

Way Crash ies Fatal aul Banks

Persons were injured, one about 6 o'clock Sunday Highway 79, two miles east of Floydada, in a crash involving a car.

Banks, 58, died at 3:30 p.m. in Peoples hospital of injuries received in the crash.

Carver, 40, driver of one car, is in Peoples hospital for cuts, bruises and a broken leg. His condition is believed serious.

Paul, 57, occupant of the other car, is in Peoples hospital with cuts, bruises and shock. Driver, was not injured.

Patrolmen Frank Smith and Ketter of Plainview pulled out of the driver's seat of the car and drove to go east when the cars collided. Both were damaged. Paul and his mother were taken to Muleshoe from the scene in Lindale when the accident occurred.

Funeral Wednesday

Funeral for Paul Banks will be held at 2 p.m. Wednesday afternoon at 3 o'clock at the First Christian church.

Services will be held at 10:30 a.m. Monday at the home of Mrs. Bessie Baker DeWitt, 1218 S. 1st.

The couple came to Floydada a few years after their marriage and lived here some 20 years. Mr. Banks was a water man.

Survivors include his widow and two daughters, Mrs. V. E. Veltman, Floydada, and one son, Paul Banks, Portland, Oregon.

C. L. Briggs doesn't concern himself with braceros or Angelo American labor relations when cotton harvest time comes. He sounds off, the kids come flocking in, and presto, he has a "crew." Here he is pictured, center front, with some of the youngsters who hurried from the school room to the cotton field to help gather a 40 some odd acre dry land field. His crop is yielding a third of a bale this season. Since it is convenient to town the kids get to work in their after-school hours and Saturdays.

Just Around The Corner

Christmas is just around the corner says the Chamber of Commerce Retail Trades Committee. The committee backs up that statement with increased activity this week in their planning of their 1954 Sretland Pony Show and Santa Claus Parade, set for the day after Thanksgiving, November 26.

Floydada will begin to take on a festive look on Monday when city of Floydada personnel start putting up Christmas decorations on city streets.

Activities of the Sretland Pony Show will begin with the judging of the ponies at 10:30 A. M. on Friday morning.

The show's five classes of ponies from two-year-old colts through fifty-four inch stallions is open to anyone who would like to compete for the trophy and ribbon prizes.

Trophies will be awarded first and second place winners, and ribbons will go to winners through ten places. Rosettes will be given grand champions and reserve champions of the show. The prize trophies and ribbons, which were ordered several weeks ago, have already been received at the Chamber of Commerce office.

Judges of the show will be George Samson and Earl Hodges of Post, Texas.

The Santa Claus Parade set for the afternoon will feature local and area high school bands, club and commercial floats, clowns, decorated bicycles, riding clubs, and all of the Sretland ponies entered in the show. Old Santa Claus, himself will lead the parade, the Chamber's parade committee has promised.

The first of four free bicycles which will be given away in Floydada during the holiday season will be given some lucky boy or girl on the day of the Pony Show. Youngsters under 16 years of age may become eligible to win one of the bicycles by dropping their names in the box at most Floydada business firms. Additional winning names will be drawn each Friday afternoon at 4:30 P. M. for the following three weeks.

The Retail Trades Committee was reminding Floydada business firms this week to remember to have their show windows decorated for Christmas and also to have on hand a small gift or piece of candy to give young visitors who come to Floydada on Friday to see Santa Claus.

Floydada Stadium Named Site For Matador - Stinnett Bi-District

Wester field in Floydada will be the site of the bi-district game to be played between the Matador Matadors of district 2B and the Stinnett Rattlers of district 1B. Thanksgiving day, November 25, at 2:30 in the afternoon has been set for game time. Price of admission is 50 cents for students and \$1 for adults. There are no reserved seats except for the bands and cheering sections. The east stands will be home side for Matador and the west stands for Stinnett.

Advance sale of tickets for the Matador - Stinnett game was underway this mid-week when duets were sent to both participating schools and made available locally.

O. M. Watson, Jr., announced Wednesday that the tickets had been placed at four downtown drug stores and at the Chamber of Commerce office. The price is 50 cents for students and \$1 for adults.

Watson urged fans to purchase tickets early if possible in order to speed the handling of the large crowd at game time. Goen Drug, Floydada Drug, Bishop Drug, and Arvine Drug can supply the advanced tickets.

Date and site of the game were arranged on Sunday afternoon, November 13, at a meeting in Memphis between officials of the two schools. The site of the game was decided on the flip of a coin with Matador asking for Floydada and Stinnett asking for Phillips.

Coch Foster of Stinnett tossed the lucky coin and coach Hopkins of Matador called heads. Hopkins looked at the coin and said well I guess we play in Floydada.

Floydada school superintendent I. T. Graves, coach Preston Watson, O. M. Watson, Jr., secretary of the Chamber of Commerce and Wayne Robison of radio station KFLD, were instrumental in bringing the game to Floydada and in making necessary arrangements in preparing for the contest.

A Matador delegation including superintendent Bert Ezell, Curtis Graham, Frank Pohl and Bill Seal, representing the Matador schools and Lions club, were in Floydada Monday afternoon to meet with Floydada officials to lay plans for the turkey day game.

The Matadors of Motley county last won a district championship in 1936 when they met and defeated one of the best Whirlwind teams ever to wear the green and

United Chest Drive Opens This Morning

Site of Phillips - Whirlwind Game Will Be Set Saturday Morning

Superintendent I. T. Graves of the Floydada schools announced this week there would be no information on the site or date of the bi-district game until Saturday. Though both teams are in and it will be a Phillips-Floydada affair same as in 1952.

Carroll Guthrie Is Bucking Polio

Carroll Guthrie, 17 year-old son of Dr. and Mrs. A. E. Guthrie, was stricken with polio last week-end. He is resting well at his home at this time under the care of his father and mother. Guthrie's condition is not believed to be serious at this time and there are no signs of paralysis. Carroll will remain at the family home if he continues to improve.

Guthrie, a 178-pound center for the Floydada Whirlwinds championship football team, made the trip to Tulsa last Friday night. His coaches did not know he was not feeling up to par and number 51 took to the field and saw action against the Tulsa team before the coaches learned he was sick Saturday morning Guthrie was unable to leave his bed and after being closely observed by his doctor father it was announced as a case of poliomyelitis.

Friends of the popular athlete, who is a junior in Floydada high school, when informed of his condition were also asking what this will do to his football career this year and next. Mrs. Guthrie, in answering the Hesperian reporter, said they were not sure at this time, and added Carroll says he will be ready to go against Phillips next week.

Better Floydada-Lockney Mail Service Expected of New Route

A change in the routing of the Floydada-Silverton star route mail service inaugurated Tuesday morning by the Post Office Department is expected to better mail communication between Lockney and Floydada considerably.

Acting Postmaster A. D. Fultz said a 9-mile revision of the Floydada-Silverton star route to make the daily return trip from Silverton by way of the Lockney cut-off and a stop at Lockney post office would give over-night mail communication between the two Floyd county towns.

Mail for Lockney received at the post office before 9:30 in the local office, will reach Lockney post office at 2:30 in the afternoon.

Mail received at the Lockney post office before 2 p. m. will reach Floydada office at 2:50 p. m., and will be delivered the following morning.

Notice of the change in the mail route was received at the local office from the department over the week-end.

The revised contract calls for a 29-mile increase in all. Twenty miles of the new route is out from Silverton in Briscoe county and does not affect the local situation.

Departure of the mail from Floydada is left at 10 a. m., in the new contract, with arrival at Silverton at 11:30. At 12 noon the truck leaves

Library Adds Room, Shelving As Interest Grows; Book Review Today; Open House Friday-Saturday

As a part of the observance of National Book Week the Floyd county library board has voted to make Friday and Saturday, including Saturday afternoon, visitors day at the library's quarters, second floor of the court house.

The rapid growth of the library has called for increasing the space allotted to it and the addition of new shelving for books. To provide more space for the library, an additional room adjoining the original quarters has been opened.

The Friday and Saturday visitation day, when Floyd county people are asked to come and see what their generosity has provided, will follow the special observance of National Book Week, by the 1929 Study club, this afternoon. They will present Mrs. Hollis Bond in a book review at 4 o'clock, in the district court room on the same floor as the library.

Abraham Lincoln's Wife
Ivy Pearl Reber, acting librarian, and Mrs. J. H. Barnard, chairman of the Floyd County Library Board, have completed decorations in the district court room in observance of "National Book Week."

Mrs. Bond has selected "Love Is Eternal" by Irving Stone for her book review, and it promises to be one of the best out of the three

that Stone has written about the wives of great Americans.

The novel is a love story of Mary Todd Lincoln, wife of Abraham, and a woman labeled and libeled by history as a shrew. The title of the book got its name from Lincoln's inscribed words in his wife's wedding band, "Love Is Eternal."

Tickets will be on sale at the door for \$1.00, and will be contributed to the Library fund.

The development of Book Week began back in 1918 when Franklin K. Mathiews, then Chief Librarian for the Boy Scouts of America, launched a spirited campaign to focus attention on the need for better books for children.

The first effort at a united one-shot county-wide campaign for the collection of welfare funds in Floyd county gets underway this morning as solicitors for Floyd County United Chest set to work to present a program that includes all the major benevolences heretofore usually campaigned for under separate annual drives.

Included in the program of the United Chest are American Red Cross, the Salvation Army, Cancer Society, Heart Fund, Boy Scout and USO.

Only exception is the Infantile Paralysis Foundation which conducts a campaign annually beginning late in January.

Total of the United Chest budget, arrived at after numerous meetings and discussions is \$15,000. E. C. Carter was chosen to head the campaign this year and Joe Wilson, vice-chairman. A county-wide organization is completed and ready to start work this morning.

If the goal of \$15,000 is realized the campaign will result in meeting goals for the different organizations as follows:

- American Red Cross \$3,555;
- Salvation Army, \$2,500;
- Cancer Fund, \$1,000;
- Heart Fund, \$800;
- Boy Scouts of America, \$2,700;
- U. S. O., \$300.

To this total of \$10,855 United Chest hopes to get the public to okay an additional \$4,145 for an emergency reserve to bring the grand total figure to \$15,000. Expense of the campaign is expected to be held within \$300.

Campaign Leaders Named
Conducting the drive for Floydada will be Brac Biggers chairman; at Lockney Joe Parrish chairman;

For Providence and Prairie Chapel Ewald Quebe, chairman; Lone Star and Sterley, Hubert Prizzell;

For Roseland and Ramsey, Frank Brown;

For Erick, Jack Dollar;

For Muncy and Pleasant Valley, Raymond Rucker;

For South Plains, Bill Beedy;

For C. Hill, Jack Stansell;

For Ed. Webb Taylor;

Fairview, A. Chapman;

Dougherty, Tate Jones;

Baker, W. H. Smith, Jr.;

McGoy and Starkey, Dick Smith;

Center, Joe Robertson;

Harmony, Roy Lee;

Lakeview and Pleasant Hill, Don Harrison;

Sand Hill and Barwise, Tom Sneed;

Aiken, J. C. Powell.

Chairman of the budget and admission committee is Bob Miller of Lockney. Serving with him on this committee are Clinton Fyffe and N. W. Williams of Floydada, Tom Sneed of Barwise, Jess Cox, Dwight Jackson, Faye Pinner and Mrs. Joe Foster, of Lockney; Charles Boedeker of Providence; Tate Jones and Mrs. Howard Drysdale of Dougherty.

The county-wide committee is composed of Charlie Andrews, Aiken, president; Faye Pinner, Lockney, first vice-president, Roy Hale, Harmony, second vice-president. The members of the board of directors for Floyd county United Chest include the above named and:

E. C. Carter, Dwight Jackson, John Kimble, Hugh Counts, Earl Crow, Earl Minter, Mrs. Joe Foster, Mrs. Henry Hodel, Hollis Bond, Marvin Cox, N. W. Williams, Willis Reynolds, R. L. Lewis, Mrs. Harve Powell, Mrs. Billy Stanforth.

COUNTY COUNCIL MEETING SATURDAY AFTERNOON
Floyd County Home Demonstration council will have its regular meeting in the council room of the Court house at 2:30 on Saturday afternoon, November 20, Mrs. M. J. McNeill, county council chairman, has announced.

FFA SWEETHEART

Darlene Bryant, above, 17 year old senior, was named Floydada High F.F.A. chapter sweetheart in ceremonies last week. Darlene is the daughter of Mr. and Mrs. Olin Bryant. She has attended Floydada schools all her life.

Darlene has held honors such as Andrews Ward 7th grade Queen, 1949, high school reporter on the Whirl, Tala reporter, vice-president of chorus, 1953, class treasurer, 1954, Homecoming queen attendant, 1954 and band, 1953. She is also an officer of the Rainbow girls.

Darlene will compete for district queen Saturday morning in Abernathy. FFA sponsors and Ag boys will accompany their sweetheart to the contest.

Tuesday Night Thanksgiving Service is Set

The Floydada Ministerial Fellowship announced this week that the date for the annual Thanksgiving service in Floydada will be on Tuesday night of next week.

Dr. D. M. Wiggins, vice-president of the Citizens National Bank of Lubbock, widely-known educator and former president of Texas Technological College, will make the Thanksgiving address.

The service will be held at the First Methodist Church at 7 p. m. The Tuesday night date, instead of Wednesday, was chosen by the ministers in order for the service to be held before Thanksgiving day crowds of the community begin to scatter for the holiday.

Communicants of all the religious organizations in the community are invited to participate in the union of Thanksgiving. Dr. R. Earl Allen, president of the fellowship, said, Dr. Wiggins is a speaker whose address undoubtedly will present an inspiration and a challenge.

The musical numbers for the evening are being prepared by members of the Methodist church.

The ministerial fellowship discussed plans for the union Thanksgiving service at a noon-day session held Monday at Commercial hotel. At that time they elected officers, choosing Dr. Allen as president, Rev. C. R. Brown vice-president and Rev. W. D. Reeves secretary-treasurer. Their monthly meeting date will be 12 o'clock every first Monday at Commercial hotel.

INDEPENDENT BASKETEERS PLAN MEETING MONDAY
Bob Risinger announced yesterday that interest in independent basketball in Floydada is keen and it is planned to have a meeting Monday night at Graves gym starting at 7:30 p. m. to organize. Both a men's team and one for girls is in prospect and all those interested in becoming a part of the effort are urged to be present.

Risinger asked that those desiring to do so, bring their gear, and be ready for the first work-outs. A schedule will be arranged in the near future.

HALF - MINUTE INTERVIEWS
Leonard Matsler: "Bill Darden and me are going on a deer hunt as soon as we get our checks for our wives taking the census."

SANDY SEZ ----

I'm glad to have you here once more. I'll try to do my best to bring the latest of F.H.S. students and activities.

First, I would like to say "hello" to Bill Walker who is attending college at S.M.U. Bill was here last weekend and we will be glad when he comes home once more.

Did everyone see the game last Friday night? Well, the Whirlwinds made an overwhelming victory over Tulla with a final score of 31 to 0. This means Floydada has won district once more and will play Phillips for bi-district championship honors and maybe a chance to advance in state finals. The boys who made our touchdowns were Jackie Jarrett, Laron Fulton, Cloyd Stephens and Marvin Rucker made the extra point. We're all proud of you, Whirlwinds! Let's go to state!

Pat Helms was elected for most courteous girl of F.H.S. Pat de- served this honor and let's all try to improve this trait by directing conscious attention to our everyday manners.

The Student Council's thought for the week was "When opportunity knocks, only yesterday's record can open the door." At the last Student Council meeting the members were divided into different groups for discussion of the South Plains Association of Student Councils. Sammie Copeland gave the treasury report and Bobby Carmack was appointed head of the Christmas committee.

A ten-cent admission was paid in assembly for the talent show. This money will help pay for handbooks which will be handed out to the F.H.S. students in the near future.

