

How To Save on Plentiful Eggs

COLLEGE STATION, March — Right now eggs are plentiful and compared with other high protein foods, they are a good buy. The homemaker who is hunting bargains in food and has the freezing and storage facilities will be wise to take advantage of the present situation, says Lucille Shultz, associate extension foods and nutrition specialist of Texas A. & M. College.

She says eggs can be stored in the home freezer or freezer locker for six months or more and still be as good as fresh eggs. Only clean eggs should be used, she warns, for dirt from dirty shells may drop into the eggs during the breaking process and spoil the keeping quality. She says the fresh clean eggs

should be broken into a clean bowl then mixed thoroughly but do not whip in air. Fill moisture proof containers with the egg mixture and they are ready to freeze and store.

If the yolks are separated from the whites and frozen separately, she says you'll want to use corn, syrup, sugar or salt to prevent a gummy condition. For each cup of yolks, add one tablespoon of syrup or sugar or one teaspoon of salt. Mix thoroughly and use the same type of containers as recommended for the whole egg mixture. Whites frozen separately need nothing added and no mixing.

A constituent wrote Representative Gore of Tennessee to say that he'd like to be an inventor, but that he didn't want to waste time on things already invented. "Will you please go down to the patent office," his letter read, "and get me a list of the things that haven't been invented. Get me the answers by return mail, as I'm anxious to get to work." —Washington Post

REA HAS RECORD YEAR

REA borrowers increased their operations to another all-time high in 1949 according to a year-end survey by the Rural Electrification Administration of the U. S. Department of Agriculture.

The survey, based on nine months of actual operation, shows that 175,506 miles of line and 524,550 consumers were added during the year. The cumulative totals now stand at 993 systems in operation (up 41 from the 1948 figure), 934,000 miles of line energized and 3,044,000 rural consumers getting service.

REA estimates that 78.2 of the country's farms were getting central station service on June 30, 1949. A significant increase took place in the amount of power by borrowers during the year. This total rose from 4,757,051,608 kilowatt hours in 1948 to 6,506,000,000 kwh in 1949, a gain of 1,758,948 kwh. The increase indicates both that more farm families are getting service and that rural consumers find more and more uses for electricity once it becomes available to them. In many instances REA borrowers have discovered that their wholesale suppliers have exhausted their resources and are no longer able to meet the growing demand.

REA loan totals also showed increases. Loans approved reached \$1,996,000,000, an increase of \$421,975,539 over 1948. Loan funds advance totaled \$1,143,500,000, an increase of \$226,632,013.

The cumulative total of payments to the government from borrowers was \$233,400,000, an increase of \$38,874,681. Payments in advance of due date totaled \$20,000,000, an increase of \$1,524,112. Amounts more than 30 days overdue dropped \$48,768 to \$958,768.

The ancient automobile with the old gentleman at the wheel eased to a stop at the red light.

The light changed. The car moved forward just a fraction, then yielded the way to a pedestrian.

You know the result, of course! The character in the car behind leaned on his horn and kept squeezing it. The old gentleman peered into the rear-view mirror. Without a flicker of expression, he calmly pulled on his emergency brake. Unhurriedly he opened the door and walked back to the other car.

When he came to the driver's window, the old gentleman reached in and grasped the bunch of keys dangling from the ignition switch. With a wind-up like a big-league pitcher, he threw them over the automobiles in that jammed-up traffic.

Then, without a word, he walked back to his car and drove away. —Esquire

The control of external parasites on hogs should be a must with every Texas swine producer. Unthrifty hogs do a poor job of utilizing their feed and there is no profit in feeding parasites.

The reduction of acreages planted to cotton emphasizes the need for using practices and methods of production that will lead to greater per acre yields, lower production costs and wise use of the diverted acres.

Brave Smile

A three-year-old polio victim smiles proudly as she walks with her doll and a helping hand from her Red Cross nurse.

THE NEXT FIFTY YEARS

Even the great technical progress made in the half century now running out, Westinghouse Electric corporation engineers promised recently, is merely the beginning.

In mind for the next fifty years are possibilities: Phosphor paint and wallpaper, to store sunlight during the day and re-emit it at night; Telephonic television, giving face-to-face contact between business men even over long distance;

Wear proof electric motors of almost endless life, for home and industrial use;

Universal automatic indoor climate control;

Giant turbines for generating electricity, using steam under such high pressure it will be as dense as water, producing double the power of today's machines.

Burning Trash Can Threat to Houses

Sparks from a burning trash can Monday afternoon at 1:30 threatened fire damage to half a dozen homes on West Missouri blocks, when a garage building in the rear of the Lillie Solomon residence caught fire.

High winds blew sparks from the trash can. The fire department, called to the scene extinguished the blaze with no damage to other buildings. The damage was estimated at \$100 by Fire Chief Carl Rodgers.

BEING A GOOD NEIGHBOR SUBJECT AT CLUB MEETING

A discussion on being a good neighbor was led by Mrs. T. J. Heard when the Homebuilders club met in February in the home of Mrs. W. A. Cates.

Papers on soil conservation were read by Mrs. E. L. Thomas and Mrs. J. P. Moss.

Refreshments were served to the members and children, Meses. Floyd Fuqua, J. E. Horton, Raymond Williams, W. R. Daniel, O. G. Mayfield, Riley Teague, E. L. Thomas, P. P. Bertrand, D. D. Shipley, T. J. Heard, B. P. Sandefur, Raymond Evans, D. T. Mayo and Jackie Fuqua and Keith Lynn Teague.

The club will meet next, tomorrow, March 10 in the club kitchen with Mrs. John A. Lloyd as hostess.

PLEASANT VALLEY CLUB

Pleasant Valley Home Demonstration club met with Mrs. Chester Mitchell February 28. Roll call was answered with "It's a Law".

Program numbers included Mrs. Roy Wilkes who gave the part an I a good neighbor, Mrs. L. K. Sherman who gave soil conservation district law and Mrs. Dorsey who told of the function of the soil conservation district.

The following were present: Meses. R. C. Mitchell, Harmon Handley, Clark Harris, Ralph Thayer and children, Weldon Smith, two visitors Mrs. P. U. Payne and Mrs. Bob Henry.

Improper roof and ground drainage are the chief causes for failure in farm buildings. Keep water away from the foundations and the parts of the buildings near the ground.

WHAT PRICE SKILL?

A New York socialite came into the salon of Walter Florell, mad milliner to movie stars and socialites, and announced she needed a hat at once for a cocktail party.

Walter took a couple of yards of ribbon, twisted it around, put it on her head, and said: "There is your hat, ma'am." The lady looked in the mirror and exclaimed, "It's wonderful!"

"Twenty-five dollars," said Walter. "But that's too much for a couple of yards of ribbon!" she gasped.

Florell unwound the ribbon and handed it to her, saying, "The ribbon, madam, is free." —Erskin Johnson, NEA

ACCIDENT PREVENTION

In Los Angeles movie houses, local police are showing one-minute flashes of current traffic accidents. Hardly have the victims reached the hospital and the wrecked cars been dragged away before the movie audiences see what happened, no gory detail spared. Such pictures are expected to have a wholesome influence upon people who lack imagination enough to foresee the consequences of violating the rules of safe driving. —New York Times Magazine

A friend who cannot in a pinch, remember a thing or two that never happened, is as bad as the one who does not know how to forget.

COURT HOUSE CONTRACTOR GETS MACHINERY TOGETHER

Nesbit, of Tyler, Texas, construction foreman for Dolph Construction company, opened up operations here the first of the week for the court house building job for the county, and he got a charac-

ter introduction to the cussed-up conditions of the plains weather. One of the first things that happened to him was a "busted" block of concrete that he was to use

to set a motor block for the court house. The concrete was set down the face in the directions of the compass. This was not until Nesbit will not proceed until Nesbit

is due to be on the job for a year or so (300 working days at least) and is anxious to get the family out here with him, as a carpenter foreman, C. R. R. "We're construction 333-

Funeral Service Held Monday

Remains of James Tony Kirk, metal hardware and furniture store in Floydada for 40 years, interred in Floydada cemetery yesterday afternoon following the services conducted in the Wall Church of Christ, Elder Alva

Kirk was born October 9, near Scottsboro, Alabama. He married January 12, 1886 to the late Savannah Stephens. The family moved to Floydada around 1914 and entered the hardware and furniture business here with W. M. Kirk and Windsor Hard-

son. He operated there until 1919. He bought the interest of Windsor and took in his son, O. Kirk, and son-in-law, W. J. M. as partners. Since that time, business has been known as O. Kirk and Son hardware. Mr. Kirk died in his store up until the day he became ill. Mrs. Kirk died her husband in death

buried on Monday three weeks in Bagwell. Survivors of the pioneer Floydada man are a son, O. W. Kirk, daughter, Mrs. W. S. Goen, Floydada; a sister, Mrs. Jane Woods, of Smith, Arkansas; two brothers, Kirk, of McAlester, Oklahoma; Wiley, of Tulsa, Oklahoma; five grandchildren, J. T. Kirk, Houston and Elton Goen, David Patricia Kirk and Mrs. J. M. M. all of Floydada. Six great grandchildren also survive.

Burial services were held at 10 o'clock at the home of Mrs. Dornes, Grady Dunavant, Seaton and Myron Kattner and E. L. L. of town relatives here for last rites were Wiley Kirk, of Tulsa, Oklahoma; Dr. W. W. S. of Bagwell; Mrs. Sybil Wiley and Mrs. Agnes Scalf, of Tulsa; Mrs. W. S. Bruce of Tulsa; Mrs. Luella Lockhart, of Tulsa; Mr. and Mrs. C. C. Kirk, of Tulsa; and a number from the surrounding commu-

General Rites Held for Crash Victims. Burial services were held yesterday afternoon at 2 o'clock in the Petersburg Methodist church for the late Mrs. E. C. Steinbaugh, who was fatally injured in an automobile accident near Carlsbad, Mexico, Saturday, Nov. 12, 1949. Interment was made in the Petersburg cemetery under the care of Carter Funeral home.

Steinbaugh was driving the automobile when it went out of control and struck a boulder. She was instantly and Mr. Steinbaugh several hours later. Steinbaughs moved to Petersburg eight years ago from Lockney. Burial services for Mrs. Steinbaugh were also held in Lakeview, Memphis, the home of her daughter, Mrs. Tom Stewart. Survivors are two children, a daughter, Frances, and a son, Stewart. Surviving Mr. Steinbaugh are a daughter and a sister, Mrs. Dorsey, who live in Lockney.

VFW ELECTION ON WEDNESDAY

Announcement that the annual election of officers of Harrison post of the Veterans of Foreign wars will be held on Wednesday night of next week, March 22, was made by E. T. Williams, post commander, yesterday.

This special meeting will be for the election of officers and the officers urge a full representation of the membership and cordially invite all potential members of the post to be present.

The meeting place will be the IOOF hall, the hour 7:45 o'clock p. m., said Williams.

Death Claims Dr. Wiley H. Freeman at 94

(Ed. note: The last of three men who helped make Cooke county history, and who in the early 1900s invested in the four leagues of Eastland county school land in south-east Floyd county, passed last week at the age of 94. He was Dr. Wiley H. Freeman, the other two of the three venturesome Gainsville men being W. H. McCune and W. H. Dougherty. The story of Dr. Freeman's passing and the final rites was obtained by The Hesperian through the courtesy of Mrs. Nell Miller, of Sentinel, a native Floyd county girl, daughter of Mrs. J. W. Howard of Floydada.)

SENTINEL, OKLAHOMA.—Dr. W. H. Freeman, pioneer physician in Texas and longtime resident of this community, died in the McMurry-Stowers hospital here Monday as a result of an attack of pneumonia.

Funeral services were conducted Wednesday in the Fourth Street Church of Christ, with W. T. Vaughn and Albert C. Trent, ministers officiating.

Palbearers for the burial were Carl Celsor, John Freeman, Omar Celsor, Buck Freeman, J. L. Celsor, Jr., and Ralph Freeman.

Dr. Freeman, who was born September 9, 1855, was one of the oldest living graduates of the Vanderbilt University School of Medicine in Nashville, Tennessee. He was 94 years of age at the time of death.

