No. 15

More Miles Pledged County Road System

More highway mileage has been pledged to Floyd county by the State Highway department, enough mileage in fact that, with commitments already made, the force of the resident engineer will be kept busy a year or more in office and field planning and building hard-surfaced roads here.

Latest pledge is for four miles south from Pleasant Valley school house to the Sand Hill-Floydada P-M highway, 3.1 miles west from Sand Hill to Barwise, and, under consideration and tentatively agreed to, 1.3 miles north from Sand Hill. The total thus in prospect for next year is brought to 49.5 miles when the Baker road south into Pleasant Hill is included. Last named is a county bond issue road and has not been decided upon finally as a state-participating road.

When these road plans are taken in connection with connecting roads in adjacent counties the hard-surface construction job will be seen as a huge one which is gradually closing mud gaps between the farm and the market. As for instance, the 2.7 miles in northeast Floyd county which ties in with the Briscoe county road construction project and will give northeast Floyd county people an all-weather outlet to Quitaque.

A summary of the roadways pledged to get under way on the draft board soon and in the field during 1949-50 gives the following:

Eight miles in the vicinity of Sand Hill;

Four and one-half miles from Highway 70 at Lockney to Pleasant Valley;

Ten miles from Highway 70 at Aiken to Providence school;

Two and seven-tenths miles north from a point near Edgin to the Briscoe county line;

Eight and a half miles south from Dougherty to a point near the Crosby county line; and

Seven miles south from Highway 70 at Barwise to a point in Pleasant Hill district.

The total of this mileage is 49.5 miles, with pledge of the state for participation in 20 miles or more of the same.

Due to letting this month to be completed this year are the County-Fairview roads and the Cedar road, both being into Highway 207 north. These, with what private construction is contracted, are likely to constitute the total that will be completed this year after the finish of the present contracts.

Announcement was made last week by the sales manager of the General Electric Supply corporation, E. V. McNeese, that the winner of the "Start the Music" campaign, which was to promote sales quota on home freezers, is Gerald Holmes of Holmes Electrical Service, Floydada.

Mr. Holmes qualified on all points involved in the contest and sold better than 900 per cent of his quota.

The prize is an all-expense paid trip to Erie, Pennsylvania, where America's largest refrigerator and home freezer plant is located; and to Cleveland, Ohio, where Mr. Holmes will visit Nela park, the Institute of Light and will be guest of the world champion Cleveland Indians to lunch and witness a great ball game.

Regional Winners—Home the last of the week from the state capital these three one-act players representing Floydada High school, failed to get into the finals and have to be content with gaining the regional title on the week-end previous. They are Dorothy Bishop, granddaughter of Mrs. S. G. Bishop, Barry Rosson, center, son of Mr. and Mrs. R. B. Rosson, and Bradford Beedy, son of Mr. and Mrs. Bill Beedy. Their coach was Mrs. I. T. Graves, of the Floydada High school faculty.

GET BEST FARM ALLOTMENT POSSIBLE, PMA

According to information from the Floyd County ACA Office, acreage reports desired by the county committee for use in determining acreage allotments for cotton and wheat are not being reported by the farmers in sufficient numbers to insure the committee of meeting the deadline placed on it in setting up the 1950 wheat allotments.

These allotments must be in the hands of the farmer before the referendum in July. Ray S. McEntire, administrative officer of PMA, said, "Some farmers are reluctant to turn in the acreage data requested since they do not wish to participate in the controlled program. This is every farmer's prerogative, but he should bear in mind that if the quotas are voted by a majority of the farmers, he will be penalized severely unless he comes within the program. Consequently from an economic standpoint, it would be interested in turning in his data and securing the best wheat allotment possible."

The data desired is the 1941, 1945, 1946, 1947, 1948, and 1949 acreages of wheat, cotton, grain sorghum, summer fallow, and other minor

Floyd County 4-H Club Girls Dress Revue Here On Saturday

Final plans are being made for the 4-H Club Dress Revue on Saturday afternoon, May 14. The county 4-H leaders under the chairmanship of Mrs. O. G. Shearer of Lakeview met Friday morning to work out the final details of the revue. Dresses may be school or sport, best dress or tailored dress. Members will be divided into age groups also. The first winner in the Senior group (aged 14 before January 1) will be awarded a trip to the 4-H Round-Up at A. & M. College June 13-17. Prizes will also be awarded other winners.

Girls who participate in the revue should have their dresses in the office of Leila Petty, County Home Demonstration agent, by 9:00 o'clock Saturday morning, or before as judging on construction will be started at the time. The dresses will be taken to the high school auditorium immediately after noon so the girls will be ready to model their dresses by 2:30 when the revue is scheduled to start.

The public is invited to attend this revue.

Cedar unanimously For \$1 School Tax

Cedar Hill Common School district patrons are pretty well unanimous on a proposition that they need an increase in their school tax rate to meet the needs of the district, as indicated by the record of the vote Saturday.

On a proposal that the school tax rate be increased from 75 cents to \$1 per \$100 valuation the vote was 24 for, and one against. Canvas of the vote was made by the commissioners court Monday and the result declared.

Tire Rim Flies Off, Dewey Hatley Hurt

Dewey Hatley didn't know a lot about it Tuesday afternoon but Wednesday he was pretty sure he wasn't hurt much when a tire rim blew off of a county maintainer.

At Peoples hospital they took six stitches in his jaw. Mr. Hatley was pretty sure he would be all right pretty soon. He was "out" quite a while Tuesday but had regained normalcy by Wednesday, he said.

AGRICULTURE GROUP FINDS GOOD PRACTICES BEING FOLLOWED ON FLOYD COUNTY FARMS

Lowering clouds and threatening weather failed to dampen the ardor of numerous Floyd county farmers and business men, numbering upward of 300, including junior farmers, who made the Soil district's projected study of soil practices in a caravan that covered nearly 100 miles Friday.

The large group which left Floydada almost on the dot at 9:30 sharp, saw some very interesting demonstrations on grass pasture success, cover crops, irrigation efficiency, terracing, noxious weed and grass control, wheat variety demonstrations and green manure crop benefits; and in addition

Heard C. B. Spencer, president of the Dallas County Agriculture club and president of Texas Cottonseed Crushers association, in a plea for preservation of the tremendous riches of Floyd county soils, which yearly pour out millions in benefits to the men who handle this soil.

Spencer declared there is no such thing as soil of inexhaustible richness and pointed to the spoiled beauty of the wonderfully rich blackland country of Texas as an illustration. "You must give back to the soil that which you take from it," said the speaker, who grew eloquent in pointing to the ease with which this can be done by the careful and observant husbandman.

Spencer's address highlighted a very pleasant two-hour stop at Lockview farm, where Bob Stewart, manager of Lockview farm, and Robt. H. Crowell, manager of Floydada Chamber of Commerce, played hosts for their respective organizations at a barbecue dinner.

Guy Ginn represented Floydada Junior Chamber of Commerce in presenting awards to Floyd county boys who won prizes in the window dressing contest of the week previous. Several teams of 4-H and FFA groups did excellent work in depicting through window dressings the contrast between good and bad farm practices on the richness of the soil.

Farms which the big caravan visited during the day included those

of Ernest Lee Thomas of Blanco, Noman Hamilton of McCoy, Glen B. Treadwell of Sand Hill, Buck Sams of Lockney, Ben Quebe of Providence, Oscar Golden of Aiken, A. P. Shugart and Paul Cooper of Prairie Chapel. Lockview farm experiments and operations also attracted much interest.

The wheat variety demonstration at the Quebe farm in ladies plantings in adjacent plots of 10 kinds of wheat, most recommended, some not, for satisfactory production and milling qualities.

Growing importance of vetch in particular and other legumes in general in the county's agricultural program became apparent as the rounds were made. Vetch is destined to have a place in good crop practices in dry as well as irrigated areas of the county is the belief of County Agent Robert H. Gibson, who was one of the tour planners along with the county soil conservation board, headed by R. G. Dunlap, Ralph Cogdill, soil conservationist of the work unit and others.

of Floyd County's Oldest Institutions

Church Home. This beautiful church home of the First Baptist congregation Floydada to be dedicated Sunday morning, is the result of more than 20 years of effort culminating in its completion early in this year. It represents a value of \$125,000. The educational unit was completed in 1927 but the main auditorium was not started until 1948. Former members and friends of the church from over a wide area are being invited to spend the day with the congregation. Morning, afternoon and evening programs planned.

BAPTIST DEDICATE NEW CHURCH BUILDING IN SUNDAY SERVICE

Completion of their debt free church worship Sunday will be observed by Baptists of the First Baptist church of Floydada with hymns of praise and a dedication service by the Reverend Vernon Shaw of San Angelo, Texas, a former pastor.

The church edifice, including the main unit and the auditorium amounting to a value of \$125,000 or more now complete after 20 years of effort, and Sunday will be the day as the Baptists mark the completion of this effort with a service.

Following the morning service the church meal will be served in the afternoon and an afternoon of prayer will be joined in by members and former members of the congregation. Singing, prayer testimonials will feature a great part of the thanksgiving.

Rev. W. H. Hill will deliver sermon during evening service, for which program also has been provided, pastor of the church since 1941.

Rev. A. Doyle will preach, and will be hymns of dedication and testimonial.

The educational unit of the church, began in 1927 under the leadership of Rev. W. R. Hill, was for several years for all purposes of the church, but with the completion of the magnificent auditorium last year, the church work was organized on a basis to make the use of all of the facilities.

Rev. C. Cates served as the chairman of the board of deacons during the building period for the new church which began in 1945.

