N. W. Williams returned to his home in Floydada Friday following an almost three weeks stay in the Wichita Falls General Hospital where he underwent surgery early this month.

Williams went through the clinic in December and entered the hospital Jan. 2.

This week he was getting about fine and said that he had been advised to take it easy for a spell and could expect complete recovery.

Taking it easy may be quite an order for the patient however as he has been serving on most of the charity drives and civic projects for the past several years and at present is chairman of the Floyd County United Chest and County Red Cross Chapter and is also secretary of the Texas Highway 70 Association.

Mothers March Friday Evening

Floyd County's March of Dimes fund raising campaign has been moving along this week but reports are slow coming in on results obtained thus far.

The Mothers March on Polio scheduled for Friday night Jan. 27 is set to get underway in both Floydada and Lockney when these towns will be canvassed by groups of workers.

At Lockney the drive will be carried out by Lockney Business and Professional Women.

In Floydada Mrs. Kinder Farris heads the mothers march and has announced the following procedure for the evening.

All captains and workers will meet at the Lighthouse Electric Building at 6:45 p. m. for final instructions. At 7:00 o'clock the fire siren will sound and the drive will be on.

Residents are asked to turn on their porch lights signifying their contributions are ready. When the workers call the lights are to be turned off.

Moving cars will drive over town before 8 o'clock to see if all have been contacted. If you have not been called on by 8:00 phone 266 and a worker will come to your address.

All group captains and workers names appear on another page of this paper.

The group will re-gather at the Lighthouse Electric by 8 or when the job is done and tabulate results. Coffee and doughnuts will be served the workers by Mrs. Nancy Morkel and Billy Henry.

Only partial reports have come in from some rural communities with but three of these marked as near complete.

Last Wednesday's Coffee Day in Floydada netted the March of Dimes \$178.93 when coffee shops served coffee to their customers with proceeds from coffee drinkers going to the fund drive.

Bill Henry, county drive chairman reported Tuesday the total turned in to the bank in Floydada was \$367.93.

Thespian Club's Long-Awaited Play 'Our Town' Coming Monday

The Thespians of Floydada High School will present Thornton Wilder's three-act Pulitzer-Prize winning play, "Our Town," Monday and Tuesday evenings, Jan. 30-31 in the auditorium of the Floydada High school. Curtain time has been set for 8 o'clock and admission will be 50c for adults and high school students and 35c for grade school students.

The play will be presented under the direction of Mrs. I. T. Graves, head of the speech department at Floydada High School.

While Wilder set his scene in the small village of Grover's Corners, he depicts a cross section of life which holds universal appeal, making his play outstanding, acclaimed by critics as one of "tremendous force." The play is on the serious side but has moments of humor. It is full of interesting and lovable characters depicting the common everyday people in everybody's home town.

Miss Fontaine Fowler, daughter of Mr. and Mrs. Sam Fowler and senior student at Floydada High, heads the "Our Town" cast with her role of the dramatic Emily Webb. She has formerly played in the all-star cast in area competition in her role of Addie in "The Little Foxes." Fontaine had the leading role in the club's production of "June Mad" last year and has appeared in "Little Women" and "Professor, How Could You!"

Other Members of Cast

In the supporting role will be Joe Smalley, sophomore student, who will play the role of George Gibbs. Joe appeared in "June Mad" last year.

In the role of Professor Willard will be Bobby Rainer, who won the title of best actor in area competition with his portrayal of the lieutenant in "The Wind Is Ninety."

Making his third appearance for the club's production will be Elvis Lowrance, in the all-important role of Frank Craven, stage manager. Elvis has played in "The Wind Is Ninety" and "June Mad."

Louise Johnson, a district, area and regional all star performer in the "Wind Is Ninety" will appear in a double-role of Wally Webb and Cy Crowell.

Other performers in the play are Jerry Coltharp, Dr. Gibbs; Melvin Lowrance, Howie Newsome; Max Crawford, Mr. Webb; Darlene Dorrell, Mrs. Soames; Dennis Whitfill, Joe Crowell; Vanda Carter, Mrs. Gibbs; Billy McReynolds, Simon Stinson; Jerry Crawford, Constable Warren; Bill Thomas, double role, Sam Craig and Man-in-the-auditorium; Virginia Taylor, Mrs. Webb; Dick Galloway, Joe Stoddard; Gayle Rosson, Woman-in-the-box and Billie Goodie, Woman-in-the-Balcony.

The New York Times reports this about the production, "One of the finest achievements of the current stage, Mr. Wilder has transmuted the simple events of a human life into universal reverie. He has given it a profound, strange, unworshipful significance—brimming over with compassion."

With about the best script of his career, Mr. Harris, director, has risen nobly to the occasion. In the staging he has appreciated the rare quality of Mr. Wilder's handwork and illuminated it with a shining performance. "Our Town" has escaped from the formal barrier of the modern theatre into the quintessence of acting, thought and speculation. A beautifully evocative play. A haunting beautiful play."

Country Club Members Meet Friday Night

The membership of Floydada Country Club has been notified of a called business meeting to be held Monday night Jan. 30 at 7:30 in the district court room in Floydada. The action was taken by the board of directors and President Aaron Carter.

Business to be brought up will be the possibilities of writing a new constitution and by-laws for the club.

Proxy cards are also being placed in the hands of all voting members of the club who are being asked to be present at the business session or to name a proxy who may vote their stock at the meeting.

Attendance has been such in the past that no important business can be transacted at meetings and the directors have been bound in their actions by a constitution and by-laws they say is many years out-moded.

The club has undergone many changes in the past two years and costs and operating expenses are up all along the line.

Boedeker Is Chosen President Of Floyd County Fair Tuesday

Chas. Boedeker, of Providence, will serve the Floyd County Fair Association as its president for the year of 1956, succeeding E. L. Turner, of Harmony.

And Boedeker, along with W. C. Whiteley, Lockney Chamber of Commerce manager, will represent the Floyd County Fair at the State Fair and Exposition convention in Dallas next month.

This action was taken along with the election of five new directors and a successor to Turner to keep the ball rolling for a successful exhibition again next fall.

Date for the fair this year will be Sept. 13, 14 and 15, nearly a month earlier in the season than last year, and more nearly in line with dates of other fairs in this region. The date is tentative but most likely to be adopted definitely at a later date.

Twenty-six persons were present for the postponed Tuesday night meeting held in the high school cafeteria in Floydada.

The ready-made conveniences and large area of the abandoned oil mill building in South Lockney will be used again this year for the fair, it was voted.

The resignation of Mr. Turner, who is quitting the farm, called for the election of a director from his area to serve on the board. Zani Scott of Harmony, was the choice for this place to fill out Turner's unexpired year.

The new directors for the fair are:

Willis Reynolds to succeed Howard Cooper of Lockney;

Shirley W. Irwin to succeed Dean Walls of Fairview;

Raymond Rucker to succeed Chester Mitchell of Pleasant Valley;

Doyle Mount to succeed O. M. Watson Jr., of Floydada;

And Fred Cardinal to succeed Bill Norman of Dougherty.

The hold-over directors are Mrs. R. H. Tinsley, J. B. Watson, Mrs. Bob Muncy, Bill McClaskey, Chas. Boedeker, Pat Stansell, Mrs. John Smitherman and Mrs. Harry Morckel.

Officers of the board, other than the president, will be chosen at the next regular meeting, in February, according to present plans.

Fog, Mist But No Rain Falls

Following several days of fog, mist, drizzle and sleet the weather is continuing to bring bright sunny days again in Floyd County.

High temperature for the week was recorded yesterday (Wednesday) with a reading of 61. Low temperature was last Thursday with a 17.

Last Friday a trace of rain and fog was recorded with a high of 53 and a low of 21. On Saturday a heavy fog was recorded and the reading was 41 high and 27 low.

Yesterday was the first morning that a freeze has not been recorded.

Although local residents made many miles of travel in the four-day period of fog and mist the sheriff's office said they had no reports of any accidents or injuries on the highways.

Carter Chosen C-C President

E. C. Carter will be the new president of the Floydada Chamber of Commerce for 1956 according to an announcement made by the local chamber.

Carter was elected president at a meeting of the new Board of Directors on Tuesday.

The board also elected Mitchell Parrish as vice-president and Gene Collins Jr., treasurer for 1956.

Three directors at large which are authorized by the chamber's by-laws were appointed by the new president and approved by the board.

The three appointees are J. M. Wilson Sr., Mayor Lewis Norman and Floyd County Judge W. E. Grimes. Tate Jones was also appointed a board member to fill a vacancy on the board.

Hold over members of the board who will serve the second year of their term of office are Everett Perry, Clinton Pyffe, and Olin Bryant.

New members recently elected by the Chamber of Commerce membership include A. L. Wylie Jr., Carl Minor Sr., Cecil Hagood, Fred Martin, Mitchell Parrish and Gene Arvine.

New Certificates Are Requirement For All Teachers

Attention of Floyd County people who hold teachers certificates is called to the fact that a new certificate law is now in effect, which, in practice, calls for all old certificates to be turned in and applications made for new certificates.

County Superintendent Clarence Guffee calls attention to the new law and the need for turning in old certificates.

Persons not now teaching, in particular, are likely to overlook the new regulations.

Application for new certificate is a formality which can be made with-out expense to the applicant, and Mr. Guffee has the needed blanks for the purpose at his office.

Father Of Frank McClure Succumbs

CROSBYTON — Funeral service for Thomas Jefferson McClure, 78, long-time Crosby County resident, was held at 2 p. m., Wednesday of last week in the First Baptist Church.

Rev. Carl Grisson, pastor of the Andrews First Baptist Church and a former pastor here, and Rev. Wayland Boyd, pastor of the Crosbyton First Baptist Church, officiated. Burial was in Crosbyton Cemetery under the direction of King Funeral Home.

Mr. McClure died in Crosbyton Clinic Hospital at 7 p. m., Jan. 15, following a heart attack suffered four days earlier at his home.

Mr. McClure had been a resident of Crosby County since 1922, living the entire time at his home in this city. He was a deacon in the First Baptist Church.

Survivors include four daughters, Mrs. C. R. Givins of Lubbock, Mrs. J. B. Lott of Fort Worth, Mrs. Florence Hendrick of Dallas, and Mrs. M. X. Henderson of Idalou; two sons, Marvin of Poway, Calif., and Frank of Floydada; two brothers, Riley of Shamrock and John of Stephenville; 18 grandchildren and seven great-grandchildren.

Miller To Attend Vegetable Meeting

Arlon Miller, of Sand Hill, will represent Floydada at the vegetable growers meeting in Plainview, Tuesday of next week, when area town representatives will meet to talk organization for vegetable growing and marketing. The meeting is scheduled for 2 o'clock p. m.

Ronald Davis, a Lazbuddy farmer, whose cotton acreage allotments have been shrinking from year to year, has the idea to try for an area organization that will promote production and sale of vegetables from the high plains on a grand scale, with area-wide membership and backing.

At his instance the representatives are gathering at city auditorium in Plainview to "kick the idea around" and "see what they can come up with."

Others from Floydada who expect to attend the meeting as lookers-on are County Agent W. G. Rodgers and O. M. Watson Jr., of Floydada Chamber of Commerce.

Trick Knee Hospitalizes C. L. Berry Jr. At Spur

C. L. Berry Jr., recently named principal of Spur High School, is in the hospital there this week, and an operation for an injured knee is indicated as probable.

Berry was hurt Monday evening in a March of Dimes benefit basketball game. A trick knee from high school days in Floydada was re-injured in a fall.

