**The Familiar Pattern.**—Note last week - end report that Russia fears Yugoslavia is threatening the invasion of Albania and that to preserve the freedom of those down-trodden peoples Russia may have to take a hand in affairs and punish Marshal Tito? It gives Americans the jitters, as Stalin plans it should, because when that happens the U. S. is pledged by circumstances to take a hand also the same as in Korea. The Hesperian quoted Mr. Stalin once not long ago as saying in substance that America would finally bankrupt its people preparing for war. This is factual, from the Library of Congress, and not some hot shot Drew Pearson or Walter Winchell said the marshal said. Hitler made the same kind of moves while he dictated in Germany. The pattern he set was so good that Marshal Stalin and the Politburo have adopted it with variations and improvements.

## TAMPERING WITH AUTOMOBILES

We haven't read the statutes until recently that cover tampering with motor vehicles and removing parts from motor vehicles. Perhaps you have not either. We had assumed, without thought, that theft and tampering are just theft and tampering. But not so, theft and tampering with motor vehicles, is something else again. Here is the wording as found in the sheriff's little book:

PC. 1344. Tampering with motor vehicle. —Any person who shall individually or in association with one or more others wilfully break, injure or tamper with any part of any motor vehicle for the purpose of injuring, defacing or destroying such vehicle or temporarily or permanently preventing its useful operation or for any other purpose against the will and without the consent of the owner thereof, or in any other manner wilfully or maliciously interfere with or prevent the running or operation of such vehicle, shall be fined not to exceed one thousand dollars or be imprisoned in jail not to exceed twelve months or both, provided that when such offense comes within the definition of felony theft, this article

shall not be applicable.

P. C. 1346. Removing parts of motor vehicle. — Whoever shall maliciously or wilfully and without authority from the owner unlawfully remove from any motor vehicle or bicycle any portion of the running or steering gear, pump, or any tire, rim, robe, cover, tube, clock, casing, radiator, fire-extinguisher, tool, lamp, starter, battery, coil, spring, gas or oil tank, bell or any signal device, speedometer, license number, horn, box, basket, trunk or carrier, shield, hood, oiler, gauge, chain or any device, emblem or monogram thereon, or any attachment, fastenings or other appurtenances or any other part attached to such vehicle which is necessary in the use or operation thereof, or whoever knowingly buys, receives or has in his possession any of said articles or any part thereof so unlawfully removed, shall be fined not exceeding one hundred dollars, or be imprisoned in jail not less than six months nor more than one year.

From this you note that, when a defendant is found guilty, there is not much for a judge or jury to do but to make it pretty rugged for the accused.

Recently we said something about every man having to live in the sense of paying his bills or not paying them. Which reminds us of a story O. L. Stansell tells about an old-time friend who was out collecting. This friend ran into a fellow considerably in arrears. "Protesting he could not pay, the debtor remarked that he had to live, meaning his current bills had to be met. "No, you don't have to live, either. Better men than you are dying every day," said this old plain-talking friend of Oscar. Which is just right, we think. Sometimes men hide behind their shortcomings and try to make the man they owe and promised to pay wait until the more convenient season.

Probably the reason a dog is man's best friend is because he can't talk back.

## Grain Sorghum Net Value for Loan is \$1.59

Final specific requirements relative to the 1950 grain sorghum loan in Floyd county have been received by the local PMA office, states Ray S. McEntire, administrative officer in charge.

Eligible grain sorghums are defined as grain sorghums placed under loan or delivered under purchase agreement that contains not in excess of 13 percent moisture, and, if offered as security for a farm-storage loan, the grain sorghum must have been stored in the granary at least 30 days prior to inspection for measurement, sampling, and sealing.

The Galveston, Texas, terminal rate for No. 2 or better grain sorghum is \$2.42 per hundredweight.

The local county rate for grade No. 2 or better grain sorghum is \$1.80 per hundredweight. A discount of 8 cents will be made for grade No. 3 and 16 cents for grade

No. 4. All grain sorghum in approved warehouses on which evidence that the warehouse charges, except receiving charges, have not been paid will be reduced by 20.5 cents per hundredweight. Thus, the actual net value of No. 2 grain sorghum in Floyd county will be \$1.59 per

### FIRST OF THE FINE CARS IN VALUE

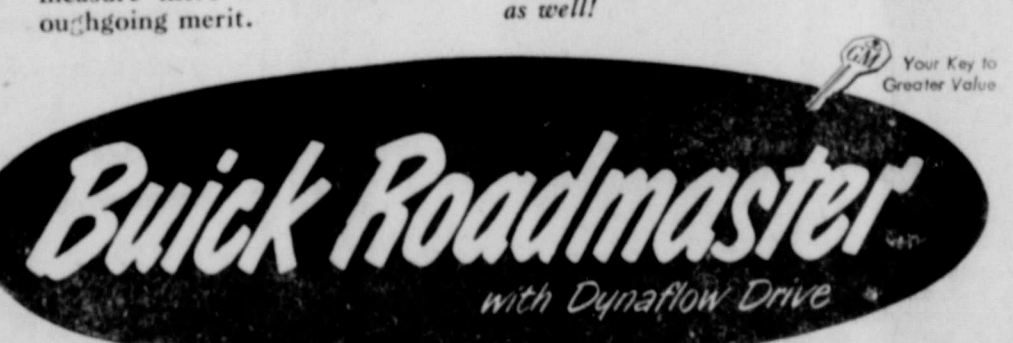

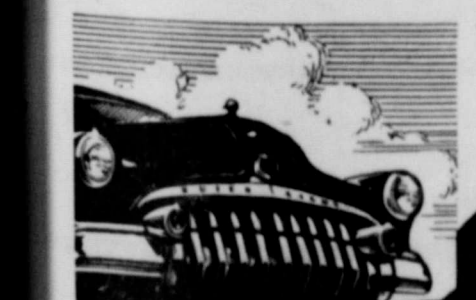

# BIG MOMENT - with a Double Impact

It's a big moment when any new car rolls up to your door and you start out fresh and spanking bright. Think, then, what it's going to mean when that new car is a ROADMASTER like this one pictured here. You'll swing wide the door and slide into a car that's truly fine—and looks it. You'll put foot to treadle and touch off the might of a great, 152-horsepower Fireball straight-eight that's ready to master any road—or anything it meets there. You'll have the silken magic of Dynaflo Drive to simplify your

driving, ease your way. A handsome flexible steering wheel, automatic windshield washers, soft Foamtex cushions, and many other items that are "extras" elsewhere are standard equipment here. But even while you enjoy all that, you've a still deeper satisfaction enriching your pleasure. For here you have not only a fine car, but a sound and frugal investment as well. You have paid less per pound than any comparable car costs—and automotive men will tell you price per pound is the soundest measure there is of solid, thoroughgoing merit.

You've bought quality—top quality—all the fine things a fine car should provide. But you haven't spent a penny more than a fine car need cost. And that can mean a lot. For instance—Drop in on your Buick dealer. Try out a ROADMASTER. Match it, feature by feature and point by point, with any other fine car on the road. Then get the price. You may well find that you can get not only a new ROADMASTER for the sum you had in mind—but maybe a new fur coat for your wife as well!

FOUR-WAY FOREFRONT. This rugged front end (1) sets the style note, (2) saves on repair costs—metal bars are individually replaceable, (3) avoids "bumping horns," (4) makes parking and garaging easier.

## Ferne Stovall, Lewis Anderson Take Vows in Church Ceremony

The marriage of Miss Ferne Stovall, daughter of Mr. and Mrs. R. M. Stovall, and Lewis Anderson, son of Mrs. A. W. Anderson and the late Mr. Anderson, took place Sunday morning, August 13, at 9 o'clock in the First Christian church, with the Rev. E. A. Powell, pastor, performing the double ring ceremony.

An arch of white gladioli and fern was arranged over the rostrum before which the couple stood. Six tall candelabra, each with seven white cathedral candles were arranged with the tall baskets of white and pink gladioli, making the altar and rostrum beautiful. White silk cords roped the steps with pink and green ribbon, tied in bows. Placed in the baptistry was a large basket of pink and green gladioli.

Miss Claudene Goen and Bill Hale lighted the candles.

Miss Roberta Garrett gave an organ prelude, after which she played for Miss Mollie June French as the song, "Because," and "O Promise Me." Miss Garrett played the traditional wedding marches.

Mrs. J. W. Kinard, sister of the bride, of Lubbock, was matron of honor and wore a dusty rose lace dress, over satin, fashioned after the bride's dress, with lace halo and pink roses for her hair. She carried a colonial bouquet of white asters, surrounded by blue delphinium. Clarence Edwin Guffee was best man for the groom and Otis Anderson, brother of the groom, and Lawrence Stovall, brother of the bride, were the ushers.

The bride, entering on the arm of her father who gave her in marriage, wore an ice blue French lace dress over satin, fashioned with a fitted bodice, with sweetheart neckline, with small covered buttons. She wore a shoulder length veil of nylon tulle, which fell from a Dutch shaped cap, covered with orange blossoms.

Her flowers were white gardenias, surrounded with pink rose buds on a white bible, with white satin streamers. For something old, the bride wore mother of pearl earrings, which came from the South Pacific, for something new her wedding attire, something borrowed was a double strand of pearls, and something blue was blue garters.

For her daughter's wedding, Mrs. Stovall wore a white Irish linen dress with white accessories, and corsage of cerise carnations. Mrs. Anderson wore a blue summer sheer with blue accessories and corsage of cerise carnations.

After a wedding trip to New Mexico, the couple will be at home at 515-A, South First street, Floydada.

Out-of-town guests at the wedding were Mr. and Mrs. J. T. Stovall of San Diego, California; Mrs. A. F. Carmine and daughter, Linda, of San Diego; Dr. and Mrs. J. W. Kinard and daughter Kay of Lubbock; Mr. and Mrs. William Anderson of Littlefield.

Mr. and Mrs. Pete Hickerson and daughter Patricia, and Mrs. Hickerson's father, L. A. Sargent, are enjoying a trip to the west coast, visiting relatives in California and in Stockton, California, with Mr. and Mrs. C. P. Cooper and Mr. and Mrs. Dick Fenner.

Rev. and Mrs. E. A. Powell and son Everett left this week for a two weeks visit with a son in Sacramento, California.

Mr. and Mrs. Walton Hale are in Dallas at market buying goods for the Hale Department Store.

## Lanham - Jameson Nuptial Vows Said

Urban Park Methodist church of Dallas, was the setting for the candle light exchange of vows by Lady Ann Lanham, daughter of Mr. and Mrs. Otto J. Lanham of Dallas and J. B. Jameson, son of Mr. and Mrs. Jesse B. Jameson of Floydada, August 4, Friday at 8:00 p. m.

