JOINS MARINE CORPS

Miss Ruth Stewart, daughter of Mr. and Mrs. L. B. Stewart, sr., a graduate of the Floydada high school with the class of 1953, is in Dallas, where she is taking the physical to join the women's Marine Corps. At the end of the week she will go with other girls to Parris Island, South Carolina for nine-weeks training before taking specialist schooling or receive a permanent assignment.

May's Injuries Are Extensive

Injuries to Herbert May, the young Floydada electrician, hospitalized on June 5 following a highway crash near Chickasha, Oklahoma, are found to be extensive and numerous following his return by ambulance to Floydada last week. He has a brain concussion, his left arm and wrist are broken, his right thigh crushed and the leg broken from hip to foot. He also has a neck injury, extent undetermined. No internal injuries were found.

Mr. and Mrs. Alton May, his parents, his wife Mary Alice, and her mother, Mrs. Reese Grubbs, went to Oklahoma following receipt of news of the crash.

Truck Front Wheel Locked May, employed by a construction company installing Drive-In theatres in Oklahoma, was driving north of Chickasha, Oklahoma, during a wind and rain storm. He was enroute home here before reporting to Fort Worth where he had been transferred. Near a small bridge, a large oil field equipment truck was rearing the bridge as was Herbert May. The front left wheel of the 1952 Dodge pickup truck May was driving, locked and his car ran directly into the oil truck.

The pickup was a total wreck, the oil field truck very little damaged and the driver not seriously injured. Herbert was thrown from his pickup into a ditch. The driver of the truck rendered what aid he could and summoned aid.

Herbert remained in the Chickasha hospital until June 14, when he was brought to Peoples hospital here by ambulance. It was hoped this week by members of his family that he could be removed to a hospital nearby, where a home specialist could examine Herbert.

A report from the hospital Tuesday afternoon was to the effect that Herbert was slowly improving and the family hope to be able to move him this mid-week.

A brother, Warren May, a Marine, stationed at Honolulu, was flown home on a thirty-day leave to be with his brother.

Mrs. May is the former Mary Alice Grubbs. The May's have two children, a daughter two and half years of age, and a son, one month old. They moved here in January from Lockney.

DR. CARL BATES, AMARILLO. Will be camp pastor for huge young people's assembly beginning Monday at Plains Baptist camp.

Camp Meeting Time Again on Blanco Canyon

Its camp meeting time again at the Plains Baptist Assembly in Blanco Canyon, south of Floydada. Dr. Carl Bates, popular and forceful pastor of the First Baptist church, Amarillo, Texas, will be the camp pastor at Plains Baptist Assembly on the Ralls-Floydada highway. More than 500 young people of the ages 17-25 are expected to attend the camp beginning Monday, June 22, at 2:00 p.m.

The camp which is held annually, is under the direction of the 181 churches of Baptist District Nine which embraces a territory from Canyon to Spear. There will be a complete program of recreation including swimming provided for the young people. Outstanding speakers from over the state will conduct seminars during the day. All meals will be prepared in the newly enlarged dining hall and kitchen at the camp. Property evaluation of the camp is now more than \$150,000.00, according to Rev. Franklin Swanner, district missionary. Eighty-one churches own individual cabins besides camp owned property. The Youth Camp will dismiss at 1:00 o'clock Wednesday, June 24. The swimming director this year will be Glenn Wilson and the song and music leader for the camp will be T. F. Cox of Lubbock. Miss Ardelle Hollock of Lubbock will be in charge of the recreation periods. Appearing on the programs on the different days will be Mrs. Grace Knighten, Mrs. Lon V. Smith, John B. Stapleton, Troy Dale, Lee Ram-sour and Lattimore Ewing, also Leon Harris and Abe Hester. The registration fee is \$4.25 which includes the meals and the recreation fees. On July 10 there will be the general camp at the grounds. On July 13-15 is the intermediate boys camp. July 15 to 17 will be junior boys camp and on July 20 to 22, the junior girls will have their camp. On July 27 there will be a music camp and in August on August 24 to 25 will be brotherhood camp. August 27 and 28 will be the guest speaker.

Tanner Again Named Concert Assn President

Bill Tanner, of Floydada was recently elected president of the Floydada Community Concert Association. The election took place last week at a directors call meeting. Bob Stafford represented community Concerts Inc., of New York, and spent a day in Floydada getting his information together and making plans for the annual concert membership campaign in the fall. Other officials elected at the meeting were first vice-president, Hollis Bond, Floydada, third vice president, Mrs. Joe Holt, Lockney, secretary, Mrs. Tom Sneed, Barwise, and Treasurer, Miss Wanda Withers Floydada. Dates for this year's membership campaign were set for the week of November 2nd. The Floydada Community Concert Association is the only organization of its kind between Plainview and Vernon and has members in Crosby, Motley, Hale, Briscoe and Floyd counties. The 1952-53 season of concerts in Floydada presented soprano Genevieve Rowe, Cellist Edmund Kurtz, and Mildred Dilling, Harpist. The 443 members of the Floydada association also attended the five concerts sponsored by the Plainview Concert association. "We are looking forward to another outstanding concert season this winter," said president Tanner.

Barber Home Lost In Wednesday Fire

Fire Wednesday at noon practically destroyed the H. G. Barber residence at 420 West Tennessee street, together with all its contents. The fire department, answering the alarm, found it the most stubborn residence blaze they ever tackled. The fire is believed to have started from a water heater. No one was at home at the time of the fire. Mr. Barber was at the Wednesday luncheon meeting of the Rotary club. Mrs. Barber is studying at Texas Tech this summer and was in Lubbock at the time of the fire. Don, son of Mr. and Mrs. Barber, had also just left when the fire was noticed by neighbors. Don returned home Saturday from Austin where he spent last week at Boys state. Mrs. Barber in company with several other Floydada teachers leave Floydada every morning early to attend 7:30 classes and return home at noon. No estimate of the loss had been made, Mr. Barber said. There was some insurance.

Roping Wednesday Night, Next Week

There will be matched roping in Floydada on Wednesday night, June 24, when Bill Norris and Bud Pope will contest Snooks Balrd and Junior Brannon of Silverton. After the match, jackpot roping will be held. Admission price will be 25 cents.

HARMONY MEETING TONIGHT The monthly meeting of the Harmony community center will be held tonight at 8:30 at the Center. John B. Stapleton will be the guest speaker.

The Floyd County Library will open July 1st. Open house will be observed from 4 p.m. to 8 p.m. on opening day at the court house, second floor, north.

On July 2nd, open house will be observed at the Lockney branch from 4 p.m. to 9 p.m., o'clock. Mrs. Dee Copeland, Mrs. Swaid Quebe, Mrs. Al Willis, and Mrs. Maudie Lee Turner will be in charge. The Lockney branch will be located in the city offices, one block east of Lockney post office. This is an ideal location and heat, lights, janitor service, etc. will be furnished by the city administration. This attractive white stucco building is surrounded by a well-kept lawn and a number of lovely shade trees. The county is very fortunate to have Mrs. Turner as the Lockney assistant librarian, said Mrs. J. H. Bernard Tuesday.

Mrs. Hollar, Floyd county librarian, spent Saturday in Floydada continuing organization of the new library and giving further instruction to the two Floydada assistants, Miss Nancy Ann Goughly and Miss Myrna Wilson. Nancy Ann will attend Howard Payne next fall and will work in the college library. She was a student assistant at Wayland college this past fall. Myrna will attend college this fall also. Mrs. Hollar passed thru Floydada Monday afternoon driving to the American Library Association annual meeting in Los Angeles. She is accompanied by a niece and nephew and by Miss Haupt of Evangeline Parish Library, Louisiana. They will visit interesting historical spots and several parks enroute. Mrs. Hollar will be in Floydada June 30. She has rented the J. T. Kirk home place on South Wall street. Last week Judge Johnston and the Commissioners Court provided the Library with a greatly needed workroom near the library quarters. The library Board cordially invite all Floyd county citizens to visit the libraries at both Floydada and Lockney on July 1 and 2. Others who are interested in library work will be welcomed also. Mrs. Maud Hollums has presented her \$10 Pioneer day prize to the library fund as a donation.

Wheat Dribbles Into the Loan With the market price at \$1.84 per bushel on 1953 wheat on Wednesday, the majority of the Floyd county wheat crop is being put in government loan, which nets the farmer \$2.07. Up to June 15 there had been 46,371.34 bushels wheat placed in the loan at the P.M.A. office, according to E. A. Madera, county office manager. Not too many new wheat growers have signed up for acreage allotments so far. By new growers is meant that no wheat has been grown on the field during the years, 1951-1952 and 1953. July first will be the starting date for cotton acreage reports for the same three years, 1951-1953. These reports will be used to set up cotton allotments for the year 1954. Farmers who have approvals for assistance payments for A. C. P. practices should report those practices back to county office just as soon as completed, stated Mr. Madera.

