

Mountain Trip Awarded Floyd Co. Club Boy

Troy Lee McNeill, high school student, who has been outstanding in 4-H club activities of the county, will be one of 16 boys and girls from an area of 56 counties in northwest Texas who will have a wonderful trip into the mountain states in August.

Announcement of the choice of the 16 4-H clubbers and some of the details of the trip were made this week by the committee of the Extension Service and the Producers Grain Corporation talent club of Amarillo.

The group will be guests of the Producers Grain Corporation on the tour, which will be supervised by the Extension Service.

The Extension Service and the Producers Grain Corporation, of Amarillo, Texas, are continuing a co-operative plan to recognize outstanding 4-H club boys and girls, in the area served by the corporation. This area includes 56 grain producing Texas counties and is divided into eight districts by the Producers Grain Corporation. The plan provides for one 4-H club boy and one 4-H club girl from each of the eight districts to be chosen for this recognition.

The tour will start at Amarillo and extend north and west, thru Denver, Colorado, Yellowstone National Park, Salt Lake City, Utah and Logan Utah. Two full days will be spent on the campus of the University of Utah, attending the American Institute of cooperatives. Enroute to and from Logan, the group will visit points of interest in Texas and Colorado, the parks in Denver, the campus of the Colorado A. & M. College, ranches in Colorado, the national park and several of the irrigated valleys of Colorado and Utah.

The trip will be made by chartered bus and the return trip will be by a different route. Recreation for the group, while enroute and during the evenings will be planned.

District five includes Floyd, Hale, Lubbock counties and Troy Lee McNeill of Floydada has been awarded

one of the places, having one first place for this district. Going from this district, will also be Yolanda Ellis of Hale county.

News of Harmony

(By Mrs. Roy Hollums)
HARMONY, May 22.—At last we received that long looked for rain. The measurements around over the community all run from a fraction under five inches to a fraction under six inches. Every one agrees, tho, that it is enough for the time being. Most of the cotton acreage will have to be replanted. Even tho the loss of good seed and expense of planting the rain will more than make up for this loss in the good it will do the wheat and grazing land and leaving a good ground season for the summer crops.

Miss LaJuana Sue Williams has been sick in bed with a cold for several days. She was reported better Sunday.

Mr. and Mrs. Fess Whitfill and daughter and Mr. and Mrs. W. B. Hollums and daughter, Katie, visited in the Hollums home a while Sunday afternoon.

Mr. and Mrs. Donald Finkner attended the graduation exercises at W.T.S.T.C. at Canyon Friday. Don's sister, Mrs. Mary Edna (Finkner) Horrell was a member of this class and received her degree. Mr. and Mrs. Don Finkner also visited over the week-end in Amarillo.

Mr. and Mrs. J. M. Smith left for Dallas Sunday where they will stay for a few days while Mrs. Smith goes through the clinic and perhaps stays for an operation.

Our community has another new citizen. This time its little David Carlton Hale, son of Mr. and Mrs. Roy Hale. He arrived early Saturday morning at the Lubbock Memorial hospital. He and his mother are doing fine and are expected home Wednesday. Mr. and Mrs. Will Snell of Floydada are staying at the Roy Hale home with the other boys until their parents are back at home with the new brother.

Mr. and Mrs. Walter Welch visited with Mr. and Mrs. Roy Hollums a while Tuesday night.

Miss Marlene Hollums was home over the week-end. She is employed in the bookkeeping office of the Lubbock Memorial hospital.

Word arrived last week that Rev. and Mrs. Clifford Trotter now living at Hawley, Texas, are the proud parents of a new son. His name is Jonathan Edward, and he arrived on April 14, 1951. Rev. Trotter was a former pastor of the Carr's Chapel and Cone church.

Center News

(By Mrs. J. E. Green)
CENTER, May 22.—What a wonderful rain we had last week! The farmers are smiling while they wait for the ground to get dry enough to plant. Grass and wheat and trees are smiling too, with a fresh new green.

Our attendance rose to near 40 Sunday morning. Several of our people were absent, some on account of sickness, but we had some visitors. We had such a good sermon and Sunday school lesson, too! We were glad to have in services Sunday Mrs. Hodge's mother, Mrs. Edna McEver of Plainview, and her brother, and family, Mr. and Mrs. Earl McEver and son, Mike of Temple. The Hodge's and McEver family returned to have Sunday dinner with Mother McEver.

We were glad to have Mrs. Tom Nolan and Inogene at church Sunday. Also the Clarence Ashton family, who have been at home so long with mumps.

The Hartline family were back in church Sunday after a siege with mumps.

The children of Mr. and Mrs. Marvin Jackson were called in over the week-end because of the critical condition of their father, who has been ill in the Peoples hospital for months.

Mr. and Mrs. Craig of Cerad called in the H. B. Mankins home last Friday afternoon. They were on their way to Abilene to attend commencement exercises at Hardin-Simmons university, where Mrs. Winters is to receive her degree.

Years ago Mrs. Winters taught three years at Center.

Mr. and Mrs. W. B. Sandifur and son of Lockney visited Sunday afternoon in the home of his sister with Mr. and Mrs. Walter Sims.

Mrs. Welborn visited Mrs. Dunn Monday.

Mrs. Charles Horton and sons visited Monday afternoon with her parents, Mr. and Mrs. Sims.

Mrs. Carl Boewer in the brick house is visiting this week with her parents at South Plains.

Clyde and Don Clark were supper guests Friday evening of Mr. and Mrs. Victor Green of Plainview. Clyde and Don Clark returned that night accompanied by Margaret Green of Wayland to be with home folks over the week-end.

Clyde went with Don Clark to Wellington Sunday to stay until Tuesday.

W. A. Latta of Mt. Blanco was a dinner guest Sunday in the J. E. Green home.

Mr. and Mrs. Cecil Hutchinson and daughter, Mary Kay of Delavan, Kansas, came last Thursday for a visit with the Frank Dunks. Mrs. Hutchinson and Mrs. Dunn are cousins. They had not met since 1926. On Friday the Hutchinsons and Dunks spent a pleasant day with Mr. and Mrs. Floyd Montgomery at Bovina. The visiting relatives left for home Saturday.

Mrs. Welborn Miller is staying in with a sore throat. The Earl Huckabys are sick with colds.

Mrs. Earl Huckaby was among the relatives of a sister, Mrs. F. C. Dickson of Midland, who were with Mrs. Dickson during a major operation, performed Monday of last week. Mrs. Dickson seems to be recovering satisfactorily. Mrs. Huckaby returned home Wednesday.

Mrs. J. R. Robertson and son, Melvin, attended commencement exercises at W.T.S.C. Canyon, Monday. The excellent address was delivered by Dr. Umphrey Lee, president of S.M.U.

Peggy Jones of South Plains spent Monday night with Patsy Robertson.

The Home Demonstration club is to meet with Mrs. W. B. Jordan, South Main, Floydada next Friday afternoon.

Friday night is high school graduation. We don't have a graduate living at Center this year, but to one who was born here and lived here until recent years, we offer congratulations, to Nita Anderson, and all other seniors, for their attainments.

The Lord Expects Boy Scout Troop 57 Is Organized

Leadership is one of the things demanded of man by the Lord, Rev. Melvin Rathel, pastor of the First Baptist church of Spur, told members of the Baptist brotherhood in Floydada at their monthly meeting Monday night. "When He had created the earth and the fullness thereof He created man and charged him with the responsibility of dominion over these things. Thus He made it man's job to take leadership, to initiate," said Rev. Rathel. The speaker applied his subject to the activities of the churchman in his community and church.

Rev. Rathel, reared at McAdoo, the son of Mr. and Mrs. Clarence Rathel, has been pastor of the church at Spur for the past two and a half years.