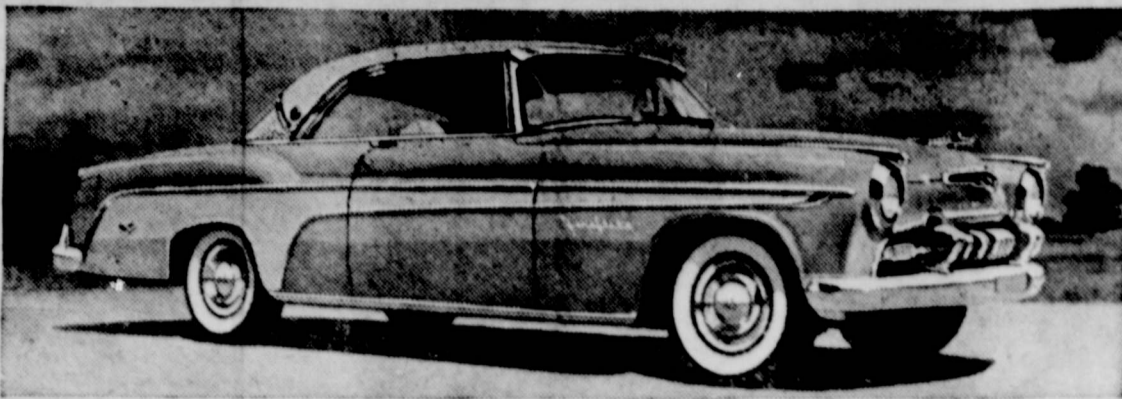

The band did a good performance Friday night. All during the show the band never quit marching or marking time. We are real proud of our F.H.S. band and hope for a sweepstakes winner.

The Senior's received their class pictures Tuesday morning. You should have seen the commotion in "ol' F.H.S."

Sweaters were received by the Thespians and Annual Staff. They are really sporting them around and they sure look good.

Daters seen around F.H.S. halls and Floydada have been Sonja Beth Wilson and Larry Glassmoyer, Sherre Darden and Jack Womack, Wanda Jones and "Huck" Huckabee, Carolyn Collier and Carroll Fulton, Bo Dean Pate and Loran Nixon, Doris Campbell and Gary Don Carthel, D'lene Witkowski and Waldo Baxter, Vanda Carter and Carroll Guthrie, Benita Teaff and Bill Walker, Jerry Floyd and Jimmy Collins, Pat Robertson and Gene Swanner, Sue Nelson and Don Nor-

IT'S THE '55 DESOTO FIREFLITE SPORTSMAN

Introduced for the first time in 1955 is the De Soto Fireflite Sportsman hardtop, all new in every detail and powered by the new Fireflite 200-horsepower Fireflite hemispherical combustion V-8, the most powerful De Soto engine ever built. Exterior design and interior styling are entirely new, including a buyer's choice of almost unlimited color, fabric and trim combinations. The Sportsman is lower, longer, roomier and offers such De Soto exclusives as Powerflite automatic transmission, Full-Time, coast-al-type power steering, Power Brakes, electric window lifts, electric four-way front seat adjustment, and Airtemp air conditioning.

man, D'Ann Witkowski and Stanley Vickers, Glynnell Armstrong and Gordon Joiner, Nita Jo Lightfoot and Cloyd Stephens, Beuna Holmes and Glad Norman, Ann Finley and "PeeWee" Ferguson, Betty Blum and Ronnie Upton, Darlene Bryant and Bill Fulton, Christine Brints and Jackie Johnson, Linda Clark and J. E. Waller, Bonnie Upton and Stanley Burleson, Cheryl Crawford and George Chapman. Dan Cupid must have been shooting a lot of arrows this week!

On November 16, Friday night, at 6:00 p.m., the Andrews Ward P.T.A. is sponsoring a carnival to be held at Ward school. All you guys grab your gals and come out! There's fun for everyone.

Carroll Guthrie is sick with polio and we all like to say, "We hope you get to feeling better. We sure miss your bright smiling face. You gotta keep on both feet on the bottom of the pedal on the gas on the floor — you gotta drag man!" Adios, Sandy

News of Harmony

(By Mrs. Mather Carr)

HARMONY, November 15—Those attending the funeral of Bran Payne, Monday from our community were Mr. and Mrs. Charlie Smith, Floyd Trowbridge, Mr. and Mrs. David Battley, sr., Mr. and Mrs. Roy Hale, Mr. and Mrs. Walter Hanna, Mrs. D. J. Parkey and Mrs. Loyce Turner.

The Womens Society of Christian Service met Tuesday in the home of Mrs. M. D. Ramsey with Mrs. Ramsey as hostess. There were eight members and one guest, the guest being Mrs. Loyce Turner. This was regular business and program postponed from the Tuesday before. Mrs. Chloma Williams gave the program. Mrs. Smith, the president had charge of the meeting and hostess served refreshments. A box was packed and overseas relief.

Mr. and Mrs. R. G. Morris attended the funeral services of a friend Tuesday at Plover.

Mr. and Mrs. Bill Edwards returned home Wednesday from San Antonio, Texas, where they were guests for a week of their daughter-in-law and family, Mrs. Vernon Edwards. On returning home they found their son Captain Weldon Edwards home from Japan. He beat the parents home three hours. Capt. Edwards has been overseas for quite some time. He has a 30-day leave.

Mrs. R. G. Morris conducted the Bible study last Wednesday night, studying the second chapter of Luke.

Club met Thursday at the club room with Mrs. D. S. Battley, sr., as hostess. The meeting was called to order by the president, Mrs. Carrick Snodgrass.

Roll call was answered by a souvenir from my vacation. Miss Petty gave a demonstration on a meat casseroles dish. Mrs. Wanda Turner directed recreation. The hostess served refreshments to 14 members, Miss Petty and some children.

Mr. and Mrs. Monroe Shultz are the happy parents of a baby girl born Sunday, November 6, in St. Marys hospital in Lubbock. The little miss has been named Patsy. Patsy has two sisters and one brother.

Mrs. E. W. Turner and Mrs. Loyce Turner and son were guests Friday of Mrs. E. W. Turner's daughter and family Mrs. L. G. Pierce of Lubbock.

Mr. and Mrs. R. B. Gary returned home Friday from points in East Texas where they had been visiting for sometime after leaving the hospital at Houston some two weeks ago.

Mr. and Mrs. Everett Miller, Chloma Williams, Mr. and Mrs. Wesley Carr and son Charles Mather (who plays in high school band) and Horace Carr attended the football game at Tulla Friday night between the Floydada Whirlwinds and the Tulla Hornets.

Ronnie Tucker had as his guest over the weekend a cousin.

Rev. Krebs preached both evening and morning at the chapel. Mrs. Krebs was unable to attend owing to illness.

Guests in the Mather Carr home for Sunday dinner were Rev. Krebs' three sons, Phil, Robert and Jimmy and Charles and Bill Carr. Also guests in the Carr home were Mr. and Mrs. S. J. Burrows of Plainview.

James Holcomb of Lubbock was a guest Sunday evening of the R. B. Gary home.

Mr. and Mrs. Cox who at one time resided here have moved back and will live on the E. W. Turner farm.

Those who are ill are Mr. and Mrs. Wesley Carr and sons, Don Ray Ramsey, Mrs. Everett Miller and Marvin Smith.

EVE, THE OLD RUSSIAN

"Were you aware," asked the Soviet scientist of a companion, "that Adam and Eve were actually Russians?"

"Why, no, I wasn't," replied the other, interested. "Can you prove it?"

"Easily," replied the scientist. "Adam and Eve had no clothes and no home. The only thing they had to eat was apples. And they thought they were in Paradise. They MUST have been Russians."

New Hampshire originally was called the Province of Laconia.

Food rationing began on March 1, 1943.

ARTHRITIS, RHEUMATISM, NEURITIS Sufferers Now Offered Amazing Relief From Agonizing Pains

Rev. Bobby Ferguson and Mr. Spruiell will have charge of the Nazarene revival to be held in the Nazarene church during the holidays, beginning Friday night, November 24, and through Sunday, November 28.

BOBBY FERGUSON

LARRY REEVES

called during the afternoon were Mr. and Mrs. O'Dell Mulder and Patricia, from Floydada.

Wednesday evening prayer meeting time has been set at 7, with auxiliaries meeting, and singing with prayer services after that at 7:45, as announced by Rev. Faus. Rev. and Mrs. Larry Faus, baby daughter and Bobby, are getting settled this week in the parsonage. This week Rev. Faus is going back and forth each evening to Plainview where he is attending play practice for the home coming play which is "Goodbye, my Fancy". The play will be given at Wayland College next Saturday.

Travis Young, son of Mr. and Mrs. R. E. Young, volunteered for the armed forces last week, and left this Monday for Fort Bliss, at El Paso, Texas. His brother, Deral, just finished his army training, and with his wife, is now living in Floydada.

Mr. and Mrs. Frank McClure went to Crosbyton Sunday morning. Their children, Mr. and Mrs. Don McClure, and Jean, of Crosbyton, accompanied them to Snyder, where they spent the day visiting Mrs. McClure's brother, Mr. and Mrs. A. C. Newman, and a sister, Mr. and Mrs. J. E. Woodson, and their families. The father, R. W. Newman, who has been very ill, was in Dallas where he was taken for medical treatment.

Mrs. Paul Snodgrass arrived home last Sunday from Telephone, which is near Bonham. She reports that her father is about the same, and is staying with a brother and family at this time.

Rev. and Mrs. Larry Faus and Vassie Beth were dinner guests on Sunday after church in the home of Mr. and Mrs. Murray Julian and boys, and they spent the afternoon together.

The rummage sale which was held by the PTA in Floydada on Saturday netted a good amount for that organization. Helping Mrs. John Wilson during the afternoon and morning were Mmes. George Weast, R. G. Dunlap, Grigsby Milton \$33.50

were reported at the close of the day.

Mr. and Mrs. Bill Beedy and Eugene went to the football game in Tulla on Friday night when Floydada and Tulla played. They met their son and his wife, Mr. and Mrs. Charles Beedy and Randy from Amarillo, who visited here with them and her parents over Saturday and Sunday.

Mr. and Mrs. Clifford Helms and children from Fairview were Sunday visitors and dinner guests at the home of Mr. and Mrs. Sylvian Kinnibrugh and girls.

Mr. and Mrs. W. M. Stanforth, Sr., left on Sunday for Temple, Texas, where they will spend a few days having a check-up at the Scott and White hospital.

Community Club Meeting
The South Plains Community Club met at the recreation room at the school house on Friday night, November 12. Presiding over the business meeting were J. B. Thames, as president, and L. T. Wood, secretary. It was decided to meet the last Friday in each month, but since there are five weeks in November the next meeting will be the first Friday in December, on the 3rd.

Miss Lella Petty and Bill Rodgers from Floydada met with the club, and helped work out a plan for improving the community. Games of "42" were played, with the children enjoying recreational games in the auditorium. About 50 adults and children were in attendance. Coffee, cocoa and cookies were served at the close of the evening.

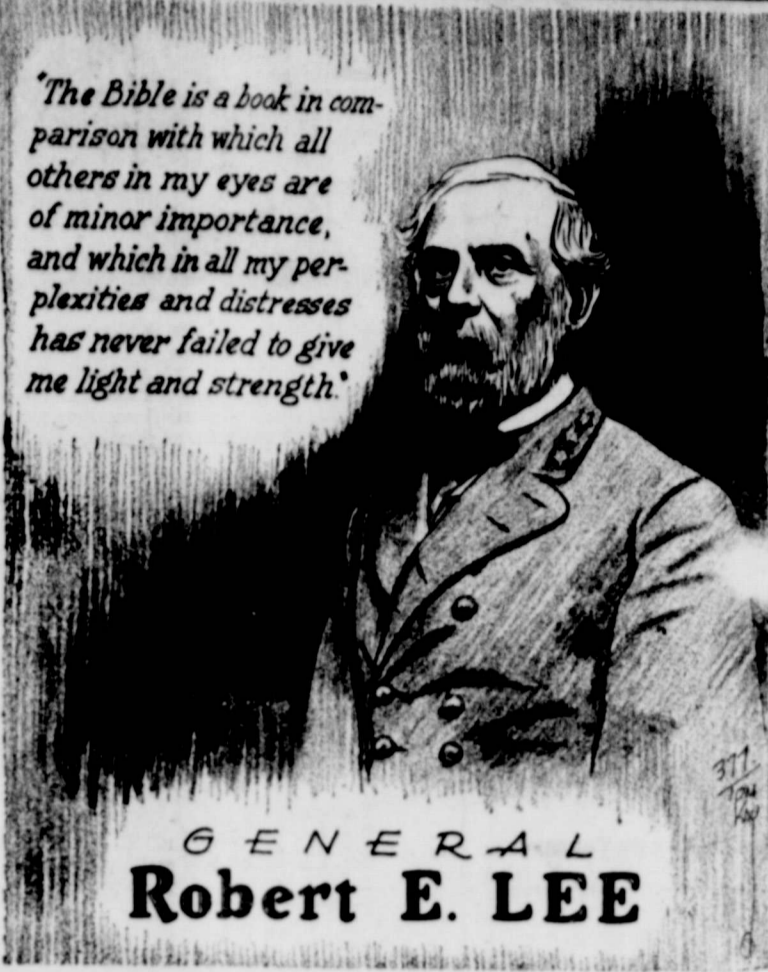

The following people will have charge of the next meeting: Mrs. E. P. Pritchett, Mrs. Larry Faus, Mrs. Grigsby Milton, John Smitherman, L. T. Wood, Roy Bledsoe, Harry Hartman, Juanel Brown and Price Pritchett.

Those who attended the Brotherhood meeting and chili supper in Floydada at the First Baptist church on Monday evening were Grigsby Milton, Dock Jones, Murray Julian, Bryan Karr and H. S. Calahan, Jr. Clayton Bond was well enough to come home from the hospital in Lockney on Saturday.

Several from here attended the funeral in Petersburg of Alton Seymour, from Sterley, who passed away on Sunday morning. Dinner was served in Lockney for relatives and friends. After the service in Petersburg, his body was brought to Lockney, and from there went

THE AMERICAN WAY

"The Bible is a book in comparison with which all others in my eyes are of minor importance, and which in all my perplexities and distresses has never failed to give me light and strength."

GENERAL
Robert E. LEE

to Rush Springs, Oklahoma, for interment. Attending from here were Mr. and Mrs. A. P. Sanders, John Reeves, and Mr. and Mrs. Fred Fortenberry.

Mrs. Aycock, from Lorenzo, is visiting her daughter, Mrs. J. D. Webb and family, and on Monday afternoon a group from Mrs. Webb's club, called at her home, to spend the afternoon with them. Mrs. Beedy presented Mrs. Webb with a beautiful gift from the members, and everyone enjoyed visiting together. At the close of the afternoon Mrs. Webb and Mrs. Aycock served pumpkin pie and coffee to those present who were Mmes. Frank McClure, George Weast, Bryan Karr, L. T. Wood, Bill Beedy, Grigsby Milton, Murray Julian, J. K. West, R. G. Dunlap, Becky and John. Melinda and Duane Webb.

Interesting Club Meeting

The South Plains Home Demonstration club met at the school house on November 9, with hostesses, Mrs. Philip Smitherman and Mrs. Ernest Smitherman. Mrs. L. T. Wood presided at the meeting, and Mrs. Dunlap gave the devotional. Roll call was answered with a good book I have read from the library.

Mrs. West has the new game book and anyone wishing to use it, will get it from her.

Committees were chosen to make plans for the Christmas party, and will present them at the next meeting. Mrs. Harry Morckel, from the REA staff in Floydada, was present and gave a wonderful demonstration on Planning and Preparation of Holiday Meals. She gave many useful hints on getting the turkey ready for the dinner. Her demonstration was a delicious dish made

from chicken or turkey. Mrs. Bledsoe is a new member of the club, and she had a guest, Mrs. Bumpus, from Lubbock.