Leaders of Texas Life Underwriters Meet in Houston AUSTIN — R. E. Fry, Southwest-ern Life Insurance Company has qualified for the Leaders Round Table of Texas for 1953, according to an announcement received today from George P. Montgomery, Houston, chairman of the group. The Round Table is comprised of more than 450 career life underwriters in Texas, and membership is based mainly on production qualification. It is the only honor group in the industry exclusively for agents. The Round Table is a part of the Texas Association of Life Underwriters and will hold its annual meeting in conjunction with the convention of the Texas association at the Shamrock hotel, Houston, June 25-27.

Council Should Refuse 'Phone Raise Approval

I have before me an application to the mayor and city council of Floydada, by the southwestern Bell Telephone Co., for an increase in the telephone rates for Floydada.

This is the third application in less than that many years.

If my memory serves me right the two former applications were granted, giving this company raises amounting to around 135%.

I am against granting them further raises at this time.

Lets look at some of the facts they state in this application that a fair value of the Floydada exchange property is \$561,000.

I notice the property rendered for city taxes in Floydada is \$31,000. Think this one over carefully.

Subtract the \$31,000 from the \$561,000. It leaves over a half million dollars — in fact \$520,000 — we should be collecting taxes on.

I call our equalization board's attention to above facts. According to their own words they are getting by tax free on over half a million dollars.

They claim a loss on Floydada exchange in 1952 of \$37,851. I think this untrue and I believe they do, too.

I think also this third raise asked for is 'unthinkable'.

If you are a telephone subscriber get busy. Tell your mayor and city council whether or not you are for this raise. They represent you, who pay this bill.

The company claim they are not making any money. This is a rancher and farmer county and they are not at this time making any money either.

With all fairness to the telephone people, they will have more customers and make more money by going along with the rest of us. The trend of all prices at present is down—not up.

The city slicker diplomacy at this time is to get these high rates established before prices really level off. Then did anyone ever hear of rates being lowered?

With a drouth on and prices going to pieces, they ask for this third raise. They surely think us a bunch of suckers, which we are if we let them high-power our mayor and city council and put this over. What do you think?

With this 106-degree temperature and a few other things, it has a tendency to increase my Irish temper. I could boil over and blow a fuse but that would probably not help.

Fairview News

(by Mrs. Clyde Bagwell)

FAIRVIEW, June 16 — Vacation bible school closed Friday with a commencement program that night with several from Center and Fairview attending the program.

Rev. R. C. Hodges, pastor of the Center church, brought the message for the evening program. There were twenty seven enrolled in bible school. Some did not get to attend both weeks. A nice offering was taken at the close of the school and it will be sent to Mary Ann Wilson who is doing mission work in New Mexico.

The home demonstration club meets Monday June 22 in the home of Mrs. L. B. Cozley, Sr., at 2:30. A demonstration on copper foil craft will be given by Mrs. Jim Stewart.

All club members are urged to be present and get this demonstration. The club members and their families are having an ice cream supper and get together at the home of Mr. and Mrs. E. W. Walls on Friday night June 19. Each club member is to bring enough ice cream made up and ready to freeze, for her family, also salt and ice to freeze it.

Mr. and Mrs. Shirley W. Irwin and daughters visited Sunday at Tulla with her parents, Mr. and Mrs. R. R.

Quartet of Boys From Floydada at Irving Boys Camp

Jackie Barbee, Clarence Cox, Roy Ewing and Bobbie Dale Warren were the Floydada boys selected to attend the Salvation Army boys camp near Irving, Texas, last week.

Mrs. J. M. Willson, sr., carried the boys to Irving and Ellis Barbee went for them last Sunday and returned home.

The boys stayed a week at the camp where they had lessons in handicraft, Bible lessons, and all sorts of recreation.

The manager of the camp also complimented the Floydada boys on their good behavior and sportsmanship while at the camp. Mr. Barbee met the director and some of the instructors while there and he liked the camp too.

The boys say they would like to go again next year.

This is an annual affair. The two boys who attended the camp from Floydada last year were Anthony Hill and Walter Simmons.

Waller.

We are glad to report that Mrs. Carlton Fawver and Lee W. Burton both of whom have been confined to their beds some time are both improved and can be up most of the time. Lee has been out to church the past two Sundays. The report this morning on Mrs. Fawver is that she is looking fine and feels so much better. We wish for both of these folks a complete recovery.

Sunday dinner guests and visiting for the rest of the day with Mr. and Mrs. E. W. Walls were Mr. and Mrs. Johnnie Price and son of Plainview and Mrs. T. J. Jarboe of Lockney.

Mrs. W. B. Wilson from here and Rev. and Mrs. Joe Wilson of Floydada spent Sunday and Monday at Roswell, New Mexico with Rev. Wilson's sister, Mrs. Maggie Wimberly. Another sister, Mrs. Ethel McKinstry of Hoisington Kansas who was visiting at Roswell returned home with the Wilsons for a visit here.

Mrs. Bob Chooters and children visited with Mrs. L. B. Cozley, jr., and children Wednesday afternoon.

Visitors in the C. H. Wise home Thursday were Mrs. Marvin Wicher and children and Mr. and Mrs. Ben-ton Ritchey.

Mrs. Grady Reeves and sons of Plainview visited Thursday with her parents, Mr. and Mrs. L. B. Cozley.

Mrs. E. C. Austin, Mrs. Raymond Reeves, and Carol Reeves spent Friday with Mrs. Walton Wilson and Judy.

Mr. and Mrs. Lee Rushing, Janet and Ray Bridges went to Lubbock Saturday and brought Dickie Lee Rushing home with them for an indefinite visit.

Mrs. W. B. Wilson, Mary Ann, and Judy went to Plainview Friday, June 5 and visited with Mrs. L. A. Horton.

Mr. and Mrs. Merle Mercer and daughter, Vicki, of Skellytown visited from Saturday until Monday afternoon with her parents, Mr. and Mrs. Lee Burgett. On Sunday all of the above mentioned along with Mrs. Carl Nelson and children of Floydada visited at Shallowater with Mr. and Mrs. Bill Burgett and family.

Mrs. J. H. McManus of Sulphur Springs who was here visiting for two weeks in the home of her daughter, Mrs. F. O. Conner of Lockney spent last Wednesday with Mrs. Edell DuBois.

Sunday afternoon visitors in the home of Mr. and Mrs. Lee W. Burton were Mrs. C. W. Burton and Maurice Burton of Floydada and Mrs. R. H. Green and daughters, Betty Gail and Linda of Lubbock.

Mr. and Mrs. Dean Walls went to Plainview Saturday afternoon to the home of her parents, Mr. and Mrs. R. C. Mangum where they spent the night returning home Sunday morning early. On Saturday night Mr. and Mrs. Walls and Mr. and Mrs. Mangum went to Littlefield to visit Mrs. Walls uncle and aunt.

Leonard Wilson of Lubbock spent the week-end here with his parents, Mr. and Mrs. Walton Wilson. Sunday visitors in the Walton Wilson home were Mr. and Mrs. Jim Stewart and Jim Dan, Mr. and Mrs. Clyde Bagwell and Sherman Irwin. Sunday afternoon Leonard returned to Lubbock accompanied by Sherman and Luella Irwin and Ann Hopper. Ann was here spending the week-end with her parents, Mr. and Mrs. Gene Hopper and was returning to her work at Lubbock.

RAINBOW ASSEMBLY

Twenty-nine Rainbow girls from Floydada and Lockney assembly will leave early next week by chartered bus to attend the state Rainbow assembly. The girls will be accompanied by Mrs. Winnie Dyson, mother advisor, and board member from the local order of the Eastern Star.

Mr. and Mrs. C. R. King and son Denny spent the week-end in Colorado City, where they visited her parents, Mr. and Mrs. H. H. Copeland.

Mrs. J. W. Tally and daughter, Stanniece, of Sunset, returned home Wednesday after a weeks visit with her mother, Mrs. W. H. Finley, and other relatives and friends in Floydada, Plainview and Amarillo.

Mrs. Grady Hall is in Midland visiting with her son, Hal Ray Hall and wife.

Natural Vision Three-Dimension Palace Feature

"Bwana Devil," the world's first feature length natural vision 3-dimension motion picture in color will make its initial showing next Thursday, June 25, at the Palace Theatre through United Artists release. The foresight, confidence and faith that Producer Arch Oboler and Milton Gunzburg had in this new screen sensation, made possible this revolutionary presentation.

The idea of three-dimensional movies is not new—since the late Twenties, all sorts of experiments have been under way to find the proper way to present 3-D to movie audiences.

"It presented some tremendous technical problems," explains famed Hollywood cinematographer Joseph Biroc. "With the presentation of Arch Oboler's 'Bwana Devil,' these obstacles have finally been overcome, and we have a radical innovation that I think will astound viewers and cause a complete re-examination of our movie-making techniques."

The 3-D camera, Biroc continues, "is actually two cameras in a single unit photographing separate film strips. These in turn are projected simultaneously with two projectors interlocked to run in unison. While other 3-D systems have employed dual cameras none have pursued the theory that the 3-D cameras should see and record the scene exactly as the human eye can see it. The result, says the camera expert, "is a 3-D picture on the screen that induces no eye strain."