Melvin Edwards, minister of music and education at the Spur church, also appeared on the program in solos, and a quartet of young men from Wayland college sang. Rev. Edwards led the group singing.

Eighty-six men were present for the program and enjoyed a fried chicken supper which preceded it. Judge Allan B. Chapman was program chairman for the evening. Leonard Mastler and Clarence A. Guffee supervised the preparation of the supper.

SGT. KENNETH ROGERS AND WIFE HAVE A NEW DAUGHTER
Sgt. Kenneth Rogers of the Air force, stationed at Alexandria, Louisiana, called his sister, Opal, to tell her that he and Mrs. Rogers are the parents of a daughter, born on May 15, in Lake Hughes, California, where Mrs. Rogers is with her parents.

The baby has been named Susan Lynn.

Sgt. and Mrs. Rogers plan a visit here with relatives in the near future.

ATTEND REGIONAL MEETING

Mrs. Dona Covington, Melvin Henry and Clarence E. Guffee left Tuesday morning for Albuquerque, New Mexico, to attend a bookkeeper, manager and materials clerk, meeting of Region 10 of the Rural Electrification administration. They will return home on Saturday.

Melvin Henry is acting manager of the REA here, Mrs. Covington is the bookkeeper, while Clarence E. Guffee is the materials clerk.

INITIATED INTO ETA IOTA

Eight new members were initiated into Eta Iota cast of Alpha Psi Omega at a formal meeting held last Saturday night at the West Texas State college in Canyon. Among the new members of the cast is Ted Lanham, a Floydada junior at the college.

Ted is the son of Mr. and Mrs. Lenton Lanham of 115 West Houston street, Floydada.

Mr. and Mrs. Roy Hale of the Harmony community have a new son, David Carleton, born May 19 in Lubbock Memorial hospital. David weighed 8 pounds and 7 ounces.

Mr. and Mrs. L. H. Smith, jr. and baby of Fort Worth, spent the past weekend with their parents Mr. and Mrs. Harry Stanley and Mr. and Mrs. L. H. Smith, sr.

Next time we meet at the school house let us each take along some nickles or dollars, as the case may be, to have the roof repaired. Turn over to Mr. Ross president. During the recent rains, it leaked beyond our expectations.

W.M.S. met with Mrs. Hartline Monday. We hoped all the women can be with us when we meet two weeks hence. The R. A.'s attendance reached nine the last meeting. Come to church Sunday and Sunday night.

HEADS SCHOOL FRATERNITY

Joe Walker, junior at West Texas State college in Canyon, was elected president of the Alpha Sigma Xi fraternity on Tuesday night of last week to serve for the fall semester. Joe is the son of Mr. and Mrs. J. W. Walker of Floydada.

Mr. and Mrs. J. B. Jenkins and Mr. and Mrs. George Van Wickel and daughter, Francis, have returned home from a trip to Washington, D. C. where they visited their son and brother, Colonel Dan Jenkins and family and in New York City and Brooklyn, where they visited the family of Mr. Van Wickel.

Harold Thomas, of Brownwood, is here spending a week of his vacation with his parents, Mr. and Mrs. L. B. Thomas at 429 West Mississippi street.

A Farm Man Thinks

So I live in the past as I look thru the newspapers and letters and diaries written by ones long gone away. Not wanting to go back, as I love living the present day, but to put down on white paper in black ink and have two covers on the back to hold it in fast and keep it for all the generations ahead, so that they may be helped, and amused and educated about the early pioneers life as he lived it, as, and wrote it down, or told it, to some one who remembered.

It was a long way from visiting a home in a dugout which I was recording, to visiting the modern homes in Floydada last week which the Study club so kindly sponsored. Each home had something about it that made it of special beauty, usefulness and interest. Space does not permit me to write down in this column all the beautiful homes we visited. But we wish each owner all the joy and all the praise that each so richly deserve, and we long to see them go down in the history of Floyd county so that some forty or fifty years from now, folks will know that homes were well built and furnished beautifully, hospitable and gracious and kind in 1951.

Well, see you Monday at the Reunion in Floydada. Goodby now.

Council Makes Plans To Have Booth Monday

The Floyd County Council met on Saturday at 2 p. m. in the County court room. In the business meeting with Mrs. Ruth Daniel, president, presiding, the resignation of Mrs. Ben Quebe, secretary, was accepted and Mrs. W. R. Daniel, of the Homebuilders club was elected to fill the unexpired term.

Mrs. S. J. Latta was appointed as general chairman of the county-wide Home Demonstration booth for Old Settlers day, May 28.

The council voted that all properties of the council should remain in the agents office and be used for council and club activities.

Mrs. John Hoffman, civil defense chairman, listed a number of things that clubs can do now, preparatory to the national civil defense set up.

Plans for a district wide women's encampment were discussed.

Mrs. Howard Drysdale reported on progress made for a county library.

Following adjournment, the ladies went to the high school to the 4-H club dress review.

Those attending, Mrs. Ruth Daniel, Dougherty, Mrs. S. J. Latta, Sunnyside, Mrs. W. B. Jordan, Center, Mrs. C. A. Caffee and Mrs. Howard Drysdale, Dougherty, Mrs. W. E. Grimes and Mrs. J. H. Buchanan, Friendship, Mrs. T. L. Perry, Fairview, Mrs. John Hoffman, Harmony, Mrs. W. R. Daniel, Mrs. D. T. Mayo, Homebuilders, Mrs. R. L. Nichols and Mrs. Roy Pawler, Lakeview, Mrs. C. L. King, Lone Star; Mrs. Sam Jones, Providence, Mrs. Tom Porter, and Mrs. W. F. Ferguson, Starkey; Mrs. C. B. Carmack and Mrs. T. C. Hollums, Sandhill; and Mrs. Will Snell, Sunnyside and one visitor, Mrs. George East, of Bonham.

Olney People Will Re-Build

Mr. and Mrs. J. G. Wood returned home Tuesday from a visit to Olney to check up on the welfare of their relatives and friends at their former home.

They say no words can describe the scene following the tornado that hit Olney last week. The city is patrolled and well guarded. The Red Cross and other agencies had set up relief and emergency stations. Hundreds of cars with sight seekers were in Olney on last Sunday.

They found their relatives were alright, with the exception that a brother of Mrs. Wood, T. S. Guimarin, who has the Oldsmobile agency there, had one building with slight damage, while another of his buildings was demolished.

Mr. Wood's sister, Mrs. D. D. Wood's home was safe. However, across the street and in the same block, houses were demolished. There were 135 houses totally demolished in the storm.

T. P. Collins reported the Arthur Stewarts are safe. The back of the building where Stewart houses his machinery and implements was demolished.

Mrs. D. W. Pyffe's sister, Mrs. Travis Edwards, (nee Gladys Covington) home was partially destroyed. The Edwards live in the west edge of town, which was the hardest hit.

A. S. Cummings reported he had not heard from his son's family. A. D. Cummings was in New York on business at the time of the storm, but by not hearing from them, he thought they were alright.

Mrs. Wood said a tent city had been set up on the school campus and the Olney people were getting ready to rebuild.

Legion Salute Early Monday For War Dead

At 6:30 A. M. on Memorial day, May 30, the American Legion will have charge of the Memorial service to be held at the Floydada Cemetery. Between 60 and 65 graves will be marked with a flag and a bouquet of red roses placed by members of the Legion auxiliary.

L. D. Britton, Post Commander and J. C. Wester, have charge of the program for the services and have asked R. Earl Allen, pastor of the First Baptist church to deliver the address.

Walter Collins has charge of the flags for the graves and Jim Word will have charge of the Military Salute. Boy scout buglers will blow taps.

