Car Plate Sales Are About Normal

T. T. Hamilton, tax assessor and collector, said early this week that his office was not due to be rushed with last minute license tag sales for 1955.

Approximately one-third of the cars in the county had not registered on Monday, but Mr. Hamilton felt that most would be registered by the dead-line this evening.

Car safety inspection dead-line another must for car owners, is April 15.

Pioneers Make Re-Union Plans

In their first meeting of the year officers of the Floyd county pioneers Re-Union Saturday selected their committees in preparation for Old Settlers day on May 28.

Troy Leonard, president of the association of old-timers, called the meeting, held in the district court room.

Another meeting will be held on Saturday, April 16, to make a check on progress.

Committees named included the following: Memorial: Mrs. Burton Thornton, chairman, Mrs. Dan Shipley, Mrs. Mattie Hale, Mrs. L. M. Honea and Mrs. Ethelyn McAdams.

Platform, table and seating: Omer Parrish, chairman, Lindsey Graham, Gilbert Fawver, Carrick Snodgrass, Tate Jones, Clifford Willis and Blonnie Payne.

Entertainment: Glad Snodgrass, chairman, John B. Stapleton, Roe Jones.

A special committee was added to the list to "look after the sick at home and in hospitals to see that they are not neglected," composed of J. T. McLean, chairman, Lee Noble, C. L. Anderson, and Mrs. Sally Griffith.

New Studebaker Partnership Signs Agency Contracts

John E. Walton and George C. Pope of Lubbock are new owners of the Oliver - Studebaker agency on South Wall street in Floydada.

The business which has operated at Bley Motor Service will continue at the same stand but will change back to the original name of Plains Equipment Company.

Pope and his family, wife Lurline, and four year old son Darrell, are at present looking for suitable living quarters in Floydada and plan to move here as soon as they can be found.

Both partners plan to be active in the company's business and plan to offer the best of service and parts along with their new automobiles and equipment.

Troy Cranford will continue with the firm as parts man as will Lowell Miller in the service department.

Final arrangements in the transactions in which the new partners took over were completed Tuesday when agency contracts were signed with Studebaker.

Easter Egg Hunt April 8 For Pre-School Children

A. W. Coltharp, principal at Andrews Ward, announced this week that all children who start to school in September are invited to the Easter egg hunt at Andrews Ward school on Friday, April 8th, at 1 o'clock p. m.

Each child is asked to bring six colored or candy eggs wrapped in wax paper.

School Holiday, April 11 Students in Floydada high school and Andrews Ward will have an Easter holiday on Monday April 11. It was announced by school officials this week.

There will be school all day Friday, April 8, with an Easter egg hunt planned at grade school. School will resume on Tuesday morning April 12.

DISTRICT TENNIS CONTESTS POSTPONED, BAD WEATHER The district tennis meet that was to have been held Saturday was postponed because of bad weather. There has not been an exact date set for the postponed contests.

Winners for Floydada teams have been Keith Armstrong, senior boys singles; Ronnie Downing, junior boys singles; Rannie Vickers and Jerry Perry, junior boys doubles; Carolyn Downing, senior girls singles; Sonja Beth Wilson and Nita Jo Lightfoot, senior girls doubles.

Road Bond Issue Fails of Two-Thirds Majority Again Saturday

Floyd county property taxpaying voters turned down the right-of-way bond issue proposal of the State Highway Department and the Commissioners court of Floyd county again Saturday.

With 1,107 votes needed out of 1,660 cast the "fors" got 957, which was 57.46 per cent of the total. Votes against the proposition of issuing \$300,000 in right-of-way bonds totaled 703.

Last November the vote on the same issue with the amount of the bond set at \$325,000 was 774 for, 584 against. Percentage in favor of the bonds in November was 56.99. With 202 more votes cast Saturday the percentage favoring the issue was 57.46.

About 1,000 eligibles could not be cajoled away from a warm fire on a chill spring day, either by those favoring or those opposing the issue. However, the vote cast is looked upon as a fair cross section of the county's stand on the proposal—57.46 per cent for, 42.54 per cent against.

A two-thirds majority—66 2/3 to 33 1/3 was needed to carry the bond issue.

The plan proposing a four-lane highway through the county on Highway 70 and a re-building and widening program on Highway 62 from Floydada to the Crosby county line was suggested to the Floyd county commissioners court by the highway department in July of last year. It caught the favor of the court and most property owners at once. However, the vote was delayed until after an estimate on the probable cost could be made. The issue was presented on general election day, November 2.

Lewis Norman, veteran member of the board of aldermen, is the sole candidate on the ballot for mayor in the city election that will come off Tuesday, April 5.

Candidates for aldermen are Joe Holt, Lloyd Wofford, Jimmy Hodel and Kilton Shaw.

Quitaque candidates for councilmen are Charles Daniel, Chester Hawkins, Alton Jackson and O. R. Stark, Jr.

On the ballot at Matador for councilmen are John Briscoe for re-election, Dr. J. S. Stanley and B. L. Brandon, who are filling un-expired terms.

Silverton candidates for councilmen are C. O. Allard, re-election Hugh Nance, Perry Whitmore, Printz Brown, Fred Logan and Jean Grundy.

Holdovers in Crosbyton council are Mayor Carey Lodal, Leon McPherson and L. H. Finch up for re-election Keltz Garrison, Bill Nickson and G. H. Breshner.

Mayor A. R. Main is up for re-election in Petersburg. His opponent is H. L. Porter. Running for commissioners are Clarence Ellison, Eddie Linn and Harold R. Rhodes, holdover.

Whirlwind Trackmen Will Enter Saturday Meet At Hale Center

The Whirlwind cindermen will enter the Hale Center track and field meet Saturday. Coach Watson plans to take a full team of boys to the big meet and enter as many events as possible.

Some twenty teams from over the south plains have already accepted invitations and a very fast meet is the present prospect.

The Abernathy Antelopes and the host Hale Center Owls are favorites to walk off with high point honors. These two teams were the class of the Crosbyton meet two weeks ago, in which many of the same teams were entered.

Floydada's chances at placing in upper division will hinge largely around the efforts of Stanley Vickers who has made quite a name for himself in the weight events. Vickers marks in both discus and shot-put rank with the best in the state.

Whirlwind dash and relay men have been improving with the season and may be able to collect some points for themselves this weekend.

Baseball This Afternoon Floydada high's base ball team will take on the Plainview Bulldogs this afternoon on the local diamond. The game was originally scheduled for last Friday but was postponed until today because of the weather.

Baseball workouts and games are being held at the diamond across from Carthel Oil and Butane.

P. O. Department Plans for Moving

Although moving day is weeks away for Floydada post office the department already is making plans for the change in their location, a move made this week by acting postmaster Edward H. Wester indicates.

Wester is getting bids for moving the government-owned equipment, which will be submitted by noon, April 9, on a certain form No. 33. The bids will be for moving only, no dismantling or re-installation, which will be supervised by a traveling mechanic of the department.

The new location is in at 226 West California, where the office will be in leased quarters now under construction for Clement B. McDonald.

Cancer Society Sets 1955 Quota

Mrs. R. A. Dyson, chairman of the executive committee of the Floyd county unit of the American Cancer Society, announced this week the county's 1955 Crusade quota had been set at \$1350. There will be no drive this year as the Cancer Crusade was included in the county's United Chest drive.

April 17 has been set as cancer Sunday by the national organization and an all-out effort will be made at that time to enlighten people of the warning signs of cancer.

May 18 will be election day for the Floyd County Cancer Society when a new set of officers will be chosen to serve for the following year.

Standing Room Only at Style Show For 1955

The curtain went up Monday night at the high school auditorium on local models parading in feature fashions for the coming Easter season and spring, sponsored by the 1950 Study club.

Late comers to the style show found standing room only in the filled auditorium.

At the style show everything had the new look including color, style and the new length, in your choice. Sportswear went to dark colors with a splash of shocking color.

Boxey jackets, slim skirts, short shorts, knee walking shirts, and the famous peddle-pusher. One of the newest for the ladies this season are suspenders. They will be worn with skirts, shorts and slacks to emphasize that new look.

Print is the latest thing in wearing apparel. You'll find it in linings of jackets and coats, a solid color trimmed in print or a polka dot. The colors will be anything from orange with pink, violet with blue, yellow with pink and other daring bright colors.

Suits, dresses and coats all have a wider look, slim-line skirts, bow-tie collars and a high, wide neckline. Slim waist and hips with billowing skirts will be a hit.

For The Kiddies, Too In the children's parade of Easter and spring wear for the young miss were the frilly ruffled pastels of soft nylon and cotton. Underneath will be worn more ruffles on a dainty petti-coat or more. Saucy little hats and bags with nylon gloves will finish the picture for your little lady on Easter Sunday.

For the young man of the house, pink trim with charcoal will be his colors this season.

Nearly 60 models paraded new fashion ideas from nine shops and stores for the capacity crowd.

Variety of Entertainment Other than the breath-taking beauty of the parade of models, the audience was entertained with musical numbers, tap dancing and readings.

The list of entertainers included the men's quartet consisting of Bob Copeland, Ernie Higgins, Bill Greer and Myron Battner. Others on the program were Bobby Rainey, Suzanne Collier, Mary Jo Smith, Joan Jameson. Background music was furnished by Mrs. Bill Greer and Mrs. Bob Copeland.

Mistress of ceremonies was Mrs. Kinder Farris. Mrs. Lane Decker was general chairman. Others on the planning committee were Mrs. Johnnie Collins, president of the club, and Mmes. W. H. Simpson, David Kirk, Jimmy Tys, Gene Pabasco, W. R. Fuchett, Jr., Lyndell Roberts, Tom Snead, Aet Coffman, Bob Copeland, Ernie Higgins, Gene Collins, Jr., Bill Greer, George Allep, Ed Wester, Claude Weathersbee, Jimmy Price and Earl Edwards.

