

When Lighthouse Electric Held Open House

These pictures tell something of what the Lighthouse electric coop's visitors enjoyed when they at the new look headquarters building (shown top left) last week.

The women who served coffee during the day are assembled in the picture, left center panel: Left to right are Mrs. John B. Smitherman, South Plains, Mrs. Lee Rushing, Rt. 3, Floydada, seated at the table, John Nay, bookkeeper looking on. In the far background left are Mr. and Mrs. Melvin Henry.

The lower left panel picture was made in the office of the home economist, Mrs. Nancy Morckel, Mrs. A. M. Battey, Rt. 2, Floydada, Mrs. W. C. Snodgrass, Mrs. Morckel, and Mrs. L. H. Blum, Floydada.

Center bottom row, county agent Bill G. Rodgers is seen registering, Mrs. Lee Rushing, standing. Last picture: In the engineer's office, engineer Wayne Collins, center, and electrification advisor Featherbee, are showing Mrs. A. L. Wylie, Floydada, one of the area maps.

A proposal by the city council that waterworks and sewer improvements and extensions be made in Floydada at a cost estimated at \$241,000 will be voted upon by the citizens of the municipality on Friday, March 26.

The plans adopted were submitted by engineers at the regular meeting of the council Monday night. There were no dissenting votes. The bond issue would be for \$300,000, proceeds of which would be used to refund \$59,000 revenue bonds now outstanding.

The \$169,000 expenditure for waterworks improvements would go principally for new and larger mains or an additional elevated storage reservoir of 200,000-gallon capacity, a new well and supply main is also figured in.

The new mains would include about eight blocks (2,773 feet) of eight-inch mains and about 80 blocks (26,930 feet) of 6 inch mains, a large number of new fire hydrants, 6 and 8-inch gates and fittings.

The new mains and extensions would meet a present deficiency of 41 per cent in fire mains and hydrants in the merchantile section of town, and a deficit of 71 per cent in elevated storage capacity.

At the present time the pumping capacity of the city's supply is just barely equal to the capacity demand of the community. The peak load for one day in 1953 was 1,432,000 gallons of water. The facilities for raising water to the surface is 1,560,000 gallons, according to the engineer's report.

No new booster facilities are figured in the estimate, since present equipment will meet demands of the present and early foreseeable future. The engineer estimates that the plan as laid out will meet the demands of the community until it reaches a population of 4,900 people.

As to the new sewer facilities, included in the estimate at \$72,000, the city would have to acquire 25 acres additional land adjacent to their present eight acres, would have to install an Imhoff tank with capacity to meet the needs of a population of 4,000 people (together with present facilities a total of 3,000 population), and would install new sewer lines in northeast Floydada, east of the Santa Fe right-of-way and north of Virginia street to serve more than 20 blocks residence area. Similarly the plan includes several blocks of residence area, north of Highway 70 in east Floydada, east of the Quannah route, between California and Georgia streets.

The city council Monday night pledged that the city will tighten up on enforcement of the new sanitary ordinance, and to that end directed the sanitary department to refuse hereafter to take garbage from barrels or to empty barrels into the garbage truck.

At the same time the council strongly urged those who are not in compliance with the ordinance to get in line, pointing out that in cases of failure to meet the ordinance requirements in a reasonable time, the city will have no alternative other than to prosecute under the ordinance.

In this connection Mayor Patterson points out that the new sanitary ordinance has been in effect 120 days, and that it will not be fair to those who have cooperated and are handling their garbage in an approved manner under the ordinance, to continue a lax policy toward others who disregard the ordinance.

The mayor said that the new ordinance was passed in an effort to meet standards set up by the state health department to protect the health of the people. The new garbage truck was put into service at a cost of \$5,000 to the taxpayers. In areas where the rules are being observed improvement in sanitary conditions have been gratifying.

The approach of summer time and the fly season coming on makes it imperative that the matter of compliance with the ordinance be straightened out before that time arrives, said the mayor.

Action of the council on the matter was strongly urged by a delegation from the Lions club which conferred with the city fathers at their meeting.

Sgt. Ervin P. Looney Selected At March for Officer Training

Hq. 15th AF, March AFB, Calif.- Technical Sergeant Ervin P. Looney, son of Mr. and Mrs. J. P. Looney, Floydada, Texas, has been selected to attend Officers Candidate School, Lackland AFB, Texas, in the March '54 Class. He is a finance technician in the Directorate of the Comptroller, Hq. Fifteenth Air Force, a unit of the Strategic Air Command (SAC).

The appointment was made possible largely through Looney's efforts at self-improvement to meet the standards required of potential officers. Looney, 26, already in his ninth year in the Air Force, added to his year and a half at East Texas State Teachers' College, Commerce, Texas, with another 1 1/2 years' education. He attended night school at Vallejo College and Sacramento State College, both in the San Francisco area.

Sergeant Looney graduated from Floydada high school in 1944 and then attended East Texas State for 1 1/2 years, majoring in music. He enlisted in the USAF in January, 1946, and by October 1946, had completed twenty weeks' training in the Air Force's finance training schools at Lowry Air Force Base, Colorado.

He was a member of the Berlin Airlift support forces from August, 1948, to February, 1949, being stationed at Rhine Main Air Base, Germany, following which he was assigned to Travis Air Force Base, California, a Fifteenth Air Force station. For a three month period in 1950-1951 he attended the Advanced Enlisted Men's Disbursing Course at the Army Finance Center, St. Louis, Mo. In May, 1952, he was reassigned to his present duty station with Headquarters Fifteenth Air Force Base. He has been residing in nearby Riverside, California, with his wife, the former Maxine Craig of Plainview, Texas.

FORMER FLOYDADA PASTOR WILL TALK TO BAPTIST BROTHERHOOD

Rev. Rudolph A. Renfer, of Dallas, a former pastor of the Cumberland Presbyterian church of Floydada, will speak Monday night here to the Brotherhood of the First Baptist church at their monthly meeting. It was announced this week by Judge Alton B. Chapman, Brotherhood program chairman.

The speaking hour will be 8 o'clock. The brotherhood will assemble at 7 o'clock as usual for supper and hear the visitor afterward.

A native of Eureka, California, the former Floydada minister is presently professor of church history and missions at Dallas Theological Seminary.

Rev. Renfer entered the service during World War II from Floydada in January, 1942. He served as assistant division chaplain of the 81st Infantry division. He sustained critical wounds in Europe in service with the 87th infantry division.

Rev. Renfer attended college in California, Wheaton college in Illinois, and graduated from SMU. After the war, he entered the University of Texas and is presently a candidate for the doctor's degree in history. He attended Dallas Theological Seminary from which he received a master of theology degree.

While in residence at the University of Texas, he was pastor for three and one-half years of the Cumberland Presbyterian church in Austin.

In 1949 he was asked to join the faculty of his seminary as professor of church history and missions. As a public service, Renfer serves as wing chaplain for the Texas wing of the Civil Air patrol. In this capacity as administrative officer, he coordinates the work of some 40 Civil Air patrol chaplains in Texas, and holds the rank of lieutenant colonel.

A few years ago, Time magazine cited the fact that Rev. Renfer had inaugurated the first seminary course of orientation for prospective chaplains in the United States. Such courses are now offered in several Southern Baptist seminaries, including Southwestern in Fort Worth, Texas.

The subject of his address to the Men's Brotherhood of the First Baptist church in Floydada will be "The urgency of Christian missions."

Skaggs Opening New Studio at Jackson Stand

Mr. and Mrs. Don Skaggs, recently of Houston, will open the Skaggs Studio in the very near future, in the Jackson building, 126 West California street, where the Jackson Studio was until recently located.

Mr. Skaggs, for two and half years was associated with Litterer Commercial Photographing company, the second oldest concern of its kind in the United States. He was also with Viet De Palma, studio in Mexico City, correspondent for Life and Colliers magazines, and for some time was associated with Bill Roberts, commercial photographer for the Houston Press.

Mr. Skaggs has given lectures on commercial photography at the Houston high school, and his pictures have been on display at state professional photographers' conventions.

Mr. and Mrs. Skaggs will offer wedding service in Floydada and towns of the surrounding area. In San Antonio this week are the Skaggs who are purchasing for the new studio.

Mrs. Skaggs is the former Ruth Harmon, daughter of Mr. and Mrs. F. C. Harmon.

CHARLES CLARK FAMILY MOVE TO FLOYDADA TO MAKE HOME - Mr. and Mrs. Charles Clark and two children, Fred and Jane, have moved to Floydada to make their home. The Clarks reside at 312 West Mississippi street and came to Floydada from Lubbock.

Clark has been here for several weeks and is associated with Bishop Motor in the sales department of the Ford agency. His wife, Plecta, and the children joined him this week when suitable living quarters were found. Fred is seven and in the second grade. Jane is four years old.

REV. RUDOLPH A. RENFER who will address the Baptist Brotherhood here Monday night, on the urgency of Christian missions. He will also preach for the former congregation at the Cumberland Presbyterian church Sunday morning and evening.

I. That an election be held on the 26th day of March, 1954, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the qualified electors of said City who own taxable property therein and who have duly rendered the same for taxation:

Proposition Number 1
"SHALL the City Council of the City of Floydada, Texas, be authorized to issue FIFTY NINE THOUSAND DOLLARS (\$59,000) of revenue bonds of said City for the purpose of paying off, refunding and cancelling an equal amount of the outstanding indebtedness of the City's Waterworks and Sewer System, as evidenced by City of Floydada, Texas Waterworks and Sewer

System Revenue Bonds, dated December 1, 1946, in the principal amount of \$59,000, being Bonds Numbers 27 to 35, both inclusive, bearing interest at the following rates: Bonds Numbers 27 to 36, both inclusive, at the rate of 2-1/4% per annum, and Bonds Numbers 37 to 38, both inclusive, at the rate of 2-1/2% per annum; maturing serially on December 1st in each of the years as follows: \$4,000 1954 to 1959, inclusive, and \$5,000 1960 to 1966, inclusive, which bonds were authorized and issued pursuant to an ordinance adopted by the City Council of said City on the 25th day of November, 1946, and to which ordinance reference is hereby made for further description of said bonded indebtedness; said said revenue bonds to mature serially over a period of years not to exceed thirty (30) years from their date, and to bear interest at a rate not to exceed THREE AND THREE FOURTHS PER CENTUM (3-3/4%) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

Proposition Number 2
"SHALL the City Council of the City of Floydada, Texas, be authorized to issue ONE HUNDRED SIXTY NINE THOUSAND DOLLARS (\$169,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed thirty (30) years from their date, and to bear interest at a rate not to exceed THREE AND THREE FOURTHS PER CENTUM (3-3/4%) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

Proposition Number 3
"SHALL the City Council of the City of Floydada, Texas, be authorized to issue SEVENTY TWO THOUSAND DOLLARS (\$72,000), of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period of years not to exceed thirty (30) years from their date, and to bear interest at a rate not to exceed THREE AND THREE FOURTHS PER CENTUM (3-3/4%) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

II. That said election shall be held at the City Hall in the City of Floydada, Texas, and the entire City shall constitute one election precinct.

