LIPSTICK LOGIC
 by LOUISE ALLEN

We all like to think we're good traders. And we're constantly on the lookout for bargains. Moreover, there are always a few items around any place that haven't been used for ages. Hence, we offer to trade our own white elephants for those that are gathering dust in someone else's attic.

That's probably why "For Sale or Trade" items, and "Swap" columns are so popular in newspapers. But the way to enjoy a swap column most is by trying to visualize the situation that makes certain items suddenly become undesirable, others take on premium qualities in a household.

Tricycles for bicycles; a red dining room suit for a good baby bed; outgrown clothes, still good or pretty, for a dishwasher or living room chair. These are sort of daily; the family has simply reached the next stage.

"Small electric range, to trade for matching bedspreads, in green or brown." The wife wants something new, maybe? But hasn't lived down her last mistake, so she offers to trade?

"Pressure cooker, automatic toaster and adjustable dress form, to trade for old dolls or materials for doll costuming." Now there's one to fire the imagination. Women are forever trying out new kitchen gadgets; sometimes they "fit," sometimes they don't. This woman used to sew. Now she's gone back to her old kitchen habits, and is turning her dressmaking skill toward dressing dolls.

If we had money to burn, and

time on our hands, we'd like to open a swap shop, as big as all outdoors. There plain, garden variety traders could come and browse to their heart's content. And the only commission we'd exact would be the story of how they come to trade. This thing in, why they want something else too much to give it up but too little to buy it outright.

Children Honor Aged Father With Birthday Dinner

Mr. and Mrs. Ray Jones entertained relatives over the week-end Mr. and Mrs. Fred Tabor, sister of Mrs. Jones, of Dallas; Mr. and Mrs. Albert Pridmore, a son of Mrs. Jones of Fort Worth; Albert Johnson father of Mr. and Mrs. Jones, and a cousin and wife of Mrs. Jones, Mr. and Mrs. Roy Johnson of Ulysses, Kansas.

While here the relatives honored the father, Albert Johnson with a birthday dinner, including a large beautifully decorated cake, on his 84th birthday.

Albert Johnson, who has been in Kansas visiting relatives, returned to his home in Fort Worth with the Fort Worth grandson.

Wesley Girls Meet

The Wesley girls Sunday school class met September 9 at the Methodist church. For their theme they used the beginning of school. After playing appropriate games, they were served refreshments in paper sacks. As another reminder of school days, an enamel bucket with dipper was used to serve the drink.

Acting as hostess for this entertaining meeting were Mesdames J. K. Holmes, J. B. Turner, H. L. Rafferty and S. J. Latta. The other members attending were Mesdames Lucy Bethel, V. W. Hennessee, G. L. Bryant, V. H. Boteler, P. F. Bertrand, J. B. Tinnin, E. J. Barker, E. S. Randerson, E. C. Henry, Ethel Sawyer, W. O. Tye, R. B. Calhoun, Roy Curry, C. J. Parr, D. T. Mayo, W. E. Grimes, Geo. V. Sunday Afternoon P-T A Committee Tea Is Compliment to Claudean Goen

Honoring Miss Claudean Goen, bride-elect of Bill Armstrong of Lubbock, a group of friends were hostesses at a gift tea in the home of Mrs. Cecil Hagood on Wednesday evening.

The bride elect's chosen colors red and white, were used throughout the home, with red roses predominating.

Greeting the guests were Mrs. Hagood at the door, with the honoree and her mother, Mrs. M. P. Goen.

Mrs. Tate Jones was at the bride's book, while Mrs. T. P. Collins invited the guests into the dining room to be served.

Mrs. R. E. Fry and Mrs. T. T. Hamilton were in the gift display room.

Mrs. O. G. Glassmoyer, Mrs. Ernest Fowler and Mrs. Jack Deakins presided at the refreshment table where iced punch and assorted small cakes were served.

The table was laid with a beautiful imported linen and lace cloth. Silver and crystal appointments were used. The centerpiece was red carnations in large silver basket.

Friends were invited to call between seven and eight o'clock.

Co-hostesses with Mrs. Hagood were Mesdames Ernest Fowler, L. J. Welborn, Tate Jones, Jack Deakins, O. G. Glassmoyer, R. M. Stovall, T. P. Collins, Robert Garrett, Jake Colston, T. T. Get Acquainted Meeting of PTA Monday Evening

(by Mrs. Tom Porter)

An enjoyable evening was spent Monday at the Andrews ward annual parent and teacher get acquainted meeting. Well over 150 parents and teachers registered and a large number of children were present.

A short business meeting was held but most of the time was devoted to getting acquainted with the committees and learning their aims and plans for the year.

Mrs. Lee Goughly welcomed the old and new teachers and introduced I. T. Graves, Floydada school superintendent. Mr. Graves told us about improvements on the buildings and commended the P.T.A. for its outstanding work this last year.

A. D. Pultz gave a short report on the general conditions of the buildings and the wonderful response the children had given toward its care. Mr. Pultz says he thinks this will be one of the best school years we have had if everything continued to run as smoothly as it has this past week.

Children's Talent Hour
We have a new and very important project on this year. Mrs. James D. Wester is chairman of this committee on the children's talent hour. Every mother is urged to come to P.T.A. and bring your children even though they are tiny. There will be provisions to care for them from infants up to school age. The ladies plan to give the children small prizes when they enter the talent show and win. Simple refreshments will be served each time. Whether your child can sing, dance, read, tell stories, or whistle—bring him and enter him in the talent hour show each P.T.A. meeting time.

Lovely refreshments of minted punch and cookies were served everyone after they had visited their children's rooms and met their teachers.

If anyone failed to get a year book after they paid their dues, please contact your child's teacher.

The P.T.A. meeting next month will be October 21 with Mrs. Roy Hollar, county librarian as our guest speaker. There will be a special number by the fourth grade at this time.

ENTERS BAYLOR U

Old Home Place To Get Oil Test

N. W. Williams this week couldn't resist the temptation to "go down and see about it," when he got news that the Williams homestead in Wise county is to get a test for oil. This 125-acre tract belongs to N. W. and his brother Arthur of Wichita Falls.

Reports say that Warren-Bradshaw Exploration company of Tulsa, Oklahoma, will make the test, an east offset to the No. 1 W. B. Browning. The location is two miles south of Park Springs. The Browning well has an allowable of 82 barrels per day flowing. It is actually producing 90 barrels through choke, Williams is told.

The new venture will be known as the No. 1 Williams, 650 feet from the north and west lines of the G. W. Cash survey A-166. Contract depth is 6,110 feet. Warren-Bradshaw has the test as a farm out from Cities Service.