After his graduation in 1882, Dr. Freeman began the practice of medicine in Era, Texas. From there he and his family moved to Lockney, Floyd county, Texas, where he practiced until his retirement to Oklahoma in 1911. In 1918, Dr. Freeman and his family moved to Sentinel from Cordell, where they had lived since their arrival in Oklahoma.

In 1879 he was united in marriage with Miss Laura Segraves, in a ceremony held in Lafayette, Tennessee. The couple were in the 70th year of married life at the time of Mrs. Freeman's death February 1 of this year.

During his career, Dr. Freeman served as president of the West Texas State Medical association and was vice-president of the Texas Medical association at the time of his retirement from practice. At the time of his death, Dr. Freeman held a life membership in the American Medical Association.

Funeral rites in Amarillo were followed by graveside services in the Floydada cemetery for Mrs. J. C. Thomas, 74, Tuesday afternoon at 2 o'clock. Earl Cantrell, of Silverton, conducted the short service in the presence of relatives and friends.

Mrs. Thomas, a former resident of Floydada, died at her home in Amarillo early Monday morning. She had been in ill health for several years. Mr. and Mrs. Thomas were early day residents of Floydada. They were living here when the court house was constructed in 1912 and Mr. Thomas served as janitor there until the time of his death in 1915. Mrs. Thomas moved to Amarillo soon after her husband's death.

Aiken-Providence Road Contracted

Contract let Tuesday by the State Highway commission for the construction of the 10.6 miles of hard-surfaced highway from Aiken north to Providence and thence to the Hale county line in Floyd county went to Cooper & Woodruff at a

total of \$68,188, considerably less than \$7,000 per mile. This report received at the resident engineer's office late Tuesday was confirmed also by a report which Judge G. C. Tubbs had from the members of the Commissioners

court, who, with Ben Quebe, attended the session of the state commission and heard the bids read out. Tubbs said members of the court were much pleased to know that Cooper & Woodruff are the successful bidders on the Providence road.

"If they are not good builders they've sure got the court fooled," said the judge Wednesday morning. Tubbs said that a considerable bit of private road construction is likely to be done while the work is in progress from Aiken to Providence. Mr. Quebe, among others, will want some paving done from the highway to his residence and there will be some paving done in the limits of Aiken. Numerous others also are planning to trade with the construction company for hard-surfaced roadways on their lands in the highly developed area of the northwest corner of the county.

Cooper & Woodruff gave notice that they would begin quickly on the job, possibly this week and certainly not later than next week, according to the word Judge Tubbs had from Commissioner Fred N. Clark, with whom he talked late Wednesday.

Next Floyd county job for which the local authorities are pointing is the improvement in the northeast part of the county, where a letting is scheduled for this summer on a north and south route to give an all-weather road to market for an important segment of the county's population.

Must Move Stored Records. Judge Tubbs' call to Austin was on the road construction letting only incidentally. The burden of his telephone conversation with the commissioners there was to inform them that the court house contractors have said two or three rooms-full of old records stored in the basement of the old court house must be moved. What do the commissioners want to do about it, was his query. Decision that the records must be moved was occasioned by the decision of the architects to have the temporary roof of the court house taken off. Should a big rain come the records would be ruined. The records will be moved this week-end some way, some how, to some place.

SLOW GO FOR RED CROSS

Things haven't gone right, too many people with influenza, too much inertia. Result the Red Cross campaign for Floyd county entered its mid-month week with more than \$1,800 of a \$2,200 goal to go.

That's what the report of Edward Wester, county chairman, adds up to this week. Figures for Saturday night, March 11, show \$346.45 in the treasury for the 1950 spring drive.

If you would like to donate and have not been seen and fear you may not be, see C. H. Wise at the First National bank who will receive and receipt for your donation, or Edward Wester at Wester Grocery and Market. Here are the Red Cross objectives:

Red Cross Objectives. The funds raised by the American Red Cross in the 1950 campaign, will be utilized by the national organization and by the chapters: To discharge its basic obligation to coordinate and direct the resources of the nation in time of national disaster.

To meet primary and fundamental Red Cross responsibilities to the nation's armed forces and to veterans and their families. To provide for medical use, without charge for the products, blood and blood derivatives throughout the nation to help save lives and prevent needless suffering. This is the goal of the National Blood Program.

To cover the maintenance of established and continuing Red Cross services for civilian welfare in this country and the development of such supplementary or related services as may be deemed appropriate. To extend aid to other peoples when such assistance would be consistent with the national interest

Ginn, \$33.00 Dougherty, complete, Mrs. Roy Crawford, \$66.50 Lone Star, incomplete, Howard Watkins, \$48.10 Lakeview, complete, Milton Harrison, \$22.50 Pleasant Valley, complete, Mrs. Roy Wilks, Mrs. A. New Clinical Technician Is on Duty Here

The Peoples Hospital 1100 South Third street, announces the association of Mrs. Margaret Smith Fernandes, M. T., who is to operate the clinical laboratory and x-ray departments of the hospital. Mrs. Fernandes was previously engaged in laboratory and x-ray work at The Medical center in Bogalusa, Louisiana. She came to Floydada from Lambert, Mississippi, where she had established departments of x-ray and clinical laboratory.

Mrs. Fernandes received her academic training from the Alabama State college for women. Her technical training was acquired at the Duke School of medicine and at Watts hospital, both endowed by the Duke estate of Durham, North Carolina.

The Peoples hospital Laboratory is approved for clinical laboratory tests and x-ray work. Emergency work may be done at any hour. Elective work is done by appointment at a time suitable to both the patient and technician.

RECOVERING NICELY. Mrs. Claude Hammonds is at her home in Lockney and resting nicely following an operation performed two weeks ago in the Medical Arts hospital in Dallas. Mrs. Hammonds was dismissed from the hospital Sunday of last week and spent a week in the home of her mother in Dallas before returning home.

Rites Here Tuesday Precede Burial Of Mrs. J. C. Thomas. Funeral rites in Amarillo were followed by graveside services in the Floydada cemetery for Mrs. J. C. Thomas, 74, Tuesday afternoon at 2 o'clock. Earl Cantrell, of Silverton, conducted the short service in the presence of relatives and friends.

Mrs. Thomas, a former resident of Floydada, died at her home in Amarillo early Monday morning. She had been in ill health for several years. Mr. and Mrs. Thomas were early day residents of Floydada. They were living here when the court house was constructed in 1912 and Mr. Thomas served as janitor there until the time of his death in 1915. Mrs. Thomas moved to Amarillo soon after her husband's death.

MRS. W. R. DARNALL'S FATHER DIED TUESDAY. The body of William M. Collins, 74, was brought overland from Amarillo and interred in Lockney cemetery yesterday afternoon. Mr. Collins died Tuesday in Northwest Texas hospital in Amarillo following a lengthy illness. Funeral services were conducted in Blackburn-Shaw chapel before the body was removed to Lockney. Surviving relatives include a daughter, Mrs. W. R. (Pont) Darnall, of Lockney.

High Quality Applicants Seek Jobs of Enumerating In County

Apparently the Census crew leader is not going to have any trouble getting good helpers in Floyd county in the nose-counting business and collection of information to put in Uncle Sam's archives.

Crew Director Ralph C. Johnston, interviewing prospective helpers Friday, Monday and Tuesday, said the list was full of capable people, who will be sure to do a good job and patriotically follow through to see that a full and complete job is done. This is important this year in particular because the county is in the beginning of mid-century national life with world matters in turmoil and the need for soberly taking stock of our people and our resources is a matter of grave concern, with national and domestic matters pressing on every side.

"Since the last big census in 1940, our country has gone through World War II. A lot of changes have come about which a lot of guesses have been made. What we want our present census to do is to give the facts about what has happened to us," said Johnston this week.

These facts, which are to be obtained will be used in many ways that will be beneficial to the people of the country, pointed out the crew leader. Among these: For apportionment of representation in the national congress, which depends upon the number of people in each state; as well as for apportionment of representation in the state legislative halls city, state and national governments to administer for administration of their police and fire protection, to know how many people there are and

Arwines at Temple For Old Home Week

J. A. Arwine said this week that Mrs. Arwine is recovering as satisfactorily as they could hope from operations done at Scott & White sanitarium recently. Mr. Arwine returned home the first of the week while Mrs. Arwine stopped at Abilene to spend a brief period with relatives.

It was Floydada week, old home week or something of the kind, during their three-week stay in Temple, Mr. Arwine said Tuesday. Among others who spent brief periods at the sanitarium were Mr. Carl Minor and Mrs. R. B. Rosson, the Leland Woodwards, the Lee Rushings and the R. T. Jones. Nobody seriously ill, it appears, all there for a check up.

where they live. For planning for national defense, schools, water supplies hospital locations; also for the benefit of manufacturing and sales programs which have to be based on facts such as are obtainable in a census; and for an inventory of the actual conditions in America -- how many homes, how many baths, how many electrically served, how many farms, what crops.

These enumerators which will be named and given special training before the opening date of the nose-counting campaign, will be the official reporters, the fact-finders. (See Many Applicants, back page)

WHAT'S YOUR GUESS? HESPERIAN BETS 4,200 IS TOO LOW FOR POPULATION OF FLOYDADA

What is your estimate of the population of Floydada? The Hesperian has wanted the figure to be 5,135, but our Mr. Tiny Brown, who has made a complete house-to-house canvass for friends and subscribers in the corporate limits, says we're due for disappointment. He puts the figure at 4,200. "That's all the people I can see and I believe it is just about the figure the actual census will show at the end of April," said Brown.

What is your judgment is what we want to know. We don't like the figures Mr. Brown gives but we'll have to take them. He has been about all over town and practically counted noses so he ought to know. So what he says is what we say. We wouldn't have put him on the payroll if we hadn't had confidence in him. But maybe you think different and, especially if you think

higher than he does, we want to know what you are thinking. Fact is we'll pay you to be more right, than he is. We'll give a dollar to the reader of The Hesperian who guesses closest to the actual official figures when they are released sometime in May.

Don't telephone. Put it down on paper, sign your name and mail or bring it to the office. We'll file it away and in May pay you the dollar. If you make the best guess. You don't have to subscribe, buy anything or do anything but guess right.

people, get their subscriptions, their ideas about how the newspaper should be run, what news should or should not be printed, their complaints if any. Mr. Brown has got to make a living and so have the other people who work at The Hesperian office. If you want to renew your subscription for as much as two years that's fine. If you have a friend who should be taking the paper, give Mr. Brown his name.

Meanwhile mail in your guess on what the official census will show the population of Floydada to be. You might win a dollar for your trouble and get your picture in the paper as well. Mr. Brown is enjoying his experience going out and seeing the people for The Hesperian, he says. "I've rung many a door bell from Dallas to Los Angeles, and I've been treated with the most consideration of any place I know right here in Floydada," he said.

Freezing Days Makes Outlook for Fruit Dim

I love my peaches, I love my plums, But I probably won't get 'em After the spring freeze comes. So goes the old doggerel in West Texas. And possibly that is the way it will be in Floyd county this year.

Lots of little peach blossoms and other kinds had their dainty bits of frost nipped Sunday and Monday. Possibly some of the more important commercial crops of the area may have been damaged somewhat. Jonquils stood up under the whipping and report has it that onions did. Maybe the early blooms on the fruit trees were tougher than they appeared. But here is the story of the freeze during the week-end:

Boreas blew out of the northeast Saturday night. At 10 p. m. the thermometer registered freezing, with a low of 20 Sunday morning, and a new beginning at 1 p. m. o'clock Sunday afternoon. Sunday at 7 o'clock p. m. the cold clamped down again to let up at noon Monday, with a low of 13 degrees registered in the 24 hours. This according to the recording thermometer at West Texas Gas company.

Tuesday morning's low was 28 degrees, Wednesday low 44 degrees. High was in the low seventies. Wednesday high winds from the west southwest again plagued the area, but by and large there was not a great deal of earth moving from the fields despite the fact that much dust was in the air from dirt streets, from lanes and from bar ditches of some of the highways.