Other members of this board recently constituted include: G. Barber, chairman, D. I. Cates, E. P. Nelson, J. D. McDonald, W. A. Cates, J. C. Cates, J. C. Cates, Fred Battey, M. B. Noman, Ralph Johnston, Noman Johnston, H. O. Cline, Oscar Stanton, B. Sims, J. L. Heim, Arthur I. T. Graves, C. O. Spence, J. M. Cox, T. J. Heard, W. B. Jordan.

Dedication Service will be organ and piano—Mrs. McDonald Miss Nell Swinburn—Come Thou Almighty King—Come Thou Almighty King.

Kimble Named President

Joe W. Kimble was elected president of the Junior Chamber of Commerce of Floydada, to take office July 1 at the election of the board Tuesday night at the Elcan Legion hall. Fred Zimmerman, Jr., president, presided at the meeting.

Dr. Kimble as president will be assisted by Jewell Elza, first vice-president; W. H. Tanner, second vice-president; O. M. Watson, Jr., secretary; W. E. Garrett, treasurer; Ross T. Jones, parliamentarian. New directors also were chosen for the period of two years. They are: Jewell Elza, Dr. J. D. Wester, W. H. Berry, Guy Ginn, Glenn H. Rainer, and A. H. Rainer.

The board of directors approved a contribution of \$100 to the Anderson grade school paving project.

Much Better Condition' Notes Postmaster of Boxes on Routes

Mail boxes on routes out of the post office are in much better condition than they were, Mrs. Barbara H. Smith, postmaster here, following the first week in May, which was Rural Mail Improvement week over the county.

Patrons of the more than 300 miles of routes out of Floydada post office still could make any improvements they find desirable this week before the rush of the planting and harvest season overwhelms the people served by the carriers from this post office. Mrs. Smith points out.

Letter carriers' magazine, telling of the woes incident to a letter carrier's daily rounds, whose patrons are forgetful of their bounden duty in regard to appearance, condition and convenience of the location of their boxes.

Patrons of the more than 300 miles of routes out of Floydada post office still could make any improvements they find desirable this week before the rush of the planting and harvest season overwhelms the people served by the carriers from this post office. Mrs. Smith points out.

Will Wilson, District Attorney

DALLAS DA WILL SPEAK IN FLOYDADA

The District attorney of Dallas county, Will Wilson, will address the members of the Floydada Lions club on Thursday evening, May 19, on the need for modern criminal laws.

Wilson has been appointed chairman of a committee of the State Bar of Texas, by Dean R. G. Storey, president of the State Bar of Texas, to help bring about changes in our criminal laws. Wilson recently prosecuted the notorious "stomping" and "drowning" murder case that occurred in Dallas county. He refers to many of the criminal laws as still being in the "horse and buggy days."

The young District Attorney is serving his second term as District Attorney of Dallas county and is the immediate past president of the District and County Attorneys association of Texas.

Recently, Wilson has caused much state-wide comment by his relentless prosecution of professional gamblers and racketeers in Dallas county.

Lions Carnival This Week-End

The carnival of the Lions club and the Band-parents club which is scheduled for this week-end will feature a number of interesting and entertaining things opening tonight. The entertainment will be given downtown.

The Lions and the band hope to raise a considerable amount to put into the band uniform and equipment fund.

Band director Kattner plans to have both his high school and his ward school organizations playing during the carnival, the first time the two bands have been presented together. He has been greatly encouraged by the spirit and effort of the junior band as well as the efforts of the high school organization.

Mrs. Maud Hollums Is Hospitalized

Mrs. Maud Hollums, owner and manager of the Arthur B. Duncan Abstract company, is hospitalized this week but doing nicely. She went to the Peoples hospital for treatment and observation Thursday of last week and anticipates that she may be released this week-end, and soon be back at her usual duties.

During Ms. Hollums' absence Ms. W. G. Collins is in charge of the business of the abstract company.

Play At Lakeview To Be Friday Night

The Campbell play "Bound to Marry," which has had such a good reception in several Floyd county auditoriums, will be given Friday at Lakeview school auditorium. E. H. Tooley, principal of the school there announced this week. The play begins at 8:30 o'clock.

The play is in three acts. It has been a big success at previous presentations. Admission will be 15 cents and 35 cents. Mr. Tooley said, "The season of this is likely to be the last time it will be given this spring."

Carmickle No. 2B Is Flowing Producer

Carmickle No. 2-B of the General Oil Co., of the Arick field, one and one-half miles northwest of Petersburg, has been completed for a flowing producer of 480 barrels per day. It is producing from the bottom structure and No. 3-B is from the upper structure, making dual wells, being only 340 feet apart. The Byrd No. 4 was down to the 4,500 feet last Thursday morning.

EDITORIALS

It seems sorter left-handed to see so many farms in southeast Floyd county making ready for a cotton planting spree about the time of the year the farm men of that area have been making ready for a wheat harvest for the past 20 years. There will be many sections of land that have been in grain for a good many years planted in cotton especially and feed to some extent. Missing two wheat harvests in a row will make a man go to casting about and if you don't think so try it for a change. You'll be ready to try something that will produce some revenue this year instead of waiting for another to come along while you summer fallow.

The loss in farm land lease money last year was not confined to southeast Floyd county alone. Some operators in many parts of the county bet a considerable wad last year — and a few two years in a row — for leases and seed and plowing and seeding expense and other things incidental. They are trying to get their money back so they will be as well off as they were in 1946. If they are lucky as to hail and other things that enter into the farming "gamble" they'll get their money back and some to spare. Otherwise they will make another stab another year. Right now the signs are good.

Disposing of rubbish that accumulates at any "center of civilization" always constitutes a problem. Some do the job in a workman-like manner. Others do the easy way, which in some instances constitutes a half-day spent in hauling off and dumping on the neighbors or on the public highways accumulations that should have in honesty been disposed of in other ways. We note with interest the Commissioners court of Floyd county has run an official statement as to the fact that dumping on the public roads is a violation of the law subject to fine. But that does not seem to deter a good many hurried or harried people from picking up their junk and dumping it in the first low place they come to. In many instances this is a culvert on the road. Road workers spend quite a bit of their road working time cleaning out this stuff and restoring the flow of the gap. This practice is a first cousin of the practice in small cities like Floydada of uprooting trees and things of the kind and carting them off to a neighbor's lot to let them become his problem. You don't know why human nature makes a man do that way. Neither do we. There is no reason for one to become any too self-righteous in considering the matter. We might do the same under the same circum-

stances. But if the grand jury begins considering such matters and finds it has to indict you for this practice you'll be terribly embarrassed just the same. We hope the grand jury does go to going into such seemingly frivolous matters and that they indict every blasted one of the violators, except us. There is good reason why we should not be "done that way". The grand jury ought to use common sense and not get a bill against a fellow who was in fact really trying to do the right thing. You know how it is. Sorter like the red light runner in town who couldn't see anybody in a mile up or down the street and he had to get there quick and there was good reason and common sense on his side — until it turned up that he bumped into somebody else that was also using common sense.

The Santa Fe crop report, out last week-end gives a glowing forecast of the paddie wheat crop. Plenty of underground moisture and ample surface moisture in recent days have made the situation ideal unless some catastrophe should occur. The Santa Fe thinks there isn't anything in sight that would prevent a recurrence of another tremendous bushelage of wheat from northwest Texas. The Santa Fe has been hitting the bulls eye for a good many years in its crop forecasts for the areas it serves and there is no reason to suspect their agricultural men's keenness has been dulled this time. Strange to say, however, — that is strange to us — the railway report indicates the harvest will be a little bit late except in the area below the caprock. We had thought it would be two to three weeks early.

Thousands and thousands of dollars are being spent in Floyd county and every big wheat county getting ready for the harvest of the golden grain in early June. Whether the harvest actually turns out to be a great one or not right now the prospect is tremendous. Wheat is booting and heading on hundreds of farms. The men who operate these units have got to make ready although hail or rust or something of the kind may spoil their effort overnight. The farmer sure has to be a gambler and an uncomplaining one. The wheat man began betting away last August and he is still at it. Here in May he is shelling out money and his credit again to get efficiency and lower cost and more grain quicker.

A budget is a method of worrying before you spend instead of afterwards.

Floyd County 14 Years Ago

(Taken from the files of The Hesperian issue of May 9, 1935)

A meeting of the old settlers will be held Saturday afternoon at 1 o'clock in County Judge Tom W. Deen's office, Geo. L. Pawver, president of the Pioneer Settler's association, stated yesterday.

Securing the nomination and virtual election of Jim Willson as district Rotary governor and winning second place in the attendance contest, sixteen members of the Floydada Rotary club attended the convention of the forty first district of Rotary International held at Midland, Sunday, Monday and Tuesday of this week.

Four representatives from Floyd county will leave for Fort Worth Saturday, where they will en-train for Washington, along with several other farmers from Texas, to tell the national officials that they are in favor of continuance of A. A. A. programs. Those attending from

Floyd county are as follows: S. E. Brewer, G. L. Fawver, O. L. Allen, and John Holmes.

Rainfall. Friday night of last week, followed by more moisture Saturday falling gently and followed by cloudy weather Sunday, gave a season in portions of Floyd county on which many farmers tuned up and began feed planting Tuesday of this week.

Mrs. Noel Troutman was hostess to the 1922 Study club in her home Thursday afternoon. Music week was observed in the program for the afternoon, at which Mrs. E. L. Angus presided as leader.

