The Slaton Tiger colors are red and black. Officials for the game are Sandy Waldrip, referee, J. Davis, field judge, A. Brown, umpire, and B. Stell, headlineman.

Another district 5AA game this week will find Abernathy playing at Post.

"B" Squad Plays Coach Paul Huntingtons "B" squad will go to Plainview tonight (Thursday) for a game with the strong Plainview B team.

Coach McGuire's seventh and eighth grade teams will be playing a return match with the same age boys at Post tonight. Last week they won their games with the Garza county boys. The seventh winning 13-0 and the eighth by a score of 27-0.

Mahon Addresses Brotherhood And Numerous Guests

George H. Mahon, representative of the 19th congressional district of Texas Monday night told the assembly at the Baptist Brotherhood's monthly meeting that the solutions of many vexing domestic and world problems lie in the haven of good will proclaimed by the Master.

Mr. Mahon's talk was an informal and informative discussion of governmental and world problems which now center around Washington as America is charged with the burden of world leadership.

He was heard by numerous guests of the brotherhood from other churches of the community as well. The talk, held in the church basement, was preceded by a barbecue served by the brotherhood with Leonard Matsler and Clarence Guffee as chefs.

John B. Stapleton, president, served as master of ceremonies. The speaker was introduced by Judge Alton B. Chapman, program chairman.

\$50 FOR CLUB BOYS

County Agent W. G. Rodgers reported late yesterday the latest contribution to the boys' 4-H club funds is a donation of \$50 from cattlemen and rancher W. A. Masie.

First Rounds on New Garbage Disposal Plan Begin Monday

Yesterday it was announced by councilman Leonard Matsler that the city plans to put the new garbage disposal ordinance into effect beginning Monday.

Trial runs have been made this week by the sanitation crews.

The schedule for the business district calls for daily rounds beginning at 3 o'clock in the afternoon. For the residence section the rounds will be started on a basis of once every two days and schedules will have to be worked out as the crews progress.

"All trash and garbage is to be hauled off, none to be burned in the city limits" is the goal of the authorities, said Matsler. He was named at the Monday night meeting of the council to have general supervision of the job for the council.

"We assume that everything will not work out perfectly at first and there would appreciate 100 per cent cooperation all around," he said. "We think it will work out fine when we get the plan underway."

Matsler said the problem of sanitary disposal down-town may cause some problems. It isn't the idea of the council to make undue burdens on anyone. He considers the problems that will arise can be worked out to the satisfaction of all.

Meanwhile the supply of the new

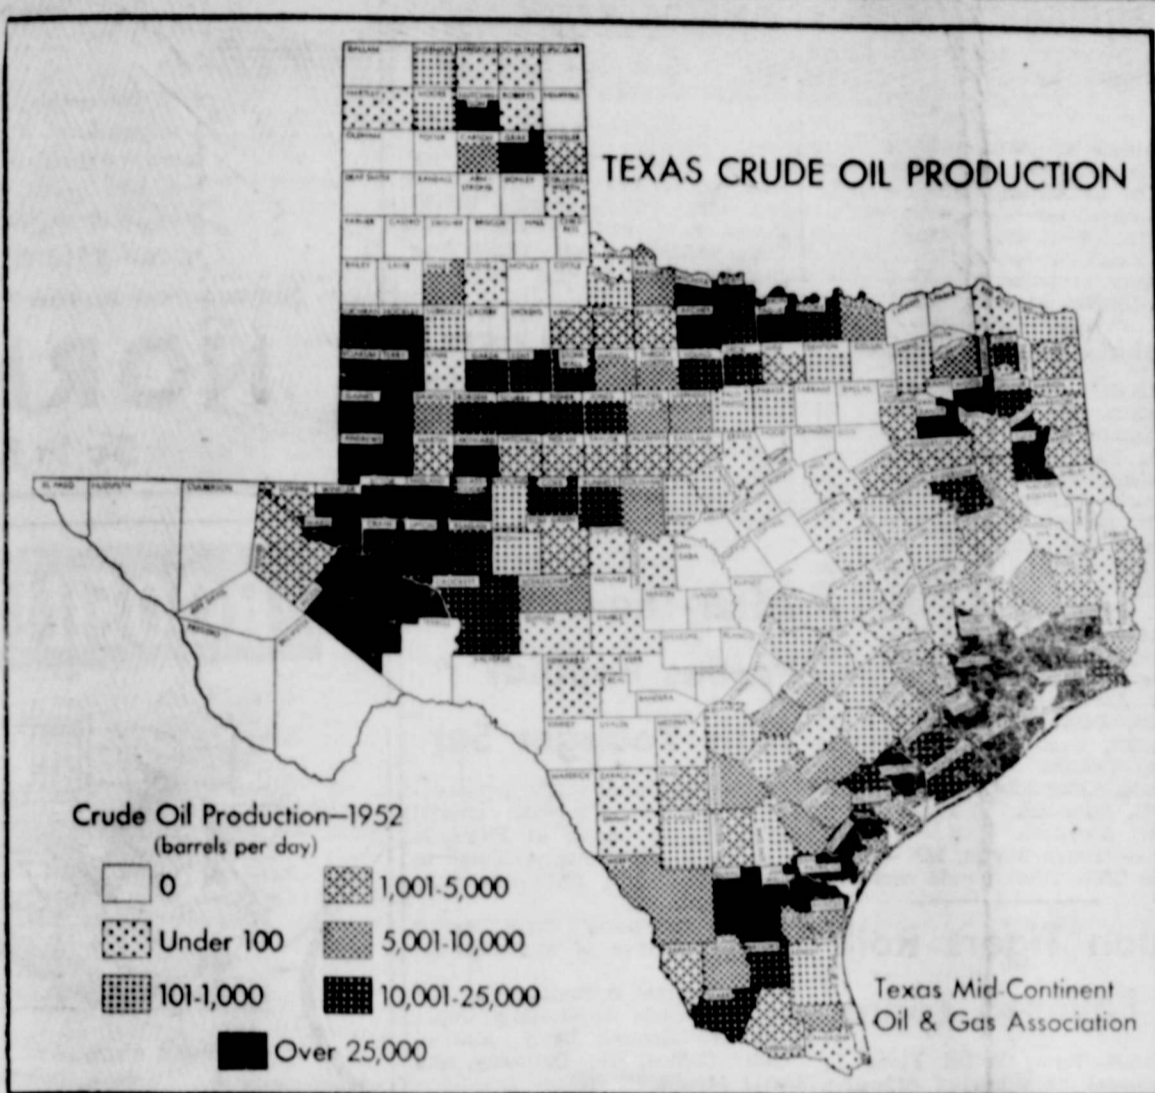

garbage disposal cans has been replenished by the Lions club and there are plenty of them available at various establishments over town. The cans sell at \$2.99, almost at invoice cost for large lots. Several hundred cans have been bought by residents ready for use when the city gives the word.

Endorsement To Yarborough

The Old Peoples' club of Floydada has made up its mind to give endorsement to Judge Ralph W. Yarborough of Austin for the governorship.

Although the Austin man has not made any formal announcement of his intentions as regards next year's political battles, the old people want him to offer himself and have sent him a ringing endorsement.

A Lee Noble, president of the Old Peoples' club of Floydada, said that at their last meeting Yarborough was endorsed enthusiastically. "We expect to do some real campaigning for him, too," said Mr. Noble.

TEXAS CRUDE OIL PRODUCTION comes from 180 of the state's 254 counties, according to the map prepared by the Texas Mid-Continent Oil & Gas Association. Two new counties were added to the crude oil production picture in 1952 — Floyd County, West Texas, and Grimes County, Southeast Texas. Major producing counties — those which produce more than 25,000 barrels daily — totalled 36 at the end of 1952, a gain of three over the previous year.

Oil Progress Week Finds County Listed as Oil Producer

Along with the state-wide observance of Oil Progress Week in Texas this week comes the first official recognition of Floyd county as an oil-producing county. Albert, the showing is a modest one, still the county does get into the producing column at long last with the Minnie Adams discovery well at Lakeview and its continued production of 22 to 30 barrels of oil per day.

