

OPENING OF LINGUIST AND QUITAQUE CREEK BRIDGES HAILS NEW TRAFFIC ERA FOR AREA

THE BRIDGE OPENING

Marking completion of the new bridge spanning Quitaque creek and the new span over Los Linguist creek, ceremonies were held last Thursday afternoon at about 5:30 p. m.

An informal ribbon cutting ceremony was held following the introduction of Frank L. Moore, Floyd county judge, J. W. Lyons, Jr., Briscoe county judge and district engineer, S. C. McCarty, of Lubbock, by James F. Potts, resident engineer of Floydada, who acted as master of ceremonies.

Also given just amounts of credit were given the contractors, for their fine cooperation, and to Watson S. Jones, inspector from Floydada, and his crew who fought the elements along side of the contractors.

After brief speeches by judges Moore and Lyons and District engineer McCarty, Judge Moore went to the south side of the bridge and cut the tape and then returned to witness the same job performed by Judge Lyons on the Briscoe side of the bridge, as did the commissioners from both counties and some five hundred interested persons from the two counties.

Pete Rice, Quitaque merchant led the way as those present drove across the bridge for the first time. The formalities were held on the newly spanned Quitaque bridge.

The aggregation then returned to the barbecue site, near the Los Linguist bridge to eat and enjoy the barbecue prepared by the Quitaque Lions club. The committee making arrangements for this very well prepared meal were Pete Clark, Chester Hawkins and Orb Payne.

The celebration also paid tribute to the seven and a half miles of pavement from Quitaque south which crosses the bridges into Floyd county, near completion.

A fine representation of people, many from Briscoe county, with a fair to good representation of Floydada people present, considering distance involved in being present in time for the festivities.

This thirty-year project for the people of this territory in getting the bridges for an all-weather road between these two points was completed at a cost of around \$83,000.00 and marks a new era in the advancement of communication and travel for many families, which heretofore were cut off from medical attention and many other conveniences when one or both of these creeks were on rampage.

Sentiment of the people present seemed to run in the same channel as expressed by engineering inspector Watson Jones who remarked, "Piling on the Quitaque are twenty seven feet long and only 10 of that is above the ground, and if that may not stay put, I don't think anything will."

At any rate, the people are more nearly satisfied with their road and now only look forward to the day when paving can be tied in with the seven and a half mile strip out of Quitaque with the Cedar Hill road in Floyd county.

shipped out. Now he is with the Sixth Armored division there.

He is the youngest child of the family. He has a brother, Orville, living here. Should any of his friends want to drop him a note his address is Company A, 68th Medium Tank Battalion, CCB, 6th Armored Division, Ft. Leonard Wood, Mo.

T. D.'s mother, Mrs. J. C. Custer, was in Floydada last year when the family moved to Slaton last after living here many years.

Cornell Moves J. C. Oakley His Successor

John A. Cornell, manager of the Southwestern Bell Telephone Company here for the past two years, has been named manager of the telephone company's operations in Abilene, E. J. Ernest, division manager in Fort Worth, announced today.

He will be replaced by J. C. Oakley from the company's offices in Fort Worth. Both promotions are effective immediately, Ernest said.

Cornell began his telephone career in the plant department in Dallas, and was transferred to the commercial department in Waco in 1943. He served two years in the Navy submarine service during World War II, and in 1947, was promoted to commercial engineer in Tyler.

He was transferred to Fort Worth the same year, and was commercial supervisor there when he was appointed manager at Plainview in 1949.

Oakley went to work for Southwestern Bell in Amarillo in 1942 as a pay telephone collector in the commercial department. After serving in the Marine Corps during World War II he returned to the company in Amarillo, and in January of this year was transferred to Fort Worth as a commercial staff assistant.

As manager at Plainview, Oakley will also handle telephone matters for Canyon, Floydada, Hale Center, Hereford, Lockney, and Tulia.

Waiting List is a Long One Lower Pumps as Heavy Irrigation Season Opens Said Danger Signal

With the start of another heavy irrigation season, many farmers in the South Plains area are having to lower the pumps on their water wells, according to reports received by the High Plains Water Conservation and Users association.

Illustrating the fact that the problem is widespread, one farmer reported that a Plainview pump company put him on a waiting list and said it would be at least two months before they could get to the job of lowering his pumps.

Other reports indicate that a lot of windmill wells, used mostly for domestic purposes, have failed in the 60-70 foot upper strata and have had to be deepened to the irrigation well level. This indicates that the higher water sands are being depleted.

While water levels have not gone down much and there seems to be no immediate danger of the irrigation water running out, this lowering trend is interpreted by the association as a "danger signal."

"Now is the time to do something about the lowering of water levels while the problem is small enough for us to tackle," a spokesman said. An underground water conserva-

tion district, if created, will have conservation powers which should stop the gradual decline of the water level, or at least retard the decline, he association pointed out. Proper spacing of wells, prevention of waste, better pumping practices and a re-charging program would help keep the water levels up.

Kate Adele Hill Will Be Extension Service Studies And Training Leader in Texas Beginning July First

Announcement of the appointment of Miss Kate Adele Hill as studies and training leader for the Texas Extension Service, effective July 1, with headquarters at College Station was announced by Extension Director G. G. Gibson at a meeting of all Extension Agents of District Two, on Friday May 4.

In this capacity Miss Hill will work other Extension Service personnel in developing studies in Extension work, in planning for in-service-training for Extension workers, and developing special Extension courses designed to meet particular needs and in counseling with Extension Service of Texas A and M College System. She has worked with home demonstration agents in 18 counties of the South Plains, with headquarters at Texas Technological College, Lubbock, Texas.

She came to District 2 in 1941, having served as District Agent in three other areas since 1929. Her previous work in the Extension Service as County Home Demonstration Agent began in 1925 in Cameron County, Texas.

She attended San Angelo High School, Texas State College for Women where she received her Bachelor of Science and Bachelor of Arts Degrees; she has studied at A. and M. College and the University of Missouri for special summer courses and will receive a Masters Degree in Sociology from Texas Technological College in May. The title of her thesis is "Evidences of Significant Changes in Rural Life in Selected Counties of the South

Kate Adele Hill, outstanding Extension Service leader.

Plains." Miss Hill believes in continued professional improvement and has encouraged the county home demonstration agents to attend special extension courses, and to continue their education and keep up with professional organizations.

Part of her work and interest is with the young people in the families living in the counties where she is District Agent. She is an adult leader for the Tech Collegiate 4-H Club of older boys and girls continuing the activities started in their local 4-H Clubs. When living at her home in Meadowbrook addition College Station, Texas, she follows with interest the activities of the students of Texas A. and M. College, often entertaining them.

Miss Hill's library of Texas editions includes one of her own "Home Builders of West Texas," published in 1937 by Naylor Company of San Antonio. She has written short stories, magazine articles, and reports such as the "Study of Effectiveness of Extension Work in Lubbock County."

Her interest in information media in home demonstration work has been responsible for her broadcasting a regular weekly program each Saturday morning over KCBT, Lubbock. She has assisted home demonstration club women in a "Radio Listening Project"—a program later adopted by the Texas Home Demonstration Association in their program of work.

Miss Hill says each county home demonstration agent in District 2 now has a radio program where a station is available for such broadcasts.

Born on a farm in Travis County, and reared on a ranch in Schleicher and Tom Green Counties, Miss Hill believes that women living on farms and ranches in Texas have a responsibility for their future in agriculture, and should take every interest and advantage of every opportunity to share responsibility in a progressive agriculture for family living.