III. That the following named persons are, hereby, appointed officers of the election, to-wit:

R. M. Bailey, Presiding Judge
J. G. Wood, Judge
Mrs. E. S. Randerson, Clerk, and

RALPH MEEKER and BETTY HUTTON in a song and dance routine from Paramount's "SOMEBODY LOVES ME," in color by Technicolor. Coming to Capada Drive-In Theater, March 14 - 15

Mrs. Jean Gordon, Clerk

IV. That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

V. That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

Proposition Number 1
"FOR THE ISSUANCE OF \$59,000 WATERWORKS AND SEWER SYSTEM REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$59,000 WATERWORKS AND SEWER SYSTEM REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

Proposition Number 2
"FOR THE ISSUANCE OF \$169,000 WATERWORKS REVENUE BONDS AND PLEDGING THE REVENUE OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$169,000 WATERWORKS REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

Proposition Number 3
"FOR THE ISSUANCE OF \$72,000 SEWER SYSTEM REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$72,000 SEWER SYSTEM REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

AS TO EACH of the foregoing propositions, each voter shall mark out with black ink or black pencil one of the above expressions, thus

leaving the other as indicating his or her vote on the three propositions respectively.

VI. In the event the said revenue bonds are authorized to be issued by a majority of the qualified electors of said City, voting at said election, and the same are issued and sold, the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election, shall contain this clause:

"The holder hereof shall never have the right to demand payment of any funds raised or to be raised by taxation."

VII. That notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said notice shall be posted at three public places in said City, one of which shall be at the City Hall not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation, published in the City of Floydada, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

VIII. That all revenue bonds presented in Propositions 1, 2, and 3 hereinabove mentioned, are to be ratably secured in such manner that no one bond shall have priority of lien over any other bond, it being the intent hereof to provide for the creation of an indebtedness against the City's combined Waterworks and Sanitary Sewer System for the purpose hereinabove stated, and such bonds as are approved by the qualified voters, voting at the election herein and hereby ordered, are to be issued in one or more installments, but as a single combined authorization.

PASSED AND APPROVED, this the 8th day of March, 1954.
J. A. Patterson
Mayor, City of Floydada, Texas

Negro Students Down From 1953

Floyd county's slight gain of 43 scholastics in the January enumeration, over the enumeration of 1953, was all in the number of white children listed, the colored list showing a net loss of 15 pupils.

Practically all of the loss in numbers of colored children was in Floydada and Lockney districts. Three rural districts showed a gain in colored scholastic population. One rural district, Lone Star, showed a loss of one, from 12 to 11, in the year.

The total number of colored scholastics in the county on the 1954 roll is 172. For 1953 the figure was 187. The loss of scholastics in this classification in Floydada district was 13, down to 112 from 125. In Lockney district the loss was 16, down to 21 from 37 in the year previous.

Enumerations for 1954 in other districts show South Plains 12, Sand Hill 11, and Lakeview 5.

Dougherty and Providence enumerated no colored children for this year, nor for last.

Sanitary Disposal System Work

The Sanitary Department reports there are some 120 homes in Floydada that do not use the approved type can, and this is a serious handicap in keeping up with their schedule.

Burning trash in large drums endangers city equipment and working personnel when these drums are dumped into the truck to be hauled away. Handling of these heavy containers also slows down operations and makes pick-ups further apart.

Help your city and your neighbor by securing a sufficient number of cans and following approved methods of garbage disposal.

Mrs. Roy Hollar Tells of Library At Club Meeting

The 1929 Study club met with Mrs. Hollar as hostess on Thursday afternoon. The president, Mrs. E. E. Joiner was in charge of the business session, when the club voted to give to the milk fund.

Mrs. Roy Hollar, club member, spoke to the club on "Our library ten years hence." Twenty seven hundred books belong to the library, with 1250 books being circulated. The club is very pleased with the response the public is giving the "Story Hour" each Saturday morning.

Mrs. Rose Henry has charge of the story hour each Saturday morning at ten o'clock for one hour. Mrs. Hollar and the library board has been very helpful to the county.

Guests present at the meeting were Mrs. Jim Barnard, Mrs. Kinder Farris, and Mrs. Woods. Members present were Mesdames Ray Smith, Rosa Henry, L. J. Weiborn, S. J. Latta, E. L. Norman, J. D. McBrien, E. E. Joiner, John Hoffman and Mrs. Hollar.

The club meets March 19 at Lighthouse Electric lobby at 4:30 for a book review given by Mrs. O. M. McGinty of Spur, past-president of the Seventh District Federation of Women's Clubs. Mrs. McGinty is now teaching speech in the Spur high school.

The public is invited to hear this review, an admission charge of 50 cents will be made.

LIPSTICK LOGIC
LOUISE ALLEN

A successful woman broker, in New York or Chicago, has some advice for husbands. Seems she thinks they don't tell their wives enough about family finances. They just say, "Buy what you need and don't worry." Then when and if something happens to the man of the house, the little woman is helpless. Doesn't even know if she can pay the doctor's bills, and things like that.

This is indeed interesting in the financial circles in which we travel, however, it would be pretty hard to keep the family income a secret. At our house, it takes everybody in the family working overtime, to make the books balance at the end of the month. We know some other homes like that, too.

Of course, our first reaction to the story about this prominent woman broker, was complete agreement. Women should know about the family finances. It keeps them from making thoughtless purchases at the wrong time. It teaches them "the value of a dollar" (which for some reason has always been considered good, although the dollar's value is as inconstant as a thermometer). And it enables them to take over the family finances if the head of the house is put out of commission.

After agreeing, our next reaction was pride — at our house we already do it right. This, alas, was followed by a nagging suspicion: Maybe we aren't so smart after all. Women who are told "just buy what you need and don't worry," may be smarter. Any time they have to do so, most of them know perfectly well they can get sensible and use the brains they've been carefully concealing.

So now we're torn between pride in our shared economy and envy especially right before Easter; that we can't play possum with the family income.

Games were played and the hosts served a refreshment plate to the honoree, her parents-in-law, Mr. and Mrs. Jim Elliott and Mr. and Mrs. Ralph Rucker. Mr. and Mrs. Layton Darrell, Mr. and Mrs. Bud Sparks, Mr. and Mrs. Pete Roe and Miss and Melvin Lowrance.

Center News

(by Mrs. J. E. Green)

CENTER, March 10 — Looks like we are going to have a dust storm today. The first since the snow last Thursday. We appreciated the clear spell.

Weather is warming up a bit in daytime. Yesterday was like spring. Wheat is greening up a little, but I guess it will take a rain to bring out the grass.

Mr. and Mrs. Mankins celebrated their birthdays Sunday with a bountiful dinner. Guests were Bro. and Mrs. Hodges.

Carlota Reeves spent the week-end with Margaret Dunn and attended church here with the family. Donna and JoAnne Weiborn were Sunday dinner guests of Mary Grace Dunn. Karen Robertson visited Mary Grace after the G. A. meeting.

Mr. and Mrs. Elmer Mosley of Plainview and Imogene Noland of Wayland visited Sunday, February 28, with Imogene's homefolks. Mr. and Mrs. T. R. Noland and Joe Richard.

Lon Clark Green of Big Spring visited homefolks Sunday and attended morning church services.

June Hartline was a Sunday dinner guest of the J. E. Greens.

Mr. and Mrs. Buck Ragdale of Baileyboro spent the week-end with her parents, Mr. and Mrs. R. C. Ross. Mrs. Ross' father and brother, S. A. and Homer Guffee were Sunday dinner guests. Mr. and Mrs. Clarence Guffee visited in the afternoon.

Jerry Hodges spent the week-end in Austin with a group of Plainview friends attending the basketball tournament in which Plainview boys had a part.

Mr. and Mrs. D. I. Bolding visited the Greens, Tuesday evening.

The associational recognition service for G. A.'s at Center church was held Friday night to a full house. Twelve girls had a part in the service which was led by the young people's leader, Mrs. Bruce Allen of Mt. Blanco. Patsy Robertson was crowned queen of service, the graduation service for G.A.A. Crista Reeves was pronounced a princess. We do not have the names of the other ten girls.

Our G. A. Annie Armstrong program Sunday night was well attended. The mission offering was \$300.00. If there are those who were absent that night they may hand their offering to the church treasurer.

Margaret Green Ryman of Bay City called her parents, the J. E. Greens, Tuesday night to say that her young sister-in-law, Sarah Blanche, passed away on Tuesday morning after a long illness. The bereaved family have our deepest sympathy in their great loss.

Those attending the pink and blue shower honoring Mrs. John Hinsley were Mesdames J. D. Weiborn, Leo Prizzell, W. L. Hartline, R. C. Ross and Mrs. J. E. Green. The shower was held at the Horace Marbie home in South Plains.

On the return the five ladies visited a new family of neighbors, the Fred Robertsons formerly of Barwise. We welcome these to our community. They live in the house formerly occupied by the Ross Greens.

Center home demonstration club will meet Friday, March 12, with Mrs. Travis Lightfoot.

Research Catches Up With The Tomato

Americans almost daily are benefiting from the fruits of research carried on constantly by scientists all over the country. Above, you see Francis Noon (right), head fieldman for the Snider laboratories of General Foods at Albion, N. Y., holding a new variety of tomato developed by their scientists for making catsup and other tomato condiments, following six years of research. Looking on are Mrs. Theresa Krenzer and her son, Ted. Mrs. Krenzer, with her three sons and three daughters, farms 800 acres and grows 100 of them in tomatoes. This new variety resists cracking, has a superior color, and contains more edible solids. The plants of this variety will be made available to Mrs. Krenzer and other tomato farmers—another example of close cooperation between grower and processor to provide better and better food products for the consumer.

Court Not Asking Governor For Aid

Members of Floyd county commissioners court, who attended the Childrens drouth aid meeting on March 1, decided against making the trip to Austin with the 12-county judge's delegation to confer with the governor or obtaining aid for drouth-stricken residents.

"The commissioners felt like this county could not qualify to the extent the Childrens-area counties were ready to represent their needs and conditions," said Judge Ralph C. Johnston yesterday. "This isn't to say we do not have needy people. We always do, of course. But we have had no general demand from any part of the county for us to appeal to the state or federal government for help and the commissioners felt we should not anticipate the need to that extent, at least for the present," the judge added.

MOTHER INJURED IN FALL

Mr. and Mrs. W. B. Eakin have returned from a two-week stay in Waco, where they visited with Mr. Eakin's mother, Mrs. R. M. Eakin. Mrs. R. M. Eakin had the misfortune of falling at her home and breaking her left leg. She has been a patient in the Marlin hospital for two weeks.

