

LAND BOARD HEARING FRIDAY ON LAKEVIEW 'VACANCY' CLAIM

From testimony presented in the hearing at Austin beginning Friday morning at 9 a.m., the state land board will decide whether a land vacancy of about 10 acres exists a mile southwest of Lakeview school house in Floyd county.

Total number of tracts that will be affected if the "vacancy" is declared a valid one is approximately 85 with more than 50 owners. Earl Crawford, chairman of a committee representing the land owners, expects considerably more than half of these owners to be present at the hearing in the morning. The state land board will hear testimony.

Crawford points out that it is important the land board be impressed with the fact that the vacancy, if it does exist, is located in a highly developed area, with many roads, irrigation wells and improvements involved.

Work Round the Clock Southwestern Public Service Company (See Heavy Damage, back page)

Highly Beneficial Rain and Snow Whips into Area; Heavy Damage to Light Lines

and snow that brought an estimated 68-hundredths of an inch to Floydada last Thursday, accompanied by high "loping" that did a great deal of damage to light and power lines throughout portions of north and west counties and damage that requires disastrous proportions for properties in a wide area in Lamb, Bailey, Deaf Smith, and Swisher counties.

quite considerably smaller total content of moisture deposited on

Thermometers tell the story of how fortunate the area was and particularly stranded motorists last week-end when wind, rain and snow lashed the region. Low of the period was Friday morning at 27 degrees and at no time Thursday did the mercury dip below 29. Saturday's low was 30.

Snow Storm Rages Preclude to the unusual natural phenomenon were high winds that whipped in from the northwest and

struck in the vicinity of Floyd county about 4 o'clock Thursday morning. On it heels the snow squalls started. By 10 o'clock roads were blocked on east and west routes, telephone long line circuits had begun to go out, light lines to break and poles to snap under the whipping of the elements.

The winds were described as peculiar by men of long service in the long lines transmission business, who said the currents seemed to whip lines in a barrel-like motion that tangled the lines or snapped them as they whipped up and down. Lines that did not break were said to have whirled in violent motion for hours and hours.

The snow was heavy and sticky

and did a great deal of good in the fields and on the ranges in spite of the high velocity winds that had a tendency to stack the snow in east and west lanes.

Men Do Heroic Job This week Floyd County Rural Electric Cooperative, Southwestern Public Service company and other concerns in like lines were still hauling poles, cross arms and repair materials into the Swisher and Bailey county areas.

The violent elements put the service crews of the rural electric companies to their most grueling test in the history of the organizations. Floyd County R E A Cooperative had every well man in its organization out at work beginning Thursday

morning and continuing through to midnight Saturday. Some of the crewmen went as long as 38 hours without sleep. Few of them came in with less than 24 hours of repair work on the lines, and then only to get food and dry clothing. They churned through snow drifts all over west and northwest Floyd county and deep into Hale. In addition to their own men the Floyd County co-op impressed into service contractors construction crews at work in the area. Their last breaks had been temporarily closed when they broke off from the job at midnight Saturday.

Snow Puts Good Season on Ground for Big Area

Nature dealt out punishment both man and beast Thursday night last but estimating layer of moisture over

Postmaster B. A. Howell, at the Sterley store, reported about one to one and a half inches of moisture was realized from the snow which fell there. He said the moisture would do a lot of good, that ground already prepared is in good condition and wheat planted is looking good. A rain amounting to about 38 inches fell before the snow, said Mr. Howell.

C. L. King at Lone Star said they had a big wet snow with more there than at Lockney, but he could not estimate the amount of moisture.

Mrs. J. K. Holmes reported at Starkey a very nice snow, hardly as much as in Floydada, but of great help.

Mrs. Webb at the J. C. Ginn home at Cedar reported a very good snow. At the Tom Fortenberry home, Cedar Hill, a good snow was reported with about one-half inch of moisture estimated.

Good at Barwise J. H. Barnard, of Barwise, gave an estimate of about three-fourths to one inch of moisture there. "Best we have had in a long time," said Mr. Barnard.

Orland Howard at Dougherty said no gauge was available, but it is estimated about one-fourth inch of moisture was received, very beneficial.

Billy Stanforth at South Plains said no gauge was available and he did not know or did not estimate the amount of moisture received. The wind blew hard. What moisture fell was very good.

Mother's March on Polio Takes Place Tonight Tonight's special event in the March of Dimes for Floyd county and nationwide will be the Mother's March on polio.

SECOND DOLLAR DAY FOR 1953 COMES MONDAY

Second dollar day for 1953 will roll around Monday, promptly on Ground Hog day.

Numerous retailers of the business community are joining in the special effort to make bargains available to people who shop here for dollar day bargains.

Along with the dollar day features will also be shown some of the advance spring fashions due to prevail during the spring and summer.

Thus, while the shopper views the bargain specials she can also see the new fashions in wearables in the spring mode.

Every home in Floydada that has a porch light, a candle, or a handkerchief on the door knob, will be visited for donations to the cause.

County Chairman Rex R. Brown says that the march plan is well organized in Floydada, with Mrs. Billy B. Henry general chairman of a group of mothers who will visit over the town to gather up the donations.

Brown's letter of appeal to the people of the county also goes out this week-end. Influenza and the pressure of other affairs have slowed down the beginning but the county chairman insists that Floyd county will turn up with enough donations to fully meet expectations.

Citizens of the community are called upon by Mayor J. A. Patterson to help tonight. Patterson's proclamation declares "the mother's march on polio will prove one of the finest manifestations of the depth of our concern for the health of our young people, and our determination to conquer infantile paralysis forever." He calls on the citizens to have their porch lights turned on as signals of welcome to the humanitarian volunteers so they may raise funds necessary to carry on the

Modernizing Business Community Heads List in Project Reports

Floydada's business section needs more new store fronts and modernized business places. That is the opinion of 90 per cent of the post card project suggestions being received by the Floydada Chamber of Commerce this week, says O. M. Watson, Jr., Manager of the Chamber.

Watson thinks that this shows that Floydada citizens are interested in their town and are just as proud of a new store front as the businessman himself. Congratulations and compliments coming in to Floydada businessmen who have recently modernized also prove that point, says Watson.

Arwine Drug, Rutledge Panhandle Service, Goen Drug and the New

Piggly Wiggly are good examples of recent progress, and there have been few events in Floydada which have brought more favorable comment from the people.

Mrs. Maud Hollum in her card to the chamber said, "I think the buildings around the square need their fronts cleaned up and brightened and some of those old signs changed. I don't know how many of us can afford it but it would help the looks of the business part of town more than anything." Other Floydada business men and women share Mrs. Hollum's views about their town.

There are complaints especially from the younger businessmen of Floydada that some property owners have kept up with the times in repairing and modernizing their property. They now hope that the thirty year period of doing nothing to help improve the appearance of Floydada has ended and that great progress can be made in 1953. These young men also point out that an attractive business section now plays a greater part in the future prosperity of Floydada.

Mrs. John Kimble's Father Succumbs; Rites in Illinois

Mrs. John Kimble was notified last Wednesday night of the sudden death of her father, H. J. Koenen 67, of North Ridge, California. Mr. Koenen, died of a heart attack at his home there. He had retired from business in Chicago and moved to California two years ago for his health.

Dr. Kimble started with Mrs. Kimble and the two eldest sons for Amarillo for Mrs. Kimble to catch a plane for California but the party was snowbound, taking about 11 hours to get to Amarillo. Mrs. Kimble left on a plane about 9:30 Thursday night.

She in company with her mother, accompanied the body of Mr. Koenen from California to Chicago, the family's former home.

Funeral service was held for Mr. Koenen in the chapel at Oak Lawn cemetery at Hill Side, Illinois, Tuesday, with interment in the Oak Lawn cemetery.

Mrs. Kimble and her mother are expected to return to Floydada Friday.

Mr. and Mrs. H. J. Koenen have visited their daughter here on numerous occasions.

known at this time the county surveyor has never received any official pay from the county.

Raises Are Detailed Raise for each of the commissioners is \$300 per year. Whereas the commissioners received last year \$2,300 per year and \$900 travel allowance they will receive \$2,600 this year, plus the travel allowance. Other officials who received \$300 per year raise were all road hands, all deputies, the county service officer and the county agent's secretary.

The county treasurer was given a raise of \$610 per year, the district clerk \$340, and the county mechanic got \$180 per year raise. An additional "fringe" benefit for bonded officials is the assumption by the county this year of all expenses of surety bond premiums.

With these cost of living benefits the county's salary list has reached an all-time high. Total of the county payroll per month (38 on the rolls) before deductions is \$8,774.66 per month. Of this amount over \$1,000 per month is with held for income tax and Social Security deductions. The withholding total will be \$987.50 per month and the Social Security deduction \$126.97 per month. Mrs. Sam A. Spence, county treasurer, said. Additional deductions amounting to \$70.75 per month are made for hospitalization for those members of the county family who request it. This is an expense paid for by the employe or officer.

The five top officials who got increases last year and did not participate in this year's increase are the county judge, the county attorney, the assessor-collector, the county clerk and the sheriff, each of whom is on the salary list at \$4,125 per annum. Other raises listed are as follows:

Commissioner, from \$2,200 per year to \$2,500 per year, plus \$900 travel allowance;

District clerk, from \$2,760 per year to \$3,100 per year;

County treasurer, from \$2,990 per month to \$3,600;

County mechanic, from \$3,720 per year to \$3,900 per year;

County service officer, from \$2,640 per year to \$2,940 per year;

Deputy county clerk, from \$2,310 per year, to \$2,610 per year;

First deputy tax assessor-collector, from \$2,310 per year to \$2,610 per year;

(See Salary Raises, back page)

With the exception of the top five officers and certain others, every official and every employe of Floyd County received a substantial pay raise this week, to be reflected in their take home pay beginning February 1.

This one of the Commissioned court, setting up the new pay basis, was passed last week but did not get to the minute book until this week. The record discloses that every road worker, every commissioner, the county service officer and the county agent's secretary got a raise in annual salary. All are paid monthly.

Among the exceptions who got no raises are the justice of the peace, the county agricultural agent, the county home demonstration agent, the county superintendent of public instruction and his assistant, the district judge, the district attorney, the county surveyor and the deputy sheriffs. The allotment to the sheriff for pay of deputies was left the same as before. So far as is

Boys Start Conference Games Against Tullia Cagers Tuesday

2 AA competition in basketball get underway Tuesday night when the Whirlwinds go to engage the Hornets. As a game scheduled for January 29 but it was postponed until February 7 because of school work.

over Tullia and has been beaten once by the Hornets in an overtime match.

Interscholastic league basketball will be played to a state championship in classes B, A, AA, AAA, and AAAA, and five state champions will be crowned at the state tournament March 5, 6, and 7. District champions must be named by February 21, and regional champs by February 28. Site of the region I tournament will be Texas Tech where the eight district winners will play for the right to go to state.

Conference schedule February 3 - (Tuesday) Tullia here; February 6 - (Friday) Canyon here; February 7 - (Saturday) Hereford here; February 10 - (Tuesday) Hereford here; February 13 - (Friday) Tullia here; February 17 - (Tuesday) Canyon here.

Last night (Wednesday) the A and B boys teams went to Childress to play the Bobcats. Childress has previously defeated the 'Winds twice this season. No score was available at press time.

Snow, Rain Damage Lockney Chevrolet

Friday afternoon after the big snow and rain, Lockney Chevrolet Company suffered a cave-in of the front of their store and show rooms. It was thought the heavy snow and water was the cause of the trouble.

It is estimated about \$15,000.00 damage resulted.

The owner of the motor agency, A. P. Barker, sr., is on a boat trip in the Caribbean at this time. His two sons, A. P. Barker, jr., and Barry Barker are managers.

Hughes, of Brady, owner of drug, went along with the in the completely re-done and pharmacy.

addition to the Arwine is Mrs. Evelyn Sims, Herbert, whose principal be at the cosmetic bar.

