Cottonseed burrs and moths, which for many years have been the standby of the small stockfarm operator when feed was high or altogether unobtainable, ought to be made available to him again this season. Without disparagement of the methods of eradication which precludes any use of the burrs by the cattle raisers because the burrs go directly to the burner from the gin stands, we can't believe there isn't a reasonably good way that can be worked out to protect the cotton industry and at the same time put the burrs within reach of starving cattle. No doubt but what the pink bollworm, left uncontrolled will ruin the cotton production business in west Texas in the same manner the boll weevil did it in east Texas. At this date the authorities declare they have found no way to destroy the pink bollworm except to burn him, or bury him. Perhaps the farmer could be allowed to haul off burrs for use for feeding during the winter time under some kind of arrangement that any burrs left on the ground would be destroyed before spring planting time. If the authorities do anything like this it will be reluctantly, we imagine, but so far as the cattle business is concerned it is a matter of great emergency and it would be our idea that the authorities ought to go just as far with the cattleman as they possibly can.

Unless the city can find some way out their building plans for the electric light plant expansion are stymied. When the city bond issue was voted by the property owners to pledge revenue bonds for the expansion program the money provided, some \$50,000, would have been ample. But now building matters are so unsettled that not only do the builders scringe when asked to make a definite set of figures, they even give themselves leeway on every point, afraid to gamble. Reasons of course, are scarce materials and spiraling cost. The city will work out something, doubtless, deducting this and that from their plans so as to get within the figures they have to use. But the plight of the authorities does well illustrate the trend of the times.

The rains that hit on September 22 were mighty light although some forty-eight hours ahead of schedule. You'll recall that The Hesperian had a friend a few weeks ago who told us this would happen. Doubtless this friend, who had read after a good forecaster, expected it to rain more than it did the first of the week. He had a mighty hopeful tone when he told us all about it. He was thinking lots of rain, doubtless. May be we were thinking the same when we repeated his prediction in these columns and added a little to the moisture expectations. Anyway maybe the a pell is not over with. We need more

rain quickly. We can't wait until right in the middle of the cotton season. The man in charge of the weather ought to know that.

Movement of cotton harvesters to the area in considerable numbers already. This means, of course, that in a big part of Texas the most of the crop has been gathered. Especially those who had poor crops downstate are bent on trying to retrieve some of the losses the drouth has brought to them in this poor farming year for 1952 in a great part of Texas, Floyd county cotton raisers who hire transient help will be hiring the largest percentage of farm owners and operators they have employed in many a year, most likely.

Entry of the "Democrats for Eisenhower" of Texas into the political arena this week most likely fires the opening gun in a hot and hard battle for the state's vote in the November election. As we have often noted Texas Democrats often talk one way and vote another. In 1928 they did little talking and lots of voting. But this is not 1928 and the issues are of a different kind. The "Democrats for Eisenhower" are going to make a hard try at it, though. They are unhappy. Texas is being pushed in the face, laughed at and told to be good little boys, they claim. The folks would have gone along with them 60 days ago. Now that the time for actually going "against the party" nears it looms as a big bugaboo to many.

A state of mind that in the long run will result in great damage to the business structure of the country is reflected in this paragraph which is appended to most acknowledgments of orders by manufacturers back east: "If this order is cancelled for any reason, we reserve the right to bill you for all costs involved. Invoices subject to the prices prevailing at time of shipment." This means you cannot get a firm commitment on anything you price after it gets into the hands of the processor. Read the matter in quotes again and reflect on it.

Egg surpluses in the spring and shortages in the fall and winter have long caused trouble for poultrymen as well as consumers. Research and practical experience have now shown that the ups and downs of production and prices can be held fairly constant through the use of the two flock system.

## Ike Supporters Open Campaign For Eisenhower

AUSTIN, September — "Texas Democrats for Eisenhower" is the name of a new citizens' organization which opened headquarters here this week. Plans are being made to conduct a grass-root campaign among members of the Democratic party in behalf of Dwight D. Eisenhower, a native-born Texan, for president. Claud H. Gilmer of Rocksprings, former speaker of the Texas House of Representatives, was named chairman. In accepting the office, Gilmer commented:

"I have been a lifelong Democrat, and still consider myself a Democrat. It is a case of deciding: When do you get enough? What are the best interests of Texas, and what are your best interests? We've got to help take the national leadership of the Democratic party to the woodshed. This is not a creeping socialism we are fighting against, it's a galloping socialism."

Gilmer and other speakers stressed the mandate issue by the state Democratic convention at Amarillo on September 9, which resolved: "It is the recommendation of this convention that every democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for vice-president."

The meeting was called by Tom Sealy of Midland, who was elected co-chairman of the organization with Miss Nan Proctor, Victoria school teacher. Miss Proctor was a member of the Gilmer-Aikin Committee that reformed the Texas school laws in 1949. Gilmer was co-sponsor of the reform bill.

Most of those who attended the first meeting here were leaders at the State Convention in ordering the names of the National Democratic nominees placed on the Texas ballot, while at the same time urging Texas Democrats to vote for Eisenhower.

The group selected Weldon Hart and John VanCronkhite, Austin public relations men, to assist Gilmer in directing the campaign.

too. There is quite a motor-cade, or should one say, Scooter-cade, around Falls these days. But I think back about the boys on horses, and how dangerous the older ones knew them to be, and I try not to let the modern ways upset me.

I read a piece a lady wrote about how she laid up for old age. No, not money, that is nice, but she began to do things in her early years that would make happiness in her old age. She learned to knit, to do many kinds of hand work, she began to do church work things one can not learn to do so well in old age, she took an interest in politics, thinking that an intelligent voter was an asset to his or her country. Community welfare work was another thing she mentions as an aid to a happier living. She took a nature study course and birds have been a blessing to her. So she was well prepared when her hands were crippled from arthritis she could watch the birds from her windows, and she likes to see the children play.

Do not wait for old age to get ready for it. You must begin when you are young. Get some hobbies, one at least. Get many interests, do not be poor, but rich when youth passes you by. That was why at ninety she looked as young as her friend of sixty who was so poor in activities and interests.

