

\$1,344.56 of a \$3,700 quota yesterday morning on the day of spring and \$2,356 to the R. Bond, county chair- man of the American Red Cross...

Yesterday morning five communities had reported with complete figures. They are Baker with \$17, Cedar with \$92, Fairview with \$60, Providence \$106.21 and Lakeview \$44.97. Harmony gave an initial incomplete report at \$67.

As complete a county-wide organization as has yet been devised in Red Cross fund campaigning has been functioning only slowly. The drive, due to get under way on March 1, was not completely organized until the second week of the month.

How the Red Cross nationally must be throwing the machinery of aid to service men and their families into high gear is reflected in the demands beginning to get more numerous on the home front. Local chapter officials point out. More help to the men in arms with their problems generally is accompanied by greater problems and demands on the home front. The doubled quota asked from Floyd county people is in line with greatly enlarged needs. Not the least of the reasons for the increase in sums needed is the much higher costs of supplies and other items entering into the functions of the Red Cross.

Billie Concert Wed., March 28

Floydada will finally be introduced to Miss Ruth Billie on March 28 at the High school auditorium. It is an event long looked forward to, for Miss Billie is one of the youngest, most talented sopranos of our time. It will be Miss Billie's first appearance in Floydada, and she feels that it's just one more step in making more wonderful friends all over this great country. Miss Billie likes to be with people; she likes to sing for people. And from both of these...

The First Christian Church as it appears since the addition of a \$40,000 educational unit completed in 1950, and now debt-free, to be dedicated in a ceremony Sunday afternoon. Reverend Patrick Henry of Fort Worth will deliver the dedicatory sermon.

Dedication New Church Unit to Be Held Sunday

Sunday is scheduled for a busy day at the First Christian church when a dedicatory service for the new \$40,000 Educational building will be included in the program. The day's program opens with an Easter Sunrise service at 6:30 a. m. At this time the church is host to the other churches of the city. A breakfast for all who attend will immediately follow this service.

Reverend Patrick Henry, of Fort Worth, who is executive Secretary of the Texas Christian Missionary society, will deliver the message for morning worship at 11:00 a. m. and also the Dedicatory sermon.

Fellowship Dinner at Church A fellowship dinner will be followed by the dedicatory service that will climax a strenuous program of the church that started in October 1949. At this time plans were drawn and committees appointed and the actual work started.

Twelve years ago a dedicatory service was held in the main auditorium of the church. From that day the members of the Church have looked forward to this day. The public is invited to attend these services throughout the day that will mark a highlight of achievement for the congregation. Reverend E. A. Powell, pastor of the church said.

Rites Held Monday Morning for Mrs. Charles Trowbridge

Mrs. Charles Trowbridge, 80, passed away at her home in the Harmony community Saturday at 10 P. M. after an eight-day illness of apoplexy. Mrs. Trowbridge has been making her home with her daughter, Mrs. Charles B. Smith on Route 4, for the past several years.

Funeral service for Mrs. Trowbridge was held Monday morning at 10 o'clock at the First Methodist church, with the pastor, Rev. R. N. Huckabee officiating assisted by the Rev. N. S. Daniel, pastor of the Methodist church in Lockney. Interment was made in the Floydada cemetery under the direction of the Harmon Funeral home.

Pallbearers were neighbors of Mrs. Trowbridge: Zant Scott, Walter Hanna, Roy Hale, Carrick Snodgrass, Sherwood Ramsey and D. S. Battey.

A large number of out-town relatives and friends were here to attend the last rites of Mrs. Trowbridge.

Lillie Beckham Trowbridge was born February 28, 1871, in Caddo, Louisiana. She was married to Charles Trowbridge on November 26, 1891, in Mills county, Texas.

Mr. and Mrs. Trowbridge moved from Mills county, Texas, to Oklahoma, in the early 1900's and moved to Lockney from Oklahoma in 1908 and in 1917 moved to the Harmony community, where they made their home since that time. Mrs. Trowbridge joined the Metjor of Precinct Number 4 during 1914-1916, and of Precinct 1 during 1917-1919 for a number of years. Mrs. Trowbridge joined the Methodist church at the age of 1, and since that time had been a consistent member, and had life membership in the Women's society of Christian service of the Carrs chapel group. Mrs. Trowbridge was also a member of the order of the Eastern Star.

Easter Sunrise Service

at First Christian Church, Sunday 6:30 A. M. The First Christian Church will be host to other churches of the town at an annual Easter sunrise service that is scheduled to start at 6:30 o'clock Sunday morning.

The following formal program has been arranged: ORGAN PRELUDE Mrs. C. B. McDonald at the Organ HYMN - "Christ Arose" Singing led by Myron Kattner SCRIPTURE READING led by R. N. Huckabee, Minister of the Methodist church ORGAN MEDITATION by Mrs. C. B. Waller, Minister of the City Park Church of Christ HYMN - "Near The Cross" BENEDICTION by R. N. Huckabee

The public is cordially invited to attend this brief but impressive service. A fellowship breakfast for all who attend will follow immediately after the sunrise service.

Earl Edwards, Jr., Leaves for Service

Earl Edwards, Jr., and his wife left the first of this week for Llano, Texas, where they will spend a brief period with her parents, en route to Camp Polk, Louisiana, where Earl will report for service with the U. S. army.

During his school years at A. & M. college, Earl was assigned to an artillery unit and is expected to be assigned to artillery when he begins his army service.

He is the son of Mr. and Mrs. Earl Edwards of Lakeview. He and his father are dispersing their extensive herd of purebred Jerseys in anticipation of the absence of the junior member of the farm operating partnership for an extended time. Earl, Jr. was graduated from A. & M. college last spring and was married to Miss Claire Nell Williams, of Llano, February 10.

Lackey No. 1 Down 3,295 Ft. Monday

Preparations to drill ahead from total depth of 3,295 feet in Clear Fork lime were under way Monday at Houston Oil company of Texas No. 1 John Lackey northeast Floyd County wildcat, 12 miles northeast of Floydada.

Operators had set intermediate casing over the week-end at the above total depth. Top of the Clear Fork was picked at 3,270 feet on an elevation of 3,174 feet, says a report current this week.

The No. 1 Lackey is projected to approximately 9,800 feet and is located in Section 11, Block D-2 G. C. & S. F. survey.

Scholastic Census

The school census is being taken throughout Floyd county this month. In all the districts the work is being done and is due to be finished by April first.

In Floydada Independent school district, Mrs. V. H. Boteler is taking the census and her time limit is also first of April.

Irrigation School Tuesday Brings Experts to Discuss Farm Problems

The annual Floyd County Irrigation school will be held in the Mesa Theatre, Lockney, beginning at ten a. m. March 27, 1951, announces Robert H. Gibson, county agent.

Outstanding authorities have been secured to discuss their special subjects. Road Contract Due to be Let This Morning

With a contract due to be let by the State Highway commission yesterday on the Barwise - Sand Hill - Pleasant Valley - Lockney hard surfaced road, prospect is that highway work already in progress in two parts of the county, will continue through the summer and into the fall of this year.

The session of the highway commission began yesterday morning. The Floyd county road job is due to be in the batch of contract figures made public this morning.

James P. Potts, resident engineer of the Highway department, said yesterday that progress on both the Dougherty contract in Precinct 4, and the Quitaque contract in Precinct Three, are far enough along that it can be estimated asphalt "shooting" on both can begin on the first day permitted-April 15.

On the Dougherty job the grade and drainage structure has been finished, including culverts and base and gravel is being put on the ground by the contractor to await the opening of the topping season.

Progress of Quitaque Job

Engineer Potts gave the information yesterday that the road base has been finished on the Briscoe - Floyd County job from Quitaque 6.5 miles south. Two and 7-tenths miles of this mileage is in Floyd county and the two important bridges across Los Linguish and Quitaque creeks are also in this county.

Contractor has all piling driven and all caps poured on the concrete bridges across Los Linguish and the Quitaque. Roadway across the bridges will be 20 feet in width with an 18-inch curb on either side. Pouring the slabs was started this week for the Los Linguish bridge. The concrete bridges across the two creeks will require 44 slabs. The contractors have estimated they will finish the slabs on a schedule of 10 a week.