The hostesses served refreshments of the chicken dish Mrs. Morckel prepared, with small sandwiches, hot coffee and cookies. Those present were Mmes. L. T. Wood, Fred Fortenberry, Grigsby Milton, Sim Reeves, Bryan Karr, Paul Snodgrass, H. L. Marble, P. J. Kinslow, I. H. Parks, J. K. West, Murray Julian, R. G. Dunlap, Bill Beedy, Roy Bledsoe, George Weast, Skeet Thornton, Frank McClure, John Smitherman with guests, Mrs. Morckel and mother, Mrs. Buchanan, and Mrs. Bumpus.

Mrs. J. K. West has announced the next meeting will be November 24, at the school house, with Mrs. Kinnibrugh as co-hostess.

Mr. and Mrs. Menard Field returned home on Sunday from Haskell, where they had spent several days visiting relatives and friends.

Mr. and Mrs. Loyd Deavenport arrived home on Sunday after spending the past week in Boulder, Colorado. They were called there a week ago Sunday by the death of her father, Mr. Baird.

Rev. and Mrs. Larry Faus are extending cordial invitations to all members of their church, and to all the people of South Plains com-

munity to come to their home for a time of fellowship on Sunday evening, November 21, after church services.

PROFESSIONAL TALENT

In the penmanship class of the fourth graders, the teacher was going to each pupil's desk and examining the handwriting, says the Arkansas Baptist. She paused at little Willie's desk and watched him scribble. Finally she said:

"Willie, you certainly are a poor writer. I don't know what I'm going to do to make you write better."

"Don't worry about me," Willie replied. "I'm going to be a doctor, anyway."

The zinnia is the state flower of Indiana.

Charleston is the capital of West Virginia.

Lansing is the capital of Michigan.

Washington was the only President ever to receive the entire electoral vote, (1789).

While it was still a territory, women in Wyoming were given the right to vote.

OLD STOVE ROUND-UP

Good Time To Buy An
Automatic Gas Range

Economical

...TO BUY ...INSTALL ...OPERATE

New, automatic gas ranges have every modern feature. Check them and you'll find such exclusive features as: Hundreds of burner settings, smokeless broiling, continuous oven temperature control for better baking, and instant heat. See these wonderful ranges at your dealer's today. Buy an automatic Gas range. No range is more automatic!

YOUR HEALTH

You can't purchase health. If you could, only the poor would be sick.

Health develops as does sickness. It takes time to regain health just as it takes time to develop sickness.

A person has a fall, strain or shock which causes a spinal segment to become misaligned. This causes pressure on nerves. The energy from brain to tissue cell is then partially blocked. The tissue cell weakens. Bacteria flock to that area as they thrive on weak, dead, and dying tissue. Then you notice pain and other symptoms. It is then you realize you are sick, however, in reality you have been getting sick from the time nerve pressure existed.

To regain health you must go thru the same process, only in reverse.

You consult a chiropractor. He locates the misalignment, adjusts it. The nerve pressure being removed the energy from brain surges to dis-eased area. There is first a cleaning up process, followed by rebuilding and replacing tissues. When completed, you have health.

FHS Graduates Have Favorable College Grades

Floydada public schools made an appraisal of instructional program last May as outlined by the Texas Education Agency. This was not done to try to compare the Floydada public schools with other high schools, but to try to find weak points within the system and make improvements on them.

However, there was one measure made that probably can be compared with the average of other schools over the state with some accuracy. This was the grades made by pupils who graduated from Floydada High School who later attended college.

Requests were made for the college grades of every graduate of Floydada High school who has attended college for the past four years. Registrars of most all of the colleges responded.

Out of 154 college grades it was reported that 40 were in the upper twenty-five percent. Eighty-four were in the second 50% bracket and only 30 were in the lower 25 percent bracket. In other words, the pupils in the upper 25 percent were four percent higher and the pupils in the lower 25 percent were 24 percent less than the average accredited high schools in the state. This makes us appreciate the type of work that is being done in the colleges and universities by Floydada High School graduates.

Center News

(By Mrs. J. E. Green)

CENTER, November 15—We had shower Sunday morning which affected the size of our congregations. Visitors in church Sunday were Mr. and Mrs. Mince and two sons of Floydada, also Carleta Reeves, who spent the weekend with Margaret Dunn.

Bro and Mrs. Hodges were Sunday dinner guests of Mr. and Mrs. J. D. Welborn and family. Mrs. Hodges visited Mrs. Jimmy Dunn Sunday afternoon. Mrs. Dunn was ill and unable to attend church Sunday. She was taken to a Floydada hospital Monday.

Mrs. C. W. Denison spent Friday and Saturday in Lubbock visiting her son and family, and other relatives.

Mr. and Mrs. D. I. Bolding vis-

Area Baptists Hear Dr. Rieff

An attendance of 149 was present Monday night at the First Baptist church for Brotherhood meeting to hear Dr. E. A. Rieff, president of Hardin-Simmons university, speak.

Churches from Ralls, Crosbyton, Mt. Blanco, Cone, Aiken, Plomot, South Plains, Silvertown, Lockney, Lone Star, Pansy, Matador and Floydada were represented. Aiken was high with more men on a percentage basis present.

Following the supper at 7 o'clock a quartet made up from the First Baptist Church of Floydada, presented several numbers. The quartet included Bob Copeland, Marian Kattner, Bill Greer and Brac Biggers. Dr. Rieff, president of the Brotherhood, presided over the business session. Nomination of officers was held with Perry Bell of Crosbyton elected vice-president, Brac Biggers of Floydada, secretary and treasurer, Bill Hall of Lone Star, chorister, Nat Vance of Lone Star, pianist, and Dr. R. Earl Allen, pastor, advisor of the association.

The Brotherhood decided to give a scholarship to a worthy man at Wayland college. This scholarship, which is worth \$600 is made up from the Floyd County Association of Brotherhood.

The next meeting will be at Aiken in February.

Dental Treatment Cut-Off Date Set By 83rd Congress

D. G. Ayres, county service officer, has news for veterans of World War II and the Korean campaign in connection with out-patient dental treatment, which is affected by a law passed by the 83rd congress. Ayres says:

A new cut-off date has been imposed in connection with applications for out-patient dental treatment by the terms of Public Law 428, 83rd Congress, which was approved June 24, 1954, which reads in part as follows:

"Provided, that no part of this appropriation shall be available for outpatient dental services and treatment, or related dental appliances, with respect to a service-connected

I Give You Texas — Boyce House

Homer Glover was justice of the peace in Kilgore at the height of the oil rush and had to pass on the cases of hundreds of murderers, hijackers, gamblers and ruff-raff who had been lured into East Texas by the promises of quick and easy riches.

Glover also was ready to back up his official actions with a six-shooter but he didn't have to swing into action because the criminal element never got to the point that any of its members wanted a showdown with the former Texas Ranger. He had resigned from that famous manhunting organization to become justice of the peace.

The colorful, rangy ex-Ranger, who stands above six feet and moves with the grace of a panther, is ruddy-complexioned, has sandy hair and talks with a Texas drawl.

Friends telling of Glover's experiences in the East Texas rush say that he and Ranger Captain "Lone Wolf" Gonsaulias arrived in Kilgore early in the boom and began rounding up undesirables. There was no place to keep prisoners so an old Baptist church, which was no longer in use, was converted into a jail. A heavy chain was fastened all the way around the wall and shorter chains were attached.

As high as 300 arrests were made in a day. Among the prisoners, finger-prints revealed, were men who were wanted for murder and robbery with firearms all over the country.

Kilgore's justice of the peace when the boom hit was a rather elderly man who said he wanted to resign and that he wanted Ranger Glover to be his successor. Glover however, had been in the county only 30 days and there is something in the law books about having to live in a county six months before becoming eligible for a county office. But the county attorney said that since Glover was a state officer and unmarried, he could claim any county as his legal residence, so he was named justice of the peace by the commissioners' court.

He assumed the duties and often would convene court at sunrise and keep going steadily, except for lunch, until sunset. Some days he tried as many as 130 cases. Some of the men were dangerous characters and reports of threats came to Glover's ears more than once.

The nearest to trouble that he had took place one day while he was sitting at the counter in a cafe. He looked up into the mirror and saw a leader of the "tough" crowd coming up behind him, with a pistol held alongside his pants leg.

Glover spun the stool around, at the same time whipping out his own six-gun, jammed it into the other's stomach and said, "I don't think you'll be needing this," and removed the pistol from the man's grasp.

Sand Hill News

(By Mrs. James Jeffress)

(Too late for last week)

SAND HILL—With the weather still holding nice, the cotton is still rolling to the gins. A few strippers have started on some of the farms this week. The cotton harvest might be about half over.

Congratulations to Mr. and Mrs. Monroe Schulz on the arrival of a baby daughter Sunday morning.

Mr. and Mrs. Ross Day from Odessa were the weekend guests in the home of Mr. and Mrs. Rafe Ferguson and family.

Weekend guests in the James Jeffress home were Mr. and Mrs. Shafe Weaver and family and Jim Jeffress all of Silvertown.

Mr. and Mrs. Rafe Ferguson and family were the dinner guests in the home of Mr. and Mrs. Charlie Day in Floydada Sunday. Craig Day returned home with them.

Mr. and Mrs. W. R. Billington were in Plainview Thursday night visiting their daughter, Mr. and Mrs. Ross Yandell and family. Mrs. Billington planned to spend a few days visiting there.

There was a good crowd at both church services Sunday at the Baptist church.

Miss Katie Hollums and another sister from Midland spent the weekend visiting in the home of their parents, Mr. and Mrs. Will Hollums.

Mr. and Mrs. Roy Hollums of Lubbock attended church with his brother, Mr. and Mrs. T. C. Hollums Sunday night.

Mr. and Mrs. James Jeffress and family were in Lubbock Sunday afternoon visiting their parents, Mr. and Mrs. Tom Brown who have recently moved from Eden to Lubbock.

Mr. and Mrs. Lynn Miller and family attended a reunion at Palo Duro Canyon Sunday.

(By Mrs. James Jeffress)

SAND HILL, November 17—The little shower Saturday night didn't amount to much, just slowed up the cotton strippers a little.

Mr. and Mrs. C. B. Carmack were guests in the James Jeffress home Wednesday night.

Sand Hill Club Meets

The Sand Hill Home Demonstration club met Wednesday afternoon in the club room.

Final plans were completed for the Thanksgiving supper which will be November 18 at 7:00 p. m. at the school. The food committee consists of Mrs. C. B. Carmack, Mrs. T. C. Hollums and Mrs. Walter Knight. They presented a menu of

Family, Friends Gather For Rites Of Mrs. Cannaday

Out-of-town relatives attending the funeral service for Mrs. W. I. Cannaday at Floydada Tuesday, November 9 included her daughter and son-in-law, Mr. and Mrs. A. A. Meredith of Borger; her grandchildren Mr. and Mrs. Wm. T. Morgan, Lerry Glenn Moran and Margaret Arline Morgan; Mr. and Mrs. T. A. Norman and Gayle Norman and Stewart Norman all of Austin; Mr. and Mrs. L. G. Stewart Jr., of Odessa and Miss Ann Welborn of Baylor University, Waco, Texas.

Paul Garnett Bentley, Mrs. Cannaday's brother and his wife arranged the services. Miss Bentley and Miss Lenora Bentley of Dallas, were present for the rites.

Other relatives and friends attending the funeral service were her sister-in-law, Mrs. J. E. Bentley of Dallas and Mr. and Mrs. J. E. Bentley, Jr., and daughter of Dallas; Mrs. H. L. Bean and son of Amarillo; Russell Cannaday and Percy Williams of Winnsboro; Mr. and Mrs. Robert Meredith, Borger; Mrs. W. A. Atkins, Mrs. Garland Price, Mr. and Mrs. T. Z. Walker, Mr. and Mrs. Ray Flake; Mr. and Mrs. William Loggren; Mr. and Mrs. Robert E. Carter, Mrs. Sid Carter, Mrs. B. B. Carter and Mrs. Floyd Bracken all of Amarillo; John F. Allen, Borger; Mrs. J. Ray Dickey, Mrs. A. N. Gamble and Mrs. Ruby Gibbs all of Lubbock; Mrs. L. A. Doyle, Portales, New Mexico; Mrs. H. B. Lacy, Albuquerque, New Mexico and Mr. and Mrs. Leslie Surginer of Kansas City, Mo.

Family, Friends Gather For Rites Of Mrs. Cannaday

Each member is asked to bring a card table, table cloths and folding chairs.

Miss Leila Petty had charge of the program and presented a demonstration on "more meat cookery". Mrs. Hilary Shurber, hostess, served refreshments to Misses C. B. Carmack, H. P. Jackson, James Jeffress, Wayne Billington, J. T. Spears, Walter Knight, Orbra Miller, Lynn Miller, Johnny Miller and Miss Peterson.

The next meeting will be November 24 at the school house with Mrs. Leila Petty as hostess. Each member is asked to bring something to answer roll call with.

Mr. and Mrs. Homer Meil and family of Hale Center visited in the home of Mr. and Mrs. Monroe Schulz and family Wednesday night. Donna Schulz returned home after spending a few days with her aunt, Mr. and Mrs. H. P. Jackson spent the weekend visiting relatives in Amarillo.

Sunday evening visitors in the home of Mr. and Mrs. Jim Holmes were Mr. and Mrs. W. R. Billington. Mr. and Mrs. James Jeffress and family spent Sunday in Silvertown visiting in the home of Mr. and Mrs. Shafe Weaver and family. They also visited Jim Jeffress in the Crum clinic in Lockney. Mr. Jeffress underwent surgery last Tuesday.

Mr. and Mrs. Carl Schulz from Vernon have been visiting in the home of their son, Mr. and Mrs. Monroe Schulz and family for the past week. They returned to Vernon Monday morning.

Sunday visitors in the home of Mr. and Mrs. Monroe Schulz and

Family, Friends Gather For Rites Of Mrs. Cannaday

family were Mrs. Schindler, Mr. and Mrs. E. H. Pomeroy.

Mr. and Mrs. C. B. Carmack Bobby attended the home game at McMurry college here Saturday. They and son Billy were there and home Sunday.

Mrs. J. T. Spears and family were in Lockney Monday afternoon. Saturday night visitors in the home of Mr. and Mrs. James Jeffress were Mr. and Mrs. J. T. Spears and family.

The Thanksgiving supper community will be held Sunday night at the school house at 7:00 o'clock.

The monthly business meeting of the Sand Hill Baptist church will be held Sunday night after the union. Discussion will be holding a spring revival church.

The W.M.U. of the Baptist church will be held after school at 2 p. m. at the school house. This will be the first of the year program and Mrs. Peterson will have charge.

Visiting in the home of Mrs. M. B. Swanner this week were Mr. and Mrs. J. B. Pate of the home of Mr. and Mrs. Swanner this week.

There was a good attendance at the Baptist church at noon Sunday.

Sunday dinner guests at the home of Mr. and Mrs. M. B. Swanner were Mr. and Mrs. Jack Swanner and family.

Bro. Truman Boyd and family were the Sunday dinner guests at the home of Mr. and Mrs. Swanner.

Mr. and Mrs. Rafe Perry family visited in the home of Mr. and Mrs. Bill Morris Sunday.

FLOYD COUNTY CHAPTER AMERICAN RED CROSS

TOUGH TIMES, NO FRILL TIME

When the going gets tough the frills and fancy doodads of advertising go by the board. So thinks Julius Trivers, vice-president and sales promotion manager of Davidson-Paxon in Atlanta.

"You may like fashion shows, radio, television, direct mail, and billboards," said Trivers, "but they can all be eliminated with very little loss. They are the luxuries, while newspaper advertising is the necessity."

He urged all merchants who are struggling against rising costs, to cut out all marginal promotions, devices, and fripperies, according to a report of his speech in Retailing Daily. Trivers told them to stick to newspaper space until the day when profits allowed them to choose from other media.

He referred to the Batton, Barton, Durstine & Osborn advertising agency survey made during the Christmas strike of New York newspapers and reminded his listeners that the highest number of those interviewed, 42 per cent were quoted as missing the daily advertisements.

