission work.

The Floydada minister and his family left Floydada on April 12 and are due home the latter part of this week, and Rev. Doyle will fill his appointments with the church for Sunday services.

Last Sunday morning, during the pastor's absence, Dr. R. H. Falwell, Jr., preached for the congregation at the First Baptist church.

Yos Occupy Modern Motor Service House

The Motor company, whose new building at the corner of Missouri and fifth streets, was occupied in record time, was occupied last week.

Although many refinements are to be added to make the layout complete, the owners moved in so soon after their possession of the new structure at their former K. Barker building, the Terrells, at 112 West Missouri.

The new structure built by the D. T. and Gayle, father and son, is almost totally lacking in any of the woodwork and is practically destructible by fire. It has a complete floor to ceiling plate glass front for the display room and arrangement of parts department and shop service is such as to give the greatest light and the accessibility.

It is of pumice blocks and is made of steel, with all steel girder supports.

The space to be used covers an area of 75 feet by 150 feet, the space is set back from the Fifth street, as well as at the Missouri street front to permit parking of the property line and avoid traffic.

The building was completed in less than two months. In less than two months from the time the lots were obtained, the building was moving into the building.

First Practice Game in Softball Builders Mart Vs. South Plains

Stirrings in the local softball world this week continued to leave the final status of the league set-up somewhat nebulous, but every day the air gets a bit warmer the interest gets keener and the conversation gets stronger.

Which means of course, there will be further developments, with practice games coming up and actual league play not too many weeks, maybe days, away. Four teams for certain, possibly two, just maybe

Council Meeting Date Is April 29

The Floyd County Home Demonstration council will have its April meeting at 2:30 on Friday afternoon, April 29, instead of on April 23 as previously announced, according to Mrs. C. L. King, council chairman. The meeting will be in the relationship hall of the First Christian church.

Wonder Trip, Hales Say of Jaunt Into Mexico High Sierras

Mr. and Mrs. J. Sam Hale, home last Friday from a trip to Monterey and on into the wonders of the High Sierras of Old Mexico, speak of it as a wonderful trip that would delight any Floyd county vacationer seeking new scenes and new climates.

The Hales were absent from home nine days and were guests along with some eighty other representatives of the Great National Life Insurance company. Business sessions were held at Monterey before the tours began. San Diego and Saltillo and the Horse Tail falls were among the places visited.

Dairy Program Breeding Rules Are Announced

Floyd County Agriculture Agent Robert H. Gibson states that the By-Laws of the Floyd County Cooperative Artificial Breeding association have been approved and recognized by Texas Extension dairy husbandmen and Texas Tech college.

The association was ready to begin the breeding program by Monday, April 18.

Thomas L. Fawver has been approved as the association's technician. The board of directors is composed of the following persons:

Tom Porter, president; William O. Waston, vice-president; J. M. Williams, secretary and treasurer; Walter Hollums, member; and T. E. McCarty, members.

The general rules and regulations governing the association are as follows:

1. Each member shall subscribe to and agree to abide by the membership agreement, the articles of incorporation, and by-laws of the association.
2. Each member shall pay a membership fee of \$5.00, subscribed in the by-laws at the time he joins the association.
3. The breeding fee per cow shall (See Dairy Program, back page)

Must Register at 18, Board Reminds Youth

It has come to the attention of Local Board No. 45 of the Selective service that quite a few 18-year-old men have not registered within the time limit specified for registration, a statement issued out of Plainview this week said. "It is just as important and the penalty is just as great for this offense as it ever has been," said the statement, adding that "this board urges every man becoming 18 years of age to register on his birthdate or five days thereafter."

Registrants Born in March

Floyd and Motley county, registrants born in March, 1931, listed by the board as having registered include the following:

Doyle A. Redding, Gerald L. Phelps, Roaring Springs; Lawrance C. Carman, Edwin J. Keeling, Matador; J. D. Williams, Lockney; M. L. Ottinger, Northfield; Carroll T. Womack and Charles H. Shultz, Floydada.

Mrs. Sarah Martin Dies at Home Here

Funeral services were held for Sarah Caroline Martin, Friday afternoon April 15, at the Harmon Funeral home chapel at 4 o'clock, with Reverend Lloyd H. Jones officiating. Rev. R. E. L. Muncy assisted at the service. Interment was made in Floydada cemetery under the direction of Harmon Funeral home. Mrs. Martin died Thursday evening about 11 o'clock in her home at 306 West Virginia.

Born Sarah Caroline Berry on June 27, 1870, in Tarrant county, Texas, Mrs. Martin joined the Methodist church at the age of thirteen. She married Marion Wesley Martin in 1890 and they came to Floyd county in the early nineties. She has lived here continuously since that time. Mr. Martin preceded her in death many years ago.

They had seven children, two of which died in infancy.

Palbearers were her grandsons, Donald, Emmitt, Ross and Orville Yandell; Henry J. and Tom Martin. She is survived by five children; three daughters, Jewell M. Crawford and Annie Lee Boucks of Sacramento, California; and Mary E. Yandell of Roaring Springs, Texas; two sons, Thomas Henry and Will Maste Martin of Floydada; three sisters, one brother; twenty-five grandchildren and nineteen great grandchildren.

Push for More Roads

Hard surfaced roads, more of them sooner, is the shibboleth of Floyd county farmers this year. The tenor of this demand is being felt in the office of the Floyd County Commissioners court, in the Highway District engineer's office, and even in Austin, the state capital, where the State Highway commission sits in final judgment on road construction by the state.

While the Commissioners court plans a trip to Austin for April 28, when they have been invited to visit the State Highway engineers and the Highway commission and discuss on the Baker road proposals, they are also giving ear to delegations of Floyd county farmers who are seeking additional hard-surfaced outlets from their farms.

Prominent last week among these was a delegation of Irick residents who are trying to get together on a proposal for road construction into that community. Two routes, both said to be reasonably feasible, have been submitted for consideration by the Commissioners court.

Most of the easements are ready on both of these proposed routes with one or two exceptions.

Two other proposals which, like the Irick road, are not up for immediate improvement but are due for consideration, would tie in the Pleasant Valley road, south from Lockney, with the Sand Hill-Floydada road. One of these routes would extend due south four miles to intersect the Sand Hill-Floyd-

Wonder Trip, Hales Say of Jaunt Into Mexico High Sierras

ada road, the other would build two miles west, thence south four miles. The Commissioner and the District engineer were joined in conference on these roads by delegations of interested citizens in Lubbock Tuesday. The road south from Lockney is eventually to be made into a through highway, according to long range plans said to be under consideration. Citizens who favor the six mile construction over the four mile plan, point to the large number of homes the longer route would serve. Decision is anticipated early in May, with the State Highway department viewing the projected construction as probably a part of the state-maintained system eventually. Funds for the Irick work and the work south of Pleasant Valley are not immediately available, but are strongly believed to be forthcoming in the early future.

Road construction score in the county at this time:

Sand Hill-Harmony and Lone Star-Sterley mileage now under construction;

Roads to Cedar and to Center-Fairview on the list for probable letting this spring;

Road north from the vicinity of Edgin to the Briscoe county line approved as a federal project at an early date;

Road north from Aiken to Providence and westward to the Hale county line also in settled status and probably to be included in an early construction program;

Licensed by State Optometry Board

Dr. O. R. (Tommy) McIntosh received notice from the State Board of Examiners in Optometry that he had passed the required tests in an examination taken a month ago, and that he is now licensed to practice optometry in this state.

