Time Raised, Time Lowered Equalizers

Valuations are due for a raise as much as 20 per cent this year as a result of the equalization efforts of the municipality's efforts of equalization last week. Not all the taxpayers who will be assessed in their valuations will be raised. Some will be lowered. The equalization board has notified that the valuations are incorrect, in comparison with their neighbors' valuations and they have been notified to appear and show cause why. Monday, August 22.

Members of this board are D. T. Clarence Goins and J. W. They spent nearly a week in the valuations in the city and came up with the results they believe to be more correct than the rendition shown by B. K. Barker, city secretary. The board did a hard day's work and had a reasonable change made. In the future the board will urge some of the values, as well as some that are too high. The equalization board is at practically every piece of property in the city, especially at those where they made material changes.

Thousand Bid on Wheat Policy Claims

A local county committee for Federal Crop Insurance Corporation, headed by J. C. Brown, Ernest Lee Thomas, advised that government has paid \$50,620.61 to wheat farmers in Floyd county. The committee failed to make their insured claim due to the drought in 1948. This figure does not include amount paid on two or three farms.

Amount of money shown was paid to 53 wheat farmers in the county. The committee failed to make their insured claim due to the drought in 1948.

Committee states that approximately 175 farmers still have Federal wheat insurance policies in 1950. For the purpose of those farmers who do not have a policy the committee advised that they have only until August 31 in which to make application for the insurance. Corporation office is still located at the First National Bank.

State Jaycee Leader Honor West Tonight

Junior Chamber of Commerce, president, E. M. Kirkpatrick, and the state vice-president, St. Clair, of Levelland, will be guests of the local Jaycees at a cream supper tonight at the home of the president, Floydada organization, Dr. Kimble and Mrs. Kimble. Kirkpatrick is making a tour of Jaycee organizations in West Texas and will visit the local Jaycees from the surrounding area and expectation is that they will attend in addition to the Jaycees and their wives.

Holland Miss Likes America and Boys Friends in This Country

and attended to posting the bond that was necessary for the Dutch girl to enter this country. During the war, the Scheuven family operated a rest camp in Holland for the American soldiers. Through the rest camp, Louise met a number of American soldiers and has corresponded with them and their families since the close of the war. Louise came to the United States in June and visited with friends in Pennsylvania, Indiana, Illinois and Oklahoma before coming to visit with Mrs. Smalley and then on to Texas. She will spend the rest of her allotted six months in this country with Mrs. Smalley, who is planning a visit to the coast and Utah for her distinguished guest. They will leave Floydada the latter part of this week with John and Wayne Collins for an extended trip to Hollywood and other points in California.

FORTY ANSWER COACH'S CALL FOR FOOTBALL CAMP MONDAY

Training of Floydada High school candidates for the football squad began Monday afternoon with something more than 40 eligibles out and ready to go. Coach L. P. Gresham set the first meeting hour for 3 o'clock. Floydada will have a good team that will make it interesting for all comers but the coach would not predict total failure nor a district championship combination. Principal activity this week will be conditioning exercises with scrimmages not due to get under way until next week when the candidates will be in better condition. Lockney Longhorns are training at home this season instead of making their usual trek to New Mexico or Colorado. They have as their guest opponents the Kress team. Coach Curtis Kelly said the reason he was having the Kress boys is that the team has one of the outstanding lines of the plains area. He expects this line to show up any defects in the Longhorn back field offense and defense as well. Kress is a class B team, but their line is in another class, says the Lockney athletic mentor.

Blinker Lights Ordered by St. Highway Dept.

Somewhat of protection for Floydada school kids is provided in a plan made public this week through Mayor F. C. Harmon of Floydada, who says the State Highway department plans to put blinker lights at two school kid crossings of the highway in Floydada.

According to the mayor, the state highway people have made a count and have decided to put the blinker lights in, one on West Jackson street at the intersection of Second and one on South Fifth at the intersection of Houston street. These are at important crossings of the highway for school children and are presumed to slow traffic down sufficiently for the youngsters to get across safely enroute from their homes to the schools.

The Highway department, Mr. Harmon says, will make the installation, maintain the same, and pay for the current use. "Sure mighty fine the way the State Highway people are working with us for the protection of the children going to school," said the city's mayor.

Edgar Jones Is Grateful In Sorrow

We are deeply grateful to all our friends for the kindness and consideration, and the many expressions of sympathy shown us in our recent sorrow and grief. Your gracious friendship will live forever in our hearts and will serve to lighten the burden of sorrow which so completely overwhelmed us at this time.

The floral offerings were beautiful and mean much more than our words of thanks can express. May God richly reward everyone who in any way had a part in these acts of love, friendship, and understanding. Mrs. W. Fred Jones, Edgar F. Jones, Mr. and Mrs. R. Glen Jones, Mr. and Mrs. E. Ralph Jones.

Chas. H. Bradford Opens Watch Rep'r

A shop for watch and jewelry repair has been opened this week by Chas. H. Bradford in a space at Wright's Barber shop. Bradford, who has been with the M. L. Skelton jewelry for the past three years, formerly worked in Fort Worth for two years.

Ray E. Ramsey Club Women's Funeral Rites September 6

Mr. and Mrs. M. D. Ramsey and other members of the family, including the Ray Williams' the Wm. Finkners' and the Sherwood Ramseys, are due to attend the re-burial rites for Lt. Ray E. Ramsey at Jefferson Barracks National cemetery, St. Louis, Mo. on September 6. The rites will be held at 1 o'clock day light savings time on that date, the family has been advised by wire. Mr. and Mrs. Ramsey, parents of the deceased airman, said Tuesday they were not sure how many of the family could attend, but that they would be present when their son is re-buried.

First news that the body of their son was being returned to the mainland for burial was received by the Ramseys early in June. Prior to that time for months and years, since the spring of 1945, the family had had no news of the fate of the youth who went to his death with a B-29 crew in Honshu province, Japan.

According to the practically infallible records of the army's graves registration service, the ship in which Lt. Ramsey rode went down at Hagashi-Teroo-Cho, Tsurumiki, Kanagawa prefecture, in central Honshu. Not definitely known but presumed is that the B-29 crew had made their bombing run over Kawasaki, an industrial city out from Tokio. Leastwise the ship was on fire, believed to be from ground fire, when it crashed. The ship exploded when it hit the ground, said Japanese civilians who were interrogated. The boys' bodies were interred in the vicinity.

The Ramseys will make the trip to St. Louis overland, a distance of some 900 miles from their home in southwest Floyd county.

Intangible Tax Values Announced

This week Assessor - Collector T. T. Hamilton received advice on intangible values created to this county from the state comptroller's office. Total intangibles for railroads, pipelines, telephone and telegraph and others is \$403,100, something like \$40,000 less than last year.

Cathy Is A Cute Little Miss Tiny Mite, Six Month Baby, fools Hospital People; Is Doing Nicely

Little Miss Almeda Cathy Woodward, one week old yesterday, is getting stronger and perter every day as she inhabits her bit of a corner in Floydada hospital, occupant of an incubator with a bit of oxygen administered to make the tiny mite's work of living and breathing a bit easier.

Miss Cathy, as she is being called, is a six months baby, born at 7 o'clock Wednesday evening of last week to Mr. and Mrs. L. D. Woodward. The fact that she is living and has begun to acoustom herself to things about her makes her a sort of a ninth wonder.

The little Miss, according to the charts, should not have survived more than 24 hours. But making it through a few critical first days she has given hope to the staff and to family and friends that she will keep gaining and that within some three months she will have gained from her birth weight of two pounds and seven ounces to some five pounds or so, and thenceforth thrive nightly.

Dr. A. E. Guthrie, the attending physician, said the bit of humanity is just as cute as she can be. She is being given nourishment through an eye dropper, a whopping big thing to be feeding such a tiny little mouth. Nurses had quite a time getting her to become interested in taking her nourishment. Her mother has been doing nicely. Miss Cathy is likely to occupy her incubator home in the hospital for quite some weeks yet, it was indicated.

