Whirlies Strain To Work Out Scoring Punch Friday Night

The Whirlwind football team will travel to Abernathy tomorrow night to take on the fast stepping Antelopes of that city. The locals are regarded as at least three or four touchdown underdogs in this important district game.

Coach Royal James' Antelopes comprise the highest scoring machine in district 5AA having rolled up 186 points against 6 opponents and allowing them but 40 points in these outings.

The Abernathy boys have disposed of Olton 13-0, Tulla 45-6, Sunday 27-0, Muleshoe 34-7, Post 33-13, and are undefeated. Their only conference game being with Post last Friday.

Coach Watson's Whirlwinds on the other hand have won 2, lost 2 and tied 2 in their schedule thus far. The 'Winds have been shut out in three of their games, two of these being scoreless ties. Floydada does boast a good defensive record having allowed only three touchdowns to date to six opponents.

Must Convince Scoring Punch
This week the Whirlwind coaches and their charges are working long and hard to try and come up with some offensive punch. Blocking, timing, and correct execution of plays have kept the boys overtime several evenings.

Early this week several more of the boys were back in harness for the scrimmage sessions and it appeared the team would be in better shape for the game than they had been since playing Ralls four weeks ago. Laron Fulton, J. E. Waller, and Don Colley were again seeing action in the backfield and several of the linemen who had been on the ailing list were looking better.

Scouts report the Abernathy team to be a dangerous one in every department. The Antelopes are expected to have the best offensive the locals have met so far this season. They are well balanced and sharp with both their running and passing game. Their team is not unusually heavy but has weight evenly distributed with a 170-pound line and a 160-pound average in the backfield.

Abernathy Starters
A favorite line up of the Antelopes has been with Joe Smith, 163, and Many Connell, 162, at ends. Jesse Ramos, 165, and Larry Monk, 182, at tackles; Donne Apperson, 150, and Dwain Reeves, 170, at guards; Leon Manley, 175, center. In the backfield, Fred Apperson, 160, quarterback; Billy Gist, 160, and Roy Sons, 160, at halves; and Kenneth Jordan, 158, at fullback.

Many Connell is a standout at his left end position and is an unusual pass receiver. Larry Monk is a rock in the line at his left tackle position. Fred Apperson quarterbacks the team well and likes to run with the ball on keeper plays. He is also a fine passer. Roy Sons runs the fast stuff from his left halfback slot. The Antelopes operate mainly from the T and winged T formations and like to run wide as well as down the middle.

X-Ray Unit Dates Are December 7-8

Dec. 7 and 8 are the dates set for the free chest X-Ray Survey in Floydada it was announced this week. Mrs. Virgie H. Shaw of Floydada was appointed General Survey Chairman.

Phillip Gauss Jr., of the Texas Health Department met with local citizens and members of the Chamber of Commerce Health and Safety Committee on Thursday and set the December dates, when the X-Ray unit will move into Floydada.

Every person 15 years and older is entitled to a free chest X-Ray through the Texas Health Department's Mobile X-Ray Service. The X-Ray Unit can process over 1,000 X-Rays per day.

The location of the unit while in Floydada has not been set.

What the so far punchless Whirlwinds can cook up to offset the power of the Antelopes will be well worth the drive to Abernathy to see. Local fans feel it will take several touchdowns to beat the 'Lopes and know the 'Winds will have to be right if they are to stay on the field with Coach James' charges.

200 Religious Census Takers Will Cover City's Area Sunday

Several church congregations of Floydada, under the leadership of the Floydada Ministerial Fellowship are laying plans to initiate and complete a church relations census of the community on Sunday afternoon, Oct. 30.

Dr. R. Earl Allen, chairman of the ministerial organization, said this week that a group of approximately 200 persons will gather at the First Christian church and will be dispersed from that point to cover assigned areas of the community in what is expected to be the most complete religious survey ever conducted here.

Learn Spanish In Night Study

George Bickly, Dan Hagood and Don Grossman, local business people are among the students who are studying to learn spoken Spanish in twice-a-week night school at Almon school house.

The school was arranged at Almon by Marvin Shurbet, J. R. deCordova and others in the area in the hope of improving their relations with latin Americans who are working there.

A class of 50 was filled early and later applicants turned down. Several other Floydada business people, who wanted to attend the night school, applied too late.

A professor out of Texas Technological College is teaching the course. How to communicate with the Mexicans to give directions in the conduct of farming operations is the objective of farm operators who are attending the school, while the retailers want to increase their Spanish vocabulary in order to sell better.

"What is this called in Spanish?" was one of the first expressions the night school students learned. This gives them a chance to learn words from the Mexicans in their daily contacts, said Dan Hagood.

The students at the school also are studying to read and write in Spanish incidentally. The main objective, however, is to solve the practical problems of communication, Hagood said.

Fair Warm Days Bring Good Cotton Weather

WANTON DAMAGE TO CARS

Five automobiles, belonging to local owners, were damaged by thrown rocks, Coke bottles and kicks by heavy shoes Friday night of last week during the progress of the Floydada - Slaton football game at Wester Stadium.

All of the cars were parked in the stadium grounds, most of them in the shadow of the west stands, owners reported. Kearney Edmiston, Cliff Ware, N. W. Williams, Bob Copeland and Gene M. Collins were owners of the cars which went to the body shops the following day to have more or less serious damage repaired. Window glass was found shattered when the owners returned to their cars after the game. Light of day the next morning also discovered body damage from blows, apparently from heavy feet.

In one car a rock was found that fitted the shatter in a back window and Coke stains on one more of the others indicated that bottles had been used.

Prospect Gets Better

Meanwhile cotton has been progressing wonderfully in all areas according to report. Every day the killing freeze is delayed adds to the prospect out in the fields. At that a quick freeze this week would ruin thousands of bales.

This week occasional reports of frost damage to cotton have already begun to come in. The areas affected are in spotted parts of fields, apparently with no definite pattern—a stalk or spot here and there. This, however, is not general.

Lane Decker this week said he had a field where considerable killing had been done by the frost with adjacent cotton fields apparently not affected. Other sporadic reports of the same kind come from other communities.

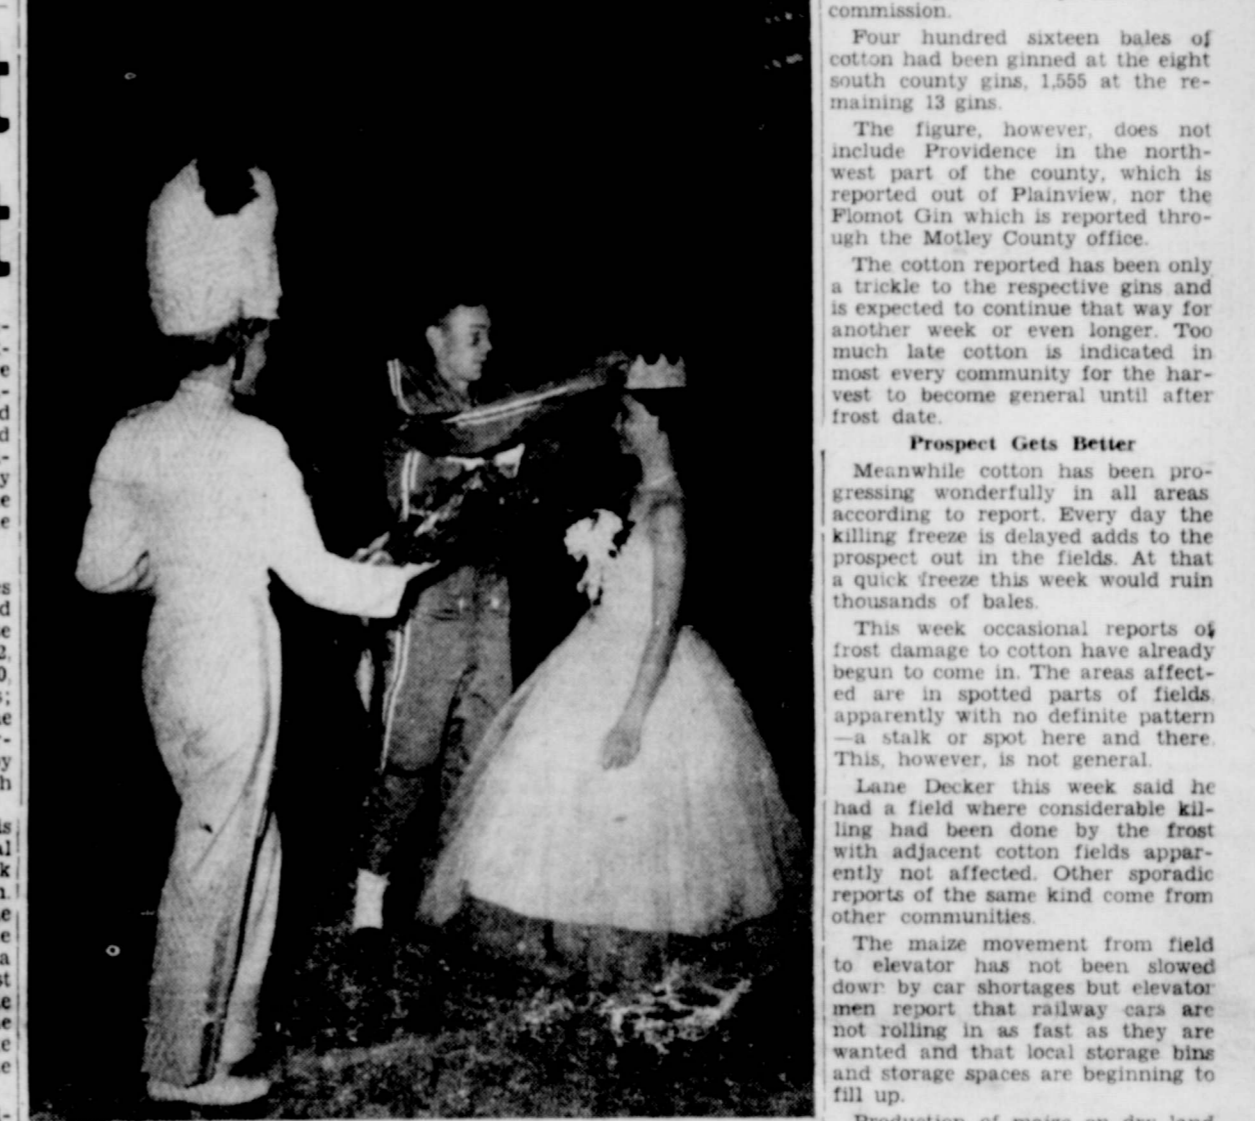

The maize movement from field to elevator has not been slowed down by car shortages but elevator men report that railway cars are not rolling in as fast as they are wanted and that local storage bins and storage spaces are beginning to fill up.

Production of maize on dry land fields has been quite disappointing for the most part, yields running as low as 50 per cent of the expected figures. Generally the irrigated fields have averaged out about with former years.

Loss from rain damage is still speculative in fields where sucker crops have started. Sprouting and discoloration have not caused as severe a price loss as was anticipated.

Moisture content was making CCC loan maize more general this week and a considerable per centage of the crop is going into the loan.

Truckers are enjoying a huge business as demand down-state continues to make a favorable market for maize for feed lots.

Crowning the Queen was a pretty ceremony at half-time at the Home-Coming game last Friday night. Looking on is drum majorette Cheryl Crawford, as FHS Football tri-captain J. E. Waller fits the crown to the queenly head of cheer leader and Football Queen Linda Gayle Clark.

Group Visions Week-End Center For Migrant Workers Of Area

A week-end center for migrant workers in Floydada is included in plans of a group of local citizens. They met last week at the Chamber of Commerce office with Edger Krueger and Bob Sandman who represented the migrant ministry division of the World Council of Churches.

Sandman told of migrant projects in other west Texas communities and made suggestions on the kind of activity which might be undertaken locally.

A center in which migrant workers could relax with their children was the first choice of those present. It will open Saturday in the Hughes building on north main street and be open each Saturday afternoon and, perhaps, a short time on Sunday through the harvest season.

The Hughes family, of Brady, are loaning the building to the group for use during the height of the migrant season without charge. The building formerly was occupied by the Floydada Post Office for many years.

Other plans include a Sunday morning Spanish religious service. All Floydada churches have been asked to participate in the migrant ministry program.