Mrs. C. L. Berry Sr., left for Spur Tuesday to be with her son, since an operation was deemed likely.

7 Texas Cities Represented At Hiway 70 Meet

Farnell Powell and O. M. Watson Jr. attended the regional Highway 70 Association meeting held in Clovis, N. M., Monday, Jan. 23.

Powell is president of the Texas association and Watson represented the Floydada Chamber of Commerce at the meeting.

The Clovis Chamber of Commerce was host to the gathering.

Charles Hasing, national president of the highway group, presided at the business session and a review of progress made in 1955 was heard and plans for 1956 gone over.

Plans were made for a Texas association meeting in Matador on Feb. 13 and for the national convention to be held in Tularoso, N. M., Aug. 17-18.

Texas was well represented at the Clovis meet with 16 there from this state representing Floydada, Muleshoe, Vernon, Matador, Plainview, Farwell and Olton.

Grain Sorghum Growers Assn. Pushing Claims

Ewald Quebe, president of the Floyd County unit of the Texas Grain Sorghum Producers Association in Floydada Tuesday expressed the belief that the panhandle delegation which attended the Senate Agriculture committee hearings in Washington made a good impression on the committee and accomplished about all that could have been expected of them in the capital city.

The delegation, composed of Harold LaFont and Frank Moore of Plainview and R. G. Peller of Hereford, felt that nothing more can be done at this time, Quebe reported.

"They were given a good hearing on our situation. The actual Farm Bill should go to the Senate about the middle of February and we plan to be represented at that time," Quebe said.

"Good cooperation was reported and some real hard work was put in by our elected representatives from this area. George Mahon and Walter Rogers went all out to assist our people."

There will be a meeting this evening at Amarillo at 7:00 p. m. for the county delegates to meet with the executive committee to hear a report from the group that went to Washington.

Local Meeting Called

Another meeting of the local grain sorghum producers has been called by Mr. Quebe for the night of Feb. 3 in Lockney High School auditorium, at 7:30 o'clock, when the developments will be sized up and all information will be brought up to-date. Quebe is hoping for a big general attendance at this meeting.

February 24's Deadline For New Grower Cotton

New grower cotton allotment applications in Floyd County should be made before Feb. 24, office administrator Tom Hutchins of the county ASC committee said this week.

To be eligible for consideration as a new grower the applicant must not be operating at present any farm units having cotton allotments. The further requirement is made that the applicant's principal income must be from farm operation.

Adult Leaders Organize Boxing Club; Asking Help on Equipment

Several adult leaders in community sports and athletics met Monday night at the Legion Hall and organized the Floydada Boxing Club.

Elected to head the organization were J. D. Parks, president, Roy Teague, secretary-treasurer, Buddy Hatley, equipment manager, Nolan Arney, Joy Ward and Carlton Fawcett, trainers.

Boys 12 years of age or older are invited to join the club and must have parents consent to become members.

Objects of the organization are to teach boys to box, give them an opportunity to train for Golden Gloves competition, and give them a place to meet and enjoy good clean sport with adult supervision.

Workouts are planned for the nights of Monday, Tuesday, and Thursday, and on Saturday afternoons of each week. Meeting place will be the American Legion Hall.

President Parks in reporting these plans to the Hesperian stressed the need for financial assistance in carrying on.

The club will need lots of equip-

Turner Dispersal Sale Brings Swine Buyers From Area Towns

Sixty-five head of purebred Duroc Jerseys were auctioned Saturday afternoon at the Rodeo association show barns in east Floydada in E. W. Turner & Son's dispersal sale.

Several of the animals remained in Floyd County, added to herds already established here, but nine area points outside of the county had buyers who bought one or more of the animals.

The herd was sent to B. F. Hore of Paducah, and E. W. Walls of Fairview bid in one of the young boars. Other Floyd County buyers included A. G. Eubanks of McCoy and Leon Ferguson of Starkey. Wade Martin of Plover, was a successful bidder at the sale also.

Olton, Petersburg, Levelland, Rowena, Dimmitt, Lubbock, Paducah and Ralls were among the towns represented by buyers at the sale.

E. L. Turner said the high bid for a bred sow was \$55 and the average \$42.50. Bred gilts averaged about \$40. The high gilt pig brought \$33 and the low was \$11 in this class.

Boars ranged from \$55 down to \$40.

"What we would rather have done was to stage the sale as an annual event instead of as a dispersal sale. Change in our plans called for us to get out of the registered swine business, however," Mr. Turner said. The animals, he estimated, averaged about \$17 per head above the run of the market.

The Turners considered the sale a good one, considering the tight money situation and the adverse conditions in the hog market.

Virus Attacks Business Ranks

Collis Roland is suffering with a virus infection this week that has kept him off the job since Saturday. Roland took sick Sunday and was still at home yesterday.

Travis Collins is back on the job at Felton-Collins this week following a four day siege with the same sickness which kept him in the latter part of last week.

Collins said that so far the force was having their illness on a rotating basis that hadn't left them too short-handed to carry on.

Other local business and professional men who have been temporarily side-lined include:

J. M. Wilson Sr., who spent 10 days wrestling with some type of virus and got on the job again Tuesday.

Dr. Geo. V. Smith, who was incapacitated for three weeks with an infected leg and was at his office for the first time Wednesday;

Earl Poage, of Floydada Implement Co., who had to lay aside his order book Saturday and had not emerged from the sick room as late as yesterday at noon.

Officials Plan League Events

Officials of district 5AA met in Floydada last night to lay plans for the spring interschool league meet and to elect a director general for the spring event.

It was considered probable before the meeting that Floydada would be chosen as site for the literary events and possibly those of track and field, also. There has been some interest in holding the district track meet on the new cinder track at Texas Tech, however, and this may be the site chosen.

In the event the meet is scheduled for Floydada, Superintendent I. T. Graves, Principal A. E. Baker and the coaching staff of the Floydada schools and many of the faculty members will have charge of most events and Graves will probably be named director general.

Local Boys Have Steers in Show

Two Floydada High School Aggies will have steers entered in the Fort Worth Fat Stock Show.

They are Tommie and Carl Brock, sons of Mr. and Mrs. W. H. Brock. Their calves are Angus, from the Bill Norman herd at Dougherty.

The boys left yesterday for the show. Club boys calves will be Saturday and the judging done Saturday.

Ag teacher James Carroll and four other members of the Aggie Club will leave tomorrow for Fort Worth to see the exhibits and to watch the live stock judging events.

Mrs. Oden Convalescing At Scott & White Hospital

Mrs. Conner Oden is convalescing this week in Scott & White Hospital in Temple, where she underwent surgery last mid-week. She is due home within a few days.

Mr. Oden and Dr. and Mrs. A. E. Guthrie, who accompanied Mrs. Oden to Temple, returned to Floydada Saturday.

New Market Opening

Charles Day this week announced that he is planning the opening of Chuck's Meat Market at 317 East Houston Street for Wednesday of next week.

The location was recently acquired from H. M. Redd by W. B. Winn, from whom Day has leased it.

Leon Ferguson, Above, Was One Of The Buyers At The Turner & Son Registered Duroc Dispersal Sale Saturday. Ferguson Invested In Bred Gilts To Take To His Farm Near Starkey.

'First Rate' Home-Coming Is Aim Of Local FHS Exes For This Fall

Committee members of the Floydada ex-students association met Tuesday night at the Chamber of Commerce office to lay further plans for a first rate homecoming new for next fall.

The group moved to set registration or membership fee at \$2 in order to adequately finance a good program that would include such things as a barbecue, dance, party and such social functions as would make it a program worth driving "home" to for those who live a good distance away.

President Ernest Carter issued a call for all exes living near at hand to get their fee in early to one of the officers of the association or to Gene Collins Jr., at the bank. This is important to get some funds on hand to carry on the mailing program.

Exes are also asked to be collectors of the group, he said.

Singers To Meet Sunday Afternoon

Joe Reeves, of Lockney, this week calls attention to the forthcoming meeting of the Six-County Singers Association Sunday afternoon at 1:30 o'clock. The date is Jan. 29. Lone Star school house will be the meeting place.

There will be no Saturday night session, according to Earl Raper, of Plainview, president.

The public is cordially invited to attend.

Conkey Guffee and Richard Rice took twelve boys to Camp Haynes, the Boy Scout Camp near Silverton, on a winter camping trip over the weekend. This was a District Encampment and boys from over this area attended. The sponsors reported a wonderful time.

Your Automatic Washer

Water is the most important ingredient in the washing recipe. Soft or softened water should be a must. If the water is hard, a mechanical water conditioner is a satisfactory answer.

The size of the load can make for good results or poor. Overloading so that the clothes cannot move freely through the water means that soil cannot be removed satisfactorily. When large sheets and other items are to be washed, it is better to use only two or possibly three — with smaller items than to load the machine with all big pieces.

Grandmother thought that long-time or overnight soaking of clothes was necessary; now it is considered a poor practice. Soil loosened during the early moments of soaking will later redeposit in the wet fibers and be more difficult to remove later.

Wylie Rogers went to Lubbock on business over the week-end.

Mrs. Nora Gloor and daughters, moved to Andrews last Monday to join her husband, J. D. Gloor, who is working there.

Wylie Rogers, Red Gregory and O. A. Neff attended the Group V Line Superintendents' meeting at the Hilton Hotel in Plainview last Thursday.

Paul Schwedler of Lubbock was a co-op visitor on Monday morning.

Your Electric Dryer

Length of drying time depends on three factors:

- 1. Kind of drying time depends on three factors.
2. Size of load.
3. Amount of moisture.
Drying time for clothes from a wringer washer will be somewhat longer, since a wringer does not remove as much moisture as an automatic washer which spins the clothes damp-dry.

DO YOU LEGS HURT

This may be the age of planes, autos and the own legs are still the most important means of locomotion. Recall the time you had to limp after an ankle, and you'll remember you got a new appreciation of your legs. You're too busy using them to appreciate them. Remember that the legs are at any place along a nerve. Frequently there will be one side of the leg on the other. That is because of a continuous nerve throughout the body. In the legs it is especially true. The cause of nerves here are intertwined with many parts of the body. For example, a disease of the pelvic organs (lower) may register in the sole of the foot. Sciatica is a common cause pain in the legs, inflammation of the sciatic nerve which leaves the lower spine and passes down the length of the leg. Arthritis and structural changes of the foot may cause pain in the legs. For this reason, chiropractic has been successful in most cases of leg pain, and in many cases of underlying causes at them.

Couple Celebrate 23rd Anniversary In Their New Home

Mr. and Mrs. John Key West celebrated their twenty-third wedding anniversary Sunday afternoon, Jan. 22, from 2:00 to 5:30 o'clock with open house in their beautiful new home, 1 1/2 miles north of Floydada on the Silverton Highway.

Their daughter, Mrs. Kenneth Bean, and first cousin, Mrs. Loy Lee Trice, assisted the Wests in receiving the guests at the door.

Mrs. D. B. Dorsey, and Mrs. A. M. Dorsey, sisters-in-law, directed the guests through the new home, and sisters of Mr. West, Mrs. Jan Moore, and Mrs. Paul Muff, showed guests through the display rooms where the gifts were, and on through the kitchen and den, where Miss Sherie Darden and Miss Sonja Wilson presided at the lace covered table.

Punch and dainty tea cakes were served the guests from crystal appointments.

Married At Bovina
Mr. and Mrs. John Key West were married in the home of Rev. Ancil Lynn, pastor of the Methodist Church in Bovina, on Sunday, Jan. 22, 1932.