The Highway department's crew is carrying on the open road part of this job and will be ready to begin topping with gravel and asphalt by April 15, Mr. Potts said. Progress to date indicates that the highway will be in use early this summer. The hard - surface road and the all-weather bridges have been imperatively needed for years to give residents of the northeast Floyd county a road to market.

Parrish Asks Old Settlers Meeting Saturday, March 31

Near approach of another anniversary of the founding of Floyd county was heralded this week by a call from Omer Parrish, president of the Floyd County Pioneers association, for a meeting of the directors of the association and others interested to be held Saturday March 31, at 2 o'clock.

The meeting will be held in the county court room. Preliminary plans for the forthcoming event will be started at this meeting, Parrish said, and any old settlers who would like to be present and take part in the meeting are invited to do so.

Collis Roland New Man at Boren Hdwe

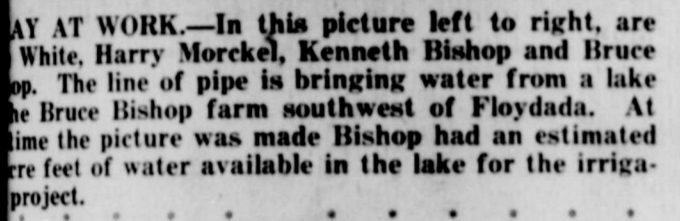

Addition of Collis Roland to his sales staff was announced this week by Floyd Boren, manager-owner of Boren Hardware Furniture and appliance store.

Roland has been with Terrell Motor company for the past two years and joined the Boren organization this past week, after Terrell motors changed management.

Roland previously worked at Consumers Fuel association, and requests that his old friends come to see him in his new location.

AY AT WORK.—In this picture left to right, are White, Harry Morckel, Kenneth Bishop and Bruce Pop. The line of pipe is bringing water from a lake to the Bruce Bishop farm southwest of Floydada. At the time the picture was made Bishop had an estimated 100 feet of water available in the lake for the irrigation project.

ates 320-Acre Field From Lake Pump Sprinkler Equipment

area of putting water out on areas from adjacent lakes use of pressure pumps and pipe persists among Floyd farmers and this spring the use of sprinkler has been added on the Bruce Bishop, three miles west of Floydada. Bishop's land has been dry on the although the underground sample. In this it differs from that of his neighbors on the county. But Bishop 40-acre lake full of water will be utilized and that is proceeded to do. In making plans he arrived at the on that he could side-step expense of dragging and by the usual type of gravity and began the watering and at once. This has been hatched at a relatively low aid of some equipment on the farm. Also he has operations underway in county where the equipment used profitably and thus the overall unit charge for equipment and for dep-

erators hope to have planting seasons on selected parts whether or not rainfall is ample. Bishop came to Floyd county from Big Spring six years ago, and as aforesaid also has farming interests in Gaines county.

For recruiting 11 members for the Legion by November 11, Covington received a silver pen with 51 in the center of a black background, and for having 51 members recruited by January 1, 1951. Covington received a pen of the same description, only being of gold instead of silver.

Covington has signed up over a hundred members for the local post in the past two years, and in his citation, he received notice that an award would be sent later in the year making him a member of the 100 club.

For many years a faithful Legionnaire, Covington has led all other members of the post for the past several years in number of members enlisted in the veterans organization.

Baptists Open Revival Period Easter Sunday

Rev. Franklin E. Swanner, of Plainview, veteran in missionary and evangelistic work of the Baptist church in west Texas and on the high plains, will preach for the revival meeting at the First Baptist church in Floydada beginning Easter morning.

Earl W. Rogers, Borger song leader, will conduct the song services. The meeting will continue through Sunday, April 8, with services twice daily throughout the week-days of the period, at 7:30 a. m. and 8 o'clock p. m.

Ground work for the revival series has been laid in the church here and throughout Floyd County Baptist association. Simultaneous revivals are being gotten under way at practically every church of the faith in this area.

Rev. Swanner who has been heard in pulpits throughout this section, long has been an outstanding worker, first as a missionary and more recently called upon as guest speaker in evangelical meetings.

Pastor R. Earl Allen, of the church, this week said that he considered Rev. Swanner a most capable minister and urged all who could possibly take advantage of the opportunity, to hear him during the meeting beginning Sunday.

J. C. Covington Leads Post Getting A. L. Memberships

Membership gitter, deluxe, for the American Legion post in Floydada, Jess Covington, received recognition this year in form of two lapel pens.

For recruiting 11 members for the Legion by November 11, Covington received a silver pen with 51 in the center of a black background, and for having 51 members recruited by January 1, 1951. Covington received a pen of the same description, only being of gold instead of silver.

James Ray Jackson Is Deputy Sheriff

James Ray Jackson, who comes to Floyd county from Taboka, is the newly-named deputy sheriff of Floyd county, assigned by Sheriff Leland A. Hart to Floydada and taking the place of Melvin Saunders.

Mr. and Mrs. Saunders have returned to Portales to make their home. Saunders is entering business there. Mrs. Saunders is a teacher in the Portales schools. They were dismissed from the hospital here last Friday after a week.

Jackson is on the job as deputy. He has a wife and little son and the family has already taken up residence here. He is being paid on the basis of \$2,750 per annum and \$55 per month for gasoline and travel expenses, the minutes of the Commissioners court indicate.

Mr. and Mrs. Saunders, the New Mexico couple, were injured in a highway accident three miles west of Ralls. Driving in a fog their car struck a parked truck. Saunders had a chest injury and Mrs. Saunders suffered face and head injuries.

Views and Comment

The current test for oil at Cedar is proving quite interesting to people oil over the county. Since Humble tried and got their dry hole there has come along the Scurry county field which discredited most of the Humble geologists who worked this territory. This has changed the ideas of the people about the possibility of a successful test. They just know there is going to be an oil well. As one fellow put it the other day, they better get an oil well or they'll have a lot of folks to bury.

Good Friday commemorates the day of the Crucifixion, says the World Almanac, and to Good Friday is tied in much of the lore that has come down to us of plantings and preparation for spring garden and field operations. In times past Good Friday has been more important in the lives of the people than it is at present in the Christian world. For instance, in many states it is still an observed holiday, that is officially. Seventeen states have it listed as a holiday and in Connecticut it is usually proclaimed by the governor as a day of fasting and prayer.

The Hesperian is the early gardener's best friend. In this role we point out that tomorrow is the day to get beans planted for best results. Those who have planted earlier, of course, and have seen their gardens frozen back to the top of the ground, do have their ground in better condition for the real planting which should take place tomorrow—and not later. We suggest that, if you are having a hard time making your budget get around your living expenses, you can help yourself a lot by planting a garden in regular victory garden fashion. We are not so sure you'll get your money back out of the garden but you will get some physical labor, possibly perspire a little, be healthier and more clear-eyed and cut down on your doctor bill, that will more than make up the difference. Also it will make you appreciate more the man who depends directly on the plow and the good earth for his living. A lot of people who see farmers making money think it's a snap. They do not know that farming takes management and know how and faith, much more faith and confidence than a town-reared person can imagine.

Re-districting is still in the news down Austin-way. That is the congressional re-districting. Latest word we have is that the adjoining boundaries of the 18 and the 19th districts are likely to be left alone. If this works out Floyd and Hale will stay in the 19th, Motley, Belton and Swisher will stay in the 18th. Trying to make more room for the lower panhandle districts in view of shifting populations and demands of old districts further east have resulted in quite a bit of jockeying.

Truck traffic control law changes continue to be much in the news at Austin. The truckers in their battle for changes that would be beneficial instead of changes that would be punitive, are making a bid for public favor. They feel they have never told the real story of how much support they have given to road building and maintenance and are making a belated effort to make the people see their side of a highly controversial issue. The truckers have permitted themselves to be jockeyed into the position of law violators, imposing on the public. They need to get that psychological barrier out of their way. People of the state will be fair and reasonable when they find out what fair and reasonable is.

Within the course of a few years it will be a violation of the law to waste irrigation water on the high plains. Bar ditches full of wasted irrigation water will be the signal for an investigation by a grand jury or some similar authority.

