## REA MEMBERS SPEND MILLION FOR FARM, HOME APPLIANCES

How many electric appliances are there in the average home and how many more should there be? This question was answered by a survey of 100 such appliances, would they be used? Thirty? Fifty? Seventy? Ninety? One hundred?

Survey Tells the Story A part of the story of the development of electric energy uses in the county area served by the Floyd County REA shows that people are really "going to town." An appliance survey conducted recently out of the Floydada office of this organization has been completed by Mrs. Harry Morckel, public relations director. This was the first survey of its kind in the county. Answers came in quickly from more than a third of the members and by mid-December 879 of them had made answers, approximately one-half.

Many different kinds of appliances were reported as being used. The list showed that more than \$1000 had been spent for these appliances. With these figures before one it can be stated without exaggeration that well over \$1,000,000 worth of appliances have been bought and are now in use in these homes or on these farms in Floyd, Hale, Briscoe, Dickson and Crosby counties.

There is the astounding story of uses to which people on these farms are putting electric energy. As much as the money \$79 of 1688 farm and home owners report they have spent:

85 radios, 881 irons, 541 refrigerators, 486 vacuum cleaners, 452 washing machines, 297 toasters, 232 power pumps, 209 air conditioners, 204 kitchen mixers, 195 home freezers, 147 clocks, 121 coffee makers, 110 brooders, 100 sewing machines, 90 hot plates, 80 fans, 75 waffle irons, 65 hand drills, 58 irons, 49 separators, 48 hot water heaters, 41 ranges, 37 welders, 34 milkers.

Roasters were 25th on the list with 29 reported. Other appliances reported were: paint guns, bench saws, churns, motors, fence chargers, hedge trimmers, milk coolers, air compressors, vulcanizers, electric gasoline pumps, neon signs, emory stones, battery chargers, electric razors, dish washers, heaters, grain loaders, pasteurizers, ice cream freezers, grinders, lathes, soldering irons, corn poppers, an incubator, waxers and polishers, skillets, heating pads, vaporizers, broilers, telephones, lawn mowers, sandwich grills, time clocks, concrete mixers, sander-buffers, (for car), tool grinders.

Fly traps, sanders, hay loaders, jig saws, vibrotrol, joiner, dryers, electric blankets, seed cleaners, drill presses, rip saws, door chimes, skill saws, electric comforts, feed mixers, motor tables, shop tools, record players, vibrators, wall milk coolers, milk boxes, grind stones, hair clippers, heaters for poultry, fountains, lights for poultry, electric hobby train, tubular cooler, photo enlarger, aerator, electric thermostat for gas stoves, pop boxes, and sanitizers.

Ray Dickey Co. to Sing C-C Meeting Interest in the plans for the annual banquet of Floydada Chamber of Commerce on February 16 took added weight this week with announcement that a quartette of male singers with J. Ray Dickey, one of the members will sing for the who attend.

## Scare Closes Public Schools Bans Meetings

Acting to put a quick end to the threat of an epidemic of scarlet fever last week-end local authorities at Lockney had clamped down regulations banning all public meetings for this week in the city and closing the public schools for the same period.

Three cases of scarlet fever were reported by Dr. R. R. Foster, city health officer, which are under treatment. The three children are members of the grade school student body, and the authorities are acting on the assumption that most every child in the school was exposed to the disease before it was discovered.

As a result of the decision of city, school and health authorities putting a temporary ban on all types of meetings, the various civic, church and social organizations, are having to re-do their calendars of events. In the school all athletic activities, games, as well as classes, slated for the week, were cancelled.

Yesterday the plans were for the schools to re-open again on Monday unless reason is found to continue the enforced vacation.

Mayor G. M. Brunner said that the council and mayor are "trying to keep from getting an epidemic started", and it was upon the advice of Dr. Foster that the school board decided on the closing of the schools. Incubation period for scarlet fever germs is said to be one week.

C. T. Warren Very Ill; Heart Ailment Reported as a quite ill man this mid-week is C. T. Warren, veteran farmer and real estate dealer, who has a coronary affection and is a patient at Peoples hospital since Sunday.

Yesterday evening he was to have heart tests which are expected to determine the extent of the injuries to his circulatory system. It was stated at the hospital.

Meanwhile, suffering no pain, fever, nausea or other ordinary indication of illness, Mr. Warren is quite restive and wants to get out and about, as reported at the hospital. Conarwise, they declare he needs some weeks of absolute rest.

Morckel Lays Foundation For Chemical Plant Harry Morckel, of the Morckel Farm Chemical company, last week laid the foundation for a new Quonset-type office, store room and warehouse on east Houston street, adjacent to the main line of the Quana, Acme & Pacific Railway company. The building will face south on Houston. Additional lots for expansion will be used if needed.

The new quarters will provide room for greater storage capacity, for which the company's fast-growing volume makes strong demand.

"We are not badly situated at this time on West Missouri but we need more room and there isn't room for expansion where we are", said Mr. Morckel. He expects to be ready to turn the building he occupies at 116 West Missouri street back to the owners, Terrell Motor company, by the expiration of his lease date on May 1.

Morckel's company is featuring a chemical service for farms of the area, major items being fertilizers for various types of irrigated crops. Several carloads of these chemicals due to reach the store during the next few weeks accentuate the need for more storage room quickly, Mr. Morckel said. Other chemicals for use of the farmer which Mr. Morckel is featuring include weed killers and insecticides.

# Vets' Insurance Dividend Checks Trickle Into Banks

Biggest amount of any dividend check cashed at the bank here to date has been \$396. The windfall has the most of the boys who have not received theirs looking for the mail to arrive. How much is it going to be, how much "deduct" if any.

Service Officer D. G. Ayres this week is releasing a statement from the Veterans administration, relative to deductions which may be made by the government for alleged over-payments. The federal agencies are claiming several million dollars have been paid to various veterans for various purposes, which were over-payments. Although the government cannot sue the veteran, according to one authority, they can make the deduction for an "over-payment" and put the burden of proof on the vet. His experience is that he is not going to win, so he gives his okay and goes along, hoping for a break further down the line. So say vets with whom The Hesperian has been in contact. Many of these "deduct" cases are unhappy. They say they "signed" when they should not have. The "papers" are against them. Right or wrong the GI may be here is what the statement of the VA regional office says:

Veterans who receive National Service Life insurance dividend checks from which previous over-payments by the veterans administration have been deducted, were advised by Robert W. Sisson, manager of the Lubbock regional office of the Veterans administration, that the finance division of the regional office in whose jurisdiction the veteran's account is maintained, would refund any overdue deduction.

In a few cases, cash payments made by the veteran and deductions previously made by the VA, plus the amount deducted from the dividend, exceed the indebtedness of the veteran to the government.

"The refund of these overdeductions will be made automatically as soon as advice regarding the amounts deducted from each such individual dividend check is received by the Lubbock Regional office from Washington, D. C. In view of the necessity for full information being supplied to the regional office by Washington, veterans are urged not to contact the local VA office, since the accounts will be adjusted automatically as soon as the information is received," Mr. Sisson stated.

First Reports on Polio Drive Encouraging First reports on the progress of the fund drive for Floyd County chapter for Infantile Paralysis, received by Jake B. Watson, county chairman, this week, are encouraging.

Blanco, where Mrs. W. F. Daniel, is chairman, and Cedar, where Roscoe Lackey is chairman, both turned in reports last week-end. The Blanco list indicates the campaign had been practically completed there.