Polaroid spectacles are worn by the audience in viewing the picture, and careful tests have shown that within a matter of seconds viewers forget about the glasses and proceed to enjoy the unprecedented novelty of true three-dimension.

This picture will be the first full length 3-dimensional picture to be shown in the immediate vicinity, according to Jack Deakins. Mr. Deakins feels sure the people of this

area have been anticipating a 3-D picture and that they will be highly pleased with this, the first offering of a full length picture of this type in Floydada.

Mr. Blanco News

(by Mrs. Weldon McClure)

(Received to late for last week)

'BWANA DEVIL'

What does a man want in a wife? Glamour? A good housekeeper? A thrifty stay-at-home? A good mixer? Well, luckily for us women, they don't all want the same thing.

At high noon on one of the hottest days last week, we stopped by a home we'd never been in before. The "lady of the house" was a woman we'd seen at public gatherings and never thought about twice. But in her spic-and-span home that hot day, she was serving cool lunch plates and frosty iced tea to her husband and son with all the dash and pleasure that some women throw into serving the bridge club. She had made the lunch a cool respite in the day for her family.

One evening of an equally hot day last week we were invited to supper in the backyard by a couple we know well. The crisp salad, grilled bread and barbecued chicken weren't a bit of trouble, we were assured. And to all appearances it was true. The man-of-the-house, who loves to officiate at the barbecue pit, was basting the half-chickens, and the whole atmosphere was so casual you could forget that a thoughtful wife had done a lot of "making ready" earlier in the day.

Other women who appear non-social have "got that way" because their men prefer thrift to party-giving. And still others, who by nature hate to spend a dime, have learned to dress smartly because their husbands want their wives to be in high fashion.

Fact is, men don't always know what they do want. But a wise wife soon figures it out, and sets about cutting her own personality to fit the pattern.

PARTY HONORS 4-YEAR-OLD

Monday afternoon from 3 until 5 Mrs. Thomas Warren entertained with a party at home honoring her daughter, Elaine, on her fourth birthday. Elaine received many nice gifts. Pictures were made of the group.

Sherbet and angel food cake were served. Present were Sandra Kay Huckabee, Nita Faye Goughly, Linda and La Nell Williams, Kathy Chapell, Judy Huckabee, Becky and Johnny Dunlap, Kenneth Huckabee, Mike Crouch, Larry Noland, Edwin Warren, Martha Meek and the honoree, Elaine Warren.

Mesdames E. A. Williams, Ernest Huckabee, R. G. Dunlap, K. Crouch, E. A. Noland, Buri Huckabee, Ozell Chapell, Ola Warren, and Roy Meek were also present.

Wallace and Barbara King — Bill Ehlers

Thompson Lloyd Take at Lockney

Thompson, niece of Lockney and Mrs. Smith of Floydada, were married at 5 p.m. at the Methodist church in Floydada.

S. Daniel performed the ceremony. The church was decorated with palms interspersed with white gladioli. The archway was decorated with greenery and wedding bells.

The bride wore a gown styled with a ruffled bertha. Her train edged in tulle and she carried a lace train edged in lace.

The bridegroom is the son of Mrs. Crisman of Portland, Oregon. Dr. Travis White, pastor of the First Christian church of Lubbock, officiated in a double ring ceremony before an arch decorated with small spring flowers and fern flanked by white tapers in candelabra and floor baskets of white gladioli and palms.

Mrs. William Finkner rendered the pre-nuptial music and played the traditional marches. She accompanied Walter Scheff who sang, "Through the years" and "An Sweet Mystery of Life."

The bride, given in marriage by her father, wore a street length dress of white dotted swiss with matching short gloves and white lace hat. She carried a white bible topped with yellow roses and a blue China silk handkerchief, a gift from her paternal grandmother.

Attendants at the wedding were Mrs. Tom Suits, matron of honor and Tom Suits, best man. Ushers were Travis Graham of Petersburg and Dan Tarpley of Lubbock. A reception followed the ceremony in Fellowship hall with Mrs. Charles Gorce of Petersburg and Miss Margaret Ann Sams of Lubbock serving the guests. Mrs. Don Tarpley registered the guests.

The couple are at home in Lawton, Oklahoma. The bride is a graduate of Texas Tech, and the bridegroom graduated from Mesa College at Grand Junction, Colorado.

Miss Suits will be remembered in Floydada as former office manager and bookkeeper for several months at Peoples hospital. Attending the wedding from Floydada were Mr. and Mrs. Harold Huggins and Mr. and Mrs. Jake Watson and daughter.

Jerry Nell Suits, Petersburg, Wed To Lawton Man

Miss Jerry Nell Suits, daughter of Mr. and Mrs. J. L. Suits of Petersburg, became the bride of John L. Crisman of Portland, Oklahoma, on Saturday evening in the First Methodist church in Petersburg.

The bridegroom is the son of Mrs. Crisman of Portland, Oregon. Dr. Travis White, pastor of the First Christian church of Lubbock, officiated in a double ring ceremony before an arch decorated with small spring flowers and fern flanked by white tapers in candelabra and floor baskets of white gladioli and palms.

Wesley Girls Met With Mrs. Barker

The Wesley Girls Sunday school class met June 10 at 2:30 at the home of Mrs. E. J. Barker with Mrs. W. E. Grimes and Mrs. W. O. Tye co-hostesses.

As a devotional Mrs. Calhoun talked on "Unseen Influences" and closed with a prayer. Mrs. H. M. McDonald told many interesting things about her visit in West Virginia. She also showed a number of pictures.

The business was conducted by Mrs. W. H. Henderson in absence of the president Mrs. Collins. During business plans for raising money for the church building fund were discussed.

Refreshments were served to Mrs. D. T. Mayo, G. V. Smith, H. M. McDonald, V. W. Hennessee, R. B. Calhoun, P. F. Bertrand, J. B. Turner, W. H. Henderson, J. G. Wood, E. S. Randerson, S. J. Latta, Roy Curry, Lillie Henry, L. G. McDonald, Tilden Armstrong, Mrs. E. C. Henry, class mother and the hostesses.

Mr. and Mrs. G. N. Shirey and daughter, Mrs. E. L. Widener and family attended a family reunion of the Shirey brothers and sisters in Wichita Falls recently.

Dad's Day deserves special attention. Serve him the foods he loves most—ham'n eggs for breakfast, his favorite salad for lunch, a handsome beef steak for dinner along with baked potato and plenty of melted butter... Top His Day with a delicious Chocolate Cake, always a man's favorite. We've priced the ingredients specially low.

We, the Sand Hill community, wish to express our deepest sympathy to the Hollums families in their sorrow over the loss of their mother, Mrs. A. L. Hollums. May God be with them in their hour of sorrow.

Mrs. A. V. Womack and Mrs. Hilrey Shurbet were appointed by Mr. Lois Turner to sell shares for the county fair. If you wish to buy a share of these ladies. They will be glad to fill out a membership card for anyone interested. The Sand Hill club voted to buy a share for the county fair.

Mr. and Mrs. J. T. Huckabay visited in the home of Mr. and Mrs. Fred Jackson Sunday afternoon.

Mrs. J. T. Spears is recovering nicely after her operations. The stitches will be removed Monday in a Plainview hospital.

James Jeffress was in Lubbock Monday on business.

Mr. and Mrs. T. C. Hollums and family visited in the home of Mr. and Mrs. Roy Hollums of Lockney over the week-end.

Visiting in the E. M. Rutherford home over the week-end were Mrs. Rutherford's parents, Mr. and Mrs. Elery Smith, and her sister, Viola Koonce and family of Stamford, Mrs. R. L. Rutherford of Plainview and Mr. and Mrs. Ralph Hatley and fam-

ily of Stanford. The Hatleys were on a return trip from Carlsbad, New Mexico.

Mr. and Mrs. Jim Jeffress of Silvertown visited relatives in Sand Hill Sunday afternoon. They were returning from Midland where they had been visiting with Mr. and Mrs. C. H. Jones formerly of this community.

Visiting in the home of Mr. and Mrs. Rafe Ferguson over the week-end were Mr. and Mrs. Lusby Kirk and son of Lubbock and Mr. and Mrs. Charlie Day and family of Floydada.

Mr. and Mrs. Ed Holmes and Sarah were visiting friends in the community late Sunday afternoon. Mr. and Mrs. H. F. Jackson enjoyed Sunday dinner in the home of Mr. and Mrs. Lynn Miller.

Mr. and Mrs. Lynn Miller and family, Mr. and Mrs. Cager Pope and family and Mr. Gene Porter enjoyed home made icecream in the home of Mr. and Mrs. Orlon Miller of Floydada Saturday night. Mr. Porter was enroute from Fort Worth to Midland and was visiting relatives here.