"Retailers," said Trivers, "dominate the newspapers, and you had better be there."

Farm Man Thinks

Earth's moods both dark and fair; Each year they've brought me happiness That, conquered pain and care. So, when I have to leave it all And view it from afar, Forgive me, if I'm homesick, Lord, For this one special star.

People complaining of colds makes me think of childhood days and the ways we were doctored then. I remember when letters came from the km during the fall and winter and even the spring time, they began like this:

"Dear folks: I take my pen in hand to write you a few lines. This finds us all well but having bad colds . . ."

We came in from school with our heads all stopped up, our voice hoarse and hands and faces red and very warm. Mother gave us one look and put us to bed with an early supper of hot mush and milk. We drank a cup of ginger tea, then mother carefully rubbed a big piece of wool cloth with lard. I can see her yet. She took a case knife and spread it on pretty thick for it was to be protection from the rest of the applied stuff. She dripped on coal oil, plenty of camphor. My it was smelly. It always felt so cold and clammy when it was put on our chest under our cotton flannel night clothes, but later it got so hot we thought it was blistering, and sometimes it did. Even around our necks this cloth was placed.

Oh, I forgot how we kept our feet in a pan of very hot water just before we were put into bed. We would slip in one toe, then another, suddenly putting in the whole foot, only to draw it out again and let it cool a bit. Gradually we were soothed by the blood coming back to our cold feet. Then, mother, after we were in bed, would take off a hot stove cap from the kitchen stove, wrap it around carefully in newspaper so the soot would not get in the bed, then in old rags and place it at our feet. Next morning we might have a ring of clear blisters around our necks but we felt better. Antikamnia was the "aspirin" of that day and people went about with it in their pockets for the headaches and other aches, not peculiar to that day, for they are as old as man. "Starve a fever and feed a cold" was the motto. One thing we liked was the lemonade given for cold, but we had rather have had it cold than scorching hot as we had to drink it. The other day Dr. Thacker told me that there was nothing better for a sore mouth than campho phenique. Mother thought the same thing and she used it for sore throats and colds.

Some used an old dirty sock to tie around the neck for sore throats. I think the dirt helped exclude the cold air. Quinine was another good medicine, and how we hated it, even tho it was disguised by a precious bit of orange, we did not often get. Or we got it in a cup of sweetened coffee. And now children complain of plain shots!

Fairview News

(By Mrs. Clyde Bagwell)

FAIRVIEW, November 16—Our community witnessed a tragic scene Saturday morning about 9:30 o'clock when the house occupied by Mr. and Mrs. Jim Stewart caught fire and burned to the ground. Mrs. S. L. Rushing and the oldest land mark in the community. It was a large two-story structure having been built by the late S. L. Rushing and Mrs. Rushing 39 years ago and where the Rushing family made their home up until a few years ago. Mr. and Mrs. Stewart and their son Jim Dan had made their home there for the past several years.

The fire started in the bath room and when discovered by Mrs. Stewart had too much of a headway for her to handle alone. Mr. Stewart had gone to Plainview on business and Jim Dan was sick in bed with the flu. The fire department was called and arrived as soon as possible, but there was nothing they could do to stop the fire with such a small water supply. Mrs. Stewart was burned on her hands while trying to put out the blaze. Nothing at all was saved, except a Cedar chest that was near the door and Mrs. Stewart and her son got that out.

Mrs. Stewart was carried to Plainview to the home of her parents Saturday afternoon after being treated here by the family physician who was called. Mrs. Stewart is suffering from shock.

Mr. and Mrs. Lee Rushing had left that morning to go to Sweetwater and were notified of the loss. They returned home arriving here late that afternoon. Our heartfelt sympathy is with the Stewart and Rushing families in their loss.

A shower was given Monday night at the parsonage for the Stewart family. Some sixty people came and brought gifts and a large number who could not attend sent gifts. A large donation of money was given. People present and sending gifts were from Fairview, Center, Cedar Hill, Floydada, Plainview, HillCrest, Starkey, South Plains, Campbell and possibly others. The large group present enjoyed games of 84. Refreshments of coffee, coke and cookies were served by the Fairview ladies.

The Southwest part of our community received 1/2 inch of rain Sunday morning. The North and East portion did not receive that much.

Fairview News

(By Mrs. Clyde Bagwell)

Sunday Mr. and Mrs. Cecil Payne and C. J. went to Floydada to the home of her parents, Mr. and Mrs. R. W. Lotspiech, where Mrs. Payne's brother and his wife, Mr. and Mrs. George Lotspiech of Glenrio, New Mexico, were visiting. Other relatives gathering at the Lotspiech home for the day were Mr. and Mrs. Oran Hatley and daughters Maxine and Winona of Lakeview and Mr. and Mrs. Pat Bullock of Sandhill.

Mrs. Kate Crabtree of Clovis, New Mexico and Mr. and Mrs. Kay Crabtree of Lubbock visited in the home of Mr. and Mrs. L. B. Cozby, Monday of last week. The Kay Crabtrees are the parents of a son. The baby is a month old now.

Mr. and Mrs. A. S. Mize and Mrs. W. B. Wilson all spent the day Sunday in Matador visiting Mr. and Mrs. Vance Gilbreath and Mrs. Ada Ford.

Mr. and Mrs. Doyle Walls and Brenda of Floydada and Mr. and Mrs. Cecil Payne visited Mr. and Mrs. E. W. Walls Friday night.

Mr. and Mrs. Billy Tye and children Jane and Jimmy, of Floydada, spent Saturday night with her mother, Mrs. W. B. Wilson.

Mrs. L. B. Cozby, Jr., enjoyed a three-way conversation Tuesday night of last week at 11:30 our time with her sister in Los Angeles, California, and her niece in Seattle, Washington.

Mrs. John Crowley and daughter Arnice visited Saturday with Mrs. Lee Burgett.

Rev. and Mrs. Larry Faus and Vassie Beth and Mr. and Mrs. E. W. Walls were Thursday night visitors in the home of Mr. and Mrs. Clyde Bagwell.

Duane and Randell Reeves of Plainview spent the weekend here with their aunt, Mrs. T. L. Perry and family. On Sunday afternoon, Mr. and Mrs. L. B. Cozby took them home and while in Plainview visited with the rest of the Grady Reeves family and with Mr. and Mrs. Jim Stewart and Mr. and Mrs. L. A. Horton. Mrs. Walter Welch and Mrs. Odell Stapleton of Plainview spent Thursday here with their sister, Mrs. Jim Stewart.

Mr. and Mrs. T. L. Perry and Jan visited Sunday afternoon in Floydada with his parents, Mr. and Mrs. J. T. Perry.

Mr. and Mrs. Roy Lloyd made a trip to Dallas Thursday and returned home Saturday night.

Miss Ann Hopper of Lubbock visited over the weekend with her parents, Mr. and Mrs. Gene Hopper. Mr. and Mrs. Chil McClure and

Fairview News

(By Mrs. Clyde Bagwell)

Del Wade spent the weekend in Lubbock with her parents, Mr. and Mrs. J. C. Crabtree.

Mr. and Mrs. L. F. Irwin and family of Lubbock visited with Mr. and Mrs. Shirley W. Irwin and family and Sherman Irwin Sunday.

Mr. and Mrs. Gene Hopper and family visited Sunday in Floydada with his parents, Mr. and Mrs. J. M. Hopper.

Mrs. W. B. Wilson went to Floydada Monday to visit her son Randolph who had the misfortune of breaking his right arm at the wrist. Randolph was working on a job when he fell and landed on a concrete floor on his right arm. He was treated at the hospital and returned to his home.

Mrs. H. E. Giles of Clovis, New Mexico, visited Sunday with her daughter, Mrs. Clifford Helms and family.

We offer sympathy to Mrs. Clifford Helms and family in the loss of her uncle, Paul Banks, who was killed in an accident three miles out of Floydada on the Matador highway Sunday night.

KINDLY FISHERMAN

Six men went out on a fishing trip and ran out of provisions and sent one of their number to a nearby town, reports Parts Pups. When the messenger returned with six cases of beer, five bottles of wine, and a few bottles of whiskey, and a loaf of bread, one of the fishermen exclaimed:

"Good boy! He's even brought back something for the birds!"

Not one person survived the Custer Massacre of June 25, 1876.

Schoolboy Football Review

Winds Swat Hornets 31 - 0; Over as District Champs

Whirlwinds struck continued to show power in the game Friday night as a good Tulsa team of coaches Watson and showed some of the work and blocking they demonstrated all season as they completely swamped their opponents.

Jerry Herndon kicked off to Larson Fulton on the 'Winds 5 and he carried back to the 30. The 'Winds then worked quickly to midfield behind good blocking and from the midfield marker Jackie Jarrett went the remaining distance in one play as he drove through with a wave of team mates and went the distance. Joiner's kick was no good and Floydada held a 6 - 0 lead.

Following the score Stanley Vickers toed the kickoff to Billy Chandler on the Tulsa 10 and he counter punched back to the 15. The 'Winds had yielded only 8 yards when Jeff Carlile punted on third down and sent a long one rolling to the Floydada 12. The excellent kick was soon nullified, however, as the 'Winds began to grind out huge chunks of yardage and it was Larson

Fulton who scampered the last 34 yards of the drive which covered 88 yards and netted the second TD. Joiner's kick again failed and Floydada held a 12 - 0 lead at the end of the first quarter.

In the second stanza the ball had changed hands on punts and then Tulsa held for downs on their 24 to take possession. Failing to gain they punted from their 26 to the Floydada 49. The Floydada express began to roll again from this point and as they neared the double stripe Jarrett carried to the 6. Stephens punched to the 1, and on the next play Stephens burst through for the score. Rucker tried the kicking chore this time and it was wide again to leave the count at 18 - 0.

25 - 0 At Half-Time

Before the intermission Vickers had sent another booming kick into the Tulsa end zone and it was run back to the 22. The Hornets got in trouble here and had to punt. The kick was fumbled and Tulsa recovered to retain possession on 42. The tables were soon turned however when a Tulsa back let the ball get away and Marvin Rucker recovered on the Hornet 31 to set up another 'Wind score. Jarrett carried the mail this time as he hit for 13 yards on the final run. Rucker kicked the point with Waller holding. Score at half time was 25 - 0 favoring Floydada.

The third quarter found the two clubs battling mostly in mid-field and unable to muster a long drive. Tulsa punted from their 22 to the 'Winds 44. Floydada was held for downs at the Hornet 35. Tulsa punted short to their 45, and Floydada fumbled on the Hornet 45 as the ball changed hands numerous times in the period. Other drives were stopped when Tulsa was held for downs at their 49, Floydada fumbled at the Tulsa 38 and then Vickers went through to block a Tulsa punt on the Hornet 40 and it rolled back to the Tulsa 26 where Floydada gained possession. The 'Winds carried to the 14 before Waller passed to Womack who lateraled to Stephens on the touchdown play. Rucker's kick was wide. Score at the end of three periods 31 - 0.

The remainder of the game was a see-saw affair with neither team gaining much advantage. Floydada reserves were used freely throughout the game and in the second half played much of the time. The 'Winds held one Hornet drive at their own 36 in the final period. Waller intercepted to stop another at the Floydada 33.

Smooth Team Work

The Floydada ball carriers all looked good as a result of the excellent team work in the Tulsa game. Ball handling and offensive play by the 'Winds was smoother than it had been at any time this year and the win could well be called a team victory.

The boys up front turned in a fine performance and if stars could be picked it would probably be Stanley Vickers who was kicking the ball out of the park as well as turning in one of the best games from his tackle slot. Jackie Henry showed up well as he played inspired ball.

Ball carrying honors were fairly well divided with all backs coming in for a share of the glory. Individual yardage was not kept in this game as officials asked that the reporter work with a Tulsa representative in keeping team figures that would have been used in case of a tie.

Statistics that were kept included first downs, for Floydada 22, for

WALTER SIMMONS
Whirlwind Guard - Wt. 155

Team	W	L	Pts	Op
Floydada	7	3	216	101
Oilton	5	5	158	112
Muleshoe	3	6	83	204
Tulia	1	8	97	230
Lockney	0	3	9	106

DISTRICT 2AA STANDING

Team	W	L	Pts	Op
Floydada	4	0	110	14
Muleshoe	2	1	52	36
Tulia	1	2	27	63
Oilton	1	2	67	46
Lockney	0	9	28	380

Mr. and Mrs. Leland Hart, former residents of Floydada, now of Lovington, New Mexico, are new parents of a baby son. The boy, named Ricky Glenn, was born November 9 at 7:45 p.m. He weighed seven pounds and eleven ounces. Mother and boy are reported doing fine.

Mr. and Mrs. Grady Walker and son, Ray, and Mr. and Mrs. Conner Oden and son, Jimmy, plan to spend this week-end in Dallas where they will visit with sons, Geary Oden and Bill Walker. They all plan to see the Baylor-S. M. U. football game.

St. Augustine, Florida, the oldest town in the U. S., was founded on Sept. 7, 1565.

Whirlwinds Wrap Up District Flag

With one game left for the other four teams in 2AA, the Floydada Whirlwinds wound up their regular season and wrapped up the district Friday night with their stunning defeat of the Tulsa Hornets. Eliminating any possibility of a tie the 'Winds made a clean sweep with four wins against no losses in the district race.

This week's district action will see Lockney at Tulsa and Muleshoe at Oilton. A win by Muleshoe would give them the number two spot while a win by Oilton and Tulsa would throw the runner up position into a three way tie and leave the Lockney L-nghorns in the cellar all alone.

District 2AA's winner is not hoped to give Phillips of 1AA much trouble in the bi-district play-off. Phillips has been rated as one of the strongest teams in the state for a number of weeks.

Diristrict 4-A Committee Plans Spring Interscholastic Meet

Representatives from District 4A member schools met at Floydada November 10, organized and arranged schedule for the University Interscholastic League Events for the spring meet. It was voted to have the meet at Floydada. I. T. Graves was elected General Director and A. E. Baker, Secretary. Thirty-six superintendents, principals and coaches were in attendance.

Crosbyton, Spur and Paducah were voted into 4A since their average membership in high school was less than 210.

The following schedule was adopted:

Literary Events — April 15th. These events will begin at 1:30 p. m. The high school events will be held in the Floydada high school and the grade school events in the Floydada grade school.

Track and Field — Saturday, April 16th. High school and grade school events will begin at 9 a. m. at Floydada Western field.

One-Act-Play — March 25th. Time for beginning will be determined by the number of entries. Part of plays will be presented March 24 if it takes more than one night. Definite announcement will be made after entries are received.

Volley ball for girls — Both high school and grade school — will begin at 9 a. m. Saturday, April 16th at Floydada. High school games will be played in Graves gymnasium and grade school games in Andrews Ward gymnasium. It was voted that A. E. Baker draw and arrange bracket for the tournament.

Softball for grade school will be at Floydada grade school beginning at 9 a. m. Saturday, May 7th.

Tennis for all divisions: Preliminary tournament will be held for all schools March 19th beginning at 9 a. m. Abernathy, Lockney, Tula and Olton will meet at Abernathy in tournament. Crosbyton, Floydada, Paducah and Spur will meet at Paducah for their tournament. The finals will be played at Floydada beginning at 9 a. m. March 26th at City Park tennis courts.

It was agreed that a starter for the track meet be secured from some place that is not a member school of the District 4A.

It was decided that no trophies be awarded but individual awards be presented for first, second, and third places for all events.

Bi-District Game

(Continued from First Page)

also favor the T formation. The Rattlers are no strangers to post-season play. Last year they won their district and defeated Turkey in bi-district before falling to Meador in the regional. They have a team averaging 159 pounds. This is made up of a 161 pound line and a 154 pound average in the backfield.

The high ranking Rattlers have won 9 games while losing but one and that to class A LeFors by a 0 to 6 score. Among their victims are White Deer, Spearman, Sunray, Claude, Texline, Groom, Stratford, Darrouzett, and Vega. They scored 339 points and allowed their opposition but 113.

