this week. Elder Freeman is preaching series of gospel sermons at Wall Street Church of Christ.

CARD OF THANKS -We gratefully acknowledge the sympathy and kindness of our

friends who have been a great comfort to us in our bereavement The John Lewis family

bride, given in marriage by In the division of "Best Dresses" Methodist Sunday School had a

her father, was attired in a floor length white Chantilly lace gown with fitted bodice and long sleeves. She carried a white Bible topped with white carnations bordered by stephanotis and white satin ribbon streamers tied in lover knots. The nger-tip silk illusion veil was atached to a Juliette lace cap with seed pearls and sequins.

For the traditional something old, the bride carried a handkerchief belonging to Mrs. Brice Allen which was 54 years old. For something new, her wedding attire, for something borrowed she wore her mother's pearl ear-rings, for something blue, a blue garter, a gift from Patsy Johnson

Following the ceremony a recepion was given in the home of the bride's parents. Guests were greeted at the door by the bride and bridegroom, and their parents, Mr. and Mrs. Wayne Russell and Mr. and Mrs. Alpha Boothe.

The serving table was laid with white lace and centered with pink and white carnations. The three iered cake topped with a bride and bridegroom and wedding bells was served by Wanda Holcomb. Pink emonade was served by Mrs. Gary Iaughlin of Hobbs, N. M.

Mrs. Clarence Messemer of Locky was at the bride's register.

Others assisting in the reception vere Mrs. Flora McNeill, Eudora Holcomb and Mrs. Susie Posey. Guests came from Hobbs, N. M. Lubbock, Brownfield, Anton, Roaring Springs, Crosbyton and Floyd-

For her going away attire the bride wore a black boxed suit of nylon and wool with mauve accesories

on the air of a country club. Aggressive management, with the intent to make the country club a thing of beauty and a joy forever, is getting the backing of the large majority of their members. Some of the members, we suspect, do not get the idea of a country club. They want to save their money, which is all right. But a country club is a spending organization. It spends for recreation. To those who do not feel the need the spending is a waste of money. They, of course, are not too happy over a big clubhouse budget, a big maintenance budget for golf course and greens, and other playgrounds. Fortunately Floydada Country Club has a \$50,000 lead on most clubs in West Texas. This big lead consists of the terrain itself. The rest of it you have to put there with money and work and planning.

Need a Good Rain. Many a Floyd County field of forage feed ought to have a good slow rain this week. Even in the area around Floydada the crop shows the need of moisture. A two and 4-tenths inch rain that falls in 23 minutes doesn't get the job done, unfortunately. It doesn't get a chance to go into the ground. A tremendous feed crop would be much more tremendous-er. Perhaps the word that all the speech makers and story writers are "hipped on" at the moment-"fabulous"- would best describe the kind of a crop that we want. A crop so big that like Mr. Carter's oats, it could not be stacked on the ground it grew upon. _0_

Oh, For 20 Days. That's what the cotton growers are thinking as their cotton loads up with squares and blooms but, snail-like it seems, does not go ahead and put mature bolls on the stalks. Our high allowances for trades are based on higher volume (Mercury sales are breaking all records). Our terms have never been easier (tailored to fit any budget). And remember-Mercury prices start below 13 models in the low-price field.* So why settle for a smaller, less powerful car when it's so easy to own this big 188-horsepower Mercury? Stop in and hear our offer today.

*Based on comparison of manufacturers' suggested list or factory retail prices, using a Mercury Custom 2-door Sedan.

SEE WHAT YOU GET WHEN YOU MOVE UP TO MERCURY

- · Exclusive styling. Mercury's beauty is fresh, distinctive-shared by no other car.
- A bigger car all over. Far bigger than 'low-price'' cars-in length, width and wheelbase.
- Super power and torque. The lowest cost Mercury (the 188-horsepower Custom shown above) is the most powerful car at its price. And you get 198 horsepower in the Montclair series. This is usable power (torque)—and it's up as much as 30% in all speed ranges

for brilliant new pickup and passing power.

• Extra luxury. Instead of ordinary upholsteries, you get special fabrics, patterns and color combinations.

• Extra-value features at no extra cost. Dual exhausts on 8 out of 11 models, 4 barrel carburetors, new anti-fouling spark plugs, ball-joint front suspension-and many others.

• High future trade-in value. Mercury consistently leads its field for resale value.