Rev. John Cook read the double ring ceremony before an altar decorated with palms and candelabra flanked by two seven branched candelabra.

Miss Betty Jeanne Taylor furnished the wedding music which included the traditional wedding march.

The bride, who was given in marriage by her father, wore a pink, nylon net gown designed with a fitted bodice and gathered yoke. Her finger tip length veil of net was held in place by a head dress of pink rosebuds. She carried a white bible on which was mounted a white orchid with white satin streamers.

Mrs. C. R. Huges of Fort Worth attended the bride as matron of honor. She was dressed in a navy crepe gown and her flowers were white carnations.

Vickey Lynn Blair of Terrell, cousin of the bride, was flower girl. Miss Blair was dressed in a dotted swiss gown with a tiered skirt and matching white bonnet.

Grady Pitts of Crystal City served as best man and Troy Lane Jenkins of Denton was usher. Nola Black of Denton lighted the candles. Immediately after the ceremony the newly weds were honored with a reception at the home of the bride's parents. The bride's table was laid with blue satin and white lace and centered by a three-tiered wedding cake and an arrangement of lighted candles.

Mrs. Jameson was a graduate of Crozier high school of Dallas and attended Texas State College for Women.

Mr. Jameson is a graduate of Floydada High school and of North Texas State College at Denton. He served with the armed forces in World War II in the Asiatic theater of war.

The young couple will be at home at 119 1/2 North Adams street, Dallas, Texas, after August 13.

Those attending the wedding from Floydada were Mr. and Mrs. Jesse B. Jameson and Leslie Nixon.

A training meeting on camp cookery was held Thursday afternoon at the home of Mrs. W. C. Sims in Floydada. Mrs. Sims' shady backyard and her excellent barbecue furnace was ideal for the meeting which was attended by adult and junior leaders for 4-H clubs. The girls who attended the district 4-H camp at Lubbock and Miss Leila Petty, county home demonstration agent gave the demonstration.

A meat and vegetable meal was cooked in aluminum foil, with apples cooked in foil for desert. These demonstration will be repeated in 4-H club meetings.

Those present were Delores, Carolyn and Valerie Sammann, and Mrs. Walter Sammann from Providence; Minnie Beth Crawford and Mrs. Sam Lide from Dougherty; Naomi Allen, Mrs. Lloyd Allen and Mrs. A. V. Womack from Sand Hill; Patsy Pierce, Betty Vernon and Mrs. Henry Bollman from Lockney; Donita and Barbara Sue Milton, Mrs. Grigsby Milton, Virginia Payne and J. Ronald Taylor and Mrs. J. P. Taylor of South Plains; Lavern Word, Loretta Peugh and Mrs. M. O. Peugh of Lone Star; Marcelle Green, and Mrs. Hershel Green, Carolyn Williams, Mrs. O. G. Shearer, Mrs. W. C. Sims and Miss Leila Petty of Floydada.

Mrs. Jim Potts was hostess to Our Home Garden Club, August 10, at 3:30 P. M. R. C. Badgett of Lubbock was guest speaker for the afternoon. She gave an interesting discussion and some points of interest concerning the flower show, which will be held September 23.

The garden cutting was given by Mrs. Billy Henry. Mrs. Bill Norman presented the flower arrangement. Refreshments were served to the following guests: Mrs. R. C. Badgett, Mrs. Johnnie Powers, Mrs. John Fry of Lubbock, and Mrs. John Hoffman, and members Madams Alpha, Boothe, Alton Chapman, Bob Collier, Earl Crawford, Kinder Farris, W. E. Garrett, J. S. Hale, Jr., Billy Henry, Seaton Howard, John Kizer, G. E. Mayo, M. J. McNeil, Bill Norman, Jim Potts, J. W. Reue, Jake Watson, J. M. Willson, Jr., George Van Wickel, and Fred Zimmerman, Jr.

The next meeting will be August 24, with Mrs. Bob Collier as hostess.

## Cart Wheel Salad

Vegetable salad molded to cart wheel shape in your round layer cake pan, and "spoked" with carrot strips, makes an easy-to-prepare and dramatic dish to serve the family, to take as your contribution to picnics, pot luck or covered dish affairs, to make in honor of this year's fine crop of healthful vegetables.

Be sure to let everyone see it whole. Serve it in pie-shape wedges with plenty of smooth mayonnaise or salad dressing.

Cart Wheel Salad

1 pkg. lemon gelatin dessert  
1 1/2 cups boiling water  
1 1/2 cups shredded raw cabbage  
1 1/2 cups chopped green pepper  
Salt  
4 small carrots  
Watercress  
Mayonnaise or salad dressing

Dissolve the gelatin in the boiling water. When cold and thickened fold in the shredded cabbage and chopped green pepper; season to taste with salt. Pour into an 8-inch round layer cake pan and chill until firm. Peel and cook the carrots, and when cold, cut them into thin lengthwise strips. Unmold the gelatin on a round chop plate and arrange the carrot strips on it to resemble the spokes of a wheel, with a round slice of carrot in the center to simulate the hub. Garnish the plate with watercress and serve each portion with mayonnaise or salad dressing.

## Lakeview News

LAKEVIEW, Aug. 16.—The revival meeting which began last Friday night is reporting good crowds for both morning and evening services. Rev. H. T. Harris of Finley is the visiting preacher and is bringing some God-inspiring messages. Rev. Alvin Hamm, pastor of Mount Shiloh church is director of the music.

This community was saddened Sunday morning upon learning of the death caused by a car wreck, of Truman Dillard of Matador. He was the son-in-law of Mr. and Mrs. Jim Owens of this community. Services were conducted Monday afternoon, in the Assembly of God church of Treasburg Springs.

Patsy Johnson, daughter of Mr. and Mrs. L. W. Johnson, was carried to the hospital in Crosbyton Monday for medical treatment.

J. D. Ball and daughter, Donnie Amarillo, are visiting in the home of his parents, Mr. and Mrs. Robert Peal this week.

Mr. and Mrs. William Powell and daughter of Cortez, Colorado, are visiting this week in the homes of her sister, Mr. and Mrs. Fowler Estep and parents, Mr. and Mrs. Frank Jones.

Mr. and Mrs. Fred Jones had as visitors Saturday night, Mr. and Mrs. William Atkinson and children of Munday and Mr. and Mrs. L. L. Atkinson and family of Gore. Sunday they all attended the Knox county reunion in MacKenzie State park, Lubbock.

Mr. and Mrs. W. M. Hambricht went to Big Spring and Ballinger week-end before last to attend the funeral of Mr. Hambricht's grandmother. She had reached the age of 90 years. Mr. Hambricht's mother, Mrs. Anna Hambricht of California, has been visiting relatives here and had gone to Big Spring to visit her mother. She had been there only a week when she passed away.

## RETURNS TO CALIFORNIA

Mrs. H. G. Youngblood of South Gate, California, who has been visiting her parents, Mr. and Mrs. V. W. Hennessey, has returned to her home. She was accompanied by her sister, Miss Mary Eunice Hennessey, who is to go to Tulare, California, to manage a beauty shop. Tulare is the home of her sister, Mrs. Ralph Taylor, the former Jewel Hennessey.

Mrs. John A. Hutchinson went with the group to visit her daughter, Mrs. R. J. Wright, at Fairfield-Suisun Air Base, California, where the daughter's husband, Captain Wright, has been stationed.

Lamar Haynes of San Angelo, spent the week-end with his family who are visiting Mrs. Haynes' parents, Mr. and Mrs. Walton Hale.

My nephew Durk says we are all so afraid we won't know which fork to eat with that we buy a book to tell us how. And my brother Jim added "kind of knife with which to cut our peas." But let us get at a steering wheel and we never think of good manners or how to please our fellow travelers.

## CUB SCOUT BASEBALL GAME

Cub Scouts of Floydada furnished ball game goes with pre-game entertainment Saturday night as they met in a softball game all their own. The Scouts drew names for sides, with Jim Word of the Lunch Box team coaching one side and David Battey giving directions to the other.

This ball game took the place of the regular Pack meeting for August for Pack 57. Presentation of the awards which were earned this month was made by Cubmaster W. O. Newberry. Bobby Grundy was presented with his Wolf badge and a gold and silver arrow point. Jerry Chapman won the Wolf also with a gold arrow point. The highest award in cubbing went to Frank Potts as he received his Webelos rank.

Mr. and Mrs. H. G. Barber and son Don have returned home from San Antonio, where Mr. Barber attended the meeting of vocational agriculture teachers.

Mrs. W. H. Cline of Dallas is here visiting her sister, Mrs. O. L. Stansell and other relatives.

# X-Ray Unit Visit Floyd during October

...of the Texas State Department of Health's TB x-ray unit to visit Floyd county this year will be on October 4, 5, 6, and 7. Preliminary arrangements for this visit were made last week when a representative of the health department conferred at the Chamber of Commerce office with a group composed of Leonard Matsler, I. T. Graves, and Enos T. Jones, Floydada; and Mrs. Wanda Barndollar, Mrs. G. M. Brunner, Thomas M. W. Wiley of Lockney, and Mrs. F. Jones, chosen to be general county chairman on the drive to create interest in the TB x-ray unit's work, issued the following statement this week:

"They have drafted me to serve as general county chairman on this drive to get TB x-rays made. The unit will be here from 9:00 a. m. to 3:30 p. m. on the 4, 5, 6 and 7 of October, and no charge of any kind will be made. The taxpayers already paid the bill.

"They want everyone over 15 years of age, including those taken in the past year. They especially want those who think they are 'fit as a fiddle' for they have found many of those in this group. The representative from the Texas Department of Health emphasized the fact that in many of the other counties like cancer, heart trouble, and that the patient in most cases lived out his normal life span; that TB is no respecter of age, and many cases are found in the age group, where there is a life expectancy of many years. He further emphasized the need for everyone to have x-rays made, even though he or she had made last year, for it is the most good. He especially emphasized the old folks, and we are to try to make arrangements for those in need of transportation. It will not be necessary for the patient to remove their clothing, there will be a hostess committee and clerical assistance committee to make them feel welcome; and to assist the two professional workers with the unit.

The representative from the State Health department emphasized that the information was to be kept strictly confidential; and incidentally they found several cases last year and found other ailments. Mrs. T. B. Jones, who also had announcement of committee appointments would be made later.

Mr. and Mrs. M. C. Fuqua returned home last Wednesday from Hamilton, Texas, where they attended a family reunion of the Fuqua family. Mr. Fuqua's brothers and sisters. There were 118 relatives present and the dinner Sunday was served under the trees on the river that runs through Pete Fuqua's farm. A wonderful time was reported by Mr. and Mrs. Fuqua.