Floyd shares with Grimes county in deep east Texas the recognition as a Texas producing county, only two new counties to be added to the long list in 1952. The record of oil producing counties of the state now stands at 180 out of 254.

From June of last year, when it was put on the pump the Minnie Adams produced 9,507 barrels of oil in 1952 at an average rate of 26 barrels per day, according to figures made by the Texas Mid-Continent Oil & Gas association. The accompanying map was released by the association in connection with the observances of Oil Progress week.

Two Tests Under Way When the Adams discovery failed to unleash a boom in drilling activity in the county, the activities in leasing, royalty buying and actual search for oil reached a low ebb throughout the last half of 1952 and the first half of 1953, although values were on a firmer basis and at a higher level. Three or four important lease and royalty transactions were the only pointers to continued interest in the area by the oil fraternity.

But the decision of Sinclair Oil and Gas Company, biggest holder of leases in the county, together with five other oil companies, to test the area in the vicinity of the center of the county, and the beginning of an offset to the Adams discovery at Lakeview last week by Burdell Oil Company, brought renewed interest.

This week the test at Center, four miles north of Floydada, had reached 8,780 feet yesterday morning with no important changes in formation reported since the Wolfcamp show at 6,600 feet. What depth Sinclair and associates will attempt is not known locally. Their contract with the drilling contractors, Coats Drilling Company, is said to be for 9,000 feet with an option to probe

Two New Deputies Named by Cooper

Two new deputy sheriffs are on duty in Floyd county this week, augmenting the rolls of the sheriff's department.

Sheriff Earl Cooper has announced the appointment of Albert Dutton, former partner in the Jackson Tire Company at Lockney, as deputy to assist Ray Hardin, stationed at Lockney.

Burdell Test Below 2,500 Feet

This week it appears that the A. E. Elliott drilling crew on the No. 1 R. L. Nichols, north offset to the Minnie Adams discovery well at Lakeview, for Burdell Oil Company, Standard of Texas and Magnolia, fully intend to get this well down to contract depth of 8,000 feet in the time limit of 40 days they gave themselves when they moved on to the site Monday last week.

Thursday afternoon they completed rigging up and Friday morning set the surface casing at 500 feet. This week they continued to make hole fast. They were below 3,000 feet late yesterday. R. S. Wiggins, the superintendent-part-

Dr. Stensland and Group Make Adult Education Program Plans

Dr. Per G. Stensland, head of the adult education program at Texas Tech college met in the Floyd county district court room Monday afternoon, with 20 Floyd county citizens to make further plans for a program in this county.

At an early date, radio station KFJD will begin a series of recorded radio programs, "The Ways of Mankind." This program deals with the origin and development of culture, customs and folkways in various parts of the world.

One purpose is to try to understand the ways in which various cultures meet the common problems of war, economic, religion and family life.

When the radio programs begin, the plan is to have discussion groups meet in various homes to discuss what they have heard.

Dr. Stensland plans to be back in Floydada October 23 at 1:30 o'clock to make plans for an American Heritage program, which will be under the sponsorship of the Floyd county library. The Ford Foundation makes grants to local libraries for this particular program.

On November 14 a regional meeting will be held in Amarillo to make plans for the American Heritage project in this area.

Fair Members Meet Tonight

The fall meeting of the Floyd county fair association is set for 7:30 p.m. tonight at the Floyd county court house. Loyce Turner of Harmony community, chairman of the fair association, will preside and call for the election of directors for the organization.

Turner and his steering committee met recently and divided the county into 11 equal areas and will have a proposed director from each area to present to the membership. Nominations will also be made at the meeting.

"We urge every member to be present at this important meeting," said Turner. "And we also invite anyone else interested in having a Floyd county fair in 1954 to attend the meeting."

Scouts Annual Drive Oct. 27

Plans for the Boy Scouts annual fund drive were beginning to take shape this week with Carl Lester Minor being named Floydada campaign chairman. Working with Minor will be teams from organizations sponsoring scout units.

These include Lions club, cub scouts; Jaycees and Rotary, scout troops; and Methodist men, who sponsor the explorer scouts.

Goal in the drive is \$1600 for Floydada. Expenses of the scouting program are mainly for badges and awards and professional service.

Slogan of the fund drive is "the future of America depends on it's youth," and citizens are reminded that a dollar keeps a boy in Scouting for one month.

Volunteers will be calling October 27.

'WINDS DOWN JACKRABBITS 24-0 IN RAGGED GAME AT RALLS

For the second week in a row, the Floydada Whirlwinds took advantage of a fumble in the first quarter and turned it into a first period score, and were never headed, as they defeated the Ralls Jackrabbits Friday night 24-0.

This was the fifth straight victory for the 'Winds, who are in a hurry to develop a smooth operating machine before conference play starts against their new and probably stronger foes this year.

Opening the game, Floydada kicked off to Ralls. The Jackrabbits made two or three yards in two attempts, and on their third try from scrimmage fumbled the ball into the waiting hands of the Whirlwinds on the Ralls 20 yard line. A five-yard penalty for delay of the game put the ball on the 15 with first down and 5. Two efforts by the 'Winds netted 1st and goal

on the Ralls 7 and two plays later Harrison scored from the three on a quarterback sneak. Barber's conversion attempt was blocked, and the score stood 6-0 before the echoes of the opening whistle had faded.

The 'Winds kicked off and Ralls took the ball on the 15 and returned to the 37. The Jackrabbits made their strongest bid in this early stage of the game. Mixing up the 'T' and the spread formations, they carried the ball to the 'Winds' 37, making their only two first downs of the game, before a fumble gave the ball to the 'Winds.

Scores Fifty-Four Yards

It was shortly after this that Jarrett found a hole over left guard and sprinted 54 yards for a score, only to have the play nullified and a 15-yard penalty for clipping. Ralls recovered a fumble on the

Floydada 44 and unable to gain, punted to Muncy on the Floydada 7 as the quarter ended.

There the Jackrabbits tried for four downs to make that 7 yards but ran into a wall of Floydada defenders at every point and the 'Winds took over on their own 10 to end the only Ralls scoring threat of the evening.

From this point the 'Winds mixed up their passing and running attack and started a drive that ended in a touchdown, the final play a 35-yard pass from Harrison to Womack. The conversion was wide.

After the next kick off the Crossball to their own 46 for a first and punted the ball dead on the Floydada 32. The 'Winds ran the ball to their own 46 for a first and ten, then Harrison pitched one to Womack, good for 34 yards and a score. This ended first half scoring when the conversion attempt by Barber went wide making the score at half time 18-0.

The remainder of the game showed Floydada power all the way, but the 'Winds were not able to muster that scoring punch until late in the fourth quarter when Harrison completed another six pointer to Waller. The conversion by Barber was wide and the game ended only seconds later with Floydada out in front 24 to Ralls 0.

The 'Winds had complete command of the game in the second half and allowed only 5 yards net to the Jackrabbits and no first downs, while the 'Winds were running for 212 yards and passed for 56.

Slaton Tigers Roll As Favored Team

Slaton's Tigers rolled along in their usual high geared offensive form last week, downing Amherst 46 to 0. This Friday they will be in Floydada to engage the Whirlwinds in the season's first district game for both clubs. The game should be a good one with Slaton a slight favorite.

The Antelopes of Abernathy rolled over Tulla last Friday to the tune of 45 to 0. Floydada had defeated the Hornets 49 to 0 earlier this season. Abernathy will play Post Friday at Post. Abernathy is favored in this contest—at least the Antelopes will win which ever way it goes.

Post's Antelopes defeated Rotan in their last outing by a 37 to 14 score. This week they are hosts to Abernathy in a district 5AA game, the first for both clubs.

Spur took the measure of the Crosbyton Chiefs in a homecoming game at Spur last week 39 to 0. The 'Winds only squeezed through their game with the Chiefs by a 19 to 7 count earlier this year. Tomorrow night the Bulldogs go to Hamlin to play the Pied Pipers in a non-conference go.