Former Crosbyton Mayor Succumbs; Funeral Monday

Funeral service for Elzie L. Roberts, 58, was conducted Monday afternoon at 3 o'clock in the Primitive Baptist Church in Crosbyton with Elder E. J. Norman of Childress officiating. Burial was in Crosbyton Cemetery under the direction of King Funeral Home.

Mr. Roberts passed away at 7:15 p.m. Saturday at his home. He had a leukemia condition for about 10 years.

He was born Sept. 9, 1897 in Wise County to the late Mr. and Mrs. J. F. Roberts. He came from Archer County to Floyd County in 1901. He married Miss Minnie Lee Dunn in 1920 in Floydada. The couple moved to Crosbyton in 1930.

Roberts served two terms as mayor of Crosbyton and owned and operated cotton gins until his retirement about two years ago.

Surviving are his wife; one daughter, Mrs. Wayne McCarty, Crosbyton; two sons, Elvis, Lubbock, and Tommy, Crosbyton; three sisters, Mrs. W. C. Wright and Mrs. Tilford Taylor, Floydada; and Mrs. Ellis Head, Wichita Falls; four brothers, A. J. Roberts, Riverside, Calif., H. W. and P. I. Roberts, Floydada, and Julian Roberts, Ralls; and seven grandchildren.

Queen Crowning Climaxes Home Coming Events

The second homecoming celebration of Floydada High School began last Friday afternoon at two o'clock with a rally staged in Graves Gymnasium. The pep rally was followed by a business meeting and organization of an Ex-Student Association.

Additional activities during the afternoon were the meetings of the quarterback club, Whirl staff, Theplans, Cheer leaders, Whirlwind staff, Librarians and the P. F. A.

The evening was climaxed with the football game between the Floydada Whirlwinds and the Slaton Tigers at Wester Field. The highlight during the halftime at the football game was the crowning of the Floydada High School queen.

Miss Linda Gayle Clark, 16-year-old daughter of Mr. and Mrs. L. L. Clark Jr., was crowned football queen during the halftime.

Linda Gayle, high school senior, who stands five feet beautifully dressed in a pink net dress, was crowned by football captain, J. E. Waller. Drum Majorette Cheryl Crawford, presented the crown and a bouquet of red roses to J. E. to give to the queen.

The Floydada High School band, directed by Maurice Jones, assembled in a heart-shaped formation and played the school song.

Attendees and escorts to the queen were Fontaine Fowler and Robert Stovall; Doris Campbell and Laron Fulton; Joyce Dell Hammonds and Marvin Rucker.

TO CHOOSE 1956 NOMINEES

County Chairman Wonders How His Committee Will Finance a Primary

Democratic County Chairman Ben P. Ayres has been wondering how to reach into the hat and pull out a solution to the question, what shall we do about a primary election next year?

He hadn't reached any answer to the question—which is one of financing—this week, although he has discussed the matter in several quarters.

Reason for the question marks: The term-of-office constitutional amendment adopted last year has reduced the number of prospective candidates to about half a crop less than half for 1956.

When the officers of the county, district and precinct were named last year Floyd County voters chose a county judge, county attorney, county clerk, district clerk, county treasurer, two commissioners and one justice of the peace, as well as a district judge, all for four year terms.

That leaves for the Democrats to nominate this coming year only an assessor-collector, sheriff, two commissioners, a school superintendent, a district attorney and one justice of the peace.

Thus there could be as few as seven district, county and precinct candidates. Of these the district man can be assessed only \$1. It costs approximately \$2,000 to have a majority primary election in this county.

The Floyd County Democratic chairman is not by himself in the dilemma. Every chairman in the state, certainly any in the low-vote bracket, has the problem.

How many candidates you could hope to gather in for sure in a one-shot assessment at \$400 or \$500 a piece might be problematical, the chairman opines.

The Texas primary election law provides that the expenses of primary elections be borne by the candidates. Only general and special elections are paid for out of taxes.

REV. JOHN H. ALLEN

Called to Coast Church Pastorate

Rev. John H. Allen, brother of Dr. R. Earl Allen, has been called to the pastorate of the First Southern Baptist Church of Rio Linda, California.

The church is less than a year old and is located about 10 miles from Sacramento. Four lots have been purchased on Main Street and building will start immediately. Sunday School has 50 enrolled with 40 in Training Union.

Rev. and Mrs. Allen left for Berkeley, California late in August to enroll in the Golden State Baptist Seminary after graduation from Wayland College. They are living at the seminary and commuting to the church.

Rev. Allen is a former pastor at McCoy and South Plains.

Dougherty News

(By Mrs. W. J. Ross)

DOUGHERTY, Oct. 17 — The grain harvest is in full swing this week. Farmers are encouraged that grain discolored by the recent rains has been accepted for government loans.

Mr. and Mrs. G. C. Tiner spent the week-end at Abilene. On Sunday they attended the funeral of her uncle, J. R. Rountree.

Louie Caffee of Albuquerque, N. M., spent the week-end here and at Lubbock where his wife is a patient in the Methodist Memorial Hospital. At this date she is scheduled to remain in the hospital for a few days. She will stay in the home of her aunt in Lubbock until she is well enough to be moved to her parents home in the Fairview community.

Mrs. Earl Foster returned home Saturday after spending two weeks in the home of her daughter, Mrs. Lyndle Patterson, to assist in the care of little Maxwell Murray Patterson.

Cathy Johnson of Petersburg was the house guest of her grandparents, Mr. and Mrs. H. N. Powell last week. Saturday Mrs. Kenneth Johnson and children visited in the Powell home and Cathy returned to Petersburg with them.

Mrs. William Hinton and children of Tullia and Mrs. Henry Hinton and sons were guests of Mrs. Bill Smith Thursday afternoon.

Phyllis and Cathy Gearheart of Amarillo are house guests in the home of their grandparents, Mr. and Mrs. Sam Lide while their parents are deer hunting in Utah. The Lides have been enjoying antelope meat which their son-in-law killed in a hunt near Delhar last week.

A. C. Pratt, who is stationed near Chicago, flew home Friday to attend the F.H.S. homecoming and visit his parents. He returned to camp Sunday afternoon.

Mr. and Mrs. Billy Morrison and baby of Midland and Mr. and Mrs. Raymond Holt of Hereford were recent visitors in the home of Mr. and Mrs. Jim Morrison.

Mr. and Mrs. Hubert Ring of Tech attended F.H.S. homecoming Friday and visited in the home of his parents, Mr. and Mrs. Claude Ring.

Mr. and Mrs. J. C. Jones of Whittier, Calif., were house guests in the home of her sister, Mrs. Sam Lide last week. Tuesday evening, Mr. and Mrs. M. A. Barton entertained in honor of Mr. and Mrs. Jones. Those present were Mr. and Mrs. Lewis Blum and Betty, Mr. and Mrs. Sam Lide, Mr. and Mrs. R. C. Bullock and Mr. and Mrs. Jones.

Mr. and Mrs. R. H. Crawford and David attended church at Fairview Sunday evening.

Mr. and Mrs. Johnny Holt and son of Lubbock visited Mr. and Mrs. Kenneth Ring Friday night.

Julia Ann Daniels visited Edna Lewis Sunday.

Mrs. R. T. Jones and children visited Mr. and Mrs. Drew Cumble of Cone Sunday.

The children and grandchildren of Mr. and Mrs. Bob Hinsley surprised them Sunday when the clan gathered at the parental home to celebrate their 45th wedding anniversary. Mr. and Mrs. Hinsley married in Denton County on Oct. 16 1910. They lived in the Antelope community a number of years. They retired from active farming and moved to Floydada a few years ago.

All the Hinsley children were present. They are Mr. and Mrs. J. A. Amburn and Mr. and Mrs. Edd Browning of Amarillo; Mr. and Mrs. R. J. Hinsley of Dougherty; grand-children present were Mrs. Tony

Weatherman of Pueblo, Colo. Vesta Lee Wright, Mrs. Marion Mitchell and Mrs. Bobby Murriel of Amarillo; James Alvin and Aaron Hinsley; great-grandchildren present were three Mitchell children and Debra Weatherman.

Mr. and Mrs. Williams Hinton and children of Tullia visited Mr. and Mrs. Henry Hinton and Mrs. Ada Hinton from Thursday to Sunday. William assisted in combining the grain crop.

Mrs. Maude Bradley and Mrs. Audrey Fulgham of Lubbock are house guests in the home of Mr. and Mrs. Ned Bradley.

Mr. and Mrs. Earl Freeman of Lubbock visited in the Bradley home Sunday afternoon.

Mr. and Mrs. Dick Carpenter of Matador are the parents of a daughter, Cindy Marie, who was born Oct. 10 in a Matador hospital. She weighed seven pounds and one-half ounces. Grandparents are Mr. and Mrs. Howe Hines and Mr. and Mrs. J. M. Carpenter of Roaring Springs. Great-grandparents are Mr. and Mrs. J. H. Bell of Lampasas and Mr. and Mrs. J. R. Thomas of Lubbock, who visited in the Hines home Sunday.

Other Sunday guests in the Hines home were Mrs. J. H. Hines and Ott and Mr. and Mrs. H. H. Schwitzer of Matador.

Tuesday Mesdames Poole, Daniels, Woodson and Miss Effie Woodson visited in Lubbock.

Sunday dinner guests in the home of Mr. and Mrs. Kenneth Poole were Mr. and Mrs. Roy Crawford and children and Harold Norrell.

A number of our citizens were busy working with the fair and attending the fair last week. Those working on the community booth were Jack McIntosh, Dorris Jones and Mesdames Bradley, Ring, Crawford, Jones, Smith, Caffee, Ross Kreis and Ward. A number of people entertained individual items in the fair and won a fair percent of ribbons.

We are especially proud of the exhibits and ribbons won by the youth of our community. Mrs. Bill Smith was one of the supervisors of the youth booths and Mrs. G. W. Smith has worked diligently with the 4-H girls.

Jerry Crawford won first on Caprock maize and on hegarl. In the crafts division Sue Ring won second on a woven basket; Ronnie Smith won first on a woven mat.

In the canned foods division Janice Smith won second on peaches third on greenbeans and second on pickles.

In the textile division Julia Ann Daniels won first on Huck towel; Linda Jones second on cup towel; Edna Mason, third on apron.

In Junior dress division, Linda Jones won first; Neida Jones won second and Jan Cates won third.

George and Leroy Scott won first, second and third on their sheep.

Bill Daniels won first on individual entry of cotton.

Gene Jones won second on cane. Mr. and Mrs. Ira Lynch are attending a reunion of the Lynch family near Waco.

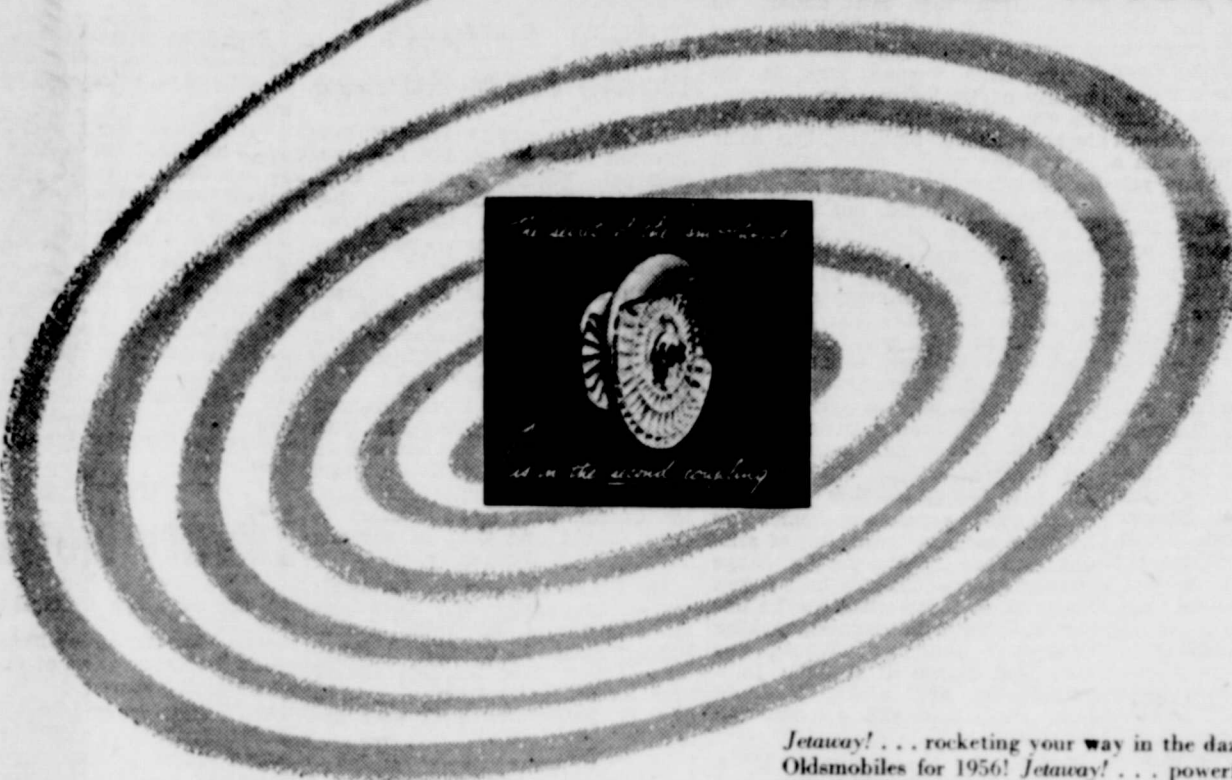

Troy McNeill of Tech spent Saturday night and Sunday at home.

