FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, AUGUST 10, 1950

NO. 28

— Photo by J. E. Parsons.

Not very many children can boast of as many living grand parents and great grand parents as little Kenneth and Juanita Worsham, children of Mr. and Mrs. Jack Worsham. In the picture are nine grand parents and great grand parents.

From left to right front row: Mrs. R. A. Burrows, 68 years old, R. A. Burrows, 73, of Floydada; J. S. Worsham, 83, Floydada; Frank Scarlett, 73, and Mrs. Frank Scarlett, 69, of Quanah. Seated with his great grand parents is little Kenneth Worsham, 5 years old. Back row from left to right: Mrs. Jack Worsham, the former Florene Ham, mother of the children; little Juanita Worsham, 1 year old; Mrs. J. L. Hamm and J. L. Hamm of Plainview; George Worsham and Mrs. George Worsham of Lockney, and Jack Worsham, father of the children of Gruver, Texas, formerly of Floydada.

Will Proceed With Buildings For Schools

There seems to be no likelihood that there will be any delay in the construction of the additional school rooms at Andrews ward school nor of the new physical education building on the high school campus, construction superintendent Hanson for Dolph Construction company contractors, tells Superintendent I. T. Graves of the Floydada public school system. News of possible war scarcities has plagued the school board in the past weeks.

Materials have been under contract for weeks for the buildings and there seems to be no doubt that construction can be expected to proceed in about a normal manner if weather will permit.

Slowness of carrying on the two school jobs in the past weeks can be attributed to unfavorable weather conditions. As soon as the work gets above ground on the ward school addition it can go ahead with little interruption, thinks Mr. Hanson. During the prolonged rainy spell dry days have been spent pumping water from foundation diggings, and two or three weeks delay has been occasioned in the same manner at the physical education building site. Lack of skilled help also has been a hindrance in carrying on the jobs.

Bleacher Seats Are Bought
Last week the school board finally adopted the bid of the Medart company for new bleacher seats for the physical education building. Bids were opened early last week but the contract was not let immediately, until after a check of the seats offered had been made. Folding seats will be used.

Fire Escape In Gym
A fire hazard which school authorities have been eyeing with some apprehension is to be remedied at the Andrews ward gymnasium before the opening of another school year, reports Superintendent Graves. The danger of fire breaking out and trapping a gymnasium full of youngsters is being eliminated by the installation of a fire escape on the west end of the gym, he said. The fire escape will be ready for use by the opening of school. It is the opinion of Mr. Graves this will be welcome news to parents of the youngsters who attend school there.

Four Jail Terms May Solve Car Pilfering

They Have Been Wed Fifty Years

Mr. and Mrs. W. F. Glenn, former residents of Floyd county for 13 years will be joined by their two daughters, three sons and many well-wishing friends Sunday afternoon from 2 to 5 o'clock in celebrating their fiftieth wedding anniversary.

The home of the couple in west Plainview will be the scene of the happy occasion. They were married in Tarrant county on August 12, 1900, the celebration being held on the 13th for the 12th.

Moving to Floyd county in 1918, Mr. and Mrs. Glenn live there until 1931 when they made Dimmitt their home. In 1948 they took up residence at Plainview.

The two daughters who will journey with their families from Floydada to be present for the anniversary are Mrs. James H. Holmes and Mrs. W. R. Billington. The three sons are Aden and Garland Glenn, of Dimmitt, and George Glenn of Plainview. There are five grandchildren and five great grandchildren.

Football Camp Will Open for Boys August 15

The return this week of Coaches Preston Watson and Charles Read from the football coaches school at the University of Texas heralds the early approach of the football training season. This season will open on August 15.

Coach Preston Watson is issuing a call for the candidates to meet him at the high school club house at 8:30 A. M.

Preston Watson returned home Tuesday and Read returned to Texas Tech where he is studying, due to report here within several days.

The training camp for the football boys will be held on the school grounds, the plan for asking permission to use the Baptist camp grounds on Blanco having been abandoned when a ruling was made that the training of the candidates for football squadmen must take place on grounds owned or controlled by the school district.

First Game September 8
The football season for the Whirlwind club will open on September 8 in a game with Slaton Tigers on Western field, hence the new football coach is anxious to see all of his prospects on the opening day of 75 training if at all possible. Complete Whirlwind schedule for the season is as follows:

September 8	Slaton here;
September 15	Post there
September 22	Ralls here;
September 29	Matador here;
October 6	Abernathy here;
October 13	Paducah there;
October 20	Open;
October 27	Lockney here;
November 3	Tulla there;
November 10	Crosbyton there;
November 17	Spur there.

COL JENKINS VISITS HOME

Col. Dan Jenkins of Alexandria, Virginia, spent Sunday and Monday with his parents Mr. and Mrs. J. B. Jenkins and his sister, Mrs. George Van Wickel and family.

Mrs. Lucile Tubbs Rites Held Friday

Tom M. Goslee, home last night from the west coast attended the last rites for his sister, Mrs. Lucile Tubbs, Friday of last week held at Mojave, California, and the burial service at Placerville, California, Saturday.