WEATHER FAVORS COTTON; CO. AGENT SEES FEW UNFAVORABLE SIGNS OVER WIDE AREA

The County Agent, Asst County Agent, Harry Morckel, and Guy Carpenter, District Two Extension Entomologist made a survey of the cotton fields in the County last Monday to check on injurious cotton insects. County Agent, Bob Gibson said, "approximately twenty five different fields in various parts of the county were checked. Cotton is too far advanced to receive any great damage from flea hoppers the balance of this season. Some lice were found, but not enough in the fields to cause alarm. A few cabbage loopers were found, a worm similar to the leaf worm, but no damage is expected from these worms. Some lygus, climbing cut worms, and grasshoppers were found, but not enough of these insects were present to cause any serious invasion in the near future."

During this survey special care was taken to observe the number of boll-worms present and the possibility of a boll-worm invasion. Very few boll-worms were found, possibly a total of ten in all fields. Only one boll-worm egg was found in the cotton in all the fields, therefore a boll-worm invasion is not likely in the next few days. However, all cotton producers should check their cotton every day or two for the boll-worm, Gibson said. Gibson further stated that prospects for a very large cotton crop are excellent at this time. Normally at this time of the year possible damage from all insects except boll-worm and leaf-worm has passed, cause considerable damage and possible loss of a crop, so every effort should be made to detect their presence as soon as possible.

The boll-worm is now present in small numbers in all fields and a serious outbreak could come at any time. Early detection of these worms in damaging numbers, which means a few small worms and eggs, and the use of ten percent DDT or twenty percent taxaphene dust at the rate of ten to fifteen pounds per acre will control them. The adult worm, or one a inch long, is very difficult to kill so efforts should be made to get them when they are small. There is no possible invasion of leaf-worms for the next month or six weeks, Gibson said. Illustrative of the way rains do when they become partial in the high plains country, something like nine inches of rainfall has been recorded in the vicinity of Providence in the northwest part of the county in the past 20 to 30 days. Not all of this fell at one time, the rain man scattering the fall into inch and half showers throughout the period. Ben Quebe and neighbors

Plans are going forward for the Home Demonstration club rally day at the American Legion hall in Floydada Friday. Registration will begin at 10:00 A. M. A demonstration on making aluminum trays will be given before noon by Miss Leila Petty, County Home Demonstration agent, and Miss Eloise Woodruff, Home Demonstration Agent-in-training. A covered dish luncheon will be served at noon. After lunch reports will be given by club members who attended the short course at Texas Technological college at Lubbock the first of the month. Mrs. Roy Wilkes of Pleasant Valley will present a skit on "posture" and demonstrations will be given by other members on accessories and good grooming.

Louis Dawkins of the State Soil Conservation board will talk on soil conservation. Miss Kate Adele Hill, District Agent, will also be on the afternoon's program. Business will include the election of delegates to the state meeting of the Texas Home Demonstration association.

Club members may bring visitors to the meeting, said Mrs. C. L. King, Chairman of the Floyd County Home Demonstration council.

County Wide 4-H Day

Tuesday was county-wide 4-H day in Floyd County. Thirty six 4-H Club girls four adult leaders and two home demonstration agents enjoyed a full day of activity at the American Legion hall in Floydada. Games and songs were lead by Miss Eloise Woodruff, assistant county agent-in-training. Craft work was directed by Miss Leila Petty, County Home Demonstration agent, assisted by Mrs. O. G. Shearer, Mrs. Loyd Allen, Mrs. E. H. Spears, and Mrs. W. O. Peugh.

The girls heard reports from the following girls who attended district camp at Lubbock in July. Patsy Poteet of Lockney; Alice Latta, Beulah Holmes, Justice Shearer, and Mona Williams of Floydada; Loreta Peugh of Lone Star, and Patricia Spears of Lakeview Mrs. O. G. Shearer also gave a report.

Churches Meet in Association Here Tonight

The pastors, C. L. Jarrett, of South Plains, and D. L. Handley, of Lockney, have announced the annual association of the Primitive Baptist churches to be held at the local church beginning tonight and continuing throughout Sunday noon. Services will be held in the morning afternoon and night anticipated that several speakers will be present from the different churches comprising the West Texas association as well as a number of the church members.

Out of town visitors will begin arriving Thursday afternoon and will camp on the church ground, located on East Georgia street, through the three days. The local church will furnish each meal for the campers. Everyone is invited to attend the association according to L. L. Nixon, deacon of the local church.

Court house Bond Vote Meetings Are Called

What Floyd county people are thinking of in connection with the issuance of court house building bonds with which to re-construct a court house is what the Commissioners court of Floyd county would like to know. Accordingly they have arranged two meetings, one at Lockney on Monday night of next week at the city auditorium at 8 o'clock; and one at Floydada Friday night of this week at the county court room, also at 8 o'clock.

What the Commissioners are submitting to the people in an official proclamation this week is a question of whether bonds shall be voted in the sum of \$200,000 for the purpose of re-constructing the present court house and making additions to it. They have indicated they want to know what the taxpayers are thinking. Voting date set is September 3, it was said last week.

Formal call for the election is made, according to reports from County Judge G. C. Tubbs and from the office of C. M. Smith, bond dealer of Plainview, in an election order which is to appear in the Lockney Beacon this week. A copy of the order was not available as late as 1 o'clock Wednesday at the county clerk's office, but Miss Collier said the signature of only one commissioner was lacking.

Election Set For November 8 By Governor

Formal proclamation of the election for November 8 to pass on 10 constitutional amendments and selection of a state board of education was signed last week by Governor Allan Shivers.

Order for the election was directed by new laws passed by the legislature. One member to the new elective state board of education will be selected from each of the state's 21 congressional districts, as provided by the new Gilmer-Aiken laws.

Candidates to the school posts must file application with Ramsey between Sept. 8 and Sept. 19, 100 qualified voters in the congressional district may also place a candidate's name on the ballot if filled within the same dates required for applications.

Order in which names of candidates appear on the ballot in each district is to be determined by lot of the secretary of state. County judges will be notified of ballot form at least 30 days before the election.

Law requires the governor, attorney general and secretary of state to meet and canvass the election returns on the 15th day after the date of election. Official Nov. 23

That means that the members of the new school board would be officially recognized on Nov. 23. Results of the amendment voting would also become official on that date.

Question of who are members of the state board of education between election day, Nov. 8, and date of the canvass, Nov. 23, meanwhile, has the present appointive board of education in a (See State Election, Back page)

Killing Johnson Grass—Johnson grass is not the burning issue it used to be. However there are people left who don't want it growing on their premises. The late thing on Johnson grass is that it holds the soil together, builds it up and makes everything hotsy tots. For those old-fashioned persons who think that it is a pest, gets in their certified field seeds, grows where you want something else to grow and all of that we offer this: Now is the time, now and all of this week and all of next. A good time to hit would be Monday or Tuesday. Don't fool around about it, though. The moon moves along from one quarter to another, and it doesn't wait for you to go to town and fool around, nor does it wait for you to get the four-row outfit ready. Get in there now and cut the Johnson grass back and cut it close. We throw in this information as a bonus: if you are going to have the children's tonsils and adenoids removed, catch the sign going toward the feet. The Indians and old settlers used this method and they got along pretty good.

If your beans and your potatoes did not do so good this season you might check up on how you went against the nature of things. In the light of the moon you probably planted when you should have waited. In the dark of the moon is the time to plant some things, in the light of the moon others. Get your almanac and read for yourself—not a calendar, an almanac. And get the signs of the Zodiac right in your mind. It will be a great relief to know what you are doing is the right thing to do.

