

Top District Game Here Friday Night

For the third week in a row the Floydada Whirlwinds will be playing in what is considered the top game of district 5A.

Spur and Floydada are sporting the only unblemished season records in the district, and of course one of them will have to fall Friday night.

Coaches Sam Hawkes and Billy Hahn of the Bulldogs are well known by Floydada fans and players for their fine teams and for the rugged competition they have offered in past years.

11 Returning Lettermen This year the Bulldogs started with 11 returning lettermen, having lost eight of the A squad to graduation last spring.

Spur runs from a split T formation and are reported to have a wealth of backfield material with experience but have had to work in a lot of new men at line positions.

The Bulldogs backfield is led by Curtis Blair a 140-pound quarterback and Tom Hightower a 170-pound fullback.

Coaches Preston Watson and Jack Meredith have brought their Whirlwinds through seven victories this fall.

Crucial District Contest Against common foes, Crosbyton, Ralls and Slaton, the Bulldogs have scored 96 while allowing 19 and Floydada has counted 62 to the oppositions 25.

School officials are planning for one of the largest crowds of the year if the weather permits, and even if it don't there will be plenty of the football faithful on hand for the contest.

Admission tickets are on sale at the downtown drugstores and are priced at \$1 for adults and 25c for students.

Bands of the two schools will add to the color of the contest with DOLLAR DAY MONDAY

Cool, crisp bargain offers that go hand in hand with cool, crisp fall weather are due to make the bargain day a feature event.

Wednesday's Markets

Table with market prices for various goods like Colored Hens, Butterfat, Eggs, Wheat, Milo, etc.

Monday is Dollar Day in Floydada.

Rev. Ralph A. Garcia, pastor of the Mexican Methodist church in Lubbock, will open a series of Saturday afternoon religious services for Spanish Americans in Floydada on November 7.

Hallow'een Party

A "real crazy affair" is being planned for Hallow'een by a committee of the student council of Floydada high school.

The party, sponsored by the student council, will begin at 7:30 o'clock Saturday evening.

Membership Workers Dinner Opens Concert Drive Monday

To assure the appearance of world famous concert artists in a series of concerts in Floydada this winter the Floydada Community Concert association opens its fourth annual membership campaign on Monday.

Bob Stafford, representative of Community Concerts, Inc., of New York will be in Floydada for the week directing the campaign through the local association.

The campaign gets under way on Monday with a membership workers dinner at the V.P.W. hall.

At the dinner Stafford will be introduced to the workers and he will explain the association's plans and points on making the membership week a success.

representatives from Matador, Ralls, Petersburg and other Caprock community towns are expected to attend the dinner.

Each worker will receive a list of prospective association members as well as names for the renewal of memberships.

Last year's membership totaled 450 with members living in Floyd county, Matador, Roarong Springs, Silverton and Petersburg.

This year the association hopes to contact more members in Crosbyton and Ralls.

Adult members are set at \$6.00 and student memberships are \$3.00.

Membership headquarters will be the Floydada Chamber of Commerce office.

In announcing the memberships week president Bill Tanner pointed out that the Floydada community Concert association presents its concerts to only members of the association.

CAROTHERS' CIVIL RIGHTS SUIT AGAINST SHERIFF IS DISMISSED

The civil suit of J. H. Carothers, Lockney service station and courts operator, against Sheriff Earl Cooper of Floyd county, was dismissed in federal district court for the northern district at Lubbock last week.

The judge sustained the contention of the sheriff's attorney, John B. Stapleton, that "the petition failed to sufficiently state any wrongful act by the sheriff under color of his office against this plaintiff violating his constitutional rights within the sense of the Civil Rights law."

The new owners of the 100-foot block which changed hands last week are sons and daughters of Solon Clements, of Plainview, who has extensive land holdings in the county.

Shooting Accidents Claim More Victims Than 10 Dread Diseases

AUSTIN, Texas — Note to hunters: Deer season opens November 16. That gives you eighteen days to resolve to take it easy this year with the 30-30 or the shotgun.

State Health Officer Geo. W. Cox checked statistical tables today and announced that shooting accidents had claimed the lives of 187 people last year.

W. L. Fry Closes Cleaning Plant After more than 30 years as a tailor in Floydada, W. L. Fry has sold his cleaning and pressing equipment and is quitting the business.

Claim Not Sustained

The charge that said defendant misused his office to coerce Mason is not a claim of anything done directly against this plaintiff.

The statute under which Carothers attempted to bring his suit reads: "Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any state or territory, subjects, or causes to be subjected, any citizen of the United States or any person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress."

Carothers claimed that he had been deprived of liberty without due process of law, the 14th amendment (Civil War amendment) providing that "nor shall any State deprive any person of life, liberty, or property, without due process of law."

Oil Tests

R. L. Nichols No. 1, Burdell Oil Company, at Lakeview, was drilling in dolomite and anhydrite Wednesday morning at 4220 feet.

Drilling contractor R. S. Wiggins said eight and 5-eighths inch casing was set at 4290 feet Thursday night last.

Wiggins said he understood the formation was running about 35 feet high from the Adams discovery, of which the Nichols is an offset.

Massie No. 1 Drilling The J. M. Massie No. 1, four miles north of Floydada, yesterday morning lacked about 100 feet of being at the 10 thousand foot level, according to unofficial reports, and was drilling away. The test is said to be on a day to day basis at this time.

Rainfall that measured from 3.70 at Floydada to an amount in excess of 5 inches in southeast Floyd county, last week brought ample moisture for all present needs to Floyd county and all surrounding counties, and put an effective end to all talk of drouth.

As a result of the rain beginning Tuesday night of last week, all cotton harvest came to a halt and is only being resumed this mid-week in an occasional field.

The damage to cotton open in the fields was yet to be appraised yesterday. Much depends on the kind of weather that follows. Whether cotton men will have patience to wait for the staple to dry out also will have a bearing on the grade. Estimates of the damage run from \$2.50 per bale to \$30.

Where wheat fields by the thousands of acres had been dry planted, or had come up to a stand from previous showers, there was much elation as favorable conditions became apparent for the crop to go into the winter. In several fields the wheat is ready for grazing when the ground dries up sufficiently.

Frost Doesn't Bite Although there was frost evident on house tops, automobiles and on the ground in Floydada Tuesday morning, it became apparent up in the day that a frost biting enough to defoliate cotton and nip tender plants still is in the offing.

This mid-week farm work of all kinds is predicted to get back into high gear shortly. On range land the penetration of the moisture had gone past the 15-inch mark yesterday morning with indications it would reach to 20 inches or two feet in instances.

The Floyd county unit of the Texas State Teachers association met in the county superintendents office October 22, 1953, for the purpose of organizing and making plans for the coming year.

Program committee — Mrs. W. C. Irons, Miss Ann Swepston; Public relations chairman — A. W. Coltharp; Legislative chairman — E. A. Baker;

Membership chairman — Clarence Guffee; Canvassing committee — Weldon Dodson, E. A. Baker, A. D. Fultz; Local county unit nomination committee — E. A. Baker, W. A. Reeves, Weldon Dodson.

It was decided that a teachers banquet would be held at 7:00 p.m., December 3, in the high school cafeteria at Floydada. The teachers, their wives or husbands are invited. An interesting program is planned following the banquet.

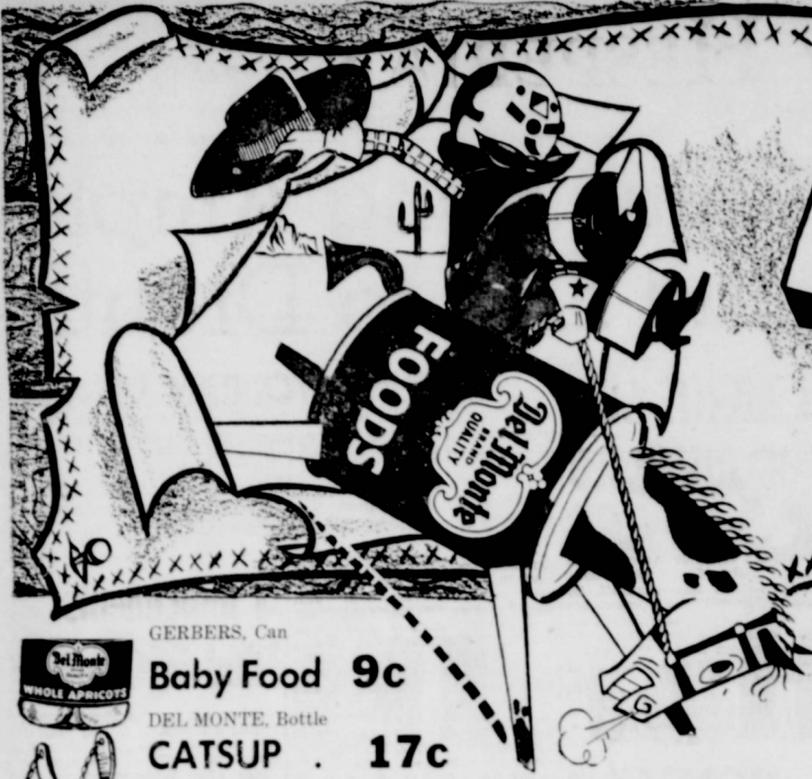

Highway 70 Assn Will Be Formed All highway 70 business men will be guests of the Floydada Junior Chamber of Commerce on Tuesday, November 10, to organize a highway 70 association for Floydada.

Bob Hoffman, recently elected president of the Texas Highway 70 association of Vernon, and national manager John A. Killough, of Vernon, will speak to the business men at the dinner. They will be in Floydada at the invitation of Farnell Powell who is the Floydada director of the Texas Highway 70 association.

