## 60 BANQUETEERS TO ATTEND ANNUAL C OF C MEET TONIGHT

Spurred by interest in a good program of singing and speechmaking, the Chamber of Commerce is pleased to have over, together with a hearty and attentive audience at tonight's annual meeting of Floydada Chamber of Commerce is forecast to be all out with every seat taken. The event will mark the end of a busy and useful year for the organization.

Albert Downing, manager of the Chamber of Commerce, will be the principal talk of the evening. "Note-ables quartet," four Lubbock business men who will be the principal musical feature of the evening. Downing will be presented by president of the Chamber of Commerce John W. Reue. "Note-ables quartet" is composed of J. Dickey, I. L. "Tiney" Jones, G. "Dick" Richards and Jim ...

## Win Over Spur Puts 'Winds In Regional Play

Floydada 33; Spur 31. Floydada last night won the right to enter regional play when Hill took a re-bound in the last 25 seconds of the game. Spur led all the way until the middle of the third quarter.

The 'Winds will play Abernathy again Friday night at Chapman field house in Lubbock. On the outcome of their game, last night with Spur at Chapman gymnasium in Lubbock hinged the question of whether Floydada gets to enter the finals against Abernathy Friday night and clinch a chance to play in the regional basketball tournament.

Eliminating Matador Tuesday night 54 to 19 with ease, the 'Winds kept in the running after losing their first chance to the Spur Bulldogs Monday night.

With a lead of 10 points at the end of the half in the Monday night game against Spur the Whirlwinds faded in the last half and the Bulldogs went on to win 45 to 32.

In their opener Abernathy, other north half entry, took the Matador Matadors 48 to 17, and after taking Spur in a last-minute spurt Tuesday night 40-38, took the lead in district championship play with 2 wins.

The district will send two teams to the regional conference games of Class A, and the second battle between Spur and Floydada boys last night was to determine this choice. Monday night against Spur Coach Gresham used Finley and Guthrie at forward positions, Perry at center, Trice and Thomas at guards. Hill saw some service at center when Perry went out late in the game.

Against Matador besides the starters Wilks, Hill Smalley, Bearden, Helms, Carmack, Chapman and Boothe all got a chance at some time on the floor.

## Court House Contract Let Yesterday to Dallas Builder

Contract for the re-construction and enlargement of the Floyd county court house was let yesterday by the Commissioners court at a total construction cost to the taxpayers of \$297,333.

Dolph Construction company, Dallas, has the principal construction job at \$243,000 Heating plumbing air conditioning contract went to R. M. Wells company, Quannah at \$39,000, and electric wiring for the building was awarded to City Electric company, Odessa, at \$15,333.

There were six bidders on the general contract, and 11 each on wiring and heating, plumbing and air-conditioning. The bids were opened and read out in the presence of a room-full of construction men by S. B. Haynes, of the architectural firm of Haynes & Kirby. Judge G. C. Tubbs opened the bids.

**Year To Finish the Job**  
The familiar haunts of the court house will be closed to the general public for a year while the construction crews are at work. The contract of Dolph Construction company calls for completion of the contract in 300 working days.

## UP FIRE RATES MARCH 1

News that the anticipated loss of its good fire record credit of 25 per cent will actually occur beginning with March 1, and not only that but a 15 per cent bad fire record penalty will be charged on fire insurance policies written in Floydada, was learned definitely from a reliable source by The Hesperian yesterday.

This means that a fire insurance policy that will cost an insurer this week \$75, will cost him \$115 in premium after the rating change is made.

The loss of the good fire rating and the assessment of the penalty will be made as a direct result of the heavy fire loss last March when the county court house upper structure was destroyed with a loss which was adjusted at slightly more than \$100,000.

Numerous local property holders have been insuring for long terms under the present favorable insurance rates in the hope of avoiding some of the expense of the increased rates, fire insurance underwriters report.

## Will Use Agricultural Building

The members of the court have been wrestling with the problem of how to house the official personnel for the year they are going to be out of their accustomed quarters. Here are some of the things the court has made plans for:

Renting the Surgin building on North side at 103 East Missouri street to house any overflow that may not be able to obtain temporary quarters on the court house grounds at a cost of \$100 per month;

Construction of a vault on the north side of the agricultural building for the protection of the county records, using a space some 32 feet wide and extending 20 feet deep on the north side of the building;

Construction of a temporary lean-to on the east side of the agricultural building to be used for offices. This frame structure will be some 20 feet wide and 80 or 100 feet deep.

Exact cost of the vault and of the temporary quarters had not been determined yesterday afternoon.

It now appears, members of the court agreed this week, that the situation is going to cause some inconvenience, but promise of general cooperation has been given by all officials and employees, including the officials serving in the agricultural and soil conservation work.

Yesterday the court was told that the Highway Department is taking office space in rooms of the second floor of the Barrow building, where they will carry on, and that the court would not have the worry of finding space for the resident engineer's office and personnel.

## Assn. Contracts Office Building on South Main

Contract for the construction of the new office building to house the Floydada National Farm Land association was let Tuesday by a specially appointed committee, to Leon Stanley, a building contractor from Breckenridge. Four invitations for bids were sent out. The lowest of the three bids was \$11,574 made by Stanley. Other bids were made by Buck Conner and Jimmy Willson who made a bid together and Higginbotham-Bartlett company.

Jake Watson and John A. Lloyd, whose job it was to let the contract, made up a special committee appointed several weeks ago by the board of directors to act on all matters relating to the building of the new office.

In his bid, Mr. Stanley stated, that he would like to have 5 days after the signing of the contract before the actual construction began and that the building would be completed in 90 working days. Yesterday, Stanley was in Floydada to sign the contract and confirmed that work will begin Monday.

The purchase of a 50 foot lot at the corner of Main and Kentucky streets north of the First Baptist church was made several weeks ago by the association. Plans are for the building to be a one-story structure 48 feet deep. It will house the association and three tenants and will face Main street.

## MARRIAGE LICENSE

Marriage license was issued last week by Margaret Collier, county clerk, to Thurmon Rowell and Twila Ruth Alford, February 9.

## Crossing Crash Injures Three, One Seriously

Five-year-old Dixie Ford, of Lockney, is in Baylor hospital at Dallas this week, where she is receiving treatment for severe head injuries, while her mother, Mrs. Ras Ford, and four-year-old brother, Roy, are being treated in Floyd County Memorial hospital at Lockney for less serious injuries.

The three—mother and two children—were injured in an automobile-train crash at the Fort Worth & Denver crossing immediately north of Lockney at 3:27 Wednesday afternoon of last week. The M20 Diesel engine of the Fort Worth & Denver passenger, J. M. Simmons, engineer, struck the car just in front of the front bumper. The automobile and its three passengers were carried 390 feet from the scene of the crash before it was brought to a stop. The mother was lying just behind and under the car, which had to be moved slightly to pick her up. The little girl's body was about 12 inches from the track and the little boy was by the side of the car. The Denver crew and others picked up the victims of the crash and they were hurried to the hospital.

Mrs. Ford and the children left Lockney at 3:25 o'clock and the accident occurred two minutes later, said Sheriff Leland Hart. This week it was said Mrs. Ford and the little boy are recovering satisfactorily from their injuries. Late report had not been received from the daughter of the family.

**MRS. BARBER FINDS BLUE SPELLERS CAN BE BORROWED**  
"Advertising surely gets results" is the firm belief of Mrs. H. G. Barber, teacher at Andrews Ward school. Last week, Mrs. Barber ran a classified ad in The Hesperian asking for some blue back spellers for temporary use by several youngsters who are planning to enter the district spelling contest. Almost immediately, Mrs. Barber got results. She now has 6 books which is a sufficient number to take care of her two groups of spellers, one of 6 and the other of 5.

Donors of the books were Mrs. W. H. Seale, Mrs. Mary Davis, Mary Pearl Coward, D. M. Moore, O. R. Goughly and Mrs. L. R. Thomas.

**IN FLOYDADA HOSPITAL**  
Admitted to Floydada hospital the past week for medical treatment were Mrs. Everett Perry, Mrs. Bob Collier and Mrs. E. L. Turner. Mrs. J. A. Hutchinson was admitted February 10 for treatment for injuries sustained in a fall.

**WASHINGTON COUPLE GUESTS  
OF THE JOHN W. REUE HOME**  
Mrs. and Mrs. Henry Muller, of Washington, Washington, have been this week, guests of Mr. and Mrs. John W. Reue and Mrs. W. R. ... They are enroute to Texas.

Mullers are formerly of Brenham and Dallas. Once postmaster several years at Brenham, Mr. Muller was a member of the advertising staff of the Dallas Morning News and also moving from this to Washington.

**Search for new Readers, renewal  
Old Friendships to be Sought  
Campaign by The Hesperian**  
Mr. (Tiny) Brown, who was the Currie Appliance company for several months and is at present employed with the Holmes real service as salesman, will work the next 60 days or so with The Hesperian as a good will ambassador and seeking new readers for the paper.

## Indictments Filed by Grand Jury Monday

At a one-day session the February grand jury in District court for Floyd county returned 12 indictments Monday, after being empaneled for the sixth month term by District Judge Alton B. Chapman.

The indictments one was for burglary with intent to murder; five for burglary, two for theft, and three for larceny with worthless checks. One misdemeanor in larceny, charging aggravated assault, was returned and transferred to the county court docket.