Dr. McIntosh returned home in February from Chicago, where he had been in an optometric college since shortly after the close of the war.

Prior to his war service he was associated as an employee in the Wilson Kimble Optometric. He will now be associated as a practitioner with the clinic, it was announced this week.

Terrell Bros. Move to Missouri Street

Terrell Brothers, Case dealers, have completed their move to their new location in the Barker building, 112 West Missouri street this week.

Purchase of the building from B. K. Barker was made by the Terrells early in the year and their agency will occupy the entire building which covers 75-foot front. Their former location was at 206 South Main street.

Terrell Bros. will operate a complete shop service for automobiles, trucks and other automotive engines, as well as repair and service for the machinery line.

Jenkins at Temple

Mr. and Mrs. J. B. Jenkins and daughter, Mrs. George Van Wickel, are in Temple this week where Mr. Jenkins is due to undergo an operation at Scott & White sanitarium.

Crosby County Beer Election Called May 7

CROSBYTON—Qualified voters of Crosby county will decide on Saturday, May 7, whether the sale of beer of not more than four per cent alcohol content will be legal, the Commissioners Court decided. This will be a county-wide vote, with all the regular polling places open for business on that date.

The election was called after the Court had been presented with a petition bearing the names of 274 qualified voters, while 202 were necessary to call the election.

Over 400 names were in the petition but about 125 were not certified to the court.

Mt. Blanco News

(Crowded out last week)

MT. BLANCO, April 12—The community club met at the schoolhouse last Thursday night with a very nice crowd present. After a short business session, a recreation period of games and stunts was enjoyed followed by refreshments of sandwiches, cookies and pop which was served to about 40 people. At the next regular meeting, we hope to have a picture show as the project of the club this year to purchase a movie projector for the community and also playground equipment.

Sunday afternoon visitors of Mr. and Mrs. D. Mer Fergus and family were Mr. and Mrs. J. W. Wood and baby, of Crosbyton.

Mr. and Mrs. Wayne Russell and daughter, Wandell, spent Sunday in Lubbock.

Sunday dinner guests of Mr. and Mrs. Weldon McClure and children were Mr. and Mrs. C. A. McClure and Mr. and Mrs. Brice Allen and girls, Judy and Nancy.

Mrs. Horace Cage and daughter, Ella Mae, and son, Donald, of Spur, spent Thursday with her parents, Mr. and Mrs. C. A. McClure.

Mr. and Mrs. C. A. McClure and Mr. and Mrs. Brice Allen and girls visited in Spur Friday night with Mr. and Mrs. Horace Cage and children.

NEW STREET LIGHTS

QUITTAQUE—Installation of new street lights for Quittaque was begun Wednesday and went at such a rapid clip, it looked like they might be turned on at the same night.

Twenty-six lights of the very latest type in street illumination have been installed.

Everything about the new "white way" is fine, except for the big ugly poles, but these will be painted with silver to make them look nice.

Texas Weed Control Conference April 21

A meeting important to many Floyd county farmers is being held today in Amarillo will be the annual Texas Weed Control conference, tentative program for which has been received by County Agent Robert H. Gibson.

The conference will cover a wide range of study, research and actual experiences in weed control and the

talks will be made by experiment station operators, manufacturers of weed control synthetics, by railway right-of-way maintenance men, by bindweed specialists, lawn, stack lot and garden weed specialists, park superintendents, county agents, brush control and airplane weed control operators.

Mr. Gibson recommends that any farmers interested who can, will attend this conference with profit. He said this week that several Floyd county people have indicated they plan to attend the conference.

LOCKNEY B & PW

LOCKNEY—At a business meeting held at the music studio of Mrs. C. L. Record on April 5, officers of the Lockney B & PW club were elected for the new year. They are as follows:

Contract Letting For New Church On Tuesday, April 26

LOCKNEY—The building committee of the Lockney Baptist church voted to ask for bids on the new church building and to set Tuesday, April 26, as the day for letting the contract.

The new building will be of brick, 14,000 feet of floor construction and will cost approximately \$125,000. Architects estimated the cost at \$125,000.

NEW MEXICO VISIT

Mrs. Wilma Deen and Bernice of Albuquerque, New Mexico, returned from a week-end with Miss Deen's parents, Mr. and Mrs. Tom Deen.

Mrs. Deen returned to Lockney with her daughter, where they will spend a few days.

Mr. W. H. Simpson, sr., who has been winter vacationing in Phoenix, Arizona, with her daughter and her son, Mr. and Mrs. Donald Shaw, returned Tuesday of last week, to home on South Main street.

Medical School Plans

Architects' model for the proposed Southwestern Medical College branch of the University of Texas at Dallas is shown by Margie Emerson and Evelyn Krause of the adjacent Parkland Hospital School of Nursing. The proposed Medical College Building is in the foreground. The \$7,600,000 Dallas City-County Hospital, for which bonds have been voted, is in the center and Miss Krause is pointing to the million dollar nurses' home, an adjunct to the Dallas hospital improvement. Southwestern Medical Foundation is offering the State \$1,300,000 in real estate and other property and endowment funds running into many millions as Dallas' bid for the location of the University of Texas Medical School Branch.

Visitors in our Sunday night services were La Juana McCada, Floydada, and Ozell Chappel and Kaky, Gay Neil, Carol and Jim Davis from a community southwest of town. Come again young people.

Among the Sandefur children visiting in the B. L. Sandefur home Sunday were Mr. and Mrs. W. D. Fuston of Lockney, Mr. and Mrs. J. U. Borum, jr., and baby of Childress, Mr. and Mrs. B. P. Sandefur of Floydada, and Mr. and Mrs. Doyle Sandefur of Center.

Mr. and Mrs. O. L. Lawrance and boys visited in the L. L. Nixon home Sunday afternoon.

The club party at the school house was well attended—lots of good eats and everything, but we missed the absent ones.

The Center Home Demonstration club is scheduled to meet Friday, April 22, with Mrs. R. C. Ross. I think this is right, but our club president, Mrs. J. L. Helm will tell you, if you'll please phone her.

DAUGHTER BORN APRIL 19

A daughter was born to Mr. and Mrs. E. V. Boren, at Lubbock Memorial hospital on April 19, and weighing seven pounds, two ounces. The father is a student at Texas Technological college.

Mr. and Mrs. L. G. Withers of this city, are maternal grandparents of the new girl, and Mr. and Mrs. W. C. Boren of Corpus Christi grandparents on the paternal side.

Why are more and more families choosing the Servel GAS Refrigerator?

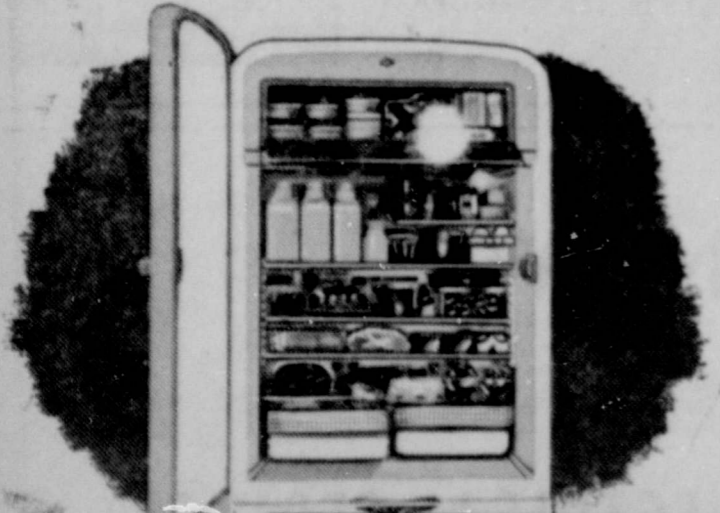

IT'S GUARANTEED FOR TEN YEARS!