Field and McNeill Named Directors

Menard Field and Bill McNeill were re-elected directors of the Floydada National Farm Loan association at the annual meeting held in the VFW hall on Saturday afternoon.

Fifty persons attended the meeting, including stockholders, wives and guests.

Committee reports and annual reports of the officers were given. Hold-over directors are Raymond Rucker, O. M. Watson and Edell DuBois.

Top-O'-the-Morning!
PEPPY FOODS FOR BETTER BREAKFASTS
Pep up those lagging breakfast-time appetites with new exciting food variety... It's no trick these days with so many ready-to-eat items available... Here are some suggestions to surprise the family.

How to be a Better Cook... and save money too!
For a "Morning Glory" breakfast that perks up sleepy heads—and provides the energy they need—include the following:
Fruit Milk
Cereal & Butter
If your family wants a bigger breakfast, add meat, eggs, or pancakes. To get the most efficient and thrifty use of the food you serve your family, serve about a third of the day's food at breakfast.
Food eaten early in the day is absorbed largely during the most active daytime hours. That means you need an energy breakfast.
With no effort at all, you can dream up ways to serve cereal every day.
Serve ready-to-eat cereals with sliced bananas, berries, canned or stewed fruit.
Top any cooked cereal with brown sugar, jam, stewed fruit.

**REA Program reaches 4,000,000th
Rural Consumer:**

Somewhere in the United States
this week, the 4,000,000th rural
consumer will begin receiving elec-
tricity from power systems financ-
ed by the Rural Electrification
Administration.

REA Administrator Ancher Nel-
sen said the location of the rural
connection could not be definitely
determined. He reported that the
more than 1,000 systems built with
REA financing are adding new
consumers at the rate of about 20-
000 a month and that any one of
them might claim the 4,000,000th
consumer. The systems operate ab-
out 1,300,000 miles of line in 46
states.

The 4,000,000th consumer comes
in the 19th year of the REA pro-
gram with about 90 percent of all
U. S. farms electrified. The 3-
000,000th consumer was connected
in December, 1949.

Center News

(by Mrs. J. E. Green)

CENTER, September 15 — More
hot, still days and cool to cold
nights. We would love to see a good
rain.

We had church services Sunday
in the church. Shade was scarce but
we made it. Work is going along
nicely and at the point where they
can use a lot of outside help.

Bro. and Mrs. Hodges were Sun-
day dinner guests of the Greens.
Jerry Hodges dined with the Wel-
born boys.

Don Clark Green who is teach-
ing in Big Spring spent the week-
end with his parents, Mr. and Mrs.
J. E. Green.

Carleta Reeves spent Saturday
night with Margaret Dunn and at-
tended church with the young peo-
ple.

Other company in the Frank
Dunn home over the week-end
were Mrs. Dunns nephew and fam-
ily, Mr. and Mrs. Gene Dunn and
children from Lovington, New Mex-
ico.

Patsy Robertson spent Friday
night with LaFaun Ballard and
Saturday night with Barbara Mc-
Ada. Barbara came home with Pat-
sy and attended church services
here at the Ross home Sunday night
with the family.

Mr. and Mrs. J. R. Robertson and
younger children spent the week-
end with their son and wife, Mr.
and Mrs. Melvin Robertson of Stan-
ton. They attended the football
game there Saturday night where
Melvin has been named head coach.
Mrs. C. H. Huffman and daugh-
ter, Janet, of Sterley visited in the
Green home Sunday afternoon.

Ima Jean Noland left Saturday
for Plainview where she will attend
Wayland college.

Mr. and Mrs. Tom Noland went
to Plainview Sunday morning to
get Ima Jean. They all went to Ol-
ton where they were Sunday dinner
guests of Mr. and Mrs. Robert Fish-
er and Lorraine. Lorraine who will
enter W.T.S.C. at Canyon this week
graduated with Ima Jean in the
1953 class from Floydada Hi-school.

Mrs. Tom Noland received word
Monday of the death of an aunt,
Mrs. Sam Spence of Belton. She
was unable to attend the services
with other relatives from this vic-
inity.

Mr. and Mrs. Bob Davis and two
children of Truth or Consequences,
New Mexico, spent last Wednesday
night in the home of his uncle, Mr.
J. D. Welborn. They were returning
from Daingerfield where they had
visited Mr. Davis' father who was
very ill. Mr. Welborn received word
Monday that his brother-in-law,
the elder Mr. Davis passed away
Monday morning.

Mr. and Mrs. J. E. Green visited
last Thursday evening with Mr. and
Mrs. Fred Battey and Monday eve-
ning with Mr. and Mrs. D. I.
Bolding.

The H. D. club had an interest-
ing meeting at Mrs. Walter Sims
last Friday. The next meeting will
be September 25 at the AAA kit-
chen.

Several from our community at-
tended the funeral services in Lock-
ney for Mrs. A. E. Frizzell.

Miss Jo Muncy of Rogwell, New
Mexico, is here visiting her parents
Mr. and Mrs. Edd Muncy. She is on
vacation from her work with the
Humble Oil and Refining company.

Corkey Guffee says — Larry Ed-
win surely is a good baby he hasn't
caused them to lose any sleep yet.

Dane Clark left last Thursday
for Dallas. He is a student at SMU.
We enjoyed having Dane as a mem-
ber of the co-op family this sum-
mer.

Mr. and Mrs. Dan Hagood have
moved to Canyon where they will
attend college again this year.

Mrs. George Fawver came by
Monday for a visit.

Wayne Collins said — (as he
walked into the co-op office) "Is
this headquarters of the organiza-
tion which has spread the power-
ful fingers of electricity across the
countryside, rescued the farmer
from beighted darkness, relieved
his wife of the back-breaking drudg-
ery of home-keeping, stabilized the
rural population and set a pole
snack dab in the middle of my
drive-way?"

Bill Thompson of Lockney, who
has been an employee at the co-op
for the last several months has
gone to Lubbock where he will at-
tend Tech college. Bill is a veteran,
having spent considerable time in
Korea.

The demonstration in the Mount
Blanco community last Thursday
afternoon was well attended. It was
held in the lovely new home of Mrs.
Anthony Latta. The demonstra-
tion was on "candy making."

There were 9 bidders for the con-
tract for the re-finishing and the
re-arranging of our headquarters
office. It was awarded to the low
bidder, S. R. Duncan, a Lubbock
contractor. The bids were opened
at the board of directors meeting
last Tuesday. We have moved into
the Legion hall for temporary
headquarters until our building is
completed.

So when you are in town come by
the Legion hall and visit with us.
It will be sometime after the first
of the year before we are back in
our own home again.