If anyone has red roses or flowers they would like to donate for the decoration of the graves, they are asked to call Mrs. Dona Covington, Mrs. Harry Morekel or Mrs. Harry Stanley.

At the conclusion of the Legion Memorial service, scout Troop 64 will place a wreath on the grave of youthful H. A. Copeland, Jr. who was a member of the troop before his death.

Marvin Standefer and Jimmie Bridges, assistant scout master will have charge of this ceremony. Jimmy Collins, Jackie Henry, Doyle Grundy and Bill Baker of troop 64 will assist.

The Legion Memorial service will start at the grave of Bailey Barbee, who is the last veteran to have been buried at the cemetery, on December 6, 1950.

Hinsons Find Home Floating in Water After Brief Absence

Mr. and Mrs. E. E. Henson left on Saturday morning to go to Denton to attend the organ recital of their daughter Beth, who is a graduate in organ at the Texas State College for Women. They returned home Sunday night.

Entering their home, about midnight, they encountered a very wet, homecoming and it was not rain.

The water heater had burst. The house and all the rugs was floating in water. Mrs. Henson was just about sick. They spent the rest of the night in mopping water and moving furniture and taking up rugs. Their son, Herschel, came over from Lubbock and helped pump the water from the house and from under the house.

The Hinsons say that is one experience they do not want to go through again.

Missionary Baptist Group Meeting at Am'can Legion Hall

The Independent Missionary Bible Baptist—group, not yet organized as a church, are meeting for the time being in the American Legion hall, for services each Sunday morning and Sunday night, until a building of their own can be secured.

Next Sunday, May 27, the church will have the Sunday school divided in classes for the different ages.

Come and study the Bible with us. We will teach God's word as it is to men as they are. It is messaged to the community by the congregation.

Sunday school at 10 A. M. and preaching at 11 a. m.

The subject for Sunday morning is "Christ, the Center of Attraction, the world over." The subject for the Sunday night service is "The Great Redeemer."

Reverend D. J. Kinard, better known to many as Jack of Darden's Welding shop, will speak on these subjects.

Browns Miss Son's Wedding; High Waters Intervene

Mr. and Mrs. R. Fred Brown are home from a trip to Chicago. They had planned to be in Chicago for the wedding of their son, Charles N. Brown and Miss Jean Simmons on Friday, May 18, but were delayed enroute by heavy rains. They were on the train 3 days. They left Amarillo Wednesday and arrived in Chicago Saturday, the day after the wedding.

Charles N. Brown and Miss Jean Simmons were married in a simple ceremony in the chapel of the University of Chicago. Mrs. Brown is a native of Chicago. She holds a masters degree from the University of Chicago, where she is assistant editor of the American Journal of Geology, published by the University.

Mr. Brown will receive his masters degree in geology in June and Mrs. Brown will continue as assistant editor of the magazine.

Mr. and Mrs. Brown hope to visit in Floydada in the late summer.

Cold Nights, Small Crowds at Softball League Contests

Floydada Softball association's teams are still be-deviled this week with cold weather and resulting small crowds.

Monday night in a scheduled league game, Lunch Box outbatted the REA for a high score win of 14 to 13, and Tuesday night, Builders Mart dropped their game to Rudy's Service, to place them at the bottom of the league standing, in another semi-high score game, 11 to 5.

These teams improve as the season progresses and as the weather gets warmer, and in all likelihood will be playing real ball in the next few weeks.

Games for next week in league play are: Monday night Lunch Box vs. Rudy's Service, and Tuesday night, Builders Mart and REA. However since Old Settlers day is on the 28th, Monday, that game will probably be played on the next Wednesday.

Tonight, REA plays a Plainview team on the association park here in Floydada and Rudy's has the field Friday night. As yet they have no game scheduled, possibly due to graduation that night.

Discharge Army Enlisted Personnel For Work on Farm

A procedure has been worked out by the Army whereby enlisted personnel may request discharge through established military channels. The request will be made directly to the man's commanding officer who in turn will process it through the adjutant general of the Army. The request will be routed through the Department of Agriculture and the State Mobilization committee to the County Mobilization committee for a recommendation. For further information contact Floyd county P. M. A.

Mrs. M. L. O'Bannon spent the past week in Plainview visiting her daughter, Mrs. H. D. Payne and family.

ENMU Dean to Address Class

LOCKNEY—Thursday night, May 24 Dr. Martin L. Cole, academic dean of Eastern New Mexico University at Portales will be the principal speaker at the high school commencement exercises. This ceremony will be held at the city auditorium starting at 8:30.

Wanda Kellison will give the salutatory address and Stanley Cooper will give the valedictory address. Principal F. M. Smith will present the awards and Supt. Sidney Reeves will present the diplomas.

Following is a tentative list of the graduating class:

Felicia Applewhite, Fredda Bybee, Jontha Lee Casey, Betty Clark, Shirley Cooper, Patsy Fortenberry, Jeannine Foster, Roylene Hall, Shirley Holt, Mary Jones, Wanda Kellison, Barbara Mullins, Murline Nance, Jeanette Pickens, Mary Rigdon, Mary Sammann, Nelda Schaffner, Velma Seale, Laverne Seigler, Jean Willis, Cleve Crouch, Lupe Gonzales, Cecil Boedeker, Gene Collins, Stanley Conner, Joe Cunyus, Pat Frizzell, Edgar Hartley, Malcolm Howard, Joe Huffman, Lloyd Leach, Bobby McLeod, Ronald Reid, Rex Rodgers, Billy Sloan, Sid Thomas, Lewis Gayne Carley.

Ross is Delegate

President-elect S. W. Ross, of Floydada Rotary Club, is leaving Thursday afternoon for Atlantic City, in company with Mrs. Ross, where he will be the club's delegate to the convention of Rotary International May 27 to 31.

Ross will succeed Hollis R. Bond as president of the local club July 1.

Mrs. J. M. Sims of Houston is spending the week with her mother, Mrs. Pearl Fagan and other relatives.

Floydada Fish Day is May 30

Fishing day for Floydada folks has been proclaimed for Wednesday May 30, by Mayor J. A. Patterson on petition of numerous citizens, and Wayne Robison, chairman of the Jaycee recreation committee this week announced plans for a big cavalcade of people of the community to depart at 8:30 o'clock for Buffalo lake, Umbarger, to make a big day of it.

Chief of Police Bob Smith will lead the cavalcade from the court house square, Robison said, in accordance with the plea of the petitioners, who asked that "the convoy be escorted out of town by the chief of police and that he stay with us all day to keep us out of trouble."

The fishing party, leaving at 8:30 o'clock will give ample time for all to attend the Memorial day services at Floydada cemetery earlier in the morning, Robison pointed out.

Sandwiches and salads and other picnic delicacies are to be prepared and carried along by the families who join the fishing party and be served picnic style at lunch time. Bottle drinks will be served at the Jaycee concession stand at the lake, which is south of Umbarger.

Plans are being made for a big softball game in the afternoon for those who tire of fishing. The bloomer girls will play the pot bellies. The latter will be additionally handicapped by being required to run bases in galoshes and to bat, left-handed with broom handles. James H. Word has charge of the plans for the big game.

Chief of Police Bob Smith said the picnicers will begin to round up for the journey back home at 4:30 o'clock in the afternoon. He calls attention to the fact that while bait will be available at the lake there will be no fishing equipment available and every fisherman should make his own provision for tackle before leaving from home. The convoy will journey by way of Plainview and Canyon, thence west to Umbarger and the lake south of that point.

Everybody in Floydada and Floyd county will be welcome to participate in the fun. Robison hopes everybody will have such a good time that they will want to make fish day an annual affair.