The Jaycees will also make the November 10th meeting with the Highway association at the American Legion hall their regular Tuesday meeting for that week. A round fifty Highway 70 guests are expected to attend the dinner.

Miss Norma Self, popular senior of Floydada high school, was elected sweetheart of the Future Farmers of America last week, with Miss Pat Heims, sophomore, as runner up.

South Plains News

(by Mrs. Murray Julian)

**SOUTH PLAINS, October 27** — Rain started falling in our community on last Tuesday night, and about one and a half inches were registered then. Later in the week the rainfall was over three inches and most of our area received over four and a half inches. All field operations have been stopped and it will be Tuesday afternoon before many cotton pullers will be back in the fields.

Rev. C. A. Joiner and Rev. W. S. Spearman went to Lubbock on Monday afternoon so that Rev. Joiner could have a check up at Dr. Fields. They returned home later in the evening.

We are glad to report that Ray Horn of Lubbock who has been very ill in a Lubbock hospital, is better. He was to have gone home on Friday. Mr. and Mrs. G. F. Weast visited him in Lubbock on Wednesday. Mrs. E. E. Joiner went to see them on Thursday afternoon with her parents, Mr. and Mrs. G. W. Brumley of Hereford.

Mr. and Mrs. P. L. Vanek and children of Lockney were visitors in the home of Mr. and Mrs. E. P. Pritchett and family on last Friday afternoon.

Mrs. Bradford Beedy came on Friday to visit over the week-end with Mr. and Mrs. Bill Beedy and Eugene. She was a church visitor Sunday morning, and left that afternoon for Lubbock. She then went to her parents home in Stratford, Wednesday of this coming week she will go to Ft. Leonard Wood, Missouri, accompanied by Mrs. Bill Beedy, and they will spend the week-end with Bradford, who is stationed there. Mrs. Bill Beedy will return the first part of the week but Dolores will stay with Bradford while he is in Missouri.

Mrs. Murray Julian and Kendis enjoyed being on the radio during Mrs. Alma Holmes Homemaker program on Thursday morning of last week.

On Friday of last week Mr. and Mrs. George Weast took his parents, Mr. and Mrs. P. L. Weast of Garden City, Kansas as far as Amarillo. They all spent the night with Mr. and Mrs. E. T. Evans and Saturday the P. L. Weasts returned to their home in Kansas.

After the first six weeks of school at South Plains, pupils who made the honor roll in J. B. Thames room were Wanda Haggard in the 7th grade, who made the "A" honor roll. In the "B" or "above" honor roll were Eddie Parks in the 6th grade. In Mrs. O. T. Hewitt's room the "A" honor roll had the following pupils: Nathan Mulder, Gregory Lloyd, Diane Edmonds, Marilyn Kinnibrugh, Ray Taylor and Jane Bond. In the "B" honor roll were Sue Edmonds, Yvonne Karr, Sue and Gary Wilson, Bruce Julian, Jimmy Pritchett, Dale West, Dwight Teeple, Jimmy Upton, Patricia Thornton, Beth Calahan, Joe Rex Thames and Donnie Higginbottom.

Mr. and Mrs. Gene Edmonds and children left last Thursday for Brian and Cameron, Texas, where they were called by the illness of his mother. They were also going to see her mother, Mrs. Robinson, who is ill at Brian. They will be there for some time while Mrs. Edmonds is so bad.

Mrs. Don Shurbet spent last week with her sister, Mrs. Ted Pitts and family in Lubbock. She received word that her husband Don is now stationed in Germany. He is in the military police. He wrote that the army barracks there were more like a big hotel and the country was beautiful.

The Masquerade Hallowe'en festival will be held at the school house on Saturday, October 31, at 7:00 in the evening. There will be entertainment for all and prizes will be given for the best costumes for adults and children. There will be a spook room, fortune telling booth, bazaar room and other games.

Rev. W. S. Spearman arrived home Friday morning from San Antonio where he attended the Baptist State convention last week. Rev. R. O. Sheaffer came home with him and on Friday afternoon he and Mrs. Sheaffer and baby son left for their home in Kirksland. She had spent the first part of the week with Mrs. Spearman while the ministers were away.

Mr. and Mrs. Frank McClure came home Saturday from Snyder where they had been visiting her mother. On Sunday evening they went to Crosbyton to spend the night with Mr. and Mrs. Don McClure and daughter. On Monday they went to Lubbock on a business trip, going to the hospital for a check up for Mrs. Don McClure, who is suffering a throat ailment.

Dinner guests in the home of Mr. and Mrs. George Weast Tuesday noon were his parents, Mr. and Mrs. F. L. Weast from Garden City, Kansas, Mr. and Mrs. T. H. Davis and Mr. and Mrs. Dock McGavoc from near Silverton.

## Mrs. Tye Elected Club President

The Sunnyside home demonstration club met October 16 with Mrs. Claud Price as hostess.

During the business session, when Mrs. D. W. Burke presided, new officers for the year were elected.

Elected to office were Mrs. W. O. Tye, president, Mrs. C. W. Denison, vice-president, Mrs. Herschel Hammonds, secretary - treasurer, Mrs. Ernest Kendrick, reporter and Mrs. S. J. Latta, Council delegate.

The club reported \$15.00 in subscriptions were received for Holland's magazine.

Mrs. D. W. Burke, who made the trip to Galveston to the state meeting of the THDA, gave an interesting report on the meeting.

The subject of the program for the day was "Short Stories" and each member answered roll call with a short story. The club discovered several good "story tellers."

The guest speaker for the day was Miss Sammie Copeland, who gave "The String."

The hostesses served spiced tea and pumpkin pie to two visitors, Miss Copeland and Miss Alma Dean Crump and the following members: Mmes. R. B. Calhoun, W. C. Sims, Herschel Hammonds, D. W. Burke, W. O. Tye, Sam Thurman, C. W. Denison, Charlie Probasco, S. J. Latta and Mrs. W. A. Lovell.

## HOME FROM CONVENTION

Mrs. Lon Smith returned Friday from San Antonio, where she attended the State Baptist convention, Monday thru Wednesday. Mrs. Smith appeared on the program at the three-day meeting, expressing to the convention body's appreciation to the San Antonio Baptists for their hospitality and courtesies.

Mrs. Smith visited with a friend, Mrs. Hallie Cowden Day, a few days after the convention adjourned.

Other representatives of the Floydada church at the convention were Dr. R. Earl Allen, the pastor, and Mrs. W. B. Jordan.

Lack of South Koreans trained in medicine is the greatest single factor hampering a successful health program in Korea.

MISS WILMA DYER will be wed November 11 at Carlsbad, New Mexico, to Melvin N. Kartchner.

## Wilma Dyer Will Be Wed November 11 at Carlsbad

Mr. W. M. Dyer announces the engagement and approaching marriage of his daughter, Wilma, to Melvin N. Kartchner, son of Mr. and Mrs. Jack Kartchner, 1501 Grant St., Carlsbad, N. M. The wedding will take place in the home of Mr. and Mrs. Kartchner on November 11.

The bride-elect is a graduate of Floydada high school and before moving to Carlsbad in April of 1953, was employed as junior clerk for the Texas Highway department. She now makes her home with her sister, Mrs. Thomas G. Rucker and family at 714 W. Vermont Ave., Carlsbad, New Mexico, and is employed at present by the Carlsbad City and Water department.

Mr. Kartchner is a graduate of Carlsbad high school and is employed by the International Minerals and Chemical corporation after serving two years with the army.

## SAND HILL 4-H CLUB

The Sand Hill 4-H club met on Tuesday, October 27. Everyone joined in singing "America."

Miss Petty gave the group some material on "How's your Harmony." After a picture show in family harmony, the meeting was adjourned with the 4-H prayer.

The U. S. Army estimates that fewer than 800 doctors are in private practice in the entire Republic of Korea which has a population of approximately 21,500,000 (M).

## Moore's Observe Golden Wedding Day Next Sunday

Mr. and Mrs. John W. Moore of Pampa, will celebrate their golden wedding anniversary the first Sunday in November at the Cone Methodist church.

The reception will be held in the Methodist parsonage and a program of special music and singing will be held in the church from two to five p.m. in honor of the couple.

Mr. and Mrs. Moore are former residents and invite their friends and acquaintances to the affair. Rev. Horace G. Krebs, pastor of the church will be in charge of the program. Singers in the area are invited to be present. The family will attend the morning worship at the Cone church, where for years they were active members.

John W. Moore and Miss Virgie Assiter were married Sunday, November 1, 1903. They lived in this area for more than 40 years before moving to Pampa.

The Moores have three sons, Zora Moore of Dallas, Everett Moore of Seminole and Marion Moore of Amarillo; three daughters, Mrs. Bessie Jonas of Pampa, Mrs. Corinne Thompson of St. Jo Texas, and Mrs. Thula McCarroll of Pampa. There are eleven grandchildren. All plan to attend the Cone celebration.

## Coffee for Wesley Girls Wednesday

Mrs. J. M. Willson, Mrs. G. R. May and Mrs. Wilson Kimble were hostesses Wednesday morning of last week at a 9:30 coffee for members and visitors of the Wesley Girls Sunday school class.

The coffee, held at the Willson home, featured an auction sale during the course of an enjoyable get-together. Rev. Tilden B. Armstrong was pressed into service as the auctioneer of packages.

