SONS in the SERVICE

The first letter for this week was received from Pfc. Robert M. (Shine) McFarland, and it is also Pfc. McFarland's first letter to the Star. He is a member of the Marine Corps, and has been in the service for several months. His letter will be read with interest by all who know him. It was nearly a month in reaching us.

April, 23, 1943.

Dear Mr. White:

I have thought several times about writing you, but never did get started. I don't do much writing, as there is never anything to write about. Of course, I could almost write book about my travels and the things I have seen, but they won't let me talk. I have always wanted to travel, but I would rather it would be under different conditions. There is some very pretty country on this side of the globe, but I would rather live in the States. I spent some time in Guadalcanal and saw quite a lot. There are some very big coconut plantations but it was too hot for me there. I was glad when we left. I saw Joe Earl Wilson the other day. He is the only person I have seen from Friona since I left the States. Mr. White I wish to thank you very much for the papers I have received. I read every paper as though it was a letter from every friend. The "Sons in the Service" column has helped me keep up with the boys from home. Through the paper I have been able to keep up with the weather and crops. Mrs. Osborn (Katy) has also sent me some of the Farwell papers. Please keep sending me the Friona Star. Well, I must fall out now for some gun drill. Take care of yourself and tell all my friends "Hello", for me, and that I am still well and going strong.

Your friend,

Robert M. McFarland
Pfc. McFarland is a son of Mr. and Mrs. J. B. McFarland of this community. —Ed.

The following letter, written by Lt. Noel E. Benger, is really a letter from three of our boys, all in one as the letter itself will explain.

Southwest Pacific, May 6, 1943.

Dear Editor White:

The time-worn phrase: "Killing two birds with one stone," has again been applied. This time the Friona Star is playing the part of the "stone" and the three Friona boys (myself, my brother, Johnnie and Olin White) that of the birds. It has been a long time since I've received the "Star", but as Johnnie receives it regularly it serves

Mr. and Mrs. Jim Baxter and daughter and Mrs. Louis Marshall and son spent the week end at Elk City visiting relatives.

Mr. and Mrs. Clarence Baxter spent Monday in Amarillo.

... Ready or Not!

ves the purpose perfectly. After Johnnie and Olin have read it, Johnnie brings it down to me. In this way the Star certainly gets a good reading. I dare say there isn't another Star sent to any of the boys in service, that gets the results of the Star that is sent down here. Three birds, (Hometown type) in one shot. It was merely by accident that we located each other out here, but as that is a long story, it can wait until we get home. The above is only added proof that this world is a very small place. The three of us wish to extend our sincere thanks to you for sending this weekly news from home. It is sometimes a few weeks late upon arrival, but regardless of its date, it is still welcome news. The Star is a favor we deeply appreciate.

Sincerely,
Noel E. Benger.
The Star has been going out each week to both Lt. Benger and Olin White, and we are truly sorry that they have not been receiving it, and it is likely we have not been notified of their change of address. —Ed.

Pvt. Virgil H. Wels has not been getting his Star for the past two issues. We are sorry. Sherman, Texas, May 18, 1943.

Dear Mr. White:

Just a few lines in regard to the Friona Star. I haven't received the past two issues of the paper, so I thought I would write and see how much the paper costs, and subscribe for it, because I sure miss the Star, so I will be looking forward for the paper, I must quit now. Time for "lights out." I hope everything is O. K. around Friona. It still finds me healthy and O. K. Thanks.

Friend,
Virgil H. Wels.

The publishers of the Star are still pleased to be able to send it to all the Friona boys in either branch of the armed service, and are sorry some of the copies go astray. —Ed.

Pfc. France N. Welch, of Rt. 3, Friona, has been transferred from the Lubbock Air Field to Seymour Jackson Field at Goldsboro, N. C., where he will take a basic airplane mechanic's course at the technical school. Before receiving his assignment for advance instruction at the North Carolina school, Pfc. Welch had been serving since last fall as one of the mechanics who help "keep 'em flying" at the big advanced twin-engine bomber pilot training school at Lubbock.

After a lapse of several weeks, we have another letter from S-Sgt. Charles A. White, now located at Camp Adair, Ore. May 18, 1943.