Fishing day petitioners, asking the mayor to proclaim the day officially were Wayne Robison, Ed Holmes, Kenneth Tate, W. O. Newberry, Guy W. Ginn, Perry M. Smith, Rex R. Brown, A. H. Rainer, W. E. Garrett, G. E. Mayo, Parnell and Francis Powell, Floyd Boren, Corky Guffee, Billy Henry, LeRoy Burns, Ed Wester, C. H. Wise, Glen Amburn, Oatis R. Mcintosh, Gene T. Arwine, Gene Aylesworth, James H. Word, Eva Duncan, Mr. and Mrs. Cleo Stephens, Mr. and Mrs. Roe Jones, Dr. C. M. Thacker, Chas. E. Hernton, Hershel Sanders, L. J. Fowler, Bill Robertson, Helen Patterson.

PROCLAMATION

Whereas: Wednesday, May 30, 1951, has been set aside as a legal holiday in the City of Floydada by most of the business establishments and other agencies of the city and county, and

Whereas: A petition bearing the signatures of a considerable number of the citizens of this city has been presented to me to declare an official "Fish Day" for the City of Floydada, and

Whereas: The signers of this petition have stated that such a special day would contribute to the morale of the people of our city,

Therefore: I, J. A. Patterson, mayor of the City of Floydada, Texas do hereby proclaim Wednesday, May 30, 1951, as Floydada Fish Day and do further invite all the citizens of the city and county to participate in this activity.

Furthermore: I do hereby request that every patriotic citizen participate in the special Memorial Day Services which are being planned for that day which will pay tribute to men and women who have lost their lives in all world wars.

J. A. PATTERSON, Mayor
City of Floydada, Texas

Duly signed by me this 22 day of May, 1951

Mrs. Griffith

Salado. Four years later they moved near Quannah, where they farmed seven years.

In 1881, they hitched their oxen to a covered wagon and moved to West Texas, settling in Floyd county near Lockney. Many hardships were endured their first few years on the South Plains. Their home burned and a new one was built. They would sell a load of feed, or butcher a yearling and sell it or sell hogs and sheep. Those were their "money crops." The plowing was done with a Georgia stock or Cassidy plow.

Had Plenty of Grass

Normally, there was plenty of grass, but grasshoppers destroyed grass and crops during one of the early years after they moved to Floyd county.

In 1898, the family moved to Portales, N. M., where Mr. Griffith worked on the railroad being built from Amarillo to Roswell. The family attended church and Sunday school in the depot. Mr. Griffith owned several buggies, which were used for transportation of the population.

The family then went to Oregon and lived six months, returning to Lockney in 1904. They made another venture by covered wagon.

Leola Lemons, Mary Grace Jackson, E. H. Wright, and A. B. Blount, Jr.

and hack later, going to Washington. One night in New Mexico, when they were camping near the Canadian river, one of the horses became mired in quick sand. The next morning, only its tail and head could be seen. The hack was hitched to the back of the wagon. Two or three days later, the family bought a horse for \$25.

In Bozeman, the family stopped for a month to rest their horses. Mr. Griffith and his sons helped in the harvest. It was soon after that when they resumed their journey and in the Blue mountains Mother Griffith calmly took her needle and thread and stitched her son's wound.

In Washington, the older boys and father worked. Roy worked in a bakery and Theodore and Fred hauled logs. Mother Griffith and the smaller children gathered and sold apples. At that time, a wagon load could be bought for \$1.

After two years, they returned to their farm in Lockney and Mr. Griffith bought a store and named it, "The Seven Brothers" for his seven sons.

Mr. Griffith died May 3, 1920.

City Asks Bid On Fire Truck

City of Floydada is in the market for a new fire truck, it is indicated in an advertisement for bids issued this week by the mayor, after discussion by the council at their regular meeting.

The new pumper must have a capacity of 500 gallons per minute to meet the specifications set up in the notice for bids.

Need for the new equipment has been stressed for the past year but with a tight budget to work to the city authorities had been negotiating in an effort to get a truck from surplus when the Korean war hit and knocked their plans awry.

The new fire wagon, it is anticipated, will cost between \$9,000 and \$10,000 equipped. Need for additional and new fire hose to keep the equipment to par has also been pressed before the council by the fire department.

Singing at Cedar June 10 Afternoon

Singers of Floyd, Hale and Swisher counties are expected to join in the singing at Cedar Hill Assembly of God church on Sunday afternoon, June 10, for which the church there is making preparations, said T. F. Love last week.

A general invitation to attend has been issued and a large attendance is anticipated. The singing will begin at 2 o'clock. Probability that the program will be broadcast was indicated.

Mrs. C. Snodgrass has returned home from a visit in Amarillo, with her daughter, Mrs. Arthur Savage and Mr. Savage.

Mr. and Mrs. Glad Snodgrass are in Dallas this week attending market, buying merchandise for Glad's store.

Harold Berry will be the bookkeeper at the Producers elevator on June 1st, replacing Seaton Howard who is moving to Petersburg.

Eight Graduate at Sand Hill School

Last Friday evening the Sand Hill school held their graduation exercises, which were to have been on Wednesday night, but owing to the rain had to be postponed.

The principal, R. I. McLeroy, delivered the commencement address in absence of the guest speaker, who was unable to attend.

Five boys, Jack Womack, Jim Robertson, and Don Hollums, Ray Jean Ferguson, and Jerry Gross received their diplomas and will enter high school next year. Three girls, also graduated. They were Buena Holmes, Elizabeth Morren and LaJuana Cates.

Mr. and Mrs. McLeroy and Mrs. Glenn Parker are the teachers at the Sand Hill school.

Baker Community Center Is Planned

The Baker community has purchased the Baker teacherage, and will convert it into a Community center. It will be known as the Baker Community center.

The men in the community have been working on a foundation nearer the old school building, to which the teacherage will be moved.

A finance committee has been named, who are Ham Smith, chairman, Claud Pawver and Ryeburn Neil.

After the building is finished, officers for the center will be elected, and the organization will be perfected.

Pvt. and Mrs. Ozell Chappell of Camp Polk, Louisiana, arrived for a week's visit with his parents, Mr. and Mrs. E. Chappell in Rails and with her parents, Mr. and Mrs. Burl Huckabee. Mrs. Chappell is the former Juanita Huckabee and will receive her diploma with the senior class of the high school on Friday.

Pvt. Chappell has returned to his base, but Mrs. Chappell will remain until after graduation exercises.

Mr. and Mrs. T. W. Salisbury, jr., and babies of Inglewood, California, spent the past week visiting her father, C. W. Gordon and Mrs. Gordon and friends.

Pool is Readied For Splash Day

Everything is in readiness for "Splash Day" at the City pool, the pool will be officially opened at 1 P. M. on Friday, June 1.

Drawing for attendance prizes is to be held, prizes being donated by Floydada merchants. The retail trades committee of the Chamber of Commerce is the sponsor of the event. Persons who go swimming, either at the city pool or in the pool at the Country club will be eligible to win the prizes.

The Floydada Fire department is to operate the pool this year, as per a contract with the city officials. This group has announced that the city pool will be opened from 1 P. M. to 7 P. M. weekdays and Sundays, except on Saturdays when the pool will stay open until 9 P. M. Admission is 25 cents for children and 40 cents for adults.

Weather and Crops

Mild weather, with light rain the first of the week, has marked the farm outlook for Floyd county since the big deluge of Wednesday night last.

Yesterday a few farm were beginning planting on high ground, but it was not re-open in a big way until Monday. Some farms are planting until Monday. Practically all cotton have to be re-planted to kill a crop of weeds.

Talk indicates that some cotton acreage will be planted in age feeds instead. High prices and a late pool have the principal disconcerting point in this direction.