Those present at the wedding were Mr. and Mrs. I. W. Quikel, Mr. and Mrs. Wilbur Charles and Mrs. John L. West and daughter, Ione.

Mrs. John Key West was the former Madge Dorsey, daughter of W. M. Dorsey of Floydada. The family moved to Floydada from Lubbock in 1930.

John Key West was reared here, and his father, John L. West lives in Floydada.

Mr. and Mrs. John Key West moved to a farm 1 1/2 miles north of Floydada when married and had not moved since until they bought their present land from Mr. and Mrs. Audie Noland and planned and built their new home.

The home is not yet completed due to bad weather conditions. The Wests are the parents of four children: Mrs. Kenneth Bean, who lives near them, Johnny, who is in the armed forces, and now stationed at Fort Ord, Calif., Winfred, attending Floydada High School and

Dale, who is in school at South Plains.

They have two granddaughters, Diane and Carla, daughters of Mr. and Mrs. Kenneth Bean.

Out of town guests present at the open house and anniversary were Mr. and Mrs. W. I. Moore, Mr. and Mrs. W. F. Newsome and sons and Mr. and Mrs. D. B. Dorsey, Sherry, Carol and Linda, all of Lubbock.

Mrs. Olive Myers, Perry E. Cassy, Mr. and Mrs. Robert McDonald, and Mr. and Mrs. Buck Sams of Lockney; Mr. and Mrs. Wilton Whithead of Tulsa; Mr. and Mrs. I. W. Quikel (guests at the couple's wedding in 1933) and A. G. White of Bovina; Mr. and Mrs. Gordon Lowe from Plainview.

Silverton family present were Mr. and Mrs. J. K. Bean.

There were 115 guests registered for the occasion.

Billy Henry and Mike Matsler Given Party On Twelfth Birthday
Billy Henry, son of Mr. and Mrs. Billy Henry Sr., and Mike Matsler, son of Mr. and Mrs. Leonard Matsler, were honored on their 12th birthdays, Tuesday evening at the American Legion Hall from 5:30 until 8:30 with a birthday party.

A hot dog supper with all the trimmings was served by the boys' mothers to the guests.

The birthday cake, made by Mrs. Henry, was quite an unusual one. It was decorated in white icing. Mrs. Henry took sugar lumps soaked in lemon extract and placed them on top. Before the cake was served the sugar lumps were lighted and it made a flame atop the cake.

Those attending the party were Vicki O'Neal, MarGwen Lackey, Barbara Gilly, Janice Trapp, Patty Patrick, Lajuana Rimmer, Sarah Holmes, Wanda Hrabal, Mary Kay Asher, Sherri Burns, Barbara Darden, Margaret Nash, Mary Word, Janet Boren, Janet Moore, Jill Matsler, Jennifer Henry, Van Stovall, Max Bradley, Charles Christian, Dick Watson, Rickie Holland, Joe Rainer, Dale Newberry, Larry Mayo, Carroll Hall, Frank Barrow, Ray Walker, Jerry Powell, Jerry Battey, Bill Hicks, Van Trapp, Don Switzer and Jay Holmes.

MRS. BEN W. BOYD

TFWC Candidate
DENTON — Mrs. Ben W. Boyd, formerly regional vice president of the Texas Federation of Women's Clubs, has been presented by the Woman's Shakespeare Club of Denton as a candidate for first vice-president of the Texas Federation of Women's Clubs at the May, 1936, election to be held at the state convention in Dallas.

A life member of the Woman's Shakespeare Club, Mrs. Boyd has been an active and enthusiastic organizer and leader in club, church, and civic affairs.

The Denton Ariel Club, Junior Shakespeare Club, Denton City Federation, and the Denton County Federation joined the Woman's Shakespeare Club in commending Mrs. Boyd to the club women of Texas for first vice president.

Daughter Is Honored at Birthday Dinner
Mrs. S. J. Latta complimented her daughter, Alice, with a dinner on her birthday last Thursday evening in their home on the Matador highway at 7 o'clock.

The serving table was laid with a white Madiera cloth centered with an arrangement of variegated pink carnations with streamers bearing "Happy Birthday Alice." Silver candelabras with pink tapers completed the decorations.

Those present were Miss Ardyth Hatcher, Bill Thomas, Miss Catherine Appling, Joe R. Appling, Miss Betty West, Wayne Schulz of Crowley, David Badgett and the honoree, Alice Latta.

When a nice thing comes your way, you expect to get certain congratulations: Close personal friends must, and usually want, to tell you they are glad Acquaintances you've made through clubs and the church, or your job, often say something nice.

Then there are the more or less professional well-wishers — those who always give the diplomatic thing. Maybe they're naturally kind-hearted; maybe they're just good politicians. At any rate, they add to the general pleasure of the person they congratulate.

All of these are appreciated, and certainly they can't be taken for granted. Still the person who receives them is pretty well prepared for them. But any woman who has ever had what might be called the right kind of public attention for any reason will agree that it's sometimes the completely unexpected responses that mean the most.

Not long ago we drew a lucky number, so to speak, on a community activity, and got credit for things a lot of people had helped bring about. A number of kindnesses came our way — flowers, notes and telephone calls. One of the most interesting, however, came from the kids next door. Shortly after noon on a Saturday, they rang the back doorbell.

The little girl, about thirteen, carried a small package wrapped in aluminum foil. Her younger brother stayed at her heels. They walked into the kitchen and stood.

From time to time, she would say to her teasing shadow, "Go on home. I want to talk to her."

"No," he would answer, "I want to see you do it."

This went on for some time, then she despaired of privacy and handed me the package — cookies she had baked. "They're for you," she said. "We're glad you got your picture in the paper."

There was no doubt about the genuineness of that one — it was real!

Mr. and Mrs. Clyde Rogers and family of Lubbock and Mrs. Ben Whitaker and daughter of Smyer were week-end guests in the home of their parents, Mr. and Mrs. J. J. McKinney.

Mrs. Wilson, Nee Foster, Honored At Bridal Shower

Miss Frances Foster, now Mrs. James G. Wilson, was honored with a miscellaneous bridal shower Jan. 11 in the home of Mrs. Tom Porter of the Starkey Community from 3 until 5 o'clock.

Guests were greeted at the door by Mrs. Porter and presented to Mrs. W. Earl Foster, mother of the honoree, Miss Frances Foster, the honoree, and the bridegroom-elect's mother, Mrs. George Wilson.

Mrs. Junior Day presided at the bride's register.

From a table laid with a white cloth over pink, punch, bell shaped cookies and nuts were served. To complete the table decorations a colonial bridal bouquet was used in the center of the table. Pink and white tapers were used. Mrs. Bill Fulton presided at the crystal punch service.

Hostesses for the occasion were Mesdames Clarence Reddy, Tom Porter, Cleo Fulton, Olin Bryant, Bill Fulton, Junior Day, Keller Holmes, Luther Holmes, Miss Lawrence, O. F. Cummings, Harlan Day, Claude Payne, Bud Stephens and Mrs. Harvey Tardy.

Approximately 60 guests registered and sent gifts.

Club Elects Mrs. Koenen President

Mrs. H. J. Koenen was elected president of the 1922 Study Club for 1935-37, when the club met last Thursday in the display room at the R.E.A. building.

Other officers to serve with Mrs. Koenen are: Mrs. W. H. Henderson, first vice-president; Mrs. Jim Barnard, second vice-president; Mrs. Jim Colville, recording secretary; Mrs. W. O. Tye, corresponding secretary; Mrs. C. A. Caffee, treasurer; Mrs. E. F. Stovall, reporter; Mrs. Glad Snodgrass, parliamentarian and Mrs. Phil Gates, custodian.

An Educational Program, with Mrs. Lon Smith as leader, was given by a panel from the high school. Using for their theme, "Youth Speaks Out."

Mava Johnston discussed "Education as I see it" and Joyce Hammonds spoke on "Horace Mann — The Father of Education." Darlene Dorrell closed the panel with a paper, "I Was A Hobo Kid."

Mrs. Snodgrass concluded the program with a dramatic talk on our responsibility to the United States flag closing with the pledge to the flag.

The next meeting will be Feb. 2 in the home of Mrs. W. H. Henderson. The theme of the program will be "Greatest Thru Religion." Mrs. Richard Stovall will be guest speaker. She will discuss the "Six Religions of the World."

Mrs. Sam Green Is '29 Club Hostess

The 1929 Study Club met Thursday afternoon, Jan. 19, at 3 o'clock in the home of Mrs. Sam Green on the Matador Highway.

The meeting was opened with the singing of the club song, and Mrs. E. L. Norman, president, presided at the business meeting.

Mrs. Gordon L. Downing, program chairman, spoke on "Doors to Kindness." In her talk she stressed the importance of good for evil in everyday life.

Refreshments of date loaf cake, cream cheese sandwiches and coffee were served to Mesdames W. H. Bethel, Hollis R. Bond, A. B. Chapman, C. W. Denison, Gordon L. Downing, R. E. Fry, John E. Hoffman, Tate Jones, A. H. Kreis, S. J. Latta, J. D. McBrien, E. L. Norman, Lee Rushing, W. W. Trapp, R. M. Stovall, J. C. Veach and the hostess, Mrs. Green.

The next meeting will be Feb. 2 in the home of Mrs. Tate Jones. The program will be "Doors to Friendship" and each member is asked to bring two guests.

Fairview News

(By Mrs. Clyde Bagwell)
FAIRVIEW, Jan. 24 — The fog
and mist of the past four days was
nice but it would have been nicer
if we could have gotten a good rain
or some snow like the folks down
state received.

Fairview Baptist Church has a
new pastor, Rev. Albert Hinkleley.
He preached for both services Sun-
day. He was accompanied here by
his wife and two daughters, Linda
and Alberta. The Hinkleleys have
two other children, a son, Ward and
a daughter, Lorna. The new pastor
and family will move to the par-
sonage after the first of February.
Rev. Hinkleley is a student in Way-
land College and Mrs. Hinkleley is
employed in the tax-assessors office
in Plainview. The Hinkleleys were
dinner guests Sunday in the Walton
Wilson home.

WMU met in an all day meeting
Monday in the home of Mrs. Lee W.
Burton. This was work day for the
ladies and a quilt was quilted. A
covered dish luncheon was served at
noon to 12 ladies and three children.
Those enjoying the day with Mrs.
Burton were Mesdames Clifford
Helms, Chil McClure, A. S. Mize,
W. B. Wilson, T. L. Perry, Walton
Wilson, E. W. Walk, Jim Stewart,
W. B. Cozby, Clyde Bagwell, C. W.
Payne, Carolyn and Phyllis Burton,
and Del McClure.

We are glad to report that Mrs.
Shirley W. Irwin is home from West
Texas Hospital in Lubbock, where
she underwent surgery last week.
She returned home Saturday and

is doing just fine. Mrs. Delphia Cook
will remain in the home for several
more days to take care of the chil-
dren until Mrs. Irwin gains her
strength.

Mrs. Tackett is up and about some
now. She and Mr. Tackett called
in the Irwin home for a short time
Sunday. Mrs. Lee Burgett and Mrs.
Carl Nelson also called to see Mrs.
Irwin Sunday.

Those making short calls to see
Mrs. Irwin Monday were Mrs. E. W.
Walls, Mrs. Chil McClure and Mrs.
Clifford Helms.

Mr. and Mrs. Winifred Payne and
children of Floydada visited his
parents, Mr. and Mrs. Cecil Payne,
Sunday.