Wheat men, who usually mourn the loss of their wheat crop two to four times a season, wept for the first time Wednesday. It was pretty tough.

Plains Grain Man Claimed By Death

H. G. Stinnett, Jr., 62, president of Harvest Queen Mills, Plainview, died of a heart attack in his office there Friday afternoon of last week. Several associates with him at the time of the sudden seizure summoned an ambulance and medical aid but he did not respond to treatment.

Henry Edwards, of Floydada, one of the long-time friends of the deceased in the grain fraternity, was among those notified Friday afternoon of the sudden passing of one of the leading spirits in the grain trade.

Funeral rites were held Sunday afternoon at the First Baptist church in Plainview and interment was made at Sherman, his former home. Survivors include his widow and one step-daughter, Mrs. Kenneth Bishop, of Dalhart, and one sister, Mrs. E. L. Holsten of New York City.

In his youth Stinnett was associated with his father in the milling business at Sherman. After a year at Fort Worth, he moved to Plainview in 1932.

EDITORIALS

How long it will be again until there is an attempt to get oil production in Floyd county involved in the judgment of many less-ees who have been taking rentals on land here. To us it appears the time may be quite distant despite the fact that leasing offers (and acceptances) continue with almost feverish haste. At this time hardly a major or important independent operating in the southwest but has some acreage under lease and it is said that, while there are still rather extensive acreages not yet under contract you could not go out and get a big "spread" anywhere in the county. Possibly the north-west corner may be the exception. Most recently some important independents have been taking checker board leases across the length of the county. Rental price runs from \$1 to \$2.50. What they are taking for the most part is the 10-year renewal contract. One thing that makes very considerable exploration unlikely at this time is the fact that Texas is cutting down on production instead of increasing it on account of competitive oils from other continents, the price has looked down, and major producers and refiners find that the oil under the ground is stored in about the cheapest place that can be found to await need for it. That an underground "ocean" reef's northern boundary meanders or may meander through some counties hereabout has created the latest interest since the Scurry county field blossomed out against the intentions of the major operators.

There are those who must dig and delve, come March, as the spring sap begins to rise in the trees, is a matter which always must have the attention of such well-ordered newspapers as The Hesperian. To protect the foolhardy against their own impulses is important since a gardener who wears himself out before time will not deliver a high class garden later on. For instance next week there will be a right sharp of a warm spell when warmth of the earth will swell up between the toes and warm the tendons of the lower limbs. But don't be fooled by such pranks of Mother Nature. Hold your fire and keep the seed of radishes, et cetera, high on the shelf. Good Friday, this year, is early enough, possibly even too early. By that time many just cannot forbear and will put beans and English peas and the like in the ground and will plant a package or two of radishes and lettuce, may-

be even some okra. Those who plant earlier will be putting their ground into better condition for the later planting, of course. We have no information on the H-bomb but we do go all out on such matters as our observation gives us certain information on. This is one of those mean springs in the high plains country. Keep it in mind. Later on Mother Nature will smile and smile. For right now call her an old huzzy and you'll be right.

Taking of the census is a job which several persons will begin soon in Floyd county. The zero hour is Saturday, April 1. Who'll get his name and that of his family put down first we wonder? And who will fill dally around and let the census man miss him? The situation is much more favorable for a good count here than it was 10 years ago and 20 years ago. The houses and garage apartments and everything are full now. In those years it was an unkind fact that drought or depressed markets had a lot of good people out somewhere looking for work who ought to have been counted in Floyd county. Times have changed and big farming has run a good many people out of the country in the past decade but the other omens are favorable for 1950. And keep this in mind, regardless of the carping critics, there is no likelihood that you'll be asked any questions that you may not make an honest attempt to answer. Most of us had rather the census taker would just count the feet and divide by two. But this and that important segment of business or society thinks that other information would be helpful to the country. For one thing, the statisticians and the business machines punchers have got to be furnished jobs and kept happy to keep them out of the poor house or the nut factory. They have to be kept going one way or another. Every question you answer that appears foolish will keep one of them happy for weeks and weeks. Such as these prevail on the Bureau of the Census to put in this and that question that won't hurt you to answer and will make them extremely happy. Spread sunshine, you know, like they say in Sundry School.

It's easy to call a spade a spade—until you stumble over one in the dark.

I don't know anyone who's fast enough to keep up with his good intentions.—Anon.

Common Cold Thief of Your Time, Money

AUSTIN, Texas.—There is hardly anyone who hasn't caught cold at one time or another and besides making you feel miserable they steal your time and money declares Dr. Geo. W. Cox, State Health Officer. They fool you too, because the early signs are often the same as those of more serious illness. Long continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears or sinuses. Do your best to keep from catching cold. If you do catch one, take care of it promptly by going to bed, keep warm and dry, drink plenty of citrus juices and water. If the cold is severe, consult your physician.

Another enemy is pneumonia, an acute infection of the lungs. Virus pneumonia is the most common of all pneumonias today. It may occur at any age, and usually appears in local outbreaks instead of far reaching epidemics. In any case of pneumonia, good medical care and nursing play a great role in recovery. Lobar pneumonia is caused by a bacteria, not a virus, and is very contagious. A generation ago one out of every four who had this disease died. Today thanks to the "miracle drugs" many are saved. It is most common in late winter and early spring.

The most frequent victims of broncho-pneumonia are the aged, the invalid and the baby.

Farm buildings require management along with maintenance and the more uses that can be made of the structures the more profitable they are to the farm business.

Fawver adds Classy Bull to His Herd

Thomas Leslie Fawver, who has been edging into the Jersey milk production business since his return from the armed services four years ago and has built up a sizeable herd of dairy cattle and is one of the heaviest producers of quality milk in the immediate area, has added a quality bull to his herd by purchase.

The bull he has acquired is a son of a famous bull, the son of a famous bull. He is Volunteer Peggy Lad, bred by C. B. Carmack and owned by L. G. Withers. Transfer from Withers to Fawver was made last week-end. The consideration was \$1,000.

Peggy Lad's mother was classified by the American Jersey Cattle

Records
Music for your every mood as you like it . . .

H. G. Parker Furniture Co.

club as good plus. She was Combination Princess Peggy. His sire is Volunteer Majesty Welcome, the sire which Carmack sent to Crockett, Texas, at \$2,000 and which later went to a Waxahachie herd at \$5,000. The grandsire is Welcome Volunteer, the Thulia bull that went to Massachusetts to head a famous herd there.

MILLER SELLS ANGUS

WHAT IS PUBLIC SERVICE?

Public Service is complete service. Service tuned to the needs of the area.
Public Service means skilled agricultural engineers - men who can, for example, tell the farmer how efficient his irrigation well is.
Public Service means service that is helpful to all the groups that make up the economic life of an area, the butcher, the baker, the candlestick maker and the farmer, the merchant, the housewife.
Public Service is expert service. Service designed for you - the customer. It's the kind of service you deserve to have. Do you have it?

added two dates and ever since March 17 has been the day for "the wearing of the green."

Many of the problems that we are ready to pull hair and fight over today have as simple a solution. This St. Patrick's Day will be a holiday for F. H. S. students. Let's use it as a cleaning day for all our problems, then we can come back to school Monday with a clear mind, ready to bring up those grades before it is too late.

Junior Class Report

The junior class held a meeting March 6 to select their senior class ring. Their officers met early to decide, with a unanimous vote, on a ring made of white and yellow gold. They are all eagerly awaiting the time when they may wear these beautiful rings.

About sixty-five members of the class have brought deposits.

EDITORIAL

ST. PATRICK'S DAY

There is an old legend about St. Patrick's Day. It seems that St. Patrick was born at midnight between March 8 and 9. People could not agree which day should be celebrated; some were for the 8th and others the 9th. To settle the matter, many of which were very violent—a wise old priest

FHA Girls Present Assembly Program

The assembly program March 7 was given by Mrs. McMillan and her homemaking classes. Those on program were a large group of students playing kitchen utensils in a band; a duet, "Whistle Mary Whistle," was given by Jean Porter and Ann Welborn; a monologue, "Radio Pudding" by Betty Stewart; and skit by "The Piano Tuner and the Baby," presented by Gayle Carver and Judy Moss.

A solo, "Sheep," was sung by Carolyn McDonald; a skit, "The Operation," was given by Jean Hollums, Wanda Pool, and Peggy Taylor. A duet, "Nuthin' but the Crust of the Old Apple Pie" and "The Skeeter and the Flea" was sung by Gloria and Gleta Ratjen.

A canning demonstration was given by Jean Porter.

A duet, "What Shall I Wear?" was sung by June Ware and Beth Walker. Then a skit, "The Story of a Girl's Life," was given by Molly French in songs according to the different phases of a girl's life. Those who played the parts were first, as a baby, Mary Ann Wilson; playmates, Darlene Galloway and Mary Ferguson; sixteen, Gladys Parkey; sweethearts, Lorraine Fisher and Teddy Assiter; bride and groom, Leone Williams and Hershel Nelson; homemaker, Molly June French; mother of small children, Fern Patterson; and grandmother, Nell Reddy.

The entire program was enjoyed by all.

Candid Camera

Our personality this week is a very charming miss whose radiant smile, pretty brown hair, and hazel eyes produce a most attractive picture for the old camera. She was born in a small town called Yorktown on a chilly December 14, 1932. The name printed in her pink baby book was Dorothy Nell Bishop. At the age of seventeen she stands 5 ft. 5 1/2 in. tall and weighs 110 pounds.

Dorothy has always wanted to travel over Europe and especially see Ireland. Some day she's going to be the director of a successful "Little Theater" if she accomplishes her greatest ambition.

Dorothy was most thrilled when she acted in "The Silver Cord," in which she played Anna, went to state.

Her most embarrassing moment is entirely too embarrassing to print.

Dorothy just loves Oldsmobile 88 rockets, good music, drama, shoes, radishes tailored clothes, people that are different, F. H. S. and, Molly.

In her leisure time she would ride around and listen to the radio with Peggy C. Rating as her favorite sports are tennis, football

AND SWIMMING

The best show she ever saw was "Green Dolphin Street," starring Van Heflin. She also likes the movie stars, Dane Clark and Elizabeth Taylor.

Her latest book is "The Rebe," and her best liked author is Lloyd C. Douglas.

Dorothy's main dislikes are sand storms, the morning after a slumber party, Baker's office, gossipy people, liver, pesty boys and studying.

Lecuona's "Malaguena" is her favorite song. The colors that appeal to her are green, gray and yellow.

Baylor University is definitely her dream school. She says her worst habit is saying the wrong thing at the wrong time.

Dorothy's only weakness is a certain blond whose initials I wouldn't reveal for the world.

The handsome "Don Juan" who stole her heart away has blonde hair, mischievous blue eyes, is 5 ft. 11 in. tall, with a very nice physique. He is definitely understanding and lots of fun to be with. He's a knockout in sports clothes and is really an all-around guy.

Dorothy's ideal day would begin around 7:00 in an indoor swimming pool. She'd take a few dips, then eat breakfast of waffles and two cups of coffee. After breakfast she'd go horseback riding until about 10:30, then play tennis till noon. For lunch she'd eat tenderloin of trout with all the trimmings and top it off with strawberry shortcake and coffee. Following lunch she'd travel into a big city and purchase, for herself a complete new wardrobe.

The remainder of the evening she'd spend listening to compositions like Malaguena, Greggs Piano Concerto, Warsaw Concerto, and then a little of Tommy Dorsey's Boogie. Around 7:30 that certain blonde would pick her up in his Oldsmobile and take her to dinner. Later they would go to a theater to see an outstanding play, and on the way home stop at a drive-in for lime cokes. She'd tumble into bed around 12:00.

Among Dorothy's many achievements, she was Freshman class president, sophomore class favorite, and her ability to act is outstanding.

Dorothy, you're a gorgeous girl who has really captured the hearts of the F. H. S. students. Love, luck, and lots of happiness to a popular miss.

DE QUACKER

If one doesn't want anything in the DeQuacker he had just better not do anything; because it will sure get in there if he does it.

L. McAda and Don Holland sure do enjoy the 5th period History class. Love at first sight.

Gloria and Weldon Hargis were hitting it off pretty good Saturday night. Maybe this is a new love affair.