Softball is a good twilight and evening game, baseball is fine for those who are steeped in the "smart" traditions, but football now that is something else. It is the kind of thing that everybody can go for and most of them do, whether they know the fine points or have difficulty following the ball. For every team its followers who can explain the whys and the whynots of the team's brilliant performances, win or lose. This is in recognition of the fact that high school football season opens soon.

Recent improvements at The Lockney Beacon office include a new composition machine, which Mr. Hays, the publisher, had had on order for some time. Also with the new machine changed faces for body type and for heads were obtained. The newspaper under Mr. Hays' management has been consistently working against odds, principally of war derivation, to better the service to his readers and advertisers. Good results are climaxed this effort.

Recently on a brief visit to Amarillo the writer was guest of George Young, the KAMQ radio news reporter for luncheon at the Marine Grill. The Marine grill is something, the like of which you do not see this side of the metropolitan cities of mid-Texas, like Fort Worth, Dallas, Houston. The Marine Grill is really a specialist in the kind of foods the name indicates. What would be your guess on the kind of food Arizona reared Mr. Young, ordered. It was broiled K. C. sirloin. And if you had a guess what kind of sea food do you think we ordered? Well, the menu was heavy with dollar marks, some high and some higher. We couldn't help looking at the right side of that list to save us! Finally we asked for a "small" K. C. sirloin, broiled, well-done. It was delicious. When we inveigled the manager out to visit with us a few minutes he may have been disappointed that we had not ordered stuffed crab or something of the kind, maybe deep sea halibut, but he was suave and considerate. He didn't say a word despite the fact that he had flown in that very day some delicious sea foods that we might have ordered. And who do you guess the owner and manager of the Marine Grill in Amarillo would be? If you lived in Floydada long enough ago you will recall Terry Lomax, the brisk young fellow who put on the "country store" at the Olympic theatre here 25 years ago. Well, that is he. He later scraped up enough money to put in a restaurant at Plainview and thence he went years later to Amarillo. Always he liked the "kitchen end" of the business better than the front. In the past few years he has spent many thousands making the Marine Grill what the name stands for with three delightful dining rooms, each suited to its purpose. His "country store" experience has stood him in good stead these years finding out and getting for the public what they want the way they want it. And he has learned to be a good host, among other things.

Spotted rains that have fallen over Floyd county and the adjacent counties in the past week have been most partial. Rains have a way of being good to some and not so good to others in the plains country. For the past 10 days everybody has been asking the weather man for a general rain over the whole area. But the weather man dishes out as he has a notion of doing.

Here also is valuable information: Watch your cat. Before wet weather he is usually restless and rubs himself a great deal behind the ears. As to the clouds, streamers pointing upward indicate rain; when the streamers point downward, look for dry weather.

Longhorn Squad Due to Make A Good Team

LOCKNEY—The Longhorn team this year will be principally sophomores and juniors, Coach Kelley said. The team lost eight starters from the district championship team of last year but have a good group of lettermen and squadmen back this year. Kelley expects the boys to make a good team.

Starters back this year include 280 pound Delbert Shearer at tackle, Robert Huckabee at guard and De-Juan Strickland, back. Kelley is depending on these boys to take the lead and help build another great team for Lockney high.

Lettermen who are back for this year are Charles Crouch, end, Bobby Baxter, end, Tip Jeffcoat, guard, Bary Thompson, guard, Eddie Fort-emberry, guard, Ray Ferguson, back, Mac Howard, back, and W. L. Rowell, tackle.

Squadmen will include Sid Thomas, Donald Clarkston, Bobbie Dorman, Bobby Griffith, Johnny Woods, Jerry Paul Cooper. In addition a number of promising freshmen will be out including Orland Gilbert, Norton Baker, C. B. Smart, Kenneth Williams, Teddy Carthel, Joe Taylor.

Following is the Longhorn schedule for 1949:
Sept. 2—Shamrock there.
Sept. 9—Open.
Sept. 16—Sudan at Lockney;
Sept. 23—Crosbyton at Lockney;

25 YEARS... on the job

This month makes the 25th anniversary of the day we first went to work for the folks in the Panhandle-Plains-Pecos Valley-Eastern New Mexico area. We say "went to work" because that's exactly what we did.

Our job for the past quarter-century has been to keep pace with the great strides these folks—our customers—have made... agriculturally, industrially, commercially.

We've really enjoyed our work, and we're looking forward to many more pleasant years "on the job" for the area we serve.

Our 25th Anniversary

In the years to come... as in the past... it is our constant aim to keep pace with the ever-increasing power needs of the vast area we serve... to provide low-cost, dependable electric service for better living—electrically—for everyone.

 that every little brown bird that
 that sings
 something greater than itself,
 that bears
 every word to every living thing,
 that it holds the message unawares
 in its

Floyd County 14 Years Ago

(Taken from the issue of Thursday, August 15, 1935)

The Floydada Boy Scout troop will leave Tuesday morning for a four day camping trip to Carlsbad caverns and the surrounding territory. While attendance both today and tomorrow at the annual re-union of West Texas Old Settlers association at Hank Smith Memorial Park is expected to run into the thousands, today's session is expected to see the greater number of the pioneers themselves, as today, as Hank Smith's birthday, has been especially set aside for the old timers to be present.

Federal aid funds totaling \$17,410.50 is being distributed among teachers of Floydada and Lockney, and twenty-one other school districts of Floyd county this week, representing payment for teaching work done by faculties during the latter part of the school year, 1934-35.

Reports of rainfall this week have brightened the prospects for Floyd county row crops in practically all sections.

Organization of the Floydada Junior Fire department will be perfected at a meeting Monday night at 7 o'clock at the city hall, of all boys who have signed pledges and who want to become members.

Officers for a year's term will be elected at the regular meeting of the McDermott post of the American Legion Monday night, August 19, it has been announced.

Mrs. Ralph Thacker of Sen Benito is visiting her cousin, Mrs. R. E. Fry and her aunt, Mrs. Lillie Britton.

Mrs. J. C. Wester and children returned home Friday evening from Sulphur Springs where they spent the last two weeks visiting relatives.

Mrs. Noel Troutman spent the week-end in Waxahachie visiting with relatives and friends.

Bobby Ned King of Ft. Worth is visiting his grandparents, Mr. and Mrs. R. B. Calhoun, while his parents, Mr. and Mrs. W. A. King are in Little Rock, Arkansas at the bedside of their nephew, Gerald Hill. Gerald has been critically ill with polio, but at present is better. Ned King was also at Little Rock with his grandson.

Mr. and Mrs. G. M. Armstrong and Mrs. Armstrong's son, Harold Snell, left Saturday for a week's vacation in New Mexico and Colorado.

Mr. and Mrs. Robert Fisher and family have returned from a vacation trip spent in points of interest in Colorado.

Frosted Tweed

This chic combination of soft tweed and crisp linen was found guilty of traffic-stopping by Cosmopolitan's Male-Tested Fashion Jury. The dress is part of the magazine's August issue. A Surrey Classic with leather belt and bone buttons all in a row, it sells separately for about \$17. You can vary its effect with a silk ascot at the neck while collar and cuffs are in the wash. Eric Pinza, Peter Lawford and Montgomery Clift were the "all in favor" of this dress. Available in brown, green or black mixtures.

Nabors Family Hold Re-Union at De Leon

An enjoyable time was spent at the Nabors Lake at De Leon, Texas honoring the 76th birthday of mother Nabors, Mrs. N. Nabors, on August 14.

There was boat riding, fishing, swimming, and picture taking, by members of the family.

All eight children of Mr. and Mrs. Nabors were present, including a number of grand children and one great grandchild.

Those present for the re-union were Mr. and Mrs. P. Q. Haney, Floydada, Mr. and Mrs. C. T. Nabors, Mr. and Mrs. W. A. Hill, Mr. and Mrs. J. R. Otwell and Martinell, Mr. and Mrs. N. L. Nabors, and Harold, all of DeLeon.