Wheat Outlook has been greatly improved in the past week, which has begun to harden in the past week. Some abandoned acreage probably will yield 30 per cent. Better yields promise six to eight million bushels above a million bushels.

Private report yesterday on ton Oil company's Lumber test indicates the well had 9,235 feet, the drill in 10 feet of hard sand with test at that depth.

Test at 9,235 Feet

Views and Comment

Monday, pioneers reunion day next week, will be followed by Memorial day Wednesday, the day which the retail trades committee is suggesting as a holiday and on which most of retail section of the business community is agreed. What the changed weather aspect will do to the plans of some of the merchants is questionable. What would have been an easy out to get away from the grind three weeks ago while the season was early and the ground cold and dry, may be another matter for a seed dealer or an implement man next week, with the planting season urgent, ample moisture in the ground and the earth considerably warmed up. But there is no doubt, first, that a mid-spring "break" of a day would be most refreshing in the business life of a retailer's sales force, and second, that a mid-spring holiday to honor those who have departed this life, with fitting ceremonies for those whose record is war service connected. The other three holidays in the business year in Floydada, recommended and strongly urged by the committee, are Fourth of July, Thanksgiving and Christmas.

Despite the well-founded claim that the weatherman did the wheat grower a poor service by failure to provide a good January snow or a February rain, it must be admitted that ideal wheat maturing weather came along in late March, during all of April and part of May. The prolonged cool and chill of a late spring will be reflected in the yields of the wheat fields, both dry and irrigated.

Farmers in the irrigation area sustained considerably heavier cotton seed losses last week than did the dry land farmers. Reason is, of course, that a higher percentage of irrigation farm operators had their seed in the ground. Now that these fellows have lost their first planting of seed it is a relief to know they have only one and a fourth planting to go. Two and a fourth plantings per season in this section, is the average according to a report credited to the Department of Agriculture.

Polk salad in order now. Something about a spring freshet that makes that fence-corner delectable spring up almost overnight. It is our suggestion to the women folks that they make their men

eat at least two helpings of polk salad for at least two meals. Tough for most men to take but good for their systems before the heat of summer arrives.

A year or two ago "they" were telling us that it was a lack of calcium which made the cattle chew the fence posts eat staples and baling wire. Now "they" say it is lack of phosphate, a lack which is in the soil of the Mississippi plateau on the west all the way from the gulf plains into Canada. Whatever the lack is the use of irrigation water makes it possible to make up in a big way.

Saw a yard full of buttercups hereabout somewhere last week. It was a beautiful sight. Peculiar, isn't it, that the processes of plant growth would fill out a stem and leaves of green and then paint the buttercup yellow. The green they call chlorophyll. The little chlorophylls have been watched at the job. Presumably the painters with yellow in their buckets also have been spied upon.

School year ending this week for Floydada Public schools students and for most other Public school students of the area, is a reminder that Floydada Independent School district has put many a dollar into their school system this year. One of their projects, the physical education plant, is an answer to a demand of the state educational authorities dating back for many a year.

For the record, the total of the big rain at Floydada during mid-May was 4.40 inches. Some spots in the county with more rainfall reported some damage from washed fields.

Splash day will be welcomed June 1 by the swimmers, when the municipal pool opens. Fireboys have the contract to handle the pool again this season. Careful guard against the loss of life is one of the things being stressed. Turn your back for a moment and there's tragedy when cramps hit suddenly. The fireboys are less likely to let that careless moment occur than most any organization that could be given charge.

Wisdom is in knowing what to do next, skill is in knowing how to do it, and virtue is in doing it.

14 Years Ago Floyd County

(Taken from the files of the Hesperian, issue dated May 27, 1937.)

Heavy rains ranging from three to six inches over Floyd and adjoining counties, accompanied by some hail and wind damage in several sections of the county, fell in a storm period from Thursday night of last week to Tuesday night of this week. This put a great deal of water in the lakes and brightened the range and row crop prospects.

A deal was made last week where by Roy Holmes became the owner of the Russell building on the west side of the square. The Blue Moon Beauty shop and the Beard Tailor shop occupy the building. The deal was made by J. W. Chapman, local real estate dealer.

Eight irrigation farmers around Lockney, have each planted one-half acre of sugar beets. They are, Herman King, Lone Star, Arch Craiger, Lockney, W. D. Colston, Irick, R. W. Smith and Charles Merrick, Sterley, J. T. Bloxom, Pleasant Valley, F. L. Brown and H. W. Schacht of Aiken.

The Scout camp at Post will open for their first session of camping on May 30 and close June 5, according to John N. Farris, assistant scoutmaster of Troop 57.

Plans are all in readiness for a big old settlers day on Friday, May 25. Mr. and Mrs. Hayes O' Neal of Eunice, New Mexico are visiting her parents, Mr. and Mrs. J. R. Maddox, and sister, Mrs. Jack Deakins and family.

Jim Moreland and son, Bob, have returned from a vacation to the west coast. Mr. Moreland is a salesman for Martin Dry Goods company.

Charles Drayton Mathews of Floydada, son of Judge and Mrs. L. G. Mathews, was among the 148 graduates from the state university at Austin June 7.

Mrs. Frances Wester and Mrs. Roy Snodgrass are visiting in Fort Worth this week.

Mr. and Mrs. O. K. Davis and children left Saturday for Knox City to visit.

Mr. and Mrs. George Sherrill left Sunday for Weslaco to visit her parents, Mr. and Mrs. L. G. Morgan.

The Lincoln family held a reunion Saturday and Sunday at the home of Mr. and Mrs. Walter Newell.

Martin Louise Bond was honored on her eighth birthday last Friday afternoon by her mother, Mrs. G. E. Bond, with a birthday party.

Honoring her daughter, Muriel, who graduated from Floydada High school last week, Mrs. Pearl Fagan entertained with a luncheon at the home of her sister, Mrs. Polk Goen, Wednesday. After the luncheon, a theatre party was enjoyed at the Palace. Present were Misses Mary Emma Collins, Emma Lou Bedford, Mary Looper, Thomsine Cox, Marguerite Leonard, Elizabeth Hardgrove, Mary Evelyn Davis and the honoree.

Mr. and Mrs. T. W. Whigham who have been living in Lubbock, have recently moved to Kansas City, where Mr. Whigham has been transferred by his company.

Norma Jo Teeple, daughter of Mr. and Mrs. Raymond Teeple, celebrated her fifth birthday with a party Saturday afternoon.

A new cafe has been opened in Floydada. Robert McGuire, has resigned his position as salesman at the Martin Dry Goods company and has opened a cafe on the west side of the square in the Snodgrass building.

It appears very likely that the

first wheat in Floyd County will be on the market by June 10, or a few days earlier.

We wish to express our appreciation to our friends and neighbors during the recent illness and death of our beloved Mother and sister. May God's richest blessings be with you all.

YOU CAN'T BEAT QUONSET FOR VALUE!
Here's Some Important Information . . . !
About Financing Grain Storage!
DID YOU KNOW? The Commodity Credit Corporation will loan up to 85% of the cost of a grain storage structure erected on your farm.
DID YOU KNOW? The rate of interest on such a loan is only 4% per annum.
DID YOU KNOW? Such a loan can be made for a period of five years, with provisions for deferring payments in event of crop failures.
DID YOU KNOW? You can make annual payments on this loan with the profits earned from storing your grain in your own Quonset.
DID YOU KNOW? That costs for storing grain other than on your farm will pay for your all steel Quonset within two years or less.
DID YOU KNOW? That this program expires June 30, 1951.