One of the forgery cases here Lee Edwards of Plainview was charged with forging the name of Pawter to a check. He was this week and given a two-suspended sentence.

One of the theft cases is the arrest of Lloyd Abner Jones has been returned to Floyd county two weeks ago. The indictment alleges he stole a car belonging to Wm. E. Brown, Jr., here during the Christmas season shortly before Christmas.

Other arrests have been made in the other cases. The three check indictments all are a-one man.

**Grand Jury Is Empaneled**  
When the grand jury was empaneled Monday morning, Bill Beedy made foreman. Other members of the grand jury are Jim Jones, George Turner, Bob Ratjen, Bill Johnson, John Gray, C. W. Burton, E. L. Jones, Earl Edwards, W. S. ... George Sherrill and Lee ...

## New REA Lines For Irrigation in Two Areas

Long anticipated construction of heavy duty power lines to furnish additional power for irrigation developments in Lone Star and Harmony communities of Floyd county will get under way here soon for Floyd County Rural Electric cooperative.

In addition there are some 30 miles of single phase lines scattered throughout the area served by the coop, which will be constructed. These are included in a job which has been bid in by South Construction company, and will total 114 miles at a cost of some \$260,000.

Crewmen were being assembled here this week to begin construction of the new lines. Some families as well as single men were seeking living quarters for the duration of the job Tuesday and yesterday.

## Hearing on Borger to Post Highway On February 20

Yesterday members of the Commissioners court and Judge G. C. Tubbs said it was their plan to attend a hearing on the Borger-to-Post highway, set for February 20 at 2:30 o'clock in Austin.

Representatives of all the counties and cities on the route, together with other cities and towns in the area, including Amarillo, will be present and urge favorable action by the Highway Commission. The need for the route to afford relief for congestion on adjacent highways is to be shown the commission and an array of statistical information on economic needs will be included.

The highway has been sought for a quarter of a century before successive State Highway officials.

## County - Wide 4-H Club is Organized

Organization of a county-wide club for 4-H girls was completed Saturday of last week, when the young ladies comprising the club were assisted by Miss Lella Petty, Home Demonstration agent, in getting the county-wide organization to going by selecting their officers. The club will meet once a month. Following are the officers chosen:

President Jean Porter, vice-president, Mary Joyce Griffith; secretary, Nita Jo Day; reporter, Shirley Womack; adult leader, Mrs. A. V. Womack. Other members are Marlene Hollins, Hazel Wilson, Helen Whitehead and Alice Latta. The club will meet once a month and will make plans for future meetings.

## Radio Program to Tell Career of Mrs. Baker

The story of the life and 56-year business career of Mrs. J. A. Baker, of Lockney, who has been in business there continuously since she became postmaster on April 24, 1894, will be told by Laura V. Hamner, on her Sunday morning broadcast at 8:30 over KGNC and will be continued on the following Sunday.

This fact was related to The Hesperian by Mrs. Baker's son, France, yesterday, who said his mother had many friends over a wide area who will want to hear her story as told by Miss Hamner.

Mrs. Baker is still active in the daily conduct of the Baker mercantile at Lockney. She succeeded the town's first postmaster, J. F. Lockney, and with her husband, opened a business when the nearest railway was 100 miles or more distant in 1894.

**A. B. COLLIS, LOCKNEY, ILL.**  
A. B. Collis, of Lockney, who has been ill at his home there, seems to be rallying from a heart ailment, said a daughter, Mrs. C. W. Henderson, this week.

Mrs. Henderson and two other daughters, Mrs. Edwin Hammonds and Mrs. Bill Goode, have been with their parents much of the time since their father's attack. He is 79 years of age. A son Charles Collis, of Corpus Christi was here for a short time last week. Another member of the family, a daughter, lives in South Texas.

## Fifty Voices Sought For Cantata 'Calvary' to be Given at Easter

Monday night at 7 o'clock has been set for the first official meeting of the Community choir, when practice will get underway for an Easter program.

Under the direction of Miss Ruby Lee Bevell, the cantata entitled, "Calvary" by Henry Wessell, will be presented. Books have been ordered and an invitation to all singers who are interested in a community presentation are urged to attend Monday night for practice at the First Methodist church.

In response to a call meeting made through churches Sunday, approximately 20 were present at the Methodist church Sunday afternoon to indicate their willingness to take part in the program. Among these were Myron Kattner, director of the Methodist church choir, Mrs. Carl Muench, of the Baptist church and Mrs. D. W. Douglas of the Christian church; each with representatives from the three choirs.

"We hope to obtain at least 50 singers who are willing to work and to help present a program that the community will appreciate," Miss Bevell said.

At the call meeting, Miss Bevell was chosen to direct the program and Mrs. Douglas elected to assist as organist.

## FLOYDADA POSTAL RECEIPTS MAKE RECORD; POSTAL SAVINGS ACCOUNTS AT ALL TIME HIGH

An all time high for postal receipts for the year of 1949, exceeding even the years of war times, was recorded at Floydada Post office, according to Mrs. Barbara H. Smith, postmaster, who notes that the total of \$24,805.36 for the calendar year is almost exactly double the year of 1935, when the figures were \$12,000 plus.

Business also has started off good for the post office for the first month and a half of the new year. An indication that patrons of Floydada post office are putting away next year's earnings against possible rainy days ahead is also seen by Mrs. Smith in the fact that the postal savings account now stands at an all-time peak for the Floydada office. Figures for the close of business on Tuesday of this week showed \$161,359 in the postal savings account, deposits varying in size from small amounts to the maximum permitted by the postal rules and regulations.

At the call meeting, Miss Bevell was chosen to direct the program and Mrs. Douglas elected to assist as organist.

## Name Census Crew Leader March 2; Search on for the Right Man

Choice of a crew leader for a Floyd county crew of 13 persons to take the federal census beginning on April 1, is due to be made from applicants interviewed here yesterday by L. D. Whiteley, district supervisor, Bureau of the Census.

Mr. Whiteley, who began the district over-all job the latter part of last year, spent the day from 10:30 a. m. to 5 p. m., talking to applicants for the job of county crew leader only. Applicants for the actual job of enumeration will be interviewed and hired by the crew leader at a later date which this crew leader will announce, said Mr. Whiteley.

Here is the outline of the plan of the Bureau of the Census for this county:

A county supervisor will be appointed to conduct the census. This supervisor will be known as crew leader, and he will be responsible for interviewing, hiring, training and directly supervising the enumerators in the county. Whiteley says he is looking for a capable, civic-minded person who will exert every energy to give the county a fine representation in the decennial census. The applicants for crew leader to be eligible are being required to have college training, supervisory experience and automobile. Qualified veterans will receive preference. The crew leader's salary will be \$11.92 per day, plus per diem and car allowance.

The crew leader will be announced on March 2 said Mr. Whiteley here yesterday. He will take applications for enumerators beginning March 7 through March 24. The Lubbock office will not have to do with the selection of these enumerators, who will be chosen and trained by the crew leader and will be responsible to him.

The crew leader will start work on March 7 at which time he will go to Lubbock and spend two weeks training period in the district office. Upon completion of this training he will return to Floydada and commence recruiting enumerators, of which the county has been allotted 13.

The enumerators will have a four day training period beginning March 28, which will be conducted in Floydada. The enumeration or field work will commence April 1, said Mr. Whiteley. The enumeration is due to be completed by May 1 and it is anticipated by the district supervisor that preliminary figures will be available about two weeks later. These figures will not be official.

## Chorus of Twelve Boys Sing Today for Floydada Lions club

Today at noon the Lions club program will be presented by Miss Ruby Lee Bevell, Floydada school music supervisor and a chorus of high school boys, it was announced yesterday by President Enoch T. Jones of the club. Estel Baker will be program chairman for the day.

In the boys' chorus are Leroy Parrish, Hershel Nelson, Charles Schultz, Dale Roberts, Clint Turner, Terry Julian, Buster Mooney, Chuck Holmes, Kenneth Bishop, Don Daniels, David Willson and Johnny Lloyd.

## Adding Storage

W. A. Gound announced this week that work had begun on a storage room for Curley's cafe adjoining the present building. It will have an area of 250 square feet and will be of the same type of construction as that already on the ground. Need for more working space and storage capacity for the kitchen supplies make the addition necessary, said Mr. Gound.

public for a year while the construction crews are at work. The contract of Dolph Construction company calls for completion of the contract in 300 working days.

Finish brick chosen by the commissioners court for the building is an almost white, with a slight tint of pink.

The contractors will put men to work within 10 days or as soon as the court house is cleared out for them to begin. The area will be roped off and a general clean-up and razing of gaunt columns now extending to the former third floor level will begin.

Construction of a vault on the north side of the agricultural building for the protection of the county records, using a space some 32 feet wide and extending 20 feet deep on the north side of the building;

Construction of a temporary lean-to on the east side of the agricultural building to be used for offices. This frame structure will be some 20 feet wide and 80 or 100 feet deep.

Exact cost of the vault and of the temporary quarters had not been determined yesterday afternoon.

It now appears, members of the court agreed this week, that the situation is going to cause some inconvenience, but promise of general cooperation has been given by all officials and employees, including the officials serving in the agricultural and soil conservation work.

Yesterday the court was told that the Highway Department is taking office space in rooms of the second floor of the Barrow building, where they will carry on, and that the court would not have the worry of finding space for the resident engineer's office and personnel.