Mr. and Mrs. Fred Nabors, Clifton, Nathan and Nancy of Amarillo, Mr. and Mrs. Roy Nabors, Ann and Jimmy of Taft, California, Mrs. J. N. Waller, Richard, Donald and Dorothy Nell of Port Arthur, Texas.

The grandchildren: Mr. and Mrs. O. L. Cardinal, Floydada, Mr. and Mrs. Delton Nabors, Rising Star, Texas; Mr. and Mrs. Verdett Nabors, Mr. and Mrs. Derwin Nabors, Mr. and Mrs. Coy Otwell, Nathan Otwell, Mr. and Mrs. Wayne Otwell.

The great grandchildren included: Jerry Cardinal, Linda and Darlene Nabors, Peggy Otwell, Larry Wayne Otwell, and Dinnis Otwell.

A great grandchild, Marquinta

Smalley was present at the re-union. Fred Adcock, of Eastland, Tex., a brother of Mrs. N. Nabors, also attended the re-union.

Revival Starts At Center Sunday

Rev. Joe Motesbaker, pastor of the First Baptist church in Idalou, will conduct a revival at the Center Baptist church beginning Sunday, August 28. Director of the singing will be Sam Reddell, of Idalou, accompanied at the piano by Clyde Green.

The pastor, R. C. Hodges, extends a cordial invitation to everyone to attend.

KINDERGARTEN CLASS

Beginning September 5, Mrs. L. Harold Christensen will open the fall term of a private kindergarten school at her home, 522 West Mississippi street. Enrollment will begin on the previous Thursday. Mrs. Christensen has had several years experience with youngsters of kindergarten age and is looking forward to teaching them the next 9 months. Dramatics, art and music will be among the subjects Mrs. Christensen will offer.

Mr. and Mrs. J. B. Jenkins in company with Mr. and Mrs. Alfred Ingle, of Gainesville, left Monday to spend a few days vacationing in Albuquerque, New Mexico.

Mr. and Mrs. Clyde Rogers, of Lubbock, and Peggy McKinney, of Plainview, were Sunday guests of Mr. and Mrs. J. J. McKinney.

Durrant to Preach Here on Sunday

Rev. A. C. Durrant, of Garden City, and part time pastor of the Cumberland Presbyterian church, will be here Sunday to speak at the morning and evening services.

Rev. Durrant is supply pastor at the church until a full time preacher can be obtained. He comes to Floydada and speaks twice each month, the first and third Sundays.

Center News

CENTER, August 16—After Sunday School we had a nice shower, which cooled the air and left a few drops for the thirsty crops.

The C. L. Ashtons were dinner guests of Mr. Ashton's parents, Mr. and Mrs. R. H. Ashton, of the Campbell community.

Mr. and Mrs. J. E. Green and children, Clyde, Don Clark and Margaret returned home Saturday from an 11 day trip to Alabama, where they visited relatives and saw many things. Enroute they visited the J. H. Moodys, of Paradise, formerly of Center. They made the circle through Texas, Oklahoma, Arkansas, Tennessee, Mississippi, Alabama, Missouri, Louisiana and Central Texas making short visits in Waco and vicinity. They report a very pleasant trip. Everywhere except on the last lap in Texas, the weather was cool and crops were good.

Mr. and Mrs. W. T. Lightfoot and family are moving to town. We are sorry to lose these good neighbors—the last of the E. W. Lightfoot family who began their residence in our community more than a quarter of a century back. We wish them happiness in their new home.

Early Monday morning found a group of cars around the church and people inside tearing off wall paper. We hope to have things spic and span for the revival which begins next Sunday.

Mr. Sandifer and family, of Austin, were week-end guests of Mr. and Mrs. Walter Sims and the B. L. and Doyle Sandifers. Mr. Sandifer is Mrs. Sims' nephew.

In the revival which begins Sunday, August 21, and is to last through August 28, Rev. Joe Motesbaker, of Idalou, is to do the preaching with Sam Reddell, of Idalou to lead the singing. Everyone is cordially invited to attend. Come and bring somebody with you.

Mr. and Mrs. J. W. Laminack, Mr. and Mrs. Irvin Laminack and daughters Nanette and Sherry of Ft. Worth are visiting their son and brother, John L. Laminack and Mrs. Laminack.

4-H Safety Workers in All-Out Attempt to Reduce Accidents on Farms in 1949

MR. FARMER, has the 4-H Club member in your family checked your farm and home for accident and fire hazards lately? If not, you can expect him to do so any day now. 4-H'ers are making an all-out attempt to reduce the annual cost of accidents affecting farm folks—including motor vehicle, fire and property damage—which totals more than one billion dollars, or about \$35.00 per person! They are also trying to cut down the number of accidental deaths, which kill 51 farm residents in the U. S. every day in the year.

Your 4-H'er doubtless will caution you to drive carefully on highways, and use proper signals when turning or stopping (top right). More than 7,300 rural people are killed annually in motor vehicle accidents. In fact, more fatal automobile accidents occur in rural areas than in any other location.

Falls rank second in farm accident causes. So watch your step when carrying a clothes basket, like the girl shown in right photo. Your 4-H safety worker probably will suggest you tack down throw rugs or put them on nonslip matting, and keep stairways uncluttered.

Are your lightning rods properly grounded? The 4-H'ers shown at top left found the ground wires broken, and therefore worthless. Lightning, which is one of the greatest causes of farm fires, each year destroys 20 million dollars worth of farm property, kills 500 farm residents and injures 1,300 others.

National Farm Safety Week will be observed July 24-30. Rural boys and girls taking part in the National 4-H Farm Safety program.

For achievements in safety work, the 4-H boy or girl may receive a prized sterling silver medal of honor as county winner. General Motors also provides an educational trip to the National 4-H Club Congress, Chicago, next November, for the state winner, and \$300.00 college scholarships for each of the eight national champions. By practicing safety from this time on, you'll not only help your 4-H'er in his safety work, but help save a life—which may be your own.

The National 4-H Farm Safety program is conducted under the direction of the Cooperative Extension Service.

Methodist Revival at Carrs Chapel

The Methodist revival will begin at Carrs Chapel Friday night, August 19. Daily services will be at 10 o'clock p. m., conducted by Rev. N. S. Daniel, pastor of the Lockney Methodist church.

Everyone is welcome, Rev. Clifford Mayo, pastor of Carrs Chapel announces.

Mr. and Mrs. Steve Bloyd and children, Joe and Alene, of Seagraves, spent the week-end in the home of Mrs. Bloyd's parents, Mr. and Mrs. W. H. Ely. Joe and Alene remained for a longer visit with their grandparents.

W. E. Garrett was in Wichita Falls the first of the week, where he attended a toy show for White Auto Store dealers and bought the toys for the Christmas season. The show was held in the warehouse showroom in Wichita Falls.

Get the want ad habit.

Mrs. Foy Stewart and son, of Wichita Falls, visited last week with her parents, Mr. and Mrs. W. L. Cannaday, and with her sister and family, Mr. and Mrs. L. J. Weibers and daughter Ann.

E. B. Chesnut is among the week's vacationers. He is at Lockney and in that vicinity, which is the scene of his birth and early youth. The family still is interested in a homestead there.

Revival to Continue Thru Next Sunday

The revival meeting that began last Friday at the Church of Christ on South Wall Street will continue through Sunday.

Evangelist Leland H. Knight of Booneville, Arkansas accompanied by Earl Seigrist, a minister in training, from Elk City, Oklahoma, are conducting the services. They are bringing timely topics from service to service.

Daily services are at 10:30 a. m. and 8:15 p. m.
Rev. Knight said there has been excellent out of town attendance and everyone is urged to attend each service.

SKUNK, RABBIT HIDE ARE BEHIND FANCY NAMES

WASHINGTON—A skunk by any other name might smell sweeter. Or so it would seem, judging from the names it gets when its fur is made into women's coats. Skunk has been sold as Alaskan Sable, Black Marten, Civet Cat and Dipped Marten, according to testimony at hearings last fortnight before a House Interstate and Foreign Commerce sub-committee, says Pathfinder news magazine.