ONLY SERVEL STAYS SILENT, LASTS LONGER

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How is this possible? Because Servel has no motor, no machinery. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So, Servel stays silent, lasts longer.

See the new Gas Refrigerator. You'll find every new convenience. Big frozen food compartment. Plenty of ice cubes. Flexible interior. And remember—you're sure of long-lasting, noise-free, trouble-free performance with Servel!

Mantle of snow drapes Santa Fe Indian Village at deserted Railroad Fair. Snowfall lends weird touch to pueblos usually found in warmer climes. Summer residents of cliff dwellings, long returned to homes in Southward, probably have never seen snow. Buildings were erected as exhibit for popular lake front show held in Chicago last summer. The fair will open again June 25, 1949, and operate until October.

New Officials of City Take Oath of Office

Dr. C. M. Thacker as councilman and Jake B. Watson as city secretary, are the new members of the official city family who took the oath of office at the meeting last week. At that time the results of the election were declared. Mayor F. C. Harmon renewed his oath of allegiance to his country and to the duties of the office of mayor, and along with him, re-elected last week: J. A. Patterson, M. H. Martin, J. D. McBrien, and Lewis Norman as councilmen; and Bob Smith as City marshal.

Dr. A. E. Guthrie was re-appointed city health officer and the Hesperian re-named the official newspaper.

An audit that began this week was authorized at a cost of \$225. Grogen & Shile, an Amarillo firm, has the contract.

Of direct interest to residents of the city is the order which sets the irrigation rate to begin on April 20, when water rates will be reduced from 20 cents per thousand after the minimum to 15c per thousand, the same as in former years. There is no probability the city will run short of water supply.

Four of J. T. McLains children visited them over the week end. They were Mr. and Mrs. Roy N. Tyler and Betty Jean and Johnny, also Mrs. James P. Huguely and Pat. all of Amarillo, Mr. and Mrs. J. E. Brown, Vicki and Jo Dean of Lubbock, and Mr. and Mrs. Hollis McLain of Sand Hill. Also Sunday visitors in the McLain home were E. L. Cornelius of Floydada, and Mr. and Mrs. Donald Cornelius of Bartersville, Oklahoma.

Mr. and Mrs. Douglas Pitts and family and Mrs. Ralph Hammonds, spent the week-end with their parents, Dr. and Mrs. Donald H. Pitts. Douglas is attending the University of Texas and Mrs. Hammonds lives at Dallas.

Mr. and Mrs. Ross J. Clark and children, Cecelia and Dickie, of Biloxi, Mississippi, were visitors recently in the home of Judge and Mrs. G. C. Tubbs. Mrs. Clark is the daughter of the Tubbs, and Mr. Clark is in the Air force.

Mr. and Mrs. Herwin Strickland, and son, Reg, of Abilene, spent the daughters, Barbara Sue and Diana, week-end with Mr. Strickland's mother, Mrs. G. R. Strickland and other relatives in Floydada.

Mr. and Mrs. Hershell Hammonds and Yndell of Pampa, and Mr. and Mrs. Buck Sims and family of Quanah, visited in the home of Mr. and Mrs. W. C. Sims over the Easter holidays.

Mrs. E. F. Johnson, of Vernon, came Monday night to spend two weeks here as guest of her brothers spent Easter here visiting his grandparents, Mr. and Mrs. John A. Fawver.

Dorothy Tye of Dallas, and Jimmie Tye, student at University of Texas, spent the week-end visiting their parents, Mr. and Mrs. W. O. Tye and family.

Mr. and Mrs. J. H. Tribble spent Sunday in Denver City and visited Mrs. Tribble's mother, Mrs. Nelson Coward, and her sister, Mary Pearl Coward.

Court Ruling Sets Landmark In Oil Leasing

AUSTIN, March-Land commissioner Bascom Giles points to a recent decision by the Texas Supreme Court as "another milestone in the development of our public school domain." The ruling reaffirmed the constitutionality of the so-called Relinquishment Act, which stated that the State's leasing agent must begin drilling within 100 days when oil is discovered within 1,000 feet of school land.

Associate Justice V. St. John Garwood said that "if the agency of the surface owner should result in failure to drill an important offset well" (to prevent drainage of oil), then the Commissioner of the General Land Office could take the matted "out of the agent's hands altogether and lease the minerals directly."

The decision clarifies the State's authority over some 7,000,000 acres of Texas school land on which surface rights have been sold, Giles said.

"These lands may be leased for oil production by surface right owners who are authorized to act as agents of the State," Giles explained. "But if the surface right owner does not act in the best interest of the State, his right as an agent is forfeited."

The lease involved was for a 140 acre tract in Crane County which eventually was assigned to the Standard Oil and Gas company. When drilling was not begun within 100 days after production was reported within 1,000 feet, Giles refused to accept a second lease executed by the surface owners to the Cities Service Oil company. The bonus offered in this second lease was \$5,250.

The lease was re-sold at sealed bid auction with a bonus payment of \$101,315.

The favorable ruling by the Supreme Court continued Giles' record of never having a mandamus upheld since he took office ten years ago.

Little Pigs Like Warmtn
Electric brooders for chicks, pigs, and lambs are now being used by farmers to save many birds and animals, says Arthur W. Turner in charge of the agricultural engineering research of the U. S. department of Agriculture. At the Research Center at Beltsville, Md., he says, "some of us were surprised to note that during the month of August in both 1947 and 1948, with temperatures in the 80's, new born pigs stayed under the heat lamps or brooders much of the time for several days." Turner reports that the tests show that the hard glass type of infrared lamp seems both effective and safe.

BOYCE HOUSE GIVES YOU TEXAS

Courage of the highest order was manifested on the Texas frontier by Judge W. C. Linden, venerable attorney, now living in San Antonio. The Bar of the Hill Country has paid him a great tribute (quoted in part):

"First becoming county attorney of Llano County, he was soon elected district attorney. The noted San Saba Mob organization was at the height of its power. Its influence was formidable indeed; its members and sympathizers, extensive. Many were falling victims to its lawlessness and violence. Night-time homicides were common. Intimidations, extortions and kindred crimes were rampant. Young Linden (this was in the 1890's), with characteristic zeal and energy and in utter defiance of danger, entered into the prosecution of these gangsters. If he ever felt the sensation of fear, it was never manifest.

"Many instances of his prosecutions and convictions of these criminals are yet recalled and re-told where a known sympathizer of the mob was being prosecuted and its various members had assembled in the courtroom to overawe court and jury. Linden, asking indulgence of the court, in his argument to the jury, called the names, pointed out, one by one, these mobsters, relating to the jury their respective connections with the mob and its sundry murders and the evidence he had against them, and concluded by plainly telling the jury that, while his evidence against the accused was ample to warrant conviction, he apprehended that these evil influences about might restrain a jury from doing its duty.

"Concluding his address, he left the courtroom for his hotel. Encountering on the nearby corner, a collection of these mobsters awaiting him, he deliberately drew his pistol, calmly remarking that he was there to do his duty and no influence could deter him; that they might get him but they knew he would get some of them first, and telling them to have the

man posted a short way down the street with his gun to put it away, he passed them and walked deliberately to his hotel where, in a short time, came the message that the jury, to the surprise of all, had convicted the accused.