Mr. and Mrs. T. L. Perry and Jan
went to South Plains Friday night
where they visited Rev. and Mrs.
Larry Faus, Vassie Beth and Booby.
Others visiting in the Faus home
that night were Mr. and Mrs. S. D.
Kinbrough and daughters of South
Plains.

Bonnie Helms spent Sunday with
Sharon Burton.

Mr. and Mrs. L. B. Cozby visited
Sunday afternoon with Mr. and Mrs.
S. H. Tackett.

Mr. and Mrs. T. L. Perry and Jan
went to Plainview Wednesday where
they visited Mr. and Mrs. Grady
Reeves and family.

Mr. and Mrs. J. C. Hammock and
children of Lubbock spent Saturday
night and Sunday as guests of her
sister and family, Mr. and Mrs.
Chil McClure and Del Friday night
visitors in the McClure home were
Mr. and Mrs. Ray Lloyd and sons.

Mrs. Sam Reeves and Mrs. Ray-
mond Reeves of South Plains spent
Thursday with Mrs. Walton Wilson.

Saturday night visitors in the Ray
Lloyd home were Mr. and Mrs. Cal-
ford Helms, Bonnie and Judy, Mr.
and Mrs. T. L. Perry and Jan and
Mr. and Mrs. S. D. Kinbrough and
daughters.

We have a new family moving to
the community on the McCrutchin
farm, formerly occupied by the Kin-
brough family. Mr. and Mrs. Lloyd
Sims are moving here from Brown-
field. Mrs. Sims is an aunt of S. D.
Kinbrough. We welcome this new
family into our community.

Mrs. Joe Robertson of Center gave
a demonstration on Gail Richards
cosmetics in the home of Mrs. Chil-
ford Helms last Wednesday after-
noon. Seven ladies were present.

Dickie Lee Rushing of Lubbock
came last week to stay several days
with his grandparents, Mr. and Mrs.
Lee Rushing.

Lee Rushing and Shirley W. Irwin
made a business trip to Amarillo

Monday.
Mr. and Mrs. T. L. Perry and Jan
were Sunday dinner guests of Mr.
and Mrs. Clifford Helms and daugh-
ters.

Mr. and Mrs. Sid Brown of Cedar
Hill visited Mrs. W. B. Wilson Fri-
day night.

Mrs. W. B. Wilson visited Wed-
nesday afternoon with Mrs. Jim
Stewart.

Jim Dan Stewart is staying in
Plainview for a few days in the
home of his aunt, Mrs. Odell Staple-
ton.

Mrs. Edell DuBois visited Tuesday
in Floydada with Mr. and Mrs. Bill
DuBois. On Thursday she visited
Mr. and Mrs. Bud DuBois.

Sunday visitors in the Lee Burgett
home were Mr. and Mrs. George
Burgett, Mr. and Mrs. Carl Nelson
and family, Mr. and Mrs. Zollie
Burgett and Clyde Bagwell.

W. T. Cornelius Passes at Altus

W. T. Cornelius, uncle of E. L.
Cornelius and Mrs. Pierce King of
Floydada, died Monday night Jan.
16 at his home in Altus, Okla.

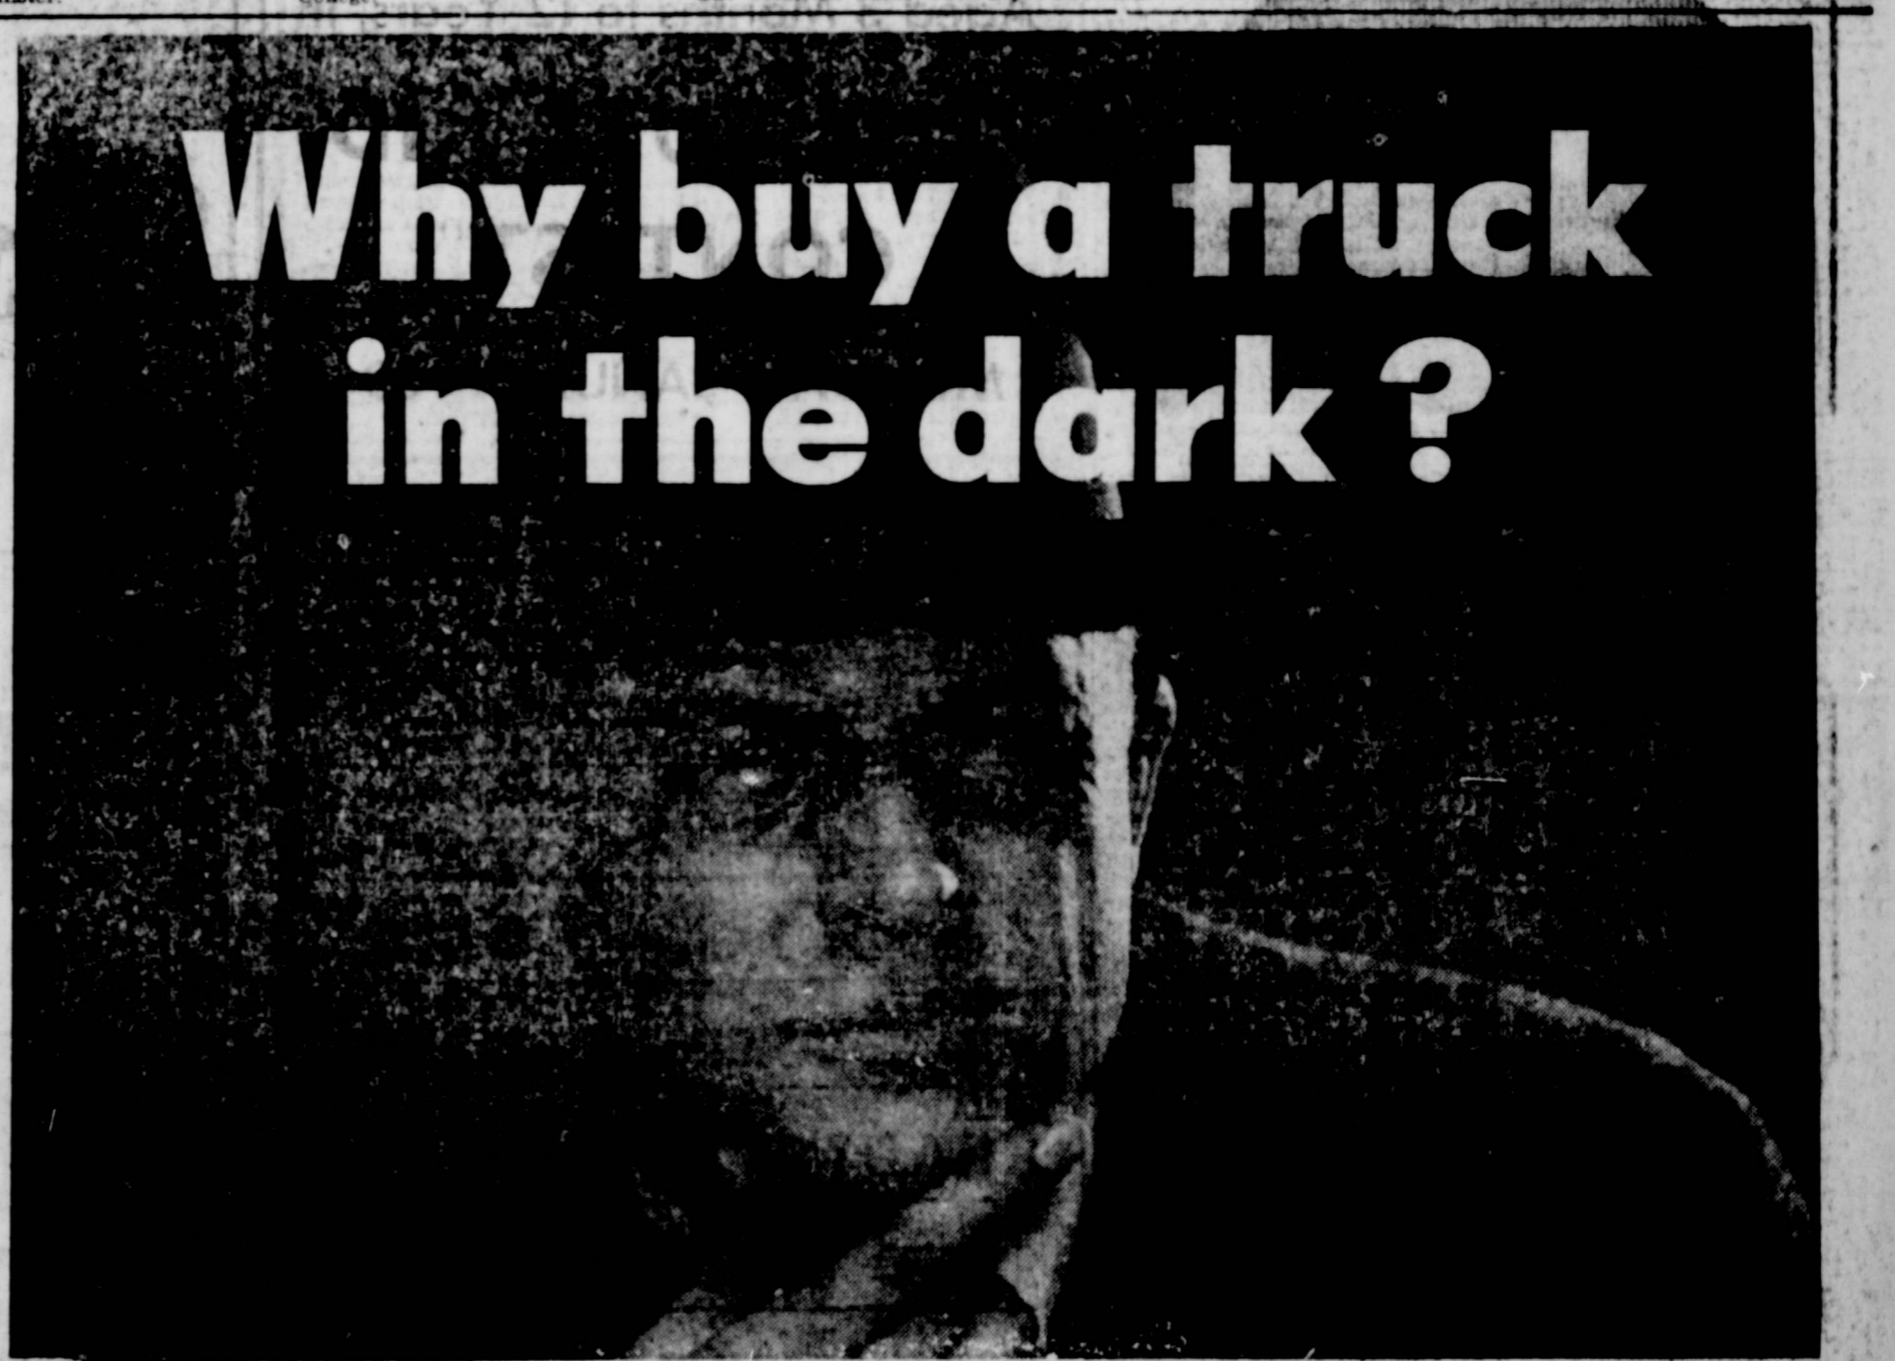

Mr. Cornelius was 67 years of age
and was the victim of a heart at-
tack while sleeping.