Watson this week repeated his plea for generous and ample backing for the polio chapter, which has been hard-pressed by the heavy demand of the past year. Polio incidence in the county the past year was so high as to make an acute emergency. County funds from last year's drive and from special campaign in the fall have been exhausted.

Every district in the county is due to have an opportunity to subscribe to the fund, half of which remains in local treasury and half to the national foundation. However, should there be any who want to subscribe to the fund but who are not seen by a solicitor, Watson said that Assistant Cashier C. H. Wise at the First National bank will receive and receipt for any funds left for the polio fund.

## FLOYD RADIO STATION

A radio station for Floydada is in the immediate offing, say the reports as of yesterday which were probably several weeks time will be consumed in hearings before a permit will be issued for a station in Floydada with a frequency of 900 kilocycles, Ed Holmes said late yesterday. This week permit for a station at Tulia with the same frequency has been requested of the Federal Communications commission, he said.

Probably several weeks time will be consumed in hearings before a permit will be issued for a station in Floydada with a frequency of 900 kilocycles, Ed Holmes said late yesterday. This week permit for a station at Tulia with the same frequency has been requested of the Federal Communications commission, he said.

Marshall Formby, the McAdoo boy turned senator and later newspaper man and radio station operator, as saying.

Formby, who returned from the wars in India, to take up newspapering at Plainview went into radio and was interested in the establishment of the station at Her-

ford, Texas, recently. More recently he has been interested at Snyder and is active in station KSNY there, along with parties from Brownwood.

The Floydada station, if it gets the approval of the Federal Communications commission, will be KLPW. It will bear the code name of a station granted to Ed Holmes, Robin Baker and Byron Robertson, at Plainview, to operate on a band at 1570 kilocycles out of that point. If the change gets the approval of the commission it will go on the air at 900 kilocycles here.

The petition is signed by West Texas Broadcasters Incorporated, Formby, now of Snyder, is indicated as vice-president, Ed Holmes of Floydada is indicated as president, and Byron Robertson secretary.

Luron Brown, Plainview newspaper man, who contacted Formby Wednesday, said that Robin Baker, indicated as one of the original evening.

The Junior banquet and program will be Saturday night. Some of the juniors from this county who will take part on this program are Wayne Robertson, Mariene Raley, Fatsy Day, Gene Porter, Peggy Latham, Travis Hampton, Naomi and Frances Allen, Dorothy and Buena Holmes, and Bruce Hinkson.

## Aaron Carthel Has Expansion Job Under Way

Steps to remedy the crowded conditions were started last week by Carthel, who recently acquired a two-acre site adjacent to Highway 70 meandering off of Second street in Northwest Floydada. There work has been begun on a lay-out which will accommodate the wholesale office and the oil warehouse for Phillips products as well as the freight warehouse and grounds for truck and delivery vehicle storage.

Another Floydada business which is seeking room for expansion is that of the Aaron Carthel organization, which operates Phillips wholesale distribution in this area as well as the Curry Motor Freight lines local agency.

**Poll Tax Talk.**—It has been going through our reflections (and we've been reminded also, we should say) there may be a good many people in Floyd county who think they have paid their poll taxes and anticipate voting, who as a matter of fact have paid their usual tax bill but did not add their poll receipts as well. If you are one of these who have paid your taxes and assume you have paid your poll tax, too, go look at your receipts now — before January 31 — and see if actually you have. January 31 is next Tuesday. You might look silly going over to vote in the primary next July and the manager of the election have to refuse you a ballot until you proved up — and then you couldn't prove up!

Beautiful, balmy west Texas, land of winter sunshine, scene of beautiful days, entrancing nights. If you live in California or East Texas or Michigan — why? Trains and buses and wonderful highways lead to Floyd county and many other high plains communities.

Reports current are that considerable business building is in the offing for Floydada as soon as the weather clears up. And this report reminds us that the patience — downright fortitude in fact — of the Floydada school board is to be rewarded this spring and summer with added facilities including a physical education building that will be the pride of the community. For 20 years, possibly even more, Floydada school authorities have had to defend the district against criticism of the State School board that facilities have not been adequate here for a fully rounded educational program, and the criticizing authority has had his finger pointing at this lack practically every time the pointed conversation came up. The school boards, successively, haven't done anything about it because they couldn't raise the money nor justify the expense with other more pressing demands knocking at the door.

The hair on the trantula's back, the thickness of the cattle's hide, the way the bark lies on the young mesquites, make us think there is not to be any severe winter even in February and March in this part of the world. Confirmation is found in the fact that todate the heavy artillery of the Arctic has been turned back several hundred miles away by the combined winds from the southwest and the gulf's breezes which blow soft in the winter time but exceedingly constant. However, we urge our friends to be ready for any turn of events. Could be that this turn of the year — in February is when the change comes in this part of the world — will see the

winds howl down from the north and catch unsuspecting nature in the raw as it were. And along with it the men who live and have their being on the high plains, rearing their families here and hoping they'll get by on light feed for their cattle. The signs say no wintry weather, much, and no moisture until away up in the spring. But the signs in this country can go wrong. Even the mesquites have been fooled twice in the past 70 years here. That's a fact.

**Signs of the times.**—We have no basis in fact for doubting the statement of the county savings bond chairman or the federal reserve bank that Floyd county people invested a quarter of a million dollars in Savings bonds during the year of 1949. But we doubt the statement so strongly that we would be surprised by seeing a list showing who did it. To us the signs of the times point to the probability that people, instead of investing in government bonds, have been trying to imitate what appears to be the higher intellects in putting their money into something that makes a lot more interest. The government may not think so, but to the man with only a few hundred dollars a \$75.00 investment that returns only \$25 or so in 10 years is a pretty poor paying thing to put money into. Such people are not used to money and its ways. They are used to seeing people that are in the money make their investments jump from little of nothing to a lot in 10 years, and \$25 is not a lot on \$75. That is the reason the time of fever for the gambling chance is here, or almost here. When it gets in big sway is the time to begin to wait for bargains. Already you see the signs. At least, we see the signs.

We have had occasion to mention the human frailty or foible or cussedness, of giving the aggregate legal fraternity an absentee blistering when in the course of conversations lawyers come up for a part in the talk. The individual who has the lead in the gossip must always have a reservation in mind, however, because the minute he hits tough going in connection with his relations to business or society he hoists sail and hunts him the certain lawyer he had in mind all the time as being the exception. The Hesperian has had some fun kidding the lawyers about their union dues and how you can't practice unless you have a "card," and are in good standing in the office of the "secretary." However, when we need a lawyer we want him to be in a good humor and ready willingly to listen to our woes.

The best measure of a man's mentality is the importance of things he will argue about.

# Worth Fat Stock Show To Open Friday

FORT WORTH, Jan.—It's stock time in Fort Worth! Beginning with the colorful, traditional Western parade on Friday afternoon and the opening performance of the rodeo that night with Allan Shivers present, the southwestern Exposition and Fat Stock Show will be in progress through Sunday, Feb. 5.

There will be rodeo performances at 2 p. m. and 8 p. m. daily; and a free attraction -- the Southern Square Dance Championship Contest, open to teams from anywhere, no entry fee, \$1,000 in prize money, each afternoon at 4:30. Another free attraction will be the Texas Art Show, presenting

the paintings of leading artists. Fifty-three cities -- the greatest number in the show's history -- will have special "days," bringing their bands and Cowgirl Sweethearts. Future Farmer and Future Homemaker Day is Saturday, Jan. 28; Oklahoma Day, Sunday, Jan. 29; 4-H Club Day, Monday, Jan. 30; Veterans and American Legion Day, Wednesday, Feb. 1.