Mrs. Tubbs, victim of a heart attack, died Monday of last week, leaving her husband A. A. Tubbs, five sons and three daughters surviving, and two brothers, Tom M. Goslee and Sam E. Goslee, of China Lake. Mrs. Tubbs was a native of New Orleans.

Only one member of the family, a daughter, Mrs. Wayne Stalaker, in Saudi Arabia, was not present for the rites. Mr. Goslee said last night the family was not sure the daughter had received the telegram telling of her mother's demise.

SON BORN JULY 30

A son named Tilford Colin was born at Pitts hospital in Floydada on July 30 to Mr. and Mrs. L. W. Norvell, of Hereford. Mrs. Norvell is a daughter of Mr. and Mrs. Tilford Taylor of Floydada. Mother and new daughter are doing nicely, reports Mrs. Taylor.

LIGHTNING STRIKES THEIR HOME

Home of Harmony Couple Is Drilled by Stroke During Storm

Mr. and Mrs. Earl Evans, who live on the Lon Davis farm in the Harmony community had a harrowing experience Tuesday night, when a cloud came up at about 2 o'clock a. m.

Lightning struck their house, hitting a bed in an upstairs room, where their son usually slept. As luck would have it, he was away from home. The lightning came through the floor, knocked a pipe in the ceiling, tearing the paper from the wall, and into the room where Mr. and Mrs. Evans were sleeping. Outside the house it struck a tree and an iron pipe near a pipe was welded to the pipe by the heat.

Mrs. Evans, next morning was outside investigating the damage and found a large hole burned in the pipe leading from the butane plant. She detected the odor of gas and turned the butane off. Had she lighted a match, there would probably have been a bad fire.

Mr. and Mrs. Evans had debated about going to the storm cellar when the lightning struck. She says she won't tarry so long again. She also now can imagine how she would feel if a bomb were to fall near her, as she was really scared. Mrs. Evans reported that some of her neighbors had seen a large ball of fire hit the ground, but they had been unable to locate any place or anyone who had seen evidence of it today.

Four Floydada young men ranging in age from 18 to 20 years are in Floyd county jail this week and officers are still gathering up various kinds of stolen tools and car accessories and parts which the quartet had assembled in a period of six months or more.

Continued complaints from residents in Floydada and over adjacent communities about stolen items and gasoline missing from car tanks and from barrels, were climaxed with the arrest of the four Sunday night. Possession of a car accessory in a locked car belonging to one of the number, was their undoing.

Admission of any number of thefts from cars, including a tire, wrenches, mufflers, hub caps, was made by the young men when their trial came up Tuesday, said County Attorney Enoch T. Jones. Following their pleas of guilty two were assessed six months each, in jail and a dollar fine with costs; and two were assessed seven months in jail each, with \$1 fine and costs in county court.

Foraged for Their Gasoline

Deputy Sheriff Alton May, who made the Sunday arrests that resulted in the break of the long-continued pilfering, said the youths made use of a long hose and a five-gallon container to get gasoline for travel. Three of the four had cars. They were gone on a foraging tour in one of the cars when the deputy and the owner of a spotlight identified as stolen waited them out at another one of the cars.

May said yesterday that there may be one or more other organized groups still making raids on cars and warned owners to take what precautions they can. Monday night, while the foraging foursome were in jail an outside rear view mirror was taken. Last week-end Cap Carthel, a half mile northwest of Lockney, lost an entire ignition assembly to the engine at his well.

5 Teams Left In Tournament

Only five teams, Farmer, Level-land, Ralls, Lunch Box, and Builders Mart were left in the Floydada Softball tournament yesterday, and that number was cut to four last night when Lunch Box eliminated Ralls 8-1.

Action tonight Thursday will come in upper bracket when Farmer takes on Leveland in the lone game. These two unbeaten teams are strong and evenly matched and should provide some exciting moments as they play to see who will remain unbeaten.

Friday night, Builders Mart and the winner of the Ralls-Lunch Box game will vie for third place and advancement in the lower bracket. Both these teams are once beaten, and should prove to be evenly matched.

There will be games Monday night, but the teams that play will depend on how this week's games turn out.

Week of Eliminations

In the games played last week, Abernathy defeated Matador 7-6 in the first game to eliminate them from the tournament, and in the second game, McCoy beat Post 2-1 in a thriller to put Post out of the tournament. Friday, Farmer handed Builders Mart an 8-4 drubbing. Monday night Builders Mart eliminated Abernathy from the tournament by a score of 7-6 and Tuesday night, Leveland defeated Lunch Box by a score of 12-3.

Red Cross Welfare Reports on Military Personnel in Korea

Inquiries are being directed to the Floyd County chapter of the American Red Cross in regard to welfare reports on military personnel in the Korean area. Mrs. Winnie Angus, Home Service secretary, reports.

Because of the lack of communication facilities, these welfare reports can not be obtained at this time. The Red Cross, can however send emergency messages of sickness or death to the Korean front, through the adjutant general's office in Washington, D. C.

Forgery Trial Friday

Trial of J. P. Thompson, charged by indictment with passing a forged instrument, is due to be held Friday.