VIEWS AND COMMENT

A friend said the other day that an editorial writer ought to read aloud every editorial before he lets it go to print. An editorial, especially one written against a deadline, surely doesn't always mean what the writer intended for it to mean, when it gets into cold print. The friend undoubtedly had something there. The fact is that a good many writers, including the one we're thinking about at the moment, ought to throw a considerable bit of what they write into the waste basket and begin over with a fresh sheet of paper—and lots of times with a fresh mind, if one is available.

Storm signal for the pace setters up at Washington has been the declining prices of the past several months—declining prices of what the farmer has to sell. And the insistence on the part of most everybody else that he (everybody else) can't make ends meet unless he (everybody else) has a new raise in price. And a lot ask for more "fringe" benefits also, especially the skilled workman. The farmer from time immemorial has tried to be the independent person he has been pictured by himself and others through the years. But this apparently can be no more. Now he is having to call this storm signal to the attention of the powers that be. The pattern is starting up well like it was in the 1920s. Prices going off at home, loans abroad being pared. The foreign market cannot buy because they can't borrow the money from America with which to pay. Big Business, Big Labor will doubtless take note lest they walk the streets again like they did in the thirties, after a considerable number had decided they wouldn't be willing to do that and just preferred to jump out of the window of a tall building.

Pain in the neck for the Kansas and the other mid-west Republicans is the Texas talk about the nativity of the new president. He was born in Texas, they admit, but only because the family had to move to Texas during the hard times in the early nineties. As soon as the folks could they moved back to Kansas. But meanwhile the president had been born. A good many Kansans moved to Texas along about that time. Some of them stayed and have made Texas good citizens. Doubtless the Eisenhowers would have been all right, too. But Kansans can't see it that way. They wish there was a good answer to this latest Texas brag.

Defense Secretary Wilson amazes us by not knowing he couldn't be a major party on both sides to a government contract. Said to have been considerably irked when he found out there was such a question being raised, he is said to have remarked that he thought they had that all thought out. He apparently still is puzzled by the situation. Officials of the smallest calibre in country America know better than does Mr. Wilson. Evidently you don't have to be grounded in the rudiments to be a big shot among the big shots in the United States.

Poll tax deadline is Saturday midnight. Story has it that considerably less than half of the otherwise qualified electors have not paid up as yet. It is an "off year" for elections. Evidently these non-payers are going to let the mediocre minds settle the mediocre problems of city and school officials and the occasional other matters of small import while they save their talent and their money for the more important problems that arise only in election years. We're still laughing about how many of the better people in Crosby county who had somewhat the same idea two years ago, rushed madly to the poll tax window to get poll tax receipts when they learned along about mid-January that a beer election was being petitioned, so as to keep out the Demon Rum. They couldn't leave an important matter like that up to the mediocre minds they were willing to let choose the school trustees, the mayor and the aldermen.

Drug addiction is a disease, and a deadly one. Those who go through the hell of it can tell you better than anybody that the first shot to keep going or the first because it is smart and funny should not be taken. Only under the direction of a physician should drugs be taken. It is not good to "lecture" a youngster but let him know in other ways about it. Generally, "lecturing" only serves to remind a youngster how old foggy his parents have become at their old, old age. The state health officer puts out a reminder of the dangers of the drug habit in the current releases that will be interesting to read and study about. This is becoming somewhat a more complex world in our area than it used to be, one must remember.

Dog styles change. Evident to even the most casual observer is the change in style of dogs we have in the country in the past decade. Yesteryear the canine we took to the country (because he was a nice dog, we didn't have the heart to kill him and he'd be sure to make some farm family a good helper around the place) was most likely to be a pup that would develop into a 35 or 40-pounder with a big gruff voice. As a corollary the offspring of this big, fine animal that the man in the country turned loose in the edge of town (because he didn't have the heart to kill such a fine animal and it would be sure to make some lonesome little town boy a happy companion) was also a big type dog. Of course a considerable per cent of these dogs that passed each other going back and forth to and from the country, didn't find the good home or the companionship that was anticipated. It wound up that the authorities (generally some man at the city hall got the finger) had to do some slaying. The current strays are quite different, you'll note, the little yip yip varieties, weighing less than 20 pounds, sometimes as little as six to 10 pounds. A good big stray dog is a novelty. You can't stop the march of civilization.

Competition begins with the search for oil.

Competition gives you the best petroleum products in the world at the lowest prices

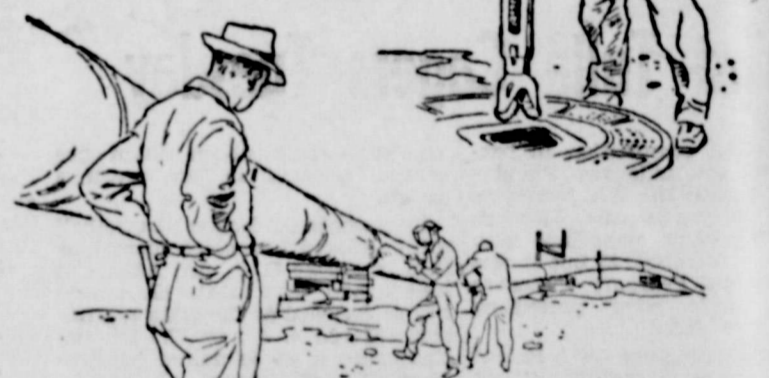

The U. S. oil business is one of the most highly competitive industries in this country and, for that matter, in the world. Every time you buy a gallon of gasoline or a quart of motor oil, there are at least 100 companies that would like you to buy from them.

Your purchase stimulates competition far beyond the service station driveway where you make it. It stirs scientists to find more oil for your use. It urges production men to produce oil more efficiently and economically and with less waste. It extends through low-cost transportation pipe lines to refineries that seek better ways to make more and better petroleum products to compete for your business.

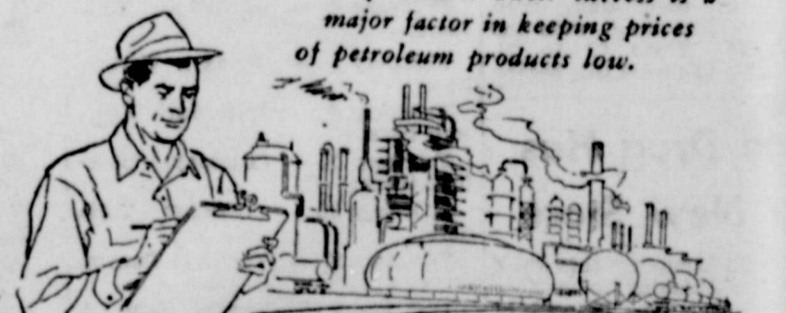

Is this competition a good thing?

It certainly is. It's a good thing for you because you get the best petroleum products in the world at the lowest prices. It's a good thing for the country because it stimulates the continuous development and conservation of a vital natural resource. And it's a good thing for the oil business: competition keeps the industry strong, vigorous, progressive.

Improved drilling and producing methods increase supplies of oil at reasonable prices.

Pipe line companies seek to improve their service and to reduce the transportation cost of oil and finished products. Their success is a major factor in keeping prices of petroleum products low.

Competitive refineries never let a day pass without trying to find a better way to make more and better petroleum products for your use.

Your service station dealer competes in product quality and service with all the other dealers in your neighborhood.

Agriculture

Released by
The Texas Department of Agriculture

LABOR OUTLOOK — Less available farm labor may mean higher prices for the forecast of the United States Department of Agriculture in 1953. The strike during 1953. The state is optimistic note, by adding that the labor is expected to be sufficient, whole, to keep farm production high levels.

Number of workers employed has decreased steadily during 15 years. At the same time labor requirements have also increased because of rapid gains in mechanization. The result is that per farm work now is at a record. Further progress in mechanization and other in technology should lower requirements. Even so, the need of replacing some workers met if high production is maintained.

It is noted that wages paid workers this year may rise 5 per cent, as compared with about 7 per cent in 1952. Part of the rise will vary according to the net losses of farm workers to industry in certain areas, and to the Armed Forces.

Although only a nominal increase in the net size of the Armed Forces is predicted in 1953, the rotation of service personnel will create labor problems for some farmers who lose men needed as replacements in the crops.

The farmers also face the continued threat of losing laborers to nonfarm employment because of higher wages or improved working and living conditions. It may be good business for farmers in need of help to be on the lookout for potential year-round workers and to train them.

Difficulties also may be experienced in getting adequate supplies of seasonal workers in some areas this year. The Texas farmer has had plenty of experience in this line. Due to constant policy changes, or often inadequate agreements, the supply of available bracero labor varies greatly from year to year. A good flexible policy on labor importation from Mexico is the hope and goal of many people in Texas.

Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated January 26, 1939.)

Chamber of Commerce executive directors will not make a hurried decision on the selection of a successor for R. W. Cothorn, resigned secretary, G. W. Kirk, president of the organization, said this week. Mrs. Earl Crow will have charge of the office temporarily.

The Parent-Teacher association of Andrews ward school will sponsor a book review by Mrs. Fred Rodgers of Plainview on February 17, it is announced by the president of the association, Mrs. Roy Snodgrass. Mrs. Rogers will review "O Tell of Time."

Floydada Rotary club had an old time spelling bee at their regular meeting on Wednesday at their luncheon, following a short discussion of the club progress by Secretary S. W. Ross.

Miss Claudie Myrl Patton became the bride of Weldon Thornton on Saturday, January 21, at the Baptist parsonage. Rev. Vernon Shaw officiating. The young couple will make their home in the Lakeview community.

Light sleet and rain Sunday night added to the moisture content of east plains soil and continued light freezes nightly have helped condition both early and late wheat. Two-tenths of an inch of moisture was recorded.

First funds to be spent on the Floydada light and power plant will be an allocation from the federal grant, which has been approved in Fort Worth for \$22,610 and will be sent to Floydada as soon as the formalities of approval are gone through the Public Works administration at Washington.

Over 125 persons attended the Band-Parent banquet at the Andrews ward gymnasium Monday night when the band entertained with music and others entertained as well and school authorities and others interested talked. Band Director M. T. Camp and his band members delighted the audience with good music. G. N. Shirey was chairman of the arrangements and other members of the committee were, Mrs. Alvis Chowning and Garland Glover.

Dr. and Mrs. Donald H. Pitts left Tuesday for Elk City, Oklahoma, to accompany their daughter, Sally, who will re-enter college in that city.

Mrs. A. N. Ward honored her daughter, Sappho, on Friday with a surprise birthday luncheon.

Miss Evelyn Groves entertained a group of friends in her home Tuesday night celebrating her eighteenth birthday.

New Church Ready About March First

LOCKNEY. — First services in the beautiful new sanctuary of the First Methodist church probably will be held about March 1, Reverend N. B. Daniel, pastor, states.

The furniture is expected about February 15 and the building will be ready for immediate installation of the furniture upon arrival.

The auditorium will be seated with modern type pews with foam rubber cushions.

The first evidence found of an upper story in a Mycenaean palace from 1200 B. C. That was seven centuries or more before Greece's classical "Golden Age."

Fluted columns, never before seen in palace construction of Heroic Age, were discovered in clear impressions left in flooring. Successive layers of plaster laid around the columns formed a perfect impression of the original wooden columns with 32 flutes.

Nestor's palace is the third excavated on the Greek mainland and is in some respects better preserved than those at Mycenae and Tiryns.

The Floyd County Hesperian, Floydada, Texas, Thursday, January 29, 1953.

Pylos lies in southwestern Peloponnese, approximately 225 miles southwest of Athens.

Don't Give a Dam
It is quite proper to say you don't give a dam. The expression began among agents of the British East India company in the 18th century when a dam was a small Indian coin worth one 40th of a rupee.

Jonathan Hulls, an Englishman, built the first steam propelled vessel in 1706.

Bus Station Burns

RALLS. — Fire of undetermined origin destroyed the bus station in Ralls Friday night.

The blaze was discovered about 11:15 o'clock after the place had been closed for the night. The fire department was unable to save the frame structure that housed the bus office, a small restaurant and the personal effects of the owners, Mr. and Mrs. Bradford Lewis. The Lewises have operated the bus depot in Ralls for several years. Firemen believe the blaze started from faulty wiring.

