

Review Board Verdict Due Friday on Cotton Appeals

The second round of the cotton allotment hearings for 13 farmers of Floyd County will be held tomorrow when the decision of the review committee is due to be announced.

The first hearing, an eight-hour session held Wednesday afternoon and evening in the district court room, had all of the complaining cotton growers as witnesses, as well as Buck Sams, chairman of the county ASC committee and Tom J. Hutchins, office manager of the Floyd County committee.

Hutchins was the witness most questioned. He was in the witness box for two hours or more.

Appearing as attorneys for the cotton farmers were G. H. Nelson and George W. McCleskey, of Lubbock, employed weeks ago with funds obtained by public subscription.

FOR THE BOARD the attorney was Hiram Childress original attorney of the U. S. Department of Agriculture.

Henry Marshall, chairman of the State ASC committee, sat in on the hearing.

The complaining farmers declare that the law was applied incorrectly by the county committee, and that their cotton allotments were cut so heavily as to amount to discrimination.

SPECIFICALLY THE 13 complainants allege the misapplication of the law came in the action of the committee in taking off 1955 wheat acreage before computing cotton acreage allotments, when they contend the committee should have taken off the 1956 allotment and should not have considered the 1955 wheat acreage. The decision of the county committee disregards the cotton history of the farms, they allege.

SOME OF THE FARM units have been cut as much as 40 per cent in two years time by the application of the rule followed by the committee, the records disclose. In addition to the 13 farmers whose appeals from the county committee were heard last week there are 55 or 60 dissenting cotton growers who were not heard by the appeals board because their appeals were "continually filed."

TOM J. HUTCHINS, ASC office manager, said that in the interim last week's hearing and today the lawyers for the sides will have briefed money for the review board.

Before the committee takes up the complaints of the 13 appellants they will give original hearings to two other farmers, Russell H. Crawford of Dougherty and John F. Bantke of Lockney, Friday morning, beginning at 9 o'clock.

The review committee is composed of Henry Hays, Plainview, Richard O'Daniel, Tulla, and Fred Mercer, Silvertown, all farmers.

APPELLANTS HEARD last Wednesday were Fred Jackson of Sand Hill, R. C. Day of McCoy, Clyde H. Parish of Lone Star, Horton Howell of Sterley, V. H. Kellison, H. B. Johnson and C. C. Niseno of Floydada, Rene Yeary of Cedar, James Z. Scott of Harmony, Chas. W. Pierce of Lubbock, John Holmes of Erick and Chester Mitchell of Pleasant Valley.

Office Manager Hutchins was advised this week that Ots Cowart, of the State ASC board, will represent the state office as an observer here tomorrow.

Henry Marshall, who is the state ASC chairman, is remembered by several farmers here as having been office manager for the old PMA committee for Floyd County in 1938-39.

Sgt. James Ross Injured In Jump. Mr. and Mrs. W. J. Ross of Dougherty Community received word on Tuesday of injuries sustained by their son, Sgt. James Ross, stationed in Japan. He was in a mid-air collision with another paratrooper.

Sgt. Ross is with the 508th Co., APO, and was making his 25th jump on March 26 when the accident occurred.

Ross' chute collapsed when another descending trooper was pulled under him. He was too close to the ground for his emergency chute to open. The other trooper was not injured.

He writes that he suffered a twisted back, torn back, side and hip muscles, and severe bruises.

The collision occurred about 70 feet from the ground and the Sergeant fell from that height. He is in a base hospital in Japan.

Mrs. Ross reports Sgt. Ross was due to start home on April 10, but does not know if he will be able to do so now or not.

James was married to the former Miss Jane Eldora Maxwell of Nashville, Tenn., on April 1, 1955. She is staying in Nashville with her parents until his return from Japan.

OLIVER GROTE, the new district field man of the Farm Bureau, will also talk to the group. He will discuss the new Blue Cross program.

EASTER EGG HUNT. Mrs. Doyle Mott announced this week Capada Drive-In theatre is planning a community-wide easter egg hunt for Sunday April 1. Though plans have not been completed as yet the egg hunt will get under way at about 3 p.m. and the public is invited to come and bring the children.

There will be prizes offered. The affair is free to everyone.

Floydada Junior High basketball team of eighth grade boys shown here are winners of four trophies in tournament play in the season just past. The squad coached by Charley Tyer finished play with 19 wins and four losses.

Shown here left to right in upper row are Danny Shipley, Billy Gilliland, Don Vickers, Richard Graves, Middle row Coy Grundy, Larry Irby, Gerry Sawyer, Don Faulkenberry, Bobby Christian, Charles Holland, manager, and Coach Tyer.

Kneeling at front are Mac Cooper, Douglas White and George Farris. Trophies shown are for second place at tourneys at Matador and Crosbyton, third place at McAdoo, and consolation at Kress. The boys are now in training for junior high track.

Mrs. J. A. Patterson, pictured at work in Floydada High School Library, has contributed a great deal to the value of the library to the student body.

School Library Is Filling Vital Need

(First of two installments dealing with Floydada Public School Library is presented herewith, the second to follow next week.)

By Mrs. Kinder Farris

Good reading makes for better living, better study, better citizenship whenever and wherever it may be found.

With all of the attention that has been focused on our Floyd County Library in recent years, trying to boost its service to the county and trying to put it soundly on its feet for ourselves and our children, we have almost overlooked — actively, at least — another spot in our town devoted to the cultivation of good reading.

The Floydada High School library is a small corner at the second floor in the school; but from that very small corner has grown a service of operation of which we must be proud.

How so many varied types of service can stem from such a little room might be a wonder, if one did not take into consideration that a librarian of unusual caliber "sits in the driver's seat."

Helen Patterson has devoted her time during school hours and beyond in order to make the library an adequate one for our high school students. This intense interest, as well as her ability, has made the library one of the outstanding corners in our school life.

LAST SUMMER Mrs. Patterson went to school in Denton for the purpose of studying library work and finding more adequate methods for use in the Floydada High School. She plans to return to Denton this summer for further study.

Her duties are many! In addition to taking care of the library, Mrs. Patterson teaches a class in Texas History, has charge of issuing text books to the students at the beginning of each semester, makes out and keeps track of the book cards until the texts are turned in again.

At any time that the high school receives new text books for adoption, the librarian sees that the right books get the right books for study and consideration of approval. After the teacher has given her opinion on the books and has made her selection of new books, Mrs. Patterson is responsible for sending the books, with teachers' opinions, back to Austin.

The library is also the "lost and found" center, the "supply room" for paste, tape, scissors, thumb tacks, etc. the place where there is an extra typewriter for working on a theme, an article for the paper, the Whirl.

CONSIDERING ALL of these "branch" services that take precious time, you ask, "When does the library serve as a library?" All of this goes on at the same time! There is, again, let us commend Mrs. Patterson for her balancing factors in the operation of the library.

Each period she has two capable students who serve as workers; and during the one period when she is teaching, two appointed students, Betty West and Tommie Copeland.

Fat Stock Show Meeting Tonight. The Junior fat stock show meeting announced last week will be held tonight in the district court room.

All persons interested have an invitation to be present. Purpose of this meeting is to review the recent stock show, decide on needed rule changes and set the date for the 1957 show.

Officers will also be elected for another year, according to the notice of the meeting sent out by Assistant County Agent Lynn P. Pittard.

have complete charge of the library. These twelve workers and Mrs. Patterson, have worked out a system whereby the library operates smoothly and the extra services go on simultaneously.