Frank Harmon, Earl Young, Roe McCleskey, Frank Moore, Lemond Moore and A. E. Shelton left Monday morning for a fishing trip to Lake Diversion, near Wichita Falls.

Mrs. I. C. Surginer left Saturday morning for Temple, Texas, to enter Scott and White Sanitorium for an operation and treatment.

Steve Mize, who has been at Rockport on the Gulf coast, for the past four months, was at home the first of the week. He and Mrs. Mize expect to return to Floyd county to make their home in the near future.

Combined Bands To Give Concerts

The grade school and high school bands will be combined for a short outdoor concert Thursday night, May 12, through Saturday night, May 14; the concerts will be held on the courthouse lawn and the time is 7:15. These concerts are being held before the carnival sponsored by the Lions Club and the Whirlwind Band. There will be no admission for these concerts. Also Thursday, May 19, the Ward school and High school bands will present a concert in the high school auditorium beginning at 8 p. m., and the admission will be 25 and 50 cents. The Ward school band will play the first half, and after a ten minute intermission the high school band will conclude the program. Everyone is invited!

Junior Personality

Have you ever seen a black chevron dashing around school and over with a very good-looking boy driving? If you have (and who hasn't) you have seen this week's personality. He is 5 ft. 10 inches tall with reddish blonde hair, green eyes, a cute grin, and a friendly way. Of course, this description would fit no one but David Willson. This popular junior boy was born in Floydada about sixteen years ago. He can usually be seen about the halls of F. H. S. in levis and loud shirt.

David's ideal day would begin about ten o'clock when he would get up. He would go to work at 11, get an hour off for lunch, and quit work at 12. Then he would draw a large salary for these long hours. After a steak dinner he would invite all the pretty girls over to swim in his private pool. That night he would go night clubbing and finish it all up with a "Lost Weekend".

David's girl would be 5 ft., 4 inches tall. The color of her hair doesn't matter but she must have green eyes. She should be dumb, but beautiful. He wouldn't say whether he had found her or not. His pet likes are camping, Joys, and Amarillo. He has only two main dislikes; they are school and work.

David's biggest thrill happened when he was skiing. He was coming down a mountain about fifty miles an hour when a tree popped up in front of him. David plans to attend Southern Methodist University, but his main ambition is to travel to all points of the world. We hope you achieve this, David, and we all wish you lots of luck because you are a swell person.

Can You Imagine?

Pat Hennessee—Not laughing.
 Buster M.—Not bothering someone.
 Dorothy B.—Without a date.
 June French—or Joyce King—Pat.
 Jane Johnson—Not liking several people at once.
 Peery and Trois—Making good grade in Biology.
 Mary Lou Pawver—Without red lipstick.
 Genevieve and Genevieve—Looking like.
 Sammie Rutherford—In a dress.
 Don R.—Not singing in the 5th period s. h.
 Reddy—Being loud or noisy.
 Bill Jones—Acting intelligent.
 Betty Johnston—With short black hair.
 Billie Chowning—Ever being still.
 Don Pope—Not bashful.
 Genevieve Ewing—Not asking questions.
 Doc Smalley—Not liking Bettyte Perry T.—Not being a pest.
 Buddy Sanders—Being a He-Man.
 Bill Jeter—Not liking all the girls.
 Velma Briggs—Not smart.
 Billy Shipley—Without Veva.
 Sammie and Sammie—Not being best to one another.

F. F. A. DISTRICT MEETING

Mr. Barber, Veva Buske, chapter sweetheart, and Billy Shipley delegate, attended a district meeting at Plainview May 4.
 Veva Lee Buske, chapter sweetheart, was entered in a district contest. There were seven girls in the sweetheart contest.
 Billy Shipley was the Floydada delegate to the meeting. Each chapter represented at the meeting had one vote in electing a state officer nominee and an area officer nominee. Kenneth Gregg from Plainview was elected as state officer nominee and Dwaine Smith from Hale center was elected as area officer nominee.
 During the meeting, Mr. Barber helped check the Lone Star Farmer degree applications. The Lone Star Farmer degree applicants from Floydada were Billy Shipley, Delton Waggoner, Harvey Dale Tardy, and Billy Joe Smith.
 The boys have been working on their application for "about three weeks."

DE QUACKER

"Spring is sprung, love is rise, here's the low down about the love sick kids." Well, here it is—Junior week and time for all the low-down scandal of our fair school. So control yourself and let's see what "De Quacker" cooked up about all the little ole "love sick" urchins of F. H. S.
 Dan Hagood and Tim Muncy seem to have quite a time in 5th period S. H. Come on, kids, and get together on this thing so we can know about it.
 Seems girls are getting wise to Bill J. and his "line"!
 Dell Turner and Wilma Dyer had a swell time at the prom Saturday night—come on kids and give us the "low down".
 Chris Jones and Robert Turner seem to enjoy first period S. H. immensely—wouldn't they make a cute couple??
 What's this I hear about Dearth and Sammie S.—they too have had a pretty swell Saturday night—what about this, kids?
 Sleepy called Sammie V. from San Diego—I wonder what happened to Lee—or has she other interests out of town??
 Joy McCravey and Don Hill seem to hit it off pretty good in English class. Come on Joy—let your hair down and give him a chance.
 Boy! does Don Kirk love 5th period S. H.—it couldn't be because Billie Newberry is in there, could it, Don?
 Was it Jane J. and Duane S. together the other night? New romance, no doubt.
 I know some people who are going to be lonely after Dorothy Clayton has moved. Seems she is going back to Fort Worth—what about this boys?
 Jimmy Simmons and Armina Berry were having a delightful night Saturday. Let us in on it, kids—is it love?
 Joy McCravey sits and winks at Bobby Finley all during 5th period.

Morckel Located at 116 W. Missouri

Harry Morckel Farm Chemical Company is now set up for business at the location at 116 West Missouri formerly occupied by the Motor company. In addition to the company's line of insecticides, weed killers and fertilizers the store will also feature sprayers, sprinkler systems, centrifugal pumps of various sizes. Mr. Morckel is of the opinion that centrifugal pumps are going to be used on a good many farms of the county, when owners discover they can be made to advantage to quickly restore the ground covered with water to useful production. Irrigation continues to be practiced and more the practical application of more the practical application of scientifically proven methods of control of weeds and insects and selection of beneficial crops and plants. It is to fill this growing need that Morckel first got into fertilizer and insecticide bus-

ness. Morckel expects his down-town location to prove a good move and put his place of business in easy access to farm operators who need his services or merchandise.

Try Crosby Liquor Cases next Monday

CROSBYTON—Crosby county peace officers, with the assistance of Texas Liquor Control officials from the Lubbock office, arrested seven men in the county in one afternoon and night and charged them with liquor law violations. A total of 26 cases were filed against the seven men, all indictments but one charged them with the sale of liquor. One indictment was for the possession of liquor. The cases are to be tried before a jury in county court beginning Monday, May 16, Sheriff Foy Addison said.

Mr. and Mrs. Jack Shisler, of Lubbock, visited over the week-end with Mrs. Shisler's mother, Mrs. E. R. Borum.

Does Your Mailbox Need Improving?

Our carrier starts his day out right, his temper all serene, his chance for heaven just as good as any man I've seen. He gives his wife a duty kiss, his manner blithe and gay. At that he whistles as he goes to start another day. He gets the mail all sorted, he puts it in his car, his manner still angelic, if angel men there are. The first stop is at Perry's, and Perry's sort of slack, his mail box hanging by one end is swinging here and back. He moves along a stop or two, the name is Henry Brown. But Henry doesn't live there now, he's moved up nearer town. The man who lives where Henry did is Louis P. Delray. But he hasn't painted his name, he just let Henry's stay. A man who carries U. S. mail should figure out such things. And he should see it's Henry's mail, not Louis's that he brings. McNealey's post is broken off, the box is twisted round. The only thing that keeps it up are braces on the ground. The carrier reaches for the box, his smile a little thin. He opens up the rusty lid and puts the papers in. Then comes another stop or two, where things are not so bad. But here's another leaning post, the very worst he's had. The carrier's road is leading south, the box is leaning west. He can not get the letters in though trying at his best. He switches off the motor, he opens up the door. He stretches out to reach the box and his feet slip off the floor. That's not the only thing that slips, his tongue too strips its gears. St. Peter reaches for red ink and covers up his ears. The track that leads to Macey's box is one big muddy hole. He rushes madly at the box with murder in his soul. He can't see where the track goes, it's covered up with snow. Can he get in and out again is something he didn't know. His patience now is almost gone, the whistle long is stilled. The place where loving thoughts have dwelt is now with anger filled. He drives along from box to box and no two are the same. He's growing tired all the time, his arm is sore and lame. And by the time he reaches home worse company can't be found, and no one but an angel would have this man around. I've heard it said, a mail man's wife can pass the Pearly gates, St. Peter knows them all by sight, they never have to wait. But if by chance some saintly soul survives a carrier's life. And passes through those shining portals in company with his wife, I've heard it said his crown and robe are the finest in the place. And the judges all consider him a credit to the race. But other angels whisper when he's not there to hear. His wife still has to watch him, at times he acts so queer. For should some saintly brother on a warm celestial day. Just lay aside his halo in an absent-minded way. Our Carrier'll maybe take it, with no intent to steal. And wrench and twist and turn it like his old steering wheel. His eyes take on a glassy stare, his home in heaven rocks. In memory he's driving through that hole at Macey's box. —Leo Wynn, Rural Patron, Blissfield, Mich.