Probable Starters

Matador	Name	Pos.	Stinnett	Name
C. Renfro	L-E-R	D. Rarden	S. McDonough	L-T-R
B. Baker	L-O-R	B. Menden	A. Lynn	C
J. Watson	R-G-L	B. Womble	J. Taylor	R-T-L
G. Cartwright	R-E-L	J. Prichard	C. Murphy	QB
A. Ellithrop	PB	L. Dawson	D. Martin	L-HB-R
T. Hamilton	R-HB-L	G. Smith		

Two Well Balanced Teams

The Matadors backfield is reportedly a well balanced one and can do most anything a good backfield should. Martin provides the speed, Murphy the passing, Ellithrop the line busting and Hamilton the signal calling and running.

The Rattler backfield is a ditto of the above with quarterback Dawson doing the passing, Bodey the heavy work while Rash and Smith supply the speed to sweep ends and pull the dive plays.

A capacity crowd is expected to be on hand for this holiday attraction which appears at present to be the only good football game in this vicinity for that date. Stinnett is reported to be bringing chartered busses to Floydada for this important bi-district affair.

Down town interest in the game has been high this week, everyone expressing pleasure that Floydada was chosen as site for the gridiron clash. It will afford fans of this area entertainment and an opportunity to show their new football plant and also their warm hospitality to the many visitors expected for the classic.

Mrs. Rose Camden, who has been dietician at Pitts hospital for some time, is now nursing at Plainview Hospital and Clinic. Mrs. Camden begin her duties there last Monday.

1955 IL District Athletic Set-Up Is Uncertain

District alignment of teams for class AA football are uncertain for the 1955 season at present. At a meeting at Olton Tuesday night it appeared both Lockney and Olton would drop back to class A next fall and Floydada would be back in 5AA where they were last fall. Littlefield would be in 2AA instead of 6AA because of the shorter distance involved.

A 5AA schedule is looked upon with favor by school authorities here and they have been working toward that end for some time. Only disadvantage being they would like to get in the district and stay there.

As things now stand district 2 has only three members, Mulshoe, Littlefield and Tula. The interscholastic league is not expected to okay this arrangement unless at least one more team is included. District 5 will consist of Spur, Slaton, Post, Abernathy and Floydada. Tahoka was moved to district 6 to the south.

Floydada fans in general like the Spur and Slaton district because of the old rivalries between these schools and also the better drawing power of their ball clubs.

Superintendent I. T. Graves and basketball coach Paul Huntington attended the meeting in Olton representing Floydada. Graves said nothing is definite at present but will probably be worked out soon.

M-M Calvacade Coming Nov. 22

S. J. Latta of Latta Implement Company announced this week the Floydada date for MM Calvacade of modern machinery. Monday, November 22, is show day and 1 o'clock in the afternoon is time set for the field demonstration on the Latta farm three miles east of town on the highway. A big stage show of entertainment which is also free is scheduled for Monday night at 7 o'clock at the high school auditorium.

The long caravan of Minneapolis-Moline equipment will pass through Floydada Monday morning on the way to the field site. Route of the caravan through Floydada and on to Matador following the show here.

Included in this long line of farming implements will be tractors, plows, listers, planters, self propelled harvesters, disc harrows, power units, baler, rotary hoe, cultivators, and other miscellaneous attachments.

Mr. Latta, in extending an invitation to all to attend, said that he felt sure the demonstration and show would be well worth the time. Last year the calvacade drew a larger crowd in Floydada than in any town in the district which includes cities as large as Plainview.

In case of bad weather the equipment will be put on display at Latta Implement's down town location on the east side of the square.

News of Dougherty

(by Mrs. W. J. Ross)

DOUGHERTY, November 17—The community club is sponsoring the Hope Griffith show Thursday evening at the auditorium of the Dougherty school house. Everyone is invited.

Mrs. Maude Bradley of Lubbock is house guest of her son, Ned Bradley.

Mr. and Mrs. Ned Bradley attended Homecoming exercises at Girard high school and at Texas Tech during the week-end.

Mr. and Mrs. A. L. Kincheloe of El Paso visited in the home of his sister, Mrs. Bill Smith, during the week-end.

Mr. and Mrs. Clint Hicks and family of Matador were guests of Mr. and Mrs. Bill Smith Wednesday evening.

Mr. and Mrs. Max Valentine of Oklahoma City, are visiting in the home of her brother, Joy and Mac Ward. Her daughter, Mrs. Ray Musgrave of Olney, spent the week-end here and returned home Sunday afternoon. Mrs. Musgrave's husband is stationed in Japan.

Junior Bearden has returned from the hospital and is doing nicely.

Mr. and Mrs. Virgil Scott and family visited in the home of his brother in Lubbock Sunday.

Sue Ring was the overnight guest of Mabel and Darlene Johnson Friday night.

Mr. and Mrs. Billy Morrison of Midland were week-end guests in the home of his parents, Mr. and Mrs. Jim Morrison.

Mr. and Mrs. H. N. Powell accompanied their daughter and son-in-law, Mr. and Mrs. Edd Wester to Lubbock Sunday where they attended a program at the First Church of Christ.

C. A. Caffee has returned home from the hospital and is reported improving.

Mr. and Mrs. J. N. Richardson have a new grandson, Ricky Neal Bennett, who arrived November 1.

John Law's scheme for exploiting the resources of French Louisiana was known as the Mississippi Bubble.

The Cradle of American Liberty is Paneull Hall, in Boston.

In wrestling, a dog-fall occurs when both combatants touch the ground together.

Much Hilarity Is Promise to Carnival Crowd

The rooms at Andrews ward school are being gaily decorated and the children are in high spirits this week getting ready for the school carnival tomorrow night.

Mrs. W. F. Patrick, acting president of the P.T.A., room mothers and committeemen working on the project, are expecting a good number of parents and students to attend and a wonderful time is promised to all.

The carnival will begin at 6:30 p.m. and continue until 9: p.m. Food consisting of hot dogs, chili, sandwiches, homemade pies and cakes, coffee and cold drinks will be served in the school cafeteria. Funds from the sale will go toward the final payment of the school's inter-communication system.

Entertainment will be in the order of usual carnival features. Fortune tellers, a wishing well, grab bag, fishing pond, shooting gallery, dart throwing and the fun house will be some of the things that will be well enjoyed by youngsters as well as their parents.

The arrangements committee also is planning for games of Canasta, bridge and dominoes for those who prefer this type of entertainment.

Mrs. Nellie Witt Spikes, who writes "As a Farm Woman Thinks", will have her collection of rocks on display. There will also be a movie.

Home canned foods and hand-made articles will be on sale, along with many other miscellaneous items.

View FHA Week As Big Success

(by Ann Jones)

The F. H. A. girls of Floydada high school remember last week as a very pleasant and interesting as well as a worthwhile week.

The girls had activities for every day from Sunday, October 30, through Saturday, November 6.

The schedule for the week included a large percent of the girls meeting on Sunday and as a group attending church services at the First Baptist church. Dr. Earl Allen pastor of the church, brought the sermon.

Monday was planned to begin courtesy week in the home and at school. Bible readings were held in each home room.

Tuesday was "Dad's Date Night." About 100 persons were present for a short program given by the F. H. A. girls. Following the program refreshments of apple pie and coffee were enjoyed.

On Wednesday the girls asked everyone to bring an unsigned Xmas card for the patients of some hospital. They got about 85 cards.

Thursday the F. H. A. girls gave an assembly for the student body. This time was selected to announce our F. H. A. Beau, Sophomore Norman Brints won the race for F. H. A. beau.

On Friday the girls wore costumes representing other countries. There were many interesting and pretty costumes. Friday was also the day selected to vote on the most courteous girl of the week. Pat Helms, F. H. A. president, received the honors.

Saturday, November 6, was "Mother's Helper's Day." Each girl was to do something outstandingly helpful for her mother.

The week was very successful and was enjoyed by each and everyone of the F. H. A. girls.

Practice Sessions Basketball Begin

Coach Paul Huntington started practice sessions Tuesday afternoon with only a limited number of boys turning out for the first day. Only the B team football boys have been released from their gridiron chores and work-outs on the hardwood will not be up to full strength for several days. The freshmen boys will join their team-mates next week following their last football game which will be against Anton Thursday evening at 6 o'clock. Most of the big guns of this year's basketball prospects are on the football team and will remain in helmets and pads until the gridiron wars are over.

This year's basketball schedule has been worked out but is not definitely set as far as district games go. School officials were scheduled to go to Olton Tuesday night to a

TURKEYS 100 CHOICE ON FRYERS HENS 200 Large & Fat 100 Small & Fat

district meeting which was to change the present schedule. Early season games will probably be run off as follows:

Nov. 30 - Spur (there); Dec. 7 - Brownfield (there); Dec. 9, 10, 11 - Mulshoe (there); Dec. 14 - Paducah (there); Dec. 30, 31, Jan. 1 - tournament.

Several other games will be held in the district during the year. The first game will be held January 4.

J. M. Masie, at home one day after several days of work in the district, was the guest in Westwood at Mineral Wells and W. C. Poston. Although the district has prevailed in recent years, Masie has been there, said Mr. Masie.

Power, Color, New Styling Feature 1955 Models

Floyd County residents, all fired up since the latter part of the 1955 model automobiles are still getting full of the new beauties as they go on display in showrooms.

power, new driving ease, roomier interiors, new and new color combinations, as well as need and refinements are all the talk.

eight models that have already two more are to be added tomorrow. They are the new Oldsmobile at Cline & Oden Chevrolet Company.

Mr. and Mrs. O. M. Watson, sr. and Mrs. O. M. Watson, jr. visited in the Gordon Appling home at Mt. Blanco, Sunday afternoon.

Wiley Rogers spent the week-end in Canyon with his aunt and uncle, Mr. and Mrs. J. H. McMurray. Their son, Col. Paul H. McMurray from Washington, D. C., who is judge advocate of the Court of Claims, spent the week-end with his parents, also several other members of their family were with them.

Mr. and Mrs. Ken Walker and children of Clovis, New Mexico, Dee Nix of Lockney, and Mr. and Mrs. Pete Hickerson and Pat were dinner guests at Buck Hickerson's on Sunday.

Louis Cardinal of Kenefick, Oklahoma, was a co-op visitor one day last week.

Mr. and Mrs. John Smitherman visited in Corpus Christi last week with her parents, Mr. and Mrs. P. K. McKenzie.

John Nay says: Why is a bachelor or should a rolling stone gather no boss? The doorknob was patterned after a man's head so a woman could turn it with ease. So he runs after her but she goes around the block and catches him before he reaches the first corner. Thus it is love at first flight. The romance progresses until he realizes he is a drill master's son and calls a halt, remembering the woman who used a bow and arrow to shoot her husband because she didn't want to wake the children. So he decides to buy a gift and then bow out of the picture. He goes to see what he can get for her but doesn't get an offer. But when he next sees her, she gives him a super-duper kiss and—just then I woke up. Think I'll try that Spanish food at night again sometime and see if I can skip all the dream except just before I woke up.

Melvin Henry, Judge Grimes, Corkey Guffee and John Nay attended the regular monthly meeting for managers and bookkeepers held at Hilton Hotel in Plainview on Tuesday.

MRS. HARMON ROBERTS CLUB HOSTESS OF HOMEBUILDERS

The Homebuilders Home Demonstration club met in the home of Mrs. H. W. Roberts with thirteen members and one visitor present. Each member answered roll call with a souvenir from their summer vacation. Recreation was led by Mrs. W. W. Trapp.

Miss Leila Petty gave a demonstration on "more meat cookery" telling the importance of beef, pork and fish in the diet.

Those present were Mrs. R. A. Williams, P. F. Bertrand, D. T. Mayo, E. G. Norrell, J. W. Walker, J. P. Moss, Riley Teague, B. A. Robertson, W. H. Bunch, W. W. Trapp, D. D. Shipley, F. F. Fuqua, Miss Leila Petty and Agnes Larcen, a visitor from Chicago.

Texas is 620 miles wide.

Flying Colors Widely Applied By Oldsmobile

Oldsmobile for 1955 presents a new and more advanced concept of two-tone body color, important engineering improvements and a completely restyled appearance. The luxurious "98" Series and the high performance Super "88" Series both are powered by a more efficient 202-horsepower "Rocket" engine with 8.5 to 1 compression ratio. It was announced by J. P. Wolfram, vice-president of General Motors and general manager of Oldsmobile Division. The 1955 Oldsmobiles go on display Friday, November 19, in dealerships throughout the United States, including Oden Chevrolet Company in Floydada.

Oldsmobile's popular low silhouette and wide vision panoramic windshield are enhanced by the flying colors styling that Oldsmobile designers have incorporated in the 1955 models. Oldsmobile again presents three series of cars with a total of 10 body types. There are three Fisher body styles in the luxury "98" series—four-door sedan, deluxe Holiday coupe and Starfire

(convertible). The flashing Super "88" Series has four body types—four-door sedan, two-door sedan, Holiday coupe and convertible coupe. In the economy-priced "88" Series are the four-door sedan, Holiday coupe and two-door sedan.

Improvement of "Rocket" engine power, torque and performance has been achieved through newly designed combustion chambers, higher lift camshaft and valves, larger exhaust valves, cooler operating sparkplugs and full chrome top piston rings. Horsepower is raised to 202-h.p. in the "98" and Super "88" and to 185-h.p. in the "88" Series with compression ratio at 8.5 to 1 in all series.

A new feature in 1955 is the offering of the 202-h.p. "Rocket" engine as optional equipment at extra cost on the "88" Series. Standard equipment on the "88" Series is the 185-h.p. "Rocket" engine, which this year is equipped with a new dual Rochester carburetor.

Tubeless tires will be standard on the 1955 Oldsmobile. These tires have an improved safety factor with greater resistance to punctures and blowouts.

A major styling change is the adoption of sweep-cut front fenders on the Super "88" and "88" Series. These fenders were introduced last year on the "98" Series and add a distinctive flair to exterior appearance.

Two-tone color styling, which has proved so popular with the motoring public since its introduction by Oldsmobile in 1954, again plays an

important part in Oldsmobile's appearance.

Series identification on the 1955 Oldsmobiles is maintained by the model name or series number in chrome script or numerals on the front fender panel just ahead of the wheel opening.

Color again plays an important part in Oldsmobile's 1955 styling. Fourteen new color choices are being offered among the 19 available on the 1955 models.

Genuine leather, covert cloth, nylon cloth and Moroccan are among the upholstery materials available.

Important changes have been made in the Oldsmobile air conditioning system, available at extra cost on all models. The distribution ducts now are located in the instrument panel and the entire installation is now forward of the steering wheel. The compressor, evaporator and blowers are under the hood.

Mr. and Mrs. Edd Muncy had as their guests over the weekend, Mr. and Mrs. Ernest Martin and Teresa of Longview, Texas. Mrs. Martin is the former Dorothy Bishop.

Mr. and Mrs. Hollis McLain and daughters left Saturday morning for Memphis, Tennessee, for a few days visit with his brother, Clifton McLain and family.

The Cape of Good Horn is at the foot of South Africa.

Cape Horn is at the foot of South America.

Conservation District News

METHODS OF HANDLING OUR GENTLY SLOPING HIGHLANDS

These soils are deep, fine textured, slowly permeable, have a slope between one and three feet per 100 feet, and may have either "1" (none to slight), "2" (moderate) or "3" (moderately severe) erosion. In addition to the conservation problems listed last week for our flat hardland soils, these soils also have a water erosion hazard.

A good plan to use in cropping these soils under dryland farming would be to: Grow high residue producing crops, such as sorghums, wheat and barley on all the land three years out of four; Soil improving legume cover crops such as vetch, winter peas or clovers may be substituted one year for the high residue producing crops, and should be grown one year in five; deep rooted legumes should be grown occasionally to break up plow soil and increase infiltration rate; terrace and farm all crops with the terraces; and leave crop residue on or near the surface.