Distorted news is not a new thing in this world, only the means of communication that speed up false testimony the same as the truth has improved. Following the visit of the women to the tomb, and the appearance of the angel on the morning of the resurrection, you recall the familiar story that Jesus met them and they held him by the feet and worshipped him. Here is the rest of the account that possibly you may not have read: "Now when they were going, behold some of the watch came into the city, and shewed unto the chief priests, all the things that were done. And when they were assembled with the elders, and had taken counsel, they gave large money unto the soldiers, saying, say ye, his disciples came by night, and stole him away while we slept. And if this come to the governor's ears, we will persuade him, and secure you. So they took the money and did as they were taught." This story that the soldiers told concerning the resurrection is one of the reports that is still current among millions of people of the earth today.

There are now more cattle east of Dallas than there are west of Fort Worth in Texas. The change over in the economy of the eastern part of the state has been going on with great rapidity the past decade. The eroding soil and the introduction of new types of grasses have greatly stimulated the cattle industry east of the Brazos, while mechanized farming has made impressive inroads on pasture lands of West Texas counties.

Look well into thyself; there is a source of strength which will always spring up if thou wilt always look there. —Marcus Antonius

ASTER LILIES.

By Elsa Autzen.

In candlelight cathedral, in humble cottage room,
 In country church and city square,
 In white Easter lilies bloom—
 Symbols of eternal life, of faith and hope reborn
 And the wonder and beauty of the resurrection morn.
 Of the risen Christ triumphant, of the great stone rolled away
 And the glory of His coming, that first bright Easter day.

At wayside shrine and altar the tall, white lilies bloom,
 Shining angles who proclaim: "Behold the empty tomb!"
 And praise with every breath
 God the Father, Christ the Son, who proved there is no death!

From Weekly Unity, Easter, By Sue Sicking: "We might compare Easter as a way station to the bells that mark El Camino Real, or the King's highway, in the State of California. This highway is hundreds of miles long, extending from San Diego to San Francisco. It passes all the old Spanish missions. The Spanish padres followed this mission on foot from mission to mission in their service to God. They were consecrated to the King of kings, and that is why the path they trod was called the King's highway. Every few miles along the highway a bronze bell reminds the traveler of the sacred service of walking the way of peace with the 'king of kings'.

Each bell is for us today a symbol of a way of life. When the bells were first placed, they served to remind, to encourage, and to summon the padres to go forward on the path. The path was stony and difficult, and each bell gave them new courage to go forward. Instead of keeping their eyes on the roughness, the difficulty of the path, they remembered where the path leads, that is the Kings highway.

"Life is the 'Kings highway,' which we must tread. Easter is a renewing, revitalizing way station on our path. The Kings highway leads to wholeness and peace. Easter is the symbol, like the bells on Camino Real that we are beginning another part of a wonderful journey. . . remember, we who are living today have the Easter to hearten and encourage us."

Cold weather keeps me inside when I am longing to be outside to start the garden and flowers for the year. The other day it was pretty windy. Mr. Spikes raked up a lot of weeds and grass to burn later. He warned me to wait for the wind to go down. But after dinner I decided the wind from the northeast was not too strong so I lighted the pile. It burned down and I raked a bunch of tickle grass into the embers. And my! at once there were three fires started in the long, dead grass on the lawn. I ran to the door and called to the Mr. that I had the grass on fire, but he did not understand and sat calmly reading. The hose had to be carried 'round the house. It hung every limb and corner. The fire was getting close to the shrubs but I headed it towards the pavement. Emily Potts came by and asked was it an accident or not. Mr. Spikes came out and did he fail to remind me that he told me not to burn it in a high wind.

Why didn't I call the fire station you ask? Well on the farm I had to depend on my own to put out the fires. The day I carried the incubator lamp out of the cellar which was afire all over. . . the time an oil burner got on fire and the oil tank had to be carried out. . . the day I stepped in the kitchen to see a small pot of grease on fire. Somehow I managed to save the situation and the house for that matter. . . so all I could think of the other day was to depend on myself. . .

In this hour of sadness our hearts go out to the family of Mrs. Trowbridge who sorrow for her passing. These lines from an unknown poet are dedicated to those she loved and left behind to come on later:

There is No Death
 There is a plan far greater than the plan you know;
 There is a landscape broader than the one you see.
 There is a heaven where storm-tossed souls may go—
 You call it death—we, immortality.
 You call it death—this seeming endless sleep;
 We call it birth—the soul at last

EASTER IMPERFECTION

I'm all dressed up for Easter-time,
 My hair, has just been done anew,
 My dress is made on latest lines,
 And makes my eyes, a heavenly blue.
 My new white shoes hurt, just a bit,
 But say, my hat's a darling thing,
 I'm sure I'll look just grand today,
 I think I'll try and help them sing.
 I hope, "he" comes to church today
 I know he'll think my rig's a "hummer."

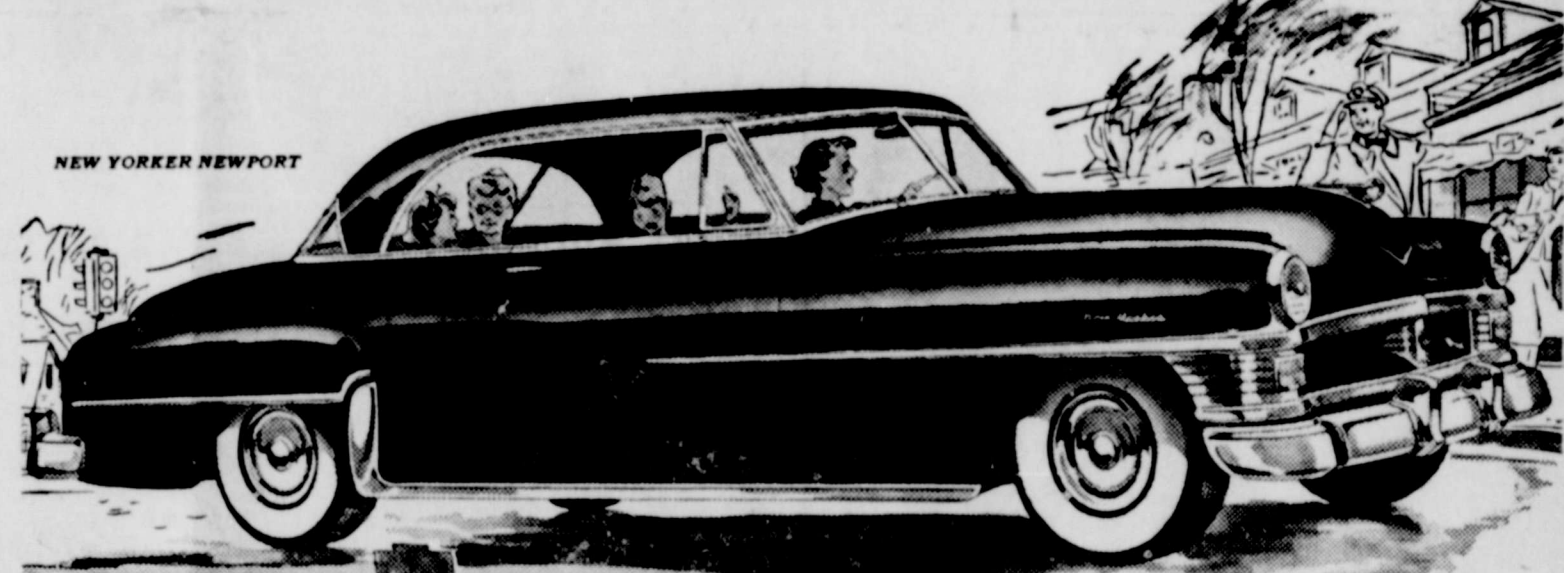

"Come back, my dear," my mother calls,
 "And look-your stocking has a runner."

FEEL THE MIGHT OF FirePower...

180 HORSEPOWER

Here you see the secret of FirePower's unmatched ability . . . the new Chrysler Hemispherical Combustion Chamber, heart of the finest motor car engine built today. In this dome-topped, clean-walled area, you see the only ideal combustion chamber in a motor car engine today . . . the only way to develop full combustion, full compression, full work and value from every drop of fuel!

in the handsomest, best-riding new CHRYSLERS ever built!