The forged instrument was a \$25 check on Wade Deavenport passed to Bill Owens, Floydada station operator. The indictment was returned four months ago. Johnny Cork, alleged to have forged the name of Deavenport to the check, was tried and is on three-year probation to the sheriff of Floyd county in connection with the illegal transaction.

Worsham Family Group Includes 9 Grandparents

Sunday, July 30, was the happy occasion of a reunion at the home of Mr. and Mrs. George Worsham in Lockney which was joined by the nine living grand parents and great grand parents of little Kenneth and Juanita Worsham. Those celebrating the occasion were Mr. and Mrs. R. A. Burrows and J. S. Worsham of Floydada, Mr. and Mrs. Frank Scarlett of Quanah, Mr. and Mrs. J. L. Hamm of Plainview, Mr. and Mrs. George Worsham of Lockney, Mr. and Mrs. Jack Worsham, Gruver, Texas, formerly of Floydada, and their children Kenneth and Juanita Worsham.

Britton Named Commander of Legion Post

L. D. Britton will be installed as commander of McDermitt post, American Legion, in September, succeeding G. G. Holmes, along with other officers of the organization. Chosen at the meeting along with Britton was Paul Snodgrass as first vice-commander, and Bob Collier as second vice-commander.

Other officials chosen include Wayne Collins adjutant, E. A. Powell chaplain, Walter Collins historian, Billy Henry sergeant-at-arms. Re-elected were J. C. Wester as finance officer and Darnell Ayres as service officer. Along with J. M. Willson, sr., Travis Collins and Harry Morckel re-chosen as members of the executive committee, the post chose L. W. Chapman.

W. J. Casey, Lockney, Loses Life in Freak Accident at Farm Home

The badly injured Casey made his way back to the front porch of his home and it was there his wife found him, propped up by the door, when she returned at 5:30 p. m.

Casey was rushed to the hospital in a Carter Funeral home ambulance. The injured man was still conscious when Mrs. Casey found him, but was suffering from severe shock. Mr. Casey came to Floyd County in 1905 from Mississippi and settled on the same section of land on which he has lived since that time. He is survived by his widow, who was Miss Ella Wilson whom he married in 1929.

Two brothers, Hilburn Casey of Lockney and Perry Casey of Artesia, New Mexico, three sisters, Mrs. W. L. Thomas, and Mrs. C. H. Rose of Lockney, and Mrs. G. C. Fairley of Odessa, survive.

Among many friends and relatives who attended the rites Wednesday afternoon were Mr. and Mrs. A. B. Blount, of Floydada, Mrs. Blount and the deceased were first cousins. Mrs. George Newman, of Lubbock, accompanied the Blounts to the funeral.

MALE CONCERTS MEMBERSHIPS MARKABLY GOOD; REPORT

The Floydada Municipal Concert Association's first annual membership drive, which closed last Saturday evening, has been an unqualified success, it was announced by Dr. James Wester, president of the association.

The talent committee of the association has also announced its plan of an array of artists to appear here next season, including Wheeler, Jean Graham, and Biller.

Wheeler is the eminent American baritone who studied with the Amato of the Metropolitan Opera and is the leading baritone of the New Lyric series. Wheeler is a concert pianist with extraordinary talent and guest artist of the Chicago Symphony orchestra, Philadelphia Symphony orchestra, New York Philharmonic Symphony orchestra under Stokowski.

Billier is the leading soprano of the After Dinner Opera company New York who has a charming personality and excellent musicianship. She also holds a scholarship in the Juilliard foundation.

Dates to be announced. Tickets for the concerts will be announced and announced well in advance of each presentation. Membership identification cards, enabling members to attend all the concerts without further assessment of dues, will be mailed to all members prior to the first concert of the season.

Wife of B-29 Crash

Mrs. J. H. Hutchinson learned word from their daughter, Mrs. Wright, Captain and Mrs. Wright that they are all right. Mrs. Wright is stationed at Fairchild Air base, California. She and 60 others were missing or injured when a B-29 crashed in a trailer on Sunday.

Mrs. Wright said there were many lives who were watching planes taking off, when it took an hour to identify which plane crashed. Mrs. Wright in her own words said the better part of Sunday was spent in helping the wounded and cleaning up after the crash.

EDITORIALS

Things go by opposites, that is things that have to do with mass psychology or mass thought. If you don't think so, think back over the way you thought all the past five years. You'll deny it now to everybody but yourself, but you thought there would be the awfulest depression that ever was, or hopefully, that it would not be too serious. The money smart men in the same period plowed millions into brick and mortar and plants and land and things they could look at, at prices that appeared ruinous to you. Now isn't that right? We mean they spent money by the millions and billions for improvements instead of paying it out in dividends. Now you and I look for a terrible inflation period, do we not? Aren't we putting away sugar and pepper and trying to get automobiles and plows and tractors and tires stashed away? And soap and nylon hose and barbed wire, nails and bathroom fixtures. Also towels and sheets, paper bags and toilet tissue. With the government and everybody trying to keep us from doing it - - shame, shame, they say, while they (the government agencies included) are doing the same thing. Mass thinking is nearly always wrong. Is it this time? Are we headed for a recession? The impossible often, often happens. Watch the proved smart ones and do like they do.