Dr. A. W. Young, head of the department of plant industry of Texas Technological college will be the principal speaker at the Floyd County Soil Conservation District field tour on May 17. Dr. Young is expected to address a large number of persons at the noon luncheon at Lockview Farm. Dr. Young has for a number of years associated with the college at Lubbock.

Other plans for the annual tour are being completed according to Bert Bobbitt, chairman of the district board of supervisors. A committee composed of Bob Gibson, Ralph R. Cogdell, Henry Barber, T. J. Hutchins and F. L. Montandon are working out final plans for the route to be taken on the tour. Gibson states that a number of interesting projects will be included on the tour this year.

The group will form on the courthouse square in Floydada at 10 a. m. Thursday, May 17 and proceed according to a pre-arranged route. Programs will be available for everyone.

At noon the group will reach Lockview farm about 3 miles north of Aiken for a barbecue lunch served by Lockview and Floydada Chamber of Commerce. The Chamber of Commerce is furnishing barbecue and beans and Lockview will furnish the rest of the food.

Awards will be made to Oscar Golden, outstanding Floyd County farmer of 1950 and to winners of the window display contest. The local Lions will present Mr. Golden with a plaque for his outstanding accomplishments in conservation farming. Cash prizes will be given FFA students and 4-H club members judged winners in the contest by the Jaycees.

A mobile sound truck will be furnished by the Southwestern Public Service for the tour so that everyone will be able to hear the entire program.

Everyone interested in agriculture in any way is cordially invited to attend this event. The ladies are also invited to enjoy this day.

Ocie R. Golightly Died of Apoplexy Monday Morning

Ocie R. Golightly, 65, retired farmer, passed away at his home 222 West Tennessee Monday morning at 9 o'clock following an illness of four hours. Mr. Golightly suffered a stroke of apoplexy.

Funeral service for Mr. Golightly was held Tuesday afternoon at 3 o'clock from the First Baptist church with the pastor, R. Earl Allen, officiating assisted by Reverend Joe Wilson of Center, and Reverend C. A. Joiner of South Plains and I. T. Graves.

Pallbearers for the service were J. D. McBrien, Roy Patton, W. S. Simmons, Harry Stanley, M. H. Roddam, Walter Collins and C. O. Spence. Ocie R. Golightly was born on December 4, 1885, son of the late J. T. and Martha Jane Golightly, at Waxahachie, Texas. He was married to Tishie Ann Robertson at Merkel, Texas, on October 23, 1904.

Mr. Golightly joined the Baptist church early in life. He was also a member of the Masonic lodge. Mr. Golightly and family moved to Floyd county in 1912, moving here from Anson, having lived in Anson two years, moving there from Merkel. He farmed in the Center community until retiring and moving to Floydada last year.

Survivors are his widow, one daughter, Viola, Floydada, four sons, Lee and L. D. of Floydada and Elvard of Grand Prairie and Edwin of Lubbock; and seven grandchildren, one sister, Mrs. W. B. Gilbert of Abilene and three brothers, Tom Golightly of Crowell, Frank of California and Andrew of Dallas.

Mrs. Gilbert and Frank and Tom Golightly were unable to attend the service.

Interment was made in the Floydada cemetery under the direction of the Harmon Funeral home.

John Henry Brock In Hospital From Horse-Auto Crash

John Henry Brock, thought to be only slightly injured Wednesday of last week in the bizarre horse-auto crash here, has had to be hospitalized with an injury to his neck and head. A dislocated vertebrae at the base of the neck was visible by an examination Saturday in Lubbock Memorial hospital. He was due to be brought home this week if his condition would permit.

Dan Harrod, high school youth, was catapulted over the Brock car when the horse struck the side of the car late in the afternoon. This week his condition continued to improve at Peoples hospital. Brock was enroute home from work when the run-away horse hit his automobile at high speed. The horse was killed by the impact and Dan was unconscious for sometime. He has a compound fracture of the leg and bruises.

At the time Brock was shaken but did not know he was hurt.

Loss of The Ralls Banner plant and building Friday night undoubtedly presented a sharp problem quickly to the publisher, Ernest Joiner. It is pretty hard to estimate the total loss and pretty hard to figure out how he is going to get another plant into operation quickly. Always, always, a fire costs a lot more than you think it costs when the fire occurs. You begin to learn of losses you had not calculated weeks and months after the adjusters have finished calculating how much insurance to pay. Publisher Joiner already has started the ball to rolling to get a new building under way and to assemble machinery and equipment. He has been promised the aid of suppliers to this end. But the cost will be high and higher. Boys, check up on those fire extinguishers and watch all the time about paper and things lying around that could start a blaze. We just can't afford a fire in this kind of times! Nobody can!

How the meat roll back is going to be an important cog in the machinery of price control to halt inflation and how it is going to keep from losing the cattle feeders' shirts is one big matter of moment on capital hill in Washington this week. The cattle and agricultural leaders, if we understand their attitude, are going to tell the congressional committee that the feeder's problem is simply one of trying to keep from going broke. He is going to stop operations right where he is and try to salvage as much as he can quickly. This, the cattle people say, will completely disrupt the intricate and highly competitive processes of marketing. It will result in less meat, higher not lower (black market) prices and add to the general unrest. Who knows just how to do what to unwind the ball?

A good many Texans have been through oil strikes and have the experience to tell a person how to conduct himself so as to come through an oil-induced bulge without singed financial feathers. Somehow or other, however, the experience has to be bought and no amount of telling will keep people in a new area of oil excitement from going through the same kind of mill. If only a person could keep his shirt on and be a good gambler at the same time! When you see other people doing well at the game you forget, if you knew, how to go about it.

If you have forgotten and can't think what the continued cold, untoward spring is good for, this is a reminder that it is good

for the wheat. And the sorrier and spindlier and thinner and more spotted it is the better it is for it. Wheat is a cool weather plant. While you lather about the need for warm days on your row crops your wheat revels in the cool even up to almost freezing. So, if you have left some wheat to see what it will do, or if you have a crop you have been watering, take heart in the fact that it has been a cold, untoward spring so far. Your impatience for weather to plant row crops can be tempered with the knowledge, at least, that your wheat is being helped. Weeds are being retarded and all that while your wheat is booting, heading and maturing.

Late planting for the man who has been able to keep his row crop seed in the bin will be general over this area this season. The man who couldn't keep from putting seed in the ground a week or more ago is due to do the job over. The ground, they say, is 10 to 15 degrees too cold for cotton and feed to start off right. As late as one night last week the night temperature in Floydada was down to 40 degrees. That's sure too cold to warm up the ground for seeds to sprout. Generally the appearance of careless weeds and Russian thistles is a good sign for the man who takes his planting temperatures by the feel of it instead of by the thermometer. Mighty few early spring weeds have been seen as yet, even in areas where the irrigation wells were started weeks ago.

However, we do have to call your attention to the troubles incident to the harvesting season. Rains that begin in late May will make weeds and lots of them in the thin spots in your dry land wheat and in the bare spaces where the worms and greenbugs cut your stand. That can't be helped but you can have a lot of fun worrying about it before you get to it. A good, first class worry about something that has not happened yet helps a man forget the troubles he's already got on hand.

Dudley Claims Civil Rights Were Violated

J. O. Dudley, former Floyd county resident for a quarter of a century, more recently of Weatherford, will push charges against three Weatherford peace officers, he said last week-end, alleging that they deprived him of civil rights in a recent arrest and incarceration in Parker county jail.