City Men Work On Main Leaks Employees at the City water works have worked steadily this past week turning water into the new elevated storage tank, and checking for leaks in the new and old lines.

A heavy amount of chlorine was placed in the ground storage tank southwest of town last week and held there until released this past Monday.

Bemus Carver, superintendent of the water department, said that a sample of water is sent off for inspection four times per month. The samples this month were not as should be, so the best and quickest way to purify the water was for a heavy charge of chlorine.

A few leaks have sprung up in some of the old water lines and in a few of the new ones. Mr. Carver said. But this was expected, due to more pressure from the new storage tank.

The city crew have also been busy removing dirt and cleaning up around hydrants. Sherman Machine and Iron Works who contracted the laying of the new water lines, has hired the city on an hourly pay basis, to finish the job of a general clean-up. Much work is still to be done and the water department is busy trying to complete the unfinished task which may take months.

No More Freezes, Onion Men Hope

Onion growers in that part of the county are keeping their hopes high that another freeze such as the one last week will not hit again.

Rafe Ferguson and John W. Kimble, who have approximately 50 acres of sets and seeds planted in the Sandhill community, said the freeze only nipped the tops of the onion sets. By Tuesday of this week they were beginning to show marked improvement. If the snow continues to warm things up, blades of the sets should be showing good within the next two or three weeks.

It is believed that at least 200 acres of land has been planted in onion seed or sets. This acreage if the growers have a good year should yield around 200,000 bags. For a poor year yield should be 100,000 bags.

Interest in Pinto Beans Is Growing

D. W. Fyffe, one of the promoters of planting and raising pinto beans, said this week that about 2,500 acres of farm land had been pledged by farmers for pintos.

Most have been very considerate and favorable to the idea, Mr. Fyffe said, due to the anticipated advantage over other local crops.

It is desirable for any farmer who plans to have a pinto crop to get in touch with Mr. Fyffe either by phone or card and give his commitment on the amount of acreage he plans to plant. This way, Mr. Fyffe said he would know approximately how much bean seed to have on hand when planting time arrives.

## STUDEBAKER REPEATS GAS ECONOMY TRIUMPH

COLORADO SPRINGS, COLO.—Competing against 21 other makes of American cars over a rugged 1,323-mile course from Los Angeles, the Studebaker Commander V-8 continued its supremacy in the Mobilgas Economy Run by capturing the coveted Sweepstakes trophy for the second consecutive year. In winning the annual three-day contest conducted under American Automobile Association auspices, the 162-horsepower Commander scored a remarkable average of 27.4366 miles per gallon, equivalent to 58.6320 ton miles per gallon. The two 1955 Studebaker entries—the Commander and a 185-horsepower President model—finished first and second respectively in highest gasoline mileage among 16 V-8 engine cars participating. The President's average was 25.2901 miles per gallon. Here Richard Johnson (right), the Commander driver, is congratulated by Richard Griffith, last year's sweepstakes winner, as Robert Donkin (center), driver of the President, completes the victory hand-clasp above the trophies.

### Center News

(By Mrs. J. E. Green)

CENTER, March 28—My, we have been having some cold weather for March but it is still dry. We have had few real dust storms for this time of year.

Sunday our congregation at church was a sad lonely group. Bro. Hodge offered his resignation after serving us for six years. We will never forget him or Mrs. Hodge. How dear the family has been to us thru the struggle of replacing our house of worship after the fire and their pastoral help in every way. Our love and good wishes go with them in whatever field of service they undertake.

Johnny Lynn Warren came to our rescue and brought us a good message at both services Sunday. During the service a visiting couple came in and sat near the back. When services were over we found them to be Bro. and Mrs. Vic Allen, a beloved pastor and wife at Center some twenty years ago. They now live in Lubbock. How we do enjoy having former pastors, and anyone come back and visit with us.

Mr. and Mrs. Leo Frizzell were Sunday dinner guests of Mrs. Jackson.

Don Clark Green of Big Spring was with homefolks over the weekend. All went to Plainview after services Sunday morning with the Victor Greens. The occasion was the 34th wedding anniversary of the J. E. Greens.

### JP Court Session Views Complaints

Monday morning session of Justice of the Peace P. O. Sterling's court was marked by the arraignment of Preston Samuel, 26, a colored man charged with assault with intent to rape a 15-year-old colored girl in Floydada. He is being held on \$500 bond.

Honey Cooper also of the Negro section, in the same court was fined

\$50 for operating a motor vehicle without a license, and a woman was charged with violation. A white man was charged with a fine. To a charge by the sheriff's department same court, a Negro man charged in the same court pleading not guilty. The fine was set at \$100.

The 7th grade 4-H club met Friday, March 25. Sue McClung president called the meeting to order. The 4-H pledge was said by members. Secretary Marisue Burleson called the roll and read the minutes of the last meeting.

We are happy to have six new members in our club.

Mrs. Harriette Brummett, our new leader, took charge and gave a demonstration on planning our wardrobe and also outline to follow when planning our wardrobe.

Afterwards several songs were sung. Jane Carpenter and Nedra Jarrett led in the singing. Sue McClung led in the closing 4-H prayer.

JOHN WAYNE imparts sound advice to ROBERT STACK in a scene from the CinemaScope and WarnerColor production of "THE HIGH AND THE MIGHTY," which opens Sunday, April 3 at the Palace Theatre. Wayne-Fellows film for Warner Bros. release is from famed Ernest K. Gann novel which is still on the best-seller lists.

## Mrs. Jordan Club Hostess on Friday

Center Home Demonstration club met Friday, March 25, with Mrs. W. B. Jordan. The meeting was called to order by the president, Mrs. Oliver Allen.

Roll call was a personal answer to what records I keep. Mrs. O. C. Vinson read the minutes. Council report was given by Mrs. Earl Huckabee.

After the business session, Mrs. Jordan and Mrs. Vinson gave a ten-minute demonstration on how to fold fitted sheets.

Our Home Demonstration agent, Mrs. Harriette Brummett, gave us an interesting demonstration on records that help which was an instructive and thought-provoking lesson.

Refreshments of hot chocolate sandwiches and cookies were served to Meses. Oliver Allen, Earl Huckabee, T. R. Noland, Henry Willis, Frank Dunn, O. C. Vinson, J. E. Green, J. A. Hartsell, Mrs. Brummett and the hostess, Mrs. Jordan.

The next meeting is scheduled to meet with Mrs. Green on April 8. We hope all the women can be present.

MRS. FREDDIE BRYAN MERRELL

## Barbara Hays Weds In Home Ceremony Friday Evening

Miss Barbara June Hays, daughter of Mr. and Mrs. Edgar R. Hays of Lockney, became the bride of Freddie Bryan Merrell, son of Mr. and Mrs. Walter Fred Merrell, also of Lockney, Friday, March 25 at 8:30 p. m. in the home of the bride's parents. Rev. R. E. Wiley, pastor of the First Baptist church read the vows for the double ring ceremony as the couple stood before a picture window flanked with tall vases of white gladioli and stock backed by emerald greenery.

Miss Janice Hays, sister of the bride, played "I Love You Truly" and Miss Joan Harris sang "Indian Love Call", "Because", and "The Lord's Prayer." She was accompanied by Miss Sidera Boone who also played the traditional wedding march.

The bride, given in marriage by her father, wore a waltz length gown of frosty pink nylon net and lace. The fitted bodice was designed with a sweetheart neckline and short sleeves of pleated net. The full skirt featured an applied design of lace outlined with tiny ruffles over a ruffled skirt of nylon net. She wore a tiara of ruffled net and mock orange blossoms. In her hands she carried a white Bible covered with white satin and scalloped lace topped with a bouquet of pink sweetheart rosebuds and white stephanotis.

For something old the bride wore a cameo brooch 75 years old which belonged to the late Mrs. H. B. Adams and her mother and now belongs to Mrs. Walter Merrell. New were pink pearl and rhinestone earrings, borrowed was a Bible belonging to Janice Hays, sister of

the bride. Blue was a lace handkerchief.

Attending the bride as maid of honor was Miss Rosemary McDonald, student of West Texas State College, Canyon. She was dressed in a waltz length gown of pink nylon net and wore a corsage of white carnations backed with pink net.

Marion Cross of Lockney attended the bridegroom as best man.

Following the wedding ceremony a reception was held. The dining table was laid with white embroidered linen cutwork over pink. Centering the table was the bride's bouquet flanked with pink tapers in crystal candelabra. A crystal punch service was at one end of the table and at the other was a two tiered wedding cake topped with a miniature bride and groom. Miss Darla Allison cut the cake and Janice Hays poured. Carolyn Merrell, sister of the groom registered the guests.

The couple left immediately for Carlsbad, New Mexico. For traveling the bride wore an avocado linen three-piece suit with natural accessories. Her corsage was pink sweetheart roses.

The couple are both members of the senior class at Lockney High and will graduate in May. The bride has been a member of the National Honor Society for three years, was a member of the All-State Choir last year and was named Miss Lockney High this year. The bridegroom has been active in sports and was named Junior Rotarian of the month of March.

Out-of-town guests included H. B. Adams of Lubbock, former editor of the Lockney Beacon, and Rev. and Mrs. David Garlington of Abilene, Texas.

## 'Life In Russia' Study Club Topic

1950 Study Club met March 22 with Mrs. Howard Bishop as hostess. Mrs. Jill Kirk presided in the absence of the president, Mrs. Margie Collins. There were 15 members present.

Mrs. Sybil Price and Mrs. Clarie Edwards were in charge of the program which was on "What is life like in Russia today?"

The members present were Misses Sue Moore, Valrie Tye, Martha Allen, Patsy Coffman, Emma Collins, Nina Copeland, Margaret Sneed, Vel Simpson, Peggy Probasco, Sybil Price, Jill Kirk, Margaret Greer, Lovene Decker, Clarie Edwards and the hostess Nancy Bishop.

The next meeting will be April 5 at the First Christian church. The hostesses will be Mrs. Lovene Decker, Mrs. Sybil Price, and Mrs. Vel Simpson.