Layette Shower Compliments Mrs Bill Ware Friday

Mrs. Bill Ware was the honoree at a layette shower on the evening of Oct. 15 in the home of Mrs. W. T. Conner, with Mrs. Vance Campbell assisting. Mrs. Ware was presented with a corsage by the hostesses.

Guests were greeted at the door by Mrs. Conner and regaled in a lovely white leather baby book given by Miss June Ware.

The guests were served by Mrs. Campbell from a large pink heart laced in net on a table laid with a white damask cloth. Pink and white ribboned sandwiches, fruit, macarons and coffee were served. Pink candles entwined with yellow rosebuds flanked a pink and yellow lace trimmed baby buggy in which tiny rosebuds nestled in white fur. The buggy rested on a large white heart edged in pink net, that centered the table.

Those present or sending gifts were Meses, W. F. Ware, J. C. Lesch, of Clovis, N. M., V. F. Mann, F. F. Hillin, R. N. Chilton, all of Amarillo, Eddie Joe Fortenberry, Jack Yeary, Carl Gilly, Roger Conner, Iris Brooks, Harmon Mosley, J. A. Welch, Miss June Ware and the hostesses.

Those present were Kitty Lloyd, Kathy Weems, Nancy Fowler, Randy Brown, Elaine Minor, Kit Martin, Susan Hagood, Marilyn McLean, Sarah Staniforth, Marjion Wylie, Linda Wilson, Janice McNeill, Michael Coffman, Brenda Walls, Judy Bullock and Stephanie Arwine.

RUTH CIRCLE MEETING HELD

The Ruth Circle of the Women's Society of Christian Service met at the First Methodist Church on Oct. 12 at 10:00 a. m.

Following the devotional the program on "This Revolutionary Faith" was continued. Mrs. Gene Arwine spoke on "What's New In Missionary Work". Mrs. Jack McIntosh discussed "Christianity—More Than Anti-Communist Action", and Mrs. Carl Minor Jr. gave "Revolution via the A. B. C.'s".

Sixteen members were present for the meeting.

One thing men can't understand about women is why they get such a lift out of a hairdo.

The little woman goes to the beauty parlor looking like herself—an ordinary woman—and comes out looking like a manikin. For some reason the spouse can't explain, it makes her happy.

Maybe it's stupid, but it is true, a woman who normally has all the confidence she needs goes to a parlor and sits glumly to one side, acting distant with everyone. Trying to figure out what you have said or done to hurt her feelings, you walk over and begin talking to her. After awhile, she warms up enough to say, "My hair is terrible! I'm going to the beauty parlor tomorrow." With her hat on, she looks the same as always, but she feels and acts like an outcast.

Just check yourself at home. You wake up some morning full of self-pity. Nobody in the family hangs up his clothes. They're taking you for granted, that's what they're doing. Washing dishes, ironing, making beds—over and over. What's the fun? You glance at yourself in a mirror. You look awful! Must be sick. Then it dawns on you—it's your hair.

Off to the beauty parlor for a couple of hours of mild torture, and you come out feeling fresh and rested. Your self-confidence has returned. You're gay, even a little kittenish with the family. The house is once again a home.

We don't plan to try to explain this to a man—any man. But when and if he should, it will be in exchange for an equally baffling secret—why a man looks so bloomin' complacent when he's smoking a cigar!

Troth Announced

Mr. and Mrs. Wade Warren announce the engagement and approaching marriage of their daughter, Betty Joyce to Pfc. Fred L. Ritchey of Ft. Benning, Ga., son of Mr. and Mrs. A. L. Ritchey of Floydada. The couple plan a December wedding.

STITCH AND CHATTER CLUB MET WITH MRS. MOONEY

The Stitch and Chatter Club met Oct. 13 in the home of Mrs. W. C. Mooney.

A short business session was held after which several of the members went to Lockney to see the parade and to attend the Floyd County Fair.

The hostess gift was won by Mrs. J. B. Turner.

Refreshments of pumpkin pie, cookies and drinks were served to four visitors. Mrs. W. J. Rhodes, Mrs. J. T. Poole, Keith Norrell and Annie Lee Carroll. Members present were Meses, J. B. Turner, Laura Campbell, Jack Johnson, Vivian Keeling, L. G. Norrell and the hostess, Mrs. Mooney.

One of the Excellent displays at the county fair was the culinary department. Here are shown at the booth Mrs. R. H. Rinsley of Sterley, director of the Women's Department and Mrs. Q. Adams of Lockney, Assistant superintendent of canned fruits and vegetables.

Future Farmers Home From Kaysee

Alton Higginbotham and Pete Johnson returned Friday from the National Future Farmers Convention in Kansas City, where they were delegates along with ten thousand boys from other chapters over the United States.

Both Higginbotham and Johnson were interviewed by Carl Minor on station KPLD on Tuesday on the local news program, in which they told of events of their trip.

Carl Brock and David Badgett left Sunday evening for Dallas with a beef calf, which was entered in the State Fair in Dallas. Carl and David will return some time today. Mr. Carroll went down Tuesday to assist David and Carl in showing their calf on Wednesday.

The P.F.A. chapter called a meeting of the aggies who have pigs for sale and J. E. Waller, Loran Nixon, Alton Higginbotham, Norman Davis, Rex Lackey, David Blair and Tommy Respondek were present. Thirty-five head were listed.

Center News

(By Mrs. J. E. Green)

CENTER, Oct. 18—How we do appreciate the beautiful weather! Harvesting cotton and feed is in full swing. Also, most farmers have their wheat planted.

Bro. and Mrs. Wesson and son, Terry, and Mr. and Mrs. Leo Frizzell were Sunday dinner guests of Mrs. W. M. Jackson.

Visitors in Sunday morning church services were Jolene Robertson, who was spending the week-end in the home of her grandparents, Mr. and Mrs. J. R. Robertson; and Gene Carol Warren of Dougherty, who spent the week-end with his grandparents, Mr. and Mrs. Elmer Warren.

Johnny Lynn Warren of Wayland College spent the week-end with his parents.

Mrs. Leo Frizzell, Mrs. A. E. Frizzell and Mrs. W. M. Jackson visited Thursday with their sister-in-law Mrs. Clifford Carpenter of Rails. Mrs. Carpenter was in St. Mary's Hospital in Lubbock, where she had had surgery.

Mrs. Kitty Morgan of Austin and Mrs. Vi Cudd of Slaton visited Wednesday in the J. R. Robertson home.

Judy Wesson was a Sunday dinner guest of Jo Anne Welborn.

Margaret Dunn visited Ouida Alexander Friday night.

Mrs. Frank Dunn and children called in the Elmer Warren home Sunday evening.

Mrs. Earl Huckabee, Mrs. Oliver Allen, Mrs. J. E. Green and Mrs. O. C. Vinson attended the Floyd County Fair at Lockney Thursday.

They presided over the bazaar at the noon hours. Surely everyone felt well paid for attending the fair. We think it was one of the best.

Thursday, Mrs. Huckabee, Mrs. Vinson and Mrs. Green went to Plainview where they shopped some.

Victor Green and son, Jimmy visited his parents, the J. E. Greens Saturday evening.

Visitors Tuesday afternoon in the Earl Huckabee home were his mother and sister, Mrs. W. A. Huckabee and Miss Eula Huckabee.

Sandra Huckabee was ill Sunday but was able to go to school Tuesday.

Mr. and Mrs. Green visited Mr. and Mrs. D. I. Bolding Tuesday night. Mrs. Grady Edlemon of Muleshoe is visiting the Boldings, her parents, the first of this week.

Those attending the Workers conference Tuesday at Dougherty from Center were Mr. and Mrs. Elmer Warren, Mrs. T. P. Wesson, and Mrs. Green. Mrs. Wesson and Mrs. Green stopped by to see Mrs. Man-kins, who was ill, on the return trip.

Mrs. Ross was unable to attend church Sunday because of illness.

How we did enjoy Mrs. Mayo's report at club Friday at Mrs. Jordan's. It was of the recent T.H.D.A. meeting at Ft. Worth.

We have been blessed with good weather to harvest our crops. Let us show our gratitude to the all wise by being in church Sunday and Sunday night.

BLANCHE GROVES CLASS OFFICER ELECTION HELD

The Blanche Groves Sunday School Class of First Baptist Church in business session, elected the following officers: president, Mrs. D. B. Thomas; vice-president, Mrs. Kyle Glover; secretary, Mrs. Allen Bingham; social chairman, Mrs. Leonard Mataler; group captains Mesdames W. N. Crumpton, M. H. Roddam, L. D. Gollightly and Kenneth Rimmer. Mrs. Lon Smith is teacher of the class.

Thursday afternoon, Oct. 20, at 5:30 p. m. a coke party for the members of the class is being given at the home of Mrs. Ralph Johnston 914 South Wall Street.

Mr. and Mrs. Fred Saunders and son Jackie Dale of Morton spent the week-end visiting her mother, Mrs. Lucille Redd and other relatives.

Praise Heaped On 'Wind Band, Support Urged

(A contributed article)

Each time the Whirlwind Band performs they receive more and more compliments.

Under the capable direction of Mr. Jones the band is rapidly gaining the reputation of becoming one of the outstanding high school bands of this area.

Friday night seemed to climax this marked gain. Straighter ranks snappier marching, really good formations were highlights of the Slaton-Floydada home coming football game.

Even greater strides can be gained if Mr. Jones and the band can be assured of the support of all band parents.

On Monday night at 7:30 in the band hall there is to be a meeting of the Band Boosters. There is a definite need of a large representation of this organization. Business matters of vital importance must be attended, namely:

Various fund-raising campaigns for needs of the band—present and future needs. One commanding immediate attention will be the desire of members concerning floats for the Christmas parade, sponsored each year by the local Chamber of Commerce. You be present to cast your vote.

Library News

(By Mrs. Lee C. Gollightly)

Many Friends of the library helped in the preparation of the library booth at the Fair.

We wish to express thanks to Mrs. J. H. Barnard who stayed in the library a couple of afternoons so that we might go over to Lockney and work on the booth. Also appreciate the help and cooperation of Mrs. H. F. Jackson, Mr. and Mrs. H. H. Mills and Bobby, Mrs. Dee Copeland, Mr. Leon Wolford of the Lockney Lumber & Supply for the loan of material used in building the booth, and the funeral homes at both Floydada and Lockney for the loan of artificial grass used in the booth.

There is a great deal of fun and satisfaction in taking part in community affairs when so many people are working together as they did to promote the county fair this year. We will be looking forward to it again next year.

Visiting in our library this week were William K. Peace, assistant librarian, and Mr. John A. Hudson, Director of Extension, Texas State Library, Austin. They had very favorable comments to make on the growth of Floyd County Library and we were happy to be able to say that many of these books have been gifts to the library.

MEMORIAL BOOKS

Given by 1922 Study Club in memory of Mrs. O. P. Rutledge.