Tahoka lost their first game of the season when they were upset by the Seminole Indians last Fri-

day at Tahoka. The Indians took home an 18 to 13 victory over the 5AA entry. This week Tahoka should have little trouble with Tulla which has been easily handled by Floydada and Abernathy.

Paducah's Dragons, though not in this district, played a game of much interest to local fans Friday night when they swamped Henrietta 40 to 0. Many had wondered if the Dragons were as good as they looked when they played the 'Winds here two weeks ago. They are. This week the Dragons meet a big class AA Electra team.

After-The-Game Parties Popular With Younger Set

The after-game party sponsored by the First Baptist church for all young people of Floydada is presenting "Fit For A King" in 3-D Friday night after the game with Slaton.

At the last party there was a record attendance of approximately 325.

The program committee for the parties consists of Sammie Copeland, Dot Holmes, Betty Martin, Jimmy Collins, Kay Calloway, and David Mount.

The Youth Council in charge of the parties consist of Al Brian, youth director, Dr. Bill Greer and Mrs. Al Galloway, program chairman, Bill Hardin, publicity chairman, Mrs. Lee Goughly, decoration chairman, and Mrs. Parnell Powell and Mrs. Emery Roberson refreshment chairmen. Numerous young people of the First Baptist church assist in preparation and execution of the parties.

TERRY JULIAN IN COWBOY BAND AT HARDIN - SIMMONS

Terry Julian, son of Mr. and Mrs. Murray Julian of South Plains, is a freshman at Hardin-Simmons University of Abilene, and has been chosen a member of the Players Club, and will be in the major fall production of the club. Terry plays in the famous Cowboy Band, and in the symphony, R.O.T.C. and Players Club bands. He is a graduate of Floydada in the class of '53, and was a member of the Whirlwind Band, where he played the bass horn.

Attending the Texas Tech-A&M college football game in Lubbock Saturday night were Messrs. and Mmes. Bill Rodgers, Earl Crow, Duane Bartee, Bob Logan, Miss Alene Warren, Y. E. McAdams, Jr., also Mr. and Mrs. Morris Davis.

A miscellaneous bridal shower complimenting Mrs. Charles (Chuck) Holmes was given in the home of Mrs. Jack Johnson, on Wednesday, August 7. Mrs. Holmes is the former, Betty Lackey, daughter of Mr. and Mrs. M. Lackey, of Lubbock.

Friends were invited to call at 7:30 to 9:00 p.m.

Assisting hostesses were Misses Darlene Johnson, Clara Mae Jones, Wanda Lee Jones, Elizabeth Wilks, Nita Jo Lightfoot, Carolyn Collier, Gwyn Richardson, Floy Jackson, Ann Hickerson, Elayne Snodgrass, Edith Faye Garrett, and Mesdames Bruce Bishop, Alma Cannon, Parnell Powell, H. F. Jackson, David Battey, Hillery Shurbet, John Buchanan, Alvie Jackson, Loy Lee Trice, Johnnie Hutchinson, Sissy Hettler, C. B. Carmack, and Mrs. Jerrold Vinson.

Mrs. Alma Cannon received the guests and presented the honoree, Mrs. Johnnie Hutchinson registered the guests.

Mrs. Bruce Bishop and Miss Darlyn Johnson were in the gift room, where numerous gifts were displayed.

Misses Floy Jackson and Clara Mae Jones served lime punch from a crystal service with angel food squares laced in gold and wine, the brides chosen colors. The serving table was laid with a lace cloth, having as a centerpiece gold and wine mums.

Miladies Needle Club Met Thursday

Miladies Needle club met Thursday afternoon with Mrs. Foster Amburn as hostess.

Mrs. E. J. Womack had charge of the business session, at which time new officers were elected for the new year.

Mrs. C. B. Lyles was named president, Mrs. C. W. Jones vice-president, Mrs. Foster Amburn secretary and reporter, Mrs. E. W. Dunavant treasurer, and Mrs. E. L. Judy recreation leader.

The hostess served a refreshment plate to the following members: Mesdames R. M. Stovall, E. J. Womack, E. L. Judy, H. F. Pratt, Mrs. E. W. Dunavant and the hostess.

Mrs. Cecil Baxter will be hostess at the next meeting which will be November 12.

In a candlelight service performed at Carr's Chapel in the Harmony community Saturday night, Miss Iva Elmore Smith became the bride of William Branham Payne. Mr. and Mrs. Charles B. Smith of Harmony are the brides parents. The bridegroom is the son of Mrs. William A. Payne of Stamford.

Reverend Tilden B. Armstrong, minister of the First Methodist church in Floydada, performed the double ring ceremony before an altar decorated with baskets of greenery and white gladioli.

A piano medley of traditional wedding music played by Mrs. M. D. Ramsey precluded the ceremony and the traditional wedding music was used. Mrs. David S. Battey, Jr., sang "Because" and "The Lord's Prayer."

The bride was attended by Mrs. John Will Vance, her aunt, of Coleman, matron of honor. Her sisters-in-law, Mrs. Joe T. Smith and Mrs. Jack Smith of Lubbock were brides matrons.

E. J. Herman of Stamford was best man, Joe T. Smith and Jack Smith were ushers.

The bride was given in marriage by her father. She wore a gown of dull luster bridal satin fashioned with a bertha effect collar forming points over the shoulder line in the back. The bodice was made with long sleeves extending to points over the hands. Her cathedral length train swept from folds gathered at the waistline in the back of the bell shaped skirt. She wore a single strand of pearls belonging to her mother. She carried a green orchid with stephanotis atop a white bible, which belonged to Mrs. Joe T. Smith, and was used in her wedding. The finger tip veil of French silk imported illusion fell from a hand made cap of original design encrusted with pearls and sequins.

The feminine attendants wore short sleeved floor length taffeta gowns styled like the brides in autumn colors of bronze, toast, and jade green. They wore caps, also identically made which were gifts from the bride. Their flowers were bronze chrysanthemums.

The bride's mother wore an aqua dress of crepe and lace with black accessories.

For going away the bride wore a black velvet suit with matching accessories. Her jewelry was em-

Her-

man registered the guests. Miss Johnette Highsmith, Wichita Falls, cut the tiered wedding cake. Others in the house party included: Mrs. Lee Kidd, of Plainview and Mmes. David S. Battey, Jr., Walter S. Hanna, Roy Hale, Zant Scott, Loyce Turner, Choma Williams, Riley Holmes, and Mrs. Everett Miller.

The bride is a graduate of Texas Technological college. She is executive director of the West Texas Area Council of Camp Fire Girls.

The groom attended Hardin Simmons University. He is employed by H. O. Wooten Grocer Co. in Stamford.

After a short wedding trip the couple will be at home at 1209 East Landon in Stamford.

Garden Club Sees Cinema on Mums

Meeting in the home of Mrs. John Moss, Rails highway, on Friday morning, members of the Floydada Garden club witnessed a film on chrysanthemums, courtesy of the Jackson-Perkins company of New York.

Mrs. J. D. McBrien, arranged for the film, which was shown by Brac Biggers, manager of the Southwestern Public Service, Floydada.

Mrs. O. G. Glassmoyer, president of the club, presided at the business meeting.

Mrs. W. H. Henderson will be hostess to the club on Friday, November 13, at her home, 417 West Mississippi street.

Honor Smith-Payne Wedding Party

A buffet supper was held Friday night in the home of Mr. and Mrs. Charles B. Smith honoring the wedding party of their daughter, Iva Elmore Smith and William Branham Payne of Stamford. The bride's chosen colors of green and white were carried out in the decorations. Twenty-four guests attended.

PARK FLORIST FLOWERS & GIFTS

One afternoon we sat in the spouse's quiet, closed office listening for his footstep in a nearly deserted building. Each time the door at the end of the hall opened, we picked up the rhythm of footsteps until they had passed his door.

No two were alike. Even behind the closed door it was no trick to distinguish between men and women, between heavy and light-weights, between fast and slow paces. Idly, we began guessing at a person's characteristics from the sound of his footsteps.