John Nay says: —
Overheard over a cup of coffee in
a cafe booth!

A girl was telling a girl friend
that she lost her teeth when she
was young. She had found out she
could kick the back of her head,
and being curious one time, she
turned around to see what it looked
like.

The girl friend then said she had
just turned down an office job as
it required overtime work to do the
billing—she was afraid it might in-
clude cooing with the billing.

Then the girl asked her friend
how she got along with her partner
at the dance last night. Her re-
ply was that when she came to the
dance she didn't have open toed
shoes.

Yes, girls keep on your toes to
stay ahead of the heels!

Mrs. Ella Johnson visited last
week in Amarillo with a niece and
her husband, Mr. and Mrs. H. H.
Davenport. Also a niece from Bor-
ger, Mrs. Edna Knudson, visited
with her in Amarillo.

Barker Gin Ready For OPERATION

THIS MODERN PLANT IS NOW COMPLETE AND READY TO START SERVING THE FARMERS OF FLOYD COUNTY.

No longer will it be necessary for cotton men to haul so much cotton hundreds of miles out of the county to be ginned and in many cases, to without necessary extra overhead and cleaning machines for handling snapped and machined cotton of the plains.

This plant is equipped with new overhead burr machines and cleaners of latest type and all other extra equipment necessary to do a good job on the snapped and machine harvested cotton of this area.

The drying system is of latest design. Transmission of cotton through the plant was carefully worked to best advantage and by modern methods.

Green bolls, rocks and other foreign matter are removed from cotton before going to machines by special equipment which prevents damage to machinery as well as to the cotton.

This modern building is equipped with an overhead skylight system which permits close observation of the machinery and movement of cotton through the plant with lights even on cloudy days.

It has a most complete lighting system of latest design for night operation. The large seed house is equipped with rotary lift for loading seed trucks for shipment.

The plant is powered by a 300 H. P. natural gas engine with surplus power for all operating conditions.

We have a 10-acre location with plenty of room for customers.

You can drive to location from any direction on pavement as it is a three-quarter loop around the city of Floydada on South Plains highway. Your load will not be too high for our 20 ft. double section shed and our 42 ft. scales will handle your trucks and trailers.

The combined experience of men building, planning and equipping this plant would run into hundreds of years.

We invite you to inspect this plant and feel sure you will wish to do some business with us after doing so.

The plant will be operated by men with years of experience in the business. You will get the kind of service that comes from owner's interest.

New Store Has Warm Welcome

The Smith Department store west side of the square, held their formal opening on Saturday and all day Floyd county and Floydada shoppers thronged the store to look at the new merchandise and admire the new fixtures and appearance of the building.

Large baskets of flowers were arranged at vantage points throughout the store, compliments of friends in the city and area.

Mr. and Mrs. Joe L. Smith owners, are happy over the reception in Floydada as merchants and citizens. Their formal opening was accepted with more interest than they had anticipated.

Registrants who received awards included: Miss Beth Crawford Douglas White, Floydada, Mrs. J. B. Bennett, Sterley, Mrs. G. N. Shirey.

Mrs. J. E. Laughlin, Mrs. J. D. Eaves, Mrs. A. C. Carthel, Mrs. Troy Leonard, Mrs. Floyd Webb, Mrs. Cathy Kincheloe, Mrs. Ward Fox, Mrs. Joy Assiter, Mrs. Artie Ward, Mrs. Buri Huckabee, Mrs. G. C. Hilburn and Mrs. F. A. Smith.

The opening day baskets of flowers were taken to various churches for use at the Sunday worship hour by Mr. and Mrs. Smith.

Except for a few small openings to the brain, an elephant's head is protected by about 8 inches of bone. — Exchange

Magician Named On Program At Harmony Event

Johnny Lee, magician and trickster, of Pampa, will provide the evening's entertainment at the Harmony community center fund dinner Tuesday night of next week, September 22, given by the Harmony home demonstration club.

The program will be preceded at 7:30 by a dinner. Tickets for the event are being sold this week by the demonstration women of the club. Tickets for adults are \$1.50, for children 75 cents.

Lee, who has appeared on television and before hundreds of stage audiences, promises an evening of magic, mystery, and laughs. He does everything from sleight of hand to tricks requiring years of experience. He has appeared before almost every age group and many different types of audiences.

Floyd county students of West Texas state college, where Lee is a sophomore student, say he is really good.

Mrs. Ted Rutherford, secretary of the home demonstration club, is also chairman of the finance committee which is taking the lead in presenting the dinner Tuesday night. Other members of this committee are Mrs. Walter Hanna, Mrs. Jack Parkey and Mrs. Chloia Williams.

Mrs. Carrick Snodgrass is president of the demonstration club.

Sergeant Smith Back In the USA

Sergeant Abner R. (Bob) Smith who has been a prisoner of war of the Communist armies in Korea since November 1950, arrived in San Francisco last Thursday and was met by his brother, Lewis B. Smith and a brother-in-law, Vestal Elland, both of Lockney.

Sgt. Smith will possibly return to Lockney and then go on to Fayetteville, Arkansas, where his mother, Mrs. Alice Britt makes her home.

A family reunion is anticipated at the mother's home to celebrate the return of Sergeant Smith.

LIBRARY BOARD MEETING

A meeting of the board members of the Floyd county library will be held on Monday, September 21, in the library room at 3 o'clock. Announces Mrs. J. H. Barnard, chairman of the library.

Mrs. Barnard urges that all members of the board be present as it is a very important meeting.

SPEAKS AT HALFWAY

Mrs. Lon V. Smith and daughter, Mrs. Ralph Johnston attended the Staked Plains Baptist Association at Halfway on Monday.

Mrs. Smith was the guest speaker at the 11 o'clock hour.

Mrs. Ralph Thayer Passes; Rites Said

Funeral service for Mrs. Alice Evans Thayer, wife of Ralph Thayer of Pleasant Valley community, was held in the First Methodist church in Lockney Sunday afternoon, September 13, at 4 o'clock. The pastor, Reverend Burgin Watkins and Reverend Tilden B. Armstrong pastor of the First Methodist church of Floydada, officiated.

Interment was in Floydada cemetery, under the direction of the Carter Funeral Home of Lockney. Mrs. Thayer died at the home of her sister, Mrs. Ernest Lee Thomas, south of Floydada, Friday afternoon at 1:30 o'clock, after a lingering illness. Mrs. Thayer had been in a Dallas hospital for several weeks and was returned to the home of her sister a few days before her death.

Alice Evans Thayer was born in Vivian community, Foard county, Texas, on September 8, 1912, the daughter of Mr. and Mrs. E. T. Evans, pioneer Foard county residents.