## Rainbow Girls Silver Tea Is Announced

Floydada Chapter of the Rainbow girls will have a silver tea Saturday, April 2 from 2 until 4 at the home of Miss Katie Rucker, five miles south of Sand Hill. Those serving at the tea will be Misses La Paun Ballard, Sonja Beth Wilson, Gail Kellison, Betty Jo Foster, Katie Rucker and others.

The public is cordially invited to attend and all donations received will help finance a trip to Grand Assembly at El Paso.

On Sunday morning the girls will attend church in Lockney at the First Baptist church to celebrate the birthday of Mark Sexton, founder of the Rainbow order.

## GROUND AGAIN RE-ELECTED HEAD OF 50-YEAR CLUB

W. A. Gound, who was among the local Odd Fellows who attended the grand lodge at Corpus Christi last week, was again elected president of the 50-year Odd Fellows club of Texas.

The members of the club put on the initiatory degree of the order without the use of a ritual as a demonstration of their proficiency.

Mr. Gound was made an Odd Fellow in 1900 in Virginia. He returned home by way of Big Spring where he spent a brief visit with his son, Wayne, and family.

Eddie J. Cantrell, who attended the state grand lodge of Texas, IO-OF, as a delegate from the Floydada lodge, in company with Dr. J. G. Pruitt and Fred Reeves, returned home last week. The meeting was held in Corpus Christi.

Mrs. H. B. Bishop, Mrs. W. F. Bishop and Mrs. Fred Bishop and children of Dallas are here on an indefinite visit with Mrs. J. W. Freeman, who is ill, and with other relatives.

## MOST PARENTS REQUEST SALK VACCINATION

Salk vaccine blanks were distributed last Wednesday at the schools in Floyd county to first and second graders to be filled out and signed by parents and returned to their teachers. Monday of this week saw most of the forms signed and returned with a large majority favoring the vaccine for their children.

School officials and doctors said

that parents wishing to have their children vaccinated for polio should fill the forms out as soon as possible and return same. No children will be vaccinated unless the authorities have written permission of the parents or guardian.

The series of three inoculations will begin one week, the second one the following week and the third two weeks thereafter. This way all will be completed by the end of the school year in May.

The vaccine, if approved, will be ready by April 12 and will be furnished by the National Foundation for Infantile Paralysis.

If the vaccine is not licensed

there will be no program. Dr. George Smith, county health officer was quoted as saying last week.

More of the Army's civilian employees today have an indefinite job status than have a permanent status.

**PORK CHOPS WITH RICE-APRICOT DRESSING**

Everybody likes pork chops—and here's a brand new way to fix them. Try serving pork chops with rice-apricot dressing. The fruit-vegetable-meat combination makes a delicious dinner dish that's extra high in nutritive value.

6 pork chops, 1-inch thick  
1 tablespoon shortening  
1/2 cup minced onions  
3/4 cup uncooked rice  
1/2 cup chopped dried apricots  
1 tablespoon minced parsley  
2 tablespoons sugar  
1 teaspoon grated lemon rind

1/2 teaspoon salt  
1/2 teaspoon pepper  
2 cups water

Brown pork chops in heated shortening. Drain off excess fat, reserving one tablespoonful.

Cook onions in the one tablespoon of drippings until soft but not browned. Remove from heat. Combine with remaining ingredients and pour into 2-quart casserole. Arrange pork chops on top. Cover.

Bake in moderate oven (350°F.) about 45 minutes, or until rice and pork chops are tender. Yields six servings.

Parmer and placed a large amount of meat before the Indian. Two-Heart ate it all and Parmer put out more. At last, he had all that he wanted but his host set out another helping, drew a wicked-looking knife and commanded, "Keep eating." So Two-Heart did—and he ate so much that he died.

It was such acts as this that won Parmer the wholesome respect of the red man.

The faithful bear-dog grew old and at last passed away. His sorrowful owner felt that the dog should have a funeral. So he sent a messenger to the nearest preacher, who was 50 miles away, to come and preach a funeral sermon. The minister assumed that a member of the family had died and so he came. Upon arriving, he learned that he had been called to conduct the funeral of a dog. But he was there (and likely, had a wholesome respect for Parmer, too), so the minister went ahead and delivered a funeral sermon for the hunting dog. A very good sermon, too.

Martin Parmer, one of the men who helped to make Texas, was a remarkable individual.

**Bursitis, Joint Disease Is New**

AUSTIN, January 20—"A hundred years ago nobody worried about bursitis because nobody had it," said Dr. Henry A. Holle, State Health Officer. It wasn't until about forty years ago that there was enough of it around for it to be given a name. Today an estimated two and a half million Americans suffer from the hurting joints caused by bursitis.

The reason for the big increase seems to be found in modern living. So many of the things people do—typing, working adding machines, driving, handling compressors—week-ends—are the very things that can cause attacks of bursitis. Too, people live longer now—days and bursitis most often attacks after forty when age weakens tendons.

Service troops are to the Army what factory workers, technicians and administrators are to the civilian economy.

The Floyd County Hesperian, Floydada, Texas, Thursday, March 31, 1955

cles, tendons and bones there are cushions—tiny, flat sacs filled with an oily substance. These are the bursae. As the parts move, the two inside surfaces of the sacs glide against each other providing sat-in-smooth action.

The body has more than 140 of these little sacs. Most important is the subdeltoid bursa in the shoulder, which helps the major shoulder muscle operate. It is the most important because the human shoulder wasn't designed for the work it now has to do. The result is that though bursitis can occur in any of the 140 bursae and often does affect elbows, hips, ankles and joints, 80 per cent of the time it is in the shoulder.

If an attack of bursitis occurs, a physician should be consulted. He can control bursitis but he can't control the results of neglect. Curing bursitis takes time and patience.

Despite efforts of the preceding two years, the Japanese attack on Pearl Harbor found the United States woefully weak for immediate defense and counter-attack.

### Bettie Lou Rice G. E. James Wed At Albuquerque

RALLS—Miss Bettie Lou Rice and George Ernest James were wed in a double ring ceremony at Albuquerque, New Mexico. The bride is the daughter of Mr. and Mrs. A. L. Rice of Ralls, formerly of Floydada and the bridegroom is the son of Mr. and Mrs. George W. James of Plainview.

The couple were wed in the Heights Baptist church parsonage by Brother James Abernathy, formerly of Ralls.

The bride wore a two-piece linen dress. Rhinestones and embroidery trimmed the neckline of the dress and was laid around the edge of the jacket. Blue and white accessories were used.

The bridegroom is a graduate of Harbin-Simmons University and is now employed as Jr. high coach in Ralls. The bride is a graduate of Ralls high school and is employed by the Ralls Chamber of Commerce.

The couple is at home in Ralls after a honeymoon in Ruidosa, New Mexico.

### Floydada Garden Club Met Friday

The Floydada Garden club met Friday March 25 with Mrs. J. D. McBrien as hostess.

Mrs. D. T. Mayo was the leader for the program. Mrs. Wilson Kimble gave a paper on "Introduction to Botany - Useful Plants." Mrs. E. F. Stovall gave "Mother of Millions."

Each member of the club was to make two dollars for the club treasury and the roll call was answered by the ways to make their money.

Those members present were Mmes. R. E. Fry, J. C. Keeling, J. G. Martin, Harry Koenen, Ethel Sawyer, J. C. Veach, Hollis Bond, O. G. Glassmoyer, Rose Henry, John Hoffman, J. B. Jenkins, Wilson Kimble, D. T. Mayo, E. J. Morehead, J. P. Moss, E. L. Norman, E. F. Stovall, O. M. Watson and the hostess, Mrs. J. D. McBrien.

Mrs. Jack Dillard, of El Paso, visited here from Friday until Sunday with her mother, Mrs. M. L. Probasco and other relatives.

In these days of atomic toys space helmets and jet-propelled airplane models, some of us find it hard to speak the language of twelve-year-old boys.

And if occasionally we try to follow Buz Sawyer through a comic strip, or watch Flash Gordon take off in a rocket on t-v, we feel as Rip Van Winkle must have felt when he returned from twenty years' sleep.

All of which is by way of saying that we're glad to see spring come round again. Because no matter how technical the make-believe world of today's youth becomes when the trees bud out, and the air has overtones of softness and warmth, boys are once more little boys. Riding bicycles, setting up tents, climbing trees — these pastimes can be picked up right where they were left off by twelve-year-olds a year ago or a generation back.

Two youngsters in our block started their Neighborhood Gazette again the other day and we could have shouted for joy. Solemnly they announced policies and plans. The rate will be raised from two cents to three:

"After thinking all afternoon about it," they proclaimed editorially, "we came to the conclusion of firing our helpers, now there is only two of us left. We think the paper will be much better."

So come what may in the realm of nuclear fission, as sure as there is spring, there'll be young incubator citizens with high ideals and questionable grammar to speak the language of everyday folks like you and me.

### BULLOCK - WARD VOWS

On Saturday, March 26, at 6 in the evening, the home of the Rev. and Mrs. Vaughn of Matador was the scene of a ceremony uniting in marriage Miss Linda Sue Bullock and Robert L. Ward.

The bride is the daughter of Mr. and Mrs. R. C. Bullock of Floydada. The groom is the son of Mr. and Mrs. Mac Ward of Dougherty.

Their attendants were Mr. and Mrs. Wayne Ward of Dougherty.

After a honeymoon at Carlsbad, New Mexico, the couple is at home in the Dougherty community where Robert is associated with his father in farming.

### MRS. ZIMMERMAN HOME

Mrs. Tob Zimmerman returned home March 11 from a three months visit with her mother, Mrs. L. Jensen in Bergen, Norway. Mrs. Zimmerman said her trip over by air was smooth but the trip back was a little bumpy.

While in Norway, Mrs. Zimmerman enjoyed winter sports and other outings in the mountains.