A woman clicked along on high heels, a light tap on the marble floor: lightweight, with good coordination, we thought. But impractical, wearing those heels for a day's work. Maybe a little vain. Dresses to attract male attention; or else, shy, and wearing them to give her confidence.

Another's heel screamed slightly as she put her foot down: she's heavier, more purposeful. Probably schedules her time too closely, then throws her body off-balance by those shoes not made for haste.

Other footsteps seemed ponderous, habitually hasty, naturally relaxed, thoughtful, light-hearted, self-confident, cocky.

Finally we heard the spouse coming. His footsteps were unmistakable. Where did he fit in the procession? A fast walker—that's the tempo of his life; a buoyant stepper—interested in where he's been, where he goes next. We made a mental note to remind him to slow down.

Two days later, we set out on a fast business junket and found a public stairway blocked by some loitering boys. "Pardon," we said briskly as they stepped aside. "Didja ever notice," one of them drawled loudly, "as we hurried down the steps, 'how you can tell what mood a fellow's in by the way he walks? If he's mad, you can sure tell it, just by listenin' to his footsteps.'"

Once around the corner, we guiltily slowed down—both inside and out.

Tommy Hall, Five, and Guests Enjoy Birthday Party

Tommy Hall, son of Mr. and Mrs. T. G. Hall, was five years old on Friday and his mother honored him with a birthday party at their home, 406 West California street.

Twelve little guests were invited to the birthday party when the cowboy and western theme was used.

Games were played and favors of cowboy books, bubble gum and suckers were given the children.

A beautiful birthday cake decorated with a cowboy and pony was served with ice cream to the guests who were: Mark and Melinda Goen, Danny Swepton, David Hollums, Cathy and Bill Tanner, Mary Jane Jacobs, Norma Allen, Kitty Frances Lloyd, Becky Roberson, and Carol Ann Hall, Tommy's sister.

MOJUD "MAGIC MOTION" STOCKINGS

CLING BETTER... WEAR LONGER!

IT'S A SIMPLE TEST, but so revealing! You put a glamorous Mojud on one leg... an ordinary stocking on the other... then bend your knees. You'll be able to feel the difference... the extra ease you get across the knee with Mojud's extra "give".

AND WHEN YOU STRAIGHTEN YOUR LEGS, you'll see the difference! Mojud's extra "spring-back" (it's right in the knit) means no bagging at the knee... no sagging... no wrinkles ever. Instead, you get the clinging fit that means longer wear, and more dazzling legs.

IN A WHOLE RANGE OF LOVELY NEW FASHION SHADES.

HERE'S LABORATORY PROOF! MORE "GIVE" AND "SPRING-BACK"! Independent laboratory tests proved that Mojuds have more "give" and "spring-back" than the 5 other leading brands tested. That's "Magic-Motion"!

Mrs. Clarence Guffee, program chairman, presented Miss Molly June French who sang, "I will pilot Thee," with Mrs. Clement McDonald at the piano.
 Mrs. Ralph Johnston, gifted speaker, reviewed the book "Silver Chalice." The book, written by a distinguished historian and past master of fiction, Thomas B. Costigan, is an exciting and inspirational story of the cup used by Christ at the Last Supper with His disciples.
 The book is a story of spectacular beauty, power and spiritual insight.
 Mrs. H. G. Barber is the teacher of the Friendship class and Mrs. Hollis Bond is the teacher of the Fidelis Matrons class of the Sunday school.

Birthday Cake and Gifts for Dorcas Class Teacher

The Dorcas class of the First Baptist church met in the church parlor Wednesday morning to quilt for Buckners Orphans home, and for a monthly business and social meeting.
 A covered dish luncheon was enjoyed at the noon hour together with a beautiful birthday cake.
 The class president, Mrs. C. W. Denison made and decorated the cake to honor the class teacher, Mrs. J. D. McBrien who has a birthday on October 16. The class presented Mrs. McBrien with beautiful pin and ear clips as an appreciation and birthday gift.
 One quilt was finished during the day. Other quilts are being planned by the class for the home.

Group leaders of the class are Mesdames Harry Stanley, E. J. Durham, W. O. McNeely, Sid Brown, W. U. Riggie, M. F. Dillard, J. C. Ginn and Mrs. L. G. Norrell.
 Members present at the meeting were Mesdames Clarence Goins, J. C. Ginn, Albert Mize, Sid Brown, Harry Stanley, Pearl Fagan, E. L. Angus, C. W. Denison, Carl Smith, J. V. Daniel, M. F. Dillard, W. U. Riggie, E. I. Durham, a guest, Mrs. Alice Richey of Springtown, and Mrs. McBrien.
 The next class meeting is to be held on November 11 in the church parlor.

Susannah Wesley Circle Meeting

The Susannah Wesley Circle of the First Methodist church met at the church Tuesday afternoon at 3:30 to continue the study of "The Life and Task of the Church around the world."
 Mrs. C. B. Lyles was leader of the study and Mrs. Will Snell gave the devotional. Mesdames Ernest Kendrick, Bud Sparks, Jack Lackey, L. P. Lewis and C. W. Jones told of different places around the world where offerings will go as a result of this study.
 From the study book Mrs. J. M. Wilson, sr., and Mrs. George Smith gave parts on unconquerable hope and the faith the world needs.
 Mrs. G. L. Bryant closed the meeting with dismissal prayer.

Demonstration on Meats at H. D. Club

Mrs. J. P. Moss was hostess to the members of the Home Builders home demonstration club in her home on Friday afternoon.
 Each member present answered roll call with "Why I like autumn."
 Mrs. D. T. Mayo gave an interesting talk on her recent trip to Galveston.
 Mrs. W. H. Bunch and Mrs. B. A. Robertson, meat leaders in the club, gave an interesting demonstration on making "Pig in Blankets," O'Hara sandwiches and luncheon meat roast, which were used as part of the refreshments served.
 After the program and demonstration, the club had a bake sale auction, which netted \$17.05. Mrs. W. R. Daniel acted as auctioneer.
 Present at the meeting were Mesdames L. L. Jones, Bob Bratton, H. W. Roberts, Floyd Fagua, W. R. Daniel, W. W. Trapp, D. T. Mayo, B. A. Robertson, W. H. Bunch and three visitors, Mrs. Tom Porter, Mrs. J. C. Veach and Mrs. O. H. Huckabee.
 The next meeting of the club will be with Mrs. B. A. Robertson on October 23 when officers for the year will be elected and Miss Petty will give a salad demonstration.

County-Wide 4-H Club has Election

The County wide 4-H club in its monthly business meeting Monday night elected officers for 1953-54, as follows:
 President Wilton Green, vice-president Marceleta Green, secretary, Jack Covington, reporter, Margaret Lovell, adult leaders, Mr. and Mrs. A. M. Dorsey.
 The club will have a Halloween party Tuesday, October 27 at 7:30 o'clock. A committee consisting of Bo Dean Pate, Nancy Smith and Kent Covington are in charge of securing a location for the party.
 Present at the meeting were Carolyn Williams, Margaret Lovell, Marceleta Green, Joane Johnson, Jack and Kent Covington, Mac Burnet Davis, Nancy Smith, Bo Dean and Neida Pate, Bobby Green, Norman Brints, David Mount and Bill Smith, and Miss Leila Petty, home demonstration agent for Floyd county, and Bill Rodgers, county agent.

Mr. and Mrs. John Casey of Novice, Coleman county, Texas are here visiting Mr. and Mrs. A. B. Blount and family. Mrs. Casey is a sister of Mrs. Blount.

A NOTE OF APPRECIATION

Words cannot express our gratitude to all our friends for every kindness shown during the loss of our loved one. Each prayer, each word, and each handshake will live always as a challenge to our lives.
The bountiful food was so appreciated and also the beautiful floral offerings. May God bless each of you is our prayer.