Texans have been voting for names made famous in the history of the state ever since before the adoption of the present constitution back in the seventies of the 19th century. And apparently they are still at it. A good name is a good name to be sure. An illustrious man who applies himself patriotically to a matter of state craft sheds an aura of fame on the name he bears. But names are not exclusive in Texas or anywhere in the United States. And Texans, somehow, should learn to eschew this habit they have formed. They should inform themselves, we don't know exactly how, about candidates for whom they vote and choose the man, not the name.

Private grapevine information, not to be repeated to strangers: The Amarillo Globe News' new press which was to be their joy and pride has been so full of "bugs" that it has about run everybody crazy around that place. And is it piling up the expense account! A poor man having that much trouble would have the sympathy and help of all the neighbors.

About the shoes mentioned in this column last week: No bids. No soap. The hoarders have the bidders scared off. We're going to have to slip one by them somehow, the way it looks now.

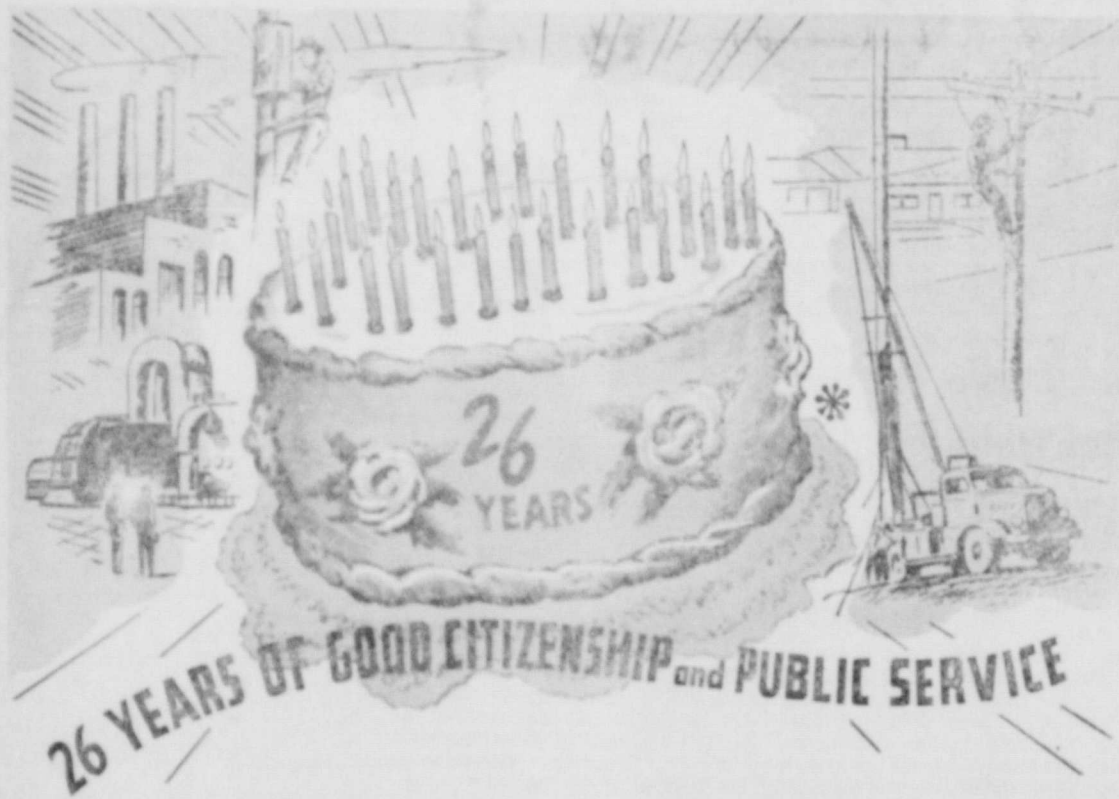

A note in the public prints says that the Wise county old settlers who now live west of the caprock are going to have a get-together soon. This reminds us that Wise county in the past few years has climbed up in a class with Fannin, Hunt and Cooke in furnishing leaders for the empire of the plains. In every community of the whole wide, wide area, embracing much more territory than the ordinary state you'll find a leader who was once a resident of Fannin county and across the table one who hails from Hunt. Also, checking closely on the finances, will be one from Wise. Had they all stayed at home and put out as much honest effort at community building as they have in Floyd and some 50 other counties in the westward area, they'd have had to make Fannin and Hunt and Wise each three times as big to hold all the good things they would have made come to pass. Sometimes you wonder, between the lines, why a county can't keep all this good stock they breed. It's part and parcel of human nature for it to happen the way it does. We certainly have no objection to the scores Floyd county picked up in this immigration process, you understand.