### Traffic Violators Go To School

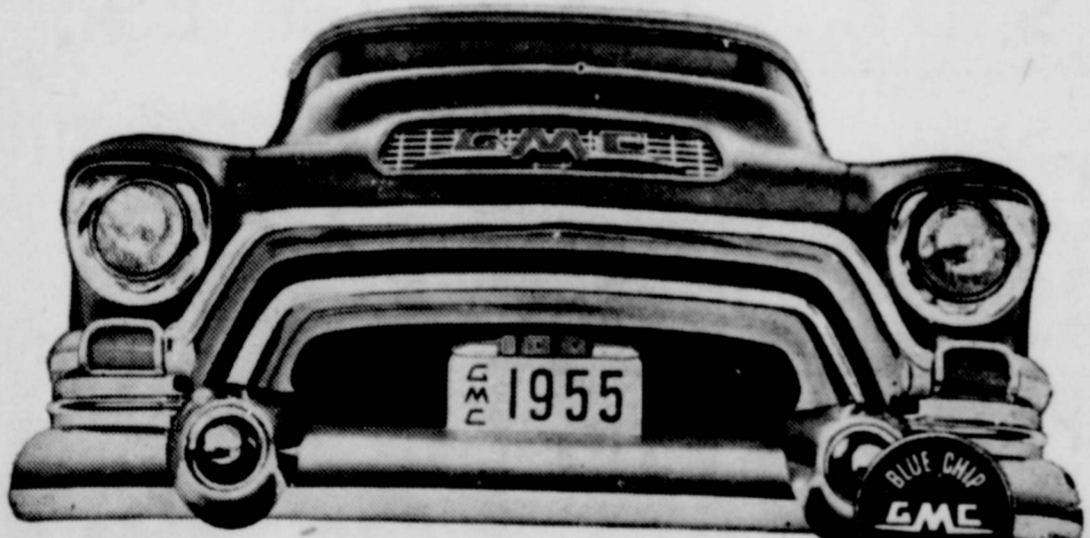

NEW DRIVING SCHOOL for chronic traffic law violators, a pioneering experiment launched in New York City by Chief Magistrate John M. Murphy, (left). Above, 24-year-old motorist, who was given "opportunity" to take seven-week rehabilitation course before being sentenced on tenth traffic offense, gets driving check on wheelless auto used with Aetna Drivotrainer, unique classroom behind-the-wheel training device. Center is Stanley F. Withe, secretary of Aetna Casualty and Surety Company, which loaned Drivotrainer to school, and at right, Judge Peter M. Horn, chairman of traffic committee of New York's magistrates' courts. National statistics show that at least one driver violation occurs in four out of five fatal accidents.

We have 'em!

### Mrs. Bryant Hostess For Club Meeting

The Blue Bonnet Needle club met Thursday, March 24 with Mrs. Olin Bryant as hostess.

Visiting and sewing was enjoyed during the afternoon. Games were played and Mrs. Dennis Dempsey and Mrs. Woodrow Wilson won the prizes.

Lovely refreshments were served the following members: Mmes. Dennis Dempsey, Greer Christian, W. B. Eakin, Pete Kendrick, W. L. Orman, Wayne Finley, Ernie Widener, Oliver Allen, Everett Perry, L. H. Dorrell, Poyner Roberts, Starke

Green, Layton Dorrell, Woodrow Wilson, Miss Darlene Bryant and the hostess, Mrs. Olin Bryant.

The next meeting will be April 7 at 3 p. m. with Mrs. Greer Christian as hostess.

Mrs. T. O. Taylor of Hillsboro has moved to Floydada to make her home with Mrs. E. A. Hopkins.

Mr. and Mrs. Mose Simpson left this week for Los Alamos, New Mexico where they plan to spend an indefinite visit with their sons Virgil and Richard. Mr. Simpson said he would do some hunting and fishing while in that part of the country.

### MAXWELL - ROSS

Mr. and Mrs. Paul Maxwell of Nashville, Tennessee, recently announced the engagement and approaching marriage of their daughter Jane to James W. Ross, son of Mr. and Mrs. W. J. Ross.

The marriage vows are to be read at the First Baptist church in Nashville, April 1.

The bride-elect has been the honoree at a series of prenuptial parties.

James was honored with a bachelor's party at the Servicemen's club, March 18.

The couple is expected to visit relatives and friends in this vicinity

### OPEN HOUSE FRIDAY

The Starkey home club is having open house, April 1, at their residence. The public is invited to attend. Games of pool, played and refreshments served.

Mr. and Mrs. John Edwards and sons left Sunday for South Dakota after several days here.

**Father of Skinny Winn Succumbed**

Daniel Welton Winn, 71, father of Welton (Skinny) Winn, owner and operator of the Lunch Box Cafe, died Monday, March 28, in the West Plains hospital at Muleshoe. He had been a resident there since 1913.  
 Rites were conducted for Mr. Winn at 2:30 p. m. Tuesday in the First Baptist church in Muleshoe. Rev. E. K. Shepherd, pastor, and Rev. J. E. Moore, officiated. Burial was in Muleshoe cemetery where Masonic services were conducted.  
 Mr. Winn was employed by Bailey county as custodian before his retirement.  
 Survivors include his wife, three sons, D. W. Winn, Jr., Slaton, Welton B. Winn, Floydada, and Jess P. Winn, Muleshoe; four sisters three brothers and five grandchildren.  
 Those attending rites from Floydada other than Mr. and Mrs. Winn were Mr. and Mrs. Leroy Burns, Mrs. Glenn White, Mrs. J. R. Vickers, Mrs. J. R. Wiley, Mrs. Ruth Johnston, Mrs. Howard Cherry, Mrs. Leo Brown, Mrs. Billy Johnston, Miss Thelma Hughes, Aaron Carthel, Tubby Robertson, Alva Sparks and Jeff Welborn.

**Local Men Attend Tulia Celebration By Masonic Lodge**

Conner Oden and C. L. Berry, sr., in company with C. L. Berry, jr., of Crosbyton, attended pastmaster's night of the Tulia Masonic lodge Thursday night.  
 Many fine talks and a good chicken supper was enjoyed by a large crowd, said C. L. Berry this week.  
 The occasion was for the first showing of the pictures of the past masters of Tulia lodge. Tulia has been served by forty-five masters since 1892, and all but three pictures were placed in the hall prior to the meeting. There was some delay in securing the other three.  
 Conner Oden and C. L. Berry, sr., are past masters of Tulia lodge.

## T. C. Gardner Will Speak For Sunday Service

Dr. T. C. Gardner, head of the Baptist Training Union department in Texas, will speak at the First Baptist church Sunday, April 3, at the morning worship.

In the afternoon at 2:30 Dr. Gardner will speak for all the directors, leaders and sponsors of the training union. A covered dish lunch will be served to members and their families immediately following church.

Dr. Gardner will also assist the directors of the church in laying plans for paralleling the training union with the Sunday school in order to reach more people for training.

Dr. Bryan Robinson, dean of students at Wayland college, will be speaker for the evening service at the church.

Dr. Allen at Haskell  
Dr. R. Earl Allen, pastor of the church, is due to close a revival Sunday night, being held at the First Baptist church in Haskell.

Helping with the revival at Haskell is Dr. Harlan Harris of Plainview. This revival will be the close of the second part of the Simultaneous Crusade which includes 29,000 churches holding revivals in this six weeks period.

Bro. Marcus Rexrode formerly of Floyd county, is pastor of the church at Haskell.

Monday night the Baptist Brotherhood meeting will have for its theme, revival preparation.

A fish fry at 7:30 will be followed by a program beginning at 8:30.

Gerald L. Snodgrass, who received bullet wounds three weeks ago has been dismissed from the St. Anthony hospital in Amarillo. Reports are that Mr. Snodgrass is in good condition but at this time is not able to walk.

Mr. and Mrs. O. A. Olson of Maybank and Mr. and Mrs. J. J. Spikes of Ralls, were Tuesday and Wednesday visitors in the O. B. Olson home. O. A. and O. B. Olson are brothers.

## A Pair Of Queens

Dazzling in their beauty...champions of competition...are this pair of queens—Yvonne Erwin of Dallas, who as Miss Texas competed in the 1954 National Beauty Contest at Atlantic City, and the All-New Case 4-plow "400" Tractor. Recently unveiled at San Antonio as the first completely new tractor in the 50 horsepower class since World War II, the Case "400" was heralded immediately for its amazing features which farmers and ranchers have only dared to hope for until now. New engines permit a wide choice of fuels, diesel, gasoline, LP Gas, distillate. There's power or mechanical steering, both with new Uni-Thrust Suspension for easy, short turning. A new Power-Range Transmission has eight forward speeds and two reverse. New mounted implements are quickly attached or unhooked with 3-point Eagle Hitch, controlled by new Duo-Valve hydraulic system that also has touch-lever down pressure to aid penetration. Already acclaimed as a dream to drive, the "400" also is proving to be a revelation in performance. And, with a new and brilliant two-tone color combination that's creating a sensation in the farm machinery industry, the "400" is truly the tractor that's styled for the farm of tomorrow.

## Recipes; Stories About America's Favorite Foods

Did you know that a knight in armor indented the first waffle quite by accident 750 years ago? Or that a soda clerk made the first ice cream sundae to beat Sunday Blue Laws? These are the fascinating stories behind two of our favorite American foods, and there are others in the March issue of Redbook magazine, where Food Editor Ruth Fairchild Pomeroy gives the history behind ten of our best-loved foods and the recipes for making them. The following are a selection from these:

"In 1868 the Union Pacific railway being built from the east and the Central Pacific from the west formed the first American coast-to-coast railway system. Their meeting point was commemorated by Leland Stanford when he drove the Golden spike that joined the rails. And, according to legend, this

is where the Western Sandwich originated. The California crew's Chinese cooks were called upon to cook for the crowd. They served their popular Egg Foo Young which the easterners, by habit, put between slices of bread. A new dish needed a name and became, logically, a Western Sandwich.