Given by Mrs. Annie M. Assiter, Tommy and Joy in memory of Mrs. E. W. Holmes.

Given by Mr. and Mrs. L. C. McDonald in memory of Mrs. R. B. Calhoun.

Given by Mrs. T. W. Shaw in memory of Mrs. Ruby Fry.

An attractive booth at the fair was that of the Floyd County Library. Story concerning the display appears in Library News on another page.

Local Baptists To Attend State Meet At Houston

Dr. and Mrs. R. Earl Allen, Mrs. Lon V. Smith, E. D. Morgan and Mrs. W. B. Jordan will leave Sunday for Houston where they will attend the 70th annual Baptist General Convention of Texas starting Monday and continuing through Thursday, Oct. 27.

The purpose of this meeting is to conduct the various organizations of the Baptist Church yearly business, hear reports from various agencies and institutions and listen to inspirational talks and sermons by outstanding personalities.

The theme for this year's session, dedicated to the women of the W.M.U. in observance of the organization's 75th anniversary, is "Holding Forth the Word of Life Through All the World."

NEW DAUGHTER IS ANNOUNCED

Mr. and Mrs. J. D. Yardley of Midland, are announcing the birth of a daughter, Geri Anne, born Oct. 6. The mother is the former Jean Hollums, formerly of Floydada.

Paternal grandparents are Mr. and Mrs. E. F. Yardley of Midland, maternal grandparents, Mr. and Mrs. W. B. Hollums of Hawley, Texas.

Lovell L. Jones returned the first of the week from Kansas and Missouri after spending 29 days in those states, the guest of relatives and friends. At Springfield, Mo., he visited in the home of Frank Jones brother of his late father, W. N. Jones. Upon reaching home he learned of the death of the uncle while Lovell was enroute home.

Dr. and Mrs. E. E. Joiner of Midland were week-end visitors in the home of Mr. and Mrs. G. M. Collins. Mr. and Mrs. M. M. Julian of South Plains, and other friends of this city.

Floyd County 14 Years Ago

(Taken from the files of the Floyd County Hesperian, issue dated Oct. 23, 1941.)

Deputy State Superintendent E. H. Boutler, Monday and Tuesday of this week inspected 10 of 17 state aid schools in Floyd County. Clarence Guffee accompanied him on this trip.

Floydada food stores this week are observing the sixth annual recurrence of National Retail Grocers week, along with several hundred thousand other retail food distributors of the nation.

As ginners made preparation and several of them announced their readiness for the ginning season that was to have opened on Monday of this week, showers and general cloudiness Monday and Tuesday was followed by general rains on Wednesday. Estimates last week indicated that in the whole county 100 bales of cotton would have been gathered and ginned had weather permitted.

Mrs. Lula B. Owens, Miss Vera Meredith, Miss Rita Rhodes and Mrs. Carlyle, teachers from the local school system, were initiated Saturday evening at the Hilton Hotel in Plainview into Gamma Iota Chapter of Delta Kappa Gamma sorority, a national honorary society for women teachers.

WHAT'S YOUR AGE?

Whenever there is anyone present in your company who is timid about telling his or her age, here's a clever way of finding it out without them telling it:

Tell the person to write his age on a piece of paper. Tell him to multiply it by two. Then have him add five to that, and multiply the total by fifty. Tell him to subtract the number of days in the year (365) from that. Now have him count any change under a dollar in his pocket, and add that. Then ask him to tell you the total, and promise to tell him his correct age, and the amount of change, if his arithmetic is right.

When he gives you the total mentally add 115. The total of that will give his age in the first two figures, and the amount of change in the latter two.

SPORTSMEN URGED TO USE CARE IN THE WOODS

Fall can be a very dangerous season for forest fires unless sportsmen and everyone who enjoy our forests and woodlands exercise good outdoor habits.

One moment of carelessness could mean the destruction of many acres of valuable hunting, fishing and recreation areas.

So, when you go out into the woods this Fall, be careful with your matches and smokes, with your warming fires and campfires.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES

New Fly Swatter Has One Fault; It Lasts Too Long

Olysses Grant Hale of Brownwood, who believes he has built a better fly swatter, recently was issued a patent on his "Circle Stroke" invention, according to a recent report in the Fort Worth Star-Telegram.

Hale declares his new swatter is effective around corners and behind doors because of a hinge arrangement at the point where the handle connects with the striker sheet.

The inventor got his idea three years ago when a store-bought swatter broke during a moth invasion. He fashioned a homemade swatter which accidentally produced the hinge effect.

The Brownwood man is a brother of J. S. Hale of Floydada. The latter was presented one of the swatters and says it works. Only thing he sees wrong with the invention it lasts too long. But it does get around the corners.

U. G. Hale last visited in the home of his brother here Christmas a year ago.

MRS. BLACKWELL ILL

Mrs. Thelma Blackwell, daughter of Mrs. L. L. Switzer of Floydada, is in serious condition in Dr. McCarthy's Hospital in Plainview following a major operation Monday morning of this week. Mrs. Blackwell, a Plainview resident, was taken to the hospital Friday of last week.

Future Farmer Chapter Notes

The Floydada Chapter of the F. F. A. for the third time in four years has received the use of a new pick-up with the compliments of Oden Chevrolet Co. The pick-up will be used the rest of the school year before being returned to Oden.

Thacker Gross of the F. F. A. is the recipient of a Hereford heifer calf from Conner Oden. The calf was given by Mr. Oden because the mother refused to claim it. Thacker Gross was selected by the F. F. A. group to receive the calf.

The Floydada F. F. A. has been preparing their individual exhibits to be shown in the Floyd County Fair starting today through Saturday. The exhibits will have samples of grain sorghum heads, vegetables and various animals including sheep, hogs, cattle, etc.

At the District F. F. A. meeting held at Plainview, Sept. 29, Carl Brock of Floydada was elected the District Treasurer. There are 14 schools in the Plainview District which send representatives to the District meeting to elect the officers.

Saturday the 4-H and F. F. A. held the first of a series of weighing contests to determine which of the entrants has been feeding and caring best for their club calves. These weighings will be held once a month until show time in March, 1956.

At the Saturday weighing there were 8 contestants with 9 calves David Mount and Joe Noland tied for first prize which gave them \$250 each. This is a total of \$3 for first prize and \$2 for second prize. Darlene Mount won the third prize of 50 cents.

The contestants entered with their group were David Mount, 4-H; Joe Noland, F. F. A.; Darlene Mount, 4-H; Gene Lawrence, F. F. A.; Billy Colston, 4-H; Hal Hines, 4-H; Lawrence Lewis, 4-H and Jerry Crawford, F. F. A.

South Plains News

(By Mrs. Murray Julian)

SOUTH PLAINS, Oct. 17—Mountains of grain were piled up at both South Plains elevators over the week-end, but freight cars are coming in this Monday to carry it away to the big storage bins. This is one of the finest times of the year for the farmer when he can see his crops harvested. The past week has been one of clear, beautiful days and crisp nights.

Royce Measures, from Wayland will speak from the pulpit at the South Plains Baptist Church next Sunday at both services. On Wednesday evening, Oct. 26, Robert Dobson will show slides of his Holy Land trip at the church. They are hoping for a fine crowd, despite the busy season. On Oct. 30, Dr. B. P. Maddox, from Wayland, at Plainview, will preach at both services in the absence of Rev. Larry Faus.

Mr. and Mrs. Walter Wood had as their guests for dinner and the day Sunday, Miss Nancy Shepherd of Houston, and Tommy McCown, both students at Texas Tech at Lubbock. Juanel Wood also spent the week-end with the Woods while her mother was in Tucumcari. N. M. Most of our folks from out here visited the Floyd County Fair held last week in Lockney. While our community booth did not win a prize, there were many individual prizes from our vicinity. Among those were Early Pritchett with his sorghum grains, Aiken, Sand Hill and Irick won the prizes for the best booths. Everyone enjoyed the exhibits, and the wonderful things from Floyd County.

Alva Merrell, from Austin, enroute to Amarillo on a business trip was an overnight guest at the home of Mr. and Mrs. John Key West on Thursday night.

Elmo Fortenberry, who is in the radio and communication division of the navy, is now stationed at Ramifeya, Japan. He has written his folks that the cold weather has begun there, with snow on the mountains near his camp.

Carol Reeves, from Lubbock, spent Friday and Saturday with her parents, Mr. and Mrs. Sim Reeves.

Mr. and Mrs. Charles Wright are parents of a baby son, born Thursday morning at three, Oct. 13, in the Lockney General Hospital. The baby weighed almost nine pounds and has been named Charles DeWayne for his father, who is now stationed in France, in the medical corps. He is expected home within the next few months. Maternal grandparents in our community are Mr. and Mrs. Elmo Reeves.

Mr. and Mrs. C. L. Beard and Leon from Plainview, visited Friday night in the home of Rev. and Mrs. Larry Faus and family.

Dr. and Mrs. Early Joiner from Midland visited in the home of Mr. and Mrs. Murray Julian and boys from Thursday until Saturday of last week. They enjoyed the homecoming football game at Floydada Friday night, with their son, Gordon from Hardin-Simmons home over the week-end with Jimmy Collins. They visited with many of their friends at Floydada while they were here.

Miss L. T. Wood came home from Tucumcari on Wednesday afternoon. Two of her aunts are coming to be with her father, S. C. Waller during the coming month, and unless her father grows worse, she will not go back until later.

P-TA will have a call meeting on Friday afternoon, Oct. 21, at the school house. Every member is urged to be present to further plans for the Halloween Festival.

Miss Carolyn Hollyman, from Denver City and Terry Julian both students at WTSC at Canyon, came down from Canyon to have dinner and spend the day Saturday with his parents, Mr. and Mrs. M. M. Julian.

Mr. and Mrs. George Weast spent Friday night visiting in the home of Mr. and Mrs. Truman Bradshaw and family.

Rev. and Mrs. Larry Faus and family will leave from Plainview on Friday afternoon after classes at college to go to Loving, N. M. He will lead the singing at a revival beginning Friday night and going through Sunday, Oct. 30.

Mr. and Mrs. Frank McClure left Friday for Snyder, where they spent the week-end with her parents, Mr. and Mrs. R. W. Newman, and a sister, Mrs. Leonard Davis, from Dallas, who came on Saturday to spend the week-end there in Snyder.

The Baptist W.M.U. met at the church on Monday afternoon for bible study with Mrs. McClure presiding. "The Lord is My Shepherd," first chapter from the book, Favorite Bible Passages, which the W.M.U. has started, was studied by the group, with Mrs. Faus as bible leader. Present for the meeting were Mmes. Larry Faus, Frank McClure, Murray Julian, Sim Reeves, Shelby

Calahan and Bryan Karr.

Mr. and Mrs. Walter Wood spent Tuesday in Lubbock where she did some shopping, and Mr. Wood attended the Lubbock Auction Ring.

Mrs. Bryan Karr spent Saturday night with her mother, Mrs. H. S. Calahan Sr. Mrs. Raymond Upton spent Sunday night with her in Lockney, while Mrs. Calahan is recuperating from illness.

South Plains boys 4-H Club met Monday afternoon, Oct. 17, at the school house, and officers for the coming year were elected as follows: president, Price Pritchett; vice-president, Eddie Parks; secretary-treasurer, Bruce Julian and reporter, J. Ronald Taylor.

Sunday dinner guests in the home of Mr. and Mrs. Sylvan Kinnibrugh were her sister, Mr. and Mrs. W. H. Simmons and Ronnie, from Truett, who spent the week-end at the Kinnibrughs, and her cousin Mr. and Mrs. Bernard Glasscock and Larry, from Earth. Beth and Marilyn Kinnibrugh, with their cousin Ronnie went to Lubbock with their parents on Saturday afternoon, where they were on KCB-TV, "Story Hour", to celebrate Ronnie's birthday.

Mr. and Mrs. George Weast went to Amarillo on Wednesday and Thursday of last week, where they were guests of Mr. and Mrs. E. T. Evans. Here in their home on Tuesday they enjoyed a visit from Mr. and Mrs. Bob Garrett, of Floydada who spent Tuesday evening with them.

Mrs. J. P. Taylor lost her bible at church last Sunday. It is a black Good Shepherd bible, and if you have found it, perhaps taken it by mistake, will you please let her know.