The congressmen are considering two bills which would require honest labeling of furs. The skunk is only one of many animals, they learned, whose fur is subject to deceptive glamorizing. Rabbit pelts have been passed off under more than 50 different names. Some of the rarest: Minkony, Ermiline, Leopardine, Galland Squirrel and Chapchillas.

URANIUM SEEKERS TOLD HOW.

WASHINGTON—The gleam of gold had faded as a lure to many American prospectors. In its place was the velvet-black sheen of pitchblende, the heavy ore from which come the brown and black powder and finally the shiny white metal of uranium, heart-matter of atomic research, says Pathfinder news magazine.

In the past year alone, more than 5,000 would be uranium diggers had asked the Government for advice. This week the Government would answer. Its method: a 123-page booklet, Prospecting for Uranium, that will sell for 30 cents at the Government Printing Office. Its answers will cover everything from identification of the ores to explanation of the \$10,000 bonus awaiting anyone who turns up a high grade deposit.

Attending the showing of fall fashions in Fort Worth and Dallas this week are Mr. and Mrs. Cecil Hagood, Mr. and Mrs. Walton Hale and J. O. Martin.

TOWN FORGOT ELECTION

Voters in Columbia, N. C., last week were wondering what to do next. After the terms of office of the mayor and other town officials had expired, they remembered they had forgotten to hold an election.

Mr. and Mrs. T. O. Pope of Dallas, have been visiting in the home of Mr. Pope's parents, Mr. and Mrs. H. O. Pope. While here, the Pops attended the golden wedding anniversary of Mrs. H. O. Pope's sister and husband, Mr. and Mrs. Tom Walker of Waynoka, Oklahoma.

Mr. and Mrs. Moran Dunlap of Meridian were visitors in the home of their aunts and families, Mrs. S. W. Ross and Mrs. Edd Johnson. Mr. Dunlap is postmaster at Meridian and Mrs. Dunlap is a teacher in the Meridian high school.

Mr. and Mrs. Tommy Arthur and daughter, Becky, of Wichita Falls, spent the week-end with Mr. and Mrs. A. W. Chowning and family.

Mrs. Bob Hammonds and Mrs. W. E. Garrett spent Tuesday in Amarillo.

SOCIETY

Olin F. Thornton Wed In Amarillo Saturday to Miss Naomi Kimble

Before an arch of fern scattered with flowers flanked by candelabra Naomi Kimble became the bride of Olin F. Thornton Saturday evening in the First Baptist church in Amarillo with Rev. Robert Smith officiating. Miss Kimble is a daughter of Mr. and Mrs. W. H. Kimble, of Amarillo, and Mr. Thornton is the son of Mr. and Mrs. E. W. Thornton, of Lockney, and a grandson of Mr. and Mrs. J. A. Goins, of Floydada.

Mrs. Farris L. Brewer, of Dallas, sister of the bride, served as matron of honor. Bridesmaids were Mrs. Roland R. Boenig, of Waco, and Mrs. Gene Brian, of Amarillo. Troy Davidson, of Amarillo, served the groom as best man. Groomsmen were Harley Wright and Rae Thornton, brother of the groom, both of Lockney.

Given in marriage by her father, the bride wore a period gown of white satin. A deep folded bertha outlined the net yoke and was caught in the center with a loop of satin. Worn over a hoop, the bouffant skirt was caught up with satin bow knots and extended into a formal train. Her fingertip veil fell in two misty tiers from a tiara of seed pearls and lily of the valley. She carried a white Bible topped with a bouquet of white roses.

A reception at the home of the bride's parents followed the ceremony.

For the wedding trip to Washington, D. C., the bride wore a Balenciaga, gabardine suit complemented with moss green and brown accessories.

The bride graduated from Panhandle High school and West Texas State college at Canyon. The groom is a Lockney High school and West Texas state graduate.

The couple will be at home at 1223 Florida in Amarillo after August 24.

Jackson - Smitherman Vows Said Saturday

Miss Joy Jackson and Rex Smitherman were united in marriage Saturday afternoon, August 13, at 2:30 in the home of Rev. and Mrs. R. C. Guest of South Plains.

Rev. Guest read the double-ring ceremony. Mr. and Mrs. Ernest Huckabee were the couples only attendants.

Joy is the daughter of Mr. and Mrs. A. L. Jackson of Floydada, and Rex is the son of Mr. and Mrs. J. B. Smitherman of South Plains.

The bride was attired in a brown and white checked sharkskin suit with brown and green accessories. She carried a white Bible topped with a bridal bouquet of white gardenias with white satin streamers.

Immediately following the wedding, the bride and bridegroom departed for a wedding trip to Colorado and points west. After returning the couple will be at home in Floydada.

The bride is a graduate of Floydada high school with the class of 1949. The bridegroom graduated from Floydada High school in 1945 and served eighteen months in the armed forces.

The Two-door Sedan has the same 97 horsepower engine with a 7 to 1 compression ratio as all other Plymouth models. Somerville described the vehicle as a "smart, dependable family car designed for general all-around use." Factory retail price at factory, Detroit, Michigan, is \$1,410.00.

Scale Model Jones Home to be Shown

Our Home Garden club announces that plans are now in working order for the fall flower show which is to be held in September.

The committees have been formed and many special projects are in the making for the fall exhibit.

There will be on display a scale model of the home of Mr. and Mrs. Tate Jones, which is located on the Matador highway. The project will feature long range landscaping done by members of the club.

The club will also sell tulip, iris and daffodil bulbs at the flower show.

Our Home Garden club met in the home of Mrs. Ralph Johnston Thursday, August 11 with Mrs. Johnston as hostess.

The program included flower arrangements of zinnias made by Mrs. R. C. Clem. Mrs. Kinder Farris gave garden cuttings in the absence of Mrs. McNeil. Mmes. Tate Jones, and Guy Ginn gave the program on Home plan landscaping, using a miniature house model and plants and trees, all made to scale.

Refreshments of punch and caramel squares were served to 20 members and 3 visitors. The visitors were Mrs. Leon Smith, Mrs. Sullivan and Mrs. White, the mother of Mrs. Kinder Farris.

Judge Chapman Attends Rites For His Sister

Judge and Mrs. Alton B. Chapman and their sons, George and Jerry, Mrs. Lucille Alred and Mrs. J. A. Hutchinson attended funeral services in Spur Tuesday for Judge Chapman's sister, Mrs. Cleo Johnson.

The rites were conducted in the Church of Christ at 2 o'clock. Mrs. Johnson died Saturday night a few minutes after being struck by a car after she stepped from the curb at one of the busiest intersections in Pampa. The body lay in state at the Blackburn-Shaw-Sim Funeral home in Pampa until Monday evening when it was taken overland in an ambulance to Spur.

Mrs. Johnson had been a resident of Pampa the past three years. Survivors are a son, her mother, two sisters and eight brothers including Judge Chapman.

Districts Still Vote on Taxes

Just when Floyd county districts are going to get their voting for and against school tax so the tax assessor-collector of county can make up his rolls, and them to the state comptroller for approval was a question week which worried the other the county assessor - collector.

Baker district voted Tuesday change their rate from \$1 to \$1.50 for school purposes. Dougherty district has a vote coming up some. Floydada Independent School district also has one of the same in the hopper. Two or three districts, including South Plains also have voted lately.

The vote in Floydada District is on August 31. The old Floyd district and the other districts will have been joined with it in either by order of the county board or have a part in this vote.

Old Folks Kid Lockney Man Powers that Be Is Recovering and Hesperian from Injuries

Note.—Floyd County Old Peoples organization sends the following to The Hesperian to be used as you see fit. You'll enjoy every word of it.