Mrs. A. B. Davis, of Lubbock, Mrs. H. F. Koenen, Mrs. Jimmy Willson and Mr. and Mrs. Armstrong were guests, along with the following members:

Mmes. W. G. Collins, D. T. Mayo, S. W. Ross, W. H. Henderson, Ed Johnson, Will Latta, J. G. Wood, W. O. Tye, Belle Henry, J. B. Turner, J. D. O'ville, C. J. Parr, W. H. Korea has an estimated 42,000 lepers of whom 15,919 are reported to be in 17 leproseries which the U. S. Army helped to establish. During the Korean war, the Army also set up special homes for children of leprosy patients.

## Hallowe'en Parties

The Sand Hill community will have a Hallowe'en party at the school house tonight, to which every one is invited.

Dougherty will hold a hallowe'en party on Saturday night at the school house and everyone is invited.

The Floydada Andrews Ward Parent Teacher Association usually have a carnival every year, but this year they have initiated a "Friendship basket" to take the place of the carnival to raise funds.

There are three such baskets in circulation at present Mrs. Lee Gougligh, president of the PTA and Mrs. Billy Henry, fund chairman, say this plan has proved very successful in other areas.

## COUNTY COURT BUSINESS

Floyd county court Monday had two pleas of guilty in connection with liquor traffic. Hardy Blalock pled guilty to transporting liquor in dry territory and Sterling E. Browder pled guilty to selling liquor in a dry area. Fines set by Judge Ralph C. Johnston were \$100 and costs in each case.

Two cases of drunk driving were disposed of last week in the same court. Frank Perales and Gabino Maralez each pled guilty to driving while intoxicated. Each assessed three days in jail, \$50 fine and costs, and their licenses to drive were suspended for six months.

Sunday night Ella Ree Owens, a Negree, was hit in the head with a pistol at a cafe in Floydada's colored town. Tuesday Roy Dennison, a Ralls Negro, was picked up in connection with the offense and was in Floyd county jail pending a hearing yesterday.

## Sand Hill News

(By Mrs. James Jeffress)  
**SAND HILL, October 27** — The rains finally came to most everyone in the community. They were unwelcome. The hands had begun to drift in and the cotton is badly in need of pulling. Maybe by the last of this week the hands can return to the fields.  
 Mr. and Mrs. Monroe Schulz visited in Abernathy Friday night in the home of her sister. Mr. and Mrs. Roy Smitherman. Mr. Schulz also attended the football game.  
 Visiting in the home of Mr. and Mrs. J. R. Turner Sunday was her mother, Mrs. Odell Press of Muleshoe, Mrs. Ingram from Lazbuddie and an uncle and friend from Muleshoe.  
 Sunday visitors in the home of Mr. and Mrs. James Jeffress were Mr. and Mrs. Shafe Weaver and family and Mr. and Mrs. Jim Jeffress all of Silverton.  
 J. T. Spears along with Harry Boleman and Ted Adams left Wednesday on a hunting trip to Colorado.  
 Sunday guests in the home of Mrs. J. T. Spears was Mrs. Georgine Hand and Mr. and Mrs. V. E. Spears of Lockney.  
 Visiting Mrs. J. T. Spears Saturday night was Donnie Hand of Lockney.  
 Janice and Johnny Spears are on the sick list with the measles.  
 Mrs. James Jeffress and family spent Wednesday night visiting Mrs. Tom Brown and Mrs. Dan Watkins at Caldwell.  
 James Jeffress made a business trip to Prosper Wednesday. While there he visited his sister, Mrs. K. E. McConnell of Denton and Mr. and Mrs. J. M. Jackson and family of Prosper.  
 Brother Bond of Plainview held services at the Baptist church Sunday. There was a pretty good attendance considering the weather.  
 Mr. and Mrs. Jim Holmes spent Sunday in Plainview visiting relatives.  
 Mr. and Mrs. C. B. Carmack were in Wichita Falls Saturday visiting Mrs. Carmack's mother and father, Mr. and Mrs. Albert Glenn. While there they attended the football game in which Billie played. Abilene won the game 14-19.  
 Sunday visitors in the home of the A. V. Womack were Billie Gail Holmes and Bruce Hinkston.  
 Mrs. W. R. Billington's condition is reported as only fair this week. Let's all remember the Sand Hill school carnival Thursday night.  
 Mr. and Mrs. Wayne Billington were in Silverton Monday visiting in the home of Mr. and Mrs. Joe Fowler and family.  
 Mrs. Fred Gross is still on our sick list this week.  
 Lynn Raley spent the week-end visiting and enjoying dinner in the home of Mr. and Mrs. Mores Raley.  
 Mr. and Mrs. Wayne Robertson spent Sunday in the home of Mr. and Mrs. Virgil Warren in Floydada.

## Father of Doctor Vernon Shaw Is Claimed at Vernon

Funeral service for T. E. Shaw, retired farmer of Vernon, was held Tuesday afternoon at the Henderson Funeral chapel in Vernon.  
 Mr. Shaw died Sunday afternoon in a hospital following a thirteen-day illness.  
 The funeral service was conducted by a son, Dr. Vernon Shaw of Lubbock and two of the grandsons of the deceased. Burial was in the East View cemetery.  
 Survivors include the above mentioned sons and three other sons, Shelton and Eugene Shaw of Vernon and Otis Shaw of National City, California, and one daughter Mrs. Vernon Short of Vernon; 15 grandchildren and 11 great-grandchildren.

## Center News

(by Mrs. J. E. Green)  
**CENTER, October 27** — How proud of the rain we are - on the wheat. But on the cotton it is not so good.  
 Because of threatening weather Sunday morning there was a small congregation at church. After the rain Sunday afternoon, the evening services were called off.  
 Mr. and Mrs. Bobby Robertson of Fort Sill, Oklahoma, visited over the week-end with his parents, the J. R. Robertsons.  
 Bro. and Mrs. Hodges were Sunday dinner guests of the J. D. Welborns.  
 The J. E. Greens and their three young people, Clyde, Don Clark and Margaret, with Mr. and Mrs. Victor Green of Plainview, left Friday for Fort Worth. There Clyde was married to Miss Quita Watkins of that city on Saturday evening. The rest attended the wedding. They also visited relatives and friends including Mr. and Mrs. Ross Green formerly of Center.  
 After the wedding, Mr. and Mrs. Clyde Green left for parts unknown which proved to be Waco. The rest, except the Victor Greens, went to Hubbard to the home of Mr. Green's sister and family. On the way home Sunday, they stopped in Penelope to visit other relatives. Coming home they went through heavy rains and were forced to detour several times before finally reaching home.  
 Mrs. Fred Cone of Wichita Falls is visiting her sisters, Mrs. Leo Frizzell and Mrs. W. M. Jackson while Mr. Cone is hunting in Colorado.  
 Wes Cox of Hereford visited Sunday night with his nephew and family, the T. R. Nolands. He is now visiting other relatives in the vicinity.  
 Ima Jean Noland of Wayland college spent the week-end with home folks, Mr. and Mrs. T. R. Noland and Joe Richard.  
 The church is coming along nicely. The outside is getting beautiful and most of the hard wood floor is on.  
 Mr. and Mrs. Mankins visited over the week-end in Tucuman, New Mexico, with their daughter and family, Mr. and Mrs. Grady McAda and children. The sons in the service, Bobby and Jimmy, were home on leave.

## MR. AND MRS. LEON SAUL PARENTS OF A THIRD SON

Mrs. Gilbert Shirey left last week by plane for a month visit with her daughter, Mrs. Leon Saul and family in San Francisco, California.  
 A new baby son has arrived at the Saul home. The Saul's have two other sons and a daughter.  
 Mr. and Mrs. Saul are former Floydada residents. She is the former Edith Shirey.  
 Mr. Saul is back in the navy which he intends to make a career. He was in the navy during World War II.  
 Mr. Saul was a letter carrier with the post office during his residence in Floydada.

## Harvey Dale Tardy Illness Reports State Fair Aide Livestock Show

Harvey Dale Tardy of Floydada has returned to Texas Tech college after spending several days at the State Fair of Texas in Dallas.

Harvey Dale and Carrol Barnett, another senior animal husbandry student at Tech, received an all-expense paid trip to the fair. The boys were selected by the head of the animal husbandry department at Tech. The trip lasted from October 9 to October 18 and was presented to the boys so as to enable them to assist in the Pan-American livestock show at the fair. There were three boys also from Texas A&M college who were chosen.

One of the highlights of the week was the parade of champions on Thursday night, Tardy said. It featured the champion and the reserve champion of every breed of livestock represented in the show. The trip proved to be very enjoyable as well as educational to all

J. N. Gullion, who has been in failing health for some time, was carried to Plainview hospital on Tuesday by the Harmon ambulance service.

Mr. Gullion is to have major surgery in the hospital this morning.

John Tivis, retired Floyd county farmer, who has been ill since August, when he had major surgery in a Lubbock hospital, was thought to be slightly improved on Wednesday.

W. H. Pope, who recently underwent major surgery in the Plainview hospital, is now at his home where he is thought to be rallying satisfactorily, his family reports.

W. B. Jones, who has been a patient in the Peoples hospital for several days was removed to his home on the Matador highway on Tuesday. His condition is indicated as improved.

N. A. Armstrong, a patient at Peoples hospital for several weeks, continues to improve. He is always glad to have friends call and chat with him he says. He is fine, but just can't walk.

## Navy Father, Due In Home Port, To See Son Saturday

Mrs. Tubal Cain and son, Phillip, left Wednesday by train for Los Angeles, California, where they will meet their husband and father, Musician Cain.

Cain has been on the battleship New Jersey which is expected to dock Saturday, October 31, at a home port for the first time in several months.

This will be the first meeting of the father and the eight month old son, Phillip.

Members of the family hope that the Cains will return to Floydada if he is granted an extension furlough.