## Assn. Contracts Office Building on South Main

Contract for the construction of the new office building to house the Floydada National Farm Land association was let Tuesday by a specially appointed committee, to Leon Stanley, a building contractor from Breckenridge. Four invitations for bids were sent out. The lowest of the three bids was \$11,574 made by Stanley. Other bids were made by Buck Conner and Jimmy Willson who made a bid together and Higginbotham-Bartlett company.

Jake Watson and John A. Lloyd, whose job it was to let the contract, made up a special committee appointed several weeks ago by the board of directors to act on all matters relating to the building of the new office.

In his bid, Mr. Stanley stated, that he would like to have 5 days after the signing of the contract before the actual construction began and that the building would be completed in 90 working days. Yesterday, Stanley was in Floydada to sign the contract and confirmed that work will begin Monday.

The purchase of a 50 foot lot at the corner of Main and Kentucky streets north of the First Baptist church was made several weeks ago by the association. Plans are for the building to be a one-story structure 48 feet deep. It will house the association and three tenants and will face Main street.

## MARRIAGE LICENSE

Marriage license was issued last week by Margaret Collier, county clerk, to Thurmon Rowell and Twila Ruth Alford, February 9.

# EDITORIALS

Census-time hits right away and perhaps the period will not catch Floydada and Floyd county the way it did in 1930 and 1940 when dullness of business and dry weather sent a lot of the inhabitants to other areas and climes. We'd like for the census to catch the communities of this county at about a normal so as to reflect the actual number of people living here under usual conditions. We recall that in 1940 the people were scattering somewhat and we wanted Floydada to show something more than the 2,689 that you see on the highway signs. The fact is, the official records (including a supplemental report) does show Floydada with 2,724 or thereabouts, but nobody sees the supplement and Floydada is generally credited from that 10-year-ago figure of 2,689. The county had lost a lot of population in the period from 1930 to 1940, what with the depression which sent the people somewhere else and the farm program which took them out of the farming communities. We note, interestingly, that in some other states than Texas the past year or so the estimated population of communities was substituted for the 10-year-old official figures. In Texas the Highway department has insisted (in some instances at least and, so far as we know, generally) on having the old figures posted outside of every town. It has hurt the pride of a good many communities. This has been especially true in those cities and towns where the old figures were close to an important total that would put them in a different list or category. The report of the Census bureau is that a crew leader and 13 enumerators will be used in this county. The crew leader, assumedly already tentatively chosen, will have about a sixty-day job. He will take a two-weeks training course beginning March 7. Following this period he will recruit his 13 helpers who will spend four days in a training school at Floydada beginning March 28. The actual enumeration will start the morning of April 1. This job the enumerators are expected to finish by May 1 and within two weeks preliminary figures will be available, it is hoped. How good a job of enumeration is done in any county depends entirely on how good the crew leader judges his prospective enumerators and how they get around and actually enumerate. Generally few communities are pleased with the totals the bureau comes up with. They always think the figure should be higher and many times they are right about it, as was the case in 1940 in Floydada.

They Also Pay.—The Hesperian is glad to note from last week's news stories that quite an area of the northeast part of the county is going to get in on the good roads program, and probably within this very year. The thing that pleases in particular is that two bridges are in the work plan. A bridge across the Quitaque, a bridge across Los Lingos. That means a year-round road market for a

lot of people who could for all these years deliver their hogs or feed or get their cotton to the gin sometimes and sometimes they couldn't. Hope that the road system of the county will include a way for the same people to get to other markets, including Floydada, Lockney, Plainview, is raised by the fact that the highway people on the ground are anxious to get a good road built that will tie in as money is available. Also a market eastward will be afforded, should the plan work out—and it is important that it be made to work out. Incidentally Los Lingos is going to be officially Linguish cregk from here on out. That's what the people thereabout call it and the highway department sees no reason to try to bypass the folks that are living now and make the name be something that the Indians and the Mexican traders called it a century ago. We'd call it Los Lingos, if we were doing it, not being road men and engineers, and have a big argument with the folks in the vicinity presumably.

The Hesperian has been studying about the matter of adopting a coat of arms or insignia. We celebrated a birthday not long ago going along the same as usual, but the newspaper is getting up to the second generation now and we need a coat of arms. We're going to have a unicorn in it, of course. A unicorn is the fightingest thing that ever spit fire. He will be rampant, of course, and standing reared in the air, putting out as only a unicorn can. Opposite him we will have a west Texas tarantula. And he'll be spitting dry pizen right in the unicorn's face a half nelson applied. We do not know whether that would be sufficient or not for the tarantula to win, or whether a mortal human could spit in anything's face and apply a half nelson at the same time. But a tarantula could. We're going to have it plainly to be seen that the tarantula is the best and is going to whip the unicorn down pretty soon.

Speaking of tarantulas they are beginning to come out of hiding from their long winter hibernation and we are worried. None of the other small children of nature have done any venturing so far and we fear for the tarantula species. Will they be extinguished in this year of Our Lord 1950? We can't believe it. But why not other prairie things also begin to buzz if the winter season is over and gone and there are not going to be any February days of blizzard or March days when the stockmen will wish they'd have put up another 2,000 bundles and some cake and cottonseed hulls. It is terrifically puzzling, these conflicting ways of prairie life. Which is right? Mesquites have been wrong twice in 75 years. Tarantulas could be mistaken, too. But surely, surely not smart as they are!

When you're through changing, you're through. —Bruce Barton

## Floyd County 14 Years Ago

(From The Hesperian of February 21, 1936)

The vacancy created on the county school board by the resignation of J. H. Upton, of Precinct No. 3 will be filled sometime in April by popular vote, according to the minutes of the county school board.

A county-wide tournament of junior basketball will be held at the Andrews Ward gymnasium on Saturday.

Price Scott has been appointed census enumerator of business and manufacturing for Floyd county.

County Judge Tom W. Deen and County Agent D. F. Bredthauer have been making an effort to get funds for wind erosion in Floyd county.

With approximately 400 drivers licenses issued up to Wednesday night a total of 6,000 licenses are expected to be issued before the closing date April 1.

Market report: Hides No. 1, 4 cents; No. 2, 2 cents. The weather man has dished out

## The Floyd County HESPERIAN

HOMER STEEN, Editor

Established 1896 by Claude V. Hall Entered as second class mail at the post office at Floydada, Texas April 10, 1907, under the act of Congress of March 3, 1897.

Published by The Hesperian Publishing Co., Inc., Floydada, Texas.

Subscription Prices: In Floyd and adjoining counties — one year, \$2.00; six months \$1.00; four months, 70c; in advance.

Subscription Prices: Outside Floyd and adjoining counties — one year \$2.50, six months, \$1.25, four months 90c; in advance.

cold weather to Floyd county as principal fare in the week closing today, but mixed into it for variety has been both a dust storm and a light flurry of snow. Colder again tonight forecast.

Funeral rites for Charles Franklin Lincoln, 69, of Dougherty, will be held here this afternoon at 3:30 at the First Christian church. Mr. Lincoln died Monday morning at Hot Springs, New Mexico.

Again the minute particles of terra firma are flying about with no respect of people's ears, eyes, nose or fingernails. In other words, the sandstorms are on us again. (Charles Newton in 'Newton's Discoveries' column.)

HARMONY—We hope old man winter will soon return home so more can attend Sunday school and church.

DOUGHERTY—Mr. and Mrs. C. A. Caffee were hosts to three tables of forty-two at their home. Mrs.

U. E. Cook held high score for the ladies, C. S. Ray for the men. The 'Galloping' prize went to Randolph McNeese.

Mr. and Mrs. N. W. Williams, Mr. and Mrs. W. H. Henderson, Mrs. J. S. Solomon and Mrs. J. J. Mc Kinney spent Sunday in Paducah with Mr. and Mrs. M. L. Solomon.

Miss Helene Hay returned home Sunday from Amarillo where she spent the week as guest of Miss Bernice Bishop and Tom Bishop.

ANTELOPE—Tom J. Boyd, who has been ill with flu, is much improved.

Mrs. Lon V. Smith was guest speaker at the YWA banquet held at Wayland college Friday night.

On Wednesday Mrs. L. T. Bishop entertained the members of the Wednesday Luncheon club at her home.

## What is PUBLIC SERVICE?

Public Service is "on your doorstep" service. A call to our office is all that is needed to bring a service man to your home.

Public Service is instant, efficient service. If we can do the job it will be done immediately. If the aid of an electrician or electrical contractor is required, we'll aid you in securing their services.

You are the most important person as far as Public Service is concerned. We feel you deserve the best service. Public Service. Do you?

## SOUTHWESTERN PUBLIC SERVICE COMPANY

25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

# Life Is a Lot of Fun If You See it as Such

(Ed. Note: L. A. Marshall is trying an interesting experiment, that of being everything to everybody in the community. With time on his hands, operating on borrowed time, his sons insisting he go fishing, Marshall has a sort of a Boy Scout complex at the moment. An interesting man he says you can't fish all the time. Below is his latest.)

Last week we started an experiment-offering free helpful information. We think there is a need and demand for a service of this nature and with your cooperation I think this service would be of value to you.

The phone calls seem to run in the following items: "Where can I rent a house, apartment or rooms, board and the price, etc?"; "Where can I get a baby sitter?"; "Who will design some bundles?"; "I wish to see some hegart bundles"; "REA has a contract for some extensions and these families are coming in and want homes, board, etc. this week." It is our duty to cooperate.