Floydada, Texas
August 15, 1949

Mr. Editor:
We are thankful to you for printing our notice of the district meeting of the old peoples organization, and of the notice that our attorney, Price Daniel, our state representative, J. Q. Burnett, our state senator, Kilmer B. Corbin and our district judge, Alton B. Chapman would be speakers for the occasion. Mr. Editor, we were wondering if the Chamber of Commerce had been sponsoring a meeting like this of these noted men as speakers, their notice would have had any more prominent place in your valuable paper. We finally found our place somewhere in the middle of your paper, but like Lazarus, we were thankful for the crumbs.

General Daniel, we thank you for your telegram telling us that a situation had come up that prevented your coming. We know that you would have been here if you could.

Thank you, Judge Chapman, for your offer to be with us and talk to us and sending us word why you could not be with us. We sympathize with you in your sorrow and shall whisper good counsel in the ears of our sons and daughters for them.

Thank you, Mr. Burnett, for coming to west Texas and giving us a part of your work in the legislature as our lobbyist.

Thank you, Senator Corbin, for coming from Lamesa to give us a part on your work in the state senate, not only to the old people, but to all the citizenship of this district. We shall also whisper good counsel in the ears of our sons and daughters for them. We are sorry that the business men and the district

J. P. McPherson, Lockney, brother of District Clerk Mary McPherson, is in Lubbock Memorial hospital this week recovering from injuries sustained in an automobile collision on Highway 87 near Lubbock last Thursday night in which one person was killed and four others slightly injured. McPherson suffered a broken nose, badly bruised shoulder and several lacerations on the face. Miss McPherson said Tuesday that her brother was improving and would probably be able to return to his home in two or three days. He is a son of Mrs. C. P. McPherson, Lockney.

McPherson was riding in a car driven by Rex Melton, Plainview, and with them were Melton's wife, Lynn Carter and L. A. Compton, both of Plainview. The car involved in the collision and driven by Kenneth Jackson, of Dimmitt, went out of control and crashed head-on into the Melton car. Riding with Jackson were Hobby Thomas, Jr., of Hale Center, and a younger brother of Jackson, Thomas was critically injured. Melton was killed in the accident.

Funeral services for Melton were conducted Monday afternoon at 3 o'clock in St. John's Methodist church in Plainview. Attending the rites from Floydada was Mrs. Melton's cousin, Mrs. W. E. Garrett.

and county officials did not avail themselves of the privilege of hearing you.

Mr. businessman, there is something like \$6,000.00 coming in to Floyd county each month and we old pensioners spend practically all of it with the merchants of Floydada and Lockney. We wonder if some other organization had been sponsoring a meeting like this if you would have been here?

Brother preachers, we are sure that you would pray for our souls, but we regret to say that you have never shown much interest in our physical well being.

We expect to continue to love and pray for our enemies and work and pray and talk for our friends.

The boys who attended the encampment were Kenneth Bishop, Herbert Ring, James Lee Freeman, Fred Marble, Don Marble, Don Barber, Teddy Assiter, Roy Teague, Johnny Lloyd, Don Daniel, Bill Jones, Rodney Hinkle, John Hinsley, Lavon Shearer, Ronald Teaff, Clint Turner, Bill Turner, Delton Waggoner, Warren May, Terry Julian, and Russell Hunter, sponsored by H. G. Barber, the vocational agriculture teacher.

Jaycee Meeting In Plainview Aug. 20

ABILENE, August.—The Texas Junior Chamber of Commerce will open its sixth meeting of the summer series of state wide meetings in Plainview on August 20.

Jim St. Clair, Levelland, Vice-President of the state organization will preside over the business session of the joint meeting for regions 1 and 2 of the state organization, at its Sunday meeting, August 21.

This will include Jaycee clubs from Perryton, Dalhart, Borger, Pampa, Amarillo, Hereford and Tulsa in region 1, while Muleshoe, Plainview, Floydada, Levelland, Tahoka, Littlefield, Lubbock, Lamesa, Brownfield, Crosbyton and Abernathy will be represented from region 2.

E. M. Kirkpatrick, Jr., Baytown, president of the state organization will deliver the keynote address at the final meeting of that two day event on Sunday, August 21.

FAMILY RE-UNION

Attending a family re-union at the MacKenzie Park, Lubbock last week-end were, Mr. and Mrs. Horace Giles and children, James and Betty, and Mr. and Mrs. Clinton McIntosh and daughter, Kendy Lee of Clovis, New Mexico; Mr. and Mrs. Arnold Giles and daughter, Mildred, and Mr. and Mrs. Ray Burrows and children, Betty and Jimmy of Lubbock; Roger Hartsell of Texline; Mr. and Mrs. Roy Timmin and son, Philip of Levelland; Mr. and Mrs. Riley

The consolidation of adjoining school districts with Floydada independent School district, by elections and by action of the County school trustees under the Gilmer-Akin law, has resulted in the creation of a new Floydada Independent School district, separate and distinct from the old Floydada district and the board of trustees of the new district (carried over from the old one) are required by law to call an election for the purpose of voting on the assumption by the new district of the bonds of all the old districts within the boundaries of the new district, to vote a tax to pay such bonds, and to vote a maintenance tax for the new district.

Election On August 31
In compliance with the law, the Board of Trustees have called an election for August 31, 1949, to be held in the County Courtroom, at which all property taxpaying voters of the District will be authorized to vote on the following issues:

1. Assumption of bonds of all mer districts now within the new District, including the following:
Floydada Independent School District — \$162,500.00
Starkley Common School District — 3,400.00
Harmony Common School District — 2,750.00
McCoy Common School District — 7,000.00
Total — \$175,650.00
2. Levy of a bond tax not exceeding 50c to pay such bonds.
3. Levy of a maintenance tax not exceeding \$1.50 for the new district.

Effect Of The Election
The combined maintenance tax and bond total cannot, under the law exceed \$1.50, and the effect of the election, assuming that the two taxes carry, will be to authorize a total school tax of \$1.50, the bond tax automatically reducing the maintenance tax to an amount within the \$1.50 limit. The \$1.50 rate prevailed in Floydada Independent School district, as well as some of the other former districts, prior to the consolidations.

Floydada Independent School district now includes, in addition to the old independent district, Starkley, Center, McCoy, Harmony Blanco and Liberty districts, and all of Muncy district except a strip off the west end. All property taxpaying qualified voters who reside in any of the former Districts above

Holmes and children, Jay and Janette, Mr. and Mrs. Blanton Hartsell and children, Carolyn and Larry and Mr. and Mrs. J. A. Hartsell and children Truett and Modena, of Floydada.

Robt. R. Moore Died August 10

KANSAS CITY MO., August 10—Robert Royster Moore, 62, of this city died yesterday afternoon at the home, 3525 Walnut street after a long illness.

Since he retired in 1936 because of failing health, Mr. Moore has been almost bedfast at the home. A bachelor, he lived there with his father, George T. Moore, the only closely related survivor.

Mr. Moore, who would have been 63 years old August 30, joined Groves Brothers in 1906 after he was graduated from Yale University.

In 1916, he left the firm to become captain in the army signal corps. He recruited three companies in Kansas City. Sent to France in 1917, he became head of the radio department of the signal corps school at Langres.

Mr. Moore was promoted to major in September, 1918, and was assigned as senior officer in charge of technical instruction at the school. Later, while on an assignment to study airplane direction-finding equipment in England, he was presented to King George V and Queen Mary. He returned to the United States in April 1919.

Mr. Moore resumed his work at Groves Brothers, later became secretary and continued in that office until he retired.

A collection of American stamps he began before the first World War was Mr. Moore's chief interest the last years.

A grandfather, L. R. Moore, was mentioned may vote in the election, excluding of course voters in that part of Muncy district which was not included in the consolidation with Floydada.