Thinking of people who adopt new lands for their homes, as mentioned about Wise, Fannin and Hunt emigres westward, and how fine they are as folks in our midst, did you note the significance in the news last week about two boys who are in military service from Floyd county? One is a Latin American, a foster son who barely recalls his parenthood, having been reared from a duck-high lad by an uncle. The other is a colored boy who was born and reared in Floydada. The former is a volunteer in the army, the latter a reservist who is off for training soon. Neither had a choice, any more than you and I, of the land and the circumstances into which he was born. But he is proud of the things he has had a chance to vision, regardless of the chance he may have had personally. And something inside makes him want to battle it out for the land of the free. With that kind of stock on our side is this not still also the land of the brave?

And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

Matthew VII, 26 - 27

Good Citizenship and Public Service... the keystones upon which your Public Service Company was founded 26 years ago this month.

Through the years it has been our constant aim to keep good citizenship and public service our goal in our association with friends and customers.

In the future — just as in the past 25 years — we'll remain a part of the communities we serve... do our share to assist in the continued growth and prosperity of the vast Panhandle - Plains - Pecos Valley - Eastern New Mexico area.

Furthermore we're keeping ahead of the rapidly-expanding electrical needs of this region... so that a dependable supply of low-cost electricity awaits the agricultural, residential and commercial requirements that are sure to come.

Yes, we're glad to have been your "neighbor" for 25 years... proud of our record as a good citizen wherever we serve.

Be Sure To Attend Church Regularly

Majestic mountains and placid valleys! These catch the eye and stir the imagination... symbols of power and of fertility.

Rugged peaks and lush meadows however do not exist for themselves, or even for stirring our love of the beautiful. They serve the tiny lily which climbs from the dark earth up into the sunlight of God. Mountain and valley are servants of the purity and the loveliness of the flower. Out of the rock the Divine Gardener gathers rich minerals to be pulverized into life-sustaining soil; down the crevices and the canyons run the rivulets and the creeks which carry the moisture to quench the thirst of growing things; matted earth catches and protects the seed until it can feel the call of the warm sun for its growth up into light and unfolding glory.

The valleys of ancient Canaan were a riot of color in the springtime, shouting to the man with eyes to see that God was walking His earth and every path was checked with anemones and iris and tulip and cyclamen and daisies. Acres of color and of fragrance testified to the presence of the Lord of Life. The anemones or windflowers may well have been the 'lily of the valley,' dear to the heart of the Master; they carpeted the land in "brilliant reds or delicate pinks, purple, white, blue and cream." "Even Solomon in all his glory was not arrayed like one of these."

Look at the purity and the beauty of the lily; see the care and the love of the beautiful which mark our God; know too that the same good God is seeking by every ministry of grace to bring purity and loveliness to flowers in the human gardens of His love. Your life is of more value than is any 'lily of the valley' and your purity and gracious kindness of soul bring greater joy to His heart than does any flower of the field. You are to grow forever under the watch-care of the loving Creator. Will you keep your heart pure and your soul sensitive? Will you respond as naturally to the ministries of divine Love as the lily answers the call of sunshine and of shower? Then attend your church and support her good work.

District Board Reviews Flood Area Damage

Floyd County Soil Conservation District board of supervisors their monthly meeting Tuesday. The flood damage has been occurring for the month was discussed at length. The board has conservation farms that have been with the District have been to see how they withstood flood. These farms had the portion of planned practices on them prior to the heavy rain. Cecil Purcell, chairman of the board, said the treated farms had up very well. Most of the occurred on terraces where from other land occurred. He thinks it is very necessary to terracing and contouring and the proper maintenance of slopes and work down. The removal of the topsoil from the land that is too steep, or severely damaged by erosion, by planting grass is the best conservation for these conditions.

terrace on his farm but none washed out. The worst damage to this farm was from hail. Mrs. U. C. Purcell reports that her terraces in a rolling field held but had some breaks in a flat field due to a railroad dump break. Mrs. Purcell stated the terraces saved her farm. The Leon Elliott farm that is farmed by L. B. Monk suffered no damage to terraces. This land has been replanted four times, due to having heavy rains after each planting. Virgil George had one small break in a terrace but his three ponds were not damaged. He had to replant some cotton and feed but probably did no more replanting than normal. Gorge says if he had not had terraces he would have lost everything. Pete Clark has had no damage to his terraces on his home place but terraces broke on another place because they caught runoff water from other land. The heavy runoff was due to terraces giving away on the adjoining farm. James Kimbell had some terraces to break on his home place due to runoff from the road. The road ditches had not been maintained and could not take care of the water properly. Mr. Kimbell reports that terraces on another farm he operates did not break although the rain was heavier. The Ben Cogdill farm, operated by Leon Elliott, has some bad breaks in the terraces. They held a 3-5 inch rain but washed out later when a still heavier rain fell after the ground was saturated. There was no damage to the terrace system on the W. O. Cobb farm.

Natural Grass Waterways

The Soil Conservation Service assisted the district cooperators in getting treatment on the various farms. The terracing and contouring withstood the flood quite well, however, with a few grass waterways and other conservation practices the damage would have been lessened. Terraces not only held the water and prevented erosion but also kept it on the land and it will be available for future crops. Terracing alone cannot prohibit all of the damage, but must be combined with other equally important practices. Conservation farming, by managing stubble and crops residue and planting grass on steep, shallow, or severely eroded areas, would have prevented much damage. Natural waterways that have been put in cultivation should be reseeded in grass and left for waterways. Proper management of stubble and sorghum stalks by leaving small grain residue near the surface, grazing off only excess forage and grain, will help prevent erosion.