An average book count was taken for the week from March 5 through March 9. 880 books, magazines, dictionaries, and reference books were used during that week. On Monday morning, March 12, a count was begun to find out what an average Monday total might be. During that day, 191 reading sources were checked out or used in the library room. So much service from so little room!

SEVERAL YEARS AGO, that amount of use was not received from the high school library. In fact, it would have been thought of! The "closed shelf" system was in use. This meant that a student came as far as the railing in the library, filled out a permit card, handed it to the librarian, and told her that he wished a book on some particular subject.

THE LIBRARIAN then went to the shelf and selected the book which she thought adequate for the student's needs.

More modern thinking has provided that a person needs to "feel" the books, look over and through them, and have the privilege of making his own selection for reading. The railing disappeared from the high school library via Mrs. Patterson and a saw.

Now the students peruse and browse, and feel a greater responsibility toward their selected reading. Fewer books have been misplaced or lost — with no damage whatever; and certainly more numerous books have been read because

Tabulations On Tucker Sorghum Grain Test Plots Are Compared. The harvest data was not recorded.

IN THE 1955 tests six varieties of grain sorghums were used, the planting date being June 16 and the harvest date October 18.

Yields were as follows: First, Redbine 66, 5,697 pounds; second, Combine Kafir 60, 5,179 pounds; third, White Edwards 5,098 pounds; fourth, Martin 4,716 pounds; fifth, 7078 maize 4,634 pounds; sixth, Redbine 60 4,416 pounds.

Previous cropping history on these plots for 1955 cotton, for 1954 alfalfa hay, one cutting, followed by vetch and Austrian winter peas. No fertilizer used.

White Edwards and Kafir 60 were about four days later than 7078. Martin and 7078 were the first to head and mature.

The tests here were part of a state-wide program of farmer planting carried on with cooperators by the Extension Service. Results of the experiments are used in the study of different varieties for varying seasonal and soil conditions at varying altitudes.

Rotary Elects Carl Minor Jr. For President. Carl Minor Jr. was the choice of members of Floydada Rotary Club for president in the year beginning July 1. He was elected to the post without opposition in the club meeting Wednesday of last week.

W. P. Patrick Jr. was elected vice president, Bill Hardin was re-elected secretary, and Jimmy Willson was named treasurer.

Garden Club Projects Launched; Support For Program Sought

Floydada Garden Club has budgeted \$1,569.70 for their Napoleon Park betterment program this spring, and with \$669 on hand have already started some of the work, Mrs. Bill Norman reports.

Thanks to Floydada Lions Club for a good start early last year and to the city for its continued backing the park has made wonderful strides.

The grass and practically all of the trees and shrubs planted and nursed through a hot summer went into the winter in good condition. This spring there will be a minimum of re-planting to be done.

The spring program of the park projects includes, with amounts budgeted to each:

Concrete floor for combination volleyball, basketball and shuffle board for active grown-ups; together with terrace, sandpile and swings for the kiddies. \$1,267.70

Backboards, goal pipe and nets for the volleyball and basketball court and labor. \$ 187.06

Two fire pits. \$ 115.00

Total \$1,569.70

The club would like to put in this year's program also, two sets of saws, two sets of shovels, slide merrily-go-round and drinking fountains. However, these will wait until it develops how much support the public will be willing to give the park project this spring.

A number of local and county clubs are being contacted, as well as individuals, said Mrs. Norman. "It would be nice if some club or clubs would adopt aid for the park improvements as a project."

The Garden Club's blue print of "what to do and where to put it" has been followed carefully. This spring the plan will become more apparent as the shrubs and trees begin their second year of growth. When the plan develops it will divide itself off into areas that will naturally attract the age groups it is intended to serve, the club women believe.

Something to make the park an attraction for all age groups is in the outline of park plans.

First donations of the 1956 season have come from Mrs. John La-

apparent as the shrubs and trees begin their second year of growth. When the plan develops it will divide itself off into areas that will naturally attract the age groups it is intended to serve, the club women believe.

Bake Sale March 31. And while the Garden Club is hopefully expecting liberal donations for the project they also are making plans to help themselves. Mrs. Norman announced plans for a bake sale by members of the club for Saturday, March 31 — the day before Easter — at Bishop Conroy Co. All the money that is taken in will go to the park fund. The bake sale will be a novel one in this respect. There will be no ready-mixes in any of the items offered. What it is and who made it will be shown on the label. Cakes, pies, cookies, home-made light bread will be on display.

Mrs. J. P. Moss, president of the club, said this week that Mrs. Norman was delegate from the local club to the federated garden clubs district meeting held at the Bering Hotel, Amarillo, Tuesday and Wednesday.

Plantings Begun On Crape Myrtle Orders This Week. Hughes Nursery personnel of Kress have been working in Floydada throughout the week planting the first of a series of orders of water melon red Crape Myrtle.

Over 500 Crape Myrtle plants have been reserved by Floydada and Floyd County residents this month through a planting campaign sponsored by the Floydada Chamber of Commerce and the Floydada Garden Club.

In addition to local orders, Floyd County communities have also joined the beautification campaign. Residents of McCoy, Dougherty, South Plains, Harmony, Lakeview, Cedar Hill, Barwise and Baker have placed Crape Myrtle orders.

The plants which cost \$1.25 each are put out by the Hughes Nursery and are guaranteed to live and bloom during the first year.

The campaign to plant at least two of the flowering shrubs at each Floydada home will continue several more weeks Chamber and Garden Club officials say. Orders may be called to the Chamber of Commerce office or given to any Garden Club member.

FATHER OF FRANK WEBB HOSPITALIZED AT MATADOR. Marvin S. Webb of Matador, the father of Frank Webb, assistant manager of Piggy-Wiggly Floydada store, has been ill this week following a heart attack early Sunday morning.

Mr. and Mrs. Webb spent several hours in Matador Sunday and have been keeping in touch with the progress of the sick man since Tuesday he apparently was rallying at Stanley Hospital in Matador.

Richardson-McDonald Ceremony Held at Baptist Church Chapel

The wedding chapel of the First Baptist Church was the scene of the marriage at 4:30 Sunday afternoon of Miss Owen Richardson and Cline L. McDonald.

Dr. R. Earl Allen, pastor of the church, read the double-ring ceremony as the couple stood beneath an archway of white feather plumes and pink gladioli flanked by candelabra holding pink candles.

The bride, given in marriage by her father, wore a floor-length dress of nylon net and white Chantilly lace over satin.

The bride's veil was of imported silk illusion and fell from a tiara of Ceylon beads and rhinestones. She carried a white Bible topped with a white orchid held by satin streamers tied in love knots.

Miss Sue Hodge of Lubbock played traditional wedding music and accompanied Mrs. Bob Hagler, cousin of the bride of Clovis, N. M., as she sang "Because" and "The Lord's Prayer."

A reception honoring the couple was given following the ceremony in the home of Mr. and Mrs. Parnell Powell, uncle and aunt of the bride.

Miss Alice Latta and Miss Dolores Owens of Lubbock, cousins of the bride, served as candelabras and usherettes. They were identical dresses of blue shantung fashioned with scoop necklines and long torsos.

Miss Benita Teaff of Lubbock attended the bride as maid-of-honor. Bridesmaids were Misses Joyce Quimby and Joyce Kittrell, both of Lubbock.

Valdonna Bennett, niece of the bride, was flower girl. She wore a dress of pink organza fashioned with a full gathered skirt with an overskirt of pink scallops trimmed in pink rosebuds, Peter Pan collar.