LIBRARY NEWS

(By Mrs. Rosita Hollar, Librarian)

The Floyd County library has had two memorial books presented in memory of Johnny Baxter. Mrs. Ross Henry gave an illustrated edition of "Great Expectations" to mark with a memorial plate. The John Reue family presented Catherine Marshall's "A Man called Peter."
Every week brings many interesting callers and bits of news to the library. Mrs. D. D. Shipley called and brought cake to the librarian, a bouquet of fall berries, and copies of the Floyd County Hesperian covering the war years. We enjoyed her interesting visit.
Story hour was conducted Saturday by Buena Holmes and D'Ann Witkowski, with Mrs. Ross Henry present as representative of the 1929 Study club. Stories and games filled the hour. Mrs. Lovell Jones brought refreshments for the fifty young citizens. This was, I think, the first time I had seen twins among those present. Kay and Gay Pruitt, daughters of Dr. and Mrs. J. G. Pruitt, came for the first time and none of us knew which was which.
The new recorder, furnished by the sponsors, interspersed with old favorites.
The library board meets Thursday, October 15 at the library. The report for the fiscal year will be discussed.
Wednesday and Saturday after-

noon are the two afternoons the librarian is in the Lockney branch during the fall.

Plans are being made for attending the fall meeting of library District One in Amarillo on Saturday, October 17. It is hoped that our library board can be represented.

The Reverend H. L. Anderson of Providence gave an interesting view on "What my County Library means to Me" via radio last Friday.

WOMACKS HAVE NEW SON
Mr. and Mrs. A. V. Womack, jr., are the parents of a son, born Friday, October 9, in Peoples hos-

pital.
The baby has been named Terry Joe. He tipped the scales at seven pounds and six ounces.
Grandparents are Mr. and Mrs. A. V. Womack, sr., and Mr. and Mrs. Jim Hicks, of Floydada.

COLVILLE HAVE NEW GRAND DAUGHTER IN WASHINGTON
Mr. and Mrs. J. D. Colville have received the news that they have a new granddaughter in Washington state. The parents are Mr. and Mrs. Robert B. Colville of Toppenish. The daughter was born there on October 6. She has

been named Ann Evonne.
The maternal grandparents are Mr. and Mrs. W. F. Smith of Duluth, Minnesota.
Columbia typewriter carbon, best yet. Hesperian.

Wanda Holcomb spent Saturday night with Margaret McClure.

Mr. and Mrs. Alton Stroud visited in Floydada with their daughter, Alta, who is in training at the People's hospital Sunday afternoon.

Mr. and Mrs. Hoyt McClure and Duane and Mr. and Mrs. Ronald McClure were Monday night supper guests of Mr. and Mrs. C. A. McClure.

Mr. and Mrs. Homer Newberry and daughters of Lakeview were Sunday dinner guests of Mr. and Mrs. M. J. Mosley. Mr. and Mrs. Walter Crawford of Crosbyton were afternoon visitors.

The young people of the church enjoyed a social hour at the parsonage after church Sunday night. Bro. and Mrs. Tom Moore and Ronnie were Sunday dinner guests of Bro. and Mrs. Watkins and children.

The home demonstration club will meet October 22 at the community house with Mrs. E. H. Brown and Aliene as hostess. This will be guest day and each member is asked to bring a guest. A nice program is being planned.

The community club met at the community house on Tuesday night, September 29. Officers were elected for the coming year. They are Holt Bishop, president; Brice Allen, vice-president; R. L. Surgin, secretary-treasurer; Mrs. Brice Allen, program chairman. The next meeting is already being planned and cards will be mailed to everyone later.

The home demonstration club met last Thursday with Mrs. Floyd Hill. Sixteen members and two visitors were present. The president, Mrs. Weldon McClure, was in charge of the meeting and officers were elected for the coming year. They are Mrs. S. G. Appling, president; Mrs. Dennis Taylor, vice-president; Mrs. Marvin Powell, secretary-treasurer; Mrs. Weldon McClure, reporter.

Mrs. Nancy Morckel met with us and give hints and ideas for xmas gifts. Also time savers in the home. Roll call was answered with 'how I can improve on being a better neighbor.' Articles made by the members were shown. Refreshments were served. Those present were Mesdames J. W. McClure, R. E. Spurgin, M. J. Mosley, Brice Allen, Dennis Taylor, C. E. Lamb, M. E. Powell, H. A. Powell, S. G. Appling, Wayne Appling, Henry Brewer, Millard Watson, John Fletcher, B. Wheelless, Rudolph McCurdy, Harry Morckel and Mrs. Buchanan.

Mrs. Dennis Taylor and Tom accompanied Mrs. Horace Cage and Mr. and Mrs. David Cage to Throckmorton Monday.

Chester Campbell is fishing at Sugar Lake this week. Lucille is staying with her mother in Lubbock.

A TRIBUTE TO OUR BOY SCOUTS!

When Lord Robert Baden-Powell, the Englishman, conceived the idea of the Boy Scouts and, later, our own American, Dan Beard, furthered and promoted the idea here, neither, we suspect, ever dreamed what world-wide fountains of Youth he was putting in action! Today the Boy Scouts are the flower of young manhood in every quarter of the globe. Their deeds are legion. Their clean, manly characters shine forth from their scrubbed faces and the trim uniforms they wear. How proud we fathers and mothers of Boy Scouts should be! Their merit badges are a symbol of sincerity, eagerness to serve and pride in their organization. God bless them all. They'll be leaders tomorrow!

Attendance Urged at Meeting Today

The committee of the 1929 study club views this afternoon's meeting at the district courtroom as having considerable import to the community and is urging general attendance of citizens. They anticipate a large crowd when the meeting is called to order at 2:30 o'clock.

Conditions in the area occupied by Negroes of the community, particularly sanitary conditions, will be up for discussion. Social conditions also will be considered.

County Judge Ralph C. Johnston, Mayor J. A. Patterson, School Superintendent I. T. Graves, District Attorney John B. Stapleton and others have been asked to take a part in the discussions, including representatives of the city and county health departments.

Mrs. E. E. Joiner is president of the study club. The committee from the club planning the meeting is composed of Mrs. Hollis Bond, Mrs. Ross C. Henry and Mrs. J. D. McBrien.

The meeting is scheduled to last one hour.

Frys Home From Life Convention

R. E. Fry, representative of Southwestern Life Insurance company here, together with Mrs. Fry, has just returned from the company's golden anniversary convention last month in San Francisco, California.

Mr. Fry earned the trip by his production of quality business during the past year which helped the company achieve a billion dollars of life insurance in force prior to the 50th anniversary of its organization.

The Frys made a side trip after the convention to Victoria and Vancouver, British Columbia, and returned by the way of Seattle, Salt Lake City and other points of interest.

FHS BAND NEWS

(by Karen Buchanan)

At the Ralls game Friday night, the band used several new formations. It was a good show, well done.

The chaperones to the game were Mr. and Mrs. Bill Darden and Mr. and Mrs. Sam A. Fowler. We are glad that the parents are co-operating so well with the band students.

The concession stand will again be opened at the game Friday night. The band is planning another show for tomorrow's halftime so everyone come to see it and to cheer the Whirlwinds to victory.

Cannery Operates Six Days a Week

The Floyd county cannery on East Mississippi street is a busy place these days.

Mrs. Robert F. Day, manager, and her assistant, Mrs. W. L. Hartline, are kept busy six days a week.

The cannery opens late at night. The closing hour is 5:30 in the afternoon, but it does not always close at that time.

Black eyed peas, tomatoes, sweet potatoes, assorted vegetables were in evidence in large quantities at the cannery on Tuesday afternoon and patrons were busy canning their produce.

CALLS FROM SAN DIEGO

Mr. and Mrs. Pike Hanna had the pleasure of hearing from their son, Pike Saturday evening, when he called from San Diego, California.

Pike has just returned to the states from a stretch in Japan and Korea, where he had been since February. He is on the USS Dixie and is hoping to be home in time for Christmas.

Pike has been in the navy over two years and has two more years to go.

TO UNDERGO SURGERY

W. H. Pope, 81, retired Floyd county farmer, who has been a patient in Plainview hospital since Friday, was due to have surgery this morning.

Mr. Pope has been suffering from a kidney ailment and the surgery is being used in hopes that the trouble will clear up.