Mr. Eakin reported his mother was doing fine on Wednesday when they returned home.

Engineering Crew Begins Barwise Job

Field engineers are at work this week on the line survey for pavement due to extend westward from Barwise into Hale county. Jack Chitwood, assistant to resident engineer James F. Potts said a field crew headed by Louis Newell and Watson Jones, are at work on the route.

They expect to handle the engineering also on the two jobs in Hale county which tie in at Barwise. One of these runs south from the west boundary line of the Callahan lands in Hale to connect with the Petersburg road. The other runs north from the same point to tie in with the Bellview farm to market road.

All of the jobs, according to the understanding here, are to be let for construction this year.

INFANT SON SUCCEUMBS

Stanley Lynn Holmes, son of Mr. and Mrs. Clyde A. Holmes, was born in a Plainview hospital, March 4 at 1 a.m. He passed away at 9 a. m. the same day.

Graveside service was held at Plainview cemetery at 10 a.m. Friday, March 5.

Survivors other than the parents include a sister, Deborah Kay and grandparents Mrs. Motet Glenn of Plainview, and Mr. and Mrs. S. L. Holmes, sr., of Floydada.

More Wells For Natural Gas

John P. Moss, president of the Floydada Gas company, yesterday that the number of wells under contract to the company is 53, an increase of 10 from last week when there were 43. The gas company is now laying pipe from the wells to area irrigation wells.

It appeared yesterday that the contractor would complete his job of laying 3-inch pipe in time the gas supply in the area. The gas company has laid 10 miles of line which will be the main supply line for the area. The gas company has approximately five miles of line in the area. Moss hopes that the wells will be set in as early as March 15.

Mrs. John Herd of the week-end here with her Mrs. E. A. Hopkins and Jack Henry and family.

Floydada Merchant Tours Mexico On Twelve-Day Outing

Joe Smith, local dry goods merchant, and three nephews, L. D. Smith of Barwise, Leo Smith and Lonnie Smith, of Olton, spent nearly two weeks touring points of interest in Mexico.

The party left Floydada February 22 and returned March 6. On the way down they went by way of El Paso and Juarez and continued on to Mexico City. Mr. Smith said they did not try to stay on the main roads but went along many back trails where they observed farming and irrigation methods of the people there.

Oxen, burrows and hand-drawn water for irrigation were common sights along the way and movie pictures were made of much of the trip. Mexico City was a high light of the journey and offered the tourists a taste of both the old and the very newest in homes and beautiful buildings.

No fishing was planned for the trip but two fish were caught when they flopped into the boat as the party crossed on the gulf to a peninsula to hunt. A storm blew up and spoiled the hunting trip for them.

Returning home they came by Tampico and Monterrey where they saw much more pretty country than on the way down. At Laredo bridge one of the inspectors was O. K. Davis, a former Floydada teacher with whom they talked for some time. Smith didn't know their pictures would turn out as some of the film got wet during the rough boat ride.

Baker Community Completes Report

Friday night the Baker community had their regular meeting at the community center. There was a large crowd present. Visitors were Mr. and Mrs. T. T. Hamilton, Mr. and Mrs. Lindsey Graham, all of Floydada, and Mr. and Mrs. Kenneth Cook and sons of Lockney.

Games of 84 were played and refreshments of cookies and cold drinks were served.

Mrs. Ham Smith received the cake.

The report forms were completed at this meeting. Thursday and Friday, March 11 and 12 were set as clean-up days for the grounds around the center. All members are urged to come and help with the clean-up. The ladies of the center will serve lunch at the noon hour at the community center.

The next meeting will be held March 19.

QUICK QUIP

The husband and wife were in the midst of a violent quarrel, and hubby was losing his temper.

"Be careful," he said to his wife, "you'll bring out the beast in me."

"So what!" the spouse replied. "Who's afraid of mice?"

New Upholstery Waterproof

Chevrolet's new Delray Club Coupe, introduced this year, is upholstered in grain leather vinyl, an easily cleaned plastic that is waterproof. This swimmer has no fear that her sopping wet bathing suit will mark or spot the car's colorful cushions or interior trim.

Aluminum May 'I Give You Texas' Save Pirate Island —Boyce House

WASHINGTON—The red soil of Jamaica's central mountains is rich in bauxite, the ore of aluminum and it may bring back prosperity to the island that was once a pirate's paradise.

It is estimated that 320,000,000 tons of bauxite awaits exploration and two companies from the United States and one from Canada are investing \$60,000,000 in the island on which Columbus once was stranded.

Special dock facilities are being built and heavy machinery to dig the ore from open pits and to begin its processing is being imported.

Jamaica has had its good times and its bad. First Spanish, then British, planters reaped golden harvests of exotic fruits, fine woods and sugar. Buccaneers on the Spanish Main brought still greater wealth in the seventeenth century to the English who by then had obtained full title to Jamaica.

Sugar cane, coffee, cocoa, pimento, ginger, indigo, tropical fruits, and tobacco long have been taken from the island's soil, but Jamaica's agricultural prosperity declined. The population has grown and unemployment is a serious problem.

Aluminum may bring Jamaica prosperity, if not the glamorous times when pirates walked the streets and squandered their gold in Port Royal.

New Ulcer Pills Let Patients Eat Anything they Want

NEW YORK—A new treatment for ulcers which allows the patient to eat anything he wants to has been used successfully on nearly 1,000 patients. It was revealed at a recent meeting of the American Medical Association.

The treatment consists of taking anti-acid pills for every half hour. Stomach acids create ulcers. The first step in treatment is to overwhelm the acids during the first 24 hours. Anti-acid pills are taken at half-hour intervals during the day and every 2 to 4 hours the first night to prevent acids from destroying new tissue growing over the ulcer crater.

After this first day, the patient starts to eat whatever he pleases. If he has any pain or distress, it means he needs more anti-acid pills. One pill is aluminum hydroxide. Another contains calcium carbonate, a sedative, and either a laxative or constipating chemical to correct effects of the aluminum.

He keeps taking the pills until he has gone 4 1/2 months without any distress from his unlimited eating. Double-dose pills are taken at night on retiring and during the middle of the night.

The treatment is effective against flare-up of old ulcers, the bane of ulcer victims. Quite often, ulcers kick up every three to six months, especially in the spring and fall.

OFFICIAL TAKES WALK

PARIS—A Paris city councilman who once was a champion in wrestling, recently won a bet of \$28 from a barber by proving he would walk 24 hours straight. He covered 75 miles in the streets of Paris' hilly Montmartre sector. The 200-pounder, Robert Ruau, remarked: "I was just keeping in form."

Band Parents Meet Tonight

Color films of the Whirlwind band in action at Wichita Falls last month, also of the band at one of the football games of the past season will be shown tonight when the band parents and the band meet at the band room on the high school campus.

About 15 minutes of film will be run, said band director John Horn. The meeting hour will be 7 o'clock this evening.

Mr. Horn said he hoped to have a large number of band parents present at the meeting. The ever-present need of raising funds will be discussed and the gathering also will talk plans for the band banquet on May 15.

HIGH TIME

FURTH, Germany—Master Sergeant Joseph N. Whittle will return to the United States next June after a 12-year absence.

Now a member of the 43rd Infantry Division, he never left Europe during his furloughs. He has been stationed at a dozen places in England, France and Germany, and participated in the invasion of Normandy.

Said Whittle, "I'm ready."

HE WASN'T DRUNK

Bartender to Barfly — "Don't you think you've had enough to drink?"

Barfly — "Misses, Lister, I only had tea martoonies and I'm not as much under the influence of inka-hol as some think me peep. And the drunker I stand here the longer I get!"

One's Life Span Influenced by His Arteries

AUSTIN, Texas — Some folks are old at sixty while others are mentally and physically alert at eighty. The number of years one has lived may not be a true index to one's physical condition. Actually, the length of a person's life span is influenced by the condition of his arteries. "Premature hardening of the arteries, often due to avoidable infections, improper diet and possibly worry and strain is to a certain extent preventable," declared Dr. Geo. W. Cox, State Health Officer.

Many of the problems connected with the hygiene of old age are due to lowered mental power. Therefore, a cheerful and optimistic attitude toward the aged, especially during sickness, is essential to their well-being.

Old people regard their condition as far less serious when they can be fully dressed and out of bed. When they can be up, the excretory organs function more satisfactorily. However, when an elderly person complains of being over-tired, or otherwise not physically fit, a day of rest in bed is advisable. By providing light and easily digested food and applying warmth to the body of an aged patient, he is often aided over a mild or threatened illness.

Special attention should also be paid to proper clothing, diet and exercise of the elderly. With reasonable attention to certain well defined and easily followed principles

of personal hygiene, it is possible to grow old gracefully. Furthermore it is also possible, in many instances, to retain ones facilities to such an extent as to make old age a pleasure rather than a burden.

The prisoner's attorney was at a dead end. "Jim," he said, "I filed a motion in Justice of the Peace Court in your behalf, and we got denied. Then I filed a Writ of Habeas Corpus in your behalf in Circuit Court, and we got denied. Next I filed an appeal with the State Supreme Court. There, too, we were denied."

"Finally, I filed a Writ in the highest court in the land, the United States Supreme Court. Again it was the same old story."

"Now, Jim, as my faithful counsellor, I feel it is my duty to inform you that the only place left for you to file is the bars of your cell."

FLYING HOUSE

A man was complaining that he had just bought a prefabricated house, and that it had, in the end cost him \$50,000.

"Fifty thousand!" exclaimed one of his friends. "Isn't that an awful lot to pay for a prefab?"

"Yes," said the home-owner. "It wasn't so much to begin with, but I told that factory I wanted it right away, and they sent it to me air mail."

WHERE'S THE FIRE!

NATIONAL BOARD OF FIRE UNDERWRITERS

Fairview News

(By Mrs. Clyde Bagwell)

FAIRVIEW, March 9 — The snow that fell last Thursday was wonderful to see even though the moisture content was not enough to be of much benefit. We have had lovely weather for the past ten days, but the report is we will have some blowing dust tomorrow.

Lee Rushing who has been a patient in West Texas hospital in Lubbock since last Thursday morning was somewhat improved Monday night. He was taken suddenly ill at his home. Mrs. Rushing said if he continued to improve they could bring him home the last of the week. Miss Dorothy Rushing of Houston flew to Lubbock Sunday night to be at her father's bedside. She will return to her work at Houston tonight.

Bill Hopper of Long Beach, California arrived home last week to spend a 15 day leave here with his parents, Mr. and Mrs. Gene Hopper. Bill is in the Navy. Ann Hopper of Lubbock spent the week-end with home folks.

Mr. and Mrs. Edell DuBois visited in Lockney Sunday afternoon with Mr. and Mrs. Carl Wilson.