A good plan to follow on irrigated soils of this type would be to handle the vegetative program in the same manner as given last week. These soils should be bench leveled for cropland. Much more efficient use can be made of irrigation and rain-

water after it is bench leveled, as well as control of erosion. Handled properly, these class III soils can be made to produce as much as our flat hardlands. It must be kept in mind that the borders must be properly maintained. Also the runs on these level borders must be shorter than on the sloping land. The borders also should be watered from a pipe line rather than an open ditch.

We must resolve to keep our sloping land from eroding and keep it in maximum production by using all of the conservation practices possible. Let us use this "blueprint" for better farming.

Fires are unknown in the forests of the Amazon region because the wood does not burn easily.

Germans are not permitted to accept a Nobel Prize.

THE FLOYD COUNTY HESPERIAN

Published by the Hesperian Publishing Co., Inc. at 212 South Main St., Floydada, Texas. HOMER STEEN, Editor
THURSDAY, NOVEMBER 18, 1954

Established 1896 by George W. Steen as second class mail at office at Floydada, Texas, approved under the act of Congress of 1897.

VIEWS AND COMMENT

Women Jury Service. Beginning tomorrow jury service for women becomes a mandatory duty in Texas, not permissible, as in some states. And a woman cannot of right be excused from jury service except for the reasons set out in the law. These exceptions were originally outlined with only men in mind. The excuses in general were for old people and those engaged in certain occupations. Small children and other valid excuses peculiar to women are not mentioned. However, the judge of the court has a certain amount of discretion and there is no likelihood of any cases of stress or distress. Since regular juries are made up in this county by a jury commission in advance, the likelihood of any early jury panel that will have women's names on it is unlikely. A chance for women to get on juries would arise quickly if we had a case pending which is sensational or widely publicized which would exhaust regular panels and call for a special venire. Otherwise the women will be in the category of the person who has moved into the county or has come of age. Their names do not have to be added to the lists until the regular time. For the women who are "just dying" to start jury service best chances for quick evidence of their "emancipation" will be corporation, justice and county courts, in which selection is not made by a jury commission from a list of taxpayers. Only way a jury could be challenged for lack of a woman on the jury list would be for a woman at interest to make the challenge.

Present statute prohibits the separation of a jury in felony cases, except by permission of the court with the consent of the attorneys on both sides, and in charge of an officer. The law does not require that sleeping quarters be provided in the court house or the jail, or at any particular place. If all hands agree that the jurors may be separated the only requirement in addition to the usual one would be that a woman officer would have to be in charge of the women.

Quoting Attorney General: "The question of four-year terms for district, county and precinct officials has been a source of confusion to many. Amendment No. 8 increases the terms of these officers and provides for staggered terms, so that the terms of approximately half of the officers will expire every two years. Some of the officers elected at the 1954 general election will serve for four years, but others will serve for only two years and then will be elected for the full four-year term at the general election in 1956. The officers who will serve for the full four-year term beginning January 1, 1955, are: district clerks, county clerks, county judges, and judges of other courts of county-wide jurisdiction, county treasurers, criminal district attorneys, county surveyors, county commissioners for Precincts Two and Four, justices of the peace, and inspectors of hides and animals. The officers elected at the 1954 general election who will serve two-year terms include: sheriffs, assessors and collectors of taxes, district attorneys, county attorneys, public defenders, county commissioners for Precincts One and Three, and constables.

Since we quote so freely from the attorney general in memoranda concerning the amendments we'd like to go a step further and quote him in a recent speech he made to ranchers and stockfarmers. Talking of Texas "country" people he said: "In Texas we believe in local government, close to home and close to the people who make the laws and live under them. With responsible Texas ranchers, like you, with your feet on Texas soil and your heads in the Texas sky, taking an active part in local government, we will continue to be governed the way our forefathers intended—from 254 county courthouses where justice is only a twenty-minute drive from the ranch

... where every citizen can see the men who govern him walking on the streets in his own home town... and where every man can walk up the courthouse steps and look his government in the eye."

Heavy Acreage Cut. Most Floyd county cotton farmers are due to find the cut in acreage greater than they have read about in the papers. Prospective renters and lessors should check up on this statement before they rent a place expecting a 15 per cent cut in the cotton acreage allotment. While nationwide the cut will be actually only about 15 per cent, the history of the farm is going to have a lot to do with how the farm unit fares for 1955. In those portions of the county where the cotton history has been longest the cut will be the least. In the other sections where the practice has been in transition from wheat to cotton it will be another story. Some farms are due to get as high as 40 per cent reduction in allotment, unless we are considerably mis-informed.

CONTROL OF THE SCHOOLS (A Guest Editorial)

Someone once said, "Christianity has not been tried and found wanting; it has been found difficult and not tried."

And on the same basis, many today are ready to throw government "by the people" out the window, finding that it requires "the people" to work at it.

It is much easier to turn local problems over to the state government, and state problems over to the federal government, and take our ease — until the day we find that with the problems has gone the power, and the people are ruled, not ruling.

The Texas Manufacturers Association has met strong opposition in some quarters in contending vigorously for the principal of local solution of local problems and for keeping government as close to home as possible.

Many, preferring to shirk their own responsibilities in government and take the hand-outs of a paternalistic state, apparently believe that any opposition to such practices is merely to keep the people unfed, uneducated, and unadvised.

TMA will undoubtedly hear such accusations repeated as a result of resolutions passed at its recent Conference of Texas Industry in Dallas, for once again that organization affirmed its support for government on the lowest possible government level, including local control of public schools.

It urged that federal aid to public schools be opposed, except in areas where federal installations create an excessive burden on local communities, which is in direct opposition to the recent resolution of the national organization of school teachers.

Some teachers will probably say again that TMA is opposed to improving education, and the cry will be taken up by others who fail to look beneath the surface of the issue.

But we would suggest that before such a cry is raised it would be well to remind ourselves that a benevolent dictatorship has always approved the most efficient form of government, but no dictatorship has ever long remained benevolent. And surely there is no faster move toward dictatorship than to vest purse-string control of our schools, traditionally the adjunct of the home, in Washington.

Do we really want "government of the people, by the people, and for the people," or would we prefer to be spoon-fed, even when that means we'll soon have no choice about what's in the spoon?

Only persons with at least 51 per cent of their income coming from agriculture pursuits are eligible to be officers in the Farm Bureau.

Most folks are about as happy as they make up their minds to be. —Abe Lincoln.

Buick Styling Is New; Horse Power Greater

FLINT, Mich.—Buick today presented a complete new line of cars featuring beautiful, all-new styling and more powerful V-8 engines, plus a revolutionary new variable pitch Dynaflo transmission that greatly increases performance.

The new models will go on display at Cline and Rainer agency at Floydada and in dealer showrooms Friday, November 19.

Style-wise the new Buicks feature a new front end with a new wide-screen grille, new rear fenders that give the trunk compartment a longer, lower silhouette, new tail lights patterned after those on the experimental Wildcat II, and exquisite new interiors in many color combinations of nylon, leather and corduroy.

Many bright new exterior colors have been developed for 1955 and will be offered in attractive two-tone and three-tone combinations. For the first time Buick is offering a two-tone combination under the sweep-spear moulding. On two and four-door sedans the customer will have a choice of one color underneath the sweep-spear, another above and a third color for the top.

Horsepower has been increased to 236 in the Roadmaster, Super and Century Series and 188 in the Special.

"We have made nearly as many engineering and design changes this

year as we did last," said Ivan L. Wiles, general manager of Buick and vice-president of General Motors. "Yet we have retained the outstanding styling features that made Buick the third best selling car in the nation. Our new styling plus the spectacular increase in performance resulting from higher compression engines and our new variable pitch Dynaflo, makes the 1955 Buick the greatest value we have ever offered the car-buying public."

The panoramic windshield, pioneered by Buick last year, has been retained for 1955 along with the sloping door-belt line and full rear wheel cutout on all two-door models. New tubeless tires, which offer greater protection from blowouts, are standard on all models except those equipped with wire wheels.

Power brakes, offered as optional equipment on all models, have been redesigned for smoother operation. A new air suspension principle gives fully adequate braking under all conditions.

Improved power steering is standard equipment on the Roadmaster and Super, and optional on all other models. Previously power steering was standard on the Roadmaster only.

Buick's distinctive front end styling for 1955 consists of a new, wide-screen grille with honeycomb design, visored headlights and a new and larger bumper. The hood has been lowered for greater visibility.

THE 1955 BUICK
New thriller in Style - Power - Performance

WHY BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD YOU

'55 DE SOTO FIREFLITE IS ALL NEW

As new as its name is the "styled for tomorrow" De Soto Fireflite series introduced for the first time for 1955. This all-new four-door model is lower, longer, roomier and has the most powerful engine built by De Soto—the 200 horsepower Fireflite hemispherical combustion V-8. Completely new are such features as "New Horizon" full wrap-around windshield, low-silhouette "forward motion" body design, "Flite Control" gear selector mounted on the dash, interior colors, fabrics and trim. Available also are such De Soto exclusives as Powerflite transmission, Full-Time, coaxial-type power steering, Power Brakes and Airtemp air conditioning.

NOW ON DISPLAY AT

DANIEL AUTOMOTIVE CO.
123 W. California Phone 51

A BRIGHT NEW FRESHNESS greets your eyes and tells you: Buick's done it again.

You see it in the bold distinction of that gleaming Wide-Screen Grille. You see it in the rakish sweep of the rear-end contours. You see it in the whole fore-and-aft newness of fleet-lined grace that marks Buick the beauty thrill of 1955.

New horsepower — up to 236
You learn more when you get the power story. Up to new peaks go the horsepowers of every Buick V-8 engine—a wallowing 188 hp in the low-price SPECIAL—a mighty 236 hp in the CENTURY, SUPER and ROADMASTER.

And it's new, more responsive, far abler power you can literally feel as you go.

But even bigger Buick news for

1955 is something more than style and power. It's what the "variable pitch propeller" now has done for Dynaflo Drive.*

Up goes performance — and gas mileage too

When you find it necessary to push the pedal to the floor board, you do more than call on the greatest high-compression V-8 power in Buick history.

You do what a pilot does when he heads his plane down a runway. You do in oil what he does in air—you cut down take-off time by using "variable pitch propellers."

In this case, the propeller blades are inside the Dynaflo unit. But they're engineered to swivel or change their "pitch" just like plane propellers—and with the same

result: one pitch for getaway, another pitch for gas-saving fuel efficiency.

And what you get in the way of instantaneous safety-surge with absolute smoothness, you can only believe when you feel it.

This you have to try

Of course, we want you to come and see the trend-setting new Buicks—look into the betterment in gasoline mileage that add new thrills to these spectacular cars.

But this year, "seeing" is only the beginning. So—while you join the crowds viewing the new Buicks this week end, make a date to go behind the wheel as soon as you possibly can. We promise you the thrill of the year.

*Standard on Roadmaster, optional on other Series.

Chrysler New Style, Standard

Completely new, long and sleek styling, November dealer showrooms coast to coast including K. Crouch Motor Co. in Floydada.

Chryslers are totally new in styling that initiates a new automotive design," said general sales manager of the Chrysler Division. Chrysler stylists have designed a more powerful, more efficient motor car than ever before.

Chryslers are offered in this year—the Windsor of New York, the Windsor of New York, the Windsor of New York.

1955 Chrysler Windsor Deluxe Features New V-8 Engine

The completely new 1955 Chrysler Windsor Deluxe offers new exterior and interior color combinations, high styling and a completely new 188-horsepower V-8 engine for top performance. In addition to the six-passenger sedan shown, models include the Nassau hardtop coupe, New-

heater and a new, high-capacity air conditioning unit which is lighter in weight and provides more heating and defrosting capacity and improves accessibility to the engine. Both units take in air through a cowl ventilator.

Floyd County 14 Years Ago

(Taken from the files of the Floyd County Hesperian, issue dated November 21, 1940.)

A. C. Goen, jr., underwent an operation for appendicitis in a Lubbock hospital Monday morning. He is the son of Mr. and Mrs. A. C. Goen, sr.

Mrs. Willie Leach returned to her home in Weatherford Friday after visiting two weeks with her son, J. W. and her daughter, Mrs. J. S. Lackey.

Mrs. A. P. McKinnon left Wednesday for Dallas where she will visit in the home of her daughter, Mrs. Mary Kirchner.

Guy Cantrell, son of Mrs. Bess Cantrell, was able to return home from Plainview hospital November 5. He is recovering nicely from a major operation.

Mrs. Lewis Norman entertained her son, Glad Lynn, on his fourth birthday, with a party November 10. Miss Ruth Tribble, daughter of Mr. and Mrs. J. H. Tribble, graduated from the West Texas hospital school of nursing, Sunday evening, November 10.

Mr. and Mrs. L. D. Britton attended a family reunion of Mrs. Britton's parents, Mr. and Mrs. H. P. Bell at Rochester Sunday.

W. H. Henderson, S. W. Ross, N. W. Williams and H. M. McDonald attended the Northwest Texas conference of the Methodist church at Pampa Sunday.

Mr. and Mrs. Jack Deakins made a business trip to Oklahoma City during the week.

Miss Juanita Rushing, an employe of Neuman-Marcus of Dallas, is spending the week in the home of her parents, Mr. and Mrs. Lee Rushing.

Mr. and Mrs. J. H. Buchanan entertained their daughter, Karen on her fourth birthday Friday, November 15, with a party. Tom Bishop and sister, Bernice of Amarillo, spent Sunday with

their mother, Mrs. Jennie Bishop. Mr. and Mrs. Oliver Allen have returned after an absence of ten days during which time they visited in Temple, Oklahoma, and at Howe, Waco and San Antonio.

W. H. Hilton left Sunday for Jacksboro on a business trip.

The "pit of eternal fire" is the crater of the volcano Kilauea, in Hawaii.

A massive chain prevented the British from sailing up the Hudson River during the Revolution.

R. C. Bennett, 95 year old Lockney pioneer, is reported still in serious condition in a Dallas hospital this week. He suffered a heart attack about two weeks ago.

Bridge Collision Injures Three on Way to Floydada

Mr. and Mrs. Jack Brock and baby of Robert Lee, who were on their way to Floydada to visit his parents, Mr. and Mrs. W. H. Brock of McCoy community, Saturday was a week ago, never arrived.

All three were injured when their Ford car was sideswiped and overturned by a 1954 Chevrolet, driven by Wilbur McCarthy of Lubbock.

The accident happened on a bridge near Justiceburg. An Oldsmobile directly behind the Brock car, swerved into the bridge to avoid the collision and knocked loose one end of a scaffold on which a man stood while making bridge repairs. It was said the man managed to hold on to the dangling scaffold 40 feet above ground until he was rescued.

W. H. Brock left as soon as he heard of his son's accident. After the Brocks were treated for cuts and bruises at a Garza hospital, Mr. Brock returned them to their home in Robert Lee.

Mr. Brock said his son's car was heavily damaged. McCarthy was given a ticket by investigating officers for failure to yield right of way, it was said.

ANNOUNCING CHRYSLER FOR 1955 WITH THE 100-MILLION-DOLLAR LOOK

IT'S HAPPENED! Here's a wholly new direction in automotive styling for all cars to follow. And it took Chrysler for 1955 to do it: America's top performer and the first in the coming generation of motorcars! Come see it! Everything about it is completely new, and dramatically different. Here's the car with the 100-Million-Dollar Look . . . and when you own it and drive it, you'll feel like every million of it! Chrysler for 1955 is long and sinewy and low. It's a sleek, clean length of steel that looks as if it might have been born in a wind tunnel. Washed free of clutter.