Mr. and Mrs. C. M. Norris and son, Connie of Carlsbad, New Mexico, visited their parents, Mr. and Mrs. W. J. Wilks and Mrs. C. M. Norris, sr., over the week-end, also other relatives and friends.

Mrs. Alice Ritchey and mother, Mrs. Belle Henry of Springtown, are here visiting Mr. and Mrs. W. M. Sanders, and other relatives. Mrs. Henry and Mrs. Sanders are sisters.

OIL MEANS MUCH TO ALL IN TEXAS

We Have 'em in Every Texas School Room

Every day, each of the 152,000 oil and gas wells in Texas literally pumps dollars into the state's most important undertaking—education of our youth.

Texas oil and gas producers pay more than any other business or industry group to underwrite Texas' guarantee of a free public school education to every child.

Last year, the State of Texas aided the public schools with \$182 million. Taxes paid by oil and gas producers provided 46% of that amount. The largest part of the amount paid by the petroleum industry came from pro-

duction taxes levied at the rate of 4.6% of the gross value of oil produced and 5.7% of the gross value of gas produced. (In addition, public school education gets one-fourth of the retail tax on gasoline, one of the petroleum industry's chief products.)

On top of the financial aid through state taxes paid by the petroleum industry, the public schools are royalty-owner partners with the oil and gas operators. The operators, who lease school-owned lands, made payments in rentals, bonuses and royalties last year of \$17.3 millions for the Permanent School Fund, which now contains a total of \$129 million from petroleum operations.

VIEWS AND COMMENT

The Flea year in Floyd county must have been an interesting period, but if the old-timers have talked much of it we were not listening. Something about it (we can't find the page now) is in the Crosby county history written by Mrs. Spikes and her sister-in-law. Also the other day we heard one of the few remaining men who was a teen-ager at the time, refer to it. Fleas covered the face of the earth in the wet spring of 1894 after the drouth broke in the fall and winter of 1893. Where they came from or whence they departed the spring of 1895 it was never learned. They covered chickens so completely that the fowls died. They made life miserable for all and sundry. An out-doors man such as the freighters and cowboys slept (as much as they could sleep) in the raw. They spoke of the insect as the prairie flea, apparently different from the ordinary stick tight.

The frost date, not as important now to most cotton men as it appeared to be two weeks ago, but still interesting to those with feed that is getting into the dough stage, must be several days away. We guess this from the fact that the cycles of cold week-ends that began three weeks ago got upset last week-end by 48 hours or more and when the cold front did get to the area Sunday night it was a mild thing, hardly noticeable.

It seems probable that the present big drouth on the high plains will be broken up with rains or snow that should begin in November or December, and that the winter and spring should be cold, wet, windy, snowy, rainy. That was what happened to end the 1916-18 debacle when dry land yielded little for three years under a sky of brass. The drouth also probably ended that way in the fall and winter of 1893. The old-timers give it up that this spell is worse than the one in the early nineties that ran practically all of the people out of the country. The thing that brought them back in 1895 and 1896 was the "four section law", grass that was shoe-top deep and lakes full of water.

Cattle Price Supports. We live in an age of controlled economy and we must have price supports and controls of the cattle business, says the advocate of price supports, which, at first glance should be adopted on some basis or other to keep the cattle raiser in business. But the others, a good many quietly, look aghast at the idea. They'd rather take whatever the consequences rather than have government control of the cattle business. The drouth has accentuated a situation of over-production. If the government could move as quickly and quietly, and at as little expense, to get some relief hay to a badly hit segment of the nation's industry, namely the cattle business, as it has to make money

make more money, it would be a fine thing. Lacking that kind of a movement, we doubt that a controlled cattle business would make anybody happier in the long run.

Cotton Quotas Set. So say the headlines over the week-end. Production-wise the cut is a deep one. Secretary of Agriculture Benson says that 10 million bales will be all the cotton that is needed in another crop year. This is a cut of seven twenty-fourths from this year's crop. A scramble to salvage all the cotton acreage possible on every farm will feature the winter months, and how important a good cotton "history" on a farm unit! What will be done about the man who tried to raise cotton and couldn't get a crop to growing last year will be one of the problems to confront the PMA in every West Texas cotton-growing area. The possibilities were sensed weeks ago by the Floyd county committee, which will try to get something done about it.

Home mortgage money is going to come back into the market soon, according to report. For a time lenders for this type of loan got out of the business. This put a stop to home building, most all of which is done on credit and installment payments. The rate of interest will be higher. Money was made a little dearer some months ago to make the man's money bring him a return more in line with the inflated prices he was paying for commodities. From long practice government moves quietly and swiftly to take care of the price of money.

Teachers Increased Pay. Everybody in position to have something worth while to say about the teacher pay situation seems agreed that the teachers need more money. We are inclined to the belief that the teachers let their lobby go too far trying to push the legislators around. Often it pays to get hard in politics, the same as in other affairs, but this time it didn't. Sometimes trying to tell people what they have to do is a mistake. The teachers won their argument but not the raise—yet.

What Mr. Benson ran into up at the Wisconsin plowing contest gives the idea that many people in the north are displeased with what the department of agriculture is doing or not doing. A note in the run of the mine news said that several peace officers were present to preserve order. This news may have been distorted in the telling or it may be distorted, as to importance, in our own mind. You often get the wrong idea by having the wrong slant.

The Army's famous Lyster Bag for carrying drinking water in the field was devised in 1913 by Major William J. Lyster.

FFA Delegates In Kansas City

Dale Smith, son of Mr. and Mrs. G. W. Smith, and Alvin Battey, son of Mr. and Mrs. Wayne Battey, left Sunday for Kansas City, where they are representing the local Future Farmers of America chapter at the National FFA convention.

Mr. and Mrs. Battey took the boys to Amarillo where they joined other boys from the panhandle area and left Sunday afternoon in a special train for the convention city. The meeting opened Monday and the boys will arrive home Friday after spending the week at the convention.

The local chapter of the FFA will defray the expenses of the chosen delegates to the convention.

Eldon Portenberry and Harold Ford of the Lockney chapter of the FFA also made the trip, joining the special train of 30 boys from this area at Amarillo.

THE GREATEST
BUICK
IN 50 GREAT YEARS

No doubt about it—as thousands of prideful owners will tell you.

When you press the pedal of a 1953 Buick with Dynaflow, you *move*.

You move with instantly responsive getaway, with great quiet, with truly infinite smoothness. You move in this special and spirited and soul-satisfying manner because you're bossing *Twin-Turbine Dynaflow*—where two turbines, instead of one, now turn out the magic.

We can put pictures before you to show how TT Dynaflow delivers its sensational performance and flowing-oil smoothness. And we will, if you ask.

But surely you ought to take the wheel of a 1953 Buick with this big-thrill wonder drive and let your own sensations tell you how wonderful it is. You ought to try it for getaway, for cruising, for

suave deceleration—for the sheer and restful comfort it gives you every step of the way.

And, very definitely, you ought to try it for the power that goes with it...

For the highest horsepowers and compression ratios, Series for Series, ever placed in a Buick—including the power of the world's newest V8 engine in every SUPER and ROADMASTER.

Why not come in and try out this terrific performance team of Buick power and TT Dynaflow?

We're ready, willing and eager to show you what you've been missing—and how easy it is, price-wise, to have it. Can you drop in on us for a no-obligation sampling—this week?

Mrs. Richard E. Jackson
OF 2510 37th, LUBBOCK, TEXAS, LIKES
ELECTRIC COOKING!

Mrs. Jackson finds electric top-of-range cooking cool and clean. All the heat goes into the food to be cooked—none spills over to heat up the kitchen.

She likes the even baking and economy of electric oven-baked cookies and other pastries, pies and meats. Meat shrinkage is at minimum with electric baking.

Too, she likes the easy method of preparing timely meals. Before going out, Mrs. Jackson sets oven controls—meals cook electrically while she's gone.

She says—

"Some of the outstanding features I like about electric cooking are the cleanliness and the coolness of my kitchen, the easy method of preparing timely meals, the even baking and economy. For my family of four, it costs only a few cents a day to prepare the meals."