Outdoor Jiel
You can pay more but you can't make a better buy in a convertible! You get the quiet, get-going power of a V-8 engine... the type of engine now powering the top models of America's top cars. It's fuel-saving power, too, with Ford's Automatic Mileage Maker squeezing the last ounce of power out of every drop of gas. And you get a ride that's the equal in comfort of far costlier cars, with Ford's Automatic Ride Control self-adjusting the ride to the road.
They're built for the years ahead
Glamour Jiel
If you want to enjoy the wide-openness of a convertible and still have a steel-topped car, you can't buy better than Ford's new Victoria! It offers you your choice of beautiful solid colors or 4 smart two-tone combinations (with color harmonized interiors). And for automatic driving at its finest, it offers Fordomatic—the newest, most advanced of all automatic drives.
When you buy for the future—buy FORD
All-around Jiel
One moment, Ford's "Country Squire" is a beautiful eight-passenger station wagon... the next, it's a rugged hauler of half-ton loads. No other low-priced station wagon offers you so much one-level floor space or your choice of V-8 or Six engines. And only Ford, in its field, offers you your pick of three great transmissions: Conventional, Overdrive* and Fordomatic.*
You can pay more but you can't buy better.
*Optional at extra cost. Fordomatic available with V-8 only. Equipment, accessories and trim subject to change without notice.

CANDID CAMERA

Our Camera is focused on two very likeable and well-known sets of twins. The senior class is indeed fortunate to have had them in their class all four years of their high school career.
 Dorothy and Doris Foster have light brown hair and green eyes. They are five feet and two inches tall, and were born August 7, 1934, at the little village of Dougherty. Dorothy weighs 108 pounds, and has a secret desire to own a motorcycle. Her favorite movie is "Colt 45," and her favorite stars are Randolph Scott and Yvonne de Carlo. Her favorite book is Frenchman's Creek, and her author is Daphne de Maurier. She enjoys studying under Mrs. Sevik, eating fried chicken, and wearing western clothes as everyone has probably noticed. She is very eager to graduate and no wonder! She plans to make a career of singing on KSEL, Lubbock, and KFLD, Floydada. She enjoyed her freshman year more than any other.
 Of course, Doris looks and likes are nearly the same as Dorothy's. She weighs 110 pounds and has a secret desire to own a big ranch in Texas. Her favorite movie is "Salome Where She Danced," and her stars are Rod Cameron and Yvonne de Carlo. She likes potatoes, book-keeping, Mrs. Thomas, and western clothes. She is also very eager to graduate and plans to join her twin on the radio. Their exciting moments are the same—when they sang for the first time on KSEL's Western Jamboree in Lubbock. Doris said she enjoyed her senior year more than any other.
 Miss Swepton—wills her senior class to anybody that will take them.
 Mrs. Thomas—wills her library keys to Mrs. Johnson.
 Mr. Barber—wills his broad smile and 225 pounds to the next year's seniors.
 La Junna McCada—wills her good looks to Barbara McCada.
 Darlene Johnson—wills to June Ware and Clara Jones her ability to stay out of trouble and her place in Baker's heart.
 And to the faculty—we just leave.

year more than any other because she knew she would be out of school after that.
 Hershell and Herbert Irwin have black, wavy hair, brown eyes, and were born May 18, 1933, at their home in Fairview. Hershell is six feet tall and weighs 201 pounds. His secret desire is to be a stock farmer. The sports he most enjoyed while in high school were football and baseball. He enjoyed "Sands of Iwo Jima" and John Wayne and likes Miss Swepton and English very much. He likes to eat fried chicken and strawberry ice cream. A five foot, four inch, blonde-headed, blue eyed little girl lives in his dream. He is very eager to graduate and will go to either Texas Tech or the Air Corps after school. His most exciting moment came when he was struck 4 inches of death when a truck barely missed him. He enjoyed his F. A. work most while in high school.
 Herbert is taller than Hershell by one-half of an inch but weighs less than his twin by two pounds. He has a secret desire to own a big ranch. He likes fried chicken (that seems to be a favorite with twins), five foot, black haired, blue-eyed girls. Ag., football, and basketball. His most exciting moment was when the airplane that he was riding in made a nose dive and a tire blew out. He, like the rest, is eager to graduate and plans to go with his twin wherever that may be.
 Twins, the entire school and especially the senior class does not know what we would have done without your vitality to keep us alive. It has been wonderful going to school with you.

SENIOR DOINGS
 The busiest class in school this time of year is usually the senior class, and this year is no exception. Some of their doings are:
 Writing in logbooks.
 Making lists of all the relatives and friends.
 Hunting addresses.
 Stamping envelopes.
 Mailing invitations.
 Talking in the halls.
 Looking at pictures taken on senior trip.
 Practising Baccalaureate and Commencement.
 Getting caps and gowns.
 Hunting one red rose.
 Trying to find sixteen credits.
 Deciding which college to attend so they can transfer credits to just

Class History

These years in high school that passed so slowly when we were freshmen, sophomores and juniors, seem to have flown by as we look back on them as a senior. Meeting freshmen in the halls and on the school grounds causes us to remember that very important year—our first year in high school. That year we chose as our president, Aubrey Guthrie. Dan Hagood was our vice-president; Margie Herring was our reporter; and Kate Collier was treasurer. Meri Young, a very cute little gal from South Plains, was our queen candidate. Dan Hagood and

Meri Young were voted class favorites. We all felt quite important our sophomore year for this was our second year in high school. We not only knew our way around but we also had some lower-classmen to show off this knowledge to. As our sophomore officers we elected Dan Hagood to be our president; Stanley Conner was vice-president; Billey Newberry was secretary-treasurer; and Elayne Snodgrass was reporter. Billey Newberry represented our class as our queen candidate. Don Probasco and Elayne Snodgrass were chosen favorites.

By the time we became juniors we had somewhat lost our feeling of importance. Aside from study and love troubles, we imagined that the seniors looked down on us. This didn't bother us too much though for we played a very important part in all the school activities. Our leaders for our junior year were: Don Probasco-president, Wayne Robertson-vice-president, Kayte Collier-reporter, and Pat Fralin-secretary. Pat, a cute little burnette from Lubbock was also our queen candidate. Wayne Robertson and Ruth Maxey were our class favorites.

At last our senior year was starting. It seemed we had waited all our lives for this all-important year. Duane Lemons was elected president; Billy Haney was elected vice-president; Mary Ann Wilson was elected secretary; Peggy Lanham was elected treasurer; and Billey Newberry, reporter. Elayne Snodgrass, our senior candidate, was crowned Queen of Floydada High School on the night of November 4. She was escorted by Lawrence Stovall. Billey Newberry, escorted by Lloyd Allen, and Kayte Collier, escorted by Dan Hagood, were her attendants.

In the field of sports Aubrey Guthrie was football and basketball captain. Meri Young, Kayte Collier, and Anne West Bean were pep squad leaders. Edith Garrett was

drum majorette, and Billey Newberry and Elayne Snodgrass were two senior twirlers. Pat Fralin was crowned football queen of 1950 by Coach Watson on December 9. Her attendants were Edith Garrett, escorted by Dennis Wilks, and Peggy Lanham escorted by Bert Grimes. Duane Lemons and Peggy Parkey were chosen senior favorites. On April 28 we were given a love-

ly Jr.-sr. Banquet, which was decorated for the Gay '50's. At 10:00 p. m. on May 3 we left on our senior trip; we spent two wonderful days and nights at Heart O the Hills Inn in Kerrville, Texas. It is with mingled emotions of happiness and sadness that we look forward to May 25—our graduation night, when these nine-Edith Garrett, Aubrey Guthrie, Dan Hagood,

Floyd Fuqua, Billey Newberry, lene Johnson, Janet Lloyd, Hennessee, and Kayte Collier started in the first grade and will close one phase of our lives. Want ads save money. (See HESPERETTE, page 2)

Wilbur Shaw thinks so much of this new Chrysler, he has selected it as Pace Car for the 1951 Indianapolis 500-mile race.