Gifts Provide Pen Panels for Stock Shows

After completion of a canvas by himself and Bill M. Norman last week-end, Marvin Shurbet reports a \$600 fund which is being spent for steel panels for use in live stock shows at Floydada Rodeo association grounds. The money was put up by approximately 100 individuals and business firms.

Shurbet said the panels have already been ordered and delivery promised in 30 days. The steel frames will take the place of frame wooden panels which have been in use for years in live stock exhibitions. Subscribers were promised the panels would remain on the ground and not be loaned to individuals, Shurbet said.

Need for the new equipment for the live stock barn in two different shows this fall is definite. First, for the live stock show of the Floyd county fair, on September 17, 18 and 19; second for the club boys' pig show in October.

List of donors to the fund for the steel panels is reported by the canvassers as follows:

Kerr & Middleton Low Bidders For Floyd Co. Roads

Kerr & Middleton were low bidders Tuesday for the construction of the Rushing Chapel road to U. S. Highway 70, and for the Lakeview to Crosby county line job.

The Rushing Chapel job is listed at 5.3 miles, the Lakeview job at 3.3 miles.

Bid of Kerr & Middleton, who are expected to be awarded the contract, was \$74,693, the district engineer's office reported yesterday.

Girl Scouts and Brownies In Camp

Monday, Tuesday and Wednesday were busy days for Floydada Brownies and the Girl Scouts, as they gathered at the Plains Assembly of Baptist encampment grounds in Blanco canyon for a camp.

Mrs. J. N. Weaver, of Clarendon, a professional Scout leader was present along with the different leaders of the groups.

There were 84 girls at the camp, registering from Floydada, Lockney and Ralls.

The camp opened at 9 o'clock each morning and adjourned each afternoon at 2 o'clock.

Today and Friday the girls camp has been transferred to Napoleon park, across the street from the City Park Church of Christ. It was to have been at the park in northwest Floydada, but owing to the park being flooded (from working on the new city water wells) John Reue, camping chairman, announced the change in meeting place.

The girls will meet at the park at 4 o'clock and adjourn at 8 o'clock the ceremonies will be at 7 o'clock.

Mrs. Weaver will be in attendance at the meeting today and Friday.

Country Club Has 2 New Directors

Members of Floydada Country Club re-elected four of seven of their old directors to office for the fiscal year 1953-54 and chose three new members of the board.

The new members are J. M. King, Billy B. Henry and James H. Word. They succeed Everett Perry, Tom Daniel and L. J. Welborn.

Hold-over directors are Rex R. Brown, Wm. E. Brown, B. K. Barker and Carl L. Minor, Jr.

The club, which owns 160 acres of ground in scenic Blanco canyon, was organized in 1928. Within its bounds is historic Cochran's peak, landmark for the location of numerous land surveys in days prior to the organization of Floyd and Crosby counties.

The club has 100 original members and 115 associate members. It is a favorite swimming, picnicking and golfing retreat for many families.

Funds For Relief to Tornado Areas

Final result of the county-wide voluntary campaign for relief funds to go to Waco and San Angelo was announced this week by County Chairman N. W. Williams, \$300 of a total of \$300, going to Waco sufferers and \$300 to San Angelo.

In addition to the county Red Cross fund \$25 each was sent to the stricken cities by Floydada unit of the Salvation Army.

RADIO PROGRAM SALES CLINIC HELD LAST WEEK

Carl Minor of Radio Station KFLD spent the first of the week in Fort Worth, where he attended a program and sales clinic meeting held in Texas hotel.

Accompanying him to the clinic were Clint Formby, Joe Martin and Tommy Hulsey, all of the radio station at Hereford.

Water Situation Is Almost Whipped

Belief that tying in a new water well to the city's system tomorrow and not later than Saturday will have the city over the hump on the water supply for the summer. Tremendous increase in the use of water during the current heat wave for all purposes has kept the water department on the job round the clock.

The new well, a six-inch installation, has been cleaning out this week at 450 gallons per minute. City utilities superintendent Al R. Fuchs anticipates it will put 385 gallons per minute in the water system against pressure.

LEG BROKEN IN FALL

Last week-end Royace O'Neal, 5, son of Mr. and Mrs. Hays O'Neal, 1117 South Main, stepped in a depression and broke his left leg above the ankle. The break was discovered when his sister Vicki called to his mother from the yard that Royace "fell and couldn't get up." The lad was doing nicely Tuesday.

The Herman Dillard family have returned from Olney after a year there and Mr. Dillard is now employed as projectionist for Capada theatre. He succeeds Glen Amburn, who has taken a place with Radio Station KFLD as announcer.

Joe Wayne Sherman, of Oklahoma City, was here last week-end, guest of the Jack Henrys.

John F. Lewis, accompanied by Jackie Henry, spent several days last week at Holdenville, Oklahoma, on business.

Mr. and Mrs. J. O. Warren and daughters, Alene and Darlynn, spent Sunday in Lubbock with Mr. and Mrs. Bob Rogers, Miss Carol Sadler, of Abilene, who has been a house guest of Darlynn for the past week, accompanied them to Lubbock and left for her home.

ONE STAR Agriculture

Released by The Texas Department of Agriculture

NEW GRAIN WAREHOUSE LAW

Texas now has its first grain warehouse bill. And for the first time, the farmer has adequate protection for his grain and field seed held in storage by a state licensed grain warehouse.

Long needed as a protective measure for stored bulk seed, the farmer has adequate protection for his grain and field seed held in storage by a state licensed grain warehouse.

Long needed as a protective measure for stored bulk seed, the Public Grain Warehouse bill was passed during the recent 53rd legislative session. As a result, a depositor has his commodities insured against fire, theft, misappropriation, damage due to careless handling, or acts of God.

Also for the first time, the farmer may use his stored grain receipts from state licensed warehouses as negotiable security.

The bill is Texas' answer to the grain scandals which rocked the nation in late 1951 and early 1952. Briefly, it requires that each public warehouseman obtain adequate bond, secure a license of operation from the Texas Department of Agriculture, and carry sufficient insurance to cover the full value of bulk grain stored in his bins.

Bonds are set at \$5,000 minimum and \$50,000 maximum, subject to the decision of the Commissioner of Agriculture who can raise or lower it as he deems fit for the best interests of depositors. The licenses are issued over his signature.

The law has an exception. Warehouses having a license from the Federal Government are not required to meet the state provisions. The regulations are so similar that it would make for unnecessary duplication.

The first eight licenses of operation were issued early this month to J. R. Cooper, representative from the J. C. Crouch Grain Co., headquartered at Dallas. By law, other public warehousemen will follow suit until every holder of public grain can offer the proper protection necessary to depositors.

Frequent inspections of the warehouses will be made by Texas Department of Agriculture personnel. Copies of the bill and regulations are available without charge by writing: John C. White, Commissioner of Agriculture, Capitol Station, Austin.

Among the visitors at King's store opening were Mr. King's parents, Mr. and Mrs. M. W. King, and sister Miss Gertrude of Slaton, who stopped several hours here enroute to Sherman Friday morning.

Conservation District News

J. P. Moss says Land Leveling does pay. And the yield he received from his 44.2 acres of bench leveled land backs up this statement.

It is estimated that the average irrigated wheat yield for Floyd County Soil Conservation district is about 15 bushels per acre.

Mr. Moss averaged 37.8 bushel of wheat per acre on the 44.2 acres of bench leveled land.

This is 22.8 bushel above the district average. At the present price of wheat (\$1.93) this would be \$44.00 more return per acre than the average wheat farmer made.

It cost Mr. Moss \$34.00 acre to get this land bench leveled and then he was out the cost of applying fifty pounds of 45% Nitrogen and 200 of another trace element to condition the benched area after they were constructed.

But figuring all of this the total cost of the leveling and fertilizing would be less than the \$44.00 increase which resulted from the leveling and fertilizing.

The P.M.A. paid \$15.00 per acre on this leveling job and the Soil Conservation Service technicians laid the work out. So! really the total cost of the leveling to Mr. Moss was only \$19.00 per acre.

You can very quickly see that he more than paid for this leveling with the increase from one crop.

Mr. Moss was asked what he thought of his leveling and he answered by stating he plans to do another block this year which is considerably flatter.

Where there is a will there is a way — although it has been impossible to obtain planting attachments for seeding cow peas with grain sorghums, farmers are working out some very good planter themselves. Marion Tucker of the Harmony community has rigged up one that has worked beautifully on fifty acres.

Marvin Shurbert of the Allmon community has also devised a planter deal to get his seed of cowpeas and grain sorghum on 160 acres were sufficient to say he had a good deal.

Other Soil Conservation district cooperators who have planted these cowpeas with grain sorghums include E. E. Poster, Walter Taack, Wesley Carr, Duard Reeves, and Kenneth Wafford.

There's only one answer...

Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers — truck users everywhere — buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

VIEWS AND COMMENT

Overshadowing all thoughts this week are the twin pestilences, war and drouth. How the American military and political decisions are having to be squared with a decadent European "statesmanship," and how the American people are having to see their country carried along the ruinous path that has been that of continental diplomacy for a thousand years. You do not have to be "in possession of all the facts" to sense that it is all wrong. And the further our nation goes the further into the sticky morass our "friends" carry us. Trying to ape the English and the French. Do not expect to be happy over the "truce" in Korea. As for the drouth we must keep in mind that this is the kind of a country we live in. Drouths have and will come. After them will come the good again. The southwest has been vouchsafed some wonderful years. We will have them again.

Prophets of doom on the weather front should keep in mind that this is a country which promises little, gives much. And those who have land which they cannot water may well keep in mind that the earth which they till is resting for that time which is due to come again, when the rains fall and the earth smiles back with plenty and to spare.

Really good looking cotton in the irrigated fields this week. Heat above and moisture below are making the stalks grow fast, the "greasy" green leaves pop out. Certainly a blessing for which all should be humbly thankful, not cocky.

Telephone rate increase talk right now in Floydada is in poor timing. Although West Texans are notably optimistic and have a deep seated belief in their country they also are notably waspish and critical during a siege of dry weather. But of course the negotiators for the telephone company can't make the decisions about when they'll start a hassle over rates. Such decisions have to be initiated on the seventeenth floor where the temperature is milder and the hues are brighter. These decisions are carried out by the manager and the division manager out with the people they have to do business with, and not in Austin with a commission also sitting in an air-conditioned hearing room.

A problem locally, in connection with the telephone business, is the need of many elderly people for telephone service. Some of these according to the stories we listen to, are barely able to meet the present assessments

for the service of the 'phone company. A rate raise would make their lot a little harder. City authorities will almost be forced to take this situation into account and arrange some kind of charity plan similar to the arrangement about water and lights for persons who have to have them and can't pay for them without undue hardship. This attitude on our part is based on the assumption that the rate raise is inevitable sooner or later. Corollary to the statement that the telephone company never fails to prove its case is the truism, "the poor we have with us always."

THE DRAFT LAW AND REGULATIONS

(Editor's Note: This is one of a series of 10 short articles on the draft law and its rules and regulations.)

The draft law requires every man registered with a local board to report any change in personal status to his board.

"Young men have asked us just what changes they should report," Brig. Gen. Paul L. Wakefield, state draft director, says. "Generally, anything which has a bearing on classification should be reported."

The state director pointed to the following things which should be regarded as change of personal status:

1. Current change of mail address should always be sent to the board.
2. Marriage should be reported at once.
3. If a wife becomes pregnant with a couple's first child, a physician's certificate must be sent to the board immediately after the fact is known.
4. All additions to the family must be reported.
5. Any and all deaths in a man's family should be reported.
6. If a man and wife are divorced or they no longer live together, this must be reported.
7. Permanent change of job should be reported.
8. Serious injury or physical defect should be reported.
9. If a man becomes a student in a college or university, this fact should be reported.
10. If a man enters the Reserves or National Guard, he should ask his commanding officer to notify his board. He should assure himself that it is done.
11. If a man has attempted to volunteer for armed forces service and has been rejected, he should advise his local board.

Good example has twice the value of good advice. —Pulpit Digest

Red and Faye Gregory spent the week-end in Quanah with relatives. Mrs. O. C. Dentonham, Fay's sister came home with them to spend several days. Red says, "I sure is hot weather in Quanah."

Mr. and Mrs. Shorty Neff, Aubrey Lynn, and Mrs. B. P. Neff returned recently from a vacation trip in Arkansas. They report a wonderful time—lots of fish—delicious strawberries and beautiful country.

Bert Grimes, Dane Clark and Paul Huntington are temporary employees at the co-op office to help with some extra work.

Melvin Henry, manager, attended the 5th Power Reserve meeting in Hereford on Monday.

Mr. and Mrs. D. M. Moore have as guests Mrs. Moore's aunt, Mrs. Reese of Paris, Texas.

Mr. and Mrs. Shorty Neff and Aubrey Lynn visited in Hereford Sunday with Buddy Neff and two of their sisters and their families.

Junior, Jimmie and Lane Womack have spent the past week on vacation. They fished at Lake Diversion and visited in Oklahoma City with Jimmie's sister, Mrs. Delbert Dillard and her family.

Jackie and Randie Ring are visiting their aunt and family, Mrs. Arthur Womack Jr.

Here are some of the advantages in electric roaster for cooking on these hot summer days when the temperature goes almost down to "smother."

PORTABLE — For outdoor suppers and picnics. Perfectly at home on the dinner table and at buffet serving.

WORK SAVING — A roaster will cook a whole meal at one time. Not watching, no basting and stooping. Easy to clean.

COOL — The electric roaster eliminates "standing over a hot stove". Installation keeps the heat inside the roaster to use for cooking.

VERSATILE — Use it to roast meats and fowl — bake pies and cakes, cookies — cooks whole meals. And with the broiler-griddle attachment, it broils, grills, fries and toasts, too.

FLAVORFUL — Nothing compares with roaster cooking for flavor and texture. Meats retain their rich juices! Cakes are light and breads

are uniform! Vegetables keep their garden freshness!
ECONOMICAL — Electric roasters use current only when thermostat calls for it. An electric roaster soon pays for itself in fuel saved—in less shrinkage of foods—and in eliminating cooking failures.
CLEAN — Roaster cooking is el-

ectric cooking. The cleanest kind of cooking known. No smoke — no soot — no dirt — the entire kitchen stays brighter and cleaner longer.

Mr. and Mrs. Dick Bunnell of Santa Monica, California, arrived Sunday for two weeks with relatives here and at Andrews, Texas.

THE TRADEMARK OF QUALITY FARM EQUIPMENT

What is the most valuable thing General Electric ever built?

Is it the jet engine? In 1942, General Electric gave America's air arm its first jet muscles. Would you say that is our most valuable product?

Or would you elect the fluorescent lamp? We placed the first ones on sale in 1938. With the growth of fluorescent lighting Americans are using 3½ times more light than even 10 years ago.

Maybe you would say our star performer is the steam turbine. All you do is flip a switch, and a turbine somewhere instantly responds to provide the power to pump for you, or push or lift.

How about x-ray? Your doctor holds a negative up to the light and peers at bones he says are really yours. Who can say how many lives the x-ray tube has saved?

Important as these products are, more valuable to us—and to you—is something these products have helped to build. Something born quietly in 1878, when electricity was still a curious toy. And something that has grown steadily through the years.

The most valuable thing we ever built is your good will. For your year-after-year confidence in the things we make has given us the means to serve you better. Better engineering, research, manufacturing—all have come from your belief in us. It returns to you in a constantly improving and expanding way of life.

You can put your confidence in—

GENERAL ELECTRIC

Make a Double-Date with a "Rocket 8!"

DRIVE IT YOURSELF!

You want a car you'll both be happy with—one that performs for a man, handles easily for a woman. We believe Oldsmobile's the answer. That's why we're launching this special "Double-Date" campaign—inviting you to come in and drive the Super "88" or Classic Ninety-Eight together. See for yourself how the "Rocket" Engine rules the straightaway, how Hydra-Matic's Super Range levels the hills, how the Power-Ride Chassis seems to iron out the roughest roads. Then...

LET HER DRIVE IT TOO!

You'll learn that Oldsmobile has a double appeal—to men and women alike. She's probably told you already how she loves Oldsmobile's long, sweeping lines and luxurious Custom-Lounge interiors. But at the wheel she'll discover that this big, powerful car is as obedient to her light touch as to yours—with Power Steering* and Power Brakes* taking the work out of driving. Come in soon. Discover the double appeal of Oldsmobile... together!

*Power Steering and Power Brakes are optional on some models.

Center News

by Mrs. J. E. Green
 CENTER, June 16 — More hot and hotter weather. But we are thankful for a breeze—even the hot—that turns the windmill and brings cool water thru the hose that feeds the thirsty lawn and cools the porch floor.
 Even the school house with its huge ceiling and many big south windows was hot Sunday afternoon. But like any desert it usually cools off here after dark. Crops? Where are they unless irrigated.
 Bro. and Mrs. Hodges and Jerry were Sunday dinner guests of the J. D. Welborns. In the afternoon they made some calls over the community.
 Geneva Norvell who has been visiting her brother and family, the Buck Norvells, of Garland has returned home. Buck and family went with her for a short visit.
 Mr. and Mrs. Melvin Howard of Fort Bragg, Georgia are on furlough and visiting her father and family, the J. H. Norvells. They spent the week-end with a brother, Luther Norvell and family of Hereford.
 Mr. and Mrs. J. R. Robertson and children, Patsy, Patricia, Karen, Kenneth, and Jerry Mack and Gail Baxter spent the week-end in Fort Sill, Oklahoma visiting a son and wife, Mr. and Mrs. Bobby Robertson. Among other things they enjoyed visiting Medicine Park and the Holy City near Lawton.
 Mr. and Mrs. Ross had as dinner guests Sunday her father and family, Mr. and Mrs. S. A. Guffee and Homer.
 The Vacation Bible School at Fairview church closed Friday night with an inspiring program. Center was well represented both in the program and in the audience.
 The Green home enjoyed having the H. D. club Friday. We didn't know before that the club had so many artists. There were eleven women and four children present in spite of the heat.
 Mr. and Mrs. Sandifur and three sons of Austin who have been visiting in this locality with his aunt, Mrs. Walter Sims and Mr. Sims and with other relatives here, have returned home.
 The Greens, with Don Clark and Margaret visited last Wednesday afternoon in the Anthony Latta home at Mt. Blanco and Tuesday afternoon in Plainview with the Victor Greens.
 The Greens attended the Workers Conference at Ralls Tuesday. Come to church Sunday.
 The Alva Redd family are vacationing at Hugo, Oklahoma. Mr. Redd has returned from Hugo after several days there.