It is my desire especially to help the farmers so I offer the following plan on how to build a brooder house that will successfully take care of 100 chicks or a better plan. Come

by my house at 602 South Wall street and see a brooder already built.

## Five Cattle Per Acre

Another tip to farmers. One of the smartest ideas out is if you have land, water and fertilizer, you can plant permanent pasture and graze five grown cattle the year round per acre instead of the present set-up of grazing one cow on 5 acres, and nothing on that in winter.

Another tip, vetch is the home grown fertilizer. It fertilizes winter grazing and plow under fertilizer is used by 95% of farmers in California. An overwhelming majority like this is not wrong.

Farmers, never forget the soil conservation boys are one of your real friends. Preparing your land for easy watering saves you money the rest of your life.

Here is a believe it or not. The price paid the farmer for his products sets the barometer of our nation's prosperity or buying economy.

If you have some information that might be helpful to someone, phone 480-W regardless of what it is. Cooperation is a valuable word. It means you help me help you. I am only trying to help keep everybody happy.

If you have a problem, give us a ring. Maybe we might help you figure it out or tell you where or who can.

Life really is a lot of fun if you can see it that way.

L. A. Marshall  
Phone 480-W

Get the want ad habit.

## Conservation District News

The board of supervisors of the Floyd County Soil Conservation district held their regular meeting February 7 to complete plans for this year's work. Members present were Cecil Purcell, chairman, W. F. Ferguson, Bert Bobbitt and R. G. Dunlap.

One of the highlights of events last year was the annual field day sponsored by the district in cooperation with about twenty organizations and individuals, making it possible for some 300 people to view ten farms carrying out various conservation practices. The group enjoyed a barbecue and interesting program at the noon hour at Lockney farm northwest of Lockney. A window display contest was sponsored in connection with the field day. Exhibits were displayed in business house windows by teams of 4-H boys and PFA members.

200 acres of permanent pasture grasses were seeded with the district owned grass drill during the year.

About 40 landowners voted in the annual supervision election held at Lone Star in October. County Agent, Robert H. Gibson assisted with the program and the Home Demonstration club members of the community assisted with refreshments.

4-H club boys and PFA members competed in a district sponsored grass judging contest. Winners out of the five teams, of three each, and two individuals entering were given cash prizes.

The work calendar set up by the supervisors for 1950 includes plans for similar events and several new projects.

The following farmers have made application for assistance: J. M. Jacobs, George Griffin, C. T. Morrison, Jr., Wayne A. Russell, S. M. Key, Andrew J. Costner, Harvey L. Newberry, D. R. Meek, Fred Garrett and G. C. Appiewhite. Agreements between the district and the following cooperators were approved: Ben Cogdill, Leon Elliott, O. P. Clark, Dorsey Baker (2) and W. M. Day.

### Bench Levelling Jobs

The Soil Conservation technicians have recently engineered some bench levelling jobs being done by Charlie Smith of Lockney. Twenty-one acres have been completed on the Big Leaverton farm north of Sterley. Fifty acres have been finished for Harmon Handley south of Lockney and eight acres laid out for Chester Mitchell, also south of Lockney.

The Soil Conservation Service engineers have laid out terraces for several farmers below the caprock the last few days, namely Cecil Payne, Edgar Smith and W. O. Cobb. A diversion terrace was laid out for Bob Rosson, southwest of Floydada, several days ago. Lines for terraces have been completed for Virgil Scott, who farms the Couch land and for Russell Crawford, both south of Dougherty.

### Engineering Jobs Done

Several engineering jobs have been done recently on the Stringer estate land at Barwise, which is being operated by Johnny Miller and Tommy Sneed. The irrigation system has been changed to more efficiently water the various crops. About a hundred acres of permanent pasture has been established this year and several plots of winter peas planted last fall are making good growth.

Lines to irrigate wheat were run last week for Frank Probasco on his farm just west of Floydada. A complete contour system was

run last week on the farm operated by Lee W. Burton in the Fairview community.

Three dams have been staked out on the Virgil George farm below the caprock in the Fairmount community.

### PEOPLES HOSPITAL NOTES

W. H. Nelson was dismissed February 10 after having received medical treatment.

Mrs. W. E. Oden was dismissed February 8 after undergoing a tonsilectomy.

Mrs. L. D. Williams was dismissed February 8 after receiving medical treatment.

Mrs. J. K. West was dismissed February 10 after receiving medical treatment.

D. O. Ayres was dismissed February 11 after receiving medical treatment.

Miss Bobb: Joy Stephens was dismissed February 13 after undergoing major surgery.

Rev. R. T. Barton, Cone, was dismissed February 13 after receiving medical treatment.

Mrs. Sam Lide was admitted February 11 for medical treatment.

Mr. and Mrs. Edward Baird are the parents of a baby daughter born February 10 at 9:45 p. m.

Mrs. Sam Lide was admitted February 11 for medical treatment.

Miss Pauline Denison was admitted on February 11 for medical treatment.

Mr. and Mrs. Lee W. Burton are the proud parents of a baby daughter born February 11 at 7:30 p. m. Both mother and daughter are doing fine.

Mrs. Tom Porter was admitted

February 12 for medical treatment. Mrs. Corene Stewart, Levelland, was admitted February 13 for medical treatment.

Mr. and Mrs. S. W. Skinner, of Flomot, were admitted February 13 for medical treatment.

Miss Geardean Davis was admitted February 13 for medical treatment.

Mr. and Mrs. Clay Willis and daughter and son, Patricia Ann and Bobby Clay, spent the weekend here, guests of Mrs. R. H. Willis.

Witness my hand and seal of office in Floydada, Texas, this 14th day of February, A. D. 1950.  
Margaret Collier  
County Clerk, Floyd County, Texas

### As A Farm Woman Thinks

By Nellie Witt Spikes

It was our happy privilege to visit the Eastside Broadway church in Lubbock this morning and to listen to the well-taught Sunday School lesson and to hear our one-time pastor, Rev. Hartley, preach a fine sermon.

This beautiful church with its cross pointing to the blue heavens above gives peace and comfort to all who come. The soft colors of the prairie have been used. We like the brown of our good land, the wall inside the light green of the mesquite which once flung fragrant curls on summer breezes. Behind the beautiful pulpit and choir seats, the wall is the soft rose of our prairie sunrise. The deep blue of a star-lighted sky and the deep red of a sunset was caught and held by brush in the hands of an artist as the picture of the loving Saviour was painted. Stars seem to be imprisoned in hanging glass bowls to give light. The hymns played by a lady with a wonderful talent and sung by the whole congregation were as sweet as the mocking birds made as they nested in the mesquite long ago.

The yellow of the sunshine came from the curls of some little girls and one had hair as shining as pulled molasses candy.

Long weary hours this congregation had spent in building this

### Burlington to Try Ninety Days More

PETERSBURG — A compromise has been reached in the discussions between representatives of Fort Worth and Denver City Railway and the South Plains towns served by the passenger service of that line.

The railroad's effort to discontinue its passenger train service between Childress and Plainview and Lubbock, through the intermediate towns of Turkey, Quitaque, Lockney and Petersburg will be postponed pending the out-come of a 90-day trial of thru pullman and coach-cafe service between Dallas

church; but love and patience and folks working together can accomplish much when directed by God. So we came away strengthened and uplifted and the memory selection in the lesson became a clear and living fact: "When they arrived, they gathered the church together and declared all that God had done with them."

Driving around Lubbock; Brother Joe from Amarillo says "The trouble with this town is that everybody else is using the streets when you want to use them. They ought to have built this town somewhere out in the country so they would have plenty of room."

Mother tells of Sarah Rippetoe she knew years ago. "My mother raised 11 children," Sarah would say, "and she was always careless with them."

## EDITORIAL

### WINTER OR WINTER

And man winter can't seem to get up his mind. He goes away in beautiful young spring blossoms forth in all her glory; then suddenly a chilling breath is felt here is winter back again. He separates the land with a slick white carpet, brings the cold wind from the north in lusty gusts, and brings heavy snow-filled clouds to cover it all. Yes, it is winter's world now; but one day, without warning, it will be spring again.

### Guess Who???

There's no need to low, he's good lookin' and how! Describe him in "fashion" fit or fair; for if you look right sharp, you can see him in the dark because there's something amiss about his hair.

Is a miss all right, a cute and curly sprite, and she has a certain way with all the boys.

They say she led the ball and a toast she drank to all that I think she leads the school with wonderous joys!

Answer to last week—Sue Hutchinson and Edith Gar-

## Annual Sweetheart Banquet of Band Saturday Night

Saturday night, February 11, was the date for the annual sweetheart banquet.

The tables were decorated with red and white crepe paper. Red bows and red and white strips of paper were placed on the walls. Treble cleff signs made of chloroform were the plate favors.

Mr. Graves gave the invocation. After everyone was seated, a toast was made by Billee Newberry. Arminta Berry crowned the band sweetheart of '49 & '50, Bettye Laminack, by giving her a box of Valentine chocolates. Everett Powell, next presented Mr. Kattner with a gift. Trois Muncy presided as toastmistress.

After the banquet dancing and games were provided. The banquet was enjoyed by all.

## DE QUACKER

Well, here I am again after a little snow to show you that nothing can keep me from hearing and seeing a lot of things. These Freshmen had better be a little more careful.

Carolyn McDonald and Bob Hargis sure have a good time at church. Better watch her, Buck.

Well, well, looks as if LaJuana McCAda and Norma Britton are doing alright with the boys from Plainview. Tell me more.