Not since 1924, when Chrysler introduced the high-compression engine, has there been an engine as basically new as FirePower!

Imagine 180 horsepower . . . in the most efficient and all-round economical motor car engine ever built! With all its matchless road power and performance . . . FirePower gets more work from a gallon of gas than any engine you can drive . . . on regular grade fuel . . . runs almost completely carbon-free . . . will require less attention and upkeep cost than any engine you have ever owned!

But FirePower is only one of the "firsts" in these cars. Chrysler this year also presents two other great and basic engineering advances . . . exclusive new Oriflow shock absorbers give every new Chrysler over twice the shock-absorbing power of any other car . . . and, optional at extra cost, miraculous new Hydraguide power steering now removes four-fifths of the human effort from steering or parking your Chrysler!

All this—plus gracious new beauty and 70 other new changes await you at your Chrysler dealer's now.

Doesn't all this make him a man you want to call on . . . very soon?

Johnstons Honorees; Numerous Hostesses Vie In Entertaining

Mr. and Mrs. Ralph Johnston last week and this were complimented with showers, parties and gatherings on the eve of their departure from the county, as Johnston resigned from the pastoral office of a farmer to resume service in the Air Force. Mr. Johnston has been assigned to duty at Reese Air Force base, adjacent to Lubbock, and the family are moving there to make their home. In military life Mr. Johnston is a major.

Informal at Campbell Home
The ranch home of the L. E. Campbell of Dougherty was the scene of an informal party Monday morning, March 19, honoring Mrs. Ralph Johnston, who with Major Johnston and family, have moved to Lubbock.

Mrs. Fred Cardinal was co-hostess, with Mrs. Campbell. The Easter motif was used in the decorations throughout the spacious home. On entering the living room, one's glance went to the mantle decked with Easter bunnies, chicks, eggs, and pink tapers. Easter lilies were also used in the decorations of the house. Centering the serving table was a cart, decked with rainbow colored sweetpeas, and drawn by an Easter bunny. Also egg shaped tangles in pastel colors were used.

Snacks served from a large wooden Lazy Susan, consisted of avocado trail, crab whip, cocktail franka, pineapple nut chunks, olives, crackers, onion chips, twiglets, cranberry brownies, almond marzipan and coconut cream filled Easter eggs served with cokes.

Those joining the hostesses in wishing Mrs. Johnston happiness in her new home were Mesdames Jimmy Wilson, Jim Word, Guy Ginn, J. B. Hale, Jr., Jack McIntosh, Kinder Parra, John Reus, Ned Bradley, W. S. Poole, Jim Putts, C. A. Coffer and M. J. McNeill.

Going Away Shower and Coffee
Friday morning, March 16, in the beautiful home of Mrs. W. S. Poole at Dougherty Mrs. Ralph Johnston was named the honor guest at a going away shower and coffee.

The beautifully appointed serving table was in keeping with the color scheme of the Poole home. On the dining table was an imported rose Irish linen cloth with a centerpiece of jonquils, forsythia and honeysuckle.

Jaycee Home talent show, April 17. If you can do anything to entertain or amuse the public contact Elwin Garrett, president Jaycees.

Mrs. Poole used the Easter motif as plate favors, matching each guest's costume with an Easter chick.

Pineapple cubes, cinnamon roll slices, nut tea and coffee were served, with Mrs. Fred Cardinal pouring, assisted in serving by Mrs. Ruth Daniel and Mrs. Poole. Mrs. Johnston received many beautiful gifts and best wishes from the following:

Mesdames J. E. Newton, C. A. Coffer, Earl Foster, H. N. Powell, Bill Norman, Orland Howard, Joy Ward, Ned Bradley, C. R. Woodson, J. T. Poole, Kenneth Poole, L. B. Campbell, Lon V. Smith, F. M. Covington, Ruth Daniel, and Fred Cardinal.

Dinner Party Saturday Evening
Mr. and Mrs. M. J. McNeill were hosts at a dinner party on last Saturday evening for Major and Mrs. Ralph Johnston, at their home, north of the city. For the centerpiece on the dinner table, Mrs. McNeill chose an arrangement of yellow jonquils and the flowering peach.

Games of canasta were played after the dinner by Mesdames Fred Cardinal and Jimmy Wilson and the honor guests, and the hosts.

Guests at Noon-Day Dinner
Mr. and Mrs. I. T. Graves honored Major and Mrs. Ralph Johnston Sunday noon with a dinner. Guests were Mrs. Lon Smith, the honor guests and Judge and Mrs. Alton B. Chapman.

Honored By Young People
Mrs. Ralph Johnston, who has been the young people's secretary and leader at the Baptist church for a number of years, was honored Sunday afternoon at a youth fellowship hour, when about 50 young people met for a sing-song and program. Mrs. H. O. Barber and Mrs. J. F. Patterson had charge of the arrangement of refreshments, consisting of punch, cookies and sandwiches.

Major Johnston has also been very active in the work of the church. Major and Mrs. Johnston were presented with a love gift, a silver compote, and best wishes from the entire group.

BRIDAL TEA HONOREE

LOCKNEY—Miss Albertine Foster, daughter of Dr. and Mrs. D. R. Foster of Hale Center and bride-elect of Henry Neil Schacht, was complimented with a bridal tea shower Saturday afternoon, March 16, in the home of Mrs. Peyton Powers.

Mrs. Foster, Mrs. Henry Schacht, the honoree and Mrs. Powers formed the receiving line.

Class Remembers Their Protege at the Orphans Home

March 14 the Wesley Girls Sunday school class met in Fellowship hall of the Methodist church for their regular monthly social. Hostesses for the meeting were Mesdames H. M. McDonald, W. H. Bethel and George Stiles.

Easter lilies and daffodils brightened the room and a lovely refreshment plate was served from a table centered with Easter eggs and easter bunnies.

Mrs. Wilson Kimble, class president, opened the meeting with prayer. During the business session, Easter gifts and the usual check were sent to the orphan boy, Bill Nail, at the Methodist orphanage in Waco.

Mrs. George Smith was leader of the program for the day. Mrs. L. C. McDonald gave the story of the crucifixion of Christ. Mrs. Noel Troutman read an Easter poem. Mrs. W. H. Henderson gave the legend of the dogwood blossom. Mrs. Stiles dismissed the group with prayer.

Members present were Mesdames George Smith, Noel Troutman, J. D. Colville, W. E. Grimes, Ham Smith, E. S. Randsen, S. E. Troutman, L. C. McDonald, Wilson Kimble, C. J. Parr, W. H. Brock, Belle Henry, Bob Henry and Edd Johnston.

Miss Petty Guest Speaker at WSCS

The Womens Society of Christian Service had its regular meeting Tuesday afternoon, March 20, with Mrs. R. N. Hackabee program leader, subject of which was "There is beauty in everything."

Guest speaker, Miss Leila Petty gave the history of Home Demonstration work in Texas. The first Home demonstration club in Texas was organized at Shallowater, Texas, in 1924, she said.

Mmes. W. H. Bethel, George Stiles, and D. D. Shipley, told of what the clubs have meant to them. The fellowship and association meant as much to them as the knowledge they gained from being a member of the club.

A social hour was enjoyed after the program with Mmes. Lee Rushing, D. D. Shipley, Will Snell and W. H. Bethel as hostesses. Fruit punch and cookies were served from a crystal service and the table carried out the Easter motif in the decorations.

Members present were Mesdames D. T. Mayo, J. D. Colville, Wilson Kimble, Lloyd Catlin, J. J. McKinney, E. C. Henry, J. M. Daniel, J. M. Wilson, Sr., Sam Green, W. H. Henderson, J. J. Spikes, L. F. Martin, George V. Smith, W. E. Grimes, Alfred Fuchs, and George Stiles, and Misses Leila Petty and Lillie Solomon.

Cummings-Hood Vows Are Read in Home Ceremony

CANTON—In a double-ring service on Sunday afternoon, March 11, Elma Lynn Cummings, daughter of Mr. and Mrs. E. T. Cummings, became the bride of C. L. Hood, son of Mr. and Mrs. S. R. Hood.

Joe F. Watson, minister of the Canyon Church of Christ, read the ceremony in the home of the bride's parents. Vows were exchanged before an improvised altar of white glass blocks backed with greenery.