## Heart Ailment Fatal To I.O. Blassingame

Funeral service for I. O. Blassingame, 56, of the McCoy community was held in the Church of Christ in Petersburg at 2:30 o'clock on Saturday afternoon with Hoyt Houchen of Amarillo, and Minister of the church at Petersburg Adrian C. McElroy, officiating.

Interment was in the Petersburg cemetery under the direction of the Harmon Funeral home.

Palbearers at the service were Harvey Tardy, Leonard and George Smith, Bud Stevens, John Womack and Lloyd Pate.

Mr. Blassingame died about an hour after he suffered a heart attack at his home in McCoy community. His sons and wife rushed him to a doctor here, but he was dead when they arrived in Floydada.

Idys Odell Blassingame was born in Arkansas on December 6, 1896, and moved with his parents at the age of 14, to Oklahoma. He came to Texas in 1926, and moved to Petersburg in 1945.

He was married to Miss Ophelia Brooks in Anadarko, Oklahoma, on November 11, 1919. Mr. Blassingame

has been a member of the Church of Christ since 1936. He was a veteran of World War One.

Survivors include his wife, one daughter, Mrs. Faye Mathews of Ontario, Oregon, and four sons; Odell of Amarillo, Ralph of McCoy, Everett and Ross of Petersburg. Also, he is survived by 11 grandchildren and one sister, Mrs. Mary McMurry.

phy of Banger, Oklahoma, and 6 brothers; Austin of Melrose, New Mexico; Dawyes and Howard of Vega; Loyal of Phoenix, Arizona, Claud Blassingame of Banger, Oklahoma, and Lawrence of Amarillo.

Mrs. W. D. Salts of Yuba City, California, who has been visiting her niece, Mrs. O. G. Glassmoyer and family for the past several weeks, left for Hobbs, New Mexico, for a short visit before returning to her home.

### FOOD PRICES

fact that we are treating our food like a luxury. And we are paying luxury prices for some of our foods. We indulge in such items as pre-cooked waffles, pre-cut, packaged and frozen potatoes ready to be french-fried, and ready-to-cook biscuits. When the housewife leaves the grocery store with a basket full of these food specialties, prices are indeed too high.

Certainly, the responsibility for those high prices can't be attributed to the farmer. That is where the middleman comes in.

The average selling expense for these food specialties at 9.59 cents, of the consumer's price. Advertising these commodities costs some 8.97 cents, for a combined total of 18.56 per cent for advertising and selling alone. These marketing and promotion costs are higher than for cigarettes, radios, liquor, beer and automobiles.

But if the housewife sticks to staple and native foods, prices are lower than at any time during the past 35 years when gauged in what an hour of labor will buy. For example:

Hour of Labor	1914	1929	1952
Round Steak	9 lb.	12 lbs	1.5 lbs.
Pork Chops	1 lb.	1.5 lbs	2 lbs.
Bread	4 lbs	6.4 lbs	10 lbs.
Milk	2.5 qts	3.9 qts	6.9 qts
Eggs	6 doz	1.1 doz	2.5 doz
Potatoes	12.4 lbs	17.7 lbs	36.3 lbs

In view of these facts, we need to take the blame from the farmer and recognize high prices for what they are — a condition created by our demand for fancy foods at a fancy price.

## As A Farm Woman Thinks

**THE QUEST**

I searched throughout the world  
to find the Grail  
From stately churches to a holy  
shrine;  
They awed me with their beauty  
but they failed  
To understand soul hunger such as  
mine.  
Their famous windows and their  
massive doors,  
Ornate, imposing, how dared I in-  
trude.  
How could I hope to reach His  
mighty throne  
Who dwelt in temples of such  
magnitude?  
I almost yielded up the quest, for-  
sook  
The vow I made to find the Holy  
Grail;  
Then on my knees one day, He  
took my hand —  
Like Thomas I, too, saw the im-  
print of the nail.  
—Inga Gilson Caldwell

The days are so full of work and interest, I want to go to sleep right at once, sleep all night, so morning can come and I can get outside to enjoy the sun as it slips up so quietly in the blue and pink of the east right near the trees, shape like giant green fans, at the home of our good friends, Dalmar and Eula Parrish. The silken blue morning glory umbrellas are opening near the red of the tall, stateley cannas, making a perfect picture to me. I water the dry ground, then pick tomatoes, the beans and the cucumbers which seem to get ready so quickly these hot days. I see my neighbors going about their work, Mrs. Bounds going to feed her chickens, Walter Powell going off to cut feed, and Maude watering the green grass they have started on their lawn. Mr. Stanley passes in his car to his farm, Mr. Mann goes by delivering the morning paper. It gives one courage and peace of heart to see people going about their business, even if the world is not at rest.

Tim Lyle said this morning another worry has been added to his worries of war and polio and drouth. His boy has a new motor scooter. And I told him I knew what he was talking about as Joe Ellis has one.

## HOW MUCH FUN do you get from a GALLON OF GAS ?

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the kind of miles is important too. The real pay-off you get when you own a Buick is in what happens while you're turning gas into power.

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflo Drive.\*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series.

## Know Your Politics Meeting of Study Club Draws Interest

The "know your politics" program of the 1929 Study club in the district court room at 2:30 last Thursday afternoon, drew considerable interest from the general public as well as among the members of the club. The program, first of its kind to be sponsored by a club, was opened to all citizens who desire to attend.

Mrs. Kinder Farris welcomed the members and visitors. She explained the reason of the meeting, that we may know better why we are Democrat or Republican.

Mrs. Hollis Bond was program leader. She introduced the speakers of the afternoon. Ralph Brock, a lawyer of Lubbock, spoke for the Democratic viewpoint, with Frank T. O'Brien, of Amarillo, principal spokesman for the Republicans. Mr. O'Brien was accompanied to the meeting by his wife, who is a member of the state executive committee of the Republican party, and by Mrs. Curtis Trawek, of Hereford, district committee-woman, and Harold Pool, of Plainview, district chairman.

The club was well-pleased with the response of the public. We want to know and need to know our politics.

After the political meeting the 1929 Study club and a few guests had coffee at the hotel coffee shop and attended to some business of the club.

The next meeting will be October 9, with Mrs. L. J. Welborn.