What's this about Barbara Dutton and Bud Turner. Must be love.

Well, look what happens. Just as soon as Randall goes back to the Marines, Sammie starts going with Pete McGee, Jr. Is this an old love that is coming about again???

Well seems as though Darlene Johnson and Reese Grubbs are going steady now days. He is wearing her jacket and she is constantly talking about him.

Tommie Hart must have had a swell time Sunday night. Could Lockney have been the lucky town. He was cute—we have to admit.

Virginia Holmes, when are you and your boy friend going to set the date for your wedding?? You have been going together a long time now.

Arminta Berry... You seem to be falling, Bud Shipman—you know that he is simply dying to go with you. You could have gone with him when "that little darling" 14 year old Matador boy" wasn't around.

Carolyn McDonald seems to be making good time with all the boys and what boy would not run after a girl if he could ride around in her car every evening—after school. Sherman, you'd better watch out—she is a pretty good two-timer.

Seems as though Lee Hutchinson had her man. She and Richard really do have good times these days.

Arminta, you better stop lying to your boy friend or you won't have him very long. You had better get your story straight for some people might get the wrong impression... Huh???

It seems that Duane Lemons just goes crazy when he sees Joyce Myrick going down the hall. They sure have a good time in fourth period typing class.

Did my little eyes deceive me or did I actually see Myrna Wilson with Sherman Irwin Thursday night?? What will Carolyn say??

O well!! A little bird told me she is losing interest... It might be that Sherman is losing interest, too. Do you blame him??

Tommie is really crazy about Pike isn't she, and he doesn't mean a word of anything he says and she just swallows it all just as if he meant it.

Who did P. H. go with?? He sure was cute... He also had a line that wouldn't stop.

Genelle is going with Mac S., John Moss, Randall King, and Chock Dunn. "R. and I don't go together very much anymore. I don't like him and there is no use in leading him on. I think I'll give him his ring back soon."

This is just one of the notes that I found in a little note that was about two pages long. You people had better watch these notes; sometimes they get one in trouble.

Doris Blair and Johnny Lloyd would make a cute couple but since Doris and Jane are competing for Leroy we better not let them get attached... But hey, I thought Johnny was going steady with June. He isn't the true blue that you think he is June. I know from experience.

Oh Oh! Of all the nerve. I saw Chuck Holmes wink at Shirley Womack during the 4th period English class Friday. What will Virginia have to say about this??

Is Troy McNeill rocking the cradle now? He was with Sandra Fowler

at the band banquet Saturday night. Will you people who know something please put it in my little can in the office.

## Father-Son Banq't On February 25 Is Slated by Aggies

On Saturday evening, February 25, 1950, at 7:00 p. m., the Father and Son Banquet will be held in the high school cafeteria. The committees are busy planning the program and sending out the invitations. The banquet will be held on the final day of National F. F. A. week.

Douglas Whitfill is very busy this week. He is entering the public speaking contest to be held Wednesday, February 15. Several boys are studying hard on the F. F. A. quiz. There will be an elimination contest held Tuesday or Wednesday morning to determine who will enter the contest to be held Wednesday afternoon, February 15.

## Candid Camera

Our attention this week goes to a sweet little cherub whose laughing blue eyes, short brown hair,

and cheerful smile produces an outstanding picture for the camera. She stands 5 feet in height and weighs 104 pounds. In the heart of the winter, on December 23, 1933, there came with the swirling snow, a wee baby girl who brightened the weary town of Floydada. The name put on the little cradle in the Snodgrass home was Elayne, who today is better known as "Lane".

Lane likes many things including dancing, Billie, slumber parties, football, boxing, long skirts, blue, fried oysters, pecan pie, pretty clothes, and snow.

Her dislikes are mainly grippy people, studying, having wrecks, and rainy weather.

The top tune as far as Lane is concerned is Hoagy Carmichael's "Stardust".

The best movie she's seen is "Good News" and as for movie stars she likes June Allyson, Peter Lawford, and Glen Ford.

Her favorite pastime is running around and shopping.

She loves sports, especially football, boxing, baseball.

Elayne says her biggest weakness is flirting with good looking boys! and her worse habit is biting her fingernails.

Her only secret desire is to travel everywhere and own lots of pretty clothes.

Elayne's "prince charming" must have dark curly hair and dark eyes, be 5 ft. 10 inches tall, and weigh

about 145 pounds. He must play football and like to dance, also be real sweet with a good personality. Her one ambition is to be a successful journalist for a big newspaper firm.

Her favorite subject is American History and her favorite teacher is Mrs. Thomas.

She loves the colors blue and green (not together).

Lane was most thrilled when she got to be a twirler and most scared when she turned over in her Chevrolet.

The most perfect day for Elayne would begin around 8:30 with her and Billee going to Lubbock to shop. About 9:30 they would eat breakfast consisting of hot waffles, syrup, and grape juice. After breakfast they'd shop for clothes until almost noon and eat lunch at the American Restaurant. The menu would be fried oysters with lots of ketchup, all the trimmings, ice tea, pecan pie, and ice cream. On the way home they'd stop at the Lincoln-Mercury house to get Elayne's new Lincoln.

They'd almost fly home and around 3:30 get their bathing suits on for a swim at Roaring Springs. After a hearty swim they'd come to Floydada to dress for their dates. Around 7:00 the ideal ones would carry them to Plainview to run around and eat supper at the No Name Cafe. After they'd see Plainview, they would come back to the B & M to dance until mid-

night.

To get into meanness and stay up all night, she and Billee would journey to Clara's for a good ole' slumber party.

Elayne was chosen as the Sophomore favorite, she makes a dandy little prancer for the Whirlwind band.

You're a swell gal, Lane; may success and happiness always be yours in years to come.

## Assembly Program

In assembly February 7, an imitation radio program was given by Mr. C. O. Hill. Mr. Hill told about the first automobile and warned all the people who drive cars to be careful.

Those on the program were Smokey, a colored boy, played by Douglas Whitfill; the McCoy Ramblers; and the Foster twins. The program was very informative as well as entertaining.

# 50,000 Miles - No Wear!

**1. Driven "Twice Around the World!"** For 50,000 killing miles, six brand-new cars raced over the hot desert along the Mexican border... testing the wear-fighting qualities of amazing Conoco Super Motor Oil. At the end of 50,000 miles of continuous driving, engines showed no wear of any consequence... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts. Startling proof—factory finishing marks were still visible on piston rings!

**2. New-Car Mileage for 5 Years!** This punishing road test—equal to 5 years' normal mileage—proved, as nothing else could, that Conoco Super Motor Oil, with proper crankcase drains and regular care, can keep your new car new! Gasoline mileage for the last 5,000 miles of the test was as good as for the first 5,000 miles... actually there was an average difference for the fleet of only 4/100 of a mile per gallon!

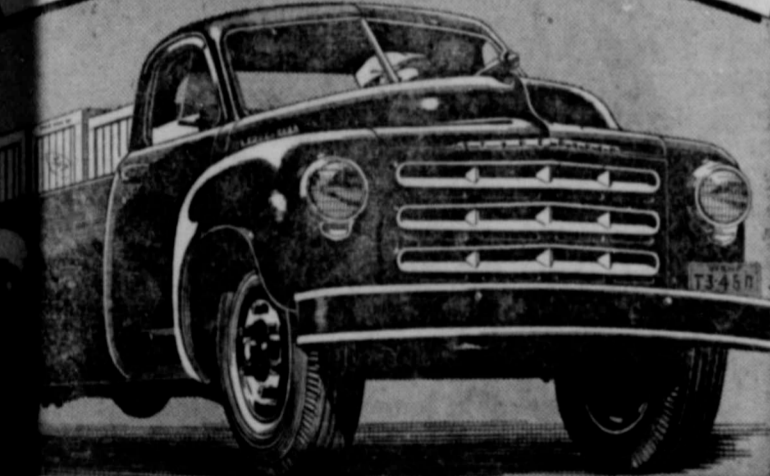

**3. New-Car Power! Quicker Starts!** Yes—the extra protection of Conoco Super Motor Oil keeps that factory flash... that showroom smoothness... year after year after year! Conoco Super Motor Oil's exclusive ability to OIL-PLATE metal surfaces makes your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts... keeps your engine new and clean. Conoco Super Motor Oil has proved itself to be the great new modern wear-fighter!

## Miss Mollie McCoy, Cleveland, O., Bride of Kelly L. Hagood

Molly McCoy, daughter of Mr. and Mrs. David W. McCoy, of Cleveland, Ohio, became the bride of Kelly Lane Hagood, son of Mr. and Mrs. C. L. Hagood, of Floydada, Wednesday evening, February 1 at 8 o'clock in the University Episcopal church in Austin.

Father Joe Hart read the simple ceremony as the couple stood before an altar decorated with tall baskets of pink gladioli and fern. Escorted to the altar by her uncle, Bertram Smith, of Rockdale, the bride wore an original model navy bolero suit with navy and white accessories. Her hat was a halo of starched white pique violets sparkled with tiny imitation rhinestones. Her corsage was white orchids.

The bride's only attendant was Miss Barbara Gibbons, of Harlingen, a sorority sister. Miss Gibbons wore a grey suit with matching accessories and a purple orchid.

David Johnson, Lubbock, served

the groom as best man. Ushers were fraternity pledge brothers of the groom.

The bride attended Greenbrier School for girls in West Virginia two years prior to entering Texas university. She will receive her B. A. degree with an English major from the university in June.