She finished school at Paducah and completed a business course at Draughon's business college at La-Junta, Colorado. Mrs. Thayer was employed by civil service at Carlsbad, New Mexico, where she met her husband. She and Ralph Thayer were married in Roswell, New Mexico, on August 12, 1939.

Mr. and Mrs. Thayer moved to Floyd county in 1946, living at McCoy and then Pleasant Valley community, where they made their home at the time of her death.

Mrs. Thayer was a member of the Lockney Methodist church.

Survivors include the husband and a son, Fred Ralph, age 8, and a daughter, Veda Alice, age 4, also her parents, Mr. and Mrs. E. T. Evans of Floydada and three sisters, Mrs. E. L. Thomas and Mrs. W. R. Daniel, both of Floydada, and Mrs. Raleigh Luker of Brownfield; four brothers, Earl and Franklin Evans of Pecos, Milton C. Evans of Floydada, and E. T. Evans, Jr., of Amarillo.

Pallbearers at the service were Weldon P. Smith, Edwin Hammonds A. M. Dorsey, Johns Cox, W. C. Snodgrass, Alton Noland, W. L. Pruitt of Carlsbad, New Mexico and Herbert Fish of Crowell.

Many friends and relatives from Crowell, Pecos, Paducah, Amarillo, Brownfield, Lubbock, Hobbs and Carlsbad New Mexico and Swearingin, attended the service.

Mrs. Lon V. Smith and Mr. and Mrs. Ralph Johnston and sons spent the weekend as guests of Mr. and Mrs. Wilson Connell on their ranch near Snyder. Mrs. Connell is a niece of Mrs. Smith.

Mr. and Mrs. W. E. Cunningham and daughter, of Hico visited Mr. and Mrs. A. H. Manning last Saturday, enroute to Denver, Colorado. Mr. Cunningham is a brother of Mrs. Manning.

Mr. and Mrs. C. L. Berry attended the funeral of Pete Hammond in Tulla on Sunday.

Reserving Section C Seats Awaits Demand From Fans

Although there are several applicants for reserved seats for the football season home games of Floydada high school's Whirlwinds, Principal A. E. Baker this week expressed doubt that enough interest presented to justify opening up Section C to reserve seat sales.

Baker said that he would have to have at least a hundred applications for reserve seats before the athletic council could afford to give the green signal for reserving the section.

"We have orders for about 20 seats. We need at least a hundred orders to justify it," said Baker. He said those who are interested should call him over telephone 34 (at school) or 413-J (his home) this afternoon or in the morning.

All of Sections A and B have been sold out. Anticipating that C might also be included, it is already on diagram and tickets made. However, the demand from the fans will govern. To sell just a few tickets in a section would make a crowd handling problem too big to cope with," said Baker. Section C has 160 seats.

Dimmitt Pastor to Preach Here Sunday Morning

Reverend D. W. Brashear, of Dimmitt, will be guest preacher at the First Methodist church Sunday morning.

He will fill the pulpit for Reverend Tilden B. Armstrong, pastor, who has been holding special services for the Cone Methodist church.

Jimmy Wilson will be lay speaker at the evening service hour at Floydada church. Sunday night, September 13, a large audience was present for the program at the church to hear Bobby Del Rio and Cohnen Jensen, guest artists.

The two were appearing in behalf of the veterans hospital program. They are NBC artists who appear under the auspices of the veterans hospital program and entertainment association.

A free will offering for the veterans hospital was taken at the close of the program.

Long-Time Resident of Lockney Dies

Funeral service for Lester Anderson, of Lockney, will be held today in the First Baptist church there with Reverend G. K. Rodgers, pastor of the First Presbyterian church of Plainview, officiating. He will be assisted by Reverend E. Wiley, pastor of the First Baptist church of Lockney.

Interment will be in the Plainview Memorial park under the direction of the Carter Funeral home. He was born in Austin, Texas, on September 21, 1885.

Mr. Anderson died Wednesday morning at 10:30 o'clock in Plainview hospital where he had been a patient for two weeks.

Mr. Anderson was a carpenter by trade and had made his home in Lockney for the past fifty years. He was a member of the Presbyterian church.

Survivors include two sons, Martin and Raymond, both of Lockney, five grandchildren, one sister, Mrs. C. L. Silcott of Olton, and a brother, Iver L. Anderson of Costa Mesa, California.

Nearly 6,000 Feet On Sinclair Test

Sinclair's J. M. Massie No. 1, 9,500-foot test for oil four miles north of Floydada, yesterday was about 6,000 feet and drilling away, according to report.

Frank Rylant superintendent of the drilling contractor, said the hole was at 5,902 feet early yesterday morning.

The crew lost a day's time making a drill stem test said to have been at 5,561 feet, when they hit a pronounced soft spot in dolomite. The test did not give any signs of oil or gas. Drilling was resumed Monday night.

Mrs. J. H. Barnard and daughter, Miss Barbara, returned home Sunday from a visit in Chicago with a daughter and sister, Mrs. W. M. Vineyard and family.

Baker Pie Supper

A pie supper will be held Saturday night at the Baker community center and games of 84 and 42 will be played.

Mrs. Gilbert Fawver urges that all families in the community come out Saturday night.

The meeting dates have been changed from Friday until Saturday nights on account of football games and in consideration of the school children.

Each lady is to bring pies for the supper and all are invited to come out and enjoy the evening.

MOTHER GRAVELLY ILL

Mr. and Mrs. E. I. Durham and daughter Sue and son, Bob visited in Quanah on Saturday with Mr. Durham's mother, Mrs. O. P. Durham who is seriously ill.

Mr. and Mrs. E. I. Durham returned home Sunday night.

Mrs. S. E. Thurman returned home last week from a month's visit in Harlingen with her daughters and families, Mrs. Cullen Riley and Mrs. R. P. Rodgers.

SISTER GUEST BRIEFLY

Mr. and Mrs. Orvil Scott of Point Arena, California and their son and wife, Mr. and Mrs. Thomas Scott and son of Richmond, California, were guests of Mr. and Mrs. S. W. Ross last Wednesday for a short visit.

Mrs. Orval Scott, a sister of S. W. Ross, is the former Louise Ross. This was her first visit to Floydada in over 30 years.

During 1952 Forest Service fire-fighting crews suppressed 11,965 fires. Of these, man caused 7,021.

Uncle Sam 'Greets' Young Traveler On Arrival Home

Glen Rainer, son of Mr. and Mrs. Elvin Rainer of Lubbock, former Floydada residents, and a grandson of Mr. and Mrs. Earl Rainer, Floydada, returned home Tuesday by plane after a 13,000 mile trip.