## Joy Sedell Bunch, James Carroll Finley United in Church Ceremony

Miss Joy Sedell Bunch, daughter of Mr. and Mrs. W. H. Bunch, became the bride of James Carroll Finley, son of Mr. and Mrs. Robert Finley, on Sunday afternoon, September 24, at 4:30 o'clock in the First Baptist church.

The pastor, R. Earl Allen, officiated at the double ring ceremony performed beneath an archway of autumn leaves entwined with bronze and yellow pom-pom mums. Flanking the altar were twin cathedral candelabra with white tapers, and tall baskets of the bronze and yellow mums. Elevated wall baskets holding leaves and yellow mums added to the decor. Yellow mums, autumn leaves tied with talisman satin ribbon, marked the bridal aisle.

Miss Roberta Garrett played a prelude of wedding music, which included "Always" by Berlin and "I love you truly," Bond, and "Traumerli" and "September Song." She also played the traditional wedding marches.

Candle lighters were little Miss Hope Roberson and Jerry Battey. Miss Jean Porter sang, "Because" and "Through the Years," accompanied by Miss Garrett.

Loy Lee Trice and Herman Galloway were groomsmen with Bobby Finley acting as his brother's best man. Ushers were Darrell Bunch, brother of the bride, and Ronny Forgy of Crosbyton, cousin of the bridegroom.

Mrs. Loy Lee Trice and Mrs. Chester Griffith of Lubbock, sister of the bridegroom were bridesmaids. They were dressed in identical style dresses of bronze nylon net over tulle, with fitted bodice and scalloped yoke of nylon net, with floor length full skirt. They wore match-

ing bronze nylon net halos in their hair and carried colonial nosegays of yellow mums outlined with bronze net.

Miss Joy McCravy, who was maid of honor, wore a dress of moss green nylon net fashioned as the bridesmaid's dresses with green nylon halo in her hair and carried a nosegay of yellow and bronze mums outlined in green net.

Little Miss Norma Allen, dressed in green nylon net floor length dress a replica of the bridesmaid's and matrons' dresses, was flower girl. She had a green halo of net in her hair, wristlet of small yellow mums and carried a basket of rose petals preceding the bride.

Little Miss Roberson, candle lighter wore a green nylon net dress made as the flower girl's dress, with halo of green-net and wristlet of small yellow mums.

The bride, entering on the arm of her father, who gave her in marriage wore a gown of white bridal slipper satin, made with fitted bodice with a yoke of scalloped chantilly lace. Small rose buds of tiny seed pearls adorned each of the scallops of the yoke. Long fitted sleeves came to a point over the hand, edged with chantilly lace. Her veil of imported illusion was attached to a tiara of seed pearls and rhinestones.

The bridal bouquet was made of a white hibiscus with white velvet leaves and centered with two white orchids, white stephanotis and white satin streamers.

After the exchange of vows, the couple knelt on the prayer bench for the minister's prayer and for the benediction song by Miss Porter, "Have Thine Own Way, Lord."

For something old and borrowed the bride wore the wedding band of her grandmother, Mrs. J. C. Raley. Something blue were the blue garters, and something new was a three strand pearl necklace, gift of the bridegroom. She also wore a lucky penny in her shoe.

For her daughter's wedding Mrs. Bunch wore a brown faille suit with brown accessories and a yellow talisman rosebud corsage.

Mrs. Finley, the bridegroom's mother, wore a lovely rust wool suit, with black accessories and a white rose bud corsage.

Immediately following the ceremony a reception was held in the home of the bride's parents. The bridal couple, their parents and their attendants made up the house party. Mrs. Bill Shurbet was at the brides book, and Miss Roberta Garrett rendered soft piano selections during the reception.

The bride's table was laid with white organdy, floor length cloth, with full ruffle and eyelet embroidery. The centerpiece was of yellow and bronze mums flanked by yellow candles in crystal holders. The three tiered wedding cake was decorated with tiny yellow roses. Miss June Powell presided at the crystal punch service, while Miss Jean Finley of Meadow, cousin of the bridegroom, served the cake.

For her going away costume, the bride wore a bronze two-piece suit brown and gold accessories, with a corsage of two white orchids from the bridal bouquet.

The couple are now at home at 2406 22nd street in Lubbock where the bridegroom is associated with Piggly-Wagly Number One.

The bride is a graduate of the Floydada High school, class of 1930, and attended Texas State College for Women at Denton for two years.

The bridegroom graduated from Floydada high school with the class of 1928, enlisting in the navy, where he served four years. He was discharged from the service August 21, 1932.

Mr. and Mrs. Clay Dunn of Byers, Texas, Mr. and Mrs. Roy Jones of Lockney, Homer Bean of Paducah and Louie Caffee of Albuquerque, New Mexico, were week-end guests of Mr. and Mrs. C. A. Caffee.

Open season for women's clubs lasts at least two more weeks. Big game hunting, of course, took place last spring. That was when they bagged the secretaries and treasurers, the presidents and veeps. Now they're gunning for committee chairmen, program givers, hostesses, telephoners and all the rest.

Veterans of many club years know the hunter's tricks: call-to-duty, flattery, pleading, threats. They're equally informed on how to dodge and feint to keep from being snared: too-many-other-commitments, invalid-husband, going-to-be out of town, I'm-not-the-type, my daughter's having a baby, and so on.

Some day, when a Book of Etiquette for club member is written, it might well list under "What to do when You're the Target:"

First, if it's a short time job, accept. If you're lazy, this will be your excuse for not taking a harder assignment later. On the other hand, if you're ambitious for one of the big offices, here's a chance to show how efficient you are.

Second, if you take it, don't be

grudging about accepting. Make the woman who called glad she selected you. And once you've accepted, don't groan to family and friends that you were bamboozled into it. When you do that, the thing gets all out of hand. Either say nothing or act as if you're delighted then you may not even get around to dreading it yourself.

Third, if you refuse the appointment, be gracious — firm but kind. Usually the person who asked you has already agreed to do more herself than she's asking you to do.

Such suggestions, universally followed, would keep all of us from having to say either yes or no about half as often.

Uh-oh! There goes that telephone!

Be sure and send in your meter reading card — if a reading is not received every 60 days there is a \$2.00 charge. This is a policy set up by the board of directors.