Guess What ???

A capital makes it one way. A small letter makes it another. So guess this riddle I tell today. Pronounced one way or the other it begins with a "P" to start you out right. And an "h" at the end you see. Sometimes it makes things quite bright. The other ways across the sea.

Answer to last week: Miss Swepston and Mr. Foster.

CLOTHING GIRLS TO MODEL

March 15, the clothing girls are going to model the clothes they made in clothing this year. They will be judged by Mrs. Noble S. Abbott, and those chosen will model for the Home Demonstration club at Starkey.

The girls are planning to attend the area meeting at Borger, March 25. Many girls are expecting to attend.

DE QUACKER,

(Continued)

Joy and Bill went a whole two weeks without having a fuss. But I heard them fussing the other night. Now, kids, that's no way to act. Billee, are you going to let Jerry

just slip through your hands? If you do, it might be good-by forever. There are some girls that think a lot of Jerry. You better do something about this, Billee!

What is this I hear about Darlene being engaged to a boy in Lockney? Is it true, Darlene?

How does Jane Johnson get away with what she does? She goes with Everett one night and Leroy the next. How are things going to turn out?

What was Sammie so happy about the other day after Jane told her something? Sammie, could you tell us about it?

Who is going to be the lucky girl to get a date with Joe Richard Noland? It seems that it is a close race between Carolyn McDonald and Lorraine Fisher. Good luck. Well, well—seems as though every one is getting married or going to get married. Darlene received her diamond last Friday night and is really planning big on that double wedding in June. Who is the other couple, Darlene? Could it be L. H. and J. K.?

I found a little note in typing stating that, "Dwane Lemons is still going strong with Joyce Myrick." Is this true, or just another hoax? Ewarda has really been running with Sonny Turner from Lockney. Hang on to him—you've got yourself a swell guy—I know.

I can imagine how happy Grace was when Arlen walked back to school the other day after being sick so long. Arlen, we are glad to see you up and around again.

What was the matter that Bettye Laminack didn't go with Melvin the other night when he asked her for a date? Could it have been that she already turned someone else down?

Say, Joy, was it the show that you were swooning about or was it the boy that you were with Sunday afternoon? Good show I know? Sherwyn is really enjoying this stay at home that Bill is giving her. Sherwyn, I don't see how you did it when he was gone.

Why did Jane get mad at Everett better watch out? Where was Clara Sunday afternoon, Kenneth? Did I not see you in the pick-up with Gayle Carver just riding around. Gayle, what will Pike say, or was he enjoying that ride with Ray Nell too much? Ray Nell, what will Connie say? Boy, that was a change up, wasn't it?

We certainly all enjoyed the private dance that was given by Trice Saturday night. I think that I am ready for another one already. Say, Billie where did Jimmy go over the week-end? I didn't see you with him a single night. I don't think that that was Jimmy that I saw you with Saturday night. It looked rather tall for "Little Hammonds."

Which one, Mary Alice or Jennie Chowning, is going to go with Bobby Bush? Girls, this will wear "Bish" out too soon. Take it easy. By the way wasn't that Clara I saw you with, Jerry? You looked pretty cute to me, Sunday afternoon that is.

Wasn't that Elaine, Davis was with Friday night. They sure do make a cute couple, don't you think so?

Occurrence—Found wherever man exists.

Chemical properties — Possesses great affinity for gold, silver, platinum, and precious stones. Violent reactions if left alone. Able to absorb great amounts of good food. Turns green when placed beside a better looking specimen.

Use—Highly ornamental. An equalizer of wealth. Probably the most efficient income reducing agent known.

Future Farmer news

The F. F. A. quiz teams are to leave Thursday for the state leadership contest to be held at Hainsville Saturday. We hope they have good luck and a fine trip down.

The judging teams that went to Amarillo Thursday did not place. They were in very strong competition and hope to do better if they enter any more contests.

The boys who have animals to show in the spring show are getting them ready. The show will be held on March 29, 1950.

Girls Chorus Sings

The Floydada High school girls' chorus sang at The First Baptist church Sunday morning, March 5, under the direction of Miss Ruby Lee Bevil.

The numbers presented were "How Lovely Are Thy Dwellings" by Samuel Little, "To Me O Lord Turn Thy Face" arranged by Walter Wismar, and "A Faithful Shepherd Is My Lord" by Johann George Nagel.

BAND NEWS

The band ordered their jackets and sweaters last week. They plan to receive them before school is out.

They are still rehearsing hard for the contest.

Feb'y Names On Selective Service List

List of February registrants for selective service in Floyd county as released by Local Board No. 45 has six names, total for the entire five-county area being 23 names. These are young men who attained age 18 in that month and registered on their birth dates or within five days thereafter.

Floyd county names include Billy Doyle Hatley, 300 South Wall Street; Gordon Neal Hambright, Route 2; Julian Dean Helms, Route 1; and Loy Lee Trice, Route 1, all of Floydada; Robert Henry Hartman, South Plains; and Bobby Charles Tiner, Route F, Lockney.

Rockne Leland Giesecke, Matador, and John Newton Fletcher, Jr., of Roaring Springs, are on the list from Motley county.

Conservation District News

The board of supervisors of the Floyd County Soil Conservation district met in regular session March 7 with the following members attending: W. H. Nelson, Bert Bobbitt, Cecil Purcell and H. G. Dunlap. Others attending were County Agent Bob Gibson, Miss Leila Petty, County Home Demonstration agent; Bob Crowell, manager of Chamber of Commerce; Henry Barber, vocational agricultural teacher and Dr. John Kinise, president of the Jaycees.

Mr. Gibson is holding meetings in Lockney, Lone Star and Floydada to discuss legumes and their benefits, comparing the advantages of legumes with other methods of soil building as a result of the board discussing the need for this type of information.

Miss Petty reported to the board that she had discussed the possibility of the board of supervisors and the Home Demonstration Council holding a combined meeting in an effort to obtain engineering assistance for club members working with yard and garden projects. The Council wishes to cooperate with the District and invited members of the board to attend their meeting on March 18. Mr. Dunlap will give a talk on the type of assistance that will be available.

The annual field day sponsored by the District, in cooperation with various organizations and individuals, will be held May 4. Definite plans for this event will be announced at a later date. A window display contest will also be held for FFA and Homemaking students and 4-H club members. The routing and publicity committee was appointed as follows: Bob Gibson, chairman, Ralph R. Cogdell, Ray S. McEntire, F. L. Montandean and Henry Barber. The Floydada Lions club has consented to obtain the principal speaker for the day.

The board approved applications for assistance from the following farmers: W. A. & W. W. Blair, Ralph J. Trice, H. G. Waite, Isaac Smith, J. R. Robertson, Bill Norman, W. B. Mullins and R. H. Ford. Agreements between the District and the following farmers were approved: J. W. Kimbell, Neoma Smith, H. E. Payne, C. T. Morrison, Jr., W. H. Griffin, J. T. Hooper, G. C. Applewhite, Floyd Garrett, Kenneth Moody and D. R. Meek.

Several cooperators with the Floyd County Soil Conservation district are purchasing Hubam clover seed

and a few have planted it. Green bug damage has been severe on some irrigated wheat. This area should be planted to Hubam and a cash crop of seed harvested in late August. The land could then be returned to wheat next fall. This crop would, in addition to being a cash crop, add nitrogen and organic matter and is a good chisler of soil.

Floyd County 14 Years Ago

Taken from The Hesperian March 19, 1936

With the deadline only 12 days distant, only 469 passenger cars and 66 truck license for 1936 have been issued.

Four stacks of feed burned Saturday morning on the W. H. Brock farm in McCoy.

The offices of the Floyd and Hale County Texas Relief commission will consolidate on March 21 with offices to be located in Plainview. Balrd Bishop and J. A. Arwine are in attendance at the West Texas druggists convention in Amarillo.

Noel Troutman, who underwent an operation at Lubbock several weeks ago, was removed to his home Monday.

The new Harmon Funeral home will be open for public inspection Saturday and Sunday afternoons. No successor has been chosen to take the place vacated by A. G. Hopkins' resignation as secretary of the Chamber of Commerce.

Mrs. James Jones, the former Barbara McCleskey, was honored with a miscellaneous shower Friday afternoon in the home of Mrs. Roe McCleskey.

LIQUID OR TABLETS—SAME FAST RELIEF

Elton Goen, a student of Texas Tech, spent the week-end here. Mr. and Mrs. George Stiles gave a birthday dinner for Mrs. R. H. Ashton, Mrs. W. H. Bethel, Mrs. E. C. Hayden and A. H. Kreis on Wednesday evening.

Fifty Floyd county farmers and twenty Motley county farmers attended the terracing demonstration held in the Cedar Hill community of the S. L. Rushing and A. T. Boston farms.

Dr. and Mrs. I. J. Marshall, son, of Roswell, were weekend guests of Mr. and Mrs. L. Marshall.

E. E. Hinson and Carl Rodgers attended a district meeting of the fair dealers in Lubbock Monday.

DEARBORN LIFT-TYPE MIDDLEBUSTER
...a great implement for the Ford Tractor

Wherever crops are listed or bedded, you'll find the Ford Tractor and Dearborn Middlebuster doing a fine job.

This implement can be attached to a Ford Tractor in a minute or less... lifted and lowered by Hydraulic Touch Control for fast transport, turning and backing... and its depth can be regulated by Hydraulic Touch Control and Implement Position Control... You can use two bottoms or one. Add a planter attachment if you wish... with or without fertilizing equipment. See it!

Three CHAINS

CHAINS! CHAINS! CHAINS! Great chains which draw the heavy loads of commerce! Middle-sized chains which we carry for pulling an automobile from the mud! Tiny chains which hold a cross, a precious gem, or a lovely cameo, suspended about my lady's neck! Of them all the old adage remains true, "No chain is stronger than its weakest link." For one weak link the great load of logs breaks adrift; for one weak link my car remains by the roadside; for one weak link something precious is lost, perhaps never to be recovered. Chains of character and of fellowship, habits meant to keep us fit for the day's tasks, influence on young life near and dear to us, religious and morals that will make us strong and dependable in difficult hours of living; these also depend on every link in the chain. Life is of a piece; every day is part of the week; every week fits into the month and the year; every year counts toward the everlastings.

PUT the picture of the chains in the gallery of your daily meditation; stamp it indelibly upon the minds of children and youth. Shall habits we form from day to day hold us firmly in constructive toil, or in a community where we count so much? Can family and friends and neighbors depend on us when some difficult emergency appears? Do they know that we will be strong when the going is hard? Have we put goodness and integrity and genuineness and friendliness and goodwill and truthfulness into a chain of personal character that will not break when others are calling for our help? Am I the one person in a community chain which will stand strain and stress and trial? Or will women and men fear to trust me when they must have trustworthy persons at some great task? Will the chain of the years be strong, forged by faithful living? Good chains, strong chains, useful chains, dependable chains; how priceless they are! The Church will help you mold chains of character that will stand the test.

Georgia Mae Smith Washington Hostess For New Alumni Club

CROSBYTON, March—Miss Georgia Mae Smith, daughter of Mr. and Mrs. George Smith and sister of Mrs. Evelyn Lowrie, of Crosbyton, was hostess recently to members of a Texas Tech Alumni club, newly organized group in Washington, D. C., Congressman George Mahon, of the Texas 19th District, was the honor guest and speaker.

Miss Smith, who has been in Washington for a number of years, is dictionar for a telephone company in that city. She was in charge of preparing the banquet for the affair.

A picture of Miss Smith, along with officers of the Washington club appeared in the Lubbock Avalanche-Journal. She is a graduate of Crosbyton High school and received her degree with a major in home economics from Texas Tech.

DUKE-MOORE NUPTIAL VOWS SAID AT CLOVIS N. MEXICO

Miss Wanda Duke, daughter of Mr. and Mrs. W. H. Duke of Petersburg became the bride of Joe Dick Moore, son of Frank L. Moore of Floydada on March 4, at Clovis, N. M.

The bride wore a navy blue suit with white accessories and her corsage was an orchid.