Glen sailed from New York on July first to Holland, where he spent a month visiting a Dutch family, and another month touring the country.

Rainer, 19, is the youngest person ever to visit a foreign country under the "experiment in international living" project. He was sent to Holland by several Lubbock civic organizations as Lubbock community ambassador.

Rainer, a junior student at Texas Tech, on his arrival home was greeted with the news that he was to report today for his physical.

Water and Sewer Men Met Tuesday Night in Matador

A joint meeting of the Caprock Water and sewermen's association and the Greenbelt association was held at Matador Tuesday evening in the American Legion Hut.

A dinner was served the group at the cafe at Bob's Oil Well and the

meeting proper was held in the hut.

Attending the meeting were Messrs. Jess Patterson, Al Carver, Truett Smith, John and V. H. Bollen, Johnston and Carl Bollen.

The next meeting will be in Olton on October 14, when the nominating committee of officers for the coming year will meet.

About fifty persons attended the meeting.

Schoolboy Football Review

FLOYDADA WHIRLWINDS DOWN CROSBYTON CHIEFS 19 TO 7 IN FIRST GAME OF SEASON

Floydada's young and inexperienced Whirlwinds did themselves proud last Friday night at Crosbyton when they downed the Chiefs 19 to 7. The shifty Winds showed enough hustle and speed to make up for their lack of polish and came through with flying colors.

The Crosby county boys fielded a heavy ball club, eleven men on their roster having lettered last year and seven of this number holding letters for two or more years service, but victory was not to be theirs as the battling Winds controlled the ball more than three-fourths of the time.

Floydada received the opening kickoff and Jackie Jarrett took the ball inside his own 10 yard line and advanced it to the 25. The Winds were able to push to the 33 but failed to make first down yardage and Jerry Bob Harrison got off a booming kick that went to the Crosbyton 28. The Crosbyton safety man fumbled and two green shirted Winds swarmed on the ball.

A five yard loss on an attempted pass set the Winds back to the 33 before Floyd Stephens swept around end with a burst of speed to cross the goal line standing up. Officials ruled the ball out of bounds on the twelve-yard line however, and the green and white advanced to the 1 in a series of plays before Harrison plowed over for the TD. Try for point after touchdown with Harrison holding for Gordon Joiner was no good. Score 6-0.

Harrison Runs 63 Yards
Stanley Vickers kicked off for the Floydada team and Forgas took the ball on his 20 returning to the 35. Crosbyton found the going rough and J. V. Harkins quick-kicked over the Wind defenders to the Floydada 28 where the ball rolled dead.

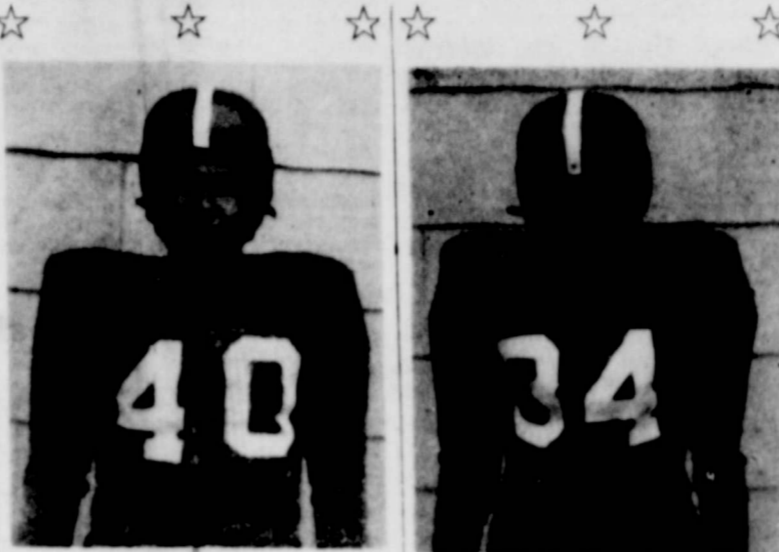

The Whirlwinds advanced the ball to their 37 yard line before Harrison faked a pass (or found no receivers open) and tucked the ball away and rambled 63 yards for a TD. Clipping was called on the play however and the ball was placed down on the Crosbyton 35. The penalty moved the ball back to the 50. From mid-field the Winds advanced on nice runs mostly by Stephens and Muncy until they reached the Crosbyton 5 and Stephens carried over from this point on an off tackle slant. Joiner's kick was good - score 13 - 0 still in first quarter.

Starting the second quarter the game tightened up a bit and punts were exchanged several times. Stephens took one of Harkins' punts on his own 10 yard line and scampered 90 yards through the entire field, but the play was called back to the Floydada 35 where it was ruled he stepped out of bounds. This was probably the most spectacular play of the game as no one noticed the red flag until after Stephens had reached the goal line.

See-Saw in Third
The two teams battled near mid field until the half. An exchange of punts left the Winds in possession at half time, owning the ball on the Crosbyton 35.

The entire third quarter was a see-saw affair with the Winds punting on fourth down or losing the ball for lack of yardage. Harkins stuck to his quickkicking when the secondary was up close.

Starting the fourth quarter Floydada owned the ball on the Chiefs' 35. After advancing to the 30 they lost the ball on downs. On the next play Marvin Rucker knifed through and recovered a

Chief fumble on the 30. The Floydada boys advanced to near the 20 before losing the ball on downs.

Harkins, who has been doing the Chiefs' kicking very close to the line of scrimmage, found he was too close on his next try when Vickers charged through for the Winds to block the kick. Barber recovered the ball for the green and white on the Chiefs' 10 to set up the last Whirlwind score. Jackie Jarrett rambled over from the one a few plays later to score the TD. The point try was no good and the score 19-0.

Chiefs Score late in Game
Crosbyton had kicked and waited for a break the entire game and late in the fourth it came when they covered a fumble on the Floydada 32. A few seconds later Ronnie Forgas hit J. V. Harkins with a perfect pass on the goal line and the Chiefs had busted the goose egg on the score board. Jerry Moore plunged for the point after time had run out. The final score 19-7 with the Winds on top.

Harkins was the big offensive threat of the Chiefs but found his running game bottled up by stout defensive play by the Winds.

For the locals Stephens gained some 81 yards net to lead the parade. Jarrett was going strong in the second half to account for 43 yards. The Whirlwinds played a stout defensive game throughout with only the scoring play threatening their goal. Blocking by the Floydada boys was sporadic with some plays seeing fine blocking and others in which it was practically nil.