Mrs. Cain, the former Arminta Berry, has been making her home in Floydada with her parents, Mr. and Mrs. C. L. Berry, while her husband has been at sea.

passenger cars which included trucking company and Convair officials and air force staff members.

The F102 is said to be closer to an automatic airplane than any built. When a target is sighted the pilot is said to have to do little more than ride along to bring the plane back since it will track and shoot down the foe electronically.

Mr. Rainer and family have been making their home in San Diego for three years.

Mrs. Rainer is the former Mona Blackman, daughter of Mrs. J. Sam Hale, Floydada.

## 24 Registrants Up for Physicals On November 5

Sixteen registrants from Hale county, five from Floyd, two from Swisher, and one from Motley county, are being called up for pre-induction physical examinations on November 5, it was announced by Local Board No. 45 of the Selective Service system. The registrants named are to report at 5 a.m. at the court house in Plainview.

The Floyd county registrants called up for examination are John R. Patton, Charles E. Gee, Charles K. Hatley, Billy M. Haney, and LeRoy J. Keeter.

The Motley county man is John C. Hays, jr.

## Wayland and Tech Plan Homecomings

Two big events in colleges in this area are being planned for during November and plans are in the making for the best homecoming of them all.

Wayland college, is planning their homecoming for November 5 through 7 on the campus at the college. Eleven nominations have been named for homecoming queen.

The 1953 homecoming date at Texas Tech college, Lubbock, has been set for the week-end of November 6. More than 3,000 alumni and ex-students are expected to return to the campus for the big event.

One of the events will be the football game, University of Arizona vs. Texas Tech. Many ex-students of Floyd county are planning to attend the game and home coming.

## Women of Baptist Church Honor Mrs. Lonnie Doyle

Approximately 107 women were in attendance at the reception at the First Baptist church on Monday afternoon, when the Women's Missionary Union of the church honored Mrs. Lonnie Doyle, missionary to Brazil and Mrs. Henry Heck, of Idalou, district president of the WMU.

Mrs. W. B. Jordan, president of the local WMU was toastmistress welcomed the guests and introduced the speakers.

Mrs. Johnnie Hutchinson, Miss Mollie June French, Mrs. J. V. Daniel, Mrs. Heck, and Mrs. Doyle had parts on the program. The last-named told of her work and that of her husband, Reverend Lonnie Doyle in their home station 500 miles up the Amazon River.

Rev. and Mrs. Doyle and the three children leave in about three weeks for Brazil.

## American Heritage Project Studied

Dr. Per G. Stensland, director of adult education at Texas Tech college, met with a few local people in the district court room last Friday afternoon, to make additional plans for an American Heritage project of the American library association program for Floyd county.

American Heritage discussion groups in libraries are open to all adults. There are no educational pre-requisites, no fees, no obligations, other than the intention to share ideas with others within the framework of the project's aim.

The project aims to help people become informed about public affairs, to gain awareness of their responsibilities as citizens in a democracy and to achieve a willing-

ness to apply their own thinking in building better communities, Dr. Stensland pointed out.

Mrs. J. H. Barnard and Mrs. Roy Hollar have plans for getting all available help from Texas Tech for the promotion of the program.

### SPRINT TRAINING

A big-game hunter in Africa was on his way back to camp one night when an enormous lion walked out of the jungle not 20 feet away. As the lion was about to spring, the hunter fired his last cartridge and

missed. The lion sprang landed 15 feet beyond who then ran for camp it safely.

The next day the back of the camp to practice shooting at close and investigated. It was practicing short lespal!

## Harmony Chorus Meets November 9

The Harmony Community chorus met at the Center on Monday night with 23 members present.

The chorus will meet on Monday night, November 9, at 7:15 o'clock when all members are expected to attend.

The Monday night meeting, November 2, has been called off for various reasons. Remember the next meeting will be on November 9, at the Center.

## Interceptor Flies Faster than Sound

A. H. (Peewee) Rainer, who now is making his home in San Diego, California, in a letter to his parents, Mr. and Mrs. Earl Rainer, told of the new Convair-built Delta Wing Interceptor, which he helped to build at the Consolidated Airplane factory. He also sent some pictures of the moving of the plane from the factory to its testing grounds, at Edwards Air Force base.

This Convair-built YF 102, built to fly faster than sound, was hauled on a truck and its sleek lines were hidden under a tarpaulin. It was accompanied by a caravan of two motorcycles, a fire-truck, a pick up truck, a station wagon and two

## LIBRARY NEWS

Among our magazine is Harper's.  
This is of high quality and has a  
most distinguished rating. It is the  
oldest magazine in the United  
States having been published  
without missing since 1850. Great  
names in literary history fills its  
pages. It has a continuous aim to  
have only top quality in every  
phase of publishing. When the ed-  
itorial board of Harper's found that  
other magazines were equaling if  
not excelling their illustrations  
Harper's chose to go to press un-  
illustrated until an exclusive style of  
illustration was again found. Vol-  
ume 207 is currently being publish-  
ed, the October issue may be taken  
as an average issue. One can fancy  
Frederick Lewis Allen, the editor-  
in-chief being justly proud of this  
issue when it came from the press.  
Looking at the table of contents it  
is a little difficult to guess what  
"the average American" would  
read first. However, the article cal-  
led "Let's close our national parks"  
is probably among the first for most  
folks. Bernard De Voto wrote the  
article and it will take only a few  
minutes of your time to see why he  
advocates such a procedure when  
next you come in the library or see  
Harper's elsewhere.

Last week was our banner week  
for circulation. The central library  
checked out a total 393 books and  
magazines! This we attribute lar-

## Cub Scouts In Meeting Round Out 10th Year

Pack 57, Cub Scouts, held their  
monthly Pack meeting Monday eve-  
ning, October 26, at Andrew ward  
music room. This meeting rounded  
out 10 years of Cub Scouting in  
Floydada, under the sponsorship of  
Floydada Lions club.

This was a most colorful meeting  
of the Indian summer theme, in  
which each Cub appeared in var-  
ious Indian costumes, hand-made  
by the Cubs. The stunts, consisting  
of Indian songs and dances, were  
well executed under the leadership  
of Den mothers and Den chiefs.

In the display, Den five won first  
place, and Den two won second

sixth grade. The third grades also  
have an interesting reading project  
and between these two groups it is  
no wonder that more than half our  
last week's record is due to the bor-  
rowing of school children.

Saturday brought us the regular  
story hour. Barbara Perry again  
took time from her numerous other  
activities to bring us prepared stor-  
ies. In spite of the bad weather  
thirty-five children were here for  
the story hour. Mrs. S. J. Latta  
furnished refreshments and a num-  
ber of mothers were visiting us for  
the first time. The new recordings  
are being used.

Our Book Week posters are here  
and are being used. The library in  
cooperation with KFLD has pur-  
chased the recordings chosen by  
the national council for children's  
books. We hope you will enjoy them  
when they are used for Book week.

November 14th, a meeting of  
leaders in the work for the Ameri-  
can Heritage will be called in Am-  
arillo. We feel that Floydada will  
be well represented.

Mrs. Alva Sparks and Mrs. Ruth  
Daniel have made book gifts to the  
library.

The library announces the pur-  
chase of The Dictionary of Ameri-  
can Biography. This standard ref-  
erence set furnishes reliable data

Ray Walker, son of Mr. and Mrs.  
Grady Walker, received the Webe-  
loes rank, which is the highest rank  
in Cub Scouting. Ray has complet-  
ed three years of excellent work in  
Pack 57.

The following boys advanced in  
rank, and received arrow points:

Jerry Fuchs - 1 silver arrow, un-

## Conservation District News

In commenting on bench leveling,  
Horton Howell, who lives south of  
Sterley had this to say:

"There is no two ways about it  
those benches sure require more  
time to farm, possibly twice as  
much time as straight row farm-  
ing."

Horton considered plowing the  
borders out because of the difficul-  
ty in farming them. But he recon-  
sidered and decided they definitely  
have their place.

Some of the things Horton ob-  
served about farming these borders  
are: When you get a high intensity  
rain of four or five inches there is  
no loss of moisture and it goes in  
the ground where it falls. When ir-  
rigating on the level in these bord-  
ers he finds his crops will stand up  
under dry periods longer than  
where he has not prepared his  
land; He usually gets by on one  
less irrigation than on land which  
has not been leveled; No irrigation  
waste is lost because there is no  
tail water; Erosion is completely  
eliminated both from rainfall and  
irrigation.

Many have been of the opinion  
that weeds could not be controlled  
on bench level borders; however,  
when they have seen the leveling  
on Horton's farm they immediately  
inquire as how he manages to keep  
his borders so clean. Horton's an-  
swer to this problem is a small one-  
way on the back of his Ford tractor.

The Floyd County Hesperian, Floydada, Texas, Thursday, October 29, 1953

It is surely no accident that Hor-  
ton has harvested grain sorghum  
from these borders this year which  
has yielded in excess of 4500 pounds  
per acre.

Bench leveling is not a recom-  
mended practice for all land or for  
all farmers but if you are interest-  
ed in getting the most for your  
money in land and water an irriga-  
tion system should be worked out  
which will fit into your overall  
farm plan.

Intra-planted cowpeas in grain  
sorghum is a practice which offers  
a wonderful opportunity to obtain

some badly needed organic matter  
in your soil as well as increasing the  
nitrogen. These two things make  
for conditions which stimulate pro-  
duction of crops which follow.

If you would like to see some of  
these peas growing in combine  
grain sorghum go by James Bob-  
bitt's before the feed is harvested,  
or at least before the peas are  
turned under.

"How is your wife getting along  
with her reducing diet?"

"Fine. She disappeared complete-  
ly last week."