"The influence of the able and fearless Linden, as district attorney, accomplished more than all other agencies toward the breaking up of the notorious San Saba Mob, a service within itself never to be forgotten in the annals of the Hill County administration of justice."

Radioactive "Rain" Would Doom Capital
WASHINGTON—During peacetime America's ports are gates of wealth and security. During another war they might be the portals for sudden and complete disaster, warns Pathfinder news magazine.

In Washington last week Bikini A-bomb test observer Dr. David Bradley explained why. Underwater A-bomb explosions blast tons of radioactive vapor into the air. This vapor condenses and falls as a rain of death, indelibly infecting whatever it hits. At Bikini, target ships through a 25-mile area were coated with this deadly "rain" and still cannot be made safe for humans. Nor can the island itself for years.

In an attack on the nation's capital, for instance, Dr. Bradley said, "A bomb exploded in the Potomac river would be a total disaster." The old worries about whether the White House or the Capitol would be the prime Washington target were grimly rendered obsolete by Dr. Bradley's forecast. The entire city would have to be emptied at once. The waterfronts of any of America's great port cities might well be deadlier than any front line trench—if the real front line of peace were lost.

the 1949-50 term.
 Monday afternoon, the boys from the young people's Sunday School class of the Lakeview Baptist church defeated the men of the community in baseball by a score of 31 to 27.

About 35 local people assembled at the home of Rev. and Mrs. G. A. Rowell last Wednesday evening at 7 o'clock for prayer meeting. The purpose of meeting in the Rowell home was that each family took a gift which instituted a miscellaneous shower or "pounding" of food-stuff, chickens, bed clothing, etc.

Anita Tooley was the honoree at a slumber party at the home of Miss Ann Jones Saturday night. After the Sunday school class party held in the church basement, the girls went to the Jones' home where refreshments were served and a "slumberless" party was enjoyed until the wee small hours of the morning. The party was given in honor of Anita's birthday. On Sunday afternoon 16 local boys and girls met in the Tooley home, also a birthday celebration for Anita. After piano music, singing and refreshments were enjoyed, the young people rode to the canyon kodaking.

Visiting in the H. J. Nelson home Sunday were Mr. and Mrs. Carl Nelson, Mr. and Mrs. Lloyd Nelson and daughter, LaDonna Sue, of Floydada, Mrs. W. M. Pratt, of Panhandle and Gene Rowell.

LAKEVIEW, April 18—The young People's Sunday School class motored to the Plainview park Sunday morning after church services, and enjoyed a picnic lunch and a very unique egg hunt. Mrs. R. L. Nichols is teacher of the class. Those making the trip included Mrs. Nichols, Misses Ann Jones, Mary Lou Polasek, Betty Sue Thornton, Mary Sue

Dunford, Anita Tooley, Johnnie Owens; Messrs. Cecil Murphy, Wayland Jones, Bob Gordon, Billy Joe

Hambright, Paul Polasek, Durwood Rowell, Bill Polasek, and Russell Hunter.

The two adult Sunday school classes had a very enjoyable social in the basement of the church Friday night.

Rev. S. N. Ross and Rev. Millard Williams, students of Wayland college, attended church here Sunday night. They were on their way home from a revival meeting at Polasky.

At Training Union Sunday night Mrs. G. A. Rowell gave a very interesting review of a missionary message which was given at the worker's conference at South Plains Tuesday by a missionary to Brazil.

Miss Maxine Thornton, a senior high school student of Odessa, visited her parents, Mr. and Mrs. Mal Thornton and Betty Sue, over the week-end.

Those visiting in the home of Mr. and Mrs. Fred Jones over the week-end included Mr. and Mrs. Lanston Jones and Mrs. Frances Chandler of Plainview, Mr. and Mrs. James Jones of Panhandle, and Mr. and Mrs. Bud Breed.

Mr. and Mrs. Wayne Carmickle of Petersburg visited her parents, Mr. and Mrs. Leo Dunford Sunday.

Guests in the E. H. Tooley home over the week-end were Mrs. Tooley's parents, Mr. and Mrs. B. R. Teague of Clovis, New Mexico, a brother, S. N. Teague and family of St. Varin, New Mexico, and Rev. and Mrs. G. A. Rowell.

Following is the list of pupils making the honor roll the past six weeks; 5th grade, Patsy Johnson, Nellie Neff, Barbara Polasek; 6th

grade, Durwood Rowell; 7th grade, Patricia Spears; 4th grade, Mary Newberry, Neida Boyd; 3rd grade, Nell Palvadore, Wandell Russell; 2nd grade, Anella Thurston.

The Stamps Quartette will be presented in a program of religious music at our auditorium Monday night, April 25. The public is invited. The program is being sponsored by the local Home Demonstration club.

Mr. and Mrs. Auther Howard of Goree visited the Fred Jones family Friday night.

Those attending the Brotherhood meeting and banquet held at Silverton Monday night were Messrs. Fred Jones, Earnest Emert, G. A. Rowell, Mal Thornton, Fowler Esteu, and Wayne Battey.

Mr. and Mrs. Ozie Polasek and children, formerly of Levelland, have moved to this community on the farm of Wayne Russell.

Roy and Tweet Smith of Morton visited the Don Harrisons Sunday. Mr. and Mrs. L. D. Goughly and children Mr. and Mrs. Wayne Russell and Mrs. J. H. Polvadore and children visited at Lorenzo Sunday.

The Warner Johnson family attended the Easter pageant in the Wichita mountains near Lawton, Oklahoma Sunday.

Mr. and Mrs. J. J. McKinney had as guests during the holidays, Mr. and Mrs. Ben Whitaker of Big Spring.

Bette Yearwood of W.T.S.C. spent the Easter holidays with her parents, Mr. and Mrs. J. R. Yearwood.

NEW BASIC TRAINING PLANE

The US Air Force has selected as its future basic training airplane a low-wing, all-metal, single-engine monoplane manufactured by Fairchild Engine and Airplane Corporation, Hagerstown, Maryland. It will be designated the T-31.

T-31s will be placed with parts and component suppliers in near future. These funds were provided for this type trainer by production on January 6. Full ten months and Air Training mand students will be flying T-31 in about a year.

That you talk with your local agent about writing your Fire Insurance on a three or five year basis.

WHY?—

Because the recent Courthouse fire will result in an increase of your insurance premium by approximately 25 percent.

BUT—

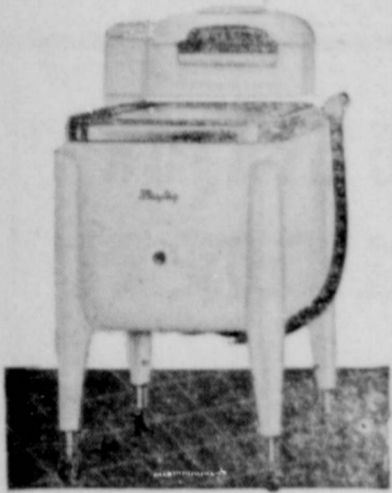

By renewing your policy with either a three or five year term policy you will get this credit for the full term.

IF—

You will discuss this with your agent he will gladly give you the actual savings on your individual policy and he can provide a payment plan to help finance a three or five year policy without using your spare cash.

Price of Steel Pipe is up 75%

Unloading steel pipe at West Texas Gas Company's pipe yard. The new pipe will be used in our transmission system and distribution plants to make more gas available for you.

Yet Natural Gas Service Remains At the Same Low Pre-War Prices

Steel pipe is but one item. Everything behind your natural gas service has increased in price.