WESLEY GIRLS S. S. CLASS

The Wesley girls Sunday school class met on March 8 to enjoy an afternoon party at the home of Mrs. Roy Curry, with Mrs. R. M. Stovall and Mrs. Bob Smith as co-hostesses.

Those present were Mmes. B. F. McIntosh, Noel Troutman and Grand son, Charles Christian, W. H. Bethel, E. J. Barker, L. C. McDonald, W. E. Grimes, George Stiles, H. M. McDonald, Bob Henry, J. D. Colville, P. Q. Haney, M. L. O'Bannon, E. S. Randerson, D. T. Mayo, J. G. Wood, Edd Johnson, G. V. Smith, P. F. Bertrand, and Mrs. Gerald Cardinal and son Jerry, were guests.

After the business meeting, Mrs. H. M. McDonald gave a reading "A Negro Woman's Prayer". Mrs. E. J. Barker read the story of Naomi and Ruth, with Jerry Cardinal illustrating this with crayon.

The afternoon was very interesting and was enjoyed by all.

HOMEBUILDERS CLUB

The Homebuilders club met in the club kitchen Friday, March 10, with Mrs. John A. Lloyd, the hostess.

Mrs. P. F. Bertrand told of the interest shown by the members of the Rotary club in the aluminum trays exhibited at the club luncheon. Miss Petty gave a talk on style trends and showed samples of some new materials.

After adjourning the members spent a social hour discussing the new styles and looking at the samples and style magazines passed around by Miss Petty.

The hostess served a delicious refreshment plate to Mmes. Riley Teague, J. E. Horton, O. G. Mayfield, Raymond Williams, L. J. Heard, J. P. Moss, P. L. Hargis, Floyd Fuqua, P. F. Bertrand, E. G. Norrell, D. T. Mayo, E. L. Thomas, Miss Petty, Margaret Moss, Jackie Fuqua and Mrs. Lloyd.

STITCH AND CHATTER CLUB

The Stitch and Chatter club met in the home of Betty Baker, March 8. Roll call was answered with each one telling their most embarrassing moment. Games were played and Vivian Keeling won the prize.

Members present were Laura Campbell, Doris Huckabee, Jewel McCormick, Susie Mooney, Era Norrell, Mattie Pearl Norrell, Robbie Stewart, Marie Turner, Inez Walker and a new member Vivian Keeling and the hostess.

The next meeting will be in the home of Doris Huckabee, March 22. Members will answer roll call with a recipe. Gifts will be exchanged.

Mt. Blanco News

MT. BLANCO, March 14—A group of young people from the First Baptist church in Floydada had charge of the program at the B. T. U. hour Sunday night. Their program was enjoyed very much by everyone.

Mrs. R. D. Armstrong returned to her home Friday from Floydada hospital and is improving at this time.

Miss Lenore Haverstock, of Lubbock, spent the week-end with her parents, Mr. and Mrs. R. D. Armstrong and son, R. D.

Mrs. James Teddor, of Odessa, spent part of last week with her parents, Mr. and Mrs. C. E. Dick and her sister, Mrs. Frank Moore and family.

Mr. and Mrs. J. H. Moody and son, Emmett, of Bridgeport, visited in the community over the week-end. Mr. and Mrs. Moody were Saturday and Sunday night guests of Mr. and Mrs. Rudolph McCurdy. Emmett was a guest of Jerry McClure.

Sunday dinner guests of Mr. and Mrs. Weldon McClure and family were Mr. and Mrs. J. H. Moody and son, Emmett, and Mr. and Mrs. Rudolph McCurdy and son, Larry. Mary Lou Dunford, of Lakeview, spent Saturday night and Sunday with Aliene Brown.

Sunday afternoon visitors of Mr. and Mrs. E. H. Brown were Mr. and Mrs. Leo Dunford, of Lakeview.

Mr. and Mrs. Joe Sberburne and son, of Pampa, spent the week-end with her parents, Mr. and Mrs. M. J. Mosely. Mr. and Mrs. Walter Crawford were Sunday afternoon visitors in the Mosely home.

The community club will meet at the community house Friday night, March 17, for "stunt night". Stunts, games and eats for everyone. Every family bring a plate of cookies.

David, small son of Rev. and Mrs. Alvin Hamm, has been ill the past week, but is better at this time.

PEOPLES HOSPITAL NOTES

Billy Dale Stringer was dismissed March 8 after having medical treatment.

W. Stan Goen was dismissed March 10 after having received medical treatment.

Dismissed March 10 was Mrs. E. E. Hinson, after receiving medical treatment.

Miss Anna Carr, Petersburg, was dismissed March 10 after having received medical treatment.

Mrs. S. J. Latta was dismissed March 9 after receiving medical treatment.

Dismissed March 10 were Mr. Lott Blasingame, medical treatment.

Mrs. J. A. Smalley, medical treatment, and P. A. Denison, also medical treatment.

Admitted March 8 was Donald Evans, son of Mr. and Mrs. Raymond Evans, for major surgery.

Mrs. Floyd Binnion was dismissed March 13 after receiving medical treatment.

Helena Hollins, Dougherty, was admitted March 10 for major surgery.

Mrs. W. M. Knight underwent major surgery on Tuesday, March 7.

Stinson Stringer, Petersburg, was admitted March 11 for medical treatment.

Mrs. W. U. Riggie was dismissed March 13 after receiving medical treatment.

J. T. Myrick, Jr., Floydada was admitted March 11 for medical treatment. His baby son, J. T. III, was admitted March 12 for medical treatment.

J. J. McDaniel, Petersburg, was admitted March 13 for medical treatment.

Mrs. G. V. Hall was admitted March 13 for surgery.

LAKEVIEW CLUB PIE SUPPER

The Lakeview Home Demonstration club sponsored a pie supper last Friday night at the school house.

The club took in \$24.06.

Miss Wanda Poole of Floydada was honored by being the prettiest girl present. J. A. Kinchele was voted the ugliest man present.

We wish to take this opportunity to thank Henry Russell and Billy Ferguson for their fine music and song.

Center News

CENTER, March 15—Due to the teachers meeting in Amarillo the school and college students had last Friday off and had a longer week-end.

Melvin Robertson spent the week-end with home folks, the J. R. Robertson.

Mrs. Ruby Broyles with her daughter and son-in-law, Mr. and Mrs. Leonard Deskin of Phillips were supper guests Friday night of the J. E. Greens, after which they went on to Mt. Blanco to visit relatives there over the week-end.

Those who attended the concert of the Wayland International choir at the First Baptist church in town Friday night thought it was wonderful. Don't miss the next one. Such programs are not only entertaining, but uplifting, inspiring. We are fortunate in having these out of town programs from different colleges and from our own high school. Let us watch the paper for such future dates and go hear and see them. They deserve our appreciation and patronage.

Mr. and Mrs. J. E. Green visited over the week-end with relatives in Phillips. They picked up Margaret at Wayland and Don Clark arrived in Phillips later Saturday night. The Phillips relatives had been having a round with flu and the mother and grandmother, Mrs. K. J. Matthews, who visits in this vicinity often had been quite ill for two weeks, but seems to be recovering.

The flu is still with the Center folks too, but they seem to be recovering now.

June Hartline was ill Sunday and Monday.

Mr. and Mrs. J. E. Green and Victor Green and Don Willis of Plainview, visited the D. I. Bouldings Monday evening.

Center Home Demonstration club met Friday, March 10, with Mrs. R. C. Ross. Fourteen women were present.

Plans to the school house Friday night for another community get together. Bring your tables and dominoes and we hope our club pianist will be present and the women will bring their club song books.

Don't forget to come to church Sunday and Sunday night.

Birthday Dinner Sunday

On Sunday, March 12, a group of relatives gathered at the home of Mr. and Mrs. H. B. Mankins for a birthday dinner honoring Mr. and Mrs. R. C. Ross and the Mankins', whose birthdays came in March.

A beautiful dinner was served to Mr. and Mrs. D. W. Burke and son, Mr. and Mrs. Travis Lightfoot and children, Mr. and Mrs. Melvin Ross and son, Mr. and Mrs. E. R. Mankins of Lubbock, Mr. and Mrs. R. C. Ross and Norma June, and the hosts, Mr. and Mrs. H. B. Mankins.

J. S. Hale to Margaret Hale Crumpton, lot 16, block 46.

PASTORS HELPERS CLASS

The Pastors Helper's class of the Methodist church met at the church for their regular monthly meeting March 14. The devotional was led by Mrs. Addie Thagard. She chose the 6th chapter of John in which every member look part.

At noon a covered dish luncheon was served and the business was taken care of. Mrs. Huckabee dismissed the class.

Members attending were Mmes. Addie Thagard, Lula Slaughter, Will Snell, Vera Walker, W. H. Alexander, E. C. Henry, D. D. Shipley, W. R. Johnke, J. E. Laughlin, J. H. Green, P. M. Felton, Annie Carr, and W. H. Pinley, and three guests Mrs. Huckabee, Mrs. Callie Darby and Bob King.

MILADIES CLUB MEETING

Miladies club met in the home of Mrs. Olen Lyles, March 2, at 2 o'clock. Roll call was answered with a pot plant or flower seeds to be exchanged.

All the ladies present assisted the hostess in quilting a pretty quilt, which was almost completed during the afternoon. Plans were discussed for the next meeting.

Refreshments were served to Mmes. Cecil Baxter, A. J. Cline, M. B. Johnston, C. W. Jones and Janice, E. L. Judy, C. B. Lyles, Floyd Lyles, and the hostess, Mrs. Olen Lyles.

Mr. and Mrs. J. E. Newton of Dougherty spent the week-end with Mr. and Mrs. Allen H. Leach, Jr. of Borger.

Club Planning Style Show on 27th of March

A style show sponsored by the 1950 Study club will be presented for the public on Monday evening, March 27, at 8 o'clock in the high school auditorium. Bill Brown will be master of ceremonies.

Easter fashions along with casual and sport clothes from Miladies Specialty Shoppe will be modeled by ladies of the community. Children's clothes will also be modeled.

Special musical numbers will be presented by local talent during the showing of the fashions.

Tickets to the show can be obtained at Miladies Shoppe and from any member of the 1950 Study club for 50c. Children under 12 years will be admitted free.

The public is cordially invited to attend.

Plans for the show were discussed at a meeting of the club Tuesday evening in the home of Mrs. Adron Fields. Further information on the details will be released in next week's Hesperian.

The regular meeting of the club will be held Tuesday, March 31, in the home of Mrs. Maurice Steen.

Picnic Style Dinner at Goree Re-Union

Mr. and Mrs. Fred J. Jones and family and Paul Polasek returned the first of the week from Goree, Texas, where they attended a reunion of the Jones family at the home of Mr. and Mrs. Merle Lambeth and daughter on Sunday, March 12.

A big delegation of kinsmen, all from Texas points, attended the get together. Among these, in addition to the Floydada representatives, were:

Mr. and Mrs. Vernon Moore and Mr. and Mrs. James Jones and son, of Panhandle; Mr. and Mrs. Clyde Marsh, Mrs. Leroy Williams and son, and Wayne Walton of Wichita Falls; Mr. and Mrs. Weidon Stewart and daughters of Mountain Air, New Mexico;

Mr. and Mrs. Langston Jones, of Plainview; Mr. and Mrs. Lewis Atkinson and daughter, and Mr. and Mrs. William Atkinson and family of Benjamin; Miss Virginia Thorn of Monday; and Mr. and Mrs. L. L. Atkinson and son Charles, Mr. and Mrs. A. T. Howard, Mrs. J. W. Jones, Miss Geraldine Lambeth, and Billy Walton, all of Goree.

Clevelands Leaving For Lamesa Home

The J. D. Clevelands are moving from Floydada, J. D. Cleveland and Mrs. Cleveland are telling friends, and will make their home in Lamesa.

Mr. Cleveland will enter business there, his plans expected to mature soon and be announced within the next few days. They will retain their home residence here for several more days.

In a brief farewell this week the Clevelands said:

"To the good people of Floydada and Floyd county we wish to express our appreciation for many courtesies shown us while living here. You have been extra nice to us and we will always cherish your friendship. We have enjoyed being one of you, but find it necessary to make our home now in Lamesa."