## WE'LL GIVE YOU THE EXTRA TRADE-IN PRICE YOU'D GET IF YOUR PRESENT CAR WERE A MERCURY

LMDA

No matter what make of car you're driving, we'll allow you the same extra trade-in price you'd get  
for a same-model, same-year MERCURY - the car with the top trade-in value in its field!

### WHY MERCURY GIVES YOU MORE - NOW AND WHEN YOU TRADE IT IN!

There are 4 good reasons why Mercury is so much  
in demand—and why the average trade-in price  
allowed by all dealers on used Mercurys is con-  
sistently higher than competing cars.

1. **Mercury styling.** Clean, long, low lines set the  
style and stay in style. Mercury interiors are  
smarter, more colorful, more attractive.

2. **Proven V-8 performance.** Mercury is no  
johnny-come-lately to the V-8 field. It has always  
been a V-8, and this is the best-performing  
Mercury in history. Try it—compare it for get-  
away, for hill-climbing, for handling ease!

3. **Proven economy.** With Mercury, economy is  
no idle boast. Mercury's high gas mileage has  
been proved—Mercury with optional overdrive  
has five big wins in four official economy runs.

4. **More extra power features.** Mercury offers the  
widest selection of optional power features in the  
popular-price field—including the new 4-way  
power seat, power brakes, power steering, electric  
window lifts, no-shift Merc-O-Matic Drive, and  
even gas-saving Touch-O-Matic Overdrive.

Add these to Mercury's sturdy construction  
and low maintenance costs—and you see why  
Mercurys are always in top demand, new or used.  
Higher trade-in value makes Mercury's true cost  
very little more than the lowest priced cars. A  
Mercury is a solid investment, because you get  
back more when you finally trade it in.

Now—to make it even easier for anyone now  
driving any other popular-priced car to own a  
Mercury—we'll give you the extra trade-in allow-  
ance you would get if that car were a Mercury!  
We'll show you the actual, impartial figures—  
make you the most exciting offer in town! Bring  
your old car in today—and drive home a Mercury!

**THE FLOYD COUNTY HESPERIAN**  
Published by the Hesperian Publishing Co., Inc., at 212 South Main St., Floydada, Texas. HOMER SPREN, Editor.  
THURSDAY, OCTOBER 29, 1953

Established 1896 by Congress under the act of Congress under the act of Congress 1897

**VIEWS AND COMMENT**

The Highway Commission insists it did not give Floydada the run-around in the paving program here last year. In preliminary estimates South Main was included as a part of the system in Floydada. On this street, as well as others, the property owners have already been out a quite considerable outlay in direct assessment. Generally it has been thought in the community that this street was a part of the highway system. Not so, says the department, since the designation on Houston and Second, around the business part of town, an accomplishment much against the wishes of a considerable minority of the better business men of the community at the time. Now South Main is designated as a "business route" solely for the convenience of the business community here. Perhaps it was that the city authorities of that day let themselves be out-manuevered. At the same time that was happening the highway department was building highways to and through the court house square in Lubbock. After many years, the routes through that town having been duly completed and designated, the department is recently spending big money constructing routes around the congested traffic areas. City taxpayers who wonder why they can't get support for their plea from the Commissioners court get the impression the court doesn't want to take a hand in the matter for fear the street job would take that much mileage from their "county allotment" of state-maintained roads. There are always more sides than one to any question. The city taxpayer queries, don't we live here, too?

Need for more paving in Floydada was well-illustrated by the week's downpours, which left some considerably used streets in a mess this week. The saving effected by paving far outweighs the expense. Paving soon proves itself a good investment everywhere, every time.

City garbage disposal. The city has undertaken quite a job under the provisions of the new garbage disposal ordinance and will find it difficult to keep up its end of the bargain. Other small cities have found this to be true when they undertook a plan similar to the one in effect here. Somebody will have to make it more than a casual job. It is a good idea but it will have to be pushed and by the city. Doubtless the authorities will find the residents more than willing. Some are already providing two and three of the approved type cans because one doesn't have the capacity to wait for the clean up man. However, we do not mean to suggest the job can't be done well and thoroughly.

Cow buying program, urged by some cattlemen as a means to save the distressed raiser of range live stock, could be put into effect at once, could it not, by the state department, which has general supervision of handing out the doles in money, ice plants and the like to war-torn and backward nations over the wide world. The other day when Isbell got out of hand in their ages-old dispute with the Arabs, Mr. Secretary Dulles cut them off

at the pockets by the flourish of a pen, \$15 million at a swoop. Leastwise, the wires carried it that way. The Israelites were digging a canal that was not provided for in the book. Right? By the same token the secretary might take the same kind of money that is going to India, for instance, buy distress beef from Americans, send the processed food through relief channels. This would get the same result wouldn't it, that is food to the hungry, and at the same time give two domestic industries—the cattle raisers and the packer people—a lift? It was Congressman Poage, as we have it in mind, who suggested all the Secretary would have to do would be just to do it.

The many millions being provided by the American taxpayer for relief and rehabilitation world-wide thus could be handled so as to reflect some sort of good in the home country before it goes abroad. An illustration is the butter that is being distributed in Germany through an organization headed by the widow of West Berlin mayor Reuter. Surplus butter that has become a burden to the controlled dairy industry and at one and the same time a big loss to the federal treasury in this country is being gotten out of the way by giving it to the destitute in Germany. It constitutes a flourish of magnanimity in the eyes of the world, too, thus serving a good propaganda purpose as well.

Parcel post rates. The reason your parcel post packages seem to cost more to send out now is because they do cost more. The raise in parcel post rates, if we have our facts on straight, was about 35 percent on October 1. The postal authorities are pressuring the congress to authorize other increases, among them additional charges for second class postal matter. As to parcel post rates, there are certain advantages which express shipments have over parcel post shipments, which, under certain circumstances, justify the use of express now instead of parcel post.

No free hay. The current discussions in state and federal circles looking toward providing hay at a reasonable figure to owners of range cattle is likely to result in some good, but for the most part the damage already has been done. The marginal owner has already wiped the slate clean and started over again, or is getting ready to do so when he can find some credit, wheat pasture and bundles. At least there will be no free hay as some have been inclined to expect. This on the authority of John C. White, the state commissioner of agriculture.

With cold weather just around the corner, livestock will need even more attention and of prime importance is the supplementary feed. Oil meal products are the most economical and dependable source of supplemental protein.

Answer to last week's puzzler: The letter "N".  
Nine men fanned in nine innings.

**Petersburg Club Women Did Well**

Members of the Petersburg Home Demonstration club did right well at the Hale County fair held at Plainview, winning 19 places out of 23 exhibits. The winners follow:  
Mrs. Tom Davis first on pieced quilt and embroidered pillow cases.  
Mrs. Charlie Watson first on fancy apron and tea towel.  
Mrs. Marvin Shurbet first on peach preserves and peach pickles.  
Mrs. Bill Finkner first on yeast rolls.  
Mrs. H. H. Roberson second on luncheon cloth.  
Mrs. T. A. Moore second on pillow cases and cut work.  
Mrs. Charlie Watson second on tea towels.

Mrs. Ray Groce second on divinity and fudge candy.  
Mrs. Bill Finkner second on sweet rolls and varied shrubs display.  
Mrs. Marvin Shurbet third on canned pears.  
Mrs. Ray Groce third on date loaf.  
Mrs. Bill Finkner third on refrigerator cookies and autumn flower arrangement.  
The club won second place with their float in the non-commercial division.  
The club and its members are delighted with their winnings, this being their first exhibit at any fair.  
Mr. and Mrs. Roy Fawver left Saturday morning to spend a few days in Temple with Mrs. Lovell Jones, who recently had major surgery in that city. Mrs. Fawver and Mrs. Jones are sisters.  
Miss Ruby White of Lubbock visited in Floydada with relatives over the week-end.

## CHRYSLER INSTRUMENT PANEL FEATURES SAFETY

The new 1954 Chrysler instrument panel is smart, convenient and safe. The large, double-dial instrument cluster features a new application of the edge-lighting principle with numerals, pointers and dial graduations glowing brightly against a dark background. Flashing indicator lights warn of low oil pressure or battery current. A soft, foam rubber-base safety pad, covered in pleated vinyl is set off by burnished aluminum insets and recessed knobs.

### Body Styles and Models

The 1954 Chrysler is offered in five models with a total of twenty body styles. The lines this year are the Windsor Deluxe, New Yorker, New Yorker DeLuxe, all on an 125-1/2 inch wheelbase; Custom Imperial with a wheelbase of 133-1/2 inches and the Crown Imperial line with a wheelbase of 145-1/2 inches.

### News of Harmony

(by Mrs. Mather Carr)

HARMONY, October 26 — The WSCS met Monday in their second lesson of their study at the church. Mrs. Marvin Smith was in charge with others taking part in the program.

The choral practice Monday night had more in attendance, this time. Everyone is invited to attend even though you do not sing. Just come and listen. We meet at 7:30 o'clock each Monday night with the director, Woodie Coleman.

The ceramic class met Tuesday in an all day meeting with Mrs. Chloma Williams as hostess and demonstrator. A sack lunch was served at noon. There will be another class before Christmas. Anyone who is interested may contact Mrs. Chloma Williams to find out the time. Mrs. Floyd Fuqua from Floydada attended Tuesday.

There were 42 at prayer meeting last Wednesday night with Mrs. M. D. Ramsey bringing the devotional.

There was no club Thursday due to the rain.

Mr. and Mrs. Chloma Williams and daughter attended the football game between Floydada and Abernathy Friday night.

The hunters returned home Saturday evening and brought with them their allotted amount of deer which was eight. They reported some snow and rain while there.