Dudley is charged by complaint signed by Mrs. Dudley with aggravated assault on Vivian Hulsey, daughter of Mrs. Dudley, March 21. Dudley declares he did not resist arrest on the charge but instead invited the officers into his home when he came to make the arrest.

When he reached Floydada Dudley was in company with his daughter, Mrs. James D. Wester, who came down from Washington, D. C., to spend several days with him while he was in a Mineral Wells hospital. He was treated there for injuries received while the officers had him in charge. The officers allege Dudley resisted arrest. He was struck across the throat while still in his house, and later at the jail door steps, he said. The last-mentioned blow injured his right eye, he said. He will have slight vision, if any, in this eye, he was informed at the hospital. He spent about 10 days at the hospital. He was still weak but regaining strength when he was here, guest in the home of his son, Charles.

The Dudleys sold their Floyd county properties and moved to Weatherford in November of last year. They bought a tourist court there. R. C. Henry, who visited there in January, said the court is an excellent one.

Dudley's aggravated assault case had not been set for trial as late as last Saturday and he told a reporter for The Hesperian that no charges had been filed against him alleging resist of arrest or attacking an officer. His bond on the aggravated assault charge is \$750.

Some of his friends here, Dudley said, were trying to dissuade him

from pushing the charge against the officers he charges with the ill-treatment.

Yesterday Dudley asked The Hesperian to express his appreciation for the kindness and hospitality of friends in the community while he has been recuperating here. He expects to return home the last of the week when he is due to have an examination of his injured eye.

NEW MASSEY-HARRIS "26" AND "27" SELF-PROPELLED ARE THE EASIEST COMBINES TO OPERATE

★ Ease of operation, simplicity, convenience are just natural results of the common sense construction of the 12 foot "26" and 16 foot "27."

You finish a tough day of harvesting feeling relaxed and satisfied when you own a new Massey-Harris combine. You combine faster, easier... everything is right there before you—all controls at your fingertips. Gas tank is low for easy filling... Grain tank unloads in a jiffy... inspection panels provide fast adjustment and lubrication... extra large wheels take the jars and jolts out of rough fields and give sure footed traction.

See the new "26" and "27" today... get the best for your farm. Don't forget to ask about the new combine principle—Balanced Separation.

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasurable from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

- DYNAFLOW DRIVE* • FIREBALL POWER
- 4-WHEEL COIL SPRING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

Judge Goins on Road Board in Oklahoma

ARDMORE, Oklahoma.—J. I. Goins, Ardmore, was appointed a member of the state highway commission from the third congressional district. He succeeds John M. Craig, Idabel.

Gov. Murray Tuesday chose Goins over Virgil Jumper, Idabel, who was backed by Leroy McClendon, Idabel, state senator. McClendon had opposed Craig.

It is the second appointment Murray has made on the eight member commission as he reappointed Paul V. Carille, Sallisaw, earlier in the session.

Goins introduced Murray for his opening campaign speech at Tishomingo nearly a year ago and was his campaign manager in Carter county. He was named for an eight-year term.

Goins formerly was district judge at Marietta. He is now an attorney at Ardmore. He was born in Floyd county, Texas, in 1903, the son of Mr. and Mrs. J. A. Goins of Floydada. He attended high school in Texas. West Texas State Teachers college and received his law degree from the University of Oklahoma in 1928.

The tip of the tongue is the most delicate organ of touch.

At birth, a kangaroo is only one or two inches long.

Soil Stewardship Sunday Is May 20

Ministers of all denominations throughout the South and Southwest have been invited to take part in the observance of Soil Stewardship Sunday. Bert Bobbitt, chairman of the board of the Floyd County Soil Conservation District, has announced that this district is co-operating in this observance, which will climax soil conservation week and the annual field tour of Floyd County farms on May 17th.

June BA Graduate

ANSTIN, May.—The University of Texas College of Business Administration has 288 candidates for Bachelor of Business Administration degrees June 2. Dean William R. Spriegel announced.

Those scheduled to receive degrees at the annual commencement include Kelly Lane Hagood of Floydada.

PROPOSES TO PREVENT HAIL

PETERSBURG.—The High Plains Hail Preventive association has been organized in Hale county. J. P. Senter of Edmondson is secretary.

This association is contracting with a company that proposes to prevent hail from destroying crops, if enough farmers sign up to make the venture feasible. The company asks that the association sign up 160 sections at 40 cents per acre.

He said he was so old he could remember when the big dipper was just a drinking cup.

Girls, he may be "altared," but he never will be changed.

South Plains News

(by Mrs. Murray Julian)
SOUTH PLAINS, May 7.—The Daily Vacation Bible school will begin on June 1, on Friday, and the teachers will assemble at the church at South Plains to get their classes and pupils registered and get their instructions. The school will be held the whole week following, and every child and parent will be very welcome to attend. The Sunday school teachers and their assistants or helpers will be leaders under the guidance of Rev. Guest. Superintendent will be Mrs. R. C. Guest, pianist, Mrs. Bill Beedy, and secretary for the school will be Mrs. Sterling Cummings.

Mr. and Mrs. Wm. Payne of Clarendon, Texas and Mrs. Will Franklin, of Wayside, were guests in the home of Mr. and Mrs. Ralph Childress over Sunday.

Herman and Mildred Thornton had as dinner guests in their home last Friday night, Mr. and Mrs. Charles Goodnight, and son, Paul from Lockney, and Mr. Jimmy Wood, from Brownfield.

Mr. Wood conducted the meeting held at the Church of Christ in Lockney last week and Mr. Goodnight is pastor of that church.

Mrs. L. T. Woods was confined to her home two days of last week with flu.

Mr. and Mrs. Wm. Stanforth, jr., were guests in the home of Mr. and Mrs. Billy Henry in Floydada on Friday evening for a dinner bridge party. There were three tables of guests for the dinner and bridge.

P-TA Officials Elected

The South Plains P-TA held its last meeting of the year on Friday afternoon, May 4. The following officers were elected for the coming school year: President, Mrs. L. T. Wood; Secretary-Treasurer, Mrs. E. P. Smitherman; vice-president, Mrs. G. Milton; Mrs. Lee Pearson was given the position of cook for the school lunch room and Mrs. J. K. West was elected secretary-treasurer of the lunch room.

Mr. and Mrs. Robert Kerlin of Narvissa, New Mexico, and their daughter, Mrs. Bill Rorabaugh and children of Honolulu, Hawaii, are visiting in the home of Mr. and Mrs. Ralph Childress.

Celebrate Birthdays Together

Richard and Rodger Sanders celebrated their joint birthdays in a dinner given for several of their friends on Sunday, May 6. Richard's birthday was April 29, and Rodger's was May 7, so they were given a party by their parents on Sunday. Several friends were present at dinner and for doughnuts and punch during the afternoon. Those who enjoyed the day or who came after church were: Johnny Woods, home on a furlough from the Marines, but whose home is at Sterley, and Louis Foster from Sterley, Douglas Reeves, Terry Julian, and Richard and Roger Sanders and their parents, Mr. and Mrs. Otho Sanders, and small brother, Curtis.

Fairview Club Entertains

The Fairview Home Demonstration club were hostesses to the South Plains Home Demonstration club on Wednesday, May 2, at the gracious and lovely home of Mrs. Jim Stewart. Mrs. E. W. Walls greeted the guests as they came in, and the guests were registered by Mrs. P. C. Goodman. The rooms were gaily decorated with purple iris, and fragrant with blum blossoms and lovely lilacs. Mrs. Walton Wilson and Mrs. Clifford Helms presided at the punch bowl, and dainty cookies and small sandwiches were served to the guests. The serving table was beautiful in a lovely cloth and the crystal punch bowl surrounded by spring flowers was a delightful setting for the service.