Outstanding Back

RALLS. — Don Bennett, senior halfback on the Jackrabbit football team was presented a trophy Monday night for being the most outstanding player on the 1952 squad. The award was made at the annual football banquet staged by the Quarterback club.

Rex Kimbrough, president of the club and master of ceremonies, made the presentation on the basis of citizenship, ability and scholarship.

Dewitt Weaver, head athletic coach at Texas Tech college was the principal speaker.

Mrs. Evelyn Gurley of Lamesa is now an operator with Mrs. Thelma McGough of the Vogue Beauty shop on north Main street.

Arnolds' of Ralls Still Hospitalized

RALLS. — Mr. and Mrs. A. W. Arnold of Slaton, who sustained serious injuries in a car wreck on December 6 are still patients in a Lubbock hospital. Both are reported to be improving. The Arnolds are parents of Marvin Arnold of Ralls.

Mr. and Mrs. A. W. Arnold formerly lived in Floydada. Mr. Arnold owns the ice plant here. They moved from here to Slaton in the early part of 1952, where they also own the ice plant.

When the Arnolds were in Floydada they lived at 229 West Virginia street.

Mr. and Mrs. Homer Steen were in Austin over the weekend, where they attended the sixth annual mid-winter meeting of the Texas Press association. While in Austin, they were guests, also, of a son, and wife, Mr. and Mrs. Phil Steen and daughter, Becky. Phil plans to enter University of Texas there.

KING NESTOR'S PALACE

Two story palace construction and fluted columns — archaeological "firsts" from 3,000 years ago on the Greek mainland — were discovered this summer in excavations near Pylos which established the "obvious identity" of fabled King Nestor's palace.

Signs of a balcony running around the great throne room of Nestor and other indications are

1953 Chevrolet Advance-Design Trucks deliver more value!

4 powerful reasons why you get more of what you want...

- more engine power!** 108-h.p. Loadmaster engine—standard on 5000 and 6000 Series heavy-duty and forward-control models, optional on 4000 Series heavy-duty trucks.
- more staying power!** Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.
- more braking power!** Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.
- more economy!** New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

Patsy Sue Bownds, Ralls Miss Becomes Bride of David Nichols

RALLS. — First Baptist church was scene of the marriage of Miss Patsy Sue Bownds, daughter of Mr. and Mrs. Lester T. Bownds, and David Nichols, son of Mr. and Mrs. R. L. Nichols of Floydada, which was read at 7:30 o'clock in the evening, December 27. Rev. James S. Abernethy officiated with a double ring ceremony before an altar flanked with baskets of white gladioli and greenery, lighted by candles.

Mrs. Campdon Lawson of Lorenzo played an organ prelude and accompanied Mrs. R. C. Hurnence of Lubbock as she sang "Indian Love Call" and "At Dawning."

Misses Charlotie Ragland and Naomi Taylor lighted the candles which marked the aisles and placed at the altar.

Miss Peggy Bownds was maid of honor. Mrs. Wayne Timmons of Arton was brides-matron. They are the bride's sisters. They wore taffeta frocks, fashioned ballerina length with low necklines and gored skirts. They wore dark brown face veils and carried velveteen muffs topped with white gardenias.

Rita and Nita Poteet, the bride's cousins, were flower girls.

The bride, given in marriage by her father, wore a gown she had designed and made of white satin fashioned with a front panel, long sleeves and gathered skirt. Her fingertip length veil was attached to a halo of seed pearls and she carried a white Bible, on which was placed a corsage of gladioli centered with an orchid.

James L. Nichols of Floydada was best man. L. W. Bownds of Lorenzo, brother of the bride, Wayne Timmons of Arton and Delton Campbell were ushers.

A reception was held at the Baptist parsonage. The bride's table was laid with a lace cloth and centered with a bell-shaped wedding cake, flanked with candles and gardenias.

In the house party were Mrs. James L. Nichols, Mrs. L. W. Bownds, Misses Frances Stark, Gennell McEachern and Marion Cook.

After a trip to points in Nevada, the couple are at home in Floydada, where he is to farm. For travel the bride wore a chocolate brown gabardine suit, dark brown and shell pink accessories and a white orchid corsage.

The bride is a graduate of Ralls high school, where she was a drum major. Nichols is a graduate of Floydada high school.

Miss Carolyn Kiker, student at West Texas State college in Canyon, spent the week-end with her parents, Mr. and Mrs. L. E. Kiker.

Joint Hostesses For TEL Dinner

Mesdames L. A. Marshall, Joe Wilson and J. E. Horton were hostesses at the covered dish luncheon for the T.E.L. class of the First Baptist church which had their monthly meeting on Wednesday, at the church.

A lovely meal was served, after which the class gave Mrs. A. W. Anderson a birthday shower of gifts.

Present at the luncheon as guests, were Mrs. W. R. Puckett, Mrs. Winney Angus, Mr. and Mrs. Al Brian, Rev. Joe Wilson and Mrs. W. B. Jordan.

The following members were present and held their monthly meeting and the shower in the afternoon: Mesdames G. C. Tubbs, A. W. Anderson, E. F. Stovall, W. I. Canaday, J. G. Martin, E. P. Nelson, W. F. Daniel, C. O. Spence, L. E. Kiker the hostesses and Miss Marie Marshall.

Several members of the class were absent on account of the flu, one of whom was the class president, Mrs. C. M. Lyles.

WILMA DEAN DOSSEY AND MARVIN DALE EMERT MARRIED

Miss Wilma Dean Dossey and Marvin Dale Emert were married Saturday, January 24 in Tucumcari, New Mexico, by the Justice of the Peace at his home, in a simple ceremony.

Mrs. Owen Emert of Lockney and Mrs. Tommy Emert of Dougherty were the brides attendants and Tommy Emert of Dougherty was his brother's attendant at the wedding.

The couple are at home in the Dougherty community where Mr. Emert will engage in farming with his father, A. T. Emert.

BIRTHDAY DINNER

Mrs. A. W. Anderson had her children at her home on Sunday. The children celebrated their mother's birthday, which was on Wednesday, by all being present and having a big birthday dinner for her.

Present were Mr. and Mrs. William Anderson and family and Mrs. Olson, mother of Mrs. William Anderson of Littlefield, Mr. and Mrs. Odis Anderson and family, Mr. and Mrs. Floyd Anderson and family and Leon, all of Floydada, and Mr. and Mrs. Odell Thompson of Petersburg.

MRS. DAVID NICHOLS

SOUTH PLAINS CROCHET CLUB

Mrs. W. C. Sims and Mrs. Leon Pearson were hostess to the South Plains crochet club on January 14 in the home of Mrs. P. M. Smitherman.

The afternoon was spent in visiting and learning new patterns of crochet.

The occasion was also a celebration of one of the member's birthday, Mrs. G. C. Hilburn, who received a gift of crochet from the club.

The hostess served refreshments of sandwiches, pineapple pie and ice cream to the members, Mesdames Truman Bradshaw, Early Pritchett, P. M. Smitherman and G. C. Hilburn, and a visitor, Mrs. Fred Cox.

Sunday dinner guests of the Floyd Hills were Mr. and Mrs. Fred Hill and daughters of Crosbyton and Mr. and Mrs. M. C. Money and daughters.

Local Baptists Will Celebrate Pastor's Year

The Bible Baptist church will celebrate the one-year pastorate of Rev. Vernon Cline, Tuesday, January 3, with an all day mission service, beginning at 10 o'clock with a lunch at the church. The afternoon service will begin at 2 o'clock with guest speakers from San Antonio, Lubbock, Slaton, Amarillo, Ardmore, Oklahoma City, and Dallas.

The night service at 7:30 o'clock will be climaxed with missionaries from Brazil, Reverend and Mrs. Looney, who have spent three months at Benjamin Constant, Amazonia, Brazil. Reverend Looney will give slides of his work among the natives. Rev. Donald Moffitt, field representative of Association of Evangelists for world evangelism will accompany Reverend Looney.

The local church has more than 100 members and is now building a church property worth about \$100,000. The members give their whole hearted support in every way.

The public is invited to attend the services. Rev. Cline is heard each Sunday morning at 8 o'clock over station KFLD.

Honor Mrs. Davis At a Gift Tea

Kindred Farris and Mrs. H. E. Davis honored Mrs. Lon Davis, Jr., with a pink and blue gift tea in the home Tuesday afternoon.

Mr. J. R. King and Mrs. Fred Zimmerman, Jr., alternated at the service, serving the guests pink and blue coconut balls and punch. Atop each cake was a centerpiece of pink carnations and blue Dutch iris in a crystal holder. A stork held away in the center of the arrangement.

Appropriate gifts were on display in the adjoining room.

Guests were invited to the receiving hours of three and five o'clock.

Joe Millican, who has been stationed at Tripoli, Africa, arrived home Tuesday on a 30-day furlough, bringing his wife and baby and his mother, Mrs. Ollie Millican and other relatives.

BOOTH GRADE 4-H CLUB

There were 32 members of the booth grade 4-H club present for their meeting Tuesday of last week.

Mr. Gibson, county agent, talked about the stock show. He also talked more about the tractor school in Lubbock January 7, 8 and 9, a three-day affair. Those who are due home Thursday afternoon are in Alaska.

REV. AND MRS. JACK LOONEY AND SONS

Ernest C. Mince Passed at Lomita, Cal., Last Week

Ernest C. Mince, 55, of Lomita, California, a former resident of Floydada and Floyd county for many years, passed at his home in Lomita, California, Wednesday night of last week. He had been ill for about a year.

Funeral rites were held Saturday morning at A. M. Gandy Chapel, Lomita, and interment made in Pacific Crest Cemetery.

Among the relatives who attended the last rites was his mother, Mrs. Carrie Mince, of Floydada, widow of the late J. D. Mince. A brother of the deceased, Marvin Mince and his wife of Lubbock, also attended.

Born in Navarro county, Texas, January 7, 1893, Mr. Mince grew to manhood in Floyd county. The surviving widow was before her marriage Lonnie Steen, daughter of a pioneer family. The couple was married here in 1918.

Other survivors include three sons: Homer Carl and Leslie Eugene Mince of Lomita, Ernest Neal Mince of Woodland, California and one daughter, Mrs. Jerrilee Kubow of Torrance, California; and a sister, Mrs. George Sparks of Floydada.

Mrs. Carrie Mince, the mother of the deceased, flew to California shortly before the demise of her son. She returned home Tuesday night.

CARD OF THANKS

We wish to express our sincere appreciation and thanks to our relatives and neighbors for their kindness to our father and husband during his stay in the Crosbyton hospital. And also to again, say thank you, to our neighbors of the Lakeview community who came and plowed our fields. May God bless each one of you in our prayer.

Mrs. T. L. Johnson and children.

Mrs. T. J. Welch Passes at Bonham

Funeral service for Mrs. T. J. Welch of Bonham, mother of Mrs. Paul Snodgrass of South Plains, is to be held in the Cooper Funeral Home chapel today at 2 o'clock, with burial in the Willow Wild Cemetery, in Bonham.

Mrs. Welch has been ill for many months and Mrs. Snodgrass has spent much of her time with her mother for the past year.

Mr. Snodgrass left for Bonham to attend the funeral on Tuesday afternoon.

Survivors include the daughter, Mrs. Snodgrass, and two sons, Bill and John, of near Bonham and the husband, T. J. Welch, and other relatives. Mrs. Welch and her family have long been residents of Fannin county and of Bonham.

Paul H. Mueller Succumbed Jan. 9

Orlan Howard, of Dougherty, was recently notified of the death of Paul H. Mueller of New York, who died suddenly of a heart attack on January 9.

Mr. Mueller is part owner of a section of land east of Dougherty, which Mr. Howard farms.

Mr. Mueller is survived by his son, Henry Mueller of New York City, and three sisters, Miss Alberta Mueller, who visits in Floyd county yearly, and Mrs. Emma Clark and Mrs. Hortense Campbell, all of Wichita, Kansas.