Mr. and Mrs. Wesley Carr and sons were guests Saturday in Dumont with Mrs. Carr's parents, Mr. and Mrs. C. C. Bailey. They reported rain and they had some trouble reaching Dumont owing to bridges being washed out and muddy roads.

Mr. and Mrs. Loyce Turner and son visited in Levelland Sunday.

Mrs. Rueben Rutherford of Plainview was a guest at services in the Chapel Sunday morning.

Little Roger Glynn had a not so serious but painful accident Saturday night when he put his hand on the heater and burner it.

There was a large crowd in attendance at church and Sunday school. Bro. Krebs did the preaching. The Krebses were dinner guests in the R. B. Gary home.

Mr. and Mrs. Chloma Williams and daughter were dinner guests Sunday in the Mather Carr home.

The rain we had amounted to three and four tenths inches.

Mr. and Mrs. Wesley Cobb and son, Buddy of Petersburg were

guests in the Bill Edwards home Sunday afternoon.

Mr. and Mrs. Bill Edwards were visitors in Sweetwater from Wednesday to Friday.

### QUITE A DIFFERENCE

A hardy fixture of the Old Sod left Ireland and came to America. After a year's time he sent for his wife.

"Goodness," she exclaimed on her first day here "but don't they talk funny NOW!" exclaimed her husband. "Why, you shoulda heard 'em when I first got here!"

## Patterson Given Cancellation of Lots at Sterley

An order cancelling the subdivision of that portion of the unincorporated town of Sterley in Floyd county, which lies north of the Plainview-Estelline line of the Fort Worth & Denver Railway Company and west of the company's Lubbock-Silverton lines, was entered by the Commissioners court of Floyd county at their regular meeting in October.

The order, passed on petition of R. E. Patterson, was not contested. It was shown that none of the streets and alleys are being used nor would the cancellation interfere with the established rights of any purchaser owning any portion of such sub-division.

The order also closes and cancels all roads, streets and avenues of the area, and recites that the "land contained therein shall revert to and re-invest in the adjoining property owners."

### FATHER OF MRS. KINCHELOE SUCCEMBED OCTOBER 18

R. L. Poe, of Gatesville, father of

Mrs. J. A. Kincheloe, died in a Gatesville hospital on October 18.

Mr. Poe, 75, who had been a resident of Hamilton county since early childhood, was buried on October 21 in the Hurst ranch cemetery, near his home.

Survivors include his wife and four children and a host of relatives.

Mrs. Kincheloe had spent several days at her father's bedside, and was present at the funeral service.

Others attending from Floydada were Mr. and Mrs. Bill Smith and Bobby Kincheloe, Mrs. Smith and Bobby being grandchildren of the deceased.

Mrs. Lane Decker returned home last week-end from Temple, where she was in attendance with her mother, Mrs. L. L. Jones, who had major surgery at Scott & White hospital last Thursday.

Mrs. Decker reported her mother rallying from the operation but expected to remain in Temple for several weeks undergoing treatment.

Mrs. Jones' address in Temple is in care of the Alexander Hotel. She would be glad to hear from her Floydada friends, Mrs. Decker said.

Approximately 117,000 officers and enlisted men were used by the Army to operate posts, camps, stations, hospitals, ports and depots during the past year.

## Alaskan Network

FAIRBANKS, ALASKA — The Army Signal Corps developed the Alaska Communication System.

During World War II, the corps built the 2,350-mile Alaska Military Highway Telephone and Telegraph Line that runs from Edmonton to Fairbanks. In late 1952, Army wiremen finished construction of an additional 337-mile line beyond Fairbanks.

Before the Signal Corps developed it, Alaska had no long-distance telephone or telegraph system like the one in the United States.

The ACS now operates 45 stations covering all key locations in Alaska — to provide the territory with its first complete communications network.

Cynthia Ann Whitfill has been elected secretary of the freshman class at Our Lady of the Lake college in San Antonio, Texas.

## WHIRLWINDS COME FROM BEHIND TO DOWN ABERNATHY 12 TO 6

Floydada's faithful football fans who thought they had seen everything in the two close victories over Paducah and Slaton got a taste of something new Friday night when their Whirlwinds had to come from behind and go all out to down the inspired Abernathy Antelopes.

The Winds owned the ball inside the Antelope 20-yard line nine different times during the game and ran out of gas on seven of these drives.

In the first half the Abernathy boys stopped the locals short of the goal on five defensive stands that gave them possession of the ball and then put on an 84-yard drive of their own to go ahead 6-0 at half time.

Taking the field after the intermission it was a different story, however, with the Winds grinding out the yardage and holding the Antelopes to a scant 10 yards net gain in the entire second half.

Scoring for the locals were Jackie Jarrett who turned in his best game of the year and Jerry Bob Harrison, the Winds' fine quarterback.

Gerónimo Ramos scored for the Antelopes.

**Attacks Fail to Click**

Starting the game Abernathy received and Stanley Vickers booted to Roy Sons on the Antelope 3. He returned to the 32 before being downed. On the first play from scrimmage Ramos faded back and threw a long pass which J. E. Waller intercepted for the locals on the Antelope 46. Waller carried back to the 38.

Running plays worked for the Winds and they carried inside the Abernathy 20 before bogging down. Abernathy then put on a drive which carried out to the 40 before a fumble cost them the ball and Glad Norman recovered for Floydada. The Floydada attack failed to

click and Harrison punted to the Abernathy 3. The Antelopes pushed out to their 16-yard line before punting to the Floydada 48.

On this drive the Winds pushed in to the 18 yard line before losing yardage and the ball went over to the Antelopes on their own 28. The Abernathy attack carried 14 yards before they were forced to kick and Ramos kicked 46 yards from his own 39 to the Winds 16, to open the second quarter.

Early in the second quarter neither side was able to put on an offensive drive and the ball changed hands on fourth down, a punt by the Winds and a fumbled punt recovered by Stephens for Floydada giving them possession on the Antelopes 25. From the Abernathy 25 the locals drove 8 yards to the Antelope 18 but did not gain first down yardage and the ball went over on downs.

The Whirlwinds having failed to score on four drives inside the Antelope 20 seemed to lose interest at this point and the Abernathy team took full advantage of the situation and drove 82 yards to pay dirt with Ramos going over from the 15 on a quarterback keeper play down the middle.

**Whirlwinds in Hot Water**

The Whirlwinds kept the Winds in hot water until the half on a pass interception by Ramos that had things really looking bad until Jimmie Dunn recovered a fumble to give the Winds possession on their own 33 just before the half ended.

Opening the second half it was a different bunch of Whirlwinds that took the field, at least different in that they were determined to crack that goose egg on the score board. The Antelopes held on gamely, however, and stopped the Winds on two more occasions before they were able to cross the double stripe.

The Winds' first scoring drive came after Ramos punted to the Floydada 32 and from that point there was no stopping the Floydada boys. Jackie Jarrett really turned on the power up the middle and Cloyd Stephens and Norman Muncy added their sweeps and line jobs with Harrison coming in when needed on the down the middle charge.

As the third quarter ended the Whirlwinds had begun to function like a championship tail club, and as the final stanza started the Winds advanced to the Antelope 5-yard line and Jackie Jarrett then burst through into the end zone and tied up the ball game. A running play for the point after failed when the boys had trouble controlling the slick ball. Score 6-6.

Following the Whirlwind TD play the Antelopes received the kick-off and Floydada kicked short to midfield where there was a scramble for the ball and the Antelopes took possession. Don Barber then recovered a fumble and Floydada took over on their own 45. From this point they failed to gain and Harrison kicked to the Antelope 13.

Stout defensive play by the Winds cost Abernathy 11 yards and on third down Ramos backed up under the goal posts for a punt that went short to the 15 where the Winds took over first and goal. Stephens made it first and goal on the 3 and on the second try Harrison went into the end zone for the winning tally. The extra point again failed on a running play and the score Floydada 12 - Abernathy 6.

LEON ANDERSON — Sophomore Whirlwind end.

**Pass Plays are Stopped**

Abernathy started throwing long passes to get back in the ball game and the Winds held on tight with Waller breaking up a beauty, and Norman Muncy intercepting one. The Winds were content with the 6 point lead and ran the clock out owning the ball on the Abernathy 18 as the game ended.

In the statistics Floydada made 9 penetrations to 1 for Abernathy, the Winds gained 16 first downs, made 239 yards net running and 7 passing; to 8 first downs, 113 yards net rushing and 0 passing for Abernathy. The kicking was good for both sides with Harrison and Ramos having about 35-yard average on their punts. The Winds were penalized 20 yards the Antelopes 15 yards.

Individual yardage gained showed two Winds at the top of the list with Stephens having 112 yards net in 23 carries. Jarrett turned in 73 yards in 19 tries and much of this came on the pay-off drives late in the game. After subtracting their set backs Ramos had 42 yards in 9 tries and Sons collected 39 in 15.

Whirlwinds seeing action in the game Friday night included Don Barber, Jimmie Dunn, Stanley Vickers, Gordon Joiner, Bobby Carmack, Jerry Bob Harrison, Cloyd Stephens, Norman Muncy, Jackie Jarrett, Bob Ashton, Jack Womack, Marvin Rucker, Gary Carthel, Glad Norman, Jackie Henry, Carrol Guthrie, Leon Anderson, J. E. Waller, Laron Fulton, Robert Stovall.

There were no serious injuries in the game. Robert Stovall was hurt and removed from the game in the third quarter, but is believed to be in top shape now. Robert was working out again Monday afternoon.

## DISTRICT NEWS

### ROUND UP

Floydada's Whirlwinds took the lead in district play by virtue of their second win in the 5AA circuit. Spur and Tahoka also have perfect records holding one win each.