The rodeo, besides presenting the greatest cowboy contestants and the wildest of stock, will offer the greatest horse show the Southwest has ever seen and six spectacular specialty acts.

Entries of cattle, sheep, swine, poultry, turkeys and rabbits are the heaviest the Show has ever known and cash awards offered are the largest in the exposition's 54 years.

**FOUNDATIONS OF PEACE**

If there is righteousness in the heart, there will be beauty in the character.

If there be beauty in the character, there will be harmony in the home.

If there be harmony in the home, there will be order in the nation.

If there is order in the nation, there will be peace in the world.

—Chinese proverb

The Chicago Board of Trade was organized by 82 members in 1848 to trade in grains, flour, and pork products. Now beginning its second century, the board is the largest grain exchange in the world with 1,422 members who deal in wheat, corn, oats, barley, soy beans, lard, and rye. Some trading is also conducted in cotton and securities.

June Powell, who is attending college at WTSC, Canyon, spent the week-end with her parents, Mr. and Mrs. S. L. Powell.

## An Entertainment For March of Dimes

An entertainment, sponsored by Miladies club, will be given at Campbell school house Friday night, January 27, at 7 o'clock. It was announced this week.

Games will be played and a "blind auction sale" will be held. The proceeds will go to the March of Dimes.

The public is invited to attend and everyone is asked to bring a wrapped package which will be sold to the highest bidder. Let's all attend and do our bit for the March of Dimes, the sponsoring club urges.

## Special Messages On the Millenium

The public is invited to the services to be held at the Fundamental Baptist church at 7:30 o'clock tonight and again Friday night (January 26 and 27).

Ben D. Johnson, of Lubbock, will bring special messages on the millennial reign of Christ on earth.

J. E. Young, pastor.

## Mt. Blanco News

MT. BLANCO, Jan. 23—The Sunday school and church attendance was smaller Sunday than for some time, due to so many in the community being ill. We hope everyone soon will be well, and able to be out again.

Mrs. Wayne Appling spent the week-end in the Crosbyton clinic hospital for medical care.

Mrs. Delmer Fergus returned to her home this week-end from Mineral Wells, where she has been under treatment for several weeks.

Sunday dinner guests of Mr. and Mrs. M. J. Mosley were Mr. and Mrs. Wesley Hay and sons of Lockney, and Mr. and Mrs. Homer Newberry and daughters of Lakeview.

Mr. and Mrs. Rudolph McCurdy left Monday for Fort Worth to be with Mr. McCurdy's mother. She was to undergo major surgery in that city Tuesday.

Sunday dinner guests of Mr. and Mrs. Dennis Taylor and sons were Mr. and Mrs. C. A. McClure, Mr. and Mrs. Weldon McClure, Jerry and Margaret, and Mr. and Mrs. Brice Allen and girls.

Mr. and Mrs. Brice Allen visited in Lockney Sunday night with Mr. and Mrs. J. B. Allen.

Mr. and Mrs. Dennis Taylor and children were Friday night visitors in the Tilford Taylor home in Floydada.

Mrs. Verna McSwain, of Ralls, visited Mrs. W. A. Latta Friday afternoon.

Billy Wayne Jones, of Crosbyton, was Sunday night supper guest of Jerry McClure.

Mr. and Mrs. C. A. McClure visited in Memphis Thursday and Friday with Mr. and Mrs. Robert Moss and sons.

L. H. HUBBARD

Retiring President of TSCW, L. H. Hubbard, 68, holds a record of longevity among Texas college presidents now in office. He has served as president of Texas State College for Women for twenty-four years, coming to the college in 1926. His resignation will become effective September 1, 1950.

Mrs. R. D. Armstrong visited Mrs. Walter Crawford in Crosbyton Wednesday afternoon.

Mr. and Mrs. Weldon McClure were Plainview visitors last Tuesday.

Mr. and Mrs. C. E. Lamb, of Lubbock, spent Sunday with Mr. and Mrs. Jim Robinson.

Mrs. Mary Kirk is very proud of her grandson, Billy Clay Campbell of Ralls. Billy was exempt in all his studies in school, so came over to spend a few days with his grandmother.

Mr. and Mrs. Weldon McClure and Margaret visited Mr. and Mrs. Brice Allen and daughters Friday night.

Mr. and Mrs. J. H. McClure visited Mr. and Mrs. C. A. McClure Saturday night.

Mr. and Mrs. Brice Allen went to Norman, Oklahoma, Tuesday to get a brother of Brice, Bill Allen, who is finishing the semester at college there.

Mrs. Hattie Cash, Mrs. C. L. Allmon and Bill Allmon, of Petersburg, returned last week from Mena, Arkansas, where they visited Billy Allmon, who has been very ill. He is much improved at this writing. On their way home they visited in Gilmer, Texas, with Mrs. Allmon's sister, Mrs. David Shelton and Mr. Shelton.

## Candid Camera

Well, Kiddies, the camera film keeps on a-rolling, and to us fortunate ones the photographic camera brings this week the close-up of a little miss whose eyes are green, whose hair is brown, who measures 5 ft. 5 in. in height and whose weight is approximately 110 pounds. She enlivened the small city of Texas, New Mexico, when she came bounding (like a Mexico jumping bean) into this world on an April day, 1934. The miss was christened Ruth, and proud parents were Mr. & Mrs. Pay Maxey. Ruth's secret desire is to drink a glass of champagne and her biggest ambition is to learn to play the

organ and become a nurse. She says she day dreams too much but maybe a handsome guy 6 ft. tall, with dark hair, brown eyes, long curly black eyelashes, who possesses a friendly personality, is talkative, understanding, considerate, and co-operative, has a pretty car and lots of money is the cause of her day dreaming. (Who wouldn't dream?) Ruth loves anything chocolate, high heels, long straight skirts, earrings, Peggy Lanham, summer, Revlon lipstick, her bedroom, and the other is strapless evening gowns. And on the other hand she detests spinach, dogs, inconsiderate people, algebra II, muddy weather, and full skirts.

Her biggest weakness is pretty clothes and her color choice is brown and yellow.

When she was elected Junior favorite was Ruth's most thrilling moment.

She finds roller skating, swimming, and playing volley ball a great pleasure; and if she had an extra hour each day, she'd just read, sew, and practice the piano.

"Someday" rates as Ruth's favorite song. She enjoys biology more

than any other subject and Mr. Foster is her favorite teacher. The best movie she's seen is "Red River" and her favorites for stars are Robert Mitchum and June Allyson.

Ruth's perfect day would begin around 8 o'clock with breakfast consisting of hot cakes, bacon, orange juice, and cocoa served to her in bed. For awhile she's just stay in bed and read a good western novel. Before dinner she'd go ice skating. She and her sister, Mary, would eat fish with all the trimmings for lunch at a nice restaurant. The rest of the evening they'd spend window shopping and buying themselves a new wardrobe. Around 7:30 Ruth's ideal boy would pick her up and take her to a big square dance. They would dance until 11:00 and then stop at a drive in to eat tortillas. She'd come home around midnight, hop in bed, and finish her western novel.

May you, Ruth, a grand girl, find success and happiness in all you attempt to do.

## Style of the Week

Everyone seems to enjoy the basketball games we are having. Believe me! "Will we win or will we lose?" is a serious question! How exciting they've been!

Who are these good looking boys who wear green and white football jackets? Are they from F. H. S.? But wait a minute, I saw a girl with one on the other day. Have we started girls' football?