Add Pinch of Salt to Water To Beat Heat

AUSTIN. — If your work is such that it causes excessive perspiration, add a pinch of ordinary table salt to each drink of water you take to help prevent heat cramps. This is advised by Dr. Geo. W. Cox, State Health Officer, to prevent a possible increase in the number of heat victims as the Texas thermometer hits 96 degrees and above.
 Laborers, mechanics, farmers and white collar workers whose work causes them to sweat profusely, are in danger of having their body salt content become deficient with resulting heat cramps or heat fog. Salt is a prominent constituent of sweat; the body may lose as high as 40 to 50 grams of salt during hot days.
 In industry, a method of preventing heat cramps is to take a tablet of pure salt or a mixture of salt and dextrose with each drink of water. Workmen whose duties require exertion should be especially careful to add more than the usual amount of salt to what they eat and drink.
 Salt deficiency may be prevented by taking salt in various ways. Where prepared tablets are not available, table salt may be added to each drink of water. Milk is a source of salt and will help to make up for the deficiency caused by sweating. Alcoholic drinks should be avoided.
 Heat cramp is characterized by pains (cramps) in the abdominal region, headache, and in severe cases, by nausea and vomiting. The body temperature remains about normal, likewise the pulse rate. Body salt losses occur without the knowledge of the individual until there is a deficiency; then the abdominal muscles begin to cramp.

News of Harmony

(by Mrs. Mather Carr)
 HARMONY, June 15 — Mr. and Mrs. Everett Miller were guests of Mrs. J. R. G. Morris and family, Mr. and Mrs. Harry Miller of Lubbock, Wednesday.
 There were 34 at the midweek service with Mr. R. G. Morris bringing the devotional on fear. We really have some good devotionals and song services at these meetings. We invite you folks out to worship with us.
 The club met Thursday, June 11, in the home of Mrs. J. Sam Hale, sr. Mr. and Mrs. Charles B. Smith received an invitation to the golden wedding anniversary of Rev. and Mrs. M. P. Hines of Vernon. The Rev. Hines was at one time a pastor in Carrs chapel church. This is the fourth such anniversary invitation the Smiths have received.
 Mr. and Mrs. Monroe Schultz had as their guests last week Mr. Schultz brother, wife and son of Rockdale, Texas.
 M. D. Ramsey who had his hand injured in a saw a while back had to have one or part of a finger removed. This was done in Lubbock hospital and he is doing fine.
 Mr. and Mrs. Bill Edwards attended the funeral of Mr. Albert McBride of Post last Thursday. Mr. McBride was the husband of Mrs. Edwards' niece.

CLIFFORD RHOADES HERE, GUEST OF HIS PARENTS

Clifford Rhodes of Kansas City, Missouri is here visiting his parents Mr. and Mrs. W. J. Rhodes, Silverton highway, for several days. He is also the guest of his sisters, Mrs. Lindsey Graham and Mrs. Rennie Teague.
 Mr. Rhodes has made his home in Kansas City for 18 years. His mother has been ill several weeks and his visit is primarily to visit her and his dad.
 Rotten Row in Hyde Park is a fashionable thoroughfare.

Mr. and Mrs. Morris and daughter of near Plainview and Mr. and Mrs. Sanders and daughter were guests at the services Sunday morning.

The Morris are parents of R. G. Morris and the Sanders are parents of Mrs. R. G. Morris. They had dinner in the R. G. Morris home. The R. G. Morris' had their little son baptized. Mr. and Mrs. Joe Smith of Kingsville came in Saturday morning for a short visit with Joe's parents, Mr. and Mrs. Marvin Smith. They brought Joe's brother, Buddy, home. He had been a visitor in their home for several days.
 Mr. and Mrs. G. L. Snodgrass and Mr. and Mrs. Everett Miller attended the Snodgrass reunion at Jerico, Texas, Sunday. They returned home Sunday evening.
 Melba Jo Ramsey, Mr. and Mrs. Mather Carr and son, Horace, were dinner guests Sunday in the Chloma Williams home.
 Mr. and Mrs. J. R. Turner and daughters spent Sunday in Muleshoe as guests of Mrs. Turner's mother, Mrs. Press, and grandmother, Mrs. Ingram.
 Mr. and Mrs. Raymond Williams of near Floydada were guests Sunday evening in the home of Mrs. Williams' parents, Mr. and Mrs. M. D. Ramsey.
 Mr. and Mrs. Monroe Schultz and children visited Sunday in the home of Mrs. Schultz' brother, Mr. and Mrs. Hilton Forester of Shallowater.
 We were sorry to learn of the death of mother Hollums who passed away in a Wichita Falls hospital. She was the mother of Roy Hollums who once lived in our community.

10 MILES AT THE WHEEL WILL SHOW YOU "There's None So New As Nash!"

- 0001 You enter a whole new world of motoring wonders when you visit your Nash dealer and step into Pinin Farina's most beautiful creation—the magnificent new Nash Ambassador.
- 0002 A new experience in driving ease awaits you when you take the wheel of the new Ambassador in city traffic, with Dual-Range Hydra-Matic Drive (one of three transmission choices).
- 0003 Give the wheel a spin—you're in—snug to the curb with new Nash Power Steering (optional) that takes the effort out of parking and turning... gives you a new, sure control on the road.
- 0004 Look ahead—look around! Enjoy the grandest view ever! Nash-pioneered slanting rear window pillars, plus widest windshield and rear window give you greatest eye-level vision.
- 0005 Try the hills for thrills! It's up and over at the touch of your toe with the "Le Mans" Dual Jetfire engine that holds the all-time American record in the 24-hour speed classic at Le Mans, France.
- 0006 Ram it over the roughest road you know. With exclusive Nash Airflex Suspension and coil springs on all four wheels, you'll know why this is the "world's finest shockproof ride".
- 0007 First in economy among all fine cars, the Nash Ambassador topped its class in the 1953 Mobilgas Economy Run, delivering 22.54 miles per gallon with Overdrive—21.11 with Hydra-Matic.
- 0008 Your family is safer in Nash with stronger, double-rigid Airflyte Construction—a Nash exclusive. Body and frame are welded into one rock-solid unit with girders of steel surrounding the passengers.
- 0009 Ideal for vacation travel! The backs of both front seats are easily adjusted to any of five reclining positions. Wonderfully relaxing for driver and passengers. At night, Twin Beds in seconds!
- 0010 New braking power! See how smoothly big Nash brakes ease you to safe stops. See many more of the things you've always wanted—now yours only in Nash. Come see it—drive it for proof!

 (Any Make of Tires You May Have)
 All Tire and Automobile Manufacturers recommend that tires be rotated every 5,000 miles—We will also inspect your tires for hidden damages.

Tires need to be rotated for several reasons —
 (A) — Right rear tire wears twice as fast as right front.
 (B) — Most all cars wear their front tires a little uneven.
 The rotation of your tires will correct these two problems.
 Much tire trouble on the road can be prevented if your tires are inspected for cuts and bruises.

Census Bureau Offers Help In Proof of Age or Citizenship

A revised application form for use of persons seeking to establish proof of age or citizenship through personal Census records is now available at the Census Bureau's district office in Fort Worth, Texas, according to District Supervisor James M. Hamilton, Room 2134, 300 W. Vickery, St.

The revised form is designed to encourage applicants to use the censuses of 1880, 1900 and 1920, if possible, when requesting searches of the voluminous census records. Officials point out that information from these censuses can be furnished more rapidly because the records for these years have been card indexed. Because of the comprehensive index, information can be provided in most instances if the applicant furnishes only his name, the name of the city or county and State in which he was living and the name of the head of the household in which he was residing. Searches of the card index of these censuses can be conducted five times faster than by the conventional method of looking through the original records.

Persons needing information from the Censuses of 1910, 1930, 1940 and 1950 — if residing in a city at the

time these censuses were taken should furnish the house number, name of the street, city, county and State, and the name of the parent or head of the household with whom living. If residing in a small town, they should give all available information as to cross-streets, road names, name of township in which residence was located and any other available pertinent data. Rural residents are asked to furnish the rural route number and also the distance and direction of the residence from the nearest town.