This week the three leaders will all have their titles on the block. Spur will bring their powerful team to Floydada to engage the Whirlwinds in a game that will knock one of them from the undefeated ranks. Last week Spur sounded a warning as to their real strength when they downed the strong Slaton team 25 to 13. The Winds had considerably more trouble in downing the Tigers two weeks ago by only one point.

The Spur-Floydada game should be the top contest in 5AA this week and is rated about even. The team that is highest for the contest at game time will probably come out with a victory.

Tahoka at Abernathy should be another good game, and based on comparative scores against Post the Antelopes should be able to give Tahoka a run for their money.

Slaton at Post will be the third district game Friday night. Both clubs will be battling to get out of the cellar and both are capable of playing some fine ball. Slaton has the most impressive record of the two and will probably be considered the favorite.

### FORMER WHIRLWINDS ON OPPOSING SIDES SATURDAY

Two former Whirlwinds met on opposite teams last Saturday night in Wichita Falls when the McMurray Indians played the Midwestern University team there.

Bill Jeter who played fullback for the Winds in 1947-48 is now a senior at Midwestern where he plays end and is captain of the team.

On the McMurray team was Billy Carmack at quarterback for a large portion of two quarters of the contest.

Jeter has a fine record at Wichita Falls and was named as an outstanding player in Saturday's game.

Carmack is seeing quite a bit of action for the Indians though he is just a freshman. McMurray won 19-14 and it was a jarring tackle thrown by Carmack that sent a fumble floating out to a teammate who scored the winning TD.

### ROBERTSON'S BUFFALOES WIN CONFERENCE GAME

The Stanton Buffaloes of District 4A coached by Melvin Robertson, a former Whirlwind and son of Mr. and Mrs. Joe Robertson of Floydada, racked up their third conference win Friday night when they downed Whiteface 25 to 7.

The Friday victory gave the Buffs three wins against no losses in district play and made their fifth win against two losses this season. Robertson's team lost a hard-fought contest to Abernathy 20 to 13 three weeks ago when the Antelopes scored late in the fourth quarter to pull away from the Stanton team.

# TICK-TACK-TOE MACHINE PLAYS GAME BETTER THAN A MAN CAN

Floydada residents will get a chance to see the miraculous Tick-Tack-Toe machine in action at Southwestern Bell Telephone Company's open house November 3, 4 and 5.

"The Tick-Tack-Toe machine is but one of the many special exhibits which will be on display at the open house," J. C. Oakley, telephone company manager, said.

"You can't beat the machine," Oakley said. "Even Einstein couldn't beat it."

The machine actually competes with human beings in the familiar game. The machine was designed to demonstrate how accurately and efficiently the electronic switching used in the operation of the telephone system works. It is made of actual telephone relays, or switches.

"It's amazing how intelligently this machine plays the game. Just like a man, only better. You push a button which lights up an 'X' in one of the squares. The machine automatically lights up an 'O' in another square," Oakley said.

**Machine Can Out-Guess You**

"Then no matter where you place your next 'X' the machine will outguess you and either force you into a tie, or perhaps beat you."

The Tick-Tack-Toe machine will be but one of the many exhibits on

display at the open house.

Another special exhibit will be a miniature microwave radio model system. "This is a working model of the large radio relay system used to carry long distance telephone calls and television programs between cities," Oakley said.

"Many people do not realize that the telephone company carries radio and television programs," Oakley added. "We carry the programs to the station, then the station beams them to your homes."

"Live network television comes to Texas over just such a system that we will have on display at the open house," the manager said.

Visitors will see the miniature system in action as it actually beams music from one tower to another over invisible air waves.

Guides will be on hand to take visitors through the telephone building and explain the special exhibits the operation of Floydada's telephone system.

## As A Farm Woman Thinks

(by Nellie Witt Spikes)

Talk happiness. The world is sad enough  
Without your woe. No path is wholly rough.

Talk faith. The world is better off without  
Your uttered ignorance and morbid doubt.

Talk health. The dreary, never-ending tale  
Of mortal maladies is more than stale;  
You cannot charm or interest or please  
By harping on that minor cord, disease.

Say you are well, or all is well with you,  
And God shall hear your words and make them true.

The two kinds of people on earth that I mean  
Are the people who lift and the people who learn.

Since life is short, we need to make it broad;  
Since life is brief, we need to make it bright;  
Then keep the old king's motto well in sight,  
And let its meaning permeate each day.

Whatever comes — "This, too, shall pass away."

It is easy to sit in the sunshine,  
And talk to the man in the shade;  
It is easy to float in a well-trimmed boat,  
And point out the places to wade.

So many gods, so many creeds,  
So many paths that wind and wind,  
When just the art of being kind  
Is all this sad world needs.

No question is ever settled,  
Until it is settled right.

We flatter those we hardly know,  
We please the fleeting guest,  
And deal many a thoughtless blow  
To those who love us best.

The above parts of poems were selected from the writings of Ella Wheeler Wilcox. I thought you might find them thought-provoking as I do. Always have wished I could express my thoughts in rhyme, but have never been able to accomplish it. I do not like vague poetry, but glowing rhymes that express something definitely.

Where the ground was so dry last summer, even much watering could penetrate more than an inch or so. I bogged down and as I pulled one foot out the other went deeper. Down and down I went, but finally made it without aid. First free water we have had for quite a spell.

My mother's youngest brother, Felix Jones of Odessa tells the following story of the drought in Texas.

"We were traveling in Alabama, (or was it Florida or some other southern state,) we stopped for gas. The man saw my car had a Texas license and he told me he had

heard that it was so dry in Texas that the Baptist had quit immersing and gone to sprinkling and the Methodist were using a damp cloth."

I had a new experience last week when John Devine of KCBT-TV, Lubbock invited me to be on the Ladies Matinee. I was so interested in the two men moving the cameras back and forth for close and long views, I quite forgot to be scared. The beautiful purple orchid from Ribble's made me very happy.

Well, Ralls has moved South of the Border and the dreamy Spanish music comes from every cafe and picture show. Young señoritas walk the streets, rhinestones flashing from brown throats and sparkling in tiny ears. Seems as if nearly everyone is wearing nylon. Shirts, blouses and scarves of this material, colors of red and blue, purple, orange and green make the city festive.

The soft Spanish speech is heard at every turn. I like to go in the grocery stores and watch the market baskets pile up higher and higher, see the men and women, boys and girls, most all eating something and drinking soft drinks. Not just common groceries are in these baskets. We find all kinds of fancy canned goods, avacados, fancy preserves and jellies.

The money is made to be spent, so they have a holiday when they go to town. Not all the money is spent here, for the postoffice workers are busy filling out money orders to go "back home near the border" in many instances. Good

shoes, warm coats, caps and jackets, the best khaki and the loveliest velvets and silk dresses are bought. The White Gold is being turned into pesos and pesos into cars and a higher standard of living.

Some day maybe Crosby and Floyd counties along with others in this section may turn out "black blood" for use in our own machines, instead of shipped in oils.

### ONE CONSOLATION, HE HAS A FLOYDADA PHYSICIAN

PFC and Mrs. Bob Robertson of Ft. Sill, Oklahoma, were week-end guests of PFC Robertson's parents, Mr. and Mrs. J. R. Robertson and other relatives.

Bob has been a patient of the hospital at Fort Sill for the past five weeks, suffering from a broken foot he sustained in a football game at the fort. He thinks he was lucky in having a former Floydada boy as his doctor at the base. Dr. Randolph Rutledge, who is stationed also at Fort Sill has been looking after the injured foot.

Dr. Rutledge is the son of Mr. and Mrs. O. P. Rutledge of Floydada.

Mr. and Mrs. Bill DuBois of Odessa spent the week-end here, the guests of their parents, Mr. and Mrs. Edell DuBois and Mr. and Mrs. W. E. Lackey.

Miss Dwina Glassmoyer of Midland visited in Floydada over the week-end. She was accompanied by Mrs. Ted Small of Lubbock, formerly of Midland.

## New Wrench Does Work of Two

TELEPHONE LINEMEN are now equipped with this new, double-ended wrench that replaces two old tools in their kits. One of its new features is an extra hole near one end which makes it easier for linemen to straighten pole steps or take them out. This is one of hundreds of improvements that are helping us push ahead on the biggest rural construction program in our history — a program aimed at putting telephone service within reach of every farm home in the areas we serve.

**DOLLAR LOSSES**  
 Flooded livestock disease...  
 These figures point up the value of strict sanitation measures on the farm. Good sanitation is the first step in breaking the disease chain. Today's antibiotics, potent drugs, vaccines and improved feed supplements have accomplished a great deal however, they have a steep uphill battle if they are not used in conjunction with a sound farm sanitation program.

A sound disease-preventive program should not be regarded as an expensive burden. Rather, it is an investment like that of a fence for livestock. This sanitary fence is a necessity for keeping disease out and livestock in good health.

The Texas Department of Agriculture at Austin has prepared a chart of recommended disinfectants for combatting the prevalent diseases which affect livestock. A copy will be mailed upon request.

 Mr. and Mrs. C. L. Minor and son, Carl plan to move, first of the week, into their new home at the corner of First and California street.

Dollar day in Floydada was an event in merchandising circles and first Monday in November is expected to be even better.

John R. Reagan, service officer of McDermott post, American Legion, this week, announced that Floyd L. Sloan, representative of the Veterans state service office, will spend Saturday in Floydada.

November 15 has been selected as Floyd county dairy day and the FFA and 4-H club boys will have a calf show on that date.