Closed Two Days in Clean-Up, Says the Builders Mart

In their efforts to get their appliances and shelf goods moved and displayed in their new store while carrying on business in two locations, personnel of the Builders Mart have been getting just a bit further behind every week in their work, as additional jobs come up for attention. Accordingly, says J. M. Wilson, Jr., manager-owner, something has got to be done and that something he has concluded is to close up for a couple of days, Friday and Saturday of this week. "We've just got to clean up, and we think we can get the job about done if we have two days and send our time on it. We hope the public will keep the dates in mind and arrange their shopping for building materials accordingly. As soon as we can re-open we can wait on our trade to their greater satisfaction and our own as well." Builders Mart has nearing completion and stocking their outstanding new building materials merchandising house on North Main but no date for a formal opening can be set as yet, Mr. Wilson said.

Classing School

The Extension Service, represented by local county agents, with the cooperation of the cotton branch of the Production and Marketing administration, announces the dates for the 2nd annual farmers' cotton classing school. The school will be held from August 14 through August 25 at the government classing office, 1701 Avenue H, Lubbock, Texas, under the direction of L. O. Buchanan. The school is being conducted for farmers who raise cotton to better acquaint themselves with the classification of cotton as well as the marketing of their product. Any cotton farmer may attend the school free of charge. If you plan to attend, notify your county agent.

Mrs. Wilson Kimble and daughter, Mrs. Don Harris and daughter, Ann of Jacksonville, and Mr. and Mrs. J. G. Wood were recent visitors in Lamesa as the guests of Mr. and Mrs. J. B. Claiborne.

Mr. and Mrs. M. J. McNeill had as their week-end guests recently Mr. and Mrs. Reid Bethel and son, Donald of Lamesa, and Mr. and Mrs. L. A. Broxson and children of Cactus, Texas.

Crash Injuries Near Tucu Fatal to C. E. Turner of Bowie

LOCKNEY—Funeral service for Charles E. Turner were held at the Carter Funeral chapel in Lockney July 25 at 4 o'clock. Mr. Turner was fatally injured at the Tucu cross-

ing of Highway 87 a mile north of Abernathy when his car collided with another one at the crossing. Rev. N. S. Daniel and Rev. E. J. Cobb officiated at the service. Interment was in the Lockney cemetery.

Mr. Turner lived at Lockney years ago but recently had been a resident of Bowie. He was on his way to Hale Center on business preparatory to moving there, it was reported. He was riding alone.

Occupant of the other car was James Moore, about 27, of Tucson, Arizona. He received head and chest injuries.

Turner was traveling east on the Tucu road, known as Highway 54, and Moore was traveling north. The two cars collided near the center of the intersection.

Mr. Turner and his family moved to this area in 1905 and he lived here until about 1932. He was engaged in farming and also operated a service car here. Later he moved to Hale Center, engaged in the grocery business at Plainview until 1946 and then moved to Bowie. Survivors include one son, Roy

What a wonderful bargain!

For five days Mrs. J. E. Brasac kept an accurate record of all her telephone conversations — and here's just a sample. Altogether, she carried on 44 telephone conversations, figures they cost her less than 2¢ each and covered a total of 183 miles.

"I don't know where you'd get a bigger 2¢ worth," she comments. "My telephone keeps me in touch with my family and friends, helps me run my household, and it's always there to call for help in an emergency. And thanks for a wonderful bargain!" Southwestern Bell Telephone Company.

Floyd Reaches Per Cent of Savings Quota

Willson, county Savings Bonds chairman, has announced after receiving final sales figures from Nathan Adams of Dallas, state chairman. The county's quota was \$43,000.00.

The Independence drive was held May 15-July 4, with sales through July 17 being credited to the state and county quotas.

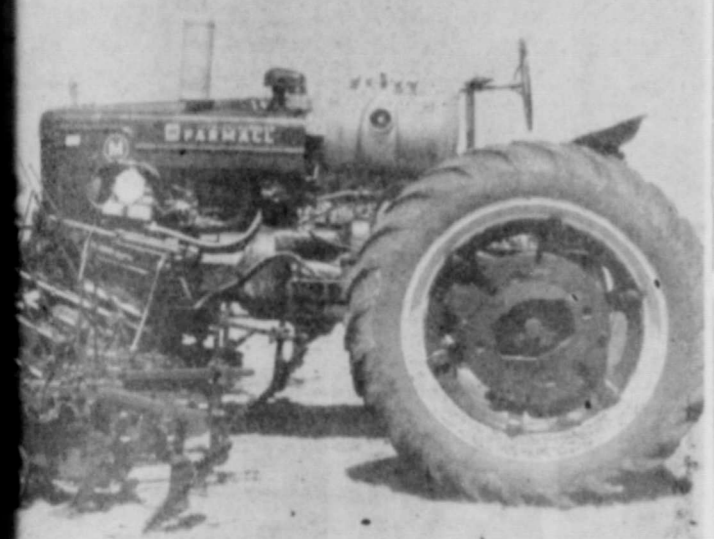

Total sales in Texas were \$25,383,274.75, or 105.37 per cent of the state's \$24,088,000 quota, Mr. Adams said. The state quota was reached and exceeded during the last week of the drive, when a final burst of bond buying marked up over \$7,000,000 in sales. Of Texas' 254 counties, 103 exceeded their quotas.