Offensive Starters
Bobby Ashton and Jack Womack at ends; Gary Carthel and Stanley Vickers at tackle; Gordon Joiner and Jimmy Dunn at guards; Don Barber at center; Jerry Bob Harrison quarterback; Floyd Stephens and Norman Muncy at halves; and Jackie Jarrett at full.

The defensive team found Joiner moved to end, Rucker and Guthrie at middle guard and Leon Anderson at end. J. E. Waller and Glad Norman in the defensive backfield. Ronnie Upton did not suit out because of injuries. Others to see service in the game included Bobby Carmack at guard, Doyle Grundy Keith Marble, Jackie Henry, Laron Fulton, Bill Walker.

IEWS AND COMMENT

Two First bales are paid for every year at Post, where the patronage of the town is pretty well divided between two types of farm land. One premium is paid for a first bale from their plains trade territory, another for the first bale from the territory below the caprock. At Floydada some such plan may have to be devised by the first bale donors—a first bale premium for the first bale in the county, another for the first bale ginned at a Floydada gin.

Telephone rang briskly at The Hesperian office Friday, Cotton men wanting the address of Mr. Floyd Jackson, who raised such a good cotton crop last year. The types and The Hesperian had Mr. Jackson doing pretty good. Everybody wants some of that cotton seed. The yield ran, so the story says, 373 bales on 20 acres or some such. The answer is we have a surplus of "threes" and have to use them up. Mr. Jackson and Mr. Bartee, who reported the big yield, are probably not too happy about it all. Mr. Jackson raised a good deal of cotton on that patch, but not that much.

All need humus. All the land in Floyd county needs more humus. That's one of the failings of short grass country when you turn the sod under and put it into cultivation. How to get tons and tons of cotton burrs back on the fields for next year and the next makes a problem that it will pay big to solve. Something or other for the minute bacteria to chew on during the winter period you think the land is dormant. Like interest the bacteria make you money while you sleep. This fall while the dry land is so dry is a good time to do whatever you can about it. Of course, you've got to dodge the pink bollworm. And that calls for more solving, too. But it can be done.

Off disaster list. Last week Floyd county was taken off the USDA disaster list, according to report from the state office of PMA. Recent rains, they say, have vastly improved the cattlemen's outlook. This will be interesting and informative to many of our readers.

Cotton opening up. Every day or two now another gin in Floyd county reports its first bale as the day approaches when more and more fields have enough cotton open to justify beginning harvesting the bottom crop. Several million dollars out there in the fields, a lot of it wrapped up in expense, makes the grower anxious to get out and save it. Judging from the roadside one gathers that the frost date this year is very, very important. Difference between an October 10 and a November 1 freeze could be 20 or 30 thousand bales of cotton.

Cost of a Crop of irrigated cotton, and, or, feed this year reaches to astronomical figures on some farms, many farms. However, you run across agreeable surprises that contrast with this. One farmer friend with the "best crop in his farming experience," claims he has less than \$10 an acre expense

bill. The mounting cost of farming on irrigated land is beginning to be a matter of grave concern to banks, which are called upon to finance a considerable per centage of the crops. A price, hail or insect disaster would make complications.

Individual Check Ups by the internal revenue department result in more income for the federal treasury from careless taxpayers who hear about the visit of the checker than from the individuals chosen for the spot check. This information from the federal bureau indicates belief of the authorities that "spot checks" around over the country are good for the purpose of keeping the taxpayer conscious of the fact that there are federal tax laws and that they are supposed to be obeyed. The internal revenue bureau is years behind with the work which congress set up for them to do. There would be many more men in the field after delinquents if the office work had not stacked mountain high. Meanwhile, it pays to search yourself instead of hoping the inspector does not show up on your premises.

To get the greatest total production of forages containing the highest percentage of protein and minerals and the longest grazing season, the planting of a combination of a grass and a legume is recommended for the winter pasture.

Falls are the chief cause of accidents in the home and 14,400 people were killed last year from falls. Remember, it is easier to repair a broken staircase or ladder and cheaper to provide adequate lighting than to repair or rebuild a broken body.

The last fifth of the 1952 income tax bill hits this month for several Floyd county corporations, small businesses, all of them, from which, it was indicated several years ago, it was the aim of the government to drain income away so it would not become a burden to fiscal affairs of the nation by causing inflation. Later after the small corporations grimly took it in the name of national defense, it has been continued "because the government needs the money." A good many antics of the government folk around the world would make the small corporation owners wonder just how long! Mr. Reid, the Republican standpat stalwart from New York state probably wouldn't get any votes in West Texas, if he campaigned here on a tax reduction platform, but he could be guaranteed some wonderful crowds to hear his campaign speeches.

With acreage controls back in the picture, high acreage yields become even more important. Legumes grown for soil improvement will help boost yields.

Three army officers — Lt. Col. Joseph Eiler, Major Milton Hall and Major Arthur Dickens — proved in 1924 that dengue, or break-bone fever is transmitted by the mosquito.

LIBRARY NEWS

(by Mrs. Rosita Hollar)

Half a hundred children attended the story hour at the library on Saturday morning. Barbara Perry and Glynell Armstrong had charge of the stories and Mrs. R. C. Henry served refreshments.

The sponsors feel assured that even tho' a few of our story hour people are in the serious business of being educated, there is still space in their planning for the Saturday story hour.

Carl Minor, Jr., brought us the tape recording of the story hour made recently. This enters our archives. We have already had one request for its use on a special program.

Mrs. Victoria Asher and granddaughter, Mary Katherine Asher have given a book in memory of Lieutenant James Leonard Asher. The book chosen and marked with the plate is "Ceiling Unlimited" by Morris and Smith. This is the story of American aviation from Kitty Hawk to supersonics.

Saturday afternoon was busier than usual. School children who ride the busses seize Saturday to get their books. We checked out 64 books to a wide variety of tastes.

National book week is November 15-21. Have you seen the Back to school window at Bishop Motor company? It is the 1950 study club's work and a part of their library sponsorship. Note the clever signs and the good arrangement. Watch our friends and sponsors for further publicity during that period.

Time and distance make little difference in real interest. This was proved by an early gift from Mrs. Leslie Stringer of Wichita Falls.

Last week, the library received a gift of two boxes of books from Miss Erin Gamble, a former Floydada girl. Miss Gamble has been librarian in the public library in Tacoma, Washington. She has resigned her place in Tacoma and is enroute to Cleveland, Ohio, where she will be librarian in the Cleveland public library. Miss Gamble is a sister of Mrs. Virgie Shaw.

NOTICE

Citizens of Floydada who want to report prowlers, disturbances and the like at night should make their reports by telephone to the city hall, Number 211.

The information will be relayed to cruising officers by a light signal turned on there. In this manner officers can answer calls promptly.