Sunday dinner guests of Mr. and Mrs. E. W. Walls were Mr. and Mrs. Clyde Baxter, Mr. and Mrs. D. D. Tate and Miss Vicki Tueton all of Lockney.

Mr. and Mrs. Walter Welch of Plainview and Troy Welch of Sherman air force base visited Mr. and Mrs. Jim Stewart and Jim Dan Saturday night.

Mr. and Mrs. Sam Reeves of South Plains visited Thursday afternoon with Mr. and Mrs. Walton Wilson.

Mr. and Mrs. Clyde Bagwell were Sunday dinner guests of Mr. and Mrs. Jess Covington in Floydada.

Mr. and Mrs. Jim Stewart and Jim Dan went to Plainview Sunday where they visited in the home of her parents, Mr. and Mrs. L. A. Horton. Mrs. Stewart remained in Plainview for a longer visit. She was accompanied home Monday night by her sisters, Mrs. Odell Stapleton and sons and Mrs. Walter Welch and Mr. Welch.

Mr. and Mrs. E. R. Walls of Plainview visited Mr. and Mrs. E. W. Walls Saturday night.

Mrs. Jim Stewart visited Thursday afternoon with Mrs. C. W. Payne.

PATTERSONS TRY CHANGE OF CLIMATE FOR HEALTH

LOCKNEY—Mr. and Mrs. R. E. Patterson left by train Saturday for Corpus Christi where they will spend some time because of Mr. Patterson's health. He has been suffering with a bronchial ailment for almost two months. He spent three weeks in Scott & White hospital at Temple as well as some time in the Plainview hospital. His condition has improved at various times but the ailment comes back and members of the family are hopeful the change of climate will be beneficial.

REBEKAH LODGE MEETS

Floydada Rebekah Lodge No. 77 met in regular session on Tuesday night in LOOP Hall. Miss Ray-anell Turner of Lockney was initiated into the Lodge. Seventeen members and 16 visitors from Plainview and Mtadard Rebekah Lodges were present. A salad supper and social hour was enjoyed after lodge adjourned.

FAMILY AFFAIR

ASCHAFFENBURG, Germany—Master Sergeant Richard A. Behlke, sergeant-major of a U. S. Army First Infantry Division unit, counts Smiths when he can't sleep at night. The unit commander, three staff officers and five enlisted men are all named Smith.

For Behlke, there is only one consolation. "When they yell Smithy, everyone knows it isn't the commander—they call him 'Colonel Smithy,'" he said.

Gilbert L. and Claude Fawver left Monday morning for Fort Worth with a load of cattle. They returned Tuesday night.

'Winds Journey To Snyder For Meet Saturday

The Whirlwind coaches and their track men will go to Snyder Saturday to enter the Canyon Reef relays for their first official competition of the season.

The Snyder meet is considered pretty fast company for the locals who lost several of their best men last year to graduation, and will be up against a large field of entries from many bigger schools.

Coaches Preston Watson and Jack Meredith have had their charges practicing at the school track for some two or three weeks now and believe them to be progressing satisfactorily. Last Friday they held their first tryouts and on Tuesday afternoon the Whirlwinds took on the Slaton Tigers in a practice meet.

Winds Test Slaton Tuesday

Tuesday afternoon the locals piled up 96 1/2 points to the Tigers 57 1/2 to win their first victory of the year, though it was only a practice meet and the coaches were experimenting with their material.

First place winners and their times were as follows:

- 100 yard dash — Jerry Reynolds, Slaton, 10.5
- High Hurdles — Harold Trout, Slaton, 18.6
- High Jump — Bob Ashton, Floydada, 5'4"
- 440 yard dash — Smith, Slaton, 57.1
- 1 Mile run — Jack Womack, Floydada, 4:54.1
- 440 yard relay — Floydada, Stephens, Covington, Johnson, Slattery, 46.2
- 880 yard run — W. L. Holt, Slaton, 2:16
- Pole Vault — Bill Day, Floydada, 9'8"
- Broad Jump — Cloyd Stephens, Floydada, 18'6"
- Shot put — Stanley Vickers, Floydada, 42'3"
- 220 yard dash — Jackie Johnson, Floydada, 23.5
- 180 yard low hurdles — Cloyd Stephens, Floydada, 22.1
- Discus — Stanley Vickers, Floydada, 126'7"
- 1 Mile relay — Floydada, Stephens, Swanner, Covington, Johnson, 3:48.9

Work Out For Golf

Coach Paul Huntington and four high school boys are practicing their golf game at the Floydada club every afternoon. Those working out are Max Crawford, Jimmy Collins, Don Sparks and Gary Cartheil. The district 5A meet for golf will be held at the club grounds here on April 3 starting at 9 a. m.

Judge and Mrs. Kenneth Bain spent last week-end at Breckenridge and Hamilton. At the first-named place they were guests of their daughter and her husband, Mr. and Mrs. Leroy Rushing. At Hamilton they visited with Judge Bain's sister and other relatives.

Farm Bureau

(Continued from first page)

legislators are willing and anxious to cooperate with the farm people when they learn that the ideas advanced are sound, feasible and for the welfare of the state and nation.

W. R. Puckett, county Farm Bureau service man, went into detail on the services which the county organization is rendering members, claiming Farm Bureau membership "pays on a dollar and cents basis" on its insurance program alone.

Some of the things in which the Farm Bureau here has recently interested itself in are the cotton program, rural roads, the campaign for a cotton classing office at Plainview, teachers pay raise and taxation to support it, and the insurance program. The farmers organization will push for a weed control law in Texas next year when the legislature meets.

Gene Leach, district field man for the Farm Bureau in a 23-county area, including Floyd, was an interested listener at the meeting and spoke briefly. He said that 180 counties are now actively organized counties are now actively organized with Farm Bureau. The farmer, he pointed out, is a "preferred risk."

For purposes of the membership campaign the county membership committee divided the county into compact work areas and assigned teams for each area. Detail maps, showing where the homes are, together with information on every member and who are not in every community, were passed out. In communities where no residents are available to carry on the canvass "outsiders" from other communities of the county have been assigned work areas.

The invocation was said by Durwood Jack of Prairie Chapel. The Floydada high school cafeteria, scene of the meeting, was comfortably filled. Dale Puckett, the Howard county speaker, was presented by his father, W. R. Puckett of Floyd county.

Among the guests of the evening were Mr. and Mrs. Bob Miller, and Mr. and Mrs. M. W. Wiley, of Lockney, and Olin M. Watson, Jr., of Floydada. Miller is president of Lockney Chamber of Commerce and Watson is secretary-manager of the Floydada Chamber of Commerce. Wiley has been active in encouraging the Farm Bureau organization.

City Bond Vote

(Continued from first page)

this respect. For the time the council deferred including any of the area in south-west Floydada, west of People's hospital and Second street for any extensions of sewer lines. Topography of the land would call for a sewer lift in addition to the mains, and the cost would be excessive, the engineer estimated.

Cost to the voters in administrative and engineering services is estimated at \$14,277.74.

Rate of Interest Higher
Although not approaching the cost of bond money in prior years, the interest cost of the issues, including the \$50,000 refunding issue,

would be in excess of 3 per cent, bond house representatives tell the council. The issue is being advertised at a rate not to exceed three and three-fourths per cent. The city hopes to sell the issues at 3 to 3 1/2 per cent if their plans get the approval of the property owners. The bond issue that would be refunded now bears 2 and three-fourths per cent interest.

Only properly taxpaying electors will be qualified to vote on the issues. R. M. Baiter was named presiding judge, with J. G. Wood, judge. Mrs. E. S. Randerson clerk, and Mrs. Jean Gordon, clerk. Election place is the city hall and all the city is declared one voting precinct for the purposes of this election.

ROTARIANS OF FLOYDADA ATTEND CHILDRESS MEET

President Clinton E. Pyffe and Secretary Bill Hardin of Floydada Rotary club were among the speakers on the program last week-end at Childress when Rotarians of District 183 gathered for the spring conference.

President-elect Billy Brown, Brac Biggers, Jimmy Willson, John B. Stapleton, Carl L. Minor, Jr., S. W. Ross, Judge and Mrs. Alton B. Chapman, and Dr. and Mrs. J. M. Willson were among the number from Floydada who took in the three-day meet and enjoyed the hospitality of the Childress club.

Dorotha Powers Concert Thursday Night, Next Week

Dorotha Powers, American violinist, will appear in Floydada on Thursday, March 18, in the second of a series of three concerts presented by the Floydada community concert association.

Born in the Midwest, Dorotha Powers has a completely American musical heritage. She followed her girlhood musical debut with more than 500 concert appearances as soloist and with her own quartet. In the spring of 1948 she made her European debut in Paris. Her Paris success was followed by appearances in the music capital of Switzerland and the Netherlands.

Since then she has toured most of this country and appeared with many orchestras. She has been soloist with the New York Philharmonic-Symphony, the Minneapolis Symphony, The Philadelphia Orchestra, and the Boston Symphony at the Berkshire Music Festival.

Dorotha Powers owns the fabulous "Earl of Plymouth" Stradivarius violin which is dated 1711.

Judge Empanels New Grand Jury

Judge Alton B. Chapman yesterday empaneled the new grand jury for 119th district court of Floyd county and set them to work, after naming Joe D. McBrien foreman.

Other members of the grand jury are Lee W. Burton, B. C. Cates, Harmon L. Handley, Gerald L. Lackey, Jim Bert Bobbitt, G. B. Johnson, Jr., Wm. F. Bertrand, A. D. Monk, Ewald Quebe, Maurice Cam-

pbell, and W. F. Daniel, Jr.

The jury, known as the "February" grand jury, will serve the county for a six month term ending on Sunday before the first Monday in July.

District Attorney John B. Stapleton indicated last week that several matters would be presented to the grand jury for their consideration.

New grand juries also have been empaneled in Briscoe and Dickens counties in this month.

PLASTIC FILLINGS IN USE, DENTIST SAYS

CLEVELAND — Dr. Fred Slack, associate professor of prosthetic research at the University of Pennsylvania, reports a new plastic filling is now in use and has been used on some 10,000 persons. It can be installed with much less drilling pain than other kinds.

Dr. Slack, who developed the method, says the plastic fillings appear to stand up as well as other types, but more time is needed for a full appraisal.

The fillings have an adhesive quality and drilling is reduced by one quarter to one half, he reported.

SCHOOL HOLIDAY FRIDAY

Friday, March 12 will be a holiday for pupils at Floydada high school and Andrews ward school.

Most of the teachers in both schools will be in attendance at the teachers meeting in Big Spring on that day, according to Superintendent of schools I. T. Graves.

J. P. Bridges, founder of The Luling Signal and the father of the present publisher, Hal Bridges, was elected Texas Press Association president in 1880 at a convention held in Dallas. The Signal was established in 1878.

School Week Has Wide Interest In County's Schools

Public school week in Floydada ending Friday was an event in the lives of the public, teachers and parents.