Melvin Henry, manager, and Claude Weathers, electrification advisor, attended the two-day irrigation short course in Hereford last week. They report a worth-while meeting.

The school was planned by John Shanklin. Interesting discussions were given on winter irrigation and diversified loads for the co-op lines.

A twelve week school, starting Tuesday night, September 23, will be held at the REA building. The subject is the general principles of electricity. This is sponsored by Texas A & M College Extension Service system.

Twenty-nine families participated in the rural neighborhood progress contest. These families, during the year 1951, used a total of 803,814 kilowatt hours of electricity for which they paid \$14,016.19 — an average cost of .01743 per kWh.

We constantly write in the newsletters about those who fail to pay their bills, return their meter reading cards, and cooperate in many other ways. Collection rules are given advise of troubles caused by non-cooperation, et cetera.

LEISURELY TUMBLING

The successful tumble finishing of small wood turnings and similar objects calls for the use of thin coats of finishing material and a leisurely tumbling speed so the various items are not whirled together and inadequately finished. The items to be coated are placed in a circular tank on a horizontal axis that is similar to those in which clothes are dried in laundries.

**JOHNSON**  
 COTTON HARVESTER  
 SAVES YOU \$41.03 PER BALE

What's in it for you when you harvest with a Johnson? Well, to start with there's more profit in each bale. With one Johnson Harvester you average 18 bales a day, replacing 45 workers . . . a saving to you of \$41.03 per bale. In addition, the Johnson Cotton Harvester delivers a better grade of cotton to your trailer than when pulled by hand. This year, profit with a Johnson Cotton Harvester—best by field test.

## Center News

(By Mrs. J. E. Green)  
CENTER, September 23 — The shower was nice and cool. Some even have their heaters running this morning. It really is beginning to feel like fall. And isn't fall one of the nicest seasons of the year?

Bro. Robert Stillwell of Wayland College preached for us Sunday and Sunday night in the absence of Bro. Hodges. Bro. and Mrs. Stillwell and baby, Johnny, were Sunday dinner guests in the J. E. Green home.

Our polio patients are better. Garvin Beedy was brought home last Saturday from the Plainview hospital. Dorothy Ann Melton is improving in a Lubbock hospital.

more yards gained. In the first down department it was 15 to 5.

**The Scoring Plays**

Scoring plays during the game were as follows:

Pass from Carmack to Stovall for 11 yards and TD.

Helms on a two yard buck across the goal.

Clark on a 70 yard punt return to pay dirt.

Clark off tackle for 5 and a TD; Carmack to Stovall pass and run for 40 yards and score;

Helms on a 9 yard jaunt around right end;

Hartline hammered for 3 yards to cross goal;

Helms returned punt 50 yards to double stripe;

Bearden two yards down the middle and over

Carmack kicked 5 extra points and missed 2. Helms ran one over, and Bearden missed one with Carmack holding.

The entire team helped the ball carriers to look good by opening good holes in the line and adding some down field blocking where it did the

most good.

**Starting lineup for Crosbyton was** Tommy Anderson, Buzzel Baxter, Darwynne Brewer, Don Edwards, Fred Edwards, Ben Fletcher, J. V. Harkins, Charlie Moore, Frank Miller, Jerry Mitchell and Julian Ogle.

**Starting for the 'Winds were** Lewis Reddy, Connie Bearden, Dane Clark, Kerwin Baxter, Billy Carmack, Don Barber, Charles Hartman, Franklin Stovall, Billy Carmack, Adrain Helms and Bert Grimes.

The boys were cheered on at the game by the girls pep squad and the school band. Both schools were well represented, and the bands from Crosbyton and Floydada gave impressive performances at the half that were enjoyed by the fans.

**The Scoring Plays**  
Scoring plays during the game were as follows:  
Pass from Carmack to Stovall for 11 yards and TD;  
Helms on a two yard buck across the goal;  
Clark on a 70 yard punt return to pay dirt;  
Clark off tackle for 5 and a TD;  
Carmack to Stovall pass and run for 40 yards and score;  
Helms on a 9 yard jaunt around right end;  
Hartline hammered for 3 yards to cross goal;  
Helms returned punt 50 yards to double stripe;  
Bearden two yards down the middle and over;  
Carmack kicked 5 extra points and missed 2, Helms ran one over, and Bearden missed one with Carmack holding.  
The entire team helped the ball carriers to look good by opening good holes in the line and adding some down field blocking where it did the

most good.  
**Starting lineup for Crosbyton was**  
Tommy Anderson, Bazel Baxter, Darwynne Brewer, Don Edwards, Fred Edwards, Ben Fletcher, J. V. Harkins, Charlie Moore, Frank Miller, Jerry Mitchell and Julian Ogle.  
Starting for the 'Winds were Lewis Reddy, Connie Bearden, Dene Clark, Kerwin Baxter, Billy Carmack, Don Barber, Charles Hartman, Franklin Stovall, Billy Carmack, Adrain Helms and Bert Grimes.  
The boys were cheered on at the game by the girls pep squad and the school band. Both schools were well represented, and the bands from Crosbyton and Floydada gave impressive performances at the half that were enjoyed by the fans.

## Demonstration Club Council Met Saturday

A representative of the county library committee, Mrs. Howard Drysdale, reported to the Floyd county home demonstration council Saturday afternoon that the last two weeks in November have been set as the dates to make a drive for funds for the library. It was also reported that some of the home demonstration club members attended the hearing of the county budget on August 27.

Mrs. Drysdale's report was one of several matters which had the attention of the county council, meeting in the grand jury room of the court house. Mrs. Ruth Daniels presided.

The exhibit chairman, Mrs. Geo. Stiles, asked that the individuals be thinking of entries for the South Plains-Panhandle fair which will be from September 29 to October 4. She also announced that Floyd county's exhibit will be on cutting plaids and stripes — with only three other counties having exhibits. These are Terry county exhibiting sponge cake, Bailey county exhibiting tomatoes, and Lubbock county exhibiting cleaning machines.

The recreation school with Miss Lucille Moore, recreation specialist, instructing, will be November 4 and 5 at the VFW hall.

Mrs. Bill Smith, newly elected chairman of the 4-H committee, reported on the county 4-H camp, the Girls Achievement day, and the benefit picture show for 4-H work at the Capada Drive-in.