Mrs. F. O. Connor, Mrs. W. H. Johnson and Mr. and Mrs. Billie Ramsey were business visitors in Lubbock Monday.

## Griffin Should Be Chosen For Elective Term

**PLAINVIEW, Aug. 12.**—Friends of Judge Meade F. Griffin in the 6th Judicial District, in which he served and practiced law for more than a quarter of a century, are eager to see West Texans turn out in large numbers August 26 and give him a typically enthusiastic West Texas boost.

JUDGE MEADE F. GRIFFIN

gave him 4,234 votes to 256 for his three opponents in the first primary. His margin in surrounding counties was almost as great. He had a substantial statewide lead over his nearest opponent. Since the first primary, the Dallas Morning News, published where Judge Griffin's lone remaining opponent lives, has endorsed Judge Griffin on the basis of his qualifications for office. Even before that endorsement, in Dallas Judge Griffin received in the first primary 11,707 votes to his opponent's 13,850. Over 80% of the Dallas lawyers endorsed Griffin, and about 7% endorsed his present opponent prior to the first primary. He was the choice of the greatest number of Texans in the first primary. Griffin served in both World wars, is 56 years of age, and except when with the colors has been engaged in active law practice for 25 years. Griffin seeks his first elective term. Since he accepted appointment by the late Governor Jester,

## LINES FOR HEAVIER SERVICE

Loans for "heavying up" rural power lines operated by cooperatives financed by the Rural Electrification Administration are growing in importance. This is a development which the REA expected. It reports that for the last fiscal year loans for the purpose of improving existing systems accounted for more than twice as large a proportion of all loans as in the previous fiscal year.

"Heavying up" calls for stringing heavier lines, adding new substations, increasing transformer capacity to meet growing demands for light and power. A table in the agency's Annual Report shows that the average consumption of each customer increases with length of service. A survey of cooperative systems grouped by the number of months they had been supplying power to members makes this clear. In the group averaging 43 months of service (the third year) there was an average consumption of 75 kilowatts per month in December. For the fifth year, this increased to 99, and for the eighth year to 165 kilowatts per customer—more than double the demand in the third year. This record explains why REA expected the increase in "heavying up" loans.

The report says: "Along with their job of extending their lines to reach rural people still waiting for service, REA borrowers are concerned with the continuing responsibility of providing adequate and dependable service. A large part of this job is to obtain, in the face of power shortage, sufficient power to meet the consumers' needs."

"Closely related is the job of providing sufficient distribution capacity to maintain a high standard of service. Electric facilities financed by REA are designed to meet load growth. In the first place, reserve capacity is provided for handling substantial increases in load. Secondly, provision for "heavying up" at a minimum expense when the situation warrants."

"TYPEWRITER carbon, best made. Also pencil carbon. Hesperian."

## FROZEN FOOD TRANSPORT

In the mushroom expansion of the frozen food industry in recent years, "the need for additional safe, low-cost transportation is one of the major problems facing the industry today," says the U. S. Department of Agriculture. This is one of the conclusions of a study and survey of the marketing of frozen food reported by the Production and Marketing Administration. The study starts with the need for diversification of crops in producing regions so that freezer plants can operate for a longer and more efficient season. It carries through to the mechanics and equipment of retail sales and home storage. The effort is to point out developments needed in the various stages of moving frozen food from field to tables.

For long-distance transportation the frozen foods move mainly by rail, Irvin Laminack and family, of Fort Worth, visited his brother, John Laminack and family over the week-end.

MR. AND MRS. MYRON W. KATTNER

## Georgeann Huckabee Marriage to Myron W. Kattner Is Pretty Ceremony Evening Of August Six

In a beautiful rainbow wedding, on the evening of August 6, at 7:30 p. m. in the First Baptist church, Miss Georgeann Huckabee, daughter of Mr. and Mrs. C. C. Huckabee, became the bride of Myron W. Kattner, son of Rev. and Mrs. A. S. Kattner of Needville, Texas. Rev. Kattner, pastor of the Needville Methodist church, performed the double ring ceremony.

The church was beautifully decorated with 160 candles outlining the pulpit, aisles and pulpit rail, with fern woven in between the candles. Four floor baskets on the rostrum contained white gladioli and in the baptistry was a large container of white glads. The aisles were outlined with rainbow satin ribbon and tall candelabra. A rainbow arch of fern, pink roses and ribbon was across the pulpit.

Candle lighters for the wedding were Butch Muench and Joe Smalley.

Pre-nuptial music was played at the organ by Mrs. D. W. Douglas,

who also played accompaniment for Richard Eden of Rotan as he sang, "O, Lord of Service", and Mrs. Douglas played, "I Love Thee" while Miss Molly June French read, "I Love You." She also played the traditional wedding marches.

**White Lace Imported Creation**  
The bride, who was given in marriage by her father, Mr. C. C. Huckabee, was gowned in a white lace, French imported creation, over net and satin, with long sleeves coming to a point at the wrist with covered buttons. The yoke was outlined with seed pearls and folds of the lace making three points around the yoke. The dress had a long train and the veil was of French illusion with cap, made of leaves of seed pearls and the veil falling in three tiers was finger tip length.

The bride and each of her maids wore a single strand of pearls. The brides bouquet was made in a shower effect of feathered white carnations and white maline, centered

with large purple orchid, backed with ribbon covered loops, giving the appearance of a fan. For something old the bride wore her mother's diamond engagement ring, something new was a strand of pearls, something borrowed was an antique cameo bracelet and something blue were blue ear rings, gift of the groom.

The maids were Miss Arminta Berry, gowned in pink, Wenona Faulkenberry, in light pink, June Carter, in yellow, Virginia Keeter, of Throckmorton, in blue, Mrs. Charles Huckabee, of Levelland, in yellow and Mrs. A. E. Huckabee, of Lubbock in blue. Each of the maids wore identical dresses made of marquisette, over satin, in soft shades of their chosen colors made with around the yoke, and tight basque, and full floor length skirt. The dresses were originals, made by Pandora of New York. Each maid wore matching mitts of the color of their dresses with head pieces of carnations, of harmonizing colors. Each maid carried a fan made of maline covered with the carnations, the color of their dresses, and tied with matching colored ribbon, falling in streamers.

**Joyce Holmes Maid of Honor**  
Miss Joyce Holmes, was the maid of honor and was gowned in dress with matching mitts, copy of the maids of honor, in a soft shade of blue, carrying fan, of light blue marline, bordered with feathered cerise pink carnations.

The flower girls, Sonja Kay Guffee and Mary Ann Huckabee, wore floor length dresses of white marquisette with a halo for their hair of white sequins. Each wore a strand of pearls. They carried white baskets of pink rose petals. The ring bearer was Ralph Johnston, junior, in a white linen suit and carried the rings on a white satin pillow.

The ushers for the wedding were Enoch T. Jones, Kenneth Bain, Jr., Marvin Standefer, Lester Hickman, of Plainview, and the brides two brothers, Charles Huckabee, of Levelland, and A. E. Huckabee, of Lubbock.

The best man was Lionel Kattner, brother of the groom.

Immediately following the ceremony a reception was held at the home of the bride's parents, the bridal couple, their parents and the attendants forming the receiving line.

Miss Joy Bunch was at the bride's to register the guests, Miss Lee Hutchinson played piano selections while the guests arrived, and the following girls assisted in serving punch and wedding cake: Misses Wanda Withers, Fern Patterson, Roberta Garrett, and Velma Briggs.

The table was covered with a white organdy floor length cloth with rainbow satin ribbon bows on each corner of the table. At one end of the table was the punch bowl, with white candles in white holders, and at the other end of the table was the wedding cake, made in a large square with two smaller cakes on top of the large one, with the names of the couple in white. Pink rose buds adorned the edges of the cakes. The large white cake had a step leading up to the smaller cakes where a miniature bride and groom were standing at the top of the steps.

The bride chose for her going away costume a pink wool gabardine dress, with navy accessories.

Guests from the following towns were present for the wedding: Lubbock, San Angelo, Plainview, Rotan, Throckmorton, Texarkana, and Needville, Texas.

After a wedding trip, the couple

will be at home in a new home they are building in the Andrews addition. The bride is employed at the First National bank and the groom is the band director for the Floydada High school. He is a graduate of Baylor university and is starting his third year as band director for the high school. Mrs. Kattner is the only daughter of Mr. and Mrs. C. C. Huckabee, graduating from the Floydada High school in 1945 and at Hardin-Simmons university in 1949.

## Wedding Group Given Rehearsal Dinner by Mrs. C. C. Huckabee

The rehearsal dinner for the Huckabee-Kattner bridal party was given by the bride's mother in the basement of the First Baptist church on Saturday evening at 7:30 p. m. The table, formed as a T were covered with white cloth and spring flowers, with tall white candles in white holders. The places for the honored couple were marked with a miniature bride and groom. Rainbow colored pottery was used on the tables.

Mrs. George Caven, Mrs. Robert Gibson, Mrs. O. G. Mayfield, Misses Roberta Garrett, and Juanita Huckabee assisted Mrs. Huckabee in the serving of the meal.

Mr. and Mrs. A. A. Forester of Texarkana were guests besides the bridal party. Mrs. Forester is a sister of Mrs. Huckabee.

**Brides-Maids Breakfast**  
Mrs. C. C. Huckabee entertained the brides-maids for the Huckabee-Kattner wedding with a 9 o'clock breakfast Sunday morning at her home, 902 South Wall street. Rainbow colors were carried out in the pottery used on the table and the

spring flowers used as decorations. Those attending the breakfast were Misses Arminta Berry, Wenona Faulkenberry, June Carter, Virginia Keeter, and Wenona Faulkenberry.

Mr. and Mrs. A. J. Cline returned from a trip to Little Rock, Arkansas, where they visited the brother of Mr. Cline, Frank Cline, and family.

## Convinced US Is In Earnest About Korea

Mr. and Mrs. Dick Bunnell have just returned from a two weeks vacation trip in California, where Mr. Bunnell visited his brother. Mr. Bunnell reports that the desert is even hotter than he had remembered it. The heat even melted a plastic dash tray in the car on this trip.

While in California, the Bunnells observed a great amount of activity connected with our war effort.

Said Mr. Bunnell, "The railroads are clogged with troop trains and freight trains loaded with tanks, guns and every conceivable kind of combat equipment. There were numerous truck convoys that look as much as thirty minutes to pass. Laden Liberty ships were leaving the harbor at Santa Monica and the empty ones coming in, and a large number of coast patrol ships could be seen darting around."