To meet your demands for natural gas service, large sums of money are being spent for steel pipe for use in our transmission system and in our distribution plants.

In face of the increased costs of steel pipe, wages and other items... natural gas service for your home and business is still furnished you at 1940 prices.

Club Women

(Continued from first page)

Munday, secretary of the T. H. D. A. brought the message from the association.

Mrs. Raymond Teeple, Floyd County T. H. D. A. chairman, introduced the hostess committees and recognized people and other organizations that helped to make the meeting a success. The Registration committee was composed of Mmes. C. A. Caffee, P. I. Roberts, R. C. Matthews, and J. B. Smitherman with helpers. The Hospitality committee was composed of Mmes. C. L. King, A. H. Kreis, Sam Lide, Lynn Miller, W. C. Sims, George West, and Herman King. The pages were 4-H girls: Shirley Womack, Dorothy Holmes, Patricia Spears, and Mona Williams. Mrs. Carrik Snodgrass of Harmony was chairman of the reservations committee for the luncheon.

Special thanks and appreciation were accorded the Harmony club for serving the luncheon at the noon hour. The food was delicious and the tables beautifully decorated, all of which showed a great deal of planning and work. Mrs. Donald Finkner, President of the Harmony club was introduced. Other organizations and people who helped to make the day a success were the Chamber of Commerce whose secretary, Robert Crowell, moved the tables and chairs for serving the luncheon; to the Jaycees for loaning their loud speaker system and to A. H. Rainer in particular for setting it up and checking it; to the Floydada Garden club for decorating the stage with baskets of flowers; to our Home Garden club for the arrangement of tulips for the speakers' table; to the schools for the use of their buildings and equipment; and to the First Christian church for lending their tables and chairs. Miss Leila Petty, Floyd County Home Demonstration Agent was also thanked for her help.

Miss Kate Adele Hill of Lubbock, district agent for the A. & M. College Extension service, gave a summary of the day's program. She complimented the various individuals for their good planning and program and the splendid cooperation of all. The following visitors were introduced during the day: T. H. D. A. Board members: Mrs. R. L. Campbell of Wildorado, state president; Mrs. R. M. Almonrode of Munday, state secretary; Mrs. G. T. Maltby of Muleshoe, vice-president for District 2; and Mrs. B. M. Harris of Plainview, chairman of the state 4-H committee.

Former board members introduced were, Mrs. A. R. Hanna of Floydada first vice-president for the district; Mrs. George Beavers of Vernon; Mrs. Dennis Knight of Seminole; and Mrs. C. A. Caffee of Dougherty. Extension Staff members present

The County School board will meet in the county school superintendent's office May 2, for the purpose of re-organizing.

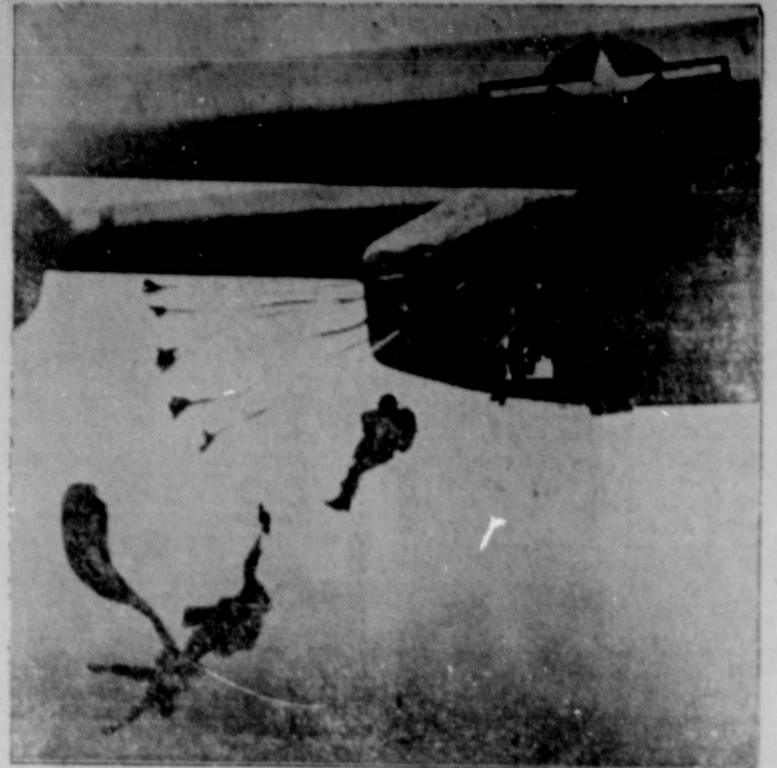

This is to be a regular meeting, which is held every quarter. Superintendent Clarence Guffee said this week.

ENLISTMENT REPRESENTATIVE OF ORC HAS FLOYDADA DATE

Wednesday of next week Lt. Carter from the instructors office of the Organized Reserve corps, Lubbock, will be in Floydada for the purpose of re-enlisting and enlisting men in the Enlisted Reserve program.

The lieutenant will be here from 3 to 5 o'clock in the afternoon, located at the court house, he announces.

Why send away for office supplies call no. 8.

524 DIVISION 'CHUTISTS TO TEST NEW PLANE—Paratrooper-like these will put the new C-119 cargo and troop transport through its paces during an air show at Hagerstown, Md., in March. They will demonstrate loading of personnel and equipment aboard the plane which can transport 42 soldiers with their combat equipment, or nine tons of cargo, for 2,000 miles.

were Miss Hill and W. N. Williamson of Lubbock, District Agents; Miss Gena Thames, Home Management specialist, and Miss Lucille Shultz, Foods and Nutrition specialist, both from the A. & M. College Extension Service at College Station. There were fifteen County Home Demonstration agents present.

Other visitors present were: Dr. E. N. Jones of Lubbock; Judge G. C. Tubbs; Commissioners Fred Clark and Fay Hart; Mrs. Fay Hart; O. M. Watson, president of the Floydada Chamber of Commerce; Robert Crowell, Secretary of the C. of C.; Mrs. Jean Bain Rushing of Breckenridge, Stephens County Home Demonstration agent; Miss Elizabeth Elliott of Lubbock, former Home Demonstration agent; Robert Gibson and C. J. Murphrey, Floyd County Agricultural agents; and R. L. Campbell of Wildorado.

NOTE OF APPRECIATION

We wish to extend our sincere thanks and appreciation for the many kind things that were done for us during my wife's illness. Eddie Cantrell and family

Mrs. Fed McAnear and son, of Amarillo, are here for an indefinite visit with her parents, Mr. and Mrs. W. H. Nelson.

Macye Orman, Charles Hamilton and Earl Edwards, Jr., who are students at Texas A. M. college visited their parents over the Easter holidays.

A Farm Woman Thinks

(By Nellie Witt Spikes)

THREE CROSSES
Three crosses stood on Calvary
dark against the sky.
Soldiers laughed to see
three ways a man may die.

They still stand on Calvary
dark against the sky,
Some still laugh to see
three ways a man may die.

Who builds the cross on Calvary
dark against the sky?
Who laughs at pain and want?
Who says "It is you-or I?"

On Easter Sunday of 1949 begins

Who cannot express the sadness
of heart in the passing of Mrs.
Davis. Could one ever forget
who knew her? Can one forget
the fragrance of an apple tree all
and white? Such was one for-
giveness of her life. Can one for-

By the mail: A letter from Mrs.
Ezell of Farwell, Miss Della,
who grew-up and lived at Old
ma. I am so very happy, Miss
that I gave you pleasure. Your
was welcome . . .