Mr. White: I'll drop you a few lines to let you know I have changed address again. I made Staff Sgt., the 15th of April, and came to Corvallis Oregon, the 15th of May. I like this camp better than the last one I was in. The only disadvantage is, I'm not as close to home as I was. I just finished

Anniversary Banquet for Walther Leaguers Held At Farwell Sunday

The Walther League Golden Anniversary Banquet was held in the Farwell High School, Sunday night at 9:30 o'clock, when Larlat Leaguers were hosts to the Clovis and Rhea Leaguers. Melvin Pyetshi was toastmaster for the ceremony. Gilbert Kaltwasser, gave the address of welcome and the response was given by Melvin Sachs, of Rhea. The "V"-shaped table was decorated with red roses and tall candles.

During the meal, Rev. Ries, song leader for the evening, led several songs which were sung by the group.

After the meal the candle-lighting ceremony was held, while Lillymae Kaltwasser played a piano solo, "Onward Christian Soldiers," the tall candles, centering the V-shaped table, were lighted. Rev. K. Keller, speaker for the evening, based his talk on—"The Birthday of the Walther League." The Walther League was organized, May 23, 1893, by representatives of eight societies who met at Buffalo, N. Y. and because of Dr. C. F. W. Walther's wonderful idea and work in forming such an organization, it was named the Walther League, after him.

The progress of the Walther League has been a great success during the past fifty years, for in 1893 there were 12 societies and about 600 Walther League members, and today there are over 2,000 societies and approximately 80,000 Walther Leaguers. During Rev. Keller's talk the individual red, white and blue candles were lighted. His talk was ended by the group singing the Walther League song.

The fellow Leaguers remembered the 12 boys from the three societies, who are now in the services, by autographing their names on the back of the programs and sending them to the boys. "God Bless Our Native Land" was sung, not only in remembering our 12 fellow Leaguers, but all who are serving their country.

The evening entertainment was brought to a close by several musical numbers. A duet, "Whispering Hope" was sung by Mrs. Fred Townsend and Mrs. H. Hossman; and Mrs. R. Weiser sang a solo, "The Lord's My Shepherd." Then Rev. H. Reis led the group in singing the closing song, "Day is Done."

an adventurous month up in Yakima, Wash. The outfit I was in was taking some tests, and boy, what a time we had. Well it is time for lights out so I will close, hoping Friona is still in good shape.

A friend,
Charlie.

Barbara Foster Honor Guest At Banquet

Miss Barbara Foster of Oklahoma Lane was an honor guest at the banquet for the stockholders of the Grain Producers Corporation at Amarillo on May 19 when she was awarded a prize of \$25.00 for her outstanding 4H Club work.

Barbara signed a pledge that she would invest the \$25.00 in some useful demonstration in her home or on the farm. She will keep progress and financial records of her demonstration and make a report on her accomplishments in a year. She will, also, compete for a prize of \$50.00 which will be given one of the five girls selected this year for the Talent Club. Her essay will deal with "Cooperatives".

Barbara is the daughter of Mr. and Mrs. W. N. Foster of Oklahoma Lane. She has been enrolled in 4H Club work four years during which time she has served her club as demonstrator, parliamentarian and president. She was chosen Gold Star Girl in 1942 because of her outstanding clothing demonstration. She has made approximately 30 garments in 4H Club work which is a good record for a 13 year old girl.

Rhea League Places In Talent Contest

The Annual Walther League Rally of the Panhandle Zone, was held in Littlefield, May 16. The morning services of the rally opened with an inspirational address by Rev. Karl W. Keller, of Clovis, whose theme was "Victory Through Christ." The Littlefield Choir sang "Merciful Saviour," and at the noon hour the host congregation served the lunch.

A part of the afternoon was spent in a Zone Business meeting, and election of zone officers. Eight societies entered the "Talent Quest," which was the highlight of the day. The Rhea Immanuel Walther League had six entries in the Talent Quest. Velma Scheuler won first in news writing, and Mrs. H. Ries won second in essay. Dorothy Scheuler won second in short story and Louise won second in needlecraft. Other contestants were Norbert and Elenor Scheuler, who entered poetry and soap sculpturing.

Lubbock was first with 52 points, Littlefield second with 36 points, and Larlat third with 29 points and Rhea fourth with 21 points.

The Rally Day was closed with a fellowship hour in the evening with Rev. Keller as master of ceremonies.

Velma Scheuler, reporter.

Mrs. Raybon Resigns As Chief Operator

Mrs. Neva Raybon, who has been chief operator at the local telephone central office has tendered her resignation of that position to take effect as soon as a successor can be secured, that not later than 30 days.

Mrs. Raybon has served in that capacity for the past four years and has given efficient and courteous service and is resigning on account of the close confinement to duty undermining her health and strength.