Many roads were blocked off with road signs, and do not enter, and all the hills were covered with every possible kind of radar.

Housing around the now inactive war plants is being built by the acre, not by the block, and Rosie the Riveter, by the thousands, is soon to start back to work in these plants."

One of the things that impressed the Bunnells most were the signs posted around Los Angeles that

## Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated August 29, 1936.)

Twenty-five Whirlwind aspirants reported for initial practice, at Westler Field Wednesday morning, under the direction of Coach Cecil Winters. Four lettermen will be back for the 1936 eleven, Edwin O. Baker, back and co-captain, with Earl Baker, back, another letterman; W. H. McClung, back, and Liburn Cox, end. School starts September 7 and the first game will be with Crowell on September 11.

Forty people attended the annual picnic given by Martin Dry Goods store at Roaring Springs, for the regular and extra store force.

Nine Floyd county farmers have built trench silos, to take care of their feed crops. They are John A. Lloyd, Lee Trice, Luther Dorrell, J. T. Wilson, J. T. Bernard, K. Martin, W. R. Fleming, and A. C. Green. One of the silos built was an "up stairs" type, built by Harry Morckel with cypress wood.

Light showers fell in the South Plains area and a cooling shower fell in Floydada, with more signs of rain. Farmers in the west part of the county are rushing with their irrigation wells. About three a week are being hooked up to the pumps, as fast as they can be put into commission.

An extra issued by the Hesperian on Sunday told the story of the election.

Mr. and Mrs. N. B. Stansell of Petersburg spent the weekend here. Woodrow Goetz of Austin is visiting his parents, Mr. and Mrs. A. C. Goetz.

Mr. and Mrs. W. E. Grimes have recently moved from the Muncie community to Floydada, where Mr. Grimes will devote all his time to his law practice.

Mr. and Mrs. L. C. McDonald visited their son Clement and family in Quitaque Sunday.

R. P. Terrell, coach of the Floydada Whirlwinds for the past four years, began training the Matador football team Monday, where he will coach this year.

A. H. Manning returned home Tuesday from Lubbock, where he visited his daughters, Mrs. G. A. Cook, and Mrs. J. R. McSpadden, and his niece, Mrs. Jess Smith of Brownfield.

The 4-H club and Vocational Agriculture boys, 24 boys in all, left for the Centennial at Dallas, accompanied by W. A. King, the vocational agriculture teacher, and O. K. Davis, principal of the high school and D. F. Bredthauer, county agent. The boys plan to be gone three days.

There were 447 registered at the Old Settlers day at Hank Smith Memorial park, at the gathering, which was held for two days. Glad Snodgrass was named vice-president of the association.

Forty-one relatives gathered at the home of Judge and Mrs. J. W. Howard, pioneer Floyd County residents, for a family re-union. Ten of the children were present, with twenty-one grandchildren and one great grandchild.

Mrs. Baird Bishop is spending the week attending an Elizabeth Arden training school at the Hilton hotel, Lubbock. The school is being conducted by Miss DeVore of New York and will conclude today.

## South Plains News

**SOUTH PLAINS, Aug. 14.**—Church and Sunday school attendance was small Sunday, due to the fact that so many of our people are on their vacations at this time.

Mr. and Mrs. Sim Reeves are visiting relatives and friends in and around Hammonton, California, at this time.

Mr. and Mrs. John Smitherman attended an annual reunion near Waco last week-end.

Visitors in the G. F. West home last Sunday were Mr. and Mrs. Gordon Montague and son of Silverton, and Mr. and Mrs. Robert Silby, and Lowell and Bobby of Amarillo.

Visitors in the H. R. Hartman last week were Mrs. J. B. Jarnagin and Alan, Mrs. Lloyd Horn and children of Lubbock, and Mr. and Mrs. Ray Daniel and girls of Amarillo.

Miss Virginia Taylor entertained a number of friends with a slumber party at her home Thursday night. Those present were Winnie Hartman, Louise Pritchett, Donnie Carol Young, Gail Brown, Donita Milton and Bonnie Upton.

Mr. and Mrs. Doodle Milton and girls left Saturday morning for Tracy, California, where they will visit relatives and friends.

Mr. and Mrs. Mort Crapster, of Lockney, visited Mr. and Mrs. George West Friday night.

Mr. and Mrs. Dock Jones and family are vacationing in Detroit, Michigan, at this time.

Visitors in the H. S. Calahan home Sunday were Mr. and Mrs. Bryan Karr and family, Mr. and Mrs. Shelby Calahan and family, Mr. and Mrs. E. A. McLeod, of Lockney, and Miss Laura McLeod of Farmersville.

Mr. and Mrs. Jack McGowan and boys of Tucumcari, New Mexico, are visiting Mr. and Mrs. Walter Wood and Mr. and Mrs. L. T. Wood and family at this time.

Little Miss Jaunell Brown is visiting her grandparents and friends in Tucumcari, New Mexico.

Visitors in the E. P. Smithman home Tuesday night were Mr. and Mrs. George West.

The Baptist revival will begin Sunday, August 20. Rev. Earl Allen of Floydada will do the preaching and Earl Joiner, also of Floydada, will lead the song service. Everyone is invited to attend.

Mr. and Mrs. Oscar Mulder visited Mr. and Mrs. C. F. Joiner of Silverton, Monday afternoon.

Mr. and Mrs. Ted Pitts and baby of Lubbock visited over the week-end with the R. E. Young family.

Mr. and Mrs. H. R. Hartman and family spent Sunday visiting his parents, Mr. and Mrs. J. H. Hartman, at Lockney.

Mr. and Mrs. R. E. Young, Donnie and Peggy visited relatives and friends in Amarillo last week.

Mr. and Mrs. Arthur Brown and Karen, Rev. C. A. Joiner and June Marble were dinner guests of Mr. and Mrs. Arby Mulder Sunday. Afternoon callers were Mr. and Mrs. Jim King of Floydada and Mr. and Mrs. Oscar Mulder.

R. E. Young is a patient in the Lockney hospital at this time. We wish for him a speedy recovery and hope he will be home soon.

Mr. and Mrs. Tom Bishop, of Seguin, visited in the home of Mr. and Mrs. Baird Bishop. From here they plan to go to Dalhart to visit Mr. and Mrs. Ken Bishop of Dalhart for a few days, then on to a few days in the mountains in Colorado.

Mr. and Mrs. Walton Foster, of San Angelo, visited a few days in the home of Mr. and Mrs. Baird Bishop and family. From here they will go to Dalhart and spend a few days with Mr. and Mrs. Ken Bishop, Mrs. Foster's brother, and then continue on for a vacation trip in Colorado.

### Pioneer Nerve Feels Armed House Breaker

ITTAQUE—Mrs. H. C. Kell had an alarming experience Friday when her home was entered by an armed intruder. Mrs. Kell, 45 years old, lives alone in a large house in the southeast part of town. Mrs. Kell said she was aroused at 12:30 by a flashlight shining in her face. She arose and started for the door of her room when she heard the man or boy (she said later she could not tell) say "I'm going to raise your hands." She continued walking toward the person, and answering his questions she was going to get the intruder turned and hurried to the house. Mrs. Kell got her hands tied and a 38 police special. The intruder entered by a back door and started out the same way as he started out the same way to fire one shot, which struck the side of a refrigerator and glanced off beneath a bed. The bullet

was from a .25 automatic pistol. Immediate investigation was made of the premises and it was discovered that the lock had been broken from the car-house door. Saturday morning, Sheriff Strange of Silverton continued the investigation, and Highway Patrolman Hilbrand of Tulla also was called in. No charges have been filed.

### Commissaries May Push Us Back Into the Sea

Virgil Simpson, who spent more than a year in the Fifth Air force about nine months of that time in Korea, says the American forces will be fortunate and very good at maneuvering and campaigning if they are not pushed off into the sea by the Commissaries. The Commissaries are already there and trained and well-gunned and tanked, while the American forces have to travel six thousand miles or more before they begin. How this country can get enough men and guns up to where the fighting is taking place is the big problem, thinks Simpson.

The Koreans are against the United States but they are not for the Russians, the Chinese or anybody else. They are not even for the Koreans. So the people who are supposed to be fighting with us are not. They are just not the kind of people we would like for them to be," said Simpson. It isn't his idea that we should back down at all and the price we'll pay will be a heavy one, but he says we must be realistic about the mess we have got into.

Simpson spent about two months in Japan and about nine or ten months in Korea. The Koreans and the Japs pile up in the towns. The Koreans are not in a class with the Japs, however, in his opinion.

The army men and marines who go into the fighting in Korea have had some reverses unexpectedly, Simpson pointed out, because the training you get on the home shores does not equip you to meet the battlefields in Korea. "It's a hard price to pay, but there's just one way to get the training in the battle fields and that is to be out there." One of the ways the Americans will pay will be in losing campaigns, which is why Simpson is not so sure we won't get pushed off into the sea and then have to fight our way back after we get something to fight with. It isn't a matter of valor, it is a matter of men and guns and being ready.

ident, and unanimously approved a petition requesting designation by the State Board of Water Engineers of an underground water reservoir. Eighteen persons signed the petition.

Bailey county is among 21 panhandle-South Plains counties given notice of a public hearing in Plainview August 29 at which the state board will "designate any or all (of the counties) as an underground water reservoir or subdivision thereof."

The board recently returned filing fees for petitions submitted by Lamb, Hale and Hockley counties, announcing that it has jurisdiction on its own motion under provisions of the law to set a hearing. The board felt that one hearing would expedite the designation required by law.

Counties named in the hearing notice were Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Swisher and Terry.

### Brooks Opens Drive For Lt. Governor

Pierce Brooks, Dallas insurance executive who led a field of 11 opponents in the first primary, opened his runoff campaign for lieutenant governor with a charge that his opponent did nothing as a legislator to halt "the runaway cost of the state government."

"My opponent was a member of the Texas senate from 1941 to 1948 when the cost of our state government increased approximately 500 per cent and he didn't or couldn't do anything about halting the runaway cost of state government. Brooks also charged that his opponent made no effort during his eight years as a senator to comply with the law providing for legislative redistricting after each federal census.

Brooks hailed the result of the first primary which he led, as convincing proof that the people of the state want a lieutenant governor who is completely free from entangling alliances and political obligations.

### Murry Resigns Perryton Post

Floyd Murry, son of Mr. and Mrs. O. E. Murry, who built one of the great Class A grid machines of Panhandle history, has resigned at Perryton to become head coach of the Canyon Eagles. Murry, who was the West Texas State tailback from 1934 to 1938 under Al Bag-

gett, has been head coach at Perryton for five years, winning 34 of 43 games with one tie.