**Western Sandwich**  
2 tablespoons butter  
2 tablespoons minced green pepper  
2 tablespoons finely minced onion  
1/4 cup finely minced ham  
2 eggs, well beaten  
1 tablespoon cream  
1/2 teaspoon salt  
1/2 teaspoon pepper  
2 slices buttered bread  
Melt butter in a 6-inch skillet. Add pepper and onion. Cook over low heat until soft. Add meat. Combine eggs, cream salt, pepper. Pour into skillet. Brown lightly on one side. Put on bread and drizzle with catsup. Top with second bread slice.

"Both the pretzel and the ice-cream sundae have their beginnings in religious customs. In medieval times the monks made up bits of dough which they shaped in the attitude of folded arms in prayer. These goodies, given only to children who mastered their prayers, were a 'pretzola' or reward.

Eventually pretzola became the name for the twisted delicacies. From it came the pretzel.

"Sundaes, credited to an enterprising soda-fountain operator in Illinois, began in this century. Town fathers objected to youngsters frittering away the Sabbath sipping sodas. They outlawed sodas on the Lord's Day, and so the Sunday soda was made — consisting of everything but the charged water in the ordinary soda. This permissible sweet became a sundae. In Philadelphia they added pretzels to ice cream and made the pretzel fudge sundae.

**Pretzel Fudge Sundae**  
2 scoops vanilla ice cream  
4 tablespoons chocolate sauce  
6 small or 3 large pretzels  
Chill a sherbet glass for 10 minutes in ice-cube compartment of the refrigerator. Put ice cream in chilled glass. Top with chocolate sauce. Break pretzels in small pieces, sprinkle lavishly over the sundae.

"Waffles made their accidental appearance in the Crusade year, 1204. One Sir Giles Wimple, returning from the wars, arrived as his wife was baking oaten cakes. She dropped everything to greet him, then insisted he sit down and tell her of his adventures while

she finished her baking. Sir Giles settled himself, armor and all, on a hearth stool. His Lady looked under the baking hood and found her cake gone. She'd put it on the hearth stool; Sir Giles had imprinted it thoroughly and insisted he eat it so. Both of them were delighted with the indented cake which held droplets of butter and honey so well. The legend says that every baking day thereafter Sir Giles had to don his armor to waffle the cakes.

2 cups sifted all-purpose flour

**SOLDIER BRONC BUSTER BITES DUST 932 TIMES**

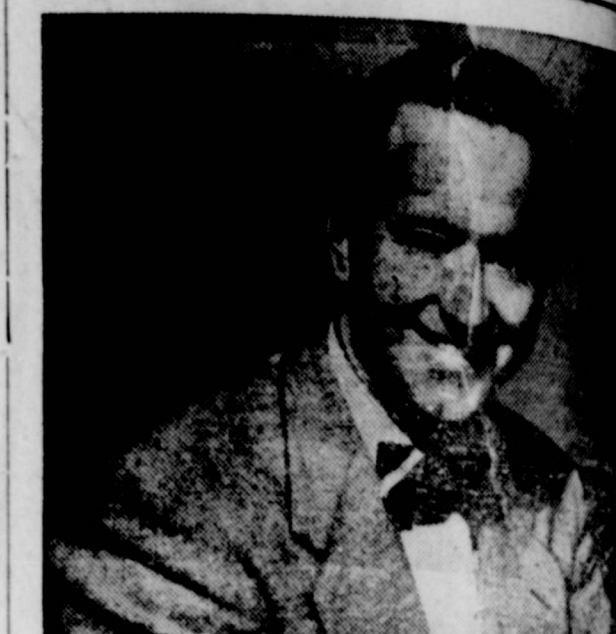

**BERLIN** — U. S. Army Private Kenneth Bryant of Arvada, Colorado, holds a record few, if any can match — he has been a bronc buster 932 times.

Bryant was a professional rider for 18 years. He is 31 years old.

The burly, bronc-buster has incurred in his career four broken ribs.

"But I've been a bronc buster and soldier since I was 12 years old."

Bryant isn't eligible for the Berlin Military Police award. He's received so many medals that he doesn't know the physical requirements.

**WELDON BRIGHT, popular radio star of KGNC says, "I have always used light Karo for cooking... and on the table."**

**it's Karo for me, the best-tasting waffle syrup of 'em all!**

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good old-fashioned Satisfyin' flavor. So rich it stands right on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts.

## Cliff Jones Begins Rapid Recovery

Cliff Jones, 12-year-old lad who was critically injured in a New Mexico auto crash the holiday week of December was released from Methodist hospital in Lubbock Monday and returned here with his aunt and uncle, Mr. and Mrs. Dorris Jones, with whom he will make his home.

Mrs. Jones said Cliff is now able to walk without assistance but will need to return to Lubbock in several weeks for plastic surgery on a finger.

She declared that Cliff is "getting along just grand" and expects to be able to make up missed school work in order to rejoin his eighth-grade classmates in September.

## News of Harmony

(By Mrs. Mather Carr)

HARMONY, March 28—Wes Carpenter was in an accident last week and received a leg injury. He was off the job at KVOP, Plainview for a few days. Mrs. Carpenter was also laid up awhile when she turned her ankle and fell on her knee. Both are fine now.

## CHRYSLER SALES CLIMB

Continuing their steady rise sales of 1955 Chryslers and Imperials for the second 10 days of March, 1955 increased more than 71 per cent over the same period a year ago, reported E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation.

"Chrysler sales are continuing the rise begun with the introduction of the new models and they are going to move upward," Braden said. "To date the factory has shipped or has firm orders from dealers for more than 112,000 units."

"Chrysler and Imperial sales records are being set because we have an outstanding product," Braden said. "Our two new V-8 engines — the 250-horsepower FirePower V-8 and the 188-horsepower Spitfire V-8 — give Chrysler and Imperial performance leadership."

"Flashing new Forward Look styling — plus the design leadership provided by fully automatic Power-Flite transmission with selector lever on the dash, double-wide-torque power brakes and full-time coaxial power steering are bringing us the greatest public acceptance in Chrysler's 31 year history."

Mr. and Mrs. Elmer Norrell and sons James Lewis and Keith, Mr. and Mrs. L. G. Norrell and Harold Norrell were visitors with relatives in Wichita Falls Sunday.

Donald Smith of Texas Tech was a week-end guest of his parents, Mr. and Mrs. M. C. Smith.

## NERVOUSNESS, INSOMNIA

In this day and age everyone moves at a faster rate. A perfectly healthy person has a hard enough time to cope with situations much less a person whose nervous system is functioning 100%.

Nervousness is usually due to a hypersensitive nervous system. A hypersensitive nerve receives normal stimuli and multiplies it. As a result of this action your body reacts more severely. Insomnia usually follows because even during sleep the person reacts to the least little noise.

Chiropractic corrects the nerve pressure which was causing the hypersensitivity. Your nerves will then return to their normal state. You will sleep better also because your nerves won't react to every little noise.

The constant strain of nervousness can run into a nervous breakdown. Avoid this. Have a spinal analysis made to see if chiropractic may help you.

### VIEWES AND COMMENT

It was pleasant, while it lasted, that dream of a four-lane highway through Floyd county. We would not attempt to hide our disappointment that the people of the county couldn't "see" it. But the voice of the people, based on the law which governs such matters, has been expressed at the polls. So far as we are concerned it is a closed incident, unless and until the contending personalities can compose their differences. The fact that some heat began to be manifest in the closing days of the campaign is indicative enough for us. When good men get together good is bound to come of it. The opposite is that if the good men can't get together no good can be accomplished.

People resist change. It is one of the elements of things about human nature. Why the Lord made us that way we don't know when change is timeless the same way that love is love, hate is hate, and water flows to the sea. It is a part of the history of Floyd County you can hardly realize at this time that the first hard-surfaced highway through the county was built against the will of a large and influential number of people, who delayed the project for years. And they may have been right. That's the thing about it. From our angle they set the county back and disrupted the natural flow of progress. From their angle it was no such thing. And so it goes, history repeating itself.

Among the objections raised last week in the road bond election, the one to which you can't find an answer comes from the dry land farmer who hasn't showed an appreciable profit in five years of farming. In some of these five years his losses have been heavy. Anything that makes more load for him to carry, big or little, just doesn't appeal. The fact is talk of more public debt makes the hackles come up on the back of his neck. Some of the other matters can be negotiated, such as the belief expressed by many at Lockney that the change would damage that business community economically. The issue lost a considerable number of votes, also, because of the wide strip proposed to be left between the lanes.

Mid-winter weather, much prevalent during the first days of the spring season, brought with it more than the usual damage to fruits and flowers. Loss estimated up to \$20,000 in damage to irrigation power plants, burst engine blocks principally, accentuates the old adage about the cry of wolf being made too often. The guardians of the sheep answer

the call until they tire. Then sleep through the genuine one. Warnings, scores of them, of cold and storms that didn't materialize, preceded the whammy that Boreas put across on the second official day of spring. The ill wind did blow a little good to a few. The dealer in anti-freeze had to dig out his stored merchandise and let the people have it. Anti-freeze sold like hot cakes for three days.

Another fancy thought comes out of the spring freeze. While the peach and apricot buds in the backyard were being burned by the bitter cold the same sharp blast was taking out millions of Chinese elm seed that won't sprout this spring in the fence row and the gardener's flower beds.

Wheat quota vote. Sometime this spring the wheat growers will be called upon to vote on wheat acreage controls for the ensuing season. It is interesting news to some of us, who haven't kept up with the matter closely that there is a possibility quotas will be voted down. At the moment it is not a thing of too much concern in this area. Wheat acreage and probable production is at an all-time low here so far as 1955 is concerned. The lack of rainfall and the presence of greenbugs in irrigated crops is effectively "controlling" wheat production this year. As to the vote for and against quotas, the cost of raising wheat, as well as other crops, has mounted so high in the west that a deep cut in the price to be received for it would result in production at a loss. But the farmers in the states roughly east of the Mississippi are barely voting a majority in the "yes" column and in two or three states the vote resulted last year in a majority in the "no" column.