Mrs. S. E. Puckett and little son arrived Wednesday to spend some time with her in-laws, Mr. and Mrs. W. R. Puckett. Mrs. Puckett and son have been in San Diego, California, for the past two months with the husband and father, Al-C Samuel E. Puckett, who is stationed there.

Saturday Deadline to Pay Local Tax

Remember — January 31, Saturday, is the last day you can pay your City, School, County and State taxes and save penalty.

The county tax collector's office in the court house will remain open on Saturday night until midnight, and will be open all day Saturday. The office usually closes at noon on Saturday, but January 31, the office will be open all afternoon.

Also on Monday, February 2, you can buy your car and truck license tags.

Floyd county automobile numbers will begin with BB-3350 and run through BB-7450. The plates this year are orange background with black letters and figures.

Center Club Met With Mrs. Vinson

Center Home Demonstration club had its second January meeting with Mrs. O. C. Vinson on January 23.

Mrs. M. J. McNeill, the new president, had charge of the meeting. Committee reports were made. The main report was of the program committee. The year's programs were filled in yearbooks. Recommendations of the council to the clubs were read and accepted by the club.

Roll call was answered by giving a living room problem.

Mrs. Woodrow Wilson gave, "Why Criticize, and Miss Lella Petty gave a demonstration on color harmony in the living room."

The nine members present were Mesdames: Oliver Allen, H. B. Mankins, M. J. McNeill, R. C. Ross, J. S. Green, Mrs. Woodrow Wilson, Mrs. Vinson and Mrs. J. E. Green.

Three visitors were present, Mrs. Don Daniels, Mrs. Bruce Bishop and Miss Floy Jackson.

Mrs. J. A. Hartsell will be hostess to the club at their next meeting on February 13.

Nazarenes Sponsor Youth Revival

The young people of the Nazarene church are sponsoring a youth revival this week with Rev. Mrs. Norah Ham of Lubbock preaching each night. The group has held prayer services in a local home each night, meeting at the church Wednesday night for the regular mid-week service. The public is invited to join them in this revival and in their regular worship services.

Regular services each Sunday, Sunday school 9:45 a.m., preaching at 11 a.m. Junior and Young people at 6:30 p.m. and evangelistic services at 7:15 p.m.

Lion Oil to Drill In North Motley

In north-central Motley county operator has spotted location for a deep prospector, which will probably be drilled to the gravite basement, says a report this week.

Lion Oil company of Midland will dig the project as the No. 1 Shoe-Nail Ranch. Proposed depth is 8,000 feet with rotary operations to begin February 2.

Drill site is 1,980 feet from north and east lines of section 212, block S-R, D&P Survey, 14 miles south-

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Rex R. Brown
Chairman
Floyd County March of Dimes

Jr. Live Stock Show March 11-12

All 4-H club and PFA boys should keep in mind that the annual Floyd county junior livestock show will be held March 11 and 12, states Robert H. Gibson, Floyd county agent.

This will be the first time the show has covered a two day period and is made necessary because of the great difficulty encountered in having the show and sale in one day.

The proposed schedule for the show will be for the fat lambs and ewes to be shown and judged the first day and the beef calves and dairy cattle the morning of the second day. The sale will be held the afternoon of March 12.

Every boy planning to have an animal at the show should begin preparing as much time as he can getting his animal ready for the show. Every effort should be made to teach the animals how to show themselves and become as gentle as possible. Gibson said.

BIRTHDAY CELEBRATED WHILE PATIENT IN THE HOSPITAL

Mrs. C. M. Lyles, who had been a patient in the Piets hospital for the past week, has returned to her home in the Campbell community. Mrs. Lyles wishes to thank her friends and neighbors for the kind deeds, which included flowers, cards, visits and gifts sent her during her week stay there.

On last Friday, she celebrated her birthday, and Mrs. Handley, who is supervisor of the kitchen at the hospital baked a special birthday cake for Mrs. Lyles, which was enjoyed by all the patients who were able to eat cake.

Mrs. Lyles wants to especially thank Mrs. Handley and the nurses and all her friends, who were so extra nice to her on her birthday.

Historians say the principles of jet propulsion and gas turbines have been known to man since the early days of christianity.

Nearly a Hoot Owl

J. C. Covington, who has for several successive years, earned recognition as a Hoot Owl in the American Legion of Texas, has nearly reached this goal again this year. A Hoot Owl is a member of the Legion who obtains as many as 100 renewal or new memberships.

Yesterday Covington lacked about 10 members in his campaign for McDermitt post memberships this year. He is anxious to be a repeater and hopes to contact enough ex-service men this week at least to reach the 100 mark.

CARD OF THANKS

To our friends and neighbors, we want to say thank you for the nice flowers and the kindnesses at the death of our dear son and brother, Will Luther Linker.

May God's richest blessings be with each one of you in our prayer.

Mrs. Margaret J. Linker,
sons and daughters.

O. G. Glassmeyer left the first of the week for Hot Springs, New Mexico, where he expects to spend several days taking the baths.

The Korean alphabet consists of 24 letters. The language is soft and contains no difficult slurring.

Patrick Henry was the only man to decline appointment as Secretary of State.

Mr. and Mrs. Grady Walker returned home Tuesday from a weeks visit with relatives in Mission, Texas.

Notice is hereby given that at the Regular Meeting of the Honorable Commissioners' Court of Floyd County, Texas, to be held February 9, 1952 at 10 o'clock A. M. in the Courthouse thereof, the Depository Bank for the County Funds of said Floyd County, will be selected for the next bi-ennium.

All banks located in said Floyd County are hereby notified and requested to make their sealed bids accordingly (Seal)

FLOYD COUNTY CHAPTER NATIONAL FOUNDATION FOR INFANTILE PARALYSIS MARCH OF DIMES OFFICE

January 27, 1953

Dear Fellow Citizen of Floyd County:

Won't you join the Battle against Polio?

Every year in January the March of Dimes Campaign is launched to raise the necessary money to prevent, find the cause of, treat and cure Infantile Paralysis. In 1952 Polio hit an alltime high in the United States; Texas had 1/12th of all the cases of Polio.

More money than ever before is needed to successfully wage this great battle. All of the money which is donated is spent fighting Polio. One half of the money stays right here in Floyd County to help your own children if and when polio strikes them. The other half of the money goes to the National Foundation for Infantile Paralysis where some of it is spent on Research, Iron Lungs, etc., and the rest is kept for emergencies. If and when our Local Chapter runs out of money (from its half of the March of Dimes), we can do -- call on the National Foundation for as much money as is needed. For the past several years Texas has received more money from the National Foundation than it has sent to them through the March of Dimes.

Please help in this fight. Strike a blow against Polio.

Send, or take, your contribution to either: M. W. Wiley at First National Bank in Lockney or to Earl Crow at the First National Bank in Floydada. Or if it is more convenient, mail your contribution to THE MARCH OF DIMES at either Floydada or Lockney.

Yours in the Fight for
A worthy Cause

Rex R. Brown
Chairman
Floyd County March of Dimes

Canyon Eagles Take Basketball Tourney Honors

The Floydada invitation tournament got underway Friday afternoon after the snowstorm last week had caused postponement of the Thursday night games. The late start did not dampen enthusiasm of the enteries and some fine games were reeled off for the fans.

In the opening game Tulla defeated Floydada "B" team 48 to 40 in a close well played match. The second match was one of the best games of the meet and found Lockney tangling with Spur. The Longhorns won a 40 to 39 thriller that kept the fans on their feet until the final buzzer. Jerry Irons and Bill Sherman were leaders for the Lockney entry sinking their long shots repeatedly. Joe Bell was high man for the losers.

The Whirlwinds won their first round match with Post handily, and led the Antelopes 61 to 35 at the finish. Ashton was high man for the "Winds with 11 points.

Canyon Vs. Hereford

Canyon and Hereford got things going Friday night with a 51 to 44 ball game. The Eagles won and advanced to the semifinals. The second contest found Floydada "B" matched with the Post entry. The match proved too much for the "B" squad boys as they were eliminated by a 59 to 47 count. Evans of the Post team sank 29 points for the winners.

Floydada won a hard-fought 61 to 49 victory over the Tulla Hornets in the nightcap. The "Winds were led by Bobby Ashton with 21 points.

Semi-Finals Saturday Afternoon
First game Saturday afternoon was a semifinal in the winners bracket which the Canyon Eagles won from the Lockney Longhorns 69 to 55. Tommy Middleton led the sharp shooting Eagles with 23 points. Jerry Irons was high for the losers with 21.

In the consolation semi-final Tommy Woodford led the Hereford Whitefaces to a 52 to 48 victory over Spur to eliminate the Bulldogs. Joe Bell was high man for the Bulldogs who led going into the fourth period, but Hereford showed too much at the finish.

Finals Saturday Night

VICE ADMIRAL LAURANCE DUBOSE U.S. NAVY
COMMANDER EASTERN SEA FRONTIER

HIS DARING STRATEGY IN ACTION BROUGHT SEVERE DAMAGE UPON ENEMY FORCES DURING WWII, AND FOR HIS SERVICES HE RECEIVED MANY OF AMERICA'S HIGHEST AWARDS.

HIS FORCES FOUGHT OFF REPEATED JAPANESE AIR ATTACKS TO ESCORT 2 TORPEDO-DAMAGED CRUISERS TO SAFETY.

IN 1948 HE WAS SELECTED TO COMMAND ALL BATTLESHIPS AND CRUISERS IN THE PACIFIC AND LATER HEADED THE CRUISER-DESTROYER FORCE IN THE PACIFIC.

to attend the tournament where a little disappointed as some of the boys had lost their steam and the first game of the night was the only close one. Jerry Irons and Bill Sherman scoring 20 points each led the Lockney Longhorns to a 64 to 59 victory over Tulla. Daniel was high for the losers with 17. Lockney took third place in the tournament with the victory.

In the consolation finals Hereford mauled the short-handed Post team 70 to 41. The Whitefaces got off to an early lead and stayed well ahead all the way.

In the championship game Canyon met and defeated the Floydada Whirlwinds 63 to 37. The "Winds were definitely not up to their usual form, missing many of their shots, but Canyon with their fast and shifty ball club finding the hoop with monotonous regularity and won going away. Connie Bearden with 12 points was high man for the "Winds. Williams led the winners with 17.

Trophies Awarded

Immediately following the final game awards were presented to the winners. Post received the sportsmanship trophy. The award for third place went to Lockney, second place to Floydada, consolation to Hereford and Canyon received the championship trophy.

All Tournament Team

Canyon, Floydada, Lockney and Hereford each placed two on the all-star team. Spur and Tulla each placed one. Post and Floydada "B" failed to place a man. Those named were as follows:

Jan Tucker, Tulla; Jerry Irons, Lockney; Tommy Woodford, Hereford; Bobby Ashton, Floydada; Guy Hamblen, Canyon; Bill Sherman, Lockney; Franklin Stovall, Floydada; Joe Bell, Spur; Raymond DeMent, Hereford; and Tommy Middleton, Canyon.

Superintendent I. T. Graves expressed the appreciation of the Floydada schools to the teams entered, and to the fans present for making the tournament a success. All were invited back next year as it is hoped to make it an annual affair.

Tournament Meets Expenses

Superintendent Graves said the pre-game hope that the tournament attendance would make the tourney break even with expenses, was realized and a few dollars to spare, despite the violent interruption of plans by the weather.

Total receipts from the tourney were \$396.65, the net \$35.65. Expenses included \$114.60 for awards,

\$110 for officials, and \$6.40 for telephone calls.

PUT RED SCRAP TO WORK

Two 40th Infantry Division soldiers in Korea have found a new way to put the torch to the enemy.

Corporal Henry G. Hobeisel of Poral Stanley E. Wood, of 139 West K Street, Benicia, Calif., built an arc welder out of parts from a demolished Russian-made three-quarter-ton truck. They also repaired a scrapped tank generator and built a governor out of a Russian-made generator to keep the motor of the welder at a steady speed.