Miss Marjorie Collins as guest speaker of "Roses". Lovely refreshments were served to Mesdames Martha Allen, Nancy Bishop, Emma Collins, Marjorie Collins, Nina Copeland, Florine Davis, Charlie Edwards, Sue Moore, Sybil Price, Peggy Probasco, Vel Simpson, Margaret Sneed, Joe Wenter, Jimmie Womack, Jo Goen and the hostess, Mrs. Kassahn.

The next meeting will be April 3 with Mrs. Sybil Price as hostess.

The Mount Blanco First Baptist Church was the scene of the marriage at 6:30 Tuesday evening of Miss Catherine Marie Appling and A. Ze Roy Eugene Miller.

Miss Appling is the daughter of Mr. and Mrs. S. G. Appling of Mount Blanco. Miller is the son of Mrs. Floyd Miller of Floydada.

The Rev. J. R. Williams, pastor of the church, read the double-ring ceremony before a background of basket arrangements of white gladioli and blue carnations flanked by candelabra holding white tapers.

Traditional wedding music was played by Miss Barbara Belding and she accompanied Mrs. Dennis Taylor as she sang "Melody of Love" and "Blest Be The Tie That Binds."

The bride, given in marriage by her brother, Wayne Appling, wore an off-white suit of silk embroidered linen. Her veil, attached to a white satin hat, was of white Chantilly lace from her mother's wedding dress.

Attending her sister-in-law as matron-of-honor, Mrs. Wayne Appling wore a two-piece dress of blue and white with white accessories.

Miss Alice Latta and Miss Dolores Owens of Lubbock, cousins of the bride, served as candelabras and usherettes. They were identical dresses of blue shantung fashioned with scoop necklines and long torsos.

Approximately 50 guests registered or sent gifts.

Club Homes Tour Date Is April 15

Mrs. Tom Hutchins was hostess to the 1934 Study Club Tuesday evening at her home on the Matador Highway.

ROY E. CURTIS, Evangelist will conduct pre-Easter revival at First Christian Church starting March 25.

Week of Revival Opening Sunday Runs to April 1

The First Christian Church of Floydada will hold a pre-Easter revival beginning Sunday, March 25, and continuing through April 1. Services will be held daily at 8 p.m.

Roy E. Curtis is the visiting evangelist and Mrs. Curtis will serve as organist for the revival services. W. D. Reaves is pastor of the church.

The public has been extended cordial invitation to attend these revival services and hear the messages of this inspired speaker.

The union sunrise Easter service will be held at the church at 6 a. m. on April 1 when Clarence Mosley will bring the address.

The visiting evangelist for the revival, Mr. Curtis began work as Director of Living Endowment Program at Texas Christian University, August 1, 1947, after completing eight years as pastor of First Christian Church in Brownwood, Texas.

He was graduated from Phillips University, Enid, Oklahoma, in 1916. He spent eight years as a public school administrator, before serving pastorates in Pryor, Okla.; Hillsboro and Brownwood, Texas.

In 1938, Mr. Curtis, together with Colonel Homer Keljens of Siloam Springs, Ark., sponsored and directed the Will Rogers—Wiley Post Memorial Expedition to Point Barrow, Alaska. There the party erected a historical marker in the form of a shaft 12 feet high, memorializing Rogers and Post at the spot of the crash which took the lives of the famed "American Ambassadors of good will."

Both Mr. and Mrs. Curtis have been active in the Texas State work of Christian Churches serving as state convention song leader and organist, respectively, for many years.

Mr. Curtis is a native of Indiana, but has spent most of his life in Oklahoma and Texas and has grown up in the tradition of the Southwest.

Scout Program Monday Night

Scoutmaster Jim Word announced this week a program has been planned for Monday night March 26 at the High School auditorium for scouts and cubs and their friends and families. The joint meeting of these two organizations is set for 7:30 p.m. and will feature films of the 1954 national scout jamboree in California.

Purpose of the program is to lay plans for the 1957 jamboree at Valley Forge. Troop 57 is one of four in the council which can send an entire troop to the big affair and the local unit is interested in getting an early start to see what can be done in this matter.

Word said they would attempt to answer all questions which come up at the meeting and urge all parents of scouts and cubs to be present.

Local scouters think it would be a wonderful thing for the Floydada boys to be able to attend this big outing. In recent years Jackie Henry attended a Valley Forge jamboree in 1951 and David Willson represented the Floydada troop as an international jamboree in Paris, France, in 1949.

Local scout leaders beside Word are assistant scout masters Gayle Mayo, Jewel Elza and John Moss, Jr. Glenn Jarnagin heads the cub pack.

Mr. and Mrs. Melvin Slaughter and daughters, Carol Ann and Mary, of Long Beach, Calif., are visitors this week in the homes of his mother and sister, Mrs. Lula Slaughter, and Mrs. W. L. Fry. The Slaughters arrived in Texas Sunday and will be Texas visitors for about two weeks.

Mr. and Mrs. Holt Bishop visited Mr. and Mrs. Paris Wheeler of Crosbyton Sunday afternoon.

Mr. and Mrs. M. J. Mosley visited in the home of Mr. and Mrs. Walter Crawford of Crosbyton over the weekend. Their grandson, Jarvis Mosley of Hardin-Simmons University was also a guest in the Crawford home.

Barbara Beiding spent Saturday night and Sunday in Crosbyton with Sally Boyd.

Mrs. W. A. Latta visited her son and his family in Artesia, N. M., last week.

Dale Hill was a Sunday visitor of Charles Moore.

Mr. and Mrs. Weldon McClure

The Floyd County Hesperian, Floydada, Texas, Thursday, March 22, 1956

visited her mother in Wichita Falls Monday and Tuesday. Weldon went on to Ft. Worth on business.

Mrs. Gladys Wimberly returned last week-end from Fort Worth where she spent several days last week with her father, J. D. Evans, who is gravely ill there. Mr. Evans was unconscious much of the time she was at his bedside, Mrs. Wimberly reports.

J. E. Waller and Norman Davis showed their swine in the Lubbock Fat Stock Show this week. J. E. showed a Poland China and a heavy Berkshire barrow. Norman showed a light Berkshire barrow. The boys returned home Wednesday.

Mrs. J. A. Hartsell was called to Bridgeport this week to the bedside

of her father, J. E. Giles. Mr. Giles suffered a stroke Sunday afternoon and is in fair condition.

Cheryl's Chatter
(about events at Floydada High)

Well, Tuesday was the first day of Spring! Many of the girls broke out in their spring clothes. There are many events coming up before school is out. The Band Banquet is to be on April 13, and the Junior and Senior Banquet on the 27th of April. Of course, the college kids will be home for Easter vacation.

The Band gave an assembly Tuesday morning. It consisted of popular, marches, Overtures, and some classical selections. The Band may go to Ralls and Slaton in the near future to give programs for their assemblies.

The Exes (Seniors) versus the Futuras Basketball game was Monday night. The results were Exes 31, Futuras 59. The Girls game ended up with the Exes scoring 34 and the Futuras 43 points. The proceeds of the game went to the Senior class.

Have you noticed Kay Calloway's new glasses? Crazy!

Some of the Whirl staff journeyed to West Texas State College last Saturday for a Journalism Clinic. The paper won 2nd place (very good) and Mary Jo Smith placed third in editorials.

Some of the dates seen last weekend were:

Randall Jones and Janis Roberts, Bill Orman and Kay Robertson, Gaynelle Boothe and Jerry Coltharp, DeAnn Newberry and Arliss Powell, Jerry Floyd and Stanley Burleson, Kenneth Robertson and Rue Nita Holly, Charlie Viney and Sally Redd, David Mount and Ann Jones.