Mr. and Mrs. Grigsby Milton and girls are trying to get moved into their new home this week. The carpets have been laid, and they are putting the finishing touches to the house.

The South Plains Home Demonstration Club met at the home of Mrs. Leighton Teeple on Wednesday Oct. 12, with Mrs. Bryan Karr as co-hostess. Roll call was answered with, "The Most Outstanding Thing I Have Learned This Year. Many replies were, the making of hats.

Mrs. Tom Porter, from the Starkey Club was a guest and gave an interesting account of her trip to Ft. Worth last August as a delegate to the THDA convention. Mrs. Nancy Morckel was also a guest from the REA kitchen in Floydada.

Mrs. H. L. Marble reported on the booth the community was preparing for the fair, and took the materials gathered to the fair.

Mrs. Morckel gave a most interesting demonstration on the making of uncooked strawberry jam. She was on KCB-TV some time back where with Jennie V. Wynne she had prepared fruit in this delicious manner.

Hostesses served the jams and jelly with hot biscuits in addition to their refreshment plate, and present with the hostesses Mrs. Teeple and Mrs. Karr were Mmes. R. G. Dunlap, Fred Fortenberry, Bryant Higginbotham, H. L. Marble, Origsby Milton, Arby Mulder, M. J. Cassel, J. P. Taylor, J. D. Webb, J. K. West, J. B. Smitherman, M. M. Julian, S. D. Kinnibrugh, and guests, Mrs. Tom Porter, Mrs. Tom Pierce, and Mrs. Nancy Morckel.

The October 12 meeting will be held at the Baptist Church in South Plains for a religious meeting, with hostesses Mrs. Bryant Higginbotham and Mrs. M. J. Cassel. Each member is to bring guests. There will be election of officers at this time.

Has Severe Attack

LOCKNEY—W. C. Watson, pioneer Lockney man, suffered a severe heart attack at his home here Wednesday morning of last week. He was reported to be resting well in Lockney General Hospital Wednesday afternoon. He was under oxygen.

Mr. Watson has had previous heart trouble but nothing as serious as this attack, relatives said.

Relatives at his bedside were Mr. and Mrs. France Baker and sons, Lennis and James of Lubbock; Mr. and Mrs. Douglas Watson of Tulsa and Bill Watson of Tulsa and local relatives.

W. W. McClaskey Promoted in Air Force Reserve

LOCKNEY — W. W. (Bill) McClaskey, assistant vice-president of the First National Bank, has been promoted from major to lieutenant colonel in the Air Force Reserve. He received notification of the promotion the past week although it was effective July 1 of this year.

McClaskey is on the staff of Brigadier General Jerry W. Davidson, who is commander of the 448th Fighter-Bomber Wing Hensley Field at Grand Prairie is headquarters for the wing. His assignment is wing armament officer.

Zimmerman Jr., Floydada. 11. Peace rose: First, Mrs. E. A. Carter, Lockney; second, Mrs. T. V. Bank, Lockney; third, Mrs. J. M. Grady Walker, Floydada; second Mrs. R. E. Patterson, Lockney; third Mrs. O. G. Glassmoyer, Floydada.

Waller was thrown back to the 44 as the half ended.

After the intermission Floydada kicked off and Swanner toed one to Ross on the 20 and he ran back to the 25. The Tigers advanced the ball to the Slaton 45 before they fumbled and Swanner recovered for Floydada. The locals could make only 7 yards in three tries and Swanner then punted out of bounds on the Tiger 12.

Slaton could make but 4 yards on offense and then tried another of their high short kicks that netted them 2 yards from scrimmage and hit one of the Tigers before it struck the ground.

On this offensive effort Floydada advanced the ball from the Slaton 18 to the 4 before being thrown back to the 6 where they lost the ball on downs.

As the final stanza opened Slaton owned the ball 4th and 10 on their own 6. Phil Pearson then punted from his six to his 18 where the 'Winds again had possession. On this drive the 'Winds could not gain and lost the ball on downs on the 18.

The Tigers were able to advance to their 41 before they were stopped and had to punt from that point to Floydada's 26. The 'Winds then put on their best drive which carried 59 yards to the Slaton 15 where it died to end their final threat.

Standouts for Slaton on defense were Don Wright 250 pound anchor man of the Tiger line, Alfred Blissard 180 pound Tiger center, and Alex Franco 150 pound end.

For the 'Winds, besides those already mentioned, Marvin Rucker, Larry White, Robert Stovall, Johnny Tinnin, Eugene Beedy and Elmer Williams were high in the stop 'em department.

MORE IMPORTANT THAN GOLD

If there is normal impulse flow from brain to body cells we have a healthy living process.

If there is no impulse flow from brain to body cells, we have a dead process.

Sometimes man is neither living or dead, but is dis-eased. When there is partial impulse flow between brain and body we have a diseased process.

This partial flow is due to an interference between brain and body.

Knowing that the impulse flow is over the nerves, the logical place to look for the interference is in the area nerves can be impinged, which is the spine. The next step is to locate exactly the area of interference. Then find out if it is a spinal misalignment causing the interference. If it is, Chiropractic Can Help You. By correcting the misalignment, the interference can no longer exist; allowing a normal impulse from brain to body resulting in a healthy living process.

Links more important than gold are your spinal links for health rests only upon a normal spine. This is why we do.

Fairview News

(By Mrs. Clyde Bagwell)

FAIRVIEW, Oct. 18 - What lovely fall weather we are having. Folks are really busy these days getting the remainder of the wheat sowed, feed cut and starting on the cotton crop. Cotton is opening slow due to the rank growth of most of the crop, both dry land and irrigated fields. Some cotton has already been harvested.

A number of the farmers are having to replant some of their wheat where the Army worms ate it up. Some just didn't get a good stand on some low spots in their fields where water stood. For the most part wheat is looking good. Sure looks good to see green wheat fields over the community once more.

A huge crowd attended church services Sunday. We would like all to take notice to the change in time for the evening service, to 6:30 for Training Union and 7:30 for the preaching service. The pastor would like to see all members of the church and all others living in the community at church each Sunday.

W. M. U. met at the church at 3:30 on Monday afternoon with 8 ladies and 5 children present. The program was from Royal Service this week. Next Monday a lesson from a book on Stewardship will be taught by Mrs. T. L. Perry. The president Mrs. Clifford Helms urges all ladies of the community to come to W. M. U. each week.

Last Thursday Mrs. Clifford Helms, Mrs. L. B. Cozby, Mrs. T. L. Perry, Mrs. Audie Wiley and Mrs. Lee W. Burton went to Ralls to attend the district W. M. U. meeting.

A large number from here went to Lockney during the three days of the Fair. Several 1st and 2nd places were won by folks of our community.

Mr. and Mrs. Russell Crawford of Dougherty attended church services here Sunday night. Mrs. Crawford is a sister of our pastor, Rev. Audie Wiley.

Mrs. Louie Caffee who is a surgical patient in Methodist Hospital in Lubbock is getting along nicely as of Saturday. After leaving the hospital Mary Lou will stay for a few days in the home of her aunt, Mrs. Marie Porter before coming to the home of her parents, Mr. and Mrs. C. H. Wise.

Louie Caffee and son Marc, Mrs. C. H. Wise, Denton and Mona Dell visited at the Methodist Hospital in Lubbock Saturday with Mrs. Louie Caffee. Louie returned to his

One of Quality At County Fair

There was a lot of quality in the live stock show at the Floyd County Fair, according to Bill Gresham, Agricultural Agent of Lynn County, who judged the show on Friday.

The total number of live stock was not high but all classes were fairly well filled with animals of outstanding breed characteristics.

A noticeable feature of the show was the fact that several young men and school boys were in active competition against their elders.

Beef Cattle Division

In the beef cattle division only two bulls were shown. Chester Mitchell of Lockney showed the grand champion, a beef type shorthorn and Dean Walls of Floydada showed the reserve champion, a black Angus. Both were senior yearling bulls.

Beef heifers drew more entries. Bill Norman of Floydada showed the only entry in the 2-year-old heifers class, but in the junior yearling heifers class there were four entries. Beef type short horns shown by Bobby Brown of Lockney won first and second in this class while the same breed shown by Chester Mitchell of Lockney placed third and fourth.

In the heifer calves class Dean Walls of Floydada placed first with a black Angus and Bill Norman of Floydada placed second with the same breed animal.

Dean Walls black Angus calf was

Brown was reserve champion.

In the two females of any age class, Bobby Brown's shorthorns won first, Bill Norman's black Angus won second and Chester Mitchell's shorthorns won third.

Swine Division

Joe Cunyus of Lockney showed the grand champion sow, a Chester White, and Cunyus, Fortenberry & Sherman showed the grand champion boar, also a Chester White.

In the junior sow pig class 7-year-old David Mitchell of Lockney showed the first place winner, while his father, R. C. Mitchell showed the second place animal. Both were Chester Whites. Joe Cunyus of Lockney showed a Chester White which won third place.

In the junior yearling sow class E. W. Turner & Son of Harmony showed the winner, a Duroc and James Teague of Floydada won second with the same breed animal.

Joe Cunyus of Lockney showed the only senior sow pig, which was then named grand champion sow of the show.

In the junior boar pig class, R. C. Mitchell's Chester White won first, E. W. Turner & Son placed second with a Duroc and James Teague won third and fourth, also with Durocs.

E. W. Turner & Son showed the only senior boar pig.

In the mature boar class, Cunyus, Fortenberry & Sherman showed the first place animal, a Chester White later named grand champion, while E. W. Turner & Son's Duroc won second.

In the fat barrows class, only Chester Whites were shown. David Mitchell's animal won first and Joe Cunyus' pig won second.

Sheep Division

In the Southdown and Southdown Cross class of the sheep division Eldon Fortenberry of Cedar showed the first and second place fat lambs. Kenneth Pinner's lamb was third.

Eldon also showed the first, second and third place winners in the Southdown ewe class and the first place Southdown ram.

In the medium wool class, W. W. Buckner of Lockney, a new comer to stock show competition, won first and third place in the ewe division while Leroy Scott's ewe won second.

George Scott's ram won first in the class and Leroy Scott's ram won second.

Brothers Compete. Two of the several alert young men who showed at the Floyd County Fair last week-end were these brothers, George, left, and LeRoy Scott, of Antelope. The brothers showed for the first time in the Junior Live Stock Show last spring. They attend McAdoo school in Dickens County.

C-C Projects Reports Given In Open Forum

Directors of the Floydada Chamber of Commerce held a public wide meeting Monday evening at 7:30 o'clock in the county court room to hear reports on progress the Chamber of Commerce projects have made since they were adopted and placed in the 1933-34 program of work in March.

T. L. Holland, president, presided at the meeting with 20 people attending.

Doyle Mount, chairman of the Agriculture and Livestock Committee, reported on the soil tour that was held in September of this year and told some of the plans the stock show to be held in March.

John Reue reported for the Retail Trades Committee on dollar day and told some of the plans for the Christmas parade.

The report of the Civic Improvements Committee was given by Gene Collins Jr. He told of the bond that failed for the four-lane highway and of the paving of two new city blocks in Floydada. His committee has proposed now the idea of new street names for the city.

O. M. Watson Jr., reported for the health and safety committee telling of the chest X-Ray to be held in December.

The Recreation and Parks Committee was represented by Mrs. John R. Tunnin, Mrs. Greer Christian and Russell King. Mrs. Tunnin reported on the high school summer recreation. Mrs. Christian told of the 7th and 8th grade summer recreation and Russell King reported on the Little League baseball.

O. M. Watson Jr., manager of the Chamber of Commerce, reported on membership and finances and office services offered to the community.

A short period for questions and suggestions on accomplishing the projects was held.

In The Making

A group of Floydada high school exes met Friday afternoon in the school auditorium where they decided to form an ex-student association. About 30 were present for the meeting and Olin Watson Jr. acted as moderator.

After some discussion of plans it was decided the group would elect back to 1930. Those chosen were Mrs. Bob Smith, 1930-1931; Jack Henry, 1931-1932; Ernest Carter, 1932-1933; Mrs. Fred Cardinal, 1933-1934; Mrs. Billy B. Henry, 1934-1935; Roy Teague, 1935 to 1936; and a chairman to be named for the 1936 class.

Mrs. Cardinal was named leader of the group and will call a meeting in the very near future when officers will be elected.