Mr. and Mrs. Meivin Blassingame of Irving, spent the week-end with Mr. Blassingame's parents, Mr. and Mrs. Lon Blassingame, Floydada, en-route to Albuquerque, New Mexico, where they are visiting with his sisters.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 13.246 miles of Rr. Strs., Flex. Base & Dbl. Asph. Surf. Treat. from St. Hwy. 207 to Fairview School and from St. Hwy. 207 to Cedar Hill School on Highway No. FM 785 & 786 covered by V 740-2-1 & V 1128-2-1, in Floyd County, will be received at the Highway Department, Austin, until 9:00 A. M., May 25, 1949, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said Acts.

In accordance with provisions of said House Bills, the State Highway Commission has ascertained the wage rates prevailing in the local-

ity in which the work is to be done. The Contractor shall pay not less than the prevailing wage rates shown in the proposal for Group 3 for each craft or type

of "Laborer," "Workman," or "Mechanic" employed on this project. Legal holiday work shall be paid for at the regular governing rates. Plans and specifications avail-

able at the office of James P. Potts, Resident Engineer Floydada, Texas, and Texas Highway Department, Austin. Usual rights reserved.

Hazel Patton, Tom Davis Vows Are Taken Saturday Afternoon

Miss Hazel Patton became the bride of Tom Davis, Saturday afternoon, May 7, at 5 o'clock, in a double ring ceremony, held in the parlor of the First Baptist church, Floydada, with Rev. L. A. Doyle, pastor of that church, officiating. Hazel is the daughter of Mr. and Mrs. R. S. Patton of this city, and Tom is the son of Mr. and Mrs. P. A. Davis, also of this city.

The bride chose a grey suit accented with navy and pink accessories, and an orchid corsage. The bride's only attendant was Dwina Glassmoyer, who was attired in an aqua suit with white and black accessories and a white carnation corsage.

Dub Trowbridge served the groom as best man. Immediately following the wedding, the couple departed for Carlsbad, New Mexico, where they will spend a few days. Upon returning they will make their home at 720 1/2 South Main, Floydada.

The bride is a graduate of Floydada high school with the class of 1947. She attended Mary-Hardin-Baylor, Belton, Texas, for one year. She is now employed at Hagood's Department store.

The groom attended Floydada high school, and at the present time is employed by the Texas Highway department.

Mrs. Tom Davis

Complimented With Shower

Mrs. Tom Davis, nee Hazel Patton, was honored at a bridal shower in the lovely home of Mrs. O. G. Glassmoyer, Wednesday evening of last week, May 4, at 7:30 o'clock.

The guest of honor, her mother, Mrs. R. S. Patton, and her mother-in-law, Mrs. P. A. Davis were presented with beautiful carnation corsages.

In the receiving line were the

Mrs. Reue Luncheon Club, Tacky Party Hostess Garden Club

A luncheon, tacky party and auction sale were combined to make the April 28 meeting of Our Home Garden club one that will long be remembered by the members. Hostesses for the meeting held in the home of Mrs. J. W. Reue, 420 West Virginia, were Mrs. Reue, Mrs. J. M. Wilson, Jr., and Mrs. Ralph Johnston.

Following the lovely luncheon served at 1 o'clock, an auction sale was held during which \$25 was made to be used for the improvement of Napoleon park. For the tackiest person at the meeting, Mrs. Billy Henry was presented with a lovely corsage of carrots, onions, lettuce and other vegetables.

Those attending and sending gifts include Mmes. N. B. Stansell, L. F. Gresham, Walton Hale, Glad Snodgrass, Henry Barber, Sam Bishop, Ralph Johnston, J. K. Holmes, J. W. Day, Jr., Fred Lambert, Jean Lambert, E. J. Parr, S. L. Holmes, Grady Walker, G. E. May, James Wester, Norma Visage, G. V. Hall, W. J. Waller, W. F. Ferguson, Lewis Blum, G. Miss Laster Honoree at Shower announcing Her Wedding June 12

Verna Laster, bride-elect of Ross Day, Fort Worth was honoree at a lovely bridal shower at the home of Mrs. H. O. Cline on Tuesday evening at 7:30 o'clock. The reception rooms were decorated with pink roses, carrying out the brides chosen colors of pink and white.

The punch bowl was surrounded with pink and yellow sweet peas, and the plate favors were small silver wedding bells bearing an invitation to the wedding, which is to take place June 12, in the First Baptist church, Floydada.

The guests were greeted at the door by Miss Donice Cline and the honoree. They were then registered in the bride's book by Jennie Chowning and directed to the dining room where they were served by Misses Joy Jackson, Gladys Roberts and Christeen Jones.

Those attending and sending gifts include Mmes. N. B. Stansell, L. F. Gresham, Walton Hale, Glad Snodgrass, Henry Barber, Sam Bishop, Ralph Johnston, J. K. Holmes, J. W. P - T Assn Officers Will Be Installed Wednesday afternoon

Officers for the coming school year will be installed at the last meeting for the year of the Parent-Teacher association of Andrews Ward School Wednesday afternoon of next week at 3:45. Mrs. E. E. Joiner will be installed as president for the ensuing year.

With Mrs. Joiner, Mrs. Jim Potts will be installed as vice-president, Mrs. Rex Brown as secretary, Mrs. J. B. Grundy as assistant secretary, Mrs. Clarence Guffee as treasurer and Mrs. C. B. McDonald as parliamentarian. The new officers were elected at the meeting of the association April 20.

Mrs. Joe Dunn has been president of the association for the past year. As late as yesterday, she had not secured an installation officer for the meeting.

Mrs. Welborn Hostess For 1929 Study Club

The entertaining rooms were beautifully decorated with iris and peonies from the Welborn flower garden when the 1929 Study club met in the home of Mrs. L. J. Welborn, 514 West Virginia street, Thursday afternoon at 3:15 o'clock.

The business was conducted by the president, Mrs. Hollis Bond. The program leader was Mrs. Rex Brown, who gave an outstanding and interesting reading on Hebrews. "The grass withereth, the flower fadeth, but the word of our God shall stand forever." Isalah, 40-8th verse.

The club members present were Mmes. Hollis Bond, Kinder Farris, James Word, E. L. Norman, S. J. Latta, J. D. McBrien, E. E. Joiner, O. G. Glassmoyer, W. E. Grimes, John Hoffman, P. A. Denison, Ross Henry, and the hostess Mrs. L. J. Welborn.

The next meeting will be in the home of Mrs. Rex Brown May 19.

W. J. Snell, of Fort Worth, spent the weekend visiting with his parents, Mr. and Mrs. Will Snell.

Ann Sherrill, Tom Bishop Vows Said In Church Ceremony

FORT WORTH, May 8—Miss Ann Sherrill, daughter of Mr. and Mrs. R. D. Sherrill, Brandon, Mississippi, became the bride of Tom Bishop of Seguin, Texas, Saturday May 7 at 8 o'clock p. m. in the Trinity Lutheran church in Fort Worth. Tom is the son of Mrs. Jennie Bishop of Floydada.

The pastor of that church, Rev. John Groettum, officiated at the ceremony. Dale Roberts played "Leibstraum," on the organ. Pink gladioluses and greenery decorated the church.

The bride wore a floor length gown of pale pink crepe, fashioned with long sleeves and a full skirt. Her shoulder-length veil of pink illusion was held by a bandeau of roses. She carried a white orchid surrounded by pink net, on a white Bible.

The bride's only attendant was her sister-in-law, Mrs. Robert D. Sherrill, jr. She wore an aqua taffeta gown with a bandeau of aqua roses in her hair. Her corsage was of pink roses and carnations.

The pink and white color scheme was carried out in all the decorations, at the reception, held in the home of the bride. The table was centered with a tiered wedding cake.

The couple will honeymoon at Carlsbad caverns, Boulder dam, Grand Canyon and in California. They will be at home in Seguin where the groom is employed by the Guadalupe-Blanco River Authority, flood control and conservation department.

Miss Bernice Bishop, of Floydada, sister of the groom, was one of the out of town guests at the wedding.

Junior Group Honor Mothers in Program at Baptist Church

The teachers, officers and members of the Junior department of the First Baptist church entertained the mothers of the students in that department with a Mother's day tea Wednesday afternoon of last week at 5:30 at the church.

Punch and cookies were served the guests by Mrs. Hull and Mrs. Gray. The program opened with the group singing "Onward Christian Soldiers" followed by prayer by Mrs. L. A. Doyle. A song, "There are Lessons" was given by the Juniors. The scripture, Proverbs 31:10 was read by Gordon Joiner.

The welcome was given by Janiece Johnston followed by a piano solo by Donald Smith, "My Mother" was given by Kay Calloway; a song "Just Like My Mother" by nine girls; a reading, "A boys Best Friend" by Gary Don Carthel.

Others appearing on the program were Norma Lou Hamilton who gave a piano solo; Catherine Bolding who recited "My Mother's Place"; Linda Fowler who gave "Portrait of Mother" while Linda Hull illustrated it with chalk drawings; a solo, "A Flower For You, Mother Dear" by Jerry Chapman and a reading, "Mother and I" by Don Barber.

Teachers and officers in the Junior department are Mmes. J. V. Daniel, John R. Gray, H. O. Cline, A. H. Kreis, G. N. Shirey, Sam Phillips, I. T. Graves, W. S. Simmons,

R. C. Johnston, Noman Hammons, Mable Foster, Alva Hull and E. Stovall.

Piano Pupils Recital Last Friday Evening

Piano pupils of Mrs. Clement McDonald were assisted in their spring recital by the girls' chorus of Andrews Ward school under the direction of Mrs. L. H. Christeen. Friday evening of last week.