Bob Smith, Chief of Police.

STAR Agriculture

Released by The Texas Department of Agriculture

THE SOIL LOSS TREND

Soils are being built up at the same time. Crop residues, manure, and other good management practices build up our soil. But leaching, erosion, and oxidation of organic matter in too many cases, build up faster than the soil is built up. Reversing this trend involves the development of better management methods.

Better erosion control through contouring, mulching, terracing and grass waterways reduces soil loss. Applications and applications of lime and fertilizer compensate for part of the fertility loss. Research has been productive in overcoming these factors, but we have not yet stopped the downward trend on most soils. Only a start has been made in our understanding of the chemical, physical and biological forces involved in the building-up and tearing-down process.

Our biggest task will be in learning to understand the effect of alternative soil, crop, livestock and management system upon gains and losses in fertility in each section of the state. The Texas Department of Agriculture and the Agricultural Experiment Station at College Station have been working on this project for a number of years.

But it is also the duty of every farmer to learn as much about the qualities of his own soil as he can. Only then can he take advantage of the progress made in research projects.

Lockney All-Star Guard At McMurry

LOCKNEY — Orland Gilbert, son of Mr. and Mrs. Marvin Gilbert, and a 1953 graduate of Lockney high school, has made the freshman squad at McMurry college in Abilene.

Orland was co-captain of the Longhorn football team last fall and was named all-district guard. Orland weighs only 170 pounds, which is comparatively light for a college player, but he made the squad on hustle and determination along with his ability.

Orland is a grandson of Mrs. E. F. Stovall and the late Mrs. Mae Gilbert of Floydada.

AN ORDINANCE DEFINING THE VARIOUS KINDS OF GARBAGE, REGULATING THE KINDS AND SIZE OF RECEPTACLES IN WHICH TO PLACE SAME, THE MANNER OF ITS PREPARATION AND WHERE IT MUST BE PLACED TO BE COLLECTED BY THE CITY GARBAGE DEPARTMENT; PROVIDING REGULATIONS FOR COLLECTING SAME AND PROHIBITING THE PLACING OF GARBAGE OR ANY ARTICLE OR MATERIAL IN THE STREETS AND ALLEYS OF THE CITY OF FLOYDADA, TEXAS; PROHIBITING THE MEDDLING, SCATTERING CONTENTS, PILING OR JUNKING, WITH GARBAGE CANS, TRASH OR RUBBISH RECEPTACLES; PROHIBITING JUNKING OR CARRYING OFF THE PREMISES OF THE DUMP GROUND ANY ARTICLE OR JUNK; PROHIBITING THE COLLECTION OF GARBAGE TRASH OR RUBBISH BY OTHERS THAN CITY FORCES WITHIN THE CITY LIMITS; AND PRESCRIBING A PENALTY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:

Section 1. This ordinance shall be known as the "garbage ordinance" of the City of Floydada, Texas. The word "premises" as used in this ordinance shall be taken to mean business houses, boarding houses, offices, theaters, hotels, restaurants, cafes, eating houses, tourist camps, apartments, sanitariums, rooming houses, school, private residences vacant lots and all other places within the city limits of the City of Floydada, Texas, where garbage, trash or rubbish accumulates in ordinary quantities.

The various kinds of garbage shall be defined as follows:

(a) By the term "kitchen refuse" as used in this ordinance is meant, dry kitchen refuse, all meat, vegetable and fruit refuse, small dead animals and dead fowls, from any premises within the city limits.

(b) By the term "dry kitchen refuse" is meant the solids after the liquid or slop has been drained off.

(c) By the term "trash" as used in this ordinance is meant paper of all kinds, rags, old clothing, paper containers, old rubber, pieces of wood, boxes, barrels, crates, feathers, weeds, grass, tree limbs from any premises within the city limits.

(d) By the term "rubbish" as used in this ordinance, is meant tin cans, bottles, glass, scraps of iron, tin, wire, or any other metals from any premises within the city limits.

Section 2. It shall be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises, or any place where "kitchen garbage" accumulates, to provide a portable garbage can constructed of galvanized iron, tin or other suitable metal, with two handles and a tight fitting cover of a capacity not less than five gallons nor over thirty gallons and the daily accumulation of kitchen garbage and dry kitchen refuse shall be placed in this garbage can. It shall also be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises to place all trash and rubbish from said premises in boxes, sacks or barrels or other receptacles of reasonable size, provided that the gross weight does not exceed 100 pounds. Garbage cans, boxes, sacks or barrels of trash and rubbish and tree limbs shall be placed inside the property line at the edge of the alley, where there is no fence; where there is a back fence with alley gate, garbage cans, boxes, sacks or barrels of trash and rubbish and tree limbs shall be placed against inside of fence at side of alley gate; if there is no alley gate, there shall be built a platform against inside of fence below top of fence so that garbage collecting vehicles can drive close up to fence and lift the garbage, trash or rubbish over the fence; and where there is no alley, kitchen garbage, trash and rubbish shall be placed inside curb line of street, to be collected by the city garbage vehicles.

Section 3. The places of wholesale accumulations, such as killing and dressing plants for fowl, wholesale fruit and vegetable houses, storage and other places, where the daily accumulation of kitchen garbage, trash and rubbish is more than the ordinary quantities, are not included in the service furnished by the City Garbage Department and such places are required to remove same to the city dump grounds at their own expense, in the manner and by the method directed by the official.

Section 4. Heavy accumulations such as brick, broken concrete, lumber, ashes, clinkers, cinders, dirt and plaster, sand or gravel, automobile frames, dead trees, and other bulky, heavy material shall be disposed of at the expense of owner or person controlling same under the direction of the designated official.

Section 5. Waste oils from garages or filling stations shall be disposed of at the expense of the party responsible for same under the direction of the designated official.

Section 6. The City Garbage Department will not make collection of kitchen garbage, trash or rubbish or tree limbs where same is not prepared for collection and placed as designated by the terms of this ordinance and failure to comply with this provision will be an offense and each day's failure to comply will constitute a separate offense.

Section 7. The placing of kitchen garbage, trash or rubbish or any article, thing or material, in any street or alley within the city limits is prohibited.

Section 8. The disposal of kitchen garbage, trash or rubbish and that designated under Sections 4 and 5 of this ordinance or any kind of rubbish in any place within the

Floyd County Hesperian, Floydada, Texas, Thursday, September 17, 1953

city limits except at the city dumping grounds, is prohibited.

Section 9. The meddling with garbage cans, trash or rubbish receptacles or in any way plugging, scattering contents or junking in any alley or street within the city limits is prohibited.