Before moving to Perryton in 1945, Murry was a civilian athletic instructor in the Army Air force stationed at Canyon. He was head coach at Floydada from 1939 through 1942, winning district title in his first year and never finishing lower than second.

Murry will assume his new duties at Canyon, August 15, working with some eager, promising young players. It is expected that Murry will also coach basket ball.

### QUESTIONS OF INSURANCE

- Do you have insurance to cover your loss in case of Fire, Wind Storm, Lightning or Hail on your home and other buildings?
- Do you have the men working for you covered in case of accident?
- Are your guests covered should they have an accident while in your home?
- Is your car completely covered for fire, Theft, Collision and Upset?
- Is yours and your family's doctor bill covered should your car have an accident?
- Suppose some one should sue you as a result of an accident with your car, would that make any difference?
- Of course none of these things could happen to you, but you might have a friend that would want just such insurance and you would be doing him a favor if you let us know about him.

Thanks

## Draftees Point Questions At Local Boards

AUSTIN, Texas—Two of the most prevalent questions which men are asking state draft boards now are: "When will I have to take my physical exam?" and "When will I be drafted?"

"These are two questions which local boards cannot answer," Brigadier General Paul L. Wakefield, state Selective Service director, said today, in commenting on queries which are coming in to the draft boards.

"These two questions can't be answered," the state director continued, "because there are too many intangible factors involved."

General Wakefield listed some of the reasons why local boards can't answer these questions:

1. Local boards do not know whether calls will be for an increased number of men or not.
2. Local boards cannot tell how many of their registrants will be found acceptable for military service or how many will be rejected.
3. Local boards cannot tell whether the world situation will improve or get worse.
4. Local boards cannot tell how many men will enlist for service in the armed forces now and in the future.

"All these things have a bearing on the numbers which will be called for physical examination and induction," General Wakefield said.

## Cumberland church Revival Meeting Begins August 20

Announcement is made this week that a revival meeting will be held at the Cumberland Presbyterian church beginning Monday and lasting through the week.

Rev. Abba H. Bates, pastor of the First Cumberland Presbyterian church of San Antonio, will be guest speaker during the revival.

Rev. A. C. Durrant, of Garden City, pastor of the church, will preach next Sunday, preceding the opening of the revival.

During next week day services will be held from 10 to 11 o'clock and evening preaching at 8 o'clock will be preceded by a prayer and song service that will begin at 7:30.

The public is invited to attend the services.

## Band Director Calls for Band rehearsals

Myron Kattner, band director of Floydada Public Schools, announced Tuesday of this week, that band rehearsals will begin on Monday morning, August 21 at 9:30 a. m.

Kattner, who has been band director the past two years, said that included in the call for rehearsal next Monday morning, were grade school students as well as high school students.

Along with the call for pre-school organization and practice, Kattner emphasized the fact that all students should bring their instruments to this first practice.

This pre-school series of practice sessions is designed to get the band ready for the calls they will have for various appearances near the time school starts, as well as for their appearance at the football games.

## Revival Meetings

A series of revival meetings have been held and are still in progress this week in Floydada.

The Wall Street Church of Christ closed a meeting, starting August 3 and ending August 13, with Elder Paul S. Knight of Booneville, Arkansas, bringing the preaching.

The Calvary Baptist is in a revival with Rev. J. B. North of Portales, New Mexico, preaching and Luther Bilberry of Spur having charge of the singing. A large crowd is reported as attending and the interest is good. Will close August 20.

The First Baptist church is in a revival with the pastor, R. Earl Allen, doing the preaching and D. C. Hamilton of Odessa having charge of the singing and music. This revival is for just the one week. Crowds are good. The morning services are held each morning at 7:30 to 8 A. M. and an average of over one hundred has been in attendance all week.

City Park Street Church of Christ has been in revival with the Rev. Ted Norton of Kansas City, son of Mrs. Mary Norton and brother of Mrs. P. L. Orman, bringing the messages. The revival began August 4 and closed August 13. A good meeting was reported.

Mr. and Mrs. Pat Collins and son, of Stamford, were here over the week-end, guests of Mr. Collins' parents, Mr. and Mrs. T. P. Collins.

J. G. Martin and Mrs. Adelaide Lloyd are in Dallas at market buying for Miladies Shoppe.

## Storm Damage Fails to Stop SWP Service

A lightning storm Tuesday night at 8:18 P. M. struck the main 66,000 volt bus at the Tucco Plant near Abernathy, blowing out the breaker on the Littlefield line and also causing more major burned out faults in the Tucco station, reports George Caven, manager of Floydada district.

This lightning created a high voltage condition of approximately 300,000 volts, which followed along the 115,000 line to the Denver City plant, there knocking out the station power transformer. The lightning continuing through the Denver City plant along the transmission line to the Carlsbad, New Mexico, plant. This surge completely destroyed the large 25,000 KVA transformer there.

This quick operation put out of service three generating plants and the south portion of the 115,000 volt transmission line.

At 8:26 P. M. Tucco station closed in and was able to hold the load for eighteen (18) minutes, but because of low voltage and low frequency the second interruption was caused. At 8:40 P. M. the Amarillo and Biggers generating stations were overloaded and it was necessary that they clear the lines.

At 9:00 P. M. the Denver City transformer trouble was found and isolated. At 9:15 P. M. transformer troubles at Carlsbad were also determined and isolated from the system.

At 9:30 P. M. the Tucco station was back in service and the entire system loads were put back into service at 9:50 P. M.

Cost of damage: A 6,900 volt breaker at Tucco, \$10,000; a 25,000 KVA transformer at Carlsbad, \$120,000; a transformer and switch gear at Denver City plant, \$30,000; damage to Tucco station approximately \$5,000; total \$165,000. (Very little salvage in the entire loss.)

Although the storm caused interruption on the entire S.W.P.S. Co. system and eighteen (18) REA systems, the damages in no way caused a shortage of power for the Panhandle or Texas and Eastern New Mexico, said Mr. Caven.

Mr. and Mrs. George Cavin are entertaining Mrs. Cavin's mother, Mrs. F. J. Burke and her sister, Mrs. Lillian Wilson of Helena, Arkansas, and Mrs. Wilson's two children and Mrs. Burke's granddaughter, Gay Burke from Forrester City, Arkansas.

Mr. and Mrs. J. E. Newton, of Dougherty, spent the week-end in Borger, where they were guests of their daughter, Mrs. Allan Leach, Jr., Mr. Leach, and their son, Michael Newton Leach.

## Neglig't Homocide Jury Is Still Out

The jury was still out last night at 8 o'clock in the Durwood Branson negligent homicide case in county court.

Branson was on trial charged with homicide in connection with the fatal highway accident in west Floydada July 16 in which Willis Lemons, a California man lost his life. Branson was arrested on the scene and has been awaiting trial here since. The car he was driving and that of Lemons were practically total wrecks. Branson, it is charged, pulled out into the highway and drove into the California man's vehicle. Willis died almost instantly. He had been to Oklahoma for a visit with his wife, ill in a sanitarium at Granite.

The case was turned over to the jury shortly after 6 o'clock yesterday afternoon. The jury, after conferring for awhile, went to supper. Judge Tubbs and attorneys were still waiting for a report from the jury at 8 o'clock.

County Attorney Enos T. Jones was opposed in the trial yesterday by Judge W. E. Grimes for the defendant. The trial had been postponed for a day due to the illness of Judge Grimes.

Mrs. T. D. Wellmaker had as her guests this week her sister, Mrs. C. N. Nerrell of Cleburne, and her daughter and husband, Mr. and Mrs. Rayburn Williams and son Gary of Cleburne.

Mr. and Mrs. Phil Merry of Houston, spent the week-end with her parents, Mr. and Mrs. Bob Smith, and attended the Smith cousins reunion at Roaring Springs Saturday.

Mr. and Mrs. Ott Glassmeyer and son, Larry, returned home Saturday from a months vacation in Colorado. They visited Lake City, Pagosa Springs, Longmont, Estes Park, and South Fork.

Mr. and Mrs. C. W. Denison, Jr., and family of Brownfield, and Mr. and Mrs. Gillmer Denison and family of Idalou were week-end guests of their parents, Mr. and Mrs. C. W. Denison.

Mr. and Mrs. Gerald Cardinal and Mrs. P. Q. Haney spent last week-end at DeLeon, where they were guests of Mrs. Haney's mother, Mrs. Nathan Nabors, and other relatives.

Mr. and Mrs. W. L. Thrash and children and Mrs. Thrash, of Galena Park, Texas, visited over the week-end with Mr. and Mrs. Dickie Atterbury and son.

Trace elements — zinc, copper, manganese and boron—may be applied to soil or sprayed on the plants when they are needed to correct nutritional disturbances. Because only a small quantity of these elements are needed, many folks overlook their importance when it comes to plant growth.

## Farmer Winner League Honors In Tournament

The Floydada Softball tournament wound up Monday night with a flourish, when Farmer defeated Levelland 5-4 in an extra inning game, to become tournament winner, and walk off with the \$100 prize.

Levelland won second place and \$75. Lunch Box placed third and won \$30 and Builders Mart placed fourth to win \$20.

In the games played last week, Lunch Box defeated Builders Mart in the opener Friday night by a score of 17-0 and in the night cap Farmer beat Levelland 3-2 in 10 innings, and one of the best games of the year to be played in Floydada. Saturday night, Levelland came back and defeated Lunch Box 5-2 to earn the right to play Farmer for the championship, only to be defeated 5-4 in the first game of the championship play.

Perhaps the most unusual reason ever known for buying herd of steers was related a good long while back in the Amarillo Times. The story goes away back and is credited to B. C. D. Bynum of Amarillo, who then had charge of a store at Canyon and associated with him was Nola Oliver, later of Roswell, N. M.

Two ranchers had their ranches close together and decided to throw their herds together and drive them to the railroad. It was a rainy, sleety fall; the ground was so boggy that it was hard pulling for the chuck wagon, and the cattle were hard to handle and they were delayed so that the two cattlemen had to go into Canyon for additional supplies.

Now one of the men was a native of Scotland. The other was from Missouri; he was calling off the items and, when came to the notation, "syrup" he asked Oliver what kind he had and Oliver replied that there was sorghum at 50 cents a gallon, ribbon cane at 75 cents and maple for \$1.25. The cowman ordered two gallons of maple syrup, whereupon the other objected but the first one came back with, "Them boys have been mighty faithful; they have guarded that herd in the rain and mud and we haven't been able to give them much, and so, by George, I'm going to send them some maple syrup."