Mrs. John Hoffman, chairman of the civil defense committee, called attention to the blood drive for the armed forces. The Bloodmobile will be in Lockney on October 16 and in Floydada October 17. Civil defense chairmen in all clubs will assist in their communities with soliciting names for donors. N. W. Williams, county chairman of the Red Cross and Dr. C. M. Thacker, Floydada chairman of the blood drive, explained the methods used in procuring blood.

Mrs. Tom Porter, Mrs. A. H. Kreis, and Mrs. G. N. Shirey were elected to compose the nominating committee for officers of council for the new year.

A number of visitors were present. They were civil defense chairmen in their clubs. They were Mrs. Lynn Miller of Sand Hill, Mrs. R. T. Jones, of Dougherty, Mrs. E. M. Quebe and Mrs. L. B. Brandes of Providence; Mrs. Woodrow Wilson of Center; Mrs. Raymond Williams of Homebuilders; Mrs. Raymond Temple, of Lone Star; and Mrs. Dunn of Wichita Falls, Texas.

The delegation to the state meeting of the Texas Home Demonstration association at Kingsville gave

a report of the business meeting there. The delegates were Mrs. Don Finkner, Mrs. C. A. Caffee, Mrs. S. J. Latta, Mrs. Ruth Daniels, council chairman, was also a member of the party attending from Floyd county. Movies of the entire trip, including the visit into Mexico, were shown by Mrs. Don Finkner.

## 'The Whirl' New FHS Newspaper

Floydada High school students' newspaper this year is making a considerable departure, changing the style of publication and the name as well.

Heretofore used as a feature in The Hesperian and called The Hesperette the paper this year will be published by use of the mimeograph and it has been christened The Whirl.

Volume, Number 1, of The Whirl, was published last week. Carolyn McDonald, daughter of an ex-1932 paper man and summer months staff member of The Hesperian, is the editor in chief. Her assistants include Norma Self, associate editor, Frank Stovall, Brooks Chapman and Dane Clark, sports editors.

At the class meetings held last week election of officers and organization was the order of the day.

Seniors class, having 87 members, have as their sponsors, Mrs. Ray Johnson and Bob Copeland, with Brooks Chapman as president, Kerwin Baxter as vice-president, Gladys Parkey as secretary, Cynthia Whitfill, treasurer, and Clint Turner reporter.

Juniors with 68 members of the class have Miss Reeder, Messrs. Colley and Price as sponsors, Bill Pulton as president, Jimmy Dunn as vice-president, Norman Dunn as secretary, Patsy Robertson as treasurer and Sue Baker reporter.

Sophomores have Mrs. J. O. McMillan and Mr. Hulsey as sponsors. They have 85 members in the class and elected Waldo Baxter as president, Buena Holmes as secretary, Glad Norman as treasurer and Jimmy Collins as reporter.

Freshman class has 113 members. Their sponsors are Mrs. I. T. Graves and Jack Eudy, with Pat Helmes president, J. E. Waller, vice-president, and Mary Wilks secretary-treasurer and reporter.

### ENCEPHALITIS VICTIM

Mrs. Lucian Wheeler, of Lubbock, a former Floyd county resident, is very ill in Lubbock hospital, of encephalitis, friends here reported, who visited in Lubbock yesterday.

Mr. and Mrs. Wheeler lived in the Bianco community for several years. Protectograph Ink, Hesperian.

## P. O. Quarters Bids are Asked

C. E. Curtis, a post office inspector at San Antonio, has announced that proposals are being solicited to be received by him not later than October 10, to furnish quarters suitable for post office purposes at Floydada, for a term of five or 10 years from July 1, 1933.

About 2,800 square feet of floor space is desired, says the notice. Proposals are requested to consider furnishing an air conditioning unit in connection with their lease proposals.

The present quarters of the post office in the Martin building approximately meet the requirements of the department as to floor space. It has been under lease by the department for 20 years or more.

## Flomot Gin Man Reports Successful Opening of Season

Odis Crowell, manager of the Goodwin-Crowell gin in Flomot reports that they had very satisfactory results from the first bale of 1932 cotton ginned on their new Hardwick-Etter plant.

The first bale was brought in by Ralph Stapleton, long-time farmer of the area. He brought in 2030 pounds of lint cotton. From this was ginned a 610 pound bale, with 900 pounds of seed. The ginning was free as this was the first bale. In addition Mr. Stapleton received a premium for the bale, which brought 40 cents per pound.

Mr. Crowell said they had ginned 18 bales the first of the week and that pickers are coming in slowly. The crop is reported as being about three weeks earlier than usual.

## Third Son Enlists For Navy Training

Edwin Dale Griffin 17, youngest son of Mr. and Mrs. Ed Griffin, left Monday for Albuquerque, New Mexico, where he signed up for a stretch in the navy. He will take 11 weeks boot training at San Diego, California, before being assigned. Dale attended the Floydada high school and during the summer months worked with his father in the produce business here.

Dale is the fourth member of his family to enter the service. Bob, an older brother, has been in the navy for the past nine years. Another brother, Tommy, served three years during World War II, was recalled and served 20 months. He was discharged this summer. A sister, Mrs. Maxine Morrow, was a sergeant in the Air corps when she was discharged last year. She is the wife of a master sergeant in the air force. The husband of the eldest daughter, Edna Earl, saw service in World War II.

## Band Working For Needed Uniforms

Band director Charles Howard has his band students at FHS entering into the activities of the school with enthusiasm. Their first trip of the season will be to Amarillo where they will be guests of the Tri-State fair Saturday.

They are making the football games and will appear Friday night when the Whirlwinds take on the Ralls Jackrabbits.

Most serious need of the band at the moment is uniforms. The band members are selling "Beat Balls" tags this mid-week and plan similar activities before the Padurrah home game. Also they have set Saturday, October 4, as tag day when the band members will have stations at strategic places down-town. To dress all the members up in fitting manner will take several hundred of dollars, said director Howard.

## Judge T. W. Deen Is Hospitalized

Judge Tom W. Deen had major surgery at Plains hospital in Lubbock Tuesday and was reported as rallying Wednesday.