## DE QUACKER

After a nice little tournament in Tullia and everyone going up there now and then, everything is still the same in F. H. S. again. All the gossip is just rollen in my head so here goes.

Lloyd Edgar and Eva are sure getting along fine in the hall. Could this be a new romance???

Who is the boy that Velma has a crush on? Tell us more. Is he out of school? Or is he going to Wayland? Who were the boys in the red shirts at your house last Sunday??

It seems as though Weldon Hargis is making good headway in F. H. S. Armita Berry is so crazy over him she can hardly live. But let's hope that she does.

If I hear right these days, a certain girl sure would like to go with Bud Shipman. Come on, Bud, give the girls a chance? ???

Why was Lee so happy Wednesday evening—who did she receive a letter from to make her so happy???

Couldn't have been James C. M.?? Darlynn Warren and Carrol Handley sure seem to enjoy the 6th period. Could this be a new romance?? Puppy love no doubt.

Elmo Fortenberry and Cynthia Whitfill sure seemed to be doing good the other day in the 7th period study hall!!! What about this?

Leroy P. and Nita Huckabee of Lockney seemed to be doing pretty

## Whirlwinds Lose Tullia Tournament

The F. H. S. quintet won their first game of the Tullia tournament from Hart 25-24, held Friday and Saturday last week. The Hart boys held a first quarter lead of 13-6, but then the "Winds came back and the half ended with F. H. S. on top 16-13 and the game ended 25-24. The Whirlwinds were paced by forward Bob Finley with 9 points and guard Jerry Thomas second with 7 points. Finley was also high scorer with his nine. Defensive standouts were Guthrie, Perry, and Trice, who gained possession of the ball more than once.

Wayside 48, Floydada 36 The Hart game put the Whirlwinds further into the tournament, this time going up against Wayside, a very strong defensive team in the class "B" bracket. The team from Wayside held the lead all during the game, staying in the lead by about six points all the way.

It looked as if the Whirlwinds just couldn't get started; Finley was again high man with 15 scores.

"Finley Does It Again" Bob Finley, highly talented, sharp shooting forward for the Floydada Whirlwinds, did it again. What?—Why made the all-tournament team at Tullia; a feat which he has accomplished three times this season, and the Whirlwinds have been in only three tournaments. Finley made less points in his two games against Hart and Wayside than usual but performed superbly in defense.

## Home Makers Meet

The F. H. A. Club had a meeting in the Ag. room Thursday night, January 19, at 7 o'clock.

Susie Dunford gave a short talk on "The Kind of Home I Want to Have". Next a round table discussion was held about the home, which included the problems in financing the home and the value of family council.

January 3 the girls will have another meeting, and the guest will be Mrs. Carr, the nurse of the Floydada schools. She will give some talks on Improving Personal Health.

good the other day. Who was the other Lockney girl you were talking to???

Margie Herring and James Langley were sure having a good time the other night—from what I heard Margie say, the other day, wedding bells are beginning to ring.

My goodness, Lee Hutchinson was simply thrilled to death when Mrs. Jones seated her by Frank Capshaw. Frank, you'd better take special notice to this.

Mary Young and Don had a good time Tuesday at 6th period. Are you two special characters???

It seems that Gayle C. and a certain New Mexico boy had quite a time Thursday night. What about this Gayle??

Johnny Lloyd seems to be doing O. K. This makes twice he has gone steady with June Ware.

Who was the handsome boy that was with Tommy Hart and Armita Berry at the show the other night. It's a wonder what curly hair and red Mercury's will do to girls these days. I hear that his name is Bud, S.

Here is a little old tacky note that was found from Carolyn Kiker to Anita Tooley in the typing room:

Looks like that I'm not doing so good with Don Probasco; I can't seem to ever be in typing class when he is. I guess I had better get some one else for a while.

Peggy and Fred seem to be doing just fine and dandy these days. I like to see couples like them, don't you???

I bet Sherwyn is really happy. It seems as though Earl just got left out when Earl came home. Earl, did I see you with Bettye Sunday night?

Clara what have you been doing since Kenneth has been in the hospital?? Have you been being a good little gal?

Jane, have you given up or did you just lose out? Didn't I see Leroy with Doris Saturday night?? Don't let him do you that way, it's not good for your blood pressure.

Say, Bettye, who was that boy from Ralls that you were so interested in in Tullia the other day???

Could his name be Nolan?? Grace, I never know what to say about you. One week-end you are with Arlen and the next with Barry. You had better let me know so I won't print anything wrong.

Mary Alice, Did you make it on your date in time the other night? I heard that David was waiting at your house when you got back from Tullia, was he angry with you??

# Notice of Change In Billing Procedure

To keep pace with the rapid growth of the area, West Texas Gas Company has installed the newest, modern IBM (International Business Machines) accounting and billing machines. Shown above is a sample of the future gas service bills.

The installation of this system has made it necessary to change the mailing date of many gas service bills. The mailing date of your bill may be one of those changed. You may receive your gas service bill either earlier or later than usual.

This in no way affects the amount you pay. The due date on the bill is ten days from the date rendered.

We will appreciate your cooperation in making this change possible.

## Miss McNeely, Bride-Elect, Complimented With Bridal Shower

A bridal shower honoring Miss Ethel McNeely, bride elect of Zeb Lee, was given in the home of Mrs. James Anderson on the evening of Friday, January 20 at 7 o'clock.

Arrangements of pink carnations, that made the home a beautiful setting for the occasion, impressed the guests.

Guests were met at the door by Misses Virginia Dunn and Christene Jones and registered in the bride's book by Mrs. Carl Jarrett. The serving table was laid with a lovely lace cloth. Spiced tea was served by Miss Wilma Hamilton assisted by Mrs. Kenneth Tate from an antique silver service set. White candles, crystal and a center piece of pink carnations added to the decorations. San tarts and mints of white, pink and green completed the refreshments and carried out the bride's chosen color scheme. Plate favors were silver tinsel wedding bells announcing the approaching wedding.

A corsage of pink carnations was presented to Miss McNeely, and Mrs. McNeely was given a white carnation corsage. A toast to the bride was given by Mrs. S. W. Ross followed by presentation of many beautiful and useful gifts.

Miss McNeely is the daughter of Mr. and Mrs. W. O. McNeely. She and bridegroom, Zeb Lee, will exchange vows in the First Baptist church Sunday, February 12.

Hostesses for the shower were Mrs. J. W. Reue, James Anderson, A. D. Pultz, Gene Blackmon, Lewis Blum, Kenneth Tate, Carl Jarrett, J. G. Pruitt, Lon Smith, Jess Patterson, Dillon Patterson, Maud Morris, S. W. ## December-Wed Pair Living at Starkey

Mr. and Mrs. Tommy Ray Assiter are at home south of Floydada, in the Starkey community, following their December wedding which was performed Christmas night in Portales, New Mexico, by Rev. L. A. Doyle.

Mrs. Assiter is the former Joy Keeter, daughter of Mr. and Mrs. C. S. Keeter, of Lockney. Mr. Assiter is the son of Mrs. Annie Assiter, Floydada.

For her wedding, Mrs. Assiter chose a maroon gabardine suit with gray accessories and an orchid corsage.

The couple's attendants at the wedding were Mrs. Charles Simpson, Lockney, and Billy Joe George, Portales, New Mexico, a cousin of the groom.

The bride graduated from Lockney High school with the class of 1949. Following graduation she entered nurse's training at the Floyd County Co-operative hospital in Lockney.

The groom graduated from Floydada High school with the class of 1947 and has been farming in the Starkey community since that time.