Fourteen of Mrs. McDonald's pupils were presented during the recital held in the First Baptist church. Appearing on the program were the girls chorus and Ann Hammons, Rilla Sue Duncan, Mary Hammons, Wilks, Sonja Kay Guffee, Mrs. Muench, Ray McDonald, Mrs. Day, Alice Latta, Judith Moss, Mae Willis, Carolyn McDonald, Joan Estilmon, Bobby Jones, and Joy McCravy.

MRS. CARTEL HONORED AT DISTRICT P. T. A. CONVENTION

LOCKNEY—Mrs. Hershel Cartel was honored at the recent District 14 Parent-Teacher Association convention at Lubbock. She was elected to the office of vice-president of the Hale and Floyd county association. Mrs. Cartel was a delegate from the Lockney Parent-Teacher association to the district meeting.

Mr. and Mrs. Roy Coleman left Monday afternoon for their home in West Memphis, Arkansas, after a week's visit with Mr. Coleman's mother, Mrs. Ola Jester and relatives here.

Grandmother Field Honored Mothers Day

Mrs. M. O. Field, of 102 South Second street, was one of Floydada's happiest mothers Sunday when she had seven of her nine children to attend church services with her. One daughter, living at Tuscola, and one son, living at Roby, were unable to be present.

After attending morning worship the entire gathering of relatives enjoyed a delicious dinner, served buffet style, at the home of Mr. and Mrs. Menard Field, 629 West Missouri street. Forty-three persons attended. They were:

Mrs. Fred Ray and children, Mr. and Mrs. James Adkins and daughter Eva, Mr. and Mrs. Buster Viney and sons, Mrs. J. B. Marr and children, and Mrs. Juanell Collier, all of Haskell; Mr. and Mrs. Berry Norman and daughter Robby Nell, and Mrs. Olan Bogard of Rule; Mr. and Mrs. Art Willis and sons and Mr. and Mrs. John Wilson and children of South Plains; Mr. and Mrs. Charlie McDonald and sons of Plainview; Miss Betty Joe Adkins of Lubbock; Mr. and Mrs. Adron Field, Mr. and Mrs. Menard Field, the dinner hosts, Mrs. M. O. Field, all of Floydada.

Announcement

Those planning to attend the Garden Club open-house, Friday, May 13, will please note that the time has been changed from 10:00 until 10:30 a. m.

The home flower show will take place in the home of Mrs. L. C. McDonald, 302 South White street.

Mr. and Mrs. J. D. Cleveland spent the week-end in Lubbock visiting Mrs. Cleveland's mother, Mrs. J. M. Wood, and other relatives.

Ashworth - McAda Ceremony Saturday

Miss Patsy Ashworth became the bride of Cecil McAda of Wichita Falls Saturday at 7:30 p. m. in the Calvary Baptist church parsonage. The double ring ceremony was performed by Rev. Noel V. Guice in the presence of close friends and relatives.

The bride was attired in a navy ensemble and navy blue accessories and wore a corsage of gardenias surrounded with frills and tulle. To complete her costume the bride wore a single strand of pearls and carried an heirloom handkerchief belonging to Mrs. Beth McMichael. She also wore the traditional sixpence in her shoe.

Attending the bride as maid of honor was Miss Martha Arnold of Abilene, and Gene Lamson of Harold, was best man.

The bride is the daughter of Mr. and Mrs. W. C. Ashworth of Harold, and is a member of the 1948 graduation class of the Oklaunion High school. For the past year, she has been employed by the Southwestern Bell Telephone company.

The groom is the son of Mr. and Mrs. A. O. McAda of Floydada, a graduate of Floydada High school. After a short wedding trip, the couple will be at home in Wichita Falls, where the groom is employed by the Southwestern Bell Telephone company.

Music Students Leave For Graduate Exams

Ann Lou Payne and Dorothy Traweck will leave Friday for Stephenville to take graduation examinations for their high school diplomas in music. The girls will be accompanied on the trip by their music teacher, Mrs. O. W. Kirk, their parents, Mr. and Mrs. C. S. Payne and Dr. and Mrs. Albert Traweck, jr. Mr. and Mrs. Alva Redd and daughter, Salye Jo, and Dorothy Bishop.

Misses Payne Traweck, Bishop and Salye Jo will play in the National piano playing tournament being held in Stephenville.

Voice Recital

Voice students of Mrs. L. Harold Christensen were presented in a musical last evening at 8 o'clock in the gymnasium at Andrews Ward school.

On the program were Loyce Ann Herring, Betty Blum, Darlynn Warren, Gloria Adkins, Beaverville Ann Thomas, June Ware, Beth Walker, Barbara Hart and Jean Porter.

JUMPING-JACKS SOFT SHOES FOR HARD WEAR

Pediatricians approve

this exclusive, patented wonder shoe

Specialists say walking shoes for toddlers (up to about 4 years old) should provide support to hold heel bones in correct position and keep ankles from turning, yet have bare-foot flexibility, so foot and leg muscles can develop. Jumping-Jacks' scientific sole feature does the trick. And with no heels or striking edge to wear, Jumping-Jacks hold their shape and looks until outgrown. Bring your youngster in and let us show you why they're better for his feet and your purse.

We have the gifts you'll be needing for those graduates.

We-All Hit Long 'A' in Floydada

There's no longer any doubt as to the pronunciation of Floydada, says the Amarillo News, which goes on to explain:

The G. and C. Merriam Company, makers of dictionaries, shared the same doubt which existed in the minds of many people in the Panhandle. Last week the dictionary compilers decided to erase the doubt by asking a citizen of the town.

They asked him how the majority of educated and cultivated people in the locality pronounce the name, and specifically asked whether the first "a" in the word was pronounced as in "man."

COPE'S DRIVE IN

Mill Price On Hay \$10 Ton

LOCKNEY—With the beginning of the alfalfa season, National Alfalfa Mill here and at Plainview is paying \$10 per ton for alfalfa hay in the field. It was reported by an official of the mill at Plainview.

The alfalfa mill official estimated that baled hay would sell for \$14 or \$15 per ton to start with. This low price is due primarily to the fact that lots of moisture has fallen down state and the cattlemen there have ample grass at present time, it was explained.

Dehydrating at Lockney began with a rush last week and the mill was still behind with their work although rains stopped work in the

fields since last week-end. Travis Harris said Monday that no baled hay had been received at the mill at that time. Hay for the dehydrator is expected to move in big volume again as soon as the fields are dry enough for the crews to begin work again.

BAND GIVEN THIRD RATING AT CANYON CONTEST

LOCKNEY—The Lockney high school band under the direction of George Atwood was rated third in concert and fifth in sight reading at the Regional Interscholastic League band competition at Canyon.

This was considered a very good rating for a second year band and was well ahead of other bands from larger schools in the area.

Mr. and Mrs. Charles Neil, jr., of Amarillo, spent Mother's Day with his parents, Mr. and Mrs. C. E. Neil of this city.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

"Rec'd it for the grandson of your son—
A city is not built in a day;
Our little town cannot complete her soul,
Till countless generations pass away—
Lindsay.

Ralls, Saturday Morning, Mr. Spikes has been in the hospital since Tuesday. We are staying here while our son, Wilson and wife are away for a short vacation. It is nice to have nothing to do for a short while, but read and write. Willie cooks us such good meals. She is a fine cook and we so enjoy eating. This morning, from the upstairs window, see the deep blue of the sky, gray clouds chase each other and dim the bright sun at times. Cars and trucks pass down the street. Outside the window, new green leaves sway in the stormy wind, a sparrow's nest is turned so that the eggs are falling out. Children released from a week of school shout near.

"Peace and rest at length have come. All the day's long toil is past, and each heart is whispering, 'Home at last.'"

So all that is earthly about Jess Noble has come back to the prairie he loved to lie under the blue sky by the side of his mother and father in the little cemetery at Cone.

I began this column about towns and will finish with a fine poem by Roland English Hartley, titled, "Postmark."

Each letter we mail, before its travels begin is stamped with the name of our little town.
Then people in far-off places frown, Reading the name, then shake their heads and grin.
"It can't be much of a place," they say, "We have never heard of it." As if they knew half the world, Or at least a third of it.

Friends it is true, that in the limitless fields of space
This isn't a very big place;
But of all the possible places beneath the sky's vast dome,
This happens to be our home.
And isn't this clear—
That you know your town,
And not our town,
Simply because you are there, not here.

"For after all, the best thing one can do
When its raining, is to let it rain."

—Longfellow
I turn to my diary of May, 1941, to take a look at the weather that year. May 1, sandstorm. May 2, big rain after five in the morning, still raining at 12:30. Lake is filling. May 3, rain all day. May 4, my birthday, rained in afternoon. May 5 and 6, sunshine. May 9 rained 1/2 inch and a little hail. May 11, clearing up, (we hope). Then we began planting maize and cotton till May 20 then a big rain. May 21 rained all day. Big rain came the night of the 22nd. 23rd, rain all day and part of night, then clear weather 'til a big rain on the 31st.