After the guests were seated, Mrs. E. W. Walls and Mrs. Joe Wilson led the get acquainted games, which were thoroughly enjoyed. Mrs. S. D. Kinniburgh gave a lovely short poem about mothers, and several of the Fairview members gave a skit honoring our mothers. Mrs. Robert Gibson from Floydada, gave an interesting book review of "The White Sail" by Sayre Bassett. Those who were present and planned the enjoyable event were:

Mesdames Joe Wilson, E. W. Walls, T. L. Perry, L. B. Cozby, Walton Wilson, Jim Stewart, Galen Holland, P. C. Goodman, S. W. Irwin, C. W. Payne, S. D. Kinniburgh, Clifford Helms, Lee Rushing, and Clyde Bagwell. Guests present from South Plains were Mmes. Carl Dainels, Otho Sanders, Harry Hoffman, Murray Julian, Grigsby Milton, J. Menard Fields, John Smitherman, Sim Reeves, Horace Marble, George Beedy, Bill Beedy, R. C. Guest, George Weast, Art Willis, John Wilson, John West and Albert Stewart.

Mr. and Mrs. Wm. Stanforth had as their guest on Sunday J. H. Barnard, from Barwise. He was a dinner guest at their home.

Mr. and Mrs. Edward Morris, of San Marcos, visited in the home of Mrs. Morris' parents, Mr. and Mrs. Ralph Childress, during the past week end.

Crochet Club Meeting

The home of Mrs. H. T. Bradshaw was the meeting place for the Crochet club of South Plains, on May 2. Wednesday. Those who enjoyed the afternoon of sewing and who were served delicious refreshments by Mrs. Bradshaw, were Mmes. Will Sims, P. M. Smitherman, Lee Pearson, and E. P. Pritchett.

Boxes Sell Well

The box supper given at the school on Friday night, May 4, by the South Plains Home Demonstration club was not very well attended, but the boxes were beautiful, and sold well. Mr. and Mrs. Charley McDonald from Plainview, and their two sons were with the club, and Mr. McDonald acted as auctioneer. We were grateful for his services. Mr. and Mrs. Fred Lambert came out from Floydada with Mrs.

Fields, and we were glad to have them. Thanks go to Mrs. Carl Daniels for her unceasing effort in planning each detail, and working so hard making the event a success, along with her committee, Mrs. Menard Fields' box was judged most beautiful. The box supper netted ninety-seven dollars and fifty cents.

Dinner Celebrates Birthday

Mr. and Mrs. John K. West spent Sunday in Floydada helping John Key's father, J. L. West, celebrate his eighty-second birthday. The folks all gave Mr. West a bountiful birthday dinner, and he was fortunate in having most of his children there to visit him during the day, all but the youngest son, who lived too far to come. Mr. West is spry and enjoyed his birthday along with the many children and relatives. Hester West, from Abilene, was present to help her father celebrate the big event. We all wish Mr. West many happy returns of the day.

Mrs. Sim Reeves and Mrs. Horace Marble went to Plainview on Tuesday night to attend the barbecue and program given at Wayland college. The occasion was the ex-students of Wayland's reunion.

Mr. and Mrs. W. E. Buchanan, from Brownfield, Texas were at Sunday school and church Sunday, and then went to Silvertown to visit in the afternoon. In the evening they came back to Dick Guests, where they spent the evening and had supper with Mr. and Mrs. Guest.

Wind Damages Gin

Mr. Thornton moved the cotton gin from South Plains to Sterley about two weeks ago, and in the bad wind storms of last week end, the gin was blown and almost destroyed. The tin is a mass of wreckage, but the machinery is not damaged.

Mrs. Murray Julian and Bruce spent Thursday morning with Mrs. E. E. Joiner in Floydada and had lunch in her home. In the afternoon they visited Mrs. Sula Julian in Lockney.

Mr. and Mrs. Fred Fortenberry

and Elmo went fishing on Saturday up near Tulla, and brought home a good number of fish.

Mr. and Mrs. Leo Brown visited their daughter, Peggy and husband, Jerry Pearse on Sunday afternoon, and had dinner with them.

Mr. and Mrs. Bill Harper from Carlisbad, New Mexico, plan to visit their mothers on Mother's day. Mrs. Sula Julian and Mrs. J. B. Harper, in Lockney.

Mrs. Grigsby Milton, sr., and Linnie from Lockney, spent the past Thursday night and Friday night with Mr. and Mrs. Milton Grigsby Milton, jr., and children.

Little Larry Smitherman has the mumps, and the grade school boys are lamenting the fact that they won't be able to win the ball game scheduled with Providence on Friday, with Larry down sick.

Bible School Clinic

The one-day Vacation Bible school clinic will be held Friday, May 11, in Plainview. Rev. R. C. Guest is hoping that all the teachers and workers in the Bible school here opening June 1, will go to the clinic. He will leave at 1:45 on Friday afternoon and will gladly take as many as he can. The opening time of the Clinic is 2:30.

Mr. and Mrs. Ralph McClure and Martha visited Mrs. McGuire's parents, Mr. and Mrs. George Beedy, on Sunday. They all came to Sunday school and church in the morning.

Mr. and Mrs. Gene Edmons and children were visitors in the Murray Julian home on Tuesday night of this past week.

Mrs. Robert L. Alldredge returned to Texarkana last week-end with her husband, who is stationed at Red River Arsenal. Mrs. Alldredge has been staying with her parents, Mr. and Mrs. Charlie Battey, until she could join her husband.

SAFEST TRUCKS ON THE ROAD

NEW DODGE "Job-Rated" Trucks

The trucks that do the most for you

Why a Job-Rated truck is your safest investment

A "Job-Rated" truck is engineered at the factory to fit a specific job . . . save you money . . . last longer. Every unit from engine to rear axle is "Job-Rated"—engineered to haul a specific load over the roads you travel and at the speeds you require.

Safer stops with "Job-Rated" brakes

Step on the brakes of your Dodge "Job-Rated" truck and you're sure of smooth stopping action far in excess of normal requirements. You get long-lasting Cyclobond "no-rivet" brake lining—with lining area increased as G.V.W. rating goes up! Now, on models 1½-ton and up, except air brake models, you get another Dodge "first"—new Tapered, Molded Cyclobond brake lining. It's long-lasting, extra quiet—free from "squeal." Independent hand brake adds to safety.

Safer steering and easier handling

Now, you can maneuver your Dodge "Job-Rated" truck with less effort! Steering is more accurate. New easy-acting worm-and-roller steering gears on many models. To make driving still safer, Dodge "Job-Rated" trucks have now, shorter turning diameters. You also get the easy-handling advantages of cross-steering, short wheelbase, wide front tread. All these features add up to the easiest handling truck on the market!

Safer visibility with "Pilot-House" cabs

When you drive a Dodge "Job-Rated" truck you look through the biggest windshield of any popular truck! You have a clear close-up of the road, made possible by new, lower hood line. For even greater visibility you can get De Luxe and Custom cabs with rear quarter windows. All-steel "Pilot-House" cabs provide extra safety, too. Top, floor and sides are welded together—not bolted! No wonder owners agree that Dodge "Job-Rated" trucks are the safest on the road!

FLUID DRIVE now available

Only Dodge "Job-Rated" trucks offer this great "exclusive"—available on all ½, ¾, 1-ton models and Route-Vans. Helps assure less wheel-spinning on slippery surfaces . . . less tendency to spin in mud, sand, snow or wherever the going is tough. What's more, 9-yr. Fluid Drive makes driving easier, helps protect loads, lowers upkeep costs, and lengthens truck life.