Mrs. Clarence Guffee was accompanied home Friday from Paradise by Mr. and Mrs. Hiram Moody and son, who visited here during the week-end in the Guffee home and with friends. Mrs. Guffee had been in Paradise several days with her father, W. P. Moody, who is ill. Mr. Moody's condition was much improved when Mrs. Guffee left him.

Fellowship Meeting Held at Mt. Blanco

The Zone fellowship meeting was held at Mt. Blanco Saturday night. Churches represented at the meeting were Lakeview, Crosbyton, Pansy, and Mt. Blanco. There were fifty-seven at this meeting at which Crosbyton had the most young people. Crosbyton gave the program which consisted of a talk on Christ. After this there were two readings.

A picture on Daniel in the lions den was shown. This was an educational picture.

Lakeview brought the recreation, which consisted of a few games. After the games Mt. Blanco served the group refreshments.

The next meeting will be at Pansy. Crosbyton will bring the games and Mt. Blanco will bring the devotional.

We again urge all the young people in the zone to come and attend this fellowship together.

WELCOME NEW SERVICE

LOCKNEY, March—Three or four hundred people were at the local Fort Worth & Denver depot Sunday night when the first FWD train on the new fast passenger service schedule came through Lockney going east.

A number of people boarded the train here, some from Plainview and several from Lockney. Mr. and Mrs. Frank Perkins took the train to Dallas and Berry Hooten left for Glen Rose. Several boarded it for shorter rides.

The new train comes through Lockney going west at 8:39 each morning and returns at 10:12 each night. The train makes a trip straight into Dallas from Lubbock and passengers from Plainview are picked up here.

SINCERE THANKS

We wish to express our sincere appreciation to those who were so helpful and generous to us in the passing of our wife, mother and grandmother.

We want to thank everyone for the beautiful flowers, notes of sympathy and kind words which are so greatly needed at such a time.

Lockney Lions Club Off To Good Start

Lockney Lions club was given a charter Monday night at a banquet held in the American Legion home there, when charter members of the new club were joined by Lions of Floydada, Burton, Matador, Pampa and Plainview celebrating the event appropriately.

District Governor Curtis A. Cryer of Pampa delivered the charter. It was accepted by H. B. Machen, first vice-president on behalf of the club in the absence of the president, Claude Hammond. Hammond was absent due to the serious illness of his wife, the former Maurine Hay.

From the Floydada club were several Lions present, among these Mr. and Mrs. Billy B. Henry, Mr. and Mrs. A. H. Rainer, Mr. and Mrs. Jas. H. Word, Mr. and Mrs. Parnell Powell, Mr. and Mrs. Earl Crow, Mr. and Mrs. Jake B. Watson, Mr. and Mrs. Jimmy Willson, Ralph Cogdill, Enos T. Jones, and Myron Kattner.

It was a gala occasion, report local members of the service club. In addition to the address of the district governor and the formalities incident to the charter presentation, the address of welcome was made by Mayor G. M. Brunner, and the assembly was entertained by musical numbers by Bill Sweeney.

and Connie Wood. The banquet was served by C. C. McDowell and staff. The invocation was said by Clyde Sloan.

The 35-member club is headed by Claude Hammond as president, H. B. Machen vice-president, Dwight Jackson, second vice-president, Dr. G. A. McClelland, third vice-president, Joe Wilson, secretary, Harold Jeffcoat, treasurer. J. D. Steele is Lion tamer and Joe Handley tail twister.

It was a gala occasion, report local members of the service club. In addition to the address of the district governor and the formalities incident to the charter presentation, the address of welcome was made by Mayor G. M. Brunner, and the assembly was entertained by musical numbers by Bill Sweeney.

South Plains News

SOUTH PLAINS, March 14—We are glad to report that Rev. C. A. Joiner has returned home from the hospital. He seems to be improving nicely. We wish for him a speedy recovery.

Guests in the Wade Davenport home Saturday night were Mr. and Mrs. George West, Mr. and Mrs. Gilbert Bean and Mr. Bean's sister from Dallas, who is visiting the Beans, Mr. and Mrs. H. R. Hartman, Mr. and Mrs. H. L. Marble, Mr. and Mrs. M. M. Julian, Mr. and Mrs. Lenton Lanham, Mr. and Mrs. H. B. Thornton. Games of forty two were played throughout the evening.

Mr. and Mrs. J. G. McGuffey of Plainview were visitors of Mr. and Mrs. Oscar Mulder, Thursday night of last week.

Mr. and Mrs. G. F. West were shopping in Lubbock Monday.

Guests in the H. L. Marble home Sunday were Mrs. Pierce King, Randall, Leora and E. L. Cornelius of Floydada and Mr. and Mrs. Sim Reeves.

P. T. A. will meet Friday night, March 24. A visitor from Lubbock will have charge of the program. Everyone is urged to be present.

Terry Julian and Charles Hartman were among the boys who won in the F. P. A. quiz at Amarillo, they will go to Huntsville to compete in the state quiz March 18.

Mr. and Mrs. Ocho Sanders visited with Mr. and Mrs. G. F. West Sunday afternoon.

Mrs. E. E. Joiner and Mrs. M. M. Julian celebrated their birthdays at a dinner for their families, Monday night of last week.

Mr. and Mrs. George West attended the Fat Stock show in Amarillo, Thursday and Friday and visited with their daughter and family, Mr. and Mrs. E. T. Evans.

The South Plains Home Demonstration club met Wednesday March 8, in the home of Mrs. H. R. Hartman and Mrs. Raymond Upton acting as co-hostess. Thirty-one members were present and this being guest's day we had nine guests. Five of the guests are now members as they were added to our roll that day.

Those present were Meses. Art Willis, J. P. Taylor, G. Milton, R. C. Guest, Linnie Milton, Bill Beedy, Arby Mulder, Walter Wood, L. T. Wood, Sim Reeves, G. West, Lenton Lanham, Wade Davenport, Menard Field, Carl Daniel, A. L. Stewart, Doodle Milton, H. S. Calahan, Sr., Fred Fortenberry, H. L. Marble, Herman Thornton, Arthur Brown, E. P. Smitherman, Jno. Smitherman, M. M. Julian, Raymond Upton, H. S. Calahan, Jr., and the hostess Mrs. H. R. Hartman. Guests present were, Meses. Leo Brown, E. Pritchett, Earnest Hucksabee, Ralph Childress, Z. C. Cumming, H. S. Sanders, A. P. Sanders, J. T. Myrick and Lena King.

New members added to our roll were Meses. E. Hucksabee, H. Sanders, Z. C. Cummings, Leo Brown and J. T. Myrick. We are proud to have the new members and welcome visitors at any time.

Friends of Eddie Jarrett will be glad to know that Eddie is still improving. He has been to Dallas for a check up and the doctor gave him much encouragement when he told him he believed he could see complete recovery for him in the future.

Mrs. Cline's Father Passes; funeral held at Ben Hur March 4

Mr. and Mrs. A. J. Cline and Mr. and Mrs. Carl Smith attended funeral services in Ben Hur Sunday of last week for Mrs. Cline's father, James Allen Coker. Mr. Coker died on March 3 at the age of 69. Burial was in Mart cemetery.

Coker was born June 29, 1880 in Hot Springs, Arkansas, he was married to Annie Nichols, the surviving widow, December 22, 1901. Survivors other than the wife are two sons, Charlie Coker, of Ben Hur, Horace Coker, of Port Arthur; two daughters, Mrs. A. J. Cline, Floydada and Mrs. W. G. Pauelka, of Ben Hur; two grandchildren, four brothers and two sisters.

The Cokers have been frequent visitors in Floydada, having made a number of friends here. Mr. Coker's last visit here with his daughter was two years ago.

Mr. Cline and Mr. and Mrs. Smith returned home from Ben Hur on Monday and Mrs. Cline remained there until Friday last.

Fairview News

FAIRVIEW, March 14—The weather man has predicted and sent us all kinds of weather lately except the one kind we need most, rain. The week-end brought some of the coldest weather we have had this year.

So many of our folks have been sick with flu and bad colds but most everyone is getting back to normal now.

Mr. and Mrs. Shirley Irwin spent the week-end at Plainview.

Mr. and Mrs. Hub Austin, of Borger, visited last week with his sister, Mrs. Walton Wilson and family.

Mrs. Joe Wilson, Mrs. W. B. Wilson and Mrs. E. W. Walls, went to Plainview last Friday, where they bought shrubs and trees for the church yard. About 15 members of the church met Saturday at the church to work on the grounds and set out the trees and shrubs.

Mr. and Mrs. Lee Rushing returned Saturday from Temple and Houston where they spent 11 days.

Mr. and Mrs. Thurmon Perry and Jan spent Tuesday in Plainview.

Mrs. Walton Wilson received word Tuesday morning of the serious illness of her mother, Mrs. E. C. Austin. Mrs. Austin has been making her home in Arkansas for the past several months.

Rev. and Mrs. Joe Wilson went to Olton Tuesday on business.

Mr. and Mrs. Clyde Bagwell and Mr. and Mrs. C. W. Denison spent Saturday in Lubbock.

Mr. and Mrs. C. W. Payne went shopping in Plainview one day last week.

Mr. and Mrs. Dean Walls and son, Larry, spent the week-end with his parents, Mr. and Mrs. E. W. Walls, and Mr. and Mrs. Doyle Walls and Brenda Dianne, also of Floydada, were Sunday guests in the E. W. Walls home.

Mr. and Mrs. Galen Holland visited last Sunday with Mr. and Mrs. Clyde Bagwell.

The workers meeting at the church last Tuesday was well attended. The church wishes to thank everyone who helped furnish the food for the beautiful dinner served at the noon hour.

Mr. and Mrs. Billie Tye and children are spending this week with her mother, Mrs. W. B. Wilson.

Mr. and Mrs. Gene Hopper and family have moved back to their nice re-modeled home.

Mrs. W. B. Wilson's son, Woodrow, has had a very painful eye injury. He underwent an operation the first of the week to remove some fine pieces of steel.

Some from here attended the program of the International choir at the First Baptist church in Floydada last Friday night, given by a number of members of Wayland college, Plainview.

Half Minute Interviews

Charley Berry: "The flying saucers are not worrying me. If it stays dry a plate of beans will be our worry."

Dr. Geo. V. Smith: "Still lots of flu. Guess we'll have it until it rains."

W. E. Garrett: "Yes I have some things to say about our store robbery but they probably wouldn't look too good in the paper."

Dr. D. H. Pitts: "I got water-bomb in my wife's old Kentucky home and was delayed 10 days. We had lots of fun taking it easy while we waited for Old Man River to go away from the door."

Mr. and Mrs. Alva Sparks and family spent Sunday in Lubbock visiting with relatives.

Mr. and Mrs. A. M. Dorsey and Mrs. Bob Henry were in Amarillo Friday on business.

Lakeview News

LAKEVIEW, March 14—The young people's district youth rally met Saturday night with the Mt. Blanco Baptist church. Four churches were represented and an interesting program, a recreational hour and refreshments were enjoyed by all present. Eleven young people together with Mrs. Frank Polasek as leader were present from this church.

Mrs. Robbie Bratton, of Cedar Hill, has been employed as substitute teacher during the absence of Mrs. Tooley. Mrs. Bratton is a former teacher in the Campbell school. She visited school Tuesday and will take up her duties March 27 and continue to the end of the present school term. Mrs. Tooley will be on leave to visit in the home of her daughter and husband, Mr. and Mrs. O. W. Martin, of Maracaibo, Venezuela, South America.

Sunday dinner guests in the home of Mr. and Mrs. Frank Jones to remember Mrs. Jones on her sixtieth birthday were their daughters and family, Mr. and Mrs. Fowler Estep and son, Billy, and Billy's friend, Alvin Lee Batten, their son and wife, Mr. and Mrs. Leon Jones, of Plainview, and Mrs. Jack Beck and daughter, Dana, of Dumas, Mr. and Mrs. Leroy Denison and son, Viek, of Lubbock, and Mr. and Mrs. D. B. Ellison, of Crosbyton.