Attending the funeral on Wed-
nesday Jan. 18 were Mrs. King and
daughter Leora, E. L. Cornelius, and
Hollis McLain. Interment was at
Altus.

Mrs. O. B. Simms, 216 East Crook-
ett, is reported to be in good condi-
tion following an operation last
Wednesday at Plains Hospital in
Lubbock. She is staying in the home
of her daughter, Mrs. Carl Jarrett,
here until she regains her strength.

Mrs. Freda Bass of Lubbock is
spending several days with her par-
ents, Mr. and Mrs. Carl Jarrett, this
week.

Why buy a truck in the dark?

If you buy a new truck after looking at
only one make, it's like making a deal in the
dark. You can't be sure of getting the most
for your money.

A smarter way to buy is to "spotlight"
real truck value—weigh and compare com-
petitive claims with these Dodge truck facts:

- ★ Most standard V-8 horsepower of all
leading makes—1/2-ton through 3 1/2-ton
range. You'll get faster trips—more
work done with DODGE.
- ★ Shortest turning radius. You'll park more
easily, wheel through traffic quicker
with DODGE.

- ★ Biggest cabs, with biggest wrap-around
windshield. You'll enjoy roomier com-
fort, safer vision with DODGE.
- ★ Highest payload capacities . . . pick-ups
providing up to 22% more payload than
others. You'll haul bigger, more profit-
able loads with DODGE.
- ★ Prices down with the lowest. Compara-
tive facts show that, feature for feature
and dollar for dollar, the real value is
DODGE.

Next truck you buy, don't deal in the dark.
Turn a bright light on the facts—see Dodge
before you buy.

Cotton Council Sets Up Solid Front For Area

1,200 farmers and businessmen from a 20-county area, including Floyd, voted unanimously Tuesday afternoon to form an organization to represent the South Plains of Texas in all cotton matters.

This action was taken at the Fair Park auditorium after two hours of discussion.

Work for legislation favorable to the South Plains cotton industry: Fight for the area's Fair Share of acreage allotments; Work for greater use of West Texas cotton in the spinning mills; Promote the use of cotton products in this area and everywhere; And serve as a watchdog over South Plains cotton interests in general.

A business manager and a farmer from each county was elected to comprise the executive committee of the council.

Representing Floyd County on this committee will be Joe Foster, cotton raiser, and Bill McClaskey, banker, both of Lockney.

More than 40 Floyd County cotton raisers and businessmen were among the 1,200 who attended the big meeting.

W. O. Fortenberry, Lubbock County farmer, was elected president of the group, which this week has been formulating the modes of procedure and plans for financing the organization.

Good Reason To Be A Farm Bureau Member

The Farm Bureau's Life, Fire and Casualty Insurance Companies are legal reserve capital stock participating companies, organized under the laws of the State of Texas and subject to Supervision by the Texas Board of Insurance Commissioners. They are listed among the top Insurance Companies of the nation, and after only 9 years of operation the Southern Farm Bureau Life Insurance Company alone is nearing \$300,000,000 of Life Insurance in force.

The sole purpose for the existence of these companies is to provide the best possible insurance service at the lowest possible cost to Farm Bureau Members of the Farm Bureau Organizations. Due to the fact that these companies are operated at low cost, high profits are not paid to stockholders and management. Coupled with the preferred risk advantage of the Farmer, these companies are making substantial savings to its members in the form of dividends. The Southern Farm Bureau Casualty Insurance company is paying as much as 50% of its premiums back to its policy holders; also, the Life and fire companies return a substantial dividend annually. These savings are among the many that are available to the members of the Farm Bureau.

When you have a need for insurance, it would be good business for you to investigate these companies and find out for yourself that it does not cost, but actually pays to belong to the Farm Bureau—Adv. 50 4tc.

time with the lead changing until the demoralized Tigers faded and fell behind. Final score Floydada 78 - Slaton 71.

Don Colley scored 37 points and Buddy Watts added 18 to lead the winners. Rose and White were high for Slaton with 21 and 20 respectively.

The Floydada girls were no match for the sharp shooting Slaton team as they fell behind after the first period and could not catch the visitors. Sonja Beth Wilson led Floydada scorers with 18 points, Smith tallied 26 and Allred 24 for Slaton.

As of Saturday Jan. 21 the unofficial district standings as compiled from area newspaper scores showed Tahoka leading the boys teams and Slaton out in front of the girls division.

Mothers March

(Continued from Front Page)

carried on by the Home Demonstration Club rather than the Garden Club as appeared in last week's Hesperian.

Year Of Encouragement

"The past year has been one of encouragement and advancement in the fight against polio," said Mrs. Farris in announcing plans for the Friday night March of Mothers. "It was a year toward which we had looked and for which we had hoped as we gave our dimes each year."

"Those dimes had to be divided so many ways—for use toward treatment and medication, hospital care, iron lungs, braces, nurses, and research."

Continuing she said: "Every dime and dollar was given with a prayer that those already ill would be given new hope for recovery, and that science someday could offer a measure of relief from the terrible fear of polio."

"After years of research and study, last year we were given the encouragement and benefit of the Salk Vaccine. A front was established against this aggressive enemy of our children."

Polio Is On Defensive

"The mothers have always marched with a determined spirit and a will to do their best in the fight against Infantile Paralysis, and this year they will march with that spirit and will, plus the knowledge that Polio is on the defensive and that the vaccine will become more and more effective!"

Turn On Your Porch Light

"Tomorrow night, when the mothers begin their march at 7:30, please turn on your porch light and have ready your contribution."

"Part of the money will go to further research, but a large part of it will go for the care of thousands of patients who already wear braces, or are confined to iron lungs."

"The vaccine cannot help them—only you can!"

"Hedgecroft Hospital in Houston is one of the many institutions established for the treatment of persons afflicted with paralysis. A sign in the reception hall reads, 'Child, give me your hand so that I may walk in the light of your faith in me.'"

"Those children do have faith in us and by the light of that faith, may we be led to aid them with all that we can."

Best Cooperation PO Ever Had, Say Postal Officials

Public cooperation was credited this week with improved handling of a record volume of Christmas mail throughout the region of Texas and Louisiana, George A. Gray, postal inspector, said about six per cent increase in mail over Christmas a year ago is indicated in reports to his office.

The Floydada office had about the same per centage of increase in volume, says Acting Postmaster Edward Wester, but whereas the region had an increase of about the same in postal receipts the local office showed a fall-off from the year before.

Wester is unable to account for the lower income here, except in the parcel post packages.

Experience here was that there was no increase in work hours over a year ago, showing an increase in efficiency. Region-wide work hours are reported up 2 per cent by the postal inspector.

Both regionally and locally the increased efficiency is credited to the best cooperation from the public the Post Office has ever had.

Council Began Year Saturday

The Floyd County Home Demonstration Council met Saturday afternoon at 2:30 o'clock for their first meeting of the year in the council room of the court house.

Mrs. Grigsby Milton, newly elected chairman, presided at the meeting. The meeting started with the group singing "The Eyes of Texas Are Upon You."

There was a total of 26 members present.

Interesting reports were given by each club on what they have done and what they have planned for the year.

Mrs. Zant Scott, finance chairman, read the budget for 1956 which is \$348.50. The following recommendations were given:

1. The council funds be raised from \$7.50 per club to \$15.00 per member.
2. Each club member donate a home-made gift or home grown vegetable to be sold in a bazaar in late November or December.

Mrs. C. H. Huffman read rules for Floyd County home demonstration council. Purpose of rules shall be to forward and extend home demonstration work through county wide cooperation with all home makers. Education and expansion committee be combined. The new year books and T.H.D.A. dues should be paid now.

The council members voted to have six as a quorum this year instead of seven.

T.H.D.A. chairman, Mrs. Tom Porter, stated nominees for district meeting at Lamesa April 6 should be in by Feb. 6. The council voted to have badges for those who go to this county to the district meeting.

Mrs. Brummett, agent, stated the Garden Club Floral Arrangement training meeting will be Jan. 31 from 2 until 5 p. m. in the work room at the Light House Electric and the Advance Dress Making training meeting will be Feb. 6 at 2 o'clock in the council room at the court house.

Mrs. Brummett also stressed each club should have three members to meet with 4-H girls each meeting.

Music Program Church Feature Sunday Evening

A special program of music, "The Best of the year 1955", will be the feature at the evening service of the First Methodist Church on Sunday. The two choirs of the church will combine to present a program of 17 hymns, solos and anthems.

The morning choir will sing a selection of great hymns and three anthems. The youth choir will sing three great hymns of the church and three favorite youth hymns.

Mrs. David Batley Jr., Linda Clark, Fontaine Fowler, Mrs. J. D. Webb and Rush Wheeler will be featured as soloists. The combined choir will end the program with "The Awakening Chorus."

Naomi Kiker and Sharon Edmiston will play the organ and piano for the adult choir selections. Kelly King and Roger Trapp will be at the organ and piano for the youth choir.

John Noy directs the morning choir of the church. O. M. Watson Jr. is youth choir director. Mrs. G. R. May is the chairman of the Methodist church music committee.

The weekly Sunday evening service during the winter at the First Methodist Church is set for 7 o'clock.

LIBRARY NEWS

(By Mrs. Lee C. Goughly)

New on the shelf of religious books is "The Bible in Questions and Answers" by Rev. William A. Karbaker. This is a guide to the study of the Holy Scriptures based on the King James Version with annotations from the American and Revised Standard Version. Thousands of cross references bind the work into a unified whole.

We have had several requests for "The Road To Mecca" by Muhammad Asad. This book is now available in your library. "The Road to Mecca" tells the story of a long desert journey from the interior of Arabia to the Holy City of Mecca in the late summer of 1932. Also requested at the same time and now ready to be checked out is "Arabian Jubilee" by H. St. John Philby.

Music Program Church Feature Sunday Evening

A special program of music, "The Best of the year 1955", will be the feature at the evening service of the First Methodist Church on Sunday. The two choirs of the church will combine to present a program of 17 hymns, solos and anthems.

The morning choir will sing a selection of great hymns and three anthems. The youth choir will sing three great hymns of the church and three favorite youth hymns.

Mrs. David Batley Jr., Linda Clark, Fontaine Fowler, Mrs. J. D. Webb and Rush Wheeler will be featured as soloists. The combined choir will end the program with "The Awakening Chorus."

Naomi Kiker and Sharon Edmiston will play the organ and piano for the adult choir selections. Kelly King and Roger Trapp will be at the organ and piano for the youth choir.

John Noy directs the morning choir of the church. O. M. Watson Jr. is youth choir director. Mrs. G. R. May is the chairman of the Methodist church music committee.

The weekly Sunday evening service during the winter at the First Methodist Church is set for 7 o'clock.

Hal Mayfield Is Going To Amarillo

News from Lubbock says that Hal Mayfield, nephew of O. G. Mayfield of Floydada, and one of KPFO's oldest announcers in length of service will leave Lubbock this weekend to take up duties as a radio and television announcer at KGNC and KGNC-TV in Amarillo.

Mayfield will complete duties with KPFO Saturday and will report for work in Amarillo Jan. 30. His wife and two young children will join him in Amarillo.

Mayfield completed three years of employment with KPFO early this month. He has become known as a disk jockey, staff announcer, news-caster and sports color announcer in this area.

Delegation Hears Mrs. Roosevelt At U. N. Seminar

Mrs. Ed Holmes, Phil Gates, C. B. Lyles and S. J. Latta were among approximately 365 persons attending the United Nations all-day seminar in Lubbock Tuesday.