Come in today... see and drive the "safest" truck on the road... a DODGE Job-Rated TRUCK

SAFEST TRUCKS ON THE ROAD

NEW DODGE "Job-Rated" Trucks

The trucks that do the most for you

Safer stops with "Job-Rated" brakes
Step on the brakes of your Dodge "Job-Rated" truck and you're sure of smooth stopping action far in excess of normal requirements. You get long-lasting Cyclebond "no-rivet" brake lining—with lining area increased as G.V.W. rating goes up! Now, on models 1½-ton and up, except air brake models, you get another Dodge "first"—new Tapered, Molded Cyclebond brake lining. It's longer-lasting, extra quiet—free from "squeal." Independent hand brake also adds to safety.

Safer visibility with "Pilot-House" cabs
When you drive a Dodge "Job-Rated" truck you look through the biggest windshield of any popular truck! You have a clear close-up of the road, made possible by new, lower hood line. For even greater visibility you can get De Luxe and Custom cabs with rear quarter windows. All-steel "Pilot-House" cabs provide extra safety, too. Top, floor and sides are welded together—not bolted! No wonder owners agree that Dodge "Job-Rated" trucks are the safest on the road!

Safer steering and easier handling
Now, you can maneuver your Dodge "Job-Rated" truck with less effort! Steering is more accurate. New easy-acting worm-and-roller steering gears on many models. To make driving still safer, Dodge "Job-Rated" trucks have now, shorter turning diameters. You also get the easy-handling advantages of cross-steering, short wheelbase, wide front tread. All these features add up to the easiest handling truck on the market!

FLUID DRIVE now available
Only Dodge "Job-Rated" trucks offer this great "exclusive"—available on all 1½, 2, and 1-ton models and Route-Vans. Helps assure less wheel-spinning on slippery surfaces . . . less tendency to spin in mud, sand, snow or wherever the going is tough. What's more, glycol Fluid Drive makes driving easier, helps protect fluids, lowers upkeep costs, and lengthens truck life.

Why a "Job-Rated" truck is your safest investment
A "Job-Rated" truck is engineered at the factory to fit a specific job . . . save you money . . . last longer. Every unit from engine to rear axle is "Job-Rated"—engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and others—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Come in today... see and drive the "safest" truck on the road . . . a **DODGE "Job-Rated" TRUCK**

The Dougherty Home Demonstration club met at 2:00 p. m. May 2, at the home of Mrs. Raldo James. Mrs. C. A. Caffee, the president, opened the meeting with a reading "Faith," by Thomas Dreier.

Roll call was answered with helpful ways to economize in the kitchen.

Mrs. Howard Drysdale gave the council report. In the business meeting a delegate to go to Lubbock craft school and lunch for the old settlers was discussed.

Mrs. C. A. Caffee and Mrs. Daniel gave a report on their trip to the District T. H. D. A. meeting at Tullia the 28th of April.

Miss Petty gave an interesting program on outdoor living rooms and showed slides of barbeque pits, clotheslines and various yards which were very pretty.

Mrs. Drysdale had charge of the recreation. Mrs. Caffee and Mrs. Hinton won the prizes and Mrs. Drysdale received the attendance prize.

Refreshments of punch, cookies and mints were served to Mmes. C. A. Caffee, Tate Jones, Howard Drysdale, Bernice Hinton, Ned Bradley, Sam Lade, Ruth Daniel, Maurice

Honor Mothers Sunday Morning

At least four churches in Floydada will observe Mother's day Sunday next.

The Methodist, the Baptist, the Nazarene and the Cumberland Presbyterian churches have announced plans for the observance in one service or another during the day.

Corsages for the Mothers

In the church services on Sunday morning, (Mothers Day) of the First Baptist church, corsages will be presented to the oldest mother present in Sunday school and to the youngest mother present at Sunday school and to the mother who has the largest number of children present at Sunday school.

All must be present for the Sunday school period and the recognition will be made at the beginning of the worship hour, so the radio congregation may hear the presentation.

Emphasis on Mother Theme

In the Sunday morning worship hour the service will place emphasis on the mother theme. The choir has a specially prepared anthem and the pastor will deliver a sermon that will bear out the spirit of mothers day with emphasis on family life, its relationships and responsibilities.

The church has a family week program under way which will culminate Sunday night in a radio broadcast over KFLD at 7:15, just preceding the evening worship hour. It deals with the ideals of the christian family. Sunday night's broadcast will feature a mother and grown son conversation as the young man prepares to face the complexities of modern business, social and political life. Last night a supper in the dining room at the church a program was had with a theme appropriate to the week.

Church of the Nazarene

The Sunday school of the Church of the Nazarene will present a special program next Sunday for Mother's day. There will be a one-act play entitled, "The Old Is Better", composed and directed by Mrs. C. C. Calhoun. Mrs. J. T. McLain, Mrs. R. T. Ferguson, and Mrs. Roy Edwards will assist in presenting the program for Sunday morning as well as Sunday night in the young people's program.

A carnation will be presented to the oldest mother present, the youngest mother present, and the mother present having the most children with her.

A cordial invitation is extended to all.

At the 11:00 o'clock hour, the pastor, Rev. C. C. Calhoun will bring a Mother's day message.

New Cumberland Pastor

Rev. A. C. Stone, new pastor of the Cumberland Presbyterian church arrived last Friday with his wife and children to make Floydada his home. He preached his first sermon last Sunday.

Monroe Nelson Seriously Hurt

Monroe Nelson, about 29, general laborer on the Floyd county court house construction job, has fracture or concussion of the skull and multiple internal injuries, result of a 30-foot fall when one end of a scaffold cable worked loose, hurting Nelson and a fellow-workman to the ground, yesterday morning about 10:30 o'clock.

The men hit soft ground but Nelson fell across a bucket and the heavy platform slammed across his body as it followed the workmen to the ground.

Jack McGillivray, here from Spokane, Washington, a bricklayer, Nelson's companion worker on the scaffold, has a fractured wrist. He was conscious following the accident. He was still under examination yesterday afternoon, his condition considered satisfactory. McGillivray said one end of the cable worked loose at the top while they were washing the outside wall of the court house. He said they were about 30 feet high. One end of the platform fell on top of Nelson, he said. McGillivray has been here about a month. His wife is the daughter of Mr. and Mrs. W. B. Hill of Silverton.

Nelson has a wife, Mary Ida, and three daughters, Bonnie Lou, 8, Louise, 5, and Patricia Ann, 4. They have made this their home for a number of years. Nelson is a son of H. H. Nelson, 608 West Virginia street. The injured Nelson had four blood transfusions yesterday.

CARD OF THANKS

To all those who were so thoughtful and considerate during our time of greatest need, we wish to express our sincere gratitude.

The family of O. R. Gollightly.

CARD OF THANKS

The beautiful flowers, cards, and visits, I received during my illness in the Pitts hospital and since my return home, were truly appreciated and your thoughtfulness of me will ever be a grateful memory.

Mrs. John R. Gray

Mr. and Mrs. W. E. Grimes and Misses Jean Porter, Janet Lloyd and Peggy Lanham and Dane Clark and Mr. and Mrs. Gene Alysworth were in Austin last week and attended the Texas Interscholastic League meet.

The church is planning extensive remodeling and addition to the building, the church to be extended to the west and north.

Rev. and Mrs. Stone have three children, Gene, age 12, Sarah, age 9 and Coy, age 7. A short service between Sunday school and church will commemorate Mothers Day Sunday.