"Success in this campaign preserves Texas' unblemished record of always going over the top in bond drives," Mr. Adams said. "At the same time the people of the state have added substantially to their savings and, consequently, to their personal financial security."

Mr. and Mrs. Julian Edmondson and daughter Gale Ann and Roland, of Borger, visited last week with Mrs. Edmondson's parents, Mr. and Mrs. Fred Battey, Gale Ann remained for a longer visit with her grandparents while her parents took a vacation trip.

Scholarship Award

Among six Texas Tech college students who won summer scholarships in the study of speech correction is Jeanne Battey, of Floydada, daughter of Mr. and Mrs. David S. Battey.

Winners of awards are encouraged to work in the undermanned speech correction field, said the chairman of the scholarship committee.

Mr. and Mrs. Alva Hall and family have returned home from a vacation trip to Colorado and New Mexico.

Lewis Warren, Robert and Doyle Turner have returned home from a vacation trip to New Mexico, Utah and Colorado.

Most Grateful, Says Loser Preston Smith

Preston Smith, the business-man-legislator, loser in the first round of the Democratic primaries in the race for lieutenant governor, says that although he was loser in the campaign, he does not nevertheless lack appreciation of the many

friends and acquaintances who made efforts in his behalf during the campaign.

"I am most grateful for their efforts and consideration in be-

half of my candidacy," says Mr. Smith, who has among other activities, five theatres in and around Lubbock.

Conde Davis, General Held Thursday

LOCKNEY—Conde Davis, carrier of Route F out of Lockney and a well known citizen since 1918 passed away at Floyd County Co-operative early Wednesday, August 9, an illness of one week.

Funeral services were held Thursday afternoon at the First Baptist church, Lockney, conducted by the Rev. E. J. Cobb, assisted by Rev. L. Shaw of Happy, a former pastor. Interment was in the cemetery. Honorary pallbearers were D. E. Cox, Payton C. E. Childress, A. R. Merriam, R. L. Knox, Floyd Barber, R. Harris, Alex Norris, Al John Stalcup.

Palbearers were four grandsons, Gette and Ted Lundgren, Jerry Dale Davis and his two nephews, Billy Anderson and Paul Davis. Davis became ill Wednesday week and his condition became serious Friday. He was carried to the hospital Saturday and died Wednesday morning.

Davis was born July 19, 1881, at Alvarado, Johnson county, Texas. He lived there until 1918, when he moved with his family to Lockney, where he had made his home since.

September 16, 1900, he was married to Miss Josie Brooks. They would have celebrated their wedding anniversary on September 16 this year had he lived.

Davis engaged in farming, the first came to this area, later operated a transfer service, also as city tax assessor-collector. He had carried the rural mail for Lockney for the past ten years.

Survivors include his wife, one son, Emmett Davis of Amarillo and daughter, Mrs. Tony Lundgren of Amarillo, four grandsons, five granddaughters, Emory Davis of Rogers, Texas, Jack Davis of Cleburne, Texas, Davis of Jacksboro, Harris Davis of Post, and Dr. L. M. of Harlingen, Texas.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

"Harve Harris Ranch two miles south," the sign on the highway read as we left Broncho, Texas, going west. So we turned south as did many another car that Saturday of July 29.

We stopped at a white house set on the gentle slope of a green prairie and Harve and his son invited us to stop and rest under the big trees in the yard of their pleasant ranch home, where the first one we saw was George Fawver. Knowing he likes picnics, still we could not understand just why he and his sons were there until they said they were kinfolks. We met more and more of the Harris family. The daughter, Bea Etta, who had been a hostess on an airplane, but now teaches home economics in Los Angeles and where her husband is in a bank. Another daughter, Viola, is teaching with her husband in Malaga, New Mexico.

As Harve liked to pass the water to all the scholars in time of "books" at Emma the first thing I asked for was a drink and Harve drew some water from a cistern and gave to me. Then he called to Chuck, his lawyer son, who had come from Los Angeles to be at the reunion. He was having such a good time as was the oldest boy, Hollis, who for the day was forgetting his many duties and worries of being a consultant electrical engineer for several states and was going around taking moving pictures of the large crowd, laughing and talking and remembering. And anyone would have had to take a moving picture of the gracious host and hostess for they were never still, going from group to group, introducing and making all feed at home and welcome.

Prentiss who had once been a county agent, now living and working on the ranch, teaching a veteran's agricultural class, was busy talking over the loud speaker, telling the latest arrivals and making fun, for all.