The chairmen of each decade will then be faced with the problem of selecting workers from each class who in turn will start work on a roster and mailing list of their classmates.

Those present Friday mentioned several projects they would like to see put before the association. Among these was a barbecue or feed of some type, dance, party, and several types of entertainment that would make a long drive back to Floydada worth while for exes who live a good distance away. Prizes would probably be offered for largest number in one family, longest distance traveled, etc.

The officers will also be faced with a financial problem of raising money to make the big day a success. Some have suggested a registration fee of \$1, but such matters will have to be worked out at a later date.

Many volunteer helpers will be needed and much information will be sought from the public in getting set for this first real homecoming. Any who can assist the group named above and who would like to see a real live homecoming in Floydada are asked to contact them and make known their wishes.

Next meeting date will be published so that all who wish may attend. All exes in the area are urged to be present.

Funeral for Mrs. L. L. Scott

Funeral services for Mrs. L. L. Scott, 72, father of L. L. Scott, were held at 2 p. m. at the Methodist Church in Floydada.

Survivors include her sons, David of Lamesa, and L. L. of one daughter, Mrs. W. Winters.

Mr. and Mrs. Winters were among the relatives at the funeral.

Protesting and Above In Cotton

Several Floyd County natives are in attendance at a national meeting called by the Texas Chamber of Commerce in Dallas to protest a proposed cotton acreage allotment.

According to the report filed by the representative from West Texas will be over and above the proposed in new acreage "unless we see some action."

The agriculture committee of the Floydada Chamber of Commerce, Doyle Mount, chairman, represented, as well as the farmers generally at the officials.

J. C. (Doc) Brown is reported by his son, to be in good health after a recent illness of two weeks.

Mr. and Mrs. Glenn children of Brockton with Mr. and Mrs. C. Sunday.

Sand Hill News

(By Mrs. James Jeffress)

SAND HILL, Oct. 17—The weather has been nice this week. The grain harvest is well under way in the community. The cotton harvest is still very slow, since most of it is going to be late, everyone is hoping the pretty weather continues.

The Sand Hill Home Demonstration Club met Wednesday afternoon at the club room. Mrs. J. T. Spears gave the council report. The club voted to postpone the "42" party which was to be Oct. 25 and have a Halloween carnival Oct. 29 instead. Mrs. M. B. Swanner and Mrs. James Jeffress will be in charge of refreshments.

A committee consisting of Mrs. J. T. Spears, Mrs. Pat Bullock, Mrs. H. F. Jackson and Mrs. Walter Knight was appointed to decide on the entertainment. Everyone is extended an invitation to come and join in the fun.

Mrs. D. T. Mayo met with the club and gave an interesting report on her trip to the state meeting. Mrs. James Jeffress gave a demonstration of "3 in 1" ice cream. Refreshments were served to Mmes. J. T. Spears, Orbra Miller, M. B. Swanner, C. B. Carmack, Pat Bullock, J. T. Myrick, James Jeffress and Arlon Miller, two visitors. Mrs. Mayo and Mrs. Bill Blair.

The next meeting will be Oct. 27 with Mrs. Pat Bullock as hostess. Mrs. W. R. Billington visited relatives in Matador Wednesday.

We are happy to report that our community won second in our community exhibit at the fair last week. We would like to thank everyone for their cooperation in making this exhibit possible. We would like to offer a special "Thank You" to Mr. and Mrs. Walter Knight, H. F. Jackson, Wayne Billington, Mrs. C. B. Carmack, Mrs. J. T. Spears, James Jeffress, Jim Holmes and Mr. and Mrs. Lynn Miller for their help with the exhibit. We can always look forward to next year. We would like to congratulate Aiken and I-rick on winning first and third. All that entered had lovely exhibits and I know everyone from our community enjoyed the fair.

Those helping in the bazaar Saturday at the fair from our community were Mrs. Walter Knight, Mrs. H. F. Jackson and Mrs. James Jeffress.

VIEWS AND COMMENT ★ ☆ ★ ☆ ★ ☆ ★ ☆

Just how serious the threat is to cotton acreage of the western part of Texas in the impending reduction of allotments remains to be seen. Legislative watch dogs and Farm Bureau officials, cotton ginners and cotton raisers say that the proposal of the State ASC office is to transfer quite a bit of acreage from West Texas to the eastern part of the state. The threat is due to pressure being applied, according to the estimate of Congressman George Mahon, who said he is "very much concerned about the matter." Since there is to be a cut in overall acreage, which seems, under the circumstances, to be justified, a cut that would be fair to all concerned should be made. West Texans will most likely not put themselves in the position of being selfish and asking for more than their share of the forthcoming crop. On the other hand the slash has been deep already and nobody is going to want to give up acreage that rightly should be theirs. Chambers of Commerce, Farm Bureaus and ASC officials are alert to the threat and are bestirring themselves.

The cut in acres is four per cent below the 1955 allotment subject to the approval of at least two-thirds of the growing voters in a referendum which will be held December 13. The accumulation of a surplus is the reason for the cut, the minimum permitted by the law. Individual farmers will know before the voting date how much their acreage allotments will be if they vote to favor the reduction. Last year 92 per cent of the cotton growers favored the allotments. It seems adoptions of the cut for 1956 will also be made.

Half the world, they tell us, is short of food and clothing. If a way could be found to get the American stores to these vast populations there wouldn't be any surplus. Nobody yet has figured out how this can be done, except through straight out gifts. Competitive growers in other nations have to be gotten along with, like competition everywhere, so the giving is difficult to accomplish, even if it proved to be the proper move. The man who comes along and solves the riddle will be a hero.

The Frost Date. Here we are only 11 days from November and only 14 days from the frost date set by the "signs" that old-timers see out in the pastures and around. This week-end, it is said, the temperature is due to get close to the frost mark, probably around 35 degrees. Meanwhile the two weeks and four days since October 1 the cotton crop has made wonderful advances and the same can be said of forage feeds.

Have Blue Northers come to be a thing of the past? The old-time kind that whirled down from the north and froze everything stiff on a two-hour notice? Old-timers are not day-dreaming when they tell of such, the records books are full of them. But not in recent years. Has there been a change in the southwestern climatic conditions, or is it that we are in a weather cycle longer than the memory of man runneth? Whatever it is the weather in recent decades is different from that of the seventies to the nineties of the past century.

People Demand Extras. Prospective customers sing the blues every time there is a rise in the price of automobiles. Since there has been a slight increase in the price, announced along with the new models you hear the anvil chorus. It is true, in our opinion, that the automobile people are letting their prices get out of hand to meet new costs in steel and labor. Likewise taxes have a lot to do with the cost of an automobile at retail. But there are still low prices in the motor car field. An automobile can be bought much cheaper than the prices being paid. If a person only wanted good transportation cheap he could get it. Standard shift, chrome-free, one-color, gadget free, with no radio, no heater cars could be available, with the same horse power rating, motor and chassis at the chromed-up kind demanded of the dealer. In other words, the public's desire for "something better" has a lot to do with the cost of the automobiles.

Practically every car on the road has a heater, a radio, some kind of special transmission, chrome, power brakes, power adjusted seats, power windows, tinted glass, even air conditioning, one or all. There is no demand for the other kind of cars. If there were the manufacturers would make them, and a lot cheaper than the cars the public currently is demanding. We don't exactly mean it when we say automobiles are too high. We mean we can't have all the things we want without having to pay more for them than we would like to pay.

We are convinced the auto makers are using a trouble-making policy toward their dealers, especially their small-city or small-town dealers. The manufacturers couldn't be doing a better job of putting many dealers out of business if they were doing it as a studied matter of business. In fact, one wonders if, in the changing times, the manufacturers may have decided that some of their dealers are expendable. The millions of cars that are on lots of un-franchised dealers in competition with franchise holders is one evidence of the possibility motor car makers may have this in mind. It couldn't happen in every town in the United States if this did not have some part of the truth in it. It could be that the hot competitive situation may be forcing them to do like they are doing, and that auto makers are hung on the horns of a dilemma from which they cannot escape.

Crowding Their Luck. Kind-hearted officers and an even kinder-hearted public have been taking a great deal of budding toughs for sometime in Floydada. The very great per cent of the young people are the salt of the earth. They are better in many ways than were their parents, possibly for the reason they have had better opportunities than their elders had. But there are some who are trying the patience of the citizenship. Friday night's episode when half a dozen cars were wantonly damaged at the football game is another straw added to the burden the camel bears. The youngsters seem to be trying to make it up fool's hill backwards. If they insist and insist on being anti-social they are going to get a chance to run with their kind and let the others have a rest, if we rightly sense the public state of mind.

Veterans Land Program Opens For a New Try

Earl Rudder, Commissioner of the General Land Office, has announced from Austin that the Veteran's Land Board would accept requests for application forms to purchase land through the veteran's land program beginning Oct. 31 1955. Rudder stressed that all requests must be by mail. Requests received before Oct. 31, 1955, will not be honored and will be returned.

Rudder continued that the requests received the five-day period of the first week, beginning Monday Oct. 31, will be placed in a locked box, and then be drawn and numbered. A limited number will be mailed application forms immediately. The remainder will be notified of their relative position. After that first week, requests for application forms will be numbered consecutively as received.

Rudder cautioned veterans on the following matters:

(1) Old application forms will not be honored since entirely new forms have been written under the amended Veterans Land Act. These application forms can be obtained by written request to the Veteran's Land Board only.

(2) The veteran should not send checks or cash with the request for application forms.

(3) The veteran's request must clearly set out his mailing address.

(4) The veteran should have the tract selected which he wishes to purchase before requesting application forms, as veterans will have only 30 days from the date the forms are mailed from the Veterans' Land Board to complete and return them.

Rudder concluded his announcement saying, "This system which we will use is designed to eliminate accumulation of paper work, enable the veteran and seller to conduct their business promptly, and to secure efficient utilization of the veterans' Land Board personnel."

The Right Oil for Right Now is Right Here

Be Weather-Wise! Change to TROP-ARTIC ALL-WEATHER MOTOR OIL

- ✓ EASIER STARTING
- ✓ UP TO 45% LESS OIL CONSUMPTION
- ✓ 40% LESS ENGINE WEAR
- ✓ LONGER GASOLINE MILEAGE

At this time of year your motor may be quite cold when you start it, but moments later burning gasoline creates high engine heat. It takes a special kind of motor oil to protect your engine at such opposite extremes.

TROP-ARTIC All-Weather Motor Oil gives this full range protection. It's a winter and summer oil in one. It resists thickening when it's cold... resists thinning when it's hot. It lets you start easily, always... and compared to older types of oils it can even double engine life!

DON'T GET CAUGHT

CONFUSION

This man isn't entirely lost—not if he can still hear the truth and fight back. Big business is continually trying to spin its web of confusion about our locally-owned rural electric cooperatives, but the web can be swept away by facts.

Those who would destroy cooperatives have found the only way is through spreading confusion—linking half truths and innuendo. But they can't spin their web around those who know that:

- The cooperative way, free enterprise at its best, is as American as apple pie and cornbread. Every co-op member has one share and one vote
- Locally-owned and locally-controlled non-profit rural electric cooperatives pay out millions of dollars in local and state taxes annually
- Rural electric co-ops are responsible for raising the standard of living for its members—some 4-million farm families
- Rural electrification has contributed greatly to the increased business of local merchants—throughout the nation, rural electric co-op members have spent more than \$12-billion on electric appliances and equipment alone
- Rural electric create business for utility industry—about 50% of the electricity used by co-op members is purchased from commercial utilities
- Without the farmers' initiative in organizing co-ops to serve their electrical needs, rural America might well be in the "dark ages" or paying outrageously high prices for electrical energy
- Rural electric co-ops have made possible higher quality food and fiber for the nation in peace and war

**Farmer
Income Near**

Farmer will have a chance to express their views on federal farm income in a U. S. Senate committee hearing in Washington. The hearing is being arranged for the first time and is being held in the hearing room of the U. S. Senate. The hearing will be held on October 25 and 26. The hearing will be held in the hearing room of the U. S. Senate. The hearing will be held in the hearing room of the U. S. Senate.

Committee comprising farmers from over the state will aid in selecting witnesses who have most to say and who will say it forthrightly. We must take full advantage of the opportunity to assert ourselves where opinions and suggestions may bring results.