Plan Is Well Founded, Says Men in Service of Cotton Control Plan

George Mahon

Many cotton farmers are concerned over the effect of the cotton control program which is being put into effect this year. Mahon has a following statement in the county newspaper:

"The concern over the effect of the anticipated cotton control program is not new. The principal difficulty is the question of how the allotments should be made. It is true that cotton acreage in 1953 will not be considered in arriving at allotments for 1954 but the year 1953 will be taken into account fully in following years and the matter of the greatest importance. If we have an acreage control program in 1954, the county allotments will be based upon the previous three year period, excluding 1953.

"I am advised that the county information on hand in regard to the facts of the situation and I have again addressed a further appeal to PMA officials in Washington and College Station, urging that the true facts be ascertained and taken into consideration in any future control programs. I have pointed out that several hundred thousand acres of cotton land are involved in this problem and the welfare of thousands of cotton farmers.

"Recently I have suggested to county officials of the PMA that if possible they take the initiative in certifying to the State Office a figure which includes actual cotton acreage plus acreage which would have been planted except for abnormal weather conditions."

allotments could be made. Likewise it is important that the effect of the drought be considered for the previous dry years included in the base period.

I am advised that the county information on hand in regard to the facts of the situation and I have again addressed a further appeal to PMA officials in Washington and College Station, urging that the true facts be ascertained and taken into consideration in any future control programs. I have pointed out that several hundred thousand acres of cotton land are involved in this problem and the welfare of thousands of cotton farmers.

Recently I have suggested to county officials of the PMA that if possible they take the initiative in certifying to the State Office a figure which includes actual cotton acreage plus acreage which would have been planted except for abnormal weather conditions."

Congratulations

Mr. and Mrs. Gene Webb, parents of a baby daughter, born October 3, in Peoples hospital. The baby named Rebecca Lee, weighed six pounds and 19 ounces. Paternal grandparents are Mr. and Mrs. Floyd Webb Floydada, the maternal grandparents Mr. and Mrs. Grady Freeman, Dougherty.

Mr. and Mrs. Bob Bratton have a daughter, named Vicky Jean. The baby was born in Lubbock Memorial hospital Saturday, October 10. She weighed seven pounds and 14 ounces. Paternal grandparents are Mrs. Robbie Bratton of Lockney and A. N. Bratton of Reno, Nevada, and the maternal grandparents are Mr. and Mrs. Odie Huckabay of Hico, Texas.

SURGERY AT TEMPLE

I. C. Kirk, who has been ill for several months, had major surgery at Scott & White hospital in Temple on last Thursday.

Relatives here received word from Mrs. Kirk, who is with her husband, stating that the operation was satisfactory.

Mr. Kirk is a brother of W. A. Kirk and a cousin of Mrs. W. S. Goen and Ohmer Kirk, all of Floydada.

Among the Floydada folks attending the big Texas-Oklahoma game in Dallas on Saturday were Mr. and Mrs. Kenneth Rimmer and children; Mr. and Mrs. Grady Walker and sons, Larry Glassmoyer, Joe Arwine, Brian Collins, and Mr. and Mrs. Richard Stovall and sons, Franklin Stovall, student at Texas University joined his parents in Dallas.

KEYS MADE CORPORAL

WITH THE KOREAN MILITARY ADVISORY GROUP — Clinton L. Keys, 23, whose wife, Mary Lou lives in Floydada, Texas, recently was promoted to corporal while serving with the Korean military advisory group.

The group consists of U. S. personnel who advise the South Korean army in training and in the field. KMAC played an important role in the successful and rapid rebuilding and recitalization of the ROK Army.

Keys, in Korea five months, entered the army last December. He is the son of Mrs. Gertie Robinson, 806 N. Arkansas, Shamrock.

DUTY AT KINGSVILLE

KINGSVILLE, Texas. (PHINC) — It's duty at the U. S. Naval auxiliary air station here for Jack D. Adams, aviation mechanic's mate second class, USN, son of Mr. and Mrs. Willis A. Adams of Lockney, Texas.

Adams attended Lockney high school before enlisting in the navy.

The "home of naval air jet training" is located a few miles inland from the Gulf of Mexico on the southeastern coast.

Training is also given here in Grumman Bearcat and Hellcat fighters and Avenger torpedo bombers.

MEN'S DORM PRESIDENT

PORTALES, N. M. — Dennis Wilks, Floydada, Texas, was recently elected president of South Hall for men, one of the dormitories on the Eastern New Mexico university campus.

F. C. Dale Griffin has returned to his station at San Diego, California, after a weeks visit here with his parents, Mr. and Mrs. Ed Griffin.

Comptroller Okays Demonstrate Use Of Canned Meats

LOCKNEY — The comptroller of the currency has approved an increase in capital structure of First National bank of Lockney in the amount of \$50,000. The stock has been sold and the increase was effective October 5, M. W. Wiley president, of the bank said this week.

The capital structure now stands as follows: capital stock \$100,000; surplus \$100,000.

The local bank made application for the increase in August with the plan of raising the capital by selling 250 shares of stock at \$200 per share. The stock was bought by present shareholders of the bank.

TINY SWITCHBOARD

CAMP GORDON, Ga. — Army switchboards now are hip pocket size.

Designed for paratroopers, they weigh two and one-quarter pound, they can set up a telephone system in a few minutes with the tiny six-line switchboard.

The hip pocket switchboard is one of many different sizes used to train operators in the Army Signal Corps' Replacement Training Center here.

Come in today!

LET US SHOW YOU EXACTLY WHY IT PAYS TO SWITCH TO MERCURY

DISCOVER YOUR SAVINGS ON ORIGINAL COST

You get more money for your present car. Mercury's soaring popularity lets us operate at a higher volume, lower profit per deal. We can afford to give far-better-than-average trade-in allowances.

You get more new car for your money. Mercury prices start below some models of "low-priced" cars. Yet you get luxury features unmatched in cars costing far more than Mercury! You even save on optional power features—up to 22% on power steering! And only Mercury in its class offers you a 4-way power seat that adjusts up and down as well as back and forth.

SEE HOW YOU SAVE ON OPERATING COST

You save by the mile. Compare Mercury's past 4-year record for economy (with overdrive) in official tests. (We'll be glad to show you the figures.) You'll discover that no other car can match its consistent record. You save by the gallon. You can use regular gasoline. You save by the year. Mercury's stamina cuts maintenance to a rock-bottom low. (91% of all Mercurys ever built for use in this country are still on the road!)

COMPARE FUTURE SAVINGS ON TRADE-IN VALUE

Mercury consistently tops its class for trade-in value. (We have authoritative market reports that prove it.) The reason? People recognize extra value. They know that Mercury's years-ahead styling will protect their investment best by staying newer-looking longer. They know that Mercury's performance is proven V-8 performance—for Mercury is the only car that has always used V-8 engines exclusively.

Why not stop around at our showroom, or phone us, today? Let us show you exactly—with figures, features, and at the wheel—why it will pay you to make your next car a Mercury.

BEST TIME EVER TO BUY A

MERCURY

You can get immediate delivery on Mercurys with MERC-O-MATIC—the smoothest no-shift drive.

Don't miss the big television hit "TOAST OF THE TOWN" with Ed Sullivan, Sunday evening 7:00 to 8:00. Station KDUB, Channel 18.

Sing Prairies Praises
by Fay Wilson

Oh, how richly God has blessed us,
And how beautifully fed!
How wise has been His counsel,
And how right the way He led!
Though our footsteps were unsteady
And our courage sometimes paled,
He was always there to help us
When our mortal efforts failed.
May our lips now sing His praises—
Our deep gratitude to voice—
For His never-ending blessings,
All ye lands, be glad, rejoice.

Somehow last week there was not time for me to write this column. Still I thought of the many who have told me they always missed it when it was not in the paper. Housecleaning, canning and visiting took toll of my time. Wednesday afternoon we went to Floydada to see my dear cousin, Mrs. Clea Harris of El Paso who was visiting her friends, the Paul Dennisons. How we clattered and reviewed the days of yesterday. Crowding years of not seeing one another into the space of a couple of hours.