When the other still objected, his colleague said, "How many steers you got in that herd?" The other said, "About 1,200."

"What are you holdin' 'em at?" The Scotchman named a price and his associate said, "I'll just buy them." And, having done so, he turned back to Oliver and said, "Now, Nola, you send out that syrup."

The steers were marketed afterward, the ranchman said, and the figure that maple syrup cost about a thousand dollars.

A few facts about Texas: The first movies in Texas were shown in Dallas in 1897. San Jacinto corn originated from seed distributed by Gen. Sam Houston shortly after the battle of San Jacinto.

When Texas won her independence in 1836, its population was 200,000.

In 1844 Dallas had one store the stock of which consisted of a barrel of whiskey and three bolts of calico. The calico sold for 50 cents a yard, and the whiskey sold for about 50 cents a gallon.

There were 12 newspapers in Texas in 1840, one of which was daily.

## Storm Damage Fails to Stop SWP Service

A lightning storm Tuesday night at 8:18 P. M. struck the main 66,000 volt bus at the Tucco Plant near Abernathy, blowing out the breaker on the Littlefield line and also causing more major burned out faults in the Tucco station, reports George Caven, manager of Floydada district.

This lightning created a high voltage condition of approximately 300,000 volts, which followed along the 115,000 line to the Denver City plant, there knocking out the station power transformer. The lightning continuing through the Denver City plant along the transmission line to the Carlsbad, New Mexico, plant. This surge completely destroyed the large 25,000 KVA transformer there.

This quick operation put out of service three generating plants and the south portion of the 115,000 volt transmission line.

At 8:26 P. M. Tucco station closed in and was able to hold the load for eighteen (18) minutes, but because of low voltage and low frequency the second interruption was caused. At 8:40 P. M. the Amarillo and Biggers generating stations were overloaded and it was necessary that they clear the lines.

At 9:00 P. M. the Denver City transformer trouble was found and isolated. At 9:15 P. M. transformer troubles at Carlsbad were also determined and isolated from the system.

At 9:30 P. M. the Tucco station was back in service and the entire system loads were put back into service at 9:50 P. M.

Cost of damage: A 6,900 volt breaker at Tucco, \$10,000; a 25,000 KVA transformer at Carlsbad, \$120,000; a transformer and switch gear at Denver City plant, \$30,000; damage to Tucco station approximately \$5,000; total \$165,000. (Very little salvage in the entire loss.)

Although the storm caused interruption on the entire S.W.P.S. Co. system and eighteen (18) REA systems, the damages in no way caused a shortage of power for the Panhandle or Texas and Eastern New Mexico, said Mr. Caven.

## ACCENT IS ON STYLE IN 1950 CHRYSLER MODELS

The Chrysler 1950 New Yorker four-door sedan, with restyled longer rear fenders, more massive bumpers, new radiator grille, better visibility from the larger rear window and powered by the 135-hp. Sixfire engine.

Rear view of the Chrysler Windsor series Newport, a new steel top "convertible" with distinctive styling around the rear window and no window or door posts to obstruct the view when windows are down.

Interior of the 1950 Chrysler New Yorker four-door sedan, showing the new arm rest on the doors, a waffle pattern in the door panel upholstery and the center arm rest in the rear seat.

Completely new and distinctive styling, producing added beauty inside and out, features the 1950 Chrysler line. Among the important improvements are a new grille, longer rear fenders carried to their full height almost to the rear of the car; a new and artistic grouping of tail light, stop-light and turn signal flush mounted in each rear fender, giving sleek, graceful rear end lines; a new rear window with 27 per cent more glass area; changes in the instrument panel; and larger brakes on the six-cylinder models. Nineteen body styles are offered in the Royal, Windsor, New Yorker, Saratoga and Crown Imperial series.

Newport Model is New  
There is a slight increase in exterior width, length and height. Interior is more spacious.

Appearance improvements begin at the front bumper, which is wider and more massive than ever before. It is carried through the hood, grille and fender to the rear.

remain unchanged, retaining the generous head room, leg room, chair-height seats and ease of entrance and exit that have proved so popular in the 1949 models.

One entirely new model, the Newport, has been introduced. This is known as a special club coupe, but in effect it is a hard top convertible available on both six and eight-cylinder chassis. It offers the sleek lines of a standard convertible, with the added safety provided by a fixed steel top. Chrysler's new self-energizing disk brakes are standard equipment on the Town and Country Newport, as well as on the Crown Imperial models.

Appearance improvements begin at the front bumper, which is wider and more massive than ever before. It is carried through the hood, grille and fender to the rear.

styling features have been incorporated in the sixes and in the eights, so that one is readily distinguished from the other at first glance. Among the points of difference between the two lines are the parking lights, the length of the molding on the front fender, the nameplate on the front of the radiator and the wheel cover.

15 Standard Body Colors  
Upholstery options have been increased and finer fabrics are offered. Fifteen standard body colors and four special colors are available, nine of them entirely new.

The new 12-inch diameter brakes adopted for the sixes have 15 per cent more lining contact area than the 11-inch type formerly used. This results in lighter brake pedal action.

## Jaunt Reveals Great Western Scenic Marvels

Mr. and Mrs. Ode McReynolds, and boys, Johnnie and Billie, along with an older son, Boyd and wife, of Lubbock, have returned home from an extended trip through New Mexico, Colorado, Utah, Idaho, Oregon, California, and Arizona. They reported a wonderful trip. While they were in Colorado they walked across the world's highest bridge, and looked down into the Royal Gorge and saw the Colorado river rushing madly a mile below.

It snowed on them as they crossed over the Continental Divide, near Monarchs Pass, Colorado. The altitude there was 11,312 feet above sea level.

In Salt Lake City, Utah, they went inside the grounds of the great Mormon temple and saw the tabernacle that was built without a nail. They went through the museum and saw the first pioneer houses of Utah built of logs in 1847.

In southern Oregon they saw Crater lake, a body of water six miles in diameter, 6000 feet above sea level, and of an unbelievable blue, occupying the crater of an extinct volcano. It is encircled by walls of lava, that tower 2000 feet above the surface of the lake. Near the lake they played on snow drifts ten feet high, that had been pushed off the highway by snow plows earlier in the spring.

**Fair Sized Salmon**

Near Grants Pass, Oregon, they saw Savage Rapids, where salmon go up stream to lay their eggs. At times the streams are black with salmon but at this time it being a little early, there were only a few, but some of them weighed as much as 30 pounds.

The McReynolds saw the beautiful pine forests with logging camps and saw mills. Then the mightiest of all trees, the Redwoods, some of them towering 364 feet in the air. They visited the worlds famous Tree house. The height of this tree is 250 feet and it is over 4000 years old. It was hollowed by fire over

300 years ago but the tree is still growing vigorously.

Next was the beautiful and mighty Pacific ocean, near Crescent City, California. They crossed the Golden Gate bridge into San Francisco, then on to Los Angeles, and home by way of Arizona, the Cacti state.

In Medford, Oregon, the McReynolds visited their daughter and family, Mr. and Mrs. M. E. Tisler. In Los Angeles, California, they visited Mr. McReynolds' brother and family, Mr. and Mrs. Wess McReynolds.

## Leonard Cafe Has Face Lifting Job

Leonard's, a popular eating place in Floydada, has had its face lifted. Leonard Matsler, owner and proprietor, says the cafe has been closed for redecorating and installing a new stove and a new steam table. The new color scheme is red and blue, new white dishes with red bordering.

The cafe is now open and Leonard is ready for his friends to come see him.

## Scratch Dallas Drive

A "scratch Dallas" campaign in the August 26 run-off election has been organized on a statewide basis. Emmette Alexander of Marble Falls announced today.

Alexander, a businessman and civic leader who is sparking the drive, described it as an effort to decentralize the power held by Dallas county in state government and to strengthen representation of other areas in the government.

He noted that four out of five run-offs in the election have candidates from Dallas county.

**SMITH-BROWN COUSINS**

The Smith-Brown cousins reunion was held Saturday and Sunday at Roaring Springs. Cousins were from Oklahoma, New Mexico, Texas, and numbered 109.

A great time was had. The next meeting will be decided, date and place later, according to the president, Bob Smith, Floydada.

Miss Ann Vianzy of Los Angeles, California, is visiting her cousin, Mrs. J. W. Buchanan and family.

## West Winners Over East All-Stars Friday

The West team won from the East 14 to 13 in the all star high school gridiron classic at Childress last Friday night. Junior Perry, Floydada star and all-district end in District 3A, played creditably. He went out of the game with an injured ankle.

The forty stars from 24 towns and cities tangled under the coaching of Dick Todd, former Texas A & M star, and Ki Aldrich, famous center for TCU 12 years ago.

Dick Todd was mentor of the West team while Ki Aldrich was coach of the East team.

Assisting Todd were Buck Garrett, Childress; and Chuck York, Memphis, and Don Ewell, Childress, and Maxie McKnight helped coach East team.

On the West team were backs R. L. Giesecke, Matador; Jack Logan, Turkey; Jimmy Jenkins, Clarendon; Bobby Crooks, Memphis; Melvin Eldridge, Sanford; Bob Lane, Turkey; Kenneth Buckley, Childress; and Charles Radford, Quanah.

On the West line were Dale Smith, Claude; Kenneth McQueen, Memphis; Bruce Winn, Canyon; Joe Ward, Quataque; Junior Perry, Floydada; Bobby Adcock, Panhandle; Gene White, Clarendon; Charles Mason, Kress; Granville King, Childress; Mack Barron, Childress; and Charlie White, Quanah.

In the backfield in the East were Rouse Todd, Crowell; Billy Book-out, Wichita Falls; Lloyd Morrison, Chillicothe; Danny Powell, Archer City; H. C. Knox, Graham; Gerald Smith, Elk City, Okla.; Joe Dale Hollis, Hollis, Okla.; and Bill James, Vernon.

On the East line were Keith Auld, Chillicothe; Rogers Melton, Wellington; Don Fritz, Wichita Falls; Johnny Crouch, Vernon; Trent Turpin, Burkburnett; Bob Penick, Wichita Falls; Bobby McCutchen, Wellington; R. C. Harris, Vernon; Richard Martin, Jacksboro; Gene Hammill, Shamrock; Earl Tarbit, Shamrock and Stan Roberson, Hollis, Okla.

Mr. and Mrs. Robert Moss and sons of Memphis, are spending a week with her parents, Mr. and Mrs. C. A. McClure and other relatives.

Sunday dinner guests of Mr. and Mrs. Millard Watson and children were her parents, Mr. and Mrs. J. H. Watson, James, Melba, Viola; Mrs. Oma Lee McCravy, all of Lubbock; Mr. and Mrs. Rudolph McCurdy and son, and Mr. and Mrs. Raymond Watson and children, of Lockney.