200 at Harmony Mexican Supper See, Hear Good Show, Program

Last Friday evening the Harmony community Mexican supper was attended by some 200 persons from Floydada, Petersburg, Amarillo, Lubbock and surrounding communities.

Marion Tucker is president of the community club there and the funds raised from the supper are to be used to remodel the club house, which is the old Harmony school building.

Mrs. Everett Miller who was in charge of the program, made a good MC.

Mrs. Cholma Williams is president of the Harmony Home Demonstration club.

Glen Amburn and his band played during the arrival of the guests and during the supper. Members of his band are Clifford Warren and

Chuck Holmes, guitars, Charlie Warren, piano, Lloyd Queen, mandolin and Glen Amburn, fiddle and musical saw. All enjoyed the music. Glen rendered solos on his saw.

After the supper, Mrs. Miller introduced Carla Cobb of a Lubbock department store who presented a style show, having two models, who wore the new spring and summer styles.

Mrs. Miller asked for several of the outstanding citizens of the communities present, to come to the stage and be introduced. She gave each man a ladies hat to model and some very good models were found to be in the group.

All who attended the supper and entertainment were loud in their praise of the event and the fine evening of entertainment.

Mrs. Harrison

(Continued from first page)

tery under the direction of the Harmon Funeral home.

Pallbearers will be Wayne Batten, Orville Newberry, Floyd Wilks, Roy Smith, Roger Hartsell and Bud Sparks.

Lillian Smith Harrison was born August 1, 1890 in Hamilton County, Texas, the daughter of the late Mr. and Mrs. George D. Smith.

Mrs. Harrison was married to J. M. Harrison in Hamilton county on December 11, 1910, and moved to Floyd County in 1917. "Mr. and Mrs. Harrison lived in the Lakeview community until November 11, 1945, when they moved to their home on Missouri street.

Mrs. Harrison has been a member of the Church of Christ since early life. Survivors of Mrs. Harrison are her husband, one son, Milton Harrison, one daughter, Mrs. C. B. Hartsell and four grandchildren, all of Floydada. One son J. W. Harrison, a casualty of World War II, and one daughter, Mrs. Marie Woodward, preceded their mother in death.

Mrs. Harrison also leaves four sisters; Mesdames John Koen and Martin Stuffleman of Hamilton, W. W. West of Lubbock and Charlie Crawley of Ralls; four brothers; J. D. Smith, Lubbock, Jess Smith, Hamilton, Oscar, of Permela, and Charley Smith of Evant.

Foster Rites

(Continued from first page)

Floyd County in 1911. Mr. Foster preceded her in death in January, 1927. He was electrocuted when working north of Floydada.

Mrs. Foster is survived by two daughters, Mrs. Hollums and Mrs. Mae Hodgson, of Oklahoma City, and three sons, T. J. Foster of Lamessa, and Paul and Victor, both of Dallas; nine grandchildren and two brothers, S. A. Shawn and Leonard Shawn of Bridgeport. All the relatives were here for the funeral except Mrs. Hodgson, who was ill.

Lockney High 'North' Champs

The Lockney Longhorns are champions of the North half of District 3-A in interscholastic baseball and will be in the play-off with the south half winner for district championship.

The Longhorn team won the right to represent the north half Monday afternoon when they took the Abernathy Antelopes 5 to 3. Better hitting and base running spelled the difference between the two teams. The game was played on the grounds of the Floydada Roddeo association here.

With time running against them coaches of the three north half teams had to do something to get quick action. The one-game quickie was decided upon between two teams, the third to draw a bye and play the winner. Abernathy drew the bye. The Longhorns took the "Winds in their elimination game last week 3 to 2.

Ralls and Paducah Battle
Ralls Jackrabbits and Paducah Dragons are due to wind up a three-game play-off this week for the south half leadership. Paducah at Ralls Tuesday forfeited the first game in the sixth. Wednesday afternoon they were to play at Paducah. If Ralls won that game the Jackrabbits will be champs of the south half. If Paducah wins the teams are to play off the tie on the Floydada diamond Friday afternoon.

Softball Tickets

Only Thing Left Now at Old Price

Only thing left at the old price now is the cost of admission to the softball games. Still only 9 cents per person and the season opens Monday night of next week, May 14, said Gene Collins, general chairman of the softball association yesterday.

Opening game of league play will be Lunch Box vs. Builders Mart.

Plant of Ralls Banner Burned

Fire, believed to have originated in a stack of tires in the rear of the White Auto store in Ralls Friday night destroyed upward of \$90,000 worth of business property, including the auto store stock, buildings valued in excess of \$40,000, and the plant of the Ralls Banner, of an estimated value of \$25,000. Also lost in the fire were the records and furniture of the office of justice of the peace of Ralls precinct.

This week Ernest Joiner, publisher of the Ralls newspaper, declared that the people of his town and community had rallied around in a most gratifying manner, and machinery supply houses have indicated a willingness to help in the emergency. However, there are so many problems in connection with re-establishing the plant that it is being taken time to get it re-established.

Mrs. C. Snodgrass, who has been ill for several days, went to Amarillo Tuesday, where she will rest in the home of her daughter, Mrs. W. A. Savage.

The hour is 8:15 o'clock. Second game will be Tuesday night when REA takes on Rudys Service station, which will have a team, contrary to report last week. Thursday and Friday nights will be reserved for games with out-of-town competition, Collins said. He expects to have the first double round robin schedule ready to announce next week.

Builders Mart to Aiken

At least one of the Floydada league teams will play out of town Friday night. This is Builders Mart.

John Hutchinson, team manager, said yesterday the team had been invited to the celebration opening of the new softball field at Aiken. "We're a little organized right now but I think we'd whip together the team could and be there," Hutchinson said.

The Aiken softball team plan to make quite an event of the occasion, with opening ceremony and everything, said Hutchinson.

A SPECIAL OCCASION IS NEAR

Once more time brings another special occasion and day when one should turlly honor his mother. On Mother's Day a person should remember his mother in an extra-special way, considering that he remembers her in some small way everyday of the year. Of course, maybe everyone does not remember his mother every day in the year; however he should.

To make this an extra-special celebration, one does not have to go to a lot of expense; however it is nice to be able to do so. He can be kind and consider her feelings all the time, but this is a time when a greeting card would be very nice to express his love for his mother.

Mother's Day is every day of the year if one makes it so, and this is possible if one will consider her feelings and desires at all times. Why not make this Mother's Day a very extra-special one by giving her all the honor?

MOTHER

—Laelia Irwin

She is your mother
 Whether she is young or old, it doesn't matter;
 For there is no other
 Who can take the place of mother.

Whether she is your real mother,
 Step-mother, God-mother, or any other,
 She is still your mother.
 No one can replace her; there is no other.

She wouldn't bring you shame;
 She would rather bring you fame.
 No, there is no other
 Who can take the place of Mother.

She is sad when you're sad,
 When you are happy, she is glad;
 Yet, you know there is no other
 Who can take the place of Mother.

Someday she will be gone,
 You'll think the world has done

you wrong,
 Then you will know there is no other
 Who can take the place of Mother.

Please don't ruin her name;
 She never brought you shame,
 It's true that there is no other
 Who can take the place of Mother.

So on this Mother's Day
 Be sure to go all the way
 For no father, sister or brother
 Can ever take the place of Mother.