More than one thousand visitors were at the Andrews Ward school and Floydada high school on Monday and Tuesday and on Friday during the week.

At the high school, the Student Council, of which Ann Deakins is president, had charge of the hospitalities and the program, which was given by choruses, the band and speech departments.

Punch and cookies were served Friday evening by the Home Ec girls with Mrs. Willis Cooper directing.

The North ward school had their open house on Friday from 2 until 4 o'clock and a number of visitors were there to view the exhibits and hear and see the program.

Schools over the country also observed visitation day and the week in various ways and programs.

Army Major Raymond A. Keiser, in co-operation with the Insular Bureau of Agriculture (Philippines), in 1931 produced a vaccine for rinderpest, an acute cattle disease. Within a few years after the development of this vaccine, rinderpest was eradicated from the islands.

A single Army Quartermaster subsistence supply company of 190 men can receive, break down and issue all food items required for approximately 100,000 soldiers.

Due to weather conditions, it is more difficult to fly from Europe to America than from America to Europe.

R. M. Johnston, of The Texas Press Association is in the convention in El Paso, meeting the newspapermen on an excursion to Mexico City.

The Army streamlined its school structure by streamlining courses, eliminating 20 and adding 23 into 14 courses, fiscal 1953.

consisted of baked turkey, sweet pea pickles, cream, freshly baked bread, and butter — all favorites, but prepared in day appliances.

with the theme of the "Old Time Favorite" demonstration given by Mrs. C. A. Stady, a member of the club, was hostess.

this paste was brown and crunchy. Mrs. Campbell said the paste for the turkey was a necessity since wild turkeys were usually so poor they needed the added fat. Sometimes they used strips of bacon on the turkey.

Mrs. Bundy Campbell's modern version of this traditional recipe is to use the electric roaster for preparing the turkey.

The rice was cooked in an electric roaster — 1 cup of rice, 3 cups of cold water and 1 teaspoon salt. Put into roaster for 1 1/2 hours with temperature set at 250 degrees. Just before serving some melted butter and curry powder was added.

Old Fashioned Pound Cake
3 cups sifted all-purpose flour
2 cups sugar
1 heaping teaspoon baking powder
1 level teaspoon salt
Sift together 3 times and put into large bowl of mixer
Add:
1 cup sweet milk
1 cup Crisco, shortening or butter
4 whole eggs
2 teaspoons flavoring
Mix at medium speed for 4 minutes and bake in 350-375 degree oven.

Grape Ice Cream
3 cups sugar
2 cups top milk
1 pint of cream
1 pint of grape juice
juice of 3 lemons
Mix sugar and milk and stir until sugar is dissolved. Add grape juice and lemon juice quickly, stirring constantly, so juices will not curdle. Pour enough milk to almost fill a gallon ice cream freezer and freeze. (After this is frozen it may be packed into cartons and kept in the food freezer until used.)

Sweet Peach Pickles
(Mrs. Caffee made these by a recipe that has been a favorite in her household for years)
6 pounds fruit
3 pounds sugar
3 dozen cloves (whole)
1 pint vinegar

Put 1 or 2 cloves in each pickle. Add a little cinnamon bark. Have syrup hot, drop in peaches and cook until tender.

Old fashioned checked tablecloths were used on the tables. A centerpiece was made up of many colors of linen handkerchiefs, trimmed with hand-made tatting made by Mrs. Caffee. Each lady present took a handkerchief of her choice as a gift from the hostess.

Movies were shown by Melvin Henry, manager, following the luncheon. One on the use of electric roasters, "Two Square Feet of Cooking Magic," one on nutrition "V-Men" and a cancer film "The Traitor Within."

Russell Dew, formerly of College Station, Hotstick Specialist, is working at the Co-op now.

Miss Dulon Sargent of Oakland, California, and Mrs. Leland Woodward and Cathy of Lamesa spent last week here visiting with their sister, Mrs. Pete Hickerson and family and other relatives.

Cope of Plainview; Mr. and Mrs. Elmer Cooper, Mac and Gary of Foydada, Route 1, and Mr. and Mrs. Pete Hickerson and Pat had dinner on Sunday with their father, L. A. Sargent and Mrs. Sargent, of Foydada.

Mr. and Mrs. Buck Marricle visited over the week-end in Littlefield with his sister and family, Mr. and Mrs. Wayne Todd; in Lubbock with another sister and family, Mr. and Mrs. Carl Shipman, and in Idalou with his parents, Mr. and Mrs. E. J. Marricle.

Wayne Collins — "No news—sure was a dead week-end."

Kathryn Turner spent Saturday afternoon in Amarillo.

Mr. and Mrs. Carl Darr of Paducah spent Sunday with his sister, Mrs. Wiley Rogers and family. Other guests in the Wiley Rogers home were Mrs. Nora Fair and children of Lubbock and Mr. and Mrs. A. G. Tyler and Ronnie of Foydada, and J. W. Clary of Quitaque. Mr. Clary is Mrs. Rogers father.

Mr. and Mrs. Bill Baker spent Sunday in Hereford with Mr. and Mrs. E. A. Thomas.

Catherine Appling spent the week-end with her parents in Mt. Blanco community.

Miss Dulon Sargent and Alice Helms, daughter of Mr. and Mrs. P. D. Helms of McCoy community left Monday morning for Los Angeles, California. Miss Sargent was returning to her home in Oakland, California and Miss Helms was going to L. A. to make her home after spending about two years here with her parents.

Mr. and Mrs. Dan Hagood of Canyon spent the week-end in Foydada with relatives.

Lee Rushing, a member of the Board of Directors, was taken to West Texas hospital quite ill last Thursday morning. We are glad to report that his condition seems better at this time. His address is West Texas hospital, Room 404, Lubbock.

A demonstration on salads and salad making was given Wednesday at the home of Mrs. B. C. Cooper near Crosbyton. More than 30 attended the all-day meeting. A covered dish luncheon was served at noon.

Mrs. John Smitherman was hostess for a roaster demonstration in the co-op kitchen on Thursday of last week.

Among those attending were Mrs. Cricket Taylor, Electrification Advisor for Farmer's Electric Cooperative, Clovis, New Mexico; her daughter, Mrs. Norma Carlin of Norfolk, Virginia, and Miss Jimmie Temple, Electrification Advisor, Portales, New Mexico — Roosevelt County Electric Cooperative — who were interested in attending one of our work shop style demonstrations on roasters.

Local women attending were Mrs. Earl Edwards, Otho Sanders,

John K. West, W. C. Snodgrass G. R. May, L. T. Wood, D. T. Mayo, M. M. Julian, Bill Beedy, Claude Waters, Melvin Henry, I. C. Parks and Mrs. Thornton.

The food was prepared by the ladies in the roasters and served for their lunch. Catherine Appling, Kathryn Turner, John Nay, Melvin Henry and Julia Baker ate lunch with the group.

Carl Taylor of Clovis, New Mexico spent Thursday visiting with Harry Morckel.

Each member of the Board of Directors named a man and his wife from his voting district to serve on the Annual Meeting planning committee. There are seven voting districts in the co-op area, a director from each district, and seven couples are planning the annual meeting that is set to be held on April 24.

The members of the committee are Mr. and Mrs. John Key West, South Plains, Mr. and Mrs. W. H. Rathel, McAdoo; Mr. and Mrs. Jack McIntosh, Rt. 5, Foydada, Mr. and Mrs. Joe Reeves, Lockney; Mr. and Mrs. Milton Evans, Rt. 1, Foydada; Mr. and Mrs. Wayne Russell, Route 2, Foydada; Mr. and Mrs. Clyde Gordon, Rt. 1, Plainview and Mr. and Mrs. Ned Bradley chosen by the group as Master of Ceremonies.

The committee met at the co-op office Monday night March 8th. Here is Mrs. Clyde Gordon's report on what has been done—

The annual meeting of the Light-house Electric Cooperative, Inc. is unique in the fact that it is planned completely by members selected by the board of directors. The 1954 annual meeting will be held Saturday, April 24, in the high school gymnasium at Foydada. A barbecue lunch will be served at the noon hour.

The business reports will be interspersed by musical numbers and other entertainment.

Bernie Howell, of KCB-D-TV, Lubbock will be on hand with his organ to help pep up the program and "Uncle Jay" (Johnny Linn) of KGNC, Amarillo will be present.

The committee met in February and began making plans for the annual meeting. Ned Bradley will act as master of ceremonies.

Clyde Gordon of Plainview was named general chairman of the group. Mr. and Mrs. Jack McIntosh and Mr. and Mrs. Wayne Russell are in charge of the entertainment. The location committee is composed of Joe Reeves and Wayne Russell. Mr. and Mrs. Milton Evans and Mr. and Mrs. W. H. Rathel will select gifts to be given away as prizes for attendance at the meeting. Mr. and Mrs. Gordon have charge of the publicity and Mr. and Mrs. John K. West and Mr. and Mrs. Joe Reeves are on the food committee.

This group worked together in perfect harmony in making plans for this all-day meeting. Melvin Henry, manager of the co-op and Nancy Morckel, E. A., met with the committee.

A very interesting day has been planned, and judging from past attendance a crowd of two or three thousand will be on hand to enjoy

John Nay, Co-op bookkeeper says: Typical Co-op Office Chatter:
Boss — "Get me some fly paper."
Janitor — "We don't have any airplane stationery."
Head Man — "Did you take trigonometry in school?"
Applicant — "Didn't need to. I never had a gun."
Boss — "Thanks for getting out that report on time — you're a life saver."
Secretary — "And I have the hole in my head to prove it."
Manager — "I see you answered our ad for a job to retail canaries."
Job-Seeker — "Yes, sir, but some one will have to show me how to put their tails back on."
Secretary to boss — "Can I put my potted plant on your window sill?"
Boss (absorbed in his work) — "No, just sit down in a chair."

1st clerk — "Where are those papers?"
2nd clerk — "I took them to the blacksmith."
1st clerk — "Filed, I suppose."
2nd clerk — "No, forged."

W. S. Snodgrass, Oliver Harmel, Herman R. King; Earl Edwards, John Smitherman, H. L. Morris, W. E. Grimes and Melvin Henry attended board of directors meeting in the directors room at the co-op office on Monday the 8th.

Open house was well attended on Tuesday, March 2. More than 650 registered. The thirty-some bouquets of beautiful flowers, pot plants and gifts were sincerely appreciated by everyone. Aren't friends wonderful, and wouldn't we hate to have to live without them? If you were unable to come to open house and would still like to see the new building come by at your convenience and we will be glad to show you through.

Be sure to start now to make your plans to attend the annual meeting. The committee is working hard to make it a red letter day in the co-op.