Who Will Collect Taxes
Taxes for the current year 1949 on property within the old Floydada district will be collected by Mrs. V. H. Boteler, school tax collector, but such taxes on all property in Starkley, Center, McCoy, Harmony, Blanco and Liberty districts and that part of Muncy consolidated with Floydada will be collected by T. T. Hamilton, County Tax Collector, just as school taxes on such property would have been collected had there been no consolidation. In other words, all property owners in the new district will pay their school taxes for the current year 1949 in the same way they paid such taxes last year, this arrangement being made necessary by the fact that sufficient time does not remain for Mrs. Boteler to add the new territory to her tax rolls.

Mrs. P. W. Bell was appointed presiding judge of the election by the election order.

Motley-Dickens Celebration to Be the Biggest

Largest celebration in the 29-year-old history of the Motley-Dickens Counties Old Settlers Association is forecast by the organization's president, C. C. Halle, for Thursday and Friday, August 25-26, at Roaring Springs Pioneer Park, a statement issued last week said.

President Halle, who is serving his 19th consecutive term as head of the two-county organization, said last week that the outlook is very bright for an outstanding celebration, which may lead all past years in attendance.

The rodeo association division of the celebration, will retain the free gate feature, according to rodeo president Ward Rattan. It is one of the few rodeos in West Texas to which no admittance is charged.

Halle declared that concession rights this year have been sold double the amount received in previous

years from the former carnival firm. Two big dances are planned for each night of the reunion. The regular old-time dance will be held on the pavilion, while the "young people's dance" with modern music will be held under the stars on the new 4,800 square feet dancing platform constructed this year.

NEW SOCIAL SECURITY MAN

John G. Hutton assumed duties last week as manager of the Lubbock Social Security office, replacing Elliott W. Adams, who was recently transferred to Waco, Texas.

The new social security office manager comes to Lubbock from the El Paso Social Security office. He has been with the Social Security Administration since this week. For several years, he was a department head in the main offices of the Administration at Baltimore, Maryland. Prior to his tenure in the El Paso office, Mr. Hutton was connected with the offices at Houston and Ft. Worth.

Mrs. Wanda Banker of Dallas is spending this week with relatives in Lubbock but will return home this week-end.

Mr. and Mrs. Floyd Bradford and son Connelly, have returned from vacationing in Colorado.

Home Wedding unites Mary Alice Grubbs And Herbert A. May

An arch of fern scattered with flowers formed the setting for the marriage of Mary Alice Grubbs to Herbert A. May, son of Deputy Sheriff and Mrs. A. K. May last Thursday evening at 7:30 in the home of the bride's parents, Mr. and Mrs. M. R. Grubbs, 312 West Crockett. Paul E. Rogers, minister of the City Park Church of Christ, officiated at the double ring ceremony. The arch was flanked on either side by baskets of white gladioli and branched candelabra. The bride wore a gold lace dress with pink accessories and carried a white Bible topped with pink roses. For something old, she carried a handkerchief belonging to her grandmother, Mrs. J. A. Summers; the something new was the bridal attire; something borrowed was a gold necklace belonging to Mrs. J. O. Bradshaw and blue garters were the something blue.

Lajuana McAda attended the bride as bridesmaid. Miss McAda wore a grey faille dress with red accessories and a corsage of red roses.

For her daughter's wedding, Mrs. Grubbs chose a grey crepe dress and wore a corsage of white gardenias. The groom's mother wore a peach net dress and white gardenias.

Warren May attended his brother as best man. Reese Grubbs, Jr. was candlelighter.

The bride attended Floydada High school and prior to her marriage, was employed by Dr. G. V. Smith. The groom is an electrician aboard the USS Valley Forge on the West Coast.

Stephens-Beedy Vows Solemnized August 12

The marriage vows of Vida Mae Stephens, daughter of Mr. and Mrs. H. B. Stephens of Plainview and Douglas Beedy, son of Mr. and Mrs. George Beedy of South Plains were solemnized in the home of Rev. and Mrs. R. C. Guest of South Plains on Friday night, August 12.

The bride was lovely in a pink shark skin suit with grey accessories. Her corsage was white carnations. She carried old, something new, something borrowed and something blue. She also wore a penny in her shoe made in the year of her birth and one made in the year of Douglas' birth.

Mrs. Ernest Huckabee was the matron-of-honor. She wore a grey suit with brown accessories, her corsage was pink carnations.

Ernest Huckabee served as best man. For her daughter's wedding, Mrs. Stephens wore a lavender and grey dress with white carnations and black accessories.

The bridegroom's mother, Mrs. Beedy, wore an aqua dress with white and pink roses and black accessories.

Mrs. Beedy graduated with the class of 1949 from Plainview high. Mr. Beedy graduated with the class of 1943 from Floydada high. He was with the merchant marines for two years and is now employed with Southwestern Public Service at Plainview.

After a short wedding trip to Clovis the couple will be at home in Plainview.

Vernon Blackwell, Arlene Beedy, and Ralph McGuire were guests at the wedding.

STITCH AND CHATTER CLUB MEETING WITH MRS. JOHNSON

The Stitch and Chatter club met with Lillie Mae Johnson, August 10. The roll call was answered with "our favorite recipe." Plans were completed for the party, which was to be held August 12 with the members families present.

The hostess, Mrs. Johnson, served cake and ice cream to eight members present.

The next meeting of the club will be August 24, on Wednesday, with Betty Baker.

Fall Out of Summer

To paraphrase the poet: When summer comes, can fall be far behind? Designer Toni Owen has fashioned this dress to be equally comfortable under September starlight or July parasol. The patio skirt is of Juilliard Featheroy (three ounces lighter than corduroy), with side zipper and buttoned waist band. Shepherd Knitwear makes the matching T shirt. The ensemble, chosen by Cosmopolitan magazine's Male-Tested Fashion Jury (Kirk Douglas, Robert Sterling and Louis Jourdan) comes in red, caviar, taupe and gold. Its price—about \$15 for skirt, \$2.25 for shirt—leaves budget room for July juleps or autumn apple cider.

Anniversary Tea For Mrs. Macyl Boteler

Mrs. Macyl Boteler, the former Norma Jean Carpenter, was honored with an anniversary tea, Sunday, August 14, given in the home of Miss Ruth Elaine Harmon, 704 South Wall street. In the receiving line were the honoree, her mother, Mrs. Marion Carpenter her mother-in-law, Mrs. V. H. Boteler, and the hostess, Miss Harmon.

The serving table was laid with a cutwork lace cloth centered with a crystal bowl surrounded by pink zinnia and fern. Pink napkins engraved with the name "Norma" were also used. Other appointments were of crystal. Punch, cookies, mints and nuts were served by Miss Valrie Burke. Many friends and relatives attended the tea.

Mr. and Mrs. Ivo Duckworth, of Fort Worth, spent the week-end in the home of Mrs. Duckworth's sister and husband, Mr. and Mrs. L. Clark. The Duckworth's were accompanied home by her mother, Mrs. J. V. Hamm, who has spent the summer months here in the home of her daughter, Mrs. Clark.

Penicillin Treatment for Mastitis Now a Matter of Seconds

Easy-to-use tube saves time, is hygienic and painless.

NEW BRUNSWICK, N. J.—Introduction of a new penicillin ointment, which comes in a specially designed "easy-to-apply" tube, now enables dairymen to treat Mastitis with penicillin easily, effectively, and at relatively low cost.

Mastitis has been one of the dairymen's worst destroyers of profit, for it is an insidious udder infection which makes milk unsalable and progressively reduces milk production, causing losses each year of millions of dollars to the dairy industry.

It was as long as five years ago, in 1944, when it first discovered that penicillin was effective against *Streptococcus agalactiae*, an organism which was responsible for 80 to 90 per cent of all cases of bovine Mastitis.

In the early days, however, the use of penicillin was restricted by the high cost of the drug and by the complicated procedure of application then obtaining. With the increase in production of penicillin, the price was reduced, but it remained for the veterinary profession and the pharmaceutical industry to perfect a penicillin treatment which would be easy to apply, as well as stable, non-toxic, non-irritating and long-lasting in its curative action.