The soldiers received Bronze Star Medals for their ingenuity, initiative and the time, labor and equipment they saved.

OH!

She greeted her boy friend with, "Notice anything different about me?"

"New dress?"
"No."
"New shoes?"
"No. Something else."
"I give up."
"I'm wearing a gas mask."

A poltroon is a coward.

New Hiway Map Tells of Places In Texas To Go

AUSTIN — Texas has chalked up another "first" this month when the 1953 Texas official highway map was released. D. C. Greer, state highway engineer, announced.

The new map, featuring "A Look at Texas" theme, is a 100 per cent Texas product. Wood pulp for the paper was grown in East Texas. The

paper was made near Houston and the plates and printing were done in Austin.

An encyclopedia of Texas information in itself, the map side provides current and accurate highway information, while the back side has pictures and information on points of interest.

Locations of roadside parks, national and state parks, national forests, mountainous areas, lakes and streams, along with other information that will add to the safety, comfort, and pleasure of the traveling public are shown. There are 1,304 cities and towns listed with a cross section of altitudes given. Thirteen enlarged city insets are provided for the convenience of motorists traveling through these major metropolitan areas. Distances are indicated between all points and a special

mileage index chart reflects the accumulated official mileage between principal points.

For "A Look at Texas," the back side offers in color some of the outstanding vacation spots. Fishing, horseback riding, picnicking, sailing, and cattle branding scenes suggest places to "go."

Greer announced that the new map is available to the general public for the asking. For the convenience of the public, a special addressed card is available in the county tax collector's office upon the registration of your automobile. These map cards will expedite the handling and mailing of the maps. Greer added. The maps are also available free of charge at any Texas Highway department district office, Travel Information bureau, or by writing direct to the Texas Highway depart-

ment, Austin 14, Texas. Greer is also an inventor.

Joseph Hofmann, the inventor, is also an inventor.

210 West California St., Floydada, Texas

This greatest of Pontiacs is new in every detail from bumper to bumper. It has a longer wheelbase; more leg room, more hat room, more hip room; it is far and away the most beautiful thing on wheels.

Many important things remain unchanged, however—such things as Pontiac's famous dependability, downright economy and good solid value.

Come in as soon as you can—see this brilliant new Dual-Streak Pontiac, drive it yourself and then place an order for the finest miles of your life!

For Baby Dental Care Needed

Texas — More than half of the children in this country have six cavities in their teeth by the time they begin school.

The estimate of Texas dentists and state health officials is that they announce February 1st for the fifth annual day of Children's Dental Care.

It has been set aside in order to call public attention to the following facts:

Eighty percent of all 15-year-olds have one or more cavities, decayed or filled.

34 million cavities are at the teeth of American children with teeth decaying six times faster than they are being replaced.

Half of the children between the ages of three and nine have had their lives had dental treatment.

One of the biggest hurdles to be overcome is the State Health Officer Cox says, "is the seemingly unchangeable attitude that baby teeth are not important."

It is the attitude stems from the fact that baby teeth are temporary, with most people believing there is no need for dental care until the child gets his permanent teeth. Dr. Cox points out that the condition of the baby teeth has a direct bearing on the condition of the permanent teeth.

The Texas State Department of Health and the State Dental Society are sponsoring the state observance.

They are appealing to all parents to give attention to the plight of their children's teeth. And they make a plea for dental care when they are no longer needed.

View News

By Mrs. Clyde Bagwell

VIEW, January 26. — The storm of Thursday and Thursday night gave us about 1/2 inch of rain, which will help the wheat crop, for a while. We had about 10 degrees of real cold weather but by Friday it warmed up and since we had spring like weather again.

We have a new family moved into the community. Mr. and Mrs. Bob Hopper and two children have moved from Cone. They live on the Hopper farm and he will be here by Mr. Hopper this year.

Mr. and Mrs. J. D. Irwin of W.T.S.C. at Canyon visited the week-end here with their family. She was a Sunday dinner guest of Ann Hopper, who was from her work at Lubbock.

Her parents, Mr. and Mrs. Hopper.

W. B. Wilson and Mr. and Mrs. Tye and children went to Plains after church Sunday.

They visited Mr. and Mrs. Bill and family.

Mr. and Mrs. Bill Pierce of Mule Creek spent from Thursday until Saturday night with her aunt and uncle, Mr. and Mrs. Clyde Bagwell.

Mr. and Mrs. P. L. Joiner of Eugene, Oregon.

Mr. and Mrs. Lee Rushing spent Sunday at Amherst with Mr. and Mrs. J. D. Nix.

Mr. and Mrs. Earl Huckabee and Mrs. Sandra Kaye of Center visited Sunday dinner guests of her mother and family, Mr. and Mrs. Lee and children.

Mr. and Mrs. C. W. Denison and Mr. and Mrs. Clyde Bagwell visited Saturday and Mrs. Walton Wilson Friday night and played "84".

Leonard Wilson of Tech college at Lubbock was a week-end visitor of his parents, Mr. and Mrs. Walton Wilson.

Mr. and Mrs. L. B. Cozby, Sr., returned to Plainview Saturday and visited with their children, Mr. and Mrs. Grady Reeves and family and Mr. and Mrs. Don Branson.

Sunday night guests of Mr. and Mrs. Clyde Bagwell were Mr. and Mrs. Frank Dunn and daughters, Margaret and Mary Grace and son, Lee and Mr. and Mrs. C. W. Denison.

Games of "84" were enjoyed by the group.

Miss Leta Warren of Doughton spent Wednesday night with her mother, Mrs. Stewart.

Mr. and Mrs. Lee Burgett accompanied by Mr. and Mrs. Carl Nelson and children spent Sunday at Shafter with Mr. and Mrs. Bill and family.

Mr. and Mrs. T. L. Perry and Jan visited Sunday dinner guests of Mr. and Mrs. Sylvian Kinniburgh and Mrs. Sylvia South Plains.

Mr. and Mrs. L. B. Cozby, Sr., attended the Dedication service at the Baptist church in Floydada Saturday afternoon.

Mr. and Mrs. P. O. Conner moved from Lockney where they bought a place. Their son, Ed, of Canyon came down to visit his father with the moving party. Mr. and Mrs. Conner had lived in the same place here in our community for 23 years. We regret losing them from our community, but wish them well in their new home.

G. M. Bullard of Floydada visited several days last week with his daughter, Mrs. L. B. Cozby, Sr. Cozby said they did some quilting while her mother was here.

Sunday visitors in the Walton home were Mr. and Mrs. Hopper, Frances and Dibble, Mr. and Mrs. Jim Stewart and Dan.

Mr. and Mrs. Grady Reeves and family of Plainview were down Wednesday night and visited in the T. L. Perry home.

Mr. and Mrs. O. E. Bartlett had a guest on Sunday, the following: Messrs. and Mesdames J. H. Moore, Otho Sanders and sons, Sanders, and Jim Colston.

Center News

(by Mrs. J. E. Green)

CENTER, January 27. — How nice the snow was last week, even if it did come as a blizzard. Temperatures did not get low and it soon melted, helping the wheat and holding over a good crop for awhile, also, we hope, it will reduce the cases of flu.

Mrs. and Mrs. Hodges and Jerry and two Wayland college girls, Frances Scott of Abilene and Lila Nelson of Sacramento, California were Sunday dinner guests of Mr. and Mrs. Leo Frizzell.

Mr. and Mrs. R. C. Ross and Norma June visited in the W. A. Lovell home Sunday afternoon.

Jane Young of Wayland college and Albuquerque, New Mexico visited between semesters, from Wednesday night to Sunday night, with Margaret Green.

Dub Hartline has been sick with flu including a severe earache, but is able to be out again.

Margaret Green, Jane Young and Mrs. Green visited Saturday afternoon in the Anthony Latta home at Mt. Blanco.

Mr. and Mrs. Victor Green of Plainview visited Sunday afternoon in the J. E. Green home.

Mr. and Mrs. Bobby Plumlee and son visited during the week-end with his parents, Mr. and Mrs. W. C. Plumlee. They are moving from Los Cruces, New Mexico, to Austin, Texas.

Mr. and Mrs. Earl Huckabee and Sandra were Sunday dinner guests of the Lee Burton's of Fairview community. In the afternoon they visited Mrs. Huckabee's parents, Mr.

and Mrs. J. T. Myrick of Plains.

Mrs. W. A. Huckabee was guest last Wednesday home of her son and daughter, Earl Huckabee.

Imogene Noland has the Little Julia Ann Miller as a sick list this morning.

A pink and blue shower for Mrs. Welborn Miller was given Wednesday afternoon in the Ross home. Refreshments of coffee and cookies were served to 17 women and four small children. Out of community guests Mrs. Charlie Ellard and daughter, Petersburg and Mrs. Orla of Plainview.

Mr. and Mrs. Green and et attended the Monday program of the Pastor Conference at Wayland

day night to Sunday night, with Margaret Green.

Dub Hartline has been sick with flu including a severe earache, but is able to be out again.

General Funds Highways It in Texas

Editor's Note — This is another series of articles presenting information gathered by the highway committee of the West Texas Association of Commerce.

Reviewed in preceding articles of the highway program, the revenue for financing construction and maintenance of highways by the State of Texas. The motor fuel (gasoline) and vehicle registration fees, the state's general fund. This article deals with the fourth federal aid.

Federal funds for state road work from a 2-cent per gallon fuel tax. In Texas federal gasoline during the last fiscal year was \$196 million. Texas actually received a little less than \$30 million for highway aid.

The state received slightly more than one-fourth as much as into the federal treasury in gasoline taxes. The state received \$96 million more than in aid.

Federal funds must be matched state funds, dollar for dollar, to receive federal aid and on basis of merit and need. U. S. Bureau of Public Roads money to the states for the highway program, the city program and secondary or market roads.

The allocations to the respective states are made on basis of their area, population and road mileage. One-third credit is allowed for each. In fiscal 1961 Texas received \$29,618,979 federal aid. Of that sum, \$14,305,046 went to the primary system, \$5,799,612 to the urban system and \$9,577,321 to the secondary of Farm road system.

Texas will receive approximately \$34.2 million in federal aid under provisions of the highway act now in effect. Of that amount, approximately \$1,580,000 has been allotted for interstate highways, which is a new category.

The allocation to Texas for this year will be approximately 10 per cent higher in each of the other classifications of road than that of last year.

News of Harmony

(by Mrs. Mather Carr)

HARMONY, January 26. — The snow was grand, hope we have more or some rain. It snowed more at Harmony than it did at Floydada. This will help some maybe keep the trees and shrubs from dying and help the little wheat. We still have some snow where it drifted.

We learned that O. H. Heard of Petersburg will undergo major surgery this Monday morning at Lubbock Memorial hospital. We hope this operation will be a success and Hardy will soon be well and back home. Mr. Heard is a nephew of Mather Carr.

Mid-week services were fairly well attended Wednesday night with Dvana Beth Scott bringing the devotional.

Club met January 22 at the club room with Mrs. Wesley Carr as hostess. Mrs. Don Finkner called the house to order and presided in the absence of the president and vice-president. Roll call was answered by My Pet, Garden Peavee and Why. After the business, recreation was directed by Mrs. Don Finkner. Members present were Mesdames Don Finkner, Glenn Pool, Zant Scott, G. L. Snodgrass, Everett Miller, Mather Carr and the hostess Mrs. Wesley Carr. Refreshments were served to all including Wesley, Horace, Charles Mather and Bill Carr.

Mr. and Mrs. Carrick Snodgrass went to Canyon Thursday to bring their daughter home and had quite a time getting home. The snow was much heavier up that way.

Mr. and Mrs. Carrick Snodgrass left Friday of last week for San Francisco, California to attend a conference of the R. E. A. They were accompanied by other officials of the R. E. A. from Floydada.

Those who are ill are Mr. and Mrs. E. W. Turner, Mr. and Mrs. M. D. Ramsey and Don Ray Ramsey has chickenpox.