His daughters, Miss Wilma Deen and Mrs. Don Boothe, together with Mr. Boothe and Miss Bernice Henry, all of Albuquerque, New Mexico were here this week in attendance at Judge Deen's bedside.

Mr. and Mrs. Jesse Haines of Fort Worth were also here visiting with the Judge and Mrs. Deen.

### POST OFFICE CHANGES

In addition to the transfer and departure of Bobbie O'Bannon from the Floydada post office to Dallas, changes in the local office include transfer of Burt Huckabee from city carrier to regular clerk, succeeding Kyle Glover, who elected to take the place of substitute clerk.

Elmer Leon Saul has taken over the carrier's route No. 2 in the city as substitute carrier, Mrs. Len Smith postmaster, said.

## Say Religious Freedom Issue In Rome, Italy

George E. Darling, minister of the City Park Church of Christ was among the West Texas ministers and elders of the church who met in Abilene last week at the College Church of Christ to discuss the Italian situation.

A delegation which will include ministers and elders from Texas and other states plans to call on the state department officials in Washington this week with reference to the Rome situation, which means that the church where Cline R. Paden has been pastor and other 19 churches along with Baptist churches in Rome have been ordered closed by the Italian government.

The Northside Church of Christ in Abilene is receiving funds to finance the work, and the City Park church will have a part in this fund. Cline R. Paden, of Brownfield, who is pastor of a Church of Christ in Rome is serving in the church under the sponsorship of the Church of Christ at Abilene. Mr. Paden's parents live

## Histories in Short Supply for Authors

Mrs. Nellie Witt Spikes and Mrs. Temple Ellis, co-authors of the book, "Through the Years, a history of Crosby County, held an autograph party at Arwine Drug store Monday, and were well pleased with the reception here of their book.

Several copies were autographed by the authors during the day.

More books are coming and Mrs. Spikes and Mrs. Ellis hope to be able to furnish all who want a copy of the book in the near future.

at Idalou. Several members from the Idalou church were present at the meeting.

The Roman police blocked all entrances to the American Church of Christ building on Sunday for the second straight Sunday, and prevented the members from holding service.

The Italian government through a police officer, Dr. Roberto Peppi, has said: "There is no issue whatsoever of religious liberty. These churches have not complied with Italian law requiring recognition and permission to operate."

The churches are required to obtain government recognition under law passed during Mussolini's Fascist regime.

Mr. Paden said he had been trying for almost four years to get recognition. The three Protestant denominations have announced that they plan to make a joint appeal to U. S. Secretary Dean Acheson against the closures.

The constitution of 1947, signed by all the Allies, grant freedom of

## What's New In Fall Styles' Is Discussed

What Have I Planned to-day?  
(Seed or deed) was the roll call the  
Sand Hill Home Demonstration  
club members answered at their  
meeting September 10. Mrs. C. A.  
Caffee reported the events of Texas  
home demonstration meeting at  
Kingsville. This report was educa-  
tional as well as entertaining, for  
Mrs. Caffee included human inter-  
est stories as well as facts.  
Miss Leila Petty's subject was one  
of never ending interest to women,  
"What's new in fall styles."  
For the recreational period a  
skit, "On Your Own Two Feet" was  
given by five of our club members.  
The attendance prize was awarded  
Mrs. Wayne Billington. The game  
prize was won by Mrs. Fred Jackson.  
The hostess, Mrs. Rafe Ferguson  
served sandwiches, cookies and  
cokes to our visitors. Mrs. Bill Smith,

the home of Mrs. W. O. Tye. Mrs.  
Burke, president presided. Roll call  
was answered with "What Our Fam-  
ily Has Been Doing This Summer."  
Special health (overweight) was  
presented by Mrs. W. C. Sims and  
Mrs. G. N. Shirley. They stressed the  
suggestion if you need to reduce, eat  
less.  
Care of the hair was given by Mrs.  
Claude Price. Be sure to keep the  
hair clean and brushed often, she  
said.  
Mrs. Fred Brown decorated a cake  
using pink roses, scrolls and rosettes.  
Mrs. Tye decorated cup cakes. She  
demonstrated the making of rose  
buds and forget-me-nots. Mrs. C. W.  
Denison was appointed club civil de-  
fense chairman.

## 4-H Scholarship Winner Is Good All-Round Girl

Lois Ritchie, daughter of Mr. and  
Mrs. A. A. Ritchie of Route 2, Post,  
Texas, is the winner of the District  
2 4-H girls scholarship to Texas  
Technological college in Lubbock.  
This scholarship is given each year  
by the Home Demonstration clubs  
in District 2 to an outstanding 4-H  
club girl who plans to study home

Lois Ritchie, Post miss enters  
Tech on 4-H club scholarship.

economics at Texas Tech. This an-  
nouncement was made by Mrs. Aub-  
rey W. Russell, District Agent for  
this area with headquarters at Lub-  
bock.

Miss Ritchie has been in 4-H club  
work for eight years and has been  
in the Post senior club the last few  
years of her work. She is a 1952  
graduate of Post senior high school  
and has entered Tech this semester  
to continue her studies.

### Proves Leadership Ability

As a 4-H club girl she received  
many honors for her leadership ad-  
ilities and her club work. She was  
vice chairman of the 1952 District 2  
4-H Girls camp, was a winner of the  
1952 Santa Fe awards with a trip to  
the national 4-H Club Congress at  
Chicago, was the winner of the  
Garza County Gild Star award in  
1947, won two trips to Round-up at  
College Station, and was winner of  
the Garza county dress review in  
both 1948 and 1949.

Miss Ritchie has carried on a  
clothing demonstration for 7 years,  
a poultry demonstration for 6 years,  
gardening for 6 years, bedroom im-  
provement, 6 years and Yard im-  
provement, 6 years.

Lois proved to be a leader. She  
held every office in her own club at  
some time during the 8 years, was  
vice-president of the Garza County  
organization and then was vice-

chairman of the district camp or-  
ganization.

### Learned Under Three Agents

Mrs. Wesley Stephens of Post was  
leader for Miss Ritchie's Club. The  
home demonstration agents that  
served her country while she was club  
girl were Jewell Strasner, Dorothy  
Harbin and the present Agent Jessie  
L. Pearce.