The United States exported more wheat during the 1948 crop season than any other nation shipped in a similar period in history.

## Betrothal Announced

LOCKNEY.—The engagement and approaching marriage of their daughter, Gleyann Earle, has been announced by Mr. and Mrs. Earl Norman. Her fiancé is Sterling K. Cummings, son of Mr. and Mrs. Z. C. Cummings, also of Lockney. The wedding will be sometime in February.

## Lakeview News

LAKEVIEW, January 24.—The W. M. U. met Monday afternoon at 2:30 at the church with the president Mrs. Frank Polasek in charge. Six women were present and an interesting discussion of the Book of Judges was given.

Mrs. M. D. Thornton, who is in charge of the school lunchroom program, the teachers and pupils, were delighted Monday at noon when they found the walls and ceiling of the lunchroom had been treated with a fresh coat of paint on the previous Saturday. It gives the room a shade which is restful to the eyes. This is a gift from the Lakeview H. D. club and we who spend twenty minutes in there five days a week say to this enterprising club, "A thank you."

Several men expressed their disappointment Sunday night at church when informed the Brotherhood meeting which was scheduled to meet in the First Baptist church at

Lockney Monday evening, January 23 had been postponed because of sickness prevalent in that community.

Mr. and Mrs. Olin Wallace and children, and Mr. and Mrs. L. C. Jones and children, all of Crosbyton were visitors Sunday in the home of Mr. and Mrs. R. H. Marlar and family.

Visitors in the H. J. Nelson home over the week-end were Mr. and Mrs. Joe Hilgenberg of Mattoon, Illinois and Mr. and Mrs. P. M. Smith.

Mr. and Mrs. E. H. Tooley had a guests in their home Sunday afternoon Mr. and Mrs. Walter Hollman and children of Sand Hill and Mr. and Mrs. Joe Thurston and children the daughter, Imogene, spent Monday night in the home of the son, Mr. and Mrs. James Jones of Panhandle, returning home Tuesday afternoon.

Mr. and Mrs. L. W. Johnson and children attended church in Lorenza Sunday. In the afternoon they were present for the open house at the Reese airbase in Lubbock.

The weighing department of the Chicago Board of Trade, which was organized to serve as a medium of settlement between buyers and sellers of grain and to furnish accurate weights independent of interests of either party, handles about 400 million bushels of grain annually.

"Mrs. Dawson called Tuesday to give me her recipe for blackberry jelly. I made 13 glasses!"

"Then early Wednesday morning we knew the stork was on his way. Mother called the doctor."

"John got the cab, while Mother packed. Within minutes we were off!"

it's a GIRL!

It was a busy week for Mr. and Mrs. John Bowman of Independence, Missouri—the week that young Linda Marie joined them.

Busy week, too, for the Bowman telephone. As Mrs. Bowman reports, "We use the telephone a lot from day to day, but we never stopped to think how helpful it really is, until we kept a record of calls. We averaged our bill—and were really surprised at the low cost—about 2¢ a local call!"

Telephone service has grown steadily in the part it plays in our daily lives—and in the value it delivers. Most folks agree it's the best buy in their budget! Southwestern Bell Telephone Co.

What else gives so much for so little?

"A half hour later John called home to say that 'Junior' turned out to be a girl!"

"Mother called everyone we knew, as soon as they were up. Karen and Sharon, our other daughters, were trying to get in their two cents worth, too, of course."

"John and Mother kept our telephone record for me. I'm finishing it now. Reading it back makes me realize how much we depend on our telephone—and how little it costs!"

**Claud Parrish Weds Miss Roberta Nunn in Church Ceremony**

Wedding vows were exchanged between Miss Roberta Nunn, daughter of Mr. and Mrs. H. B. Nunn, San Angelo, and Claud Parrish, son of Mr. and Mrs. Creed Parrish, Sunday afternoon at 2 o'clock in the Fairground Church of Christ in San Angelo. The double ring ceremony was read by M. E. Blake, minister of the Church of Christ, the couple stood before wrought iron baskets of white gladioli. The church pews were marked with white satin streamers and bows. Miss Anita Denton, soloist, sang "Because" preceding the ceremony. The bride party entered as Miss Denton sang "I Love You Truly."

Entering on the arm of her father, the bride wore a beige suit with brown accessories and a corsage of red roses. She carried a white Bible.

Attending the bride as maid of honor was her sister, Joyce Nunn, dressed in an aqua suit with brown accessories and a pink carnation corsage. Betty Nunn, four year old sister of the bride, was flower girl. She wore a pink dress trimmed in white and carried a basket of rose petals.

Percy Parrish, Floydada, attended his brother as best man. Ushers were Terry and Jack Blake.

Mrs. Parrish, mother of the groom and Mrs. Nunn, mother of the bride, wore black and grey respectively. Both wore white carnation corsages.

A reception in the home of Mr. and Mrs. M. E. Blake followed the ceremony. The three tiered wedding cake topped with a miniature bride and groom and punch were served from a crystal service set.

The bride graduated from Newkirk, Oklahoma, High school in 1946. The groom graduated from Floydada High school in 1948. The couple met while attending Abilene Christian college.

**Floyd County People Invest In Govt. Bonds**

The people of Floyd County invested \$223,103.00 in U. S. Savings Bonds during 1949, according to the annual sales report received today by J. M. Willson, county Savings Bonds chairman, from Nathan Adams of Dallas, state chairman. This compares with sales of \$316,133.75 for 1948.

Of the 1949 total, Series E, the so-called "people's bond" accounted for \$183,700.00, as compared with \$290,717.75 E bond sales in 1948. Series F and G sales were \$39,403.00 as compared with \$25,416.00 in 1948.

Total sales for the entire state were \$191,499,089, as compared with \$196,448,280 in 1948. Mr. Adams' report said. This is a decline of 25 per cent. However, Mr. Adams declared, that sales last year were highly satisfactory in view of economic trends and because of a 3.9 per cent increase in the sale of E bonds, from \$139,551,216 in 1948 to \$145,114,738 in 1949. Series F and G bonds accounted for \$46,384,351 of the state's sales total last year.

Mr. Adams said that the people of Texas today hold more than \$15 billion in Savings Bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

**Plan Youth Rally For Saturday Night**

Young people from Floydada, Lockney, McCoy, Center and Fairview Baptist churches are expected to attend the youth rally at the First Baptist church Saturday evening beginning at 7:30.

The new associational young people's secretary, Mrs. Alvin Hamm, of Mt. Blanco, will be present to direct the reorganization of the zone. This is the first meeting since the resignation of the former secretary, Rena Taylor.

**Fire Burns Seed at Broadway Gin**

Fire destroyed the seed cotton house and 25 bales of cotton at Broadway gin on the East Plains several days ago. The fire discovered in the middle of the morning burned itself out because the Crosbyton Fire department, called to the scene, had to give all its attention to the nearby gin, to save it.

The Broadway gin is owned by Elvis Howell of Crosbyton and Ira Taylor of Lubbock.

**RECOVERING FROM FLU**

Mrs. G. W. Hart, of the Baker community, who just recently recovered from a seige of flu is in St. Anthony's hospital in Amarillo this week.

Mrs. Hart was in Amarillo visiting Mrs. Fred Whaley and Mrs. Frank Gearhart. She had been there since Thursday when she became ill and was taken to the hospital Sunday.

Reports to the family Tuesday say Mrs. Hart is improving nicely.

**Robt. Montgomery Enters ENM College**

Mr. and Mrs. Robert Montgomery have left for Portales, New Mexico, and Mr. Montgomery is entering school there at Eastern New Mexico college to complete his study interrupted by the war.