Mrs. Leland Hart and daughter, Barbara of Lovington, New Mexico, visited in Foydada during the week-end. Mrs. Hart came to visit her father, W. H. Nelson who has been seriously ill for several weeks. Mrs. Hart and Barbara came to Foydada accompanied by Mr. and Mrs. Jeff Hart who had been visiting in Lovington for a few days.

GOOD TIME FOR 15 CENTS

There was the young man who commented to his girl friend: "We sure had a good time last night for only 15 cents."
"Yes," she agreed, "I wonder how my little brother spent it."

THE FLOYD COUNTY HESPERIAN

Published by the Hesperian Publishing Co., Inc. at 212 South Main St., Floydada, Texas. HOMER STEEN, Editor
THURSDAY, MARCH 11, 1934

Established 1896 by Claude H. Hesperian, later as second class mail at the office at Floydada, Texas, under the act of Congress of 1897.

VIEWES AND COMMENT

This is good government month in Texas. It is the month in which the responsibility of the individual citizen is stressed. His responsibility to his city, school district and county as well as to his state and nation. Some of the pertinent questions asked of the citizen in searching for his attitudes are: Have you ever been to city hall or attended a meeting of your city council? Have you ever been in a meeting of the commissioners court? The answer of most citizens is no. And therein lies some of the weakness of the kind of government we have. As a matter of fact the city's affairs are our affairs. So are the affairs of the school district and the county. We all know this. We all know it is our city, school district, county and state. It is our government. We all know we are by right welcome at all of the meetings of these governing bodies. But The Hesperian takes up for the average citizen in this respect, that he would feel embarrassed walking in on a council meeting, on a school board in session, or barging in on the commissioners court unless he has something definite to say to them. Generally their gatherings are around a consultation table, and in conversational tones. Nobody gets up and makes a speech. There isn't any way for one to keep from feeling slightly embarrassed, as though he were butting in on the matter, possibly slowing down the wheels. So, if he goes once, he doesn't go again. He stays away. That may not be true of all citizens. Many of them may not care. But many of them do care, many of them are interested. More than the council, the school board or the commissioners court may realize.

Good at Under-Statement. It is often said that the master of under-statement is a plainsman, particularly one who has lived close to the cattle or stockfarming business. We ran into one such the other day. His interests lie largely in an area of the county where it has been particularly dry these dry years. Talking about the prospects and how he was getting along he said "I sorter need a crop." Casually, just as though he did sorter need a crop.

Encourage good men to hold public office is the best advice we have seen given in connection with good citizen month. The man who holds an office is not "just another politician." If he is, you should not have been a party to his election. He is either protecting your right, as the state bar points out, or he is administering to your needs. He is doing you a favor. Maybe it would help to

raise the standards among office holders, if you think they need raising, if you'd occasionally say "thank you" when a good man serves you well in a government position. Have you ever? In your whole life?

We have been inclined to lean toward the sliding scale price support system, with the idea that it would effect crop acreage changes without the necessity of telling a man what and how much he may plant and thus, eventually, do away with acreage allotments and the like. Senator Johnson in a recent "report" (brief comment issued weekly) to the newspapers gives this point of view: "I oppose the sliding scale price support system—not for the sake of opposition, but because I know farmers already are in trouble and I don't want to see them pushed farther down the economic ladder." Then he adds "We can't get away from the record of history, which shows that at the lower farm prices go—the higher farm surpluses rise." We had always thought of it the other way around—the higher the farm surpluses rise, the lower the farm prices go. There is a lot of difference. The senator may have something there.

Some wheat men, evidently expect to make some wheat this spring—dry land wheat men. They are moving cattle off of their crops now instead of waiting for a rain. One farmer said the other day the spring you take your cattle off the wheat is the spring you ought to have kept them on. The spring you leave them grazing you ought to have taken them off.

Irrigation Wells Going. All over the county, wherever there is an irrigation well it has been in operation every possible day in February and March. The farm operators are furnishing the pre-sap moisture that the rain and snow clouds have failed to drop. By keeping the top soil loosened they hope to have a good underground season when planting time comes. There must be a thousand or more wells going day and night. In furnishing a good many farm jobs this work calls for early get up and get out to change siphon settings with ice in the air and on the ground.

Track, Field Practice Held

Friday afternoon of last week coaches Preston Watson and Jack Meredith held their first track and field try-outs to check progress of their charges and to begin to pick entries for the various events. Weather has hampered practice session somewhat, but the boys are beginning to round into shape pretty well.

In the 100 yard dash 4 places were caught with Cloyd Stephens finishing first, Kent Covington second, Norman Muncy third and Jackie Johnson fourth. The distance was not measured exactly and the times were a little slow.

Jack Womack turned a fast 4:48.4 to lead in the mile run. Gayna Scott placed second. This was an unusually fast mile for this early in the season.

First three men in the 220 yard dash were Jackie Johnson, Norman Muncy and Laron Fulton.

High jumpers trying out were Bobby Ashton, Cranston Ogden and Jack Womack.

In the 880 yard run the first four places went to Doyle Grundy, Rex Jones, Walter Simmons and Glad Norman.

Stanley Vickers on his first heave measured 46.5 with the shot. Gordon Joiner, Marvin Rucker, and Don Barber placed in that order behind Vickers.

In the 440 yard dash Cloyd Stephens led the pack with a 54.5, Kent Covington, Jackie Johnson, Stanley Burleson finished in that order with Larry White and Laron Fulton also turning in good time.

Only a few jumps were measured in the running broad jump with Gordon Joiner, Larry White, Don Barber, Jackie Jarrett and Bill Day laying out.

Stanley Vickers and Gordon Joiner worked out with the discus. Cloyd Stephens and Bill Day are trying for the pole vault.

No relays were held and neither of the hurdle races were run in the tryouts.

A complete roster of the track men was not available Friday, but there were some 25 or 30 boys out and in addition to these many freshmen who will enter the junior division in track.

HARMONY, March 8 — Mrs. Jack Parkey returned home from Oklahoma City last Tuesday where she went through a clinic. She is suffering from an ear infection.

The W.S.C.S. met at 2 p.m. Tuesday in the home of Mrs. Sherwood Ramsey in our regular business and study meeting. The meeting was called to order by the president, Mrs. Sherwood Ramsey. After the business meeting, Mrs. Marvin Smith had charge of the program. Officers were elected for another year. They are Mrs. Marvin Smith, president; Mrs. Sherwood Ramsey, vice-president; Mrs. Chloma Williams, recording and promotional secretary; Mrs. M. D. Ramsey, treasurer and literature; Mrs. R. G. Morris, study; Mrs. Zant Scott, social Christian relations and church activities; Mrs. E. W. Turner, youth and student; Mrs. Everett Miller, spiritual life; Mrs. Mather Carr, supplies and Mrs. Wesley Carr, status of women and children work. Present for the meeting were Mesdames E. W. Turner, Marvin Smith, R. G. Morris, Zant Scott, M. D. Ramsey, Chloma Williams, Mather Carr and the hostess, Mrs. Sherwood Ramsey.

Several of the community attended the open house of the REA at Floydada Tuesday.

Mr. and Mrs. Chloma Williams visited Wednesday in Lubbock at Memorial hospital with Mrs. Everett Miller.

We had a few more out Wednesday night for prayer service. Lajuana Sue Williams gave the devotional.

Mr. and Mrs. Carrick Snodgrass visited with Mr. Snodgrass' sister, Mrs. Everett Miller in Lubbock Wednesday.

Mrs. Bess Rutherford, Mrs. G. L.

Snodgrass and Mrs. Mather Carr visited Mrs. Everett Miller Thursday.

Mrs. E. W. Turner was hostess for a figurine painting Thursday. Several were present. Among the articles worked on was a large figurine owned by Mrs. Turner which had been given her by a friend. The date on the back of it is 1824. It is of a large basin with a woman standing by which measures 18 or 20 inches. If it is not a reproduction, it is 124 years old.

The W.S.C.S. met Friday afternoon at 2 o'clock in the church for a lesson in our study to observe the World day of Prayer. The study was led by Mrs. R. G. Morris with all taking part. Mrs. E. W. Turner was in charge of the World day of prayer with all present having a part.

Miss Patricia Tucker was a guest of Lajuana Sue Williams Sunday.

Mrs. E. W. Turner was called to Lubbock Saturday to a hospital where her niece's baby was very ill

with pneumonia. Mrs. Amanda Pat-

erson anied her. She is the baby's grandmother.

We had word from our pastor and wife, Rev. and Mrs. Krebs Sunday that he thought he would be home March 11. He was feeling better.

Mrs. Everett Miller returned home Saturday from a Lubbock hospital.

Dwana Beth Scott is ill with tonsillitis. Others on the sick list are Mrs. Marvin Smith and Mrs. Loyce Turner.

Bill Carr was a dinner guest of his grandparents, Mr. and Mrs. Mather Carr.

CARD OF THANKS
To those who expressed their sympathy in so many practical and beautiful ways during the illness and at the death of Mr. Tivis, I want to express my heartfelt thanks.
May God bless each of you.

Mrs. Wellmaker As A Farm Rites Held Monday Woman Thinks

Funeral service for Mrs. Mary Wellmaker, 84, who made her home here with a daughter, Mrs. Frank Simpson, was held Monday afternoon in the First Baptist church, with the pastor, Dr. R. Earl Allen, officiating.

Interment was in Floydada cemetery under the direction of the Harmon funeral home.

Pallbearers at the service were Felt Patterson, Truett Smith, Willard Hall, Weldon Simpson, Orville Custer and R. L. Swaffer.

Mrs. Wellmaker, who had been slightly ill for a week, died suddenly at the home of her daughter, Mrs. Simpson, Saturday morning, March 6 at 9 o'clock.

Mrs. Mary Wellmaker was born in Georgia on September 9, 1869 and was married in 1889 to J. L. Wellmaker at her home in Georgia. For 10 years Mrs. Wellmaker had made her home in Floydada. She had been a member of the Baptist church for many years.

Among the survivors are four sons, Troy, Floydada, Roy, Pecos, Oklahoma, Grady, Brownwood, and Odor, Selma, California, three daughters, Mrs. Simpson and Mrs. Pearl Collier, Floydada, and Mrs. George McKinney of Loganville, Georgia.

Also surviving are two brothers, L. O. Robinson, Roswell, New Mexico, John Robinson of Lithonia, Georgia, 23 grandchildren and 35 great grandchildren.

All the children of the deceased, as well as other relatives, were present at the funeral service Monday.

Four and one-half million dollars was saved by Army installations in Japan during a single three-month period. Biggest savings — \$2,200,000 (M) — were reported by Ordnance units. Most of this came from the reclamation and re-use of scrap and salvage material.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief with gentle relief — without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

The kiss of the sun for pardon, The song of the birds for mirth— One is nearer God's heart in a garden

Than anywhere else on earth.

Dorothy Frances

This Monday morning of March 8th is too cold to work outside, and there are so many things I had planned to do. The pioneers always said we would have winter some time of the year and this seems to be so this March.