So much for that year. Will this follow suit?
Last night as I lay in bed I watched the coming storm from the south window. Glittering spears of lightning flashed all round, lightning that mocked the darkness of the night. Then the rain, not soft and gentle, inducing sleep, but rain that slashed against the house, and thunder that shook the very walls. All outside was water, coming down as if poured from buckets, and running all over the ground making lakes of the yard and pasture. No sleep till the fury of the storm passed. Then later in the night another came making a total of 2!

inches.
Wilson and Marjorie had a nice vacation at Santa Fe and Mr. Spikes and I at the hospital taking care while they were away. Wilson brought me a replica of the bell which hangs in the oldest church in the United States San Miguel which is in Santa Fe, New Mexico, and is still used for religious services. It was built in 1541, or so some claim, others in 1607. It is built of sun-dried bricks: the walls which are covered with a layer of mud, both inside and outside, are from three to five feet thick. The old San Jose bell bearing the Spanish inscription, "San Jose rogado por nosotros, Agosto 9 de 1356" - Saint Joseph pray for us, August 9 of 1356, was cast and hammered in Spain, brought to Santa Fe in 1712 and placed in the San Miguel church in 1846. It is nearly four inches thick and weighs 780 pounds. The San Jose bell like all Spanish bells wearing the cross was not cast smooth. It is made of copper and silver, iron and gold and makes very sweet tones. I am very proud of the little bell. Also of some rocks brought me by Marjorie. A hexagon flower rock from the Pecos River near Santa Fe, two small diamond crystals and a piece of petrified wood. And with cards the old folks telling of their travels we see more of the wonderful old world we live in.

Mr. Spikes is outraged at the numberless plants of the elm tree that have come up. He cuts them down, when years ago he would have been pleased to have so many nice little trees coming on.

Mother says that if it rained lots in this country we would have a tree covered land with Chinese elms.

What some writers think of women:
Says Sir John Suckling who wrote in the 1600:
Women are the baggage of life; they are Troublesome, and hinder us in the great march And yet we cannot do without them.

Shakespeare said: For men have marble, women waxen minds.
Meredith said: Women are such expensive things.

James Stephens: Women are wiser than men because they know less and understand more.

BAKER HOME DEMONSTRATION ON FOOD PREPARATION

The Baker Home Demonstration club met May 2, in the home of Mrs. Bruce Holder, with Mrs. P. I. Roberts conducting the business session.

Miss Lella Petty had charge of the program, giving an interesting demonstration on preparation of foods for the deep freeze.
The club decided to change its meeting time from 1:30 o'clock to 2:30 o'clock p. m., through the summer months.
Mrs. Bob Wooten of Fort Worth was a visitor, and members present were: Mmes. Claud Fawver, Floyd Bradford, R. A. Colston, Hershel Green, Jim Owens, G. L. Fawver, P. I. Roberts, Ray Smith, R. L. Neil, Miss Lella Petty, demonstration

You ought to be driving a

1949 PONTIAC

A Sweetheart on the Road!

The plain truth is you never drove a car that displays so many different, delightful and thrilling aspects when in action as does this big, roomy, lovely-looking 1949 Pontiac.

It's a treat just to sit behind the wheel and enjoy Pontiac's Safe-T-New Driver View, resulting from the Wide-Horizon windshield, slanted corner pillars and the lowered hood level.

When Pontiac's famous improved straight eight or six cylinder engine idles, there isn't a sound

... and when it accelerates—zing! It takes the toughest hills in an easy stride. You swing around curves surely, steadily and without sway. There's magic in Pontiac's handling ease—comfort supreme in its exclusive new "Travelux" Ride and wonderful convenience with General Motors Hydra-Matic Drive*.

Best of all—it's easy to own a Pontiac because it's priced just above the very lowest. Come in today and satisfy yourself on Pontiac value.

*Hydra-Matic Drive, white sidewall tires, bumper guards and fender shields available at extra cost.

In every state live some of the three million people who own the business-managed electric companies

And in cities and towns everywhere live another 72,000,000 indirect owners—probably including you. Much of the money you put into bank savings and life insurance premiums is put to work for you in electric company securities—some, perhaps, in your own electric light and power company.

Nearly everybody owns these companies that serve nearly everybody! What affects them affects you.

He slowed as he reached his uncle's back gate for fear of running into a trap or perhaps unwarranted trouble. However no cars were at the house and half of the boys' fears fled when he saw Ezra's familiar form in the door of the old farm house. A broad grin spread across the farmer's face as he saw Harry's pale one. As Ezra grinned, Harry's eyes lighted and a rosy tinge crept back into his cheeks.

"Just seen' if you'd come running like youse posed to. Nothing to worry about, nothing at all." Uncle Ezra had gotten the money, hadn't he the last time he had spoken

were Sunnyside, Homebuilders, Sand Mr. and Mrs. W. J. Griffith gave ice reassured him. Now he would get that bike. The red one, with the cream trim, down at Holsey's hardware in town. They were pretty safe now. Not completely safe for the police were still on their trail, but if they lay low, well no one would ever know.

Now to get back home without Maw knowing he had been gone. He would sure getta warpin if she knew he had been seeing Uncle Ezra. But he would get that bike now. He felt the money crunch in the deep pocket of his overalls. Yes, he would get that bike, for he wanted that bike more than anything else in the world.

Three Inches Rain General Last Week-End

Three inches and more of rainfall over Floyd county and a wide expanse of the panhandle and West Texas fell from last mid-week until Saturday night, as heavy rain and windstorm were responsible for five deaths in the area and did considerable property damage in some localities, one of these deaths was in Floyd county.

Death of Mrs. Pierce of Lockney was indirectly attributed to the storm, when she died of heart failure during the height of Friday's disturbance.

A minister at Sundown and his young son lost their lives in a tornado which struck the north part of Sundown in Hockley county early Friday night.

Early-planted crops were covered so deeply with topsoil from the lashing rain that all will have to be re-planted.

An area between Lorenzo and Idalou was terribly beaten by hail Saturday night. About eight by 10 miles was the extent of the more severe damage.

In Lubbock more than five inches of rainfall Friday night snarled traffic and put 350 or more families out of their homes as water climbed into their residences in four or five

Half Minute

One woman was killed in her water-soaked home when she attempted to move an electric appliance that short circuited.

Rain General, Generous

In Floyd county, although the rains were general and generous and put a considerable amount of water in most lakes, damage to wheat is declared to be negligible. All row crop planting of the week previous will have to be re-done. Considerable cotton and Sudan acreage had been planted. Little or no alfalfa was on the ground.

Rain that fell here Wednesday night of last week was officially recorded at 75 hundredths. Friday night 1.67 inches, Saturday 12-hundredths and Saturday night 56-hundredths.

Report from Mrs. Clyde Bagwell of three to five inches of moisture in different portions of Fairview, and of Claud Ring of about three inches south of Dougherty, seem to be about average of reports that come from all directions.

Discussions with farmers in the week seem to indicate that when row crop planting is resumed again it will be with considerable caution and after weather conditions apparently are settled.

Many wheat farmers fear the appearance of rust and some see forebodings in conditions this May quite similar in some respects to the spring

their liability for any debts or obligations... continued their association with said co-partnership, and that they

DELOIS MATHIS QUEEN OF NORTH WARD SCHOOL

Delois Mathis, eighth grade student of North Ward school was chosen queen of the school in a contest that has lasted the past three months. Delois' opponent in the race for queen was Juanita Campbell, a twelfth grade student. Boxes for the two candidates were placed in town and each penny received counted a vote. Delois received 2,732 votes and Juanita received 1,632.

STREET NUMBERS DELIVERED

MATADOR—Street numbers (about 1,500) were delivered last week at the city hall as the first step in the Matador Lions club sponsored project to mark all streets and number all homes and business houses in the city limits. Money for the numbers was advanced by the club.

Why Your Gas Service Was Interrupted Friday Night

About 9:40 PM Friday night, May 6, during the electrical, wind and rain storm, lightning struck the building housing our combination intermediate and low pressure regulator, located in northwest Floydada, setting it on fire. All natural gas service in Floydada was cut off by our men at 9:50 PM.

Telephone calls were made to Lubbock, Plainview and many other towns for experienced help. Due to the extreme amount of rainfall, cars and trucks carrying repairmen to Floydada had to be pulled and pushed to the highways. Although traveling was extremely dangerous, repairmen rushed to Floydada as fast as possible.

Repair crews started repairing the damage at 5:30 AM Saturday. In the meantime other servicemen turned off all gas meters in Floydada.

Repair work was completed at 10:30 AM, the line was purged and servicemen started restoring gas service to customers by 12:15 PM.

Approximately 30 men answered the call to work all night and most of Saturday—in line with their traditional faithfulness to duty and their responsibility for good service.

West Texas Gas Company appreciates the fine co-operation of Floydada residents during this emergency.

Spanish Class Party Enjoys Mexic'n food at Home of Teacher

Thursday evening May 5, the members of the second year Spanish class enjoyed a Mexican dinner at the home of their teacher, Anne Swepton. The Mexican motif was used for the table, and the menu consisted of enchiladas, panecillos, ensalada de legumbres, mantecilla, fritos, encurtidos, helado y tortitas, and tea.

After the dinner all the members attended the show and enjoyed "Let's Live a Little". Those who were present were Doris Bollman, Carolyn Kiker, Marlene Hollums, Charlene Patterson, Walter Anderson, Melvin Dunavant, and the sponsor, Anne Swepton.

Orchids and Onions

Orchids to Jr. Perry for being a wonderful class president.
Orchids to the play cast.
Orchids to—Mrs. Graves for be-

ing a good play director.
Orchids to—all Juniors who helped make the banquet a success.
Orchids to—Bobby Finley for making good grades in American History.
Orchids to—Baker for giving the Junior workers Friday off to decorate the banquet.
Orchids to—Kattner for improving our band.
Orchids to—Delton Waggner and Hazel Cates for having so much fun.
Orchids to—Joy Mc for keeping a stiff upper lip.
Orchids to—Dorothy for winning best actress.
Orchids to—Annual staff for working up the annual.
Onions to—Peanut for throwing paper wads in study hall.
Onions to—Dorothy Clayton for writing notes.
Onions to—Everyone that misbehaved at the Jr.-Sr. banquet.
Onions to—Teachers that give so many tests.
Onions to—Bill Jones and Aubrey for being such pests.
Onions to—Coach for keeping us up at nights.
Onions to—Seniors for being so lucky to graduate.
Onions to—Buster for getting into so much trouble.
Onions to—Arminia Berry for being so disagreeable.
Onions to—Joy Bunch for being so loud.