Volume of wheat in storage in the hands of the Commodity Credit Corporation is reported so high that it will be a problem for at least another 10 years, if the wheat men are given enough acreage to produce what they need to make to keep operating at a profitable level. There are plenty of hungry people in the world who could use the surpluses but there are other countries in which wheat is produced who jump down the throats of our federal authorities every time it is suggested that we share food with the hungry of other lands.

Commercial rose bushes are being dipped in wax before leaving the nursery to help conserve plant moisture. Research shows this causes the young roses to grow off quicker, bloom earlier and have greater plant vigor.

### Watershed Assn Authorized For Quitaque Area

QUITAQUE—An application by farmers of a four-county area around Quitaque for federal assistance in preventing soil erosion under provisions of Public Law 566 is one of 16 in Texas which has been approved by the State Soil Conservation Board.

Official confirmation of the board's action was received in a letter to Gerald Smith, chairman of the Caprock Soil Conservation District in southeastern Briscoe County.

The letter said that the Kent Creek portion of the Upper Pease Headwater Watershed had been approved and the application forwarded to Washington to await priority.

The rich farming area around Quitaque lies just below the break-off of the high plains, where within six miles there is a drop in elevation of more than 700 feet. The greatest threat to production in the area, exceeding even that of drought, is erosion and loss of topsoil by washing and flooding from rains which fell in the hills and upper headwater regions.

For years farmers have fought erosion losses with terraces, con-

tour farming, diversion structures and other conservation methods with much of the work done at private expense. Washes from the upper headwaters frequently have done extensive damage to the conservation practices.

Meetings were held last September and an application covering an area of 100,000 acres in Briscoe, Hall, Motley and Floyd Counties submitted to the state Soil Conservation Board. The name adopted for the organization was Upper Pease Headwater Watershed Association.

## THIS IS ABOUT YOU AND YOUR TELEPHONE SERVICE

People talk more than ever over improved facilities... rural service improved

Last year, you talked more by telephone than ever before. You made an average of 25 million local calls and half a million Long Distance calls every day—about double the number of calls just ten years ago.

#### INVESTMENT, EXPENSES UP

The company took in more money — but paid out \$15 million more than in 1953 for the expenses of providing good service. This is to be expected. As more money is invested in new telephone facilities, the day-to-day costs of operating a larger system grow.

The balance of expenses against income is watched closely because only a financially sound telephone company can keep service growing to meet the needs of this and hundreds of other communities in the progressive Southwest.

#### BRIGHT PROSPECTS FOR '55

This year promises to be another good year for telephone customers. Further improvements in your service are planned. Still more homes and businesses will be added to the growing circle within reach of your telephone... making your telephone even more valuable.

Just released, the telephone company's annual report for 1954 tells the story of 58,000 Southwestern Bell people working together as a team to bring you faster service, expanded service, courteous service. Here are some of the things they did to improve your telephone service.

#### ON THE "GROWTH" FRONT

Millions of miles of wire were built into the system, most of it in the form of stormproof aerial or underground cable.

Telephones in 85 communities were changed to dial operation. More service, improved service was brought to rural areas.

At the year's end, 200,000 more telephones were in service than in 1953. More requests for private and two-party lines were filled than ever before.

#### DOLLARS AT WORK

Growth like this costs money — \$173½ million in 1954. Added to telephone payroll dollars spent locally and the taxes paid by the company, these "growth" dollars contributed much to the prosperity of each of the communities in Arkansas, Kansas, Missouri, Oklahoma and Texas served by Southwestern Bell.

Mr. and Mrs. C. W. Terry of Post spent Sunday with Mr. and Mrs. Claude Weathersbee and children. Mrs. Weathersbee is their daughter.

Mr. and Mrs. Edwin Neff and daughter went to Hereford over the week-end to visit Buddy Neff, a brother, and his little daughter Vivian. They also visited two sisters and their families who live in Hereford. Buddy's mother, Mrs. Annie T. Neff, accompanied them to Hereford to visit her children there.

Mr. and Mrs. Jackie Duke and Lana spent Sunday with Mr. and Mrs. W. H. Duke.

Mr. and Mrs. Shorty Neff and Aubrey spent Sunday with Mr. and Mrs. Adrian West.

Mr. and Mrs. Nolan Arney and Steve spent Sunday with Mrs. Arney's parents, Mr. and Mrs. J. D. Welborn.

Gene Miller left Friday morning for Chanute Field, Champaign, Illinois, where he was transferred from Park Field, California.

Mr. and Mrs. D. M. Moore spent Sunday with Mr. and Mrs. Dick Nichols and Billy. It was Mrs. Moore's birthday. Mr. and Mrs. R. L. Nichols of Lakeview community were also guests for the lovely birthday dinner.

Mr. and Mrs. Wayne Collins and Mr. and Mrs. Jack Stansell attended the home show in Amarillo on Sunday.

Mr. and Mrs. Red Gregory spent the week-end in Quanah with Mrs. Gregory's sister, Mr. and Mrs. DeGraham. Red said he went fishing at Lake Pauline but he guessed it was too cold for the fish to bite — anyway he didn't catch any.

Mrs. Mona Purvis and children visited last week with the R. C. Rainers. Mrs. Purvis is Mrs. Rainer's sister. She was enroute to San Francisco, California, where they are moving from Little Rock, Arkansas.

Electronic Range Demonstrated  
A "Radarange" electronic oven specifically designed for commercial use was put through its paces by representatives of Raytheon Manufacturing Company at a demonstra-

tion at a New York restaurant December 6. An 18-pound roast of beef was cooked medium rare, brown and sizzling on the surface, in 40 minutes flat at a recent demonstration of cooking by radar waves, in an oven which nothing heats but the food itself.

A chicken was roasted in 9 minutes, an apple pie was baked in six minutes, steaks were done to perfection in one minute, and other foods were cooked in proportionately short times. The walls of the oven remained cold and the utensils were removed with the bare hands since the glass or metal containers absorb no microwaves and, therefore, no heat is generated in them.

Restaurant operators who have purchased the new electronic cooking device testified to its speed and versatility. Using the "Radarange" oven for primary cooking, defrosting, and reheating, they have achieved much greater control of food quality and food and labor costs. Because microwave heating causes little or no dehydration at the surface, as in conventional cooking, pre-cooked foods, held refrigerated until ordered, may be rapidly reheated without loss of original flavor and appearance. Some restaurateurs, by using this new pre-cook-reheat technique, have leveled out peak work loads in the kitchen, increasing labor efficiency.

Since microwave cooking does not require food to be cooked from the surface, with subsequent charring, smoke, and fumes, the electronic oven is an exceptionally clean, and cool piece of kitchen equipment.

In electronic cooking, high frequency radio energy known as microwaves (similar to those generated by radar) penetrates the food to a depth of about two and one-half inches. As it penetrates, it sets up molecular friction deep within the food, which in turn creates heat. This eliminates the need for time-consuming conduction.

No physical change takes place in the food, except the normal changes caused by heat. The only heat present is in the food itself. Immediately upon opening the oven door, the chef may reach in with bare hands and remove the platters and pans. He may place his hands on the walls of the oven which are cold. Since the stainless steel interior of the oven never gets hot, food spillings and splatterings are not "baked on" as in conventional ovens and can be kept clean with only a damp cloth or a little mild soap and water.

Be sure and remember to circle April 23 on your calendar so you will not forget to attend the annual meeting. It will be held on Saturday, April 23, at the Floydada high school.

Each director named a couple from his district to serve on the annual meeting planning committee and to make plans for this meeting. The members on this Committee are:

Mr. and Mrs. Gerald Lackey, Mr. and Mrs. Bill McNeill, Mr. and Mrs. Chloia Williams, Mr. and Mrs. L. V. Brittain, Mr. and Mrs. Joe Foster, Mr. and Mrs. Ray Lloyd and Mr. and Mrs. John Burrows.

A good program is being planned and I'm sure it will be a most enjoyable day.

### Dougherty News

(By Mrs. Bill Smith)

DOUGHERTY, March 28—We wonder if just about everything didn't suffer from this spring season's winter weather. Especially irrigation motors and people!

Mrs. F. M. Covington returned home with her sister, Mrs. Ruby Shoemaker of Albuquerque, New Mexico, for a visit.

Mr. and Mrs. R. D. Holly were Sunday visitors in Roaring Springs with friends and relatives.

Mr. and Mrs. G. W. Smith and family were Saturday night guests of Mr. and Mrs. Ray Lloyd.

Visitors of Mr. and Mrs. Ned Bradley Friday were Mrs. Bradley's sister, Mrs. Floyd Millican and Mr. Millican of Hale Center.

Mr. and Mrs. Johnny Cates visited the Maurice Campbells on Sunday night.

Mrs. Howard Drysdale left yesterday for Springfield, Missouri, via air, to be at the bedside of a cousin who is to undergo major surgery. Mrs. Drysdale is scheduled to return home April 5. Tom and Dan are to visit with their cousin, Mr. and Mrs. O. G. Glassmoyer, while their mother is away.

Cliff Jones returned to the home of Mr. and Mrs. Dorris Jones on Monday from the Methodist hospital after spending three months and nine days in three different hospitals. This step forward is something all of us have looked forward to as much as Cliff. He is making marvelous improvement and receiving dental fittings this week.

Sunday guests of Mr. and Mrs. Bill Smith were Mr. and Mrs. Lynn Miller and family, Mr. and Mrs. G. W. Smith and Freida, Mr. and Mrs. Arlon Miller and children and Weldon Kirk.

Mr. and Mrs. Ned Bradley and Mrs. Maude Bradley returned to Lubbock last week where the elder Mrs. Bradley had further X-rays for the broken hip from which she

is convalescing.

Mrs. Jim Harper and Mrs. Maurice Campbell, Jeannie and the baby, returned to West Texas hospital Thursday where young Kim Jana received her first regular check-up.