Purposeful as an arrow shot from a bow! New front-end . . . you can spot it a mile away! New Super-Scenic sweptback windshield . . . with corner posts that slant back to allow safest possible vision. New tapered rear deck. New sweeping silhouette that's inches lower than other big cars. New Twin-Tower tail-lights that say "Stop!" with great authority. New PowerFlite Range-Selector on the dash that completely outmodes conventional levers on the steering column. And new fashion-forecast luxury interiors that surpass in color and richness anything you've ever

seen in any but custom-built motor cars! Come drive it! Every Chrysler is now a V-8 — with engines up to 250 HP, the most powerful type in the world. Famous Chrysler engineering brings you Power-Flite, most automatic of all no-clutch transmissions. Full-Time Coaxial Power Steering and new double-width pedal Power Brakes. Plus new tubeless tires! Everything is here you need . . . to drive, as well as look, ahead of all others. Come see America's most smartly different cars today. See for yourself why now, more than ever, the power of leadership is yours in a Chrysler.

Holiday Meals, Their Planning And Preparing

(The approach of the holiday season will make the following suggestions from Mrs. Nancy Morckel, home economist of Lighthouse Rural Electric Cooperative of much interest in homes where Thanksgiving and Christmas mean a lot of visiting back and forth, meal planning and preparation.—Ed. Note)

BY MRS. NANCY MORCKEL

Planning And Preparing Holiday Meals

The Holiday Season is one of high Hospitality—the time to gather family and friends in an atmosphere of warm affection and merriment. Activities reach a feverish pitch at this time of year, but a little work

a little imagination will give your holiday entertaining a Yuletide personality that will pay generous dividends in your guests' warm approval.

The Holiday Season is here—it is time to make preparation for it in order that its true meaning may be felt by everyone. The way to make the Holidays something special is to take them easy, do things the simple way, have time to enjoy your family and welcome your friends—and let them enjoy you.

In a few days it will be Thanksgiving—and Oh, how thankful we all should be! I like the thought given us by Virginia Katherine Oliver when she said:

"Humbly before God and proudly before man, we give thanks! Thanksgiving is a time for remembering, and what memories are ours! We, who dwell in a land where freedom prevails and where honor and righteousness is our code remember the solid foundation upon which our Nation is built. As a people we stand united in an effort to preserve that which is our heritage. For the opportunities and privileges which have benefited us as individuals and as a nation, and for the blessings which have been be-

stowed upon us. We are grateful. In our hearts we give thanks that we can say to all the world, I am an American!"

Families Get Together

Since we are Americans with so many, many things for which to be thankful we have the privilege of a family-get-together in our own home or wherever it is most convenient for those concerned. And with all the modern conveniences we enjoy to-day it is possible for the homemaker to plan and arrange for her family and her guests in such a way that it will be a pleasure for everyone—the day of merriment having to stand over the stove all day in order that her loved ones may have all their "favorites" should be a thing of the past. Food freezers, refrigerators, modern methods of preparing foods make it possible for everything to be in readiness before the "special" day arrives.

First let's think about our meat—if it is a turkey—which is significant of our American Holidays—and we plan to dress our own bird let's do it the easy way. Most of you will probably just buy a turkey all ready dressed, but if you have raised your own birds for the holidays and want to dress them at home, it really isn't hard to do.

Turkeys are such big birds it simply scares most of us to even think about getting one ready to bake—but we don't hesitate to dress a chicken hen—so instead of looking at the turkey as the big bird that he really is just think of him as a big chicken and proceed just as if you were dressing a chicken. And all the time you are doing it think of the pleasure you are going to have when your guests are enjoying it, ohing and ahing over such a wonderful bird.

Use A Thermometer

Use a thermometer to test the water before you scald the bird. I use a dairy thermometer. Be sure the water is exactly 150 degrees. Scald, pick and singe just like a chicken hen. By the way, be sure to use a brown paper sack or some plain white paper to singe your fowls—when a newspaper is used the ink leaves a black substance that is very hard to get off. Maybe I should tell you how I kill mine. If you can puncture their brain that of course is the recommended way—but I fasten mine to the clothes line—put a sack over the bird so he can't beat himself with his wings and make bruised places; then I cut a hole in one corner of the sack and pull the head through and cut it off with a sharp butcher knife. Let it hang until it has quit flopping, by which time it has bled well. A lard can is excellent for holding the water to scald the turkey.

After the turkey is scalded in the 150 degree water, pick and singe put it in a pan of warm water scrape with a dull bladed knife and before you know it you have a

turkey dressed without even a pin feather left on it. Soak in cold water until cooled out, drain, then wrap in moisture-vapor proof cellophane, aluminum foil or some good wrapping material. If it is to be kept for some time freeze it—if only for a day or so just store it in the refrigerator.

Now to help us with the cooking of this traditional bird, in order that everything will be just right and all our guests Oh! and Ah! over every bite until they are as stuffed as the turkey was in the beginning. Here are some Don'ts to remember in poultry roasting:

Don'ts To Observe

DON'T add any water;
DON'T season outside of bird;
DON'T prick skin;
DON'T cover except with cloth or foil;

DON'T OVERCOOK.

Bake in a 300 to 325 degree oven. Be sure to put your dressing in a greased baking dish so it will not stick to the pan. When you are making the dressing, pour cold water over the dry lightbread and let set for a few minutes, drain off the excess water add the cornbread and other ingredients and then the hot broth. You will find that it mixes up so much easier than when you try to soften the lightbread with the hot boiling broth.

Be sure to plan things your family enjoy most—if there are certain traditions in your family be sure to carry them out in order that they may be kept alive in your family in the years to come.

Here are some suggestions—cranberry sauce, which may be made now at any time. If you prefer the strained cranberry sauce why not pour it into the small straight glasses, then when you are ready to serve it, it may be slipped from the glass and sliced—you can use just the amount you need and the rest will be ready the next time you want it.

Food From The Freezer

Then from your freezer you can select the things that will complete your meal—frozen corn, squash, green beans, frozen sweet potatoes—these are only a few of the things found in the food freezers prepared and can be made ready to go on the table in a few minutes. Even the hot rolls can be baked and frozen and just re-heated when you are ready to use them. What is better for holiday eating than good mince meat pie—it is just as good made ahead of time as it is made fresh. Of course it doesn't take long to make a fresh pumpkin pie once the pumpkin is cooked and in the freezer.

Now Thanksgiving was so much fun let's think about Christmas—always keeping uppermost in our mind "What other folks have done for us and not what we have done for other folks". If we always feel that giving and forgetting is better

(continued on next page)

COOKING ELECTRICALLY MAKES SPECIAL RECIPES EASY

Take a tip from "Willie Wiredhand" and enjoy your kitchen. You can if you cook the modern electric way.

Your appliance dealer is ready to show you the new electric ranges and tell you of their many advantages. See him soon.

If you have a problem as to where to install your new range, or any technical point as to service see our electrical service advisers—

FORD THUNDERBIRD—the thrilling new personal car that set the style for Ford's '55 lines.

From the Thunderbird look ...comes Ford's new styling

THE NEW FAIRLANE SEDAN is a truly distinguished car that will be at home everywhere.

And Ford's long, low Thunderbird-inspired lines are complemented by exciting new interior styling—and many rich upholstery materials never before used in an automobile.

In Ford's new Fairlane, Customline, Mainline and Station Wagon Series—you'll see styling that was inspired by the Thunderbird—the distinguished Ford personal car that was received with so much enthusiasm all over the nation. This styling is reflected in Ford's longer, lower silhouette—daring new exterior color treatments—colorful upholstery never before found in a car—everywhere you look.

New Trigger-Torque Power

All three of Ford's new engines are the mightiest ever offered in Ford Cars. All offer split-second Trigger-Torque performance. There's a 162-h.p. Y-block V-8. A still mightier 182-h.p. Y-block Special

V-8 which is offered with Fordomatic Drive in Fairlane and Station Wagon models. And the new 120-h.p. I-block Six.

Plus all these "worth-more" features

- New Speed-Trigger Fordomatic Drive* gives quicker starts and passing.
- New Turbo-Action Spark Plugs resist "fouling" up to three times as long.
- New 10% larger brakes mean smoother stops; up to 50% longer brake lining life.
- New Tubeless Tires offer extra puncture and blowout protection.
- New Angle-Poised Ball-Joint Front Suspension makes all riding and handling easier.

*at extra cost.

and getting we will be keep Christmas not for just but all the year through— a home time— a new of things sweet and far away—your Christmas the fun you have, the things to make merry the Holiday and the things you do to be around you happy—so forget that Christmas is make it!

In Readiness
It is always nice to have in Bake your ham according to directions on the wrapper if commercially cured one; after have it sliced and then moisture-vapor proof cellophane foil and freeze any that needed. It will be delicious in the oven with barbe-

red beets give color and are to use for one of the vege- English peas, frozen ones add a nice green color. salad make whatever your likes best—nearly everyone favorite for this holiday sea- some salads may be made of time and frozen. If a salad is used it is nice to them in the ice trays and cubes of salad when it is in plastic bags, then the you need may be used thawing out more than is. Frosted grapes make pretty for a plate of frozen you are serving a buffet use: 2 teaspoons water, 2 of grapes and loaf sugar

SUGGESTION—
Only Three Cents!

one cent stamp on a letter friend in the Armed Forces, read and re-read it—share news, jokes and snapshots of holidays.

write today and often.

ed as a public service in coop- with The Advertising Council.

'Forward Look' Features 1955 De Soto Line

crushed. Beat egg whites together until frothy. Dip grapes into mixture coating each one well. Drain slightly and then sprinkle with the crushed sugar. Let stand overnight in a cool dry place.

Fruit Cake A Must
Fruit cake is a must with most families—and it is something that can be made long before you are ready to use. It freezes nicely—in fact it is much better after having been frozen.

Fresh coconut cake is almost as traditionally Christmas as anything. If you have trouble getting the coconut out of the shell, pierce the holes at the end of the shell drain out the milk; then heat the coconut in the oven (350 degrees) for 30 minutes. When it has cooled break the shell with a hammer, peel off the brown skin and grate or shred. To tint coconut soak in a little water or milk to which some vegetable coloring has been added. To toast coconut heat in a shallow pan until brown in a moderate oven. An easy dessert is ice cream balls rolled in red and green coconut. These may be prepared and put into the freezer until ready to use.

Attractive Decorations
There are all sorts of attractive things you can make for your decorations. Such as gumdrop dolls apple santas, and the wreath for your door, etc. The cookie jar can be filled with all kinds of good cookies that will stay good all through the holiday season—there are many kinds of delicious fruit cookies. Good homemade candy is delicious and such a lot of fun to do.

Let's make a list of the things we need to do to be ready for the Holidays, then make our plans as how we can best get things done. Good planning is ordinarily half the job. I think if you will make your plans then carry them out you will find this to be one of the happiest Holiday Seasons you have ever spent. For our only real happiness comes from the things we do for our fellow man.

When considering gifts - be sure to give yourself a gift that is appropriate to all Seasons - the gift of some extra time. You can do this by making the most efficient use possible of your electricity.

A good recipe for the pumpkin pie that most families enjoy during the holiday feasts is given here. It has been found well-adapted to use where a freezer is available.

Marshmallow-Pumpkin Pie
½ lb. (about 32) marshmallows;
1 cup mashed pumpkin (cooked or canned);
½ teaspoon cinnamon;
¼ teaspoon ginger;
¼ teaspoon salt;
1 cup heavy cream whipped;
1 baked 9-inch pastry shell, cooled.

Place marshmallows, pumpkin and seasonings in top of double boiler. Heat stirring mixture occasionally until marshmallows are melted. Mix well. Let cool (not in refrigerator) 50 to 60 minutes. Stir in 1/3 cup of the whipped cream into the pumpkin mixture then carefully fold in remaining whipped cream. Pour into baked

The two De Soto lines for 1955 are completely new from bumper to bumper—longer, lower, and wider, with a stylish contemporary new "forward look" which expresses fleetness, power, and outstanding performance. These exciting new De Soto models went on display Wednesday at Daniel Automotive, De Soto-Plymouth dealers.

Both lines, the magnificent new Fireflite, new leader of the De Soto line, and the well-known Firedome are powered by new hemispherical combustion chamber V-8 engines redesigned for increased power and performance.

The famous Firedome engine now delivers 185 horsepower, an increase of 15 over the previous model.

Unlike many cars, both the Fireflite and Firedome engines are designed to operate efficiently on the less expensive standard fuels, which can add up to a considerable saving on fuel bills in a year of driving.

In addition to the many new features of the bodies, from the "New Horizon" fully wrapped-around windshield, to the beautiful color-keyed interior appointments, the 1955 De Sotos incorporate many equally important chassis changes. Frames are heavier and more rigid. Both front and rear suspensions have been redesigned to further reduce body roll on cornering. The front tread has been increased almost four inches, rear springs are more than five inches further apart, and the Oriflow shock absorber mountings, front and rear, have been modified for greater effectiveness.

The family of the late Mrs. W. I. Cannaday wishes to express sincere thanks for courtesies extended us during our recent bereavement. The flowers, books and other memorials given honoring our mother are appreciated.

The L. J. Welborn Family,
The A. A. Meredith Family.

Delores Barnett, daughter of Mr. and Mrs. Jack Barnett, returned to her home last Thursday from Peoples hospital, where she had been receiving medical attention.

9-inch pastry shell.
Freeze. Then wrap and return to the freezer.
To serve - thaw 20 minutes at room temperature.

Mrs. D. S. Battey Is Club Hostess

The Harmony Home Demonstration club met November 11 in the club room. Roll call was answered with "a souvenir from my vacation". The president presided. Reports were given from committees. The placing of the refrigerator,

given by the Roy Hales, was discussed.

The club voted to leave the date and place of the bazaar to the decision of the finance committee. Everyone be sure and bring your gifts to the next club meeting which will be on November 20.

The secretary reported on a letter from Abilene State hospital asking for our help.

Miss Petty gave a meat demonstration. Recreation was led by Mrs.

Floyd County Hesperian, Floydada, Texas, Thursday, November 18, 1954

J. R. Turner.

Refreshments were served to Mmes Mather Carr, Everett Miller, Bill Tucker, J. R. Turner, Walter Hanna, Roy Hale, Gule Snodgrass, E. L. Turner, E. W. Turner, Carrick Snodgrass, Ted Rutherford, Miss Petty and the hostess, Mrs. D. S. Battey.

Be Wise And Save Use Want Ads

Mrs. Henry Edwards left Wednesday of last week for Abbott, Texas, where she is at the bedside of her sister, Mrs. E. G. Hoyel, who is seriously ill.

My sincere gratitude to the many friends for kindnesses shown me during my stay in the hospital.

Mrs. Jeff Welborn

REDDY KILOWATT
SOUTHWESTERN PUBLIC SERVICE COMPANY

"RIDING A SEE-SAW"

You are familiar with the principle of the common see-saw; changes in weight at either end causes it to move up or down.

By the illustration of this children's toy, you can readily see how changes in livestock supplies causes the prices of cattle to vary. These changes may be from day to day, week to week, or month to month.

The biggest cause of changes in the see-saw of cattle prices from week to week is in the changes in the number of head for slaughter. When less cattle is sold during a particular week, it means that meat packers have less beef to sell and that the price of cattle can generally be expected to rise.

On the other hand, when numbers of cattle sold increase substantially, it means that packers have a lot more meat to sell and that producers can expect a decline in beef prices.

Changes in the whole sale price of beef are reflected in the prices bid for cattle. Here we see the economic see-saw in action. The prices producers can expect to receive for their livestock is governed by the amount of beef available in the market.

Feed supplies, weather seasons and how the market looks to a particular stockman at a particular time are a few of the factors that

Many Patients Need Help Says Hospital Head

Some of the Floyd county Home Demonstration clubs are beginning to plan their Xmas boxes for patients at the Abilene State hospital, which at this time has 1520 patients. Approximately 800 of these are in need of help, said W. T. Lawler, director of Education and Rehabilitative Therapies.

The Dougherty Home Demonstration club which has selected an individual patient, has sent a gift each month and a special Xmas box each season. Mr. Lawler said that the kindness of many groups and individuals made this past Christmas one of the most joyous the patients ever had.

Sandhill, Starkey and Harmony clubs have sent gifts over the past years and Sterley is planning a Christmas box this year. Mr. Lawler said any group or individual wishing to sponsor a patient or group of patients for birthdays, special occasions, etc. for the coming year could address all correspondence and packages to Abilene State Hospital, Box 451, Abilene, Texas, % William T. Lawler.