The groom attended Texas Technological college in Lubbock two years and is working toward his B. A. degree in business administration at the University of Texas.

The young couple will continue their studies in Austin and are at home at 2803 Cole street, Apartment 1.

Among those who attended the nuptial ceremony were Mr. and Mrs. C. L. Hagood, of Floydada, parents of the bridegroom.

### COUNTY COUNCIL MEETING SATURDAY AFTERNOON

The Floyd County Home Demonstration council will have its regular meeting at 2:30 Saturday afternoon, February 18, in the county court room in Floydada, according to an announcement by Mrs. C. L. King, council chairman.

## Service Read Sunday Unites Ethel McNeely and Zeb G. Lee, Jr.

An arch entwined with fern and white mums formed the decorative setting for the marriage of Ethel McNeely, daughter of Mr. and Mrs. W. O. McNeely, 221 West Mississippi, to Zeb G. Lee, Jr., son of Mr. and Mrs. Z. G. Lee, of Spiro, Oklahoma, Sunday afternoon.

Dr. R. H. Falwell, supply pastor, read the double ring service at 2 o'clock in the First Baptist church. Flanking the arch were basket arrangements of white gladi and six cathedral candles bearing lighted tapers. Lighted candles tied with white satin bows marked the bridal aisle. A basket arrangement of gladi, snapdragons and fern in the Baptistry of the church completed the appointments.

Mrs. John Brown, of Dallas, a cousin of the groom, played an organ solo, "At Dawning" preceding the ceremony and accompanied Molly June French as she sang "Because". The bridal party entered to the strains of "Indian Love Call" and "Clair de Lune." The traditional wedding marches were used for the processional and recessional. Following the exchange of vows, Miss French sang "The Lord's Prayer."

**Dress Traditions Followed**

Given in marriage by her father, the bride wore an ice blue gabardine suit with toast blouse and shoes and a pink feather hat. A white satin bridal muff attached with garlands of pink sweetheart roses and a single strand of pearls and matching earrings completed the bride's ensemble. The pearls and earrings were a gift from the groom. The traditional something old was a 45-year-old watch belonging to the groom's mother; the something new was the wedding attire; the something borrowed was a gold link bracelet belonging to Mrs. Jesse Brown and garters, made by Alene Warren, were the something blue. Carrying out traditions, the bride also wore a sixpence in her shoe.

Attending the bride as bridesmaid was Christeen Jones, who wore a rose suit with brown accessories and carried a modern bouquet of cerise pink carnations tied with baby blue satin ribbon. Wilma Hamilton, maid of honor, wore a neutral suit with brown accessories and carried a modern bouquet of yellow carnations tied with chartreuse ribbon.

Attending the groom as best man was Dr. John Brown, of Dallas. Groomsman was J. B. Colston and ushers were Ted Lanham and Bradford Beedy. Candelighters were Mrs. Eugene Blackmon and Mrs. James Anderson.

Mrs. McNeely, mother of the bride, wore a navy dress, and Mrs. Lee, mother of the groom, wore a grey suit. Both wore corsages of Belmont gardenias.

A small reception followed in the home of the bride's parents. The wedding cake was served from the lace covered table by Mrs. Beulah McNeely, of Plainview, and Mrs.

John Brown, Dallas. The cake had Ethel and Zeb written on it and was topped with a bouquet of pink roses. The centerpiece, a gift to the bride from Mr. and Mrs. John W. Reue, was a marine globe with yellow roses in it.

## Wedding Trip to New Orleans

For travel, the bride added to her wedding attire pink gloves, a toast bag and the detachable corsage that adorned the bridal muff. Following a week's wedding trip to New Orleans, the couple will be at home in the Freeman apartments in Plainview.

The bride was graduated from Floydada High school with the class of 1947 and attended West Texas State college at Canyon one year. The last 20 months, she has been employed as cashier and bookkeeper at J. C. Penney company.

The groom graduated from Spiro High school in Spiro, Oklahoma and from the Oklahoma Baptist university in Shawnee. He was in the navy three years. At present, he is employed as a salesman with Wilson Packing company.

Out of town guests at the wedding were Dr. and Mrs. John Brown, of Dallas. Mrs. Beulah McNeely, of Plainview and Mr. and Mrs. Joe Kirksey, of Lorenzo.

## Miscellaneous Shower Fetes February Bride at Leo Frizzell Home

Mrs. Nola Arney, nee Eunice Welborn, was named honoree at a miscellaneous shower last Tuesday evening in the home of Mrs. Leo Frizzell.

The guests were greeted at the door by Christeen Jones and Dorothy Anderson and were registered by Mrs. Garvin Beedy. Following registration, the guests were ushered into the dining room, where the were served hot spiced tea and cookies by Mrs. Rex Smitherman and Jennie Chowning. The Valentine motif was carried out in the centerpiece, which was a large heart flanked with cupids and red carnations. Plate favors were red hearts inscribed with Eunice and Nolan on them and tied to little cellophane bags of rice.

The hostesses presented the honoree with a white carnation corsage and her mother, Mrs. J. D. Welborn, with a red carnation corsage.

A toast to the bride was given by Eva Waller followed by the presentation of numerous gifts.

Hostesses for the occasion were Mrs. Travis Lightfoot, Leo Frizzell, Rex Smitherman, Garvin Beedy, R. C. Ross, J. E. Green, Homer Ellis, W. C. Plumlee, Joe Robertson, Alva Jackson, C. B. Carmack, H. D. Meredith, Frank Dunn, W. M. Jackson and Misses Jennie Chowning, Christeen Jones, Nita and Dorothy Anderson.

Registering and sending gifts were Mrs. Truett McCarty, J. L. Montgomery, R. E. McGuire, George Beedy, Walter Sims, R. C. Hodges, James E. Green, Jess Brown, A. C. Collins, C. M. Meredith, C. L. Ash-

## Welborn-Arney Vows Said February Sixth

Miss Eunice Welborn, daughter of Mr. and Mrs. J. D. Welborn, of the Center community, became the bride of Nolan Arney, of Paris, Texas, in a quiet ceremony performed Monday afternoon, February 6 at 2 o'clock in Portales, New Mexico.

For her wedding, the bride chose a navy blue suit with navy and white accessories.

Attending the couple were the bride's parents and Mrs. Homer Ellis.

The couple is at home in Dallas, where the groom is employed by the city.

## Wesley Girls Guests of Mrs. S. W. Ross In Social Meeting

The Valentine motif was carried out in the covered dish luncheon served the Wesley Girls Sunday School class of the First Methodist church which met for a social in the home of Mrs. S. W. Ross last Wednesday.

Hostesses were Mrs. S. W. Ross, B. F. McIntosh and Edd Johnson. During the business meeting, the class voted to furnish the drapes for the parsonage and to serve lunch to the Fellowship club some time during March.

Mrs. McIntosh and Mrs. W. H. Bethel gave the devotional. Mrs. McIntosh gave a reading on power in silence. Mrs. Bethel mentioned some favorite poems and songs of Fannie Crosby, a blind woman.

Prayer was led by Mrs. Clay Johnson.

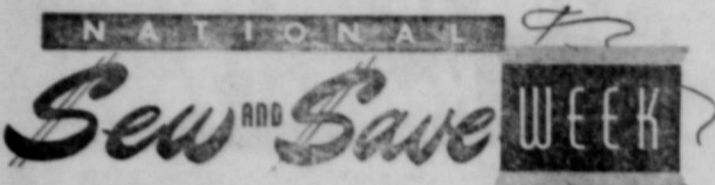

Present were Mmes. D. W. Burke, L. M. O'Bannon, S. F. Conner, J. Barker, Noel Troutman, Bob Henry, Callie Darby, J. B. Turner, E. Fry, L. C. McDonald, R. M. Stovall, G. V. Smith, J. D. Colville, V. W. Hennessee, E. C. Henry, Clay Johnson, a visitor from Graham, W. H. Bethel, Wilson Kimble, H. M. McDonald and the hostess.

### CLASS PARTY

Miss Maurice Burton entertained her Sunday School class with a game party Tuesday night. Those who enjoyed the refreshments and a well spent evening were Misses Wilma Hamilton, Mollie French, Francis Mitchell, Alene Warren, Glenda, Martha and Louise Harp and the hostess.

## INSURANCE FIRE

I now have a RECORDING agent's license under good and strict insurance laws of Texas. Thanks to you hundreds of farmers that have insured in your own Farmers Union companies through me.

For instance, H. B. (Jack) Johnson insured his home and farm buildings with us a few years back and knew he saved money on his premium. Last spring, after the hail storm, we adjusted his loss, paid his loss in full with no deductible clauses.

Last week, the largest policy I wrote was for J. G. Cage—\$13,800 on his home and other farm buildings. The word does get around.

Continue to call on me for

- FIRE INSURANCE with EXTENDED COVERAGE (no deductible clauses)
- HOSPITALIZATION INSURANCE (Pays in any hospital, but best in Our Peoples Hospital)
- LIFE INSURANCE (I wrote 7 - 20 pay policies, Friday the 13th of January)

AND NOW I AM PROUD TO WRITE

## AUTOMOBILE INSURANCE

(For our own National Farmers Union Automobile and Casualty Company)

I am a country boy that has been raised the hard way and surely believe you are due to share in the profits of the companies when and where you spend your insurance dollar.