Advance preparation for the Red Cross annual roll call November 11 thru November 30 was started this week in Floydada by Mrs. Walton Hale, recently named general chairman for this community by County Roll Call chairman Clarence Guffee.

Eddie Brown, president of Floydada chapter of the FFA and Leland Woodward returned Friday October 21, from Kansas City where they attended the National convention of the FFA. Eddie and Leland left Plainview with 35 other boys for the convention on a special chartered bus on October 14.

Lovelle Ginn, in company with Miss Fannie Mae Rees, Aileen McIntyre and Jennie Lou Harper, left Friday for Fort Worth to attend

the Future Homemakers of Texas convention. Miss Ginn is the elected delegate from the local chapter. The Roy Patton dairy this week began delivering pasteurized milk to Floydada customers, Mr. Patton announced.

Carl Rodgers this week began work in the men's department of Hagoods Department store.

Miss Ruth Woods, of Paducah, and Wilson Womack of Floydada, were married on Sunday October 15 in Vernon. The bridegroom is the son of Mr. and Mrs. E. J. Womack.

Mr. and Mrs. Hayes O'Neal of Sweetwater visited over the week-end with Mrs. O'Neals parents, Mr. and Mrs. J. R. Maddox.

Mrs. A. J. Welch spent Thursday night with her sister, Mrs. Celia Ross, who teaches in the Lakeview school.

Mrs. G. L. Snodgrass, who had been in Lubbock hospital for weeks following a serious operation, was brought to her home Sunday and is apparently recovering satisfactorily.

Mr. and Mrs. Dorris Jones and daughter of Matador visited over the week-end with Mr. Jones' parents, Mr. and Mrs. W. O. Jones.

Ralph Hammonds, student in Texas Tech college, spent the week end in Floydada with his parents, Mr. and Mrs. J. I. Hammonds.

Mrs. Boone Alexander and son, Bobby, of Inwood, Long Island, New York, are visiting in Floydada with relatives, Mr. and Mrs. C. Alexander, Mrs. P. A. Dickert and other relatives.

**Friendship Holds Officer Election**

The Friendship home demonstration club met on Wednesday afternoon at the agriculture building in the demonstration kitchen with Mrs. Sam Green as hostess.

The election of officers for the new year was the main point of business, with the following elected to office: President, Mrs. Sam Green, vice-president, Mrs. J. M. Daniel, secretary and treasurer, Mrs. Lee Rushing, Council delegate, Mrs. W. E. Grimes.

Mrs. D. T. Mayo, who attended the state meeting of the THDA in Galveston recently, gave a detailed report on the meeting.

Mrs. J. H. Buchanan gave an interesting demonstration on canned meats.

Mrs. J. M. Daniel will be hostess at the next meeting, Friday, November 6, at her home at 2 o'clock. Roll call to be answered by members showing a wrapped Christmas package.

## Clyde Green and Quita Watkins Take Vows in Ft. Worth Ceremony

The College Avenue Baptist church in Fort Worth was the scene of the wedding ceremony for Miss Quita Watkins and Clyde Green on Saturday, October 24 with the Reverend Bill McDaniel of Bellville, officiating.

The bride is the daughter of K. D. Watkins of Fort Worth and the late Mrs. Watkins and the parents of the bridegroom are Mr. and Mrs. J. E. Green of Floydada.

The wedding music was rendered by Mrs. T. Buryl Wilson, organist and Mrs. Bill McDaniel of Bellville. Candelighters were Misses Judy Patterson and Penny Smith of Dallas.

Miss Margaret Green, sister of the bridegroom, was maid of honor with Mrs. J. R. McMurray of Abilene as matron of honor. They wore identical frocks of iridescent blue taffeta with blue tulle stoles and carried colonial bouquets of yellow asters.

Don Clark Green, Big Spring, brother of the bridegroom served as best man and groomsmen were Louis Highfill of Wichita, Kansas. The ushers were Victor Green of Plainview, brother of the bridegroom, Ray McClain of Oklahoma City and Clyde Vinson of Brownwood.

The bride, escorted and given in marriage by her father, wore a gown of white satin designed with a fitted bodice, having long pointed sleeves and a shaped neckline filled in with net and outlined with lace sprinkled with seed pearls. The bouffant skirt formed a chapel length train. Her fingertip veil of imported illusion, cascaded from a headpiece of lace touched with seed pearls. She carried a white bible topped with white orchid and Stephanotis.

A reception in the home of the bride's father immediately followed the ceremony. Members of the house party were Misses Patsy Ruth and Nancy Patterson of Dallas and Mrs. William C. Dietz of Fort Worth.

**Wedding Trip to New York**  
For her wedding trip to New York, the bride chose a red and black faille suit with black accessories. The couple will embark on the Queen Elizabeth for Europe after a few days in New York. They will make their home in Innsbruck, Austria, where Mr. Green will study piano and French and German languages at the University of Innsbruck. He is a talented pianist.

The bride is a graduate of Howard-Payne college at Brownwood and Baylor University at Waco. The bridegroom graduated from Floydada high school with the class of 1942, and from Wayland college in 1944. He received his degree from Baylor University in 1947. Entering the armed forces of the United States in 1950 and was discharged from the service in 1952. He served in Germany for one year.

After receiving his discharge from the army, the bridegroom studied at the University of Colorado at Boulder. For the past few months he has been in Greenland where he was employed with a construction company. Only a few weeks ago he returned to his home here.

Relatives and friends were registered from Floydada, Plainview, Abilene, Dallas, Oklahoma City, Wichita, Kansas and Brownwood. Mr. and Mrs. J. E. Green and daughter, Margaret of Floydada, and Mr. and Mrs. Victor Green of Plainview, attended the wedding, returning home last Sunday evening.

The only person who has the right to run the other fellow down is the elevator man.

We picked up a book on its way back to the rental library the other day. One glance at the first page and we knew we had read it serially a couple years earlier. Just to recall the story, however, we read on. Before we knew it, we had followed the now-familiar plot right up to the closing chapter, and the afternoon had vanished.

People who enjoy reading it all too easy to escape into a well-told story. As a result, they resist reading, for fear they'll neglect household or other duties. If a book can't be finished in one sitting, they feel they have no right to start it.

This "one-sitting" philosophy has just about crowded reading out of our schedules. Instead of starting a book, we limit ourselves to one-sitting activities — card tables, television sets, movies, occasionally a lecture or concert. It is an obsession with "now-ness."

Recently we talked with someone who is staging a one-man revolt against such thinking. If he sees a good movie based on the life of a great man, or an event in history, he goes and digs a book out and proceeds to read more about it. If that, in turn, reminds him of something else, he launches into that. Good books, he says, should set up their own chain reaction. And if we don't encourage an occasional venture into knowledge, we'll soon forget how to read intelligently.

Why all the nervous shopping around for diversion? And what if it does take more than one sitting? He's got the rest of his life, he says, to follow through one such "chain reaction" if it continues to interest him. If not, he'll take off after another.

Miss Quita Watkins, bride-elect of Clyde Green, was honored with a bridal shower in the home of Mr. Leo Frizzell on Monday night, October 19, by friends of the bridegroom, son of Mr. and Mrs. J. E. Green of Center.

Misses Patricia Robertson and June Hartline greeted the guests and Mrs. Garvin Beedy was in charge of the guest register. Misses Margaret Dunn and Patsy Robertson served spiced tea and cookies from the refreshment table.

The table, laid with a white linen cutwork cloth had as a centerpiece, a miniature grand piano, with bride and groom, around which was placed pink and white fall flowers. Pink lighted candles with silver service completed the table decorations.

The toast to the bride was given by Miss Patsy Robertson, who presented the honoree, with the hostesses' gift.

Co-hostesses with Mrs. Frizzell were Mesdames Doyle Sandefur, R. C. Hodges, J. D. Welborn, W. L. Hartline, Frank Dunn, J. R. Robertson, W. M. Jackson, and Mmes. Marion Carpenter, Garvin Beedy, O. G. Mayfield, Charles Horton, R. C. Ross, Welborn Miller and Mrs. Nolan Arney.

Miss Watkins, Fort Worth, visited in the home of the J. E. Greens over the week-end of October 16.

W. A. Gound and Rev. Joe Wilson returned home last mid-week from an extended trip east of the Mississippi. While absent from home they were guests of a sister and other relatives of Mr. Gound in Florida. They also spent a part of their time in Tennessee with relatives. Both have numerous relatives in that state.

Two psychiatrists met on the street, and one said to the other: "You're fine; how am I?"

## Children's Talent Hour Meets With Pleasing Success

The first presentation of the children's talent hour at the Andrews Ward school gym on last Wednesday afternoon was quite successful. The participants were cooperative and enthusiastic. The awards were as follows:

Pre-school and through the first grade: First place, Jimmy Wester, second place, Jan Stansell;

Second grade through the fifth grade: first place, Frances Van Wickel, second place, Neta Payne Goughly and Jay Holmes, third place, Janice Nolan;

Sixth grade through the eighth grade: first place, Gay Rosson, second place, Gail Rosson, third place, Sue Nelson and Jerry Floyd.

Other contestants deserving honorable mention were Phil and Johnny Jones, Jill Matsler, Jennifer Henry, Glenda Morgan, Fern Patterson, Hope Robertson, and Jerry Williams.

Dick Galloway did a fine job as master of ceremonies. Andrews Ward pep leaders, Pat Robertson, Darlene Laminack and Janet Marcus were not contestants, but they added the proper spirit to the program by leading the group in several school yell.

Mrs. Jim Ward and her girl scouts had charge of the nursery and helped in a great way with the little ones in the gym.

The committee wish to express their appreciation to all who helped make the first talent program successful.

Plan now to attend the next talent hour on November 18 at the school.