Play Cast Home After Austin Trip

The play cast is back home again after a very enjoyable trip to Austin, although they did not come home with top honors. Barry was placed on the all-star cast which was one of the highest honors to be won.

The group left Floydada last Wednesday evening and spent the night in Abilene. The next day they arrived in Austin about one o'clock. After registering, they went to the home of a friend where they spent the next two nights.

The cast found the trip to be a very enjoyable one and after seeing all the sights, they were ready to come home. After spending Saturday night in Stephenville, the group arrived back in Floydada about 9:30 Sunday night.

The cast is looking forward for another group to make the same trip next year.

De Quacker continued

S. H.—Why don't you give her a chance before she goes blind, Bobby? LaJuana McAda and Arlen White seem to be getting up a case. Better watch out! I heard him ask for a date.

Grace Muncy thinks Jackie Hutchinson is just about it—Hummm! New romance?? What about Edith, Grace?

Buster had his eyes open for Lucille Rahn the other night—come on Lucille and give a nice boy a chance.

Seems as though a bunch of girls lost some sleep Saturday night—it couldn't be because a certain Senior had a slumber party!

What's this I hear about Bettye Laminack wanting to go with Jr. Perry. Come on Jr. and give a nice gal a chance.

Seems like Mary Maxey is not satisfied with one boy a night—What about it, Mary? Did you enjoy Melvin's or Jon's company the most?

Arlen, what about your getting a letter from Nancy Buchanan? I didn't even think you liked her.

Ken Oakley sure gets around—one night it's Berta, the next it's Mary. My, come on Ken, and make up your mind.

Well, Bill Jeter had a little hard luck Thursday night; seems he couldn't get anyone to go with him after 6 or 7 tries. Maybe it wasn't hard luck after all.

Joy and Gene Dale are still hitting it off O. K.—seems to me like Ken sure would like to go with Joy—hummm what about it Joy?

Mary Lou Pawver has her eye on George Owens—They seem to enjoy typing to the fullest extent, come on, kids, and give us the latest.

Well, well! sure looks like love to me. Jr. Johnson and Johnny R. are still on the beam. They seem to get quite a kick out of it all.

What's this I hear about the Boyd twins liking the Irwin boys. Sounds like they would make a cute foursome, don't you think so, guys and gals?

Bobby Durham said he sure would like to go with Billie C. Come on, Billie, and give the boy a break, but I wonder what Troy would say.

Peggy and Bobby F. seem to get plenty of fun out of A. History, could be another love affair?

Jane and Cliff W. are getting along just fine, I hear.

Sherwyn seems to really like Bill Shurbet. She won't go with Bill, Jon, Jerrold V.

What's about this new romance between Jimmy H. and Billie Chowning, or should I say "old" romance.

FLASH!

We shouldn't do it, but here goes—after all—we all love notes and we quote:

"I am going with Junior—wait and see—ha—ha—I have waited long now. I hate Arlen—he's mean."

Lake Cisco Jaunt Enjoyed by F Club

Friday evening the boys belonging to the F. Club took a short trip to Cisco Lake about three miles out of the city of Cisco. While en route the boys stopped in Spur to eat, and in Abilene to refuel the bus and to see the town. They arrived at the lake at about 12:30 that night, and pitched camp at about 4 o'clock; it started raining and the boys had to go to town where they spent the remainder of the night. They ate breakfast in Cisco at about 8:30. Then they went back out to the lake where they stayed all day and all night. They had fishing, swimming, miniature golf, and pool to keep them busy, so they all reported a good time. On the trip were Coach Gresham, Mr. Baker, Mr. Reagan, Mr. Kattner, Herman Galloway, Bill Jeter, Don Boothe, Bobby Cline, Aubrey Guthrie, Jerry Thomas, Bobby Bishop, Bobby Finley, Loy Lee Trice, Bill Jones, Dale Roberts, Junior Perry, Gene Jackson, Hershall Nelson, Reese Grubbs, and Arlen White.

Mothers Honored at Tea by FHA Club

Friday, May 6, the F. H. A. girls gave a tea honoring their mothers. The department was decorated with roses and iris. As the guests arrived, they were greeted by Ann West, who presided at the table where the mothers registered. Margie Jones and Virginia Holmes escorted them to their seats in the auditorium. After the mothers were introduced by their daughters, the following program was rendered:

"Welcome" by Joy McCravey, who introduced the club mothers, Mrs. McCravey, and Mrs. Roberts.

Readings by Gloria Ratjen and Lucille Rahn; the song "Mother," by Molly June French; and another song, "A Flower For You, Mother, Dear" by Molly June French, Gladys Roberts, and Verna Laster.

After the program, refreshments were served to the following mothers and teachers:

Mrs. J. W. Jones, Mrs. C. M. Presley, Mrs. Robert Garrett, Mrs. Roy E. Hollums, Mrs. Creed Parrish, Mrs. Stella Hobbs, Mrs. M. R. Grubbs, Mrs. Z. A. Zurgett, Mrs. C. L. Ashton, Mrs. W. M. Raley, Mrs. W. B. Hollums, Mrs. R. B. McCravey, Mrs. H. W. Roberts, Mrs. J. K. West, Mrs. H. F. Pratt, Mrs. Burl Huckabee, Mrs. J. K. Holmes, Mrs. Dorris Jones, Miss Anne Swepton, Mrs. Ratjen, Mrs. Carl J. Muench, Mrs. J. S. McMillan, and the members of the club.

Demonstration Women Observe National Event

National Home Demonstration was observed in Floyd County exhibits in store windows in Floydada showing work done by county demonstration club members. Exhibits included, glass etching, hand-drawn work, glass etching, silk, satin comforts, and leather bags made up two very attractive national exhibits. The stores along the use of their windows during the week were the J. C. Baker company and Hagoods Department store.

were Sunnyside, Homebuilders, Sand Hill, Harmony, Friendship, Dougherty, Center, and Baker.

The exhibits were arranged by members of the Floyd County Home Demonstration Council, which is composed of Mrs. W. A. Lovell, Sunnyside; Mrs. C. B. Carmack, Sand Hill; and Mrs. O. G. Mayfield, Homebuilders.

Organ Dedication Program May 13

LOCKNEY—The dedication program of the new organ and the chimes at the Lockney Methodist church has been set for May 13, it was announced this week by Mrs. W. J. Griffith.

Featured on the program of the evening will be John Josey, a noted organist, and Irvin Tolizein, violinist, both of Amarillo. A program of organ and violin music will be presented for those attending.

Mr. and Mrs. W. J. Griffith gave the organ to the church and Mr. and Mrs. F. L. Brown gave the chimes.

Tour of Lubbock County Homes to Be Made Monday

Members of the Floyd county home demonstration clubs will participate in a tour of Lubbock county home on Monday, May 16. The tour will be under the supervision of the Lubbock County Home Demonstration agents. Home improvement demonstrations have been carried in Lubbock county for a number of years and visits will be made to homes of demonstrators on both Monday and Tuesday.

On Monday the tour will start at the Extension Office, 1320 Avenue Q, in Lubbock. The caravan will begin to move promptly at 10:00 A. M. Each club president has been sent a complete itinerary for the day by Leila Petty, Floyd county Home Demonstration agent.

Any person interested is invited to go on this tour, according to Miss Clara Pratt, Lubbock County Home Demonstration agent. Each person attending is expected to bring a sack lunch.

South Plains News

SOUTH PLAINS, May 9—we have received about three and one-fourth inches of rain this week. The sunshine really did look good, even if it was a little muddy under foot.

Guests in the Gilbert Bean home this week-end were Mr. and Mrs. Albert Bean and daughter, Mrs. Leola McMannon and Misses Irene Bean, all of Dallas; Mr. and Mrs. Shelby Calahan; and children, and Billy Bean of Lubbock.

Mr. and Mrs. F. L. Marble, Mr. and Mrs. C. V. Ford and Mrs. J. E. Cox of Lockney left Friday for a visit to Collin county with relatives. They are expected back this week.

Guests in the home of Mr. and Mrs. H. S. Calahan, sr., Sunday were Mr. and Mrs. H. S. Calahan, jr., Mr. and Mrs. Arthur Brown and Karen, Mr. and Mrs. Hilburn Casey and children, Mr. and Mrs. E. A. McLeod and Mr. and Mrs. Jack Calahan and Jackie Don.

Mr. and Mrs. E. A. McLeod moved into their new home Monday of last week. We are proud to have them nearer. Maybe we will see them more often.

Mr. and Mrs. E. P. Smitherman and boys and Mr. and Mrs. J. B.

Death During Storm Due Heart Failure

Funeral rites were conducted at 3 o'clock Monday afternoon in the First Methodist church, Lockney, for Mrs. Evelyn Pierce, with Rev. N. S. Daniel, pastor of that church officiating.

Burial was in the Lockney cemetery, under the direction of Carter Funeral home Lockney.

Friday night's electrical storm was the indirect cause of the death of Mrs. Pierce.