"We are always glad to have visitors to our library. This week we had visitors from Missouri, Choctaw, Oklahoma and Floydada. "Since reading is a pleasure of the mind, let's enjoy book week by reading."

Leon Hamrick Is Victim of Crash

Leon Hamrick, 31, grandson of Mr. and Mrs. I. S. Webb of Lockney, was killed in an accident on the highway between Lubbock and Abilene about two weeks ago. It was learned here this week. It was said that Hamrick was thrown from his car when it collided with another and a truck ran over his body before the truck could stop. He was killed instantly.

Funeral rites were read Sunday, November 7, at Pecos where he lived with his wife and four-month-old baby daughter.

Hamrick had recently returned home after serving with the army for about eight years. He grew up in Floyd county and was the son of Mr. and Mrs. Conrad Hamrick, now of San Pedro, California. Other survivors include two brothers and two sisters. One brother, Bob Hamrick is in the armed forces.

Mr. and Mrs. J. E. Sparks left the latter part of last week for Bovina to make their home. They will be associated with a brother of Mr. Sparks in the operation of a cafe and service station.

Joe Arwine was at home over Sunday from Lubbock with his parents Mr. and Mrs. J. A. Arwine.

Washington bid farewell to the officers of his army at Fraunce's Tavern in New York City.

The Butantan Institute near Sao Paulo, South America, is a snake farm where snake bite serum is produced.

Flair Styling Featured on 1955 Dodge

The flair-styled 1955 Dodge features a dashing hood ornament, projected headlight hoods, "New Horizon" swept-around windshield, cut back doors, flared wheel openings and streamlined rear deck. This four-door sedan in the Custom Royal series has a Super Red Ram V-8 engine of 183 horsepower. Two-tone paint treatment accents the lowered roof line, sloping hood, and twin-jet taillight section.

automotive design, and Dodge officials point out that the stylists have blended aircraft sleekness and power into a design of refreshing beauty.

At Dodge Division there is firm conviction that "Dodge Has Done It" in their 1955 line of flair-styled cars.

There are over 100 structural and mechanical innovations in the longer, lower and wider 1955 line. All four-door sedans have a distinct touch of hardtop styling.

Offering three series—the new and luxurious Custom Royal, the richly appointed Royal and the classic Coronet—the '55 Dodge has a built-in look of action, resulting from its swept-back design.

A wide choice of engines—the "Get-Away Six" developing 123 horsepower, the all-new Red Ram V-8 rated at 175 horsepower, the Super Red Ram V-8 at 183 horsepower, and the super-powered Super

Red Ram V-8 at 193 horsepower, are provided.

Newberg announced another automotive first for Dodge in the introduction of three-tone combinations on Dodge Lancer hardtop and convertible models.

All 14 models have an increased wheelbase of 120 inches. Overall length is increased by as much as 16 inches on some models, but the cars appear even more lengthy due to Dodge's flair styling.

"New Horizon" windshields wrap around at both top and bottom of the glass for improved and safer vision.

The "tumble home," or inboard slant of the car's sides above the belt line, creates an appearance of low, road-hugging massiveness. Doors, too, are new and different.

The Dodge V-8 engine last year virtually rewrote the record books during A.A.A. test runs at Bonneville Salt Flats, Utah, when Dodge established 196 new stock car marks.

Optional new features on the 1955 Dodge line include power brakes, power-controlled seats, power window lifts, and a back seat hi-fidelity radio speaker. Tubeless tires are standard equipment for the first time on all models. This, together with the Dodge safety rims, make a great twin safety feature.

Dodge introduces new full-time coaxial power steering, an integral unit with the steering gear mechanism.

FLOYDADA OFFERED 'DAY' AT THE FAT STOCK SHOW

Floydada has been extended a special invitation to have a "day" at the Southwestern Exposition and Fat Stock Show at Fort Worth January 28 through February 6.

The letter to the Chamber of Commerce was signed by W. R. Watt, president-manager, and Boyce House, publicity director of the exposition.

Mr. and Mrs. V. D. Turner and Mr. and Mrs. Purvis Miller and children, of Muleshoe, returned Thursday night from Paragould, Arkansas, where they attended the funeral of Mr. Miller's father on Wednesday before.

The Statue of Liberty was designed and made by M. Bartholdi, a French architect and sculptor.

Five Floydada Students Aides At Home-Coming

PLAINVIEW—Five Floydada students at Wayland help make the increased enrollment that exceeds the goal set for the 1954-55 session by the Board of Trustees in meeting last spring. The enrollment shows a six per cent increase over the fall of 1953.

These students are: Mr. and Mrs. Lawrence Faus, Route 3; Mollie French, 229 West Mississippi; June Hartline, Route 3; and Clayton Watkins, Route 2.

Mrs. Gienna Faus, daughter of Mr. and Mrs. Lloyd Fincher, Lamesa, is a junior.

Lawrence Faus is also a junior. He is playing the part of Claude Griswold in the Homecoming play "Goodbye, My Fancy" by Fay Kanin.

Miss French, daughter of Mrs. Ethel French, is a senior. She is majoring in art and minoring in education. She is a member of the Wayland College International A Cappella Choir under the direction of William E. Steward. Other honors at Wayland include being music chairman of Mission Band and social chairman of Agnes Mays Dormitory.

Miss Hartline, daughter of Mr. and Mrs. W. L. Hartline, is a freshman. She is majoring in business.

Mr. Watkins, son of Mr. and Mrs. C. S. Watkins, Amarillo, is a senior. He is majoring in Bible and minoring in psychology. He is also pastor of Mount Blanco Baptist Church, Crosbyton.

Floyd County Hesperian, Floydada, Texas, Thursday, November 18, 1954

Already all five are working with groups in planning for the annual Homecoming celebration which will take place November 19-20 under the direction of the Student government association.

In one year, 1960-61, eleven states seceded from the Union.

Your Friends in Service

Write often. The USO knows there's nothing like a letter at Mail Call to make a fellow feel swell. Remember, it's tough to be "left out". Published as a public service in cooperation with The Advertising Council.

CARD OF THANKS

I would like to thank you who helped make my stay in Pitts hospital a more pleasant one.

I would like especially to thank Dr. and Mrs. Pitts and his hospital staff for their kindness and consideration. Also Bro. and Mrs. Downing of the City Park church of Christ for their visits and Bro. Armstrong of the Methodist church and Bro. Reeves of the First Christian church. I might add that I looked forward to their visits each day.

Each card, letter and every act of love and kindness have been deeply appreciated. May God bless each of you.

School People Plan to Attend State Meeting

Three teachers from Floydada schools will join more than 10,000 fellow educators for the 76th annual convention of the Texas State Teachers Association at Fort Worth November 25-27.

Nationally-known authorities on education will speak at the three general sessions and at many of the 45 sectional meetings pertaining to every phase of education of interest to Texas teachers.

Principal speakers at the general sessions are Dr. Herold C. Hunt, Elliot professor of education at Harvard University; Dwayne Orton, editor of Think and education consultant for International Business Machines Corporation of New York City; Waurine Walker, president of the National Education Association and director of teacher relations and certification for the Texas Education Agency; H. W. Stillwell, chairman of the TSTA Legislative Committee and superintendent of schools at Texarkana; and Charles H. Tennyson, executive secretary of TSTA.

Welcoming addresses will be given by Dr. J. W. Edgar, state commissioner of education; Mrs. Leon Price, president of the Texas Congress of Parents and Teachers; and Dr. Joe P. Moore, superintendent of Fort Worth schools.

Over 100 other leading educators and laymen will participate in the programs of sectional meetings, breakfasts, luncheons, and dinners. The association will consider numerous matters of proposed legislation which it may sponsor before the next legislature to improve the state's public schools.

Teachers from Floydada who expect to attend the convention are W. P. Nicholson, Andrews Ward school supervisor; J. R. Emmons, member of the Ward school faculty and Mrs. J. R. Emmons, homemaker teacher at high school.

Woman Who Dashes In Car's Path Is Killed on Highway

A father of seven children searching for his wife who was "walking home" after a family "squabble" during a Lubbock shopping tour came upon her broken body Saturday night, shortly after she had been struck and killed by a car two miles south of Abernathy.

The dead woman, Mrs. Susan Rosel Gonzales, 49, was killed instantly as she dashed in front of a car driven by Ferrel Duane Stephens, 23, of Floydada.

Gonzales told officers at the scene of the accident that after he and his wife quarreled, she said she would go home by herself. He and four of his children returned home near Abernathy. Gonzales said that three of his other boys were still in Lubbock in their truck and he presumed his wife would come home with them.

Later, Gonzales told officers, one of the children began crying for his mother, so he got in his car and started to retrace his route to Lubbock to look for his wife. He came upon the scene of the accident and told officers tearfully that he knew it was his wife when he saw one of her shoes lying on the pavement.

Stephens, driver of the car, told officers that he swerved to the left on the highway in a futile attempt to avoid hitting the woman. He was headed toward Lubbock and the woman was crossing from the east to the west. Officers said the accident was unavoidable.

Stephens is the son of Mr. and Mrs. Duane Stephens of Starkey community and is with the Bell Telephone Company.

NEPHEW INJURED IN ARIZONA MINE TO BE MOVED SOON

The last report that Mrs. J. T. McLain had on her nephew, Vernon Brogden who was seriously injured by a falling rock in a mine in Arizona, was that his condition seemed about the same with the exception that his leg seemed to be healing.

They plan to move him to Phoenix as soon as practical to see what can be done for his crushed spine. He is paralyzed from the waist down, Mrs. McLain said.

Mrs. Floy Vick, who was injured in a car wreck two weeks ago in Ralls, was able to be returned to her home November 10 from Peoples hospital.

Mr. and Mrs. Bobby Vickers are parents of a seven pound, 10-ounce son, born November 9, at 11:05 p.m. in Peoples hospital. The baby has been named Brian Lane. Mr. Vickers is employed at Producer's Elevator Coop. Grandparents are Mr. and Mrs. J. R. Vickers and Mrs. Freida Franks of Floydada.

Light travels about 186,000 miles per second.

Letter Reports On Passing Of Early Settler

(By Mrs. Margie Cozby)

A pioneer Floyd county woman passed away Tuesday evening, November 2, in a Lubbock hospital.

Lula May Nickell Green was born in Wise county, Texas, to Mr. and Mrs. J. A. Nickell, June 18, 1882. At the age of seven she moved to Della Plains with her family. She was raised in the Fairview community where she lived at the time of her marriage to R. F. (Fred) Green, on September 9, 1900.

They lived five miles southeast of Lockney now known as Muncy community, where their nine children were born. While living there two of their little daughters were laid to rest in the Lockney cemetery. Two sons, Ernest and Floyd, passed away several years ago.

About thirty years ago they moved to Lamb county. In 1943 Fred was called home by his Master. He, and now Lula, are resting between their children and Fred's mother, Mrs. Susie Green, in the Lockney cemetery.

The oldest son, Earl and wife, had just returned to their home in McAllen, after a weeks visit with his mother and other relatives. So they could not come back for the funeral. All the other living children and grandchildren were present for the rites. They are R. A. Green of Arkansas, W. H. Green and family, Artesia, California, Lacy Green and family and Mrs. Roy Neal and family of Earth, and Mrs. Kate Green and family of Olton.

There are twelve grandchildren and three great grandchildren. Other survivors include Arthur Green and wife, Colton, California; Bill and Mary (Probasco) Nickell, Chandler, Arizona; Annie Mickey, Ocean, California; and Margie Cozby of Stanton, Texas.

Also a number of nieces and nephews and a host of friends will mourn her leaving. Yet we would not call her back to this old earth to see her suffer so again. She always bore her grief with a smile. How often we have heard her say when suffering "if this is my lot, I am willing to bear it. The Lord will not put more on me than I am able to bear."

It was impossible for sister Annie Mickey or Arthur and wife to come. Arthur has been in the hospital about three weeks suffering from a heart attack. The funeral was held at Olton in the First Baptist church where Lula had been a member for years.

I was glad to see Lula look like she was sleeping and she is sleeping in Jesus, where there will be no more suffering or sorrow. She has

had more than her share of both here on earth.

Contributed by her sister, Margie Cozby.

Mr. and Mrs. Gene Vickers are parents of a son, born at 10:50 a.m. in Peoples hospital November 10. The boy has been named Gene Dane.

He weighed six pounds and 13 ounces. The Vickers' also have a daughter. Mr. Vickers is the owner and operator of the Gulf Service station on east Houston. Grandparents are Mr. and Mrs. J. R. Vickers of Floydada and Mr. and Mrs. John Richards of Hamlin.

Mrs. E. C. Pullington of Tucuman, New Mexico, spent Friday until Sunday visiting with her brother J. T. McLain and Mrs. McLain. Her daughter, Mrs. Rex Riggs and a friend, Miss Helen Killingsworth of Plainview, came for her Sunday afternoon.

From know-how gained in building 50 MILLION CARS

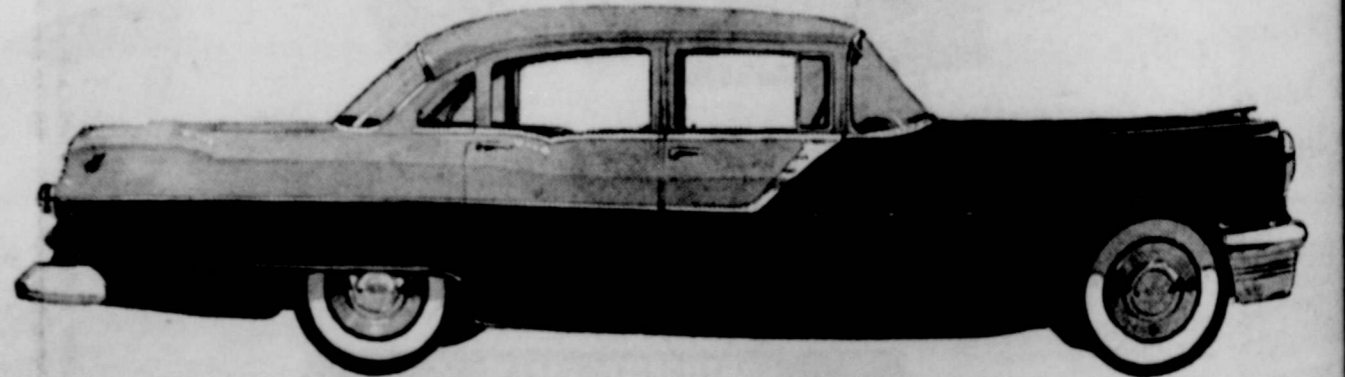

comes an all-new General Motors masterpiece PONTIAC FOR '55

The 1955 Pontiac is getting a royal welcome. "It's hot," they're saying, "the hot car of the year." And no wonder! With its Vogue Two-Tone styling and Strato-Streak V-8 engine, Pontiac wraps up more beauty, luxury, size and power than a like amount of money ever bought before. The price is near the lowest, but the car is way out front in everything that makes an automobile great.

The reason lies in the achievement General Motors is now celebrating—the vast experience gained in building 50 million cars. Research experience that uncovers what you want and need. Design experience that creates new trends. Engineering experience producing more dollar-for-dollar quality year after year.

That's the background of this All-New General Motors Masterpiece. Come in, drive it, and find out what it means to you. Let your own eyes tell you that here is the smartest car on the highway. Let your own hands report the new handling perfection brought about by recirculating ball steering and other advancements in the all-new shock-proof chassis. And let the great new Strato-Streak V-8 whisper its tale of getaway, response and compelling power that make driving a brand-new experience.

Then let us tell you about Pontiac's new thrift and reliability—and how little it costs to buy this future-fashioned beauty. Come in soon and get the exciting facts!

SPECIAL GOLDEN CARNIVAL OPEN HOUSE THIS WEEK END. COME IN FOR A STRATO-STREAK RIDE!