"I've just driven the most powerful car* in the U.S."

WILBUR SHAW, AMERICA'S MOST FAMOUS DRIVER, DRIVES NEW 1951 CHRYSLER—REPORTS TO YOU ON REVOLUTIONARY FIREPOWER ENGINE AND HYDRAGUIDE POWER STEERING

Here are Wilbur Shaw's reactions—in his own words—as taken down by a recording machine in the car:

"The '51 Chrysler has it! With this new engine and power steering, the first on any U.S. car, it's a whale of an automobile.

"I'm completely bowled over by the ease of steering!

"This steering combined with the automatic trans-

mission . . . is the nearest thing to an automatic pilot for a car I can possibly imagine.

"This engine . . . I can't get over the amount of power and snap in this engine . . . it's incredible!

"I drove 111 miles with the feeling I had expended no more effort than in driving around the block.

"When Mrs. Shaw drove, her comments just about squared with mine. Here's what she thinks of the 1951 Chrysler . . ."

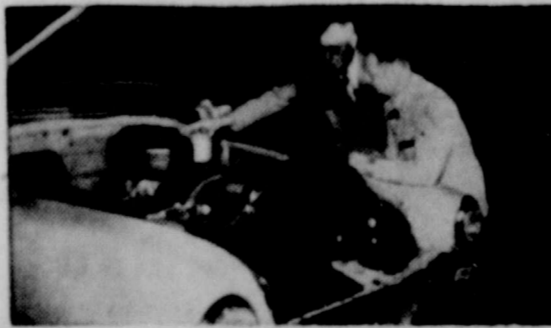

Mrs. Shaw: "At first I could hardly believe the ease with which I could turn the wheel. That's important . . . especially in the summertime.

"Often after I have parked a car in the average parking space, I feel I should taxi home, shower and get dressed again. But with Hydraguide Power Steering I parked it with one hand. It practically drives itself!"

Wilbur Shaw: "It's hard to describe this new Chrysler without going off the deep end . . . it has it in every department.

"In fact, I think so much of this car, I've selected it as Pace Car of the 1951 Indianapolis 500-mile race" (Mr. Shaw's comments are reprinted through the courtesy of Popular Science Magazine.)

*Mr. Shaw refers of course to standard passenger cars—not racing cars or special models.

Mr. Barber's Trip Wonderful Time in Hill Country

...danced until late in the play room and then went to their rooms to pack and then go to bed. For some strange reason at 2:30 a. m. the hot water pipe broke in one of the boys' room; after mopping until 4:30 a. m. Mr. Barber and some boys repaired the pipe.

On our last morning we got up, ate breakfast, and got our suitcases loaded on the bus. Peggy Parkey now had the mumps. Everyone hated to leave—but school, you know. On the way home it was not quite so lively as it had been going down there. We stopped at San Angelo and ate dinner and got some souvenirs. At 4:00 p. m. we stopped at Snyder and finally at 5:30 we were home. Not one senior would take a million dollars for the wonderful time they had on the senior trip, for which we owe thanks to our wonderful sponsors.

Class Members Have Futures Told in Letter

Floydada, Texas
May 15, 1951

Mrs. A. E. Guthrie II
1302 Plaza Drive
Los Angeles, California

Dear Pat:

Things surely have changed since this time ten years ago. I was just looking through my '31 annual and was surprised how much everyone has changed. Do you remember Duane Lemons, our class president? He's now running for the president of the U. S. I read that his wife the former Peggy Parkey, is looking forward to living in the White House. I know Peg will really enjoy that. Have you heard from Peggy Grimes lately? Well, she and Bert have moved to New York City, where he is starting his law practice. Their little girl, Bernice, looks just like Peggy. I always thought Billee might make a great actress, but it seems as though she is perfectly content to being the wife of General Joe Thomas. Dale Roberts, as you probably know, is one of the best engineers in the state. I guess he'll always be a casino.

Kayte was in town this afternoon—she and her five little Conners. She and T. have just built a beautiful ranch style house out on their huge wheat farm, and she was buying some new curtains for the boy's rooms. Professor Walter Anderson has just been elected President of Baylor University. His wife, Mary Anne, is teaching there. Who would have ever thought Estelle and Lawrence would get married? I just received an announcement from them. They're going to live on a farm not far from Kayte and T. Estelle has given up her secretarial job.

As I was driving through Oregon last summer, I met Edgar Allen, who is now a famous Midget Auto Driver. Lane Snodgrass was in Germany the last time I heard from her. She is writing a series of articles for the New York Times. Earl Eubanks is running for Governor of Texas. I heard him make a speech over KFLD last night. Floyd Fuqua and Eva Waller have finally found each other and are now happily married. Floyd is a famous architect in New York. Jimmy Powell is now playing Hamlet and touring the world with his wife, the former Jenny Hennessee, who is putting on a clarinet concert. Doris Blair and Hershel Irwin have set the date for their wedding. They're going to live in Kansas on a big ranch.

I suppose you see quite a bit of Nancy and Dan since they have replaced Ginger Rogers and Fred Astair. I read that they are making three movies a year. The Foster twins have made several western movies within the last few years and are still gaining in popularity. A big oil well just came in on Meri and Don's land. They're really thrilled about it.

Teddy and Nita have opened a new Drive-In Theater here and are inviting all their friends. Herbert Irwin's eyes were finally opened and he saw Janet. They're on their honeymoon at Niagara Falls. Patsy and Bobby Patterson speed through Floydada almost every day, but they hardly speak because they're so wrapped up in each other.

Mayor Bill Hart and his wife, Barbara, are vacationing in Canada this summer. Irene Graham and Carl are touring Europe. Lee and David Batty now have a third daughter. Ima Nell and Buddy Sanders had the formal opening of their pub-

lic library last night. It is really going to be helpful to the residents of Floydada.

I went to the rodeo in Fort Worth and whom do you think I saw? Lue-lla and Don Probasco! They're famous trick riders. I'm glad to hear that Oleta and her husband are doing so well. It was certainly a coincidence that you ran into each other. Johnnie and Bobby Smith have a daily singing program over KFLD now. Carolyn Kiker has her own program.

Who would have ever thought so many of the kids would turn out to be school teachers? Anita Tooley is the commercial teacher here and is doing a very good job. Ruth Maxey is also teaching. She teaches geometry and Chemistry. All the young girls are swooning over the hand-

some, young, and unmarried superintendent—Carroll Lee Fulton. Frank Capshaw and Lavon Shearer are the head coaches for the high school. They took their team to district this year.

Mr. Barber, Miss Swepton, and Mrs. Thomas are still senior sponsors, are going strong. They left for Kerrville on the senior trip. Joyce Myrick is the head operator at the telephone company. Allan Gross, Billy Joe Hall, and Rodney Hinkle have just opened their Supper Club—it has a floor show and all.

Well, the kids will be home from school soon, and Jackie will be off work so I must fix supper. Do write me often and let me know how you and Gut are coming along with your new hospital. Be sure to bring your

family to see us this summer.
Love,
Edith

Here's something Special in Spaciousness

A LOT of folks like the two-door idea, because they feel that tiny tots are safer in the back seat.

But that's no reason why back-seat headroom should be dimensioned for midgets only.

So Buick engineers have done something about it, in the Buick SPECIAL 2-door Sedan pictured here.

They've kept the compactness of over-all length that's important in modern garages.

But they've arched that sturdy steel top to give you he-man headroom—headroom in back as well as headroom in front—that makes a six-footer feel at home.