Mrs. Franklin D. Roosevelt, former U. S. delegate to the United Nations, led the mid-winter seminar of the United Nations chapter of Lubbock at the Lubbock Hotel.

Mrs. Roosevelt was the principal speaker at the luncheon in the East Ball room of the hotel at the noon hour. She stressed in her address the value of UN agencies in helping to raise the standard of living of under-privileged peoples.

Accompanying Mrs. Roosevelt during her stay in Lubbock was Clark Eichelberger, executive director of the American Assn. of the United Nations.

She spoke Tuesday evening at 7:30 o'clock at Tom S. Lubbock High School to an estimated 1,200 persons.

The group attending from Floydada reported an inspiring and enjoyable meeting and quite an honor to hear Mrs. Roosevelt.

It's Got All Texas Talking-- "The TEXAN" by Dodge

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, roughest, sandiest road and comes back for more. Powered by the mighty engine that busts the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.

Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipes and other smart touches. The Texan's name is proudly blazoned on both rear fenders. Truly a beautiful car to be admired by you and your fellow-Texans.

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

THE FLOYD COUNTY HESPERIAN

Published by the Hesperian Publishing Co., Inc., at 212 South Main St., Floydada, Texas. HOMER STEEN, Editor.
THURSDAY, JANUARY 26, 1956

Established 1896 by Claude V. Hall. Entered as second class mail at the post office at Floydada, Texas, April 10, 1907 under the act of Congress of March 3, 1879.

VIEWS AND COMMENT

Four More Days. Citizens who have not paid their poll taxes, but intend to do so, are reminded there are four days left before the deadline. It is trite to remind a citizen of his voting privilege, perhaps not so trite to remind him of the responsibility that citizenship of a community and state place upon him.

Surplus a Curse? The state of mind in which the president seems to move in discussing the farm problem is one thing that will be wrong with the program which he will eventually accept from the congress. He has presented the problem in the wrong attitude. At least to our way of thinking a surplus is a good thing to have. The problem is how to make the surplus serve the nation and the world, not how to eliminate it, as though it were an evil.

The W-2 Deadline. If you're one of the millions who are keeping books for Uncle Sam and are under penalty to keep them right, collect the money and get the money in on time, you are reminded of another thing: The receipt you must write for the money you have taken off of your employes for the government must be written by January 31 and delivered to the employee. No less an authority for this than the Collector of Internal Revenue.

Floyd County Weather has been brushing up on how to rain. This is our diagnosis of the clouds which have hovered over the county and wept a few droplets in the course of three or four days. It has been quite a spell since the weather has done any rain in season and it is quite out of practice. Bound to be for there was a saturation of moisture in the atmosphere approaching 100 per cent for 40 hours or more and above 50 per cent for three days. If the Weather gets the moisture and the trigger for it together there has to be rain. Another two or three weeks of practice runs and there we'll have it. Good moisture in February, almost a cinch.

Same story goes for the oil tests, only slightly different. We picked the spring of the year for the next test to begin because that is when the sap rises. Doubtless it rises in an oil man the same as the rest of us. Since a good many well-thought-of leases expire in this year we'd say an oil test is in the making. Sherlock Holmes never deduced any better, if it works.

Texas insurance companies, fire, casualty and life, must shoulder the blame, or a major portion of it, for ever letting the insurance scandals develop into the present inflamed state of affairs. It has been the custom for a long time for men who have ambitions politically in Texas to be opportunist-minded and get on the band wagon that appears to

be riding in the right direction. So the hue and cry from men who seek office and from those who would destroy political enemies who hold office, it is to be expected. But there need have been no such had the State Insurance Commission had help from the insurance industry in putting the insurance house in order. This from the lips of a now deceased commissioner who "butted his head against a brick wall" for four years, telling the insurance people all the time what failure to cooperate would be bound to bring sooner or later.

Now that crackdown tactics have been employed there is much sound and fury, and there will be more of the same every time an other mis-handled company is gotten up on the carpet. Meanwhile a good many reputations are being ruined. There seems to be no doubt that a good many "ins" have been wounded politically, some of them beyond recovery. There is evidence of some venality, and there are other "ins" caught in a maze of circumstances that call for explanations. Explanations don't win elections. Time exonerates but not enough time elapses between the scandal and election day.

The Fire Insurance Commission is made up of three men, one each presumably a leader in his field, that is a life insurance man, a casualty man and a fire insurance man. Saunders, (casualty) present head of the commission, has a term that expires in February of 1959, and Wentz (fire) continues in office until 1961. Both of them went down to Austin to try their hand at "getting the job done" and both have terms that run long enough that insurance people and politicians will have time to find out how stern is the stuff of which they are made. They won't be pushed around too much, except in the public prints. And they'll have clean noses after many of their noisier critics have gone from the stage of political action.

We have been critical of the State Fire Insurance Commission and its successive members for a good many years. Their fault has been that they disdained newspapers and publicity. Everyone has been unfortunate in his attitude toward the press. That has been our experience. The insurance commission has been boss of the commission's domain. Inquirers and critics have been brushed off brusquely. But in their own inner circles—the insurance people, their agents and representatives — they have stood ace high. They have been seen as above reproach, hard but entirely fair. Any insurance man that we know of will tell you the same. So, the insurance industry will hate to see the commissioners have to take it while the newspaper workers will be amused that the commissioners are being stewed. Larn 'em a lesson!

Mahon Reports Developments On Parity Law

WASHINGTON, Jan. 26 — Rep. George Mahon (D-Texas) testified before a recent session of the Senate Agriculture Committee that a proposed plan to base cotton price supports on one-inch staple cotton would bring "widespread dissatisfaction and heavy losses to cotton farmers."

Mahon sharply attacked what he termed a "double-barreled threat" to cotton farmers in two plans which have been incorporated in a suggested bill and which are being actively considered by the Senate Committee on Agriculture.

One of the proposals, which was supported by President Eisenhower in his farm message to Congress would make one-inch staple cotton the basis for support prices.

The other would provide for 90 per cent of parity on one-inch staple cotton and a lower support on cotton of less than one inch.

Regarding the President's proposal, Mahon told the Senators if the support price in 1955 had been based on one-inch staple instead of 7/8 inch as provided by the present law, it would have reduced the price of cotton by 2.85 cents per pound, by \$14.25 per bale and would have meant loss to Texas cotton farmers of about \$60 million and a loss on the nation's 14 million bale cotton crop of \$200 million.

"Of course, all of the cotton did not go into the government loan," Mahon said, "but the effect on the price was there just the same. The reduction of the price of cotton under the program in 1956 would be 3.46 cents per pound—that is if the support level is changed from 7/8 inch to one inch."

"That would mean," Mahon continued, "a loss of \$17.30 per bale and a loss of \$242 million on 14 million bales."

The other proposal which Mahon opposed calls for special preference for long staple cotton and a lower parity support for cotton of less than one inch.

The Surplus Cotton

Mahon denied that short staple cotton was responsible for the cotton surplus. He explained that 62 per cent of all U. S. cotton in government hands last August 1 was one-inch staple. He said, therefore, that the great majority of the surplus cotton in government hands is long staple.

Mahon insisted that there was a need for both long and short staple cotton and that the proposed attempt to provide a lower level for short staple cotton was rank discrimination.

"Such action would be a body blow

to the cotton farmers of Texas where 79 per cent of all cotton of less than one-inch staple is produced," Mahon testified. He appealed to the Senators to reject this portion of the proposed bill.

Mahon declared that adoption of these two proposals would reduce the income of the cotton farmer far in excess of \$200 million a year.

"It would be hypocrisy for Congress to say it is trying to take care of the problems of the cotton farmer and come up with a law which would reduce the cotton farmer's income by a quarter of a billion dollars annually," he said.

The Senate Committee will continue its study of the farm situation before presenting a bill to the full Senate for action.

Legislation already has been approved by the House of Representatives which calls for 90 per cent of parity without the penalty against short staple cotton which Mahon warned against.

Mrs. J. D. Colville returned home Friday after being away about a month. She visited in Crystal City with her son, Robert B. Colville and family and in Amarillo with another son, J. L. Colville and family.

Barber Is Letter Man on Tech Team

Don Barber of Floydada was among the 36 lettermen named last week on the Texas Tech Red Raider football team. Don received his first varsity letter for the Red Raiders as a sophomore center on the team. He is the son of Mr. and Mrs. Henry Barber of Floydada. He played four years of football for the Whirlwinds while in high school here.

Barber has made an outstanding record for himself at the Lubbock school where he starred as a freshman in the 1954 season and turned in some fine performances last fall in varsity competition.

Don was handicapped by a knee injury in the season just passed and underwent an operation during the Christmas holidays which is expected to return him to the field.

Service Fast Pace Expansion

Largest expenditure in the company's 1956 construction program will be made at the new Cunningham Station west of Hobbs, N. M. \$4,500,000 will be put into this new 96,000 horsepower electric generating station this year. It is scheduled for completion in 1957, at a total cost of nearly \$8,000,000.

Another \$4,000,000 will be spent for service extensions to customers, while \$2,700,000 will go for transmission line and transmission system substation construction. New distribution facilities, the lines which actually provide the connecting link for the customer's service, will involve an expenditure of more than \$1,000,000.

Southwestern Public Service Company's investment in plant and equipment to serve its customers has increased by 406% in the last 10 years, compared to a national increase by electric light and power companies during this decade of 115%. As a result of this recent rapid growth, 80% of the Company's equipment is ten years old or less, one of the highest percentages of new equipment in the electric industry.

Where once this region was almost completely dependent upon agriculture for economic stability, we now have a territory with great diversification, with agriculture, petroleum, manufacturing, distribution, and other natural resources combining to produce a well-rounded economic picture. Electric power is becoming increasingly more important to the region, and we have been charged with the responsibility of assuring plenty of power for all — economically and efficiently. We look forward to the privilege of being a part of the region's continued prosperity," Mr. Watson concluded.

Decrease In Average Cost

During the same decade, the average cost of a kilowatt-hour of electric service for a residential customer has decreased 14% because of increased use of electricity in the area's homes and improved operating efficiency by the company, which has seen great increases in its operating costs during the same period.

"Our service area has undergone many changes in recent years. While once this region was almost completely dependent upon agriculture for economic stability, we now have a territory with great diversification, with agriculture, petroleum, manufacturing, distribution, and other natural resources combining to produce a well-rounded economic picture. Electric power is becoming increasingly more important to the region, and we have been charged with the responsibility of assuring plenty of power for all — economically and efficiently. We look forward to the privilege of being a part of the region's continued prosperity," Mr. Watson concluded.

As A Farm Woman Thinks

(Nellie Witt Spikes)

IF I were sick and none were sad, What service could we render? I think if we were always glad We scarcely could be tender. If sorrow never claimed our heart And every wish were granted, Patience would die and hope depart, Life would be disenchanted.

Mother has been very sick. Somehow the disease of shingles had never come near enough for us to realize the intense pain and length of this trouble of the nerves. Mother has improved and we hope she will soon be well again. Millions of flowers and millions of stars, the old poem goes but just one mother.

The new catalogs are coming in and we gasp at the beauty and desirability of the many new things as well as of the old. If you want one of the most exciting catalogues you ever read, send to Pearce Seed Company, Moorestown, N. J., and if you like the unusual kinds of flowers you will not be disappointed. "Wouldn't you like cross that is 'curled, a zestfully snappy, piquant salad plant?' How about Allium, 'Immense flower-clusters of soft lilac, over wide decorative leaves of red-tinted, blue-green, with metallic luster.'"