Mr. and Mrs. Fred Jones and children visited relatives in Goree Saturday night and Sunday.

B. N. Boyd and Tom Hopper were in Lubbock Tuesday on business.

Mr. and Mrs. Orval Newberry and children, of Floydada, were Sunday dinner guests in the home of his brother, Mr. and Mrs. Newberry and children.

Clarence Guffee, Floyd County school superintendent, attended a meeting of county superintendents in the Hilton hotel at Lubbock Tuesday night. Transportation, among other things, was discussed at the meeting.

Angus Heading Junior Stock Show for 1950

E. L. Angus, long-time local leader in the promotion of better farming and aid in the training of the county's youth to take their places in the successful scheme of farm operation, again heads the Junior Fat Stock show list officials as general superintendent. Angus' appointment was announced last week by Secretary-Manager Robt. H. Crowell, of Floydada Chamber of Commerce and Board of County development. Crowell will be show manager.

Date for the annual show will be March 29, and the place will be the Rodeo Association show building adjoining South 12th street on the east.

Other officials named for the show the rules and regulations and the prize list are indicated below:

Assistant superintendents - H. G. Barber, V. A. Teacher, Floydada High School, and F. L. Montanden, V. A. Teacher, Lockney High School; Assistant superintendent and secretary, Robert H. Gibson, County Agent;

Sheep co-superintendents, Harry Morckel and Earnest Lee Thomas; Beef cattle co-superintendents, Kinder Farris, Fred Cardinal, Ralph Johnston, and Ralph Cogdell;

Dairy cattle co-superintendents, Chester Mitchell, N. S. Abbott and N. B. Stansell;

Hog co-superintendents, R. G. Dunlap, R. C. Mitchell; W. H. Ham-bright and Goodman;

Finance Committee, E. L. Angus, J. B. Bishop, President Chamber of Commerce, John W. Reue and Walton Hale;

Judges, to be announced later; Public address system committee, A. H. Rainer and George Cavin; Auctioneer, Col. W. H. Seale; Sale clerks, Homer Steen and O. P. Rutledge;

Sale committee, Jim Word, Guy Ginn, Geo. Cavin, Fred Cardinal, Edgar Hays, Lockney, and Pay Pinner, Lockney;

Steer sifting committee, Jack Stansell, Billy Stanforth, Jr., Chester Mitchell;

Showmanship committee, Ralph Cogdell, Jack Stansell, B. Stanforth Jr., and Chester Mitchell.

General Rules of Show

1. Entries will be accepted from any regularly enrolled 4-H Club member boy or girl, who is 9 years of age or older 60 days before the show, or F. F. A. member who lives in Floyd county, or who attends school in Floyd county.

2. Each exhibitor must certify that he personally owns and has cared for the animals under the supervision of the county agent, Home demonstration agent or V. A. teacher, not less than 60 days prior to date of show.

3. Each exhibitor will be limited to only two entries in each of the breeding classes and two in each of the fat singles classes except beef calves where a member may show only one in each class but may show two lights or two heavies in either milk fed or dry lot classes. This is to be construed that he can not show a total of more than two singles in the dry lot and two singles in the milk lot division. He may also show a group of 3, and may enter as many classes as he may qualify under Rule No. 2.

4. All animals must be in place by 8:30 o'clock on the day of the show and must remain until the show is completed. Hog judging will begin at 8:30 a. m.

5. Bedding will be furnished by the show management.

6. Lambs in the fat classes must still have their lamb teeth.

7. Hogs in the fat classes must weigh at least 1170 pounds. Those in the breeding class must weigh at least 160 pounds. Barrows and open gilts may be shown in the fat classes, but the same animal cannot be shown in the fat and breeding classes.

8. Both 1st and 2nd places in the light and heavy steers and barrows will compete for grand champion and reserve champion.

9. Animals exhibited may be fed in any manner suitable to the individual, but calves may not enter dry lot classes that have had milk within 90 days of show date.

10. Animals will show on weight at time of entry. Weight ticket made at time of entry will be required on any animal in question. Scales at Producer's Cooperative elevator have been designated as official for beef cattle. Scales at show ground official for swine. This is for show purposes only.

11. The decision of the Judges shall be final.

Classes and Premiums

With one or two slight changes the classes shown and the premiums to be paid vary little from last year's show. Hogs will show in six classes and prizes will be paid up to fifth place, for all except championship.

Swine will be judged in seven classes, and prizes paid to fifth place; Sheep will be shown in three classes and prizes paid to fifth place; In the dairy division there will be seven divisions and prizes paid to the fifth place.

In addition to the prizes awarded to the entries, the young showmen also will be competing against each other throughout the show. Showmanship will be judged 50 per cent on the condition of animals and 50 per cent on boy's showmanship. First prize in this division will be \$3, second prize \$2, and third, fourth and fifth \$1 each. Here are the classes by divisions:

Fat Calf Division

Class 1. Dry lot steers or heifers under 850 pounds, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 2. Dry lot steers or heifers over 850 pounds, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 3. Milk fed steers or heifers under 850 pounds, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 4. Milk fed steers or heifers over 850 pounds, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 5. Grand champion and reserve champion (to be selected from first and second place animals of the above four classes, first \$5 and reserve champion \$3);

Class 6. Group of three fed by one boy (milk fed or dry lot), first \$5, second \$3, third, fourth and fifth \$2 each.

Swine Division

Class 7. Fat pigs 170 pounds and under 240 pounds, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 8. Fat pigs 240 pounds and over, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 9. Grand champion \$5 and rosette;

Class 10. Pen of three pigs fed by one boy, first \$5, second \$3, third, fourth, and fifth \$2;

Class 11. Breeding gilts, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 12. Sows that have farrowed, first \$5, second \$3, third, fourth and fifth, \$2 each;

Class 13. Grand champion female, \$5 and rosette.

Sheep Division

Class 14. Fat lambs, first \$5 and

rosette, second \$3, third, fourth and fifth \$2 each;

Class 15. Breeding ewes, first \$5, second \$3, third, fourth, and fifth \$2 each;

Class 16. Group of five fed by one boy, first \$5, second \$3, third, fourth and fifth \$2 each;

Dairy Cattle Division

Class 17. Dairy herd calved on or after July 1, 1949, first \$5 second \$3, third, fourth and fifth \$2 each;

Class 18. Dairy herd calved January 1, 1949, to July 1, 1949, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 19. Dairy herd calved January 1, 1948, to December 31, 1948, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 20. Dairy female calved January 1, 1947, to December 31, 1947, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 21. Dairy female calved before January 1, 1947, first \$5, second \$3, third, fourth and fifth \$2 each;

Class 22. Grand champion of the dairy show, \$5 and rosette;

Class 23. Best Jersey, best Holstein, best Shorthorn, \$5 each and breed champion ribbon.

Johnston Attends Water, sewer school

Floyd Johnston, superintendent of the water and sewer departments of the City of Floydada, is in College

Station this week, where he enrolled Monday in a school of instruction on water and sewer systems maintenance problems.

The school is due to close today and Johnston will return to Floydada this week-end.

Protection of the public health and the increasing problems of adequate water supply for all purposes are among the problems which the water and sewer men of the state have been giving their study this week.

Myrick, Jr., G. H. Day, Elmer Cooper, Tom Porter, W. L. Davis, W. A. Blair, W. W. Blair, N. S. Abbott, L. E. Kiker, and the hostess.

Mrs. W. W. Blair will be the club's next hostess when they meet on March 21, changed from March 17.

Good Crowd at Entertainment

The club entertainment on the night of March 3, held at the tea-

erage, was enjoyed by a good crowd. The tea-erage is used as a club room. Forty-two was one of the evening's diversions. A new present was Mr. and Mrs. Day Mount, who are here from Austin City.

Choose an Automatic Gas Clothes Dryer and Pick Your Washday

There'll be no more worry over rainy weather, no more heavy baskets to carry, no more straining to hang clothes when you dry them the modern way — automatically with GAS.

Clothes will be protected from dust and the fading which comes from long exposure to the sun.

Place your wet clothes to tumble inside the automatic GAS clothes dryer. Set the automatic shut-off for the time you wish. That is all there is to drying clothes the modern way.

You can toss away your clothes line... banish your barometer... and pick your washday... when you choose an automatic GAS clothes dryer.

Educational Building Under Construction

The investment of an estimated \$10,000 in an educational annex in the church program was begun last week by the building committee of the First Christian church, along lines directed by vote of the congregation, said J. C. Wester, of the committee this week.

This investment will be in a new building on the site of the church's property formerly occupied by the Fellowship hall, on North Fourth street, immediately behind their church house facing on Fourth and Missouri. The building will be thirty-six by 100 feet, of brick and tile, facing on Fourth. It will house all the activities of the congregation aside from their regular worship.

It will have nine Sunday School class rooms, ample for the needs of the congregation's bible study period.

A social hall 30 by 36 feet; an office room, supply room, kitchen, and a ladies parlor.

The plans for the building have been worked out over months of study by the building committee and the congregation and are thought to represent the latest and best ideas for the accommodation of the auxiliary efforts of the church.

Foundation work was started last week. The construction will be of brick and tile and finished building will blend harmoniously with the structure where regular worship is conducted.

Walter A. Gound is construction superintendent.

Floyd Student Candidate for Legislature

H. J. (Doc) Blankenship Floyd county law student at Southern Methodist university, aspires to be state representative 12th Legislative district. He was at home last week-end from Dallas and threw his hat in the ring, while on a trip to see friends and acquaintances and let them know he has decided to run for the office.

At The Hesperian office Saturday Blankenship said he hoped to have material support from other counties in the campaign for the office, notably from the southwest part of the district.

Blankenship was reared at Sudan, is 26 years of age, married, has a daughter. He was in the army but wants that idea played down. Everybody else was, too, that was physically able and of the right age," he said.

Blankenship has a BA from Texas Tech, and is in the class at SMU that should graduate in January 1951.

He expects to spend the summer in an active campaign for the place he seeks.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

Someone asked the question if I would continue my column under the heading I have always used as we are living in the town of Floydada.

Yes, the heading is still correct. How could one think otherwise than as a farm woman since the last forty three years have been spent on the farm?

How could I keep from worrying when a black cloud spreads its wings over the sun and brings hail and destruction? How could I forget the dry fields, scorched by hot winds? The cooling rain that saved the crop? The long days riding the binder trying to save the bundles before a killing frost? Then hog killings? The cooking for twenty or so men at time of harvest? The chickens that drowned in a sudden shower. The raising of turkeys. The pigs getting out and rooting up my garden and flowers? No, in my thinking, I am still a farm woman and as such will continue this column.

All of a sudden we took the notion to move to town and for the past month have been so busy this space has been neglected but I hope you have not forgotten me. It was with mixed feelings of joy and of a new home mixed with the sorrow of leaving the old that we saw our few household possessions loaded on the trucks.

Few, did I say? Well, it seemed so many that we wondered if we could get them all in the new home. The dresser that I hearded with pride when my husband unloaded it from the wagon long ago. It was going back to Floydada from whence it came. I could only bring three book cases so I weeded out many books and stored them in the attic. But the boys thought they would never get all the boxes and boxes of books loaded and unloaded. Forty three years of collecting! The first night we spent in our new home our things looked strange in the new surroundings. I went from table to chair trying to realize the change.

We have such a comfortable, cozy house we bought from Bob and Dorothy Collier. They had made it into a real home. It makes us feel young, it is such a young-looking house and our neighbors are, for the most part we are told, young folks with children. Our first caller was Emily Potts with a plate of del-

Sealed bids will be received in the office of the State Board of Control, Austin, Texas, until 10:00 a. m. March 22, 1950 for the rental of office space for the Highway Department in Floydada Texas for period of 5-1-50 thru 4-30-51. Specifications are obtainable from Board of Control Austin, Texas, and Mr. S. C. McCarty, Box 771, Lubbock, Texas. 71c.

icious cookies and a welcome that made our hearts warm.

So we are at home to all who will visit us at 724 West Tennessee street, and our phone number is 547W.

Paul and Wilma, Joe and Billy gave us a beautiful floor lamp. Everyone is so good and kind to us. Paul and John took out a day to get us moved.