All the children of the ranch home have been teachers. Quimby is still teaching at Carlsbad. As I listened and saw them come and go with their parents and old friends of childhood days, I understood the growing up of fine Americans and I could see that Harve and his wife

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the light-weights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as smoothly, swiftly and silently as Dynalloy Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely enjoying the man in this great car! Why not emulate him?

With all its outsize room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for other top-line cars.

Coming Marriage of Marihelen Lewis Told at Formal Tea

Mrs. Charles Lewis, 615 South Main Street, entertained with a tea, Wednesday, August 2, honoring her daughter Marihelen, announcing her approaching marriage to Billy L. Wason, of Matador on Sunday, September 10, at the First Baptist church, Floydada. Receiving the guests at the door was Mrs. Lewis and in the receiving line was the honoree and Mrs. Bill Wason, mother of the groom-to-be, of Matador.

In the dining room, presiding at the serving table were the bride-elect's aunt, Mrs. John Hoffman and the house guest and former roommate of Miss Lewis, Miss Pat Knight of Snyder.

The table was laid with a hand made crocheted cloth, made by the honoree's grandmother, Mrs. L. H. Lewis. An arrangement of yellow gladioluses in a crystal container, with the green candles in crystal candle holders, and a crystal punch service, made the table beautiful.

Punch, sand tarts and green and pink mints, molded in the shape of hearts and wedding bells were served to the guests. Mrs. Fred Martin, cousin of the honoree and Mrs. Minnie Smart, aunt of Miss Lewis, assisted in the dining room. On the buffet in the dining room was an arrangement of outstanding beauty. It was two hearts, made of styrofoam, outlined with small yellow mums, having bride and groom candles in the center, and yellow satin ribbon entwining from the hearts, with the wording, "Marihelen-Billy—September 10." Green candles in white holders were on either end of the buffet.

In the living room, at the desk, where the guests were registered, by Miss Sarah Springer of Matador, a yellow gladiol arrangement in a crystal basket, centered the desk. And on the radio was another twin heart arrangement made of styrofoam, with yellow mums outlining the hearts.

One hundred and eighteen guests called during the entertaining hours.

Alathean Meet'g Held at Church Thursday

The Alathean Sunday school class of the First Baptist church met August 3, in their regular monthly meeting at the church. A lovely lunch was served at noon, and the devotional and business meeting was held in the afternoon. Devotional being led by Mrs. W. B. Jordan in the absence of the president, Mrs. Kate Collier.—Mrs. R. E. L. Muncy read the scripture.

Wedding Vows Taken by Barbara Landers And Kenneth Willis

In an impressive and quiet wedding in the parlor of the First Baptist church, on Sunday August 6, at 9 a. m. Miss Barbara Landers, daughter of Mr. and Mrs. Leon Landers, and Kenneth Willis, son of Mr. and Mrs. Henry Willis were united in marriage, the pastor, R. Earl Allen officiating at the double ring ceremony.

The parlor was decorated with white gladioli in tall white baskets, arranged before the mantle and the tall candelabra with white candles on each side of the fireplace. In front of the mirror on the mantle was a container of white gladioli.

Sammy Hale sang "Till the end of time", accompanied by Miss Roberta Garrett, who played the traditional wedding marches.

Miss Claudene Goen and Bill Hale lighted the candles. The attendants of the bride and groom were Edward Landers, brother of the bride and Nadine Willis, sister of the groom. The bride wore a blue lace dress, with white accessories, and carried a white bible, belonging to Miss Christine Jones, with a corsage of pink rosebuds and white ribbon streamers. Her white hat was an off-the-face creation with white veiling. For something old she wore ear rings, belonging to the groom's grandmother; something new was her bridal attire, something borrowed was a gold necklace be-

longing to Miss Claudene Goen. Something blue was blue garters. The maid of honor wore a rose taffeta dress with white accessories. For her daughter's wedding, Mrs. Landers chose a grey sheer with a large black straw hat and white accessories. The mother of the groom wore beige sheer with white accessories.

Mrs. Willis graduated from Floydada High school with the class of 1949 and has been employed at the AAA office this year. Mr. Willis graduated with the 1947 class and since that time has been farming

with his father. After a short trip the couple will be at home at 418 1/2 West California street.

Upper bracket Beauty

For the second straight year, Ford has received the Gold Medal award as "Fashion Car of the Year." And its good looks are matched, as owners will tell you, by its fine-car quality. Take a "Test Drive" in this '50 Ford and you'll find it has the "feel" of America's finest cars, too. We call it "big-car roadability"—you'll call it the smoothest, quietest ride on wheels. You'll agree Ford's

THE ONE FINE CAR IN THE LOW-PRICE FIELD

White sidewall tires and wheel trim rings optional at extra cost.

'50 Ford

Low bracket Cost

Compare the '50 Ford, feature for feature, with cars costing hundreds more! Only Ford, in the low-price field, offers an engine choice of either the 100 h.p. V-8 or its companion-in-quality, the 95 h.p. Six! Only Ford offers a "Life-guard" Body! Only Ford offers 35% easier-acting King-Size Brakes! And no car offers a bigger combination of savings—savings in original cost, savings in running costs and the long run savings that result from Ford's high resale value.