News of Harmony

(By Mrs. Mather Carr)
HARMONY March 19 — Mr. and Mrs. Charlie Reid and Mrs. Everett Miller were in Oklahoma City March 10 for the surgery of Carrick Snodgrass. Mr. and Mrs. Reid returned home Sunday night while Mrs. Miller remained with her brother and his wife until Saturday, March 17. She returned home then and reported Carrick doing as well as can be expected. Mrs. Reid is the daughter of the Carrick Snodgrass.

We were sorry to learn of the death of Mr. McDonald who was found dead in his pick-up Saturday evening.

Floyd Trowbridge returned home Tuesday from Methodist Hospital, Lubbock, where he had had surgery several days ago. He is doing fine.

Roy Hale, Mrs. Marvin Smith and Charles Mather Carr have been ill. Roy and Mrs. Smith are up now but Charles Mather is still confined to bed suffering from flu and a virus.

There was a pretty good crowd which attended the E. W. and Loyce Turner sale Tuesday.

Mrs. Sherwood Ramsey attended the WSCS Methodist conference at Stamford leaving Wednesday and returning Friday.

The community center club met Thursday night at the center with Mrs. Zant Scott's committee in charge. The meeting was called to order by Junior Batley, president. New officers were elected as follows: President, Everett Miller; vice-president, Bill Tucker; secretary, Mrs. Glenn Poole. Other officers will be appointed later.

Mrs. Zant Scott and Mrs. Chloa Williams directed games. Refreshments were served.

A committee was selected to raise money to fence the cemetery. The project is to be finished by contest time so all help and donations will be appreciated as soon as possible.

It would be nice if volunteers would help paint the chapel so everything would look neat. Any help is appreciated.

Mr. and Mrs. Chloa Williams and daughter and Mrs. Mather Carr attended the spelling bee at Lubbock Saturday. Lajuan Sun was a contestant. The contest was won by a Lubbock boy with a Spanish-American boy from Bula as second place winner.

Mr. and Mrs. Chloa Williams, Lajuan Sun and Carolyn Williams of near Floydada spent Sunday in Amarillo as guests of Mr. and Mrs. L. A. Williams. Mr. Williams has not been too well but was feeling better Sunday.

Miss Reda Mae Gary and a girl friend from Lubbock spent the weekend in the R. B. Gary home.

Janet Holmes was on the sick list Sunday.

Mr. and Mrs. Glenn Worsham and sons of Colorado were dinner guests Sunday in the Lower Turner home.

Mr. and Mrs. E. W. Turner spent Sunday near Muleshoe guests of Mr. and Mrs. Fred Byerly.

Floydada Boys Win Tulia Meet In Squared Ring

Floydada Boxing Club's young team entered their first full-fledged tournament at Tulia last week and walked off with the team trophy. The Floydada boys took four first places and five seconds to finish in front of the other four teams. Teams entered were from Memphis, Wellington, Tulia, Plainview and Floydada.

Carlton Fawver, Floydada trainer, who made all three nights of the meet, reported the local boys made a fine showing and said he was very proud of their performances.

Other club officials accompanying the team to Tulia were Joy Ward, Roy Teague and Charles Hatley.

First place trophy winners were Frank Potts, middle weight; C. O. Woody, light weight; Johnny Houston, special 165 pound weight; and Johnny Fred Brown, welter weight. Potts won two fights to earn his title. Woody downed three opponents, Houston scored one victory and Brown took the measure of three entries in his class.

Second place points went to the following boys who lost but one of their matches: Rex Jones, bantam weight; Bobby Welborn, feather weight; David Baggett, light weight; and Larry White, middle weight, who forfeited to team mate Frank Potts in the finals for his only loss.

Only clean KO for the Floydada team was by Winfred West who knocked out his opponent from Wellington in 30 seconds.

Other local boys who fought were Dale Brown, featherweight; Gary Huckabay, welter weight; Lynn Jackson, welter weight; Jay Johnson, feather weight; Spiner Hatley, light weight; and Nathan Woody, fly weight. Dale Owens made the trip but did not get a match.

Fawver, commenting on the season, said the club got started too late this year and was unable to bring a meet to Floydada, but promised to get an earlier start next fall and do the job up right.

The boys have decided to end their training program for the present and take up again in December.

ing and night at the chapel. Mrs. Gates did not attend the morning service because of relatives visiting.

Visitors in the G. L. Snodgrass home Sunday were Mr. and Mrs. V. M. Manning of Petersburg, Mr. and Mrs. Bob Smith, Mr. and Mrs. W. A. Williams, Mr. and Mrs. Glad Snodgrass, all of Floydada, and Mr. and Mrs. Ham Smith of Baker Community.

Alcoa Advertising Staffers 'Shoot' Installation Here

The Bill M. Norman farm's new aluminum pipe installation at Doughey may get into the national television pictures sometime this spring.

A staff of four men and "a lot of photographic equipment" drove to the Norman farm in a Plains Hotel limousine last weekend and made pictures of the aluminum pipe irrigation system at the farm.

The Normans were told the party were advertising representatives of the Alcoa Aluminum Company of Pittsburgh and New York. The pictures made will appear on the Alcoa Hour over NBC either April 1 or June 10, the Normans were told.

The party came to Texas in a chartered plane, the Normans said. They visited the Norman farm in company with W. O. Tye of Tye & Sons, Floydada.

Young Farmers Plan Meetings

A meeting of a group of young farmers was held in the Homemaking room of the high school at 7 o'clock on Monday evening.

The purpose of the meeting was to talk about organizing the group into the Young Farmers of America organization. It was agreed to visit some such organization in this vicinity and learn more about the mechanics before electing officers.

However, the group plans to start a series of meetings in the very near future on phases of shop work.

Those present at the meeting were Travis Jones, James Price, Fred Conner, Kenneth Willis, Loy-lee Trice, Roy Teague, Truett Hartless, Truman Dunavant, and Leslie Nixon.

H. G. Barber and James Carroll were in charge of the meeting. A group of slide films were shown to stress the value of selecting the correct type of hogs to produce the best cuts of meat for the table.

Coffee and doughnuts were served to all present.

Mr. Barber says that any young farmer who is interested in these meetings is urged to attend.

Spreads the last few weeks also. They report a slow rain falling over the weekend there.

The home of Mr. and Mrs. I. H. Parks and boys of South Plains was the scene of a family gathering on Sunday. Those who came to spend the day visiting and enjoyed a buffet dinner at noon were Mr. and Mrs. O. G. Shearer, from Quinn, South Dakota, Mr. and Mrs. Lavon Shearer and son, Mr. and Mrs. Ray Burns and Kay all of Plainview; Mr. and Mrs. Kenneth Burns and children, Mrs. J. G. Shearer, Mr. and Mrs. Z. D. Future Homemakers of America of the Floydada High School honored their mothers with a mother-daughter banquet at the high school cafeteria on Thursday evening at 7:30 with St. Patrick's Day motif carried out in the decorations and the menu. Those attending the banquet from here were, Mrs. Raymond Upton and Bonnie, Mrs. J. P. Taylor and Virginia, Mrs. Grigsby Milton and Donita, Mrs. Horace Marble and June, Mrs. Early Pritchett and Louise, and Mrs. R. E. Young and Donnie.