Miss Lynn Robinson, pianist, played a medley of nuptial selections and Miss Betty Lou Hood sang "Through the Years." The traditional wedding march was used for the processional.

Attending the bride as maid-of-honor, Miss Jamie Lee Reagan of Lubbock wore a white suit with wine and white accessories. Her corsage was of white carnations.

Given in marriage by her father, the bride was attired in a royal blue suit accented with white accessories. Her hat was a braided halo with orange blossom trim, and she carried a white Bible, which belonged to Edna Sue Hood, sister of the bridegroom, marked with white gardenias.

Mrs. Cummings, mother of the bride, wore a powder blue crepe dress with black accessories. Mrs. Hood, mother of the bridegroom, wore a teal blue suit with brown accessories. Both had corsages of white carnations.

Following the ceremony, the bridal party was honored at an informal reception. The serving table was laid with an embroidered linen cloth and centered with a tiered wedding cake flanked by crystal candleholders. Miss Betty Lou Hood, sister of the bridegroom, served the cake, assisted by Miss Lynn Robinson. Guests were registered by Miss Lorrinda Sterling of Snyder, cousin of the bride.

Mrs. Hood was graduated from Amarillo High school and attended Texas Technical College, Lubbock. She was a senior student at West Texas State College, Canyon. Mr. Hood was graduated from Canyon High School and attended West Texas State College. He is in the Army Air Force Technical Training School at Wichita Falls.

The couple is at home at 1677 Speedway, Wichita Falls.

Seek Way Out On The Use Of Mexican Labor

Congressman George Mahon reports from Washington that on Monday of this week, he introduced a bill which would permit Mexican families and their children to assist in the cotton harvest this fall. The 81st Congress, through an amendment to a labor bill, added in the Senate, has approved legislation prohibiting labor by children under 16 years of age in agriculture during school hours.

According to Mahon, the provision on child labor has proved unworkable; it has disrupted the work of many of the schools, slowed down the cotton harvest and diminished the chance of the children of Mexican families to go to school by denying them the income they normally secure from the cotton harvest. Moreover, it is argued that the matter of child labor in agriculture and the question of school attendance are problems that can best be handled by states and not the federal government.

Mahon's bill provides that restrictions as to child labor shall not apply to the harvesting of basic crops. The bill has been referred by the Speaker to the House Committee on Labor for consideration. In introducing the bill, Mahon said, "We are

being called upon by the government to produce 16 million bales of cotton this year in the interest of national defense. There is no use to try to produce a big crop unless we can harvest it."

In a further effort to improve the chances for securing labor for the cotton harvest, Mahon has appeared before the house committee on agriculture and urged passage of the Poage bill, which is designed to greatly increase the availability of labor from the Republic of Mexico.

Farmers are deeply concerned over the threat of a labor shortage for the harvesting of the cotton crop. Members of Congress who are aware of the situation are seeking to be of all possible assistance. In addition to the bill by Mahon, bills of somewhat similar nature have been introduced by Congressman Fisher and Rogers of Texas. The problem is to devise a measure that can win the support of a majority of the members of the House and Senate.

GAS MILEAGE RECORD MADE

SOUTH BEND, Ind.—Three 1951 Studebaker passenger cars equipped with overdrive transmissions finished one, two, three in actual gas mileage among 26 entrants in regular classifications of the 1951 Mobilgas Economy Run, it was announced today by K. B. Elliott, Studebaker vice president in charge of sales. The run was conducted under rules of the contest board of the American Automobile Association.

Center News

(By Mrs. J. E. Green)

CENTER, March 20 — The dry wind still blows. How we would love to see a good rain.

Sunday was the first Sunday of Center Church on its regime of "full time". It is good to think of every Sunday being "church day". We had good crowds at both services.

Rev. and Mrs. Hodges and Jerry were accompanied by Miss Rose Stephan and Miss Edna Adams, both students of Wayland college. All were dinner guests in the home of Mr. and Mrs. Leo Frisell. We are always glad to have Wayland students with us.

Mr. and Mrs. Clarence Guffee of Floydada and Mrs. Moody of Palestine visited Sunday afternoon in the R. C. Ross home.

Pfc. and Mrs. Nolan Arney of Lampasas and Camp Hood visited over the weekend with her parents, the J. D. Welborns.

Jo Anne Welborn and Sandra Kay Huckabee have had measles the last week, but seem to be convalescent.

Mr. and Mrs. Welborn Miller visited Sunday afternoon in the Hartline home.

Frank Dunn made a flying trip to Altus, Oklahoma the first of the week.

Mrs. Frank Dunn visited Sunday afternoon with Mrs. Branson of Floydada.

About thirty people attended the community domino party Friday at the school house. Everyone is invited to come and bring tables and dominoes two weeks hence.

Mr. and Mrs. Earl Huckabee visited Sunday afternoon with relatives south of town.

Mr. and Mrs. J. E. Green visited Thursday evening in the D. I. Bolding home in town.

Don Clark Green of Wellington visited home folks and made a trip to Lubbock over the weekend.

Mr. and Mrs. J. E. Green went to Plainview Saturday afternoon.

W. M. S. met Monday afternoon with Mrs. Frank Dunn. There were six women present. They are using All the members and other local as Bible study the book of Daniel.

The J. E. Greens attended Workers conference in Floydada Tuesday.

PLANTING FLOWER SEEDS DEMONSTRATION AT CLUB

The Lakeview Home Demonstration club met with Mrs. Harvey Thomas on March 15. Recreation was led by Mrs. Roy Fawver, in which two interesting games were played and Mrs. Fawver gave an interesting one called "Mind Reading."

Roll call was answered with seeds or cuttings brought for the plant exchange.

Mrs. Wayne Russell gave hints on buying hose.

A demonstration of planting flower seeds was given by Mrs. E. H. Spears, and Mrs. Jim Owens gave a demonstration on pot plants.

The president, Mrs. Lee Nichols, appointed Mrs. Earl Edwards as civil defense chairman for the club.

Refreshments were served to Mesdames Lee Nichols, Roy Fawver, Wayne Russell, Earl Edwards, Verlon Wright, J. A. Kinchole, B. P. Neff, Jim Owens, Warner Johnson, E. H. Spears, Earl Edwards, jr. and a visitor, Mrs. Davis, sister of the hostess, Mrs. Thomas.

The next meeting of the club will be on April 5, with Mrs. L. D. Goulightly as hostess.

WATSON CHILDREN SPEND SUNDAY AT MOTHER'S HOME

Mrs. R. C. Watson had the pleasure of having all her children with her for a visit this past Sunday. A bountiful dinner was enjoyed and the afternoon spent in visiting.

Present for the occasion were Messrs. and Mesdames W. C. Watson of San Angelo, Fred Battey, C. N. Battey and O. M. Watson of Floydada, Mrs. Joe R. Evers, of Crosbyton, and Mrs. C. E. Neil and son, Charles of Amarillo, and Mr. and Mrs. Thomas Warren and daughter of Floydada.

Mr. and Mrs. J. A. Arwine and Mr. and Mrs. Bill McCarty of Lubbock left Tuesday for a vacation trip to Florida. The first stop will be Daytona Beach. They plan to be gone several weeks.

Rip Van Winkle and Sleeping Beauty slept longer than anyone else mentioned in literature.

Center Home Demonstration club meets Friday afternoon with Mrs. Rhodes on the Silverton highway. All the members and other local women are welcome to attend. And we like visitors. Come to church next Sunday.

Mrs. Gene Arwine returned home Tuesday from Austin and New Braunfels where she spent last week with friends and relatives.

THE ESSENCE OF SECURITY

There is no doubt that Russia is building a formidable military machine in the hands of an absolutely closely knit group of men who would destroy us if opportunity offered.

We can meet their threat without war if we are strong, for those in the Kremlin recognize strength if they recognize nothing else. But we CANNOT meet it if we turn this country into a wishy-wishy imitation of totalitarianism, where every man's hand is out for pabulum and virile creativeness has given place to the patronizing favor of a swollen bureaucracy.

Free, virile democracy can out-place any dictatorship in the long pull. But a people bent on a soft security, surrendering their birthright of individual self-reliance for favors, voting themselves into Eden public purse, supporting everyone

Here's official proof of Studebaker gasoline economy!