Rev. Krebs preached both morning and night at the chapel. Mr. and Mrs. Wren and son C. J. from Farmer attended services at the chapel Sunday morning. They were guests for dinner in the home of Mrs. Wrens' cousin Zant Scott and family. We always welcome visitors.

The Wesley Bible Class had their birthday dinner in the home of Mr. and Mrs. G. L. Snodgrass with Mr. and Mrs. Snodgrass as hostess, and celebrating Mrs. Snodgrass birthday. Attending were Rev. and Mrs. Krebs and two sons, Mr. and Mrs. R. B. Gary, Mr. and Mrs. Everett Miller, Mrs. Claud Robinson and four children, Mr. and Mrs. Mather Carr and son, Horace, Doris Elayne Snodgrass and the host and hostess, Mr. and Mrs. Snodgrass. Rev. Krebs made pictures of different groups. After dinner all enjoyed visiting. The next birthday dinner will be February 22 in the R. B. Gary home honoring Mrs. Gary

on her birthday, February 14. Mr. and Mrs. Loyce Turner and Miss Reda May Gary of Lubbock were guests for Sunday dinner in the home of Mrs. Turners and Miss Garys niece and husband, Mr. and Mrs. H. Nelson of near Floydada. Mrs. Nelson is the former Loene Williams.

Dvana Beth Scott was a guest of Lajuana Sue Williams Sunday. Phillip Krebs was a guest of Charles Mather Carr for Sunday dinner. Jimmie Krebs was a guest of Timmie Smith and Charles Krebs was a guest for Sunday dinner of the J. B. Shannon boys.

Logan New Mgr. Silverton Yard

SILVERTON — Fred Logan, of Vernon, Texas, has moved to Silverton and has been made manager of Willson & Nichols Lumber company. Mr. and Mrs. Logan and two children are now living in the Fowler apartment.

Mr. Logan has started construction work on a new home in northwest Silverton which will be located near the new residence now under construction by George Long.

A deal which has been pending several weeks was closed this week, in which T. M. Nichols bought the interest of Mr. and Mrs. Henry Price, in the Willson & Son Lumber company. Mr. Price has been local manager of the yard for the past eight years.

Mr. and Mrs. Price will continue to live in Silverton for the present.

Mr. and Mrs. Glad Snodgrass are in Mineral Wells and Austin this week.

Mr. and Mrs. Sam Spence and daughter, Kay, spent the week-end in Morton as guests of Mr. and Mrs. J. L. Dowdy and family.

Mrs. Wilson Kimble, who has been ill in Lamesa at the home of her daughter Mrs. Don Harris, has recuperated and came home this week. Her nephew, Alex McGlinchey, of Fort Worth, student at SMU in Dallas is a guest of Mrs. Kimble and son Dr. John Kimble.

Mr. and Mrs. Cubert Gray and family of Amarillo were week-end guests of her parents, Mr. and Mrs. T. T. Hamilton and other relatives.

HALLMARK Cards, Bishop Pharmacy.

What's Your Idea?

This week Chamber of Commerce members are telling their board of directors what they think their home town needs to make it a better town. Printed below are three letters received during the week. Others will be published next week.

What do think can be done to improve our town? Drop the Chamber of Commerce a Post Card. Be sure and sign your name.

Our Greatest need is for some sort of year around payroll for Floydada. We need more water facilities for the city.

We need a clean up of unsightly dump grounds in the city. More modern business buildings and fronts. A general face lifting.

Erect a 12x24 road sign at Post, Texas, directing traffic through Ralls and Floydada.

Have some kind of Traffic control within City limits on Missouri street and farm road 784 to cut down speeding in residential area.

Bob Rosson I think we should work for better street marking and the numbering of all houses. Stop markers should be placed on all streets at highway intersections.

Nothing helps a town more than proper marking of streets, and having a clean, sanitary town in which to live. By so doing we create a desire from outsiders to make our town their home.

With our fine churches and schools, and the tendency of some of our business men to modernize their places of business, and with our present paving program, I feel we are getting started on the right track to make our town a better place in which to live.

Let's keep up the good work. J. G. Wood

Mr. and Mrs. E. L. Norman, jr., who have been making their home in Pueblo, Colorado for the past year, are now at home in Levelland, Texas, where Mr. Norman is assistant cashier at the First National bank. Mrs. Norman is the former Jane Clark, daughter of Mr. and Mrs. A. B. Clark.

CARD OF THANKS

I want to thank each one for the blood donated, also for the many cards and flowers sent me while I was sick. May God bless all my friends. Mrs. P. M. Smitherman

Mr. and Mrs. Frank Webb, Mr. and Mrs. W. J. Waller and Sid Waller and Mrs. Annie Assiter were guests of Mr. and Mrs. G. E. Assiter in Olney on last Thursday afternoon and Friday.

Mrs. E. D. (Rusty) Russell of Mineral Wells was here the past week with her mother, Mrs. G. Scott King, who has been ill with the flu. Mrs. Russell, who left Tuesday for her home, is the former Joyce King.

SON VISITS FROM LOUISIANA

Mr. and Mrs. Aldridge Powell and family have returned to their home in Franklin, Louisiana, after visiting their parents, Mr. and Mrs. H. A. Powell and Mr. and Mrs. M. J. Moseley, also a brother of Mr. Powell, Parnell Powell and family.

Mr. Powell was transferred in September to Louisiana. He has been with the Cabot company since 1941.

Farm Bureau Drive Planned

R. C. Mitchell county membership chairman of the Farm Bureau of Floyd county, called a special session for his committeemen on Tuesday night, January 27, for the purpose of making plans for the annual membership drive and enrollment campaign.

This meeting was scheduled for last Thursday night but it was snowed out.

Mr. Mitchell was well pleased with the meeting for there were present 24 committeemen. Definite plans were made and each community chairman assigned a territory to work.

This same group of committeemen will attend a kick-off dinner in Lubbock, February, 9 for the purpose of getting final instructions and plans for the big county-wide membership campaign.

Heavy Damage

(Continued from First Page)

pany crews worked all through Thursday night repairing major breaks, and, after a short rest to get dry clothes and some food, were back at work Friday morning winding up the repair job. By Friday afternoon, they had restored service to normal throughout the region.

More than 90 men worked on the lines throughout Thursday night. Three crews from Lubbock, and a construction crew which was passing through Plainview, joined the Plains Division men in combatting the storm, and their assistance help-

ed to shorten the service interruptions.

Veteran electric company employees reported that the storm, which started with high winds, caused more damage in a short period of time than any other in their experience. The weight of the snow caused lines to sag as much as 15 to 20 feet.

Drifting snows on east-west roads, along which most of the rural lines which were knocked down were located, hampered the work of restoring service. Even on main highways, the traffic snarls caused by cars going into the ditch and being stalled along the road, impaired the work of the line crews.

Two-Way Communication
Radio communications from the company's Plainview office kept the repair crews moving throughout the area all during the night. As soon as a break in the line was located, or a section of poles that was knocked down found, radio trucks sent the work to supply points in Plainview, and the materials necessary for repairs were sent immediately to the scene.

Service had been restored to all except the rural areas by shortly after midnight on Thursday. Hardest hit by the storm were Lockney and Kress, which were without service for 10 hours. Olton was out for 7 hours, and Floydada 5 hours.

"We are sincerely appreciative of the consideration shown by our customers during this storm. We are thankful, too, for the cooperation received from other divisions of our company, which made it possible to restore service faster than we could have done alone. I have never seen a storm which did so much damage in such a short period of time. The weight of the snow was unusual, as can be seen by the number of lines, most of them almost new construction, which were snapped by the weight," J. M. Collins, division manager for the company, said.

There was little actual suffering during the storm. One of its unusual aspects was that temperatures were only slightly below freezing for the major portion of the lashing storm. Friday morning when the sun shone bright and clear the discomforts came principally from silent electric fixtures in the push button homes that cover plains cities and countryside alike. Where light service had not been restored families began to take measures to preserve the foods in their deep freezers in particular and in refrigeration units in general. Some farmers who had their entire water supplies turned to the electric current had to find water for their livestock. But there were no deaths, no serious accidents, few wrecks, only a relatively few stranded briefly on highways.

For a time it began to appear that Floydada, and Lockney and a few other communities of the area would completely lose telephone communication with the outside world. All of Southwestern Bell's long lines were out before noon Thursday from Floydada and only one Southwestern Associated line was in service, and it was swamped with calls, some of which waited for hours to be processed. Western Union lines were down for several hours, interrupting communications through that office in Floydada. Emergency messages came through by telephone only hours after normal elapsed time.

President Jackson called the first national political convention in 1832.

Ten U. S. Presidents have served two terms.

Floyd Roads in Seal Coat Bids

Twenty-one and 6-tenths miles of paved roads in Floyd county were included in a seal coat contract let at Austin, the first of the week for which West Texas Construction Company, of Lubbock, were low bidders.

Other mileage in the contract, covering portions of six counties, brought the total to 133.7 miles. The low bid was approximately \$125,000.

Roads in Floyd county which are to get new seal coats are 2.6 miles on the Quitaque road, seven miles on the Lakeview road from Highway 70 south, and 12 miles on Highway 207 Briscoe county line south.

The Big 4 road in Crosby county also is to get the seal coat treatment as well as 207 north from the Floyd county line to Silverton and the Quitaque road north from the Floyd county line to Quitaque.

Salary Raises

(Continued from First Page)
Second deputy tax assessor-collector, from \$1,980 per year to \$2,280 per year;

Secretary to the county agents, from \$2,310 per year to \$2,610 per year;

Court house keeper, from \$2,640 per year to \$2,940 per year;

Of 11 road workers two got raises from \$2,904 to \$3,204;

Two road workers got raises from \$2,802 to \$3,102;

Five road workers got raises from \$2,706 to \$3,106;

One from \$2,640 to \$2,940 per year; and

One from \$2,520 to \$2,820 per year.

In the case of county cannery supervisors, two in number, their work is done on a time basis at the rate of 90 cents per hour.

Two deputy sheriffs are on the pay roll at \$3,137.40 each per annum, plus \$795 each for travel expense. Justice of the peace, precincts 1 and 4 draws \$1,748 per year, and justice of the peace, precincts 2 and 3, \$900.

The portion of the district court reporter's salary paid by Floyd county is \$2,006.40.

'LITTLE WOMEN' TONIGHT

"Little Women", the famous Louisa Mae Alcott story will be presented at the high school auditorium by the Thespians, tonight at 8 o'clock, and again Friday night.

Mrs. I. T. Graves, director and head of the speech department at the high school, has a well selected cast of players.

R. A. GARRETT RALLIES

Robert Garrett, who has been a very sick man in Peoples hospital for the past two weeks suffering from a heart attack was reported late Wednesday afternoon as being slightly improved. He had a very restless night Tuesday night, but his condition was reported slightly better Wednesday.

William L. Linker Died Saturday

Funeral service for William Luther Linker, 23, of Floydada, was held Wednesday morning at 10 o'clock in the Harmon Funeral Home chapel, with Reverend Sidney Johnson, pastor of the Calvary Baptist church, in charge. Interment was made in the Floydada cemetery.

Mr. Linker died last Saturday morning in his room at the Commercial Hotel of natural causes. He had been ill with flu and other complications for some time.

Following an inquest held Saturday afternoon, Justice of the Peace P. O. Sterling said that death of the young truck driver resulted from natural causes.

William Luther Linker was born in Oklahoma on March 11, 1929, the son of Mr. and Mrs. Darl Linker, who survive him. He moved with his parents to Floydada about five years ago from Oklahoma and had been employed as a truck driver by R. L. Kendrick and P. Q. Haney in the recent months.

Survivors include the parents, and three sisters, Mesdames Dora Young of California and Martha Griggs and Miss Ruby Linker, Floydada, and five brothers, D. L. Elmer, Leon, J. E., and Loran Linker.

Pallbearers at the service were Billy Ferguson, Cecil Pope, Ned Brewster, Milford Smith, George Brewster and Howard Roberson.

Mother's March

(Continued from First Page)

great work made possible by the March of Dimes.