Mr. and Mrs. Nugent Brown of
Arillo came by and we had a nice
visit with them. They are
happy in their work. Mr. Brown
edit the Southwest Plainsman,
supplement to the Amarillo Times,
introducing him to the readers,
Dwain says: "Zeke Brown is a
who chews a cigar right down
his waist, flags a typewriter with
estimated 30 per cent of his
table fingers, and is so designed
he is about as much bones as
Zeke wears a broad grey
hat; can fly an airplane or
a cow; can judge a wheat crop
performs various and sundry
chores not unhandy to the
and ranch news editor. His
is not so sure about his ability
to milk a cow." Mrs. Brown is very
gent and by the way her name
with a name I like very much.
I sure they will make a wonder-
success in the new work and
I hope Mr. Brown will not be
on to show his proficiency in
milking a cow. Good Luck, Friends.

Mr. and Mrs. Hugh McCoy, once
of Mah, but now of Falls, do not do
things by halves. They brought me
a hunk of beautiful agate. I
I sure it will weigh all of thirty
pounds. I can lift it but could not
carry it far. I plan some day to
take a piece of it cut and polished.
I hope pieces would make lovely sets
of pins and rings. I am very
proud of this. Mr. and Mrs. McCoy,
you getting it from off the
mountain and bringing it down to
all those many miles adds im-
measurably to my regard for the
wonderful stone.

A fine surprise: A lovely greeting
from Mr. and Mrs. O. B. Olson

Injuries are Mild To Baird Bishop In Car Accident

Baird Bishop, proprietor of Bishop
pharmacy, is walking proof this
week that you can have a pretty
bad automobile smash-up and es-
cape without serious injury. En-
route into Floydada early Tuesday
of last week his car hit a culvert
post at the bend in highway 70
and smashed the car up badly. The
driver was shaken and suffered
bruises and shock, but had no bones
broken or internal injuries.

He must have dozed for a moment,
Mr. Bishop said, and failed to take
the slow curve. He was on duty
at the store the first of this week
after three or four days at home
last week-end.

Ken Bishop, a son, of Dalhart,
was here to see his father for a
short time over the week-end.

Women now find 2-way help for old problem

What to do for woman's oldest problem,
functional monthly pain? Many a girl and
woman has found the answer in CAR-
DUI'S 2-way help. You see, CARDUI may
make things lots easier for you in either
of two ways: (1) started 3 days before
"your time" and taken as directed on the
label, it should help relieve functional
periodic pain; (2) taken throughout the
month like a tonic, it should improve your
appetite, aid digestion, and thus help
build up resistance for the trying days to
come. CARDUI is scientifically prepared
and scientifically tested. If you suffer "at

One of the most brilliant plans advanced in this century to redound most to the happiness and well-being of the people, is this plan of rural electrification into which the federal government, through an agency, has spent billions of the taxpayers money and will spend billions more. Call it whatever you may, socialistic, government in business, invasion of the field of private industry. The plan is too gigantic for private financing but the time was overdue for it to come about. The fact there has been shortage of materials has been a hindrance and a drag. But the idea is a good one. It is one of "eminent domain," the greatest good for the greatest number. Rural electrification is bringing a great good to a great people. Those who can't see it, who can't go along now, we think, will in turn of a generation realize that it was and is good. The fact that the people are using the electrical energy and repaying the government for the money loaned, seems at the moment to be proof of what is said here. We have no figures but we assume the bill is perhaps 25 per cent more than it should be for rural electrification in America. On the face of it it looks that way. Certain arbitrary rules seem to be responsible. But this is a world we live in where you can't have your way entirely and we can't have the thing done exactly as we believe it should. Meanwhile, let there be light and energy and more abundant living for now. The Muscovites may be clouting the heads of our kulacks a generation or two hence in the name of good government, in the name of the right of eminent domain. Let us have the real thing while we can. We do not think that private enterprise is being raped. We do not think the utilities people are being mistreated. And they'll feel the same way as soon as they adjust their thinking and as they continue to grow and prosper and make money off of rural electrification.

All of us have our theories of government, our ideas of the turn the society in which we live should make, to add up to the greatest good, the greatest happiness and the most abundant life for the people. Some think that the rugged, old style individualism which grew America into a giant of wealth and productive ability, should be continued ad infinitum, some think that the old - style type of endeavor in which everybody is for himself and the devil take the hindmost would undoubtedly bring on disaster for the country. With this latter class we are inclined to go along within reasonable limits, keeping as nearly in the middle of the road as possible. In crises we think the greatest good for the greatest number must take precedence over the individual welfare, even in-

dividual rights. As for instance, in eminent domain, you or I own a good piece of land we want left alone. But the common weal seems to demand that your piece of land, some or all of it, be taken from you after your property rights have been recognized and you have been paid. This is the long-established right of eminent domain of which we read.

Something of the kind, the same type of thinking, goes into the business of keeping farm surpluses from piling up in America and ruining the country. It has been demonstrated definitely that such can occur. In fact, American farms and the operators thereof have given proof they can supply twice the needs of America and a lot to spare to send abroad. Theoretically it is heresy for a committee for the government or society to trespass on your land and say to you that you cannot plant more than so many hundred acres of wheat, or that if you do the law of the land will be so arranged that you will be penalized. The fact is, however, the country is in a fight for survival, for production at a price that will not ruin the farmer and then the country as the farmer goes down. Some way must be found to keep production on as nearly an even keel as possible. Perhaps the way the administration is shaping up its plans may be wrong. Undoubtedly errors have been made and will be made. But the principle of the greatest good for the greatest number seems to us to be involved, and we cannot think of any way around some kind of a farm "program." Call it regimentation or what you may, after all rights and interests have been studied.

Floyd County Soil district's projected tour for May 6 is creating some interest again this year. It is particularly doing so because farm operators find two things beginning to bear down on them, namely: (1) their tenure on the land which they handle and from which they take their livelihood is only for the period of their lives. Some morning this land must pass on to posterity and the condition it is in at that time will reflect the care for the land which they gave under their stewardship; and (2) boom times appear to be over for the farm. Henceforth those who make the most of their land while preserving its fertility, will be the ones who prosper. On the tour it will be nice to spend a day looking and seeing what the neighbors are saying and doing. Also it will be good for man to study to perfect his workmanship so that none need be ashamed.

You won't cut your finger if you pick up small bits of broken glass with a piece of crumpled, moistened tissue paper.

New Stadium Construction Is Started

LOCKNEY, April 15—Construction was scheduled to start today on the new 1200 seat football stadium Lockney. The stadium will be built of steel and concrete with 2-inch lumber seats and treadways.

Southern Bleacher company of Van Buren Arkansas, is the contractor. The stadium will be completed in ample time for the football season. Contract price is \$7800. In addition to the 1200 seats there will be 15 feet of aisle and a five foot ramp at the front of the stadium. The front ramp will be five feet off of the ground.

The school has been selling some reserved seats in the new stadium in order to raise money to pay for part of the stadium. Supt. Sidney Reeves said Thursday that a few more would be sold. The seats are selling for \$6 which gives the pur-

chased a reserve on the seat for a period of ten years. He must, however, pay the general admission price at each game.

HOME DEMONSTRATION CLUB IN MEETING AT STARKEY

The Starkey Home Demonstration club met with Mrs. Travis Buske on Friday, April 15.

The roll call was answered with "time savers." The games were led by Mrs. P. F. Stephens. Miss Leila Petty gave a demonstration on insect control.