A major controversial issue sure to be considered is the cotton acreage allotment problem. Much injustice has been done to farmers already in a bind over falling farm prices.

Handling of price supports on basic commodities and other agricultural relief legislation are sure to be subjected to candid views from our panelists.

Any farmers interested in offering opinions and ideas to this group whose final reports are sure to have important overtones are urged to contact me. Any inquiries should be sent directly to: John C. White, Commissioner Texas Department of Agriculture, Capitol Station, Austin, Texas.

**Highlights And
Sidelights from
the State Capitol**

(By Vern Sanford, Texas Press Association)

AUSTIN, — Texas public schools will get state aid this year whether integrated or segregated.

Right of both to state aid was upheld last week by the Texas Supreme Court. It says the U. S. Supreme Court decisions overturns Texas' school segregation laws but

does not force immediate integration. Apparently the court action removed need for a special session of the legislature.

Litigation originated in Big Spring. Suit was brought by the Texas Citizens Council in district court to prevent payment of state funds to mixed schools. High court judges, in effect, upheld District Judge Charlie N. Sullivan's ruling that portions of state law requiring segregation are unconstitutional.

Gov. Allan Shivers was quick to point out that neither the state nor U. S. courts set a deadline for desegregation, but both leave it to local school authorities.

Atty. Gen. John Ben Shepperd who had sided with the Citizens Council, merely said the decision "settles the law in Texas on a state-wide basis." He added that timing will be a "district-by-district matter."

Hospitals Move Forward

A priority list has been set up to use the remaining \$10 million in the state hospital building program fund during the next two years.

On the day a new medical and surgical building was dedicated at the Austin State Hospital, the State Board for Hospitals and Special Schools decided on this order for new projects, by cities: Mexia, Wichita Falls, Austin, San Antonio and Abilene.

Two others, one in Austin, one in Harlingen, are under construction now.

Governor Shivers spoke at the dedication of the \$1,312,000 medical surgical hospital in Austin.

Narcotics Hearings Under Way

Texas has been labeled a "national gateway" for illegal narcotics trade from Mexico.

Witnesses so testified before U. S. Sen. Price Daniel's subcommittee in Austin.

Department of Public Safety Director Homer Garrison charged that Mexican authorities are not cooperating with Texas officers in trying to halt the flow of dope across the border. Garrison and W. E. Naylor, chief narcotics agent of the department, testified that 90 per cent of the heroin and 98 per cent of the marijuana reaching Texas or flowing through Texas came from Mexico.

Daniel invited the Mexican secretary of state and the Mexican representative on the narcotics committee of the United States to attend hearings. They did not show up at Austin, however.

From Austin hearings went to San Antonio, Houston, Dallas and Fort Worth.

Judge Criticized, Supported

Judge Lloyd Davidson of the Court of Criminal Appeals has been the target for both verbal brickbats and bouquets.

Davidson, a new judge, tipped the scales in the court's two-to-one decision nullifying 104 Duval County indictments on grounds the grand jury was illegally constituted.

Atty. Gen. John Ben Shepperd

and Duval Co. District Atty. Sam Burris were sharply critical of the court's opinion. They announced plans to file a motion for re-hearing and said they were considering a motion to disqualify Davidson. He had "expressed himself" on the cases before they came before him as a judge, they contended.

Meanwhile, Hunt and Hopkins County Bar Associations sent telegrams affirming their faith in the integrity of Davidson and the court. Hunt lawyers expressed regret that "politicians have seen fit to abuse Judge Davidson."

Texas Farm Income Down

Texas farm income for the first eight months of the year dropped six per cent below 1954.

Decreases in prices of 10 of the 19 major farm commodities account for the slump, said the University of Texas Bureau of Business Research.

Reported down were cotton, cottonseed, wheat, oats, flax, rice, calves, hogs, wool and poultry. Corn prices remained about the same. Increases were noted for grain sorghum, peanuts, cattle, sheep and lambs, mohair, eggs, milk and fruits and vegetables.

Though cotton prices are down, prospective production is up. U. S. Department of Agriculture forecasts put the 1955 Texas crop at four million bales, 150,000 bales more than was expected a month ago. This would be two per cent more than in 1954, 18 per cent above average.

Ramsey Choice Explained

Lt. Gov. Ben Ramsey was chosen national Democratic Committeeman at the suggestion of U. S. Sen. Lyndon B. Johnson, the Senator explained.

The suggestion was made to Governor Shivers, when the latter paid a visit to the Senator's ranch home where he is recuperating from a heart attack.

Johnson explained that when Shivers returned to Austin, he mentioned the discussion to Ramsey. The Lieutenant Governor then called Johnson to talk over the matter. Ramsey said he wasn't asking for the job, but would take it if it would help solve a difficult situation.

Further discussion between Johnson and House Speaker Sam Rayburn resulted in the choice which surprised many Texans.

SHORT SNORTS—Land Commissioner J. Earl Rudder, chairman of the Veterans Land Board, announced the board will resume loans to World War II veterans on Nov. 1. The board will have about \$6 million available to service loans to an

additional 1,000 veterans. . . Ralph Wolf, former Waco mayor, was named executive director of the State Building Commission, and steps have started for construction of two \$3 million state buildings in Austin. . . Texas has dropped from 12th to 17th in national traffic safety ratings by states, according to the Texas Safety Association. . . Texans entering the armed forces during September totaled 4,698 and 4,249 were separated.

Born to Mr. and Mrs. Clarence Breedlove Wednesday October 12, a son weighing seven pounds and 11 ounces.

CEMENT STOCKS ARE PROFITABLE

For the first time in 20 years, Texans are given the opportunity of purchasing shares in a cement plant in the Lone Star State.

Texas Portland Cement Company is building a 1500-barrel a day plant at Orange, Texas in the great Gulf Coast industrial market.

In the two months that this stock has been offered to the public, more than 4,000 Texans have purchased over 240,000 shares at \$5.00 per share (no par-non assessable).

We heartily recommend this stock, with its great potential for stock appreciation and growth, for your consideration. Because of the great demand for cement now, the building boom now, and in the foreseeable future, all cement stocks are profitable to the purchasers.

Texas Portland Cement Company stock is sold to bona fide residents of Texas and from the prospectus only. Write us for prospectus and full details.

Display of New Pontiac Models Due Tomorrow

The new 1956 Pontiac will be shown in Floydada Friday in the display room of L. C. McDonald Implements. The new dealer, C. E. Delk, will be on hand to show the new car.

Delk, who comes from Amarillo, succeeds Mr. McDonald as dealer for both Pontiac and the GMC truck line.

The 1956 model Pontiac introduces a General Motors "First," a completely new Hydra-Matic transmission. Called Strato-Flight Hydra-Matic by Pontiac engineers, the new transmission is designed to provide smoother, quieter shifting of gears.

The Pontiac Strato-Streak V-8 engine, introduced last year, is larger in 1956 with horsepower upped to 227 in the Star Chief and 205 in the 870 and 860 series. Fifteen new body styles, longer by 2.4 inches, include six "hardtop" catalinas, three of them four-door and three two-door. "Hardtop" models are available in all three series, the Star Chief, 870 and 860.

There is a choice of 57 new colors in "Vogue" two-toning or solid colors. Interiors utilize new fabrics and leather in a wide range of colors.

Pontiac is proud to be the first to introduce a big and vital General Motors first — Pontiac's new Strato-Flight Hydra-Matic transmission. R. M. Critchfield, General Motors Vice President and General Manager of Pontiac Motor Division said today, "In over two million test miles this revolutionary transmission system demonstrated smooth, effortless shifting. This new Strato-Flight Hydra-Matic transmission combined with Pontiac's more powerful V-8 engine will give Pontiac owners a new experience in positive efficient performance. There is no interruption in transmitting power to the rear wheels and gear action is barely noticeable. This positive action insures unhampered acceleration for quick, safe maneuvering.

Foremost among the mechanical improvements in the 1956 Pontiacs are the new Strato-Streak V-8 engines — bigger and sturdier than ever and upped in horsepower to 227 in the Star Chief series and 205 in the 870 and 860 series.

Pontiac offers three Strato-Streak body series in 1956. Longer by 2.4 inches overall, the 15 new body styles have a longer, lower looking silhouette.

Most luxurious of the three series, the Star Chief line consists of the custom Catalina two and four-door "hardtops," four-door sedan, and convertible, on a 124-inch wheelbase and the Safari Station Wagon on 122-inch wheelbase.

In Pontiac's middle-priced 870 series with 122-inch wheelbase are the Catalina two and four-door "hardtops," a four-door sedan, a

PONTIAC OFFERS NEW FOUR-DOOR HARDTOP FOR 1956 — Exciting news in Pontiac's beautiful new line of 1956 automobiles is the Star Chief Custom Four-Door Catalina Sedan. The fleet, luxurious model, finished in custom colors with matching leather and nylon fabric interiors, rides on a road-leveling 124 inch wheelbase. Its new, larger 227 h.p. Strato-Streak V-8 engine and the revolutionary new Strato-Flight Hydra-Matic transmission makes the car the smoothest handling, most powerful ever produced by Pontiac. In 1956, Pontiac offers the popular four-door hardtop sedan in all series.

two-door two-seat station wagon and four-door three-seat station wagon.

Comprising the low priced 860 series are the Catalina coupes and sedans, two and four-door sedans two-door two-seat station wagons and four-door three-seat station wagons.

Four Per Cent Cut In Cotton Acres for 1956

WASHINGTON, Oct. 14 — Secretary of Agriculture Benson Friday invoked federal marketing quotas on the 1956 crop of upland cotton and set the national planting allotment at 17,391,304 acres, the minimum permitted by law. This is 4 per cent below the 1955 allotment.

The quotas are subject to approval by at least two-thirds of the growers voting in a referendum to be held Dec. 13. This would be the third consecutive year of controls — imposed because of the accumulation of surplus supply.

Growers will decide on that date whether to accept a 10,000-bale national marketing quota for next year's upland cotton crop.

That is the minimum quota the secretary can establish by law. The same figure applies to the 1955 crop by virtue of a referendum last December in which 92 per cent of the farmers who cast ballots voted to accept the crop controls.

For the 1955 crop there was a national allotment of about 18,113,000 acres but this actually was underplanted. The yield, however, was heavier than usual. This year's acreage is the smallest planted to the crop in more than 75 years and is about 32 per cent less than the acreage in 1933, the last year growers were free of controls.

The secretary said that individual acreage allotments will be known to farmers in advance of the December referendum.

As in the past, the national allotment will be apportioned to states, the state allotments to counties, and county allotments to individual farms.

If growers approve marketing quotas in the referendum, price support on the 1956 crop will be available to eligible growers at the full level of effective supports. If quotas are turned down, supports to eligible growers will drop to 50 per cent of parity.

Benson has yet to announce the

support level for next year's cotton crop. Supports this year were maintained at the wartime level of 90 per cent of parity but the secretary under the 1954 Agricultural Act has authority to lower supports to a minimum of 75 per cent of parity. Most observers expect the level of cotton supports next year to be fixed somewhere between 83 and 85 per cent of parity.

Savings Exceed \$60,000 Co-op Elevator Report

Net savings of Producers Cooperative Elevators at Floydada and Dougherty were announced at the membership's annual meeting last week at \$60,281.17.

Of this amount \$12,809.75 is to be distributed to stockholders in cash, \$29,948.94 in preferred stock credits and \$17,522.48 in deferred patronage dividend credits, with \$9,042.18 reserved for contingencies.

The figures were given out by an independent auditor at the meeting. R. M. Battey, who presided at the meeting, was re-elected a director. His was the only expiring term on the board.

While the figures reflect the least amount of wheat handled since the organization of the grain dealing cooperative, with only 64,671 bushels received for marketing or storage, the elevators handled more than 22 million pounds of coarse grain and half a million pounds of barley.

Principal commodities dealt in by the elevators on a retail basis were feed, seed, coal and salt. The latter, demanded by stockmen, totaled 182,650 in the year.

Announcing the Fabulous '56 Pontiac

THE STAR CHIEF 4-DOOR CATALINA

Introducing A BIG AND VITAL GENERAL MOTORS "AUTOMOTIVE FIRST"!

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

With all that's newest in glamour—and all that's greatest in "go"—the fabulous '56 Pontiac, now on display, awaits your hands on the wheel.