In the 1951 Mobilgas Economy Run...

three Studebakers finished 1st, 2nd and 3rd in actual miles per gallon among 26 cars entered in standard classes

In the 1951 Mobilgas Economy Run, three Studebaker 4-door sedans—Champion, Commander V-8 and Land Cruiser V-8—successfully defended their reputation for stand-out gasoline mileage. The cars competed over a tortuous 840-mile course from Los Angeles, via Death Valley and Las Vegas, to the Grand Canyon, at speeds averaging more than 40 miles per hour. The Studebakers, piloted by experienced drivers under A. A. Contest Board rules, made operating history with averages of 28.6, 28 and 27.6 actual miles per gallon. Each Studebaker had overdrive, optional at extra cost—and used regular, not premium, gas! Come in and see cars just like these record-making thrill stars on our showroom floor.

Fairview News

(By Mrs. Clyde Bagwell)
FAIRVIEW, March 20—Old man winter came back to visit us again over the week-end but in spite of the cold weather some of the women have gotten baby chicks and have started their vegetable and flower gardens.
A large crowd was out to church Sunday. Our church has taken on a new look the past week. The entire interior of the building has been painted, both walls and ceilings. New rugs have been bought and put down on the floors of the Sunday school rooms, new curtains hung at the windows, some chairs refinished and baby beds added to the cradle roll department. Now that the inside looks so pretty it was voted to paint the outside of the building, and work will begin on that soon.
A revival meeting begins at the church Wednesday night, March 21, and continues through Easter Sunday, Rev. Tom Harmonson, pastor of the Pansy Baptist church, will do the preaching. Everyone is invited to attend these services.
Mr. and Mrs. Lee Rushing went to Canyon Sunday night. They attended the wedding of Mr. Rushing's niece, Fannie Alice Pierce.

Two Trustees to Be Elected

LOCKNEY—Election of two trustees to the Lockney Rural High School district board of trustees was set for April 7 in an order issued by the board at its meeting last week. The terms of J. R. Belt from the Aiken district and Raymond Rucker from the Pleasant Valley district expire this year.
Both Rucker and Belt have declined nomination for a new term and new trustees will be elected in each place. A nominating committee composed of E. R. Harris, George Turner and T. V. Ashburn was appointed and asked to nominate a man for each place. Their report revealed they had selected Alvin Wilson for the Pleasant Valley district and Connie O'Brien for the Aiken district. Additional names for either place may be filed with Supt. Sidney Reeves any time prior to April 1, he said.
Extend, Renew Contracts
The board of trustees of the Lockney Rural High school district have extended and renewed contracts for various school heads in the Lockney school system.
Contract of Supt. Sidney Reeves was extended one year from its expiration, one year yet remaining on the old contract. Principals F. M. Smith and Weldon Dodson were each given renewed contracts of one year as was Coaches Curtis Kelly and Elvin Lyons.
Band director Eugene Trimble's contract was also renewed for one year.
Class room teachers will not be elected until the new board is organized after the school board election on April 7, Mr. Reeves said.

Groom Your Flower Garden

COLLEGE STATION, March—Flowers are loved and desired by almost every one and they can add to the landscaping of your home if they are chosen carefully and their location wisely selected. Sadie Hatfield, specialist in homestead improvement with the A. & M. College Extension Service, says that good grooming on the lawn and in the flower garden is just as necessary as it is for the person.

Perennials are recommended by the specialist because they have been tested and proved reliable and hardy. Plants giving a long season of bloom are preferred, but the specialist warns against growing plants that will turn into a pest. For instance, hollyhock seed are scattered about sometimes and they take up a lot of space that could be used for other plants.

Perennials grow in beds, rock gardens, in front of shrubs, along walls, or in vegetable gardens. Miss Hatfield suggests that plenty of room for each plant and variety be allowed. If perennials are grown with a hedge background they should have three to five feet of space between them and the hedge.

Annual flower perennials, the specialist says, belong in the service area or private area just as much as they belong in the front yard, which is generally considered

more of a public area. To insure neatness she suggests making a plan on paper so each variety will be placed properly.

Some of the perennials which thrive in almost all parts of Texas and require relatively little water are the Aster, Chrysanthemum, Dianthus barbatus, Linum, Gaillardia, Grape Hyacinths, Gypsophila, Helianthus, Hollyhock, Hemerocallis, Iris-bearded, and Sedum spectabile, and the Yucca. These plants may be left in the ground during the winter months.

"I got the story on
50,000 Miles-No Wear
and changed to New Conoco Super Motor Oil"

says Billo Smith, Photographer, San Antonio, Texas.

"50,000 MILES-NO WEAR!"—PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 23.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

"WHEN A MAN BUYS A USED CAR from us, we want him to get his money's worth in performance and operating cost. That's why we put new Conoco Super Motor Oil in all our cars and tell the buyer to use nothing else," says H. C. Wheeler, Wheeler Motor Company, Denver, Colorado.

"I RECENTLY CHECKED A CAR that had gone 39,000 miles on Conoco Super Motor Oil," reports Joe Prestidge, Chief Garage Mechanic, St. Paul, Minnesota. "I found the connecting-rod journals were within five ten-thousandths of an inch of the original factory specifications. I've never seen so little wear!"

Trowbridge Family Gains Comfort In Kindness of Friends

To the friends of the Trowbridge family:

Last Monday at the First Methodist church our friends met us to help sing her lovely flowers, and to feel the calmness and strength that radiated from her beautiful face.

When Brother Huckabee spoke of her life as a pioneer woman of Floyd county, of her devotion to the ideals of service to humanity and to her religion, we felt that this was a tribute to all pioneer mothers, and that all were inspired and heartened by the thoughts of their faith and courage so sincerely expressed. Again, she was with us in all her sweetness and her capacity for love.

We are deeply grateful for the devotion and ministrations of all our friends, for the visits, the messages, the nursing, the food, and all the many courtesies so traditional of the pioneer spirit of the country, our mother had loved and cherished.

It is a comfort to us to know that she did not linger to suffer, that she was strong and active until this her eightieth year, a year of triumph for her, and we feel that she left this thought with us and with you, expressed in the words of Henry Van Dyke: "There is only one way to get ready for immortality, and that is to love this life and live it as bravely and faithfully and cheerfully as we can."

Spring Opens on Chilly Side

Spring of the year 1951 shuffled on the scene at 4:26 a. m. Wednesday in pre-dawn chill as the thermometer registered below freezing temperature for the thirteenth morning of the month of March.

And the cold yesterday morning was definitely below freezing with 27 degrees registered on the recorder at West Texas Gas company. Monday morning the low was 22 degrees. High for the month was 80 degrees on March 6. Six times the recorder indicated temperatures in the seventies. On ten days in the period since the beginning of the month the mercury failed to climb past 60 degrees.

Can You Entertain? Query the Jaycees

Can you entertain? That's the question being asked this week and will continue to be asked by the Floydada Junior Chamber of Commerce members up till show-time, April 17.

The Jaycees are sponsoring a home talent show, the likes of which have never been seen, they declare, and ask that you be a part of this show, if you can entertain in any way.

Money raised from this extravaganza will be used for many civic betterments, including repair on the Boy Scout hut which has been in progress for some time.

Talent committeemen to contact in case you would like to participate in the show are: Fred Cardinal, chairman, Rex Brown, Billy Henry, Guy Ginn and Myron Kattner. Chairmen of other committees connected with the production are: Kenneth Tate, stage chairman; Marvin Standefer, ticket sales; Enos T. Jones, poster chairman; Jimmy Willson, advertising chairman; Jim Wood, door ticket taker's chairman, and John Kimble, general committee chairman.

Harmony Entered in Texas Rural Progress Contest

The Harmony Community club met Wednesday night, March 14, at the community center with C. H. Bates, Farm and Home specialist of A. & M. college, to discuss entering the Texas Rural Neighborhood Progress contest.

This contest has been set up to stimulate individual, family, and neighborhood effort toward farm and home and objectives are to make farm and ranch life more desirable and satisfying as well as more profitable and stable for farm families.

An interesting talk was given by Mr. Bates and slides were shown of progress made in different communities in the state.