Mr. and Mrs. L. N. Johnson were hosts to members of the Young Married Couples Sunday School Class at their home on Friday night. St. Patrick's Day colors were carried out in the decorations in the home and in the refreshments served at the close of the evening. Guests enjoyed "42" at four tables, and those present were Mesdames and Mesdames Rex Smitherman, Dalton Thompson, H. S. Calahan Jr. and their sons, Sterling Cummings and children, Thomas Pierce and children, Garvin Beedy, L. N. Johnson and children and Rev. and Mrs. Larry Paus.

Record Is Closed On Jr. Stock Show

Closing out the records of the 1936 Floyd County 4-H and FFA Junior Fat Stock show reveals that \$11,432.58 was paid in premiums to Floyd County FFA and 4-H Club boys and girls for the 129 animals sold at the show auction.

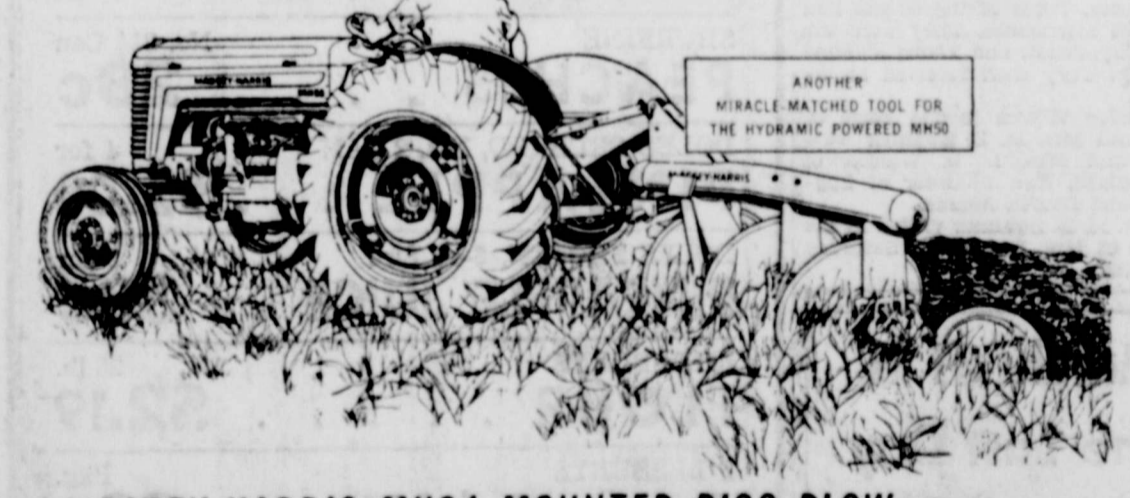

Two other changes in show records were made this week. An animal purchased by the Floydada Consumers Fuel Assn. was not properly credited to that firm. The Floydada Consumers Fuel paid Eugene Beedy a \$321.72 premium for his 766 pound steer.

W. R. Packett did not receive proper credit for the purchase of a fat barrow from Bill Keeling.

dered, plus a set of Grolier Encyclopaedia numbering 10 volumes. Other gift books have been placed on the shelves by teachers, friends, and students.

The student council has adopted the policy of placing a memorial book in the library whenever a member of any student's family passes away. Recently, the inspiring book, "And They Shall Walk" by Sister Kenny and Ostensio, was given in honor of L. F. Martin.

THE WILSON STANDARD Catalog is the guide for selecting books each year. When the State Supervisor comes to visit the school and the library, the library is judged on the number of books on the shelves selected from the Wilson Guide.

Mrs. Patterson has been very careful in the selection of books, in order that our high school library shall be up to the required standard. Large and complete dictionaries, the Atlas, the yearly Almanacs, and a bookcase containing seven complete sets of approved Encyclopaedia, from the hub for reference study and education. Two of the dictionaries have been placed in the high school library by the Floyd County Library for use during the school term.

Mrs. Patterson pointed out an interesting bit of information for people considering the purchase of encyclopaedia. "The books are not listed in the Subscriptions Book Bulletin, 'don't buy' All approved reference reading is listed there and we have a copy of the Bulletin."

There is a complete file of college bulletins for student study. Sometimes a study of these very bulletins has helped a boy or girl in planning high school courses for entering a particular college or university. Two, these bulletins have on occasion helped a student to make up his mind as to which college to attend.

(To be concluded Next Week.)

Sand Hill News

SAND HILL, March 21 — The cold spell this week has made us wonder just when spring will arrive. We could have used some of the moisture that was forecast.

The Junior Class of the church won the award that was given Wednesday night to the Sunday School Class with perfect attendance at the revival. Mrs. J. M. Williams is the teacher.

Miss Neida Rhea and her mother, Dorothy enjoyed the Mother-Daughter Banquet in Lockney Thursday night.

Miss Billie Gail Holmes accompanied by Mrs. Riley Holmes also enjoyed the banquet in Floydada on Thursday night.

Miss Thelma Ferguson and Mrs. Rafe Ferguson also attended.

Thursday night was family night at the revival. An award was given to the class with perfect attendance. Three of the classes had perfect attendance. They were the Primary, Junior and Young Married People. They each received an award.

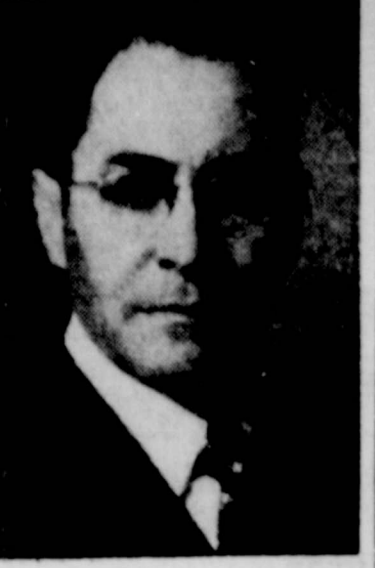

Sunday visitors in the home of Mr. and Mrs. M. B. Swanner were Mr. and Mrs. L. L. Walden of Springlake, Ken Swanner of Lubbock and Darrell Adams.

Mrs. M. B. Swanner visited in the home of Mrs. Roy Slater Saturday morning.

Floyd County Entry Misses 'Ammonia'

Sue Williams, Andrews Ward eighth grader, who represented Floyd County in the regional spelling bee at Lubbock last week-end, went down on the word "ammonia" to be eliminated from a chance at the trip to Washington, D. C.

Sue had previously won the ward school and county competition to get to the regional contest.

Those accompanying Sue to the regional spelling bee were her parents, Mr. and Mrs. Chelma Williams, Mrs. Mather Carr and Mr. and Mrs. Henry Barber.

Fross-Trapp Vows Repeated Friday In Home Ceremony

Wedding vows for Miss Rita Mae Fross, daughter of Mr. and Mrs. I. Fross of Hays, Kan., and Wilbur G. Trapp, son of Mr. and Mrs. Wallace W. Trapp of this city, were read last Friday afternoon at 3 o'clock in the home of the groom's parents, 602 West Virginia.

Judge Alton B. Chapman performed the double ring ceremony. Roger Trapp, brother of the groom, played traditional wedding music and accompanied Mrs. Peggy Bryan as she sang "Always." Miss Susan Dyer of Lubbock was ring bearer.

The bride, given in marriage by her uncle, E. B. Dyer of Lubbock, wore a street length dress of white embroidered tulle. She carried a white Bible topped with pink sweetheart roses tied with pink streamers.

Mrs. Tom Myers attended the bride as matron-of-honor. She wore a light blue silk dress with white accessories. She wore a corsage of pink carnations.

Tom Myers attended the groom as best man.