Cake Auctioned for \$50

Tuesday afternoon a beautiful cake, made by Mrs. Wayne Robison, was auctioned off to Floydada Fire department for \$50, the high bidder in a contest that was started last week-end by Wayne Robison of Station KPLD. The fire department boys in turn gave the cake back to the station it was re-sold to Mrs.

Geo. E. Darling Resigns to Take Coffeyville Work

George E. Darling, minister at the City Park church of Christ will take up new duties in Coffeyville, Kansas, around March 15, where he will do mission work under the auspices of the Church of Christ churches in Texas.

Mr. Darling resigned as minister of the local church in December, his resignation effective March first. Mr. Darling came to the Floydada church in July, 1951 from Hale Center. During his pastorage here, the new church building was finished in August of 1952.

Mr. Darling will be in two meetings, before he leaves for his new field of work, one with the Church of Christ in Lockney and another with the church in Knox City.

Ray Cook for \$10. The station had raised approximately \$140 to Tuesday afternoon in appeals to the public over the air.

Dance Saturday Night

The Veterans of Foreign Wars, J. W. Harrison Post No. 5616 of Floydada, will hold a benefit dance Saturday night for the March of Dimes.

Joe Martin, commander of the local V.F.W. post, in announcing the dance, stated:

"The Veterans of our post voted unanimously to give this dance for the benefit of the March of Dimes, and we are pleased to help in this battle against this dread disease."

A popular out-of-town band will furnish the music for the dance which starts at 8:30 p.m. Saturday night at the local VFW Post on North Second street.

Despite the long-awaited announcement that scientists hope for an early report saying that a successful vaccine has been found to prevent polio, the need for funds will be no less pronounced for a year or several years, even through the greatest expectations from the new anti-virus are realized. Mr. Brown in his letter declares that "more money than ever is needed to successfully wage this great battle."

The fact that Floyd county, more than once, has run out of local funds and has had to call on the state and national organizations for help, would be ample reason for Floyd county people to be fully as generous as they have been in the past. Contributions may be made either through M. W. Wiley at the First National bank in Lockney or through Earl Crow at the First National bank in Floydada.

Mr. Darling resigned as minister of the local church in December, his resignation effective March first. Mr. Darling came to the Floydada church in July, 1951 from Hale Center. During his pastorage here, the new church building was finished in August of 1952.

Mr. Darling will be in two meetings, before he leaves for his new field of work, one with the Church of Christ in Lockney and another with the church in Knox City.

Floydada Student In Graduate List at W. Texas State

Miss Ruth Elaine Harmon, daughter of Mr. and Mrs. Frank Harmon, is among the 38 students expected to receive a bachelor of science degree at the end of the current semester at West Texas State college in Canyon.

Miss Harmon majored in speech. She and a friend, Barbara June Galtner, daughter of Sheriff and Mrs. Bob Galtner, of Amarillo, are the only two to receive degrees in speech.

Don Boothe of Canyon, formerly of Floydada, son of Mr. and Mrs. C. A. Boothe, will receive a degree with mathematics major. Don also is a graduate of Floydada high school.

Also in the list who will receive a master of education degree is Purvy A. Burrows, of Amarillo, formerly of Floydada, son of Mrs. Ella Burrows Nichols, a brother of Mrs. Clark Harris and a nephew of R. A. Burrows of Floydada. Purvy attended Floydada schools and is a world war two veteran.

Four United States Justice served 34 years each on the Supreme court. They were John Marshall (1801-1835), Joseph Story (1811-1845), Stephen J. Field (1813-1897) and John M. Harlan (1837-1911).

The Boston News Letter is the oldest newspaper on file at the Library of Congress.

Niece of Mrs. Fry Is Crash Victim

Huenette Dumas, age 15, youngest daughter of Mr. and Mrs. H. W. Dumas of 9438 Ave. O, Fort Worth, Texas was killed in a crash caused by icy roads on Tuesday night, January 16.

She had been attending graduation exercises where she graduated from Junior high school and parties of her class were from the graduation to a party at Huenette's first dress-up party car in which she was riding and crashed into another car on the way home and her date out of the car. She died before reaching the hospital and the young man with whom she is yet in a critical condition. Other parties in the car were not seriously injured.

Mrs. Dumas will be remembering many Floyd county friends at the funeral of her niece, Huenette Dumas, Mrs. R. E. Fry and L. D. Britton of Floydada.

R. E. Fry and L. D. Britton, Mrs. Fry to Houston where she has been with her sister since the death. Mrs. Fry will return to her part of this week.

Mr. Britton and Mr. Fry returned last week after attending the funeral and visiting with Mr. and Mrs. Dumas.

DOCTOR'S ORDERS

The young matron listened tentatively while her doctor prescribed a remedy for her nervous condition. "Madam," he said, "you require quiet baths, plenty of fresh air, you should dress in warm clothes."

That evening she told her husband all about it: "The doctor says I'm in a highly distraught condition, dear, and that it is important for me to go to Palm Beach, to a dude ranch out west, and buy myself a new ermine wrap!"

—SANTA FE MAGAZINE
Recent P.H.A. figures show nearly 70 per cent of home-raising families earn less than \$10,000 per year.

FARMERS

You Have Always Needed A Chicken Coop at some time.

We just returned from Northeast Ark. with 160 new, One man coops. Light, durable, near perfect. If you need one—see us at once. We have 60 more than we need.

A. Caffee and Mrs. Wilmer Jones and attendance prize was awarded Mrs. Ned Bradley.

Bradley and four new members, Mesdames Wilmer Jones, Junior Cochran, Joe Jones and Grady Freeman.

on January 22 with Mrs. Elmer Norrell as hostess, at her home 506 West Jackson street.

The hostess served refreshments to the following members: Mesdames L. G. Norrell, J. B. Turner, F. A. Faulkenberry, J. T. Huckabay, John Walker and Everett Warren, and one visitor, Mrs. Charlie Perry.

Mr. and Mrs. Bill Darden made a business trip to Dallas last Thursday returning home Sunday. The Dardens visited with a sister of Mrs. Darden, Mrs. Travis Ray and family, at Grand Prairie, while away.

SOCIETY

Study Club 'Life on the Range' Program

1934 Study club met with Mrs. Appleton at her home on Tuesday evening, January 29, with the hostess, Miss Anne Swepston, conducting the business session of the club. The club has finished nineteen scrapbooks, to be sent to home in Korea.

Program for the evening was "Life on the Range," with the motion picture "The Range," and we'll see the prairie that we love the better.

Ball was answered with cowboys. Mrs. Enos Jones gave the program "Maverick town" and Miss Beville sang a medley of songs. Mrs. I. T. Graves presided.

Ralph Johnston of Lubbock was guest of the club. Mesdames present were: Mesdames J. S. Hale, Jr., J. S. Hale, Jr., John J. P. Moss, Mesdames Willson, Glen Armstrong, Wilford, Tilden B. Armstrong, Mrs. Enos Jones, and Misses Swepston, Leila Petty and Beville.

LIPSTICK LOGIC
BY LOUISE ALLEN

There is no such thing as perfect balance, we once heard a psychologist say. And oddly the person who gets credit for strange may be nearer balance than the run-of-the-mill who thinks he's in harmony with his surroundings. Observation sounded so silly I couldn't forget it. Finally, to make sense.

Every time you ever walk into a room full of people where all except one person greet you normally? Isn't it funny you become more aware of the "other-out" than of all the others? You begin trying to smooth the resistant bump on the forehead you're working for perfect balance in that roomful of people. If, on the other hand, you are only of yourself, you won't even notice the disturbance, if your ego has got it set up, you'll make matters worse, setting up your own little resistance, and further the harmony of the group. Most understanding person is keenly alive to the moods and philosophies of the persons he meets socially or in business. He projects himself easily into the problems of others, and some usually shudders or turns a newspaper account of some one else's personal tragedy. So it is he attuned emotionally to the man that a person who knows him may say he "takes too hard" or "borrows trouble." We wouldn't go so far as to say all the non-conformists are pathetic with their fellows, but we're forever striving for perfection, still we'll have to agree with the psychologist's point of view that sense is behind it.

Meet Airs Garden Peeves

Party Home Demonstration January 21 in the home of Ward Drysdale, club president, had charge of the short meeting.

Ball was answered with "My Garden Peeves." Maurice Campbell gave a report on the responsibilities of club officers and committees and a paper on assignments was given.

Power Steering on Studebaker 1953 Machines

SOUTH BEND, Ind., January 26, 1953. — Mechanical power steering the first time it has been offered for passenger car use — tops the engineering improvements revealed today for Studebaker's 1953 models. It will be currently available as extra cost optional equipment on Commanders and Land Cruisers and will be offered later in the year on the Champion series.

Developed by the Borg-Warner corporation, Studebaker's power steering system differs from others now in use in that it is mechanical rather than hydraulic and obtains its power directly from the engine.

Chief elements in the new steering system consist of a power unit mounted on the steering gear, a power shaft, and a pulley assembly. The power unit, heart of the steering innovation, is a compact 6"x6" device weighing only 22 pounds. Inside it are gear train and two multiple disc clutches rotating in opposite directions. One of the clutches provides power for turns to the left, the other for turns to the right.

Power is delivered to the steering unit direct from the engine by means of a V-belt pulley on a small auxiliary shaft running parallel to the engine and back to the steering mechanism.

If for any reason the power steering should become inoperative, conventional manual control is immediately available so that the driver is at all times in complete command of the car.

lately available so that the driver is at all times in complete command of the car.

JESTERS SEE RELATIVES AND FRIENDS ON JOURNEY

Mr. and Mrs. A. D. Jester, of the Jester Grocery, in company with their son and his wife, Mr. and Mrs. A. J. Jester of Ropesville, have returned home from a trip which took them through Arkansas, Kentucky, Mississippi, Tennessee and Georgia.

In Mississippi the party visited the old home of Mr. Jester and visited with relatives he had not seen in nearly 30 years. The Jesters were away from home for about 19 days.

Lots of rain had fallen and it rained everywhere they visited. Mr. Jester reported.

An old-world atmosphere, with Paris as the background, sets the stage for this high-style 1953 Studebaker. The popular Commander coupe is an example of the low lines and sweeping contour of European influence that runs through all Studebaker models. The Commander coupe is only 56 5/16 inches in height, and has an overall length of 201 15/16 inches. Finish may be selected from 12 basic colors.

KITCHEN AND ★★

★★★ FIELD NEWS

(from Floyd County Rural Electric Cooperative, Inc.)

Nancy Morckel and Claude Weathersbee Electrification, Advisers

Again, as in every case, your cooperation during the storm and blizzard helped to get everything back in operation with a minimum loss of time. Storms such as these work a hardship on every one—most of all on those depending on electricity to do so many of the chores in the home and around the farm. The linemen were out working for more than 38 continuous hours, doing everything they possibly could to restore service. They really did appreciate the help you folks gave them — food — assistance — moral support.

We had approximately 30 line breaks and lost 8 poles. We were very fortunate in comparison to other cooperatives; as some of them lost probably a thousand poles and service still is not entirely restored. Storms like these are beyond anyone's control — and it is so nice when members understand and do their part to help out.

Jr. Womack reports a new nephew. Mr. and Mrs. Delbert Dillard of Midwest City, Okla., are the parents. The young man has been named Rickey Dale. Mrs. Arthur Womack, Jr., left Saturday for Midwest City to be with her sister and family for a few days.

Skinny Winn is a new employee of the Co-op. We are glad to welcome him and Mrs. Winn into the co-op family.

Noland Arney is going to Amarillo to fight in the Golden Gloves Tournament. We wish you luck, Noland!

Wayne Collins said: "It really was rough on everybody last week."

Henry Brewer connected a new house at Wake on REA recently.

The linemen particularly want to thank those who helped pump them out of ditches and say thanks too, for the many cups of coffee and food given them.

Miss Lena Mae Anlauf, regional home economist, for Texas, New Mexico and Arizona, is spending this week at the co-op.