Section 10. Employees of and city officers directing operation of the City Garbage Department and persons delivering garbage or other rubbish to the city dump grounds are allowed on the grounds, all other persons are prohibited.

Section 11. All junk and other material of the Dump Ground is the property of the City of Floydada, Texas, and no person is allowed to separate and collect, carry off or dispose of same except under the direction of the designated official.

Section 12. The collection of garbage, trash and rubbish or of any kind of junk within the city limits is prohibited except as provided for in Sections 3, 4 and 5 of this ordinance.

Section 13. Garbage cans shall be kept in sanitary condition and closed tightly, line must be used at places where receptacles for the garbage, trash and rubbish are located to be collected by the City Garbage Department to keep down odors and flies. The contents of all receptacles shall be so protected that the wind cannot blow out and scatter same over the streets, alleys and premises of the city.

Section 14. That all ordinances and parts of ordinances in conflict with the provisions of this ordinance are hereby repealed, but the ordinance shall be cumulative of and supplementary to all ordinances relating to the public health not in conflict herewith.

Section 15. That if any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of this ordinance shall not be affected thereby.

Section 16. The fact that there is no ordinance regulating the kind and size of receptacles in which to place garbage and regulating the collecting and disposing of garbage within the city of Floydada, Texas creates an imperative public necessity that the rules requiring ordinances to be read on more than one day be, and the same is hereby suspended, and that this ordinance take effect from and after its passage, approval and publication, and it is so ordained.

Womack Family Men in Service Re-Union Held at Baptist Camp

Every year on the Sunday preceding Labor Day, the family of A. J. Womack, 94, pioneer Floyd county retired farmer of the Sand Hill community, gather for a family reunion.

On Sunday at the Plains Baptist Assembly grounds in Blanco canyon, the family and friends gathered for a basket dinner honoring Mr. Womack.

Mr. Womack's children, grandchildren and great grandchildren, nieces and nephews were present for the day, and several friends registered. Registering were Mr. and Mrs. Tom J. Thomas, with whom Mr. Womack makes his home, Mr. and Mrs. A. V. Womack and children; Mr. and Mrs. R. L. Hinkson and son;

A NOTE OF APPRECIATION

We wish to express our sincere thanks to our friends and neighbors for every kindness shown us during the illness and at the death of our beloved wife, mother, daughter and sister.

For the many, many cards, flowers visits and for the prayers, we extend our heartfelt thanks.

May God bless and keep you every one.

DR. RUTLEDGE AT FORT SAM

1st Lt. Randolph Rutledge, MC, son of O. P. Rutledge, of Floydada, is at medical field service school, located at Brooke Army Medical Center, Fort Sam Houston, Texas, to attend a four-weeks orientation course in military medical service.

The class is made up of officers recently called to duty in the Medical corps, Veterinary corps, and Medical Service corps.

The orientation course stresses medical service in war. Subjects include clinical procedures in war injury, essentials of treatment for combat exhausted, and preventive medicine measures detecting health hazards and avoiding epidemics.

Medical Field Service school is the world's largest military medical school directing resident and extension training for officers and enlisted personnel of the Armed Forces. Graduates are qualified for professional and technical duty assignments at military hospitals and medical field units located at state-side and overseas stations.

Lt. Rutledge received his medical degree from Tulane university in 1950.

Pvt. Billy G. Turner, son of Mr. and Mrs. C. A. Turner, Floydada, is now a student in the dental laboratory course given at Medical Field Service school, Brooke Army Medical Center, Fort Sam Houston, Texas.

Enlisted personnel and officers from Armed Forces installations throughout the world come to this school for technical and professional training in military medical service.

Completion of this course qualifies graduates for duty assignment as technicians in military hospitals and medical units.

TROIS FONTAINES, FRANCE—Army Pvt. Homer Warr, son of Mr. and Mrs. Ernest Warr, Route 1, Floydada, Texas, is now serving in Trois Fontaines, France, with the 450th ordnance ammunition company, a part of the Communications zone.

The zone is responsible for the transportation of men and supplies from French ports to U. S. forces stationed in Germany. Its headquarters is in Orleans, France, and it maintains a base section at La Rochelle.

Private Warr, an ammunition supply specialist, entered the Army last December and received basic training at Aberdeen Proving Ground, Md.

Floyd County 14 Years Ago

(Taken from the files of The Hesperian, issue dated September 21, 1939)

Not over 125 bales of cotton have been ginned and not over 150 bales have been picked to date. The poor cotton harvest has gotten under way and the gins are all fired up to go.

September 30 is the last day to insure wheat. L. A. Williams, crop insurance supervisor, warned Floyd county farmers this week.

Truman Kirk left Friday for Austin where he will enter Texas University.

Miss Marjorie Kirk left Monday morning for Canyon where she will enter West Texas State Teachers college for the 1939 - 1940 year.

Born to Mr. and Mrs. C. M. Meredith on September 12, a daughter, Randall King was among the last year high school graduates to enroll in Texas Tech last week.

Ray Chapman, postal clerk in Floydada for the past three years, has been transferred from this office to Seagraves. Orville Newberry is expected to fill the vacancy in the office.

Miss Ruth Jordan, daughter of Mr. and Mrs. W. B. Jordan of Center, has accepted a position in the Littlefield schools as teacher for this year.

WEEK - END GUESTS

Visiting in the G. E. Fuller home over the week-end were Mr. and Mrs. Bill Gollighaire of Holland, Texas. Mrs. Gollighaire is Mrs. Fuller's sister.

Guests in the Fuller home one day last week were Mr. and Mrs. P. L. Hargis and four daughters; Mrs. Al Bailey of Little Rock, Arkansas; Mrs. Albert Hasty and Mrs. Robert Cannon and Miss Martha Hargis all of Lubbock.

You can call it your own for less than you think

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all four wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

Come in and ask us about the low delivered price on this **1953 Buick SPECIAL** 2-Door 6-Passenger Sedan

THE GREATEST BUICK

IN 50 GREAT YEARS

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Destroy Wild Morning-glory

and other noxious weeds

by now applying **CONCENTRATED BORASCU** FOR WEED CONTROL PURPOSES

DON'T LET this weed spread unchecked for another season! Save your valuable land and water from the blight of noxious weeds by destroying them with CONCENTRATED BORASCU today! By making fall applications you allow this herbicide to act all through the winter months... during that period it will be destroying roots and rhizomes and its carry-over effects will destroy seedlings next spring.

CONCENTRATED BORASCU is applied dry... no mixing nor hauling of water is required... can be applied by hand or by using mechanical spreaders.

CONCENTRATED BORASCU is safe; noncorrosive to ferrous metals, nonflammable, nonpoisonous and inexpensive to use!