The Montgomerys recently sold their business here on the north-east corner, where they operated the Phillips No. 2 station. Rudy Thornton is the new operator.

"We had a good business and liked our situation fine but I had the chance now to study again and thought I ought to do it," said Robert Montgomery last week-end. Mr. Montgomery is the son of Mrs. W. M. Dorsey. After finishing his service in the army of World War II, Montgomery had an interesting period of business experience in Alaska.

**ENLISTMENTS ON UPSWING**

The same budget requirements that recently relieved thirty-thousand draftees from the army have stopped enlistments in the army for the month of January, according to Sgt. W. W. Kramer of Plainview.

However the Air force is accepting a limited number of enlistments on a set quota of ten to fifteen a week, which has resulted in quite a backlog. The Sergeant mentioned that many prospective enlistees from Floyd county go to Lubbock with the idea that if accepted there, they will go direct to basic training, and after considerable travel find themselves in Amarillo for final testing. By taking the first stage testing in Plainview these boys would end up in Amarillo also, with a great saving in travel.

The Sergeant will be in Floydada on Thursday of each week to explain the qualifications for an interesting job in Aviation.

Labor Day is the only national holiday recognized by Congressional action.

**Texas Highway Map Best Ever**

AUSTIN, January—Want to know the best route from Boca Chica to Texline?

Motorists may have the latest official Highway map just for the asking.

D. C. Greer, state highway engineer, states that the 1950 map is the best ever published. Anyone desiring a free copy should contact the Texas Highway Department.

The new map has been brought up to date to show all of the recent changes in the principal highways of the state. Complete mileage tables are shown.

Twenty-five full color pictures show points of interest in Texas and along the Pan-American highway in Mexico.

The highway department distributed three hundred thousand copies of the 1949 edition. An even larger demand for the new map is anticipated.

**CLUB BOYS STUDY POULTRY**

Tuesday, January 17, the Floydada 4th and 5th grade 4-H club boys met to discuss poultry. Important points brought out for efficient management of chickens were the setting of brooder house temperatures between 90 and 98 degrees, and

having a watering receptacle and feeder for each fifty chickens. Elmer Dean Williams is president of the club, vice-president is Bennie Henry, secretary Bobby Welborn, and reporter for the organization is Norman Brints.

## We Don't All Grow, Develop, Mature Alike

AUSTIN, Texas.—We do not all grow, develop, mature—nor do our organs degenerate—at the same rate, says Dr. Geo. W. Cox, State Health Officer.

"Today, a man of 60 may be as young, vigorous and vital as the average man of 40. On the other hand, he may look and act like a man of 80, old, weak and miserable. A man of 60 may have a 40 year old heart, 50 year old kidneys and an 80 year old liver.

"The physical changes which come with age alone are not entirely decline, either. Speed of reaction does diminish, but endurance increases in certain capacities. As speed declines, skill is increased with practice, and as strength declines, judgment increases. Automobile driving ability, for example, improves from 24 to 43 in the average individual and at 65 is superior to that of the 20's.

"Normal human beings can grow mentally at any age. The worst of all old-age diseases is neglect. Many factors that help make a healthy, happy old age are (1) eating right; (2) regular physical examinations and (3) keeping physically mentally active without overtaxing ourselves. There is a rapidly growing branch of medicine, known as geriatrics,

that specializes in disease and conditions of the aging. "Don't wait until you deteriorate—consult your physician now!"

## Friday Unlucky Day For 13 on Thirteenth

MATADOR.—Friday the 13th was an unlucky day for 13 prisoners brought before the grand jury last week. All were indicted. Three of the 13 pled guilty in District Judge Alton B. Chapman's court Tuesday and yesterday were taken to Huntsville to begin two-year sentences. The trio were implicated in the looting of F. A. Bird's automobile in Matador on the morning of December 27th and received speedy justice. Over the week-end Motley county's jail was so crowded that Sheriff John Stotts moved three prisoners to Floydada for safekeeping and to make room for possible new customers.

## South Plains News

SOUTH PLAINS, January 23.—It reminds us of the days that the older folks have told us about, when we see neighbor men gathering to help each other thresh grain with old-time threshing machine. Those threshing in our community are Z. C. Cummings, Elmo Reeves, H. L. Marble, Grigsby Milton, Jr., and Bill Beedy.

Rev. and Mrs. R. C. Guest visited in Altus, Oklahoma, part of last week with Mrs. Guest's grandmother, Mrs. Lizzie Campbell, who is ill.

We are glad to report A. L. Stewart home from the hospital. He has been ill with pneumonia for several days. We hope he will be up and around again soon.

Mr. and Mrs. Doodie Milton and daughter, Barbara Sue, went by plane to Wichita Falls last Thursday, where they visited with Mr. Milton's niece, Mrs. Fern Dunnivan.

Mr. and Mrs. George West, Mr. and Mrs. Arthur Brown and Karen, were guests of Mr. and Mrs. E. P. Smitherman Friday night.

Miss Charylene Brown, of Lockney, spent Sunday night with Donita Milton.

The H. R. Hartman family were Sunday dinner guests in the Glen Jarnagin home at Floydada.

Guests in the H. L. Marble home Friday night were Mr. and Mrs. H. B. Thornton, Mr. and Mrs. H. R. Hartman, Mr. and Mrs. Arby Mulder, Mr. and Mrs. Raymond Teeple, Mr. and Mrs. John Smitherman, Mr. and Mrs. Gilbert Bean, and Mrs. Ida Mae Willis. Games of 42 were enjoyed.

Mr. and Mrs. Bob Mensing, of Albuquerque, New Mexico, visited with Mr. and Mrs. E. P. Smitherman over the week-end.

P. T. A. meets Friday night at 7 o'clock. The outsiders have charge of the program. We also will have some special music. Everyone is invited and all parents are urged to be present.

Mr. and Mrs. Doodie Milton and family were Sunday dinner guests of Mr. and Mrs. Jim Wilson, of Lockney.

**CARD OF THANKS**  
We wish to express our thanks to our many friends for their kindness and sympathy and for their gifts and offerings during Luther's accident and my illness. May God bless each of you is our prayer.

Mr. and Mrs. W. L. Hartline and children

Mr. and Mrs. Clay Willis and family, of Amarillo, were Sunday guests in the home of Mrs. R. H. Willis. They were accompanied by Jack Reeves, also of Amarillo, who visited with his aunt and uncle, Mr. and Mrs. R. C. Scott.

## Center News

CENTER, January 23.—More beautiful weather. We had a good crowd at Sunday School, but Sunday night first ones on the ground went home early without the T. U. service. The gas tank went dry.

Mr. and Mrs. Leo Frizzell visited Sunday afternoon in the H. D. Meredith home at Dougherty.

Don Clark Green, of Wellington, spent the week-end with homefolks. He accompanied them to Plainview Saturday where they all called on Victor and Margaret. He also attended Sunday school here Sunday and the church and community get-together Saturday night.

Mr. and Mrs. J. E. Green visited in the O. M. Watson home in town Thursday evening.

Mrs. Ida Welborn attended church in town Sunday. The J. D. Welborns visited the Frank Dunns Sunday afternoon.

Mrs. Fred Cone, of Wichita Falls, and Mr. and Mrs. Bob Greenwood, of Wolfe City, visited with the Leo Frizzells recently.