Fashions and Fads

In the halls of F. H. S. we find many attractively dressed boys. Dan Hagood always has on a new "T" shirt with socks to match.
 Hubert Ring wears brown very well with his light hair. Sometimes he wears levis and sometimes slacks.
 Jackie Hutchinson looks very nice in almost any color because his hair is black. Jackie always wears attractive sport shirts to school.
 Several of the boys, including Don McGuire, have pique sport shirts with huge polka dots on them. Other boys wear western style shirts, and Jimmy Powell has an attractive, brown, western shirt. Among the fellows who have attractive plaid sport shirts are Wayne Carpenter, Lyndel Spears, and Dale Roberts.
 It is the style among F. H. S. boys to wear very loud socks, and these are very much in evidence among both lower and upper-classmen.
 Although the boys won't admit that they are fashion-minded, many of them dress in accordance with the latest "fads and fashions."

NANCY NUTTS

Dear Nancy,
 Could you please give me an example of how heat expands and cold contracts.
 Inquiringly,
 Jimmy Powell

Dear Jimmy,
 In summer the days are long; in winter they are short.
 Weather conscious,
 Nancy

Dear Nancy,
 We have twins at our house.
 Braggingly,
 Dorothy Foster

Dear Dorothy,
 You had better keep quiet. The neighbors exaggerate everything.
 Gossip minded,
 Nancy

Dear Nancy,
 Just what don't you like about the dial phone?
 Provoked,
 Beverly Thomas

Dear Beverly,
 Suppose I get the wrong number, whom can I blame?
 Innocently,
 Nancy

Dear Nancy,
 My little sister has been walking for a year.
 Proudly,
 Myrna Wilson

Dear Myrna,
 It's amazing! Can't you make her sit down?
 Wearily,
 Nancy

Dear Nancy,
 So you imagine you know as much as Mr. Foster, do you?
 Disgusted,
 Walter Anderson

Dear Walter,
 Well, he himself has said it is quite impossible to teach me anything.
 Brightly,
 Nancy

Dear Nancy,
 You shouldn't sleep so late, because it's the early bird that catches the worm.
 Early riser,
 Dale Roberts

Dear Dale,
 Oh, let him have 'em. I'm not hungry.
 Nancy

Dear Nancy,
 Did you know that in Hawaii they have the same weather the year around?
 Yours,
 Pat Fralin

Dear Pat,
 My, how do their conversations start?
 Graciously,
 Nancy

Dear Nancy,
 I thought you said this was a double bed.
 Angrily,
 Karen Buchanan

Dear Karen,
 Well, you have to double up to get in, don't you?
 Cutely,
 Nancy

March Winds
 What's as awful as a March wind?
 Really, I do not know—
 When they get started, they never end.
 They just blow, and blow, and blow.

Lessons
 Getting lessons isn't so bad,
 Although it's work I must say.
 If I ever do find the time,
 Perhaps I'll get mine, someday.

House Cleaning
 Today I'll clean and wax my floors,
 Wash, iron, and dust,
 I'll scrub the wood-work and the doors,
 And do the other things I must.
 La Faun Hanna

Desks
 The desk is scratched and scarred;
 With a million zig zag lines,
 And the surface is badly mared;
 But they are just the student's signs.

Tests
 I've studied hard as you can see,
 Till I don't know where I am.
 What fun six weeks' test would be,
 If only I didn't have to cram!

It's the only new-type engine in any "new car"!

Chrysler FirePower

Finest engine ever put in an automobile

With so many engines claiming newness . . . how can we call FirePower the only new type engine today? The answer's very simple, and one you ought to know before you invest in a car. The fact is that engine "improvements" happen every year . . . but a basically new motor car engine is a very rare thing. And FirePower is the most basic new development since Chrysler introduced high-compression in 1924!

To get to the heart of the matter, just go to the heart of the engine . . . the combustion chamber where the spark fires gas into power. Here Chrysler brings you something no car has had till now . . . a Hemispherical combustion chamber . . . the only perfect and ideal combustion chamber in any passenger car. Here the same amount of gasoline delivers you

far more energy than it could in any other car. What this means to the man at FirePower's wheel is impossible to tell you till you take that wheel yourself. FirePower's 180 horsepower can outperform any other engine on the road, even on regular grade gas.

Remember, too, that Chrysler now offers the wondrous road-ease of new Oriflow shock absorbers with twice the shock-absorbing power of any others . . . and the exclusive safety and delight of Hydraguide power steering* which takes four-fifths of the work out of steering! You can learn for yourself how Chrysler has changed your motoring life by seeing your Chrysler dealer now!

*HYDRAGUIDE regular on Crown Imperial, optional at extra cost on all New Yorker and Imperial models.

180 HORSEPOWER

The new Chrysler Hemispherical Combustion Chamber, heart of the finest car engine built today. In this dome-topped area, you see the only ideal combustion chamber . . . the only way to develop full combustion, full compression, full work and value from every drop of fuel!

ember 13, 1933, on a very bright night at Plainview, Texas, a girl blessed the home of a young couple. That baby girl, a sophisticated senior with naturally curly, blond hair, weighs 98 pounds, is 5 feet 1 inch tall. She is friendly, likeable, and a dependable worker. She is a reporter on "The Hesperian," the treasurer of the school, and co-editor of the school paper. This lively, little senior, Peggy Don Lanham, likes people in general, all kinds of music, dancing (especially dancing), spring, all sports, silverware pattern, "Footprints on the Sea." The next day her party rates as her favorite.

comes to eating, Peg likes pineapple salad, and ice cream. "Leave Her to Heaven," rates as her favorite movie and "No Other Boy" her favorite song. Billy tops the list of singers for her favorite lipstick is Cinderella by Revelon. June Greer Garson, and Allan Brown are her favorite movie stars. She likes to listen to "The Ivy" over the radio. Her favorite pastimes are to the radio and being with her friends.

ideal boy is five feet nine, brown hair, green eyes, and is very popular with everybody.

ambitions are to learn to play the piano and to graduate from college.

is the best book that she has ever read, and her favorite is "The Hobbit" by J. R. R. Tolkien.

most embarrassing moment of her first day of school during her freshman year. She wanted to borrow a book and thought the bookroom was where the bookroom is. She went out into the hall, where she saw a man standing. When she saw her in the hall, he noticed her where she was supposed to be. She told him she was the library to pay her fee. He laughed and showed her how to find the library. She says she is about two inches high.

most exciting moment was when she asked her to be the queen of the annual prom.

plans for the future are just to get her high school diploma, then to go to Texas State College for her degree. Then she would like to go to Europe and see lots of pretty things.

most exciting trip was going to Austin and back because of all the exciting things she did there, seeing the capitol, going to the university, seeing the state fishing, camping out, and seeing lots of beautiful country. She says she is really a deserving senior. H. S. wishes you the best of everything.

It surely seemed quite last Friday. If anyone didn't know why, the seniors were gone.

New romance!—Karen Buchanan and Dale Roberts!

Seniors, just fifteen more days till graduation!

A new fad in school—nearly. Some senior girls were going to go barefoot but something must have happened; I didn't see any without shoes as usual.

Sympathies to Dan Hagood! Hope he gets well soon.

A certain senior girl thinks Troy McNeil is about the nicest boy in school.

I seem to see more people looking out the window at the spring weather than at their books. Oh, well, it's nearly over.

Grain Sorghum CCC Loan Rate Raised 29 Cents

The Korean war has caused a shortage of grain sorghums. Twelve months ago the government had more grain sorghums than they ever thought would be needed for feed, domestic consumption and export, but only a few months later the situation has changed. Most countries are wanting grain sorghums for food than we can supply. The foreign market alone is wanting more grain sorghums now than we will raise under normal conditions.