Due to the storm last Thursday the demonstration was not given at Mt. Blanco. Weather permitting the demonstration will be given this week at the home of Mrs. Brice Allen.

Buster Hicks, with H. N. Roberts & Associates Engineering Co., of Lubbock was a Co-op visitor on Monday.

Blair Adams and Hollis Pruitt with G. E. Corp. in Lubbock were co-op visitors last week.

In spite of the stormy weather Melvin and the Floydada group left Friday morning for Lubbock for San Francisco to attend the NRECA convention.

that my back is broken this morning."

The manager and board of directors want to commend all who reported outages, line breaks, and assisted in locating the trouble.

Again this proves that cooperation within a cooperative is what it takes to get the job done.

A change of address of Mrs. J. W. Nevius, the former Stella Tubbs, is indicated this week in a note from Mrs. Nevius, renewing her subscription to The Hesperian. She gives her new address beginning February 1 will be Newcastle, California, instead of Mendocino, California.

Matador Hearers Praise Blue Notes

Excellent, attractive, well-trained, were some of the words used to describe Floydada high school's singing group of 10 misses at Matador last week when the "Blue Notes" appeared on the Lions club program.

Ralph Stapleton, Prominent Motley stockfarmer, is president of the Matador Lions. "We have never had a more attractive program," was his comment. Bill Seale, Matador, was program sponsor for the day. He declared "these girls would be singing today in the Washington inaug-

ural ceremony except the orchestra didn't win." The program presented on inauguration day. The girls had just returned from a Denton NTSC singing assignment when they appeared at Matador. They were accompanied by Miss Ruby Lee Beville, their instructor.

Claims False Report Given By Hesperian

Mrs. Ben McGhee of Lockney writes The Hesperian under date of January 20, 1953.

"I notice an article in your paper dated January 15, stating that Lawrence Gale McPherson was charged with driving while intoxicated and also for murder without malice in the car accident in which Mrs. Hood of Silveston was killed west of Rock Creek on Sunday, January 11.

"And I would like to call your attention to the fact that this statement is incorrect. Lawrence Gale McPherson was charged only for negligent homicide.

"I am McPherson's aunt. I helped to rear Gale, his mother having died when he was a small child. He has returned to the navy now, for service there. I only want him to get fair treatment in or out of the papers and I want very much to see that mistake corrected in your paper."

Yours truly, Mrs. Ben McGhee. "P. S. I am asking that you give this correction as much precedence as you did the first article."

(Ed. Note.—The young navy boy was charged by complaint signed by state highway patrolman Carlton B. Holler with murder without malice. When the grand jury made its investigation the charge by indictment returned by that body was for negligent homicide as indicated by Mrs. McGhee.

South Plains News

(By Mrs. Murray Julian) SOUTH PLAINS, January 26.—The blizzard Thursday brought much needed moisture to our community, and gave a holiday to the South Plains school children on Friday. The buses, with the exception of one, did not run on Friday. The bus

was stalled in the mud near the West farm, and those children were taken home. J. B. Thames, who drives the north bound bus, ran into a snow drift Thursday evening trying to get the children home. He was forced to leave the bus and spend the night with Raymond Reeves. Friday morning help came to dig the bus out of the snow.

Mr. and Mrs. John Smitherman left Friday for San Francisco, California with a group of six from Floydada. The storm Thursday kept several from getting to go to the R. E. A. convention. Many places were out of electricity for the greater part of two days. Several of the group were ill with the flu and unable to go as planned. They left from Lubbock by train. They will attend meetings in San Francisco from Monday through Wednesday. Plans are to be away a week. One of the nice entertainments they are due to attend is the radio performance of "Fibber and Molly" on Tuesday evening.

Mrs. J. B. Thames and children spent Thursday night as guests of Mr. and Mrs. I. H. Parks while Mr. Thames was snow bound in the bus near the Reeves home.

Mrs. C. W. Hulick, her daughter, Mr. and Mrs. Robert Richardson, her grandson, Scotty Hulick, all from Albuquerque, New Mexico, arrived Saturday afternoon at the home of Mrs. Hulick's sister, Mrs. Murray Julian and family. Mrs. Hulick and Scotty will spend the next ten days with the Julians. Mr. and Mrs. Richardson, and Murray Julian left Sunday morning for Birmingham, Alabama, from there, Murray Julian will fly on down to Hollywood, Florida, where he will visit for a week with his brother, Clifford Julian and family, and other friends. This was the former home of the Julians. They plan to be home the first week in February.

The South Plains Baptist church is shining this week with newly painted nursery and auditorium. Rev. Spearman was the guest speaker Sunday, January 25. He was with his wife and two children from Kirklund, Texas. They were here for the morning and night services.

Mr. and Mrs. Robin Fortenberry, Eldon, Dural and Darlene, from the Cedar Hill Community were dinner guests and afternoon visitors Sunday at the home of his brother, Fred Fortenberry and family.

Saturday evening Mr. and Mrs. J. B. Thames and children went to Lubbock to spend the night, and Sunday visiting her parents, Mr. and Mrs. J. E. Leslie.

The Women's Missionary Society of the South Plains Baptist church met Wednesday afternoon, January 21, at the home of Mrs. G. H. Milton. The meeting was called to order by the president, Mrs. Bryan Karr, and Mrs. Dock Jones offered the opening prayer. A missionary song, "Send the Light" was sung by the group. After the short business meeting the program from Royal Service was given. Taking part on the program was Mrs. John Smitherman, Mrs. Shelby Calahan, Mrs. Dock Jones, Mrs. Murray Julian, Mrs. Origsby Milton, and Mrs. Bryan Karr. Mrs. Milton served sandwiches and drinks at the close of the afternoon. Next meeting will be on February 5, at the home of Mrs. Murray Julian, and bible study will be used on that date.

On Wednesday of last week Mr. and Mrs. H. L. Marble went to visit his mother, Mrs. F. L. Marble. Mrs. Marble is convalescing from a broken hip, at her home in Lockney.

Mr. and Mrs. A. P. Sanders were returning home from Petersburg Thursday in the bad storm when their car stalled on the highway. Fred Marble came by and took them home. Many cars and vehicles of all kinds were stalled on all the roads around here. Lockney buses could not make their entire runs and the children spent the night in sur-

rounding farm houses and in town. The South Plains buses made their runs, and only one, Mr. Thames' was unable to get in.

Mr. and Mrs. George Weast went to Lubbock Friday and spent the night with Mr. and Mrs. Ray Horn, who are former residents of South Plains. During the evening Mr. and Mrs. Lloyd Horn called and they all spent a pleasant evening together.

Mr. and Mrs. G. H. Milton visited at the home of Mr. and Mrs. P. M. Smitherman on Sunday afternoon. Mrs. Smitherman has been feeling very much better the past week. One afternoon she visited in Floydada with friends, the first time she has been out visiting for some weeks.

Mr. and Mrs. G. F. Weast attended the 44th wedding anniversary of their old friends, Mr. and Mrs. Gordon Alexander, who live near Silveston. The event was celebrated by a turkey dinner at the Alexander home on Sunday, January 25. Many friends gathered to wish them well.

Mrs. and Mrs. J. B. Thames called on Mr. and Mrs. Murray Julian and sons Saturday of the past week.

Mr. and Mrs. Otho Sanders and children were guests Sunday at a dinner in Floydada at the home of her parents, Mr. and Mrs. C. E. Bartlett. Others present at the Sunday dinner from Floydada were Mr. and Mrs. W. M. Sanders and Mr. and Mrs. J. H. Moore. During the afternoon Mr. and Mrs. J. F. Colston from Sterley came and spent the afternoon.

On Tuesday night Mr. and Mrs. G. F. Weast went to Lubbock to visit with Mr. and Mrs. Paul Sanford. They spent the night there as guests of Mr. and Mrs. Sanford.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

This Monday morning, January 26,

I find the old pioneers grieving for two women have left us for their "imortal home."

Mrs. Bud English was loved by all. I recall how quietly she fanned my little brother Guy as he lay unconscious after a fall from a running horse which slipped and fell on wet ground. How comforting she was, and how my mother always loved her for the love and comfort she gave us in time of trouble. This was only one thing this fine woman did in her long life of service for her fellow men and women. Truly she followed her Master's footsteps by going about "doing good."

To the family Mrs. English left, we pen these words of comfort:

"Think of us, dearest one, while o'er life's waters we seek the land. Missing thy voice, thy touch, and the true helping of thy pure hand."

"Til, through the storm and the tempest, safely anchored just on the other side, We find thy dear face looking through death's shadows, not changed, but glorified."

And the following poem seems to tell about the meeting of Mrs. Moes with her husband who passed on before her.

They Met and Are Satisfied

They met tonight — the one who closed her eyes unto pain forever and the woe; And the one who found the mansions in the skies in all their splendor long years ago. What will they say when first their eyes meet? Or will a silence take the place of words? As only saints can know how

strangely sweet a rapture such as heaven only knows.

Will he who went before ask for those left far behind — those whom he loved so well?

Or will the other, new to heaven's repose, question of all its meaning? Who can tell?

One went so long ago, and one tonight took the long journey, far across the tide.

This only do I know — they met tonight, and meeting — both I know are satisfied.

And for the ones who loved this dear, sweet woman, whose life left the fragrance of flowers given freely, we say:

"I give unto them eternal life." (John 10:28)

Here is a bouquet for you, Mr. Robert Garrett. You were so very nice and kind to us when we lived in Floydada, and you give us such a warm welcome when we visited up there. Hurry and get well. We don't want to miss you at the store and church when we come again.

I can hardly go to sleep at night for gardening. I plant and set out a row of nandinas for a hedge. I see red geraniums growing where only bare ground shows now. I see blue morning glories blossoming. Perhaps it is easier to dream of summer than the actual work will be, for it takes hard labor to make the desert grow like a rose.

Johnny Jeff has a bad case of chicken-pox. He is cross and I would be, too.

The scrap books are put away again. I have caught up the several years I have missed with the things I have carefully saved. It was hard to keep on pasting when I wanted to read and read. I don't like the job of pasting. Glue gets on one's fingers and it takes lots of time, but when the books are dry, records are kept that one would not want to part with.

Excuse For Laziness By J. A. Mullins In winter it's too cold to work, Summer's too hot, I'm protesting.

UNCLE HANK SAYS

PLEASANT MEMORIES ARE A JOY TO LIVE WITH.

And a used tractor from the KING TRACTOR & MOTOR is a pleasure to work with. If you need a tractor, why not stop in and look over these reconditioned machines... we can save you money.

KING TRACTOR & MOTOR

And between these two extremes The Floyd County Hesperian, Floydada, Texas, Thursday, January 22, 1953. night to visit her brother, Hudson Newell, who will meet them in Lincoln and family. They plan to return Sunday accompanied by Mr. Mrs. W. D. Newell and son, Louis, will go to Sweetwater Saturday.

SAVE up to 50% on your investment

It is no longer necessary to invest in expensive oversized equipment to profit from ALL the benefits of land leveling when you own a WESTATE. It gives you better seed beds, easier irrigation, freedom from crop-destroying pot-holes and improves the soil year after year. It has a bulldozer attachment to move large lumps of earth or fill ditches, and a scraper of exceptional performance.

You can save 50% over comparable levelers doing an equal amount of work because, by a remarkable new principle, the WESTATE uses your tractor as a PART OF THE LEVELING LENGTH. It gives you the additional advantage of greater maneuverability—gets you along fences and ditches and works around and among trees.

WESTATE MODEL "F" is the ONLY effective land leveler that does a satisfactory job with a 3-point hookup tractor. WESTATE MODEL "B" gives top performance with all other types of wheel tractors.

SEE this new method of land leveling at our store. Ask us to demonstrate it on your own farm. Manufactured by WESTERN STATES EQUIPMENT COMPANY, Golden, Colo.

We have in stock the F-10 to fit 4-Row Tractors, With 3 Point Hook up.

We also have the F-8 to fit the Ford and Ferguson 3 Point Hook up.

We have the B-10 and B-8 Power Lift to fit Other Tractors.