Mr. and Mrs. W. M. Summerlin of Paramount, California, have returned from visiting down-state with other relatives and are now house guests of Mr. and Mrs. C. R. Woodson.

Mrs. H. N. Powell was in Lubbock and Petersburg Friday and Saturday.

Robert Ward and Linda Sue Bullock were married Saturday afternoon in Matador. Robert is the son of Mr. and Mrs. Mac Ward of this community and Sue is the daughter of Mr. and Mrs. Cullen Bullock of Floydada. We would like to extend congratulations and best wishes to this young couple.

Mr. and Mrs. Jim Morrison and Mrs. Harlan Cage and Neta Beth spent the week-end in Midland as guests of their son and brother Billie Morrison and family.

Troy McNeill and Hubert Ring of Tech visited their parents, Mr. and Mrs. Bill McNeill and Mr. and Mrs. Claud Ring during the week-end.

Mr. and Mrs. C. A. Caffee attended the funeral of an uncle D. M. Grimsley at Hedley on Sunday afternoon.

Mr. and Mrs. Bill Poole were Sunday afternoon visitors in the Jack Ross home.

Mrs. Joy Ward, Cindy and Tim left Thursday by train for San Diego, California, to visit her brother who had major surgery and was quite ill.

Mr. and Mrs. Claude Ring and Sue visited Mr. Ring's mother at Quanah Saturday and Sunday.

Mr. and Mrs. J. T. Poole and Mr. and Mrs. Kenneth Poole and Lance visited in Wichita Falls Sunday with Mrs. J. T. Pooles sister Mrs. Dora Daves.

Mr. and Mrs. M. C. Smith, Donald and Kenneth were week-end guests of Mr. and Mrs. R. H. Smith in Rule, Texas.

Mrs. Alma Holmes and Mrs. W. D. Newell attended the sixth annual Writers Round-Up in Amarillo Monday. High light for the day was a talk given by Rita Naylor, director-manager of the Naylor Publishing House.

### Son of Floydada Couple, In Service, Cited for Heroism

Lieutenant Commander Robert Louis Lawlis, son of Mr. and Mrs. L. P. Lawlis, and brother of Mrs. A. L. Wylie, Jr., of Floydada has been presented the coveted Commandant's Citation Coast Guard Commendation Ribbon and Commendation Medal pendant for his meritorious performance of duty on October 24, 1953.

Commander Lawlis, while serving as pilot of a Coast Guard helicopter, engaged in the rescue of four survivors of a plane crash in the mountains near Morgan Hill, California.

Displaying expert airmanship, the commander made 14 passes over the crash scene under conditions of fog and darkness with only a helicopter landing light.

The citation recites that Cmdr. Lawlis demonstrated expert airmanship in the rescue. While hovering over the scene of the disaster he lowered his copilot by hoist for the purpose of contacting the survivors and guiding to the scene a search party on the way up the mountain. Shortly afterward he hoisted two of the survivors aboard and departed the scene while the other two were brought out by the ground party.

Lt. Cmdr. Lawlis is now stationed at the Coast Guard Air Station, Salem, Massachusetts, and resides at 24 McArthur avenue, Danvers with his wife and their three children, two sons and a daughter.

## "MY ELECTRIC CLOTHES DRYER IRONED OUT MY IRONING PROBLEMS!"

The world's greatest wife saver — that's an electric clothes dryer. Stops lifting and lugging, cuts ironing time in half. See a demonstration at your Reddy Kilowatt Dealer.

says Mrs. C. T. Shropshire, 4503 West Third, Amarillo, Texas

"The dryer changed my method of buying clothes for my five children. Now, I just buy the kind of materials which need no ironing."  
"I remove the clothes from the dryer before they are completely dried out, and hang them on a hanger. They need no ironing, as all the wrinkles fall right out."  
Any time you can save ironing time is a good time, especially when you have five children, and want to spend as much time with them as you can. Try the convenience of electric clothes drying and reap the dividend Mrs. Shropshire enjoys — more time with her family.

Will buoy me on with hope.  
I recall Effie's hands, capable and  
always busy for others she loved.  
Her ready wit that made us all  
laugh.  
Should you go first and I remain  
To finish with the scroll  
No length'ning shadows shall  
creep in  
To make this life seem droll.  
We've known so much of hap-

We've had our cup of joy;  
Ah, memory is one gift of God  
That death cannot destroy.  
Sweet memories you have to keep  
your heart warm, dear Eli. Precious  
ever lingering memories.

Should you go first and I remain  
One thing I'd have you do;  
Walk slowly down the path of  
death.  
For soon I'll follow you.  
I'll want to know each step you

That I may walk the same.  
For some day down that lonely

It is very cold this Saturday  
morning as I write this column.  
Makes me want to get out and drive  
the car around for miles just to feel  
the good warmth of the modern  
cars. Remember how the curtains  
flopped in and out of the first cars,  
let in the cold, your feet freezing  
and your hands almost too cold to  
hold the steering wheel. No comfort,  
but the trip was over quicker than  
the horse and buggy days. Then  
came the glass-enclosed cars, warm-  
er but still not very comfortable.  
Now you turn on just the amount  
of heat you want and back in sweet  
comfort as you drive. With this and  
my electric blanket I could almost  
hope winter would keep on, but I  
begin to measure the happiness  
summer brings and this cold weather  
will be enough for me this year.

### Sand Hill News

(By Mrs. James Jeffress)  
SAND HILL, March 28—The  
norther that blew in Friday morn-  
ing really cooled things off. Quite  
a few in the community were con-  
cerned about the young barley  
Looks like it might be bit back a  
little.  
Mr. and Mrs. J. T. Spears were  
the guests in the home of Mr. and  
Mrs. C. B. Carmack Thursday night  
in Floydada.

few days this week from Lubbock.  
Her mother, Mrs. E. H. Foerster,  
was here with her. It was reported  
that Donna was improving but  
would have to remain in the hospi-  
tal the full four weeks. She has been  
enjoying the gifts and cards from  
all her friends.  
Miss Carol Slater of Ralls spent  
the week-end visiting in the home  
of Miss Jo Ann Swanner.  
Betty and Sharon Randell of  
Plainview spent the week-end visit-  
ing in the home of their grandpar-  
ents, Mr. and Mrs. W. R. Billington.  
Mr. and Mrs. James Jeffress and  
family made a business trip to  
Amarillo over the week-end. While  
there they visited in the home of  
Mr. and Mrs. John McCain and  
family. They returned by way of  
Palo Duro Canyon and the Plains  
Museum in Canyon.  
Billie Carmack was home over  
the week-end from McMurry col-  
lege visiting his parents, Mr. and  
Mrs. C. B. Carmack who now live in  
Floydada.  
It was announced at church Sun-  
day night that all the young people  
would have dinner in the home of  
Mr. and Mrs. M. B. Swanner next

### Watch Dogs Of The Tax Dollars

One important item to every Texan is the make-up and operation of the 54th Legislature's finance committees—that body of senators or representatives who make appropriations and spend the taxpayers' dollars.

As Commissioner of Agriculture, I have been very much impressed this year by the constructive attitude of these committee members. Dividing up state money among the various agencies is a tremendous chore for those people. They sit in conference hour after hour, day after day, listening to people who come in on an average of every half hour wanting money for their particular project or group.

It is a man-killing job. Certainly, after only a few days of hearing the same arguments over and over, the senses can become dulled to the point that any decision is a strain.

Under the circumstances, I was surprised and extremely pleased with my hearing before Sen. William Shireman of Corpus Christi recently. As a subcommittee chairman of the Senate Finance Committee, Sen. Shireman proved to be so interested and so effective in his suggestions that I believe it was the finest hearing I have ever had in the past four years.

When I came before the House Committee, I was the last member of state executive branches to appear. Those men were dog-tired. They had listened to hundreds of thousands of words concerning millions of dollars.

They knew that as soon as I had finished, they could relax these hearings and go about other legislative tasks. But they sat there and gave me all the time I wanted. They discussed my appropriations bill and asked me searching questions about it.

I was extremely pleased when I left. That does not mean that the

Texas Department of Agriculture got all the money requested. It did NOT. But on those items they refused to approve, I felt I had received a fair hearing on them, and that the members understood what I wanted.

In their refusal, I also felt like the members knew enough about the bills to feel justified in turning them down. I could not ask anything more than that—and the members are to be complimented on their fairness.

A member of the Legislature can come to Austin, sit at his desk and vote when told to vote and still draw his pay without undue effort. This is not the procedure of the various agencies in this session. They are working day and night—and they don't get paid a cent more than if they just took life easy.

To me, it proves that the democratic form of government is not dead among the individual members of our House and Senate.

Dr. W. M. Tidwell of Chattanooga, Tennessee, will conduct the services. Dr. Tidwell is a noted evangelist of wide reputation as a gospel preacher. He pastored one church 37 years, and had as high as 500 men in his mid-week prayer meetings.

Rev. Wood said the public is urged to hear Dr. Tidwell while he is in Floydada.

### LIBRARY NEWS

(Mrs. Lee C. Golightly)

Approximately 90 fourth grade students from Andrews ward school, accompanied by their teachers, Mrs. J. W. Reue, Mrs. Ethel French, and Miss Frances Mitchell, visited the library March 24.

The purpose of the visit was to

better acquaint the pupils with the library and how to use the card catalogue.

Books were not checked out to the pupils during the visit, but after school the library was simply alive with fourth grade children hunting good books to read. The visit also resulted in several new borrowers' cards being filled out and signed by the parents of these students.

Visiting in the library this week will be Mrs. Margaret Springer, Miss Vera Meredith and Mrs. Hal Thomas with more than 100 third grade pupils. It's a real joy having our school children visit the library. Somewhere in this week's paper will be printed the rules for the "Use Your Library" contest, sponsored by the Andrews Ward P-TA. This county-wide contest begins April 4 and continues through April 29.