Following the ceremony a reception was given in honor of the couple. The table was laid with a pink cloth and centered with an arrangement of pink carnations and sweet peas. To complete the table arrangements pink candles were used. Mrs. E. B. Dyer, aunt of the bride, and Mrs. Lawrence Stovall, sister of the groom, presided at the table.

For a short wedding trip to El Paso, Mrs. Trapp chose a navy blue silk dress with white accessories for traveling.

Mrs. Trapp is a graduate of Hays, Kan. High School and Draughns Business School in Lubbock. She is presently working at Southwestern Investment Co. The groom is a graduate of McAllen High School, served four years in the United States Navy and is presently attending Draughns Business College.

The couple will be at home at 1764 45th Street, Lubbock.

WEEK-END IN AMARILLO

Fred Battey, Mrs. C. N. Battey and Mrs. Joe Evers visited over the week-end with Mrs. C. E. Neil and Mr. and Mrs. Shelby Cook and family. All of the group spent Sunday with Mr. and Mrs. Julian Edmondson and family of Phillips.

On their return home Monday they visited with Mrs. Evers' daughter and family, Mr. and Mrs. Everett Culp of Happy.

Study Club Meets With Mrs. R. E. Fry

The 1929 Study Club met last Thursday afternoon at 3 o'clock in the home of Mrs. R. E. Fry, 716 West Mississippi.

Mrs. E. L. Norman, president, presided during the meeting. Roll call was answered with "A Traffic Safety Rule."

Guest speaker for the afternoon was Paul Huntington, high school driver education teacher. He gave the safety council's opinion on the teen-age drag strip.

Mrs. Fry and Mrs. Norman gave their reports of the Texas Federation of Womens Clubs Convention held in Plainview, March 1 and 2.

A lovely desert plate was served to Mesdames Q. D. Williams, Lee Rushing, E. L. Norman, S. J. Latta, A. H. Kreis, Tate Jones, Sam Green, C. W. Denison, A. B. Chapman, Hollis Bond, W. H. Bethel and the hostess, Mrs. Fry.

The next meeting will be with Mrs. Q. D. Williams at the Montgomery Ranch, April 5 with the program entitled "Doors to Reverence."

Plentiful Foods Listed for April

COLLEGE STATION, March — Beef and pork top the U. S. Department of Agriculture's plentiful foods list for April.

These two meats got the top rating because supplies are so heavy and prices so favorable to consumers.

Onions made the list for the first time this spring. Potatoes and dry beans are also listed.

Fruits on the April list include canned and frozen cherries, grapefruit, canned kadiota figs and dates. Supplies of milk and other dairy products continue to increase with the advent of the spring season.

Broilers, fryers, rice, lard and peanut butter round out the plentiful foods list for April.

Mrs. O. B. Olson is in Abilene this week visiting with relatives and friends.

Timing through the next two weeks the following beginner pupils of Mrs. E. J. Barker: Billy Henry, Mike Matiser, Ronnie Amburn, will show work in oils, water color and pastels. The public is invited to visit the library and enjoy the fine art work.

Mrs. Lee C. Gollightly.

★ ★ ★ ★ ★ ★ ★ ★ VIEWS AND COMMENT

Almost always April is ushered in with a spell of weather that brings some amount of moisture. When that occurs this spring, a few days after the first, it should be helpful to soften up the top of the ground for irrigated land and help out for wheat. Occasionally an inch or more of rain falls and if that occurs this year it will mean something toward a wheat crop on dry land. Working against much moisture is that freezing spell. Possibly both will come together. Seems unlikely. But a good, fat "low" might get away from the beaten path, whip down across Arizona and the top part of Old Mexico, to make us a lot of moisture.

Over at Plainview, as one notes in the news dispatches, the voters turned down the Canadian River Dam Authority voting against joining the other towns which committed themselves to attempt the big project. Canadian River water is said to be ample in quantity for all the needs of these communities in the foreseeable future. One drawback is that somebody must guarantee to take what seems to be more water than they can use for the present at a price which will certainly be higher than plains people have been used to paying. Plainview has been especially blessed with ample underground water. The citizens have had it at such ridiculously low prices for so long they are spoiled. Their underground supply may continue to last. In fact, people there think it will after all others have exhausted their supply. Plenty of water at any price is cheap in many other communities of the west, which would like to have the opportunity Plainview citizens have just turned down. It depends on the situation and the point of view.

So far as we know Floydada has never been asked to join the other communities which are trying for the waters of the Canadian. What would it mean to a community, how much it would cost minimum for Floydada to contract for water we do not know. Perhaps somebody on the city council does know. We hope so at least. And we hope that somebody here is alert either (1) to get in on the deal if it be a good one, or (2) to keep the citizenship from undertaking something they could not accomplish with the money and credit they have available. In favor of getting in as against not getting in is that the water supply problem would be solved for years to come. At the moment Floydada will have to grow little more to make more water wells a necessity. And water wells cost money.

One thing people, the average citizen we'd say, fails to consider in the matter of the cost of water to a community is depreciation. Depreciation also has a brother, obsolescence, that has been the ruin of many a business which failed to recognize it. We do not know just how the Floydada water rate is figured but we gamble the statement that neither depreciation nor obsolescence are figured in. Nor the expense and hazards that go with digging more wells, nor indeed the fact that the last well will have been installed some day. So high priced water from the Canadian River dam now might mean the salvation of the town after the next generation takes over and the debt has been paid. Then you really would have something.

Dr. Schweitzer, the atomic scientist, scared the lights out of a Rotary audience in Floydada a few days ago and then unloaded on them the simple proposition that all they had to do to get unscared was to get themselves right with the Lord. That's the old-fashioned approach with a modern twist. The doctor bid for attention when he referred to the history of the Jewish nation. According to the Old Testament when the Israelites turned to God he saved them from their enemies, and when Israel finally turned its back on the Lord he permitted their enemies to destroy the nation. Dr. Schweitzer said this had a lesson for Americans, whose forefathers hewed out a nation founded on the firm belief in an Almighty Creator. When the nation finally turns its back on the Lord, should it continue the present trend, will it finally follow in the footsteps of Israel and become an extinct nation?

Long Waiting Line. With April 15 as the deadline for safety inspection of Texas motor vehicles, car owners who delay getting their 1956 stickers face the probability of waiting in line for inspections. Lack of a 1956 sticker after April 15 will be ample proof that the automobile is being operated in violation of the highway laws. Whatever your idea may be about whether your car should have to be inspected get your 1956 sticker. The general idea of the law is sound and it is not likely to be taken off the statute books.

Poultry infested with lice grow at a slower rate, are unthrifty and produce fewer eggs. One percent lindane in an oil solution makes an effective roost paint. A repeat application should be made in 10 days to two weeks.

Floyd County 14 Years Ago

(Taken from the files of the Floyd County Hesperian, dated March 26, 1942.)

Rules and regulations that will govern the Junior Boys' Live Stock Show here on April 15, were announced this week coincident with the report that 146 entries by members of the 4-H clubs and vocational agriculture students of Floyd County are already pledged.

Clifton McLain, son of Mr. and Mrs. Tom McLain, who volunteered for service in the U. S. air corps last fall, was given notice recently that he had been accepted. Final figures on the cotton crop of Floyd County for 1941 were released on March 20 by the department of Commerce, Bureau of the Census, showing that 10,827 bales were ginned in the season at all gins in the county. This compares with 15,546 bales ginned from the crop of 1940.

"Never before in the 166 years of our history as a free republic under God have our armed forces had so much meaning for us all," President Roosevelt said last Friday in calling on the people of the United States to observe Monday, April 14 as army day.