Delicious refreshments were served to the following: Mmes. G. H. Day, Paul Sparkman, J. K. Holmes, J. T. Myrick, J. W. Day, Jr., W. P. Ferguson, W. L. Davis, W. W. Blair, William Culpepper, Wanda O'Neal, Wilson Edwards, Lloyd Pate, F. F. Stephens, G. T. Maltby, Miss Leila Petty, and the hostess, Mrs. Travis Buske. Mrs. G. T. Maltby was a visitor with the club.

The next meeting will be May 16, in the home of Mrs. L. Kiker.

Mr. and Mrs. Clarence Guffee, Clarence Edwin and Sonja Kay, and Miss Ganice Hill of Plainview recently visited with relatives in Paradise, Texas. They also attended the Ice Capades in Fort Worth Saturday night.

S. W. Ewing Funeral Rites Held Saturday

Last rites were held Saturday, April 16, for S. W. Ewing, of Floydada, who died April 15. Services were held in the First Baptist church, Floydada, at 3 o'clock p. m. with Reverend Sidney T. Johnston and Reverend J. B. Martin officiating. Under the direction of Harmon Funeral home, interment was made in the Floydada cemetery.

Mr. Ewing was born August 14, 1868, in Celeste, Hunt County, Texas. He married Sarah Lucinda S. Ewing on November 12, 1893. He was engaged in farming at McCoy for many years until he retired some years ago.

His wife preceded him in death two years ago.

Mr. Ewing is survived by four children, one daughter, Mrs. H. A. Copeland, of Floydada; three sons, Leslie and Elber Ewing of Floydada, and Wilbur Ewing of Orange, Texas; one brother, S. N. Ewing of Dimmitt; thirteen grandchildren and three great grandchildren.

THESE FLOYDADA HIGH EXES SUGGEST BETTER PRACTICE IN HESPERIAN'S WRITING

Lubbock, Texas, April 4, 1949

The Floyd County Hesperian Floydada, Texas.
Dear Mr. Editor:
Over a prolonged period of time we have repeatedly seen in The Hesperian the word Texas Tech appear as Texas Tech. The word "Tech" is an abbreviation of Technological and is a part of the official name of a well-known West Texas institution of higher learning, Texas Technological College. Therefore, Tech is considered to be a proper name, thus requiring capitalization.

We believe it is standard journalistic practice to observe capitalization of all proper names. In the future we should like to suggest that you inform your proofreaders and linotype operators of the above stated rule.

We enjoy reading the Hesperian immensely, and in the future we

sincerely hope to see our alma mater, Texas Tech appear as such.

Yours very truly,
A couple of Floydada High School Exes

P. S. These sentiments are shared by numerous Floyd County enrollees at Texas Tech.

TWIN SONS BORN AT FORT WORTH FIRST IN FAMILIES FOR GENERATIONS BACK

Mr. and Mrs. Howard Reeves of Fort Worth, Texas, are the parents of identical twin sons born April 15. The babies weighed five pounds and four pounds and eleven ounces. They have been named Jerry Wynn and Terry Glynn.

Mrs. Robert Reeves of Floydada is the grandmother of the twin boys. Mrs. Reeves returned home Sunday from Fort Worth after a weeks visit.

Great grand parents are Mr. and Mrs. J. L. Green of Floydada and great-grandmother of the twins is Mrs. Nancy Green of Ballinger, Texas.

This is the first set of twins as far back as either side of the family can recall.

Mr. and Mrs. T. T. Hamilton had as their guests for Easter their daughter and her family, Rev. and Mrs. Clifford Potts and children of Matador, Texas.

COUNTY OF FLOYD STATE OF TEXAS

On this the 11th day of April, 1949, there came on for consideration by the Commissioners Court of Floyd County, Texas, the matter of the improper dumping of refuse in said Floyd County, Texas;

WHEREAS, the Court is desirous that this practice of improper dumping be eliminated in the interest of health and sanitation in said county; and

WHEREAS, the penal code of the State of Texas condemns such practice in the following manner:

"It shall be unlawful for any... person to dump, deposit or leave any refuse, garbage, rubbish or junk on any public road in this State and permit the same to remain within or nearer than 300 yards on any public highway in this State, etc."

and WHEREAS, said code further provides that any person upon conviction of violating such act shall be fined not less than Ten Dollars (\$10.) and not more than Two Hundred Dollars (\$200.00).

NOW THEREFORE, it is hereby ordered by the court that due and sufficient notice of the provisions of this law be given the citizens of Floyd County; and the Clerk of the Court is hereby directed to cause the pertinent parts of said law to be published in two (2) newspapers in said county, to-wit, The Floyd County Hesperian, and the Lockney Beacon; said notices to run for 2 consecutive weeks beginning with the week of April 14, 1949.

County Judge.

Just For Today

Just for today I am a kid
 I can throw off the cares of the
 world

I need not worry about make-up
 Nor whether my hair is curled

No worry about school
 No worry about grades,
 No worry about men,
 No worry about dates.

I can wear my short dress;
 I can carry my doll;
 I can play with my clown
 With the big painted smile.

No one will tell me
 That I'm too old for that—
 Nor even my fussy
 Old maid aunt named Pat

I'm carefree and happy,
 Lighthearted and gay
 Because I'm a kid
 Just for today.

SCHOOLS OUT SOON

In a few short weeks school will
 be out. We started out last Septem-
 ber with good intentions, but many
 of us have failed to live up to our
 ideals. Our grades have gradually
 dropped to a lower level. We had
 intended for them to climb higher.
 It is rather late now. Our school
 year is almost over, perhaps we feel
 that it is too late; that there is no
 use trying now. But may I remind
 you of an old saying which we have
 heard all our lives. Perhaps it will
 give you the courage to go on with
 renewed strength. This saying is
 "Better late than never."

Guess Who?

 eyes, small, quite quiet, a gentleman,

 Pat Hennesse—Oh Golly, I might
 go to Lubbock, and I might not. I
 might stay at home, and I might
 not.

Ted Davis—I don't know, I am not
 very smart.

Dan Hagood—I ain't going to work.
 Just run around I guess.

Sammy Vickers—stay at home.

Eva Waller—work and go visiting.

George Spears—I don't know, work
 and have the best time I can. I
 guess.

Dell Turner—there isn't much tel-
 ling.

D. F. Rogers—may go to Oklahoma
 City.

Duane Stephens—I don't know but
 probably go someplace.

Elayne Snodgrass—not much of
 anything but be mean and have a
 good time.

Billy Strickland—going to Mule-
 shoe.

Jerry Thomas—same thing I always
 do I guess.

Trois Muncy—annoy Hagood.

Mr. Graves—I don't know. I just
 don't know!

Artist in Program

The assembly program Wednesday
 was given by an artist, Bob Wood,
 from Southern assembly. He paint-
 ed several inspirational pictures and
 gave the poems and songs from
 which they were derived. Then he
 gave a little lecture on making
 face portraits and explained its
 simplicity.

The program was a very interest-
 ing one, and it was enjoyed by all.

FUTURE TEACHERS GUESTS

Saturday afternoon, April 9, a
 tea was held in the parlor of the
 First Presbyterian church in Plain-
 view. A very enjoyable program
 was presented to the members and
 their guests by foreign students from
 Wayland college. The theme was
 "Education in Foreign Countries."
 Mrs. Bill Marshall from Plainview
 was the charming speaker for the
 occasion.