Books made ready for circulation this week include 7 volumes of "Young Folks Bible Library", several volumes of "Short Stories by Guy De Maupassant", and 8 volumes of "The Yearbook of Agriculture."

In spite of the cold weather, a large group of children enjoyed story hour Saturday morning. Mrs. Carl Minor, jr., told Raggedy Andy stories, and then played games with the children. The favorite game was "Fruit Basket Turn Over." Don't forget, kiddies, story hour is every Saturday morning from 10 to 11 o'clock.

Mr. and Mrs. J. W. Day and Cindy Helen have given a book to the library in memory of Dr. C. M. Thacker.

Advertise for it in Hesperian.

Mrs. Kenneth Aerts, the former Ruth Stewart, left Sunday morning for Oakland, California, where she will join her husband. He is stationed there with the U.S. Marine Corps. Mrs. Aerts has been here since early February visiting her parents, Mr. and Mrs. L. B. Stewart and other relatives.

## Warns of Rats, And Flies For Health Safety

AUSTIN, March 31—Environmental sanitation is the public health term for clean, safe house-keeping whether it applies to a private home and its surroundings or to towns and cities. Among other things, it insures safe drinking water, proper garbage and sewage disposal, the safe service of wholesome food including milk, rat and insect control, and general cleanliness of the premises. However, for environmental sanitation to be effective, it is essential that not only public health officials but the citizens living in their respective homes or operating establishments serving the public cooperate wholeheartedly, declared Dr. Henry A. Holle, State Health Officer.

"Consider, for example, the seasonal housing hazard. It has been determined that 12 eggs are laid by a single female at one time and that a generation is produced every ten days at summer temperature. Thus, the possibility of reproduction during the warm months of a single fly runs into many millions. While the housefly does not bite, it is dangerous because it breeds and feeds upon both filth and food.

"Again, rats are the source of several diseases of man including plague, typhus fever, infectious jaundice, and trichinosis, to mention some of the more important ones. Homes can be made comparatively ratproof by removing rubbish and garbage accumulations, and by closing avenues of access. Approved poisons and traps should be employed when a real problem presents itself.

"Removal of containers of stagnant water such as tin cans and barrels will do much to eliminate the mosquito for householders. The householder needs to devote more seasonal attention to mosquito eradication than he is today if this is to be properly controlled.

"In general, good and thorough housekeeping, inside and out, is the personal and civic duty of every home dweller. It not only adds to the pleasure of living and removes disease hazards, but increases the appearance of one's surroundings."

## South Plains News

(By Mrs. Murray Julian)

SOUTH PLAINS, March 28—"Tilson the Magician" will be presented at the South Plains auditorium on Tuesday night, March 29. There will be a pre-supper in connection with the performance, and the proceeds will go toward a graduation trip for the 8th grade pupils at the close of the school year.

Friday at the South Plains school, Superintendent of Schools Clarence Guffee and the county nurse visited the three rooms and all the children underwent a health examination. Several of the children were found to need glasses, and other children need medical attention.

Visiting at Mrs. L. T. Woods' home on Friday afternoon of last week were Mesdames Bryan Karr, Bill Beedy, Murray Julian, Raymond Upton and Grigsby Milton.

Ernest Smitherman as scoutmaster, and Arby Mulder as assistant, met with their group of scouts on Thursday at the school house recreation room. They recently reorganized. We are proud to have men in the community who will take on the big task of carrying on scout work. They will meet every Thursday night, and are planning on a trip to Camp Haynes as soon as the weather permits. Every scout is working hard to make up for the past months when there was no scoutmaster.

Mr. and Mrs. George Weast and Mr. and Mrs. Frank McClure arrived home on Wednesday evening. They had spent last Saturday in McAllen, where they had dinner at noon, spent the day visiting with Mr. and Mrs. Bill Harper, formerly of South Plains. The Weasts went to Amarillo on Thursday to visit with Mr. and Mrs. E. T. Evans.

Mr. and Mrs. H. S. Calahan, jr., Vicki, Diane and Cathy, went to visit with Mr. and Mrs. Hilburn Casey, of Lockney on Sunday after church, enjoying dinner and the afternoon there.

Mr. and Mrs. Hub Austin, and Gary, of Borger, were visiting his sister, Mr. and Mrs. Sim Reeves and family on Friday night.

Tuesday the men at the Baptist church hope to complete the septic tank work. Cold weather slowed down the work at the parsonage last week, and now with windows to clean and the finishing wax to be put on the floors, there is not much to do besides the porches to be built.

**Welcome New Families**  
We are glad to welcome Mr. and Mrs. Widener and girls into our church and community life at South Plains. A family consisting of Mr. and Mrs. Widener and their four children have moved here during the past year including the Roy Bledsoes, J. C. Castles, Gene Hopper, R. C. Bailey, and Thos. Pierce families, are filling important places in our vicinity, as Roy Bledsoe is with the cub scouts.

**Good Community Meeting**  
The South Plains Community club had a good attendance on Friday night despite the cold weather. About 24 played games of "42" and many others entertained the different groups of children, teen ages and those similar, each having leaders. Mrs. J. B. Smitherman was in charge of the program. Mrs. Bill Beedy will have the next meeting which will be on April 29. At the close of the meeting the club ladies served dream pies, coffee and punch for the children.

R. G. Dunlap left for California last Wednesday morning to spend several days visiting with his relatives who live in various cities on the California coast.

Mr. and Mrs. Sim Reeves had their son, Jack Reeves, home over the week-end from Roswell, New Mexico. On Sunday another son, Raymond, also had dinner with his parents. On Friday Mr. and Mrs. Raymond Reeves, and Mrs. Sim Reeves went to Lubbock where they spent the day shopping and attending to some business matters.

Mr. and Mrs. Rex Smitherman, Bryn and Kelly, went home with Mr. and Mrs. Garvin Beedy, Larry and Rise, after church on Sunday morning, enjoying dinner and the afternoon with them.

**PIA To Meet Friday**  
P-TA will meet on Friday, April 1, at 8 p. m. at the school auditorium with main speaker of the evening, John Stapleton, Floydada, bringing a talk on "Promote the General Welfare" through directed reading. There will be special numbers by Mrs. Ray Smith's room of 3rd 4th and 5th grades. Every parent should make a special effort to come, for those rooms with the most parents present will insure a prize for that room. Mrs. Smith's room has taken the prize for the last two months.

Mr. and Mrs. Edgar C. Hays, from Lockney, and Mr. and Mrs. David Garlington, from the vicinity of Abilene, were guests in the home of Mr. and Mrs. Grigsby Milton and family on Sunday afternoon. Katherine Mulder was also a guest there. A G.A. and R.A. meeting at the Calvary Baptist church in Floydada was held last Thursday night with

several attending from here. Our minister's wife, Mrs. Larry Faus spoke on, "Focus on the Future" and there was a recreation period following, with refreshments at the close of the evening. Those who went from here were Rev. and Mrs. Larry Faus, Virginia Taylor, Donita Milton, Juanel Wood and June Marble.

Mr. and Mrs. Homer Holden and girls and Mr. and Mrs. Leonard Harper, both from Plainview, were guests on Tuesday night at the home of Mr. and Mrs. Skeet Thornton.

Tuesday night, March 22, the Community club and the Home Demonstration club of South Plains prepared and served the banquet for the Chamber of Commerce in Floydada. Many of the ladies spent most of the day at the VFW hall, where the banquet was served, preparing the food, and getting the tables ready. Approximately 268 plates were served, and there was splendid cooperation, with several husbands coming to the aid of the ladies during the evening.

On Monday evening of this week the Cub Scouts with their den mothers, Mrs. Parks and Mrs. S. Calahan and Roy Bledsoe, acting as King Arthur, presented Knights of the Round Table, with scouts Gary Wilson, Bruce Julian, Bill Bledsoe, Johnny Calahan, Bud Higginbotham, Dale West, Dennis Deavenport, J. Frank Parks, Dwight Teeple and

ana Mr. and Mrs. Don Shurbet of South Plains, in honor of Travis Young, who has been home from the army camp at El Paso, and will soon leave for Washington, and a new assignment. He was to leave on Sunday afternoon and the Don Shurbets and Deral Youngs were taking him back to El Paso, so they could bring his car home. Mrs. R. E. Young visited in the home of Mr. and Mrs. Grigsby Milton on Monday.

Mr. and Mrs. Arby Mulder and children were hosts on Sunday to Mr. and Mrs. Murray Julian and Bruce who came home with them from church and enjoyed dinner and the afternoon in their new home. Other guests were Mr. and Mrs. Wayland Fitzgerald, from Rock Creek, and Mr. and Mrs. Pete Land from Clarendon, who visited during the afternoon. For supper, guests from Floydada were Mr. and Mrs. O'Dell Mulder and Patricia, who spent the evening with them.

On Monday evening of this week the Chamber of Commerce presented a program featuring family economics and the new agent, Mrs. Brummett, was introduced. Mrs. West brought the devotional, and roll

Pat Bailey, taking part in the program. Several scouts received recognition for work they had performed, and it was a very enjoyable evening. The club had made all their swords and their costumes, and each parent did not present a nice evening. Remember the last Monday in each month is cub scout night, and also remember the leaders who work so hard to make these things successful.

At the Floyd Baptist Worker's conference in Floydada on Thursday, March 24, there were some wonderful speakers, including our minister in South Plains, Rev. Larry Faus, and others, with theme for the meeting, "Preparing for a Church Revival." A delicious dinner was served at noon to all present by the Floydada church. Attending from here, were Rev. and Mrs. Larry Faus, Vassie Beth, Mrs. H. B. Calahan, jr., Vicki, Diane and Cathy and Mrs. Murray Julian.

**Demonstration Club Meeting**  
March 23, Wednesday, was meeting day for the Home Demonstration club, and hostesses were Mrs. John Smitherman and Mrs. Roy Bledsoe, at the Smitherman home. Program featured family economics and the new agent, Mrs. Brummett, was introduced. Mrs. West brought the devotional, and roll