Mr. and Mrs. Fred McDougle and children of Tyler returned to their home Sunday after a few days vacation with her parents, Mr. and Mrs. Henry Brewer and family.

Mrs. Horace Cage of Spur and little daughter, Ella Mae, visited several days last week with her parents, Mr. and Mrs. C. A. McClure. Her son, David Roy, who had spent several weeks working for Mr. and Mrs. Taylor, returned home with her.

Mr. and Mrs. C. A. McClure, Mrs. Cage and daughter spent one day last week in Memphis with Mr. and Mrs. Robert Moss and sons.

Mr. and Mrs. R. E. Spurgin and Ray Don visited in Lubbock Sunday with Mr. and Mrs. Leon Payne and children and Mr. and Mrs. Wayne Dean.

Tuesday night guests of Mr. and Mrs. Weidon McClure for a back yard supper were Mr. and Mrs. C. A. McClure, Mr. and Mrs. W. B. Allen and girls, Mr. and Mrs. Dennis Taylor and boys, and Mr. and Mrs. Robert Moss and sons.

A report from the family of Dr. C. E. Meredith of Arlington who has been critically ill, indicates that he is much better and the family feel more hopeful over his condition.

## Mrs. Jones, 90 Died August 5 at Big Spring

**BIG SPRING**—Services were held on Saturday, August 5 in the Nalley chapel for Mrs. Nancy Elizabeth Jones, 90, who died at the home of her daughter, Mrs. O. Z. Smyth, in Big Spring.

Rev. Warren Stowe, pastor of the Airport Baptist church, conducted the services, after which the body was carried overland to Ballinger for graveside rites.

Mrs. Jones was born in Georgia, February 3, 1860, and moved to Texas with her family in 1897. She was married on December 25, 1875 and had been an active member of the Baptist church since childhood. 10 base load power plants are operated by your Public Service Company to meet your needs for dependable, low-cost electric service. These 10 power plants are strategically placed approximately 100 miles apart.

These 10 great power plants are tied together by a 2700-mile network of transmission lines. The heart of our system—a 115,000-volt transmission line—makes electric power generated at our Riverview plant available at Carlsbad, New Mexico, if needed.

To further assure you a continuous and economical supply of electricity, your Public Service Company has provided a central load-dispatching center which allocates generation to each plant for most economical operation. In this manner the local area plant is still able to meet increased demand for electric service within its own area when necessary.

To meet your growing needs for electric power, important 1950 plant expansions will be made at Amarillo and Moore County, and a new unit has already gone on the line at Roswell. Yes, your Public Service Company is on the job keeping ahead of the rapid growth of the Panhandle - Plains - Pecos Valley - Eastern New Mexico area.

**NEUTRALIZATION OF FORMOSA**—A study of the map of the Far East, in the light of Communist methods of operation and the lessons of World War II, will show the importance of the decision to neutralize Formosa. Airfields on that island are only 400 miles from targets on Okinawa, a little farther from targets in the Philippines, and less than 800 miles from targets in Japan. Along with these points and Indo-China, Formosa might be in the first line of defense against Communist aggression in the Far East. If the Communists should seize Formosa now, they would not only break that line but also pave the way to conquest of the other points. Remembering the long years of costly, bloody island-hopping in World War II, it is easy to picture the hard road back that the forces of freedom would face.

Formosa is separated from the mainland of China by a strait from 90 to 200 miles wide. An island about 235 miles long and from 70 to 90 miles wide, it is about as large as Massachusetts and Connecticut combined and has a population of 7,000,000.

# Week Support Efforts to Battle Cancer

Program to be coordinated with work of the American Cancer Society, was adopted by representatives of a four-county area meeting at the city auditorium in Plainview last week.

Elizabeth Green of Plainview was elected chairman of the executive committee composed of representatives from Hale, Floyd, Swisher and other counties.

The committee will contact public service organizations and ladies aid societies in the four-county area to obtain support for the American Cancer Society. People will be urged to attend a course conducted by Gertrude Linn of Houston, representative of the society, in Plainview on September 12, 13, 14 and will consist of about 12 hours study. Physicians will be called upon to talk to patients and to show in the program aimed at how best to proceed on the work in the society.

Establishing Information Center

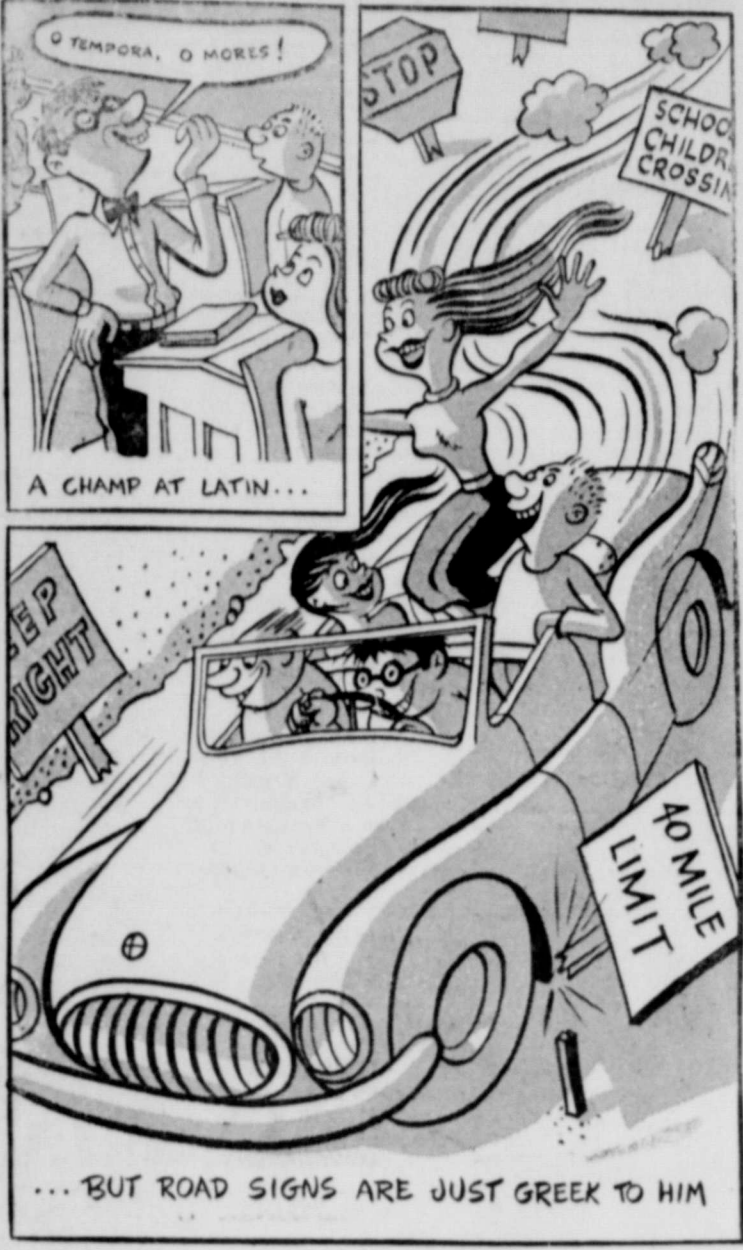

The information center will be established in Plainview to serve the four-county region. It will serve as a clearing house for materials and educational programs. Any person will be able to get help with a cancer problem at the center. It is hoped that the first training course will be followed by others.

E. O. Nichols, Sr., stated that the four-county area had a population of more than 50,000 people and that some measures are taken, but that these will die of cancer, if national average holds true. These lives may be saved if we carry through with this program in these four counties," he said.

Committees are to be organized in each of the four counties. Members of the executive board and attending the meeting were Mrs. Watson, Mrs. Perry Whittemore, Mrs. E. O. Nichols, senior, Mrs. E. O. Nichols, junior, Mrs. Clarence Solnick and Carlene of Plainview, Jim Word and A. Davey of Floydada, Dr. John Burke and Mrs. Walker of Pampa and T. L. Fore of Tulla.

# Dial Telephone System Viewed For Lockney

The Lockney city council meeting with John A. Cornell, Southwestern Bell Telephone manager at Plainview, last week agreed to a telephone rate increase as soon as the telephone company installs a dial system at Lockney, Cornell said today.

The Lockney improvements will include construction of a new building, installation of new switchboard equipment and new telephones. Cornell estimated that the work would require about a year under normal conditions.

The rate increases will amount to a raise to \$6 from \$5 for business phones, one-party line phones from \$2.50 to \$3.75 and two-party phones from \$2.25 to \$3.25.

When completed the Lockney system, consisting now of approximately 800 urban and rural phones, will operate through Plainview just as the Hale Center system does. That will mean that there will be no operators at Lockney and when a subscriber in that system wants long distance or information he will dial "0" and get an operator in the Plainview office.

## Refresher Course in Tailoring School

Miss Leila Petty, Floyd County Home Demonstration agent, left Saturday at noon for Stephenville, where she, with other home demonstration agents in Texas will attend a two-weeks tailoring school.

Miss Petty went to Stephenville with Miss Mary Grindstaff, Hale county, and Miss Earnestine Gary, Swisher County Home Demonstration agent.

## NEW DAUGHTER IN POTTS HOUSEHOLD AT MATADOR

Rev. and Mrs. Clifford Potts of Matador are the parents of a baby girl born at 10 a. m. Friday, August 11, at Stanley's Hospital. The baby weighed seven pounds and eight ounces. She has been named Ruth Elaine.

Rev. and Mrs. Potts have three other children, two boys and one girl.

Grandparents of the little miss are Mr. and Mrs. T. T. Hamilton of Floydada and Rev. S. C. Potts, retired, and Mrs. Potts of Levelland.

Mrs. Russell King had major surgery at the West Texas hospital in Lubbock Tuesday of last week and is reported as doing nicely.

# Highway Building Program Praised by Candidate Ramsey

Texas \$78,000,000-a-year program of new highway construction—with emphasis on farm-to-market roads—was praised here today by Ben Ramsey of San Augustine, who is actively forwarding his runoff campaign for lieutenant governor.

"In every section of the state I've visited during my campaign, I have found farm-to-market roads completed or under construction," Ramsey said.

"Many more such roads are needed to further the development of our sections, and I pledge my fullest support to the members of the state highway commission who are seeking to continue this wise policy," he declared.

"It is also a great source of pride to me, as an economy-minded public servant who for many years in the Texas Legislature has helped to maintain the policies and prestige of our fine highway department, that this vast system of ours is being maintained at a minimum cost, in spite of a tremendous volume of traffic," Ramsey declared.