Mrs. Temple Ellis had a good talk over station KSEL at Lubbock at 12:15 yesterday on the Plains weather and dugouts, even recalling the waterdogs or as the Mexicans called them, wyaloties.

I am sure you will enjoy her program every Sunday over the same station and time.

I don't believe the half I hear, Nor the quarter of what I see! But I have one faith, sublime and true.

That nothing can shake or slay, Each spring I firmly believe anew All the seed catalogs say!

Even the one cannot work outside they can sit by the fire and dream and plan the garden of vegetables and flowers. Try to recall all the flowers you planned last summer when you saw them blooming in some one else's garden. Try out something new and plant a few seed of some old time plant such as rose moss and sweet basil that our grandmothers loved. The new rose bushes I set out are not hurt altho they had begun to put out tender leaves. The tulips are coming right along. Maybe they will get by.

There are many poems in literature about growing old, this one especially I like. It is by Margaret Cannon Murphy.

I shall not mind, The whiteness of my hair, Or that my steps falter Or that young friends hurry As they pass.

Or what strange image Greet me in the glass — If I can feel, As roots feel in the sod, That I am growing old to bloom Before the face of God.

Discussion Group Has First Session

A small but enthusiastic group met Thursday evening, March 4, for the first Adult Discussion, sponsored by the Andrews ward P-TA, in co-operation with the American Library Association.

This was an informal discussion on Community development, led by Olin Watson.

"Democracy is you. What you say, do, think as an individual, plays a vital part in shaping the framework of your community, your state, and your country. We are becoming a nation of 'sitters and watchers,' and the inaction is sapping the energy of our nation," so quotes Watson.

There was a group discussion on

what each person termed as his idea of the most pressing needs in our community.

The next meeting will be held on Monday evening, March 15, in the Library reading room. The time is 7:30.

The subject will be "Community responsibility toward the colored section of town." This meeting is open to the public. There are no obligations; just your willingness to share ideas with others.

Cotton Export Outlook

The year 1954 will again see the United States in the position of a residual supplier of cotton to the world.

In other words, the demand for our cotton will be limited until other exporting countries have largely sold out.

The present outlook holds no cause for undue alarm, however. Indications are that the total cotton exported this year will not be less than last seasons 3 million bales — and possibly somewhat more.

Last year, other cotton producing nations shipped about 8½ million bales. The export total of all countries, including the United States, was 11.5 million bales. These other countries also are expecting to ship about as much in 1954.

One factor which will help this year is that the textile trade in most foreign countries is measurably better than it was a year ago. The demand for imported cotton is expect-

ed to pick up. If this improvement holds throughout the coming season, the consumption of imported cotton in foreign cotton should exceed that of 1953.

Cotton production in the U. S. is limited throughout acreage allotments this year. Although a shortage definitely is not expected to develop, this limited production should help strengthen the demand for cotton and prevent the necessity of storing much of the crop.

We should not regard a surplus of cotton as a drag on the market. Instead, it is to our advantage to have an adequate reserve on hand in the event of an emergency. Cotton is a versatile crop which furnishes most of the necessities during war and peace. Also, more new products are being made every day which use cotton as a base material.

Under the existing program of crop price assurances, there is a fairly stable outlook for our cotton farmers this year. Their product should meet with a good demand.

Honor Mrs. Irons at Area Meeting

Three women who have rendered long service to the Future Homemakers of America in the Panhandle's Area One, were awarded honorary membership in the girls' high school homemaker organization at Canyon last Saturday, when the district convention was held.

Honored were Mrs. W. C. Irons, Home making teacher of the Lockney high school, Mrs. Jo Dolph Adkisson, Abernathy, and Mrs. Evelyn Stubblefield, McLean, housewives who have assisted PHA work for a number of years.

Mrs. Irons is the wife of superintendent of Lockney schools, W. C. Irons.

LIBRARY NEWS

(by Mrs. Roy Hollar)

Story hour was quite successful. D'Ann Witkoski and Naomi Allen told the stories and supervised games. Mrs. C. W. Denison sponsored the meeting for the 1929 Study club and Mrs. Lon Miller visited. We had three out-of-town visitors—Katherine Pitts of Waco, Vicki Lynn Fair and Sheila Hay Fair of Lubbock. Refreshments were served to a good group.

(About Four Years Old)

One of the departing group called her mother to arrange for a ride home. She opened the conversation by saying, "How are you getting along with the baby?"

Mr. and Mrs. W. G. Collins have presented the library with a set of "Lee's Lieutenants," by Douglas Southall Freeman, marked in memory of Pfc. George T. (Buster) Smalley. Buster Smalley lived in Floydada, went to school here and died defending his country in Germany in 1944. He was a nephew of Mr. and Mrs. Collins.

Frances Eulaine Tubbs, granddaughter of Mr. and Mrs. G. C. Tubbs, has presented a copy of "A Man Called Peter" by Catherine Marshall in memory of her father Lt. Richard I. Tubbs.

Pratt's "This Flowering World" was presented this week in memory of Mrs. C. C. Butt of Kerrville, Texas by Mr. and Mrs. Roy Hollar.

Remember Sacajawea? Wasn't it a thrilling name? If you recall the name with pleasure and a little interest, we suggest for your reading pleasure "Of Courage Undaunted" by James Daugherty. The book is one of those that is ageless in its appeal. It is worth a good deal just to see the page on which Thomas Jefferson's tribute to Meriwether Lewis is printed. The story can but give a refreshing view of the days when men argued over our manifest destiny.

The American Heritage group held its first meeting the night of the snow. In spite of bad weather nine people came and the discussion was invigorating. Next meeting Monday, March 15, at 7:30 p.m.

A prized gift of printed stationery came to the library recently. Mrs. Hollis Bond gave us printed notices to be used in announcing memorial gifts to the families of the person honored.

Best sellers on the table at the moment of writing are: "The Silver Chalice," "Cress Delahanty," "Beyond This Place," "The Robe," and a new book in our collection, "Lord Vanity" by Samuel Shellabarger.

J. M. Willson, sr., has given the library a copy of the new edition of "Who's Who in America." Mr. Willson is found in this issue. Another Floyd county man, Maurice Ewing, also has a place in Who's Who in America.

During the War Between the States, the Army Signal Corps built 15,000 miles of telegraph lines.

HERE'S HOW TO TAKE HOME A BIGGER SHARE OF FARM PROFITS

We're not saying that Butane will make you any more cotton, wheat, or maize per acre. But we do say that with Butane on your tractor you'll realize a greater profit from the crop you do make. Your saving on fuel alone will amount to a tidy sum at the end of the year. Butane's cleaner burning, more efficient performance pays off, too, in fewer stops for maintenance and fewer oil changes. Don't wait any longer to start saving. Bring your tractor in today for a quick, economical conversion job.

Ford rides on a Ball-Joint cushion

...and it handles with ball-bearing ease

CONVENTIONAL KINGPIN SUSPENSION depends on hinge-like joints for movement of front wheels up and down or right and left. This system also requires lubrication at 8 points of wear at each front wheel. Doesn't permit maximum up-and-down wheel travel and is not sealed against dirt and water.

NEW FORD BALL-JOINT FRONT SUSPENSION replaces "hinges" for pivoting and up-and-down wheel movement with sealed ball joints. This eliminates 12 points of wear ... helps keep front wheels in line longer. You get a smoother, more level ride. Your Ford keeps that new car "feel" longer.

It's THE GREATEST chassis advance in 20 years. And only the '54 Ford in its field has it! It pays off with the smoothest ride you've ever experienced in a low-priced car ... easier handling ... fewer service worries ... and many, many other advantages.

And besides this revolutionary advance, Ford offers two brand new deep-block power plants: the 130-h.p. Y-block V-8 and the 115-h.p. I-block Six. You'll also find a new stronger frame ... a beautiful new Astra-Dial control panel ... new styling inside and out ... plus all the other fine-car features that have already established Ford as America's "worth more" car!

the store owners would put paper and garbage in cans or large boxes and set them in the back of the store or just outside, we could speed up our time in town about one half the time it now takes. Sometimes we have to knock on the door and then wait about ten minutes to get in. Sometimes we have to walk to the front of the store to get the waste. Some of the owners take the waste and put it in the old burners. Then we have to pick it out and if you don't talk this takes time, just go with us one or two days and you will see why we are so long getting around.

If everyone would put their waste in boxes or cans and break down large boxes, we could speed up a lot.

So folks, if we are a little late getting around to you, please stop and think. We have about 3500 folks just like you and if you will wait patiently, we will get there as soon as we can.

I thank you good folks from the bottom of my heart.

Floyd County 14 Years Ago

(Taken from the files of The Hesperian, issue, dated March 14, 1940.)

Plans for a band festival to be held in Floydada on April 16 was announced this week by M. T. Camp, director of the Floydada high school band. Twenty or twenty-five bands from a radius of 100 miles around Floydada have been extended invitations to attend the festival here, the bandmaster said.

Both county and district courts will open sessions on Monday morning.

Landscaping and improvements on the courthouse building and grounds was started Monday by a crew of WPA laborers and work is in full swing as The Hesperian goes to press. An appropriation of \$3,784 by the WPA for that purpose was approved by President Roosevelt early in January.

Fifteen candidates for election at the primaries this year opened their campaigns Wednesday night of last week as the first pie supper of the season held at Pleasant Hill school house Shelby Cook, teacher at the Pleasant Hill school, was in charge of the affair and acted as master of ceremonies.

Sam Phillips, Floydada ex-service man and legionnaire, and employee of the Panhandle service station, suffered a stroke Monday night as a result of high blood pressure and was taken to a Plainview hospital Tuesday evening by Harmon ambulance.

Mr. and Mrs. Frank Hill of Tahoka were visitors for a brief time in Floydada last week-end.

Mrs. O. M. Conway, county treasurer, addressed members of Floydada Rotary club Wednesday on "Learning how to live as well as how to make a living."

Martin Brown, owner of Brown Household supply is reported improving from a severe attack of pneumonia.

Mrs. Grace Johnson, teacher in Andrews ward school, is rapidly improving from an attack of pneumonia. Mrs. Edd Bond is teaching in Mrs. Johnson's place while she is recuperating.

Mr. and Mrs. Ulmer White and son, Bob, returned home Sunday from a visit in Fort Worth at the fat stock show.

Malcolm Linder, senior student at Baylor University at Waco, was a week-end guest of his parents, Mr. and Mrs. G. A. Linder.

Attractive in every detail was the bridal shower given Monday evening in the home of Mrs. A. E. Guthrie, honoring Mrs. Ralph Hammonds, the former Sallye Pitts, Miss Pitts and Mr. Hammonds were married on February 12.

Misses Erin Gamble and Arline Wilson of Amarillo spent the week-end here as the guests of Miss Gamble's sister, Mrs. Virgie Shaw.