Eastern Star New Year Started on Constructive Note

The first regular meeting of a new year for Floydada O. E. S. opened Thursday evening, June 11, on a happy and constructive note with Mrs. Flora McNeill as the new Worthy Matron. All officers were present except one and there was a good attendance of other members of the chapter.

The annual reports were given by the junior past matron, Mrs. Lela McNeill, secretary, Miss Anne Swenson, and the treasurer, Mrs. Helen Patterson. The new attractive year books were gone over by the worthy matron and the members, plans were discussed and assignments made in further preparations for the coming year.

After the chapter closed the new opening drill was practiced by the newly-installed officers.

A pretty patriotic ceremony with flags and lighted candles will be given the first meeting in July. Officers will receive their parts and practice at the June 25 meeting.

WEEK-END IN SAN ANGELO

Plains News

Mr. and Mrs. Otho Sanders and Martha Lee accompanied by Mr. and Mrs. John Smitherman went to Amarillo early Sunday morning where Martha Lee caught a TVA plane to Los Angeles, California, where she will enroll for the coming four weeks at the Hazel Hurst Seeing Eye Foundation. There she will receive her dog and be instructed as to the training, etc., during those four weeks. We wish Martha Lee a wonderful vacation out there and hope she has a fine time. She thoroughly enjoyed the plane trip and arrived at Azusa where the foundation is located about noon after leaving Amarillo at 6:30.

Carol Reeves has finished her school term at Buckners Orphan Home in Dallas and is home with her parents, Mr. and Mrs. Sam Reeves, for a few days before she has to return to the school where she has enrolled as a Vacation Bible school teacher for the coming four weeks. Carol will be home for the bridal shower given for her sister-in-law, Mrs. Raymond Reeves, which will be on Tuesday afternoon at the home of Mrs. John Smitherman.

Mr. and Mrs. Grigsby Milton, Donita and Barbara Sue left this Monday afternoon to go to Amarillo where they will bring home his mother, Mrs. Grigsby Milton, sr., and Linnie who will visit relatives here and in Lockney for the next few weeks. They plan to be back Monday evening.

Bob Reeves arrived home Thursday of last week from Camp Roberts, California, in time to be here at the birth of his son, Kerry Sam, who was born in Plainview Saturday. The baby did not take nourishment at first and consequently was quite weak. He is better now and they hope to be able to bring him home from the hospital this week sometime before Bob has to be back in camp.

Rev. Chas. Joiner and Terry Julian will leave Lockney on Tuesday morning to spend this coming week in Abilene with relatives, Ambrose Joiner and family, and Mrs. W. F. Joiner. Tuesday morning they will attend the Associational meeting in Ralls and go on to Abilene after the morning session is over. They plan to be home on Saturday.

Mr. and Mrs. J. B. Thames and children went to Lubbock over the week-end to visit her parents, Mr. and Mrs. J. E. Leslie, and other relatives there. They returned on Sunday night.

There will be a WMS meeting at the church Wednesday afternoon, June 17, from an afternoon of Royal Service. The time of the meeting has been changed to 3:30.

Mr. and Mrs. Arthur Brown and Karen from Lockney were visitors in church on Sunday morning. They went home with Mr. and Mrs. Bryan Karr and family to have Sunday dinner and enjoy the afternoon with them.

Mr. and Mrs. R. V. Bartlett from Fort Worth and his mother, Mrs. Mary Sammons from Greenville, visited over the week-end with Mr. and Mrs. Otho Sanders and other relatives here and in Floydada. They returned to their homes on Sunday night.

Menard Field and Pete Thornton are spending this week over in northern Arkansas where they are enjoying a fishing trip on the rivers there. They are not expected home until the week-end.

Mr. and Mrs. George Weast arrived home Saturday evening from

Temple, Texas, and we are glad to report Mr. Weast is feeling better after going through extensive tests at the clinic in Temple. On the way home they visited old friends Mr. and Mrs. Walter Martin who now live in Seymour but who formerly lived on the Shelby Calahan farm.

Mr. and Mrs. Murray Julian and sons had as their dinner guests after church Sunday, Rev. Chas. Joiner of Lockney, Mr. and Mrs. Grigsby Milton, Donita and Barbara Sue, Bud Higginbotham and Mr. and Mrs. Frank McClure who spent the afternoon visiting with them.

We are glad to find that Mrs. Willburn of Plainview who was badly hurt in a freak accident over the week-end was not as bad as the physicians had first thought. All of the Wilson family were with Mrs. Willburn Saturday and they feared at first her back might be crushed. She was thrown from the car when it started rolling backward and was doubled up under the car as it rolled. We sincerely hope she continues to improve and that there will be no complications.

Mr. and Mrs. Charles Beedy of Amarillo visited with his parents, Mr. and Mrs. Bill Beedy and Eugene, Sunday afternoon. They also visited her parents, Mr. and Mrs. Earl Cooper of Lockney.

The South Plains base ball team played two games this past week. On Thursday night they were scheduled to play the American Legion who forfeited the game on account of not enough players being present. On Friday they played with Aiken team and South Plains came off victor in that match.

On Sunday Mr. and Mrs. George Weast went to Sterley to the home of Mr. and Mrs. R. W. Smith where they enjoyed Sunday dinner and the afternoon visiting. Other guests at the Smith home were Mr. and Mrs. R. Lee Smith and children and Mr. and Mrs. Bryan Smith of Lockney.

Dean Stewart from Camp Hood, near Belton, is home now with his parents, Mr. and Mrs. Albert Stewart. He has a ten day furlough and arrived here last Thursday.

Mrs. H. C. McKee from Chattanooga, Tennessee, with her two daughters, Sheri and Cynthia, arrived last Friday in Lubbock via plane and spent the week-end with her

sister, Mr. and Mrs. Ted Pitts and sons. On Sunday she arrived here to visit with her parents, Mr. and Mrs. R. E. Young and family. She will spend the next five weeks until July 15 visiting here with her parents and other relatives including Mr. and Mrs. Grigsby Milton.

The cotton gin in South Plains is fast rising south of the depot and the owner of the gin is building a residence just north of the home of Mr. and Mrs. I. H. Parks and sons. We are glad to see South Plains growing.

Club Meeting At Mrs. Jones
The South Plains Home Demonstration Club met Wednesday, June 10, for its regular bi-monthly meeting at the home of Mrs. Dock Jones in South Plains with Mrs. I. H. Parks as co-hostess.

Mrs. H. L. Marble presided over the meeting and roll call was my favorite labor or energy saving device. The answers were varied but electric sweepers, washers and ironers, dryers and deep freezers were selected as the greatest energy savers.

The members went right into the demonstration for the day which was crafts. The work was in copper under the guidance of Mrs. I. H. Parks who taught the group how to

make copper plaques. So many were absent at this busy time of year that it was decided to have another meeting on copper work later in the fall.

Refreshments of ice cream, punch and orange cake were served to the following members, Mrs. J. K. West, Fred Fortenberry, Frank McClure, John Smitherman, S. A. Thornton, Bryan Karr, W. S. Spearman, Murray Julian and H. L. Marble as the hostesses Mrs. Jones and Mrs. Parks.

The Floyd County Hesperian, Floydada, Texas, June 18, 1953

The next meeting will be at the home of Mrs. John K. West with Mrs. Sylvian Kinnibrugh as co-hostess. That date will be June 24.

Mrs. Bert Sewell is spending this week in Amarillo visiting her daughter, Mr. and Mrs. Jack Crawford. The Crawfords are leaving this coming Sunday for California and they hope Mrs. Sewell is feeling well enough to make the trip out there with them. The John Wilsons are looking after her garden while she is away.

Mr. and Mrs. C. E. Bartlett had as their week-end guests, their son R. V. Bartlett and Mrs. Bartlett of Fort Worth, and Mrs. Mary Sammons of Greenville, mother of Mrs. R. V. Bartlett. The party returned home Sunday afternoon.

Wedgewood ware is not always blue and white.

Mr. and Mrs. Otho Sanders and Martha Lee accompanied by Mr. and Mrs. John Smitherman went to Amarillo early Sunday morning where Martha Lee caught a TVA plane to Los Angeles, California, where she will enroll for the coming four weeks at the Hazel Hurst Seeing Eye Foundation. There she will receive her dog and be instructed as to the training, etc., during those four weeks. We wish Martha Lee a wonderful vacation out there and hope she has a fine time. Pay more? What for?

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

- Here are a few of the "Worth More" advantages you'll find in the '53 Ford:**
- 1. A V-8 engine—powerful and smooth!**
Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!
 - 2. America's most economical Six engine!**
If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker... the engine which, with optional Overdrive, won over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern sixes in other cars.
 - 3. America's finest and most versatile automatic drive!**
Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier... more relaxing.
 - 4. Automatic gas savings!**
Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.
 - 5. America's newest and finest power steering!**
Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—and parking.
 - 6. Largest choice of models in the low-price field!**
Ford alone gives you a choice of 18 different models... a SIX or V-8... Fordomatic, Conventional or Overdrive... the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!
 - 7. A body that's the style-setter!**
Only Ford in its field gives you the advantages of a hull-tight Crestmark Body... the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest. You enjoy more usable space.
 - 8. New driving conveniences!**
Ford's first in its field with such "Worth More" features as easier acting, suspended pedals that eliminate floor holes... foam rubber cushions on front and rear seats in all models... and convenient Center-Fill Fueling.
 - 9. An automatically controlled ride!**
When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) takes tilt out of turns... gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.
 - 10. It's worth more when you sell it!**
An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America. It's another fact to add to Ford's reputation as the "Worth More" car. But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT...