Lois was active in school work, too.  
She was editor of the 1952 annual  
and a pep squad member. She was  
art editor for the school annual be-  
fore she became editor and has art  
as her hobby.

She is a good all round girl and  
does a good job in many fields.

## News of Dougherty

(By Mrs. W. J. Ross)

DOUGHERTY, September 23. —  
The Dougherty community club met  
Friday evening with good atten-  
dance. A number were present from  
neighboring communities. We were  
happy to have them and invite them  
to come again. The club decided to  
have a carnival at the October  
meeting. The program consisted of  
songs by our popular commissioner,  
Fay Hart and a travelogue by Dr. C.  
M. Thacker of his recent trip to the  
Holy Land. Everyone found this in-

teresting and enjoyable.

Sunday school attendance was a  
little off Sunday. Only 44 were pre-  
sent.

This coming Sunday the Baptist  
Pastor will preach as usual. Every-  
one is cordially invited to attend.  
In the soft ball game with Lone  
Star last week, our local team was  
defeated. The score being nine to  
two. The Dougherty scores were  
made by George Scott and Bob Ross.  
There will be a return game at Lone  
Star this Friday.

Freida Smith, daughter of Mr.  
and Mrs. G. W. Smith fell and broke  
her left arm while playing at school  
last Thursday.

Mrs. Russell Crawford accompan-  
ied by her parents, the Rev. and Mrs.  
Wiley, of Post, spent the week-end  
at Ballinger. They were at the bed-  
side of an ill uncle.

R. T. Jones is home after several  
week's stay in South Dakota attend-  
ing to his farming and ranching  
business in that area.

Mr. and Mrs. Patterson, our for-  
mer teachers, were visitors in our  
community Saturday. They are now  
teaching at Meadows.

Malcom Ward is home from the  
hospital where he underwent sur-  
gery. While his condition appears  
satisfactory the latest report is that  
he isn't doing so well.

Mr. and Mrs. Lyles, of Tulla, were  
Sunday guests in the home of Mr.  
and Mrs. Virgil Scott.

Mr. and Mrs. Roy Crawford were  
Sunday guests in the home of Mr.  
and Mrs. Otis Anderson of Starkey.  
Mr. and Mrs. Wellmaker, of Floy-  
dada, were Sunday guests in the J.

# Goal Of Rotary Understanding, Good Will, Peace

Rotary Clubs in 83 countries throughout the world are united in an endeavor to promote international understanding, good will and peace. That was the message of Alton B. Chapman of Floydada, Governor of District 132 of Rotary International, in addressing the Rotary Club of Floydada at their last meeting, following a conference with local Rotary officers, directors and committee chairmen.

In addition to the activities of Rotary's 7,600 Clubs within their own communities to promote this objective, Judge Chapman explained, Rotary International has spent more than \$1,000,000.00 in recent years through its program of student fellowships, which enable outstanding college graduates to study for one year in countries other than their own, as ambassadors of good will. Since this program was established in 1947, 394 Rotary Fellowships have been awarded to students in 48 countries. Two have been selected from this district, but only one Jerry Briscoe of Amarillo, actually completed his study. The program has grown so rapidly that this District will be entitled to one student

every other year. "With fellowship and service to others as its keynote, Rotary provides a common ground for 360,000 business and professional executives throughout the world, regardless of differing nationalities or political or religious beliefs," then Rotary District Governor emphasized. Guy Ginn is president of the local Rotary Club and presided at the meeting.

## South Plains News

(By Mrs. Murray Julian)

**SOUTH PLAINS, September 22.**—Today's good rain which is general over this area, is ushering in Autumn, and saying goodbye to a long hot, dry summer. Everyone had hoped the equinox would bring a favorable change in our weather. This change so abruptly to damp cool days is wonderful.

Mr. and Mrs. L. N. Johnson, and son, Carlton, went to Sedalia, Missouri, to visit Mr. and Mrs. Carl Daniels in their new home there. They spent nine days visiting and seeing the country. They returned home on Saturday, and reported good pastureage and plentiful crops back where the Daniels live.

Mr. and Mrs. Frank Vanek, Patsy Maxine and Allen, from Lockney, were in our community last Sunday afternoon visiting Mr. and Mrs. Grigsby Milton and daughters.

Mr. and Mrs. Walter Wood had as guests at Sunday school and church Sunday, Mrs. Wood's cousin, Mrs. Long and husband, who reside at Silverton. They remained to spend the day visiting with the Woods.

Garvin Beedy came home from the hospital at Plainview Saturday morning, weak but doing quite well. He is recuperating at his home in

Floydada. We join with all his friends in best wishes for his full recovery, and in thankfulness for the fact that he suffered no ill effects from the Polio attack.

Mr. and Mrs. Murray Julian went to Matador Sunday after church to visit Mr. Julian's aunt, Mrs. Elta Reeves, his cousin, Verlin Reeves, and Mr. and Mrs. Elbert Reeves. They report the crops look very well despite the fact that they had no rain all summer, only scattered showers. Feed looks bad, but the cotton crop is quite good.

On Friday afternoon J. B. Thames took his room to Lone Star School, where they played ball during the afternoon with the Lone Star Team. They suffered defeat at their hands. Many of our community will be spending some time at the Amarillo Fair this week. Mr. and Mrs. Bill Beedy and Eugene plan to go Tuesday, and Mr. and Mrs. Murray Julian and sons intend to go later in the week.

**Daughter Born to Mr. and Mrs. Bean**  
Mr. and Mrs. Kenneth Bean are the parents of a daughter, Sue Diane, born September 16, at 10:30 o'clock p.m. at Silverton. Mrs. Bean and baby are doing fine now. Mrs. Bean is at the J. K. Bean home in Silverton for the time being. She went there last Friday evening, but the baby will have to stay at the hospital for a while until she gains more weight. She weighed less than four pounds when born.

Mr. and Mrs. J. P. Taylor and children attended the Silverton high school home coming Saturday, September 20. There was a delicious barbecue at noon, and a football game in the afternoon between Silverton and Anton, with Silverton winning 26-12. Susette Fox came the farthest of any of the graduates, as she now lives in Missouri.