For the present, Mrs. Raybon will go to her father, Nat Jones, at his cattle ranch in Colorado, where she will remain until time for school to begin, when she will probably return to Friona.

F. S. Gober Is New Pharmacist At City Drug

F. S. Gober, a regularly licensed and well qualified pharmacist, will come to Friona on June 1, to take charge of the drug and prescription department of the City Drug Store.

Mr. Gober comes highly recommended as a pharmacist and will relieve J. R. Roden, who has been serving in that capacity until the new proprietor, Ray Landrum, should be able to secure a man to take his place.

Our people will welcome Mr. Gober to Friona.

Pentecostal Church Has District Conference Here

The yearly district conference of the Southwest Central District of the Pentecostal Church, will be held at the local Pentecostal Church on June 1 to 3.

A larger number of able preachers will be here to bring messages on timely subjects. These messages will be inspiring and helpful in these days of uncertainty and distress.

A number of good musicians will also be present to bring the gospel in song.

Rev. Howard A. Goss, general chairman of the church, will be here on Sunday, May 30, and preach to the local church. We cordially invite the public to attend any or all of these services.

Food Preservation Demonstration, June 8

Thursday afternoon, June 8, at 2:30 o'clock there will be a food preservation demonstration in the homemaking department of the high school.

Miss Elsie Cunningham, County Home Demonstration Agent, will demonstrate preservation by freezing. Mrs. Virgil Elms of the Farm Security will demonstrate preservation by drying and Miss Mary Stanford, Homemaking teacher will demonstrate preservation by the hot water bath method.

Bring any questions which you might have to the meeting and they will try to help you with your problems. The demonstrations will be worthwhile and timely and anyone who is interested is invited to attend. Let's save our good gardens!

Memorial Service At Bovina Sunday

There will be a county-wide Memorial service at the Methodist Church at Bovina, Sunday night, May 30, sponsored by the American Legion and the Legion Auxiliary.

Rev. Paxton Smith of Friona will be speaker of the evening, and the program will include a number of other patriotic, entertaining and instructive numbers, prepared and presented by the ladies of the Auxiliary and the Legionaires.

The meeting is open to the entire public, and the parents of the boys of Parmer County, who are now in the service, are especially invited to attend as there will be a part of the program which is being prepared especially for them. All Legionnaires and Veterans of Foreign Wars are also especially invited.

May 6, 1943

Dear Folks:

I received your letter last night, which was written the 12th of April and sure was glad to hear from you. Have you got the package I sent you? I sent the handkerchief about a week later. I have been getting the Friona paper since I have been here, but it looks like it has run out, and I would like for you to continue to send it if possible. How is everyone around home. I sure feel sorry for Othel and folks. Say, can you send cigarettes over? We seem to have a hard time getting them over here. I have been trying to get hair oil about two weeks and can't get that. Maybe we will be able to get some in a few days.

as you can see how hard things are to get. Well, I am O. K. The weather is getting a little hot the last few days, and looks like it will be hotter.

Love,
D. L.

Wilton Lillard, who is now at Camp Maxey, Texas, writes interestingly of his work and prospects. He is a son of Mrs. Carrie Lillard of Friona.

May 21, 1943

Dear Mr. White:

The purpose of this letter is to inform you of my address, but I will give you a general idea about our training. Under the plans that are now laid down, we are to get our basic training here until August. From here we go back to college for about five months of study in the unit we are assigned. If we pass this, we are sent to O. C. S. and come out commissioned officers by this time next year. Of course this will require more than paper strategy, and many of the candidates will not succeed. We have drills, hikes and lectures scheduled from 7:30 in the morning until five in the afternoon. We change clothes and fall out for retreat at 5:30, supper at 6 o'clock. Then comes the regulation shoe shine, barracks cleaning and policing the area. When policing the area every one falls out along a street. At the command we fall out and pick up all cigarettes and matches around the barracks. This week we have had a hike, bayonet practice, close order drill, several lectures and a full pack hike tomorrow. (Saturday) I hardly find time before 8:30 or 9:00 o'clock at night. When they said 13 weeks of intensive training, they meant it. But regardless of the rush it is good work, and different, so nothing gets monotonous. The A. S. F. R. T. means, Army Service Forces Replacement and Training Center. As I understand it, this is only training center of this type in

the U. S., although that could be questioned. I will appreciate the Friona Star so that I may keep up with the folks at home as well as the many other boys in service.

Respectfully,
Pvt. Wilton Lillard, Inf.