The members attending from
 Floydada were Mesdames Studie
 Thomas, Louis Hamilton, Kathleen
 Stewart and Edna Phillips, Misses
 Elizabeth Dumas, Opal Blakenship,
 and Vera Meredith.

The guests were Miss Nell Huck-
 abee, Mary Dee Cozby, Joyce Wo-
 mack, Mary Maxey, and Roberta
 Garrett.

F. H. A. CLUB MEETING

On Wednesday, April 13, the pur-
 pose of the meeting was to discuss
 a party for the 8th grade girls; a
 weiner roast was decided upon and
 it was decided to have the boys as
 guests. It is to be held April 22.
 The Homemaking girls have com-
 pleted their dresses. These dresses

WMS Banquets Senior Class

The seniors of '49 were the guests
 of the First Baptist church at a
 beautiful Hawaiian banquet, Tues-
 day night, April 12. Before the
 festivities began, the students made
 a tour of the several rooms in which
 bulletins from various colleges were
 on display.

The banquet hall was very beau-
 tiful. The decorations carried out
 the theme of fair Hawaii. The wait-
 resses, dressed as native girls of
 Hawaii, were very attractive. They
 gave each person a lei upon entering
 the banquet room.

The theme, "The Cross Roads of
 the Pacific" was the title given the
 interesting program. The program
 was as follows:

Captain H. G. Barber
 Invocation Mrs. W. B. Jordan
 Aloha to Seniors Mr. H. G. Barber
 Dinner Hawaiian Music
 Fair Hawaii Brad Beedy
 Music Betty Takahashi

accompanied by Lucy Zia (students
 of Wayland College)

Area Supervisor

Visits with Ag Boys

The Floydada Aggies enjoyed a
 visit of Mr. Rhine, the area super-
 visor, and Alton Brazell, national
 vice-president from Texas. Mr. Rhine
 gave a short talk and introduced
 Alton Brazell.

Alton then made a very interest-
 ing talk. He told about a magazine
 the national organization is pre-
 paring to put out for those interest-
 ed in F. F. A. work. He also
 told some interesting things about
 the national supply service. Then
 last in his talk he told about a tour
 the national officers took in the
 north and East part of the U. S.
 The talk was very interesting to all
 the boys who heard it.

Alton also helped the boys to un-
 derstand the application that must
 be filled out by May 1 to become a
 Lone Star Farmer. There are six
 boys applying for the Lone Star
 Farmers degree.

DE QUACKER

My, my! The old saying, "In
 spring, a boy's fancy turns to love,"
 must be right. More new romances!
 It's a new romance blooming be-
 tween Don Ewing and Barbara Dut-
 ton? ?

She had a date with him Tuesday
 night!

Dale was a lady killer at the ban-
 quet Tuesday night! He kept Ruth
 R. and Pearl S. swooning all through
 it!

Bobby Finley seems to be very
 friendly to Dorothy Bishop lately!
 Could be an old romance about to
 bloom again.

Roberta was with Brad at the
 banquet. Too bad Ken couldn't go.
 I guess Brad was a good substitute
 though!

Was Wilma Dyer with Dell Turner
 at the Banquet; ; new romance,
 maybe! ? ?

Humm, Billie Chowning and
 Troy Welch have been very friendly
 lately. They went to the backward
 party together last Friday!

What's going to become of this
 new romance between Trois Muncy
 and Hershell Nelson, huh??

Hazel Cates and Delton Waggoner
 seemed to enjoy themselves Tuesday
 night! What about this, kids?

Sammie Shultz and Deral Young
 went together last Thursday night!
 They seem to get along wonderfully!

Jennie Chowning really swoons
 when she sees Bobby Cline! They
 really make a cute couple!

Pat Hennesse and Dale Roberts
 were together Friday night at the
 backward party. Another new roman-
 ce! whew!

Sherwyn Fyffe asked Stanley Con-
 ner to the party and he seemed very
 happy about it! well, well, Bill, bet-
 ter watch this!

Joe Mac Dunn seems to want to
 go with Lucille Rahn; well, come
 on Joe, what are you waiting for? ?

I wonder if Fred Conner has cool-
 ed down since he saw June with
 Dan the other night? ? Something
 tells me Dan had better keep out
 of his way for awhile!

Lavon Shearer doesn't seem inter-

ested in Carolyn Kiker any more.
 Could Mary Young have anything to
 do with it? And what about John
 Moss? ? huhh, Dop, you had better
 watch her!

Carroll Fulton, Harvey Dale Tardy,
 Billy Jo and Bobby Smith were hav-
 ing a good time at Petersburg Fri-
 day night about eleven o'clock! !
 Tell us more boys.

Peggy Jo Hand and Bobby Dur-
 ham seem to like third period S. H.
 new romance, maybe? ?

Floyd Fuqua has a special inter-
 est in Carolyn Tye now, humm,
 Floyd, robbing the cradle a little
 bit, aren't you? ? ?

Dale King and Eva Waller would
 really make a pair! What about
 this, kids? ?

Seems as if Darlene and Ted and
 Lee and Calvin are getting pretty
 thick. Better leave those Lockney
 boys alone, gals, and get a Floydada
 man! !

Four pitchers for the 'Winds were;

Catcher—Bob Cline; Pitcher—Bob
 Finley; First base—Bill Hart; second
 base—Herman Galloway; third base—
 Billy Smith; short stop—Bob Bishop;
 Left field—Melvin Danavant; center
 field—Roy Teague; right field—Jon
 Parkey.

Track Boys Going To Regional Meet

Five Floydada High school track
 boys are going to the Regional Meet
 in Lubbock, Saturday. They are as
 follows:

Robert Turner in 440 yd. dash;
 Bobby Bishop, Dale Roberts, Her-
 shel Nelson in the 220 yd. dash;
 Buster Mooney in One-mile run;
 and Robert Turner, Bobby Bishop,
 Dale Roberts, Hershel Nelson in
 440 yd. relay.

Winds Squeeze Out Win over Longhorns

Floydada High school's baseball
 nine won a thriller Thursday by
 defeating a Lockney team 9-8.
 Finley was the starting pitcher and
 did a fine job allowing 1 run; Cole
 was the starting pitcher for Lockney
 and pitched for 4 of the 7 innings
 allowing 6 runs.

The score was in Floydada's favor
 up until the first of the seventh,
 and then Lockney caught up with
 the 'Winds 8-8 and Floydada was
 last up. But McCullough who suc-
 ceeded Cole in the box for Lockney
 fanned three of the four up. So
 they had to play another inning, but
 the 'Winds also held the Longhorns.
 Then that let the Floydada boys
 have their chance again; Vinson
 another Floydada mound man, man-
 aged to get on base; Finley was up
 next and knocked the ball nearly
 out of the park good enough for
 a three base hit, bringing Vinson
 in and winning the ball game. The
 starting line-up:

\$30,000 Worth of Paving Set Up at Lockney

Contract signed for paving on the streets of Lockney over the week-end by city officials there and Cooper & Woodruff Construction company calls for upward of \$30,000 worth of paving, said M. O. McDowell, office manager of the company here this week. Paving for 36 city blocks is called for at a cost of \$25,044, with additional paving due to be included in addition to a contract calling for the construction of paving to the school at a cost upward of \$3,000. Numerous driveways due to be built are not included in the official arrangement between the city and the contractors.

Funds for the paving were raised by a committee, the city representing them as the bargaining agent with the company. E. R. Harris, Marvin Gilbert, Claude Hammond, Charles Baxter were on the committee for the city paving with Henry Schacht as special solicitor for the school work.

The paving to be done will be 18