Mr. and Mrs. Otho Sanders and Martha Lee went to Denton, Texas, on Sunday, where Martha Lee will enroll at T.S.C.W. college for the coming term. Mr. and Mrs. Sanders plan to spend one night with her brother, R. V. Bartlett, of Fort Worth, while they are on the trip.

Virginia Taylor went to Plainview Saturday with her grandmother, Mrs. Merrell, of Quitaque, who went to bring Betty Ruth, home for the week-end. Betty Ruth is attending Wayland college.

Mrs. Fred Fortenberry entertained with a Stanley party at her home Wednesday, September 17, at 2:30 p.m. Mrs. H. C. McClung, from Floydada, was in charge of the party. After the presentation, Mrs. Fortenberry served refreshments to those who were present, Mmes. A. P. Sanders, Hansel Sanders, Elmo Reeves, Otho Sanders, C. A. Seymour, J. C. Lewis, Cephus Fortenberry and Martha Lee Sanders.

Mr. and Mrs. George Weast visited in the home of Mr. and Mrs. Otho Sanders and children Wednesday night of this past week.

After church Sunday Mr. and Mrs. Fred Fortenberry went home with Mr. and Mrs. A. P. Sanders and enjoyed Sunday dinner with them. After dinner they all went to the singing which was held at Lone Star during the afternoon.

Mr. and Mrs. George Weast left

Monday evening for Amarillo to spend a couple of days with their children, Mr. and Mrs. E. T. Evans and family.

Mr. and Mrs. George Robertson are spending the next few weeks in Hereford. Mr. Robertson is building a new home for his son-in-law, Elvin Wilson and family. They reported the rainfall Monday in Hereford was about the same as hereabouts.

Paul Snodgrass spent last week in Telephone, Texas where he visited his wife, who is staying with her parents. Mrs. Snodgrass had planned to come home this past week but the illness of the folks had changed her mind, so Mr. Snodgrass visited them.

Mr. and Mrs. Bert Sewell spent the past week end in Amarillo visiting with Mr. and Mrs. Jack Crawford. Mrs. Crawford was the former Mrs. Minnie Cypert. She came home with her parents to spend a few days. Her husband came down Thursday to spend the night here. They both returned to Amarillo Friday.

Buster Wilson was a dinner guest at the home of his brother and wife, Mr. and Mrs. John Wilson, Friday. Buster Wilson lives in Silverton.

W.M.S. met at the South Plains church Wednesday, September 17, for Royal Service, and subject under discussion for the group was "Japan's Puzzled People." Those who attended the meeting were Mmes. John Smitherman, Shelby Calahan, Murray Julian, Robert Reeves, Bryan Karr, Grigsby Milton, Dock Jones H. S. Calahan, Jr., and John Allen. The group are planning a Thanksgiving box of clothes which they are going to send to displaced persons in Germany.

**First Community Party of Season**  
The community club of South Plains met at the school house Thursday, September 18, for the first meeting of the season, with a large group present, and a covered dish supper was laid for the crowd, which was enjoyed by all. This was followed by a business meeting conducted by J. B. Thames, president of the club. It was voted to meet on the first Thursday of the month for coffee and games, and on the third Thursday of the month with a covered dish supper and games to follow. The group played "42" and dispersed early on account of the next day being school day. Those present were, Messrs. and Mmes. I. H. Parks, H. R. Hartman, Ernest Smitherman, Grigsby Milton, Owen Thornton, Murray Julian, John Smitherman, Albert Stewart, J. B. Thames, George Beedy, George Weast, and Bryan Karr. The children were present also. The next meeting of the club will be October 2. If the weather is cool some one will have charge of the children's activities.

Mrs. Arby Mulder, president of P-TA at South Plains has announced an important meeting of that organization at the school house Friday afternoon, September 26, at 4:00 o'clock.

Mrs. Ernest Smitherman enjoyed a visit from her sister, Mrs. Homer Campbell, from Haskell, who with Mr. Campbell came Wednesday to spend a few days visiting with Mrs. Smitherman and family.

Mrs. Buster Durham and sons of Phillips, Texas, was the week-end guests last week at the home of her sister, Mrs. L. T. Wood and her family.

Mr. and Mrs. W. M. Staniforth, Jr., were among those who went from here to Lubbock Saturday night to attend the Texas Tech-West Texas State football game.

Mr. and Mrs. J. P. Taylor and Mr. and Mrs. George Beedy have reported good progress on their home which they are building. The Beedys home is going up in Lockney, while the Taylor's home is being built close to the home where they are now occupying.

## Gene Arwine On Destroyer Escort

Ensign Gene T. Arwine, of Floydada, Texas having completed officer candidate school at Newport, R. I., recently reported aboard the destroyer escort USS Nicholas based at Pearl Harbor, says a dispatch from the Great Lakes Naval News center.

Ensign Arwine, a graduate of the University of Texas, is residing in Honolulu with his wife, the former Miss Julianne Heinene of New Braunfels. While serving aboard the Nicholas, he is attached to the engineering department.

**TEXAS-BORN IKE** ...a man of integrity

He is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower!

That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party — but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

If you, as a Democrat, feel as we do — join us! Be a Texan — not a Trumanite . . . Vote Ike!

Chairman: CLAUD H. GILMER, Rockspring  
Vice Chairman: MISS NAN PROCTOR, Victoria TOM SEALY, Midland

I am a Texas Democrat for Eisenhower, and I want work in my community to elect him. Please send me further information.

## Edwards Jerseys Officially Tested With High Record

September 16, 1952 — Earl Edwards, Jr., herd of registered Jersey cattle has just completed a year of official Herd Improvement Registry testing. Edwards lives on Route 2, Floydada, Texas.

The herd averaged 10,316 lbs milk containing 527 lbs. butterfat per cow during the year. The herd had an average number of 3 cows during the test period. All tests on the herd were made by Texas A. & M. College and verified by The American Jersey Cattle Club, which has its national headquarters in Columbus, Ohio.

The animals in the Edwards herd had an average butterfat production that is greater than twice the amount produced by the "average" dairy cow in the United States. The Herd Improvement Registry test for production of the program designed by The American Jersey Cattle Club to make possible the constant improvement of the Jersey breed.

Then there's the young bride who asked if she should buy the gray from the grocer or the butcher.