Working with members of the veterinary profession, scientists at E. R. Squibb Laboratories here were successful in perfecting a penicillin ointment meeting these rigid requirements. It remained, however, to provide a proper dispensing agent, so that the penicillin would get into the infected

quarter of the cow easily, quickly and without pain.

Clinical tests of the ointment in tubes showed that no tube then on the market was of the proper dimensions. Veterinarians envisioned a tube with a long, tapered, smooth nozzle which would be snug-fitting when inserted in the teat opening. Moreover, it must be small enough in diameter to go into the teat opening easily and without injury to the quarter.

Such a tube was finally designed by the Veterinary Division of E. R. Squibb and Sons Tube manufacturers first thought it impossible to make, but this specially-designed tube is now in mass production and is being used by several manufacturers of penicillin.

The thoroughness with which penicillin ointment acts is largely due to the dispersing agent—petrolatum. After injection into an infected quarter, the ointment floats on the milk and is dispersed throughout the udder. The penicillin is released slowly from the ointment, prolonging effective action for as long as 72 hours after treatment.

"Instant-use" tubes of penicillin are available in most stores where drugs are sold. Injection is simple; the dairyman has only to insert the nozzle in the cow's teat opening and squeeze the tube. Treatment is only a matter of seconds. This revolutionary method of treating Mastitis is saving millions of gallons of milk otherwise lost, and saving thousands of valuable cows from slaughter.

District Soil Men To Meet Wednesday

Wednesday, August 24, at 10 a. m. there will be a meeting in the county court room of the court house at Floydada, of seventeen Soil Conservation districts from this immediate area.

The purpose of this meeting is to discuss the recent \$5 million appropriation for the use of the one hundred and sixty soil conservation districts in Texas.

C. Marshall, executive director of the State Soil Conservation Service will be here to explain what the district can do with the funds which will be available to them.

All interested farmers, ranchers and business men are invited to at-

tend, said R. G. Dunlap, chairman of the Floyd County board. The money will be used in assisting landowners in applying conservation practices.

Around fifty soil conservation district supervisors are expected to attend this meeting.

TO STUDY AT GALVESTON

LOCKNEY—Joe Norman, son of Mr. and Mrs. Earl Norman of Lockney, will enter the University of Texas medical school at Galveston on September 13 for four years of study leading to a doctor of medicine degree.

Joe is one of the few pre-medical students of the state who has been accepted for the medical school.

Mr. and Mrs. Carl Nelson and Shirley Ann and son Troy Lee and Mr. and Mrs. Merle Mercer, and Mrs. Lee Burgett spent last week at Carlsbad, New Mexico with Mrs. L. J. Burgett who is in the hospital there, and they also visited other relatives. Mr. and Mrs. Mercer returned to their home in Skellytown yesterday.

Statement Has the New Look

LOCKNEY—Customers of the First National Bank of Lockney were greeted by a monthly statement with a "new look" the first of this month. The bank's new statement is a much better looking, more efficient type and cleaner looking statement than the old statement. The reason for this, according to M. W. Wylie, president, is that the new statement is an original, not a duplicate as the old one was.

The bank's system now calls for posting the ledger and statement separately, Mr. Wylie said.

Adds to Capital Structure
Another mark of progress in the local bank is the recent addition to the capital structure. The surplus has been increased from \$26,000.00 to \$35,000.00, Mr. Wylie said.

Mt. Blanco News

Mr. and Mrs. Luther Norvell and son of Hereford visited relatives in the community over the week-end. John Taylor accompanied them home for a visit.

Sunday afternoon visitors of Mr. and Mrs. W. A. Latta were Victor Green of Plainview and Misses Lotta and Lizzie Latta and Mr. Mack Latta.

ANOTHER IRON LUNG

LOCKNEY—A portable lung is now available to the people of this area as a result of efforts of the Lockney Volunteer Fire department. The department has had a campaign on the past three weeks to raise money to buy the lung. The past week-end their fund for this purpose reached a total of \$811 and the department bought the lung although its cost totaled \$1192. The rest will be paid through continued voluntary contributions, Chief W. C. (Cap) Carthel said.

MRS. AARON SHAW ILL
Mrs. Aaron Shaw, former resident and teacher of Lockney is in the Plainview hospital where she is suffering from a heart attack and severe attack of arthritis. It was reported. Rev. and Mrs. Shaw have been living in Happy for several years where he is pastor of the Baptist church.

Mrs. Shaw was expecting to be able to leave the hospital in a few days.

SCHOOL ELECTION AUGUST 20 IN QUITAQUE DISTRICT

QUITAQUE—An election is slated for Quitaque Independent School district to be held at the high school building Saturday, August 20.

The recent enlargement of the district by consolidation of the Kent, Gasoline and Edgin districts makes the election necessary. These districts in previous years sent students to Quitaque schools by contract, but they are now included in the Quitaque Independent School district and have a voice in setting tax rates, etc.

District 45 Registration of July Boys

Several Floyd and Motley county boys born in July 1931 were required by the Selective Service Act to register last month with Board number 45 upon attaining the age of 18.

The Board reminds that the Selective Service Act of 1948 is still in effect and every man reaching the age of 18 must register for Selective Service on his birthday or five days thereafter.

Eighteen year olds from Floydada who registered in July were Berry Tom Martin, route 1, Tom Bob Jarboe, route 3, William Glenn Lathem Box 24, Charles Wilmer Taylor, 314 E. Lee street and Don Keith Hill, route 5.

Lockney registrants were Edward Arlie Coker, route F, Edwin Dent Langford, Box 444 and Harold Neil Hall, Box 186.

Registering from Motley county were Billie Ray Thompson, Box 641, Matador, Carl Wayne Holcomb, route 1, Roaring Springs, Eddie Gene Barley, Gen. Del. Northfield, Edward Glynn Rattan, Whitefield and William Curtis Graham, Box 746, Matador.

West Mississippi St. Paving Being Done

Paving on west Mississippi street from Main to Second, is being done this week, and George Sherrill, one of the prime movers in getting the work contracted, said there were no gaps, with all property owners participating in the four blocks.

Money for the work is in escrow subject to approval by the city authorities of the work. Sherrill said that owners of the property who will be wanting private driveways improved, should make their own contracts with the contractors.

Cooper & Woodruff are doing the street paving while they are carrying on highway contracts to Center-Fairview, and Cedar.

McKennon Stage Shows Next Week

The McKennon Stage Show will present "Toby's Own Show" beginning Thursday, August 25, and continuing three days.

The show will feature all new plays, which have been written especially for the show, and vaudeville acts. Vaudeville headlines for the show are Ray Mathis, the cowboy troubadour, Jeannie Layne, dancing at it's best, and The Lester, a sensational comedy.

The tent show is carrying tons of scenery and lighting effects, in fact more than it has carried for years.

Appearing nightly with the Stardust Ranch Boys, will be Dade and Jerrie, two of radio's bright stars. Also appearing are Little Ginger, Gilbert Taylor, Leigh Cross and others, to make this show an enjoyable one.

Plenty of music, mirth and melody for everybody is advertised.

Tall Cotton Grows Where He's Been

Tate Jones, just home this week from Louisiana, visited the country where the tallest cotton grows. He brought back a sample of stalk which measured more than six feet tall, and left it at the Hesperian office.

Jones had been to see his land-lord, Bob Lucius, who has owned West Texas Floyd county land, for so long the memory of man runneth not to the contrary. Jones thinks his land lord is a fine man and he thinks The Hesperian ought to tell somewhat of how high Lucius can grow cotton when he bears down.

Mr. Lucius lives at Meany, Louisiana, near Shreveport. He knows where the big catfish are and takes off to make you glad you came to see him when you go down that way.

Mr. and Mrs. J. A. Hartsell have left for Bridgeport, where they will attend the family re-union of the Giles family this week-end.