You have helped me -- yes. You have a perfect right to expect me to help you to personally own a part of this the "Garden Spot of the World" -- yes insurance companies and all.

plastic heart-shaped collection boxes on retail counters in various public locations has been made. In addition other events are planned for the campaign. The campaign is being conducted simultaneously in communities throughout the nation.

### HARMONY H. D. CLUB MET WITH MRS. MATHER CARR

The Harmony Home Demonstration club met Thursday afternoon, February 9, in the home of Mrs. Mather Carr. A short business meeting was held and the program was given by Mrs. Donald Finkner and Mrs. Bill Edwards.

The hostess served refreshments to the following members: Mmes. C. A. Williams, Bob Hopper, Everett Miller, Chas. Trowbridge, Bill Jackson, Roy Hale, Walter Hanna, Carrick Snodgrass, Zant Scott, Glen Pool, Chas. Smith, Riley Holmes, R. B. Gary, G. L. Snodgrass, Donald Finkner, D. S. Battey, John Hoffman, Bill Edwards, and a new member, Mrs. Monroe Schultz.

The next meeting will be February 23 in the home of Mrs. Riley Holmes.

### N. A. ARMSTRONG HAS A GREAT GRANDDAUGHTER

An announcement was received here recently of the birth of a daughter, Janet, to the B. L. Van Netters, of Lubbock. Little Miss Janet is a granddaughter of Mrs. Wanda Banker, Dallas, and a great granddaughter of N. A. Armstrong, Floydada.

Mrs. Wilson Kimble left Friday for a visit of several weeks with relatives in Fort Worth and Jacksonville. She was accompanied on the trip to Fort Worth by Mrs. O. B. Olson and Mrs. J. M. Willson, sr.

## Clue for Cure of Bangs Seen in Dairy Feed

AUSTIN, Texas. — Cows with Bang's disease in a dairy herd at the Gatesville Boys' Training School have thrown off the disease and given University of Texas scientists an important lead in seeking a reliable cure.

Bang's disease is a form of brucellosis, an incurable illness causing abortions and infecting milk cattle, goats and hogs, and losing \$100 million for U. S. livestockmen every year. It attacks humans as well as animals.

"The infected cows at Gatesville may have had some antibiotic organism developed in their bodies which were strong enough to kill brucella organisms," Research Director V. T. Schuhardt said.

Antibiotics are products of organisms that attack other organisms. Scientists have used this effect recently in fighting diseases. Penicillin is a well-known antibiotic.

By studying Gatesville cows' kidney excretions, University researchers have found some significant brucella antibiotics. Also research has revealed the possibility that foods eaten by the cattle influenced antibiotics that killed brucella organisms.

If sufficiently powerful anti brucella organisms can be found, isolated, and produced in significant quantities, a brucellosis cure may be found, Dr. Schuhardt declared.

### SISTER-IN-LAW SUCCUMBS IN PITTSBORO, INDIANA

Word was received here last week of the death of Mrs. Olive Johnson, sister-in-law of N. A. Armstrong. Mrs. Johnson died Sunday in Pittsboro, Indiana.

She had visited in Floydada several times with her sister, the late Mrs. N. A. Armstrong.

### WANTS AUTO BRANNAN PLAN

If Agriculture Secretary Charles Brannan's dream-plan for keeping everybody happy is good for farmers, Rep. Albert Gore argues, why wouldn't it work, for say, the automobile business?

People want and need more automobiles, the Tennessee lawmaker said; there are far too many families with just one automobile, and entirely too many with none.

"Let the automobile factories employ all the workers they can on an around-the-clock schedule to produce lots and lots of automobiles," he said. "Automobiles would become much cheaper. Just let auto prices find their level in the market place, as Brannan says we should do with farm commodities.

"This would mean that the automobile manufacturers would have to reduce wages. But we could tell the workers not to worry. . . . Congress would be asked to make up the difference between the free labor market wages they would get under this new order of things and what Secretary Brannan, or Congress or somebody else might think they should get."—Pathfinder News Magazine.

### EGGSHELL TINTS

In some markets white eggs may cost as much as 5 to 10 cents more a dozen than brown eggs, or a mixture of brown and white eggs, the U. S. Department of Agriculture notes. But shell color has no relation whatever to interior quality of eggs, says Rowena S. Carpenter of the Production and Marketing Administration. "There is no reason why a housewife should ever pay a premium for the color of an eggshell."

Mrs. Mable Dyer has returned to her home in Riverside, California, following a three week's visit here with her brother, W. D. Johnson, Mrs. Johnson and family. Other visitors in the Johnson home during Mrs. Dyer's stay here were her son and daughter, Joyce, Dyer, a teacher in the Kermit schools, and Thad, associated with the Braniff airlines in Fort Worth.

A week-end guest of the O. G. Glassmoyer's was their daughter, Dwina, of Canyon.

So called "closet dramas" are those designed to be read, but not acted.

### THE STATE OF TEXAS

To: Nettie Huskins, Sam Ellis, Mrs. Sam Ellis, Sam Ellis Jr, and the Unknown Heirs of Nettie Huskins, the Unknown Heirs of Mrs. Sam Ellis, the Unknown Heirs of Sam Ellis, Jr, and their heirs and legal representatives Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation that is to say at or before the 27th day of March A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of February A. D. 1950, in this cause, numbered 3864 on the docket of said court and styled Kenneth Bain Plaintiff vs. Nettie Huskins et al Defendants and wherein all the above mentioned parties are defendants.

A brief statement of the nature of this suit is as follows, to wit: Suit in Trespass to Try Title to recover of and from defendant fee simple title to Lots Number 4 and 5 in Block No. 115 in the original town of Floydada in Floyd county Texas, as shown on Plat of record Vol 2P page 294 of Floyd County deed records. Plaintiff pleads that he owns title by deed from F. C. Harmon who owned by sheriff's deed an tax foreclosure judgment against Sam Ellis and his Unknown Heirs and that Sam Ellis and his Unknown Heirs owned title by ten years limitation against defendant Nettie Huskins at time of said tax foreclosure and plaintiff pleads to

own title against defendant Nettie Huskins under the ten year statute of limitation. Plaintiff claims to own said land and premises with fee simple title and that defendants own no interest in same as is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within 90 days after date of its issuance it shall be returned unserved. The officer executing this process shall promptly execute the same according to law, and make return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Floydada, Texas this the 8th day of February A. D. 1950.

Attest:

# It's the bigger

It's the "big car" of its field. Big car V-8 power . . . more "sitting room" than any other low-cost car . . . big-car strength of Ford's 13-way stronger "Lifeguard" Body.

# It's the better

Everything about the '50 Ford spells quality. The quiet, "sound-conditioned" interior . . . the low, level comfort of Ford's "Mid Ship" Ride . . . Ford's 35% easier-acting King-Size Brakes . . . the 50 new quality features.

# It's the buy

Only Ford in its field offers you so much quality for so little money. Ford's "bushed" V-8 engine is the same kind of engine now used in America's costliest cars, yet it's yours for hundreds less than most "sixes."

# '50 FORD

## Union Will Mix Health Topics And Dominoes

Mrs. G. L. Martin, of Peoples hospital, will discuss general health precautions and local health problems when the Sand Hill Farmers Union local No. 33 meets on Tuesday evening next, February 21, at 7:30.

A free picture show from the American Cancer society will be shown. A short program by the Juniors and reports on the state convention recently held in Amarillo will be made. Plans will be discussed and made as to who can and will attend the national convention of Farmers Union in Denver.

Refreshments will be served followed by various games including dominoes as well as just plain visiting with neighbors until everyone is ready to go home, said Ed Holmes Tuesday.

### South Plains News

SOUTH PLAINS, February 13 — Mr. and Mrs. Arthur Brown and

daughter, Karen, and Will Sims left Tuesday for Arkansas, where they plan to visit with Mrs. Brown's mother. The Browns are thinking of making their home in Arkansas.

Mr. and Mrs. John Smitherman returned home Thursday of last week from a trip to Corpus Christi. While gone the Smithermans attended the Fat Stock show at Fort Worth and visited with relatives in and near Corpus Christi.

Guests in the Bryant Higginbotham home Friday night were Mr. and Mrs. John Smitherman, Mr. and Mrs. Harry Hartman, Mr. and Mrs. Raymond Upton and children, Bonnie and Jimmie, Mr. and Mrs. George West and Rev. and Mrs. Clay Guest. Games of "42" were enjoyed by all.

Mr. and Mrs. H. B. Thornton are visiting this week in Trueman, Arkansas, with Mrs. Thornton's brother, and wife, Mr. and Mrs. Norman Davenport.

The South Plains Home Demonstration club met February 8 in the home of Mrs. Sim Reeves. Members present were Mmes. Bill Beedy, George Beedy, Otho Sanders, H. L. Marble, H. R. Hartman, Doodle Miller, J. P. Taylor, Bryant Higginbotham, Wade Davenport, L. T. Wood, Walter Wood, Art Willis, Fred Fortenberry, G. West, A. L. Stewart and the hostess, Mrs. Sims.

Mrs. John Montague and Mrs. E. T. Evans and children, of Amarillo, spent Thursday and Friday with Mr. and Mrs. George West.

Mr. and Mrs. Alton Noland and children, of Floydada, visited in

### New Bus Service

QUITTAQUE—An additional bus schedule began operation through this area this week. The new bus runs from Childress to Floydada and returns each day.

The bus is operated by the Chisholm Trails lines, and the large 29-passenger buses are air-conditioned and comfortable.