Army day is so observed to honor the men who are engaged in all portions of the globe in sustaining American rights against the aggression of the dictator nations.

Following a conference of interested farmers with E. H. Knapp, of Rocky Ford, Colo., agricultural superintendent of the American Crystal Sugar Company, held Tuesday night, 130 acres of land to be planted to sugar beets was actually contracted. Additional growers yet to sign are expected to swell the total acreage to the 175 acre figure or more.

O. P. Rutledge Jr., son of Mr. and Mrs. O. P. Rutledge, has been commissioned a second lieutenant in the U. S. Marine Corps.

income drops suffered the past three years.

As now written, the 1954 Social Security Act covering farmers would use the benefits on their incomes in 1955 and 1956, a period in which farm income dropped drastically.

An amendment to the act now before Congress would permit retiring farmers to eliminate their 4 or 5 lowest-income years since 1950 in figuring the base figure for benefits, just as those covered previously are entitled to do.

This applies to retiring farmers 65 or older this year who have paid Social Security tax on at least 6 quarter-years of income in 1955 and 1956. If they should die, their surviving dependents are eligible for benefits.

Extended coverage to these farmers is a vital, worthwhile thing. However, it would be rank discrimination to base the security of their remaining years on lower prices, higher costs, and natural disasters which have brought their incomes to a 15-year low.

Will Soil Bank Raise Farm Income?

The billion-dollar soil bank program, a major issue of the administration's farm program, is said by its backers to be the "balm in Gilead" for our economic-tortured farmers. They say it will increase farm income immediately, eliminate surpluses, and coupled with sliding

scale price supports, will cure all the farmer's ills.

Soil conservation — and that's what the soil bank actually amounts to — is definitely advantageous. A great many farmers practice some form of conservation on their own. However, placing a government grant on idle land could possibly result in some unfortunate situations.

One of the greatest dangers existing is the possibility of discrimination in subsidizing wastelands as highly as fertile fields. If this is to be averted, administration of the program must be careful and complete, and consequently very costly.

AMMO-PHOS FERTILIZER
is water soluble.

Experiments prove that crops that use more phosphate from water soluble Ammo-Phos fertilizer than from common mixed fertilizer.

MAKE THIS EASY TEST

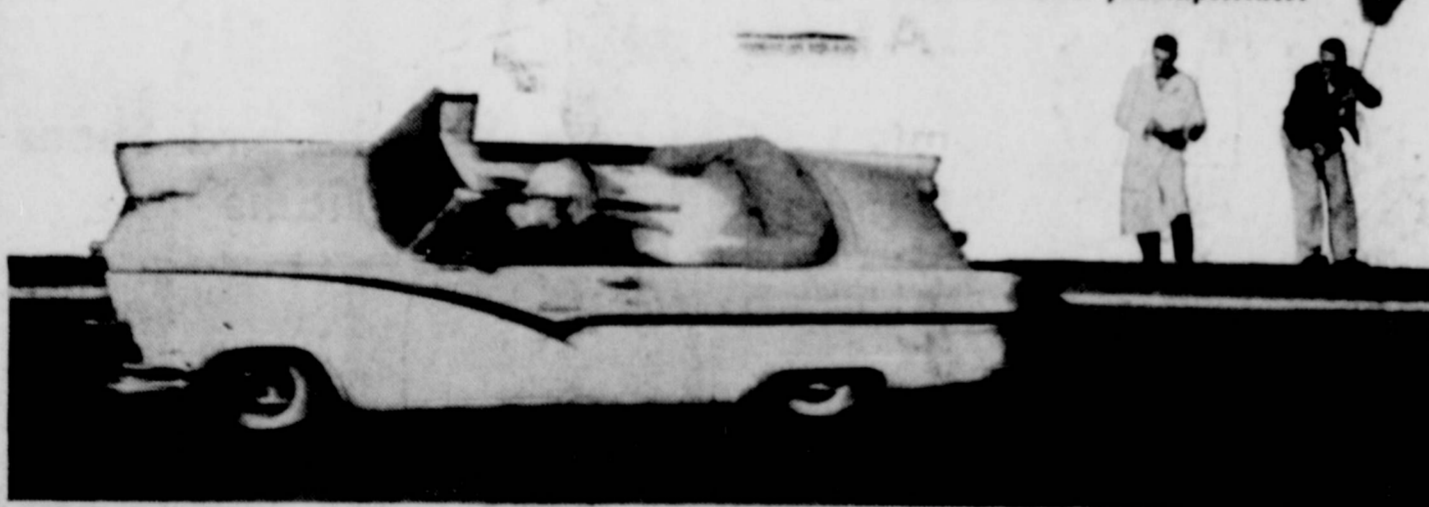

Place one-half teaspoonful of the fertilizer you are now using in a glass of water. Then place a similar quantity of Ammo-Phos in another glass of water. Stir both mixtures for several minutes. Notice how water soluble Ammo-Phos goes into solution while the mixed fertilizer collects at the bottom of the glass. Even if left for several days, the ordinary mixed fertilizer will not dissolve completely.

With Ammo-Phos your crop gets what you put in the ground.

Your job is more secure... because of advertising

Look at the hundreds of advertisements in today's paper. There are ads that sell cars, refrigerators, clothing and new homes. And every time an ad helps sell something, it helps make your job more secure. Take cars, for instance. A new car sold means a lot more than money in the bank for a local dealer. Every sale spreads employment benefits all over the country... more work for Detroit factory workers... more work for garages and service stations... more work for grocery stores, barber shops, banks and other businesses right here in this town. Somewhere in this vast system is your job. It depends on the American system of making and selling millions of items every day. By helping to sell all kinds of things to all kinds of people, the advertising in this newspaper benefits you!

Texas GOP Plans Strategy

Texas Republicans will bypass the holding of primaries this year. They will concentrate on the general election.
 At their Austin meeting the State Executive Committee agreed (1) to nominate by convention; (2) to hold precinct conventions May 5, county conventions May 8 and the state convention May 22 in Houston; and (3) to focus efforts of the re-election in November of President Eisenhower and Dallas Congressman Bruce Alger, Texas' only Republican congressman.

Vaccine Stretching Debated

Public health officials are in disagreement over a proposal to delay third polio shots in order to extend the dwindling vaccine supply to more people.
 A two-shot plan was endorsed by the Public Health Service in Washington. Such a plan would stretch the still-short supply of vaccine to cover 25 to 30 million persons, officials said.
 Dr. Henry A. Holle, Texas health commissioner, turned thumbs down. He said the difference between two shots and three "could be the difference between having paralytic polio and not having it."
 Texas' supply is almost exhausted. However, a rush order of 150,000 cubic centimeters of the vaccine is expected to arrive before the end of the month. One cubic centimeter is sufficient for one inoculation.
 Meanwhile 11 new cases of polio are reported in Texas, bringing the year's total to date to 121.

FFA Boys Active

More than 38,000 boys now are enrolled in FFA chapters in Texas high schools. So reports Lewis B. Taylor, executive secretary of the Texas Vocational Agriculture Teachers Association.
 Biggest FFA chapter is at Burbank High School in San Antonio, where there are 186 members.
 National awards have been won by chapters in Clifton and Whitney. Clifton boys won the FFA national gold emblem rating six times in a row. Five FFA boys from Whitney won the American Farmer Degree the same year.