Mr Kirk has gone from us we are told. How can this be? He was so active, so alive. We always liked to talk a bit with him about the time he was young. In the Good Old Horse and Buggy Days, he would say. He had an interesting story to tell, of hard work and not as many comforts as young people have now, but he loved the work and did not mind the discomforts and lived a long time as human life goes.

I slipped in some buckets and boxes of rocks but the large ones I left. I suppose as I go to the farm I will bring a few with me from time to time.

NEW HOSPITAL

MATADOR, March—Citizens of the Roaring Springs community have purchased stock in the amount of between \$15,000 and \$20,000 for the construction of a hospital to be built on the public square at the north end of the town's business section.

Tentative plans are for a six-patient-room hospital with office, lobby and other required space. At present the building may be of frame construction with stucco or rock added later. No estimate has been disclosed as to the amount for equipment necessary.

Geo. Elwood Assiter Planting So. Dakota Acreage to Grains

George Elwood Assiter is striking out in a new territory this spring. He has bought some 1,800 acres of grain land in northeastern South Dakota, out from Watertown. Last week he started moving machinery to the site in preparation for spring planting when the ground thaws.

Spring wheat is one of the principal crops in the area where he is making his investment. Wheat seeding will be followed by the planting of other grain crops as the season advances, he told friends here. George Elwood will have a bachelor's establishment until after school when the family probably will join him there.

GUEST DAY AT HARMONY BRINGS BIG ATTENDANCE

The Harmony Demonstration club met Thursday afternoon of last week in the club room for guest day with Mrs. Charles B. Smith, Mrs. D. S. Battey and Mrs. Roy Hale as hostesses. Mrs. Battey had charge of registering.

Roll call was answered with a

Meet America's Top Truck Values!

NEW CHEVROLET P-L

ADVANCE-DESIGN TRUCKS

Performance Leaders

Most Powerful Chevrolet Trucks Ever Built! New Chevrolet trucks put business in "high gear" with stepped-up power and performance. Improved Thrift-Master Valve-in-Head engine features greater horsepower and finer performance with new "Power-Jet" carburetor. Entirely new heavy-duty power plant—the Load-Master 105-h.p. Valve-in-Head engine—provides greater pulling power... cuts down total trip time in heavy hauling.

Payload Leaders

Cost Less to Operate Per Ton Per Mile! Chevrolet P-L trucks are built to withstand the hard-pounding of the roughest roads and thus minimize repair bills... cut losses due to "lay up." They reduce total trip time with high pulling power over a wide range of usable road speeds... let you deliver the goods at low cost per ton per mile!

THE POPULARITY LEADERS

Ahead with more Truck Users by 2 to 1!

No doubt about America's choice when it comes to trucks. For the last twelve-month period, Chevrolet trucks outsold the next two makes combined! Yes, truck users themselves provide the proof of Chevrolet truck superiority by their own endorsement. And that's evidence of a clear-cut sort that Chevrolet trucks are your best possible purchase. Compare them, feature for feature... value for value. Compare—and you'll know why Chevrolet trucks are the world's fastest selling make! Come in and see them today.

Price Leaders

First For All-Around Savings!

From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.

AHEAD with all these PLUS Features

- TWO GREAT VALVE-IN-HEAD ENGINES: the new 105-h.p. Load-Master and the improved 92-h.p. Thrift-Master
- THE NEW POWER-JET CARBURETOR
- DIAPHRAGM SPRING CLUTCH
- SYNCHRO-MESH TRANSMISSIONS
- HYPOID REAR AXLES
- DOUBLE-ARTICULATED BRAKES
- WIDE-BASE WHEELS
- ADVANCE-DESIGN STYLING
- BALL-TYPE STEERING
- UNIT-DESIGN BODIES.

Mrs. J. J. Fuller Rites Held Sunday

Last rites for Mrs. J. J. Fuller were read by Rev. E. J. Cobb, of Lockney in the First Baptist church here Saturday afternoon at 3 o'clock. Burial followed in the Floydada cemetery. Mrs. Fuller died early Friday morning in the Lubbock Memorial hospital where she had been critically ill three days. Mrs. Fuller's death was attributed to a heart ailment which she had suffered for more than a year.

Ludie Elizabeth McLarry was born May 13, 1873 in Duck River, Tennessee. She was married to J. J. Fuller in Fannin county October 26, 1893. The couple came to Floydada some six years ago from Strawn and resided at 602 1/2 West Tennessee. She has been a member of the Baptist church 63 years.

Survivors are the husband, two daughters, Mrs. Gene Collins, Floydada, Mrs. Walter M. Smith, of Lubbock; one son, Royse C. Fuller, of Strawn; two brothers, Reavo McLarry, of Lubbock, Aubrey McLarry, of Slaton; one sister, Mrs. Mable Dixon, of La Junta, Colorado and six grandchildren.

Active pallbearers were Dorris Jones, Van Collins, Pat Stansell, A. T. Hull, Everett Perry, and Hugh Zimmerman, of Lubbock. Named as

honorary pallbearers were J. D. McBrien, Edd Johnson, Walter Collins, Noel Troutman, Oscar Stansell, N. W. Williams, David Batten, Wayne Collins, O. B. Williams and D. V. Smith, of Lubbock.

Out of town friends and relatives here for the funeral services were Mr. and Mrs. Reavo McLarry, Mrs. Winnie Hogan, Mr. and Mrs. D. V. Smith, Mr. and Mrs. O. B. Williams and Mr. and Mrs. Hugh Zimmerman, Lubbock; Mr. and Mrs. Melvin Acree and son, Ronnie, of Chickasha, Oklahoma; Mrs. Johnnie Ray Hudson, of Weatherford; Mrs. B. A. Smith, of Coleman and Mrs. Ama Smalley and Mrs. Jimmie Hargrove, of Clovis, New Mexico.

Many Applicants

(Continued from first page) Each enumerator who successfully completes the training course will be assigned an area called an enumeration district. He will have a map of the area and he is supposed to visit every place where people may be living and make a record for everybody he finds. Enumerators which do their jobs well are likely to be given additional assignments.

The responsibility of the enumerator, Johnston points out, is one of governmental confidential status. He takes an oath not to reveal any

of the information he obtains, and when he accepts an appointment he is required by law to finish the assignment he is given.

Farm Questionnaires Coming

Crew Leader Johnston said that people who operate farms should begin to get their questionnaires in this month, possibly right away. They will be mailed from Washington. What the Census Bureau is hoping is that the agricultural people will study these questionnaires and, if possible, have them filled out for the census takers when they reach the respective farm homes. Pre-study of the questions will make possible more complete information and speed up the job. The taking of the census is to be completed within a given time limit.

There will be 11 instead of 13 enumerators in the county as was originally announced, said the county director of the census, two in Precinct 1, two in Precinct 2, one in Precinct 3, one in Precinct 4, two in Lockney and three in Floydada. Selections of the appointees will be influenced by the area in which they reside, Johnston pointed out.

Dr. Freeman

(Continued from first page) ican Medical association, and the Oklahoma Medical association.

Dr. Freeman, who was the first worshipful master of the Lockney, Texas, Masonic lodge, helped to establish and maintain the Lockney Christian college. Survivors include two daughters, Mrs. E. Lee Osbirn of Oklahoma City and Mrs. Eunice Miller of Dallas, Texas; a brother, J. S. Freeman of Hobart; four grandchildren, Wilmat Freeman of Rocky, Dr. Chas. W. Freeman of Oklahoma City, Fred Freeman Browder of Dallas, Texas, and Mrs. Lewis H. Bond of Fort Worth, Texas; and five great grandchildren. An only son, Dr. J. S. Freeman, preceded him in death.

Burial, under the direction of the Brown Funeral home, was in the Sentinel cemetery.

MRS. E. C. AUSTIN HAS A SEVERE HEART ATTACK

Mrs. Sim Reeves, South Plains, accompanied by her brothers, John Austin, of Lubbock, and Hubert Austin, of Borger, are in Van Buren, Arkansas due to the illness of their mother, Mrs. E. C. Austin, a former resident of Floydada. Mrs. Austin suffered a heart attack Monday night and was seriously ill for a time. A telephone call received here yesterday morning from Arkansas reassured Mrs. Austin's daughter, Mrs. Walton Wilson, that her mother would be "all right now."

Mrs. Austin moved to Van Buren from Floydada last September to make her home with her son, Vern.

Born to Mr. and Mrs. V. W. Cox, an eight pound daughter, March 14, in Floydada hospital.

Time To Plant Garden

Will Feature Floyd on Friday Programs

Floyd county will be one of two counties featured on the Texas Extension Service Farm and Home program Friday morning. The program is sponsored by the A. & M. college 4-H club and will be broadcast over KSEL, Lubbock at 6 o'clock and over WFPA, Dallas at 6:30.

This information was learned here Tuesday when the county agent Robt. H. Gibson, received a telephone call from Earl Edwards, Jr., a student at A. & M. Edwards obtained the data for the program from Mr. Gibson.

CARD OF THANKS

The family of the late J. T. Kirk wish to thank each and everyone who assisted in helping the bereaved.

Mr. and Mrs. Ohmer Kirk
Mr. and Mrs. W. S. Goen

CARD OF THANKS

We want to thank everyone for being so nice to us in the passing of our father. The flowers, telegrams and cards were so nice.

You will always be remembered in our heart.

The A. J. Clines
The Coker family

I would like to express my appreciation to the many friends that came to see me, sent flowers and cards while I was in the hospital.

May each of you be blessed with health and happiness.

Mrs. W. A. Lovell

Mr. and Mrs. Harry Billington, of Big Spring, Texas, Mr. and Mrs. Gene Lawson, of Floydada, Mrs. Laura Buckner, and J. C. Billington of Lockney, spent Sunday with Mr. and Mrs. Wayne Billington of Sand Hill.

Mr. and Mrs. Jack Stansell and daughter, Jan, returned Tuesday from a weeks trip to Corpus Christi. They were the guests of Mr. and Mrs. E. H. Matthews and son, Kent, there.

CAMPBELL ENTERTAINMENT

Bring your basket lunch and come to the Campbell school house March 24 at 7 o'clock p. m. for an evening of fun and entertainment. The invitation extended this week by Miladies club, sponsors.

This event will be different, says the announcement. There will be no charges or collection and the public is cordially invited.

MARRIAGE RECORD

Marrriage license were issued last week by the county clerk to Hilario Lucio and Lola Alvarez, March 7.

Lou Ola Ewing has been a patient at West Texas hospital recently, where she had a tonsilectomy last Friday.

Mrs. R. P. Terrell and daughter, Kara Lynne, left yesterday for their home in Albuquerque, New Mexico following a visit here with Mrs. Terrell's parents, Mr. and Mrs. Lon Blasingame. Mr. Blasingame

has been ill with the flu and was removed to his home last Friday from Peoples hospital.

Mr. and Mrs. Tucker Teutsch and family from Dumas and Mr. and Mrs. Hart Shoemaker and daughters of Abilene visited over the week end with Mrs. Teutsch's and Mrs. Shoemaker's mother, Mrs. E. F. Stovall and their brother Richard P. Stovall and family of the city.

Mrs. W. E. Garrett and son, Damon, were in Amarillo over the week-end visiting with Mr. and Mrs. Mason.

Mrs. Jim Hart left Tuesday for Amarillo to be with her daughter-in-law, Mrs. Cecil Hart, who is ill.

Counter sales books, adding machine paper, THE HESPERIAN.

LAND LEVELING DEMONSTRATION

At the Claud Patton Farm
4 Miles South of Floydada

On the Ralls Highway

THURSDAY, MARCH 23

Beginning at 1 p. m. At least three different brands of Levelers will be shown.

Every man who has a land leveling problem on his farm and who needs to conserve his supply of water to save waste is —

Cordially Invited

A GOOD DEAL

It is when you make arrangements for a capable automobile mechanic to handle your automobile repair work.

It is a good deal, too, when you see signs of motor trouble to have your mechanic check your machine and keep a little defect from becoming a big one.

Many car owners come to Sparks' regularly and save money by it.

Join their ranks and find out for yourself that it is economy.