Looking back the years of long ago seem so peaceful and happy. Even the bad days are forgotten and only the good recalled. We wonder why the cares and worries of those days were hard to bear. The days of now press in with atomic bombs and world wars, of drouth and of crime. But old newspapers will remind us that the weapons of war were just as frightening, the wars just as horrible and sad, drouths came and crimes were committed. God gives us strength for the day and we must keep on and as the old song says, "Brighten the corner where you are."

Looking around our place, I find the rose bushes have made a wonderful growth in spite of the hard summer, the two foot Arizona cypress we put out only last summer are high as a six foot man. I have saved all the shrubs, the nandinas have put out much red and green growth. The chrysanthemums are showing their color. It is time to plant rows of gay tulips, fragrant lilies and orchid-like iris. Always preparing for the next year, the gardener finds life most interesting and thrilling.

Our next door neighbor at Floydada stayed with us the other night while Dorothy, A. C. and their pretty daughter, Gloria went to the football game. We kept the Carthel's baby, but she slept and

As I began this column with a poem of praise to God, I will close with another.

Harmony News --

(by Mrs. Mather Carr)

HARMONY, October 12 — Mr. and Mrs. Harvey Edwards and Mrs. Whitworth of Sweetwater were guests in the Bill Edwards home. Harvey Edwards is a brother and Mrs. Whitworth is a sister of Bill Edwards.

The W.S.C.S. met Tuesday evening with Mrs. Sherwood Ramsey as hostess. Mrs. Ramsey also had charge of the program having several helping her. There were six members and two guests present. The guests were Mrs. Bill Finkner and Mrs. Bill Rankin of near Petersburg. They were also on the program.

The choral practice met Tuesday at the center. Woodie Coleman is the leader.

Club met Thursday at the club room with Mrs. Don Finkner as hostess. The president, Mrs. Carriek Snodgrass led the business session. Roll call was answered by "Why I like Autumn." Table setting for fall, education and expansion, and demonstration using canned meats were given by meat leaders, Mrs. Don Finkner and Mrs. Glenn Pool. Recreation was directed by Mrs. J. R. Turner. There were thirteen members and one guest, Mrs. Billy Latham and children.

Everett Miller had the misfortune of getting his middle finger on his left hand crushed above the second joint while crushing feed last week. He was taken to a Lubbock hospital and is doing fine at the present.

Miss Anna Carr of Petersburg spent the week-end in the home of her brother and family, Mather Carr. She also attended the wedding of Miss Iva Elmore Smith and William Payne at Carr's chapel church.

The revival meeting closed Sunday night which had lasted for ten days. This was a good meeting with Rev. F. R. Pickens doing the preaching.

The Bible Wesleyan class had their birthday dinner in the E. W. Turner home with the Turners as hosts. Those who attended were Rev. F. R. Pickens, Rev. and Mrs. Krebs and three children, Mr. and Mrs. Coleman and three daughters of Petersburg, Mr. and Mrs. M. D. Ramsey, Mrs. Cox, Mr. and Mrs. Loyce Turner, Miss Anna Carr of Petersburg and Mr. and Mrs. Mather Carr and son, Horace.

Robert Krebs was a guest of Tommy Smith, Sunday.

Charles Krebs was a guest in the J. B. Shannon home Sunday. Mr. and Mrs. Wesley Cobb of Petersburg and a sister of Mrs. Cobb from Tuttle, Oklahoma, Mr. and Mrs. Woodie Coleman and daughters of Petersburg attended services at the chapel Sunday.

Mr. and Mrs. Bill Tucker and children and Lajuana Sue Williams were dinner guests Sunday in the home of Mrs. Tucker's parents, Mr. and Mrs. Emmett Foster of the Allmon community.

Mr. and Mrs. L. O. Pierce and children of Lubbock and Mr. and Mrs. George Worsham of Lockney

were guests Sunday evening in the E. W. Turner home.

Mr. and Mrs. Mather Carr and son, Horace, and Miss Anna Carr of Petersburg visited Mrs. Della Carr at Floydada Sunday afternoon.

Rev. Pickens, Rev. Krebs and family were supper guests Sunday night in the Wesley Carr home.

Mr. and Mrs. Wes Carpenter attended church at the chapel Sunday night. Also attending were Mr. and Mrs. Rhodes and daughter, Freida, of near Petersburg, Mr. and Mrs. Charlie Ellerd and children also from near Petersburg and Mr. and Mrs. Cub Parish of Cone. Brother Coleman led the singing.

Mr. and Mrs. John Ammon and children of Roby, Texas, spent the week-end in the home of Mrs. Ammon's uncle and wife, Mr. and Mrs. Bill Edwards.

Approximately 100,000 Army men served as instructors for the National Guard, the Reserve Officers Training Corps, the Organized Reserve Corps, and men in the replacement training centers and service schools during the past year.

Slightly more than eight per cent of the 1,500,000 (M) men and women in the Army are officers. This figure does not include female medical officers or warrant officers.

The Army publishes two daily newspapers — a Far East and a European edition of the Stars and Stripes.

More than 224,000 men were trained by the Army during the past year. This compares with a total of 157,000 for the previous year.

Most-liked low-priced car

... among people who want more for their money when they buy ... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

... more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hulltight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conven-

tional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering ... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See ... Value Check ... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

FORD

Ford's V-8 is the same type of engine powering America's finest land coaches and cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

FOR LIVESTOCK
Many cattle in-
d and immunizations
must feel like a
treat taking medical
needs—a test that
the scientists have
developed specifi-
cally for sheep or
cattle. The test is
very useful for
determining whether
the young animals
are free of disease
and the feeder
stock of hogs,
steers or hogs,
is affected.
The test is a
laboratory
test which is
performed by
a veterinarian
and is generally
done on a
small scale. It
employs a
special test
which has
been developed
by the medical
profession.

Animals such as hogs

The Greatest Gasoline Development in 31 Years

New Conoco Super Gasoline

with TCP*

Start the "TWO-TANK TEST" today!

Conoco Super Gasoline with TCP has been rightfully
called the greatest advance in motor fuels since the
introduction of tetraethyl lead in 1922. For here, at
last, is a gasoline so dramatically different that the
average motorist can feel the improvement in his car
after just two tankfuls. Yes, after your second tan-
kful, chances are you will know why we say Conoco
Super with TCP will:

- Boost power as much as 15%!*
- Increase spark-plug life up to 150%!*
- Give you extra gas mileage!

For Conoco Super is a new kind of gasoline—a gaso-
line especially developed to correct the greatest
single cause of power loss affecting most of the cars
on the road today.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build
up on spark plugs and in the combustion chambers.
These deposits can "cheat" you of power two ways.
First, they short-circuit spark plugs—causing them
to mis-fire. Second, deposits in the combustion
chambers cause fuel to ignite before it should. This
is called pre-ignition or "wild ping." The combined

effect of mis-firing and pre-ignition is loss of power,
lack of "pep" and wasted gas.

How Conoco Super with TCP works

TCP is a special chemical additive which is added to
Conoco Super Gasoline. It was specifically devel-
oped to overcome the loss of power and fuel caused
by combustion deposits. TCP neutralizes harmful de-
posits on spark plugs—your plugs spark as they
should. It prevents deposits in the combustion
chambers from causing pre-ignition—"wild ping" is
controlled. Thus, every time you fill up with new
Conoco Super, it's like getting your spark plugs
cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compres-
sion engine, you need Conoco Super Gasoline to
keep your car delivering all the power that was built
into it. If you drive an older car, with tens of thou-
sands of miles on the speedometer, Conoco Super
can restore much of the "new car" performance and
power you've been missing.

Start your "TWO-TANK TEST" today

When your gasoline tank is one-
quarter full or less, fill it with Conoco
Super with TCP. Now, there will still
be some ordinary gasoline mixed in
with your Conoco Super. So make
sure your next tankful is Conoco Super, too. So
rapidly does Conoco Super work, that with this
second tankful, chances are you'll feel as if your
engine has had a tune-up. You'll feel a boost in
power. Try it today. We're sure you'll stay with
Conoco Super.