And when you drive it, you will get the biggest thrill in all your motoring experience—because this car is really loaded!

The big and vital General Motors "First", which heads its long list of look-ahead features, couples the two most advanced high-performance developments in the industry:

1. An all-new, big-bore Strato-Streak V-8 engine that puts 227 blazing horsepower at your toe-tip.

2. A completely new Strato-Flight Hydra-Matic* that delivers this terrific "go" with a smooth surge of power at any speed.

You now sweep from take-off to top performance with the ease of a sailplane.

You slow down for traffic, speed up for passing, or gun for a high hill with the changing pressure of your toe on the accelerator the only sign of effort.

You may have had it smooth before—but never like this! It literally must be experienced to be believed.

That's plenty—but there's much more to make this a date to be long remembered.

There's smart, new beauty and luxury for America's most distinctive car. There's the safety of big brakes and road-hugging length... the security of a smooth new ride and sure-footed cornering.

There are many, many other things which make this beauty as the glamorous pattern for tomorrow's cars. But come in and see for yourself. Take a long look at the six luxurious new Four-door and Two-door Catalina hardtops. Sample the results of its fabulous General Motors "First".

Sure as you enjoy thrilling action, here's your next car!

ATTENTION SPORTSMEN!

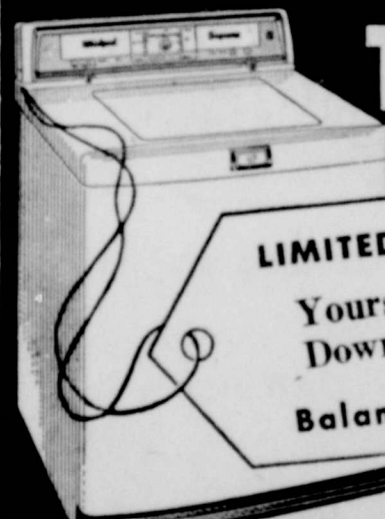

This Fall, sportsmen and others who enjoy the outdoors could cause thousands of forest and range fires unless they are extremely careful with smokes, matches, warming fires, and campfires.

Carelessly caused fires destroy trees, and game cover. They destroy the food and water that produce wildlife and the wildlife itself. So, this Fall...

New Plymouth 4-Door Hardtop

Belvedere four-door hardtop is an entirely new model introduced by Plymouth in its 1956 line of cars. Aerodynamic styling, push button driving and powerful new Hy-Fire engine are among outstanding features. Safety door latches and other safety items are standard equipment.

Freak Tornado Damages Farms

Details of the damage done by the freak tornado that tore through a 10-mile strip in Crosby County during an otherwise gentle rain period on October 4, are told in a report by W. H. Curry, carried in the Crosbyton Review.

The wind was of tornadic strength and twice turned into small twisters, says the Curry report. It damaged two farm homes in the Crosbyton area and also damaged crops. The wind was not felt in Crosbyton.

The storm tore off the back of the roof at the home of Mrs. W. P. Lamar, stripped sheet metal from a barn, damaged a new building at Superior Pipe and Supply Co., then twisted again on the edge of the east plains to tear off part of the roof of the Lawrence Starrett home.

In between winds which one man estimated at 90 miles per hour, and hail as big as golf balls, destroyed or partially destroyed crops on a number of farms over a 10-mile strip. Total damage was reported in an area only about half a mile wide but an area two to three miles in width was affected.

The Floyd County Hesperian, Floydada, Texas, Thursday, October 26, 1955

Some of those in the path of the storm were Weldon McClure, who received 80 percent damage on 60 acres and the remainder about 20 percent; Lawrence Starrett, Jack Tjornhill, Conda Starrett, Frank Cossey and Mrs. Frank Himmel. Many others along the storm's path received lesser damage.

Carl Jarrett, owner of Panhandle Service Station, underwent surgery

last week in West Texas Hospital in Lubbock. Mrs. Jarrett reports he is doing fine.

IA WEEK

beginning Friday, Oct. 21. Plymouth President John P. Mansfield said the new models incorporate major advances in every phase of automobile design, with special emphasis on engine performance safety and aerodynamic styling.

Plymouth has a wholly new engine for 1956. It is a more powerful Hy-Fire V-8 with a polysphere combustion chamber design, a 277 cubic inch displacement and an 8 to 1 compression ratio.

Other major innovations include: Airfoil rear fenders which emphasize and contribute to the aerodynamic feeling of the new models.

A push button drive selector for Plymouth's PowerFlite automatic transmission.

New 90-90 Turbo-Torque Power-Flite on V-8 models. Ninety degree angles at the inlet and outlet blades of the torque converter impeller give faster breakaway performance.

A new four-door Hardtop (Sport Sedan) with an ingenious rear window operating mechanism allowing full side vision for all passengers.

A new line of Suburbans. In Plymouth's 1956 line-up, the Suburbans are an entirely separate group of cars and are available in a wide selection of two-door, four-door, two-seat, three-seat, V-8 and six cylinder models.

New safety door latches to keep doors closed even under severe impact.

New 12-volt electrical system, new pull-type door handles and new deck lid latch.

Highway Hi-Fi, a new car phonograph providing an hour of uninterrupted entertainment, and new Search-Tune radio.

Start New Flomot School Building

Construction of a new building to house the grade school and high school at Flomot was started last week, according to announcement by Superintendent M. J. Schofield.

Contract requires the building to be completed by mid-school term, and contractors have moved equipment to the site where construction is already under way. Construction will be concrete tile, to be left in natural color.

The new building is located immediately east of the old structure. When it is completed, the old building will be razed and the ground on which it is located will be converted into play ground space.

LOCKNEY GARDEN CLUB HAS INSTALLATION OF OFFICERS

LOCKNEY—New officers for the 1956 club year were installed Friday, Oct. 7, in the home of Mrs. T. B. Mitchell for the Lockney Garden Club.

Mrs. Goree Applewhite was in charge of the impressive service installing the following officers. Mrs.

Kelton Shaw, president; Mrs. Frank Roberson, 1st vice president; Mrs. Ruby Merrick, 2nd vice president; Mrs. Alex Norris, 3rd vice president; Mrs. Dale Laceywell, recording secretary; Mrs. A. P. Barker, corresponding secretary; Mrs. A. O. Wines, treasurer; Mrs. Ewald Quebe, parliamentarian; Mrs. Horton Howell, historian.

SAVES TIME

FOR THE PLOW

Farmers like to take time from plowing, other tasks, for mere bill paying. They take the easy, quick way—writing checks. When the farmer writes his check he writes his own receipt and record of the transaction at the same time. His bank invites farmers' checking accounts because we know how much these services will help them.

Shuffle of IL Basketball And Football Schedules Announced

School officials of the new district 2AA which will be used starting next fall for both football and basketball held an organizational meeting in Slaton Wednesday night, October 12. Attending from Floydada were Superintendent I. T. Graves, Principal A. E. Baker, and Coaches Preston Watson and Paul Huntington.

Superintendent Lee Vardy of Slaton was reelected chairman of the district. The basketball schedule for this term in district 5AA was worked out and agreements were reached as to rules, ties, etc.

The 1956 Football schedule was also set. It required a complete re-shuffling as to dates. In order to give each team in the district a home game on each other week-end some of the game sites had to be changed for conference play. Floydada will be required to go to Lockney again next year and Spur will bring their team to Floydada again next season.

Whirlwind 1956 Schedule

- Sept. 7 - Canyon here;
- Sept. 14 - Oilton here;
- Sept. 21 - Ralls here;
- Sept. 28 - Paducah here;
- Oct. 5 - Open Date;
- Oct. 12 - Tahoka here;
- Oct. 19 - Abernathy here;
- Oct. 26 - Slaton there;

Nov. 2 - Post here;
Nov. 9 - Lockney there;
Nov. 16 - Spur here.
The schedule will end one week later than it has the past few years because of the open date on October 5. Teams drew for positions and dates to make up the schedule and Floydada school officials feel it will be a popular one with Spur game coming at close of season as it did for a number of years. The open date before the conference games will give the team a chance to heal wounds for district play.
Only new team on the list will be Oilton which will replace Quanah.

News of Harmony

(By Mrs. Mather Carr)

HARMONY, Oct. 17 — Mr. and Mrs. Bill Edwards attended a reunion of Mrs. Edwards' family at Cisco last week.

Farmers are sure busy now harvesting grain and pulling cotton. Some of the neighbors are getting that cotton in or out.

Mr. and Mrs. Bill Edwards were guests over the week-end in Odessa with friends.

The Carr's were business visitors in Lubbock Tuesday.

The W.S.C.S. met Monday night at the church after missing their regular meeting the week before on account of rain. We were happy to have two new members, Mrs. Phil Gates and Mrs. Horace Krebs. The president opened the meeting and after the business meeting Mrs. Sherwood Ramsey had charge of the program. Our next meeting will be the first Tuesday in November. The community center had their

1956 CHRYSLER FEATURES FLIGHT-SWEPT REAR FENDERS

The Chrysler New Yorker for 1956 offers new flight-swept rear fenders which emphasize the low, slim, taut lines of the car. It features a new 280-horsepower FirePower V-8 engine, fully-automatic push-button drive, new center-plane brakes and super-safe LifeGuard door latches as standard equipment. Chrysler New Yorkers are available in a new four-door hardtop, six-passenger sedan, Newport hardtop, St. Regis hardtop, convertible coupe and high-style Town and Country Wagon.

regular monthly meeting on Tuesday night as Thursday night was committee acting as hostesses. The special speaker from Lubbock spoke on social security for the farmers. The fair was discussed and the fair committees made reports.
Mr. and Mrs. Sim Burrows were guests Tuesday in the Mather Carr home.

Several attended the three day Floyd County Fair at Lockney. We thought this was a very nice fair.
Mrs. Wesley Carr carried Mrs. Della Carr to Lubbock Thursday for a check-up with her doctor. Mrs. Carr was taken to Peoples Hospital that evening for medical treatments where she remained for several days.
Mrs. Loyce Turner and son are on our sick list this week.

Mr. and Mrs. Carrick Snodgrass and Walter Hanna and others left Thursday for Utah on a hunting trip.
Sherry Ramsey left Thursday with the Hale County Home Demonstration agent for Dallas where she will enter the dress review. Sherry won first in Floyd County and third in her district. We wish her success at Dallas.

Several attended the ball game Friday night at Floydada between Slaton and Floydada.

Mrs. Elmer Williams and son Leon of Floydada were dinner guests Saturday in the R. B. Gary home.

We were saddened again Saturday night when the news came to us telling us of the death of Mrs. Jessie McSpaden of Amarillo. She was the sister of G. L. Snodgrass of our community.

Mr. and Mrs. Chloma and daughter and Horace Carr left after Sunday School Sunday for Amarillo to visit the L. A. Williams family. Mr. Williams has not been to well since undergoing major surgery more than a month ago.

We are happy to report M. D. Ramsey was out to Sunday school Sunday and hope he continues to recover.

Teachers were elected last Sunday for the coming year for the Sunday school. They are Mrs. Joyce Davis, beginners; Mrs. Riley Holmes, primary; Mrs. Zant Scott, juniors; Mrs. Kenneth Steward, young people; Bill Tucker, young adult class; Rev. Horace G. Krebs, Wesleyan Bible class.

The Glenn Pools have moved into their new house and are very proud of it.

Mr. and Mrs. G. L. Snodgrass and Mr. and Mrs. Everett Miller want to thank some of their friends, Mr. and Mrs. Al Kennamer, Mr. and Mrs. Ham Smith, Mrs. Bula Olive and Mrs. Maud Morris for being so thoughtful Sunday night for coming over and preparing supper for them, when they returned from Amarillo.

Guests Sunday in the E. W. Turner home were Mr. and Mrs. Bud Turner and son, Mr. and Mrs. S. D. Medley and daughter, V. D. Turner, Harley Vick of Harrison, Ark., and Mr. and Mrs. Loyce Turner and son.

Newell At State Conv Of Land Sur

County Surveyor and Victoria Asher spent last week in Austin. Newell attended at the convention of land surveyors over principally to the invention of the new method of land surveying at which the new method of Public Survey was the principal session.

Several changes in law, which will affect a half century and more land surveying in the said, especially as regards authority to survey for purposes.