To offset this and get a larger acreage planted in 1951 the Commodity Credit Corporation has raised the loan value from 65¢ to 75¢ of parity, which will mean that Floyd county farmers will receive 29¢ more per cwt. than last year for his grain sorghums under C. C. C. loan. The loan value will be \$2.09 per cwt. compared with \$1.80 for 1950.

The government is not asking that you plant all your land to grain sorghums, neither are they asking that you let grain sorghums take the place of cotton or wheat but if you are in doubt or going to summer fallow all of your ground, it might be good to consider grain sorghum on a part of it, suggested Thomas J. Hutchings secretary of the Floyd County P. M. A.

MRS. EMERT CELEBRATES BIRTHDAY IN HOSPITAL

Mrs. N. C. Emert, long-time resident of Dougherty, celebrated her 78th birthday in the Abell clinic, at Lubbock, on May 3. They had a cake with 78 candles at a family style table at noon and all sang happy birthday.

Mrs. Emert received several nice gifts and cards. She has been suffering with rheumatism for several weeks.

Mr. and Mrs. E. V. Emert and sons, of Lubbock, were guests in the home of Mr. and Mrs. Tom Noble Emert of Dougherty, May 1. They were visiting in Dougherty and Lakewood communities May 5, May 6, and May 7.

Mrs. A. T. Emert and Mrs. D. N. Emert returned home Saturday from Possum Kingdom, where they have been vacationing since last Sunday. They brought back several pounds of fish.

Everything's O.K.!
It's a BOY!

What price good news? So often it's the price of a telephone call . . . and that means just a few pennies to spread the glad tidings. Worth more? Of course. Many telephone calls are practically priceless in their value to you. And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2½¢. Can you think of a better bargain?

A GROWING BARGAIN!

Telephone service has gone up far less than most things you buy—far less than the average family income.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

God made a wonderful Mother
A mother who never grows old.
He made her smile of the sunshine,
He moulded her heart of pure gold;
He made her as nearly an angel
As anyone ever could be.
God made a wonderful Mother
And he gave that dear Mother to me.

The month of May is a lovely time of the year to set aside a day for Mothers. Green lace leaves, bright flowers, mockingbirds songs, yellow honeysuckles wave to red roses, white and blue lilies bloom by door-yards and march along rippling streams, the water to mirror their beauty.

Today I wear a red rose. Mother is still the center of our family of eight. I print a poem, the old, is still sweet and true. I recall the love mother has given me, her never-failing loyalty and pride in us; she taught us the right path to God. We must not, shall not, fall her faith and joy in us. Oh, how many of us these days of suspense and confusion, would not like to turn back.

Backward, oh backward, oh time in your flight
Make me a little child just for to-night
Kiss from my forehead the furrows of care
Smooth the few silver threads out of my hair,
Rock me to sleep, mother, rock me to sleep,
Over my heart in the days that have flown

No love like mother love ever has shown
No other abides and endures
Faithful, unselfish and patient like yours
None like a mother can charm away pain

From the sick soul and the world weary brain,
Slumbers soft calm o'er my heavy lids creep
Rock me to sleep, mother rock me to sleep,
And now I thank you, mother, for your life as fair as snow;

For care unfailing as the earth, or sun, or stars of night;
I thank you for a love as sure as circling winds or sky,
And, last of all, for going on—a clear, living light.

My neighbor, Mrs. Byars, and I have May birthdays. Mine was the fourth and hers the fifth. So many nice things came our way. Mrs. Winnie Angus had a song played for me over the radio. Mrs. Edie and Marjorie gave me some lovely table mats. Wilma knew I always like hose, Wilda brought me some beautiful cakes of soap. Wilson gave me candy. Mrs. Byars gave me a purple hanky, mother a handsome candy bowl. Mrs. Snell, Winnie Angus, sister Lois and Jo with others sent sweet cards, and Zma Payne called on the telephone.

Greet each birthday as a blessing
Let it not your pleasures mar,
Smile and keep the whole world guessing
Just how old you really are.

Fire is the test of gold; adversity of strong men.
The fire that destroyed the Rails Banner office and the Auto store at Rails the other night was terrible. But Ernest Jones, publisher of the Banner is gritting his teeth, and plans for a bigger and better paper are in the making. But there are so many things that can not be replaced in a News office as well as a home, pictures and papers, and you as well as I know these things. We know Ernest will not be defeated, but go on stronger and better equipped with things that make a man. In spite of the disaster which was enough to make one say, "quits."

Group Organizes New Baptist Church

On Sunday, May 6, a group of Christians met in the Surginer building and organized a Sunday school with 32 present.

Plans were made to organize a church to be known as The Independent Missionary Bible Baptist church.

On Sunday evening the group met in the Hubert Davis home for services.

The group will meet next Sunday in the American Legion hall at 10 a. m. and the evening services will begin at 7:45 p. m. Everyone is invited to come and worship.

This will be an old time Baptist church and we expect old time Baptist power, said an announcement from the new organization this week.

Tea and Style Show Fete Women Who Have Led in Club Work

At the twenty-fifth anniversary tea and style show held Saturday afternoon honoring women who have been in home demonstration club work for 25 years or more, there were present eight past-presidents of the Floyd county council and 33 women who have been in home demonstration club activities for that length of time or more.

The past presidents present were Mesdames W. H. Bethel - 1928; C. A. Caffee, 1932; M. D. Ramsey, 1933; S. J. Latta, 1940; George Stiles 1943-44; Raymond Teeple, 1945-46; Carrick Snodgrass, 1946-48, C. L. King 1949-50. The present president of the council is Mrs. Ruth Daniel.

The county has had seven county home demonstration agents during the 25 years, who were Misses Mabel Faulkner, Blanche Bass, Marie Stange, Martha Faulkner, Ruth Grimes, Edith Lois Wilson. The present agent is Miss Leila Petty.

The 120 guests were asked to register in the hall and then were asked to the home economics room where they were served punch and cookies from a table, lace covered, with a large iris arrangement and tall lighted white candles on one

end of the table. Mrs. Ruth Daniel and Mrs. John Smitherman presided at the table. Mrs. M. D. Ramsey and Mrs. G. R. May rendered piano numbers during the afternoon and Mrs. S. J. Latta read the history of the extension work. Mrs. Everett Miller led group singing.

The style show modeled dresses and suits made by the women who had entered them in the R. E. A. dress contest. Many beautiful dresses and suits were modeled. Miss Petty was narrator for the style show.

South Plains Club Women Entertained By Fairview Club

The Fairview Home Demonstration club was hostess to the South Plains Home Demonstration club the afternoon of May 2, in the home of Mrs. Jim Stewart.

The guests were met at the door by Mrs. E. W. Walls, Mrs. T. L. Perry and Mrs. C. W. Payne. They were registered by Mrs. T. C. Goodman and shown into the dining room by Mrs. Galen Holland, where they were served delicious punch, cookies, Ritz and olives by Mrs. Walton

Wilson and Mrs. Clifford Helma. The lace covered table and the entertaining rooms were decorated throughout with lovely spring flowers.

Mrs. Joe Wilson directed the games that provided much entertainment during the afternoon.

The best was saved until last when Mrs. Robert H. Gibson of Floydada reviewed the book, "The White Sail" in a capable and charming manner. Everyone enjoyed the review.

Guests present from South Plains were Mmes. Sim Reeves, Harry Hartman, Otho Sanders, J. K. West, George Beedy, Jno. Smitherman, Menard Field, Grigsby Milton, Jr., Jno.