Do these entice you? Double meadow-sweet, 'From fern-like foliage many stems arise with a graceful cluster of double, pure white flowers that remind of frozen sea-foam.' Cristata, 'Exquisite blossoms like crumpled silk of palest blue, gold-patched, and with snowy fringed crest.'

Sedums. 'They may come in the softest apple-green, in frosty filling, with blue silver-dust, rosy tones, maroon shadings.' Star-cups, Southern Star, how the names and descriptions enchant and delight me.

The other day a catalog came with a package of seeds which I shall not plant altho they are very new. How could I raise marigolds when they give so many a bad case of hay fever. This I did not learn for many years. I look back and recall taking many bouquets of flowers to the Methodist Church at Cone, but if I had known at that time of the harm the yellow pollen laden marigolds gave off and caused many to grab their handkerchiefs, I would never have raised them, and into the waste basket I threw the package of the newest strain of marigolds without one qualm of regret.

regret.

Mrs. P. D. Bartley of Cone sent me word about the old beauty secret of yesterday which was very plentiful on farm homes. Butter-milk rubbed on the face and hands at bedtime. Some wore soft gloves to make their hands whiter.

Once I visited my folks in New Mexico and the girls got me to try out their beauty lotion which was corn meal mixed with the butter-milk. What a night. My cheeks rubbed on the pillow. I turned over to have the same discomfort.

Never again did I try such a strenuous beauty treatment. Curling irons and butter-milk, poke berries to redden lips, swansdown powder puffs, browned flour for tender, chafed skins, rice powder, egg shampoos, bruised green leaves of the madder vine for poxities, smoking, woolen rags for nail punctures or cuts of the feet or hands.

Woolen rags for that despicable thing about one's sore throat, coated with lard, turpentine, camphor and coal oil, mustard plasters, beauty and medical supplies always in one's own home. Do you remember them?

Cowart Presented 50-Year Masonic Pin in Ceremony

LOCKNEY — C. L. Cowart of Silverton was presented with a 50-year Masonic button by the Silverton Lodge No. 754 in a ceremony Thursday evening of last week. Mr. Cowart was a pioneer druggist at Lockney, moving here in 1891 and living here until 1929.

The ceremony was held at the home of the honoree's son, Charley Cowart, in Silverton. C. L. Anderson of Lockney was selected by Mr. Cowart as the man to present the pin. Quite a few members of the Lockney and Silverton Lodges were present for the ceremony.

New Coach Named For Spur Bulldogs

Story in last week's Texas Spur states that Bill Henry will be new coach of athletics at the high school there. The action was taken at regular board meeting of the independent school district Monday Jan. 16.

Henry replaces Sam Hawkes who coached at Spur for several years before resigning to take the superintendent's job at Crosbyton recently. Coach Henry served with the Spur school in 1952 as junior high coach, he is 27 years of age. From Spur he had gone to Magnolia, Tex., where he served as assistant coach. Henry is a graduate of Howard-Payne College and holds a masters degree from Texas University.

Lloyd Hindman, president of the school board, states that Coach Henry was chosen for the position after serious consideration of Billy Hahn, assistant coach at Spur, and some 12 or 15 applicants for the job.

Floyd County 14 Years Ago

(Taken from the files of the Floyd County Hesperian, issue dated Jan. 29, 1942.)

Four Floydada boys left Monday morning for Fort Sill, Okla., for induction into the army. Those leaving were James Henry Hilton, James Carroll Terry, William R. Daniel and Ray Curtis Swanner.

Reports by physicians this week indicate a lot of measles, scarlet fever and whooping cough making the rounds of the younger generation of the town.

Announcement was made this week that Mrs. Sue Guthrie will assume the management and operation of the Floydada Hospital and clinic and supervise nursing, beginning Feb. 1.

Mild temperatures and "open" weather have prevailed in Floyd County the past week, a continuation of weather that has permitted farmers to continue harvest, finishing much work that was left over from 1941.

Lowest temperature reading of the week was 26 above zero on Friday and the highest reading 72 above on Saturday.

PERFORMANCE made it the Largest Selling "8" in the World...

the FORD V-8

Just look at these official registration figures for the first 11 months—January through November, 1955

Car Sales	Ford Sales Leadership
FORD V-8 1,241,742	
Car C-V-8 634,376	607,366
Car P-V-8 262,870	978,872
Car C-Six 845,153	396,589
Car P-Six 334,540	907,202

Here's why!

People just naturally go for 8 cylinders in the FORD package! And to a world record extent! Just think, in the first 11 months of 1955 alone, 344,496 more people bought Ford V-8's than the two other low-priced competitive eights combined! Of course, the reason the Ford V-8 is the largest selling eight-cylinder car in the world is that more people like its

brand of performance—the kind that comes with the car! These people aren't amateurs in judging engines. Nearly 24 years of building Ford V-8's to supply their demand is convincing proof of that. And the Ford V-8 of today is the best yet... by a country mile! Smoother and quieter—you can scarcely hear it, even with the hood up!

Sassier—just ask the highway patrol officer who drives one. He knows it takes a Ford to catch a Ford! And, for the very practical question of durability—ask a Ford cab driver. He knows how Fords take it days on end. So, if it's performance that you want—and wrapped like a gift—the '56 Ford V-8 is your baby. Come in... try it today!

Missionary Has Many-Sided Job In West Africa

(How many-sided are the problems of a missionary! Churches of the United States are supporting thousands of these workers around the world. Their periodical reports of their activities are relayed through church groups. One of these is Marcia Hinds, a missionary supported by Northwest Texas Conference in West Africa. Her home is at Amherst. She is stationed at Luanda, Angola, Portuguese West Africa. A recent report which is being circulated among WSCS and other supporting organizations of the Methodist conference, reprinted below, gives an idea of just how busy a person can find himself when he gets on the ground at one of these missions. Miss Hinds has been at Luanda for the first seven months of a three-year term.—Ed. Note.)

Take, for example, the month of September. First there was the youth caravan. Our Luanda young people, prompted by an idea of a former A-3, sponsored a caravan to visit among the youth organizations in villages neighboring Luanda. For each day we visited in this way, presenting new ideas on youth organization, clarifying questions which had arisen in regard to local youth groups, inspiring where we could inspire, and most certainly receiving inspiration for our own Luanda work.

Special Worship Program
My own special task was to give a program on worship for the benefit of the whole village church—ways in which we can improve the spirit of reverence in worship services. Since the churches are generally only grade mud and straw huts, wholly inadequate for the swarm of villagers which crowd into them for services, and are also used for school during the week days, you can understand why there might be such a problem.

I hope that by demonstrating the use of worship centers and a short sketchy summary of my worship course I was able to help the situation somewhat. At least I heard one gratifying remark from the pastor—"It was a miracle. Even my old men stayed awake while my 'children' was talking!"

First All-Angola Youth Meet Before there was hardly enough

time to realize we were already exhausted from the caravan. It was time to head out again—this time for Quessua and the first All-Angola youth conference. Thanks again to a lot of hard work and planning done by our A-3 predecessors, we were privileged to enjoy this landmark experience in our Methodist mission station located about 250 miles inland. From villages and missions all over Angola, young people and missionaries gathered for ten days of fellowship, exchange of ideas, Bible study and earnest discussions, sincerely seeking to put Christ first in their lives, as evidenced by the conference theme, "Christ Above All." Representing diverse languages and tribes as well as different denominations, we felt a great sense of unity as we shared common experiences and together strove to find ways in which to strengthen this unity. One of the high lights of the conference was the dedication of a 12 foot cross, newly erected atop Quessua mountain in honor of the Congress. The cross, which can be seen from all over the mission, stands as a reminder of this first gathering of Angola youth, symbolizing their faith in the Christ Who still beckens to all men everywhere, "Come unto Me."

Improving The Woman's Life
No sooner had we gotten back from Quessua than we began an institute for the Woman's Societies of the Luanda district. Until only recently woman's work was sadly neglected, and these women are quite gratified with the work which is now being done for them. Our Conference director of women's work was with us and spent a good deal of time explaining organization of the work, and also how this work is related to similar organizations around the world. A project of a good nature being done for them, our Conference director of women's work was with us and spent a good deal of time explaining organization of the work, and also how this work is related to similar organizations around the world. A project of a good nature being done for them, our Conference director of women's work was with us and spent a good deal of time explaining organization of the work, and also how this work is related to similar organizations around the world.

Angola Divided In Sectors
Perhaps to give you an idea of the social work in Luanda I should first give a sort of outline as to the mission program as it is set up here in Angola and in the city of Luanda itself. Angola is divided up into various sectors, each different denomination represented having a sort of gentleman's agreement as to the territory each shall work. We Methodists have a great area including Luanda—coastal city and the capital of the colony—and an area extending for many miles inland, some of which has never been touched by the Christian message.

The church here in the city is patterned somewhat after John Wesley's old class system. There is a central church located on the mission proper at which the 2,000 church members gather to worship on Sunday mornings. But aside from this, there are 22 smaller classes scattered out in various parts of the African part of the city, serving diverse classes of people and representing three language groups—the Kimbundu, Kikongo, and Umbundu. This is quite a mixture of peo-

TRINE STARNES

Waco Evangelist To Preach Here In Gospel Meeting

(with s'e. cast out of starnes.)

Trine Starnes, well-known Church of Christ evangelist of Waco, Tex., will do the preaching in the Gospel meeting which begins at the City Park Church of Christ, 29 and Tennessee, Sunday, Jan. 29 through Feb. 5.

Mr. Starnes is a graduate of Abilene Christian College and has preached regularly for congregations in Mineral Wells and Waco and in Paducah, Ky. At this time he is devoting all of his time to evangelistic work.

"Our friends and neighbors are cordially invited to each of the services," states Gordon L. Downing, local minister of the church, "to hear God's Word presented in love and kindness."

Weekday services are 9:30 a. m. and 7:30 p. m. Services on Sunday are at the regular times, 9:45 a. m. and 6 p. m.

ands and my work here. Angola Divided In Sectors Perhaps to give you an idea of the social work in Luanda I should first give a sort of outline as to the mission program as it is set up here in Angola and in the city of Luanda itself. Angola is divided up into various sectors, each different denomination represented having a sort of gentleman's agreement as to the territory each shall work. We Methodists have a great area including Luanda—coastal city and the capital of the colony—and an area extending for many miles inland, some of which has never been touched by the Christian message.

The church here in the city is patterned somewhat after John Wesley's old class system. There is a central church located on the mission proper at which the 2,000 church members gather to worship on Sunday mornings. But aside from this, there are 22 smaller classes scattered out in various parts of the African part of the city, serving diverse classes of people and representing three language groups—the Kimbundu, Kikongo, and Umbundu. This is quite a mixture of peo-

ple—people who have come to the city to find work. And along with their individual tribal customs and dress and language, each of these tribal divisions has brought its share of problems to the city. So where there are these problems, we as a church must be ready to solve them; where there are needs we must find a way to fulfill these needs; and where there is an opportunity to serve, we must serve.

Because people coming into the city naturally divided into the language or area groups which they represented, it was felt that the church could best take advantage of this natural division by dividing into these smaller classes, each of which has a class leader to assume major responsibility for the life of the people in his group. These class leaders are shifty voluntary workers who have a job to do during the day but devote a large part of their free time to the work of the church, including conducting services four nights each week in their own particular chapel.