After a discussion it was decided that Harmony community enter the contest. Chairman, vice-chairman and secretary were elected. They are chairman, Marion Tucker, vice-chairman, Mrs. Everett Miller, and secretary, Aldine Williams.

Boyce House Says I Give You Texas

Rufus Higgs, publisher-editor of the Stephenville Empire-Tribune, got to thinking about the "good old days" and wrote this, nearly 10 years ago:

Cotton production in the old days was a simple matter of calculation—forty acres was good for 15 or 20 bales, some times more. Taxes were low, living expenses at a minimum and a good buggy horse would sell for more than \$100.

A span of mules 16 hands high would easily sell for four or five hundred dollars.

Everybody went to church in those days; prayer meeting was an event rather than a formality. A political rally attracted crowds from far and near while an ice cream supper was tops in attendance. School and church picnics would ordinarily bring out 100 per cent cooperation, while a "badger" fight created a

Jaycees Elect 51-52 Officers

W. H. Tanner, manager of Floydada airport, was elected president of the Floydada Junior Chamber of Commerce when the organization picked their officers for the ensuing year at their Tuesday luncheon.

With Tanner was chosen as first vice-president Kenneth Bain, and as second vice-president Enos T. Jones. Glenn Amburn was named secretary, Rex Brown treasurer and Marvin Standefer parliamentarian. Enos T. Jones was named state director from Floydada Junior Chamber of Commerce.

Directors elected were Parnell Powell, Ed Wester, Kenneth Tate, Fred Cardinal, Lyndell Roberts, A. H. Rainer, B. B. Henry, James H. Word and W. E. Garrett, past-president.

Committee named to serve for the year will keep the Jaycees in contact with current problems of agriculture, Americanism, better roads, Christmas activities, Concessions, membership and attendance, projects—programs, public relations, public health and safety, sports and Boy Scouts.

The new officials will be installed with appropriate ceremonies on Tuesday, April 3.

The men who worked all Spring and Summer—as they did at the turn of the century—would seek a place for diversion after he laid his crop by. He would either go to see his relatives in East Texas, hunt up a camp meeting where horse feed and tie ropes were supplied, or take off on a fishing trip.

If he had been provided with modern-day attractions such as movies, he more than likely would have been far more contented to spend a few hours listening to Clark Gable than he would have driving a spavined team back to Hunt county for a visit with his wife's kinfolks.

Many other comparisons could be drawn, of course. Yet oldsters marvel at the progress that has been made and, as well as they like to think of the "good old days," it would be a hard matter to get a single one of them to agree for a return.

The first oil pipe line was wood construction, five miles long and had a capacity of 800 barrels daily.

Considering the fact that many inexperienced people were employed it's no wonder there are so many divorces.

Rhode Island was the first state in the Union to build its own port.

Women first appeared as professional dancers on the stage in the 17th century.

The known volume of oil derriground today is more than a trillion gallons.

Drive-in service stations were inaugurated in 1903. Today there are 250,000.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Gruelling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

CANDID CAMERA

This week the candid camera shines on a very outstanding boy of the junior class. He is 16 years old, 5ft. 9 inches tall and has blue-gray eyes and blond hair. In case you have not guessed who we are talking about it is none other than Dorman Turner.

Dorman's ambition is to own a cattle ranch in the Rocky Mountains of Colorado. His ideal girl has blond hair, blue eyes, is five ft. 3 inches tall and weighs about 115 pounds. This girl does not act silly or giggle, but she must have a good sense of humor.

Dorman says his favorite pastime is hunting or camping. His most embarrassing moment can not be published at the present time, but his happiest moment was when he graduated from grade school.

Dorman's favorite movie actor and actress are Rod Cameron and Ester Williams. His favorite movie is "Bataan."

He says his favorite subject is typing and Mrs. Sevicik is his favorite teacher.

He enjoys taking trips, hunting, fishing, camping and swimming. He dislikes turnip greens, six weeks tests, people who use big words, teachers and people who think they are never wrong. Dorman's favorite food are chicken, potatoes, beans, pecan pie and cream.

On his ideal day, Dorman would arise at 9 o'clock and do the farm work. For breakfast he would eat waffles then sleep until dinner. Then he would awake and eat a chicken dinner. Afterwards he would swim until late that afternoon. After this, Dorman would go to Plainview and see the wrestling matches. He would get home about 12 o'clock and be in bed by 12.30.

Dorman's pet peeve is people who are always borrowing.

The junior class is proud to have someone like you in our midst Dorman.

DE QUACKER

Hello ducklins,
Surprised to see me back? I thought, before I go, I'd leave you something to remember me by. For those of you who liked this article, cut this one out for a souvenir because it will probably be the last one. Now to the more interesting matters.

I see Percy has been stepping out lately. Clara Mae and Adrian were certainly enjoying the show the other night.

If I were you Tanya, I'd watch Franklin. I think I saw him and Karen B. together.

Lawrence Stovall and Ann D. must have had trouble keeping their hands warm in the show the other night. Wake up, Dane!

Could this romance between Dan Hagood and Nancy B. be serious?

So Roy Teague is taking Clara Mae to the banquet. I wonder if Shirley knows about this?

Sometime ago Don Barber and Peggy Lanham had a date but I haven't seen them together since. Brooks C. and Barbara have been seeing a lot of each other lately, and they make a very cute couple too!

It seems that Dennis Wilks enjoyed Dorothy Holme's company so much in Boy's Chorus that he decided to get better acquainted.

Dale Roberts' latest date seems to be Jeannie Hinds.

It seems that Bobby Paterson and Glenda Meeks really enjoy the assembly programs these days.

What's this I here about Lonnie Jarrett and Ima Jean Noland?

Don Daniels seems to enjoy Gayle Carver's company a lot, doesn't he?

I see that Lorraine Fisher has Lewis Reddy pretty well in hand these days.

Of course, there is always the old faithfuls: Pat and Gut, Jackie and Edith, and Hershel and Loene.

I here that Don McGuire got pretty lonesome while Jerry T. was home.

Wanda Poole and Alvie Frances are getting serious, I suppose she'll get a diamond since Peggy got one from Alvie's brother.

Speaking of rings, Lee and David are officially engaged now. She received her ring last Saturday.

I here Wilma Jean has a new boy friend. That was a lovely bracelet he gave her. Did you give up with Brooks?

Helen Calahan and Robert Turner have been going together sooooo long. Why don't they get married?

Who were the boys that LaJauna, Joyce M., LouElla, and Sammy were with last Saturday night? From all I saw they were really having a good time.

I know what Jack is giving Edith for her birthday and graduation. I think Lee is helping pay for it. I see she and Edith are on speaking terms now. I don't see why they haven't been.

Clara--you wouldn't trifle on Adrian--or would you?

Loene and H. are still going strong. They are such a cute couple.

Barbara is rather upset since Billy has to go to the army next month.

I here Peggy P. and Clem had a little misunderstanding. I hope you kids are back together by now. You make a cute couple.

What is Bill Womack going to think and do when he comes and finds Darlene going with his best friend, Jr?

Who is the girl Grover Smith would like to go with? Come on, Grover, don't hold out on us!

Latest Flash--Bert Grimes and Peggy Lanham are going together again keep it up kids.

Beverly and Billy seem to have

a pretty permanent set-up. Well, I guess that's all, as I said before this is probably the last one I'll ever write. I have always enjoyed doing this and I like to think that every one else enjoyed it, but it has been decided that I must go. I think I'll end this with my epitaph. Here lies De Quacker The most popular column that ever appeared in our little paper, but who had to go long before it's time.

Assembly Program

The student body went down to assembly Tuesday the first period to see a picture show presented by Mr. Barber on "Highway to Alaska," and Coach Watson presented the football game between Lubbock and Austin high of El Paso. The final score was 33 to 7 in favor of Lubbock. Everyone seemed to enjoy the movies and we hope to see more.

HADACOL Is Requested By Nurses

HADACOL Helps Folks Suffering Deficiencies of Vitamins B₁, B₂, Niacin and Iron.

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional samples of HADACOL and many of them indicated that they recommend the HADACOL formula to patients who are deficient in Vitamins B₁, B₂, Iron and Niacin.