## GUESTS IN McLAIN HOME

Mr. and Mrs. Roy N. Tyler and children of Amarillo, visited Wednesday the 9th with her parents, Mr. and Mrs. J. T. McLain and Mr. Tyler's mother, Mrs. N. E. Tyler.

Thursday the R. N. Tylers and McLains went to near Dimmitt and visited Mr. McLain's sister, Mrs. J. C. Williams and Mr. Williams. Friday they went to Tucumcari, New Mexico, and visited another sister, Mrs. E. C. Fullington and Mr. Fullington, whose health is not very good. Then they went to Amarillo to the home of the Tylers and another daughter and family, the Hulgulens.

Monday night they went to Plainview where they heard an interesting talk by Miss Elizabeth Cole, a missionary in Africa. Then they returned home.

## CARD OF THANKS

The family of J. D. Hopper wishes to express their deep appreciation for the many deeds of kindness shown us during the recent loss of our loved one. Your thoughtfulness and sympathy will long be remembered.

May God bless each of you.

Mr. and Mrs. Brock are redecorating the house here and will move as soon as it is finished.

# Family Of Twelve Donathan Children Meet in Plainview

The family of Mr. and Mrs. P. P. Donathan gathered at the home of Mr. and Mrs. J. T. Mallow of Plainview Sunday, August 13, for a family reunion celebrating their 55th wedding anniversary.

All of their twelve children were present and several grandchildren. They are Mr. and Mrs. C. T. Camden, Amarillo; Mrs. C. M. Hinds and children, Gentry, Arkansas; Mr. and Mrs. Ben Donathan and sons of Ruidoso, New Mexico; Mr. and Mrs. Tom Hall and family, Mr. and Mrs. C. M. Leatherman and family of Floydada; Mr. and Mrs. D. A. Peek, Mr. and Mrs. Richard Donathan and daughter, Mr. and Mrs. G. L. Lewis and family, and Mr. and Mrs. M. B. Boyle, Amarillo; Mr. and Mrs. D. I. Leatherman and family, Mr. and Mrs. Ardell Donathan and daughter, and Mr. and Mrs. J. T.

Mallow and family of Plainview.

Other grandchildren attending were Mr. and Mrs. E. B. Custer and family, Slaton; Mr. and Mrs. Bob Camden and daughter, Post; Mr. and Mrs. N. E. Tyler, Jr., and family, Dallas; Darwood and Charles Farrow of Clarendon; Mr. and Mrs. G. V. Hall and baby of Floydada; Mr. and Mrs. A. W. Maxwell, Charlene Hynds, and Mrs. Oran Beck and children of Amarillo.

Mr. Donathan's sister and two nephews, Mrs. J. A. Reddell of Los Cruces, New Mexico; Mr. and Mrs. Liden Donathan and family, Lorenzo; Mr. and Mrs. Sam Burnett and family of Beaumont, were present. Also attending were Mrs. Donathan's sisters and two brothers, Mrs. Lee Betts and children of Pep, New Mexico; Perry Boyles, also of Pep, and Mr. and Mrs. Richard Boyles and family of Portales, New Mexico.

Mr. and Mrs. W. B. Jones spent Sunday in Lockney visiting old friends, Mr. and Mrs. Charlie Kelly.

Walter Gound left last week for a visit with relatives in California.

## Holligan Family Hold Their Reunion

The Holligans held their family reunion Sunday, July 23, in the Mackenzie Park at Lubbock, Texas.

Those attending were Mr. and Mrs. E. B. Holligan and sons, E. B. Jr. and Paul of Tulla, Mr. and Mrs. A. P. Holligan and son, Thomas, of Pampa, Mr. and Mrs. I. D. Holligan, Mrs. W. A. Risinger, and Mr. and Mrs. Oran Self and family, Ann, Norma and Henry, of Floydada; Mr. and Mrs. George Foster, of Claude; Mr. and Mrs. W. C. Risinger and children, Jaquelyn, Pat, and Mike of Claremore, Okla.; Mr. and Mrs. C. M. Hawkins and family, Carolyn, Charles, and Nancy of Plainview.

All were present except two families, Mr. and Mrs. Ernest Holligan and Sue of San Bernardino, California, and Mr. and Mrs. R. L. Risinger of Little Rock, Arkansas.

A bountiful picnic lunch of fried chicken and all the good food to make a picnic complete was enjoyed by those attending. They plan to hold their annual reunion the coming year with Mr. and Mrs. George Foster of Claude.

Mrs. G. R. Strickland had as her guests this past week-end her son, Reid and family, from Amarillo. Gary Strickland remained for a longer visit with his grandmother.

# All - Community Sanitation Is Urged by Cox

Sanitation efforts which are carried on by communities such as Floydada for the general health and welfare are important as preventative for poliomyelitis, says a recent release from the office of the State Department Health, over the name of Dr. Geo. W. Cox, state health officer.

"In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, every individual is urged to practice strict personal hygiene," said Dr. Cox, "for the protection of his own health and that of those about him."

## Weed Cutting Campaign

Measures for the general good of the community health in Floydada now under way are the DDT spraying campaign and a weed mowing program both of which are city-wide. Members of the city council have stressed the importance of these campaigns and have indicated their intention of continuing to do so.

What particular measure undertaken may be the one which prevents spread of poliomyelitis or other contagion the city program calls for every possible effort within the means of the taxpayers of the community.

The state health officer continues as regards the personal need for sanitation, in addition to any measures which may be undertaken on a community-wide basis:

## Re-Emphasizes Personal Cleanliness

"Of course, cleanliness and personal hygiene are ordinarily taken for granted," Dr. Cox said, "but at this time with the incidence of poliomyelitis having reached a total of 1395 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The state health officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures, as washing the dishes in hot soapy water and rinsing them in hot clear water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since poliomyelitis is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard for any disease to get a foothold," Dr. Cox said. "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

## HARMONY REVIEW OF NEWS

## Pultz Has Summer Supervision Course

ALBUQUERQUE—Alva D. Pultz, who is grade school principal at East Texas Teachers college this summer is enrolled in a course called "Supervision" taught by C. H. Thurman, professor of education. Offered at East Texas for the first time this summer the supervision course was designed to prepare students for supervision positions which are set up by the Gilmer-Aiken legislation.

The course deals with in-service training of teachers, techniques of supervision, relations between supervisor, teacher and pupil, and evaluation and measurement of pupil progress.

ON THE FIRING LINE OF THE 25TH INFANTRY DIVISION—This U. S. Army photograph, transmitted by radio, shows a machinegun emplacement where troops of Maj. Gen. William B. Kean's command were engaged in a half-hour battle with Communist forces as they tried to advance from the opposite ridge toward a half-destroyed bridge. There are veterans in the 25th who participated in the jungle fighting on Guadalcanal when the Division was led by General J. Lawton Collins, now chief-of-staff of the Army.

TO THE PEOPLE OF FLOYD COUNTY:

This is a partial report on the activities of your County Judge for the past eighteen months that I have been your County Judge. When I took over the office on January 1, 1949, one of the first things I did was check up on the amount of insurance on the different properties of the county. I found there was only \$70,000.00 insurance on the courthouse building. I recommended to the Commissioners Court that the insurance be increased to \$200,000.00, which the court readily agreed to, and the policies then in force written with Frank Perkins and E. P. Nelson were endorsed to that amount. The Courthouse burned on March 11, 1949. As a result of the increase in the insurance the county recovered \$105,000.00 for the loss. We recovered approximately \$70,000.00 in insurance money more than we would have as it was originally written.

We have constructed 37 miles of paved farm-to-market roads. We now have under construction 10 1/2 miles of paved road. Plans are approved and now in the making, and contracts will be let soon for 24 more miles of farm-to-market roads. Other roads designated for improvement during the next two years amount to about 40 miles.

We have disposed of 111 misdemeanor cases, 11 civil cases, 4 mental illness cases, 63 probate cases, besides numerous probate orders, and juvenile matters, and innumerable minor matters constantly coming before the County Judge to be disposed of.

The Courthouse construction job requires considerable attention from the Commissioners Court and County Judge. The Commissioners Court has charge of all the business matters of the County. The County Judge presides over their deliberations and has no vote except in case of a tie. The County Judge hasn't had to untie a single vote during this eighteen months.

In view of the above record, I feel that I have earned a second term in this office, it being a custom of the Democratic Party to elect a man to a second term in any office unless he had been dishonest or incompetent in his first term and I have not been guilty of either. I solicit your vote on August 28, on my record which I am proud of.

Respectfully submitted,  
G. C. Tubbs

Leave it to the men to appreciate trim figures — and they sure do appreciate the way our streamlined prices trim the figures on the family food bills. So, if your husband thinks that you spend too much money for food, show him this ad and watch the way the prices catch his eye. Why, we'll wager he'll offer to come with you to PATTERSON'S and help you with your food shopping. Yes — men with a yen for thrifty like to shop where every price is a low price and every display is arranged for quick, easy selection.

# LOWEST-PRICED

# FULL-SIZE PICKUP WITH OIL FILTER, OIL-BATH AIR CLEANER

• No other full-size Pickup truck in America has a lower suggested list price than the 6-cylinder Ford F-1 Pickup shown here. This Ford price includes oil filter, Air Wing ventilators, oil-bath air cleaner and many features available only at extra cost in other trucks. Local taxes, freight and handling charges extra.

### A DOZEN REASONS WHY AMERICA'S NO. 1 TRUCK VALUE WILL DO MORE PER DOLLAR!

- THRIFTY 95-H.P. SIX-CYLINDER ENGINE for all-around performance in the 4,700 lb. G.V.W. class. 100-h.p. V-8 available at slight extra cost.
- LOADOMATIC IGNITION saves gas by providing spark advance for changes in engine load and speed.
- FLIGHTLIGHT PISTONS save oil. Cam-ground aluminum alloy for true fit and better oil control.
- ALL-STEEL BODY with spacious 45 cu. ft. of loadspace.
- HYDRAULIC BRAKES with true and easy stopping action.
- DEMOUNTABLE BRAKE DRUMS simplify maintenance. Drum can be bought separately for replacement.
- SHOCK ABSORBERS, airplane-type, standard front and rear.
- MILLION DOLLAR CAB with door-glass Air Wing ventilators and Level Action suspension.
- SYNCHRO-SILENT TRANSMISSION for easy, quick and quiet shifting.
- GYRO-GRIP CLUTCH for better clamping action.
- HYPOID REAR AXLE with integral type housing. Shafts removable from wheel end.
- ROLL ACTION STEERING with needle bearings for easier control.