There were 16 homes represented in the community party held Friday night at the beautiful home of Mr. and Mrs. Leo Frizzell. Out-of-town people present were Rev. and Mrs. R. C. Hodges and Margaret Green, Plainview, Mr. and Mrs. Carrol Ivey and daughter of near El Paso who were week-end guests of the Hodges, Mr. and Mrs. D. I. Bolding, and Don Clark Green. Games of dominoes, 84 and 42 were played and a songfest afterwards. Refreshments of spiced tea and cookies were served to forty-eight.

Monday Mrs. R. C. Hodges was hostess to the Center W. M. S. in an all-day session. Each woman brought a dish, and Mrs. Hodges reviewed the book, "The Prophet of Little Cain Creek." Those present

were: Mmes. R. C. Hodges, J. D. Welborn, Leo Frizzell, H. B. Mankins, J. E. Green and the hostess, Mrs. Ross.

The next meeting will be two weeks hence, the place announced later, the lesson from Royal service.

The Center Home Demonstration club meets Friday, January 27, with Mrs. Henry Willis hostess. All the women are invited to attend. Come to Sunday school and T. U. next Sunday.

## Musicales February Sixth Will Feature Talented Musicians

Mrs. Joe Kelly and Mrs. Frank C. Goodwin, popular musicians of Lubbock, with Mrs. D. W. Douglas, organist, of Floydada, will be guest artists at a musicale that the 1934 Study club is sponsoring Monday evening, February 6, in the auditorium of the First Baptist church, at 7:30 o'clock. The Musicales will be open and with no charge to all music lovers of the town and adjoining communities who would care to hear them present their varied program.

Mrs. Kelly is an attractive young woman who enjoys semi-classical as well as classical music and is a member of the Allegro Music club. A graduate of Eastman Music school in New York, Mrs. Kelly is soprano soloist in the St. Paul's Episcopal church and once toured with the Schubert Operetta company. Mrs. Goodwin has studied voice

since she was a child, and the charming young woman enjoys singing popular and semi-classical selections, as well as classical. She, also, belongs to the Allegro and Lubbock music clubs and will appear with Gordon Gaines with the Lubbock symphony in April.

The 1934 Study club hopes that the people of Floydada will take advantage of hearing these artists.

## Club Hears of 'Hard Pan,' 'Water Tables' and Modern Farming

In a talk on "What's New in Agriculture", Mrs. S. W. Ross told the members of the 1929 Study club about new methods of fertilization, soil conservation and modern harvesting equipment, interspersing her speech with such man-words as "water-tables" and "hardpan".

The club met Thursday afternoon of last week at 4:15 in the home of Mrs. E. L. Norman. Attending were Misses L. J. Welborn, Jim Word, Kinder Farris, P. A. Denison, S. J. Latta, W. E. Grimes, Hollis Bond, C. B. McDonald, John Hoffman, Billy Brown, Ross Henry, S. W. Ross, E. E. Joiner, George Van Wickel, J. D. McBrien and Mrs. Norman.

The C. A. Parker family of Paducah, have moved to Floydada and Mr. Parker is in charge of the meat department at the Patterson Grocery and Market.

## Bartletts Honorees For Anniversary

Mr. and Mrs. C. E. Bartlett, Douglas, were honored on their forty-fifth wedding anniversary when their sisters and brothers and families gathered in the home of the Bartlett's daughter, Mrs. Otho San-

ders, for a covered dish luncheon, Sunday, January 15. The dinner was kept secret and came as a big surprise to the honorees. Highlight of the day was a telephone call from their only son, R. V. Bartlett, who lives in Fort Worth.

Moving pictures were shown in the afternoon by H. B. Barnett, a nephew. A number of nice gifts were presented to Mr. and Mrs. Bartlett.

Attending were Mr. and Mrs. J. H. Poore, Mr. and Mrs. H. E. Bartlett, Mr. and Mrs. Walker Holmes and baby and Mrs. J. N. Bartlett, Floydada; Mr. and Mrs. A. G. Barnett and Mr. and Mrs. C. B. Leatherwood and family, Crosbyton; Miss Odessa Poore, Lubbock; Mr. and Mrs. H. B. Barnett and daughter and Mrs. W. T. Barnett and daughters, McAdoo; Mr. and Mrs. J. P. Colston, Sterley; Mr. and Mrs. C. J. McClure and son, Lockney and the honorees, Mr. and Mrs. Bartlett.

## 1934 Study Club Has Program on Etiquette

The 1934 Study club met Tuesday evening, January 17 with Mrs. John Hoffman at her home west of Floydada. The program for the evening's study was "Lifting Our Faces to Correct Etiquette", with the members of the club answering roll call with "My Worst Faux Pas."

In the business meeting at which the club's president, Mrs. J. D. Cleveland, presided, Miss Ruby Lee Bevell was voted into the club.

Plans for the coming musical and guest day were made. The general public is invited to the Baptist church to hear Mrs. Joe Kelly and Mrs. Frank Goodwin of Lubbock

along with Mrs. D. W. Douglas present a musical program on Monday evening, February 6 at 7:30 o'clock.

The program for the evening of etiquette was begun by the hostess ushering her guests into the dining room to be served from a tea table at which Mrs. Ralph Johnston presided. The table decorations were a flower arrangement of pale yellow roses with a double candle holder filled with daffodil yellow candles on either side. Ice cream roll slices were served in addition to flowerette mints and the drink of tea or coffee, served from a lovely silver service.

Miss Petty gave an interesting and enlightening discussion of the choice and use of note paper and the etiquette in sending and replying to various social invitations. Mrs. Virgie Shaw gave a discussion of the presentation of a tea, elaborating on the various types to be given and having set up a small coffee table and a tea table across the room, the guests were served light refreshments by Miss Petty and Mrs. Fred Cardinal after the club adjourned.

The club members present for the evening were Mesdames Glen Armstrong, H. G. Barber, Fred Cardinal, J. D. Cleveland, Ralph Cogdell, Robt. H. Crowell, D. W. Douglas, I. T. Graves, L. F. Gresham, J. S. Hale, Jr., Ralph Johnston, Enos Jones, Jack Lackey, Malcolm McNeill, Virgie Shaw, James Willson, Jr., Miss Leila Petty, and the hostess, Mrs. Hoffman.

## Club Is Entertained In Pretty, New Home

Mrs. Everett Miller was hostess to the Harmony Home Demonstration club in her new home on Thursday, January 12.

The president read the committee report for the year.

Miss Leila Petty, county home demonstration agent, gave an interesting talk on her recent trip to Chicago, then showed many helpful and interesting slides on landscaping, fences and walks.

The hostess served refreshments from the dining table covered with a white drawn work cloth. Mrs. Walter Hanna served and Mrs. Roy Hale poured. Calendars, representing the coming year, were used as plate favors.

Members present were Meses. C. A. Williams, Bill Tucker, Chas. Trowbridge, Carrick Snodgrass, G. L. Snodgrass, Chas. B. Smith, Zant Scott, E. M. Rutherford, Sherwood Ramsey, Glen Pool, Bob Hopper, John Hoffman, Roy Hale, J. Sam Hale, Walter Hanna, Donald Pinkner, Mather Carr, Miss Petty, and a new member, Mrs. Riley Holmes, and the hostess.

# Boren Hardware Open Saturday on North Side

Scheduled for official opening this week is Boren Hardware Furniture and Appliance store, successors to O'Neal & Company on the north side of the square at 111 East Missouri Street.