Plans To Expand Youth Program

It is through these classes, then, that the social center must work. At present we have a rented building out in the Mucque (African part of the city) a work meaning sand) and an African lady employed full-time to help in the youth program, teach sewing and cooking classes, help in children's classes and club groups. Now the program is only in its infancy. But we hope to employ briefly an African girl who will take charge of daily kindergarten classes for little children whose mothers have to go to the market every day or have to work and have no place to leave their children except in the fifth of the streets.

Sandy has had this project at heart for a long time from the standpoint of health. And finally it appears that the door is opening up for us to go on with this project which has been sorely needed for such a long time. Also there is the possibility that we may open up an entirely new work among the Umbundu people with the help of a very capable Umbundu girl who is a graduate of a girls' school at a Canadian mission in the Umbundu area of Angola.

She, too, would be able to teach sewing and cooking and perhaps basketry, which is a craft in which her people excel. One other plan which is nearing completion is for one of our Kikongo pastors to be

moved to the city to assist the Luanda pastor who is already overburdened with work. He will concentrate in working among his own people, and we hope in particular that he will work in the youth program. Also his wife will be able to take a large share of responsibility in women's and girls' work.

The possibilities are illimitable. And as you see, the work is growing. I must confess that much of it is painfully new to me. As one of my fellow A-3's expressed it—"I'm attempting to serve as an authority in more fields than I knew existed." This is the case for most missionaries. But I am grateful for this opportunity to serve our Master in whatever way I can. And ours is a common task. Thank you for your part in making His Way known in Africa.

Yours sincerely,
Marcia Hinds.

Farm Bureau News

(By Chester Carthel)

Your Floyd County Farm Bureau has seen fit to start a weekly column in the two county papers. This is the first, and there will be others, if at any time there is anything of interest to the people of the county happening in your community, please feel free to let us know and we will be more than happy to help advertise it. You can leave any signs of interest at the Farm Bureau office in Floydada. We are interested primarily in the people of Floyd County and the things that affect them. Principally this column will be for farm people, but we believe that whatever affects the farmer and stockman in this county ultimately affects the rest of the people here. So as much as it is possible, we will cooperate with all the people of Floyd County in the various projects and community affairs that are happening in the

county. The board of directors and alternates of the Floyd County Farm Bureau held their regular monthly meeting in the Farm Bureau office on the night of Jan. 12. There was a good crowd present. Robert Lee Smith, president, presided. Most of the directors and alternates were present. We will introduce you to the board of directors in a later article.

New Field Man Coming

O. K. Hoyle, district field man from the Texas Farm Bureau, was present also. He told us that soon we would have a new field man. We really thought the one we had was doing a good job, Mr. Hoyle, even if it was just on a temporary basis. You know Gene Leach was our permanent field man, but he is the Texas Farm Bureau that they took him away from us and sent him to Austin as our Legislative Director. Doing a good job, too.

Mr. Hoyle discussed with us our plans for the coming membership drive in this county. He also gave us some interesting figures about the membership of the American Farm Bureau. The American Farm Bureau designates four regions in the United States. We in Texas are in the Southern Region. This region has something over 360,000 members in Farm Bureau. The only region that exceeds us in membership or is anywhere close to us is the Mid-western Region with over 770,000 members. Our region is the fastest growing one, membership wise, in the United States. This makes you a member of the largest farm organization in the world with some 1,623,000 members.

We will have more to say about the membership and its effect on our various programs later. These are just some facts we thought you might be interested in.

If the wording and phrasing of

this column sounds like an amateur's doing to you, then you are absolutely right. This happens to be the first article I ever wrote for a newspaper. So any help and suggestions you might have will be greatly appreciated. Try to meet you again next week.

22 ATTEND REBEKAH LODGE MEETING TUESDAY EVENING

Floydada Rebekah Lodge No. 77 held their regular meeting Tuesday evening of last week at 7:30 o'clock. There were 23 members present.

Madge Jones was installed as treasurer-elect for the new term. The lodge received an invitation to a Friendship meeting, Wednesday, Jan. 18, from the Hub City Rebekah Lodge No. 299 of Lubbock. Several attended from here.

Jane Marquis presented a program honoring the founder of the order, Thomas Wilsey. The follow-

ing participated on the Elva Reeves, Willa Dean Tracy, Jewell Jackson, Hammett and Ethel Devereaux. There was a change in appointed officers. Jeanne Reeves was appointed L.S.N.G. and Reeves was appointed Re-

Dollar Profit To Be Studied

out of every food dollar, goes to the "middlemen" those who take charge of the foodstuffs after the "preliminary" stage of raising them is completed. And while the service of the middleman is generally essential in bringing food from the farmer's market to the food store in good condition, his fancy labels often save little time while costing a lot more money.

I doubt that the average housewife can thaw out a package of frozen french-fried potatoes and have them on the table any quicker than if she took paring knife in hand and went to work. Most women can cut up a potato while the grease is getting hot. Yet this little built-in convenience can cost you more than the potato itself is worth and put the cash conveniently into the middleman's pocket.

Of course, frozen food processes are the best means we've ever had for enjoying the food we like whether in season or not, and without danger of spoilage. But when the

housewife selects a package of frozen vegetables from the frozen food counter, she's not helping herself much, and certainly not the food budget.

The housewife can avoid buying the box and getting the beans thrown in incidentally by sensible marketing. But what about the farmer? Unfortunately, a saving to the housewife is not a saving to the food grower, nor is it a detriment. Any price decline is customarily passed from farmer to housewife.

However, farm prices since November 1954 have declined 10 percent while the middlemen have dropped their prices only 2 percent. This could mean that the price of the food itself is secondary to processing costs. Surely this is being unrealistic.

Recent Congressional legislation provides funds for a mandatory study by the U.S. Department of Agriculture to find out if middlemen are reaping undue profits at the farmers' expense.

If this is even partially true, then we might expect the presently unrelated on-the-farm and in-the-store prices to resolve into more money for the farmers, a reasonable profit to processors and foodhandlers, and finally a saving to the consumer.

News of Dougherty

(By Mrs. W. J. Ross)
DOUGHERTY, Jan. 23 — Rev. Harris preached at the local Baptist Church Sunday morning. A combination of inclement weather and quite a few cases of flu cut the attendance to 32. Services for the evening were cancelled. Jan. 29 is a fifth Sunday and Rev. Harris announced services for the usual morning and evening hour.

The community club met at the school auditorium Friday evening. As the weather was inclement the crowd was limited to eleven. In a brief business meeting it was decided to continue furnishing a mid-morning bottle of milk and graham crackers to the pupils. Also any child in school will be served milk in mid-afternoon by paying one penny. Mrs. Tiner reported that practically all the children drank milk at mid-morning but a small per cent drink milk in the afternoon. Because of the milk program the club must raise funds. The club decided to sponsor a chili supper in February. Following supper entertainment will be provided. The date for this event will be announced later.

Several On Sick List
A number of citizens are sick at this time. Mrs. Bill McNeill has been a patient at Peoples Hospital for several days. Olivia Ann Campbell is scheduled for a tonsillectomy Thursday of this week. Sallie McIntosh, Alita Beth Hines, Ronnie Smith, Nita Beth and James Ray Cagle are among the school children who have been ill. Mrs. Jim Morrison and Mrs. R. H. Crawford and J. G. Cagle are also on the sick list.

Mr. and Mrs. Bill Norman, Mrs. F. M. Kinner and Norman were business visitors to Lubbock Monday.

Mr. and Mrs. Bill Colston and Billy Don were guests in the Maurice Campbell home Saturday evening.

Ray Tinney of Davenport, Okla., visited friends and relatives in this vicinity several days last week. Saturday he and his mother returned home. Ray is scheduled to enter military service Jan. 28.

Mrs. Roxie Brand has returned from visiting in Oklahoma and several points in East Texas.

Mr. and Mrs. Bill Poole visited their son, Dr. Warren Poole and family in Lubbock Tuesday.

Mr. and Mrs. G. W. Smith visited relatives at Leeland Tuesday and Wednesday. Mrs. Smith visited briefly with our former Floyd County home demonstration agent, Miss Leila Petty. She reports Miss Petty has eleven clubs under her supervision.

Mrs. Kenneth Johnson and children of Petersburg were guests of her parents, Mr. and Mrs. Harve Powell Wednesday.

Mr. and Mrs. Hugh Foster and Mrs. Cowley of Falls were visitors in the W. J. Ross home Sunday.

V. V. and Leroy Scott, Neil Crausley, Richard Ward and Bob Ross attended a basketball tournament at Claremont during the week-end.

Mrs. Ned Bradley was a guest of the Girard Home Demonstration Club last Monday and gave a hat demonstration. Sixteen women were present from the various clubs of Kent County. Mrs. Bradley had received this demonstration in our local club last summer.

Mrs. D. C. Cagle of Los Angeles, Calif., is house guest in the home of an uncle, J. G. Cagle.

Mrs. Ned Bradley visited her sister, Mrs. Floyd Millican of Hale Center Saturday.

Week-end guests in the home of Mr. and Mrs. Tate Jones were their son, Bill and wife of Plainview and Mr. and Mrs. Norris Finley of Dallas.

Mr. and Mrs. Ronnie Lupton left for Washington State last week where Ronnie is stationed at Ft. Lewis.

Mr. and Mrs. S. M. Crawford were notified this morning that their granddaughter, Barbara Marshall, slipped on the icy pavement at Lubbock and injured her back. The extent of her injuries are not now known but she will be hospitalized several days.

Texas Parents Can Vaccinate Against Polio

AUSTIN, Jan. 26 — State Health Commissioner Henry A. Holle today appealed to Texas parents to have their children vaccinated now as protection against polio this spring and summer.

"The polio season starts early in Texas," the Commissioner warned. "This year, for the first time in history, we have a vaccine against the disease on hand before the Texas season opens in earnest in mid-April."

Dr. Holle said the vaccine's effectiveness to date has been "gratifying." Official records show paralytic polio during 1955 struck six times more frequently among unvaccinated children than among those who received prescribed amounts of the vaccine at the proper intervals.

Three shots are said to give a high level of protection against polio: the second shot given one month after the first shot, and the third shot following seven months later.

According to that schedule, all Texas children who received second shots summer or fall are now ready to have their third shot.

The success of the vaccine was announced April 12, 1955, after exhaustive nationwide studies. But by then countless numbers of children had already been exposed in a rising seasonal incidence. Result: 1955 was pretty much an ordinary year for polio for the nation as a whole, despite the fact that Texas' 1955 season was below the 5-year median.

Too, vaccine was in short supply during those early days, and production difficulties unsettled public confidence in the product.

Both of these problems have since been overcome, Dr. Holle pointed out. Supplies are increasing daily.

Johnson New Man On School Board

LOCKNEY — Lavon Johnson of Lockney has been selected by the School Board to fill the vacancy on that board caused by the resignation of "Whitey" Bacus. The unexpired term lasts only until April of this year when three members of the board will be elected. Mr. Johnson is a member of the firm of Johnson & Johnson, auto repair and parts, and has been living in Lockney for the past ten years.

The Bacus family moved to Dallas in an effort to improve the health of their little daughter, Pamela. The child has had pneumonia several times and only recently recovered from an attack. Physicians have advised that they move to a lower climate. They left here Monday last week.

The "Whitey" Bacus Motor Company will continue in operation here in the same manner with R. D. "Rusty" Bacus in charge, members of the firm say.

Mrs. Jim Jones of the Starkey Community returned to her home Wednesday of last week after undergoing major surgery Friday at the Plainview Hospital. She is reported to be convalescing satisfactorily.