Jerome B. McCauley Retires to Start New Career at Age Fifty

How the Floydada high school boy, who, in the spring of 1922 became enamored with the life of an army man, when he viewed military tanks in review, later to serve his country in a great way and win honors in World War II, is told in a story under Denton date line.

The boy was Jerome B. McCauley, who left home soon after graduation day and joined up with the army in a tank corps. A brief note on the enlistment of the youth was made at the time by The Hesperian. The story below tells of a new career that is being undertaken:

Retired From Air Force
Col. Jerome B. McCauley, who completed one career when he retired from the Air Force in 1950 after 28 years' service, stepped into a new one Thursday night when he received a bachelor of business administration degree with high honors from North Texas State college.

The retired colonel completed the four-year course in 2 1/2 years and in addition has some credits toward a master degree. He will continue to study for the higher degree, which he expects to receive in January.

Then McCauley, who will be 49 on July 16, plans to prepare for a law career, either at Southern Methodist University or the University of Texas.

The colonel, whose father, Rev. J. H. McCauley, a Baptist minister, died here in 1944, enlisted as a private soon after completing high school at Floydada. He worked up through the ranks, serving first in the tank corps before joining the flying branch, and compiled an outstanding military record.

Flew Into Sicily
McCauley piloted the lead transport plane carrying paratroopers for the invasion of Sicily in the summer of 1944. During this mission, the U. S. Navy fired on his plane by mistake and 114 bullet holes were counted in the craft after it had returned to its base.

DAUGHTER BORN JUNE 2
Mr. and Mrs. C. L. Smith of Natchez, Mississippi, announce the birth of a daughter, Annie Laurie, June 2 at the Natchez General hospital. The little miss tipped the scales at 7 pounds and 6 ounces.

Grandparents are Mrs. L. C. Smith of Natchez and Mrs. J. W. Graham of Dougherty. Mrs. Graham returned home last week after a visit with her daughter and family and a son, Kelsey Kirven and family.

Earlier McCauley's 316th Troop Carrier outfit was attached to the British 8th Army which chased Rommel across Africa.

Among his decorations are the Distinguished Flying Cross, the Air Medal, Presidential Citation and Meritorious Service award.

Although he is almost 30 years their senior, McCauley makes himself at home with the students in his classes and belongs to a number of clubs and other organizations in the school of business.

Floyd County 14 Years Ago
(Taken from the files of The Hesperian, issue dated June 15, 1939.)

Barwise, in the southwest part of Floyd county is the banner wheat producing community this year, averaging 30 and over bushels per acre reported by the elevator. The wheat grown on the irrigated land is probably the best that has been raised there in several years. Barwise is estimated to have some 15 cars of wheat already on way to market.

The thermometer hit 104 degrees in the shade Wednesday, according to West Texas gas office register, while Tuesday was only 96 degrees. Approximately 250 4-H boys and girls attended a Floyd county 4-H club rally in Lockney at the city auditorium on Monday. Clarence Guffee of Sand Hill who is chairman of the 4-H Boys club was in charge of the program. The boys who will represent Floyd county at College Station on July 5-6-7 are Emory Cox of Sand Hill, Harold Jack of Sterley and Jim Bert Bobbitt of Lone Star.

July 3 is designated as circus day for Floydada when the Gainesville Community Circus will be in Floydada. Fifty cars are lined up for the swing around the circus on a 200 mile jaunt tomorrow advertising the Gainesville circus here on July 3 and 4th. It was announced last night by Claud Henderson, secretary of the Floydada Chamber of Commerce.

Miss Vida Battey, daughter of Mr. and Mrs. Fred Battey, and Shelby Cook, son of Mrs. T. H. Baker of Amarillo, were married Sunday afternoon on the lawn of her parents' home in Pleasant Hill community, with Rev. Vernon Shaw, pastor of the First Baptist church, officiating. Miss Juanita Phillips, daughter of Mr. and Mrs. Sam Phillips, received a bachelor of science degree in library science from George Peabody college for teachers at Nashville, Tennessee, Friday June 2. Miss Phillips graduated from the Floydada high school with the class of 1935, and received a degree from WTSC at Canyon in 1938.

Clarence Guffee, who will assume the duties of county superintendent of Floyd county on July 1, will attend the superintendents convention at Texas A. & M. college from June 26 to June 29, he has announced.

Menard Field is the new distributor for Phillips Petroleum products for Floydada, succeeding Shelley Allen and Lloyd Murray. Mr. Field was distributor for the company for several years at South Plains. Sandra June, the small daughter of Mr. and Mrs. Everett Price, suffered a severe head injury Friday. She fell while playing and struck her head against the curb. Several stitches were taken to close the wound. She is recovering nicely. Mrs. F. O. Conner and Miss Pauline Daily have recently begun work

Lions Convention At Borger Draws Large Attendance

Miss Jeanie Hines, daughter of Mr. and Mrs. Howe Hines, was one of the 41 contestants in the title for Queen of the Lions clubs at the annual convention of District 27-1 held in Borger this past week-end sponsored by the local Lions club.

Joe R. Phillips, of the South Amarillo club was named District Governor, winning over Bruce Gentry, of New Deal from the Monroe Lion club, and W. W. Cooper of Turkey, in one of the most enlivened governor's races in the district's history.

Mr. and Mrs. Lyndel Roberts, Bobby McGuire, Aldine Williams and Miss Hines attended from Floydada and represented the Lions club here.

The group selected Amarillo for the convention site for 1954.

More than 600 Lions were in attendance at the three day meeting.

Pioneer Matador Woman Succumbs
Mrs. Harrison Williams, 83, a resident of Motley county for 62 years, and mother of Mrs. Ed Bishop of Dalhart, died Saturday in Traweek hospital in Matador where she had been a patient for 19 months.

Funeral service was held Sunday afternoon at the First Baptist church with burial in East Mound cemetery in Matador.

Mrs. Williams was born in Lampasas on July 31, 1869. She married Harrison Williams in Goldthwaite on March 24, 1886. They lived in San Saba several years before moving to Roaring Springs, in 1891.

In 1907, the family moved to Matador and Mr. Williams was engaged in the hardware business. Mr. Williams died December 26, 1939. Survivors include three sons, Walker Williams of Matador, A. J. of Nocona and Elliott of Seattle, Washington, and six daughters, Mrs. Mary Martin and Tom Harris, both of San Antonio, Mrs. F. A. Bird of Midland, Mrs. E. F. Air Conditioning on wheels* comes of age!

Now you can have a car that's as comfortable on hot days as your air-conditioned home, office or favorite theater.

Now you can ride in draft-free coolness at the temperature level you choose—even when the outside reading is 110° and more.

Now you can take a full complement of passengers through the thick of traffic on a sweltering day—and each one of you will keep looking and feeling fresh as a daisy at dewtime.

Air intakes on each side of car introduce outside air into system.

You do this with the compact Buick AIRCONDITIONER—the completely practical unit available at extra cost in 1953 SUPER and ROADMASTER Sedan and Riviera models.

But note this: what Buick put into its AIRCONDITIONER goes beyond the usual.

For the advanced design of this Buick unit provides dual roof ducts that distribute up to 300 cubic feet of cooled, freshened, filtered, air per minute to all parts of the car interior evenly and constantly—without icy blasts and drafts on your neck, shoulders, legs.

Grilles in Buick's exclusive dual roof ducts insure draft-free distribution of conditioned air—and also provide individual control of air direction as desired.

Return air grilles on package shelf help maintain continuous circulation of conditioned, pollen-free air.

What's more, these exclusive roof ducts have individually controlled air directors above the side windows. So each window-seat passenger can guide a gentle breeze of conditioned air exactly where he wants it.

Of course, the Buick AIRCONDITIONER is automatic.

You switch it on, choose the temperature setting you want—and that level of coolness is maintained constantly. It thoroughly conditions the air around you—automatically. It carries off heat, stale air, tobacco smoke—automatically. It continuously introduces outside air into the system—automatically.

It's fast-acting, too. Even after an hour or more locked up under summer's hottest sun, the car interior can be brought to a delightfully cool comfort in a matter of minutes.

And it's really compact. The cooling unit itself fits neatly on a narrow shelf in the big trunk compartment—leaves plenty of room for luggage and the like.

Why not drop in on us and try a demonstration?

You'll find that the Buick AIRCONDITIONER with its exclusive dual roof ducts is the ultimate comfort in hot-climate driving.