Mrs. Pierce, her husband, Willard Pierce, cement contractor, and their two children, Patsy and Sonny, were sitting in the living room of their home when the lights went out. Thunder and lightning followed and when a particularly loud clap of thunder and an unusually bright flash of lightning occurred, Mrs. Pierce rose from her chair and collapsed in the floor.

Mr. Pierce summoned a physician who pronounced Mrs. Pierce dead. Death was caused by heart failure, following shock. Mrs. Pierce had been under treatment for heart trouble for some time.

Santa Rosa Biggest Horse Show, Rodeo Event in the State

Mr. and Mrs. Jack Johnson returned home the first of the week from Vernon where they attended the Santa Rosa round-up, and report it the biggest show of horses and the greatest rodeo in Texas as of the year 1949.

The huge grandstand and parking space lacked much accommodation the opening day crowds, said Mr. Johnson, and the competition in the horse show was tremendous. Johnson's pretty filly, Floydada Flyer, won first in the halter class of the quarter horse show and fourth and fifth in the quarter horse calf roping events.

J. B. Shurbet's two-year-old stallion, Igo, placed first in his class, and his two-year-old filly, Little Wonder placed third in her class.

Mr. and Mrs. J. D. Cates and Jay Mack of Lubbock and Mr. and Mrs. Jack Smitherman and Rue of Hart, Texas, spent the week-end with Mr. and Mrs. A. S. Cummings of this city.

Smitherman and Mac were Sunday dinner guests of Mr. and Mrs. P. M. Smitherman.

Dick Guest visited Sunday with Rev. and Mrs. R. C. Guest.

Rex Smitherman visited over the week-end with his parents, Mr. and Mrs. J. B. Smitherman.

Mr. and Mrs. Ed Davis and son visited Mr. and Mrs. Dock Jones Sunday.

Mr. and Mrs. Leo Brown and girls visited Mr. and Mrs. Perry Sunday.

Mr. and Mrs. H. L. Marble, Keith and June visited Sunday in the home of Mr. and Mrs. J. L. King.

Mr. and Mrs. Garvin Beedy and Douglas Beedy spent Mother's Day in the Geo. Beedy home.

Mr. and Mrs. Raymond Upton and children visited Mrs. Upton's parents and Helen Sunday.

Mr. and Mrs. E. M. Jackson and girls visited Mr. and Mrs. E. P. Smitherman and other relatives last week-end.

Mrs. H. R. Hartman, and Mrs. Elmo Reeves visited Mrs. H. L. Marble Tuesday afternoon.

Mr. and Mrs. Art Willis, Rex and Jerry spent Sunday in Floydada with Grandmother Fields.

Can Black-Draught Help That Headachy Feeling?

Yes, Black-Draught may help you when you feel lousy if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, dizziness, mental haziness, bad breath—and if these symptoms are due only to constipation—try Black-Draught. Get a package today.

NO OTHER HOUSE PAINT BUT MAJESTIC CONTAINS *FLOW ACCELERATOR!

- 1. SMOOTHER!**
No brush marks...no hills and valleys...no light and dark spots. A perfect, plate-smooth professional-looking job every time.
- 2. GREATER COVERAGE!**
Because Majestic paints contain Flow Accelerator you can actually cover a greater amount of surface than with ordinary paints.
- 3. LONGER LIFE!**
The glossy smooth coat has no thin spots to wear through too soon, as does the uneven, ridged surface of ordinary house paints.
- 4. GREATER HIDING!**
Because Majestic Paint containing Flow Accelerator goes on so evenly, hiding power is stepped up greatly over ordinary paints.
- 5. MAJESTIC WHITE IS ACTUALLY WHITER!**
Compare it with ordinary paints...you can see the difference. And it's self-cleaning, too...stays bright and shining.

AND IT'S 100% PURE

Merchants Top League With Farmer Second

Merchants team in the softball league of Floydada topped the list this week with two wins and no losses as the May schedule gets into its second week. Tuesday night they won decisively over Builders Mart when they took advantage of errors and breaks to make it two in a row. Lockney is in the 1,000 cent column with one win and no loss.

Farmer is in second place. Monday night they won over South Plains 5 to 2 and in a make-up 5 inning game they beat the REA

team 1 to 0. With a league standing of 500 is REA. South Plains and Builders Mart still have to break into the win column. They have been plagued with injuries and early-season errors. Schedule of the Week. Tonight (Thursday) games will see Lockney against the Merchants and REA vs. South Plains; Builders Mart will go to Farmer for the league game there; and Monday night Builders Mart will try to break into the win column against South Plains and Farmer will take on Lockney. Tuesday night the Merchants juggernaut will grind away with REA as the opponents. There are three make-up games to be played, but dates have not been set yet, according to general chairman Gene Collins, who said that teams will be notified when the dates have been worked out so as not to conflict with scheduled games.

Farmers Union Likes Brannan Farm Program

Mixed reaction to the ideas presented by Secretary of Agriculture Brannan has been indicated in Floyd county, following the visit of the federal agency head to the south plains area last week and the speech of the secretary in Lubbock. The youth and virility of Mr. Brannan appealed to some and to others the fact that "something will have to be done" appeared to be the answer. One organization which strings along with Secretary Brannan is the Farmers Union of Texas, whose vice-president lives at Sand Hill and is a dirt farmer. He is Lloyd E. Allen. Mr. Brannan's program is sound and statesman-like" thinks Mr. Allen, whose opinion is seconded by J. J. Bery, state president of the Farmers Union. Wm. Pinkner, of Pecos, who stands high in the state organization of the Farmers Union, also likes Mr. Brannan's approach to the farm program. "In a democracy we must safeguard personal liberties," said Vice-president Allen of the Farmers Union. "Also we must foster the welfare of families. An intelligent understanding of the problems before us, and the establishing of proper laws, is necessary for both farmer and consumer. This seems to be the aim of Mr. Brannan and that is what the Farmers Union favors," said Mr. Allen. Numerous farmers and old line Democrats have taken a wait and see attitude in the county. "Somebody has got to do something and that's us the way things stand now," said Democratic County Chairman Homer Steen, who helped steam up the attendance at the Lubbock barbecue. "We've got a good sound man at the head of the Department of Agriculture and the party will stay in there and pitch with him undoubtedly," he said. "Those who are worried about the cost of the program" have not yet indicated what they think the cost of no program would be. Just after they put down a figure Mr. Brannan ought to come out with his," is the opinion of the local Democratic leader, he said.

Willson is Texas Committeeman In Natl. Legion Meet

James M. Willson of Floydada represented the Department of Texas, American Legion, in the convocation of the national committee of that organization held in Indianapolis, Indiana, last week. The national executive committee was in session for several days and laid out policies and plans which will be submitted to the general convention to be held later in the year at Philadelphia. Mr. Willson is alternate Texas representative on the national board and was asked to act in the meeting to represent the State of Texas.

Band Concert Climaxes Year

The Floydada High School band will present their spring concert on Thursday, May 12 at 8:00 at the High School auditorium. A well rounded program consisting of overtures, marches, and arrangements of familiar numbers will be performed, said director Kattner. The High School band has made several trips this year other than to football games. They have performed in Amarillo, Plainview, Canyon, and Wichita Falls, and also gave a concert at Lakeview. The Thursday night performance will be the last concert the band will give this year. Assisting the High School band will be the thirty piece Andrews Ward School band. This band has done excellent work during the year, and will be one of the high-lights of the program. They have appeared on several assembly programs this year, but this will be their first public presentation as an individual band.

DOUGHERTY CLUB MEETING

The home of Mrs. Bill Smith was the scene of the Dougherty Home Demonstration club meeting, Wednesday of last week, May 4. Demonstrations on preparing food for the frozen food lockers were given by Miss Leila Petty.

The club observed National Home window displays at Floydada. The attendance prize winner was Mrs. Bartlett and the game prizes were awarded to Mrs. Ruth Daniel and Mrs. J. W. Ross. Those present were Meses. Ruth Daniel, C. E. Bartlett, Sam Lide, Miss Leila Petty and the hostess, Mrs. Smith. Mrs. G. W. Smith was a new member and Mrs. J. W. Ross was a visitor. Mrs. H. is the date of the next meeting, which will be with Mrs. Claude Ring.

Miss La-Joyce Fowler, of Phoenix, is here visiting with her parents, Mr. and Mrs. J. B. Fowler, of Floydada, and her sister and husband, Mr. and Mrs. J. R. Bartlett, of Falls.

Mr. and Mrs. Maurice Campbell have as their guests this week, Mr. and Mrs. Herbert Owen and son, Larry, of New York City, New York. Mrs. Owen is the sister of Mrs. Campbell.

Looking To Next Year

Schedules have been arranged for next year which will allow the two bands to be combined constituting a band of nearly double the size of this year's High School band. To do this successfully, more equipment will be needed. This makes it doubly important that the evening of music Thursday night be well-supported. Admission will be 25c for students and 50c for adults.

Gas Line Break

(Continued From First Page) resumed pouring gas into the house service lines. In November the break in the service, the first in 20 years, came when a main line burst and crews had to make repairs before turning gas back into the mains. No estimate of the cost of the Friday night fire and interruption of service to the company was obtained. The regulator station that burned is one which lowers the main line pressure from 50 pounds to 30 pounds and then reduces it to ounces for the distribution mains. Public Very Cooperative Roy Leslie, Floydada manager, said this week some inconvenience undoubtedly was caused by the freak stroke of nature which hit their lines. However, he said the situation was taken in fine spirit by the public and without exception a fine co-operative and helpful attitude was taken by the company's patrons.