And they've designed a trunk that has "room for tourists."

Don't ask us how they did it. Come see for yourself.

Slip into those spacious seats—and while

you're there, find out why this compact honey is one of the hottest numbers we've seen in years.

Find out how that F-263 valve-in-head Fireball Engine pours out the power and stretches the miles per gallon.

Find out how Buick's exclusive combination of torque-tube drive and coil springs on all four wheels puts big-car steadiness and stability into this nimble performer.

Find out how Dynaflo Drive* takes the strain out of traffic driving—and brings you relaxed to the end of a long day's cross-country driving.

And above all—find out the prices—and how much they'll buy in comfort and convenience. The sooner you see your Buick dealer, the better off you'll be.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE* • FIREBALL POWER
PUSH-BAR FOREFRONT • WHITE-GLOW INSTRUMENTS • 4-WHEEL COIL SPRINGING
TORQUE-TUBE DRIVE • DUAL VENTILATION
DREAMLINE STYLING • BODY BY FISHER

Band Gives Last Assembly Program for the year '51

On Wednesday, May 16, the Whirlwind band gave a concert for the last assembly program of the year. They played some marches and overtures enjoyed by all. The program was presented as follows: "The Thunderer"; "Treasure of the Incas"; "Salutation"; "Aurora"; a Bartone solo, "Lily Polka" by Clint Turner, accompanied by Ann Weiborn at the piano; "Steel King"; "Stout Hearted Men"; "Washington Post"; "American Patrol"; "Bartlesville Boogie"; and "Father of Victory."

The twirlers gave a routine during two of the marches and the boogie number.

Everyone agrees that Mr. Kattner's program was one of the most enjoyable of the year.

All Home Ec Girls Finish Their Work

All the Home Economic girls have finished their work for this semester, and many of them are looking forward to their summer project work. Summer home projects give girls an opportunity to earn one-half credit each summer through practical application of of homemaking in their own homes. Projects chosen should be made up of problems that are of interest and value to the girl, her home, or family. Thirty-six girls have already enrolled for this work.

All the eighth grade girls who are interested in taking Home Economics next year are invited to meet at high school in the home-making room at 2:00 p. m. on June 6.

All ladies who are interested in learning how to do plain sewing are requested to meet at 2:00 p. m. on June 7.

 The Thespian went to Roaring Springs Monday evening for a picnic.

Honor Students for 1951 Named

His classmates were not surprised when Walter Anderson was named Valedictorian because he always knows the lesson well and therefore makes such good grades. In fact, his average for the junior and senior years was 95.94, which is really "top-notch."
 Salutatorian is Billee Newberry, with an average of 94.95 for her junior year and senior year.
 The following are highest on the honor roll respectively, Kayte Collier, Don Probasco, Mary Ann Willson, Pat Fralin, Duane Lemons, Doris Foster, Edith Garrett, Ruth Maxey, Jenny Hennessee, Dorothy Foster, and Elaine Snodgrass.
 We are very proud of our honor students, and we offer them the heartiest congratulations!

Slips That Pass

Mr. Graves talked loud and long, then asked brightly, "Are there any questions?" A hand shot up. Mr. Graves nodded.
 "What time is it?" Mr. Kattner inquired.
 Mr. Moore, cleaning up office, picks up paper in typewriter, then says to Mr. Barber: "Bad spelling, erasures, poor spacing — brother! She must be terrific!"
 Lawrence to Floyd: "That tongue twister you taught me was also a mouth soaper."

6. You cannot go far enough or fast to outrun guilt.
7. "Believing too firmly in the precept, 'love thy neighbor', can get a man into a lot of trouble." Joseph Salah

Mr. Foster: "These days, when a woman has nothing to wear, she either stays home or goes to the beach. The only time a girl won't go to great lengths to please a fellow is when she buys a bathing suit."

Edith to Jackie: "Now don't rush out to your dentist or buy a different hair tonic. It's just that I don't love you."

Mr. Baker suddenly decided he would be a good daddy to his little boy, be his pal, and so on. The next week-end, he took the kid here and there, and everywhere; it was the same story—the kid needed, not a pal, but a combination keeper and sparring partner. Finally they got home, and Pop was ready to die.
 This was not on the program according to mama, however, and she started coming up with suggestions about what "her two boys" should do next. "Why don't you take Junior to the Zoo?" she asked.
 "Pop" writhed in his chair. "Listen," he said, "I'm taking that little monster no place if the Zoo wants him—let the Zoo come and get him!"

THE MILLIONTH STOCKHOLDER of the American Telephone and Telegraph Company—the only business in the United States to achieve such a broad democracy of ownership—is represented by Mr. and Mrs. Brady Denton, of Saginaw, Michigan, who jointly own seven shares of stock. Denton, an automobile salesman, and his wife Dorothy and two of their three boys are shown above during a visit to their local telephone exchange. Johnny, 3, in his father's arms, watches as Brady, Jr., 6, learns about switchboard operating from Miss Doris Beiser of the Michigan Bell Telephone Company. The Denton's third boy is four months old (born January 9, 1951) and so had to stay home with grandma.

Saginaw Couple Buy Into AT&T

A landmark in the history of American business has been set by a Saginaw, Michigan, couple who purchased seven shares of American Telephone and Telegraph stock recently and became the millionth shareholder in the business, according to J. C. Oakley, manager of Southwestern Bell Telephone company here.

The company, parent of Southwestern Bell, is the first business in the United States to reach the million mark in the number of owners. The Brady Dentons, the millionth stockholders, are typically American. Denton, 33 and a veteran, is an automobile salesman. The couple live in a modest frame house, have three sons six years, three years, and four months old, respectively. The Dentons bought the stock as an investment toward a college education for their sons.

Oakley pointed out that one family out of every 45 in the country now owns part of the Bell System. No other company has half as many stockholders, he stated. In Texas about 15,000 shareholders own 485,000 shares of stock and receive more than \$4,365,000 in dividends from the company annually.

"The investment of the Dentons in the telephone company, like that of the 15,000 Texans, helps make it possible for Southwestern Bell to carry on its big post-war expansion program in Texas," Oakley said. "The company has spent \$446,019 in Floydada since the end of the war, and its expansion program in Texas has cost \$336,000,000."

C. E. Bedwell tendered his resignation to the board of directors Tuesday as cashier of the First National Bank at Quitaque. Mr. Bedwell is leaving Quitaque to assume the office of president of the board of directors of the newly organized state bank at Sunray. He had been with the Quitaque bank since 1928 and cashier since early in 1932.

SPEND FIVE WEEK VACATION ON TRIP TO WEST COAST

Mrs. Ora Gough, of the Guthrie hospital, and father, J. B. Chastain of Lorenzo, returned home last week from a five-week vacation, in Los Angeles, California, Hot Springs, New Mexico and El Paso, Texas. Her son, Johnny Sands, movie actor, was on location, while Mrs. Gough was in Los Angeles, so she did not get to visit with him. Johnny is planning to be here in the next few weeks on a vacation.

Daughter Injured On Trip Enroute To Visit Mother

Mrs. Johnny Hart, of Texline, daughter of Mrs. J. H. Guthrie, City, has been hospitalized since Friday night of last week when she received shattered bones in the right forearm, face lacerations and a badly cut ear in a highway accident four miles west of Lockney.

The wheels of her car hit a soft shoulder while she was meeting a truck. She lost control of the car which wrecked against a tree on the right-of-way.

Mrs. Hart was enroute to Floydada to visit her mother when the accident occurred.

Dr. A. E. Guthrie, her brother, carried Mrs. Hart to Lubbock where an operation was made and the shattered bones put in a cast with pins.