P. S. I might also add that a battalion of chiggers occupy every square inch of our drill field.

The following letter is from Pfc. Thomas G. Hartwell, now stationed at Sioux Falls, S. D. He is a son of Mr. and Mrs. John Hartwell of near Bovina, and is a grandson of Mrs. Chas. Schlenker, of the Rhea community. Through the kindness of his grandmother, Pfc. Hartwell has been receiving the Star for the past few weeks.

Dear Mr. Editor:

While stationed at Sheppard Field I received several of your papers, and sure did appreciate them. I have changed camps this week. I still say that Texas is the best state for army camps, that I have been in yet. I have been in three camps so far and Sheppard Field was the best. I don't care much for the army, but I guess I might as well be in here as anyone else. This is a radio school here and what a place it is. Coal to heat the place with. I wish I was back in Farmer County. Just a Soldier,
Thomas C. Hartwell
Please send my paper here.

The following letter from Sgt. Raymond Jasper, is the first we have seen from him for many weeks. It was written to his parents, Mr. and Mrs. T. N. Jasper, who very kindly allowed us to use it in this column. He is somewhere, probably in Africa.

Dear Folks:

Still on the old ball trying to get time to write more often but am finding myself and time well occupied. I can always find time enough to write and let you know I am still up and going as strong as ever. What's the dope at home? I suppose you are all well. I hope. I've not received any news from home for several days with the exception of an issue of the Star. I am getting now and then. Of course I've received only one issue since I received a letter from you. I suppose the Saunders boy has heard from me by now and probably is overjoyed over getting my letter. He is a pretty swell kid. I long to see him and some of the other neighbor kids. Of course I am hoping to ease that longing before too long. Notice I said "hope" and I do. I wouldn't trade a foot of our home town for all this country. I am really getting my stomach full of it. There's no place like "Home Sweet Home," and you can bet that after being stuck in a place like this, you will know what I mean. That is something

Conservation today is in reply to the many inquiries coming to my desk—how to put up pineapple?

Pineapple is getting ripe enough now to be good for canning and eating, the first on local markets was too green. You may tell a ripe pineapple by its orange color and its characteristic odor. Also if the spines pull out readily, you may be sure the fruit is ready. In event you get one too green, lay it up for a few days before canning. To prevent too great a loss of moisture wrap in paper.

To prepare pineapple for canning scrub with a brush. Dry; twist out top. Cut thin slice from bottom then cut the pineapple into 1-2 inch slices crosswise. Peel and core each slice. A doughnut cutter may be used for shaping round slices or you may remove the core from each slice or cut it into tidbits.

Cook slices or tidbits in sir-

up until tender—about 8 to 10 minutes. Pack in hot jars. Seal and process in a water bath—allaw 15 minutes for pint jars and 30 minutes for quarts.

Juice or sirup for canning the fruit is best made by cooking the outer trimmings. Add the cores to the trimmings and enough water to cover. Simmer until the fruit is clear, then strain the juice and add sugar to make desired sirup. A satisfactory sirup may be made by combining equal parts of sugar and juice made by cooking trimmings.

If you have space in your locker perhaps you will like to freeze some pineapple. I thought the pineapple I put in the locker last year was excellent. Prepare as for canning. Pack in freezer locker container and cover with a cool sirup. The sirup for frozen pineapple is made by cooking 1-2 cup sugar with 1 cup water.

There Is An Ideal

Toward which all our experience points. If it were not so, Life would be a hopeless Enigma, and the World a Meaningless Farce.

That Ideal Is "Friendship"

FRIENDSHIP begets unto itself FRIENDS, and, likewise, FRIENDS woo unto themselves, FRIENDSHIP. In either case, Winning and Binding unto themselves, GREATER Happiness, More Satisfying Business and Social Relations and Mutually, making life more worth the living. And it is toward this IDEAL that WE have constantly striven in Our

Social and Business Relations

WITH THE PEOPLE OF FRIONA AND SURROUNDING COMMUNITIES

And the fact that we have, in this effort, been Fairly Successful is Evidenced in the Cordial Treatment and Liberal Patronage of these SAME PEOPLE.

And now, at the close of THIS MONTH, as we end Another Year of BUSINESS at Friona, We take GREAT Pleasure in extending to you, ONE AND ALL,

Our Sincere Thanks and Appreciation

for this Beneficence, and we respectfully Solicit its Continuance. And, on OUR part, We promise that

We Shall Always Be Your Friends