Arla Vee Bishop was hostess to friends Saturday afternoon at a party, celebrating her thirteenth birthday, at her home at 121 West Tennessee street.

Miss Naomi Smith visited friends in Amarillo over the week-end.

Mr. and Mrs. Jim Hargrove and daughter, Betty Gene, of Clovis, New Mexico, were guests over the week-end of Mrs. Hargrove's mother, Mrs. Ama Smalley and other relatives.

MOVED TO ENNIS

Mrs. J. N. Gullion left Saturday afternoon for Ennis, Texas, where she will make her home in Odd Fellow Home, near there.

Fred Reeves and Dr. J. G. Pruitt accompanied Mrs. Gullion to Ennis, returning home Sunday night.

Neighbors and several friends presented Mrs. Gullion with going-away gifts, Saturday. Mrs. Gullion and her late husband, J. N. Gullion who died here in December, had been residents of Floydada since 1921.

FLATS—Patented sealant under the tread surrounds puncturing nails, sealing punctures as you ride. Remove the nails and rubber compound is drawn into the hole sealing it instantly and permanently.

BLOWOUTS—Patented Blowout Shield guards against bruise-caused blowouts. If cord body is seriously damaged, flexing finally opens a tiny hole in liner so air escapes slowly—doesn't blow out suddenly. Car can be stopped safely.

SKIDS—Scientifically designed eight-rib tread gives extra all-weather traction. Four notched ribs plus hundreds of grip blocks in outside ribs sweep away water and dig through slippery road film to make stop quick and sure.

Brother Is Victim of Highway Crash

Reverend and Mrs. Sidney Johnston and family returned home Thursday from Artes, New Mexico, where they attended the funeral service Wednesday for Paul Johnston, 46, brother of Reverend Johnston.

Paul Johnston was killed in a highway automobile accident on February 27. The funeral service was held Wednesday, March 10, in Artes.

Survivors include the wife, two daughters and two sons, one of whom is in Germany with the armed forces.

South Plains News

by Mrs. Murray Julian

SOUTH PLAINS, March 8 — Rev. W. S. Spearman was here on Sunday for the morning and evening services, but left in the evening for Quanah, Mrs. Spearman, who has been in the hospital there for ten days, a recuperating from a major operation. She hopes to be able to come home to the parsonage on Monday evening. They will bring Charlotte and Billy home with them as they have been there in Quanah for a few days. Billy spent most of the time here with Mr. and Mrs. Dick Jones.

The Junior girls' ambassador, with their sponsors, Mrs. Raymond Upton and Mrs. Early Pritchett, went to the Plains Assembly grounds on Saturday afternoon where they enjoyed a picnic supper and singing. Girls who attended were Sue Wilson, Greenie Robinson, Juanita Brown and Tronnie Kart.

On Sunday evening in BYU the intermediates gave an interesting program. Eleven boys and girls, with Dennis Milton as the piano, sang "The King's Business." Virginia Taylor gave a reading, and verses from the bible were spoken by all. Their teacher, Mrs. Bryant Higginbotham and Kerola Julian, closed the program with a short, "Never Alone." Each Sunday night you will find enjoyment and fellowship at the church. Please come and worship.

Louisiana Brother Passes
H. E. Calahan, Jr., received word of the passing of a brother, T. J. Calahan, of Simsbury, Louisiana, last Thursday. He left on Friday to attend the funeral with his daughter and husband, Mr. and Mrs. Zach Cummings.

Mr. and Mrs. Zach Cummings, Mrs. Brian Kart stayed Friday with her mother, Mrs. Calahan. Over the week-end she brought her mother out to their home where she will stay until the return of the Cummings and Mr. Calahan. They are expected home on Tuesday of this week. Simsbury is near Shreveport.

On Wednesday Mrs. H. L. Marble took her car and several of the ladies of the community went to Quanah to see their pastor's wife, Mrs. W. S. Spearman. They left at 3 and returned late in the evening. Those who waited in the Quanah hospital were Mrs. H. L. Marble, Mrs. Sam Reeves, Mrs. Murray Julian, and Mrs. Grapley Milton. Mr. and Mrs. Raymond Upton and children went to the hospital last Sunday to visit with Rev. and Mrs. Spearman.

Mr. and Mrs. J. P. Taylor had as guests at Sunday in their home her sister, Mrs. Wayne Pegg, and children, from Lake Star, who spent the day with them.

Mr. and Mrs. George Woot left last Wednesday for Sherman and Denham, Texas, where they were called by the death of Mrs. Woot's cousin, Joe Meadows, whose last rites were said on Thursday. The Woots came home by way of Grand Prairie, where they waited with relatives on Friday night. On Saturday night and Sunday they stopped in Sherman, and were the guests of Mr. and Mrs. Walter Martin. They arrived home on Sunday evening.

Mr. and Mrs. L. D. Bennett, from Clovis, New Mexico, were guests over the week-end in the home of Mr. and Mrs. Owen Thornton. Mrs. Thornton and Mrs. I. E. Parks have both been suffering with severe cases of influenza, and many others in our community have been having the flu.

Week Of Prayer Program
Churches represented in the Week of Prayer program which was given on Tuesday, March 9, at the Calvary Baptist church in Floydada, were Parkview, McCoy, Center and South Plains, who with the Calvary church furnished music and programs for the day of prayer and mission work. A covered dish lunch was served at noon. Those who attended from South Plains WAMU were Misses Gilbert, Bean, Early Pritchett, Grapley Milton, Murray Julian, Brian Kart, Herman Marble, Shelby Calahan, Sam Reeves, Paul Snodgrass, and Dick Jones. After the program they all went to the open house celebration of the WEA, and enjoyed seeing the beautifully appointed rooms and building.

O'Dell Muller came over from Albuquerque the first of last week and brought some household furnishings. On Thursday he and Arby went back to Albuquerque to bring the rest of their furnishings and Mrs. Muller and small daughter. The Mullers will spend some time here with Arby and family. They are planning to build a new home in Floydada, and O'Dell and Arby will work together in the future.

On Thursday evening, March 4, Mr. and Mrs. I. E. Parks entertained at a birthday supper in their home for their younger son, J. Frank, who was eight years old. Guests at the birthday supper were his second grade class mates. After opening his gifts, he took his class and girls over to the home of Mr. and Mrs. John K. West, where they visited. Dan, who is required to stay in bed for the next few weeks. Those who were present were J. Frank, his brother, Billie, Diane Edwards, Jimmy Calahan, Dwight Temple, Patricia Thornton, and Barbara Sue Milton.

Those who attended the come and go Stanley party in the home of Mrs. McClure's mother, on Thursday afternoon at 1, were Mrs. Kenneth Bean, Mrs. John Wilson, and Mrs. J. K. West. Mrs. R. G. Dunlap was hostess at this time, but she in the snow and had day, not many could be there.

Mr. and Mrs. George Woot entertained at a birthday dinner on Sunday, February 28, for their daughter, Mrs. E. T. Brock, of Artesville, who with her husband and three children had spent the week-end here. Other guests at the dinner were her sister, Mrs. Bobb, Lee Smith and husband and three children, of Starley, who also spent the week-end with the Woots. The birthday dinner was served at noon on Sunday.

Mr. and Mrs. Don McClure and Donna Jean of Clayton, spent Saturday night and Sunday with their parents, Mr. and Mrs. Frank McClure.

Junior Ball Announced
J. E. Thomas announced his junior ball for the past six weeks in his room. Wanda Haggard, daughter of Mr. and Mrs. C. R. Haggard, is the only "A" pupil this time in the 7th. On the "B" roll, Violet Haggard, and Kathryn Hinesmith, daughter of Mr. and Mrs. L. L. Galloway are in the 7th. In the 8th, Eugene Beverly, son of Mr. and Mrs. Bill Beverly, was on the "B" roll, and Sible Parks, son of Mr. and Mrs. I. H. Parks, in the 8th grade made the "B" honor roll.

Mr. and Mrs. Grapley Milton and daughter went to the home of her aunt, Mr. and Mrs. R. E. Young and family after church on Sunday, to spend the afternoon, and have dinner with them.

Mrs. Smitherman Is Hostess
Mrs. John Smitherman was hostess at an electric toaster demonstration, workshop style, on Thursday, from 8:30 to 2:30 in the WEA kitchen in Floydada. Guests were separated in pairs, and each couple prepared the delicious repast, under the direction of Mrs. Nancy Mueckel, Mrs. Cricket Taylor, from Clovis, New Mexico, some assistance at the WEA kitchen there, was present, as was her daughter, Mrs. Norma Charpie, from Norfolk, Virginia. Mr. and Mrs. Dick Jones entertained at a birthday party for their son, Frankie Dee, on March 6 and lots of games and fun for the children who gathered. Frankie Dee was 11. After opening his gifts, the children enjoyed birthday cake and punch. Children attending the party were Billie and J. Frank Parks, Price Pritchett, Don Scott Thornton, Edward and Roy Hartman, Donita Milton, Violet Haggard, Bobbie Robinson, and the honoree, Frankie Dee.

Shocked by Tragedy
Our whole community is shocked and saddened to hear of the terrible tragedy that has befallen the Francis and the Reed families of Silverton. Mrs. Francis grew up in our vicinity, went to school with our children, and her brother and sister, Kay and Ray Taylor are in school now. The South Plains Home Demonstration club has been cancelled for Wednesday, and the musical show and pie supper for Friday night have been postponed, and the date for it will be announced on the radio later.

Mrs. Early Jones came out to the home of Mr. and Mrs. Murray Julian after church on Sunday, from Floydada, and had dinner and spent the afternoon with them. Her husband, Early, arrived home that evening, from Colorado, and will be here for a few days on business.

Half-ton beauty with a two-ton punch

GMC HYDRA-MATIC TRUCKS

This new '54 GMC light-duty wasn't born just to win beauty contests. Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike. There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, ripple-as-leather upholstery. Smart instrument panel, with dials clustered for instant reading. But mister—take another look! A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash. That's more power than some makers pack into their two-ton models. That's

more usable power than in any other 6-cylinder engine in its class! And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight. Finally, it offers Truck Hydra-Matic Drive* that saves you, saves your tank, saves your time. (Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!) Come in and drive this great GMC. It will do all its own selling! *Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

"My Mommie says to tell you about the big storm"

"My name is Janie Walton. I'm going on eight years old and I live with my daddy and mommie and my brothers and sisters near Bolivar, Tenn.

"Last year a big wind came and blew down our house. My little brother was killed and all of us were hurt. It was a terrible time for our family.

"But then the Red Cross came and helped us and got doctors and medicine to make us well. They helped my daddy buy another house and the furniture to go in it. Then they helped my big brother William get home from the service to take care of us.

"My mommie and daddy say they don't know what we would have done without the Red Cross. And I'm glad to tell you my story, 'cause I can thank all of you who helped the Red Cross do so much for us."