Mrs. Lovett
Mrs. L. D. Lovett, a registered nurse who lives at 2205 Walnut St., Philadelphia 3, Pennsylvania, says this about HADACOL:

"I was down in Florida for the past month. I had no energy so several members of my family told me to try a bottle of HADACOL. My sister, who is a nurse, was taking a bottle so I tried a bottle. I feel fine since taking HADACOL. I do private duty here. I am 50 years old."

HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today. Only HADACOL gives you that "Wonderful HADACOL feeling."

Study Club's Home Talent Program Good

The program of home talent sponsored by the 1929 Study club, of which Mrs. Hollis Bond is president, at the First Baptist church last Friday evening, was enjoyed by small but appreciative crowd.

Mrs. Bond welcomed the guests and Mrs. Kinder Parris, incoming president of the club introduced the program.

Mrs. Bob Copeland opened the program with an organ recital as the representative of the 1930 Study club.

The 1922 Study club presented Myron Kattner in a baritone solo and encore.

Mrs. Billy Brown, representing the Rotary club gave a humorous reading the strange fate of a fellow named Jones, who had a hard time making his visit short to a friend's home.

Miss Ann Weiborn gave three piano numbers, representing the 1934 study club.

Last, the Lions club, headed by Jim Word, as "president of the Rotary club," gave a clever skit, a take-off on an executive board meeting of the Rotary club for the purpose of electing new members.

Enos Jones served as the "secretary," other members of the "board" being A. H. Bainer, Parnell Powell, Russell King, Ed Holmes, and Preston Watson. The "President" moved that a glass of Hashcol be placed at each Rotarian's plate at their regular dinner meeting and the "secretary" wanted two glasses. It was decided not to accept the applicant's name until he reached his sixtieth birthday.

Mrs. Ella Johnson, who has been ill for the past few weeks accompanied her son, Steve to his home in Graham, where she will stay for an indefinite visit. Steve came to see his mother last week and they left Saturday for his home.

Sunday visitors in the J. J. Spikes home were their daughter and family, Mr. and Mrs. Paul Wheeler and Billy of Cone.

Mrs. John Reagan spent a few days last week in Lubbock visiting her mother Mrs. B. H. Howard.

H. S. Watson Rites Tuesday Afternoon

Messrs. and Mmes. Charlie Lewis, O. G. Glassmoyer, Tate Jones, Orland Howard and Tom Hall were among the friends who attended the funeral rites of Hunter S. Watson in Matador on Tuesday afternoon, held at the First Baptist church there with the pastor, Rev. Clifford Potts, officiating. Mr. Watson, a resident of Matador since 1920, died unexpectedly at his home at 4 p. m. on Monday.

He was married to Miss Cinda Shands in 1901 in Stephenville, Texas, and had made his home in this part of Texas for the past 30 years. Mr. Watson was born July 22, 1871. He was a prominent Matador farmer and deacon of the Baptist church, having been a member of the church for 64 years.

Survivors are his wife, three daughters: Mmes. Jack Edwards of Amarillo, Billie McCaghen of Matador and Mose Damron of Canadian; a brother, H. E. Watson of Stephenville, three sisters, Mrs. Bell Triplett of Plainview; Mrs. Emma Menifee of Arlington and Mrs. Alice Maston of Fort Worth.

Mrs. Mose Damron will be remembered here as she and Mr. Damron taught school at Dougherty, South Plains and Baker.

Aged Mother Dies Funeral at Denton

LOCKNEY.—Mrs. W. J. Wiley, 84 years of age passed away at a hospital at Denton Sunday afternoon. She was the mother of M. W. Wiley of Lockney, president of the First National bank.

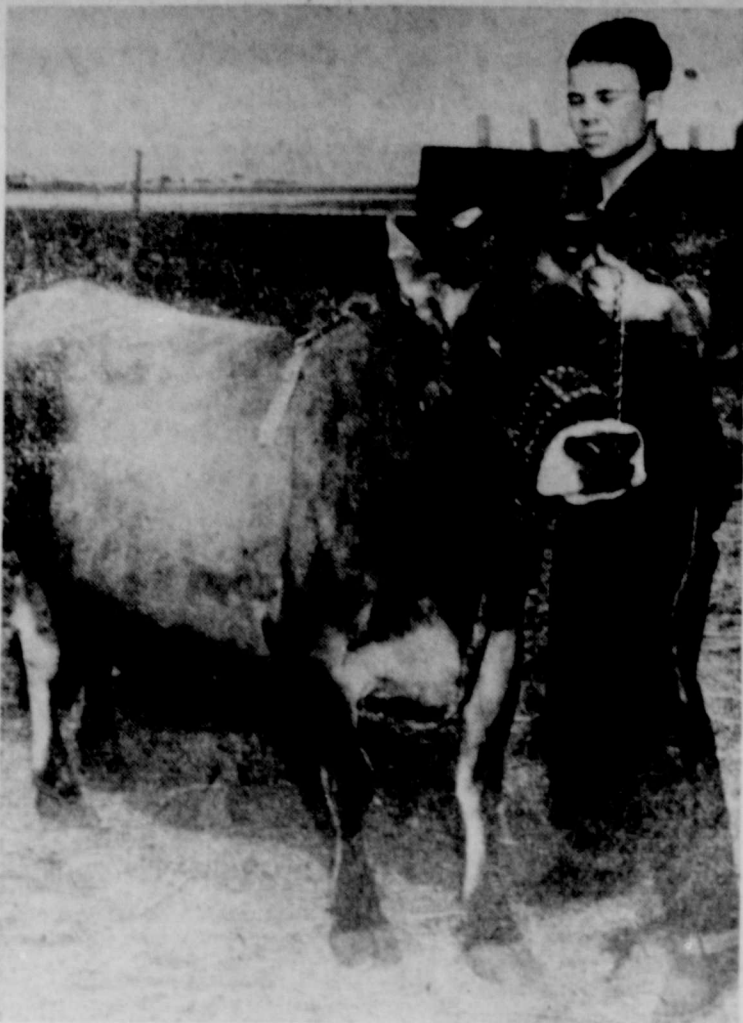

Mrs. Wiley had been seriously ill about a week. Her son here was carried to Denton Saturday afternoon by Ted Boushaker in his plane. Mrs. Wiley and June followed Sunday morning.

Funeral services were held at the Schmidt Funeral home in Denton Monday afternoon at 3 p. m. Burial was in the Sanger cemetery. Attending the services from here were Mr. and Mrs. Wayne Bybee.

Survivors in addition to the local man include two other sons, Clarence Wiley of Wichita Falls and R. D. Wiley of Wellington, and two daughters, Mrs. Lee Cooper of Dallas and Mrs. Joe Taylor of Commerce. Three grand children also survive.

Mrs. Aubrey Stewart spent Thursday and Friday in Lubbock visiting her sister, Mrs. Lee Cavin and family and while there had a check up at the Lubbock Memorial hospital. Mrs. Stewart is improving.

Likes His Jerseys. Billy Carmack likes to handle good live stock, particularly his Jerseys. Here he is shown with his prize-winning cow in the Jersey division at the Junior Live Stock show. She is the grand champion. Billy is the son of Mr. and Mrs. C. B. Carmack. He has been showing Jerseys for 10 years. He showed the grand champion Jersey animal at the show here last year.

His Fat Pig Won. Here is Jerry Bartram, son of Mr. and Mrs. Homer Bartram, who developed and showed this lightweight Chester White to the grand championship in the swine division at the Junior Live Stock show last week. The pig topped the list despite a fine entry list of first class animals. Jerry, who has been showing three

years, got an additional prize for winning, a gift from R. C. Mitchell, breeder of the champion pig. The prize was another barrow.

WE WISH TO EXTEND CONGRATULATIONS TO THE 4-H CLUB BOYS

on the splendid work you did in feeding and contributing your calves for last week's show. The calves generally showed an unusual good finish and you boys deserve credit for your efforts.

We feel honored to have furnished feed for the Grand Champion and other winners of the show.

For five years we have offered \$25.00 to the boy showing the Grand Champion of this show, provided he used 20% of Ful-O-Pep feed in his program. Five years we have paid the \$25.00.

To each boy participating in the show — again our congratulations.