### Center News

CENTER, February 14— We've been having a variety of weather the past two weeks. Warm last week, cold and cloudy Sunday, snow Monday, colder Monday night, but today, Tuesday, promises to be a beautiful day.

Our crowd Sunday was smaller. Let us all be out at church Sunday if we can.

Those visiting homefolks over the week-end were Don Clark Green, of Wellington, Margaret Green, of Wayland and Clyde Green, of Fort

the Arby Mulder home Sunday.

Mrs. Davie Kendrick and Mrs. Earley Joiner visited with Mrs. Murray Julian Wednesday afternoon.

Mr. and Mrs. H. R. Hartman and family took Sunday dinner with Mr. and Mrs. Marlin Jarnagin, of Silverton.

Mrs. R. W. Smith, of Sterey, visited with Mrs. George West Thursday.

Worth.

Attending the Worker's Conference in Quitaque from our community last Tuesday were Mr. and Mrs. J. E. Green. They accompanied Mr. and Mrs. D. I. Bolding and Mrs. Collier, of Floydada.

Tuesday night, the home of Mr. and Mrs. Leo Prizzell was the scene of a bridal shower honoring Mrs. Nolan Arney, the former Eunice Welborn. Many beautiful, useful gifts were brought by the host of friends and relatives present. Mr. and Mrs. Arney left Thursday for Paris, where they were to visit with Mr. Arney's parents until the first of this week, after which they'll be at home in Dallas.

A group of the women of the community enjoyed a quilting at Mrs. Ross' Monday.

The W. L. Hartline family attended church at Fairview Sunday. Jimmy Dunn visited the Welborn boys Sunday afternoon.

Mr. and Mrs. J. E. Green attended the Pastor-Layman's conference at Wayland college Monday.

The Center Home Demonstration club met with Mrs. Woodrow Wilson Friday, February 12. The program dealt with the conservation program, being a good neighbor and the Tater family. A delicious refreshment plate, carrying out the Valentine motif, was served to 12 women. The next meeting will be February 24 with Mrs. McNeill.

We hope all the bad colds and bad weather will be past by next Sunday and we'll have a big crowd at church.

### Closes Another Era

MATADOR—Final scheduled passenger train out of Motley county will leave Roaring Springs Quannah, Acme & Pacific railway station Saturday, February 18. It will not return.

As the train steams through the shinnery sand hills east of Roaring Springs it will draw a curtain on an era of history in this section of West Texas. After approximately 25 years, Motley county will again be without railroad mail and passenger service.

### SINCERE THANKS

Our sincerest thanks and appreciation go to our friends and neighbors who were so sympathetic and kind toward us during the illness and death of our husband and father, G. T. Assiter. The lovely floral offering and the food that was served were deeply appreciated and our wish is that your friends will be as helpful to you during your hour of sorrow as ours were to us.

The G. T. Assiter Family.

### THIEVES GET \$300

PETERSBURG—Burglars entered the high school Tuesday night and rifled the superintendent's and principal's offices and secured about \$300 in cash.

Be wise—Advertise.

## INSURANCE SPECIAL

Don't forget we may have an increase in our fire rate March 1, 1950 and if you don't have your insurance rewritten before then, it will be too late.

We expect the increase to be one third of the present fire premium.

# Be Sure To Attend Church Regularly

We are the ships; we and our families, we and our businesses, we and our churches, we and our nations, we and our world. *The Beacon Light is our guide.*

We are in peril... every one of us and every business, every home, every church, every nation, the whole world. How foolish of us, if we shut down the hatches, close the cabin doors, and speed up the noisy music and the dancing. We might shut out the sound of the waves and the sight of the rocks ahead, but we would also shut out the Beacon Light which would guide us through the storm and to our haven.

Every soul is in danger. You are threatened at the very core of you by the self-indulgence and the bright lights that appeal to the physical passions; they are the dashing waves which would break your inner integrity and goodness. Why not have "a good time"? Why not eat and be merry? Why be so serious when others are letting themselves go? Why be sober when everyone drinks a little? Why be a stay-at-home when everybody is on the go? Why be so careful of the truth and of the right, when others take life easily? You live in a dangerous world with the confusion and the noise of merrymaking and of money getting. How shall you save your soul, when the body is so important? Look at the Light! Who are the women and the men you really honor? Whose birthday anniversaries does the world celebrate? How did the Light of the World shine to them? Will you look to Him and learn of Him?

Your family is in danger. The pressure of business, of social pleasures, and of selfish ambitions threatens to wreck the fellowship and the confidence and the self-sacrificing affection which every member of the home must have. Success takes time and effort and loyalty, in the home as elsewhere.

Your business, your church, your nation; these are all threatened by the same waves and the same lurking rocks; sloth and greed and selfishness and pride, the attractiveness of the tawdry and the shoddy because of their easy gain. Let the Light shine on them and you will see how unworthy they are. Under the Light of God only the right and the true and the good and the lovely and the genuine and the worthy will stand clear and sound. Let the Light of the World be your Beacon, now and always.

## Fund Campaign Nears the End

County funds campaign for the chapter Infantile Paralysis Foundation showed a total of \$2,507.86, out of a total of \$4,000 which the chapter had aimed at as a goal.

The compilation made by fund drive chairman Jake B. Watson

Tuesday afternoon does not cover reports from several communities, he said. Doubtless reports from some or all of these will swell the present total before the first of March, when Watson's final report on the campaign is to be made. Communities or districts from which Watson had had no reports Tuesday were Allmon, Starkey, Alken, Liberty, Lone Star, Prairie Chapel, Providence, Sterley and Edgin.

Here are the communities aside from Floydada and Lockney, which have reported and the amounts of the donations credited to each by their campaign chairmen:

Cedar Hill,	\$32.60;
Trick,	\$71.00;
Ramsey,	\$21.70;
Fairmount,	\$13.10;
Pleasant Valley,	\$96.58;
Muney,	\$56.10;
Fairview,	\$15.80;
Antelope,	\$35.50;
Baker,	\$51.42;
Blanco,	\$30.00;
Campbell,	\$117.36;
Center,	\$6.00;
Harmony,	\$119.60;
Hillcrest,	\$13.10;
Lakeview,	\$57.25;
McCoy,	\$73.87;
Sand Hill,	\$77.59;
Pleasant Hill,	\$13.60.

### BIRTHS REPORTED

New births reported at Pitts hospital this week were a son, Bruce Edward King, born February 9 to Mr. and Mrs. A. R. King;

A daughter, Montez Jean, born February 2 to Mr. and Mrs. Calvin Graham, of Petersburg;

A daughter, Vicky Lea, born February 6 to Mr. and Mrs. Thomas Glen Rucker;

And a daughter, Delores, born February 10 to Mr. and Mrs. Jose Flores.

## Lodge Banquet February 22

Plans are in the making and the speaker has been secured for the A. F. & A. M. lodge member's annual George Washington memorial barbecue banquet. The date is Wednesday evening, February 22 at 7:30 in the American Legion hall.

A. T. Hull, Worshipful Master of the Floydada lodge, will be master of ceremonies during the program. Henry Teubel, an outstanding speaker from Tulsa, has accepted the invitation to be guest speaker for the occasion. A male quartet composed of Fay Hart, Henry Barber, Carl Muench and C. M. Lyles accompanied by Mrs. Fay Hart at the piano will render several selections during the program. As an added feature for the evening's entertainment, a piano solo will be given by Janice Roberts and Barbara McNeil. The benediction will be given by Rev. R. N. Huckabee.

Herschell Swepton, secretary of the lodge, said Monday that masons in Floydada that are not affiliated with the lodge and their immediate families are invited to attend the banquet and asks that they notify him the number in their group that will attend so that an estimate can be made on the number of plates to prepare.

Dr. John Kimble, is in Fort Worth this week, where he is attending the tenth annual Southwestern Congress of Optometry. The Congress is being held in the Texas hotel, and will carry out the theme the development and care of children's vision.

### MRS. HUTCHINSON HURT IN FALL LAST WEEK

Mrs. J. A. Hutchinson is able to be downtown with the aid of a crutch following a fall one day last week that fractured her right foot. She was stepping out of the show window which she had been decorating at Miladies Specialty shoppe when the accident occurred. The stool that she stepped on slipped on the freshly polished floor, causing her to fall on her foot. It will be sometime before Mrs. Hutchinson is able to resume her normal routine which includes her job at Miladies, but she was able to attend church Sunday.

Mrs. Ella Johnson is in Graham this week, visiting her son, Mr. and Mrs. J. S. Johnson and family.

## Hiltons attend Rites of Brother-in-Law

Mr. and Mrs. W. H. Hilton returned home Monday night, after spending several days in Elmo, where they attended the funeral services of their brother-in-law, J. L. Griffin Sunday afternoon at 2:30 o'clock.

Mr. Griffin was born at Whitehouse, Texas, July 2, 1886. Surviving him are his wife, one son, James H. Griffin of Brookshire, Texas, three grandchildren, three brothers, B. A. Griffin of Whitehouse, Texas, C. F. Griffin of Fort Worth, Rev. J. W. Griffin, jr., of Bastrop, Texas; two sisters, Mrs. Earl Wheeler of Fort Worth, Mrs. C. A. Jackson of Cross Cut, Texas.

## MAMA!

"Those young chicks are eating each other up."

"Well, Ozzie, I told you to go by and spend a quarter for a jar of Russell's Pick'r."