In spite of the fact that some orders for furniture and many other items have not been shipped as per schedule, Mr. Boren has set opening date for Saturday, January 28, with door prizes to be given for registering at 2, 4 and 5 p. m. in the afternoon. Prizes and times for drawing of each will be found in the announcing ad in this issue of The Hesperian, and total up to good news for four lucky people who will receive the prizes though not present for the drawing, said Mr. Boren this week.

Boren has been in business in East Texas for several years, interrupted temporarily by military service in World War II.

Associated with Mr. Boren is Eddie Harkins, who has been in business and associated with firms in Crosbyton for a number of years.

After Boren's arrival in Floydada and taking possession of the business, the large job of re-modeling and re-stocking was begun, and though the building is now in remodeled condition the arrival of many items of stock ordered some time ago have been delayed for this reason and that. However, said

## Mrs. H. G. Barber

(Continued from first page)

265 bachelor's degrees are scheduled to be awarded.

Mrs. Barber is the wife of H. G. Barber of 420 West Tennessee. She will receive her BS degree in education.

Yesterday Mr. Barber said that Mrs. Barber plans to attend the Pat Stock show in Fort Worth this week-end with himself and the thirty-some-odd members of his F. F. A. classes in Floydada High school. She may possibly find time to attend the exercises at Denton but indications are that she will be enroute home from Fort Worth when the exercises are going on.

Mrs. Barber has been taking courses at the Denton school the past two summers and has been doing correspondence courses as well to qualify for the degree that is being awarded.

## Johnson Again Heads Floydada Rodeo Assn.

Members of Floydada Rodeo association and of Floydada Roping club re-named their same officers and directors for the ensuing year who served during 1949.

The annual meeting was held in the court house Saturday afternoon.

Jack Johnson again will serve as president, Bud Pope as vice-president, and Calvin Steen secretary-treasurer. The directors are Olin Bryant, Ras Ware and Dee Adams.

Johnson said the club has decided to keep their calves for a few day or weeks longer. They are doing well on wheat at this time, according to the report the members were given. The animals will be sold as soon as they are taken off the grazing.

The old calves will be re-placed with 25 head of younger ones sometime in the spring, Mr. Johnson reported and the club has tentatively planned to open the season with a rodeo sometime in April.

The report of the club shows that it will finish up the year without any financial loss.

## S. E. DUNCAN, SR., ILL

Silas E. Duncan, sr., has been rather critically ill at his home on South Wall street the past several days.

Members of the family have been concerned in particular this week, but yesterday Mrs. Maud Hollums expressed a hopeful attitude toward his regaining normal strength.

# Unpaid Taxes, Including Polls Coming in Good

Unpaid taxes are coming in good and two-thirds of the voters of Floyd county have qualified to take part in the elections that may be incident to the year of 1950, reported T. T. Hamilton, assessor-collector of taxes, yesterday.

Hot on the trail of the non-voting element this week have been the Floydada Jaycees and many individual citizens, who "view with alarm". Among these has been The Hesperian, where the management has been unhappy because it appeared that many who should be interested have not indicated an interest, to all appearances.

"Fully two-thirds of the voters of the county have qualified for a vote and we are mailing post card notices to more than 300 October and November taxpayers for fear they have overlooked paying," said T. T. Hamilton yesterday. Hamilton thinks the voters are more aware of their responsibilities as voting citizens. The number of potential voters who need a poll tax receipt is over-estimated by many, according to Hamilton, and those who do not want to vote should be given the privilege of passing up this responsibility if that is the way they want it, he pointed out. However, the fact that he has mailed notices to all and sundry who have come to his attention is indication that the assessor-collector is not overlooking a bet in this respect.

Figures on poll tax payments to yesterday noon showed 2,195 have qualified. In addition, taxes are coming in good and the assessor-collector estimates roughly 95 per cent in dollars and cents of the tax bill for state and county has been met.

## GILLIAMS MOVING BACK WEST

Mr. and Mrs. J. C. Gilliam, who have been at Dallas for the past several years, are moving back to west Texas. They will be located at Lubbock for the time, J. C. Gilliam said here Monday while in Floydada on business.

Mr. Gilliam has been with the War Assets administration since shortly after the close of the war. With this agency now through with its work, he is with the Farm Housing administration and located in this area.

## BOYCE HOUSE "GIVES YOU TEXAS"

If you go to Mexico City, should you attend a bull fight? Which ever you decide to do, you will probably be sorry. If you attend, the suffering inflicted on the bulls will make you regret being there; but if you do not go, you will miss one of the sights of Mexico.

I have seen "death in the afternoon", as Ernest Hemingway calls the national sport of Latin America and Spain. The arena del toros in Mexico City is the largest in the world, even larger than the arenas in Madrid and Toledo. The wooden bowl has no top and it seated 12,000—it may have since been enlarged. Seats are "sombra" (shade) and "sol" (sun). Those in the hot glaring sunlight are cheaper. The fights are held on Sunday afternoons and the stands are always packed.

First there came a flourish of trumpets; then the participants paraded around the ring. The matadors were lavishly attired in tight, knee-length trousers, shirt and jacket, each of a different hue. Some of their admirers flung their hats into the arena, the matadors tossing them back and waving and smiling to the cheering thousands. The circuit completed, they filed out, and then expectancy descended upon the throng.

Suddenly a gate opened and a big, spirited bull dashed into the ring. At the shouts which greeted him, the animal paused, his head

high and turning from side to side. And then he became conscious of the presence of a man near him—a man with a bright red cloak. The bull charged and the mansprang to one side. The bull slowed, stopped, turned and charged, this time coming so close that another man sprang out to divert his attention.

Then came a picador—a man on horseback with a spear. The horse was little more than skin and bones, but the rider was a man whose size indicated his power. When the bull charged, the rider wheeled so that the steed's side was protected by a heavy padded and the man drove his lance into the bull. The weapon would not penetrate very deeply and the wounded animal would push furiously in an effort to reach his enemy. It was a contest of strength, between man and bull.

Another picador repeated the performance but this time the bull swung so quickly that he was on the unprotected side of the horse and gored the poor creature who reared and then dropped to the sand. Peons rushed in with their capes to distract the bull while the picador could extricate himself and the dead horse was then dragged out.

And then entered the banderillos, each armed with a dart in either hand. As the bull would charge, the banderillo would wait until the last split second, spring to one side and at the same time would implant one of the arrows in each shoulder. It was cruel by American standards but

it was superb timing and highly dangerous.

Several times the bull wheeled and re-charged, forcing the banderillo to run for the shelter of one of the wooden shields built at intervals near the wall. Once, no shield being close, the banderillo climbed the wall, inches ahead of the vicious horns.

And then came the matador, "armed" only with a cape and he played the animal while the crowd cheered. There is a certain ritualism to follow. The matador spins and sidesteps; sometime he does not move from his tracks but merely twists his body a fraction of an inch out of the path of the horns.

By now, the bull's side is stained from the wounds of the spears and from the ornamented arrows that still cling to his shoulders and he is tiring from his exertions and from the loss of blood. As the animal stands motionless in pain and puzzlement, the matador drops taunt-

ingly in front of him on one knee and the crowd cheers.

At last, the matador is given a sword and he keeps it concealed behind the waving red cape until he induces the bull to lunge. The cloak is dropped and the naked blade gleams for a moment, then enters the vital spot between neck and shoulders. To the hill, it goes and remains; the blood pours in a stream; the bull sways, then suddenly topples and in a moment or so, he is dead.

But that was only the first one. There were six more to be killed!

Mr. and Mrs. Earl Rainer have returned from a month's visit in California where they were guests of their sons and families, LaVan and N. W. in San Diego and North Hollywood.