Short Snorts

APRIL 5 is the opening date for the old French legislation in Austin. Dignitaries of the Sons and Daughters of the Republic, the State and the University, will attend opening day ceremonies.
 ONLY ABOUT HALF of Texas' motorists have obtained auto inspection stickers so far this year. Over 150,000 cars a week will have to be checked between now and the April 15 deadline.
 GEORGE C. MENZIES died from rabies, last January, while working on an experiment with bats. He left a wife and four children. Austin friend of the former State Health Department scientist, have started an educational fund for the children. Spearheading the drive is W. N. Colston. So far less than \$3,000 has been collected. More money is needed. Contributions may be sent to Colston at Box 991, Austin.
 SIX INSURANCE COMPANIES owned by W. Lee O'Daniel and his family, have fewer policies in effect than the new law requires for continued operation. So reports the insurance commission. Included are the W. Lee O'Daniel Life Insurance Co. and five others, of which O'Daniel's son, Pat, is president.
 ANOTHER INSURANCE COMPANY is out of business. But without repercussions or financial loss. Home Life and Accident Insurance Co. of Dallas voluntarily surrendered its license and asked that a court-appointed receiver be named. Frank Cain, chairman of the board, said that all policyholders and creditors would be paid in full and stockholders would receive more than their original investments.
 APRIL OIL allowables have been cut by 64,159 barrels daily by the Texas Railroad Commission. Reduction to 3,356,857 barrels was effected by allowing one less producing day than in March.

DAUGHTER BORN SATURDAY

Mr. and Mrs. Curtis Meredith are the proud parents of a daughter born Saturday afternoon at 3:25 o'clock in Peoples Hospital. The young lady weighed eight pounds and 10 ounces. She had been named Terri Denise.
 Maternal grandparents are Mr. and Mrs. Jim Harper and paternal grandparents are Mr. and Mrs. G. M. Meredith, all of this city.
 Mrs. J. R. Neece of Los Angeles, Calif. is visiting this week with her sisters and families. Mrs. S. J. Latz and Mrs. E. L. Normah of Floydada and Mrs. S. G. Appling of the Mt. Blanco community. Mrs. Neece arrived in Texas Thursday of last week.

Tags and Safety Stickers are Not Issued Together

There is no connection between the purchase of automobile license tags and the safety inspection of passenger vehicles, Executive Director G. Morris of the Highway Safety Council of Texas reminded motorists today.
 "One reported reason for the delay of some motorists in having their automobiles inspected this year seems to be a misunderstanding about new license plates and safety inspection stickers being issued together," Morris said. "There is no connection whatsoever."
 Deadline for purchase of 1956 license plates is April 1. Morris pointed out, and the inspection deadline is April 15.
 "It is not necessary," he added, "to show any certificate of inspection to secure license plates."
 Morris reported that the Highway Safety Council's continuing check of authorized inspection stations indicated that inspections had increased rapidly during the first two weeks of March but he added, "any motorist who waits until April for the safety inspection will face a long waiting line."

SOIL CONSERVATION DISTRICT NEWS

C. M. Perry, who is a Floyd County Soil Conservation District cooperator west of Floydada, has recently completed shaping and seeding a waterway with the help of Soil Conservation Service technician. The waterway is 50 feet wide and will take care of a 100 acre watershed. It will intercept water from a diversion terrace, now being constructed, and transport it to a lake.

Other cooperators who have terraces and waterways planned or under construction are: L. L. Ferguson, Bill Poole, Horton Howell, Wade Deavenport, Loyd Deavenport and James L. Nichols.

Now is the time of year to shape and establish vegetation in waterways. Waterways are broad shallow, vegetated strips used to transport runoff water from the outlets of terraces to a safe place of disposal. They are especially valuable in cases where diversion terraces cannot dump water directly on a grass area.

In these cases, a vegetated waterway can be designed to safely carry the runoff water across land that has been in cultivation, without causing severe gully erosion. The width of the waterway will depend upon the drainage area contributing runoff water and slope of the waterway.

Vegetation should be established in the waterways before runoff water is turned into it in order to prevent erosion in the waterway channel. Weeping lovegrass is very good and has been used successfully in establishing vegetation in waterways where irrigation water cannot be applied.

Alfalfa, clover, perennial ryegrass and Kentucky bluegrass are a few plants that are good where irrigation water can be applied on flat slopes.

Good carbon paper goes further. Try Suite-Rite.

As A Farm Woman Thinks

(Nellie Witt Spikes)

God's time is never wrong. Never too fast nor too slow; The planets move on its steady pace.

As the centuries come and go. Stars rise and set by that time. The punctual comets come back. Will never a second's variance. From the round of their viewless track.

Men space their years by the sun, and reckon their months by the moon.

Which never arrive too late And never depart too soon. Let us set our clocks by God's. And order our lives by His ways. And nothing can come and nothing can go.

Too soon or too late in our day. — Annie Flint Johnson

Last night Billy and I watched the moon as it lay like a golden boat in the midnight dark of the sky, a little star swam near as if to show the way through the dark. If often we would look above the bright lights that man has made into the heavens to see the lights that God set there at the beginning of the world and will stay there to give us faith and hope.

I am getting to Palms in reading the old Testament which I began in January. Every time I read them I find something that I missed before. Here are some I have especially enjoyed and profited by:

Ps. 13:22. A good man leaves an inheritance to his children's children.

Ps. 17:6. Grandchildren are the crown of the aged.

Ps. 19. The tongue of the righteous is choice silver; the mind of the wicked is of little worth.

It has been too cold to even think of working outside. Time kinda drags in the house when one's mind is on green growing things. The little pea tree that was getting so pretty looks weatherbeaten and get back. The onions look just as they did when I set them out. Better have patience and wait for spring.

This Saturday morning is so very fine that even the news from Washington on the farm bill, the political-boiling pot, the war scares seem far away as we go outside and hear the meadow lark's sweet songs.

The dormant rose bushes look a little green as if they are getting ready for their wealth of fragrant blossoms — the whirring of cemen mixers tell that needed work is going on in Ralls — the air is cool but feels good — the skies are cloudless — we would like to see good rains — but it feels so good to sit around that I will just enjoy the blessings which surround us and shut out, for a time at least, the worries.

It is getting near Easter. While we are getting our new Easter apparel ready let us take stock of our supplies of faith and hope and patience. Our prayer life may be getting a little thin, our love to our fellowmen may be tarnished and outworn, we may need to throw away some old grudges and hates that we hang on to, as sometimes we do to a dress we know we will never wear again.

Let us get our spiritual garments ready and our material clothing will be all the more enjoyed.

One of my favorite scriptures: "Consider the lilies of the field, they toil not, neither do they spin, yet Solomon in all his glory was not arrayed like one of these."

Here is an idea for Easter I cut from a magazine last year. Make a cross of two narrow boards, paint it gold or cover it with foil. Attach your Christmas tree lights to the cross for window display. To quote from the article: "Perhaps the day will come when thousands of homes across the United States will display a lighted Easter cross. Perhaps the reassuring rays from those lighted crosses will say to men and women walking by in darkness, 'Because there was once a Cross, there is no night.'"

Meredith Named Head Coach at Crosbyton High

Jack Meredith was named last week to the head coach's position at Crosbyton. Meredith will replace Leonard Ehlers who resigned to accept a similar position with the Slaton schools.

Meredith is well known in this area having served as assistant coach with the Floydada Whirlwinds before going to Happy where he has been head coach for the past two seasons.

Floydada friends of the new Crosbyton coach were happy to hear of his being named to the job. Meredith was popular here and is expected to make a good showing at Crosbyton. He will be working with Superintendent Sam Hawkes who is an ex-coach from the Spur schools.

Meredith will name the remainder of the coaching staff before the start of the next school year.
